Kinesiological muscle testing, as developed by Dr David R Hawkins and quantified by his Map of Consciousness (MOC) table, has been used to ascertain the possible level of truth of documents. Such tested calibration levels appear within the document. We ask that you consider testing same for yourself. The technique and process is outlined within Pascas documents, such as Pascas Health – Energy Level of Food. From each person’s perspective, results may vary somewhat. The calibration is offered as a guide only and just another tool to assist in considering the possibilities. As a contrast, consider using this technique to test the level of truth of your local daily newspaper.

Living Feelings First, *John.*

“Never can one man do more for another man than by making it known of the availability of the Feeling Healing process and Divine Love.” JD

The Auric Fields of a Couple in Love

(this is a Natural Love focused process)

While standing facing one another, holding hand, exchange the following with each other:

**I honour the light and the life within you and
I am grateful to share this time and space in love with you.**

**The light within you is the light within me
The life within you is the life within me
The love within you is the love within me
for
You and I are One**

Further, individually, consider making these affirmations:

Let only that which is in alignment with my greatest good, impact me

**Let that which is detrimental be neutralised and I choose to use it to enhance my highest
good**

The PSYCHOLOGY of MAN's GENESIS and APPEARANCE in the WORLD:

P.159 chapter 14 book 8.2, Rites of Love of the Ringing Cedars Series by Vladimir Megre

In regard to this question, I (Vladimir Megre) have to say right off that according to Anastasia's information, the process of conception and carrying a child – as well as its appearance in the world as a Man – is not primarily a physiological, but a psychological one. It is the highest form of joint creation between a man and a woman. It is the apex of achievement of their thoughts, feelings and intellect.

Initially such an affirmation met with some scepticism on my part, as, indeed, I think, on the part of many of my readers. So I shall reproduce here my more detailed dialogue with her on this topic.

“Anastasia, how can you say that it is mainly psychological? After all, it's a real material foetus that develops in the mother's womb. The woman experiences actual physiological sensations, sometimes even painful ones. There have been lots of popular scientific books written on the subject of carrying a child and its appearance in the world, and these often go into great detail about what a pregnant woman should do, how she should act on a physiological level. When you come right down to it, physiology is primary, after all.”

“Yes, sadly, such an opinion has indeed been thoroughly rooted in human society. It means that the principal component of the human self has been either relegated to the background or eliminated completely. The result is that people have come into the world who are, in essence, quite the opposite of God's likeness.”

“Think about it, Vladimir: the foetus in the mother's womb lives and develops not because someone has written a bunch of treatises on the subject, but because this was the original thought of the Creator – indeed, of Nature. To interfere with this eminently perfect process is tantamount to replacing what is natural and perfect by something that is artificial and less perfect.”

“The physiology involved in the formation of human flesh was pre-programmed by the Creator and is quite capable of developing all by itself, without bothering the mother or father with a need to control this process.”

“On the other hand, the psychology and philosophy of birth – a process on an immeasurably higher level – is wholly dependent on the mother and father. It is a joint creation by Man¹ and God.”

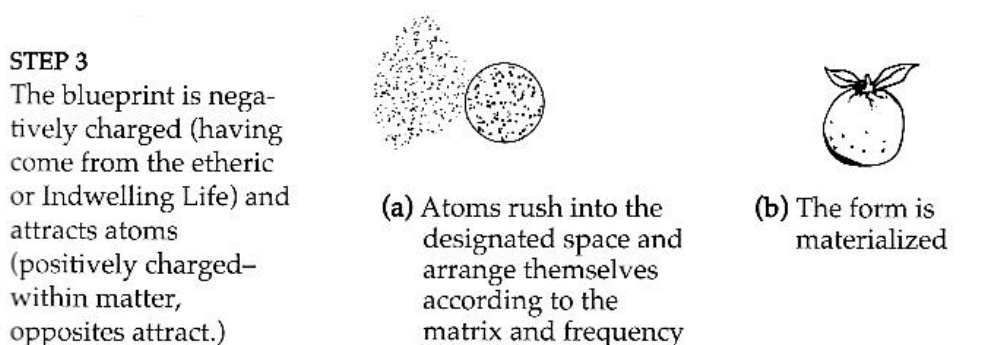

“The appearance of pain at the moment of birth is a sign of an erroneous psychological approach to the birth process on the part of the parents.”

¹ The author visa vie Anastasia refer to Man as being gender neutral representing the whole of mankind

“Many, many animals give birth to their offspring in natural surroundings and none of them perish or experience suffering. Nor did the Creator come up with any thought of pain for His most beloved creation, Man. Just as loving parents would never conjure up the thought of pain for their children.

How Matter is Formed

(This is not totally correct)

“As she fulfils her highest purpose – that of co-creating God’s Man – the woman who has carried the Divine child within herself receives a reward ordained by the Creator. This reward is the feeling of bliss and the chain of joyful ecstasies during labour, but certainly not pain. Quite to the contrary, the process of giving birth to a Man should be a joyful and pleasant one.

“It is Man himself, deceived by the occult sciences and suggestions from the dark side, who by his own intrusion has made childbirth painful for the mother and fatal shock for the baby.”

“What’s this about a shock, Anastasia – shock fatal for the baby at that? The baby just gets born.”

“Yes, it gets born, but it does not understand why it is being so rudely torn out of its pleasant and perfect Space and why its mother suffers and experiences pain. The mother’s pain occasions untold mourning on the part of the child.”

“What, is it possible for a mother to give birth without any pain at all?”

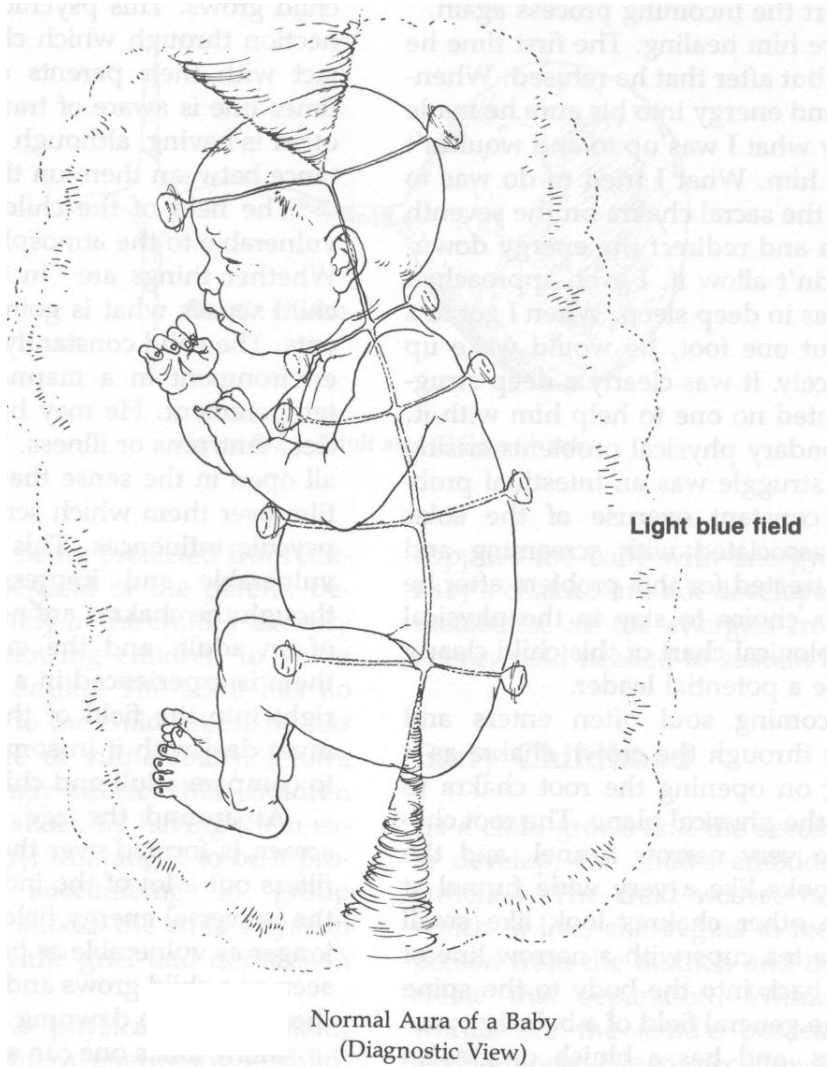

“Not only is it possible without pain, but with a supreme and most pleasing joy and delight!”

“You know, Anastasia, our modern medicine is equipped to do just that – it can guarantee an almost painless childbirth with the help of anaesthetics.”

“Anaesthetics can lessen the mother’s physical pain, Vladimir, but they increase the mental pain for the infant, since anaesthetics cut him off from contact with his mother. Such a state instils in him fear and a lack of self-confidence, which continue even into adulthood, even into his most advanced years. They prevent him from being born again.”

“But why does something like that happen?”

“When a Man is living in his mother’s womb, he feels a cosiness there – he feels comforted, cared for and peaceful. On the physical plane his needs are

completely met. He is free of the problems plaguing Man in everyday life, he is allowed to experience the whole order of the Universe.

“Over the nine months all the information about the marvellous order of the Universe, about Man’s purpose right from the beginning of creation, is imparted to him.

“The world he knows inside his mother’s womb is vast and marvellous.

“And then all of a sudden, something rudely tries to thrust him out of this world of supreme grace. Every woman knows: this means the labour has begun – an inevitability, or so it seems – and hence people do not think about the effect it might have on the infant. Few women in today’s world realise that they do not have to frighten their baby – on the contrary, they can caress their child during labour, talk with it, express their thoughts to it, invite it to be born into the world. And this need not be accompanied by any sensation of stress or pain.

:After hearing the call of his mother and father, the child will perceive the labour contractions as a caress – an invitation to make his appearance of his own free will, to explore a world that is brand new to him.

“*To be born of his own free will* – that is an indication of great and extraordinary significance. All the information imparted by God during a birth like this will be preserved in him.

“When the woman experiences fear over her labour, this fear is felt by the child in the womb.

“When the woman experiences pain from her labour trouble and has thoughts only for herself, the child in the womb experiences *double* the amount of pain. He feels abandoned, and, above all, helpless and defenceless. Such feelings are harmful, and they are lasting. They wipe out the information the child has earlier received about the grand Creation, since they are in contradiction to it. In this kind of birth, the child feels for the first time in his life that he is not the master of the Universe, but a worthless nonentity, subject to some kind of external forces.

“His body is born, but the spirit of mastery and of a kind creator is not born in him. Such a Man will not become the likeness of the Divine. A mere slave of some other entity he will remain, and he will try his whole lifetime to free himself from slavery, but in vain.

“Earthly tsars, presidents, along with their bodyguards and service staff, are likewise the slaves of circumstance. They think they are deciding something of importance, and try to make their life a happy one, but life for them only becomes more and more unhappy and hopeless, like the ever deeper blackening of both the air and the water.”

“This thought of hopelessness suggested at the birth by pain, interferes with human society’s ability to make the right decisions.”

“Yes, Anastasia, a birth like that presents a very scary picture. Maybe that’s why some women today opt for a Caesarean section? That would prevent something like that from happening, eh?”

“It still happens. One could hardly explain such a procedure as the birth of a Man – it is more like a routine operation. (Now typically more than 50% of all births are by Caesarean section.) who is thereby causing the Man to emerge into the world – the mother, who has not given birth to the child, or the surgeon, who has torn the foetus out of the mother’s body?”

“The infant, who has not yet appeared in the world, suddenly loses contact with his mother and, consequently, with the whole order of the grand Creation. Then he is forcibly torn from the womb. What for? Where to? And why so rudely? And why is he not in charge of anything himself? The whole world crashes before him!

“People believe a child is born into the world, while he, at the moment of birth, feels himself forlorn. And while it seems as though this infant Man has thrived, what has remained alive, in fact, is only his flesh. He will try to use what paltry remains he can reclaim of his spiritual substance to search for his Divine self throughout his life. And for this only his father and mother are to blame.”

“Anastasia, as I understand it, it is on the women and on the way they carry and birth their children that the whole future of their offspring, not to mention the future of human civilisation, depends. Is that true?”

“Yes, it is true, Vladimir. But no less – in fact, in equal measure – does human birth depend on the *men*, on the fathers.”

When a man brings a child into the world ...

“Hold on, hold on there Anastasia. Explain what you mean when you say ‘a man brings a child into the world’. After all, men cannot actually give birth. They are physically incapable of giving birth.”

“There is a trap hidden in there, you see, Vladimir. In accepting the suggestion that birth is mainly a physiological procedure, the majority of people have thereby excluded the Great Spirit, the Father-Creator, from the birth process. More specifically, they have excluded God the Father from the birthing mother’s labour. It was God’s absence that first got reflected in the woman in the form of labour pains, and subsequently of general human suffering.”

“Can you explain in more detail the *man’s* role in the labour? And why is excluding him, tantamount to excluding God? Should the father, or the man, attend to his wife’s labour?”

“It is quite unnecessary for the man to *attend* to the labour. It is sufficient for him to be by her side, but that is not the father’s main purpose.”

“But what, then, *is* his main purpose?”

