Treatment programs to be developed and approved by a patient are best structured in a format that encapsulates the elements of:

Western Medicine being Allopathy

+

Energy Medicine being Complementary Therapy

+

Nutrition / Diet Enhancement

+

Emotional Processing

The last three elements do not conflict with Allopathic practices, they complement western medicine procedures.

The patient / friend / client must take full responsibility for the program and the management of same with the support of the appropriate practitioners.

Learn to heal yourself, release negative beliefs which keep you imprisoned, let go of destructive patterns and emotions such as resentment, fear, depression, anger, failure, jealousy and hopelessness. Connect to the wisdom of your body, learn to use your intuition, open your heart and experience joy, compassion, clarity, relaxation and love. Discover the innate intelligence of your body and how to use it to create amazing transformations. P.13 The Secret Language of your Body.

Every illness that manifests itself in the physical body can be related back to blocked and suppressed emotions. This is not an exact science, nor need it be. All blocked and suppressed emotions need to be accessed and released.

Every physical ailment that you have is a total reflection of soul condition, emotional errors that you are holding onto, and each soul condition emotion affects a certain part of the body.

HEALTH DOME:

The **Health Dome** needs to be viewed internally as a hologram.

Each health modality interconnects and is complimented and supported by each and every other health modality.

No one process or practice is an exclusive solution.

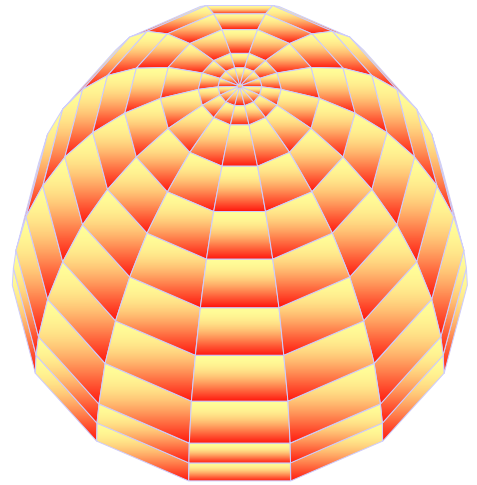

If you were to say that one practice or solution stands out above and beyond all others at the pinnacle of the **Health Dome** then that would be **Love and Forgiveness**.

The basic malady found in people is self-hatred. Self-hatred is the basic inner illness in all of us, but just how that self-hatred and non-acceptance of the self manifests is shown in our different character structures. As we work to understand our dynamics on a daily level, we can learn to accept ourselves through this process. Self-love is the greatest healer, and self-love also requires daily practice.

The broad view of the healer encompasses the totality of the human being. In healing there is no separation between body and mind, emotions and spirit – all need to be in balance to create a healthy human being. The healer focuses on physical, psychological and spiritual malfunction. It is impossible to do healing without affecting the psychological levels of the personality. The more the healer understands the psychodynamics of his/her clients / friends, the more the healer will be equipped to help the clients heal themselves.

Finding the initiating cause of an illness is always a key part of healing.

The objective, from within the Pascas Health Dome, is to treat the cause much more so than just treat (suppress) the symptoms. Re-occurrence of many illnesses is due to the non-treatment of the cause – the core emotion.

SOUL CONDITION & DESIRE:

Health care developments, that are loving, are typically introduced by our spiritual buddies from within the higher spiritual realms, if not from the celestial realms. These modalities, when delivered by health carers who have loving soul conditions and are assisting friends / patients who desire to improve their condition, are also assisted by teams of spiritual friends.

The teamwork of loving care, desire and intent of the patient, guided health care practices and spiritual support can and does achieve miraculous outcomes.

NATURAL LOVE or HUMANITY’S ERRONEOUS EMOTIONS:

Your soul, being your real you, is an emotional being. Your soul, though a thought of God, does not possess anything of the divine within it. It existed in a state of bliss, in a natural love state, pending individualisation which is achieved at conception which is the time of incarnation. Your soul is endowed with natural love emotions noted within the top section of the Map of Consciousness scale, being those emotions calibrating above 200.

Humanity’s erroneous emotions are those calibrating below 200 on the Map of Consciousness. The environment around a newly conceived child progressively degrades the condition of that child’s soul. When the child reaches about the age of 7, the child’s soul condition will reflect the parent’s condition. These negative emotions are like a crust around the pure soul it has within.

EMOTION CODE:

The Emotion Code (How to Release Your Trapped Emotions for Abundant Health, Love, and Happiness).

In The Emotion Code, renowned holistic physician and lecturer Dr. Bradley Nelson skilfully lays bare the inner workings of the subconscious mind. He reveals how emotionally-charged events from your past can still be haunting you in the form of “trapped emotions”; emotional energies that literally inhabit your body.

Dr. Nelson explains clearly and concisely how trapped emotions can create pain, malfunction and eventual disease. In addition, trapped emotions can exert a dramatic effect on how you think, the choices that you make, and how successful you will be.

Trapped Emotions – the Invisible Epidemic

Much of our suffering is due to negative emotional energies that have come ‘trapped’ within us. The Emotion Code is a simple and powerful method of finding and releasing these trapped core energies.

HEALING CODE:

The Healing Code is your healing kit for life – to heal the issues you know about, and the ones you don't. In 2001, while trying to cure his wife of her long term depression, Dr. Alex Loyd discovered how to activate a physical function built into the body that consistently and predictably removes the source of 95% of all illness and disease, so that the neuro-immune system takes over its job of healing whatever is wrong with the body. He also discovered that there is a Universal Healing Code that will heal most issues for most people – physical, emotional and relational, as well as enabling breakthroughs in success and well being.

Alex Loyd the Healing Code

<http://www.youtube.com/watch?v=gQM00mQZZpU>

Stress wreaks havoc on our health. Author of The Healing Code, Dr. Alex Loyd, a psychologist and counsellor, discovered The Healing Code system during his quest to cure his wife's clinical depression. He claims that it can heal virtually any physical, emotional or relational issue.

INTENTION:

“Human intention can strongly influence the physics of this duplex space, our physical well being,” says Dr William A Tiller.

Human acupuncture meridian / chakra system exists at a higher Electro-Magnetic (EM gauge symmetry) state, so that focused and sustained human intention channelled through this system can produce amazing transformation both inside and outside the body.

Human intention is created within the domain of the soul.

“Never can one man do more for another man than by making it known of the availability of the Feeling Healing process and Divine Love.” JD

5 Ways You'll Benefit When You Use The Healing Codes

	<p>You'll take charge of your health—and feel younger and healthier than ever before. If you have nagging health problems that have been bothering you for years... or if you just simply feel sluggish or "out of whack," I'll show you how to treat yourself safely and effectively. I'll show you how to go beyond the symptoms your doctor wants to treat to discover the root cause of whatever's ailing you.</p>
	<p>You'll go beyond the same old tired health advice. Because a large percentage of those who use The Healing Codes are "hopeless causes" who have tried everything under the sun, you'll find The Healing Codes refreshingly different.</p>
	<p>Targeted Solutions – The specific targeting The Healing Codes provide are the destructive, unhealed memories. These are the source of stress... when you remove the destructive memory pictures in the heart and subsequently remove the stress from the body, the neuro-immune system can then heal just about anything on its own.</p>
	<p>Lower Health Care Costs – A recent study published in the <i>Wall Street Journal</i> stated that the money spent on health care in the United States has exceeded 15% of our Gross National Product. The Centers for Disease Control and Prevention in Atlanta estimate that 80% of all health care dollars are spent on illnesses related to stress. When you are able to reduce the stress and heal the origin of the health problem, you reduce and in some cases eliminate, all related health care costs.</p>
	<p>No False Findings, Risky Drugs and Needless Surgery – In many cases your doctor is just "flying by the seat of his pants" when it comes to diagnosis and treatment. Why subject yourself to those when a better option is available through The Healing Codes.</p>

LETTING GO with The LOVE:

Find a comfortable position to relax and be still and free from interruption. This may be for a few minutes or as long as you may please.

Long for and ask our Heavenly Parents for Their Love, the ultimate high octane super fuel being the light golden blue energy substance of Divine Love. Each little drop of the Divine Love received whilst doing one's Feeling Healing prompts one a little further. Ask for assistance and the Love to enable held errors of thought and belief to be released. One's personal intent and involvement in letting go of past incurred difficult emotions is most beneficial.

Step 1: Focus on an issue that you would like to feel better about, and then allow yourself to feel whatever you are feeling in this moment. Identify the negative feeling. Focus quietly on the feeling. Breathe into the sensations and allow them to be.

Step 2: Ask yourself one of the following three questions:

- Could I let this feeling go?
- Could I allow this feeling to be here?
- Could I welcome this feeling?

The mechanism of letting go is concerned with the emotional “what” from moment to moment, without involving the intellect. What is the benefit of this emotional feeling? What is the point of holding this hurtful belief at all? One may start laughing at the absurdity of long held errors or injuries upon reflection. **Breathe into the sensations and allow them to be.** Your willingness to accept the sensations may intensify them. This is okay.

Step 3: No matter which question you started with, ask yourself this simple question: Would I? In other words: Am I willing to let go?

Step 4: Ask yourself this simpler question: When? This is an invitation to just let it go NOW.

Step 5: Repeat the preceding four steps as often as needed until you feel free of that particular feeling.

