## PASCAS INTRODUCTION:

Documents assembled by Pascas are provided for your individual assessment and exploration. The contents are sourced from a variety of avenues and publications. Every endeavour is made to determine that the contents are of the highest level of truth and veracity. At all times we ask that you go within yourself, to ascertain for yourself, how the contents resonate with you.

Pascas provides these notes and observations to assist us all in the development and growth of our own pathways and consciousness. Pascas does not hold these contents as dogma. Pascas is about looking within oneself. Much of what we are observing is new to us readers and thus, we consider that you will take on board that which resonates with you, investigate further those items of interest, and discard that which does not feel appropriate to you.

Kinesiological muscle testing, as developed by Dr David R Hawkins and quantified by his Map of Consciousness (MOC) table, has been used to ascertain the possible level of truth of documents. Such tested calibration levels appear within the document. We ask that you consider testing same for yourself. The technique and process is outlined within Pascas documents, such as Pascas Care – Energy Level of Food. From each person’s perspective, results may vary somewhat. The calibration is offered as a guide only and just another tool to assist in considering the possibilities. As a contrast, consider using this technique to test the level of truth of your local daily newspaper.

Contents are not to be interpreted as an independent guide to self-healing. The information sourced herein is not from a doctor or doctors, and any information provided in this document should not be in lieu of consultation with your physician, doctor, or other health care professional. Should we have infringed upon a copyright pertaining to content, graphics and or pictures, we apologise. In such cases, we will endeavour to make the appropriate notations within the documents that we have assembled as a service via our not for profit arm, to our interested community.

We offer all contents in love and with the fullness of grace, which is intended to flow to readers who join us upon this fascinating journey throughout this incredible changing era we are all experiencing.

Living Feelings First, *John.*

***“Never can one man do more for another man than by making it known of the availability of the Feeling Healing process and Divine Love.” JD***

## **GREATEST GIFT in the UNIVERSE:**

*"The Divine Love of our Mother and Father is the greatest thing in all the world, and the only thing that can make man at-one with God, and change the soul of man as it has existed since his creation into a divine substance filled with the essence of our Mother and Father. There is nothing else in all the universe of God that can cause man to become a new creature and an inhabitant of our Parents' Kingdom; and when men possess this Love then they possess everything that will make them not only the perfect man but the divine angel."*

– **Apostle John**, in a message received by James E. Padgett on August 5, 1916.

Divine Love glows in your soul in response to your earnest longings and prayers – a physical feeling which is to you as real, even more real, than is your very existence.

<http://new-birth.net/samuels-messages/miscellaneous-messages/>

You may have received, as of now, a certain portion of **our Mother and Father's Love** to the extent that It has already had a considerable **effect upon your human soul, which has been transformed to that extent to the very Essence of our Parents**. The effect of this transformation has already been made apparent to you in the noticeable change in your character, which has been purged to a certain extent of the animal passions that have been damaging your soul. You have not only perceived this change, but others associated with you have also perceived it. And the evidence of this change or transformation is like a light which heretofore never existed in your personality.

<http://new-birth.net/samuels-messages/miscellaneous-messages/>

Through earnest prayer to our Mother Father for Their Love (the light blue energy substance) the human soul is transformed from the image of God to Their very Essence, and when the soul is thus filled to the extent that it may reach the Celestial Heavens all sin and desire to sin are eradicated and in that way is man saved.

**Ann Rollins – September 15, 1914**

**The new birth is the flowing of the Divine Love into your soul and the disappearing of all that tends to turn your heart from the truth and love of God. It comes by the workings of the Holy Spirit that conveys the grace of God. It is not a working of your own will or power; it is the love of God that causes the change. You cannot of yourself change the evil workings of your heart, but you can pray and the Holy Spirit will come into your soul and then you will realize the change.**

**The opening up of the soul permits a permanent exchange with Divinity, a permanent recharge of this healing energy that allows not only the re-establishment of lost health, but the continuity of health, providing such a perfect balance, even in the physical body, that noxious agents like bacteria and virus cannot find any opportunity to unchain pathological reactions, which we commonly call illness.**

**But it is true that people without the benefit of Divine Love would lack the protective shield, which the intrinsic healing energies of Divine Love provide for those who pray for our Heavenly Parents' Grace.**

**Judas – August 19<sup>th</sup>, 2001**

Embrace the Love and welcome the changes that come about within one's personality. The Love will dissolve personality traits that are unloving should you so welcome and allow such changes.

## LONG for the TRUTH!

Above all else, “Longing for the Truth” has not been recognised by humanity. True Prayer is not asking with the mind; it is a longing from the soul. Should we long for the truth then we will be told. This is how we ascend. Earnestly desire to know the truth and it will be revealed to us.

Our soul, our real self, already knows the truth and the answer we are seeking, the truth will come to our awareness through our feelings. Our feelings are soul-based.

Our mind cannot determine what is truth from what is false. Our mind is addicted to being in control and will lead us according to its agenda, all to our detriment. This is what man has embraced for the past 200,000 years – now the mind is to be subjected to our feelings. Accordingly, our mind will learn to assist our feelings.

Longing to our Heavenly Parents for truth will bring about the understandings we are seeking to achieve.

Long for the truth behind any feelings, both good and bad, and we begin to peel off and escape from our childhood repression and suppression, thus escaping from the generational cycle of errors that have been passed from parents to their children, thus continuing the cycle of error and harm. ALL children are harmed in this manner.

Through longing for the truth behind our feelings, both good and bad, we start to bring about harmony and peace to our self, which eventually flows onto our family, then our companions, then our overall community and then country. **This is how harmony will come to all of humanity and peace will prevail with war being set aside. This is what the Great U-Turn will bring about.**

Longing for the truth is the only way that we will come to understand the cause of any physical discomforts, pains, diseases and illness. It is by expressing the understandings of what one is feeling about any emotional event or issue so that we release from our essence the negative energies relating to these feelings arising from past events, particularly those from our childhood forming years. The harm that we each endured during our childhood forming years has set the pattern, at all levels, for our adult life.

In a variation of those inimitable words uttered by Jack Nicholson, “You CAN handle the truth!”

This is how humanity will heal itself and bring about peace for each personality and humanity overall.

**By living true to ourself, true to our feelings, we are living true to God. It’s that simple.**

# **LIVE FEELINGS FIRST**

**PRAYER**  
is not asking. It is  
a Longing of the  
**SOUL.**

**DIVINE LOVE does not TRANSFORM one's SOUL**  
**FEELING HEALING is what TRANSFORMS one's SOUL**

The Divine Love does transform our soul from Natural love into Divine Love. It's our Feeling Healing that 'transforms' or heals our erroneous expression of Natural love. We have to 'heal' and so perfect our Natural love, so it can then be transformed by the Divine Love.

Divine Love does not even begin the real work of transforming one's soul, for those who focus upon receiving Divine Love to the exclusion of embracing one's Feeling Healing, they are just expanding their mind's control over themselves. Should this be one's passion, then upon passing into the spirit Mansion Worlds they will find that they can continue along this path all from within the Divine Love followers segment within the first natural love Mansion World! Yes, only from within the first natural love Mansion World.

Most of humanity on Earth does not want to face the very truth their feelings are making them feel every day of their life. So if they want to keep living in the spirit Mansion Worlds as they did on Earth, in complete denial of their feelings and the truth they are to shown about their wrongness, they can.

However, for those who have embraced Divine Love and begin to engage in their Feeling Healing process to begin the transformation of their soul, they will be able to sense the Divine Love already within their soul 'driving them on'. One's understanding and adjusting will be changing rapidly to that of embracing all about the Healing and doing it – all being supported by the Divine Love that one may have received previously. All one may have done with the Divine Love may make their introduction into their real Healing, by using their feelings, much easier than it is for other spirits from the mind worlds who are at the same time having to wrestle with many of their old religious beliefs or mental programming, having to take on a whole new mind-set which one could see would take some of them years, whereas for someone who has been longing for and receiving Divine Love for some time it may be only a matter of weeks. This also applies to those living in the physical.

It is the Feeling Healing process that transforms one's soul towards perfection, towards the ability to fully express one's true personality as given to us by our Heavenly Parents, it is the Divine Love that then fits that transformed soul to be able to enter the Celestial Heavens.

**DIVINE LOVE:**

<http://www.fcdt.org/divinelove.htm>

The words "Divine Love" have been used in many contexts to convey different meanings. But in the context of our Heavenly Mother and Father, Divine Love is the greatest gift in all the universe. It transcends all else that can assist humankind fulfil their dreams of happiness and have them resolved within themselves. God's Divine Love is the one thing in all of God's infinite universe that can bring about eternal life and everlasting happiness in the Celestial Kingdom.

***What is Divine Love?***

The Divine Love differs from the natural love of man with which he was endowed when created, which belongs to all humans, and which they all possess in a more or less perfect condition in this: that the Divine Love is that Love which belongs to or is a part of God, possessing Their Nature and composed of Their Substance, and which, when possessed by a human soul to a sufficient degree, makes him divine and of the nature of God.

***What is the New Birth?***

The New Birth is simply the effect of the flowing of this Divine Love of our Mother and Father into the soul of a man and the disappearing of everything that tends to sin and error. As the Divine Love takes possession of the soul, and one embraces Feeling Healing, sin and error disappear. It, the soul, becomes of a quality like the Great Soul of our Heavenly Parents. And with the Soul of the Mother and Father being Divine and immortal in Its quality of Love, so, when the soul of man becomes possessed of this quality of Love, the soul being the man, this soul becomes divine also. Then, the image becomes the substance; the mortal becomes the immortal; and the soul of man, as to love and hope, becomes a part of the Mother and Father's Divinity.

***How does one receive the Divine Love?***

The only way is simply this: that men shall believe with all the sincerity of their minds and souls that this great Love of our Mother and Father is waiting to be bestowed upon each and all of them; and that

when they come to our Mother and Father in faith and earnest aspirations, this Love will not be withholden from them. And, in addition to this belief, that they pray with all the earnestness and longings of their souls that our Mother and Father will open up their souls to the inflowing of this Love, and that then may come the Holy Spirit to them to bring this Love into their souls in such abundance that their souls may be transformed into the very Essence of our Mother and Father's Love. The soul who will thus believe and pray will never be disappointed, and the Way to the Kingdom will be his as certainly as that the sun shines by day upon the just and unjust alike.

***Take the test.***

Too often we are told to believe something based on what we are told. You don't have to "believe" anymore. Now you can have physical proof of the existence of God and Their Love for you?

*"test my teachings that the Father's Love was now available, and pray for it to the Father in earnest prayer, and see whether, if this was done in sincerity, the Father's Love, conveyed through the Holy Spirit, would burn and glow in the soul, by which sign they would realize His Love was present therein." – Jesus*

Take it to heart – earnestly pray for God's Divine Love and feel the glowing of Their Love in your soul. Jesus gave us the Prayer for Divine Love to help us in our prayers to our Mother and Father.

**Note:** Following the writings of James Moncrief, one could consider that any reference to the Father, by other relevant writers, may be read as a reference to 'our Mother and Father'. Further, when considering soul healing, then reference to Divine Love could be referred to as 'Feeling Healing with Divine Love'.

The writings now extend over 100 years and the contributors exceed 1,000 creating around 10,000 pages of new records, so to speak. What is remarkable is the consistency of guidance, the non-duplication of information, and that at no times is their any generation of fear or are we told how to live our lives.

The first publication of the Padgett Messages in chronological order was published in 2008. All of the additional material has been published since then. ### **The Three Great Truths:**

- **“God is Soul, being our Heavenly Mother and Father;**
- **that each individual soul is a finite individual;**
- **and that the Divine Love is freely available for all to receive.”**

What is this advent of teachings that we have received progressively over the past 100 years, the period commencing on 31 May 1914 and completing with the writings of James Moncrief?

