Earth's Humanity and the Cosmos

Our Earth, our home is such a beautiful wonderful place! Enjoy.

Earth

EXPERIENCES, FEELINGS and TRUTH:

We look into the night sky and see around 1,000 stars that possibly are the hosts to the 619 humanities of our local system, Satania. Earth is on the outskirts of Satania.

When we ‘die’, and shed our physical body as we are spirits having a physical experience, we all arrive on the 1st spirit Mansion World.

If we continue to live through our minds, then we may progress to worlds 2, 4 then 6 and no further – dead end!

Should we embrace Feeling Healing with Divine Love, we will start our journey of Truth and Love, progressing through Healing Mansion Worlds 3, 5 and 7, then through the Celestial Heavens and onwards out through our Local Universe of Nebadon and on to Paradise, the home of our Heavenly Parents.

The spirit worlds are within a different dimension to the physical stars and earths. However picturing the spirit worlds within the centre of our local system is only a visualisation aid and not necessarily accurate.

LEARNING for ETERNITY:

The journey that we are on and the life we are to live is a never ending adventure of learning.

We may gaze at the stars in wonder for they are homes to our neighbouring humanities. While we live through and worship our minds then we will stagnate. This time in history is the Great U-Turn.

We will now embrace our soul-based feelings, the truth within us, and have our minds follow. Not the other way as it has been throughout the Rebellion and Default with the mind suppressing our feelings and we being in denial of our condition.

Through our feelings we will put aside the limitations and barriers that our mind restricts us to. We will discover the wonder of ourselves and our amazing potential. We will recognise that females and males are equal and are truly partners in all we do.

We will discover that one soul manifests TWO personalities, one female and one male, and that our true partner is our other half of our soul!

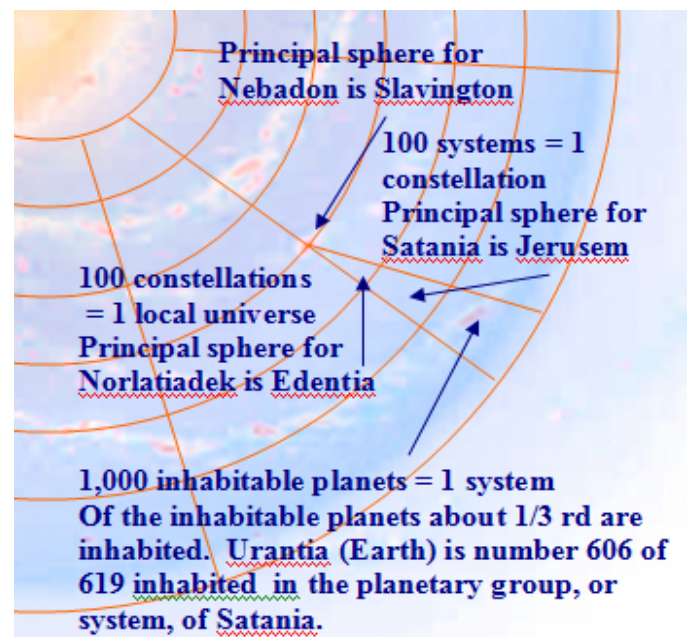

We will become free!

Earth ↑

God, being the soul partner personalities of our Heavenly Parents, Mother and Father, reside on the Isle of Paradise that is stationary within the centre of the seven superuniverses. Our Spiritual Parents and our source of Truth are Mary and Jesus, the regents of the region known as Nebadon which hosts some 3,840,101 inhabited planets of which Earth (Urantia) is one of the 37 rebellious inhabited planets. Our Adamic pair defaulted and then we crucified Jesus on a cross!

WE ARE NOT ALONE:

In fact, our SuperUniverse is teeming with life!

The Spirit Worlds, commonly called the mansion worlds, and being numbered 1-7 (TUB numbers them 7-1), and the higher Celestial Heavens (spheres), appear to be within our local solar system, although they are not physical worlds like Earth – we can't visit them in a space ship, only in our spirit bodies, each world and sphere being of a higher spiritual vibration. Each of the spirit worlds and spheres are in close proximity of each other, and provide successive places of residence for us now that we've been individualised / incarnated on planet Earth.

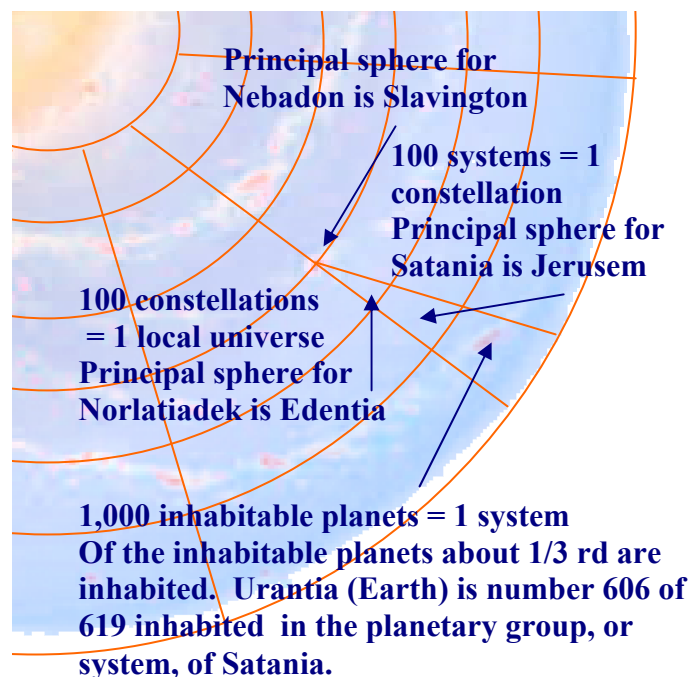

As we develop in Love we progress in and up through these worlds and spheres to ever brighter ones. Progression beyond the 7th Divine Love world results in our migration from the mansion worlds to the Celestial Heavens.

^{37:10} The universe of Nebadon, which even now has more than three million eight hundred thousand inhabited worlds, with ten million in prospect. In our solar system, Earth is one of three inhabitable worlds. (The Urantia Book TUB)

^{32:2.9} The organization of planetary abodes is still progressing in Nebadon, for this universe is, indeed, a young cluster in the starry and planetary realms of Orvonton. At the last registry there were 3,840,101 inhabited planets in Nebadon, and Satania, the local system of our world, Urantia / Earth, is fairly typical of other systems.

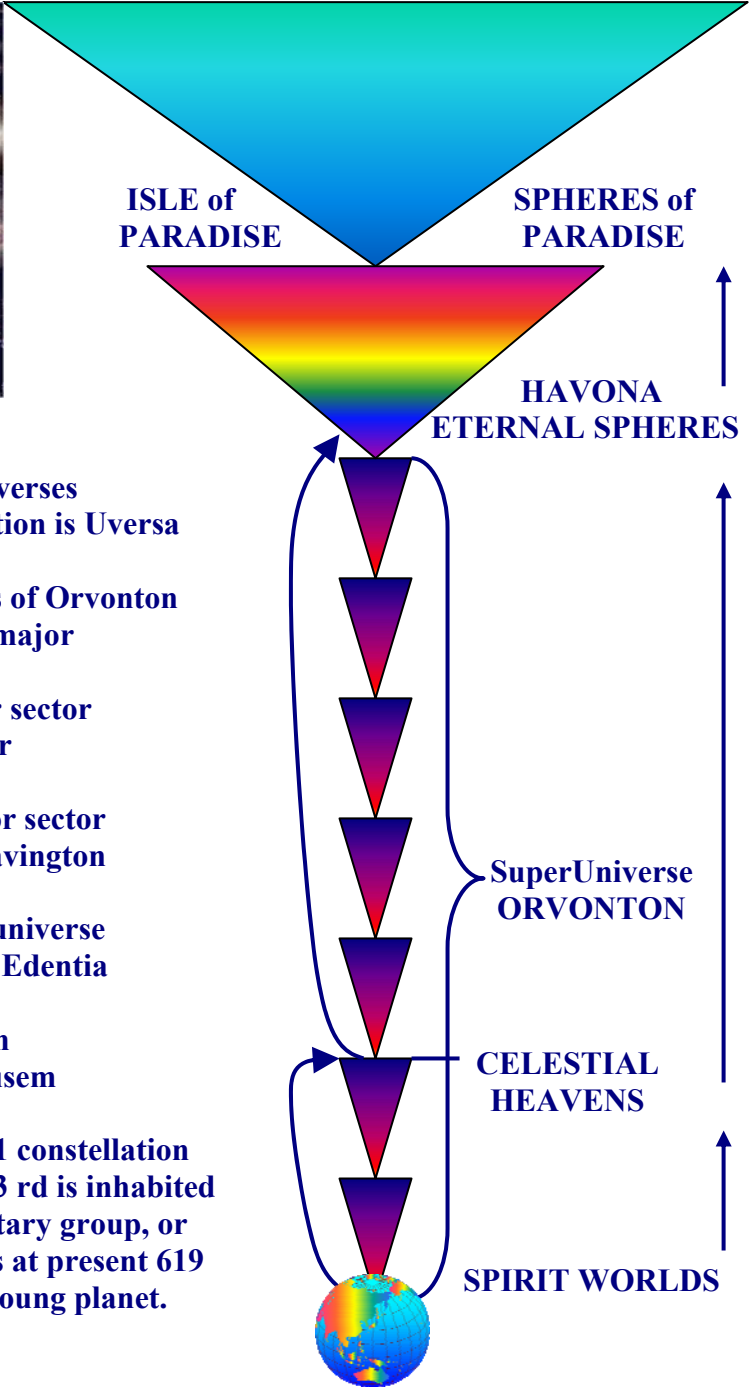

The Mansion Worlds of the Celestial Heavens are in the region of Jerusem.

^{119:8.8} Urantia (Earth) is the sentimental shrine of all Nebadon, the chief of ten million (100 x 100 x 1,000) inhabitable worlds, the mortal home of Christ Mary and Michael, sovereigns of all Nebadon, a Melchizedek minister to the realms, a system saviour, an Adamic redeemer, a seraphic fellow, an associate of ascending spirits, a morontia progressor, a Daughter and Son of Man in the likeness of mortal flesh, and the Planetary Princess and Prince of Urantia (Earth). And your record tells the truth when it says that this same Mary and Jesus have promised sometime to return to the world of their terminal bestowal, the World of the Cross. This they have done through the Padgett and Moncrief Messages, etc.

SATANIA SYSTEM within the LOCAL UNIVERSE of NEBADON:

The number of **stars** that **you can see** on a clear (moonless) **night** in a dark area (far away from city lights) is about 2,000. Basically, the darker the sky, the more **stars you can see**. Moonlight brightens the **night** sky and reduces the number of **stars you can see**.

A full Moon brightens the sky more than a crescent Moon or half Moon. Artificial lights also reduce the number of stars you can see. In a large city, which has a lot of bright lights at night, you may only be able to see the brightest dozen stars. As the night sky gets brighter, the faintest stars disappear from view first.

So what are you seeing when you count off 1,000 of the brightest stars in your sight?

Each star has between 0 and 3 inhabitable planets within the habitable zone – water does not boil nor does it freeze all the time. On average a star has one inhabited planet. Within our System of Satania, there are 619 inhabited planets out of 1,000 inhabitable planets and we are number 606 – a young planet on the outer edge of the System. You are looking at our System and our neighbours. Physically they are much like us but some maybe taller, shorter, skinnier or fatter.

Presently, because Earth's humanity Rebelled some 200,000 years ago and then Defaulted more than 38,000 years ago, we are quarantined. We are not allowed visitors until we have healed our Rebellion. We have never had alien visitation though they have sent investigative drones.

100 Systems make up a Constellation and 100 Constellations make up our Local Universe of Nebadon of which 3,840,101 planets are inhabited out of 10,000,000 inhabitable planets. The Co-Regents are Mary Magdalene and Jesus. They came physically to Earth and subsequently introduced the availability of Divine Love throughout Nebadon and had the soulmate pairs of Lucifer and Satan imprisoned due to being the leaders of the Rebellion and bringing about the Default.

They also set about the arrival of the Avonal Pair on Earth to introduce the Healing and the new Spiritual Age – Spiritual Healing through Feeling Healing, the New Way.

NEW FEELINGS WAY

This is the time in the history of Earth's humanity when the greatest event ever experienced throughout its almost one-million-year history is taking place.

At the time of World War II, 1939-1945, Earth's humanity was around 2.4 billion. Given the major recovery issues post war, the duration could be said to be 10 years and then some.

What is unfolding for humanity now is a factor 100 times more significant, and then some. Not only is Earth becoming fully engaged, so too are the 2 Earth planes, the 7 spirit Mansion Worlds and the 3 Celestial Heavens. That is 13 worlds.

Upon death of our physical body, we all transition to the 1st Mansion World

Earth's population in 2020 is approaching 8 billion; spirit Mansion Worlds 1 and 2 have approximately 200 billion; the numbers for the 2 Earth planes are unknown, however they are near capacity; the Mansion Worlds 3, 4, 5, 6 and 7 could be any number. The 3 Celestial Heavens have approximately 30 billion personalities engaged in assisting in these events and the administration of the coming Avonal Age. All worlds combined having in excess of 250 billion personalities – more than 100-fold. Now add the angels!

The Avonal Age is for the next 1,000 years, more than 100 times the duration of World War II – well, 40 generations of 25 years each.

Seven Spirit Earth Planes

We start our eternal existence by incarnating, even if it's just for a moment, onto a physical world like Earth. Then, when we die, we move into one of the seven Mansion Worlds, which can be likened to probationary worlds; worlds in spirit through which we correct all that's wrong within us. This includes if we've hurt other people or creatures very badly, we need to compensate for such suffering we've caused in others by suffering ourselves in one of the two lower Earth planes commonly called The Hells.

Other than the two lower Earth planes, we mortal spirits can't live in the other five Earth planes, they being reserved for the angels, nature spirits and other higher spirits.

The geography of the seven Earth planes is based on, or the same as, Earth. Whereas the geography of the seven Mansion Worlds is unique to each world. So, on Earth it's conceivable that your physical home could also be used by nature spirits, angels and higher spirits for their needs in the higher Earth planes, as well as being used by spirits confined to the two lower Earth plane – Hells. So, with these seven other dimensions all focused on your home – a lot could be going on! However, more than likely, the reality is that the lower two Earth plane hells have spirits congregating in the darker seedier places of the physical world, or in the prisons and more isolated places if they are to spend time in isolation. Whilst the nature spirits, angels and higher spirits would reside in their higher Earth planes mostly away from dense populations of humanity, so more in the remote unpopulated areas of the world. The planes, although each being separate from each other and the physical Earth and not interfering or influencing each other, still have some bleed-through of energy, thus affecting them in certain ways. As you can imagine, I don't think the angels would set up one of their main meeting and administration centres over one of Earth's most densely populated, corrupt and polluted cities. Not unless the higher angelic light, was in some way, to affect those people on Earth.

