ONE SOUL – TWO PERSONALITIES = GENDER EQUALITY!

Melinda Gates in her book, *“The Moment of Lift”*, yes, the co-chair of the Bill and Melinda Gates Foundation, has written with deeply personal and insightful observations, including:

“Gender discrimination is encoded in law nearly everywhere in the world.

“Discrimination against women is perpetuated not only in laws that exclude women but also in the absence of laws that support women.

“Gender bias does worldwide damage. It’s a cause of low productivity on farms. It’s a source of poverty and disease. It’s at the core of social customs that keep women down. We know the harm it causes and the good that comes from defeating it – so how should we fight it?

“Instead of just working to undo the disrespect, we should find the source of the disrespect and try to stop it there.

“Disrespect for women grows when religions are dominated by men.

“Jimmy Carter (a past USA president), calls the deprivation and abuse of women and girls “the most serious and unaddressed worldwide challenge.”

Melinda believes that the disrespect for women embodied in male-dominant religion is a factor in laws and customs that keep women down:

“The result is that men make rules that hurt women. It is always a temptation when you’re making rules to put the burden on “the other”, which is why a society is more likely to support equality when “the other” is not just sitting next to you at the table as you write the rules, but actually writing them with you.

“Their (men) claims might have been more convincing in past centuries, but male dominance has lost its disguises. We see what’s happening. Some parts of the (Catholic) Church come from God, and some parts come from man – and the part of the Church that excludes women comes from man.”

Let us consider how this insanity has pervaded all of humanity. Why do men in every culture, all walks of life, in all communities worldwide consider, in varying degrees, that they are superior and women are to be submissive to men.

Before we go further, this writing is being signed off by five men – why? Throughout the forming years of Pascas Foundation we have been breaking new ground, to say the least, on many, many fronts. It has been a pioneering work of profound proportions. What has been continually observed is a reluctance by women generally to step up and express their views. It is as though they have had their right to take leadership so strongly suppressed within themselves through aeons of traditional male submission that they just cannot accept their rightful position of being equal and welcomed into a leadership role during this evolutionary shift. It is anticipated and understood that Pascas will have women equally in all roles throughout the operations of Pascas and that, with time, women will dominate the operations of Pascas WorldCare around Earth.

So what is so profound that has been unfolding?

John feels that he is interacting more with ‘dead’ people and doing chores for them than he is with physical people. That is, the veil between the physical and spiritual is opening up. For example:

John: Hi Nanna Beth

Thursday, 18 May 2017

This evening was possibly the first time that I felt the presence of three personalities.

Nanna Beth – 3rd Celestial Heaven: “Yes, John, the three boys paid you a visit with the intention of getting your attention – Ray, Kev and Brad. They simply wanted to convey to you their good-tidings, and to give you feelings that they are supporting you, in that they are aware of the massive undertaking you have taken on, and although not as yet personally involved with it as such, still because you are reaching out to them, so they wanted to let you know they are close and thinking of you and wishing you Godspeed.”

Added: This morning (next day) I woke suspecting that the beautiful light energy I felt last evening was our unborn son, Benjamin John. Was that so?

Benjamin: “I am Benjamin, John, although that is not the name my spirit parents gave me. And it was myself coming to you as you have had me on your mind from time to time. I am not part of what is going on with you John, I have my own very separate life to you, however I am a Celestial and Beth and I have occasion to speak together through work that we do. (At twelve weeks into term, Benjamin, as we grew to call him, miscarried in April 1975.)

“I came to you, as I have come periodically to you and Carolyn (John’s wife), more of out of curiosity as to what my life might have been like had things been different and were I to be one of your Earth children.”

So in one lengthy conversation, John was communicating with his grandmother, Nanna Beth, who had died when John was about 4 years and 10 months, with his brother-in-law Kevin – died 2012, his first cousin Raymond – died 1971, nephew Bradley who suicided in 1999, and his unborn son Benjamin.

Over the three years of 2017, 2018 and 2019 communications amounted to nearly 2,000 pages! What is revealed is complemented by around 10,000 pages of profound revelations that entail the writings of

James Moncrief (2002 and ongoing), the James Padgett writings (1914 to 1923) and The Urantia Book (1925 to 1935) plus further auxiliary writings.

What is revealed through these revelations are answers to what Melinda Gates and many others are struggling to comprehend and address.

You could say that the ten ducks in a row have universally misled humanity in all walks of life throughout every community on the planet for the past 200,000 years. HOWEVER, we are now able to reveal the deceptions of the tenth duck and put his false “gifts” into the deepest dumpster you can find!

So, what has been done and how so that all of humanity is in such dire straits?

High level spirits who were assigned the responsibility to guide Earth’s humanity through evolutionary progress rebelled against the leadership of our Local Universe and manipulated Earth’s humanity for their personal goals. They did this to thirty seven humanities on the equivalent number of physical worlds. However, with Earth’s humanity, not only have they been caused to Rebel, they have also Defaulted. The Rebellion was imposed upon Earth’s humanity some 200,000 years ago. When Adam and Eve physically incarnated on Earth more than 38,000 years ago, they were induced to Default on their assignment to uplift humanity by these rebellious Evil Ones and that brought about possibly the only humanity throughout all of the universes to have Rebelled and Defaulted. Earth’s humanity is possibly in the worst state of all of the humanities throughout the universes.

Why women have been so repressed?

It was the rebellious Higher Spirits that urged and supported the suppression of women and the male dominance through religions and tribal spirituality so as to keep women away from their true feelings, denying them the truth from such feelings which would never tolerate nor have allowed the men to override them. If you denote the mind as ‘male’ and feelings as ‘female’ then to coerce humanity to worship and live from its mind, whilst at the same time using the mind to suppress and banish one’s true feelings, then you can see men’s domination of women. Men (if we liken them to the mind) are scared of women (likening them to feelings), so men use their minds to block out their feelings and won’t tolerate women living too close to their feelings.

So what more perfect way than to maintain such male domination than to create mind-made religions that will ensure women and feelings are never heard, can never have their say enough to uncover the truth of such meaningless and misguided untrue systems of belief. If women in such religions were encouraged to follow their feelings and look for the truth they will give rise to, they will soon demolish such institutions or simply leave them, leaving the mind-controlling men to it. So you can’t put a woman in control, and especially one who is more feelings led, because as one’s feelings are generally ‘all over the place’ and ‘irrational’, she’ll ruin it all; which means, she’ll stop the men having their little power games with each other. And unless a women learns to ‘become a man’, being able to compete with men at their own mind-games, suppressing her feelings even more and becoming an even better proponent of mind control, as she can often over her family, she will never stand a chance of gaining equality. However this mind-equality is still buying into the tenets of the Rebellion and Default and is

not true women's liberation and equality, that only coming when women give up their mind and devote themselves to accepting, expressing and seeking the truth from ALL their feelings (especially their bad ones). That being the only way humanity will end its rebellion.

Just how subtle has the deception been?

Humanity is meant to live through their feelings. Our feelings are soul based. Our feelings are always in truth as is our soul. It is through our feelings that we come to discern truth. The Evil Ones seduced humanity to live through their minds. Our spirit body minds cannot discern truth from falsehood. Our minds are addicted to untruth and our minds are addicted to control of others including all of nature.

Most of humanity worships their minds. It is an exhausting way of living. It is also how all our errors come about. Most assumptions are mind generated, erroneous conclusions. From these erroneous conclusions, we have embraced norms and systems throughout all cultures and institutions that are harming humanity. None being bigger than the erroneous way parents bring up their children.

Unbeknown to all parents is that their personal emotional injuries and erroneous beliefs are infused into the embryos of their newly forming child bringing about their childhood illnesses and lifelong difficulties even while the child is very early in the birth process. The embryo is always perfectly formed. It is from the injuries within the parents that bring about miscarriages and childhood illnesses. This is a direct result from worshipping one's mind – that being the wrong pathway to live by and to experience life.

Humanity overall lives to perfect its mind – their mind founded institutions and teachings are a dead-end pathway. The gurus and saintly people all eventually come to realise that they may have perfected their minds only to have to turn around and retreat to the starting point and commence their true soul healing through Feeling Healing that has not been possible within the mind spirit Mansion Worlds (2, 4, and 6) but through the Divine Love crying healing spirit Mansion Worlds (3, 5 and 7).

So how do we have gurus and saintly people on Earth?

The Evil Ones who brought about the Rebellion and Default have had their followers from within the mind spirit Mansion Worlds, those numbered 1, 2, 4 and 6, impose themselves on Earth's humanity who are receptive to their thoughts and brought about the scriptures, spiritual writings and 'holy books' that humanity has embraced as being from God. These writings are not God's writings. These writings are the work of mind Mansion World spirit influences obeying the Evil Ones. There is a great deal of truth within these writings, however they ALL take you away from God. There are no exceptions.

Those who are considered as gurus or exalted ones, are those who have progressed in their 'perfection' of their minds. This is an illusionary progression to a dead end in personal growth that eventually will need to be back tracked so that their healing can truly be embraced. Saintly people and those who are canonised as 'saints', though they may at first feel greatly honoured are having their free will imposed

upon. To relate to what Australia's only canonised saint has communicated is a common experience and reaction:

Mary MacKillop – Australia's only canonised saint:

Sunday, 10 December 2017

[John the Typist](#): Further, the likes of Australia's only Catholic canonised saint, being Mary MacKillop is now bombarded with petitions that she cannot do anything about, let alone tolerate. I wonder what she or any other such person has to say about this distracting and pointless practice of anointment with sainthood.

Mary MacKillop: "I'd certainly have my say if I were only given a chance, my saying being to the Church as to what utter nonsense it all is.

"To have many spirits worshipping me and asking me for religious favours; well, it was flattering to a certain degree, yes I must admit, to think that I was someone special and favoured by the Church, particularly after all the difficulties I had with it on Earth; however then as you rightfully said, it became a chore and a burden because by then my faith was starting to wane."

It is only through the writings from Celestial spirit personalities that the errors within the New Testament of the Bible have now been revealed. The major errors have been identified and addressed through the writing of James Padgett (1914-1923), Dr Daniel Samuels (1954-1963) and Hans Radax / Judas of Kerioth (2001-2003). These writings have come through from Matthew, Mark, Luke, John, Paul, Judas and most importantly from Jesus. Further, important writings from Mary Magdalene have been provided through James Moncrief (2002-2014). Jesus has only written through James Padgett and James Moncrief. Mary and Jesus have restricted who they have written through to avoid confusion. Dr Daniel Samuels notes that his writings come from Jesus of the Celestial Heavens whereas those writings have come through from Celestial spirits with the full authority of Jesus.

It is only through cracks in the Universal Contract governing the Rebellion and Default that these above mentioned writings have been able to unfold. As the cracks have been widened then more has been revealed. Thus the most important writings are those of James Moncrief.

Should you visit www.pascashealth.com then go to **Library Download** then **Medical – Soul Condition & Health**, the following PDF downloads contain the relevant corrections and explanations to the Bible:

- Bible – New Testament Revelation Mary Magdalene
- Bible – New Testament Review Part I
- Bible – New Testament Review Part II
- Bible – New Testament, Matthew, Peshitta, Lamsa
- Bible – Old Testament Revisited
- Book of Truths – Bible Distortions

Fundamental to the Hidden Controllers – Evil Ones – maintaining their way has been by keeping humanity locked into living through their minds and not their feelings. Women are closer to their feelings than are men. Should women have been free to embrace their feelings and live through their feelings then they would have promptly seen through this folly and brought an end to the Rebellion and Default.

For the Hidden Controllers to maintain their corrupted control then they had to and did successfully, for these past 200,000 years, held women in a subservient position to men. Throughout all cultures, even the remotest and most isolated, women have been put into subservience to men.

Melinda Gates observes and comments in “The Moment of Lift”: as follows:

“*What happened?* Why did change take so long, and why then did it come so suddenly? When women hear our own voices in another woman’s story, our courage grows and one voice can become a chorus.

“When overdue change finally comes, it comes fast. But why did the abusers dominate for so long? Part of the answer is that when women are trying to decide whether we should stand up, we don’t know if others will stand with us. It often takes many women, arms linked, to inspire other women to speak.

“One of the most common signs of an abusive culture is the false hierarchy that puts women below men. Actually, sometimes it’s worse than that – when women are not only below men in the hierarchy but are treated as objects.

“In workplaces around the world, women are made to feel that we aren’t good enough or smart enough. Women get paid less than men do. Women of colour get paid even less. We get raise and promotions more slowly than men do. We don’t get trained and mentored and sponsored for jobs as much as men do. And we get isolated from one another more than men do – so it can take women a long time to realise that the bad fit we’re feeling is not our fault but a fact of the culture.

“When people see the effects of poor nurture and call it nature, they discourage the training of women for key position, and that strengthens the view that the disparity is due to biology. What makes the biology assertion so insidious is that it sabotages the development of women and it relieves men of any responsibility for examining their motives and practices. That’s how gender bias “plants the evidence” that leads some people to see the effects of their own bias and call it biology. And that perpetuates a culture that women don’t want to join.

“Only 2% of venture capital partners are women, and only 2% of venture capital money is going to women-founded ventures. (The amount of venture capital that goes to firms founded by African American women is 0.2%.) That’s why I’m investing now in venture capital funds, including Aspect Ventures, that invest in women-led companies and companies formed by people of colour.

“Groups that included at least one woman outperformed all-male groups in collective intelligence tests and group intelligence was more strongly correlated to gender diversity than to the IQs of the individual team members.

“Research suggests that women may have more self-doubt than men, that women often underestimate their abilities while many men overestimate theirs.

“Women often find action harder than men because we are more risk-averse, because the fear of failure is enormous for us. It seems to be bigger than it is for men. Example: Women were applying for promotions only when they thought they met 100% of the job requirements, while men were applying when they thought they met 60% of them.

“The tendency to underestimate our abilities, for those of us (women) who may have it, plays a role in keeping us back and it’s hard not to imagine that it’s a result of a male-dominated culture that seeks to marginalise women. These efforts are often indirect; they can be subtle and insidious – not attacking

women directly but attacking the qualities and characteristics of women who are most likely to challenge men.

“Conform to gender norms.

“Women may be less assertive from a lack of confidence or out of calculation, but male-dominated cultures remain a key underlying cause for both. There is social approval for women who don’t ask for much, who show self-doubt, who don’t seek power, who won’t speak out, who aim to please.

“If I look perfect and do everything perfectly, I can avoid or minimise the painful feelings of shame, judgment and blame.

“This is an immense challenge for us. It’s especially hard for women to ask for money or power or promotions or even for more time with our families. It’s easier to pretend we don’t need these things. But workplace cultures that don’t meet our needs persist when we’re embarrassed by our needs. This has to change. If we’re ever going to be who we are, we have to stand up collectively and ask for what we need in a culture that doesn’t want us to have it. It’s the only way to create a culture that meets the needs of everyone with a job.

“We’re quick to criticise gender injustice when we see it around the world. We also need to see it where most of us feel it and can do something about it – in the places where we work.

Well Ladies and Gentlemen – it’s Show Time!

Helen Padgett – 3rd Celestial Heaven, the wife of James Padgett, wrote through James Moncrief on Tuesday 3 July 2017:

“The True Liberation of Women is Through the Truth of Their Feelings.”

The most ignored and denigrated lady to have ever walked this Earth is Mary Magdalene.

So who is she?

The REJECTED ONES

Message 3

2 December 2002

James Moncrief

Hello James, I would like to speak to you today, Mary.

I am Mary Magdalene of the Bible, the one who was on Earth at the same time as Jesus of Nazareth. And, yes, we were on Earth; we are real; we did exist back then, and we do exist now living as spirits in the Celestial heavens. This might not be startling news, but what maybe of news is that I am the soul-mate of Jesus. It is I whom is responsible for the feminine aspect of our universal Son and Daughter-ship. I am the living feminine truth. You are familiar with Jesus and his Spirit as expressed in the Truth he has revealed to humanity, but unfamiliar with my Spirit and the Truth therein.

