BIG TICK is the BIG TRIP !

Upon incarnation, we achieve individualisation. That is the primary purpose of incarnation.

Incarnation occurs at the time of conception of the physical body with the spirit body. It is at this point in time that individualisation is achieved. Our physical life commences when the heart within the embryo commences to beat, that is somewhere between days 16 and 19 of conception.

The LAW of ATTRACTION and INCARNATION:

Received by Nicholas Arnold, 11th May.2006

Hi Nicholas, I am with you now your loving Celestial friend, Caspian Fontana. I am writing to you regarding soul's existence prior to incarnation. I will write a little with you on this subject this morning.

The Father creates the soul that eventually becomes two as it were, and these two attributes incarnate respectfully into a masculine and feminine existence on Earth. One need regard the soul's journey in four parts. The creation of its existence by the Father's Soul; the moment before incarnation; the souls' physical existence on Earth as a man or woman; and lastly it's life in the spiritual heavens in its spirit body.

The action of soul prior to incarnation follows a Law created by the Father, the Guiding Soul who enables the soul's existence to be in the first place. This is the Law of Attraction and Incarnation. The Law of Attraction and Incarnation exists so that created soul actually do incarnate. For if this Law did not exist, and then incarnation may in fact never transpire. The Law of Attraction and Incarnation is the Father's Way of ensuring that the created souls progress into life here on Earth with harmony. The souls prior to incarnation have no control over where they incarnate, they simply respond as it where and incarnation happens. The remarkable thing about this is that people all over the world have sex and babies are created and so the souls incarnate responding to the Law of Attraction and Incarnation. The souls do not have a decision of incarnation for if they were to pick and choose in a selective process for themselves to begin their life from a freewill decision, then this would ultimately bring disharmony into the Creational Sphere where *Pre-Incarnated Souls* exist prior to incarnation and would be contrary to fulfilling the Law. You can well imaging, the condition created if souls were freely able to choose a life incarnate for themselves. Souls may simply decide not to incarnate so when people have sex, and the makings of a life is conceived souls may simply refuse to incarnate based on their decision, and what would transpire would be the problem of conception without souls incarnating, which is impossible.

All of this is one of the great mysteries of life between Father created souls and the mortal life of people, for you have the perfection of the Father in all harmony creating souls then have their existence in the Creational Sphere that are perfect in attribute acting in accord with the Law of Attraction and Incarnation and then you have the seemingly random and all-over-the-place-ness of human activity in relationships that result in conception and are so mortal in action that how would all that which I have just explained be so, but it is true.

Even if two people conceive a child in the most horrendous of living conditions or have illness and so forth, the Law of Attraction and Incarnation still comes into effect and the pre-incarnated soul in the Creational Sphere responds and becomes part of that conception and eventual life in the physical. The soul is made of soul and is not physical so it can inherit the space of the physical very easily just as the developing spirit body is created in the physical. This reveals the fantastic creation and workings of the Father to see soul, physical and spirit all together as one individual in one place at one time. The drama that is experienced from the mortal view point is that souls are being incarnated into conditions that seem contrary to the harmony of Love and souls are being subject to the actions of people that seem contrary to the workings of Laws created by the Father, however, people are souls themselves and even though disharmony may bear fruit, the Law of Attraction and Incarnation still comes into effect and is not subject

to mortal causes otherwise the relationship between people and souls to incarnate would be fractured and cause a greater disharmony,

This makes one realise why people need to respect the creation of life and understand their shared responsibility of the creation of life and the Father's creation of a soul, and in this, when Divine Love is involved eventually the soul understands its journey and harmony of need as reflected here in the Celestial Heavens.

Caspian Fontana, Celestial Heavens.

“I love you Father.” “Let the Divine Love proclaim its energy into my soul.”

“Mother and Father, I desire your Love and I am loving you.”

“Soul God, I love you and I love receiving and experiencing your Divine Love.”

Try it; give the Love a go! If you want to shine, receive the Love.

One can simply receive the Love without following any religious or spiritual teaching taught by man!

WE are INCARNATED with Natural Love, but not with Divine Love:

We are conceived with natural love, however, we are not endowed with anything of the Divine. While we are without anything of the Divine, namely Divine Love, we can grow our natural love attributes and progress to that of being the perfect man whose lodging is found in the 6th Sphere. We do not have immortality without having received Divine Love.

Natural love radiance is very different from that which Divine Love brings.

The two loves complement each other, bringing about greater harmony.

When we become aware of the presence of Divine Love and subsequently ask for and then receive the Divine Love, our soul steadily starts to change to that which is Divine and we achieve immortality. This is the Immortal Choice that we can make whilst here in the physical or later in the spirit world. Once we add Divine Love to our being, we continue then with the two loves, that of the natural love and also that of Divine Love. As we continue and receive Divine Love, our soul condition progresses so that we may eventually enter the Celestial Heaven, 8th sphere and above, then progress further to enter the Eternal Spheres and then the Spheres of Paradise.

WHICH WAY? MIND SELF RELIANT or FEELING AND GOD RELIANT:

Maybe something like 30 billion people have recognised that our Mother and Father's Divine Love, together with embracing one's Feeling Healing, that with these two aspects, have progressed through the Mansion Worlds to the Celestial Heavens and onwards.

Mansion World 7: is then about still working with the deepest and residual bad feelings, whilst looking to sort out how you wrongly relate to yourself and others, nature and God because of being unloving, understanding how your relationships are unloving, how you don't connect properly, how unloving you really are and why and fully accepting the truth of it, coming completely to grips with your parents not loving you as you needed to be loved – sorting it all out, including your self and feeling expression difficulties.

Mansion World 5: is then about going right into the depths of them, feeling how unloved you feel and seeing how unloving you are and how that makes you feel, bringing out the majority of your pain, your misery, fear, anger, guilt, hatred, boredom, terror, rejection, nothingness, feeling powerless, alone and abandoned, and so on.

Mansion World 3: is for waking up to the truth that you're not loving and starting to get in touch with your pain, starting to accept your bad feelings, starting to work with them instead of rejecting them.

More than 200 billion personalities have embraced their mind and self reliance through the misguidance of 'New Age' styled ideologies and the many thousands of different religious platforms, all of which take the person further and further away from our Heavenly Parents.

For a million years, humanity has gone in the wrong direction with its self-denial of self and feeling!

I'D TURN BACK IF I WERE YOU!

The natural love spirit Mansion Worlds as to how they have been for all these hundreds of thousands of years and as they are set up currently, are to help spirits advance to the fullest of their self-denial that they can. That is, so as to become as evil as they can. And all under the guise of being 'loving'.

It's why they are called the mind worlds, namely Mansion World / spheres 1, 2, 4 and 6. That is because the spirits are using their minds to complete their rebellion – denial of self and feelings, and rejection of our Heavenly Parents as well their Creator Son and Daughter. So yes, the top of Mansion World sphere 6, spirits are the most evil, the most in rebellion, the most in default, the most wrong and unloving and untrue, even though, they appear, because they've trained their mind to do so, to be the most loving, but it's all false and contrived – such as the Eastern gurus. Total mind over feelings, blocking all the bad ones and using your mind to only make you feel good.

Typical of those on their way up in the mind worlds are not open to anything, they do not want to know about feeling bad and going with their bad feelings looking for their truth, because that scares them, that's not nice, that doesn't make one feel good, it threatens their control, they reject that preferring to stay in their nice safe space. Which is how it is for these Natural love mind spirits using their minds to control their feelings.

We've all got to take responsibility for our evilness even though we were made to be that way and rebel by default, but there is no getting away from it, and it has to be compensated right to the last farthing, which is what being in the hell planes is all about, and which keeps being applied right the way through the Mansion Worlds. **In the mind worlds you can continue to use that inner pressure requiring compensation for your bad deeds, to further contrive love and pretend you are all holy and loving and not hurting anyone anymore, which on the surface of it you are not, but underneath still are, all the way up through to the sixth world; or, you can allow it to keep working on you right the way up through the Divine Love Mansion Worlds doing your Healing.**

And apparently what's going to happen is the Natural love mind Mansion Worlds are going to be divided, so within them, there will be spirits doing their Feeling Healing – without the Divine Love, and still limited to the sixth Mansion World, but looking to be true and end their rebellion. And then there will be those still carrying on denying themselves as they have always done. So you will have spirits in the Feeling Healing Natural love sectors that will truly perfect their Natural love; and those spirits still in the mind sectors perfecting their wrongness. The opposites or extremes living side by side. And then you'll still have the Divine Love Healing Mansion Worlds, being spheres 3, 5, and 7, doing their Soul Healing.

And as for a summation: "Divine Love Mansion World / Sphere 3 is the waking up to the truth that one is not loving, also their being a lot of assistance. Sphere 5 is then about going right into the depths of feeling how unloved you feel and seeing how unloving you are and how that makes you feel, also this a time when one can then progress and manage their own progress through their Feeling Healing. Sphere 7 is then about still working with the deepest and residual bad feelings, whilst looking to sort out how you wrongly relate to yourself and others, nature and God because of being unloving, this is a time of great realisation and comprehension with much of the prior experiences starting to be drawn together."

Mansion World 3: is for waking up to the truth that you're not loving and starting to get in touch with your pain, starting to accept your bad feelings, starting to work with them instead of rejecting them.

Mansion World 5: is then about going right into the depths of them, feeling how unloved you feel and seeing how unloving you are and how that makes you feel, bringing out the majority of your pain, your misery, fear, anger, guilt, hatred, boredom, terror, rejection, nothingness, feeling powerless, alone and abandoned, and so on.

Mansion World 7: is then about still working with the deepest and residual bad feelings, whilst looking to sort out how you wrongly relate to yourself and others, nature and God because of being unloving, understanding how your relationships are unloving, how you don't connect properly, how unloving you really are and why and fully accepting the truth of it, coming completely to grips with your parents not loving you as you needed to be loved – sorting it all out, including your self and feeling expression difficulties.

It is agreed that the lower worlds are about waking up to what's involved, however from then on it depends on how it's all structured for the individual in their negative state as to how much ongoing assistance they might need. Some need help all the way along, whereas others have been able to work with their feelings, themselves, right from the beginning.

And yes, each of the Divine Love healing Mansion Worlds, 3, 5 and 7, are equally painful to work through, just focusing on different aspects of yourself and your Feeling Healing with Divine Love. And then in the higher planes of the 7th world comes the transition, where one's pain starts to end, and you start feeling so much better about yourself, you are fully accepting of your negative unloving state, you are fully unloving although even starting to become more loving – truly loving, of yourself, God, and then other people.

Then onto the Celestial Heavens by progressing into Sphere 8 and then onwards further, all the way home to Paradise.

Maybe something like 6 billion people have recognised that our Mother and Father's Divine Love, together with embracing one's Feeling Healing, that with these two aspects, have progressed through the Mansion Worlds to the Celestial Heavens and onwards.

More than 200 billion personalities have embraced their mind and self reliance through the misguidance of 'New Age' styled ideologies and the many thousands of different religious platforms, all of which take the person further and further away from our Heavenly Parents.

The 1st and 2nd Spirit Mind Mansion Worlds / spheres are jammed to the rafters.

For a million years, humanity has gone in the wrong direction with its self-denial of self and feeling!

REVELATIONS

Revelation 1: Our soul becomes encrusted with harmful ways of life, plus negative and erroneous beliefs, these mainly stem from our childhood upbringing and environment. Thus we live untrue to ourselves, we become 'evil'. Whilst we hold to these injuries we limit the amount of Love that we can receive into our soul. To open our soul to the Love we must firstly and progressively feel into our emotional injuries and allow them to be released. Until we emotionally experience past errors and injuries we hold onto them.

To free our soul of damage and toxic emotions we must open ourselves to experiencing them. This is a progressive, slow and uncomfortable cleansing process that we must all experience. Only by addressing the generational injuries will we, as humanity, evolve in love.

To fully divest one's self of our badness, we have to 'go into' our feelings. Call this process of clearing toxic emotions as 'Letting Go', 'Emotional Processing', 'Journey Process' or 'Feeling Healing'. Embracing Divine Love then Feeling Healing becomes Soul Healing.

As part of our Feeling-Healing we will have to work our way into all our feelings to see if indeed they are coming truly from our heart and soul, or if they are being heavily influenced by our mind. And this will then lead us into questioning and uncovering the truth, if there is any, to our beliefs and why we behave the way we do; and is such behaviour based on truth, or is it based once again on untruth, belief, and rules of our mind.

Revelation 2: We can long for, ask for and receive the Mother and Father's Divine Love. The greater our soul is free of error and injury, the more of the Divine Love can be received and assimilated into our natural love formed soul. The Love does not free us of injury, however, it strengthens our resolve to continue on our journey to be free of error and injury, to step away from evil aspects that have been encapsulated within our humanness and soul. It is this Love, the Divine Love, that brings about immortality of our soul and it is this Love that will eventually fit us to enter the Celestial Heavens and progress for ever more onwards to Paradise. These two revelations free us from error and enable us to grow in love ever more.

Immortality with the Love.

JAMES PADGETT MONCRIEF **REVELATIONS** 1 Commenced 1914
2 Completed 2014

1 Divine Love addresses the issues of the Rebellion.

2 Feeling Healing addresses the issues of the Default.

These two 'headlines' came about from Mother's comments through James.

We are to recognise the degree of the impact that the Default has had on the way humanity lives. That is, it is suggested that the way we remodel our children to become clones of ourselves, the way we suppress their true selves, and cause them to capitulate to be our 'little me's' is a result of the way life emerged directly from the Default some 38,000 years ago.

Whereas the Rebellion, of 200,000 years ago, was the rejection of the Mother and Father as well as our Spiritual parents, Mary and Jesus.

Thus two distinctly catastrophic events.

We need these two events put into perspective, if you please. We need to bring these two separate events into a clear comprehensive way of understanding so that the relevance is clearly understood.

This enables the two revelations to stand out, and as to why one had to follow the other distinctly.

Nanna Beth: The Rebellion, John, is against the Mother and Father, against Their Love, and Their Truth. It is the rejection of Them, saying: there is no God. It's denying the Personalities that God is. It's rejecting and denying personality interaction, which is all about love. So it's unloving. And to hide that, to pretend otherwise, means the mind has to be used to corrupt one's feelings. To claim: 'I am God, I am love, I am Truth', means I am the only one and all the rest should fuck off and leave me alone so I can get on with my greatness. It's being totally mind-consumed with yourself, with such arrogance, that really you only see yourself in your narcissism, and nothing else and no one else exists.

The sadness of the Lucifer's relationship (Lucifer and his soulmate) is they didn't love each other truly, only by using their minds to pretend they did. Really they hated each other, being so unloving, and had they been true to that, they would have moved to the absolute opposite ends of Creation, there to be in their own greatness telling themselves all day long how wonderful they were – being self-loving the wrong way through their minds. Which is all really: self-hating.

And so we have relationships in which we hate ourselves because we are untrue and unloving, then we come together contriving love for one another, then believe we love God as well and want to do His Will. It's all false, all wrong, all evil, all unloving. That's what we've got to see. That we are rejecting ourselves, and so each other, and God, in every part of ourselves, in every interaction. Really we should be hitting each other continuously on the head, and hitting ourselves too.

The Rebellion is the rejection of true love. Of Natural love and Divine Love.

The Default simply compounds the issue by focusing it all on the relationships. As in, how we live our rebellion is through the Default. Pre-default, humanity was openly rebellious, it was evolving yet lacked personal focus; then with the Default, humanity was able to take it into all that it's become. So we're all living out the truth of Eve and Adam's rebellion, which equals their default.

To heal the Default in us means we have to see the truth of all our unlovingness in our relationships with ourselves, each other, with nature mostly through our relationship with our pets, how we treat animals for food, and the desecration of the environment, and with our Mother and Father. There are lots to it.

And as we see this, it takes us into dealing with our rebellion. We chose to not be loving when we uncover through our feelings the truth of how unloving we are. We chose to live true to our Natural love and the Divine Love, so true to ourselves and our Mother and Father. And these are not mental decisions, they are feeling ones, you want to go that way because you feel it's right and good for you, which it is. You feel you don't want to be unloving because it's not right and bad for you, it feels bad.

So in the expression and depths of our feelings, and particularly our bad ones, we can feel how being unloving makes us feel, and we slowly want to be the other way. Which can be difficult because we don't know how that other way is, never having been wholly or truly loving; but you long for it, you want it, knowing it's a possibility and reality that can somehow be achieved. So this is really 'willing' it, willing ourselves to be loving, and ending our willing ourselves to be unloving; and our soul and God complies with our will and so gradually changes us from being unloving into being loving.

I think to help you summarise it, you could simply say: **The Rebellion is against love, the Default is all the difficulties we have in our relationships because of our rebellion. Healing the Default is becoming true, to ourselves and in our relationships, and ending our unlovingness – our rejection of love, so ending the Rebellion.**

I hope this helps John, it might be a bit much, however I put myself back in it as I was, so James could relate more to it as it was important for him to make the will-connection in it as he did.

There is a lot to be talked about and truth seen concerning both the Rebellion and Default, with every person and spirit making their contribution to it as they uncover such truth within themselves. So it's for you to take what you will putting it in your own words. So if you still don't understand some aspect, please ask.

James: I want to add here, something Marion was talking about last night. It's true technically that we are evil and bad and hate, that all having been put on us by default – we didn't ask for it. So in that light, it's not right to keep hating and blaming ourselves for being bad when we couldn't / can't help it. All we can do is accept how we are, whilst seeing the truth of it through our feelings. If we don't like all we see, we express those feelings, even though they make us feel bad, but we don't have to endlessly punish ourselves for being as we are because of what other people did to us.

Quantum Jump 1

REVELATION 1
James Padgett 1914 – 1923

James Padgett bravely introduced the availability of the Mother and Father’s Divine Love and a great deal of additional guidance and information, all of which has been supplemented by Samuels, Judas, Reid and Arnold. All writers were under restrictions of personality and circumstances. Revelation 1 opened the door for humanity.

Quantum Jump 2

REVELATION 2
Marion and James Moncrief 2002
– ongoing

Marion and James Moncrief have recognised the need for one to engage in Feeling Healing and, by their actions, removed restrictions that James Padgett and others above endured, thus JM is able to critique the writings of the past 100 years resolving points of confusion as well as expand on what has been written. Revelation 2 is humanity’s turning point.

Due to the extra-ordinary nature of Revelations 1 and 2, humanity with the first Revelation would have continued on into its negative pathway of living, however, combining the first Revelation with Revelation two, now humanity can embrace this turning point and commence its evolutionary growth that has required two thousand years to put in place. This is the greatest event in the history of humanity and very few are aware of such, until we enable others to become aware.

U-TURN for HUMANITY:

Why are we doing a U-Turn?

We are doing a U-Turn **because** the year 2017 heralded the end of the Rebellion and Default. For two hundred thousand years, humanity has been going in the wrong direction.

What is this fundamental step that will change our way of living?

We are to come to understand / know the foundational cause of all our feelings, both good and bad. As we explore and investigate our feelings, each time they arise, one by one, we are to talk them through, express them to a companion or friend or anyone who will listen. As we express them, while at the same time coming to understand how they have come about, we will find that they will be resolved and that they will not come up again.

**Feeling
Healing with
Divine Love is
the key!**

We will find that all of our feelings / emotions have their foundations from our childhood. And by childhood, that is from the time of one's conception all the way through to about the age of six. It is the repression of our childhood feelings that is the base or foundational cause of each and every one of our adult personality issues, pains, difficulties, illnesses and distressful life experiences.

We have to see the whole truth of our negative or self-denial state, before we can heal it and be free of it.

The vital difference between **emotions** and **feelings** is:

- emotions have their roots in the past,
- feelings relate to the present moment,
- emotions represent feelings not previously expressed,
- and these accumulate over time.

Many emotional clearing processes encourage us to look into our feelings, however, none go so far as to drill down into the core foundation of any emotional feeling to the point that we strive to KNOW the core issue, the origin of the feeling, be it good or bad, and actually come to know what it is!

The *Journey Process* is generally known worldwide. It stops short of longing to know, that is asking for the knowing of the events that brought about such a feeling. Yes, we are to acknowledge the feeling, say being angry. Then accept that behind that anger is the feeling of being small, and then look at the underlying reason of why we are feeling small. What is the truth behind that feeling? Ask our Heavenly Parents what is behind all of this feeling. What is the foundation, the origin of the feeling? All the time talking it out, expressing it, with a friend. The expressing of the experience is the release of the emotion / feeling, this is what removes it for ever from within our essence, our **soul**.

Why ask our Heavenly Parents? I thought God was just God – singular?

This is part of the revealings that have been unfolding for us very recently – that is – since 2002.

We are made in the image of God. This has been understood for centuries, for 2,000 years. Our soul is duplex. Our soul expresses itself through two personalities. One soul ‘subdivides’ into two, one half always being female and the other half always being male. We are a reflection of how God is. God being one Soul is expressed as Mother and Father. God is two personalities. They are soulmates. And each of us has a soulmate, and our soulmate is always of the opposite sex, because the Mother and Father are the opposite sex.

Thus, when we long for the truth behind a feeling, then we can long to our Heavenly Mother and Father. Only they can tell us. No spirit personality can tell us. No canonised saint can tell us, we may as well ask our next door neighbour. That would be just as productive. Mary and Jesus can’t tell us, as they are also spirit personalities.

I was taught that Jesus was God? And what is this about Mary?

Mary of Magdalene and Jesus of Nazareth were both born free from sin. Neither of them are God. They are both children of God, just like you and me.

History needs to be corrected. Both Jesus of Nazareth and Mary of Magdalene became at one (At-One) with our Heavenly Mother and Father during their physical lives here on Earth in the first century; Jesus in the year 26CE and Mary in the year 33CE, or thereabouts. Jesus died aged 35 (born 7BC died 29CE), and Mary died aged 47 or 48 (born 2BC died 47CE).

Further, their sojourn on Earth was the completion of their process to become the full Regents of the sector of planets that is referred to as Nebadon. The region within our super-universe that is referred to as Nebadon contains 3.8 million inhabited planets. If you look into the night sky, each star / sun potentially has between none to three inhabited planets within its orbit. Within Nebadon, the soulmate pair, namely Mary and Jesus, are our Spiritual Teachers of Truth. Their domain is all 3.8 million physical planets plus their associated spirit worlds. Each physical world has seven associated spirit worlds, which is the case for Earth being one of the 37 that have rebelled.

Some 200,000 years ago, Lucifer with his soulmate and his deputy, Satan with his soulmate, brought about a rebellion on 37 of the inhabited planets within the region called Satania, one of the local universal systems of Nebadon. Earth compounded the situation through the Default of Adam and Eve about 38,000 years ago. Thus the population of Earth, being in the worst condition through the Rebellion and Default, became the location for Mary and Jesus to have their physical experience to complete their ascendancy to full Regency of the local universal system being Nebadon.

Their lives on Earth was the start of the unravelling of the Rebellion and Default. Upon Jesus becoming At-One with our Mother and Father, he was then vested with the authority and power to have the Lucifers and Satans arrested, and they now reside exiled within a prison world.

Notice that there were no records of Jesus and Mary’s teachings and experiences made during their physical life. That was because they did not specifically come here for us, they came for the benefit of all peoples of all planets and spirit worlds throughout Nebadon.

As they are Paradise descending spirits, they have **Spirits of Truth**. Upon Mary and Jesus' death, they released their Spirits of Truth. As spirits, Jesus and Mary are how we will be, once we've finished our Soul Healing. They can only be in one place at any one time. However, it is their Spirits of Truth throughout Nebadon that we can connect with for guidance. It is through their Spirits of Truth that spirit personalities can progress through and out of Nebadon.

Those planets that have Rebelled need further assistance, and they need it on a localised manner. This can only be provided by another bestowal of a **Paradise Pair**, and that is in the form and manner of an **Avonal soulmate pair** who come here specifically for us.

What is the purpose of an Avonal pair, and are they here on Earth?

Unlike Jesus and Mary who were always free from sin and did not experience how to heal themselves, the Avonal pair are to experience all of the extremes of evilness and then proceed to heal themselves. Mary and Jesus through their bestowal on Earth ended the Lucifers spiritual rebellion in Nebadon; the Avonals bestowal is primarily concerned with ending the Default of Adam and Eve by the Avonals themselves personally healing the effects of such a damaging Fall.

The soulmate Avonal pair are to be, and have been, subjected to the extremes of childhood suppression and repression, and then, through their Feeling Healing, are experiencing all the facets of emerging truth as they slowly progress through a protracted and difficult healing process. As they reach specific milestones, this also enables those in the Celestial Heavens, (the three worlds where Celestials reside) to be empowered to assist us in the physical on Earth.

The first considered milestone was the arresting and imprisonment of the Caligastia soulmate pair and the Daligastia soulmate pair. After the arrest of the Lucifers and Satans in the first century, as nothing further occurred, the Caligastias and Daligastias continued on from spirit as if they were kings and queens, suppressing all of humanity and with plans to take over the universe. It was possibly in the early 1990s that they were 'judged', and 'removed'. They were caught unaware that an Avonal bestowal pair were on Earth.

How is all this becoming known? Has Jesus and Mary communicated directly to Earth?

Unlike in the first century, when no records were kept (as the event related to all of Nebadon and it was actually setting the stage for the Avonal bestowal pair to arrive on Earth), every effort to retain records in great detail of this current series of events is now being attended to. Consider this. The New Testament of the Bible is some 300 pages. The records of the Second Coming, which this is, the primary records are possibly 6,000 pages, with direct complementary records increasing that to over 10,000 pages and with all the supplementary records to date, there may be as many as 40,000 pages, certainly well over 30,000 pages of material presently.

Jesus directly communicated through James Padgett from 1914 to 1923. Mary of Magdalene (Mary M) has directly communicated through James Moncrief from 2002 and is ongoing. Jesus has also communicated directly through James Moncrief. Neither have ever directly communicated through any one else, however, some Celestial Spirit personalities have provided information through other

personalities on Earth with the support and approval of Jesus and Mary, thus some confusion, though the quality of the information is very reliable.

You say this is the Second Coming? You say I am living during the time of the Second Coming?

Yes you are. And it's more than that. This is the Second Coming, the End Times and the Handover!

