PASCAS INTRODUCTION:

Documents assembled by Pascas are provided for your individual assessment and exploration. The contents are sourced from a variety of avenues and publications. Every endeavour is made to determine that the contents are of the highest level of truth and veracity. At all times we ask that you go within yourself, to ascertain for yourself, how the contents resonate with you.

Pascas provides these notes and observations to assist us all in the development and growth of our own pathways and consciousness. Pascas does not hold these contents as dogma. Pascas is about looking within oneself. Much of what we are observing is new to us readers and thus, we consider that you will take on board that which resonates with you, investigate further those items of interest, and discard that which does not feel appropriate to you.

Kinesiological muscle testing, as developed by Dr David R Hawkins and quantified by his Map of Consciousness (MOC) table, has been used to ascertain the possible level of truth of documents. Such tested calibration levels appear within the document. We ask that you consider testing same for yourself. The technique and process is outlined within Pascas documents, such as Pascas Care – Energy Level of Food. From each person’s perspective, results may vary somewhat. The calibration is offered as a guide only and just another tool to assist in considering the possibilities. As a contrast, consider using this technique to test the level of truth of your local daily newspaper.

Contents are not to be interpreted as an independent guide to self-healing. The information sourced herein is not from a doctor or doctors, and any information provided in this document should not be in lieu of consultation with your physician, doctor, or other health care professional. Pascas, nor anyone associated with this document, does not assume any responsibility whatsoever for the results of any application or use of any process, technique, compound or potion as described within this document.

The sources of contents are noted throughout the document. In doing so, we acknowledge the importance of these sources and encourage our readers to consider further these sources. Should we have infringed upon a copyright pertaining to content, graphics and or pictures, we apologise. In such cases, we will endeavour to make the appropriate notations within the documents that we have assembled as a service via our not for profit arm, to our interested community.

We offer all contents in love and with the fullness of grace, which is intended to flow to readers who join us upon this fascinating journey throughout this incredible changing era we are all experiencing.

Living Feelings First, *John.*

“Never can one man do more for another man than by making it known of the availability of the Feeling Healing process and Divine Love.” JD

CONSCIOUSNESS and EMOTIONS:

Consciousness = Soul Condition. One's Soul Condition is equal to the average of all of the held emotions. Soul condition is the sum total of all of the different emotions, desires, passions, etc., all wrapped up together in terms of how much love there is in every one of those.

Note:

The Map of Consciousness (MoC) table is based on the common log of 10. It is not a numeric table.
 A calibration increase of 1 point is in fact a 10 fold increase in energy.
 A calibration increase of 10 points is in fact a 10,000,000,000 fold increase in energy.
 Thus the energy differentials are in fact enormous!

NATURAL LOVE or HUMANITY’S ERRONEOUS EMOTIONS:

Your soul, being your real you, is an emotional being. Your soul, though a thought of God, does not possess anything of the divine within it. It existed in a state of bliss, in a natural love state, pending individualisation which is achieved at conception which is the time of incarnation. Your soul is endowed with natural love emotions noted within the top section of the Map of Consciousness scale, being those emotions calibrating above 200.

Humanity’s erroneous emotions are those calibrating below 200 on the Map of Consciousness. The environment around a newly conceived child progressively degrades the condition of that child’s soul. When the child reaches about the age of 7, the child’s soul condition will reflect the parent’s condition. These negative emotions are like a crust around the pure soul it has within.

KINESIOLOGY MUSCLE TESTING:

Holding in mind the scale developed by Dr David R Hawkins, namely, Map of Consciousness (MoC) and at the same time an object or a statement or a person, one can test for the level of truth of such things.

That is, a statement can be calibrated as truth or not true. The level of truth then can be calibrated in reference to the Map of Consciousness (MoC) scale.

The kinesiological response (muscle testing) is a simple “yes” or “not yes” (no) response to a specific stimulus. It is usually done by the subject’s holding out an extended arm and the tester pressing down on the wrist (bony bit) of the extended arm, using two fingers and light pressure. Usually the subject holds a substance to be tested over their solar plexus with the other hand. The tester says to the test subject, “Resist”, and if the substance being tested is beneficial to the subject, the arm will be strong. If it is not beneficial or has an adverse effect, the arm will go weak. The response is very quick and brief.

It is important to note that the intention, as well as both the tester and the one being tested, must all calibrate over 200 in order to obtain accurate responses.

If either the tester or the one being tested is dehydrated, errors will occur. A large glass of water will promptly remedy this situation.

In this way, you can explore the quality of information that now follows.

Our Intelligence is Soul based. The capabilities of discernment, e.g., by kinesiology muscle testing, expands only with the growth of our Soul’s intelligence. Upon conception, the creation of both our Spirit Body and Physical Body occurs, bringing forward our unaware Soul to start our journey. Upon death of the Body, the brain dissolves. The mind continues to grow in the Spirit Body until we progress through the 7th sphere into the 8th sphere at which point we are ‘born again’, one with God, entering the Celestial Realms, and the mind is no longer. Our soul intelligence grows as does our soul expand with the ever increasing infusion of Love from God, Divine Love.

SUPER SENSORY SENSES

The real you is your soul.

Spirit people cannot see the soul until they progress to the 8th sphere. Spirits tend to believe that their spirit body is the soul, that is not so.

SOUL  SPIRIT BODY  PHYSICAL BODY

The super sensory senses are within the soul:

- Soul has many, many senses.
- Spirit body has much higher senses and capabilities than the physical body.
- Body has five sensing tools – sight, smell, touch, hearing, and taste.

When the soul receives Divine Love, even the super sensory senses continue to grow.

Physical Body	↑	we first generally develop our physical senses.
Spirit Body	↑	mind / brain development starts.
Soul	↑	soul development is typically ignored on the planet.

Soulmate development is soul to soul.

Once we open up our soul, we cease to depend upon our bodies, and connect soul to soul.

Visibility: Body - limited sight of colour.
 Spirit - expanded visibility.
 Soul - complete spectrum of colour.

Negative emotional issues lodged and stuck within the soul then manifest in the spirit body, and subsequently emerge as pains and illnesses in the physical body.

The energy, plasma, being attracted to the stuck emotion can cause the injury to grow and grow and grow.

HEALTHY MERIDIAN or OBSTRUCTED MERIDIAN:

The etheric body, being your spirit body, is the template for the physical body. Much of the energy you need for the physical body is supplied by way of chakras and the meridian lines throughout your etheric body. These meridian lines reach from your toes to the end of your fingers or top of your head. Each set of meridian lines is connected to a specific organ of your body. Each organ functions at a different vibrational frequency.

In like, many negative emotions, which are also of different vibrational frequencies, if not allowed to pass through your bodies, will find their lodgement within fields of related frequencies within your body and organs. Such negative emotion, being those calibrating under 200 on Dr David Hawkins' Map of Consciousness, may lodge anywhere in the bodies, typically on the meridian line of the related organ to which it relates to and was attracted to.

Such slow vibrating negative emotion is a plasmatic magnetic energy ball. It can grow and grow by being fed the same fuel coming from a continuation of the same emotional injury. This stuck ball of energy will restrict the movement of needed energy flow along the meridian. This will result in discomfort, then pain, and then may manifest in illness in the organ or in aspects or regions of the body related to that organ.

Allopathic / western medicine treats the symptoms, however the cause remains held in the bodies resulting in a further or similar health issue or a reoccurrence.

The negative emotion, possibly having been held since very early childhood, can be easily removed.

Issues within the subtle bodies are energetic magnetic fields that can be removed by your focused intent to recognise the issue, locate the issue, and enable the bodies to release the emotion with the support of additional magnetic energy being provided to your governing meridian down your spine. Such healing modalities include the Emotion Code and Body Code practices, as an example.

The ultimate way to improve your health condition is to long for and receive Divine Love, this love slowly but steadily grows your soul condition and results in erroneous emotions and injuries being released from your bodies.

MONTY PYTHON and the HOLY GRAIL – BLACK KNIGHT:

When one’s soul is plagued with vindictiveness, evilness, guilt, blame and destruction, or plummeted to even lower levels of being despising, miserable, shameful, humiliated and seeking elimination, there is no illumination within the soul at all. It is a being in a state of total darkness, in the depth of all the hells.

IT’S JUST A FLESH WOUND!

The soul has now collapsed to the size of a dried up pea, or prune! The capabilities of the soul of keeping the spirit body in tact are stretched to its full capacity. The soul frequently has to draw the spirit body back together, that is, enable the spirit body to go fetch its limbs and re-attach them!

The environment is one of total darkness and despair. However, we can all recover from this position and grow in love and progress to the Celestial Heavens. There is no position from which we cannot recover from. For you see, we are truly invincible!

No soul has ever been separated from its spirit body.

No matter how low our soul condition may fall, we can, and all of us will, be assisted and loved and helped to grow in love and light and progress to realms of beauty and grace that will be our destiny. By asking for and receiving Divine Love, this happiness will be ours much sooner than we can imagine.

LUMINOSITY of the SOUL can be LIKENED to the FOLLOWING:

1st sphere, lower regions – Natural Love MoC 50+/-
The soul condition of a soul that is obliged to spend some time within the ‘hells’ may be no bigger than a dried garden pea. There is no luminosity and the environment is total darkness.

The typical soul condition of humanity is such that they generate the luminosity of a single candle.

1st sphere, mid regions – Natural Love MoC 210

A soul that has grown in love and soul condition equivalent to the 8th sphere – the point of becoming at one with God, the luminosity of such a soul is equivalent to the midday sun.

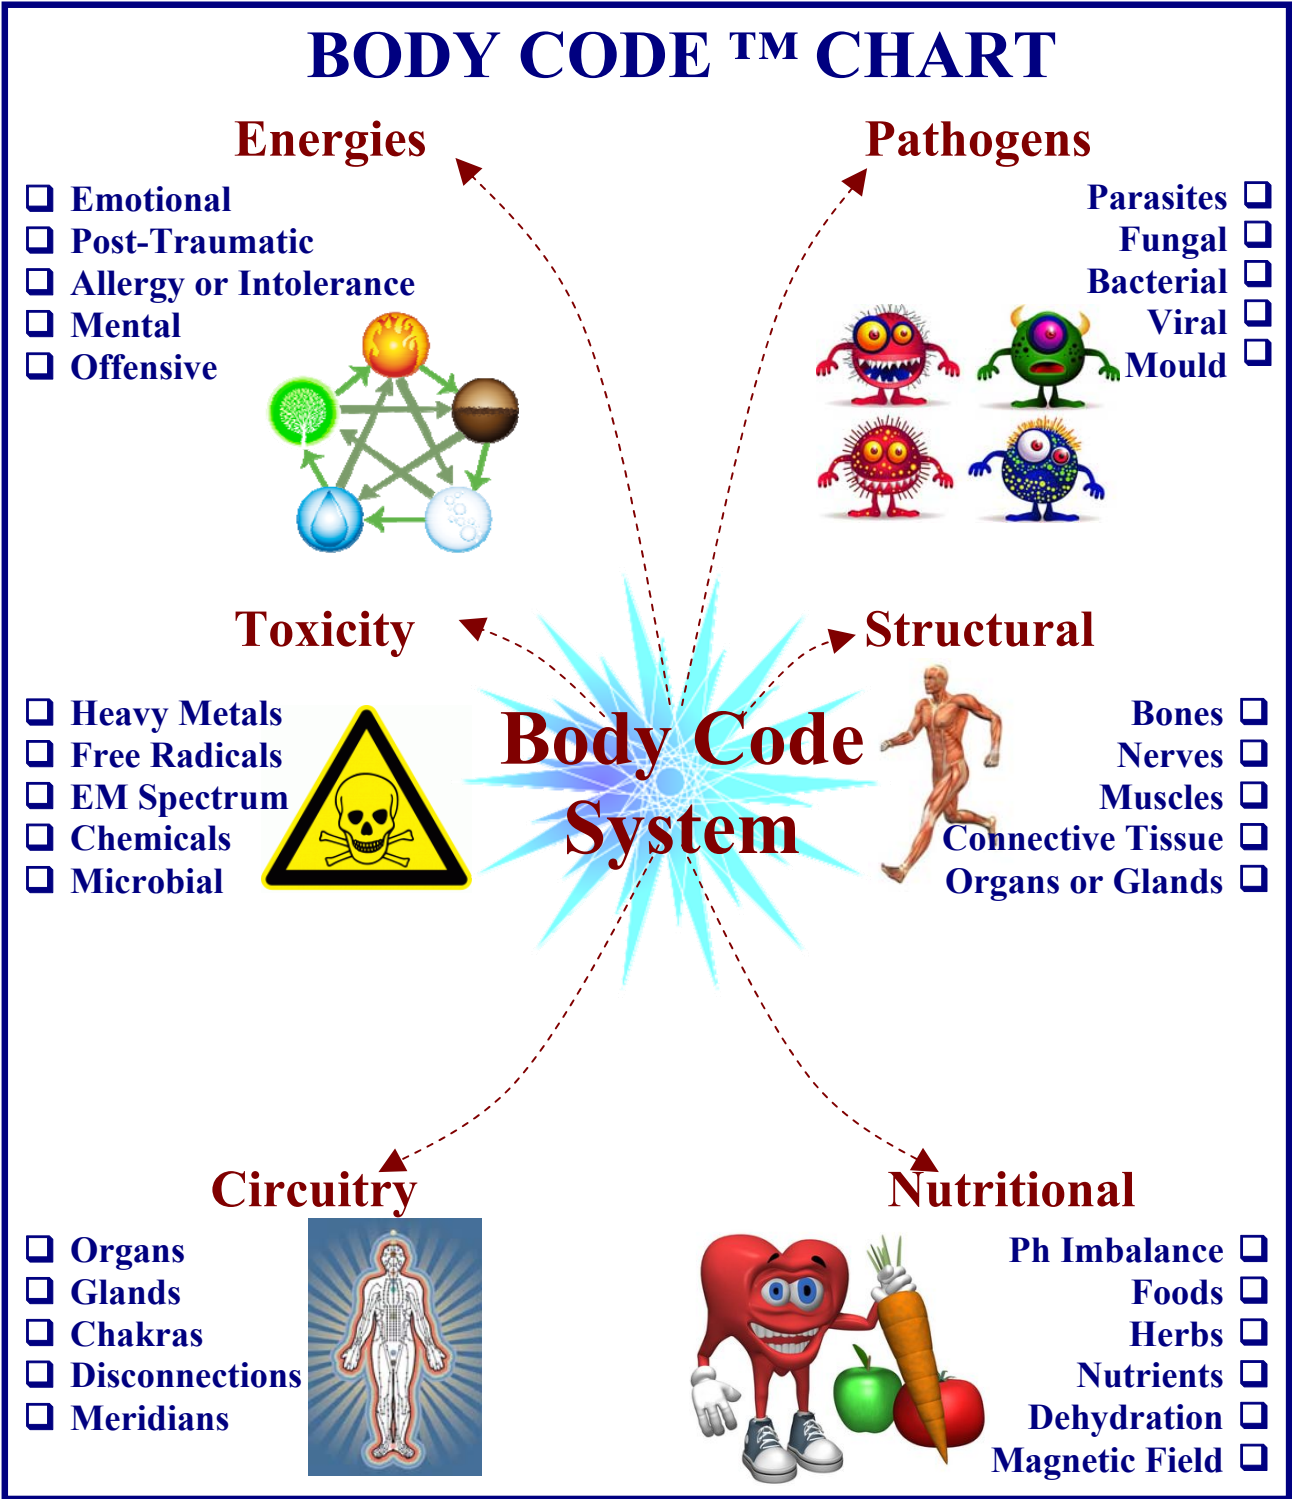

8th sphere – only possible with Divine Love! MoC 1,000+

EMOTIONS affect SPECIFIC ORGANS:

Emotional injuries and held errors have specific energy signatures and vibrations. So does each part of our physical body. Errors held within one's mind affect the flow of energies through one's spirit body, the spirit body is the template of the physical body. The resulting energy flow constrictions then initiate issues, and then pain, and then illnesses within the physical body.