“To comprehend that, you must realise that the mother’s womb nourishes the flesh of the foetus conceived in her from her beloved male partner. It feeds the flesh, and that is important indeed, but it is not *the* most important factor.

“The foetus reacts to the conditions and feelings not only of the mother, but in equal measure to those of the father.

“When a husband talks with his pregnant wife, the foetus conceived does not understand the parents’ words, it does not really comprehend the meaning of the words uttered to their full extent, but acutely perceives the *feelings* of the parents.

“Sometimes a man is led by an impulse of tender feelings to caress his pregnant wife’s tummy or to put his ear to it and hear the baby’s movements. Caresses like that are pleasing to the woman, but the foetus inside her, it would seem, does not perceive them physically, but it feels them on an immeasurably greater level.

“The feelings of the baby’s mother and father come to him in a flood. He receives them with great joy, with supreme bliss.

“On the level of feelings, the foetus takes account of *thoughts* as well. When parents wait for their child in love and harmony and keep thinking about him, then from the very moment of conception he constantly dwells in the father’s and mother’s energy field, and this is very pleasing to him.

“It is through the mother’s and father’s feelings that the child feels the surrounding world – outside his mother’s womb.

“If a father at his pregnant wife’s side, hears and exults in the song of a nightingale, the foetus in the mother’s womb will feel both the song and the father’s joy. After he is born and grows up, he will continue to delight in the nightingale’s song, just as he did in the womb.

“If the father or mother suddenly takes fright upon beholding a serpent, the child, once born, will be frightened at the same sight, too. In the womb, of course, he could not actually see the serpent, but through what his parents see, the information about it will be stored in his subconscious throughout his life.

“When a father, Vladimir, skilfully sings songs to his pregnant wife, their infant will sing no worse than his father as he grows up. If a father starts contemplating the stars in his mind, their offspring, after birth, will show an interest in the stars.”

“I have also heard, Anastasia, of how a certain composer played the piano for his pregnant wife, repeating over and over again a tune he had composed which had caught his wife’s fancy. But later the composer divorced his wife before the birth of their son.

“When the child had grown a bit, his mother put him in a music school. And one day she heard him performing his father’s tune. The amazed mother decided that her son had somewhere discovered an old musical score, since this tune had never been performed at any concert, and the score had never been published. But upon entering the piano room, she saw that he was playing without any score at all. She asked her son:

“Who taught you to play this piece, son?”

“Nobody,” the boy replied. ‘I just heard it somewhere, but I can’t remember where. I like it. What about you, Mama?’

“I like it, too, very much’, replied the woman, and asked her son how he could have memorised it, since in school he had never started playing new works right off, even from a score.

“No, never right away, but this one took hardly any time at all to learn by heart, for some reason. It just seemed to be inside me. I want to continue it, and add to it in the same key’.

“The boy continued to develop his father’s melody which he had heard in his mother’s womb. Like his father, he too eventually became a composer.”

[A very similar experience is recounted by Boris Brott, former conductor of the Hamilton Symphony Orchestra in Ontario (Canada), who as a young musician found himself able to play certain pieces sight unseen. It turned out these were pieces his mother, a professional cellist, had played during her pregnancy. His experience is cited by Toronto psychiatrist Thomas Verny in his book *The secret life of the unborn child* pp 22-23.]

“That is a good example you cited, Vladimir, and it is by no means the only one. Many examples point to the fact that child-raising effectively begins right from the mother’s womb. And even a little bit earlier, before the conception even takes place.”

“What d’you mean, earlier? Prior to conception, after all, there isn’t anybody there yet.”

“Remember, you were telling me about telegony, Vladimir, about how a child born to a woman may resemble the first man in her life, rather than the father with whom the material conception took place. (See chapter 5, Conception involves more than Flesh p.33.) This very phenomenon attests to the fact that someone who is not yet conceived, but just waiting his turn in the conception queue, can ‘read’ information about the father.”

“Is there really such a thing as a conception queue?”

“There is. Just as soon as intimacy occurs between a man and woman, a spirit is born in space, ready for a material embodiment.”

[Pascas Care – Incarnation – we do not and cannot reincarnate. We are drawn to our parents at conception which is also the moment of incarnation. At the time of this writings, Anastasia was within the Natural Love spheres and her communications do not reflect Divine Love teachings and truths.]

“What, even if they’re just having sex for fun, without any thought of childbearing?”

“The spirit appears whenever the man experiences satisfaction.”

“You mean, orgasm?”

“I do not like that word, Vladimir. It implies information which gives a false impression of the essence of the act.”

“Okay, let’s just call it satisfaction. But is there any way you can prove the existence of this spirit?”

“You yourself can find the proof, Vladimir, if you wish. After all, one person may grasp the essence of this phenomenon from just a few words spoken, while another may require years, even after being presented with a multitude of examples, and even then may still be reluctant to understand.”

“Well, can modern science offer at least indirect proofs of what you are saying?”

“Of course.”

“What kind of science – biology, genetics? To tell the truth, I need to know, so that I can more easily search for proofs?”

“You will easily be able to find them in physics, Vladimir.”

“In *physics*? What’s physics got to do with it? You were talking about the spiritual – maybe I could try esoterics, but *physics*?”

“In physics there is a law of conservation of energy.”

“And what’s that law got to do with it?”

“During intimacy with a woman an unusually powerful energy builds up inside the man, and the moment comes when he releases it. According to the law of conservation of energy, it cannot simply disappear without a trace, but is capable of mutating from one state into another. In the situation we are talking about, it is precisely the man’s colossal energy and the lightning speed at which it is released that forms a spirit.”

[One of the most prominent scientists to study energy released during orgasm from the physical standpoint was the Austrian – American psychiatrist Wilhelm Reich (1897-1957). He named this universal life force orgone (from orgasm) and was even able to build working apparatuses capable of accumulating it and using it for therapy. In 1956 he was arrested and thrown into prison, where he died the following year. His orgone accumulators were destroyed by the US government and his books burnt, including his monumental work *The function of the orgasm: Discovery of the orgone* (New York: Farrar, Straus and Giroux, 1986 – Amazon.com).]

“What about the spirits that are conceived? Do they begin right off to feel their parents?”

“Yes, right away. And they feel their father and mother in equal measure.

“Over the nine months in the mother’s womb the parents can teach the living child a great deal. Such lessons need no repetition. The child will instantly memorise, with life-long retention, any information imparted by his parents.

“A father who possesses a thorough knowledge can ‘carry’ or shape, as it were, his child’s spiritual and intellectual self.

“It is the father in particular who is responsible for the higher-level components of Man, and in this his role is indeed Godlike in nature.

“It is the father who gives birth to the Man’s spiritual component. Fathers should spend the whole gestation period compiling the programme which shapes the spirit, character and intellect of the future Man.”

“You are talking, Anastasia, in terms of a ‘programme’, of a father who has a thorough knowledge of the procedure of raising a child still in the mother’s womb ...?”

“I am not talking about the father *raising* his child, but about *giving birth*. The father does not do any ‘raising’ per se, but simply gives birth to the second, non-material self of his future son or daughter.”

“I would say that we don’t have any concept of that at all in our society. Our loss, no doubt. It is considered that the principal role of the father in a child’s birth is finished after conception. Thereafter, in the best-case scenario, the father helps his pregnant wife with household tasks, makes sure all her needs are met.”

“Unfortunately, that is all too often true.”

“But, Anastasia, who then forms the Man’s main spiritual component if the father doesn’t understand his role in this?”

“Either circumstances, or someone who knows about it and uses it to forward his own agenda.”

“So it turns out that men who are ignorant of the possibility of full participation in the formation of their future child right from conception are not raising their children in the fullest sense of the word?”

“Unfortunately, Vladimir, that indeed happens all too often.”

It seems I have only just begun to understand the significance of what Anastasia has said, which in turn has showed me the whole absurdity of our way of life. It may be that all our social upheavals are the result of the fact that the over-whelming majority of us, even when we are together with our children, have little in the way of a relationship to them in practice. We abandon them to the whim of fate, hand them

over to somebody else. But at the moment I was having my conversation with Anastasia on this subject, it was not societal but rather personal circumstances that were calling forth sad feelings in me – hopelessly sad, perhaps – feelings that will remain with me my whole life. I didn't even feel like continuing the conversation.

“You have gone pale, Vladimir,” Anastasia observed, noticing my condition. “Your eyes have dimmed. Why?”

“I have no strength left to talk about it, Anastasia.”

“I have a good idea of what has happened to you. But you will feel better if you can describe the cause of your unhappiness on your own.”

“What is there to describe? It's perfectly obvious. When I realised the importance of the information you gave about childbirth, it made me realise, too, that I had not participated sufficiently in the birth of my own daughter, Polina. But back then neither my wife nor I had any idea of how we should relate to the question of childbirth.

“But *you*, Anastasia, had knowledge of this information. You bore a son, and a daughter, and I, it turns out, am once more on the sidelines. You knew this, and still, you didn't tell me in time what a father's supposed to do. Not only that, but I remember you telling me that I shouldn't see my son at all for some time, even after his appearance in the world. What did you do that for?”

“Yes, I did say that to you, Vladimir. But think about it yourself: what would you have begun to teach your son if you had stayed the nine months with me in the taiga? Do you want me to give you a hint as to the answer?”

“Go ahead.”

“You remember, you asked me at that time to leave my family glade in the taiga, my Space of Love, which my parents had formed for me. You wanted me to give birth in a city, in a hospital. Then you said we had to send our son to kindergarten and the best schools, that you would make him into a businessman and that he would carry on your business.”

“Yes, I did say that, but there was a lot I didn't know back then. Afterward I finally accepted that you would never be able to, or never want to, live in the city, but still, you did not invite me to stay with you in the taiga.”

“If I had suggest it, would you have stayed?”

“I don't know, but quite possibly I would have.”

“And what would you have done?”

“Like anyone else, I would have found some man’s work to do around the home.”

“But you should know, Vladimir, that I do not need any physical assistance. Everything here is all ready for willing service: the air, the water, the beasts and the grass. I asked about your activities in the hopes of finding out the most important thing, namely, where would your thoughts have been while awaiting the arrival of our son?...

“So, you have nothing to say. After all, your thoughts were just like your words back then.

“And you might have regretted that you did not succeed in persuading me to live in the city. You even had a plan in mind in taking me by force to give birth in a hospital. Yes? Admit it!”

“Well, yes, I did, but it didn’t last very long.”

“Now tell me, Vladimir, just how was our son supposed to react to such thoughts coming from his father? Such aggressive thoughts, besides.”

“Yes, I see now, it wouldn’t have been very good for him. And still, I’m sad that now I ... In any case, it turns out that I’m not a fully-fledged father. And that means that you bore a son, and a daughter, too, who are not completely Man.”

“Trust me, Vladimir, and don’t be upset, and don’t be sad. You *are* a fully-fledged father to our children. And our children have received everything in full measure. It turns out that our son is even a little overloaded with information and sensitivity – at one point my great-grandfather Moisey was not able to restrain himself and told him more than he should have.”

“But how so? I wasn’t with you during your pregnancy. I didn’t compile any programme, I wasn’t present at the birth, I did not invite my children to be born, yet you still say that I’ve come out a fully-fledged father. A moment ago, you were arguing quite the opposite.

It is now time to leave you to proceed to read the book – Rites of Love.

Healing with
Divine Love is
the key!**

Golden Rule: that one must always honour another's will as one honours one's own.

To liberate one's real self, one's will, being one's soul, is begun by embracing Feeling Healing, so as to clear emotional injuries and errors. With the Divine Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

ANGELIC REVELATIONS of DIVINE TRUTH: vol II p.131 James E Padgett

Luke Explains the Biblical Text: “The Sins of the Parents Are Visited upon the Children unto the Third and Fourth Generations.”

I AM HERE. *Luke.*

It may be asked in what way can the effect of sin upon a man—that is, upon his soul and spirit—have any injurious effect upon the spirit and soul of his child so that the child may suffer from the sin of the parent.

Well, when a child is conceived and gestates and is born, he not only partakes of the physical nature of his parents but also of the qualities and condition of the spirit and soul of the parents. This may seem improbable, but it is a fact that the spirit and soul that enters into the child when it is conceived comes from the great universe of soul and spirit, wholly independent of the parents, and is not in its nature or qualities a part of the parents as is the flesh and blood which build up and produce the physical body of the child. But, while this is true, it is also true that this spirit and soul of the child is susceptible to, and in a way absorbs, the influence of the spirit and soul of the parents—not only at the time of conception but also during the period of gestation, and even for years afterwards, and to such an extent that this influence continues beyond the mere earthly existence of the parents and into the life of the progeny to the third and fourth generations.

The spirit part of the child is more susceptible to the influence and evil effects of these sins than is really its physical body. For, as I have said, the spirit part is the originator and breeder of the sins, if I may so express it, while the body is merely the recipient of the exercise of the sins and the object of their manifestation.

The influence of spirit upon spirit is more extensive and certain than mortals can possibly conceive of, and the results of that influence are not so apparent or known to the consciousness of the succeeding children, or to the respective parents. And men do not suppose, and, as a fact, do not understand or become conscious of the fact that such influence is operating upon the spiritual parts of their children. They see and realize that the effects of such sins become manifested in the physical body, and, as their ordinary natural senses cannot perceive the condition of the spirit, they conclude that the text can only mean that these sins are visited upon the material bodies of their children.

