Resurrection to Ascension

Rassoul.

Death by Crucifixion.

<http://new-birth.net/padgetts-messages/a-summary-of-these-teachings/>

It was on the eve of his arrest by Pilate that Jesus gave his disciples the Eleventh Commandment: Love one another as I have loved you. The meaning of the Commandment, which is paramount to the religion preached by the [Foundation Church of Divine Truth](#), was [explained by our elder brother](#) in the following words:

...I meant that since I loved mankind, and especially my followers, with the Love that came to me from the Father's Essence, the disciples were to seek the Divine Love in prayer to the Father and love one another with this Divine Love. Thus, we were all to be one in the Father's Love. This was the Commandment to be obeyed by my followers, and binding upon them, just as the Ten Commandments were binding upon all Jews of that time, and even of this day, as the moral precepts given to mankind by God through Moses.

While at prayer on the Mount of Olives, he was arrested and taken to the Jewish Assembly, the Sanhedrin, where he was declared to be an enemy and would-be destroyer of the divine faith and teachings of the Israelite nation and a seducer of the people.

But he hadn't been betrayed by Judas, the youngest of his disciples, for silver; and it was not ordained that Judas should betray him, as the Bible claims. We now know the true motivation behind Judas' act from the apostle John, [in the following words](#) delivered through James Padgett:

...He (Jesus) never taught that it was ordained by God that Judas should betray him. In fact, the death of Jesus was never a part of that which the Father considered as necessary to the performance of his mission.

Of course, it was certain that Jesus would die. But the manner of his death was not foreordained, as my Gospel written in your Bible declared. Judas was not a bad man, as he is depicted to be. And his "betrayal," as it is called, of the Master was not for the purpose of gratifying any avarice that he might be supposed to have had, or because of any jealousy or desire to revenge a wrong, but it was because he was impulsive and had a belief in Jesus' powers and ability to overcome the Jewish leaders in their fight to defeat the objects of Jesus' mission. And he thought he would be doing the Master and his cause a great benefit by having it demonstrated to these Jews that the Master could not be silenced or harmed by any act of theirs. It was really an act that grew out of his love for and belief in the greatness of the Master's powers.

Jesus was sentenced by Pontius Pilate, the Roman procurator, after being questioned by Herod Antipas, the ruler of Galilee. Pilate ordered him crucified. It was the spring of 29 A.D.; his ministry had lasted

slightly less than three years and three months. He was thirty-six years old. (Born 7 January 7BC, died Friday 13 March 29 AD)

Now, Jesus did not die to save anyone from sin. He was not a sacrificial lamb – a pagan concept and practice which Abraham, enlightened by God, had abandoned. He chose death rather than deny his mission and those things which he had proven to be true. Also, he knew there is life, and life abundant, beyond the grave; for man is essentially a spiritual being, and physical death is merely the process by which he returns to the world of spirit, from whence his soul had come.

He had accomplished his mission on Earth. Once he became convinced of his Messiahship, and told his family that he must attend to his Father's business of proclaiming the glad tidings of His Love and for that he had been born, his life was the personification of the New Heart which had been prophesied in the Scriptures – the Divine Love of God in man's soul.

He was buried in a cave whose entrance was blocked by a huge stone and guarded by Roman soldiers. His soul, however, with its accompanying spirit body, had risen immediately after his physical death on the cross, and he went about his business as a spirit.

He went into the hells and preached the salvation of God's Divine Love to those in darkness and suffering. He also ascended into the higher realms of the spirit world to proclaim the availability of the Father's Love and the possibility of eternal at-onement with the Father.

Once the ritual of burial had been accomplished, he returned to the cave and set about to remove his mortal remains. Three days had passed. Using the Divine powers of the Father's Essence within his soul, he dematerialized his physical body into the surrounding atmosphere, leaving the shroud (the shroud remains preserved today, and is known today as the Shroud of Turin) which had covered him neatly folded in a corner of the cave.

A bright spirit sent by the Father rolled away the stone blocking the entrance to the cave. By using ectoplasm obtained from one of the Roman guards whom he put into a trance, the spirit materialized a physical body. Energies were then transmitted to him by many good spirits present, and he was able to accomplish the feat of rolling away the heavy stone.

Jesus left the cave, but not before he had materialized a body resembling flesh and blood, again using the powers at his disposal. He appeared to Mary and Peter, fulfilling his promise that he would rise in three days. He later appeared to the travellers on the road to Emmaus, and to his disciples meeting in the upper room where Thomas was present and asked to be reassured that he was, indeed, beholding the Master.

Jesus explained through Mr Padgett that it was necessary for him to materialize in this manner to show that he was still alive, even after physical death through crucifixion. At that time in their spiritual development, this was proof in the eyes of his disciples that he was the Messiah. However, the real understanding of his Messiahship came to all of them at Pentecost, when the knowledge came to them with overwhelming conviction that Jesus had brought the Father's Love and Its Divine qualities to light.

<p>Note: Following the writings of James Moncrief, one could consider that any reference to the Father, by other relevant writers, may be read as a reference to 'our Mother and Father'. Further, when considering soul healing, then reference to Divine Love could be referred to as 'Feeling Healing with Divine Love'.</p>

The Fulfilment of the Eleventh Commandment – The Pentecost.

The Commandment which Jesus gave to his disciples at the Passover supper – to love one another with the Divine Love with which he loved mankind and his disciples – came to the fruition of its fulfilment 50 days following his death, when mental concept of his mission was replaced by the emotions of love and great sorrow in his followers.

His disciples and followers who had remained faithful to him after the crucifixion and who, after his appearances to them, sincerely mourned their loss in his death, had loved him wholeheartedly as their Rabbi and were filled with a deep grief and love that made their souls ready to receive the Father's Love when It was poured out upon them.

It came into their souls with a great inflowing and burning of the heart and they, being greatly confused and excited by this phenomenon which they were unable to explain, related contradictory stories about the occurrence which later writers sought to organize into the account we are familiar with in the Bible today.

The Divine Love which Jesus had taught them of, and which they had understood only mentally, became a living reality in their hearts and souls at the time of the Pentecostal Showering upon their souls of God's Precious Essence. Because It was conveyed into their souls with such power and in such abundance, they knew, convincingly and overwhelmingly, that Jesus had come to bring the very Essence of the Father to mankind if they would but seek It through earnest prayer.

This inflowing of the Divine Love later became known as "receiving the Holy Spirit" – erroneously, of course, because it is the Holy Spirit which conveys the Father's Love into the human soul. It is not, as is thought, a divine person, but simply that Attribute of God that brings the Love into the soul of whosoever seeks It in prayer. There is but one God, the Father, and not the triune concept that is a basic doctrine in the Christianity of today.

The end of the Jewish dispensation, or the end of the Hebrew world, came with the Pentecost, for it was at that time that the Divine Love of the Father, which was first bestowed upon Jesus, was granted to his followers in abundance, and the Mosaic laws, the highest laws available to mankind prior to Jesus' coming, were superseded by the New Covenant of the Heart and the New Birth of the soul.

Epilogue.

Perhaps the most moving description of Jesus' soul when he lived on Earth and lovingly ministered to his fellowman has been given us by his mother. In her words, we are able to truly appreciate and value the fine loving traits of character inherent in Jesus as a result of his soul's development in God's Divine Love.

[Mary writes:](#)

...His natural love, which as a young man would have turned him to thoughts of love and marriage, deepened into Divine Love, and absorbed by It, held a marvellous feeling of filial and fraternal devotion, and made him feel like the dearest brother to all men and women – all mankind – taking away from him the thought of women and family life.

He loved all people with a love which showed itself in kindness, in service, in helping others, in healing wounds of sicknesses, in alleviating sorrow and giving sympathy and comfort for the depressed, the bereaved, the heartbroken and the helpless.

He brought hope and taught salvation to thousands. Even when they did not understand, there was a sincerity, an absolute faith and conviction in the eternal life of the soul which spoke to people's hearts, if not to their minds, and many felt he was the light to the Jewish people who would show the Way to God and to peace, in this world and in the next.

Jeshu showed this faith and conviction and love up to the last, on the cross at Golgotha; it was a courage and a patience beyond human capabilities. And, at last, at the foot of the cross, I understood something of what he said and what was in his soul, even just before the end, when I grieved for the one I considered a good son, dying because of a disturbance which manifested itself in a different path in religion and defiance of Roman power.

How mistaken was I, my family and my husband! We understood, yes, after his death, when pain and grief and love had brought some of the Divine Love into our souls. Joseph preached away from home; Jacob founded the Jerusalem sect; Judah and Thomas became his apostles.

His Divine Love turned him to God, to think of God and long for God's Presence; to pray, to avoid sins, to take on in his character virtues of kindness, of humility, of service and consideration of others so as not to hurt their feelings; and these were to him of the highest importance.

His, too, were qualities of firmness, faith and conviction; of courage, of fortitude and high resolve, that faced and found death with tranquillity, patience and a oneness with the Love of God that shatters all imagination. Such was my son Jeshu on Earth.

Jesus has explained that the great compelling fact of the crucifixion is that, while he dematerialized his physical body and died as to its existence, yet his soul has lived on through the intervening centuries and will continue to live throughout all eternity; that this eternal life became a reality through his constant and fervent prayers to the Heavenly Father for the inflowing of His Divine Love into his soul and atonement with Him; that what is really alive is Jesus' immortal soul, with his teachings which show the Way to achieve immortality of soul through longing to the Father.

For it is the Divine Love that gives eternal life, and not any mysterious ritual of supposedly eating his body and drinking his blood through the symbolic use of bread and wine, as practiced among some religious organizations.

Through Mr Padgett, John, the apostle, has reassured all mortals who love Jesus and long for his presence that, sooner or later, as the laws of his limitations permit, he will be with them and will comfort and help them, if they will enable him to make the rapport. This is what is meant by his standing at the door and knocking. When the door is opened, the rapport is made and then his love and influence will be felt. In the following endearing words, [John wrote](#):

...So, let all mortals love Jesus with the fervour and fullness of their souls, and crave for his love; but in doing so, not forget or fail to know that, in thus loving, in order to become like Jesus, they must seek for the greater Love of the Father, and give to Him all their souls' longings and desires for the inflowing of this love into their souls. And the more they receive of this great Divine Love, the better able they will be to love their great brother, Jesus

**Feeling
Healing with
Divine Love is
the key!**

God's Divine Love: Pray for it, ask for it, and receive it.

Golden Rule: that one must always honour another's will as one honours one's own.

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God's soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of your Mother and Father.

ONE with our MOTHER and FATHER:Will and Free Will

The difference between 'will' and 'free will'. Will is the principle of choice: it is every possibility, choice and action executable within the scope of love. Free will (mind) is the same as will (soul) but with the addition of being capable to move outside the laws of love (or the laws of the soul).

Love is a very broad form of energy made of multiple sub (energy) forms or subcategories. As a human being (because of the inferior quality of the physical mind) it is important to learn to open up (your mind) so it can reap from the expansion of your soul. If your soul expands, so will you're your mind. Wouldn't it be a pity to have a soul bursting with knowledge but having no ability to share its information with others? This way all flaws can be 'attacked' as well by the mind as by the soul and it is the reason why progression for soul searchers (or Divine Love obtainers) can be much easier or more rapid: because such people have the advantage of understanding this duality. Emotions are only the result of the presence or the absence of (the broad energy we call) love. The soul is only capable of containing (the energy we call) love (with all of its sub categories).

To gain access to the spheres of the soul (the celestial spheres) you have to become a perfect natural man (again). To become the perfect natural man you have to obtain (natural) harmony in soul and mind again (through Feeling Healing). And although the Divine and natural love within the soul will help establish this harmony it is still the call of the mind and its free will to let the soul help it (to regain that harmony) or not. Divine Love (together with Feeling Healing) is powerful enough to ascend all flaws; but the problem is people's faith.

MAN'S JOURNEY to being at ONE with our MOTHER and FATHER:

Man, with free will, can choose loving or unloving options.

By seeking Divine Love, and with Divine Love man can elect to follow our Parents' will of loving actions exclusively.

When the free will natural love aspect of the soul of a man is perfected with Divine Love and Feeling Healing, man has elected to follow the will of our Parents. Personality, memory, intelligence, etc. continues with man's soul through out all phases of his growth and development.

Duality is only possible because of the workings of free will. People need to become ONE with our Mother and Father and that 'free will' will no longer exist in the soul spheres; because there are no longer TWO choices, only ONE: "God = Love = I". As long as people have not become ONE with the Mother and Father, duality (= TWO choices = principle of free will) will exist.

Accounts of spirit people who's condition have been so poor to fit them only for the hells, namely the Spheres of Disharmony, show that even they can progress from the lowest of conditions to being within the Celestial Heaven, way above the highest sphere of the Natural Love spheres, within or around five to ten years or so. Some achievements discussed in messages have been:

James Padgett entered the Celestial Heaven within 28 months of his passing.

Helen Padgett was in the Celestial Heaven within 12 months of passing through Feeling Healing.

Nita Padgett progressed from low 1st sphere to Celestial Heaven within 24 months of passing.

Emperor Nero progressed out of the low hells to Celestial Heaven by receiving Divine Love.

Kevin Cooper died 10 August 2012, through Feeling Healing became Celestial on 7 August 2017.

Bradley Cooper, son of Kevin, suicided on 21 September 1999 and early April 2018, became Celestial.

Emperor Julius Caesar moved from the hells to 3rd sphere within 19 months from receiving the Love.

George Butler progressed from the hells to the 3rd sphere within 38 months by receiving the Love.

President Grover Cleveland moved from dark spheres / hells to 3rd sphere in 20 months with Love.

President John F Kennedy became Celestial following 15 years embracing Feeling Healing process.

R. Ross Perry progressed from the hells to 3rd sphere over 30 months by receiving the Love.

It is only through Feeling Healing with the Love, that forgives sin, dissolves the errors and fits a person for a higher habitat. Man, left to his own devices, can require many centuries to grow and then cannot enter the Celestial Heaven.

Man, can know and knows God only because he possesses a soul, and he can never know God if he seeks Them intellectually and with his mind alone. Doubt and speculation is a product of the mind, but faith is a product of the soul and we know that God exists through our soul perceptions, so that we can create the spiritual link with our Heavenly Parents through prayer. Not a mental prayer, but a prayer that comes from man's soul – earnest, sincere, full of longing, faith and love.

WE are INCARNATED with Natural Love, but not with Divine Love:

We are conceived with natural love, however, we are not endowed with anything of the Divine. While we are without anything of the Divine, namely Divine Love, we can grow our natural love attributes and progress to that of being the perfect man whose lodging is found in the 6th Sphere. We do not have immortality without having received Divine Love.

Natural love radiance is very different from that which Divine Love brings.

The two loves complement each other, bringing about greater harmony.

When we become aware of the presence of Divine Love and subsequently ask for and then receive the Divine Love, our soul steadily starts to change to that which is Divine and we achieve immortality. This is the Immortal Choice that we can make whilst here in the physical or later in the spirit world. Once we add Divine Love to our being, we continue then with the two loves, that of the natural love and also that of Divine Love. As we continue and receive Divine Love, our soul condition progresses so that we may eventually enter the Celestial Heaven, 8th sphere and above, then progress further to enter the Eternal Spheres and then the Spheres of Paradise.

We are endowed by our Parents with natural love, maybe we neglect this gift from time to time. As we progress in time, we can add the greatest gift there is to our being, that is by asking for and receiving Divine Love. Not only does the infusion of Divine Love, with one's Feeling Healing, repair our natural love attributes, we evolve into a joyous and loving person in all respects. With the infusion of Divine Love, with the two loves, we become the complete being.

CLEANSING the SOUL:

Years and years of personal endeavours to step away or above harmful habits and personality traits that are harmful to others and one's self have been mainly futile. We all want to grow in our love for ourself and of others.

Our beautiful loving personality that we are blessed with at conception / incarnation becomes encrusted with errors and personality issues of those around us, particularly during our early childhood. The personality of those living around us, during our early years, becomes encrusted over our pristine soul thus clouding our radiance into dullness. We become mind controlled!

Our Heavenly Parents want what is actually best for each of us and there is a source of light that's willing to give it to each of us, but only at our soul and spirit's quest for union with the divine. Not our ego's need for things.

It is only with our Feeling Healing and the infusion of the Love, that the Mother and Father conveys via the Holy Spirit, do we start to dissolve negative issues, habits and personality errors from our soul and personality. Our personality is part of our soul structure.

All we need do is ASK for this Love. An earnest longing and desire for the Mother and Father's love will never be withheld, it will shower over our spirit body, the template of our physical body, and be absorbed into our soul. As the Love permeates through our soul, errors of personality will slowly but surely dissolve.

Over time, as we progress along our path of asking for and receiving this love, the natural love which we were blessed with prior to conception will be progressively transformed into Love that is Divine. This Divine Love will slowly emerge as radiance through our being.

With Feeling Healing and this Love we find harmful habits and personality traits become a distant memory. With this Love, we find ourselves unable to harm others or ourselves. With this Love we find our quality of life blossom and joy starts to emerge in all aspects of our living.

With this Love we become immortal. With this Love we become fitted for the Heavens that the Mother and Father have prepared for us all. Just ask and faith, love, and happiness will follow. Yes, just ask!

LUMINOSITY of the SOUL can be LIKENED to the FOLLOWING:

1st sphere, lower regions – Natural Love MoC 50+/-
 The soul condition of a soul that is obliged to spend some time within the ‘hells’ may be no bigger than a dried garden pea. There is no luminosity and the environment is total darkness.

The typical soul condition of humanity is such that they generate the luminosity of a single candle.

1st sphere, mid regions – Natural Love MoC 210

A soul that has grown in love and soul condition equivalent to the 8th sphere – the point of becoming at one with God, the luminosity of such a soul is equivalent to the midday sun.

8th sphere – only possible with Divine Love! MoC 1,000+

CONSCIOUSNESS and EMOTIONS:

Consciousness = Soul Condition. One’s Soul Condition is equal to the average of all of the held emotions. Soul condition is the sum total of all of the different emotions, desires, passions, etc., all wrapped up together in terms of how much love there is in every one of those.

Note: The Map of Consciousness scale is from 1 to 1,000
 The Map of Consciousness (MoC) table is based on the common log of 10. It is not a numeric table.
 A calibration increase of 1 point is in fact a 10 fold increase in energy.
 A calibration increase of 10 points is in fact a 10,000,000,000 fold increase in energy.
 Thus the energy differentials are in fact enormous!

NATURAL LOVE or HUMANITY's ERRONEOUS EMOTIONS:

Your soul, being your real you, is an emotional being. Your soul, though a thought of God, does not possess anything of the divine within it. It existed in a state of bliss, in a natural love state, pending individualisation which is achieved at conception which is the time of incarnation. Your soul is endowed with natural love emotions noted within the top section of the Map of Consciousness scale, being those emotions calibrating above 200.

Humanity's erroneous emotions are those calibrating below 200 on the Map of Consciousness. The environment around a newly conceived child progressively degrades the condition of that child's soul. When the child reaches about the age of 7, the child's soul condition will reflect the parent's condition. These negative emotions are like a crust around the pure soul it has within.

Less than two dozen people on planet Earth.

Would not pick up a weapon let alone use it. These people gravitate to the health industry and humanitarian programs.

Debate and implement resolutions without argument and delay.

Debate and implement resolutions in due course.

Debate and implement resolutions with some degree of follow up generally needed.

Management supervision is generally necessary.

Politics become the hope for man's salvation.

Cause no harm to others starts to emerge. Power overrides force.

Illness is developed by those man erroneous emotions that calibrate 200 and lower.

Armies around the world function on pride. Force is now dominant, not power.

Harm of others prevails, self interest prevails.

Totally self reliant, not God reliant.

Fear dominates all motivation.

Suicide is possible and probable.

At these levels, seriously harming others for even trivial events appears to be justifiable.

Poverty, unemployment, illness, etc., this is living hell on Earth.

