DIVINE LOVE WAY or the NATURAL LOVE WAY:

Without embracing one's Feeling Healing process and receiving Divine Love, the Love of our Mother and Father, our progression is totally dependent upon our own personal endeavours and capabilities, that is, our perseverance and willpower.

We are all blessed with natural love, which is the essence of our soul. To develop ourselves to that of being the perfect man is a slow and persistent application of our own attributes and will power, the time required to achieve such perfection may take many centuries of dedication, and even then we only become the perfected being fitted for the 6th sphere of the natural love spheres. We cannot progress any further without embracing the Love of our Mother and Father, the Divine Love.

Once we recognise the availability of our Parents' Love and begin to ask for and receive it, our progression begins to escalate exponentially. Further, with the Love we can become fitted to enter the Celestial Heavens, the first of which is the 8th sphere in progression. We can progress through the Celestial Heavens into the Eternal Spheres and then on into the Spheres of Paradise.

Accounts of spirit people who's condition have been so poor to fit them only for the hells, namely the Spheres of Disharmony, show that even they can progress from the lowest of conditions to being within the Celestial Heavens, way above the highest sphere of the Natural Love spheres, within or around three or so years. Some achievements have been:

James Padgett entered the Celestial Heavens within 28 months of his passing.

Helen Padgett was in the Celestial Heavens within 12 months of passing.

Nita Padgett progressed from low 1st sphere to Celestial Heavens within 24 months of passing.

Kevin Cooper died 10 August 2012, through Feeling Healing became Celestial on 7 August 2017.

Bradley Cooper, son of Kevin, suicided on 21 September 1999 and early April 2018, became Celestial.

Emperor Nero progressed out of the low hells to Celestial Heavens by receiving Divine Love.

Emperor Julius Caesar moved from the hells to 3rd sphere within 19 months from receiving the Love.

George Butler progressed from the hells to the 3rd sphere within 38 months by receiving the Love.

President Grover Cleveland moved from dark spheres / hells to 3rd sphere in 20 months with Love.

President John F Kennedy became Celestial following 15 years embracing Feeling Healing process.

R. Ross Perry progressed from the hells to 3rd sphere over 30 months by receiving the Love.

It is only one's Feeling Healing with the Love that forgives sin, dissolves the errors and fits a person for a higher habitat. Man, left to his own devices, can require many centuries to grow and then cannot enter the Celestial Heavens.

Focusing only upon personal development may remove, or most likely reduce in significance the influence upon one's personality man-made emotions that are obviously those emotions that bring about harm to others as well as to one's self. We are never able to fully remove man-made emotions from our personality. That is, only when we are fitted to enter the Celestial Heavens and being at one with our Parents are we free of the embellishments of man made emotions. Yes, as we progress in our development such man-made emotions are progressively diminished and subsequently put aside due to our personal willpower, however that typically requires eons of application to this cause.

By embracing the Mother and Father's Love then we bring about rapid growth and development of our soul condition as it is our Mother and Father's Love with Feeling Healing that progressively dissolves man-made emotions that we have taken on board, typically during our very early childhood due to our family environment.

Helen writes about her progress from the Third Spirit Sphere to the Fifth Spirit Sphere.

Received by James Padgett. Washington D.C.

January 7th, 1915

I am here, Helen:

I am very happy and you are a little better, and there is no need to worry about Nita (daughter of James and Helen Padgett) as she is now very happy in her school. I will try tonight to tell you of what I am now doing in my new home and in the Earth sphere where I am most of the time, helping spirits.

Well in my home I am so very much engaged in studying the laws of communicating with you that I have hardly time for anything else. I am now quite certain that I understand how to talk to you in an independent voice and also to materialize. So you must not be astonished anytime to hear my voice or see me in the form of a materialized spirit. I am also trying to help the spirits who are in a condition of blindness and doubt.

I am living with your mother in her home, but I am not as spiritual as she. We are both very happy though, and have everything that heart could wish for. The music is so beautiful that I cannot describe it to you, and even the love which helps to make the music is of such an intensity that you could not possibly understand if I should attempt to tell it to you. My home here is much more beautiful than that which I had in the third (spirit) sphere, and everything is beyond what I conceived when I lived there. The house and trees and flowers and fruits are very much more beautiful and delightful. No one could be anything but happy in such a home. We have nothing to interfere with our happiness and every one is a delightful companion and full of love and beauty. I have met many spirits that I did not know either on Earth or in the spirit world before I came to this place, both men and women.

Yes, we have rivers and lakes and fields and mountains and all the beautiful landscapes that you can imagine, I not only enjoy these things, but they are more real than those of Earth. I am sometimes engaged in painting these flowers and landscapes, and have many pictures which others painted. I find that I can paint with a more artistic touch than when on Earth. I have no trouble in drawing as you know I had some in my Earth pictures. I am also studying music, and especially my vocal lessons. You will be much surprised when you hear me sing as you cannot conceive what a different voice I have. Sometimes I try to sing some of the songs that I used to sing to you, but they are not pretty in comparison to the songs we have here, either in the music or the sentiments.

Well as you are not so much interested in my description, I will not attempt further portrayal of the things here. Yes, I can see it in your brain – you are thinking about other things, so you see, I know. Yes, but you must think of what I write for that is necessary in order for you to write. While I can guide your hand, yet I have also to use your brain to express my thoughts. You could, if you will try – that is one of the things that I want you to do, for then you can hear what I say at anytime, and it will not be necessary for you to write.

Yes, it is better to presume what I write, for sometimes it does you good to read over what I have said and feel over again the emotions which you felt at the time of your receiving my messages.

I love you all the time, and you know it, but sometimes it is beneficial to reread my expressions of love, even though you doubt that they are mine. Let me tell you that you are not to remain in this state of doubt much longer, for I will so indubitably show my presence to you that you will never again doubt that I am with you. Then when you write you will feel that I am indeed writing as convincingly as if I sat beside you and you could see me. It may happen any night as you sit and write or when you are lying in bed thinking of me and wondering if I am really with you. So you must be prepared to have anything happen which will show you that I am with you. Yes, I believe that I will be able to do that when you are all alone, and so you will hear my voice when you are alone.

No, this is the most satisfactory means of communicating that I know of. You can exchange your thoughts for mine, and can write so much more than I could possibly speak. Yes, I will be able to speak for a little while, at a time, but not as I write. No spirit can gather such power as would be required to continue to talk for any length of time. Even Bright Star, who is an adept, could not carry on an extended conversation, as she says.

The power that I now have enables me to manifest myself in several ways – such as the independent voice, materialization and writing – I do not know about the slate writing, but I believe that I can do that too – at any rate I will try to accomplish it sometime. I don't think that I will be able to manifest on the same night in an independent voice and also materialize, for each manifestation requires great power. Yes, I can knock on the table, but that does not give any special satisfaction – all Earth bound spirits can do that – it is the lowest order of manifestation. We of the higher spheres do not care to do that if we can manifest in any other way, and I would rather not try it.

I mean that I am stronger physically, spiritually and mentally than White Eagle. I do not know the exact extent of my power, but the spirits with a better knowledge of these things, say that my power is so very unusual that I can do most anything that I may try. Of course, they mean within reasonable limitations. I could not take a mountain and move it, or even a very heavy substance, but I could lift you and will sometime just to show you how strong I am.

Spiritually, I am now in a sphere that enables me to know what the love of God really is and that in his love I have almost complete happiness. I have gotten rid of those things, I now love everybody, and am trying my best to help every soul that I possibly can; feelings of dislike or envy or hatred has no place in my heart, for which I thank God.

The conditions of all spirits is determined by their goodness and love. No distinction on account of what a spirit might have been on Earth is known here. The poorest working man is as of as great importance as the most famous man according to his earthly standing. In fact more of the poor and humble of Earth are in the higher spheres than are those who were wealthy and held high positions. This is so, not because there were more of the poor, but because their spiritual conditions were better, and they are more susceptible to the influences of the good spirits, who are doing the Father's work. So you see high standing on Earth is not a thing which determine the condition of the spirit here.

I know a number of spirits who, when on Earth, were prominent in society, and wealthy, but who are now in the lowest sphere, simply because they did not know anything of God's Love, and wholly failed to observe his laws and truths while on Earth. You will be surprised at the number of friends of yours who were prominent on earth, and who are not as happy as they were while on Earth. Their desires are

very much the same as on Earth, and yet they have no means of gratifying them, and, consequently, they are very unhappy.

I think that the sin of suicide is the worst, and then the murderer, the drunkard and the prostitute. The last is a person who seems very difficult to (discover) things spiritual because he or she does not realize the enormity of his sin so much as the suicide or murderer. A prostitute has ruined many, and when she at last realizes that fact her sufferings are very, great. They are in very low planes – lower than the Earth planes, and they are generally trying to pursue the occupation that they had on Earth, and imagine that they do. I say imagine, because I have no better word to express it. But they really believe that there is some kind of happiness that comes to them from the belief that they have, that they can still engage in such things. You would be surprised to see the great number of men and women who occupy this plane – some of them who on Earth were not considered such. But prostitution is not a thing of act altogether, but of desire or lust. A man may look on a women and lust after her, and, as Jesus said, he already commits adultery in heart; and so, many mortals committed adultery in that way and the sin arising there from follows them here, and **can only be gotten rid of by prayer, and the consequent forgiveness and love of God in their hearts. A man or women may get rid of this sin while on Earth, if he repents and prays God to let His Love come into his soul. When this Love takes possession of a man's soul all sin is cast out and is no more remembered against him – this is what is meant by washing away sin.**

Neither the blood of Jesus nor his vicarious atonement, as it is called, ever washes away sin – the only effective thing is the Love of God in the heart. So you see men may believe all that they possibly can that the blood and sufferings of Jesus, and his death on the cross, saves them from sin and its consequence, and yet, if they are not possessed of this Love, these sins will remain and they are not saved.

I have written more than I intended on this subject, but as you are so much interested I thought it best to tell you what I have learned from the Master himself.

I mean by having more powerful mentality that I have progressed so very much in knowledge and in my will power. I am not yet a wise woman, but in a certain line I have acquired a great deal of knowledge as regards, for instance, the way in which spirits and mortals (function) while in the flesh. I am not any more versed in the science of what controls the heavenly bodies, or why one star differs from another in glory, or what are God's mysteries as you may consider them – these matters are being investigated by other and older spirits. But as regards love, both of God and spirits and mortals, I have learned a great deal. **Let me tell you that of all subjects that should interest men, love is the greatest, for love is the fulfilling of all law; and the man who knows what love is, I mean the real, genuine love both for God and his fellow mortals and spirits has that which is not equalled by knowledge of anything else in all the Universe.**

Jesus has this knowledge to a greater extent than any other spirit, and, consequently, is the greatest power in all the Heavens or Earth, and those who listen to his teachings and follow them will be when they come over, and even while on Earth, the strongest and happiest of all beings. So do not neglect to learn this great knowledge. You are very far in the possession of it, and when you shall have had his teachings and followed them you will be a powerful and happy spirit when you come over.

I am told by him (Jesus) that he is forming his own kingdom in the spirit world of those who listen to and follow his teaching, and get this great love in their hearts; and their home or sphere will be entirely separate from the other spirits, and will be in the highest heavens, where happiness the most supreme will be.

So I am trying to become one of his followers and a subject of his kingdom. He will not let sin of any kind or inharmony find a resting peace in that kingdom, and hence no man or spirit who has not been fully purified can possibly enter into it. He is now forming that kingdom and when his work is done, and he leaves the Earth plane and mankind to themselves, he will go into that kingdom and remain there, and rule for all eternity. So strive to become worth of becoming a subject of that kingdom.

You must stop writing now as you are tired. Well as you are my soulmate and the only one that I will ever have or want, I must tell you that I love you with a love that can never grow old or less, and that when you come over you will realize that your Helen is a spirit who knows how to love. But she loves you now with all her heart and soul and you must believe it.

So good night my own darling Ned (James Padgett).

Your loving, Helen

Note: Following the writings of James Moncrief, one could consider that any reference to the Father, by other relevant writers, may be read as a reference to 'our Mother and Father'. Further, when considering soul healing, then reference to Divine Love could be referred to as 'Feeling Healing with Divine Love'.

God is God, who is our Heavenly Mother and Father, being SoulMates. There is only one Soul that is God's Soul, that being the Soul of our Mother and Father. Our Heavenly Parents are the First Soulmates; The Two Who Are One who have brought us all into being.

Jesus and Mary are a son and daughter of God.

Jesus of Nazareth and Mary of Magdalene, being soulmates, were both free of sin. Jesus and Mary, combined in their love for us, are our teachers and guidance for us to find our way home to our Heavenly Parents. To start this journey we are to liberate our souls from being entombed within our suppressive minds, through feeling and longing for the truth of our feelings via our soul and peel away our injuries incurred since conception.

Give yourself time to consolidate your relationship with the Mother and Father through the partaking of Their Love. And whilst you are doing this, you can learn about your healing, all that's involved with it, as there are many willing spirits to share their healing experiences with you.

When you are ready it will start happening simply because you will want it to, it all being orchestrated by your soul. And when that time comes you will have developed a strong foundation in your relationship with the Mother and Father for you to work from. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

It is to make longing for God's Love the priority, and then do one's healing; should one want to include God and the Divine Love in one's feeling healing. This is doing your soul-healing as you are seeking to heal your soul of all evilness – of that which made you become evil, and release all the hurt and pain of not being fully and truly loved.

WE ARE Children of God

WE ALL ARE BEING GUIDED HOME:

We need the Spirits of Truth of the Avonal Pair to Heal ourselves; then once Healed, (and for support (overshadowing) as well through your Healing), we need the Creator Pair, Mary Magdalene and Jesus' Spirits of Truth to see us through the Celestial spheres, while at all times embracing our Heavenly Mother and Father.

Until Mary and Jesus died and liberated their Spirits of Truth, no one from any of the worlds could leave Nebadon, because no one knew the way to do so. Nebadon is our local universe containing some 3.8 million inhabited physical worlds and their associated spirit worlds.

When we embrace the truths Mary and Jesus are revealing, and start to do our Feeling Healing, or with Divine Love, Soul Healing, we are then freeing ourselves up from our parental and self control.

Thus our journey to Paradise, to the home of our Heavenly Parents, is of our choosing as to when we progress, however, there is only one way:

HUM: Humanity is to ascend. We are self contained. Our soul is always in truth and perfect at all times. **By living true to ourself, true to our feelings, we are living true to God. It's that simple.**

We are to recognise that being engaged and dominated by our mind is the wrong way for us to evolve and grow in truth. We are to discard the mind enslavement that has been imposed upon as by all of our parents. We are to express our feelings, both good and bad and free ourselves of the indoctrination that humanity has embraced worldwide.

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God's soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of our Mother and Father.

AVO: We are to embrace the truths and guidance of the Avonal Pair through their Spirits of Truth. It is the Avonal Pair's guidance that will lead us through our Feeling Healing, and with Divine Love, we will be able to ascend through the 7 spirit Mansion Worlds and enter the Celestial Heavens where we also interact with other world's spirits.

J&M: We are also to embrace the truths and guidance of the Paradise Pair, Mary and Jesus, who will then lead us through the 3 Celestial Heavens that are aligned with Earth, and then further on through Nebadon where we will then depart beyond on towards Paradise.

M&F: Beyond the universal zone of Nebadon, we will be guided by our Heavenly Mother and Father onwards through the universes to Paradise where we will be welcomed by them, home for us all, as we are all Children of God.

AVO

HUM

WE ARE Children of God

WE ALL ARE BEING GUIDED HOME – NOW, HOW TO COMMENCE THE JOURNEY:

GOD

M&F

For 200,000 years, we have been misled into embracing our mind's distortion of wisdom and truth. All such traditional understandings only lead us in the wrong direction, from which we must turn back from. Our soul based feelings are always in truth. Our minds are to follow our soul based truths and feelings, not the other way round, as we have been brought up to embrace.

We are to connect with our deeper repressed feelings.
We are to long for the truth of what we are feeling.
We are to live true to our selves; by living true to our feelings.

Use your surface day-to-day feelings to connect with your deeper repressed feelings. Express your surface feelings and your deeper repressed feelings to uncover the truth of yourself.

J&M

We all have feelings which we communicate and share with each other. And we all have deeper buried and hidden repressed feelings. Feelings from our early childhood we felt, yet weren't allowed to express. These feelings are still within us, waiting to have their say. These feelings, because they are repressed, cause us all our problems.

And as we look to uncover, bring out and accept these deeper feelings, so we're taken into new ways of looking at ourselves, our feelings, and our life. We're setting ourselves free of the controlling patterns that govern our unloving behaviour.

In this way, we progressively begin to express the personality that our Heavenly Mother and Father gave us, not the one imposed upon us by our physical parents and carers. We are to be our true and real selves.

By living true to ourself, true to our feelings, we are living true to God. It's that simple.

AVO

HUM

As we, humanity, long for the truth of our feelings, we can also be assisted by the Spirits of Truth of the Avonal Pair who are our spiritual teachers for Earth over this coming 1,000 years, to assist us through the Great U-Turn, away from mind dominance to being soul based feeling lead. They will assist us through the seven levels of the spirit Mansion Worlds.

Then the Creator Pair, Jesus and Mary, will lead us through Nebadon and into the greater universe. Then our Heavenly Mother and Father lead us home to Paradise.

WE ARE Children of God

Collectively, should we embrace them all, as we are to, then our pathway home is a journey in the hands of the Spirits of Truth of the Avonal and Paradise Pairs overseen by our Heavenly Parents.

HOW TO GET TO PARADISE:

Long for the Divine Love

Long for the Truth

Long for the truth of your feelings

Don't deny any feelings: accept, express and want to know the truth of them

Know your feelings are the key; your feelings are the Way

Want to end your falseness and being untrue

Want to understand the truth of your early life

Use your surface feelings to move deeper into yourself, bringing up your repressed feelings

Want and long to know the whole truth of yourself

Want to do it all with God, your Heavenly Mother and Father – long to Them for help.

The Key

Our longing drives our life. We long with feelings. We can wish for things using our mind, yet long for things with our heart. These things in the pyramid are what to long for. Longing for them, when the longing comes naturally. Longing because you feel you really want them. Long to be true with all your heart. Long to live true to your feelings. Long to understand the whole truth of yourself.

PARADISE TRINITY:

1. **Our MOTHER and FATHER (God) (MF) – Divine Love**
SOUL (God) – One SOUL that is expressing its two PERSONALITIES, our Heavenly Mother and Heavenly Father (Soulmates)
 2. **ETERNAL SON (ES) – Divine Truth**
 3. **INFINITE DAUGHTER (ID) – Divine Mind**
- Then: The Second and Third Persons of the Paradise Trinity (ES and ID) are stepped down to the local universe trinity (Mary and Jesus, Divine Minister (DM), and her Holy Spirit.

The LOCAL UNIVERSE TRINITY:

1. **MARY M and JESUS** – Our MOTHER and FATHER – Love – the Living Truth
2. **DIVINE MINISTER** – Mind (and her Holy Spirit)
3. **HUMANITY – Natural love, sons and Daughters – Truth, and our Angels – Mind**

PLANETS that engage in REBELLION:

1. **AVONAL SOULMATE PAIR** – the Feeling Healing process – incarnate
2. **DAYNAL – TEACHER PAIRS** – they do not incarnate

So in summary:

Consider a diamond:

Mother and Father Heavenly Parents

Creator Son & Daughter
Jesus and Mary

Avonals
as soulmate pairs

Trinity Teachers
as soulmate pairs

Melchizedeks – who have taken over from the Caligastians and Daligastians being also all as soulmate pairs.

Mortal Souls – human beings who individualise on Earth, then progress through the spirit Mansion Worlds, then into the Celestial Heavens, and beyond.

Mortal Souls – also being ascending spirits, upon completing their Soul Healing, join with their soulmate, then join their soul group of 24 mortal spirits, being 12 soul pairs. It is only as a soulgroup that anyone can progress beyond Nebadon.