**“My coming to you (James Padgett) is really my second coming on Earth, and the result of my coming in this way will satisfy and fulfil all the promises of the scriptures as to my second coming.”**  
**Jesus December 2, 1915**

Jesus, Master of the Celestial Heaven, was born August 7 BC/BCE and died March 29 AD/CE. The era, the hundred years, from 31 May 1914 to 2014, of the delivery of guidance for living with the Love, Divine Love, and also the second coming, concluded on the anniversary of his birth date.

**God’s Divine Love; pray for it, ask for it, and receive it.**

## Divine Truth and Divine Love introductory point-form summary

- The writings by our spirit friends have progressively addressed the New Testament records and through the now published ‘Padgett Messages’, ‘Revelations’ via Dr Daniel Samuels, and then the ‘Judas of Kerioth’ material, the major omissions, errors of record; further, Dr George Lamsa having addressed translation issues, and the lack of understanding of idioms, are now understood.
- The core teaching from the 1st century is the availability of Divine Love and it is only by asking for and receiving the Love, together with embracing one’s Feeling-Healing with Divine Love, then we are engaging in one’s Soul-Healing, that one can become fitted to enter the Celestial Heavens. That is what is meant by the New Birth, to be Born Again, this then happening when we complete our Healing, so we can live as if we were never afflicted by the Rebellion and Default. There are now Two Major revelations provided to humanity a hundred years apart: The Padgett Messages (about the Divine Love); and writings by James Moncrief (about our Healing).
- What appeared to be complex teachings within the New Testament are now simple and easily understood by anyone.
- The New Way: To live true to ourselves through our feelings; to long for the truth of our feelings, that truth being how we live. To long for and receive God’s Divine Love.
- Our salvation comes as we do our Soul-Healing with the Divine Love. As we long for and receive our Heavenly Mother and Father’s Divine Love, our soul is transformed as we heal ourselves, until we are no longer untrue, being perfect and of Their Love.
- Receiving the Divine Love within our soul allows us to develop a very deep, personal and intimate relationship with God – our Loving Parents. The Divine Love is the ‘fuel’ that drives our ascension of truth to Paradise. The Divine Love comes into our soul via the Holy Spirit.
- By the term ‘holy spirit’ in the 1st century Jesus meant one of the energies of God, specifically the energy that enables at-onement (other energies of God include the energy of creativity and the energy of life, there are many specific energies). The Holy Spirit conveys the substance of Divine Love to those who ask to receive it. Divine Love is said by some to be a light golden blue energy substance, by others as a cool blue ‘flame’.
- When our Soul-Healing ends, we fuse with our Indwelling Spirit, having attained a Celestial level of truth, and our immortality is assured.
- We can also do our Feeling-Healing, which doesn’t include the Divine Love and perfects our Natural love, however our growth is limited to the Mansion Worlds. We can enter the higher Celestial spheres with Divine Love in our soul.
- God is a soul entity outside and independent of the universe. The universes are creations of our Heavenly Parents, our Mother and Father. Our souls, created by our Heavenly Parents, are also outside and independent of the universe, with our personality being expressed by our soul in Creation.
- The Christian doctrine of the Trinity is a false teaching. Our Heavenly Parents, God, are our Mother and Father – one Soul, two personalities. The Trinity that relates personally to us is The Paradise Trinity: our Mother and Father of Divine Love, the Eternal Son of Truth, and the Infinite

## Daughter of Mind.

- Neither Jesus nor anybody else is, or ever can be, God. To claim Jesus is God is erroneous. Jesus is the Son of God, Mary Magdalene (his soulmate) is the Daughter of God, just as we are sons and daughters of God. And Mother Mary was simply Jesus' mother with no other special soul-qualities elevating her above all other women and men – there was no Immaculate Conception.
- Jesus and Mary incarnated retaining their divine perfection. They did not partake of the Rebellion and Default, which we've all been made to suffer. They didn't need to do their Healing like we all do. We are all wrong, untrue and imperfect because we've been made to live untrue to ourselves, Mary and Jesus, and our Mother and Father.
- Higher spirits who were the custodians of humanity rebelled bringing about the Rebellion and Default many years ago. We are living in the wrongness of their wrong doing. And because of our being untrue to ourselves, as seen by our feeling-denial, to become true, we must heal ourselves of our rebellion and it being imposed on us by default.
- The Lucifers and Satans caused the Rebellion, and caused Eve and Adam to Default, thereby subjecting humanity to its 'Fall'. We are the fallen, the Rejected Ones, because we are now rejecting the truth our feelings would have us see about ourselves if we weren't denying them. We're rejecting what Mary and Jesus told us, as are we are also rejecting the love of our Heavenly Parents.
- Jesus never resorted to any magic or anything that was contrary to God's laws. Jesus was never able to override the laws of nature. The explanation of the 'miracles', one by one in The Life and Teachings of Jesus in The Urantia Book, outlines how typical daily events became amplified into fantasies.
- The healing miracles mentioned in the New Testament were only a portion of the healing events that took place. These healing events were miraculous healings conducted by angels, commanded by the Mother and Father, through Jesus. Our True Healing requires the removal of emotional injury, damage and error in beliefs and unloving behaviour from the soul of the person who wishes to live true to themselves and true to God – do God's Will.
- From time to time, since the life of Jesus, healing has been administered in the same miraculous way as that conducted by Jesus. And it's quite possible this will continue as required by our Mother and Father. However such miraculous healing is not the same Healing as one's Natural love Feeling-Healing or Soul-Healing with the Divine Love. And even those people miraculously healed will still need to look deeper into themselves at some time to do their real Healing.
- Jesus realised the way to at-onement with God through God's Divine Love whilst on Earth, a way that can be followed by all. Jesus and Mary Magdalene, are now the most exalted spirit personalities in all of Nebadon, which contains some 3.8 million inhabited physical planets, including Earth. They are our 'spiritual parents'. We have to embrace them for their Spirits of Truth to function within us thereby guiding us through Nebadon to Paradise.
- The doctrine of the crucifixion as a sacrifice for the sins of others is a false teaching. The teaching of atonement of Jesus by his death and crucifixion is an error of great magnitude. The absurdity of believing that God demanded that Jesus should die on the cross as one of the necessary accompaniments of his death, in order to carry out God's plan for this death and make the payment

satisfactory, is so apparent and absurd, that all of the spirits in the Celestial kingdoms of our Mother and Father wonder that mortals can believe such an unreasonable dogma.

- No sacrifice of Jesus, no shedding of his blood and no vicarious atonement, as it is called, can save a human soul from sin, or bring it into the love of our Mother and Father, or cause it to become a partaker of the divine nature. Our salvation from sin and error can only come through our Healing.
- God is loving, not punishing or vengeful.
- There is no judgment or judgment day. Following death as we acclimatise / assimilate to our new environment within the 1st spirit Mansion World, our memory progressively becomes very clear and complete in the details of all of our actions whilst on Earth. Any unloving or harmful event that we had not resolved on Earth becomes acutely clear to us that we need to address these. What pain we cause others is the amount of pain that we will endure.
- Judgment is the passive awakening of one's own memory. We judge our own wrongdoings through our feelings. We are to compensate the harm we've caused another by feeling the same amount of pain we've caused them. No one has the authority or capability to judge another.
- No man can forgive and absolve the sins and errors of another. Only God can forgive sins and errors. This happens as we progress through our Feeling-Healing or our Soul-Healing with the Divine Love. As we uncover the truth of our wrongness by looking to our bad feelings for their truth, we are loving ourselves and so forgiving ourselves through self-acceptance. Love does forgive and accept all, however we're to find true love through our feelings and not with our mind. Contriving forgiveness using the mind is not true forgiveness.
- Through our Healing we settle the Law of Compensation and the Law of Forgiveness, which brings us eventually into a true and perfect Celestial state of Truth. Our Healing may take relatively few years, possibly between five to twenty, whereas mind-based compensation of harmful actions to others and to ourselves can take a much longer time, even hundreds of years.
- Whilst we remain mind-reliant we are mortal and untrue. Only when we receive our Mother and Father's Divine Love, and do our Healing, do we become true and eventually immortal.
- Our souls are created by our Heavenly Parents. Our soul is duplex, it expresses two personalities in Creation – soulmates. We link up with our true soulmate once we're fully Healed and of Celestial truth. Soulmates are of the opposite sex.
- Our soul is of Natural love as it begins the incarnation of its two personalities in Creation. By partaking of the Divine Love our soul becomes divine.
- Our soul begins incarnation of its two personalities at conception. The soul brings into being our will that then wills the rest of our personality into Creation – into life, including our physical and spiritual bodies, our emotional and mental systems, and everything else that we are. Once the physical body's first heartbeat occurs then should death occur, the embryo, foetus, baby, child, adult, dies, moving into spirit to continue life as a spirit.
- Reincarnation as normally taught is a false teaching. When we die our soul doesn't move into spirit, our soul always remains where it is. We can't 'kill' our soul. To reincarnate we'd forfeit our personality, which can't happen.

- We are to ascend our soul by uncovering the truth contained within it through our feelings. Seeking Enlightenment is looking to transcend one's feelings using one's mind and is not evolving our soul with truth. It's a dead end; whereas true soul advancement is eternal.
- Closed-mindedness holds back progress; for instance, a guru perfect in Natural love who believes him or herself to be god would be temporarily stuck (albeit blissfully) in the 6th sphere. They are rejecting God, they are rejecting Mary and Jesus, they are, in fact, going the wrong way!
- There are 7 spirit Mansion Worlds. Worlds 1, 2, 4, and 6 are Natural love mind-dominated worlds, in which spirits seek Enlightenment and can't move higher than these worlds. Worlds 1, 3, 5, and 7 are the Soul-Healing worlds with Divine Love, and upon completion of one's Healing, one moves higher into the Celestial spheres. The first three Celestial spheres are numbered 1 – 3 (or, 8 – 10), then are unnumbered all the way to Paradise.
- Whilst we are subjected to the effects of the Rebellion and Default, humanity of Earth and in the Mansion Worlds, are in quarantine from all other habitation on the other physical worlds and spirit worlds around us. Only upon entering the first of the Celestial Heavens do we, of Earth, begin to interconnect with peoples (spirits) from other worlds.
- As one grows in love, the energy of the love has its own gravitational attraction. As you develop you are drawn to planes within worlds and spheres, and sectors within planes that match your soul condition. Like attracts Like. Like minded, and like feelings – like truth.
- Your soul condition illuminates your spirit body. Thus it is clear to other spirit personalities as to the level of your soul. A higher spirit person can recognise a lower spirit's emotional issues clearly through the ambiance and radiance of the spirit's body.
- Longing to feel one's emotions through one's Feeling Healing increases one's humility. Our Healing is the releasing of negative emotions – Childhood Repression (without necessarily acting upon them), whilst longing for the truth of all one is feeling.
- Prayer also has a particular definition, referring to a genuine longing for God's truth and love, felt in the heart, not in words spoken aloud or in the mind. Mindlessly repeating learnt prayers is pointless.
- God can communicate with us through the Indwelling Spirit – a voice in the mind, however it's not to be mistaken for the voice of a nature spirit, angel or other spirit personality. God can also communicate with us through our soul, which we feel or soul-perceive.
- We all enter the spirit world straight into the 1st Mansion World (which has many planes and levels). After a period of assimilation – getting used to being still alive with a whole new spirit life, and not dead forevermore, we are then drawn to the location where our soul condition best suits us, some into the 2nd, and a rare few into the 3rd worlds. Many spirits are drawn to the lower 'Planes of Disharmony' of which there are two such Earth based planes of darkness. There is no such thing as eternal damnation, we can all recover and grow from any unloving and negative condition.
- Like attracts like: the current state of one's soul determines one's location in the spirit world, and this location will be populated by like-minded or like-feeling spirits. There is spirit world gravity, it is the matching of the gravity with one's soul condition that draws a soul to a specific location of habitat.