The only way we can truly let go of them is by SPEAKING THEM OUT OF US, getting right into them with the feeling, and emoting and expressing it – whilst longing to see the truth of it...

Our willingness to let go thinking and accept what's happening is our ticket to inner freedom. Each time you sense a disruption inside, turn down the volume on the thoughts, breathe into the sensations and allow them to be. This is what we need do to let go. Simple. The challenge comes in being vigilant with letting go all negativity – no exceptions.

This process is ever so freeing and uplifting, though sometimes difficult.

**Feeling Healing
with Divine Love is
the key!**

MODALITY MATRIX within a HEALING DOME:

When a medical intuitive 'asks' for guidance, he is most likely to have channelled to him a very profoundly simple way of addressing the issues that he is focused upon. These revelations are profoundly effective for those who are open, that is, not restricted by apathy or stubbornness. The efficaciousness of the modality is relative to one's intent and desire to feel and release the underlying issues behind one's pain and illness.

We are noticing that the healing modalities that are emerging are typically being provided by celestial spirits, not natural love spirits, but Divine Love spirits. You will note that the solutions have been asked for by the medical providers who have close and personal reasons to receive assistance for themselves and / or close family.

If the health carer calibrates over 500 (second sphere equivalent), being in a soul condition of love, then the modality will work. If the calibration is lower for the practitioner, stay at home for the day. Refer to David Hawkins' Map of Consciousness, kinesiology muscle testing can readily determine a calibration.

The modalities, as introduced by the practitioner, are required to be based on love for them to be effective. The calibrations for these spiritually guided and spiritually assisted modalities are typically very high on the Map of Consciousness scale (Emotion Code, Healing Code, Journey Process).

If the patient / friend have intent and desire to feel and experience the emotional issues, then the health modality will work to alleviate the issue being addressed.

Thus, we can have combinations of modalities, yes, you can mix the emotion code with the healing code, and it will work wonderfully.

You may be assisted by a sizzling hot (loving) practitioner, over 500 on the Map of Consciousness, even with almost no knowledge of the modality, and it will work.

And if the friend / patient do not have supportive intent / desire then we get a zero / nothing can be achieved regarding the outcome.

Thus, you can see, several elements must be lined up. If one is not, then it will be a disappointing outcome.

So, you can bring together these three elements;

1. The efficacious modalities can be almost anything that is based on love.
2. The intermediary or practitioner is in a good soul condition of love.
3. The patient / friend having a heartfelt desire to resolve underlying core erroneous emotions.

With these three aspects all lined up, then the possibilities of alleviating a health issue is very promising.

FEELING HEALING versus other EMOTIONAL PROCESSING METHODS:

Thursday, 13 July 2017

Hi James and Nanna Beth (questions from John)

The question to address is:

What is different with the outlines of the Feeling Healing process as against the numerous other emotional processing methods?

Nanna Beth: The difference is the focus on the truth: uncovering the truth of yourself through your feelings – uncovering the truth of your feelings. It's a rebellion against the Truth, so if one doesn't want the truth, nothing will happen, one will only move deeper into one's rebellion against it.

And because the focus is on the Truth, so one can use it all the way to uncover the Whole Truth of Oneself. And there is nothing else teaching that.

All the other systems that involve looking to feelings to some degree fail to understand the deeper significance of wanting the Truth. Many people uncover some truth of themselves through their feelings, but mostly they end the process because they don't want to follow it right the way through, which means they only want to heal some momentary pain, and once that is done, are usually happy to continue on in their untrue state.

And because one is wanting to uncover the whole truth of oneself, then it becomes a full spiritual experience, and one that can be done by oneself, so without needing help from another, although at times help is sought and used. So the Feeling Healing embraces Healing the whole seven Mansion Worlds worth of self- and feeling-denial, which is the complete Rebellion and Default. Other systems might only work at some aspect of it, limiting the ascent of truth through all the Mansion Worlds.

And basically no one understands the absolute depth of the problem within themselves, which is only borne out by people and spirits doing their whole Healing. Much of the current psychological understanding falls well short of understanding the depths that are involved because they don't include the overall problems brought about by the Rebellion and Default. You have to understand you are rebelling against yourself: the truth of yourself, and so against your own soul; which is then the truth of God, so the Mother and Father; and that also includes the truth of Mary and Jesus. So at some point you have to rectify all those relationships, which you can't do unless you understand the bigger spiritual picture. And so that's what James has revealed, taking all Marion has said, all the books offer, adding his own stuff, and putting it all together as a way of life, a spirituality that can be lived, and one the initially focuses on Healing oneself of all one's wrongness.

Why have all other methods of releasing and delving into emotions not been successful?

Nanna Beth: Because they don't understand the scope of the problem, as I said above. They are not approaching it from the point of view of understanding the nature of one's Repressed Childhood state, the extent of that; and then how one needs to allow oneself to feel all the bad feelings, not reject them; and then bring them out, which is the releasing of them; all whilst wanting to know the truth of them – the truth of what you are feeling. And that truth is what needs to come up within you so you can heal

your will and become a truly functioning person, fully self-expressive, self-loving, and growing continually in truth.

All the other systems work within the control of the mind, so once the therapy ends, the mind regains control albeit in a different way. Only the Feeling Healing and Soul Healing with the Divine Love, seeks to entirely break the control of the mind over one's feelings.

Why haven't other methods been going deep enough?

Because people are basically afraid to push into such early childhood trauma without understanding where they are going or what it's all about. The leap of faith is too great, as it would mean they would have to rise above and conquer the Rebellion and Default within themselves, and that's simply too much to ask. The negative truth-denying systems within everyone are too deeply entrenched.

However the spiritual structure outlined by James provides a structure that allows you to deal with the Rebellion and Default, allowing you to maintain your faith, and evolve it, as you progress in your growth of truth – it gives one a picture to work with. Very few people, and possibly only Marion in fact, are able to press on into such dark depths without any structure and with only a faith that it's what she and God want to do.

I (Beth) couldn't have done it Marion's way John, I wouldn't have allowed myself to feel such pain, I needed to understand the bigger-picture reasons as to why I was in such pain, and be given the understanding that if I kept at it, one day it would end. Marion doesn't know it will end, she just keeps going one bad feeling at a time, which requires a tremendous amount of faith and over so many years and through so many inner obstacles; and still she doesn't know if it will end, but as she says, there is nothing else she can do other than keep going because she tried everything else. And she doesn't want to let her mind come in, only wanting to stay true to her feelings, so she doesn't want to know about the bigger picture even though she has worked it out along the way for herself and for James to understand which he's worked into his books.

So the spiritual aspect or approach James has provided, even if it's not actually talked about; the simplicity of honouring your feelings, and in particular your bad ones, then by accepting them you allow them to have their say, so you express them, all whilst longing for the truth, includes all one needs to know. And so by doing that, one will be able to fully Heal themselves working it out along the way for themselves; and even if they don't understand it, will be living the highest truest spiritual life one can live in one's wrongness, which in time will lead to one's Healing of one's rebellion and default.

On the surface of it, what James has related seems overly simple, but doing it yourself, and see what happens and what results; and that will take one deep into oneself uncovering the whole truth of oneself.

Many will consider that what they have been doing is adequate – why are they wrong in their understandings?

Nanna Beth: Because they don't understand what it's really all about. They don't understand the mind is in control of their true feelings, and that needs to be stopped. They don't understand the significance of their rebellion against the Truth, and how that happened by default. They don't understand that it's

about uncovering the whole truth of yourself through your feelings, all your feelings, but focusing to begin with on your bad ones because they are what most people don't want to see. Everyone else sees it that they are doing this feeling type healing to make themselves better, to rid themselves of their pain and trauma, so instead of taking a pill to take the pain away, they are using some sort of emotional clearing system. But that is all still to take the pain away, to fix themselves, to heal themselves, to effectively take a pill so it all goes away, just like what the 'Divine Love people' hope the Divine Love will do for them, but it's not to uncover the whole truth of themselves. We have to see the truth of our pain, why we're in it, how it all came about, so what really went on in all our early relationships. It's not about doing anything that just takes all our suffering away. We have suffered for valid reasons, which all have to come to light. And so only emotional and feeling accepting systems to help one see such truth of one's pain and suffering are of any worth. And unless you uncover the whole truth of yourself, you'll never set yourself free of your rebellion and default, of all your soul pain. And the truth means to see the whole truth of why you feel unloved, how unloving your early relationships were, why you don't love yourself, why you are unloving, why you are evil and wrong, which basically no one wants to face.

So to summarise: We all have to see the truth of our unlovingness. We can't avoid it – deny it. We have to face it and feel all it makes us feel. And all those bad feelings lead us into the truth of it. So we have to understand – bring to light through our feelings – all the truth of our unloved, negative, evil, wrong state. And then once we've done that, we can be free of it. So until you uncover and feel the whole truth of it, it will never leave you, you'll remain in rebellion against yourself, you'll continue to be unloving.

I have considered with James, that Marion and he actually represent the two extremes of what is involved in soul-healing. I have found one such writing by James, back in 2006, that points to this. My feeling is that their two extreme ends of the experience matrix makes them perfect for bringing together the understandings that will benefit all people, no matter what their circumstances maybe.