But I must tell them that, while great and deplorable injury is inflicted on these material bodies, yet, greater and more lasting and more grievous injury, in the way of manifestations, is inflicted upon the spiritual nature of the children—not only because this nature continues to live but also because men, not realizing that this nature has been injured, make no attempt to find and apply a remedy, as they so often do in the case where these sins manifest themselves in the physical body. And, besides, there are many sins which do great injury to the spiritual nature, and which are never perceptible to the senses of men.

A man is not only the parent of a child’s material body, but, in a secondary way, is also the parent of its spiritual nature. And the condition of the parent’s spiritual nature influences and determines to a large extent the qualities and tendencies of the child’s nature for good or evil—not only while it is a mortal, but frequently after it has ceased to inhabit the veil of flesh.

So, let parents know that they do not live to themselves alone as morals, but that their evil thoughts and deeds have a greater or lesser influence upon the spiritual natures of their children, especially at the time of conception and

during gestation. Then, how important that every parent, during these times particularly, and at all times, should have their spiritual natures in that condition of purity and freedom from sin wherefrom their children may be conceived and born in a condition of soul purity (which will not reflect any evil that they can charge their parents with being the creators of).

If men would only realize these facts and live their lives in accordance with the Truths which I here declare, how much sooner would the human race be brought into harmony with God's Laws and the souls of men be freed from sin and evil!

I know it is often said that it is unjust, and not in accordance with the justice of an impartial God, that the sins and penalties arising from the disobedience of our first parents should be visited upon mankind, who were and are their progeny, as such mankind had no part in that disobedience. But when it is remembered, and it is a fact, that God did not create sin or evil or impose such upon the first parents for their disobedience, but that they themselves created evil and sin, and men have been creating these inharmonies ever since, it will be seen that an impartial God, Who is our only God, is not responsible for either sin or evil and the consequent penalties which they impose. And, as has been written to you before, the abolishing of sin and evil and their penalties is in the power of man and his will.

As these first parents created these evils, as I have explained, and in the manner that I have pointed out to you, their sins, by the influence which they have upon the spiritual nature at the time of conception and birth, become, as it were, a visitation; and that is the spiritual desires and tendencies and inclinations toward that which is evil. And this influence continues with the child for years after its birth, and in accordance with the child and parents being closely associated together in their Earth lives. And as each succeeding generation caused the visitation of its sinful influence and tendencies upon the succeeding generation, you can readily see how men, all men, became subject to the sins and evils and penalties which were brought into the world by the first parents.

Instead of god being the creator of these things, or visiting them upon the children of man, he declared that their existence is contrary to the harmony of his creation and must be eradicated before man can come into that harmony and an at-onement with Him. And as he gave to man the great power of free will without any restriction upon its exercise, except as a man's understanding of the harmony of the operations of god's laws might influence him to exercise this great power; and as man, in the wrong exercise of that power, brought into existence these things of evil and sin, so man, as he perceives this plan of God's harmony, must exercise that will in such a way as to free himself from these things which are not part of God's creation, and which are out of harmony with his plans for the creation and preservation of a perfect universe of which man is its highest creation.

God never changes. His Laws never change. Only man has changed from the perfection of his creation, and man must change again before that perfection will again be his.

Now, from all this, it must not be inferred that man is left to his own efforts to bring about this great restoration, for that is not true, because God's instrumentalities are continuously at work influencing man to turn again to his first estate and become the perfect man, as he ultimately will become.

I am not referring here to the workings of the Great Divine Love which, when a man possesses It in a sufficient degree, makes him more than the perfect man.

So, "the sins of the parents are visited upon the children to the third and fourth generations" means: the tendencies and inclinations toward that which is evil, not by God, but by man, himself, solely and exclusively.

And, oh, man, could you see the results of these sins upon the spiritual natures of your children, as you often see them upon their material bodies, you would hesitate in your sinning and think; and, in thinking, you would see the way by which the great blot upon the happiness and salvation of humanity could be removed, and its progress to the perfect man be hastened and assured!

With my love and the blessings of one who is now not only the perfect man but also a possessor of the Divine Nature of the Father and an inheritor of immortality, I will say good night.

Your brother in Christ,
LUKE.

Luke Clarifies One Point Relating to His Previous Message

I AM HERE. *Luke.*

I desire to make some corrections in my message of last night, and will thank you to receive them.

I desire to say that, when I spoke of the sins of the parents being visited upon the children at the time of conception and birth, I meant that these sins, by the influence which they have upon the spiritual nature of the child, became, as it were, a visitation. I did not mean that any part of the real sin of the parent became a part of the spiritual nature of the child, but only that the influence of the parent's sins upon the child is sufficient to give the spiritual desires and tendencies of the child an inclination towards that which is evil; and this influence is continuous with the child for years after its birth, and in accordance with the child and parents being closely associated together in their Earth lives.

Let this point be made plain so that man may not quibble about the meaning of what I wrote. Otherwise, the message is true, and just as I intended it should convey to you the truth of the meaning of the text.

Your brother in Christ,
LUKE.

Jesus Explains How the Power of the Divine Love Redeems Men from Sin and Error

I AM HERE. *Jesus.*

I want to write tonight on: "The Power of the Divine Love to Redeem Men from Sin and Error."

My Father's Love is, as I have written, the only thing in all this universe that can save men from their evil natures and make them at-one with Him. This Divine Love I have already explained. And when mankind will read my messages and try to understand the meaning of this Love, it will soon become more at peace with itself and with God.

This Divine Love is the one Great Power that moves the universe, and, without it, there would not be that wonderful harmony that exists in the Celestial Heavens of the spirit world; nor would so much happiness exist among the angels who inhabit these spheres.

This Divine Love is also the influence which makes men on Earth think and do that which makes for peace and good will among men. It is not possessed by all men—in fact, by comparatively few. Yet, Its

influence is felt over nearly the whole Earth. Even those who have never heard of my teachings, or of my Father, enjoy the benefit of It's influence in some kind of belief or faith in an overshadowing Spirit of Great Power and Watchfulness. I know that this is true, for I have visited all parts of the Earth and have looked into men's hearts, and found in them some elements of belief which evidenced that this Great Love was influencing these unenlightened people. So, notwithstanding the fact that my gospel is not preached to every creature, as I commanded when on Earth, yet this Love of the Father is everywhere and all-pervading.

Still, It is not received in all that fullness that enables those who feel Its influence to realize that God is their Father and they are His children, and that they may become members of His Household in the Celestial Spheres.

No man can receive this Love unless he has faith in the Father's Willingness to bestow It upon him, and truly and with earnestness prays for It.

Every man has in him the natural love which will give him great happiness in eternity as a mere spirit and an inhabitant of the spheres lower than the Celestial (below level 8 of 22), even though he refuses to seek for the Divine Love that will make him a divine angel of the Celestial Heavens. But only this Divine Love can change the natural man into a man having the divine nature in love that the Father has. I do not mean that man, even though he be filled with this love to the highest degree, will ever become a god and equal to the father in any of his powers or attributes. This cannot be. But this love will make him like the Father in love and happiness and harmony. This love has no counterpart in all creation, and comes from the Father alone. It changes not, nor is ever bestowed on anyone who is unworthy or who refuses to seek for it in the only way provided by the Father.

My experience in these celestial heavens is that this love has the power to change the most hardened sinner into a true child of god, if only through faith and prayer such sinner will seek for it. Let this love take possession of a man or spirit, and it's power to purify and change the heart of that man or spirit never fails.

Your brother and friend,
JESUS.

Note: Following the writings of James Moncrief, one could consider that any reference to the Father, by other relevant writers, may be read as a reference to 'our Mother and Father'. Further, when considering soul healing, then reference to Divine Love could be referred to as 'Feeling Healing with Divine Love'.

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God's soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of your Mother and Father.

God is God, who is our Heavenly Mother and Father, being SoulMates. There is only one Soul that is God's Soul, that being the Soul of our Mother and Father. Our Heavenly Parents are the First Soulmates; The Two Who Are One who have brought us all into being.

Jesus and Mary are a son and daughter of God.

Jesus of Nazareth and Mary of Magdalene, being soulmates, were both free of sin. Jesus and Mary, combined in their love for us, are our teachers and guidance for us to find our way home to our Heavenly Parents. To start this journey we are to liberate our souls from being entombed within our suppressive minds, through feeling and longing for the truth of our feelings via our soul and peel away our injuries incurred since conception.

Give yourself time to consolidate your relationship with the Mother and Father through the partaking of Their Love. And whilst you are doing this, you can learn about your healing, all that's involved with it, as there are many willing spirits to share their healing experiences with you.

When you are ready it will start happening simply because you will want it to, it all being orchestrated by your soul. And when that time comes you will have developed a strong foundation in your relationship with the Mother and Father for you to work from. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

It is to make longing for God's Love the priority, and then do one's healing; should one want to include God and the Divine Love in one's feeling healing. This is doing your soul-healing as you are seeking to heal your soul of all evilness – of that which made you become evil, and release all the hurt and pain of not being fully and truly loved.

WE ARE Children of God

WE ALL ARE BEING GUIDED HOME:

We need the Spirits of Truth of the Avonal Pair to Heal ourselves; then once Healed, (and for support (overshadowing) as well through your Healing), we need the Creator Pair, Mary Magdalene and Jesus' Spirits of Truth to see us through the Celestial spheres, while at all times embracing our Heavenly Mother and Father.

Until Mary and Jesus died and liberated their Spirits of Truth, no one from any of the worlds could leave Nebadon, because no one knew the way to do so. Nebadon is our local universe containing some 3.8 million inhabited physical worlds and their associated spirit worlds.

When we embrace the truths Mary and Jesus are revealing, and start to do our Feeling Healing, or with Divine Love, Soul Healing, we are then freeing ourselves up from our parental and self control.

Thus our journey to Paradise, to the home of our Heavenly Parents, is of our choosing as to when we progress, however, there is only one way:

HUM: Humanity is to ascend. We are self contained. Our soul is always in truth and perfect at all times. **By living true to ourself, true to our feelings, we are living true to God. It's that simple.**

We are to recognise that being engaged and dominated by our mind is the wrong way for us to evolve and grow in truth. We are to discard the mind enslavement that has been imposed upon as by all of our parents. We are to express our feelings, both good and bad and free ourselves of the indoctrination that humanity has embraced worldwide.

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God's soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of our Mother and Father.

AVO: We are to embrace the truths and guidance of the Avonal Pair through their Spirits of Truth. It is the Avonal Pair's guidance that will lead us through our Feeling Healing, and with Divine Love, we will be able to ascend through the 7 spirit Mansion Worlds and enter the Celestial Heavens where we also interact with other world's spirits.

J&M: We are also to embrace the truths and guidance of the Paradise Pair, Mary and Jesus, who will then lead us through the 3 Celestial Heavens that are aligned with Earth, and then further on through Nebadon where we will then depart beyond on towards Paradise.

M&F: Beyond the universal zone of Nebadon, we will be guided by our Heavenly Mother and Father onwards through the universes to Paradise where we will be welcomed by them, home for us all, as we are all Children of God.

AVO

HUM

WE ARE Children of God

WE ALL ARE BEING GUIDED HOME – NOW, HOW TO COMMENCE THE JOURNEY:

M&F

For 200,000 years, we have been misled into embracing our mind's distortion of wisdom and truth. All such traditional understandings only lead us in the wrong direction, from which we must turn back from. Our soul based feelings are always in truth. Our minds are to follow our soul based truths and feelings, not the other way round, as we have been brought up to embrace.

We are to connect with our deeper repressed feelings.
We are to long for the truth of what we are feeling.
We are to live true to our selves; by living true to our feelings.

Use your surface day-to-day feelings to connect with your deeper repressed feelings. Express your surface feelings and your deeper repressed feelings to uncover the truth of yourself.

J&M

We all have feelings which we communicate and share with each other. And we all have deeper buried and hidden repressed feelings. Feelings from our early childhood we felt, yet weren't allowed to express. These feelings are still within us, waiting to have their say. These feelings, because they are repressed, cause us all our problems.

And as we look to uncover, bring out and accept these deeper feelings, so we're taken into new ways of looking at ourselves, our feelings, and our life. We're setting ourselves free of the controlling patterns that govern our unloving behaviour.

In this way, we progressively begin to express the personality that our Heavenly Mother and Father gave us, not the one imposed upon us by our physical parents and carers. We are to be our true and real selves.

By living true to ourself, true to our feelings, we are living true to God. It's that simple.

HUM

As we, humanity, long for the truth of our feelings, we can also be assisted by the Spirits of Truth of the Avonal Pair who are our spiritual teachers for Earth over this coming 1,000 years, to assist us through the Great U-Turn, away from mind dominance to being soul based feeling lead. They will assist us through the seven levels of the spirit Mansion Worlds.

Then the Creator Pair, Jesus and Mary, will lead us through Nebadon and into the greater universe. Then our Heavenly Mother and Father lead us home to Paradise.

WE ARE Children of God

Collectively, should we embrace them all, as we are to, then our pathway home is a journey in the hands of the Spirits of Truth of the Avonal and Paradise Pairs overseen by our Heavenly Parents.

