PASCAS INTRODUCTION:

Documents assembled by Pascas are provided for your individual assessment and exploration. The contents are sourced from a variety of avenues and publications. Every endeavour is made to determine that the contents are of the highest level of truth and veracity. At all times we ask that you go within yourself, to ascertain for yourself, how the contents resonate with you.

Pascas provides these notes and observations to assist us all in the development and growth of our own pathways and consciousness. Pascas does not hold these contents as dogma. Pascas is about looking within oneself. Much of what we are observing is new to us readers and thus, we consider that you will take on board that which resonates with you, investigate further those items of interest, and discard that which does not feel appropriate to you.

Kinesiological muscle testing, as developed by Dr David R Hawkins and quantified by his Map of Consciousness (MOC) table, has been used to ascertain the possible level of truth of documents. Such tested calibration levels appear within the document. We ask that you consider testing same for yourself. The technique and process is outlined within Pascas documents, such as Pascas Health – Energy Level of Food. From each person’s perspective, results may vary somewhat. The calibration is offered as a guide only and just another tool to assist in considering the possibilities. As a contrast, consider using this technique to test the level of truth of your local daily newspaper.

Contents are not to be interpreted as an independent guide to self-healing. The information sourced herein is not from a doctor or doctors, and any information provided in this document should not be in lieu of consultation with your physician, doctor, or other health care professional. Should we have infringed upon a copyright pertaining to content, graphics and or pictures, we apologise. In such cases, we will endeavour to make the appropriate notations within the documents that we have assembled as a service via our not for profit arm, to our interested community.

We offer all contents in love and with the fullness of grace, which is intended to flow to readers who join us upon this fascinating journey throughout this incredible changing era we are all experiencing.

“Never can one man do more for another man than by making it known of the availability of the Feeling Healing process and Divine Love.” JD

Messages from Mary and Jesus

by James Moncrief

SOUL:

Messages from Mary and Jesus – Jesus 11 April 2003

Your soul, James, as I just read your thought wanting me to write about it, is not in your head, it is in your heart. It is not in your physical heart, and not even in your spirit heart, but is in the heart of your personality. It exists outside of Creation. It exists as the Mother and Father do in Existential reality. It just IS. It is not a part of Creation and so does not evolve according to the Laws of Creation, but it does *progress* or *evolve* in light-of-experience, and the love-light that comes from the Divine Love of the Father and Mother. And I will not go any further in this James, as you are to reveal more about the soul with the help of other friends of yours here in spirit (not that you know them yet) who are patiently waiting their turn to write of such things to you in the days to come.

The soul is not in the mind. The mind and brain are merely attributes of it. They are parts of you, your soul has brought into Creation, so that you as a personality can experience love. Those in the natural love spirit worlds do not know of the soul and its true nature, because they are not partaking of the Divine Love thereby becoming soul-conscious. They continue to believe it does exist, because others and I have said it does, so they have woven beliefs around what they believe it to be. And as I said, they will get a great shock when their soul begins to wake them up wanting the love of its Parents, for they will realise how much time they have spent denying themselves, when they could have been actively praying each day to the Mother and Father for Their Love.

DIMENSIONS of ONE'S EXISTENCE:

Our SOUL IS NOT ENSOULD IN OUR SPIRIT BODY. Our soul exists existentially in a whole different level or plane or place or dimension of being – 'soul land'. It doesn't exist in Creation, it's not experiential like Creation is. The soul, all souls, help create their part of Creation by expressing their personalities into Creation, and then by having their personalities do things (further create) in Creation.

SOUL exists existentially

Our Physical Body and our Spirit Body are of Creation, being linked together by cords of light as are the two spirit bodies, male and female, to the one Soul.

One's unique personality is soul based. Our unique soul expresses its unique personality through the two spirit bodies and physical bodies expressing both the male and female aspects.

PERSONALITY

**Our soul is the centre of our personality.
We are children of our Heavenly Parents.
Our soul manifests a male and
female personality - it is a duplex!**

**INDWELLING SPIRIT, THOUGHT ADJUSTER,
MYSTERY MONITOR (all being the same):**

The external elements, instruments of the Father, do not form attributes of our own soul upon its initial creation by our Heavenly Parents, these are the Spirit of Truth, the Indwelling Spirit, and Divine Love.

The Holy Spirit, conveys Divine Love to your soul should you earnestly and lovingly ask for it. This is the only function of the Holy Spirit – Acting Spirit.

The Indwelling Spirit becomes present when we are around the age of six. This means that the unseen helper of the Father and Mother – the Indwelling Spirit – can always interact with the mortal soul and to be of service so that eventually the leadings from the Spirit may be the catalyst for that soul to seek our Parents.

The Indwelling Spirit reveals intrinsic workings of Father and Mother to your soul.

The Indwelling Spirit functions in much the same way as the Holy Spirit, ask and it will provide support and guidance.

The Indwelling Spirit / Thought Adjuster only works with us on the mind, feeling and psychic levels directly with our personality on conscious and unconscious levels of reality. It is the Divine Minister with hands-on help from our attending angels that do the actual adjusting of our mind circuits – of all our circuits, even the physical if need be.

Spirit of Truth becomes active more so when you connect to the Source Soul and commence receiving Divine Love.

You are a spirit person having a physical experience. Your physical body is encased within your spirit body.

The spirit body only exists because our soul wants it to. In the fullness of love, even all our encrustments and wrongness is not actually bad, they are just the nether side of love.

So evil is literally a state of mind, and once you heal it you even feel love for your wrongness and even no longer hate it – that being full self-acceptance. But you can't contrive these feelings or level of awareness, it has to come of itself and will through the higher levels of your Healing.

SPIRITS of TRUTH and HOLY SPIRIT:

More from James regarding Spirits:

The Holy Spirit provides differing support and guidance to that of the Indwelling Spirit. The Indwelling Spirits guides one to God, our Heavenly Mother and Father; the Holy Spirit brings Their Divine Love into our heart.

The Spirit of Truth becomes active **ONLY** when we choose to follow the 'owner' of that Spirit of Truth. So in our cases, Jesus and Mary Magdalene. We have to want to live the same truth as they are living, so 'be like them' and in doing so this activates their Spirit of Truth. And so if we choose to be as they are in truth, to live how they live the truth, to be of truth and the same truths they are, then with their Spirits of Truth assisting us we will come to relate to our Mother and Father just as they do.

We are growing spiritually in Mary and Jesus' universe. We have to want to be as they are in truth, if we don't want to do that then we're rebelling against them. And if we don't embrace them, then we'll never leave Nebadon, the region of the universe that encapsulates Earth.

The whole idea about having Spirits of Truth coming from Paradise Pairs is so the ascending mortals (us) of that universe (from the Creator Pair) and specific worlds (from the Avonal Pairs), all end up living the same truths. And if we didn't live the same truths, we'd all still remain all over the place and have nothing we can all connect with and relate to in each other.

So we can come from all over the planet, from very diverse races and cultures, yet because we all end up embracing the Spirits of Truth that are to help reveal the truths we are to know, so we'll all be able to connect and relate to each other through the truth we're living, all being able to live happily together as Celestials, and eventually as Celestials on Earth. It's the Spirits of Truth that bring us all together, homogenises us if you like. And if we all lived true to them, we would not need any rules or laws because we would all be living and knowing the same truths – so all living the same way only expressing those truths individually.

Our HEAVENLY PARENTS have any number of spirit instruments assisting at any time.

Holy Spirit conveys Divine Love from our Heavenly Parents

Spirits of Truth of Mary Magdalene and Jesus

OUR GUIDANCE to PARADISE, the home of our HEAVENLY PARENTS:

There are three distinct phases of our progression to the home of our Heavenly Parents which is Paradise that is within the circle of seven Super Universes, each containing many Local Universes.

Once we progress beyond our Local Universe of Nebadon, then we are assisted and guided by our Heavenly Parents, our true Mother and Father all the way home to Paradise.

Before then, once we have completed our soul healing, we are guided through the Celestial Heaven worlds which are those that interact with humanity on Earth, then further on into and then out through Nebadon, our Local Universe. The regents of Nebadon are Mary and Jesus.

However, before then, we are to embrace our healing. That is, we are to realise who we truly are. We are not the personalities that our parents imposed upon us. We are to put aside our childhood suppression and repression and free our true personality that our Heavenly Parents gave us, and to do this we are now able to embrace the guidance of the Avonal Pair who will lead us through our healing here on Earth and through the Spirit Mansion Worlds to be able to enter the Celestial Heavens.

The New Way: learning how to live true to ourselves by living true to our feelings.

Creation. How would one describe what is within Creation and what is not?

What is within Creation is all that is Personality. Creation is made up of the expression of Personality – nothing else. Personality is expressed and so Creation comes into being.

So starting with God, from the biggest light, star, angel, all the way down to the tiniest microbe and element, atom, quark, spark, whatever – the smallest speck of light, it's all part of someone's personality expression.

So everything in Creation has been created. And created by personalities, which are in turn, the expression of souls.

So all that's not in Creation is all that Soul is. I don't know what it is, but it's where all souls have their being. Soul-land as I call it. And it's outside of Creation – or, perhaps Creation is inside Soul??? So the Soul of God is expressing the Mother's and Father's Personality in Creation, as is our soul expressing us and our soulmate / soul partner in Creation, we being the personalities of our soul.

Does that make any sense? James.

The Urantia Book: VII. The Supreme Being

TUB 1925 – 1935

(10.6) 0:7.1 The Deity mechanism of the master universe is twofold as concerns eternity relationships. God the (Mother and) Father, God the Son, and God the Spirit are eternal — are existential beings — while God the Supreme, God the Ultimate, and God the Absolute are *actualizing* Deity personalities of the post-Havona epochs in the time-space and the time-space-transcended spheres of master universe evolutionary expansion. These actualizing Deity personalities are future eternalists from the time when, and as, they power-personalize in the growing universes by the technique of the experiential actualization of the associative-creative potentials of the eternal Paradise Deities.

(10.7) 0:7.2 Deity is, therefore, dual in presence:

(10.8) 0:7.3 1. *Existential* — beings of eternal existence, past, present, and future.

(10.9) 0:7.4 2. *Experiential* — beings actualizing in the post-Havona present but of unending existence throughout all future eternity.

(10.10) 0:7.5 The (Mother and) Father, Son, and Spirit are existential — existential in actuality (though all potentials are supposedly experiential). The Supreme and the Ultimate are wholly experiential. The Deity Absolute is experiential in actualization but existential in potentiality. The essence of Deity is eternal, but only the three original persons of Deity are unqualifiedly eternal. All other Deity personalities have an origin, but they are eternal in destiny.

(10.11) 0:7.6 Having achieved existential Deity expression of himself in the Son and the Spirit, the Father is now achieving experiential expression on hitherto impersonal and unrevealed deity levels as God the Supreme, God the Ultimate, and God the Absolute; but these experiential Deities are not now fully existent; they are in process of actualization.

(Due to the 'restrictions' – now ended – at the time of writing of the Urantia Book, the male aspect was only mentioned, the female aspect withheld, such as Mother and Father personalities being God.)

WE ALL ARE BEING GUIDED HOME:

We need the Spirits of Truth of the Avonal Pair to Heal ourselves; then once Healed, (and for support (overshadowing) as well through your Healing), we need the Creator Pair, Mary Magdalene and Jesus' Spirits of Truth to see us through the Celestial spheres, while at all times embracing our Heavenly Mother and Father.

Until Mary and Jesus died and liberated their Spirits of Truth, no one from any of the worlds could leave Nebadon, because no one knew the way to do so. Nebadon is our local universe containing some 3.8 million inhabited physical worlds and their associated spirit worlds.

When we embrace the truths Mary and Jesus are revealing, and start to do our Feeling Healing, or with Divine Love, Soul Healing, we are then freeing ourselves up from our parental and self control.

Thus our journey to Paradise, to the home of our Heavenly Parents, is of our choosing as to when we progress, however, there is only one way:

HUM: Humanity is to ascend. We are self contained. Our soul is always in truth and perfect at all times. **By living true to ourself, true to our feelings, we are living true to God. It's that simple.**

We are to recognise that being engaged and dominated by our mind is the wrong way for us to evolve and grow in truth. We are to discard the mind enslavement that has been imposed upon as by all of our parents. We are to express our feelings, both good and bad and free ourselves of the indoctrination that humanity has embraced worldwide.

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God's soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of our Mother and Father.

AVO: We are to embrace the truths and guidance of the Avonal Pair through their Spirits of Truth. It is the Avonal Pair's guidance that will lead us through our Feeling Healing, and with Divine Love, we will be able to ascend through the 7 spirit Mansion Worlds and enter the Celestial Heavens where we also interact with other world's spirits.

J&M: We are also to embrace the truths and guidance of the Paradise Pair, Mary and Jesus, who will then lead us through the 3 Celestial Heavens that are aligned with Earth, and then further on through Nebadon where we will then depart beyond on towards Paradise.

M&F: Beyond the universal zone of Nebadon, we will be guided by our Heavenly Mother and Father onwards through the universes to Paradise where we will be welcomed by them, home for us all, as we are all Children of God.

AVO

HUM

WE ARE Children of God

WE ALL ARE BEING GUIDED HOME – NOW, HOW TO COMMENCE THE JOURNEY:

GOD

M&F

For 200,000 years, we have been misled into embracing our mind's distortion of wisdom and truth. All such traditional understandings only lead us in the wrong direction, from which we must turn back from. Our soul based feelings are always in truth. Our minds are to follow our soul based truths and feelings, not the other way round, as we have been brought up to embrace.

We are to connect with our deeper repressed feelings.
We are to long for the truth of what we are feeling.
We are to live true to our selves; by living true to our feelings.

Use your surface day-to-day feelings to connect with your deeper repressed feelings. Express your surface feelings and your deeper repressed feelings to uncover the truth of yourself.

J&M

We all have feelings which we communicate and share with each other. And we all have deeper buried and hidden repressed feelings. Feelings from our early childhood we felt, yet weren't allowed to express. These feelings are still within us, waiting to have their say. These feelings, because they are repressed, cause us all our problems.

And as we look to uncover, bring out and accept these deeper feelings, so we're taken into new ways of looking at ourselves, our feelings, and our life. We're setting ourselves free of the controlling patterns that govern our unloving behaviour.

In this way, we progressively begin to express the personality that our Heavenly Mother and Father gave us, not the one imposed upon us by our physical parents and carers. We are to be our true and real selves.

By living true to ourself, true to our feelings, we are living true to God. It's that simple.

AVO

HUM

As we, humanity, long for the truth of our feelings, we can also be assisted by the Spirits of Truth of the Avonal Pair who are our spiritual teachers for Earth over this coming 1,000 years, to assist us through the Great U-Turn, away from mind dominance to being soul based feeling lead. They will assist us through the seven levels of the spirit Mansion Worlds.

Then the Creator Pair, Jesus and Mary, will lead us through Nebadon and into the greater universe. Then our Heavenly Mother and Father lead us home to Paradise.

WE ARE Children of God

Collectively, should we embrace them all, as we are to, then our pathway home is a journey in the hands of the Spirits of Truth of the Avonal and Paradise Pairs overseen by our Heavenly Parents.

HOW TO GET TO PARADISE:

- Long for the Divine Love
- Long for the Truth
- Long for the truth of your feelings
- Don't deny any feelings: accept, express and want to know the truth of them
- Know your feelings are the key; your feelings are the Way
- Want to end your falseness and being untrue
- Want to understand the truth of your early life
- Use your surface feelings to move deeper into yourself, bringing up your repressed feelings
- Want and long to know the whole truth of yourself
- Want to do it all with God, your Heavenly Mother and Father – long to Them for help.

The Key

Our longing drives our life. We long with feelings. We can wish for things using our mind, yet long for things with our heart. These things in the pyramid are what to long for. Longing for them, when the longing comes naturally. Longing because you feel you really want them. Long to be true with all your heart. Long to live true to your feelings. Long to understand the whole truth of yourself.

PARADISE TRINITY:

1. **Our MOTHER and FATHER (God) (MF) – Divine Love**
SOUL (God) – One SOUL that is expressing its two PERSONALITIES, our Heavenly Mother and Heavenly Father (Soulmates / Soul Partners)
2. **ETERNAL SON (ES) – Divine Truth**
3. **INFINITE DAUGHTER (ID) – Divine Mind**

Then: The Second and Third Persons of the Paradise Trinity (ES and ID) are stepped down to the local universe trinity (Mary and Jesus, Divine Minister (DM), and her Holy Spirit.

The LOCAL UNIVERSE TRINITY:

1. **MARY M and JESUS** – Our MOTHER and FATHER – Love – the Living Truth
2. **DIVINE MINISTER** – Mind (and her Holy Spirit)
3. **HUMANITY – Natural love, sons and Daughters – Truth, and our Angels – Mind**

PLANETS that engage in REBELLION:

1. **AVONAL SOULMATE PAIR** – the Feeling Healing process – incarnate
2. **DAYNAL – TEACHER PAIRS** – they do not incarnate

So in summary:

Consider a diamond:

Mother and Father Heavenly Parents

Creator Son & Daughter
Jesus and Mary

Avonals
as soulmate pairs

Trinity Teachers
as soulmate pairs

Melchizedeks – who have taken over from the Caligastians and Daligastians being also all as soulmate / soul partner pairs.

Mortal Souls – human beings who individualise on Earth, then progress through the spirit Mansion Worlds, then into the Celestial Heavens, and beyond.

Mortal Souls – also being ascending spirits, upon completing their Soul Healing, join with their soulmate, then join their soul group of 24 mortal spirits, being 12 soul pairs. It is only as a soulgroup that anyone can progress beyond Nebadon.

The Paradise Pairs are all ONLY concerned with the SPIRITUAL wellbeing and upliftment of the planets and local universe. Currently to do with Earth:

Mary and Jesus – spiritual wellbeing and upliftment of the whole of Nebadon region.

Avonal Pair – Daynal pairs (Trinity Teacher Daughters and Sons) – Spiritual wellbeing and upliftment of individual planets and their associated Mansion Worlds.

The Local universal Sons and Daughters are all about the running of the worlds under their jurisdiction, and ensuring the higher spiritual elements can be employed, or sent astray, as in our cases through the Rebellion and Default.

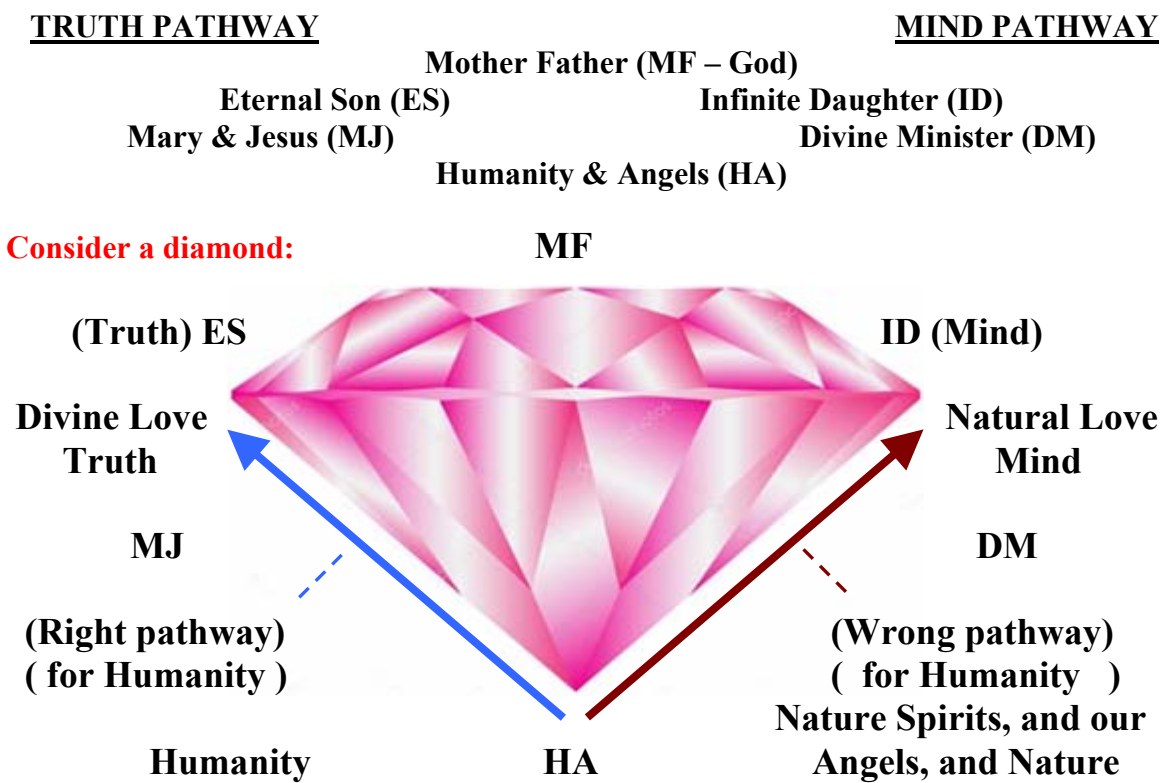

Lanonandeks – Melchizedeks (and others, such as Life Carriers and Eve and Adam).

As the Lanonandeks all rebelled – the Lucifers, Satans, Caligastias and Daligastias soulmate / soul partner pairs – so the Melchizedeks have taken over their roles, as well as doing their own.

So the Melchizedeks are the governors, overseers, the administrators and advisors and so on for Earth; they are the ‘controllers’, and they will instigate all that needs to be done to do with the ending of the Rebellion and Default. And they will enlist the willing help of ascending mortal pairs, so the mortal Celestials spirits (soulmates when available, and others waiting to unite with their partner), and at times mortal spirits in the Divine Love Healing Mansion Worlds. And the angels help all of us.

Currently the whole of Creation exists for the ascension of mortal souls from their earth planets to Paradise. It’s all one vast Grand Ascension Scheme. With all the higher and lower spiritual Daughters and Sons, together with all the many different angels and other universal spirit personalities, and even including nature and our very own pets, assisting women and men with their Ascension Journey. It being: and Ascension of Truth. Everything we do is done to help us grow in truth. (Only everything we do in our negative state is to deny ourselves our truth from our feelings, which is why we have to do our Healing.) All women and men are ascending (or growing) in truth through their experiences. And as we grow in truth by looking to our feelings to show us that truth, so we’re ascending, moving inwards and upwards through all the worlds and spheres of the Grand Universe to one day arrive on Paradise and meet our Heavenly Parents. God is providing us, Their children, with this spiritual journey called our Ascension of Truth. And by living true to our feelings, so we are progressing on our true Spiritual Path – our Ascension Path.

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God’s soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of your Mother and Father.

Humanity is to pursue the pathway for Truth through one’s soul based feelings, this is the right pathway. However, humanity commences its journey founded on natural love, which we now know is to be perfected through one’s Feeling Healing process and then made divine through asking for and receiving our Heavenly Parents’ Divine Love.

For 200,000 years, **humanity** has pursued the pathway of the Mind, being that of the brain, this is the wrong pathway. The Mind is the pathway for Angels and that of all of Nature.

CREATION of SOUL and SPIRIT:

God is *The Paradise Trinity* — the eternal Deity union of the Personalities: the Universal Mother and Father; the Eternal Son of Truth; and the Infinite Daughter Spirit of Mind.

The soul of each human personality (sons and daughters of truth) is existential, driving our personality expression in the experiential. The soul of each human finds truth by embracing one’s feelings and longing for the truth of them. We are to attain the Eternal Son of Truth. We are a creation of Truth.

Feeling Pathway

Mind Pathway

Soulmate Pair

Angel

Spirit Person

Nature Spirit

The soul of angels is experiential, evolving through their experience by continually progressing in mind development. Angels are to attain the Infinite Daughter (Spirit) of Mind. Angels are a creation of Mind. Our soul is duplex (we have a soulmate / soul partner) and is created by our Heavenly Parents. Through our Feeling Healing we perfect ourselves enabling the union with our soulmate, as we progress in truth up through the Mansion Worlds, celestial heavens and all the way to Paradise.

The soul of angels is also duplex, yet of the mind, and they progress in mind evolution to Paradise. Animals, plants and nature spirits are also creations of Mind.

Neither we nor animals reincarnate. We never die; upon death, we move into the spirit Mansion Worlds on our journey to Paradise. When animals and plants die, be they the tiny microbe to the mighty elephants of the land and the whales of the ocean, their spirit energy returns to the Spirit Collective Energy. And from this energy are drawn other animals and the nature spirits, who then in turn move onto becoming angels through increasing mind experience.

A nature spirit is an angel in waiting.