Nanna Beth: If we accept that Marion and James are the Avonal Pair here to reveal the essential truths to humanity about how people can Heal themselves of their rebellion against the truth of themselves, then what you deduce is correct, for they have between them had to take on every negative aspect of the Rebellion and Default and so Heal it, which is healing all the circuits on a technical level, thereby opening the way for humanity to follow.

So if you consider this John, it is pretty amazing that two people can take on all the denial humanity is in, approaching it from opposite ends, which equates to the effects of the Default of Eve and Adam (following on from the Rebellion), and that such wrongness can be concentrated into two family units, and mostly in two parent pairs (being Marion's parents and James' parents). And so what is the likelihood of that? And then for them to live in the same city being the first children of such 'bloodlines of denial', and meet each other, and at a time needed to give themselves all the time to systematically work their way laboriously up through all the negative mind and will circuits. So to be subjected to so much woe, and to be able to keep going with no help from anyone other than each other, and a little backup from the spirits and the Mother and Father on James' side, yet with that involvement opening up even more messed up and corrupted mind circuits he's had to work his way through.

So if it is true they are the Avonal Pair, it shows us all just how incredible the soul of the Avonals are, to be able to go into such corruption, taking it all on, and then working it all through and Healing themselves of it, all basically without any real help from anyone, so just on faith and pure longing for the truth.

And should they reach the end of their Healing before they die, and should the truth then be fully declared that they are the Avonal Pair, even going against all what The Urantia Book (TUB) says, they having to uncover the truth in all things whilst rejecting the untruth such as in TUB and Padgett Messages (PM), with nothing having been straightforward and of any real help, then it will be cause for major celebration.

And it's what we are preparing for, what you are too John, to see if Marion and James are indeed the Pair, and then to give them all the support they will need to do whatever it is they are to do in the public sense. This is all their private work so far, of which you and I have become substantial parts of, the doing of their Healing preparing themselves for when they are Healed.

And if it turns out they are not an Avonal Pair, they are only just a pair of ordinary mortals who've somehow managed to keep going, dealing with all their pain, longing for and bringing to light all the truth of it, then they will be the most extraordinary mortal pair because they will have been the one's who broke the back of the Rebellion and Default. So either way you look at it, it will be quite an achievement.

And so we are all waiting to see if the theory is realised by such Avonal-truth awakening in their soul at some point, for then we will all know it will be true, just as they too will know. For now Marion doesn't contend with any of it, and James only on a mental level because of what the Melchizedeks told him years ago, but it all has to come to them through their feelings like all truth, which will only happen once they've fully Healed themselves or toward the end of their Healing. Because in the meantime, whilst they are still in their wrongness and denial of truth, part of that denial is denying the truth that they are Avonals. And again the whole Avonal business has been yet more problems and negative circuits James has had to personally work through, whereas Marion has solely focused on only dealing with her feelings, not having to contend with all the other mind stuff.

James, when you feel up to it, may I have your observations please? And Nanna Beth, your angelic eye on this subject would be most helpful, if you please?

These two subjects are possibly leading to the crux of what we are sharing through the Pascas Papers. I now see that these 'colourful' handouts are essential in introducing and supporting the major publications of James Moncrief and James Padgett.

Nanna Beth: The handouts will help introduce people to such writings. But what I want you to understand John, is really it's James – because of his writings (and Marion, because she is leading them both in it all) that is what's most important. The Padgett Messages (PM) are really to be included in James' work, which he does, by taking the crucial parts and integrating them into his work – with the most important truth being that about longing for the Divine Love. So really the PM are secondary.

As you understand, the Padgett Messages can't heal you. The Divine Love is about immortality of the soul and becoming divine, it's not about ending your rebellion against the Truth. And ending the rebellion needs to come first: the Truth then the Love, then the Divine Love can be introduced, even though of course the Divine Love can be introduced at any time.

So really one need only work with James' (and Marion's) work, which includes longing for the Divine Love. People are to look to them first, and then later to Mary and Jesus. To put Mary and Jesus ahead of Marion and James can cause you problems because you will overlook what Marion and James are revealing. But as Mary and Jesus are known and with such importance placed on Jesus, and now with the PM and the Divine Love, so it's all the more confusing. Even added to by James having written focusing on and making Mary and Jesus more important than himself and Marion.

But as I said, it's Marion and James first, then Mary and Jesus and the Divine Love. And Marion and James are more than capable of also introducing the Divine Love and the truth of Mary and Jesus, which they would have done had Mary and Jesus not come to Earth. So really Mary and Jesus are not needed, and as I said, can get in the way, causing people to focus too heavily on them whilst missing the more essential truths of having to do your Healing by looking for the truth of your feelings (the 'Divine Love people' being examples of this). However with Mary, and Jesus in the PM, being so dominant, it is all just more of the confusion and part of the rebellion. And at the same time I don't want to downplay Mary and Jesus and lead people to believe they are not as important as Marion and James, for they are most important, and much more important being the Creator Pair of Nebadon, and Marion and James would rather not exist than have people think they were more important than Mary and Jesus; but as you understand, I'm just trying to put the revelation of truth into context, because it's all being revealed round the wrong way.

People and spirits were given the opportunity to deny Mary and Jesus whilst they were on Earth, taking the Rebellion deeper; and then to further deny them right the way through their age; and now further still by including the PM. And now people will be given the added opportunity of denying Marion and James, which all ends up being one huge mess. And one in which only Marion and James can unravel. For I am only saying to you now what James has already written and what Marion and he have talked about. I wouldn't dream of taking anything away from them, and it's not my place to do so.

Firstly, consider discovering the truth of your emotional pain and injuries.

Secondly, consider longing for our Heavenly Parents' Love as you progress with your healing.

Primary and most important readings are the writings of James Moncrief.

Then consider the Padgett Messages, and then The Urantia Book.

Love from us all over here – your Nanna Beth.

Life Practice Matrix - Feelings First

Feelings first

EMOTIONAL INJURIES can be INDICATORS of PHYSICAL DISTURBANCES:

A number of similar harmful suppressions and repressions of emotional events will draw their energies together and also relatively similar injuries to that core, thus bringing about a unique cluster of held, damaging energy that then finds a home in a compatible organ or area of the physical body.

The foundation of such accumulations can commence immediately upon incarnation, being projections from one's parents and subsequently other family members.

The core emotional injuries grow and grow through relatively similar ongoing emotional patterns of parents and carers, thus creating the foundations for discomfort and subsequent illness within a child, and later on in their life. Due to the complexity and intertwining of the natures of those influencing a child, there is NO precise relationship between core and related emotional injuries – and specific illnesses or the nature of an illness – even though the patterns do suggest that this is so.

It is a generalisation that a range of emotions within a similar energy or frequency band find their manifestation by expressing themselves as pain and illness within one's body in predictable locations. Further, due to clustering of volumes of ongoing emotional injuries around the core issue, the healing process is complex and lengthy. The longing for truth of one's feelings resulting from the discomfort within one's body will be a lengthy process of working through the huge range of emotional issues directly related to any one illness event.

The gift to humanity is that any emotional injury gives us the opportunity to FEEL and LONG FOR the truth of what is behind the discomfort within our body, so that we may express what we recognise and talk the harm out of us – in this way we slowly heal ourselves – both spiritually and physically.

By ignoring what our body is bringing to our attention, by suppressing the discomfort, we bring about further escalation of the emotional error and a growth in the potential for greater vigour in the activity of the energy related to the frozen cluster of emotional injury. This may result in even more difficulty managing pain and disease within one's body.

This discomfort is a call to long for the truth behind what your body is drawing attention to and talk about what you are feeling, expressing what you feel is behind these issues, being your emotional errors and injuries, and express it out of you – release the injury.

OUR BODY NUDGES US TO LONG FOR TRUTH!

Should our physical body be without discomfort, pain and illness, we would not have any reason or prompting to pause for a moment and wonder what is behind such intrusions to our ‘harmony’.

In this way, our body guides us into asking for the truth behind such discomfort – to long for the truth behind our emotional injuries. Should we ignore these communications then our body will amplify its signals. They will strengthen progressively until we not only engage in our investigation into the underlying cause of the pain or illness, but also start to express what we are feeling – talk it out of us.

By expressing what we are feeling will not resolve all the pain until we have totally completed all of our healing. If we were able to resolve individual issues in this way, one by one, we would stop our healing process, our Feeling Healing. That would defeat the purpose of our body being able to assist us with our total healing of ALL of our childhood suppression and repression.

“We are parented heavily by our parents who use our and their physical bodies to control our emotions, feelings, mind and will. And we are forced to change from being true to being untrue – how they want us to be. Then through our Healing our physical bodies help us back the other way, from being untrue to being true. Our bodies show the damage done, giving rise to the necessary feelings we need to make us feel bad so we can use those feelings to keep uncovering the truth of our wrongness. With our soul causing our body to show the damage when it’s time for us to attend to the required feelings.

“Our parents inflict pain that changes us from being true to being untrue. And then when we do our Healing, our bodies express that same pain, giving rise to the same feelings, so we use them to heal ourselves.

“Our body is hurt and changes us. When we do our Healing, our body hurts and we change again, back into what we should have been.”

Note from James Moncrief 2 June 2018

Thus, it can be considered that Feeling Healing is the pinnacle of all healing modalities and that all health care systems (Allopathic, Ayurvedic, Traditional Chinese Medicine, etc.) are complementary when they do not shut one down from simply FEELING.