HOW TO GET TO PARADISE:

Long for the Divine Love
 Long for the Truth
 Long for the truth of your feelings
 Don't deny any feelings: accept, express and want to know the truth of them
 Know your feelings are the key; your feelings are the Way
 Want to end your falseness and being untrue
 Want to understand the truth of your early life
 Use your surface feelings to move deeper into yourself, bringing up your repressed feelings
 Want and long to know the whole truth of yourself
 Want to do it all with God, your Heavenly Mother and Father – long to Them for help.

The Key

Our longing drives our life. We long with feelings. We can wish for things using our mind, yet long for things with our heart. These things in the pyramid are what to long for. Longing for them, when the longing comes naturally. Longing because you feel you really want them. Long to be true with all your heart. Long to live true to your feelings. Long to understand the whole truth of yourself.

PARADISE TRINITY:

1. **Our MOTHER and FATHER (God)** (MF) – **Divine Love**
SOUL (God) – One SOUL that is expressing its two PERSONALITIES, our Heavenly Mother and Heavenly Father (Soulmates)
2. **ETERNAL SON** (ES) – **Divine Truth**
3. **INFINITE DAUGHTER** (ID) – **Divine Mind**

Then: The Second and Third Persons of the Paradise Trinity (ES and ID) are stepped down to the local universe trinity (Mary and Jesus, Divine Minister (DM), and her Holy Spirit.

The LOCAL UNIVERSE TRINITY:

1. **MARY M and JESUS** (MF) – **Love**
– the **Living Truth**
2. **DIVINE MINISTER** (DM) – **Mind** (and her Holy Spirit)
3. **HUMANITY – Natural love, sons and Daughters – Truth, and our Angels – Mind**

PLANETS that engage in REBELLION:

1. **AVONAL SOULMATE PAIR** – the **Feeling Healing process – incarnate**
2. **DAYNAL – TEACHER PAIRS** – they do not incarnate

So in summary:

Consider a diamond:

Mother and Father Heavenly Parents

Creator Son & Daughter
Jesus and Mary

Avonals
as soulmate pairs

Trinity Teachers
as soulmate pairs

Melchizedeks – who have taken over from the Caligastians and Daligastians being also all as soulmate pairs.

Mortal Souls – human beings who individualise on Earth, then progress through the spirit Mansion Worlds, then into the Celestial Heavens, and beyond.

Mortal Souls – also being ascending spirits, upon completing their Soul Healing, join with their soulmate, then join their soul group of 24 mortal spirits, being 12 soul pairs. It is only as a soulgroup that anyone can progress beyond Nebadon.

The Paradise Pairs are all ONLY concerned with the SPIRITUAL wellbeing and upliftment of the planets and local universe. Currently to do with Earth:

Mary and Jesus – spiritual wellbeing and upliftment of the whole of Nebadon region.

Avonal Pair – Daynal pairs (Trinity Teacher Daughters and Sons) – Spiritual wellbeing and upliftment of individual planets and their associated Mansion Worlds.

The Local universal Sons and Daughters are all about the running of the worlds under their jurisdiction, and ensuring the higher spiritual elements can be employed, or sent astray, as in our cases through the Rebellion and Default.

Lanonandeks – Melchizedeks (and others, such as Life Carriers and Eve and Adam).

As the Lanonandeks all rebelled – the Lucifers, Satans, Caligastias and Daligastias soulmate pairs – so the Melchizedeks have taken over their roles, as well as doing their own.

So the Melchizedeks are the governors, overseers, the administrators and advisors and so on for Earth; they are the ‘controllers’, and they will instigate all that needs to be done to do with the ending of the Rebellion and Default. And they will enlist the willing help of ascending mortal pairs, so the mortal Celestials spirits (soulmates when available, and others waiting to unite with their partner), and at times mortal spirits in the Divine Love Healing Mansion Worlds. And the angels help all of us.

Currently the whole of Creation exists for the ascension of mortal souls from their earth planets to Paradise. It’s all one vast Grand Ascension Scheme. With all the higher and lower spiritual Daughters and Sons, together with all the many different angels and other universal spirit personalities, and even including nature and our very own pets, assisting women and men with their Ascension Journey. It being: and Ascension of Truth. Everything we do is done to help us grow in truth. (Only everything we do in our negative state is to deny ourselves our truth from our feelings, which is why we have to do our Healing.) All women and men are ascending (or growing) in truth through their experiences. And as we grow in truth by looking to our feelings to show us that truth, so we’re ascending, moving inwards and upwards through all the worlds and spheres of the Grand Universe to one day arrive on Paradise and meet our Heavenly Parents. God is providing us, Their children, with this spiritual journey called our Ascension of Truth. And by living true to our feelings, so we are progressing on our true Spiritual Path – our Ascension Path.

CREATION of SOUL and SPIRIT:

God is *The Paradise Trinity* — the eternal Deity union of the Personalities: the Universal Mother and Father; the Eternal Son of Truth; and the Infinite Daughter Spirit of Mind.

The soul of each human personality (sons and daughters of truth) is existential, driving our personality expression in the experiential. The soul of each human finds truth by embracing one’s feelings and longing for the truth of them. We are to attain the Eternal Son of Truth. We are a creation of Truth.

The soul of angels is experiential, evolving through their experience by continually progressing in mind development. Angels are to attain the Infinite Daughter (Spirit) of Mind. Angels are a creation of Mind. Our soul is duplex (we have a soulmate) and is created by our Heavenly Parents. Through our Feeling Healing we perfect ourselves enabling the union with our soulmate, as we progress in truth up through the Mansion Worlds, celestial heavens and all the way to Paradise.

The soul of angels is also duplex, yet of the mind, and they progress in mind evolution to Paradise. Animals, plants and nature spirits are also creations of Mind.

Neither we nor animals reincarnate. We never die; upon death, we move into the spirit Mansion Worlds on our journey to Paradise. When animals and plants die, be they the tiny microbe to the mighty elephants of the land and the whales of the ocean, their spirit energy returns to the Spirit Collective Energy. And from this energy are drawn other animals and the nature spirits, who then in turn move onto becoming angels through increasing mind experience.

A nature spirit is an angel in waiting.

SOUL of HUMANITY
**As it is before splitting
 and incarnating as male
 and female entities.**

At the time of incarnation in the first instance the soul actually splits into two halves and one half incarnates into one body and the other half incarnates into another body. The short time they were decreed to live the Earth life was for the purpose only of giving the soul an individualized existence.

SOUL, SPIRIT, BODY:

**God is the oversoul
 of the universe.**

LAWS:

1. Physical Laws
 2. Moral Laws
 3. Laws of Divine Love
- The last one is all you need.

**God's Divine Love
 flows into our Soul.**

PERSONALITY

**Spirit Body has organs, being material
 body for spirit world, spirit body
 reflects condition of your soul.**

Our Personality is a feeling of God, thus creating our unaware Soul. At conception, our unaware personality (soul) forms both a spiritual body and physical body. Incarnation starts the road of self discovery, children reflect parent's emotions. Parents attract us to incarnate.

SOUL of HUMANITY, only man has a soul; vegetable and animals have spirits only.

Soul does not know sexuality

Male/male life choice 80%-90% Heterosexual Female/female life choice
 10%-20% Homosexual

Our soul splits into bodies of the opposite sex, thus creating the soulmate pair. In the spirit world we bond closely together again as we progress up through the spheres.

INTELLIGENCE, MIND, BRAIN:

Prior to conception, we are only a feeling of God. Our parents attract us thus creating our spirit mind and body brain.

PERSONALITY

Spirit Body has organs, being material body for spirit world, spirit body reflects condition of your soul.

Our Intelligence is Soul based. The capabilities of discernment, e.g., by kinesiology muscle testing, expands only with the growth of our Soul's intelligence. Upon conception, the creation of both our Spirit Body and Physical Body occurs, bringing forward our unaware Soul to start our journey. Upon death of the Body, the brain dissolves. The mind continues to grow in the Spirit Body until we progress through the 7th sphere into the 8th sphere at which point we are 'born again', one with God, entering the Celestial Realms, and the mind is no longer. Our soul intelligence grows as does our soul expand with the ever increasing infusion of Love from God.

The SOUL CONDITION of BABY at CONCEPTION is PRISTINE:

A feeling of God creates our soul personality, the soul then splits into male and female elements. At the time of creation of the soul, the state of the soul is that of natural love as of the 6th sphere. The location of the soul at that time is not of the 6th sphere. The soul halves are then attracted to different parents.

Baby at 8 weeks

The two soul halves may be incarnated up to 20 years apart, male and female halves are never in the same family.

Emotions flowing to unborn baby, then born baby, from those around the baby.

During gestation and early years after birth, the soul condition of the baby drops from the 6th sphere state to the level reflecting that of the parents and of those in frequent contact with the baby. Kinesiology testing repeatedly shows that the consciousness level, soul condition, of the child reflects that of one or the other parents all the way through their childhood until such times as to when they leave home and commence their independent life and establish their own environment.

An UNBORN BABY'S 1st HEARTBEAT OCCURS 16 DAYS after CONCEPTION:

A research team funded by the British Heart Foundation (BHF) at the University of Oxford says a baby's first heartbeat is now far earlier than was previously understood. [Dr. Susan Berry](#) 12 Oct 2016

Further research confirms that the heart first starts to beat between days 16 through to 19.

What happens when a child dies. 15 March 2013
Speaking with Mary Magdalene and Jesus, book 1

From the first heartbeat the incarnating person is technically living a physical life, and so if death occurs, it will move into one of the spirit nurseries. If it should 'die' before the first heartbeat, the soul merely 'withdraws', initiating incarnation when the next opportunity arises for its soul-personality. And of course as you know, there is no reincarnation, so when your soul starts you in Creation and you achieve your **first heartbeat**, then you're underway, be it on Earth or in spirit to Paradise, this being your ascension of truth.

As soon as the spirit body separates from the physical connections, there is no longer any pain, this of itself as you might well imagine greatly adding to one's good experience.

The dying person, be it a child or an adult, has a good experience in death, especially once the pain has gone should there be pain; it's the people they might leave behind on Earth who don't understand this and who are suffering feelings of loss and deep grief, that have the harder time of it.

An unborn child is taken to spirit nurseries to be cared for. And within those nurseries they are looked after through the remaining time of their gestation period; then are 'born' into spirit life; then to carry on growing up as a spirit child of the Mansion Worlds. Many of them, just as with unwanted physical children, are fostered out or adopted by spirits wanting to be parents, this enabling a lot of people (who are now spirits), who for one reason or another couldn't have children on Earth, to have the experience of parenting. Even carrying the child to full term can be simulated so as to give the 'mother' the experience of being pregnant. The 'father' having his experiences as well. And of course lots of people who become spirits love being involved with children and so become spirit parents or simply involved in looking after the infants and young children of the nurseries.

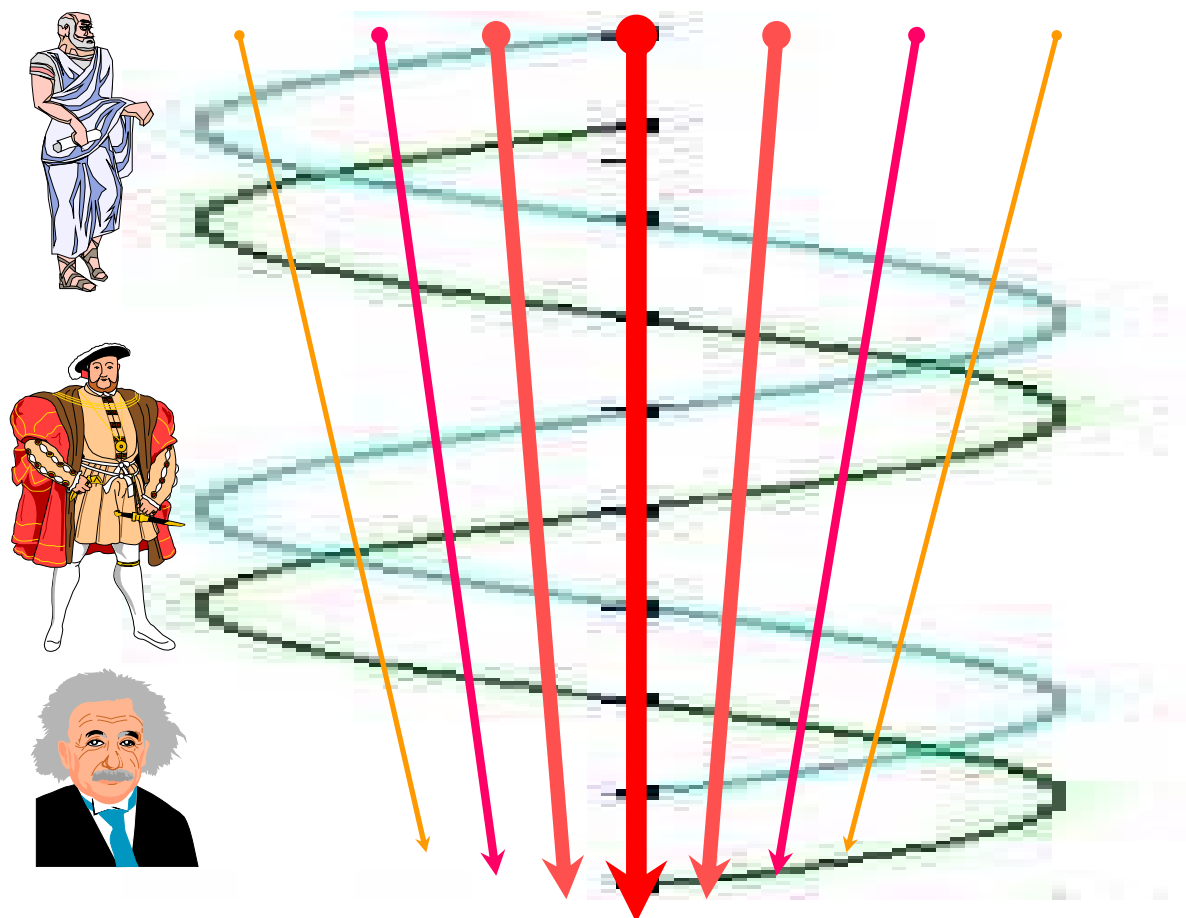

The Heart commences to Beat as early as Day 16 after Conception:

Until now, researchers thought that the first time our heart muscle contracted to beat was at 8 days after conception in mice or around day 21 of a human pregnancy. Now, a team funded by the BHF at the University of Oxford has demonstrated earlier beating of the heart in mouse embryos which, if extrapolated to the human heart, suggests beating as early as **16 days after conception**.