	Column A	Column B	
	Row 1 Heart or Small Intestine	Abandonment Betrayal Forlorn Lost Love Un-received	Effort Un-received Heartache Insecurity Over joy Vulnerability

EMOTION HOUSE CLEANING:

We are emotional beings, a mixture of loving emotions and unloving toxic emotions.

Toxic blocked emotions such as shame, guilt, apathy, grief, fear, unloving desires, anger, and pride, are ultimately physically very damaging. Should these issues not be released they can also assign us to the hells. You can envisage these as being within your untidy basement, each tread in the stairs being one of these emotions.

Praying for God's Divine Love and embracing Feeling Healing will commence to tidy up your basement and bring you into a higher soul condition as well as better physical health.

Continue on with your Feeling Healing and the addressing of your emotional issues while always asking for and receiving Divine Love. This will bring brilliance and lustre to your first floor of your dwelling, now that the basement is clear.

It is far easier to progress up these stairs with the aid of receiving more and more Divine Love than try on your own.

As you grow in love and pass beyond the 1st sphere (floor) into the 2nd sphere (floor) you enter the realms of love, you no longer are dominated by fear. Few achieve this beauty and cleanliness.

Should you progress above the 2nd sphere by continually asking for and receiving Divine Love, then your negative emotional issues are now diminishing. Now being in the 3rd sphere, you are progressing towards the Celestial Heavens. Your home is now one of increasing beauty.

MAP OF CONSCIOUSNESS

Map of Consciousness represents the emotional and spiritual fields within the kingdom of man which is Spheres 1 – 6.

Consciousness is soul condition, as one's soul condition improves, it expands in size as it grows in love.

The scale is exponential, grows at a factor of 10.

Soul expands as it grows in love and condition.

Un-happiness Domain

A newly individualising soul is just a tiny invisible spark.

The soul nests inside of the spirit body, never to be separated.

PERSONALITY

Soul ——— Spirit Body ——— Physical Body

The life force for the spirit body and the physical body is via the soul. The spirit body is connected to the soul via cords of light, and in turn, the physical body is connected to the spirit body via cords of light. Should the light cords between the spirit body and the physical body be disconnected then the physical / material body dies. The physical body is our starting point for learning and experiencing our being. Our learning and growth experience then continues through the existence of the spirit body.

Life Practice Matrix - Feelings First

EMOTIONAL INJURIES can be INDICATORS of PHYSICAL DISTURBANCES:

A number of similar harmful suppressions and repressions of emotional events will draw their energies together and also relatively similar injuries to that core, thus bringing about a unique cluster of held, damaging energy that then finds a home in a compatible organ or area of the physical body.

The foundation of such accumulations can commence immediately upon incarnation, being projections from one's parents and subsequently other family members.

The core emotional injuries grow and grow through relatively similar ongoing emotional patterns of parents and carers, thus creating the foundations for discomfort and subsequent illness within a child, and later on in their life. Due to the complexity and intertwining of the natures of those influencing a child, there is NO precise relationship between core and related emotional injuries – and specific illnesses or the nature of an illness – even though the patterns do suggest that this is so.

It is a generalisation that a range of emotions within a similar energy or frequency band find their manifestation by expressing themselves as pain and illness within one's body in predictable locations. Further, due to clustering of volumes of ongoing emotional injuries around the core issue, the healing process is complex and lengthy. The longing for truth of one's feelings resulting from the discomfort within one's body will be a lengthy process of working through the huge range of emotional issues directly related to any one illness event.

The gift to humanity is that any emotional injury gives us the opportunity to FEEL and LONG FOR the truth of what is behind the discomfort within our body, so that we may express what we recognise and talk the harm out of us – in this way we slowly heal ourselves – both spiritually and physically.

By ignoring what our body is bringing to our attention, by suppressing the discomfort, we bring about further escalation of the emotional error and a growth in the potential for greater vigour in the activity of the energy related to the frozen cluster of emotional injury. This may result in even more difficulty managing pain and disease within one's body.

This discomfort is a call to long for the truth behind what your body is drawing attention to and talk about what you are feeling, expressing what you feel is behind these issues, being your emotional errors and injuries, and express it out of you – release the injury.

OUR BODY NUDGES US TO LONG FOR TRUTH!

Should our physical body be without discomfort, pain and illness, we would not have any reason or prompting to pause for a moment and wonder what is behind such intrusions to our ‘harmony’.

In this way, our body guides us into asking for the truth behind such discomfort – to long for the truth behind our emotional injuries. Should we ignore these communications then our body will amplify its signals. They will strengthen progressively until we not only engage in our investigation into the underlying cause of the pain or illness, but also start to express what we are feeling – talk it out of us.

By expressing what we are feeling will not resolve all the pain until we have totally completed all of our healing. If we were able to resolve individual issues in this way, one by one, we would stop our healing process, our Feeling Healing. That would defeat the purpose of our body being able to assist us with our total healing of ALL of our childhood suppression and repression.

“We are parented heavily by our parents who use our and their physical bodies to control our emotions, feelings, mind and will. And we are forced to change from being true to being untrue – how they want us to be. Then through our Healing our physical bodies help us back the other way, from being untrue to being true. Our bodies show the damage done, giving rise to the necessary feelings we need to make us feel bad so we can use those feelings to keep uncovering the truth of our wrongness. With our soul causing our body to show the damage when it’s time for us to attend to the required feelings.

“Our parents inflict pain that changes us from being true to being untrue. And then when we do our Healing, our bodies express that same pain, giving rise to the same feelings, so we use them to heal ourselves.

“Our body is hurt and changes us. When we do our Healing, our body hurts and we change again, back into what we should have been.”

Note from James Moncrief 2 June 2018

Thus, it can be considered that Feeling Healing is the pinnacle of all healing modalities and that all health care systems (Allopathic, Ayurvedic, Traditional Chinese Medicine, etc.) are complementary when they do not shut one down from simply FEELING.

Our bodily discomforts, both physical and mental, remain with us in varying degrees until we transition into being Celestial – in at-onement with our Heavenly Parents – following completion of our healing all our childhood repression and suppression.

PHYSICAL DISCOMFORT is a COMPANION through out OUR FEELING HEALING:

We are to uncover the truth of our untruth through the Healing crying Mansion World levels (and their equivalent on Earth); and then once that's done, and with the appropriate amount of Divine Love in our soul warranting fusion with our Indwelling Spirit, we can move into the Celestial spheres of love (or their equivalent on Earth).

Spirit Mansion World 3 equivalent on Earth: is for waking up to the truth that you're not loving and starting to get in touch with your pain, starting to accept your bad feelings, starting to work with them instead of rejecting them.

Spirit Mansion World 5 equivalent on Earth: is then about going right into the depths of them, feeling how unloved you feel and seeing how unloving you are and how that makes you feel, bringing out the majority of your pain, your misery, fear, anger, guilt, hatred, boredom, terror, rejection, nothingness, feeling powerless, alone and abandoned, and so on.

Spirit Mansion World 7 equivalent on Earth: is then about still working with the deepest and residual bad feelings, whilst looking to sort out how you wrongly relate to yourself and others, nature and God because of being unloving, understanding how your relationships are unloving, how you don't connect properly, how unloving you really are and why and fully accepting the truth of it, coming completely to grips with your parents not loving you as you needed to be loved – sorting it all out, including your self and feeling expression difficulties.

One's acute pains – such as headaches, hip / joint / back pain, etc., all of which can be crushing and feel like they are too much – may be to do with the actual breaking down of controlling beliefs. And then associated with them, and perhaps even resulting from them, comes all one's repressed emotions and feelings, namely, fear, misery and anger, they being the big ones, together with feeling powerless, useless, too overwhelmed that you can't go on, broken, unloved, unwanted, uncared about and so on. All these feelings and emotions are also painful, but are a different pain to when you feel like your mind and some part of its control is being broken down. Usually, when the mind breaking pain passes, you then move into deeper emotions and feelings to be expressed, feeling like you are progressing in letting go of your untrue self, giving up more of your falseness – evilness. These intense 'mind-breaking' pains come intermittently, sometimes many together, sometimes for a short time, sometimes over weeks, months, even years. So overall one's Healing may feel like it's one long mental breakdown, with all the additional emotions and bad feelings that need to be released along the way. All of which are trying to bring one's will back into being as it should have been had it not been so interfered with.

Accept, express and long for the truth of your feelings.

Live true to your feelings; your feelings are your true self. Be free in your feelings. Free your feelings from your mind's control. Live true to yourself through your feelings.

BODILY PAIN is OUR FRIEND:

Our body stops us largely through pain, allowing us to pay closer attention to ourselves and our feelings. The pain is there for us to deal with, embrace and accept, to want to know why we have it, what is really going on deeper within us that is causing it. And by expressing our feelings of pain, and longing for the truth of them, we can use it to heal all that's wrong within us. This being our Feeling-Healing.

However as we all rightly hate pain, we do all we can do to stop it as quickly as we can, so we rush off to the doctor, take pills, drugs, busy our mind trying to 'take our mind off it', all of which is dismissing these feelings that are there to help us. So by denying our pain we are further denying ourselves, which in turn is going to further (at some point) cause even more pain.

Our pain is to make us slow down, to pay closer attention to what we really are feeling. It comes about to stop us running away from the hidden truth of it, that which relates to our relationship with our parents and how they treated us, causing us such pain. All our pain (pain on all levels, including the physical) is the same pain our parents have made us feel. And we need to use it to find the truth of this. So even toothache pain can stop you, leading you deeper into yourself, helping you express all the terrible emotions and feelings it makes you feel, all so you can uncover more truth of your relationship with your parents and early life.

So in doing our Healing, we try to put off rushing to the doctor or seeking immediate help to remove even the slightest pain, choosing to instead put off such visits or taking pills whilst trying to express and seek the truth of such pain. However when it drives you to seek help, of course you do whatever you want to do to take it away, all the while expressing all those emotions and feelings and longing for them to reveal the truth you are to see about yourself.

So our body and its pain is our friend, used by our soul to help us come back to being closer to ourselves, to living true to what we are feeling and to set us free of our mind control and denial of pain.

CHILDHOOD TRAUMA

Pole Shift

Pole Shifts are our own very personal life experiences. They are as dramatic as the physical pole shifts that the planet Earth endures from time to time. However, our own life events are far more important.

At the moment of conception we are in a perfect state. From the moment of conception we are overwhelmed by the well meaning endeavours of our parents, immediate family and carers. They do not know what *true* love is, they have never experienced it, so we are not *truly* loved by our carers and teachers. We are crunched into submission by everyone within our environment. Our Natural Self Expression is all but obliterated! We are crunched into being someone else that others impose upon us. We are made into 'bad apples'. We proceed through our life experience, after our parents' well meaning but misguided endeavours, and have this falsehood strengthened by our educators, then our religious organisations, then our employers, all overseen by our governments. We have no way of expressing our true selves.

Now, for the first time in history of humanity, we can reverse our early Childhood Repression and Suppression and invoke our own counter Pole Shift. We can to liberate ourselves from our imprisonment within our mind that was imposed upon us from conception to around six years of age.

We can through our Feeling Healing embrace our feelings, both good and bad, long for the truth of what is to be revealed to us about such emotional events, and express such revelations to a companion and begin the climb of the pole to Natural Self Expression of our true personality. The task is painful, long and arduous; however, we are to liberate our true nature, our true selves of natural love, and in this way we will grow to be who we truly are, a child of our Heavenly Parents – and with Their Love, we can become Divine.

This is the Pole Shift that all of humanity is to engage with and grow from. This is the Great U-Turn.

SOME NUMBERS:

Currently, each year we have:

130 million live births
44 million abortions
50 million or so miscarriages

224 million conceptions /
incarnations per annum.

6.5 million child deaths per
annum. About 5% of those born do not
make adulthood.

123.5 million of those incarnated
make it to adulthood.

55% of those incarnated make it
to adulthood.

45% of those incarnated do not
have an adulthood life experience.

Natural love and Divine Love, and
indeed soulmate love are quite different
energies. Soulmate love is not natural
sexual love. Soulmate love is the only
natural love that matures and continues
with us into the Celestial Realms being
beyond the 8th sphere.

Just to step back a little to the above
statistics. For each abortion there are at
least two adults involved. As there are
44 million abortions each year, then 88
million adults may be involved in that
process. That means that two out of
every three live births, that is 66% of
adults become participants in abortion.

Global estimates of INDUCED ABORTIONS:

	1995	2003	2008
World	45,600,000	41,600,000	43,800,000

<http://www.mswm.org/abortions.worldwide.abortionstatistics.htm>

BABIES born Each Year; 130,000,000
It is estimated that there are approximately 130 million
babies born throughout the world each year.

**Miscarriage reportedly occurs in 20 percent of all
pregnancies. This may be an inaccurate number. However,
many women, before realizing a life has begun forming
within them, may miscarry without knowing it. Therefore,
the miscarriage rate may be closer to 40 or 50 percent.**
<http://www.allaboutlifechallenges.org/miscarriage-statistics.htm>

World murder rate: 7.6 per 100,000 people per year.
The NUMBERS: Violent deaths worldwide, 2004:

Total:	740,000
Homicide:	490,000
Indirect consequence of war:	200,000
In war:	50,000

Over one million people die by suicide every year.
**There are an estimated 10 to 20 million non-fatal attempted
suicides every year worldwide.**

<http://en.m.wikipedia.org/wiki/Suicide>

DEATHS worldwide per annum: 60,000,000
**Pollution causes about 40% of deaths worldwide, i.e., are
caused by water, air and soil pollution.**

Firstly, consider discovering the truth of your emotional pain through Feeling Healing.
Secondly, consider longing for our Heavenly Parents' Love as you progress with your healing.
Primary and most important readings are the writings of James Moncrief.
Then consider the Padgett Messages, and then The Urantia Book.

The SOUL CONDITION of BABY at CONCEPTION is PRISTINE:

A feeling of God creates our soul personality, the soul then splits into male and female elements. At the time of creation of the soul, the state of the soul is that of natural love as of the 6th sphere. The location of the soul at that time is not of the 6th sphere. The soul halves are then attracted to different parents.

