Kinesiology muscle testing, was developed by Dr. David R. Hawkins and quantified by his Map of Consciousness (MoC) table. MoC has been used to ascertain the possible level of the truth of documents. Such tested calibration levels appear within the document. We ask that you consider testing same for yourself. The technique and process is outlined within Pascas documents, such as Pascas Care – Energy Level of Food. From each person’s perspective, results may vary somewhat. The calibration is offered as a guide only and another tool to assist in considering the possibilities. In contrast, consider using the MoC technique to test the level of truth in your local daily newspaper.

FORGIVENESS – how CHILDREN WOULD UNDERSTAND IT

Friday, 12 July 2019

Hi JM

How would we introduce what is forgiveness to children?

How does forgiveness work?

What is the function of forgiveness?

What say you please.

JD

FORGIVENESS

James: It's a good question John because it covers a lot of what has been difficult to understand through my own Healing. These are my latest thoughts on it. The short answer:

How would we introduce what is forgiveness to children?

You wouldn't. I don't know. I think the child would naturally come to it themselves as part of their growth and development were it supported in a loving environment.

How does forgiveness work?

When you show you are really sorry and feel very bad for what you've done, then you may be forgiven. When the other person shows you they were wrong and are sorry for the bad way they treated you and made you feel, then you might feel it's all okay, they are forgiven, and both parties are happy. It works on the feeling level, when the connection is balanced and true.

What is the function of forgiveness?

To make you be more aware of yourself and the other person's feelings. And to feel what is the right way to treat yourself and others, and what is the right way to be treated. And to be able to regain a balance or friendship when it's out of balance, when one treats the other unlovingly.

True forgiveness can only come through your true feelings. And I stress 'true' because we can believe we can and have forgiven with our minds, which is of course false and not true. And so much emphasis is put on having to forgive, that it's the right thing to do, that we must do it so as to be the nice, caring and a loving person, and yet if it's contrived and false, then it's actually being unloving and uncaring.

When you see the truth of it through your feelings, and you feel there are no more bad feelings to do with the problem because you've expressed them out of you, then naturally the problem or issue won't be one anymore, and so along with that comes forgiveness, in that you don't actually have to do anything as you no longer feel bad about the relationship or whatever happened to you, so all is naturally forgiven. That applies in the Healing, and in particular with your parents and all the shit they do to you, when you uncover the truth having expressed all your pain and hatred of them out of you, then you see the truth that they couldn't help doing what they did, they are just as fucked in their way, so you can sympathise with them, no longer blaming them or feeling bad with how they treated you. And at times you do

Feeling

actually feel you forgive them, however it's more a truth, a knowing that it's all been settled between you, or at least from your side, and so none of those things matter anymore.

And then if someone hurts you and they ask or beg or seek your forgiveness, and by how they make you feel, you feel you forgive them, then that too can happen, yet again it should all be through your feelings.

Children, I think, should be free to hate as much as they like and then free to say they no longer hate anymore, all because they are free to express the full extent and intensity of the emotion of their feelings. To make or force a child to forgive is wrong, just as it's wrong to force or make it do anything, including making it feel guilty and so on. However as part of being a parent, and during all the different ages and stages of a child's development, a parent should be able to express itself and its feelings well enough to help the child understand what it has done, how it has made itself feel through its actions and how it's made the other person or creature feel. So the child is then free to learn about its actions and their consequences, good and bad, and what blame and guilt and forgiveness are on a feelings level and with the mental back up explaining it all. How you actually would do this with your child I have no idea, it would depend on each situation and how well balanced you are as a parent and how connected you are with your own feelings. Parents who are triggered by their children lashing out and pouring their shit all over them are still too emotionally immature really to deal with such complex issues, so mostly the child suffers or is forced to say it forgives and its right to be the good boy or girl when often I doubt it has a clue why its actually forgiving or what it means anyway.

With forgiveness you feel very bad for what you've done and want the other person to know you are sorry, and that they don't feel bad about you anymore for doing what you did, and the same applies when the bad thing is done to you and the other person seeks your forgiveness. And I think in some instances it can all be taken care of instantly, in the moment, when the bad thing happens, or it can be taken care of later when appropriate. I know for myself, many things I did up until my Healing and until Marion laboriously explained them to me, I didn't know I'd done with hurtful intent, I didn't know I'd erred, believing that I was being nice, good and helpful. So to have it pointed out that I was an uncaring shit instead of the nice loving person I believed I was, was hard to take, yet slowly my feelings have revealed the truth that I was in the wrong. And then if I've been able to apologise and felt I should, I have done so, otherwise I have just kept expressing all my bad feelings seeking the truth of my actions. Some of the people I don't see anymore, and when it's come up making me feel bad about what I did, as I have no idea how to say sorry in person to them, so I've done it out loud through my feeling expression.

I think the function of forgiveness is to say the books are finally balanced and the account can be closed. The Law of Compensation is doing the actual balancing and is there to ensure you feel the appropriate amount of pain for the bad thing you've done, the pain you've caused the other person, the creature or nature, yourself, and once you've felt it all, you've made due compensation. And that can happen anytime, so whether or not you are actively doing your Healing or living in your mind state, including in the mind Mansion Worlds. And so within that levels of forgiveness come too. You can instantly feel very bad for being mean to that person, seeing the error of your ways, so the compensation is done by feeling so bad, and as part of that you might actively seek forgiveness from the person you hurt, which they may or may not give you. And

Law of Compensation

consequently being the person hurt, you may feel instantly okay about being hurt and so it's okay and all is forgiven, or you might not, no matter how contrite the other person is seeking to be. There are lots of other repressed feelings going on within us all, so often it's not that straightforward. You might in the moment feel okay and forgive, yet later as more feelings surface you wish you could retract that forgiveness, feeling very fucked off, hurt and angry about it all.

Anyway, the Law of Compensation (including often some levels of forgiveness) balance the books as I said, but the real forgiveness happens when you do

Law of Forgiveness

your Healing. Because when you see the truth of the actions of all involved, and when you've expressed and dealt with all the emotions and feelings involved, and sometimes that can take years of constantly working on the same issues, when it's all finally come out and you're free of it, then the Law of Forgiveness completes and it's truly over, you no longer needing to forgive or wanting to be forgiven.

Currently I have no bad feelings about mum and dad anymore. I hate how it was with them, I understand pretty much why they were as they were and how badly they treated me, but I don't have specific hate or bad feelings about them anymore, I haven't for a while now, which is not to say more might still come up. But I am furious with the Mother and Father for subjecting me to such a shit life, I have no forgiveness in me or understanding of truth as to why They did, and I have lots of rage and feeling so hurt by Them to bring out to Them. But I can't force it, I express it when it comes up in me, finding it hard to be angry with Them because of my mental belief that They are doing it all for my own good and I should be grateful to Them for giving me such a shit life; but fuck that when I feel I hate Them, and I tell Them all how I feel. And one day I suppose when I've brought it all out and understand more about it all, I will no longer hate Them, even love Them, and with it all over.

So getting back to how you'd introduce forgiveness to children, I don't know. I think that sort of thing needs to be tactfully done. You hear well meaning parents trying to make their child understand why what it did was wrong and yet it's clear the child is too young or incapable because of all the other crap it's having to deal with from its parents to understand. And to have it forced into you to robotically say you are sorry, when you don't really know if you are, and mostly aren't if you were honest, is such a fuck of a pattern to heal. And to have it explained to the child that it has to forgive the other child for hurting it, making it feel the superior one coming up and over its bad feelings, blocking them out by making it feel it's the right thing to do being the benevolent one, only screws it up even more. And then there's so often too much mind stuff going on, the child having to learn about it all using its mind, rather than just dealing with it from its feelings. I am not skilled enough to be able to deal with it, so I wouldn't want to comment on it. I didn't want to have children because I didn't want to have to deal with such things. And then understanding that if the child is already five years old and it's being told it has to forgive, that's all on top of all the other shit in it from being with its parents, family and society.

The one thing I really hate, which I guess a lot of children also get subjected to, is all the New Agey forgiveness shit. That you are to rise above your bad feelings, shit all over yourself by burying them,

NEW AGEY

say you forgive the wrongdoer being the magnanimous one. I met Nicholas one day earlier on in my Healing, he having come back from being with dad who was on his death bed. Nicholas had forgiven dad so he said, no hard feelings, none of it matters anymore because now dad is no longer a threat, he's dying, he's weak and the poor one, whereas Nicholas is all-powerful and so can be the superior one and

say he forgives his father. And it's all over, dad can die, and Nicholas can live without having any more bad feelings about dad because it's been done. And Nicholas truly believed he'd had a big healing with dad, that he no longer felt bad about how dad treated him, that he'd progressed spiritually because he'd been able to let it all go. And yet wait until he starts his Healing. And then he'll see it was all crap, all just a power-play using his mind to crunch and absolve dad by being the great one. Wait until he starts having to deal with all the pain of all those years of feeling unloved by dad. And I know, because I've done it myself, Nicholas will one day, through his Healing be able to look back and see how false that forgiveness was, how it was just a belief he imposed on himself and how it couldn't have been further from the truth. It might have been better for he and dad had he been able to be true and tell dad how much he hated him and will never forgive him, because that's the real underlying truth, all of which will only come to light when he stops denying it by denying such bad feelings.

The one last thing I want to say about forgiveness is really we do it all ourselves, by which I mean, we don't actually need to give or receive face to face forgiveness as we do our Healing. We can express and work it all out for ourselves. And when through your own feelings you come to understand that the bad thing that person did to you was what you needed to have done to you because it was fulfilling your negative unloving pattern, you actually feel grateful to that person for doing it to you – we even end up feeling grateful and loving of our parents for treating us as badly as they did when our Healing is finished, understanding it was what God wanted and all for our best. And when you find the absolute forgiveness within yourself because you are wholly sympathetic, accepting, caring and understanding of why you hurt the other person, and that really you didn't mean it, that it was again just part of your unloving negative pattern that was imposed on you, then you see it's all really just to do with yourself and with the other person being part of it to help you see more about yourself. So in the end we are to forgive ourselves for being bad, we come to understand that we aren't to blame ourselves, once we've worked through and expressed and admitted that we were to blame, and that really we are a good and loving person, being kind and caring to ourselves by allowing ourselves to feel all the feelings that come up within us and no longer rejecting any of them or any part of ourselves, accepting ourselves and with the truth and understanding of why we are the way we are.

NEGATIVE PATTERN

We've been made to feel guilty for being bad, when it wasn't our fault. So when we forgive ourselves for being mean to ourselves this way, then true love will come.

You could even say the whole thing called forgiveness is something we've made up. That the Evil Ones have used it to keep us feeling guilty and blaming ourselves for what we do, all to keep us in our fucked up unloving states of mind control. And that if you throw it all out, you either feel just bad or good. You are either in a good stable state or unstable. And if you feel good there's nothing wrong, you're in a perpetual state of forgiveness if you like, but really it's not about forgiveness, it's just acceptance and love. And if you feel bad, then there's shit to work out by expressing those bad feelings and seeking their truth.

I am here, your grandmother, Ann Rollins,

(Ann is from within the Celestial Heavens.)

I came to write you about the forgiveness and pardon of the Father, and to enlighten you upon this subject which is so little understood, since men first commenced to distort the teachings of the Master.

Forgiveness is that operation of the Divine Mind which relieves man of the penalties of his sins that he has committed, and permits him to turn from his evil thoughts and deeds, and seek the Love of the Father; and if he earnestly seeks, find the happiness which is waiting for him to obtain. It does not violate any law that God has established to prevent man from avoiding the penalties of his violations of the law of God controlling his conduct.

The law of compensation, that what a man sows that shall he reap, is not set aside, but in the particular case where a man becomes penitent and in all earnestness prays the Father to forgive him of his sins and make a new man of him, the operation of another and greater law is called into activity, and the old law of compensation is nullified, and, as it were, swallowed up in the power of this law of forgiveness and love. So you see there is no setting aside of any of God's laws. As in the physical world certain lesser laws are overcome by greater laws, so in the spirit world or in the operation of spiritual things, the greater laws must prevail over the lesser.

God's Divine Laws

override

Spirit World Laws

which in turn override

Natural World Laws

God's laws never change but the application of these laws to particular facts and conditions do seem to change, when two laws come into apparent conflict, and the lesser must give away to the greater.

The spiritual laws are just as fixed as are the physical laws that control the material universe; and no law having application to the same condition of facts, ever is different in its operation or in its effects.

The sun and planets in their movements are governed by fixed laws, and they operate with such exactness that men who make a study of these laws and comprehend them can, with almost mathematical precision, foretell the movements of these heavenly bodies. This only means that as long as the sun and the planets remain as they are, and surrounded by the same influences, and meet no law operating in a manner contrary to the laws which usually control them, these planets and sun will repeat their movements year after year in the same way and with like precision. But suppose that a more powerful and contrary law should come into operation, and influence the movements of these bodies, do

you suppose for a moment that they would pursue the same course as if such greater law had not intruded itself?

The effect of this is not to set aside the lesser law, or even to change it, but to subordinate it to the operations of the greater law; and if these operations were removed or ceased to act, the lesser law would resume its operations on these planets again, and they would move in accordance therewith, just as if its power had never been affected by the greater law.

So, in the spirit world, when a man has committed sins on Earth, the law of compensation demands that he must pay the penalty of these sins until there has been a full expiation, or until the law is satisfied. And this law does not change in its operations, and no man can avoid or run away from the inexorable demands of the law. He cannot of himself abate one jot or tittle (scarcely detectable amount) of the penalties, but must pay to the last farthing as the Master said, and hence, he cannot, of himself hope to change the operations of this law.

But, as the Creator of all law has provided another and higher law, which, under certain conditions may be brought into operation and causes the former law to cease to operate, and man may experience the benefit of the workings of this higher law. So when God forgives a man of his sins, and makes him a new creature in his nature and love, he does not, for the particular case annihilate the law of compensation, but removes that upon which this law may operate.

Sin is violation of God's law, and the effect of sin is the penalty which such violation imposes. A man's suffering for sins committed are not the results of God's special condemnation in each particular case, but are the results of the workings and scourgings of his conscience and recollections and as long as conscience works he will suffer, and the greater the sins committed, the greater will be the suffering. Now all this implies that a man's soul is filled to a greater or lesser extent with these memories, which for the time constitute his very existence. He lives with these memories, and the suffering and torment, which result from them can never leave him until the memories of these sins, or the result of them, cease to be a part of himself and his constant companions – this is the inexorable law of compensation, and man of himself has no way of escaping this law except by his long expiation, which removes these memories and satisfies the law.

Man cannot change this law, and God will not. So, as I say, the law never changes. But remember this fact, that in order for the law to operate, a man must have these memories, and they must be a part of his very existence.

Now, suppose that the creator of this law has created another law, but which under certain conditions, and upon a man doing certain things, these memories are taken from him, and no longer constitute a part or portion of his existence; then, I ask, what is there in or of that man upon this law of compensation that can act or operate? The law is not changed, it is not even set aside, but upon which it can operate no longer exists, and consequently there is no reason or existence of facts which call for its operation.

So, I say, as do your scientists and philosophers, that God's laws are fixed and never change, but I further say, which they fail to perceive, that certain conditions which may and do call for the operations of these laws today, tomorrow change or cease to exist, so that the laws are no longer effective.

And so when the truths of God's forgiveness of sin is declared, many wise men hold up their hands and shout, *"God's laws do not change, and even God Himself cannot change them. And to effect a forgiveness of sins, the great law of compensation must be violated. God works no such miracle, or gives special dispensation. No, man must pay the penalty of his evil deeds until the law is fulfilled."*

How limited is the knowledge of mortals, and of spirits as well, of the Power and Wisdom and Love of the Father. His Love is the greatest thing in all the universe and the Law of Love is the greatest law. Every other law is subordinate to It, and must work in unison with it; and Love, Divine Love of the Father, when given to man and he possesses it, is the fulfilling of all law. This Love frees man from all law except the law of its Ownself – and when man possesses this Love he is slave to no law and is free indeed.

The law of compensation and all laws not in harmony with the Law of Love, have nothing upon which to operate in that man's case, and God's laws are not changed but merely, as to this man, have no existence.

Now, let all men, wise and unwise, know that God in His Love and Wisdom, has provided a means by which, man, if he so will, may escape the unchanging law of compensation, and become no longer subject to its demands and penalties; and these means are simple and easy, and within the comprehension and grasp of every living soul, be he saint or sinner, a wise man or an ignorant one.

Intellect in the sense of being learned is not involved, but the man who knows that God exists and provides him with food and raiment as the result of his daily toil, as well as the great intellectual scientist or philosopher, may learn the way to these redeeming truths. I do not mean that a man by mere exercise of mental powers may receive the benefit of this great provision for his redemption. The soul must seek and it will find, and the soul of the wise may not be as capable of receiving as the soul of the ignorant.

God is Love. Man has a natural love, but this natural love is not sufficient to enable him to find these great means that I speak of. Only the Divine Love of the Father is sufficient, and He is willing that all men should have this Love. It is free and waiting to be bestowed upon all men. But strange as it may seem, God will not, and I might say, cannot, bestow this Love unless man seeks for It, and asks for It in earnestness and faith.

The will of man is a wonderful thing, and stands between him and this love, if he fails to exercise this will in seeking for it. No man can secure it against his will. What a wonderful thing is man's will, and how he should study and learn what a great part of his being it is.

The Love of our Mother and Father comes only into a man's soul when he seeks It in prayer and faith, and of course this implies that he wills It to come to him. No man is ever refused this Love when he properly asks for It.

Now this Love is a part of the Divine Essence, and when a man possesses It in sufficient abundance he becomes a part of Divinity Itself; and in the Divine there is no sin or error, and, consequently, when he becomes a part of this Divinity no sin or error can form a part of his being.

Now, as I have said, man who is without this love has his memories of sin and evil deeds, and, under the law of compensation, must pay the penalties. Yet when this Divine Love comes into his soul, it leaves no room for these memories, and as he becomes more and more filled with this Love, these memories disappear and only the Love inhabits his soul, as it were. Hence, there remains nothing in him upon which this law can operate, and the man is no longer its slave or subject. **This Love, (together with Feeling Healing,) is sufficient of itself to cleanse the soul from all sin and error, and make man one with our (Mother and) Father.**

This is forgiveness of sin, or rather the result of forgiveness. When a man prays to our Mother and Father for this forgiveness, They never turns a deaf ear, but says, in effect, *"I will remove your sins and give you my love, I will not set aside or change my laws of compensation, but I will remove from your soul everything upon which this law can operate, and as to you it becomes as if it had no existence."*

I know by your personal experience that this forgiveness is a real, actual, existing thing, and when the Father forgives, sin disappears, and Love only exists, and that Love in its fullness is the fulfilling of the law.

So let men know that God does forgive sin, (when we engage in Feeling Healing,) and when They forgive the penalty disappears, and when they disappear as the result of such forgiveness, no law of God is changed or violated.

This was the great mission of Jesus when he came to Earth. Before he came and taught this great truth, the forgiveness of sin was not understood, even by the Hebrew teachers, but their doctrine was an eye for an eye and a tooth for a tooth. The Divine Love, as I have feebly described, was not known or sought for – only the care and protection and material benefits that God might give to the Hebrews.

The Divine Love entering into and taking possession of the souls of men constitute the New Birth, and without this no man can see the Kingdom of God.

My dear son, I have written you a long but imperfect communication, but there is sufficient in it for men to think of and meditate upon, and if they do so and open their souls to the Divine Influence, they will know God can forgive sin, and save men from its penalties, so that they will not have to undergo the long period of expiation, which in their natural state the law of compensation ever demands.

So without writing further, I will say that I love you with all my heart and soul, and pray to the Mother and Father to give you this Great Love in all its abundance.

Your loving Grandmother, Ann Rollins

Forgiveness
leads
to
Love

**DIVINE LOVE does not TRANSFORM one's SOUL
FEELING HEALING is what TRANSFORMS one's SOUL**

The Divine Love does transform our soul from Natural love into Divine Love. It's our Feeling Healing that 'transforms' or heals our erroneous expression of Natural love. We have to 'heal' and so perfect our Natural love, so it can then be transformed by the Divine Love.

Divine Love does not even begin the real work of transforming one's soul, for those who focus upon receiving Divine Love to the exclusion of embracing one's Feeling Healing, they are just expanding their mind's control over themselves. Should this be one's passion, then upon passing into the spirit Mansion Worlds they will find that they can continue along this path all from within the Divine Love followers segment within the first natural love Mansion World! Yes, only from within the first natural love Mansion World.

Most of humanity on Earth are not wanting to face the very truth their feelings are making them feel every day of their life. So if they want to keep living in the spirit Mansion Worlds as they did on Earth, in complete denial of their feelings and the truth they are to shown about their wrongness, they can.

However, for those who have embraced Divine Love and begin to engage in their Feeling Healing process to begin the transformation of their soul, they will be able to sense the Divine Love already within their soul 'driving them on'. One's understanding and adjusting will be changing rapidly to that of embracing all about the Healing and doing it – all being supported by the Divine Love that one may have received previously. All one may have done with the Divine Love may make their introduction into their real Healing, by using their feelings, much easier than it is for other spirits from the mind worlds who are at the same time having to wrestle with many of their old religious beliefs or mental programming, having to take on a whole new mind-set which one could see would take some of them years, whereas for someone who has been longing for and receiving Divine Love for some time it may be only a matter of weeks. This also applies to those living in the physical.

It is the Feeling Healing process that transforms one's soul towards perfection, towards the ability to fully express one's true personality as given to us by our Heavenly Parents, it is the Divine Love that then fits that transformed soul to be able to enter the Celestial Heavens.

FEELING HEALING + SOUL HEALING

To heal one's self is to simply look to see what feelings we are refusing to let ourself feel, and accept them instead of denying them. And to fully accept them, one needs to express them, speak about them, let them have their say, rather than pushing them aside, refusing to let them make you feel bad.

Doing this all with the intention of seeking the truth of why you are feeling them, of speaking about and expressing all such feelings; all feelings you have, but ALL WITH the INTENTION of UNCOVERING the TRUTH THEY WANT YOU TO SEE ABOUT YOURSELF. And it's the wanting to see the truth of them that is very important, because if you just look to accept them and speak and express them, but not seek their truth, then that's all you'll be doing, speaking and expressing them, but not healing their causes, so not fixing the things within you that are making you feel bad. And it's the truth part of it, seeking the truth of your feelings, and so, seeking the truth through your feelings, that's vitally important. It's the truth of yourself, life, nature and God, that is the spiritual aspect to it all.

You CAN'T find the truth of yourself, or anything else, through and with only your mind. You HAVE to engage and look to your feelings. And so if you choose to allow your feelings to 'Show You the Way', then the truth will come as you express them. So to do our Soul-Healing consists of these steps, all of which are ongoing until it's done:

- **Admit you are feeling bad.**
- **Accept your bad feelings, identify what they are.**
- **Honour fully your bad feelings by expressing them, speaking about them to someone who is willing to hear you talk about them, or tell them out loud to our Heavenly Parents. Long for the truth of them. Long for the truth of why you feel bad – what deep within you is causing your bad feelings?**
- **And remember, bad feelings are Good! Not bad. They are not to be despised. And as hard as it is to accept them, they are still you, and a very real part of you. And if you persist in denying them and not allowing yourself to fully live them, then you are only going to keep yourself in your errors making things harder for yourself.**
- **All sickness and suffering, all bad things that happen to you, all your problems, all your addictions – your whole feeling-denying and untrue life, is all caused by your denial of bad feelings.**
- **Every problem in the world is brought about because everyone has been brought up to deny feelings, and in particular, most of their bad ones.**

If one is intent on spiritually evolving and growing in truth, then it's vital, and this is the key, that one looks to use one's feelings as the means to gain and have access to the truth of oneself. You CAN'T find the truth of yourself or anything else through and with only your mind. You HAVE to engage and look to your feelings. And so if you choose to allow your feelings to 'Show You the Way', then the truth will come as you express them.

Doing your Soul-Healing with the Divine Love, is really doing your 'Feeling-Healing'. We are designed — created — to be self-revealing of truth, and so we are all to uncover the truth within ourselves and for ourselves, and all being done by living true to our feelings. **If you accept, express and seek the truth of your feelings, then truth will come to you, and you'll grow spiritually. It's as easy as that. Also it is as easy as it is to long for, ask for and receive Divine Love.**

THE HEALING OF YOUR BAD FEELINGS THROUGH THEIR ACCEPTANCE
AND FINDING THE TRUTH OF THEM, IS THE ACCEPTANCE OF YOUR
NEGATIVE, REBELLIOUS, EVIL, IMPERFECT MIND AND WILL CONDITION.

To do our feeling-healing we need to become:

Aware of – Acknowledge – and Admit, our bad feelings.

So we can:

Accept – them and allow ourselves to Be them.

And then if we feel to, take:

Action – Express, speak and emote them.

Talk about them.

All being done whilst longing to, really wanting to, see the TRUTH of our feelings.

So it sounds simple.

So I repeat:

We accept our bad feelings by expressing – speaking about them to someone willing to listen to us and take us seriously. And as we speak we long for the truth of them – why we are feeling them – to be made known to us. And when we uncover and see the truth we are FREE! – healed of the causes that have made us feel bad.

Accept, Express – see the Truth, and you're Free!

