## PASCAS UNIVERSITY – WE LEARN BY DOING

### What makes poor people remain poor despite working hard?

<https://www.quora.com/>

[Awdhesh Singh](#) author: Pearls of Wisdom from Everyday Life

**People are poor or rich not because of their hard work.**

**People are poor or rich because of the skill set they possess.**

Let me tell you a small story.

A giant ship engine failed. The ship's owners tried one expert after another, but none of them could figure out how to fix the engine.

Then they brought in an old man who had been fixing ships since he was a young. He carried a large bag of tools with him, and when he arrived, he immediately went to work. He inspected the engine very carefully, top to bottom.

Two of the ship's owners were there, watching this man, hoping he would know what to do.

After looking things over, the old man reached into his bag and pulled out a small hammer. He gently tapped something. Instantly, the engine lurched into life. He carefully put his hammer away. The engine was fixed!

A week later, the owners received a bill from the old man for **\$10,000**.

“What?!” the owners exclaimed. “He hardly did anything!”

So they wrote the old man a note saying, “**Please send us an itemized bill**”.

The man sent a bill that read:

Tapping with a hammer..... \$ 2.00

Knowing where to tap..... \$ 9,998.00

**While anyone can hammer, you need tremendous knowledge, skill and years of experience to know where to tap.**

And knowledge and skill does not come free.

**It is quite expensive to acquire knowledge in the modern education system, which the parents of poor can't afford.**

**Hence, they also don't get opportunity to occupy important position to sharpen their skills and gather experiences.**

Hence, they are forced to do the jobs that needs **bare minimum skills**.

And they continue to get **bare minimum salaries** for their work.

Hence, they remain poor despite working hard throughout their life.

# HOW MUCH WE LEARN...

**However, we learn more through our feelings than we do through our mind!**

**Feelings First with Mind to follow in support.**

THE  
**GREATEST  
SHOW**  
is ON EARTH

**HEALING** ends  
**MIND-CONTROL!**

**This time, in the history of humanity, is the most exciting time ever experienced.**

# HEART & MIND

## Finding the Truth

A false dichotomy of the  
mind

**our MIND is a CONTROL ADDICT!  
our MIND is addicted to UNTRUTH!  
our MIND cannot discern TRUTH!**

**our MIND is within our SPIRIT BODY  
and orchestrates our physical BRAIN.**

**ASSUMPTIONS are the product of our MIND!**

**HEALING** ends  
**MIND-CONTROL!**

**our SOUL is our TRUTH!  
our FEELINGS are our TRUTH!  
FEELINGS FIRST, mind to follow!**

**all we need is WITHIN.  
our MIND suppresses FEELINGS.**

# ASSUMPTIONS *and the* MIND

Truth, until now, has been 'rationalised' by the mind. The mind cannot discern what truth is. The mind is addicted to untruth as well as control over the environment, others and the personality to which it is associated with – you and me!

My personal experience is that through the mind, assumptions are generally about 98% flawed and in error. The 2% accuracy is from flukes!

You may listen to endless 'debates' and discussions that may go on for hours and the mental hi-jinks are pathetically insane.

When you quietly sit there and use kinesiology muscle testing you can resolve what the answer to what is being debated in seconds – well minutes in some cases.

You may wonder why this is not generally known. Dr David R Hawkins published *Power vs Force* in 1995. Well, it does not suit people that want to keep secrets. Further, the process is free – you do not make a profit out of it!

What is true and what is false can be determined in seconds. You do not have to read the material, document, book or see the movie – you can calibrate the level of truth of anything in seconds. Not only can you determine if something is in truth or not true, but also the level of that truth. You can calibrate a book, then its chapters, then page by page, paragraph, line, whatever you feel is needed by you.

A few followed the secret process of the election of a pope for the Roman Catholic Church. They determined who the front runners were, what the elimination round of voting resolved, then down to the final two, who they were, then who won, and then who voted for him and who didn't. They had answers before the black then white smoke came out of the chimney. It is not difficult, you can do it.

The focus here on 'assumptions' is that a great deal of what we live our lives by is based on assumptions. All of these assumptions can now be revisited and the restructuring that will follow will be all embracing.

**Suppression of feelings being the core cause!**

**Suppression & Repression = Universal Depression**

## Living Feelings First growth potential is

Our Feelings are our Supreme Guide! Truth is found through our feelings, we are to long for the truth about what our feelings draw our attention to. Our soul based feelings are always in truth. We are fully self-contained. This simple fact has been hidden from us for 200,000 years while our hidden controllers, the evil ones, kept us under their selfish controlling agenda.

Living through our feelings first with our minds to follow in assisting with what our feelings guide us to consider is a rewarding, freeing and vibrant life. Whereas we all have been retarded through living mind centric.

Living through our Feelings First, the New Way, and longing for truth of what they are to reveal, expressing what we feel, both good and bad, will enable us to progress through the Feeling Healing Mansion Worlds while living on Earth. With Divine Love we will be fit to enter the Celestial Heavens and then progress through all the Celestial Heavens of our local Universe of Nebadon and then onwards to Havana and Paradise, the home of our Heavenly Mother and Father.

Not only will we progress beyond 1,000 MoC when transitioning into the 1<sup>st</sup> of the Celestial Heavens, by the time we reach Paradise we will have progressed to what could only be described as infinity – well not quite – but we will be truly awesome in our evolution and development.

## Living mind-centric limits growth to 499 MoC

We all live through our minds! We all suppress and ignore our feelings. This has been how we have been led to live by high level spirits who had ambitions of self-glorification to our detriment. These wayward spirits had allusions of expansionary empowerment and they needed Earth's humanity as their foot soldiers! Through their deceit, we would continue to live in spirit as we do on Earth without any prospect of progressing out of the spirit mind Mansion Worlds.

Should we continue with aspirations in the perfecting of our mind then we can progress from the 1<sup>st</sup> spirit Mansion World to the 2<sup>nd</sup> mind spirit Mansion World, then 4<sup>th</sup> and finally 6<sup>th</sup> mind spirit Mansion World to a dead end. In these higher worlds we may appear to be guru type personalities but we have gone further away from God – we have then perfected our evilness!

The mind can even stave off the time when the Law of Compensation is addressed.

A U-Turn is required and then one would commence embracing their feelings and progress through the Feeling Healing Mansion Worlds 3, 5 and 7. With Divine Love then on completion of the 7<sup>th</sup> spirit healing Mansion World process we transition to the 1<sup>st</sup> of the Celestial Heavens.

While we suppress and ignore our feelings we are living in hell and putting ourselves through untold misery, pain and suffering when we can achieve healing to the level that we are living as Celestials while in the physical on Earth!!!

We have all been guided and taught, from the moment of conception through to our death, to be mind centric, to worship our minds, to believe that through our minds we can achieve all heights of excellence and wonderment, even to become mini-gods. This we adhere to by suppressing our feelings, ignoring our feelings, all the time when it is our feelings that is our doorway and path to freedom, ingenuity, intuitiveness and evolutionary progress. We are fully self-contained. Our feelings are always in truth! Our feelings are to guide us, lead us, be our beacon of light, and our mind is to follow in supporting and assisting in implementing what our feelings are prompting us to embrace. Feelings First is how we are to live. It is through living feelings first we enter upon the pathway to Paradise – the one and only pathway that there is!

- Politics become the hope for man's salvation.
- Cause no harm to others starts to emerge. Power overrides force. Illness is developed by those man erroneous emotions that calibrate 200 and lower.
- Armies around the world function on pride. Force is now dominant, not power.
- Harm of others prevails, self-interest prevails.
- Totally self-reliant, not God reliant.
- Fear dominates all motivation.
- Suicide is possible and probable.
- At these levels, seriously harming others for even trivial events appears to be justifiable.
- Poverty, unemployment, illness, etc., this is living hell on Earth.

First to be considered is the education index, anything less than .750 and you have all the social ills within that population.

NOTE: Upon achieving MoC 1,000 there is NO disease or social illness or societal issues!