Baby at 8 weeks

The two soul halves may be incarnated up to 20 years apart, male and female halves are never in the same family.

Emotions flowing to unborn baby, then born baby, from those around the baby.

During gestation and early years after birth, the soul condition of the baby drops from the 6th sphere state to the level reflecting that of the parents and of those in frequent contact with the baby. Kinesiology testing repeatedly shows that the consciousness level, soul condition, of the child reflects that of one or the other parents all the way through their childhood until such times as to when they leave home and commence their independent life and establish their own environment.

generations

OUR BLOCKED EMOTIONS FLOW DOWN FROM GENERATION to GENERATION:

Childhood illnesses, and illnesses of baby within the womb, stems from blocked emotions passed down from generation to generation, resulting in malfunctions in the foetus.

We are a product of all that has come before us.

Our own soul condition is reflected in our children.

To assist baby, as well as yourself, work and pray to clear your blocked emotions.

Clearing your negative emotions improves your soul condition as well as that of your children.

Baby's body, when conceived, is always perfect. Their soul condition is also perfect.

EARTH BOUND SPIRITS may not see SPIRIT BODY of NEW BABIES:

When a spirit person grows in love and progresses from one sphere to a higher sphere, then that spirit person becomes invisible to all those remaining within the lower sphere. The vision of a spirit person is incapable of seeing a spirit who is in a higher loving sphere unless that spirit enables themselves to be seen. Our soul remains invisible to all, this is why most spirits are unaware of themselves having a soul. It is the soul's condition that illuminates the spirit body.

The soul condition of the newly conceived baby slowly lowers from the condition of the 6th sphere where it was residing pending incarnation which is individualisation. The condition of the soul will eventually reflect the soul condition of its parents which are typically within the 1st sphere condition.

Earth bound spirits see a newly conceived baby, however, they cannot see the spirit body that is attached to that baby as the soul condition is from within a higher sphere. A spirit person cannot harm any other person nor cause them to do harm to themselves.

The EXPERIENCE of LIFE by the BABY in the WOMB:

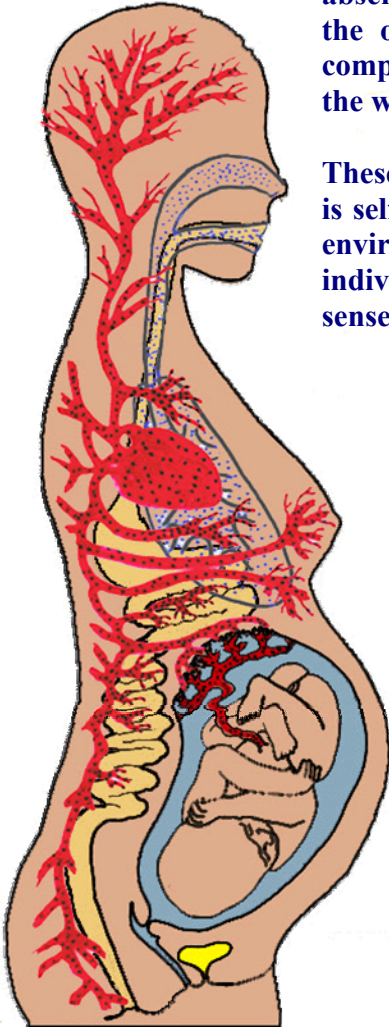

From the time of conception an infant is sensitive to the presence or absence of love as feelings of comfort or discomfort. One feels good and the other doesn't. This child has no idea how to seek love as it is completely subject to its environment and knows only how to respond to the way that it feels.

These early experiences of love have a great impact on a child as the child is self-focused and has no concept of others outside itself. Its immediate environment is its world in which it has begun its process of individualisation and development of its personality qualities. The prime sense to which it responds is its sense of the presence or otherwise of love.

This is very basic but remains the most important sense for a human throughout its life. This may seem strange until you really think about it.

All of the most important responses a human makes are based of feelings and the most important feelings are those related to love because these are totally basic. Whatever supposedly sophisticated devices of discernment are overlaid on this, the basis remains the sensitivity to love.

You begin your life with natural love and it is in the context of this love that you live most of your life. In effect it is the main environment in which you live and function and your awareness of it depends on the love that you feel within you and which you express rather than the love expressed by others. You appreciate the love of others to the degree that you allow yourself to receive it. If you are closed to the love of others you will not attract it. Giving and receiving are inextricably entwined and can never be separated.

An UNBORN BABY'S 1st HEARTBEAT OCCURS 16 DAYS after CONCEPTION:

A research team funded by the British Heart Foundation (BHF) at the University of Oxford says a baby's first heartbeat is now far earlier than was previously understood. [Dr. Susan Berry](#) 12 Oct 2016

Further research confirms that the heart first starts to beat between days 16 through to 19.

What happens when a child dies. 15 March 2013
Speaking with Mary Magdalene and Jesus, book 1

From the first heartbeat the incarnating person is technically living a physical life, and so if death occurs, it will move into one of the spirit nurseries. If it should 'die' before the first heartbeat, the soul merely 'withdraws', initiating incarnation when the next opportunity arises for its soul-personality. And of course as you know, there is no reincarnation, so when your soul starts you in Creation and you achieve your **first heartbeat**, then you're underway, be it on Earth or in spirit to Paradise, this being your ascension of truth.

As soon as the spirit body separates from the physical connections, there is no longer any pain, this of itself as you might well imagine greatly adding to one's good experience. The dying person, be it a child or an adult, has a good experience in death, especially once the pain has gone should there be pain; it's the people they might leave behind on Earth who don't understand this and who are suffering feelings of loss and deep grief, that have the harder time of it.

An unborn child is taken to spirit nurseries to be cared for. And within those nurseries they are looked after through the remaining time of their gestation period; then are 'born' into spirit life; then to carry on growing up as a spirit child of the Mansion Worlds. Many of them, just as with unwanted physical children, are fostered out or adopted by spirits wanting to be parents, this enabling a lot of people (who are now spirits), who for one reason or another couldn't have children on Earth, to have the experience of parenting. Even carrying the child to full term can be simulated so as to give the 'mother' the experience of being pregnant. The 'father' having his experiences as well. And of course lots of people who become spirits love being involved with children and so become spirit parents or simply involved in looking after the infants and young children of the nurseries.

The Heart commences to Beat as early as Day 16 after Conception:

Until now, researchers thought that the first time our heart muscle contracted to beat was at 8 days after conception in mice or around day 21 of a human pregnancy. Now, a team funded by the BHF at the University of Oxford has demonstrated earlier beating of the heart in mouse embryos which, if extrapolated to the human heart, suggests beating as early as **16 days after conception**.

- Parents have NO understanding of blocking emotions.**
- Parents have NO understanding of causal / core emotions.**
- Parents have NO understanding of Law of Free Will.**

Mother believes love is service.

Accordingly, the child adopts that love is service.

The parent’s emotion is impressed upon the child.

The child then believes it must serve the parent – this is a co-dependent linked emotion.

WE ARE NEVER MEANT TO BE ALONE! SOULMATES become SOUL-GROUPS!

Our soul individualises into two personalities, as a male and female, always. The two soul halves are soulmates. When the two personalities complete their Feeling Healing of their childhood suppression and injuries, then the two personalities will find each other, either whilst in the physical or in the Celestial Heaven spirit worlds.

The personality that each soul half is blessed with by our Heavenly Parents is the personality that we are to express throughout our journey for eternity. It is the suppression of the free expression imposed upon us by our parents that requires for each of us to under go our Feeling Healing. Whilst we are suppressing our true selves we do not connect with our soulmate.

Soulmates form into soul-groups. Once in the Celestial soul condition, soul-groups form consisting always of twelve (12) soul pairs. A soul-group consists of twelve sets of soulmates, twenty four (24) individuals. When we progress beyond the Celestial Heavens, towards Paradise, the home of our Heavenly Parents, we do so as a soul-group of 24 personalities. We can achieve Celestial soul condition here on Earth and also form our soul-group here on Earth.

Now add to this scenario, soul-mates and soul-groups. All those who were Celestial would have met their soulmate and it would be the priority for them as soul-mates to be perfectly living true before they considered having children. And then these soul-pairs would link up with other soul-pairs and form soul-groups. It would be just a natural part of one's inner feelings and events in one's life that would lead one to do this. Then the whole soul-group would become a functioning *family* unit. Each of the couples would have their children, but the whole group would function in helping to share in the upbringing of all children. And this would then enable the children to be intimately involved with other people who would offer them the things that their parents could not.

Humanity is not meant to live and raise children just two parents struggling along trying to cope best they can. We are designed to be in small groups so that we can compound the love and support for and of each other.

SPIRITUAL SUPPORT and DELIVERY PROCESS

Divine Love spirits from the Celestial spheres 8 to infinity may need an inter-mediatory who is a Divine Love spirit from the lower spheres to assist with our growth. Such higher sphere spirit's direct energy is just too powerful for lower sphere incarnates (us) to withstand.

The second, fourth, six spirit spheres provide principally for mental and moral advancement, whereas, the third, fifth, seventh soul spheres are the Feeling Healing with Divine Love Mansion World spheres.

SPHERES: KINGDOM of MAN – SPIRIT WORLD

The first 7 spheres have logical and clearly defined end points both at the 6th and 7th spheres. Therefore a sequence of numbers is useful as a reference. Within each of these lower spheres there are many stations or sub-spheres so to speak through which beings move. There are barriers preventing movement from one to a higher one until the necessary changes have been made. The 6th sphere is the ending point for those who are following what has been referred to as the Natural Love Path.

There exists a barrier between the earthly levels and the spirit levels and this is largely man-made. This barrier has been built on fear and is made of belief.

Spheres:

7 The 7th sphere is the transitional stage between the lower spheres and up into the Celestial Realms.

6

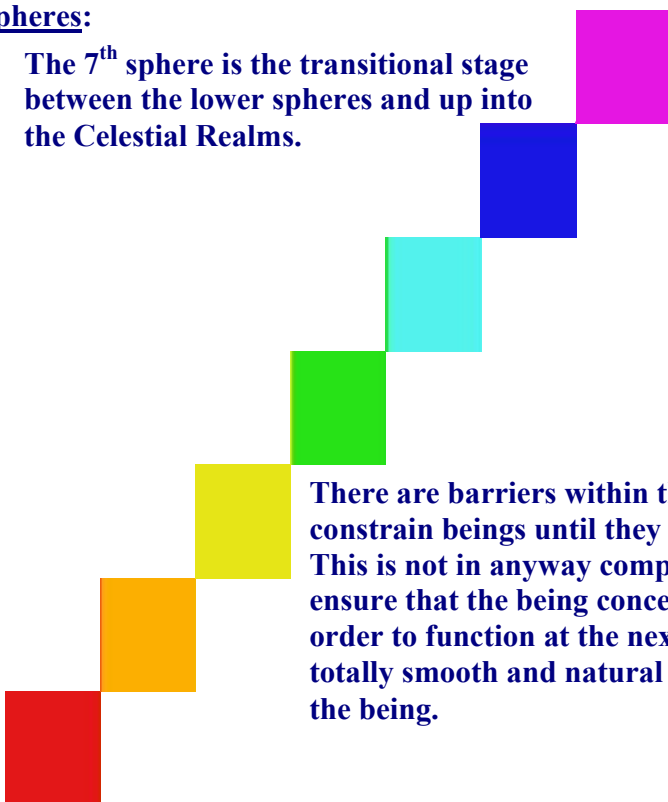

5

4

3

2

1

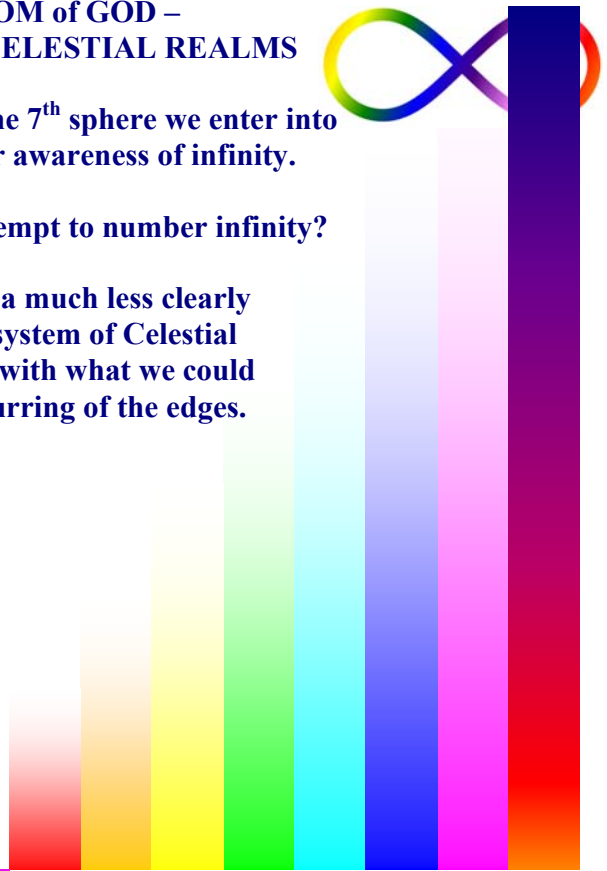

There are barriers within the structure of the spiritual realms which constrain beings until they are fit to make the move to a higher level. This is not in anyway competitive or subject to examination but is to ensure that the being concerned does know what they need to know in order to function at the next level. The transition, when it happens, is totally smooth and natural and dependent of the level of knowledge of the being.

KINGDOM of GOD – CELESTIAL REALMS

Above the 7th sphere we enter into a greater awareness of infinity.

Why attempt to number infinity?

There is a much less clearly defined system of Celestial Spheres with what we could call a blurring of the edges.

Each of us who are within the Celestial Spheres knows who he or she is and knows what we can do. That one might be a little or a lot further along the path makes no difference to the mutual love that we feel or the level of cooperation that is found in every endeavour. If one is further along, that one is then committed to helping all others to come along. There is absolutely no sense of competition. That was left behind long ago.

INTELLIGENCE, MIND, BRAIN:

Prior to conception, we are only a feeling of God. Our parents attract us thus creating our spirit mind and body brain.

Soul does not know sexuality.

PERSONALITY

Spirit Body has organs, being material body for spirit world, spirit body reflects condition of your soul.

Our Intelligence is Soul based. The capabilities of discernment, e.g., by kinesiology muscle testing, expands only with the growth of our Soul’s intelligence. Upon conception, the creation of both our Spirit Body and Physical Body occurs, all with the engagement of our unaware Soul to start our journey. Upon death of the Body, the brain dissolves. The mind continues to grow in the Spirit Body until we progress through the 7th sphere into the 8th sphere at which point we are ‘born again’, one with God, entering the Celestial Realms, with an ever expanding mind. Our soul intelligence grows as does our soul expand with the ever increasing infusion of Love from God.

This is what happens to our soul when we refuse to deal with our emotions. Everything around us starts dying, everything is affected negatively around us.

Every time you get frustrated and angry, you are affecting everything around you, not only yourself, you are affecting every living thing as well as every non living thing around you.