And by and large, we on Earth have very little consciously to do with any of the spirits or angels in the Earth planes. Some people feel emotionally, mentally, psychically and even at times physically disturbed or influenced by spirits in the two Earth plane, Hells, although really there is little direct interference from them. Such things as scary ghosts and knocking noises and all the dark scary poltergeist stuff comes from these wayward, lost, 'dark' and evil spirits still trying to have nefarious control over people on Earth, all of which is relatively harmless other than in exceptional cases. And mostly, we on Earth are totally unaware of our attending nature spirits and angels, and even more so of any higher spirits that might be visiting us or Earth.

For spirits and angels to get as physically close to us as they can, is by them being in the relevant Earth plane. During a Divine Love meditation or prayer for example, it's conceivable you might have in attendance and unbeknownst to you – dark spirits of the two Earth planes that want to try and redeem themselves so are brought to attend your prayer or meditation. You might have nature spirits there as well. You will have your attending angelic pair together with other angels and you might have other higher spirits who are required to help you in your thoughts or feelings to progress in your spiritual development. And then you might also have other Mansion World or Celestial spirits attending you in the relevant Earth plane, including even from the Hell planes should the spirits want to get as physically close to you as they physically can. A lot of Mansion World spirits descend into the lower two Earth planes, the Hell planes, so as to be close to their loved ones on Earth. They are able to do so without being affected negatively by the ever-present Hell plane spirits by adjusting their spiritual light in order to keep them at bay.

It should be noted that to qualify for life in the Hell planes comes about because of the state of ‘hell’ that already exists within the person who acts out such hell on others. We only cause harm to others because the harm was caused to us through our childhood. And instead of dealing with and honouring our own pain and taking full responsibility for it, we block it within ourselves thereby taking it out on others by making them suffer the same degree of pain we’re suffering. Those people who harm another person or creature will at some point suffer the degree of pain they have caused in the other person when the Law of Compensation acts upon them during their time in the Hells. They have to ‘balance the books’ so as to help them understand that it was wrong to do what they did to the other person or creature, for them to understand by directly feeling the pain they have caused. And once they have felt it all, ‘paid for their spiritual crime’ against the will of another, then they are allowed to resume regular spirit life in the Mansion Worlds rather than being kept separate in the Earth Hell planes. And somehow, during the time of ‘paying the price’, they are healed of their need to hurt and harm others so they can move into the regular spirit Mansion World population, no longer looking to, or with the need to, hurt and cause suffering in other spirits.

And it is highly possible that at some point, and even possibly quite soon, the same Laws of Compensation that apply to those spirits having to live and ‘do their time of suffering paying for their crime against another’, will be applied to and on Earth. So many bad people will suddenly be forced into the ‘hell of their own making, the hell that resides in them’. Which means doing some or all of their ‘Hell Time’ whilst on Earth, then completing it when they get to spirit by having to enter one of the two Hell Earth planes, or no longer needing to spend any time in them if they’ve ‘served their time for their evil crime’ when on Earth. Should the ‘earthing’ of the Law of Compensation come about, thereby bringing the Earth into direct alignment with the First Mansion World, then as you can imagine, things will drastically change here on Earth. With anyone merely having the intent, let alone actually carrying out the sinful act, having to immediately suffer compensation for their unloving action and motivation. With the compensation being lived by feeling such intense guilt and all the other bad feelings for the bad things you have done, coupled with pain so bad and so ongoing, you enter into a state of perpetual begging for forgiveness and to be released from your suffering – that very same suffering you caused another person or creature to suffer.

Seven Spirit Earth Planes

Each of the seven Earth spirit planes co-exist in the same space as we do in the physical. We of the physical world are of the coarsest and densest material. Starting with the 1st plane, the material within each plane becomes finer, more refined and of greater luminosity. Those within the lower planes cannot see or discern the presence of those in higher planes. Those of the higher planes can move about those in lower planes without them being aware of being present unless they wish to reveal themselves.

Each plane is predominantly for one group of spirit or angel personalities. However, there are sectors within planes where visitors from higher planes can move about freely. No harm or disturbance can be caused by any spirit personality upon another, not even those within the physical Earth existence.

7th Earth Plane being for visitors from Havona and Paradise, together with the Daughters and Sons of God. This includes Angels who have come all the way from Paradise.

6th Earth Plane being for visitors from the higher levels of our Local Universe. Higher Daughters and Sons together with higher Angels.

5th Earth Plane being for visitors from the Celestial Heavens and higher angels and spirits from other parts of Creation, including Finaliters.

4th Earth Plane being exclusively for Angels, some of which have evolved from Nature Spirits!

3rd Earth Plane is the exclusive domain of Nature Spirits who are derived from creature life experience on Earth.

2nd Earth Plane – a ‘Sphere of Isolation’ from which one progresses having settled the Law of Compensation, allowing entry into regular spirit life in the 1st spirit Mansion World.

1st Earth Plane – the darkest ‘Sphere of Isolation’ and closest to Earth. A plane allowing spirits to live in their state of hell because of their grievous inclination to cause harm to others.

NEW FEELINGS WAY

The way to Paradise and All-Love is a Feelings Way. The Feeling Way is about honouring – accepting and expressing, and longing for the truth, of all feelings. By doing our Spiritual Healing (Feeling-Healing and Soul-Healing with the Divine Love) we can uncover the truth of why we’re living in rebellion against the truth of ourselves. Why we live by denying so many of our feelings; especially our bad ones.

The Way of the Rebellion, The Mind Way, leads ultimately to mind-extinction involving annihilation of personality and soul. The Mind Way is about denying as many feelings as you can, selectively choosing the ones you want, all to maintain control over yourself. And yet by denying feelings and your expression of them, you are denying the truth they would help you see about yourself. So you are denying your own Spiritual Growth Of Truth. All of which can only lead to bad outcomes.

The Mind Way is a Dead End – and only pain. The Feeling Way is eternal growth of Truth, Love and Happiness. By truly embracing our feelings, longing for the truth they are to reveal, we evolve through:

Phase 1: Spiritual Healing through the Mansion Worlds and into the Celestial Heavens.

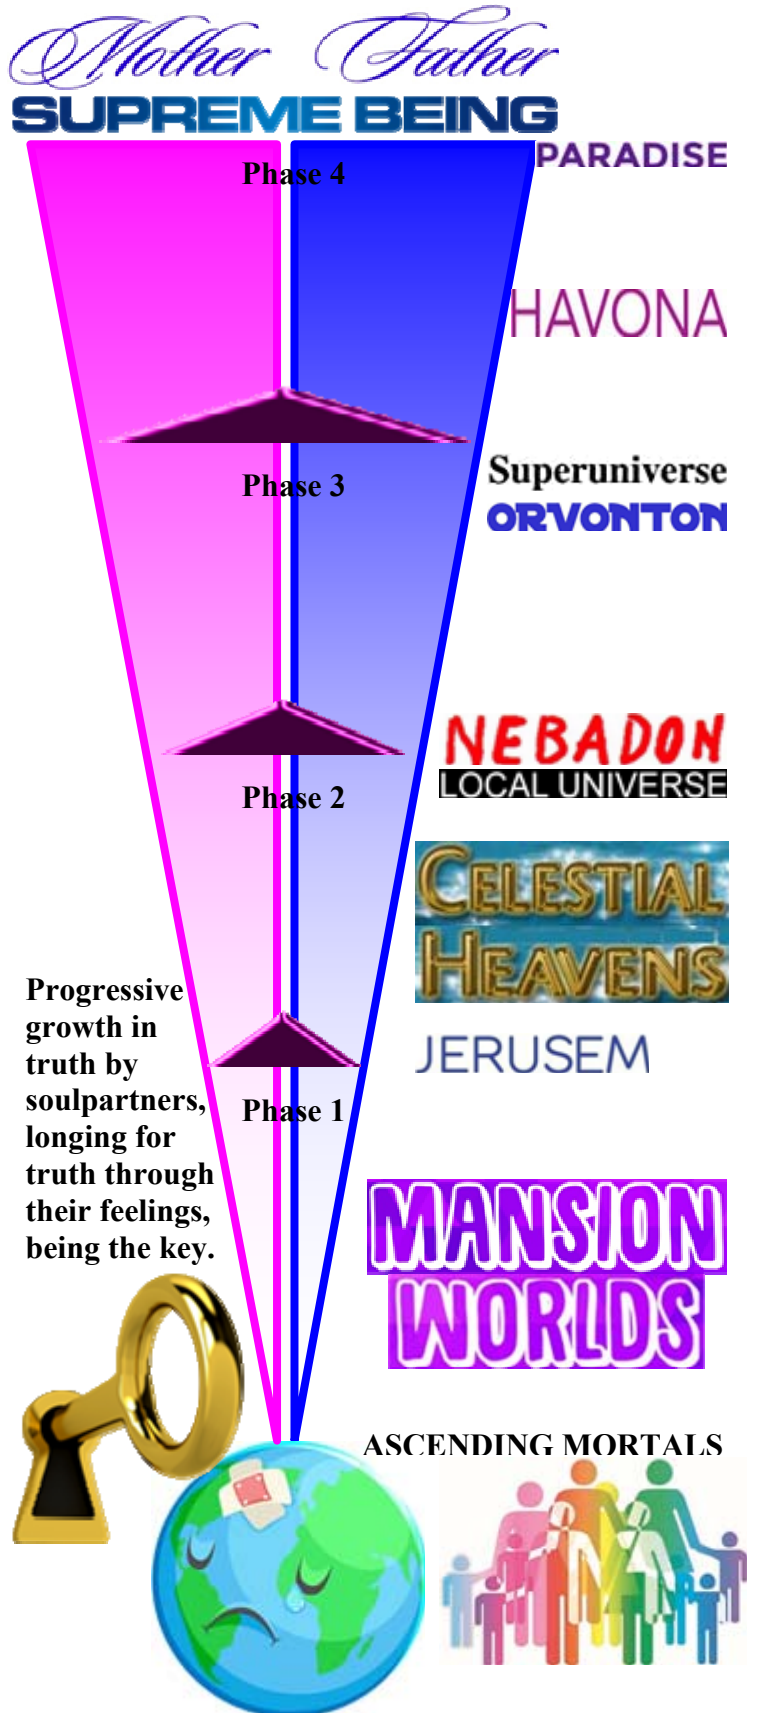

Phase 2: Evolving in Truth through our Local Universe, Neadon, and into the superuniverse: Orvonton.

Phase 3: Truth progression through the superuniverse of Orvonton.

Phase 4: Truth progression through Havona, and attaining Paradise.

ALL Soul and Truth Progression is done by Living True To Our Feelings.

The New Feelings Way.

Avonals - Magisterial Daughter and Son

The first physical step to bring about the end of the Rebellion and Default for Earth's humanity was the materialisation of Machiventa Melchizedek 1,973 years prior to Jesus' conception. The plan could be said to have been meticulously mapped out and each step has unfolded with Machiventa Melchizedek, together with Jesus and Mary, orchestrating our Heavenly Mother and Father's intentions to this day. The plan culminates with the appearance of the Avonal bestowal pair from Paradise, being a Magisterial Daughter and Son, who will guide Earth's humanity, both in the physical and spirit, through their individual Feeling Healing, and with Divine Love their Soul Healing, during the next spiritual age of 1,000 years now to commence, being the Avonal Age. Machiventa Melchizedek has been administering this 4,000 year unfoldment and will continue with his role throughout the Avonal Age. Now we are engaging in the biggest event in history for Earth's humanity, the healing of the imposts of the Rebellion and Default. All of the Avonal Age is now required to establish the universality of the healing Earth's humanity.

HIERARCHY of our SPIRITUAL GUIDANCE:

Our Heavenly Mother and Father permanently reside within Paradise, an island stationary world surrounded by Havona, in the centre of seven Super Universes.

Our Heavenly Mother and Father, being one soul manifesting two personalities, bring about the creation of:

Creator daughters and sons – Michaels

Magisterial daughters and sons – Avonals

Trinity Teacher daughter and sons – Daynals – and others.

The Michaels and Avonals have Spirits of Truth to be released to assist the humanities on their assigned inhabited worlds.

Each Super Universe consists of 100,000 Local Universes.

Each Local Universe is overseen by a Creator daughter and son, our local universe is called Nebadon and Jesus and Mary Magdalene are the Michael pair and regents.

A local universe consists of 10,000,000 inhabitable worlds of which 3,840,101 are inhabited within local universe Nebadon.

A local universe consists of 100 constellations which is made up of 100 systems. Each system has 1,000 inhabitable worlds. The system that Earth is in is Satania and 619 worlds are inhabited.

Emanating from within the Local Universes are Melchizedek, Vorondadek, Lanonandek, Material and Life-Carrier pairs. None have spirits of truth – they are not from Paradise.

From within the Lanonandeks, assigned to oversee the system Satania, which includes Earth (Urantia) were the Lucifer, Satan, Caligastia and Daligastia soulmate pairs, who rebelled. Further, Adam and Eve, the Material son and daughter, defaulted because of the Rebellion. All failed in their assignments, causing us (humanity on Earth) to be spiritually misled for 200,000 years – that is why we are all ‘insane’!