The Paradise Pairs are all ONLY concerned with the SPIRITUAL wellbeing and upliftment of the planets and local universe. Currently to do with Earth:

Mary and Jesus – spiritual wellbeing and upliftment of the whole of Nebadon region.

Avonal Pair – Daynal pairs (Trinity Teacher Daughters and Sons) – Spiritual wellbeing and upliftment of individual planets and their associated Mansion Worlds.

The Local universal Sons and Daughters are all about the running of the worlds under their jurisdiction, and ensuring the higher spiritual elements can be employed, or sent astray, as in our cases through the Rebellion and Default.

Lanonandeks – Melchizedeks (and others, such as Life Carriers and Eve and Adam).

As the Lanonandeks all rebelled – the Lucifers, Satans, Caligastias and Daligastias soulmate pairs – so the Melchizedeks have taken over their roles, as well as doing their own.

So the Melchizedeks are the governors, overseers, the administrators and advisors and so on for Earth; they are the ‘controllers’, and they will instigate all that needs to be done to do with the ending of the Rebellion and Default. And they will enlist the willing help of ascending mortal pairs, so the mortal Celestials spirits (soulmates when available, and others waiting to unite with their partner), and at times mortal spirits in the Divine Love Healing Mansion Worlds. And the angels help all of us.

Currently the whole of Creation exists for the ascension of mortal souls from their earth planets to Paradise. It’s all one vast Grand Ascension Scheme. With all the higher and lower spiritual Daughters and Sons, together with all the many different angels and other universal spirit personalities, and even including nature and our very own pets, assisting women and men with their Ascension Journey. It being: and Ascension of Truth. Everything we do is done to help us grow in truth. (Only everything we do in our negative state is to deny ourselves our truth from our feelings, which is why we have to do our Healing.) All women and men are ascending (or growing) in truth through their experiences. And as we grow in truth by looking to our feelings to show us that truth, so we’re ascending, moving inwards and upwards through all the worlds and spheres of the Grand Universe to one day arrive on Paradise and meet our Heavenly Parents. God is providing us, Their children, with this spiritual journey called our Ascension of Truth. And by living true to our feelings, so we are progressing on our true Spiritual Path – our Ascension Path.

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God’s soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of your Mother and Father.

Humanity is to pursue the pathway for Truth through one’s soul based feelings, this is the right pathway. However, humanity commences its journey founded on natural love, which we now know is to be perfected through one’s Feeling Healing process and then made divine through asking for and receiving our Heavenly Parents’ Divine Love.

For 200,000 years, **humanity** has pursued the pathway of the Mind, being that of the brain, this is the wrong pathway. The Mind is the pathway for Angels and that of all of Nature.

CREATION of SOUL and SPIRIT:

God is *The Paradise Trinity* — the eternal Deity union of the Personalities: the Universal Mother and Father; the Eternal Son of Truth; and the Infinite Daughter Spirit of Mind.

The soul of each human personality (sons and daughters of truth) is existential, driving our personality expression in the experiential. The soul of each human finds truth by embracing one's feelings and longing for the truth of them. We are to attain the Eternal Son of Truth. We are a creation of Truth.

The soul of angels is experiential, evolving through their experience by continually progressing in mind development. Angels are to attain the Infinite Daughter (Spirit) of Mind. Angels are a creation of Mind. Our soul is duplex (we have a soulmate) and is created by our Heavenly Parents. Through our Feeling Healing we perfect ourselves enabling the union with our soulmate, as we progress in truth up through the Mansion Worlds, celestial heavens and all the way to Paradise.

The soul of angels is also duplex, yet of the mind, and they progress in mind evolution to Paradise. Animals, plants and nature spirits are also creations of Mind.

Neither we nor animals reincarnate. We never die; upon death, we move into the spirit Mansion Worlds on our journey to Paradise. When animals and plants die, be they the tiny microbe to the mighty elephants of the land and the whales of the ocean, their spirit energy returns to the Spirit Collective Energy. And from this energy are drawn other animals and the nature spirits, who then in turn move onto becoming angels through increasing mind experience.

A nature spirit is an angel in waiting.

WE EACH have a Nature Spirit pair, Spirit Guide pair and an Angelic Pair:

For those doing their Healing or are interested in doing it will from that time have their own personal angels, spirit guides and nature spirits with them, with whom they are to develop their own relationships should they want to. It is not about ‘sharing’ the same angels or guides or nature spirits, it is about you relating specifically to your ‘own’ ones because they are provided for YOU. It’s all for you, to maximise the experiences we each need.

We are all to have our own pure relationships. And it’s the same of course in life with your friends, however over there, in spirit, dealing with Nature Spirits, Spirit Guides, and Angels, it’s more personal and private and ‘JUST FOR YOU’. So we have our own separate, unique relationships.

For example, Nature Spirit Verna has been assigned to be specifically and only with James, and she ain’t going to be assigned to anyone else, so she won’t be sharing herself around.

This is SO IMPORTANT to understand so that in future there won’t be all these people claiming to be speaking with Verna or Mary Magdalene or Jesus or Nanna Beth or anyone else who is part of it all in such capacity. Mary M and Jesus have spoken with James as they have, making it quite clear he is all they are speaking with.

We each have a band of a Nature Spirit pair, Spirit Guide pair, and an Angelic pair, each pair being in their ‘soulmate’ relationship. Even though we are ascending mortals having a soulmate, even our soulmate has his or her own group of six personalities assisting him or her. *Our assigned Nature Spirits do not continue with us into spirit, our Spirit Guides may for a time assist upon entry to the spirit Mansion Worlds, however, our personal Angelic pair continues with us to Paradise, and then even possibly being with us throughout eternity.*

Grandmother of Mr. Padgett writes that the New Birth is the flowing of the Spirit of God into the soul.

P.53 True Gospel Revealed anew by Jesus Vol III by Geoff Cutler

Received by James Padgett. Washington D.C.

September 15th, 1914

Yes, I am Your grandmother.

Yes, and I am in close touch with the Lord. God is a spirit. He is the one mind and spirit that teaches all other spirits, that the truth is the only thing that can save from sin and error. Do not let the teachings of the Saviour become mere idle sounds in your ears – believe in them and you will be soon in the possession of the precious and glorious jewels of the truth – let him lead you to God. Love him and he will be with you and teach you the truths of his Father.

The New Birth is the flowing of the Spirit of God into your soul and the disappearing of all that tends to turn your heart from the truth and Love of God. It comes by the workings of the Holy Spirit that conveys the Grace of God. It is not a working of your own will or power – **it is the Love of God that causes the change.** You cannot of yourself change the evil workings of your heart but you can pray and the Holy Spirit will come into your soul and then you will realize the change.

The Spirit is the power of God which he uses to influence men to seek His Favour and Love. It is not God Himself, but only one of His instrumentalities with which he works for the salvation of mankind. Let your love for him be the holiest and best kind that you can give to Him. And pray for the Divine Love with earnest sincere prayer.

Yes, Jesus is the teacher, and **the Holy Spirit is God's messenger or instrument that carries into the soul the Divine Love that is bestowed on the truly penitent man.** Jesus is the saviour of men by his teachings and his example and the Holy Spirit is the Comforter that carries into the soul the Divine Love. Jesus is still teaching and influencing men to turn to God. He will continue to teach until the Celestial Kingdom is closed. He will come as a still small voice that will reach men's souls and lead them to the Father. He will not come as the Adventist preach.

Jesus will come quietly into each man's heart and in that way establish the millennium. **He is not going to have a kingdom all his own. He is the son of his Father and will remain in the spirit world to teach men to progress to the heavenly planes that reach up to the presence of God.** He is the most glorious spirit in all the heavens and he is the greatest spirit under the dominion of his Father.

There is only one God. Jesus and the Holy Spirit are merely the forces which God uses to carry out his great plans for the redemption of man.

Let me stop now as I am tired.

The soulmates remain two individualised personalities for all times. They are companions throughout their individual journeys should they so choose.

With soulmates, the emotions of the two soul halves can cycle between them, that may contribute to their bonding. The soulmate, in the future, will be able to feel everything you feel.

Divine Love

One soul half does not receive on behalf of both soul halves / soulmates.

Souls don't have sexuality. They do have personality, or it would not be an "individual" in any sense. On the other hand, it is exactly that individualization that constitutes incarnation.

It is understood, without having much evidence for it, that typically both halves of the soul incarnate into approximately the same social conditions, so that later in the spirit spheres they have some common background. But it is also known that soulmates can incarnate even as much as 2000 years apart. Bartholomew told us in about 2000 that his soulmate was at that time still on Earth, and he had lived at the time of Christ.

What is known as a certainty, you don't need, nor are you expected to discover your soulmate while incarnated on Earth. You will not be led to your soulmate if either party is currently in a relationship. And I suspect a degree of soul advancement may be a requirement – it certainly is in the spirit spheres.

The entire soulmate concept has nothing to do with THIS life. It is a device for the spirit spheres, pure and simple. You will recognise your soulmate, as and when its appropriate. That is, after you have passed over. If you are privileged to meet your soulmate here, that is all it is, a privilege. It's very possible you may find them unattractive, or of a gender that causes you a problem.

Jesus: Evil Spirit Influence.

“Dear Master, in your *last message* through me, you related that evil spirits can no longer prey upon the innocent in the spirit world because they and the innocent live in different localities. I do understand from previous messages through Mr. Padgett that a lower or evil spirit is kept to his own sphere and cannot enter a higher sphere until his soul development permits such advancement. But I am confused. Do not evil spirits prey upon innocent mortals on Earth and attempt to do them harm? And, if so, why is this permitted with innocent mortals if evil spirits are no longer permitted to torment innocent spirits? Is this because both evil spirits and mortals are located in the same locality or plane, the Earth plane? And does this also have something to do with the Laws of Communication and Rapport, which I sense it does?”

“Please enlighten us further about why innocent mortals of Earth remain vulnerable to evil spirit influences whereas innocent spirits in the spirit world are protected against such influence. Without this clarification, I fear that others reading your last message through me might be similarly confused as to why innocent mortals remain subject to evil spirit influences while innocent spirits do not.

“One final question, if I may, dear Master. Should I withhold these last two messages until that time when you have given a corroborative message to K____, or should I share them with the trustees at our annual meeting and not wait for possible forthcoming messages through her?”

“Thank you for all that you do to help and guide us in our lives, and for communicating so many of the Father's Truths to humankind. I love you, Master, and now welcome your message of this day.”

I am now here to write, my dear brother in Christ, and I am most happy to come to you this day to answer the questions you have put before me. I am your friend and brother in spirit, Jesus, Master of the Celestial Heavens and the eternal leader of our church.

First of all, let me say that I well understand your confusion and I am glad that you have brought your concerns to my attention. I realize that what I have introduced, if taken alone and with no further explanation or elucidation, would pose a problem in terms of an understanding of how the Laws of God operate among His children, both in the spirit world and upon the Earth. It is true that I spoke of the "innocent" of Earth by inference, or by the fact that I mentioned the innocent of the spirit world. And, of course, one's mind becomes directed to a consideration of the innocent on Earth, once innocence is discussed and applied to spirits and spirit living.

But when I speak of the innocent in the spirit world, you must know that I am speaking of those souls who have advanced beyond those planes or spheres where they are no longer in association with their less developed brothers and sisters, many of whom are still steeped in their evil ways and aspirations. Consequently, where these more advanced spirits are concerned, they are now living in localities above that in which these lower spirits reside. And since you know that these lower spirits cannot enter higher spheres until their soul condition permits, meaning until such time that expiation of wrongs done and

improvements in their souls' condition allows such advancement, you will understand that these lower spirits can hold no influence over their more advanced brothers and sisters.

Now, on Earth, you were correct in pointing out that evil spirits do continue to have some influence over mortals left behind, but this influence is no longer as direct as it may have been when these spirits were still in the flesh themselves, and when they still had direct physical as well as spiritual access to their brothers and sisters. Mortals can do great harm to other mortals because of their more immediate and substantial contact with one another. But once a mortal becomes a spirit, his opportunity for imposing further harm, while not completely eliminated where the mortals left behind are concerned, is greatly reduced. Thought influence becomes their only remaining "weapon" to be employed to attempt to perpetrate further harm.

Now, while this is so, we must also consider the term "innocent." You were correct in picking up my thought that this term, while descriptive, is not all-inclusive and can be misleading. The truly innocent are those who are without sin, and who have achieved a purity of soul which is such as to be able to resist all evil influences, so far as is known. There may come a time when those in the Spiritual Heavens, below the Celestial, may undergo such changes as to one day be vulnerable to falling from their restored condition of perfection — this cannot be said with assurance one way or the other, for only God knows this fact — but the likelihood is strong that perfected spirits will not ever lapse into sinfulness again. However, it can be said with complete confidence and affirmation that no Celestial spirit can ever lapse into sinfulness through all eternity because his soul has taken on the Divinity of the Father; and a soul possessed of the Divinity of the Father is incapable of sinning — as incapable of so doing as the Father Himself, one might say.

But when we speak of the "innocent" of Earth, there is a different connotation implied by the use of this term. Truly innocent mortals, such as has been defined above, are indeed a great rarity on the Earth plane. Sinfulness, generally, and almost without exception, forms a part of the nature of mortals to more or less degree. And, so, strictly speaking, there are no truly innocent mortals who are completely without sin, or sinful tendencies at the very least. And when the evil spirits apply their sinful desires in the direction of mortals, if an "innocent" mortal acts upon the evil influences exerted by such spirits, it is because that mortal at least has the tendency developed within him to so respond to these influences. There is always a great war being waged among the souls of men in terms of choosing between good and evil inclinations. And this war usually persists for long after a mortal enters the spirit world and can finally rid himself of all evil inclinations. This is done through expiation of wrongs done in combination with the assertion of ever-increasing thoughts and acts of goodness until such time when all sin has been removed and all that remains are desires for goodness, truth, and happiness.

So, as I say, "innocence" on Earth is a relative term, and you were impressed correctly when the thought came to you that evil spirits do still inhabit the Earth plane; and, as such, they still retain the capacity to attempt to exercise their influence over mortals, just as they were able to exercise such influence over mortals when they themselves were still mortals. But just as mortals retain their free will to resist the evil influences of mortals, so too, they can still exercise their will to resist the attempted evil influences of spirits. When they do not resist, but succumb to these influences, then there is substantially no difference between following the suggestions or temptations of a mortal versus following the same evil suggestions advanced by a spirit. **But there is one important difference, and that is, that mortals are much more often aware of mortal influences than spirit influences.** Spirit influences are "unseen" but are nonetheless felt. And this is why it becomes so important for humankind to be aware of their

vulnerability on the Earth plane, and to recognize that, without the protection provided through their prayers for such protection, they are subject not only to mortal temptations but also to the temptations delivered, shall we say, by spirits on the spirit side of life who are ever attempting to live vicariously or in league with mortals they have left behind. It becomes especially important, therefore, that mortals not only be aware of such influence but that they also constantly pray for protection against these unseen spirit forces which are nevertheless very real, and which still exert a considerable amount of force upon the Earth and its inhabitants.

Now, as to Laws of Rapport and Communication, yes, indeed, these play a most important part in terms of the limit or limits of spirit influence. As you know, there is a Law of Attraction where like is attracted to like, and this law is most fixed or specific in the spirit world and somewhat less in operation on Earth. On Earth, one cannot always easily choose his associations; he must live with and among those of varying soul conditions. But on the spirit side of life, as you have been told, the exact condition of the soul determines the exact locality of the spirit.

Now, with regard to spirit influence, those of evil disposition do attempt to influence mortals. But it must be kept in mind that they are essentially attracted to those mortals who they feel some affinity with. And mortals, in turn, by their own thoughts and feelings, add to this attraction. You have heard, for example, that when a mortal activates his animal or lower desires, at the same time, he attracts many spirits who have or have had similar desires as mortals, and who still retain these desires as spirits, whether or not these desires can still be exercised in the same manner as was exercised while they were still mortals. And, so, when given the opportunity by the "calling" of mortals seeking such indulgences, these spirits of similar inclination attempt to participate in these indulgences, even if only vicariously. And, of course, knowing of the mortal's similar desire, every attempt is made to intensify this desire in the mortal to persist in the indulgent activity so that both spirit and mortal can exercise and attempt to fulfil their appetites for these things jointly.

Earth life is the great period of probation. And, indeed, it can be a period of great temptation or a period of relative freedom from corruptive influences from the spirit side of life. It all depends upon the mortal who must come to recognize that he does not live to himself alone, but is ever exposed to both spirit and mortal influence until such time that his advancement carries him beyond the evil influence exposures encountered on lower planes of existence. **But if and when desired, during these formative stages of living and soul progression, the mortal recognizes and knows of the help he may ever receive from the Father and His angels through sincere prayer, and he exercises his desire for assistance and protection in this manner, then he will indeed receive this assistance, protection, and freedom from evil spirit influences through the intervention of those good spirits charged with that mortal's care.**

This has been a long message, but one which I hope will clear up any possible misunderstanding as to what was meant by true innocence as this applies to spirit living versus the relative innocence of mortals whose position is not really innocent in the sense of complete freedom from sin or from sinful inclination. And, yes, communication and rapport is ever established between spirits and mortals, and this is dependent upon the similar underlying desires or inclinations of each. With similar desires or similar inclinations, spirits and mortals do find one another and a rapport is often established and maintained. And this is why it becomes so important for mortals to only entertain and cultivate those good thoughts and desires that will provide for the establishment of rapport and the protection of only the redeemed and higher spirits in and of the spirit world.

Now, as to the sharing of your messages, this is perfectly all right for you to do at your annual meeting. The corroboration among your messages and K____'s will come in due course; and, as I said, not always in the same words but with essentially the same meanings. This is not to say that each message will be duplicated in its entirety. However, there will be subjects touched upon here and there that will be included in both K____'s message and your own. So, as I say, do not concern yourself with corroboration at this time, for it will surely come over time and as I promised.

Well, my brother, I hope you and others will be pleased and satisfied with this clarification I have attempted to give with regard to your own introductory statement and questions. Until next time, then, I thank you once again for receiving my message of this day, and I extend my love to you and all my co-workers on Earth who are remaining so faithful and steadfast in the work before us. Until our anticipated communication again at your annual meeting, I will bid you good day for now.

Your loving friend and brother in Christ, Jesus

**Feeling
Healing with
Divine Love is
the key!**

Whilst we are receiving our Heavenly Parents' Divine Love, and that this Love is causing change within our soul and spirit attributes, the greatest Truth known to man and spirit is that this is the way our Mother and Father are actually loving us! When we progress, it is God's way of loving us into love and then we live what we are, love.

“Never can one man do more for another man than by making it known of the availability of the Feeling Healing process and Divine Love.” JD

LIVE FEELINGS FIRST

Mediumship takes two main forms:

www.mysticalspiritualpsychic.com/

Physical Mediums: Physical phenomena is of such a nature that it is usually demonstrated only at private séances. Any person sitting with the medium can hear or see what is happening. By means of raps, audible voices or materialised figures the spirit people convey intimate information about themselves, their recollection of their earthly life and details of their life in the spirit world.

Mental Mediums: Mental phenomena is demonstrated through the mind of a medium. *Mediums* identify three forms of mental mediumship:

1. CLAIRVOYANCE when **mediums** see the spirit
2. CLAIRAUDIENCE when **mediums** hear the spirit
3. CLAIRSENTIENCE when **mediums** senses the presence and the thoughts of the spirit.

Mental phenomena is the type most often demonstrated in public. Trance mediumship is a form of mental mediumship in which the medium is overshadowed by the spirit communicator and allowed to speak directly through the medium.

Book of Truths:

When I say clairvoyant, I do not mean that faculty which enables you to hear clearly with the spirit ear, but rather that which enables you to receive our impressions, and which inspires you being actually conscious of the reception of these impressions.

So you see you have the opportunity of receiving these things which very few mortals have; for this is a phase of mediumship (as it might be called) which is rare and not possessed by many mortals. It differs from the ordinary inspirational phase in that, where the medium receives information in this latter way, the spirit ear actually hears the thoughts coming of which the medium is conscious, while in the former method there is neither an actual hearing nor a consciousness on the part of the mortal of the thing conveyed.