ACCEPTANCE OF ALL YOU FEEL, THINK AND ARE, IS THE KEY TO DOING
YOUR HEALING; THAT, AND WANTING TO SEE THE TRUTH OF ALL YOU
FEEL, THINK AND ARE.

Release one's pain through expressing one's feelings.

in conjunction with

Longing for the Truth when also longing for Divine Love.

FEEL *for* TRUTH

The beauty of it all, is the truth comes to you through your own feelings. You don't need to be told it by anyone. You can work it all out for yourself. We are self-revealing of truth, it's how God created us to be, and by being it we'll feel the happiest we can feel. Truth is our great comforter, so when you feel it come up within you, ah it feels so good and you feel just right – perfect!

We know only how to deny feelings, now we can get to know how to accept them. And always with the truth being the most important part.

FEELING TRUTH

If you don't want to uncover the truth of your feelings, then you can keep on expressing them forever but you will never fully heal yourself. Seeing the truth results in the Healing. And to see the truth you need to express all the pain out of you. The two things go hand in hand.

You can accept and express your bad feelings, letting off steam all day long, yet nothing will heal and nothing much will come of it. So this is where wanting your feelings to show you the truth of why you're feeling as you are is so important.

Don't go fishing with your mind, that will shut the truth out from rising up for you. **KEEP YOUR MIND OUT OF IT.** It's a feeling thing, doing your Feeling-Healing. (This is where we erred previously, and this how other modalities are in error.)

You long when you can, then stop longing and keep expressing. And at some point, and it might not even happen immediately, it might happen after days or weeks of expressing the same bad feelings, truth will come to you. And it does, it just comes up suddenly into your consciousness. You just know. You see the picture and you feel it's true. And you know it's true. And THEN your mind can come in and start sorting it out and putting in context.

It's the Truth that we are seeking. It's the End Point. The Reason for doing your Healing. You are to see the whole Truth of yourself. And to begin with, that's the whole truth of your unloving self, of your wrongness, of your evilness, of why you are as you are in your negative unloving mind-controlling state. To be able to fully accept yourself as you are, warts and all. To not fight or resist or try and change yourself, just to accept all you feel and all the truth of all those bad feelings you feel about yourself. And when you do, so you will be healed. You CAN'T heal yourself unless you uncover the truth of your pain, suffering and so the truth of all your bad feelings.

Through our Feeling-Healing we long for the truth of what we're feeling whenever we can. So as often as you can. You want, and REALLY WANT WITH ALL YOUR BEING, ALL YOUR WILL, to know why you are feeling bad. You yearn, want, long and beg and beg and BEG God to show you the truth of yourself through your feelings. So when you are expressing your bad feelings you can stop and long for the truth to show you what's going on, why do you feel so bad, and you can do it any time you think of it or feel to do it.

Notes from 'Feeling Healing' by James Moncrief

Heartfelt TRUTH

Our FEELINGS are our SUPREME GUIDES:

Feelings!

Feelings are what guide us through our ascension of truth. So they are really our Supreme Guides. Many people look for a person, spirit, angel, even God, for supreme guidance, however it's all right there already built in – in our feelings. We just have to submit to them, allowing them to take us where they will, expressing all the parts we want to express, letting the emotion drive that expression if it's there to be expressed, or just talking about all we feel and how feeling that feeling is making us feel – or, how we feel about having that feeling, all whilst longing for the truth of our feelings. Longing for the truth of our feelings is really: Longing for the truth of our self, because: we are our feelings. So life stirs up our feelings, we feel being alive; or, being alive means we are feeling, always feeling; and when we work out what and why we are feeling what we are, so then we know the truth of how we are. And over time the truth accumulates, and our mind expands our understanding of ourselves, all being driven from our feelings. Kevin 26 Sep 2017

Using our feelings to uncover the whole truth of our negative or anti truth and anti love state.

Kevin: So whilst we're of an untrue state, then all we have got to help us understand why we feel bad, why we are wrong, why we are negative and anti love and truth, is our feelings. So if we focus on our bad feelings, they will lead us to the truth of why we're feeling bad. Which will be the truth of what happened to us to make us be this wrong way, and how we took on the wrong way and keep it going making us feel bad.

FEELING HEALING

Note: The vital difference between emotion and feeling is that emotions have their roots in the past, and feelings relate to the present moment. Emotions represent our feelings which were not previously expressed, and these accumulate with time.

Note: Our feelings are soul-based. Our soul is always in truth. It is our soul based feelings, that when allowed to be freely recognised, we will begin to express and be who we are. This takes time and perseverance as we have encrusted our souls with layers upon layers of errors and false beliefs, it is these layers that will confuse the truth that our soul is conveying to us. Only by our progression with our Feeling Healing will our soul's expression of truth become clear and free of all cloudiness and contamination.

“What our soul needs in accordance with our own, individual, **Soul-Light-Plan-Of-Destiny** (your life's true destiny plan), They, being our Mother and Father, will give you as required. The only way we can know truly what we need is to honour and follow our true feelings. They, springing from our soul, literally telling us what we need, and so when we genuinely feel we need something, we apply our will to get it. The hard part is knowing if our feelings are true, and until we have done our whole soul-healing, they won't be clear and totally true.” James – Introduction Course to Divine Love Spirituality

The New Way, Feelings First Spirituality
 Learn to live with God through your Feelings

Accept, express and long for the truth of your feelings

Be free in your feelings
 Free your feelings from your mind's control
 Live true to your feelings; your feelings are your true self
 Live true to yourself through your feelings

Live true to yourself by living true to your feelings.
 Long for the truth of your feelings.

Accept / Express / Bring out ALL of your good, and most importantly,
 BAD feelings.
 Want to understand why you're feeling them.
 Use your surface feelings to take you deeper into your repressed and
 hidden feelings.

The Feeling Way is the True Way.
 Your feelings are your spiritual guide.
 Your feelings will take you to God.

Your feelings will show you the truth of your relationships, including your relationship with God; and if anything is wrong, untrue and unloving, then why it is.

Our feelings are sacrosanct and we should respect them accordingly. And we should NEVER block them out, ignore, override, banish, deny or reject them, because if we do, we're only doing that to ourselves, as Our Feelings Are Our Self.

Our feelings are the gateway to our soul. Our feelings are the closest we can get to our soul. Knowing the truth of our feelings is knowing the truth of our soul, and knowing the truth of God.

Feelings First Spirituality is the True path for humanity.
 It embraces all people.

It completely unifies the world.

Everyone can relate to everyone else through their feelings.

And we can all live the truth that comes from our feelings, all sharing the same truths as we express and have the same feelings.

No one need be left out; no one is more special than anyone else – we are all united in Truth through our feelings.

So with and through our truth we live our lives, therefore without the need of any man-made mind-laws, rules and restrictions that limit self-expression as inspired by our feelings.

The New Way, Feelings First Spirituality is what is to replace all man-made, mind-contrived religions that so many people have enslaved themselves to. The New Way, Feelings First Spirituality will set us free of all that control, ending the Rebellion and Default within ourselves as we do our Feeling-Healing, and ending such control and spiritual stagnation in the world.

Bring on the End Times – get it over and done with! Let's all see that Jesus is not going to come again, that Prophecy has failed all the mind-controlled platforms. Allow such false systems of belief to die their long-awaited natural death, they've overstayed their welcome, it's now time they fade away. So let us show such antiquated, erroneous systems of belief the exit and bring on the fresh liberation of discovering the truth of how we are to live for ourselves, each of us personally in our lives, and all by looking to our own feelings for it. Self-revelation through our feelings is the way to go.

The Way of the Mind is ending, and is really the End Times – the End of our mind control, and **it's about time!** With the Way of our Feelings replacing it.

The End Times means the end and therefore a New Beginning. And that new beginning is a whole new Spiritual Age – an age based on self-revelation of truth through one's feelings, coupled with and supported by higher revelations from the Celestial spirits, angels and nature spirits.

The Feelings First Spirituality is the True Way to God because it helps you get to know God, helping you to reach out, connect and be personal with God, and do God's Will, all through your feelings. It is the only true way of getting to know the God of Feelings – our beloved Heavenly Mother and Father, the Great Soul of Divine Love.

Love comes through our feelings and not our mind, as we've all been wrongly led to believe.

Feelings First; then comes The Truth; then comes Love.

Truly all-loving;
 Living true to oneself;
 Mind supporting Feelings;
 Living with the Divine Love;

 Unlimited progression

- Living true to your untruth;
- Honouring all your bad feelings;
- Expressing feelings to uncover their truth;
- Healing the Rebellion and Default within yourself;
- Feeling unloved; being unloving;
- Feeling as bad as you can feel;
- Feeling like you are no one special;
- Longing for the Divine Love.

THE MIND WAY

Mind – Transcendence
 Limited progression

- Enlightenment, Nirvana, feeling all-loving;
- All false, mind-contrived. Anti-truth, anti-love;
- Still evolving the Rebellion and Default within yourself;
- Feeling and believing you are the Superior One;
- Living with your mind in control of your feelings;
- Living rejecting all your bad feelings;
- Living with your mind contriving you feel loved;
- Rejecting the Divine Love.

All religions, New Age, agnostic,

 Living the Rebellion and Default.

Hell:
 Exploiting the Rebellion and Default.

The Feelings are the doer; the Mind the teller. So we are to go with our feelings, which we can't be told to do with our mind. So the longing for the Divine Love, doing our Healing by expressing our feelings and longing for their truth, are all feelings and doing it with longing. Whereas the mind just wants to tell us what to do and how to be, no feelings in it, all how our parents have treated us.

LOVE
is
Feelings First Spirituality, The New Way

Feelings First Spirituality, The New Way is a contemporary ‘religion’ based on living true to yourself through your feelings. Understanding that all you need in life is contained within your soul and is shown to you through your feelings. And by loving your feelings, by attending to them properly (talking or writing them out of you) and not denying them, you can use them to uncover the truth of yourself – the truth of your soul.

Feelings First Spirituality is not a formalised religion that tells you how to be, that is too controlling and is actually bad for you, limiting your spiritual growth. You can be wholly self-revealing of the truths you need to be, being the person God created you to be, all by living true to your feelings.

Feelings First Spirituality has no formal structure because we understand we don't need one, our soul contains within it all the truth of our spiritual ascent. If we look to our feelings for the truth they want us to see about ourselves, nature and God, then what more do we need! Our true spiritual path is the path our feelings will lead us down, that is, provided we allow them to. This is the most spiritual we can be.

Living the New Way of Feelings First Spirituality

You come to the understanding from your life experiences that how you are is not right, it doesn't make you feel good – that you are wrong in some way. And you want to change yourself, you want to become right, true and perfect – you want to be like God is.

And to do this you need to do your Healing

Your Feeling-Healing is looking to your feelings for the truth of yourself, the truth being hidden in many of the feelings you are not wanting to face in life. So you have to end your feeling denial, accepting all your bad feelings (and good ones), express them (yet not necessarily acting upon them), whilst longing to uncover the truth they are to show you.

Or, you can do your Soul-Healing, which is your Feeling-Healing together with including longing directly to God for God's Divine Love. When you receive the Divine Love into your soul, it will cause your soul to become divine, and it will deepen your personal relationship with God. Long with all your heart to God for God's Divine Love.

Prayers to our Mother and Father

From 'Religion of Feelings' by James Moncrief

Please Mother and Father help me accept my untrue state and bring up all my repressed feelings so I can see the full truth of why I feel so unloved and all that's wrong with me.

Please Mother and Father help me see the truth of myself through my feelings.

Please my beloved Heavenly Parents, fill my soul with Your Divine Love. I long for Your Divine Love; please answer my prayer and yearning to be at-one with You and do Your Will by living true to myself and all my feelings. Please fill my heart and soul with Your Divine Love – please make my soul like Yours – Divine.

Please Mother and Father, I want to uncover the whole truth of myself through my feelings. I want to be able to feel and accept just how bad I am, how bad I feel I am, how bad I've been in my life. I want to know the whole ugly truth of myself, see it and feel it and understand how I came to be it. Please reveal to me through my feelings all the truth of myself You want me to see. I want to be as You want me to be; I want to be true and perfect, Healed of all my rebelliousness and self- and feeling-denial; I want to be good, loving, true and happy, please help me become true to myself, true to my soul, true to You.

Please Mother and Father help me, I'm in such bad pain, I feel so alone, so miserable, so scared, what's going to become of me, I don't understand, what's the point of me, why have You made me; please help me see the truth of myself – all the truths of myself, nature, how to be in the world, of You both. I want to know, I want to know it all through my feelings, all that there is to see, the whole truth and nothing but the truth. Please help all my pain come to the surface of me so I can embrace and accept and express it out of me. I want to use my feelings to uncover the truth they are to show me; please help me to do that.

Please Mother and Father love me. I want You to love me. I want to feel fully loved by You. I don't want anything else, only to be with You. Please, that is all I am asking.

Please make me feel how unloving I am. Please show me the horrible truth that I am. I want to see and feel and understand the worst of me, please take me into my darkest scariest ugliest unwanted rejected places within myself. I don't want to feel all the dreadful pain that I know is there locked away inside me, yet I do also want it all to come up and out of me, and I want to use it to see the truth of my wrongness, the truth of how evil I am, the truth of my fucked up state. I no longer want to be false, pretending I am okay, using my mind to make me falsely believe I am good, happy, loved and loving, when I know I'm not. For how can I be when You've brought me into my unloving state, making me be of it. And as You want me to experience being this negative way, please show me the whole truth of it. I no longer want to deny any part of myself, or any of my bad feelings. I want them all to come up so I can express them, emoting their pain, feeling how bad You've made me feel all my life and all through my early life; I want to see why, and so reveal all the truth to myself. I want to be the living truth of myself, living true to my feelings and the truth they give rise to. Please help me to do my Healing, and please fill my soul with Your Divine Love.

The mind way is the 'dead' way; the feelings way is the 'alive' way.

Examples of some prayers to God:

From 'Feeling Healing' by James Moncrief

Please God show me the truth of myself through my feelings.

Please help me see the truth about myself You want me to see.

And please help me feel all my repressed pain; please bring up all my bad feelings so I can express them and see what it is they are to show me about myself, my life, and You.

And please help me work through my blocks, I want to Heal myself, I want to become true to myself and true to my feelings and true to You – please help me do that.

Heavenly Mother and Father, I feel so bad, and I know I'm doing it to myself, but I can't help it. I can't stop my compulsive addictions, so will you please bring up the buried feelings in me and show me the reasons why I can't stop. Please! I want to know – I REALLY WANT TO KNOW why I do them. Please help me Mother and Father to uncover the truth of myself. Please, I beg you, please, please, please show me the truth of them so I can give them up. I hate feeling bad, yet I know I must so I can keep expressing my bad feelings to see the truth You want me to see, so please help me feel bad.

Please Mother and Father fill my heart and soul with Your Divine Love. Please give me Your Love. Please love me and make me feel loved by You. I want to feel You close to me, I want You to hold me, make me feel loved by You. I only want You and to do Your Will. Please help me bring up all my repressed feelings so I can express them and uncover their truth. Please help me do my Healing. Please give me Your Love.

I hate you Mother and Father; why have You given me such a shit awful life? I hate myself, I hate You, I hate everything about my life. I feel so bad all the time. I've expressed so many bad feelings and still I feel bad. It's not fair, it's not fair what You've done to me. I hate You! And I want You to help me Heal myself, so I can stop feeling bad. You put me in the shit for whatever reasons, and I want You now to help me get out of it and show me what it's all been about. Please help me to Heal myself so I no longer hate You.

I long for Your Divine Love Mother and Father. Please fill my soul with it. And please help me uncover the truth of myself through my feelings. I want to see it all! And please make it all end, I'm so tired of always feeling so bad, please take all my bad feelings away by making me feel them and showing me the truth I am to see.

REVELATIONS

Revelation 1: Our soul becomes encrusted with harmful ways of life, plus negative and erroneous beliefs, these mainly stem from our childhood upbringing and environment. Thus we live untrue to ourselves, we become 'evil'. Whilst we hold to these injuries we limit the amount of Love that we can receive into our soul. To open our soul to the Love we must firstly and progressively embrace our emotional injuries and allow them to be released. Until we emotionally experience past errors and injuries we hold onto them.

To free our soul of damage and toxic emotions we must open ourselves to experiencing them. This is a progressive, slow and uncomfortable cleansing process that we must all experience. Only by addressing the generational injuries will we, as humanity, evolve in love.

To fully divest one's self of our badness, we have to 'go into' our feelings. Call this process of clearing toxic emotions as 'Letting Go', 'Emotional Processing', 'Journey Process' or 'Feeling Healing'. Embracing Divine Love then Feeling Healing becomes Soul Healing.

As part of our Feeling-Healing we will have to work our way into all our feelings to see if indeed they are coming truly from our heart and soul, or if they are being heavily influenced by our mind. And this will then lead us into questioning and uncovering the truth, if there is any, to our beliefs and why we behave the way we do; and is such behaviour based on truth, or is it based once again on untruth, belief, and rules of our mind.

Revelation 2: We can long for, ask for and receive the Mother and Father's Divine Love. The greater our soul is free of error and injury, the more of the Divine Love can be received and assimilated into our natural love formed soul. The Love does not free us of injury, however, it strengthens our resolve to continue on our journey to be free of error and injury, to step away from evil aspects that have been encapsulated within our humanness and soul. It is this Love, the Divine Love, that brings about immortality of our soul and it is this Love that will eventually fit us to enter the Celestial Heavens and progress for ever more onwards to Paradise. These two revelations free us from error and enable us to grow in love ever more.

Immortality with the Love.

REVELATION 1
James Padgett 1914 – 1923

James Padgett bravely introduced the availability of the Mother and Father’s Divine Love and a great deal of additional guidance and information, all of which has been supplemented by Samuels, Judas, Reid and Arnold. All writers were under restrictions of personality and circumstances. Revelation 1 opened the door for humanity.

Quantum Jump 2

REVELATION 2
Marion and James Moncrief 2002
– ongoing

Marion and James Moncrief have recognised the need for one to engage in Feeling Healing and, by their actions, removed restrictions that James Padgett and others above endured, thus JM is able to critique the writings of the past 100 years resolving points of confusion as well as expand on what has been written. Revelation 2 is humanity’s turning point.

Due to the extra-ordinary nature of Revelations 1 and 2, humanity with the first Revelation would have continued on into its negative pathway of living, however, combining the first Revelation with Revelation two, now humanity can embrace this turning point and commence its evolutionary growth that has required two thousand years to put in place. This is the greatest event in the history of humanity and very few are aware of such, until we enable others to become aware.

NATURAL LOVE BLENDS PERFECTLY WITH DIVINE LOVE:

Both are energies. Natural Love energy forms each soul and each individual soul is unique. Our personality, intelligence, memory, and humanistic characteristics are unique. It is our gift of free will that tends to enable us to error, however, it is the uniform nature of Divine Love and Feeling Healing that brings about our growth and release of man-made negativities.

Relationship with God – Humility

Prerequisite to receiving Divine Love:

1. Longing / desire for God's Love.
2. Longing / seeking for Divine / God's Truth.
3. Humility; being a passionate desire and longing to experience all of your emotions whether it is pleasurable or painful.

Humility is where we are blocking God, that is, the lack of humility.

The Holy Spirit is an instrument of God.

What Is Soul Condition?

Soul condition is the sum total of:

- Your passions, desires, longings, moral beliefs, moral condition, aspirations, pursuits, emotions, feelings, intentions, loves, dislikes and hates, fears, religious beliefs, scientific beliefs, love beliefs, mental aspirations and beliefs (which come from soul beliefs, but are often in disharmony with soul beliefs).

Soul condition can be changed by experiencing the following emotionally:

- Longing for, receiving and acting in harmony with Divine Love, together with Feeling Healing – Transforms the soul into a new being.
- Longing for, receiving and acting upon Divine Truth – Allows Divine Love to flow into the soul.
- Learning repentance through Feeling Healing and receiving Divine Forgiveness and Mercy – Removes Karmic soul damage.
- Having Faith – Raises the soul's awareness of new conditions and state.
- Growing Desires and Passions harmonious with Love – These desires and passions can be nurtured.
- Learning and applying lessons in Natural Love – How we treat others and ourselves.
- Releasing passions, desires, emotions, feelings and beliefs disharmonious with love through Feeling Healing.
- Releasing painful emotions that are the result of the Law of Compensation (Karma).
- Bringing actions in harmony with love through Feeling Healing (either Natural or Divine).
- Changing intellectual beliefs, thoughts, words, actions, since these feed new desires, and emotions through Feeling Healing.

UNIVERSALITY of our HEAVENLY PARENTS' GIFT:

By embracing the eleventh commandment:

"This is my commandment, that ye love one another even as I have loved you."

Golden Rule: that one must always honour another's will as one honours one's own.

Our soul condition steadily grows in love so that we step away from:

Any harm that we may cause to others which will also bring about consequences.

Also as our soul development progresses, our self love grows which also enables us to step away from:

Any self harm that we may cause which also will bring about consequences.

And to move along this path we simply develop our embracement of:

God's Divine Love; pray for it, ask for it, and receive it.

Or it may be even as simple as the caption below:

Oliver Twist asked:

Please, sir, I want some more!

Maybe we could simply ask:

Please, Heavenly Parents, I want some more!

Never can one man do more for another man than by making it known of the availability of the Feeling Healing process and Divine Love.

How a soul must receive the Divine Love of the Father in order to become an inhabitant of the Kingdom of God.

Page 121 of Vol I of True Gospel Revealed Anew by Jesus

I am here, Jesus.

I desire tonight to write you on the subject: *"How a soul must receive the Divine Love of the Father in order to become an inhabitant of the Kingdom of God, and realize that immortality of which I have written you."*

In the first place, it must be understood that the Divine Love of the Father is an entirely distinct kind of love from the love which the Father bestowed upon man at the time of his creation, and which man has possessed in a more or less condition of purity ever since that time. This Divine Love was never conferred upon man as a perfect and completed gift, either at the time of his creation, or since my coming to Earth, but as a gift which is waiting for man's own efforts and aspirations to obtain, and without which it can never become his, although it is always close to him, waiting to answer his call.

Then in understanding what this Love is, and that man must seek for it, and what its effect upon the soul of man is, it becomes very important that man should make the obtaining of it the one great object of his aspirations and desires. For when he possesses it to a degree that makes him at one with the Father, he ceases to be a mere man, and becomes of a nature of soul existence that makes him Divine, with many qualities of the Father, the chief of which is, of course, Love; and also causes him to absolutely realize the fact of his immortality.

Mere moral goodness, or the possession of the natural love to its fullest degree will not confer upon man this Divine Nature that I have mentioned; nor will good acts, and charity and kindness, of themselves lead men to the possession of this Love, but the possession of this Love in truth and in fact, will lead to charity, and good deeds, and kindness, always unselfish, and to a brotherhood of men on Earth that the mere natural love cannot possibly lead to or cause to exist.

I know that men preach about the Fatherhood of God, and the brotherhood of man, and urge men to attempt to cultivate the thoughts and deeds of love and self-sacrifice and charity in a way to bring about the greatly to be wished for unity of life and purpose on the part of men; and by reason of this natural love can, themselves, do a great work in bringing about this brotherhood. Yet the chain that binds them together cannot possibly be any stronger than the natural love which forges it; and when that becomes overshadowed by ambition and material desires, the brotherhood will become greatly weakened, or disappear entirely, and men will realize that its foundation was not built upon a rock, but rather upon the infirm sand, which could not sustain the superstructure, when the storms arising from men's ambition and desires for power and greatness, and many other material things, beat upon it. So I say, there is a great necessity for something more than man's mere natural love to help him form a brotherhood that will remain steadfast and firm under all conditions and among all men.

So this natural love, under circumstances the most favourable to preserve the constancy of man's happiness and freedom from sin and error, proved itself to be not sufficient to maintain that condition,

then what may be expected of it when circumstances are such that this love has degenerated from its pure state and has become defiled by all these tendencies of men to do that which is in violation not only of God's laws, but of everything that would otherwise help men to realize a true brotherhood.

As I have heretofore said in my writings, there will come a time when this natural love will be restored to its original state of purity and freedom from sin, and when this brotherhood may exist in a degree of perfection that will make all men happy. Yet that time is far off and will not be realized on Earth at all until the New Birth and the New Heavens appear, and in the meantime men's dreams of this great brotherhood will not be realized.

I know that men expect that sometime, in the far distant future, by means of education and conventions and preachments of moral truth, this dream of an ideal brotherhood will be established on Earth, and all the souls of hatred and war, and the oppression of the weak by the strong will disappear. But I tell you that if men depend upon this mere natural love and all the great feelings and impulses that may arise from it, to bring about this condition so much desired, they will find disappointments and lose faith in the goodness of men, and at times a retrogression, not only in that love, but in the conduct of men towards one another, and in the treatment of nations by one another.

I have digressed somewhat from my subject, but I thought it best to show to man that his dependence upon himself, which is his dependence on this natural love, is not sufficient and adequate to bring him into a condition of happiness even on Earth, and therefore totally inadequate to bring him into the Kingdom of Heaven.

The Divine Love that I speak of, is of itself not only able to make a man an inhabitant of the Father's Kingdom, but is sufficient to enable him to bring about and realize to the fullest of his dreams that great brotherhood, even while on Earth.