What needs to be dealt with is our emotion.

Block causes the emotion to fly out in all directions.

SOUL CONDITION = CONSCIOUSNESS:

Therapy applied to the spirit body is via an energy therapist who may work on the chakras, whereas a chiropractor works on the physical body. Such type of therapy deals with the effects and ignores the soul and the causes. If you focus on the soul, that is the most powerful tool to improve yourself.

Our soul is an energetic system, emotions are running constantly. Our soul's emotions cause energy meridians in our body. The 7 chakras are where 192 energy meridians intersect. These are energy meridians in our body that our soul has control of. Our soul's emotions control them. What is happening is that, let's say I have an emotion of unworthiness, and I have this unworthiness emotion that causes damage to these two energy meridians, 1 and 2. If my unworthy emotion is related to myself and I am a male, then I will have a certain response in those two meridians. Now that causes energies in my physical and spirit body to not flow properly in that region, which causes my body to not be able to completely replenish that area, which causes disease in that area of some kind, depending on what type of emotion that is and depending on how that energy affects that area of my body. But it is this, the soul is swirling mass of energy. This soul is your real self, swirling with energy all the time.

Energy in motion – E-motion, this is your soul, the real you.

It is where the energy is stopped, blocked, due to certain emotions, your soul not wanting to experience the emotion.

At that location, there will be an injury appear in your spirit form, and correspondingly, the injury will appear in your material form.

That is the creation of all disease.

HIERARCHY of HEALING SYSTEMS:

ALLOPATHIC – Western Medicine treats the symptoms, is highly regulated and costly as it is cost driven.

ENERGY HEALING – Eastern Therapies also treat the symptoms with the assistance from natural love spirits from the realms up to the 6th sphere.

Therapy applied to the spirit body is through an energy therapist who may work on the chakras, whereas a chiropractor works on the physical body. Such types of therapy deal with the effects and ignore the soul and the causes.

EMOTIONAL PROCESSING and CLEARING deals with the cause. Soul level clearing and growth provides permanent solutions whereas the other two systems provide temporary relief.

If you focus on the soul, that is the most powerful tool to improve yourself. Improving your soul condition is the ultimate goal.

Soul condition is the sum total of all of the different emotions, desires, passions, etc., all wrapped up together in terms of how much love there is in every one of those.

ASPECTS of LIFE:

The spirit body is composed of a different kind of matter, "finer" or more "ethereal". The fact that its aspect reflects the condition of soul is a clear indication that the soul influences largely its formation, and even more, the soul is indeed the creator of this body, which covers it and provides it with the characteristic of individuality. The formation of the spirit body begins at the moment of incarnation of the soul in the foetus, incarnation which only takes place should there exist a high probability that the spirit of life has found in the new organism a stable biological structure, allowing it to carry out its life-giving function.

P529 Judas of Kerioth 8th May 2002

At the moment of conception, we incarnate, that is, we achieve individualisation and become self aware and we are then able to exercise our free will.

At the moment of conception, our soul, being our real self, is creating the newly forming embryo and everything else every step of the way as Judas says above. And our soul utilises our parents' life forces to achieve incarnation.

At the moment of conception, there is nothing of the Divine within us. Only as we proceed to ask for and receive Divine Love does our soul slowly and progressively change into the nature of that which is Divine. As our soul receives Divine Love, and embraces Feeling Healing, it will grow, and grow, and grow in brilliance and into that which is Divine.

The REAL YOU is the SOUL:

One's personality, natural intelligence, memory and human attributes all are soul based. The soul initiates conception so it can start expressing one of its two personalities in Creation. It creates the will, then 'wills' the spirit body and physical body and all that connects them with the will into being. Our soul constantly sustains or expresses us, one of its two personalities, in Creation. The spirit can't separate from the soul because the soul keeps it in existence. We need our spirit and physical bodies to experience our personality through. When the spirit body separates from the physical body, one continues on living in a different form without losing any of the attributes experienced during physical life. Incarnation is the process of individualisation of the soul.

Without a soul, our physical bodies would function and interact similarly to that of a domestic animal. An unsouled human body (thought not possible) would respond like a household puppy! Domestic animals calibrate on Dr David Hawkins' Map of Consciousness between 200 and 250, the human body calibrates at 200. All animals have spirit bodies, these do not survive into the spirit Mansion Worlds. Our SOUL IS NOT ENSOULLED IN OUR SPIRIT BODY. Our soul exists existentially in a whole different level or plane or place or dimension of being – 'soul land'. It doesn't exist in Creation, it's not experiential like Creation is. The soul, all souls, help create their part of Creation by expressing their personalities into Creation, and then by having their personalities do things (further create) in Creation.

Our first parents, Andon and Fonta (also called Aman and Amon), were the first to exhibit human perfection hunger some one million years ago (993,500 years ago). Adam and Eve, Adamite bestowals, arrived some thirty eight thousand years ago – or earlier.

Aman and Amon were the first True Humans, which means, the first soul expressing its soulmate pair, its two personalities, in Creation – on Earth. From which came forth the rest of us. So they had a soul from the start, which separated them from their animal parents. It's the soul that wants to fully express itself through its two personalities perfectly in Creation, which is the so-called 'human perfection hunger'. It, our soul, wants to be Perfect like its Heavenly Parents, the Soul that Created it. We, focused as personalities, want to be perfect, like the Personalities of our Mother and Father that are Perfect. Our soul wants to be like Their Soul. Our soul wants to ascend us to Paradise so we can be with Them, as physically close to Them on a personality level that we can be, and then see what happens.

There were aunts and cousins, parents and grandparents. But they were not human like Aman and Amon – they were really animals, though of the same species. Aman and Amon wandered off from the family, since they could find no way of relating to them at all. How could they? They were incapable of rational thought, speech, or anything human. Aman and Amon knew that forevermore that they were apart.

Aman and Amon may have been twins. They were indeed a primate species of humanoids. But they, themselves were more beautiful than their animal relatives, and they knew, even from their very appearance, that they were marked even by Nature to be different.

OUR JOURNEY of GROWTH in LOVE
 All we need do is to ask for God's Divine Love – it is that simple.
 Ask directly, no intermediaries needed.

Souls, being thoughts of God, are ready for incarnation in their billions. These souls are at the level of the 6th sphere in a natural love state, however, they are not within the 6th sphere perse. These souls are not self aware. Prior to incarnation, they do not express free will. There is nothing of the Divine within the soul. They have an instinct to incarnate. Incarnation of the two soul halves, male and female aspects, typically occurs within a 5 or 6 year time frame, however the timing may be 20 to 60 years apart. To become conscious of self, you must incarnate. This is the individualisation process.

The soul half that incarnates is the one most suitable for the characteristics and character of the attracting parents. Upon incarnation, one's soul condition adjusts to reflect the soul conditions of those around it, typically reflecting closely the soul conditions of one's parents. Upon completion of individualisation process, that is incarnation which may be only a short experience in the mother's womb, we never need return to the physical state. To be able to return to our Creator, Father, we need to use our free will and ask for His Divine Love.

MEDICAL PROCEDURES and RESEARCH

Sometimes You Can Find a Needle in a Hay Stack!

While traditional allopathy medical research focuses only upon the physical body to resolve illness events and health issues, they continue to be like blindfolded mechanics endeavouring to repair motor vehicles.

The physical body is animated by the spirit body, and in turn the spirit body is animated by your soul. The spirit body is of much finer substance than the physical body, and the soul is of an even finer substance, hence research technology in the physical world cannot comprehend these bodies.

Your soul is home of your emotional injuries and errors. These emotional issues create fissures and damage within your spirit body. Subsequently the injuries within your spirit body generate illness within your physical body, at the corresponding location as in the spirit body.

Illness is generated by your soul, however, healing is also generated by your soul. Releasing the emotional injury in your soul heals the physical.

“All dis-ease is mind generated, and all healing is generated by the love energy of one’s soul.”

The Ego (mind based) manifests illness; the lower one’s level of consciousness (soul condition) then the more prevalent will be illness. Below the levels of 200, the ego and fear of the mind dominate; however, as you raise your level of consciousness by growing in love and achieve a level of 500 or higher, you begin to transcend ego dominance. At the level of 600, all healing is possible.

An earnest longing for God’s Divine Love is the only way to transform one’s soul. This longing is severely retarded and the reception of God’s love impaired whilst one’s soul is dominated by erroneous beliefs which are in the form of negative emotions. The releasing of and clearing of these emotions are essential to progress from the 1st sphere and 2nd sphere. These major emotional blocks are removed by the time one progresses through spheres 3, 5, and 7 by engaging in Feeling Healing.

SPIRITUAL HEALERS & HEALING:

Healer whose soul condition is above earth plane (2nd sphere or higher) and is open and receiving Divine Love will be able to attract Divine Love spirits from 5th and 7th sphere, and also Celestial Angels (8th +++) who have healing capabilities.

Patient, should he/she be open and receiving Divine Love, will be cured – permanently. When God is involved this way, wonderful and complete recoveries frequently occur.

God is fully involved, faith is high with all parties.

Healer whose soul condition is above earth plane (2nd sphere or higher) and is open and receiving Divine Love will be able to attract Divine Love spirits from 5th and 7th sphere who have healing capabilities. Patient not being open to Love.

Patient will have relief from health issue. Unless he recognises the underlying cause, the core emotional error, which created the illness, and releases it, then a similar issue may reoccur.

God is welcome and partially involved.

Healer whose soul condition is above earth plane (2nd sphere or higher – over 500 on MoC) will be able to attract natural love spirits from 4th and 6th spheres who have healing capabilities.

Patient will probably have relief from health issue. Unless he recognises and releases the underlying cause, the core emotional error, that created the illness and releases it, then a similar issue most likely will reoccur.

God not involved. Spirits and people self reliant.

Healer whose soul condition is in the earth plane state (MoC under 500) will typical attract spirits who have no healing capabilities. Should the patient also be in the earth plane state (1st sphere condition) and have no faith in the practice then healing probability is negligible.

God not involved. All parties self reliant. Patient has no faith.

SPIRITUAL HEALING CONDITIONS:

Only when the healer is at one with God (8th sphere soul condition) can he, directly with God, heal a person, who has faith.

Practical ultimate conditions for healing: Healer on Earth is engaged in Feeling Healing and seeking and receiving Divine Love and is in a 2nd sphere soul condition.

Person seeking healing is also seeking and receiving Divine Love, if only to a limited degree.

Healer will be sent Divine Love angels from the Celestial Realms (8th sphere and higher) and they will act as conduit for our Mother and Father. All parties involved have faith and desire to connect with our Heavenly Parents. Healing will be rapid and permanent.

Healer who is above 1st sphere soul condition can and does attract natural love spirits from 4th and 6th sphere to assist with relieving illness.

If healer is asking for and receiving Divine Love then he will attract assistance from 5th and 7th sphere spirits to assist with healing, bringing relief for the patient.

Should the patient have faith in the process and is endeavouring to grow in love then healings are possible.

Healer, in this condition, is able to break through the cloud of negative emotion enveloping Earth.

Healer in 1st sphere soul condition cannot develop rapport and assistance from spirits who are above 1st sphere. He attracts 1st sphere spirits who masquerade as healing spirits. No healing.

LOVING and UNLOVING EMOTIONS:

They are plasmatic balls of energy.
Loving emotions are life enhancing.
Unloving emotions are life retarding.

Thoughts become Things.....

Emotions are Things.....

Emotional damage can fester and grow should you persist with the issue.

Negative emotions, that are those that calibrate 200 or under on David Hawkins' Map of Consciousness, create energy flow blockages within your meridians that are within your spirit body / etheric body. In the physical, these energy blockages / emotional injuries emerge to disrupt the flow of energy along your nervous system creating mayhem, pain, and ultimately illness. The frequency of the emotional injuries generally relates to the frequencies of specific organs in your body, that is why various emotional injuries are related to various illnesses.

The emotional injuries can be readily removed – permanently.

PLASMA:

Antimatter / principal matter is the life giving energy source.
Dark matter / transitional matter restricts the flow of light.
Matter is the concentration of these energies resulting in physical matter.
Plasma is the building block of all.

FEELING HEALING + SOUL HEALING

To heal one's self is to simply look to see what feelings we are refusing to let ourself feel, and accept them instead of denying them. And to fully accept them, one needs to express them, speak about them, let them have their say, rather than pushing them aside, refusing to let them make you feel bad.

Doing this all with the intention of seeking the truth of why you are feeling them, of speaking about and expressing all such feelings; all feelings you have, but ALL WITH the INTENTION of UNCOVERING the TRUTH THEY WANT YOU TO SEE ABOUT YOURSELF. And it's the wanting to see the truth of them that is very important, because if you just look to accept them and speak and express them, but not seek their truth, then that's all you'll be doing, speaking and expressing them, but not healing their causes, so not fixing the things within you that are making you feel bad. And it's the truth part of it, seeking the truth of your feelings, and so, seeking the truth through your feelings, that's vitally important. It's the truth of yourself, life, nature and God, that is the spiritual aspect to it all.

You CAN'T find the truth of yourself, or anything else, through and with only your mind. You HAVE to engage and look to your feelings. And so if you choose to allow your feelings to 'Show You the Way', then the truth will come as you express them. So to do our Soul-Healing consists of these steps, all of which are ongoing until it's done:

- **Admit you are feeling bad.**
- **Accept your bad feelings, identify what they are.**
- **Honour fully your bad feelings by expressing them, speaking about them to someone who is willing to hear you talk about them, or tell them out loud to our Heavenly Parents. Long for the truth of them. Long for the truth of why you feel bad – what deep within you is causing your bad feelings?**
- **And remember, bad feelings are Good! Not bad. They are not to be despised. And as hard as it is to accept them, they are still you, and a very real part of you. And if you persist in denying them and not allowing yourself to fully live them, then you are only going to keep yourself in your errors making things harder for yourself.**
- **All sickness and suffering, all bad things that happen to you, all your problems, all your addictions – your whole feeling-denying and untrue life, is all caused by your denial of bad feelings.**
- **Every problem in the world is brought about because everyone has been brought up to deny feelings, and in particular, most of their bad ones.**

If one is intent on spiritually evolving and growing in truth, then it's vital, and this is the key, that one looks to use one's feelings as the means to gain and have access to the truth of oneself. You CAN'T find the truth of yourself or anything else through and with only your mind. You HAVE to engage and look to your feelings. And so if you choose to allow your feelings to 'Show You the Way', then the truth will come as you express them.

Doing your Soul-Healing with the Divine Love, is really doing your 'Feeling-Healing'. We are designed — created — to be self-revealing of truth, and so we are all to uncover the truth within ourselves and for ourselves, and all being done by living true to our feelings. **If you accept, express and seek the truth of your feelings, then truth will come to you, and you'll grow spiritually. It's as easy as that. Also it is as easy as it is to long for, ask for and receive Divine Love.**

FEEL *for* TRUTH

The beauty of it all, is the truth comes to you through your own feelings. You don't need to be told it by anyone. You can work it all out for yourself. We are self-revealing of truth, it's how God created us to be, and by being it we'll feel the happiest we can feel. Truth is our great comforter, so when you feel it come up within you, ah it feels so good and you feel just right – perfect!

