PASCAS INTRODUCTION:

Documents assembled by Pascas are provided for your individual assessment and exploration. The contents are sourced from a variety of avenues and publications. Every endeavour is made to determine that the contents are of the highest level of truth and veracity. At all times we ask that you go within yourself, to ascertain for yourself, how the contents resonate with you.

Pascas provides these notes and observations to assist us all in the development and growth of our own pathways and consciousness. Pascas does not hold these contents as dogma. Pascas is about looking within oneself. Much of what we are observing is new to us readers and thus, we consider that you will take on board that which resonates with you, investigate further those items of interest, and discard that which does not feel appropriate to you.

Kinesiological muscle testing, as developed by Dr David R Hawkins and quantified by his Map of Consciousness (MOC) table, has been used to ascertain the possible level of truth of documents. Such tested calibration levels appear within the document. We ask that you consider testing same for yourself. The technique and process is outlined within Pascas documents, such as Pascas Health – Energy Level of Food. From each person’s perspective, results may vary somewhat. The calibration is offered as a guide only and just another tool to assist in considering the possibilities. As a contrast, consider using this technique to test the level of truth of your local daily newspaper.

Contents are not to be interpreted as an independent guide to self-healing. The information sourced herein is not from a doctor or doctors, and any information provided in this document should not be in lieu of consultation with your physician, doctor, or other health care professional. Pascas, nor anyone associated with this document, does not assume any responsibility whatsoever for the results of any application or use of any process, technique, compound or potion as described within this document.

The sources of contents are noted throughout the document. In doing so, we acknowledge the importance of these sources and encourage our readers to consider further these sources. Should we have infringed upon a copyright pertaining to content, graphics and or pictures, we apologise. In such cases, we will endeavour to make the appropriate notations within the documents that we have assembled as a service via our not for profit arm, to our interested community.

We offer all contents in love and with the fullness of grace, which is intended to flow to readers who join us upon this fascinating journey throughout this incredible changing era we are all experiencing.

Living Feelings First, *John.*

HEALTH DOME

HEALTH DOME:

The **Health Dome** needs to be viewed internally as a hologram.

Each health modality interconnects and is complimented and supported by each and every other health modality.

No one process or practice is an exclusive solution.

If you were to say that one practice or solution stands out above and beyond all others at the pinnacle of the **Health Dome** then that would be **Love and Forgiveness**.

The basic malady found in people is self-hatred. Self-hatred is the basic inner illness in all of us, but just how that self-hatred and non-acceptance of the self manifests is shown in our different character structures. As we work to understand our dynamics on a daily level, we can learn to accept ourselves through this process. Self-love is the greatest healer, and self-love also requires daily practice.

The broad view of the healer encompasses the totality of the human being. In healing there is no separation between body and mind, emotions and spirit – all need to be in balance to create a healthy human being. The healer focuses on physical, psychological and spiritual malfunction. It is impossible to do healing without affecting the psychological levels of the personality. The more the healer understands the psychodynamics of his/her clients, the more the healer will be equipped to help the clients heal themselves.

Finding the initiating cause of an illness is always a key part of healing.

The objective, from within the Pascas Health Dome, is to treat the cause much more so than just treat the symptoms. Re-occurrence of many illnesses is due to the non-treatment of the cause.

**Feeling
Healing with
Divine Love is
the key!**

STREAMERS (DIAGNOSTIC SPECIALISTS):

The **STREAMER's** function is to assess what services and to whom a patient should be referred to and ensure that the required services will be available and when. His duty is to ensure a high standard of usage as well as a high standard of medical service is provided. He should initially assess the patient and reassess after treatment course.

Patients approaching the Centre may:

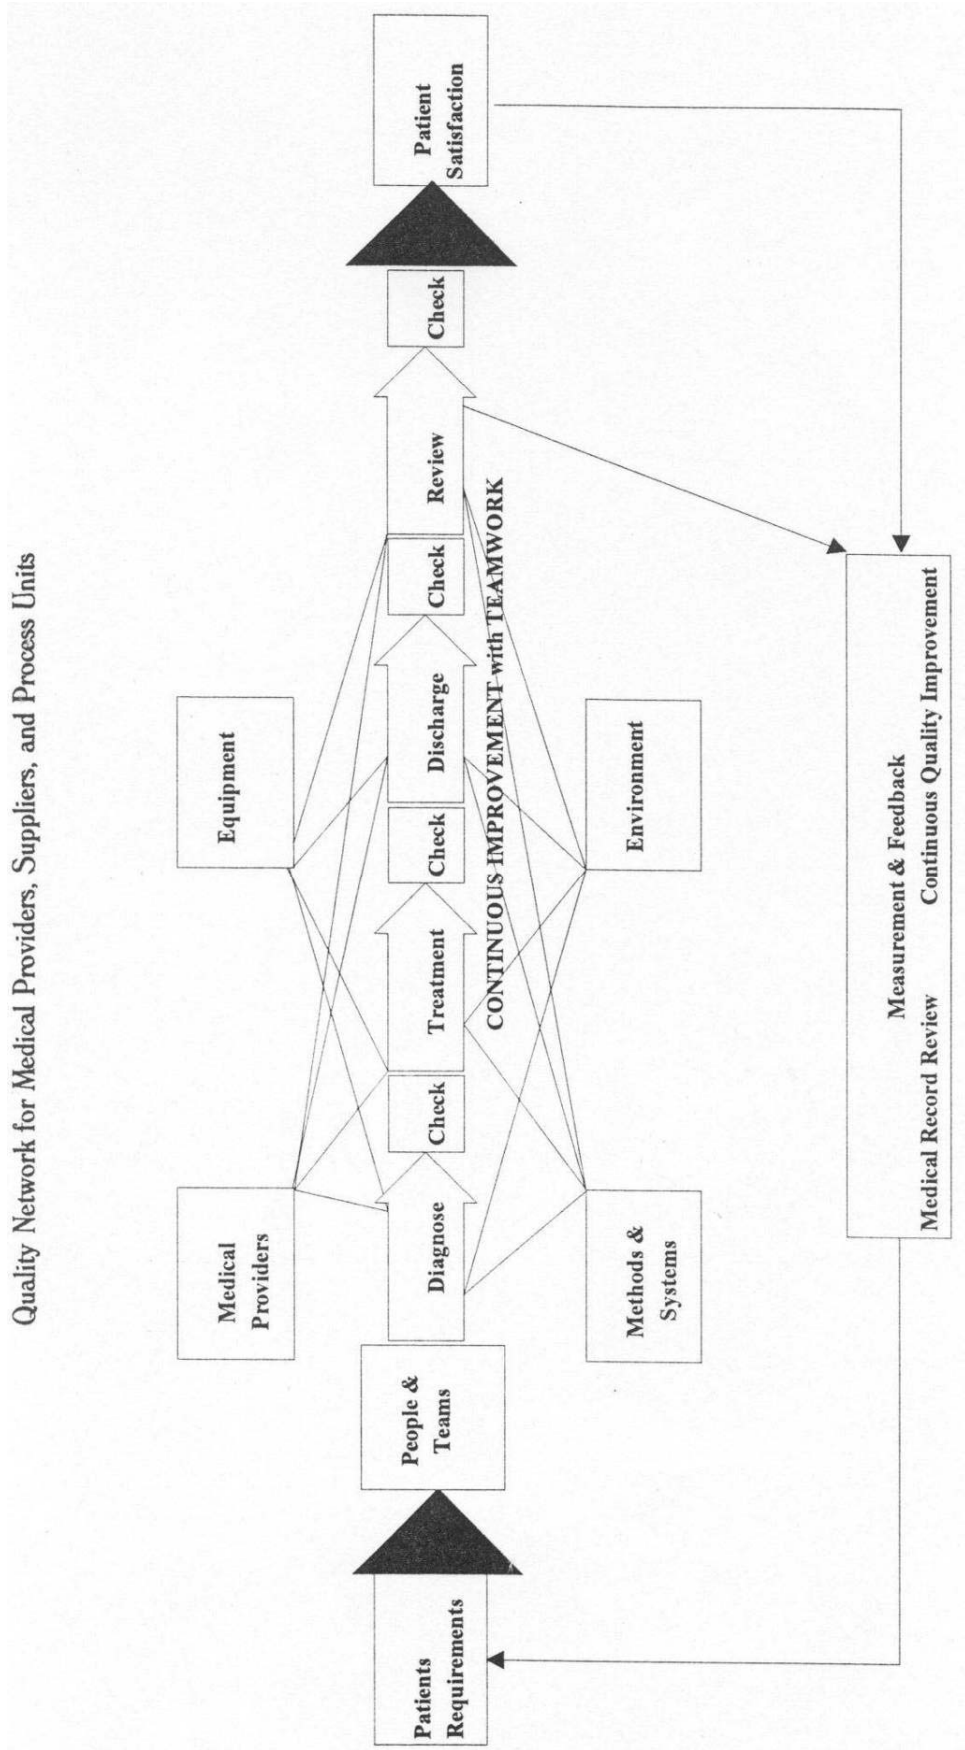

1. Seek a consultation with a Diagnostic Streamer.
2. The Diagnostic Streamer may elect to manage the case or seek support from other Diagnostic Technicians.
3. Should other Diagnostic Technicians be invited then the agenda is to have the patient meet all the Diagnostic Technicians at the one time.
4. The treatment plan for the required treatment is mapped out with the Diagnostic Streamer appointed to manage the plan.
5. The Diagnostic Streamer would then appoint the Technicians for the delivery of the various elements of the treatment plan.
6. Monitoring and overseeing of the treatment plan delivery is the responsibility of the Diagnostic Streamer.
7. At the end of the delivery of the treatment plan, the outcomes would be reviewed and assessed in accordance with Total Quality Management (TQM) regimes and for the purpose of research and review of the efficacy of the treatment.

A prime consideration for the patient in attending the Health & Healing Centre is to be afforded the opportunity to have access to the majority of core modalities and specialists at the one time. Thus reducing the number of visitations and the anguish of numerous trips and waiting episodes.

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God's soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of your Mother and Father.

OUR INDIVIDUAL STRUCTURE:

Our base and focus is our physical body:

Ketheric Template Body – Causal Body – Divine
Knowing – Spiritual Body (soul, senses and memory)

Celestial Body – Divine Loving

Etheric Template Body – Divine Will

Astral Body – Loving

Mental Body (very active mind, consciousness and
domain of the ego)

Emotional Body – Real Feeling

Etheric Body (incorporates Chakras) – I Exist

Physical Body (including the brain) – Beingness

“All dis-ease is mind generated, and all healing is generated by the love energy of one’s soul.”

By living true to ourselves, true to our feelings, we are living true to God. It’s that simple.

COMPLEMENTARY and ALTERNATIVE MEDICINE:

In the ancient systems of medicine and healing, mind, body and soul were seen as interconnected and non-separable. When one part of the whole was stimulated, it also affected the other parts as well as the whole. Health in a spiritual perspective concerns both physical, emotional, mental and spiritual aspects of our being. Alternative medicine is holistic by nature and looks at the whole being to understand and correct that which is not in balance.

There are many terms used to describe approaches to health care that are outside the realm of conventional medicine as practiced around the world.

What is complementary and alternative medicine?

Complementary and alternative medicine (CAM), is a group of diverse medical and health care systems, practices, and products that are not presently considered to be part of conventional medicine. While some scientific evidence exists regarding some CAM therapies, for most there are key questions that are yet to be answered through well-designed scientific studies--questions such as whether they are safe and whether they work for the diseases or medical conditions for which they are used.

The list of what is considered to be CAM changes continually, as those therapies that are proven to be safe and effective become adopted into conventional health care and as new approaches to health care emerge.

Are complementary medicine and alternative medicine different from each other?

Yes, they are different.

- **Complementary** medicine is used **together with** conventional medicine. An example of a complementary therapy is using aromatherapy to help lessen a patient's discomfort following surgery.
 - **Alternative** medicine is used **in place of** conventional medicine. An example of an alternative therapy is using a special diet to treat cancer instead of undergoing surgery, radiation, or chemotherapy that has been recommended by a conventional doctor.
-

What is integrative medicine?

Integrative medicine combines mainstream medical therapies and CAM therapies for which there is some high-quality scientific evidence of safety and effectiveness.

What are the major types of complementary and alternative medicine?

CAM therapies can be classified into five categories, or domains:

1. **Alternative Medical Systems**

Alternative medical systems are built upon complete systems of theory and practice. Often, these systems have evolved apart from and earlier than the conventional medical approach used in the western medical practices. Examples of alternative medical systems that have developed in Western cultures include homeopathic medicine and naturopathic medicine. Examples of systems that have developed in non-Western cultures include traditional Chinese medicine and Ayurveda.

2. **Mind-Body Interventions**

Mind-body medicine uses a variety of techniques designed to enhance the mind's capacity to affect bodily function and symptoms. Some techniques that were considered CAM in the past have become mainstream (for example, patient support groups and cognitive-behavioural therapy). Other mind-body techniques are still considered CAM, including meditation, prayer, mental healing, and therapies that use creative outlets such as art, music, or dance.

3. **Biologically Based Therapies**

Biologically based therapies in CAM use substances found in nature, such as herbs, foods, and vitamins. Some examples include dietary supplements, herbal products, and the use of other so-called "natural" but as yet scientifically unproven therapies (for example, using shark cartilage to treat cancer).

4. **Manipulative and Body-Based Methods**

Manipulative and body-based methods in CAM are based on manipulation and/or movement of one or more parts of the body. Some examples include chiropractic or osteopathic manipulation, and massage.

5. **Energy Therapies**

Energy therapies involve the use of energy fields. They are of two types:

- **Biofield therapies** are intended to affect energy fields that purportedly surround and penetrate the human body. The existence of such fields has not yet been scientifically proven. Some forms of energy therapy manipulate biofields by applying pressure and/or manipulating the body by placing the hands in, or through, these fields. Examples include qi gong, Reiki, and Therapeutic Touch.
 - **Bioelectromagnetic-based therapies** involve the unconventional use of electromagnetic fields, such as pulsed fields, magnetic fields, or alternating current or direct current fields.
-

Dictionary of Terms

Aromatherapy ("ah-roam-uh-THER-ah-py"): Aromatherapy involves the use of essential oils (extracts or essences) from flowers, herbs, and trees to promote health and well-being.

Ayurveda ("ah-yur-VAY-dah") is a CAM alternative medical system that has been practiced primarily in the Indian subcontinent for 5,000 years. Ayurveda includes diet and herbal remedies and emphasizes the use of body, mind, and spirit in disease prevention and treatment.

Chiropractic ("ki-roh-PRAC-tic") is a CAM alternative medical system. It focuses on the relationship between bodily structure (primarily that of the spine) and function, and how that relationship affects the preservation and restoration of health. Chiropractors use manipulative therapy as an integral treatment tool.

Dietary supplements: A dietary supplement is a product (other than tobacco) taken by mouth that contains a "dietary ingredient" intended to supplement the diet. Dietary ingredients may include vitamins, minerals, herbs or other botanicals, amino acids, and substances such as enzymes, organ tissues, and metabolites. Dietary supplements come in many forms, including extracts, concentrates, tablets, capsules, gencaps, liquids, and powders. They have special requirements for labeling. Dietary supplements are considered foods, not drugs.

Electromagnetic fields: Electromagnetic fields (EMFs, also called electric and magnetic fields) are invisible lines of force that surround all electrical devices. The Earth also produces EMFs; electric fields are produced when there is thunderstorm activity, and magnetic fields are believed to be produced by electric currents flowing at the Earth's core.

Homeopathic ("home-ee-oh-PATH-ic") **medicine** is a CAM alternative medical system. In homeopathic medicine, there is a belief that "like cures like" meaning that small, highly diluted quantities of medicinal substances are given to cure symptoms, when the same substances given at higher or more concentrated doses would actually cause those symptoms.

Massage ("muh-SAHJ") therapists manipulate muscle and connective tissue to enhance function of those tissues and promote relaxation and well-being.

Naturopathic ("nay-chur-o-PATH-ic") **medicine** is a CAM alternative medical system in which practitioners work with natural healing forces within the body, with a goal of helping the body heal from disease and attain better health. Practices may include dietary modifications, massage, exercise, acupuncture, minor surgery, and various other interventions.

Osteopathic ("ahs-tee-oh-PATH-ic") **medicine** is a form of conventional medicine that, in part, emphasizes diseases arising in the musculoskeletal system. There is an underlying belief that all of the body's systems work together, and disturbances in one system may affect function elsewhere in the body. Some osteopathic physicians practice osteopathic manipulation, a full-body system of hands-on techniques to alleviate pain, restore function, and promote health and well-being.

Qi gong ("chee-GUNG") is a component of traditional Chinese medicine that combines movement, meditation, and regulation of breathing to enhance the flow of qi (an ancient term given to what is believed to be vital energy) in the body, improve blood circulation, and enhance immune function.

Reiki ("RAY-kee") is a Japanese word representing Universal Life Energy. Reiki is based on the belief that when spiritual energy is channelled through a reiki practitioner, the patient's spirit is healed, which in turn heals the physical body. (consider Sekhem modality)

Therapeutic Touch is derived from an ancient technique called laying-on of hands. It is based on the premise that it is the healing force of the therapist that affects the patient's recovery; healing is promoted when the body's energies are in balance; and, by passing their hands over the patient, healers can identify energy imbalances.

This is not a complete list, however, it mentions major elements.

EMOTIONAL PROCESSING and CLEARING:

Goals of Pascas Care are lead by our desire to:

Treat the cause of illness rather than the symptoms, this is the focus of Pascas Care.

P.7 Pascas WorldCare – and 500 + Years!

Further stated policy, Pascas Care – Kids of the World:

The greatest gift for our children that we could possibly provide is to enable for them to grow up without fear.

Your body is a reflection of your soul condition which in turn, are your emotions. It is the resolving of the blocked errors within your emotions that corrects the issues emerging as illnesses within your physical body that, in turn, permanently clears the physical body's illness.