- The parents of humanity, Aman and Amon, were the first ‘ensouled’ human beings and consequently were without sin / emotional error or injury at the start of their ensouled life. Aman and Amon lived about 1,000,000 years ago; whereas Adam and Eve lived about 38,000 years ago.
- Since ‘The Fall’ (when humans started to believe themselves to be god and living independently of our Heavenly Mother and Father, and also rejecting the regency of Mary and Jesus), the state of Earth has descended to the equivalent of the hells (the two Earth planes containing also the ‘Planes of Disharmony’). It is currently emerging out from that condition.
- Aman and Amon did not embrace our Mother and Father’s Divine Love because it was not available, which subsequently happened once Jesus announced its availability at the time of his fully coming into his own rightful power – when his public ministry began.
- Children who die young or are ‘unborn’ enter nurseries located in the various sectors of the first Mansion World. Some of these nurseries are given names like ‘Summerland’, and from which spirits can adopt such spirit children or help them grow up into adult spirits.
- The spirit body has more capabilities than the material body, and increasingly so, as the state of the soul progresses. The physical senses are greatly amplified in the spirit body and this becomes evident upon the shedding of the physical body. Art, music, science, philosophy, etc., continue in the spirit Mansion Worlds, at a higher level than currently occurs on Earth.
- Actions on Earth affect the state of the soul, both positively and negatively, and the effects continue to be worked through in the spirit body when within the spirit world. Either with the mind through the mind Mansion Worlds of even number, or by doing our Healing in the odd numbered worlds.
- There is no ‘Satan’ in the form of a devil, although there are many degraded souls that are currently worse than any Satan we could probably imagine. These spirits, and their equivalent on Earth, live in the hells. Even so, the hells are not a permanent state, and all can eventually reach at-onement with God if they desire so by doing their true Healing. There is no place from which we cannot grow and recover from.
- The Hells, the ‘Planes of Disharmony’, are places that a soul in a very poor soul condition can continue its existence. This is where lost souls live – completely lost to the truth of themselves.
- When a personality within the Planes of Disharmony begins to open up and seek assistance, such assistance will come from spirit personalities of the higher worlds or spheres. There are no places of eternal damnation.
- Death of the material body can be confusing because of false beliefs accumulated on Earth through religion, philosophy, politics, science, etc. Many personalities do not readily realise that they have ‘died’ upon entering one of the receiving stations within the 1st spirit Mansion World sphere, and it can take them a long time to accept they are dead from Earth yet still alive in the spirit worlds. It helps if you have a strong belief in life after death.
- Accordingly, there are still different religious beliefs (including atheism), ideologies, etc., in the mind Mansion Worlds 1, 2, 4, 6. Those who embrace Feeling Healing or Soul-Healing with the Divine Love, readily abandon Earth-based religions, as their feelings show them how untrue and harmful they are to continue believing in them.

- The best attitude is never to be adamant about beliefs that are not really known to be true, but rather to be open to truth (be in humility). There are no beliefs held by those in the Celestial Heaven, as there is no need for them because one lives by expressing feeling derived from one's truth.
- Progress can be quite rapid through the spirit worlds, because spirits in higher states are keen to help spirits in lower states, if the lower ones are willing to learn new truth. A personality who is mind-reliant may find himself stuck in one location for centuries, whereas others who become God-reliant and embrace our Mother and Father's Divine Love and look to their feelings for the truth they are to show them, may progress swiftly into the Celestial Heavens. We can do our Healing and achieve a Celestial level of truth whilst still on Earth.
- As from the 22 March 2017, interference from Natural love controlling spirit personalities has been severely blocked by our Celestial Heaven spirit friends. Further, the Quickening of the Law of Compensation began to occur as from 22 May 2017. These two progressions have resulted from progress by a human soulmate pair through their own Soul-Healing, thus bringing about the final days of the Rebellion and Default.
- At-onement involves not only acting lovingly but wanting to act in that way; for example, adulterous thoughts are "adultery in the heart".
- Wanting to act in accordance with love is possible by processing (but not acting upon) the 'causal emotions' underneath the unloving desire. By far the most effective way to grow in soul condition is to engage in one's Feeling-Healing process and to ask for and receive our Mother and Father's Divine Love. The receiving of our Heavenly Parents' Love will strengthen our resolve to address our causal / core negative emotions, slowly bringing about the perfection of our soul condition.
- Love does not demand anything of anybody else or seek to control, it is unconditional and is self-fulfilling. So sometimes what we think of as "loving" is being conditional and controlling. And sometimes what we might think of being unloving is actually loving.
- For example, self-sacrifice is unloving to the self. We are to truly honour and attend to all our feelings, thereby looking after and respecting our self first. Then we can look to help others from this position of helping ourselves. Denying ourselves our feelings to help another, is not going to do either any good.
- Golden Rule: that one must always honour another's will as one honours one's own. Live true to yourself, and you'll be loving and truly respectful of others.
- The material body is connected to the spirit body by a 'silver cord of light', which splits in two near the physical body connecting in the aura on subtle levels in the back of the heart and back of the head. When that cord is 'cut' the physical body dies.
- In the sleep state, the spirit body (which does not need rest like the physical does) can engage with other people in their sleep state or with other spirit personalities. This is commonly called the astral state. Thought travels faster than the speed of light. We are each transmitters and receivers with specific frequencies. In this way we can connect with anyone in the Mansion Worlds and lower Celestial spheres if we desire communication with them.
- It is possible to remember the sleep state activities of the spirit body, but usually we don't. A dream

just before waking can be our spirit body trying to send our material mind a message to help us remember something relevant to our emotional state. Alternatively, though less frequently, a dream can be a snippet remembered from the astral state. By focusing on what feelings your dream made you feel, whilst you had it or afterwards, and by expressing such feelings and wanting to know the truth they are to show you, dreams can be very helpful in the Healing process.

- Of enormous benefit to all is to prepare oneself for entry to the spirit Mansion Worlds. What preparation one undertakes while in the physical state will greatly benefit one for life in spirit, even if it is only a little preparation. To become aware of the availability of our Mother and Father's Love, as well as the Feeling-Healing process, is the greatest gift one can give oneself.
- Love yourself by accepting all your feelings and longing for the truth of them. Want with all your heart to live true to yourself and to end your falseness and being untrue. Do your Healing. This is being as truly spiritual as you can be. And if you are not already doing so: long with all your heart to God for the Divine Love.
- Our Heavenly Parents – Mother and Father – simply desire for us to ask for Their Love.
- Then whilst receiving Their Divine Love, the next most loving act we can do for ourselves is our Feeling Healing. So our own love combined with our Mother and Father's Love will heal all our sin, error and unlovingness, allowing us to one day become truly loving, to be the loving child of our Loving Heavenly Parents. And to know They do love us, because we feel loved by Them.

“My coming to you (James Padgett) is really my second coming on Earth, and the result of my coming in this way will satisfy and fulfil all the promises of the scriptures as to my second coming.”

Jesus December 2, 1915

What is the greatest thing in all the world?

Prayer and faith on the part of mortals; and Love – the Divine Love – on the part of God. The latter is waiting, and the former causes it to enter into the souls of men. No other truths are so great and momentous to men. Let what I say sink deep into your memory, and try the experiment.

**WHICH WAY? MIND SELF RELIANT or FEELING AND GOD RELIANT:**

To PARADISE, the HOME of OUR HEAVENLY PARENTS

# The Way Home

Council of Elders  
now around 20  
Soulgroups

Maybe something like 30 billion people have recognised that our Mother and Father's Divine Love, together with embracing one's Feeling Healing, that with these two aspects, have progressed through the Mansion Worlds to the Celestial Heavens and onwards.

Mansion World 7: is then about still working with the deepest and residual bad feelings, whilst looking to sort out how you wrongly relate to yourself and others, nature and God because of being unloving, understanding how your relationships are unloving, how you don't connect properly, how unloving you really are and why and fully accepting the truth of it, coming completely to grips with your parents not loving you as you needed to be loved – sorting it all out, including your self and feeling expression difficulties.

Mansion World 5: is then about going right into the depths of them, feeling how unloved you feel and seeing how unloving you are and how that makes you feel, bringing out the majority of your pain, your misery, fear, anger, guilt, hatred, boredom, terror, rejection, nothingness, feeling powerless, alone and abandoned, and so on.

Mansion World 3: is for waking up to the truth that you're not loving and starting to get in touch with your pain, starting to accept your bad feelings, starting to work with them instead of rejecting them.

More than 200 billion personalities have embraced their mind and self reliance through the misguidance of 'New Age' styled ideologies and the many thousands of different religious platforms, all of which take the person further and further away from our Heavenly Parents.

For a million years, humanity has gone in the wrong direction with its self-denial of self and feeling!

## **I'D TURN BACK IF I WERE YOU!**

The Natural love spirit Mansion Worlds as to how they have been for all these hundreds of thousands of years and as they are set up currently, are to help spirits advance to the fullest of their self-denial that they can. That is, so as to become as evil as they can. And all under the guise of being 'loving'.

It's why they are called the mind worlds, namely Mansion World / spheres 1, 2, 4 and 6. That is because the spirits are using their minds to complete their rebellion – denial of self and feelings, and rejection of our Heavenly Parents as well their Creator Son and Daughter. So yes, the top of Mansion World sphere 6, spirits are the most evil, the most in rebellion, the most in default, the most wrong and unloving and untrue, even though, they appear, because they've trained their mind to do so, to be the most loving, but it's all false and contrived – such as the Eastern gurus. Total mind over feelings, blocking all the bad ones and using your mind to only make you feel good.

Typical of those on their way up in the mind worlds are not open to anything, they do not want to know about feeling bad and going with their bad feelings looking for their truth, because that scares them, that's not nice, that doesn't make one feel good, it threatens their control, they reject that preferring to stay in their nice safe space. Which is how it is for these Natural love mind spirits using their minds to control their feelings.

We've all got to take responsibility for our evilness even though we were made to be that way and rebel by default, but there is no getting away from it, and it has to be compensated right to the last farthing, which is what being in the hell planes is all about, and which keeps being applied right the way through the Mansion Worlds. **In the mind worlds you can continue to use that inner pressure requiring compensation for your bad deeds, to further contrive love and pretend you are all holy and loving and not hurting anyone anymore, which on the surface of it you are not, but underneath still are, all the way up through to the sixth world; or, you can allow it to keep working on you right the way up through the Divine Love Mansion Worlds doing your Healing.**

And apparently what's going to happen is the Natural love mind Mansion Worlds are going to be divided, so within them, there will be spirits doing their Feeling Healing – without the Divine Love, and still limited to the sixth Mansion World, but looking to be true and end their rebellion. And then there will be those still carrying on denying themselves as they have always done. So you will have spirits in the Feeling Healing Natural love sectors that will truly perfect their Natural love; and those spirits still in the mind sectors perfecting their wrongness. The opposites or extremes living side by side. And then you'll still have the Divine Love Healing Mansion Worlds, being spheres 3, 5, and 7, doing their Soul Healing.

And as for a summation: "Divine Love Mansion World / sphere 3 is the waking up to the truth that one is not loving, also their being a lot of assistance. Sphere 5 is then about going right into the depths of feeling how unloved you feel and seeing how unloving you are and how that makes you feel, also this a time when one can then progress and manage their own progress through their Feeling Healing. Sphere 7 is then about still working with the deepest and residual bad feelings, whilst looking to sort out how you wrongly relate to yourself and others, nature and God because of being unloving, this is a time of great realisation and comprehension with much of the prior experiences starting to be drawn together."