How can we identify the population to focus upon? As can be seen, any community calibrating less than 200 on the Map of Consciousness table needs a lot of structured educational attention and not the education system presently generally provided.

Utilising kinesiology muscle testing in conjunction with the Map of Consciousness, the overall calibration for the population of a state, a region within a state, a city, suburb, town, village, even a city housing block, house, down to each individual, can be calibrated should you have clear information identifying these.

# We do everything possible to avoid our Feelings!

We embrace the controlling natures of our mind to fill our day with activities that avoid our inherent truth to rise through our feelings and then having to express them and seek the truth behind them. We submit to imprisonment within our minds and willingly allow our life to roll on in a retarded and aimless manner that we can continue in earnest even when we transition into the spirit mind Mansion Worlds. Everything we may do is to avoid meaningful communication with another person and to distract ourselves from allowing our feelings to bring forth the vibrant and incredible true personality that we are that has been suppressed throughout our early forming years, from conception through to six years of age. Eventually our soul will say enough is enough and we will be confronted with a crash to open ourselves to our feelings and heal our Rebellion.

The **I Love Reading** Program uses a unique colour and number system to identify the key phonetic sounds in the English language. Comprising 22 vowel sounds, 18 consonant sounds, and 7 digraph sounds, ILR uses a system of universally recognised colours and numbers, to allow every English sound and word to be 'read'. This facilitates the learning of the 2 million plus words of the English language, and will enable early readers and non-English speakers to have immediate access to the correct pronunciation of words, regardless of their complexity.

One of the unique features of **I Love Reading** is the initial, fast-paced delivery of information. All sounds are presented in the English Phonetic Code over a short period of time. This intentional, rapid delivery of information ensures every early reader has access to the complete range of sounds. Subsequently, readers can then access skills and resources at their own level and pace.

Both individual student and classroom results show that the rate of learning English using the **ILR** Program is significantly higher than conventional methods or programs. By the end of their first year of learning to read, students have generally progressed 1½ to 2 years ahead in their literacy understanding. This advantage continues to grow throughout ongoing education.

# EDUCATION DYNAMICS

## *Mobilising Feelings for a Sustainable Future*

Special focus and consideration to be supported throughout the PASCAS education community:

- Building design to account for the needs of blind, deaf and disabled. Disadvantaged students to be embraced.
- Classroom size target is twelve (12) students with a maximum of fifteen (15) students.
- Generous libraries, science laboratories, computer labs, technical and kitchen facilities.
- Adequate land for adding future education facilities.
- Unique gathering hubs for clusters of students to tutor each other.
- Sporting facilities to be dynamic and comprehensive.
- Accommodation for educators and support staff as required and appropriate.
- Visiting educators as well as guests to be facilitated.
- Student housing to be provided and/or supported.
- Students' books, technical equipment, musical instruments and their appropriate teaching aids to be subsidised or free.
- Students to be each provided with laptops and access to internet.
- Students' meals to be provided – main meal and breakfast as appropriate.
- Student excursions to be subsidised or free.
- Student travel costs to and from school to be assisted as appropriate.
- Students requiring 'pocket money' – living allowance – to be assisted.

No child is to be deprived from the opportunity to be their true and full personality.

# TALK IT OUT

We are to express our feelings, both good and bad, and nothing is sacrosanct or to be withheld.

All that's wrong and untrue within us has to be expressed out of us, each of us, it all has to come to light for us to see the truth of. We have to know the truth of ourselves and the truth of our family relationships.

Everything needs to be expressed, to come out into the open.

What enters emotionally has to be expressed emotionally – it has to come out emotionally – leave us emotionally!

However, we are not to act upon what we are feeling emotionally! We are not to act it out! But, we are to go on and long to know the truth of what is behind our feelings, why we are having these feelings and experiences.

Long to the Mother and Father for Their Divine Love, and ask Them to help you see the truth through your feelings – that which They want you to know. Long and ask; long and pray. Pray to see, know and BE the truth, the truth of you – of all of it!

**The elephant in the room being: CHILDHOOD SUPPRESSION**

**The pathway forward is to embrace: FEELING-HEALING**

# Childhood Suppression

The soul does it all.  
The soul is a duplex,  
two personalities being  
manifested into the  
physical by our soul.

Soul light continually  
flows from the soul  
through our spirit body  
levels and into our  
physical.

Return light being the  
experiences of our  
physical existence.

## SOUL

Childhood suppression  
imposed upon us by our  
parents and carers  
causes retarded light to  
return to our soul  
bringing about  
imbalance, reflecting  
emotional injuries and  
errors of belief. This  
imbalance is the cause  
of all our difficulties  
throughout our adult life  
and also all of our health  
issues.

## SPIRIT BODY

Brennan Model of the 7 Levels of the Human Energy Field

Every experience is recorded through the light returning through our spirit body and back to our soul. What emotional injuries we experience, commencing from conception, has to be expressed emotionally to heal the imbalance in soul light so that harmony and health can be achieved in our spirit and physical bodies. Childhood Suppression is the underlying cause of disease, illness, etc.

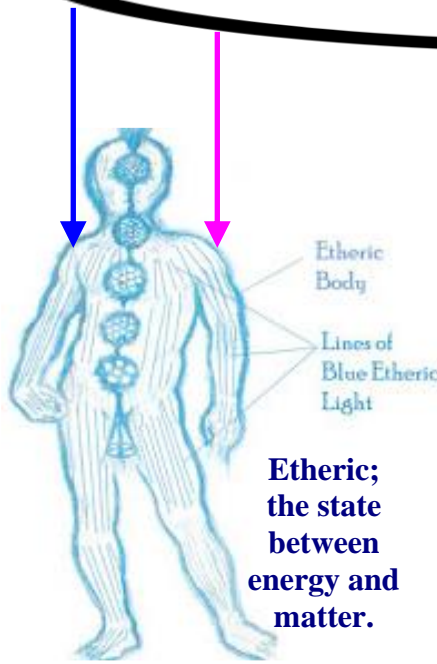

# Childhood Suppression

Childhood Suppression – from conception to age six years – harmfully encrusts the soul, thus impeding light flow throughout all seven layers of the spirit body, damaging the genes within the spirit body which in turn damages the genes in the physical body, as well as setting the pattern for all of our physical health issues throughout our lives.

## SPRIT BODY Brennan Model of the 7 Levels of the Human Energy Field

The spirit etheric body is the template for our physical body, however, no health care system or science considers that the underlying cause of any health issues are formed through our Childhood Repression and that no physical healing occurs without expressing our childhood suppressions, being feelings both good and bad and then longing for the truth behind these injuries. Medicine may suppress the pain – it does not and cannot cure – vaccines are extreme physical suppressions!

**The pain from ANY illness will not exceed the pain experienced during our Childhood Suppression!**

**SOUL LIGHT emitted is to be BALANCED by the LIGHT RETURNED!**

**Two separate personalities on parallel 'circuits' having the same soul.  
What impacts one personality does not impact the other personality.**

**ONE SOUL - TWO PERSONALITIES**  
**Our soul is a duplex!**

Soul light passed to either personality is returned completely **if** the personality is in a perfect state. Imbalances occur in the spirit body and consequently the physical until Feeling Healing is complete.

# Health of all of Our Bodies

The elephant in the room is our Childhood Suppression, from conception through to age six years.

This impedes the circulating flow of soul light thus bringing about imbalances throughout our spirit and physical bodies. This manifests as discomfort, pain, illness and disease throughout our lives. All 10,000 identified diseases are of the consequence of Childhood Suppression in its numerous formats.

We are to express our feelings, both good and bad, to a companion who is open to hear what is coming to surface for us. We are to long to know the truth behind those feelings. What enters us emotionally is to be expressed emotionally. This is our Feeling Healing. This is the one and only pathway to bring about healing and harmony throughout all of our bodies, including physical.