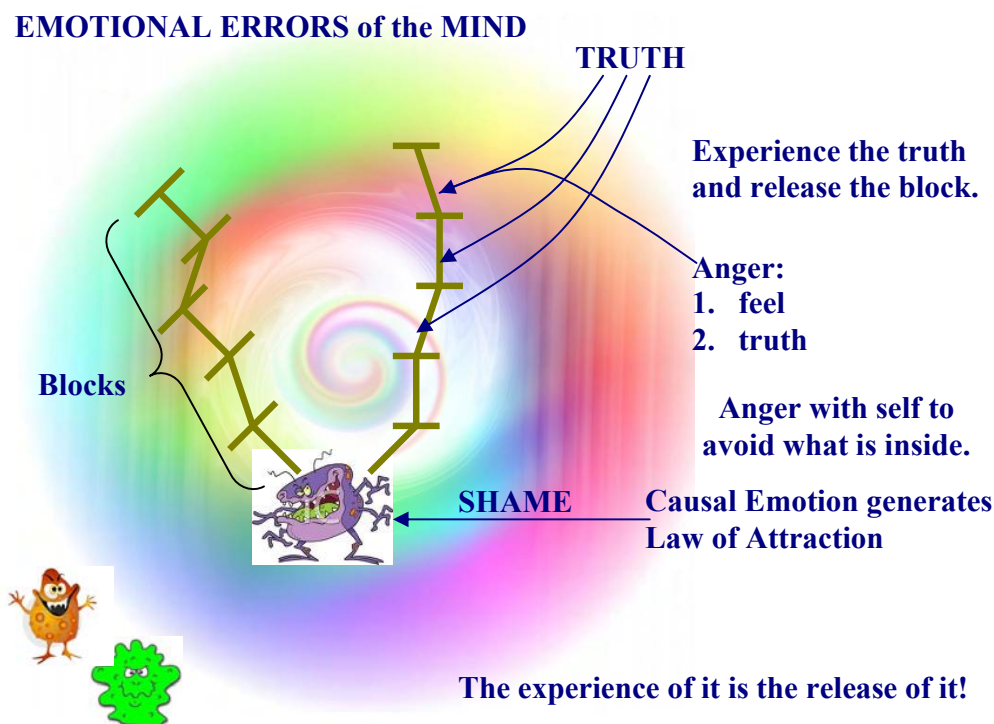

It is difficult to quantify the results of emotional clearing work as this work is so very personal and unique. We are all emotional beings, here to experience our individual selves and to learn and grow in love. The problem is that from the moment of incarnation we begin to absorb the emotions of our parents and the environment around us. This adds to our uniqueness. The emotions that our parents face will be different for each successive child that they bring into the world. Add to this the unique experiences that we each begin to have as young children, then at day care, playgroup, kindergarten, school, etc., and you begin to see the complexity of the situation. There is no one size fits all approach when it comes to our emotional structure and emotional processing and clearing. How one person connects to, feels and releases an emotion will be very different from how another person may do this.

Because this journey is so unique, and our emotional makeup unique, and accordingly, the results are also unique, it is difficult to understand how it works unless we have witnessed the results first hand. This is human nature born out of living in fear for many millennia. It is now time to change that, and the only way we can do that is to release all of the erroneous emotions within us. This takes time and commitment and we offer here one person's experience as a guide:

“It has been my experience, and I must say, great frustration, that emotional clearing is a hugely complex issue that takes time, patience, trust, faith and commitment. In my own case I have now experienced what I hope have been thirteen episodes of emotional clearing at a causal level (still lots of doubt at times). The process has at times been very intense but each time there has been an amazing sense of peace that comes with letting go and letting God. I get incredibly frustrated that I am still hugely overweight and that that has yet to change. I am also very frustrated that my body is still experiencing a lot of physical pain. But if I am honest with myself I can see that there have been changes. Most of these changes are very subtle and not the magical clearing that I had hoped. I am beginning to realize that this work is multi-layered and requires commitment and patience. My problem is that I am impatient. I expect to clear an emotion and see a result immediately. What I am beginning to understand is that there are many, many layers to some of the emotions that I have to clear and it is not until I have cleared all the branches of an emotion will I feel a cure relating to that particular emotion. It is a slow process and I am learning to be patient and to trust God. At times I have no idea where the emotion will lead me and I am often surprised and overwhelmed at the outcome. I am committed to continuing on this path as I know it is the only way to achieve complete wellness and I am prepared to do whatever it takes to achieve that goal – always have been.”

LM Gold Coast 2010

We now know that emotional processing and clearing **must** be an integral part of any health facility that is serious about affecting a cure or benefits in its clients / friends.

We will explain a bit further on. But first we would like to comment on the following statement:

‘Our physical body is created by God and is the most remarkable and the finest of God's creations. He set our body in a physical world and supplied not only a body which is self healing, but all that we required in the physical realm to achieve that. What we have done is that we have moved away from the idealised physical existence intended.’

The reason we have become so far removed from the ideal existence that God intended for us is because of the decision that Aman and Amon (our first parents) made to become self-reliant rather than God-reliant. By choosing to walk away from God they set in motion a chain reaction that has reverberated down throughout the ages and gathered momentum to the point where mankind's soul condition deteriorated to an animal like condition as described by Jesus in the Book of Truths (Feb 16, 1916; P307).

From this point we have slowly begun to wake up to our true nature and our connection to God, our Father / Mother. We have begun to seek our way home and many have found their way back to the perfect state of the natural man that God created us to be in, but for the most part this has taken centuries. It is this back log of erroneous emotions that has lead to our less than ideal life style choices which now manifest as illness and disease in the body.

Many seem to be firmly fixed on ideas of perfect health and yet there seems to be conflicting information available that would suggest that perhaps there are different measures for perfect health within the body.

This has led to the development of what is a very complex clinical structure in the form of a Pascas Care centre.

A Pascas Care centre is an educational unit as well as a nutritional experience, both in conjunction with health care and wellness.

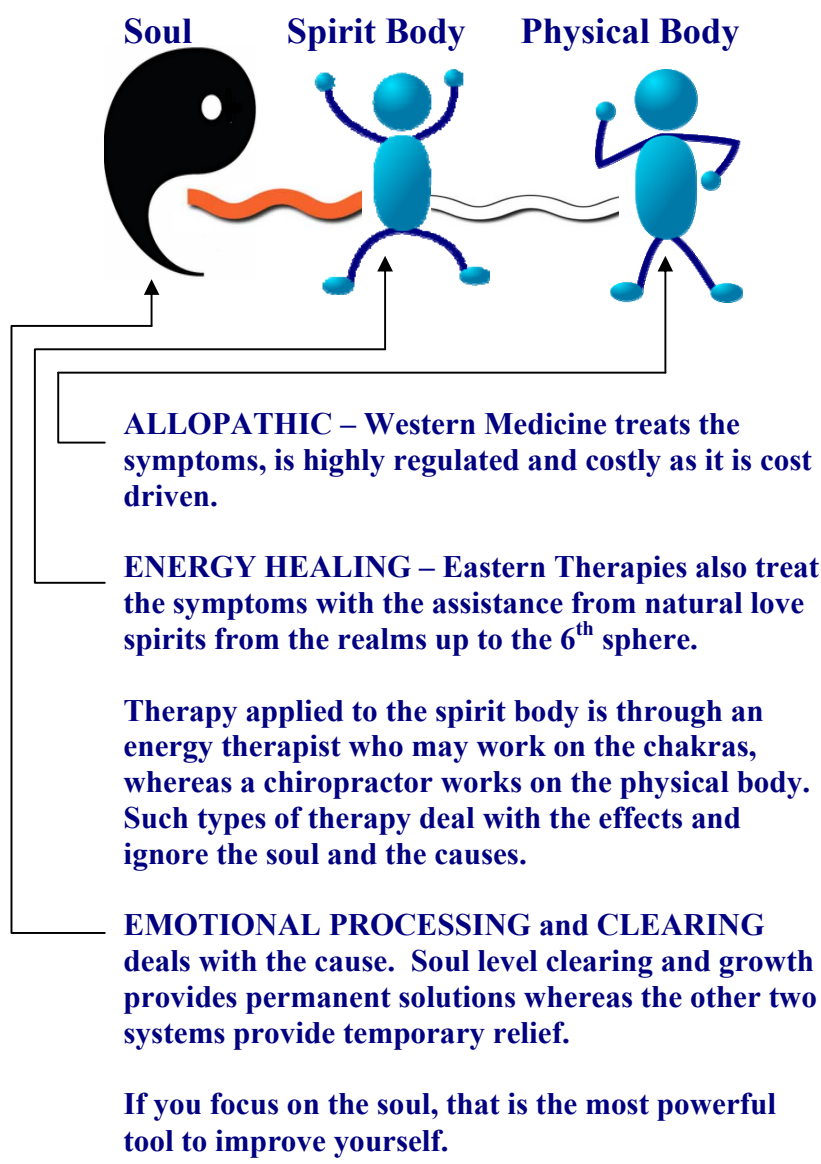

Pascas Café, being the entry to the centre, is to assist with understanding how our diets can be readily enhanced. It is a demonstration and educational experience in the preparation of food and development of diets with a focus upon raw food, vegetables, fruits, minerals, vitamins, and moderately prepared foods that are representative of vegetarian and vegan diets.

Pascas Care is a holistic health clinic, melding allopathy practices with complementary practices.

PHYSICIAN, HEAL THYSELF:

The basic principles that facilitate the process of self-healing:

- A thought is a “thing”. It has energy and form.
- The mind with its thoughts and feelings controls the body; therefore, to heal the body, thoughts and feelings need to be changed.
- What is held in mind tends to express itself through the body. What one holds in mind tends to manifest.
- The body is not the real self; it is like a puppet controlled by the mind.
- Worries are chronic fears. Paranoia is its extreme. Sustained and chronic fear gradually suppresses the body’s immune system. Fear is healed by love. Love is the ultimate energy.
- It is fear and guilt that bring about disease and failure in every area of one’s life. We can take the same protective actions out of love, the most of all beneficial energies, rather than out of fear.
- Beliefs that are unconscious can manifest as illness, even though there is no memory of the underlying beliefs.
- An illness tends to result from suppressed and repressed negative emotions, plus a thought that gives it a specific form (i.e., consciously or unconsciously, one particular illness is chosen rather than another).
- It is possible to reverse the disease process by removing the internal stress factors.
- Chronic stress weakens the body’s immune system by blocking the body’s immune system.
- A negative thought or feeling instantly weakens the body and creates an imbalance of the body’s energy flow.
- The price we pay for chronic anger and resentment is sickness and premature death. Is this worth the small satisfaction of being right?
- Forgiveness heals the heart – literally. This also encapsulates self-forgiveness.
- Elimination of guilt accompanies release of all judgments against others and one’s selves.
- Every mistake we make is based on an opinion.
- Love facilitates healing. It transforms life. Love is the energy that silently transfigures every situation.
- The brain is not the origin of the mind, but the other way around. The mind controls the brain. The brain is activated by the mind’s intention and not vice versa. One’s mind is within the spirit body, generally recognised as the auric field or etheric body.
- Thoughts are caused by suppressed repressed feelings. When a feeling is let go, thousands or even millions of thoughts that were activated by that feeling disappear.
- Although a specific belief can be cancelled and energy to it can be refused, it is generally a waste of time to try to change thinking itself.
- We surrender a feeling by allowing it be there without condemning, judging, or resisting it. We simply look at it, observe it, and allow it to be felt without trying to modify it. With the willingness to relinquish a feeling, it will run out in due time.
- Laughing is a method of letting go.
- A strong feeling may recur, which means there is more of it to be recognised and surrendered.
- In order to surrender a feeling, sometimes it is necessary to start by relinquishing the feeling that is there about the particular emotion (e.g., guilt that “I shouldn’t have this feeling”).
- In order to relinquish a feeling, sometimes it is necessary to acknowledge and let go of the underlying payoff of it (e.g., the “thrill” of anger and the “juice” of sympathy from being a helpless victim).

- Feelings are not the real self. Whereas feelings are programs that come and go, the real inner Self always stays the same; therefore, it is necessary to stop identifying transient feelings as yourself.
- Ignore thoughts. They are merely endless rationalisations of inner feelings.
- No matter what is going on in life, keep the steadfast intention to surrender negative feelings as they arise.
- Make a decision that freedom is more desirable than having a negative feeling.
- Choose to surrender negative feelings rather than express them.
- Surrender resistance to and scepticism about positive feelings.
- Relinquish negative feelings but share positive ones.
- Notice that letting go is accompanied by a subtle, overall lighter feeling within yourself.
- Relinquishing a desire does not mean that you won't get what you want. It merely clears the way for it to happen.
- Get it by "osmosis". Put yourself in the aura of those who have what you want.
- "Like goes to like." Associate with people who are using the same or similar motivation and who have the intention to expand their consciousness and to heal.
- Be aware that your inner state is known and transmitted. The people around you will intuit what you are feeling and thinking, even if you don't verbalise it.
- Persistence pays off. Some symptoms or illnesses may disappear promptly; others may take months or years if the condition is very chronic.
- Let go of resisting the technique. Start the day with it. At the end of the day, take time out to relinquish any negative feelings left over from the day's activities.
- Don't look for answers; instead, let go of the feelings behind the question.
- You are only subject to what you hold in mind. You are only subject to a negative thought or belief if you consciously or unconsciously say that applies to you.
- Stop giving the physical disorder a name; do not label it. A label is a whole program. Surrender what is actually felt, which are the sensations themselves. **We cannot feel a disease.** A disease is an abstract concept held in the mind. We cannot, for instance, feel "asthma". It is helpful to ask, "What am I actually feeling?" Simply observe the physical sensations, such as, "Tightness in the chest, wheezing, a cough". It is not possible, for example, to experience the thought, "I'm not getting enough air". That is a fearful thought in the mind. It is a concept, a whole program called "asthma". What is actually being experienced is a tension or a constriction in the throat or chest. The same principle goes for "ulcers" or any other disorder. We cannot feel "ulcers". We feel a burning or piercing sensation. The word "ulcer" is a label and a program, and as soon as we use that word to label our experience, we identify ourselves with the whole "ulcer" program. Even the word "pain" is a program. In reality, we are feeling a specific body sensation. The process of self-healing goes more quickly when we let go of labelling or giving a name to the various physical sensations.
- The same is true with our feelings. Instead of putting labels and names on feelings, we can simply feel the feelings and let go of the energy behind them. It is not necessary to label a feeling "fear" in order to be aware of its energy and relinquish that energy.
- Using the mechanism of letting go, allow yourself to go into all the negative emotions that you may feel you have and allow the feelings to come up one by one, and let them go.
- With courage we can let go: I can look at my feelings. I don't have to be afraid of my feelings anymore. I can handle them. I can take responsibility for them. I can learn how to accept them and be free from them. I am willing to take risks, to let go of old points of view and explore new ones. I am willing to be joyous and share my experience with others. I experience myself as well and able.

- Disease-prone beliefs, we can look at the following questions:
 - Do I worry about my health, holding fear thoughts in mind about what might happen to me?
 - Do I get a secret feeling of fear, excitement, and danger when I hear about a new disease that is currently being reported and in vogue?
 - Do I spend time on constant checkups, reading about diseases, getting frightened by TV stories about them?
 - Am I interested in hearing about the diseases of famous people?
 - Do I believe that the environment and foods are full of hidden dangers, or that foods contain additives which are poisonous and will cause disease?
 - Do I believe that certain diseases “run in our family”?
 - Do I stop or want to stop (but don’t dare) to witness auto accident victims?
 - Do I like hospital TV programs?
 - Do I like TV programs that include hitting, shouting, fist fights, killing, torture, crime and other forms of violence? (Such programs insult the immune system, on average, 113 times!)
 - Am I a guilt-ridden person?
 - Am I holding a lot of anger?
 - Do I condemn other peoples’ behaviour? Am I prone to be judgmental?
 - Do I hold resentments and grudges?
 - Do I feel trapped and hopeless?
 - Do I say of myself, “Whatever is going around, I’ll probably catch it”?
 - Am I concerned with acquisitions and status symbols instead of the quality of relationships?
 - Do I carry a lot of insurance and still worry that it’s not enough?
- The mechanism of letting go is concerned with the emotional “what” from moment to moment, without involving the intellect. The “why” becomes apparent of itself once the “what” has been relinquished. Its one thing to analyse the causal basis of depression and quite another to enter fully into the depth of hopelessness by letting go of your resistance to the feeling. By allowing the full feeling of it and by letting go of every sensation, every thought, and every little payoff you are getting from it, you are free. It’s not necessary to probe the “why” of depression to become free from the “what” of it.
- The objective of letting go is the elimination of limiting mental and emotional programs.
- With the mechanism of letting go, there is no patient role and no dependency on another person or theory. The very wellsprings of neurotic patterns automatically unfold as they are acknowledged, relinquished, and disappear.
- The way to change our bodies is to change our thoughts and feelings.
- One’s letting go of the lower energies of guilt, fear, anger, and pride alleviates the weight of the past and clears the clouds of the future. One then can face today with optimism and be grateful to be alive. One can see that yesterday is gone, tomorrow has not yet come, and we have only today.
- Without a change of consciousness, there is no real reduction of stress.
- A state of peace about the situation is reached when all three aspects of illness – physical, mental, and spiritual – have been addressed and the final outcome or wished-for recovery has been surrendered. Peace comes with total inner surrender to *what is*.
- The goal of letting go is the elimination of the very source of all suffering and pain.
- The power of self-healing is now available.

Ask for assistance and the Love to enable held errors of thought and belief to be released. One's personal intent and involvement in letting go of past incurred difficult emotions is most beneficial.

Step 1: Focus on an issue that you would like to feel better about, and then allow yourself to feel whatever you are feeling in this moment. Identify the negative feeling. Focus quietly on the feeling. Breathe into the sensations and allow them to be.

Step 2: Ask yourself one of the following three questions:

- Could I let this feeling go?
- Could I allow this feeling to be here?
- Could I welcome this feeling?

The mechanism of letting go is concerned with the emotional “what” from moment to moment, without involving the intellect. What is the benefit of this emotional feeling? What is the point of holding this hurtful belief at all? One may start laughing at the absurdity of long held errors or injuries upon reflection. **Breathe into the sensations and allow them to be.** Your willingness to accept the sensations may intensify them. This is okay.

Step 3: No matter which question you started with, ask yourself this simple question: Would I? In other words: Am I willing to let go?

Step 4: Ask yourself this simpler question: When? This is an invitation to just let it go NOW.

Step 5: Repeat the preceding four steps as often as needed until you feel free of that particular feeling.

The only way we can truly let go of them is by SPEAKING THEM OUT OF US, getting right into them with the feeling, and emoting and expressing it – whilst longing to see the truth of it...

Our willingness to let go thinking and accept what's happening is our ticket to inner freedom. Each time you sense a disruption inside, turn down the volume on the thoughts, breathe into the sensations and allow them to be. This is what we need do to let go. Simple. The challenge comes in being vigilant with letting go all negativity – no exceptions.

This process is ever so freeing and uplifting, though sometimes difficult.

FEELING HEALING versus other EMOTIONAL PROCESSING METHODS:

Thursday, 13 July 2017

Hi James and Nanna Beth (questions from John)

The question to address is:

What is different with the outlines of the Feeling Healing process as against the numerous other emotional processing methods?

Nanna Beth, 3rd Celestial Heaven: The difference is the focus on the truth: uncovering the truth of yourself through your feelings – uncovering the truth of your feelings. It's a rebellion against the Truth, so if one doesn't want the truth, nothing will happen, one will only move deeper into one's rebellion against it.

And because the focus is on the Truth, so one can use it all the way to uncover the Whole Truth of Oneself. And there is nothing else teaching that.

All the other systems that involve looking to feelings to some degree fail to understand the deeper significance of wanting the Truth. Many people uncover some truth of themselves through their feelings, but mostly they end the process because they don't want to follow it right the way through, which means they only want to heal some momentary pain, and once that is done, are usually happy to continue on in their untrue state.

And because one is wanting to uncover the whole truth of oneself, then it becomes a full spiritual experience, and one that can be done by oneself, so without needing help from another, although at times help is sought and used. So the Feeling Healing embraces Healing the whole seven Mansion Worlds worth of self- and feeling-denial, which is the complete Rebellion and Default. Other systems might only work at some aspect of it, limiting the ascent of truth through all the Mansion Worlds.