We know only how to deny feelings, now we can get to know how to accept them. And always with the truth being the most important part.

FEELING TRUTH

If you don't want to uncover the truth of your feelings, then you can keep on expressing them forever but you will never fully heal yourself. Seeing the truth results in the Healing. And to see the truth you need to express all the pain out of you. The two things go hand in hand.

You can accept and express your bad feelings, letting off steam all day long, yet nothing will heal and nothing much will come of it. So this is where wanting your feelings to show you the truth of why you're feeling as you are is so important.

Don't go fishing with your mind, that will shut the truth out from rising up for you. **KEEP YOUR MIND OUT OF IT.** It's a feeling thing, doing your Feeling-Healing. (This is where we erred previously, and this how other modalities are in error.)

You long when you can, then stop longing and keep expressing. And at some point, and it might not even happen immediately, it might happen after days or weeks of expressing the same bad feelings, truth will come to you. And it does, it just comes up suddenly into your consciousness. You just know. You see the picture and you feel it's true. And you know it's true. And THEN your mind can come in and start sorting it out and putting in context.

It's the Truth that we are seeking. It's the End Point. The Reason for doing your Healing. You are to see the whole Truth of yourself. And to begin with, that's the whole truth of your unloving self, of your wrongness, of your evilness, of why you are as you are in your negative unloving mind-controlling state. To be able to fully accept yourself as you are, warts and all. To not fight or resist or try and change yourself, just to accept all you feel and all the truth of all those bad feelings you feel about yourself. And when you do, so you will be healed. You CAN'T heal yourself unless you uncover the truth of your pain, suffering and so the truth of all your bad feelings.

Through our Feeling-Healing we long for the truth of what we're feeling whenever we can. So as often as you can. You want, and REALLY WANT WITH ALL YOUR BEING, ALL YOUR WILL, to know why you are feeling bad. You yearn, want, long and beg and beg and BEG God to show you the truth of yourself through your feelings. So when you are expressing your bad feelings you can stop and long for the truth to show you what's going on, why do you feel so bad, and you can do it any time you think of it or feel to do it.

Heartfelt TRUTH

LOVE
is
Feelings First Spirituality, The New Way

Feelings First Spirituality, The New Way is a contemporary ‘religion’ based on living true to yourself through your feelings. Understanding that all you need in life is contained within your soul and is shown to you through your feelings. And by loving your feelings, by attending to them properly (talking or writing them out of you) and not denying them, you can use them to uncover the truth of yourself – the truth of your soul.

Feelings First Spirituality is not a formalised religion that tells you how to be, that is too controlling and is actually bad for you, limiting your spiritual growth. You can be wholly self-revealing of the truths you need to be, being the person God created you to be, all by living true to your feelings.

Feelings First Spirituality has no formal structure because we understand we don't need one, our soul contains within it all the truth of our spiritual ascent. If we look to our feelings for the truth they want us to see about ourselves, nature and God, then what more do we need! Our true spiritual path is the path our feelings will lead us down, that is, provided we allow them to. This is the most spiritual we can be.

Living the New Way of Feelings First Spirituality

You come to the understanding from your life experiences that how you are is not right, it doesn't make you feel good – that you are wrong in some way. And you want to change yourself, you want to become right, true and perfect – you want to be like God is.

And to do this you need to do your Healing

Your Feeling-Healing is looking to your feelings for the truth of yourself, the truth being hidden in many of the feelings you are not wanting to face in life. So you have to end your feeling denial, accepting all your bad feelings (and good ones), express them (yet not necessarily acting upon them), whilst longing to uncover the truth they are to show you.

Or, you can do your Soul-Healing, which is your Feeling-Healing together with including longing directly to God for God's Divine Love. When you receive the Divine Love into your soul, it will cause your soul to become divine, and it will deepen your personal relationship with God. Long with all your heart to God for God's Divine Love.

Feelings First Spirituality **The New Way**

By living true to ourselves, true to our feelings, we are living true to God. It's that simple.

EXPRESS ALL OF WHAT YOU FEEL, EVEN BY WRITING:

Generations after generation of parents have invoked the control of their minds upon their children. Our minds become contaminated with the confusion and errors of generation upon generation of corruption of how we are to live. Our minds are dedicated and addicted to the control of others. Our mind is like a super strong steel ball encasing our all true feelings which are brought to us by our pure and loving soul. We are taught to depend upon our mind, to discard and suppress our feelings, right from the time of conception. Consider how you were taught at school, more of the mind control domination that our parents instilled in us throughout our early childhood.

Golden Rule: that one must always honour another's will as one honours one's own.

To find truth, we need only look within ourselves to our soul based feelings. We are to express our feelings at all times. We are to follow our feelings at all times. We are to be our true selves at all times. We are not to be the façade self that our erroneous and actually evil mind imposes upon us.

We are to long for the truth or our feelings. As feelings come up, we are to express them to others, be that one's partner, friend, parents, our Heavenly Mother and Father, and even to our self. If you do not have a companion to talk out your feelings, both good and bad, with then talk them out to yourself. By expressing one's feelings, this releases them. Even by writing them down expresses you feelings:

“Write this, your feelings, for yourself. Start with a feeling and write it out. It doesn't have to make sense, it doesn't have to be for anyone, it is for you, it is you, what you feel, and that is all that matters, nothing else. You can be your own friend, friendly to yourself saying its okay Robert (or whatever your name is), you can write what you feel, there is more truth in your feelings than there is in anything else. Your feelings are the truth of you, so you can explore them, flow with them, through all the good and the bad. This is your path Robert, the way back to yourself, the trip you are now embarking on. This is what we want to read, it's what we want to hear about you Robert – all how you are, all how you're feeling. We want to be with you, reading what you write, getting to understand the real Robert, the real Robert that comes out of you as you write. Come to us Robert through your feelings, and you'll be coming back to yourself. And we all want to know the real you, all that's going on inside you – that's what we're interested in, that's what we want you to tell us. – Your unseen friends.”

Note from James Moncrief 8 April 2017

We are to be our true self, not the one modelled by those who were our carers during our early childhood years. We are to express and release the emotional harm thrust upon us from our upbringing and to live by our soul based feelings which are expressions of who we truly are.

Release one's pain through expressing one's feelings.

in conjunction with

Longing for the Truth when also longing for Divine Love.

LONG to KNOW the TRUTH of EACH INITIAL CHILDHOOD EMOTIONAL INJURY:

All emotional processing work address only the top layers over the core childhood repressed injury. None of the modalities reach down to the mother injury, the core of the suppression, thus what relief from such processes is only superficial and at best temporary. Yes, they do identify the underlying cause of the pain and illness, thus this assists in addressing the physical health issues at hand. However, we need to go further, much further.

To heal ourself is to simply look to see what feelings we are refusing ourself to feel, and accept them instead of denying them. And to fully accept them, we need to express them, speak about them, let them have their say, rather than pushing them aside, refusing to let them make you feel bad.

Admit you are feeling bad. Accept your bad feelings, identify what they are. Honour fully your bad feelings by expressing them, speaking about them to someone who is willing to hear you talk about them, or tell them out loud to our Heavenly Parents. Long for the truth of them. Long for the truth of why you feel bad – what deep within you is causing your bad feelings? We must always reach to the core issue, that which occurred during our Childhood.

OUR CHILDHOOD EMOTIONAL INJURIES ARE OUR CORE ISSUES TO EXPRESS:

Should we consider all the emotional injuries infused into each and every child en masse – all together, then each child would look battered and bruised. These absorbed abuses become Childhood Repressed emotional building blocks upon which are built related further errors, all must be recalled and expressed. Start from the bottom and express the core emotional error.

ACCEPT YOUR FEELINGS, SEE THE TRUTH, ACCEPT YOUR FEELINGS:

Feeling bad will make you feel BETTER – Eventually! by James Moncrief

We are to follow our soul based feeling which are always true and loving, not our mind which is tainted by our childhood upbringing.

“My parents stopped me and I to ok over from them. Well I don’t want that way of life – their way – to be my way any longer.

“Saving yourself comes from the full and true liberation of all your denied feelings. Saving yourself comes from the full and true acceptance of yourself. Saving yourself comes from wanting to find the whole truth of yourself through your feelings, both good and bad. Saving yourself is re-connecting with your feelings and your heart of truth, thereby allowing your soul to freely express its personality – all that you are – in Creation.

Saving yourself is learning how to unconditionally love yourself by freely, fully and unconditionally accepting all that you feel.

“By denying any part of ourself we are denying ourself life. We are sending ourself off into the nothing, shutting ourself away in a cupboard, not wanting to hear.

“There is a right way to express oneself. There are universal laws that determine how you do it. And when you do, then you function properly from your inner most levels, from your soul out to the physical. Everything flows and works properly for you, and you are able to express and communicate yourself properly to another person all the while honouring your will and there’s. Anything that isn’t right is a will-infringement and so rebelling against the universal laws having a detrimental affect on you and the other person. And it will one day have to be fixed, because if we want to live truly in Creation then we need to live within, and so true to, the laws of Creation. And as you’ll discover, the laws are the truth, meaning the laws are expressed as truth, so as you grow in truth then naturally you’ll become more perfect, existing correctly within the laws of Creation.

“So if you want to express all you feel truly now with whomever you are relating to, as well as all nature and God, then you will have to heal all that’s untrue within you, hence the need to look back into your early childhood to see where you’ve transgressed the universal laws because of the negative, unloving parenting you received.”

Note: Following the writings of James Moncrief, one could consider that any reference to the Father, by other relevant writers, may be read as a reference to ‘our Mother and Father’. Further, when considering soul healing, then reference to Divine Love could be referred to as ‘Feeling Healing with Divine Love’.

FEELING HEALING is to LIBERATE OUR TRUE SELVES:

One's soul is always true and perfect. It is the source of our feelings. When we long for the truth of a feeling, we are looking within one's self and the truth of that feeling will progressively unfold.

Our mind is that cluttering confused chaos that has imprisoned our soul. Our mind wants control. It demands and causes us great difficulties. One can liken it to a wrecking ball that has encased within it our always beautiful perfect soul, being our real self. The mind dominates our brain. Our mind is stuffed full of our childhood upbringing errors.

Our parents typically followed the chaotic path of nurturing that they were subjected to, and so it goes on, generation after generation. By the time we are six we have allowed our will to be encased by the wrecking ball of errors of our nurturing. We now have to feel through those errors and injuries and free our soul, free our will. Our soul based will is always what we are to express.

Beliefs become Faith, but when we experience it, then it becomes Knowing. And it is in reaching the Knowing that one becomes perfected in that aspect of who and what we are.

When we long for the truth of the emotion, it will most often be unsettling to say the least. This is because there is little that our parents taught us that is in truth. Our will has been suppressed by our upbringing so that we could be like them.

Childhood repression encrust our wrecking ball mind which in turn suppresses our soul based feelings that are in perfect harmony and peace being based on love and truth as given to us by our Heavenly Parents. To shatter the wrecking ball we are to feel for the truth of all of our feelings, good and bad.

SOUL

REVELATIONS

Revelation 1: Our soul becomes encrusted with harmful ways of life, plus negative and erroneous beliefs, these mainly stem from our childhood upbringing and environment. Thus we live untrue to ourselves, we become 'evil'. Whilst we hold to these injuries we limit the amount of Love that we can receive into our soul. To open our soul to the Love we must firstly and progressively feel into our emotional injuries and allow them to be released. Until we emotionally experience past errors and injuries we hold onto them.

To free our soul of damage and toxic emotions we must open ourselves to experiencing them. This is a progressive, slow and uncomfortable cleansing process that we must all experience. Only by addressing the generational injuries will we, as humanity, evolve in love.

To fully divest one's self of our badness, we have to 'go into' our feelings. Call this process of clearing toxic emotions as 'Letting Go', 'Emotional Processing', 'Journey Process' or 'Feeling Healing'. Embracing Divine Love then Feeling Healing becomes Soul Healing.

As part of our Feeling-Healing we will have to work our way into all our feelings to see if indeed they are coming truly from our heart and soul, or if they are being heavily influenced by our mind. And this will then lead us into questioning and uncovering the truth, if there is any, to our beliefs and why we behave the way we do; and is such behaviour based on truth, or is it based once again on untruth, belief, and rules of our mind.

Revelation 2: We can long for, ask for and receive the Mother and Father's Divine Love. The greater our soul is free of error and injury, the more of the Divine Love can be received and assimilated into our natural love formed soul. The Love does not free us of injury, however, it strengthens our resolve to continue on our journey to be free of error and injury, to step away from evil aspects that have been encapsulated within our humanness and soul. It is this Love, the Divine Love, that brings about immortality of our soul and it is this Love that will eventually fit us to enter the Celestial Heavens and progress for ever more onwards to Paradise. These two revelations free us from error and enable us to grow in love ever more.

Immortality with the Love.

Quantum Jump 1

REVELATION 1
James Padgett 1914 – 1923

James Padgett bravely introduced the availability of the Mother and Father's Divine Love and a great deal of additional guidance and information, all of which has been supplemented by Samuels, Judas, Reid and Arnold. All writers were under restrictions of personality and circumstances. Revelation 1 opened the door for humanity.

Quantum Jump 2

REVELATION 2
Marion and James Moncrief 2002
– ongoing

Marion and James Moncrief have recognised the need for one to engage in Feeling Healing and, by their actions, removed restrictions that James Padgett and others above endured, thus JM is able to critique the writings of the past 100 years resolving points of confusion as well as expand on what has been written. Revelation 2 is humanity's turning point.

Due to the extra-ordinary nature of Revelations 1 and 2, humanity with the first Revelation would have continued on into its negative pathway of living, however, combining the first Revelation with Revelation two, now humanity can embrace this turning point and commence its evolutionary growth that has required two thousand years to put in place. This is the greatest event in the history of humanity and very few are aware of such, until we enable others to become aware.

God is God, who is our Heavenly Mother and Father, being SoulMates. There is only one Soul that is God's Soul, that being the Soul of our Mother and Father. Our Heavenly Parents are the First Soulmates; The Two Who Are One who have brought us all into being.

Jesus and Mary are a son and daughter of God.

Jesus of Nazareth and Mary of Magdalene, being soulmates, were both free of sin. Jesus and Mary, combined in their love for us, are our teachers and guidance for us to find our way home to our Heavenly Parents. To start this journey we are to liberate our souls from being entombed within our suppressive minds, through feeling and longing for the truth of our feelings via our soul and peel away our injuries incurred since conception.

Give yourself time to consolidate your relationship with the Mother and Father through the partaking of Their Love. And whilst you are doing this, you can learn about your healing, all that's involved with it, as there are many willing spirits to share their healing experiences with you.

When you are ready it will start happening simply because you will want it to, it all being orchestrated by your soul. And when that time comes you will have developed a strong foundation in your relationship with the Mother and Father for you to work from. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

It is to make longing for God's Love the priority, and then do one's healing; should one want to include God and the Divine Love in one's feeling healing. This is doing your soul-healing as you are seeking to heal your soul of all evilness – of that which made you become evil, and release all the hurt and pain of not being fully and truly loved.