NATURAL LOVE BLENDS PERFECTLY WITH DIVINE LOVE:

Both are energies. Natural Love energy forms each soul and each individual soul is unique. Our personality, intelligence, memory, and humanistic characteristics are unique. It is our gift of free will that tends to enable us to error, however, it is the uniform nature of Divine Love and Feeling Healing that brings about our growth and release of man-made negativities.

- A. Unborn child's soul is always perfect and remains that way throughout life.
- B. Child in first seven years absorbs man-made emotional characteristics from environment.
- C. Cognitive capabilities enable each person to choose to ask for and receive Divine Love.
- D. Divine Love strengthens one's resolve to release negative emotions should we continue to ask for more and more of this ultimate high octane super fuel, this light golden blue energy.
- E. Progressively, harmony comes about through our bodies and the inclinations to engage in negative ways and causing harm to others or one's self dissipate.
- F. As we embrace our Feeling Healing with the Love, the Divine Love transforms our soul so that we no longer have any inclinations to do anything other than the will of our Heavenly Parents, no more harm to others.
- G. It is with the blending of the Natural Love with the Divine Love that fits a person to become at one with our Mother and Father and to enter the Celestial Heavens.

“All dis-ease is mind generated, and all healing is generated by the love energy of one’s soul.”

The Ego (mind based) manifests illness; the lower one’s level of consciousness (soul condition) then the more prevalent will be illness. Below the levels of 200, the ego and fear of the mind dominate; however, as you raise your level of consciousness by growing in love and achieve a level of 500 or higher, you begin to transcend ego dominance. At the level of 600, all healing is possible.

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God’s soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of your Mother and Father.

Life is seen as an opportunity.
We are getting closer and closer to truth.

Fields below 200 - Wanting & Craving
Desiringness
Fear Driven
Self hatred
Grudges
Values are based on what one has.
The energy fields below 200 are opposed to life, do not support life.

Chronic illness indicates a huge denial of the soul.

Illness = out of harmony with love and truth.

It is the release of emotions that are out of harmony with Truth and Love, and the praying for the inflowing of Divine Love that brings about health and harmony to our bodies.

LUMINOSITY of the SOUL grows with LOVE:

DIVINE LOVE is a SUBSTANCE

Angels actually do not have wings.

One's soul can grow from the condition of a dark dried up pea to that of a Celestial Angel by asking for and receiving Divine Love. Divine Love changes the essence of the soul to that of the Divine. Nothing else can do this.

**CREATOR,
MOTHER,
FATHER,
GOD.**

Father
Mother

Divine Love is delivered through the Holy Spirit, should you ask for Their Love.

Your soul can be likened to a plasma ball.

Soul releases errors and negative emotions via one's Feeling Healing with Divine Love.

The opening up of the soul permits a permanent exchange with Divinity, a permanent recharge of this healing energy that allows not only the re-establishment of lost health, but the continuity of health, providing such a perfect balance, even in the physical body, that noxious agents like bacteria and virus cannot find any opportunity to unchain pathological reactions, which we commonly call illness.

But it is true that people without the benefit of Divine Love would lack the protective shield, which the intrinsic healing energies of Divine Love provide for those who pray for our Heavenly Mother and Father’s Grace.

“Never can one man do more for another man than by making it known of the availability of the Feeling Healing process and Divine Love.” JD

SOUL:

The Real You is your soul, you are one ‘half’ of that soul.

Each half of the original soul incarnates a spirit and physical body simultaneously, they being connected. The soul expresses each of its two personalities as a woman and man. True soulmates are always of the opposite sex.

Sexuality is an attribute of the two personalities the soul expresses; the soul itself does not know sexuality.

The soul connects to the two spirit bodies it has created by ‘golden cords’ of light; and the spirit body is in turn connected to the physical body by ‘silver cords’ of light.

The spirit body is your astral body. The etheric is really the body that is the template for the physical and one that doesn’t hold consciousness.

The soul remains invisible to the spirit and physical bodies, only being discernible by its luminosity through the spirit body.

95%+ of humanity currently are within the 1st sphere of development.

EMBRACING the LOVES:

Our soul is formed from the substance known as natural love. This natural love enables us to develop to that which is the perfect man, an excellent, capable and loving personality.

However, there is a limit to our growth founded on natural love fore there is nothing of the Divine within the substance of natural love.

Should we ask for, and then receive Divine Love, then the Divine substance of Divine Love can be added to our being, thus providing us with an infinite potential for growth and development in the Love that is Divine.

The natural love and Divine Love are not divided when in the soul.

The natural love is harmonious in the Immortal greater love, the Divine Love, and so, never shall an Immortal faith and Immortal truth fall.

Adding Divine Love to your being can be likened to developing a powerful engine based on natural love to that which is found within a most powerful muscle car. One's performance capabilities progressively develop as the regular fuel of natural love is slowly, but steadily supplemented with the fuel of Divine Love, thus changing that which is founded on natural love to that of the Divine, namely Divine Love.

Your fuel steadily is converted to that which is of the highest octane level ever envisaged.

The Divine Love is the wonder of the universe. How this invisible substance causes so much change in our mortal nature is a miracle to behold and experience.

Living with the Divine Love brings about harmony throughout all of one's bodies, systems and personality. One's capabilities and love continue to greatly expand.

Divine Love always has its effects in harmony with the expression and development of natural love. Therefore your awareness and expression of natural love in your life is a vital element in accepting Divine Love into your life and fostering its development of your soul. Divine Love is the great harmoniser and is therefore not isolated but its effects are universal.

Divine Love is the 'ultimate' high octane fuel.

WE ARRIVE DETUNED!

Our souls are a divine creation of our Heavenly Mother and Father. They could not be any other way! And are designed (such as how it has been for us) to begin incarnation in a Natural love condition reflecting the Natural love state of our world.

And we have also been provided with the opportunity to experience what is being ‘evil’, to live denying our Natural love, as seen through the denial of many of our feelings. So we here on planet Earth live on a world that has Rebelled (and then also Defaulted), of which there are only 37 within the local universe of Nebadon, consisting of 3.8 million physical worlds under the regency of Mary Magdalene and Jesus – the spiritual parents of truth of all of Nebadon! And we assassinated Jesus, and completely denied Mary not allowing her to have her say about the truth.

As a consequence, we are ‘detuned’ from our Natural love state and divine origin. You could say we arrived with all parts functional, however, in our untrue, dysfunctional and distorted state, we’re badly in need of a severe service, tune up or a complete reconditioning. Our goal being to bring our true self to the fore by doing our Feeling Healing, and then to progress beyond our Natural love state by further advancing our soul condition through the process of Soul Healing and receiving our Parents’ Divine Love – becoming divine.

In our feeling- and truth-denying untrue Natural love state, we have been made to use our minds to dominate our feelings, becoming more like that of mind-based creatures of nature than of human souls of truth and feelings. And this is the wrong way for us to develop. So to step beyond this limitation, we are to live true to our feelings. Our heartfelt feelings being the guiding lights to our evolution and growth of truth.

Feelings are what guide us through our ascension of truth. So they are really our Supreme Guides. Many people look for a person, spirit, angel, even God, for supreme guidance, however it’s all right there already built in and can be found through our feelings – our soul based feelings.

By living true to our self, true to our feelings, we are living true to God. It’s that simple.

Thus we are detuned once our incarnation begins. However, the way is now open for us to bring about our full divinity. To completely Heal all that’s wrong within us on a Natural love level. To embrace and then transform that Natural love into a divine state through partaking of our Heavenly Parents’ Divine Love. All the while attuning ourselves to divine perfection and enjoying the fullness of our divinity and love, as we ascend in truth on our journey all the way to Paradise – the home of our Heavenly Parents.

WE were DIVINE, and
WE are to BECOME DIVINE AGAIN:

Our personality, our soul, our real self, are all creations of our Heavenly Parents. We, our real selves, are not creations of our physical parents. Within our original status, we were of Divine nature.

Our physical parents, from our conception, endeavour to mould us into being ‘little me’s’, that is, replicas of themselves, imposing their beliefs and personality traits upon each of us. They crush our individuality and free will. They destroy our personality, our true self. They inflict upon each of us their ways, all of which are of a result of the Rebellion and Default of many, many generations ago. They drive us into believing and subsequently becoming dependant upon our minds. This is not the way for us to express our true selves and evolve along the path towards our true parents, our Heavenly Mother and Father. We are to embrace the Eternal Son of Truth, not the Infinite Daughter of Mind.

No, we are not in the image of our physical parents. Though we may look like them, and act like them because they have dramatically and successfully crushed our true personality, we are each very unique and independent of our parents and all other family members. When we begin to progress along the path of engaging with our soul based feelings and seek for the Truth of our feelings, we will become free of our parents’ impositions and suppression.

Upon starting our physical life experience on Earth, our divinely created soul begins to express us as one of our soul’s two personalities in Natural love. However because of Earth being in Rebellion, so we are parented into a rebellious and anti truth and anti love state of mind control over our feelings and true self.

Natural love is good, just ‘less’ or different to Divine Love. And it’s that in our rebellious state, we’re rebelling against Natural love, and Divine Love by not taking Jesus and Mary up on their offer and allowing the Divine Love to transform our soul, as we perfect our Natural love by doing our Healing.

By living true to our self, true to our feelings, we are living true to God. It’s that simple. The revealing of the Feeling Healing process is the commencement of our ability to begin the Great U-Turn and go the right way. Should we then also embrace our Heavenly Parents’ Divine Love, we can also commence our Soul Healing and a returning to that of being divine – this is our destiny.

CREATED in THEIR IMAGE:**GOD**

James: Mary, what does ‘we being created in the image of God’ really mean?

Mary M: It means that our Mother and Father used Themselves as the model or template if you like, upon which to bring us into being, those of us who have existential souls with the potential of expressing their two personalities in Creation.

And although our souls are divine, as in being divinely created, still whilst we start our personality expression in Natural love, so we need the Divine Love to come into our soul and bring it into the levels of Celestial divinity.

Natural love, so basically the whole of Creation, is of the image of God, and we being divinely created souls can be part of God’s Divinity becoming divine ourselves. So through your Healing, James, you become progressively divine by partaking of the Divine Love and healing yourself into perfection – your true self. And by the time you’ve completed your Healing, your soul is of the Divine Love level of Celestial truth, and your personality is an expression of that level of truth, it all being ‘confirmed’ and cemented – fused – into place upon the direct soul-union with your Indwelling Spirit. Then you are of the essence of God, true and perfect to the level of the first Celestial sphere, the first sphere of true divinity.

Mary Magdalene communicating with James 20 November 2017

God is God, who is our Heavenly Mother and Father, being SoulMates. There is only one Soul that is God's Soul, that being the Soul of our Mother and Father. Our Heavenly Parents are the First Soulmates; The Two Who Are One who have brought us all into being.

Jesus and Mary are a son and daughter of God.

Jesus of Nazareth and Mary of Magdalene, being soulmates, were both free of sin. Jesus and Mary, combined in their love for us, are our teachers and guidance for us to find our way home to our Heavenly Parents. To start this journey we are to liberate our souls from being entombed within our suppressive minds, through feeling and longing for the truth of our feelings via our soul and peel away our injuries incurred since conception.

Give yourself time to consolidate your relationship with the Mother and Father through the partaking of Their Love. And whilst you are doing this, you can learn about your healing, all that's involved with it, as there are many willing spirits to share their healing experiences with you.

When you are ready it will start happening simply because you will want it to, it all being orchestrated by your soul. And when that time comes you will have developed a strong foundation in your relationship with the Mother and Father for you to work from. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

It is to make longing for God's Love the priority, and then do one's healing; should one want to include God and the Divine Love in one's feeling healing. This is doing your soul-healing as you are seeking to heal your soul of all evilness – of that which made you become evil, and release all the hurt and pain of not being fully and truly loved.

WE ARE Children of God

WE ALL ARE BEING GUIDED HOME:

We need the Spirits of Truth of the Avonal Pair to Heal ourselves; then once Healed, (and for support (overshadowing) as well through your Healing), we need the Creator Pair, Mary Magdalene and Jesus' Spirits of Truth to see us through the Celestial spheres, while at all times embracing our Heavenly Mother and Father.

Until Mary and Jesus died and liberated their Spirits of Truth, no one from any of the worlds could leave Nebadon, because no one knew the way to do so. Nebadon is our local universe containing some 3.8 million inhabited physical worlds and their associated spirit worlds.

When we embrace the truths Mary and Jesus are revealing, and start to do our Feeling Healing, or with Divine Love, Soul Healing, we are then freeing ourselves up from our parental and self control.

Thus our journey to Paradise, to the home of our Heavenly Parents, is of our choosing as to when we progress, however, there is only one way:

HUM: Humanity is to ascend. We are self contained. Our soul is always in truth and perfect at all times. **By living true to ourself, true to our feelings, we are living true to God. It's that simple.**

We are to recognise that being engaged and dominated by our mind is the wrong way for us to evolve and grow in truth. We are to discard the mind enslavement that has been imposed upon as by all of our parents. We are to express our feelings, both good and bad and free ourselves of the indoctrination that humanity has embraced worldwide.

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God's soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of our Mother and Father.

AVO: We are to embrace the truths and guidance of the Avonal Pair through their Spirits of Truth. It is the Avonal Pair's guidance that will lead us through our Feeling Healing, and with Divine Love, we will be able to ascend through the 7 spirit Mansion Worlds and enter the Celestial Heavens where we also interact with other world's spirits.

J&M: We are also to embrace the truths and guidance of the Paradise Pair, Mary and Jesus, who will then lead us through the 3 Celestial Heavens that are aligned with Earth, and then further on through Nebadon where we will then depart beyond on towards Paradise.

M&F: Beyond the universal zone of Nebadon, we will be guided by our Heavenly Mother and Father onwards through the universes to Paradise where we will be welcomed by them, home for us all, as we are all Children of God.

J&M

AVO

HUM

WE ARE Children of God

WE ALL ARE BEING GUIDED HOME – NOW, HOW TO COMMENCE THE JOURNEY:

GOD

M&F

For 200,000 years, we have been misled into embracing our mind's distortion of wisdom and truth. All such traditional understandings only lead us in the wrong direction, from which we must turn back from. Our soul based feelings are always in truth. Our minds are to follow our soul based truths and feelings, not the other way round, as we have been brought up to embrace.

We are to connect with our deeper repressed feelings.
We are to long for the truth of what we are feeling.
We are to live true to our selves; by living true to our feelings.

Use your surface day-to-day feelings to connect with your deeper repressed feelings. Express your surface feelings and your deeper repressed feelings to uncover the truth of yourself.

J&M

We all have feelings which we communicate and share with each other. And we all have deeper buried and hidden repressed feelings. Feelings from our early childhood we felt, yet weren't allowed to express. These feelings are still within us, waiting to have their say. These feelings, because they are repressed, cause us all our problems.

And as we look to uncover, bring out and accept these deeper feelings, so we're taken into new ways of looking at ourselves, our feelings, and our life. We're setting ourselves free of the controlling patterns that govern our unloving behaviour.

In this way, we progressively begin to express the personality that our Heavenly Mother and Father gave us, not the one imposed upon us by our physical parents and carers. We are to be our true and real selves.

By living true to ourself, true to our feelings, we are living true to God. It's that simple.

AVO

HUM

As we, humanity, long for the truth of our feelings, we can also be assisted by the Spirits of Truth of the Avonal Pair who are our spiritual teachers for Earth over this coming 1,000 years, to assist us through the Great U-Turn, away from mind dominance to being soul based feeling lead. They will assist us through the seven levels of the spirit Mansion Worlds.

Then the Creator Pair, Jesus and Mary, will lead us through Nebadon and into the greater universe. Then our Heavenly Mother and Father lead us home to Paradise.

WE ARE Children of God

Collectively, should we embrace them all, as we are to, then our pathway home is a journey in the hands of the Spirits of Truth of the Avonal and Paradise Pairs overseen by our Heavenly Parents.

HOW TO GET TO PARADISE:

Long for the Divine Love

Long for the Truth

Long for the truth of your feelings

Don't deny any feelings: accept, express and want to know the truth of them

Know your feelings are the key; your feelings are the Way

Want to end your falseness and being untrue

Want to understand the truth of your early life

Use your surface feelings to move deeper into yourself, bringing up your repressed feelings

Want and long to know the whole truth of yourself

Want to do it all with God, your Heavenly Mother and Father – long to Them for help.

The Key

Our longing drives our life. We long with feelings. We can wish for things using our mind, yet long for things with our heart. These things in the pyramid are what to long for. Longing for them, when the longing comes naturally. Longing because you feel you really want them. Long to be true with all your heart. Long to live true to your feelings. Long to understand the whole truth of yourself.

PARADISE TRINITY:

1. **Our MOTHER and FATHER (God) (MF) – Divine Love**
SOUL (God) – One SOUL that is expressing its two PERSONALITIES, our Heavenly Mother and Heavenly Father (Soulmates)
 2. **ETERNAL SON (ES) – Divine Truth**
 3. **INFINITE DAUGHTER (ID) – Divine Mind**
- Then: The Second and Third Persons of the Paradise Trinity (ES and ID) are stepped down to the local universe trinity (Mary and Jesus, Divine Minister (DM), and her Holy Spirit.

The LOCAL UNIVERSE TRINITY:

1. **MARY M and JESUS** – Our MOTHER and FATHER – Love – the Living Truth
2. **DIVINE MINISTER** – Mind (and her Holy Spirit)
3. **HUMANITY – Natural love, sons and Daughters – Truth, and our Angels – Mind**

PLANETS that engage in REBELLION:

1. **AVONAL SOULMATE PAIR** – the Feeling Healing process – incarnate
2. **DAYNAL – TEACHER PAIRS** – they do not incarnate

So in summary:

Consider a diamond:

Mother and Father Heavenly Parents

Creator Son & Daughter
Jesus and Mary

Avonals
as soulmate pairs

Trinity Teachers
as soulmate pairs

Melchizedeks – who have taken over from the Caligastians and Daligastians being also all as soulmate pairs.

Mortal Souls – human beings who individualise on Earth, then progress through the spirit Mansion Worlds, then into the Celestial Heavens, and beyond.

Mortal Souls – also being ascending spirits, upon completing their Soul Healing, join with their soulmate, then join their soul group of 24 mortal spirits, being 12 soul pairs. It is only as a soulgroup that anyone can progress beyond Nebadon.

The Paradise Pairs are all ONLY concerned with the SPIRITUAL wellbeing and upliftment of the planets and local universe. Currently to do with Earth:

Mary and Jesus – spiritual wellbeing and upliftment of the whole of Nebadon region.

Avonal Pair – Daynal pairs (Trinity Teacher Daughters and Sons) – Spiritual wellbeing and upliftment of individual planets and their associated Mansion Worlds.

The Local universal Sons and Daughters are all about the running of the worlds under their jurisdiction, and ensuring the higher spiritual elements can be employed, or sent astray, as in our cases through the Rebellion and Default.

Lanonandeks – Melchizedeks (and others, such as Life Carriers and Eve and Adam).

As the Lanonandeks all rebelled – the Lucifers, Satans, Caligastias and Daligastias soulmate pairs – so the Melchizedeks have taken over their roles, as well as doing their own.

So the Melchizedeks are the governors, overseers, the administrators and advisors and so on for Earth; they are the ‘controllers’, and they will instigate all that needs to be done to do with the ending of the Rebellion and Default. And they will enlist the willing help of ascending mortal pairs, so the mortal Celestials spirits (soulmates when available, and others waiting to unite with their partner), and at times mortal spirits in the Divine Love Healing Mansion Worlds. And the angels help all of us.