In fulfilment of the prophecy in the first century, the Second Coming commenced on 31 May 1914 through the writings with James Padgett and concluded in 2014 through the writings with James Moncrief.

The End Times are well advanced. Mary and Jesus are well advanced in handing over their direct involvement with Earth to those within the Celestial Heavens. When this is completed, the Handover will also occur. **The Hand Over is to the Avonal Bestowal pair** and it is they who will guide the population on Earth through their Feeling Healing processes for the next 1,000 years, being the next spiritual age. The Handover will take place after the Avonal pair complete their personal Healing of the Rebellion and Default. Then will follow with their Spirits of Truth being officially liberated in alignment with Mary M and Jesus' Spirits of Truth upon their death.

Major events have occurred with the progression of the Avonal pair's Feeling Healing, which they are also doing whilst embracing our Heavenly Parents' Divine Love, thus they are doing their Soul Healing.

Early 1990s:	The arrest of the Caligastia and Daligastia soulmate pairs.
22 March 2017:	Negative spirit influence was blocked.
31 March 2017:	Angel assisted healing will become available upon the Avonal pair completing their own Feeling Healing, being with Divine Love, thus it being Soul Healing.
22 May 2017:	Law of Compensation quickening.
2 December 2017:	Psychic Barriers maintaining the Rebellion and Default were cracked.
8 December 2017:	Bring on the money to 'house the future of humanity' .
31 January 2018:	Earth and the seven associated Mansion Worlds (including the two Earth planes) are officially now fully under the control of Celestial spirits. This marks a tangible and real end to the Rebellion and Default.

How does this all fit into our future way of living?

This time, in the history of humanity, is the most exciting time ever experienced.

The whole human race is suffering from repressed childhood and mind control.

Through one's Feeling Healing, and should we embrace our Heavenly Parents' Divine Love, then with their Love we are doing our Soul Healing, and eventually we can live totally in accordance with our soul base feelings and live free from error – no more fear and no more physical illnesses is possible!

By living true to ourselves, true to our feelings, we are living true to God. It's that simple.

Our soul is always perfect. In fact, we are the complete package. All that we need to know is within our soul. This knowledge has been denied from us since the time of the Rebellion and compounded by the Default. That is what was brought upon us by the Lucifers and his cohorts. We have always been meant to live true to our soul based feelings but we were taught to embrace our error riddled mind – this was aided by our parents – unknowingly all parents have taught their children to be mind dominant. **This is the Great U-Turn. We are to feel and live by our feelings and express our feelings, our mind will follow in support, not the other way around.**

“Many people look for a person, spirit, angel, even God, for supreme guidance, however it’s all right there already built in – in our feelings. **Feelings** guide us through our **ascension of truth**. So they are really our Supreme Guides. We just have to submit to them, allowing them to take us where they will, expressing all the parts we want to express, letting the emotion drive that expression if it’s there to be expressed, or just talking about all we feel and how feeling that feeling is making us feel – or, how we feel about having that feeling, all whilst longing for the truth of our feelings. Longing for the truth of our feeling is really: **Longing for the truth of our self, because: we are our feelings**. So life stirs up our feelings, we feel being alive; or, being alive means we are feeling, always feeling; and when we work out what and why we are feeling what we are, so then we know the truth of how we are. And over time the truth accumulates, and our mind expands our understanding of ourselves, all being driven from our feelings.”

Kevin of the 1st Celestial Heaven 26 September 2017

(Kevin Cooper died 10 August 2012, through Feeling Healing became Celestial on 7 August 2017.)

It is through the assistance of the Spirits of Truth of the Avonal Pair, upon the completion of their Soul Healing, that we will be guided through our Feeling Healing process, and should we embrace our Mother and Father’s Divine Love, then our Soul Healing.

Then should we embrace Mary and Jesus as our Spiritual Teachers of Truth, their Spirits of Truth will lead us on the path through the Celestial Heavens where we will certainly meet up with our soulmate and join our soulgroup, which will eventually consist of twelve soulmate pairs. Then as a soulgroup, the Spirits of Truth of Mary and Jesus will lead us up through and out of Nebadon towards Paradise.

It is then our Mother and Father in Paradise who draw us to them and we will eventually meet our Heavenly Parents.

Meanwhile, while we live on Earth, we will have assistance and guidance previously denied to us throughout the era of the Rebellion and Default. Under the Contract controlling and managing the Rebellion and Default, the powers and capabilities of our Celestial Heaven spirit personalities, all three worlds of them, were heavily restricted and almost of no assistance to us at all. Further, Nature Spirits and our Angels were heavily denied contact with us physical people because of the Rebellion and Default, all of which is soon to change, so we can look directly to them for help concerning healing ourselves and understanding all aspects of nature.

As we embrace our Feeling Healing, Celestial spirits will and can greatly assist us. In fact, during the year of 2017 they have blocked all mind spirits from the Natural Love Mansion Worlds: 1, 2, 4 and 6 from interfering with us. Celestials have taken control of all facets of living and life on Earth. Celestials are those spirit who have completed their Feeling Healing and progressed through Divine Love Mansion Worlds 3, 5 and 7 and now live in the higher Celestial Heavens, 1, 2 and 3 (when we become At One with

our Heavenly Parents then we leave the Mansion Worlds and progress through the next three spheres related to Earth, hence the Celestial Heavens are also referred to as being numbered 8, 9 and 10).

The Nature Spirits of Earth, who live in the third Earth plane, can now directly interact with those who are embracing their Feeling Healing. Nature Spirits are essentially 'angels in waiting'. They have been on Earth prior to anything that we now see living in nature. When they first started to arrive, there was no life in the seas or on land. They have consequently witnessed everything that has happened on Earth, including all prior human civilisations that we continue to largely remain ignorant of. Their knowledge and assistance is of great importance to us. We are to interact with them on an ever increasing scale. They are to become an invaluable source of information for us concerning how we are best to live with nature.

Further, we may become more aware of our **Indwelling Spirit**, which arrives for each of us during our sixth year, as we now progress with our Feeling Healing, or with Divine Love, our Soul Healing.

And all of this is possible as we embrace our Feeling Healing process, acknowledge and accept the Avonal pair, acknowledge and accept our Spiritual Teachers of Truth, namely Mary and Jesus, and more importantly, grow to love our Heavenly Parents, our true Mother and Father.

We do not need intermediaries, rituals, liturgy, dogmas, creeds, fancy clothing, or institutions. It is our soul based feelings and expressions that we may exchange directly with our Heavenly Parents. Groups may form to assist each other, and that is our choice and within our free will.

This is the greatest event in the history of humanity.

This is the Great U-Turn that humanity will embrace throughout the next 1,000 years. MoC 1,480

179. *The Nature and Stages of Fusion*

17 December 2012

In our writings together in this collaboration we have introduced much experience on the nature of Divine Love. We have conveyed vision and experience to the best of our knowledge and to the best of how our spirit-communications have facilitated this dialogue. We have tried to convey workings of universal Love and Spirit to the best of our ability that dovetails into extending the nature of personality, all of this in the view that the essential truth is always one's relationship with the Soul, God, in faith, love and the Divine Love.

This work first commenced with the life, the human life of Jesus, then continued with the spirit writings of James Padgett. Our current work introduces many themes situated in potentials, harmony and Immortality all the way defining the nature of a mortal personality comprising of its attributes and to illuminate the soul and the spirit body. We have established that the forming personality survives its human life and continues its existence in the mortal spirit world. We have defined what the mortal spirit world is in its function. We have written and communicated from our experience having lived in Divine Love and with your assistance, we have been able to give wide breadth of vision to this work so that another may derive insight, spirit illumination, vision, potential, thought-provoking information and, for one to find solace in. Above all, it is our hope that these works demonstrate the reality that the Divine Love is real along with the attribute of mortal soul and the mortal spirit body, and it is from the understanding of how the personality comprises of these two attributes provides a unified vision of the human experience and earthly world with a spirit's experience in the spirit world culminating and accommodating for the same outcome, which is an acceptance of the Soul, God.

I desire to write on the *Stages of Fusion* a mortal personality experiences when the attribute of soul and spirit body form the individual.

The formed image of the attribute of each unique soul begins with its creation. The originator and First Source of all mortal life, the Soul God, commences a mortal soul life by forming a complete soul. This mortal attribute upon its creation and upon its advent into the Pre-Incarnation Sphere where it awaits incarnation into a human life is subject to a single act upon it as the first stage of fusion. A single Spirit Law that only exists in the Pre-Incarnation Sphere acts upon God's Spirit Will and divides each complete soul. The soul then becomes as it were two distinct and separate attributes or parts and in each part the whole attribute and potential for the receipt of Divine Love and imminent incarnation for individualisation plus other potentials form a complete part of each part of the complete soul. **This first aspect of Fusion** is to actually separate and not to bring together.

The two distinct parts of the complete soul reside in this Sphere until the imminent approach of incarnation. When incarnation occurs, each part will incarnate into one of each human sex and never shall these two independent parts incarnate into the same sex. There is a very good reason for this. When one is aware of the potential of Divine Love and the possibility for a Celestial soulmate companionship, then one understands why it was necessary for the complete soul to fuse apart and form two distinct attributes. Each attribute will always remain independent in the forming of their unique mortal personality and derived human experiences from a human life. Never shall these two distinct attributes incarnate into a single forming personality. I am also aware, and you have written an account of this before, that each

attribute of soul in this Sphere does not have as part of its original forming, any personality other than its attributes and potentials which means that any self-determination or voluntary decision to pick and choose or to select a human life is absent from the soul when the soul resides in the Pre-Incarnation Sphere.

Humans, mortals and Immortal spirits cannot influence the attributes of soul in this Sphere. The Pre-Incarnation Sphere is in God's jurisdiction alone and only selective Spirit Laws act in this mutable and comfortable environment. This Sphere is not a hallowed environment but a Sphere that is only visible to the Eternal Eye of the Soul, God. We have discussed at great lengths the reality of this Sphere because we understand the importance of our beginning. This Sphere is part of our heritage and it is from my and other Celestial spirits' perceptions that we are able to ascertain an image of this Sphere from the Father. It does not surprise us if a person does not believe us. The visibility of soul is near-next-to-nothing in a human experience, so then why would one see the truth of what I convey?

Nonetheless, a mortal soul life needs to begin somewhere and has to begin somewhere and so, it might as well be in a place caused into existence by its originator and nurtured and prepared for what will become **the secondary stage of Fusion**, the beginning of a human life.

Do all attributes of soul exist in the Pre-Incarnation Sphere in one time at one place waiting for incarnation? Has God caused into existence every attribute of soul that will ever incarnate and that will become the whole history of humankind? All these questions that we ask about the advent of a human soul and the environment it begins in, lead us to gather more information into this unique part of universal creation. It would not surprise me in the least to know that God has caused every single attribute of soul to exist prior to the first mortal personalities that commenced the human race. I know for a fact because I reside here, that the entire mortal spirit world including the Celestial Heaven had form, image, working and structure before the first mortal personality arrived here after the death of their life wearing only their spirit body. If God can cause the entire mortal spirit world into existence before a mortal personality has commenced living the first human life, then, to originate all attributes of soul that exist in a Pre-Incarnation Sphere is an entirely possible thing for God to cause into existence. Humans, mortals and Immortals simply don't have the power or resource within our selves to cause such universal and far-reaching realities into existence. This is why the Divine Love is such an integral part of universal life, for it is the only substance and energy that we can individually experience that is part of the universal originator, the Soul God. This may add a new aspect on why it is significant that one may participate with the Divine Love! It is a given that people and spirits can experience – and do experience – God in aspects of universal attributes though I must qualify that only with the Divine Love, will a mortal soul experience the Soul, God.

The secondary stage of Fusion is simply defined by the incarnation of the finite attribute of soul to acquire a spirit body and living attribute of personality, which commences the finite soul's individualisation of mortal life experience. This secondary stage is inclusive of the conception of a human being. The entrance of a soul into the physical and material world is a dynamic fusion culminating with various attributes forming the individual personality. To provide you with an image of this dynamic, a specific Spirit Law acts to form the spirit body, another Spirit Law acts to exact the soul into the spirit body and another Spirit Law specific to the adjuncts of mortal personality act to exact the now forming personality to its position of the soul and the spirit body and the human brain. Also, the physical conception forms part of this fusion insofar as the fusion of genetic information from two separate sources, a sperm and an egg. This is a simplified image though it is enough so that one may gain a

perspective on how these attributes culminate to form a human being ready for life, ready for the afterlife and ready for the potential to experience the Immortal Love. There are physical conditions of a voluntary and involuntary nature that form part of the physical being. The main thing is that the spirit body is formed so that the expectation of a human life in terms of its age, will not compromise the now formed personality to survive its creation.

The third stage of Fusion in a soul's life is its transition into the First mortal natural spirit Sphere. This stage is defined as the ending of the physical incarnation and the beginning of life in the spirit world. The spirit body acquires the personality in all its attribute and specific Spirit Laws act in their assistance as the physical body falls away from the spirit body and the spirit body takes over as the place and environment that the attribute of soul and attributes of personality now reside and function in. This is an *act of fusion*, for the personality being subject to a greater Law, is exacted to the attributes of the spirit body complete with function and attribute and cognitive experience in the individual's now spirit life. The exacting nature of this Law ensures that no splintering or aspect of the personality is left behind or lost in translation. This is really important for memory and other identifiable aspects and information pertaining to a human life lived. If a human life passes into the mortal spirit world before the individual has any cognitive functioning or capacity to be cognitive, this does not determine any other outcome to the soul other than the personality continues to survive in the spirit body and continues to mature in the First natural spirit Sphere.

This secondary stage is inclusive of each incarnated soul and of every human being for this forms the natural soul system of individual personalisation of experience in natural love.

The fourth stage of Fusion involves the Divine Love. This can happen at any time during the natural life experience of the individual. The fourth stage involving the Immortal Divine Love happens when the Divine Love enters the attribute of the soul for the first time and the attribute of mortal soul is now confirmed as living with the Immortality that this Divine Love provides. The Divine Love, having entered the soul, fuses with the soul and the perfect causality of the Divine Love in its cause-effect becomes part of the soul and can never be extracted from that soul nor can this process of Immortality ever be reversed. There is simply not in existence, a Spirit Law that can reverse this fusion and this is why the choice for Immortality is so unique for the individual to make.

Now that the individual has experienced the Immortal Fusion with the Divine Love in their soul, **the fifth stage of Fusion** transpires when the individual progresses in their experience of Divine Love as it transforms their natural love and the necessary changes happen that arrive within the soul condition of the individual to be of Celestial soul quality. Any necessary compensation will have taken affect and the human life or natural mortal life will be with sufficient harmony in the Divine Love to enter the Celestial Heaven. One is now infused with their universal life and the awareness required, to live in the harmony with God no longer illusive to the individual in a solely self-determined mortal life. Without the infusion of the Divine Love in the soul, no Immortality can form in the soul and the soul remains in its natural life experience to a greater or lesser degree of harmony in its condition of natural love.

All the way along these stages of fusion, experience – if it is progressive – infuses the personality with more experience and this allows for more attribute of personality to become functioning and present within that individual. There is no greater example of this than when the nature of awareness becomes active in the personality from a faith in Divine Love experience.

Stage six of Fusion truly demonstrates how the personality is infused with extended attributes of mind-spirit function as the individual progresses from the Celestial Heaven and enters the Eternal Spheres. The individual is infused with Love and Spirit that provides the personality to see the difference between that which is Immortal with all that is Eternal. The individual always remains finite and is never infinite in their condition of soul. The individual residing in the Eternal Spheres is now universally fused with the Eternal experience of the First Source.

Stage seven of Fusion of individuality is the transition from the Eternal Spheres to the Spheres of Paradise. Through the experience of Divine Love one has gained their Immortality and progressed through the Celestial Heaven and then to gain an Eternal perspective on the nature of God, as being universal and eternal. In the Spheres of Paradise the individual is now fully fledged in their union with God and can travel around the entire soul Sphere that God is and resides in. The confirmation and completion of all these stages of Fusion happens in the last Sphere of Paradise when the individual can visibly see the image of all that was previously unseen, the Soul, the Eternal Soul and First Source of the individual's creation. Having seen the Eternal Father, the personality of the individual is deemed as being, *perfect* and still in this perfection, one can gently ask for a drop of the Immortal Love.

This concludes my message on Fusion. It is a potential to understand the vision that I have just written and it is a true vision for the Divine Love reveals it so. The wonderful thing is to see how durable the three natures are: the soul, the spirit body and the human personality and how these three components form the destiny of each individual.

Thank you for taking my message.
Your Celestial friend,
Luke

“Never can one man do more for another man than by making it known of the availability of the Feeling Healing process and Divine Love.” JD

Whilst we are receiving our Heavenly Parents' Divine Love, and that this Love is causing change within our soul and spirit attributes, the greatest Truth known to man and spirit is that this is the way our Mother and Father are actually loving us! When we progress, it is God's way of loving us into love and then we live what we are, love.

“Every day is a day of devotion.”

Please Mother and Father, may I receive Your LOVE.

God's Divine Love: Pray for it, ask for it, and receive it.

Our salvation IS the embracing of the Feeling Healing process and Divine Love.

Golden Rule: that one must always honour another's will as one honours one's own.

NATURE and STAGES of FUSION:

Seventh stage of Fusion of individuality is the transition from the Eternal Spheres to the Spheres of Paradise. The individual is now fully fledged in their union with God and can travel around the entire soul Sphere that God is and resides in.

Sixth stage of Fusion truly demonstrates how the personality is infused with extended attributes of mind-spirit function as the individual progresses from the Celestial Heaven and enters the Eternal Spheres.

Pre-Incarnational Sphere:

First stage of Fusion is the separating of the soul into two, each soul half being complete on their own.

Fifth stage of Fusion transpires when their natural love changes and one's soul progresses to the condition to be of Celestial soul quality, one enters the Celestial Heaven.

Fourth stage of Fusion involves the Divine Love. This can happen at any time during the natural life experience of the individual. Happens when the Immortal Divine Love enters the attribute of the soul for the first time, either when in the physical body state or spirit body state.

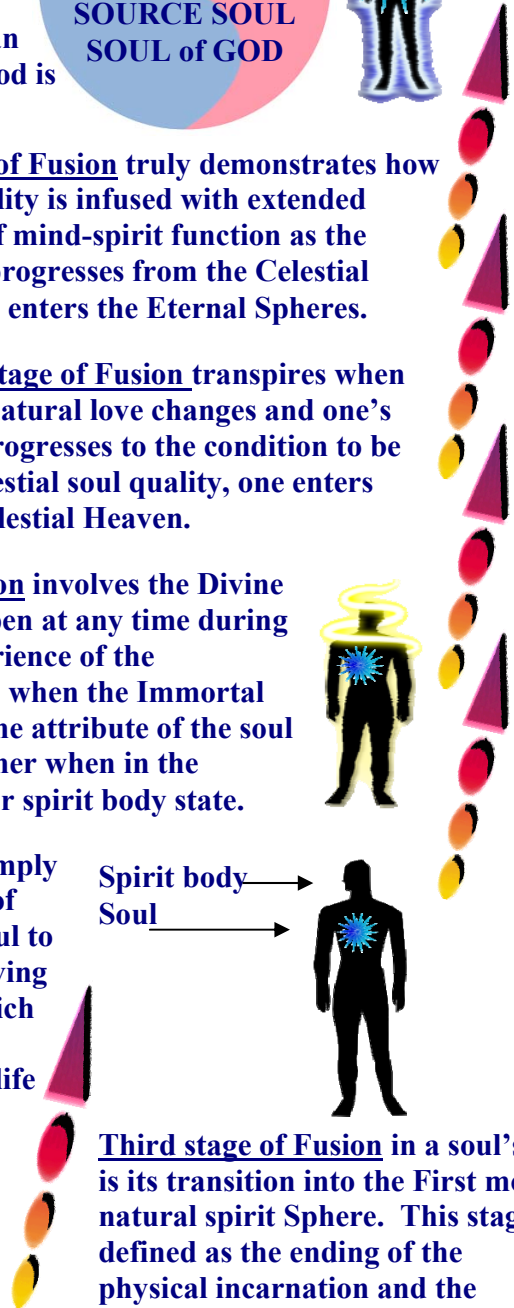

Second stage of Fusion is simply defined by the incarnation of the finite attribute of the soul to acquire a spirit body and living attribute of personality, which commences the finite soul's individualisation of mortal life experience.

Spirit body →
Soul →

Third stage of Fusion in a soul's life is its transition into the First mortal natural spirit Sphere. This stage is defined as the ending of the physical incarnation and the beginning of life in the spirit world.

God is God, who is our Heavenly Mother and Father, being SoulMates. There is only one Soul that is God's Soul, that being the Soul of our Mother and Father. Our Heavenly Parents are the First Soulmates; The Two Who Are One who have brought us all into being.

Jesus and Mary are a son and daughter of God.

Jesus of Nazareth and Mary of Magdalene, being soulmates, were both free of sin. Jesus and Mary, combined in their love for us, are our teachers and guidance for us to find our way home to our Heavenly Parents. To start this journey we are to liberate our souls from being entombed within our suppressive minds, through feeling and longing for the truth of our feelings via our soul and peel away our injuries incurred since conception.

Give yourself time to consolidate your relationship with the Mother and Father through the partaking of Their Love. And whilst you are doing this, you can learn about your healing, all that's involved with it, as there are many willing spirits to share their healing experiences with you.

When you are ready it will start happening simply because you will want it to, it all being orchestrated by your soul. And when that time comes you will have developed a strong foundation in your relationship with the Mother and Father for you to work from. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

It is to make longing for God's Love the priority, and then do one's healing; should one want to include God and the Divine Love in one's feeling healing. This is doing your soul-healing as you are seeking to heal your soul of all evilness – of that which made you become evil, and release all the hurt and pain of not being fully and truly loved.

Being in rebellion by default, all our relationships are untrue and based on fantasies and erroneous beliefs of our mind. These relationships formed through the mind, are at best, temporary, and will ultimately end. They are false soulmate relationships.

Male soulmate
Unsuccessful
marriage to fantasy
untrue woman

Eternal soulmate marriage between a man and a woman only takes place for those that fully heal themselves of the imposts of the Rebellion and Default. Through longing for the truth behind all our feelings (both good and bad), we can begin to live true to our feelings. And once healed, and reaching a Celestial Soul Condition, through our true feelings we find our soulmate, our true companion for all eternity.

It is our soul that is made in the likeness of our Creator. It is our soul that forms the features of our character. Our soul is our real self, not our physical or spirit body. Our spirit body, as it is for other creatures, is the physical body for the spirit world. We function through our soul whilst living this experience on this physical world.

When we are conceived, the embryo borrows from the life force of our parents. The attracted soul half then becomes the life force for us for our physical experience.

Anything with a central nervous system has a spirit body (birds, fish, animals, etc.), however these creatures do not receive a soul.

Your brain is within your physical body, your mind is within your spirit body, however your intelligence, memories, etc., are within your soul.

The five senses within your physical body are enhanced within your spirit body. Some people are sensitive to the enhanced and additional senses (total 13) within our spirit body. The senses within our soul are huge in number and are very much more capable.

The power of our soul influences all living life within its environment, thus many pets reflect the character of its owner.

You could liken the capabilities of the physical body with its five senses to that of a golf buggy.

The spirit body with its enhanced thirteen senses, which include the physical bodies five senses with greater capabilities, to that of a space shuttle. Sight of the spirit body is 360°, the speed it can travel is far greater than that of light, its communication is mainly by feeling, etc.

However, the soul has 1,000s of senses and capabilities far beyond our comprehension, and where it can grow to in love and truth is that which only God knows. Your soul is the real you.

The SOUL DOES IT ALL. THE SOUL INITIATES CONCEPTION AND THE GROWING OF THE PHYSICAL AND SPIRITUAL BODIES, AND ALL THAT CONNECTS THEM TO EACH OTHER AND TO THE SOUL ITSELF.

The soul oversees EVERYTHING – we are soul. And our soul is duplex, in that it has bestowed upon it, two unique personalities by its Creator Parents – our Heavenly Mother and Father. So at conception, our soul incarnates you, one of the two personalities into Creation – life. The soul does it all. The soul doesn't come at some point embracing the embryo. The embryo wouldn't exist if it weren't for the soul wanting it to exist. We are never separate from our soul.

We are one of the personality expressions of our soul, our soulmate is the other one, our 'other half'. Our soul can incarnate its two personality expressions at different times on Earth. With each 'half' experiencing life as a full individual and independent personality destined at a predetermined time to meet each other, which will more than likely happen at some point through one's Healing or when one has finished it. And whilst we're living in rebellion against our soul, ourselves, our truth, so it's highly unlikely we'll have anything to do with our soulmate until we start to heal that rebellion, because we are anti each other – anti the truth of ourselves and each other. We can ONLY experience true soulmate love when we are FULLY healed of our rebellion and default – when we've done our Healing.

And our soul would naturally, had we not been unlovingly interfered with by our parents, evolve us in truth through our feelings and the experiences that give rise to them. However because our parents unwittingly got in the way and stopped our soul from doing this, so we've become untrue and have to do our Healing to sort ourselves out, to bring ourselves back into being how we would naturally be were we not screwed around with.

The point of our Healing is to find the whole truth of our unloved state, all through our feelings and not with our mind. So once the truth is revealed, we can be set free of that untrue state. So we're not to look for specific traumas, we're not to try and home in on them, bringing to light all the bad feelings associated with them, then we're 'healed' of it, able to resume our life without the burden of that terrible experience. Certainly our Healing will do that, heal all the bad feelings associated with and resulting from that traumatic experience, however it doesn't stop there, it goes on and deeper until every aspect of self-expression that has been thwarted by negative unloving parental and childhood experiences – all one's trauma from feeling unloved, comes out and the truth seen. So healing our specific traumas is only one part of the Healing, with it being much more.

DESIRE for an OPEN SOUL:

P.122 The Choice by Joseph Babinsky

The transformation of the soul is the key to making our journey all the way. The soul is the true ‘self’ and our true identity.

A newly individualising soul is just a tiny spark.