And basically no one understands the absolute depth of the problem within themselves, which is only borne out by people and spirits doing their whole Healing. Much of the current psychological understanding falls well short of understanding the depths that are involved because they don't include the overall problems brought about by the Rebellion and Default. You have to understand you are rebelling against yourself: the truth of yourself, and so against your own soul; which is then the truth of God, so the Mother and Father; and that also includes the truth of Mary and Jesus. So at some point you have to rectify all those relationships, which you can't do unless you understand the bigger spiritual picture. And so that's what James has revealed, taking all Marion has said, all the books offer, adding his own stuff, and putting it all together as a way of life, a spirituality that can be lived, and one the initially focuses on Healing oneself of all one's wrongness.

Why have all other methods of releasing and delving into emotions not been successful?

Nanna Beth: Because they don't understand the scope of the problem, as I said above. They are not approaching it from the point of view of understanding the nature of one's Repressed Childhood state, the extent of that; and then how one needs to allow oneself to feel all the bad feelings, not reject them; and then bring them out, which is the releasing of them; all whilst wanting to know the truth of them – the truth of what you are feeling. And that truth is what needs to come up within you so you can heal your will and become a truly functioning person, fully self-expressive, self-loving, and growing continually in truth.

All the other systems work within the control of the mind, so once the therapy ends, the mind regains control albeit in a different way. Only the Feeling Healing and Soul Healing with the Divine Love, seeks to entirely break the control of the mind over one's feelings.

Why haven't other methods been going deep enough?

Because people are basically afraid to push into such early childhood trauma without understanding where they are going or what it's all about. The leap of faith is too great, as it would mean they would have to rise above and conquer the Rebellion and Default within themselves, and that's simply too much to ask. The negative truth-denying systems within everyone are too deeply entrenched.

However the spiritual structure outlined by James provides a structure that allows you to deal with the Rebellion and Default, allowing you to maintain your faith, and evolve it, as you progress in your growth of truth – it gives one a picture to work with. Very few people, and possibly only Marion in fact, are able to press on into such dark depths without any structure and with only a faith that it's what she and God want to do.

I (Beth) couldn't have done it Marion's way John, I wouldn't have allowed myself to feel such pain, I needed to understand the bigger-picture reasons as to why I was in such pain, and be given the understanding that if I kept at it, one day it would end. Marion doesn't know it will end, she just keeps going one bad feeling at a time, which requires a tremendous amount of faith and over so many years and through so many inner obstacles; and still she doesn't know if it will end, but as she says, there is nothing else she can do other than keep going because she tried everything else. And she doesn't want to let her mind come in, only wanting to stay true to her feelings, so she doesn't want to know about the bigger picture even though she has worked it out along the way for herself and for James to understand which he's worked into his books.

So the spiritual aspect or approach James has provided, even if it's not actually talked about; the simplicity of honouring your feelings, and in particular your bad ones, then by accepting them you allow them to have their say, so you express them, all whilst longing for the truth, includes all one needs to know. And so by doing that, one will be able to fully Heal themselves working it out along the way for themselves; and even if they don't understand it, will be living the highest truest spiritual life one can live in one's wrongness, which in time will lead to one's Healing of one's rebellion and default.

On the surface of it, what James has related seems overly simple, but doing it yourself, and see what happens and what results; and that will take one deep into oneself uncovering the whole truth of oneself.

Many will consider that what they have been doing is adequate – why are they wrong in their understandings?

Nanna Beth: Because they don't understand what it's really all about. They don't understand the mind is in control of their true feelings, and that needs to be stopped. They don't understand the significance of their rebellion against the Truth, and how that happened by default. They don't understand that it's about uncovering the whole truth of yourself through your feelings, all your feelings, but focusing to begin with on your bad ones because they are what most people don't want to see. Everyone else sees it that they are doing this feeling type healing to make themselves better, to rid themselves of their pain and trauma, so instead of taking a pill to take the pain away, they are using some sort of emotional clearing system. But that is all still to take the pain away, to fix themselves, to heal themselves, to effectively take a pill so

it all goes away, just like what the 'Divine Love people' hope the Divine Love will do for them, but it's not to uncover the whole truth of themselves. We have to see the truth of our pain, why we're in it, how it all came about, so what really went on in all our early relationships. It's not about doing anything that just takes all our suffering away. We have suffered for valid reasons, which all have to come to light. And so only emotional and feeling accepting systems to help one see such truth of one's pain and suffering are of any worth. And unless you uncover the whole truth of yourself, you'll never set yourself free of your rebellion and default, of all your soul pain. And the truth means to see the whole truth of why you feel unloved, how unloving your early relationships were, why you don't love yourself, why you are unloving, why you are evil and wrong, which basically no one wants to face.

So to summarise: We all have to see the truth of our unlovingness. We can't avoid it – deny it. We have to face it and feel all it makes us feel. And all those bad feelings lead us into the truth of it. So we have to understand – bring to light through our feelings – all the truth of our unloved, negative, evil, wrong state. And then once we've done that, we can be free of it. So until you uncover and feel the whole truth of it, it will never leave you, you'll remain in rebellion against yourself, you'll continue to be unloving.

[I have considered with James, that Marion and he actually represent the two extremes of what is involved in soul-healing. I have found one such writing by James, back in 2006, that points to this. My feeling is that their two extreme ends of the experience matrix makes them perfect for bringing together the understandings that will benefit all people, no matter what their circumstances maybe.](#)

Nanna Beth: If we accept that Marion and James are the Avonal Pair here to reveal the essential truths to humanity about how people can Heal themselves of their rebellion against the truth of themselves, then what you deduce is correct, for they have between them had to take on every negative aspect of the Rebellion and Default and so Heal it, which is healing all the circuits on a technical level, thereby opening the way for humanity to follow.

So if you consider this John, it is pretty amazing that two people can take on all the denial humanity is in, approaching it from opposite ends, which equates to the effects of the Default of Eve and Adam (following on from the Rebellion), and that such wrongness can be concentrated into two family units, and mostly in two parent pairs (being Marion's parents and James' parents). And so what is the likelihood of that? And then for them to live in the same city being the first children of such 'bloodlines of denial', and meet each other, and at a time needed to give themselves all the time to systematically work their way laboriously up through all the negative mind and will circuits. So to be subjected to so much woe, and to be able to keep going with no help from anyone other than each other, and a little backup from the spirits and the Mother and Father on James' side, yet with that involvement opening up even more messed up and corrupted mind circuits he's had to work his way through.

So if it is true they are the Avonal Pair, it shows us all just how incredible the soul of the Avonals are, to be able to go into such corruption, taking it all on, and then working it all through and Healing themselves of it, all basically without any real help from anyone, so just on faith and pure longing for the truth.

And should they reach the end of their Healing before they die, and should the truth then be fully declared that they are the Avonal Pair, even going against all what The Urantia Book (TUB) says, they having to uncover the truth in all things whilst rejecting the untruth such as in TUB and Padgett Messages (PM), with nothing having been straightforward and of any real help, then it will be cause for major celebration.

And it's what we are preparing for, what you are too John, to see if Marion and James are indeed the Pair, and then to give them all the support they will need to do whatever it is they are to do in the public sense. This is all their private work so far, of which you and I have become substantial parts of, the doing of their Healing preparing themselves for when they are Healed.

And if it turns out they are not an Avonal Pair, they are only just a pair of ordinary mortals who've somehow managed to keep going, dealing with all their pain, longing for and bringing to light all the truth of it, then they will be the most extraordinary mortal pair because they will have been the one's who broke the back of the Rebellion and Default. So either way you look at it, it will be quite an achievement.

And so we are all waiting to see if the theory is realised by such Avonal-truth awakening in their soul at some point, for then we will all know it will be true, just as they too will know. For now Marion doesn't contend with any of it, and James only on a mental level because of what the Melchizedeks told him years ago, but it all has to come to them through their feelings like all truth, which will only happen once they've fully Healed themselves or toward the end of their Healing. Because in the meantime, whilst they are still in their wrongness and denial of truth, part of that denial is denying the truth that they are Avonals. And again the whole Avonal business has been yet more problems and negative circuits James has had to personally work through, whereas Marion has solely focused on only dealing with her feelings, not having to contend with all the other mind stuff.

James, when you feel up to it, may I have your observations please? And Nanna Beth, your angelic eye on this subject would be most helpful, if you please?

These two subjects are possibly leading to the crux of what we are sharing through the Pascas Papers. I now see that these 'colourful' handouts are essential in introducing and supporting the major publications of James Moncrief and James Padgett.

Nanna Beth: The handouts will help introduce people to such writings. But what I want you to understand John, is really it's James – because of his writings (and Marion, because she is leading them both in it all) that is what's most important. The Padgett Messages (PM) are really to be included in James' work, which he does, by taking the crucial parts and integrating them into his work – with the most important truth being that about longing for the Divine Love. So really the PM are secondary.

As you understand, the Padgett Messages can't heal you. The Divine Love is about immortality of the soul and becoming divine, it's not about ending your rebellion against the Truth. And ending the rebellion needs to come first: the Truth then the Love, then the Divine Love can be introduced, even though of course the Divine Love can be introduced at any time.

So really one need only work with James' (and Marion's) work, which includes longing for the Divine Love. People are to look to them first, and then later to Mary and Jesus. To put Mary and Jesus ahead of Marion and James can cause you problems because you will overlook what Marion and James are revealing. But as Mary and Jesus are known and with such importance placed on Jesus, and now with the PM and the Divine Love, so it's all the more confusing. Even added to by James having written focusing on and making Mary and Jesus more important than himself and Marion.

But as I said, it's Marion and James first, then Mary and Jesus and the Divine Love. And Marion and James are more than capable of also introducing the Divine Love and the truth of Mary and Jesus, which they would have done had Mary and Jesus not come to Earth. So really Mary and Jesus are not needed,

and as I said, can get in the way, causing people to focus too heavily on them whilst missing the more essential truths of having to do your Healing by looking for the truth of your feelings (the 'Divine Love people' being examples of this). However with Mary, and Jesus in the PM, being so dominant, it is all just more of the confusion and part of the rebellion. And at the same time I don't want to downplay Mary and Jesus and lead people to believe they are not as important as Marion and James, for they are most important, and much more important being the Creator Pair of Nebadon, and Marion and James would rather not exist than have people think they were more important than Mary and Jesus; but as you understand, I'm just trying to put the revelation of truth into context, because it's all being revealed round the wrong way.

People and spirits were given the opportunity to deny Mary and Jesus whilst they were on Earth, taking the Rebellion deeper; and then to further deny them right the way through their age; and now further still by including the PM. And now people will be given the added opportunity of denying Marion and James, which all ends up being one huge mess. And one in which only Marion and James can unravel. For I am only saying to you now what James has already written and what Marion and he have talked about. I wouldn't dream of taking anything away from them, and it's not my place to do so.

Firstly, consider discovering the truth of your emotional pain and injuries.

Secondly, consider longing for our Heavenly Parents' Love as you progress with your healing.

Primary and most important readings are the writings of James Moncrief.

Then consider the Padgett Messages, and then The Urantia Book.

Love from us all over here – your Nanna Beth.

HOW EMOTIONS EMERGE AS AN ILLNESS: Healing and Recovery P53 by Dr David R Hawkins

Every time someone goes below level 200 (Courage) as per the Map of Consciousness (MoC) scale, we find upon testing that their energy system is imbalanced. Characteristically, most people will ‘blow out’ one particular acupuncture meridian rather than another.

For example, every time they have negative thoughts or feelings consequent to a negative belief system, they may impair the heart meridian. As the years go by, every time they have a resentment, go into self-pity, or criticise someone else, it disrupts the energy and flows down the heart meridian. This depletes the life energy of the heart, and the continual repetition begins to alter its physiology in very delicate ways. It begins to express itself through irregularities in the autonomic nervous system, which operates in the functioning of the body organs.

As a result, there begins an impairment of the physiology of the heart itself, including the lining of the arteries. As the years go by, the habitual disruption of the heart meridian brings impairment on the physical level, which is an expression of what has been held in mind. That is the basic premise – the body expresses what is held in mind, not vice versa. The body expresses a person’s habitual way of thinking.

The mechanics of negativity short-circuit the acupuncture system and the autonomic nervous system. This in turn alters and impairs the sensitive electrical and chemical processes that are going on in the cells, resulting in pathological changes within the anatomy and dysfunction that results in a coronary attack, heart disease, or heart failure. The heart failure comes about partly as a result of years of negative mental attitudes. The mind would like to blame it on cholesterol, stress, one’s lifestyle, genetics, what goes on in the family, and so on. These are all merely explanations, excuses, and rationalisation to try to make intelligible that which is not clearly defined.

When looking at the exact mechanics, we see that what we hold in mind begins to manifest on the physical plane because it is the mind that has the power. The mind is within one’s spirit body.

One of the difficulties to overcome in self-healing is the willingness to accept the great power of the mind. We cannot let a negative thought go unchallenged. Disease is an expression of one’s attitude and habitual way of looking at things.

The specifics of healing a particular illness consist of (1) letting go of resisting the sensory experience of it, (2) no longer putting names or labels on it, and (3) using no words at all. Welcome experiencing what you are experiencing in a very radical way at the same time (4) cancel the thought form and belief system, and (5) choose the energy field of Love, which heals.

To put oneself in an energy field of 540 is to automatically heal oneself. A loving thought then heals, and a negative thought creates illness.

How do we pick up the negative belief systems? We pick them up through television and well-intentioned people. Their intention is to prevent these illnesses in us by educating us about them. Instead, we find that the mind is now programmed to accept a specific belief system. Unconscious guilt then comes up and utilises that belief system, which causes an impairment of energy flowing through the energy fields that run down through the twelve meridians of the acupuncture energy system.

That being said, there is no need to analyse one's condition, just receive healing by embracing, longing for and asking for the light golden blue energy substance being the Divine Love.

The healing of the body alone should never be forced. Complete healing takes place only through the Soul, via the spirit body, via the nervous system and the spirit consciousness of each cell.

To liberate one's real self, one's will, being one's soul, is begun by embracing Feeling Healing, so as to clear emotional injuries and errors. With the Divine Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

HARMONY within the SOUL = HARMONY within the PHYSICAL BODY:

Emotional injuries, erroneous beliefs, harmful intentions are all damages encrusted upon one's soul. Such injuries are to the spirit body to which the soul is connected by cords of light.

Such man made errors degrade the pristine soul and such damages impact upon one's spirit body which in turn emerge as discomforts, then pains, then as illnesses within the physical body.

Medical assistance and treatment may alleviate the illness / pain however the cause remains.

Until we endeavour to remove the errors and injuries, the propensity for the illness remains.

Love energy from the Father is the only substance that alleviates and progressively removes errors and injuries, and this Love energy is the only substance that permanently brings about harmony and health for our soul which subsequently brings about health to our spirit body and physical body.

Long for the truth of you feelings whilst engaging in the Feeling Healing process and also earnestly pray for, ask for, and receive the Love from the Father, such Love will always be provided to those who ask for same – always!

ENERGY DETERMINANTS – Relationship between Body, Mind and Soul:

The physical body calibrates at 200 on Dr David Hawkins' Map of Consciousness. Many people feel and believe that their body is their real self, this is not so.

Further, the brain is not the origin of the mind, as science and medicine had believed, but the other way around. The mind controls the brain. The brain is activated by the mind's intention and not vice versa. Reason, which emanates from the mind, calibrates at 400 to 499, thus controlling the brain.

What is held in mind has the power to alter brain activity and neuroanatomy. Thought is powerful because it has a high rate of vibration. We are subject to what we hold in mind. Errors in belief bring about energy flow blockages.

Superimposed around the physical body is an energy body whose form is very much like that of the physical body and whose patterns actually control the physical body. This control is at the level of thought or intention. This superimposed energy body is one's etheric / spirit body, the template of one's physical body and home of one's mind.

The basic dictum to comprehend is that the body obeys the mind; therefore, the body tends to manifest what the mind believes. Illness is generated in the physical body by erroneous held beliefs within one's mind.

It is the energy level of love that steadily brings about a release from erroneous and harmful man-made emotions and beliefs. The energy level of love calibrates at 500 and higher. One's soul is connected by cords of light to one's spirit body. One's soul is the home of one's personality, natural intelligence and memory, it is our real self.

One's soul is always perfect and is made of the energy substance called natural love. It is by growing one's level of love does one enable sufficient energy to flow through one's chakras of the spirit body and subsequently into one's physical body that erroneous and injurious beliefs are dissolved and the potentiality for health of the physical body to become permanently repaired a possibility.

On the Map of Consciousness (MoC), the **charkas** calibrate as follows:

Crown	600	7 th chakra
Third Eye	525	6 th chakra
Throat	350	5 th chakra
Heart	505	4 th chakra
Solar Plexus	275	3 rd chakra
Sacral or Spleen	275	2 nd chakra
Base or Root Chakra	200	1 st chakra

Feeling Healing with the greatest infusion of Love is the easiest way for one to transcend levels of emotions, that is, to evolve, is to long for, pray for, and ask for our Mother and Father's Love, Divine Love, being a light golden blue energy substance. Try the experiment.

MAN WITHOUT or WITH a SOUL!

Man without a soul is likened to a puppy dog!

The human body (without a soul) calibrates at 200 on Dr David R Hawkins' Map of Consciousness. Domestic animals also calibrate from 200 to 250 on this scale. Without a soul, a human body is incapable of rational thought, speech, or anything human.

The real you is your soul! With the infusion of one's soul connecting by cords of light with one's spirit body, which is the template for the physical body, comes one's personality, natural intelligence, memory, and all things human.

Our brain is simply a transceiver of communications from one's mind. The mind is housed within one's spirit body. The thinkingness is done within the spirit body mind. What is held in mind subsequently manifests within the physical body. The functionality of reason calibrates between 400 and 499, thus overriding the physical body as it calibrates around 200 only.

The natural love based soul endeavours to guide the mind (love calibrates at 500 and above). During our physical life, we encrust our soul with emotional injuries and erroneous beliefs thus impeding and frustrating the flow of loving energies from the soul to the spirit body mind, and subsequently the physical body.

It is the love energy of the soul that brings about health of the physical body and a bounteous and blessed life in the physical world.

There is nothing of the divine within our natural love soul, however, should we long for, pray for, ask for, and receive our Heavenly Parents' Love, the Divine Love of our Mother and Father, then we slowly and progressively blend our natural love with that which is Divine, Divine Love. It is this ultimate high-octane super fuel that changes our soul from that which is mortal to that which is immortal and with Feeling Healing, become fitted for the Celestial Heaven; this is the process of being born again!

If you ask for the Divine Love to enter your soul it will be 10 or 100 times more efficient, 10 or 100 times stronger than if you would let the natural love flow through your soul. So it will help to break down "the wall" you've created around your soul 10 or 100 times faster than the natural love would do.

Feeling Healing process with this ultimate high-octane super fuel is what dissolves the encrustments of errors and false beliefs around the soul, enabling penetration of loving energies throughout the spirit body, and into the physical body, bringing about health and vibrancy to life.

Note: Following the writings of James Moncrief, one could consider that any reference to the Father, by other relevant writers, may be read as a reference to 'our Mother and Father'. Further, when considering soul healing, then reference to Divine Love could be referred to as 'Feeling Healing with Divine Love'.

**DIVINE LOVE does not TRANSFORM one's SOUL
FEELING HEALING is what TRANSFORMS one's SOUL**

The Divine Love does transform our soul from Natural love into Divine Love. It's our Feeling Healing that 'transforms' or heals our erroneous expression of Natural love. We have to 'heal' and so perfect our Natural love, so it can then be transformed by the Divine Love.