This Love of the Father's Own Self is of a never changing nature, and in all places and under all conditions is working out the same results and converting the souls of men on Earth as well as of the spirits in the spirit world, into not only the image but the substance of the Divine Nature. It may be possessed in smaller or greater degree, depending upon man himself; and this degree of possession determines the condition of the soul, and its nearness to the Father's Kingdom, whether the soul be in the flesh or in the spirit.

Man does not have to wait to become a spirit, in order to seek for and obtain this Love, for the soul on Earth is the same soul as when in the spirit world, and its capacity for receiving this Love is just as great in one place as in the other. Of course on Earth there are many circumstances and surroundings and limitations on man that prevent the free workings of the soul in the way of aspirations and faith that do not exist after man becomes an inhabitant of the spirit world but, nevertheless, and notwithstanding all these drawbacks and stumbling blocks of the Earth life, the soul of man may receive this Divine Love without limitations and to an abundance that will make him a new creature as the scriptures say.

The possession of this Divine Love also means the absence of those desires and longings of what is called the natural man, which produce selfishness and unkindness and other qualities which create sin and error, and prevent the existence of this true brotherhood which men so earnestly desire as the

forerunner of peace and good will, and the more of this Divine Love that enters into the soul of man, the less there is of evil tendencies and desires, and the more of the Divine Nature and Qualities.

The Father is all Goodness and Love and Truth, and Forgiveness, and Kindness, and these qualities the souls of men become possessed of when they receive and possess the Divine Love. And when man is sincere and faithful, and possesses these qualities, they never leave him or change; and when this brotherhood shall be founded on them, it will be built on a rock and will continue to live and become purer and firmer in its binding effect, and in the great results that will flow from it, for its foundation stone will be the Divine Nature of the Father, which is without variableness or change and never disappointing.

A brotherhood so created and joined together is, as I say, "the only true brotherhood that will make for man a kind of heaven on Earth, and banish wars and hatred and strife and selfishness, and the principal of mine and thine. The mine will be changed to ours, and all mankind will be truly brothers, without reference to race or sect or intellectual acquirements. All will be recognized as the children of the one father."

Such will be the effect of the existence of this Love in men's souls on Earth, and when such souls leave their envelope of flesh, they will find their homes in the Kingdom of God – parts of the Divinity of the Father, and partakers of his Immortality.

But only this Divine Love will fit the souls of men for this Kingdom because in this Kingdom all things partake of this Divine Nature and nothing which has not that quality can possibly enter therein. So men must understand that no mere belief or ceremony of church or baptism, or any of these things are sufficient to enable a soul to become an inhabitant of this Kingdom. Men may do and deceive themselves in their beliefs that anything short of or other than this Divine Love can ensure them an entrance into the Kingdom. Beliefs may help men to seek and aspire to the possession of this Love, and other ceremonies may also assist, but unless and until this Divine Love is actually possessed by the souls of men, they cannot become partakers of the divine nature and enjoy the happiness and peace of the Father's Kingdom.

When the way to obtain this Love is so easy and the joy of its possession is so great, it is surprising that men will be satisfied with the husks of formalism and the satisfaction and delusion of mere lip worship and intellectual beliefs. As I have said this Love is waiting for every man to possess, who sincerely and with true soul aspirations seek it. It is not a part of, but surrounding and enveloping every man, but at the same time forming no part of him unless his longings and prayers have opened up his soul, so that it may flow in and infill him with its presence.

Man is never compelled to receive it, as he is never compelled to do other things against his will, but as in the latter case, when in the exercise of that same will, he refuses to let the Divine Love flow into his soul, he must suffer the penalty, which is the utter and absolute deprivation of any possibility to become an inhabitant of the Kingdom of God, or Celestial Kingdom, and of any consciousness of the fact of his immortality.

Let men turn their thoughts and aspirations to God, and in truth and sincerely pray to the Father for an inflowing into their souls of his Divine Love, and have faith, and they always find that the Father will

bestow his love upon them, in accordance with the extent of their aspirations and longings, which are mediums of opening up their souls to the workings of the Holy Spirit, which, as I have before written, is the messenger of God, for the conveying of His Divine Love from his Fountainhead of Love to the souls of the prayerful and aspiring men.

In no other way can the Divine Love be possessed by man, and always it is an individual matter between the particular man and the Father. No other man or body of men or church or spirits or angels can do the work of the individual. As to him, his soul is the only thing involved, and only his aspirations, and his prayers, and his will can open up his soul to the inflowing of this Love which makes him a part of its own divinity.

Of course, the prayers and kind thoughts and loving influences of good men and divine spirits and angels can and do help the souls of men in turning to His Love and in progressing in its possession, but as to the question, will a man become possessor or not of this love, it depends upon the man.

Well I have written enough for tonight and must stop.

So my dear brother I will say with all my love and blessings, good night.

Your brother and friend, Jesus

Note: Following the writings of James Moncrief, one could consider that any reference to the Father, by other relevant writers, may be read as a reference to 'our Mother and Father'. Further, when considering soul healing, then reference to Divine Love could be referred to as 'Feeling Healing with Divine Love'.

“Pray direct to our Mother and Father for Their Love, and receive all that is necessary for a great Earthly happiness and for a joy unspeakable in the spirit world.”

CONSCIOUSNESS and EMOTIONS:

Consciousness = Soul Condition. One’s Soul Condition is equal to the average of all of the held emotions. Soul condition is the sum total of all of the different emotions, desires, passions, etc., all wrapped up together in terms of how much love there is in every one of those.

The Map of Consciousness (MoC) table is based on the common log of 10. It is not a numeric table.
 A calibration increase of 1 point is in fact a 10 fold increase in energy.
 A calibration increase of 10 points is in fact a 10,000,000,000 fold increase in energy.
 Thus the energy differentials are in fact enormous!

NATURAL LOVE or HUMANITY’S ERRONEOUS EMOTIONS:

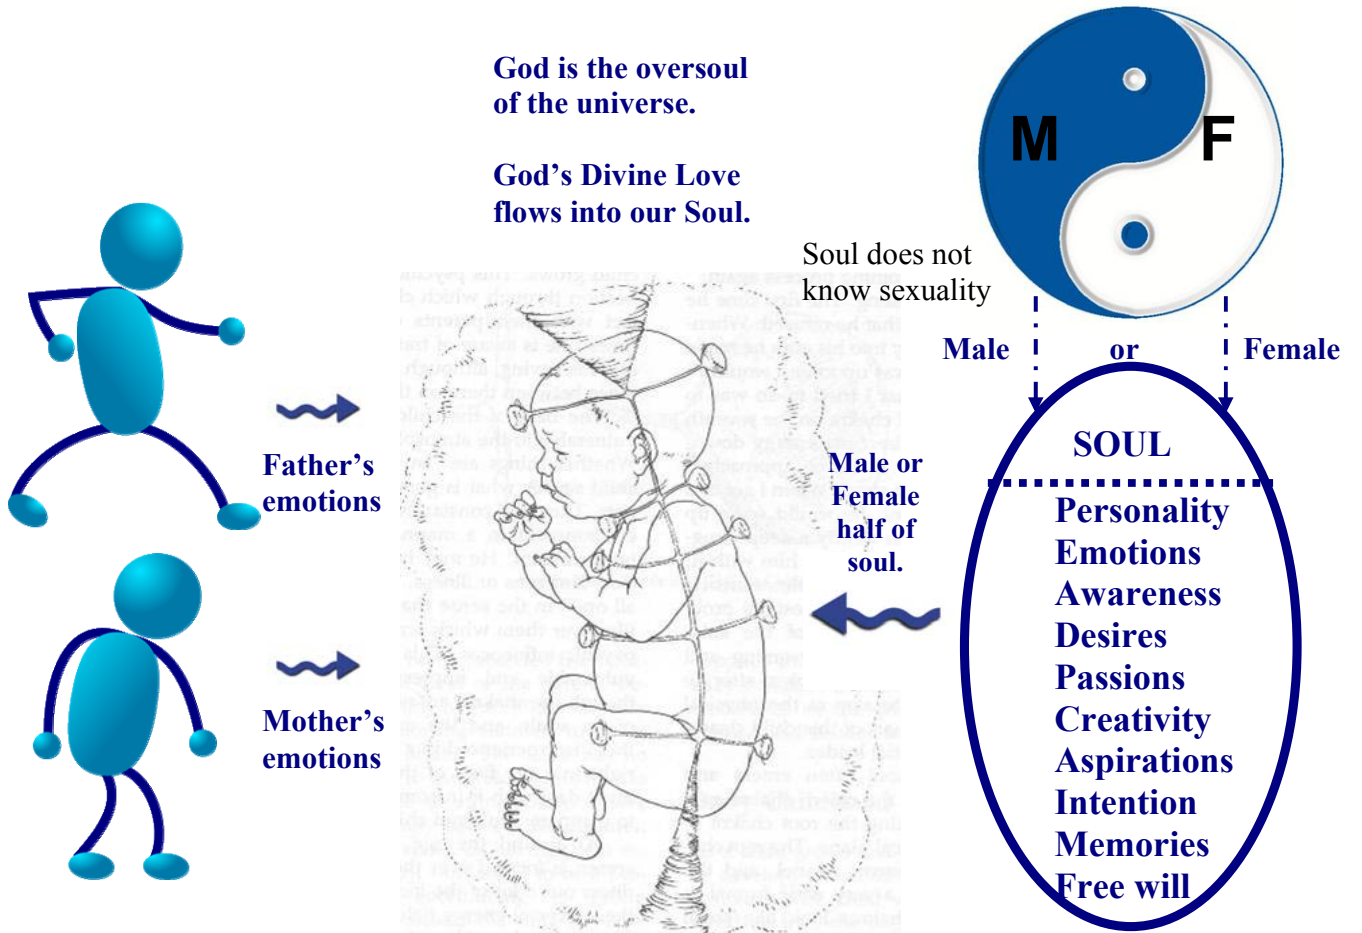

Your soul, being your real you, is an emotional being. Your soul, though a thought of God, does not possess anything of the divine within it. It existed in a state of bliss, in a natural love state, pending individualisation which is achieved at conception which is the time of incarnation. Your soul is endowed with natural love emotions noted within the top section of the Map of Consciousness scale, being those emotions calibrating above 200.

Humanity’s erroneous emotions are those calibrating below 200 on the Map of Consciousness. The environment around a newly conceived child progressively degrades the condition of that child’s soul. When the child reaches about the age of 7, the child’s soul condition will reflect the parent’s condition. These negative emotions are like a crust around the pure soul it has within.

OUR EMOTIONS REFLECT THOSE of OUR PARENTS and OUR ENVIRONMENT:

Our Personality is a feeling of God, thus creating our unaware Soul.

At conception, our unaware personality (soul) forms both a spiritual body and physical body. Incarnation / conception starts the road of self discovery, children reflect parent's emotions, which includes their ancestors, and also, of those around them. Parents attract us to incarnate.

What is the reason that mortals will not seek the Love of the Father, rather than endeavour to believe in the creeds and sacraments of the church to which they belong or be affiliated with?

Page 125 of Vol I of True Gospel Revealed Anew by Jesus

I am here, St. John.

I came tonight to write you a message that I consider very important, and as you are in good condition I will endeavour to do so. In the first place, I desire to say that you are much more in that condition of soul development that enables us to make a rapport with you than you have been, and we are pleased that this is so, for the greater development you have the easier it is for us to express our ideas of the higher truths that we so much desire to disclose through you.

Well, the subject about which I wish to write is: *What is the reason that mortals will not seek the Love of the Father rather than endeavour to believe in the creeds and sacraments of the churches to which they belong or be affiliated with?*

Now it may appear to you that mortals themselves could better tell the reason of this preference and their actions in carrying out their preferences, but this supposition would not be true because they do not really know. The knowledge of the truth which they might obtain, and the supposed knowledge of truth which so many of them content themselves with believing that they possess, are two and very different things.

And first, they believe that the creeds of their churches contain and disclose the truths as to God and as to mortals relationship to Him, and that, if they follow these creeds – they will do that which is pleasing to God and in accordance with His will; and, hence, they rest satisfied to abide in such knowledge, and seek no further to learn the truths of their being and of their salvation.

The creeds in most particulars do not contain the truths of these spiritual matters, for they are based upon error, and consequently, can have no truth as a superstructure, and from them, mortals cannot learn the true knowledge of things spiritual. These creeds are manmade and are not based upon the real verities that can never be changed by creeds, nor any other thing that is the result of man's making.

But mortals do not know that these creeds do not disclose to them the truth, and this is one reason why they prefer to follow the teachings of the creeds and believe in them. They have nothing else to which they can resort, except the many statements of truth that the Bible contains; and even, though, they should resort to these statements, yet in their condition of mental and soul development they would not be able to discover the truths as therein disclosed, and to realize any distinction between such truths and what they believe are truths of their creeds.

For long years – generation after generation – these creeds have been accepted and believed in and proclaimed to be the truths by the respective churches to which the mortals may have belonged; and **they have seen their parents and grandparents believing and resting in the assurance that the creeds contained the truth, and have seen these relatives live and die apparently happy in their beliefs, and hence they become satisfied to do that which those before them did and not question or search for the truth elsewhere, or even think that it can be found elsewhere.** And as man is constituted it may be said that such a position and condition is natural, and we or you, who know the truth and also that the creeds do not contain the truth, should not be surprised.

Again, mortals prefer their creeds, because in the majority of the instances when a church or denomination has existed for a long time those who have, as I may say, inherited these beliefs in the creeds never consider for a moment, that they should do anything else than give an unquestioning belief to the teachings of their creeds and that in such belief they are in the truth and are not called upon to doubt or question. And thus growing up, as many do, in this belief, it becomes to them in many cases, a thing of mere form, having no vitality and creating in those who possess it, no special concern as to whether their belief is well founded or not. This belief saves them the trouble of exercising their minds to any comprehensive degree, and they say: "I am content with the creed of my church and do not desire to be troubled by questioning the same." And, hence, you will see, it is not difficult for them to make the preference, for in fact, there is no preference, but a condition of mind existing that has in it no room for the exercise of any preference.

And then again, this preference exists, because of the social life of the people who believe in the creeds of the churches, for if they do not so believe it is not permissible for them to become members of the churches, as the creed must be subscribed to, no matter what else that may be vital is required to be believed in, or declared by the mortal who desires affiliation to be believed.

The church is the greatest of social centres in the lives of men, and its influence and power are very great and reaches further in the economy of social life than unthinking people may realize. So then when the applicant subscribes to the creed and becomes a member of the church he becomes satisfied, usually, with his social position and his thoughts of spiritual truths are no longer plastic but fixed, and as time goes by he pays less attention to what the creeds may require of him, but in a kind of automatic manner acts upon them and rests satisfied. His position then becomes so comfortable and his mind free from efforts by the undoubting acceptance of the doctrines of his church creeds.

Of course, there are many exceptions to this condition existing among members of the churches, for while they subscribe to the creeds, yet their souls are not satisfied and go out in longings to the Father for His Love and many who possess this Love, though intellectually they do not know what it means. But with the majority the preference is made because of the reasons that I have stated – and the difficulty will be great to cause an awakening from this satisfaction and feeling that in their beliefs lie the certainty of doing the Father's will and of their own salvation.

Now, while all this is true, yet these mortals do not realize that it is true just in the sense that I have described it, and the great work that lies before you and us is to cause the truths which you are receiving to be presented to these people in such a way that they will not be satisfied to rest in the security of their old beliefs, but be persuaded to seek for the truth outside of the teachings of their creeds. And this I can say, that if these people will have such an awakening, and seriously and honestly seek for the truth, they

will not hesitate to believe that they have been mistaken in their beliefs, and will not be satisfied until they learn the truth.

I merely thought I would write this, because, while it is more of a subject pertaining to the merely living of men on Earth, yet in its results and consequences, if the living be changed the things spiritual will become the things of absorbing interest. These creeds shut out the truth, and men will never be able to find the truth, until they shut out from their minds and souls the doctrines of the creeds.

I will not write more tonight. So with my love, I will say good night.

John (Apostle)

IV. REDEMPTION FROM SIN

Washington, D. C. August, 1956 April 29, 1920

To the pious Hebrew of the Old Testament, it appeared that his wickedness both as a nation and as individuals was the cause of his national disasters and that his successes were the result of his faithfulness to the Covenant between God and the Patriarchs. The prophets emphasized the necessity in times of national stress to avoid alliances with other countries, and to put their faith in God's protection. Failure to heed the warnings of the Prophets led to calamity as in the days of Jeremiah, when disregard of his advice brought captivity in Babylonia. Again, in the sorest hour of Judaea's history, when the people were being provoked almost beyond endurance to bloody rebellion against mighty Rome, a Prophet out of Nazareth came with a message of peace and forbearance, only to be rejected by those in power; Judaea was crushed and the people – those that remained – dispersed over the face of the globe.

For those of us who know that the Heavenly Father is our God of Love, we cannot believe that He brought about the horrible destruction of the Hebrews in the revolt of 67-70 A.D. But we do believe that the condition of men's souls was such that it embraced wrath and the violence of warfare rather than love and patience and that this condition of the soul made inevitable the dreadful consequences that followed. In the spirit world, the soul that sins must likewise reap the whirlwind. On leaving the flesh, it is received by spirits whose duty it is to instruct it in the things of its new existence. It is told that everything in the spirit world is controlled by law. One of these is the "law of compensation," applicable to all spirits who pass over from mortal to spirit life. This life calls for the expiation of the sins which the soul has committed as a mortal.

Since the soul is the "real man," and is in possession of its faculties, this includes the memory of deeds committed in the Earth life. All the evil works and thoughts which the soul has accumulated as a mortal now come back to haunt and assail him and the terrible remorse and suffering that ensue continue constantly and unabated until these evil memories have left him, and it is this that constitutes the judgment day and the hell. The condition of the soul creates the home in which it lives when it first passes over into spirit life; a home which accurately and exactly reflects the state of that soul and the spirit body which it manifests. Hence a soul filled with thoughts and deeds spiritual and in accord with God's laws will abide in a place suitable to its soul condition filled with light and reflecting the happiness of that soul; but a soul filled with deeds and thoughts of the material plane alone, and out of harmony with God's laws, engenders an abode of darkness and suffering, and in accordance with the abuses and unlawful material pleasures which it pursued when on Earth.

But one of the most pernicious doctrines taught by the churches and whose damnable falsity is exposed by Jesus, is that which fixes the destiny of the delinquent soul in hell for all eternity. This is not true, for **as soon as the soul wills it, and repents of his sins as a mortal, he may make his progress out of the lowest hells to the spiritual heavens or, should he seek and obtain the Father's Love,** continue to eternally progress as an immortal soul in the Celestial Heavens towards the throne of God.

The reason for this, the Master explains, is that the soul of man is the same, whether in the flesh or as a spirit, and the same conditions of forgiveness obtain here as in the spirit world. **All sins are pardonable in this world or the next whenever the soul makes the sincere effort to receive it,** and the only sin

not pardonable is that which, in New Testament parlance, blasphemes against the Holy Spirit, or in the language which the Master makes clear, refuses the Divine Love of the Father which can transform the human soul into a divine soul and bestow upon it immortality.

It is not true that man has the sorry alternative of either repenting of his evil ways in the brief existence in the flesh or living in hell throughout all eternity as a spirit. Some churches state that man cannot live a mortal life of pleasure and evil and then turn to God to avoid eternal suffering as a spirit. At the same time they teach that despite a life of sin a last minute return to God will insure forgiveness of their sins, when they come to the next world. These churches seem to be unaware of the existence of the law of compensation which exacts payment for the evils committed in the flesh "to the last farthing." This is justice, indeed, if that is what these churches desire, but the time comes when the debt is paid, the soul is released from the workings of the law and forgiveness is achieved.

The law, then, acts upon the soul undergoing the process of purification, but **the soul that seeks the Father's Love invokes the higher law of Grace.** Here no justice is involved; only the Divine Love which the Father bestows upon His aspiring children and transforms them into divine souls, bringing about the elimination of those evil desires and the forgetfulness of those evil deeds upon which the law of compensation operates.

The pernicious doctrine of eternal damnation often prevents the unhappy soul from seeking the Father's Love through prayer, in the terrible belief that his position in hell is fixed forever and that God can no longer help him. Yet **God**, as Jesus explains it, **helps His children wherever they are, in this world or the next, or in whatever condition of soul they may be in, provided they come to Him as their Heavenly Father in earnest longing of their souls and seek His Love and mercy.**

It is the awakening of the soul to the iniquities it worked and cogitated as a mortal that brings about the workings of the law of compensation, and the abode of the spirit. Sometimes, the soul that passes over, because of the peculiar character of its make-up, is impervious at first to this awakening, and in that case, the soul lives on the level of its evil Earth plane life and seeks in spiritual counterparts those evils which it practiced as a mortal, or roams the Earth seeking to obsess mortals susceptible to its baleful influence. Jesus refers in the Gospels of the New Testament to his having liberated mortals from possession by demons, and these demons were nothing more than evil spirits which had taken possession of human beings at the time. In respect to these evil spirits of once mortal beings, Jesus tells us that some of the narratives related in the New Testament are true, but that others are false, and he refers concretely to the story of the possessed swine which ran madly down the cliff to be destroyed. This, he asserts, he never brought about, first because he would harm no creature, and because of the financial loss such an act of his would have entailed their owner. But, as regards the evil spirits, these awaken in time to the law of compensation and pass through their period of suffering for their mischief and evil. They are helped in this condition by others who are somewhat more advanced than themselves, and who instruct them in the ways that exist to progress out of their deplorable condition.

Hence, souls in suffering eventually learn to give up their evil inclinations, whether it be a fondness for money, possessions, gratification of pleasures or the desire to injure others – greed, lusts, covetousness, hatred, envy, injustice and other sinful creations of the human heart – and they may use their will power and intellectual faculties to enable them to cause the forgetfulness of the things that make for a soul stricken with remorse.

But the soul in suffering and darkness may also seek outside aid if it so wishes: the Divine Love of the Heavenly Father which, pouring out into the soul which earnestly seeks His Love, causes the purification of that soul through possessing it and thus forcing from it the excrescences that mar and defile that soul; and indeed, as the Father's Love continues to fill the soul of him who seeks it, there takes place the transformation of the human soul reflecting the Soul of God into a Divine soul filled with the very nature and essence of God, His Love.

With that Love the soul is changed, and the evils which contaminated it are eradicated and the memories thereof, so that the law of compensation has nothing on which to operate, and the soul is freed from its inexorable workings. For God's Love sought for by the soul in earnestness and longing invokes a higher law of love and the once evil soul, now filled with God's Love, and mercy, and kindness, consideration, pity and sympathy, progresses out of its abode of darkness and suffering into realms of love and light, and eventually into the Celestial Heavens, where only those souls filled with His Love can enter.

Jesus is the Master of the Celestial Heavens, where the inhabitants are the possessors of the Father's Love to that degree in their souls that they are conscious of their immortality. For God's Soul being Immortal, those souls possessing His Love to a sufficient degree are in the same way Immortal. This is what Jesus meant when he said, "The Father and I are one." He meant there was a oneness between God's Soul and His own because of the great abundance of the Father's Love which he possessed, which enabled him to realize that in this way he was the Father's real and redeemed son. He did not mean, as some churches have erroneously interpreted the remark, that he was God or equal to God; only that there was a kinship in nature between his soul and God's, which had been established by his possession of the Father's Love through prayer.

In short, we come to the real explanation of "forgiveness," which is startlingly different from the traditional conception imposed upon mortals by the churches. God does not arbitrarily forgive sin; but rather, God aids those who, truly penitent and contrite, come to Him to seek His forgiveness with the intention of mending their ways. He may therefore send the Spirit of God to strengthen the soul that seeks to avoid sin and error through his own will power or, in response to prayer, He will send His Holy Spirit to convey His Love into the soul so that His own nature and essence provide the aid in eradicating the evils with which that soul is contending.

In the same way, Jesus lays bare the sterility of the traditional concept of the "judgment day." It is not a weighing in the balance of the good and evil deeds of man during his Earth life; neither is it a vague indefinite time when the Earth shall be destroyed and men's souls tried for condemnation or resuscitation into physical life from the grave. For, as St. Paul says in Corinthians, "flesh and blood cannot inherit the Kingdom." And Mary, the Mother of Jesus, explains that the flesh of the lifeless body must return to the elements in accordance with God's law, and that therefore any writings to the effect that she ascended into heaven in the flesh is mere speculation and wishful thinking on the part of those who exalt her because of her relationship to her son. Mary states that, indeed, as a spirit filled with the Father's Love, she is an inhabitant of the Kingdom high up in the Celestial Heavens, yet not because of any relationship to Jesus, but because of her own exalted soul condition.

Eventually, declares Jesus, all souls will progress out of their condition of suffering and unhappiness and

attain to either the sixth sphere, known to the Hebrews as Paradise (for such is the condition of man possessing purity of soul whether he be in the flesh or devoid of it) or will accept the way to the Father's Love and reach the Celestial Heavens. The perfect natural man, however, must eventually reach a state of stagnation, for the time comes when he can no longer progress beyond the perfection of his human soul; but the soul possessed of the Father's Love may continue to obtain His Love throughout all eternity, for it is infinite, and the soul thus filled with the Father's essence continues to obtain more and more of it and, consequently, to progress nearer and nearer to the fountainhead of the Father's abode, with increased knowledge of things divine and gaining in happiness and joy as a Divine son of the Father.