OUR BLOCKED EMOTIONS FLOW DOWN FROM GENERATION to GENERATION:

Childhood illnesses, and illnesses of baby within the womb, stems from blocked emotions passed down from generation to generation.

We are a product of all that has come before us.

Our own soul condition is reflected in our children.

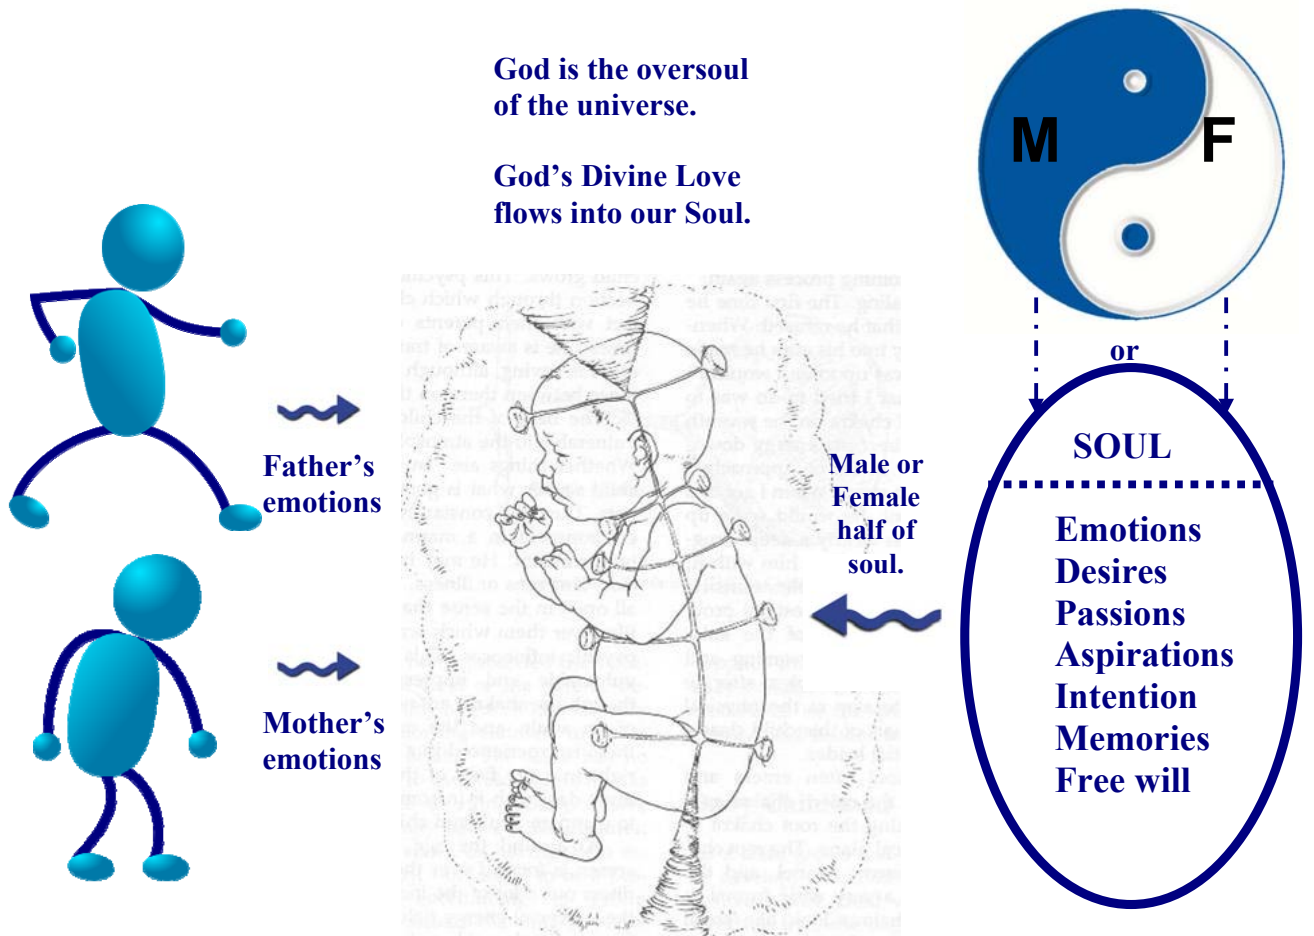

To assist baby, as well as yourself, work to clear your blocked emotions.

Clearing your emotions improves your soul condition as well as that of your children.

Baby's body, when conceived, is always perfect. Their soul condition is also perfect.

OUR EMOTIONS REFLECT THOSE of OUR PARENTS and OUR ENVIRONMENT:

Emotions flowing to unborn baby, then born baby, from those around the baby.

Our Personality is a feeling of God, thus creating our unaware Soul.

At conception, our unaware personality (soul) forms both a spiritual body and physical body. Incarnation / conception starts the road of self discovery, children reflect parent's emotions, their ancestors, and also, of those around them. Parents attract us to incarnate.

CONCEPTION INVOLVES MORE THAN FLESH:

P.33 chapter 5 book 8.2, Rites of Love of the Ringing Cedars Series by Vladimir Megre

Those who have read my (Vladimir) *Book of Kin* will remember that the Vedruss (Vedic Russia) wedding rite I described ended with the loving couple, Liubomila and Radomir, conceiving a child.

But back then I wasn't about to ask Anastasia whether there were any particular aspects of the Vedruss civilisation concerning the conception of children, or whether or not it was worth paying special attention to this topic in any case. But, as though anticipating my question, she said:

“The Vedruss people had a deep understanding of what was involved in the conception of their children. But for the moment I do not know how to talk about it in a way you will be able to understand.”

Later on, after my conversation with Anastasia's grandfather and my search for various peoples' rites capable of preserving love in families, I obtained some information on conception and realised that it had nothing to do with Anastasia – I was the one who had not been ready to comprehend what she said. Even now this question has not been sufficiently researched by modern science.

Scholars have been attempting to clone Man, but it seems that even if they succeed, they will end up with an entity only superficially resembling Man. You see, it is not just the sperm and the egg that are involved in the act of conception, but something else besides – something invisible, something not tangible as matter.

It is possible that any further exposition of the information I obtained will be shocking to some. I spent six months pondering whether it was something worth sharing with my readers or not. In the end, I decided that it was. Here is what it's all about:

Many families living on the Earth today are unknowingly raising children that are not their own in the fullest sense. This statement is supported by some weighty evidence.

The scientific world has a term *telegony*. In medicine it is called the *paternal impression phenomenon*. They try to talk as little as possible about 'telegony'. What's this all about?

The discovery began in England about a hundred and fifty years ago when Lord Morton decided to raise a new breed of horse with exceptionally resilient characteristics. At one point he crossed a thoroughbred mare with a zebra colt. But no offspring resulted, because of the genetic incompatibility of the two species.

Some time later this purebred English mare was crossed with a purebred English colt. Subsequently the mare gave birth to a foal, only... with marked traces of stripes, as with a zebra.

Lord Morton called this phenomenon *telegony*.

[The ‘zebra’ was actually a quagga, an equine mammal of South Africa, with zebra-like stripes, which is now extinct. The experiment, conducted by a Scottish peer, the right Honourable George Douglas, 16th Earl of Morton (1761-1827), was reported in a communication he wrote to the Royal Society of London in 1820 and described in many journal pieces of the past – for example, by JC Ewart of the University of Edinburgh in an 1899 article “Experimental contributions to the theory of heredity. A. Telegony” published in the *Proceedings of the Royal Society of London*, vol. 65 (1899), pp. 243-51; and later in Menia S Tye’s article “Pre-natal influences” in *The American Journal of Nursing*, vol. 7, no. 5 (February 1907), pp. 362-67 (see esp. p. 365; here, as in some other sources, the experimenter’s titular name is misspelt *Marton*). Tye also mentions a female hybrid resulting from the first union. And she subsequently observes (p. 366): “It would seem as though the Israelites had some knowledge of telegony, for in Deuteronomy we find when a man died leaving no issue, his wife was commanded to marry her husband’s brother, in order that he might ‘raise up seed to his brother’” (italics ours).]

Specialists in animal husbandry quite often encounter this phenomenon in their practice. Any dog-breeding club, for example, will dispose of even what was the most thoroughbred dam if it happened to mate with a mongrel. That particular dam would no longer produce thoroughbred pups, even if it were to be mated with the most thoroughbred sires.

Pigeon breeders will not hesitate to kill even the most precious purebred pigeon if it has been violated by a non-thoroughbred male pigeon. Practice has shown that it will never produce purebred offspring.

Scientists in various countries have done a great many studies showing that this phenomenon also extends to people. There have been instances where white parents have given birth to black children – when a black-skinned baby has come into the world as a result of a liaison between the grandmother or mother of the birthing woman and a black man. The cause of this phenomenon always turns out to be a previous relationship with a black man on the part of the girl or one of her direct progenitors.

[While dozens of scientific articles on telegony were published in the 19th and the first two decades of the 20th century – by such luminaries, for example, as pioneer statistician Karl Pearson (1857-1936), subsequent acceptance of theories based on Gregor Johann Mendel’s (1822-1884) ‘laws of heredity’ brought the concept of telegony into disrepute and many considered it “disproved”. However, present-day genetics is far from being able to fully explain the mechanisms of heredity, and throughout the 20th century a great many prominent scholars have been conducting experiments and drawing conclusions quite at variance with the materialistic approaches of ‘official’ (‘orthodox’) science.]

But these are clearly distinguishable cases. How many others are there, that are not clearly distinguishable? After all, pre-marital relations are the ‘in’ thing today. That being the case, there’s no point in blaming the woman if she is not a virgin when she marries. It is our society, our monstrous sex propaganda and sex industry that have made her that way.

In the West parents supply their school-age children with condoms, realising that they’re no longer chaste. But what they don’t know is that there is no condom that can counter the ‘paternal impression phenomenon’, or telegony. This is evidenced in concrete examples in the case of both people and animals.

Many ancient teachings and religions also speak about the phenomenon of telegony. Even though they may call it something else, the substance is the same. Both scientists and wise-men of old have determined that the first man in the life of a virgin leaves his imprint on her in spirit and in blood – a mental and physical portrait of her offspring to come. All other men who enter into intimate relations with her thereafter for child-bearing purposes have nothing to offer her but their semen and diseases of the flesh.

Isn't this what's behind the current massive lack of understanding of fathers and children? Not to mention the degradation of our whole human society of today?

A multitude of specific examples testifies to the involvement of some kind of energy in the conception of children. But if that is the case, then it is not just scientists but the public at large that should know about it.

It is probable that our recent forebears had some inkling of it. They tried to make sure that a girl entering into marriage was a virgin beyond the shadow of a doubt. It is possible that this is what lies behind the custom in many cultures of locking the newlyweds in a separate room, and subsequently hauling out and putting on display the blood-stained sheet in confirmation of the bride's virginity.

Earlier ancestors of ours, however, did not consider virginity in itself sufficient to qualify someone to be a continuer of the line. They maintained that if a woman was engaged in intimate relations with one man while thinking about another, the resulting offspring would bear resemblance to the one she was thinking about.

Such statements indicate that people of old assumed – and quite possibly knew for certain – that the most important factor in conception was *thought*. Or, more specifically, the *energy of thought*.

The phenomenon of telegony also testifies to this. A woman, perhaps sub-consciously, retains information in her memory about the first man in her life. As a result, a child is born who either fully or partially resembles *him*.

At first I hesitated to write about this subject for fear of provoking unpleasant questions among parents and their children, and between spouses – let them be happy in their ignorance. However, such happiness has not been all that noticeable. And perhaps one of the reasons it is not particularly noticeable is a lack of knowledge as to the culture of conception.