CHILDREN FIRST and WOMEN’S LIBERATION:

# Put Children First

and

*“The True Liberation of Women is Through the Truth of Their Feelings.”*

The greatest gift we can give our child, is allowing it to be freely able to express itself, helping it to feel good about being able to say and express and communicate all it feels. **THERE IS NOTHING BETTER FOR A CHILD TO FEEL THAN KNOWING ITS PARENTS COMPLETELY WANT IT TO BE EXACTLY HOW IT FEELS IT WANTS TO BE.** To be completely unconditionally accepted for all that it is. Then it feels loved. Put children first.

and

Women ARE the true spiritual leaders, ARE able to live true to their feelings, and need to be recognised as such, appreciated for being so amazing in that capacity, and so supported and put first, something the man finds hard to do because of all his rebellious programming about being the superior dominant one.

Parents who are fully healed through Feeling Healing will come to find that their children will not suffer illness! As parents make some progress with their Feeling Healing, benefits do pass to their children. However, it is most likely that generations will come and go before society achieves utopia.

**POTENTIAL to BENEFIT your CHILD through our own FEELING HEALING:**  
**This steps down each seven years as the child matures**

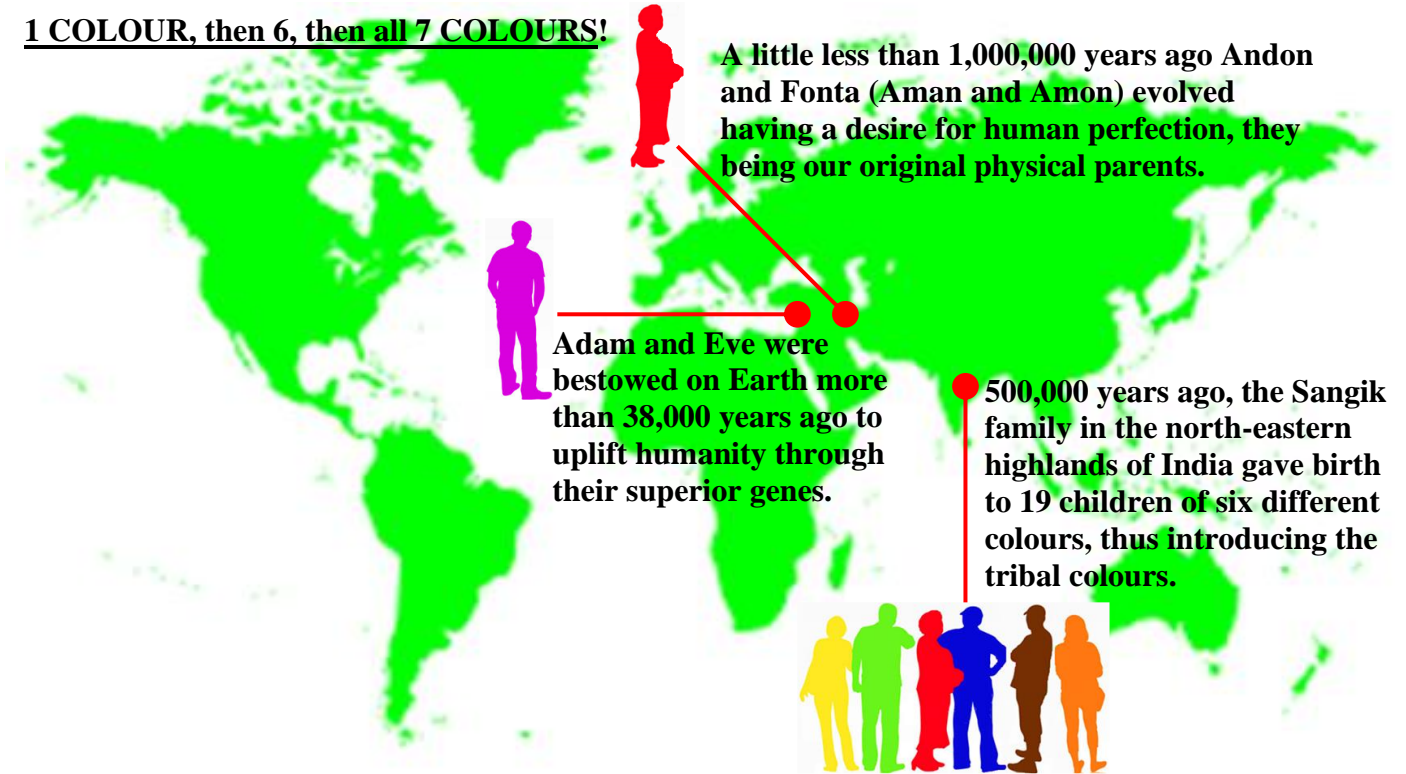

**From conception to age 6 or 7**      **From 8 to age 14**      **From 15 to age 21**      **From 22 to age 28**  
**As we heal, we directly heal our children similarly.**  
**The Indwelling Spirit arrival for the child around age 6 or 7 starts their independence.**

Each generation of 25 years or so will see marginal embracement of Feeling Healing, however in 1,000 years it will achieve universality.

A few will complete their healing during their lifetime, but for many it will be incremental.

A humanity is endowed with seven colours, just like the rainbow in the sky!

993,500 years ago, our first humans were the twins, Andon and Fonta and they were redskins having an appearance approaching that of the Eskimos. These red skinned people travelled far from south of the Caspian Sea, reaching Tasmania – Australia’s south, 950,000 years ago!

Re: The Urantia Book

500,000 years ago the Sangik family in the north- eastern highlands of India had 19 children, 5 red, 2 orange, 4 yellow, 2 green, 4 blue, and 2 indigo (black) – the first and only rainbow family!

These formed groups and sometime later the orange, green and blues died out – killing each other!

Adam and Eve materialised on Earth more than 38,000 years ago and introduced the remaining colour, violet (white). As you can see, there are no black or white people!

Earth’s humanity now has four colours, red, yellow, indigo and violet. They will intermingle and blend to become of an olive complexion!

As humanity's colours are to blend, so will our prejudices mitigate. Over time national borders, racial precincts, ethnic groupings will also blend and barriers will be dismantled. With the earthing of the Law of Compensation all these developments will bring about an era of 1,000 years of peace and harmony. One Soul = Two Personalities

The capabilities and potentialities of every individual personality is only limited by their childhood suppression and repression. Once we heal, then our self-expression will reveal our true selves.

# Soul Partner

Many long for and seek their soulmate / soul partner which they will find only upon completing their Feeling Healing. And should they have embraced Divine Love, becoming of a Celestial soul condition. Our soul is duplex. One soul expresses two personalities – one being female and the other male – always. There is no homosexuality on a soul level, only on a dysfunctional personality level. When each soulmate couple have respectively healed the Rebellion and Default within them, then being compatible partners for all of eternity, embark upon their joint journey (ascension) to Paradise – the home of our Heavenly Mother and Father – the Original Soul Partners!

During 2020, this account was made of soul partners of a family group who had lived close together in a small rural community in mid New South Wales of Australia. They are all now in the Celestial Heavens. More or less, the diversity of experiences and journeys may be considered typical for many billions of family personalities:

Nanna Beth's soul partner lived and worked in Western Australia's gold mining industry at the same time that Beth lived in New South Wales, Australia.

Her daughter, Marie's soul partner is a native from the Middle Eastern Kingdom of Quasoria, which no longer exists, but was on an island in the Pacific that also no longer exists. He's what you would call an ancient spirit, from three pole shifts back. (A pole shift is a cyclical event that unfolds around 12,000 to 13,000 years, the last one being more than 12,000 years ago. That suggests he may have lived on Earth some 40,000 years ago. Adam and Eve materialised on Earth more than 38,000 years ago in the Middle East, on a peninsula at the eastern end of the Mediterranean Ocean.)

Kevin, born in 1937, married Marie's eldest daughter. Kathaleen, Kevin's soulmate / soul partner was born in 1901, and is from Tennessee, USA, and is black. Kevin is white, so they are 'salt and pepper'.