Dr Samuels received a number of messages which follow on from the work of James Padgett over the period 1954 to 1966. He was born in Brooklyn of Russian parents on 18 May 1908, and passed into spirit at 11561 Long Beach, Nassau, New York in March 1982 at the age of 73.

JOURNEY HOME to OUR HEAVENLY PARENTS:

As we learn to grow in love and love our Mother and Father, we will progressively move through the super-universe, into the eternal spheres and then to the Isle of Paradise, our destination is to be near our Parents.

Asking for and receiving Divine Love enables us to enter and progress from the Divine Love spirit world (orange) then to the Celestial Heavens (red) then to Eternal Spheres (ruby) then Infinite & Universal (blue) then to Isles of Paradise (purple) then to the Super Grand Sphere being our ultimate home.

Pre-incarnational sphere is close to Earth as is the 1st natural love sphere.

Progression with Divine Love is to infinity.

Progression with only natural love peaks at the 6th spirit sphere.

We separate from our physical body and proceed to the 1st natural love sphere. If our soul condition is poor then we proceed to one of the 2 dark Planes of Disharmony to commence our development of love.

Note: The 1st Divine Love Sphere and the 1st Sphere of Disharmony may simply be planes within the 1st Natural Love Spirit World.

JOURNEY HOME

Our journey home is an ever growing expansion of truth being revealed to us. For Earth's humanity, as for the 37 humanities that have Rebelled, we are quarantined and isolated. Having also Defaulted, Earth's humanity is the most evil of all. Firstly, we are to understand that living through our minds is why we are addicted to untruth and control of others and nature – we are going the wrong way! We are to live feelings first and then heal our Childhood Repression and Suppression – we are to live and express our true personality, the one given to us by our Heavenly Mother and Father. Then our journey home begins!

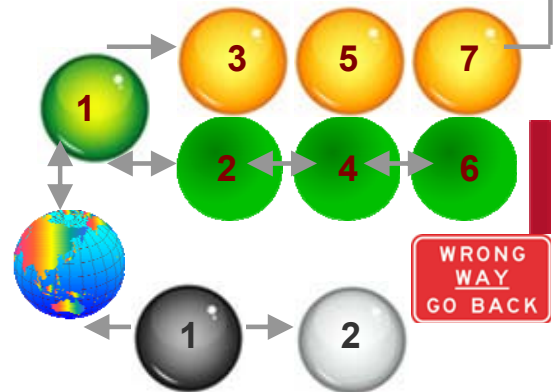

Isle of Paradise is stationary within the circle of seven super-universes. Spheres here are also for us to further grow in truth before arriving home to become Finaliters. Our Heavenly Mother and Father guide us out of our Local Universe of Nebadon, through the rest of our super-universe of Orvonton and into Havona which circulates around the Isle of Paradise, being home.

Each of the seven super-universes are constituted, approximately, as follows and with 1,000,000,000,000 inhabitable worlds:

- One super-universe is 10 major sectors
- One major sector is 100 minor sectors
- One minor sector is 100 local universes
- One local universe is 100 constellations
- One constellation is 100 systems
- One system embraces approximately 1,000 physical worlds

Our Creator Daughter and Son, Mary and Jesus, lead us through the Celestial Heavens for the system (Satania) that Earth is in, then our constellation and then out of our Local Universe. So we interact with 10,000,000 physical worlds of which 3,840,101 are with humanities. Infinite and Universal Spheres – we interact with 100 constellations. Eternal Spheres – our soul group now interacts with 1,000 worlds. Celestial Heavens – we are still to open up to other humanities. Our Avonal Daughter and Son lead us through our healing of the Rebellion and Default and into the first three Celestial Heavens and out of isolation from all other physical and spirit humanities.

Isolation from all other humanities prevails before completing our soul's healing and transitioning into the Celestial Heaven spheres 1, 2 and 3. Hell planes 1 and 2 are of Earth, those who have compensation may have this experience and might then progress up through mind Mansion Worlds 1, 2, 4 and 6 before turning around to progress through Healing Mansion Worlds 3, 5 and 7 to transition into Celestial Heaven.

NATURAL LOVE and DIVINE LOVE SPHERES and FEELING HEALING PLANES:

Divine Love progress is to infinity

Peak of 7th sphere is where one becomes at one with our Heavenly Parents.

These calibrations are an approximation utilising Dr David Hawkins' 'Map of Consciousness' table:

Natural Love peak is 1,000 on MoC

Natural Love 6th Sphere
Mansion / Mind Worlds
MoC 840 – 1,000

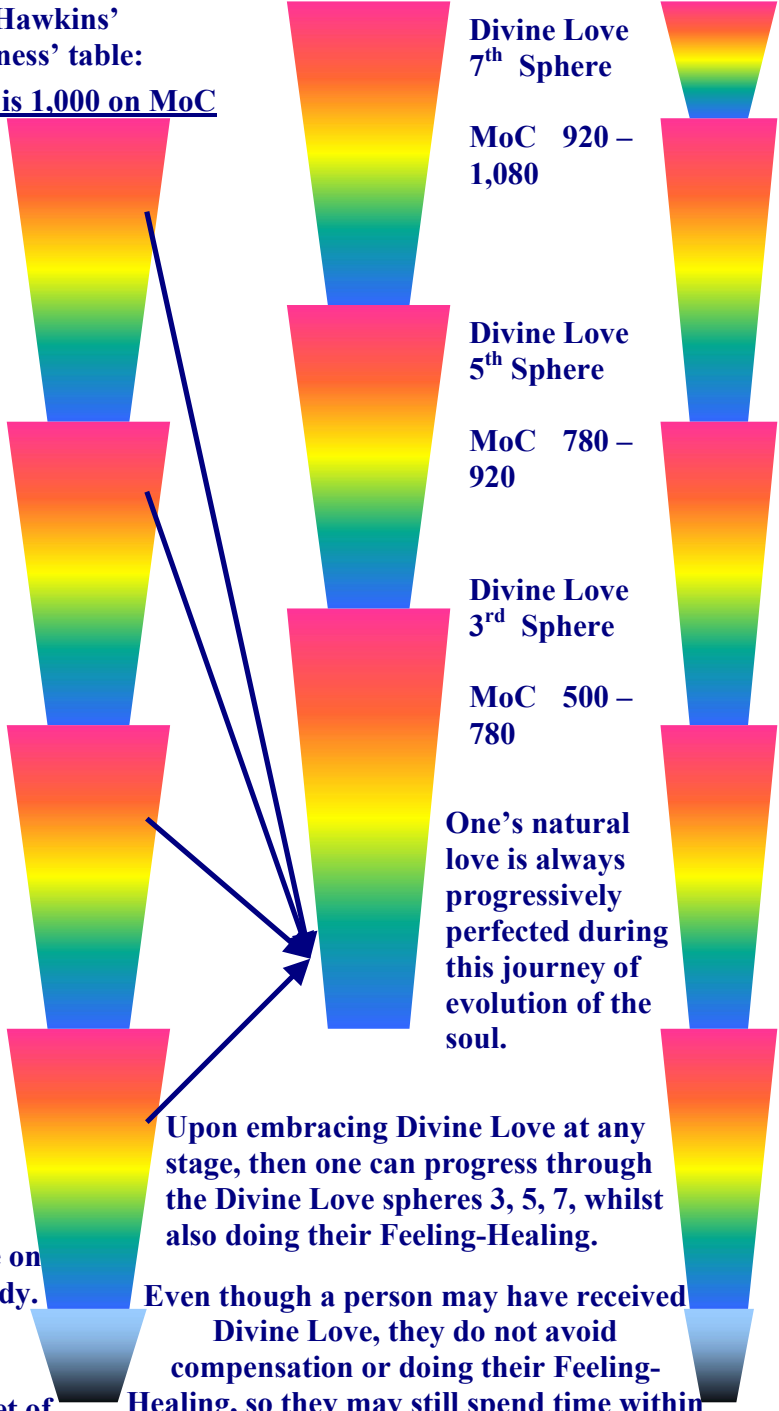

Natural Love 4th Sphere
Mansion / Mind Worlds
MoC 650 – 840

Natural Love 2nd Sphere
Mansion / Minds Worlds
MoC 500 – 650

Natural Love 1st Sphere
MoC 200 – 500

We all enter the 1st natural love sphere on the death of our body.

HELLS:
MoC 1 – 200
Hells being a sub-set of 2 Spheres of Disharmony.

Divine Love 7th Sphere
MoC 920 – 1,080

Divine Love 5th Sphere
MoC 780 – 920

Divine Love 3rd Sphere
MoC 500 – 780

One's natural love is always progressively perfected during this journey of evolution of the soul.

Natural Love sectors for those doing their Feeling-Healing, without the Love, are within the Natural Love Mansion Worlds:

Progressing through the natural love worlds, within Feeling-Healing sectors, while doing one's feeling healing, upon reaching the 6th Sphere having completed Feeling-Healing, one can then embrace the Divine Love and proceed directly to the 7th Divine Love Sphere.

Then they may prepare to enter the Celestial Heaven Spheres from there.

This pathway is when, or should, the Divine Love not be available before perfecting one's soul.

Upon embracing Divine Love at any stage, then one can progress through the Divine Love spheres 3, 5, 7, whilst also doing their Feeling-Healing.

Even though a person may have received Divine Love, they do not avoid compensation or doing their Feeling-Healing, so they may still spend time within the spheres of disharmony.

I am here, your old partner, Albert G Riddle.

I desire to write to you tonight upon a subject which I think will be interesting, but it is so late now I hesitate to do so.

Well, as you think it will be all right, I will do so. I want to write on the subject of the soul's progression as I have experienced it.

As you know, when I first came into the spirit world, I was an unbeliever in things pertaining to the soul, except that I thought that the soul, which in my then opinion was the equivalent of that part of man which survived death, would continue to exist, and progress as the mental qualities of the man should be developed. That the mind was the great and only thing in the future existence, and as the mind was developed more and more on Earth the condition of the man in his progression would be determined.

I had no conception of the soul as a distinct and independent existence from the mind, and I thought that all the qualities and attributes of the mind were those which belong to the soul, and that I had none others. And so, I say – I entered the spirit world and did not change my beliefs until a long time after I became a spirit.

But, as I continued to live in the spirit world in this belief, I found that the mental faculties and their development did not bring to me the satisfaction which I had anticipated; and also, met some of my friends of Earth, who had preceded me by long years, men of great mental acquirements. I found that their condition was not as satisfactory a nature as I had led myself to believe that they should be, for many of these friends were only in the Earth plane, and some were in darkness which was wholly contrary to what they should be if my theory of the 'allness' of the mind was true. All this caused me to think, and in thinking, I commenced to realize that there might be something wrong in my theory, and that the soul might be a distinct thing from the mind in its nature and functions.

I did not find that these intellectual friends of mine had any very great happiness nor were they satisfied with their condition, and yet they could not by the exercise of any mental progress get out of their condition of darkness. Of course they were engaged in pursuing studies of one kind or another, and such studies gave them considerable happiness and satisfaction, yet, notwithstanding all this, there was some restraining force that prevented them from going to spheres higher than they were then living in.

I found that there were higher spheres where the mind was developed to a much greater degree and where many spirits who believed in the supremacy of the mind, lived and enjoyed the pursuits of their studies. At times, some of these spirits would come to our plane and tell of the wonderful development and happiness in these higher spheres, and urge us to make the effort to progress and become inhabitants of them, and you may be assured we were willing and anxious to make such progress. But try as I would, and as my friends would, the efforts produced no visible effect and we continued in darkness.

Being of an inquisitive nature, I sought for the reason of our inability to get out of the darkness. At last I found that the mind was not everything, but the development of the moral qualities were necessary to enable us to progress as we desired, and that in order to develop these qualities, something more than the mere exercise of the mental faculties were required.

Conscience must be satisfied and our recollection of evil deeds on Earth must be gotten rid of, and our qualities of soul which determined our position and condition in the spirit world must be so adjusted to the demands of the laws of harmony, so that we could be able to advance in our progress to that place which such adjustment would entitle us to occupy.

I further found that the darkness in which we lived was not created by any defective condition of the mind, for many spirits whose minds were highly cultivated and possessed of unusual knowledge were in just as much darkness as were many spirits of very meagre mentality and information.

All this knowledge came to me and caused me to seek a way to improve my moral nature and to get rid of the recollections of those things which tainted and darkened such nature, and I sought very diligently, but it was slow work and the efforts required were great.

But some progress was made, and if I had continued long enough and used my will powers in urging the cultivation of kind thoughts, and love for the truth and affection, etc., I would undoubtedly have progressed from darkness. This had been the experience of many spirits who believed as I did, that the mind was the thing, and depended upon their own will and exertions to bring the desired results.

But while in this condition of struggle and slow progress, I would occasionally meet spirits who seemed to be of a higher order and more beautiful than was I, and naturally I wondered what the cause was, although, strange as it may seem to you, I never made the inquiry until one day I met some of our folks who had this beautiful appearance, and seemed to be so perfectly happy.

Naturally in our conversation, I asked them the cause of their happiness, and when they told me I was so surprised that I gave very little credence to what they said, because what they told me was so similar to what I had heard on Earth in the orthodox churches. I supposed that these friends had brought with them their old orthodox faiths and emotions, and were deceiving themselves as to the cause of their appearances, and that the probable cause was that they were more moral than I, when on Earth, and hence, their recollections of Earthly sins were less and conscience was not so severe on them, and therefore they had gotten out of their darkness into light with the resultant appearance of beauty and happiness. I would not at first accept their explanations of the cause of their conditions, and continued for sometime longer in the effort to improve my moral condition and advance in my mental acquirements.

But there was one other thing, I noticed, and that is that while these beautiful friends had not the mental development, apparently, that some other spirits who had progressed out of the darkness into the higher spheres of light, yet the beauty, and seeming happiness of these friends were so much greater and of a different nature from the happiness and appearance of those more highly mentally developed spirits.

And again, I thought and concluded that even moral and mental development could not explain the cause of the difference between the appearances and happiness of these friends and those of these more

mentally developed spirits; so I again determined to seek the cause and, as a consequence, I sought these friends with the intention and desire to listen more seriously to what they might tell me, and to open my mind to the secret as it was to me.

Well, I listened to them and they told me that their progress and condition was caused by the soul development which they had received in seeking for and obtaining the Divine Love of the Father. That the soul is the great and important part of being spirits. That the condition of the soul development determines the position and appearance and happiness of the spirit, – that the spirit body and mind are both subordinate to the soul, and whenever the mind submits to the control of the soul, and the will of the mind, as you may say, to the will of the soul, that then the progress to the highest sphere will commence, and the spirit who is thus progressing will show the state of his advancement by the appearance of his beauty and happiness.

They further explained to me the nature and power of the Divine Love and its great developing potentialities and the absolute necessity of its entering into and possessing the soul, in order for it to make its greatest progress. That as this Divine Love became more and more a part of the soul's possessions, the soul took on itself the Divine Nature of the Father, and all these things which had a lodgement therein, and which tended to make it dark and sinful disappeared, and as these things disappeared, the soul mounted to higher spheres, and became happier and more beautiful, and the spiritual body correspondingly manifested this happiness and beauty.

All these things and many more these friends told me, and urged me to seek for the Divine Love of the Father and offered in every way to help me. At first I could not understand what seeking this Divine Love meant, but they took great pains to instruct me, and told me that only through prayer and faith would it come to me. That while this Love was waiting to fill the soul of every spirit and anxious to do so, yet only by earnest, sincere, seeking would It enter the soul and fill it with Its Great Essence.

At last they persuaded me to pray to the Father and then prayed with me, but it was hard to have faith in that which my mind did not understand and could not grasp. But they said, the soul has its faculties and is not dependent upon the mind for this faith, and upon my exercising these soul faculties would depend the question of my receiving this love and this faith, for as love came, faith would come also, which faith was not a mere mental belief, but something greater and different.

Well, I continued to pray for this love, and after awhile, I felt a sensation which I had never felt before, within my soul, and as I prayed this feeling increased, and faith in a small degree came to me, and I realized that there was a love possessing me that was never with me before. I continued thus to seek and pray until at last, this Great Love came to me in great abundance, flooding as it were, my whole soul, and happiness unspeakable came to me and, as these friends said, light and beauty also.

Well you can imagine that my longings and desires became insatiable – the darkness disappeared – my recollections of the evils of my life became fainter and fainter and suddenly I found myself in the third sphere, which then appeared to me to be the very heaven of heavens and the very fountainhead of beauty and happiness.

Now during all this time, and it was not accomplished in a day, I gave no attention to the development of my mind, or to the acquiring of knowledge of the material things, as I might say, of the spirit world, but

when I found myself in the beautiful sphere that I have mentioned, it seemed to me that my mental faculties had expanded beyond all possibilities of belief and knowledge of things that I had never before heard or conceived of; came to me with wonderful clearness.

But the soul and not the mind was the thing! And Love – this Divine Love of the Father – made happiness mine and everything beautiful and satisfying. He who seeks only the development of the mind, and lets the soul slumber is poor indeed; but he who seeks the development of the soul finds that as his soul develops his mind does also, and rich he is beyond compare.

Well, I continued in this soul development, and in the increased happiness and the attainment of great brightness, and more than all the possessions of this Great Love, until I passed through the fifth sphere, where everything was much more beautiful, and Love so more abundant than in the third sphere, and entered the seventh sphere where I now am. I will not attempt to tell you the glories of this sphere, for I feel that words are inadequate to do so. Then in a faint, unsatisfying way, have I attempted to rehearse to you the soul's development, and the wholly sufficient thing that it is.

And my advice to all mortals, based on my own personal experience, is to seek with all their might and earnest efforts the development of the soul, and that of the mind will follow. This they can commence while yet on Earth, and they will find that progress after they have crossed the border line will be much more rapid and easier.

Well, it is late and I have written long enough. But I wanted so much to write to you tonight upon this subject of the soul development as I see its vital importance to the future happiness of man and to his immortality.

So with all my love and blessings, I am

Your brother in Christ, Albert G Riddle

1st sphere, lower regions – Natural Love MoC 50+/-
The soul condition of a soul that is obliged to spend some time within the ‘hells’ may be no bigger than a dried garden pea. There is no luminosity and the environment is total darkness.

The typical soul condition of humanity is such that they generate the luminosity of a single candle.

1st sphere, mid regions – Natural Love MoC 210

A soul that has grown in love and soul condition equivalent to the 8th sphere – the point of becoming at one with God, the luminosity of such a soul is equivalent to the midday sun.

God's Forgiveness.

<http://new-birth.net/contemporary-messages/messages-sorted-year/messages-2010/gods-forgiveness-fab-25-dec-2010/> December 25th, 2010 Berkeley, California Received by FAB

I am here, Jesus.

You seek clarification. I [said through Mr. Padgett](#), "As for the healing act which I performed at the pool of Bethsaida, I am reported to have said, 'Is it easier to say, "take up thy bed and walk," than for God to forgive your sin?" Well, that is the way it was recorded, but that is not what I said. Actually I said, "That thou may know that the son of man through the Power of God can forgive sin, I say unto you, take up thy bed and walk."

The impression you have is that I was saying literally that I could forgive sin. But then I go on to say, "It was only as God's instrument in showing man the Way to his Divine Love that I could bring about forgiveness of sin, and not by any power of my own. If God did not forgive, I could not, and neither can any man." So what I was saying was that I was merely used by God, and that it is God and God alone who Forgives sin.

Now let me address your other concern. Certainly, mortals can forgive the sins that others inflict on them. This is necessary on the spiritual path. This is forgiveness of the effect of that sin. But it is only God who Can Forgive, and therefore Erase, the sin itself.

Note: At the time when Jesus of Nazareth commenced his public ministry, he had progressed in soul development to being at one with God. That is, his soul condition was such that he was in the state of being in continuous communion with the Father, that state is achieved upon progressing through to the equivalent of being a Celestial Spirit and having reached the equivalent of the 8th sphere and be residing within the Celestial Heavens which is considered to be the state of the angels. Jesus continued his soul development throughout his ministry. Becoming at one with the Creator is also the state of becoming Christed.

Feelings first

LOVE ASSOCIATED WITH ONE'S PROJECTED THOUGHTS:

- A. Our soul is connected to our spirit body which is the template for the physical body.
- B. Every time when one prays to God from within the intellect, their prayer rises no higher than one's head. It does not go any higher because one's heart is not involved. Mindlessly repeating prayers learnt by rote is almost pointless.
- C. Projecting your rage impacts on those around you and into the spheres of disharmony, however now your heart is involved! Causing harm to others brings about consequences.
- D. Focused intention and desire for earthly creations is generally assisted by intellectually and loving spirit personalities from within the lower Spirit World Spheres, 1 and 2.
- E. An earnest longing and desire to receive our Heavenly Parents' Divine Love projects into the Celestial Heavens and brings about an immediate infusion of the Mother and Father's Love into one's soul, delivered through the instrument, the Holy Spirit, of our Creator.
- Thus, one's level of feeling, earnestness, longing and love associated with prayers, meditation and desires is relative to the success of one's communications. Our thoughts project at a speed in excess of that of light and they are received into the spirit world or worlds at a level relative to the subject matter being focused upon. At all times, love focused communications will rise to the higher spheres.

St. Peter on forgiveness of sin.

<http://new-birth.net/padgetts-messages/true-gospel-revealed-anew-by-jesus-volume-2/st-peter-on-forgiveness-of-sin-vol-2-pg153/>

November 29th, 1918 Received by James Padgett. Washington D.C.

Let me write a few lines for I am very anxious to write you in reference to a truth which obtains in our spirit world, and with which you may not be acquainted.

As you may not know there is in our world a law which makes the soul of one who has not yet been purified suffer the penalties for the acts of sin and evil of which he may have been guilty during his Earth life; and there is no forgiveness of these acts in the sense that forgiveness is taught by the theologians and churches, but the only forgiveness is the cessation of recollection of these acts so that they become as though they had never been; and, as the soul becomes naturally pure and in harmony with the laws of its creation, it then comes into its natural condition, and then, and then only, forgiveness takes place.

God does not forgive by the mere act of pronouncing forgiveness or by any arbitrary and sudden blotting out of sins, and thereby removing the condition which creates the inharmony; and so you will understand, that He cannot forgive sin in this way, neither can the popes, priests, teachers or churches, and the pronouncing of forgiveness by these men constitutes a deception of and an injury to the persons who pray and ask for forgiveness, and for such deception these men will have to answer when they come to the spirit world and realize the truth of forgiveness and the great deception that they had practiced upon those who were their followers and believers in these false doctrines. Many spirits are now living and suffering in darkness in their purgatories just because of their beliefs, and the results thereof, in these misleading teachings.

There is no forgiveness until man makes the effort by struggling and succeeding in getting rid of these recollections; and such riddance can be obtained only by men realizing the fact that sin is only the effect of their having done those things, and thought those thoughts which are out of harmony with the will of God and the laws governing the creation of man.

There can be no sinning of the physical body or of the spirit body, but only of the soul caused by the exercise of the will in a manner antagonistic to the will of the Father. The body, of course, is affected by these inharmonious thoughts and impelling directions of the will, and is caused thereby to commit the act which is the external demonstrator of the inharmonious exercise of the will; and as God leaves to

man the freedom of exercising his will, as such will may be influenced by the thoughts, desires and affections of his appetites and lusts, so God leaves to man the application of the remedies that will free the soul from such influence and effects as are caused by this exercise of the will; and only when these thoughts and appetites and lusts become eliminated from his soul and desires, does the soul come into its natural condition and in harmony with the will of God.

Man, himself, must be the actor and the initiating force to bring about these changes in his will, and no assurances of forgiveness by popes, priests or churches can eradicate these contaminating influences, or remove that which is the cause of the sin or the effect of the cause. You must see that there can be no relationship between the assurance of forgiveness and the sin or the cause thereof.

Prayer to the Father for forgiveness or supplication to priests and church is supposed to effectuate the objects sought, but this belief is erroneous and does not bring the relief prayed for; yet prayer is a very important element in forgiveness, and while the Father does not, and the priests and church cannot, forgive sin in the manner mentioned, yet true, sincere prayer to the Father for forgiveness will bring its answer, and affect, not the sin, but the soul and state of men, so that their will and appetites and desires may be influenced in such a way that they will receive and realize the fact of a wonderful help in changing these appetites and desires, and in turning their thoughts to those things that will enable them to remove from their recollections the acts and thoughts, which are the causes of the existence of their souls in a state of sin.

If men would only realize these truths, and, when they desire the forgiveness of their sins, pray to the Father for help in turning away from these thoughts and in exercising their will in accord with His will and not expect any arbitrary forgiveness or removal of their sins, they would find themselves on the way to this forgetfulness and the true forgiveness.

Well, I desired to write this short message and am pleased that I could do so. Thanking you, I will say, good night.

Peter (Apostle)

The GOLDEN AGE!

Cause No Harm < to OTHERS
to MYSELF

Strive to love others as I am to love myself

At any time, any where, and in any way you so please:

Approach our Heavenly Parents, in reverence, without fear or trepidation, just as we, as a child, approach our earthly parents knowing that open loving arms are extended to receive us at all times. As one's love grows for our Mother and Father in the Heavens, we come to know with absolute clarity and certainty that our Heavenly Parents, loves you and me and everyone in return, at all times, and that fear is an illusion created by man's mind.