WE EACH have a Nature Spirit pair, Spirit Guide pair and an Angelic Pair:

For those doing their Healing or are interested in doing it will from that time have their own personal angels, spirit guides and nature spirits with them, with whom they are to develop their own relationships should they want to. It is not about ‘sharing’ the same angels or guides or nature spirits, it is about you relating specifically to your ‘own’ ones because they are provided for YOU. It’s all for you, to maximise the experiences we each need.

We are all to have our own pure relationships. And it’s the same of course in life with your friends, however over there, in spirit, dealing with Nature Spirits, Spirit Guides, and Angels, it’s more personal and private and ‘JUST FOR YOU’. So we have our own separate, unique relationships.

For example, Nature Spirit Verna has been assigned to be specifically and only with James, and she ain’t going to be assigned to anyone else, so she won’t be sharing herself around.

This is SO IMPORTANT to understand so that in future there won’t be all these people claiming to be speaking with Verna or Mary Magdalene or Jesus or Nanna Beth or anyone else who is part of it all in such capacity. Mary M and Jesus have spoken with James as they have, making it quite clear he is all they are speaking with.

We each have a band of a Nature Spirit pair, Spirit Guide pair, and an Angelic pair, each pair being in their ‘soulmate / soul partner’ relationship. Even though we are ascending mortals having a soulmate, even our soulmate has his or her own group of six personalities assisting him or her. *Our assigned Nature Spirits do not continue with us into spirit, our Spirit Guides may for a time assist upon entry to the spirit Mansion Worlds, however, our personal Angelic pair continues with us to Paradise, and then even possibly being with us throughout eternity.*

Feelings first

Speaking with Mary Magdalene and Jesus

book 1 by James Moncrief

What is the soul?

1 October 2013

Jesus I was asked by email: what is the soul? Can you please answer that question? I know we've talked about it before, however I'd like to see what you say this time, as each time you say more about such things.

Mary and I do say more James, because each time you've asked us, you've grown more in truth, so we are relating to you differently, on a different level of light – the light of your truth. So our relationship with you is constantly evolving, so there's always more to come to light.

The soul is that indefinable part of yourself. It's that part you can sense, soul-perceive within you, but you don't actually know where. And it's not centred in, nor is it part of the mind as some people think. Your soul is separate to all of yourself, that is, all the parts or attributes of your personality that are being expressed continuously by it in Creation. Separate and yet inextricably linked to you by light.

Our soul contains the pattern of all we are, all we have been and all we'll ever be. Nothing enters it or leaves it, save for light and the Divine Love of God, which is also a Light. Soul-light comes forth from the soul in accordance with its pattern, this light, interacting with Creational light on the will level first, then moving outward, expressing all the aspects of yourself – your personality you need to live life with. As you express yourself, and that's every part of yourself, all physical, spiritual and all in between, so you are generating an experiential light, which then goes back into your soul via your will, which in turn then causes your soul to express the next part of its pattern, and so it goes, as you're evolved into being by your soul.

So is the soul evolving as the Urantia Book says?

That's one of those points that always comes up for discussion. Yes and no. On the soul level no, on the experiential level yes. You feel yourself evolving, and your soul is receiving and giving light all the time, and so one could argue it is changing, and yet one can also argue how can something change that's already completely existentially perfect, and so unchanging.

But our soul is growing in truth, I mean, that's the part of us that is growing in truth, isn't it?

It is, so yes, more for the argument of our having an evolving soul, and that's how you feel, and yet you can also feel how perfect and unchanging your soul is. Another conundrum.

Yes, which I guess is how it will always be because we're so focused in the experience side of things, being unable to focus in the existential and soul side.

True, however the further you progress, and the more your soul expresses in Creation, part of what goes along with that, is a sense, also from your soul-perfections, that you are actually more your soul, so you are always becoming closer to being your true and whole soul.

Okay, I have a vague sense of what you mean, and I suppose I'll have to wait until I've first healed myself before my soul-perceptions awaken properly.

Yes, because in your negative state, you're denying them, which is why you're not, as yet, feeling and perceiving the full benefits of the truth you have evolved in your soul.

I see, yes of course, that's what I was talking with Marion about today, something I'd not been able to understand. But now I can, thank you Jesus once again. So even though I've done a certain amount of my healing, and so grown a certain amount in truth, the same with receiving a certain amount of Divine Love, I don't really feel that much better for it, even after all these years. It's hard to say, as now I'll contradict myself, because I do feel so much better in lots of ways, but not anything like I imagine and hope I will feel when I am healed. I don't feel any great love or support from the Mother and Father nor do I live with any feelings of confidence, certainty and faith in myself, like how I imagine one would live if one wasn't full of so much fear, being full of love. But from what you've said, it makes sense, that of course I can't feel loved and all that it brings, because I'm still not true and perfect. So I can't feel the full support and comfort of the truth I have attained because I'm still untrue in so many ways, my untruth still undermining my truth.

And you can't feel too good yet James, because were you to, it would stop you feeling bad, it helping you to keep denying the remaining repressed feelings that are in you. So, although your soul has evolved to some degree in truth, you can't live with and feel the full benefits from it just yet because you've still got to keep feeling bad so as to keep bringing up what's still repressed in you. And the same goes as you said for the Divine Love, your soul won't allow you to feel its full benefit yet because that too would overshadow your remaining repressed bad feelings. So all the good feeling resulting from the Love and the truth are sort of on hold, with just enough of their light given to you so as to enable you to feel that indeed you are on the right track by doing your healing, and giving you just enough strength and desire to keep pushing on, all whilst at the same time, not preventing you from feeling all the bad feelings you need to keep feeling.

Now you say all this, I remember we've been over it before, and yes I understand it all again. I don't know Jesus, sometimes I think I'm losing the plot, I seem to forget so much.

It's only that your soul stops or keeps you from remembering it James, all so you can keep focused on what you need to be, so as to keep bringing up and expressing your repressed feelings. When you're healed, there will no longer be any need to 'forget'.

Can you say some more about the soul please?

Yes. As we've previously talked about it, being duplex in nature, I won't go over that again, however I will add that your soul is not your consciousness, nor your subconscious for that matter, they being parts or attributes of your experiential or Creational personality. When you die and move into spirit, all that is of the experiential part of you, other than your physical body, 'moves' or simply 'awakens' in your spirit form, it all having nothing to do with your soul. However your soul orchestrates your transition. Your soul always remains where it is, there is no such thing as space, as it's defined in Creation, in the existential-ness of soul. So it's not quite right when people say their soul has gone to heaven, as heaven is just a part of Creation, it also being only an expression of soul, that being of the Mother and Father's Great Soul.

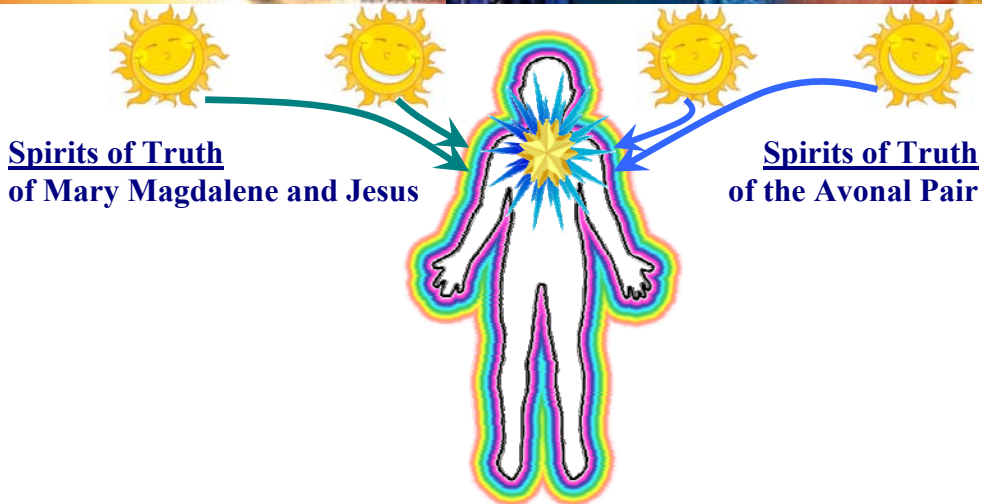

Jesus, in soul-land, are all the souls sort of next to each other in soul-space, and how are they in relation to God's soul... or are we all in God's soul, like subsets of it?

I can't tell you James, for I don't know. It's one of those things that there is a lot of speculation about, but so far Creation has not been told about how it actually is. It just IS, and that's about all we can say and accept. However in time, in the aeons of eternity, it's speculated that we might know more about soul, the Mother and Father revealing more of the true nature of Themselves. But for the time being, the soul will remain the One Great Unfathomable Mystery.

Why have people confused the soul with the mind?

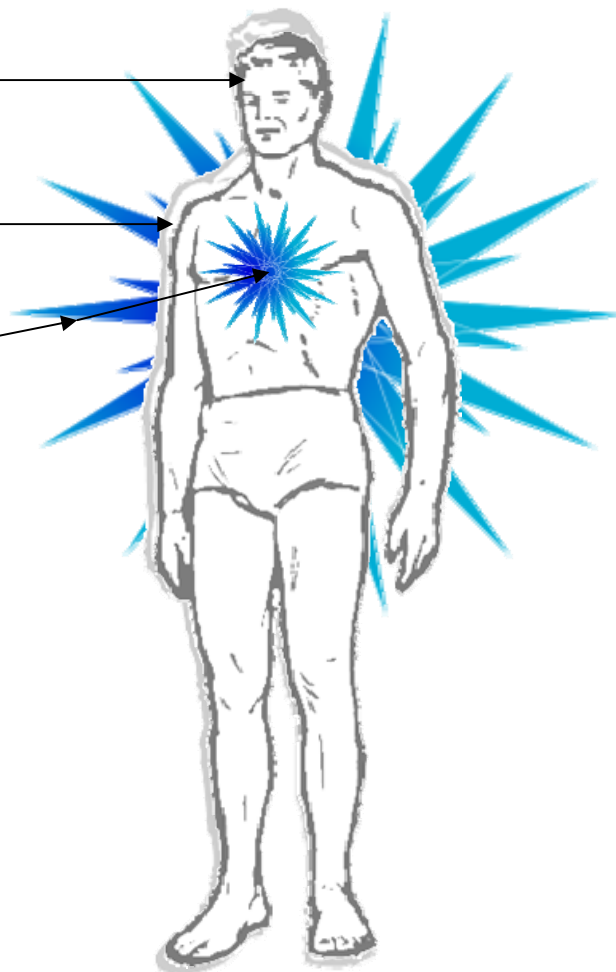

Because they've not had the Divine Love in their soul so as to make the necessary distinctions. Also they have reasoned that as they believe they have freedom of mind to do as they please; so the mind is the most powerful part of them, unlike their feelings which they have no say and little control over, not unless they use their mind. So they have looked to God as being the all- powerful one, the one who naturally created the all-powerful mind. And then, as the soul being a real thing, having been revealed to humanity from time to time, so such people have understandably put the two together, reasoning that the mind is the soul and the soul the mind. Or the mind is the seat or heart of the soul, or the soul is the seat or heart or light of the mind, and that through your mind you can attain the soul, which of course you can't and is untrue. Only through your feelings can you come to BE your soul.

And such people have believed and strived to be at-one with God through their minds, in the mistaken belief they are becoming at-one with their own soul and the Great Soul that is God, this being what many of the mind spirits and guru type people on Earth are striving to achieve, but it's all by denying their true feelings, so all only going further into their feeling-denial and evilness.

ASPECTS of LIFE:

<u>Physical / material body</u> Brain	→
<u>Spirit / etheric body</u> Mind	→
<u>Soul + Spirit Combination</u> Senses Desires Memory Passions Intention Free Will Emotions Creativity Awareness Personality Aspirations Intelligence Consciousness <u>The Real You is your Soul!</u>	→

The spirit body is composed of a different kind of matter, "finer" or more "ethereal". The fact that its aspect reflects the condition of soul is a clear indication that the soul influences largely its formation, and even more, the soul is indeed the creator of this body, which covers it and provides it with the characteristic of individuality. The formation of the spirit body begins at the moment of incarnation of the soul in the foetus, incarnation which only takes place should there exist a high probability that the spirit of life has found in the new organism a stable biological structure, allowing it to carry out its life-giving function.

P529 Judas of Kerioth 8th May 2002

At the moment of conception, we incarnate, that is, we achieve individualisation and become self aware and we are then able to exercise our free will.

At the moment of conception, our soul, being our real self, is creating the newly forming embryo and everything else every step of the way as Judas says above. And our soul utilises our parents' life forces to achieve incarnation.

At the moment of conception, there is nothing of the Divine within us. Only as we proceed to ask for and receive Divine Love does our soul slowly and progressively change into the nature of that which is Divine. As our soul receives Divine Love, and embraces Feeling Healing, it will grow, and grow, and grow in brilliance and into that which is Divine.

Messages from Mary and Jesus

book 1 by James Moncrief

12 April 2003

Good morning James, it's my turn now, Mary.

I want to explain more about the Rebellion. I wish to speak more about the female perpetrators of it. As I told you in a previous message, the male *Evil Ones*: Lucifer, Satan, Caligastia and Daligastia, all had female counterparts – soul-partners, who's roles are largely unknown. They have done all they could to keep women under their rule and have cast many *spells*, not only over women, but also over men. It has been mostly their work that has maintained the power of the Rebellion and enforced its grip on humanity. Being female and therefore all concerned with the personal areas of life, and mostly relationships, they have worked insidiously on controlling relationships over the aeons knowing that this was the way to gain the power and control they needed. They knew that if they occupied the women's minds in these relationships, turning them against themselves, they would separate from their men and the battle would be over – they would have got their quarry. The men only needed to be distracted, made to believe their work was important enough to take them away from their personal relationships, as you can observe in the account of Adam and Eve in *The Urantia Book*, thereby giving themselves time to work on the women they wanted to corrupt. The male Evil Ones easily side-tracked the Earth males away from their relationships by making them feel threatened by outside things. So they would leave their partner and go off trying to solve the problem feeling all important with their success, and at times only coming home for very brief periods to be with their partner before the next crisis took them away again. This left their women vulnerable to the female Evil Ones, and made them vulnerable to the ego praise from the male Evil Ones.

Even though it was Lucifer who came out announcing their declaration of war: *The Declaration of Liberty* (re: *The Urantia Book*), openly denying Jesus and I and the Mother and Father, he was completely supported by Mrs Lucifer. And if one were able to look into their relationship one would see that it was in fact Mrs Lucifer who subtly drove their whole rebellion – the feminine being the spiritual leader. It was a spiritual rebellion: a rebellion of spirit – truth verses the mind.

A Rebellion will only progress if it can maintain the breakdown of relationships. And from your reading of *The Urantia Book*, you can see how crucial the order of the higher sons and daughters needs to be to maintain an even course of evolution for a humanity.

During all the years preceding the arrival of Adam and Eve, these rebellious women spirits worked on all the leaders of power, men and women tribal leaders of all races, trying to seduce them into all the many ways of having an imperfect relationship. The mortal males stood no chance at resisting the persuasive subtle thoughts and influences imposed on their limited superstitious minds. Gradually the thirst for power over took everything else, especially the need to have a true loving relationship. Many such men don't value women as an equal in truth, and can easily have multiple partners – whole harems of women just for their pleasure. And they definitely are not truly interested in living a life of truth with their soul-mate. They might believe they are interested in finding their soul-mate, or even believe they have found her, but this is only living out a fantasy of their mind.

Because of the negative, or evil, influences from these higher rebellious spirits, it became very appealing for the chief, being often physically strong, to have numerous wives or women, all who he had power over making them subservient to him. The greatest false power a man can have is actually having power over women and his children. By being the controller, even if the illusion is that his woman is of equal power, gives him the greatest feelings of power, because he is then finally having power over his mother, whom he feared because she had power over him when he was small. Men's relentless pursuit of power is nothing more than to try and stop themselves feeling powerless, which was caused by their mothers.

For so many women the only sense of power – again false power – they can get is when they have children, being able to lord it over them, being able to make the boys subservient to them, as their father's made them be to them.

It didn't take long for primitive men to willingly accept the ego praising thoughts of self- greatness from these unseen spirits who worked on their minds, and the natural longings of their soul to have only one partner became easily overlooked. It didn't take much for such men to see women in terms of being only a commodity: the more you had the greater the reflection of your status; it was value added having many women *slaves* working for them. And it was easy for the evil male spirits to keep up the mortal mans belief that he was the all-powerful one because of his physical strength over women.

Had this negative unseen influence from spirit not been on mortal man, evolution would have seen that the balance and equality of men and women would have been maintained and fully appreciated, as both would have been able to see clearly how much they needed each other to survive. To separate, and make women only good for child raising, cooking and servicing the needs of men; and to make the men only focus on power and having to fight to physically prove their dominance to each other and to women, has caused great problems for humanity. There is no reason why the society of men and women can't lovingly be shared in EVERY facet of daily life, in the hunting, protecting, cooking, cleaning, child raising, education, politics. When both are fully united together and living true to their feelings, then their truth will be united and life will unfold perfectly for them – TOGETHER!

As The Urantia Book portrays, **the two original ancestors of humanity** (Andon and Fonta arrived about one million years ago, now known as Aman and Amon – our first parents are not Adama and Eve) ran away together with only each other to trust, their bond becoming very strong, and their equality paramount as they both turned naturally to each other for survival. This is how humanity began equal in their natural love and affection for each other as twins, symbolic of soul-mates. But with the steady negative influences from spirits, look at what has happened to you.

Men and women who do enjoy more equality in their relationships, and have learned to appreciate each other, and have not just stuck rigidly to the separate roles but have shared all work together, have seen just how thrilling and wonderful the relationship between opposite sexes can be, and how both need each other to make the whole. The idea of separateness, the man does this and women does that, and neither cross over and interfere with each other, living *happily* together, is nonsense and completely representative of evil and the problems at hand. Men and women can of course have separate interests and spend time apart, but I think you understand what I mean by being fully together, fully together in will, truth, mind and spirit, that they are living both true to their feelings, growing in truth and enjoying being *united* together.

How you currently live, is exactly the end product of the evil instigators of the Rebellion wanted to achieve. You can see easily how such separation has been promoted down through the ages.

They have achieved their desires: to unite men and women of negative minds together in the false belief that they love each other, and then for them to procreate inducing their children into the same rebellion they are living in their minds. So forevermore, provided no one wants to uncover the truth, the rebellion will carry on unchecked.

Their biggest coup was bringing about the separation of Adam and Eve (who arrived about forty thousand years ago). When they managed to separate them long enough, their special bond together weakened until they defaulted. Adam was seduced through appealing to his greatness and his need to do all the outside work to protect his family and the Garden of Eden from invaders; and Eve by trying to speed up the growth of their family. Both fell equally, and it is completely unfair to just blame Eve. If anything,

Adam should not have gone so much away from home, supporting Eve so she felt less insecure, and thereby not playing into the hands of the evil women spirits.

Once the fall of Adam and Eve had been brought about, the Evil Ones new they had humanity all but in their power. Those who grew up in such a rebellious climate would naturally live their earthly lives in a negative state (passing it onto their children), and then in spirit would continue to look toward furthering their evil mind-glorifying ways. And had Jesus and I not come this is what would still be happening. These evil women and masculine spirits would be the rulers of the Mansion Worlds. Humanity, bound up in its negative state and having been isolated from the greater universe when Eve and Adam defaulted, would be confined to these quarantined Mansion Worlds knowing nothing else of the greater universe – nor anything about truth and her love. Had we not come when you died you would go over into the spirit worlds and live under the regime of these Evil Ones, and they would be the great god's you would worship. And with their powers, if you misbehaved and did not do what they wanted, they would be able to exert a very painful mind pressure to dissuade you and bring you back into line.

But with the coming of Jesus and myself their reign is over. They have been interned on a world awaiting their final judgement, which will not take place until all the effects of the Rebellion and Default have been healed on all the worlds they interfered with. So as it now stands, they will remain imprisoned for a very long time.

Now if you choose to stay in your rebellious mind state, when you come into spirit you will live in the natural love mansion spirit or mind worlds, and instead of looking to the Evil Ones for leadership, you will look to those of your own humanity, the so-called *Ascended Masters*, or the *Leaders of Light*, leaders of the various religions, and other self-proclaimed spirits of the sixth world. And they would lead and guide you in place of the Evil Ones, namely Caligastia and Daligastia and their soul-partners. They will control your growth and evolution within your negative condition, until you choose that you do not want to be a part of the Rebellion anymore, choosing the way of the Mother and Father's Love and starting to do your soul-healing. Your soul- healing being the healing of yourself of all rebellion and default that is in you. And you are well entrenched in both these aspects.

Essentially all of your striving for self-greatness and self-glory whilst denying the Mother and Father is the Rebellion. And all your separation you are keeping between yourself and your soul-partner, and all the problems you have with relationships, is the Default. So when you set out to heal your soul you have a lot to deal with, these two deeply corrupted aspects that are within you.

During the many years between the fall of Eve and Adam, and Jesus and my coming to Earth, the evil spirits had free reign over you. However by this time their own relationships had faltered and they, themselves, had all separated. The male evil ones went their way and the female ones theirs. They began the Rebellion in the first place, because of rebellion in their own minds and then in their relationships. And not wanting to heal this, they gave into it, reuniting although in internal opposition to each other, but pretending that they were still very much a pair and loving each other. But this pretence failed after the fall of Eve and Adam. They kept the pretence until Eve and Adam came and defaulted, with Earth being their major material planet coup. They wanted Earth because it could be seen that it was going to host many billions of souls, all of whom they wanted power over. But as the partnerships of the evil spirits separated, the males went to further their power by seducing the powerful male leaders on Earth to follow their plans, and the female ones worked mostly on the women of Earth. They agreed upon a working relationship to achieve their own ends. They all wanted power for themselves being seduced by the very temporal power they were inducing those on Earth and on the other affected material worlds to gain.

These women evil spirits concentrated more on the attention of turning the mothers focus against her

child, with artful deception making the mother believe what she was doing for her child was for its best and being done with love. They worked on the women who were in power positions themselves or as the wives of the men in authority, and they saw that if they could turn mother against child then the child would grow up unloved, lost and easily more receptive to listening to and doing what these evil spirits wanted. And so many male children though the turning of their mothers against them, came under the control of the women evil spirits, easily falling into line believing they were right in all they were doing; and in doing so, controlled and influenced the path of human culture and social evolution in the negative. By starting with such children these women spirits slowly gained the control over the evil male spirits who were not able to manipulate mortal parents so easily; they couldn't be so personal and involved in all the intricate emotions and feelings needed during child raising to maintain such pressure on the mothers and fathers getting them to do what they wanted. The real evil men of humanity have been men thus swayed, and the ones since the times of Jesus and I, have shown you just how terrible and unloving such negative influences can be. These bad people are the outworking of all the bad and evil ways that the evil spirits inflicted on men and women of Earth before Jesus and my coming.

Now you are living such out workings, or legacies, of all the years when humanity was influenced unabated by these evil spirits. Your minds and the relationships you have with your children are such that they are not of love, as intended by the Mother and Father, but are heavily weighted in the evil, with mother opposing child and father opposing mother and child. So you will see through your healing just how bad a negative mind state you are in – how you accept it as the norm knowing nothing else.

Your mind has been made to go against itself, being forced into this bad state by your parents.

The reality now is you can't blame outside evil spirits, you are doing it all to yourselves. None of the original Evil Spirits, the higher Sons and Daughter spirits, are affecting humanity any longer. They have all been incarcerated.

You try to love each other, but really you have no comprehension as to what love is and how you would actually be together if you were loving. Only when you become as a Celestial spirit will you know, and until then you will still be living out whatever level of the Rebellion and Default you exist in.

The evil women spirits did not need, and so made sure, that their names were not known to humanity. They sort power over others inwardly, whereas the male spirits loved and delighted in knowing that they were openly feared. They wanted you to fear them so that you would do what they said. They wanted you to fear Lucifer and Satan so that if you did not do what they said you would go to hell. Many still believe that that is their punishment if they do not adhere to the good, the *good* being what these two spirits have made you believe is good.

The women evil spirits worked deeper and more personally, and are actually why the Rebellion and Default has you so firmly in its grip. They sort to diffuse men and women's minds corrupting them into the negative state you live in. They took it to the parent-child relationship, whereas the male evil spirits stayed and focus mostly on the adult state making you fear them as adults. But together the damage has been done, and the true salvation plan of humanity, of which Jesus and I are only the first step, is to heal all these negative influences and the problems arising from them.