Our bodily discomforts, both physical and mental, remain with us in varying degrees until we transition into being Celestial – in at-onement with our Heavenly Parents – following completion of our healing all our childhood repression and suppression.

PHYSICAL DISCOMFORT is a COMPANION through out OUR FEELING HEALING:

We are to uncover the truth of our untruth through the Healing crying Mansion World levels (and their equivalent on Earth); and then once that's done, and with the appropriate amount of Divine Love in our soul warranting fusion with our Indwelling Spirit, we can move into the Celestial spheres of love (or their equivalent on Earth).

Spirit Mansion World 3 equivalent on Earth: is for waking up to the truth that you're not loving and starting to get in touch with your pain, starting to accept your bad feelings, starting to work with them instead of rejecting them.

Spirit Mansion World 5 equivalent on Earth: is then about going right into the depths of them, feeling how unloved you feel and seeing how unloving you are and how that makes you feel, bringing out the majority of your pain, your misery, fear, anger, guilt, hatred, boredom, terror, rejection, nothingness, feeling powerless, alone and abandoned, and so on.

Spirit Mansion World 7 equivalent on Earth: is then about still working with the deepest and residual bad feelings, whilst looking to sort out how you wrongly relate to yourself and others, nature and God because of being unloving, understanding how your relationships are unloving, how you don't connect properly, how unloving you really are and why and fully accepting the truth of it, coming completely to grips with your parents not loving you as you needed to be loved – sorting it all out, including your self and feeling expression difficulties.

One's acute pains – such as headaches, hip / joint / back pain, etc., all of which can be crushing and feel like they are too much – may be to do with the actual breaking down of controlling beliefs. And then associated with them, and perhaps even resulting from them, comes all one's repressed emotions and feelings, namely, fear, misery and anger, they being the big ones, together with feeling powerless, useless, too overwhelmed that you can't go on, broken, unloved, unwanted, uncared about and so on. All these feelings and emotions are also painful, but are a different pain to when you feel like your mind and some part of its control is being broken down. Usually, when the mind breaking pain passes, you then move into deeper emotions and feelings to be expressed, feeling like you are progressing in letting go of your untrue self, giving up more of your falseness – evilness. These intense 'mind-breaking' pains come intermittently, sometimes many together, sometimes for a short time, sometimes over weeks, months, even years. So overall one's Healing may feel like it's one long mental breakdown, with all the additional emotions and bad feelings that need to be released along the way. All of which are trying to bring one's will back into being as it should have been had it not been so interfered with.

Accept, express and long for the truth of your feelings.

Live true to your feelings; your feelings are your true self. Be free in your feelings. Free your feelings from your mind's control. Live true to yourself through your feelings.

BODILY PAIN is OUR FRIEND:

Our body stops us largely through pain, allowing us to pay closer attention to ourselves and our feelings. The pain is there for us to deal with, embrace and accept, to want to know why we have it, what is really going on deeper within us that is causing it. And by expressing our feelings of pain, and longing for the truth of them, we can use it to heal all that's wrong within us. This being our Feeling-Healing.

However as we all rightly hate pain, we do all we can do to stop it as quickly as we can, so we rush off to the doctor, take pills, drugs, busy our mind trying to 'take our mind off it', all of which is dismissing these feelings that are there to help us. So by denying our pain we are further denying ourselves, which in turn is going to further (at some point) cause even more pain.

Our pain is to make us slow down, to pay closer attention to what we really are feeling. It comes about to stop us running away from the hidden truth of it, that which relates to our relationship with our parents and how they treated us, causing us such pain. All our pain (pain on all levels, including the physical) is the same pain our parents have made us feel. And we need to use it to find the truth of this. So even toothache pain can stop you, leading you deeper into yourself, helping you express all the terrible emotions and feelings it makes you feel, all so you can uncover more truth of your relationship with your parents and early life.

So in doing our Healing, we try to put off rushing to the doctor or seeking immediate help to remove even the slightest pain, choosing to instead put off such visits or taking pills whilst trying to express and seek the truth of such pain. However when it drives you to seek help, of course you do whatever you want to do to take it away, all the while expressing all those emotions and feelings and longing for them to reveal the truth you are to see about yourself.

So our body and its pain is our friend, used by our soul to help us come back to being closer to ourselves, to living true to what we are feeling and to set us free of our mind control and denial of pain.

Pole Shift

Pole Shifts are our own very personal life experiences. They are as dramatic as the physical pole shifts that the planet Earth endures from time to time. However, our own life events are far more important.

At the moment of conception we are in a perfect state. From the moment of conception we are overwhelmed by the well meaning endeavours of our parents, immediate family and carers. They do not know what *true* love is, they have never experienced it, so we are not *truly* loved by our carers and teachers. We are crunched into submission by everyone within our environment. Our Natural Self Expression is all but obliterated! We are crunched into being someone else that others impose upon us. We are made into 'bad apples'. We proceed through our life experience, after our parents' well meaning but misguided endeavours, and have this falsehood strengthened by our educators, then our religious organisations, then our employers, all overseen by our governments. We have no way of expressing our true selves.

Now, for the first time in history of humanity, we can reverse our early Childhood Repression and Suppression and invoke our own counter Pole Shift. We can to liberate ourselves from our imprisonment within our mind that was imposed upon us from conception to around six years of age.

We can through our Feeling Healing embrace our feelings, both good and bad, long for the truth of what is to be revealed to us about such emotional events, and express such revelations to a companion and begin the climb of the pole to Natural Self Expression of our true personality. The task is painful, long and arduous; however, we are to liberate our true nature, our true selves of natural love, and in this way we will grow to be who we truly are, a child of our Heavenly Parents – and with Their Love, we can become Divine.

This is the Pole Shift that all of humanity is to engage with and grow from. This is the Great U-Turn.

The CHOICE is OURS to MAKE:

Celestial Truth:

Truly all-loving;
 Living true to oneself;
 Mind supporting Feelings;
 Living with the Divine Love;

Fully Healed of the Rebellion and Default.

THE FEELING WAY

Feeling – Ascendance
 Unlimited progression

- Living true to your untruth;
- Honouring all your bad feelings;
- Expressing feelings to uncover their truth;
- Healing the Rebellion and Default within yourself;
- Feeling unloved; being unloving;
- Feeling as bad as you can feel;
- Feeling like you are no one special;
- Longing for the Divine Love.

THE MIND WAY

Mind – Transcendence
 Limited progression

- Enlightenment, Nirvana, feeling all-loving;
- All false, mind-contrived. Anti-truth, anti-love;
- Still evolving the Rebellion and Default within yourself;
- Feeling and believing you are the Superior One;
- Living with your mind in control of your feelings;
- Living rejecting all your bad feelings;
- Living with your mind contriving you feel loved;
- Rejecting the Divine Love.

All religions, New Age, agnostic,
 atheists, no spiritual interest,
 Living the Rebellion and Default.

Hell:
 Exploiting the Rebellion and Default.

The Feelings are the doer; the Mind the teller. So we are to go with our feelings, which we can't be told to do with our mind. So the longing for the Divine Love, doing our Healing by expressing our feelings and longing for their truth, are all feelings and doing it with longing. Whereas the mind just wants to tell us what to do and how to be, no feelings in it, all how our parents have treated us.

Our FEELINGS are our SUPREME GUIDES:

Feelings!

Feelings are what guide us through our ascension of truth. So they are really our Supreme Guides. Many people look for a person, spirit, angel, even God, for supreme guidance, however it's all right there already built in – in our feelings. We just have to submit to them, allowing them to take us where they will, expressing all the parts we want to express, letting the emotion drive that expression if it's there to be expressed, or just talking about all we feel and how feeling that feeling is making us feel – or, how we feel about having that feeling, all whilst longing for the truth of our feelings. Longing for the truth of our feelings is really: Longing for the truth of our self, because: we are our feelings. So life stirs up our feelings, we feel being alive; or, being alive means we are feeling, always feeling; and when we work out what and why we are feeling what we are, so then we know the truth of how we are. And over time the truth accumulates, and our mind expands our understanding of ourselves, all being driven from our feelings. Kevin 26 Sep 2017

Using our feelings to uncover the whole truth of our negative or anti truth and anti love state.

Kevin: So whilst we're of an untrue state, then all we have got to help us understand why we feel bad, why we are wrong, why we are negative and anti love and truth, is our feelings. So if we focus on our bad feelings, they will lead us to the truth of why we're feeling bad. Which will be the truth of what happened to us to make us be this wrong way, and how we took on the wrong way and keep it going making us feel bad.

FEELING HEALING

Note: The vital difference between emotion and feeling is that emotions have their roots in the past, and feelings relate to the present moment. Emotions represent our feelings which were not previously expressed, and these accumulate with time.

Note: Our feelings are soul-based. Our soul is always in truth. It is our soul based feelings, that when allowed to be freely recognised, we will begin to express and be who we are. This takes time and perseverance as we have encrusted our souls with layers upon layers of errors and false beliefs, it is these layers that will confuse the truth that our soul is conveying to us. Only by our progression with our Feeling Healing will our soul's expression of truth become clear and free of all cloudiness and contamination.