Divine Love does not even begin the real work of transforming one's soul, for those who focus upon receiving Divine Love to the exclusion of embracing one's Feeling Healing, they are just expanding their mind's control over themselves. Should this be one's passion, then upon passing into the spirit Mansion Worlds they will find that they can continue along this path all from within the Divine Love followers segment within the first natural love Mansion World! Yes, only from within the first natural love Mansion World.

Most of humanity on Earth are not wanting to face the very truth their feelings are making them feel every day of their life. So if they want to keep living in the spirit Mansion Worlds as they did on Earth, in complete denial of their feelings and the truth they are to shown about their wrongness, they can.

However, for those who have embraced Divine Love and begin to engage in their Feeling Healing process to begin the transformation of their soul, they will be able to sense the Divine Love already within their soul 'driving them on'. One's understanding and adjusting will be changing rapidly to that of embracing all about the Healing and doing it – all being supported by the Divine Love that one may have received previously. All one may have done with the Divine Love may make their introduction into their real Healing, by using their feelings, much easier than it is for other spirits from the mind worlds who are at the same time having to wrestle with many of their old religious beliefs or mental programming, having to take on a whole new mind-set which one could see would take some of them years, whereas for someone who has been longing for and receiving Divine Love for some time it may be only a matter of weeks. This also applies to those living in the physical.

It is the Feeling Healing process that transforms one's soul towards perfection, towards the ability to fully express one's true personality as given to us by our Heavenly Parents, it is the Divine Love that then fits that transformed soul to be able to enter the Celestial Heavens.

TELEVISION and COMPUTER GAMES:

P.230 Power vs Force by David R Hawkins

While the young are being programmed by specialised TV and computer games that glorify violence, their parents are being brainwashed by adult media. Kinesiographical testing showed a fairly typical TV serial caused test subjects to go weak 113 times during a single episode. Each of these weakening events suppressed the observer's immune system; each weakening reflected an insult to the viewer's central as well as autonomic nervous system. Invariably accompanying each of these 113 disruptions of the acupuncture system were suppressions of the thymus gland; each insult also resulted in damage to the brain's delicate neurohormonal and neurotransmitter systems. Each negative input brought the watcher close to eventual sickness and to imminent depression – now the world's most prevalent illness.

Subtle grades of depression kill more people than all other diseases of mankind combined. There is no antidepressant that will cure a depression which is spiritually based, because the malaise does not originate from brain dysfunction but from an accurate response to the desecration of life. The body is the reflection of the spirit in its physical expression, and its problems are the dramatisation of the struggles of the spirit which gives it life. A belief that we ascribe to "out there" has its effect "in here". Everyone dies by his own hand. That is a hard clinical fact, not a moral view.

What makes the endless television programs, which are concerned with mayhem and its various forms, so attractive? It is because what is being acted out on the screen, where it is safe, are all the forbidden unconscious fantasies in our own psyche. Once we are willing to look at the same movies on the TV screen of our own minds and see whence they really originate, the attraction of such "entertainment" disappears. People who have acknowledged the content of their own shadow have no interest in crime, violence, and fearful disasters. Negative forms of entertainment typically shut down one's immune system for around 24 hours – or longer! TV is a serious health hazard!

Sustained and chronic fear gradually suppresses the body's immune system. Fear is what blinds us to the real dangers of life. In fact, fear itself is the greatest danger that the human body faces. It is fear and guilt that bring about disease and failure in every area of our lives.

We could take the same protective actions out of love rather than out of fear. It is Love that protects us. It is natural love that we are endowed with, being the energy substance that is our soul. It is love energy of the soul that heals our physical body. Should we long for, ask for, and receive Divine Love, then the imperfections enveloping our soul are progressively dissolved and our capacity to heal ourselves is greatly enhanced. It is when we are within a loving environment that one's immune system is activated and strengthened.

Dr DAVID R HAWKINS:

David Ramon Hawkins, M.D. (born June 3, 1927, died 19 September 2012) is an American psychiatrist, mystic, author and controversial spiritual teacher in Sedona, Arizona. He is best known for his book *Power vs. Force*, in which he writes that applied kinesiology can distinguish the truth or falsity of any statement. He directs the non-profit Institute for Advanced Spiritual Research Inc. and operates Veritas Publishing to publish his books and seminars.

“Make a gift of your life and lift all mankind by being kind, considerate, forgiving, and compassionate at all times, in all places, and under all conditions, with everyone as well as yourself. This is the greatest gift anyone can give.”

“Every thought, action, decision or feeling creates an eddy in the interlocking, interbalancing, ever-moving energy fields of life, leaving a permanent record for all of time. This realization can be intimidating when it first dawns on us, but it becomes a springboard for rapid evolution.”

“The downside of spiritual education is the build-up of the vanity of 'I know' and the devaluation of people who are 'not spiritual'. Therefore it is important as a foundation to spiritual training and education to learn how consciousness manifests as the ego and its mechanisms.”

“It is only the minority of people who seek self-improvement or personal growth. This is because whatever one's self-criticisms, one secretly really believes that one's way of being is okay and probably the only correct one. They are alright as they are, and all problems are caused by other people's selfishness, unfairness, and by the external world.”

Saturday, 5 August 2017: Nanna Beth: David Hawkins is living in the mind worlds, so I am told, and would be of no benefit to you John. His legacy is again one of those things that sits well with you, that you enjoy and can relate to and use as you do. And really it is now for humanity to use what is available to it having come from the mind worlds, because there won't be anything further coming through from them. Now it will be up to the natural inspiration of the individual on Earth, and those who are working with us, those people who want to do their Healing. The ways of the Rebellion and Default are to die, to fade away, however this will happen gradually as people of it still try to advance themselves, their lives and humanity in their wrongness, but the next real new inspiration will come from those who embrace the New Way.

Everything is interconnected.

Whilst we are receiving our Heavenly Parents' Divine Love, and that this Love is causing change within our soul and spirit attributes, the greatest Truth known to man and spirit is that this is the way our Mother and Father are actually loving us! When we progress, it is God's way of loving us into love and then we live what we are, love.

MUSINGS by JOHN:

Thursday, 28 September, 2017

Kevin died on 10 August 2012 without any thought for spirituality and no passion for any religion, other than showing up. On 7 August 2017, he arrived into the 1st Celestial Heaven. Three days short of 5 years!!! He had met his soulmate, Kathaleen, and she arrived a few weeks before him into the first Celestial Heaven, as you may have read.

The writings that followed from Kevin are outstanding. Kevin is now a world teacher!!! He and Kathaleen both are. Neither would comprehend this, but they are. Kathaleen and Kevin's writings answers and leads anyone to the destination we are to find, in our own time.

I would like to contrast this achievement with someone I greatly respect.

David Ramon Hawkins, M.D. (born June 3, 1927, died 19 September 2012) was an American psychiatrist, mystic, author and controversial spiritual teacher in Sedona, Arizona. He is best known for his book *Power vs. Force*, I have read everything I can about his works – 10 books, plus videos, etc. Miracles happened around him spontaneously. The Catholic Church would make him a saint within seconds.

Hmm – Dr David Hawkins has stayed trapped in his mind and may remain in the mind spirit Mansion World for centuries, unless he embraces his feelings. He will remain stagnant and limited in his mind condition. Whereas Kevin is now a far greater and truer teacher than this great mind of Dr Hawkins. What a switch in roles! Kevin has progressed exponentially past Dr Hawkins in soul development. Go you good things, Kev and Kath.

Cheers John

Same day: Dr David Hawkins: Hello John. I have been asked to speak to you through James in this way, you being one of my ardent fans and followers of the principles I developed through my life on Earth.

Your assessment of me is correct, and I did spend time in the mind worlds trying to assimilate all that I did on Earth with all that was happening to me in my new spirit life.

Upon my arrival over here in the first Mansion World I was greeted as something of a spiritual celebrity with a host of mind spirits (as James calls them) greeting me, they being the ones who 'empowered' me to do the so-called miracles I did on Earth.

I want to tell you, it's quite a humbling experience to realise, like many of us who did such marvellous things on Earth, that it wasn't actually our own doing, we were not the sole instigator of such 'happenings', that it was other spirits working through us. And that although I attributed it to God, still I secretly thought it was all my own incredible doing, so to have to accept that I was just a conduit – that I really was, and having little more than an innate ability to be that conduit, I felt a bit flat.

And to bolster my flagging ego, I would tune into those people on Earth who were still thinking well of me, yourself John being one such person. And here again, by doing this, I gave myself a rude shock having to face the fact and realise that few people truly understood what I was teaching, taking my work and corrupting it for their own gain. And believe it or not, I never thought such a thing would happen. So, who of my 'earthly followers' was staying true to what I taught – who actually got it?

And I kept coming back to you as one of these people John. Admittedly, had I helped you personally, you'd have had an even greater understanding and appreciation of my work, however you accept it as is and haven't corrupted it, and have guided other people to be interested in it. So I have followed you over the years in this, which meant I also took notice of what you were doing in your other spiritual interests, some of which were vastly different to anything I'd ever heard about, or found out about over here in my limited little mind world.

And I write such things in the past tense because I am very happy to say, all of which I am so grateful to you for John, that I have now progressed into the lowest sector of the Divine Love on the first Mansion World. I am learning all about it, and about the Healing, all under the incredibly patient and loving assistance of higher Celestial spirits, like those who wanted me to speak with you today.

So you can chalk me up as one of your admirers, and a mind spirit who has converted to the 'Ways of the Divine Love'. I still have a lot more to understand, this is true, and as it's so different to my earthly and mind spirit way of thinking, will take time to integrate into my way of thinking – which means, to change my way of thinking into a completely new way.

That is all I wanted to say. And although you might think that my coming is rather inconvenient with you having just written about me again, however here I am and this is what I want to say.

All the best to you John. You have no idea how grateful I am to you, and I have a strong pleasant feeling that that gratitude is only going to increase.

Yours respectfully,
Dr. David Hawkins

(James: As I was reading your comparison of the Doctor with K and K, I started to feel the energy building... oh here we go again... he's wanting to speak to me!)

Friday, 29 September 2017: Dear James and John (Noted from Samantha in England)

To be 'used' so fully by Mind Spirits, to create all he (Dr David) did under their influence, all so cunning, that must have felt quite devastating to him and I am feeling a lot of sadness, emptiness and let down with in myself as I understand how it feels to learn that my whole life has not been my own but that of my parents, their will, control and untruth and I have felt feelings of it all being such a waste of my experience being like that, a waste of the personality God created me to be. I am very sad as Dr David Hawkins realised how 'used' he has been, being a conduit for the Mind Spirits, I feel like that too, used by my parents to be as they wanted me to be instead of nurturing me to be myself and help develop the personality God gifted me.

I (Sam) bought 'Letting Go – the pathway of Surrender' by Dr Hawkins and I was very up with all of his feeling work but then felt the change in me with the mind dominant aspect of Dr Hawkins work, it was that I wasn't drawn to and felt myself draw back from it but now he can go on from what he already knows, go further into the feeling aspect of what he discovered and I am sure he will get so much support in that from the Divine Love spirits that are guided to help him. Isn't that just so wonderful John, to have that help, like you have in Kevin and Kathaleen.

**Feeling
Healing with
Divine Love is
the key!**

CONCLUSION:

David Hawkins' own story explains that the 'Letting Go' process is inadequate. The 'Letting Go' publication and process is his own research. Pure and simple; Dr David was knocking on the door, but that process was unable to open the door.

Again, his own story now endorses the Feeling Healing process!

This leaves no doubt as to the veracity of what Marion and James and Samantha are doing. It is THE ONLY WAY! The only way being the Feeling Healing process coupled with Divine Love.

This clears away confusion for many people who may explore everything. Other emotional processing and releasing modalities simply do not delve far enough into one's injuries and errors of belief. Yes, they provide some temporary relief, but none of them go beyond the mind and into the soul to the core and foundation of our injuries, all of which stem from our childhood upbringing.

Dr David Hawkins has now clearly put aside his own teachings and confirmed that his and all other modalities are inadequate.

Now, we all can focus upon the only way home!

FEELING HEALING with DIVINE LOVE is SOUL HEALING:

**Firstly, consider discovering the truth of your emotional pain through Feeling Healing.
Secondly, consider longing for our Heavenly Parents' Love as you progress with your healing.
Primary and most important readings are the writings of James Moncrief.
Then consider the Padgett Messages, and then The Urantia Book.**

Release one's pain through expressing one's feelings.

FEELING HEALING with the SUBSTANCE of The LOVE brings about PHYSICAL HEALTH:

December 5, 2003

<http://new-birth.net/contemporary-messages/messages-sorted-year/messages-2003/millions-of-souls-millions-of-paths-ks-5-dec-2003/>

"When you know that you are souls with a spiritual body and a physical body, and that these two bodies reflect the condition of your soul, then how can there be any question about which part of your being is the most important?"

"If you want to be well and healthy, happy and strong, then you must see that it is important for you to get your souls into the highest and best condition possible." Apostle Peter

In the same way we will go about achieving our very personal and valued goals so will we go about creating harmony within our communities and peace worldwide.

"The opening up of the soul permits a permanent exchange with Divinity, a permanent recharge of this healing energy that allows not only the re-establishment of lost health, but the continuity of health, providing such a perfect balance, even in the physical body, that noxious agents like bacteria and virus cannot find any opportunity to unchain pathological reactions, which we commonly call illness.

"But it is true that people without the benefit of Divine Love would lack the protective shield, which the intrinsic healing energies of Divine Love provide for those who pray for our Heavenly Father's Grace." Judas – August 19th, 2001

Divine Love is the Great Gift that God desires to give to the heart-soul that asks, yearns and seeks for It. It is unconditional Love *conditionally* given that requires no preparation. It is conditional only because Divine Love cannot and will not be given to any person without that person first asking and yearning for It.

We Inherit our Emotional Errors from the Environment around us during Childhood:

We are to build but one temple. The Temple of the Living God is the blending of the greater (Divine Love) with the lesser (natural love) through which the lesser becomes one with the greater. The impurity was caused by the separation of the lesser from the greater. The purity is caused by their union, so that no longer is there a greater and a lesser but just the one good, whole, pure air of at-onement. When you let the Love of the Father pour through you to all things, nothing fears you and no harm can befall you. It is separation from the Source Soul, Father, which has caused sin / error, sickness, poverty, and death. It is union with the Creator, Father that causes one to become a whole Being or to become conscious of being whole.

HEALTH and HARMONY of the BODIES:

Man suffers from evil and error and disease.

First arises the necessity of understanding how, and by what means these things came into existence, and then it will become easier for the understanding of the means and the way by which they may be eliminated from the life and apparent nature of mankind.

These things, foreign to God's creation, were created by man alone in the excessive and unlawful exercise of his will power in following out the suggestions and desires of his animal appetites, which unduly asserted themselves when man lost a part of his spirituality by his disobedience. Man must understand that these excrescences (morbid outgrowths) to his perfect creation are real and existing, and result in his own damnation and alienation from the good, and are antagonistic to his original and natural condition of perfection – and that they cannot be swept out of existence by the mere assertion that they are not real.

Man must understand that they are the creatures primarily of the inordinate exercise of the animal appetites and desires, and not of the exercise of the mind, and that they are to be eradicated by the same process in reverse order as was used in their creation. The purity of his true being is always besmirched (soiled) by the impurities of his own artificial being, and always will be, until he eliminates these impurities which, as to him and to his fellow man, are real, persistent existences.

As sin and evil are not the creatures of the spiritual desires, but wholly of the animal, then to eradicate from man's being these things of evil and sin, the efforts of man must be directed towards the supplanting of the unlawful and inharmonious animal desires and appetites, by appetites and desires arising from the same source that is in harmony with the laws creating this very source.

The loss of the spiritual aspiration, or the perversion of the animal appetites, similarly causes man to become out of harmony with our Mother and Father's laws. Man in order to become free from these foreign parts of his being, must strive, not by a denial of their reality, but by the effort to supplant them. Man is a creator as well as a creature, and as these things are the creatures of man alone, then so far as the being of man is involved, they have a reality which will persist until their creator – man – has destroyed them. Jesus 9 July 1916

Only by man longing for, asking for, and receiving the Love of God and longing for the truth of his emotional errors will man be assisted and be able to remove that which is disharmonious to his bodies and rid that which is in error and sinful and disease from his bodies.

Harmony within one's soul brings about harmony in one's bodies and a healthy body. Feeling Healing with the receipt of God's Love, Divine Love, slowly but steadily brings about health to the physical body.

MEDICAL ADVISORY COMMITTEE:

The medical advisory committee has a number of functions:

- a. Provide advise to the administration of the complex.
- b. Set the levels for ethics and skills.
- c. Endorse medical providers to use the facility and reject those who do not possess the standards set by the medical advisory committee.
- d. Advise on the equipment and physical assets required to enable the medical teams to function at the level set by the committee and the administration.
- e. Assist in ensuring that all proposed medical services are provided and at the highest possible standard.

A representative would be appointed from each department and the appointees then elect their chairman. A Leader will act as liaison officer between the committee and administration.

HOSPITAL PROFESSIONAL MEDICAL TEAMS:

Briefing notes by a leading Medical Specialist who acts as liaison officer and is instrumental in establishment of various medical advisory committees consisting of 12 to 22 members:

The team concept as per these headings for a Hospital & Clinic goes like this:

NEUROSURGERY:

A neurosurgical team includes neurosurgeons capable of dealing with intracranial, spinal and peripheral neurological disorders. They are supported by neurophysicians for diagnostic work as well as radiologists and various therapists who are involved post-operatively. A neurosurgical team also requires that there be nursing staff with expertise in the management of neurosurgical cases.

EARS, NOSE & THROAT – ENT:

In addition to orthodox ENT surgeons there is a need for an endoscopic sinus surgeon, laser surgeon, head and neck surgeon, along with support and speech pathologists, speech therapists, radiologists, etcetera.

UROLOGY:

Surgeons and urologists co-operate most frequently in the discipline of urology. A urologist with paediatric experience or a paediatric surgeon with urological experience is also essential as well as support physiotherapists etcetera.

ORTHOPAEDIC:

General orthopaedic surgeons would be needed plus arthroscopy experts, hand surgeons, microsurgeons, trauma surgeons. Physiotherapy and orthopaedic surgery can't survive without each other.

TRAUMA SURGERY:

Trauma surgery is a special consideration as the Hospital will have a busy accident and emergency department so there needs to be readily available general surgeon with trauma experience; orthopaedists, neurosurgeons, etc, twenty-four hours a day to back up the Accident and Emergency (A & E) department and with the ability to call in other surgical disciplines as required for example, ophthalmic, plastic, etcetera.

GYNAECOLOGY:

Gynaecological surgery is now split into general gynaecology, cancer surgery, endoscopic surgery, colposcopic and laser surgery. Either way, the hospital will require several experts or gynaecologists with multiple expertise.

IN-VITRO FERTILISATION – IVF:

There is no mention of IVF in the projected work areas and this may well be of consideration for Pascas Health Sanctuary. For IVF there is need in addition to endoscopic surgical expertise, a dedicated laboratory support team for efficient function as well as support counsellors, etcetera.