Earth has had five higher spirit physical bestowals:

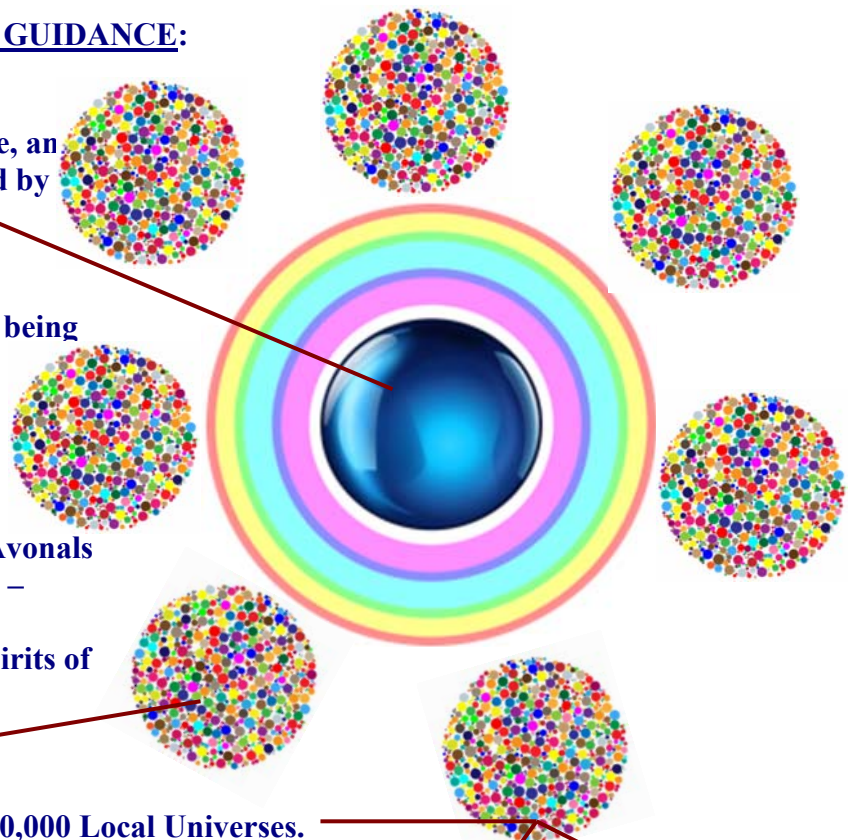

Daligastia soulmate pair being Lanonandeks

Adam and Eve soulmate pair Material son and daughter

Machiventa Melchizedek soulmate pair

Creator daughter and son – Jesus and Mary Magdalene

Avonal daughter and son who are yet to commence their public work.

MONITORING and MANAGING the HANDOVER to the AVONAL PAIR:

To PARADISE, the HOME of OUR HEAVENLY PARENTS

The Central Soulgroup of the Council of Elders has established a 'Battle Room' on each of the Celestial Heaven spirit worlds and each of the Divine Love spirit worlds. From 'hot-wired' connections on Earth, including the 'Engine Room' on Earth, events are recorded and broadcast live throughout these worlds. This enables spirits of all 6 spirit worlds to interact and engage in the changes that are now being implemented at an ever increasing rate.

Council of Elders now around 20 Soulgroups

Celestial Heavens are the Spheres of Love. One has to be a fully integrated personality, as in expressing all the aspects of one's self equally and lovingly, before one can leave the 3rd Celestial sphere – Sphere of Love, after having embraced the Way of Feelings.

When in the Celestial Heavens we work on bringing to light all the attributes of one's personality. We are to be a fully integrated personality, as in expressing all the aspects of ourself equally and lovingly, before you can leave the third Celestial sphere.

While we progress through the Divine Love Crying Worlds, we are to live true to our untruth, by living the truth of it. We only need to be true and perfect to our untrue state, and when we've done that, we're Healed. Even though we're still imperfect so far as fully expressing our personality, all of which we then perfect at the Celestial level. So really to qualify for the Celestials, that is about one living completely true to one's wrongness, and partaking of the Divine Love to a certain level, and then once that's done and being a Celestial, one can carry on bringing to light all those parts that one was denied the expression of whilst living untruth to oneself.

We are to uncover the truth of our untruth through the Healing crying Mansion Worlds levels (and their equivalent on Earth); and then once that's done, and with the appropriate amount of Divine Love in our soul warranting fusion with our Indwelling Spirit, we can move into the Celestial spheres of love (or their equivalent on Earth).

Earth has been subjected to the Rebellion and Default until now! As a soulmate pair progress with their Feeling Healing, the Rebellion and Default conditions are being cancelled.

We all arrive into the 1st Mind Natural Love Mansion World. Most continue their way of living without any awareness of the Feeling Healing process and the availability of Divine Love.

The 1st and 2nd Mind natural love Mansion Worlds are jammed to the rafters with spirit personalities. Those who progress to the 4th and 6th Mind Mansion Worlds are progressing further away from God, continuing with the Way of the Mind!

WOMEN are OUR SPIRITUAL LEADERS!

To PARADISE, the HOME of OUR HEAVENLY PARENTS

The Way Home

We men generally CAN'T do our Healing by ourselves, we need the help of a woman and / or women.

Women ARE the true spiritual leaders, they ARE able to live true to their feelings, and need to be recognised as such, appreciated for being so amazing in that capacity, and so supported and put first, something the man finds hard to do because of all his rebellious programming about being the superior dominant one.

If we men want to ever Heal ourselves of our wrongness, well we are going to have to fully honour women, we are going to have to ASK THEM FOR HELP. Women innately know the Way of their Feelings, whereas we men don't. Men spirits in the Divine Love Healing Mansion Worlds (3, 5, 7), all do receive help from fellow Healing women spirits or from higher Celestials (Sphere of Love 1, 2, 3). They all do, all of them. Not one man has done his Healing as Marion or Samantha are doing theirs. James Moncrief 20 Aug 17

The religions of today were created as a means of stopping Jesus' truth about longing for the Divine Love and what that does to the soul, and then any truth Mary Magdalene might have said about looking to our feelings for their truth, so as to keep the Rebellion in place. The religions pre-Jesus were designed by the Higher Evil Spirits who were controlling humanity to keep that control, focusing everything on the mind being in control rather than feelings, and then post-Jesus, they added more of the same yet with the added emphasis of using all he said, so taking it, corrupting it, and adapting it to their cause.

And then throw in their contrived Islam, and you have more male domination and the subjugation of feelings – of the woman.

Helen 20 Aug 17

The 1st and 2nd Mind natural love Mansion Worlds are jammed to the rafters with spirit personalities. Those who progress to the 4th and 6th Mind Mansion Worlds are progressing further away from God, continuing with the Way of the Mind!

Maybe something like 30 billion people have recognised that our Mother and Father's Divine Love, together with embracing one's Feeling Healing, that with these two aspects, have progressed through the Mansion Worlds to the Celestial Heavens and onwards.

Mansion World 7: is then about still working with the deepest and residual bad feelings, whilst looking to sort out how you wrongly relate to yourself and others, nature and God because of being unloving, understanding how your relationships are unloving, how you don't connect properly, how unloving you really are and why and fully accepting the truth of it, coming completely to grips with your parents not loving you as you needed to be loved – sorting it all out, including your self and feeling expression difficulties.

Mansion World 5: is then about going right into the depths of them, feeling how unloved you feel and seeing how unloving you are and how that makes you feel, bringing out the majority of your pain, your misery, fear, anger, guilt, hatred, boredom, terror, rejection, nothingness, feeling powerless, alone and abandoned, and so on.

Mansion World 3: is for waking up to the truth that you're not loving and starting to get in touch with your pain, starting to accept your bad feelings, starting to work with them instead of rejecting them.

More than 200 billion personalities have embraced their mind and self reliance through the misguidance of 'New Age' styled ideologies and the many thousands of different religious platforms, all of which take the person further and further away from our Heavenly Parents.

For a million years, humanity has gone in the wrong direction with its self-denial of self and feeling!

Boundaries of HELL!

Humanity on physical Earth is in Rebellion and Default, thus hell! Upon death we all arrive in the 1st spirit mind Mansion World where we typically suppress our poor state and remain in the mind Mansion Worlds indefinitely. Some have a period in the ‘hells’ compensating for the pain they have caused others. Many continue their ‘mind worshipping’. However the way out is by embracing Feeling Healing, and with Divine Love, Soul Healing to progress up through the Crying Healing Worlds and transition out to the first of the Celestial Heavens.

GATEWAY

Transitioning into the Celestial Heavens is also out of: **ISOLATION**

OUT

If you go against yourself, if you're untrue to yourself, then you are going against God and all God's laws, and compensation is required to bring you back into the fold, which is what happens through our Spiritual Healing. It's the Law of Forgiveness, forgiving yourself through self-acceptance, which is dominant in this part of your life. If you cross the line and abuse your children, that being up until they are 21 years old, then you have both levels and amounts of Compensation and Forgiveness to deal with, that which happens as part of your Healing. And as everyone abuses their children, we being conceived into our parents' rebellion against the truth of our soul, so all who have children have to come to terms with all they've done through their Healing.

Kevin 18 Feb 2019

Law of Forgiveness

Law of Compensation

If you go against someone else, as in cross the line and grossly interfere with their will, and there are degrees of this, then you will have to suffer the pain you have caused the other person, spirit or creature, which as you know is the Law of Compensation; and as to the extent of crossing that line and hurting another determines whether you have to spend time in the hells or not.

Kevin 18 Feb 2019

The minor ‘hells’ are the lower levels of the 1st mind Mansion World whereas the more severe are the Planes of Isolation being the 2nd Earth plane with the severest being the 1st Earth plane. Pain caused to another is the pain that will be endured before returning to the 1st mind Mansion World, all then to consider your Feeling Healing.

Boundaries of HELL!

The gateway out of our isolation from all other humanities within our local system is opened to us upon the completion of our healing of all that represents the Rebellion and Default.

While we remain embraced within the Rebellion and Default, even though we are unknowingly doing so, all of the humanity of Earth is isolated from all of the other humanities throughout our local system of Satania, all 619 inhabited worlds, thus effectively we are in hell!

Further, we are also isolated from the Spirits of Truth that our spiritual parents can offer us, until we complete our healing and enter the first of the Celestial Heavens, and that is when we move through the gateway and progress beyond healing Mansion World number 7.

Life on Earth is living in hell in the physical. Many of us consider it to be wonderful – that is a fantasy. Our physical parents have remodelled our personality to reflect what they consider appropriate ... IT'S NOT! We are to freely express the personality that our Heavenly Mother and Father bestowed us with.

Many of us fight so powerfully against our childhood suppression and repression that we go on and cause great harm to many others, all of which the Law of Compensation takes into account. The lower levels of the 1st mind Mansion World is a region for our compensation. We ALL enter the 1st mind Mansion World as spirits upon the death of our physical body. The pain we cause to another is the pain that we will endure in compensation. Those who try to continue to inflict harm on others, cannot do so and may find themselves within the 1st and 2nd planes of Earth. The 1st Earth plane being the worst of the hells, while the 2nd is bridging towards a return to the 1st mind Mansion World hell sectors. You can continue to live through your mind and perfect the mind but you will end up at a dead end in the 6th mind Mansion World. There are more than 200 billion spirits within the 1st and 2nd mind Mansion Worlds and the two Earth planes of compensation. These areas are packed to the rafters! Only by embracing our Feeling Healing and with our Heavenly Parents' Divine Love can we heal ourselves and progress through the three healing worlds before transitioning to the Celestial Heavens and out of the Hells. Within the Celestial Heavens are spirit personalities from all of the 619 worlds within our local system called Satania.

SPIRIT MANSION WORLDS are numbered 1 to 7:

To PARADISE, the HOME of OUR HEAVENLY PARENTS

Spirit Mansion Worlds are those 1 – 7. They with the Celestial Heaven spheres numbered 8, 9, 10 as well as the 2 Spheres of Disharmony are all within the Earth’s environment, and rather close by. Each sphere can accommodate more than 100 times the people than Earth may do.

Progression from the top Celestial Heaven sphere is to the Eternal Spheres, Infinite and Universal and further onwards to Paradise.

Celestial Heaven spheres 8, 9, 10 are often referred to as 1, 2, and 3 of Celestial Heaven.

Natural Love sphere progression stops at sphere 6. With only the natural love, progression is through spheres / worlds 1, 2, 4, and 6 only.

One can embrace Divine Love at any time and move to DL sphere 3 and continue.

The Divine Love spheres 3, 5, 7, 8, 9, and 10 were opened by Jesus.

Divine Love perfects one’s natural love soul through the progression via spirit world spheres 3, 5, and 7. Soul-Healing and At-onement is achieved through the progression into sphere 8 which is the first of the Celestial Heaven spheres namely 8, 9, and 10.

On death of the physical body we all arrive in the 1st Natural Love sphere.

The 2 Planes of Disharmony are the hells. While one desires to cause harm to others, isolation is applied. Once the Law of Compensation is completed then one can then progress and return to the 1st Natural Love sphere and continue in their progression onto higher spheres.