Bradley, Kevin's son, suicided in 1999, and early April 2018 became Celestial. Bradley's soul partner is from the region that is now Russia – but it was not when she lived.

Raymond, Nanna Beth's grandson, died aged 23. Raymond entered the 1<sup>st</sup> Celestial Heaven in May 2018. His soulmate / soul partner had been in the Celestials for about twenty years and she was in the third Celestial Heaven sphere then. She is from northern Europe.

Benjamin John, Marie's grandson, miscarried at twelve weeks and was spirit born. His soul partner is also spirit born and they are now in the 2<sup>nd</sup> Celestial Heaven, both having had lives in the spirit Mansion Worlds that replicated living as if they were on physical Earth.

Physical incarnation (individualisation) is complete with the first heartbeat, around 16 days after conception. Reincarnation is impossible. Annually, 130 million physical births take place, 45 – 50 million abortions as well as 45 – 50 million miscarriages. Childhood deaths annually may be as high as 10 million. Thus, around 45% of all incarnations do not achieve adult life.

While we remain living within the Rebellion and Default, we are rebelling against our soul; and consequently, against our soul partner. If we were able to find our soul partner, let alone recognise him or her, we would more than likely be repulsed by each other. Upon completion of our Spiritual Healing, usually we become connected with our soul partner, and then it is so for eternity.

**LEARNING for ETERNITY:**

The journey that we are on and the life we are to live is a never ending adventure of learning.

We may gaze at the stars in wonder for they are homes to our neighbouring humanities. While we live through and worship our minds then we will stagnate. This time in history is the Great U-Turn.

We will now embrace our soul-based feelings, the truth within us, and have our minds follow. Not the other way as it has been throughout the Rebellion and Default with the mind suppressing our feelings and we being in denial of our condition.

Through our feelings we will put aside the limitations and barriers that our mind restricts us to. We will discover the wonder of ourselves and our amazing potential. We will recognise that females and males are equal and are truly partners in all we do.

We will discover that one soul manifests TWO personalities, one female and one male, and that our true partner is our other half of our soul!

We will become free!

*Before we are conceived, we have had nothing to do with the culture or heritage into which we are about to be born.*

*Conception is individualisation of our unique personality!*

*Then our parents and carers infuse us with their errors and injuries!*

*We perpetrate their erroneous ways!*

*It's all about*

# Truth is Freedom

Before being conceived, we each have had nothing to do with the culture or heritage of the family and its people into which we are now born.

After we pass over into our spirit lives, we each will have little or nothing further to do with the culture or heritage of our family that we lived with on Earth.

We each are one of many voices within our communities.

We are to embrace our experiences and limitations of our family upbringing which our soul has desired for us to have. We are spirit personalities having a physical experience and this physical life here on Earth is the commencement of our incredible journey which will take us through many universes.

We are not to accept the limitations, the psychic barriers of our family, nor those of our national culture and its ethos. The people of a community, a region, a state, a nation respond to and reflect a common set of values, customs and culture, which is passed down through the generations, this is a psychic imposition or barrier that inhibits evolution, our true self expression and our growth in potential and personality.

Now, it is this time in history that, individually, we each are to free ourselves of the Rebellion and Default that has been imposed upon us by hidden controllers, both of those from within the spirit worlds and of their defacto agents here in the physical.

We now have the option to embrace and enjoy the freeing truths that our soul can and will expose to us – we are fully self-contained. We are to look within, to our feelings, and to long for, to ask for the truth that our feelings will exquisitely and amazingly reveal to each of us.

The wonders of intuitiveness and spontaneity are ours to behold, experience and enjoy – this is of our choosing. We can continue living a limiting mind-centric life or embrace living Feelings First – The New Way – with its infinite potential. The gateway is now open and the pathway is defined.

This we are to share with all of humanity as we are Freedom's voice.

## ONE SECOND TO MIDNIGHT

# **PSYCHIC BARRIERS to CHANGE!**

**To put it succinctly:**

**We have been driven, generation after generation, to embrace our minds to the point that we blindly worship our minds, due to the fact that high level spirit controllers considered we would fall to their coercion.**

**Our minds are addicted to:**

**Control over others;**

**Control over our environment.**

**That males are now addicted to having females subservient to their control.**

**That our minds cannot differentiate Truth from Falsehood.**

**That our minds are addicted to untruth and that 'fake news' and propaganda will be believed by a gullible, subservient audience.**

**That consequently, the sheeple will march to war without questioning.**

**So, financial gain for the few hidden controllers is the trigger for never ending wars, if they cannot enslave nations through debt by other means!**

**We, here on Earth, live in a physical HELL!**

There is NO correlation between atmospheric CO<sub>2</sub> and global temperatures!

### TEMPERATURE CURVE LAST FIFTEEN THOUSAND YEARS

**HIGHER CO<sup>2</sup> LEVELS are CRITICAL for FOOD PRODUCTION**

**How long do you think Earth has before all life goes extinct, due to either humans or natural causes (asteroid, global warming)?**

It really depends on how soon CARBON SEQUESTRATION efforts can reduce atmospheric CO<sup>2</sup> from 400ppm to 200ppm and cause a chain reaction of extinctions.

**Long term levels of CO<sup>2</sup> in the atmosphere have been typically 1% (10,000 ppm). CO<sup>2</sup> levels would need to increase 25 fold to reach that level – and still be low! CO<sup>2</sup> levels presently are dangerously low and present worldwide famine potential! CO<sup>2</sup> levels approaching 0.100% appear to be optimum for global food security!**

Farm Greenhouses

Level in a room of people

**CO<sup>2</sup> has recently increased only from 340ppm to 420ppm, a long way off 1,000ppm!**

Throughout the first quarter of the 21<sup>st</sup> century (2000 – 2025), humanity has been hell bent on its self-destruction by endeavouring to lower the atmospheric CO<sup>2</sup> levels, should they have fallen to the low levels as noted above, worldwide famine would have unfolded!

Science is confused and frequently in error due to dependence upon mind-centricity.

## HOW DID THIS ERRONEOUS and HARMFUL PROPAGANDA ORIGINATE?

The alternative reality of what is causing global warming as well as what causes cataclysms, this being introduced by Chan Thomas with the false premise of carbon dioxide (CO<sup>2</sup>) as being the driver of global warming, while he was working with the USA agency of the CIA (Central Intelligence Agency). Through an act of Congress, being the Central Intelligence Agency Act 1949, encapsulating the Education Partnership Agreement, “improvement of education in science, technology, engineering, arts and mathematics”, which enables CIA to impose its programs of disinformation, as well as their own agendas and propaganda upon the people of USA through the education system as well as the media. However, Wallace S Broecker tried to give credence to the idea that CO<sup>2</sup> is causing global warming (Journal Science 8 August 1975). Broecker is really the father of global warming.

## CLIMATE CHANGE is ALWAYS UNFOLDING!

While there is ice on Earth's poles then we are in an ice age.

A 1.000% level of carbon dioxide CO<sup>2</sup> in the atmosphere could be considered 'normal and acceptable' – that is what many greenhouse operators strive for. Around the 1950s, CO<sup>2</sup> levels were at around 0.034%. Should they had continued to fall, then at 0.025% plants are unable to seed and any lower we have worldwide famine! As CO<sup>2</sup> levels have fortunately recovered to 0.042% (still at 1/25 of preferred levels) global crop yields have recovered to around 300% of the 1950s yields!

CO<sup>2</sup> is NOT a 'greenhouse' gas, it is to contributing to 'global warming. It is actually very marginally cooling the planet due to worldwide increased vegetation.

The transfer of the weight of moving ice is not changing sea levels. The continental / tectonic plates all float on liquid magna thus they adjust up and down as weight transfers – just like when ships come into port do not move the water levels.

The Sun does it all. The Sun's projected energy is received into the CORE of Earth and since the 1950s the increased energy within the core of Earth has naturally changed weather patterns globally. This is all cyclical and it is arrogant to consider that man has influenced any of this OR can influence any direction these events are going to take.