Currently the whole of Creation exists for the ascension of mortal souls from their earth planets to Paradise. It’s all one vast Grand Ascension Scheme. With all the higher and lower spiritual Daughters and Sons, together with all the many different angels and other universal spirit personalities, and even including nature and our very own pets, assisting women and men with their Ascension Journey. It being: and Ascension of Truth. Everything we do is done to help us grow in truth. (Only everything we do in our negative state is to deny ourselves our truth from our feelings, which is why we have to do our Healing.) All women and men are ascending (or growing) in truth through their experiences. And as we grow in truth by looking to our feelings to show us that truth, so we’re ascending, moving inwards and upwards through all the worlds and spheres of the Grand Universe to one day arrive on Paradise and meet our Heavenly Parents. God is providing us, Their children, with this spiritual journey called our Ascension of Truth. And by living true to our feelings, so we are progressing on our true Spiritual Path – our Ascension Path.

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God’s soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of your Mother and Father.

Humanity is to pursue the pathway for Truth through one’s soul based feelings, this is the right pathway. However, humanity commences its journey founded on natural love, which we now know is to be perfected through one’s Feeling Healing process and then made divine through asking for and receiving our Heavenly Parents’ Divine Love.

For 200,000 years, **humanity** has pursued the pathway of the Mind, being that of the brain, this is the wrong pathway. The Mind is the pathway for Angels and that of all of Nature.

CREATION of SOUL and SPIRIT:

God is *The Paradise Trinity* — the eternal Deity union of the Personalities: the Universal Mother and Father; the Eternal Son of Truth; and the Infinite Daughter Spirit of Mind.

The soul of each human personality (sons and daughters of truth) is existential, driving our personality expression in the experiential. The soul of each human finds truth by embracing one's feelings and longing for the truth of them. We are to attain the Eternal Son of Truth. We are a creation of Truth.

The soul of angels is experiential, evolving through their experience by continually progressing in mind development. Angels are to attain the Infinite Daughter (Spirit) of Mind. Angels are a creation of Mind. Our soul is duplex (we have a soulmate) and is created by our Heavenly Parents. Through our Feeling Healing we perfect ourselves enabling the union with our soulmate, as we progress in truth up through the Mansion Worlds, celestial heavens and all the way to Paradise.

The soul of angels is also duplex, yet of the mind, and they progress in mind evolution to Paradise. Animals, plants and nature spirits are also creations of Mind.

Neither we nor animals reincarnate. We never die; upon death, we move into the spirit Mansion Worlds on our journey to Paradise. When animals and plants die, be they the tiny microbe to the mighty elephants of the land and the whales of the ocean, their spirit energy returns to the Spirit Collective Energy. And from this energy are drawn other animals and the nature spirits, who then in turn move onto becoming angels through increasing mind experience.

A nature spirit is an angel in waiting.

How the Law of Compensation works.

January 19th, 2015

My dear friend, it's so good to see you again, up and eager to receive some more information. I would like to pick up where we left off the previous time.

As I said: duality is a simple concept which isn't really understood by many and that it will exist as long as one hasn't reached the spheres of the soul. Knowing this gives us an advantage. For example: when someone decides to do something unloving it will have two (= dual) consequences:

- 1) the energy sent out will not contain the energy of love because the individual decided to block his soul from contributing its energy
- 2) the soul itself will not be able to fill itself with the natural love it needs to feel "normal" because a (partial) blockage has been created.

So you see, when one decides to do something unloving towards someone else it also has an immediate impact on oneself (because a blockage works both ways). This way people will see the expression "to treat another as oneself" gets a deeper and more explanatory meaning.

Evidently you will also start to understand why we have repeated several times: to give and be loving even if you feel like you are wandering through the lowest of Hells. Because when you give love it will also have two (= dual) consequences:

- 1) it will (partially) unblock the flow of natural love towards your soul; and at the same time
- 2) allow the soul to contribute its love to the action, thought or creation.

But because many do not know or understand this duality they often do the total opposite. Since they feel bad they only worsen their situation by acting more unloving (instead of more loving) and they block their souls more and more until they are in total darkness.

Thus one of the things one needs to do to get out of hell or to feel better when one feels bad is to do loving things. "Saying sorry" is for example one of the loving things that will help unblock the flow of love. Because doing loving things will let natural love flow through our souls by eliminating the blockages we created through the decision of our free wills. But because it is so hard to do, most people will not engage in walking this path. They'd rather live with a soul lacking the love it needs than giving others the love they need because they feel / think the others don't deserve to receive that love.

However knowing what you now know, you can see the repercussions of this. By not giving others the love they need, you are not giving yourself the love you need: the reason being the principle of duality; you are blocking the flow of love from but also – at the same time – to your own soul.

This here my friend is the mechanism behind the Law of Compensation: when you do an unloving thing, you block your soul from contributing its love and in the meanwhile you block the love from entering your soul. And the size of the blockage will depend upon the severity of your actions and thoughts which in turn will also influence the time you will pay for the compensation.

For instance: taking a human being's life is such a severe action it will almost block / encapsulate your whole soul. Of course circumstances will influence the quantity (of blockage). As for instance; when it was done out of self-defence it will not block / encapsulate the soul as much as when it is done in cold blood, but it will not be much less either. So you can readily see how difficult it will be and how long the process will take before the blockage will fade away (by letting love flow through your soul) especially because you cannot bring back to life the one you've killed. That is the reason why we can still unblock our souls even if we cannot make right what we did wrong but it is also the reason why it will be much harder.

Although we will unblock our souls much faster by undoing the unloving thing itself, to the people we did it to, we still have a chance of unblocking our souls by doing loving things to people we did not do the unloving things to. This might not seem fair to the people who have suffered by the wrongdoing of others but it shows the fact Father loves us unconditionally and does not want us to suffer infinitely, although people would.

If you let love flow through your soul, it will have a positive effect upon the blockages you've created. And if you persevere, you will succeed in bringing your soul back into the harmony it needs. But then again there is also the Divine Love which is far more powerful than the natural love. If I would have to put a number on how much stronger, just so you can understand what I'm trying to say, I would say 10 or maybe even 100 times. Of course this is purely hypothetical because natural love is only a derivative of Divine Love so it is almost impossible to compare them this way. Anyhow you are already starting to see where this is leading to. If you ask for the Divine Love to enter your soul it will be 10 or 100 times more efficient, 10 or 100 times stronger than if you would let the natural love flow through your soul. So it will help to break down "the wall" you've created around your soul 10 or 100 times faster than the natural love would do.

And all of this will only depend on how you use your free will; the creator of 'separation from' but also the creator of 'unity with' God. Thus having two (= dual) functions in one concept. If you truly start to understand this concept of duality you will see how easy it will be to use its information to your own advantage: duality = 2 choices = to do (something) or not to do.

Thus to help you to become more at one with Father, it isn't that hard to find out yourself which way you should use this duality. Being soul or being love or being one means only acting out of love. So what do you think we need to do to become one (besides asking for the Divine Love)?

[To act within the scope of love.]

Exactly. And what shouldn't we be doing if we would like to become one?

[To act outside the scope of love.]

And although this seems so simple it is very hard to do for most people because they do not understand the true implications of this duality. But let me explain it further.

As a human being we mix up these choices and that is where the disharmony begins. Most of us only think that what we do is important; whether we do something loving or whether we do something unloving. But there is nothing more untrue. What we don't do is just as important! If we encounter a situation where we feel we should do something loving but we restrain from doing it, it will have the same impact on our souls as if we do something unloving. If you look at this statement closely you will see the logic and the truth of it.

Just as your mind blocks your soul from adding love to an unloving action, so does your mind block your soul from adding your love to a specific situation. And as I explained in the beginning: a blockage works both ways. So if you block yourself from adding love to a specific situation, you also block yourself to receive love at the same time. Thus you see how important it is to understand the concept of duality (created by free will) and how it can be used to our advantage once we see it's true nature: being love = being one = to act inside the scope of love = not to act outside the scope of love – and – not being love = not being one = act outside the scope of love = not act inside the scope of love. Evidently it is not only about what we do, it is also about what we don't do; and both have an equal impact on our soul conditions!

Let me ask you a couple of questions to clarify this further. There are some teenagers assaulting a defenceless man 50 metres in front of you. You see them but you turn back or go around them without interfering or calling the police out of fear of getting assaulted yourself. Do you think, although you haven't done anything yourself, it was a loving or an unloving inaction and do you think it will have an impact on your soul?

[Well, according to what you have been trying to explain, I would say it was an unloving lack of action with a free will decision not to add your own love to the situation. When you block your soul of adding love, you also block it from receiving love. So, yes, it would have had a 'negative' impact on the soul.]

Indeed. Although one does not do a thing here (no specific action) there will be a reaction: a (partial) blockage of the soul. So you see that “not doing something” is also an action that will generate a reaction and this is something a lot of people do not understand. Blocking your soul from contributing its love is the true action that lies underneath the physical inaction. And it is this action that creates the reaction.

Next question. Your friends are gossiping about an acquaintance of yours. They want you to participate and say negative things about her behind her back. Although you do not completely like this acquaintance, you refrain from contributing because you don't have the exact details and understand there are two sides to every story. What do you think this time?

[That it was a loving inaction with a free will decision not to add unloving energy to the situation. So no blockage was created and it had a 'positive' impact on the soul.]

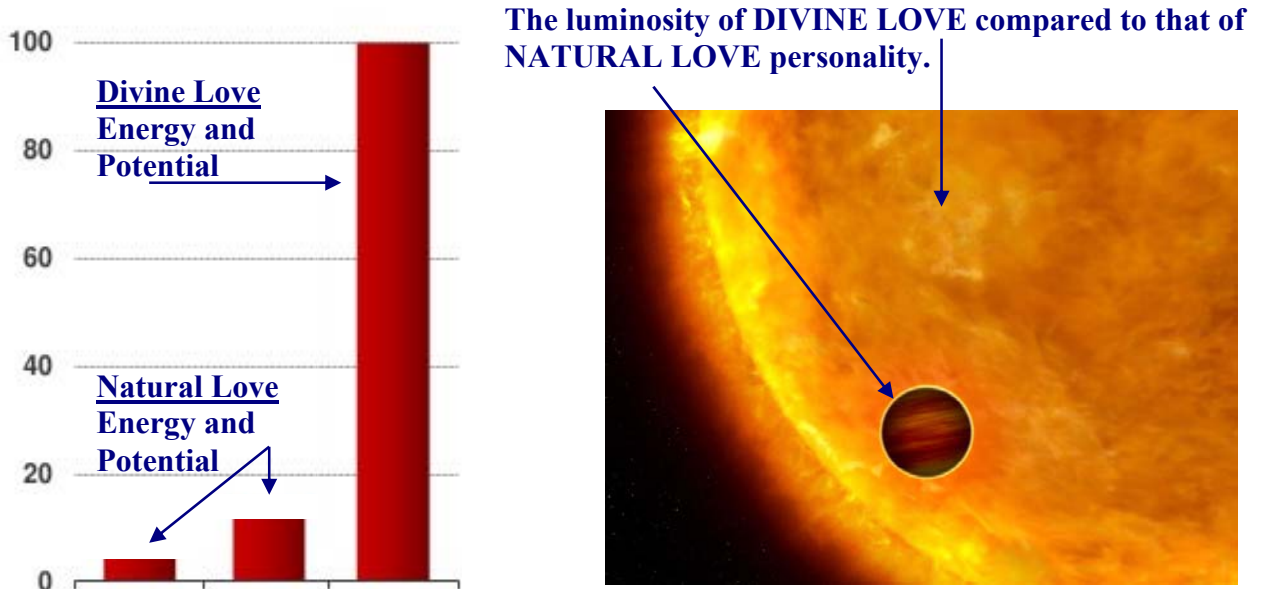

Exactly. But it will not only have a positive impact because no blockage was created. It will also have a positive impact because love was able to flow through you while in that situation. And although nothing physical was done, not blocking your soul or letting natural love flow is the underlying action which will

have a reaction namely; breaking down (a tiny bit of) “the wall” you’ve build around your soul. So you are actually doing loving things by not doing unloving things and are being compensated for it.

Although I would like to continue and have a lot more to say I can see you are starting to get tired so I’m going to stop here.

Thank you for giving us these opportunities and God bless.
Your brother and friend forever, John (Apostle).

With DIVINE LOVE one’s potential in growth is to infinity, progression is typically many multiple times faster than for those who remain NATURAL LOVE dominant and restricted in their growth potential to that of only becoming the perfect man whereas Divine Love with Feeling Healing enables at-onement with the Mother and Father and entrance to the Celestial Heavens and beyond.

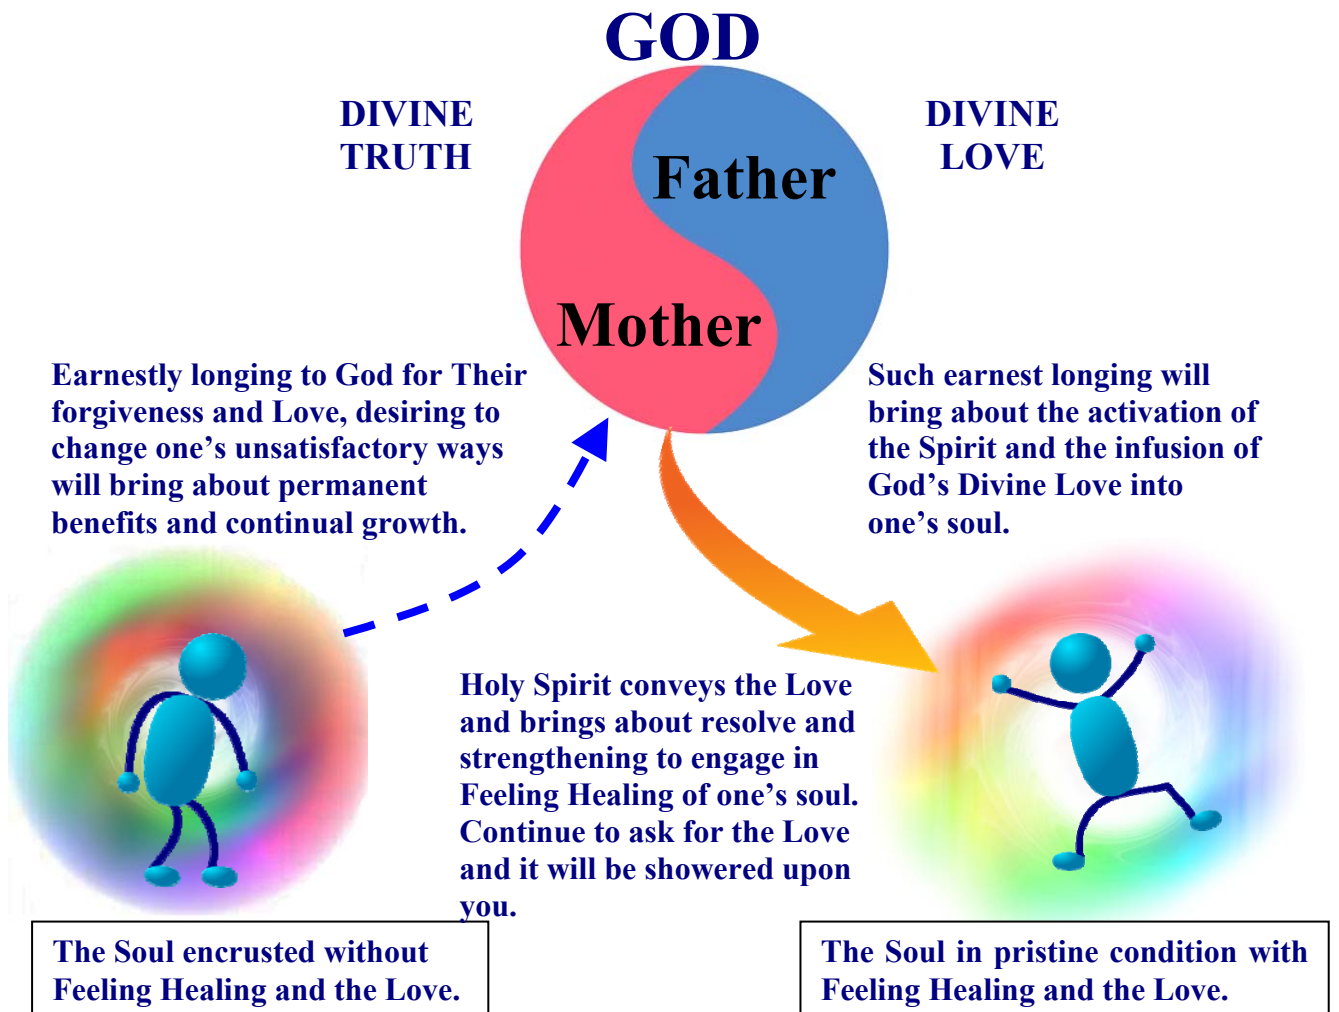

Embrace the availability of the Feeling Healing Process and Divine Love, all one need do is to earnestly long for and ask for our Parents’ Love. It is an energy that surpasses all that is.

It is with this energy melding within one’s soul that heaven on Earth is achieved.

Nothing else can bring about the joy and love we strive for.

The life force for the spirit body and the physical body is via the soul. The spirit body is connected to the soul via cords of light, and in turn, the physical body is connected to the spirit body via cords of light. Should the light cords between the spirit body and the physical body be disconnected then the physical / material body dies. The physical body is our starting point for learning and experiencing our being. Our learning and growth experience then continues through the existence of the spirit body.

The BEAUTIFUL MIRACLE:

5 Oct 2012

The DIVINE UNIVERSE

The way in which the Spirit conveys the Divine Love into the soul is a beautiful miracle. The attribute of mortal soul prior to incarnation has to it, a potential within it that is part of its formed nature. After the soul incarnates this potential remains part of the soul and even if the forming personality is unaware of such a soul potential, the potential still exists. The Divine Love is entirely suitable in its energy of harmony to be the energy that a mortal soul can utilise. The Spirit covers the spirit body when the individual sincerely asks the Soul of God for the Divine Love and this covering of the spirit body is where the dynamic of this beautiful miracle takes place. From the internal longing of the individual for the Divine Love this activates the Spirit Law that activates the Spirit that is then attracted to the spirit body upon which the Spirit material of the spirit body draws the Divine Love in to its soul and this union complete. The key here is to gain a perceptive insight into realising that the spirit body is not an inert body but that it is living and has activity, recognisable from its first forming from the Spirit Law that materialises a spirit body. The Spirit and the spirit body to give an analogy are like two attracting magnets and when the surface of the spirit body is touched by the Spirit, this causes the automatic response of the Divine Love to permeate into the attribute of soul and so begins the transformation of energy from the natural into the Immortal Divine Harmony. If the individual continues the receipt of Divine Love the energy that is Divine Love actively begins to change the soul and this is felt in the spirit body systems and can produce feelings of love and elation. The spirit-mind begins to change as all spirit body systems are affected by the changed condition now experienced in the soul as the soul becomes living and vital. In one's progression of this Divine transformation, the soul will mature enough from the amount of Divine energy it receives and at that moment the surface of the spirit body and the Spirit are continuously attracted to each other and one is living in the presence of our Mother and Father in perfect harmony and this clarifies the truth about what it means to be truly at-one with God.

SHINING TOWARD SPIRIT:
665. The Shining toward Truth

Vol III, p. 157, 14 Nov 2014 – 14 Mar 2015 Zara and Nicholas
www.lulu.com

It is I Matthew, a teacher of the Divine Love. I have communicated with you recently, now I desire to provide you with a visual description of the Love.

Imagine a continuous Energy shining light blue that is unbroken with a seamless surface that surround every mortal and Immortal spirit. Imagine if you were to become aware that this energetic field of light-blue Energy existed in its shining radiance just near where you are. Now that you are aware that this unbroken Divine Love is unified energetic field of living Love, by opening toward the Soul of God and aspiring for the Divine Love, the Acting Spirit gently brings a small portion of this shining blue Energy into your soul

The Divine Love that you have received remains part of this great Energy that the Divine Love is and even though this small portion of Divine Love, now within your soul, in its shining radiance and energetic cause, it is never separated from the continuous energetic field of Energy that the Divine Love is. Having partaken of this Energy it is with perception that one is aware that the Divine Love within one's soul is the same Divine Love that every person and spirit who has partaken of this Love, participates with. Even though in our individuality we partake of this Divine Energy, this Love is never broken away from the Source and Origin from which this Divine Love emanates.