PLASMA and YOUR WELLBEING:

Loving emotions attract principal matter / anti-matter to your soul as you grow in love.

Soul

Spirit Body

Loving emotions enhance your life's experiences.

Your soul blossoms and your spirit state is one of beauty.

This way or that way?

Matter aspect of plasma is the energy that you recognise as your physical body. The energy lines of your bodies are enhanced with loving emotions. Negative emotions impede the flow of energy through your bodies and this brings about difficulties and illness. Love is the greatest energy that you can bring to your soul, spirit body, and physical body.

Attracting Antimatter Plasma results in a far healthier and loving life than by from attracting Dark Matter Plasma.

Unloving emotions cause the soul to loose radiance and to contract in size. Your spirit state experiences are devoid of happiness.

Unloving, negative emotions retard the growth of your soul and your life experiences are generally difficult in all aspects of your living.

A soul's condition is never frozen. No matter what condition one's soul is in, from there it can grow in love. From the poorest state it can grown to

Spirit Body

158. *On the Immutable Spirit Law that Sustains the Spirit Body*

7 December 2012

There is much confusion about the interaction of spirits with humans. This is quite understandable because so few people have truly been able to identify the immutable (unchangeable) Spirit Laws that function and act as a conditional harmony between all mortal spirits and peoples of the Earth.

When one understands the nature of the Divine Love experience and the fact that the Divine Love relates directly with all existing immutable Spirit Laws, then, all that defines the individual emerges with a true perspective of insight and knowledge. From the experience of natural love in a human without any awareness or knowledge of the Divine Love, one will be diminished in their capacity as understanding how these immutable Spirit Laws work and work they do to provide a mortal universal harmony between the human world and the spirit world.

The reason I mention this is to state that the individual human personality in its forming has the attribute of soul and spirit body to it and the spirit body is robust and a true existing body of real form, of real spirit energy, of real substance and image. I along with Celestial spirits can see your spirit bodies clearly and easily, and each spirit body to each individual clearly reveals to us, the condition of the soul, which instantly tells us the overall condition of the mortal personality to its condition of forming. I can see if a spirit body has commenced its change by the receipt of the Divine Love or a change in a progressed natural soul condition.

The spirit body is a bone-fide attribute and the most important attribute for the survival of the human personality. This means that to the forming of a spirit body, there is an immutable Law that protects each spirit body whilst in a human experience from any influence from a spirit in the spirit world. It has been revealed to you that no spirit can impose their personality *over* a human and this is true, for a particular immutable Spirit Law in its function prevents this from happening and this helps to maintain a harmony between spirits and the human experience. The only presence from the spirit world that can interface with the surface of the spirit body of a human is love and the immutable Spirit Laws allow for this form of communication.

There is a very good reason why the Father / Source Soul has set in place these Spirit Laws and in particular, the one that protects the human spirit body. The spirit body is the body in which the attribute of soul and attributes of personality survive a human life and the transition into the mortal spirit world. If the spirit body or the surface of the spirit body, were damaged or interfered with or in any way interrupted, this could have dire consequences on the personality contained within the spirit body. If spirits were able to penetrate the spirit body and interfere with the personality contained to it, then this could cause a massive transgression that would be potentially capable of disrupting attributes such as the memory, awareness, or cognitive aspects and reality and function in a personality.

I understand that fear forms part of human experience. There is a natural fear for survival and there is fear caused by personality. It is impossible because of the immutable Spirit Laws that act on each spirit body, for a personality in the spirit world to interfere or inhabit the space inside a human spirit body. Any kind of spirit possession is absurd and rests in the imagination of the mortal. Two independent personalities, one being a spirit and the second being a human person cannot inhabit the one same spirit

body. The immutable Spirit Law that acts upon the surface of each spirit body, human and the spirit prevents any such violation from ever happening. The only thing that causes a perception of possession is the fear that already exists in the human personality and or the human imposing fear to fight the existing fear.

Love in its natural and Divine forms, is in their essence a harmony and the existing spirit body that each individual has is like the soul and personality, a sovereign domain to each individual.

Your Celestial friend and teacher, Luke

159. *Communication between Spirits and People*

8 December 2012

Communication between spirits and people obviously transpires. You can receive my thoughts, impressions, perceptions and your spirit body is in no way compromised in its integrity.

Can you receive negative input from a spirit? Of course you can. Your soul perceptions will decipher and discern the information and if the input is coming from a negative source, and you were to receive direct communication from a spirit in poor condition, the impression would stem from the condition of this individual and you would be able to receive it, as you receive harmonious input. The downside to this type of communication is the evidence and effect on your spirit body and energies caused by being in communication with a soul in poor condition. However, in your (the medium receiving this particular message) case because you understand the way the Divine Love works in your life and the related immutable Spirit Laws, the only reason a spirit in poor condition would be in communication with you would be for that spirit to learn about the potential of progression and the Divine Love that will improve their poor condition.

Simply because one is a spirit in no way infers that that spirit is necessarily more advanced or progressed in their soul condition by the mere fact of local environment. A person living in their awareness of the Divine Love will be in better condition of soul and spirit body than any spirit residing in the spirit world living in only their natural condition of natural love. **Spirits in poor soul condition can communicate with you if you allowed this communication to happen.**

Celestial spirits never impose upon your asking to do a work such as this work, *The Divine Universe*. You have asked to be of service and so we can effectively communicate with you and the harmony of this work is an example in the way we are all living in our awareness of Divine Love.

If you (the medium) were to communicate with a spirit in poor condition, it would be because you have asked to provide this service and the individual would be able to interact with you in the correct and only way in which the Spirit Law of Rapport and Communication works and the spirit in poor condition in this communication, can in no way impose or establish any action resulting in your spirit body to lose its integrity. It must be said here that individual spirits in poor condition are so weakened by fear and isolation as their soul condition reflects in their spirit body, that a spirit in poor condition will find it difficult to be in rapport with the Spirit Law of Rapport and Communication between spirits and people. As it has been stated to you before, the immutable Spirit Laws form the boundary between the spirit world and the human world and no spirit can act of them selves in an independent manner outside of these immutable Spirit Laws. Even the Master (Jesus) is to comply as he does with these immutable

Spirit Laws and under no circumstances can fear override or overrule, divert or take the place of these immutable workings.

As you (the medium) have progressed in this experience of our Celestial communications you have been able to determine that no harmful side effects have resulted. You are both (two mediums receiving these messages together) in good soul condition as we who communicate are as well, the Divine Love being true to us all and the activation of the Spirit Law of Rapport and Communication demonstrates how cohesively we all work together when Divine Love is living in our souls. Even if you were to receive a communication from a spirit in poor soul condition such as a soul from the lowest of the natural Spheres, there would be no residual side effects transpiring in your spirit body or attributes of your personality. In fact, I dare say you would handle this communication in a manner that represents and is reflective of caring for another who maybe in their impoverished state, actually asking for a helping hand and guiding word. We actually service the needs of these individuals who are present when we write together as many are brought along to hear our words, these same very words that I am writing with you.

I would like to add here that I know that you are aware of the Indwelling Spirit. These works are not works caused into form by your Indwelling Spirit. These works have their origin in and from living personalities. The reason for this, and a good reason too, the Indwelling Spirit cannot demonstrate living in the Divine Love. We can and we do because the experience of the Eternal Father's Divine Love is real to us and therefore, when others come to read these works this vision and awareness conveyed in these works may sound a note of truth in another who has embraced their experience of living with the Divine Love.

[The Indwelling Spirit helps the Father reveal more of the Father to individual souls so that what is absolute and Eternal can be communicated with so that the Father is not inanimate and unknowable. The Indwelling Spirit helps adjust the spirit body as the changes occur as the soul condition of the individual is progressively transformed by the Divine Love.]

<https://new-birth.net/spiritual-subjects/indwelling-spirit/>

Poor spirits are miserable souls and their environment is a diminished Sphere compared with the other Natural Spheres. We are consoled in the fact that God in the forming of the mortal spirit world has provided these diminished Spheres for the poor soul to reside in, in their disharmony though they cannot cause or create any further disharmony to the Sphere or anyone resident in the Sphere.

If one understands the vision of the Spheres as personality environments, where progression in Love, Spirit and Harmony is the way for all souls, then the more progressed spirits live with real vision and universal experience compared to the least progressed who have no vision at all and cannot relate with the universal realities of harmony, Love and Spirit. When I visited these Spheres I could see the discord that individuals were living in. I needed to bear in mind that these individuals in their retched condition are still part of humanity and souls of the Father. Each individual has placed themselves there, by their actions of living in their human life. I have never heard of a natural spirit from the First Sphere to the Sixth Sphere creating any discord that results in that individual being sent to the Hells below. Just as each individual has put them selves in these Spheres they can change as potential exists so they can progress out of their condition. The immutable Spirit Laws function in these Spheres as they do on Earth or in any of the Spheres and The Spirit and The Divine Love are as present in these Spheres as present in any domain where mortal personality lives. I am afraid to say that these individuals in the

appearance of their spirit body are incredibly small. It is testimony to the personality the soul and the spirit body to survive in such impoverished conditions and testimony to the fact that God's workings still function so that the personality *can* survive when the individual has done absolutely nothing at all to change their situation.

In keeping with the vision of harmony stated in the spirit writings of James Padgett (Book of Truths by Joseph Babinsky), the mortal harmony in the spirit world will be realised and fulfilled when there are no more individuals living in such contradistinction to the universal harmony of Love and Spirit. All I can say is that each individual will be given ample opportunity to increase their potential and then if not it's in the lap of the Father. For just as God can cause a personality into existence by the workings of the Spirit Conduits that function to form attributes such as mind and spirit-mind, The Father is the only authority in all of creation who can work another attribute of Spirit Law that undoes a personality, soul and spirit body that was once formed. In the powers of mortal creation, mortal personality doesn't have a say in affairs that extend beyond its own material creation.

The student of the history of the Divine Love will have learnt that the Father once withdrew the potential for humans and spirits to receive the Divine Love. When it comes to such vast and extensive workings the Father does act and will act and is in this regard, no respecter of personality especially when the personality may choose to continue denying the very source of its own soul life.

Thank you for receiving my message this morning, and this may add some interest into the subject of communication, the spirit body, some conditions of spirit life and the question of mortal existence.

Your Celestial friend, Egl'n

83. *Wrongdoing*

16 October 2012

The condition for evil only exists in a human experience. As a potential for wrongdoing this human experience is not continued in the mortal spirit world. The acting Spirit Laws prevents any further subsequent wrongdoing and, one to another anywhere in the mortal spirit world cannot impose such vile actions. The Spirit Laws of Harmony prevent any further contravention between individuals. The grossness of such actions as imposed by individuals only transpires in a human life. Such actions affect the soul condition and that individual remains in that condition until the action of the Law of Compensation alleviates that condition for the perpetrator of such action and deed has chosen to progress back into harmony. As in all consequences of human living, the soul is present and any such action for good or bad, form part of that individual's condition. The full spectrum of human experience and condition in terms of consequences never exceed the present Spirit Laws and there is never more evidence of this than in the lowest Spheres that are the environments formed by God for such depraved individuals to reside in, so that harmony remains the integrity between all mortal Spheres. The universal potential for change and progression is always present and the divinity of God will help bring about change. Whilst the actions of men and women may result for such transgressive behaviour, the responsibility for all human actions rests with the individual and part of the universal harmony in which all humans and spirits reside in at its most fundamental experience, is never stagnate, for this provides the individual with the potential for change.

The Indwelling Spirit and the New-Birth.

June 25th, 2008, Melbourne Australia

<https://new-birth.net/spiritual-subjects/indwelling-spirit/>

Received by Nicholas Arnold.

I have been with you most of this morning and now we can resume our work together on this subject. Both you and Zara are in the presence of Divine Love and your respective soul condition is very good to receive. In receiving these Messages it is also important to note that you are not in a trance nor do I take control of your physical attributes to convey my message. You are cognitive and for the most part it is a shared communication where your soul and its perceptions listen to my discourse which you then communicate. This is the way you have received all your messages from the Divine Love spirits.

The Father loves nothing more than individuals learning about the individual and Eternal nature of the Father. The Divine Love begins this learning in a definitive way and this continues as the soul condition changes with the receipt of Divine Love. The Father's Soul is the existence of an Absolute Eternal presence with attributes that create all that has become the Realms in all their expression and experience in Universal creation. The Indwelling Spirit helps the Father reveal more of the Father to individual souls so that what is absolute and Eternal can be communicated with so that the Father is not inanimate and unknowable. The simplest way for a soul to begin knowing the Father is through the Divine Love.

Celestial spirits who have a real understanding of the effects of Divine Love in their soul move into the way of spirit love. Celestial spirits are in the Divine Love of the Father actively participating with the Father's Spirit that has become personalised and relates to the mind attribute of their soul. Spirit love is a reality because the physical environment that exists on Earth is not present. The Indwelling Spirit helps us to engage in the greater spirit realities that are pertinent to our existence and these realities increase as we progress in towards the Father. We do communicate with each other in a soul-to-soul spirit-to-spirit form of exchange which does not involve the construct of Earthly mortal language, it is a spirit language which we learn as we progress in soul condition, and the language of spirit becomes more realised. When the Indwelling Spirit communicates with us, it is instantaneous and active as a spirit-soul experience and so, we understand that the voice of the Father is actively communicating with us in the language of spirit and our soul accepts and understands this for our rapport with the Father is solid in Divine Love and our own soul's personalisation of this Love.

To provide a definitive understanding that defines the attribute that is the Indwelling Spirit and why this attribute is distinct from the Divine Love of the Father is in the teaching that Jesus has conveyed in the Padgett Messages that the Holy Spirit conveys into a mortal soul the Divine Love and the Holy Spirit, as an attribute given by the Father, works solely in this way. The Indwelling Spirit in its function does not convey the Divine Love into a mortal soul nor does it interact with the Holy Spirit that excludes the Divine Love of the Father. The Indwelling Spirit helps adjust the spirit body as the changes occur as the soul condition of the individual is progressively transformed by the Divine Love. This Truth is essential insofar as understanding the Indwelling Spirit and the New-Birth.

With love,
Your Celestial friend,
Ezekiel

305. *Contact with the spirit world*

17 February 2013

I am here to write on the various Spirit Laws that exist to maintain the harmony between spirits and people. You are now aware that there is a diversity of Spirit Laws, and that each distinct Spirit Law works its function so that boundaries exist in the spirit world and between the spirit world and the human world. There are Spirit Laws that are distinct in their working in the Celestial Heavens that do not exist or have any need of existence in the social natural Spheres where mortal personalities reside. The distinction made here clearly defines the reality of those individuals who are in their social-natural love or with the Immortal Divine Love and progressing through these Spheres.

It is paramount that any mortal spirit does not interfere with a developing human personality. God, in the forming of the mortal spirit world, has given form and principle to this spirit world of which one such principle of Law is that no disharmony will be created or caused by spirit on a human or any other mortal spirit.