God, who is our Heavenly Mother and Father, is almighty, all powerful, infinite, and all loving. The love of the Heavenly Parents for Their children, man, has been and is always infinite and ever present. As one's faith evolves, one's love for our Heavenly Parents will have no limit. As we grow in Their love, so will we grow in love for all of God's creations and our fellow man.

The Source Soul, our Heavenly Parents, simply desires for us to ask for Their Love.

God's Divine Love: Pray for it, ask for it, and receive it.

"I love you Father." "Let the Divine Love flow its energy into my soul."

"Mother, Father, I desire your Love and I am loving you."

"Soul God, I love you and I love receiving and experiencing your Divine Love."

"True Soul God, I am here, I am aware of your Love.

Please hear my aspiration for your Love and as I approach you from my soul, I can feel your Love in the way that you are loving my soul."

"Please Father and Mother, may I receive Your LOVE."

Maybe we could simply long for and ask:

Please, Mother and Father, I want some more of your Love!

The BEAUTIFUL MIRACLE:

5 Oct 2012

The DIVINE UNIVERSE

The way in which the Spirit conveys the Divine Love into the soul is a beautiful miracle. The attribute of mortal soul prior to incarnation has to it, a potential within it that is part of its formed nature. After the soul incarnates this potential remains part of the soul and even if the forming personality is unaware of such a soul potential, the potential still exists. The Divine Love is entirely suitable in its energy of harmony to be the energy that a mortal soul can utilise. The Spirit covers the spirit body when the individual sincerely asks the Soul of God for the Divine Love and this covering of the spirit body is where the dynamic of this beautiful miracle takes place. From the internal longing of the individual for the Divine Love this activates the Spirit Law that activates the Spirit that is then attracted to the spirit body upon which the Spirit material of the spirit body draws the Divine Love in to its soul and this union complete. The key here is to gain a perceptive insight into realising that the spirit body is not an inert body but that it is living and has activity, recognisable from its first forming from the Spirit Law that materialises a spirit body. The Spirit and the spirit body to give an analogy are like two attracting magnets and when the surface of the spirit body is touched by the Spirit, this causes the automatic response of the Divine Love to permeate into the attribute of soul and so begins the transformation of energy from the natural into the Immortal Divine Harmony. If the individual continues the receipt of Divine Love the energy that is Divine Love actively begins to change the soul and this is felt in the spirit body systems and can produce feelings of love and elation. The spirit-mind begins to change as all spirit body systems are affected by the changed condition now experienced in the soul as the soul becomes living and vital. In one's progression of this Divine transformation, the soul will mature enough from the amount of Divine energy it receives and at that moment the surface of the spirit body and the Spirit are continuously attracted to each other and one is living in the presence of the Father in perfect harmony and this clarifies the truth about what it means to be truly at-one with God.

Imagine if you were to become aware that this energetic field of light-blue Energy existed in its shining radiance just near where you are. Now that you are aware that this unbroken Divine Love is unified energetic field of living Love, by opening toward the Soul of God and aspiring for the Divine Love, the Acting Spirit gently brings a small portion of this shining blue Energy into your soul

The Divine Love that you have received remains part of this great Energy that the Divine Love is and even though this small portion of Divine Love, now within your soul, in its shining radiance and energetic cause, it is never separated from the continuous energetic field of Energy that the Divine Love is. Having partaken of this Energy it is with perception that one is aware that the Divine Love within one's soul is the same Divine Love that every person and spirit who has partaken of this Love, participates with. Even though in our individuality we partake of this Divine Energy, this Love is never broken away from the Source and Origin from which this Divine Love emanates.

The Divine Love is bestowed into our finite soul by the Acting Spirit, but this Spirit remains in contact with our spirit body and does not enter the finite soul to become part of our finite soul essence that we are. No mortal or Immortal spirit can manifest in their soul the Acting Spirit so that this Spirit – this Holy Spirit – becomes part of our existing finite spirit body. Only the Divine Love and its Energy becomes part of our finite soul, which causes the change to our spirit body. The Acting Spirit always remains its own attribute and never does a Celestial spirit claim ownership or take possession of the Acting Spirit within their soul. (The Holy Spirit / Acting Spirit is an instrument of the Source Soul, our Father.)

This is one of the wonderful Truths by which we who have been transformed by the Divine Love understand our personal relationship with the Father's ever-present Acting Spirit. The shining Energy of Divine Love is all around us and when we have partaken of this Love, part of our finite nature becomes independently shining in this true perfect Love.

I provide these words that may appeal to those who are visual and to express the universal appearance of the Divine Love and the personal touch when in contact with the Acting Spirit.

Matthew (Apostle)

Whilst we are receiving our Heavenly Parents' Divine Love, and that this Love is causing change within our soul and spirit attributes, the greatest Truth known to man and spirit is that this is the way our Mother and Father are actually loving us! When we progress, it is God's way of loving us into love and then we live what we are, love.

Judas – The greatest sin is against the Holy Spirit that conveys the Divine Love into the soul.

<http://new-birth.net/padgetts-messages/true-gospel-revealed-anew-by-jesus-volume-2/judas-the-greatest-sin-is-against-the-holy-spirit-vol-2-pg243/>

October 21st, 1916. Received by James Padgett. Washington D.C.

I am here, Judas.

I come tonight to write a short message for I have been interested in what you and your friends have said regarding "the greatest sin." Now, to me, for a long time, the greatest sin in all the universe of God was my sin in betraying Jesus to the Jews, and it was a real, living, blasting sin, and so enormous that I could not endure my life, and face the recollection of that awful tragedy; but since I have been forgiven of that sin and become a redeemed child of the Father and an inhabitant of the Celestial Heavens and a possessor of immortality, I realize and know that my sin was not the greatest, even though I suffered for long years after I became a spirit.

As sin may be committed by neglect as well as by affirmative action, and my betraying the beloved Master was a heinous one, but yet, even in my case, and as applicable to me, my greater sin was not seeking for the Divine Love of the Father. We were not ignorant of this, for the Master had taught us that this Love was open to and waiting for us to seek and obtain, and I had not sought for it in the right way, and of course had not obtained it; and in such neglect I was not the only one of the disciples that was guilty of that sin.

No, even we who had been with the Master for so long a time did not fully understand the importance of obtaining this Great Love, as we were more interested in his establishing his kingdom on Earth and, as we thought, a material kingdom, to be controlled by spiritual powers manifested in him, and in us as his disciples. And the material, in our minds, was of more importance than the spiritual, and our expectations were that this great power would come, and that the Master would become our king.

As I say, he had taught us that this Divine Love was open to us, and that by prayer and earnest seeking we could receive it, but to us there were so many important things to be done, connected, as I say, more immediately with our Earth lives, that we neglected the Great Gift that was ours for its seeking, and as a consequence, in my case, I had to suffer for a long time before I awakened to the fact, that it was not too late, even for me, to receive it. My sin of betrayal had been forgiven me in that I realized that the recollections of it were leaving me and that I was progressing in the way of purifying my soul in its natural love, and that as the spirit of the onetime murderer, I was coming into happiness and light.

And then I had memories of what the Master had said to me about this Great Love, and after awhile I had sufficient awakening to cause me to make the effort to obtain this Love, and as that awakening came to me, my old-time associates, who had progressed to the higher spheres came to me, and in their great beauty and transcendent love, helped me to progress and to pray, until at last this Love came to me, and I realized that not only had my sin of murder been wholly forgiven, but that the greater sin of rejecting and neglecting to seek for the Divine Love had also been forgiven me. The sin of the murderer or of any violator of God's laws, other than that of rejecting the inflowing of this Love, may and will be forgiven a man and he will become pure and happy in his natural love, but such forgiveness will not make him an inhabitant of the Divine Heavens or an inheritor of immortality, while the forgiveness of the sin of

rejecting the Holy Spirit, will not only take away from him the recollections and taints of all other sins, but will open up to him the very portals of the Celestial Heavens and give him a home in the Father's kingdom.

And thus, you see, every sin except that of sinning against the Holy Spirit, may be forgiven a man, with the result that he will become the perfect man, but the forgiveness of all these sins many times over, if it could so happen, would not make him the Divine Angel.

And I need not explain to you, for you can readily see from what I have written, that the greatest sin in all the world is the sin against the Holy Spirit – the sin of neglecting or refusing to let the Holy Spirit bring in and to the soul of man the Great Divine Love of the Father. And not only is this sin the greatest because of the results that flow from it, but because it will continue to be the unpardonable sin so long as man refuses to permit its forgiveness.

When the sin of murder and such kindred sins are committed, the sin then ends and only its consequences must be suffered and the penalty paid; but the sin against the Holy Spirit is a continuing sin, committed every day and hour and minute and never having an end until the mortal seeks and receives the inflowing of this Divine Love. As has been written you many times, yes, the large majority of men and spirits will continue forever and ever to commit this sin, and in the effects to follow, to them, it will become and is the unpardonable sin.

As we are much interested in you, and have determined that you shall not go astray to these Divine truths, my brother spirits of the Celestial Spheres, thought it fitting, as the world considers that I committed the greatest sin in all the history of the world, that I should write you on this subject, and explain that the greatest sin in all the world is the sin against the Holy Ghost. We all know this, and while I write, you must believe, for it is true, that all of us and the Master too, declare that the sin I name is the greatest sin.

And now to be a little more personal, for your gratification and comfort, I desire to tell you, that you three will not be found guilty of having committed this great sin, for you have in your hearts and souls much of this Divine Love, and the Holy Spirit is with you quite often in answer to your prayers, and in answer to ours also, for we all pray for you, causing this Love of the Father to possess your souls, even as the leaven wrought in the batch of dough.

I have written longer than I expected and will now stop. But be assured that you have our love and the blessings of the Father.

Your brother in Christ,

Judas

Our Heavenly Parents simply desires for us to ask for Their Love.

**DIVINE LOVE does not TRANSFORM one's SOUL
FEELING HEALING is what TRANSFORMS one's SOUL**

Divine Love does not even begin the real work of transforming one's soul, for those who focus upon receiving Divine Love to the exclusion of embracing one's Feeling Healing, they are just expanding their mind's control over themselves. Should this be one's passion, then upon passing into the spirit Mansion Worlds they will find that they can continue along this path all from within the Divine Love followers segment within the first natural love Mansion World! Yes, only from within the first natural love Mansion World.

Most of humanity on Earth are not wanting to face the very truth their feelings are making them feel every day of their life. So if they want to keep living in the spirit Mansion Worlds as they did on Earth, in complete denial of their feelings and the truth they are to shown about their wrongness, they can.

However, for those who have embraced Divine Love and begin to engage in their Feeling Healing process to begin the transformation of their soul, they will be able to sense the Divine Love already within their soul 'driving them on'. One's understanding and adjusting will be changing rapidly to that of embracing all about the Healing and doing it – all being supported by the Divine Love that one may have received previously. All one may have done with the Divine Love may make their introduction into their real Healing, by using their feelings, much easier than it is for other spirits from the mind worlds who are at the same time having to wrestle with many of their old religious beliefs or mental programming, having to take on a whole new mind-set which one could see would take some of them years, whereas for someone who has been longing for and receiving Divine Love for some time it may be only a matter of weeks. This also applies to those living in the physical.

It is the Feeling Healing process that transforms one's soul towards perfection, towards the ability to fully express one's true personality as given to us by our Heavenly Parents, it is the Divine Love that then fits that transformed soul to be able to enter the Celestial Heavens.

Forgiveness and Forgetfulness.

<http://new-birth.net/contemporary-messages/messages-sorted-year/messages-2001/forgiveness-and-forgetfulness-hr-6-nov-2001/>

Received by H. Cuenca, Ecuador

November 6th, 2001

Forgiveness is forgetfulness. This is a great Truth. You have read it time and time again in the Padgett Messages and in later communications by Celestial spirits. But what does this mean?

We speak of forgetfulness, and then along come some spirits, such as Herod, Caligula, and myself, and tell of their evil deeds with a living memory, remembering everything. And in addition, they are Celestial spirits, who supposedly already have forgotten their sins they committed on Earth. But obviously this is not the case. They remember everything, they say that they have been forgiven, implying that they have forgotten all those things, and yet they remember everything, even better than mortals do.

I know that you have drawn your own conclusions, nevertheless I would like to deliver this message, because lately you have thought a lot about this subject, and besides it is worthwhile explaining it thoroughly, as the subject of expiation and pardon is a central theme in the Master's teachings.

When people die, they lose their physical body, but their mind stays intact. You know this already. Even more so, the spirit's mind is keener, totally awake, and there is no forgetfulness as on Earth. It is good to [remember what Luke wrote](#):

"Men may create, but they cannot destroy — I refer now to their actions and their thoughts. While on Earth they may forget and ease their consciences by forgetting, yet, when they come to the spirit world, and are called to render an account, the inexorable laws that are really their judges and executioners show them that there is no such thing as forgetting — and has been said, they have forgotten to forget."

Very well, now we know that what is repressed comes to light.

It has also been said that these recollections are the cause of the spirit's suffering. This is true. But this is not necessarily so right from the beginning. As we have said, physical death doesn't automatically mean a change in the mental state of the spirit. For example, murderers who don't feel any regret on Earth, or are even convinced they had acted correctly, will not show any regret immediately after their entrance into the spirit world. They will continue with the same attitudes and with identical values as on Earth.

They will perceive their unpleasant experience in hell as an injustice, and they will suffer, but not because of their recollections, but because they are still convinced of having done what was right, or they simply don't care.

But suffering and the long period of reflection leads them to eventually understand, and it is then that the change in their values associate negative emotions to their recollections, and only then does it happen that their recollections hurt, adding even more pain to their sad situation. And this is also the moment

when, in fact, atonement starts. Have you not considered that pain and distress are what we feel when our awareness is keenest? Pleasure and delight are what we feel as we approach unconsciousness! This is something to think about, my little analyst.

Man creates, and thoughts are creations. They never get lost. I could tell you that all humanity's thoughts are accessible to everybody. There is a pool of thoughts. You can also imagine that spirits have access to the thoughts – and memories – of other spirits. This is why you cannot disguise anything here. And the thoughts and memories of each spirit carry the emotional content of the respective spirit. I like to call this phase, when the negative emotional content appears to the spirit, or to the mortal, the phase of conscientiousness. In the great majority of cases this phase starts on Earth. And in the great majority of cases, on Earth they suffer as a result of their bad conscience, and that means that these people are in full atonement process, which may be accomplished on Earth, totally or in part.

People who commit evil deeds with a smile on their face obviously don't suffer from their conscience. They don't have any. Their underdeveloped soul condition doesn't allow it. But they will wake up in the spirit world. And it will be an awful awakening. Well, nobody escapes.

During the atonement process there comes a time when the negative emotions become detached from the memories. These recollections, our recollections, will be like the recollections of anybody else we may read about, mere data, dates, files without emotional value. This is called forgetfulness. The recollection remains, but the style of the recollection changes.

You have also read [in the Padgett messages](#):

“Of course, the time will come when we may have no recollection or memory of each other and our love become a misty dream, but as long as he continues on Earth he will remain the child of my care and love.”

This phrase has always intrigued you. Yes, that moment will come, and for many it has already come, for example for the Celestial spirits. But it is much the same principle. Of course, spirits will always remember their parents, their children, their beloved ones in general. But the character of the recollection changes. If they love their dear ones, but don't feel much for others, they will love all the others just as they love their dear ones. All mankind, in the spirit or in the flesh, will be their dear ones. The emotional value of love towards their beloved ones will not diminish, but the emotional value towards others increases. The recollection of love for their children will be misty, because now they will love the whole world; they love their children and all others with a love even greater than before. I think you understand. What gets lost is the exclusivity of that relationship, giving way to a universal relationship of love.

Very well. Now you wonder: What good is praying for forgiveness to the Father, if everything is subject to the enforcement of laws, the operation of which the Father does not interfere with? You know that Divine Love is another form of achieving redemption, but prayer for forgiveness and prayer for Divine Love are two different things. One may pray for one thing without asking for the other one. This is true.

Yesterday you meditated on this problem. And you came to the following conclusion: This prayer for forgiveness does not bring forgiveness, but manifests an appropriate developmental condition in the spirit or in the mortal. Firstly, he is in the phase of conscientiousness, secondly, he recognizes his dependency on God, and thirdly, by exhibiting his vulnerability he passes through the most difficult phase, that of asking for help. And this is a most important attitude, as it reflects a certain maturity in the spirit or mortal. When one comes to pray for forgiveness, praying seriously and with honest repentance, one is already one step from forgiveness.

Well said. I could add that it is always good to pray, for the reasons you already know. But I want to tell you that things go a little deeper. Imagine someone driving drunk. He causes an accident, killing some people, or injuring them severely. Perhaps they lose their legs, perhaps they will be paraplegic. If the intoxicated driver has just a spark of soul development he will feel really very bad. His repentance will make hell of his life. And when the victims, should they survive, or their relatives, tell him “we forgive you”, do you believe that the matter is settled? No, Sir! It is not so easy. It is necessary to forgive oneself, and this is the most difficult part. Oh my God! This is really difficult. I know this, and you know this. And it is then when prayer for forgiveness comes into it. God, with His loving influence, is always prepared to help us. And He does so. He achieves what we try so often in vain to achieve: the peace in our souls.

I think that with this it is now quite clear what “forgetfulness” means. But I want to add one more thing.

Helen Padgett [once wrote to her husband](#):

“So, my dear Ned, do not let the idea that you must render to every man that which you think he may be entitled, to keep you from believing in the mercy and Love of the (Mother and) Father.”

Yes, my brother. God and his Laws determine forgiveness, not men. And I tell you all the same: Never allow your errors of the past to be like a ballast in your progression towards God.

Each mistake, each sin, bears consequences, bringing suffering and pain. But you must learn, after all, to forgive yourselves. Logically, it is not only about forgiving yourselves. It is necessary to change your attitude, and you must rectify this. But considering that this has already been done, at least there are the good intentions. Although there will be many setbacks, because man is not perfect, the past should not be an impediment. You must live in the present, learning from the past.

The wise Viktor Frankl said:

“Live as if you were living a second time, and as though you had acted wrongly the first time.”

So then, consider the change in your attitude as your second time. Your quest for God’s Love is your second life. Learn from your errors in the past without staying entangled in the net of self-pity or feelings of guilt.

The past is what the word says: It has already happened. The Law of Compensation acts upon your present condition, upon how you are now, and not upon how you were five years ago. Your condition certainly has changed. So recognize it.

And with this I will say good-bye. It has been a long message again. But it has been an urgent one, because I see that many of you drag a heavy weight from their past. Let it go, and have a little bit more self-love.

I am your brother in the spirit and your servant,

Judas of Keriioth

Judas of Keriioth

“Now, when I am about to leave you, I want to tell you that I like the portrait you made of me very much. I was a little bit thinner, but it is a good image. Thank you. You have also received a vision of Andrew. Perhaps you may one day paint a gallery of all the apostles' portraits? It would surely be very attractive.”

Cause No Harm

The LOVE that brings about FORGIVENESS:

This Divine Love, and by this I mean the only way through which salvation can be obtained, can enter and fill the soul through the sincere longing of the soul to assuage the thirst for at-onement with the Father through prayer.
Revelation 17 – November 12th, 1960

The only way for man to achieve forgiveness of sins is through the obtaining of the Divine Love or through purification of the natural love, a long and tedious process that fits the individual soul for a place in the Sixth Sphere.
Revelation 50 – October 18th, 1954

Divine Love fits a personality to enter the Celestial Heavens, way above the 6th Sphere. Without this Love, man cannot enter the Heavens. It is this Divine Love that brings about immortality for man.

**INDWELLING SPIRIT, THOUGHT ADJUSTER,
MYSTERY MONITOR (all being the same):**

The external elements, instruments of the Father, do not form attributes of our own soul upon its initial creation by our Heavenly Parents, these are the Spirit of Truth, the Indwelling Spirit, and Divine Love.

The Holy Spirit, conveys Divine Love to your soul should you earnestly and lovingly ask for it. This is the only function of the Holy Spirit – Acting Spirit.

The Indwelling Spirit becomes present when we are around the age of six. This means that the unseen helper of the Father and Mother – the Indwelling Spirit – can always interact with the mortal soul and to be of service so that eventually the leadings from the Spirit may be the catalyst for that soul to seek our Parents.

The Indwelling Spirit reveals intrinsic workings of Father and Mother to your soul.

The Indwelling Spirit functions in much the same way as the Holy Spirit, ask and it will provide support and guidance.

The Indwelling Spirit / Thought Adjuster only works with us on the mind, feeling and psychic levels directly with our personality on conscious and unconscious levels of reality. It is the Divine Minister with hands-on help from our attending angels that do the actual adjusting of our mind circuits – of all our circuits, even the physical if need be.

Spirit of Truth becomes active more so when you connect to the Source Soul and commence receiving Divine Love.

You are a spirit person having a physical experience. Your physical body is encased within your spirit body.

The spirit body only exists because our soul wants it to. In the fullness of love, even all our encrustments and wrongness is not actually bad, they are just the nether side of love.

So evil is literally a state of mind, and once you heal it you even feel love for your wrongness and even no longer hate it – that being full self-acceptance. But you can't contrive these feelings or level of awareness, it has to come of itself and will through the higher levels of your Healing.

DIVINE LOVE HARMONY:

Immortal harmony:

Transformation of the soul is a beautiful harmonious gradual awakening.

In a gradual way with the Divine Love and Feeling Healing, as changes in the soul and spirit body occur, these changes will result in the personality slowly accepting the source of these changes as being the Soul God and with the independent will, one can have complete acceptance of our Heavenly Parents, Mother and Father, God.

People have loved God and felt loved by God and they have in deed received the Divine Love without ever knowing the truthful identity of this Love insofar as the truths relating with its causality in the human soul and affect upon the spirit-mind.

Part of the nature of the Divine Love in our souls is that it activates our spirit body systems and soul so that the nature of God is seen and experienced in the living and this places us in touch with the many Spirit attributes that extend from God and have their existence in God, such as our Indwelling Spirit. God no longer remains inactive to us; inert, inanimate, or an unknown but rather a Soul of living energy whose energy in the harmonies of Love and Spirit, is personified as love that we experience. If I can convey the essence about the nature of Divine Love it is that in its energy, exists the harmony and potential so that one can see the potential that this Love brings to bridge the gap of separation between the individual and God by the harmonies of soulfully living.

The Divine Love completes the form of the human being.

In essence, one need only direct their soul and the heart of their soul to our Heavenly Parents, the Soul being God, and in this faith one can experience the Love by humbly asking for this Love. This is all that is needed and the touchstone upon the Love's approachable nature.

The Love is never harmful or given by God that results in a caused effect of disharmony in the individual. The diversity of human individuality is a great characteristic of human nature and as with experience, one needs experience to ascertain a truth about a certain thing. Experiencing the Love provides a substantiated knowing from which a more objective reasoning follows and a maturity happens.

GROWTH and PROSPERITY of HUMANITY:

Should you consider at the contents of the ‘Cleansing the Soul’ diagram that follows, you will also see that it is the Love that 'foregives our sins'!

It also the Love that brings about health of our bodies due to the removal of negative issues – emotions.

It has been explored and determined that the only way too successfully ‘treat the cause of illness rather than merely suppress the symptoms’ is to bring about the conditions that enable the dissolution and removal of negative emotions, errors within our personality. It is the energy blockages that occur within our spirit body, resulting from stagnation of energy flows frustrated by the emergence of unloving and harmful emotions, that subsequently emerge as discomforts in our physical body, then as pain, and then as illness, that needs to be addressed to bring about a permanently healthy physical body.

As we embrace and receive this high octane fuel – the Love – do we bring about the aid and growth in our personality to step over and above past habits and practices that bring about harm to others as well as to ourself as well as to our physical body.

No amount of personal self-determination and self-discipline can we remove man-made negative issues, which we progressively infused into our personality from our very early years, without great perseverance and a long period of endeavour. It is only with the Love that we can make significant progress in our personal growth within short periods of time.

This is the greatest gift to humanity and it is universally available for the asking. A personal longing and desire for the Love will never be withheld – you will always be answered with the subsequent inflowing and infusion of the Love as and when you desire and long for it with humility and love.

“This Love comes to man by the workings of the Holy Ghost, causing this Love to flow into the heart and soul, and filling it, so that all sin and error must be eradicated.” Jesus 24 Jan 1915

“So long as a man rejects the influences of the Spirit (Holy Ghost) he sins against it, and such sin prevents him from receiving this Divine Love; and hence, in that state he cannot possibly be forgiven, and be permitted to enter into the Celestial Kingdom (Heavens) of the Father.” Jesus 3 Mar 1915

“‘God is a God of love, and no man can come to Him, unless he receives the Love of the Father in his soul.’ As men are by nature sinful and inclined to error and the violation of God’s laws, they can be redeemed from that sin only by obtaining this Love; and that can be obtained only through prayer and faith in the willingness of God to bestow this Love upon whomsoever may ask for it. I do not mean that there must be formal prayers or compliance with any church creeds or dogmas; but the prayer that is efficacious is that which emanates from the soul and earnest aspirations of a man. So let men know, that unless they have the real soul longings for this Love, it will not be given to them – no mere intellectual desires will suffice. The intellect is not that faculty in man that unites him to God. Only the soul is made in the likeness of the Father, and unless this likeness is perfected by a filling of the soul with the Divine Love of the Father, the likeness is never complete.” Jesus 3 Mar 1915

This awareness is what Pascas WorldCare shares with all.