Radiology / ultrasound are an integral part of gynaecological services these days.

GENERAL SURGERY:

General surgeons have split their expertise so there are now colorectal surgeons, breast and endocrine surgeons, vascular surgeons, endoscopic surgeons, and so on. Their teams include radiology / ultrasound, alimentary tract endoscopists, endocrinologists, pathologists, physiotherapists, etcetera.

Paediatric surgery is a highly specialised area which encompasses endoscopic surgery as well as plastic surgery and requires special theatre facilities and post-operative care teams.

OPHTHALMIC SURGERY:

Eye surgeons now specialise in the anterior and posterior chamber of the eye, plastic and reparative / corrective surgery, laser surgery, lens extraction and implants, and work on a mix of day case and inpatient care. They require orthoptists and trained ophthalmic nursing staff as part of their team.

DENTAL and FACIOMAXILLARY SURGEONS:

They work in the same area and need radiological, pathology and physiotherapy support. General Dental is equally as important as Special Dental for dentures, crowns, bridges, etc., incorporating Periodontic and Orthodontic.

PLASTIC and RECONSTRUCTIVE SURGERY:

Plastic and reconstructive surgeons include microsurgical repair teams, reconstructive surgery and head and neck surgeons who again require radiology, pathology, physiotherapy and special nursing care staff.

CARDIO THORACIC:

Cardiac by-pass surgeons need the assistance of cardiologists, radiologists, perfusionists as well as physiotherapists and highly skilled intensive care nursing personnel.

This list is not exhaustive but aims to provide an idea of the teams that are required for the various surgical units that Pascas Health Sanctuary will establish.

You will note that there are particular support disciplines common to all surgical teams – for example, radiology, anaesthetics, physiotherapy and nursing care.

For many of the surgical disciplines specialised nursing skills are required – for example, ophthalmic, orthopaedic, paediatric and so forth.

ONCOLOGY – CANCER:

When looking at the relevant cancer treating teams you add to the basic unit specialist radiotherapists as well as radiologists and these are two separate areas of expertise within the frame work of radiology, chemotherapy specialists and pathologists, counsellors and support staff and the usual management goes like this:

A patient is diagnosed with a malignancy. Pathological confirmation is obtained and the relative oncology unit usually considers the individual in committee and allocates a therapeutic management protocol for the ongoing care of the patient. For this purpose special specific discipline oncology clinics are held where follow-up is also maintained after initial treatment. These clinics are usually held on a once a week basis and there would be in attendance, for instance say for gynaecology, the patients gynaecological cancer surgeon, radiotherapist, chemotherapy specialist, support nursing staff or counsellor and pathologist.

These special discipline teams usually meet on a weekly basis where they see new cases and follow-up cases and of course function all year round.

One reason why it is important to make sure there is two of every type of surgical specialist on the staff is that there is always people away on leave or at courses and so forth, and if there is only one person then everything grinds to a halt during their absence, whereas if with at least two then these clinic service go on irrespective.

A Cancer Clinic complex consists of facilities to service the **20 sub-clinics** that make up an **Oncology Unit**.

Cancer management is considered to be more effective when given by a multidisciplinary team, with one member (streamer) of the team acting as a point of reference for the patient.

CARDIO THORACIC CLINIC:

Similarly with heart disease patients, the diagnosis involves triage by clinical history and examination, stress test, angiography and perhaps nuclear medicine, and then a committee of the cardiology clinic may allocate individuals to different therapeutic programs – for example, angioplasty or CABG surgery or palliation only, etcetera.

Within the cardiology clinic there will therefore need to be cardiologists, interventional cardiologists, radiologists, cardiac surgeons, as well as anaesthetists with specialised skills and perfusionists, physiotherapists, dieticians, psychologists, etcetera.

Cardiac surgery is a superspecialty service. Superspecialty services are defined as those which cater for relatively rare diseases or provide unusually lengthy or costly forms of treatment.

It seems unlikely that a cardiac surgery unit could provide a cost-effective service with caseloads of less than 200 – 300 a year. Optimal patient outcomes are associated with caseloads of 900 or more a year. Optimal performance at institutions with low caseloads (under 400 a year) can be achieved through relationship with a larger institution, involving consultation, and rotation of surgical, anaesthetic, technical and nursing staff.

ADULT CARDIAC SURGERY

Current technologies in adult cardiac surgery include:

- Coronary artery bypass grafting (CABG);
- Valve surgery;
- Insertion of pacemakers; and
- Operations on the aorta, electrophysiology surgery, surgery for cardiac tumours and trauma, and pericardiectomy related to infectious disease.

ADULT INTERVENTIONAL CARDIOLOGY

Some forms of coronary artery and valve disease can now be treated without open surgery, by means of catheter-based techniques including:

- Percutaneous transluminal coronary angioplasty (PTCA);
- Valvuloplasty;
- Stenting;
- Atherectomy; and
- Laser angioplasty.

ADULT ELECTROPHYSIOLOGY

Electrophysiology is primarily concerned with the management of cardiac arrhythmias through:

- Pacemakers (some insertions performed in cardiac surgery units);
- Anti-tachycardia devices;
- Electrophysiology surgery;
- Anti-arrhythmia drugs;
- Radiofrequency catheter ablation; and
- Implantable cardiac defibrillators.

HEALING PROPERTIES of SUBSTANCES

Sunday, 25 March 2018:

Verna and Nanna Beth talk to Graeme

Graeme: Good morning James

I've been a huge lover of nature, from a very young age, and about ten years ago my former partner, Christiana, invited me to join her in making a range of 88 Flower Essences under the name: One Garden Divine Flower and Nature Essences. She led the venture as she was able to intuit the "healing" properties of the various flowers and under her guidance (and perhaps her Guides) we made the range of One Garden Essences.

Initially we thought they had "physical" healing properties (like the Dr Bach flower essences) but subsequently we were told that they were vibrational healing tools and assisted in "opening" our emotions so we could more easily process the suppressed childhood feelings locked in our soul.

I still do not fully understand how they work and was wondering if this is a topic that you could ask Nanna Beth.

Till next time we chat, sending my love, Graeme

Verna (a nature spirit): Good day to you Graeme, my friend. It's about time I was 'allowed' to speak again, so if you don't mind, I am going to make the most of it. Now first of all, your love of nature – anyone's true love of nature, and not saying they love nature whilst still doing bad things to it – will assist you in embracing your feelings with the intention of looking to them for the truth they contain, just as will working with the 'essences of nature', that which you captured in the flower essences. Do you know, any part of nature, from a bland old mineral or rock to a newly emerging flower can have its essence 'captured', there are ways, many already known, as to how to go about that, and others as yet, unknown.

When you eat food, drink water, smell nature's fragrances, you're doing the same thing – imbibing the essence of that specific part of nature. And if you could only see the true vibration, the spirit component to these physical parts of nature (including yourself), then you'd be able to see how indeed they do subtly affect you, and on all levels, from the deepest will to the gross physical and all in between. So if one's approach is to use one's feelings to further deny oneself, to move deeper into one's rebellion and default, then flower essences and essences of anything else, all of nature, can be used to help you do that, that which humanity has been doing for these past 200,000 years.

And consequently, should one wish to go the other way, looking to their feelings to heal themselves of their wrongness, then all such things can be used to help you with your Healing. And so how do they help – how do the flower essences specially help you? And the answer to that is a little more complicated, however I will try and apply my mind to reveal to you a little more about our hidden world.

So, let us begin at the true source: your soul. As you understand, your soul drives everything that you are – you being the personality focus of your soul currently in the physical. However you are also your soul as much as you are your personality, the two can't and aren't separate. Right, so you get that part, so your soul is bringing – expressing you in Creation; okay, so whatever your soul wants your soul creates. So let's say your soul requires the help of a flower essence to subtly affect some part of your unseen auric system, by adding its vibration to your existing vibration, all of which will bring about an effect desired by the soul. That being, one that will help you become more evil or less, as I said above.

Okay, that's simple enough. So, let's say it's important, so far as your soul is concerned, it being the next part in your life – soul growth, and assuming you are wanting to Heal yourself using your feelings – for you to bring up some more repressed anger that is contained within it from your early childhood – let's say; just a really pissed off feeling you felt at your father when he was treating you badly, in this case, nothing specific, just all the indignation and fucked off feelings and a being really angry with him feeling, which you felt yet weren't allowed to express at the time.

And because you are 'into' flower essences, your soul leading you that way, so your soul will use all that's in your life currently, it having made it that way, to help you liberate this anger.

Now you take the drops of a certain flower essence you are 'drawn to', and when taking them it's far better to take them using your feelings, so you take that one because you feel drawn to it and you take that many drops because you feel like taking that many drops, trying to avoid all this take ten drops at three hourly interval stuff, that's all too mind controlling. So like everything ideally in your life, you allow your feelings to guide you when you can, so you take only one drop and your feelings say that's enough. You put the dropper back in screwing the lid on and then suddenly you feel like another drop, and when you're dropping that drop on your tongue, you feel like another drop... then another... then you wait, no more, that's enough. And then a half hour later, I think I'll take another drop, no five drops, and so go.

And if the flower essence is made the right way, you can't damage yourself with them, so you use a base that is neutral for your body and one which itself won't affect you – natural pure spring or rain water being the best.

And as to how long does an essence such as this remain 'potent', well that too is a feeling thing, it remains potent for as long as you feel it is. So you see, you can't be too finicky with your feelings, because for some people it might be a very complex operation, something they are refining to perfection through their feelings, for other people, slap dash, don't really care, take a few squirts, she'll be right, all of which is right for them. However both ways might change as one works deeper into the truth of one's feelings.

Now, the soul sort of issues instructions all the time via light coming out from it into life – Creation. And we and your angels, along with your Indwelling Spirit, can see this light. The angels are far more advanced in this than we mere nature spirits are, however what we're limited to is compensated for by your angels being able to tell us what we need to do, and they tell us in a flash of light, you'd not be able to see it, none of this laborious having to speak words. And it's even faster than your mind circuits work, your telepathy is as laborious as your word-speaking so far as we're concerned, for our 'mind-talk' is so fast you'd not even perceive it happening, and yet it's still laborious compared to how fast your soul is at expressing all the light within your aura that it needs to express.

So we are all attuned to your soul, what it wants done in your aura, which includes your physical. And mostly so far as your physical is concerned, we alter under your soul's instructions, things in your aura, your subtle system, which then affects your physical – short or long term. Understand that in certain circumstances, we – being your angels – can directly affect your physical, but mostly it's all done from the deepest will level out through all your subtle systems and spirit body.

So, back to your leg and the anger that's going to come up through it. You're sitting on the couch having a moment of reflection, things are going through your mind that you're half aware of, you suddenly feel

like having a swig of a certain flower essences, perhaps one drop or many. And you don't feel anything further. Then you talk on the phone about something, you get up and have a drink of something from the fridge as you feel a bit thirsty, and then you sit back down and start feeling edgy, uncomfortable and out of sorts enough to draw your attention to the bad feeling. And then by focusing on it you realise you feel irritable, and then angry, and the pressure within you builds to the point where you want to speak out the anger you feel. So let's say you're by yourself, so you open your mouth and start to growl angrily, and submit to the feelings trying to just let yourself feel as angry as you feel, growling and feeling angrier and angrier, and you long for the truth of your anger, and then pictures come into your mind about how fucked off you feel with your father, and then you realise your left leg is full of anger that seems to be coming up from the sole of your foot, up the leg, right up and out of your head as you growl it out. So what's been going on?

Your soul wants this anger out of you, it's the next phase of anger expression you are to experience, it helping to relieve you of more repressed anger and at the same time helping you see more truth about why you are feeling so angry. And so your soul has initiated light into your aura on all levels making this experience happen. And you being mostly oblivious to this, just carry on doing what you do, and then your angels take their instructions and 'energise' the levels of your aura to make the anger 'physically' work its way up through your system. The angels make 'light adjustments' – adjustments using spirit light – in your system to allow this anger to make it's way out of you by you feeling it coming up through your leg. The repressed anger, as light contained in your soul, moves through your will levels, then your will activates it to move up your leg with your angels helping to adjust your system where needed. And your system needs continual adjustments, your soul does it all with light, but your angels do all the hands on stuff as determined by your soul. So your angels are always tinkering within your aura.

Sometimes they can do one adjustment with a lot of light and that will set you up for a day, week, month or even years of what you will need, this happening when you're more settled into your wrongness and it's all pretty obvious where your life is going on the subtle levels, so your angels don't have that much to do other than just keep monitoring your soul in case other instructions are forthcoming. But if you're actively doing your Healing, well your angels don't get a moments peace – which they love, by the way, angels want to always be active, the more active the better, they find it very trying when you are stable and going against yourself, but when your are wanting to work with your feelings and grow in the truth they'll help you reveal to yourself, well they are in heaven, it's what they've been made to do so far as helping you goes and they can't get enough of it.

So your angels are adding and subtracting light from your auric systems as fast as your soul is shinning more light into it. And along the way, all you are doing is, used, it's all part of it, so if you use a flower essence, it will be used, it will stimulate a certain vibratory reaction on varying levels within your unseen system, with your angels incorporating it, using it, adjusting it – modifying it, possibly toning it down or amplifying it, and so it goes with all your food, all you do, see, sense, all you are, all the time being a symphony of light, constantly in change, even though you might feel at peace resting on the couch one moment, then suddenly, seeming out of nowhere and for no reason, anger is coming up your leg and you're feeling so fucking pissed off that you can't believe how angry you do feel.

So as you can see, it's all very complex, you don't have, and can't have, any idea just how much is going on within you all the time, all so you will feel what you need to feel, so those feelings will lead you to the truth you are to see and then live. And with your mind playing along doing its bit, to help stimulate, change or deny feelings in keeping with the beliefs and behaviours you established through your forming years.

So you might ask: well are things like flower essences actually necessary? And simply, they are if you want them to be part of your life, they aren't if you don't. Which is how all your life is. With some people being drawn to such things, and possibly only for a season, others with no feeling of interest and a few wanting to dedicate their life's work to it. And as you understand, whatever your involvement with anything in life, it's going to be vastly different should you want to live true to your feelings, than living by being untrue to them. And by living true, as you are going to be changing a lot, so you will change a lot in your relationship with all that you do in your life. And so it will be the same should you want to work specifically with the flower essences.

In time there will be people who are doing their Healing and who'll be more in tune with us nature spirits, working directly with the essences of nature, understanding that it's all a vibrational thing and something that can be used as an adjunct to your Healing or just as part of your Healing life. The essences are not meant to be medicines as such, however they can work powerfully in conjunction with what your angels are doing within you. And to always bear in mind, that it's your angels that will be working the wonders within you, not anything else, with the other things like flower essences being something the angels work with, because it's all part of your current life experience as determined by your soul.

And in time, people will just intuitively feel, or even by speaking directly with us nature spirits, how to grow plants lovingly and truly based on the truth they are revealing through their Healing, all so as to maximise the benefits the plants offer you, either through direct ingestion, or like using the flower essences or other ways still to be discovered. Your relationship with nature is about five percent of what it could be. Even those people working with spirits and nature spirits are doing so on the mind levels or the lower Mansion World and Earth plane levels, so you've got a long way to go, all the Mansion World levels then into the Celestial levels to increase your relationship with nature. And like as with everything, some people will be more drawn to one specific area or another, some generally taking bits of it all, others not interested much in nature preferring to get on with being fully interested in themselves – their own feelings. But overall, everyone contributes to society by expressing their truth, and as the truth increases within people, so does the overall level of society, so society grows in truth reflective of all who comprise it.

So to summarise, such things need to be looked at in a truly holistic level (or you could say, a 'soulistic level') so that they can be used in conjunction with your Healing. You can in theory, look ONLY to your feelings for the truth they are to show you, not needing any other healing help. And there will be people more wanting to live this way, however because you need life to stimulate your feelings, so you will be drawn to certain things, some to do with nature, others to do with people and others with everything else, all to help stimulate that which you'll need to give rise to the feelings your soul wants you to express.

Graeme, you might find the flower essences are helping you enjoy and love and expand your relationship with nature more, which gives rise to feelings that help you expand your relationship with yourself. You might use the essences to help stimulate your emotions and feelings as you want to live that way, and so they will be used to help you in that capacity. And you can express your feelings, longing for the truth of

them, telling your Mother and Father what you want – whatever you feel, with the flower essences helping you on the subtle levels.

I hope I've not confused you too much. Please ask me about anything if you don't understand. I have wanted to try and give you a bigger picture so you can draw from it the essence of what you need from it. It's all there, contained in each feeling, because each feeling expresses more truth – the truth of why you're feeling it, that which is what you are to find and then live.

Love Verna.

Nanna Beth (3rd Celestial sphere): What Verna is wanting to help you understand is that there's so much going on within you on all levels, that trying to use your mind to work it all out in the hope that it will help you, is all but futile, as you never will, not until you at least attain Paradise, and even then that's only one phase.

Too many people, Graeme, approach everything through the mind, wanting to dissect it in the misguided belief that it will help them. When what helps you is trying to **stay true to your feelings, expressing them whilst longing for their truth**. And we keep stressing this to keep bringing you back to the simplicity of it, and it's something the mind can't really deal with, it having been programmed to be the controller and master of understanding. But to keep looking only to your feelings is all that's needed without needing to go into the mind side of things unless it's where your feelings lead you to.

James uses his mind for this work, but that's about it, the rest he's trying to look more to his feelings, easing the control of his mind. And **feelings, once you start allowing them to have their say, are far more interesting than anything the mind might be**. You can use your imagination to fantasise about all sorts of things, and some people consume their whole life with such indulgence, however **when you start living more closely to your feelings, your feelings might not be so varied, however when and how you feel them, and what they lead you into seeing about yourself and life, will be far more fascinating than anything your mind could conjure up**.

There is never going to be a remedy that people can take that will heal themselves on any level. **The remedy is the truth we're revealing to you about your feelings. All the rest is simply an add-on**, something as Verna said to help stimulate experiences in life, all so you can feel more feelings. So it's not to say no to doing or being interested in certain things with the mind, but rather to keep wanting to feel and become aware of the feelings that are happening along the way. You can use your mind to block out your feelings, however your feelings are still always there, so it's to try and keep them up within you and not blocked out whilst you apply your mind, is one way of trying to stay more attuned to them.

Love Nanna Beth.

HEALING PROPERTIES of SUBSTANCES continued:

John: Hello Nanna Beth,

Thank you for introducing the foundations of comprehending the contribution that Flower Essences may provide on one's journey through physical life.

May we expand this topic to consider the various roles and similarities that the following may have with one's physical well being and journey of discovery through life:

Flower Essences	
Crystals and other rare and precious stones	
Homeopathy	(minute vibrational traces as recognised by Samuel Hahemann 1700s)
Nutraceuticals	(being low concentrations of properties found in food)
Pharmaceuticals	(being high concentrations of properties found in food – to the level of toxicity)
and Food	all natural without being processed within factories.

Considering your comments relating to Flower Essences, one may need to consider just how much effect do we have in our own physical healing by engaging with any of these modalities?

Is it that what has been outlined relating to the contribution that Flower Essences have in assisting with one's physical wellbeing, are the various other modalities suggested above just variations of the same process that applies to Flower Essences, with higher levels of error within their prominence, pharmaceuticals being the most problematic generally speaking?