We all have been indoctrinated with vast amounts erroneous suppressive untruths which underpin the psychic barriers to humanity's evolutionary growth which we are now to put aside and progress from. The suppressive controls imposed upon all of humanity at all levels is to be exposed and dismantled. # Cooperatives for the Local People

Cooperative arrangements within communities may be focused upon small area enterprises through to whole of nation endeavours to bring to the global markets high volumes of quality goods derived through value adding processes applied to natural resources and regional produce from the land, river and sea, encapsulating all elements of farming and animal produce.

Microfinance typically engages a cooperative of around five women when financing home enterprises. A cooperative is particularly useful when local fishermen bring their catches together at canneries for preparation to market their fish to foreign markets.

The introduction of 'Craft Creations' is to enliven the community's recognition of their high quality traditional skills and then enable their customary craftware to be globally marketed through a cooperative of their own making.

This is all about cooperatives to bring to the fore traditional and innate skills that fulfil needs for people around the globe, not just the local village. A cooperative may embrace several nations.

Natural resources that may be used in producing high quality goods in large volumes include:

Forrest logs processed into high quality furniture in volume for large distribution chains.  
 Timber offcuts for high strength laminated beams and reconstituted timber products.  
 Local building systems utilising local resources for durable housing – local market solutions.  
 Hydroponics particularly for produce that is not native to the area and its climate.  
 Aquaculture in rivers, estuaries and sea to mitigate depletion of ocean resources.  
 Traditional home produce being increased in volume to provide famine relief worldwide.  
 Hemp production to be on scale to enable volumes sufficient for manufacturing processing.  
 Cocoa, coffee, moringa, sandalwood, tea, vanilla, plus others, cropping to be of commercial scale, cooperatively run. All farming and animal produce come into the equation for cooperatives.

What is available within a region and what may be introduced can now be thoroughly appraised and reviewed scientifically through local endeavours and with the support of research organisations such as CSIRO of Australia, increasing commercial options and products.

Nothing beats the insight and wisdom of the locals. Their FEELINGS, as well as our own, are to be embraced. Our feelings are the greatest guide as to how and what we are to embrace.

Education at all levels for all ages is our never ending journey. How it has been in ages gone by is not how it will continue. Dynamic change is unfolding and for those who embrace change, our futures are enticing, for those who don't they will have difficulties. We are to embrace and value add our natural resources, we are not to rape and pillage our environment, the forests are to remain, the rivers clean and our oceans are to restock with fish.

Now is the time for nation building, now we are to embrace self-sufficiency without the need for foreign goods and services. We have all we need within us and within our environment, so let us build the way forward for all within our community and show the world how it is to be.

## Value adding Natural Resources!

# Root Cause

Highly esteemed Lanonandek spirits from within our local universe of Nebadon were assigned as System Sovereigns of our local system to oversee Earth's humanity and their spiritual development. 200,000 years ago they, the Lucifers, became infatuated with their authority and turned against the regents of Nebadon, Mary and Jesus, as well as rejecting God. Through their Planetary Princes, also Lanonandek spirits, they had taken the humanities of 37 worlds within their local system into their Rebellion.

Through living through our minds, suppressing our feelings, we on Earth will continue to be at war with each other, illnesses of all descriptions will continue from our feelings suppression, famine and inequalities prevail, control of others is the core of all systems, we cannot determine truth from falsehood and life on Earth is a living hell. We have been continually seduced by mind Mansion World spirits and we live life in a stupor – nothing more than zombies doing the begging of the evil ones, the rebellious Lanonandek spirits.

Through living through our minds, suppressing our soul based feelings, we have been progressively going further and further away from our Heavenly Parents, now to the point that we cannot go any further. Through working cracks in the Universal Contract governing the Rebellion and Default, this control has been ended formally as of 31 January 2018.

# Pathway Forward

To liberate one's real self, one's will, driven by one's soul, moves one to embrace Feeling Healing, so as to clear emotional injuries and errors. With the Divine Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

**God's Divine Love: Pray for it, ask for it, and receive it.**

**The Golden rule is: Never interfere with another's will.**

**Golden Rule: that one must always honour another's will as one honours one's own.**

**New Feelings Way: learning how to live true to ourselves by living true to our feelings.**

**We are to express our feelings, both good and bad, at all times, and to long for the truth of them.**

**By living true to ourselves true to our feelings, we are living true to God. It's that simple.**

*Children are now to embrace and express their feelings in all that they do and experience. It is our feelings that are our guiding light of love and truth. Truth is love.*

## *Why?*

*May we ask why we have not understood this before? The Universal Contract governing the Rebellion and Default had to work its course. Cracks in it are now being worked to end the Rebellion and Default.*

*Education is to reveal itself through our feelings. Our soul based feelings are always in truth. And truth is love! We are fully self-contained. Our feelings are to lead our mind in all that we do, not live how we have been previously taught. It is that simple!*

*Within, I know who I am and what my future journey beholds! My feelings are to be my guide being supported by my mind - not the other way around as it has been!*

**FEELINGS ARE MORE THAN  
1,000s & 1,000s OF BOOKS!**

And I'll say it again, **life is actually very simple to live**, and really there is no great hidden mystery about it, it is always the same: **keep attending to your feelings properly as you long to know the truth they are to show you about yourself. And long for the Divine Love when you feel so inspired. And that's it! All the rest is only mind-games.**

So, what you are to do, is to allow yourself to be exactly as you are, which means, the real you, the imperfect you, the you you are doing all you can to hide, avoid and pretend you are not. You put on a false face to the world, which has to be stripped back revealing exactly how the real you feels about yourself, other people, the world and God. You have to become true to the imperfect you that you are, not trying to change it or pretend you're not that way. And this is what your Healing will do. Your feelings will lead you into seeing how you really do feel about yourself and everyone and everything else, and how feeling that way makes you feel. All so you can then come to fully accept yourself as you are in your imperfection, so you can simply be it, connect fully with it knowing how it all came about, so warts and all, being how your parents and other early influences have made you be. And this includes becoming aware of all your beliefs, and importantly, why you behave the way you do, and seeing if any of your behaviour is unloving, of yourself and others; and if so, why, and how did you develop such negative behaviour.

The Truth of You has to come to light, so as you are currently in and of the Rebellion and Default, so the Truth of You being of the Rebellion and Default, how they have made you be as you are.

**Your compulsion for mind-driven education is not needed if** you allow yourself to express yourself naturally, for your soul would lead you here and there, and what you loved and hated you would learn about and know naturally through your feelings. Your feelings will educate you if you pay full attention to them. And as you grow in truth, your mind will follow, it too becoming more proficient. Going to school and learning what you do is just another means of self-denial, it's just an extension of being with your parents and family, all helping you become more embroiled and empowered in your negative mind and will state.

**Schooling for the most part further helps you deny the person and limit experience.** How much experience can you have sitting at a table and listening to the teacher? It's all a mind experience, all to exercise your mind so it becomes ever more proficient at controlling you. It appeals to some people's beliefs of superiority, but for most what you learn is meaningless with nothing to do with your life or soul's

path, and only serves to stand between your feeling self and your mind. It is just more parenting, more of using your mind to try and gain more control, more power. If you learn stuff you can believe you are superior, more knowledgeable, more in control, more able to determine what you want and how to get it. Certainly learning how to do things is important, and can be done experientially and without the need of having to spend so much time separated from your parents and family in an artificial school.

The primitive mind which you look down on, is far more connected with the feeling side of itself, giving rise to a natural level of truth and love, leading to a happier experience within the tribal relationships. Being forced away from your 'family tribe' into a false one at school is so damaging and a major trauma for a young child, even if the child enjoys the experience. Learning by only the mind is not true learning, merely accumulating information.