As the years progressed after the fall of Eve and Adam to Jesus and my time, each time the women evil spirits succeeded in introducing more negativity and making it seem that it was love and the right way to live, the planetary mental circuits fell to them. These circuits were in effect taken over by them and out of the Divine Ministers hands, and so it was that which brought about your negative mind state circuit by circuit. And so to rectify these circuits, there is need for a Daughter and Son of Truth higher in soul creation than the Evil Ones, to bring about the change from the negative to the positive. Jesus and I are

such a higher Daughter and Son and we terminated the Rebellion and Default personally in spirit, but we did not fix – heal – the mental circuitry problem as we could not be born into the evil. We were too high a Son and Daughter of Truth to do this, as we could not be born subjected to the negative mind state. That cannot happen to the Universal Creator Parents. But it can happen to the *Lesser Christ's*, the Avonal Daughter's and Sons of Truth. So your world has been waiting, mostly unbeknown to you, for an Avonal pair to come fully bestowing themselves into flesh, taking on all the negative circuits, and through the doing of their soul-healing, heal or fix the fallen mind circuits – the fallen mind of humanity. As they heal their soul and free their minds bringing them into a positive state, then so too is the Divine Minister given back the control of all such mental circuits, and Earth comes out of its planetary isolation being linked back up to all the regular planetary levels of intercommunication.

Jesus and I have organised for such an Avonal pair to come to your world. They are to complete their healing to the Celestial level and then beyond, taking into account the corrupted levels below and including that of Lucifer and Satan, allowing the Divine Minister (the Local Universal Mother Spirit of all Mind) to regain control of your world. As they achieve this, the way will be clear for all people to do their soul-healing, being able to free their minds whilst of flesh. This will be the next phase in rectifying the problems of the Rebellion and the Default.

Mortal man cannot change the circuitry himself. So no one has been able to do their soul-healing and mind-freeing until now – until this Avonal couple has completed their soul-healing. You will need the active influence of their Spirits of Truth to help you reveal the truth of your negative state, which being done, will allow the Spirits of Truth of Jesus and myself to come in and guide you the rest of the way in truth up through our universe. This Avonal pair will bridge the gap between you and us. So you will need to welcome them as you welcome us. You will need to accept the truth they live, following them through your soul-healing, reclaiming your minds and ending all evil.

Soon the Divine Minister is to announce the full and complete re-instatement of the mental circuits of humanity, and this will then stand for all time. Humanity will not experience another Rebellion or Default.

Because of the negative mind state, and its all-controlling influence over the soul, no truth has been able to be liberated on Earth concerning all of this until now. And that was why Jesus and I waited until this time to come again revealing the higher spiritual truths we know you will need.

As to the coming of this high Avonal pair, nothing has been said to humanity about them, because like everything, no such truth has been able to be revealed. There has not been a mortal evolved high enough in truth able to receive such truth from higher spirits. Jesus by coming to Mr Padgett used his Creator prerogatives honouring his promise to humanity by coming down to mortal man re-presenting some of the truths he lives.

Humanity has remained literally in the dark; dark initially imposed on it by the Evil Ones, but now lived entirely willingly by yourselves. However all is not lost, as the Mother and Father, being your true Parents of love, will show once again Their hands and heart: that They do care about you, that you have not been forgotten and left to the evil forces that exist in your own minds. They are sending their high Daughters and Sons to help you.

The overall result of the negative influences on your minds by the evil spirits is reflected in the hatred between the sexes. *You make love* to each other believing this is an expression of your love for each other, and like all you do, you believe that this is good and all should participate in it; but as you will discover through your healing, it is actually *making hate* and not love at all. As is the way you do everything. As we have told you, to do your healing you will have to accept that everything you do and

believe is wrong. And if you do this, then you will be able to embrace your need to do your healing.

You don't need to *make* love. It cannot be made. Love comes when you are living true to your feelings, then it is just there, it's not made. How you relate to each other will be loving because of the truth you are living. Living without truth means you only have your minds to relate to one another with, and so with your mind you do *make* love; you contrive that you are loving, and what you feel is love.

With your negative minds you seek power over each other. To parent is to be the all-powerful one; to make love is to have power over your partner. The great need for sex so many are afflicted with is only a great need for power, because you feel so powerless. And to do something for this false power is not loving; making love for power is not loving. Conceiving a child whilst in the act of gaining power is not conceiving with love, and your child in its soul knows this. It becomes a deep pain; a deep knowing that it wasn't wanted by its parents, that they didn't love it, that they didn't want it during the intimate act that begun its incarnation, the most crucial moment of its existence. No child is conceived with true love currently on your world, because everyone is living in a self-denying state of mind. Because everyone feels to some degree powerless, and because everyone is using each other for nothing more than to try and regain some of that lost power.

True power comes from love that comes from Truth, and with love you want to respect and not dominate anything or anyone; you want to love everything as the Mother and Father do – as They love you. Humanity is born and bred in evil. It knows nothing else. Hundreds of thousands of years have passed with you living this way. It is a part of your heritage, and it is right through all of you. Your whole world and existence, and all you create is wrong, and goes against the Laws of Love, against the Mother and Father. I dare say this will be hard for many to accept, but it is true, and until you accept it, you will be of it and nothing else.

The evil was brought on you equally by men and women evil spirits. And they have made you completely unequal as men and women. Neither sex is to be blamed more than the other, and as you will discover, your soul underneath it all, is not of it and is still as it was created: pure and true; But until you stop covering this up within yourself by your negativity, you will not know of your own true beauty: that being how the Mother and Father have created you to be.

We will end here James. Have a rest. Your loving sister, Mary.

By living true to ourselves, true to our feelings, we are living true to God. It's that simple.

Golden Rule: that one must always honour another's will as one honours one's own.

First Parents being First Ensouled Humans

Our first parents, Andon and Fonta (also called Aman and Amon), were the first to exhibit human perfection hunger some **one million years ago**. Andon and Fonta were the most remarkable pair of human beings that have ever lived on the face of the Earth. This wonderful pair, the actual parents of all mankind, were in every way superior to many of their immediate descendants, and they were radically different from all of their ancestors, both immediate and remote.

The Lucifer soulmate pair believe that the mind is superior to all things. Thus they convinced the inhabitants of 37 inhabited planets within the universe of Nebadon, including Earth, to become self reliant and abandon God and Their administrative leadership. The Lucifers brought about the Rebellion on Earth two hundred thousand years ago. So for 200,000 years of spiritual darkness, humanity has suffered the consequences of one's error ridden mind.

REBELLION

Adam and Eve, the Adamite soulmate pair, came about **thirty eight thousand years ago** to upstep the gene structure of humanity and advance their spirituality.

DEFAULT

Both Eve and Adam mated with local humans and accordingly defaulted on the plan. They were to breed a superior stock that would then interbreed.

Mary of Magdalene and Jesus of Nazareth, soulmates, **two thousand years ago**, both retained perfection, and during their sojourn on Earth were enthroned as sovereign rulers of Nebadon. **The bestowal of Michael (Jesus and Mary) terminated the Lucifer rebellion.**

The Second Coming, **now in progress**, reveals the availability of Divine Love and the need for each person to engage in the process of Feeling Healing. With the Divine Love then this process is one's Soul Healing.

Lucifer soulmate pair

Satan soulmate pair

Caligastia soulmate pair

Daligastia soulmate pair

Lucifer soulmate / soul partner pair were magnificent beings, a brilliant personality as one. They were designated as one of the one hundred most able and brilliant personalities in more than seven hundred thousand of their kind. From such a magnificent beginning, through evil and error, they embraced sin. They believed that their minds were all powerful and that everyone should be independent and reject the illusionary God and those who lead the path to God, namely Michael of Nebadon (Jesus and Mary).

Very little was heard of Lucifer on Urantia (Earth) owing to the fact that he assigned his first lieutenant, **Satan** (also a soulmate pair), to advocate his cause on our planet. The “devil” is none other than Caligastia (again, another soulmate pair). At the time Michael (Jesus and Mary) was on Urantia in the flesh, Lucifer, Satan, and Caligastia were leagued together to effect the miscarriage of his bestowal mission. But they significantly failed.

About five hundred thousand years ago and concurrent with the appearance of the six coloured or Sangik races, Caligastia, the Planetary Prince, arrived on Urantia. There were almost one-half billion primitive human beings on Earth at the time of the Prince’s arrival, and they were well scattered over Europe, Asia, and Africa. The Prince’s headquarters, established in Mesopotamia, was at about the centre of world population.

Caligastia had been attached to the council of the Life Carrier advisers on Jerusem. Lucifer elevated Caligastia to a position on his personal staff, and he acceptably filled five successive assignments of honor and trust. The Planetary Prince of Urantia (Earth), Caligastia, was not sent out on his mission alone but was accompanied by the usual corps of assistants and administrative helpers.

At the head of this group was **Daligastia** (soulmate pair), the associate-assistant of the Planetary Prince. Daligastia was also a secondary Lanonandek Son. He ranked as an assistant

Lucifer, with deputy Satan, and lieutenants Caligastia and Daligastia have ingrained into the human psyche to be mind dominated with its errors passing down through all parents, being self reliant and rejecting one’s own soul based feelings that are to lead us to our Heavenly Parents with the truths being provided by Mary and Jesus of Nebadon. Lucifer and Satan were removed two thousand years ago, Caligastia and Daligastia have very recently been removed. Their crimes against humanity make Adolf Hitler appear to be a saint!

Why did the Lanonandek Daughters and Sons rebel? Being the Lucifers, Satans, Caligastias and Daligastias soulmate / soul partner pairs. James Moncrief Monday, 12 November 2018

Re The Urantia Book (TUB): there are various orders of Paradise Descending Daughters and Sons. (NB: TUB only refers to the masculine so doesn't include Daughters.) The Descending Daughters and Sons descend or step down from Paradise to reach out and 'down' to the Ascending mortals – men and women on the evolutionary worlds, who are reaching out and 'up' to Paradise and for such help from the descending spirit pairs. Ascending mortal pairs (soulmates / soul partners) cannot by themselves ascend to Paradise, how to do that is not 'encoded' in their soul. So they need higher help and guidance from the descending pairs. So if people don't have this higher help they will never spiritually and physically progress very far. And if this higher help goes haywire, people are stuffed until other higher help comes to rescue them.

One such Descending Pair, the Creator Pair, comes out from Paradise to a section of space when it is ready for them – Mary M (Magdalene) and Jesus in our case; and in union with the Divine Minister, create, or 'bring into being' a Local Universe – Nebadon. Mary and Jesus then attend to the whole (local) universe, with Avonal Descending Paradise Pairs coming as required to the individual earth worlds to ensure and initiate the spiritual changing of the ages that is needed to advance the spiritual development of mortals in accordance with the Paradise Plan.

Part of the Creation of Nebadon includes the creation of Local Universal Descending Daughters and Sons that hold key positions on individual worlds and oversee larger areas or sections of the Nebadon. With the Lanonandeks being these key administrators, guides, overseers, who are the ones that ensure the ascending mortals of each world are given what they need in accordance with the unfolding phases of their evolution, as well as providing the necessary Mansion World structures and organisation of the Celestials spheres, the greater part of Nebadon, all so mortals of the evolutionary worlds can find their way up and in through the Local Universe so as to set out on their greater spiritual journey through the Super Universe and Central Universe to Paradise. The Lanonandeks make sure all the parts work as they are intended to do, with the Melchizedeks being more involved with the ongoing teaching and personal education of mortals about all things through the Local Universe.

The Lucifers, Satans, Caligastias and Daligastias are all Lanonandek pairs.

The Lucifers were the overseers of this sector – System – of Nebadon that includes Earth – Urantia. The Satans were to help the Lucifers, being the main liaison pair with the Caligastias (The Planetary Prince and Princess) who oversaw Earth directly from spirit, and the Daligastias being physically materialised on Earth so as to oversee and help evolve the local races of Earth on all levels, the practical physical and spiritual, this being how it was five hundred thousand years ago. And for three hundred thousand years, everything went well.

The whole of Creation thus far is one gigantic Ascending mortal scheme – The Ascension Scheme. So everything in it works to help slowly evolve humanity along the plans designed for them by the Descending Pairs and the Mother and Father, with the idea to evolve through ongoing self-expression the people from all the earths up through the Mansion Worlds and into the Celestial spheres and on through and out of Nebadon. So if anything goes wrong in any level of the universe then it causes problems for the mortals who are wanting to ascend.

The Lucifers were outstanding members of their Order. However according to TUB (if I remember correctly), they were passed over when they applied to oversee certain parts of Nebadon – and so why did that happen??? Then finally they got their chance. As to why they rebelled – it is said their egos, their self-importance, grew, and they weren't able to control it. They were seduced by some inner need

for greater power – but why did that happen? And is it just like everything else, there is variation in all things and so they went the way of rebelling against Mary and Jesus and the Mother and Father. And not being of a higher Paradise Order, they are more prone to being seduced by their inner biases, whereas supposedly Paradise Descending Daughters and Sons are too perfect, being of Paradise origin, and so wouldn't or even can't, rebel. And Avonal Pairs can willingly take on rebellion, but that's their choice and they are not technically rebelling or defaulting, they needing to do this so they can heal themselves of the Wrongness thereby liberating the world of rebellion, and in our cases, also default. Which means, providing people and spirits in the Mansion Worlds, their Spirits of Truth, so everyone in a rebellious state can look to them instead of the Evil Ones, the rebellious Lanonandeks, for the way out of rebellion and onto Paradise.

The Evil Ones took over their part of Neadon, Mary and Jesus allowed them to, allowing the Rebellion and subsequent Default on Earth to run its course. However it continues to cause masses of disruptions to the natural way of things, all of which we've been and continue to be subjected to.

So because humanity for two hundred thousand years has been increasingly subjected to the Rebellion and then also the Default of Eve and Adam (Material daughter and son), we are well and truly entrenched in the unconscious belief that the Evil Ones are the Gods, and that we're to look to them for the way to be happy and feel loved – that they are the Living Truth. And yet, as we can all see from our own lives when we start to address our bad feelings, this is wrong, false and misleading, only making us feel even more unhappy, unloved and powerless in our negative truth-denying state and being unable to do anything about it – because ascending mortals are not able to go against the higher Daughters and Sons. So without humanity knowing it, we have been praying to the Evil Ones as if they are God, even with people who pray to Jesus, praying to a mind-created fantasy Jesus and not the real one, as can be seen by the Evil Ones strategically denying humanity the truth of the Divine Love, with our need to long for it being excluded from the Bible and not found in any other rebellion-created religion.

Mary and Jesus being the highest Paradise Pair, by their coming to Earth, terminated the System Rebellion of the Lucifers and Satans. So that level of evil influence on all the rebellious physical worlds ended two thousand years ago. And then it's required for each world to be attended to by a bestowal Avonal Pair, who take on the evilness of that world and heal it within themselves, thereby ending the control in our case of the Caligastias and Daligastias, which has now apparently happened, with the Avonal Pair only to finish their Healing so as to signal the complete technical end of the Rebellion and Default.

So their – the Avonal pair – Healing involves dealing with the Rebellion and Default within themselves on all levels, so people and the mind Mansion World spirits can then choose to follow them and do their Healing. So by following the Avonal Pair you are going against the Evil Ones (currently it being their legacy within you and on the world), looking to end their negative, unloving and untrue influences within yourself. And once done, you become a Celestial, either on Earth or in the Celestial spheres, and free to align yourself with Mary and Jesus, which is done by partaking of the Divine Love, and free to live your ascension to Paradise – free to become at-one with your Mother and Father.

We're all living the demented levels of the demented minds of the four Lanonandek pairs that rebelled. And as we do our Healing, so we come to see how fucked they are, as we see how fucked we are; how they passed that fuckedness onto us through our parents, how we've become so tangled up in our Wrongness, not knowing what is true – we live untruth believing it's true, we feel false love believing it's true love. We're all around the wrong way, deeply mixed up, and needing to do our Spiritual Healing to get ourselves out of our sinful and evil ways, so as to come back into alignment with the Truth. So all that we are has to go, and we're to uncover a whole New Way on all levels, personally and how to live, as we liberate ourselves from our dementedness.

With the Evil Lanonandeks no longer at large, having been detained on a prison world awaiting judgement as to what will happen to them, so the Melchizedeks stepped in taking over their positions. I don't know why other Lanonandeks weren't appointed, however I guess it's because of the damage done by the Rebellion, we who are here and part of it have to deal with it ourselves, so no outsiders other than Mary and Jesus and the Avonal Pair being from Paradise that can override that limitation.

And the Melchizedeks have enlisted the Celestial spirits help. So together, they now in effect play the roles of the Lanonandeks. And so as the Avonals progressively heal themselves, thereby liberating humanity from the dictates of the Rebellion and Default, so the Celestials are being given increasing power and authority to do what the Lanonandeks would have done. So the Rebellion on a positive note is providing the Celestial spirits with unique opportunities as part of their ascension, as we hear from Helen and Nanna Beth. And I would imagine, people who finish their Healing and become Celestials on Earth will also in some way be given extraordinary opportunities as well, all of which will involve some level of healing the world and doing what the Lanonandeks and Eve and Adam should have done. Even to the point of Celestials on Earth who have children, will in some way be like the new 'Eves and Adams' populating the world with perfect and true children, all who are completely free of the Rebellion and Default.

And what happens to the Evil Ones? I imagine they will have to undergo a long period of Compensation experiencing the pain they caused all the people and angels who were under their care. And after that, if they are not extinguished outright, possibly they might be rehabilitated to some degree; however as TUB suggests, without ever receiving the power they once had. However, as all works out for the best and ultimately is all-loving, it will be fascinating to see through our own lives how all the pain we've been made to suffer ends up helping us and being the best thing for us.

And one last thing to note, had there been no Rebellion or Default, then here on Earth we'd still have now the Daligastias as well as Eve and Adam, still helping people grow and evolve on all levels. Still being the higher Daughters and Sons that we can look to – knowing that we're not alone, that we are being looked after and loved and that a greater life of ascension awaits us. And we would by now know of the Caligastias and all the help they would be providing on the higher spiritual levels, as well as the help they would be giving mortal spirits in the Mansion Worlds. And we would know of the Satans and Lucifers and all the help they were providing on the System level. And we've understood that in a way these higher Daughters and Sons are like mini gods to us, yet not our Heavenly Mother and Father. And they would be pointing us towards Mary and Jesus helping us understand that they are the Creator Pair, and here we live in their universe of Neadon, and that all they are doing for and with us is to help us evolve and grow on all levels as we look to our feelings for our truth we are to live as we express the personalities from our souls on our way through Neadon and onto Paradise. It all being a perfectly unified and loving experience for us. We being able to see the higher Daughter and Son as in the Daligastias and the Material Pair, Eve and Adam, who would be for us the perfect humans that we could strive to be like. So we would want to be perfect in our humanness like Eve and Adam, and perfect in our spiritualness like the Daligastias. With both pairs showing us that we can be both perfect on the material and physical level, as we can be on the spiritual level. Which is completely the opposite of how we've been made to live, because all of that perfection has been denied us, with our being so screwed up about how we are to live both materially – physically and spiritually – we having no idea about either, and with them working fully in opposition to each other. And with our longing for and wanting the Truth, the truth of how we're to live physically and spiritually, all of which is to come (and ONLY come) through each of us individually and as a consequence of properly attending to and expressing ALL we feel.

Messages from Mary and Jesus

book1 by James Moncrief

12 April 2003

Mary continues:

I want to resume and speak more about the influences of the Rebellion and Default that you are all suffering under. I want to tell more things about your life that are wrong. I don't want you to stop doing what you are doing simply because I say it is wrong, for as yet you do not know me, and I am only an imaginary spirit. You have to want to find out for yourself if what I say is true and applies to you. I want to give you some examples of some things you accept as right in life but are wrong, bearing in mind everything is *not* right. However, to specifically focus on things can give you a better understanding of your problem and the problems you face. I am anti your life as it is anti truth and anti God. There is not one human achievement that I would applaud or say was great. Not until you have done your soul-healing, and then I will say you are great and have achieved a great deal.

Medicine is all wrong. All it stands for and its intent is wrong. Science is all wrong. Your going to school to achieve *higher* learning so that you can be educated and have a good well-paid career is wrong. The way you choose your friends is wrong. Your wife or husband is wrong. Your relationship with the world and your children is all wrong. You are parenting wrongly your children bringing them into a wrong world to be wrong themselves. You do not love. All you believe to be love is not love, and most of it is the opposite – hatred. Where you love you hate, and most of you are brimming over with anger and self-destruction.

All that you call entertainment is wrong. Celebrations of the *star's* lives are wrong. How you govern each other is wrong. The Church and all religions and spirit ways of life are wrong. Your relationships with your pets are wrong. Your want to have things is wrong. Your relationships with the world are wrong. How you perceive yourself is wrong.

Marion just told you James that in the book she is reading there is an Abby that claims to have had my entire skeleton before it was burnt, and there are other places with my bones and bits and pieces of Jesus and the cross, and they are all wrong. The girls I told you about that lived with me in Egypt where I died, saw to it that my body was reduced to ashes and thrown in the river. The Urantia Book tells you what happened to Jesus' body.

Money is wrong; working for someone, and the need to have others working for you, is wrong. Space travel, war and most mechanisation you live with is wrong. How you cultivate the land and relate to your natural world wrong. How you use mechanical things for transport is wrong. Everything is wrong, the rest is obvious, and you no doubt get my meaning.

Why I am emphasising this is because you, humanity, are heading full steam ahead in the wrong direction, further and further away from the Truth and the Mother and Father; further away from your souls. When you come to do your healing you are faced with the questions: but if I am all wrong, what can I do? And what will happen to me? And how can I exist in this world of wrongness as I do my healing or when I have finished? No doubt you will agonise over these questions from time to time. However, just because you and your world are all wrong, this does not mean that the right way can't exist within the wrong; and the Mother and Father will guide you Themselves to see how you can live in the wrong but in the right way. You will give up all the wrong within you, but still you will live in the wrong using the little you will need to survive. As to how you will exist in the wrong will not matter to you. And steadily you will contribute to making your little world right. And as more people want to do this, so too will humanity change and evolve into the new and right way of being. In the end humanity will destroy all it has made, and rebuild it as an expression of the right; they will live in pure and true

harmony with themselves and nature. Gradually as people heal their feelings of powerlessness, all the things you do and need for power will be removed – you simply will no longer want them because you'll no longer need them. You'll find this will happen personally in your life as you work through your healing. Your motives, priorities and interests will change, away from that which gives you what you believe to be power, to that which enhances your ability to remain focused on your feelings and living the truth. Imagine living without television, the movies, and all the entertainment systems you have; imagine them becoming relics of the past.

I also want to tell you these things to try and give you some sort of picture to think about as to what is right and wrong about your life and your world. It is very difficult to see, as all you have ever known is wrong. It will require a huge change and a complete turn around, but it can be done and many will want to try, and many will succeed. It has to be so, as it is the desire of the Mother and Father, that during this next age, which is now dawning on your world (and in the Mansion Worlds), many of humanity will come directly into the Celestial worlds after they have died. Few will achieve this relatively soon, but by the end of the millennium there will be many. Many who manage to complete their soul-healing whilst on Earth.

To face the truth that your relationships are wrong, and especially your parental-child ones, will be the hardest challenge of all. For it is in these relationships that few people want to look for the truth, being afraid of what they might find. It will be the brave of heart, many of whom will already feel their relationships with their parents were not loving, being fraudulent and full of deceit, who will look first. And in what they will see by uncovering the truth and discovering they were right in all they felt, will help others who are not so sure to look; and even those who believe they have a very loving relationship with their parents.

This truth I give you now might seem to be anti you and anti your life. And it is so far as exposing your negative state. It will be called evil and the work of the anti-Christ, of the Devil, by many people of the wrong. But still it is up to the individual who sincerely seeks the truth. A lot of people will have looked into all that is on offer, tried many things but still feel bad; and being left with little recourse, will sit down to re-examine all that they are. And for these people, as they accept what I say and start to heal their soul, will know that I am not anti life, truth and God; that I am not the devil, quite the opposite, that I am pro life, God, and all with a positive loving mind.