And so it is that I want you to continue writing this work for me James. Just as Mr. James Padgett wrote for Jesus, I would like you, James, to write for me. And in doing so, it will greatly benefit you. I, together with other spirits I have chosen, will tell you the truth I want to reveal, and it will, as you will find out, make you feel a lot better about yourself and your life. I am the missing part of The Truth to make the whole. And as you are appreciating, it’s a much broader picture than what humanity currently

understands. It is what humanity needs, the woman's perspective, so to speak. **It will be hard for many people to understand that having devoted so much of their time, love and prayers to Jesus, in the hope they will be saved and thought well of, that they have been only dealing with half the picture causing their prayers to be ineffectual.**

Mary M continues: "As to why this has been allowed to be for all these years is a matter of concern only for the Mother and Father. It was They who asked us, Jesus and I, to live as we did and be as we were whilst on Earth, just as They ask us to be as we are now in the Spirit Heavens. On Earth, Jesus and I became aware of our true identities, however I was forbidden to reveal and be my true self. I played my role of self-denial as I steadily awakened to what the Mother and Father were asking of me, just as Jesus played his."

To draw on more of Melinda's writings in "The Moment of Lift", let us consider these comments:

"In January of 2004, when Avahan (a Sanskrit word for "call to action") was less than a year old, Melinda made her second trip to India. In Calcutta Melinda had a conversation with Gita who made it clear that she and so many other women in the group that they were in sex work to provide for their families. They couldn't find another way, but they were determined that their daughters wouldn't be forced into the same choice.

"What struck Melinda most about Gita and the other women she met was how much they wanted to touch and be touched. Nobody in the community touches a sex worker except to have sex with her. No matter what cast they're from, sex workers are untouchable. For them, touching is acceptance. So when we hugged, they held on. I've (Melinda) seen this again and again when I've met with sex workers of all genders. We talk and take a photo and hug – and they won't let go.

"So I (Melinda) gave lots of hugs, and I listened to stories – harsh tales of rape and abuse, and hopeful stories about children. As our time together came to an end, the women said they wanted a group photograph, so we linked our arms and took a picture (which would appear in the next day's paper. For me (Melinda), the contrast between their determination and their dire circumstances was both inspiring and heartbreaking."

The Bill and Melinda Gates Foundation is funding Avahan's work with prostitution. Now lets us go back 2,000 years and you may see how such an association could be recorded in history:

SPEAKING with MARY MAGDALENE and JESUS

2013-2014 James Moncrief

James: Mary, to change the subject, archaeologists are currently digging up more of Magdala, was that where you came from?

Mary M: Yes. My family lived in the more wealthy district, or area, as our town by your standards of today was very small; my father being as I've told you, a wealthy merchant.

James: So they could possibly dig up your house?

Mary M: I don't know James, I've not had anything much to do with Magdala since I left it. I visited it a couple of times with Jesus, but once he died I went and lived in Egypt, I had to get away from

everything that was happening after his death. (Mary M died in Egypt aged 47 or 48 having never left Egypt after she arrived.)

James: And as the article I was reading said, that mostly when people think of you, they think prostitute and someone who Jesus cast demons out of. How did that all come about, because you being perfect, you obviously wouldn't have been a prostitute nor have had demons within you.

Mary M: My father supported me all through my life. It was with his money that I did all I did. And when I was sixteen I felt that I wanted to help other women in our area who weren't so well off as I. I used a disused granary, sort of an old warehouse, as a women's refuge, to which prostitutes and women with other problems came and we all looked after each other. It wasn't the sort of thing one did in those days, however as my father was very much involved in the governing hierarchy of Magdala, and also being a very highly respected man, no one did anything to stop me and the refuge, however a lot of people didn't like it, so stories were spread, and you know how it goes. So I was labelled a prostitute, and it was said that I must have been deranged in my mind to even want to care for such unfortunates, so I was possessed of demons, but thankfully, once Jesus came along, as I joined his band and left the refuge which soon ceased to be, all the women I was caring for also joining the throng following Jesus, it appeared that I had come to my senses and so Jesus must have cast the demons out of me as I was no longer so deranged.

And as happens, rumours and untruth are spread by people who don't actually want to know the real truth or the real person, and so such rumours and beliefs were incorporated into the Bible or persist today. And until people want to seek the truth for themselves, and whilst they persist in believing a whole lot of misguided and incorrect beliefs, they will remain bound up in such things.

James: How does it make you feel being called a whore?

Mary M: It doesn't make me feel anything James. It never worried me being called names, I could see why those people said such things, they being afraid because I was threatening the status quo, and they feeling that somehow bad things would happen to them if I kept going. And as far as I'm concerned, if people want to live believing such things, they are entitled to, it's not for myself or Jesus to make them stop. And if they want to find out the truth for themselves, there are ways to do that, even if they have to wait until they die and live in spirit. And if they want to live the Whole Truth of themselves, they can seek to heal themselves of all their untruth, do what you call your Feeling-Healing, which we will talk more about later, and rid themselves once and for all of such errors.

James: How does one have demons within oneself anyway?

Mary M: There are as you know, no such things as demons to begin with. So there are two such influences that one can suffer from. One, the fragmentation of your own mind, giving rise to what you call multiple or split personalities, which can support, or seek, so it would seem, to destroy you, as in having demons within you; and the other is to have mind spirits (from the mind Mansion Worlds 1, 2, 4 and 6) always attending you and always trying to get you to do things, so always in your mind by impressing their thoughts upon you. And people with mental problems might be more susceptible to such annoying, abusive and infringing spirits.

The Golden rule is: Never interfere with another's will.

Later on:

James: I want to also speak more about that Mary, but I'll leave it too for later. So in the meantime, let's go back to you and Jesus having sex because a lot of people believe you did, even having a child or possibly children.

Mary M: I know James, but it's not true. I will tell you categorically: JESUS AND I DID NOT HAVE SEX WHEN ON EARTH. WE BOTH DIED VIRGINS. And in fact we've only had it once in spirit to see what it was like, that being something we did upon our return from Paradise. And we did it so we could relate more closely to the spirits from Earth whom we'd be helping during our age.

Jesus and I are the Creator Pair of Nebadon, we can create, however this level of creation, when we desire to bring universal personalities into being (and these are not souls as in truth evolving souls that God only creates), happens only spiritually between us and in complete union with the Divine Minister. We are forbidden to create in the physical as are all universal Creator Pairs. And so for us to have had sex in the physical, it would have brought about an immediate conception, reflecting the perfect nature of our souls.

James: What about had you used contraception?

Mary M: Too risky and it wouldn't have worked James, the simple act, our intention to unite on the physical would have overridden all such conception prevention.

James: But wouldn't you by having spirit sex also create something, bring someone into being on that level?

Mary M: No, because we'd have to consciously desire to create that universal personality with the Divine Minister and Her agreement, we need Her 'Spirit' to initiate the 'spark of life'. But in the physical different laws apply, and so had we had physical intercourse, new life would have resulted. And as you might imagine, a child of the Creator Pair would have many unwanted consequences for it and the whole of the universe. So it doesn't happen.

An overview:

With the birth of a gentle man the availability of the Divine Love was made available to humanity from the early part of the first century. This gentle man embraced the Love and with it came the Truth about its natures and what was available to those who also embraced it. This gentle man was born around August in 7 BC / BCE and he died in March 29 AD / CE.

He, being Jesus of Nazareth, developed or evolved in his perfect Natural love, as did Mary of Magdalene too, up until sexual maturity, then they started their inner transformation becoming aware of the truth of the Divine Love as they progressed, Jesus becoming mentally aware by the time his childhood was over, Mary being more feeling aware, becoming mentally aware when Jesus told her.

Then through their twenties, and Jesus to the start of his public ministry, Mary about the age of 35, they transformed their soul as one may say, reaching the Celestial level of at-onement. Being Paradise Daughter and Son, and consequently divine, they have no need to fuse with an indwelling spirit.

Jesus was about four and three quarters years older than Mary – she was a Taurus (April 20-May 20), he a Leo (July 23-August 22). History needs to be corrected. Both Jesus of Nazareth and Mary of Magdalene became aware of their oneness with our Heavenly Mother and Father during their physical lives here on Earth in the first century, Jesus in the year 26 CE and Mary in the year 33 CE, or there about (so consider 7 years later). Their Creatorship being reawakened to them by the Divine Minister.

Mary Magdalene died around the time of her forty-eighth birthday. She didn't die from any disease or anything bad happening. She had done all she needed to do, understanding the human condition being expressed by the Rebellion and Default in flesh, and so it was time to go back to spirit and release her Spirit of Truth and set about with Jesus establishing the Divine Love Healing Mansion Worlds. So she died peacefully in her sleep. She knew it was going to happen, knew it was happening at the time, as her dream of her dying became real when she moved from Earth into the first Mansion World.

Mary, the mother of Jesus, was a normal mother, she was not a virgin. Jesus was not born miraculously, however he was born of perfect Natural love so free of sin and evil (which is a miracle compared to all of us), free of the Rebellion and Default. We should be worshipping Mary Magdalene, not mother Mary – they've got the wrong Mary. And so there is no mother Mary interceding with God.

Both Mary of Magdalene and Jesus of Nazareth died as virgins. There were no children between them.

If someone prays to God as the Church says one must, the prayers will only fall on deaf ears. Such prayers are simply a waste of breathe and another means to deny what you're truly feeling. One would be much better off speaking about all the problems and bad feelings one has that are causing one to pray, and to seek the truth of these bad feelings forgetting about prayer altogether. **THE ONLY TRUE PRAY TO THE MOTHER AND FATHER IS A SINCERE HEARTFELT LONGING FROM ONE'S SOUL FOR THEIR DIVINE LOVE.** This is the only prayer you need ask from your soul, but of course as you feel to pray and ask God for other things you should act on such prayers but always with the intent to know what feelings are driving them; and to give attention to such feelings by accepting them and longing for the truth of them.

The writing down of Jesus' teachings commenced a couple of decades after his death and such writings were contaminated with the customs and practices of the prevailing religion of the region, however, many understood the Love and the way to long for it, ask for it, and to receive it. This was the way for the first few centuries.

The politicalisation of the early church by Emperor Constantine through the Nicaean Council in 325 AD / CE resulted in the almost total loss of the teachings of the availability of Divine Love. Thus the Love was lost almost from all sight and to humanity.

By living true to ourselves, true to our feelings, we are living true to God. It's that simple.

Golden Rule: that one must always honour another's will as one honours one's own.

SPIRITUAL UNIVERSE CAMPS

Why were Mary Magdalene and Jesus of Nazareth on Earth?

Jesus and Mary did not physically incarnate on Earth for the exclusive benefit of the humanity of Earth. They physically incarnated on Earth to fulfil the last requirement to achieve full regency over their assigned Local Universe called Nebadon, of which Earth is one of its inhabited worlds.

You could say that we were the chosen world as Earth's humanity possibly is in the worst condition, not only throughout our local universe of Nebadon, not even throughout our super-universe but for all the seven super-universes. Throughout all the seven super-universes, only thirty seven have Rebelled but of the thirty seven rebellious humanities, possibly only one has Defaulted through the failure of the Adamites (Adam and Eve) to fulfil their mission. Yes, we are the centre of attention throughout all of the universes for all the wrong reasons and the question is; "how are we going to get out of this mess?"

The Rebellion that was instigated some 200,000 years ago was compounded by the Default more than 38,000 years ago, both are administered by a Universal Contract that has had to run its course. The ending of the Rebellion and Default began with Jesus and Mary obtaining their full regency over Nebadon. At the time of Jesus commencing his public ministry in about the year 27CE he instigated the arrest and imprisonment of the leadership of the Lanonandeks who instigated this Rebellion, the Lucifer and Satan soulmate / soul partner pairs.

Jesus and Mary's arrival on Earth also brought about the availability of Divine Love for ALL of the humanities throughout our Local Universe, Nebadon. Their advancement to full regency also enabled the opening of the Celestial Heavens for ALL of the humanities throughout Nebadon. And in the case of the Rebellious humanities, the spirit healing Mansion Worlds were opened. Those humanities that did not join into the Rebellion did not and do not need healing / crying worlds. Earth being in Rebellion AND Default is isolated from contact with all other humanities. Our Mansion Worlds, as well as physical Earth, is off limits to all other humanities, be they in the physical or in spirit.

Divine Love is available to all humanities and through the guidance of the Spirits of Truth of Mary and Jesus, those who embrace Divine Love and the guidance of Mary and Jesus can, from the time of the

Mary and Jesus on Earth, progress through Nebadon and then out of Nebadon and progress to Paradise, the home of our Heavenly Mother and Father, God. Before then, spirit personalities were not able to progress from their spirit worlds.

FOR 200,000 years ALL SCRIPTURES are the WORK of the REBELLIOUS LANONANDEKS:

The rebellious Lanonandeks from within our local universe are these soul partner pairs:

Lucifer pair

Arrested and imprisoned 26 CE

Satan pair

Caligastia pair

Arrested and imprisoned early 1990s CE

Daligastia pair

As Mary and Jesus did not take on the Rebellion and Default, as that is not the role of Creator Daughters and Sons to do so, they have not been the ones to teach us how to heal ourselves. However, they are the ones who commenced the structuring of this very incredible event for Earth's humanity.

Progressively, since the life of Mary and Jesus, spirit personalities from Earth have been healing themselves by progressing through the three healing / crying spirit Mansion Worlds numbered 3, 5 and 7 and into the three Celestial Heavens that remain focused upon Earth and its physical activities. Within these three Celestial Heavens, spirit personalities from Earth can and do interact with personalities from the other inhabited worlds from within our System which is called Satania. We are number 606 of 619 inhabited worlds within our System.

There are potentially 1,000 inhabitable worlds within a System, then 100 Systems within a Constellation, and then 100 Constellations within a Local Universe. Thus 10,000,000 worlds make up a Local Universe. Within the Local Universe of Nebadon there are 3,840,101 inhabited worlds and Earth is one of the youngest inhabited worlds.

Within a Super-Universe there are 100,000 Local Universes, each with their Creator Daughter and Son as Regents, being the spiritual mother and father of those within their domain. There are seven super-universes, so if you take it all together, there are 700,000 Creator Daughters and Sons as Regents, each being the equivalent of Mary and Jesus.

Now back to Earth and the ending of the Rebellion and Default. The first five to enter the Divine Love healing worlds, being Mansion Worlds 3, 5 and 7 where five ladies that Mary of Magdalene tutored when she lived in Egypt. These five ladies where the first to complete their healing and transition into the first of the three Celestial Heavens, referred to as spirit world 8. These ladies then helped their soul-mates to heal themselves. This rate of progression has been expanding in numbers these past two thousand years. The numbers within the three Earth aligned Celestial Heavens have had to build up to the level that could and can manage the event of ending the Rebellion and Default.

That is what is occurring NOW!!!

GREAT U-Turn

- Early 1990s: The arrest and imprisonment of the Caligastia and Daligastia soulmate / soul partner pairs – the last of the rebellious Lanonandeks.
- 22 March 2017: Negative spirit influence was blocked.
- 31 March 2017: Angel assisted healing will become available upon the Avonal pair completing their own Feeling Healing, being with Divine Love, thus it being Soul Healing.
- 22 May 2017: Law of Compensation quickening.
- 2 December 2017: Psychic Barriers maintaining the Rebellion and Default were cracked.
- 8 December 2017: Bring on the money to **'house the future of humanity'**. Yes, the funding of the Great U-Turn is arranged.
- 31 January 2018: Earth and the seven associated Mansion Worlds (including the two Earth planes) are **officially** now fully under the control of Celestial spirits. This marks a tangible and real end to the Rebellion and Default.