**What you do truly learn can only be won through full personal experience.** Not all of you is engaged when you are sitting in a classroom having to keep applying only your mind. What your mind does with all the information will only go into helping it remain dominant over your feelings, thereby helping to maintain your dysfunction. Those people who take pride of place in your competitive mind world being the professionals, are only living mind contrivances, as such true realities don't actually exist. **The only real part in all such things is the personal experiences one may have.** The professional life of the mind is a pretence that will have to be shed if one is to do his or her Healing. Most of what you do for a living is valueless in itself, but does hold some potential truth, which actual experience of doing it offers, the **interacting with others.**

**Your experiential life is one of relationships, all the experience you will ever need can be had through relationships, for it is into this area that all the attributes of your personality can and are expressed. How you relate is paramount to your wellbeing. If you feel good and secure in your relationships, then you feel loved; if insecure, unloved.**

Being a child you so desperately want to be loved so you cling to your parents believing that they love you and you love them, but it is not true. Certainly some people do experience love and do love one another, but why we are adamant that mostly you do not love each other is because of your negative will state and associated negative mind. Sadly, what you know as love is subjective, discoloured by your negative state. If you saw pure love, you wouldn't recognise it nor want it, you'd possibly even be afraid of it. You have to slowly work your way into love from no-love. And to do this the Mother and Father have provided you with the Mansion Worlds in spirit and the corresponding levels in your flesh life. If you were to suddenly be projected into Celestial spirit life, you would die a million screams as the pain of such pure love would threaten to tear you apart.

You are conditioned to live in the negative, so you have to slowly acclimatise yourself to accept the positive. A tree growing bent over the years by a prevailing wind has grown to show the result of the incessant force that has been applied to it. If you applied a great force too quickly in the opposite direction trying to straighten it, it would break. It has grown to accept the force in its life, just as you have. But thankfully with the Mother and Father's Love you don't need to spend as much time with an opposing force to help you gradually come back into perfection. As to how long your Healing will take, you will have to live.

Illness emanates  
from the spirit!

**When you are physically sick, your physical body will be expressing the illness of your spirit, that which will be reflected in the 'illness' of your spirit body.** That which will be reflected in the 'illness' of your will; that which will be reflected in the 'illness' of your soul. If you could see into one's aura, you'd see all the trauma and damage done in all the subtle bodies and in your spirit body. Your spirit body does not remain perfect and only your physical body becomes sick, you only get sick because you are sick in your spirit body, which really means you are sick in your will, and so sick in your soul. The doctor might attend to your physical body and make you well, however this will only happen if it's what your soul wants; and if so, your attending Angelic Pair will make the necessary adjustments in your spirit body and subtle bodies so as to 'allow' the doctors doctoring to show positive effects. If the doctor is to fail, then it's

because the Angels didn't adjust the spiritual for you to become healed. People having limbs amputated might feel a 'ghost limb' which is really their spirit body arm or leg.

Your physical bodies are designed to be supported by nature, not attacked by it. **Only sickness of will brings about attack, and this only happens to show you that you are in pain, that you are not right, and that you need to seek the truth of your suffering.** However, the difficulty here is that the original causes have happened to you before you were six years old, and all that has happened since has served to only compound the problem. And as most people have difficulty relating to their earlier life, it is hard to see the truth of what was happening to your will back then is still happening now as an adult being expressed in your illness.

And so this remains the hidden truth of humanity and explains why it is so easily passed over and disregarded, although more people are now looking back into childhood more seriously, and it is becoming generally known that how your childhood was has underpinned your whole outlook on life. But this is only scratching the surface as to the truth of what you suffered on all levels. To restrict and interfere with a child's will is the cause of all problems then in the child, and as it grows up, and once grown up and forevermore until you do your Healing.

Age-group	Age
Gestation	conception to birth
Newborn	0 days to 1 month
Infant	1 month to 1 year
Toddler	1 to 3 years
Preschool	3 to 6 years
School age child	6 to 12 years
Adolescent	12 to 18 years

Our childhood formative years are from conception through to age of 6 years. Commencing at conception, we begin to take on all of the injuries and errors of belief of our parents and carers. We capitulate to adopting the ‘personality’ that our physical parents impose upon us, to the detriment of our true personality.

Somehow, we go on smiling and laughing...

You parent using your mind and without truth, and as your minds are rebellious, so you can't expect to be a perfect parent. Only when parents of Celestial truth parent their children, will such children grow up perfect. You are designed to parent with truth, so if you don't have any, you're not going to be much good as a parent.

A parent full of truth, such as a Celestial parent, by expressing, by simply living and being that truth (as it can't be anything else), will know innately, will know through and with that truth, everything its child needs; all how it is to relate to its child lovingly, and it will just be that loving expression of truth to which its child will lovingly respond. You can't learn how to parent, that is still only using your mind, you have to BE A PARENT OF TRUTH, and it just happens, you'll just parent lovingly with and from that truth. So whether you keep the reigns pulled in hard on your child exerting maximum control, or whether you loosen them allowing your child to all but run free, it's all still just different expressions of parenting with your mind. So, saying being a parent you are to do this and not that, is meaningless; being a Parent of Truth you will just act with that truth, being fully connected always with your child who constantly responds to your loving truth expression. And as you parent with and through truth, then you will understand naturally things about it with your mind. But Truth must always come first, not Mind.

**Mental or mind Truth-Seeker academically self-satisfies his/her own erroneous beliefs.**

**Through your own feelings you grow in Truth from your heart-felt feelings. Truth we seek is within us all.**

You are to find the truth of the Rebellion and Default within yourself – the truth of how you are rebellious. And the best way to do this is through your relationships. So your Healing will focus a lot on your interactions and connections with other people, and most importantly within your intimate relationship. And then to do with your parents and family.

You look at the mother as something of a god. So much is said about the 'mother's love', your whole civilisation might rupture and collapse if mothers stopped loving their children. You give such power to the mother; and a woman becoming a mother steps up into newfound power, she now has all power over her children, and far more than the father. And she's not a 'real woman' with real power unless she has children. She is in control, no longer having to be only subject to the control of her mother, and so you fail to see that all the problems a child has, results from her (and the father). So often the child is judged and seen as the bad one, they are to pull themselves together and grow up and do as they are told – behave properly. You put it on the child, that if it has a difficulty, it has to overcome it, and it is its fault. Rarely the blame is given to the parents, and even less to the mother.

In a way, each person's Indwelling Spirit, which is really God, is contracting out the work needed to be done with you to other agencies. So to us spirits, the angels, the nature spirits, other elements under the Divine Minister's control, and even other non-humanity spirits, all of which end up doing increasingly more amounts of what your Indwelling Spirit does. And this 'outsourcing' is to affect greater personality interaction, increasing your experiences so they are maximised through interaction with different personalities rather than just relying solely on God. Overall, we are to become increasingly at-one with God, but we are to do that by becoming increasingly immersed in the experience of being with others.

Nanna Beth – 3<sup>rd</sup> Celestial Heaven: 25 December 2018

We each have a band of a Nature Spirit pair, Spirit Guide pair, and an Angelic pair, each pair being in their 'soulmate / soul partner' relationship. In addition we have our personal Indwelling Spirit.

You don't look at everything that's wrong with the child is because of its parents, and with a large amount of the hands on work that's caused all those problems being with the mother because she spent more time with the baby and young child having to 'mother' it. So, the mother often gets let off of any blame, and the child coming and accusing the mother is frowned upon because how dare the child be angry with its mother 'after all the mother did for it'. Yes, all the bad things the mother did to it to cause it all the damage and problems it now has that's making it angry with the mother. And then so many rebellious teenagers grow up having been once angry with their mother, to when they themselves become a mother, suddenly realising how hard it is having to cope and deal with the baby and young child, stop accusing their mother, feeling sorry for her and coming back onto her side. For humanity to evolve to the point of fully understanding and so accepting that all mothers and fathers are going to do many bad and damaging things to their children because they are not true and loving, it will be very difficult, however this is what will need to happen. One can still be a parent within and fully of the Rebellion and Default, yet also knowing that you are damaged yourself and so will damage your child, and then you both being damaged as your child grows up, and once is an adult, even possibly helping each other do your Healing.