Those who fear such truth will live on now as they have done, perhaps with some feathers ruffled but desperately clinging to the status quo. In many respects it is the same time all over again as in the days of Jesus and I. Nothing much has changed, the truth for many back then was very frightening, so much so they could not tolerate it, walking around speaking to them, and had to get rid of it. And as his truth has been largely lost, when it comes again, it will face a lot of rejection; and a good deal more people have a lot more to loose now compared to back then. But at least it is now a personal crusade. It will do you no good to rush out proclaiming to be a new type of Christian, one with Divine Love, and trying to set up yet another church. Instead you will move back into your own home and work diligently on yourself, doing what you have to do to heal all that is wrong within you. It is not an out-there fight any longer, it is all inside of you, and there will be a lot of inner battling for you to do. The world can carry on in its wrong state as you go deeper each day into being with the Mother and Father, starting to live a new and separate life to the world of your upbringing. They will guide you along and see you though. Steadily your faith and love of Them and yourself will grow. Speak openly to Them about everything that you are, all you feel.

Pray, and long to be with Them however you feel you want to be, and as much and as intimately as you can. It is all up to you. No one else need know. You will not miss out on anything as you will see; and They will furnish your soul with all the experiences you need, even giving you all the ones you

missed out on and should have had.

What you cannot physically live They will give you in your dreams. You will experience all you need to, feeling totally loved and cared for by Them, and what else do you need? The relationships with your family and friends, if they are wrong, will leave you naturally when the time is right. Even if you are alone or with one other person, still you will feel more and more content as you work away on yourself, doing what you need to do to free your mind and heal your soul.

That is all I want to say for now James, thank you. Mary.

Jesus.

Hello James, I will take over, as I can see you have a little left in you to carry on with. You can see from the book Marion is reading how absurd so much of the Christian faith is, and what nonsense it is founded on. So much of the Bible has been added and subtracted, here and there by certain people, and for what reason? Certainly nothing that will do my cause any good. It is very sad that humanity cannot have enjoyed all the fruits of following me, and thereby anointing their souls themselves with the love of their Mother and Father of Heaven; becoming masters and mistresses of their own lives, for then they would have cause to celebrate and live as true Christians of Truth. But it was not to be so, and it will not be still for a very long time, such is the strength of the Rebellion and Default.

As you are *now* tired I'll stop here, and will speak again to you soon. Jesus.

The CHILD is to FREELY EXPRESS ITSELF: Messages from Mary and Jesus 13 May 2003

Mary:

The greatest gift you can give your child, is allowing it to be freely able to express itself, helping it to feel good about being able to say and express and communicate all it feels. THERE IS NOTHING BETTER FOR A CHILD TO FEEL THAN KNOWING ITS PARENTS COMPLETELY WANT IT TO BE EXACTLY HOW IT FEELS IT WANTS TO BE. To be completely unconditionally accepted for all that it is. Then it feels loved.

Release one's pain through expressing one's feelings.

in conjunction with

Longing for the Truth when also longing for Divine Love.

FEELING HEALING + SOUL HEALING

To heal one's self is to simply look to see what feelings we are refusing ourself to feel, and accept them instead of denying them. And to fully accept them, one need to express them, speak about them, let them have their say, rather than pushing them aside, refusing to let them make you feel bad.

Doing this all with the intention of seeking the truth of why you are feeling them, of speaking about and expressing all such feelings; all feelings you have, but ALL WITH the INTENTION of UNCOVERING the TRUTH THEY WANT YOU TO SEE ABOUT YOURSELF. And it's the wanting to see the truth of them that is very important, because if you just look to accept them and speak and express them, but not seek their truth, then that's all you'll be doing, speaking and expressing them, but not healing their causes, so not fixing the things within you that are making you feel bad. And it's the truth part of it, seeking the truth of your feelings, and so, seeking the truth through your feelings, that's vitally important. It's the truth of yourself, life, nature and God, that is the spiritual aspect to it all.

You CAN'T find the truth of yourself or anything else through and with only your mind. You HAVE to engage and look to your feelings. And so if you choose to allow your feelings to 'Show You the Way', then the truth will come as you express them.

So to do our Soul-Healing consists of these steps, all of which are ongoing until it's done:

- **Admit you are feeling bad.**
- **Accept your bad feelings, identify what they are.**
- **Honour fully your bad feelings by expressing them, speaking about them to someone who is willing to hear you talk about them, or tell them out loud to our Heavenly Parents. Long for the truth of them. Long for the truth of why you feel bad – what deep within you is causing your bad feelings?**
- **And remember, bad feelings are Good! Not bad. They are not to be despised. And as hard as it is to accept them, they are still you, and a very real part of you. And if you persist in denying them and not allowing yourself to fully live them, then you are only going to keep yourself in your errors making things harder for yourself.**
- **All sickness and suffering, all bad things that happen to you, all your problems, all your addictions – your whole feeling-denying and untrue life, is all caused by your denial of bad feelings.**
- **Every problem in the world is brought about because everyone has been brought up to deny feelings, and in particular, most of their bad ones.**

If one is intent on spiritually evolving and growing in truth, then it's vital, and this is the key, that one looks to use one's feelings as the means to gain and have access to the truth of oneself. You CAN'T find the truth of yourself or anything else through and with only your mind. You HAVE to engage and look to your feelings. And so if you choose to allow your feelings to 'Show You the Way', then the truth will come as you express them.

Doing your Soul-Healing with the Divine Love, is really doing your 'Feeling-Healing'. We are designed — created — to be self-revealing of truth, and so we are all to uncover the truth within ourselves and for ourselves, and all being done by living true to our feelings. **If you accept, express and seek the truth of your feelings, then truth will come to you, and you'll grow spiritually. It's as easy as that. Also it is as easy as it is to long for, ask for and receive Divine Love.**

Feeling bad is Good! It's okay to feel bad.

Feeling bad is good.
 Feeling bad is GOOD!
 It's not bad to feel bad – it's good.

FEELING BAD IS GOOD!
 Very good!!!

And feeling really bad is also good.
 And feeling worse is even better.
 It's all very good!

It's okay to feel bad.
 Bad feelings are okay.
 It's good to feel bad.
 Bad feelings are GOOD!

It's good to feel bad about feeling bad.
 Your bad feelings are YOUR feelings.
 YOUR bad feelings have a right.
 A right to exist.
 A right for you to feel them.

Your bad feelings are a part of you.
 Bad feelings are good and they are your feelings!
 ACCEPT THEM!

It's okay to feel bad, there is nothing wrong with feeling bad.
 You might not like feeling bad, but it's okay to feel bad.
 You are allowed to feel bad. Give yourself permission to feel bad.
 Bad feelings shouldn't be dismissed.
 Bad feelings already feel unwanted, why make them feel more rejected?
 You are your bad feelings – if you reject them, you are rejecting yourself.
 Why are you rejecting yourself? Why are you rejecting your bad feelings?
 Is this how you want to live – rejecting a natural part of yourself?
 Is this how you want to live, rejecting your bad feelings?

Feeling bad is normal. We all feel bad. We all feel bad a lot of the time, even if we won't admit it, or even if we're not aware of it.
 There are many bad feelings, all sorts of different bad feelings, and they are a normal part of you – of everyday life.

Bad feelings – your bad feelings – are to be welcomed. Bad feelings are to be wanted. Bad

feelings are to be accepted.
Bad feelings are to be loved.

If you ignore or deny or dismiss or reject your bad feelings, what are you really doing?
Denying, dismissing, rejecting yourself. Is this what you want to do? Because if you do, you'll
only make yourself feel even worse.

You are your bad feelings – Your bad feelings are you.
Bad feelings have just as much right to life as good feelings.

Be true to your bad feelings – acknowledge, honour and accept them!
Accept your feelings.
Accept yourself.

So Remember:

Feeling bad is Good!
Accept your bad feelings.

The full acceptance of your bad feelings, and the seeing of the truth they are trying to show you, comes from having expressed – spoken – about them. And speaking about them to someone who cares about you: a friend.

As you vent your feelings, the pent up 'bad' energy goes, often leaving you with the understanding of what they are all about: why you are feeling them. And once you understand and know this truth, then you are healed and free of them.

As young children we were all stopped from freely and fully expressing all our bad feelings. Things were done to us, we were forced to behave in ways we didn't want to, all of which made us feel bad. But we couldn't complain about how unjustly we were being treated. We tried, but often only to be met with harsher rejection treatment.

As adults we still have all this bad treatment going on within us. We formed patterns when we were young based around all the negative unloving parenting we had. And now being unconscious of these patterns we still (also unconsciously) expect bad things to happen to us to make us feel bad – and to feel just as bad as we did back then. And so bad things do happen. And we do feel bad.

So as an adult, we are experiencing life in the moment now as the adult, together with all we felt back when we were young, only we are unaware of it. Something will make us feel bad, and on the surface of it we might know why we are feeling bad, yet underneath, deeper within us, it will key into and trigger repressed bad feelings making us feel even worse in the situation than we might have otherwise felt.

So in doing our Feeling-Healing: healing our repressed childhood bad feelings through the feeling-experiences of our current adult life, we need to use every bad feeling to help take us back 'down' inside ourselves, to connect with what made us feel the same bad feeling when we were young.

We are our bad feelings, and like them, WE ARE STILL WAITING TO BE HEARD.

The honouring, accepting and expressing of our bad feelings is our attempt to speak up and finally be

listened to: to be accepted and loved – not rejected. And as an adult we can now do this, whereas, a child we could not.

And so if you no longer want to feel bad then through complete self-acceptance is the ONLY way to heal yourself – allowing yourself to feel as bad as you do feel. If you don't feel good about anything in your life or about anything to do with yourself – if you have one bad feeling at all, that feeling or bad thing will somehow be connected all the way through you to your early childhood. And so simply, if you feel bad about anything, if you are sick or don't like any aspect of yourself or your life, it's all because of how you were treated during your early childhood, and it's still going on deep within you. Your childhood has ended but the resulting mental and will patterns that dictate to a high degree your emotional and feeling state are all still in existence, still unconsciously controlling you. And because you are denying yourself the knowledge of these patterns, so too are you denying yourself the resulting feelings from them – all your bad feelings.

When you see the truth, the whole truth of your negative self-denial state, then with your will you can stop living in rebellion against yourself and choose to live positively. And in that choice you are healed.

The aim of Feeling-Healing

The real aim of doing your feeling-healing is to perfect your relationship with yourself, with others, with nature, and in the end, with God.

Until we are living true to all our feelings and living wanting to grow in truth from our feeling experiences, we can't live a perfect relationship. If we live denying any part of our self we can't have true relationships.

Until we accept all of those parts of us we're denying, and understand why and how our denial came about, we can't live as our soul desires us to, as we have been created to live.

And when we do honour all our feelings and live the truth revealed by them, then naturally without any effort or mind control we'll just be perfect.

Many people try to seek God, try to understand the Greatest of all Mysteries before they try to understand themselves. We will never be able to understand or relate properly to God until we can understand and relate properly to ourselves. We come first. We have to learn how to fully honour and totally accept ourselves and then we can move out into the world and greater universe.

We are to be true to our soul by living true to our feelings.

To want to live true; true to how you feel, is to want to be perfect.
And your feelings are the way.

Feelings first

LIVE FEELINGS FIRST

Prayers to our Mother and Father

From 'Religion of Feelings' by James Moncrief

Please Mother and Father help me accept my untrue state and bring up all my repressed feelings so I can see the full truth of why I feel so unloved and all that's wrong with me.

Please Mother and Father help me see the truth of myself through my feelings.

Please my beloved Heavenly Parents, fill my soul with Your Divine Love. I long for Your Divine Love; please answer my prayer and yearning to be at-one with You and do Your Will by living true to myself and all my feelings. Please fill my heart and soul with Your Divine Love – please make my soul like Yours – Divine.

Please Mother and Father, I want to uncover the whole truth of myself through my feelings. I want to be able to feel and accept just how bad I am, how bad I feel I am, how bad I've been in my life. I want to know the whole ugly truth of myself, see it and feel it and understand how I came to be it. Please reveal to me through my feelings all the truth of myself You want me to see. I want to be as You want me to be; I want to be true and perfect, Healed of all my rebelliousness and self- and feeling-denial; I want to be good, loving, true and happy, please help me become true to myself, true to my soul, true to You.

Please Mother and Father help me, I'm in such bad pain, I feel so alone, so miserable, so scared, what's going to become of me, I don't understand, what's the point of me, why have You made me; please help me see the truth of myself – all the truths of myself, nature, how to be in the world, of You both. I want to know, I want to know it all through my feelings, all that there is to see, the whole truth and nothing but the truth. Please help all my pain come to the surface of me so I can embrace and accept and express it out of me. I want to use my feelings to uncover the truth they are to show me; please help me to do that.

Please Mother and Father love me. I want You to love me. I want to feel fully loved by You. I don't want anything else, only to be with You. Please, that is all I am asking.

Please make me feel how unloving I am. Please show me the horrible truth that I am. I want to see and feel and understand the worst of me, please take me into my darkest scariest ugliest unwanted rejected places within myself. I don't want to feel all the dreadful pain that I know is there locked away inside me, yet I do also want it all to come up and out of me, and I want to use it to see the truth of my wrongness, the truth of how evil I am, the truth of my fucked up state. I no longer want to be false, pretending I am okay, using my mind to make me falsely believe I am good, happy, loved and loving, when I know I'm not. For how can I be when You've brought me into my unloving state, making me be of it. And as You want me to experience being this negative way, please show me the whole truth of it. I no longer want to deny any part of myself, or any of my bad feelings. I want them all to come up so I can express them, emoting their pain, feeling how bad You've made me feel all my life and all through my early life; I want to see why, and so reveal all the truth to myself. I want to be the living truth of myself, living true to my feelings and the truth they give rise to. Please help me to do my Healing, and please fill my soul with Your Divine Love.

The mind way is the 'dead' way; the feelings way is the 'alive' way.

Examples of some prayers to God:

From 'Feeling Healing' by James Moncrief

Please God show me the truth of myself through my feelings.

Please help me see the truth about myself You want me to see.

And please help me feel all my repressed pain; please bring up all my bad feelings so I can express them and see what it is they are to show me about myself, my life, and You.

And please help me work through my blocks, I want to Heal myself, I want to become true to myself and true to my feelings and true to You – please help me do that.

Heavenly Mother and Father, I feel so bad, and I know I'm doing it to myself, but I can't help it. I can't stop my compulsive addictions, so will you please bring up the buried feelings in me and show me the reasons why I can't stop. Please! I want to know – I REALLY WANT TO KNOW why I do them. Please help me Mother and Father to uncover the truth of myself. Please, I beg you, please, please, please show me the truth of them so I can give them up. I hate feeling bad, yet I know I must so I can keep expressing my bad feelings to see the truth You want me to see, so please help me feel bad.

Please Mother and Father fill my heart and soul with Your Divine Love. Please give me Your Love. Please love me and make me feel loved by You. I want to feel You close to me, I want You to hold me, make me feel loved by You. I only want You and to do Your Will. Please help me bring up all my repressed feelings so I can express them and uncover their truth. Please help me do my Healing. Please give me Your Love.

I hate you Mother and Father; why have You given me such a shit awful life? I hate myself, I hate You, I hate everything about my life. I feel so bad all the time. I've expressed so many bad feelings and still I feel bad. It's not fair, it's not fair what You've done to me. I hate You! And I want You to help me Heal myself, so I can stop feeling bad. You put me in the shit for whatever reasons, and I want You now to help me get out of it and show me what it's all been about. Please help me to Heal myself so I no longer hate You.

I long for Your Divine Love Mother and Father. Please fill my soul with it. And please help me uncover the truth of myself through my feelings. I want to see it all! And please make it all end, I'm so tired of always feeling so bad, please take all my bad feelings away by making me feel them and showing me the truth I am to see.

Feelings First Spirituality, The New Way

Feelings First Spirituality, The New Way is a contemporary ‘religion’ based on living true to yourself through your feelings. Understanding that all you need in life is contained within your soul and is shown to you through your feelings. And by loving your feelings, by attending to them properly (talking or writing them out of you) and not denying them, you can use them to uncover the truth of yourself – the truth of your soul.

Feelings First Spirituality is not a formalised religion that tells you how to be, that is too controlling and is actually bad for you, limiting your spiritual growth. You can be wholly self-revealing of the truths you need to be, being the person God created you to be, all by living true to your feelings.

Feelings First Spirituality has no formal structure because we understand we don't need one, our soul contains within it all the truth of our spiritual ascent. If we look to our feelings for the truth they want us to see about ourselves, nature and God, then what more do we need! Our true spiritual path is the path our feelings will lead us down, that is, provided we allow them to. This is the most spiritual we can be.

Living the New Way of Feelings First Spirituality

You come to the understanding from your life experiences that how you are is not right, it doesn't make you feel good – that you are wrong in some way. And you want to change yourself, you want to become right, true and perfect – you want to be like God is.

And to do this you need to do your Healing

Your Feeling-Healing is looking to your feelings for the truth of yourself, the truth being hidden in many of the feelings you are not wanting to face in life. So you have to end your feeling denial, accepting all your bad feelings (and good ones), express them (yet not necessarily acting upon them), whilst longing to uncover the truth they are to show you.

Or, you can do your Soul-Healing, which is your Feeling-Healing together with including longing directly to God for God's Divine Love. When you receive the Divine Love into your soul, it will cause your soul to become divine, and it will deepen your personal relationship with God. Long with all your heart to God for God's Divine Love.

Feelings First Spirituality The New Way

<p>By living true to ourselves, true to our feelings, we are living true to God. It's that simple.</p>

FEEL *for* TRUTH

The beauty of it all, is the truth comes to you through your own feelings. You don't need to be told it by anyone. You can work it all out for yourself. We are self-revealing of truth, it's how God created us to be, and by being it we'll feel the happiest we can feel. Truth is our great comforter, so when you feel it come up within you, ah it feels so good and you feel just right – perfect!

We know only how to deny feelings, now we can get to know how to accept them. And always with the truth being the most important part.

FEELING TRUTH

If you don't want to uncover the truth of your feelings, then you can keep on expressing them forever but you will never fully heal yourself. Seeing the truth results in the Healing. And to see the truth you need to express all the pain out of you. The two things go hand in hand.

You can accept and express your bad feelings, letting off steam all day long, yet nothing will heal and nothing much will come of it. So this is where wanting your feelings to show you the truth of why you're feeling as you are is so important.

Don't go fishing with your mind, that will shut the truth out from rising up for you. **KEEP YOUR MIND OUT OF IT.** It's a feeling thing, doing your Feeling-Healing. (This is where we erred previously, and this how other modalities are in error.)

You long when you can, then stop longing and keep expressing. And at some point, and it might not even happen immediately, it might happen after days or weeks of expressing the same bad feelings, truth will come to you. And it does, it just comes up suddenly into your consciousness. You just know. You see the picture and you feel it's true. And you know it's true. And THEN your mind can come in and start sorting it out and putting in context.

It's the Truth that we are seeking. It's the End Point. The Reason for doing your Healing. You are to see the whole Truth of yourself. And to begin with, that's the whole truth of your unloving self, of your wrongness, of your evilness, of why you are as you are in your negative unloving mind-controlling state. To be able to fully accept yourself as you are, warts and all. To not fight or resist or try and change yourself, just to accept all you feel and all the truth of all those bad feelings you feel about yourself. And when you do, so you will be healed. You CAN'T heal yourself unless you uncover the truth of your pain, suffering and so the truth of all your bad feelings.

Through our Feeling-Healing we long for the truth of what we're feeling whenever we can. So as often as you can. You want, and REALLY WANT WITH ALL YOUR BEING, ALL YOUR WILL, to know why you are feeling bad. You yearn, want, long and beg and beg and BEG God to show you the truth of yourself through your feelings. So when you are expressing your bad feelings you can stop and long for the truth to show you what's going on, why do you feel so bad, and you can do it any time you think of it or feel to do it.

Notes from 'Feeling Healing' by James Moncrief

Heartfelt TRUTH

Our FEELINGS are our SUPREME GUIDES:

Feelings!

Feelings are what guide us through our ascension of truth. So they are really our Supreme Guides. Many people look for a person, spirit, angel, even God, for supreme guidance, however it's all right there already built in – in our feelings. We just have to submit to them, allowing them to take us where they will, expressing all the parts we want to express, letting the emotion drive that expression if it's there to be expressed, or just talking about all we feel and how feeling that feeling is making us feel – or, how we feel about having that feeling, all whilst longing for the truth of our feelings. Longing for the truth of our feelings is really: Longing for the truth of our self, because: we are our feelings. So life stirs up our feelings, we feel being alive; or, being alive means we are feeling, always feeling; and when we work out what and why we are feeling what we are, so then we know the truth of how we are. And over time the truth accumulates, and our mind expands our understanding of ourselves, all being driven from our feelings. Kevin 26 Sep 2017

Using our feelings to uncover the whole truth of our negative or anti truth and anti love state.

Kevin: So whilst we're of an untrue state, then all we have got to help us understand why we feel bad, why we are wrong, why we are negative and anti love and truth, is our feelings. So if we focus on our bad feelings, they will lead us to the truth of why we're feeling bad. Which will be the truth of what happened to us to make us be this wrong way, and how we took on the wrong way and keep it going making us feel bad.

FEELING HEALING

Note: The vital difference between emotion and feeling is that emotions have their roots in the past, and feelings relate to the present moment. Emotions represent our feelings which were not previously expressed, and these accumulate with time.

Note: Our feelings are soul-based. Our soul is always in truth. It is our soul based feelings, that when allowed to be freely recognised, we will begin to express and be who we are. This takes time and perseverance as we have encrusted our souls with layers upon layers of errors and false beliefs, it is these layers that will confuse the truth that our soul is conveying to us. Only by our progression with our Feeling Healing will our soul's expression of truth become clear and free of all cloudiness and contamination.

“What our soul needs in accordance with our own, individual, **Soul-Light-Plan-Of-Destiny** (your life's true destiny plan), They, being our Mother and Father, will give you as required. The only way we can know truly what we need is to honour and follow our true feelings. They, springing from our soul, literally telling us what we need, and so when we genuinely feel we need something, we apply our will to get it. The hard part is knowing if our feelings are true, and until we have done our whole soul-healing, they won't be clear and totally true.” James – Introduction Course to Divine Love Spirituality

 Learn to live with God through your Feelings

Accept, express and long for the truth of your feelings

Be free in your feelings
 Free your feelings from your mind's control
 Live true to your feelings; your feelings are your true self
 Live true to yourself through your feelings

Live true to yourself by living true to your feelings.
 Long for the truth of your feelings.

Accept / Express / Bring out ALL of your good, and most importantly,
 BAD feelings.
 Want to understand why you're feeling them.
 Use your surface feelings to take you deeper into your repressed and
 hidden feelings.

The Feeling Way is the True Way.
Your feelings are your spiritual guide.
Your feelings will take you to God.

Your feelings will show you the truth of your relationships, including your relationship with God; and if anything is wrong, untrue and unloving, then why it is.

Our feelings are sacrosanct and we should respect them accordingly. And we should NEVER block them out, ignore, override, banish, deny or reject them, because if we do, we're only doing that to ourselves, as Our Feelings Are Our Self.

Our feelings are the gateway to our soul. Our feelings are the closest we can get to our soul. Knowing the truth of our feelings is knowing the truth of our soul, and knowing the truth of God.

Feelings First Spirituality is the True path for humanity.

It embraces all people.

It completely unifies the world.

Everyone can relate to everyone else through their feelings.

And we can all live the truth that comes from our feelings, all sharing the same truths as we express and have the same feelings.

No one need be left out; no one is more special than anyone else – we are all united in Truth through our feelings.

So with and through our truth we live our lives, therefore without the need of any man-made mind-laws, rules and restrictions that limit self-expression as inspired by our feelings.

The New Way, Feelings First Spirituality is what is to replace all man-made, mind-contrived religions that so many people have enslaved themselves to. The New Way, Feelings First Spirituality will set us free of all that control, ending the Rebellion and Default within ourselves as we do our Feeling-Healing, and ending such control and spiritual stagnation in the world.

Bring on the End Times – get it over and done with! Let's all see that Jesus is not going to come again, that Prophecy has failed all the mind-controlled platforms. Allow such false systems of belief to die their long-awaited natural death, they've overstayed their welcome, it's now time they fade away. So let us show such antiquated, erroneous systems of belief the exit and bring on the fresh liberation of discovering the truth of how we are to live for ourselves, each of us personally in our lives, and all by looking to our own feelings for it. Self-revelation through our feelings is the way to go.

The Way of the Mind is ending, and is really the End Times – the End of our mind control, and **it's about time!** With the Way of our Feelings replacing it.

The End Times means the end and therefore a New Beginning. And that new beginning is a whole new Spiritual Age – an age based on self-revelation of truth through one’s feelings, coupled with and supported by higher revelations from the Celestial spirits, angels and nature spirits.