The Divine Love is bestowed into our finite soul by the Acting Spirit, but this Spirit remains in contact with our spirit body and does not enter the finite soul to become part of our finite soul essence that we are. No mortal or Immortal spirit can manifest in their soul the Acting Spirit so that this Spirit – this Holy Spirit – becomes part of our existing finite spirit body. Only the Divine Love and its Energy becomes part of our finite soul, which causes the change to our spirit body. The Acting Spirit always remains its own attribute and never does a Celestial spirit claim ownership or take possession of the Acting Spirit within their soul. (The Holy Spirit / Acting Spirit is an instrument of the Source Soul, our Father.)

This is one of the wonderful Truths by which we who have been transformed by the Divine Love understand our personal relationship with our Mother and Father's ever-present Acting Spirit. The shining Energy of Divine Love is all around us and when we have partaken of this Love, part of our finite nature becomes independently shining in this true perfect Love.

I provide these words that may appeal to those who are visual and to express the universal appearance of the Divine Love and the personal touch when in contact with the Acting Spirit.

Matthew

Whilst we are receiving the Father's Divine Love, and that this Love is causing change within our soul and spirit attributes, the greatest Truth known to man and spirit is that this is the way the Father is actually loving us! When we progress, it is the Father's way of loving us into love and then we live what we are, love.

Message 278 Destiny

Note: Following the writings of James Moncrief, one could consider that any reference to the Father, by other relevant writers, may be read as a reference to 'our Mother and Father'. Further, when considering soul healing, then reference to Divine Love could be referred to as 'Feeling Healing with Divine Love'.

CONNECTION with GOD:

**Holy Spirit / the Spirit
infusing Divine Love.**

**Progressive escalation of
Divine Love flowing.**

EXPERIENCING RECEIVING DIVINE LOVE:

Be still and quiet; reflect in silence. Love is present. Keep asking, longing, and never cease: this is your part. It is your cooperation actively engaged that brings the transformation and continues the process.

You cannot see it; sometimes you will experience it as simple quietness and calmness. This is as pure and real as any other experience, whether demonstrative joy through laughter and dance, or other expressions.

Divine Love is present; it is always present. It does not fade or disappear. Rest, relax and breathe. Pray and wait.

Maintain daily prayer and meditation. When you do this you are building a home for the dwelling of the Divine Love. Your continual invitations establish an attitude of welcome to the Divine Love. These build a bridge for the Divine Love to carry you to new and higher levels of change and transformation: places of new realms for your soul growth and development.