Mansion World 3: is for waking up to the truth that you're not loving and starting to get in touch with your pain, starting to accept your bad feelings, starting to work with them instead of rejecting them.

Mansion World 5: is then about going right into the depths of them, feeling how unloved you feel and seeing how unloving you are and how that makes you feel, bringing out the majority of your pain, your misery, fear, anger, guilt, hatred, boredom, terror, rejection, nothingness, feeling powerless, alone and abandoned, and so on.

Mansion World 7: is then about still working with the deepest and residual bad feelings, whilst looking to sort out how you wrongly relate to yourself and others, nature and God because of being unloving, understanding how your relationships are unloving, how you don't connect properly, how unloving you really are and why and fully accepting the truth of it, coming completely to grips with your parents not loving you as you needed to be loved – sorting it all out, including your self and feeling expression difficulties.

It is agreed that the lower worlds are about waking up to what's involved, however from then on it depends on how it's all structured for the individual in their negative state as to how much ongoing assistance they might need. Some need help all the way along, whereas others have been able to work with their feelings, themselves, right from the beginning.

And yes, each of the Divine Love healing Mansion Worlds, 3, 5 and 7, are equally painful to work through, just focusing on different aspects of yourself and your Feeling Healing with Divine Love. And then in the higher planes of the 7<sup>th</sup> world comes the transition, where one's pain starts to end, and you start feeling so much better about yourself, you are fully accepting of your negative unloving state, you are fully unloving although even starting to become more loving – truly loving, of yourself, God, and then other people.

Then onto the Celestial Heavens by progressing into Sphere 8 and then onwards further, all the way home to Paradise.

Maybe something like 6 billion people have recognised that our Mother and Father's Divine Love, together with embracing one's Feeling Healing, that with these two aspects, have progressed through the Mansion Worlds to the Celestial Heavens and onwards.

More than 200 billion personalities have embraced their mind and self reliance through the misguidance of 'New Age' styled ideologies and the many thousands of different religious platforms, all of which take the person further and further away from our Heavenly Parents.

The 1<sup>st</sup> and 2<sup>nd</sup> Spirit Mind Mansion Worlds / spheres are jammed to the rafters.

For a million years, humanity has gone in the wrong direction with its self-denial of self and feeling!

## DIMENSIONS of ONE'S EXISTENCE:

Our SOUL IS NOT ENSOULLED IN OUR SPIRIT BODY. Our soul exists existentially in a whole different level or plane or place or dimension of being – 'soul land'. It doesn't exist in Creation, it's not experiential like Creation is. The soul, all souls, help create their part of Creation by expressing their personalities into Creation, and then by having their personalities do things (further create) in Creation.

SOUL exists existentially

Our Physical Body and our Spirit Body are of Creation, being linked together by cords of light as are the two spirit bodies, male and female, to the one Soul.

One's unique personality is soul based. Our unique soul expresses its unique personality through the two spirit bodies and physical bodies expressing both the male and female aspects.

## PERSONALITY

**Our soul is the centre of our personality.  
We are children of our Heavenly Parents.  
Our soul manifests a male and  
female personality - it is a duplex!**

**‘The FIRST RELIGION:** The Sacred Inspired Books were written maybe nearly 70,000 years ago for the purpose of teaching early man religion; therefore, man’s first religion was the teachings of the Sacred Books. The basis of this religion was Love. Man’s Love for the Heavenly Father and His works. The Divine Love of the Heavenly Father for His son Man. (Refer to works by Col James Churchwood)

‘Every teaching was plain and simple without a particle of theology. The most ignorant could understand every phrase in it. There was nothing of any kind indefinite. It was impossible not to understand it thoroughly. Man was taught to approach the Heavenly Father, not with fear or dread, but with confidence, and above all, Love: as a child would run to its earthly father who is standing with outstretched arms to receive it. Love stood at the head of the 12 great virtues, because Love governs the Universe and the Heavenly Father is The Great Love.

‘After studying the teachings of these writings, if one were asked, “Where is God’s greatest temple on Earth?” One should answer: “In the heart of man; the perfect temple for the adoration of God; the perfect temple for silent meditation and Love; the temple available at all times and in all places, any hour of the day or night, whether it be in crowded city or desert plain, for the Love and Adoration of the Heavenly and the temple where man can become at one with our Heavenly Mother and Father.” Tell me, what other temple can fill its place?’

P204 The Children of Mu

Now, the 20<sup>th</sup> Century has been blessed by the wisdom of writings from hundreds of Celestial Spirits, and these writings continue today.

The great gift of the Father’s Love, Divine Love, was re-bestowed upon man some 2,000 years ago. The knowledge of this gift progressively faded from man’s records and memory throughout the 1<sup>st</sup> and 2<sup>nd</sup> century until in 325AD at the Nicean Council in Constantinople all record of the gift of Divine Love was lost.

Now, with the ever escalating flow of teachings from the Celestial Heavens, the knowledge of the availability of Divine Love, what it is, and how to ask and receive it, are being freely shared throughout all corners of Earth, never to be lost again.

**Feelings first**

To liberate one's real self, one's will, being one's soul, is by embracing Feeling Healing so to clear emotional injuries and errors. With the Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

**Our salvation IS by embracing Feeling Healing with the Divine Love.**

**God's Divine Love: Pray for it, ask for it, and receive it.**

**Please Mother and Father, may I receive Your LOVE.**

**“Every day is a day of devotion.”**

Follow your heart, follow your love and do that in loving action, your inner love leads in your asking the Soul of God to receive a little of the Love to strengthen one's resolve to heal.

**“I love you Father.” “Let the Divine Love proclaim its energy into my soul.”**

**“Mother – Father, I desire your Love and I am loving you.”**

**“Soul God, I love you and I love receiving and experiencing your Divine Love.”**

**“True Soul God, I am here, I am aware of your Love. Please hear my aspiration for your Love and as I approach you from my soul, I can feel your Love in the way that you are loving my soul.”**

Try it; give the Feeling Healing and Love a go! If you want to shine, receive the Love.

One can simply receive the Love without following any religious or spiritual teaching taught by man!

Emotional errors and injuries cause encrustment around the soul, the soul is never damaged however, the encrustments retard love energy flow to and from the soul. Feeling Healing melts such injuries.

### Three Great Truths:

- God is Soul, being our Heavenly Mother and Father;
- that each individual soul is a duplex – both male and female;
- and Feeling Healing with Divine Love is our pathway to Paradise.

# Steps UP!

## Quantum Jump 1

**REVELATION 1**  
James Padgett 1914 – 1923

James Padgett bravely introduced the availability of the Mother and Father's Divine Love and a great deal of additional guidance and information, all of which has been supplemented by Samuels, Judas, Reid and Arnold. All writers were under restrictions of personality and circumstances. Revelation 1 opened the door for humanity.

## Quantum Jump 2

**REVELATION 2**  
Marion and James Moncrief 2002  
– ongoing

Marion and James Moncrief have recognised the need for one to engage in Feeling Healing and, by their actions, removed restrictions that James Padgett and others above endured, thus JM is able to critique the writings of the past 100 years resolving points of confusion as well as expand on what has been written. Revelation 2 is humanity's turning point.

Due to the extra-ordinary nature of Revelations 1 and 2, humanity with the first Revelation would have continued on into its negative pathway of living, however, combining the first Revelation with Revelation two, now humanity can embrace this turning point and commence its evolutionary growth that has required two thousand years to put in place. This is the greatest event in the history of humanity and very few are aware of such, until we enable others to become aware.

## **REVELATION 1**

The availability of Divine Love, should we so ask for it, being revelation 1:

God's Divine Love: Pray for it, ask for it, and receive it.

Whilst we are receiving our Heavenly Parent's Divine Love, and that this Love is causing change within our soul and spirit attributes, the greatest Truth known to man and spirit is that this is the way the Father is actually loving us! When we progress, it is the Father's way of loving us into love and then we live what we are, love.

## **REVELATION 2**

The way to clear one's soul of childhood errors and injuries is revelation 2:

To liberate one's real self, one's will, being one's soul, is begun by embracing Feeling Healing, so as to clear emotional injuries and errors. With the Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

Release one's pain through expressing one's feelings.

in conjunction with

Longing for the Truth when also longing for Divine Love.

**God is God, who is our Heavenly Mother and Father, being SoulMates. There is only one Soul that is God's Soul, that being the Soul of our Mother and Father. Our Heavenly Parents are the First Soulmates; The Two Who Are One who have brought us all into being.**

**Jesus and Mary are a son and daughter of God.**

**Jesus of Nazareth and Mary of Magdalene, being soulmates, were both free of sin. Jesus and Mary, combined in their love for us, are our teachers and guidance for us to find our way home to our Heavenly Parents. To start this journey we are to liberate our souls from being entombed within our suppressive minds, through feeling and longing for the truth of our feelings via our soul and peel away our injuries incurred since conception.**

**Give yourself time to consolidate your relationship with the Mother and Father through the partaking of Their Love. And whilst you are doing this, you can learn about your healing, all that's involved with it, as there are many willing spirits to share their healing experiences with you.**

**When you are ready it will start happening simply because you will want it to, it all being orchestrated by your soul. And when that time comes you will have developed a strong foundation in your relationship with the Mother and Father for you to work from. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.**

**It is to make longing for God's Love the priority, and then do one's healing; should one want to include God and the Divine Love in one's feeling healing. This is doing your soul-healing as you are seeking to heal your soul of all evilness – of that which made you become evil, and release all the hurt and pain of not being fully and truly loved.**

## WE EDURE FOUR LAYERS of PERSONALITY SUPPRESSION!

Unknowingly, our parents pass onto their children (us) their beliefs and way of living that has evolved since the Rebellion of some 200,000 years ago and then the Default of some 38,000 years ago. In this way, humanity is suppressing the female, rejecting our Spiritual Parents, namely Jesus and Mary, and denying our Heavenly Parents being our true Mother and Father, of their truth, standing and existence.

**The Rebellion is against love, the Default is all the difficulties we have in our relationships because of our rebellion. Healing the Default is becoming true, to ourselves and in our relationships, and ending our unlovingness – our rejection of love, so ending the Rebellion.** Nanna Beth 29 June 2017

We are souls, our personality is an expression of our soul. It is our free expression of our soul through our feelings that we are to embrace and follow. This expression may appear to be wilful in nature, from time to time, and consequently our parents attempt to suppress this expression. They proceed to remodel us when as young children, in the manner their parents treated them and so on for many generations going back.

During our forming years, as a child, we are unable to recognise the suppression of our personality as being extra-ordinarily harmful to our soul based personality and, accordingly, we don't know that things can be any other way. Presently, neither do our parents.

This childhood suppression way of living continues throughout our schooling years, thus we learn this is a way of life as being normal.

Our religions all have been formed based on the tenets of the Rebellion and Default. The teachers and leaders throughout all denominations take us further away from our suppressed feelings that have been hammered into us during our forming years, thus entrenching us further into rejecting our true selves.

The controlling and suppression mechanisms of our parents, educators and spiritual teachers all manifest throughout all of commerce. This control comes heavily and brutally down upon all levels of employment. The capability to express one's soul based attributes and gifts is sealed throughout all of one's working life.

A new way of living is to enable the liberation of one's true personality through the Feeling Healing process AND the transfer of authority to the individual via embracing freedom of expression.