A friend of Joseph’s pictures the soul beginning its life in a very loving and pristine existence. He said that it may be helpful to liken the soul to a pure crystalline ball. This pure, innocent and translucent “ball” incarnates into a human form which had been prepared by Earth parents; however, the condition of the physical parents is not pure and innocent, nor is the condition of the Earth environment perfect as God intended it to be. Therefore the pristine crystalline ball (the soul) quickly becomes tarnished and muddied when it incarnates into a human body formed in the mother’s womb. This pristine soul immediately absorbs all the tarnished conditions of the mother’s soul (and that of the father as well).

Later in life, the human having a tarnished, injured soul, may have an awakening to its condition and develop a desire to become pure. And by a very difficult and painful process, he may remove some of the tarnish and mud from itself, and thus experience a level of restoration and perfection.

The human experiencing this process may discover that it once had a pre-existent condition (prior to incarnation) that was not tarnished and injured, and, furthermore, may also come to recognise that it is a loved child of God, tenderly cared for by his / her Heavenly Parents.

The soul becoming open may further recognise that the desire and will of its “spirit parent” is that the soul come toward Her and partake of the very essence and substance of the great soul of God.

The open soul, in recognising its true condition, may then begin to exert its will in the direction of our Heavenly Parent’s will and desire. The open soul then realises that its creation was never truly completed (due to the ‘fall’ of the first parents, Aman and Amon some 1,000,000 years ago, Adam and Eve came some 38,000 years ago), and accepts that the way toward its completion was made known to the world through the mission and message of Jesus. The awakened soul recognises that only by its own effort through the exertion of its will, will the completion of its creation be accomplished.

The open soul realises that God will never force Their love into the soul, and that his will must be brought into alignment and harmony with the will of God. The open soul initiates the process of its own new birth by desiring the substance that makes the new birth of its soul possible. This substance resides in the Divine Love that is brought into the soul by the Holy Spirit in answer to the sincere longings and aspiration of the open soul.

“Heavenly Mother and Father, open my soul”, is the cry of the soul of a human reaching out to the soul of God. Soul calls to soul. The open soul hungers and thirsts for the substance and essence of God.

The person who seeks the new birth of his soul the way that Jesus taught – through the inflowing of the Divine Love into the soul – discovers that the way is simple, but the path is not easy. He finds that he

must be willing to live in truth in order that his soul may be receptive to God's love. For example, how can he long for love when he possesses feelings that are out of harmony with love? The awakened soul longs to have removed from it all blocks to love; for the soul knows that only he himself can prevent our Mother and Father's love from entering. It is necessary for the open soul to desire God's love and Their truth; and with this, to possess a desire to be cleansed of everything contrary to love and truth. The desire for love and truth includes the passionate desire for truth about oneself. As Paul the Apostle wrote: "The more of the Divine Love, the less of sin, and on the contrary, the more of sin the less of the Divine Love." The word 'sin' refers to all that tarnishes the pure crystalline ball (the soul).

Therefore, whatever is necessary for him to do to remove the blocks to the Divine Love, the open soul is willing to do. And the soul will be the leadership in this process, not the intellect or the mind.

The soul that has been opened begins to recognise the feelings of Divine Love has been received. This gives encouragement to try again. He sees the Divine Love as *leaven in a lump of dough*. The tarnished and muddied crystalline ball is now in the process of deeper cleansing and purification. Though the open soul is content in the realisation of the presence of Divine Love, it will remain in a state of desire for this Divine Love. A real connection has been made between his soul and God. In this new connection the open soul feels the awakening of a vision of its true potential and possibility. **Love – Divine Love – God's Love – is the guiding beam of light.**

The person having an open soul smiles a great deal, becomes more at peace with himself and with others; he experiences great happiness and exudes the same. This human with an open soul feels contentment in a simple life; he is not attracted to extravagance of consumption and gathering, nor is he anxious for fame and wealth. The human who possesses an open soul looks first to God as his loving Heavenly Parents, and thereby finds that he worries less, and has more confidence that all his needs are being supplied.

The individual experiencing an open soul does not exaggerate his own specialness or greatness above any other human. Humility of oneself toward others becomes the touchstone of grace and service. In doing small deeds of kindness to others without the need of expectation of public award, acclaim or recognition, he finds deep peace in his soul.

The man who possesses an open soul realises that he is in the midst of the birthing process of a completely new creation.

The open soul is this ... and so much more.

The woman or man with an open soul becomes increasingly receptive to the spirit world and spirit communications. The veil between the Earth world and the spirit realm, that is thick and impenetrable for many, for the open soul it is thin and accessible. She walks, as it were, between two worlds. She may learn to converse with friends and family in the spirit world as easily as she does with her husband, son or daughter or neighbour.

Spirit body remains with the physical body, we do not astral travel.

The human soul awakened through love – God’s Divine Love – learns to recognise truth and untruth. He does not entertain every spirit who may desire to communicate with him. The soul receiving the Divine Love does not “resonate” with every word that he hears from the spirit world, nor does he resonate with words and thoughts that come to him from people (and books) in this life. He learns to distinguish truth and untruth. In fact, his inner sensitivity has been changed (and continues to change) by the extent of the Divine Love received into his soul, so that untruth will not attract him to turn his thoughts and actions away from loving and desiring communion with the Heavenly Father. He loves truth, desires truth, investigates truth and is open to truth when it is placed before him. He always measures claims of so-called new truth through the experiences he has already had of the inflowing of the Divine Love. And when he recognises that the Divine Love is no longer flowing, or that his desire for the Divine Love to flow is not pre-eminent as it once was, he will see this as the truth about himself, and will once again stir his efforts to desire the abundant flow of the Divine Love. After all, he is on a mission to be a changed creature through the inflowing of the Divine Love.

And finally, the person with an open soul lives with an attitude of gratefulness and thanksgiving. He recognises that he did not create the Divine Love, nor did he dream it into existence. He recognises that the message of the availability of the Divine Love was given as a gift from above. Help came to him from without – from beyond himself.

Divine Love is

The Greatest Creation of God, and the Most Fallen

When the first parents (Aman and Amon – not being Adam and Eve) fell, they lost that which destroyed the harmony of their existence with the laws of God, and also were deprived of the great potentiality of becoming divine in their natures of love and immortality, like unto the Father – but as mere created men they fell from perfection and not from divinity.

The physical body was never created to live forever, and men were never created to live on Earth forever, for a greater and larger world was provided for their eternal habitation, where things are real and only the spiritual exist. The Earth is a mere image of the realities of the spirit world, and exists only as the nursery for the individualizing of the soul.

Man has never ceased to be the man of God’s creation, although he has become degenerate and defiled, and at one time in the history of his existence devoluted to that degree, where, save for the essential qualities of his creation, he appeared to be lower than the brutes; but he was always the man of God’s creation, and never an animal of the lower order.

The history and experience of man is this: he was created perfect ... he sinned ... he fell from the condition of his created state ... his condition at the bottom of his fall was inferior in some phases to the brute animal ... after long centuries he commenced to rise from his base condition ... had made progress when the scientists by their discoveries found evidence of his then condition ... and since then he has been the subject of their “evolution.”

All mankind must know that all during these centuries of descent and ascent, man was always man, the greatest creation of God, and the most fallen.

WE ARRIVE DETUNED!

Our souls are a divine creation of our Heavenly Mother and Father. They could not be any other way! And are designed (such as how it has been for us) to begin incarnation in a Natural love condition reflecting the Natural love state of our world.

And we have also been provided with the opportunity to experience what is being ‘evil’, to live denying our Natural love, as seen through the denial of many of our feelings. So we here on planet Earth live on a world that has Rebelled (and then also Defaulted), of which there are only 37 within the local universe of Nebadon, consisting of 3.8 million physical worlds under the regency of Mary Magdalene and Jesus – the spiritual parents of truth of all of Nebadon! And we assassinated Jesus, and completely denied Mary not allowing her to have her say about the truth.

As a consequence, we are ‘detuned’ from our Natural love state and divine origin. You could say we arrived with all parts functional, however, in our untrue, dysfunctional and distorted state, we’re badly in need of a severe service, tune up or a complete reconditioning. Our goal being to bring our true self to the fore by doing our Feeling Healing, and then to progress beyond our Natural love state by further advancing our soul condition through the process of Soul Healing and receiving our Parents’ Divine Love – becoming divine.

In our feeling- and truth-denying untrue Natural love state, we have been made to use our minds to dominate our feelings, becoming more like that of mind-based creatures of nature than of human souls of truth and feelings. And this is the wrong way for us to develop. So to step beyond this limitation, we are to live true to our feelings. Our heartfelt feelings being the guiding lights to our evolution and growth of truth.

Feelings are what guide us through our ascension of truth. So they are really our Supreme Guides. Many people look for a person, spirit, angel, even God, for supreme guidance, however it’s all right there already built in and can be found through our feelings – our soul based feelings.

By living true to our self, true to our feelings, we are living true to God. It’s that simple.

Thus we are detuned once our incarnation begins. However, the way is now open for us to bring about our full divinity. To completely Heal all that’s wrong within us on a Natural love level. To embrace and then transform that Natural love into a divine state through partaking of our Heavenly Parents’ Divine Love. All the while attuning ourselves to divine perfection and enjoying the fullness of our divinity and love, as we ascend in truth on our journey all the way to Paradise – the home of our Heavenly Parents.

WE were DIVINE, and
WE are to BECOME DIVINE AGAIN:

Our personality, our soul, our real self, are all creations of our Heavenly Parents. We, our real selves, are not creations of our physical parents. Within our original status, we were of Divine nature.

Our physical parents, from our conception, endeavour to mould us into being 'little me's', that is, replicas of themselves, imposing their beliefs and personality traits upon each of us. They crush our individuality and free will. They destroy our personality, our true self. They inflict upon each of us their ways, all of which are of a result of the Rebellion and Default of many, many generations ago. They drive us into believing and subsequently becoming dependant upon our minds. This is not the way for us to express our true selves and evolve along the path towards our true parents, our Heavenly Mother and Father. We are to embrace the Eternal Son of Truth, not the Infinite Daughter of Mind.

No, we are not in the image of our physical parents. Though we may look like them, and act like them because they have dramatically and successfully crushed our true personality, we are each very unique and independent of our parents and all other family members. When we begin to progress along the path of engaging with our soul based feelings and seek for the Truth of our feelings, we will become free of our parents' impositions and suppression.

Upon starting our physical life experience on Earth, our divinely created soul begins to express us as one of our soul's two personalities in Natural love. However because of Earth being in Rebellion, so we are parented into a rebellious and anti truth and anti love state of mind control over our feelings and true self.

Natural love is good, just 'less' or different to Divine Love. And it's that in our rebellious state, we're rebelling against Natural love, and Divine Love by not taking Jesus and Mary up on their offer and allowing the Divine Love to transform our soul, as we perfect our Natural love by doing our Healing.

By living true to our self, true to our feelings, we are living true to God. It's that simple. The revealing of the Feeling Healing process is the commencement of our ability to begin the Great U-Turn and go the right way. Should we then also embrace our Heavenly Parents' Divine Love, we can also commence our Soul Healing and a returning to that of being divine – this is our destiny.

CREATED in THEIR IMAGE:

James: Mary, what does ‘we being created in the image of God’ really mean?

Mary M: It means that our Mother and Father used Themselves as the model or template if you like, upon which to bring us into being, those of us who have existential souls with the potential of expressing their two personalities in Creation.

And although our souls are divine, as in being divinely created, still whilst we start our personality expression in Natural love, so we need the Divine Love to come into our soul and bring it into the levels of Celestial divinity.

Natural love, so basically the whole of Creation, is of the image of God, and we being divinely created souls can be part of God’s Divinity becoming divine ourselves. So through your Healing, James, you become progressively divine by partaking of the Divine Love and healing yourself into perfection – your true self. And by the time you’ve completed your Healing, your soul is of the Divine Love level of Celestial truth, and your personality is an expression of that level of truth, it all being ‘confirmed’ and cemented – fused – into place upon the direct soul-union with your Indwelling Spirit. Then you are of the essence of God, true and perfect to the level of the first Celestial sphere, the first sphere of true divinity.

Mary Magdalene communicating with James 20 November 2017

PARADISE TRINITY:

1. **Our MOTHER and FATHER (God) (MF) – Divine Love**
SOUL (God) – One SOUL that is expressing its two PERSONALITIES, our Heavenly Mother and Heavenly Father (Soulmates)
2. **ETERNAL SON (ES) – Divine Truth**
3. **INFINITE DAUGHTER (ID) – Divine Mind**

Then: The Second and Third Persons of the Paradise Trinity (ES and ID) are stepped down to the local universe trinity (Mary and Jesus, Divine Minister (DM), and her Holy Spirit.

The LOCAL UNIVERSE TRINITY:

1. **MARY M and JESUS (MF) – Divine Love**
– the Living Truth
2. **DIVINE MINISTER (ID) – Divine Mind**
– Mind (and her Holy Spirit)
3. **HUMANITY – Natural love, sons and Daughters – Truth, and our Angels – Mind**

PLANETS that engage in REBELLION:

1. **AVONAL SOULMATE PAIR** – the Feeling Healing process – incarnate
2. **DAYNAL – TEACHER PAIRS** – they do not incarnate

So in summary:

Consider a diamond:

Mother and Father Heavenly Parents

Creator Son & Daughter
Jesus and Mary

Avonals
as soulmate pairs

Trinity Teachers
as soulmate pairs

Melchizedeks – who have taken over from the Caligastians and Daligastians being also all as soulmate pairs.

Mortal Souls – human beings who individualise on Earth, then progress through the spirit Mansion Worlds, then into the Celestial Heavens, and beyond.

Mortal Souls – also being ascending spirits, upon completing their Soul Healing, join with their soulmate, then join their soul group of 24 mortal spirits, being 12 soul pairs. It is only as a soulgroup that anyone can progress beyond Nebadon.

The Paradise Pairs are all ONLY concerned with the SPIRITUAL wellbeing and upliftment of the planets and local universe. Currently to do with Earth:

Mary and Jesus – spiritual wellbeing and upliftment of the whole of Nebadon region.

Avonal Pair – Daynal pairs (Trinity Teacher Daughters and Sons) – Spiritual wellbeing and upliftment of individual planets and their associated Mansion Worlds.

The Local universal Sons and Daughters are all about the running of the worlds under their jurisdiction, and ensuring the higher spiritual elements can be employed, or sent astray, as in our cases through the Rebellion and Default.

Lanonandeks – Melchizedeks (and others, such as Life Carriers and Eve and Adam).

As the Lanonandeks all rebelled – the Lucifers, Satans, Caligastias and Daligastias soulmate pairs – so the Melchizedeks have taken over their roles, as well as doing their own.

So the Melchizedeks are the governors, overseers, the administrators and advisors and so on for Earth; they are the ‘controllers’, and they will instigate all that needs to be done to do with the ending of the Rebellion and Default. And they will enlist the willing help of ascending mortal pairs, so the mortal Celestials spirits (soulmates when available, and others waiting to unite with their partner), and at times mortal spirits in the Divine Love Healing Mansion Worlds. And the angels help all of us.

Currently the whole of Creation exists for the ascension of mortal souls from their earth planets to Paradise. It’s all one vast Grand Ascension Scheme. With all the higher and lower spiritual Daughters and Sons, together with all the many different angels and other universal spirit personalities, and even including nature and our very own pets, assisting women and men with their Ascension Journey. It being: and Ascension of Truth. Everything we do is done to help us grow in truth. (Only everything we do in our negative state is to deny ourselves our truth from our feelings, which is why we have to do our Healing.) All women and men are ascending (or growing) in truth through their experiences. And as we grow in truth by looking to our feelings to show us that truth, so we’re ascending, moving inwards and upwards through all the worlds and spheres of the Grand Universe to one day arrive on Paradise and meet our Heavenly Parents. God is providing us, Their children, with this spiritual journey called our Ascension of Truth. And by living true to our feelings, so we are progressing on our true Spiritual Path – our Ascension Path.

CREATION of SOUL and SPIRIT:

God is *The Paradise Trinity* — the eternal Deity union of the Personalities: the Universal Mother and Father; the Eternal Son of Truth; and the Infinite Daughter Spirit of Mind.

The soul of each human personality (sons and daughters of truth) is existential, driving our personality expression in the experiential. The soul of each human finds truth by embracing one’s feelings and longing for the truth of them. We are to attain the Eternal Son of Truth. We are a creation of Truth.

The soul of angels is experiential, evolving through their experience by continually progressing in mind development. Angels are to attain the Infinite Daughter (Spirit) of Mind. Angels are a creation of Mind. Our soul is duplex (we have a soulmate) and is created by our Heavenly Parents. Through our Feeling Healing we perfect ourselves enabling the union with our soulmate, as we progress in truth up through the Mansion Worlds, celestial heavens and all the way to Paradise.

The soul of angels is also duplex, yet of the mind, and they progress in mind evolution to Paradise. Animals, plants and nature spirits are also creations of Mind.

Neither we nor animals reincarnate. We never die; upon death, we move into the spirit Mansion Worlds on our journey to Paradise. When animals and plants die, be they the tiny microbe to the mighty elephants of the land and the whales of the ocean, their spirit energy returns to the Spirit Collective

Energy. And from this energy are drawn other animals and the nature spirits, who then in turn move onto becoming angels through increasing mind experience.

A nature spirit is an angel in waiting.

WE EACH have a Nature Spirit pair, Spirit Guide pair and an Angelic Pair:

For those doing their Healing or are interested in doing it will from that time have their own personal angels, spirit guides and nature spirits with them, with whom they are to develop their own relationships should they want to. It is not about 'sharing' the same angels or guides or nature spirits, it is about you relating specifically to your 'own' ones because they are provided for YOU. It's all for you, to maximise the experiences we each need.

We are all to have our own pure relationships. And it's the same of course in life with your friends, however over there, in spirit, dealing with Nature Spirits, Spirit Guides, and Angels, it's more personal and private and 'JUST FOR YOU'. So we have our own separate, unique relationships.

For example, Nature Spirit Verna has been assigned to be specifically and only with James, and she ain't going to be assigned to anyone else, so she won't be sharing herself around.

This is SO IMPORTANT to understand so that in future there won't be all these people claiming to be speaking with Verna or Mary Magdalene or Jesus or Nanna Beth or anyone else who is part of it all in such capacity. Mary M and Jesus have spoken with James as they have, making it quite clear he is all they are speaking with.

We each have a band of a Nature Spirit pair, Spirit Guide pair, and an Angelic pair, each pair being in their soulmate relationship. Even though we are ascending mortals having a soulmate, even our soulmate has his or her own group of six personalities assisting him or her. Our assigned Nature Spirits do not continue with us into spirit, our Spirit Guides may for a time assist upon entry to the spirit Mansion Worlds, however, our Angelic pair continue with us for eternity.

Feelings first

WE ALL ARE BEING GUIDED HOME:

We need the Spirits of Truth of the Avonal Pair to Heal ourselves; then once Healed, (and for support (overshadowing) as well through your Healing), we need the Creator Pair, Mary Magdalene and Jesus' Spirits of Truth to see us through the Celestial spheres, while at all times embracing our Heavenly Mother and Father.

Until Mary and Jesus died and liberated their Spirits of Truth, no one from any of the worlds could leave Nebadon, because no one knew the way to do so. Nebadon is our local universe containing some 3.8 million inhabited physical worlds and their associated spirit worlds.

When we embrace the truths Mary and Jesus are revealing, and start to do our Feeling Healing, or with Divine Love, Soul Healing, we are then freeing ourselves up from our parental and self control.

Thus our journey to Paradise, to the home of our Heavenly Parents, is of our choosing as to when we progress, however, there is only one way:

HUM: Humanity is to ascend. We are self contained. Our soul is always in truth and perfect at all times. **By living true to ourself, true to our feelings, we are living true to God. It's that simple.**

We are to recognise that being engaged and dominated by our mind is the wrong way for us to evolve and grow in truth. We are to discard the mind enslavement that has been imposed upon us by all of our parents. We are to express our feelings, both good and bad and free ourselves of the indoctrination that humanity has embraced worldwide.

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God's soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of our Mother and Father.

AVO: We are to embrace the truths and guidance of the Avonal Pair through their Spirits of Truth. It is the Avonal Pair's guidance that will lead us through our Feeling Healing, and with Divine Love, we will be able to ascend through the 7 spirit Mansion Worlds and enter the Celestial Heavens where we also interact with other world's spirits.

J&M: We are also to embrace the truths and guidance of the Paradise Pair, Mary and Jesus, who will then lead us through the 3 Celestial Heavens that are aligned with Earth, and then further on through Nebadon where we will then depart beyond on towards Paradise.

M&F: Beyond the universal zone of Nebadon, we will be guided by our Heavenly Mother and Father onwards through the universes to Paradise where we will be welcomed by them, home for us all, as we are all Children of God.

WE ALL ARE BEING GUIDED HOME – NOW, HOW TO COMMENCE THE JOURNEY:

GOD

M&F

For 200,000 years, we have been misled into embracing our mind's distortion of wisdom and truth. All such traditional understandings only lead us in the wrong direction, from which we must turn back from. Our soul based feelings are always in truth. Our minds are to follow our soul based truths and feelings, not the other way round, as we have been brought up to embrace.

We are to connect with our deeper repressed feelings.
We are to long for the truth of what we are feeling.
We are to live true to our selves; by living true to our feelings.

Use your surface day-to-day feelings to connect with your deeper repressed feelings. Express your surface feelings and your deeper repressed feelings to uncover the truth of yourself.

J&M

We all have feelings which we communicate and share with each other. And we all have deeper buried and hidden repressed feelings. Feelings from our early childhood we felt, yet weren't allowed to express. These feelings are still within us, waiting to have their say. These feelings, because they are repressed, cause us all our problems.

And as we look to uncover, bring out and accept these deeper feelings, so we're taken into new ways of looking at ourselves, our feelings, and our life. We're setting ourselves free of the controlling patterns that govern our unloving behaviour.

In this way, we progressively begin to express the personality that our Heavenly Mother and Father gave us, not the one imposed upon us by our physical parents and carers. We are to be our true and real selves.

By living true to ourself, true to our feelings, we are living true to God. It's that simple.

AVO

HUM

As we, humanity, long for the truth of our feelings, we can also be assisted by the Spirits of Truth of the Avonal Pair who are our spiritual teachers for Earth over this coming 1,000 years, to assist us through the Great U-Turn, away from mind dominance to being soul based feeling lead. They will assist us through the seven levels of the spirit Mansion Worlds.

Then the Creator Pair, Jesus and Mary, will lead us through Nebadon and into the greater universe. Then our Heavenly Mother and Father lead us home to Paradise.

Collectively, should we embrace them all, as we are to, then our pathway home is a journey in the hands of the Spirits of Truth of the Avonal and Paradise Pairs overseen by our Heavenly Parents.

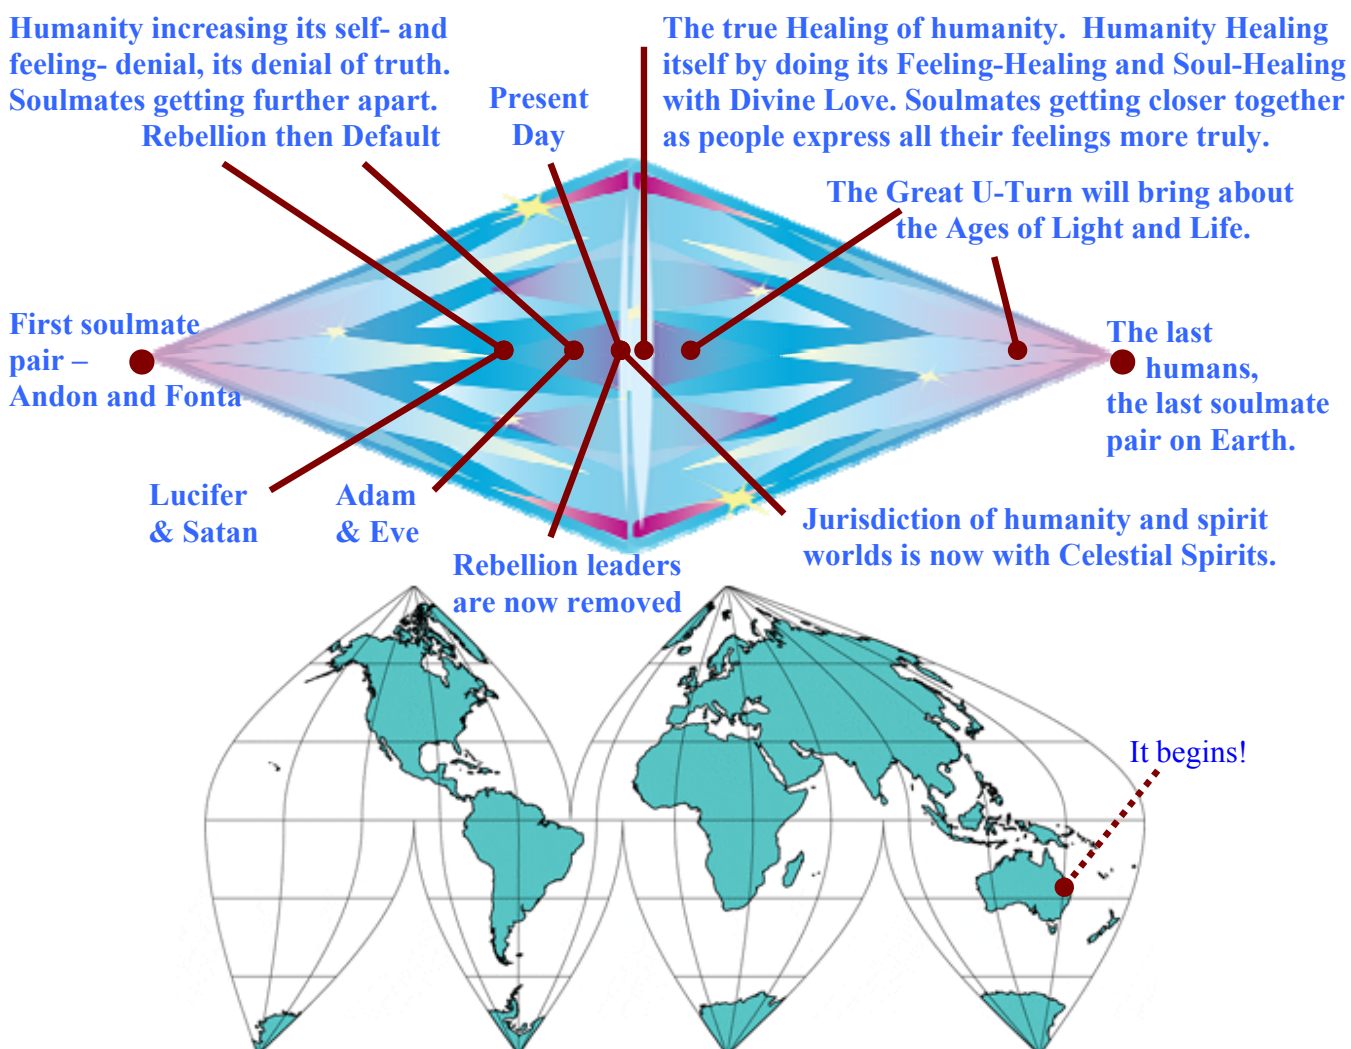

WE ARE Children of God

HOW TO GET TO PARADISE:**Long for the Divine Love****Long for the Truth****Long for the truth of your feelings****Don't deny any feelings: accept, express and want to know the truth of them****Know your feelings are the key; your feelings are the Way****Want to end your falseness and being untrue****Want to understand the truth of your early life****Use your surface feelings to move deeper into yourself, bringing up your repressed feelings****Want and long to know the whole truth of yourself****Want to do it all with God, your Heavenly Mother and Father – long to Them for help.****The Key**

Our longing drives our life. We long with feelings. We can wish for things using our mind, yet long for things with our heart. These things in the pyramid are what to long for. Longing for them, when the longing comes naturally. Longing because you feel you really want them. Long to be true with all your heart. Long to live true to your feelings. Long to understand the whole truth of yourself.