The question of sex education courses for children in schools has been an issue for some time now. People argue over whether they should be introduced or not. If such courses touch only upon the use of condoms, there's no point in introducing the courses at all. If however, children are told about the woman's chief purpose, about the correct approach to conceiving children, in that case the subject is absolutely essential. For that, however, the instructors must have a thorough grounding in the very essence of the question, and have appropriate literature available. It is a subject that *must* be discussed, even though the mass media, unfortunately, serves up nothing but sex propaganda.

There is a lot of talk in so-called democratic countries about human freedom. But can a Man be called truly free when important questions of life are hidden from him, and in their place allegedly beneficial

perversions are fobbed off on him through some kind of supposedly ‘free’ propaganda? In a situation like that it turns out that Man is ‘liberated’ only from a true and happy human life.

Still, I wouldn’t have written about telegony if I hadn’t learnt from Anastasia about how to correct this situation, even if the marriage-bound woman has already had a relationship with another man.

Not only that, but it turns out that the Vedruss people had a momentous rite through which ‘stepchildren’ could become one’s own in blood and spirit.

Our pagan ancestors, the Vedruss all the more so, were very well acquainted with what is known in modern medicine as the ‘paternal impression phenomenon’. And through the help of special rites they were able to protect their younger people against it.

With the aid of particular acts or rites, wise-men, too, were able to erase the genetic code of the ‘first sire’ and make even girls who had been raped during enemy attacks absolutely clean. As proof of this, they were not afraid to let their sons take such women in marriage.

However, there is one ‘but’. It is impossible to understand and reproduce pagan (and especially Vedruss) rites simply through a knowledge of their outward aspects. They must be experienced through *feeling*.

What’s the use in just writing about it? It is essential to *love*, it is essential to prepare for the appearance of the child, it is important to give birth only at home, at the very place of conception.

“To preserve love in the family for ever, it is essential to combine – into one – three points, three feelings, three planes of being”. But what’s the point in simply re-stating the words? An intellectual understanding is far from sufficient – it must be felt. The philosophy of our forebears must be *felt*.

And the first essential act must be one of sheer repentance in respect to our forebears, who are now called pagans, who have been slandered and whom we have betrayed. We betrayed the traditional Slavic culture of our fathers and mothers – a culture that lasted for tens of thousands of years. Instead we started calling Christianity ‘traditional’ for Rus’. But in Rus’ it has been around for a mere thousand years. There’s no way it can be classified as ‘traditional’.

Why is *repentance* necessary? For the simple reason that if we go on thinking of our ancestors as wild, dull-witted barbarians (as we are urged to believe) but still adopt their rites, those rites will have no effect. After all, all such rites are founded on a knowledge of the Cosmos, of the designated purpose of the planets and on a knowledge of the power of mental energy, the power of thought.

Even if we try harnessing the tremendous energy of our thought with the aid of their rites, we shall not obtain any positive results, since our thought will be contradicted by another thought of ours – namely that the Vedruss people were ignorant.

Hence a paradox: you’re an ignorant fool, but your acts are marvellous. The one excludes – or, at least, contradicts – the other.

Perhaps the culture of our forebears is being deliberately concealed from us? After all, a bunch of ignorant and disoriented people cut off from their roots are easier to control. Perhaps this is God's retribution to our civilisation? Popular wisdom says "What you sow, that shall you reap." We have broken the ties with our forebears, and consequently the threads linking us with our children are also being broken.

We can get another glimpse of the elevated culture of our pagan forebears in the question of conception of children by examining the traditions that are even today preserved in modern China and especially Japan, where a man and woman about to enter into intimate relations for the purposes of conceiving a child undergo a special rite of purification. The beliefs of Ancient China, Japan, India and Ancient Greece – and these are traditionally ancient pagan countries – lay tremendous emphasis on the matter of conception.

So what, then, can anyone do who desires to bring forth good offspring? Should they first spend a lot of time studying the volumes of literature on this subject – besides spending a lot of time on studying treatises on choosing one's soulmate, and on the education of children?

I can tell you right off: there's absolutely no need to waste part of one's own life on such study. I myself spent several years – not *studying* such sources, but simply familiarising myself with them, and I came to the sudden realisation that the Vedruss people have condensed all their monumental works into a system of simple, cheerful and rational rites covering all events of one's life. It gives the impression that God Himself helped them in formulating these rites, as well as in understanding the essence of Man's existence.

Before attempting to apply the experience of our ancestors, we need to determine: which ancestor? I mean, how many years ago? And which territories of present-day Russia were settled by our forebears?

As is known, history textbooks, including those written in Russian, tell about people's lives in Egypt and Rome of five thousand years ago. These countries have carried out (and are still carrying out) archaeological excavations, which draw huge crowds of tourists every year. *Russian* history, on the other hand, if we take the word of even our own history books, covers a mere thousand-year period.

That would mean our country's territory before that time was somehow home to a culturally backward people, or maybe there wasn't anybody there at all? Either that, or possibly somebody's been deliberately hiding our history from us? Indeed, they have. I have already written about this, but now I should like to present some archaeological data.

I shall tell you about Arkaim, a place which has a direct connection with the question of telegony. According to Anastasia's grandfather, it was there that three and a half thousand years ago a remarkable discovery was made.

We leave you, now, for you to read the book, Rites of Love.

ASPECTS of LIFE:

<u>Physical /</u> <u>material body</u> Brain	→
<u>Spirit /</u> <u>etheric body</u> Mind	→
<u>Soul + Spirit</u> <u>Combination</u> Senses Desires Memory Passions Intention Free Will Emotions Creativity Awareness Personality Aspirations Intelligence Consciousness <u>The Real You</u> <u>is your Soul!</u>	→

The spirit body is composed of a different kind of matter, "finer" or more "ethereal". The fact that its aspect reflects the condition of soul is a clear indication that the soul influences largely its formation, and even more, the soul is indeed the creator of this body, which covers it and provides it with the characteristic of individuality. The formation of the spirit body begins at the moment of incarnation of the soul in the foetus, incarnation which only takes place should there exist a high probability that the spirit of life has found in the new organism a stable biological structure, allowing it to carry out its life-giving function.

P529 Judas of Kerioth 8th May 2002

At the moment of conception, we incarnate, that is, we achieve individualisation and become self aware and we are then able to exercise our free will.

At the moment of conception, our soul, being our real self, is creating the newly forming embryo and everything else every step of the way as Judas says above. And our soul utilises our parents' life forces to achieve incarnation.

At the moment of conception, there is nothing of the Divine within us. Only as we proceed to ask for and receive Divine Love does our soul slowly and progressively change into the nature of that which is Divine. As our soul receives Divine Love, and embraces Feeling Healing, it will grow, and grow, and grow in brilliance and into that which is Divine.

The REAL YOU is the SOUL:

One's personality, natural intelligence, memory and human attributes all are soul based. The soul initiates conception so it can start expressing one of its two personalities in Creation. It creates the will, then 'wills' the spirit body and physical body and all that connects them with the will into being. Our soul constantly sustains or expresses us, one of its two personalities, in Creation. The spirit can't separate from the soul because the soul keeps it in existence. We need our spirit and physical bodies to experience our personality through. When the spirit body separates from the physical body, one continues on living in a different form without losing any of the attributes experienced during physical life. Incarnation is the process of individualisation of the soul.

Without a soul, our physical bodies would function and interact similarly to that of a domestic animal. An unsouled human body (thought not possible) would respond like a household puppy! Domestic animals calibrate on Dr David Hawkins' Map of Consciousness between 200 and 250, the human body calibrates at 200. All animals have spirit bodies, these do not survive into the spirit Mansion Worlds. Our SOUL IS NOT ENSOULLED IN OUR SPIRIT BODY. Our soul exists existentially in a whole different level or plane or place or dimension of being – 'soul land'. It doesn't exist in Creation, it's not experiential like Creation is. The soul, all souls, help create their part of Creation by expressing their personalities into Creation, and then by having their personalities do things (further create) in Creation.

Our first parents, Andon and Fonta (also called Aman and Amon), were the first to exhibit human perfection hunger some one million years ago (993,500 years ago). Adam and Eve, Adamite bestowals, arrived some thirty eight thousand years ago – or earlier.

Aman and Amon were the first True Humans, which means, the first soul expressing its soulmate pair, its two personalities, in Creation – on Earth. From which came forth the rest of us. So they had a soul from the start, which separated them from their animal parents. It's the soul that wants to fully express itself through its two personalities perfectly in Creation, which is the so-called 'human perfection hunger'. It, our soul, wants to be Perfect like its Heavenly Parents, the Soul that Created it. We, focused as personalities, want to be perfect, like the Personalities of our Mother and Father that are Perfect. Our soul wants to be like Their Soul. Our soul wants to ascend us to Paradise so we can be with Them, as physically close to Them on a personality level that we can be, and then see what happens.

There were aunts and cousins, parents and grandparents. But they were not human like Aman and Amon – they were really animals, though of the same species. Aman and Amon wandered off from the family, since they could find no way of relating to them at all. How could they? They were incapable of rational thought, speech, or anything human. Aman and Amon knew that forevermore that they were apart.

Aman and Amon may have been twins. They were indeed a primate species of humanoids. But they, themselves were more beautiful than their animal relatives, and they knew, even from their very appearance, that they were marked even by Nature to be different.

The Ringing Cedars Book Series

These mind stirring books provide an astonishing understanding of humanity with insight to healing, child raising, plants, sacred places and our positions in the universe.

Dear Friends,

Thank you for your warm letters and feedback which served as tremendous support through the past years.

I will be happy to meet with all of you at the Ringing Cedars Conference in Turkey.

Sincerely,
Vladimir Megre

In 1994 a Siberian elder told the entrepreneur Vladimir Megre a fascinating story about the "ringing cedars" – trees respected from Biblical times for their curative powers and the capacity to re-connect human beings with the Divine. The elder told him where such a ringing cedar was growing in the Siberian backwoods. Vladimir Megre set out on an expedition to find the tree. But his encounter with the elder's granddaughter Anastasia transformed him so deeply that he abandoned his commercial plans and, penniless, went to Moscow to write a book about the spiritual insights she shared with him. What happened next thrilled and inspired millions!

With no advertisement other than word of mouth the Ringing Cedars Series has become an international bestseller. Having sold **over 10 million copies** in Russian alone and translated into 20 languages, it has made Vladimir Megre into one of Russia's most widely read authors.

The books, which read like a fascinating novel, have an authenticity of a documentary account and present spiritual insights of incredible depth, are believed to be a most significant masterpiece of Russian literature and **one of the most important revelations in the history of humanity**.

These highly unusual books provide extraordinary insights into dozens of subjects – from natural child rearing to the production of highly potent, healing foods, from the meaning of human life to the amazing potential that awaits every one of us, from ancient megalithic science to the vital importance of breast-feeding new born children, and from sacred sexuality to the true history of world religions.

Megre presents Anastasia's understanding of Mankind's innate spiritual connection to Nature and provides practical solutions to the problems currently facing humanity. He reveals her brilliant vision for the future of this planet, full of hope and possibility. Her words of wisdom inspire and uplift in a way that has an immediate and profound impact on the reader.

RITES are TRUE PRAYER – WHEN THREE BECOME ONE:

All possibilities have already been created and are already present. Rather than forcing solutions upon the events of our lives, we are invited to choose which possibility we identify with, and live as if it has already occurred. Clearly, this does not suggest that our “will” is imposed upon others in the form of prayer. Rather, it is our willingness to allow for all possibilities without judging any of them, and knowing that we may attract or repel each through the choices we make in our lives that provides the subtle difference. Choosing an outcome through prayer does not guarantee that it will come to pass; our prayer simply opens the door to the possibility of that outcome. The question now becomes, How may we bring specific outcomes into the focus of the present through prayer?

Thought, feeling, and emotion as unaligned patterns.
In the absence of union, they may lose their focus.

The key to choosing one outcome from among many possible outcomes is our ability to feel as if our choice has already come to pass. From the previous definition of prayer as ‘feeling’, then, stated another way, we are invited to find the quality of thought and emotion that produces such a feeling – **living as if our prayer had already been answered.** For how may we benefit from the effect of our thought and emotion, if each pattern is moving in a random direction? If, on the other hand, the patterns of our prayer are focused into union, how can the ‘stuff’ of creation fail to respond to our prayer?

When thought, feeling, and emotion are not aligned, each may be considered as out of phase with the others. While there may be brief areas of overlap, much is unfocused, working in different directions, independent of the rest of the pattern. The result is a scattering of energy.

For example, if our thought is “I choose the perfect mate in my life,” a pattern of energy is released that expresses that thought. Any feeling or emotion that is not in sync with our thought is incapable of empowering our choice of a perfect mate. If they are misaligned through feelings that we are not worthy of having such a perfect partner or emotions of fear, our patterns may actually hinder our choice from becoming our outcome. In this non-aligned state we may find ourselves asking why our affirmations and prayers have not worked.

Though misaligned with feeling and emotion. This condition may render our prayer scattered and ineffective.

Through these simple examples, it becomes clear why prayer brings about the greatest change when the elements of prayer are focused and aligned with one another.