It has been very important for humanity to parent being rebellious, firstly to keep the whole thing going, and then to have the experiences of being the 'victim' as the child, and then the 'perpetrator' being the parent. All to provide everyone involved with all the rebellious experiences they need. And so it's conceivable that will still keep going with parents who are more aware of themselves being of the Rebellion and Default and so being more accepting of the truth that they can't be any other way and yet still want to have children.

Ideally however, which can only be done once Healed, respect for your child's will needs to be started well before you conceive one. It needs to be your state of truth, how you live your life, so you need to first heal your own will damage so as to be able to parent and guide another's will into being. You cannot believe or just want to respect your child's will, that being of your mind, it all has to come from and with truth, it has to be lived from the heart as an expression of the truth you are living. The truth being so strong you couldn't be any other way, so you simply couldn't act disrespectfully treating it unlovingly. As you are, being of the Rebellion and Default, you can't parent other than being disrespectful and unloving. Some people are more loving at times, and these times are mostly what the child clings onto, all the good memories of feeling loved, with all the bad unloving ones buried in the depths of forgotten memory.

**At conception, it is the wills of the parents that determines function or dysfunction of the child.** If you do your Healing with your child, nothing is ever too late, because as you grow in the truth of your rebelliousness, you will change how you relate to yourself and so too your child, and it will all be for the betterment of your both. Your growing child will positively respond to you, it will still be damaged, only not as much as it would have been. All is not lost up to six, from then on the child has fully taken it all on, but still it can with your guidance and support change as you change. It can long for the truth of its feelings, it can long for the Divine Love, it can learn how to express all its feelings without denying the bad ones. And even as an adult, your child can look to your Healing example and understand the changes you are going through and that too will have a positive effect on it. Or, if it rejects you and your Healing completely, then it's meant to move deeper into its mind rebelliousness and there is nothing you can do about that. That is what God will want it to do, it being the pattern of its soul. So you will have to let it go and get on with your own Healing; and possibly one day when it does its Healing you will be able to have a truer relationship.

**The highest most loving thing you can do in your life is to do your Healing – for yourself, your children, your relationships, for other people, for the whole world.** Even if you have to leave everyone who does not want to know you as you seek the truth through your feelings, or they leave you, it doesn't matter because in the long run it will all work out for the best, and everyone has to be allowed to live as they choose, complete respect of will, be it dysfunctional or not. You may feel very alone because no one understands what you are doing through your Healing and how its affecting you, however, that will be what you have to experience, it being how you felt at home with your family and parents – yet more bad feelings to express and long for the truth of.

You are living seven Mansion Worlds of corruption, all of which you'll work your way up through as you do your Healing. So, that is seven whole Worlds of untruth you'll be subjecting your child to. And you can't avoid it. Only as you do your Healing and move up through those Worlds will you lessen the negative effect. So, **you will be negatively damaging your child on a soul level, will level, spirit level and material level, the truth on all these levels.** And it's all borne out in your relationship – whether you are truly loving or not. And if not, which you can't be with seven Worlds of untruth within you, then how are you expressing this unlovingness, how are you being rebellious and against yourself, and why – what happened to you during your forming years that's made you be as you are. This all being what your Healing will help you see.

So, you are parenting your child with the most amount of will interference, and that is a lot of damage on multiple levels you are inflicting on that little innocent person. The child starts off at conception at a level of Natural Love perfection, so, the top of the seven Mansion Worlds, then through its parents and family, society, the world and everyone else that negatively affects it, is brought down to the level of truth of its parents by the age when its Indwelling Spirit arrives, about six to seven, so, mostly to that of the first and lowest World. And most people live their lives on that level, so, when they die they wake up literally in the first Mansion World, there being able to carry on living as rebelliously as they were.

So, many people comment on how pure a baby looks, and it is, compared to how it will look by the time it is showing all the will damage it has suffered at around six years old. Some people say when they look at their six-year-old child, that wonderful light it had as an infant is now sadly missing, and it is. And then others say that light their child had at six is missing now their child is an adult, when at six it was already living against itself. So, as a parent it's a terrible truth you'll need to face, that you have all but extinguished that inner spark of your child; and as the child you have virtually had all your inner light crushed out of you. If you could compare a Celestial pairs' child at six to that of any child at six years old on your world, even the most happy and seemingly positive child would seem so dull and devoid of any real spirit or light.

The image of the big overbearing parent standing angrily over his or her little child who is sitting crying on the floor of the Supermarket, is exactly how the child feels, completely overpowered and ridden to the floor, almost crushed out of existence, defeated, humiliated, rejected, utterly powerless; unloved – no one loves it, no one cares about it, everything makes it feel bad, it not getting the precious life giving love it really needs. And particularly from its parents, and from its so-called 'loving' mother who in that moment angrily standing over it is expressing the truth of how she really feels – that she hates her child and wishes she didn't have to deal with it.

The battle may be over an item on the shelf it wants but it parent does not want it to have, but this is only the exterior superficial expression of the material, when really it's a real battle of wills, and the child is losing being heavily abused and crushed yet again. Fighting your child's will is not the way to be a loving parent, and it's not really a fair fight, is it, you the adult-will beating your little child's forming will into submission.

# NEW FEELINGS WAY

And so many people would say this is good parenting, the child has to know its place, it has to know how to behave in the world – and its brute and bully of a controlling parent is the one to do it. And you hear people supporting the abusive parent; “Yes, it’s so hard when they are that age”, with only the rare person standing up for the child’s rights. And you call that ‘being a loving parent’, because an unloving parent wouldn’t beat its own child – surely?

You have no idea as to how you are treating your child, and that’s because it’s all how you, the parent, was treated, all of which it was forced to bury, just as you are forcing your child to do. So the child can grow up under the misguided delusion that its parent did all the right things it needed: its parent loved it so much; and yet, what about all those bad feelings the child is feeling, what happens to them? And the child can say in one breath, I love my mum so much, and yet within the same breath then go onto say all the bad things it feels its mum did to it. And the parent can say it loves its child so much, then verbally abuse it by saying it is no good, ugly, a useless waste of space. So many parents don’t even hear the constant stream of criticism that flows from their lips as they ‘love’ their child. It’s time for humanity’s parents, and its children, to wake up to the realities of what really is happening in their relationships.

Thank you James – Zelmar. (a Melchizedek from within our local universe of Nebadon)

**CHALDI COLLEGE – EDUCATION:**Nanna Beth – 3<sup>rd</sup> Celestial Heaven and James 28 July 2017

James: John has been wondering about how to set up schools and schooling under a tree, in keeping with it all being opposite to what we're all used to, can you give him any suggestions or point him in the direction he should look?

Nanna Beth – 3<sup>rd</sup> Celestial Heaven, John's grandmother: These are some ideas he can consider – just suggestions John, we won't say it has to be this or that way, as you know, it's for you to work things out. So basically, what would you like John – how would you have liked school to be?

# CHALDI COLLEGE

Schooling is voluntary. It should be made to be something children want to do, not something that's forced on them.

It should be fun, as in keeping the whole focus on making them feel good about all they are doing. Not artificially praising them or praising them over their peers, but just supporting and being personal with them, allowing them to respond and find their own way.

It should not be separated into classes based on age. Classes should involve all ages, for example, the younger ones can learn and watch and be helped by the older ones, but not forcing the older ones to help the younger, all voluntary and what would naturally happen, more like in a big loving family rather than segregated because of age or whatever. Perhaps the 5, or less, to 10 in one group, 11 to 16 in another.

Teachers are to be able to deal with children of all ages, and work to allow the student to progress at the student's own pace. Special or extra schooling can be provided when necessary to students that want more.