ASSISTED COMMUNICATION with OTHER PHYSICAL PEOPLE:

Through one's soul, one communicates to one's indwelling spirit, who, in turn, is assisted by your angels to connect with the angels associated with the person who you desire to communicate with.

How one works with people carrying out conversations unbeknownst to them, is rather easy from a technical point of view. One's angels speak to the angels of the person involved, conveying what he/she wants to say. Their angels (or the angel active in the experience) 'commune' with the person's Indwelling Spirit, who then creates the reply with all the required information giving it to that person's angels, then those angels relay it back to you, the inquirer, angels who relay it to your Indwelling Spirit who inspires your mind to see and hear what is being 'said' or 'thought' or 'felt' by that person.

This is very unusual and is only permitted in very extenuating circumstances.

YOU ARE A SPIRIT,
YOU HAVE A SOUL,
AND YOU LIVE IN A BODY.

Around the age of 6, a segment of our Heavenly Parents' essence connects with our soul. This is our personalised Indwelling Spirit. Through our soul, one can communicate with and receive information from one's Indwelling Spirit. Should we proceed to engage in our Feeling Healing and also embrace our Mother and Father's Divine Love, then on completion of our healing, the Indwelling Spirit will fuse with our soul permanently. This event occurs upon the progression from the 7th Mansion World (Divine Love Healing World) equivalent to the 1st of the Celestial Heavens. The fusion with one's Indwelling Spirit results in a continuous connection with our Heavenly Parents.

Your soul enlivens your spirit body which, in turn, is the template for your physical body. Your soul is assisted and aided by your Indwelling Spirit as well as by your Angels who are soulmate pair.

What is Sin?

My dear child

You have used these last few days to consider "what is a sin?" and you got into problems because you complicated this issue far too much.

A sin is an unloving act. It is as simple as that. An unloving act is felt by you or another human, to whom you are acting unlovingly. When you are true to your feelings, you will always know an unloving act. It is felt deep inside your heart.

When you commit a sin you will experience all those unpleasant feelings you humans deem as unloving and inappropriate. Some of those feelings are hate, fear, anger, and many more. You know them all. You consider them as wrong and always try to avoid them and suppress them. Don't do that. There are no wrong feelings. There are wrong acts, of course, but that is another story.

Your unpleasant feelings are just as valid and important as all those feelings which you consider appropriate. They are your trusted pilot as well. When you experience these feelings, acknowledge them and take responsibility. These are your feelings and they are there to tell you something really important. Never act out those feelings on others. Never. Use them as your guide to shed light on some dark places inside you, where you yourself have felt hurt and unloved.

When you have sinned – and you all have – you may ask for my love and forgiveness. But for me to give you that, you must feel deep in your heart, that you wronged someone. It is not about guilt, but about awareness and responsibility. As soon as you acknowledge from your heart, you have sinned, you have the capacity to ask for my forgiveness. And I will give it to you.

Your loving Father

How do you correct a Sin?

My beloved child,

How do you correct a sin?

As I told you yesterday, you must first recognize that you sinned, and feel in your heart that you acted unlovingly and then ask for my love and forgiveness. I will never let you down.

When we were talking about the Ten Commandments a few days ago, we were talking about a time in human history when people didn't have the Love in their souls, thus their actions couldn't be corrected

through their feelings of a wrong act. The Ten Commandments came about to teach people to not act unlovingly to their fellow humans.

Then came my son Jesus to tell about the possibility of receiving the Divine Love in their souls by simply asking for it. Until then it wasn't possible for humans to feel this Love. And without feeling this Love it was not possible for humans to know of its existence.

Now this Divine Love is available to all humans and if you follow your heart you need no rules nor commandments. It is as simple as that.

Love is simple. Don't complicate it (smile).

Your loving Father

The radiance of a soul in good condition is reflected through the spirit body.

A soul in poor condition has very little energy and subsequently is lacking in radiance. The size of the entity is also diminished.

We radiate our own light. Not only when a soul in poor condition is lacking luminosity and energy, its capacity to travel is also significantly diminished, as is its physical size.

Jesus says, that it is that degree of belief that enables you to know a Truth. And that faith is the only thing to make you realize that I am who and what I declare myself to be.

P.71 True Gospel Revealed anew by Jesus Vol III by Geoff Cutler

Received by James Padgett. Washington D.C.

March 26th, 1915 or March 25th, 1914

I am here, Jesus:

(Faith:) It is that degree of belief that enables you to know, as a reality, that what presents itself to your consciousness as a truth is in fact a truth, and an existing condition. It is not a mere intellectual belief, but a belief of the soul which makes the belief a reality.

I know that this faith is the only one that can make you realize that I am who and what I declare myself to be. Let this faith take possession of your soul, and you will be a very happy and progressive man. I am not here tonight to discuss spiritual subjects, but merely to help you in your troubles over material things. When you get in proper condition to write my messages, then I will [finish my last subject](#) which we left unfinished.

So my dear brother, and friend and worker, try to let these things leave your mind, and believe what I tell you, for I say again that they will come true.

Well, the devil is with you all the time. He is not a person as many think, but merely the evil suggestions that result from the operations of the thoughts of the unregenerate man. Every man has his devils, who cling close to him, and can only be gotten rid of by the operations of the Holy Spirit. So do not think that the devil is something that has form or independent personality, for he is not. You are the creator and nourisher of your own devil, and until you get into a state which leaves no room for his presence he will abide with you.

Well, the influences and suggestions that come from evil spirits would not have any effect, if man were not in that condition of sympathy with such spirits as enables them to become, as it were, a part of him. I know that many men are possessed or obsessed by these evil spirits but if they, the men, would only seek the higher spiritual conditions these spirits would not harm them.

Well, that is one of the subjects of my messages, and I will delay to answer until I write that message. Yes the time will soon come when you will know these things.

I must stop now as you are not in condition to write much more, and your wife wants to say a word.

So with my true and brotherly love, I am Jesus

ANGELS and DEVILS:

P.103 Visions of Glory by John M Pontius

All angels and devils are in fact disembodied humans. That is, the spirits with their encapsulated souls who once individualised / incarnated on Earth and have left their physical bodies are now within the spirit worlds. Those spirit people who have continued with tendencies to cause harms to others find their lodgings within the Spheres of Disharmony (hells) and continue to have access to the Earth planes are referred to as devils. Those spirit people who have developed in love and grown towards perfection continue to progress in their development in harmony within the spirit worlds are referred to as spirits. Such spirits who embrace Divine Love and ask for and receive the Love become fitted to enter the Celestial Heavens which is beyond the limits of the natural love spirit worlds, such celestial spirits are angels, and yes they do not have angelic wings.

Spencer experienced three near death experiences, apart from being still born, and subsequently developed spiritual interconnectedness with the spirit worlds. It is clear that he has not become aware of Divine Love and that his interactions have not extended to the Celestial Heavens but only to the spirit worlds and those in the lower spheres of disharmony. The experiences that he has now recorded are based on the knowledge of those spirits he has interacted with from within the natural love spheres only.

His account of low level / dark spirit interaction with physically living humans is chilling:

Evil Spirits and Temptation.

We didn't walk out the door; I (Spencer) found myself in a different place. We were in a small home office. It was late at night. A young man in his underwear came into the room quietly, looking around him stealthily as he entered. He closed the door softly without turning on the light. He went to a computer and turned it on. As he waited for the computer to warm up, I felt a growing sense of excitement coming from him. I knew that his wife and two sons and baby daughter were asleep elsewhere in the house, and that he intended to view pornography. I understood this just by being in the room with him. As with previous experiences, I understood everything about him – his life, his decisions, his desires, his distress. I perceived that he was a good man, a returned missionary, and presently serving in his quorum presidency (within the Mormon faith). (Spencer when in the spirit state / out of body could and can perceive everything about another person through their spirit body faculties, nothing is secret.)

My guide said to me, "He is here to view pornography."

I saw eight spirits enter the room. The disembodied looked human and wore clothing typical of the period in which they had died. Four of the eight were more demented or the more evil of the spirits and were less substantial, generally smaller, with misshapen features, making them look slightly inhuman. They were agitated, active, jumping around in a frenzy, shouting their commands to the young man in excited voices.

The stronger disembodied spirits said little at first. They had little ability to be heard by the young man. They were there trying to satisfy the sexual passion they had developed during their own lives. There were both male and female spirits. Their sexual addiction had followed them into the spirit world. Their addiction was unending, painful, and impossible to satisfy. It haunted them. They were desperate to try to satisfy it endlessly. They were please that they were going to shortly experience it through this young man. They were intent, watching him, urging him on though he could not hear them. They were not looking at the porn on the computer screen; they were watching him closely, putting their faces in his face and screaming at him, mocking and taunting him. They didn't care about the images; they cared about sharing the body sensation of sexual gratification.

The diminished evil spirits were there to trap him, to entice him on, to remind him of the upcoming thrill. They cared nothing for experience his passion. They were there to control him, to make him obey their words, to keep him involved and under their "spell" as long as possible.

They gathered around him, waiting for him to become fully involved in the sexual ecstasy he hoped for by viewing these images. The evil ones were reminding him of certain websites, urging him to go on, whispering to him how thrilling it was going to be. They told him which images to view and how he should feel about them. They argued against his conscience, giving him many reasons to ignore the voice of his conscience and carry on. They placed their hands on him time after time, causing him to feel thrill after thrill. They urged him as he clicked at his computer to seek after the thrill, to remember it, to need it more than anything else. They were most interested in keeping him focused upon his own body, and his own thrills so effectively that he could not feel his relationship with his Creator, or remember his family. All he could think of was himself and the guaranteed gratification that was just a click away.

The more excited he grew, the more frenzied the evil spirits became. They became more aggressive, jumping at him, hitting him with their hands and cursing. It was a loathsome thing to see.

There is no Satan.

I realised even more powerfully from seeing this that **all addictions are purely selfish; they guarantee the instant gratification of the flesh.** Relationships are not guaranteed, and the gratification, the positive payback of the relationship, must be carefully maintained and worked at. This is the reason that people turn to addictions, because they are instant, require little work, and the results are guaranteed. It is also the reason evil uses them and promotes them so carefully, because they push the user away from all meaningful relationships, especially those with the divine.

I understood that he had been awakened from his sleep by one these tempters who had been influencing his dreams, urging him to awaken and need a sexual high. As soon as he made the choice to get out of bed and actually partake, the disembodied spirits had joined in. They were drawn to him like a moth to a searchlight in a dark sky. They came at once. By accepting the temptation, and deciding to do it, he

had given them permission to enter him and experience his sexual thrill with him. I saw many disembodied spirits competing to enter the small room with him. The evil spirits remained at just four.

When he made the decision to partake, all of his good intentions and desires were immediately drowned out by the passion and the control of the evil / dark spirits. The good spirits that had been near him as he slept were forced a distance away until he could not hear them. Eventually they left, driven away by his choices.

When he reached a pinnacle of lust in his body, a black tear or rip appeared at the crown of his head. In that instant the disembodied spirits began to attack. They looked like football players tackling the guy with the ball. They were hoping to share just a moment of his physical feelings and excitement. They acted like hungry dogs going after the same carcass. There was

fierce competition among them to be in him longer. They fought to be next, screaming and cursing, throwing each other aside to enter. As soon as one or two spirits entered, no more could enter. The evil spirits screamed and dove at him repeatedly until a weaker one inside was expelled and they took its place. It seemed to me that the ones who were expelled were exhausted, jerking on the floor as if they were in a sexual thrall themselves, mimicking the actions of the young man at the computer. The image was before me no matter which way I turned. The evil ones quickly recovered and rejoined the fight to re-enter over and over.

The lust and addiction that these disembodied spirits had built up in themselves while alive as mortals still haunted them. They couldn't get rid of the lust because they did not turn to the Father, who could have healed them even after their mortal lives ended. Divine Love is always available to mortals as well as spirits within all the spirit worlds at all times, even for the vilest of personalities. Without His Grace and Love they couldn't dissolve the powerful need of the addiction. They couldn't escape it, their individual will power always succumbed. Without any way to satisfy the addiction, it caused them pain, and they hunted across the globe for any opportunity to experience the thrill again, and thus lessen their pain even for a brief moment.

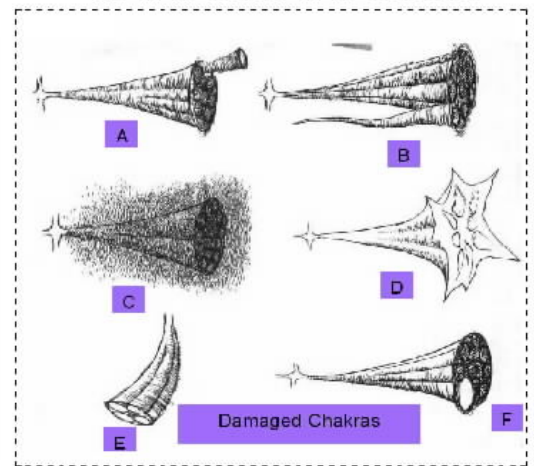

My guide communicated to me that when these spirits entered their victim's body, they could not fully feel what he felt. It was filtered, or buffered, to them. It was only partly satisfying, and they could not remain long because of the competition. So they attacked again and again.

The disembodied low spirits were surrounded by darkness, and as they passed through this man, the darkness they possessed went into him. He could feel it as waves of dark longing, and it

urged him to seek harder for more thrilling porn, harder and darker images, urging him from soft images to violent – even perverse and vile. He resisted at times, and they screamed at him, throwing themselves at him in a frenzy.

When the young man had entered the room, I knew from the light that came with him that he was a good man. I could see the light that he possessed being dimmed as he sat there, I saw that there was far more glee in dark spirits that he was breaking his covenants, than that he was viewing pornography. Their glee was greater in the fact that he was a good man, than if he was any off-the-street kind of guy who did this sort of thing without needing much temptation. Their triumph was greater, their conquest was sweeter, and their control over him was more precious, due to the fact that this young man had made covenants to avoid such things. They delighted in the pain that this would cause his wife and family, and they relished the opportunity to eventually afflict his wife with all the dark emotions she would feel that would separate her from the Creator, the Father.

My last view of this guy was of him leaning close to the screen, breathing heavily, while unseen by him, the four dark spirits screamed at him to continue, and another dozen disembodied souls threw themselves through him in a frenzy of unsatisfied lust.

One of the most tragic aspects of this scene was that these spirits from the unseen world were offering him a sense of false relationship, giving him the sense of being fulfilled and satisfied by this experience. He was beginning to accept these unseen visitors as his companions, and he was starting to enjoy having them, welcoming their influence in helping him to decide to partake once again in his secret world of filth.

In the Bar.

The tragedy I felt for this young man was quickly driven from my mind as I found myself outside of a nightclub, looking at a line of young people in their twenties standing in line to enter. I could hear their thoughts. They were longing for the thrill that they hoped was inside. There were more disembodied and dark spirits there than humans. They were standing near the mortals, urging them to continue waiting, telling of the thrill awaiting them.

I next found myself inside. There were many people tightly packed on the dance floor, dancing closely, drinking, and smoking. I could hear their thoughts, which were a continual stream of obscenities, rationalisations, and sexual lusts. Much of their thinking was more vile and violent than how they acted. They looked like normal young people on a dance floor. If they could have heard each other's thoughts, there would have been no restraint at all, but an ensuing scene of bestial acts.

I was both intrigued and repelled. I did not want to experience this darkness. I had never been to such a place and found this experience distasteful and disturbing. My spirit guide remained beside me, and I felt comforted by the fact that he did not seem affected by this scene.

As in the line outside, there were more disembodied and dark spirit people here than there were mortals. Just as with the

young man viewing pornography, the low dark spirits were focused on specific people, those who were thinking and feeling the greatest lust and thrall. They grew more aggressive in urging them to think darker thoughts and have strong lusts.

The disembodied spirit people were waiting for specific feelings to arise in the physical humans. Some were looking for sexual fantasy, some for intoxication, some for drug-induced euphoria, some were seeking violence and domination. When the humans reached a certain state of intoxication, or when they abandoned themselves to the instructions of the dark ones, an opening occurred near the crown of their heads. When it opened, it looked to me like a black tear in their spirit, similar to the young man at the computer. The closest spirit rushed at them and entered like fog being sucked into a vacuum.

The other disembodied dark spirits rushed forward, pushing and fighting to be next. When a dark spirit entered into a human, he only remained for a few seconds, or a few minutes at most – depending upon the ability of the spirit. When they were finally expelled, they seemed to squirt out of the body at random points. They seemed exhausted but satisfied when they came

Holes allows spirits to attack us, we need willingness to address unhealed emotions.

Every time I am angry is a demonstration of my unwillingness to deal with an emotion. Many of us have a desire to be angry. Do I want to become willing, that is, a soul willing?

out. They came out violently, mimicking the actions of the human. When they realised they were expelled, they screamed and immediately jumped back into the spirit battle to be next.

Once they were inside, they not only felt a limited portion of what their host was feeling, but they could be heard. Their dark passion added to the height of the thrall (slave, bondage) in their host. They urged their hosts to do things, to escalate the situation, to more aggressively seek greater thrills.

I saw other disembodied dark spirits going around the room. They would pause to listen to conversations, watching people's behaviour, trying to find someone most likely to feed their needs. It seemed evident that they could not read people's thoughts, but they were masters at judging and reading people's intent. They also listened to other dark spirits and what they were urging. If someone was successfully resisting the evil suggestions, the disembodied would move on. If someone was about to "open up", many disembodied spirit people converged upon him.

The disembodied low dark spirits were waiting for the mortals to be beat down by their evil dark companions. They were working together. The dark spirits wanted to

spiritually destroy their targets so that they could obtain permanent control over them and cared nothing for the experience of the physical mortals. The disembodied low spirits delighted in the physical sensations of the mortals but had no desire to dominate, only to prolong the experience.

From the low dark spirit people's perspective, having a mortal yield to their temptations gave them

If you are a drunkard here on Earth, you pass. Why were you drinking? Due to an emotional pain of some kind that you were trying to mask with alcohol. Your drinking was for that purpose. You pass and there is no alcohol. What would you do? You still want to mask the emotional pain. So you attach to somebody who drinks. So many of these people / spirits surround pubs and all these places waiting for a person (in the physical) to take their first drink, and when they do, they can connect to them, and the spirits just keep them there. Now this is why, now a days, you have people who keep on drinking and they are totally unconscious of what they are saying anymore. You can talk to them and they can speak to you. You ask them what happened the next day and they have no recollection whatsoever. The reason why is that it was not them anymore. It maybe low spirits keeping them upright and drinking, so that these same spirits can get this feeling of drink. That is a spirit attachment.

By releasing your harmful emotions, this may generally help the spirits surrounding you as well as yourself.

power over the mortal. If they suggested an act, and the mortal did exactly that, they set their hooks a little deeper. They were not after the thrill; they were after dominion of the soul and eventually, lifelong control. They knew that if they could tempt with enough cleverness and deception that the human responded – they would gain a little more control. This was their method, but their real goal was to gain control that they could keep the Father from having any influence in the person's life at all. They weren't just trying to control behaviour; they were trying to ensnare these people in the chains of hell.

I saw that people who had already been entrapped by them could hardly hear their own thoughts. The voice of the evil dark spirits had become even more powerful than their own mind. They would do anything their evil controllers said, even while thinking it was their own idea or their own wishes they were fulfilling. Once these evil spirits had total control, they then desired that the mortal should quickly depart mortality, so that their possession become permanent. They thereafter urged them to risky behaviour, acts of violence, and even suicide to hasten the day of their mortal death.

The disembodied spirits were not trying to harm the humans so much as to share in their physical thrills and addictions. **I saw spirits who were addicted to smoking to try to snatch the cigarette out of the hands of mortals over and over, as if they could not understand why they could not actually grab it.**

Through this whole experience, I could not only see what the evil low dark spirit people were doing, but I also knew what they were thinking, both disembodied spirits and mortals. It was more than I could stand, and the scene changed.