The Feelings First Spirituality is the True Way to God because it helps you get to know God, helping you to reach out, connect and be personal with God, and do God’s Will, all through your feelings. It is the only true way of getting to know the God of Feelings – our beloved Heavenly Mother and Father, the Great Soul of Divine Love.

Love comes through our feelings and not our mind, as we’ve all been wrongly led to believe.

Feelings First; then comes The Truth; then comes Love.

 Living the Rebellion and Default.

Hell:
 Exploiting the Rebellion and Default.

The Feelings are the doer; the Mind the teller. So we are to go with our feelings, which we can't be told to do with our mind. So the longing for the Divine Love, doing our Healing by expressing our feelings and longing for their truth, are all feelings and doing it with longing. Whereas the mind just wants to tell us what to do and how to be, no feelings in it, all how our parents have treated us.

WE are meant to grow up LIVING FULLY CONNECTED to our FEELINGS:

Humanity has always had an awareness and involvement with spirits, with life on the other side, because we are all heading that way, we all end up dying and becoming one of the spirits, and were humanity living rebellion-free, then nearly everyone would enjoy some level of spirit involvement either directly or indirectly, loving such an expansive awareness in life.

We are meant to grow up living fully connected with our feelings in our physical reality, and at the same time with full feeling awareness of spirits and life after death, because after all, God is the greatest Spirit of us all.

And so having an awareness and involvement with spirits can, and should, help us have more of an awareness with our Mother and Father. And it's not with just spirits, it's also with the angels who are with us all the time, and the nature spirits should we be open to them, and even higher spirits if we are to work with them, such as the Melchizedeks or Trinity Teacher Pairs. But mostly for those people involved with the Divine Love, it will be with the Celestials spirit group that is assigned to help them.

It is very important to understand that spirits and spirit life is meant to be part of life on Earth. However that's not to say everyone need to have an ongoing relationship with their spirit friends, but they can at least still be aware of spirits and spirit life and where we will be going and something about what to expect once we die. And when you are open to it, lessening the grip of one's fears about it, then we will find it will be just another aspect or level of life, and one that can give us quite a lot of comfort.

TRUTH LOVING SOUL V ERROR INFLICTED MIND

**Feeling
Healing with
Divine Love is
the key!**

To liberate one's real self, one's will, being one's soul, is by embracing Feeling Healing so to clear emotional injuries and errors. With the Divine Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

Messages from Mary and Jesus

by James Moncrief

13 April 2003

Hello James, I (Mary) am delighted to continue, and thank you Jesus my beloved.

I want to speak more about the Rebellion as I am very pleased with all the thoughts my words are inspiring in you and Marion. Jesus and I are so happy that you are slowly coming to see all the truth, and feel it all around the right way. To see for yourselves all what we have been telling you is true.

For a Rebellion to occur in Creation, such souls must choose to take it upon themselves to be the all-powerful ones, taking such authority away from the Mother and Father. They must believe that they can offer to those they seek to control, something that is equally as great, if not greater than, what the Mother and Father are offering. And if they cannot match this, which of course they can't unless they believe they can with very deluded minds, then they must take the second option, believing they can turn others away from the All Great Authority by presenting our Heavenly Parents as not loving and instead as Beings to be feared. And so this is what Lucifer and his partner did. They sought to corrupt the minds of all who would listen to them, instilling in them a God to be feared; and if one was to do as they said, then they would help you to appease this angry God promising you all sorts of eternal glory. They would guide you and look after you and tell you what this God wants from you, so you did not have to fear Him. And as you can see by observing the primitive peoples on your world, and most of the existing religions, some form of sacrifice was said to do the trick. It then became easy to add that Jesus was the ultimate sacrifice; he dying for all your sins, when making animal sacrifices was looked on as being too barbaric. So why not go the whole hog and sacrifice the Son, as the sacrifice to end all sacrifices. And every day people worship and pray to his lonely unloved unwanted rejected figure on the cross, they are only succeeding in sacrificing him – nailing him to the cross – all over again.

All you need to do is offer God your love. You simply love Them, and long to Them for Their Divine Love, then strive to live true to your feelings. Nothing else is required or asked of you by Them. God is not to be feared. Only evil authorities portray Them as someone to fear.

So they have set up a false power regime under this wrathful God, that is said to be all-loving, BUT ONLY if you are good and do what the leaders: Lucifer and Co. , say. Your parents DO love you, BUT ONLY if you do as they say, ONLY if you behave yourself. And this is how you still live. Essentially you still feel you have to be good to win the favour of the Father, and you don't even know about the Mother. To have to pray and somehow win Her favour as well, well, that would be just too hard, especially as you've missed your chance of pinning me to the cross as your feminine sacrifice.

This over bearing dominance of you by some higher *god* force, or persons mortal or spirit, is how your whole world is structured. Then this filters right down to how you parent, and how you were parented, with the parent assuming the power role being the stand-in *god* making the child believe that it has to please its parents by doing what they want, so it will be accepted into the hierarchy of dominance. And if as a child you refuse to obey your parents – *god* – then you are punished. Those in authority lord it over you by making you fear them. They control you by making you feel subservient to them right from the very beginning. Higher authorities do exist all the way through the universe to Paradise, and of course, the Mother and Father are the highest authority of all; but these powers all love you and allow you complete will expression; they treat you exactly in the opposite way to how those of false power, such as your parents, and everyone else in power positions above you in your world and in the natural love spirit Mansion Worlds, treat you.

So very early on you learn who and how to obey. Your whole negative and false mind structure is then built on this power-play, and every day you struggle for some say in it. You are programmed to obey;

therefore you need the power-people and their systems so that you can find your reality in which to live. A reality that suitably matches the power system you grew up in. If suddenly all authorities were removed you wouldn't know what to do, and would quickly set about rebuilding the power systems. As much as you might hate living such subservient lives, it's all you know, all you grew up in; and you couldn't, even if you wanted to, let go of them. Your dreams of a powerless utopia are meaningless until you start to do your healing and give up your subservient life. Your negative power needing patterns are just too dominate in your lives.

You look to be controlled and dominated, but as long as you feel you have your say in it, your little bit of power, then it is okay, as you feel you aren't as powerless or as subservient as you are – you can at least dominate and control your own little patch. And you can have a family. There is always power for you to be had over your children and pets. And your wanting to work your way up the ladder will continue on in spirit, that is until you give it all up through the doing of your soul- healing.

And I will stress here, that when Jesus and I say you will give it up, if you agree with what we are telling you and you do want to give such things up, please remember that it's not just a matter of giving things up with you mind – you give them up through your feelings. It's not just a matter of saying, oh Mary says watching television is bad, so you make yourself stop watching it. **THAT IS NOT WHAT JESUS AND I WANT YOU TO DO.** We DON'T want you to give up anything with only your mind. What we do want is for you to look deep into your feelings to find the reasons why you want to watch television, and then to feel what those feelings make you feel. And if the truth you find sets you free of needing to, and so wanting to, watch TV, then well and good. And if this is to then become a part of the truth you live, when the time is right for you to give up the television you will FEEL to give it up. You will want to, and it will happen relatively easily. And you may never watch the television again. However you may watch it again. And if you find you do start watching it again, then don't fight this new urge with your mind telling yourself you should not watch it, but instead do as you did before and look into the feelings of why you want to start watching it again. As there will be more truth for you to find; and when found, once again you may feel you can give it up again.

Currently your western world is being inundated with seemingly helpful spirits who are channelling all they can, offering you help, new ideas and ways to live and heal yourselves. Many on Earth are more than willing, even desperately wanting, to be a channel for this *new spirit energy* and *spirit intelligence*. But if you look closer you will see such individuals are only looking for power. They willingly submit themselves to the *all-wise* spirit, the spirit being nothing more than a *better* parent someone who gives them all the attention they want, but still the spirit is the one in control. They now have to obey the spirit so the energy and information will keep flowing. If the spirit was truly well meaning, then it would only impart the truths of Divine Love and associated information such as Jesus and I am; knowing that all it is saying to you is helping you to take responsibility for your own life, through the doing of your soul-healing. Jesus and I don't want you to follow us so we can have power over you. We don't say follow us or else we'll punish you. We make an offering of truth to you, but it's up to you as to whether or not you take us up on our offer. We can try to present a forceful case, but still we're not threatening you with direct punishment if you disobey us. We don't treat you like your parents treated you. We just tell you the facts and you can make your own decisions accordingly. It's very easy to be seduced by someone, mortal or spirit, who is offering you power because you feel so powerless. Your parents taught you life is about getting power for yourself. They took your power from you when you were a child, and told you that you could get it back for yourself when you become an adult. So as adults you all go out into the world trying to find ways to gain power. And for many, ultimately they discover, that by having their own children is the quickest and most assured way.

Many spirits are using you to gain power for themselves. They are very willing to relay to you all you want to know and anything else they might think will help you, because for them it makes them feel all

powerful being able to help the mortal realm overcoming evil, or whatever it is they believe they are doing.

If you know what to look for and read between the lines, you can see the submissive and subservient positions of the mortal; how they give themselves over to be told what to do, so that they can gain the great rewards. James, if we told you to throw away all this work we have been doing together, I feel you would comply, as you now have no personal self-interest motive vested in keeping our work. When we first began you did, as you saw our work as potentially a way for you to gain power; but you have since healed your power attachments and need to obey in a subservient way. So you are now writing simply because you enjoy it and without any concern as to whether it will ever be published or not. You can *obey* what we ask of you – to keep writing – but you are free in this to follow your feelings. You only write because you feel you want to, and if your feelings said to stop writing you would, and you wouldn't continue on using your mind in dishonouring your feelings. You are equally free to throw away this writing with no bad feelings from us, and certainly not from God. We give this to you as a part of our offering to you. What you do with it will be between you and the Mother and Father, and will all come down to you acting on your feelings.

Many mortals become disillusioned with spirits because the spirits end up asking too much of them, increasingly asking more for them, wanting ever greater power and control. At some point the mortal has to stop if they are able to maintain anything of themselves. Sometimes they *burn-out* as they believe they cannot stop and cannot say no, feeling they can't give it up because they have organised their own power needs around it. And some mortals even die from over work with spirits disrespecting their own feelings and completely overlooking what is really happening to them. There is always another soul to heal, another book to write, more people to see, and on and on it goes until someone breaks, and it won't be the spirit. The spirit simply moves to another channel and starts over, some of them running numerous channels simultaneously. What else do they have to do with their time anyway? They are not praying to the Mother and Father for Their Love and pressing on in their soul growth through the doing of their healing; no, they are playing mind games with mortals, pretending to be the great all-wise all-benevolent spirit or god. Many such spirits can easily imitate how they think God speaks, and will speak as *God* to you the ignorant mortal. With their *superior* minds they delight in believing and telling themselves that they are the *Great One* and are doing the *Great Thing* by humanity, but it is all self-glorifying, even though they claim and believe it to be *God's Will*. NO SPIRIT IN THE NATURAL LOVE SPIRITUAL (OR MIND) MANSION WORLDS TRULY KNOWS WHAT GOD'S WILL IS OR IS NOT. They are *living* it all from and with their minds based entirely on what they believe. They cannot do other wise, no matter what the exterior appears like, as they are not longing to the Mother and Father for Their Love, and are not striving to heal their soul. If they were they would be living in the Divine Love Mansion Worlds and not behaving as they do; not making you obey their every command.

If you look at any religious or spiritual system and it makes you feel afraid of God, guilty that you are not good enough in the eyes of God; or that you are an evil sinner and need to somehow repent, and if you don't you will be destined to purgatory or eternal damnation in hell, then it has been contrived out of the negative mind and continues to function within it. Even the religions and spiritual systems that present God as loving, still work into their structures how you are to obey God, and how you are meant to live a good life based on rituals mostly derived from God or designed to please Him. They are not free and liberating for the soul. They stop the individual growing in truth by having to adhere to the tenets and rules of the system. They give more control and manipulative power to the mind, all at the detriment of the soul. Such systems of belief and *faith* are all controlled from the natural love spirit Mansion Worlds, and they continue to exert an unseen negative influence over all those who desire to submit to them.

The spirits of the Divine Love Mansion Worlds are just as you are James, longing with all their heart to

the Mother and Father for Their Love, whilst trying to do their healing. Everyone can do their soul-healing and reach a state of soul-healed perfection: the Celestial spheres of truth. And it is the destiny of all to do so, if they choose the way of the Mother and Father's Love. Once you unite with your soul-group you will be bringing to Creation your own uniqueness, and even though others may be ahead of you on the road to Paradise, your own special route will be there for you to take. You will feel as though you are the first soul, and the first soul-pair, and the first soul-group, ever to ascend the Heavens. That the Mother and Father are providing it all JUST FOR YOU!

The Mother and Father will give to you the continual feeling that you are Their special child, and you and your soul-partner are Their special soul. You will be answerable to no one other than your own feelings; free to follow them wherever they may lead you.

You don't have to do anything to *earn* the right to progress, as you do in the mind dominated lower spirit worlds, for you will be moving ahead, with and in love, as your soul unfolds its light and expresses you – its personality, in life. Creation is all for you. And the overseeing authorities are there only to help you along your way. And you will even pass through and out of Jesus and my universe, *upwards* and *inwards*, to higher more exciting things and discoveries. The Mother and Father treat every one of us as absolutely special to Them, and crucial to Creation coming into Being. They need and want you, and you will always feel that you are at the head of the table. You will never feel you are subservient or even sub-dominant, and your needs for power, such as they are now, will not exist.

Many of the religious and spiritual systems do good and help others with their various needs, but as I have said, it is all good relative to what you only know, and that is all wrong. It is good within the bad. The true and only really good awaits you on completion of our healing.

Spirits in the natural love spirit Mansion Worlds will gain more power as humanity increasingly develops its mind. As you evolve on Earth so too will those spirits who continue to deny the Mother Father and Their Love; so their influence will grow becoming even more appealing to those on Earth wishing to gain power for themselves. They will present you with the abilities to do miracle healings on others, and work all sorts of wonders. But still it will all be for the same end, even though it will be said to be done with love and for the good of all. They will appeal to those who don't want to try and do their soul-healing, particularly as your soul-healing is very hard to accomplish. It takes perseverance and real faith, courage and trust, and is not something that can seem to be miraculous in the moment. However, it is the real and true miracle, and will easily eclipse the mere healing of physical ailments and disease. It is the true healing of your soul and not just the rearrangement of some of the effects of your underlying negative beliefs.

To be miraculously healed does bring relief, and to some, new life; and if you need it, it will not be denied you. However bear in mind that it is not healing the deeper causes of the problems that gave rise to your pain and problem in the first place. Only doing your soul-healing will heal the deeper underlying fundamental causes. This spiritual healing is merely a postponement of dealing with the real causes of your troubles. Spirit healing or medicine might relieve you of an illness, but still one day the overlooked reasons as to why you got sick will manifest another negative effect, and once again you'll be troubled in flesh or in spirit. And requiring another miraculous healing.

The Mother and Father allow you time to decide for yourself what you want to do and how you want to live your life. But when it is time to attend truly to your soul, then increasingly it will become harder to deny the real pain you are refusing to accept: that which started from conception, and that which you still suffer in your soul.

I will end now James; I give you my love and blessing. Mary.

LIVE TRUE to YOUR FEELINGS:

A massive insight and realisation, which became my platform for living life, it was really quite simple; all I could do was honour and be true to my feelings. I had to *obey* myself first – my feelings; I was the important one, not my parents and family, not even the Mother and Father. With this truth I learnt the importance of living true, always honouring my feelings. And I realised that if the Father wanted me to do anything He could show or guide me through my feelings.

It is through our feelings that we know – feel – how to live the Will of God.

You will come to see why the doing of your soul-healing is so important, to give up your mind's control over you in favour of **allowing your feelings to dictate and dominate your life**. And when you do, then you will **lovingly obey yourself, your feelings, and no one else**. This is all the Mother and Father ask of you, because **when you are living true, then you will be completely honouring Their Laws, Their Way, Their Love**.

Your bad feelings are real and true. They are not evil; they only make you feel bad. They can make you feel sick but this is what they are meant to do, because how you are functioning is wrong – you are sick. And **until you have no more repressed bad feelings within you, you are living untrue to your soul, to yourself, and to the Father and Mother.**

The Rejected Ones – Living True to One's Feelings

by James Moncrief

ALWAYS BE TRUE TO YOUR FEELINGS

Steps UP!

Quantum Jump 1

REVELATION
James Padgett 1914 – 1923

James Padgett bravely introduced the availability of the Mother and Father’s Divine Love and a great deal of additional guidance and information, all of which has been supplemented by Samuels, Judas, Reid and Arnold. All writers were under restrictions of personality and circumstances. Revelation 1 opened the door for humanity.

Quantum Jump 2

REVELATION
Marion and James Moncrief 2002
– ongoing

Marion and James Moncrief have recognised the need for one to engage in Feeling Healing and, by their actions, removed restrictions that James Padgett and others above endured, thus JM is able to critique the writings of the past 100 years resolving points of confusion as well as expand on what has been written. Revelation 2 is humanity’s turning point.

Due to the extra-ordinary nature of Revelations 1 and 2, humanity with the first Revelation would have continued on into its negative pathway of living, however, combining the first Revelation with Revelation two, now humanity can embrace this turning point and commence its evolutionary growth that has required two thousand years to put in place. This is the greatest event in the history of humanity and very few are aware of such, until we enable others to become aware.

Messages from Mary and Jesus

book 1 by James Moncrief

14 April 2003

I will continue, Mary.

If you have grown up in a family in which the church or another spiritual or religious system has strongly influenced you, and especially if it has been enforced with fear by your parents and family, then this negative influence can be likened to having a secondary parent, or grandparent, and consequently it will be very hard to rid yourself of its control. However, it will not so much be the impersonal church that you fear but the people, the personalities that are forcing your submission to it. If your grandparents or relatives have a strong negative (or positive) influence on you, this too will add to your childhood repression, causing a lot you will have to heal concerning their treatment of you. Why I am saying this is to point out that it is not just your parents who will be the main causes of your feeling-denial, even though they are the main focus Jesus and I will be drawing your attention to. The entrapment of your soul by your mind can be caused by lots of people – and it will all be done by people, even if you seem scared of other things, and will take a lot of effort to overcome.

Many people and spirits will not want to attempt to do their soul-healing. It will appear too hard and they won't want to admit to their powerlessness; they won't want to submit to and accept their bad feelings. They won't want to relinquish all they are doing to stop themselves from feeling bad. And they will carry on deluding themselves with their belief that they had loving parents, and that nothing is really very wrong, nothing at least that they can't rectify using their minds. Such people and spirits will not accept that they have anything repressed from their early childhood, so won't believe they have anything to heal. They might concede that they are imperfect and do have some sin, error and wrongness within them, but nothing to the extent of which I am saying that lies in wait for you to discover about yourself. And many people on Earth will even partake of the Divine Love using it to further deny their bad feelings, simply believing that it will remove all sins and wrongness without them really having to do anything at all; other than trying to live a life of love and be good; other than trying to be the good little boy or girl that their parents wanted them to be. Unless you do your soul-healing you will not heal everything that is wrong within you. Even if you do a lot of your childhood repression healing (feeling-healing) without the Divine Love and with only your natural love, still you will have more to do when you start partaking of the Divine Love – when you start doing your soul-healing. After the longing for and partaking of the Love we want you to understand that your soul-healing is real, and very important, and there is no avoiding it if you want to grow in truth and enter into the Celestial spheres. This message we will constantly repeat to you through these messages to you, James. It is the missing part needed to give humanity the understanding of how to heal itself of all rebellion and the effects of the Default. Everything else you do to *heal* yourself is not true healing, but only moving things around, in and with, your negative mind. **Your soul-healing is concerned totally with you finding the truth of all you are; all you feel, and all through your feelings.**

LIVE FEELINGS FIRST

FEELINGS FIRST For Kids

WE SUBMIT TO EMBRACING OUR PARENTS ERRORS!

At the moment of conception your soul activated your will to become of your Earth parents, you in effect, agreed to accept all that they were; to partake of their negative states, which they subjected and impressed on you through your formative years. By the time you became an adult you were a product of them, wholly a part of the negative mind state of this world. Currently you are imperfect and will only regain perfection of soul once you have completed your soul-healing. Jesus Message 33 (part) 9 January 2003

[The Rejected Ones – Living True to One’s Feelings](#)

by James Moncrief

Like Father – Like Son

Like Mother – Like Daughter

Our mind strives to control and is always subject to error. The mind’s controlling natures based on error are the foundation of all the misery, illness and drama on Earth for all of humanity. Put them aside by expressing them.

Our soul based feelings, given to us by our Heavenly Parents, are always in truth. Allowing our feelings to lead our way of living is living true to God. Express all your feelings and long for the truth of them.

CHILDREN:

We are now commencing to embark upon the pathway of not bringing our children up under the impositions of the Rebellion and Default. All peoples upon Earth have unknowingly been entrapped by the Rebellion and Default and all families upon Earth now need to consider how to step away from such norms, customs, practices and errors of child upbringing.

GOLDEN RULE PERTAINING to CHILDREN:

Messages from Mary and Jesus – Jesus 6 April 2003

We cannot under any circumstances break the Golden Rule: **we cannot impose our will on another forcefully subjecting others to do what we want, even if it is our own little child.** We can, by all means, make respectful offerings of our ways, beliefs and opinions, leaving the onus on the other person to make up their own mind, but once we start intruding we are stepping over the line and that incurs a penalty.

This is the problem we are all saturated with: being coerced and threatened to do everything we do. It is how most parent's parent, coercing and threatening their children so as to get them to do what they want, all so they can maintain their power and control over them. The parent is completely interfering with its child's freedom to express itself.

As a parent we cannot know one moment to the next how our child should be. It will show you how it will be, not you showing it how it will be. And we need to allow it to show us with as little interference as possible. And this will be a great challenge for parents to face. The Church and all such systems – our whole world – is for adults, not for children; our world is anti- children, most of what we do is anti-children, even when we believe we are doing it for their good and doing it lovingly. It is not a loving system and it can't be. It can only do what was done to us, and as we weren't loved truly by our parents, then that is the world we know and the world we will create and the world we will choose to live in. The delusion is that we have been led to believe that the world is good and right and true, at least the world we are participating in, but it's not, and this is what our healing will make us see.

ADULTS ARE CHILDREN! Notes from Sage – and the Healing Angels of Light by James Moncrief

We as adults are really just the same children we were?

Yes, only because you've grown up into an adult and mostly have forgotten what you were like as a child, so you wrongly believe you are something different to how you were as a child. And being an adult, as you attend properly to your feelings, your feelings will connect you back with yourself as the child, all so you can see, as an adult, that which you couldn't see as a child, all that happened to you to make you be as you are.

That's quite incredible.

Yes, amazingly so; and it's the only way people can truly help themselves, all the rest is just moving stuff around within your already fixed childhood nature. So all the so-called self-help instructions and advice, and all the therapy people undergo, which does help people become more aware of certain aspects of themselves, is still really only working within the wrongness, it's trying to make the wrongness suit you better so you can feel happier in it; however it's not being completely determined to look at ALL your wrongness and doing whatever it takes to accept all the bad feelings to do with it.

ALLOW CHILDREN to EXPRESS THEMSELVES:

Messages from Mary and Jesus – Jesus 6 April 2003

If you could see children that are left to be free, they will ask when they are ready, and it makes the parent feel good being able to give. This makes the parent feel needed and not just taken for granted, as its child is coming to it, and it makes the child feel good because it is responding to its inner inspiration and feelings; it is making the approach in the relationship with its parents and gets what it asks for. But you ask: What happens when the child asks for things it can't or shouldn't have, what then; should the parent just give its child everything it asks for? And the answer is no, whilst your of and in the negative because the child will not be asking truly from and with a positive mind.

TO SAY NO!

Messages from Mary and Jesus Jesus 6 April 2003

To say no and reject someone is not something that's nice to do. You don't want to hurt another's feelings; however there might come a time when this is what you'll have to do so you can come back to, and focus on, yourself – being able to attend to your own feelings with the intention of healing yourself and growing in truth. You are the most important person in your life. Your parents took this knowing and feeling away from you by making you believe they were the most important people in your life.

To help another and be praised for that help, might be nothing more than helping your parent; putting yourself aside, helping them do what they want you to do – denying yourself, and then getting praised by them for being so nice, kind and caring. At some point you will have to give up your parents control and domination over you. You will have to stop caring for them and turn to care for yourself. Caring for another can be detrimental to you, and not the noble cause you thought it to be, if you are using it to deny your bad feelings dishonouring and disrespecting yourself.