“What our soul needs in accordance with our own, individual, **Soul-Light-Plan-Of-Destiny** (your life's true destiny plan), They, being our Mother and Father, will give you as required. The only way we can know truly what we need is to honour and follow our true feelings. They, springing from our soul, literally telling us what we need, and so when we genuinely feel we need something, we apply our will to get it. The hard part is knowing if our feelings are true, and until we have done our whole soul-healing, they won't be clear and total true.” James – Introduction Course to Divine Love Spirituality

WE ENDURE FOUR LAYERS of PERSONALITY SUPPRESSION!

Unknowingly, our parents pass onto their children (us) their beliefs and way of living that has evolved since the Rebellion, some 200,000 years ago, and then the Default, some 38,000 years ago. In this way, humanity is suppressing the female, rejecting our Spiritual Parents, namely Jesus and Mary, and denying our Heavenly Parents being our true Mother and Father, of Their truth, standing and existence.

The Rebellion is against love, the Default is all the difficulties we have in our relationships because of our rebellion. Healing the Default is becoming true, to ourselves and in our relationships, and ending our unlovingness – our rejection of love, so ending the Rebellion. Nanna Beth 29 June 2017

We are souls, our personality is an expression of our soul. It is our free expression of our soul through our feelings that we are to embrace and follow. This expression may appear to be wilful in nature, from time to time, and consequently our parents' attempt to suppress this expression. They proceed to remodel us when as young children, in the manner their parents treated them and so on for many generations going back.

During our forming years, as a child, we are unable to recognise the suppression of our personality as being extra-ordinarily harmful to our soul based personality and, accordingly, we don't know that things can be any other way. Presently, neither do our parents.

This childhood suppression way of living continues throughout our schooling years, thus we learn this is a way of life that is normal.

Our religions all have been formed based on the tenets of the Rebellion and Default. The teachers and leaders throughout all denominations take us further away from our suppressed feelings that have been hammered into us during our forming years, thus entrenching us further into rejecting our true selves.

The controlling and suppression mechanisms of our parents, educators and spiritual teachers all manifest throughout all of commerce. This control comes heavily and brutally down upon all levels of employment. The capability to express one's soul based attributes and gifts is sealed throughout all of one's working life.

A new way of living is to enable the liberation of one's true personality through the Feeling Healing process AND the transfer of authority to the individual via embracing freedom of expression.

DEVOLUTION

Our childhood suppression of our true and loving soul based feelings is creating global pain and personal isolation amongst all of humanity. We are very sick!

In our struggle to find solace and purpose, we further withdraw into ourselves, becoming ever more self dependent, believing our control addicted mind that it can solve everything. We just drown further.

We embrace an ever expanding and diverse range of pathways to escape from our personal pain, fear and desperation. Alcohol has now been complimented with narcotics, hallucinogens, including caffeine (coffee). Gambling has been complemented with computer games which are generally entraining the mind further into error and pain. Technology is making us sicker!

We bury ourselves in front of the television to further avoid contact with anyone, especially family.

Children endeavour to exert their independent authority from domineering controlling parents (which we all are eventually) by disfiguring their bodies with tattoos and piercings, etc.

We shut out the noise with headphones, thus preventing contact with others. We use electronic devices to 'text' others even at intimate engagements.

Technology will take us further into the depths of our madness. You now can buy headsets that prevent any contact with the outside world while playing mind suppressing and entraining entertainment – games!

No one loves their children, they are ignored, and the controls hammered into them turn them into clones of ourselves. Look at ourselves and we can all see that we have been all messed up by our own parents, as they have for generations over the past 200,000 years.

No more of this! We can escape this man made hell!

EVOLUTION

STEP 1: Longing for and receiving Divine Love:

- A. Soul within spirit body prior to receiving Divine Love.
 B. Divine Love being received from the Holy Spirit, covering the spirit body of requesting personality.
 C. Divine Love having been assimilated within one's soul, now being reflected through the radiance of the spirit body.

STEP 2: FEELING HEALING + SOUL HEALING

It is the Divine Love that strengthens one's resolve to persevere with embracing one's suppressed emotional injuries, that occurred from conception through to around the age of six, and longing to know the good and the bad of those feelings, together with talking about them to a friend, partner, one's self and our Heavenly Parents. It is only with the receipt of the Mother and Father's Divine Love and the expressing of suppressed emotional injuries that one can release the emotional injuries and errors to achieve Celestial soul condition and enter the Celestial Heavens.

Further, should one complete their Feeling Healing on Earth, then they will be able to recognise their soul partner, their other soul half, and should their soulmate have also embraced Feeling Healing with Divine Love, then their children will be born free from error, free from fear, and free from any deformity and illness. This is the destiny of humanity.

Further, being in this condition of free from error and being in constant communication with our Heavenly Parents, then one can also recognise and form their Soul Group. This will ultimately consist of twelve soulmate pairs, a total of twenty four personalities / individuals.

It is the bringing up of children by the support of soul groups that is to be the ultimate way forward. The group experience and wisdom, as a functioning family, will ultimately be of profound benefit for the blossoming child.

But what we cannot do is contrive the groups ourselves, or even pick who our soulmate is. This will only, and can only happen, as an outworking of the truth we are to live – as we progress in the healing of our soul.

And this is how all of life should be lived: according to the truth we are living. It is how we live, as there is no other way, but currently we live it in the negative, of that being directed by no truth, and so having to make it all up ourselves.

FEELING HEALING + SOUL HEALING

To heal one's self is to simply look to see what feelings we are refusing to let ourself feel, and accept them instead of denying them. And to fully accept them, one needs to express them, speak about them, let them have their say, rather than pushing them aside, refusing to let them make you feel bad.

Doing this all with the intention of seeking the truth of why you are feeling them, of speaking about and expressing all such feelings; all feelings you have, but ALL WITH the INTENTION of UNCOVERING the TRUTH THEY WANT YOU TO SEE ABOUT YOURSELF. And it's the wanting to see the truth of them that is very important, because if you just look to accept them and speak and express them, but not seek their truth, then that's all you'll be doing, speaking and expressing them, but not healing their causes, so not fixing the things within you that are making you feel bad. And it's the truth part of it, seeking the truth of your feelings, and so, seeking the truth through your feelings, that's vitally important. It's the truth of yourself, life, nature and God, that is the spiritual aspect to it all.

You CAN'T find the truth of yourself, or anything else, through and with only your mind. You HAVE to engage and look to your feelings. And so if you choose to allow your feelings to 'Show You the Way', then the truth will come as you express them. So to do our Soul-Healing consists of these steps, all of which are ongoing until it's done:

- **Admit you are feeling bad.**
- **Accept your bad feelings, identify what they are.**
- **Honour fully your bad feelings by expressing them, speaking about them to someone who is willing to hear you talk about them, or tell them out loud to our Heavenly Parents. Long for the truth of them. Long for the truth of why you feel bad – what deep within you is causing your bad feelings?**
- **And remember, bad feelings are Good! Not bad. They are not to be despised. And as hard as it is to accept them, they are still you, and a very real part of you. And if you persist in denying them and not allowing yourself to fully live them, then you are only going to keep yourself in your errors making things harder for yourself.**
- **All sickness and suffering, all bad things that happen to you, all your problems, all your addictions – your whole feeling-denying and untrue life, is all caused by your denial of bad feelings.**
- **Every problem in the world is brought about because everyone has been brought up to deny feelings, and in particular, most of their bad ones.**

If one is intent on spiritually evolving and growing in truth, then it's vital, and this is the key, that one looks to use one's feelings as the means to gain and have access to the truth of oneself. You CAN'T find the truth of yourself or anything else through and with only your mind. You HAVE to engage and look to your feelings. And so if you choose to allow your feelings to 'Show You the Way', then the truth will come as you express them.

Doing your Soul-Healing with the Divine Love, is really doing your 'Feeling-Healing'. We are designed — created — to be self-revealing of truth, and so we are all to uncover the truth within ourselves and for ourselves, and all being done by living true to our feelings. **If you accept, express and seek the truth of your feelings, then truth will come to you, and you'll grow spiritually. It's as easy as that. Also it is as easy as it is to long for, ask for and receive Divine Love.**

THE HEALING OF YOUR BAD FEELINGS THROUGH THEIR ACCEPTANCE
AND FINDING THE TRUTH OF THEM, IS THE ACCEPTANCE OF YOUR
NEGATIVE, REBELLIOUS, EVIL, IMPERFECT MIND AND WILL CONDITION.

To do our feeling-healing we need to become:

Aware of – Acknowledge – and Admit, our bad feelings.

So we can:

Accept – them and allow ourselves to Be them.

And then if we feel to, take:

Action – Express, speak and emote them.

Talk about them.

All being done whilst longing to, really wanting to, see the TRUTH of our feelings.

So it sounds simple.

So I repeat:

We accept our bad feelings by expressing – speaking about them to someone willing to listen to us and take us seriously. And as we speak we long for the truth of them – why we are feeling them – to be made known to us. And when we uncover and see the truth we are FREE! – healed of the causes that have made us feel bad.

Accept, Express – see the Truth, and you're Free!

ACCEPTANCE OF ALL YOU FEEL, THINK AND ARE, IS THE KEY TO DOING
YOUR HEALING; THAT, AND WANTING TO SEE THE TRUTH OF ALL YOU
FEEL, THINK AND ARE.