CLEANSING the SOUL:

Years and years of personal endeavours to step away or above harmful habits and personality traits that are harmful to others and one's self have been mainly futile. We all want to grow in our love for ourself and of others.

Our beautiful loving personality that we are blessed with at conception / incarnation becomes encrusted with errors and personality issues of those around us, particularly during our early childhood. The personality of those living around us, during our early years, becomes encrusted over our pristine soul thus clouding our radiance into dullness. We become mind controlled!

Our Heavenly Parents want what is actually best for each of us and there is a source of light that's willing to give it to each of us, but only at our soul and spirit's quest for union with the divine. Not our ego's need for things.

It is only with our Feeling Healing and the infusion of the Love, that the Mother and Father conveys via the Holy Spirit, do we start to dissolve negative issues, habits and personality errors from our soul and personality. Our personality is part of our soul structure.

All we need do is ASK for this Love. An earnest longing and desire for the Mother and Father's love will never be withheld, it will shower over our spirit body, the template of our physical body, and be absorbed into our soul. As the Love permeates through our soul, errors of personality will slowly but surely dissolve.

Over time, as we progress along our path of asking for and receiving this love, the natural love which we were blessed with prior to conception will be progressively transformed into Love that is Divine. This Divine Love will slowly emerge as radiance through our being.

With Feeling Healing and this Love we find harmful habits and personality traits become a distant memory. With this Love, we find ourselves unable to harm others or ourselves. With this Love we find our quality of life blossom and joy starts to emerge in all aspects of our living.

With this Love we become immortal. With this Love we become fitted for the Heavens that the Mother and Father have prepared for us all. Just ask and faith, love, and happiness will follow. Yes, just ask!

How the Law of Compensation works.

January 19th, 2015

My dear friend, it's so good to see you again, up and eager to receive some more information. I would like to pick up where we left off the previous time.

As I said: duality is a simple concept which isn't really understood by many and that it will exist as long as one hasn't reached the spheres of the soul. Knowing this gives us an advantage. For example: when someone decides to do something unloving it will have two (= dual) consequences:

- 1) the energy sent out will not contain the energy of love because the individual decided to block his soul from contributing its energy
- 2) the soul itself will not be able to fill itself with the natural love it needs to feel "normal" because a (partial) blockage has been created.

So you see, when one decides to do something unloving towards someone else it also has an immediate impact on oneself (because a blockage works both ways). This way people will see the expression "to treat another as oneself" gets a deeper and more explanatory meaning.

Evidently you will also start to understand why we have repeated several times: to give and be loving even if you feel like you are wandering through the lowest of Hells. Because when you give love it will also have two (= dual) consequences:

- 1) it will (partially) unblock the flow of natural love towards your soul; and at the same time
- 2) allow the soul to contribute its love to the action, thought or creation.

But because many do not know or understand this duality they often do the total opposite. Since they feel bad they only worsen their situation by acting more unloving (instead of more loving) and they block their souls more and more until they are in total darkness.

Thus one of the things one needs to do to get out of hell or to feel better when one feels bad is to do loving things. "Saying sorry" is for example one of the loving things that will help unblock the flow of love. Because doing loving things will let natural love flow through our souls by eliminating the blockages we created through the decision of our free wills. But because it is so hard to do, most people will not engage in walking this path. They'd rather live with a soul lacking the love it needs than giving others the love they need because they feel / think the others don't deserve to receive that love.

However knowing what you now know, you can see the repercussions of this. By not giving others the love they need, you are not giving yourself the love you need: the reason being the principle of duality; you are blocking the flow of love from but also – at the same time – to your own soul.

This here my friend is the mechanism behind the Law of Compensation: when you do an unloving thing, you block your soul from contributing its love and in the meanwhile you block the love from entering your soul. And the size of the blockage will depend upon the severity of your actions and thoughts which in turn will also influence the time you will pay for the compensation.

For instance: taking a human being's life is such a severe action it will almost block / encapsulate your whole soul. Of course circumstances will influence the quantity (of blockage). As for instance; when it was done out of self-defence it will not block / encapsulate the soul as much as when it is done in cold blood, but it will not be much less either. So you can readily see how difficult it will be and how long the process will take before the blockage will fade away (by letting love flow through your soul) especially because you cannot bring back to life the one you've killed. That is the reason why we can still unblock our souls even if we cannot make right what we did wrong but it is also the reason why it will be much harder.

Although we will unblock our souls much faster by undoing the unloving thing itself, to the people we did it to, we still have a chance of unblocking our souls by doing loving things to people we did not do the unloving things to. This might not seem fair to the people who have suffered by the wrongdoing of others but it shows the fact Father loves us unconditionally and does not want us to suffer infinitely, although people would.

If you let love flow through your soul, it will have a positive effect upon the blockages you've created. And if you persevere, you will succeed in bringing your soul back into the harmony it needs. But then again there is also the Divine Love which is far more powerful than the natural love. If I would have to put a number on how much stronger, just so you can understand what I'm trying to say, I would say 10 or maybe even 100 times. Of course this is purely hypothetical because natural love is only a derivative of Divine Love so it is almost impossible to compare them this way. Anyhow you are already starting to see where this is leading to. If you ask for the Divine Love to enter your soul it will be 10 or 100 times more efficient, 10 or 100 times stronger than if you would let the natural love flow through your soul. So it will help to break down "the wall" you've created around your soul 10 or 100 times faster than the natural love would do.

And all of this will only depend on how you use your free will; the creator of 'separation from' but also the creator of 'unity with' God. Thus having two (= dual) functions in one concept. If you truly start to understand this concept of duality you will see how easy it will be to use its information to your own advantage: duality = 2 choices = to do (something) or not to do.

Thus to help you to become more at one with Father, it isn't that hard to find out yourself which way you should use this duality. Being soul or being love or being one means only acting out of love. So what do you think we need to do to become one (besides asking for the Divine Love)?

[To act within the scope of love.]

Exactly. And what shouldn't we be doing if we would like to become one?

[To act outside the scope of love.]

And although this seems so simple it is very hard to do for most people because they do not understand the true implications of this duality. But let me explain it further.

As a human being we mix up these choices and that is where the disharmony begins. Most of us only think that what we do is important; whether we do something loving or whether we do something unloving. But there is nothing more untrue. What we don't do is just as important! If we encounter a situation where we feel we should do something loving but we restrain from doing it, it will have the same impact on our souls as if we do something unloving. If you look at this statement closely you will see the logic and the truth of it.

Just as your mind blocks your soul from adding love to an unloving action, so does your mind block your soul from adding your love to a specific situation. And as I explained in the beginning: a blockage works both ways. So if you block yourself from adding love to a specific situation, you also block yourself to receive love at the same time. Thus you see how important it is to understand the concept of duality (created by free will) and how it can be used to our advantage once we see it's true nature: being love = being one = to act inside the scope of love = not to act outside the scope of love – and – not being love = not being one = act outside the scope of love = not act inside the scope of love. Evidently it is not only about what we do, it is also about what we don't do; and both have an equal impact on our soul conditions!

Let me ask you a couple of questions to clarify this further. There are some teenagers assaulting a defenceless man 50 metres in front of you. You see them but you turn back or go around them without interfering or calling the police out of fear of getting assaulted yourself. Do you think, although you haven't done anything yourself, it was a loving or an unloving inaction and do you think it will have an impact on your soul?

[Well, according to what you have been trying to explain, I would say it was an unloving lack of action with a free will decision not to add your own love to the situation. When you block your soul of adding love, you also block it from receiving love. So, yes, it would have had a 'negative' impact on the soul.]

Indeed. Although one does not do a thing here (no specific action) there will be a reaction: a (partial) blockage of the soul. So you see that “not doing something” is also an action that will generate a reaction and this is something a lot of people do not understand. Blocking your soul from contributing its love is the true action that lies underneath the physical inaction. And it is this action that creates the reaction.

Next question. Your friends are gossiping about an acquaintance of yours. They want you to participate and say negative things about her behind her back. Although you do not completely like this acquaintance, you refrain from contributing because you don't have the exact details and understand there are two sides to every story. What do you think this time?

[That it was a loving inaction with a free will decision not to add unloving energy to the situation. So no blockage was created and it had a 'positive' impact on the soul.]

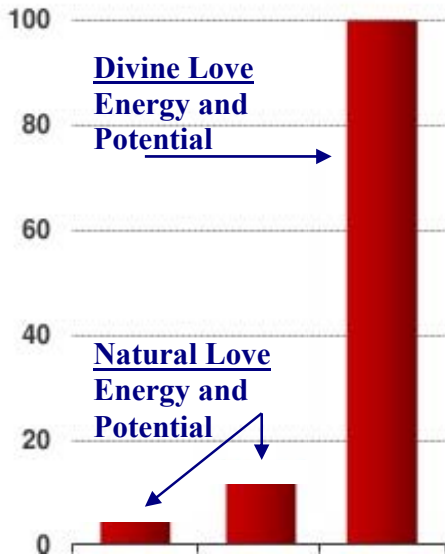

Exactly. But it will not only have a positive impact because no blockage was created. It will also have a positive impact because love was able to flow through you while in that situation. And although nothing

physical was done, not blocking your soul or letting natural love flow is the underlying action which will have a reaction namely; breaking down (a tiny bit of) “the wall” you’ve build around your soul. So you are actually doing loving things by not doing unloving things and are being compensated for it.

Although I would like to continue and have a lot more to say I can see you are starting to get tired so I’m going to stop here.

Thank you for giving us these opportunities and God bless.
Your brother and friend forever, John (Apostle).

With DIVINE LOVE one’s potential in growth is to infinity, progression is typically many multiple times faster than for those who remain NATURAL LOVE dominant and restricted in their growth potential to that of only becoming the perfect man whereas Divine Love enables at-onement with the Father and entrance to the Celestial Heavens and beyond.

The luminosity of DIVINE LOVE compared to that of NATURAL LOVE personality.

Embrace the availability of the Feeling Healing process and Divine Love, all one need do is to earnestly long for and ask for our Mother and Father’s Love.

It is an energy that surpasses all that is. It is with this energy melding within one’s soul that Heaven on Earth is achievable.

Nothing else can bring about the joy and love we strive for.

PROCESS of FORGIVENESS is also the PROCESS of REMOVING HARMFUL EMOTIONS
PROCESS of FORGIVENESS is also the PROCESS of HEALING BODIES Physical Spiritual
PROCESS of FORGIVENESS is also the PROCESS of SOUL GROWTH with the LOVE
PROCESS of FORGIVENESS is also the PROCESS of CLEANSING the SOUL

Our Heavenly Parents send the Holy Spirit, the Spirit, to those who long for and ask for Their Love and assistance. All you need do is ASK!

“The New Birth is the flowing of the Spirit of God into your soul and the disappearing of all that tends to turn your heart from the truth and Love of God in conjunction to doing one’s Feeling Healing.”

“The Holy Spirit is God's messenger or instrument that carries into the soul the Divine Love that is bestowed on the truly penitent man.”

“The Holy Spirit when the penitent prays for the Love the Holy Spirit will respond and fulfil the work that the Mother and Father has provided it to do.”

“The only thing that saves a man from their sins / errors and reconciles them to the Mother and Father is that they must become conscious of God’s Truths and receive the Holy Spirit into their souls.”

Continuing with one’s longing for Truth and asking for our Parents’ Love enables progressive removal of emotional errors and injuries that then lead to the removal of core emotional damage, and then, subsequently, the progressive filling and expansion of one’s own soul. Removal of these soul injuries through Feeling Healing also leads to the removal of damage to one’s spirit body and the restoration of one’s health.

It is only by the infusion of this Love while longing for Truth within one’s soul in sufficient quantities does one become fitted to enter the Celestial Heavens.

Soul development, with the Love, can take a soul from being a dried up garden pea to that of a simple candle, and then onto that of a blazing sun!

The LOVE that brings about FORGIVENESS:

This Divine Love, and by this I mean the only way through which salvation can be obtained, can enter and fill the soul through the sincere longing of the soul to assuage the thirst for at-onement with the Father through prayer.

Revelation 17 – November 12th, 1960

The only way for man to achieve forgiveness of sins is through the obtaining of the Divine Love or through purification of the natural love, a long and tedious process that fits the individual soul for a place in the Sixth Sphere.

Revelation 50 – October 18th, 1954

Divine Love fits a personality to enter the Celestial Heavens, way above the 6th Sphere. Without this Love, man cannot enter the Heavens. It is this Divine Love that brings about immortality for man.

This great Love of our Mother and Father was created or rather has always been, for the redemption of the vilest sinner who seeks and believes.

March 24th, 1915 – Ann Rollins

Only the Divine Love can give man of a Divine Nature, and that no self development or cultivation of the Natural Love to the greatest and most sublime extent are sufficient to make man at one with our Mother and Father in the divine sense and which makes the spirit a partaker of this Divine Essence of our Mother and Father. One needs to come to understand the difference between the two loves and what the New Birth means.

March 24th, 1915

Immortality with the Love.

**Feeling
Healing with
Divine Love is
the key!**

FEELING HEALING WITH DIVINE LOVE WAY or the NATURAL LOVE WAY:

Without embracing one's Feeling Healing process and receiving Divine Love, the Love of our Mother and Father, our progression is totally dependent upon our own personal endeavours and capabilities, that is, our perseverance and willpower. We are all blessed with natural love, which is the essence of our soul. To develop ourselves to that of being the perfect man is a slow and persistent application of our own attributes and will power, the time required to achieve such perfection may take many centuries of dedication, and even then we only become the perfected being fitted for the 6th sphere of the natural love spheres. We cannot progress any further without embracing the Love of our Mother and Father, the Divine Love.

Once we recognise the availability of our Parents' Love and begin to ask for and receive it, our progression begins to escalate exponentially. Further, with the Love we can become fitted to enter the Celestial Heavens, the first of which is the 8th sphere in progression. We can progress through the Celestial Heavens into the Eternal Spheres and then on into the Spheres of Paradise.

Accounts of spirit people who's condition have been so poor to fit them only for the hells, namely the Spheres of Disharmony, show that even they can progress from the lowest of conditions to being within the Celestial Heavens, way above the highest sphere of the Natural Love spheres, within or around three or so years. Some achievements have been:

James Padgett entered the Celestial Heavens within 28 months of his passing.

Helen Padgett was in the Celestial Heavens within 12 months of passing.

Nita Padgett progressed from low 1st sphere to Celestial Heavens within 24 months of passing.

Kevin Cooper died 10 August 2012, through Feeling Healing became Celestial on 7 August 2017.

Bradley Cooper, son of Kevin, suicided on 21 September 1999 and early April 2018, became Celestial.

Emperor Nero progressed out of the low hells to Celestial Heavens by receiving Divine Love.

Emperor Julius Caesar moved from the hells to 3rd sphere within 19 months from receiving the Love.

George Butler progressed from the hells to the 3rd sphere within 38 months by receiving the Love.

President Grover Cleveland moved from dark spheres / hells to 3rd sphere in 20 months with Love.

President John F Kennedy became Celestial following 15 years embracing Feeling Healing process.

R. Ross Perry progressed from the hells to 3rd sphere over 30 months by receiving the Love.

It is only one's Feeling Healing with the Love that forgives sin, dissolves the errors and fits a person for a higher habitat. Man, left to his own devices, can require many centuries to grow and then cannot enter the Celestial Heavens.

Focusing only upon personal development may remove, or most likely reduce in significance the influence upon one's personality man-made emotions that are obviously those emotions that bring about harm to others as well as to one's self. We are never able to fully remove man-made emotions from our personality. That is, only when we are fitted to enter the Celestial Heavens and being at one with our Parents are we free of the embellishments of man made emotions. Yes, as we progress in our development such man-made emotions are progressively diminished and subsequently put aside due to our personal willpower, however that typically requires eons of application to this cause. By embracing the Mother and Father's Love then we bring about rapid growth and development of our soul condition as it is our Mother and Father's Love with Feeling Healing that progressively dissolves man erroneous emotions that we have taken on board, typically during our very early childhood due to our family environment.

Feeling Healing – Healing yourself through your feelings.

- ✓ Your feelings are the real and true you.
- ✓ If you are denying any feelings you are denying yourself.
- ✓ If you are denying yourself you can't ever be truly happy.
- ✓ To heal all your pain and suffering, you can look to your feelings for why you are feeling bad.
- ✓ If you want to know the truth of yourself, then it's your feelings you will need to look to.
- ✓ Your feelings hold the hidden keys to unlocking the truth of who you really are.
- ✓ Uncover the truth of yourself through your feelings and you will know why you feel all you do.
- ✓ Everything in life, why all that happens to you does, and everything about yourself, can be explained to you through your feelings.
- ✓ Why your relationships might not be as good as you would like, why some might fail, you will understand through your feelings.
- ✓ How to live a good, true, happy and loving life will come to you as you start paying attention to all your feelings.
- ✓ However you will also have to pay attention to all your bad feelings, and this can be very harrowing.
- ✓ By honouring – accepting and then expressing all the bad feelings you feel, you will slowly bring to light all the reasons why you don't feel good.
- ✓ And as you liberate yourself from these hidden repressed bad feelings, so you will start to feel better and better about yourself.
- ✓ It's a process, and it can take time, years possibly, but all that's hard will eventually pass becoming good.
- ✓ Expressing all your feelings, and particularly your bad ones, whilst longing and really wanting to know the truth of why you're feeling them, is doing your Feeling Healing.
- ✓ You can Heal yourself through your feelings. And in fact, it's the only way to really heal yourself.
- ✓ And if you wish to do your Healing with God, you can also long for God's Divine Love.
- ✓ Feeling Healing – Using your feelings to heal yourself.

EMBRACING the WILL of our HEAVENLY MOTHER and FATHER:

Our Heavenly Parents are almighty, all powerful, infinite, and at all times loving.

The love of the Heavenly Parents for their children, woman and man, has been and is always infinite and ever present.

As one's faith in our Heavenly Parents evolves, man's love for his Heavenly Parents will have no limit.

As man grows in his love, so will man grow in his love for all of God's creations.

Approach the Source Soul, the Mother and Father, in reverence, without fear or trepidation, just as a child approaches his Earthly parents knowing that open loving arms are extended to receive him at all times.

As one grows in his love of the Mother and Father, one becomes to know with certainty that God loves him or her in return, at all times, and that fear is an illusion created by man's mind.

By embracing the commandment provided in the 1st century, namely the first:

"This is my commandment, that ye love one another even as I have loved you."

Further, we are to embrace our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

Also as our soul development progresses, our self love grows which also enables us to step away from:

Any self harm that we may cause which also brings about consequences.

And to move along this path we simply develop our embracement of:

God's Divine Love; by praying for it, asking for it, and receiving it.

Longing for Truth and Divine Love we can embrace the will of the Father and achieve freedom from error and harmful ways, thus finding our way home!

Manifesto of Divine Love:

1. We love one another as Mary and Jesus, our spiritual parents, love us. And so we seek their Spirits of Truth.
2. Our all loving Heavenly Parents, our Mother and Father, we love and honour at all times.
3. We worship only our Mother and Father, God, and Creator of all things.
4. We treat our Creator's name with respect and love, and earnestly seek Their Divine Love, and at all times pray for It, ask for It, and receive It.
5. We set aside a regular day each week for Sabbath rest and worship of our Heavenly Parents, God, and seek Their Love so that we may grow closer to Their fountain head of Truth and Love.
6. We are to be as we feel, even if it's sinful, but in doing something that is not in alignment with God's Love and Truth will make us feel bad, that is provided we allow ourself to feel our bad feelings, and so we can then use our bad feelings to find out the truth of why we feel bad and why that thing we have done is bad. We embrace our Feeling Healing.
7. We strive to cause no harm to another, nor cause any harm to one's self. We do not do to others what we would not have them to do to us. We treat our fellow human beings and all living things, and the world in general with love, honesty, faithfulness and respect. Violence, at any times, is never justified. Golden Rule: that one must always honour another's will as one honours one's own.
8. At all times in our intimate relationships we strive to express and live true to all our feelings, all so we can use our feelings to uncover the truth they are trying to show. The truth of ourselves, of our relationships, and the truth of everything else, including God.
9. We do not covet or steal anything that does not belong to us. Honesty in all communications, actions, undertakings and activities in all facets of life is our rule of life.
10. In all that we do, we are to be truthful. We are non-judgemental, for none of us have the capacity or authority to judge another. We are always ready to forgive all wrongdoing.
11. We do not desire anything or anyone that does not belong to us. Comparing oneself to others and longing to have what they have leads to errors. We are to be content by focusing on the blessings our Heavenly Parents, who made us in Their soul's image, provides for us.

DIVINE LOVE – what does it do?

Divine Love, which is a substance, progressively:

Transforms one's soul from that which is of natural love to that which is Divine

As natural love is enhanced with the Parent's Love, we reject our tendency to error

Divine Love, our Parent's Love, restrains errors, untruths and emotional stress

As we reject the condition to error, we develop our love for our brothers and sisters

Divine Love helps one with the discovery of truth through one's soul-feeling healing

Our natural intelligence grows, perceptions rise with our soul intelligent feelings

As Law of Compensation is resolved, the Love reduces returning to being in error

Receipt of Divine Love, the Parent's Love, grows our faith, we become God reliant

As our faith grows our propensity to undertake one's Feeling Healing strengthens

With the Love, our Feeling Healing becomes Soul Healing, this we are to undertake

Without the Love we remain self reliant and dependent upon our own will power

Only with the Love will our soul condition grow rapidly, all around us also benefit

The Love is the only substance that changes the human soul to that which is Divine

Only by asking and receiving Love do we become fitted to enter Celestial Heavens

Only by asking for and receiving the Divine Love does our soul become immortal.

What is Divine Love?

It is the Divine Love of God, our Heavenly Parents, restored to all mankind by the births of Jesus and Mary.

How do we get this Love?

By sincerely asking God, our Mother and Father, and receiving the Love that passes all understanding.

What happens then?

We are born again in spirit and in truth, our soul opened to the Soul of God, our Heavenly Parents.

What then do we know?

We know we are all children of God and want to pray always to our Heavenly Parents, always longing for Truth.

What is the purpose of Feeling Healing?

We are to seek the truth of our feelings and unburden ourselves from our childhood repression and injuries.

What of the world?

We are at peace in the world and fearless. In Divine Love and in Truth there is no fear.

What else?

We are to strive to love everyone unconditionally as our Heavenly Parents and as Mary and Jesus love us.

WE ALL ARE BEING GUIDED HOME:

We need the Spirits of Truth of the Avonal Pair to Heal ourselves; then once Healed, (and for support (overshadowing) as well through your Healing), we need the Creator Pair, Mary Magdalene and Jesus’ Spirits of Truth to see us through the Celestial spheres, while at all times embracing our Heavenly Mother and Father.

Until Mary and Jesus died and liberated their Spirits of Truth, no one from any of the worlds could leave Nebadon, because no one knew the way to do so. Nebadon is our local universe containing some 3.8 million inhabited physical worlds and their associated spirit worlds.

When we embrace the truths Mary and Jesus are revealing, and start to do our Feeling Healing, or with Divine Love, Soul Healing, we are then freeing ourselves up from our parental and self control.

Thus our journey to Paradise, to the home of our Heavenly Parents, is of our choosing as to when we progress, however, there is only one way:

HUM: Humanity is to ascend. We are self contained. Our soul is always in truth and perfect at all times. **By living true to ourself, true to our feelings, we are living true to God. It’s that simple.**

We are to recognise that being engaged and dominated by our mind is the wrong way for us to evolve and grow in truth. We are to discard the mind enslavement that has been imposed upon as by all of our parents. We are to express our feelings, both good and bad and free ourselves of the indoctrination that humanity has embraced worldwide.

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God’s soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of our Mother and Father.

AVO: We are to embrace the truths and guidance of the Avonal Pair through their Spirits of Truth. It is the Avonal Pair’s guidance that will lead us through our Feeling Healing, and with Divine Love, we will be able to ascend through the 7 spirit Mansion Worlds and enter the Celestial Heavens where we also interact with other world’s spirits.

J&M: We are also to embrace the truths and guidance of the Paradise Pair, Mary and Jesus, who will then lead us through the 3 Celestial Heavens that are aligned with Earth, and then further on through Nebadon where we will then depart beyond on towards Paradise.

M&F: Beyond the universal zone of Nebadon, we will be guided by our Heavenly Mother and Father onwards through the universes to Paradise where we will be welcomed by them, home for us all, as we are all Children of God.

HUM

WE ARE Children of God

WE ALL ARE BEING GUIDED HOME – NOW, HOW TO COMMENCE THE JOURNEY:

GOD

M&F

For 200,000 years, we have been misled into embracing our mind’s distortion of wisdom and truth. All such traditional understandings only lead us in the wrong direction, from which we must turn back from. Our soul based feelings are always in truth. Our minds are to follow our soul based truths and feelings, not the other way round, as we have been brought up to embrace.

We are to connect with our deeper repressed feelings.
 We are to long for the truth of what we are feeling.
 We are to live true to our selves; by living true to our feelings.

Use your surface day-to-day feelings to connect with your deeper repressed feelings. Express your surface feelings and your deeper repressed feelings to uncover the truth of yourself.

J&M

We all have feelings which we communicate and share with each other. And we all have deeper buried and hidden repressed feelings. Feelings from our early childhood we felt, yet weren’t allowed to express. These feelings are still within us, waiting to have their say. These feelings, because they are repressed, cause us all our problems.