The CHILD is INNOCENT:

Messages from Mary and Jesus

Jesus 14 April 2003

The child is the innocent, primitive, a newly emerging person, that needs to be respected and allowed to fully express itself and grow up freely, choosing for itself how be live as an adult. It doesn't need or want its parents imposing by force or threat their way on it, all to its own creative detriment. It wants to be free to choose it's parents way, but only if that way makes it feel good. And if its parents do make it feel good, then of course it will copy and absorb all that they are, able in turn to make others feel good. And it will do the same if its parents force it to follow them making it become unloving like them, making other people feel bad.

No one really wants to wreck another person's life, not even parents. They don't want to impose evil on their own children, but in their ignorance, do all day long. It's a shocking thing to wake up to and face when you start seeing the truth – for both parent and child. You believed you were so well meaning, when all you have done is the complete opposite. It is completely shattering to see how misguided you were, but it's understandable, you knew nothing else, and forgiveness can be found within yourself as you progress in doing your healing. All is not lost; it's only just a beginning to start to come clean. All will work out in the end, even for those you have hurt. For as you will see: truth will heal all.

Truth revelation is reserved for the Daughters and Sons of Truth – Mary and Jesus are two such personalities.

OUR CHOICE TO LIVE the WILL of OUR HEAVENLY PARENTS:

Messages from Mary and Jesus – Jesus 6 April 2003

The Father and Mother offer you this choice, however you have wanted to live as you are, and They won't take this choice to do so away from you; that would be violating your free will, and your Heavenly Parents don't take such liberties as your earthly ones do. They want you to uncover and see for yourself all that you are doing that is wrong. Why you are doing it, what happened to you to make you choose to do it, and how you've been manifesting it in your life. And once you are cognisant of it all, then you are free to choose as to whether or not you continue living it. And if you choose not to, then They will remove all trace of such wrongness, evil and self-denial from you.

Living God's Will is not just a matter of doing some sort of work for Them. This is incidental. Living Their Will is living in your perfected soul state of being, which will only begin when you are a *Celestial angel* of truth. Up until then you are still working to resolve all that is wrong within you. All that is sinful, evil, wrong, bad and negative. When you are truly free, you will be doing the work God is asking of you, all by simply living true to all your feelings and being your full and true expression in Creation. All that you will do in your life will then just be things you love to do, you won't feel like it's work, and yet it will be exactly all the Mother and Father want you to do, the very same things you feel you want to do.

Your deep longing to do and live and be true to the God's Will, is from your soul as it yearns to be free. And when you are fully self-expressive, living true to all your feelings, then this deep yearning will be satisfied. You will feel you know you are living in your true place in Creation, in perfect harmony with everyone else. You won't feel out of sorts, disillusioned, meaningless and without purpose. You won't feel disconnected from yourself. You won't feel like you're on the outside looking in on a life that somehow is beyond your reach. You will feel whole, centred entirely in and at-one with yourself, just as you feel at-one with God. You will feel in each experience you are fulfilling your soul's light-pattern-of-destiny, and this will make you feel good.

EVERYTHING is WITHIN OUR SOUL:

Messages from Mary and Jesus Mary 6 April 2003

Everything is already within your soul. You have the capabilities to free yourself, to do whatever is required. All that you have experienced right from the very beginning is still within you. All the pain you experienced as a child is within you, and all the reasons why it was so painful is all stored in your soul. As you progress in your healing your soul will liberate it all steadily into your spirit body and then in turn into your feeling, thought and physical systems. Step-by-step you will be led along as you express all you feel. And step-by-step you will see more of the truth of yourself. Your soul will unfold all it knows within you. The Mother and Father will help you to see all They want you to see, will love you, and tell you what you need to know when you ask Them for Their help. Reach out to Paradise, to your Heavenly Parents. Reach inwards to Them for their Indwelling Spirit. Find Them in your soul.

The CHILD is to FREELY EXPRESS ITSELF:

Messages from Mary and Jesus 13 May 2003

Mary:

The greatest gift you can give your child, is allowing it to be freely able to express itself, helping it to feel good about being able to say and express and communicate all it feels. THERE IS NOTHING BETTER FOR A CHILD TO FEEL THAN KNOWING ITS PARENTS COMPLETELY WANT IT TO BE EXACTLY HOW IT FEELS IT WANTS TO BE. To be completely unconditionally accepted for all that it is. Then it feels loved.

LIVING TRUE IS HEALING ONE'S SELF OF CHILDHOOD INJURIES:

Messages from Mary and Jesus – Mary 10 April 2003

As we are all of the Mother and Father, if we do anything that goes against Truth or Spirit or Mind or Will, or Their Laws of Love, then we are going against all of our self – our own soul, and the whole of Creation. And if we want to live true – true to the Truth, true to our soul, and true to God, then we have to rectify this at some time. In going against Truth we bring about pain – penalty – in ourselves, as this is to show us that we are doing the wrong thing – going the wrong way. And when we come back into harmony with the Laws the pain goes – the penalty has been paid.

Currently in the negative mind state humanity does not want to live true to God's Laws, so man's laws are different to God's. So all that you do is against the Mother and Fathers Laws of Creation and Existence. And this is what then causes all the pain in your soul, as you live each day refusing to honour the Truth of God. And no matter what you believe about how good you may be, if you are not living true to your soul and God's Laws then you are hurting yourself.

The Mother and Father say individually: Love Me as I love you; and together: Love us, as We love you. You come into the world asking your parents to love you as you love them. But they in their negative state do not honour this truth, so every little bit of them that does not love you, you feel hurt by. As they dishonour you so you dishonour yourself, for in your love for them, you are accepting that they are right and true, as you do not know anything else. You then take it on, all how they treat you, and do what they have told and made you do to yourself and others; you become as they are – negative. And so you live dishonouring yourself and the Mother and Father's Soul Laws. You cause great pain within yourself on all levels, not just in the physical. All pain you ever experience is saying to you: you are wrong in how you are being, and so you need to look to find the truth of why this is so.

When you want to know the truth of your pain, you will want to see the truth of where you are dishonouring yourself and the Mother and Father; then when you do see what you have done, you will feel bad about this, and then seek forgiveness, being healed and forgiven when you see the truth, and your pain all goes. You can go to Them and ask Them to forgive you, but as They are love and already do, you are really allowing yourself to forgive yourself, for it is you that does not love yourself, as seen by the act of dishonouring yourself. Then as you turn around and willingly want to live true, the Mother and Father remove the pain you have been suffering and fix that which within you has become dysfunctional as a result of your transgression. Then you are healed, so far as this part of truth has been honoured, and that part of dysfunctional you is living true to the Laws of Love, living true to your soul and to Them.

As you do your healing you are actually forgiving yourself. By wanting to see the truth and asking the Father and Mother to help bring up the unexpressed pain and feelings that are within you, that will show you where you are going wrong. You will be able to see the problem and then want to fix it and seek forgiveness of yourself (and from Them if you feel the need); and you will be loving yourself and Them instead of rejecting yourself and Them.

Gradually through your healing, you will work your way back through all the levels of truth within you that you have dishonoured since conception; with all the pain surfacing, and all the causes being seen that made you rebel against yourself. And with each step you will be forgiving and increasingly loving yourself. Your healing is you loving yourself back into perfection. And the longing to the Mother and Father for Their Love is the way to fuel this by becoming a divine soul.

When you love yourself truly, then you will love your neighbour and every aspect of Creation, as you love yourself. This will be your state of being – just like the Mother and Father, and you'll naturally be

honouring all Their Laws of Truth. And you will live free in Creation without any pain, worries or problems; eternally happy, as you long to be.

By praying to the Father to forgive you, you are not taking responsibility for your own actions; you are not seeking the truth of your evil causes. Forgiveness comes when you admit and accept your wrongness; when you uncover the truth of why you are it, or doing it, all through the expression of all that has made you feel bad. Through full self-feeling-acceptance you can free yourself from your negative condition. The Truth will set you free! The truth you uncover as you accept and express your bad feelings.

And as you do this God will change into the loving Mother and Father. You will come out of the old beliefs and ways of seeing things, entering into a new way of living and seeing how everything truly is.

When you were a young child you were the closet to your soul and to God. Up until you fully took on all the negative mind circuits you were still more pure and true to Their image. And you loved more as They love. A child loves freely and unconditionally. It loves without judgement or criticism. Look to the child to show you God, this will help you see more truth than looking out into the adult world as it now exists. And then look how the parent changes its child, from being pure and true, into another untrue adult. Look how you make your child turn against itself and live untrue to God. Look how the parent makes it live true to the wants, likes and dislikes of itself. Your child will help you see how wrong you are. It will show you if you allow it to; it will show you through your feelings.

Your soul-healing is concerned totally with you finding the truth of all you are; all you feel, and all through your feelings.

Messages from Mary and Jesus Mary 14 April 2003

The feeling controlling mind is nothing more than your parents control over you encapsulated in your mind.

Messages from Mary and Jesus Mary 15 April 2003

During your childhood you were made to change from being naturally good to being bad, and it hurt. Now you are being asked to change back to good from bad, and it hurts just the same.

Messages from Mary and Jesus Jesus 14 April 2003

You are completely self-contained. You will blame your parents for what they did to you through your healing, but when you are healed, you will be able to see how you took it all on wilfully from them; and so wilfully you have to choose to divest yourself of it and set yourself free. And this can only happen with love – your own natural love, through acceptance of all your badness and bad feelings, together with the help of the Mother and Father’s Divine Love. And so it is entirely true that love is the cure-all, and that love will heal you, your love, and the Mother and Father’s

Messages from Mary and Jesus Jesus 14 April 2003

Golden Rule: that one must always honour another’s will as one honours one’s own.

PASCALPERS

PARENTING:

Tuesday, 16 October 2018

I, James, want to write a few points about parenting having read a few pages of *Parenting is Forever* by an Australian paediatrician – Elizabeth Green, a book I saw at the library.

The hard truth is: if you parent whilst being of the Rebellion and Default, then you will be severely damaging your children. It's what we fail to understand; and we've been doing it for a very long time.

The whole notion of one can be a 'good' parent or a 'bad' parent needs to be thrown out the window. When you understand we're all living in a state of truth-denial; that we are denying the truth of ourselves, nature and God; that we are living against ourselves, nature and God; that everything we do is wrong and within the Rebellion and Default, then everything one might do as parent will be wrong too.

Until you begin your Healing, everything you do with your children will be stuffing them up. It can't be helped. And you won't know how you are stuffing them up until you do your Healing. You can't see the full extent of what you are doing to them either positively or negatively as you are parenting them – unless you are doing your Healing. And you can't work out how to stuff them up less, as it doesn't work that way. They will come to know how stuffed up they are – what a 'good job' their parents did on them – when they do their Healing.

We have to do our Healing so as to see the truth of our relationship with our parents. And until we see it, we'll remain forever more bound up in our Wrongness.

And the idea that we can learn how to parent, learn how be better parents, use our mind to parent children, is wrong, too. We can use our mind to learn whatever we want, but as that too is being done in rebellion against the truth of our true self, so it's only going to negatively effect your child.

A parent might be able to parent its child to fit better into life, living a more morally acceptable, respectful and loving life, however it's all still learnt, so it's a contrivance based on current acceptable pretence and falseness – it's all untrue and a fantasy.

Parenting happens on multiple levels most of which the parents are unaware, and all starting at conception. At conception, it's all already done, it's a done deal – pregnancy, childhood, adulthood is just the outworking of it. So all our negative patterns are conceived at conception (incarnation), with the only way to change those denial, rebellious, anti truth and anti love patterns being to do your Healing by seeking the truth of your feelings. And once your Healing is complete, then you will be living wholly positive, true and loving parents.

The truth you are living is 'organically' imparted 'absorbed' by your child all the way along, and right up until you have completed your Healing when technically you are no longer the parent of your child, having given it up completely to God, it being wholly God's child. By the time we're all of a Celestial truth we are then truly children of our Heavenly Mother and Heavenly Father without any further parent / child connection on any level other than in our memories. When you have completed your Healing, then you will be totally free of your parents. Until then, even through they might not be personally

present and active in your life, still you are living out the patterns that resulted from being with them, even if that was only for a moment. With those patterns all being 'broken' and transformed into leaving your physical parents for your true Soul Parents as you progress through your Healing.

Your child becomes the truth that you are. If you living against truth, so untrue, so it will follow suit becoming untrue. The intrinsic child being an expression of its soul, is true and perfect, however we become untrue and imperfect being incarnated onto a Rebellious world. Your child can't be anything other than how you are – it is 'your' child. All the factors such as DNA and inheritance contribute to how your child is, and on all levels, not just the physical, it all being long lines of generational denial being passed onto your child. And this then works with the whole environment the child is subjected to, which includes all of nature, all what happens in one's life, and all that's happening on unseen levels from spirit, all what's going on emotionally, mentally and psychically – the relationship between them both, it all going into and working to reflect the desired outcome the child is to be in every moment of its life, all of which is ultimately underpinned and fully orchestrated by the soul.

You soul is expressing you in Creation. It has encoded within it, all that you are to ever be. God has put it already all within your soul, and your soul is 'unfolding' through light, expressing that pattern which governs every aspect of your being. So why that genetic trait is activated by those environmental conditions is all overseen and orchestrated by the soul. Nothing is random, there is no bad luck that your child suffered this problem, and it is more than because you smoked and drank during pregnancy you somehow damaged your child. All of you is damaging your child all the time, even if you feel a great love for it and it for you.

Until you've fully Healed yourself, it is all damaging, fantasy, untrue and unloving. Every second your child is with you, you are negatively affecting it (unless you are doing or have done your Healing). And even when it's not with you, you are still connected by unseen psychic cords on all levels of the mind, emotions and spiritually, so are still affecting each other. And those effects compound and become very intricate, complex and intensely psychologically involved.

And if your child is retarded, a genius, or just 'normal' and 'ordinary', that's exactly what God wants, it's how God made its soul to express itself, so it's perfect. You are the child of God that you are, even in all your wrongness. And even though you might hate how you are, you don't have to stay in that state, being able to heal yourself as you do your Healing. And when your Healing is finished, you'll truly love the whole unloving state that you were, seeing that it was all absolutely perfect how evil, uncaring and unloving you were, it all being what you needed to bring you to this point of perfection you are now living in your Celestial level of truth.

If you parent your child without doing your Healing (irrespective of being a good or bad parent and whatever you do and learn to try and help your child), then you are simply passing on the next level of wrongness in your long family line of being untrue. If you parent your child whilst you are doing your Healing, then every part you heal within yourself you'll no longer be passing onto your child, with your child potentially adjusting to the 'new you' which can happen up until the child reaches its first Saturn Return (astrologically speaking) around 28-30 years old. Once that age is reached, technically it's the end of childhood, so even if the parent/s keep Healing themselves, those positive effects won't be passed on to the child. And once a child is sexually mature, the child itself has to be open to and receptive of its parent/s to be able to keep changing, reflecting the parent/s changing as it does its Healing. Once sexually mature, the child is free to reject any such positive changes brought about by its parent/s Healing, so it might reject its changing parent who is doing his or her Healing. The Healing parent can't force any positive changes on the child once the child is sexually mature, whereas before sexual maturity the child is still becoming its parent, so any positive (or negative changes) the parent makes will be taken on in some way and on some level by the child.

Learning to be a better parent whilst still parenting without doing your Healing only means you're going to add yet more layers to your child screwing it up even more. We are constantly adding more mental layers of self-denial to the way we live as adults, and so too our children. The Internet being the latest outside influence that can help parents to add yet more mind layers to themselves and their children. This book I am reading suggests that all parents woes and all the child's problems in the world now stem from the advent of the Internet, even as if pre-Internet, there weren't any problems with how parents parent and their resulting problematic children. And yet the Internet age is just another age along the two hundred thousand years of System Rebellion and Planetary Default, of parents unlovingly parenting their children who grow up to parent their children unlovingly. And if it we were parenting our children perfectly, if we were all Healed and living true to our feelings, there would be no Internet like we have it, and possibly no internet or anything of what we currently have. There would be other things in life reflecting our true state, things that express our love, instead of things that are expressions of our unlovingness. The Internet, like everything we create, is an expression of how screwed up we are inside, which means, how our parents screwed us up. We can only create something like the Internet – and the whole world we live in, because of our unloving parent/child relationships. So if you think the Internet and the world we've created are good and loving, then you might want to consider looking into the truth of your relationship with your parents and doing your Healing.

Any love you feel is love within the unloving state that you are and that you and everyone is expressing in the world. Nature is of perfect Natural love; we and all we create whilst we're in our imperfection, is unloving. All our relationships are unloving. Within our unloving states we can, relatively speaking, feel love and be more loving, just as we can be more evil, wrong and unloving, yet still it's all within an anti truth system, and without truth there can't be true love, for love to flow there needs to be truth: no truth, no love. Love exists outside of truth, but without truth we can't truly relate to it, so it may as well not exist. Our souls are truly of love, and we are to become truly expressing our truth as love, and loving expressing our truth with all the good feelings loves gives us, when we've completed our Healing, when we've ended our rebellion against truth and love.

We are living in an 'experiment' of how unloving you can be and what the effects of feeling unloved have on ourselves, each other and the world. Everything we are doing is wrong, so everything we are doing is making it harder for ourselves. There are no effective solutions to all our problems until we end our unloving anti-truth state by doing our Healing. We can keep using our minds to make it appear like we're being more loving and caring, just as we can use our minds to make it even harder for ourselves, but our mind is not The Way, whereas our feelings are.

A parent or parents doing their Healing will naturally effect their child as they progress, and in a positive way. However it's not for the parent to demand, make or force the child to do its Healing. Once the child is sexually mature, then it is free to make its own choice about doing it. And some older children might reject their parents who are doing their Healing, putting off doing their Healing until they are older still, which could even be during their spirit life. When someone begins their Healing in earnest, is when God through their soul says it's time.

If you are wanting to Heal yourself and become true, then part of that Healing will be about your relationship with your children – uncovering how unlovingly you've treated them whilst possibly believing you were loving and doing the right thing for them. And if you are yet to have children and do want them, then there will be lots of opportunities for you to find out more truth of your unloving state as you look to expressing and longing for the truth of all you feel – which is doing your Healing.

It's not that because you understand you are imperfect you should therefore not be having children until you are perfect having completed your Healing, but going with your feelings of wanting a child and

expressing every feeling that comes up along the way as you long for the truth of those feelings. If you have any fear, anxiety, worries, guilt, sadness, anger, misery and any other bad feeling, then these are what you work on. So you can have a child as you do your Healing, with the child helping to bring up the bad feelings in you that you are to express out of yourself and see the truth of. Or, you not have a child and do your Healing. If you don't have children on Earth then you can adopt children in spirit, either doing your Healing or not. Currently spirits doing their Healing can't also adopt children, however once the New Revelation is 'activated' – revealed, then spirits doing their Healing will also be able to do it whilst having children.

A fully Healed parent will pass on such truth to its child thereby no longer subjecting its child to any untruth. And two Healed parents will give rise to a completely true child, it being totally free of the Rebellion and Default, this being the perfect humanity that humanity is to become. Slowly humanity is to Heal itself of the Rebellion and Default.

Elizabeth in her book says that young people and children are looking more to social media and their machines to conduct their relationships through, and oh my god how are parents now to deal with, compete with, simply cope with, that??!! We fail to see that the machines and the Internet is allowing us to be truer to our unloving states, we can be more impersonal by pretending we are personal through a machine and the unreal, which is the truth of the relationship we are living with each other, so the truth of the relationship between parent and child. A parent who complains that their child wants the Internet and all it offers above them, should perhaps question why does the child want to reject its parents, and in finding the answer to that question, the parent will uncover the truth of its unloving relationship with its child. We can escape into the Internet away from the relationships we hate, those with our parents. We all hate each other, not love each other, which is possibly the most difficult truth to accept. We make up fantasy relationships we project onto each other that gives us the mental ability and resulting contrived feelings to make us feel and believe we love each other. But if we take the fantasy away there is only a dark hole of nothing, a hole full of pain, the full horror, trauma, terror of agonisingly feeling you are not loved by the people who should love you.

And so because none of us can bear face the terrible truth of our unloving state, we continue to do our best to live seemingly loving with each other, doing the best we can, using our mind to alter our fantasy-unreal existences, doing all we can do to avoid having to face, accept and fully embrace the truth our bad feelings will show us when we come to do our Healing and want to give up the facade.

We currently parent negatively influencing our children on seven whole worlds' worth of truth. Which means your child, as do you, has seven whole worlds' of truth it's denying in life, all of which cause untold numbers of problems. And consequently, should you wish to do your Healing, so it will take you the Healing of all seven worlds, as represented by the seven Mansion Worlds, to complete it. The Rebellion and Default has evolved to include all seven Mansion Worlds in rebellion by default. We have taken the Rebellion on by Default through all these levels and have to heal them all through our Healing. And once Healed, we are free of our parental influences, free of our parents, free of our wrongness, free of the Rebellion and Default, true and perfect to the Celestial level of truth.

PSYCHIC BARRIERS MAINTAINING the REBELLION and DEFAULT are CRACKED!

The hounds of the Rebellion and Default have fallen, the psychic barriers have forever been cracked. The sheeple, the mice of humanity, now have the freedom to evolve through Feeling Healing and Divine Love.

Things are pushing ahead, we're working them from our side, and more so every day now. Many of the soulgroups involved in this are getting a feel for what it is they are to do and how they are to do it. So the barriers are giving way on multiple fronts.

There are actually barriers preventing people and humanity as a whole moving deeper into the wrongness, just as there are barriers preventing people and humanity moving out of it. It's all very tightly controlled, the Evil Ones put in a vast amount of controls and on all levels, which, unless you are shown by those spirits who can see them, such as the Melchizedeks, you'd never be aware of them.

So the cracks are appearing as the Divine Love Healing worlds start to 'descend' onto Earth – into the physical. For that's what is going to happen, the Divine Love Healing worlds, from the first introductory sectors on Mansion World one, to the truth of all the three main Healing worlds, being lived by people living them whilst on Earth. All to give rise ultimately to Celestials on Earth. That's what our goal is, to have people living on Earth who have fully Healed themselves.

PSYCHIC
BARRIERS
CRACKED

PSYCHIC BARRIERS:

Tuesday, 21 November 2017 – Note from John – Hi Nanna Beth and James

“That there are very real restrictions that act like very real barriers impeding the normal functioning of us all because of the Rebellion and Default.” – Nanna Beth 20 November 2017

I gather that the Psychic Barriers have nothing to do with spirits from any of the mind Mansion Worlds or from the planes referred to as the hells. Are these Psychic Barriers all remnants of the Rebellion and Default controlling ways and contracts, and as we break through them, then are they finished for ever?

Nanna Beth: That’s right John, the Psychic Barriers don’t have anything to do with any of us spirits, however, we are all limited by them in what we can do with you, even including those spirits in the mind worlds.

The barriers are imposed circuits of mind and feeling dictated to us by the tenets or ‘laws’ of the Rebellion and Default. If you like, humanity has Fallen from the Celestial level down through the seven Mansion Worlds, so through every plane and subplane and subsubplane and so on through seven subplanes of every plane in every Mansion World. And even then still being divided up into the negative relationship between the mind and feelings down to what you might see as a microscopic circuit level, that which we can’t see, yet the angels can.

The angels are ‘wired’ into all the mind / feeling circuits, so know exactly where we are in our rebellion against these circuits, that being, how we should truly and lovingly live them and yet how we’re not doing so whilst we’re in our unloving and untrue states, and then where you are in your Healing of them. And each of these circuits, from the smallest and building up into the biggest, are what we call psychic barriers.

And they are all within you, and you have all to heal them all through your Healing. And that’s on the personal level, which then also has to be done on the combined level for the whole of humanity.

So through your Healing, each bad feeling experience you have really equates to having to deal with one or more of these damaged mind / feeling circuits, which are then represented on all the levels within yourself, on the feeling, mind and will levels, and all in between. So when you express all the pain and submit to the bad feelings, no longer trying to control or fight them, you are effectively falling into the pattern of how you live and express your negative circuit, thereby de-powering it, short circuiting it if you like, which then liberates more pain and truth, which then allows the circuit to be made right, this being the progress as you ascend through your Healing up through the Mansion Worlds.

So these barriers are the dysfunctional mind / feeling circuits on all the varying levels. And what Marion and James are doing is crushing them all by taking them all within themselves, which they did

through their early life, just like we all do, then Healing themselves systematically of them, each in their separate ways, which then opens the doorway for others to do through their Healing.