The numbers within the three Celestial Heavens is presently around 30 billion spirit personalities. Their advanced condition is more than adequate to administer the coming Avonal Age being the next 1,000 years and the 200+ billion spirit personalities still within the mind Mansion Worlds 1, 2, 4 and 6. This is the first time throughout all of the universes that the administration of a physical humanity has been placed in the hands of Celestial spirits, being personalities from the world they are to assist.

This time, in the history of humanity, is the most exciting time ever experienced.

What use is any of the worldwide humanitarian institutions or any other humanitarian man-made effort to save anyone from what our Heavenly Parents have for them to experience. Our Heavenly Mother and Father alone can heal / fix / save a soul. We are souls having a physical experience – a duplex soul manifesting both a male and female personality. It is our soul and personality that is immortal.

So it follows that humanitarian work, is and has to work with and in God's will, allowing a person to know their own will, in order to be in God's will. Will and truth are synonymous in what is said here. And it is through our feelings, our soul based feelings, which we begin to live in Truth – not through our minds – it is our minds that are to follow and embrace what our feelings are leading us to do. Our feelings are always in Truth and by engaging our feelings we are growing in Truth and Love and doing the will of our Heavenly Parents – it is that simple!

Truth is best practiced by living village-ism, rather than band-aid-ism. Give a person a fishing rod rather than just a fish is an ancient saying.

If freely chosen, Pascas is an exponential fishing rod. If it feels right, use it on the way to true universal citizenship living at celestial level of truth.

Pascas presents the Avonal Revelations (AR), Padgett Messages (PM) and The Urantia Book (TUB) as a spiritual 'rod' to celestial level of Truth and living.

A pair with higher level spiritual authority have been progressing through their soul-healing, having realised how to do it, and they will introduce to all of Earth's humanity how to follow. No one has previously healed themselves of the Rebellion and Default while physically living on Earth. It will now follow that others will progress through their Feeling Healing, transition through the fusion of their Indwelling Spirit with their soul and live in a Celestial soul condition even while here on Earth in the physical.

Thus, the **ENDING of REBELLION and DEFAULT** started with Mary and Jesus living on Earth 2,000 years ago and is being consummated by an Avonal Pair who have the spiritual authority to complete the ending of the Rebellion and Default through demonstrating how to undertake your Feeling Healing.

Earth is presently experiencing a second bestowal pair from Paradise living on Earth. The first being the Creator Daughter and Son, namely Mary and Jesus, and now the Avonal Pair. What is even more incredible is that Paradise bestowal pairs of this ranking have Spirits of Truth that are subsequently released to humanity for which they are responsible. Even though the bestowal pairs are spirit personalities, like us, their Spirits of Truth become accessible to those they are to assist. The Avonal Pair's Spirit of Truth will enable Earth's humanity to heal itself of the Rebellion and Default and progress into the Celestial Heavens. It is the Creator Pair's Spirit of Truth that then leads you through the Celestial Heavens and out of Nebadon at which time our Heavenly Parents then lead us Home to Havona and Paradise.

Thus humanity has had the fulfilment of the Second Coming of Jesus through the writings of James Moncrief and James Padgett, the End Times unfolding being the handing over of the administration from Mary and Jesus, the formal ending of the Rebellion and Default and now the introduction of the new spirit age, the Avonal Age with Feelings First Spirituality, The New Way.

Feelings First Spirituality, The New Way **Feelings are your own truth and personality**

Aspiring to Living Feelings First

The MOMENT of LIFT by Melinda Gates

11 December 2019

Samantha from England: Hi John

I haven't read "The Moment of Lift" but I love what you have written about it and about what Melinda has to say.

The Evil Ones have done all they have done to keep Women, their feelings down and I feel that Men have had a Role Model Divine masculine (Jesus) to gain strength and power from. We have all been told God is a Masculine energy who must be obeyed and then we have The Divine masculine in Jesus as a perfect Role Model for Men to follow and it has all been men and they are the all mighty powerful ones and every one must obey them because God is a Man. Jesus is a man so Man has a leader and role model in life, but who have women had as their role model in life? Mary had to suppress her Divine Feminine and only release her Spirit of Truth once she had died so Women haven't had the BIG ONE! like men have. Woman has never been seen as God and we have never had any Woman 'Come Out' and become Divine like Jesus was so Women have had to follow the great Men as we are too lowly to be Divine.

Women have never had a Divine Feminine role model like Men have had a Divine masculine, anything Divine has always been Masculine so how can there be any equality when Woman has never been seen as being capable of being Divine. Mary had to wait and couldn't release her Spirit of Truth to the world until she died and was in the spirit world and Women are still scared of speaking up worrying about what might be thought of her, will she be taken seriously, will she be hated and it feels to me like woman can still only go as far as man will let her go before he shuts her down and puts the lid back on her expression and in competing, Women have become like men and there is nothing liberating about that, we just lose ourselves even more in trying to become something we are not. Christ, we have so much to offer through our Feelings, so much true liberation in being our beautiful, true feeling selves, there is no competition when we express the truth of our feelings EQUALLY, Men and Women expressing their truth of their feelings.

It all is so hard John, and the competition between Women and Men is all so unloving, we shouldn't have to compete to be heard and seen as equals but it is how it is, it is how the Evil Ones made it, we have all been seduced into control and power and clawing our way through life to get it. Shit it's all so awful.

There has never been a Divine Feminine role model on Earth for Women to be Equal to men and that's the way the Evil Ones wanted it, all MIND, ALL MALE, ALL POWER, ALL CONTROL! and all dominance over the FEELINGS and WOMEN.

Have a great Christmas John.

WOMEN are the TRUE SPIRITUAL LEADERS of HUMANITY!

Our soul manifests a male and female personality – it is a duplex! One soul – two personalities! Our soul is the centre of our two personalities. We are children of our Heavenly Parents, our Mother and Father.

We are meant to live through the guidance of our soul based feelings – not live by our mind. Our mind cannot discern Truth. Our mind is addicted to Untruth. Our mind is a Control Addict.

High level spirits seduced humanity to live through their minds, thus bringing about the Rebellion – 200,000 years ago! Then the Adamites Defaulted on their mission – more than 38,000 years ago.

The Rebellion is against love, the Default is all the difficulties we have in our relationships because of our rebellion. Healing the Default is becoming true, to ourselves and in our relationships, and ending our unlovingness – our rejection of love, so ending the Rebellion.

Okay, because we are amongst billions of people who have been forced to join the Rebellion and Default, we are one of them – experiencing all the crud and wrongness we can possibly get ourselves into. Yep, we are rebelling against our soul, which also means we are rebelling against our soulmate and also our Heavenly Mother and Father.

As we are rebelling against our soulmate, the other personality originating from our common soul, we are being toxic to him or her. We carry this pattern into our relationships with others of the opposite sex. Many commit heinous crimes against their soulmates only to discover this upon completing their Healing.

REBELLION

When we are living true to our feelings, we will be living true to the will of our soul no longer with our mind getting in the way. And so too will we be living True to God's Will. We live God's Will by living fully expressing all we feel as we long for the truth of such feelings. Our feelings are to guide us in life, not our mind; our true feelings are Our Way, which is also: God's Way.

By living true to ourselves, true to our feelings, we are living true to God. It's that simple.

And it is the women that will lead the way in Healing, not only of themselves but also for men.

"The True Liberation of Women is Through the Truth of Their Feelings."

To liberate one's real self, one's will, driven by one's soul, moves one to embrace Feeling Healing so as to clear emotional injuries and errors. With the Divine Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

LIVE FEELINGS FIRST

**Feelings First Spirituality, The New Way
Feelings are your own truth and personality**

The EXTREMES of EMOTIONAL INJURY and SOUL SUPPRESSION:

At the extreme ends of Childhood Repression, a soulmate pair will be the first to heal themselves, having experienced their parents and close family members impose upon them forms of childhood suppression that collectively represent all possible extremes of experiences that we can have. Thus, when their Spirits of Truth are released, then all of humanity will be able to draw upon these for assistance and guidance as to how to liberate one's own soul from their own personal repression. This is the gift that this soulmate pair is to provide humanity with.

As the female is closer to her feelings, it is the female that may lead and assist the male in their Feeling Healing process, while progressing with her own. The male typically cannot do this on his own, the female being more capable due to her closeness to her feelings. However, to complete her own progression, the female requires the support and participation of the male. It is now time that we recognise that it is the woman that is our spiritual leader.

Our truth loving soul based feelings are to be brought into dominance with our minds only to support our soul based feelings. It is how we are brought up by our parents that we erroneously accept that our minds are all powerful; however they are greatly flawed and self-centred. Embracing one's own feelings is embracing the way of living that our Mother and Father desire for us to express and engage in. We are to fully express our God given personality through our feelings, not our mind based man-made impressions.

Firstly, consider discovering the truth of your emotional pain and injuries through Feeling Healing.

Secondly, consider longing for our Heavenly Parents' Love as you progress with your healing.

Primary and most important readings are the writings of James Moncrief.

Then consider the Padgett Messages, and then The Urantia Book.

TRUTH LOVING SOUL V ERROR INFLICTED MIND

WOMEN to LEAD the WAY:

Notes from Sage – and the Healing Angels of Light by James Moncrief

Jesus really came to say – and by the way, it was both Jesus and Mary Magdalene, as she is his soulmate / soul partner and equal, only she didn't have a proper say like he did because of the work she had to do, she allowing herself to be subjected to more of the repression of the feminine. And this is how the rebellious spirits controlled humanity, by getting people to deny their bad feelings. Jesus and Mary really came to tell humanity, which the Christians don't even understand, is that we can long to God for Their Divine Love. And if we do that, then as the Divine Love comes into our soul, as apparently it will if we sincerely want to be at-one with God; and if we are also looking to our feelings for their truth.

The suppression of the feminine is where all our problems lie. That it's all become so heavily masculine with men physically dominating women and not allowing them to have their say, which is really the say of their feelings. And that women, if they are true to themselves and started to stand up and honour all they feel, all so long as they also want to use those feelings to uncover the truth of themselves, will lead men out of their wrongness. But women who want to stand up honouring their feelings, yet not wanting to use them to see the deeper hidden truth of themselves, of what's wrong within them and why, are just being like men are, still using their mind to deny themselves the truth of why they are feeling what they feeling; which is really what so many of the feminists are about. And being that way is not going to make them feel good if they ever understand they are only buying into more of the wrongness by trying to be men's equals in a mind way; and that really, we women have to go the other way and into ourselves and the truth of our feelings, if we are to really liberate ourselves.

I feel bad, so I stop and pay attention to that bad feeling. I allow myself to feel it as much as I can. And if you are with me, and willing to listen to all I want to say about all I feel, then I can share it with you; I can emote my pain or anger or whatever, to you, as I long to know why I am feeling bad. And that's all I have to do, the rest all takes care of itself. When I am ready to see the truth, up it just comes naturally within me; and at the same time, so Ursula says, my soul will make the necessary inner adjustments in me so as to change that part of me on whatever level within me, from being dysfunctional into being functional; and slowly I will change getting better and becoming truer and more perfect, healing myself of my wrongness, evil, sin, imperfection – whatever, you want to call it. So that's what I want to do, and I assume you are willing to listen to me when I feel bad. So I feel like I'm on my way, I've started to do my Healing and I am starting to move in the direction of being with God, rather than keeping on going away from God. And I'm going to try this longing for the Divine Love and see what happens there; and if you want to do that too, we can do that together as well.

The REJECTED ONES

Message 1

19 November 2002

James Moncrief

Hello James. I am so pleased to be the first spirit to write to you. My name is Zelga and I'm a spirit from the 'seventh heaven'. I want to speak with you, as there is something special I want to tell you. It is not generally known on Earth, but it is of great importance to us over here.

Zelga: I, and other women spirits, want to write about truth: that which we know, but has been hidden from your world and is crucial to all mankind. We also want to write about the subject of women, as we are so maligned on Earth, and we want to do something about that. Compared to men, we women have suffered a great deal and only rarely have we had a public voice in which to speak our truth. And, as you have gratefully given yourself over to our cause, I am very excited and eager to begin.

Zelga: Women are more inwardly personal by nature (men more outwardly personal), but when men and women express themselves the wrong way they become impersonal, and it is this impersonal expression of men and women that keeps the balance of power with men. It is not a war of the sexes as it might seem, it's only that men and women being so impersonal and untrue to themselves are unable to relate freely, truly and lovingly with each other. Men and women are living away from their true natures and in this wayward and negative state are trying to be with each other. And this is what causes all the relationship problems between the two sexes. Men say they can never figure women (and it's the same on the other side, although a lot of women secretly believe they have men figured) because they can't figure themselves out. Both men and women are lost to the truth of themselves. Men and women are lost to their own impersonal delusion. We have all been created to be personal, and not to be so lost and controlled by the impersonal, however as you, James, are discovering, this is little known about and poorly understood.

Within each woman is her soul of truth, and if she chooses to live true, then innately she will know how to be a woman and how to be a mother and how to be a grandmother – how to be her true self. And she will be able to know how to be these things as well as still being the free child of her Heavenly Parents.

And so it is that the salvation of humanity and the healing of all souls will be brought about by women: women striving to live the truth and then helping men to see it from their perspective. This will bring about the balance for both to live equally together and to live finally, lives of love.

Women simply lack the confidence to know that they can know, and know it all, for themselves. They can live perfectly with God without the Church and Bible (they both being men's creation). They can live perfectly well with their Holy and Divine Mother and Father, and just as easily as any man can do.

Our Mother and Father are a soul-couple. Two who are of One Soul. And we are of Their image: woman and man. We are created to be together, as They are together. To be together forever, so the truth of soul mates is real – very real. And so it is: that for every woman there is a man and for every man a woman. For men and woman to believe that this is not so, and try to love only each other of the same sex, is sadly only a reflection of the inner torment they are suffering.

Men and women are destined to live, not only harmoniously together, but also completely and perfectly in love. And as women begin to liberate their truth, and it comes into the world bringing the balance so desperately needed, then men and women will both see that living with such love of and for each other is a possible reality; and something to live for, and to hold as the highest aspiration of life. Women and men as soul-mates are to become as our Mother and Father are: completely in love and at-one with each other. However, as we live now: completely unloving of each other, we have as a whole, a long way to

go. And if you think this is untrue, wait until you start doing your soul-healing, revealing such truth to yourself.

We are meant to be as children, together with our Heavenly Parents. We are meant to serve each other and not to try to have power over one another. Most of this is known and many people long to live this way, and some even believe that they are, but until the focus is brought right back to the relationship, and the relationship only, it will not be achieved.

God, now consisting of our Mother and Father, is a relationship. They are Relationship. They are Soul with two distinct Personalities continually expressing love for one another. I know this concept may sound difficult to understand, however that is only the mind with its usual difficulty. For such truth is not to be understood with the mind. It is to be soul-perceived – felt, and just known. The mind need only then accept it, understanding the reality as required.

Women by their nature are naturally ‘going in’. They receive the man from outside of them into themselves. They want to stay ‘home’, inside themselves and not leave, staying close to their feelings. And as they will find, that by staying true to their feelings, just as Marion is showing you, James, they will not leave themselves to become caught in the deluded world of male based falseness. They will lose the need for impressing the man and instead will be loved by men for being themselves. However, unless the man is equally willing to come back to himself and stay close to his feelings supporting the woman in hers, it will still be a very hard for her to stay true. Although we spirits are presenting a heavily feminine atmosphere through these messages, it will still take a woman and man to help each other achieve all we will be telling you. Men and women do need each other and that applies to one’s soul and spiritual growth. There is only so much you can do by yourself, it can be relatively quite a lot, but at some point a relationship is required as the soul re-unites its two halves.