# DEVOLUTION

**Our childhood suppression of our true and loving soul based feelings is creating global pain and personal isolation amongst all of humanity. We are very sick!**

**In our struggle to find solace and purpose, we further withdraw into ourselves, becoming ever more self dependent, believing our control addicted mind that it can solve everything. We just drown further.**

**We embrace an ever expanding and diverse range of pathways to escape from our personal pain, fear and desperation. Alcohol has now been complimented with narcotics, hallucinogens, including caffeine (coffee). Gambling has been complemented with computer games which are generally entraining the mind further into error and pain. Technology is making us sicker!**

**We bury ourselves in front of the television to further avoid contact with anyone, especially family.**

**Children endeavour to exert their independent authority from domineering controlling parents (which we all are eventually) by disfiguring their bodies with tattoos and piercings, etc.**

**We shut out the noise with headphones, thus preventing contact with others. We use electronic devices to 'text' others even at intimate engagements.**

**Technology will take us further into the depths of our madness. You now can buy headsets that prevent any contact with the outside world while playing mind suppressing and entraining entertainment – games!**

**No one loves their children, they are ignored, and the controls hammered into them turn them into clones of ourselves. Look at ourselves and we can all see that we have been all messed up by our own parents, as they have for generations over the past 200,000 years.**

**No more of this! We can escape this man made hell!**

# EVOLUTION

**STEP 1: Longing for and receiving Divine Love:**

**A. Soul within spirit body prior to receiving Divine Love.**

**B. Divine Love being received from the Holy Spirit, covering the spirit body of requesting personality.**

**C. Divine Love having been assimilated within one's soul, now being reflected through the radiance of the spirit body.**

## STEP 2: FEELING HEALING + SOUL HEALING

It is the Divine Love that strengthens one's resolve to persevere with embracing one's suppressed emotional injuries, that occurred from conception through to around the age of six, and longing to know the good and the bad of those feelings, together with talking about them to a friend, partner, one's self and our Heavenly Parents. It is only with the receipt of the Mother and Father's Divine Love and the expressing of suppressed emotional injuries that one can release the emotional injuries and errors to achieve Celestial soul condition and enter the Celestial Heavens.

Further, should one complete their Feeling Healing on Earth, then they will be able to recognise their soul partner, their other soul half, and should their soulmate have also embraced Feeling Healing with Divine Love, then their children will be born free from error, free from fear, and free from any deformity and illness. This is the destiny of humanity.

Further, being in this condition of free from error and being in constant communication with our Heavenly Parents, then one can also recognise and form their Soul Group. This will ultimately consist of twelve soulmate pairs, a total of twenty four personalities / individuals.

It is the bringing up of children by the support of soul groups that is to be the ultimate way forward. The group experience and wisdom, as a functioning family, will ultimately be of profound benefit for the blossoming child.

But what we cannot do is contrive the groups ourselves, or even pick who our soulmate is. This will only, and can only happen, as an outworking of the truth we are to live – as we progress in the healing of our soul.

And this is how all of life should be lived: according to the truth we are living. It is how we live, as there is no other way, but currently we live it in the negative, of that being directed by no truth, and so having to make it all up ourselves.

# FEELING HEALING + SOUL HEALING

To heal one's self is to simply look to see what feelings we are refusing to let ourself feel, and accept them instead of denying them. And to fully accept them, one needs to express them, speak about them, let them have their say, rather than pushing them aside, refusing to let them make you feel bad.

Doing this all with the intention of seeking the truth of why you are feeling them, of speaking about and expressing all such feelings; all feelings you have, but ALL WITH the INTENTION of UNCOVERING the TRUTH THEY WANT YOU TO SEE ABOUT YOURSELF. And it's the wanting to see the truth of them that is very important, because if you just look to accept them and speak and express them, but not seek their truth, then that's all you'll be doing, speaking and expressing them, but not healing their causes, so not fixing the things within you that are making you feel bad. And it's the truth part of it, seeking the truth of your feelings, and so, seeking the truth through your feelings, that's vitally important. It's the truth of yourself, life, nature and God, that is the spiritual aspect to it all.

You CAN'T find the truth of yourself, or anything else, through and with only your mind. You HAVE to engage and look to your feelings. And so if you choose to allow your feelings to 'Show You the Way', then the truth will come as you express them.

So to do our Soul-Healing consists of these steps, all of which are ongoing until it's done:

- **Admit you are feeling bad.**
- **Accept your bad feelings, identify what they are.**
- **Honour fully your bad feelings by expressing them, speaking about them to someone who is willing to hear you talk about them, or tell them out loud to our Heavenly Parents. Long for the truth of them. Long for the truth of why you feel bad – what deep within you is causing your bad feelings?**
- **And remember, bad feelings are Good! Not bad. They are not to be despised. And as hard as it is to accept them, they are still you, and a very real part of you. And if you persist in denying them and not allowing yourself to fully live them, then you are only going to keep yourself in your errors making things harder for yourself.**
- **All sickness and suffering, all bad things that happen to you, all your problems, all your addictions – your whole feeling-denying and untrue life, is all caused by your denial of bad feelings.**
- **Every problem in the world is brought about because everyone has been brought up to deny feelings, and in particular, most of their bad ones.**

If one is intent on spiritually evolving and growing in truth, then it's vital, and this is the key, that one looks to use one's feelings as the means to gain and have access to the truth of oneself. You CAN'T find the truth of yourself or anything else through and with only your mind. You HAVE to engage and look to your feelings. And so if you choose to allow your feelings to 'Show You the Way', then the truth will come as you express them.

Doing your Soul-Healing with the Divine Love, is really doing your 'Feeling-Healing'. We are designed — created — to be self-revealing of truth, and so we are all to uncover the truth within ourselves and for ourselves, and all being done by living true to our feelings. **If you accept, express and seek the truth of your feelings, then truth will come to you, and you'll grow spiritually. It's as easy as that. Also it is as easy as it is to long for, ask for and receive Divine Love.**

THE HEALING OF YOUR BAD FEELINGS THROUGH THEIR ACCEPTANCE  
AND FINDING THE TRUTH OF THEM, IS THE ACCEPTANCE OF YOUR  
NEGATIVE, REBELLIOUS, EVIL, IMPERFECT MIND AND WILL CONDITION.

To do our feeling-healing we need to become:

Aware of – Acknowledge – and Admit, our bad feelings.

So we can:

Accept – them and allow ourselves to Be them.

And then if we feel to, take:

Action – Express, speak and emote them.

Talk about them.

All being done whilst longing to, really wanting to, see the TRUTH of our feelings.

So it sounds simple.

So I repeat:

We accept our bad feelings by expressing – speaking about them to someone willing to listen to us and take us seriously. And as we speak we long for the truth of them – why we are feeling them – to be made known to us. And when we uncover and see the truth we are FREE! – healed of the causes that have made us feel bad.

Accept, Express – see the Truth, and you're Free!

ACCEPTANCE OF ALL YOU FEEL, THINK AND ARE, IS THE KEY TO DOING  
YOUR HEALING; THAT, AND WANTING TO SEE THE TRUTH OF ALL YOU  
FEEL, THINK AND ARE.

**Feelings First Spirituality, The New Way**

*Feelings First Spirituality, The New Way* is a contemporary ‘religion’ based on living true to yourself through your feelings. Understanding that all you need in life is contained within your soul and is shown to you through your feelings. And by loving your feelings, by attending to them properly (talking or writing them out of you) and not denying them, you can use them to uncover the truth of yourself – the truth of your soul.

*Feelings First Spirituality* is not a formalised religion that tells you how to be, that is too controlling and is actually bad for you, limiting your spiritual growth. You can be wholly self-revealing of the truths you need to be, being the person God created you to be, all by living true to your feelings.

*Feelings First Spirituality* has no formal structure because we understand we don't need one, our soul contains within it all the truth of our spiritual ascent. If we look to our feelings for the truth they want us to see about ourselves, nature and God, then what more do we need! Our true spiritual path is the path our feelings will lead us down, that is, provided we allow them to. This is the most spiritual we can be.

**Living the New Way of Feelings First Spirituality**

You come to the understanding from your life experiences that how you are is not right, it doesn't make you feel good – that you are wrong in some way. And you want to change yourself, you want to become right, true and perfect – you want to be like God is.

*And to do this you need to do your Healing*

Your Feeling-Healing is looking to your feelings for the truth of yourself, the truth being hidden in many of the feelings you are not wanting to face in life. So you have to end your feeling denial, accepting all your bad feelings (and good ones), express them (yet not necessarily acting upon them), whilst longing to uncover the truth they are to show you.

Or, you can do your Soul-Healing, which is your Feeling-Healing together with including longing directly to God for God's Divine Love. When you receive the Divine Love into your soul, it will cause your soul to become divine, and it will deepen your personal relationship with God. Long with all your heart to God for God's Divine Love.

## Prayers to our Mother and Father

From 'Religion of Feelings' by James Moncrief

**Please Mother and Father** help me accept my untrue state and bring up all my repressed feelings so I can see the full truth of why I feel so unloved and all that's wrong with me.

**Please Mother and Father** help me see the truth of myself through my feelings.

**Please my beloved Heavenly Parents**, fill my soul with Your Divine Love. I long for Your Divine Love; please answer my prayer and yearning to be at-one with You and do Your Will by living true to myself and all my feelings. Please fill my heart and soul with Your Divine Love – please make my soul like Yours – Divine.

**Please Mother and Father**, I want to uncover the whole truth of myself through my feelings. I want to be able to feel and accept just how bad I am, how bad I feel I am, how bad I've been in my life. I want to know the whole ugly truth of myself, see it and feel it and understand how I came to be it. Please reveal to me through my feelings all the truth of myself You want me to see. I want to be as You want me to be; I want to be true and perfect, Healed of all my rebelliousness and self- and feeling-denial; I want to be good, loving, true and happy, please help me become true to myself, true to my soul, true to You.

**Please Mother and Father help me**, I'm in such bad pain, I feel so alone, so miserable, so scared, what's going to become of me, I don't understand, what's the point of me, why have You made me; please help me see the truth of myself – all the truths of myself, nature, how to be in the world, of You both. I want to know, I want to know it all through my feelings, all that there is to see, the whole truth and nothing but the truth. Please help all my pain come to the surface of me so I can embrace and accept and express it out of me. I want to use my feelings to uncover the truth they are to show me; please help me to do that.

**Please Mother and Father love me**. I want You to love me. I want to feel fully loved by You. I don't want anything else, only to be with You. Please, that is all I am asking.

**Please make me feel how unloving I am**. Please show me the horrible truth that I am. I want to see and feel and understand the worst of me, please take me into my darkest scariest ugliest unwanted rejected places within myself. I don't want to feel all the dreadful pain that I know is there locked away inside me, yet I do also want it all to come up and out of me, and I want to use it to see the truth of my wrongness, the truth of how evil I am, the truth of my fucked up state. I no longer want to be false, pretending I am okay, using my mind to make me falsely believe I am good, happy, loved and loving, when I know I'm not. For how can I be when You've brought me into my unloving state, making me be of it. And as You want me to experience being this negative way, please show me the whole truth of it. I no longer want to deny any part of myself, or any of my bad feelings. I want them all to come up so I can express them, emoting their pain, feeling how bad You've made me feel all my life and all through my early life; I want to see why, and so reveal all the truth to myself. I want to be the living truth of myself, living true to my feelings and the truth they give rise to. Please help me to do my Healing, and please fill my soul with Your Divine Love.

**The mind way is the 'dead' way; the feelings way is the 'alive' way.**

### Examples of some prayers to God:

From 'Feeling Healing' by James Moncrief

**Please God** show me the truth of myself through my feelings.

Please help me see the truth about myself You want me to see.

And please help me feel all my repressed pain; please bring up all my bad feelings so I can express them and see what it is they are to show me about myself, my life, and You.

And please help me work through my blocks, I want to Heal myself, I want to become true to myself and true to my feelings and true to You – please help me do that.

**Heavenly Mother and Father**, I feel so bad, and I know I'm doing it to myself, but I can't help it. I can't stop my compulsive addictions, so will you please bring up the buried feelings in me and show me the reasons why I can't stop. Please! I want to know – I REALLY WANT TO KNOW why I do them. Please help me Mother and Father to uncover the truth of myself. Please, I beg you, please, please, please show me the truth of them so I can give them up. I hate feeling bad, yet I know I must so I can keep expressing my bad feelings to see the truth You want me to see, so please help me feel bad.