And for us Celestials, we have had to wait for them to work their way up through these circuits before we can act, because their breaking through and breaking them down means there are no longer barriers. And so as their Healing advances, so we've been able to do more by taking over as we've told you, and that's continuing on a daily basis. However the difficulty we still face, is, there are still some significant ones in place, so our hands are tied concerning them, and these are what we've been referring to that are causing problems for you and Crystal.

To achieve the cancellation of the Psychic Barriers, it feels as though a few field mice are up against Goliath.

So in all your different ways, you're pushing up against the coal face so to speak, you John, Crystal and Samantha, and there's nothing that can be done other than allowing the process to happen, because it's all being driven by the Mother and Father through your souls. So the real so-called fight between good and evil – Satan and Lucifer and the Devil and forces of Darkness, has actually been going on these past twenty years or so by each of you in your own separate ways taking on the bad within you and looking to Heal yourself. And even though you, John and Crystal, might not be actively doing your Healing like Samantha is, still you're taking on the Healing and all that's involved on the mind levels by accepting all James (and Marion) reveal.

By you not rejecting them, so you are doing your bit to stick it up the Rebellion and Default, which is in fact the Great U-Turn – you are doing it in yourselves, which can then be followed by the rest of humanity. So you are, as you say, little mice trying to scratch a hole in the brick wall, slowly working away at the barriers. And this is being reflected by these unseen barriers at work with the Couriers, who of course don't understand anything about this, but it's why they simply think it's just another job and one that shouldn't pose any problems, so why not just get it done, when in fact they are embroiled in this monumental struggle because it involves you and Crystal.

And we Celestials are not powerful enough to break such hidden and unseen barriers. Only the Paradise Pairs are powerful enough to do that, that's what they are all about, and in particular the Avonals, because it's what they are created to do, no one else can do it. And they can only do it by doing it within themselves, they can't see or know where these barriers are and deal with them through their minds, anymore than the Lucifers could see and control them by smashing through and breaking down the positive circuits as they rebelled. It all happens on the organic human level, with the rebellion being systematically passed on, getting worse, generation after generation, through the ages. And now it's all starting to reverse, all to change generation after generation up through the coming ages as humanity heals itself of its woe.

So I hope I've explained it better for you, it's all what we call 'technical' as it's all to do with the Mind side of things, that which is organised by the Infinite Daughter and Divine Minister, being carried out by the angels.

You can look at it like a matrix, that is often talked about, being created by the Daughter providing the inner mind-matrix or mind-circuits of Creation, about which and within which everything has its being. So your personality expression is built up around this matrix, being expressed in how your physical and spirit bodies are expressed in Creation. And so you can't do anything more than the mind and feeling levels you are on, other than increase their denial by moving deeper into your wrongness, or do your Healing and go the other way working your way out of it by changing your inner circuits. And these inner circuits are the templates for your whole being in Creation, so the laws of the physical body and all the rest run along them. And at best you can identify the laws or circuits, and live with them, but you can't change them. We can only change them within ourselves by doing our Healing. And as enough of humanity Heals itself, so then the greater changes will take place too. But that's more for the future. Right now it's about you few individuals doing what you need to do.

EXPRESSING ONE'S FEELINGS is the LIBERATION of ONE'S PAIN:

Our negative childhood repressed events, hurtful experiences, dramas and harming influences, are like festering cocktails of noxious energetic misery and pain?

That's right. It's as though something was put into you that's not meant to be there, it's making you be imperfect, and so it all has to come out, which you do by expressing all your feelings. And when all the bad feelings have come out, then you'll be left with the true and perfect you, that you which would have come naturally into being had it not been interfered with.

So you want to be true. And you ask God, your Mother and Father, to help you express all your bad feelings and to see the truth They want you to see. And then you just focus on expressing your feelings however you can; so to someone if you have someone who wants to listen to all you want to say, all the bad, yuk, stuff; or you write and say to yourself how you feel, and of course tell God all you feel.

So you stay focused on your feelings, you keep expressing all they are making you feel, and you long for the truth of them, and that's all. You don't have to make yourself go deeper into them, that will naturally happen, and you don't have to do anything with your mind. You just keep trying to articulate all you feel, accepting those feelings, feeling how bad or good they make you feel, express all the emotions associated with them, and long for the truth they are to show you.

And in doing that, all the bad or wrong parts will slowly come out of you; and by liberating them, so too are you setting yourself free of them. Your soul then effects the necessary changes when all the pain has come out and the truth of it has been seen, and that is your Healing. And slowly you will perfect yourself, become true, start having good, loving, open, honest and truthful relationships, with your partner, if they are also doing their Healing, and then with everyone else. And most importantly, with yourself.

We are to grow in truth through our feelings, which is why our feelings are needed.

DIVINE LOVE does not TRANSFORM one's SOUL
FEELING HEALING is what TRANSFORMS one's SOUL

The Divine Love does transform our soul from Natural love into Divine Love. It's our Feeling Healing that 'transforms' or heals our erroneous expression of Natural love. We have to 'heal' and so perfect our Natural love, so it can then be transformed by the Divine Love.

Divine Love does not even begin the real work of transforming one's soul, for those who focus upon receiving Divine Love to the exclusion of embracing one's Feeling Healing, they are just expanding their mind's control over themselves. Should this be one's passion, then upon passing into the spirit Mansion Worlds they will find that they can continue along this path all from within the Divine Love followers segment within the first natural love Mansion World! Yes, only from within the first natural love Mansion World.

Most of humanity on Earth is not wanting to face the very truth their feelings are making them feel every day of their life. So if they want to keep living in the spirit Mansion Worlds as they did on Earth, in complete denial of their feelings and the truth they are to shown about their wrongness, they can.

However, for those who have embraced Divine Love and begin to engage in their Feeling Healing process to begin the transformation of their soul, they will be able to sense the Divine Love already within their soul 'driving them on'. One's understanding and adjusting will be changing rapidly to that of embracing all about the Healing and doing it – all being supported by the Divine Love that one may have received previously. All one may have done with the Divine Love may make their introduction into their real Healing, by using their feelings, much easier than it is for other spirits from the mind worlds who are at the same time having to wrestle with many of their old religious beliefs or mental programming, having to take on a whole new mind-set which one could see would take some of them years, whereas for someone who has been longing for and receiving Divine Love for some time it may be only a matter of weeks. This also applies to those living in the physical.

It is the Feeling Healing process that transforms one's soul towards perfection, towards the ability to fully express one's true personality as given to us by our Heavenly Parents, it is the Divine Love that then fits that transformed soul to be able to enter the Celestial Heavens.

OUR SOUL is WHO WE ARE:

We are the personality of our soul. We never lose our personality.

We are a reflection of our parents' personalities. We wilfully embrace our parents' character traits and way of living and beliefs.

Our heritage is an outcome only of who we incarnate / individualise via.

All humans are descendant from Aman and Amon (Andon and Fonta), who lived about one million years ago. Not Adam and Eve who arrived about forty thousand years ago. We all have the same colour skin pigmentation, just different amounts of it. It is our soul based personality that is who we are! Our nationality and racial background is imposed upon us at birth.

REVELATIONS

Revelation 1: Our soul becomes encrusted with harmful ways of life, plus negative and erroneous beliefs, these mainly stem from our childhood upbringing and environment. Thus we live untrue to ourselves, we become 'evil'. Whilst we hold to these injuries we limit the amount of Love that we can receive into our soul. To open our soul to the Love we must firstly and progressively feel into our emotional injuries and allow them to be released. Until we emotionally experience past errors and injuries we hold onto them.

To free our soul of damage and toxic emotions we must open ourselves to experiencing them. This is a progressive, slow and uncomfortable cleansing process that we must all experience. Only by addressing the generational injuries will we, as humanity, evolve in love.

To fully divest one's self of our badness, we have to 'go into' our feelings. Call this process of clearing toxic emotions as 'Letting Go', 'Emotional Processing', 'Journey Process' or 'Feeling Healing'. Embracing Divine Love then Feeling Healing becomes Soul Healing.

As part of our Feeling-Healing we will have to work our way into all our feelings to see if indeed they are coming truly from our heart and soul, or if they are being heavily influenced by our mind. And this will then lead us into questioning and uncovering the truth, if there is any, to our beliefs and why we behave the way we do; and is such behaviour based on truth, or is it based once again on untruth, belief, and rules of our mind.

Revelation 2: We can long for, ask for and receive the Mother and Father's Divine Love. The greater our soul is free of error and injury, the more of the Divine Love can be received and assimilated into our natural love formed soul. The Love does not free us of injury, however, it strengthens our resolve to continue on our journey to be free of error and injury, to step away from evil aspects that have been encapsulated within our humanness and soul. It is this Love, the Divine Love, that brings about immortality of our soul and it is this Love that will eventually fit us to enter the Celestial Heavens and progress for ever more onwards to Paradise. These two revelations free us from error and enable us to grow in love ever more.

Immortality with the Love.

WE ARRIVE DETUNED!

Our souls are a divine creation of our Heavenly Mother and Father. They could not be any other way! And are designed (such as how it has been for us) to begin incarnation in a Natural love condition reflecting the Natural love state of our world.

And we have also been provided with the opportunity to experience what is being ‘evil’, to live denying our Natural love, as seen through the denial of many of our feelings. So we here on planet Earth live on a world that has Rebelled (and then also Defaulted), of which there are only 37 within the local universe of Nebadon, consisting of 3.8 million physical worlds under the regency of Mary Magdalene and Jesus – the spiritual parents of truth of all of Nebadon! And we assassinated Jesus, and completely denied Mary not allowing her to have her say about the truth.

As a consequence, we are ‘detuned’ from our Natural love state and divine origin. You could say we arrived with all parts functional, however, in our untrue, dysfunctional and distorted state, we’re badly in need of a severe service, tune up or a complete reconditioning. Our goal being to bring our true self to the fore by doing our Feeling Healing, and then to progress beyond our Natural love state by further advancing our soul condition through the process of Soul Healing and receiving our Parents’ Divine Love – becoming divine.

In our feeling- and truth-denying untrue Natural love state, we have been made to use our minds to dominate our feelings, becoming more like that of mind-based creatures of nature than of human souls of truth and feelings. And this is the wrong way for us to develop. So to step beyond this limitation, we are to live true to our feelings. Our heartfelt feelings being the guiding lights to our evolution and growth of truth.

Feelings are what guide us through our ascension of truth. So they are really our Supreme Guides. Many people look for a person, spirit, angel, even God, for supreme guidance, however it’s all right there already built in and can be found through our feelings – our soul based feelings.

By living true to our self, true to our feelings, we are living true to God. It’s that simple.

Thus we are detuned once our incarnation begins. However, the way is now open for us to bring about our full divinity. To completely Heal all that’s wrong within us on a Natural love level. To embrace and then transform that Natural love into a divine state through partaking of our Heavenly Parents’ Divine Love. All the while attuning ourselves to divine perfection and enjoying the fullness of our divinity and love, as we ascend in truth on our journey all the way to Paradise – the home of our Heavenly Parents.

BECOMING DIVINE:

We are not Divine to begin with. Our soul, personality and true self are of Natural love, created by Divine Parents, and with the POTENTIAL of becoming as They are, at-one with Them - divine. And we begin to realise this potential by longing personally to Them for Their Divine Love.

Our physical parents, from our conception, endeavour to mould us into being ‘little me’s’, that is, replicas of themselves, imposing their beliefs and personality traits upon each of us. They crush our individuality and free will. They destroy our personality, our true self. They inflict upon each of us their ways, all of which are a result of the Rebellion and Default of many, many generations ago. They drive us into believing and subsequently becoming dependant upon our minds. This is not the way for us to express our true selves and evolve along the path towards our true parents, our Heavenly Mother and Father.

No, we are not in the image of our physical parents. Though we may look like them, and act like them because they have dramatically and successfully crushed our true personality, we are each very unique and independent of our parents and all other family members. When we begin to progress along the path of engaging with our soul based feelings and seek for the Truth of our feelings, we will become free of our parents’ impositions and suppression.

Upon starting our physical life experience on Earth, our divinely created soul begins to express us as one of our soul’s two personalities in Natural love. However because of Earth being in Rebellion, so we are parented into a rebellious and anti truth and anti love state of mind control over our feelings and true self.

Natural love is good, just ‘less’ or different to Divine Love. And it’s that in our rebellious state, we’re rebelling against Natural love, and Divine Love by not taking Jesus and Mary up on their offer and allowing the Divine Love to transform our soul, as we perfect our Natural love by doing our Healing.

By living true to our self, true to our feelings, we are living true to God. It’s that simple. The revealing of the Feeling Healing process is the commencement of our ability to begin the Great U-Turn and go the right way. Should we then also embrace our Heavenly Parents’ Divine Love, we can also commence our Soul Healing and becoming divine – this is our destiny.

CREATED in THEIR IMAGE:**GOD**

James: Mary, what does ‘we being created in the image of God’ really mean?

Mary M: It means that our Mother and Father used Themselves as the model or template if you like, upon which to bring us into being, those of us who have existential souls with the potential of expressing their two personalities in Creation.

And although our souls are divine, as in being divinely created, still whilst we start our personality expression in Natural love, so we need the Divine Love to come into our soul and bring it into the levels of Celestial divinity.

Natural love, so basically the whole of Creation, is of the image of God, and we being divinely created souls can be part of God’s Divinity becoming divine ourselves. So through your Healing, James, you become progressively divine by partaking of the Divine Love and healing yourself into perfection – your true self. And by the time you’ve completed your Healing, your soul is of the Divine Love level of Celestial truth, and your personality is an expression of that level of truth, it all being ‘confirmed’ and cemented – fused – into place upon the direct soul-union with your Indwelling Spirit. Then you are of the essence of God, true and perfect to the level of the first Celestial sphere, the first sphere of true divinity.

Our Heavenly Mother and Father

WE ARE TO LIBERATE OUR SUPPRESSED PERSONALITY:

We NEVER lose our personality, it is ours, and it's our precious gift from our Mother and Father. We are always who They have made us be. Personality is sacrosanct. It's the most valuable thing in Creation, it's what all Creation rides on, it's what all Creation exists for: the expression of personality.

All our Healing does is liberate our true personality, so it doesn't actually change us, and in make us be a different person, it just liberates all the parts of us that were stopped from freely expressing themselves.

All that is wrong or bad or imperfect within you, will turn into being perfect, right and good. You get rid of all the bad stuff by liberating all the hidden good, and as that comes to light, so the bad fades and then leaves altogether because you no longer need to be that false untrue you, the one your parents have made you be. But YOU, the basic intrinsic you, never changes, and all you don't love about yourself will go as you gradually love yourself more, all as you keep bringing out your repressed feelings.

Helen talking to James Moncrief 5 April 2017

When you start to do your soul-healing you are moving away from the control of your negative mind.

We all have a great responsibility to Creation and to our Heavenly Parents: to strive to be true and adhere to the perfection of our soul, so that by our own existence, as shown in our lives, we are helping to build Creation in the right way. A positive mind is of perfection and will add positively to Creation; a negative mind only seeks to add imperfection and destroy Creation. Creation being created by perfect love will only tolerate imperfection for so long. Although you are living a valuable experience in your evil and negative mind states, Creation and your soul will only tolerate such self-denial for so long. One day, if not sooner rather than later, you will feel the pressure on you to change, to find out why you are not happy and not all loving – to find out the truth of your no-love, denial state.

When you start to do your soul-healing you are moving away from the control of your negative mind.

Love can only go where truth exists.

Messages from Mary and Jesus via James Moncrief 13 March 2003

Mary Magdalene Indwelling Spirit Fusion was about 7 Years after Jesus' At-Onement:

Saturday, 2 December 2017 – John asking Nanna Beth:

When Jesus and Mary lived on Earth, what was their age difference please, and was Jesus older than Mary? We basically understand the circumstances when Jesus became at one with our Heavenly Parents when he was of the age of 33, but we do not have any comprehension of Mary's circumstances when she became at one with our Heavenly Parents when of the age of 35.

Nanna Beth: Jesus was about four and three quarters years older than Mary – she was a Taurus (April 20-May 20), he a Leo (July 23-August 22). (so consider 7 years later)

ABOUT the HEALING

James

Sunday, 15 March 2020

Hello Sam, John, Eme, Graham, Brian and Jim, I want to pass on an 'update' about how I now perceive what our Healing is and how it will go. Overall, it's still the same as I (and the spirits) have said – looking to our feelings for the truth of our self; and so being in an unloving and untrue state, doing our **Spiritual Healing** (as I'm now tending to call it) to fully connect with that; what it means to us; how it came about for us; and all the intricacies of our relationships and how they reflect the mess we're in. So our Healing is about first finding the truth of our unloving and untrue state, coming to understand the full extent of that, how it relates to us and how we relate to it, and all how it makes us feel feeling so fucked.

So what I want to add today is more about how I personally have thought my Healing would progress and how I've been wrong in that with these last couple of months making me change how I see it.

I started my Healing thinking and then believing that as I brought out all my yuk, I would change, changing for the better, becoming more true, perfect and loving. That it would be like any other normal healing, when we cut ourselves the wound gradually heals diminishing in pain and size until it's all better perhaps leaving a scar to remind us of the experience and the amazingness that we can heal like that. When we get sick we go to the doctor, do what is needed, take the pills, have the operation, and hopefully we gradually get better. And so I applied this same approach and expectation to my Spiritual Healing. If I bring out all my pain and yuk as Marion told me I had to do, then as the bad comes out and the truth comes with it, so I would gradually change making myself better – healing myself, becoming truer, ending all my pain, changing all my negative self-denying and unloving beliefs and behaviour, positively changing feeling better about myself and my life, my relationships, how I conduct myself, my aspirations, perfecting my Natural love, preparing myself for the 'Big Change' when the Divine Love wholly transforms my now perfect Natural love soul into being divine, that being the end or at the end of my Healing. So I believed that steadily through all these 23 healing years I would feel those positive changes happening in myself, and not only that, but as all of me would be changing, my compulsions and addictions would progressively end, my relationships would become truer, I would become more loving and be able to receive love, all as I grew in truth, all preparing me to become Celestial, with my being able to feel, sense and perceive that each day I was getting closer to the END of my Healing. However now after all these years, I've had to admit, accept and come to understand that my way of seeing how my Healing would go has been incorrect.

So this is now what I understand my Healing has/is about; and perhaps other people have understood this from my writings and it will be of no surprise to them, but I have been a bit dim owing to all my fucked up beliefs which I grew up with and those I've added since reading the Padgett Messages, Urantia Book and even from the spirits, all of which has been perhaps my misinterpretation of it. I'm still coming to terms with having my focus shifted, so I apologise if I ramble on repeating myself as I usually do and for writing so much.

Now I would advise someone who is wanting to start their Healing by saying that it is about, seven Mansion Worlds worth of uncovering the truth of your rebellious state. So don't expect yourself to get better or change thinking that as you progress you will work your way out of your wrongness progressively becoming better, truer and more loving, because it's not about that. It's all about becoming progressively more aware of how fucked you are, so right the way through your Healing having to stay being fucked, all so you can see the truth of how fucked you are in all the ways you are untrue. So expect to stay fucked right the way to the End of your Healing. Don't expect to progressively get better or heal yourself like you might expect. That really it is all about only growing

in truth, with you needing to stay controlled by your compulsions and addictions all the way along so you can keep using them to move deeper and deeper into the truth of your unloving and untrue state. And that it won't be until you've revealed to yourself the whole truth of your rebelliousness, when you've brought out all the bad feelings that will help you see it, that the end will come and your transformation into being true, perfect and all-loving will happen. If you expect through your Healing to gradually decrease your badness as you increase your goodness, you might end up feeling very let down when after years of working on yourself to still feel in many ways just as fucked as before you started.

John, if you were to draw one of your diagrams, then I have viewed the Healing like a pyramid, we start off with a broad base of fuckedness, with our being wrong and rebellious diminishing as we ascend in truth, and with ourselves feeling better and better about ourselves as we get closer to the apex. But now I see the whole pyramid as a column right the way to the top. And perhaps the column is capped by a small pyramid at the end of our Healing when our transformation does finally occur, however I won't know until I experience it.

I have spent these past months so pissed off with the Mother and Father about letting me down, doing all this work on myself for all these years when nothing really has changed in me. All that has seemed to change is I've become progressively more aware about how fucked I am and how my fuckedness is maintained and how it all started, but what I hoped would be my healing hasn't happened yet. And being pissed off with Them is of course really being pissed of with my parents for giving me the wrong beliefs that I applied to my Healing. God has not said how it will be, I've made all that up. And so now I'm finding out, and like everything else, it's nothing like I thought it would be.

Marion explained it well the other day by saying what we do heal through our Healing is all that is stopping us see the truth of ourselves – our untrue and false state. And I can relate to this, I have changed in many ways, I have brought to light a lot of my beliefs and ways I'm keeping my truth-denial in tact, including having these wrong beliefs about my Healing. And as I've seen what I am doing, what is in me that is blocking myself from feeling all my feelings and the truth that will come from them, so many of those blocks have diminished and some have even gone completely, allowing me to feel more clearly just how fucked I am, all my pain, all the hurt, all the misery, fear and anger, all how powerless and such a useless nothing I am and why I've had such a nothing life. So my self-awareness, my awareness about my rebelliousness, being so unloving and untrue has certainly increased and continues to do so each day.

Yet still all whilst maintaining my addictions, compulsive behaviour, disconnectedness in my relationships and how fucked up my self-expression is. So my body feels more fucked by the day, I can't stop stuffing the Aldi (super market chain) milk and almond chocolate in by the block, I am feeling more fucked by the day, all the opposite to how I thought I would feel this far into my Healing. So the truer I become to how untrue I am, the worse I feel, which is right because that's the truth of how wrong I am. I am wanting to uncover the truth of my unloving state, so I have to feel just how unloved I feel. So I have to keep feeling worse and worse because that's how I felt through my early life and all the way along, I just tried to block it all out. So through my Healing I have progressively been able to feel all my bad feelings more truly, more intensely, connecting more with them as they are myself and my life and not all the false cover up and denial of them. So it's right, even though it's still so hard to accept, that the more I progress in my Healing the worse I will feel. I should feel better and better! But it's not been like that. In some ways I don't have all the repressed bad feelings in me, the misery, fear and anger has markedly lessened, I don't spend days and days feeling so miserable as I used to, yet when I do feel miserable, I feel it so much more acutely now being so much more aware of it. And I can

connect with the truth of why I'm feeling it much quicker. So I have changed in my relationship with myself, only it's not been as I was expecting.

And I've come to realise, that had my Healing progressed like I believed it would, then as I progressively changed for the better, I'd be better, and so being better I would then not be able to feel my deeper levels of how fucked I am, my new good feelings preventing me from getting into my even deeper bad ones I'm keeping hidden. So had I worked my way up the 'healing pyramid', the higher I got the further from the truth of how fucked I really am I would have become. So now I understand why I have to stay in my fucked state right the way to the end – so I can keep connecting with it on ever deeper levels, all so I can understand all the aspects of the truth of it that God and my soul want me, need me, to see.

So as hard as it is, I am now accepting that my Mother and Father gave me a life of unhappiness. That I am to live feeling mostly unhappy, miserable, despairing, powerless, nothing, and fucked off about it all for my whole life, and really forever. And that my so-called Healing, is coming to understand and so accept that. And even though I still hope I will change and end feeling so bad, I have to fully accept that until that time comes, and if it ever does, I am dreadfully unhappy and a sad case of useless pathetic futile humanity. And that I have to keep doing all my compulsions and addictions to keep afloat, to keep living the pathetic fucked way I do, all of which is what God wants – created me to live. So there is no out, no escape, not whilst I'm still in it, for how can there be, as I am it, it is me. So all I can keep doing is working on myself through my feeling acceptance and longing for the truth to keep seeing just how fucked I am, as I had no idea when I was young, just all these horrible feelings I did all I could to block out.

So to face that I will never get 'better', that nothing will ever change for the 'better' is soul-destroying, it's too much to bear, that this is my shit life and that's it for me as I can't change myself; and god I tried, but I can't, my Mother and Father have made me so I can't. So I'm trapped in my pain forevermore, or until They decide to end it. Marion says: why do you keep doing or saying that, why don't you change yourself, focus on what is wrong and try and keep aware of it and when you do it again then work to find out why you do, bring up those feelings and gradually as they all come out you will change, you will stop doing it. And I have tried her way, but I can't do that, it's not me, I didn't get what she got being able to do that for herself, which is how she approaches her Healing. However the reality I have seen over these years for her is that she can't change the real deep fucked up stuff within her no matter how much she applies herself or expresses her pain. Nothing seems to change for either of us in our deepest fucked up self, other than getting to know it more, we're always changing in our understanding of how fucked we are and why and how powerless we are to do anything about it.