At the Horse Race.

I next found myself at a horse race. Now, I've never been to a horse race, and I had no idea what one was like. As soon as we arrived, all of the thoughts, emotions, and experiences of everyone there entered my mind with perfect clarity. It was a large track with large stands and thousands of people. There was a thrill of excitement in the air, which I quickly realised was being promoted by tens of thousands of low dark spirits, disembodied people.

Almost the same thing was happening here as at the bar. The low dark spirits were working to enhance their control over the mortals by creating this great distraction. Even though the races were less dark and promoted less lust and sexuality by far, it still created an ideal circumstance for the evil spirits to urge them to high passions, desires and fears, with soaring highs and crushing defeats, which kept them far removed from the Father, God. The good angels (bright spirit people) were few in attendance here, being kept away by the mortals yielding their will to the dark low spirits.

Many of the people at the track were there for the thrill of gambling, which was being highly promoted by the evil ones, the dark disembodied spirits. Many of the people had lied or deceived to be at the track and had opened themselves up to the evil ones in so doing. Some were there to drink, to deceive, and to satisfy their addiction to gambling. These were surrounded by low dark spirits who encouraged them and told them what to feel, urging them to bet on certain horses, giving them a sure feeling of a win, which also guaranteed a crushing defeat. Whether they won or lost, the disembodied spirits pounced on them to share in the experience.

**Is there a devil?
NO.**

Here at the track, there was a greater opportunity for the good of angels (bright loving spirit people – those from the 2nd sphere and upwards – to intervene. In the two previous experiences, the people were fully sucked into the evil – errors of the moment. Here, some people were praying. Some were praying to win, some to help with their addiction, some were praying for help to know how to explain their losing so much money to their wife or husband. Even a thought of God, a prayer, a request, an intention to do good, an act of regret or kindness, brought the bright disembodied spirit persons. They could then surround the person, protecting him from dark spirits for as long as that attitude persisted.

There had to be some act of free will to invite the good bright spirits. Sometimes the bright spirits (guides) whispered, “Leave this place”. Sometimes it was a suggestion like, “You need to call your wife”. Sometimes they gave them a memory, perhaps of a promise, or an event from that person’s life’s experience that encouraged him to make good choices. Then it was up to the mortal. If he followed the prompting, the dark low spirits moved on to someone else. Light began to grow brighter around the person, and the good bright guides spoke encouragement. He had a chance to think clearly and to escape.

Entertainment.

The scene changed again to several rapid views of mortals seeking various entertainments. I saw inside movie theatres and in homes where people were watching TV. I saw glimpses of amusement parks, casinos, and large sports events. I saw people listening to music from stereos and earphones. I saw people laughing at parties and endless hanging out with their friends. I thought these were everyday things of no spiritual significance.

“Why are you showing me these things?” I asked.
 “What is the significance?”

He replied that these were all of the ways that people unknowingly move themselves away from the Father. I realised in each of these scenes that the good bright spirits were absent or pushed away some distance. The people in these scenes were so involved in the entertainment that they weren't listening to their Spirit Guides, to their Indwelling Spirit or any other loving spirit. They weren't doing something non-loving, but they were not listening to the Father or His helpers, which was what the dark spirits laboured so hard to accomplish in others, yet these were willingly isolating themselves.

I also saw that dark spirits were urging them to view more and more violent or sexual content. They were urging the people listening to the music to become enthralled, to dance and shake and gyrate, to feel sexual or physical highs, to focus on their bodies and physical beauty – anything except the Father.

I saw people obsessed with eating, with not eating, with dieting, with acting, with dancing or performing, with fashion or beauty, with sports, with dating, or with school – none of which were inherently unloving or in error. They were just so focused upon these things that the voice of the Father, as I saw being delivered by the bright spirits, was pushed far away.

Since we as mortals cannot often see the world of spirits, either good or bad, we are truly ignorant of most that is going on around us. It requires some spiritual insight, usually gained by costly negative experiences, to realise how life works. Mortal life is only a dim reality. The bright spirits live in an eternal realm, which is the brightest and truest reality. Mortal life will end; their lives do not. They know how incredibly important this little time of mortality is, and because they love us and are in the service of the Father, the Source Soul, they labour to get our attention and lead us into a life that well end in harmony with the Father.

**Rage – easy

spirit**

Spiritual Gifts.

I was shown how spiritual gifts work. There are good gifts, and there are evil gifts which are all of our own making. The Law of Non-Interference precludes any harm coming upon us from low dark spirits. They can influence us, but they cannot harm us. Further, their influencing of us is typically in the direction that we are already inclined to pursue, it is mostly an amplification of our pursuits be they positive or negative.

These are gifts of love, joy, peace, faith, healings, guidance, and many other gifts. When we repeatedly choose obedience to what is good, we create stronger spiritual links with our spiritual guides and guardian angels. In pursuing what is loving and developing of our soul condition, we grow brighter and brighter in this process, progressively stepping away from what may be unloving and harmful to our soul and wellbeing.

When we choose harmful and unloving options we bring into our companionship dark and unloving spirit beings, which is the same thing as yielding to our addictions and bringing about harm to others and ourselves. We choose evil gifts by obeying a lust to obtain some physical thrill or high. When we give in to any amount of error, we are creating a spiritual link, like coupling train cars together; and when we allow this to happen over and over, we are changed, darkened, and dragged down, until we become servants of darkness, and we receive our wages from the masters of darkness.

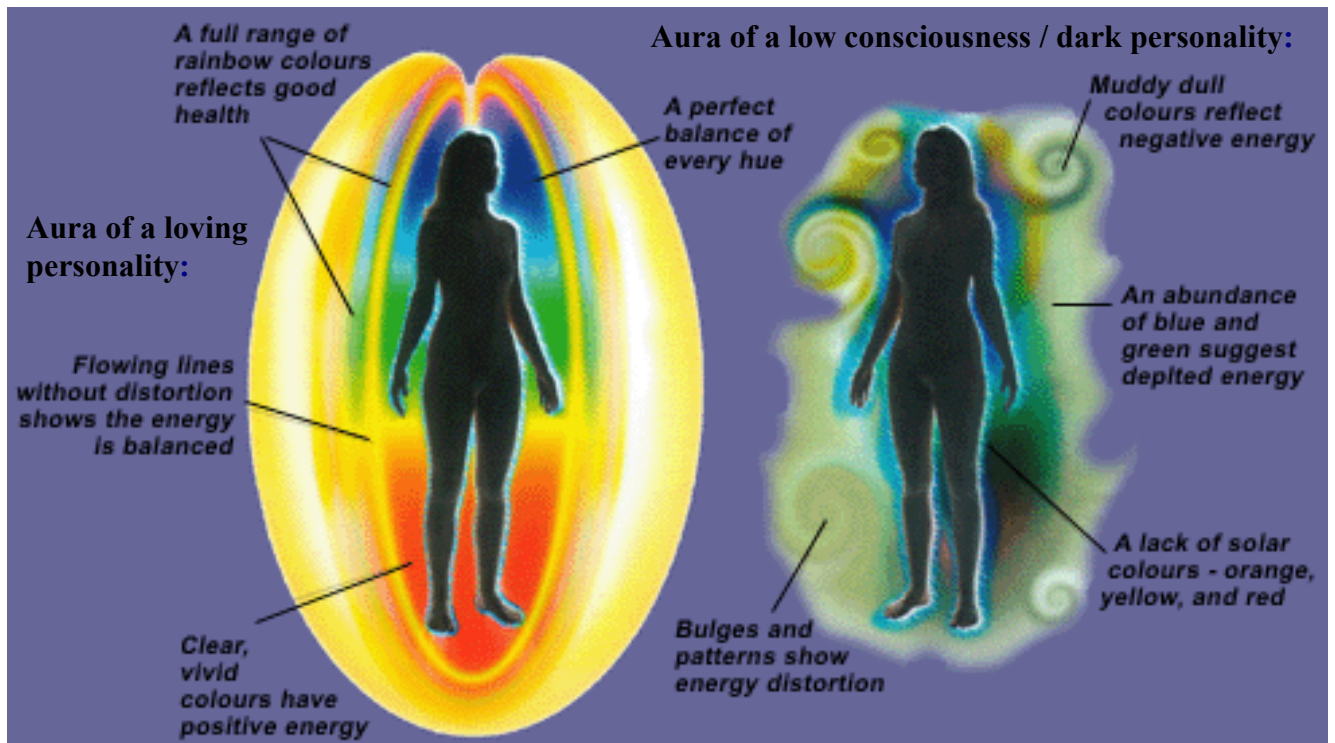

**Drugs – health loss
– no control
– death!**

I observed that there are many people who are governed by the voice of the Father, who are like lanterns being carried through darkness. They push the darkness away by their approach, and the low dark spirits must depart. Interfering dark spirit people are powerless to penetrate your protection and personal bright and powerful energy and are compelled to depart.

The same thing is true of people who are ruled by error. They become lamps of darkness and push the light away. They become a force of darkness, even while walking in brightness of spiritual day. Everyone who associates with them is darkened by them, and the bright loving spirits are powerless to penetrate it – until that person by an act of free will asks for help or prays for guidance. It is these people, living in error, who add to the ranks of the low dark spirits when they leave the physical body.

The Chains of Hell (Spheres of Disharmony).

I saw that when any person manifests even the smallest particle of faith, even just a thought or an idea – anything that moves them toward hope, obedience to truth, and faith in the Father – then the darkness is penetrated by a small degree of light, and the guiding loving bright spirits once again speak the words of the Father as the Still, Small Voice. If people choose to respond correctly to that voice, the darkness will begin to lift. There will still be a long road and many more correct choices to make, but the process is begun.

God's Divine Love: Pray for it, ask for it, and receive it.

The “chains of hell” are when a person becomes so enamoured with his life of darkness that he can no longer even hear the Still, Small Voice of the angels shouting truth from the distance to which they have been pushed. When a person yields to this degree, he loses his moral compass and can no longer tell the difference between good and error, right and wrong, love and lust, and eventually, mercy and murder. The only “good” he acknowledges is whatever brings him the fastest satisfaction of his lusts and addictions, and no price seems too high.

The Ministry of Angels.

An angel is a person who has developed in Love to the extent that he/she has become at one with the Father, God, and progressed from the spirit world spheres through to the Celestial Heavens, that is, has progressed beyond the 7th sphere and entered the 8th or progressed even higher.

I saw the bright spirits of light who are assigned to us. They are real. They have direct access to the Father's guidance (a condition that exists for all who become at one with the Father – continual communication) and are anxiously engaged in our lives. They remain with us throughout our lives unless we choose darkness by our thoughts, acts, or words. Their ability to direct, influence, and guide us is completely controlled by our choices.

There are also more powerful angels of light (spirits from higher spheres) who are assigned to us to bless us in certain times of need. These very loving bright spirits (angels) come on assignment, and in harmony with our assigned guides.

Every time I have had my eyes opened to the world of spiritual things, there were more spirit beings in the room than mortals. Most of the bright spirit guides seem to be our ancestors, people from our family who love us and who have been sent to aid us at special times. (They may be from any of the spheres. **Should you have become aware of the availability of Divine Love then your spirit guides may be from the Divine Love spheres being 3, 5, 7 and the Celestial Heavens which are above 7.)**

We don't have this more powerful type of angel with us often. (Should one be unaware of Divine Love and focused upon natural love attributes then one's guides may come from spheres 2, 4, and 6.) They come on special assignment, and when there is a pressing need or greater blessing to bestow. We invite them to help us by rejecting temptation and by calling upon the Father and doing what is right with a mind single to love and that of the Father. These guides know us well because we have associated with them for a long time.

Looking at this phenomenon from a parent's perspective, it gives us the ability to bless our children and grandchildren after we leave mortality. These spiritual gifts and strengths become the heritage of our grandchildren, because when they choose the Love / Light, we are there waiting anxiously to pour out the gifts we ourselves obtained in mortality, upon them.

This is also the reason that drunkenness, abuse, crime, war-mongering, and other dark traits that may corrupt political power, run in families. These dark tendencies are passed down through the ages. When our ancestors find themselves in the next life as unhappy spirit beings who are still addicted, pain-racked, miserable souls, they seek to make others miserable like themselves. When their children and grandchildren follow their example, then the dark "gifts" are passed down through the generations. This may explain why some families have been royalty for hundreds of years, or wealthy and oppressive from the beginning of time, or any other dark familial trait. (see Pascas Care – Life Father Like Son) It may also explain why spiritual leaders tend to be related, and greatness runs in families.

At last I realised that this was the message of this whole experience, to see how darkness infests mortality through evil dark spirits, and how light is amplified in our lives through love of the Father and the ministry of loving bright spirits. I started seeing glimpses of how people's choices were making this happen.

Feelings *first*

LIVE FEELINGS FIRST

UNLOVING PERSONALITY

Soul encrusted with negative and damaging emotions and beliefs held by the mind in the spirit body. Soul is choked of love and the darkness impedes the flow of love which darkens the spirit body and damages the physical body for all to see.

LOVING PERSONALITY

Spirit body mind is clear of man-made negative emotions and beliefs. The flow of love from the soul illuminates the spirit body and brings beautiful harmony and health to the physical body for all to see.

Dark spirits, being those with poor soul conditions, are shrivelled up and with little energy to express their bad attitudes. The Law of Non-Interference prevents them from causing harm to other spirit people or to people in physical bodies. They are isolated within the dark Spheres of Disharmony.

Mr. Padgett's father writes about his friend's present spiritual condition and the suffering that he must undergo before he can begin to see the light.

Received by James Padgett. Washington D.C.

November 11th, 1915

I am here, Your father:

I have been much interested in your conversation tonight, and I see that your two friends are firm believers in spiritualism and in the communications which you receive from the spirits who profess to write.

Of course Dr Stone who is a believer of some years standing has no doubt whatever; but Mr. Morgan, having so recently embraced this belief, is at times a little sceptical, and this is natural; but his belief will grow, and we firmly believe, as do you, in the near future, and he will be a great help to you and to the cause. He is now undergoing that change in his ideas of life here and on Earth, that he will soon realize the truths as we shall teach them to you.

I want to say a word in reference to the message which you received from your friend, Mr. Lipscomb. He is a spirit in a very dark and depraved condition and shows upon his spirit countenance the results of his dissipated life on Earth. His soul has very little development, and his mind is in such a condition that he will require much discipline through suffering, before he will commence to see the light, and comprehend that the truths of God are eternal and never change, and that he must accept these truths before he can progress much.

He was so anxious to write to you, and expressed his desires in such a pitiable way, that we thought it would do him good to permit him to write, and he did. Mr. Riddle has talked to him and endeavoured to show him the way to light and relief, but at this time he is not in condition to receive or understand these truths, and he has gone back to his dark and dreary condition and his hell, as he calls it.

We will not desert him, though, but will continue to use our influence and love to help him, and in course of time, he will realize that he must ask help from the Father, and then he will receive it. He is not of a very reverent turn of mind, and his ideas of Earth are with him still, and will remain with him until he becomes persuaded that there is only one thing that will take him out of his darkness and suffering.

There is another thing that I wish to tell you, and that is that he is still visiting the bar rooms, which he so frequently visited when he was on Earth, and is drinking his whiskey and other accursed drinks as he thinks. The attraction of this stuff and these places is holding him fast to this manner of living. So you see his life here is not much different from what it was on Earth, only he is not able of himself to indulge in these appetites, but must use the appetites and organs of some of his late Earth friends to satisfy his appetite. This, of course, is a matter of imagination, but to him it is as real as was his drinking on Earth, and for the time being, causes him to believe that he is actually satisfying his cravings. But while he is not doing so, he is working injury to some mortals whom you know, in that he is causing them to drink more than they otherwise would.

Oh, the curse of habits and evil appetites once acquired and never gotten rid of. So his only salvation now is for him to have some great awakening as to his true condition, and then his reform may commence, but until then it is almost hopeless to try to help him. I will not write more of him tonight, but say that we will not permit him to write again until he gets into a better condition.

We are all very happy and are with you a great deal, loving you and trying to help you. You must not let your worries possess you so much for they do you harm. Yes, I know that it is difficult not to worry under such circumstances, but soon you will not have cause to worry as we have told you.

Well, you may lose faith and we can hardly blame you, but the relief will come just the same.

I will not write more tonight.

Your loving Father,

John H. Padgett

ASK! **ASK!**
Ask! **ASK!**
ASK! **ASK!**

**Ask for, long for and receive
our Parents' Divine Love.**

**The energy substance of Divine
Love assist in releasing errors.**

**The Love will grow one's
soul in radiance.**

“Every day is a day of devotion.”

Our Heavenly Mother and Father simply desire for us to ask for Their Love.

UNCRUSTING ONE'S SOUL:

One's soul is always perfect. One's soul is a creation of our Heavenly Parents, and Their creations are always perfect.

Their great gift to us is free will. We have the option to embrace Their will or freely do as we please, we have free will.

As we progress through our early childhood years we absorb the attitudes, beliefs and habits of those within our environment. Some of these are in error. Such emotional errors and injuries melded with errors in belief encrust one's soul with unhealthy and unloving energies. These encrustments retard the flow of loving energies into one's soul. Such soul having created one's spirit body, which in turn is the template for one's physical body.

As we become aware of our Mother and Father's greatest gift in all of the universes, we can ask for and receive this gift, being Their Divine Love. It is a light golden blue energy substance that will progressively through one's Feeling Healing process dissolve the injuries and errors that may have enmeshed one's soul. Feeling Healing with this Loving energy will slowly enable each of us to break free of past held erroneous beliefs and injuries that we have drawn upon ourselves. We can cast this shell off, such shell which is endeavouring to imprison us in misery.

With the Love of our Parents, the beauty with which we were created can come to the surface and we can then proceed to progress beyond the ceiling that our natural love formed soul has in development. Feeling Healing with the vibrant energy of Divine Love can enable us to live a life here on Earth as though we were in Heaven. All we need do is ask for It.

The Love of our Parents' is the greatest gift for all of humanity, without exception and without condition other than the longing for and the asking for it, at anytime, at any place, and in any way one so pleases. Enjoy the journey!

The REAL YOU is the SOUL:

One's personality, natural intelligence, memory and human attributes all are soul based. The soul initiates conception so it can start expressing one of its two personalities in Creation. It creates the will, then 'wills' the spirit body and physical body and all that connects them with the will into being. Our soul constantly sustains or expresses us, one of its two personalities, in Creation. The spirit can't separate from the soul because the soul keeps it in existence. We need our spirit and physical bodies to experience our personality through. When the spirit body separates from the physical body, one continues on living in a different form without losing any of the attributes experienced during physical life. Incarnation is the process of individualisation of the soul.

Without a soul, our physical bodies would function and interact similarly to that of a domestic animal. An unsouled human body (thought not possible) would respond like a household puppy! Domestic animals calibrate on Dr David Hawkins' Map of Consciousness between 200 and 250, the human body calibrates at 200. All animals have spirit bodies, these do not survive into the spirit Mansion Worlds. Our SOUL IS NOT ENSOULLED IN OUR SPIRIT BODY. Our soul exists existentially in a whole different level or plane or place or dimension of being – 'soul land'. It doesn't exist in Creation, it's not experiential like Creation is. The soul, all souls, help create their part of Creation by expressing their personalities into Creation, and then by having their personalities do things (further create) in Creation.

Our first parents, Andon and Fonta (also called Aman and Amon), were the first to exhibit human perfection hunger some one million years ago (993,500 years ago). Adam and Eve, Adamite bestowals, arrived some thirty eight thousand years ago – or earlier.

Aman and Amon were the first True Humans, which means, the first soul expressing its soulmate pair, its two personalities, in Creation – on Earth. From which came forth the rest of us. So they had a soul from the start, which separated them from their animal parents. It's the soul that wants to fully express itself through its two personalities perfectly in Creation, which is the so-called 'human perfection hunger'. It, our soul, wants to be Perfect like its Heavenly Parents, the Soul that Created it. We, focused as personalities, want to be perfect, like the Personalities of our Mother and Father that are Perfect. Our soul wants to be like Their Soul. Our soul wants to ascend us to Paradise so we can be with Them, as physically close to Them on a personality level that we can be, and then see what happens.