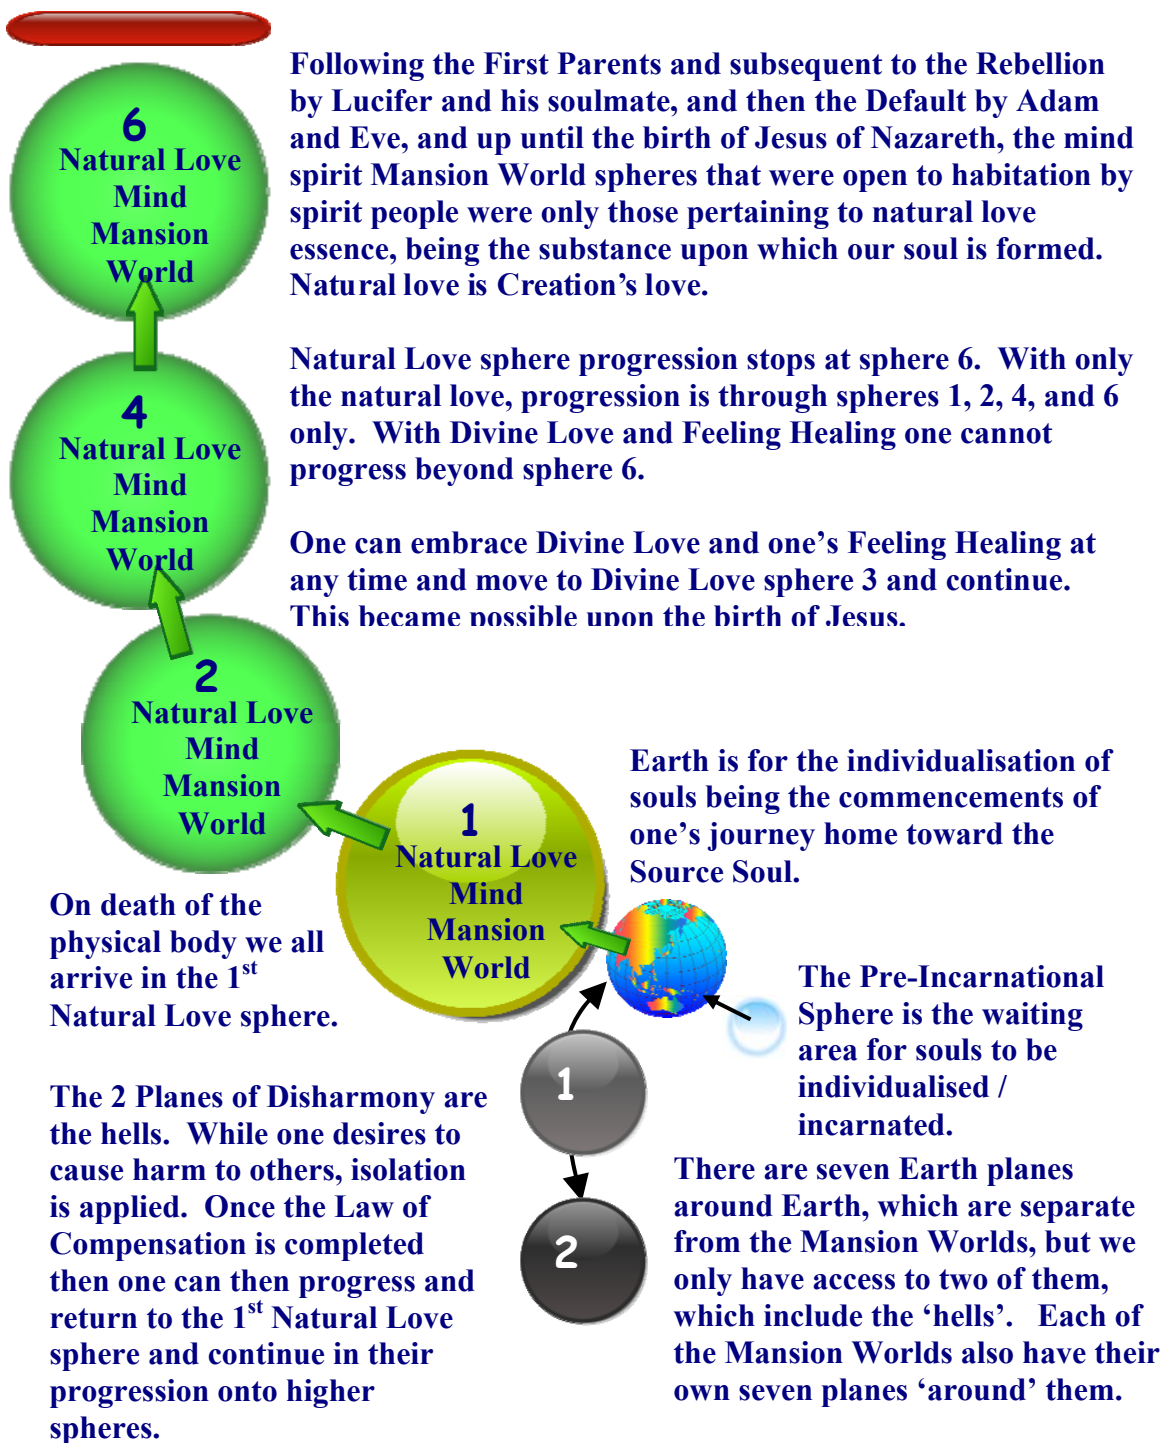

Earth is for the individualisation of souls being the commencement of one’s journey home towards our Heavenly Parents.

The Pre-Incarnational Sphere is the waiting area for souls to be individualised / incarnated.

There are seven Earth planes around Earth, which are separate from the Mansion Worlds, but we only have access to two of them, which include the ‘hells’. Each of the Mansion Worlds also have their own seven planes ‘around’ them.

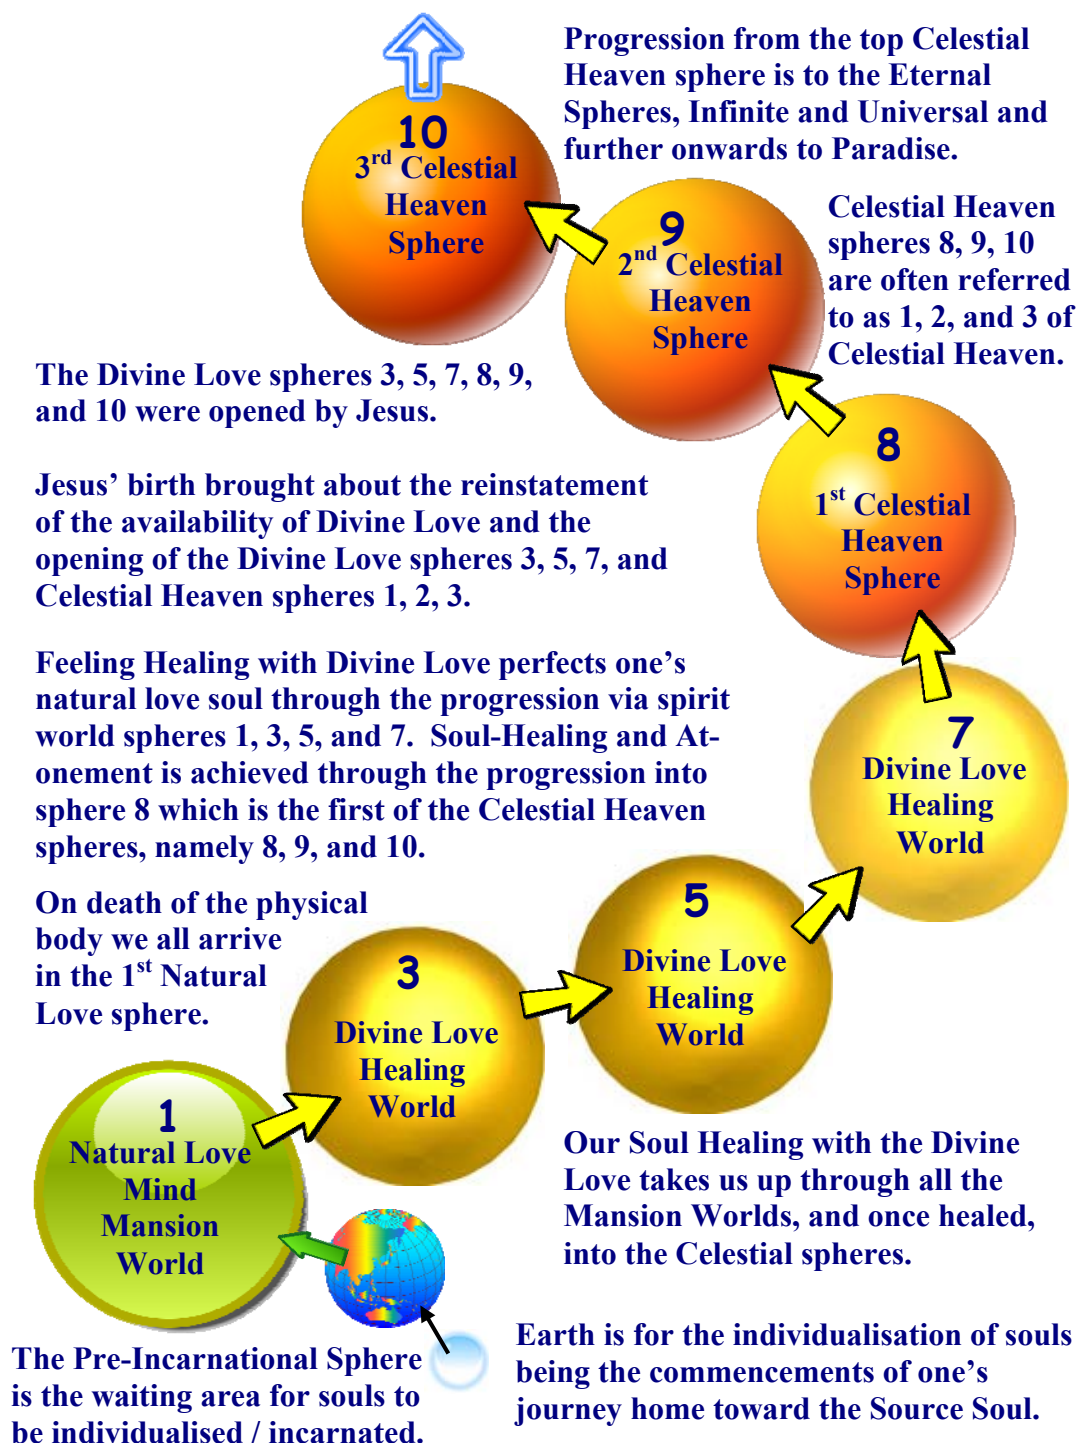

Note: The first experience with a Divine Love Sphere and a Sphere of Disharmony may be introductory planes / sectors within the 1st Natural Love Spirit Mansion World.

RAINBOW FAMILY of EARTH'S HUMANITY:

500,000 years ago, the Sangik parents of north-eastern highlands of India raised 19 children, five red, two orange, four yellow, two green, four blue, and two indigo, this is the first and only true Rainbow Family of Earth's humanity.

Andon and Fonta, twins, being our first parents having a longing for human perfection, lived around 993,500 years ago south of the Caspian Sea. They were of a red skin complexion which prevailed until 500,000 years ago when the Sangik family had children of six different colours, leaving only one more colour to be introduced. The finale colour is introduced by Material Daughter and Son, namely Adam and Eve, more than 38,000 years ago.

The people of the seven colours are to intermingle and blend, ending up an olive colour. The plan has altered by the elimination of the orange, green and blue races due to conflict. This all being part of the experiences we of Earth's humanity has had.

As now being shared, the plan for Earth's humanity is in total and it is all about experiences and what we feel from those experiences and this continues on for eternity, beyond becoming Finaliters.

HUMANITY PHYSICAL COLOURINGS and order of emergence:

Colours that have died out or perished are blue, orange and green. (TUB) “It is a misfortune on Urantia (Earth) that you so largely lost your superior blue men, except as they persist in your amalgamated “white race.” The loss of your orange and green stocks is not of such serious concern.”

Examples of forgotten Earth History: More than 38,000 years ago, the Adamic pair, being Adam and Eve, were to bring about a community of one million, creating the violet coloured race before any marriages would take place with the other remaining coloured races being outside of their community, Garden of Eden. Both Eve and Adam defaulted by taking partners outside of themselves. Thus the planned up-lifting potential for all of humanity had been significantly compromised and diminished.

HUMANITY PHYSICAL COLOURINGS emergence:

Ongoing Ongoing Died Out Ongoing Died Out Ongoing Died Out

Garden^{of} EDEN

The ADAMITE soulmate Pair, Adam and Eve, were to introduce a pure race of the violet colour. They were to remain true in their relationship and then have their progeny to have children from within this pure violet colour race. This was to continue until the violet race within the confines of the Garden of Eden reached around one million people. Then the community would be opened up to intermingle and mate with the fittest and finest of all the other races being of the other colours of humanity.

The Garden of Eden was then to be a demonstration of the capabilities of the violet race which was being introduced to up-step all of Earth's humanity. Gardens of Eden remain as superb cultural centres and continue to function as the social patterns of planetary conduct and usage age after age. Even in early times when the violet peoples are relatively segregated, their schools receive suitable candidates from among the world races, while the industrial developments of the garden open up new channels of commercial intercourse. Thus do the Adams and Eves and their progeny contribute to the sudden expansion of culture and to the rapid improvement of the evolutionary races of their worlds. And all of these relationships are augmented and sealed by the amalgamation of the evolutionary races and the daughters and sons of Eve and Adam, resulting in the immediate up-stepping of biologic status, the quickening of intellectual potential, and the enhancement of spiritual receptivity.

HUMANITY PHYSICAL COLOURINGS and order of emergence:

500,000 years ago Sangik parents of the Badonan tribes of the north-eastern highlands of India gave birth to all six colours – 19 children to one family!

A little less than 1,000,000 years ago Andon and Fonta (Aman and Amon) evolved having a desire for human perfection, they being our original physical parents.

Adam and Eve were bestowed on Earth more than 38,000 years ago to uplift humanity through their superior genes.

500,000 years ago, the Sangik family in the north-eastern highlands of India gave birth to 19 children of six different colours, thus introducing the tribal colours.

A humanity is endowed with seven colours, just like the rainbow in the sky!
 993,500 years ago, our first humans were the twins, Andon and Fonta and they were redskins having an appearance approaching that of the Eskimos. These red skinned people travelled far from south of the Caspian Sea, reaching Tasmania – Australia’s south, 950,000 years ago!
 Re: The Urantia Book

500,000 years ago the Sangik family in the north- eastern highlands of India had 19 children, 5 red, 2 orange, 4 yellow, 2 green, 4 blue, and 2 indigo (black) – the first and only rainbow family!

These formed groups and sometime later the orange, green and blues died out – killing each other!

Adam and Eve materialised on Earth more than 38,000 years ago and introduced the remaining colour, violet (white). As you can see, there are no black or white people!

Earth’s humanity now has four colours, red, yellow, indigo and violet. They will intermingle and blend to become of an olive complexion!

Living Feelings First, longing for the truth of our feelings and expressing them, both good and bad, is the new Feelings Way. It is the only way we can heal ourselves of our Rebellion and Default; our minds controlling domination of our true personality. It opens us up to our soul-based truth, and the love that follows.

For the past 200,000 years, all of humanity has been enslaved to the controlling natures of minds. We now have been shown how to heal ourselves and set ourselves on the pathway to Paradise, to our Heavenly Mother and Father.

Possibly around 200 billion spirits live in Worlds 1, 2, 4 and 6. Many are ancient spirits content in their mind ways; some are perfecting their mind worship by advancing into the 4th; with those having perfected it in the 6th believing they are gods!

I'D TURN BACK IF I WERE YOU!

MANSION WORLDS

Our soul condition, personality traits, mannerisms, errors, beliefs and behaviour, ALL transfer with us, upon death, into the 1st Mansion World. Our controlling emotional and mental addictions all continue with us when living in the mind Mansion Worlds 1, 2, 4 and 6. Doing our Spiritual Healing moves us into the Healing worlds 3, 5 and 7, to be set free of them.

1st Earth plane is the darkest of the 2 Spheres of Isolation – Hells.

JOURNEY HOME

Our journey home is an ever growing expansion of truth being revealed to us. For Earth's humanity, as for the 37 humanities that have Rebelled, we are quarantined and isolated. Having also Defaulted, Earth's humanity is possibly the most evil of all. Firstly, we are to understand that living through our minds is why we are addicted to untruth and control of others and nature – we are going the wrong way! We are to live feelings first and then heal our Childhood Repression and Suppression – we are to live and express our true personality, the one given to us by our Heavenly Mother and Father. Then our journey home begins!

The Isle of Paradise is stationary within the circle of seven super-universes. Spheres here are also for us to further grow in truth before arriving Home to become Finaliters. Our Heavenly Mother and Father guide us out of our Local Universe of Nebadon, through the rest of our super-universe of Orvonton and into super, superuniverse Havona which circulates around the Isle of Paradise, being home.