Important recommended reading is:

The REJECTED ONES

Message 3

2 December 2002

James Moncrief

Mary M: My focus with you will be to help show you how to uncover truth for yourself; how to look into your feelings and see what that they want to show you. How to concentrate on yourself – mind your own business – and become self-revealing. I want to guide you back to yourself so you will be able to see just how far away from yourself your parents took you. Your parents didn't mind their own business and allow you to get on with your own life, they continually interfered with you, controlled, dominated, told you how to be, what to believe, how to think; they didn't allow you to stay true to yourself. Your parents, James, caused you to loose yourself, to step away from yourself, to push yourself aside and be how they wanted you to be, and it wasn't right. Consequently you have suffered, and it's this suffering and what they did to you: how they caused it, that I want to help you see.

Jesus spoke of living the Will of his Heavenly Father, but to do this you must first live true to your will. Your own will must be in one piece; it must be able to function perfectly well. You must be able to do what you want to do when you want to do it. If you are doing so, then you can choose with your will, for you do literally will yourself to, live another's will, such as the Mother and Father's.

As a child you were not allowed to live true. You were not allowed to express your will, to live and therefore be true, to your own wants. You were stopped, inhibited and interfered with in many ways all of which had the same result on you. You lost your power and gave it all to your parents. Your parents made you live their will. So what you now believe, but is unconscious within you, is your power, your ability to do the things you want to do, is all still only what your parents are allowing you to do. Unbeknown to you, you are still only living their wills, with yourself struggling for something to do for yourself in it. You weren't conscious of this, so by the time you reached adulthood you believed you were now the full master of your own destiny, but the wind doesn't always seem to blow when you want it to or blow and in the direction you want it go. And why? Because there is no real YOU in the picture. Your life is merely a 'sub-life' of theirs, and will be forever until you choose to – will yourself – to do something about it. And this is extremely difficult to do for how can YOU will yourself to heal your dysfunctional will when your will is only a poor composite of your parents? You're pathetically trying to use your will in your life to get what you want, and yet all you are doing is living the will of two interfering people. And not only that, but they themselves are a mixed up composite of their parents wills. So in effect you are being parented by many wills: your parents and their parents effects on them, and then, if you go back even further, you're being affected by even more wills, and when does it all end? There are generations of people, none of whom have not minded their own business, all coming together through your parents to interfere in your life thereby inhibiting the true functioning of your will.

So you can see you will need to heal and be healed of all of this, to somehow remove all these interfering negative influences. All their wrongness, which defines you now, is reflected in how you function in life, all having been sculptured around your will-controlling parents, and it needs to go. And where is all this wrongness; all this will dysfunction; all the negative effects of not living as a true whole wilfully free person? Contained within your soul. And what needs to happen is for you to rid your soul of such negative influences. You need to somehow divest yourself of all negativity and then you will be free. And true FREEDOM is just this: YOU ARE FREE TO LIVE YOUR OWN WILL. You are YOU, right through you into the depths of your soul, and so all that you want to do, and how and when you do it, you will know is, YOU. No one else will be consciously or unconsciously influencing you, and if they tried to do it, they would find it very difficult for the integrity of your soul, your own feelings, would first alert you their evil intention and you would want to make them stop. There is no other true freedom. A free soul, that being one living in a state of pure love, is free, being completely empowered by its own will!

Your soul James (as are all souls) is existential. It is in a state of 'Being', in a reality that is devoid of anything else except personality potential. This 'place' or 'state' or 'reality' is not in Creation, however Creation is of it, is an expression of it – an expression of Soul. Soul creates Creation. If a soul needs or wants to express itself – its personality in Creation – it needs to do something. And the first thing it does for itself is create or manifest its own will in Creation. At a moment prior to your physical conception your soul has already started to manifest will, your will, that part of it – your personality – that's called will. And with this will it is then ready to literally 'will' the rest of its – your – personality, into life. You and your soul are one and the same. You are currently consciously focused on living and perceiving and experiencing life through Creation as you – your soul – express your personality. Once your soul – you – has begun its incarnation, it forevermore continues to will you into Creation. You are always an ongoing expression of your soul's personality. Without a will, an active part able to manifest in Creation, none of you would exist, not your spiritual or physical or thinking and feeling parts, nothing. So your will is very important and should anything interfere with it then that interference is going to have a negative affect on your souls ability to will you into life. When your parents imposed their wills on you, that imposition affected your will. It affected how you will yourself about in life: how you do things, how you express yourself, how to get what you want; how to live true to your feelings so you can use them to find or uncover the truth of your soul – the truth of you.

The Mother and Father are a Soul-Personality, and we have been created in Their image. They have created our soul and bestowed personality upon it. And being our Parents They want to get to know Their children, and so we need to have our wills functioning perfectly so we can relate to Them and They can relate to us. If however, your parents have interfered with your will, then you can't relate to God as They want you to and as your soul longs to.

If you want to be as perfect as God is, then you will have to heal your will imperfection. If you want to live the Will of God, then you will have to heal your will dysfunction. If you want to live at-one with your Heavenly Mother and Father, then you will have to first become at-one with yourself healing all that is wrong in your relationship with your own parents. So long as you're living in a negative will state you will NEVER be able to ascend in truth and arrive on Paradise and be with The Two, who are One, who created you.

As Jesus has revealed in the Padgett Messages, he and I were born on Earth in a perfect state of being. Unlike you, our wills remained perfect, our parents couldn't negatively interfere with them. We could not be influenced by any evil, and even though we still had to maintain a purity of mind, this was not hard to do as we felt the truth with all the feeling of a complete uninterfered with will. However, the problem Jesus and I faced was we weren't, owing to certain incarnation restrictions placed on us because of the Rebellion and Default, allowed to express our full wills, our full selves. Jesus could express himself more than I, as the male was more dominant, the woman more suppressed; and my life was reflective of that, being able to mostly only tend to the sick and poor. I couldn't teach and reveal truths alongside Jesus as his equal. I could only help people in my humanness and not as a full Daughter of my Heavenly Mother and Father. My 'time', as I understood it when on Earth, was to be after I died and entered the lower Mansion worlds. Then I was able to fully reunite with Jesus and reveal the truth that I had within me: that God is my Heavenly Mother. Had I been able to reveal my truth to humanity when I was on Earth, then you would know from Jesus and I that God is both your Heavenly Mother and Father – the feminine and masculine aspects being fully expressed through Jesus and myself.

Strange as it may seem, but the truth of who I really am is not hard to keep from Earth or the natural love spirit worlds: Mansions Worlds 2, 4 and 6 as Jesus spoke of them to Mr. Padgett. Those in spirit who

wanted to know, lived in the Divine Love Mansion Worlds 3, 5, 7 and above in the Celestial spheres (Mansion World 1 being a mixture of both and the introductory world for Divine Love). The separation between Divine Love and only natural love maintaining something of a natural barrier preventing the spread of truth. So humanity on Earth has had to wait until now for a new and full presentation of the truth of myself. Of course many have suspected and speculated about me, but until I reveal my own personal soul nature, no one can know for sure. But now you can. Mr. Padgett was unable to accept and embrace me, as Jesus began his re-revealing of the Truths of Divine Love through him, and I am beginning my revealing through Marion and you, James.

It might be difficult to believe that no one wanted to know the Truths of Divine Love, but it is so. For two thousand years nothing changed. People might have been disgruntled with what the Church called truth, and many searched for meaning, but it was all from and with their minds and not their souls. James Padgett had a sincere soul longing to which Jesus was able to respond to. And you have had a deep soul longing for the feminine aspect of truth to which I am able to respond.

Jesus revealed through Mr. Padgett the truth that the Father is offering His Divine Love to you. I am revealing through you that both the Mother and Father are offering Their Divine Love to you. Jesus also revealed that upon partaking of this Love one can undergo a soul transformation into the New Birth; and I am revealing through you, that this inner transformation is called your Soul- Healing. And it is something that you have to consciously make an effort to do. You have to willingly choose to do it; and in doing so will eventually heal all your will of imperfection – all of the negative you were forced to accept from your parents. And together Jesus and I will tell you that it is by longing for and wanting to live true to yourself: true to your feelings, that you will uncover the truth of your negative will state and heal it. And when you are healed, you will be free to live as Jesus and I do: perfect in our Divine Love souls – as Celestial spirits living in the Celestial spheres.

Humanity has fallen from Grace. It hasn't consciously or willingly rebelled against the Mother and Father but has rejected Them by default. This has led to the negative will state being passed on by default from one generation to another. The result is you are very confused and lost, living with little truth or real understanding about the spiritual nature of things. You have fallen the equivalent of the seven Mansion Worlds, so to heal yourself back to perfection, you have a long road ahead as you ascend your way in truth back up them. Your soul-healing will be very testing as you uncover the truth of all your negative will. However, humanity is now longing for such truth, and so the way is being presented for those who want to take up the challenge. Now is the time, Jesus and I are revealing to you that which you need to understand to help you; that which will answer and appeal to a sincere heart and soul longing for love and truth.

I feel that is probably enough for the time being James. I will now leave you. Mary Magdalene, 'Sister to all sisters, and soul-mate of Jesus.

OUR GUIDANCE to PARADISE, the home of our HEAVENLY PARENTS:

There are three distinct phases of our progression to the home of our Heavenly Parents which is Paradise that is within the circle of seven Super Universes, each containing many Local Universes.

Once we progress beyond our Local Universe of Nebadon, then we are assisted and guided by our Heavenly Parents, our true Mother and Father all the way home to Paradise.

Before then, once we have completed our soul healing, we are guided through the Celestial Heaven worlds which are those that interact with humanity on Earth, then further on into and then out through Nebadon, our Local Universe. The regents of Nebadon are Mary and Jesus.

However, before then, we are to embrace our healing. That is, we are to realise who we truly are. We are not the personalities that our parents imposed upon us. We are to put aside our childhood suppression and repression and free our true personality that our Heavenly Parents gave us, and to do this we are now able to embrace the guidance of the Avonal Pair who will lead us through our healing here on Earth and through the Spirit Mansion Worlds to be able to enter the Celestial Heavens.

AVONAL PAIR

GOD

MARY & JESUS

Through out the Avonal Age of 1,000 years, their Spirits of Truth will assist us in embracing and engaging with our Feeling Healing and with Divine Love our Soul Healing, they will assist us to develop our soul well into Celestial Heaven status should we persevere with such a goal. To the extent that the Avonal Pair develop themselves while here in the physical on Earth is the level that their Spirits of Truth will be able to assist us. Then it will be Mary and Jesus' Spirits of Truth that will assist us up and out of Nebadon, where our Heavenly Parents will then assist us onto Paradise, Their home.

The Descending Sons of God

The Urantia Book:

(223.6) 20:1.1 All descending Sons of God have high and divine origins. They are dedicated to the descending ministry of service on the worlds and systems of time and space, there to facilitate the progress in the Paradise climb of the lowly creatures of evolutionary origin — the ascending sons of God. Of the numerous orders of descending Sons, seven will be depicted in these narratives. Those Sons who come forth from the Deities on the central Isle of Light and Life are called the *Paradise Sons of God* and embrace the following three orders:

(223.7) 20:1.2 1. Creator Sons — the Michaels.

(223.8) 20:1.3 2. Magisterial Sons — the Avonals.

(223.9) 20:1.4 3. Trinity Teacher Sons — the Daynals.

(223.10) 20:1.5 The remaining four orders of descending sonship are known as the *Local Universe Sons of God*:

(223.11) 20:1.6 4. Melchizedek Sons.

(223.12) 20:1.7 5. Vorondadek Sons.

(223.13) 20:1.8 6. Lanonandek Sons.

(223.14) 20:1.9 7. The Life Carriers.

We of humanity are ascending sons and daughters of our Heavenly Mother and Father:

(119.1) 11:1.4 The Father is always to be found at this central location. Did he move, universal pandemonium would be precipitated, for there converge in him at this residential center the universal lines of gravity from the ends of creation. Whether we trace the personality circuit back through the universes or follow the ascending personalities as they journey inward to the Father; whether we trace the lines of material gravity to nether Paradise or follow the insurging cycles of cosmic force; whether we trace the lines of spiritual gravity to the Eternal Son or follow the inward processional of the Paradise Sons of God; whether we trace out the mind circuits or follow the trillions upon trillions of celestial beings who spring from the Infinite Spirit — by any of these observations or by all of them we are led directly back to the Father's presence, to his central abode. Here is God personally, literally, and actually present. And from his infinite being there flow the flood-streams of life, energy, and personality to all universes.

Note: Under the rules of the Rebellion and Default, The Urantia Book was written in the masculine. Reference to Father is to be taken as Mother and Father, as Son is to be taken as Daughter and Son, etc. It is always the soulmate / soul partner pair that is being referred to.

SOUL:

The Real You is your soul, you are one 'half' of that soul.

Each half of the original soul incarnates a spirit and physical body simultaneously, they being connected. The soul expresses each of its two personalities as a woman and man. True soulmates are always of the opposite sex.

Sexuality is an attribute of the two personalities the soul expresses; the soul itself does not know sexuality.

The soul connects to the two spirit bodies it has created by 'golden cords' of light; and the spirit body is in turn connected to the physical body by 'silver cords' of light.

The spirit body is your astral body. The etheric is really the body that is the template for the physical and one that doesn't hold consciousness.

The soul remains invisible to the spirit and physical bodies, only being discernible by its luminosity through the spirit body.

95%+ of humanity currently are within the 1st sphere of development.

PERSONALITY

Soul Spirit Body Physical Body

PERSONALITY

Physical Body Spirit Body Soul

DIMENSIONS of ONE'S EXISTENCE:

Our SOUL IS NOT ENSOULLED IN OUR SPIRIT BODY. Our soul exists existentially in a whole different level or plane or place or dimension of being – 'soul land'. It doesn't exist in Creation, it's not experiential like Creation is. The soul, all souls, help create their part of Creation by expressing their personalities into Creation, and then by having their personalities do things (further create) in Creation.

SOUL exists existentially

Our Physical Body and our Spirit Body are of Creation, being linked together by cords of light as are the two spirit bodies, male and female, to the one Soul.

One's unique personality is soul based. Our unique soul expresses its unique personality through the two spirit bodies and physical bodies expressing both the male and female aspects.

PERSONALITY

**Our soul is the centre of our personality.
We are children of our Heavenly Parents.
Our soul manifests a male and female personality - it is a duplex!**

OUR MIND constricts OUR FEELINGS!

Thousands of years ago, high level spiritual leaders erroneously guided humanity to embrace their minds as the way to live. Our minds are addicted to untruth, they cannot discern truth from falsehood, and our minds are addicted to control over others and the environment. We are self-contained. It is our soul-based feelings that we are to allow to surface and guide us. Our minds are to then help us implement what our feelings are leading us to do and understand. All truth flows from our soul and it is our minds that are to allow such truths to be accepted and followed, not the way we are now being taught. We are to live Feelings First.

We are to Find the Truth of our Childhood.

James Moncrief – Sunday 8 September 2019

We are to Find the Truth of our Childhood.

That's it; and find it through our feelings by directly connecting, feeling, experiencing, and most importantly, knowing they are true by being them. We ARE our childhood, the truth is already there, it is already within us, we are already living it, we don't have to look anywhere else for it other than within ourselves. All of why you are what you do, say and live, everything about how you are and how you conduct yourself in life, is all what your childhood was. You grew into being the adult you are because of the childhood you had, we can't be a different adult that's not a direct and complete product and result of our childhood. And if you take away the time element, we are still our childhood, our life is still manifesting how it was for us as a child. We can believe and pretend all we want that we are different to how we were as a child, that having become adult we can leave our childhood behind and move on becoming the adult we want to be. No, we think we can do that, yet we can't. We can't do anything that's not already done, we are still effectively living our childhood and being as we were in it, and that's within all the different times and phases of it, all which adds up to being one big, often contradictory, mess of ideas, beliefs and opinions about ourselves.

And we can't be anything else other than what we are, which is how it was for us through our childhood, yet we fail to see it because we're not fully connected with those parts of ourselves and all the corresponding feelings that will help us see it. So we are to find the truth of ourselves – hence: the truth of our childhood. Because in knowing the whole truth of our childhood and being it, being aware that we are it, connects us as adults fully with ourselves back then. You know how it was for you, because you feel it, your feelings tell you, show you, and there's no avoiding or denying them, because they are expressing (by making you feel) the truth of how it was for you, how it has always been since conception, and how it will remain until the Mother and Father transform you out of your untrue state – out of your unloving childhood.