**Please Mother and Father** fill my heart and soul with Your Divine Love. Please give me Your Love. Please love me and make me feel loved by You. I want to feel You close to me, I want You to hold me, make me feel loved by You. I only want You and to do Your Will. Please help me bring up all my repressed feelings so I can express them and uncover their truth. Please help me do my Healing. Please give me Your Love.

**I hate you Mother and Father;** why have You given me such a shit awful life? I hate myself, I hate You, I hate everything about my life. I feel so bad all the time. I've expressed so many bad feelings and still I feel bad. It's not fair, it's not fair what You've done to me. I hate You! And I want You to help me Heal myself, so I can stop feeling bad. You put me in the shit for whatever reasons, and I want You now to help me get out of it and show me what it's all been about. Please help me to Heal myself so I no longer hate You.

**I long for Your Divine Love** Mother and Father. Please fill my soul with it. And please help me uncover the truth of myself through my feelings. I want to see it all! And please make it all end, I'm so tired of always feeling so bad, please take all my bad feelings away by making me feel them and showing me the truth I am to see.

## Our FEELINGS are our SUPREME GUIDES:

# Feelings!

**Feelings are what guide us through our ascension of truth. So they are really our Supreme Guides.** Many people look for a person, spirit, angel, even God, for supreme guidance, however it's all right there already built in – in our feelings. **We just have to submit to them, allowing them to take us where they will, expressing all the parts we want to express, letting the emotion drive that expression if it's there to be expressed, or just talking about all we feel and how feeling that feeling is making us feel – or, how we feel about having that feeling, all whilst longing for the truth of our feelings. Longing for the truth of our feelings is really: Longing for the truth of our self, because: we are our feelings. So life stirs up our feelings, we feel being alive; or, being alive means we are feeling, always feeling; and when we work out what and why we are feeling what we are, so then we know the truth of how we are. And over time the truth accumulates, and our mind expands our understanding of ourselves, all being driven from our feelings.**

Kevin 26 Sep 2017

## **Using our feelings to uncover the whole truth of our negative or anti truth and anti love state.**

Kevin: **So whilst we're of an untrue state, then all we have got to help us understand why we feel bad, why we are wrong, why we are negative and anti love and truth, is our feelings. So if we focus on our bad feelings, they will lead us to the truth of why we're feeling bad. Which will be the truth of what happened to us to make us be this wrong way, and how we took on the wrong way and keep it going making us feel bad.**

## FEELING HEALING

**Note:** The vital difference between emotion and feeling is that emotions have their roots in the past, and feelings relate to the present moment. Emotions represent our feelings which were not previously expressed, and these accumulate with time.

**Note:** **Our feelings are soul-based. Our soul is always in truth. It is our soul based feelings, that when allowed to be freely recognised, we will begin to express and be who we are. This takes time and perseverance as we have encrusted our souls with layers upon layers of errors and false beliefs, it is these layers that will confuse the truth that our soul is conveying to us. Only by our progression with our Feeling Healing will our soul's expression of truth become clear and free of all cloudiness and contamination.**

“What our soul needs in accordance with our own, individual, **Soul-Light-Plan-Of-Destiny** (your life's true destiny plan), They, being our Mother and Father, will give you as required. The only way we can know truly what we need is to honour and follow our true feelings. They, springing from our soul, literally telling us what we need, and so when we genuinely feel we need something, we apply our will to get it. The hard part is knowing if our feelings are true, and until we have done our whole soul-healing, they won't be clear and totally true.” James – Introduction Course to Divine Love Spirituality

# FEEL *for* TRUTH

The beauty of it all, is the truth comes to you through your own feelings. You don't need to be told it by anyone. You can work it all out for yourself. We are self-revealing of truth, it's how God created us to be, and by being it we'll feel the happiest we can feel. Truth is our great comforter, so when you feel it come up within you, ah it feels so good and you feel just right – perfect!

We know only how to deny feelings, now we can get to know how to accept them. And always with the truth being the most important part.

## FEELING TRUTH

If you don't want to uncover the truth of your feelings, then you can keep on expressing them forever but you will never fully heal yourself. Seeing the truth results in the Healing. And to see the truth you need to express all the pain out of you. The two things go hand in hand.

You can accept and express your bad feelings, letting off steam all day long, yet nothing will heal and nothing much will come of it. So this is where wanting your feelings to show you the truth of why you're feeling as you are is so important.

Don't go fishing with your mind, that will shut the truth out from rising up for you. **KEEP YOUR MIND OUT OF IT.** It's a feeling thing, doing your Feeling-Healing. (This is where we erred previously, and this how other modalities are in error.)

You long when you can, then stop longing and keep expressing. And at some point, and it might not even happen immediately, it might happen after days or weeks of expressing the same bad feelings, truth will come to you. And it does, it just comes up suddenly into your consciousness. You just know. You see the picture and you feel it's true. And you know it's true. And THEN your mind can come in and start sorting it out and putting in context.

It's the Truth that we are seeking. It's the End Point. The Reason for doing your Healing. You are to see the whole Truth of yourself. And to begin with, that's the whole truth of your unloving self, of your wrongness, of your evilness, of why you are as you are in your negative unloving mind-controlling state. To be able to fully accept yourself as you are, warts and all. To not fight or resist or try and change yourself, just to accept all you feel and all the truth of all those bad feelings you feel about yourself. And when you do, so you will be healed. You CAN'T heal yourself unless you uncover the truth of your pain, suffering and so the truth of all your bad feelings.

Through our Feeling-Healing we long for the truth of what we're feeling whenever we can. So as often as you can. You want, and REALLY WANT WITH ALL YOUR BEING, ALL YOUR WILL, to know why you are feeling bad. You yearn, want, long and beg and beg and BEG God to show you the truth of yourself through your feelings. So when you are expressing your bad feelings you can stop and long for the truth to show you what's going on, why do you feel so bad, and you can do it any time you think of it or feel to do it.

Heartfelt TRUTH

# Feelings First Spirituality

## The New Way

**Feelings First**  
**FF**  
**Feeling Free**

The New Way, Feelings First Spirituality  
 Learn to live with God through your Feelings

Accept, express and long for the truth of your feelings

Be free in your feelings  
 Free your feelings from your mind's control  
 Live true to your feelings; your feelings are your true self  
 Live true to yourself through your feelings

Live true to yourself by living true to your feelings.  
 Long for the truth of your feelings.

Accept / Express / Bring out ALL of your good, and most importantly,  
 BAD feelings.  
 Want to understand why you're feeling them.  
 Use your surface feelings to take you deeper into your repressed and  
 hidden feelings.

The Feeling Way is the True Way.  
Your feelings are your spiritual guide.  
Your feelings will take you to God.

Your feelings will show you the truth of your relationships, including your relationship with God; and if anything is wrong, untrue and unloving, then why it is.

Our feelings are sacrosanct and we should respect them accordingly. And we should NEVER block them out, ignore, override, banish, deny or reject them, because if we do, we're only doing that to ourselves, as Our Feelings Are Our Self.

Our feelings are the gateway to our soul. Our feelings are the closest we can get to our soul. Knowing the truth of our feelings is knowing the truth of our soul, and knowing the truth of God.

Feelings First Spirituality is the True path for humanity.

It embraces all people.

It completely unifies the world.

Everyone can relate to everyone else through their feelings.

And we can all live the truth that comes from our feelings, all sharing the same truths as we express and have the same feelings.

No one need be left out; no one is more special than anyone else – we are all united in Truth through our feelings.

So with and through our truth we live our lives, therefore without the need of any man-made mind-laws, rules and restrictions that limit self-expression as inspired by our feelings.

The New Way, Feelings First Spirituality is what is to replace all man-made, mind-contrived religions that so many people have enslaved themselves to. The New Way, Feelings First Spirituality will set us free of all that control, ending the Rebellion and Default within ourselves as we do our Feeling-Healing, and ending such control and spiritual stagnation in the world.

Bring on the End Times – get it over and done with! Let's all see that Jesus is not going to come again, that Prophecy has failed all the mind-controlled platforms. Allow such false systems of belief to die their long-awaited natural death, they've overstayed their welcome, it's now time they fade away. So let us show such antiquated, erroneous systems of belief the exit and bring on the fresh liberation of discovering the truth of how we are to live for ourselves, each of us personally in our lives, and all by looking to our own feelings for it. Self-revelation through our feelings is the way to go.

The Way of the Mind is ending, and is really the End Times – the End of our mind control, and **it's about time!** With the Way of our Feelings replacing it.

The End Times means the end and therefore a New Beginning. And that new beginning is a whole new Spiritual Age – an age based on self-revelation of truth through one’s feelings, coupled with and supported by higher revelations from the Celestial spirits, angels and nature spirits.

The Feelings First Spirituality is the True Way to God because it helps you get to know God, helping you to reach out, connect and be personal with God, and do God’s Will, all through your feelings. It is the only true way of getting to know the God of Feelings – our beloved Heavenly Mother and Father, the Great Soul of Divine Love.

Love comes through our feelings and not our mind, as we’ve all been wrongly led to believe.

## The CHOICE is OURS to MAKE:

### Celestial Truth:

Truly all-loving;  
 Living true to oneself;  
 Mind supporting Feelings;  
 Living with the Divine Love;  
 Fully Healed of the Rebellion and Default.

### THE FEELING WAY

Feeling – Ascendance  
 Unlimited progression

- Living true to your untruth;
- Honouring all your bad feelings;
- Expressing feelings to uncover their truth;
- Healing the Rebellion and Default within yourself;
- Feeling unloved; being unloving;
- Feeling as bad as you can feel;
- Feeling like you are no one special;
- Longing for the Divine Love.

### THE MIND WAY

Mind – Transcendence  
 Limited progression

- Enlightenment, Nirvana, feeling all-loving;
- All false, mind-contrived. Anti-truth, anti-love;
- Still evolving the Rebellion and Default within yourself;
- Feeling and believing you are the Superior One;
- Living with your mind in control of your feelings;
- Living rejecting all your bad feelings;
- Living with your mind contriving you feel loved;
- Rejecting the Divine Love.

All religions, New Age, agnostic,  
 atheists, no spiritual interest,  
 Living the Rebellion and Default.

Hell:  
 Exploiting the Rebellion and Default.

The Feelings are the doer; the Mind the teller. So we are to go with our feelings, which we can't be told to do with our mind. So the longing for the Divine Love, doing our Healing by expressing our feelings and longing for their truth, are all feelings and doing it with longing. Whereas the mind just wants to tell us what to do and how to be, no feelings in it, all how our parents have treated us.