Would you kindly comment on each of the platforms please?

Nanna Beth, 3rd Celestial Heaven: Yes. The same applies, as you said to James, it's all what your angels have to take into consideration in accordance with the needs of your soul. If you are to die from or within your negative state, then it doesn't matter what you do along the way to try and heal yourself, your angels will be working with any alternative or regular medicine or healing modalities. And as you know from people's lives, some things work for them, others not, some even miraculously, others having no effect. It's what the individual

needs, it's all too personal, and needs to be dealt with and looked at personally. You've all had such diverse childhoods, you're extremely complex in your unloving complexities, and trying to heal yourself from the outside in is not going to do anything for you so far as healing yourself from the inside out which you do through your Healing. It's all the mind's way versus the feelings way. Any therapy or medicine or other remedies are all approaching it from the mind, let our feelings work, and use these other things as required, all so long as you keep focused on your feelings for their truth.

Assuming we are wanting to Heal ourselves using our feelings – for we are to bring up our repressed anger and emotional issues, both good and bad, that is contained within our soul, mainly from our early childhood.

As an overview, nature spirits are all attuned to the soul of a personality, and what is wanted to be done in the aura of such soul, which includes one's physical. And mostly so far as our physical is concerned, nature spirits alter under one's soul instructions, things within the aura and the subtle system, which then affects the physical – short or long term. Understand that in certain circumstances, nature spirits and angels can directly affect our physical, but mostly it's all done from the deepest will level out through all our subtle systems and spirit body.

Nanna Beth: It's mostly your angels that affect your system. The nature spirits can help them at times, but it will be all through the guidance of your angels.

Just how much effect do we have in our own healing of our physical discomforts, pains and illnesses?

Nanna Beth: It depends on what level you're looking at it from. On the highest or inner most level, you have no effect, it's all between your soul, Indwelling Spirit and angels, that any actual healing occurs. On a feelings level, you can attend to your feelings causing these agencies to react accordingly, so you have some effect, albeit indirect. On a mind level you can believe you have an effect, yet these agencies are 'allowing' you to believe what you will. And you can take a pill and your headache goes away, so believe you are fully in control of yourself – however, are you really?

Just how does our man-made conjured up systems of flower essences, crystals, homeopathy, nutraceuticals and pharmaceuticals actually contribute to the healing of one's physical body of its discomforts, pains and illnesses?

Nanna Beth: Look at it this way John, whilst you're living against your feelings, so untrue and evilly, any of these things will be used to help you go that way. So you might use them and your pain goes, but that only sucks you more into believing you are doing the right thing by helping yourself. So you might be 'healing' yourself by taking the pain away, yet you're not truly Healing yourself by allowing your repressed feelings to surface so you can uncover the truth of them. And so the angels will manipulate your system accordingly. So being wrong you might even be miraculously healed, but it's the same thing as Sage pointed out. It's how you want to live your life. It's all been one way up until now, and now an alternative and opposite way is being 'earthed'. All the parts humanity has worked out for itself, it just hasn't been able to be put all together. As Verna said, you don't need any of these 'healing' things to help you look to your feelings, you only need yourself looking to your feelings. If you are shut off to your feelings, you might need help to open up to your feelings, and anything can help you with that.

If we are looking to physical means to heal our body, then to what extent is the quality of food important to the process of physical healing?

Nanna Beth: It's the same as I said above, the quality of food is irrelevant. If you are wanting to continue living untrue to yourself, then it doesn't matter what you eat as the food itself is not going to stop you, it will only help you keep living untrue. If you are Healing yourself, then you'll move with what foods you need as you need them. You can try and control such things using your mind, this all being part of the control you'll need to deal with, but in the end you'll see that the food is irrelevant, the body will look after itself as you keep attending to your feelings. However naturally the higher truth you live, so the higher vibration of food you'll be drawn to, yet you can't say that means everyone will eat organics and

be vegetarian because until everyone is, everyone will be as their feelings dictate. It's a matter of shedding preconceived mind concepts. You are not doing your Healing to fit into your mind. You are breaking your mind's control down to fit in with your feelings.

Fresh is best when it comes to food and the ultimate vegetables and fruits that we can imbibe is that which is grown within our home gardens, is this an appropriate observation?

Nanna Beth: Yes it is, however that too is relative on polluted Earth. Still it's what humanity will one day get back to.

The long journey that we are to embrace is feelings first, stay true to one's feelings, expressing them whilst longing for their truth. Our feelings are to lead the way, with our mind in support to follow and to assist in implementing one's feelings.

Nanna Beth: Man can't heal himself using his mind, God can only heal you. And to allow God to heal you requires submission to your feelings. You need to allow your feelings to take you back to your early life, so you can feel yourself back there now as an adult. So you can express now all you felt back then, and see how and why you became as you are, and how stuck and imprisoned you are in your mind's control. And all you can do is keep accepting it as the truth comes to light, expressing all it makes you feel. And when you no longer need to be the way you are as you've seen all the truth of it through your feelings, then God through your soul will change you. And your inner transformation will occur, taking you out of your wrongness into your rightness. And your angels will do most of the actual hands on healing that you require. You – we – only need to keep attending to our feelings, that's the key to it John, but attending to them the right way, wanting to uncover the truth of ourselves, our soul and God want us to see. Anyone can express their feelings even looking to them wanting their truth, but it's wanting to understand and live the whole truth of yourself, which currently is the whole truth of your negative state, that's what needs to be addressed first. Then you set about understanding as you reveal to yourself the whole truth of your positive loving state – once you become of a Celestial level of Truth and are fully Healed.

I'll speak to you soon John – love Nanna Beth. Keep being willing to express any negative feelings you have about SI and Pascas, it's okay, you can go as far as you want with them, as none of it is going to change the outcome, that side of it, as to whether it happens or not, is not up to us but what our Mother and Father want. But what we feel along the way is up to us, and what They want us to focus on.

Thank you for this incredible opening to the reality of man's futile belief in its capacity to be able to 'heal' one's self.

Love John

DIMENSIONS of ONE'S EXISTENCE:

Our SOUL IS NOT ENSOULLED IN OUR SPIRIT BODY. Our soul exists existentially in a whole different level or plane or place or dimension of being – ‘soul land’. It doesn't exist in Creation, it's not experiential like Creation is. The soul, all souls, help create their part of Creation by expressing their personalities into Creation, and then by having their personalities do things (further create) in Creation.

SOUL exists existentially

Our Physical Body and our Spirit Body are of Creation, being linked together by cords of light as are the two spirit bodies, male and female, to the one Soul.

One's unique personality is soul based. Our unique soul expresses its unique personality through the two spirit bodies and physical bodies expressing both the male and female aspects.

We, being ensouled humanity, are to move with our feelings, respond and act upon our feelings, we all are, and so based on our feelings we bring our mind into play, and then things happen which affect our feelings and so our mind adjusts accordingly.

Everyone at their conception gets their angelic pair as well, and they will be with you right the way to Paradise and then possibly beyond too. So it's a wonderful relationship, we have our soulmate and our angel pair each, all the way with us. It is all amazing.

WE EACH have a Nature Spirit pair, Spirit Guide pair and an Angelic Pair:

For those doing their Healing or are interested in doing it will from that time have their own personal angels, spirit guides and nature spirits with them, with whom they are to develop their own relationships should they want to. It is not about 'sharing' the same angels or guides or nature spirits, it is about you relating specifically to your 'own' ones because they are provided for YOU. It's all for you, to maximise the experiences we each need.

We are all to have our own pure relationships. And it's the same of course in life with your friends, however over there, in spirit, dealing with Nature Spirits, Spirit Guides, and Angels, it's more personal and private and 'JUST FOR YOU'. So we have our own separate, unique relationships.

For example, Nature Spirit Verna has been assigned to be specifically and only with James, and she ain't going to be assigned to anyone else, so she won't be sharing herself around.

This is SO IMPORTANT to understand so that in future there won't be all these people claiming to be speaking with Verna or Mary Magdalene or Jesus or Nanna Beth or anyone else who is part of it all in such capacity. Mary M and Jesus have spoken with James as they have, making it quite clear he is all they are speaking with.

We each have a band of a Nature Spirit pair, Spirit Guide pair, and an Angelic pair, each pair being in their soulmate relationship. Even though we are ascending mortals having a soulmate, even our soulmate has his or her own group of six personalities assisting him or her. Our assigned Nature Spirits do not continue with us into spirit, our Spirit Guides may for a time assist upon entry to the spirit Mansion Worlds, however, our Angelic pair continue with us for eternity.

COMPLEMENTARY THERAPIES

John: Hi Nanna Beth and company

Mind control in its extreme is demonstrated through various complementary therapy platforms. Examples being: Emotion Code as introduced by Dr Bradley Nelson.

Dr Nelson has gathered a wonderful data base that researchers will clearly be able to demonstrate the relationship of suppressed and repressed emotions when relating to physical discomforts, pains and illness. In fact, the emotion code chart that Dr Bradley Nelson has published is the result of many thousands of observations that he and his practitioners have observed over many years, and the results are simple and precise for anyone to understand. Generally, specific styles of emotional injury are directly impacting upon specific organs and parts of the physical body. It is as though the energy frequency of a given emotion is matching to the energy frequency of a given organ or part of one's body.

However, Dr Nelson's methodology of 'releasing' such unexpressed emotions is the direct result of one's mind being employed to further repress given specific emotion or emotions that are causing physical discomfort. Dr Nelson is taking people further away from their true selves – their feelings and the truth that one's feelings are to show them.

Healing Code as introduced by Dr Alex Loyd. Dr Loyd is also focused upon the understanding that emotional issues are the drivers of discomfort, pain and illness. However, he also takes people further away from themselves by empowering people to use their minds to further suppress the underlying emotions through a process of tapping. The mind convinces the person that the issue has been addressed whereas it is still there continuing to fester further thus bringing about greater issues at a later time. Again, the truth that our feelings, both good and bad, are shunned, the truth is avoided.

Meditation is often used to take a person further away from themselves.

The art of 'stilling the mind' through meditation can only be considered as of the greatest negative residues of the Rebellion and Default possible. Taking a person further and further away from their feelings and not allowing any form of truth to be sought from one's feelings. Though some forms of meditation do explore one's feelings, these processes never delve deep enough to be shown the truth of their feelings.

Would you kindly expand on these comments as I feel they will complement the writings of the last few days relating to substances and their in-effectualness in healing please?

Nanna Beth, 3rd Celestial Heaven: Look at it this way John, humanity is in the shit, and has been for a very long time. And so has had a long time to study the shit. And it can work out that it's in the shit and what the shit is all about, but that's all it can do. It can pretend that it can take itself out of the shit, but it can't. It's not allowed to.

Not until someone comes along and does really heal themselves of it, and someone who has the spiritual authority to allow others to do the same. So that's where we are. The authority is making the revelation to you.

People can now choose to study how to Heal themselves, this being the next phase and 'science' people will apply their attention to. The great writers of humanity have well and truly documented the

wrongness, you can see it all, and you know it comes from your early life. And many have tried to work out ways to heal themselves.

But without looking to your feelings and wanting to uncover the WHOLE truth of them, you can't heal it. It's as simple as that despite what anyone does with their emotions and feelings. And many people in their endeavours to heal themselves have done some real Healing, if they at any time looked to their feelings for their truth, truth would have been forthcoming. So humanity has gained a little truth over the years. However because of the feeling-denying forces of the Rebellion and Default, the level of truth has remained very low. Now however **with the keys being given to you as to how far you have to go and what is really involved in doing your whole Healing, so that is the New Frontier awaiting mankind.**

And in the end there will be far more books written about people's Healing and all they come to understand about every facet of themselves and of it, than there have been about people documenting their wrongness. It will prove far more fascinating to those people who get right into it. And all of that creativity is waiting as a whole new aspect of Creation to be expressed – how humanity Heals itself of its rebellion and default.

By living true to ourself, true to our feelings, we are living true to God. It's that simple.

To liberate one's real self, one's will, being one's soul, is begun by embracing Feeling Healing, so as to clear emotional injuries and errors. With the Divine Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

Release one's pain through expressing one's feelings.

in conjunction with

Longing for the Truth when also longing for Divine Love.

This time, in the history of humanity, is the most exciting time ever experienced.

6 April 2018: **HEALING PROPERTIES of SUBSTANCES – Questions Answered:**

To the questions asked, Verna, a nature spirit, offers her thoughts:

Worldwide it is recognised that the annual flu epidemic will consist of new and differing strains of viruses. Why do these variations arise? Why do the new strains appear to be more difficult to manage each year? Why is there a continual incremental risk to life with each new strain?

Verna, nature spirit: The new strains exist because we – the nature spirits – make them exist. We're the instigators of such 'diseases' on the world, we in league with our fellow conspirators – the angels; the truth of which your scientists refuse to acknowledge when there is ample evidence to them, which they persist in brushing aside, that something else or someone else is tampering with such 'bugs' and 'nasties'. And who has the real brains: we nature spirits who control the natural world on Earth, or your great scientists? We'd like to see a little more humility please – that would definitely be a step in the right direction. You don't have to bow down to us, we don't need that level of servility from you – just kissing our feet would be enough!

And hey, guess what? YOU'RE NEVER GOING TO BE ABLE TO BEAT NATURE – WE'RE NEVER GOING TO ALLOW YOU TO. HA! YOU HAVE TO LEARN TO FULLY HONOUR AND RESPECT NATURE – AND YOUR OWN NATURES, LEARNING TO WORK IN PERFECT HARMONY WITH IT AND WITH YOURSELVES BEFORE YOU CAN GAIN ANY RELIEF FROM SUCH 'BEASTIES'.

We have virus making 'factories', we'll always be one step ahead of humanity. So until you understand, you have to WAKE UP, not that I want to sound patronising or tell you what to do, BUT YOU'RE PUSHING SHITE UPHILL.

And you might like to know, we're not going to let you off the hook. You have to learn that all illness results from your inner levels of discontentment – BECAUSE YOU DON'T FEEL LOVED. And work to get to the truth of your bad feelings. And when you do, then as you grow and evolve spiritually in truth, so you'll literally 'rise above' – ascend – the need for help from such illnesses because you'll no longer NEED THEM TO MAKE YOU FEEL BAD. Accept they make you feel bad, you are meant to feel bad with them, and not then try to eradicate them, that's only eradicating yourself, which you're already doing; but instead to work with those bad feelings, this being how you start to love yourself back into true health. Go with your bad feelings, not fight against them. Go with them instead of trying to eradicate them, and the same with your diseases and illnesses.

Worldwide it is recognised that antibiotics are becoming ineffective. Why are even new more capable forms of antibiotics not being able to manage the bacteria and viruses that are evolving? Why are viruses and bacteria evolving in the first place?

Verna: It's the same deal: Humanity is to uncover the truth of evilness, its wrongness, of its rebellion and default. And illness is to show you that you are wrong. You wouldn't get sick if you were right. So what would be the point if you eradicated all illness and you never had a bad feeling from being sick – you'd never know you had all your childhood repression locked away inside you that you were to deal with. ILLNESS IS YOUR FRIEND, because it's the warning lights that says: I AM NOT RIGHT. I NEED HELP. I can help myself by attending properly to my feelings. So do so by wanting to uncover the truth of them!

Worldwide we have the mantra that should a new drug be developed, until that drug has gone through double-blind clinical trials successfully then it is not to be made available. Should the double-blind clinical trials be successful for around 60% of volunteer patients, then it is considered for public release. But then, why has it failed with 40%? Why do some benefit and others don't when they are all in the same health predicament?

Verna: Because you are all different, you've all been subjected to different childhoods, even within the same family. So nothing will affect the whole, short of you all 'nucking' yourselves into oblivion. (nucking – slang, humorous, mildly offensive, euphemistic) Yet even then, do you really think the angels are going to stand aside whilst you annihilate yourselves? There's too much goodness in your suffering since conception for you to simply obliterate yourselves, too much truth to be discovered – the whole truth of why you feel so bad, the truth of feeling unloved. And it's an enormous truth and enormous amount of truth. And it's all there inside you. Waiting for you to bring it out.

And why do 'sugar pills' work when prescribed by the doctor?

Verna: It shows you the power of your mind and its controlling beliefs. People believe all sorts of things resulting from their wonky childhood. (Note the use of that word dear John, I'm adding it to my repertoire – James.)

We see new forms of illness arise, why is this so? We also are seeing that vaccinations are not as effective as they appeared to be some years ago, why is this so? The fact is that humanity presently cannot eradicate any form of illness no matter what our scientists discovery, why is this so?

Verna: God has allowed you to experiment with all the ways within your unloving states, this being one of them. However humanity is now moving on, times are a changing, the old ways are to end, humanity is to heal itself of its rebellion and default. So what has worked will fail, and more so, and new things won't work for as long, failing quicker, fear and pressure will mount as the old fails, all to give rise to GUESS WHAT? – MORE BAD FEELINGS. And why more bad feelings? – so you can express them and bring to light the truth they are to help you see – THAT'S WHAT!

When a pandemic hits a community, why do some people never succumb to the virus or health issue while others contract the disease and many die? Why isn't everyone impacted equally?

Verna: Different childhoods, different beliefs, different self-denial parameters, all of which affect you in different ways bringing about such differences. You are living in denial of TRUTH. Your childhoods are truth-less. So your adult lives express or reflect this. Life as you know it is all wrong, negative, unloving, even all the good loving parts within it. So it's all got to change, BIG CHANGES, but you can do it, you'll see, humanity will have to do it.

This is the major difference with a Pascas Care Centre. In addition to providing a holistic allopathic and complementary health care service, we are to address the question of what is the cause of one's discomfort, pain and illness.

Further, we are to address the questions of why is it that treatments previously embraced have not continued to been successful in bringing about health to the body?

Verna: Same deal. It's all what went into you through your forming and early childhood. Nothing more. All the secrets are contained back there within yourselves. When you 'go in' you're to go into

your early life through your adult 'now' feelings. That's how you do it, how you can really Heal yourself, nothing else will do. It might extend your life a bit, cure you of some illness, make you feel better, but all your childhood wrongness is still within your soul remaining there until the day you want to deal with it.

Do your Feeling-Healing; or better still, your Soul-Healing with the Divine Love. It won't be an easy ride, however your relationship with your aches, pains and illnesses will certainly change and evolve, and you might even find that you don't need as many of them if you look to your Feelings First, expressing them and seeing the truth they are to show you. And eventually you might not need any bad things happening to you as you no longer have any repressed bad feelings that you need to bring out. It's a different way to view life – but hey, what have you got to lose – only your old ways of suffering.

Love Verna – who by the way, is not just a pretty face! Chow for Now – over and out!

By living true to ourselves, true to our feelings, we are living true to God. It's that simple.