Release one's pain through expressing one's feelings.

in conjunction with

Longing for the Truth when also longing for Divine Love.

WE are meant to grow up LIVING FULLY CONNECTED to our FEELINGS:

Humanity has always had an awareness and involvement with spirits, with life on the other side, because we are all heading that way, we all end up dying and becoming one of the spirits, and were humanity living rebellion-free, then nearly everyone would enjoy some level of spirit involvement either directly or indirectly, loving such an expansive awareness in life.

We are meant to grow up living fully connected with our feelings in our physical reality, and at the same time with full feeling awareness of spirits and life after death, because after all, God is the greatest Spirit of us all.

And so having an awareness and involvement with spirits can, and should, help us have more of an awareness with our Mother and Father. And it's not with just spirits, it's also with the angels who are with us all the time, and the nature spirits should we be open to them, and even higher spirits if we are to work with them, such as the Melchizedeks or Trinity Teacher Pairs. But mostly for those people involved with the Divine Love, it will be with the Celestials spirit group that is assigned to help them.

It is very important to understand that spirits and spirit life is meant to be part of life on Earth. However that's not to say everyone need to have an ongoing relationship with their spirit friends, but they can at least still be aware of spirits and spirit life and where we will be going and something about what to expect once we die. And when you are open to it, lessening the grip of one's fears about it, then we will find it will be just another aspect or level of life, and one that can give us quite a lot of comfort.

TRUTH LOVING SOUL V ERROR INFLICTED MIND

**Feeling
Healing with
Divine Love is
the key!**

To liberate one's real self, one's will, being one's soul, is by embracing Feeling Healing so to clear emotional injuries and errors. With the Divine Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

 Learn to live with God through your Feelings

Accept, express and long for the truth of your feelings

Be free in your feelings
 Free your feelings from your mind's control
 Live true to your feelings; your feelings are your true self
 Live true to yourself through your feelings

Live true to yourself by living true to your feelings.
 Long for the truth of your feelings.

Accept / Express / Bring out ALL of your good, and most importantly,
 BAD feelings.
 Want to understand why you're feeling them.
 Use your surface feelings to take you deeper into your repressed and
 hidden feelings.

The Feeling Way is the True Way.
 Your feelings are your spiritual guide.
 Your feelings will take you to God.

Your feelings will show you the truth of your relationships, including your relationship with God; and if anything is wrong, untrue and unloving, then why it is.

Our feelings are sacrosanct and we should respect them accordingly. And we should NEVER block them out, ignore, override, banish, deny or reject them, because if we do, we're only doing that to ourselves, as Our Feelings Are Our Self.

Our feelings are the gateway to our soul. Our feelings are the closest we can get to our soul. Knowing the truth of our feelings is knowing the truth of our soul, and knowing the truth of God.

Feelings First Spirituality is the True path for humanity.
 It embraces all people.

It completely unifies the world.

Everyone can relate to everyone else through their feelings.

And we can all live the truth that comes from our feelings, all sharing the same truths as we express and have the same feelings.

No one need be left out; no one is more special than anyone else – we are all united in Truth through our feelings.

So with and through our truth we live our lives, therefore without the need of any man-made mind-laws, rules and restrictions that limit self-expression as inspired by our feelings.

The New Way, Feelings First Spirituality is what is to replace all man-made, mind-contrived religions that so many people have enslaved themselves to. The New Way, Feelings First Spirituality will set us free of all that control, ending the Rebellion and Default within ourselves as we do our Feeling-Healing, and ending such control and spiritual stagnation in the world.

Bring on the End Times – get it over and done with! Let's all see that Jesus is not going to come again, that Prophecy has failed all the mind-controlled platforms. Allow such false systems of belief to die their long-awaited natural death, they've overstayed their welcome, it's now time they fade away. So let us show such antiquated, erroneous systems of belief the exit and bring on the fresh liberation of discovering the truth of how we are to live for ourselves, each of us personally in our lives, and all by looking to our own feelings for it. Self-revelation through our feelings is the way to go.

The Way of the Mind is ending, and is really the End Times – the End of our mind control, and **it's about time!** With the Way of our Feelings replacing it.

The End Times means the end and therefore a New Beginning. And that new beginning is a whole new Spiritual Age – an age based on self-revelation of truth through one's feelings, coupled with and supported by higher revelations from the Celestial spirits, angels and nature spirits.

The Feelings First Spirituality is the True Way to God because it helps you get to know God, helping you to reach out, connect and be personal with God, and do God's Will, all through your feelings. It is the only true way of getting to know the God of Feelings – our beloved Heavenly Mother and Father, the Great Soul of Divine Love.

Love comes through our feelings and not our mind, as we've all been wrongly led to believe.

Feelings First; then comes The Truth; then comes Love.

LOVE is the Religion of Feelings, being:

1 Divine Love addresses the issues of the Rebellion.

The availability of Divine Love, should we so ask for it, being revelation 1:

God's Divine Love: Pray for it, ask for it, and receive it.

Whilst we are receiving our Heavenly Parent's Divine Love, and that this Love is causing change within our soul and spirit attributes, the greatest Truth known to man and spirit is that this is the way our Mother and Father are actually loving us! When we progress, it is the Mother and Father's way of loving us into love and then we live what we are, love.

2 Feeling Healing addresses the issues of the Default.

The way to clear one's soul of childhood errors and injuries is revelation 2:

To liberate one's real self, one's will, being one's soul, is begun by embracing Feeling Healing, so as to clear emotional injuries and errors. With the Divine Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

Release one's pain through expressing one's feelings.

Quantum Jump 1

REVELATION 1
James Padgett 1914 – 1923

James Padgett bravely introduced the availability of the Mother and Father's Divine Love and a great deal of additional guidance and information, all of which has been supplemented by Samuels, Judas, Reid and Arnold. All writers were under restrictions of personality and circumstances. Revelation 1 opened the door for humanity.

Quantum Jump 2

REVELATION 2
Marion and James Moncrief 2002
– ongoing

Marion and James Moncrief have recognised the need for one to engage in Feeling Healing and, by their actions, removed restrictions that James Padgett and others above endured, thus JM is able to critique the writings of the past 100 years resolving points of confusion as well as expand on what has been written. Revelation 2 is humanity's turning point.

Due to the extra-ordinary nature of Revelations 1 and 2, humanity with the first Revelation would have continued on into its negative pathway of living, however, combining the first Revelation with Revelation two, now humanity can embrace this turning point and commence its evolutionary growth that has required two thousand years to put in place. This is the greatest event in the history of humanity and very few are aware of such, until we enable others to become aware.

God is God, who is our Heavenly Mother and Father, being SoulMates. There is only one Soul that is God’s Soul, that being the Soul of our Mother and Father. Our Heavenly Parents are the First Soulmates; The Two Who Are One who have brought us all into being.

Jesus and Mary are a son and daughter of God.

Jesus of Nazareth and Mary of Magdalene, being soulmates, were both free of sin. Jesus and Mary, combined in their love for us, are our teachers and guidance for us to find our way home to our Heavenly Parents. To start this journey we are to liberate our souls from being entombed within our suppressive minds, through feeling and longing for the truth of our feelings via our soul and peel away our injuries incurred since conception.

Give yourself time to consolidate your relationship with the Mother and Father through the partaking of Their Love. And whilst you are doing this, you can learn about your healing, all that’s involved with it, as there are many willing spirits to share their healing experiences with you.

When you are ready it will start happening simply because you will want it to, it all being orchestrated by your soul. And when that time comes you will have developed a strong foundation in your relationship with the Mother and Father for you to work from. We are to feel our feelings, identify what they are, accept and fully acknowledge that we’re feeling them, express them fully, all whilst longing for the truth they are to show us.

It is to make longing for God’s Love the priority, and then do one’s healing; should one want to include God and the Divine Love in one’s feeling healing. This is doing your soul-healing as you are seeking to heal your soul of all evilness – of that which made you become evil, and release all the hurt and pain of not being fully and truly loved.

WE ARE Children of God

WE ALL ARE BEING GUIDED HOME:

We need the Spirits of Truth of the Avonal Pair to Heal ourselves; then once Healed, (and for support (overshadowing) as well through your Healing), we need the Creator Pair, Mary Magdalene and Jesus’ Spirits of Truth to see us through the Celestial spheres, while at all times embracing our Heavenly Mother and Father.

Until Mary and Jesus died and liberated their Spirits of Truth, no one from any of the worlds could leave Nebadon, because no one knew the way to do so. Nebadon is our local universe containing some 3.8 million inhabited physical worlds and their associated spirit worlds.

When we embrace the truths Mary and Jesus are revealing, and start to do our Feeling Healing, or with Divine Love, Soul Healing, we are then freeing ourselves up from our parental and self control.

Thus our journey to Paradise, to the home of our Heavenly Parents, is of our choosing as to when we progress, however, there is only one way:

HUM: Humanity is to ascend. We are self contained. Our soul is always in truth and perfect at all times. **By living true to ourself, true to our feelings, we are living true to God. It’s that simple.**

We are to recognise that being engaged and dominated by our mind is the wrong way for us to evolve and grow in truth. We are to discard the mind enslavement that has been imposed upon as by all of our parents. We are to express our feelings, both good and bad and free ourselves of the indoctrination that humanity has embraced worldwide.

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God’s soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of our Mother and Father.