## **FEELING HEALING, DIVINE TRUTH and DIVINE LOVE POINTS:**

### **Feeling-Healing: Using your feelings to heal yourself**

Extracts from the book, Feeling Healing by James Moncrief

What follows is an introductory point-form summary:

#### **Your Feelings:**

- Are very important
- They should never be dismissed or denied – not one, and especially the bad ones
- They must be allowed to be – allowed to have their say
- You can heal yourself through your feelings
  
- Denying your feelings makes you sick
- Illnesses and pain only come because you are denying and repressing feelings
- The pain (a bad feeling) comes so you can accept and express it
- Expressing the pain and bad feeling out of you is what makes you well
- Keeping in bad feelings is keeping in the poison
- Heal yourself through your feelings
  
- During your childhood you were made to deny and not express many bad feelings
- And these bad feelings are still within you – still waiting to come out
- Adult bad feelings can lead you back to your childhood bad feelings
- You are to connect back to all the bad feelings you've suppressed and repressed
- As the hidden and mostly forgotten buried childhood feelings come out, so you are healed
- This is healing yourself using your feelings – doing your Feeling-Healing

#### **Seeing the truth:**

- You are to see what your feelings want you to know about yourself
- You can long for the truth of your feelings – why am I feeling bad?
- You must want to uncover the whole truth of yourself through your feelings
- When you liberate your bad feelings, whilst longing for their truth, the truth will come
- Heal yourself by looking to your feelings for the truth they want you to see about yourself
- When the truth comes, you are free, set free of the causes of your pain and bad feelings
- Your actual healing happens when you see the truth
- No truth; no healing – still more bad feelings to accept
  
- Speak out your feelings, all the good and bad ones, whilst longing for the truth of them
- Want to live true to yourself
- Want to live true to your feelings
- Long for the truth your feelings are to show you
  
- This is doing your Feeling-Healing

#### **Feeling-Healing:**

- You've been taught to deny bad feelings

- Denying bad feelings is what is making you sick
  - To heal yourself you need to stop denying any feelings
  - Accept the bad feeling you are feeling
  - Fully let yourself feel it
  - It's very difficult going against your programming
  - Want to feel bad
  - Want to feel all your bad feelings
  - Don't want to deny any of them
  - And when you feel bad, identify that bad feeling
  - Say what it is and how it's making you feel
  - Express the bad feeling
  - Emote the feeling out of yourself
  - Say how you are feeling with the feeling you are feeling
  - Say it to a friend, write it, say it out loud, speak it out to God
  - The denied bad feeling stays within you until you bring it out
  - Keeping in the bad feeling is what's making you ill, and giving you all your pain
  - All those repressed bad feelings are like a poison slowly killing you
  - Open your mouth and let your bad feeling out
- 
- Want to know why you are feeling bad
  - Want to see the answer through your bad feeling
  - Long to know the truth of what you are feeling
  - Long to God to help you see the truth of your bad feelings
  - Want to see the truth through your feelings and not with your mind
  - Don't go fishing within yourself for answers using your mind
  - Let the truth of why you're feeling bad surface in its own good time
  - The truth will come as you express your bad feeling, whilst longing for the truth of it
- 
- Decide that you're going to be loving to yourself by first stopping your feeling denial
  - Then by expressing all you feel, both good, and especially all your bad, feelings
  - And also by longing to know the truth of why you're feeling what you are feeling
- 
- Doing your Feeling-Healing is expressing all your feelings whilst longing to see the truth of them. Uncover the truth of yourself through your feelings and you'll be free of all your pain, illness, unhappiness, misery, fear, suffering, and free of all your bad feelings.

### **Feeling-Healing:**

- You can heal all your pain, illness and suffering by looking to your feelings for their truth. And you do this by accepting every bad feeling you have, no longer pushing it aside and dismissing it, no longer denying all the bad stuff.
- And you express your bad feelings the best you can, understanding that all the bad feelings are within you and have to come out, even all the ones you've denied in the past.
- And as you express your feeling with all the feeling you are feeling, so you long for the truth of that feeling – you want to know why you are feeling it, what really caused it within you, which will take you back to your early life with your parents.

- Accept your feelings. Express them. Long for their truth.

### **The truth of doing your Feeling-Healing:**

- We are to see the whole truth of ourselves. Through our feelings.
- This means, the truth of why we are the way we are; why we say what we say; why we do what we do; the impact of what we say and do has on ourselves and others; what our relationships are all about, with our self, others, nature and God – as in, are they loving or not; and if not, why not; what happened to us in our early relationships to make us be as we are; what was the truth of our relationships with our parents and other family members – and were they loving relationships; and if not, why not; the truth of every aspect of ourselves, and this includes the truth of all our pain and suffering – the truth of why we don't feel truly loved.
- We have grown up being made to deny many aspects of ourselves, this being seen in our feeling-denial. This means we've not been allowed to fully express ourselves, so we've not reached our full potential. And all that we weren't allowed to express, all our crying, anguish, our misery, fear and anger, all our pain, is still within us waiting to be expressed.
- We were made to become false and untrue. We were made to live untrue to ourselves. So we have to heal that by uncovering the truth of why we are false and untrue, with the truth of our wrongness then allowing us to become true.
- And how we do that is all through and with our feelings, and not by looking to our mind.
- And so we do our Healing: which is our Feeling-Healing; or Soul-Healing – that is our Feeling-Healing and longing for the Divine Love.
- And our Feeling-Healing is looking to our feelings to see the truth they are making us feel. We accept what we are feeling, we don't push any bad feeling away; and then we express all we're feeling, and we long for the truth of those feelings. We want our feelings to show us why we're feeling bad. And they will. The truth all coming to light with the ongoing expression of feelings.
- And as we bring out all our repressed early childhood feelings, dealing with the pain by allowing ourselves to feel it, saying what we feel about it and how it makes us feel, crying with that pain if that's what we feel to do; and all whilst we want to know with all our heart why we are feeling so bad, so the truth will come of all that we are. So all that happened to us during our forming years and childhood. All that made us into the adults that we are.
- And gradually as we express all our pain and uncover the truth of it, we become truer to our wrongness, injury, hurt, pain, trauma, and that is the healing of it. Uncovering and seeing the truth of what's wrong with us, what's making us feel bad, is setting ourselves free. It is how we can heal ourselves. It's being wholly self-loving, by being wholly feeling-accepting.
- So we have to see the whole truth of our unloved state. Then once that's seen, by our thoroughly feeling it, every last bad feeling, then we're able to live true to ourselves in a truly loving state.
- That is doing our Healing by looking to our feelings for their truth.

### Living True to our Feelings:

- We are to live true to our feelings, to each feeling as we feel it. And want to know the truth of why we're feeling it. To allow our feelings to lead and guide us through life, by living the truth that comes from our fully accepting, embracing, honouring, expressing and living true to them; all whilst we want to know what God wants us to see about them – the truth of them.
- Our feelings are very, very, very important, and that's every feeling we have. If you are stopping yourself from having one feeling, then potentially you are causing yourself a problem which can manifest in you getting sick. We are only sick because we are stopping ourselves express all the feelings we feel. We have been made to block out many of our feelings, some of the good ones and most of the bad ones, having learnt how to do this from childhood, all of which now as adults causes us all the problems we have. So why your life doesn't work as you want it to, why you feel bad, pain, are suffering in any way, why your relationships don't work, is all because you are denying feelings.
- So to heal yourself, to end your pain and suffering, and to ultimately live the life that will make you the happiest and most loving you can be, you will have to stop denying any feelings; and instead, go the other way, fully embracing them, fully accepting that you have them, welcoming them as you feel them, giving them their full expression, and wanting to know why you are feeling them. We are to bring out all the bad feelings that are repressed within us, all those terrible ones we've not wanted to acknowledge and feel, and by doing so, once they've all come out, no longer feel them.
- If you don't bring all your bad feelings out, then they are only going to stay within you still making you feel bad.
- To keep your bad feelings repressed within you is like keeping all the poison inside you, and it will slowly kill you, making you feel all the pain you do, making you be sick, causing you all your problems. So get it out, bring out all your bad feelings and so end what's making you feel bad.
- Look at how you conduct yourself through the day – do you deny any of your feelings?
- What happens when you feel sad, do you try and make yourself feel better? Do you try and stop yourself feeling sad?
- What happens when you feel angry? Do you allow yourself to feel as angry as you do, or do you come down hard on your anger banishing it because you feel it's bad to be angry and you don't want it damaging your relationships?
- What happens when you feel happy – do you allow yourself to feel as happy as you feel? Or do you say, no, calm down, don't get too over excited, something bad might happen and then you'll feel let down?
- What happens when you feel scared? Do you dismiss your fear telling yourself that it's nonsense, you're an adult, you shouldn't feel scared of that; and besides, what's there to feel scared about anyway?
- And what do you do when you get sick? Do you allow yourself to feel all the bad feelings your

illness brings up in you? Or do you do all you can to stop yourself feeling sick and to get better? So quickly off to the doctor and into the pills, all to make yourself better and end your bad feelings.

- And what if your friend is depressed feeling upset about something, do you allow them to feel as bad and upset as they feel; or do you try to make them feel better, trying to take their mind off their bad feelings putting it onto something that will make them feel good?
- And if you do any of these feeling-denying things, or any others that you do – why do you do them? And you'll probably say: Because I don't like feeling bad. I want to get rid of my bad feelings. Which is completely understandable, as no one wants to feel bad. However, do you think it's right to deny these parts of yourself, to just shut them out, put your mind onto something else, take pills to make them go away – do you think it's right to deny any part of yourself?
- And if you do deny some part of yourself, then you are not functioning perfectly, and you are imperfect and working against yourself. It's not very loving, is it? It's not being loving to yourself, to as soon as you feel bad, get rid of that part of yourself – because your feelings are a part of you.
- And being unloving to yourself, as seen by you denying your feelings, is going against yourself, so you're effectively working to make yourself be sick, for you are causing yourself to be dysfunctional, and not working right means you're making yourself feel even worse than you already are. So you're making yourself feel even more bad feelings, which you've then got to deny as well! So it's something of a vicious circle, all of which ends up putting increasing amounts of unloving pressure on yourself, all of which can only make you feel more bad feelings.
- Mostly we feel okay, our patterns formed during our childhood function in our adult lives, and we move along denying our feelings without a second thought. But then occasionally (or often) bad things happen to us or we get sick, our relationships don't work, something happens to make us feel bad, and that's when we have to start the hard work. And so we have a choice: We can either come down harder on ourselves denying more of our feelings; or, we can go the other way, going against our programming and start to accept and allow our unwanted feelings to be.
- But then that brings up alarm signals, because, if you just allow yourself to feel bad, those bad feelings are going to overwhelm you, and they might make you say or do something you later regret, and who wants to be swamped by them, there are too many of them, they are never ending, and you will just feel worse and worse and the pain will be excruciating, crushing, devastating and you'll not be able to bear it. So what's the point in just letting yourself feel as bad as you can?
- And this is where our Feeling-Healing comes in. It's to understand that yes, we are denying many bad feelings and that we want to stop being unloving that way to ourselves. And so we want to accept our bad feelings instead of reject them. And then to understand that they are coming up in us for a reason, and part of that reason is for us to express them, so to bring them up and out of us; and the other part of the reason is for us to see what it is about ourselves they want to show us. We don't just feel bad for no reason, there are very real reasons why we're feeling bad, and so we have to want to know what those reasons are. And how we do that is by longing for the truth of our feelings. We want to see why we're feeling bad, and why we're really feeling bad, the deeper and even the deepest truth within us, for there are layers to ourselves and our feelings, and gradually we can uncover those layers seeing what is really going on inside us on every feeling level.
- However to live this way, accepting your feelings and wanting to see the truth of yourself they are

trying to show you, means you will also want to face the truth of yourself, and this can be daunting, not many people are prepared to look squarely at themselves and see all the truth their feelings might show them about themselves, because: what if some of that truth is not very nice?