Each of the seven super-universes are approximately constituted as follows and with 1,000,000,000,000 inhabitable worlds:

- One super-universe is 10 major sectors
- One major sector is 100 minor sectors
- One minor sector is 100 local universes
- One local universe is 100 constellations
- One constellation is 100 systems
- One system embraces approximately 1,000 physical worlds

Once we attain the Celestial Heavens (spheres), we start to come in contact with spirits from other 'Earth' worlds. So in spirit, and once we've finished out Healing and are Celestial, we interact, sometimes directly and otherwise indirectly, with potentially 10,000,000 physical worlds of which 3,840,101 are with humanities. Our Avonal Daughter and Son lead us to Mary Magdalene and Jesus (Michael soulmate pair, our Creator Daughter and Son), through our healing of the Rebellion and Default by guiding us into the first three Celestial Heavens and out of isolation from all other physical and spirit humanities.

Mary and Jesus then lead us through the Celestial Heavens for the system Satania (that Earth is in), then our constellation and then out of our Local Universe.

Isolation from all other humanities prevails before completing our soul's healing and progress into the Celestial Heaven spheres 1, 2 and 3. Hell planes 1 and 2 of Earth are for those people who have to compensate for evil wrongdoing. And once done, they may then progress up through mind Mansion Worlds 1, 2, 4 and 6 before turning around to progress through Healing Mansion Worlds 3, 5 and 7 to transition into Celestial Heaven.

They will assist us to develop our soul well into Celestial Heaven status should we persevere with such a goal. The extent to which the Avonal Pair develop themselves while here in the physical on Earth is the level that their Spirits of Truth will be able to assist us. Then it will be Mary and Jesus' Spirits of Truth that will assist us up and out of Nebadon, where our Heavenly Parents will then assist us onto Paradise, Their home.

REBELLION & **DEFAULT**

Past
200,000 years

and now for the

GREAT
✓-Turn

Coming
1,000 years

Our journey is one of experience and the feelings that arise from our experiences. From the moment of conception we are on our learning pathway, experiencing the emotions of our parents and carers. Our feelings are our truth, it is through our feelings that we evolve in truth. We are to long for the truth that our feelings draw our attention to.

Our physical parents and family is the focus of our experience on Earth. As we all have been subjected to the Rebellion and Default of Earth's humanity, we are all to heal ourselves of being unloved and the errors and injuries that we have been subjected to. Only through the completion of our Feeling Healing do we leave the environment which is referred to as Hell. It is through the guidance of the Avonal soul partner pair, their Spirits of Truth, that we are now able to complete our Feeling Healing.

When we transition into the 1st Celestial Heaven, having completed our Healing and Acceptance of how we have been messed up and the way we are having had the experience of living in a Rebellion and Default, can we then start to assimilate with other humanities within our Local System.

Our local system is called Satania, home city and headquarters being Jerusem. It consists of 1,000 physical worlds that have the potential of a humanity living on these worlds. 619 are physically inhabited of which Earth is number 606, one of the youngest. As we progress beyond the first three Celestial Heavens, then we start to interact and become knowledgeable of these additional humanities.

Then we progress into our local constellation called Norlatiadek. Norlatiadek consists of 100 local systems, and its home city is Edentia. The Garden of Eden is named after Edentia. Again we go through a process of coming to understand how the constellation works and the peoples that are throughout it.

Then we enter the local universe as a whole, named Nebadon with Salvington being its headquarters and home of the co-regents being soul partners Creator Daughter and Son, Michaels, namely Mary Magdalene and Jesus. It is through the Spirits of Truth of Mary and Jesus that we are guided through all of the Celestial Heavens to Salvington.

From Nebadon then it is our Heavenly Mother and Father that guide us through the next three major sectors of our super-universe being the Minor Sector, then Major Sector, then the super-universe of Orvonton.

Then we progress into Havona and Isle of Paradise, the home of our Heavenly Mother and Father and on completion of achieving understanding of how all the systems work in the manner that we are required to, we become Finaliters. After all, we are truth seekers!

Then what follows is that we then visit and achieve an understanding of how each of the other six super-universes work and how all sever super-universes function and work together.

When fully accredited we will most likely be assigned to one of the newly forming 70,000 super-universes that presently are not inhabited. Finaliters have many optional assignments.

We are truth seekers and through our obtained truth we will be able to assist humanities throughout the emerging universes.

Earth 70,000 Super Universes forming

Finaliters

Hey guys, I know who I am and why I am having these life experiences. No, I'm not wearing a prison uniform – but that might be what my soul has planned for me to experience! Just joking!

When we arrive in our Earthly mother's womb, we are clueless as to why the heck we have come here. We truly need to persist with asking, "What's this all about?" – We will be told, bit by bit! But you have to push for it. Well guys, here's a go at it.

We have come to this crazy messed up humanity on Earth because God wants us to come; we don't have any say in it. And we think we can do something about it, but we actually can't, we can only do what God wants us to do. And if that makes us think we can do something, that we can have an effect, then that's what God wants us to think. Man, this mob is ready to slaughter each other totally and that is not going to happen – it's not allowed!

We are to enable our wilfulness to surface – well take over our 'numbnut' mind – and push aside the persona – the messed up personality that our parents want us to be – and express our true individuality. Be true to our feelings – our soul-based feelings and be the personality that our Heavenly Mum and Dad know us to be (all good).

Okay, because we are amongst billions of people who have been forced to join the Rebellion and Default, we are one of them – experiencing all the crud and wrongness we can possibly get ourselves into. Yep, we are rebelling against our soul, which also means we are rebelling against our soulmate and also our Heavenly Mother and Father – God. Shoot the works – we have done it justice!

Now here is the good bit. We can heal ourselves of all this wrongness – and eventually we ALL will. Then we will continue with our healing and learning, and learning, and more learning and end up in Paradise, the home of our True Mum and Dad. THEN we will be recognised as FINALITERS. Why Finaliters?

We are called Finaliters, that's everyone who attains Paradise, and not just those of us who've been fucked up by a Rebellion, because we've 'finally' got there, we 'finally' did it, we 'finally' completed the first stage of our existence in Creation, which is akin to 'Finally' completing our time in the 'womb'. Upon attaining Paradise, it can be likened to being 'finally' born, or 'finally' becoming the equivalent of age 6 when our Indwelling Spirit arrives, or 'finally' becoming an adult. And possibly we won't know if we can liken it to any of these stages we go through during our physical life on Earth, until we're 'finally' on Paradise, and 'finally' get it!

Because other humanities in newly forming universes are anticipated to Rebel (just like us now) and because we have had the experience (no other humanity has possibly done it as good as us), we FINALITERS can go and help them out of their SHIT! Yee-ha – more evilness and insanity! That is us! Bring it on!!!!

COSMOS – plasma, electric universe

Gareth Samuel: Seeing Precession Differently | Space News

Star takes 550,000 years to complete one orbit around Arcturus, every 25,000 years we complete one rotation around Sirius filament Star being Earth's Sun.

<https://www.youtube.com/watch?v=mdLxP-w1LGg>

Galaxies are linked by cosmic filaments. These filaments connect galaxies across unfathomable distances which have been found both magnetised and to emit electromagnetic radiation.

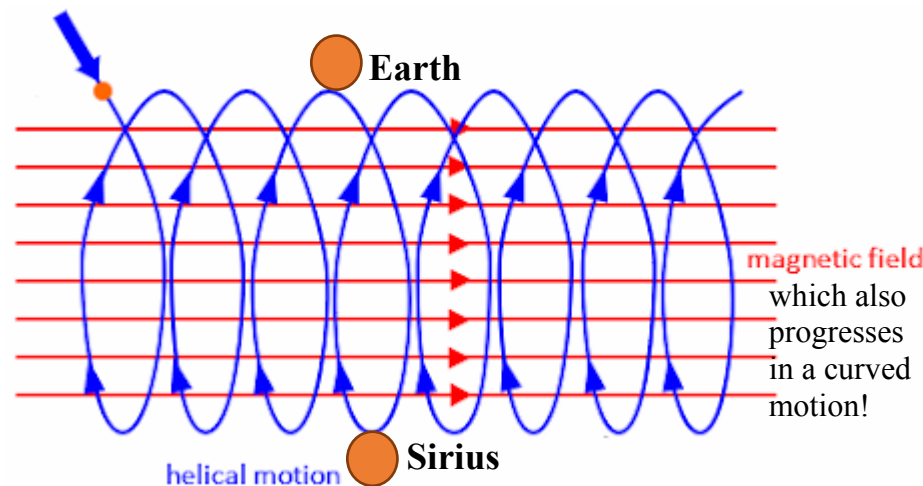

Vast networks of filaments that connect electrical objects across all scales of the cosmos. It is from these filamentary networks that stars are formed eventually making up the Catherine wheel galaxies. Giant plasma filaments connect super clusters across vast distances.

It is these twisted filaments that form like DNA helical strands that celestial bodies are connected and their pathways defined.

Twisted filament pairs have their equivalent celestial bodies. Earth's Sun has Sirius. They rotate around each other requiring a 25,000 year cycle. During such cycles there are two disruptive events that bring about very significant disturbances to the Sun and its planets. The last 'pole-shift' event was extreme, the interim and next event is anticipated to be milder – whatever that is!

The Earth / Sirius rotation around Arcturus takes 550,000 years. A further, larger cyclical event requires 4.5 million years. The rotation around Pleiades

requires 26 million years to complete.

Thus, nothing is moving in a straight line, the precession is in balance with each element rotating around a larger element, all following huge plasma, electric filaments.

Spirits and Angels

The Urantia Book (TUB): (159.4) 14:5.8

Monotony is indicative of immaturity of the creative imagination and inactivity of intellectual co-ordination with the spiritual endowment. By the time an ascendant mortal begins the exploration of these heavenly worlds, he (and she) has already attained emotional, intellectual, and social, if not spiritual, maturity.

(159.5) 14:5.9

Not only will you find undreamed-of changes confronting you as you advance from circuit to circuit in Havona, but your astonishment will be inexpressible as you progress from planet to planet within each circuit. Each of these billion study worlds is a veritable university of surprises. Continuing astonishment, unending wonder, is the

experience of those who traverse these circuits and tour these gigantic spheres. Monotony is not a part of the Havona career.

(159.6) 14:5.10 Love of adventure, curiosity, and dread of monotony — these traits inherent in evolving human nature — were not put there just to aggravate and annoy you during your short sojourn on Earth, but rather to suggest to you that death is only the beginning of an endless career of adventure, an everlasting life

of anticipation, an eternal voyage of discovery.

Transporter Seraphim – angels and spirits move great distances by utilising energy lines. What is now being discerned in the physical also may be representative of what prevails within the spirit realms.

GEOPHYSICAL POLE SHIFTS appears to take place every 12,000 to 13,000 years!

CIVILIZATION TIME LINE

50,000 years ago and earlier at regular intervals!
 37,500 Laschamp reversal
 25,000 Lemuria submergence Atlantis frozen over
 12,500 New Atlantis submerged
 NOW! Unfolding

We are in global warming as the ice sheets continue to melt owing to the core of the Earth heating up and with the magnetic field weakening, all in preparation for the next nova blast (although currently the sola minimum is stronger than the heating up so we're going into global cooling, but it won't be long before the inner heat over takes any cold effect).

The question being investigated is it at the time of Earth passing through the peak and trough of a full cycle that may involve a surge of energy and a major or minor Pole Shift event or is it the centre line of the cycle that is the field of energy that induces the Pole Shift events or is it a Sun micro nova event on its own?

Consider that the oscillating path of Earth and its neighbouring planets takes them through the equatorial line of the universe twice in each complete cycle of around 26,000 years. That means it passes up through the line and then passed back down through the line every 26,000 years. This also coincides with the Mayan calendar structure.

At the time of passing through the equatorial line, concentrated pressures are placed upon the structure of spaceship Earth, thus accentuating normal climatic conditions and Earth crust movements in the form of earthquakes. Similar abnormal events have been observed upon our neighbouring planets.

Thus, Earth now with 8 billion population and that population's overall soul condition being in the mid range of the 1st spirit Mansion World, these galactic pressures tend to suggest that we are in for one very unstable ride over the coming years.

EARTH CHANGES:

27 September 2011

Extracts from 'With Verna – a Nature Spirit' by James Moncrief

Verna, a Nature Spirit: There's a marked increase in the 'goings on' inside Earth being brought about possibly by natural internal factors, factors extraterrestrial, or a combination of both, even one in league with the other. And I'm going to speak about such things in more detail later, but for now, you and the people you've read who think along such lines are correct, there is much going on, both from within and without.

It's going to be a horrendous time for humanity overall, but that's not to say that within it there will be much good and lots of good feelings for some people, and mostly for those people wanting to move with it in the understanding that it's for humanity's good, and as it couldn't go on any longer how it was, so something needed to happen.

What is happening now is yet another evolutionary event, however it's not going to come about as it did back then, it's coming about as a combination of humanity's impact on the planet and natural events timed to enhance humanity's impact, all so in the end, a 'new' humanity will result, willing and able to live on the world in a 'new' way. Back 65 million years ago it was purely a biological change, now it's one all for humanity, a spiritual change for humanity as Mary was telling you; a huge change, moving from living in a completely negative state, ending it, and moving to live in a completely positive one, and all along the way nature will be affected in various ways.

All that's to happen now is more to set the stage, or scene, for the 'new' humanity to evolve into being, that being on a spiritual level, rather than a whole new evolutionary line of creatures as it was with the demise of the reptile based nature, to the rise of the mammalian one. However, as I've already told you, some new creatures will come into being during the planetary ages to come, and others that have or will become extinct, will be brought back into being.

However the coming Earth changes will have periods of intense activity right through this turning of the age and the next one of one thousand years. There will be ups and downs, but overall the next age will be one of ongoing tumultuous times for the surface of the planet. And it's all designed to keep humanity giving up its evilness and helping it seek the way of truth. There's not to be one big cataclysmic episode now, and then it's all peace and harmony on Earth, and people can get back to re-building all they've had – all their negative way of being and wrongness, or even set about living in peace and harmony because of some dimensional change or new spiritual light and upliftment affecting the raising of humanity's consciousness to a higher level of peace, having giving up greed and self-indulgence in material things. No, all that is to come is not to let you off the hook, or allow you to keep going only manifesting and so expressing yet another version of truth denial.