Harmony exists between the Spheres and residing personalities cannot act or impose their will in a manner that is contradistinctive to the very distinct Spirit Laws that govern the harmony present in all Spheres. Many people do not know that such boundaries exist in the mortal spirit world, nor do they know that every single mortal or Immortal personality is subject to these distinctive and diverse Spirit Laws. People who desire to learn about the spirit world have many ideas about spirits and the spirit world, and a great error in thinking by people, is to believe interference happens that is derogative to a forming human personality caused by a spirit's thought, energy or action.

Many people have had experiences involving spirit that cannot be easily explained and usually in a human experience, the little known Spirit Law of Assistance, which the Creator alone operates, has at times helped or intervened or ended or commenced something that appears 'not of the human world' to have happened. This Law is solely subject to God and no spirit can interfere with the working of this Law. This Law, as in all God's Spirit Laws, can only act in accord with the Source that has caused these Laws to exist in the first place, and this Source is God the Soul. Spirit can work with some of the Spirit Laws such as I am doing now, as I work with the Spirit Law of Rapport and Communication with the receiver of this message.

Mortal and Immortal spirits cannot sneak from the spirit world into the human world to cause or wreak havoc. We cannot attack or cause bodily harm, or cause disruption to a forming human personality. We cannot interfere with a person's dream state whilst they are sleeping, nor can we encourage any human to act in a manner that violates the very universal principles of love spirit and harmony. No spirit can interfere with or disrupt the Divine Love and the Spirit that conveys this Love into a human soul. The Spirit, or as some of you like to refer to this Spirit as the Holy Spirit, cannot be interfered with in Its' working by any mortal or Immortal personality.

People cannot astral travel or travel at will or in their dreams through the spirit world. In all my years, I have never seen or met a person from the human world in the spirit world who is astral travelling, or whilst in their sleep state, travelling of a focus of their astral body. People would like to believe this happens, but it doesn't happen. The reason for this rests solely in the fact that the only way a personality

can visit the spirit world is in their spirit body when their physical body dies. People can form true perceptions of the spirit world by the use of their soul perceptions and spirit senses, so that such detail is seen that the human material mind may think or believe that it has actually visited the spirit world. The very Laws that form the human personality that includes the incarnation of soul and forming of the unique spirit body are the same Laws that protect the soul and spirit body so that the developing personality can form even though the physical condition of each person differ, and these same Spirit Laws prevent the personality or aspects of the personality from separating from itself or for one to leave their spirit body and relocate in their finite form in the spirit world whilst still in their physical body. The spirit-senses in a spirit body, if they are active, can provide real image and living energy into the reality of the living spirit energy that makes up the spirit world. This can appear so real that a person may actually think they are there, but it is only the activity of the spirit body and soul condition causing these experiences to become visible in the brain of the individual.

When we communicate with people, the receiver may work with the essence of our spirit-vision and their spirit-vision forms a living reality into the existence of spirit universal realities, and so the experience of time changes and one touches on the essence of spirit, whilst retaining their habit of physical and material experiences of time.

Making contact with the spirit world is a kaleidoscope of colour for most people. We understand this. I have seen many spirits converse with people over the years or interact with people and the unseen boundaries of God's Spirit Laws always present. I have never seen a disharmonious act committed by a spirit on a human. I understand that when a person becomes a spirit, in their time of integrating their new life, the individual can be in a fit of rage or angry or sad, because they feel the human life was over before its time. I have seen how these individuals communicate with mediums and whilst they are demonstrative in their action, they cannot force the Spirit Law that envelops them to change.

I know that people believe all sorts of things and that experiences and events have happened that cannot be easily explained and that defy the border of human experience, and that such experiences are determined as having been caused or influenced by spirits. My advice would be to begin receiving the Divine Love and gradually learning how the natural and the Divine Love work and from this position, to see how the harmony of the spirit world functions so that each personality in the spirit world in their respective environment is harmoniously living to the due fact of their soul condition.

There are no dark elements or conspiracies or hidden secrets keeping humans away from the spirit world. Everything has its place and the universe is a transparent place. For God lives with transparency, only that it requires our soul condition to develop with transparency, so that each one of us can learn to see the true nature of Love and Spirit and the way harmony is present from the Source to each finite soul.

With love,
A Celestial spirit
David

STAGES of MATTER:

Matter becomes finer and finer and more incredible within each phase:

The MIRACLE of the CHANGE in NATURE of ONE’S SOUL:

When man, by the way that has been pointed out to him, becomes possessed of the substance of the Father’s divine nature, even in an initial degree, his soul commences to change and lose its character as a mere image, and to progress towards the attainment of that condition when this image disappears and the divine substance takes its place. And as the progress continues, he receives so much of the substance that his soul takes on the divine love nature of the Father, and his at-onement with the Father becomes so perfect that he becomes an inhabitant of the Father’s kingdom. This occurs when he becomes fitted to enter the first Celestial sphere. Here occurs another change which may startle those who teach that the mind is the essence of God and that is, that the mind – which man, both as mortal and spirit, possesses up to that point in the progress of the soul where the transformation into the divine nature takes place – becomes a thing of naught (or rather becomes absorbed in the mind of the soul), which is the real mind of the Father. Then and ever after, only this mind of the soul is that which enables the real divine man to understand the things of God, to help him in his progress.

Your friend and brother – Jesus **March 23, 1916** P.340 Book of Truths via Joseph Babinsky

Incarnated soul’s progress, without Divine Love, is limited to 6th sphere – Kingdom of Man. Receiving Divine Love progressively changes the nature of the soul to that of Divine, the growth of such change soul is infinite – Celestial Heavens.

Firstly, consider discovering the truth of your emotional pain through Feeling Healing. Secondly, consider longing for our Heavenly Parents' Love as you progress with your healing. Primary and most important readings are the writings of James Moncrief. Then consider the Padgett Messages, and then The Urantia Book.

To liberate one's real self, one's will, being one's soul, is begun by embracing Feeling Healing, so as to clear emotional injuries and errors. With the Divine Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

“The opening up of the soul permits a permanent exchange with Divinity, a permanent recharge of this healing energy that allows not only the re-establishment of lost health, but the continuity of health, providing such a perfect balance, even in the physical body, that noxious agents like bacteria and virus cannot find any opportunity to unchain pathological reactions, which we commonly call illness.

“But it is true that people without the benefit of Divine Love would lack the protective shield, which the intrinsic healing energies of Divine Love provide for those who pray for our Heavenly Mother and Father's Grace.” P.6 Judas of Kerioth Judas – August 19th, 2001

Golden Rule: that one must always honour another's will as one honours one's own.

By living true to ourselves, true to our feelings, we are living true to God. It's that simple.

DIVINE LOVE – what does it do?

The divine gift from asking for and receiving Divine Love will steadily, but with certainty, raise one's quality of life and also of all those around such a person who is seeking and receiving this Love.

The receiving of Divine Love, which is a substance, with certainty, progressively:

- Raises one's love for those around them, whilst embracing one's Feeling Healing.
- Raises one's perception of all things – naturally grows one's intelligence – soul intelligence.
- Enables one to feel and resolve negative emotional issues more readily during Feeling Healing.
- Humility becomes self evident. Humility enables one to feel their errors and emotions.
- Divine Love strengthens one's resolve to express errors, emotional injuries and untruths.
- Divine Love with Feeling Healing to remove emotional errors, enhances one's health.
- Divine Love enables one to become more childlike – not adult serious at all times.
- Divine Love raises one's capability of feeling – no longer needing to be mind controlling.
- By becoming feeling orientated, one no longer is mind / intellectually dominated.
- The strength to fight and overcome sin and error is strengthened through the Divine Love.
- The Law of Compensation process is more resolved by Feeling Healing with Divine Love.
- Receipt of Divine Love grows one's faith, beliefs become faith and then knowing.
- As our faith grows our intensity to ask and then receive Divine Love grows.
- We begin to follow our passions and desires, no longer fear and mind driven.
- Truth being told at all times then progressively becomes a way of life.
- Our quality of life blossoms, our finances and relationships prosper.
- Man creates his own environment, seeking Divine Love can vastly improve one's environment.
- Health carers receiving Divine Love enhance healing outcomes beyond comprehension.
- Receiving Divine Love may assist in bringing a struggling marriage back into harmony.
- You progressively become dependent upon our Heavenly Parents, not self dependent.
- Personal growth in love directly assists the soul condition growth of one's children.
- Divine Love assists one's rate of soul condition to progress whilst embracing Feeling Healing.
- Divine Love is a substance that changes the human soul to that of the Divine.
- Without Divine Love, one cannot progress into the Celestial Spheres (8th sphere and higher).
- Divine Love, with Feeling Healing, enables everlasting Love and Life in the Celestial Heavens.

“The Law of Compensation doesn't operate on isolated actions, but on the overall condition of people's souls, because the deeds are the consequence of this condition. Our behaviour is the reflection of our souls. Never see isolated deeds, always see souls whose condition leads to certain deeds. It is the soul condition which determines the motive and consequently the action. It is our lack of trust in God, this ultimate and definitive trust, which only soul development may give us. This lack is why we suffer.”

Judas of Kerioth 5th October 2001

As you grow in love, illness issues abate, financial security improves, and your treatment of your fellow man is the same as how you would like to be treated. You grow in natural intelligence, your perception on many subjects becomes profoundly more loving and supportive of and for your way of life and how you interact with your fellow man.

This quality of life and love permeates and extends into every facet of your physical life and continues to grow as you progress on your journey within the spirit world.

Your capabilities to ask for and receive Divine Love is a gift between you and your creator, God. You do not need an intermediary, nor do you need to join with any organisation. This is your own personal journey and experience. You can share this with others, but no one can take it away from you.

This Love will elevate the human soul to a condition that it may perceive the spiritual truths which God has waiting to be revealed to His children who aspire to understand the nature of the divine and what their true relationship to Him and their family of souls is.

“Keep faith with God, and be open to Their Love, and you will overcome with confidence and, indeed, peace of mind, optimism and happiness, those circumstances that seem to mar the fulfilment of your years.” Mary (mother) <http://new-birth.net/ntr/samuels14.htm>

EMBRACING the LOVES:

Our soul is formed from the substance known as natural love. This natural love enables us to develop to that which is the perfect man, an excellent, capable and loving personality. However, there is a limit to our growth founded on natural love fore there is nothing of the Divine within the substance of natural love.

Should we ask for, and then receive Divine Love, then the Divine substance of Divine Love can be added to our being, thus providing us with an infinite potential for growth and development in the Love that is Divine.

The natural love and Divine Love are not divided when in the soul.

The natural love is harmonious in the Immortal greater love, the Divine Love, and so, never shall an Immortal faith and Immortal truth fall.

Adding Divine Love to your being can be likened to developing a powerful engine based on natural love to that which is found within a most powerful muscle car. One's performance capabilities progressively develop as the regular fuel of natural love is slowly, but steadily supplemented with the fuel of Divine Love, thus changing that which is founded on natural love to that of the Divine, namely Divine Love.

Your fuel steadily is converted to that which is of the highest octane level ever envisaged.

The Divine Love is the wonder of the universe. How this invisible substance causes so much change in our mortal nature is a miracle to behold and experience.

Living with the Divine Love brings about harmony throughout all of one's bodies, systems and personality. One's capabilities and love continue to greatly expand.

Divine Love always has its effects in harmony with the expression and development of natural love. Therefore your awareness and expression of natural love in your life is a vital element in accepting Divine Love into your life and fostering its development of your soul. Divine Love is the great harmoniser and is therefore not isolated but its effects are universal.

Divine Love is the 'ultimate' high octane fuel.

The Only Prayer That Man Need Offer to the Father:

The Prayer for Divine Love

(as given within the first century)

2 Dec 1916

I am here, Jesus

<http://www.youtube.com/watch?v=Pg6p3rivAZw>

P.438 Book of Truths through James Padgett / Jesus

Let your prayer be as follows:

Our Father, who art in heaven, we recognize that You are all Holy and loving and merciful, and that we are Your children, and not the subservient, sinful and depraved creatures that our teachers of old would have us believe. That we are the greatest of Your creation, and the most wonderful of all Your handiworks, and the objects of Your great soul's love and Tenderest care.

That Your will is that we become at one with You, and partake of Your great love which You have bestowed upon us through Your mercy and desire that we become, in truth, Your children, through love, and not through the sacrifice and death of any one of Your creatures.

We pray that You will open up our souls to the inflowing of Your love, and that then may come Your Holy Spirit to bring into our souls this, Your love in great abundance, until our souls shall be transformed into the very essence of Yourself; and that there may come to us faith--such faith as will cause us to realize that we are truly Your children and one with You in very substance and not in image only.

Let us have such faith as will cause us to know that You are our Father, and the bestower of every good and perfect gift, and that only we, ourselves, can prevent Your love changing us from the mortal to the immortal.

Let us never cease to realize that Your love is waiting for each and all of us, and that when we come to You, in faith and earnest aspiration, Your love will never be with-held from us.

Keep us in the shadow of Your love every hour and moment of our lives, and help us to overcome all temptations of the flesh, and the influence of the powers of the evil ones, which so constantly surround us and endeavour to turn our thoughts away from You to the pleasures and allurements of this world.

We thank You for Your love and the privilege of receiving it, and we believe that You are our Father --the loving Father who smiles upon us in our weakness, and is always ready to help us and take us to Your arms of love.

We pray this with all the earnestness and longings of our souls, and trusting in Your love, give You all the glory and honour and love that our finite souls can give.

Amen

MoC

Note: The 'false teachers' are our parents, as they are also the 'evil ones'. Also, the evil ones, being those parts of one's mind, that are controlling you.

Prayers to our Mother and Father

From 'Religion of Feelings' by James Moncrief

Please Mother and Father help me accept my untrue state and bring up all my repressed feelings so I can see the full truth of why I feel so unloved and all that's wrong with me.

Please Mother and Father help me see the truth of myself through my feelings.

Please my beloved Heavenly Parents, fill my soul with Your Divine Love. I long for Your Divine Love; please answer my prayer and yearning to be at-one with You and do Your Will by living true to myself and all my feelings. Please fill my heart and soul with Your Divine Love – please make my soul like Yours – Divine.

Please Mother and Father, I want to uncover the whole truth of myself through my feelings. I want to be able to feel and accept just how bad I am, how bad I feel I am, how bad I've been in my life. I want to know the whole ugly truth of myself, see it and feel it and understand how I came to be it. Please reveal to me through my feelings all the truth of myself You want me to see. I want to be as You want me to be; I want to be true and perfect, Healed of all my rebelliousness and self- and feeling-denial; I want to be good, loving, true and happy, please help me become true to myself, true to my soul, true to You.

Please Mother and Father help me, I'm in such bad pain, I feel so alone, so miserable, so scared, what's going to become of me, I don't understand, what's the point of me, why have You made me; please help me see the truth of myself – all the truths of myself, nature, how to be in the world, of You both. I want to know, I want to know it all through my feelings, all that there is to see, the whole truth and nothing but the truth. Please help all my pain come to the surface of me so I can embrace and accept and express it out of me. I want to use my feelings to uncover the truth they are to show me; please help me to do that.