JOURNEY of HUMANITY into and through the GREAT U-TURN:

Humanity reaching its most evilness, the most lost, the most separation of soulmates. Humanity can begin its Healing. The Great U-Turn begins, the dawning of the Spiritual Age.

This is the Great U-Turn. We are to feel and live by our feelings and express our feelings, our mind will follow in support, not the other way around.

Feelings First, you can be sure about that! **Once women get that message and start living it, then the tide will really change**, with men either deciding to support them by looking to their own feelings or being left on the outer wondering what the fuss is all about.

The feminine light is going to sweep through humanity and purge it of all the yuk and darkness, helping to bring the whole of humanity back into a nurturing loving mother state of being, from which the supportive, caring father can support her and together they can make the world great again, they can bring humanity up into its natural love perfection whilst at the same time offer those people who want to spiritually grow the truths of how to embrace the Divine Love and move on to the Celestial level.

By living true to ourself, true to our feelings, we are living true to God. It's that simple.
(Passage in blue calibrates on the Map of Consciousness at 1,500)

HISTORY UNFOLDING:

Man was 'seeded' on Earth maybe some one million years ago in its primitive nature form, they were named Andon and Fonta (also known as Aman and Amon). It was the arrival of Adam and Eve some thirty eight thousand years ago that there was to be an endeavour to significantly evolve the human race on Earth, both spiritually and genetically. In this endeavour, Adam and Eve defaulted, both succumbing to the ways of the rebellion that had been embraced by humanity in its animalistic nature some two hundred thousand years ago.

The Rebellion had been in play in its development for some thousands of years. The Rebellion is that of one succumbing to one's mind and being self reliant, rather than embracing our Heavenly Parent's Will, being bestowed and to be found within our soul based truth and will. From the outbreak of the rebellion to the day of enthronement of Jesus and Mary as sovereign rulers of Nebadon, Jesus and Mary never interfered with the rebel forces of Lucifer and his soulmate, or their deputies, Satan and his soulmate.

It was the bestowal of Mary and Jesus, their coming to Earth, two thousand years ago, that brought about the authority and power for the removal of Lucifer. It was their coming into physical life and living on Earth, and remaining in a perfect state, that brought about the escalation of their authority and the termination of the Rebellion at that time. During the two thousand years leading to this current time, the remnants of the Rebellion and Default have been progressively removed. The Caligastias and Daligastias, being soul pairs and who remained embellishing the role of 'gods' in the natural love Mansion Worlds / spheres, had continued with their self-made appointment as rulers, now having only very recently been disposed from their 'thrones' (possibly around the early 1990's).

Only now can humanity be guided to the pathway of stepping away from the pain and misery of being self reliant – mind dominated, and embracing the will of our Heavenly Parents, Mother and Father, God – soul feeling orientated. Only now can the feminine aspect come to full bloom and be revealed. Only now can the process of removing of the erroneous teachings that generation after generation hand down to their children be explained and be rebuffed. All of which could not be revealed under the rules of the Rebellion and Default.

As Mary and Jesus, the Creator Daughter and Son of Nebadon, were perfect throughout their physical lives, they do not have the personal experiences to adequately share with us how to heal ourselves of our evilness / errors, that of denying Mother and Father – God and themselves, Mary and Jesus. And now there is possibly another bestowal pair on Earth. This pair being the Avonals. If they are here, then they will have embraced all the errors and evilness that humanity is in, and then work through the Feeling Healing process and also embrace Soul Healing. Upon their physical deaths, they then release their spirits of truth so that all of humanity who wish to undertake their Feeling Healing and Soul Healing, should they long for their support, will be able to access these Spirits of Truth for assistance.

Paradise Magisterial Sons and Daughters constitute the order of Avonals in contradistinction to the order of Michael, the Creator Sons and Daughters. Though not creators in the personal sense, they are closely associated with the Michaels in all their work. The Avonals are planetary ministers and judges, the magistrates of the time-space realms — of all races, to all worlds, and in all universes. Humanity will continue to connect with the Spirits of Truth of Mary and Jesus, even though Mary and Jesus will now step back from assisting humanity and enable the Avonal pair to assist and guide humanity in this coming age. This change over is the end time of Mary and Jesus' era.

LUCIFER REBELLION HAS ENDED, and now REVELATIONS for HEALING are HERE:

Lucifer soulmate pair

Satan soulmate pair

Caligastia soulmate pair

Daligastia soulmate pair

Lucifer soulmate pair were magnificent beings, a brilliant personality as one. They were designated as one of the one hundred most able and brilliant personalities in more than seven hundred thousand of their kind. From such a magnificent beginning, through evil and error, they embraced sin. They believed that their minds were all powerful and that everyone should be independent and reject the illusionary God and those who lead the path to God, namely Michael of Nebadon (Jesus and Mary).

Very little was heard of Lucifer on Urantia (Earth) owing to the fact that he assigned his first lieutenant, **Satan** (also a soulmate pair), to advocate his cause on our planet. The “devil” is none other than Caligastia (again, another soulmate pair). At the time Michael (Jesus and Mary) was on Urantia in the flesh, Lucifer, Satan, and Caligastia were leagued together to effect the miscarriage of his bestowal mission. But they spectacularly failed.

About five hundred thousand years ago and concurrent with the appearance of the six coloured or Sangik races, Caligastia, the Planetary Prince, arrived on Urantia. There were almost one-half billion primitive human beings on Earth at the time of the Prince’s arrival, and they were well scattered over Europe, Asia, and Africa. The Prince’s headquarters, established in Mesopotamia, was at about the centre of world population.

Caligastia had been attached to the council of the Life Carrier advisers on Jerusem. Lucifer elevated Caligastia to a position on his personal staff, and he acceptably filled five successive assignments of honor and trust. The Planetary Prince of Urantia (Earth), Caligastia, was not sent out on his mission alone but was accompanied by the usual corps of assistants and administrative helpers.

At the head of this group was **Daligastia** (soulmate pair), the associate-assistant of the Planetary Prince. Daligastia was also a secondary Lanonandek Son. He ranked as an assistant

Lucifer, with deputy Satan, and lieutenants Caligastia and Daligastia have ingrained into the human psyche to be mind dominated with its errors passing down through all parents, being self reliant and rejecting one’s own soul based feelings that are to lead us to our Heavenly Parents with the truths being provided by Mary and Jesus of Nebadon. Lucifer and Satan were removed two thousand years ago, Caligastia and Daligastia have very recently been removed. Their crimes against humanity make Adolf Hitler appear to be a saint!

On the way along on this incredible journey that we call life we experience illness whilst in the physical body. Some much more so than others. We wonder why us, not them?

Our medical system, through physicians, doctors, surgeons and many others, treat the symptoms. The illness disappears – for a period of time. We all wonder why?

The diagnostic technicians probe for hereditary illnesses. Does that mean that we are doomed to have the same illness or set of illnesses that our parents and grand parents had? Why should this be so?

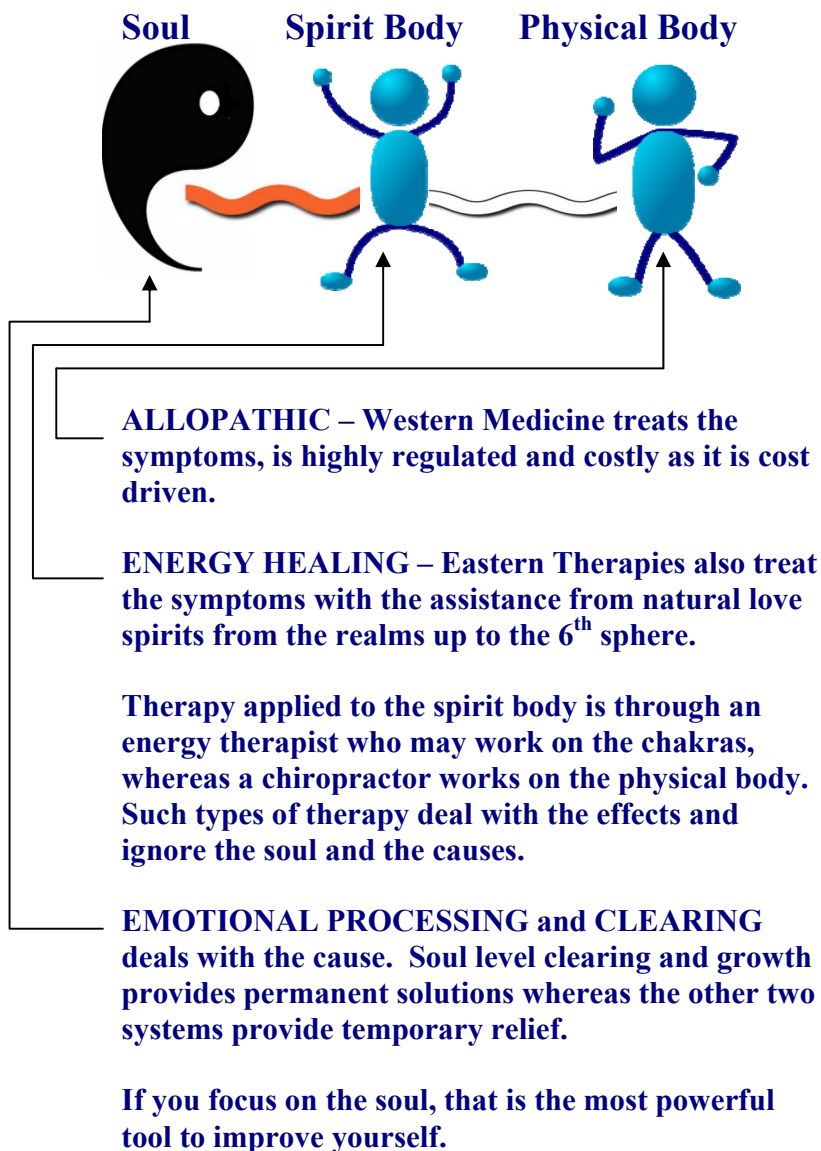

WHILST the doctors, physicians and surgeons work on the physical body, the errors and damages within the soul recreate the illness and disease. The damage firstly emerges in the spirit body then appears in the physical body. The underlying cause is not identified and addressed by modern medicine.

“If you deal with the causal emotion that creates the illness or disease or discomfort, that discomfort will never appear in you again”.

10 Aug 08

HIERARCHY of HEALING SYSTEMS

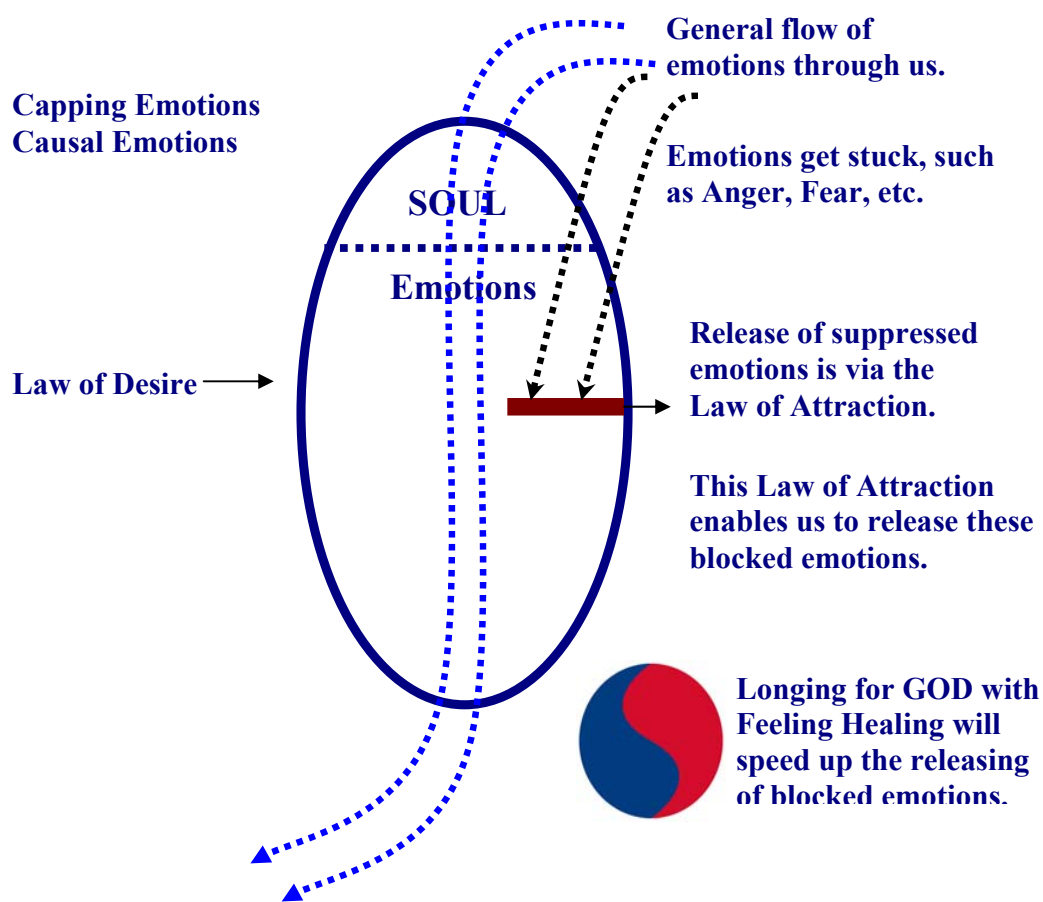

Accessing and processing of emotions is to be considered as essential in dealing with any illness. Such accessing and processing of emotions is to be done in conjunction with other healing modalities, be it allopathic and / or energy healing. The regime of processing emotions is best employed at the commencement of the treatment program. This is the time when the patient / friend has the most incentive to commence this ongoing practice.

Until the causal emotion is released the illness will keep on returning in one form or another.

An earnest longing for God's Divine Love is the only way to transform one's soul. This longing is severely retarded and the reception of God's love impaired whilst one's soul is dominated by erroneous beliefs which are in the form of negative emotions. The releasing of and clearing of these emotions are essential to progress from the lowest levels of the 1st sphere and also to progress through the 2nd sphere. It is the engaging in one's Feeling Healing and embracing Divine Love that we are able to progress through the Divine Love spirit mansion worlds 3, 5 and 7.

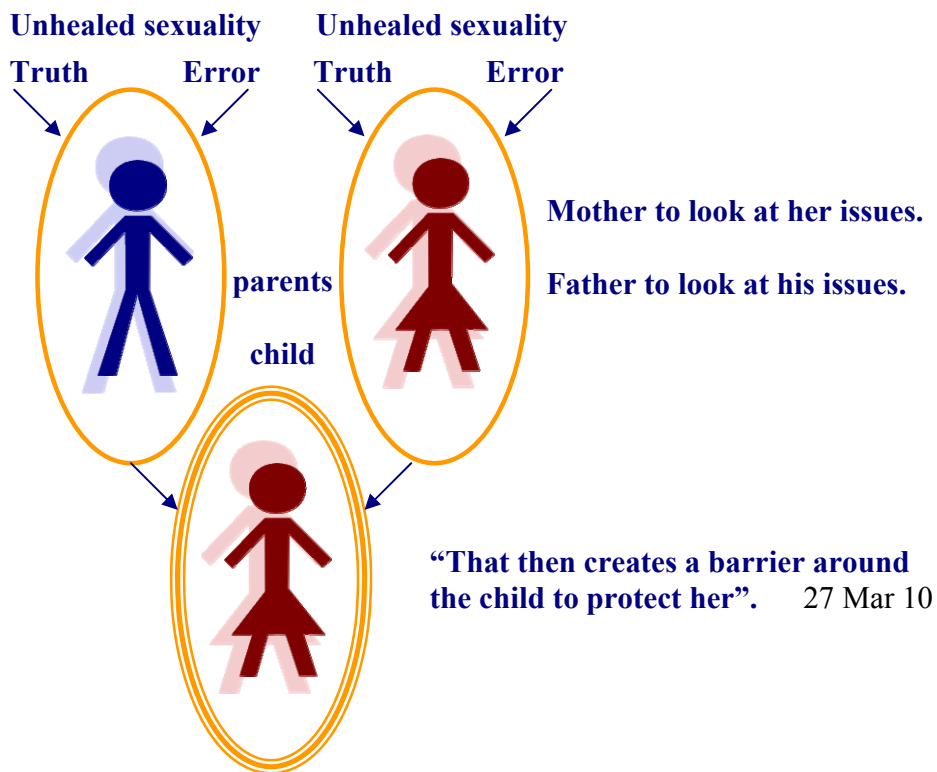

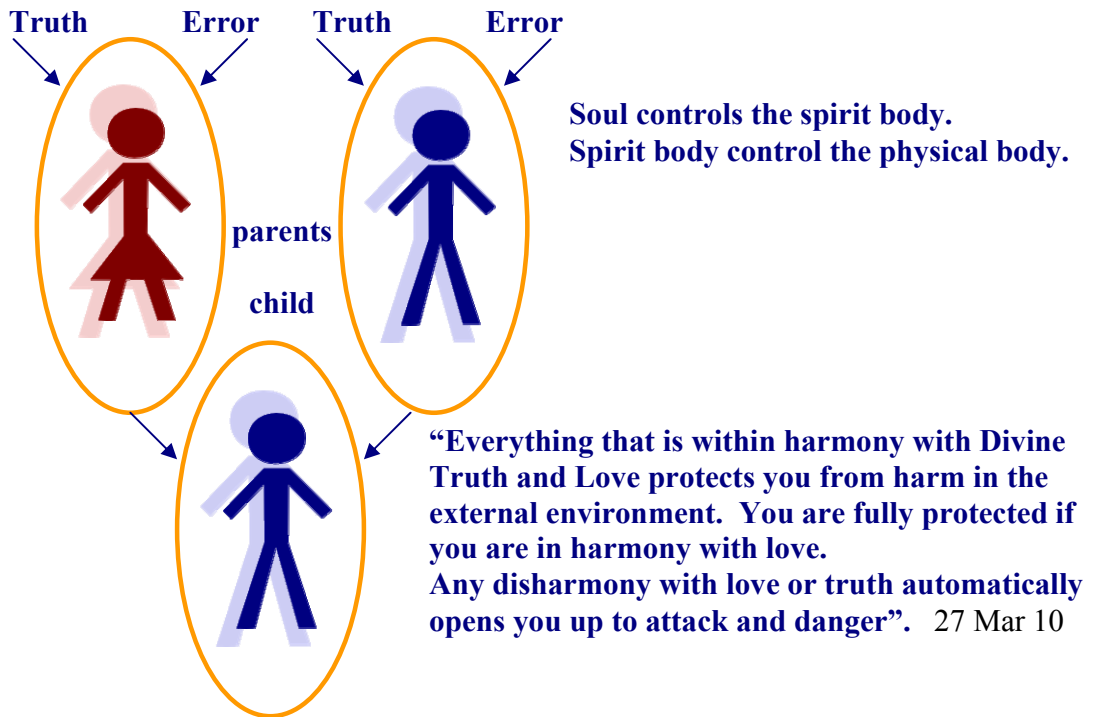

WE are CREATED as EMOTIONAL BEINGS:

“Repressed / suppressed emotions result from walking away from Love.

Aman and Amon – first parents – walked away from God, detuned from God’s love. We misused freewill by acting in disharmony with God”.

27 Sep 09

We are emotional beings, emotions generally pass through us, however, when they become stuck within our soul, they then appear as fissures within our spiritual body. These stuck emotions, unless accessed and cleared, then eventually manifest as illnesses and diseases within our physical body.

Figure 24-1, Hands of Light by Barbara Ann Brennan

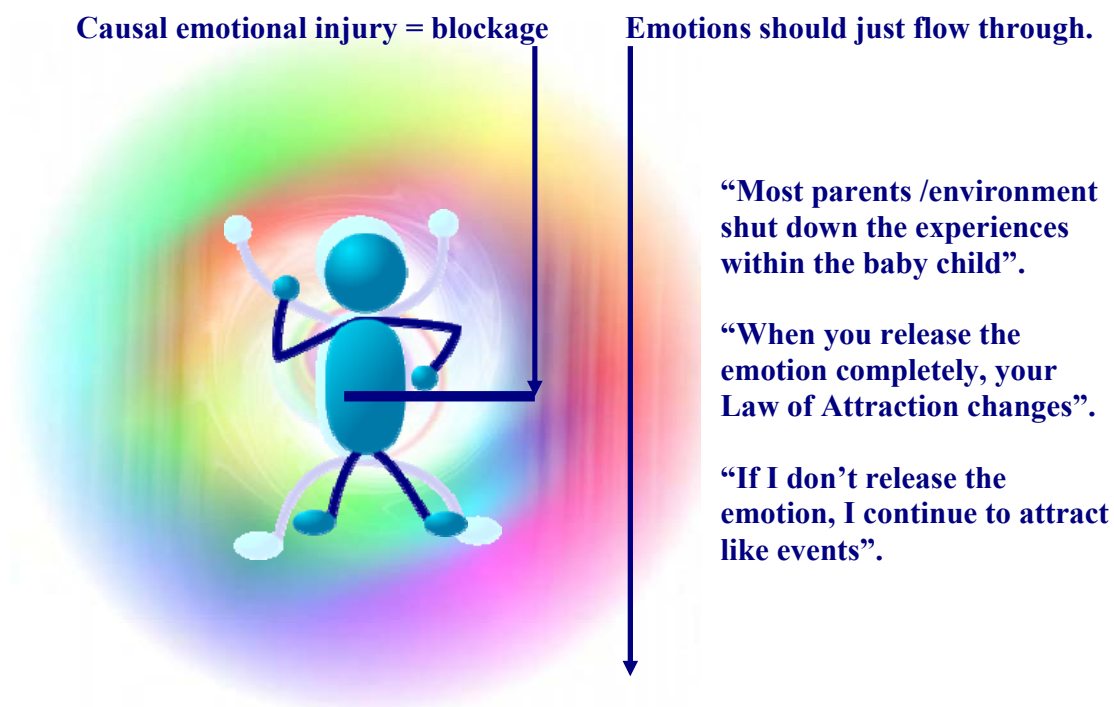

Every emotional blockage, blocks our relationship with our Heavenly Parents.

Our environment, namely those who are closest around us, introduce many of the errors we carry with us within our soul body, our real self. Our parents, grand parents and siblings are those who greatly influence and mould our emotions. Prior to birth and during our first years, we absorb the emotions of those within our environment.

Three Great Truths:

- God is Soul, being our Heavenly Mother and Father;
- that each individual soul is a duplex – both male and female;
- and Feeling Healing with Divine Love is the pathway to Paradise.

WE NEED to FEEL CAPPING and CORE EMOTIONS:

EMOTIONS of SELF DECEPTION

“The more we are away from core emotions, the further we are away from our true selves”.

TOOLS of DENIAL

DENIAL of EXPERIENCE

“We are made to feel emotions”.

CAPPING / BLOCKING EMOTION

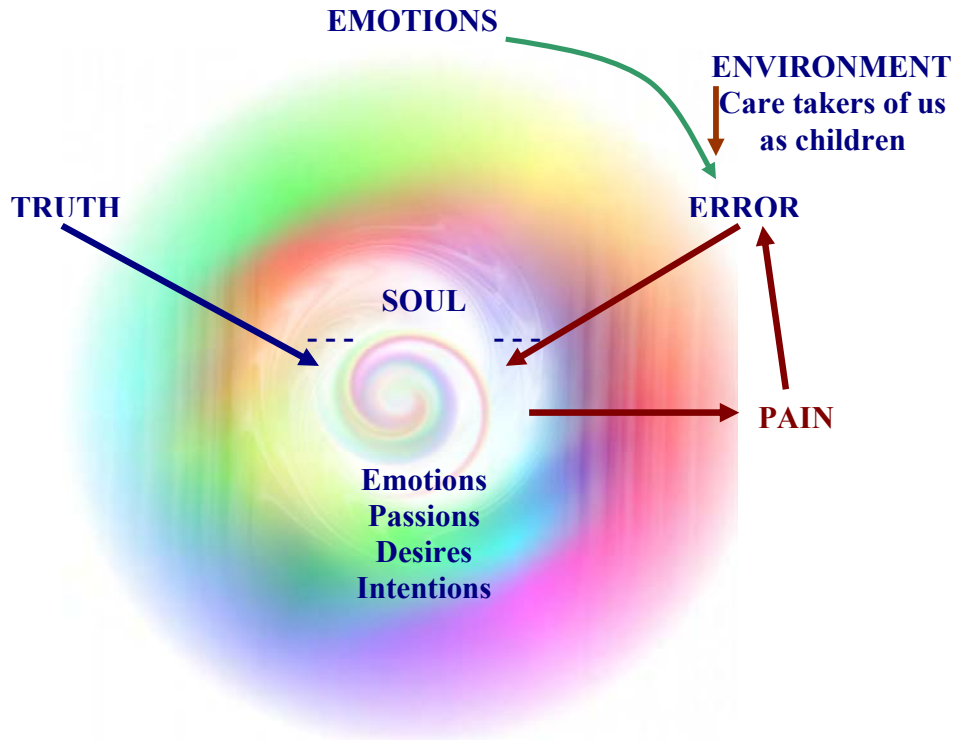

“We shut down our emotions instead of nurturing and processing our emotions. We blame ourselves or blame others”.