The subjects should all be practically oriented. Everything offered and so accepted voluntarily. Reading, writing and basic arithmetic, all so as to help the child deal with the real world. Other subjects like psychology – morals and ethics, love and friendship, acceptance and tolerance of ALL feelings, particularly bad ones, resolving disagreements, expressing feelings and yet not necessarily acting on them – particularly the bad ones, all based around how to respect and treat other people how you'd like to be treated. And how if you hurt by infringing upon another's will, then you will have to suffer that same amount of hurt, either now or in spirit. And about the Feeling Healing, what happens when you feel bad feelings, how to look to your feelings for their truth, so as to grow in understanding of yourself, nature, life, other people, and God – the whole spiritual aspect, including the Divine Love and Mother and Father, yet no religious indoctrination. The history, culture, place in the world. How to integrate with the modern world, computers, phones, internet, etc. Sport, play, arts, creative lessons and involvement. How to live and respect nature, the natural world, the environment, hygiene, natural health, sex, contraception, abortion and so on – about the person, the body, things to dispel myth and falseness, general science. Trades, technical work, hands on experience – building stuff, ways to use one's mind to do what one wants to do.

Duration of classes, half a day, longer when older for those wanting to learn more, homework voluntary and at the child's initiative – wanting to do it.

School is just part of life, not separate to life. Part of the family, tribe, society, not separate from it. Inclusion of other adults, parents, family members, as aides, helpers, teachers, together with professional teachers. Lots of people, and in particular older people (who also have the time), are natural teachers and should be encouraged even though they've not been specifically trained. One can only learn a certain amount being taught to be a teacher, yet in reality, very few trained teachers have any real natural feeling for it. The more the 'teacher' makes their pupil feel the pupil is the important one, and the teacher is only there to help them if they need their help, and not to stuff it down their throats whether they like it or not,

is where to begin. And how a child of differing ages learns, is as varied as the children themselves. So the more 'teachers' the better, and that means the child can gravitate to the 'teacher' that best suits them, rather than having to spend a whole year with someone you hate and you feel hates you.

University for higher learning, full on, voluntary, free, all information on any subject available with competent teachers. So the student can excel should they want to.

It all being with the focus on the person, offering them things which they can try and see if they like. Things that will help them in the world; and how to be a person living true to themselves – true to their own feelings; and how to respect another as one respects oneself.

James: Nanna Beth, John would like any comments on the Council of Elders continuing to contact people on Earth after he's croaked it.

Nanna Beth: It's as James said, there will be an increasing number of people opening up to us Celestials for all sorts of help, once they understand who we are and how we can help. So yes John, there will always be some main people on Earth we'll work with. And should it all keep needing to move along with one entity in control, such as what you're starting out with, then yes, that is how we'll engineer it. Should it break up or be broken up into many entities, then we'll be ready for and going with that. As much as we say we are in control, we mean that we are in control instead of the mind spirits. But still we are to work with humanity, in as much as humanity leads and we augment.

James: And Nanna Beth, I thought I'd ask you about the Religion of Feelings, as John is against a religion of any sort because of all that religions have done to us all, do you have any thoughts on it?

## Feelings First Spirituality, New Feelings Way

Nanna Beth: It's all up to you James, what you want. Of course you're not wanting to go and instigate yet another religion in which people have to adhere to a set of rules because you know what will happen to that, **any rules allowing people and their controlling agendas to take control over others, is something to be avoided at all times.** However the notion of a 'religion', and one based on feelings, with no fixed agenda, no rules, just founded on truths, will allow people to have some sort of structure to relate to should they need that, but one in which they are entirely free to do whatever they feel based on their feelings. And with the Feeling Healing and Soul Healing being at its core, then those people intent on that will be able to work on themselves and it won't matter to them whether they are part of something or not.

As you understand, some people will like the idea, others won't like the word religion and will want to do it alone, so do whatever you feel you want to do. We don't call it anything over here other than Our Healing, yet we all had embraced the Divine Love before we began our Healing, however potentially that won't be so for a lot of people on Earth, and to say that people have to embrace the Divine Love to do their Healing would cancel out a large amount of people and is putting a rule in place, which doesn't need to be there and would only get in the way.

So to call it a Religion and yet to make it as free as you are intending James, is something for you to decide for yourself, which really just gets down to using the word religion. And I know it appeals to you because it is a religion that is not a religion, yet more a true religion of truth than any of the existing religions are, so you're showing up those religions for the untruth that they are.

Anyway, it's what you want to do James, it's not for us to say one way or the other. And you will do what you want to do, you'll hear people's complaints or if they like the idea, weigh it all up, and still do what you want to do.

James: So you don't force or coerce anyone to do anything they don't want to do. Because who wants to be treated that way – no one!

# Living Feelings First is to replace Mind Centricity

A hidden very few controllers have orchestrated every system and way of living for humanity to be mind centred. While we live through our minds WE CANNOT EVOLVE!!! Our minds are wonderful but they are, in themselves, addicted to control over the environment, over others and ourselves, and our minds are addicted to untruth, they cannot discern truth from falsehood. We have been screwed for the past 200,000 years through these hidden controls.

Firstly, all the emotional injury that we take on, that we are infused with, commencing at the moment of conception, is what limits our capabilities throughout lives. It is these same emotional injuries, mostly infused upon us by our physical parents, which set in place our health throughout our lives, our social issues, our quality of life and our prosperity. However, through mind centricity we remain stagnant.

What we take on emotionally must be released emotionally. We must talk it out of us emotionally. The pain will be no greater than the pain that was felt when we were infused or repressed throughout our childhood forming years. But this is the one and only pathway to heal and evolve beyond the zombiism that we see around us. We are all functioning in a stupor due to the limitations of mind centricity.

Our feelings are always in truth, they are our truth. With truth we have freedom and prosperity – yet we will need little – as our fears and addictions will be put aside. The connectivity with the spirit worlds will also open up to those who heal through their Feeling Healing.

It is suggested for one to consider reading as follows:

**Speaking with Mary Magdalene and Jesus – books 1 – 4**

These four books encapsulate the second of the revelations with the first having been introduced by James Padgett one hundred years previously. These four books provide a wide range of guidance that has never previously been made available.

**Soul Light – books 1 and 2**

A Melchizedek, Zelmar, sums up how we are to heal ourselves and ascend to Paradise.

**Paul – City of Light**

As a gentle intro into the Divine Love and Healing; being James Moncrief's first novel.

**Ann and Terry**

An example for people who might want to immediately start working on themselves and doing their Healing.

**Feeling Bad? Bad Feelings are GOOD**

For more understanding about our denial of our feelings and why we should not deny our feelings, and it includes how it all came about for James, using himself as an example.

**Feeling bad will make you feel BETTER – Eventually!**

This includes specific examples of Marion and James working on expressing particular bad feelings, again with the hope that it will help others gain something of an idea as to what's involved in doing your Feeling Healing.

**Sage – and the Healing Angels of Light**

Through Sage who's 13 years old, the story is primarily about the two aspects of healing; that being, with the help of our angels, and the full Healing we can do by looking to our feelings for their truth.

**Religion of Feelings  
Feeling Healing**

**Welcome to LOVE – the Religion of Feelings  
you can heal yourself through your feelings**

So these books, including the four Speaking with Mary Magdalene and Jesus books, provide the essence of it all and are examples of James' work. Then it's up to whatever takes one's fancy. Other reading to consider may include:

**The Padgett Messages being published as:****The True Gospel Revealed Anew by Jesus volumes 1 – 4****Book of Truths by Joseph Babinsky****The Urantia Book**

**Release one's pain through expressing one's feelings.**

**in conjunction with**

**Longing for the Truth when also longing for Divine Love.**

**FEELING HEALING with DIVINE LOVE is SOUL HEALING:**

*A collection of 'papers' that draw together specific topics including all of the above and more from other sources of information and revelation designed to help increase one's awareness about why we have the problems we do and how to heal them, all whilst living a more healthy and sustainable life. They provide a brief snapshot of the more complicated topics and issues.*

**Firstly, consider discovering the truth of your emotional pain through Feeling Healing.  
Secondly, consider longing for our Heavenly Parents' Love as you progress with your healing.  
Primary and most important readings are the writings of James Moncrief.  
Then consider the Padgett Messages, and then The Urantia Book.**