There were aunts and cousins, parents and grandparents. But they were not human like Aman and Amon – they were really animals, though of the same species. Aman and Amon wandered off from the family, since they could find no way of relating to them at all. How could they? They were incapable of rational thought, speech, or anything human. Aman and Amon knew that forevermore that they were apart.

Aman and Amon may have been twins. They were indeed a primate species of humanoids. But they, themselves were more beautiful than their animal relatives, and they knew, even from their very appearance, that they were marked even by Nature to be different.

P.288 True Gospel Revealed anew by Jesus, Vol III by Geoff Cutler

Received by James Padgett. Washington D.C.

Date somewhere between 1914 to 1920

I am here, Johnson:

I am here, (Andrew?) Johnson, an ex-President of the United States. I want to write because I am in darkness and suffering from the recollections of my evil life, and want help.

I am in the Earth plane and have some of my mortal traits with me now. I was a great drinker when on Earth and I am still drinking and never satisfied. So you see how long the appetite has stayed with me. So help me if you can.

I know that it may surprise you to hear from me in this way, but the fact was that I was a President of your great country does not help me one bit in my condition here. No matter what a man may have been on Earth he cannot escape from his evil deeds, and a President is thought no more of than the meanest man in the community.

I wish that you would show me the way to light and freedom from my sufferings.

Well, I am sorry, but I suppose that I must wait.

So good night.

Andrew Johnson (December 29, 1808 – July 31, 1875) was the [17th President of the United States](#), serving from 1865 to 1869. Johnson became president as he was [Vice President](#) at the time of President [Abraham Lincoln's assassination](#). A Democrat who ran with Lincoln on the [National Union](#) ticket, Johnson came to office as the [Civil War](#) concluded. The new president favoured quick restoration of the [seceded states](#) to the Union. His plans did not give protection to the [former slaves](#), and he came into conflict with the [Republican](#)-dominated Congress, culminating in [his impeachment](#) by the House of Representatives. The first American president to be impeached, he was acquitted in the Senate by one vote. (http://en.wikipedia.org/wiki/Andrew_Johnson)

POOR SOUL CONDITION is DARKNESS:

Using Kirlian photography, this is an auric photo showing an individual who is a drug addict... notice no connection with God or Source, no love and light.

Such soul condition is reflective of the man-made emotions such as apathy, despair, depression, hatred, loathing, etc.

Even when such a personality is in an environment of bright light and vibrancy, such a personality can still only see and perceive darkness.

It is this darkness of soul that fits the person for an environment that is only of darkness. The locations to which they arrive within are of perpetual darkness and are miserable environments until they, through their own endeavours, grow in love. This may take centuries, or they can embrace the great gift of the Source Soul and ask for the Divine Love.

LOVE of the MOTHER and FATHER:

We mainly commence our journey of discovering our relationship with our Heavenly Parents, God, through the intermediary relationship of one of many religions and the even more numerous religious institutions. Frequently we have given our power and rights to an intermediary to intercede on our behalf. Our Mother and Father seeks to commune directly with us.

As we progress in our development and growth of love for our Mother and Father, our Creator and Source Soul, then we find a relationship and personal love for and with Them. This developing personal dependence on our Parents can and is supported by our religion teachers as well as by our never tiring spirit guides. Asking for, praying for and receiving the Parent's Love, Their Divine Love, which is always available for us, is the ultimate blessing that can only come about by the development of our own personal relationship with our Heavenly Parents.

As our soul develops and expands with the infusion of the Love, our relationship and love of Mother and Father develops into the beautiful joy and blessings that is there for us all. Our personal relationship and dependence becomes all embracing erasing our childhood developed intellectually based self dependence.

With the Parent's Love, and one's Feeling Healing, comes an ever growing loving life experience that is beyond words and expectations. The Love of the Parent's, with Feeling Healing, is the only gift that brings about forgiveness of our errors and fits us to enter the higher spheres well above those based on self reliance and natural love, the only love that we are blessed with at conception.

NATURAL LOVE and DIVINE LOVE SPHERES and FEELING HEALING PLANES:

After the HAND OVER!

Divine Love progress is to infinity

Peak of 7th sphere is where one becomes at one with our Heavenly Parents.

One's natural love is always progressively perfected during this journey of evolution of the soul.

Upon embracing Divine Love at any stage, then one can progress through the Divine Love spheres 3, 5, 7, whilst also doing their Feeling-Healing.

Even though a person may have received Divine Love, they do not avoid compensation or doing their Feeling-Healing, so they may still spend time within the spheres of disharmony.

Natural Love sectors for those doing their Feeling-Healing, without the Love, are within the Natural Love Mansion Worlds:

Progressing through the natural love worlds, within Feeling-Healing sectors, while doing one's feeling healing, upon reaching the 6th Sphere having completed Feeling-Healing, one can then embrace the Divine Love and proceed directly to the 7th Divine Love Sphere.

Then they may prepare to enter the Celestial Heaven Spheres from there.

This pathway is when the Divine Love is unavailable before perfecting one's soul.

**INDWELLING SPIRIT, THOUGHT ADJUSTER,
MYSTERY MONITOR (all being the same):**

The external elements, instruments of the Father, do not form attributes of our own soul upon its initial creation by our Heavenly Parents, these are the Spirit of Truth, the Indwelling Spirit, and Divine Love.

The Holy Spirit, conveys Divine Love to your soul should you earnestly and lovingly ask for it. This is the only function of the Holy Spirit – Acting Spirit.

The Indwelling Spirit becomes present when we are around the age of six. This means that the unseen helper of the Father and Mother – the Indwelling Spirit – can always interact with the mortal soul and to be of service so that eventually the leadings from the Spirit may be the catalyst for that soul to seek our Parents.

The Indwelling Spirit reveals intrinsic workings of Father and Mother to your soul.

The Indwelling Spirit functions in much the same way as the Holy Spirit, ask and it will provide support and guidance.

The Indwelling Spirit / Thought Adjuster only works with us on the mind, feeling and psychic levels directly with our personality on conscious and unconscious levels of reality. It is the Divine Minister with hands-on help from our attending angels that do the actual adjusting of our mind circuits – of all our circuits, even the physical if need be.

Spirit of Truth becomes active more so when you connect to the Source Soul and commence receiving Divine Love.

You are a spirit person having a physical experience. Your physical body is encased within your spirit body.

The spirit body only exists because our soul wants it to. In the fullness of love, even all our encrustments and wrongness is not actually bad, they are just the nether side of love.

So evil is literally a state of mind, and once you heal it you even feel love for your wrongness and even no longer hate it – that being full self-acceptance. But you can't contrive these feelings or level of awareness, it has to come of itself and will through the higher levels of your Healing.

The source of emotions.

A recent discussion about emotions and thoughts centred on which comes first. Does one have a thought, and then create an emotion, or does the emotion itself give rise to thoughts? On a suggestion that emotions were of the mind, a quote from a message [delivered by Judas](#) on May 8th, 2002 was offered for consideration:

The human soul has been described on several occasions by diverse spirits. Jesus explains that the soul is a creation of God, a separate and different entity, and is not an emanation from the Supreme Being, as some religions teach. The Master also explains that the soul is the seat of "spiritual emotions", using the word "emotions", because the soul does not "think" as the mind thinks. The intelligent activity of the soul develops on the spiritual level, and not on the level of reason. Therefore, it escapes description, in the same way as the emotions of the animal nature elude the intent of articulating them into words. Words are the shapes and structures of the "material" mind, to which emotions add colour and life.

As this medium was typing his response to the various posts, this happened:

As I write this I am being overshadowed by an angel who wishes to say that anger is a product of a distorted mind but other emotions such as joy, laughter, sadness and love come from the soul. Geoff was right in his assertion that he does not truly understand the workings of the soul and neither do most mortals. The soul does operate from a different set of laws that are misunderstood by the mortal mind. Emotions which arise from a soul are actually felt differently from that place and once interpreted by the mortal mind are expressed differently. As one progresses with the inflowing of the Love, the difference will become clear. There will be no confusion or wish to deny one emotion while accepting another. All are part and parcel of the mortal. Angels feel emotions differently but they still exist within their souls as the Creator has gifted his precious children with many attributes that may be transformed and will come into perfect harmony and balance with the workings of the Divine Love. You will all come to see this issue with greater clarity as you progress in the Love. Give thanks to God for creating such a beautiful creature as yourselves that is capable of deep and abiding feelings and love.

As for the thoughts and their relationship with emotion. They are not preceded one or the other but work in tandem in regards to the soul. And these thoughts are simple, clear and without error in the redeemed soul as are the accompanying emotions. Both in harmony and expressed in tandem. The overriding feeling is higher Love that pervades all aspects of the redeemed soul. As I have said, there is a great harmony and balance created here by the blessing of God's great Love.

I am Judas, God bless you and we are pleased that you delve into such matters with deep interest and willingness to share and to learn. We will attempt to answer these questions as this instrument is in condition to do so. Do not stop questioning as this is one more avenue to soul growth. Knowledge brings you strength. Love brings you peace and joy. Together, these make a beautiful and effective channel for God's Love and Truth. I love you as do so many. God bless you.

19 Dark Spirits and Responsibility

14 October 2013

Good afternoon dear friends. I wonder each day now who might write with me and this is exciting. We have frequent questions regarding the influence of dark spirits on those living on Earth. To what degree do they influence and what is their power in this? Can they overcloak or possess a person? To what degree are they responsible for evil actions committed on Earth?

I am also very interested in the Spirit Laws. I imagine that there are many of them and my particular interest at present is in those laws that directly impact on our lives on Earth. Actually, having written that, I thought that this will probably include all of these laws as we are simply part of the whole. I do imagine that the laws that primarily relate to physical systems such as gravity and aerodynamics are not a great concern to the Spirit World.

Good afternoon dear brother. I am pleased that you are open to the possibility of a new writer each day as this is an indication of your openness. So, today as you already know it is a familiar old friend as I am Richard once more.

Agnes has enjoyed writing with you and she will return as she has much to offer and is glad to do so. She noticed our activity and approached us and we are very pleased to have her contributions. I have told you that many of us will write with you and we don't yet know how many of these will be so there are surprises for us as well. You have expressed a desire to speak with the Master Jesus and He is aware of this and will speak at the right time in the near future. So that is a pleasure in store for all of us as all of us enjoy his company and his teaching. You may consider that we will have heard it all before but there is a quality in his teaching that goes well beyond what he might say as it includes the whole of himself and his presence is wonderful to experience. I have told you before that in what we say to you there are elements that are not necessarily immediately apparent on the surface. This is so to an even greater degree in all that Jesus says.

The presence of what might almost be considered to be subliminal messages in what we write explains what might appear to be the exhaustive and perhaps unnecessary repetition of messages. As you read you may think that you have heard all of this before and maybe you have but perhaps have not yet really felt the message within the message. Please be patient and be not too hasty to judge what you see written. There are often quite strong reasons for this particular writing. If you have really felt the inner message you may be happy to read it again without any contrary feeling. Patience, acceptance and humility are the orders of every day. The process of embodying Divine Love is gradual and comes from inner to outer. For all there are elements of this experience which are completely new and which need to be felt, allowed and accepted.

There will be many who communicate and all will have much to offer. There are always limits as to how much you can conceive of what is said as our personal state and our place and way of living is so different to your own. This is not such a great barrier. Your function is to find as much harmony in your life situation as is possible and ours is to find ways to interact with you and your situation. Finding your own harmony necessarily involves doing whatever you need to do to improve your soul condition and to foster the development of your soul potential. This is what everyone on Earth needs to

do in order to find harmony. Remember always that all of us have lived on Earth at some time and now have a much deeper understanding of life overall including that time on Earth. In the light of the totality of your life especially when you consider Immortality to be real for you, your Earth experience is very brief but very important in respect of the potential for development that exists for everyone in this time. This time is necessarily intense but potentially extremely productive.

When you speak of **dark spirits** you are speaking of those who have largely failed to realise the importance of their Earth life and the effects of the ways in which they have chosen to live. They come to the Spirit World with large burdens of what can be called debts to settle. Perhaps the greatest of these debts arises from their refusal to accept responsibility for all that they have done on Earth. Virtually all of what are regarded as evil acts can only really be done by those who feel little or no responsibility for what they do.

There is a deep and little known or understood consequence of failure to take personal responsibility for all that one does. When one does take responsibility for an action, this leads to the completion or fulfilment of the deed whatever it may be. If the deed is what could be called 'good' or truly desirable the fulfilment that comes is a feeling of satisfaction and a degree of deep freedom. This can be regarded as satisfaction which is a state of spirit.

If the deed is one that produces harm of any sort to self or to others, the acceptance of personal responsibility immediately opens one to the feelings of lack of fulfilment and the need to make some form of recompense. If one then acts on this felt need, then one can proceed to fulfilment and satisfaction. The recompense called for will of course vary greatly depending on the deed and its effects. There are many possibilities in this and the acceptance of responsibility may be delayed for shorter or longer periods and this alters the form of recompense that is needed or possible.

Whenever there is failure to take responsibility for an action either partially or in full, the person is left with deep feelings of dissatisfaction and discontent. This is quite contrary to the satisfaction that many claim follows an act of revenge or retribution. The deep truth is that there is no satisfaction at all so that the discontent continues and tends to fester. Now this is a very common way of acting in human life as there are very few indeed who do act with a constant sense of personal responsibility. Therefore there is a well of dissatisfaction existing in humanity and this is felt much more deeply by those who remain completely obdurate in their refusal to countenance taking responsibility. The effects vary greatly depending on the level of harm resulting from the actions of any person. There are many who consider that they are living worthy lives who are actually incurring levels of debt that greatly surprise them when they inevitably discover this.

Dissatisfaction drives behaviours so that one who feels this strongly often feels driven to do the same type of acts repeatedly in the hope that they will eventually find what it is that they seek.

Those whom you regard as dark spirits are those who pass with burdens that are sometimes unimaginably large. They have very deep sense of dissatisfaction and needs which they cannot satisfy in their new location which is quite harmonious with their soul condition. The only thing which will save them and allow them to progress from here is the beginning of accepting responsibility for all that they have done. They are exposed to the full measure of their dissatisfaction and this is often unbearably difficult. They often attempt to deal with this by denial of where they are and how they got there and focus their attention on the Earth life they have left with feelings of having been cheated and

denied fair treatment. There is still a sense that they could be free if only they had been able to really complete what they believed or hoped would give them freedom on Earth.

They are now bound by the **Law of Non Interference** which prevents them from actually harming any other spirit or any human. They actually cannot incur any further debt once they have passed into spirit. Imagine the frustration of one whose whole life has been dedicated to harming others or to self-indulgence with no concern for anyone else. They will often seek association with humans who are living in similar ways to their own lives believing that they may find some salvation there by influencing these people to act in ways of which they approve and which perhaps gave them a fleeting sense of satisfaction while on Earth. Their level of influence is restricted to attempting to attract the attention or thoughts of their chosen target. In this they do not have great power at all as they are very restricted by their poor soul condition.

Any power they have depends solely on the level of receptivity of the target person. This person may be easily influenced as in the case of one who is influenced by his worldly associates to undertake some undesirable activity – ‘the one who falls in with the wrong company’. If the target person acts on the ‘suggestions’ they are offered, they are fully responsible for all that results from this. The spirit bears none of the responsibility but they also derive no satisfaction at all from their actions and so their frustration increases without their having been benefited in any way. In human life, however, the person who encourages such action by another does take responsibility and the other person does as well. There is no way of avoiding taking responsibility for one’s actions eventually but some do take a very, very long time to do this. This is really so sad as the relief and ease that one feels is enormous as soon as there is even the first step towards responsibility. Absolutely everyone has the potential to take this step regardless of the depth of their depravity on Earth. There are many here who attest to this truth.

This may seem to be a strange situation in that one could assume that the spirit is responsible to at least some degree. However, it is essential to realise the absolute nature of personal responsibility is in human life. Every person is totally responsible for their actions however they were led to them and despite whatever they might consider to be extenuating circumstances. This is very black and white and that is why it is necessary for all to consider their own actions. There is a deep complexity to this though. Virtually no person has a full awareness of the ramifications of anything they do. The good or the evil that results from an action may be far more or far less than expected or anticipated. The full measure of the good or the evil will be known is the final assessment. (I use evil here as a generic term to cover the undesirable results without implying any depth of the effect.)

Without attempting to delve further into the above statement I will say that the only rule to follow is that every person who is living a human life is fully responsible for every action that she/he takes regardless of whether they consider this just or not. Responsibility is not about justice or injustice it is simply about responsibility – no more and no less. There is an absolute equality in this that can only be truly realised and accepted when one has the awareness and acceptance of the continuance of existence beyond the physical with the ongoing possibility of progression. This progression involves the certainty of the Law of Compensation and the way in which it firmly, gently and inexorably exposes one to the Truth and Reality of life.

Having said the above, there are extenuating circumstances at times that do qualify and modify the issue of responsibility. There is the Law of Mercy the action of which recognises these situations when they occur and the effect of this law is brought to bear on the application of the Law of Compensation. You

may rest assured that each person carries the responsibility for her/his own actions only and never for the actions of another.

This applies when the person's actions result from the whispering of a dark spirit. The powers of these spirits are actually very slight and only have effect when they bear upon a desire that already exists in the mind of the person affected. It is the existence of such desires that draw them into association with any person. The person who has the desire is fully responsible for this desire whether they are aware of it or not so their responsibility has begun before any spirit enters into the equation. It is often easier for dark spirits to influence those whose dark desires are strong and in an inflamed state so that they are on the verge of acting.

Some dark spirits are very determined in their futile pursuit of satisfaction in their association with the physical world. An aspect of this is their failure to take responsibility for their current state of spirit existence. When you consider this you can see that the consistent pursuit of a fruitless exercise must make one wonder in time what one is doing. Even these spirits in their determination can and do come to the realisation of the futility of what they are doing.

One or a number of dark spirits may form what seems like a strong association with a person who welcomes their attention and the association. Such a person may seem to be blissfully unaware of this association but it can only exist because they have permitted it at some level. Many people on Earth strongly avoid awareness as a way of avoiding responsibility but this doesn't work. The association of spirits may provide a welcome feeling for some so that allows it to continue. I am not making statements about the rights or wrongs of such attitudes and ways of living. People decide to live in this way for a multitude of reasons none of which abrogate their responsibility. Remember always that the Law of Compensation is a law that actually provides everyone with the ability to make recompense and compensation for every act of irresponsibility they make. It is not a law of punishment but a law of redemption. There is a huge difference. Punishment is effectively an extension of the crime for which it is administered. The provision of a facility for redemption is an act of great love that allows the full recovery of an individual into a state of love.

The laws of God are universally applied equally to all with no favour or judgment and with the full measure of mercy where this is warranted.

No spirit can enter the physical body of a person or displace the spirit body or soul of another. No spirit can take possession of another even though their influences that are accepted and acted upon by a person may give the appearance that this is so.

Dark spirits are not bound to the Earth even though that may be where they direct a large part of their attention in order to avoid taking responsibility for their situation. Many seem to be quite lost as a result of their dark state and from their deep level of ignorance of life and living. The level of ignorance of so many souls is profound and it often takes a very long time to find a way through this to ignite a spark within. Many souls are in great darkness as a result of ignorance alone and not from evil acts. It is important not to judge a dark spirit as you may have no idea what underlies their present state of darkness.

In considering the situation of any human who is behaving irresponsibly or who may appear to be severely affected by spirits it is important always to stand clear of judgment. This is, of course, a

general rule in the consideration of the state and situation of any other person and of oneself. The only approach is to gently and firmly to assist a person in the direction of recognising the responsibility that exists for everyone. I don't suggest that this is always easy. Of course this begins at home with our approach to ourselves. Whenever any person feels or thinks that their own responsibility is diminished by the actions of another, it is important to think again. In doing this it is vital to remember God's approach to this situation. What is this? It is to allow the chance for redemption and compensatory behaviour. One doesn't have to die to have such a chance. The possibility always exists.