Without used the word prayer, and certainly in a less technical fashion, the idea of unifying thought, emotion, and feeling and living from the place of our heart’s desire was offered early in the twentieth century using a different language. Further affirming the use of the fifth mode of prayer, of assuming that our prayer has already happened, the work of Neville offers the following: “You must abandon yourself mentally to your wish fulfilled in your love of that state, and in so doing, live in the new state and no more from the old state.” Though effective, Neville’s descriptions of our ability to change outcomes and choose new possibilities in our lives may have made little sense to the people of the early twentieth century. As

with so many thinkers whose ideas are ahead of their time, little was known about Neville's work until after his death in 1972.

Understanding such as these allow us to view prayer as both a language and a philosophy bridging the worlds of science and spirit. Just as other philosophies are expressed through unique words and specialised vocabularies, prayer has a vocabulary of its own in the silent language of feeling. Sometimes an idea that makes perfect sense to us in one language has very little meaning in another language that we are not familiar with. Still, the language exists.

The philosophy of peace, for example, may be expressed through languages as diverse as physics and politics, as well as prayer. For example, the greatest peace in physics may be described as the absence of motion in a system. In such a language, when frequency, velocity, and wavelength reach zero, the system is at rest and we have peace. In politics, peace may be interpreted as the end of aggression or the absence of war. Our prayers may be thought of in much the same way.

Through the language of prayer, peace may actually be described as an equation, bringing prayer even closer to our science that many have dared to believe. Rather than the equations of numbers and variables, however, logic, feeling, and emotion become the components in our equation of prayer. Taking the form of a standard mathematical proof – if such-and-such is so, then we witness such-and-such an outcome – our equation of active prayer may be seen as follows:

If
thought = emotion = feeling,
then
our world mirrors the effect of our prayer.

In the presence of this union, the forces of our inner technology may be focused and applied to our outer world. As we align the components of prayer, we find ourselves speaking the silent language of creation – the language that moves the mountain, ends the wars, and dissolves the tumours.

“... whosoever shall say unto this mountain, Be thou removed ... those things which he saith shall come to pass.” (Mark 11:23).
The key to effective prayer is the union of thought, feeling, and emotion.

The beauty of prayer is that it is not necessary to know precisely how it works to benefit from its miraculous effects. In this universal technology, we are simply invited to experience, feel, and acknowledge what our feelings are saying to us. Our prayers come to life as we focus upon the feeling of heart's desire, rather than the thought of our knowing world.

The Essenes actually show us how to merge the three components into a focused application! They do so by identifying a common denominator that links the end of suffering with aligning the elements of prayer. That thread may best be described by the masters of prayer in their own words:

First shall the Son of Man seek peace within his own body; for his body is as a mountain pond that reflects the sun when it is still and clear. When it is full of mud and stones it reflects nothing.

Then shall the Son of Man seek peace within his own thoughts... There is no greater power in Heaven and Earth than the thought of the Son of Man. Though unseen by the eyes of the body, yet each thought has mighty strength, even such strength can shake the heavens.

Then shall the Son of Man seek peace with his own feelings. We call on the Angel of love to enter our feelings, that they may be purified. And all that was before impatience and discord will turn into harmony and peace.

Prayer has demonstrated that certain things are, regardless of our ability to prove them in the moment. For example, some of the most sacred memories of our heritage have been scattered throughout the monasteries, churches, tombs, and temples of those who have come before us. The same memories live on in the customs and traditions of peoples that we may previously have judged as primitive. We are capable of beautiful dreams, great possibilities, and unspoken depths of love. Perhaps most important, a possibility already exists in which we have ended the suffering of all creatures by honouring the sacredness of all life. That possibility is already here and with us now. The moment we allow for such possibilities on a mass scale becomes the first moment of new hope. It is that moment that we will always remember. It is the moment when we override the last day of prophecy.

The ancient secrets of healing remind us that there is only one of us here in our world. As we alleviate the pain of others, we alleviate our pain as well. As we love others, we love ourselves. Each man, woman, and child of this world has the power to create a new possibility, to change the thinking that allows suffering.

THE SYMPTOMS OF INNER PEACE™

Saskia Davis

Be on the lookout for symptoms of inner peace. The hearts of a great many have already been exposed; and it is possible that people, everywhere, could come down with it in epidemic proportions. This could pose a serious threat to what has, up to now, been a fairly stable condition of conflict in the world.

Some signs and symptoms of inner peace:

- A tendency to think and act spontaneously rather than on fears based on past experiences.
- An unmistakable ability to enjoy each moment.
- A loss of interest in judging other people.
- A loss of interest in judging self.
- A loss of interest in interpreting the actions of others.
- A loss of interest in conflict.
- A loss of the ability to worry. (This is a very serious symptom.)
- Frequent, overwhelming episodes of appreciation.
- Contented feelings of connectedness with others and nature.
- Frequent attacks of smiling.
- An increasing tendency to let things happen rather than make them happen.

An increased susceptibility to the love extended by others as well as the uncontrollable urge to extend it.

WARNING: If you have some or all of the above symptoms, please be advised that your condition of inner peace may be too far advanced to be curable. If you are exposed to anyone exhibiting any of these symptoms, remain exposed only at your own risk

Release one's pain through expressing one's feelings.

God creates your personality. Your soul splits into male and female aspects, incarnation of the two parts may be as much as 20 years apart.

Parents attract the unaware soul element at conception.

We reflect our parent's emotions. As children we absorb the emotions from surroundings without any filters.

From conception we start our journey up the spiritual realms.

Each sphere has many planes. The first sphere is closely tied to Earth.

There are in fact many 'dimensions' of existence in the spirit world. These other dimensions / spheres are all in various locations and conditions of love. To get from one dimension to another dimension that is in a better condition and more joyous condition, it's about learning lessons in love.

Divine Love Flow:

Prayer to God with a feeling and longing for

God's Divine Love to enter you.

Have a longing for truth from God.

- Living rejecting all your bad feelings;
- Living with your mind contriving you feel loved;
- Rejecting the Divine Love.

All religions, New Age, agnostic,
 atheists, no spiritual interest,
 Living the Rebellion and Default.

Hell:
 Exploiting the Rebellion and Default.

The Feelings are the doer; the Mind the teller. So we are to go with our feelings, which we can't be told to do with our mind. So the longing for the Divine Love, doing our Healing by expressing our feelings and longing for their truth, are all feelings and doing it with longing. Whereas the mind just wants to tell us what to do and how to be, no feelings in it, all how our parents have treated us.

Our FEELINGS are our SUPREME GUIDES:

Feelings!

Feelings are what guide us through our ascension of truth. So they are really our Supreme Guides. Many people look for a person, spirit, angel, even God, for supreme guidance, however it's all right there already built in – in our feelings. We just have to submit to them, allowing them to take us where they will, expressing all the parts we want to express, letting the emotion drive that expression if it's there to be expressed, or just talking about all we feel and how feeling that feeling is making us feel – or, how we feel about having that feeling, all whilst longing for the truth of our feelings. Longing for the truth of our feelings is really: Longing for the truth of our self, because: we are our feelings. So life stirs up our feelings, we feel being alive; or, being alive means we are feeling, always feeling; and when we work out what and why we are feeling what we are, so then we know the truth of how we are. And over time the truth accumulates, and our mind expands our understanding of ourselves, all being driven from our feelings.

Kevin 26 Sep 2017

Using our feelings to uncover the whole truth of our negative or anti truth and anti love state.

Kevin: So whilst we're of an untrue state, then all we have got to help us understand why we feel bad, why we are wrong, why we are negative and anti love and truth, is our feelings. So if we focus on our bad feelings, they will lead us to the truth of why we're feeling bad. Which will be the truth of what happened to us to make us be this wrong way, and how we took on the wrong way and keep it going making us feel bad.

FEELING HEALING

Note: The vital difference between emotion and feeling is that emotions have their roots in the past, and feelings relate to the present moment. Emotions represent our feelings which were not previously expressed, and these accumulate with time.

Note: Our feelings are soul-based. Our soul is always in truth. It is our soul based feelings, that when allowed to be freely recognised, we will begin to express and be who we are. This takes time and perseverance as we have encrusted our souls with layers upon layers of errors and false beliefs, it is these layers that will confuse the truth that our soul is conveying to us. Only by our progression with our Feeling Healing will our soul's expression of truth become clear and free of all cloudiness and contamination.

“What our soul needs in accordance with our own, individual, **Soul-Light-Plan-Of-Destiny** (your life's true destiny plan), They, being our Mother and Father, will give you as required. The only way we can know truly what we need is to honour and follow our true feelings. They, springing from our soul, literally telling us what we need, and so when we genuinely feel we need something, we apply our will to get it. The hard part is knowing if our feelings are true, and until we have done our whole soul-healing, they won't be clear and total true.” James – Introduction Course to Divine Love Spirituality

FEELING HEALING + SOUL HEALING

To heal one's self is to simply look to see what feelings we are refusing to let ourself feel, and accept them instead of denying them. And to fully accept them, one needs to express them, speak about them, let them have their say, rather than pushing them aside, refusing to let them make you feel bad.

Doing this all with the intention of seeking the truth of why you are feeling them, of speaking about and expressing all such feelings; all feelings you have, but ALL WITH the INTENTION of UNCOVERING the TRUTH THEY WANT YOU TO SEE ABOUT YOURSELF. And it's the wanting to see the truth of them that is very important, because if you just look to accept them and speak and express them, but not seek their truth, then that's all you'll be doing, speaking and expressing them, but not healing their causes, so not fixing the things within you that are making you feel bad. And it's the truth part of it, seeking the truth of your feelings, and so, seeking the truth through your feelings, that's vitally important. It's the truth of yourself, life, nature and God, that is the spiritual aspect to it all.

You CAN'T find the truth of yourself, or anything else, through and with only your mind. You HAVE to engage and look to your feelings. And so if you choose to allow your feelings to 'Show You the Way', then the truth will come as you express them. So to do our Soul-Healing consists of these steps, all of which are ongoing until it's done:

- **Admit you are feeling bad.**
- **Accept your bad feelings, identify what they are.**
- **Honour fully your bad feelings by expressing them, speaking about them to someone who is willing to hear you talk about them, or tell them out loud to our Heavenly Parents. Long for the truth of them. Long for the truth of why you feel bad – what deep within you is causing your bad feelings?**
- **And remember, bad feelings are Good! Not bad. They are not to be despised. And as hard as it is to accept them, they are still you, and a very real part of you. And if you persist in denying them and not allowing yourself to fully live them, then you are only going to keep yourself in your errors making things harder for yourself.**
- **All sickness and suffering, all bad things that happen to you, all your problems, all your addictions – your whole feeling-denying and untrue life, is all caused by your denial of bad feelings.**
- **Every problem in the world is brought about because everyone has been brought up to deny feelings, and in particular, most of their bad ones.**

If one is intent on spiritually evolving and growing in truth, then it's vital, and this is the key, that one looks to use one's feelings as the means to gain and have access to the truth of oneself. You CAN'T find the truth of yourself or anything else through and with only your mind. You HAVE to engage and look to your feelings. And so if you choose to allow your feelings to 'Show You the Way', then the truth will come as you express them.

Doing your Soul-Healing with the Divine Love, is really doing your 'Feeling-Healing'. We are designed — created — to be self-revealing of truth, and so we are all to uncover the truth within ourselves and for ourselves, and all being done by living true to our feelings. **If you accept, express and seek the truth of your feelings, then truth will come to you, and you'll grow spiritually. It's as easy as that. Also it is as easy as it is to long for, ask for and receive Divine Love.**

THE HEALING OF YOUR BAD FEELINGS THROUGH THEIR ACCEPTANCE AND FINDING THE TRUTH OF THEM, IS THE ACCEPTANCE OF YOUR NEGATIVE, REBELLIOUS, EVIL, IMPERFECT MIND AND WILL CONDITION.

To do our feeling-healing we need to become:

Aware of – Acknowledge – and Admit, our bad feelings.

So we can:

Accept – them and allow ourselves to Be them.

And then if we feel to, take:

Action – Express, speak and emote them.

Talk about them.

All being done whilst longing to, really wanting to, see the TRUTH of our feelings.

So it sounds simple.

So I repeat:

We accept our bad feelings by expressing – speaking about them to someone willing to listen to us and take us seriously. And as we speak we long for the truth of them – why we are feeling them – to be made known to us. And when we uncover and see the truth we are FREE! – healed of the causes that have made us feel bad.

Accept, Express – see the Truth, and you're Free!

ACCEPTANCE OF ALL YOU FEEL, THINK AND ARE, IS THE KEY TO DOING YOUR HEALING; THAT, AND WANTING TO SEE THE TRUTH OF ALL YOU FEEL, THINK AND ARE.

Release one's pain through expressing one's feelings.

in conjunction with

Longing for the Truth when also longing for Divine Love.

WE are meant to grow up LIVING FULLY CONNECTED to our FEELINGS:

Humanity has always had an awareness and involvement with spirits, with life on the other side, because we are all heading that way, we all end up dying and becoming one of the spirits, and were humanity living rebellion-free, then nearly everyone would enjoy some level of spirit involvement either directly or indirectly, loving such an expansive awareness in life.

We are meant to grow up living fully connected with our feelings in our physical reality, and at the same time with full feeling awareness of spirits and life after death, because after all, God is the greatest Spirit of us all.