CORE EMOTION – Childhood Enacted

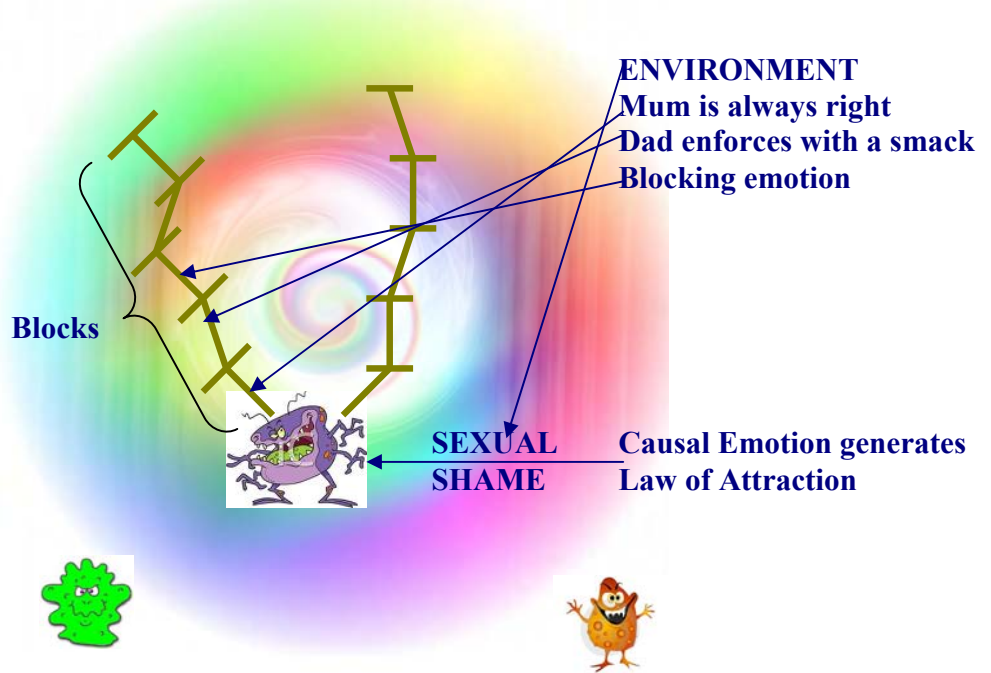

Underlying causal emotion.

Every child is reflecting its parents suppressed emotions, denial reflected in suppressed anger – emotion reflects the causal event / emotion / grief. Get through the anger then into grief.

“We need to feel our capping and core emotions”.

EMOTIONAL ERRORS are of the MIND

EMOTIONAL ERRORS are of the MIND

‘I had a pretty good upbringing’ in comparison to other people.

Parents have NO understanding of blocking emotions.

Parents have NO understanding of causal emotions.

Parents have NO understanding of Law of Free Will.

Parents have NO understanding of Love.

Divine Love Pathway:

Pray to God with a feeling and longing for

God’s Divine Love to enter you.

Have a longing for truth from God.

Be open to experience your emotions.

WE ARE TWO HALVES ON AN INCREDIBLE JOURNEY, MALE HALF AND FEMALE HALF OF THE ONE SOUL, or two male halves, or two female halves.

GOD, FATHER, MOTHER, SOURCE SOUL

Spheres in the heavens are not actually numbered, this is an indicative outline.

Unknown number of spheres, yet to be created, so as to reach the level of the Creator.

OUR JOURNEY of GROWTH in LOVE
 All we need do is engage in Feeling Healing and to ask for God's Divine Love – it is that simple.
 Ask directly, no intermediaries needed.

Souls, being thoughts of God, are ready for incarnation in their billions. These souls are at the level of the 6th sphere in a natural love state, however, they are not within the 6th sphere perse. These souls are not self aware. Prior to incarnation, they do not express free will. There is nothing of the Divine within the soul.
 They have an instinct to incarnate. Incarnation of the two soul halves, male and female aspects, typically occurs within a 5 or 6 year time frame, however the timing may be 20 to 60 years apart. To become conscious of self, you must incarnate.
 This is the individualisation process.

The soul half that incarnates is the one most suitable for the characteristics and character of the attracting parents. Upon incarnation, one's soul condition adjusts to reflect the soul conditions of those around it, typically reflecting closely the soul conditions of one's parents. Upon completion of individualisation process, that is incarnation which may be only a short experience in the mother's womb, we never need return to the physical state. To be able to return to our Heavenly Parents, we are to use our free will and engage in Feeling Healing and to ask for Their Divine Love.

The Map of Consciousness (MoC) scale by David Hawkins is a natural love scale.

Allowing yourself to feel past 1,000 on this scale, this will enable you to calibrate Divine Love.

The scale is a scale of love that is ultimately infinite once you consider Divine Love.

Publications and material in Divine Love and on Divine Love typically calibrate between 1,300 and 1,500 on the MoC.

Possible relationship of Map of Consciousness (MoC) with Mansion World Spheres:

8th Sphere	1,081 – 1,251+ Achievement of at-onement on reaching 1,081
7th Sphere	921 – 1,080 Divine love only, transmission to at-onement and Celestial spheres
6th Sphere	841 – 1,000 Natural love mind world – perfect Natural love
5th Sphere	781 – 920 Divine love Mansion World
4th Sphere	651 – 840 Natural love mind Mansion World
3rd Sphere	500 – 780 Divine love Mansion World
2nd Sphere	500 – 650 Natural love mind Mansion World
1st Sphere	1 – 499 Natural love mind world predominantly

World 1 embraces the regions of disharmony as well as introduction to Divine Love. All humanity awoken in spirit in the first Mansion World. Then they move, if required, upwards to higher mind levels or lower into the hell planes or over into the Divine Love healing worlds. Humanity, overall, calibrates around 212 on the Map of Consciousness.

HEAVENLY MOTHER and FATHER:

<http://new-birth.net/samuels-messages/53-revelations/revelation-53-god-is-not-a-father-mother-god/>

The Heavenly Father, with His infinite Divine Love, loves all His children, but whether His Love enters their souls and makes them at-one in Essence with Him depends upon their willingness to let it come into their souls through earnest longing and prayer. We use the term “Father” to indicate the fact that we are at-one with Him in nature through the possession of the Divine Love and not because any concept of maleness or masculinity is involved; and also to indicate the distinction between this kinship in nature and the term “servant of God,” which was used by the Hebrews, because they knew instinctively that no matter how hard they tried they could not acquire in any way any of the Essence of God, which would have permitted them to use this term “Father” in this sense.

So you see, when I called God “the Heavenly Father,” I used the term in the sense of relationship in Essence; and the term in its human meaning in connection with physical procreation is a mistaken and erroneous concept of God and Their Divine Love. God is our Heavenly Mother and Father as the creator of our souls, and no limit, such as a sexual idea, such as Father-soul or Mother-soul, in the natural meaning of the terms, can be in truth applied to Him.

The Divine Love Path incorporates the Natural Love Path. There is no problem in displaying natural love. In fact God designed you to display natural love in order to be happy, if you wanted to be happy without God in your life. If you wanted to be happy without choosing God reliance in your life, instead just be completely self reliant. Or you wanted to make up your own rules about God, your own rules about life, if you want to be completely happy, you will have to at some point follow one of the natural love paths. There are literally millions of them, because mankind has set up millions of ideas and paths as of a result.

The choice in the end, are we going to remain self reliant or become God reliant. Being self reliant we cannot progress past the 6th sphere. The natural love path is about self reliance and there are beautiful lessons to be learnt about self reliance.

However, with Feeling Healing, the Divine Love path incorporates all of those lessons, and in addition to that, teaches you complete God reliance.

The proof of one's processing, ask; Am I changing? Do I feel more loving to other people? Do I feel more connected to God?

If the answers to those questions are not yes, then I need to look at my issues, am I really emotionally processing?

Parent created causal emotions is the area that we need to process.

Our Façade self issues are pointless in processing. Shame and fear create the façade self.

Note: Following the writings of James Moncrief, one could consider that any reference to the Father, by other relevant writers, may be read as a reference to 'our Mother and Father'. Further, when considering soul healing, then reference to Divine Love could be referred to as 'Feeling Healing with Divine Love'.

What truth does, it creates an opening or a vortex in the egg shell, the hard veneer around one's soul.

It allows a way that other external information can infiltrate the soul.

Truth breaks down the hard shell of lies, untruths and resistance. It creates a permeable layer within our soul that allows things to go through into it.

Without truth, our soul is condemned to stagnation.

A newly individualising soul is just a tiny spark.

SPIRITUAL HEALING

There are two types of healing. One is through a spirit, a spirit healing the person and usually a 6th sphere spirit will do that or a spirit on the natural love path under the 6th sphere who might be connected to the person healing them. That is why most healing is happening that way, like John of God who is healing is through this method.

There is no spiritual healing occurring via the method that Jesus used in the first century at this point (2010). That spiritual healing is when you become at-one with God. Basically because of that connection with God, God can direct Her energy or love through you to heal anyone you choose as long as that person is open to dealing with their emotion that created that injury. The willingness to experience the emotion has to come first. If you are connecting with God whilst on the Divine Love pathway, God does not expect you to go through the Law of Compensation anymore. God's grace is now passing through you.

You need to be open to experience the emotion of it.

It is the faith connection that matters in healing more than anything.

The emotional release occurs during the process.

As the soul grows, it can experience more and more emotions.

John of God (real name is Joao Teixeira De Faria), though he has received some Divine Love, does not understand the principals of Divine Love, and many times he is healing with the help of natural love spirits. But he also has a Divine Love spirit helping him heal, and the Divine Love spirit, which is one of the softest and gentlest spirits around him, will only heal when the person being healed wants to deal with the causal emotions. John of God does not understand why this most sensitive spirit around him actually comes to him under certain circumstances. The circumstances are that that spirit can connect through John of God to heal that person who is wanting to deal with their causes.

Every tiny bit of pain you are experiencing in your life, physical or emotional, is the complete effect of a cause, and if you don't want to see the cause, those pains will continue.

We have whole systems on earth totally dedicated to removing effects. The pharmaceutical system on earth is totally dedicated to taking away effects. We have law upon law, upon law, politically to take away effects, they don't deal with causes.

Is it effective? No. Because we still keep getting the same effects.

The whole world is geared to modifying and changing effects.

God does not do that. All God is interest in is addressing causes.

There are many natural love spirits in the spirit world, 6th sphere and lower, who are totally dedicated to healing people, on earth, who are not dealing with causes. There are literally billions of spirits in the spirit world who will assist a healing of a person that is not addressing the cause of why they got the injury in the first place. The Divine Love spirit will never respond to a healing where the cause is not dealt with.

It is totally ineffectual and a waste of energy though, because in the end, whether the person is healed or not, the emotional cause is still within them. They will either get the sickness again, or a similar sickness, or they will never address the emotional cause which is harmful to their soul anyway.

16 May 09

THETA HEALING

One of the functions of Theta Healing is shifting spirits. What is happening with a lot of our belief systems, a spirit is attached to us, and they are attached because of our emotions. Then spirits have their own beliefs which get mixed with our own beliefs. We can actually ask the spirit to step aside, we can shift the belief system very rapidly because it is someone else's belief. The truth is, when it comes to our own belief system, you won't be able to shift it very rapidly unless you experience it emotionally.

You can shift spirit belief systems that are attached to you very rapidly by getting rid of the spirit.

If you are not addressing your emotions you are not involved.

What is essential with any healing is to deal with the cause. All energy based healing platforms, which are natural love based, only deal with the effects. Such natural love based modalities may provide relief for days, weeks, months, even years, however, they are only dealing with the affects and not the cause. The damage and blockages remain within your bodies, the illness will re-manifest itself in one form or another unless you access and clear your emotions.

FEELING HEALING and the EFFECTIVENESS of EMOTIONAL PROCESSING:

Hi James and Nanna Beth (questions in blue by John)

Thursday, 13 July 2017

The question to address is:

What is different with the outlines of the Feeling Healing process as against the numerous other emotional processing methods?

Nanna Beth: The difference is the focus on the truth: uncovering the truth of yourself through your feelings – uncovering the truth of your feelings. It's a rebellion against the Truth, so if one doesn't want the truth, nothing will happen, one will only move deeper into one's rebellion against it.

And because the focus is on the Truth, so one can use it all the way to uncover the Whole Truth of Oneself. And there is nothing else teaching that.

All the other systems that involve looking to feelings to some degree fail to understand the deeper significance of wanting the Truth. Many people uncover some truth of themselves through their feelings, but mostly they end the process because they don't want to follow it right the way through, which means they only want to heal some momentary pain, and once that is done, are usually happy to continue on in their untrue state.

And because one is wanting to uncover the whole truth of oneself, then it becomes a full spiritual experience, and one that can be done by oneself, so without needing help from another, although at times help is sought and used. So the Feeling Healing embraces Healing the whole seven Mansion Worlds worth of self- and feeling-denial, which is the complete Rebellion and Default. Other systems might only work at some aspect of it, limiting the ascent of truth through all the Mansion Worlds.

And basically no one understands the absolute depth of the problem within themselves, which is only borne out by people and spirits doing their whole Healing. Much of the current psychological understanding falls well short of understanding the depths that are involved because they don't include the overall problems brought about by the Rebellion and Default. You have to understand you are rebelling against yourself: the truth of yourself, and so against your own soul; which is then the truth of God, so the Mother and Father; and that also includes the truth of Mary and Jesus. So at some point you have to rectify all those relationships, which you can't do unless you understand the bigger spiritual picture. And so that's what James has revealed, taking all Marion has said, all the books offer, adding his own stuff, and putting it all together as a way of life, a spirituality that can be lived, and one the initially focuses on Healing oneself of all one's wrongness.

Why have all other methods of releasing and delving into emotions not been successful?

Nanna Beth: Because they don't understand the scope of the problem, as I said above. They are not approaching it from the point of view of understanding the nature of one's Repressed Childhood state, the extent of that; and then how one needs to allow oneself to feel all the bad feelings, not reject them; and then bring them out, which is the releasing of them; all whilst wanting to know the truth of them – the truth of what you are feeling. And that truth is what needs to come up within you so you can heal your

will and become a truly functioning person, fully self-expressive, self-loving, and growing continually in truth.

All the other systems work within the control of the mind, so once the therapy ends, the mind regains control albeit in a different way. Only the Feeling Healing and Soul Healing with the Divine Love, seeks to entirely break the control of the mind over one's feelings.

Why haven't other methods been going deep enough?

Because people are basically afraid to push into such early childhood trauma without understanding where they are going or what it's all about. The leap of faith is too great, as it would mean they would have to rise above and conquer the Rebellion and Default within themselves, and that's simply too much to ask. The negative truth-denying systems within everyone are too deeply entrenched.

However the spiritual structure outlined by James provides a structure that allows you to deal with the Rebellion and Default, allowing you to maintain your faith, and evolve it, as you progress in your growth of truth – it gives one a picture to work with. Very few people, and possibly only Marion in fact, are able to press on into such dark depths without any structure and with only a faith that it's what she and God want to do.

I (Beth) couldn't have done it Marion's way John, I wouldn't have allowed myself to feel such pain, I needed to understand the bigger-picture reasons as to why I was in such pain, and be given the understanding that if I kept at it, one day it would end. Marion doesn't know it will end, she just keeps going one bad feeling at a time, which requires a tremendous amount of faith and over so many years and through so many inner obstacles; and still she doesn't know if it will end, but as she says, there is nothing else she can do other than keep going because she tried everything else. And she doesn't want to let her mind come in, only wanting to stay true to her feelings, so she doesn't want to know about the bigger picture even though she has worked it out along the way for herself and for James to understand which he's worked into his books.

So the spiritual aspect or approach James has provided, even if it's not actually talked about; the simplicity of honouring your feelings, and in particular your bad ones, then by accepting them you allow them to have their say, so you express them, all whilst longing for the truth, includes all one needs to know. And so by doing that, one will be able to fully Heal themselves working it out along the way for themselves; and even if they don't understand it, will be living the highest truest spiritual life one can live in one's wrongness, which in time will lead to one's Healing of one's rebellion and default.

On the surface of it, what James has related seems overly simple, but doing it yourself, and see what happens and what results; and that will take one deep into oneself uncovering the whole truth of oneself.

Many will consider that what they have been doing is adequate – why are they wrong in their understandings?

Nanna Beth: Because they don't understand what it's really all about. They don't understand the mind is in control of their true feelings, and that needs to be stopped. They don't understand the significance of their rebellion against the Truth, and how that happened by default. They don't understand that it's about

uncovering the whole truth of yourself through your feelings, all your feelings, but focusing to begin with on your bad ones because they are what most people don't want to see. Everyone else sees it that they are doing this feeling type healing to make themselves better, to rid themselves of their pain and trauma, so instead of taking a pill to take the pain away, they are using some sort of emotional clearing system. But that is all still to take the pain away, to fix themselves, to heal themselves, to effectively take a pill so it all goes away, just like what the 'Divine Love people' hope the Divine Love will do for them, but it's not to uncover the whole truth of themselves. We have to see the truth of our pain, why we're in it, how it all came about, so what really went on in all our early relationships. It's not about doing anything that just takes all our suffering away. We have suffered for valid reasons, which all have to come to light. And so only emotional and feeling accepting systems to help one see such truth of one's pain and suffering are of any worth. And unless you uncover the whole truth of yourself, you'll never set yourself free of your rebellion and default, of all your soul pain. And the truth means to see the whole truth of why you feel unloved, how unloving your early relationships were, why you don't love yourself, why you are unloving, why you are evil and wrong, which basically no one wants to face.

So to summarise: We all have to see the truth of our unlovingness. We can't avoid it – deny it. We have to face it and feel all it makes us feel. And all those bad feelings lead us into the truth of it. So we have to understand – bring to light through our feelings – all the truth of our unloved, negative, evil, wrong state. And then once we've done that, we can be free of it. So until you uncover and feel the whole truth of it, it will never leave you, you'll remain in rebellion against yourself, you'll continue to be unloving.

Firstly, consider discovering the truth of your emotional pain and injuries through Feeling Healing.
 Secondly, consider longing for our Heavenly Parents' Love as you progress with your healing.
 Primary and most important readings are the writings of James Moncrief.
 Then consider the Padgett Messages, and then The Urantia Book.

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God's soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of your Mother and Father.

God creates your personality. Your soul splits into male and female aspects, incarnation of the two parts may be as much as 20 years apart.

Parents attract the unaware soul element at conception. We reflect our parent's emotions. As children we absorb the emotions from surroundings without any filters. From conception we start our journey up the spiritual realms.

There are in fact many 'dimensions' of existence in the spirit world. These other dimensions / spheres are all in various locations and conditions of love. To get from one dimension to another dimension that is in a better condition and more joyous condition, it's about learning lessons in love.

The moment that you became aware as a soul is the moment of your incarnation, which is the moment that you attach to the spiritual and physical bodies that allowed you to start to assimilate information as a half of your soul. Before that point, you could not assimilate information as a half of your soul, because you did not have the bodies to connect to those universes, the spirit universe and the material universe. 25 Jan 09

Between the time of awareness, the moment of incarnation, and being physically born, you are being heavily influenced from the time of incarnation to the time of birth. That period of gestation has a major impact upon you. That is why it is very important for mothers and father to recognise the importance of dealing with their own emotions. 25 Jan 09

SOUL of HUMANITY
As it is before splitting and incarnating as male and female entities.

At the time of incarnation in the first instance the soul actually splits into two halves and one half incarnates into one body and the other half incarnates into another body. The short time they were decreed to live the earth life was for the purpose only of giving the soul an individualized existence.

A gold cord connects the Soul to the Spirit Body and a silver cord connects the Spirit Body to the Physical Body. It is the disconnection of the silver cord from the physical body that results in the death of the physical body.

Our Personality is a feeling of God, thus creating our unaware Soul. At conception, our unaware personality (soul) forms both a spiritual body and physical body. Incarnation starts the road of self discovery, children reflect parent's emotions. Parents attract us to incarnate.

SOUL of HUMANITY, only man has a soul and a spirit body; and of the animals and vegetables, only those with a central nervous system have spirits.

Male/male life choice	80%-90% Heterosexual 10%-20% Homosexual	Female/female life choice
--------------------------	--	------------------------------

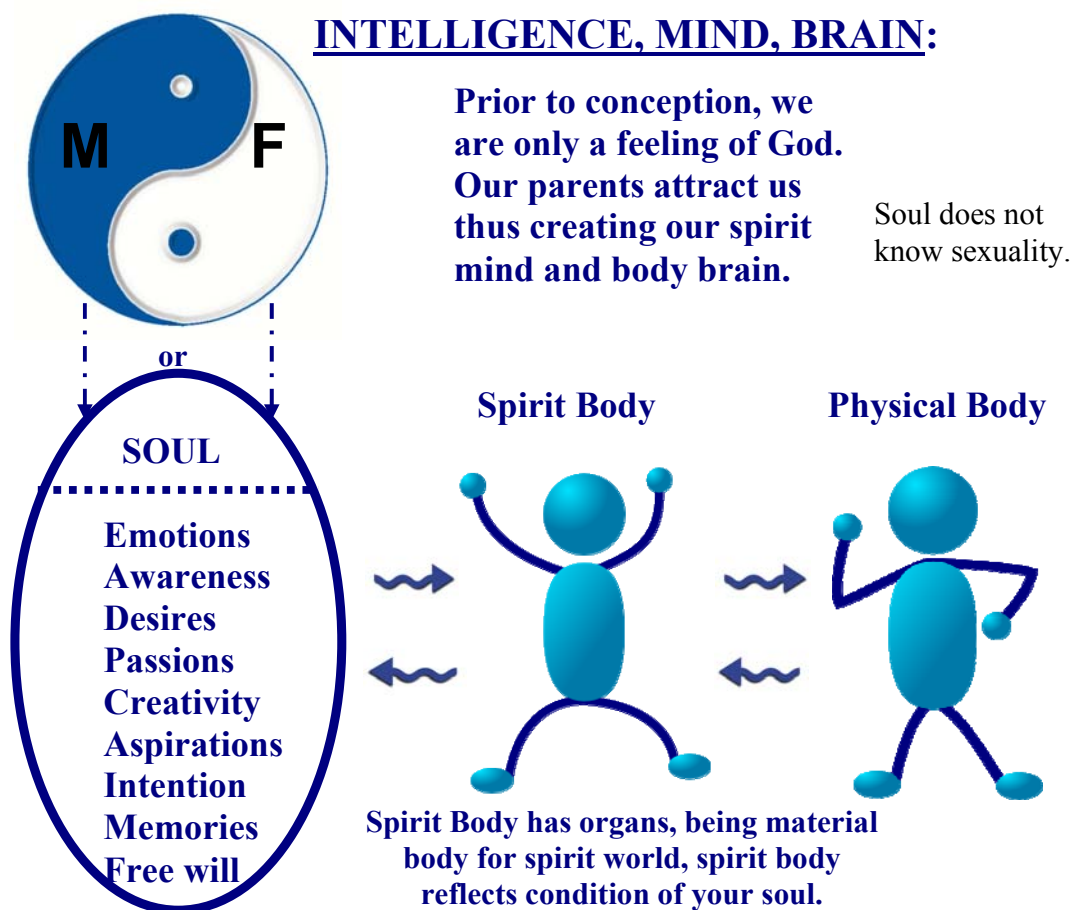

Our soul splits into bodies of the opposite sex, thus creating the soulmate pair. In the spirit world we bond closely together again as we progress up through the spheres.

SOUL of HUMANITY, only man has a soul; vegetable and animals have spirits only, and of the animals and vegetables, only those with a central nervous system have spirits.

For many of us, our soul is so depleted of love that our soul is encased within our spirit and physical bodies.

PERSONALITY
SOUL  SPIRIT BODY  PHYSICAL BODY

Our Intelligence is Soul based. The capabilities of discernment, e.g., by kinesiology muscle testing, expands only with the growth of our Soul's intelligence. Upon conception, the creation of both our Spirit Body and Physical Body occurs, bringing forward our unaware Soul to start our journey. Upon death of the Body, the brain dissolves. The mind continues to grow in the Spirit Body until we progress through the 7th sphere into the 8th sphere at which point we are 'born again', one with God, entering the Celestial Realms, and the mind is no longer. Our soul intelligence grows as does our soul expand with the ever increasing infusion of Love from God.

SOUL ~ SPIRIT BODY ~ PHYSICAL BODY

The soul has pathways similar in construction to your brain. Your memories are stored in your soul, they are then reflected through you spirit body and then your physical body.

When an error enters your soul, it sets up a pathway for more error to enter your soul. And when truth enters your soul, it sets up a pathway for more truth to enter your soul. This is what happens to your soul physically.

The construction of the soul and brain is very similar. Picture your soul as this energetic pathway of all these connection points. Consider your soul like your brain where all these tiny networks are constructed of each other. Emotion is energy in motion. There are unimpeded pathways through the soul, in the same manner as the brain, for emotions to flow. We have pathways were only error flow, being error constructed pathway. Similar pathways for truth are separate pathways.

GATE OF HEAVEN by Robert James Lees:

<https://new-birth.net/life-after-death/the-sleep-state-extract-from-the-gate-of-heaven2/>

Reference; the third book of RJ Lees – "Gate of Heaven" a web page of the diagram found at the beginning of that book very clearly shows the sleep state as occurring in a physically different location from the Spheres.