Much of what is blamed on spirits, evil or otherwise, arises out of fear that exists in humanity. The fear is there and many are controlled by their beliefs in the fears that are made to appear so real. That there is fear and that people in all good faith allow themselves to be directed by this fear in no way absolves them from their responsibility for the actions that they take. I don't want to make this sound harsh or punitive but I do want to point out that no person at any time in any situation can avoid responsibility for their actions. There is total equality in this and it is founded in Truth.

Many take a long time in the spheres to come to the acceptance and the overall equality of this situation. As I said before, the realisation and acceptance of personal responsibility is the greatest single step in progress in life whether on Earth or in the Spirit World. Accepting full responsibility for every action that one takes is a true expression of the natural love that we all have in endless quantities.

There is a great deal to learn about responsibility as there are depths within depths and every step is a lesson in love.

Enough for the moment my very dear friend. We have written well as we dip into our bottomless well to attempt to quench the thirst of so many.

I leave you with my love and the love of all of us.

41 Spirit Influence

12 December 2013

Good afternoon dear friends. We have had a lot of talks with others and between ourselves lately on the issue of the influence of dark spirits on human activity. We have read of the Law of Non Interference and of the spirits not incurring further compensation but also feel that the dark spirits must be able to communicate with us particularly if a person has a lot of fear or entertains a lot of dark thoughts and feelings. It seems logical that they are able to influence those who allow or welcome this. There is also a lot spoken of the alleged influence by dark spirits on the activity of many organisations on Earth that seem to act selfishly against the best interests of humanity.

I must say that I am confused and feel that, as with so many things, this is a subject about which we know very little as yet. Can you clarify this for us?

Good afternoon dear brother. I am aware of your confusion on this matter and this is understandable. I have spoken about this before with you and do accept that you are still unclear.

These spirits with very little soul development are well called 'dark' as they have little or no spiritual light in their souls. Their appearance reflects their soul condition and they may appear to be grossly deformed and very unpleasant to look at. They are as committed to their evil behaviour in the world of spirit as they were on Earth. However they don't have the wherewithal to work their desires. They have no access to any of the drugs or weapons that they may have used on Earth and they are unable to actually harm anyone either in spirit or on Earth. Individually they have very little power at all. Spirits can, on occasion, influence physical objects on Earth and this requires a lot of determination and a capacity to focus intently. Such activity happens much less frequently than is thought.

Yes, dark spirits can speak to those on Earth and many less developed spirits are probably the most frequent visitors to mediums. Many of these seek such contact as they feel a strong connection with and a draw to the Earth and the people. The darker they are the more likely it is that they be drawn to dark or evil activities on Earth. The groups on Earth that are engaged in such activities are easily perceived from the Spirit World as they are surrounded by darkness that is more intense than the surrounding lack of light. In a similar fashion, those involved in spiritual activity either as groups or individuals are seen by virtue of the light of spirit that surrounds them.

When spirits are drawn to an individual or group they may be there in large numbers and there is no doubt that they desire and attempt to influence the thoughts and actions of those to whom they are attracted. That they may be there in large numbers can give the impression that they are directing the activity that is occurring when this may be much more apparent than real. They will find a degree of harmony with the activity that is occurring and their added energy may contribute to the darkness and influence the members of the group. They are drawn to such activity and persons because they live in an environment which seems to be quite evil and which is very dark but in which they are actually unable to satisfy their own evil desires. As you can imagine this is extremely frustrating for one whose whole life has been dedicated to evil activity.

Let me assure that humans who desire to act evilly don't require the assistance of dark spirits to reach the depths of depravity. They do this very well indeed of their own volition and are totally and completely responsible for everything that they do or imagine that they desire to do. Many find it difficult to accept this as they seek to find extenuating circumstances to explain or mitigate the activities of a person whom they believe 'would never do such an evil act'.

Human beings have a capacity for acting with depravity and of modifying their own attitudes to this and memories of the event so that it may seem to them that it was as though someone else had acted or made them act in that way. Personal responsibility is poorly understood on Earth as responsibility is confused with concepts of blame. There is a world of difference between the two. It can take a long time to come to understand and accept the difference. This acceptance comes as each one learns to be responsible for all of their actions and thoughts.

Spirits who appear to be controlling or over cloaking a person gain any power they appear to have from the degree to which the person who has attracted those spirits abandons whatever vestiges of personal responsibility they have. They may then be acting out the thoughts and desires of the attaching spirits with no sense at all of responsibility or personal direction. This may occur to the degree that they actually have no conscious memory of what has been done. They may appear to have a number of different personalities. Despite this appearance of having many personalities, when they make the transition to the Spirit World what comes across is the central personality of that person with all of its sense of irresponsibility and all of the memories of and responsibility for all of the actions of all of the apparent other personalities.

Now many then consider that there is unfairness in this as the person who was influenced is totally responsible for what they were 'made to do'. This is where confusion arises. They were not made to do anything that they did not agree to do at some level. Their own irresponsibility is theirs and they can never escape this by hiding behind evasion.

A major issue for most of you is that you have little or no awareness of the creative capacity of a human mind. The spirit mind that you have now is the mind that you bring here and which you will carry all of your days. The power of it exists even when you are not aware of it. It is as if the bulk of humanity has a dread fear of discovering just what power they have. We understand this as we have come from the same mould and have lived the same experiences. When we speak of awareness we speak of awareness of everything that comprises a being whether incarnate or in spirit. There is much less difference between us than is apparent.

Humanity lives with a plague of fear that prevents the perception of the bulk of Truth. Many of you are seeking the Truth of life in spirit as though that will teach who you are and how to live on Earth. What we want to show you is the Truth of yourselves and how to live on Earth! You can only ever be yourself. You look to us and see wonderful beings who are full of light and wisdom without really recognising that you are looking at yourselves at some time in your own future and without recognising that all that you see is available to you today. Open your eyes and your minds!

There is a dreadful tendency to give power to what is less than you and what appears greater than you without taking into your hands the wonderful power that is there right now.

A dark spirit can only ever have what power a human appears to give that spirit and even then it has no power at all. The power is still that of the human who refuses to take responsibility for it. Look at what those who espouse evil on Earth are able to achieve with the material things and people that they manipulate. Look at what those people are able to achieve who take responsibility for themselves and their actions and act in responsible and humane ways. Then look at what the great majority who ride waves of mediocrity and lack lustre desire achieve. The lessons to be learned here are so obvious to all that one must be blind not to see them. Dedication whether it be to negative or positive activity bears fruit.

The dark spirits don't incur any further compensation because they actually have not done anything. It will take you some time to come to terms with this as it is a concept that stands clear of blame and stands fully on a foundation of responsibility. They like to imagine that they have wreaked havoc on Earth and have done great deeds of evil whereas they have simply been attracted to the evil that is being enacted on Earth. **Humans have free will and spirits do not.** Spirits are drawn irresistibly to where they are attracted. In themselves they have no attractive force but actually must live and act in environments of the same vibrational level as themselves. They don't draw, they are drawn.

There is much to learn about the Law of Attraction. We will speak of it often and reveal more of its actions as the occasion arises. You will only understand the ramifications of it as your own awareness and perception increases. For the most part, your perception is trapped in the material elements of the obstructed world in which you live. The truth of attraction and action lies much more in what you can't see than in what you can. This is why our desire is to continue to provide assistance to help you to see a little more and to accept that there is so much more to reality than you currently know.

If you are touched by what I say, then look to the issues in your life right now and wonder where you may be abrogating your personal responsibility. Remember that I speak of responsibility and not of blame. You are not to blame for the actions of others or for the effects of the actions of others or yourself. You are however responsible for every one of your own actions and reactions. This needs acceptance and not punishment.

When you think of wanting the dark spirits to be responsible and held to account for what they appear to have done this is a projection of your thoughts of blame and a reflection of your own desire to avoid responsibility. As you react to what I have said take time to consider deeply the truth of it without any sense of blame of yourself. Your present attitudes to and beliefs about living are simple your present attitudes and beliefs and subject to change as you learn and grow. You are as growing children and need to truly acknowledge this without demanding that you immediately change. Everything about you simply represents your present position on your path of growth and is, therefore, the stepping off point for the following stages. If you condemn yourself you make the next step more difficult. If you accept your situation you free yourself to leap ahead rather than to crawl with your eyes directed backwards.

I will repeat that the point of all of this discussion is that the evil dark spirits may well be that and may have the desire to act evilly but have no capacity to do so because of their weakness. They can do little other than posture and follow and not to lead.

There are many humans who do what are seen as evil acts which arise out of what might actually be momentary but complete lapses of responsibility. There are others who appear less evil but live lives of irresponsibility but seem to be 'not too bad'. There are yet others who abandon themselves to the

attractions of the dark actions and revel in the experience. There are all degrees of balance of responsibility and irresponsibility in human living. It is only on Earth that evil actually occurs and the responsibility for this cannot be directed away from the Earth.

Humans have free will and they also bear the total responsibility for the way in which they use this. It is a wonderful learning tool and like all tools has the potential to be grossly misused. When one does attract dark spirits, their presence intensifies the aura of darkness that surrounds the person. In such situations it is nigh on impossible for guides to contact the person with any positive direction. A person could then be said to be cloaked in darkness with spirits closely associated with him/her. If you look, it is not difficult to see many such people in the streets of your cities.

All that we offer to you in information and guidance will focus on personal responsibility and will never provide avenues of escape from this as it is not possible to do so. Each one is completely responsible for all that they do in their life. We have all faced this and dealt with it. In such a situation it is not expected that an individual will never 'stray from the path' and never make a mistake. It is assumed that everyone will make mistakes. This doesn't lead to condemnation of any kind. How one deals with the mistakes that are made is important. Every issue of life has to be faced in full and none are swept under the carpet. Most people, with all the mistakes that they have made in the course of their lives, are not facing anything like the mountain of issues that they might fear they have to deal with. Whereas everything must be faced this is not necessarily as daunting as might be anticipated. Remember that responsibility is not blame and compensation is not punishment. The Law of Compensation is exacting and totally fair in that all are treated equally. It is never destructive. Life on Earth may not appear to be fair and the equality of people is not easily apparent but in spirit the equality is plain for all to experience.

In saying all of this, I am making unequivocal statements and mean to do so. The Law of Non Interference, like all of the Spirit Laws is universal. From the perspective of life on Earth in the obstructed environment the action of these laws is not so apparent as it is in the Spirit World. Here their action is as apparent and as inescapable as the Law of Gravity is on Earth. It is only incarnate beings who can directly harm others and impede their spiritual progress. Doing so always incurs the actions of the Law of Compensation. Being told about these laws and the ways that they act can never give you the full impression of them that leads to understanding. It is only when one experiences their effects without any obstruction and hindrance that their true nature is undeniably apparent. Until then you will attempt to make sense of them and be unable to do so completely.

We will repeatedly tell you that your comprehension and understanding of what we say about most things that exceed your present experience is very limited indeed. It is important that you practise accepting that what we say exists and operates in your life and that your present understanding of it is incomplete as yet. This is essential for your progress. You will always progress from ignorance to understanding and knowledge. Understanding is always quite limited as you will attempt to make sense of all that you are told in the light of your past experience. If what we are telling you is beyond your experience then it goes without saying that you will be unable to make complete sense of it. This is simply a fact and there is no point in fighting against it.

Acceptance of ignorance is not shameful, it is honesty and humility. If you pretend otherwise you are deluding yourself and any others who choose to believe you and what you say.

If anything that you hear encourages shifting responsibility away from yourself, question it immediately for it is lacking in truth. There is no escaping the truth and inevitability of personal responsibility.

Every one of you has far more power and creative potential than you ever imagine. Whatever power you perceive us to have is no more than we had when we lived on Earth. We have simply learned to clear the barriers to our recognition and use of our potential. In denying your own personal power, you create situations where you refuse to believe that you or someone else could have created the situation that exists whether it be glorious or unmitigated disaster. It takes power and creativity to do either.

That you have not yet recognised something does nothing to deny its existence. You have so many examples in the world of today of things that were unknown or not even imagined not long ago that are now every day. Extrapolate this to things spiritual and realise that each of you is a spiritual pioneer and explorer and fit to discover the unknown that will become the ordinarily accepted knowledge of tomorrow.

I am Andrew and I know that you feel my love in my directness. This is my personality. I believe in being direct and stating the black and white to be just that. There are no shades of grey in the operation of the Laws of God.

I leave you with these words and my love and blessings and the blessings of all of us.

Andrew, Celestial Teacher

LIVE FEELINGS FIRST

SELF CENTRED ACTIONS and AGGRESSION HAS CONSEQUENCES:

Any action that causes harm to one's self, or to another, degrades your soul condition. Your soul being your real self.

We may have a big powerful physical body, but our real strength is the condition of our soul. Should we assert our unloving nature and desires, then our soul's radiance and energy is progressively degraded. This can extend to the point where our soul's radiance is nothing more than that of a dried up darkened garden pea.

Our soul condition is reflected through our spirit body for all to see. Upon entering the spirit world, into the 1st sphere, a healthy loving soul will be reflecting out through a spirit body the same size as that of the physical body whose personality has now separated from that body.

A degraded soul results in a significant diminishment of the size of the spirit body. The poorer the condition the smaller the spirit body – significantly smaller. Further, there is little to no radiance, therefore, little to no light. There is greatly diminished capability in all aspects of spirit life and a great loss of the capability to move about.

In this condition, one is isolated into a very lonely dark environment to begin the long process of recovery and development of love for one's self and for all those around them.

One is always being loved, and help is always available, one just has to learn to accept this offer of love.

One can always recover and grow in love from what ever condition they may find themselves in.

Our FEELINGS are our SUPREME GUIDES:

Feelings!

Feelings are what guide us through our ascension of truth. So they are really our Supreme Guides. Many people look for a person, spirit, angel, even God, for supreme guidance, however it's all right there already built in – in our feelings. **We just have to submit to them, allowing them to take us where they will, expressing all the parts we want to express, letting the emotion drive that expression if it's there to be expressed, or just talking about all we feel and how feeling that feeling is making us feel – or, how we feel about having that feeling, all whilst longing for the truth of our feelings. Longing for the truth of our feelings is really: Longing for the truth of our self, because: we are our feelings. So life stirs up our feelings, we feel being alive; or, being alive means we are feeling, always feeling; and when we work out what and why we are feeling what we are, so then we know the truth of how we are. And over time the truth accumulates, and our mind expands our understanding of ourselves, all being driven from our feelings.**

Kevin 26 Sep 2017

Using our feelings to uncover the whole truth of our negative or anti truth and anti love state.

Kevin: **So whilst we're of an untrue state, then all we have got to help us understand why we feel bad, why we are wrong, why we are negative and anti love and truth, is our feelings. So if we focus on our bad feelings, they will lead us to the truth of why we're feeling bad. Which will be the truth of what happened to us to make us be this wrong way, and how we took on the wrong way and keep it going making us feel bad.**

FEELING HEALING

Note: The vital difference between emotion and feeling is that emotions have their roots in the past, and feelings relate to the present moment. Emotions represent our feelings which were not previously expressed, and these accumulate with time.

Note: **Our feelings are soul-based. Our soul is always in truth. It is our soul based feelings, that when allowed to be freely recognised, we will begin to express and be who we are. This takes time and perseverance as we have encrusted our souls with layers upon layers of errors and false beliefs, it is these layers that will confuse the truth that our soul is conveying to us. Only by our progression with our Feeling Healing will our soul's expression of truth become clear and free of all cloudiness and contamination.**

“What our soul needs in accordance with our own, individual, **Soul-Light-Plan-Of-Destiny** (your life's true destiny plan), They, being our Mother and Father, will give you as required. The only way we can know truly what we need is to honour and follow our true feelings. They, springing from our soul, literally telling us what we need, and so when we genuinely feel we need something, we apply our will to get it. The hard part is knowing if our feelings are true, and until we have done our whole soul-healing, they won't be clear and total true.” James – Introduction Course to Divine Love Spirituality

The CHOICE is OURS to MAKE:

Celestial Truth:

Truly all-loving;
 Living true to oneself;
 Mind supporting Feelings;
 Living with the Divine Love;
 Fully Healed of the Rebellion and Default.

THE FEELING WAY

Feeling – Ascendance
 Unlimited progression

- Living true to your untruth;
- Honouring all your bad feelings;
- Expressing feelings to uncover their truth;
- Healing the Rebellion and Default within yourself;
- Feeling unloved; being unloving;
- Feeling as bad as you can feel;
- Feeling like you are no one special;
- Longing for the Divine Love.

THE MIND WAY

Mind – Transcendence
 Limited progression

- Enlightenment, Nirvana, feeling all-loving;
- All false, mind-contrived. Anti-truth, anti-love;
- Still evolving the Rebellion and Default within yourself;
- Feeling and believing you are the Superior One;
- Living with your mind in control of your feelings;
- Living rejecting all your bad feelings;
- Living with your mind contriving you feel loved;
- Rejecting the Divine Love.

All religions, New Age, agnostic,
 atheists, no spiritual interest,
 Living the Rebellion and Default.

Hell:
 Exploiting the Rebellion and Default.

The Feelings are the doer; the Mind the teller. So we are to go with our feelings, which we can't be told to do with our mind. So the longing for the Divine Love, doing our Healing by expressing our feelings and longing for their truth, are all feelings and doing it with longing. Whereas the mind just wants to tell us what to do and how to be, no feelings in it, all how our parents have treated us.

FEELING HEALING + SOUL HEALING

To heal one's self is to simply look to see what feelings we are refusing to let ourself feel, and accept them instead of denying them. And to fully accept them, one needs to express them, speak about them, let them have their say, rather than pushing them aside, refusing to let them make you feel bad.

Doing this all with the intention of seeking the truth of why you are feeling them, of speaking about and expressing all such feelings; all feelings you have, but ALL WITH the INTENTION of UNCOVERING the TRUTH THEY WANT YOU TO SEE ABOUT YOURSELF. And it's the wanting to see the truth of them that is very important, because if you just look to accept them and speak and express them, but not seek their truth, then that's all you'll be doing, speaking and expressing them, but not healing their causes, so not fixing the things within you that are making you feel bad. And it's the truth part of it, seeking the truth of your feelings, and so, seeking the truth through your feelings, that's vitally important. It's the truth of yourself, life, nature and God, that is the spiritual aspect to it all.

You CAN'T find the truth of yourself, or anything else, through and with only your mind. You HAVE to engage and look to your feelings. And so if you choose to allow your feelings to 'Show You the Way', then the truth will come as you express them. So to do our Soul-Healing consists of these steps, all of which are ongoing until it's done:

- **Admit you are feeling bad.**
- **Accept your bad feelings, identify what they are.**
- **Honour fully your bad feelings by expressing them, speaking about them to someone who is willing to hear you talk about them, or tell them out loud to our Heavenly Parents. Long for the truth of them. Long for the truth of why you feel bad – what deep within you is causing your bad feelings?**
- **And remember, bad feelings are Good! Not bad. They are not to be despised. And as hard as it is to accept them, they are still you, and a very real part of you. And if you persist in denying them and not allowing yourself to fully live them, then you are only going to keep yourself in your errors making things harder for yourself.**
- **All sickness and suffering, all bad things that happen to you, all your problems, all your addictions – your whole feeling-denying and untrue life, is all caused by your denial of bad feelings.**
- **Every problem in the world is brought about because everyone has been brought up to deny feelings, and in particular, most of their bad ones.**

If one is intent on spiritually evolving and growing in truth, then it's vital, and this is the key, that one looks to use one's feelings as the means to gain and have access to the truth of oneself. You CAN'T find the truth of yourself or anything else through and with only your mind. You HAVE to engage and look to your feelings. And so if you choose to allow your feelings to 'Show You the Way', then the truth will come as you express them.