AVO: We are to embrace the truths and guidance of the Avonal Pair through their Spirits of Truth. It is the Avonal Pair’s guidance that will lead us through our Feeling Healing, and with Divine Love, we will be able to ascend through the 7 spirit Mansion Worlds and enter the Celestial Heavens where we also interact with other world’s spirits.

J&M: We are also to embrace the truths and guidance of the Paradise Pair, Mary and Jesus, who will then lead us through the 3 Celestial Heavens that are aligned with Earth, and then further on through Nebadon where we will then depart beyond on towards Paradise.

M&F: Beyond the universal zone of Nebadon, we will be guided by our Heavenly Mother and Father onwards through the universes to Paradise where we will be welcomed by them, home for us all, as we are all Children of God.

HUM

WE ARE Children of God

WE ALL ARE BEING GUIDED HOME – NOW, HOW TO COMMENCE THE JOURNEY:

GOD

M&F

For 200,000 years, we have been misled into embracing our mind's distortion of wisdom and truth. All such traditional understandings only lead us in the wrong direction, from which we must turn back from. Our soul based feelings are always in truth. Our minds are to follow our soul based truths and feelings, not the other way round, as we have been brought up to embrace.

We are to connect with our deeper repressed feelings.
 We are to long for the truth of what we are feeling.
 We are to live true to our selves; by living true to our feelings.

Use your surface day-to-day feelings to connect with your deeper repressed feelings. Express your surface feelings and your deeper repressed feelings to uncover the truth of yourself.

J&M

We all have feelings which we communicate and share with each other. And we all have deeper buried and hidden repressed feelings. Feelings from our early childhood we felt, yet weren't allowed to express. These feelings are still within us, waiting to have their say. These feelings, because they are repressed, cause us all our problems.

And as we look to uncover, bring out and accept these deeper feelings, so we're taken into new ways of looking at ourselves, our feelings, and our life. We're setting ourselves free of the controlling patterns that govern our unloving behaviour.

In this way, we progressively begin to express the personality that our Heavenly Mother and Father gave us, not the one imposed upon us by our physical parents and carers. We are to be our true and real selves.

By living true to ourself, true to our feelings, we are living true to God. It's that simple.

AVO

HUM

As we, humanity, long for the truth of our feelings, we can also be assisted by the Spirits of Truth of the Avonal Pair who are our spiritual teachers for Earth over this coming 1,000 years, to assist us through the Great U-Turn, away from mind dominance to being soul based feeling lead. They will assist us through the seven levels of the spirit Mansion Worlds.

Then the Creator Pair, Jesus and Mary, will lead us through Nebadon and into the greater universe. Then our Heavenly Mother and Father lead us home to Paradise.

Collectively, should we embrace them all, as we are to, then our pathway home is a journey in the hands of the Spirits of Truth of the Avonal and Paradise Pairs overseen by our Heavenly Parents.

WE ARE Children of God

HOW TO GET TO PARADISE:

Long for the Divine Love

Long for the Truth

Long for the truth of your feelings

Don't deny any feelings: accept, express and want to know the truth of them

Know your feelings are the key; your feelings are the Way

Want to end your falseness and being untrue

Want to understand the truth of your early life

Use your surface feelings to move deeper into yourself, bringing up your repressed feelings

Want and long to know the whole truth of yourself

Want to do it all with God, your Heavenly Mother and Father – long to Them for help.

The Key

Our longing drives our life. We long with feelings. We can wish for things using our mind, yet long for things with our heart. These things in the pyramid are what to long for. Longing for them, when the longing comes naturally. Longing because you feel you really want them. Long to be true with all your heart. Long to live true to your feelings. Long to understand the whole truth of yourself.

PARADISE TRINITY:

1. **Our MOTHER and FATHER (God) (MF) – Divine Love**
SOUL (God) – One SOUL that is expressing its two PERSONALITIES, our Heavenly Mother and Heavenly Father (Soulmates)
2. **ETERNAL SON (ES) – Divine Truth**
3. **INFINITE DAUGHTER (ID) – Divine Mind**

Then: The Second and Third Persons of the Paradise Trinity (ES and ID) are stepped down to the local universe trinity (Mary and Jesus, Divine Minister (DM), and her Holy Spirit.

The LOCAL UNIVERSE TRINITY:

1. **MARY M and JESUS (MF) – Love – the Living Truth**
2. **DIVINE MINISTER (ID) – Mind (and her Holy Spirit)**
3. **HUMANITY – Natural love, sons and Daughters – Truth, and our Angels – Mind**

PLANETS that engage in REBELLION:

1. **AVONAL SOULMATE PAIR – the Feeling Healing process – incarnate**
2. **DAYNAL – TEACHER PAIRS – they do not incarnate**

So in summary:

Consider a diamond:

Mother and Father Heavenly Parents

Creator Son & Daughter
Jesus and Mary

Avonals
as soulmate pairs

Trinity Teachers
as soulmate pairs

Melchizedeks – who have taken over from the Caligastians and Daligastians being also all as soulmate pairs.

Mortal Souls – human beings who individualise on Earth, then progress through the spirit Mansion Worlds, then into the Celestial Heavens, and beyond.

Mortal Souls – also being ascending spirits, upon completing their Soul Healing, join with their soulmate, then join their soul group of 24 mortal spirits, being 12 soul pairs. It is only as a soulgroup that anyone can progress beyond Nebadon.

The Paradise Pairs are all ONLY concerned with the SPIRITUAL wellbeing and upliftment of the planets and local universe. Currently to do with Earth:

Mary and Jesus – spiritual wellbeing and upliftment of the whole of Nebadon region.

Avonal Pair – Daynal pairs (Trinity Teacher Daughters and Sons) – Spiritual wellbeing and upliftment of individual planets and their associated Mansion Worlds.

The Local universal Sons and Daughters are all about the running of the worlds under their jurisdiction, and ensuring the higher spiritual elements can be employed, or sent astray, as in our cases through the Rebellion and Default.

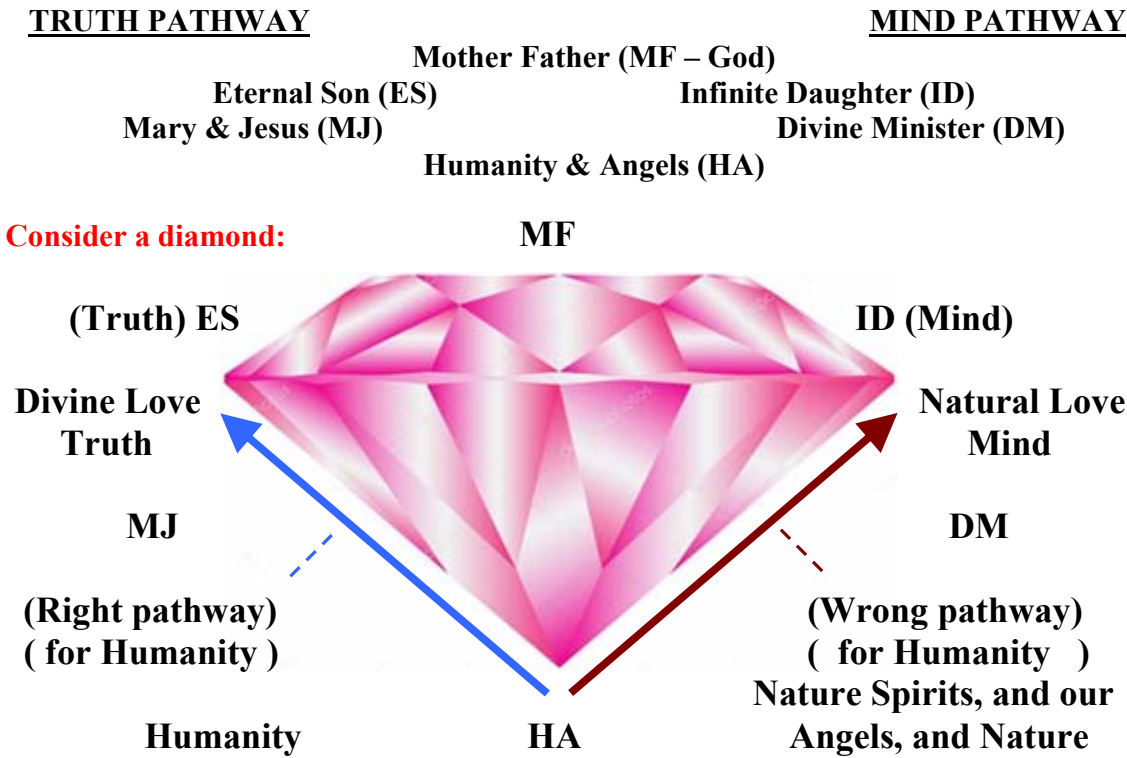

Lanonandeks – Melchizedeks (and others, such as Life Carriers and Eve and Adam).

As the Lanonandeks all rebelled – the Lucifers, Satans, Caligastias and Daligastias soulmate pairs – so the Melchizedeks have taken over their roles, as well as doing their own.

So the Melchizedeks are the governors, overseers, the administrators and advisors and so on for Earth; they are the ‘controllers’, and they will instigate all that needs to be done to do with the ending of the Rebellion and Default. And they will enlist the willing help of ascending mortal pairs, so the mortal Celestials spirits (soulmates when available, and others waiting to unite with their partner), and at times mortal spirits in the Divine Love Healing Mansion Worlds. And the angels help all of us.