So our Healing is about finding the truth of ourselves from the beginning, which equates to the truth of our whole childhood, because it's our childhood that made us be as we are. And because we were so heavily interfered with and prevented from being our natural true selves, so we have to 'Heal' all the damage that was done to us. Healing ourselves by seeing the truth of ourselves. So by acknowledging all our feelings, and by wanting to find and uncover the whole truth of our childhood, we work progressively deeper into ourselves, bringing to light all that happened to us to make us be as we are. And part of that is to help us see how much of our childhood and forming was true and loving, and how much was untrue and unloving.

And presumably, once we've brought to light within us the whole truth of our childhood, then the good, true parts, those founded on true love, will remain; and the bad, that which was founded on untruth, will be transformed out of us by God through our soul.

As a forming and developing child, we don't have enough of ourselves to find and so experience the whole truth of what's going on. But as adults we do. And if we grew up in a fully true and loving situation and environment with only loving and true relationships, then as an adult that's how we'd be feeling completely loved and true, happily wanting to bring to light all the positive influences that affected us through our childhood, all of which would be a very enjoyable and loving experience. Whereas because we grew up in rebellion against Truth and Love being forced to be mostly untrue and

unloving, and even possibly completely untrue and unloving, then it's not enjoyable going back bringing to light and expressing all our hurt and pain.

We start out not knowing anything about how it is for us through our childhood; or at best, a minimal amount as some people and families are more feeling expressive and self-aware. And through our Healing we have to get to know it all, because we are it, so we're getting to know ourselves – which for many people will equate to getting to know their shit-start in life. And once we've brought to light the truth of our childhood, then we can leave it, moving on bringing the truth to light of being a true adult. Which is what The Urantia Book means by saying we become true universal spiritual citizens once we are living a Celestial level of truth. So the Mansion Worlds are really provided for us to uncover the truth of our childhood, to see how it was for us, and consequently, how we lived as a child. And they are really only for that, and not so much for us to set about righting all that we find out is wrong within us. We are to only see and so uncover the truth of ourselves. As far as fixing ourselves, or changing or transforming ourselves, that is up to God.

The Mansion Worlds are called probationary worlds, ones in which we can settle the Law of Compensation within our untrue states and continue living against ourselves and the Truth, furthering our truth and self denial; and ones in which we can do our 'Healing' to see the whole truth of our untrue state. Which we can now do either in the Mansion Worlds themselves, or on Earth.

So there is no avoiding the truth of your childhood if you want to ascend beyond the Mansion Worlds. And the fact that none of the spiritual or religious systems on Earth are wholly devoted to helping people bring to light the truth of their childhood through their feelings, shows what a terrible state we're all in. Imagine if the whole world was focused on helping everyone bring to light the hidden truth of themselves, and so the truth of their childhood. It certainly would be a different way to live and so a different world we'd live in.

We can't actually fix anything from our childhood. We can't, only God can. And God will when we've brought to light all the truth of it that God wants us to see. We can undergo therapy (and some truth might come to light), go to the doctor, do whatever we do trying to feel better, all trying to get rid of our bad childhood, all trying to fit in with the beliefs we have from our childhood of how we should be in the world, yet it's only at best scratching the surface. God, through our soul, won't allow us to change anything from our childhood anyway, at least not until we've seen and brought to light and fully connected through our feelings with all the truth of it. There'd be no point God subjecting us to such horror if we could make it all go away before we found the truth of what it was all about and why God made our childhood as it was. So we can do a little, or so we think, adjusting ourselves this way and that, however even those adjustments we come to see through our Healing are 'allowed' because we're still just doing them within our prevailing childhood patterns. And there are what seems like endless levels within us of which we're composed, which you would expect because of the enormity of being God's children, and so there's quite a scope for us to move or play around in entertaining ourselves by believing we've changed the foundations and results of our childhood. So as we can't actually change ourselves, all we can do is want to uncover the truth of our childhood and live that truth. All of which involves vast amounts of self-acceptance, which gradually comes with the truth, growing in the acceptance that this is how you are, how God wants you to be having this experience, given the childhood you had, and there's nothing you can do about it. Other than keep on expressing every feeling that comes up, as you long for the truth of your childhood, wanting to live true to yourself.

How is it for you if you are Truly Honest with Yourself?

♥ You truly love your children, devoting yourself to them, wanting nothing more than for them to grow up and be as they want to be?

♥ You believe you truly love your children, believing you are devoted to them, wanting them to be as you want them to be?

♥ You love your child more than you love your pet?

♥ You love your pet as much as your child, treating it as if it is another child?

♥ You love your pet more than your child?

By living true to ourselves, true to our feelings, we are living true to God. It's that simple.

Avonal Revelation

- We are to live Feelings First.
- We've been made to use our mind to live against many of our feelings.
- Our mind control commences at conception and is developed through our childhood.
- All the bad feelings we didn't express as we were growing up are still repressed inside us.
- And all such hidden, buried and unwanted feelings have to come out.
- And whilst they remain repressed within us, they will continue to make us feel bad and unloved.
- We get sick, depressed, suffer, have bad things happen to us because of our repressed childhood feelings.
- Humanity was brought into this state of living against itself by higher rebellious spirits.
- These Evil Ones caused the Rebellion and Default.
- We are made to rebel by default – as we have no idea we're doing it through our parenting in wrongness.
- We are all parented unlovingly – against ourselves, against our will.
- Some parenting in the wrongness is done with more love, yet it's all still wrong.
- To heal this unloving state within ourselves we have to do our Healing.
- Our Healing is our Feeling-Healing or Soul-Healing with the Divine Love.
- We can long to God for Their Divine Love, and this will help us with our Healing.
- God is our Heavenly Mother and Father, the Feminine Aspects of God having been kept hidden from us by the Evil Spirits.
- All humanity's religions and spiritual systems are designed to keep the wrongness going, to keep us away from God.
- Only by living Feelings First Spirituality, The New Way, can you become right, and truly find God.
- Long for the Divine Love.
- Long for the Truth of your Feelings.
- Accepting all you feel is accepting all of yourself, it's your greatest act of self-love.
- And wanting to know the truth of your feelings, is your next greatest act of self-love.
- Love yourself through your feeling-acceptance, and the Truth will set you Free!

31 May 1914 and ongoing

It's time for the true Women's Revolution:

Liberation of the Feminine:

Women are Spiritual – live true to your feelings.

Put your feelings first – always. Let your feelings speak, DON'T DENY THEM.

I am my feelings. I care what I feel. I deserve the right to allow my feelings the right to exist. Let me OUT – Let my feelings have their Say. I will no longer keep them back, hold them in, shut them up. I want to be Heard. I want my feelings to have their say. I want to hear what my own feelings are telling me. It's time to face the truth, and my feelings are the way to it. My feelings won't like being suppressed, not once I get my mind out of their way.

Viva La Feelings – Women are Feelings. Women are Spiritual. Our Feelings are our true spirituality. Deny our feelings and we are denying our spirit. The suppression and forced repression of our feelings is to end. Bring Them ALL Out. Open your mouth and let your feelings come out, let your feelings have their say, and Long for the truth of Them. Want to know the truth of your feelings. My feelings are the Way to My Truth. I want to be true, beginning with being true to my feelings. And through my feelings I will be guided and shown how to live.

God loves all Feelings. You can only love God with your Feelings. Give ALL your good and bad feelings to God. Bring them out, stop keeping them hidden and bottled up. If you don't, you'll never uncover the truth of yourself, nor will you really get to know yourself or God.

Your feelings are the key to your successful relationships. Block your feelings and you're blocking your relationships. Express your feelings and want them to show you the deeper truth of yourself, and your relationships will become true too.

Long Live My Feelings. MeTOOandmyFEELINGS. I am Woman let me FEEL. It's time to honour what I feel. Liberate the true feminine by liberating ALL your feelings. It can be very difficult, there will be many obstacles within yourself and outside of yourself, however if you want to truly set yourself free of your pain and suffering, then seek and long with all your heart for the truth of your feelings – for your feelings to show you the truth God wants you to see about yourself. And slowly you will heal, slowly you will change and overcome all such difficulties.

James Moncrief 18 March 2018

Living FEELINGS FIRST
FEELINGS FIRST For Kids

PARENTING:

Tuesday, 16 October 2018

I, James, want to write a few points about parenting having read a few pages of *Parenting is Forever* by an Australian paediatrician – Elizabeth Green, a book I saw at the library.

The hard truth is: if you parent whilst being of the Rebellion and Default, then you will be severely damaging your children. It's what we fail to understand; and we've been doing it for a very long time.

The whole notion of one can be a 'good' parent or a 'bad' parent needs to be thrown out the window. When you understand we're all living in a state of truth-denial; that we are denying the truth of ourselves, nature and God; that we are living against ourselves, nature and God; that everything we do is wrong and within the Rebellion and Default, then everything one might do as parent will be wrong too.

Until you begin your Healing, everything you do with your children will be stuffing them up. It can't be helped. And you won't know how you are stuffing them up until you do your Healing. You can't see the full extent of what you are doing to them either positively or negatively as you are parenting them – unless you are doing your Healing. And you can't work out how to stuff them up less, as it doesn't work that way. They will come to know how stuffed up they are – what a 'good job' their parents did on them – when they do their Healing.

We have to do our Healing so as to see the truth of our relationship with our parents. And until we see it, we'll remain forever more bound up in our Wrongness. And the idea that we can learn how to parent, learn how to be better parents, use our mind to parent children, is wrong, too. We can use our mind to learn whatever we want, but as that too is being done in rebellion against the truth of our true self, so it's only going to negatively effect your child.

A parent might be able to parent its child to fit better into life, living a more morally acceptable, respectful and loving life, however it's all still learnt, so it's a contrivance based on current acceptable pretence and falseness – it's all untrue and a fantasy.

Parenting happens on multiple levels most of which the parents are unaware, and all starting at conception. At conception, it's all already done, it's a done deal – pregnancy, childhood, adulthood is just the outworking of it. So all our negative patterns are conceived at conception (incarnation), with the only way to change those denial, rebellious, anti truth and anti love patterns being to do your Healing by seeking the truth of your feelings. And once your Healing is complete, then you will be living wholly positive, true and loving parents.

The truth you are living is 'organically' imparted 'absorbed' by your child all the way along, and right up until you have completed your Healing when technically you are no longer the parent of your child, having given it up completely to God, it being wholly God's child. By the time we're all of a Celestial truth we are then truly children of our Heavenly Mother and Heavenly Father without any further parent / child connection on any level other than in our memories. When you have completed your Healing, then you will be totally free of your parents. Until then, even through they might not be personally present and active in your life, still you are living out the patterns that resulted from being with them, even if that was only for a moment. With those patterns all being 'broken' and transformed into leaving your physical parents for your true Soul Parents as you progress through your Healing.

Your child becomes the truth that you are. If you are living against truth, so untrue, so it will follow suit becoming untrue. The intrinsic child being an expression of its soul, is true and perfect, however we become untrue and imperfect being incarnated onto a Rebellious world. Your child can't be anything other than how you are – it is 'your' child. All the factors such as DNA and inheritance contribute to how your child is, and on all levels, not just the physical, it all being long lines of generational denial being passed onto your child. And this then works with the whole environment the child is subjected to, which includes all of nature, all what happens in one's life, and all that's happening on unseen levels from spirit, all what's going on emotionally, mentally and psychically – the relationship between them both, it all going into and working to reflect the desired outcome the child is to be in every moment of its life, all of which is ultimately underpinned and fully orchestrated by the soul.

Your soul is expressing you in Creation. It has encoded within it, all that you are to ever be. God has put it already all within your soul, and your soul is 'unfolding' through light, expressing that pattern which governs every aspect of your being. So why that genetic trait is activated by those environmental conditions is all overseen and orchestrated by the soul. Nothing is random, there is no bad luck that your child suffered this problem, and it is more than because you smoked and drank during pregnancy you somehow damaged your child. All of you is damaging your child all the time, even if you feel a great love for it and it for you.

Until you've fully Healed yourself, it is all damaging, fantasy, untrue and unloving. Every second your child is with you, you are negatively affecting it (unless you are doing or have done your Healing). And even when it's not with you, you are still connected by unseen psychic cords on all levels of the mind, emotions and spiritually, so are still affecting each other. And those effects compound and become very intricate, complex and intensely psychologically involved.

And if your child is retarded, a genius, or just 'normal' and 'ordinary', that's exactly what God wants, it's how God made its soul to express itself, so it's perfect. You are the child of God that you are, even in all your wrongness. And even **Perfectly Imperfect** though you might hate how you are, you don't have to stay in that state, being able to heal yourself as you do your Healing. And when your Healing is finished, you'll truly love the whole unloving state that you were, seeing that it was all absolutely perfect how evil, uncaring and unloving you were, it all being what you needed to bring you to this point of perfection you are now living in your Celestial level of truth.

If you parent your child without doing your Healing (irrespective of being a good or bad parent and whatever you do and learn to try and help your child), then you are simply passing on the next level of wrongness in your long family line of being untrue. If you parent your child whilst you are doing your Healing, then every part you heal within yourself you'll no longer be passing onto your child, with your child potentially adjusting to the 'new you' which can happen up until the child reaches its first Saturn Return (astrologically speaking) around 28-30 years old. Once that age is reached, technically it's the end of childhood, so even if the parent/s keep Healing themselves, those positive effects won't be passed on to the child. And once a child is sexually mature, the child itself has to be open to and receptive of its parent/s to be able to keep changing, reflecting the parent/s changing as it does its Healing. Once sexually mature, the child is free to reject any such positive changes brought about by its parent/s Healing, so it might reject its changing parent who is doing his or her Healing. The Healing parent can't force any positive changes on the child once the child is sexually mature, whereas before sexual maturity the child is still becoming its parent, so any positive (or negative changes) the parent makes will be taken on in some way and on some level by the child.

Learning to be a better parent whilst still parenting without doing your Healing only means you're going to add yet more layers to your child screwing it up even more. We are constantly adding more mental layers of self-denial to the way we live as adults, and so too our children. The Internet being the latest outside influence that can help parents to add yet more mind layers to themselves and their children. This book I am reading suggests that all parents woes and all the child's problems in the world now stem from the advent of the Internet, even as if pre-Internet, there weren't any problems with how parents parent and their resulting problematic children. And yet the Internet age is just another age along the two hundred thousand years of System Rebellion and Planetary Default, of parents unlovingly parenting their children who grow up to parent their children unlovingly. And if it we were parenting our children perfectly, if we were all Healed and living true to our feelings, there would be no Internet like we have it, and possibly no internet or anything of what we currently have. There would be other things in life reflecting our true state, things that express our love, instead of things that are expressions of our unlovingness. The Internet, like everything we create, is an expression of how screwed up we are inside, which means, how our parents screwed us up. We can only create something like the Internet – and the whole world we live in, because of our unloving parent / child relationships. So if you think the Internet and the world we've created are good and loving, then you might want to consider looking into the truth of your relationship with your parents and doing your Healing.

POTENTIAL to BENEFIT your CHILD through your own FEELING HEALING:

This steps down each seven years as the child matures

Any love you feel is love within the unloving state that you are and that you and everyone is expressing in the world. Nature is of perfect Natural love; we and all we create whilst we're in our imperfection, is unloving. All our relationships are unloving. Within our unloving states we can, relatively speaking, feel love and be more loving, just as we can be more evil, wrong and unloving, yet still it's all within an anti truth system, and without truth there can't be true love, for love to flow there needs to be truth: no truth, no love. Love exists outside of truth, but without truth we can't truly relate to it, so it may as well not exist. Our souls are truly of love, and we are to become truly expressing our truth as love, and loving expressing our truth with all the good feelings love gives us, when we've completed our Healing, when we've ended our rebellion against truth and love.