The Voice of Divine Love

~~~~~

As the receiving of the Love is always assured when longed for and asked for, the experience of receiving may become apparent by the occurrence of a warming embrace in the region of the third eye chakra, or with some, around the heart chakra region. This may be very subtle and gentle for some and may be for a few moments or extend for some time. Many do not physically feel the Love embracing them and this is totally fine, nevertheless the Love is being received.

On a few occasions, one may feel the love through the third eye region and then feel it expand as if it were to become a warming buzzing 'hat band' progressively expanding around one's head. This can intensify and feel as though one's cranium is about to pop off! Should this continue to intensify, then the sensation may flow down one's main meridian to the base of one's spine. Now that is something else! Relax and enjoy the great gift for this can be an experience that may continue for a short while or for quite some time.

Always, when one longs for the Love, it will shower over one's body and be absorbed in through the spirit body chakras into one's soul. Occasionally the Love will overflow from one's soul and some will reside within one's spirit body. At no time will you be discomforted. This light golden blue energy substance is the ultimate high octane super fuel gifted to us by our Heavenly Parents to us all.

## **DIVINE LOVE HARMONY:**

**Immortal harmony:**

**Transformation of the soul is a beautiful harmonious gradual awakening.**

**In a gradual way with the Divine Love and Feeling Healing, as changes in the soul and spirit body occur, these changes will result in the personality slowly accepting the source of these changes as being the Soul God and with the independent will, one can have complete acceptance of our Heavenly Parents, Mother and Father, God.**

**People have loved God and felt loved by God and they have in deed received the Divine Love without ever knowing the truthful identity of this Love insofar as the truths relating with its causality in the human soul and affect upon the spirit-mind.**

**Part of the nature of the Divine Love in our souls is that it activates our spirit body systems and soul so that the nature of God is seen and experienced in the living and this places us in touch with the many Spirit attributes that extend from God and have their existence in God, such as our Indwelling Spirit. God no longer remains inactive to us; inert, inanimate, or an unknown but rather a Soul of living energy whose energy in the harmonies of Love and Spirit, is personified as love that we experience. If I can convey the essence about the nature of Divine Love it is that in its energy, exists the harmony and potential so that one can see the potential that this Love brings to bridge the gap of separation between the individual and God by the harmonies of soulfully living.**

**The Divine Love completes the form of the human being.**

**In essence, one need only direct their soul and the heart of their soul to our Heavenly Parents, the Soul being God, and in this faith one can experience the Love by humbly asking for this Love. This is all that is needed and the touchstone upon the Love's approachable nature.**

**The Love is never harmful or given by God that results in a caused effect of disharmony in the individual. The diversity of human individuality is a great characteristic of human nature and as with experience, one needs experience to ascertain a truth about a certain thing. Experiencing the Love provides a substantiated knowing from which a more objective reasoning follows and a maturity happens.**

## **Revelation 11: Jesus elaborates further on His Crucifixion, resurrection and what followed.**

(This message is referred to as Revelation 21 on page 56 in New Testament Revelations of Jesus of Nazareth)

Received by Dr Samuels, Washington D.C.

September 14th and October 10th 1955

I am here, Jesus:

Yes, it is and I am glad that you have given me this opportunity to write, as I have been present for a short while and reading with you as you were reading Dr. Barbet's book on the crucifixion, and I would like to say at this time that the shroud at Turin is a reality,<sup>1</sup> the shroud which covered my mortal remains after the descent from the cross and the preparations made for my burial by Joseph as described in the Gospels. [The care for my body as described by John in chapter 19, verses 38-42 is correct.](#) The nails that pierced my flesh were hammered into the wrists and not the palms as has been widely understood; that physical death came to me through asphyxiation, due to the unnatural position of my body dragging on my outstretched arms on the cross, and that the opening of my heart by the Roman lancer and the accompanying flow of blood from the right auricle and the liquid from the pericardium actually took place as [described by John the Apostle in chapter 19, verse 34.](#)

I say again that, while my sincere and devoted Dr. Barbet has accomplished a task of primary importance in the reconstruction of the crucifixion such a reconstruction deals merely with the experiences undergone by my body, and does not deal with the living soul, so that how much more important is it to devote oneself to the reconstruction of man through the experience of the New Birth and to study those things which will, by deed, lead him to eternal life. The great compelling fact of the crucifixion is that, while my body was dematerialized by me and died as to its existence, yet my soul has lived on through the intervening centuries and will continue to live throughout all eternity, and this eternal life became a reality through my constant and fervent prayer to the Heavenly Father for the inflowing of His Divine Love into my soul and At-onement with Him.

For while my body has these many centuries been returned to the elements from which they proceeded, and is no longer in existence as such, or can be brought back into existence through any such mysterious ceremony as the blood and wine now practiced among religious cults, nevertheless what is really alive is my immortal soul, with my teachings which show the way to achieve immortality of soul longing to the Father. For it is the Divine Love that gives eternal life, and not that bread which is material, which as experienced by my body, suffers decay and is subject to the laws of the physical and hence transitory world.

Received October 10th, 1955

The information regarding [my true resurrection](#) has already been given to mankind in the messages which, with my approval, were given through Mr. James E. Padgett and printed in True Gospel Revealed Anew; and these explain my work in Joseph's cave, ascended to the spirit world to proclaim the availability of the Father's Love through prayer and the possibility of At-onement with Him thereby, and then returning to the cave, materialized a body closely resembling my own with elements drawn from the elements of the universe; the linen shroud which had covered my body I folded neatly and

placed in a corner and I walked out of the cave, the stone blocking the entrance to it having been rolled away by the bright spirit sent by the Father for that purpose; and it was in this way that [I saw Mary the Magdalene and the others, as mentioned in the gospels](#). The angel mentioned in the gospel was a bright spirit sent for the purpose of removing the stone; the strength he displayed in this task was obtained through the transmission of energy conveyed to him by many spirits who were present at the time. His materialized spirit body, endowed with this additional power, was able to cope with the task of rolling away the stone. He used the guard whom he put into a trance by suggestion, as the means by which he obtained the necessary ectoplasm to bring about the materialization. No, he was not able to materialize by culling from the elements a material form, such as I was able to do in my resurrection, and no one other than myself, not even the exalted spirits of the Transfiguration, has done this.<sup>2</sup>

It was necessary for me to do this to show that I was still alive even after death through crucifixion for at this time in their spiritual development this phenomenon was the proof in the eyes of my disciples that I was the Messiah; but the real understanding of my Messiahship came to them only at Pentecost, when the Divine Love was conveyed into their souls with such power and in such abundance that they knew I had come to bring the very essence of the Father to mankind if they would seek it through earnest prayer.

This became known later as receiving the Holy Spirit, erroneously, of course, because it is the Holy Spirit which conveys the Father's Love into the soul of he who seeks it; but even this became relegated to a secondary position before the great fact of the "Risen Christ" which was preached to the pagans to substitute for their own gods.

Spiritualism if properly understood and taught, must lead to prayer for the Divine Love and At-onement with the Father; and what more appropriate introduction to the Father's truths is there than that which reveals my resurrection – the risen Christ – as the working of a fundamental truth of Spiritualism.

Jesus of the Bible and Master of the Celestial Heavens

1 When I first read this comment, I was not overly impressed, as I thought science had already proven the shroud to be most likely a fake. Only many years later when I came by a book written by Brad and Sherry Steiger and [reviewed here](#), did I realise there is a great deal about this scientific review that most of us have no idea about. It's really well worth looking into this subject. A far more comprehensive book written by Frank Tribbe is [reviewed here](#).

2 Read the message [about what happened to Jesus' body](#). This explanation is currently supported by the very latest scientific research as set out in "[Portrait of Jesus? The Illustrated Story of the Shroud of Turin](#)" by Frank C Tribbe. While the popular press had a field day with the initial C14 testing done in 1988, the same press has not kept up with scientific developments. This book has overwhelming evidence, hard evidence, that the shroud is genuine, and can be dated to the period AD 29 to 32. We believe Jesus died Friday, March 18<sup>th</sup>, or March 13<sup>th</sup>, 29 A.D. based on a [communication from Judas](#).

**SPIRIT MANSION WORLDS are numbered 1 to 7:**

To PARADISE, the HOME of OUR HEAVENLY PARENTS

Spirit Mansion Worlds are those 1 – 7. They with the Celestial Heaven spheres numbered 8, 9, 10 as well as the 2 Spheres of Disharmony are all within the Earth’s environment, and rather close by. Each sphere can accommodate more than 100 times the people than Earth may do.

Progression from the top Celestial Heaven sphere is to the Eternal Spheres, Infinite and Universal and further onwards to Paradise.

Celestial Heaven spheres 8, 9, 10 are often referred to as 1, 2, and 3 of Celestial Heaven.

Natural Love sphere progression stops at sphere 6. With only the natural love, progression is through spheres 1, 2, 4, and 6 only.

One can embrace Divine Love at any time and move to DL sphere 3 and continue.

The Divine Love spheres 3, 5, 7, 8, 9, and 10 were opened by Jesus.

Divine Love perfects one’s natural love soul through the progression via spirit world spheres 3, 5, and 7. Soul-Healing and At-onement is achieved through the progression into sphere 8 which is the first of the Celestial Heaven spheres namely 8, 9, and 10.

On death of the physical body we all arrive in the 1<sup>st</sup> Natural Love sphere.

The 2 Planes of Disharmony are the hells. While one desires to cause harm to others, isolation is applied. Once the Law of Compensation is completed then one can then progress and return to the 1<sup>st</sup> Natural Love sphere and continue in their progression onto higher spheres.

Earth is for the individualisation of souls being the commencements of one’s journey home toward the Source Soul.

The Pre-Incarnational Sphere is the waiting area for souls to be individualised / incarnated.

There are seven Earth planes around Earth, which are separate from the Mansion Worlds, but we only have access to two of them, which include the ‘hells’. Each of the Mansion Worlds also have their own seven planes ‘around’ them.

**Note: The 1<sup>st</sup> Divine Love Sphere and the 1<sup>st</sup> Sphere of Disharmony may simply be planes within the 1<sup>st</sup> Natural Love Spirit World.**

## **Paul of Tarsus: The resurrection that Jesus taught without which our faith as Christians is in vain.**

<http://new-birth.net/padgetts-messages/true-gospel-revealed-anew-by-jesus-volume-1/paul-of-tarsus-the-resurrection-that-jesus-taught-vol-1-pg94/>

Washington D.C. Received by James Padgett.

February 8th, 1916

I am here, St. Paul, of the New Testament. I desire to [continue my message](#) tonight.

As I said in closing my last writing, there is a resurrection that is vital to the salvation of men, which Jesus taught, and which after the death of his followers and believers of the early centuries, the knowledge of was lost to the world and to those who assumed to teach the doctrines of the resurrection that he came to declare and teach.

You and all mankind must know that the resurrection which is the foundation stone of Christianity is a resurrection from the dead and not from the mere existence of a man as a spirit in the physical body on Earth, and not as a resurrection of the soul from its environments and limitations that the Earth life placed upon it.

Then what is the resurrection that Jesus referred to when he said: "*I am the resurrection and the life!*"?

Now in order to understand this resurrection it is necessary to understand what is meant by the death of man, that is the real man – the ego, – that part of him in which the breath of life exists, no matter whether he is of the physical or the spiritual.

As has been explained to you elsewhere, when man was created his creation was of the physical body, the spiritual body and the soul, and in addition – and the addition was the most important part of his creation – the potentiality of becoming so at one with the Father in His nature and certain of His attributes, that he, man, would become so possessed of some of the Divine Essence of the Father and a portion of His divinity that would cause him to be immortal, so that death could never deprive him of his existence; and not only that, but he would realize the consciousness of his immortality.

This potentiality then was a part of his creation, and, as we have explained elsewhere, the only part of his creation that died as the result of his disobedience; for it is very apparent from the mere knowledge that man has, or may have, from the ordinary investigation of the qualities of his being, and from the truths of psychical research of modern days, as well as from the understanding of the many instances related in the Bible of the appearance of departed spirits on Earth and the manifestations of their existence, and also from the many occurrences of the appearances of spirits related in what is called secular history, that the soul and spirit body of man never died, and that his physical body lived for many years after the day on which the sentence, because of his disobedience, announced that he should die. And as I have said, this mortal body not man – the man – but merely the vesture of covering for the real man.

This potentiality then being the only part of the created man that died, and as Jesus' mission was to teach the resurrection of man from the dead, it necessarily follows that the only thing that was intended to be resurrected was this potentiality of becoming a part of God's Divinity. This is the only real and true resurrection, and upon this resurrection must rest the faith and truth of Christianity – and by Christianity I mean religion which is based upon the true teachings of Jesus, the Christ.

There are contained in the Bible some things which if properly understood, would show to man that no resurrection of the body was intended as the thing which Jesus came to Earth to declare and teach.

When he said, "*I am the resurrection and the life,*" he did not say or mean, wait until I die and then I will become the resurrection; or when you see me ascend to Heaven, then will I become the resurrection and you will know it; but his declarations not only in the instance mentioned, but at all times were that he was the resurrection while living. And these declarations did not refer to the man Jesus, or to any disposition that he might make of his body, either physical or spiritual, or to any apparent ascension of his physical body, which never took place, or to any ascension of his spiritual body which did occur. In these particulars he was essentially no more or different from other men that had died or should die.

But the meaning of his saying and his mission were, that as by man's disobedience there had occurred the death of the possibility of his becoming at one with the Father and partaking of his divine nature, and as that possibility had never been restored to man in all the intervening years, and man had remained in this condition of death during all the long centuries, if man would only believe in him as the true Christ and in his teachings as to the re-bestowal of this great privilege of again becoming at one with the Father and of obtaining immortality, and would follow his advice as to the way in which man could realize the benefits of this great privilege, then he would become conscious that Jesus was the resurrection from the dead. Not Jesus the man or teacher or the chosen and anointed one of the Father, but Jesus the impersonation of the truths which he proclaimed as to the re-bestowal of the great gift. Only in this way was Jesus the resurrection and the life.

He, himself, had received the great gift and realized his at-onement and the consciousness of his immortality and the possession of the divine nature, and knew that he had been lifted from death into life, and, therefore, if men would believe his teachings as to the resurrection, these teachings and not the man Jesus or even the fact that he had been resurrected, would draw all men unto him, that is, into the condition of life and consciousness that he possessed.

Then the resurrection that Jesus promised to man was the resurrection of this great potentiality which he had lost at the time of the first disobedience and which had never been restored until the coming of Jesus.

Now let it not be misunderstood as to what was meant by this resurrection. As I have said, after men were deprived of this potentiality they were in a condition of death and it was not possible for them to get out of this condition. They were possessed of only what is called their natural love without any possibility of obtaining the Divine Love which was necessary in order to give them any portion of the divine nature and a consciousness of immortality. When the great potentiality, which was as to them as if it had never existed, was re-bestowed, then men were again placed in the position of the first man before his fall, and were no longer actually dead, but were possessed of this potentiality to become that which had been forfeited by the first parents.

But as we have told you, the gift of this potentiality was not of itself the bestowal upon man of those qualities which such potentiality merely made it possible for them to acquire by aspiration and effort. Before this re-bestowal men could not by any aspirations or efforts on their part obtain the conditions and qualities which this potentiality made possible, no matter how great the effort might be; as to them men were simply and absolutely dead. After the re-bestowal, the impossibility which this death had imposed was removed, and then men received, not the full fruition of what was possible to obtain

because of such re-bestowal, but the privilege of arising from death to life – of the resurrection from death to the glories of immortal life.

And while this privilege had become a part of man's possession, yet, if he had remained without consciousness of that fact, he would, in effect, have remained in his condition of death and have never received the benefit of the re-bestowal of the great gift. So to reveal to man the vital truth Jesus taught and demonstrated in his own life, the possession of those qualities that became his because of the existence of the gift.

And he also taught while men had the privilege spoken of, yet, unless they sought for and prayed the Father in sincerity for the gift of his Divine Love, the potentiality which had been bestowed upon them would not bring to them the resurrection from the dead, and they would continue in their lives as mortals and as inhabitants of the spirit world, as if they were still under the doom of death.

I may here state that this potentiality, which was lost by the disobedience of the first parents and was re-bestowed by the Father and revealed by Jesus to mankind, was the privilege of receiving and possessing the Divine Love of the Father, which, when possessed would give to man certain qualities of divinity and immortality.

So the resurrection from the dead that the master taught and which is the one foundation of the Christian faith, arise from the fact that God re-bestowed upon mankind the privilege of seeking for and receiving His Divine Love which would make the mortal one with Him and Immortal; and upon the further fact that man must, in order to obtain the resurrection, seek and find this Divine Love and thereby become a child of the true resurrection – a resurrection that was never known to prophet or seer or reformer or teachers of faiths, no matter how excellent their moral teachings and private lives may have been, before the coming of Jesus.

Truly He was the Resurrection and the Life, and I, Paul, who am the recipient of this resurrection and know whereof I speak and have knowledge of the fact that those inhabitants of the spirit world who have never received this resurrection are still in a condition of death, so far as obtaining the Divine Love of the Father and the consciousness of immortality are concerned, and so I declare unto you what I have attempted to describe as the resurrection from the dead, is the True Resurrection.

I will stop, as I have written a long time. So my dear brother I will say good night.

Your brother in Christ,

Paul

**WILL or FREE WILL:**

We are created with Free Will.

We are also created with natural love, there is nothing of the divine within our soul.

Our mind has free will, even though our soul only has will, that is, our soul at all times longs to follow the will of its Creator, and our Creator's Will is one of Love at all times. There is no action or thought of our Mother and Father that is ever unloving, judgmental, or harmful to any of Its creatures.

Man can know and knows God only because he possesses a soul, and he can never know God if he seeks him intellectually and with his mind alone.

Doubt and speculation is a product of the mind, but faith is a product of the soul and we know that God exists through our soul perceptions, so that we can create the spiritual link with our Heavenly Parents, Mother and Father, through prayer. Not a mental prayer, but a prayer that comes from man's soul – earnest, sincere, full of longing, faith and love.

As this Love, the Divine Love, is absorbed into our soul, our mind is quietened. Slowly but surely, the Divine Love, with Feeling Healing, enables the soul to take over the function of the mind and when we no longer desire or able to harm another or ourselves, then we have become at one with our Parents, we have been reborn.

## Revelation 14: Prophecies of Daniel.

(This message is referred to as Revelation 6 on page 13 in New Testament Revelations of Jesus of Nazareth)

Washington D.C. Received by Dr Samuels

December 12th, 1955

I am here, Jesus:

I am here tonight to write you concerning the prophecy of Daniel regarding my coming, and the time when this coming was to take place, for it shows that the Hebrews were not unaware of this time, but the unfortunate fact is that Daniel's predictions had no significance for them because of their lack of spirituality and their refusal to pay heed to the voice of their prophets. These things were not destined to be so, but merely the result of the materialistic conditions which prevailed among the leaders of the nation and Daniel foresaw that these conditions were to prevail for the period for which he prophesied.

Daniel predicted my coming in [chapter 9, verses 25-27](#), covering a period of 70 weeks of years, the first of which was the restoration and rebuilding of Jerusalem, to take place in seven weeks of years, or 49 years. Sixty-two weeks of years thereafter the Messiah would be cut off, followed by a final week of years, the end time. The appearance of the Messiah would be ushered in by a period known as the "time, times and division of times."

There has been much confusion as to what is meant by these periods, but the truth is that permission was given to the Jews at the time of the Babylonian captivity, to rebuild Jerusalem in 454 B.C., and the restoration of the city during the period indicated, seven weeks of years, was accomplished by 405 B.C., four hundred and thirty-four years later, the 62 weeks of years thereafter, I was cut off by crucifixion in A.D. 29, at the age of thirty-six. (Born 7 January 7BC)

The period covered by the expression "time, times and one half time" has been regarded erroneously as a great period of time which has not yet elapsed, but which according to various calculations, should have ended in the year one thousand, about the time of the discovery of America, and according to the Watch Tower cult, in the Fall of 1914. The fact that this date coincides with a terrible period of wars as well as the invention of immense weapons of destruction lends colour to this last supposition. Many people believe that this period is coming soon and that it will be followed by the last week of years, the end of the world and the Messiah coming in clouds of glory in the last days.

This expectation, however, is vain, for when Daniel spoke of the end of the world, he meant the end of the Hebrew world, which indeed, took place in A.D. 70 with the fall of Jerusalem and the destruction of the Temple. This end time, to Daniel, was coincident with the coming of the Messiah and his untimely death, and they were linked in his mind as taking place together almost simultaneously. The puzzling "time, times and division of times," which Daniel referred to as covering 1260 days, referred to that approximate three and one-half period preceding my death and simply meant my public ministry which Daniel's predicted time closely approximates. January, 26 A.D., to March 18th, 29 A.D., the small difference is due to the fact that my ministry did not last a full three and one-half years, but slightly less than 3 years and three months, according to your calendar.

Daniel's original period of 1260 days for this expression of time was later supplemented by 30 days to make it 1290 and finally by 45 days more for a total of 1335 days. As events actually took place, my

ministry was 1172 days, plus 40 days up to the time of my ascension, plus 50 more days up to the Pentecost, a total of 1262 days, thus you see how close Daniel was in his prophecy; especially of his original figure of 1260 days.

The end of the Jewish dispensation, or the end of the Hebrew world, came with the Pentecost, for it was at that time that the Divine Love of the Father, which was first bestowed upon me, was granted to my followers in abundance, and the Mosaic Laws superseded by the New Covenant and the New Birth. As Daniel predicted, it was then that the Hebrew rituals of sacrifice and oblations were set aside as having no binding force, and the Son of Man was seen by many riding on the clouds of glory, Daniel's way of describing my appearance to my disciples following my death and at my ascension on the Mt. of Olives.

The prediction concerning the time of the abomination 1290 days before the end of my public ministry, referred not to that of Antiochus Epiphanes, who profaned the Temple in 175 B.C., nor that of Herod in 14 B.C., but that of Pontius Pilate, who, when he began to rule in Judea in A.D. 26, committed as one of his first acts, a deed of desecration of the Temple, ordering Roman soldiers to enter therein with their idolatrous standards and banners. Daniel's estimate of 1290 days, as I have already explained, was a little longer than the events themselves, which were 1212 days (1172 to the crucifixion and 40 more to the ascension), so that the profanation prediction occurred beginning January 1, A.D. 26, and lasted more than a week. (See below)

The final week of years, between A.D. 30 and 36, follows the cutting off of the Messiah, and ends with the persecution of the disciples in Jerusalem. Daniel, as I have said, thought that the destruction of the city would follow almost immediately after the Messiah's death, and perhaps it should have been so, but for the period of some decades which the Father in His Goodness and Mercy and Love bestowed upon His people as a time of grace to turn to the Father and His Love; and the Father is still seeking the opportunity to bestow His Divine Love upon those of His children to whom he first revealed through me, His Messiah, the great gift of His Immortality.

I think I have written enough tonight to show the importance and explain the meaning of the prophecy of Daniel, for besides indicating what were the expectations of the Jews with respect to my coming, it points to dates in my life and ministry which otherwise are not available, and it shows that, if interpreted correctly, more was known concerning me and the time of my coming than has been generally understood. I shall stop now, with my love to you and Dr. Stone and, urging you all who are working for the cause of the Kingdom, to pray in all earnestness of soul for the inflowing of the Father's Love and in faith that this Love of the Father will satisfy your needs, in this world as in the next, I shall say good night and sign myself,

Jesus of the Bible and Master of the Celestial Heavens

GEMS for ALL PEOPLE of all AGES to EMBRACE:

The GOLDEN AGE!

***Cause No Harm*** < to OTHERS  
to MYSELF

**Strive to love others as I am to love myself**

At any time, any where, and in any way you so please:

Approach our Heavenly Parents, in reverence, without fear or trepidation, just as we, as a child, approach our earthly parents knowing that open loving arms are extended to receive us at all times. As one's love grows for our Mother and Father in the Heavens, we come to know with absolute clarity and certainty that our Heavenly Parents, loves you and me and everyone in return, at all times, and that fear is an illusion created by man's mind.

God, who is our Heavenly Mother and Father, is almighty, all powerful, infinite, and all loving. The love of the Heavenly Parents for Their children, man, has been and is always infinite and ever present. As one's faith evolves, one's love for our Heavenly Parents will have no limit. As we grow in Their love, so will we grow in love for all of God's creations and our fellow man.

The Source Soul, our Heavenly Parents, simply desires for us to ask for Their Love.

God's Divine Love: Pray for it, ask for it, and receive it.

"I love you Father." "Let the Divine Love flow its energy into my soul."

"Mother, Father, I desire your Love and I am loving you."

"Soul God, I love you and I love receiving and experiencing your Divine Love."

"True Soul God, I am here, I am aware of your Love. Please hear my aspiration for your Love and as I approach you from my soul, I can feel your Love in the way that you are loving my soul."

"Please Father and Mother, may I receive Your LOVE."

Maybe we could simply long for and ask:

*Please, Mother and Father, I want some more of your Love!*

When we have removed all man made emotions from our mind, our mind only will engage God endowed emotions. We lose the free will and now the will of the soul dominates the mind. Our will is now at one with our Mother and Father. We now can enter the Celestial Heavens.

Soul based emotions are all love based forming our natural love soul, created by the Source Soul. The will of the soul is always love based as desired by our Mother and Father. We are embracing the will of our Parents when we respond to these soul based emotions.

Our soul is subordinate to our mind. Our mind has free will and responds to all emotions, God given and man made. We allow our dominate emotions to determine our actions. This is exercising our free will. Only Divine Love with Feeling Healing removes errors.

Erroneous emotions are all about causing harm to others and/or to one's self. These lead us to a period in the hells to prevent us from harming others and experience compensation. Seek the Love and grow!

December 1998

“Dear Heavenly Father, I pray for your Love to fill my soul, mind and body that I may meet my Celestial guide above this Earth plane to make rapport with their wonderful love. I pray with faith that You will protect me from any harmful influence and that the truth will prevail. I want to be an instrument of love and peace and I love You, my dear Loving Father, and Your Celestial angels.”

I am here with you now my dear sister in Christ and I am Mary, your guardian angel and I was the mother of Jesus of the Bible, who is now the Master of Celestial Heavens. I am a partaker of the Divine Love of God and have received this Love to the degree that it qualifies me to channel the truth such as will aid the spiritual condition of God’s children.

I am most pleased to be given this opportunity and I encourage you to continue to pray for the Divine Love and for this work to continue.

I would like to answer D\_\_\_ question regarding the ascension. As you are aware Jesus’ ministry extended beyond the Earth plane and into the spirit world and after his departure from the flesh, he took his ministry to the spirit world, beginning with the hells. As you can understand the importance of Love in your life, it is only that much more imperative that souls suffering from a lack of love be made aware of their opportunity to be free from the darkness of their sins and torment. Jesus was given certain powers by God to be a way-shower to the Divine Kingdom of Love and at such time that he went to the hells you can be assured that not one soul who inhabited those dark planes was not aware of his presence and what message he had to bring. That message still alive and vital to be heard by all God’s children was a message of hope and such hope that does not fade with time, but is impervious to time, for this brings me to the subject I would like to discuss—Time.

Although the prophets were given information from the angels of God to the degree that it would help point the way to the message of hope that was to be brought by the promised Messiah, you will understand that time is a thing man uses to frame his history and recollections, a clock by which he measures past, present and future. But as you have studied some of the eastern philosophies, there is a premise that the only time that matters is now and this is what hope is all about. There is no thing in the experience of humankind, past, present or future, that will prevent a soul from receiving the Gift of Love that God offers. It is ever present and available and He does not judge His own by deeds or thoughts. So, if we were to embrace the lovely thought that irregardless of time, God has prevailed throughout these many ages of human development with this one Message of Love, what is despair? Look into the eyes of a young child and you will see their question. Do you love me? Do you recognize me as a soul filled with longing for what, I am only waiting for the answer? Do you have an answer? Look into the eyes of any person and you may discover this question, perhaps manifested in the desire for wealth, power, or in the desire to parent a child or accomplish a great deed. But the desire and need to know is there, always present.

I see you ask why it is so easy for the souls in the highest natural heavens who have perfected their natural love to ignore this longing. But you understand that if they believe with their minds that the answer has been found, their contentment is a muffler, as it were, to this reaching of their soul. The

natural love is a beautiful and powerful thing as you witness in your own life, but it is also a distraction if the mind is in ascendancy over the soul.

So, to return to the question of why Daniel was given information, there was purpose in such information being given, but only insofar as it would help the mind of man gain some clue or insight in what God's message to him is, and, yes, He can know what His child will do, again, in His Timelessness, He knows the workings of the laws and the nature of His own.

Amada, please understand that the natural love of man is a mere shadow to the All Powerful Love of God for His children and He has a Will that you may understand more as you receive the Grace of Divine Love, the Substance of His Soul. It is patient, it is kind and gentle, and He has forever to wait for the inexplicable but perfect workings of His Laws that will bring all His children to Him eventually. You know what I speak of, just seeing how people you know progress on a spiritual path—it is a transformation that cannot be doubted or denied, and must be the possession of the one who is aware of its potential.

Now as for the question about the ascension. Jesus did ascend into the natural heavens following his ministry in the hells and he was just as welcome, especially by those who were aware of the Gift of Mercy and Love that God showered upon His children when the potential to receive the Gift of His Divine Love was rebestowed. I do not want to digress into what day, because as I have explained, this is merely a thing man uses to refer to as an aid to his mind grasping the truth and I want to concentrate on the spiritual significance of this event. With his advent to the natural heavens, he came to the gates of the Celestial Kingdom with the joy and thankfulness of thousands of souls, and praising their God, so Loving and Kind, they entered these Heavens Celestial where the soul longing for the Divine Gift was granted, this life of immortality and atonement with their Father. As you can understand, many prayed for this Love while Jesus was still on Earth and because they had purified their natural love through their obedience of God's Laws and their devotion to living a life free from sin, they had achieved a condition of purity that then allowed them to advance into the waiting Arms of God.

Such a rejoicing was never known and there is still the joy and singing when a soul passes into these wonderful spheres of happiness and eternal light.

I love you and will ask that you sit again soon. I am your sister,

Mary, the mother of Jesus

**Please Mother and Father, may I receive Your LOVE.**

**God's Divine Love: Pray for it, ask for it, and receive it.**

**Whilst we are receiving our Heavenly Parents' Divine Love, and that this Love is causing change within our soul and spirit attributes, the greatest Truth known to man and spirit is that this is the way our Mother and Father are actually loving us! When we progress, it is God's way of loving us into love and then we live what we are, love.**

## Jesus' death and resurrection.

I am here, Gabriel, an ancient angel of the Lord. (He is white, wearing a white robe tied at the waist with a cord, and with large white wings, with a thick extremely ancient, somewhat knarled, strong appearance. This appearance may have been to convey his antiquity.)

I was there and helped take Christ down from the cross. It was a relief when the suffering was over and he was lying stretched out on the ground. I stretched my body out over him, just above him. I and other angels were there when he was taken to the tomb. Night came, and we gathered around his body, many of us, including other very powerful ancient angels, for lack of better words to describe us. We were grieving terribly and we stretched our bodies out over him. We poured our energy of love onto him. And through this intense love energy coming out of our terrible grief and regret that the son of God could have been killed in this untimely manner, his body was reconstituted of love essence of the Father. And his physical body was dematerialized. What many people don't know is that it did leave a residue, a slight residue in the cave. His love essence of the Father body is what he used to visit his disciples through the incredible force of the love energy gathered at that time, through the angels, from the Father. This body through which he appeared required unprecedented unparalleled gathering of the love energy and could not stay on Earth for long. You ask whether this transfiguration came about through the efforts of Christ's love and longing, or from us Angels, or from the Father. At that time, there was no differentiation. It was one continuum. He was already one with the Father. About the stone at the mouth of the cave, it was not as large as people think and it was not altogether that hard for us to move. Of course, we have great strength. You ask whether, as the priest said yesterday in church, Jesus was killed by forces of evil. Sometimes our white wings do beat back dark forces. But the evil that killed Jesus was no more than the evil that lurks still in the hearts of ordinary men, through the disorder and sloppiness of their minds and mental habits. Now I will depart before I burn a hole in your mind, as you are new at this.

R: Thank you for coming.

## The New-Birth and soul condition.

<http://new-birth.net/>

Melbourne Australia, Received by Nicholas Arnold.

June 17th, 2008

I am with you now to provide a response to the questions asked recently and this opportunity and collaboration is a wonderful experience, as I am a spirit communicating with people who are in the awareness of Divine Love ... the Father is present.

Firstly to Joseph, the New-Birth and soul condition is a progressive experience for the individual on Earth and the individual when as a spirit. The New-Birth of a soul begins with Divine Love however, to receive Divine Love as a first time experience for the soul is not the completion and transformation of a soul from its natural condition to a fulfilled and completed New-Birth and Divine soul condition. The First Divine Love Sphere, which in the Padgett Messages is referred to as the Third Sphere, is as I have conveyed before, a dynamic environment. Like yourselves, learning about Divine Love to begin with is the same for spirits in this first Divine Love Sphere. Individuals in this first Divine Love Sphere familiarise themselves with their introduction to the Father and the unique differences pertaining to a Natural condition of life into a Father's condition of soul life.

Many of you living with Divine Love are experiencing this same period of adjustment as the spirits do in the First Divine Love Sphere, obviously the environments are different ... however the workings of the Love and individual's relationship with the Father are essentially the same. This reveals the continuity of a Divine Love experience which is entirely consistent both for mortals and spirits alike. We Celestial spirits are very enthusiastic and happy that this understanding and awareness is shining now in the experience and awareness of the Love and the Father.

The real emphasis on the New-Birth is that the soul condition gradually is changed so that the individual progresses through each of the three (3) Divine Love Spheres whilst this New-Birth is transpiring in a soul so that when a spirit transitions into the Celestial Heaven, this soul has transformed into a complete Divine way of living. The New-Birth is essentially completed and the individual moves into the Celestial Heaven knowing this and this indicates that this mortal ascension from Natural Love into Divine Love has been integrated. The individual moving into the Celestial Heaven is no longer relating to their mortal progression with any condition pertaining to a once mortal life for the turnaround is complete and the individual is now living a true Celestial way of life in the presence of the Father.

Spirits in the first, second and third Divine Love Sphere can see quite clearly the difference in their own soul condition compared to that of a Celestial spirit and their soul condition and of course, the soul condition of the Natural Love spirit souls. The Celestial spirits are complete and their spirit body reflects their soul condition and whilst they are still learning about the Father, their condition of soul is no longer subject to any internal mortal or natural conditions.

So much of the New-Birth is commenced in the First Divine Love Sphere and as the individual spirit progresses, due to their changing soul condition, these lighter soul conditions reflect more light and clarity of knowledge and experience to show that the New-Birth is well underway and that the external influences or will and condition are becoming an internal at-onement with the Father.

Always happy to share so that all may learn, Your loving friend, White Feather

## **GOD'S MESSAGES are all within ONE BOOK?**

To find all of our Mother and Father's Truths and Laws of Love within one book, now, that would have to be one huge book. Spirit beings have spent countless centuries studying the Laws of our Heavenly Parents and have never completed the exercise.

Even though the Laws of the Creator never change, (however we continue to do), all of the books in the world could not contain all of Their wonderful gifts for us.

To consider that this book, or that book, contains all that is to be known seriously locks one into stagnation and entrapment of the worst kind. Our urging to explore and learn is continually being prompted and guided by the gift from our Parents for us to continue on discovering the wonders and joys that wait for us, should we so ask.

Humanity has foundation teachings which have been introduced by the works of humanity to various sectors of society. Over the tens of thousands of years, these works have been handed down never to be considered as the complete works, but a platform for us to open our minds and souls and to explore further.

These books of old have been generously expanded upon by our Celestial Teachers with thousands of pages of guidance, teaching and love so that we can now, as a universal man, open our hearts in a way that we can now take humanity out of conflict and war like natures.

The journey of new teachings and guidance will continue to grow and grow and grow to infinity!

## **Martin Luther on religious ceremonies.**

Washington D.C. Received by James Padgett

June 29th, 1916

I am here, Luther.

I desire to write a short message tonight on the subject of: "The observance of the ceremonies which my church still uses in its worship is not approved by God or Jesus." I will not detain you very long and will try to express myself as succinctly as possible.

Well, as you may not know, the church of which I am the founder believes and teaches the necessity of infant baptism and the observance of the Lord's Supper as necessary parts of its church doctrine, and of such very great importance that without them it is difficult to become an accepted member of the invisible church of Christ.

Nothing is further from the truth than these doctrines for the baptism of infants, for they have no virtue to save one from his sins or to make him in at-onement with the Father, and the mere fact that water is sprinkled on an infant's head and some blessing pronounced by the preacher does not in any way bring that infant in unison with the Father. Baptism is of man's creation and to God it means nothing more than an outward ceremony that affects the infant merely as regards its connection with the established earthly church. It is not possible for this baptism to have any effect upon the soul of the infant and neither does it open up the soul faculties to the inflowing of the Divine Love.

God cares not for these ceremonies, and rather looks upon them with disapproval, for their tendency is to make men and women neglectful of the great truth that will bring them in harmony with God's laws of Love and redemption. And the same thing may be said of any and all kinds of baptism, whether the subject thereof be an infant or a grown man or woman. As to the sacrament of the Lord's Supper, it has no part in God's plan for the redemption of mankind and it is merely a reminder of the association of Jesus with his disciples. It cannot affect the condition or development of the soul, and as now understood and practiced this sacrament is of no importance, for Jesus does not want to be remembered in the way of recalling to him the tragedy on the cross which was only the result of the malice and envy of the Jews; and the blood spilt is not an element that enters into the plan of the salvation of men. And besides, with this sacrament there is always more or less worshipping of Jesus as God, which he, Jesus, abhors and looks upon as blasphemy.

So you see, the celebration of the last supper is a thing which is not acceptable to God or to Jesus. He does not want men to believe that they can be saved by any sacrifice of him or by any blood which he may have shed as a result of his crucifixion.

Of course, you will remember that the question of what the wine and bread of the sacrament really were, was one that engendered much controversy, and even hatred and ill-feeling on the part of those who were assisting me in the great Reformation. If I had known then what I do now, no such question would have been debated or believed in by me and taught for many years. The blood of Jesus was no more than any other man's blood, and the commemoration of the last supper that Jesus gave his disciples before his death, is a useless ceremony and brings no help to those who indulge in this sacrament.

I see that you are tired and sleepy and I will not write more now. So with my love and wishes for an increase in you of the Divine Love, I am Your brother in Christ, Luther

## **Revelation 32: The first followers to receive the Divine Love, beyond the Second Death.**

<http://new-birth.net/samuels-messages/53-revelations/revelation-32-the-first-followers-to-receive-the-divine-love-beyond-the-second-death/>

Washington D.C. Received by Dr Samuels

April 13th & May 5th, 1955

I am here, Jesus:

I am here tonight to write you on some of the issues brought up in the discussion between yourself and the Doctor regarding the bestowal of the Divine Love and the time when it was possible for mortals and spirits to obtain it.

The first thing I would like to clarify is the rebestowal of the Divine Love upon mortals, and I should like to reiterate that my disciples had no concise notion of what the Divine Love really was, and that the one who had the best approximate knowledge of it was Mary Magdalene, through a certain predisposition of her soul; and while Peter and John had obtained a small portion of the Divine Love, it was not until the Pentecost that the Love came to them in that abundance that they were able to understand my true mission while on Earth.

It is not true that I said, as it is recorded in the Gospel of John, that if I did not leave them the Holy Spirit would not come to them, and that my going to my Father was a necessary prerequisite [for the comforter, or "Paraclete,"](#) to make its appearance; and that I would send it to them from my position close to the Father. This statement, like so many others in the New Testament, is not true, for the Divine Love had been given to mankind with my anointing by John, the Baptist to open my ministry, and it was not necessary for me to pass over into the spirit world for the Holy Spirit to begin its conveying of the Love into the souls of my disciples and men willing to listen to my Glad Tidings and pray.

Actually, however, this is what occurred, because as long as I was alive on Earth my disciples kept thinking of a material Messiah who would be King of the Jews in a physical sense; but when I passed over into the spirit world, my disciples were faced with the alternative of giving me up as the Messiah they were expecting or to look upon me as the Messiah in the purely spiritual sense. And with my resurrection, that is to say, with my materialization, my disciples rejected all idea of abandoning me as their Messiah and saw in me the Saviour they had sought as the Saviour over sin and the way to the Father through the commandment I had given them at the last supper, "Love ye one another even as I have loved you."

And with my death there came to them not only the realization that my mission was a spiritual one, but they were very much affected by their sincere grief and sorrow, as well as pity and sympathy, over my passing in the brutal manner that had been imposed upon me. And this grief and love and sorrow was deep and continual, and it was this love and sorrow and grieving that turned their hearts and souls towards the Father in a great yearning of love and aspiration. And it was this that culminated in the great abundance of the Love that was conveyed upon them at the Pentecost, not that it all came at once, but it had been building up for those fifty days within their souls, until knowledge and possession of that Love burst upon them as with a great disturbance and a great wind. And it was thus that they obtained the Divine Love to that extent that they became keenly aware of its presence and qualities in their souls.

I should like to say that I never heard the word "Paraclete," for this was a later addition of the Greeks to the term "Holy Spirit," and the word need not have been added to convey the exact functions which it has, but its true functions were by that time misunderstood.

With respect to the spirit world, the situation was different, not with respect to belief, for there were a great many spirits in the spheres of the perfect natural man who were wedded to their religious views and refused adamantly to listen to anything that might upset their long cherished and accepted views of God and man's relationship to Him. But there were many in these spheres who, being devoid of the errors and defilements of the flesh, were willing to seek for the Love once it had been proclaimed officially by me after my anointing by John, the Baptist. And there were some whose conditions of soul were such as to enable them to perceive the truth of my teachings and began to pray and to obtain the Love. And at the time of the Transfiguration there were some who, by the disposition of their souls, had sought for and obtained some of the Love, and among them were even some who were in the spheres below that of the Sixth, which until then had been the highest sphere obtainable for spirits. And thus it was that at the [Transfiguration, Moses and Elias](#), the leaders of that group of spirits who had understood and obtained some of the Love in their souls, appeared as representatives of this spiritual group; and the voice of the spirit who proclaimed, "[Hear ye him.](#)" was one of those who had obtained some of this Love and was Divine to that extent.

Once a spirit has obtained the Divine Love, and here I should add mortal, as well, regardless of the degree to which the Love has been given to him in response to prayer, a certain relationship between that spirit or mortal and the Heavenly Father has been formed, through the conveying of this Love, which cannot be broken; for this connection through the Divine Love is a link of the soul nature that cannot be broken. And the withdrawal of the Father's Divine Love does not mean that this withdrawal is to be an act which would include those souls who, by their faith in God as their Heavenly Father and by their longings of soul, have obtained a portion of the Divine Love and have done the **Will** of the Father, who wants His children to come to Him willingly and seek at-onement with Him of their own **free will** and earnest desires.

Withdrawal of the Father's Love will not be extended to those souls who have thus become His children in Substance, even if that Substance is small in quantity, but will include those spirits and mortals whose souls are in that state of dormancy or stagnation that they have no conception of, or desire to know, the Heavenly Father and His great Bounty and Mercy, and whose every intention is to attain the highest realm of the perfect natural man.

I have already written you also about those souls whose mates are in the Celestial Heavens but who are in the intellectual, or moral, planes of development. But under all circumstances, every effort will be made to bring to all souls the opportunity for obtaining the Divine Love through prayer to the Father before the consummation of time decrees the great separation.

I will stop now, for I think I have written sufficiently on this subject, and with my love to the Doctor and to you, and with my blessings and desire that the Father shed upon you both great portions of the Divine Love, I shall sign myself,

Jesus of the Bible and Master of the Celestial Heavens

## Manifesto of Divine Love:

1. We love one another as Mary and Jesus, our spiritual parents, love us. And so we seek their Spirits of Truth.
2. Our all loving Heavenly Parents, our Mother and Father, we love and honour at all times.
3. We worship only our Mother and Father, God, and Creator of all things.
4. We treat our Creator's name with respect and love, and earnestly seek Their Divine Love, and at all times pray for It, ask for It, and receive It.
5. We set aside a regular day each week for Sabbath rest and worship of our Heavenly Parents, God, and seek Their Love so that we may grow closer to Their fountain head of Truth and Love.
6. We are to be as we feel, even if it's sinful, but in doing something that is not in alignment with God's Love and Truth will make us feel bad, that is provided we allow ourself to feel our bad feelings, and so we can then use our bad feelings to find out the truth of why we feel bad and why that thing we have done is bad. We embrace our Feeling Healing.
7. We strive to cause no harm to another, nor cause any harm to one's self. We do not do to others what we would not have them to do to us. We treat our fellow human beings and all living things, and the world in general with love, honesty, faithfulness and respect. Violence, at any times, is never justified. Golden Rule: that one must always honour another's will as one honours one's own.
8. At all times in our intimate relationships we strive to express and live true to all our feelings, all so we can use our feelings to uncover the truth they are trying to show. The truth of ourselves, of our relationships, and the truth of everything else, including God.
9. We do not covet or steal anything that does not belong to us. Honesty in all communications, actions, undertakings and activities in all facets of life is our rule of life.
10. In all that we do, we are to be truthful. We are non-judgemental, for none of us have the capacity or authority to judge another. We are always ready to forgive all wrongdoing.
11. We do not desire anything or anyone that does not belong to us. Comparing oneself to others and longing to have what they have leads to errors. We are to be content by focusing on the blessings our Heavenly Parents, who made us in Their soul's image, provides for us.

## Revelation 32: The first followers to receive the Divine Love, beyond the Second Death.

<http://new-birth.net/samuels-messages/53-revelations/revelation-32-the-first-followers-to-receive-the-divine-love-beyond-the-second-death/>

I am here, Jesus:

Received May 5, 1955

I have been listening to your discussion with the Doctor regarding the possibility that souls who have refused the Divine Love will never be given a second chance after the Divine Love has been withdrawn.

As far as is known today in the spirit world, the withdrawal of the Great Gift will be followed by the Second Death, in which those souls with the Divine Love will be separated from those without it and will be inhabitants of different localities in God's Heaven – those in the Celestial Heavens, and those who will progress to the Celestial Heavens, and those who will inhabit the Paradise of the perfect natural man, and those progressing towards it through the development of their moral and intellectual faculties.

Now, in the course of time, those spirits of the perfect natural man will, when the Divine Love has been withdrawn, be forced to be content with the type of development for which their soul desires fitted them, and this development will at last come to an end, for it is finite. And these souls will, in the course of time, realize that there is something which they lack and cannot attain; and they will eventually realize, if God does not change the condition under which they live in the spiritual heavens, that this lack is the Divine Love. And their regret and remorse will amount to a gnashing of teeth, as the Scriptures say.