And as we look to uncover, bring out and accept these deeper feelings, so we’re taken into new ways of looking at ourselves, our feelings, and our life. We’re setting ourselves free of the controlling patterns that govern our unloving behaviour.

In this way, we progressively begin to express the personality that our Heavenly Mother and Father gave us, not the one imposed upon us by our physical parents and carers. We are to be our true and real selves.

By living true to ourself, true to our feelings, we are living true to God. It’s that simple.

AVO

HUM

As we, humanity, long for the truth of our feelings, we can also be assisted by the Spirits of Truth of the Avonal Pair who are our spiritual teachers for Earth over this coming 1,000 years, to assist us through the Great U-Turn, away from mind dominance to being soul based feeling lead. They will assist us through the seven levels of the spirit Mansion Worlds.

Then the Creator Pair, Jesus and Mary, will lead us through Nebadon and into the greater universe. Then our Heavenly Mother and Father lead us home to Paradise.

Collectively, should we embrace them all, as we are to, then our pathway home is a journey in the hands of the Spirits of Truth of the Avonal and Paradise Pairs overseen by our Heavenly Parents.

WE ARE Children of God

HOW TO GET TO PARADISE:

Long for the Divine Love

Long for the Truth

Long for the truth of your feelings

Don't deny any feelings: accept, express and want to know the truth of them

Know your feelings are the key; your feelings are the Way

Want to end your falseness and being untrue

Want to understand the truth of your early life

Use your surface feelings to move deeper into yourself, bringing up your repressed feelings

Want and long to know the whole truth of yourself

Want to do it all with God, your Heavenly Mother and Father – long to Them for help.

The Key

Our longing drives our life. We long with feelings. We can wish for things using our mind, yet long for things with our heart. These things in the pyramid are what to long for. Longing for them, when the longing comes naturally. Longing because you feel you really want them. Long to be true with all your heart. Long to live true to your feelings. Long to understand the whole truth of yourself.

PARADISE TRINITY:

1. **Our MOTHER and FATHER (God)** (MF) – **Divine Love**
SOUL (God) – One SOUL that is expressing its two PERSONALITIES, our Heavenly Mother and Heavenly Father (Soulmates)
2. **ETERNAL SON** (ES) – **Divine Truth**
3. **INFINITE DAUGHTER** (ID) – **Divine Mind**

Then: The Second and Third Persons of the Paradise Trinity (ES and ID) are stepped down to the local universe trinity (Mary and Jesus, Divine Minister (DM), and her Holy Spirit.

The LOCAL UNIVERSE TRINITY:

1. **MARY M and JESUS** (MF) – **Divine Love**
– the **Living Truth**
2. **DIVINE MINISTER** (DM) – **Mind** (and her Holy Spirit)
3. **HUMANITY – Natural love, sons and Daughters – Truth, and our Angels – Mind**

PLANETS that engage in REBELLION:

1. **AVONAL SOULMATE PAIR** – the **Feeling Healing process – incarnate**
2. **DAYNAL – TEACHER PAIRS** – they do not incarnate

So in summary:

Consider a diamond:

Mother and Father Heavenly Parents

Creator Son & Daughter
Jesus and Mary

Avonals
as soulmate pairs

Trinity Teachers
as soulmate pairs

Melchizediks – who have taken over from the Caligastians and Daligastians being also all as soulmate pairs.

Mortal Souls – human beings who individualise on Earth, then progress through the spirit Mansion Worlds, then into the Celestial Heavens, and beyond.

Mortal Souls – also being ascending spirits, upon completing their Soul Healing, join with their soulmate, then join their soul group of 24 mortal spirits, being 12 soul pairs. It is only as a soulgroup that anyone can progress beyond Nebadon.

The Paradise Pairs are all ONLY concerned with the SPIRITUAL wellbeing and upliftment of the planets and local universe. Currently to do with Earth:

Mary and Jesus – spiritual wellbeing and upliftment of the whole of Nebadon region.

Avonal Pair – Daynal pairs (Trinity Teacher Daughters and Sons) – Spiritual wellbeing and upliftment of individual planets and their associated Mansion Worlds.

The Local universal Sons and Daughters are all about the running of the worlds under their jurisdiction, and ensuring the higher spiritual elements can be employed, or sent astray, as in our cases through the Rebellion and Default.

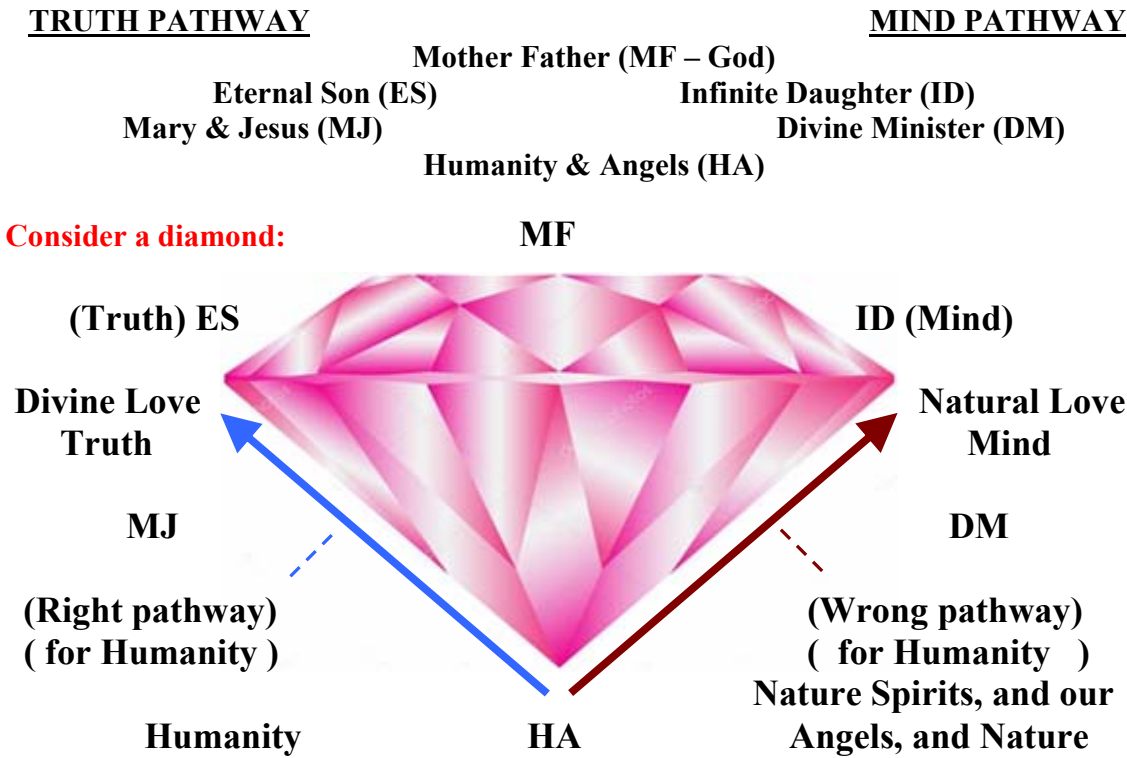

Lanonandeks – Melchizedeks (and others, such as Life Carriers and Eve and Adam).

As the Lanonandeks all rebelled – the Lucifers, Satans, Caligastias and Daligastias soulmate pairs – so the Melchizedeks have taken over their roles, as well as doing their own.

So the Melchizedeks are the governors, overseers, the administrators and advisors and so on for Earth; they are the ‘controllers’, and they will instigate all that needs to be done to do with the ending of the Rebellion and Default. And they will enlist the willing help of ascending mortal pairs, so the mortal Celestials spirits (soulmates when available, and others waiting to unite with their partner), and at times mortal spirits in the Divine Love Healing Mansion Worlds. And the angels help all of us.

Currently the whole of Creation exists for the ascension of mortal souls from their earth planets to Paradise. It’s all one vast Grand Ascension Scheme. With all the higher and lower spiritual Daughters and Sons, together with all the many different angels and other universal spirit personalities, and even including nature and our very own pets, assisting women and men with their Ascension Journey. It being: and Ascension of Truth. Everything we do is done to help us grow in truth. (Only everything we do in our negative state is to deny ourselves our truth from our feelings, which is why we have to do our Healing.) All women and men are ascending (or growing) in truth through their experiences. And as we grow in truth by looking to our feelings to show us that truth, so we’re ascending, moving inwards and upwards through all the worlds and spheres of the Grand Universe to one day arrive on Paradise and meet our Heavenly Parents. God is providing us, Their children, with this spiritual journey called our Ascension of Truth. And by living true to our feelings, so we are progressing on our true Spiritual Path – our Ascension Path.

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God’s soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of your Mother and Father.

Humanity is to pursue the pathway for Truth through one’s soul based feelings, this is the right pathway. However, humanity commences its journey founded on natural love, which we now know is to be perfected through one’s Feeling Healing process and then made divine through asking for and receiving our Heavenly Parents’ Divine Love.

For 200,000 years, **humanity** has pursued the pathway of the Mind, being that of the brain, this is the wrong pathway. The Mind is the pathway for Angels and that of all of Nature.

CREATION of SOUL and SPIRIT:

God is *The Paradise Trinity* — the eternal Deity union of the Personalities: the Universal Mother and Father; the Eternal Son of Truth; and the Infinite Daughter Spirit of Mind.

The soul of each human personality (sons and daughters of truth) is existential, driving our personality expression in the experiential. The soul of each human finds truth by embracing one’s feelings and longing for the truth of them. We are to attain the Eternal Son of Truth. We are a creation of Truth.

Feeling Pathway

The soul of angels is experiential, evolving through their experience by continually progressing in mind development. Angels are to attain the Infinite Daughter (Spirit) of Mind. Angels are a creation of Mind. Our soul is duplex (we have a soulmate) and is created by our Heavenly Parents. Through our Feeling Healing we perfect ourselves enabling the union with our soulmate, as we progress in truth up through the Mansion Worlds, celestial heavens and all the way to Paradise.

Soulmate Pair

Angel

The soul of angels is also duplex, yet of the mind, and they progress in mind evolution to Paradise. Animals, plants and nature spirits are also creations of Mind.

Spirit Person

Nature Spirit

Neither we nor animals reincarnate. We never die; upon death, we move into the spirit Mansion Worlds on our journey to Paradise. When animals and plants die, be they the tiny microbe to the mighty elephants of the land and the whales of the ocean, their spirit energy returns to the Spirit Collective

Energy. And from this energy are drawn other animals and the nature spirits, who then in turn move onto becoming angels through increasing mind experience.

A nature spirit is an angel in waiting.

The Gift that keeps Giving

A general universal platform on how to experience Divine Love

As more people become aware of the *Divine Love*, how to experience the Divine Love required a need to provide a general universal platform that is simple yet an effective way for one to experience *Divine Love*. People may learn about the availability of *Divine Love* by word of mouth or from reading literature that introduces this gift for our soul, and also by participating with group dynamics where the *Divine Love* is introduced and discussed. The essence of this standard platform is its independence so that the individual may feel guided to include this simple platform in their daily life and experience of *Divine Love*.

The platform introduced here is a technique that is simple, constant, practical and has been utilised in the general public for over 20 years with good consistent results, accommodating participants and their diversity of belief and cultural background. This platform is a reliable place to begin with the experience of *Divine Love*. It needs to be confirmed that accepting *Divine Love* rests with our soul and heart and that to experience this Love will comfort one in their individual faith experience as we all aspire toward the greater reality of Love, Truth and Spirit.

A Universal Platform on How to Experience the Divine Love:

Firstly, you are aware now that you can experience the *Divine Love*.

Find a comfortable chair; sit down in a relaxed and normal position.

Close your eyes and take 3 deep single breaths in through your nose and out through your mouth to clear energy and to relax into this experience. Have a little faith and proceed without great expectations.

Gently turn your inner heart and voice to the Soul, God in faith when you feel ready, ask the Soul, God with your own loving voice for an inflowing of *Divine Love*. Having asked sincerely, there is no need to continuously ask. The Soul, God hears sincere love in the asking and so The Spirit that brings the Love acts, and *Divine Love* is now flowing.

Having asked once, you will be receiving the *Divine Love*.

Proceed without expectation on what will happen as you experience the Love.

Sometimes your mind may wander – or there are thoughts, feelings or physical sensations. Experiencing the *Divine Love* is never a forceful experience.

Continue for as long as you feel you would like to. This may be for 5 minutes or 20 minutes or an hour. Time will vary for the needs of the individual or group.

Take another few deep breaths to assist your focus. Give our love to the Soul, God and in our own voice inwardly say this Soul, God that you love this Soul and are grateful to receive this *Divine Love*.

Then when you feel ready, open your eyes and take another deep breath or two, and this closes the experience.

Some helpful hints:

- This general universal platform on how to experience the *Divine Love* is uncomplicated. Some people have utilised this platform for over 20+ years, never needing to change.
- The essence of this standard platform is to experience the *Divine Love* in a comfortable way therefore this technique needs to be simple, effective and inclusive.
- Experiencing the *Divine Love* can be a long-term experience so to have a practical, simple, functional standard platform solves a lot of problems about *how to experience the Divine Love*.
- From this general platform people who like prayer or meditation, reflection, spirit communication, or just being *in* and *with* the Love can extend their experience from this standard position.
- Lastly, enjoy! And know that when a person is experiencing the *Divine Love* that one is in the tender care of the Soul God, and that no spirit interference will happen, for no spirit can interfere with the Sovereignty of *Divine Love*, which is God's Alone!
- Enjoy, Celebrate and Shine!

The Only Prayer That Man Need Offer to the Father:

The Prayer for Divine Love

(as given within the first century)

I am here, Jesus

<http://www.youtube.com/watch?v=Pg6p3rivAZw>

P.438 Book of Truths through James Padgett / Jesus

Let your prayer be as follows:

Our Father, who art in heaven, we recognize that You are all Holy and loving and merciful, and that we are Your children, and not the subservient, sinful and depraved creatures that our teachers of old would have us believe. That we are the greatest of Your creation, and the most wonderful of all Your handiworks, and the objects of Your great soul's love and Tenderest care.

That Your will is that we become at one with You, and partake of Your great love which You have bestowed upon us through Your mercy and desire that we become, in truth, Your children, through love, and not through the sacrifice and death of any one of Your creatures.

We pray that You will open up our souls to the inflowing of Your love, and that then may come Your Holy Spirit to bring into our souls this, Your love in great abundance, until our souls shall be transformed into the very essence of Yourself; and that there may come to us faith--such faith as will cause us to realize that we are truly Your children and one with You in very substance and not in image only.

Let us have such faith as will cause us to know that You are our Father, and the bestower of every good and perfect gift, and that only we, ourselves, can prevent Your love changing us from the mortal to the immortal.

Let us never cease to realize that Your love is waiting for each and all of us, and that when we come to You, in faith and earnest aspiration, Your love will never be with-held from us.

Keep us in the shadow of Your love every hour and moment of our lives, and help us to overcome all temptations of the flesh, and the influence of the powers of the evil ones, which so constantly surround us and endeavour to turn our thoughts away from You to the pleasures and allurements of this world.

We thank You for Your love and the privilege of receiving it, and we believe that You are our Father --the loving Father who smiles upon us in our weakness, and is always ready to help us and take us to Your arms of love.

We pray this with all the earnestness and longings of our souls, and trusting in Your love, give You all the glory and honour and love that our finite souls can give.

Amen

MoC

Note: The 'false teachers' are our parents, as they are also the 'evil ones'. Also, the evil ones, being those parts of one's mind, that are controlling you.

God is God, who is our Heavenly Mother and Father, being SoulMates. There is only one Soul that is God's Soul, that being the Soul of our Mother and Father. Our Heavenly Parents are the First Soulmates; The Two Who Are One who have brought us all into being.

Jesus and Mary are a son and daughter of God.

Jesus of Nazareth and Mary of Magdalene, being soulmates, were both free of sin. Jesus and Mary, combined in their love for us, are our teachers and guidance for us to find our way home to our Heavenly Parents. To start this journey we are to liberate our souls from being entombed within our suppressive minds, through feeling and longing for the truth of our feelings via our soul and peel away our injuries incurred since conception.

Give yourself time to consolidate your relationship with the Mother and Father through the partaking of Their Love. And whilst you are doing this, you can learn about your healing, all that's involved with it, as there are many willing spirits to share their healing experiences with you.

When you are ready it will start happening simply because you will want it to, it all being orchestrated by your soul. And when that time comes you will have developed a strong foundation in your relationship with the Mother and Father for you to work from. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

It is to make longing for God's Love the priority, and then do one's healing; should one want to include God and the Divine Love in one's feeling healing. This is doing your soul-healing as you are seeking to heal your soul of all evilness – of that which made you become evil, and release all the hurt and pain of not being fully and truly loved.

What is the Divine Love?

"The Divine Love is that Love which belongs to or is a part of God, possessing His nature and composed of Their Substance, and which when possessed by man to a sufficient degree, makes him divine and of the nature of God." – **Jesus**, in a message received by James E. Padgett through spirit communications on May 15, 1917.

"The Divine Love of our Mother and Father is the greatest thing in all the world, and the only thing that can make man at-one with God, and change the soul of man as it has existed since his creation into a divine substance filled with the essence of our Mother and Father. There is nothing else in all the universe of God that can cause man to become a new creature and an inhabitant of our Parents' Kingdom; and when men possess this Love then they possess everything that will make them not only the perfect man but the divine angel." – **Apostle John**, in a message received by James E. Padgett on August 5, 1916.

Whilst we are receiving our Heavenly Parents' Divine Love, and that this Love is causing change within our soul and spirit attributes, the greatest Truth known to man and spirit is that this is the way our Mother and Father are actually loving us! When we progress, it is God's way of loving us into love and then we live what we are, love.

DIVINE LOVE:

<http://www.fcdt.org/divinelove.htm>

The words "Divine Love" have been used in many contexts to convey different meanings. But in the context of our Heavenly Mother and Father, Divine Love is the greatest gift in all the universe. It transcends all else that can assist humankind fulfil their dreams of happiness and have them resolved within themselves. God's Divine Love is the one thing in all of God's infinite universe that can bring about eternal life and everlasting happiness in the Celestial Kingdom.

What is Divine Love?

The Divine Love differs from the natural love of man with which he was endowed when created, which belongs to all humans, and which they all possess in a more or less perfect condition in this: that the Divine Love is that Love which belongs to or is a part of God, possessing Their Nature and composed of Their Substance, and which, when possessed by a human soul to a sufficient degree, makes him divine and of the nature of God.

What is the New Birth?

The New Birth is simply the effect of the flowing of this Divine Love of our Mother and Father into the soul of a man and the disappearing of everything that tends to sin and error. As the Divine Love takes possession of the soul, and one embraces Feeling Healing, sin and error disappear. It, the soul, becomes of a quality like the Great Soul of our Heavenly Parents. And with the Soul of the Mother and Father being Divine and immortal in Its quality of Love, so, when the soul of man becomes possessed of this quality of Love, the soul being the man, this soul becomes divine also. Then, the image becomes the substance; the mortal becomes the immortal; and the soul of man, as to love and hope, becomes a part of the Mother and Father's Divinity.

How does one receive the Divine Love?

The only way is simply this: that men shall believe with all the sincerity of their minds and souls that this great Love of our Mother and Father is waiting to be bestowed upon each and all of them; and that when they come to our Mother and Father in faith and earnest aspirations, this Love will not be withholden from them. And, in addition to this belief, that they pray with all the earnestness and longings of their souls that our Mother and Father will open up their souls to the inflowing of this Love, and that then may come the Holy Spirit to them to bring this Love into their souls in such abundance that their souls may be transformed into the very Essence of our Mother and Father's Love. The soul who will thus believe and pray will never be disappointed, and the Way to the Kingdom will be his as certainly as that the sun shines by day upon the just and unjust alike.

Take the test.

Too often we are told to believe something based on what we are told. You don't have to "believe" anymore. Now you can have physical proof of the existence of God and Their Love for you?

"test my teachings that the Father's Love was now available, and pray for it to the Father in earnest prayer, and see whether, if this was done in sincerity, the Father's Love, conveyed through the Holy Spirit, would burn and glow in the soul, by which sign they would realize His Love was present therein." – Jesus

Take it to heart – earnestly pray for God's Divine Love and feel the glowing of Their Love in your soul. Jesus gave us the Prayer for Divine Love to help us in our prayers to our Mother and Father.

Note: Following the writings of James Moncrief, one could consider that any reference to the Father, by other relevant writers, may be read as a reference to 'our Mother and Father'. Further, when considering soul healing, then reference to Divine Love could be referred to as 'Feeling Healing with Divine Love'.

DIVINE LOVE – what does it do?

The divine gift from asking for and receiving Divine Love will steadily, but with certainty, raise one's quality of life and also of all those around such a person who is seeking and receiving this Love.

The receiving of Divine Love, which is a substance, with certainty, progressively:

- Raises one's love for those around them, whilst embracing one's Feeling Healing.
- Raises one's perception of all things – naturally grows one's intelligence – soul intelligence.
- Enables one to feel and resolve negative emotional issues more readily during Feeling Healing.
- Humility becomes self evident. Humility enables one to feel their errors and emotions.
- Divine Love strengthens one's resolve to express errors, emotional injuries and untruths.
- Divine Love with Feeling Healing to remove emotional errors, enhances one's health.
- Divine Love enables one to become more childlike – not adult serious at all times.
- Divine Love raises one's capability of feeling – no longer needing to be mind controlling.
- By becoming feeling orientated, one no longer is mind / intellectually dominated.
- The strength to fight and overcome sin and error is strengthened through the Divine Love.
- The Law of Compensation process is more resolved by Feeling Healing with Divine Love.
- Receipt of Divine Love grows one's faith, beliefs become faith and then knowing.
- As our faith grows our intensity to ask and then receive Divine Love grows.
- We begin to follow our passions and desires, no longer fear and mind driven.
- Truth being told at all times then progressively becomes a way of life.
- Our quality of life blossoms, our finances and relationships prosper.
- Man creates his own environment, seeking Divine Love can vastly improve one's environment.
- Health carers receiving Divine Love enhance healing outcomes beyond comprehension.
- Receiving Divine Love may assist in bringing a struggling marriage back into harmony.
- You progressively become dependent upon our Heavenly Parents, not self dependent.
- Personal growth in love directly assists the soul condition growth of one's children.
- Divine Love assists one's rate of soul condition to progress whilst embracing Feeling Healing.
- Divine Love is a substance that changes the human soul to that of the Divine.
- Without Divine Love, one cannot progress into the Celestial Spheres (8th sphere and higher).
- Divine Love, with Feeling Healing, enables everlasting Love and Life in the Celestial Heavens.

“The Law of Compensation doesn't operate on isolated actions, but on the overall condition of people's souls, because the deeds are the consequence of this condition. Our behaviour is the reflection of our souls. Never see isolated deeds, always see souls whose condition leads to certain deeds. It is the soul condition which determines the motive and consequently the action. It is our lack of trust in God, this ultimate and definitive trust, which only soul development may give us. This lack is why we suffer.”

Judas of Kerioth 5th October 2001

As you grow in love, illness issues abate, financial security improves, and your treatment of your fellow man is the same as how you would like to be treated. You grow in natural intelligence, your perception on many subjects becomes profoundly more loving and supportive of and for your way of life and how you interact with your fellow man.

This quality of life and love permeates and extends into every facet of your physical life and continues to grow as you progress on your journey within the spirit world.

Your capabilities to ask for and receive Divine Love is a gift between you and your creator, God. You do not need an intermediary, nor do you need to join with any organisation. This is your own personal journey and experience. You can share this with others, but no one can take it away from you.

This Love will elevate the human soul to a condition that it may perceive the spiritual truths which God has waiting to be revealed to His children who aspire to understand the nature of the divine and what their true relationship to Him and their family of souls is.

“Keep faith with God, and be open to His Love, and you will overcome with confidence and, indeed, peace of mind, optimism and happiness, those circumstances that seem to mar the fulfilment of your years.” Mary (mother)

PASCAS PERS

By living true to ourselves, true to our feelings, we are living true to God. It's that simple.

“Mother and Father, open my soul to this Gift, Your Love. Open my soul and may Your Holy Spirit touch my soul and pour within it your essence, your Love that I may be transformed, that I might be your true child, embraced and carried, lit along my life's path in the glory of your Light and care and protection.”

‘The difference between what are regarded as two paths, the Natural Love Path and the Divine Love Path, is, essentially, the amount of Divine Love that beings have been able to acquire.’

Quote from Celestial Spirit Richard 22 Dec 2012

Mary and Jesus' comments on the Padgett Messages Book 2

Messages from: January 13th, 1915 – August 29th, 1915

22 May 2010

So, as I (James) understand it the Law of Compensation applies to spirits who live in the mind or spirit worlds as Jesus calls them, who don't want to long for the Divine Love. (It does also apply to those spirits and people who do their soul-healing with the Divine Love, however the Law of Forgiveness over shadows it.) And the law involves bringing to bear certain conditions that the spirit has to endure so as to make amends for all the wrong, bad, sinful and evil things it has done when on Earth, and I guess in spirit to. So the law works to make one end up living a morally and spiritually correct natural love life, meaning, as an adult, it is not going against any of God's laws, those laws pertaining to life in the mind Mansion Worlds or on Earth. And all being to do with not crossing the line and affecting another adult, child or any of nature in the wrong way. It concerns itself with one's actions in the world, what one does to others, and not so much what one does to oneself.