We are living in an 'experiment' of how unloving you can be and what the effects of feeling unloved have on ourselves, each other and the world. Everything we are doing is wrong, so everything we are doing is making it harder for ourselves. There are no effective solutions to all our problems until we end our unloving anti-truth state by doing our Healing. We can keep using our minds to make it appear like we're being more loving and caring, just as we can use our minds to make it even harder for ourselves, but our mind is not The Way, whereas our feelings are.

A parent or parents doing their Healing will naturally effect their child as they progress, and in a positive way. However it's not for the parent to demand, make or force the child to do its Healing. Once the child is sexually mature, then it is free to make its own choice about doing it. And some older children might reject their parents who are doing their Healing, putting off doing their Healing until they are

older still, which could even be during their spirit life. When someone begins their Healing in earnest, is when God through their soul says it's time.

If you are wanting to Heal yourself and become true, then part of that Healing will be about your relationship with your children – uncovering how unlovingly you've treated them whilst possibly believing you were loving and doing the right thing for them. And if you are yet to have children and do want them, then there will be lots of opportunities for you to find out more truth of your unloving state as you look to expressing and longing for the truth of all you feel – which is doing your Healing.

It's not that because you understand you are imperfect you should therefore not be having children until you are perfect having completed your Healing, but going with your feelings of wanting a child and expressing every feeling that comes up along the way as you long for the truth of those feelings. If you have any fear, anxiety, worries, guilt, sadness, anger, misery and any other bad feeling, then these are what you work on. So you can have a child as you do your Healing, with the child helping to bring up the bad feelings in you that you are to express out of yourself and see the truth of. Or, you do not have a child and do your Healing. If you don't have children on Earth then you can adopt children in spirit, either doing your Healing or not. Currently spirits doing their Healing can't also adopt children, however once the New Revelation is 'activated' – revealed, then spirits doing their Healing will also be able to do it whilst having spirit children.

A fully Healed parent will pass on such truth to its child thereby no longer subjecting its child to any untruth. And two Healed parents will give rise to a completely true child, it being totally free of the Rebellion and Default, this being the perfect humanity that humanity is to become. Slowly humanity is to Heal itself of the Rebellion and Default.

Elizabeth Green in her book, *Parenting is Forever*, says that young people and children are looking more to social media and their machines to conduct their relationships through, and oh my god how are parents now to deal with, compete with, simply cope with, that??!! We fail to see that the machines and the Internet is allowing us to be truer to our unloving states, we can be more impersonal by pretending we are personal through a machine and the unreal, which is the truth of the relationship we are living with each other, so the truth of the relationship between parent and child. A parent who complains that their child wants the Internet and all it offers above them, should perhaps question why does the child want to reject its parents, and in finding the answer to that question, the parent will uncover the truth of its unloving relationship with its child. We can escape into the Internet away from the relationships we hate, those with our parents. We all hate each other, not love each other, which is possibly the most difficult truth to accept. We make up fantasy relationships we project onto each other that gives us the mental ability and resulting contrived feelings to make us feel and believe we love each other. But if we take the fantasy away there is only a dark hole of nothing, a hole full of pain, the full horror, trauma, terror of agonisingly feeling you are not loved by the people who should love you.

And so because none of us can bear face the terrible truth of our unloving state, we continue to do our best to live seemingly loving with each other, doing the best we can, using our mind to alter our fantasy-unreal existences, doing all we can do to avoid having to face, accept and fully embrace the truth our bad feelings will show us when we come to do our Healing and want to give up the facade.

We currently parent negatively influencing our children on seven whole worlds' worth of truth. Which means your child, as do you, has seven whole worlds' of truth it's denying in life, all of which cause untold numbers of problems. And consequently, should you wish to do your Healing, so it will take you the Healing of all seven worlds, as represented by the seven Mansion Worlds, to complete it. The Rebellion and Default has evolved to include all seven Mansion Worlds in rebellion by default. We

have taken the Rebellion on by Default through all these levels and have to heal them all through our Healing. And once Healed, we are free of our parental influences, free of our parents, free of our wrongness, free of the Rebellion and Default, true and perfect to the Celestial level of truth.

Long for the Truth from God, the Truth your Heavenly Mother and Father will show you. This does come through to you via the Spirits of Truth of the Avonal Pair in relation to one's Feeling Healing and in relation to Divine Love from the Creator Pair, all from the Eternal Son and in league with the Infinite Daughter and the Divine Minister.

WOMEN are OUR SPIRITUAL LEADERS!

To PARADISE, the HOME of OUR HEAVENLY PARENTS

The Way Home

We men generally CAN'T do our Healing by ourselves, we need the help of a woman and / or women.

Women ARE the true spiritual leaders, they ARE able to live true to their feelings, and need to be recognised as such, appreciated for being so amazing in that capacity, and so supported and put first, something the man finds hard to do because of all his rebellious programming about being the superior dominant one.

If we men want to ever Heal ourselves of our wrongness, well we are going to have to fully honour women, we are going to have to ASK THEM FOR HELP. Women innately know the Way of their Feelings, whereas we men don't. Men spirits in the Divine Love Healing Mansion Worlds (3, 5, 7), all do receive help from fellow Healing women spirits or from higher Celestials (Sphere of Love 1, 2, 3). They all do, all of them. Not one man has done his Healing as Marion or Samantha are doing theirs. James Moncrief 20 Aug 17

The religions of today were created as a means of stopping Jesus' truth about longing for the Divine Love and what that does to the soul, and then any truth Mary Magdalene might have said about looking to our feelings for their truth, so as to keep the Rebellion in place. The religions pre-Jesus were designed by the Higher Evil Spirits who were controlling humanity to keep that control, focusing everything on the mind being in control rather than feelings, and then post-Jesus, they added more of the same yet with the added emphasis of using all he said, so taking it, corrupting it, and adapting it to their cause.

And then throw in their contrived Islam, and you have more male domination and the subjugation of feelings – of the woman.

Helen 20 Aug 17

The 1st and 2nd Mind Mansion natural love Worlds are jammed to the rafters with spirit personalities. Those who progress to the 4th and 6th Mind Mansion Worlds are progressing further away from God, continuing with the Way of the Mind!

WOMEN are OUR SPIRITUAL LEADERS!

Sunday, 20 August 2017: James: Oh my God! It's not a good day for us men, we are far more stuffed than we understand, and the eye-opening stark revelation of the horror of it that struck this morning has well and truly done me in.

We men CAN'T actually do our Healing by ourselves, we need the help of a woman / women. That's the male ego-crushing statement of all time, that is a game-changer as the American's love saying, that means major adjustments to all I've written, which luckily is just adding on to the revelation and not actually requiring me to go back and rewrite great chunks of it – BIG SIGH OF RELIEF, I can tell you! And that's the same for both us, you won't have to alter your Pascas Papers either... just write another one – it's endless!

So what if it's true, that is a huge thing, it means **men can't just get on with doing their Healing by themselves, they have to do it with women's help, which means, they will do it by default;** and so much of it adds up, it makes sense – and it's how it's been for me. However just because it's like this for me, might not necessarily mean it's like that for all men, however I have a feeling that it more than likely will be. And so far the evidence is very slim, only a couple of men have come to the forum and shown they've not been able to do their Healing themselves, not like how Sam and a couple of other women who don't actively participate on the forum are doing. And why was Helen going on so much about it being **women who'll be leading the way**, women, women, a woman's thing the Healing – if you go with what she was saying; and yet what about we men, where do we fit in? And we come up in passing, as an aside: oh yes, **men too will be able to do their Healing**, but what she didn't say outright was: **ONLY IF WE GET HELP FROM WOMEN.** And if we don't, then forget it, we're stuffed for evermore.

So that will mean, the supposedly 144,000 who do their Healing will definitely be women (and Ha to all those religious prophecy people who believe the Chosen Ones will be men – what a turn up for the books!), that **women will lead the way in getting humanity out of the Rebellion and Default, because they are the ONLY one's who can actually, truly, do their Healing, with we men having to do it by default, being helped along like lame ducks by our women partners or friends or Celestials.** So, no women doing their Healing, then no end to the Rebellion and Default, even if technically it has ended.

So the **Healing really is a Woman's Thing**, and so wow, and that explains why I've never been able to do it like Marion and Samantha do, taking it on myself, being in full command of it, and no longer needing their help. I did think, I HOPED, that it was just part of my fuckedness that made it that I couldn't do it, whilst thinking other men at least will be able to do it themselves, and that I'm just the pathetic one who always needs Marion pointing out things about me, helping me to see things, encouraging me to go with my feelings, showing me what my feelings are and where I'm not honouring them, and all the rest of the hundreds of things she does for me which I can't do for myself. But what if all men will be as I am in their Healing, needing so much help from women, even unable to do it by themselves like women can? Which is, admittedly also assuming, all women will be able to do it for themselves, once they get the hang of it. And it changes everything, a major shift in my vision; and wow, so really **we men are out of the picture in a way, at best only being able to support women doing their Healing, so they will support and help us. But not able to do it ourselves, thereby not able to once again cut women out of the picture; no, we men being dependent on women for help to do our Healing, can't ever get away with shitting all over them and keeping them repressed and shut out ever again.**

It all makes perfect sense, which is the problem. Adam shat on Eve, although they were both in it together, both causing their default, yet Adam went off defending Eden when he should have stayed with Eve right to their death if that was what was to happen. He should have insisted on being by her side protecting her all the way along and not from a distance, leaving her alone and vulnerable, so she defaulted. And then Adam once he learnt of Eve's transgression (This all coming from The Urantia Book's story of Adam and Eve, which I love and think is true, although it doesn't say all) went off transgressing himself, and so joining Eve in default, but from then on with men remaining the superior ones, dumping on women because it's women who always cause all the damn problems – like the Default. So never forgive them, never let them have their say, keep them away from their true feelings, stop them growing in truth, and making them believe they are only good for serving their great man.

And now reverse all of that, that being what our Healing is. So now the great man Adam, has to eat humble-pie realising that as Eve got them technically into the mess, so women representing Eve, have to get them out of it. So **women are the ones to do their Healing, with men joining them, going along with them**, as Adam joined Eve; but unlike Adam then taking over and all men forevermore shitting on women; no, **men can't take over the doing of the Healing, they are stuck in not being able to do it because they are not as close and true to their feelings as women are, so they HAVE to rely on the graciousness of women, and women's tolerance, compassion and endless patience, for help.** For women can say, na, fuck you, we've had enough of you men; but then they are stuffed because it's not much fun having finished your Healing yet you can't be with your soulmate because you told him to fuck off, not wanting to know about men ever again. So women will help men, they have to, but **ONLY** with men knowing their place; that being: **that women ARE the true spiritual leaders, ARE able to live true to their feelings, and need to be recognised as such, appreciated for being so amazing in that capacity, and so supported and put first, something the man finds hard to do because of all his rebellious programming about being the superior dominant one.**

And even though most men know women have far more power than they do, still they secretly believe they are more powerful than women, and so will suffer humiliation when they realise they can't screw the woman over anymore, they can't even screw her if she says no, because they desperately need her help to help them do their Healing. And so for men, the humbling truth: **If you want to ever Heal yourself of your wrongness, well you're going to have to fully honour women, you're going to have to ASK THEM FOR HELP.** Oh the horror of it, to actually beg the woman to help you look to your feelings, to help you break through the controlling patterns of your mind, putting yourself down and elevating women above you, because **women innately know the Way of their Feelings, whereas we men – don't.**

So if that is all true, well the good news my fellow men, brothers, compatriots, is, we're well and truly stuffed so far as believing we'll ever be able to be at-one with God, ascend to Paradise, Heal all our wrongness, evil, sins and errors, **WITHOUT** the help from women. So we can soak up the Divine Love endlessly, we can pretend we are the great Pope, Cardinal, Archbishop, Guru, Yogis, Enlightened One, Priest, Spiritual Teacher, Spiritual or Religious Leader, we can even look at our beloved leader of Nebadon – Jesus, the greatest man of all men, and still, none of them, none of us, not even Jesus, can lead the true way through feelings, because: **WE'RE NOT WOMEN.**

So that once again puts a huge **LIGHT** on Mary Magdalene, and which adds more weight to why the Evil Women Spirit instigators of the Rebellion and Default, kept all women down, making Mary comply with the tenets of the Rebellion and Default so she couldn't come up and have her say; because had she, then the whole Rebellion would have had to end there and then, and not carry on as it has over these past two thousands corrupting the man – Jesus' words, into the Christian religions. Had Mary's words been allowed to be spoken, then things would have been very different. However she in keeping with the

Rebellion and Default, as did Jesus, their honouring it and not going outwardly against it, knowing it was to kill itself in due course anyway, kept quite, allowing men to carry on vaingloriously in their deluded selfish oblivious suppression of women and the feminine – his own true feelings – in himself.

So to Samantha and every other woman who does her Healing, we men, need your help. Can you hear the small pleading sound in my voice, I'm sorry it's only very small like Piglet at present, this is a huge thing for me, being a man, to have to admit that I am wrong and don't have a clue after all, when all the way along I've believed that I knew everything; please will you help us poorly deluded and greatly misguided men with our Healing? Please Marion will you keep helping me, even though I treat you like you don't exist, I shit all over you being the dominant, controlling, superior man; I don't respect your sensitivities and feelings, I treat you like you're stupid and don't know anything, because what do feelings know, they are all over the place, too emotional, too irrational to be considered of any importance and to be taken any notice of. Please will you help me understand how to live true to myself so I can heal myself of my wrong ways, so I can learn how to be truly self-expressive, so I can become eventually, one day, truly loving, so I will then hopefully be able to truly, love you. Please?

So women, having been treated like shit by men all these years, given the thankless task of rearing the children without any help and so little real feeling and emotional support, then being blamed for fucking everything and everyone up, are now having to find even more inner strength and turn around and not only be able to cope with all the pain and intensity of doing their own Healing, and how difficult that will be, but also having to help, drag, coerce, cajole, yell at, make, force, beg, hope, their man to do his Healing, all so they can at least have someone to talk to, someone to express their feelings to, even if he's such a dope it takes him an eternity to understand just what the fuck they are talking about.

So is it that a woman's burden is about to get even greater, to not only have to suffer all the torment of being under the man, even literally when he's forcing himself on her when she doesn't want to do it because her feelings are saying no and she can't really explain why, but to have to also help the Great Dick to help himself by doing his Healing? Oh god, can it get any worse, can it get any harder for both of us, because as much as we men are a pain in the arse for you women, we are such the poor ones, even though we don't know it, or might know it but refuse to admit it; we being still the little boys our mother's fucked up along with our father's by making us into the controlling studs we believe we are; when we're not, we don't know, we don't have a bloody clue.

Marion just knows it all, is constantly focused on herself and her feelings, she doesn't need anyone else other than me by default because at least she can speak to me and I will help her with material things. And I don't directly contribute to her growing in truth, I rarely give her something to think about along spiritual lines, she's usually miles ahead of me, she doesn't need to speak with all the spirits and God and everyone else to understand, she just keeps moving with her feelings, and really if I'm there, great, if not, surely some other man would suffice, all so long as he continued to allow her to express herself and didn't tell her to shut up.

Whereas, I constantly need her help, I don't have a clue, none of the feeling stuff comes naturally to me, and often she has to go over and over it again and again before I get it, something that she and all other women just know and has been obvious all their lives. And I need to keep writing it all down as part of helping me understand it all, moving it out into the mind areas working it all through, just like writing all this now, having to speak with the women spirits, with Mary M, with the Mother, with all the women who can help me.

So I think, if Marion croaked it before I finish my Healing, I'd have to find another woman to replace her so I could keep going with my Healing. I am a bit better at doing it myself, however I know I'd miss

a lot of the subtleties that Marion picks up on in a flash, as I'm simply not aware of them in myself, they being all so much part of my unloving pattern.