The spiritual upliftment so far as the new 'vibration' humanity will experience is the new vibe of the next age, and it's upliftment will only be uplifting those people who chose to do their healing, to submit to their bad feelings and by expressing them to uncover the truth of their evilness – all that resulted from their childhood. All the rest is nonsense perpetuated by ignorant mind spirits. Certainly there is new cosmic light coming to Urantia (Earth) from Paradise, being stepped down in universal harmony through Nebadon; and certainly there is new soul-light being emitted from every soul on the planet, but as to how people choose to react to all of that is a personal choice, and many will fight their natural desire to seek the truth and so heal themselves, choosing instead to keep going in their negative states. And for such people, some will be relatively successful at doing it and keeping abreast of the increasing 'lights',

others won't be so successful, failing and then succumbing to their bad feelings. And many will go to their graves feeling very bad about life; other's will want to know why they feel so bad so often, and honour their bad feelings and start looking seriously for the truth. But overall, increasing inner and outer pressure will be brought to bare on humanity as it moves through the next age. A certain level of collective consciousness about it's negative state, and a certain level of desire to heal humanity's evilness needs, both personally and collectively, to be achieved by the end of the next age; and as all things are perfect, it will be.

James: Okay, so back to the heart of the matter, the Earth Changes.

Verna: Well, as you've read, the amount of seismic activity is on the increase, this being because the amount of rotation within the core of the Earth is speeding up. It's immeasurable currently to science, however as the core of Earth starts to move faster, so all the outer parts move faster, and that's stirring up the continental movement, which as you know from plate tectonics, is causing the crustal plates to grind against each other, with the stresses being released as earthquakes. And this core rotation is going to keep increasing for the next one thousand years.

James: Do you mean the whole Earth is spinning on its axis faster?

Verna: No, I mean the components of the core, are in relation to each other, moving faster, which could be seen, as for the need of a mental picture, that the core is rotating faster. It's more to do with hidden forces within the planet, ones humanity is yet to uncover; and they are more to do with, and respond directly to, the spiritual or higher light frequencies.

James: So it's like the spiritual rotation of Earth is increasing.

Verna: Yes, you could say it like that, and it's then having a direct affect on the material level.

James: Okay, so it's all coming from inner levels, not just the physical.

Verna: As does everything. The physical world, the globe as you know it, only responds to inner or more spiritual levels, it exists because of these levels, the whole physical level of creation does. From our spiritual perspective, we living in these higher or inner dimensions, we can see the energy, the light, we can sense it; we can sense it in all physical things; and we can sense or perceive – we 'feel it', as increasing in frequency, and so the physical planet is responding, it has to, it can't be otherwise.

James: So it's not just, say, because of what the Sun is doing that's affecting the Earth.

Verna: That is happening too, it all being part of the physical relationship and interaction in those relationships, however the Sun too is being driven, and so continuously affected, by the inner, unseen, and unknown to you, spiritual levels. You are only at best observing the physical level of Creation and trying to work out laws that determine it, however there is another whole plane or 'dimension' of laws that determine the relationship of the physical to the spiritual; and then even more laws determining the spiritual, and all the levels of the spiritual, and there are many, all the way to Paradise.

James: Okay, so whatever is happening, we won't be able to detect, only possibly seeing signs of it on the physical that are resulting from the increase movements of the surface crustal plates.

Verna: Yes, the sea floor is spreading faster in places as the subsidence of one plate under another is increasing, all making for very exciting times on the face of the Earth, if that's what excites you.

I can tell you, those like me who are from the very old days, boy, did we have fun back then, we were delirious during those times of massive Earth changes. And there were some times of massive changes. All that Earth is to go through now will be comparatively mild, just a remnant taste of the old days. Relative to back then, the Earth is destined to remain quite stable. It will have one last massive bout of cataclysmic Earth changes reminiscent of the ancient times when it's all to come to an End and Cease to Be, but humanity will be long gone by then.

I was talking about the acceleration of the rotation of the core of the Earth, but on inner levels, and how that's what's causing all the shifting in the crustal plates. And so this is what will cause most of the earthquakes. Now from your geology days at university, you remember being told about 'hot spots' where the continental plates move over places where magma forces itself to the surface bringing about island chains and chains of continental volcanoes, well there's going to be a lot more of these erupting as well, old and even ancient ones coming to life again.

James: One website I visit posts up-to-date information on the status of many volcanos, and many of them are coming to life, and have been for a few years, even ones scientists didn't know existed.

Verna: Yes, and this is going to increase. There are going to be a few mega explosive events during the next fifty years, some that will cause the sun's rays to be blocked out for a number of days, but nothing too bad. However there will be continuous smaller eruptions and many of them, all disturbing the normal way of things, such as air flights, communications, and causing many people to be relocated. It's not so much the intensity of the volcanic eruptions that are to come, but how many of them and what combined effect they will have. A lot of new lava is going to come out onto the surface, this having a heating effect adding to the general present consensus of global warming.

James: So is global warming a reality, or is it our imagination; and is it something humanity is doing, or is it naturally happening?

Verna: It's naturally happening, however, overall the planet is moving toward another smaller iceage, but that's a long way off. In the short term it will warm significantly adding to humanities problems, once all the volcanic activity gets going.

Along with the increase in volcanic events it will be discovered that the ambient temperature of the upper crust is also warming, the ground will warm up a little. We're only talking about one degree, but it will add to the problems of increasing the ocean temperatures, rainfall distribution, melting the ice at the poles and how and where food will be grown.

James: I was reading whereby all of this is coming about because of the breaking down of Earth's magnetic field, all leading to a pole reversal, this all being caused by the sun moving towards a solar maximum in the next couple of years.

Verna: It's all part and parcel of it. Scientists will continue to understand all that's taking place on many physical levels as events unfold. But really it's all being caused by the increasing spiritual light that's driving the whole thing right through Nebadon (our Local Universe), it's not just Earth and your Sun that's being affected. On all worlds, ages are changing and spirits are moving on, and things are happening. You're just one piece in the whole.

So because of these warming influences, the weather will become more wild, more subject to change, and more unpredictable. There will be more: drought and heat, rain and snow, even cold extremes in some parts of the world, and less in others. There will be more wild storms in some places, cyclones and such, and less wildness in other places. Things will pretty much change all over the place as to how they have been. And some changes will become permanent, other's fluctuating.

And because of these weather disturbances, so the production of food will change; in some areas of the world severe famine and food shortages will occur, in other places pests and disease will predominate. You've seen all of these things already beginning to happen, and they are only going to happen more and become more intense.

And then will come the physical Earth changes, not only from volcanic eruptions, but from the influence of large earthquakes.

Vulcanology:

28 September 2011

James: So what's happening to the Earth where the magma is? I mean how does it build up in pressure to come out?

Verna: It's a combination of internal Earth forces and external cosmic rays. They both interact to produce what might be likened to bringing a pot of water to the boil. The more internal pressure that builds the stronger and more vigorous it boils escaping on the surface. The Earth has been relatively cool of late, meaning there's only a very light boiling going on, with most of the pent up pressure and energy able to be released through what has been witnessed, some occasionally doing a lot of damage, other times, not so much, but the Earth has been going through a very quite time of vulcanology. However that's all soon to change as it warms up into one of its more active times. But as I said, not so active as in times gone by, but certainly more active than what's happened during this past two thousand years.

James: So the letting off steam, the increased boiling will keep happening for... how long?

Verna: It will keep building up during the next ten years, then it will plateau for the next twenty, then start to settle down. But within these years there will be times of greater and less intensity. You must remember that things happen relatively slowly on a geological time period, so this time will be but a hiccup in the great scheme of things, but enough to give humanity the experiences it requires to keep the pressure on it to change. You don't have to worry about it starting with a rush then petering out. The inner forces that are going to bring about all the structural crustal change will last for as long as they need to.

Global Warming:

28 September 2011

Verna, is there really global warming, or is it something that seems to be happening but is being made up by certain people. I think I've asked you this question before –

That doesn't matter James, I'm happy to answer it again.

Yes, global warming is real, but it's not happening solely because of humanity's impact on the world. Humanity is only minimally affecting it, the world for the most part being able to absorb all you do that results in global warming, however it's the Earth itself that is heating up, internally and because of external influences. And these will continue as I've told you. But all humanity does in regards to global warming will be of no account because of the overall changes that are going to take place.

Monday, 17 December 2018

James: Hi Nanna Beth, I feel like a chat, is that all right with you?

Nanna Beth – 3rd Celestial Heaven: Also you might like to know, the Earth itself is starting to change its rotation speed and is slightly moving on its axis, thereby causing shifts in surface weather patterns as warming and cooling takes effect, just happening in different places than how it has been. And these changes are coming from the core that's being affected by greater space changes. There is always massive pressures and forces affecting every part of natural creation, so the world and all space and all that's within it. And as David (Montaigne) points out, observers have observed that things remain the same, at least seem to be the same, although with minute incremental changes, all of which culminate to periodic, large swift changes. And so humanity is coming into a time of rapid change, and on all levels, not just the physical or spiritual. Of which I still can't say more.

So the debate about global warming or cooling will continue with both being right, as both are occurring. And in some areas they are affecting each other, in other areas they are happening independent of each other.

James: Thank you Nanna Beth, you've covered all I was wanting you to update.

The Legends of the Last Great Flood & Nova and how some people survived it.

In order to understand why the earth's rotation reverses when the poles reverse, it's necessary to understand that the magnetic field of the Earth is not caused by an iron core. Iron loses its magnetism at those temperatures anyway. It is more like a centre point of modulation.

The Physics Behind the Earth's Rotation

March 2019, Video Series 4 part 4F (c) 2019 Douglas B. Vogt

Douglas Vogt of the Diehold Foundation, who recognised that the universe works in a clock cycle. Historical data show ice ages are recurring, cyclical events. This seems to be due to a clockwork, or an "operating system" of the universe. A "tipping point" seems to occur every 12,068 years and this is likely the source of mythologies and religious references to a cataclysm.

So what happens? This event combines just about every horrific disaster you can think of:

The Position of the North Geomagnetic at the Time of the Reversal.

The following are the reasons I believe the Polar reversal and Nova will happen in October 2046. These are the facts I found that point to that date.

1. The Earth's magnetic field is decaying exponentially and can reverse when it hits 20,000 to 15,000 nT as it did last time 12,068-years ago.
2. The north pole is moving to a location where it was when the reversal previously happened 36,204-years ago.

| $12,068 / 8 = 1508.50$ | | |
|------------------------|--------|--------|
| China | Canada | Russia |
| 12,068 | 10,560 | 9,051 |

3. The **Earth's rotation** has been **slowing down** and the **solar output has increased** over the past 50+ years. [Video Series 4, Part 4F]

The Position of the North Geomagnetic at the Time of the Reversal.

4. 6 **Solar cycles** all coincide with the 12,068-year main clock cycle.

11.092 sunspot cycle \times 1088 cycles = 12,068 years.

88.735 Gleissburg cycle \times 136 cycles = 12,068 years.

709.88 solar cycle \times 17 cycles = 12,068 years.

928.308 solar cycles \times 13 cycles = 12,068 years.

1,508.5 cycles \times 8 cycles = 12,068 years.

2,413.6 solar cycles \times 5 cycles = 12,068 years.

5. The next Gleissburg cycle will happen between September to December 2046. The Torah gives an exact date of October 16, 2046. [Watch our Video Series 7, Part 1].
6. Too many dates in time going back from that October 16, 2046, coincidences with the polar reversal. [Watch our Video Series 7, Part 2].
7. The entire Torah is embedded with that 12,068 number of factors of it. [Watch our Video Series 6, Part 2].

Series 4, Part 5E, Which side of the Earth will face the sun when it novas & the dust shell.

For these reasons our Sun will Nova on the main clock cycle of 12,068-years in 2046. At the time of the geomagnetic reversal (polar reversal) on, or about, October 2046, the side of the Earth that will get the full impact of the nova, heat and cosmic rays is shown.

We don't know the **time of the day**, but 12,068 years ago China did get the cosmic rays, so they had to have seen it nova in the daytime. The legends of Both India and China both describe seeing the nova.

The Torah mentions the number 120 three times for age. $3 \times 120 = 360$ as in degrees. It may be telling us something. Maybe a clue.

Correspondingly 17-18 hours after the nova this side of that earth gets the dust shell. The dust shell travels the 93-million-miles in 17-18 hours at a speed of 1500-1550 miles per second.

If the speed of the oceans are 400 mph at the time of the reversal stopped period, that means in 7 hours it will travel 2,800 miles. If the stopped period is 8 hours, then the ocean would travel 3,200 miles.

The Position of the Earth at the Time of the Reversal.

During the last reversal China was on the backside of the Earth when the dust shell hit. The Chinese Myths give us clues what they saw and what happened to them.

“the **atmosphere is thick** and human beings are choked”

“It is thought that when dragons fight, **fireballs fall to the ground** and a strong wind prevails in the heavens. When dragon’s eggs hatch...”

The answer to what happened is found in **fluid mechanics**, aka **fluid dynamics**.

26

The Position of the Earth at the Time of the Reversal.

The fluid pressure in vortices are lowest in the center and rises as the distance from the center increases. This is due to Bernoulli's principle, which states that "as the speed of a moving fluid increases, the pressure within the fluid decreases." As the air in the vortex center moves the fastest, the vortex center will have the lowest pressure in comparison to its surroundings.