And it is possible that this may be God's way of making these souls realize their great loss and make them ready to turn, at last, to the Divine Love of God, who, in His great mercy and loving-kindness, will be ever happy to welcome His prodigal sons into His mansions of Immortality. And thus it may be that some souls thus chastised by their first failure to embrace the opportunity to obtain portions of the Divine Love will, through consciousness of their lack, and remorse, if thus given another chance, will seek for the Divine Love of the Father. And it may be that the Father will extend His mercy upon those who then come to Him in earnest longing and prayer. But it may be that there will be souls that will still refuse the Divine Love, even if given a second chance, and remain content in their natural love for all eternity.

Though I do not know for a certainty, I know the Infinite Love of the Father to be convinced that souls who seek His Love, if given a second chance, will not be rejected but will be forgiven by the Father, whose Love and Mercy can hardly be turned from the repentant soul that thus is wiser, and in sincere longing of soul comes to the Father, eager for His Love and fulfilment of his soul's longing and yearning.

I will stop at this point on this subject, and trust that you and the Doctor will understand that we must put our hopes and faith in the Father's Love, and that if we come to Him repentant and eager for His forgiveness, we will never be disappointed.

Your elder brother and friend,

Jesus of the Bible and Master of the Celestial Heavens

**SHINING TOWARD SPIRIT:**  
**538. Jesus and the Spirit World**

Vol III, p. 48, 14 Nov 2014 – 14 Mar 2015 Zara and Nicholas  
[www.lulu.com](http://www.lulu.com)

I am here to write with you about Jesus and the Spirit World. Let me begin by saying that the presence of Jesus was felt in the spirit world at the time he lived his human life. There were many spirits residing in the spirit world in each natural sphere, whom recognised that place Jesus had in the context of humanity, the humanity that lived on Earth at the time of his life and the greater humanity that now lived in the spirit world that had lived on Earth preceding his human life. There were those in the spirit world who were very capable in their ability to recognise that Jesus was the soul sent by the Father to teach all of humanity the way to the Father. The spirits in the spirit world who recognised the Truth about Jesus could see with clarity his teachings as he moved among the peoples of the Earth, but these spirits had the advantage of being in the spirit world and so, when Jesus taught and said things like, “I am not of this world” and “in my Father’s Kingdom there are many mansions” a large number of spirits knew what he meant and the Truth of what he said for these individuals who were residing in the spirit world that Jesus was referring to.

I was one of those spirits who resided in the spirit world when Jesus lived as a man and taught by the way he lived, teachings that involved living with the Father. I could tell as I listened to his teachings and conversations with his apostles and those closest to him, that he knew about our presence and the existence of the afterlife in relationship with the Father in the way that Jesus did as a man. I knew that he knew that the human life continued in the Father’s spirit world, the world I was living in. I had been in this spirit world a long time before Jesus was born and so, I – as many spirits were – welcomed his liberating Truths and presence. We knew here at the time of his human living, that mortal life in the spirit world had now changed forever. There were of course, many spirits who took no interest in the human life of Jesus, but there were many of us who did and we could see the unique experience of ‘this man of the Father’. It wasn’t until Jesus came into the spirit world that we could really embrace our own lives with the Living Father. We could tell very easily that Jesus was not God, for our objectivity being here in the spirit world gave us the clear sightedness that Jesus was finite and that God was Infinite. None of us here had liberated the Divine Love. This was part of Jesus’ purpose and until he lived the life he lived, we here in the spirit world couldn’t partake of the Divine Love for the Spirit that conveys this Love had ceased in its activity since the Fall of the First Parents.

I will return to write again soon. My name is Saul

**539. Saul continues**

I am with you again to continue this communication. I have never written with you before, nor have I ever spoken to a person living on the Earth since my arrival in the spirit world. I am aware of the work that Jesus did with James Padgett and the subsequent works where he has helped guide greater aspects of living Love to individuals who are open to receive his Teachings. I know Jesus very well; I have worked alongside Jesus from the time he arrived in the spirit world. I enjoyed meeting him and getting to know him. I am not going to write on the grisly end of his life – this is not what this moment in time is about.

When Jesus arrived here he was quite shaken, but his countenance was still of the man living with the Father. We helped him and we nurtured him and gave him all our love, which he responded to. As you know, there was nothing any of us could do here. But I can say with absolute certainty that when he was on the cross, there were those of us present and we shone our love toward him and we knew that the

Father had intensified Love in his soul and around Jesus so that at this time, he was not alone. There were people and spirits present who never left his side and when his last breath left his body the Father's Spirit Law – as it had done with all of us and with every mortal personality – transitioned the spirit body of Jesus into the 1<sup>st</sup> natural sphere and there, the sisters of love provided nurturing until he gained strength and rose as only the Living Truth can. What I mean by this is that Jesus knew about the spirit world and the Father so when he arrived here he knew what to expect and his time to regain his composure after his death was a very short time in deed.

#### **540. As the Master gained his strength**

After Jesus had transitioned into the spirit world through the workings of the Father's Spirit Laws, he was weakened by the events that had led up to the end of his human life. The Three Sisters of Love nurtured Jesus when he arrived here and all present – and we were vast in number – waited to see what would happen. There was a distinct hush as the Master gained his strength and we waited without moving from our place or position. Many of us were quite emotional, for we had lived through the end of his life and from our experience; we knew the truth of what was happening to the Living Truth.

This time when Jesus was regaining his strength was a settling time for us. The spirit body of Jesus showed no marking or any of the physical punishment that his physical body had. In fact, it was quite the opposite. His spirit body resting as he was awake and aware that he was now in the spirit body, was shining for he had received much of the Father's Divine Love throughout much of his earthly life and his soul condition was a man in perfect natural love living in harmony with the Father and his soul was in very good condition.

**It only took Jesus a day and a half until he stood and there out in the open in a place now known in the 1<sup>st</sup> natural sphere as the place where Jesus arrived from the human world, he stood and declared in the recognition of the Father, that “the Celestial Heaven is now open.”**

These were the first words that he said in the spirit world and were the confirmation of this Truth that had transpired at the time of his Baptism conducted by his cousin John. He needed to declare this Truth again, now that he was present himself in the spirit world, for all mortal spirits.

We remained quiet as he moved about us and we introduced ourselves and there was much cause in our participation to love Jesus. We did not overwhelm him with our love; we acknowledged the human life he had lived and the Truths that he had taught. The second declaration of Jesus in recognition of the Father was his act of a verbal prayer to the Father that we all could hear and that we all participated in, which was to pray to the Father for the Father's Love. Jesus guided us through this prayer and we all felt the Love as the Spirit that conveys this Love was active and living again and very abundant!

We knew that the apostles still lived on Earth but we gave ourselves to serve the Father by serving Jesus and so he instructed us to make ready for our journey into what is known as the 1<sup>st</sup> Divine Love Sphere. Most spirits present were in the very good condition of their natural love, we believed and loved God only now that Jesus was living, we could personalise our love of God into the living by receiving this Divine Love. Gradually we progressed through the spheres until we advanced into the Celestial Heaven with Jesus teaching us each part of the way. As soon as there were spirits residing in the Celestial Heaven it was then that Jesus taught us that there were many spirits still living that were souls of the

Father and that our loving service was to help create the awareness of this Love. There are many of us who are still doing this to today and this service continues on into tomorrow.

[1<sup>st</sup> Divine Love sphere is referred to as 3<sup>rd</sup> spirit world sphere. Spirit world spheres 3, 5, and 7 are Divine Love spheres 1, 2, and 3. The 7<sup>th</sup> sphere is the transitional sphere between the Spirit World spheres and the Celestial Heaven spheres.]

#### **541. The spirit world is defined by the life of Jesus**

The spirit world is defined by the life of Jesus. Those days that I have described to you are long ago now, but they did happen. The number of souls residing in the Celestial Heaven has greatly increased and the message of Divine Love, the Father's Love has spread far and wide in the spirit world. Jesus lived only a short time in his finite human life but he has lived here a long time and the influence of his presence is felt throughout the mortal spirit world. He is approachable and he interacts with individuals in the natural spheres all the time. The history of the past was lived by us but we do not live in the past. The spirit world is not solely a world defined by the life of Jesus. The spirit world is defined by the life of Jesus and the Divine Love of the Father.

The Master continues to teach today for the Divine Love is always present and its workings never change. We know how significant the human life of Jesus was, for we ourselves are living with this Divine Love as some of you are. We know how significant the spirit life of Jesus is for we are living alongside him and certainly enough time and experience has passed by so we can see how this Divine Love is the changer of all mortal souls. We are forever grateful that the Father once again bestowed the opportunity for our mortal souls to receive the Divine Love and it required Jesus to work and live in harmony with the Father for this to happen.

I have provided you with the essence of my experience.  
The ancient prophet and Celestial spirit, Saul

**WHICH WAY? MIND SELF RELIANT or FEELING AND GOD RELIANT:**

To PARADISE, the HOME of OUR HEAVENLY PARENTS

# The Way Home

Council of Elders  
now around 20  
Soulgroups

Maybe something like 30 billion people have recognised that our Mother and Father's Divine Love, together with embracing one's Feeling Healing, that with these two aspects, have progressed through the Mansion Worlds to the Celestial Heavens and onwards.

Mansion World 7: is then about still working with the deepest and residual bad feelings, whilst looking to sort out how you wrongly relate to yourself and others, nature and God because of being unloving, understanding how your relationships are unloving, how you don't connect properly, how unloving you really are and why and fully accepting the truth of it, coming completely to grips with your parents not loving you as you needed to be loved – sorting it all out, including your self and feeling expression difficulties.

Mansion World 5: is then about going right into the depths of them, feeling how unloved you feel and seeing how unloving you are and how that makes you feel, bringing out the majority of your pain, your misery, fear, anger, guilt, hatred, boredom, terror, rejection, nothingness, feeling powerless, alone and abandoned, and so on.

Mansion World 3: is for waking up to the truth that you're not loving and starting to get in touch with your pain, starting to accept your bad feelings, starting to work with them instead of rejecting them.

More than 200 billion personalities have embraced their mind and self reliance through the misguidance of 'New Age' styled ideologies and the many thousands of different religious platforms, all of which take the person further and further away from our Heavenly Parents.

For a million years, humanity has gone in the wrong direction with its self-denial of self and feeling!

## I'D TURN BACK IF I WERE YOU!

The Natural love spirit Mansion Worlds as to how they have been for all these hundreds of thousands of years and as they are set up currently, are to help spirits advance to the fullest of their self-denial that they can. That is, so as to become as evil as they can. And all under the guise of being 'loving'.

It's why they are called the mind worlds, namely Mansion World / spheres 1, 2, 4 and 6. That is because the spirits are using their minds to complete their rebellion – denial of self and feelings, and rejection of our Heavenly Parents as well their Creator Son and Daughter. So yes, the top of Mansion World sphere 6, spirits are the most evil, the most in rebellion, the most in default, the most wrong and unloving and untrue, even though, they appear, because they've trained their mind to do so, to be the most loving, but it's all false and contrived – such as the Eastern gurus. Total mind over feelings, blocking all the bad ones and using your mind to only make you feel good.

Typical of those on their way up in the mind worlds are not open to anything, they do not want to know about feeling bad and going with their bad feelings looking for their truth, because that scares them, that's not nice, that doesn't make one feel good, it threatens their control, they reject that preferring to stay in their nice safe space. Which is how it is for these Natural love mind spirits using their minds to control their feelings.

We've all got to take responsibility for our evilness even though we were made to be that way and rebel by default, but there is no getting away from it, and it has to be compensated right to the last farthing, which is what being in the hell planes is all about, and which keeps being applied right the way through the Mansion Worlds. **In the mind worlds you can continue to use that inner pressure requiring compensation for your bad deeds, to further contrive love and pretend you are all holy and loving and not hurting anyone anymore, which on the surface of it you are not, but underneath still are, all the way up through to the sixth world; or, you can allow it to keep working on you right the way up through the Divine Love Mansion Worlds doing your Healing.**

And apparently what's going to happen is the Natural love mind Mansion Worlds are going to be divided, so within them, there will be spirits doing their Feeling Healing – without the Divine Love, and still limited to the sixth Mansion World, but looking to be true and end their rebellion. And then there will be those still carrying on denying themselves as they have always done. So you will have spirits in the Feeling Healing Natural love sectors that will truly perfect their Natural love; and those spirits still in the mind sectors perfecting their wrongness. The opposites or extremes living side by side. And then you'll still have the Divine Love Healing Mansion Worlds, being spheres 3, 5, and 7, doing their Soul Healing.

And as for a summation: "Divine Love Mansion World / sphere 3 is the waking up to the truth that one is not loving, also their being a lot of assistance. Sphere 5 is then about going right into the depths of feeling how unloved you feel and seeing how unloving you are and how that makes you feel, also this a time when one can then progress and manage their own progress through their Feeling Healing. Sphere 7 is then about still working with the deepest and residual bad feelings, whilst looking to sort out how you wrongly relate to yourself and others, nature and God because of being unloving, this is a time of great realisation and comprehension with much of the prior experiences starting to be drawn together."

Mansion World 3: is for waking up to the truth that you're not loving and starting to get in touch with your pain, starting to accept your bad feelings, starting to work with them instead of rejecting them.

Mansion World 5: is then about going right into the depths of them, feeling how unloved you feel and seeing how unloving you are and how that makes you feel, bringing out the majority of your pain, your misery, fear, anger, guilt, hatred, boredom, terror, rejection, nothingness, feeling powerless, alone and abandoned, and so on.

Mansion World 7: is then about still working with the deepest and residual bad feelings, whilst looking to sort out how you wrongly relate to yourself and others, nature and God because of being unloving, understanding how your relationships are unloving, how you don't connect properly, how unloving you really are and why and fully accepting the truth of it, coming completely to grips with your parents not loving you as you needed to be loved – sorting it all out, including your self and feeling expression difficulties.

It is agreed that the lower worlds are about waking up to what's involved, however from then on it depends on how it's all structured for the individual in their negative state as to how much ongoing assistance they might need. Some need help all the way along, whereas others have been able to work with their feelings, themselves, right from the beginning.

And yes, each of the Divine Love healing Mansion Worlds, 3, 5 and 7, are equally painful to work through, just focusing on different aspects of yourself and your Feeling Healing with Divine Love. And then in the higher planes of the 7<sup>th</sup> world comes the transition, where one's pain starts to end, and you start feeling so much better about yourself, you are fully accepting of your negative unloving state, you are fully unloving although even starting to become more loving – truly loving, of yourself, God, and then other people.

Then onto the Celestial Heavens by progressing into Sphere 8 and then onwards further, all the way home to Paradise.

Maybe something like 6 billion people have recognised that our Mother and Father's Divine Love, together with embracing one's Feeling Healing, that with these two aspects, have progressed through the Mansion Worlds to the Celestial Heavens and onwards.

More than 200 billion personalities have embraced their mind and self reliance through the misguidance of 'New Age' styled ideologies and the many thousands of different religious platforms, all of which take the person further and further away from our Heavenly Parents.

The 1<sup>st</sup> and 2<sup>nd</sup> Spirit Mind Mansion Worlds / spheres are jammed to the rafters.

For a million years, humanity has gone in the wrong direction with its self-denial of self and feeling!

**By living true to ourselves, true to our feelings, we are living true to God. It's that simple.**

## The CHOICE is OURS to MAKE:

### Celestial Truth:

Truly all-loving;  
 Living true to oneself;  
 Mind supporting Feelings;  
 Living with the Divine Love;  
 Fully Healed of the Rebellion and Default.

### THE FEELING WAY

Feeling – Ascendance  
 Unlimited progression

- Living true to your untruth;
- Honouring all your bad feelings;
- Expressing feelings to uncover their truth;
- Healing the Rebellion and Default within yourself;
- Feeling unloved; being unloving;
- Feeling as bad as you can feel;
- Feeling like you are no one special;
- Longing for the Divine Love.

### THE MIND WAY

Mind – Transcendence  
 Limited progression

- Enlightenment, Nirvana, feeling all-loving;
- All false, mind-contrived. Anti-truth, anti-love;
- Still evolving the Rebellion and Default within yourself;
- Feeling and believing you are the Superior One;
- Living with your mind in control of your feelings;
- Living rejecting all your bad feelings;
- Living with your mind contriving you feel loved;
- Rejecting the Divine Love.

All religions, New Age, agnostic,  
 atheists, no spiritual interest,  
 Living the Rebellion and Default.

Hell:  
 Exploiting the Rebellion and Default.

The Feelings are the doer; the Mind the teller. So we are to go with our feelings, which we can't be told to do with our mind. So the longing for the Divine Love, doing our Healing by expressing our feelings and longing for their truth, are all feelings and doing it with longing. Whereas the mind just wants to tell us what to do and how to be, no feelings in it, all how our parents have treated us.

## Our FEELINGS are our SUPREME GUIDES:

**Feelings are what guide us through our ascension of truth. So they are really our Supreme Guides.** Many people look for a person, spirit, angel, even God, for supreme guidance, however it's all right there already built in – in our feelings. **We just have to submit to them, allowing them to take us where they will, expressing all the parts we want to express, letting the emotion drive that expression if it's there to be expressed, or just talking about all we feel and how feeling that feeling is making us feel – or, how we feel about having that feeling, all whilst longing for the truth of our feelings. Longing for the truth of our feelings is really: Longing for the truth of our self, because: we are our feelings. So life stirs up our feelings, we feel being alive; or, being alive means we are feeling, always feeling; and when we work out what and why we are feeling what we are, so then we know the truth of how we are. And over time the truth accumulates, and our mind expands our understanding of ourselves, all being driven from our feelings.** Kevin 26 Sep 2017

### **Using our feelings to uncover the whole truth of our negative or anti truth and anti love state.**

Kevin: **So whilst we're of an untrue state, then all we have got to help us understand why we feel bad, why we are wrong, why we are negative and anti love and truth, is our feelings. So if we focus on our bad feelings, they will lead us to the truth of why we're feeling bad. Which will be the truth of what happened to us to make us be this wrong way, and how we took on the wrong way and keep it going making us feel bad.**

## **FEELING HEALING**

**Note:** The vital difference between emotion and feeling is that emotions have their roots in the past, and feelings relate to the present moment. Emotions represent our feelings which were not previously expressed, and these accumulate with time.

**Note:** **Our feelings are soul-based. Our soul is always in truth. It is our soul based feelings, that when allowed to be freely recognised, we will begin to express and be who we are. This takes time and perseverance as we have encrusted our souls with layers upon layers of errors and false beliefs, it is these layers that will confuse the truth that our soul is conveying to us. Only by our progression with our Feeling Healing will our soul's expression of truth become clear and free of all cloudiness and contamination.**

“What our soul needs in accordance with our own, individual, **Soul-Light-Plan-Of-Destiny** (your life's true destiny plan), They, being our Mother and Father, will give you as required. The only way we can know truly what we need is to honour and follow our true feelings. They, springing from our soul, literally telling us what we need, and so when we genuinely feel we need something, we apply our will to get it. The hard part is knowing if our feelings are true, and until we have done our whole soul-healing, they won't be clear and total true.” James – Introduction Course to Divine Love Spirituality

# FEELING HEALING + SOUL HEALING

To heal one's self is to simply look to see what feelings we are refusing to let ourself feel, and accept them instead of denying them. And to fully accept them, one needs to express them, speak about them, let them have their say, rather than pushing them aside, refusing to let them make you feel bad.

Doing this all with the intention of seeking the truth of why you are feeling them, of speaking about and expressing all such feelings; all feelings you have, but ALL WITH the INTENTION of UNCOVERING the TRUTH THEY WANT YOU TO SEE ABOUT YOURSELF. And it's the wanting to see the truth of them that is very important, because if you just look to accept them and speak and express them, but not seek their truth, then that's all you'll be doing, speaking and expressing them, but not healing their causes, so not fixing the things within you that are making you feel bad. And it's the truth part of it, seeking the truth of your feelings, and so, seeking the truth through your feelings, that's vitally important. It's the truth of yourself, life, nature and God, that is the spiritual aspect to it all.

You CAN'T find the truth of yourself, or anything else, through and with only your mind. You HAVE to engage and look to your feelings. And so if you choose to allow your feelings to 'Show You the Way', then the truth will come as you express them. So to do our Soul-Healing consists of these steps, all of which are ongoing until it's done:

- **Admit you are feeling bad.**
- **Accept your bad feelings, identify what they are.**
- **Honour fully your bad feelings by expressing them, speaking about them to someone who is willing to hear you talk about them, or tell them out loud to our Heavenly Parents. Long for the truth of them. Long for the truth of why you feel bad – what deep within you is causing your bad feelings?**
- **And remember, bad feelings are Good! Not bad. They are not to be despised. And as hard as it is to accept them, they are still you, and a very real part of you. And if you persist in denying them and not allowing yourself to fully live them, then you are only going to keep yourself in your errors making things harder for yourself.**
- **All sickness and suffering, all bad things that happen to you, all your problems, all your addictions – your whole feeling-denying and untrue life, is all caused by your denial of bad feelings.**
- **Every problem in the world is brought about because everyone has been brought up to deny feelings, and in particular, most of their bad ones.**

If one is intent on spiritually evolving and growing in truth, then it's vital, and this is the key, that one looks to use one's feelings as the means to gain and have access to the truth of oneself. You CAN'T find the truth of yourself or anything else through and with only your mind. You HAVE to engage and look to your feelings. And so if you choose to allow your feelings to 'Show You the Way', then the truth will come as you express them.

Doing your Soul-Healing with the Divine Love, is really doing your 'Feeling-Healing'. We are designed — created — to be self-revealing of truth, and so we are all to uncover the truth within ourselves and for ourselves, and all being done by living true to our feelings. **If you accept, express and seek the truth of your feelings, then truth will come to you, and you'll grow spiritually. It's as easy as that. Also it is as easy as it is to long for, ask for and receive Divine Love.**

THE HEALING OF YOUR BAD FEELINGS THROUGH THEIR ACCEPTANCE  
AND FINDING THE TRUTH OF THEM, IS THE ACCEPTANCE OF YOUR  
NEGATIVE, REBELLIOUS, EVIL, IMPERFECT MIND AND WILL CONDITION.

To do our feeling-healing we need to become:

Aware of – Acknowledge – and Admit, our bad feelings.

So we can:

Accept – them and allow ourselves to Be them.

And then if we feel to, take:

Action – Express, speak and emote them.

Talk about them.

All being done whilst longing to, really wanting to, see the TRUTH of our feelings.

So it sounds simple.

So I repeat:

We accept our bad feelings by expressing – speaking about them to someone willing to listen to us and take us seriously. And as we speak we long for the truth of them – why we are feeling them – to be made known to us. And when we uncover and see the truth we are FREE! – healed of the causes that have made us feel bad.

Accept, Express – see the Truth, and you're Free!

ACCEPTANCE OF ALL YOU FEEL, THINK AND ARE, IS THE KEY TO DOING  
YOUR HEALING; THAT, AND WANTING TO SEE THE TRUTH OF ALL YOU  
FEEL, THINK AND ARE.

**Release one's pain through expressing one's feelings.**

**in conjunction with**

**Longing for the Truth when also longing for Divine Love.**

# FEEL *for* TRUTH

The beauty of it all, is the truth comes to you through your own feelings. You don't need to be told it by anyone. You can work it all out for yourself. We are self-revealing of truth, it's how God created us to be, and by being it we'll feel the happiest we can feel. Truth is our great comforter, so when you feel it come up within you, ah it feels so good and you feel just right – perfect!

We know only how to deny feelings, now we can get to know how to accept them. And always with the truth being the most important part.

## FEELING TRUTH

If you don't want to uncover the truth of your feelings, then you can keep on expressing them forever but you will never fully heal yourself. Seeing the truth results in the Healing. And to see the truth you need to express all the pain out of you. The two things go hand in hand.

You can accept and express your bad feelings, letting off steam all day long, yet nothing will heal and nothing much will come of it. So this is where wanting your feelings to show you the truth of why you're feeling as you are is so important.

Don't go fishing with your mind, that will shut the truth out from rising up for you. **KEEP YOUR MIND OUT OF IT.** It's a feeling thing, doing your Feeling-Healing. (This is where we erred previously, and this how other modalities are in error.)

You long when you can, then stop longing and keep expressing. And at some point, and it might not even happen immediately, it might happen after days or weeks of expressing the same bad feelings, truth will come to you. And it does, it just comes up suddenly into your consciousness. You just know. You see the picture and you feel it's true. And you know it's true. And THEN your mind can come in and start sorting it out and putting in context.