Arvonal Revelation

- We are to live Feelings First.
- We've been made to use our mind to live against many of our feelings.
- Our mind control commences at conception and is developed through our childhood.
- All the bad feelings we didn't express as we were growing up are still repressed inside us.
- And all such hidden, buried and unwanted feelings have to come out.
- And whilst they remain repressed within us, they will continue to make us feel bad and unloved.
- We get sick, depressed, suffer, have bad things happen to us because of our repressed childhood feelings.
- Humanity was brought into this state of living against itself by higher rebellious spirits.
- These Evil Ones caused the Rebellion and Default.
- We are made to rebel by default – as we have no idea we're doing it through our parenting in wrongness.
- We are all parented unlovingly – against ourselves, against our will.
- Some parenting in the wrongness is done with more love, yet it's all still wrong.
- To heal this unloving state within ourselves we have to do our Healing.
- Our Healing is our Feeling-Healing or Soul-Healing with the Divine Love.
- We can long to God for Their Divine Love, and this will help us with our Healing.
- God is our Heavenly Mother and Father, the Feminine Aspects of God having been kept hidden from us by the Evil Spirits.
- All humanity's religions and spiritual systems are designed to keep the wrongness going, to keep us away from God.
- Only by living Feelings First Spirituality, The New Way, can you become right, and truly find God.
- Long for the Divine Love.
- Long for the Truth of your Feelings.
- Accepting all you feel is accepting all of yourself, it's your greatest act of self-love.
- And wanting to know the truth of your feelings, is your next greatest act of self-love.
- Love yourself through your feeling-acceptance, and the Truth will set you Free!

MEDITATION:

What is meditation?

There are many types of meditation. The one definition that fits almost all types is... "**Consciously directing your attention to alter your state of consciousness.**"

There's no limit to the things you can direct your attention toward... symbols, sounds, colours, breath, uplifting thoughts, spiritual realms, etc. Meditation is simply about attention... where you direct it, and how it alters your consciousness.

What is the purpose of meditation?

Traditionally meditation was (and still is) used for spiritual growth...i.e. becoming more conscious; unfolding our inner Light, Love, & Wisdom; becoming more aware of the guiding Presence in our lives; accelerating our journey home to our True Self... our Spirit.

More recently, meditation has become a valuable tool for finding a peaceful oasis of relaxation and stress relief in a demanding, fast-paced world.

Other uses include:

- Healing
- Emotional cleansing & balancing
- Deepening concentration & insight
- Manifesting change
- Developing intuition
- Unlocking creativity
- Exploring higher realities
- Finding inner guidance

General Guidelines for Meditation

1. Put your expectations aside, and don't worry about doing it right. There are infinite possibilities and no fixed criterion for determining right meditation. There are, however, a few things to avoid.

They are...

- Trying to force something to happen.
- Over-analyzing the meditation.
- Trying to make your mind blank or chase thoughts away.
- Putting too much emphasis on doing it right.

2. It's not necessary – or advisable – to meditate on a completely empty stomach. If you're hungry, have a little something to eat before meditating.
3. Find a quiet, comfortable place to meditate. You can sit in a comfortable chair, on the bed, on the floor... anywhere that's comfortable. It's not necessary to sit cross-legged. Your legs can be in any position that is comfortable.
4. Eliminate as much noise and as many potential distractions as possible. Don't worry about those things that you can not control.
5. When you sit to meditate, sit comfortably, with your spine reasonably straight. This allows the spiritual energy to flow freely up the spine, which is an important aspect of meditation. Leaning against a chair back, a wall, headboard, etc. is perfectly all right. If, for physical reasons, you can't sit up, lay flat on your back.
6. Place your hands in any position that is comfortable.
7. If it does not go against your beliefs, call on a "higher source" for assistance in your meditation. Any form is all right. This can be quite helpful, but is not absolutely necessary.

Some Misconceptions about Meditation

Misconception #1. Meditation is turning off your thoughts or making your mind a blank.

Not True ...Inner quietness is experienced in meditation, but not by wilfully turning off thoughts. Quieting the mind results naturally from:

- the effectiveness of the method used... and
- an uplifting spiritual energy that is beyond our own efforts.

Misconception #2. Meditation is difficult and requires great concentration.

Not True ...Meditation can be easily learned and practiced. Meditation is only difficult if we become too concerned with doing it correctly or incorrectly. Although staying focused in meditation does become easier with time and practice, it is definitely not a requirement for beginning to meditate. Thinking that we should be good at focussing when first starting out, is essentially putting the cart before the horse.

Misconception #3. Meditation is not successful unless we see interesting things in our mind.

Not True...Although some meditations are specifically for visualizing, many are not. In those meditations, seeing things may be entertaining, but is not essential. Even visualization does not necessarily require seeing. Some people sense or feel things inwardly, and that's all right.

Relaxation Through Meditation

A preference would be to call meditation relaxation – conscious relaxation, chosen relaxation. These are words that are more universally understood, more comfortable. Constantly working toward the goal of discovering ones own ability to reach a state of serenity.

Meditating is actually easier than you might imagine. Most of us have dabbled in meditation by participating in conscious relaxation. Maybe during an exercise class or to manage pain at the dentist or anxiety before a test. We start by paying attention to our breathing. The practical effort to focus completely on our breathing takes our minds away from the "mind clutter" that constantly tries to invade our mind and eliminate feelings that will lead to a time of calm. With repeated effort the goal of clearing your mind – to think of nothing, does occur and the process of meditation takes on its own energy. The result is peace, serenity, calmness, eventually opening yourself to new insights.

Meditating for Life

Too much stress, stress reduction, chill out, let it go, detach – familiar phrases to all of us. Our world is fast, fun and exciting. It is also challenging, trying, demanding and frightening. These two sides of our lives produce stress, emotional reactions, anxiety, worry and anticipation. Our bodies and minds can tolerate only so much of any of these. After a while, each of us reaches a saturation point and the results become uncomfortable at best; for some it may be unbearable, even unendurable.

No magic pill is available to eliminate these feelings. The reality is, as the wise old man said, the answer is inside all of us. To manage these universal concerns we must go inside ourselves. Among the steps we can take is the learning and practicing of meditation.

What to Expect

With time and faith in the commitment to practice frequently, (daily meditating is ideal), during your meditation time you may "leave the moment." A feeling of separation exists where the mind is clear, clean and blank. You will still hear sounds around you, but they will not interfere with your meditation.

Sometimes you may weep -- you may not even be aware of what is making you weep. It is your own emotions having a voice of their own. Sometimes you may feel a smile across your face -- that is contentment showing itself. Sometimes you may fall asleep and awaken truly refreshed.

There is no right or wrong behavior during your meditation. It is your time for you. Everyone deserves this kind of personal attention. This is a self-care activity; loving oneself! Teach it to your children instead of a time-out in their room or corner. Teach it to your friends, family, anyone who will listen. We can share this gift and get back as we give. We are all better because of each person who meditates. The peace and joy felt by those who meditate enters the world for all of us as positive energy. From it the world is a better place. Imagine if we all practiced meditation!

MODERN PRACTICES may not necessarily be APPROPRIATE WISDOM:

Radiation Therapy, when applied to Perspex when the therapy unit is not appropriately calibrated, will result in series of cellular destructions similar to the pattern of a tree as per the diagram. Radiation Therapy, in the process of endeavouring to destroy cancerous cells, results in a large number of healthy cells and tissue being destroyed. The question is – does it hit the target?

Radiation Therapy literally burns a series of holes into your body, branching out from the point of entry through the skin with little regard for what is in its pathway.

Chemotherapy is essentially chemical poisoning!

If these are the only options then that is the pathway to be considered.

We, at the **Sanctuary Health Dome**, do not believe that this is so.

Conventional medicine offers little for those suffering from back pain, arthritis, the effects of stress, and other chronic ailments such as cancer and AIDS. High-tech medicine is very expensive. It can also be dangerous. Its methods are potent and invasive, and it is frequently harmful. This tendency is nowhere more evident than in the amount of drug toxicity caused by modern prescribing practices. Adverse drug reactions are now so common that most patients will experience one sooner or later. The problem is that most pharmaceutical drugs are too strong.

In much of the world, Western medicine is too expensive, is unavailable, or is presented in a way that is inconsistent with traditional beliefs. There is an increasing sense that certain ancient and esoteric healing practices, long ignored by Western science, may in fact represent profound insights into the very nature of well-being.

Worldwide, only an estimated 10% to 30% of human health care is delivered by conventional, biomedically oriented practitioners. The remaining 70% to 90% ranges from self-care according to folk principles to care given in an organized health care system based on an alternative tradition or practice. The World Health Organization (WHO) estimates that 4 billion people, 80% of the world population, presently use herbal medicine for some aspect of primary health care.

Let us combine the wisdom and benefits of all practices and methodologies in healthcare.

What is Holistic Medicine?

Many of the alternative practices pay attention to the mental, emotional, and spiritual aspects of health, in addition to the physical body. Therapies like hypnosis and visualization claims to be able to change physical conditions through purely mental interventions. They believe that our bodies are remarkably resilient machines, capable, with some occasional prodding or intervention, of healing themselves. The name "holistic medicine" came from this unification of the mind and the body. Holistic practitioners treat the "whole person" as opposed to the individual organs of the body where symptoms occur. The importance of self care and preventing illness are stressed by holistic practitioners. From within a **Sanctuary Health Dome**, the best of all fields of medicine will be considered.

Hierarchy of Holistic Medical Services

Remote Areas:

- **Telemedicine via call centres supported by the medical teams at each of the Centres of Excellence in the Bahamas and Australia. These Centres have alliances with world renowned medical units around the world that will be accessed as and when required.**
- **Telemedicine Kiosk: Through satellite communications, the kiosk enables remote access to telemedicine diagnosis and treatment. The Kiosk features diagnostic camera, three lead ECG, retinal scanner, a camera for video-conferencing, video screen, vital signs measurement and a defibrillator. Should the Kiosk (being a laptop unit) be unable to communicate with the greater network, in built diagnostics are able to provide analysis of results.**

Rural Areas:

- **Medical Clinics may consist of as few as one Clinician. However, he/she has satellite broadband communication linkage to the core centres within the network.**
- **Third world remote clinics will focus on:**
 - **Pre-natal / post natal services.**
 - **Immunisation**
 - **Dental**
 - **Eyes**
 - **Nutrition**

Urban Clinics:

GEMS for ALL PEOPLE of all AGES to EMBRACE:

The GOLDEN AGE!

Cause No Harm < to OTHERS
to MYSELF

Strive to love others as I am to love myself

At any time, any where, and in any way you so please:

Approach our Heavenly Parents, in reverence, without fear or trepidation, just as we, as a child, approach our earthly parents knowing that open loving arms are extended to receive us at all times. As one's love grows for our Mother and Father in the Heavens, we come to know with absolute clarity and certainty that our Heavenly Parents, loves you and me and everyone in return, at all times, and that fear is an illusion created by man's mind.

God, who is our Heavenly Mother and Father, is almighty, all powerful, infinite, and all loving. The love of the Heavenly Parents for Their children, man, has been and is always infinite and ever present. As one's faith evolves, one's love for our Heavenly Parents will have no limit. As we grow in Their love, so will we grow in love for all of God's creations and our fellow man.

The Source Soul, our Heavenly Parents, simply desires for us to ask for Their Love.

God's Divine Love: Pray for it, ask for it, and receive it.

"I love you Father." "Let the Divine Love flow its energy into my soul."

"Mother, Father, I desire your Love and I am loving you."

"Soul God, I love you and I love receiving and experiencing your Divine Love."

"True Soul God, I am here, I am aware of your Love. Please hear my aspiration for your Love and as I approach you from my soul, I can feel your Love in the way that you are loving my soul."

"Please Mother and Father, may I receive Your LOVE."

Maybe we could simply long for and ask:

Please, Mother and Father, I want some more of your Love!

 Living the Rebellion and Default.

Hell:
 Exploiting the Rebellion and Default.

The Feelings are the doer; the Mind the teller. So we are to go with our feelings, which we can't be told to do with our mind. So the longing for the Divine Love, doing our Healing by expressing our feelings and longing for their truth, are all feelings and doing it with longing. Whereas the mind just wants to tell us what to do and how to be, no feelings in it, all how our parents have treated us.

FEELING HEALING + SOUL HEALING

To heal one's self is to simply look to see what feelings we are refusing to let ourself feel, and accept them instead of denying them. And to fully accept them, one needs to express them, speak about them, let them have their say, rather than pushing them aside, refusing to let them make you feel bad.

Doing this all with the intention of seeking the truth of why you are feeling them, of speaking about and expressing all such feelings; all feelings you have, but ALL WITH the INTENTION of UNCOVERING the TRUTH THEY WANT YOU TO SEE ABOUT YOURSELF. And it's the wanting to see the truth of them that is very important, because if you just look to accept them and speak and express them, but not seek their truth, then that's all you'll be doing, speaking and expressing them, but not healing their causes, so not fixing the things within you that are making you feel bad. And it's the truth part of it, seeking the truth of your feelings, and so, seeking the truth through your feelings, that's vitally important. It's the truth of yourself, life, nature and God, that is the spiritual aspect to it all.

You CAN'T find the truth of yourself, or anything else, through and with only your mind. You HAVE to engage and look to your feelings. And so if you choose to allow your feelings to 'Show You the Way', then the truth will come as you express them. So to do our Soul-Healing consists of these steps, all of which are ongoing until it's done:

- **Admit you are feeling bad.**
- **Accept your bad feelings, identify what they are.**
- **Honour fully your bad feelings by expressing them, speaking about them to someone who is willing to hear you talk about them, or tell them out loud to our Heavenly Parents. Long for the truth of them. Long for the truth of why you feel bad – what deep within you is causing your bad feelings?**
- **And remember, bad feelings are Good! Not bad. They are not to be despised. And as hard as it is to accept them, they are still you, and a very real part of you. And if you persist in denying them and not allowing yourself to fully live them, then you are only going to keep yourself in your errors making things harder for yourself.**
- **All sickness and suffering, all bad things that happen to you, all your problems, all your addictions – your whole feeling-denying and untrue life, is all caused by your denial of bad feelings.**
- **Every problem in the world is brought about because everyone has been brought up to deny feelings, and in particular, most of their bad ones.**

If one is intent on spiritually evolving and growing in truth, then it's vital, and this is the key, that one looks to use one's feelings as the means to gain and have access to the truth of oneself. You CAN'T find the truth of yourself or anything else through and with only your mind. You HAVE to engage and look to your feelings. And so if you choose to allow your feelings to 'Show You the Way', then the truth will come as you express them.

Doing your Soul-Healing with the Divine Love, is really doing your 'Feeling-Healing'. We are designed — created — to be self-revealing of truth, and so we are all to uncover the truth within ourselves and for ourselves, and all being done by living true to our feelings. **If you accept, express and seek the truth of your feelings, then truth will come to you, and you'll grow spiritually. It's as easy as that. Also it is as easy as it is to long for, ask for and receive Divine Love.**

THE HEALING OF YOUR BAD FEELINGS THROUGH THEIR ACCEPTANCE
AND FINDING THE TRUTH OF THEM, IS THE ACCEPTANCE OF YOUR
NEGATIVE, REBELLIOUS, EVIL, IMPERFECT MIND AND WILL CONDITION.

To do our feeling-healing we need to become:

Aware of – Acknowledge – and Admit, our bad feelings.

So we can:

Accept – them and allow ourselves to Be them.

And then if we feel to, take:

Action – Express, speak and emote them.

Talk about them.

All being done whilst longing to, really wanting to, see the TRUTH of our feelings.

So it sounds simple.

So I repeat:

We accept our bad feelings by expressing – speaking about them to someone willing to listen to us and take us seriously. And as we speak we long for the truth of them – why we are feeling them – to be made known to us. And when we uncover and see the truth we are FREE! – healed of the causes that have made us feel bad.

Accept, Express – see the Truth, and you're Free!

ACCEPTANCE OF ALL YOU FEEL, THINK AND ARE, IS THE KEY TO DOING
YOUR HEALING; THAT, AND WANTING TO SEE THE TRUTH OF ALL YOU
FEEL, THINK AND ARE.

Release one's pain through expressing one's feelings.

in conjunction with

Longing for the Truth when also longing for Divine Love.

WE ARE TO BE OUR TRUE SELF – OUR SOUL BASED FEELINGS!

We are to use our feelings to uncover the truth of ourselves. Just how important are each of our feelings? Well really, they are ALL as important; as in, nothing else in life even matters other than what we are feeling.

We are all so conditioned and used to living with our mind in control of ourselves, that many of our feelings, and mostly so many of our bad feelings, we dismiss or shut out and refuse to deal with. We should go the other way in life, so instead of denying so many of our feelings, trying to acknowledge them all, to bring them all out, every last bad one, even if means stopping everything else and attending to them; and by attending to them is to make sure we express them, speak about them, the whole idea being not to keep suppressing them, to make sure they come up and out of us as we feel them.

Along with this: we are to long for the truth of our feelings; as in, the truth they are wanting us to see about ourselves, because apparently hidden or behind or within each feeling, is something it's trying to tell us about ourselves. And that is how God wants us to live – it is to live a true spiritual life.

We are not meant to be alone, we are to have someone with whom we can share our whole self with, telling them all we think and feel. If you do not have a companion, talk it out loud to your Heavenly Parents.

If you feel a bad feeling, you don't let it pass, you stop with it, focus on it fully accepting it; and with the emotions of it, express it the best you can; and then at the same time, long for the truth of it – want to see what it's all about – why you're feeling it.

There are hidden deeper underlying causes in us that will come to light as to why we're really feeling bad. So we might, for example, be angry with something that's happening in our life now, but as we express that anger, longing for the truth of it, it will lead us back into our earlier life connecting with the same anger we felt about other things; and then back even deeper into connecting, or it should be reconnecting, with anger we felt with our parents when our parents treated us badly.

That means there will be a lot for us to deal with if the bad feelings we're feeling now are also going to lead us back into buried bad feelings from our past.

The New Way, Feelings First Spirituality
 Learn to live with God through your Feelings

Accept, express and long for the truth of your feelings

Be free in your feelings
 Free your feelings from your mind's control
 Live true to your feelings; your feelings are your true self
 Live true to yourself through your feelings

Live true to yourself by living true to your feelings.
 Long for the truth of your feelings.

Accept / Express / Bring out ALL of your good, and most importantly,
 BAD feelings.
 Want to understand why you're feeling them.
 Use your surface feelings to take you deeper into your repressed and
 hidden feelings.

The Feeling Way is the True Way.
 Your feelings are your spiritual guide.
 Your feelings will take you to God.

Your feelings will show you the truth of your relationships, including your relationship with God; and if anything is wrong, untrue and unloving, then why it is.

Our feelings are sacrosanct and we should respect them accordingly. And we should NEVER block them out, ignore, override, banish, deny or reject them, because if we do, we're only doing that to ourselves, as Our Feelings Are Our Self.

Our feelings are the gateway to our soul. Our feelings are the closest we can get to our soul. Knowing the truth of our feelings is knowing the truth of our soul, and knowing the truth of God.

Feelings First Spirituality is the True path for humanity.

It embraces all people.

It completely unifies the world.

Everyone can relate to everyone else through their feelings.

And we can all live the truth that comes from our feelings, all sharing the same truths as we express and have the same feelings.

No one need be left out; no one is more special than anyone else – we are all united in Truth through our feelings.

So with and through our truth we live our lives, therefore without the need of any man-made mind-laws, rules and restrictions that limit self-expression as inspired by our feelings.

The New Way, Feelings First Spirituality is what is to replace all man-made, mind-contrived religions that so many people have enslaved themselves to. The New Way, Feelings First Spirituality will set us free of all that control, ending the Rebellion and Default within ourselves as we do our Feeling-Healing, and ending such control and spiritual stagnation in the world.