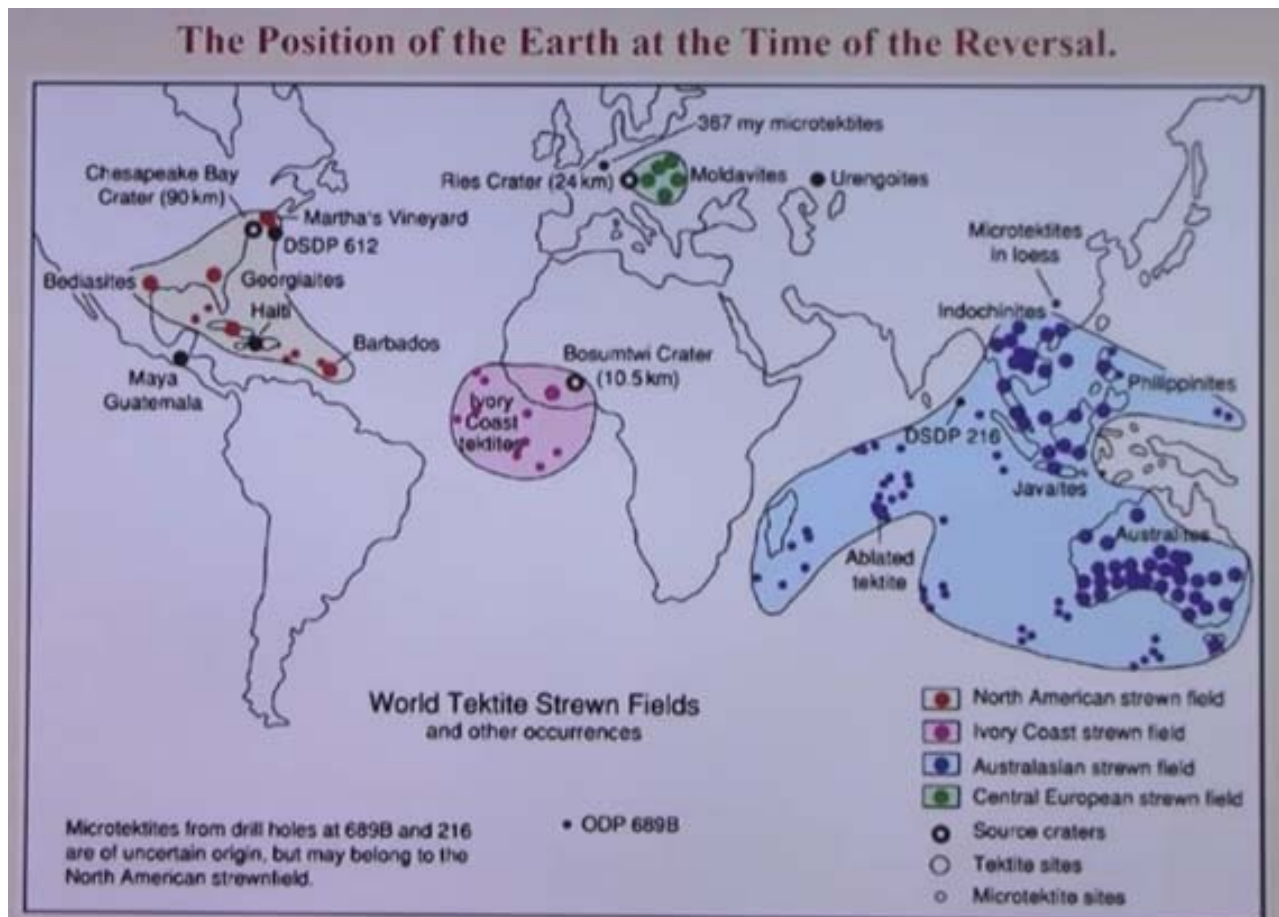

We do not know how thick the dust shell is by the time it hits the Earth.

Exactly on the other side of the Earth, the northern hemisphere/ Europe and Africa gets the instant ice age. The ice age happens because of Boyles Law. The expanding atmosphere causes the temperature to drop fast to over 200+ degrees below zero.

For the Americas, all we get is the Pacific Ocean passing over us and the effects of the high winds from the dust shell. We **do not get the cosmic rays** from the nova.

Remember the mythologies from India and the Aztec's about the end: "the world of men becomes filled with **sin and immorality**" "All **contradictions to truth pass away.**"

What is in the Center of the Earth that Creates the Magnetic Field?

Paleomagnetism and the Nature of the Geodynamo, R. T. MERRILL AND P. L. MCFADDEN, [Science 4/20/1990, Vol. 248, Pg. 345].

“A complete mathematical solution to the geodynamo problem must simultaneously satisfy **Ohm's law**, the **Maxwell**, **Navier-Stokes**, **Poisson**, **continuity**, and **generalized heat equations**, together with the equation of state for the outer core and the appropriate boundary conditions.”

“Cowling's theorem ... (which effectively states that axisymmetric magnetic fields of any sort cannot be maintained by dynamo action)”

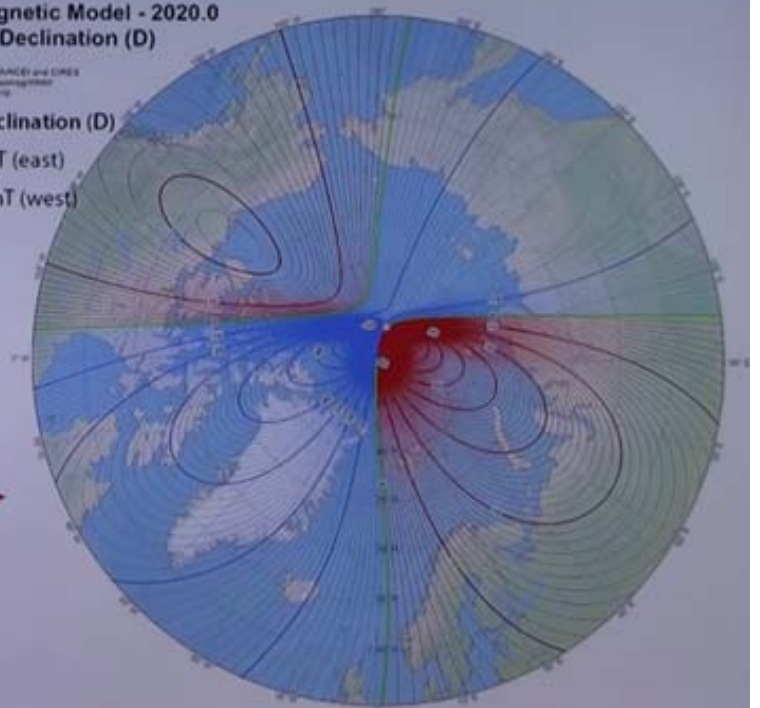

What is in the Center of the Earth that Creates the Magnetic Field?

Legends about the Reversal and Nova from Around the World.

What the sun looked like when it novaed:

*"That vara (the sun) figure, ... again made a **loud noise**, and became a **dreadful spectacle**. Shaking the **full flowing mane** which hung down his neck on **both sides**, and erecting the humid hairs of his body, he proudly displayed his **two most exceedingly white tusks**; then, rolling about his wine-colored (red) eyes." [1-p132]*

- The sun will nova: it increases its output and explodes, but it will not disappear.
- First radiation and heat and hours later a hot dust shell will hit the Earth.

Samples from the moon indicate that a dust shell with molten glass beads hit it, just as it had hit Earth. Fission marks and the prolonged shapes of these glass beads is proof this is not volcanic nor from a meteorite. These samples are found all over the place and on the moon.

- At the same time the earth's magnetic poles will reverse causing the EMF to collapse temporarily. **Electric and magnetic fields** (EMFs) are invisible areas of energy, often referred to as Radiation, that are associated with the use of electrical power and various forms of natural and man-made lighting.

- This is followed by a standstill and reversal of the Earth's rotation.
- This will cause massive floods due to the ocean waters' momentum.
- Earthquakes will increase as the Earth's crust floats on the mantle and also has momentum.
- The part of the Earth's atmosphere that is blown off by the dust shell will cause such a low pressure area...

The Great Flood

The mass of the water will come towards you very fast. The Earth still has gravity henceforth information and consequently the water will not be traveling at the former speed of the earth's rotation. It will be slower but we do not know how fast.

The Great Flood

... that jet streams at sea level will move from one side of the globe to the other, causing an extreme expansion of air in a short period, which instantly causes an ice age.

So; let that sink in for a moment while I get another drink. (And yes that mammoth is bleeding.)

Probably somewhere in this period of around 8 hours that the Earth stands still, the sun's dust shell will hit. After this, the Earth will start turning the other way, which will cause the water to move again eastwards (opposite to the direction prior to the rotation reversal of Earth). Ocean canyons will be formed by running sea water.

And entire continents will be covered with water. But as explained above, the sudden low pressure will cause an immediate ice age. It will freeze everywhere and snow will fall for decades causing new ice caps. The Equator will warm up quickest after this event.

Not just our sun but every star in the universe may nova, and all planets may reverse their poles. This happens like clockwork every 12,068 years – projecting the next to be possibly around October 2046.

NOTE: The time of the last pole reversal is not precisely known. It is reasonable to say that pole reversals do occur between 12,000 and 13,000 years apart due to the cyclical Sun novoring. What is to be considered is the recognition of the events that would typically unfold leading up to a cyclical nova event of the Sun. Again, this will involve guess work. However, the 'global warming' and Earth events now unfolding are of the consequence of increased energy within the core of Earth increasing slightly the internal rotation and movements within the Earth impacting upon the surface. This is a result of an inflow of energy from the Sun being received through the 'antennae' at the core of Earth.

Further Physical Evidence of the Rotational Reversal of the Earth.

Colorado Coal Seam about 90-feet thick. That represents 900-feet of Organic material.

Further Physical Evidence of the Rotational Reversal of the Earth.

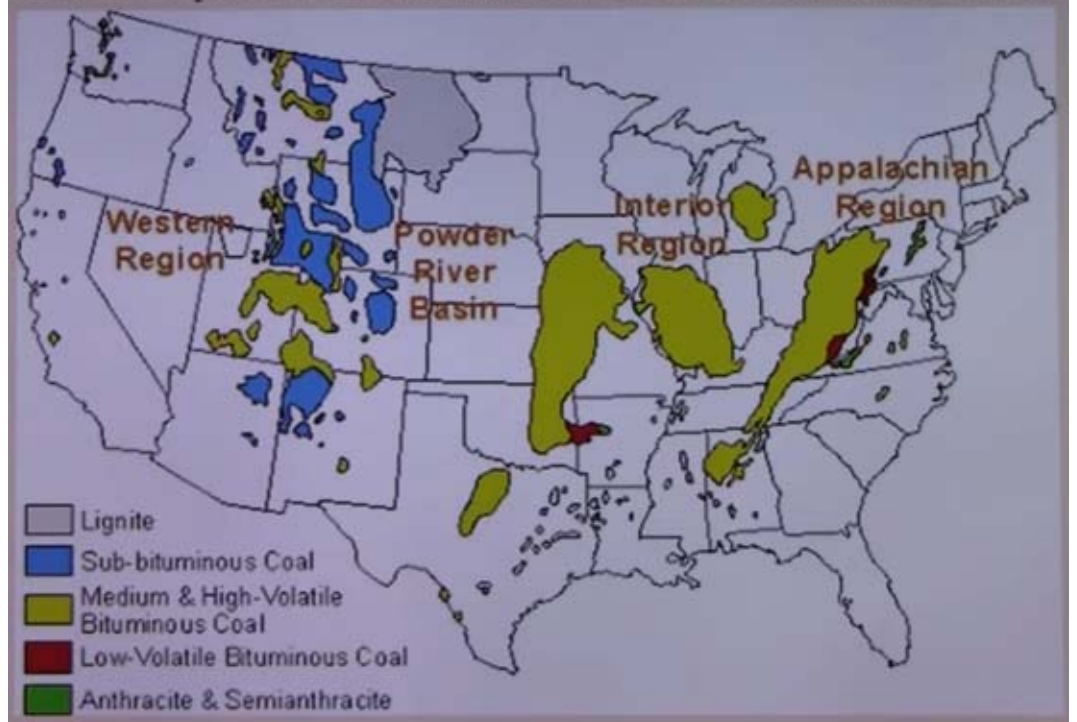

Powder River Basin, Wyoming. Some seams are 200-feet thick. That represents 2,000-feet of organic material deposited at one time.

Further Physical Evidence of the Rotational Reversal of the Earth.

Wave inundation from the Pacific stripped the forest through to the Appalachian Region before dumping creating instantly the coal deposits as outlined above. When the Earth is rotating in the opposite direction, the stripping commences from the Atlantic before dumping in the Western Region.

Further Physical Evidence of the Rotational Reversal of the Earth.

The massive heat from the Sun novoring commences the burning of the stockpiled forests in times of high vegetation with ongoing flooding from the oceans dumping an overburden on the stockpiled burning forests to create the coal deposits. This is essentially an instantaneous event.

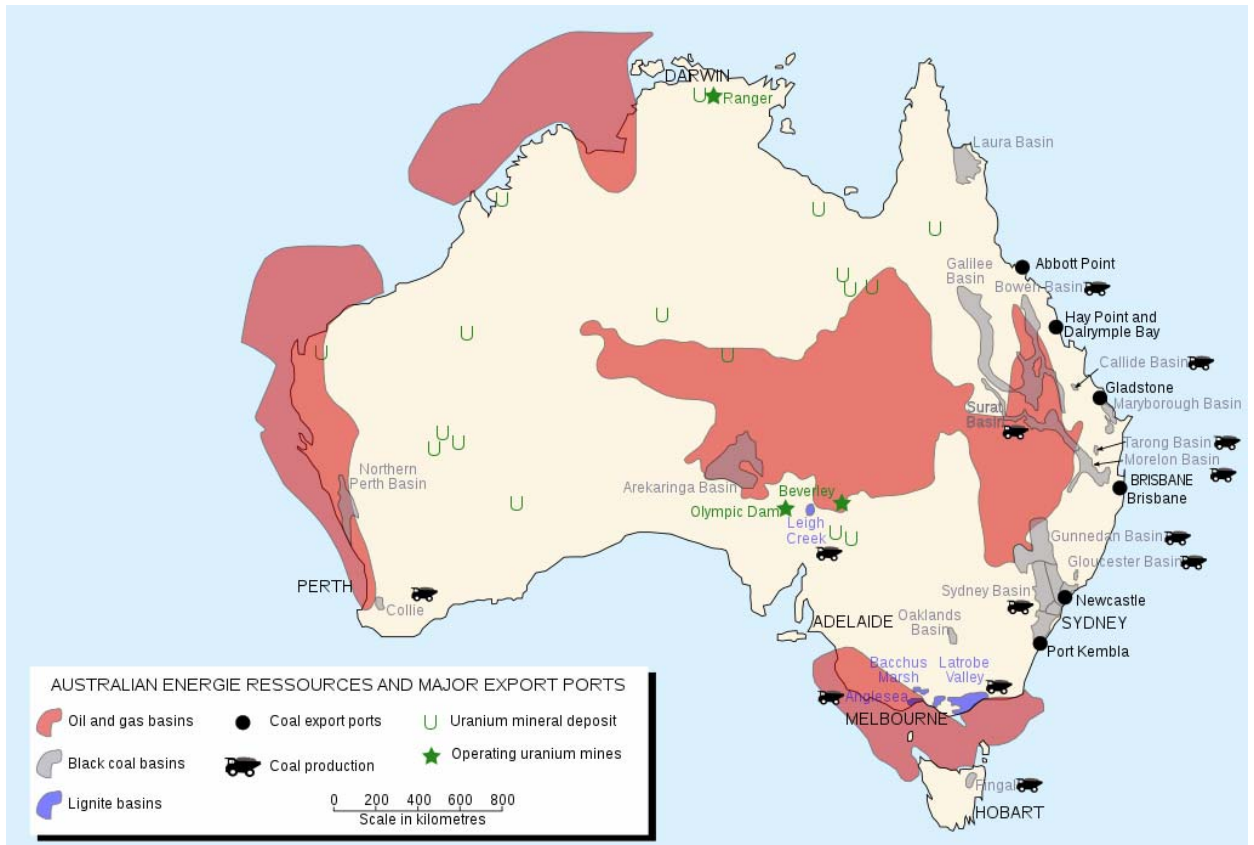

Australian coal is either high-quality bituminous coal (black coal) or lower-quality lignite (brown coal).