So I'm the first one to agree with Marion when she says she doesn't think I'm actually doing my Healing so much as just waking up to all my problems, those which she easily sees, but which I have no clue about. And then, as to when will I ever actually do my Healing, as she says I will need to do – like she does, I don't know. However I now wonder if what she says is in fact so; or, am I just doing it my way, it being different to her, and possibly: the 'man's way'. Which we won't know until other men try to do their Healing, showing they can either do it like women can, so all I am writing is unfounded and I will amend it; or, show that, yes, they too will need the help of women in some way, or all the way long, so as to complete it.

James: So Helen, what do you think about all I've said?

Helen: Spot on James.

James: That's it, that's all you're going to say – it's a major insight!

Helen: What more needs to be said, I think you've covered it quite well. And as you say, there will be more for you to understand, which will come to you – you don't want me denying you that enjoyment, do you? And we all have to wait and see what happens when men show up wanting to do their Healing.

James: Well one thing I've realised, I can't actually help women (or men for that matter) do their Healing, they'd probably think I was a bit thick, having already cottoned on. Which I'm happy about, as I don't want to actually get involved with people trying to help them do it in a hands-on, in the feeling-moment, way.

And if I look at myself as one way of doing our Healing, and Marion the other, so is there a Woman's Way, and a Man's Way? And will men feel rejected and pissed off not being able to so easily do it by themselves, and having to be dependent on a woman, just like how it was with their mothers, as I have? But then again, it does bring you much closer into your relationship, showing up all the non-attentive, non-feeling intimate areas of it within yourself, which does greatly help your relationship if it hangs together, and I do feel infinitely better about myself and understanding how I am; and, believe it or not, even about being the unloving shit I am with Marion.

And what about men spirits in the Divine Love Healing Mansion Worlds, do they all receive help from fellow Healing women spirits or you higher Celestials?

Helen: Yes, they do, all of them. Not one man has done his Healing as Marion or Samantha are doing theirs.

Helen: The religions of today were created as a means of stopping Jesus' truth about longing for the Divine Love and what that does to the soul, and then any truth Mary Magdalene might have said about looking to our feelings for their truth, so as to keep the Rebellion in place. The religions pre-Jesus were designed by the Higher Evil Spirits who were controlling humanity to keep that control, focusing everything on the mind being in control rather than feelings, and then post-Jesus, they added more of the same yet with the added emphasis of using all he said, so taking it, corrupting it, and adapting it to their cause. And then throw in their contrived Islam, and you have more male domination and the subjugation of feelings – of the woman.

Men will find that they actually enjoy being in the supportive role with women, because their women will help them live true to their feelings, which will make them feel better – James will tell you how much better he feels because of Marion’s input. Imagine a world in which there is no power motive, no money required to gain wealth or power because wealth and power mean nothing, everyone enjoying feeling-expression equality, everyone being free to readily express all they feel, and the truth that comes to everyone through their feelings being the determining law of the land. Men will adjust, as will women. Many women enjoy feeling they have power in the man’s world, and they will resist more tenaciously than many of the men, having to give up their positions of power and control.

However humanity is not destined to remain trapped within its rebellious state forever, it can’t stay that way continuously evolving it, because evil is self-destructive, so eventually humanity would destroy itself. And as that defeats the whole purpose of our evil experience, so we’re on the threshold of something having to give.

I'D TURN BACK IF I WERE YOU!

The Natural love spirit Mansion Worlds as to how they have been for all these hundreds of thousands of years and as they are set up currently, are to help spirits advance to the fullest of their self-denial that they can. That is, so as to become as evil as they can. And all under the guise of being 'loving'.

It's why they are called the mind worlds, namely Mansion World / spheres 1, 2, 4 and 6. That is because the spirits are using their minds to complete their rebellion – denial of self and feelings, and rejection of our Heavenly Parents as well their Creator Son and Daughter. So yes, the top of Mansion World sphere 6, spirits are the most evil, the most in rebellion, the most in default, the most wrong and unloving and untrue, even though, they appear, because they've trained their mind to do so, to be the most loving, but it's all false and contrived – such as the Eastern gurus. Total mind over feelings, blocking all the bad ones and using your mind to only make you feel good.

Typical of those on their way up in the mind worlds are not open to anything, they do not want to know about feeling bad and going with their bad feelings looking for their truth, because that scares them, that's not nice, that doesn't make one feel good, it threatens their control, they reject that preferring to stay in their nice safe space. Which is how it is for these Natural love mind spirits using their minds to control their feelings.

We've all got to take responsibility for our evilness even though we were made to be that way and rebel by default, but there is no getting away from it, and it has to be compensated right to the last farthing, which is what being in the hell planes is all about, and which keeps being applied right the way through the Mansion Worlds. **In the mind worlds you can continue to use that inner pressure requiring compensation for your bad deeds, to further contrive love and pretend you are all holy and loving and not hurting anyone anymore, which on the surface of it you are not, but underneath still are, all the way up through to the sixth world; or, you can allow it to keep working on you right the way up through the Divine Love Mansion Worlds doing your Healing.**

And apparently what's going to happen is the Natural love mind Mansion Worlds are going to be divided, so within them, there will be spirits doing their Feeling Healing – without the Divine Love, and still limited to the sixth Mansion World, but looking to be true and end their rebellion. And then there will be those still carrying on denying themselves as they have always done. So you will have spirits in the Feeling Healing Natural love sectors that will truly perfect their Natural love; and those spirits still in the mind sectors perfecting their wrongness. The opposites or extremes living side by side. And then you'll still have the Divine Love Healing Mansion Worlds, being spheres 3, 5, and 7, doing their Soul Healing.

And as for a summation: "Divine Love Mansion World / sphere 3 is the waking up to the truth that one is not loving, also their being a lot of assistance. Sphere 5 is then about going right into the depths of feeling how unloved you feel and seeing how unloving you are and how that makes you feel, also this is a time when one can then progress and manage their own progress through their Feeling Healing. Sphere 7 is then about still working with the deepest and residual bad feelings, whilst looking to sort out how you wrongly relate to yourself and others, nature and God because of being unloving, this is a time of great realisation and comprehension with much of the prior experiences starting to be drawn together.

Mansion World 3: is for waking up to the truth that you're not loving and starting to get in touch with your pain, starting to accept your bad feelings, starting to work with them instead of rejecting them.

Mansion World 5: is then about going right into the depths of them, feeling how unloved you feel and seeing how unloving you are and how that makes you feel, bringing out the majority of your pain, your misery, fear, anger, guilt, hatred, boredom, terror, rejection, nothingness, feeling powerless, alone and abandoned, and so on.

Mansion World 7: is then about still working with the deepest and residual bad feelings, whilst looking to sort out how you wrongly relate to yourself and others, nature and God because of being unloving, understanding how your relationships are unloving, how you don't connect properly, how unloving you really are and why and fully accepting the truth of it, coming completely to grips with your parents not loving you as you needed to be loved – sorting it all out, including your self and feeling expression difficulties.

It is agreed that the lower worlds are about waking up to what's involved, however from then on it depends on how it's all structured for the individual in their negative state as to how much ongoing assistance they might need. Some need help all the way along, whereas others have been able to work with their feelings, themselves, right from the beginning.

And yes, each of the Divine Love healing Mansion Worlds, 3, 5 and 7, are equally painful to work through, just focusing on different aspects of yourself and your Feeling Healing with Divine Love. And then in the higher planes of the 7th world comes the transition, where one's pain starts to end, and you start feeling so much better about yourself, you are fully accepting of your negative unloving state, you are fully unloving although even starting to become more loving – truly loving, of yourself, God, and then other people.

Then onto the Celestial Heavens by progressing into Sphere 8 and then onwards further, all the way home to Paradise.

Maybe something like 30 billion people have recognised that our Mother and Father's Divine Love, together with embracing one's Feeling Healing, that with these two aspects, have progressed through the Mansion Worlds to the Celestial Heavens and onwards.

More than 200 billion personalities have embraced their mind and self reliance through the misguidance of 'New Age' styled ideologies and the many thousands of different religious platforms, all of which take the person further and further away from our Heavenly Parents.

The 1st and 2nd Spirit Mind Mansion Worlds / spheres are jammed to the rafters.

For a million years, humanity has gone in the wrong direction with its self-denial of self and feeling!

Nanna Beth – 3rd Celestial Heaven

PASCAPERS

Boundaries of HELL!

Humanity on physical Earth is in Rebellion and Default, thus hell! Upon death we all arrive in the 1st spirit mind Mansion World where we typically suppress our poor state and remain in the mind Mansion Worlds indefinitely. Some have a period in the 'hells' compensating for the pain they have caused others. Many continue their 'mind worshipping'. However the way out is by embracing Feeling Healing, and with Divine Love, Soul Healing to progress up through the Crying Healing Worlds and transition out to the first of the Celestial Heavens.

GATEWAY

Transitioning into the Celestial Heavens is also out of: **ISOLATION**

OUT

If you go against yourself, if you're untrue to yourself, then you are going against God and all God's laws, and compensation is required to bring you back into the fold, which is what happens through our Spiritual Healing. It's the Law of Forgiveness, forgiving yourself through self-acceptance, which is dominant in this part of your life. If you cross the line and abuse your children, that being up until they are 21 years old, then you have both levels and amounts of Compensation and Forgiveness to deal with, that which happens as part of your Healing. And as everyone abuses their children, we being conceived into our parents' rebellion against the truth of our soul, so all who have children have to come to terms with all they've done through their Healing.

Kevin 18 Feb 2019

Law of Forgiveness

I'D TURN BACK IF I WERE YOU!

Law of Compensation

If you go against someone else, as in cross the line and grossly interfere with their will, and there are degrees of this, then you will have to suffer the pain you have caused the other person, spirit or creature, which as you know is the Law of Compensation; and as to the extent of crossing that line and hurting another determines whether you have to spend time in the hells or not.

Kevin 18 Feb 2019

The minor 'hells' are the lower levels of the 1st mind Mansion World whereas the more severe are the Planes of Isolation being the 2nd Earth plane with the severest being the 1st Earth plane. Pain caused to another is the pain that will be endured before returning to the 1st mind Mansion World, all then to consider your Feeling Healing.

Mind Mansion Worlds of Natural Love

Mansion World One: We ALL arrive into Mind Spirit Mansion World One upon the death of our physical body. Just the general confusion of spirits living their wrongness the best they can, trying to not be bad, trying not to hurt others, thereby staying out of the hells and lower Earth planes. The Law of Compensation ‘persuades’ you not to even think about harming another person.

Mansion World Two: Starting to work more with one’s controlling mind, with the focus being on Service, you are to use your mind to be more loving, to help selflessly others, to put others before yourself, to not want for yourself, only wanting the good and betterment of others. And to have loving thoughts, to not think badly of anyone, to keep ‘being good’ in your mind at all times. To think positively, to use your mind to control your feelings so as to make yourself be happy, to bring your full success out, to celebrate your god-given gifts, all for the good and benefit of all.

Mansion World Four: This being where ‘self help’ approaches fit in. It being where you’ve had enough of being of Service, giving yourself to everyone else, and decide that you have to start looking more after yourself. So you look to working more closely on yourself, you still have bad feelings so you set about working to resolve the emotional issues through whatever means you can. And they involve emotional releasing / clearing through some level of feeling-acceptance, as you can’t get rid of them that easily, yet overall you’re working to bury them once and for all, so deal with all your memory processing, deal with your traumas, do all your massive forgiving, which sets you up in a power position because you are the great one forgiving everyone – those people who did wrong by you, so you feel more in control, freeing yourself from your controllers, telling them – you are forgiven, giving them your blessing, feeling you no longer need to be bound into those patterns, and feeling like you’ve found and are bringing out more your True Self, your true self which I reckon is more of the spirit you that’s deeper in your mind control.

Mansion World Six: This is where you put it all together, you’ve achieved mind ‘ascendancy’, the perfection of your negative mind-controlling state, specialising in your area of interest, being in bliss and true love and happiness – all mind derived, all of which is resulting from your mind saying you are at-one with Source, God, Soul, whatever the term, which is just your own controlling mind. Your mind is god, and it’s calling the shots, keeping all your repressed feelings away, without you having to address any personality imperfection resulting from your bad parenting. Because you believe you’ve fixed all of that, you no longer have bad feelings within you, you’ve forgiven the evil ones in your life, you’re now wholly in control making your reality be as you want it to be through your mind.

Part by James – 19 August 2018

Our Guides on Duty...

JOURNEY HOME

Our journey home is an ever growing expansion of truth being revealed to us. For Earth’s humanity, as for the 37 humanities that have Rebelled, we are quarantined and isolated. Having also Defaulted, Earth’s humanity is possibly the most evil of all. Firstly, we are to understand that living through our minds is why we are addicted to untruth and control of others and nature – we are going the wrong way! We are to live feelings first and then heal our Childhood Repression and Suppression – we are to live and express our true personality, the one given to us by our Heavenly Mother and Father. Then our journey home begins!

The Isle of Paradise is stationary within the circle of seven super-universes. Spheres here are also for us to further grow in truth before arriving Home to become Finaliters. Our Heavenly Mother and Father guide us out of our Local Universe of Nebadon, through the rest of our super-universe of Orvonton and into super, superuniverse Havona which circulates around the Isle of Paradise, being home.

Each of the seven super-universes are constituted, approximately, as follows and with 1,000,000,000,000 inhabitable worlds:

- One super-universe is 10 major sectors
- One major sector is 100 minor sectors
- One minor sector is 100 local universes
- One local universe is 100 constellations
- One constellation is 100 systems
- One system embraces approximately 1,000 physical worlds

Once we attain the Celestial Heavens (spheres) we start to come in contact with spirits from other ‘Earth’ worlds. So in spirit and once we’ve finished out Healing and are Celestial, we interact, sometimes directly and otherwise indirectly, with potentially 10,000,000 physical worlds of which 3,840,101 are with humanities. Our Avonal Daughter and Son lead us to Mary Magdalene and Jesus (Michael soulmate pair, our Creator Daughter and Son), through our healing of the Rebellion and Default by guiding us into the first three Celestial Heavens and out of isolation from all other physical and spirit humanities.

Mary and Jesus then lead us through the Celestial Heavens for the system Satania (that Earth is in), then our constellation and then out of our Local Universe.

Isolation from all other humanities prevails before completing our soul’s healing and progress into the Celestial Heaven spheres 1, 2 and 3. Hell planes 1 and 2 are of Earth, those who have compensation may have this experience and might then progress up through mind Mansion Worlds 1, 2, 4 and 6 before turning around to progress through Healing Mansion Worlds 3, 5 and 7 to transition into Celestial Heaven.

U-TURN for HUMANITY:

Why are we doing a U-Turn?

We are doing a U-Turn **because** the year 2017 heralded the end of the Rebellion and Default. For two hundred thousand years, humanity has been going in the wrong direction.

What is this fundamental step that will change our way of living?

We are to come to understand / know the foundational cause of all our feelings, both good and bad. As we explore and investigate our feelings, each time they arise, one by one, we are to talk them through, express them to a companion or friend or anyone who will listen. As we express them, while at the same time coming to understand how they have come about, we will find that they will be resolved and that they will not come up again.

We will find that all of our feelings / emotions have their foundations from our childhood. And by childhood, that is from the time of one's conception all the way through to about the age of six. It is the repression of our childhood feelings that is the base or foundational cause of each and every one of our adult personality issues, pains, difficulties, illnesses and distressful life experiences.

We have to see the whole truth of our negative or self-denial state, before we can heal it and be free of it.

The vital difference between **emotions** and **feelings** is:

- emotions have their roots in the past,
- feelings relate to the present moment,
- emotions represent feelings not previously expressed,
- and these accumulate over time.

Many emotional clearing processes encourage us to look into our feelings, however, none go so far as to drill down into the core foundation of any emotional feeling to the point that we strive to KNOW the core issue, the origin of the feeling, be it good or bad, and actually come to know what it is!