Currently the whole of Creation exists for the ascension of mortal souls from their earth planets to Paradise. It’s all one vast Grand Ascension Scheme. With all the higher and lower spiritual Daughters and Sons, together with all the many different angels and other universal spirit personalities, and even including nature and our very own pets, assisting women and men with their Ascension Journey. It being: and Ascension of Truth. Everything we do is done to help us grow in truth. (Only everything we do in our negative state is to deny ourselves our truth from our feelings, which is why we have to do our Healing.) All women and men are ascending (or growing) in truth through their experiences. And as we grow in truth by looking to our feelings to show us that truth, so we’re ascending, moving inwards and upwards through all the worlds and spheres of the Grand Universe to one day arrive on Paradise and meet our Heavenly Parents. God is providing us, Their children, with this spiritual journey called our Ascension of Truth. And by living true to our feelings, so we are progressing on our true Spiritual Path – our Ascension Path.

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God’s soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of your Mother and Father.

Humanity is to pursue the pathway for Truth through one’s soul based feelings, this is the right pathway. However, humanity commences its journey founded on natural love, which we now know is to be perfected through one’s Feeling Healing process and then made divine through asking for and receiving our Heavenly Parents’ Divine Love.

For 200,000 years, **humanity** has pursued the pathway of the Mind, being that of the brain, this is the wrong pathway. The Mind is the pathway for Angels and that of all of Nature.

CREATION of SOUL and SPIRIT:

God is *The Paradise Trinity* — the eternal Deity union of the Personalities: the Universal Mother and Father; the Eternal Son of Truth; and the Infinite Daughter Spirit of Mind.

The soul of each human personality (sons and daughters of truth) is existential, driving our personality expression in the experiential. The soul of each human finds truth by embracing one’s feelings and longing for the truth of them. We are to attain the Eternal Son of Truth. We are a creation of Truth.

The soul of angels is experiential, evolving through their experience by continually progressing in mind development. Angels are to attain the Infinite Daughter (Spirit) of Mind. Angels are a creation of Mind. Our soul is duplex (we have a soulmate) and is created by our Heavenly Parents. Through our Feeling Healing we perfect ourselves enabling the union with our soulmate, as we progress in truth up through the Mansion Worlds, celestial heavens and all the way to Paradise.

The soul of angels is also duplex, yet of the mind, and they progress in mind evolution to Paradise. Animals, plants and nature spirits are also creations of Mind.

Neither we nor animals reincarnate. We never die; upon death, we move into the spirit Mansion Worlds on our journey to Paradise. When animals and plants die, be they the tiny microbe to the mighty elephants of the land and the whales of the ocean, their spirit energy returns to the Spirit Collective

Energy. And from this energy are drawn other animals and the nature spirits, who then in turn move onto becoming angels through increasing mind experience.

A nature spirit is an angel in waiting.

FEELING HEALING and SOUL HEALING with the DIVINE LOVE:**James Moncrief Publications:****all publications are free downloads:**<http://divinelovesp.weebly.com/my-free-books-and-free-padgett-messages.html>

It is suggested for one to consider reading as follows:

Speaking with Mary Magdalene and Jesus – books 1 – 4

These four books encapsulate the second of the revelations with the first having been introduced by James Padgett one hundred years previously. These four books provide a wide range of guidance that has never previously been made available.

Paul – City of Light

As a gentle intro into the Divine Love and Healing; being James Moncrief's first novel and it's been criticised as being too heavily clichéd, but that's the point because it's a reflection of how he was back then.

Ann and Terry

For an example of people who might want to immediately start working on them selves and doing their Healing.

Feeling Bad? Bad feeling are GOOD

For more understanding about our denial of our feelings and why we should not deny our feelings, and it includes how it all came about for James, using himself as an example.

Feeling bad will make you feel BETTER – Eventually!

This includes specific examples of Marion and James working on expressing particular bad feelings, again with the hope that it will help others gain something of an idea as to what's involved in doing your Feeling Healing.

Sage – and the Healing Angels of Light

Through Sage who's 13 years old, the story is primarily about the two aspects of healing; that being, with the help of our angels, and the full Healing we can do by looking to our feelings for their truth.

**Religion of Feelings
Feeling Healing**

**Welcome to LOVE – the Religion of Feelings
you can heal yourself through your feelings**

So these books, including the four Speaking with Mary Magdalene and Jesus books, provide the essence of it all and are examples of James' work. Then it's up to whatever takes one's fancy. Other reading to consider may include:

The Padgett Messages being published as:**The True Gospel Revealed Anew by Jesus volumes 1 – 4****Book of Truths by Joseph Babinsky****The Urantia Book**

Release one's pain through expressing one's feelings.

in conjunction with

Longing for the Truth when also longing for Divine Love.

FEELING HEALING with DIVINE LOVE is SOUL HEALING:

A collection of 'papers' that draw together specific topics including all of the above and more from other sources of information and revelation designed to help increase one's awareness about why we have the problems we do and how to heal them, all whilst living a more healthy and sustainable life. They provide a brief snapshot of the more complicated topics and issues.

Firstly, consider discovering the truth of your emotional pain through Feeling Healing.

Secondly, consider longing for our Heavenly Parents' Love as you progress with your healing.

Primary and most important readings are the writings of James Moncrief.

Then consider the Padgett Messages, and then The Urantia Book.

OVERARCHING ISSUES:

Our inherited traditional beliefs that are in error, that is, not founded on love and truth, are the crux of our emotional injuries and stresses. This is now reflected in worldwide stress that is reflected within these startling statistics. More than **40%** of us do not survive our physical experience from conception into adulthood.

These emotional issues can be reversed. A worldwide movement can eliminate the issues behind these global humanitarian injustices.

Our physical life starts at the time of conception, our soul is the life force for our spirit body and physical body.

Consider asking; what are the collages of erroneous emotions underlying these tragic events around the world throughout humanity?

What is the Divine Love?

“The Divine Love is that Love which belongs to or is a part of God, possessing Their nature and composed of Their Substance, and which when possessed by man to a sufficient degree, makes him divine and of the nature of God.” – **Jesus**, in a message received by James E. Padgett through spirit communications on May 15, 1917 – refer to the Book of Truths, published by Joseph Babinsky.

”**The Divine Love of our Heavenly Parents is the greatest thing in all the world**, and the only thing that can make man at-one with God, and change the soul of man as it has existed since his creation into a divine substance filled with the essence of the Father. There is nothing else in all the universe of God that can cause man to become a new creature and an inhabitant of our Mother and Father's Kingdom; and when men possess this Love then they possess everything that will make them not only the perfect man but the divine angel.” – **Apostle John**, in a message received by James E. Padgett on August 5, 1916.

“The new birth is the flowing of the Divine Love into your soul and the disappearing of all that tends to turn your heart from the truth and love of God. It comes by the workings of the Holy Spirit that conveys the grace of God. It is not a working of your own will or power; it is the love of God that causes the change. **You cannot of yourself change the evil workings of your heart, but you can pray and the Holy Spirit will come into your soul and then you will realize the change.**” – Ann Rollins – September 15, 1914

Our Heavenly Mother and Father simply desire for us to ask for His Love.

“Every day is a day of devotion.”

Please Mother and Father, may I receive Your LOVE.

God's Divine Love: Pray for it, ask for it, and receive it.

Our salvation IS embracing the Feeling Healing process with Divine Love.

By living true to ourselves, true to our feelings, we are living true to God. It's that simple.

To liberate one's real self, one's will, being one's soul, is by embracing Feeling Healing so to clear emotional injuries and errors. With the Divine Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

Our salvation IS by embracing Feeling Healing with the Divine Love.

God's Divine Love: Pray for it, ask for it, and receive it.

Please Mother and Father, may I receive Your LOVE.

“Every day is a day of devotion.”

Follow your heart, follow your love and do that in loving action, your inner love leads in your asking the Soul of God to receive a little of the Love to strengthen one's resolve to heal.

“I love you Father.” “Let the Divine Love proclaim its energy into my soul.”

“Mother – Father, I desire your Love and I am loving you.”

“Soul God, I love you and I love receiving and experiencing your Divine Love.”

“True Soul God, I am here, I am aware of your Love. Please hear my aspiration for your Love and as I approach you from my soul, I can feel your Love in the way that you are loving my soul.”

Try it; give the Feeling Healing and Love a go! If you want to shine, receive the Love.

One can simply receive the Love without following any religious or spiritual teaching taught by man!

Emotional errors and injuries cause encrustment around the soul, the soul is never damaged however, the encrustments retard love energy flow to and from the soul. Feeling Healing melts such injuries.

Three Great Truths:

- **God is Soul, being Mother and Father;**
- **that each individual soul is a duplex – both male and female;**
- **and Feeling Healing with Divine Love is the pathway to Paradise.**

People look for miracles to cure disease which is ONLY the removal of the effect of the emotion.

SOUL  SPIRIT BODY  PHYSICAL BODY

The soul animates the spirit body and in turn the spirit body animates the physical body. The spirit body looks just like the physical body. These bodies are connected by cords. Your memory and intelligence as well as your emotions are within your soul which is your real self. Your mind is within your spirit body. Your brain is within your physical body.