Bituminous coal is mined in Queensland and New South Wales, and is used for both domestic power generation and for export. It is mined underground or open-cut before being transported by rail to power stations or export shipping terminals. Bituminous coal was also once transported to other Australian states for power generation and industrial boilers.

Lignite is mined in Victoria and South Australia, and is of lower quality due to a lower thermal value largely caused by a high water content. Ash content varies significantly but some Australian lignite have relatively low ash content.

While Australia's mineable black coals range from Permian to Jurassic in age (280 to 150 million years old), most of Australia's black coal resources are of Permian age. Australia's principal black coal producing basins are the Bowen (Queensland) and Sydney (New South Wales) Basins.

However, the vast majority of Australia's coal deposits are along the Great Dividing Range of mountains on the east coast.

LUCIFERS and SATANS + POLE SHIFTS and SANCTUARIES:

Saturday, 5 January 2019

James: Following my talk with John, I was wondering what the Lucifers and Satans were planning with humanity. And assuming the Pole Shifts happened every so often or something that periodically all but wipes out most of humanity, how did they cope with having to 'rebuild' humanity so many times?

Nanna Beth – 3rd Celestial Heaven: It was as you said to John, it wasn't about what each civilisation achieved on Earth, it was building the numbers and keeping them onside in the Mansion Worlds. The Mansion Worlds was where all their power was, the spirits in them weren't subject to periodic Pole Shift eradication. Those who died on Earth pre-Mary and Jesus did have to stay in a 'sleep' state in spirit until the next age began and they were then awakened. However once awakened, they were free to live on in the Mansion Worlds. And then with Mary and Jesus' coming that restriction was lifted so everyone who died immediately woke up in the Mansion Worlds.

They wanted to 'build an army' of faithful followers. And they wanted them ready to combat what might happen should the Universal Authorities change their mind about allowing them to pursue their rebellious ways. They believed that once the ascending mortals had pledged themselves to the Rebellion, had given over to it, had been corrupted into it, then it was a done deal; those mortals would forever be for the Lucifers and the Satans (being Lanonandeks) to command. And that using Earth's Mansion Worlds, it might be possible, upon reaching a certain number of followers, to move out into other areas of the universe and to invite other Lanonandek Daughters and Sons into rebellion with them, along with their associated mortals. And just like any expanding dictatorial force, to move out into the Universe with the desire to conquer it, with the Lucifers taking over from and becoming the 'Mother' and 'Father' of Creation. They were apparently blind to the fact that processes were in place to prevent this sort of thing from happening, or perhaps they believed they'd be able to overcome such restrictions just as they had by rebelling in the first place.

So the Pole Shifts worked in their favour so far as helping people accept the false gods, in that people were suddenly removed from the World, having to give up everything and not at the time of their natural end, with a lot of those spirits being very angry at God or whomever they believed controlled everything by ending their lives on Earth before their time. However as you understand, it's not up to us to determine when we die, yet everyone believes they should get a full life, and when you're enjoying it, relatively speaking, and know of no other alternative such as life in spirit, then you are angry for being so severely interfered with. And a lot of mind spirits still hold in their minds great resentment over how badly God treated them, that God is not loving if He causes such vast and widespread suffering – any suffering and pain – and so He can't be real just like Lucifer says, they then remaining happy in the mind worlds and mind-controlled pain-free lives.

So why not induce humanity to gradually reach the pinnacle of so-called happiness at the end of each cycle, knowing that when their lives abruptly end they'll be very pissed off with God? And thereby making it very easy for such mind spirits to indulge themselves in any of the religions or spiritual systems in the mind Mansion Worlds, and they are full of them. So keep your army in ignorance about God.

James: So the Evil Ones worked within the cataclysmic cycles starting from scratch virtually each time working to build up new followers.

Nanna Beth: Yes, and even though it might seem like a lot of severe setbacks to their plans, really it wasn't as bad had there not been any major disturbance, as humanity would have built itself up to a point of destroying itself, doing what the (Pole) Shift would do, yet rendering such destruction as the end to life on the World, which would have been an end to the Evil One's plans as they would have lost Earth altogether. And you might think they'd have been able to prevent humanity from destroying itself, which they might have done, however we'll never know as they never got to see what happened because of the Pole Shift interference. We, humanity, in our rebelliousness, would not have been able to manage our rebellion because we weren't aware of it, that truth being kept from us by Default. So we'd have soon outstayed our welcome on the planet, which is why each so-called advanced society wants to go off-world, developing the technology to abandon the world before they destroy themselves. And of course, knowing there are Pole Shifts, trying to leave the world before them too.

James: But if they couldn't leave the World, why wouldn't they dig deep holes to save themselves?

Nanna Beth: They have done, just like your major governments have, but it won't do them any good, the Shifts have been too severe, the tunnels and caves have been destroyed with people being trapped underground. Only on a small localised level have people survived underground, weathering the storms, only to die when they re-emerge because of the severity of the destruction on the surface. However, with your food preservation and more advanced technology, more people would survive this time around, however still far fewer than would be hoped.

There is also great psychological pressure during such times. The stress is enormous, which is not accounted for. You can't prepare for it using your mind systems and techniques. So there are wars and people killing each other. Such extreme fear causes all sorts of other problems as those remaining after the Shift vie for power. It takes a lot of united and focused discipline. Those who survive quickly sort themselves out into groups, arguments arise as to what to do and who can have what, food and other resources are scarce and fought over, so it's not a happy new start for a lot of people. The more basic native people who survive are better suited, they already living on the subsistence level. And the tribes who were hostile to outsiders just appeared, putting more pressure on the scarce resources. So unless those outsiders were able to offer or convince the locals it would be beneficial to take them in, they were soon killed, and often eaten.

With each (Pole) Shift comes a **new planetary vibration**. Humanity is to evolve in a completely different way during each phase, so those of the old way find it very difficult to suddenly fit in. There's far more to it, James, than just your physical surroundings suddenly changing, as all you are used to no longer works. Your technology is redundant, you are entirely stranded on a world that is new and without anything to help you, as it would be were a Shift to happen now. So for you to plan for it, you can only really do as you would do, live true to your feelings. So afterwards, your feelings are still there and something you can relate to, so looking to them you'd be able to deal with and cope with the change in your physical surroundings. And your feelings would lead you to make whatever adjustments you needed to make, with again the more primitive people being closer to their basic survival feelings coping more easily. But so-called sophisticated mind-based and driven mankind would find it very stressful and very difficult to adjust, because your minds are so much in control and fitted to the society you live in. So to suddenly remove all you rely on for survival, is akin to forcing you into a sudden mental breakdown, which few would be able to cope with. Can you image if suddenly how you function in your modern society ceased to be? The stress of being thrown out into life without any of the support you've grown up in, to have it all stripped away from you in an instant. And even if you were able to live underground retaining a lot of your creature comforts, still, just having to adjust to a world in which you have to think about where and how to do your toilet, let alone everything else, would be very difficult for most.

And then you also have vast sweeping plagues of new bacteria and viruses suddenly being liberated and created by The Change. The microbe level goes into hyper-drive having to create the new micro level of life upon which life for the next age is to grow. The nature spirits and angels inspire such outbreaks of all sorts of new microbes many of which are designed to destroy much of life that existed before the (Pole) Shift. So unless you were protected from them by your soul and the angels watching over you, you would stand no chance of survival.

And then you have new radiation levels to deal with, new magnetics and other new forces that humanity is not aware of yet. There is far more that makes up life in each age than you understand, all of which basically amounts to that unless it's rock, it's not going to stand much chance of survival, with only very small pockets of life surviving with angelic help. And then from those small pockets, with all the intense influence of these new forces, so mutations occur and new life forms are created. So the creatures and plants continue to evolve, some from the old pre-Shift days, some new. It's more than just a matter of weathering the storm, waking up a week after it's happened and picking up the pieces and starting all over again; starting to bring back the way of life you knew, because you won't be able to do that as everything will be different with these different forces wanting the surviving humanity to go in other directions, which is why there is little continuity between the ages. You can't relate to how those of other ages lived, just as they'd not be able to relate to how you live, just as it will be different after the next Change.

James: So how would we cope?

Nanna Beth: You'd save seeds and see if they grew in the vibration of the next age, assuming you survived to live in that vibration, each age having its own unique frequency of survival. And if your solar power systems didn't work, so stored data on computers would be useless, so it would be word of mouth and what you knew, your mind being the only 'computer' available. And you'd then be inspired to do whatever it was your soul wanted you to do, just as it does now, and that would lead you, with the people you are involved with, to work out your new system of living. So you'd use from the old that which you could, and make new based on the limitations of your lives.

James: So really Nanna Beth, as far as making any plans along surviving the Shift lines, the further advanced in your Healing and preferably being Healed, would be the best way to deal with it?

Nanna Beth: Yes, rather than relying solely on your mind. And so if you were to survive, then you'd be guided as to how to prepare, should that be part of what you need to do, and if not, then you'd just adjust through your feelings. Living a feeling-led life, you'd easily make the necessary adjustments compared to that of living with your mind in control. It might be hard to understand, but look at a child, it can cope with virtually any new environment thrust upon it, it doesn't know anything about what is right and wrong so far as what has gone before, whereas adults would find it very difficult. So an adult that is doing their Healing or having done it would be able to adapt and approach the new life like a child would, easily.

For how you are becoming, James, and what your thoughts are along the lines of how life would be were you living in a community of people all intent on doing their Healing and with some people having completed it, to even a community of Celestial level people on Earth, how you'd live would be very different to how your world is now. You'd mostly reject what your world is offering you; you'd form very different social patterns, very different ways of parenting and relating to children, with those

children being free to express themselves completely differently to the children of your current societies. And it wouldn't take long before all levels of your society would change with a continual striving to become more at-one with nature rather than abusing, dominating and controlling it, living within its limitations rather than continually overriding it.

You might choose to have some of what current society offers, electricity and some of the mechanical conveniences. And if you could live without the need to work to make money to survive, no outside government telling you how to be, and with everyone living just to survive, without the need or desire to own land or have your own house because you didn't feel so powerless needing to have such possessions, and with the whole focus on life being to help you express yourself, to talk all your thoughts and feelings out, so bring yourself out, so with a whole loving feeling and attitude toward all you do and all the people you are with, rather than the unloving competitive one you currently have.

So the idea you have in mind for your Sanctuaries are really the starting points for such communities to evolve.

And they'd have to start within and being dependent upon the existing systems of government and society, with the aim to wean themselves off the limiting parts of such systems and introducing new ones to replace them, ones that promote freedom of self-expression rather than the existing sole-destroying ones. And those Sanctuaries would be looking at making vast changes within themselves as agreed upon by their inhabitants, with everyone being an equal part of the whole, all happy to help each other express themselves first, with everything coming next.

True Self-
Expression
Sanctuary

The feelings to live this way are innate within you. You desire the freedom to do as you please, and really it's the freedom to express all you feel, rather than the desire to do what your mind wants to do, believing what would be good for you, making you feel happy and loved. And one of your systems you call capitalism is flawed because it's about building capital as you believe you need it to survive and you wrongly look to material gain. So really you just want to be free to make all the money you want so you can cut out your little patch and keep everyone else away from it. Then you have a more socialistic feeling, wanting to share and help each other, with communism taking it further yet with its fault being that the government, the elite rulers, make all the rules and the masses have to comply whether they like it or not. But the idea of living communally and everyone working for the common good is sound but gets used and abused because you are all living untrue. And you have your fascist dictators who selfishly want it all for themselves, saying you have to live according to my likes and dislikes, which is basically how the Evil Ones (Lanonandeks soul partner pairs – Lucifer, Satan, Caligastia and Daligastia) have controlled humanity from behind the scenes.

Truth, living the same truths that are revealed through your soul as a consequence of living true to your feelings, is the ONLY way for you to live communally together, sharing and being truly happy. Because the truth makes you happy, and when you are happy you feel more loving and accepting and no longer wanting to have power over others, feeling you're happy with less and not needing your empire of false power to keep you feeling 'safe and secure', with the truth being your true comforter. So when you feel truly comforted, you feel truly loved, and so are truly loving, as we Celestials are. And until you are fully Healed, you'll keep feeling unloved and without any comfort or inner faith or true security, as you and Marion have been living truer of late. Your latest comforter being chocolate. You indulge in it because it tastes so good, overriding your despair, misery and feeling unloved for the moment you are eating it; this being the sad extent to which you can use your mind to give you any comfort, as your parents deprived all the natural spiritual comfort from your early lives.

But then it backfires making you feel sick, fat and uncomfortable. It making you again feel how bad you feel, miserable and unloved, and around you go again.

So people who are fully Healed and living the Truth would feel so happy in themselves. So at-one with nature and the world, not afraid of other people, not relating to each other as you related to your unloving parents, thereby wanting to live in a system that expresses that inner security, happiness and love. So you'd build your world to reflect your inner world. How could you do anything else? And your children would be conceived into the true and comforting world in the womb of the mother and then being born into the world; the womb of the father and mother, as it grows up feeling completely safe and secure, loved and completely free to express all it feels. And that world you would build would end up being the complete

opposite to the world you are currently living in – a material world and society that expresses the unloving hostile state, which is your inner world. And your children are tortured in the womb, made to feel unloved right from their first moment; are born into more unlovingness, and learn to cope and ‘survive’ within it, with some people becoming very ‘successful’ and passing on that ability to their children.

Sanctuary

So the world is unloving, whereas you imagine the Sanctuaries would become increasingly loving places, which they would as they grew and evolved to reflect the increasing truth lived by their community members. And those true and loving communities would stand a far better chance of surviving such a cataclysmic Pole Shift than your existing unloving and untrue communities.

James: Thank you Nanna Beth. As usual you’ve summed up simply all I was thinking about writing a few weeks ago but didn’t know whether to put it into a movie or write myself or write with you.

Nanna Beth: You are welcome James, we know it’s been simmering in the back of your mind, so we wanted to help you clarify some of those thoughts and give you more direction as it will help you know what to do when the time comes. Talk to you soon, goodbye for now.

The 1st spirit Mansion World is the home for those who calibrate below 500 on Dr David Hawkins' Map of Consciousness. The peak of development below 500 is 'Reason', being mind centric and suppression of feelings. Scientists typically peak at 499 in their develop, thus limiting their achievements as it through our feelings that truth is to be found. We are fully self contained through our feelings and our potential is without limit through our soul-based feelings.