Please Mother and Father love me. I want You to love me. I want to feel fully loved by You. I don't want anything else, only to be with You. Please, that is all I am asking.

Please make me feel how unloving I am. Please show me the horrible truth that I am. I want to see and feel and understand the worst of me, please take me into my darkest scariest ugliest unwanted rejected places within myself. I don't want to feel all the dreadful pain that I know is there locked away inside me, yet I do also want it all to come up and out of me, and I want to use it to see the truth of my wrongness, the truth of how evil I am, the truth of my fucked up state. I no longer want to be false, pretending I am okay, using my mind to make me falsely believe I am good, happy, loved and loving, when I know I'm not. For how can I be when You've brought me into my unloving state, making me be of it. And as You want me to experience being this negative way, please show me the whole truth of it. I no longer want to deny any part of myself, or any of my bad feelings. I want them all to come up so I can express them, emoting their pain, feeling how bad You've made me feel all my life and all through my early life; I want to see why, and so reveal all the truth to myself. I want to be the living truth of myself, living true to my feelings and the truth they give rise to. Please help me to do my Healing, and please fill my soul with Your Divine Love.

The mind way is the 'dead' way; the feelings way is the 'alive' way.

Examples of some prayers to God:

From 'Feeling Healing' by James Moncrief

Please God show me the truth of myself through my feelings.

Please help me see the truth about myself You want me to see.

And please help me feel all my repressed pain; please bring up all my bad feelings so I can express them and see what it is they are to show me about myself, my life, and You.

And please help me work through my blocks, I want to Heal myself, I want to become true to myself and true to my feelings and true to You – please help me do that.

Heavenly Mother and Father, I feel so bad, and I know I'm doing it to myself, but I can't help it. I can't stop my compulsive addictions, so will you please bring up the buried feelings in me and show me the reasons why I can't stop. Please! I want to know – I REALLY WANT TO KNOW why I do them. Please help me Mother and Father to uncover the truth of myself. Please, I beg you, please, please, please show me the truth of them so I can give them up. I hate feeling bad, yet I know I must so I can keep expressing my bad feelings to see the truth You want me to see, so please help me feel bad.

Please Mother and Father fill my heart and soul with Your Divine Love. Please give me Your Love. Please love me and make me feel loved by You. I want to feel You close to me, I want You to hold me, make me feel loved by You. I only want You and to do Your Will. Please help me bring up all my repressed feelings so I can express them and uncover their truth. Please help me do my Healing. Please give me Your Love.

I hate you Mother and Father; why have You given me such a shit awful life? I hate myself, I hate You, I hate everything about my life. I feel so bad all the time. I've expressed so many bad feelings and still I feel bad. It's not fair, it's not fair what You've done to me. I hate You! And I want You to help me Heal myself, so I can stop feeling bad. You put me in the shit for whatever reasons, and I want You now to help me get out of it and show me what it's all been about. Please help me to Heal myself so I no longer hate You.

I long for Your Divine Love Mother and Father. Please fill my soul with it. And please help me uncover the truth of myself through my feelings. I want to see it all! And please make it all end, I'm so tired of always feeling so bad, please take all my bad feelings away by making me feel them and showing me the truth I am to see.

Our Father, who art in heaven, we recognize:

That Thou Art--art all holy and loving and merciful, and that we are the children of Thy care and not the subservient, sinful and depraved creatures that our false teachers would have us believe.

That we are the greatest of Thy creations and the most wonderful of all Thy handiwork, and that we are the objects of Thy great Soul's love and tenderest care.

That Thy will is that we become at one with Thee and partake of Thy great love which Thou hast bestowed upon us through Thy mercy and desire that we become, in truth, Thy children; and not through the sacrifice and death of any one of Thy creatures, even though the world thinks that one Thy equal and a part of Thy godhead.

That Thou will open up our souls to the inflowing of Thy love, and that then will come Thy holy spirit to bring into our souls, this, Thy love in great abundance until our souls may be transformed into the very essence of Thyself; and that there may come to us faith--such faith as will cause us to realize that we are truly Thy children and that we are one with Thee in very substance and not in image only.

Let us have such faith as will cause us to know that Thou art our Father and the bestower of every good and perfect gift, and that only we, ourselves, can prevent Thy love changing us from the mortal to the immortal.

Let us never cease to realize that Thy love is waiting for each and all of us, and that when we come to Thee with faith and earnest aspirations, Thy love will never be withholden from us.

Keep us in the shadow of Thy love every hour and moment of our lives, and help us to overcome all temptations of the flesh and the influence of the powers of the evil ones who so constantly surround us and endeavor to turn our thoughts away from Thee to the pleasures and allurements of this world.

We thank Thee for Thy love and for the possibility of receiving it, and believe that Thou art our Father--the loving Father who smiles upon us in our weakness, and is always ready to help us and take us to Thy arms of love.

We pray thus with all the earnestness and longings of our soul, and trusting in Thy love give Thee all the glory and honor and love that our finite souls can give.

A Personal Adaptation of the Prayer for God's Divine Love:

Joseph Babinsky

Our Father, who art in heaven, I recognise:

That You are holy and loving and kind, and that I am the child of Your care.

That I am the object of Your great Soul's love and tender most care.

That Your will is that I become at-one with You and partake of Your great love, which You have given me through Your desire that I become, in truth, Your child.

That You will open up my soul to the inflowing of Your love, and that then will come Your holy spirit to bring into my soul, this, Your great love in great abundance until my soul may be transformed into the very essence of Yourself; and that there may come to me faith – such faith as will cause me to realise that I am truly Your child and that I am one with You.

Let me have such faith as will cause me to know that You are my Father and the giver of every good and perfect gift, and that I only can hinder and stop the river of your inflowing love.

Let me never cease to realise that Your love is waiting for each and all of us, and that when anyone comes to You with faith and earnest aspirations, Your love will never be withheld.

Keep me in the shadow of Your love every hour and moment of my life, and help me to remain completely focused on this, your ever-present and unconditional love.

I thank You for Your love and for the possibility of receiving it, and believe that You are my Father – the loving Father Who smiles upon me always and is always ready to help me and take me to Your arms of love.

I pray this with all the earnestness and longings of my soul, and trusting in Your love give You all glory and honour and love.

To liberate one's real self, one's will, being one's soul, is by embracing Feeling Healing so to clear emotional injuries and errors. With the Divine Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

Our salvation IS by embracing Feeling Healing with the Divine Love.

God's Divine Love: Pray for it, ask for it, and receive it.

Please Mother and Father, may I receive Your LOVE.

“Every day is a day of devotion.”

Follow your heart, follow your love and do that in loving action, your inner love leads in your asking the Soul of God to receive a little of the Love to strengthen one's resolve to heal.

“I love you Father.” “Let the Divine Love proclaim its energy into my soul.”

“Mother – Father, I desire your Love and I am loving you.”

“Soul God, I love you and I love receiving and experiencing your Divine Love.”

“True Soul God, I am here, I am aware of your Love. Please hear my aspiration for your Love and as I approach you from my soul, I can feel your Love in the way that you are loving my soul.”

Try it; give the Feeling Healing and Love a go! If you want to shine, receive the Love.

One can simply receive the Love without following any religious or spiritual teaching taught by man!

Emotional errors and injuries cause encrustment around the soul, the soul is never damaged however, the encrustments retard love energy flow to and from the soul. Feeling Healing melts such injuries.

Three Great Truths:

- **God is Soul, being Mother and Father;**
- **that each individual soul is a duplex – both male and female;**
- **and Feeling Healing with Divine Love is the pathway to Paradise.**

The BEAUTIFUL MIRACLE:

5 Oct 2012

The DIVINE UNIVERSE

The way in which the Spirit conveys the Divine Love into the soul is a beautiful miracle. The attribute of mortal soul prior to incarnation has to it, a potential within it that is part of its formed nature. After the soul incarnates this potential remains part of the soul and even if the forming personality is unaware of such a soul potential, the potential still exists. The Divine Love is entirely suitable in its energy of harmony to be the energy that a mortal soul can utilise. The Spirit covers the spirit body when the individual sincerely asks the Soul of God for the Divine Love and this covering of the spirit body is where the dynamic of this beautiful miracle takes place. From the internal longing of the individual for the Divine Love this activates the Spirit Law that activates the Spirit that is then attracted to the spirit body upon which the Spirit material of the spirit body draws the Divine Love in to its soul and this union completes. The key here is to gain a perceptive insight into realising that the spirit body is not an inert body but that it is living and has activity, recognisable from its first forming from the Spirit Law that materialises a spirit body. The Spirit and the spirit body to give an analogy are like two attracting magnets and when the surface of the spirit body is touched by the Spirit, this causes the automatic response of the Divine Love to permeate into the attribute of soul and so begins the transformation of energy from the natural into the Immortal Divine Harmony. If the individual continues the receipt of Divine Love, the energy that is Divine Love actively begins to change the soul and this is felt in the spirit body systems and can produce feelings of love and elation. The spirit-mind begins to change as all spirit body systems are affected by the changed condition now experienced in the soul as the soul becomes living and vital. In one's progression of this Divine transformation, the soul will mature enough from the amount of Divine energy it receives and at that moment the surface of the spirit body and the Spirit are continuously attracted to each other, then one is living in the presence of the Father in perfect harmony, and this clarifies the truth about what it means to be truly at-one with God.

SHINING TOWARD SPIRIT:
665. The Shining toward Truth

Vol III, p. 157, 14 Nov 2014 – 14 Mar 2015 Zara and Nicholas

www.lulu.com

It is I Matthew, a teacher of the Divine Love. I have communicated with you recently, now I desire to provide you with a visual description of the Love.

Imagine a continuous Energy shining light blue that is unbroken with a seamless surface that surround every mortal and Immortal spirit. Imagine if you were to become aware that this energetic field of light-blue Energy existed in its shining radiance just near where you are. Now that you are aware that this unbroken Divine Love is unified energetic field of living Love, by opening toward the Soul of God and aspiring for the Divine Love, the Acting Spirit gently brings a small portion of this shining blue Energy into your soul

The Divine Love that you have received remains part of this great Energy that the Divine Love is and even though this small portion of Divine Love, now within your soul, in its shining radiance and energetic cause, it is never separated from the continuous energetic field of Energy that the Divine Love is. Having partaken of this Energy it is with perception that one is aware that the Divine Love within one's soul is the same Divine Love that every person and spirit who has partaken of this Love, participates with. Even though in our individuality we partake of this Divine Energy, this Love is never broken away from the Source and Origin from which this Divine Love emanates.

The Divine Love is bestowed into our finite soul by the Acting Spirit, but this Spirit remains in contact with our spirit body and does not enter the finite soul to become part of our finite soul essence that we are. No mortal or Immortal spirit can manifest in their soul the Acting Spirit so that this Spirit – this Holy Spirit – becomes part of our existing finite spirit body. Only the Divine Love and its Energy becomes part of our finite soul, which causes the change to our spirit body. The Acting Spirit always remains its own attribute and never does a Celestial spirit claim ownership or take possession of the Acting Spirit within their soul. (The Holy Spirit / Acting Spirit is an instrument of the Source Soul, our Father.)

This is one of the wonderful Truths by which we who have been transformed by the Divine Love understand our personal relationship with the Father's ever-present Acting Spirit. The shining Energy of Divine Love is all around us and when we have partaken of this Love, part of our finite nature becomes independently shining in this true perfect Love.

I provide these words that may appeal to those who are visual and to express the universal appearance of the Divine Love and the personal touch when in contact with the Acting Spirit.

Matthew (Apostle)

Whilst we are receiving our Heavenly Parents' Divine Love, and that this Love is causing change within our soul and spirit attributes, the greatest Truth known to man and spirit is that this is the way our Mother and Father are actually loving us! When we progress, it is God's way of loving us into love and then we live what we are, love.

FEELING HEALING and SOUL HEALING with the DIVINE LOVE:**James Moncrief Publications:****all publications are free downloads:**<http://divinelovesp.weebly.com/my-free-books-and-free-padgett-messages.html>

It is suggested for one to consider reading as follows:

Speaking with Mary Magdalene and Jesus – books 1 – 4

These four books encapsulate the second of the revelations with the first having been introduced by James Padgett one hundred years previously. These four books provide a wide range of guidance that has never previously been made available.

Paul – City of Light

As a gentle intro into the Divine Love and Healing; being James Moncrief's first novel and it's been criticised as being too heavily clichéd, but that's the point because it's a reflection of how he was back then.

Ann and Terry

For an example of people who might want to immediately start working on themselves and doing their Healing.

Feeling Bad? Bad feelings are GOOD

For more understanding about our denial of our feelings and why we should not deny our feelings, and it includes how it all came about for James, using himself as an example.

Feeling bad will make you feel BETTER – Eventually!

This includes specific examples of Marion and James working on expressing particular bad feelings, again with the hope that it will help others gain something of an idea as to what's involved in doing your Feeling Healing.

Sage – and the Healing Angels of Light

Through Sage who's 13 years old, the story is primarily about the two aspects of healing; that being, with the help of our angels, and the full Healing we can do by looking to our feelings for their truth.

**Religion of Feelings
Feeling Healing**

**Welcome to LOVE – the Religion of Feelings
you can heal yourself through your feelings**

So these books, including the four Speaking with Mary Magdalene and Jesus books, provide the essence of it all and are examples of James' work. Then it's up to whatever takes one's fancy. Other reading to consider may include:

The Padgett Messages being published as:**The True Gospel Revealed Anew by Jesus volumes 1 – 4****Book of Truths by Joseph Babinsky****The Urantia Book**

Release one's pain through expressing one's feelings.

in conjunction with

Longing for the Truth when also longing for Divine Love.

FEELING HEALING with DIVINE LOVE is SOUL HEALING:

A collection of 'papers' that draw together specific topics including all of the above and more from other sources of information and revelation designed to help increase one's awareness about why we have the problems we do and how to heal them, all whilst living a more healthy and sustainable life. They provide a brief snapshot of the more complicated topics and issues.

Firstly, consider discovering the truth of your emotional pain through Feeling Healing.

Secondly, consider longing for our Heavenly Parents' Love as you progress with your healing.

Primary and most important readings are the writings of James Moncrief.

Then consider the Padgett Messages, and then The Urantia Book.

DIVINE LOVE and DIVINE TRUTH Revelations and Teachings escalating:

Our wondrous soul is an incredible ball of plasmatic intelligent energy. With engaging in Feeling Healing and the infusion of Divine Love, our soul will progressively change from that which is not Divine to that which is Divine.

We are created in the image of our Mother and Father, but not of the substance of our Heavenly Parents. There is nothing of the Divine within our soul at the time of our individualisation, that is, upon our incarnation which is at the time of conception.

We have free will. Only should we ask for God's Divine Love, do we receive it. As we ask for and receive Divine Love, with Feeling Healing, the nature of our soul steadily changes to that which is Divine. Only with Divine Love can we grow and become at one with our Father. Becoming at one with our Heavenly Parents occurs upon our progression into the 8th Sphere, which is upon entering the Celestial Realms and leaving the Spirit Worlds.