This extract is from the book "The Gate of Heaven" by R.J. Lees and it has a diagram of the spirit spheres, spheres of natural love that reach to the 6th sphere, whereas Divine Love sphere go on and on and on, and the diagram illustrates that the sleep state also has a specific locality.

**THE HEAVEN
and
EARTH
SECTIONAL DIAGRAM**

EXPLANATION OF THE DIAGRAM

The outer circle indicates the position of the Psychic Sphere. The ‘firmament’ or heaven of Gen. i, 8. This, as described in the following pages, embraces every provision for the reception and maturing of the newly-born soul until it reaches the Spiritual condition of a son of God.

E. The Earth. Its position in the Physical indicated by the dotted circle.

I-VII. The Seven Spheres, or Intermediate State. The Schoolroom where the youth of the soul is passed in Spiritual preparation.

VIII. The location of the uncultured, or “nations that forget God,” in which they are suitably instructed and prepared.

IX. The Sleep State, where the sleep-life is spent by all mankind in communion with the departed. (Job xxxiii, 14-18.)

X. The Great Nursery, where children who pass away prior to birth, or before they “know to refuse the evil, and choose the good” (Isa. vii, 16), are developed and educated. –

This diagram is interesting, but I would caution about assuming any large degree of accuracy concerning it. But it does very clearly suggest that "sleepers" interact in a very specific location.

Considering this diagram, I have had a few thoughts. Firstly, it's interesting that all this is in a sphere. Secondly, this layout leads itself directly to the point made in the Padgett Messages that there are Divine Love spheres, and Natural Love Spheres. That is, there are spheres which are predominantly natural love orientated and there are spheres that are Divine Love orientated. Without really knowing if I am right, this is how I would see it:

SPHERES of PARADISE

INFINITE and UNIVERSAL SPHERES

ETERNAL SPHERES

CELESTIAL HEAVENS

Soul spheres
are not
numbered.

Soul spheres
are to:

The New Birth = **Become at one with God: sphere 8**

Spirit body
spheres are

Earth sphere is for
the physical body.

The HELLS (PLANES of DISHARMONY) are UNIMAGINABLE PLACES of DARKNESS:

Consider this; you awaken during the very early hours of the morning. There is no moon out, the sky is clouded, no light from stars, there is no light coming from anywhere outside of your home or from inside your home. You cannot even see your own hand when you put it in front of your eyes. There is no one else in your home. You add a blind fold that cannot be removed.

This darkness has no relief. It is twenty four hours a day, it continues week after week after week, month after month, year on end for decades, then centuries.

You are on your own, all you have is the repeating thoughts, memories and visions of your worst events. This is continuous. It just goes on and on.

Occasionally you are not on your own. However this other spirit or spirits have exactly the same soul injuries as you do. The like are put together with the like in the same plane. You all have exactly the same issues to resolve and in this darkness you have no outside help. This continues year after year.

This is hell. This continues while you have to satisfy the Law of Compensation.

The darkness is so complete that you can only consider it being like in a dungeon which is a very long way underground, and there is no way out. 'Further, the spiritual vision is not dependent on sunlight, but it is rather another form of "light," which determines the brightness of our environment or of our spirit bodies.' (HR 5 Sept 2001)

The magic key to growth:

Always look up and look for the brighter spirits, then always ask them to tell you about the Feeling Healing process as well as God's Divine Love and Divine Truth. A brighter spirit will always know more than you and anyone else around you.

Angels actually do not have wings.

When we progress into the Celestial Heaven we are referred to as angels.

Baby approximately 7 weeks after conception.

MAJOR MILESTONES AFTER CONCEPTION	
Week 1	Baby attaches to the uterus
Week 2	Baby rapidly developing
Week 3	Heart starts beating
Week 4	Brain and spinal cord developing
Week 5	Facial features are visible; Hands and feet forming
Week 6	About 3/4 inch tall; Brain waves measurable; Fingers and toes forming
Week 7	Baby coordinates movements and sucks thumb; Genitals forming
Week 8	About 1 1/2 inches tall; Baby feels pain; All organs functioning
Weeks 9-12	About 3 1/2 inches tall; Baby can smile, sleep, wake and clasp hands

An UNBORN BABY'S 1st HEARTBEAT OCCURS 16 DAYS after CONCEPTION:

A research team funded by the British Heart Foundation (BHF) at the University of Oxford says a baby's first heartbeat is now far earlier than was previously understood. [Dr. Susan Berry](#) 12 Oct 2016

Further research confirms that the heart first starts to beat between days 16 through to 19.

What happens when a child dies. 15 March 2013
Speaking with Mary Magdalene and Jesus, book 1

From the first heartbeat the incarnating person is technically living a physical life, and so if death occurs, it will move into one of the spirit nurseries. If it should 'die' before the first heartbeat, the soul merely 'withdraws', initiating incarnation when the next opportunity arises for its soul-personality. And of course as you know, there is no reincarnation, so when your soul starts you in Creation and you achieve your **first heartbeat**, then you're underway, be it on Earth or in spirit to Paradise, this being your ascension of truth.

As soon as the spirit body separates from the physical connections, there is no longer any pain, this of itself as you might well imagine greatly adding to one's good experience. The dying person, be it a child or an adult, has a good experience in death, especially once the pain has gone should there be pain; it's the people they might leave behind on Earth who don't understand this and who are suffering feelings of loss and deep grief, that have the harder time of it.

An unborn child is taken to spirit nurseries to be cared for. And within those nurseries they are looked after through the remaining time of their gestation period; then are 'born' into spirit life; then to carry on growing up as a spirit child of the Mansion Worlds. Many of them, just as with unwanted physical children, are fostered out or adopted by spirits wanting to be parents, this enabling a lot of people (who are now spirits), who for one reason or another couldn't have children on Earth, to have the experience of parenting. Even carrying the child to full term can be simulated so as to give the 'mother' the experience of being pregnant. The 'father' having his experiences as well. And of course lots of people who become spirits love being involved with children and so become spirit parents or simply involved in looking after the infants and young children of the nurseries.

The Heart commences to Beat as early as Day 16 after Conception:

Until now, researchers thought that the first time our heart muscle contracted to beat was at 8 days after conception in mice or around day 21 of a human pregnancy. Now, a team funded by the BHF at the University of Oxford has demonstrated earlier beating of the heart in mouse embryos which, if extrapolated to the human heart, suggests beating as early as **16 days after conception**.

UNBORN BABIES. In my investigation of the subject of babies who have come to the spirit world as a result of abortion, I do not find that they ever go back to their earth mothers for any purpose whatever. There are spirits who are specially designated to take care of babies, and in cases where the natural mothers have succeeded in cutting short the lives of these babies, these spirits who have charge of these babies in the spirit world never permit these babies to come in contact with their natural mothers or to visit them. And this is because the mother's love is not there to receive these poor little waifs; and where there is no mother's love there is no attraction existing that will cause the return of the babies when they have once left their mothers.

But in the case of babies who prematurely die, or of those who die very young, these babies do return to their mothers under the guidance of their guardian spirits and receive from their mothers their love and feelings which are going forth to these babies. The law of attraction operates here as well as in other matters and this is the law in reference to babies who die early.

When a mother's love exists, the baby will return and receive this love and help from coming in contact with its mother. But when there is no mother's love there is no attraction, and the baby may never know its mother. In many cases, the baby, before the mother comes to the spirit world, finds other attractions, and hence there is no feeling of love or sympathy between the baby and its mother.

It frequently happens that when the mother comes into the spirit world, she finds the spirit of the unborn baby and in a way has a uniting, but rarely is this love strong enough to keep them together. The law of attraction separates them and then each goes her own way.

P.250 Book of Truths – James Padgett

This new place is called "Summerland" in the spiritualist literature. They describe it as the third sphere, but this is not true. It is part of the Earth planes (first sphere), the highest part, but it is still a very material region, in its environment as well as in the mentality of its inhabitants.

The biggest surprise, which one finds there, is the great number of children that live in Summerland. Let's continue using this name, because it is a very appropriate description. The presence of children is due to the fact that they arrive there when they die prematurely. They did not live long enough to acquire bad habits or deformations of their souls due to a bad style of living. They are pure souls, but not developed, and Summerland provides them with an ideal atmosphere to develop and to start their progress. We have already discussed that there are certain specially selected spirits who take care of them and give them an appropriate education. They show them the way to the perfect man (natural love path), and also the Celestial path (Divine Love path), and the children, when growing up and developing, are allowed to decide freely later. The babies' growth and development is much quicker than on earth, because they don't depend on material bodies, and the soul's capacity to grow is much superior.

P.45 Messages from Celestial Spirits – H R

OUT of BODY:

Spirit body with the physical body, we do not astral travel.

The SOUL CONDITION of BABY at CONCEPTION is PRISTINE:

A feeling of God creates our soul personality, the soul then splits into male and female elements. At the time of creation of the soul, the state of the soul is that of natural love as of the 6th sphere. The location of the soul at that time is not of the 6th sphere. The soul halves are then attracted to different parents.

Baby at 8 weeks

The two soul halves may be incarnated up to 20 – 30 years apart, male and female halves are never in the same family.

Emotions flowing to unborn baby, then born baby, from those around the baby.

During gestation and early years after birth, the soul condition of the baby drops from the 6th sphere state to the level reflecting that of the parents and of those in frequent contact with the baby. Kinesiology testing repeatedly shows that the consciousness level, soul condition, of the child reflects that of one or the other parents all the way through their childhood until such times as to when they leave home and commence their independent life and establish their own environment.

OUR BLOCKED EMOTIONS FLOW DOWN FROM GENERATION to GENERATION:

Childhood illnesses, and illnesses of baby within the womb, stems from blocked emotions passed down from generation to generation.

We are a product of all that has come before us.

Our own soul condition is reflected in our children.

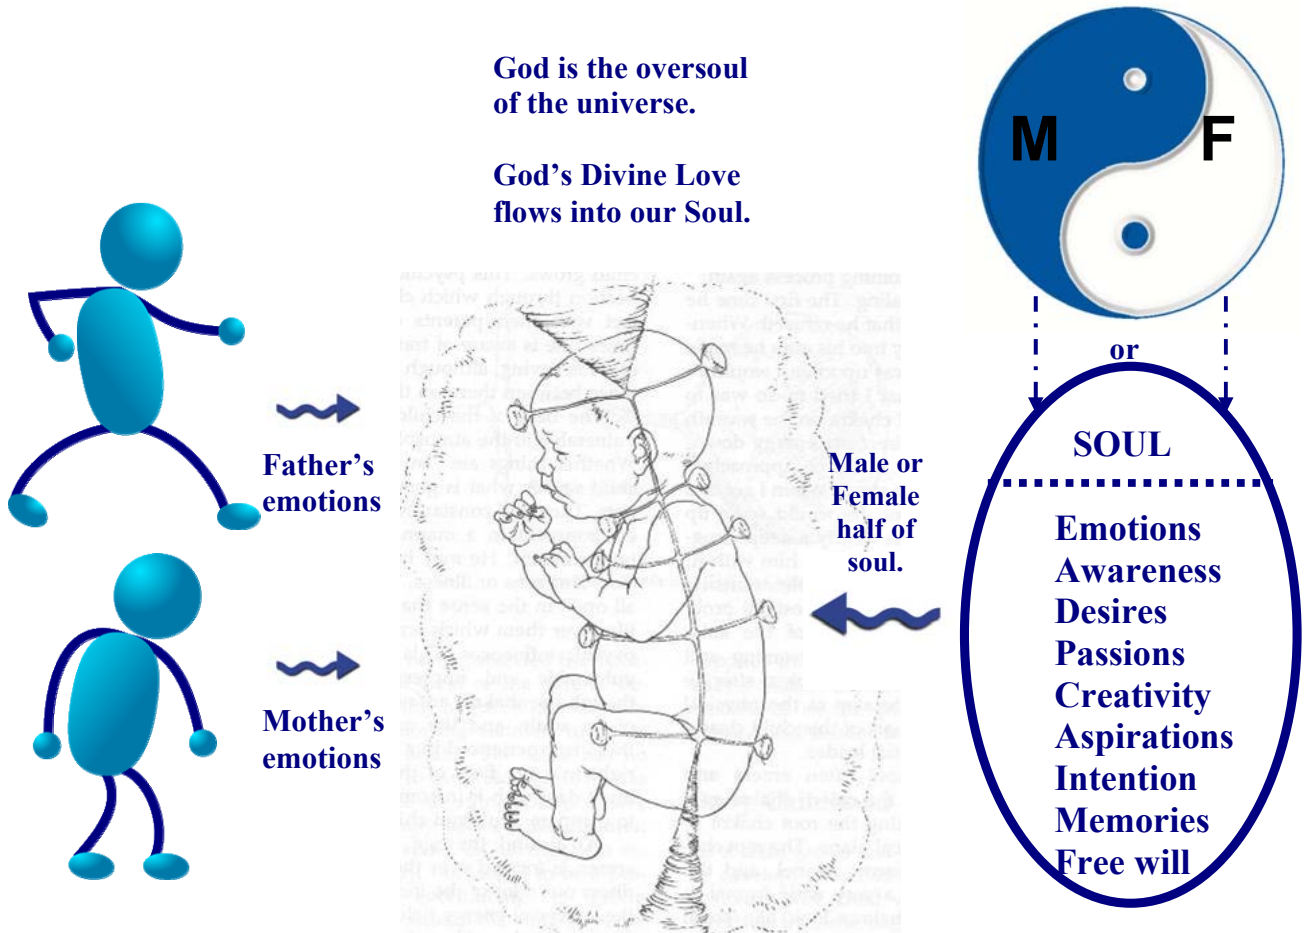

To assist baby, as well as yourself, work to clear your blocked emotions.

Clearing your emotions improves your soul condition as well as that of your children.

Baby's body, when conceived, is always perfect. Their soul condition is also perfect.

OUR EMOTIONS REFLECT THOSE of OUR PARENTS and OUR ENVIRONMENT:

Emotions flowing to unborn baby, then born baby, from those around the baby.

Our Personality is a feeling of God, thus creating our unaware Soul.

At conception, our unaware personality (soul) forms both a spiritual body and physical body. Incarnation / conception starts the road of self discovery, children reflect parent's emotions, which includes their ancestors, and also, of those around them. Parents attract us to incarnate.

GENERATIONAL TRANSFER of EMOTIONAL BLOCKS and INJURY:

Our children are conceived within a very pure state, by the time they are born, or shortly thereafter, they have absorbed their parent's emotional injuries and their soul condition typically reflects that of one or the other parents. Our children continue to mirror our soul condition, or that of one of the parents, up and until they leave home and start to establish their own home with a partner.

Thus, to assist our children, we must firstly resolve emotional issues within our selves.

In turn, we are a reflection of our parent's soul condition, and their parent's soul condition and so on back through the generations. We can break this cycle by working on our own soul condition, feeling our emotions and processing our fears and blockages.

These emotional blockages and injuries frequently manifest in our children as illnesses, even before birth or shortly there after. It is the accumulation and combination of issues held by past generations that insidiously manifest as life threatening illness episodes within unborn and new born babies. Parents clearing their emotions can lift autism from their children!

Specific emotional injuries or blockages manifest as specific health issues. Thus, an illness episode or pain can be readily related to specific emotional issues that need processing.

GENERATIONAL DISHARMONIES

9 Apr 1916

As the physical body is affected by the results of these sins being carried into operation, so much more so is the spiritual part of man affected by the fact that these sins had their creation in that spiritual part of man.

It may be asked: In what way can the effect of sin upon a man, which is upon his soul and spirit, have any injurious effect upon the spirit and soul of his child, so that the child may suffer from the sin of the parent? Well, when a child is conceived and gestates and is born, he not only partakes of the physical nature of his parents, but also of the qualities and condition of the spirit and soul of the parents.

This may seem improbable, but it is a fact that the spirit and soul that enters into the child when it is conceived comes from the great universe of soul and spirit, wholly independent of the parents and is not in its nature or qualities a part of the parents as is the flesh and blood which build up and produce the physical body of the child. But while this is true, it is also true that this spirit and soul of the child is susceptible to and in a way absorbs the influence of the spirit and soul of the parents, not only at the time of conception but also during the period of gestation, and even for years afterwards, and to such an extent that this influence continues beyond the mere earthly existence of the parents and into the life of the progeny to the third and fourth generation, as the text says.

The spirit part of the child is more susceptible to the influence and evil effects of these sins than is really its physical body, for as I have said, the spirit part is the originator and breeder of the sins, if I may so express it, while the body is merely the recipient of the exercise of the sins and the objects of their manifestation.

The influence of spirit upon spirit is more extensive and certain than mortals can possibly conceive of. And the results of that influence are not so apparent or known to the consciousness of the succeeding children, or to the respective parents, as men suppose, and as a fact they do not understand or become conscious of the fact that such influence is operating upon the spiritual parts of their children. They see and realize that the effects of such sins become manifested in the physical body, and as their ordinary natural senses cannot perceive the condition of the spirit, they conclude that the text can only mean, that these sins are visited upon the material bodies of their children.

But I must tell them that, while great and deplorable injury is inflicted on these material bodies, yet greater and more lasting and more grievous injury is inflicted upon the spiritual nature of the children – not only because this nature continues to live, but because men, not realizing that this nature has been injured, make no attempt to find and apply a remedy as they so often do in the case where these sins manifest themselves in the physical body. And besides, there are many sins that do not affect the mere material body, but which do great injury to the spiritual nature, and which, to the senses of men, are never perceptible.

A man is not only the parent of a child's material body but in a secondary way is also the parent of its spiritual nature. The condition of the parent's spiritual nature influences and determines to a

large extent the qualities and tendencies of the child's nature, for good or evil, not only while it is a mortal, but frequently after it has ceased to inhabit the veil of flesh.

So let parents know that they do not live to themselves alone, as mortals, but that their evil thoughts and deeds have a greater or lesser influence upon the spiritual natures of their children, especially at the time of conception and during gestation. Then how important that parents during these times particularly, and at all times, should have their spiritual natures in that condition of purity and freedom from sin that their children may be conceived and born in a condition of soul purity, which will not reflect any evil that they can charge their parents with being the creators of.

If men would only realize these facts and live their lives in accordance with the truths which I here declare, how much sooner would the human race be brought into harmony with God's laws, and the souls of men be freed from sin and evil.

I know it is often said that it is unjust, and not in accordance with the justice of an impartial God that the sins and penalties arising from the disobedience of our first parents should be visited upon mankind who were and are their progeny, as such mankind had no part in that disobedience. But when it is remembered, and it is a fact, that God did not create sin or evil, or impose such upon the first parents for their disobedience, but that they themselves created sin and evil, and men have been creating these inharmonies ever since, it will be seen that an impartial God (who is our only God) is not responsible for either sin or evil, or for the consequent penalties which they impose. And as has been written you before, the abolishing of sin and evil and their penalties is within the power of man and his will.

As these first parents created these evils, as I have explained and in the manner that I have pointed out to you, their sins, by the influence which they had upon the spiritual nature at the time of conception and gestation, became, as it were, a visitation (and that is the spiritual desires and tendencies and inclinations toward that which is evil); and this influence continued with the child for years after its birth, according as the child and parents are closely associated together in their Earth lives. And as each succeeding generation caused the visitation of its sinful influence and tendencies upon the succeeding generation, you can readily see how all mankind became subject to the sins and evils and penalties which were brought into the world by the first parents.

Instead of God being the creator of these things, or visiting them upon the children of man, He declares that their existence is contrary to the harmony of His creation, and must be eradicated before man can come into that harmony, and into an at-onement with Him. And as He gave to man the great power of free will, without any restriction upon its exercise, except as a man's understanding of the harmony of the operations of God's laws might influence him to exercise this great power; and as man, in the wrong exercise of that power, brought into existence these things of evil and sin, so man, as he perceives this plan of God's harmony, must exercise that will in such a way as to free himself from these things which are not part of God's creation, and which are out of harmony with His plans for the creation and preservation of a perfect universe, of which man is its highest creation.

God never changes. His laws never change. Only man has changed from the perfection of His creation; and man must change again before that perfection will again be his.

Now from all this it must not be inferred that man is left to his own efforts to bring about this great restoration, for that is not true. God's instrumentalities are continuously at work, influencing man to turn again to his first estate and become the perfect man, as he ultimately will become. (I am not here referring to the workings of the great Divine Love, which, when a man possesses in a sufficient degree, makes him more than the perfect man.)

So, "the sins of the parents are visited upon the children to the third and fourth generation" means the tendencies and inclinations toward that which is evil – and created, not by God, but by man himself, solely and exclusively.

And oh man, could you see the results of these sins upon the spiritual natures of your children, as you often see them upon their material bodies, you would hesitate in your sinning and think, and thinking, would see the way by which the great blot upon the happiness and salvation of humanity could be removed, and its progress to the "perfect man" be hastened and assured.

I desire to say that when I spoke of the sins of the parents being visited upon the children at the time of conception and birth, I meant that these sins, by the influence which they have upon the spiritual nature of the child, became, as it were, a visitation. I did not mean that any part of the real sin of the parents became a part of the spiritual nature of the child, but only that the influence of the parent's sins upon the child is sufficient to give the spiritual desires and tendencies of the child an inclination towards that which is evil; and this influence is continuous with the child for years after its birth, according as the child and parents are closely associated together in their Earth lives.

COMMUNICATION at the PHYSICAL LEVEL

COMMUNICATION at the CELESTIAL LEVEL

Spirits that are on the Divine Love path will communicate with you directly soul to soul, with your feelings.

God communicates with you directly with your feelings, not with thought. Those feelings will generate thoughts within you.

SOUL CONDITION

Soul condition is a reflection of all your emotions and how harmonious they are with natural love and Divine Love.

Each soul half may enter a male or female body, thus the soulmates may enter a male and female body, or two female bodies, or two male bodies. There is no bi-sexuality.

“A true friend is one soul in two bodies.” Aristotle

Your soul is totally incapable of harming your body with emotion.

14 Mar 09

You cannot die from experiencing an emotion. You can only die from the denial of the experience of an emotion.

What is a heart attack? A heart attack is the denial of a heap of sadness which causes the suppression of all this area here across the heart chakra which eventually causes the clogging up of all the arteries in that area and eventually you have a heart attack.

That is the result of a denial of an emotion. But the person who has heart problems, if they start crying, they are not going to harm themselves if they are crying about causal emotion. In fact, what they are going to do is free up the chest area, which actually gets everything operating properly, and all of a sudden, within a day or two, you can find things a lot better.

CONTRACTION OF SEXUAL DISEASES

Sexually transmitted diseases are the result of this huge shame in the human race about sex. And so all the sexually transmitted diseases that are around today all have a relationship to sexuality and how we view ourselves emotionally. So, if you have attracted a sexually transmitted disease, let yourself feel emotionally what the shame is all about inside of you. And you will find, that when you do that, that you will actually be able to heal the disease without any form of medication. Now, I am not saying to you to do not do medication if that is what you want. I am saying, don't ignore the underlying emotion that causes the attraction.

Every physical ailment that you have is a total reflection of soul condition emotion that you are holding onto, and each soul condition emotion affects a certain part of the body.

Those who concentrate on the emotion rather than the mind / intellect are more accurate.

A pain in the lower back reflects unworthiness issues with self love.

A bit of chest pain, asthma type issues – grief – you need to cry.

Stomach, spleen, liver – all to do with fear.

Eyes – short sighted – not willing to see the big picture.

A lot of anger based emotions come out in your skin.

MAP of CONSCIOUSNESS CALIBRATIONS reflect the nature of the TOPIC:

The level of truth of a topic or subject is reflected in the calibration through employing Dr David R Hawkins' Map of Consciousness with kinesiology muscle testing. A publication or movie about manufacturing food would be around 200, whereas meals prepared in a loving home would be around 500. The subject of pornography through to war would be less than 200, whereas natural love topics can readily be over 500 and up into the 800's plus. Material introducing Feeling Healing with Divine Love, by its nature, will range between 1,480 to 1,500 on Dr David R Hawkins' Map of Consciousness (MoC), in its purest form of presentation. This has never been previously achieved.

Note:

The Map of Consciousness (MoC) table is based on the common log of 10. It is not a numeric table.

A calibration increase of 1 point is in fact a 10 fold increase in energy.

A calibration increase of 10 points is in fact a 10,000,000,000 fold increase in energy.

Thus the energy differentials are in fact enormous!

Blessing your food achieves an increase of 15 points which is in fact a quadrillion (10^{15}) jump in energy.

Metaphysics medical platforms function above MoC 600 at which level all healing is possible.

Energy based modalities that calibrate over 600 on the Map of Consciousness, as per Dr David R Hawkins, have high levels of healing efficaciousness. When the modality is applied by a clinician who is in a comparable state of over 600 on the MoC scale, then much is possible. Should the patient / friend be open and willing to embrace these potentialities and be open to God / Creator, then Divine Love spirits may intervene and assist with the delivery of permanent healing. Natural love based healings are only temporary.

When it comes to accessing and processing emotions, only you can do this for your self. No one can intercede and do it for you. One of the greatest modalities to assist with accessing and processing emotion is the Journey Process and Journey for Kids.

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God's soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of your Mother and Father.

“All dis-ease is mind generated, and all healing is generated by the love energy of one’s soul.”

The Ego (mind based) manifests illness; the lower one’s level of consciousness (soul condition) then the more prevalent will be illness. Below the levels of 200, the ego and fear of the mind dominate; however, as you raise your level of consciousness by growing in love and achieve a level of 500 or higher, you begin to transcend ego dominance. At the level of 600, all healing is possible.

By living true to ourselves, true to our feelings, we are living true to God. It’s that simple.

The problem for healers is that the patients own physical soul is generating the problem.