Doing your Soul-Healing with the Divine Love, is really doing your 'Feeling-Healing'. We are designed — created — to be self-revealing of truth, and so we are all to uncover the truth within ourselves and for ourselves, and all being done by living true to our feelings. **If you accept, express and seek the truth of your feelings, then truth will come to you, and you'll grow spiritually. It's as easy as that. Also it is as easy as it is to long for, ask for and receive Divine Love.**

THE HEALING OF YOUR BAD FEELINGS THROUGH THEIR ACCEPTANCE
AND FINDING THE TRUTH OF THEM, IS THE ACCEPTANCE OF YOUR
NEGATIVE, REBELLIOUS, EVIL, IMPERFECT MIND AND WILL CONDITION.

To do our feeling-healing we need to become:

Aware of – Acknowledge – and Admit, our bad feelings.

So we can:

Accept – them and allow ourselves to Be them.

And then if we feel to, take:

Action – Express, speak and emote them.

Talk about them.

All being done whilst longing to, really wanting to, see the TRUTH of our feelings.

So it sounds simple.

So I repeat:

We accept our bad feelings by expressing – speaking about them to someone willing to listen to us and take us seriously. And as we speak we long for the truth of them – why we are feeling them – to be made known to us. And when we uncover and see the truth we are FREE! – healed of the causes that have made us feel bad.

Accept, Express – see the Truth, and you're Free!

ACCEPTANCE OF ALL YOU FEEL, THINK AND ARE, IS THE KEY TO DOING
YOUR HEALING; THAT, AND WANTING TO SEE THE TRUTH OF ALL YOU
FEEL, THINK AND ARE.

Release one's pain through expressing one's feelings.

in conjunction with

Longing for the Truth when also longing for Divine Love.

 Learn to live with God through your Feelings

Accept, express and long for the truth of your feelings

Be free in your feelings
 Free your feelings from your mind's control
 Live true to your feelings; your feelings are your true self
 Live true to yourself through your feelings

Live true to yourself by living true to your feelings.
 Long for the truth of your feelings.

Accept / Express / Bring out ALL of your good, and most importantly,
 BAD feelings.
 Want to understand why you're feeling them.
 Use your surface feelings to take you deeper into your repressed and
 hidden feelings.

The Feeling Way is the True Way.
 Your feelings are your spiritual guide.
 Your feelings will take you to God.

Your feelings will show you the truth of your relationships, including your relationship with God; and if anything is wrong, untrue and unloving, then why it is.

Our feelings are sacrosanct and we should respect them accordingly. And we should NEVER block them out, ignore, override, banish, deny or reject them, because if we do, we're only doing that to ourselves, as Our Feelings Are Our Self.

Our feelings are the gateway to our soul. Our feelings are the closest we can get to our soul. Knowing the truth of our feelings is knowing the truth of our soul, and knowing the truth of God.

Feelings First Spirituality is the True path for humanity.

It embraces all people.

It completely unifies the world.

Everyone can relate to everyone else through their feelings.

And we can all live the truth that comes from our feelings, all sharing the same truths as we express and have the same feelings.

No one need be left out; no one is more special than anyone else – we are all united in Truth through our feelings.

So with and through our truth we live our lives, therefore without the need of any man-made mind-laws, rules and restrictions that limit self-expression as inspired by our feelings.

The New Way, Feelings First Spirituality is what is to replace all man-made, mind-contrived religions that so many people have enslaved themselves to. The New Way, Feelings First Spirituality will set us free of all that control, ending the Rebellion and Default within ourselves as we do our Feeling-Healing, and ending such control and spiritual stagnation in the world.

Bring on the End Times – get it over and done with! Let's all see that Jesus is not going to come again, that Prophecy has failed all the mind-controlled platforms. Allow such false systems of belief to die their long-awaited natural death, they've overstayed their welcome, it's now time they fade away. So let us show such antiquated, erroneous systems of belief the exit and bring on the fresh liberation of discovering the truth of how we are to live for ourselves, each of us personally in our lives, and all by looking to our own feelings for it. Self-revelation through our feelings is the way to go.

The Way of the Mind is ending, and is really the End Times – the End of our mind control, and **it's about time!** With the Way of our Feelings replacing it.

The End Times means the end and therefore a New Beginning. And that new beginning is a whole new Spiritual Age – an age based on self-revelation of truth through one's feelings, coupled with and supported by higher revelations from the Celestial spirits, angels and nature spirits.

The Feelings First Spirituality is the True Way to God because it helps you get to know God, helping you to reach out, connect and be personal with God, and do God's Will, all through your feelings. It is the only true way of getting to know the God of Feelings – our beloved Heavenly Mother and Father, the Great Soul of Divine Love.

Love comes through our feelings and not our mind, as we've all been wrongly led to believe.

Feelings First; then comes The Truth; then comes Love.

LOVE is the Religion of Feelings, being:

REVELATIONS

Revelation 1: Our soul becomes encrusted with harmful ways of life, plus negative and erroneous beliefs, these mainly stem from our childhood upbringing and environment. Thus we live untrue to ourselves, we become 'evil'. Whilst we hold to these injuries we limit the amount of Love that we can receive into our soul. To open our soul to the Love we must firstly and progressively feel into our emotional injuries and allow them to be released. Until we emotionally experience past errors and injuries we hold onto them.

To free our soul of damage and toxic emotions we must open ourselves to experiencing them. This is a progressive, slow and uncomfortable cleansing process that we must all experience. Only by addressing the generational injuries will we, as humanity, evolve in love.

To fully divest one's self of our badness, we have to 'go into' our feelings. Call this process of clearing toxic emotions as 'Letting Go', 'Emotional Processing', 'Journey Process' or 'Feeling Healing'. Embracing Divine Love then Feeling Healing becomes Soul Healing.

As part of our Feeling-Healing we will have to work our way into all our feelings to see if indeed they are coming truly from our heart and soul, or if they are being heavily influenced by our mind. And this will then lead us into questioning and uncovering the truth, if there is any, to our beliefs and why we behave the way we do; and is such behaviour based on truth, or is it based once again on untruth, belief, and rules of our mind.

Revelation 2: We can long for, ask for and receive the Mother and Father's Divine Love. The greater our soul is free of error and injury, the more of the Divine Love can be received and assimilated into our natural love formed soul. The Love does not free us of injury, however, it strengthens our resolve to continue on our journey to be free of error and injury, to step away from evil aspects that have been encapsulated within our humanness and soul. It is this Love, the Divine Love, that brings about immortality of our soul and it is this Love that will eventually fit us to enter the Celestial Heavens and progress for ever more onwards to Paradise. These two revelations free us from error and enable us to grow in love ever more.

Immortality with the Love.

REVELATION 1
James Padgett 1914 – 1923

James Padgett bravely introduced the availability of the Mother and Father’s Divine Love and a great deal of additional guidance and information, all of which has been supplemented by Samuels, Judas, Reid and Arnold. All writers were under restrictions of personality and circumstances. Revelation 1 opened the door for humanity.

Quantum Jump 2

REVELATION 2
Marion and James Moncrief 2002
– ongoing

Marion and James Moncrief have recognised the need for one to engage in Feeling Healing and, by their actions, removed restrictions that James Padgett and others above endured, thus JM is able to critique the writings of the past 100 years resolving points of confusion as well as expand on what has been written. Revelation 2 is humanity’s turning point.

Due to the extra-ordinary nature of Revelations 1 and 2, humanity with the first Revelation would have continued on into its negative pathway of living, however, combining the first Revelation with Revelation two, now humanity can embrace this turning point and commence its evolutionary growth that has required two thousand years to put in place. This is the greatest event in the history of humanity and very few are aware of such, until we enable others to become aware.

Negative Mind Spirits are Blocked:

Helen, I'm too tired tonight to go into too much, however, how did it go today for you all?

It's done James. We did what we wanted to do, it was easy to implement and I'll tell you about when you are ready.

Thursday, 23 March 2017

JM: Hello Helen, I'm still tired, though not as bad as yesterday. I don't expect you to say anything to me when we write, I don't believe it will happen as I have no real interest in what you tell Crystal, as it's not really spiritual stuff that's come up for me that I want to ask you Celestials about, however I do enjoy it as an exercise of letting go more and seeing what happens without trying to control anything.

Helen, 3rd Celestial Heaven: All so long as you keep expressing your negative expectations James, then I can keep talking with you as such. And you don't need to know about the intricacies of what's going on, Crystal can decipher my information to her from you as it all helps her gain a feeling for what she is doing. And so I will say to her now: Keep going with our Feelings Crystal, your feelings will lead you more now as things are going to start happening toward final resolution.

Yes, we have instigated our control, we're still asserting it, it's a vast plan affecting the whole of humanity, your money being only a small part in it; nevertheless still very important for those of us over here who've been working with you every step of the way.

We are continuing to 'roll out' our blocking control on the mind spirits, and it is a joy to finally have such power and to see the almost instant results, which unfortunately you can't see from your side, but for us it's obvious and so more progress toward real change.

Friday, 24 March 2017

Helen, Samantha said she was interested in how you Celestials are working to block the mind spirits, and will she be able to see anything resulting from what you are doing? Is there, please, anything else you can add that I can send to her?

Yes James, I will add more as it's very relevant to all you are going through and what will concern you for the remainder of your life.

The Rebellion and Default have been evolving as you understand through Jesus and Mary's age, with as you would imagine, it having to get, at some time, to a point of final evolution. And that point is when the negative or destructive influences driving it, stop influencing it. And all the way along, the Rebellion and Default has been driven by spirits, the Evil Ones down to mortal mind spirits, with everyone wanting to have their way and say instead of **looking to their feelings so as to live true to their soul and so God's way and say**. So all these spirit influences have been taking matters into their hands and then affecting humanity on Earth in one way or another.

And what we've been able to do, and are still 'rolling out', as I said yesterday, is ending that spirit influence, which means, **it's the END of the Rebellion and Default, meaning, it can't evolve any further because there won't be the driving spirit influences.** So all it can do is 'spin its wheels', and effectively go nowhere other than implode under its own lack of love and truth. That which is now able to happen, has officially started to happen, will accelerate, until it being like humanity hitting the dead end and coming to an abrupt stop.

So the effect of what we've done and are continuing to do – as it will be done in a methodical procedure, done in stages of limiting, then fully stopping, the mind spirits input altogether, and all of that which is helping to drive the Rebellion and Default (as we won't be interfering with that which is trying to heal the effects of it, so we won't stop anything positive coming from the mind spirits, and in particular ones who might want to do their Feeling Healing without the Divine Love), will be seen as increased strain on all negative systems of belief, on all anti love systems on Earth, both collectively and individually. So people will find it increasingly harder to deal with the everyday difficulties of life, with more pressure being put on them so as they can't avoid their bad feelings as much as they used to. And all businesses, governments, corporations, national structures, anything that is controlling, also feeling it more difficult to deal with all the everyday problems, they seeming to mount and increase in intensity, causing the people controlling them ever more difficulties.

And so many of the highest controllers will start losing their way, their direction will become unfocused, they will feel like other forces are interfering yet they can't put their finger on what it is. Inspiration, that which would have come from the meddling mind spirits, won't be there for them to access and enjoy, so they will have to rely on themselves more, which will give a lot of people a bit of a shock when they realise it's just not happening or working for them as they used to. Whereas on the other side, other people wanting to do good will feel more inspired and able to do things which they've always felt difficult, because unbeknownst to them, the mind spirits were working against them. The playing field is becoming more balanced so to speak, and gradually tipping, and then moving substantially in favour of the good side of the Rebellion and Default. All so the people who want to seek the truth of themselves through their feelings will be able to do more easily, and without any unseen spirit negative influence.

You see James, this you've not been told yet, but the controlling spirits worked particularly on people throughout history who naturally wanted to look to their feelings for the truth, or on people who came to the conclusion that their feelings were the way and key to the truth, even the way to heal themselves, all so such people found it simply too overwhelming to push on up against the mountain of negativity that would rise up within them, some of it often being added to or increased by these controlling mind spirits who didn't want such truth to come to light through people's feelings. And from our vantage point in spirit, as we can see the aura and so truth of everyone, and so anyone who starts to make any progress in the way of truth discovery through feelings stands out like a beacon and can easily be focused on by those controlling higher mind spirit who knew what they were looking for. But none of that can happen anymore, all because of the healing work of yourself and Marion along with Samantha.

Samantha being the first person to take on what you and Marion have revealed and commit herself to her healing, is leading the way out of the darkness, and so we are to come up behind her in a way, and with each level she reaches, that then becomes a certain benchmark with which we can work. So we can limit all the mind spirits who'd be working to thwart people below her, because she has now healed

those levels within herself. And so it will continue as she progresses. And should she stop, then that's the level we can work up to, until someone else takes it further. And then it's the same with you and Marion, only you are working at the 'head of the coal face' so to speak, breaking through the controlling beliefs and mind circuits set in place by the Evil Ones, all so people like Samantha can then set to work on Healing themselves and contribute their part.

So Sam, you are doing a huge amount to help everyone by doing nothing more than working steadily on yourself. And it's the angels that tell us what levels you've worked through and where you're at, which we can then relate to by what we went through as we ascended the Divine Love mansion or, Healing Mansion Worlds, as we affectionately call them.

So back to the question, will you see anything resulting directly from our actions, probably not, however as the whole world seems to start to implode, then you'll know it's because the controlling ways and influences of the unseen mind spirits has ended, and people on Earth have been left up to their own initiative, which will be shown to be very little. You have no idea how much direct and indirect influence has come from the mind spirits, and some of the Divine Love Healing spirits. There has been MASSES of influence, nothing has happened on Earth without their influence, they've been in the thick of it all.

Countless people die all the time, come into spirit, wake up realising their new life begins and then wonder what they want to do. And as they are still basically the same as they were on Earth, yet now with renewed vigour and vitality – they are 'young again', so they set out trying to do more of what they did on Earth – control. However they quickly see that there are masses of controlling spirits already ahead of them, and so many of them have to start out all over again, at the bottom of the controlling pile, working their way up, having to understand just how one does work one's control on people back on Earth, if that's what they want to do.

So there are vast networks, many competing, many are family driven, all like what you have on Earth, but a million fold increased in the mind Mansion Worlds. And mostly these sorts of spirits keep themselves secret from the other block of mostly do-good spirits and the ones who want to 'better' themselves, all those you read about in the spirit / mortal accounts of people talking with spirits, because the spirits involved in what they believe to be the 'spiritual upliftment' of humanity connect with those on Earth wanting the same thing. And so what you don't get is any real idea or insight into the top controlling mind spirit organisations, cults, groups, families and so on, and the like-minded people on Earth they connect with and exert control over.

And even you James have only very briefly touched on these controlling spirits and what they get up to, however, now I can tell you more about them as I am doing. And they control humanity, it's as simple as that, and have done for eons; they, with help from the Evil Ones, the rebellious higher spirits, 'earthed' all the controlling world religions, they developed business to where it is now, government, all areas of power, and they instigated all the wars and so on, all trying to gain the power they are after.

So the Jews through the Zionists and others in league with them, being the 'Chosen One's' were given the most power and control, the smallest group controlling the masses. However we've just blocked all their influencing mind spirits, so they are really going to be spinning their wheels in thin air wondering why they can't get the traction they once had. So they will weaken, and that will cause their power to waver and others will step in and so with the whole smashing into the brick wall at the end of the

Rebellion and Default which is now set and ready to happen. **This being the real End Times.** So officially, from a technical point of view, along the lines of what we can do, the end times have begun – we started them, however it's all really coming from you doing your Healing on Earth. And anyone else who does their Healing, fully committing to it, will be empowering us even more, and gradually humanity will be made to face its bad feelings, to no longer do all it can to run away from them and hide them – reject them, all so the truth can come to light from such feelings, and it's that truth that will Heal the whole of humanity.

So the tide, having been going out for all these eons, is now ebbing and just starting to come back in. So it's got more eons of coming back in, and you people are right on the change over, doing your parts in the whole.

Should things start to happen that are a direct result of our positive interference, that come to James' attention, I will point them out, however I'm not going to say, what happened to Trump today was because of what we did, and all that sort of stuff, because it's all interconnected; however with time, and overall, you'll be able to see things aren't travelling as smoothly as they have been. And although, from your limited view, the world seems like it's in its usual mess, from the mind spirits side of things, and even though they don't all agree on everything, still they understand it and they are working (were working) it along the lines that's suited them.

JM: So Helen, all the New World Order and One World Religion and all that, were the aims of these mind spirit?

Yes, and they still are.

JM: So what are these mind spirits going to do about what's happening, surely they are not going to take it lying down-

No, however they are powerless to do anything on Earth anymore, so they are busy trying to work out what's changed, which they'll never know because they don't even know the likes of us Celestials even exist, let alone why we've done such a thing to them. And in time they will readjust to their new, new lives, having to work out other things to do with themselves, which will basically, from what we can see, mean, set about planning for the day when they will get their power and controlling ability back. So they are busy looking to their prophetic writings, trying to work out what's going to happen, and eventually many of them will tire of it and move on; that being, work to move up the mind worlds advancing their mind, as in trying to perfect their negative rebellious state; or start their Feeling-Healing; or even move outside their box and embrace the Divine Love, moving into the Divine Love Healing Mansion Worlds as they start their Soul-Healing.

And they will also try and corrupt those mind spirits still able to communicate with Earth, however we'll also be monitoring all of that and stepping in should they start to interfere there too.

So you see James and Samantha, it's all about what's going on over here in spirit, we are where the real action is. However by severing such controlling input from these mind spirits, humanity is now free to Heal itself, so at least to decide if that is what it does want to do, and do make that decision based squarely on people's own feelings, and not feelings being negatively influenced or interfered with from the hidden spirits. Humanity needs to be given a chance from the ground up to decide what it wants to

do – either continue on its rebellious ways by default, or heal itself of such unloving ways. And it now needs to be able to take responsibility for itself, and all without any such interference.

So the mind spirits have basically been just an extension of parental control and interference, the mind spirits being the parents to all you children – the people – on Earth. But now it's time for the 'children of Earth' to step out into life themselves without such heavy parental influence, and do whatever they want. Which, in most cases, is to make a complete hash of things, because you don't know how to exist without such heavy unseen 'guidance'. So the rug has been pulled out from underneath you, and humanity is going to fall in a heap of its own doing. So this breakdown, Samantha, you might be able to see for yourself, even in your personal relationship with people. So things will get harder for them, whereas for you, you'll see how obvious it all is, the mess they are making and why they are doing it to themselves, yet whilst all being completely unaware.

And so the scene is set for the likes of what John and Crystal want to do, that being to provide a way for people to feel better about themselves and their lives, on all levels, from the basic nutritional level right up to the top spiritual level, including how to truly Heal themselves by looking to their feelings.

So the pressure that's to be exerted by these systems coming under pressure because of the sheer weight of their own greed and ineptitude, now without the unseen guiding direction and control from the mind spirits, will be what opens the way for the money to come. For that money is to be used for the good (within the bad, within the remaining rebellion and default) all with the aim of helping those people who want to help themselves in some way, truly better themselves, and even, Heal themselves.

So Sam, I hope I have painted something of a picture that will help you understand what's going on. And every day you keep submitting to, expressing, and seeking the truth of your feelings, so every day we too can work with you, up-stepping the vibration of light that we can work with.

If you want to know anything more, have other specific questions, please ask James and he can ask me.

We love you all, we are very close to you all, for you are making your way out of the darkness and into the light.

LIVE FEELINGS FIRST

SPIRIT INTERFERENCE is now STOPPED:

Sunday, 1 October 2017

James: Helen, what are you Celestials doing currently – what's your main focus?

Helen, 3rd Celestial Heaven: We're ensuring the mind spirits don't inflict their negative emotions and feelings on people on Earth, trying to use such people to ease their own pain. That is all stopping. Such spirits have been able to 'attach' themselves to unsuspecting, or even aware people, subjecting those people to intense feelings from such spirits, causing such people great distress, anxiety, fear and misery, if bad feelings, and even too much joy, excitement and mind-love, if it's good feelings.

Some people are very sensitive to such mind spirit feeling interference, it all being allowed as part of the Rebellion and Default, and all through the ages has caused even more suffering in an individual than they might have had, although it all only happens all in keeping with the requirements of their negative pattern. So really it has still been technically what the person has wanted, even though it's an unconscious desire, but it's caused such a lot of grief. So many suicides and people breaking down and going into institutions have resulted from the added burden of such spirit-feeling pressure, and so really it's not fair, and now it's stopping.