Bring on the End Times – get it over and done with! Let's all see that Jesus is not going to come again, that Prophecy has failed all the mind-controlled platforms. Allow such false systems of belief to die their long-awaited natural death, they've overstayed their welcome, it's now time they fade away. So let us show such antiquated, erroneous systems of belief the exit and bring on the fresh liberation of discovering the truth of how we are to live for ourselves, each of us personally in our lives, and all by looking to our own feelings for it. Self-revelation through our feelings is the way to go.

The Way of the Mind is ending, and is really the End Times – the End of our mind control, and **it's**

about time! With the Way of our Feelings replacing it.

The End Times means the end and therefore a New Beginning. And that new beginning is a whole new Spiritual Age – an age based on self-revelation of truth through one’s feelings, coupled with and supported by higher revelations from the Celestial spirits, angels and nature spirits.

The Feelings First Spirituality is the True Way to God because it helps you get to know God, helping you to reach out, connect and be personal with God, and do God’s Will, all through your feelings. It is the only true way of getting to know the God of Feelings – our beloved Heavenly Mother and Father, the Great Soul of Divine Love.

Love comes through our feelings and not our mind, as we’ve all been wrongly led to believe.

Feelings First; then comes The Truth; then comes Love.

REVELATION 1
James Padgett 1914 – 1923

James Padgett bravely introduced the availability of the Mother and Father's Divine Love and a great deal of additional guidance and information, all of which has been supplemented by Samuels, Judas, Reid and Arnold. All writers were under restrictions of personality and circumstances. Revelation 1 opened the door for humanity.

REVELATION 2
Marion and James Moncrief 2002
– ongoing

Marion and James Moncrief have recognised the need for one to engage in Feeling Healing and, by their actions, removed restrictions that James Padgett and others above endured, thus JM is able to critique the writings of the past 100 years resolving points of confusion as well as expand on what has been written. Revelation 2 is humanity's turning point.

Due to the extra-ordinary nature of Revelations 1 and 2, humanity with the first Revelation would have continued on into its negative pathway of living, however, combining the first Revelation with Revelation two, now humanity can embrace this turning point and commence its evolutionary growth that has required two thousand years to put in place. This is the greatest event in the history of humanity and very few are aware of such, until we enable others to become aware.

God is God, who is our Heavenly Mother and Father, being SoulMates. There is only one Soul that is God's Soul, that being the Soul of our Mother and Father. Our Heavenly Parents are the First Soulmates; The Two Who Are One who have brought us all into being.

Jesus and Mary are a son and daughter of God.

Jesus of Nazareth and Mary of Magdalene, being soulmates, were both free of sin. Jesus and Mary, combined in their love for us, are our teachers and guidance for us to find our way home to our Heavenly Parents. To start this journey we are to liberate our souls from being entombed within our suppressive minds, through feeling and longing for the truth of our feelings via our soul and peel away our injuries incurred since conception.

Give yourself time to consolidate your relationship with the Mother and Father through the partaking of Their Love. And whilst you are doing this, you can learn about your healing, all that's involved with it, as there are many willing spirits to share their healing experiences with you.

When you are ready it will start happening simply because you will want it to, it all being orchestrated by your soul. And when that time comes you will have developed a strong foundation in your relationship with the Mother and Father for you to work from. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

It is to make longing for God's Love the priority, and then do one's healing; should one want to include God and the Divine Love in one's feeling healing. This is doing your soul-healing as you are seeking to heal your soul of all evilness – of that which made you become evil, and release all the hurt and pain of not being fully and truly loved.

WE ARE Children of God

WE ALL ARE BEING GUIDED HOME:

We need the Spirits of Truth of the Avonal Pair to Heal ourselves; then once Healed, (and for support (overshadowing) as well through your Healing), we need the Creator Pair, Mary Magdalene and Jesus' Spirits of Truth to see us through the Celestial spheres, while at all times embracing our Heavenly Mother and Father.

Until Mary and Jesus died and liberated their Spirits of Truth, no one from any of the worlds could leave Nebadon, because no one knew the way to do so. Nebadon is our local universe containing some 3.8 million inhabited physical worlds and their associated spirit worlds.

When we embrace the truths Mary and Jesus are revealing, and start to do our Feeling Healing, or with Divine Love, Soul Healing, we are then freeing ourselves up from our parental and self control.

Thus our journey to Paradise, to the home of our Heavenly Parents, is of our choosing as to when we progress, however, there is only one way:

HUM: Humanity is to ascend. We are self contained. Our soul is always in truth and perfect at all times. **By living true to ourself, true to our feelings, we are living true to God. It's that simple.**

We are to recognise that being engaged and dominated by our mind is the wrong way for us to evolve and grow in truth. We are to discard the mind enslavement that has been imposed upon as by all of our parents. We are to express our feelings, both good and bad and free ourselves of the indoctrination that humanity has embraced worldwide.

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God's soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of our Mother and Father.

AVO: We are to embrace the truths and guidance of the Avonal Pair through their Spirits of Truth. It is the Avonal Pair's guidance that will lead us through our Feeling Healing, and with Divine Love, we will be able to ascend through the 7 spirit Mansion Worlds and enter the Celestial Heavens where we also interact with other world's spirits.

J&M: We are also to embrace the truths and guidance of the Paradise Pair, Mary and Jesus, who will then lead us through the 3 Celestial Heavens that are aligned with Earth, and then further on through Nebadon where we will then depart beyond on towards Paradise.

M&F: Beyond the universal zone of Nebadon, we will be guided by our Heavenly Mother and Father onwards through the universes to Paradise where we will be welcomed by them, home for us all, as we are all Children of God.

HUM

WE ARE Children of God

WE ALL ARE BEING GUIDED HOME – NOW, HOW TO COMMENCE THE JOURNEY:

GOD

M&F

For 200,000 years, we have been misled into embracing our mind's distortion of wisdom and truth. All such traditional understandings only lead us in the wrong direction, from which we must turn back from. Our soul based feelings are always in truth. Our minds are to follow our soul based truths and feelings, not the other way round, as we have been brought up to embrace.

We are to connect with our deeper repressed feelings.
We are to long for the truth of what we are feeling.
We are to live true to our selves; by living true to our feelings.

Use your surface day-to-day feelings to connect with your deeper repressed feelings. Express your surface feelings and your deeper repressed feelings to uncover the truth of yourself.

J&M

We all have feelings which we communicate and share with each other. And we all have deeper buried and hidden repressed feelings. Feelings from our early childhood we felt, yet weren't allowed to express. These feelings are still within us, waiting to have their say. These feelings, because they are repressed, cause us all our problems.

And as we look to uncover, bring out and accept these deeper feelings, so we're taken into new ways of looking at ourselves, our feelings, and our life. We're setting ourselves free of the controlling patterns that govern our unloving behaviour.

In this way, we progressively begin to express the personality that our Heavenly Mother and Father gave us, not the one imposed upon us by our physical parents and carers. We are to be our true and real selves.

By living true to ourself, true to our feelings, we are living true to God. It's that simple.

AVO

HUM

As we, humanity, long for the truth of our feelings, we can also be assisted by the Spirits of Truth of the Avonal Pair who are our spiritual teachers for Earth over this coming 1,000 years, to assist us through the Great U-Turn, away from mind dominance to being soul based feeling lead. They will assist us through the seven levels of the spirit Mansion Worlds.

Then the Creator Pair, Jesus and Mary, will lead us through Nebadon and into the greater universe. Then our Heavenly Mother and Father lead us home to Paradise.

WE ARE Children of God

Collectively, should we embrace them all, as we are to, then our pathway home is a journey in the hands of the Spirits of Truth of the Avonal and Paradise Pairs overseen by our Heavenly Parents.

HOW TO GET TO PARADISE:

Long for the Divine Love

Long for the Truth

Long for the truth of your feelings

Don't deny any feelings: accept, express and want to know the truth of them

Know your feelings are the key; your feelings are the Way

Want to end your falseness and being untrue

Want to understand the truth of your early life

Use your surface feelings to move deeper into yourself, bringing up your repressed feelings

Want and long to know the whole truth of yourself

Want to do it all with God, your Heavenly Mother and Father – long to Them for help.

The Key

Our longing drives our life. We long with feelings. We can wish for things using our mind, yet long for things with our heart. These things in the pyramid are what to long for. Longing for them, when the longing comes naturally. Longing because you feel you really want them. Long to be true with all your heart. Long to live true to your feelings. Long to understand the whole truth of yourself.

PARADISE TRINITY:

1. **Our MOTHER and FATHER (God) (MF) – Divine Love**
SOUL (God) – One SOUL that is expressing its two PERSONALITIES, our Heavenly Mother and Heavenly Father (Soulmates)
2. **ETERNAL SON (ES) – Divine Truth**
3. **INFINITE DAUGHTER (ID) – Divine Mind**

Then: The Second and Third Persons of the Paradise Trinity (ES and ID) are stepped down to the local universe trinity (Mary and Jesus, Divine Minister (DM), and her Holy Spirit.

The LOCAL UNIVERSE TRINITY:

1. **MARY M and JESUS (MF) – Love**
– the Living Truth
2. **DIVINE MINISTER (DM) – Mind (and her Holy Spirit)**
3. **HUMANITY – Natural love, sons and Daughters – Truth, and our Angels – Mind**

PLANETS that engage in REBELLION:

1. **AVONAL SOULMATE PAIR (A) – the Feeling Healing process – incarnate**
2. **DAYNAL – TEACHER PAIRS (D) – they do not incarnate**

So in summary:

Consider a diamond:

Mother and Father Heavenly Parents

Creator Son & Daughter
Jesus and Mary

Avonals
as soulmate pairs

Trinity Teachers
as soulmate pairs

Melchizedeks – who have taken over from the Caligastians and Daligastians being also all as soulmate pairs.

Mortal Souls – human beings who individualise on Earth, then progress through the spirit Mansion Worlds, then into the Celestial Heavens, and beyond.

Mortal Souls – also being ascending spirits, upon completing their Soul Healing, join with their soulmate, then join their soul group of 24 mortal spirits, being 12 soul pairs. It is only as a soulgroup that anyone can progress beyond Nebadon.

The Paradise Pairs are all ONLY concerned with the SPIRITUAL wellbeing and upliftment of the planets and local universe. Currently to do with Earth:

Mary and Jesus – spiritual wellbeing and upliftment of the whole of Nebadon region.

Avonal Pair – Daynal pairs (Trinity Teacher Daughters and Sons) – Spiritual wellbeing and upliftment of individual planets and their associated Mansion Worlds.

The Local universal Sons and Daughters are all about the running of the worlds under their jurisdiction, and ensuring the higher spiritual elements can be employed, or sent astray, as in our cases through the Rebellion and Default.

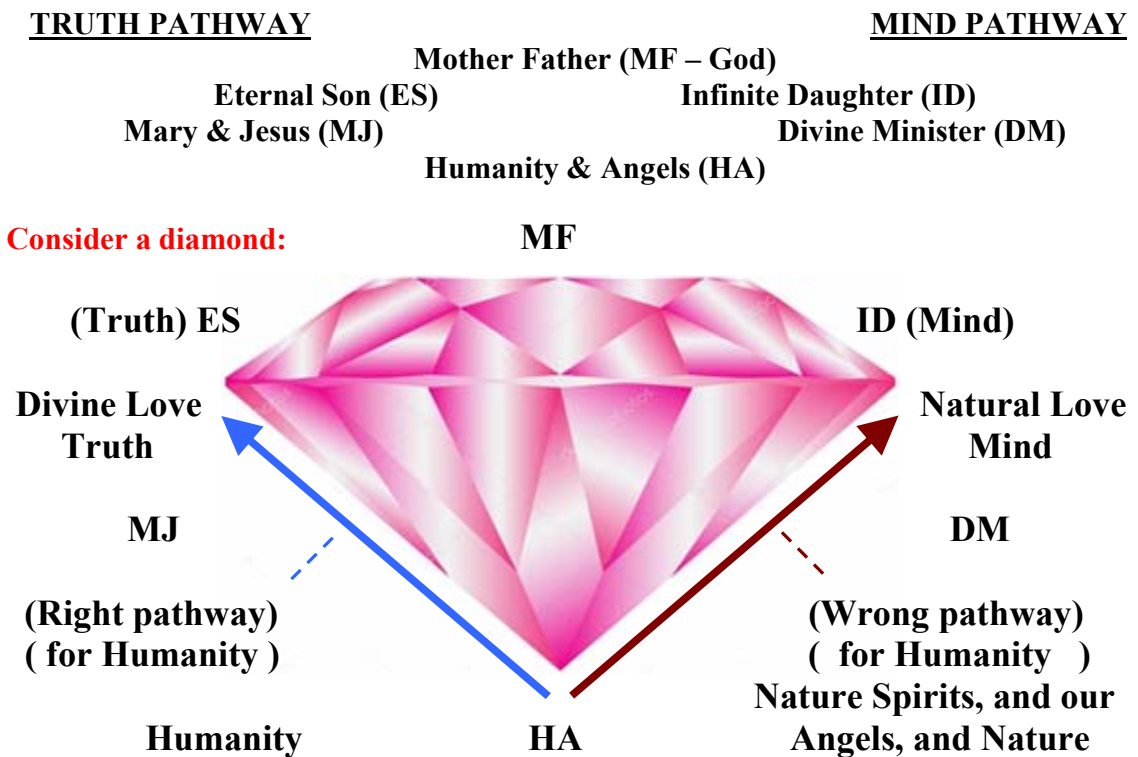

Lanonandeks – Melchizedeks (and others, such as Life Carriers and Eve and Adam).

As the Lanonandeks all rebelled – the Lucifers, Satans, Caligastias and Daligastias soulmate pairs – so the Melchizedeks have taken over their roles, as well as doing their own.

So the Melchizedeks are the governors, overseers, the administrators and advisors and so on for Earth; they are the ‘controllers’, and they will instigate all that needs to be done to do with the ending of the Rebellion and Default. And they will enlist the willing help of ascending mortal pairs, so the mortal Celestials spirits (soulmates when available, and others waiting to unite with their partner), and at times mortal spirits in the Divine Love Healing Mansion Worlds. And the angels help all of us.

Currently the whole of Creation exists for the ascension of mortal souls from their earth planets to Paradise. It’s all one vast Grand Ascension Scheme. With all the higher and lower spiritual Daughters and Sons, together with all the many different angels and other universal spirit personalities, and even including nature and our very own pets, assisting women and men with their Ascension Journey. It being: and Ascension of Truth. Everything we do is done to help us grow in truth. (Only everything we do in our negative state is to deny ourselves our truth from our feelings, which is why we have to do our Healing.) All women and men are ascending (or growing) in truth through their experiences. And as we grow in truth by looking to our feelings to show us that truth, so we’re ascending, moving inwards and upwards through all the worlds and spheres of the Grand Universe to one day arrive on Paradise and meet our Heavenly Parents. God is providing us, Their children, with this spiritual journey called our Ascension of Truth. And by living true to our feelings, so we are progressing on our true Spiritual Path – our Ascension Path.

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God's soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of your Mother and Father.

Humanity is to pursue the pathway for Truth through one's soul based feelings, this is the right pathway. However, humanity commences its journey founded on natural love, which we now know is to be perfected through one's Feeling Healing process and then made divine through asking for and receiving our Heavenly Parents' Divine Love.

For 200,000 years, **humanity** has pursued the pathway of the Mind, being that of the brain, this is the wrong pathway. The Mind is the pathway for Angels and that of all of Nature.

CREATION of SOUL and SPIRIT:

God is *The Paradise Trinity* — the eternal Deity union of the Personalities: the Universal Mother and Father; the Eternal Son of Truth; and the Infinite Daughter Spirit of Mind.

The soul of each human personality (sons and daughters of truth) is existential, driving our personality expression in the experiential. The soul of each human finds truth by embracing one’s feelings and longing for the truth of them. We are to attain the Eternal Son of Truth. We are a creation of Truth.

The soul of angels is experiential, evolving through their experience by continually progressing in mind development. Angels are to attain the Infinite Daughter (Spirit) of Mind. Angels are a creation of Mind. Our soul is duplex (we have a soulmate) and is created by our Heavenly Parents. Through our Feeling Healing we perfect ourselves enabling the union with our soulmate, as we progress in truth up through the Mansion Worlds, celestial heavens and all the way to Paradise.

The soul of angels is also duplex, yet of the mind, and they progress in mind evolution to Paradise. Animals, plants and nature spirits are also creations of Mind.

Neither we nor animals reincarnate. We never die; upon death, we move into the spirit Mansion Worlds on our journey to Paradise. When animals and plants die, be they the tiny microbe to the mighty elephants of the land and the whales of the ocean, their spirit energy returns to the Spirit Collective Energy. And from this energy are drawn other animals and the nature spirits, who then in turn move onto becoming angels through increasing mind experience.

A nature spirit is an angel in waiting.

FEELING HEALING and SOUL HEALING with the DIVINE LOVE:**James Moncrief Publications:****all publications are free downloads:**<http://divinelovesp.weebly.com/my-free-books-and-free-padgett-messages.html>

It is suggested for one to consider reading as follows:

Speaking with Mary Magdalene and Jesus – books 1 – 4

These four books encapsulate the second of the revelations with the first having been introduced by James Padgett one hundred years previously. These four books provide a wide range of guidance that has never previously been made available.

Paul – City of Light

As a gentle intro into the Divine Love and Healing; being James Moncrief's first novel and it's been criticised as being too heavily clichéd, but that's the point because it's a reflection of how he was back then.

Ann and Terry

For an example of people who might want to immediately start working on themselves and doing their Healing.

Feeling Bad? Bad Feelings are GOOD

For more understanding about our denial of our feelings and why we should not deny our feelings, and it includes how it all came about for James, using himself as an example.

Feeling bad will make you feel BETTER – Eventually!

This includes specific examples of Marion and James working on expressing particular bad feelings, again with the hope that it will help others gain something of an idea as to what's involved in doing your Feeling Healing.

Sage – and the Healing Angels of Light

Through Sage who's 13 years old, the story is primarily about the two aspects of healing; that being, with the help of our angels, and the full Healing we can do by looking to our feelings for their truth.

**Religion of Feelings
Feeling Healing****Welcome to LOVE – the Religion of Feelings
you can heal yourself through your feelings**

So these books, including the four Speaking with Mary Magdalene and Jesus books, provide the essence of it all and are examples of James' work. Then it's up to whatever takes one's fancy. Other reading to consider may include:

The Padgett Messages being published as:**The True Gospel Revealed Anew by Jesus volumes 1 – 4****Book of Truths by Joseph Babinsky****The Urantia Book****Release one's pain through expressing one's feelings.****in conjunction with****Longing for the Truth when also longing for Divine Love.**

FEELING HEALING with DIVINE LOVE is SOUL HEALING:

A collection of 'papers' that draw together specific topics including all of the above and more from other sources of information and revelation designed to help increase one's awareness about why we have the problems we do and how to heal them, all whilst living a more healthy and sustainable life. They provide a brief snapshot of the more complicated topics and issues.

**Firstly, consider discovering the truth of your emotional pain through Feeling Healing.
Secondly, consider longing for our Heavenly Parents' Love as you progress with your healing.
Primary and most important readings are the writings of James Moncrief.
Then consider the Padgett Messages, and then The Urantia Book.**