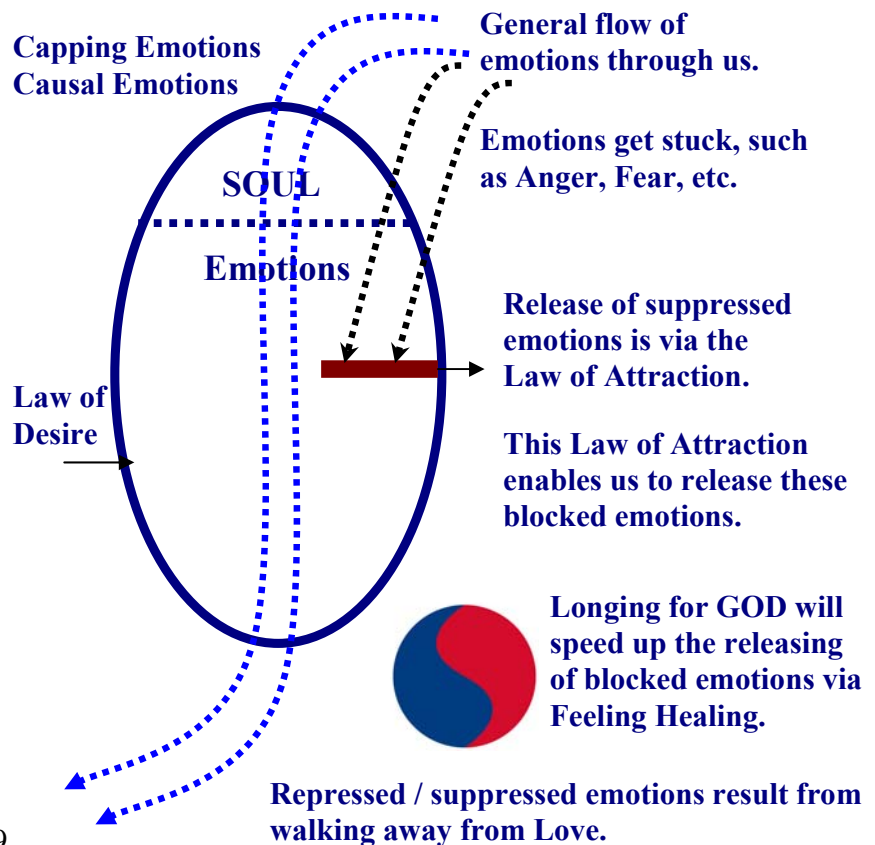

When the person who we are trying to heal, does not want to deal with the cause, the healer's power is severely diminished to assist them because their own soul is generating the problem.

All illness is of a result of the soul having these blocked emotions, which then create the illness in the physical form and the spirit body. If the person's soul condition is not addressed then the person is going to recreate the same type of problem and issues.

It is very important that we start to see things at the causal level, particularly in the medical and healing profession.

WE are CREATED as EMOTIONAL BEINGS:

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God's soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of your Mother and Father.

The New Way: learning how to live true to ourselves by living true to our feelings.

EMOTIONAL PROCESSING:

Your soul is a great big attractor.

19 Sep 09

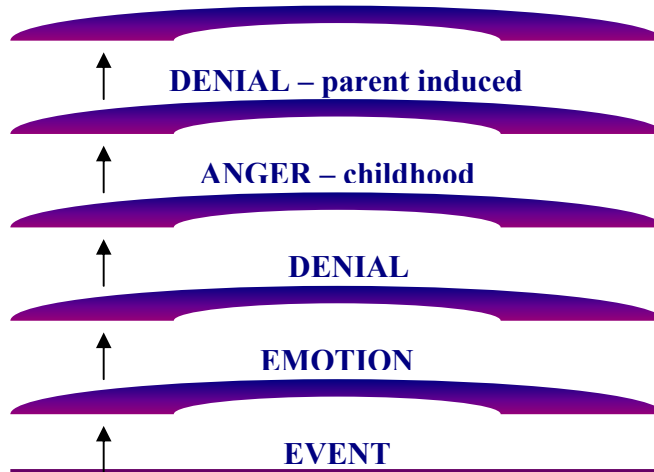

If you want to connect to your soul, you must connect to these emotions. To do so, consider:

1. Changing your environment so you can process your emotions – make available facilities to express your anger, e.g., baseball bat, and towels to manage crying, this sets your intention.
2. Change your diet. To hydrate and allow your body to release the emotions and toxins with them, you need to consume five (5) litres (1.3 gallons) of water daily – use mineral salts. (Body smells better.) Water is processed completely differently to any other fluid – it can be absorbed directly without any further filtration.
3. Eat vegan (raw).

Love of self / love of others / love of environment.
Love of self is hydrating the body with water.

DIVINE LOVE PATH:

- first for removal is that of denial
- then deal with emotion that comes from unexpressed anger / rage from childhood.

Underlying causal emotion.

Every child is reflecting its parents suppressed emotions, denial reflected in suppressed anger – emotion reflects the causal event / emotion / grief. Get through the anger then into grief.

Woman defending herself
Figure 11 – 5 Hands of Light

EMOTIONAL PROCESSING:

DAILY:

1. Pray a passionate longing / feeling your emotions / towards God.
2. Drink water – 5 litres.
3. Eat Vegan.
4. Examine Feelings List.
5. Wake up naturally out of the alpha state without an alarm clock and feel your emotions.

WEEKLY (Journal):

1. Anger List – anger is the choice which is to avoid making a fear list – avoid fear.
2. Fear List – based on anger list.
3. Desire List
4. Truth v Error List.

TRUTH	vs	ERROR
<p>God made me able to experience everything God is the most trustworthy being in the universe. You can experience the causal / core emotion behind the pain because God made you able to.</p>	<p>I cannot cope with this emotion. I can't trust God. I cannot cope with pain.</p>	

MONTHLY:

Plan something once a month that you really love and make sure you do it.

CORE EMOTION – CAUSAL EMOTION:

Core emotions is your soul's condition.

Core emotions create your Law of Attraction.

As you deal with and process core emotions, you will change your Law of Attraction.

Your Law of Attraction is your measuring stick. – God's messenger of truth to you

Your Law of Attraction will bring up your fears.

Your Law of Attraction will cause events to occur.

Your Law of Attraction is to show you what you are avoiding.

By accessing your core emotions is the only way to get closer and closer to God.

Fear – 'I will go crazy if I feel my emotions – False!

God created us to be able to experience our emotions.

We are not alone when experiencing our emotions.

WE NEED to FEEL CAPPING and CORE EMOTIONS:

EMOTIONS of SELF DECEPTION

The more we are away from core emotions, the further we are away from our true selves.

TOOLS of DENIAL

DENIAL of EXPERIENCE

We are made to feel emotions.

CAPPING / BLOCKING EMOTION

We shut down our emotions instead of nurturing and processing our emotions. We blame ourselves or blame others.

CORE EMOTION – Childhood Enacted

Underlying causal emotion.

Every child is reflecting its parents suppressed emotions, denial reflected in suppressed anger – emotion reflects the causal event / emotion / grief. Get through the anger then into grief.

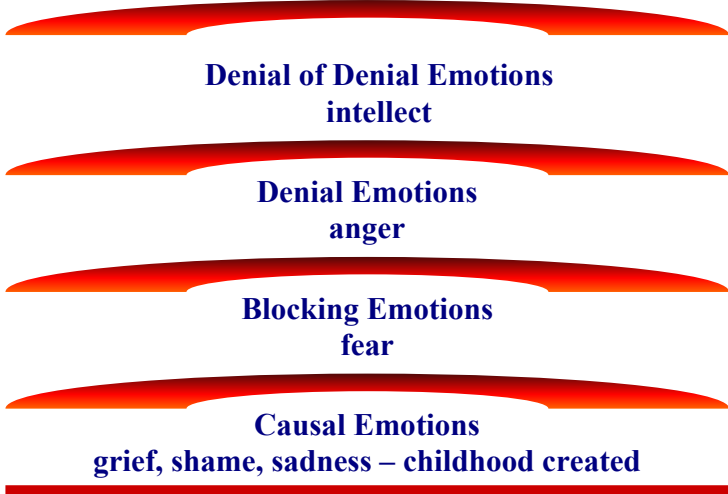

We need to feel our capping and core emotions.

FEAR:

**In reality, our whole life is governed by fear.
When you become one with God, all our fears will be gone.
It is our fears which cause all of our physical pain.**

All depression is our desire to suppress our anger.

**Anger Everything is a reflection of our soul based emotion or the denial of the emotion.
Fear The body tells us constantly
Grief**

**Anger - 1 – expectation that is not getting met
- 2 – anger tells you when you are afraid but ignoring it
Fear of pain results in anger suppression.
Fear is the cause of all of our pain.**

Every piece of pain is the result of a choice to act out of harmony with love in the past. Pain is attracted to cause you to deal with the emotion.

MENTAL ILLNESS:

Mental illness and distress is caused by spirit interaction and influence. Until the person considers that it is spirit, or multiple spirit influence, little can be done. Multiple spirits can overcloak a person periodically.

Help the spirits that are around the person. This does not deal with the cause of the attraction. It is a two pronged assistance. Assist the person to process the emotion behind the attraction to enable the connection to be removed.

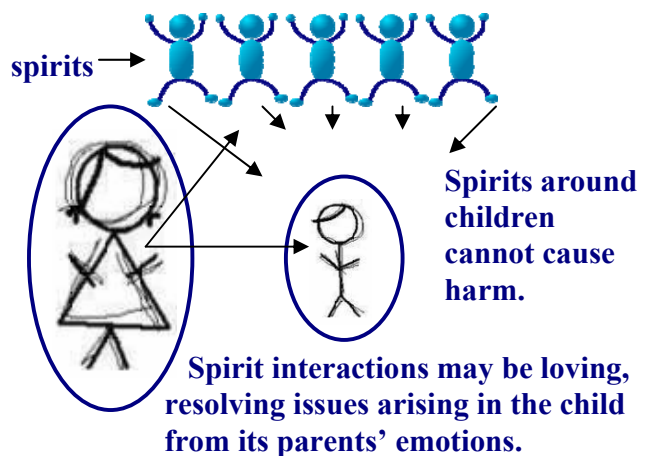

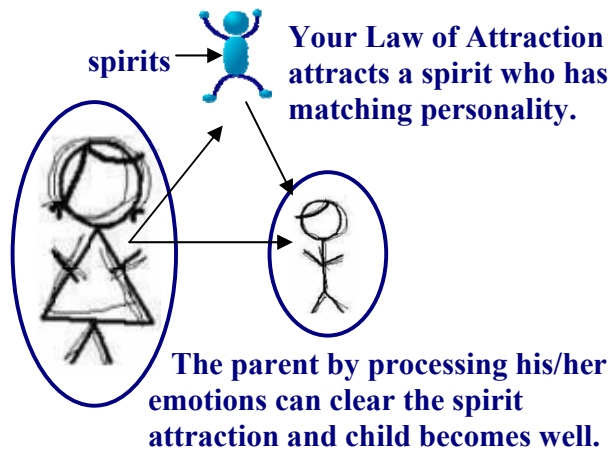

CHILD EMOTIONS and ILLNESSES

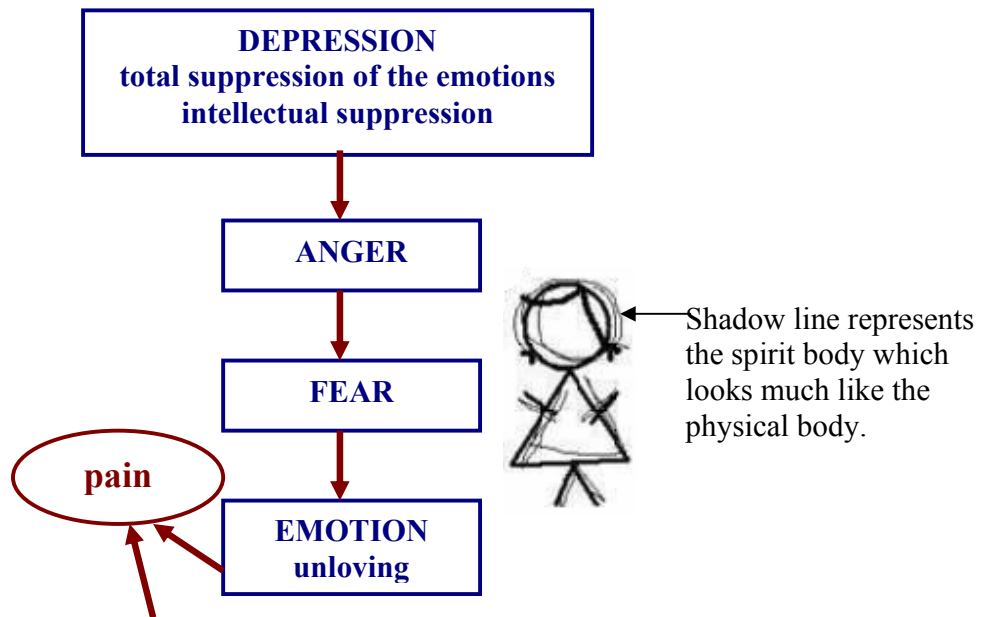

Emotions flow through you mostly.

Child either rebels against the emotion, or conforms to the emotion by pandering the parent who has the emotion.

We need to examine our emotional demands on our children. 30 Dec 09

**Physical pain is a measure of emotional denial.
 Pain is telling me when I am unloving.
 Suppressed emotion causes blockages in spirit
 body that will start physical problems.**

SOUL CONDITION

Therapy applied to the spirit body is energy therapist who may work on the chakras, whereas a chiropractor works on the physical body. Such type of therapy deals with the effects and ignores the soul and the causes. If you focus on the soul, that is the most powerful tool to improve yourself.

Schizophrenia is a spirit connection state. When a person has a degree of mediumistic abilities within themselves, there are often, quiet a number of spirits surrounding them at any one time. When those spirits surround the person, the person can actually connect to any of those spirits at any point of time. And they will hear those spirits as a voice in their head. So the voice in their head tells them something. Different medical professions will say that that voice in their head has been created by something going on within themselves. But the reality is that these people are quite mediumistic and a spirit is connecting them, telling them things. Now, quite often the spirit connecting with them is quite damaging. Things that could finish up being harmful to themselves. You need to understand why spirits connect to us at any one time, and it is all to do with our soul condition. What is our collective emotions causes an attraction to our friends, but also causes an attraction to our spirit friends. Now some of our spirit friends, you could say, are not that friendly in the sense they have lots of unhealed emotions in them too. And they want to act out those emotions through a person, here on earth, who is mediumistic.

Schizophrenia is actually spirits talking to a person. The reason why most of the medical profession feel that that is a delusional state is because they don't recognise the spirit world.

Speak to the spirit and find out the path of events. Talk to the person in that state, like they are a spirit and find out details from the spirit, when they passed, what they passed from, what kind of passing they had, and so forth, and you will actually find a lot of the underlying attractions that cause the connection between the spirit and the person who is undergoing the problem of schizophrenia.

PURPOSE of ORGANS within OUR BODIES:

How the organs with the physical body as well as the spiritual body is dependent upon the soul. The organs all work to keep the soul connected to the body. This is to enable the soul to experience life through the body.

The rate at which the heart beats within the spirit body is much faster than within the physical body.

Every time when we shut down an emotion, something within our body will hurt.

Blocks in aura show as dark colours. Hernia shows as tear on the 7th level of aura.

**Cancer is a choice to avoid an emotion.
Emotions of sadness create heart disease.
Depression is suppression of emotions.**

27 Jun 09

Consider that we are very complex water pipes, however, what is flowing through us are emotions. When an emotion gets stuck within our soul (pipe), this issue or error firstly emerges within our spirit body and then manifests as a physical ailment or illness within our physical body.

As we learn to feel and express our emotions, then these energy blockages will be released and the ailments will passively be removed.

We have all been brought up to suppress our emotions from early childhood. Now we understand that suppression of emotions is not beneficial, in fact it is detrimental. Until we release the emotion, either during our physical life or later on into our spiritual life, we will not be free of its effects.

If you begin to feel an emotion allow the experience, go into and express it, in a childlike manner.

From the above notes you will have gathered the understanding that the underlying causes of illness, your causal emotions, essentially all developed during your childhood and now you need to deal with them.

The following pages introduce the possible emotion related to specific health issues. This may assist with bringing to your awareness the underlying cause of that ailment and help you to focus upon the emotions necessary for the release of that ailment.

The Prayer for Divine Love (towards the end of this document) is the greatest gift you can give yourself. And:

The greatest gift for our children that we could possibly provide is to enable for them to grow up without fear.

Yes, a child who is free of fear is free of illness.

Three Great Truths:

- **God is Soul, being our Heavenly Parents, Mother and Father;**
- **that each individual soul is a duplex – both male and female;**
- **and Feeling Healing with Divine Love is the pathway to Paradise.**

SPHERES

Sphere progress to infinity.

Spheres in the heavens are not all numbered, this is an indicative outline.

Soulmate bonding may occur within most spheres.

Sphere 8 – At one with God.

Sphere 7 – transitional sphere from natural love path to celestial levels of Divine Love path.

Sphere 6 – highest level for those on the natural love path. In the 6th sphere state, we do not have damaging emotions.

Sphere 5

Sphere 4

Sphere 3 – truth is told at all times within the 3rd sphere.

Sphere 2 – to progress to the 3rd, truth is told at all times.

Sphere 1 – Earth plane – each sphere has many plains within it.

Your love grows exponentially each time you progress to a higher sphere. Consider a ten fold increase upon each progression through the spheres (10, 100, 1000, 10000, etc).

The barriers between spheres are referred to as inter stellar boundaries, being dimensions of love.

26 Sep 09

NOTE: The spheres within the celestial realms are not numbered (Spheres 8 and upwards). Spheres 8 and upwards are only nominally numbered as a point of reference and relativity, they are not actually definable in the way that these charts have been set up, numbering is used for guidance only. The energy level of each sphere increases in a logarithmic progression, as does David Hawkins' Map of Consciousness scale.

SPHERES in the SPIRITUAL REALMS.

Spheres – Celestial Heaven, Eternal Spheres, then Spheres of Paradise:
The realm of the Angels is the Celestial Heavens spheres 8 to infinity.

Spheres to infinity: Soulmate bonding can be achieved in most of the spheres. (Celestial Spheres are not numbered per se.)

Eighth Sphere: All emotional baggage of your entire history has been dealt with – born again. This is the point of new birth, being born again. Celestial Heavens 8 to infinity true immortality.

Seventh Sphere: The gateway cycle, perception of sacramental nature of all things. Disappearance of the material mind and the absolute ascendancy of the soul's mind has been achieved. Divine path.

Six Sphere: Cycle of light / love, love / light or unity. A purely intellectual area, increasing one's knowledge, while living life in absolute harmony with God's laws of spirituality. Natural path peak.

Fifth Sphere: Cycle of light or wisdom. All their earthly bonds are gone. We are in one of those soul spheres, which offer great opportunities for obtaining the Love of God.

Fourth Sphere: Work of 'atonement' as guides and spiritual healers now excel. As humanity's helpers, their work is a means for self-realization.

Third Sphere: Truth always told. An area where spirits progress in their awareness. In each sphere, there are many planes. Changing pathways requires dropping back to a lower path, then proceed.

Second Sphere: The sphere of decision which is much more spiritual but which was hidden and outside the range of their perceptions. Spirits can now choose the path they wish to follow – desires.

First Sphere: Cycle of awareness. There are vibrational love barriers between each of the spheres. Highest level of the Earth planes is the point of transition from materiality to the spiritual 2nd sphere. Summerland is the highest part of the Earth planes, but it is still a very material region. Children live in Summerland in great numbers, having died prematurely. Twilight zone, the most populated area in the spirit world, and starting point for most. Various hells descending progressively into greater degrees of darkness. All souls can be assisted out of these hells no matter what level they fall. At the deepest levels, the soul finds it extremely difficult to hold itself together. The hells are not fiery physical places. Actions are fear based.

The 2nd, 4th, 6th spirit spheres provide principally for mental and moral advancement, whereas, the 3rd, 5th, 7th soul spheres provide for progress through Feeling Healing and Divine Love.

SPHERES: KINGDOM of MAN – SPIRIT WORLD

The first 7 spheres have logical and clearly defined end points both at the 6th and 7th spheres. Therefore a sequence of numbers is useful as a reference. Within each of these lower spheres there are many stations or sub-spheres so to speak through which beings move. There are barriers preventing movement from one to a higher one until the necessary changes have been made. The 6th sphere is the ending point for those who are following what has been referred to as the Natural Love Path.

There exists a barrier between the earthly levels and the spirit levels and this is largely man-made. This barrier has been built on fear and is made of belief.

Spheres:

7 The 7th sphere is the transitional stage between the lower spheres and up into the Celestial Realms.

6

5

4

3

2

1

There are barriers within the structure of the spiritual realms which constrain beings until they are fit to make the move to a higher level. This is not in anyway competitive or subject to examination but is to ensure that the being concerned does know what they need to know in order to function at the next level. The transition, when it happens, is totally smooth and natural and dependent of the level of knowledge of the being.

KINGDOM of GOD – CELESTIAL REALMS

Above the 7th sphere we enter into a greater awareness of infinity.

Why attempt to number infinity?

There is a much less clearly defined system of Celestial Spheres with what we could call a blurring of the edges.

Each of us who are within the Celestial Spheres knows who he or she is and knows what we can do. That one might be a little or a lot further along the path makes no difference to the mutual love that we feel or the level of cooperation that is found in every endeavour. If one is further along, that one is then committed to helping all others to come along. There is absolutely no sense of competition. That was left behind long ago.

Spheres in the heavens are not all numbered, this is an indicative outline.

SPIRITUAL SUPPORT and DELIVERY PROCESS

Divine Love spirits from the Celestial spheres 8 – infinity need an inter-mediatory who is a Divine Love spirit from the lower spheres to assist with our growth. Such higher sphere spirit’s direct energy is just too powerful for lower sphere incarnates (us) to withstand.

The second, fourth, six spirit spheres provide principally for mental and moral advancement, whereas, the third, fifth, seventh soul spheres provide for progress with Feeling Healing and obtaining Divine Love.

WOMEN are the TRUE SPIRITUAL LEADERS of HUMANITY!

Our soul manifests a male and female personality – it is a duplex! One soul – two personalities! Our soul is the centre of our two personalities. We are children of our Heavenly Parents, our Mother and Father.

We are meant to live through the guidance of our soul based feelings – not live by our mind. Our mind cannot discern Truth. Our mind is addicted to Untruth. Our mind is a Control Addict.

High level spirits seduced humanity to live through their minds, thus bringing about the Rebellion – 200,000 years ago! Then the Adamites Defaulted on their mission – more than 38,000 years ago.

The Rebellion is against love, the Default is all the difficulties we have in our relationships because of our rebellion. Healing the Default is becoming true, to ourselves and in our relationships, and ending our unlovingness – our rejection of love, so ending the Rebellion.

Okay, because we are amongst billions of people who have been forced to join the Rebellion and Default, we are one of them – experiencing all the crud and wrongness we can possibly get ourselves into. Yep, we are rebelling against our soul, which also means we are rebelling against our soulmate and also our Heavenly Mother and Father.

As we are rebelling against our soulmate, the other personality originating from our common soul, we are being toxic to him or her. We carry this pattern into our relationships with others of the opposite sex. Many commit heinous crimes against their soulmates only to discover this upon completing their Healing.

REBELLION

When we are living true to our feelings, we will be living true to the will of our soul no longer with our mind getting in the way. And so too will we be living True to God's Will. We live God's Will by living fully expressing all we feel as we long for the truth of such feelings. Our feelings are to guide us in life, not our mind; our true feelings are Our Way, which is also: God's Way.

By living true to ourselves, true to our feelings, we are living true to God. It's that simple.

And it is the women that will lead the way in Healing, not only of themselves but also for men.

"The True Liberation of Women is Through the Truth of Their Feelings."

To liberate one's real self, one's will, driven by one's soul, moves one to embrace Feeling Healing so to clear emotional injuries and errors. With the Divine Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

LIVE FEELINGS FIRST

**Feelings First Spirituality, The New Way
Feelings are your own truth and personality**

OUR PATHWAY to our HEAVENLY PARENTS:

Spirit World & Celestial Heaven	=	Eternal Spheres and then
Infinite and Universal	=	Our Solar System and within Nebadon
Further progressive growth	=	Being further beyond Nebadon in Orvonton
Spheres of Paradise	=	Havona traverses around Isle of Paradise
Super Grand Sphere	=	Isle of Paradise which is stationary

**Orvonton is one of seven SuperUniverses
The capital and central administration is Uversa**

**Splandon is one of 10 major sectors of Orvonton
Principal sphere for Splandon is Umajor**

**100 minor sectors make up 1 major sector
Principal sphere for Ensa is Uminor**

**100 local universes make up 1 minor sector
Principal sphere for Nebadon is Slavington**

**100 constellations make up 1 local universe
Principal sphere for Norlatiadek is Edentia**

**100 systems make up 1 constellation
Principal sphere for Satania is Jerusem**

**1,000 inhabitable planets make up 1 constellation
Of the inhabitable planets about 1/3 rd is inhabited
Urantia is number 606 in the planetary group, or
system, of Satania. This system has at present 619
inhabited worlds. Earth is a very young planet.**

There are 100,000 MICHAEL soulmate pairs as REGENTS throughout our SUPER-UNIVERSE:

One of these 100,000 dots represents Nebadon, our local universe, consisting of 100 constellations with each constellation containing 100 systems which in turn have 1,000 worlds. The system in which Earth is within is called Satania.

Nebadon has some 10,000,000 physical planets, of which 3,840,101 are inhabited. The regents of Nebadon are the soulmate pair being the Paradise Creator pair, Mary and Jesus.

This structure is repeated throughout our super-universe, called Orvoton, 100,000 times. There are some 100,000 Regent pairs, equivalent to Mary and Jesus, throughout our super-universe.

There are 7 super-universes that rotate around the Isle of Paradise which is the home of our Heavenly Parents, our Mother and Father. Thus, there are some 700,000 Regent pairs equivalent to Mary and Jesus.

When we progress beyond the spirit mansion worlds, we enter the first of the three Celestial spheres, the home city being Jerusem, this is also the home city for all 1,000 physical worlds in Satania. From there we will progress to Salvington being the head quarters for Nebadon and the home of Mary and Jesus. Then we progress to Paradise.