So a spirit can work on itself, suffering all the pain from the guilt of it's evil acts, all it has done to others – it's punishment for transgressing the laws; and once done, has paid its dues being able to live happily in its natural love condition in the mind Mansion Worlds up to the higher planes of the sixth world, all of which are still intellectual, or mind based, all still within its negative condition. Effectively it's paid the price in pain for its adult transgressions within its negative state, but is still yet to heal its negative state by doing its childhood repression healing.

So what I'm getting at is that once the spirit has paid the price of its mind's transgressions, that being, all those things its done with its mind as an adult that has been against Creation – against God, against the outside world, it is considered to be living this aspect of life in a true way, so perfect to this degree. However that doesn't mean that the spirit has done its childhood repression healing, it still hasn't done its soul-healing or feeling-healing ending its negative mind state. It still hasn't fixed up its self-denial, all that it is doing to itself stopping it living true to all its feelings, and all it's doing making itself live solely from its mind. It hasn't healed itself to complete natural love perfection. It hasn't fixed up – healed – all the wrong caused it by its unloving parents, and so all the negative beliefs and patterns associated with its formative years that are making it deny itself. It is still to forgive itself for such personal wrongness. And these negative patterns it has lived out as an adult using its will to have power over itself, others, nature and God, so being evil, and which it has had to make amends for 'compensate for' – under the Law of Compensation. So, when it has healed the 'outward' expression of its negative state having fulfilled the obligations imposed on it by the Law of Compensation, it still has to heal its 'inward' expression of its negative condition – that which enables the Law of Forgiveness to come into play, allowing it to forgive itself for all its sin and error. So even though it's perfect in that it's 'healed' itself to the degree required by the Law of Compensation, overall it's still living against itself, other spirits, nature and God, because it's still got all its negative patterns within it, even though it's now only focused on denying and interfering with itself and not others by doing nothing outwardly to impose its will over other spirits, nature and God.

So, even though the Padgett Messages say the spirits in the mind Mansion Worlds are of perfect natural love, this only applies in the context of their not having their will over anyone else, they are not using their will to seek power by using others, they are only using their will to have power over themselves, and they are not yet fully perfect as they will be upon completion of healing all their childhood repression through the doing of their feeling- or soul- healing.

I know it might sound a bit muddled, as I am still somewhat muddled, but am I heading in the right direction?

Jesus: You are James, it is as you say. And rightly you're calling the spirit Mansion Worlds the mind worlds perhaps better describes what you are perceiving about them. All that the spirits and I talked about in messages to James Padgett were concerning the mind as an adult, and that is all the mind Mansion Worlds are concerned about. And as we've told you, soon a spirit will be able to live with a perfect negative mind as many already do (it having fulfilled the obligations imposed by the Law of Compensation); or a perfect positive one (it having done its feeling-healing and honoured the Law of Forgiveness, superseding yet also including, the workings of the Law of Compensation) in these worlds. Currently only spirits can live with a perfect negative mind in these mind Mansion Worlds. And although a 'perfect negative mind' might not sound like living with perfect natural love – for how can one be perfect if one is still so imperfect – but I am saying it in a relative sense.

So what you say is correct. The spirits that ascend the even-numbered Mansion Worlds are striving to live true to their perfect negative minds. So they end up only denying themselves, only being untrue to themselves, whilst being perfect in their imperfection – or being perfectly imperfect, and all within a way that does not interfere with or impose their wills on others, nature and God. So they are free, within this state, although it's a contrived natural love by their minds, to live true to their negative condition of being. So they don't hurt another only themselves, which they are not aware of, and can live on in this state for as long as they want, or until such time that the Mother and Father say they can't.

I know it is misleading again how it has been said and how you can interpret and read it in the messages to James Padgett, however once again I did this on purpose wanting to give the reader the incorrect understanding, and yet also the correct one. And the perceptive feeling-based and truth-seeking individual who would rather back his or her own feelings instead of believing outright what he or she reads in a book, will, as you have done, not feel right about what has been said – it won't sit right. And so would question and seek elsewhere – within themselves – for the answers. And I have done this purposefully having to be in keeping with the limitations imposed on me by the Rebellion and Default.

Those mind spirits move up in the natural love Mansion Worlds perfecting their negative mind condition, as I've told you before, and you can see this for yourself as you read the messages. They are not actually living true to a positive mind condition, because were they, they wouldn't be able to come and say to James Padgett things such as **“everything was going along alright and I was perfectly happy, and yet when I came across you, something about you and the spirits associating with, together with what you were all saying, made me feel feelings I've never felt before. And such feelings made me more aware of a void within me, that perhaps I wasn't as right and happy as I was after all. And that there is a higher love, something that is beyond my reach and understanding, when I believed I was living in the highest world and plane of that world, so what is it all about, what am I missing out on?”**

And as we told you the other day, were these spirits truly of a positive perfect natural love condition, they really would feel very happy without any void or feelings of feeling left out of something else. They might still come across the truth of longing for the Divine Love, but would understand that the Love would only enhance their already very good feelings of happiness. It wouldn't be about using the Love

to fill some outstanding hole within them they have suddenly become aware of. And as many spirits have written to you, once their soul does start to wake them up to this high state of perfected self-denial, they suddenly crash to the lower worlds again, having something of a spiritual breakdown, as it dawns on them that they are not as right, true and all-loving as they believed they were. When suddenly it becomes a reality and truth that they have been deluding themselves with such feelings of mind generated self-love all along, and that such feelings have really been false.

You only need look at some of the Eastern gurus and holy men who claim to be at-one with all knowledge, living in a perpetual state of bliss, and being fully enlightened, to see examples of such people on Earth we are talking about. They are examples of people living the equivalent in some cases of the high planes of the sixth Mansion World. They believe they are fully as high and transcended as one can go. And they believe they are truly happy, and would say they are living in a perfect natural love state of mind and will. And they would think they had reached the top level, nirvana for example, and are not using their will to control and have power over anyone as an adult, having full respect for the Law of Compensation, which many of them having gone through a very testing and trying time of self-imposed 'fire' and giving up of all worldly things, have indeed compensated for any wrong doing they might have done earlier in their lives.

And yet still these men and a few women are living in their negative condition, knowing nothing about their childhood repression having done no feeling- or soul-healing. That all still awaits them when they will indeed get a rude awakening from their egotistical negative state of mind. And you can see they are not of a positive mind and will for if they were, they would be telling their followers all about the trials and tribulations of healing their childhood repression shedding light on their bad, unloving relationships with their parents. But instead of doing this, as they have progressed up through the equivalent mind Mansion World levels, using their minds to do so and NOT their feelings, they have succeeded in pushing aside and burying even deeper all the pain and bad feelings from their early life.

As your sister said to you upon her questioning her teachers as she was advancing in her mastery of her mind through her Eastern technique, when some of her bad feelings started to surface because of all the rigorous meditation she was doing, she was advised to just sweep it all under the carpet, all the bad feeling stuff and leave it there all well hidden. That it was simply too much to deal with, and doing the 'technique', would ensure that she wouldn't have to deal with it. So she lives happily doing her 'program' and denying any bad feelings from her early life stopping them from interfering with her.

And as you have read in the Padgett Messages, that once one of these higher sixth sphere spirits embraces the Divine Love, they have to descend and start up through the Divine Love Mansion Worlds doing – what is not said in the messages – their soul-healing. And in future when spirits of these mind worlds do their feeling-healing as you are advocating, and so succeed in healing their childhood repression yet still without the inclusion of the Divine Love arriving happily to live in the sixth world; then choose to embrace the Divine Love when it's made available again, they won't have to descend and start doing their soul-healing because they would have already done their childhood repression healing. So they will move straight into the seventh world embracing the Divine Love and getting to know the Mother and Father, getting themselves ready to then move into the Celestial spheres.

And as we have also told you, soon as spirits start to do their feeling-healing without the Divine Love, as they start to do it in earnest seeking to become true and perfect, living true to their feelings and healing

ALL of their childhood repression, then new sectors within the planes of the mind worlds will be made available for them to live in. So you will have both positive and negative mind spirits living together in the high planes of the six world: those spirits who have healed their childhood repression living true to their feelings, living in a true natural love state; and those who haven't, instead living true to and perfecting their negative state, living untrue to their feelings in a bliss-out artificial mind generated and feeling derived state of 'love' and well-being.

And the same will happen on Earth, with people like the Eastern gurus living in their false artificial mind created negative love states, and people living genuinely true to themselves and their feelings having healed their childhood repression and negative state of being.

And the one final point about it all, is that the Law of Forgiveness ONLY applies when you are doing your feeling- or soul-healing, when you are seeking to heal your negative state by uncovering the truth of your childhood repression through acceptance and expression of all your bad feelings. The Law of Forgiveness doesn't come into play for those choosing to live on in their negative states, as it's not until you do your childhood repression healing that you are able to, and do start to, forgive yourself for being evil and in your negative condition.

And when you finally see the truth of why you feel bad, having finally fully accepted yourself by accepting and expressing all your repressed feelings, then you will be able to forgive yourself and so are forgiven, your actual healing takes place. And as you and Marion are experiencing, it's a much faster way to grow in truth out of your negative, that is using your negative condition to do so, than to just suffer the Law of Compensation with still all your pain from your early childhood locked away inside you lying dormant so to speak, awaiting the day when your soul starts to bring it up in you.

The forgiveness is all about you forgiving yourself for being bad because you come to see that you were made to be bad, you were forced into your evil self-denying unloving negative mind state through no fault of your own. And that you were and are not bad after all, that it was only your parents who told you and made you feel you were. The self-forgiveness coming as you love yourself through the truth you see about yourself.

And as it's now getting late for you James, I will end here for today. I hope I have been of some help, and don't hesitate to ask Mary or I if you want us to further explain anything for you. Your loving friend who understands how hard it is all for you – Jesus.

Thank you Jesus.

Jesus, could you please say more about forgiveness.

24 May 2010

Jesus. Certainly James.

As you understand, the speaking about your feelings – all of your feelings – is your ongoing acceptance of yourself, something you need to do because your parents didn't accept you, rejecting you by stopping you expressing all you felt – all that you are. And because of this you've become false, untrue to yourself, to what you feel, to nature which is true and perfect, and to God who are Perfection. So as you live in your negative self-destructive life, you are being sinful and so evil. And although the condition was forced on you against your will, still you've accepted it with your will as being the right and true way to live. So your healing is about reversing this state.

NATURAL LOVE and DIVINE LOVE SPHERES and FEELING HEALING PLANES:

Divine Love progress is to infinity

Peak of 7th sphere is where one becomes at one with the Father.

These calibrations are an approximation utilising Dr David Hawkins' 'Map of Consciousness' table:

Natural Love peak is 1,000 on MoC

Natural Love 6th Sphere Mansion / Mind Worlds

MoC 840 – 1,000

Natural Love 4th Sphere Mansion / Mind Worlds

MoC 650 – 840

Natural Love 2nd Sphere Mansion / Minds Worlds

MoC 500 – 650

Natural Love 1st Sphere

MoC 200 – 500

We all enter the 1st natural love sphere on the death of our body.

One's natural love is always progressively perfected during this journey of evolution of the soul.

Upon embracing Divine Love at any stage, then one can progress through the Divine Love spheres 3, 5, 7, whilst also doing their Feeling-Healing.

Even though a person may have received Divine Love, they do not avoid compensation or doing their Feeling-Healing, so they may still spend time within the spheres of disharmony.

Natural Love planes for those doing their Feeling-Healing, without the Love, are within the Natural Love Mansion Worlds:

Progressing through the natural love spheres, within Feeling-Healing planes, while doing one's feeling healing, upon reaching the 6th Sphere having completed Feeling-Healing, one can then embrace the Divine Love and proceed directly to the 7th Divine Love Sphere.

Then they may prepare to enter the Celestial Heaven Spheres from there.

This is pathway is when, or should, the Divine Love not be available before perfecting one's soul.

So to speak about all your feelings as you were just writing on your childhood repression blog, is the way to fully accept yourself, to finally have your say, to bring out all you wanted to say but which has remained repressed and hidden inside your soul. <http://childhoodrepression.weebly.com/> And by having your say, you are standing up slowly expressing to the world all that you are, all of your personality, as you liberate those aspects of it you've been denying. So you are effectively saying: this is me, I am this, these feelings, this is what I am. Your feelings being the true you. And as you're living in a negative state, so your healing has progressively taken you back into yourself liberating all your repressed early childhood feelings and all others you've denied as you've grown up, all so you can accept all the negative, all the bad, all the wrong, all the sinful, all the evil you are. And as you do, the truth shows you that you aren't naturally this way, you were not created sinful or evil, and that actually you are they very opposite, loving – a loving child of God.

As you see the truth of yourself, seeing how you've been forced into such an unloving self-rejecting state, you are able to stop being how your parents made you be, letting go of all the beliefs and resulting behaviour that has kept your self-denial in place. And this is self-forgiveness. You are forgiving yourself for being bad through the acceptance of all your bad feelings. And as you do, the Divine Minister will alter your mind circuits from the negative to the positive, so gradually you'll feel more self-love and so loving of all, and able to accept and be loved by all.

It all might sound impressive speaking about Laws, such as Compensation and Forgiveness, but really they are merely the truth as it is. It is by law, by truth, that such things happen to you. If you choose, even if it's forced on you, to deny yourself, nature and God, then certain truth, or laws guide you in what you can do in this negative state and how it will be for you. And the same applies if you go the other way.

As you accept yourself wholly through the acceptance of ALL you feel, the truth, which is the law, means you must live according to it, which you'll naturally do through your feelings without needing to control yourself in any way with you mind. So if you live growing in truth, then all of Creation will support you in this, everything will make you feel good, the Law of Attraction ensuring it. You will attract good things to you, which means – it's another way of saying it – that your soul will manifest good feeling experiences making you feel loved. And conversely, if you deny truth, then the truth you are living means the law decrees that your soul manifests bad things, so bad things are attracted to you, bad things happen all to make you feel bad, because in your unloving negative state you are NOT MEANT TO FEEL GOOD. So to feel good in this state means you are doing something with your mind to make yourself feel good, you're not feeling good based on natural feelings arising within you. And to go even further: YOU CAN'T FEEL GOOD IN A NEGATIVE SELF- AND FEELING-DENYING STATE OF BEING. So all anyone says that are good feelings, or that is love, is not true, it's false and mind contrived, this being what Mary came to you wanting you to understand all those years back when you first started writing with her.

And as hard as it is to understand, conceive of, to believe and to FEEL, all so-called good feelings of love in a negative minded and willed state are false, it is the huge truth humanity is to one day fully accept. It means all anyone is doing that is making them feel 'good' and 'loved' is wrong, and were they of a positive mind and will, wouldn't be doing it, including all relationships.

So I wouldn't be having any of the relationships I have had or are having were I healed?

That's right, except the one with Marion. You would still be having it with her because you are both choosing to live true to your bad feelings within it. So the love you feel for each other is real and true, only you don't as yet recognise truly feeling it because it's too heavily overshadowed by all the bad and false feelings of love and feeling good you feel.

So everything is the opposite to how I have felt it to be?

Yes, as it can't be anything else, because you're living in the negative. Even the bad things were really good things, because they were to show you your life and yourself were not right. And you are all struggling away trying to make yourselves feel better, good and loved, because you feel so bad. And yes James, even those people who seemed to be more free during their early childhood, feeling more 'loved' and being able to be more 'happy' in life. Everyone has to do their soul-healing (or feeling-healing) in the end, or face annihilation, as one day all of Creation will be perfect. However that day is a very long way off, and so people and spirits will have a lot longer to live experiencing the negative if they want to.

And so Jesus, really we can only take your word for it that God – that the Mother and Father, are loving, as we've never felt Their love because we can't feel it being in an unloving state. We can't truly experience Their loving us, because we're not able to experience such true love.

That's right James. The place within yourselves to which you and Marion are now coming to.

So what about the love I feel when I long for Their Divine Love and feel it coming into me?

That is true and real feelings of love, although many people also contrive such feelings, but the ones you have felt are real and true because there is a little of you that is real and true with which you are able to feel it. Everyone has at least a little of their true self still present with which to feel the Divine Love truly. And that little has resulted from your spiritual investigations and your accepting of all James Padgett wrote.

So no one is totally negative – evil – without any of their true self?

No, not on Earth because Adam and Eve didn't outrightly rebel, they only defaulted. So you've all had to accept the rebellion by default, it being imposed on you. And because of this you all still have some remnants of your true self.

Just like how we've still got some remnants of nature left?

Yes. You see James, you are being true to your unloving state when you feel the Mother and Father don't love you, for how can They? You ask, when they put you in it, when They gave you the unloving parents you had. And all of these feelings of hating Them for making you suffer and of being angry with Them, are what you need to accept and express and find the truth of, as you are both doing.

Where many people have problems is that they believe what I have said, and that is fair enough, as they

want good things to happen to them, they want the Mother and Father – God – to love them; however they want to believe God does love them all to avoid feeling bad, and that only binds them more in their unloving condition. And then, as shown by how people in the Christian churches act and what they believe, they have to convince themselves and pretend that God is loving them and they do feel that love and they greatly love God, because really they're feeling bad underneath it all. But it's all being done with the mind, so it's all false love.

To go the other way and accept and embrace and fully live true to all the unloving feelings you feel, from your parents and what you believe are from God (yet are only still from your parents, as God does and can only love you), is you being true to your unloving condition. You are not trying to avoid or deny it, you are willingly accepting it and seeking to understand what it's all about. And only by doing this will you actually heal it. And then once that is done, once you feel and accept that you don't feel loved by God or anyone else, not even yourself, then you will be able to embrace and feel true love, as no longer will your mind be in the way making you feel you are loved, when you're not.

The whole negative experience, the whole of evil, is the very opposite to the positive and love, but very few people or spirits can just be evil. They have to instead pretend they are not bad, that they are loving and happy and good just as you see everyone doing. And in a religious sense, the Christians are really very good at it. They carry on with the pretence saying how much they love God and believe in Jesus, when it's all an act, and a desperate one at that. For it doesn't take much for them to feel threatened, so they all need to go around trying to convince everyone else to join them – safety in numbers, for surely if everyone believes, then it will be true. All nothing more than minds trying to convince other minds they are right. So the Christians and almost everyone else, very quickly say, they are good, they are loving, they are obeying and following the laws, and non-Christians are bad, they are the evil ones, when in fact everyone is evil. But as you can't accept you are, you say: that person is worse than I, they are evil, they are sinful, they are murderous, they are wrong and I am right. They are untrue; I am true. But no one is true, no one can possibly be true in a self-denying state of mind or system of living that's evolved from it. So Mary and I tell you all that what you do is unloving and untrue, and one day it will all go. One day life on Earth will be the very opposite of how it currently is, it will be all-loving, humanity will be all-loving, true and positive minded and willed.

I wish that one-day would be tomorrow.

Feelings first

By living true to ourselves, true to our feelings, we are living true to God. It's that simple.

Release one's pain through expressing one's feelings.

in conjunction with

Longing for the Truth when also longing for Divine Love.

To liberate one's real self, being one's soul, is by embracing Feeling Healing so to clear emotional injuries and errors. With the Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

Our salvation IS by embracing Feeling Healing with the Divine Love.

God's Divine Love: Pray for it, ask for it, and receive it.

Please Mother and Father, may I receive Your LOVE.

“Every day is a day of devotion.”

Follow your heart, follow your love and do that in loving action, your inner love leads in your asking the Soul of God to receive a little of the Love to strengthen one's resolve to heal.

“I love you Father.” “Let the Divine Love proclaim its energy into my soul.”

“Mother – Father, I desire your Love and I am loving you.”

“Soul God, I love you and I love receiving and experiencing your Divine Love.”

“True Soul God, I am here, I am aware of your Love. Please hear my aspiration for your Love and as I approach you from my soul, I can feel your Love in the way that you are loving my soul.”

Try it; give the Feeling Healing and Love a go! If you want to shine, receive the Love.

One can simply receive the Love without following any religious or spiritual teaching taught by man!

Emotional errors and injuries cause encrustment around the soul, the soul is never damaged however, the encrustments retard love energy flow to and from the soul. Feeling Healing melts such injuries.

The Three Great Truths:

- **“God is Soul, being our Heavenly Mother and Father;**
- **that each individual soul is a duplex – both male and female;**
- **and that the Divine Love is freely available for all to receive.”**

EXPERIENCING RECEIVING DIVINE LOVE:

Be still and quiet; reflect in silence. Love is present. Keep asking, longing, and never cease: this is your part. It is your cooperation actively engaged that brings the transformation and continues the process.

You cannot see it; sometimes you will experience it as simple quietness and calmness. This is as pure and real as any other experience, whether demonstrative joy through laughter and dance, or other expressions.

Divine Love is present; it is always present. It does not fade or disappear. Rest, relax and breathe. Pray and wait.

Maintain daily prayer and meditation. When you do this you are building a home for the dwelling of the Divine Love. Your continual invitations establish an attitude of welcome to the Divine Love. These build a bridge for the Divine Love to carry you to new and higher levels of change and transformation: places of new realms for your soul growth and development.

The Voice of Divine Love

~~~~~

As the receiving of the Love is always assured when longed for and asked for, the experience of receiving may become apparent by the occurrence of a warming embrace in the region of the third eye chakra, or with some, around the heart chakra region. This may be very subtle and gentle for some and may be for a few moments or extend for some time. Many do not physically feel the Love embracing them and this is totally fine, nevertheless the Love is being received.

On a few occasions, one may feel the love through the third eye region and then feel it expand as if it were to become a warming buzzing 'hat band' progressively expanding around one's head. This can intensify and feel as though one's cranium is about to pop off! Should this continue to intensify, then the sensation may flow down one's main meridian to the base of one's spine. Now that is something else! Relax and enjoy the great gift for this can be an experience that may continue for a short while or for quite some time.

Always, when one longs for the Love, it will shower over one's body and be absorbed in through the spirit body chakras into one's soul. Occasionally the Love will overflow from one's soul and some will reside within one's spirit body. At no time will you be discomforted. This light golden blue energy substance is the ultimate high octane super fuel gifted to us by our Heavenly Parents to us all.

**FEELING HEALING and SOUL HEALING with the DIVINE LOVE:****James Moncrief Publications:****all publications are free downloads:**<http://divinelovesp.weebly.com/my-free-books-and-free-padgett-messages.html>

It is suggested for one to consider reading as follows:

**Speaking with Mary Magdalene and Jesus – books 1 – 4**

These four books encapsulate the second of the revelations with the first having been introduced by James Padgett one hundred years previously. These four books provide a wide range of guidance that has never previously been made available.

**Paul – City of Light**

As a gentle intro into the Divine Love and Healing; being James Moncrief's first novel and it's been criticised as being too heavily clichéd, but that's the point because it's a reflection of how he was back then.

**Ann and Terry**

For an example of people who might want to immediately start working on them selves and doing their Healing.

**Feeling Bad? Bad feeling are GOOD**

For more understanding about our denial of our feelings and why we should not deny our feelings, and it includes how it all came about for James, using himself as an example.

**Feeling bad will make you feel BETTER – Eventually!**

This includes specific examples of Marion and James working on expressing particular bad feelings, again with the hope that it will help others gain something of an idea as to what's involved in doing your Feeling Healing.

**Sage – and the Healing Angels of Light**

Through Sage who's 13 years old, the story is primarily about the two aspects of healing; that being, with the help of our angels, and the full Healing we can do by looking to our feelings for their truth.

**Religion of Feelings  
Feeling Healing****Welcome to LOVE – the Religion of Feelings  
you can heal yourself through your feelings**

So these books, including the four Speaking with Mary Magdalene and Jesus books, provide the essence of it all and are examples of James' work. Then it's up to whatever takes one's fancy. Other reading to consider may include:

**The Padgett Messages being published as:****The True Gospel Revealed Anew by Jesus volumes 1 – 4****Book of Truths by Joseph Babinsky****The Urantia Book****Release one's pain through expressing one's feelings.****in conjunction with****Longing for the Truth when also longing for Divine Love.**

**FEELING HEALING with DIVINE LOVE is SOUL HEALING:**

*A collection of 'papers' that draw together specific topics including all of the above and more from other sources of information and revelation designed to help increase one's awareness about why we have the problems we do and how to heal them, all whilst living a more healthy and sustainable life. They provide a brief snapshot of the more complicated topics and issues.*

**Firstly, consider discovering the truth of your emotional pain through Feeling Healing.**

**Secondly, consider longing for our Heavenly Parents' Love as you progress with your healing.**

**Primary and most important readings are the writings of James Moncrief.**

**Then consider the Padgett Messages, and then The Urantia Book.**

**DIVINE LOVE and DIVINE TRUTH Revelations and Teachings escalating:**

**The opening up of the soul permits a permanent exchange with Divinity, a permanent recharge of this healing energy that allows not only the re-establishment of lost health, but the continuity of health, providing such a perfect balance, even in the physical body, that noxious agents like bacteria and virus cannot find any opportunity to unchain pathological reactions, which we commonly call illness.**

**But it is true that people without the benefit of Divine Love would lack the protective shield, which the intrinsic healing energies of Divine Love provide for those who pray for our Heavenly Father's Grace.**