It's part of the ongoing changes that we Celestials are now able to instigate, mostly designed to stop the mind spirit interference. And to help make their participation with people on Earth being more on the positive side (although any interference from them, even if with 'loving' intent, is still only helping to further one's mind control over oneself, so is ultimately unloving and negative). But still, the really heavy negative interference we're able to now stop, and that's what we're doing, making sure the systems are in place to stop it.

And that, as we've told you, is then having a knock-on effect of changing the ways people on Earth go about doing what they do, which we're also coordinating along the lines of what we've told you, helping to bring about all the necessary changes that are going to take place.

So there are now Celestials in every part of the two Earth planes, and also the first and second Mansion Worlds, in disguise yet doing their work subtly thwarting such interference and setting in place systems and structures to prevent it in the future. It's like plugging up cracks in the dam wall so it no longer leaks. And there are also, although fewer, Celestial soulgroups in the higher mind Mansion Worlds, doing the same work, preventing those higher influential mind spirits from affecting people negatively on Earth. And in the end, all such negative influence will cease from the mind spirits, with only positive spirit connections being made by us Celestials (spheres 8, 9, 10) or those healing spirits in the Divine Love Healing Mansion Worlds (spheres 3, 5, 7) however that is to happen by the end of the next age. So through the next age (being the next 1,000 years) there will still be a heavy mind spirit presence, but it will be highly conditioned and nothing like what it has been through the past ages.

And the systems of control on Earth are coming under increasing strain, only the Russians are keeping abreast of it and being able to move with it. The West and their hidden controllers are beginning to freak out more as their ways of control are not having the effects they used to have. It's becoming

harder for them to keep the masses in check, and so the more they struggle to, the more the people are able to see how they've been controlled, and so the more they are objecting to it. It's a downward spiral. Imploding. The cracks are beginning to show. And those cracks we're encouraging. That dam wall is to one day burst.

Does that help James?

James: Yes, thank you Helen. (This is not Helen Padgett)

Helen: It's all in keeping with what you're going through personally James. You can draw the parallels.

The dark cloud on you will soon pass. And as you know, it's all only from the unloving influence of your parents, and not from anywhere else. The outside can stir up the inside, but it's all within and really has nothing to do with the out.

I'll speak to you soon – Love Helen.

Later:

James: So Helen, what you were saying about the mind spirits no longer able to attach themselves to people making people feel worse than they already do, means people on Earth can't blame the spirits for such things anymore.

Helen: That's right. Any bad feelings you feel are all coming from within yourselves, and not from other spirits or other people. You are not being influenced by depressed and angry spirits, you are not even picking up the vibe from another person on Earth and causing yourself added pressure, it's all simply within you from your own childhood to do with the unloving relationships you had with your parents – nothing more. If anyone says it's more, it's only that they can't accept that it's all within themselves. People are to take full responsibility for their own bad feelings and pain now James. You can't blame anyone else. The buck stops with yourself, as it should, making sure everyone stays true to their own feelings having to deal with them should they wish. People of course will continue to blame other people and spirits for their pain, but at least you know that it's only themselves, and not coming from any outside negative influence. So it's doesn't rub anymore that the Devil or Satan is making you do something bad, is making you feel bad feelings, the Devil and Satan are your parents, that is the truth, there is effectively no bad spirits affecting humanity anymore. That has all ended. The end of the fallen angels happened with Mary and Jesus' coming (in the first century), so no 'bad' angels could affect humanity like they had been able to do working for their Masters and Mistresses the Lucifers, Satans, Caligastias and Daligastias; and now no bad feeling mind spirits, or even good feeling mind spirits with subtle malicious intentions, can affect humanity on Earth. You are on your own so far as such negative influences go. You are having to decide if you want to attend to your own bad feelings or keep avoiding them. But you can't blame anyone else. You can keep blaming whoever you want, but it doesn't rub anymore – no one is listening!

James: I've read about people being possessed and people feeling so bad and depressed saying they are being controlled and suffering because of 'evil spirits', but I've not known how much to believe such things, but you're saying that it all did happen and quite a lot.

Helen: Yes, and even far more than people on Earth realised. There are some publicly documented cases, but it's hard to know just how much a spirit might be influencing someone and in what sort of ways, passively negative or aggressively so. Many people have hugely suffered by well-meaning spirits continually being with them plaguing them with too many good feelings, misguidedly believing they are doing the person a favour, being a great help to them in life. But any feeling interruption and disturbance is not good, whether it's good or bad feelings. You are to have your own feelings, it's hard enough as it is, without any extra unseen influence from spirits.

Many people die and keep going back to the people they miss on Earth, inadvertently affecting those people with their own feelings of misery and sadness, or even happiness with their new spirit life. And the people may or may not be aware of such spirit presences, however it's all affecting them, and all detrimentally in the end. There is nothing wrong with organised contact, if you want to speak with someone who's passed over, or they with you, fine, you do it through a medium or making the necessary formal and decisive mental contact through your mind. But to have the spirit just taking, over subjecting you themselves, whether you want it or not, that is like a person just coming into your house and sitting with you all day long constantly talking to you, even when you might not want to listen and not be affected by what they are feeling. You can't turn them off, you might not even know they are with you, but like a limpet they attach themselves to you, almost 'feeding' off you by being with you in various ways, all to your detriment. And as I said, such spirits are able to do that fitting in with the demands of your negative pattern, they are being as your parents were to you, constantly with you, negative influencing you, talking at you, not considering your feelings, not being sensitive to your needs, 'feeding off you', all making you feel bad.

So none of that negative spirit influence will be able to affect people anymore. So when people die they will have to deal with their own stuff separate from people back on Earth. The spirit will still be able to visit people on Earth and wish them well and send them good thoughts and feelings, but just none of heavy bad stuff, even if it appears well-meaning.

And we Celestials are monitoring and regulating all of that. We're putting in place more barriers stopping the lower Earth-plane spirits from being able to so readily directly or indirectly influence Earth and people with their lower energy and vibration. The lost and wayward lower Earth-plane spirit will still be able to sit in his or her favourite Earth bar or pub, still 'drinking' merrily away pretending they are part of the fun, yet their energy, light, vibration, will no longer be able to influence those people on Earth in that bar or pub.

Part of the atmosphere of many places on Earth James, has been influenced by the unseen presence of masses of Earth-plane spirits, many of who you would call Earth-bound – they don't want to let go of Earth life, so pretend they are still alive on Earth. Masses of such spirits for example will attend the various concerts, political rallies, main sporting events given by people on Earth. So there will be say a hundred thousand real people from Earth, and tens of millions of Earth-bound spirits from the lowest Earth-plane, all after a 'good time'. And that unseen influence from all those spirits exerts an unseen pressure, which doesn't have to be all that bad, but can be, either elevating the atmosphere or making it heavier, with people being affected in different ways, from some people minimally, enjoying the unseen influence, to adversely, causing all sorts of problems. So that is all what is to cease.

The spirits can still attend such earthly functions and gatherings, but their light will remain separate from the people on Earth. So all the people on Earth feel, will be all they generate themselves, it being true to themselves, if you like. And this is a huge and very important change.

So all that happens on Earth is all that you on Earth make happen, by yourselves, with and for yourselves, and you can then deal with the consequences, good or bad. Knowing the mind spirits are out of it, they are no longer part of the picture, which I know you weren't really aware of anyway, but now you are.

And people sensitive to such things would be able to sense a change, a different perhaps lighter feeling, even if they don't know why it's changed.

James: Thank you Helen.

Helen: It's my pleasure James. We need you to keep asking us questions so we can elaborate, we can't just come forward and tell you it all, not yet anyway.

James: I understand.

Helen: We'll speak again soon – goodbye now, Helen.

END to the REBELLION and DEFAULT – 31 January 2018:

31 January 2018: Nanna Beth: Yes John, very good news we want to pass onto you for your records. Earth and the seven associated Mansion Worlds (including the two Earth planes) are **officially** now fully under the control of Celestial spirits. And this means John, that Earth is now ‘Ours’. It’s been a long time coming, but it’s a huge milestone and marks a tangible and real end to the Rebellion and Default. It’s one of a number of ‘End’s’ that are to occur.

With the departure of the Caligastias and Daligastias some years ago, humanity has been in a state a limbo so far as who is doing what with it, it not being allowed to be left alone so it could do whatever it liked, it always needing to have a spirit connection. With the mind spirits, as we’ve told you, basically calling the shots still happy to ignorantly carry out C&D’s plans. But now with our systematic and progressive take over, we’re now in complete control.

And what that means is we have our fingers in every pie and we’re on the case so far as what everyone is doing. However it doesn’t mean we’re taking over and telling humanity what to do and how to be, although we are able to work more with certain individuals directly and indirectly helping to move or point or orientate (depending on how you want to look at it) individuals, groups of people, whole societies, the whole world, according to the plans given to us by the Melchizedek Receivers.

So humanity will still carry on outworking it’s unloving, untrue and rebellious state, that has to be worked through to its natural conclusion, however we want you to understand and just know that it’s another end of things and beginning of the new. And it’s basically what we’ve been working with you in connection with James this past year to achieve. There is a lot more to it and how and why it’s been done, and done as it has been done, however you can find out about all of that when you come over.

So we Celestials will guide humanity now according to what our Mother and Father want, so humanity’s got a real tangible safety-net under it now, so no more ‘downside risk’, it all being to move it toward doing its Healing.

I’ll speak again soon – love Nanna Beth.

EXPERIENCING RECEIVING DIVINE LOVE:

Be still and quiet; reflect in silence. Love is present. Keep asking, longing, and never cease: this is your part. It is your cooperation actively engaged that brings the transformation and continues the process.

You cannot see it; sometimes you will experience it as simple quietness and calmness. This is as pure and real as any other experience, whether demonstrative joy through laughter and dance, or other expressions.

Divine Love is present; it is always present. It does not fade or disappear. Rest, relax and breathe. Pray and wait.

Maintain daily prayer and meditation. When you do this you are building a home for the dwelling of the Divine Love. Your continual invitations establish an attitude of welcome to the Divine Love. These build a bridge for the Divine Love to carry you to new and higher levels of change and transformation: places of new realms for your soul growth and development.

The Voice of Divine Love

~~~~~

As the receiving of the Love is always assured when longed for and asked for, the experience of receiving may become apparent by the occurrence of a warming embrace in the region of the third eye chakra, or with some, around the heart chakra region. This may be very subtle and gentle for some and may be for a few moments or extend for some time. Many do not physically feel the Love embracing them and this is totally fine, nevertheless the Love is being received.

On a few occasions, one may feel the love through the third eye region and then feel it expand as if it were to become a warming buzzing 'hat band' progressively expanding around one's head. This can intensify and feel as though one's cranium is about to pop off! Should this continue to intensify, then the sensation may flow down one's main meridian to the base of one's spine. Now that is something else! Relax and enjoy the great gift for this can be an experience that may continue for a short while or for quite some time.

Always, when one longs for the Love, it will shower over one's body and be absorbed in through the spirit body chakras into one's soul. Occasionally the Love will overflow from one's soul and some will reside within one's spirit body. At no time will you be discomforted. This light golden blue energy substance is the ultimate high octane super fuel gifted to us by our Heavenly Parents to us all.

At any time, any where, and in any way you so please:

Approach our Heavenly Parents, in reverence, without fear or trepidation, just as we, as a child, approach our earthly parents knowing that open loving arms are extended to receive us at all times. As one's love grows for our Mother and Father in the Heavens, we come to know with absolute clarity and certainty that our Heavenly Parents, loves you and me and everyone in return, at all times, and that fear is an illusion created by man's mind.

God, who is our Heavenly Mother and Father, is almighty, all powerful, infinite, and all loving. The love of the Heavenly Parents for Their children, man, has been and is always infinite and ever present. As one's faith evolves, one's love for our Heavenly Parents will have no limit. As we grow in Their love, so will we grow in love for all of God's creations and our fellow man.

The Source Soul, our Heavenly Parents, simply desires for us to ask for Their Love.

God's Divine Love: Pray for it, ask for it, and receive it.

"I love you Father." "Let the Divine Love flow its energy into my soul."

"Mother, Father, I desire your Love and I am loving you."

"Soul God, I love you and I love receiving and experiencing your Divine Love."

"True Soul God, I am here, I am aware of your Love. Please hear my aspiration for your Love and as I approach you from my soul, I can feel your Love in the way that you are loving my soul."

"Please Father and Mother, may I receive Your LOVE."

Maybe we could simply long for and ask:

*Please, Mother and Father, I want some more of your Love!*

## HEALTH and HARMONY of the BODIES:

Man suffers from evil and error and disease.

First arises the necessity of understanding how, and by what means these things came into existence, and then it will become easier for the understanding of the means and the way by which they may be eliminated from the life and apparent nature of mankind.

These things, foreign to God's creation, were created by man alone in the excessive and unlawful exercise of his will power in following out the suggestions and desires of his animal appetites, which unduly asserted themselves when man lost a part of his spirituality by his disobedience. Man must understand that these excrescences (morbid outgrowths) to his perfect creation are real and existing, and result in his own damnation and alienation from the good, and are antagonistic to his original and natural condition of perfection – and that they cannot be swept out of existence by the mere assertion that they are not real.

Man must understand that they are the creatures primarily of the inordinate exercise of the animal appetites and desires, and not of the exercise of the mind, and that they are to be eradicated by the same process in reverse order as was used in their creation. The purity of his true being is always besmirched (soiled) by the impurities of his own artificial being, and always will be, until he eliminates these impurities which, as to him and to his fellow man, are real, persistent existences.

As sin and evil are not the creatures of the spiritual desires, but wholly of the animal, then to eradicate from man's being these things of evil and sin, the efforts of man must be directed towards the supplanting of the unlawful and inharmonious animal desires and appetites, by appetites and desires arising from the same source that is in harmony with the laws creating this very source.

The loss of the spiritual aspiration, or the perversion of the animal appetites, similarly causes man to become out of harmony with the Father's laws. Man in order to become free from these foreign parts of his being, must strive, not by a denial of their reality, but by the effort to supplant them. Man is a creator as well as a creature, and as these things are the creatures of man alone, then so far as the being of man is involved, they have a reality which will persist until their creator – man – has destroyed them.

Jesus 9 July 1916

Only by man longing for, asking for, and receiving the Love of God will man be assisted and be able to remove that which is disharmonious to his bodies and rid that which is in error and sinful and disease from his bodies.

Harmony within one's soul brings about harmony in one's bodies and a healthy body. Receipt of God's Love, Divine Love, slowly but steadily brings about health to the physical body.

## DIVINE LOVE HARMONY:

**Immortal harmony:**

**Transformation of the soul is a beautiful harmonious gradual awakening.**

**In a gradual way with the Divine Love and Feeling Healing, as changes in the soul and spirit body occur, these changes will result in the personality slowly accepting the source of these changes as being the Soul God and with the independent will, one can have complete acceptance of our Heavenly Parents, Mother and Father, God.**

**People have loved God and felt loved by God and they have in deed received the Divine Love without ever knowing the truthful identity of this Love insofar as the truths relating with its causality in the human soul and affect upon the spirit-mind.**

**Part of the nature of the Divine Love in our souls is that it activates our spirit body systems and soul so that the nature of God is seen and experienced in the living and this places us in touch with the many Spirit attributes that extend from God and have their existence in God, such as our Indwelling Spirit. God no longer remains inactive to us; inert, inanimate, or an unknown but rather a Soul of living energy whose energy in the harmonies of Love and Spirit, is personified as love that we experience. If I can convey the essence about the nature of Divine Love it is that in its energy, exists the harmony and potential so that one can see the potential that this Love brings to bridge the gap of separation between the individual and God by the harmonies of soulfully living.**

**The Divine Love completes the form of the human being.**

**In essence, one need only direct their soul and the heart of their soul to our Heavenly Parents, the Soul being God, and in this faith one can experience the Love by humbly asking for this Love. This is all that is needed and the touchstone upon the Love's approachable nature.**

**The Love is never harmful or given by God that results in a caused effect of disharmony in the individual. The diversity of human individuality is a great characteristic of human nature and as with experience, one needs experience to ascertain a truth about a certain thing. Experiencing the Love provides a substantiated knowing from which a more objective reasoning follows and a maturity happens.**

**FEELING HEALING and SOUL HEALING with the DIVINE LOVE:****James Moncrief Publications:****all publications are free downloads:**<http://divinelovesp.weebly.com/my-free-books-and-free-padgett-messages.html>

It is suggested for one to consider reading as follows:

**Speaking with Mary Magdalene and Jesus – books 1 – 4**

These four books encapsulate the second of the revelations with the first having been introduced by James Padgett one hundred years previously. These four books provide a wide range of guidance that has never previously been made available.

**Paul – City of Light**

As a gentle intro into the Divine Love and Healing; being James Moncrief's first novel and it's been criticised as being too heavily clichéd, but that's the point because it's a reflection of how he was back then.

**Ann and Terry**

For an example of people who might want to immediately start working on themselves and doing their Healing.

**Feeling Bad? Bad Feelings are GOOD**

For more understanding about our denial of our feelings and why we should not deny our feelings, and it includes how it all came about for James, using himself as an example.

**Feeling bad will make you feel BETTER – Eventually!**

This includes specific examples of Marion and James working on expressing particular bad feelings, again with the hope that it will help others gain something of an idea as to what's involved in doing your Feeling Healing.

**Sage – and the Healing Angels of Light**

Through Sage who's 13 years old, the story is primarily about the two aspects of healing; that being, with the help of our angels, and the full Healing we can do by looking to our feelings for their truth.

**Religion of Feelings  
Feeling Healing**

**Welcome to LOVE – the Religion of Feelings  
you can heal yourself through your feelings**

So these books, including the four Speaking with Mary Magdalene and Jesus books, provide the essence of it all and are examples of James' work. Then it's up to whatever takes one's fancy. Other reading to consider may include:

**The Padgett Messages being published as:****The True Gospel Revealed Anew by Jesus volumes 1 – 4****Book of Truths by Joseph Babinsky****The Urantia Book**

**Release one's pain through expressing one's feelings.**

**in conjunction with**

**Longing for the Truth when also longing for Divine Love.**

**FEELING HEALING with DIVINE LOVE is SOUL HEALING:**

*A collection of 'papers' that draw together specific topics including all of the above and more from other sources of information and revelation designed to help increase one's awareness about why we have the problems we do and how to heal them, all whilst living a more healthy and sustainable life. They provide a brief snapshot of the more complicated topics and issues.*

**Firstly, consider discovering the truth of your emotional pain through Feeling Healing.  
Secondly, consider longing for our Heavenly Parents' Love as you progress with your healing.  
Primary and most important readings are the writings of James Moncrief.  
Then consider the Padgett Messages, and then The Urantia Book.**

**On the WINGS of a BUTTERFLY:** No 12, Traveller, an immortal journey, via Zara and Nicholas

Once upon a time there was a butterfly sitting with closed wings in a person's heart. This butterfly had been sitting with wings closed for a long time. The person couldn't figure out why they always felt a little sad. One day, this person asked another person why they feel sad. The response happened quickly and the person didn't like the response. It was said that perhaps your soul is sad. Several days passed and soon that person found themselves sitting by the sea. The sea has great longing to it. As the sun shone on a late spring day, the person thought about their soul and that perhaps, the person's remark was true, and that this person was a messenger of some sort. Suddenly a breeze swept through the beach and the person heard a distinct voice speak directly to him! The voice said, "Let your soul breathe in Divine Love." That was all the voice said.

The person didn't know what the Divine Love was or where it was, but now the sadness had greater longing so the person decided to breathe in the Divine Love and just like that – the closed wings of the butterfly opened and the person's sadness started to dissolve. Happiness will be mine the person thought upon feeling the Love and this will take time for me to learn how to live such happiness.

Never again, in the heart of that person, did the butterfly close its wings.
