**“All dis-ease is mind generated, and all healing is generated by the love energy of one’s soul .”**

- **The Ego manifests illness, the lower ones level of consciousness then the more prevalent will be illness. Below the levels of 200, the ego dominates, however, as you raise your level of consciousness and achieve a level of 500 or higher, you have transcended the ego. At the level of 600, all healing is possible.**