And so having an awareness and involvement with spirits can, and should, help us have more of an awareness with our Mother and Father. And it's not with just spirits, it's also with the angels who are with us all the time, and the nature spirits should we be open to them, and even higher spirits if we are to work with them, such as the Melchizedeks or Trinity Teacher Pairs. But mostly for those people involved with the Divine Love, it will be with the Celestials spirit group that is assigned to help them.

It is very important to understand that spirits and spirit life is meant to be part of life on Earth. However that's not to say everyone need to have an ongoing relationship with their spirit friends, but they can at least still be aware of spirits and spirit life and where we will be going and something about what to expect once we die. And when you are open to it, lessening the grip of one's fears about it, then we will find it will be just another aspect or level of life, and one that can give us quite a lot of comfort.

TRUTH LOVING SOUL V ERROR INFLICTED MIND

**Feeling
Healing with
Divine Love is
the key!**

To liberate one's real self, one's will, being one's soul, is by embracing Feeling Healing so to clear emotional injuries and errors. With the Divine Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

Feelings First Spirituality The New Way

Feelings First
FF
Feeling Free

The New Way, Feelings First Spirituality
Learn to live with God through your Feelings

Accept, express and long for the truth of your feelings

Be free in your feelings
Free your feelings from your mind's control
Live true to your feelings; your feelings are your true self
Live true to yourself through your feelings

Live true to yourself by living true to your feelings.
Long for the truth of your feelings.

Accept / Express / Bring out ALL of your good, and most importantly,
BAD feelings.
Want to understand why you're feeling them.
Use your surface feelings to take you deeper into your repressed and
hidden feelings.

The Feeling Way is the True Way.
Your feelings are your spiritual guide.
Your feelings will take you to God.

Your feelings will show you the truth of your relationships, including your relationship with God; and if anything is wrong, untrue and unloving, then why it is.

Our feelings are sacrosanct and we should respect them accordingly. And we should NEVER block them out, ignore, override, banish, deny or reject them, because if we do, we're only doing that to ourselves, as Our Feelings Are Our Self.

Our feelings are the gateway to our soul. Our feelings are the closest we can get to our soul. Knowing the truth of our feelings is knowing the truth of our soul, and knowing the truth of God.

Feelings First Spirituality is the True path for humanity.
It embraces all people.
It completely unifies the world.
Everyone can relate to everyone else through their feelings.
And we can all live the truth that comes from our feelings, all sharing the same truths as we express and have the same feelings.
No one need be left out; no one is more special than anyone else – we are all united in Truth through our feelings.
So with and through our truth we live our lives, therefore without the need of any man-made mind-laws, rules and restrictions that limit self-expression as inspired by our feelings.

The New Way, Feelings First Spirituality is what is to replace all man-made, mind-contrived religions that so many people have enslaved themselves to. The New Way, Feelings First Spirituality will set us free of all that control, ending the Rebellion and Default within ourselves as we do our Feeling-Healing, and ending such control and spiritual stagnation in the world.

Bring on the End Times – get it over and done with! Let's all see that Jesus is not going to come again, that Prophecy has failed all the mind-controlled platforms. Allow such false systems of belief to die their long-awaited natural death, they've overstayed their welcome, it's now time they fade away. So let us show such antiquated, erroneous systems of belief the exit and bring on the fresh liberation of discovering the truth of how we are to live for ourselves, each of us personally in our lives, and all by looking to our own feelings for it. Self-revelation through our feelings is the way to go.

The Way of the Mind is ending, and is really the End Times – the End of our mind control, and **it's about time!** With the Way of our Feelings replacing it.

The End Times means the end and therefore a New Beginning. And that new beginning is a whole new Spiritual Age – an age based on self-revelation of truth through one's feelings, coupled with and supported by higher revelations from the Celestial spirits, angels and nature spirits.

The Feelings First Spirituality is the True Way to God because it helps you get to know God, helping you to reach out, connect and be personal with God, and do God's Will, all through your feelings. It is the only true way of getting to know the God of Feelings – our beloved Heavenly Mother and Father, the Great Soul of Divine Love.

Love comes through our feelings and not our mind, as we've all been wrongly led to believe.

Feelings First; then comes The Truth; then comes Love.

REVELATIONS

Revelation 1: Our soul becomes encrusted with harmful ways of life, plus negative and erroneous beliefs, these mainly stem from our childhood upbringing and environment. Thus we live untrue to ourselves, we become 'evil'. Whilst we hold to these injuries we limit the amount of Love that we can receive into our soul. To open our soul to the Love we must firstly and progressively feel into our emotional injuries and allow them to be released. Until we emotionally experience past errors and injuries we hold onto them.

To free our soul of damage and toxic emotions we must open ourselves to experiencing them. This is a progressive, slow and uncomfortable cleansing process that we must all experience. Only by addressing the generational injuries will we, as humanity, evolve in love.

To fully divest one's self of our badness, we have to 'go into' our feelings. Call this process of clearing toxic emotions as 'Letting Go', 'Emotional Processing', 'Journey Process' or 'Feeling Healing'. Embracing Divine Love then Feeling Healing becomes Soul Healing.

As part of our Feeling-Healing we will have to work our way into all our feelings to see if indeed they are coming truly from our heart and soul, or if they are being heavily influenced by our mind. And this will then lead us into questioning and uncovering the truth, if there is any, to our beliefs and why we behave the way we do; and is such behaviour based on truth, or is it based once again on untruth, belief, and rules of our mind.

Revelation 2: We can long for, ask for and receive the Mother and Father's Divine Love. The greater our soul is free of error and injury, the more of the Divine Love can be received and assimilated into our natural love formed soul. The Love does not free us of injury, however, it strengthens our resolve to continue on our journey to be free of error and injury, to step away from evil aspects that have been encapsulated within our humanness and soul. It is this Love, the Divine Love, that brings about immortality of our soul and it is this Love that will eventually fit us to enter the Celestial Heavens and progress for ever more onwards to Paradise. These two revelations free us from error and enable us to grow in love ever more.

Immortality with the Love.

REVELATION 1
James Padgett 1914 – 1923

James Padgett bravely introduced the availability of the Mother and Father's Divine Love and a great deal of additional guidance and information, all of which has been supplemented by Samuels, Judas, Reid and Arnold. All writers were under restrictions of personality and circumstances. Revelation 1 opened the door for humanity.

Quantum Jump 2

REVELATION 2
Marion and James Moncrief 2002
– ongoing

Marion and James Moncrief have recognised the need for one to engage in Feeling Healing and, by their actions, removed restrictions that James Padgett and others above endured, thus JM is able to critique the writings of the past 100 years resolving points of confusion as well as expand on what has been written. Revelation 2 is humanity's turning point.

Due to the extra-ordinary nature of Revelations 1 and 2, humanity with the first Revelation would have continued on into its negative pathway of living, however, combining the first Revelation with Revelation two, now humanity can embrace this turning point and commence its evolutionary growth that has required two thousand years to put in place. This is the greatest event in the history of humanity and very few are aware of such, until we enable others to become aware.

SPHERES in the SPIRITUAL REALMS.

Spheres – Celestial Heaven, Eternal Spheres, then Spheres of Paradise:
The realm of the Angels is the Celestial Heavens spheres 8 to infinity.

Spheres to infinity: Soulmate bonding can be achieved in most of the spheres. (Celestial Spheres are not numbered per se.).

Eighth Sphere: All emotional baggage of your entire history has been dealt with – born again. This is the point of new birth, being born again. Celestial Heavens 8 to infinity true immortality.

Seventh Sphere: The gateway cycle, perception of sacramental nature of all things. Disappearance of the material mind and the absolute ascendancy of the soul's mind has been achieved. Divine path.

Six Sphere: Cycle of light / love, love / light or unity. A purely intellectual area, increasing one's knowledge, while living a life in absolute harmony with God's laws of spirituality. Natural path peak.

Fifth Sphere: Cycle of light or wisdom. All their earthly bonds are gone. We are in one of those soul spheres, which offer great opportunities for obtaining the Love of God – Divine Love sphere.

Fourth Sphere: Work of 'atonement' as guides and spiritual healers now excel. As humanity's helpers, their work is a means for self-realization. Natural love sphere mainly.

Third Sphere: An area where spirits progress in their awareness, truth prevails. As with all spheres, there are many planes. Changing pathways requires dropping back to a lower path, then proceed.

Second Sphere: The sphere of decision which is much more spiritual but which was hidden and outside the range of their perceptions. Spirits can now choose the path they wish to follow – desires.

First Sphere: Cycle of awareness. There are vibrational love barriers between each of the spheres. Highest level of the Earth planes is the point of transition from materiality to the spiritual 2nd sphere. Summerland is the highest part of the Earth planes, but it is still a very material region. Children live in Summerland in great numbers, having died prematurely. Twilight zone, the most populated area in the spirit world, and starting point for most. Various hells descending progressively into greater degrees of darkness. All souls can be assisted out of these hells no matter what level they fall. At the deepest levels, the soul finds it extremely difficult to hold itself together. The hells are not fiery physical places. Actions are based on fear.

The 2nd, 4th, 6th spirit spheres provide principally for mental and moral advancement, whereas, the 3rd, 5th, 7th soul spheres provide for Feeling Healing with Divine Love.

SPIRIT MANSION WORLDS are numbered 1 to 7:

To PARADISE, the HOME of OUR HEAVENLY PARENTS

Spirit Mansion Worlds are those 1 – 7. They with the Celestial Heaven spheres numbered 8, 9, 10 as well as the 2 Spheres of Disharmony are all within the Earth’s environment, and rather close by. Each sphere can accommodate more than 100 times the people than Earth may do.

Divine Love perfects one’s natural love soul through the progression via spirit world spheres 3, 5, and 7. Soul-Healing and At-onement is achieved through the progression into sphere 8 which is the first of the Celestial Heaven spheres namely 8, 9, and 10.

One can embrace Divine Love at any time and move to DL sphere 3 and continue.

The Divine Love spheres 3, 5, 7, 8, 9, and 10 were opened by Jesus.

Earth is for the individualisation of souls being the commencements of one’s journey home toward the Source Soul.

The Pre-Incarnational Sphere is the waiting area for souls to be individualised / incarnated.

The 2 Planes of Disharmony are the hells. While one desires to cause harm to others, isolation is applied. Once the Law of Compensation is completed then one can then progress and return to the 1st Natural Love sphere and continue in their progression onto higher spheres.

There are seven Earth planes around Earth, which are separate from the Mansion Worlds, but we only have access to two of them, which include the ‘hells’. Each of the Mansion Worlds also have their own seven planes ‘around’ them.

Note: The 1st Divine Love Sphere and the 1st Sphere of Disharmony may simply be planes within the 1st Natural Love Spirit World.

FEELING HEALING and SOUL HEALING with the DIVINE LOVE:**James Moncrief Publications:****all publications are free downloads:**<http://divinelovesp.weebly.com/my-free-books-and-free-padgett-messages.html>

It is suggested for one to consider reading as follows:

Speaking with Mary Magdalene and Jesus – books 1 – 4

These four books encapsulate the second of the revelations with the first having been introduced by James Padgett one hundred years previously. These four books provide a wide range of guidance that has never previously been made available.

Paul – City of Light

As a gentle intro into the Divine Love and Healing; being James Moncrief's first novel and it's been criticised as being too heavily clichéd, but that's the point because it's a reflection of how he was back then.

Ann and Terry

For an example of people who might want to immediately start working on themselves and doing their Healing.

Feeling Bad? Bad Feelings are GOOD

For more understanding about our denial of our feelings and why we should not deny our feelings, and it includes how it all came about for James, using himself as an example.

Feeling bad will make you feel BETTER – Eventually!

This includes specific examples of Marion and James working on expressing particular bad feelings, again with the hope that it will help others gain something of an idea as to what's involved in doing your Feeling Healing.

Sage – and the Healing Angels of Light

Through Sage who's 13 years old, the story is primarily about the two aspects of healing; that being, with the help of our angels, and the full Healing we can do by looking to our feelings for their truth.

**Religion of Feelings
Feeling Healing****Welcome to LOVE – the Religion of Feelings
you can heal yourself through your feelings**

So these books, including the four Speaking with Mary Magdalene and Jesus books, provide the essence of it all and are examples of James' work. Then it's up to whatever takes one's fancy. Other reading to consider may include:

The Padgett Messages being published as:**The True Gospel Revealed Anew by Jesus volumes 1 – 4****Book of Truths by Joseph Babinsky****The Urantia Book****Release one's pain through expressing one's feelings.****in conjunction with****Longing for the Truth when also longing for Divine Love.**

FEELING HEALING with DIVINE LOVE is SOUL HEALING:

A collection of 'papers' that draw together specific topics including all of the above and more from other sources of information and revelation designed to help increase one's awareness about why we have the problems we do and how to heal them, all whilst living a more healthy and sustainable life. They provide a brief snapshot of the more complicated topics and issues.

Firstly, consider discovering the truth of your emotional pain through Feeling Healing.

Secondly, consider longing for our Heavenly Parents' Love as you progress with your healing.

Primary and most important readings are the writings of James Moncrief.

Then consider the Padgett Messages, and then The Urantia Book.