It's the Truth that we are seeking. It's the End Point. The Reason for doing your Healing. You are to see the whole Truth of yourself. And to begin with, that's the whole truth of your unloving self, of your wrongness, of your evilness, of why you are as you are in your negative unloving mind-controlling state. To be able to fully accept yourself as you are, warts and all. To not fight or resist or try and change yourself, just to accept all you feel and all the truth of all those bad feelings you feel about yourself. And when you do, so you will be healed. You CAN'T heal yourself unless you uncover the truth of your pain, suffering and so the truth of all your bad feelings.

Through our Feeling-Healing we long for the truth of what we're feeling whenever we can. So as often as you can. You want, and REALLY WANT WITH ALL YOUR BEING, ALL YOUR WILL, to know why you are feeling bad. You yearn, want, long and beg and beg and BEG God to show you the truth of yourself through your feelings. So when you are expressing your bad feelings you can stop and long for the truth to show you what's going on, why do you feel so bad, and you can do it any time you think of it or feel to do it.

Heartfelt TRUTH

# Feelings First Spirituality

## The New Way

**Feelings First**  
**FF**  
**Feeling Free**

The New Way, Feelings First Spirituality  
 Learn to live with God through your Feelings

Accept, express and long for the truth of your feelings

Be free in your feelings  
 Free your feelings from your mind's control  
 Live true to your feelings; your feelings are your true self  
 Live true to yourself through your feelings

Live true to yourself by living true to your feelings.  
 Long for the truth of your feelings.

Accept / Express / Bring out ALL of your good, and most importantly,  
 BAD feelings.  
 Want to understand why you're feeling them.  
 Use your surface feelings to take you deeper into your repressed and  
 hidden feelings.

The Feeling Way is the True Way.  
Your feelings are your spiritual guide.  
Your feelings will take you to God.

Your feelings will show you the truth of your relationships, including your relationship with God; and if anything is wrong, untrue and unloving, then why it is.

Our feelings are sacrosanct and we should respect them accordingly. And we should NEVER block them out, ignore, override, banish, deny or reject them, because if we do, we're only doing that to ourselves, as Our Feelings Are Our Self.

Our feelings are the gateway to our soul. Our feelings are the closest we can get to our soul. Knowing the truth of our feelings is knowing the truth of our soul, and knowing the truth of God.

Feelings First Spirituality is the True path for humanity.

It embraces all people.

It completely unifies the world.

Everyone can relate to everyone else through their feelings.

And we can all live the truth that comes from our feelings, all sharing the same truths as we express and have the same feelings.

No one need be left out; no one is more special than anyone else – we are all united in Truth through our feelings.

So with and through our truth we live our lives, therefore without the need of any man-made mind-laws, rules and restrictions that limit self-expression as inspired by our feelings.

The New Way, Feelings First Spirituality is what is to replace all man-made, mind-contrived religions that so many people have enslaved themselves to. The New Way, Feelings First Spirituality will set us free of all that control, ending the Rebellion and Default within ourselves as we do our Feeling-Healing, and ending such control and spiritual stagnation in the world.

Bring on the End Times – get it over and done with! Let's all see that Jesus is not going to come again, that Prophecy has failed all the mind-controlled platforms. Allow such false systems of belief to die their long-awaited natural death, they've overstayed their welcome, it's now time they fade away. So let us show such antiquated, erroneous systems of belief the exit and bring on the fresh liberation of discovering the truth of how we are to live for ourselves, each of us personally in our lives, and all by looking to our own feelings for it. Self-revelation through our feelings is the way to go.

The Way of the Mind is ending, and is really the End Times – the End of our mind control, and **it's about time!** With the Way of our Feelings replacing it.

The End Times means the end and therefore a New Beginning. And that new beginning is a whole new Spiritual Age – an age based on self-revelation of truth through one's feelings, coupled with and supported by higher revelations from the Celestial spirits, angels and nature spirits.

The Feelings First Spirituality is the True Way to God because it helps you get to know God, helping you to reach out, connect and be personal with God, and do God's Will, all through your feelings. It is the only true way of getting to know the God of Feelings – our beloved Heavenly Mother and Father, the Great Soul of Divine Love.

Love comes through our feelings and not our mind, as we've all been wrongly led to believe.

**1** Divine Love addresses the issues of the Rebellion.

The availability of Divine Love, should we so ask for it, being revelation 1:

God's Divine Love: Pray for it, ask for it, and receive it.

Whilst we are receiving our Heavenly Parent's Divine Love, and that this Love is causing change within our soul and spirit attributes, the greatest Truth known to man and spirit is that this is the way our Mother and Father are actually loving us! When we progress, it is the Mother and Father's way of loving us into love and then we live what we are, love.

**2** Feeling Healing addresses the issues of the Default.

The way to clear one's soul of childhood errors and injuries is revelation 2:

To liberate one's real self, one's will, being one's soul, is begun by embracing Feeling Healing, so as to clear emotional injuries and errors. With the Divine Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

Release one's pain through expressing one's feelings.

# Steps UP!

## Quantum Jump 1

### REVELATION 1

James Padgett

1914 – 1923

James Padgett bravely introduced the availability of the Mother and Father's Divine Love and a great deal of additional guidance and information, all of which has been supplemented by Samuels, Judas, Reid and Arnold. All writers were under restrictions of personality and circumstances. Revelation 1 opened the door for humanity.

## Quantum Jump 2

### REVELATION 2

Marion and James Moncrief

2002

– ongoing

Marion and James Moncrief have recognised the need for one to engage in Feeling Healing and, by their actions, removed restrictions that James Padgett and others above endured, thus JM is able to critique the writings of the past 100 years resolving points of confusion as well as expand on what has been written. Revelation 2 is humanity's turning point.

Due to the extra-ordinary nature of Revelations 1 and 2, humanity with the first Revelation would have continued on into its negative pathway of living, however, combining the first Revelation with Revelation two, now humanity can embrace this turning point and commence its evolutionary growth that has required two thousand years to put in place. This is the greatest event in the history of humanity and very few are aware of such, until we enable others to become aware.

Rebellion and Default  
officially ended

31 January 2018

**END to the REBELLION and DEFAULT – 31 January 2018:**

31 January 2018: Nanna Beth: Yes John, very good news we want to pass onto you for your records. Earth and the seven associated Mansion Worlds (including the two Earth planes) are **officially** now fully under the control of Celestial spirits. And this means John, that Earth is now ‘Ours’. It’s been a long time coming, but it’s a huge milestone and marks a tangible and real end to the Rebellion and Default. It’s one of a number of ‘End’s’ that are to occur.

With the departure of the Caligastias and Daligastias some years ago, humanity has been in a state a limbo so far as who is doing what with it, it not being allowed to be left alone so it could do whatever it liked, it always needing to have a spirit connection. With the mind spirits, as we’ve told you, basically calling the shots still happy to ignorantly carry out C&D’s plans. But now with our systematic and progressive take over, we’re now in complete control.

And what that means is we have our fingers in every pie and we’re on the case so far as what everyone is doing. However it doesn’t mean we’re taking over and telling humanity what to do and how to be, although we are able to work more with certain individuals directly and indirectly helping to move or point or orientate (depending on how you want to look at it) individuals, groups of people, whole societies, the whole world, according to the plans given to us by the Melchizedek Receivers.

So humanity will still carry on outworking it’s unloving, untrue and rebellious state, that has to be worked through to its natural conclusion, however we want you to understand and just know that it’s another end of things and beginning of the new. And it’s basically what we’ve been working with you in connection with James this past year to achieve. There is a lot more to it and how and why it’s been done, and done as it has been done, however you can find out about all of that when you come over.

So we Celestials will guide humanity now according to what our Mother and Father want, so humanity’s got a real tangible safety-net under it now, so no more ‘downside risk’, it all being to move it toward doing its Healing.

I’ll speak again soon – love Nanna Beth.

PROCESS of FORGIVENESS  
PROCESS of FORGIVENESS  
PROCESS of FORGIVENESS  
PROCESS of FORGIVENESS

is also the PROCESS of REMOVING HARMFUL EMOTIONS  
is also the PROCESS of HEALING BODIES Physical Spiritual  
is also the PROCESS of SOUL GROWTH with the LOVE  
is also the PROCESS of CLEANSING the SOUL

Our Heavenly Parents send the Holy Spirit, the Spirit, to those who long for and ask for Their Love and assistance. All you need do is ASK!

“The New Birth is the flowing of the Spirit of God into your soul and the disappearing of all that tends to turn your heart from the truth and Love of God in conjunction to doing one’s Feeling Healing.”

“The Holy Spirit is God’s messenger or instrument that carries into the soul the Divine Love that is bestowed on the truly penitent man.”

“The Holy Spirit when the penitent prays for the Love the Holy Spirit will respond and fulfil the work that the Mother and Father has provided it to do.”

“The only thing that saves a man from their sins / errors and reconciles them to the Mother and Father is that they must become conscious of God’s Truths and receive the Holy Spirit into their souls.”

Continuing with one’s longing for Truth and asking for our Parents’ Love enables progressive removal of emotional errors and injuries that then lead to the removal of core emotional damage, and then, subsequently, the progressive filling and expansion of one’s own soul. Removal of these soul injuries through Feeling Healing also leads to the removal of damage to one’s spirit body and the restoration of one’s health.

It is only by the infusion of this Love while longing for Truth within one’s soul in sufficient quantities does one become fitted to enter the Celestial Heavens.

Soul development, with the Love, can take a soul from being a dried up garden pea to that of a simple candle, and then onto that of a blazing sun!

**The LOVE that brings about FORGIVENESS:**

This Divine Love, and by this I mean the only way through which salvation can be obtained, can enter and fill the soul through the sincere longing of the soul to assuage the thirst for at-onement with the Father through prayer.

Revelation 17 – November 12th, 1960 – Jesus

**The only way for man to achieve forgiveness of sins is through the obtaining of the Divine Love or through purification of the natural love, a long and tedious process that fits the individual soul for a place in the Sixth Sphere.**

Revelation 50 – October 18th, 1954 – Jesus

Divine Love fits a personality to enter the Celestial Heavens, way above the 6<sup>th</sup> Sphere. Without this Love, man cannot enter the Heavens. It is this Divine Love that brings about immortality for man.

This great Love of the Father was created or rather has always been, for the redemption of the vilest sinner who seeks and believes.

March 24<sup>th</sup>, 1915 – Ann Rollins

Only the Divine Love can give man of a Divine Nature, and that no self development or cultivation of the Natural Love to the greatest and most sublime extent are sufficient to make man at one with the Father in the divine sense and which makes the spirit a partaker of this Divine Essence of the Father. One needs to come to understand the difference between the two loves and what the New Birth means.

## DIVINE LOVE HARMONY:

**Immortal harmony:**

**Transformation of the soul is a beautiful harmonious gradual awakening.**

**In a gradual way with the Divine Love and Feeling Healing, as changes in the soul and spirit body occur, these changes will result in the personality slowly accepting the source of these changes as being the Soul God and with the independent will, one can have complete acceptance of our Heavenly Parents, Mother and Father, God.**

**People have loved God and felt loved by God and they have in deed received the Divine Love without ever knowing the truthful identity of this Love insofar as the truths relating with its causality in the human soul and affect upon the spirit-mind.**

**Part of the nature of the Divine Love in our souls is that it activates our spirit body systems and soul so that the nature of God is seen and experienced in the living and this places us in touch with the many Spirit attributes that extend from God and have their existence in God, such as our Indwelling Spirit. God no longer remains inactive to us; inert, inanimate, or an unknown but rather a Soul of living energy whose energy in the harmonies of Love and Spirit, is personified as love that we experience. If I can convey the essence about the nature of Divine Love it is that in its energy, exists the harmony and potential so that one can see the potential that this Love brings to bridge the gap of separation between the individual and God by the harmonies of soulfully living.**

**The Divine Love completes the form of the human being.**

**In essence, one need only direct their soul and the heart of their soul to our Heavenly Parents, the Soul being God, and in this faith one can experience the Love by humbly asking for this Love. This is all that is needed and the touchstone upon the Love's approachable nature.**

**The Love is never harmful or given by God that results in a caused effect of disharmony in the individual. The diversity of human individuality is a great characteristic of human nature and as with experience, one needs experience to ascertain a truth about a certain thing. Experiencing the Love provides a substantiated knowing from which a more objective reasoning follows and a maturity happens.**

## ***DIVINE LOVE – what does it do?***

### **Divine Love, which is a substance, progressively:**

**Transforms one's soul from that which is of natural love to that which is Divine**

**As natural love is enhanced with the Parent's Love, we reject our tendency to error**

**Divine Love, our Parent's Love, restrains errors, untruths and emotional stress**

**As we reject the condition to error, we develop our love for our brothers and sisters**

**Divine Love helps one with the discovery of truth through one's soul-feeling healing**

**Our natural intelligence grows, perceptions rise with our soul intelligent feelings**

**As Law of Compensation is resolved, the Love reduces returning to being in error**

**Receipt of Divine Love, the Parent's Love, grows our faith, we become God reliant**

**As our faith grows our propensity to undertake one's Feeling Healing strengthens**

**With the Love, our Feeling Healing becomes Soul Healing, this we are to undertake**

**Without the Love we remain self reliant and dependent upon our own will power**

**Only with the Love will our soul condition grow rapidly, all around us also benefit**

**The Love is the only substance that changes the human soul to that which is Divine**

**Only by asking and receiving Love do we become fitted to enter Celestial Heavens**

**Only by asking for and receiving the Divine Love does our soul become immortal.**

## **The Only Prayer That Man Need Offer to the Father:**

(as given within the first century)  
I am here, Jesus

The **Prayer for Divine Love**

**P.438 Book of Truths through James Padgett / Jesus**

Let your prayer be as follows:

**Our Father, who art in heaven, we recognize that You are all Holy and loving and merciful, and that we are Your children, and not the subservient, sinful and depraved creatures that our teachers of old would have us believe. That we are the greatest of Your creation, and the most wonderful of all Your handiworks, and the objects of Your great soul's love and Tenderest care.**

**That Your will is that we become at one with You, and partake of Your great love which You have bestowed upon us through Your mercy and desire that we become, in truth, Your children, through love, and not through the sacrifice and death of any one of Your creatures.**

**We pray that You will open up our souls to the inflowing of Your love, and that then may come Your Holy Spirit to bring into our souls this, Your love in great abundance, until our souls shall be transformed into the very essence of Yourself; and that there may come to us faith--such faith as will cause us to realize that we are truly Your children and one with You in very substance and not in image only.**

**Let us have such faith as will cause us to know that You are our Father, and the bestower of every good and perfect gift, and that only we, ourselves, can prevent Your love changing us from the mortal to the immortal.**

**Let us never cease to realize that Your love is waiting for each and all of us, and that when we come to You, in faith and earnest aspiration, Your love will never be with-held from us.**

**Keep us in the shadow of Your love every hour and moment of our lives, and help us to overcome all temptations of the flesh, and the influence of the powers of the evil ones, which so constantly surround us and endeavour to turn our thoughts away from You to the pleasures and allurements of this world.**

**We thank You for Your love and the privilege of receiving it, and we believe that You are our Father --the loving Father who smiles upon us in our weakness, and is always ready to help us and take us to Your arms of love.**

**We pray this with all the earnestness and longings of our souls, and trusting in Your love, give You all the glory and honour and love that our finite souls can give.**

**Amen**

Note: The 'false teachers' are our parents, as they are also the 'evil ones'.  
Also, the evil ones, being those parts of one's mind, that are controlling you.

## Prayers to our Mother and Father

From 'Religion of Feelings' by James Moncrief

**Please Mother and Father** help me accept my untrue state and bring up all my repressed feelings so I can see the full truth of why I feel so unloved and all that's wrong with me.

**Please Mother and Father** help me see the truth of myself through my feelings.

**Please my beloved Heavenly Parents**, fill my soul with Your Divine Love. I long for Your Divine Love; please answer my prayer and yearning to be at-one with You and do Your Will by living true to myself and all my feelings. Please fill my heart and soul with Your Divine Love – please make my soul like Yours – Divine.

**Please Mother and Father**, I want to uncover the whole truth of myself through my feelings. I want to be able to feel and accept just how bad I am, how bad I feel I am, how bad I've been in my life. I want to know the whole ugly truth of myself, see it and feel it and understand how I came to be it. Please reveal to me through my feelings all the truth of myself You want me to see. I want to be as You want me to be; I want to be true and perfect, Healed of all my rebelliousness and self- and feeling-denial; I want to be good, loving, true and happy, please help me become true to myself, true to my soul, true to You.

**Please Mother and Father help me**, I'm in such bad pain, I feel so alone, so miserable, so scared, what's going to become of me, I don't understand, what's the point of me, why have You made me; please help me see the truth of myself – all the truths of myself, nature, how to be in the world, of You both. I want to know, I want to know it all through my feelings, all that there is to see, the whole truth and nothing but the truth. Please help all my pain come to the surface of me so I can embrace and accept and express it out of me. I want to use my feelings to uncover the truth they are to show me; please help me to do that.

**Please Mother and Father love me**. I want You to love me. I want to feel fully loved by You. I don't want anything else, only to be with You. Please, that is all I am asking.

**Please make me feel how unloving I am**. Please show me the horrible truth that I am. I want to see and feel and understand the worst of me, please take me into my darkest scariest ugliest unwanted rejected places within myself. I don't want to feel all the dreadful pain that I know is there locked away inside me, yet I do also want it all to come up and out of me, and I want to use it to see the truth of my wrongness, the truth of how evil I am, the truth of my fucked up state. I no longer want to be false, pretending I am okay, using my mind to make me falsely believe I am good, happy, loved and loving, when I know I'm not. For how can I be when You've brought me into my unloving state, making me be of it. And as You want me to experience being this negative way, please show me the whole truth of it. I no longer want to deny any part of myself, or any of my bad feelings. I want them all to come up so I can express them, emoting their pain, feeling how bad You've made me feel all my life and all through my early life; I want to see why, and so reveal all the truth to myself. I want to be the living truth of myself, living true to my feelings and the truth they give rise to. Please help me to do my Healing, and please fill my soul with Your Divine Love.

**The mind way is the 'dead' way; the feelings way is the 'alive' way.**

### Examples of some prayers to God:

From 'Feeling Healing' by James Moncrief

**Please God** show me the truth of myself through my feelings.

Please help me see the truth about myself You want me to see.

And please help me feel all my repressed pain; please bring up all my bad feelings so I can express them and see what it is they are to show me about myself, my life, and You.

And please help me work through my blocks, I want to Heal myself, I want to become true to myself and true to my feelings and true to You – please help me do that.

**Heavenly Mother and Father**, I feel so bad, and I know I'm doing it to myself, but I can't help it. I can't stop my compulsive addictions, so will you please bring up the buried feelings in me and show me the reasons why I can't stop. Please! I want to know – I REALLY WANT TO KNOW why I do them. Please help me Mother and Father to uncover the truth of myself. Please, I beg you, please, please, please show me the truth of them so I can give them up. I hate feeling bad, yet I know I must so I can keep expressing my bad feelings to see the truth You want me to see, so please help me feel bad.

**Please Mother and Father** fill my heart and soul with Your Divine Love. Please give me Your Love. Please love me and make me feel loved by You. I want to feel You close to me, I want You to hold me, make me feel loved by You. I only want You and to do Your Will. Please help me bring up all my repressed feelings so I can express them and uncover their truth. Please help me do my Healing. Please give me Your Love.

**I hate you Mother and Father**; why have You given me such a shit awful life? I hate myself, I hate You, I hate everything about my life. I feel so bad all the time. I've expressed so many bad feelings and still I feel bad. It's not fair, it's not fair what You've done to me. I hate You! And I want You to help me Heal myself, so I can stop feeling bad. You put me in the shit for whatever reasons, and I want You now to help me get out of it and show me what it's all been about. Please help me to Heal myself so I no longer hate You.

**I long for Your Divine Love** Mother and Father. Please fill my soul with it. And please help me uncover the truth of myself through my feelings. I want to see it all! And please make it all end, I'm so tired of always feeling so bad, please take all my bad feelings away by making me feel them and showing me the truth I am to see.

**Feelings first**

**LIVE FEELINGS FIRST**

**What is Divine Love?**

**It is the Divine Love of God, our Heavenly Parents, restored to all mankind by the births of Jesus and Mary.**

**How do we get this Love?**

**By sincerely asking God, our Mother and Father, and receiving the Love that passes all understanding.**

**What happens then?**

**We are born again in spirit and in truth, our soul opened to the Soul of God, our Heavenly Parents.**

**What then do we know?**

**We know we are all children of God and want to pray always to our Heavenly Parents, always longing for Truth.**

**What is the purpose of Feeling Healing?**

**We are to seek the truth of our feelings and unburden ourselves from our childhood repression and injuries.**

**What of the world?**

**We are at peace in the world and fearless. In Divine Love and in Truth there is no fear.**

**What else?**

**We are to strive to love everyone unconditionally as our Heavenly Parents and as Mary and Jesus love us.**

**UNIVERSALITY of our HEAVENLY PARENTS' GIFT:**

**By embracing the eleventh commandment:**

**"This is my commandment, that ye love one another even as I have loved you."**

**Golden Rule: that one must always honour another's will as one honours one's own.**

**Our soul condition steadily grows in love so that we step away from:**

**Any harm that we may cause to others which will also bring about consequences.**

**Also as our soul development progresses, our self love grows which also enables us to step away from:**

**Any self harm that we may cause which also will bring about consequences.**

**And to move along this path we simply develop our embracement of:**

**God's Divine Love; pray for it, ask for it, and receive it.**

**Or it may be even as simple as the caption below:**

**Oliver Twist asked:**

***Please, sir, I want some more!***

**Maybe we could simply ask:**

***Please, Heavenly Parents, I want some more!***

***Never can one man do more for another man than by making it known of the availability of the Feeling Healing process and Divine Love. JD***

**FEELING HEALING and SOUL HEALING with the DIVINE LOVE:****James Moncrief Publications:****all publications are free downloads:**<http://divinelovesp.weebly.com/my-free-books-and-free-padgett-messages.html>

It is suggested for one to consider reading as follows:

**Speaking with Mary Magdalene and Jesus – books 1 – 4**

These four books encapsulate the second of the revelations with the first having been introduced by James Padgett one hundred years previously. These four books provide a wide range of guidance that has never previously been made available.

**Paul – City of Light**

As a gentle intro into the Divine Love and Healing; being James Moncrief's first novel and it's been criticised as being too heavily clichéd, but that's the point because it's a reflection of how he was back then.

**Ann and Terry**

For an example of people who might want to immediately start working on themselves and doing their Healing.

**Feeling Bad? Bad Feelings are GOOD**

For more understanding about our denial of our feelings and why we should not deny our feelings, and it includes how it all came about for James, using himself as an example.

**Feeling bad will make you feel BETTER – Eventually!**

This includes specific examples of Marion and James working on expressing particular bad feelings, again with the hope that it will help others gain something of an idea as to what's involved in doing your Feeling Healing.

**Sage – and the Healing Angels of Light**

Through Sage who's 13 years old, the story is primarily about the two aspects of healing; that being, with the help of our angels, and the full Healing we can do by looking to our feelings for their truth.

**Religion of Feelings  
Feeling Healing**

**Welcome to LOVE – the Religion of Feelings  
you can heal yourself through your feelings**

So these books, including the four Speaking with Mary Magdalene and Jesus books, provide the essence of it all and are examples of James' work. Then it's up to whatever takes one's fancy. Other reading to consider may include:

**The Padgett Messages being published as:****The True Gospel Revealed Anew by Jesus volumes 1 – 4****Book of Truths by Joseph Babinsky****The Urantia Book**

**Release one's pain through expressing one's feelings.**

**in conjunction with**

**Longing for the Truth when also longing for Divine Love.**

**FEELING HEALING with DIVINE LOVE is SOUL HEALING:**

*A collection of 'papers' that draw together specific topics including all of the above and more from other sources of information and revelation designed to help increase one's awareness about why we have the problems we do and how to heal them, all whilst living a more healthy and sustainable life. They provide a brief snapshot of the more complicated topics and issues.*

**Firstly, consider discovering the truth of your emotional pain through Feeling Healing.  
Secondly, consider longing for our Heavenly Parents' Love as you progress with your healing.  
Primary and most important readings are the writings of James Moncrief.  
Then consider the Padgett Messages, and then The Urantia Book.**

**Great Gifts through our Feelings are:**

**The Awareness of our Heavenly Mother  
and Father**

**That our soul is a duplex – both male  
and female – one soul, two personalities**

**That Feeling Healing with Divine Love  
is our pathway to Paradise – our true  
home**

**Freely expressing our Feelings to a  
companion is expressing our true  
personality – the personality bestowed  
upon us by our Heavenly Mother and  
Father – our true Mum and Dad!**

**These are truths of living  
Feelings First Spirituality,  
The New Way**