Earth →

HIERARCHY of our SPIRITUAL GUIDANCE:

Our Heavenly Mother and Father permanently reside within Paradise, an island stationary world surrounded by Havona, in the centre of seven Super Universes.

Our Heavenly Mother and Father, being one soul manifesting two personalities bring about the creation of:

Creator daughters and sons – Michaels

Magisterial daughters and sons – Avonals

Trinity Teacher daughter and sons – Daynals – and others.

The Michaels and Avonals have Spirits of Truth to be released to assist the humanities on their assigned inhabited worlds.

Each Super Universe consists of 100,000 Local Universes.

Each Local Universe is overseen by a Creator daughter and son, our local universe is called Nebadon and Jesus and Mary Magdalene are the Michael pair and regents.

A local universe consists of 10,000,000 inhabitable worlds of which 3,840,101 are inhabited within local universe Nebadon. A local universe consists of 100 constellations which is made up of 100 systems. Each system has 1,000 inhabitable worlds. The system that Earth is in is Satania and 619 worlds are inhabited.

Emanating from within the Local Universes are Melchizedek, Vorondadek, Lanonandek, Material and Life-Carrier pairs. None have spirits of truth – they are not from Paradise.

From within the Lanonandeks, assigned to oversee the system Satania, which includes Earth (Urantia) were the Lucifer, Satan, Caligastia and Daligastia soulmate pairs, who rebelled. Further, Adam and Eve, the Material son and daughter, defaulted because of the Rebellion. All failed in their assignments, causing us (humanity on Earth) to be spiritually misled for 200,000 years – that is why we are all ‘insane’!

Earth has had five higher spirit physical bestowals:

Daligastia soulmate pair being Lanonandeks

Adam and Eve soulmate pair Material son and daughter

Machiventa Melchizedek soulmate pair

Creator daughter and son – Jesus and Mary Magdalene

Avonal daughter and son who are yet to commence their public ministry.

JOURNEY HOME

Our journey home is an ever growing expansion of truth being revealed to us. For Earth's humanity, as for the 37 humanities that have Rebelled, we are quarantined and isolated. Having also Defaulted, Earth's humanity is possibly the most evil of all. Firstly, we are to understand that living through our minds is why we are addicted to untruth and control of others and nature – we are going the wrong way! We are to live feelings first and then heal our Childhood Repression and Suppression – we are to live and express our true personality, the one given to us by our Heavenly Mother and Father. Then our journey home begins!

The Isle of Paradise is stationary within the circle of seven super-universes. Spheres here are also for us to further grow in truth before arriving Home to become Finaliters. Our Heavenly Mother and Father guide us out of our Local Universe of Nebadon, through the rest of our super-universe of Orvonton and into super, superuniverse Havona which circulates around the Isle of Paradise, being home.

Each of the seven super-universes are constituted, approximately, as follows and with 1,000,000,000,000 inhabitable worlds:

- One super-universe is 10 major sectors
- One major sector is 100 minor sectors
- One minor sector is 100 local universes
- One local universe is 100 constellations
- One constellation is 100 systems
- One system embraces approximately 1,000 physical worlds

Once we attain the Celestial Heavens (spheres) we start to come in contact with spirits from other 'Earth' worlds. So in spirit and once we've finished out Healing and are Celestial, we interact, sometimes directly and otherwise indirectly, with potentially 10,000,000 physical worlds of which 3,840,101 are with humanities. Our Avonal Daughter and Son lead us to Mary Magdalene and Jesus (Michael soulmate pair, our Creator Daughter and Son), through our healing of the Rebellion and Default by guiding us into the first three Celestial Heavens and out of isolation from all other physical and spirit humanities.

Mary and Jesus then lead us through the Celestial Heavens for the system Satania (that Earth is in), then our constellation and then out of our Local Universe.

Isolation from all other humanities prevails before completing our soul's healing and progress into the Celestial Heaven spheres 1, 2 and 3. Hell planes 1 and 2 are of Earth, those who have compensation may have this experience and might then progress up through mind Mansion Worlds 1, 2, 4 and 6 before turning around to progress through Healing Mansion Worlds 3, 5 and 7 to transition into Celestial Heaven.

WRONG WAY GO BACK

Finaliters

Hey guys, I know who I am and why I am having these life experiences. No, I haven't a prison uniform on – but that might be what my soul has planned for me to experience! Just joking!

When we arrive in our Earthly mother's womb we are clueless as to why the heck we have come here. We truly need to persist with asking, "What's this all about?" – We will be told, bit by bit! But you have to push for it. Well guys, here's a go at it.

We have come to this crazy messed up humanity on Earth because God wants us to come, we don't have any say in it. And we think we can do something about it, but we actually can't, we can only do what God wants us to do. And if that makes us think we can do something, that we can have an effect, then that's what God wants us to think. Man, this mob is ready to slaughter each other totally and that is not going to happen – it's not allowed!

We are to enable our wilfulness to surface – well take over our 'numbnut' mind – and push aside the persona – the messed up personality that our parents want us to be – and express our true individuality. Be true to our feelings – our soul-based feelings and be the personality that our Heavenly Mum and Dad know us to be (all good).

Okay, because we are amongst billions of people who have been forced to join the Rebellion and Default, we are one of them – experiencing all the crud and wrongness we can possibly get ourselves into. Yep, we are rebelling against our soul, which also means we are rebelling against our soulmate and also our Heavenly Mother and Father – God. Shoot the works – we have done it justice!

Now here is the good bit. We can heal ourselves of all this wrongness – and eventually we ALL will. Then we will continue with our healing and learning, and learning, and more learning and end up in Paradise, the home of our True Mum and Dad. THEN we will be recognised as FINALITERS. Why Finaliters?

We are called Finaliters, that's everyone who attains Paradise, and not just those of us who've been fucked up by a Rebellion, because we've 'finally' got there, we 'finally' did it, we 'finally' completed the first stage of our existence in Creation, which is akin to 'Finally' completing our time in the 'womb'. Upon attaining Paradise, it can be likened to being 'finally' born, or 'finally' becoming of the equivalent of age 6 when our Indwelling Spirit arrives, or 'finally' becoming an adult. And possibly we won't know if we can liken to it to any of these stages we go through during our physical life on Earth, until we're 'finally' on Paradise, and 'finally' get it!

Because other humanities in newly forming universes are anticipated to Rebel (just like us now) and because we have had the experience (no other humanity has possibly done it as good as us) so we FINALITERS can go and help them out of their SHIT! Yee-ha – more evilness and insanity! That is us! Bring it on!!!!

OUR JOURNEY

Ascension is from Earth (Urantia) through Nebadon, Orvonton, Havona to Paradise.
Then in Paradise we progress to be Finaliters and assignment to a newly forming universe.

People look for miracles to cure disease which is ONLY the removal of the effect of the emotion.

SOUL  SPIRIT BODY  PHYSICAL BODY
PERSONALITY

The soul animates the spirit body and in turn the spirit body animates the physical body. The spirit body looks just like the physical body. These bodies are connected by cords. Your memory and intelligence as well as your emotions are within your soul which is your real self. Your mind is within your spirit body. Your brain is within your physical body.

Other planets in the universe have populations that are progressing much the same as the earth population.

The black hole at the centre of the universe releases love, periodic waves of love occur from within the black hole.

(At the time of the Harmonic Convergence 16-17 August 1987, David Hawkins noted that the level of consciousness as per his scale, Map of Consciousness, humanity, overall, jumped from 190 to 207. The level of consciousness had remained at 190 for hundreds of years prior to this event. It is anticipated that further waves of love will embrace the universe.)

You could say that God develops us, or evolves us, by increasing the intensity of these waves of love coming through to us from the universe, which creates the potential of our genetic structure let alone our own capacity emotionally and in other ways. As of a result of that, our capacity to grow or change into a new type of being is instantly available. This is why, if you look at the evolutionary cycle on the planet, you will see periods of time with certain types of creation.

What has transpired on earth has transpired on other planets in the universe. There are a group of messengers. There is one messenger who has arrived on each of these planets a thousand and more years ago due to these waves of love raising the potential. Then due to the development of those in the particular spheres surrounding those particular planets, then when they reincarnated, that is came back to the planet, there is a group of people who come to that condition who can help the whole thing change.

That is happening on many, many planets, not just earth. Same Creator and all happening at the same time, because the waves of love appear at the same time. And that is why the potential in each part of the physical universe has been relatively identical. So, actually, there are no advanced civilisations, more advanced than ours in the physical. They have similar desires and souls the same as ours.

Spirits from within the spirit world can materialise a physical body on earth should they be from above the 4th sphere condition or higher and for loving purposes. They can only materialise under certain conditions, the conditions being imposed by God through the laws that are involved are that you cannot do it for personal reasons. You can materialise with love based reasons.

(Anastasia of the Ringing Cedar Series was, at the time of Vladimir Megre writing the series, a 4th sphere natural love spirit who animated a physical body each time she met up with the author, Vladimir. The other members of Anastasia's 'family' who Vladimir met were also spirits manifesting a body at that time.)

In the past, spirits from lower spheres did manifest physical bodies at a time when the condition of the earth was around the 2nd sphere. If the earth was now in that condition, you would have spirits in the sphere able to materialise bodies. (The earth is in the mid range of the 1st sphere.)

The evolution of mankind is a combination of what happens in the spirit world and on earth, it is not just about what happens on earth.

The Disclosure Project – Two-hour Disclosure Witness Testimony DVD 1of2
GREATEST SECRET of 20th CENTURY –

This 2 hour video is a distillation of over 120 hours of video interviews made by Dr Greer. Dozens of highly credible military and government witnesses discuss UFO events and projects they have worked on, with introductory and overview commentary by Dr. Greer. The video is divided into sections and is an excellent item to have and show to others, to get a full understanding of what the Project is about. It is more informative to see this video prior to seeing the May 9th Press Conference video. Sections covered in this video are: *Secrecy Risks: what are the global risks if we do nothing *Human Witness Testimony: dozens of witness testimonies that are real and shouldn't be ignored. *Witness testimony to nuclear weapons that were sent into space and destroyed by UFOs. *Astronaut and Satellite Related Testimonials *Craft and Body Retrieval of Extraterrestrial Origin *Secrecy Examined: how it works through the unacknowledged special access projects and compartmentalization. i.e. How some members of our Governments are kept in the dark. *The Secrecy behind Space Based Weapons: its lethal implications. *Threats and Ridicule: suffered by those wishing to disclose the truth. *Why the Secrecy: and why it is no longer necessary.

The Divine in the Universe

Shining Toward Spirit by Zara Borthwich and Nicholas Arnold
 Message 316 14 Nov 2014 to 14 Mar 2015

I am here, Sabrina. It has been mentioned to you both about an existence of a place called the Fatherly Universe. I am in my residence in the spirit world and have lived in the Celestial Heaven a long time. There does exist a Universal space that surrounds the Father's Soul and it is known as the Father's Universe.

One can travel around the boundary of this Universe as there is a boundary that exceeds some distance, a great distance from the actual Soul of the Father. It is in this Universal space, that many attributes of the Father's Spirit originate and are manifested in, which then are released by the Father throughout all realms of time and space. If you were to travel around the full circumference of the Father's Spherical Universe, you would come into contact with other worlds and forms of human species. Though I have not been there myself, I take it on good faith from those who have ventured to parts of this Universe, and it is widely taught that it is the same Divine Love that we receive that forms part of these worlds in their particular regions relative to the boundary of the Father's Universe.

Apparently the Father has not created different Divine Loves to suit the needs of different species. I have been able to ascertain that there are many worlds and species like the human world and its species, and all have souls and spirit bodies for their existence continues with the same continuity as ours in similar spirit words. Some of these worlds and their people live in the awareness that this potential of the Fatherly Divine Love is a real active living energy in their daily life and other worlds are similar to yours where the natural origins are the dominant force and awareness to the conditions of their living.

Here in the Celestial Heaven I have not met anyone from another world other than our human world. I have socialised with spirits who once lived on Earth but who have progressed beyond the Celestial Heaven and reside in the Eternal Spheres where they have met other individuals from other planets. There is an order and a structure in which everyone understands, and of course, we have all the time, as we live with the Father, to discover the greater spirit universe we live in, which I intend to do. The purpose of my writing this is to convey that the vision of Divine Love is not entirely situated and located to just us but rather this Divine energy of Love forms part of the greater universal workings in which all mortal soul life is created in and outside of the Father's Universe.

Much love to you, Sabrina

Note: Following the writings of James Moncrief, one could consider that any reference to the Father, by other relevant writers, may be read as a reference to 'our Mother and Father'. Further, when considering soul healing, then reference to Divine Love could be referred to as 'Feeling Healing with Divine Love'.

The activities of PASCAS HEALTH – KIDS of the WORLD will be supported through PASCAS FOUNDATION. PASCAS FOUNDATION will be a humanitarian trust that will financially support the agendas that we all have empathy for and a drive to achieve.

PASCAS HEALTH – KIDS of the WORLD will be also be supported by profits generated from the commercial sides of PASCAS WORLDCARE.

The greatest gift for our children that we could possibly provide is to enable for them to grow up without fear.

It is only by the parents accessing and receiving Divine Love that the child can grow up without fear.

Prayer: is emotional exchange with God.

How the Divine Love Enters the Soul:

The only way in which the soul may become an inhabitant of the Celestial spheres is by its obtaining of the Divine Love and thereby become a partaker of the divine nature of our Mother and Father; and this can be accomplished only by the inflowing of the Divine Love, by means of the operation of the holy spirit, which is the instrumentality used by God to carry this love to the souls of men.

This love never forces itself into the souls of men, and comes only when men seek for it in sincerity and with effort. It is waiting for all men to receive it, but never comes into the soul of its own initiative and without invitation.

So the important question is ... how does it come into the soul, and what must men do to induce its inflowing?

There is only one way, and that is by the opening up of the soul in such a manner that this love, when it comes in response to sincere seeking, may find a condition of openness that will allow it to find lodgement and an abiding place harmonious with and satisfactory to the qualities of its own existence.

The only means by which this can be accomplished are prayer and faith.

When a human in true earnestness and sincere aspirations prays to the Father for this Divine Love, such prayer not only brings love, but causes those portions of the soul which are capable of receiving this love to open up to its coming, and to work in such a way as to attract the love.

In answer to prayer, there are other instrumentalities of our Mother and Father working to prepare the soul condition that is required, and these instrumentalities are the bright spirits of the Celestial heavens, whose duties, among others, are to answer the prayers of the penitent in the way of influencing the soul that turn the thoughts and aspirations to this Divine Love and its operations.

The Divine Love is a thing entirely apart from the nature of man, even in its purest state, and was never conferred on man at his creation, as was the natural love; and consequently, when man obtains this Divine Love, and it becomes a part of his soul qualities, his nature changes, and he becomes a "new creature." An additional something has been conferred upon him, and it becomes impossible for him to remain the mere man that he was (and always would be, except for this change in his nature).

I know that men do not understand the distinction between a man with only the natural love and one with the Divine Love, but the distinction is so great that the one, when possessed to a sufficient degree, makes man a part of divinity, while the other, no matter how fully possessed and how pure it may become, makes man merely man (though a perfect one).

Whosoever will pray in sincerity for the inflowing of this Divine Love will receive it.

It is not a respecter of persons, and the sincere aspirations of the soul of any human, be he prince or peasant, rich or poor, will invariably cause this love to come into his soul and change his nature so that he will become a new creature, and one not subject to death forever more.

I have made plain how this love flows into a man's soul, and in addition, what its effect is when possessed by man.

There is nothing in all God's universe that can take its place for the purpose of making a man at-one with the Father, and of causing him to become divine, in so far as he possesses this love.

Jesus 8 May 1916 P.361 Book of Truths by Joseph Babinsky

The Greatest Truth:

The greatest truth in the entire world is this:

Prayer and faith on the part of mortals ...
Embracing and engaging in one's Feeling Healing process.
And love – the Divine Love – on the part of God.

The latter is waiting, and the former causes it to enter into the souls of men.

No other truths are so great and momentous to men.

Solomon 20 April 1916 P.353 Book of Truths by Joseph Babinsky

It is the praying for the receiving of Divine Love whilst accessing and clearing emotions that differentiates the Divine Love pathway from the natural love pathway. Many process and clear emotions, however, do not pray for Divine Love, this is a natural love process.

The clearing of errors from within one's soul opens the capacity for the soul to receive Divine Love. Once you have received Divine Love, you will never lose it, even though you may think and feel this love is dormant, it is always active within you.

Divine Love Flow:

Pray to God with a feeling and longing for
God's Divine Love to enter you.
Have a longing for truth from God.

The BEAUTIFUL MIRACLE:

5 Oct 2012

The DIVINE UNIVERSE

The way in which the Spirit conveys the Divine Love into the soul is a beautiful miracle. The attribute of mortal soul prior to incarnation has to it, a potential within it that is part of its formed nature. After the soul incarnates this potential remains part of the soul and even if the forming personality is unaware of such a soul potential, the potential still exists. The Divine Love is entirely suitable in its energy of harmony to be the energy that a mortal soul can utilise. The Spirit covers the spirit body when the individual sincerely asks the Soul of God for the Divine Love and this covering of the spirit body is where the dynamic of this beautiful miracle takes place. From the internal longing of the individual for the Divine Love this activates the Spirit Law that activates the Spirit that is then attracted to the spirit body upon which the Spirit material of the spirit body draws the Divine Love in to its soul and this union completes. The key here is to gain a perceptive insight into realising that the spirit body is not an inert body but that it is living and has activity, recognisable from its first forming from the Spirit Law that materialises a spirit body. The Spirit and the spirit body to give an analogy are like two attracting magnets and when the surface of the spirit body is touched by the Spirit, this causes the automatic response of the Divine Love to permeate into the attribute of soul and so begins the transformation of energy from the natural into the Immortal Divine Harmony. If the individual continues the receipt of Divine Love, the energy that is Divine Love actively begins to change the soul and this is felt in the spirit body systems and can produce feelings of love and elation. The spirit-mind begins to change as all spirit body systems are affected by the changed condition now experienced in the soul as the soul becomes living and vital. In one's progression of this Divine transformation, the soul will mature enough from the amount of Divine energy it receives and at that moment the surface of the spirit body and the Spirit are continuously attracted to each other, then one is living in the presence of our Mother and Father in perfect harmony, and this clarifies the truth about what it means to be truly at-one with God.

TWO KINGDOMS and TWO WAYS:

May 15, 1917

P.513 Book of Truths – Joseph Babinsky

P.184 The Human Soul – Joseph Babinsky

The question arises how or in what way can a man obtain this Divine Love and this new birth – and the Celestial Kingdom.

The only way then is simply this: that man shall believe with all the sincerity of their minds and souls that this great love of the Father is waiting to be bestowed upon each and all of them, and that when they come to the Father in faith and earnest aspirations, this love will not be withheld from them. And in addition to this belief, men shall desire (pray) with all the earnestness and longings of their souls that He open up their souls to the inflowing of this love, and that then may come to them the holy spirit to bring this love into their souls in such abundance that their souls may be transformed into the very essence of the Father's love.

The man who will thus believe and pray will never be disappointed, and the way to the Kingdom will be his as certainly as that the sun shines day by day upon the just and the unjust alike. No mediator is needed, nor are the prayers or ceremonies of priests or preachers, for God comes to man, Himself, and hears his prayers and responds thereto by sending the Comforter, which is our Mother and Father's Messenger for conveying into the souls of men this great Divine Love.

I have thus explained the only way to the Celestial Kingdom of God and to the divine nature in love. And there is no other way whereby it is possible to reach this Kingdom and the certain knowledge of immortality.

So, I implore men to meditate on these great truths, and in meditating believe, and when believing, pray to the Father for the inflowing into their souls of this Divine Love, and in doing so they will experience belief, faith and possession and ownership of that which can never be taken from them – no, not in all eternity.

And so it is with man to choose and fix his destiny. Will that destiny be the perfect man or the *divine angel*?

Your brother and friend,

Jesus

The Prayer for Divine Love

I am here, Jesus

<http://www.youtube.com/watch?v=Pg6p3rivAZw>

P.438 Book of Truths through James Padgett / Jesus

Let your prayer be as follows:

Our Father, who art in heaven, we recognize that You are all Holy and loving and merciful, and that we are Your children, and not the subservient, sinful and depraved creatures that our teachers of old would have us believe. That we are the greatest of Your creation, and the most wonderful of all Your handiworks, and the objects of Your great soul's love and Tenderest care.

That Your will is that we become at one with You, and partake of Your great love which You have bestowed upon us through Your mercy and desire that we become, in truth, Your children, through love, and not through the sacrifice and death of any one of Your creatures.

We pray that You will open up our souls to the inflowing of Your love, and that then may come Your Holy Spirit to bring into our souls this, Your love in great abundance, until our souls shall be transformed into the very essence of Yourself; and that there may come to us faith--such faith as will cause us to realize that we are truly Your children and one with You in very substance and not in image only.

Let us have such faith as will cause us to know that You are our Father, and the bestower of every good and perfect gift, and that only we, ourselves, can prevent Your love changing us from the mortal to the immortal.

Let us never cease to realize that Your love is waiting for each and all of us, and that when we come to You, in faith and earnest aspiration, Your love will never be with-held from us.

Keep us in the shadow of Your love every hour and moment of our lives, and help us to overcome all temptations of the flesh, and the influence of the powers of the evil ones, which so constantly surround us and endeavor to turn our thoughts away from You to the pleasures and allurements of this world.

We thank You for Your love and the privilege of receiving it, and we believe that You are our Father --the loving Father who smiles upon us in our weakness, and is always ready to help us and take us to Your arms of love.

We pray this with all the earnestness and longings of our souls, and trusting in Your love, give You all the glory and honour and love that our finite souls can give.

Amen

MoC

The HUMAN SOUL – Pathway Home:

P.196 Joseph Babinsky

What is the soul?

It is not the intellect and it is not the mind. The soul may be identified with its qualities of emotions, feelings, aspirations, longings, passions and many other similar things. When the individual soul begins to open, she will experience feelings and emotions as never before in all her existence. And when she recognises and realises what is happening, and chooses to continue to allow her soul-feelings to be felt (meaning that she does not suppress her feelings and emotions), and seeks and asks her Heavenly Mother-Father to fill her soul with Divine Love, a wonderful experience will begin to envelope and enter her innermost being.

Divine Love is a real spiritual substance that comes from God in response to the soul which desires to know the truth about its origin, purpose and destiny. Divine Love comes from outside self and feeds the hungry soul. When the desires and passions of the soul are engaged through the process of the inflowing of Divine Love, there is actually no limit as to what may take place in the outer manifestations of the soul's newfound energies. The soul that was buried by the concerns, appetites and energies of the physical body now awakens to its true identity. When the human begins to feel its authentic and real self (which is its soul), this real self bursts with freedom. Where the human willingly follows the scent of Divine Love, a new leadership and path develops in its life. A key difference is that the soul on the Divine Love path expresses God-reliance, whereas the soul on the natural love path expresses self-reliance. Knowing the truth about itself (its origin and destiny) is the truth that sets the soul free.

A vision may come to the person whose soul – now God-reliant and infused with the flow of the Divine Love – becomes the leading energy in her life. The soul on the Divine Love path is the life of the spirit body and of the physical body too where it has been given the freedom to *be* so. On this path it now becomes possible to envision herself as a true child of the Heavenly Mother-Father, fully cared for and provided for. Her soul may now soar to Heaven's Gate so that she may say with complete trust: *Thy will be done on Earth as in Heaven*. This inner soul-vision will unfold and continue to unfold in greater and deeper degrees, until she begins to experience in the outer (the physical realm) what she has already felt to be true in the spirit realm.

A Vision

*For this was my soul created in pristine condition;
This I become in truth.
Divine Love is the gift which enables it to be so.
As in Heaven – so on Earth;
It is done:
The Heaven-born child,
At-one with God.*

FEELING HEALING and SOUL HEALING with the DIVINE LOVE:**James Moncrief Publications:****all publications are free downloads:**<http://divinelovesp.weebly.com/my-free-books-and-free-padgett-messages.html>

It is suggested for one to consider reading as follows:

Speaking with Mary Magdalene and Jesus – books 1 – 4

These four books encapsulate the second of the revelations with the first having been introduced by James Padgett one hundred years previously. These four books provide a wide range of guidance that has never previously been made available.

Paul – City of Light

As a gentle intro into the Divine Love and Healing; being James Moncrief's first novel and it's been criticised as being too heavily clichéd, but that's the point because it's a reflection of how he was back then.

Ann and Terry

For an example of people who might want to immediately start working on themselves and doing their Healing.

Feeling Bad? Bad Feelings are GOOD

For more understanding about our denial of our feelings and why we should not deny our feelings, and it includes how it all came about for James, using himself as an example.

Feeling bad will make you feel BETTER – Eventually!

This includes specific examples of Marion and James working on expressing particular bad feelings, again with the hope that it will help others gain something of an idea as to what's involved in doing your Feeling Healing.

Sage – and the Healing Angels of Light

Through Sage who's 13 years old, the story is primarily about the two aspects of healing; that being, with the help of our angels, and the full Healing we can do by looking to our feelings for their truth.

**Religion of Feelings
Feeling Healing**

**Welcome to LOVE – the Religion of Feelings
you can heal yourself through your feelings**

So these books, including the four Speaking with Mary Magdalene and Jesus books, provide the essence of it all and are examples of James' work. Then it's up to whatever takes one's fancy. Other reading to consider may include:

The Padgett Messages being published as:**The True Gospel Revealed Anew by Jesus volumes 1 – 4****Book of Truths by Joseph Babinsky****The Urantia Book**

Release one's pain through expressing one's feelings.

Longing for the Truth when also longing for Divine Love.

FEELING HEALING with DIVINE LOVE is SOUL HEALING:

A collection of 'papers' that draw together specific topics including all of the above and more from other sources of information and revelation designed to help increase one's awareness about why we have the problems we do and how to heal them, all whilst living a more healthy and sustainable life. They provide a brief snapshot of the more complicated topics and issues.

Firstly, consider discovering the truth of your emotional pain through Feeling Healing.

Secondly, consider longing for our Heavenly Parents' Love as you progress with your healing.

Primary and most important readings are the writings of James Moncrief.

Then consider the Padgett Messages, and then The Urantia Book.