The *Journey Process* is generally known worldwide. It stops short of longing to know, that is asking for the knowing of the events that brought about such a feeling. Yes, we are to acknowledge the feeling, say being angry. Then accept that behind that anger is the feeling of being small, and then look at the underlying reason of why we are feeling small. What is the truth behind that feeling? Ask our Heavenly Parents what is behind all of this feeling. What is the foundation, the origin of the feeling? All the time talking it out, expressing it, with a friend. The expressing of the experience is the release of the emotion / feeling, this is what removes it for ever from within our essence, our **soul**.

Why ask our Heavenly Parents? I thought God was just God – singular?

This is part of the revealings that have been unfolding for us very recently – that is – since 2002.

We are made in the image of God. This has been understood for centuries, for 2,000 years. Our soul is duplex. Our soul expresses itself through two personalities. One soul 'subdivides' into two, one half

**Feeling
Healing with
Divine Love is
the key!**

always being female and the other half always being male. We are a reflection of how God is. God being one Soul is expressed as Mother and Father. God is two personalities. They are soulmates / soul partners. And each of us has a soulmate / soul partner, and our soulmate is always of the opposite sex, because the Mother and Father are the opposite sex.

Thus, when we long for the truth behind a feeling, then we can long to our Heavenly Mother and Father. Only they can tell us. No spirit personality can tell us. No canonised saint can tell us, we may as well ask our next door neighbour. That would be just as productive. Mary and Jesus can't tell us, as they are also spirit personalities.

I was taught that Jesus was God? And what is this about Mary?

Mary of Magdalene and Jesus of Nazareth were both born free from sin. Neither of them are God. They are both children of God, just like you and me.

History needs to be corrected. Both Jesus of Nazareth and Mary of Magdalene became at one (At-One) with our Heavenly Mother and Father during their physical lives here on Earth in the first century; Jesus in the year 26CE and Mary in the year 33CE, or thereabouts. Jesus died aged 35 (born 7BC died 29CE), and Mary died aged 47 or 48 (born 2BC died 47CE).

Further, their sojourn on Earth was the completion of their process to become the full Regents of the sector of planets that is referred to as Nebadon. The region within our super-universe that is referred to as Nebadon contains 3.8 million inhabited planets. If you look into the night sky, each star / sun potentially has between none to three inhabited planets within its orbit. Within Nebadon, the soulmate pair, namely Mary and Jesus, are our Spiritual Teachers of Truth. Their domain is all 3.8 million physical planets plus their associated spirit worlds. Each physical world has seven associated spirit worlds, which is the case for Earth being one of the 37 that have rebelled.

Some 200,000 years ago, Lucifer with his soulmate / soul partner and his deputy, Satan with his soulmate, brought about a rebellion on 37 of the inhabited planets within the region called Satania, one of the local universal systems of Nebadon. Earth compounded the situation through the Default of Adam and Eve about 38,000 years ago. Thus the population of Earth, being in the worst condition through the Rebellion and Default, became the location for Mary and Jesus to have their physical experience to complete their ascendancy to full Regency of the local universal system being Nebadon.

Their lives on Earth was the start of the unravelling of the Rebellion and Default. Upon Jesus becoming At-One with our Mother and Father, he was then vested with the authority and power to have the Lucifers and Satans arrested, and they now reside exiled within a prison world.

Notice that there were no records of Jesus and Mary's teachings and experiences made during their physical life. That was because they did not specifically come here for us, they came for the benefit of all peoples of all planets and spirit worlds throughout Nebadon.

As they are Paradise descending spirits, they have **Spirits of Truth**. Upon Mary and Jesus' death, they released their Spirits of Truth. As spirits, Jesus and Mary are how we will be, once we've finished our Soul Healing. They can only be in one place at any one time. However, it is their Spirits of Truth throughout Nebadon that we can connect with for guidance. It is through their Spirits of Truth that spirit personalities can progress through and out of Nebadon.

Those planets that have Rebelled need further assistance, and they need it on a localised manner. This can only be provided by another bestowal of a **Paradise Pair**, and that is in the form and manner of an **Avonal soulmate / soul partner pair** who come here specifically for us.

What is the purpose of an Avonal pair, and are they here on Earth?

Unlike Jesus and Mary who were always free from sin and did not experience how to heal themselves, the Avonal pair are to experience all of the extremes of evilness and then proceed to heal themselves. Mary and Jesus through their bestowal on Earth ended the Lucifers spiritual rebellion in Nebadon; the Avonals bestowal is primarily concerned with ending the Default of Adam and Eve by the Avonals themselves personally healing the effects of such a damaging Fall.

The soulmate Avonal pair are to be, and have been, subjected to the extremes of childhood suppression and repression, and then, through their Feeling Healing, are experiencing all the facets of emerging truth as they slowly progress through a protracted and difficult healing process. As they reach specific milestones, this also enables those in the Celestial Heavens, (the three worlds where Celestials reside) to be empowered to assist us in the physical on Earth.

The first considered milestone was the arresting and imprisonment of the Caligastia soulmate pair and the Daligastia soulmate / soul partner pair. After the arrest of the Lucifers and Satans in the first century, as nothing further occurred, the Caligastias and Daligastias continued on from spirit as if they were kings and queens, suppressing all of humanity and with plans to take over the universe. It was possibly in the early 1990s that they were 'judged' and 'removed'. They were caught unaware that an Avonal bestowal pair were on Earth.

How is all this becoming known? Has Jesus and Mary communicated directly to Earth?

Unlike in the first century, when no records were kept (as the event related to all of Nebadon and it was actually setting the stage for the Avonal bestowal pair to arrive on Earth), every effort to retain records in great detail of this current series of events is now being attended to. Consider this. The New Testament of the Bible is some 300 pages. The records of the Second Coming, which this is, the primary records are possibly 6,000 pages, with direct complementary records increasing that to over 10,000 pages and with all the supplementary records to date, there may be as many as 40,000 pages, certainly well over 30,000 pages of material presently.

Jesus directly communicated through James Padgett from 1914 to 1923. Mary of Magdalene (Mary M) has directly communicated through James Moncrief from 2002 and is ongoing. Jesus has also communicated directly through James Moncrief. Neither have ever directly communicated through any one else, however, some Celestial Spirit personalities have provided information through other personalities on Earth with the support and approval of Jesus and Mary, thus some confusion, though the quality of the information is very reliable.

You say this is the Second Coming? You say I am living during the time of the Second Coming?

Yes you are. And it's more than that. This is the Second Coming, the End Times and the Handover!

In fulfilment of the prophecy in the first century, the Second Coming commenced on 31 May 1914 through the writings with James Padgett and concluded in 2014 through the writings with James Moncrief.

The End Times are well advanced. Mary and Jesus are well advanced in handing over their direct involvement with Earth to those within the Celestial Heavens. When this is completed, the Handover will also occur. **The Hand Over is to the Avonal Bestowal pair** and it is they who will guide the population on Earth through their Feeling Healing processes for the next 1,000 years, being the next spiritual age. The Handover will take place after the Avonal pair complete their personal Healing of the Rebellion and Default. Then will follow with their Spirits of Truth being officially liberated in alignment with Mary M and Jesus' Spirits of Truth upon their death.

Major events have occurred with the progression of the Avonal pair's Feeling Healing, which they are also doing whilst embracing our Heavenly Parents' Divine Love, thus they are doing their Soul Healing.

Early 1990s:	The arrest of the Caligastia and Daligastia soulmate / soul partner pairs.
22 March 2017:	Negative spirit influence was blocked.
31 March 2017:	Angel assisted healing will become available upon the Avonal pair completing their own Feeling Healing, being with Divine Love, thus it being Soul Healing.
22 May 2017:	Law of Compensation quickening.
2 December 2017:	Psychic Barriers maintaining the Rebellion and Default were cracked.
8 December 2017:	Bring on the money to 'house the future of humanity' .
31 January 2018:	Earth and the seven associated Mansion Worlds (including the two Earth planes) are officially now fully under the control of Celestial spirits. This marks a tangible and real end to the Rebellion and Default.

How does this all fit into our future way of living?

This time, in the history of humanity, is the most exciting time ever experienced.

The whole human race is suffering from repressed childhood and mind control.

Through one's Feeling Healing, and should we embrace our Heavenly Parents' Divine Love, then with their Love we are doing our Soul Healing, and eventually we can live totally in accordance with our soul based feelings and live free from error – no more fear and no more physical illnesses is possible!

By living true to ourselves, true to our feelings, we are living true to God. It's that simple.

Our soul is always perfect. In fact, we are the complete package. All that we need to know is within our soul. This knowledge has been denied from us since the time of the Rebellion and compounded by the Default. That is what was brought upon us by the Lucifers and his cohorts. We have always been meant to live true to our soul based feelings but we were taught to embrace our error riddled mind – this was aided by our parents – unknowingly all parents have taught their children to be mind dominant. **This is the Great U-Turn. We are to feel and live by our feelings and express our feelings, our mind will follow in support, not the other way around.**

“Many people look for a person, spirit, angel, even God, for supreme guidance, however it's all right there already built in – in our feelings. **Feelings** guide us through our **ascension of truth**. So they are really our Supreme Guides. We just have to submit to them, allowing them to take us where they will, expressing all the parts we want to express, letting the emotion drive that expression if it's there to be expressed, or just talking about all we feel and how feeling that feeling is making us feel – or, how we feel about having that feeling, all whilst longing for the truth of our feelings. Longing for the truth of our feelings is really: **Longing for the truth of our self, because: we are our feelings**. So life stirs up

our feelings, we feel being alive; or, being alive means we are feeling, always feeling; and when we work out what and why we are feeling what we are, so then we know the truth of how we are. And over time the truth accumulates, and our mind expands our understanding of ourselves, all being driven from our feelings.”

Kevin of the 1st Celestial Heaven 26 September 2017

(Kevin Cooper died 10 August 2012, through Feeling Healing became Celestial on 7 August 2017.)

It is through the assistance of the Spirits of Truth of the Avonal Pair, upon the completion of their Soul Healing, that we will be guided through our Feeling Healing process, and should we embrace our Mother and Father’s Divine Love, then our Soul Healing.

Then should we embrace Mary and Jesus as our Spiritual Teachers of Truth, their Spirits of Truth will lead us on the path through the Celestial Heavens where we will certainly meet up with our soulmate and join our soulgroup, which will eventually consist of twelve soulmate pairs. Then as a soulgroup, the Spirits of Truth of Mary and Jesus will lead us up through and out of Nebadon towards Paradise.

It is then our Mother and Father in Paradise who draw us to them and we will eventually meet our Heavenly Parents.

Meanwhile, while we live on Earth, we will have assistance and guidance previously denied to us throughout the era of the Rebellion and Default. Under the Contract controlling and managing the Rebellion and Default, the powers and capabilities of our Celestial Heaven spirit personalities, all three worlds of them, were heavily restricted and almost of no assistance to us at all. Further, Nature Spirits and our Angels were heavily denied contact with us physical people because of the Rebellion and Default, all of which is soon to change, so we can look directly to them for help concerning healing ourselves and understanding all aspects of nature.

As we embrace our Feeling Healing, Celestial spirits will and can greatly assist us. In fact, during the year of 2017 they have blocked all mind spirits from the Natural Love Mansion Worlds: 1, 2, 4 and 6 from interfering with us. Celestials have taken control of all facets of living and life on Earth. Celestials are those spirits who have completed their Feeling Healing and progressed through Divine Love Mansion Worlds 3, 5 and 7 and now live in the higher Celestial Heavens, 1, 2 and 3 (when we become At One with our Heavenly Parents then we leave the Mansion Worlds and progress through the next three spheres related to Earth, hence the Celestial Heavens are also referred to as being numbered 8, 9 and 10).

The Nature Spirits of Earth, who live in the third Earth plane, can now directly interact with those who are embracing their Feeling Healing. Nature Spirits are essentially ‘angels in waiting’. They have been on Earth prior to anything that we now see living in nature. When they first started to arrive, there was no life in the seas or on land. They have consequently witnessed everything that has happened on Earth, including all prior human civilisations that we continue to largely remain ignorant of. Their knowledge and assistance is of great importance to us. We are to interact with them on an ever increasing scale. They are to become an invaluable source of information for us concerning how we are best to live with nature.

Further, we may become more aware of our **Indwelling Spirit**, which arrives for each of us during our sixth year, as we now progress with our Feeling Healing, or with Divine Love, our Soul Healing.

And all of this is possible as we embrace our Feeling Healing process, acknowledge and accept the Avonal pair, acknowledge and accept our Spiritual Teachers of Truth, namely Mary and Jesus, and more importantly, grow to love our Heavenly Parents, our true Mother and Father.

We do not need intermediaries, rituals, liturgy, dogmas, creeds, fancy clothing, or institutions. It is our soul based feelings and expressions that we may exchange directly with our Heavenly Parents. Groups may form to assist each other, and that is our choice and within our free will.

This is the greatest event in the history of humanity.

This is the Great U-Turn that humanity will embrace throughout the next 1,000 years. MoC 1,480

FEELING HEALING and SOUL HEALING with the DIVINE LOVE:**James Moncrief Publications:****all publications are free downloads:**<http://divinelovesp.weebly.com/my-free-books-and-free-padgett-messages.html>

It is suggested for one to consider reading as follows:

Speaking with Mary Magdalene and Jesus – books 1 – 4

These four books encapsulate the second of the revelations with the first having been introduced by James Padgett one hundred years previously. These four books provide a wide range of guidance that has never previously been made available.

Paul – City of Light

As a gentle intro into the Divine Love and Healing; being James Moncrief's first novel and it's been criticised as being too heavily clichéd, but that's the point because it's a reflection of how he was back then.

Ann and Terry

For an example of people who might want to immediately start working on themselves and doing their Healing.

Feeling Bad? Bad Feelings are GOOD

For more understanding about our denial of our feelings and why we should not deny our feelings, and it includes how it all came about for James, using himself as an example.

Feeling bad will make you feel BETTER – Eventually!

This includes specific examples of Marion and James working on expressing particular bad feelings, again with the hope that it will help others gain something of an idea as to what's involved in doing your Feeling Healing.

Sage – and the Healing Angels of Light

Through Sage who's 13 years old, the story is primarily about the two aspects of healing; that being, with the help of our angels, and the full Healing we can do by looking to our feelings for their truth.

Religion of Feelings

Welcome to LOVE – the Religion of Feelings

Feeling Healing**you can heal yourself through your feelings**

So these books, including the four Speaking with Mary Magdalene and Jesus books, provide the essence of it all and are examples of James' work. Then it's up to whatever takes one's fancy. Other reading to consider may include:

The Padgett Messages being published as:**The True Gospel Revealed Anew by Jesus volumes 1 – 4****Book of Truths by Joseph Babinsky****The Urantia Book****Release one's pain through expressing one's feelings.****in conjunction with****Longing for the Truth when also longing for Divine Love.**

FEELING HEALING with DIVINE LOVE is SOUL HEALING:

A collection of ‘papers’ that draw together specific topics including all of the above and more from other sources of information and revelation designed to help increase one’s awareness about why we have the problems we do and how to heal them, all whilst living a more healthy and sustainable life. They provide a brief snapshot of the more complicated topics and issues.

Firstly, consider discovering the truth of your emotional pain through Feeling Healing. Secondly, consider longing for our Heavenly Parents’ Love as you progress with your healing. Primary and most important readings are the writings of James Moncrief. Then consider the Padgett Messages, and then The Urantia Book.

Pascas Papers, being free, are located within the Library Downloads www.pascashealth.com
<http://www.pascashealth.com/index.php/library.html>

PASCAS – document schedule.pdf downloadable index to all Pascas Papers.

FH denotes Feeling Healing; SH denotes Soul Healing, which is: Feeling Healing with the Divine Love; DL denotes Divine Love – living with the Love.