So I am changing by coming to accept that I can't actively make or induce my own change. I can't do anything other than what Marion said right at the start, just keep trying to express my bad feelings and keep longing for the truth of them. I do this in my pathetic fucked up way, which Marion says is not right and that I haven't even started my Healing properly, however I can't do anything else, this is me, this is all I can do, and every day my 'not doing my Healing as she says' is helping me see how I can't change myself, how locked into my shit I am with no way out, and that I have tried to do my best and failed, and that I am not even meant to try anymore, just accept that I am completely powerless to affect any change, and that I am completely reliant on my Mother and Father, it's all up to Them – how They want me to be. And I've been so fucking angry with Them for giving me such a shit life, just as I have been so angry with mum and dad, and yet lately even that anger has been fading off because what is the point, what does it do for me, it doesn't help me change, it doesn't make me feel better. But I have had to express it all, raging at them, at Marion, standing up to them like I wasn't able to when I was young, getting stronger in my expressing those feelings I'm becoming more aware I have, all while understanding that compared to Marion and Samantha the strength of my feelings is very weak, I hardly

feel them, they are just a blur most of the time, unlike their's which are so acute. Accepting that God even fucked up my being able to fully and passionately feeling my feelings, that I am all but feeling-numb, just wanting to hide in my fantasy mind, to watch the movies in my head as I watch the movies on the screen, to escape into a better place in my mind.

So to conclude. For anyone setting out on the phase of life called their Spiritual Healing, to expect that through your feelings you will be worked step by step ever deeper into the pain of your untruth all so you can see that how you are now as an adult is EXACTLY how you were back as a child, and that really you are still the child and nothing has changed. And that it's not going to change, you will remain being the fucked up unloved child feeling all the bad feelings of being that way right the way through to the end of your Healing. And you have to keep feeling as bad as you do, and so if you don't already feel as bad as you felt from conception and right the way through every bad part of your childhood, then your Healing will progressively help you re-connect with just how bad you did/do feel. And that you won't change for better as in feeling like you are ending your shit childhood, letting it go, healing all the pain of it, that you will keep being in and of it because it is you, there is nothing else, no other you, there is only you the child that wasn't loved as it needed to be loved by your parents. And that you will keep feeling so bad right the way until the end of your Healing. So don't expect yourself to 'heal' as you know healing to be, expect to keep feeling as bad as you do, even worse and worse, all as you keep growing in the truth and awareness of how fucked and wrong you are. And then when you have seen and felt it all, when you know all the truth of your unloving and untrue state, then you can transform into your true and loving self, then all your pain will go, then you will greatly change. But until that End Time when you make the transition in truth into the Celestial levels, keep expecting all your shitty life to remain, all your compulsions and addictions to keep plaguing you, all helping you to feel as powerless as you are, as unloved as you are, as untrue and false as you are.

Our Spiritual Healing is not about, here, take this Healing Pill, working on expressing your feelings and uncovering the truth of them and you'll get better and all your pain will progressively leave you as you become progressively a better person. No, accept that you are fucked, you will stay fucked, and you will come to see the whole truth of your fucked state, feeling how bad you feel in it, right the way to the core of your being. Great fun, yet what else can we do?

One day we all come to the realisation that we can't actually make ourselves feel any better by using our mind. We have tried to do that all our life, but one day it runs out and you can't do it anymore. And you look back at all you've done which you thought was helping you to feel good and change for the better, but it's all been shit. And then you have to express all those horrible feelings that all you've done has been a waste of time, that you are still as fucked as you've always been. And then what? If you can't change yourself using you mind, what the fuck can you do?

And then what you can do is go the other way, to try and uncover the truth of why you can't use your mind to change yourself. You can do your Spiritual Healing, however that too is not going to be like you expect. You are going to keep feeling as fucked and in the pain that you have always felt, right from the beginning, because you formed in that pain and fuckedness, it is you, it's how God wanted you to become, and you have to come to terms with that. But that doesn't mean falling in a heap and giving up, because you won't be able to do that fully either, we have to keep going, so what we can do, which I assume we all will be able to do, is work with our feelings to bring to light the truth of just how fucked we are.

You are the unhappy and unloved child. Nothing has changed. So we have the choice of living the truth of that. Which means, coming to understand through our feelings, the very feelings we've always felt, what it all means to be as you are. The truth of yourself. The truth of your unhappy and unloved self. People say they want to become true, but they jump over becoming true to all the bad untrue

stuff. If they do this or that, do their Healing, they will become true. Which is right, only it means become true to how fucked you are and all the pain you feel and have always felt. Getting to know it – yourself; connecting with every part of it – yourself. Going into your hell, into your darkness, and being it, being immersed in it until it becomes light. Until what was your darkness you know so well, feel fully connected with, that there is no longer any hidden dark places you refuse to face and see. And when we've come to terms with the hell that we are, then hopefully our Mother and Father will change us into becoming truly true and loving.

And to end: here's an example of how much fun it all is. I grow up in relationships with people that I believe I love, when in fact the truth is, I hate them all. The hate coming through my Healing as my feelings lead me to it, that which I wasn't allowed to express when I was with them.

So being with people I hate, and believing they are good for me, is part of my negative pattern.

So I marry a woman wanting to be with her, because also as part of my negative pattern I have to be with someone, believing that I love and like her when really I hate her. Really I detest and can't bear how she is and all the things she goes on about and what she's interested in. I have to be with her, hating her just as I had to be with my parents hating them. It's just how it is, how I am, and I can't be any other way.

And so I was told we are soulmates / soul partners, so good luck with that. I am with my soulmate that I hate. However, perhaps that is part of living the ultimate truth of feeling unloved, so perhaps it might even be right. And if it is, it shows me just how removed from the truth I am, that we all are – which also is right, because we are very far removed from the Truth due to the Rebellion.

And part of my Healing, coming to understand and accept the truth of my unloving state, is realising this about my relationship with Marion, mum and dad and the others in my family. So Marion and I remain together, hating each other, all so we can keep helping each other in our different ways with our Healing. And when I say hate, that's harsh, when we are going for it, yelling and cursing each other slinging all our shit at each other, yes we hate each other, but that is not that often, only during the crunch, pressure times. Mostly we accept and are okay with each other, even liking each other every now and again; yet still overall, growing in the awareness and understanding that really we share little in common other than the truth that we don't love each other and our lives are fucked, separately and together, and that there's no point, and we can't leave each other – another part of our fucked state. And then to take it even further, well really I'm not with Marion, I'm still with mum and dad; just as she is not really with me, she is still with her mother and father. So our hatred of each other is really still a projection of our hatred of our parents onto each other. And what we might really feel about each other, were each of us true and were we able to truly relate to one another, we don't know, and won't know until we finish our Healing and if we still want to be together then.

The Rebellion is a complete fuck up. We are complete fuckups. I am a complete fuck up. All of which our Mother and Father want us to see and come to know through living it. They have fucked us up so we can know the truth of what it's like to feel so unloved and to live being so untrue and against ourselves. And possibly one day we'll thank Them for giving us such an extreme experience. And until that day comes, if you hate Them too, then hate Them with the full intensity of such hate for giving you such a shit life.

FUCKUPS

SPIRITUAL HEALING:

Our Healing is about first finding the truth of our unloving and untrue state, coming to understand the full extent of that, how it relates to us and how we relate to it, and all how it makes us feel so demented and live life in a stupor.

Healing is about seven Mansion Worlds worth of uncovering the truth of our rebellious state. It's all about becoming progressively more aware of how screwed up we are, so right the way through our Healing we stay being screwed up, all so we can see the truth of how demented we are in all the ways that we are untrue, all the way to the End of our Healing.

What we do heal through our Healing is all that is stopping us see the truth of ourselves – our untrue and false state.

Mansion World 7: is then about still working with the deepest and residual bad feelings, whilst looking to sort out how you wrongly relate to yourself and others, nature and God because of being unloving, understanding how your relationships are unloving, how you don't connect properly, how unloving you really are and why and fully accepting the truth of it, coming completely to grips with your parents not loving you as you needed to be loved – sorting it all out, including your self and feeling expression difficulties. Then comes transition.

Mansion World 5: is then about going right into the depths of them, feeling how unloved you feel and seeing how unloving you are and how that makes you feel, bringing out the majority of your pain, your misery, fear, anger, guilt, hatred, boredom, terror, rejection, nothingness, feeling powerless, alone and abandoned, and so on. Each progression is full on, all the way.

Mansion World 3: is for waking up to the truth that you're not loving and starting to get in touch with your pain, starting to accept your bad feelings, starting to work with them instead of rejecting them.

IT IS NOT THIS WAY

IT IS THIS WAY

Spiritual Healing Expectation

Saturday, 28 March 2020

James: Some people will have the expectation that as they progressively work through their Spiritual Healing by looking to their feelings, expressing them whilst seeking their truth, they will change for the better, as in, their pain, addictions, compulsive behaviour, their self and truth-denial will leave them as they change into a better truer more perfect person. Starting off fucked and progressively becoming less fucked. However it doesn't happen like this.

And whilst many inner changes do occur through our Healing, these are mostly centred about helping us to become truer to our pain, allowing ourselves to accept our bad feelings more, getting better at expressing them, all accepting that we are in such a bad truth-denying way. All of it helping us to understand how false and untrue we are. And this continues right the way through to the end of our Healing.

How we heal is by progressively bringing out all our repressed childhood feelings and uncovering the truth of why we're feeling them. However to do this we need to remain in our untrue state right the way through to the end of our Healing so we can keep getting more in touch with such feelings bringing to light the truth of our untruth.

We are to become true to how we are. Currently we are avoiding the truth of how wrong, fucked and in a bad state we are. And we are not to avoid it, we are to fully accept this is how we are, but first we have to see it all, which do throughout our Healing.

So don't expect to feel better the further you go in your Healing, expect if anything, to feel worse and worse as you connect with the deeper repression within you. Don't expect all your Wrongness to magically go away or be transformed out of you as you grow in truth from your bad feeling expression. Don't expect anything of this until much closer to the end, or until when you've seen the whole truth of your untrue state.

We are to understand, know and be, as we are in our Wrongness. So our Healing is not about healing ourselves to avoid being it, to further push it aside. Our Spiritual Healing is about progressively bringing us face to face with our being untrue and false, feeling ALL the pain of it, accepting and expressing it, all to reveal to us why we feel so bad. We are to understand why we do all the bad things we do, however don't expect to stop doing them as you progress through your Healing. Some things might go, but other things you are and how you are that you hate about yourself might stay right the way through to the end of your Healing. And they will remain because you'll keep needing them, keep needing to do them, to further help you connect with them and to keep bringing up all the bad feelings you feel about them and from them, all to keep helping you see yet more truth about your unloving state.

You are false and untrue. You will remain false and untrue right the way through your Healing. All so you can see the whole truth of being false and untrue. And when you've seen it, then it will end, then God will transform your soul and you will change ending all your false and untrue ways of being, becoming wholly true and of a Celestial level of truth.

So far, and it's early days yet, there seems to be two very distinct ways people's Healing might unfold for them:

1. One way is for the person to know they are false and untrue, to always have known it, for them to feel unloved, to hate themselves and to feel hated, to feel many bad feelings about themselves and their lives right from as early as they can remember. These people having to be forced to remain in their pain right through their lives, always suffering and mostly aware of it and how they were unlovingly

treated as children causing them to feel so rejected, unloved and unwanted. And so when such people start their Healing it will be one ongoing expression of their pain. And as their pain comes out they will grow in further understanding why they feel it all, coming to see the whole truth of how badly and unlovingly they were treated by their parents and family. And these people will feel that they are progressively working through their pain, with good feelings coming the more of their repressed feelings they emote and express, enjoying the truth that comes to light affirming to themselves their feelings have been right all the way along. That they were right and their parents were wrong, something they've always known as their feelings have told them, and now with it all being confirmed beyond a shadow of doubt through their Healing. So such people will understand that it's right that they keep feeling bad right the way through their Healing because they have always felt bad, there never were good feelings, or at least not enough during their early life, it being how they are, how God has made them be, the life God has made them live. And these people will be fully accepting of the process, knowing that they will just keep bringing out their bad feelings until there are no more to bring out, when they will have seen all the truth of their bad feelings and unloving state of being, which will be the end of their Healing. These people will undoubtedly have certain blocks and deep trauma that might require some outside help to bring out, however mostly they will be able to easily do their Healing themselves.

2. The other way is the person who was completely turned against their abuse and pain, completely made to feel there was nothing wrong, that they are okay and even right being as they are, that they are not false or untrue, having been made to completely disconnect from the unloving treatment they received from their parents, blocking it all out, refusing to allow themselves to feel such bad feelings. These people will be very deluded, shut off almost completely to the truth of themselves being false and untrue. Shut of to so many of their repressed bad feelings, with hardly any awareness at all that they are in fact stuffed full of bad feelings they are refusing to feel. So for these people, who might need a lot of ongoing help to keep them breaking through such feeling-resistance, their Healing will be one long smashing down of their denial, slowly forcing them to wake up, admit to, to feel, that they are feeling bad and are not right. And it will be harrowing for them having to constantly face the truth through a seemingly never ending stream of worse feelings surfacing in them, seeming to come out of nowhere because they've shut them all out so long ago, not allowing themselves to remain in touch with such pain. And the bad feelings will keep coming up in them, with the more in touch and aware of their hidden pain they become, the more intense and better to relate to such pain and bad feelings they will become. So for them their Healing will seem like one long miserable painful traumatic experience as they are forced to reconnect with the pain of their forgotten and blocked out childhood. And it will be an ongoing constant revelation as to the truth of just how badly treated they were. They have believed they were loved and things were relatively good during their childhood and in their relationship with their parents, and yet their feelings and resulting truth will constantly keep showing them otherwise, that they have seriously been deluding themselves, and that in fact they are severely disconnected from themselves becoming very untrue and false, with all they increasingly think and feel about themselves and their lives being not good at all. So their Healing will seem like an ongoing agony, when really all it is will be all they have always felt, all still how they felt as a young child, all of which they systematically blocked out. So the unblocking will seem brutal and cruel to them, like God is being very unloving and mean to them subjecting them to such pain and so many overwhelming bad feelings all the way through their Healing. And with no let up, always feeling like they are being further crushed, broken down, ground down into feeling so powerless, that they are nothing, a no one, just a poor sod full of fear, misery, pain and anger about having to be subjected to it all. All of which they are to wake to understanding was all what their parents subjected to them all those years ago, and all of which they've always felt yet have kept well hidden from themselves.

So for the person who wasn't allowed to block out all their pain being able to use their mind to tell themselves they are loved and feel good about themselves, their

Healing will be one long feeling of ‘yes’, that is right, that is how I’ve always felt, that is the truth of it. And even though they will feel so bad, as bad as they have always felt, still they will also feel good because finally they are getting to the bottom of it and their feelings were right. Whereas for the person who denied themselves such pain and bad feelings all the way along, using their mind to convince themselves that they are good and right and don’t feel bad about themselves or life, their Healing will be one long bashing down such untruth and falseness, making them have to face the fact they were bad and wrong, that all they are is full of shit, and that really they are filled with so much pain and repressed bad feelings that it’s a wonder they were able to keep it all locked away without having a clue as to how bad and traumatised they are. And they will feel their Healing is not making them feel better, and if anything as they connect with their ever deeper pain, that it’s making them feel worse right the way along, and with no let up, no relief, begging God to end it, wanting it all to stop, all because daily they are having to face more of the truth of themselves. So the truth will even feel to some extent like it’s a bad thing, it making them feel worse about themselves; whereas through the other Healing way the truth will make those people feel good and better about themselves as they progress in bringing to light the whole truth of their rebellious and untrue state.

And then I imagine within these two extremes of Healing, will be people with elements of both approaches.

Feeling things seem to get worse and worse as you progress in your Healing is right because your childhood got worse and worse, it compounded all the denial as you got older. And as much as you might feel worse and worse, still oddly you will feel also better and better the truer and more accepting of yourself you become to your untrue state of being. The less you deny yourself the better you feel about yourself; however to become less denying, first you will feel worse about it as you come to see just how much you are denying by getting more in touch with it all.

SPIRITUAL HEALING:

We incarnate into Rebellion, and by default become untrue to ourselves. The truth of which we are to see through our Healing. And once seen, then we will no longer be of the Rebellion, being a true, happy, perfect and all-loving personality.

The Healing is about becoming true to being as you are in your untruth. As you become aware, facing and accepting the truth of how wrong and untrue you are. And once you’ve brought all your untrue self out through each stage of your Healing and are wholly aware of yourself and your rebelliousness, then your soul and God will transform you out of being untrue and into becoming your true spiritual Celestial self, be that in the physical or when you do your Healing in spirit.

The EXTREMES of EMOTIONAL INJURY and SOUL SUPPRESSION:

At the extreme ends of Childhood Repression, a soulmate pair will be the first to heal themselves, having experienced their parents and close family members impose upon them forms of childhood suppression that collectively represent all possible extremes of experiences that we can have. Thus, when their Spirits of Truth are released, then all of humanity will be able to draw upon these for assistance and guidance as to how to liberate one's own soul from their own personal repression. This is the gift that this soulmate pair is to provide humanity with.

As the female is closer to her feelings, it is the female that may lead and assist the male in their Feeling Healing process, while progressing with her own. The male typically cannot do this on his own, the female being more capable due to her closeness to her feelings. However, to complete her own progression, the female requires the support and participation of the male. It is now time that we recognise that it is the woman that is our spiritual leader.

Our truth loving soul based feelings are to be brought into dominance with our minds only to support our soul based feelings. It is how we are brought up by our parents that we erroneously accept that our minds are all powerful; however they are greatly flawed and self-centred. Embracing one's own feelings is embracing the way of living that our Mother and Father desire for us to express and engage in. We are to fully express our God given personality through our feelings, not our mind based man-made impressions.

Firstly, consider discovering the truth of your emotional pain and injuries through Feeling Healing.

Secondly, consider longing for our Heavenly Parents' Love as you progress with your healing.

Primary and most important readings are the writings of James Moncrief.

Then consider the Padgett Messages, and then The Urantia Book.

TRUTH LOVING SOUL V ERROR INFLICTED MIND

We souls are existential, our souls have it all within us, it's a done deal, we are just unfolding in Creation through our personality expression. So our evolution is our growing in truth, the truth already within our soul, with it continually being brought out through our feelings as we live our experiences, thereby 'growing in truth' as we ascend, as we live that truth.

Whereas the angels are experiential, and their soul starts evolving or developing upon their creation. It all being done through their evolving minds. They don't grow in truth like we do, they just grow or evolve in mind. And as they do, the experiences they have individually and then as a created pair, cause the soul of their mind to grow and evolve.

However, those people adhering to the 'Mind Way', as presented by TUB (The Urantia Book), the New Age, and all our religions, is really the angels' way and not ours. So perhaps, that is why TUB has 'mucked it up' because it has to adhere to the Rebellion, which is making us look to the God the Mind, the Infinite Daughter, as the Way to God, when we're to look to God the Truth, the Eternal Son, as the Way to God.

We can't attain Paradise and be with our Heavenly Parents unless we first go through the Eternal Son. We can't do it through and with our minds. That's for the angels to do. So the mind spirits (like most people on Earth and spirit Mansion Worlds), unbeknownst to them, are trying to live like angels, trying to evolve their soul through and with their mind, which can't happen. And if we are like angels going first through the Infinite Daughter on the way to the Mother and Father, then we fall short, never attaining the Son. However as we know, we are so wrong by looking only to our minds, that we can't even get out of the Mansion Worlds, let alone get anywhere near the Infinite Daughter on Paradise.

So our Healing is getting ourselves out of the mind, letting that way go, and coming back to our true selves, which is through our feelings, the truth we are to live from our soul. And once we do that through our Feeling Healing and divine our soul with the Divine Love, then we are free to move to Paradise, up via the Infinite Daughter (with Her and the Divine Minister (and Holy Spirit), nature, nature spirits and the angels' help – all the creations of the Mind), to the Eternal Son and onwards to the Mother and Father. With the Higher descending Paradise Daughters and Sons (Mary and Jesus, Avonal pairs, Trinity Teacher pairs), and local universal descending Daughters and Sons (Lanonandeks, Melchizedeks, etc.), together with our ascending mortal spirit friends (daughters and sons – each other, Nanna Beth, Kevin, etc.), helping us on the feelings and truth side of things.

Note from James Moncrief 4 November 2017

**Feeling Healing with
Divine Love is the key**

**to enter the
Celestial Heavens.**

GEMS for ALL PEOPLE of all AGES to EMBRACE:

The GOLDEN AGE!

Cause No Harm < to OTHERS
to MYSELF

Strive to love others as I am to love myself

At any time, any where, and in any way you so please:

Approach our Heavenly Parents, in reverence, without fear or trepidation, just as we, as a child, approach our earthly parents knowing that open loving arms are extended to receive us at all times. As one’s love grows for our Mother and Father in the Heavens, we come to know with absolute clarity and certainty that our Heavenly Parents, loves you and me and everyone in return, at all times, and that fear is an illusion created by man’s mind.

God, who is our Heavenly Mother and Father, is almighty, all powerful, infinite, and all loving. The love of the Heavenly Parents for Their children, man, has been and is always infinite and ever present. As one’s faith evolves, one’s love for our Heavenly Parents will have no limit. As we grow in Their love, so will we grow in love for all of God’s creations and our fellow man.

The Source Soul, our Heavenly Parents, simply desires for us to ask for Their Love.

God's Divine Love: Pray for it, ask for it, and receive it.

“I love you Father.” “Let the Divine Love flow its energy into my soul.”

“Mother Father, I desire your Love and I am loving you.”

“Soul God, I love you and I love receiving and experiencing your Divine Love.”

“True Soul God, I am here, I am aware of your Love. Please hear my aspiration for your Love and as I approach you from my soul, I can feel your Love in the way that you are loving my soul.”

“Please Father and Mother, may I receive Your LOVE.”

Maybe we could simply long for and ask:
Please, Father, I want some more of your Love!

FEELING HEALING and SOUL HEALING with the DIVINE LOVE:**James Moncrief Publications:****all publications are free downloads:**<http://divinelovesp.weebly.com/my-free-books-and-free-padgett-messages.html>

It is suggested for one to consider reading as follows:

Speaking with Mary Magdalene and Jesus – books 1 – 4

These four books encapsulate the second of the revelations with the first having been introduced by James Padgett one hundred years previously. These four books provide a wide range of guidance that has never previously been made available.

Paul – City of Light

As a gentle intro into the Divine Love and Healing; being James Moncrief's first novel and it's been criticised as being too heavily clichéd, but that's the point because it's a reflection of how he was back then.

Ann and Terry

For an example of people who might want to immediately start working on themselves and doing their Healing.

Feeling Bad? Bad Feelings are GOOD

For more understanding about our denial of our feelings and why we should not deny our feelings, and it includes how it all came about for James, using himself as an example.

Feeling bad will make you feel BETTER – Eventually!

This includes specific examples of Marion and James working on expressing particular bad feelings, again with the hope that it will help others gain something of an idea as to what's involved in doing your Feeling Healing.

Sage – and the Healing Angels of Light

Through Sage who's 13 years old, the story is primarily about the two aspects of healing; that being, with the help of our angels, and the full Healing we can do by looking to our feelings for their truth.

**Religion of Feelings
Feeling Healing**

**Welcome to LOVE – the Religion of Feelings
you can heal yourself through your feelings**

So these books, including the four Speaking with Mary Magdalene and Jesus books, provide the essence of it all and are examples of James' work. Then it's up to whatever takes one's fancy. Other reading to consider may include:

The Padgett Messages being published as:**The True Gospel Revealed Anew by Jesus volumes 1 – 4****Book of Truths by Joseph Babinsky****The Urantia Book**

Release one's pain through expressing one's feelings.

in conjunction with

Longing for the Truth when also longing for Divine Love.

FEELING HEALING with DIVINE LOVE is SOUL HEALING:

A collection of 'papers' that draw together specific topics including all of the above and more from other sources of information and revelation designed to help increase one's awareness about why we have the problems we do and how to heal them, all whilst living a more healthy and sustainable life. They provide a brief snapshot of the more complicated topics and issues.

Firstly, consider discovering the truth of your emotional pain through Feeling Healing. Secondly, consider longing for our Heavenly Parents' Love as you progress with your healing. Primary and most important readings are the writings of James Moncrief. Then consider the Padgett Messages, and then The Urantia Book.