- So we're in a bit of a bind. If you want to heal yourself of all your bad feelings so you no longer feel any of them, then you're going to have to want to embrace them all, express them out of you as they come, and want them to show you all the horrible, unloving, nasty truth about yourself that you might have tucked away deep inside and not wanting to face. And then, if you don't want to uncover the whole truth of yourself, and know whether that truth is good or bad, then you'll just have to keep going denying your bad feelings until they get so overwhelming and you feel so much pain that you can no longer deny them as you've been able to do, making you have to then deal with them.
- So might it not be better to start now and learn how to work with them and how to include it as part of your life? Rather than keep letting them build up as you deny and repress layer upon layer. And to accept that, yes, you might uncover some bad things about yourself, and yet, we've all got them, and so, so what, you'll deal with them when they come up. And slowly as you become better at allowing your feelings to be, expressing them and longing for their truth, you will be releasing them out of you and so stopping them from making you sicker than you might already be. Every repressed feeling you express out of yourself is one less within you waiting to be expressed.
- Using our feelings to uncover the truth of ourselves is how we're all meant to live. It's natural. It's no big deal. And yet it's vitally important for our wellbeing and to feel happy and truly loved. However we've all been made to live against this natural way. We've all been made to use our mind to stop ourselves feeling bad, our mind jumps in taking over saying no, you can't feel bad, bad feelings are unwanted, they are evil, they are nasty things, I'll help you get rid of them. But that is an unnatural way of living. That's living against ourselves. It's being untrue. And false. It's living against your soul, against nature, against God. It's the worst way to live. It's not spiritual. It's not loving. Whereas to live allowing all your feelings to have their say, to fully get into them, bring them up and out, and to live them, emote them, all whilst wanting them to show you what you are to see about yourself and how you are to live, is the right way to be. It's the most true spiritual way you can live. It's being positive, loving, and in the end, once you've liberated all your repressed bad feelings, will set you free of all pain, free of all your negative unloving patterns, releasing you from the harsh control of your mind, allowing yourself to be fully self-expressive, accepting, unconditional, happy and loving. And true: true to yourself, and true to all you feel.
- So our feelings are the way to our truth. We are to uncover the truth of our self through our feelings. And this is living the truest spiritual life you can live. And if you don't necessary want to be spiritual, by uncovering the truth of yourself through your feelings, you will be naturally spiritual anyway. And it's no big deal. And you'll be part of the **Feelings First Spirituality, The New Way**. And even if you don't like the idea of being part of a religion, well that doesn't matter either, because you'll just be yourself living true to your feelings and uncovering the truth they want you to see, and that can be your way of life whether you want to call it anything or not.
- And if you want to go one step further and include God in your new found **Feelings First Spirituality, The New Way**, then it's easy to do that too. You can long to God, asking God to help you see the truth your feelings are trying to show you. You can ask God to help you honour and accept all your feelings, and to help you express them, and to help you want to see the truth they are to show you. And you can even long to God specifically for God's Divine Love.

**SPIRITUALITY was and will return to be the WORLD'S LEADING WAY OF LIFE:**

The ancient Sacred Inspired Books were written for the purpose of teaching early man religion; therefore, man's first religion was the teachings of the Sacred Books.

The basis of the first religion taught to man was – Love. The Love of Man for his Heavenly Parents, the Love of the Heavenly Mother and Father for his son, man, and the love of man for all of God's creations.

Man was taught to approach the Creator in reverence but without fear or trepidation, just as a child would approach his earthly mother and father knowing that open loving arms were extended to receive him.

Early man knew no fear of God, the Mother and Father, because he loved the Mother and Father and he knew They loved him in return.

All of the ancient teachings were the same all over the world, it was a universal church without sect, creed, theology or dogma.

Every teaching was plain and simple without a particle of theology. The most ignorant could understand every phrase in it. There was nothing of any kind indefinite. It was impossible not to understand it thoroughly. Man was taught to approach the Heavenly Parents, not with fear or dread, but with confidence, and above all, Love: as a child would run to its earthly father who is standing with outstretched arms to receive it. Love stood at the head of the 12 great virtues, because Love governs the Universe and the Heavenly Parents is The Great Love.

Now all peoples of all faiths and way of life can embrace the universal gift of our Heavenly Parents. This gift was known to the first family and again known in the 1<sup>st</sup> and 2<sup>nd</sup> century. Living with the Love is universally being taught through the teachings from 31 May 1914 and ongoing, by our Celestial Friends, and that gift is the light golden blue energy substance being the Divine Love of our Heavenly Parents that is shared with all who so ask to receive it. It is that simple, ask and you will receive the Love substance of God instantly.

**God's Divine Love: Pray for it, ask for it, and receive it.  
Our Heavenly Parents simply desires for us to ask for Their Love.**

One's soul is connected via cords of light with one's spirit body in the region of the physical heart. The spirit body is the template of the physical body. Our mind is within the spirit body as are all of our senses that our physical body responds to. Our memory and personality are soul based. Upon shedding of the physical body we lose nothing, in fact we become more alive than ever. The Love of our Heavenly Parents, when embraced, is infused through our spirit body and into our soul bringing great freedom, love and joy.

The natural love is the energy substance that is one's unique soul. Each personality is unique and that is achieved through the natural love energy substance at the time of its creation by our Heavenly Parents. The natural love has a finite development potential towards its own perfection.

Divine Love is uniform and changeless. The Divine Love energy, being light golden blue, perfects the natural love energy without changing the personality created by Mother and Father. With the Love, one can grow beyond perfection and become fitted to live with in the Celestial Heavens and beyond.

The Love itself is not 'spirit'; it is a substance of Energy that is harmonious with spirit. There are only two Loves – the Natural Love and the Divine Love – and only the Divine Love can bestow into a mortal soul that quality of Immortality that enables a soul to live with the Father in their at-onement in the Celestial Heaven and to progress beyond these glorious realms.

## **DIVINE LOVE – what does it do?**

The divine gift from asking for and receiving Divine Love will steadily, but with certainty, raise one's quality of life and also of all those around such a person who is seeking and receiving this Love.

The receiving of Divine Love, which is a substance, with certainty, progressively:

- Raises one's love for those around them, whilst embracing one's Feeling Healing.
- Raises one's perception of all things – naturally grows one's intelligence – soul intelligence.
- Enables one to feel and resolve negative emotional issues more readily during Feeling Healing.
- Humility becomes self evident. Humility enables one to feel their errors and emotions.
- Divine Love strengthens one's resolve to express errors, emotional injuries and untruths.
- Divine Love with Feeling Healing to remove emotional errors, enhances one's health.
- Divine Love enables one to become more childlike – not adult serious at all times.
- Divine Love raises one's capability of feeling – no longer needing to be mind controlling.
- By becoming feeling orientated, one no longer is mind / intellectually dominated.
- The strength to fight and overcome sin and error is strengthened through the Divine Love.
- The Law of Compensation process is more resolved by Feeling Healing with Divine Love.
- Receipt of Divine Love grows one's faith, beliefs become faith and then knowing.
- As our faith grows our intensity to ask and then receive Divine Love grows.
- We begin to follow our passions and desires, no longer fear and mind driven.
- Truth being told at all times then progressively becomes a way of life.
- Our quality of life blossoms, our finances and relationships prosper.
- Man creates his own environment, seeking Divine Love can vastly improve one's environment.
- Health carers receiving Divine Love enhance healing outcomes beyond comprehension.
- Receiving Divine Love may assist in bringing a struggling marriage back into harmony.
- You progressively become dependent upon our Heavenly Parents, not self dependent.
- Personal growth in love directly assists the soul condition growth of one's children.
- Divine Love assists one's rate of soul condition to progress whilst embracing Feeling Healing.
- Divine Love is a substance that changes the human soul to that of the Divine.
- Without Divine Love, one cannot progress into the Celestial Spheres (8<sup>th</sup> sphere and higher).
- Divine Love, with Feeling Healing, enables everlasting Love and Life in the Celestial Heavens.

“The Law of Compensation doesn't operate on isolated actions, but on the overall condition of people's souls, because the deeds are the consequence of this condition. Our behaviour is the reflection of our souls. Never see isolated deeds, always see souls whose condition leads to certain deeds. It is the soul condition which determines the motive and consequently the action. It is our lack of trust in God, this ultimate and definitive trust, which only soul development may give us. This lack is why we suffer.”

Judas of Kerioth 5<sup>th</sup> October 2001

As you grow in love, illness issues abate, financial security improves, and your treatment of your fellow man is the same as how you would like to be treated. You grow in natural intelligence, your perception on many subjects becomes profoundly more loving and supportive of and for your way of life and how you interact with your fellow man.

This quality of life and love permeates and extends into every facet of your physical life and continues to grow as you progress on your journey within the spirit world.

Your capabilities to ask for and receive Divine Love is a gift between you and your creator, God. You do not need an intermediary, nor do you need to join with any organisation. This is your own personal journey and experience. You can share this with others, but no one can take it away from you.

This Love will elevate the human soul to a condition that it may perceive the spiritual truths which God has waiting to be revealed to His children who aspire to understand the nature of the divine and what their true relationship to Him and their family of souls is.

**“Keep faith with God, and be open to Their Love, and you will overcome with confidence and, indeed, peace of mind, optimism and happiness, those circumstances that seem to mar the fulfilment of your years.” Mary (mother)**

**‘The difference between what are regarded as two paths, the Natural Love Path and the Divine Love Path, is, essentially, the amount of Divine Love that beings have been able to acquire.’** Quote from Celestial Spirit Richard 22 Dec 2012

### JESUS' GOSPEL in FEW WORDS:

It is easy to summarize Jesus' gospel in few words: "God is Love. They offer Their Love to all Their children, that is to say, to all humanity. Moreover, They are always a personal God who invites us to enter into contact with Them, should we wish to do so. They will listen to us and They will answer."

~~~~~

God is the Source of Truth. And if you want to discover Truth, go to the Source, and do not be satisfied with second or third hand information.

The only way to find Truth is to experience it for yourself and in yourself. What you may experience, and thus verify, in your heart — is a great truth. Judas 6 May 2002

Man is composed of three essentially different parts: the physical body, the spirit body, and the soul. Of these three components, the physical body is characterised by its fleeting nature, for the numbered days of its existence. In fact, it only fulfils the purpose of integrating the soul into a material world, facilitating the interaction of man's spiritual part with the coarse matter environment that surrounds him.

The spirit body is composed of a different kind of matter, "finer" or more "ethereal". The fact that its aspect reflects the condition of soul is a clear indication that the soul influences largely its formation, and even more, the soul is indeed the creator of this body, which covers it and provides it with the characteristic of individuality. The formation of the spirit body begins at the moment of incarnation of the soul in the foetus, incarnation which only takes place should there exist a high possibility that the spirit of life has found in the new organism a stable biological structure, allowing it to carry out its life-giving function.

The soul, lastly, is man's only part that resembles its Creator. This is why we also refer to God as the Great Soul, Source Soul or the Oversoul.

When the human soul receives the Love of God – Their Essence – it becomes a divine soul. This is called soul transformation, culminating exactly at the moment when this process consumes the last vestiges of the natural soul, in the New Birth. Judas 8 May 2002

Our message is simple: God is Love, and They share it with all who so desire. Judas 13 May 2002

God is Love and is willing to share this Love with all Their children, that is to say, with all humanity.

Our Heavenly Parents' Love is not a simple feeling, but rather it is Their Substance, or the Essence of Divinity, that distinguishes itself by attributes, as any substance does, and what we call "unconditional love" is but one of these attributes. Judas 16 May 2002

**Note:** Following the writings of James Moncrief, one could consider that any reference to the Father, by other relevant writers, may be read as a reference to 'our Mother and Father'. Further, when considering soul healing, then reference to Divine Love could be referred to as 'Feeling Healing with Divine Love'.

## EMBRACING the LOVES:

Our soul is formed from the substance known as natural love. This natural love enables us to develop to that which is the perfect man, an excellent, capable and loving personality. However, there is a limit to our growth founded on natural love for there is nothing of the Divine within the substance of natural love.

Should we ask for, and then receive Divine Love, then the Divine substance of Divine Love can be added to our being, thus providing us with an infinite potential for growth and development in the Love that is Divine.

The natural love and Divine Love are not divided when in the soul.

The natural love is harmonious in the Immortal greater love, the Divine Love, and so, never shall an Immortal faith and Immortal truth fall.

Adding Divine Love to your being can be likened to developing a powerful engine based on natural love to that which is found within a most powerful muscle car. One's performance capabilities progressively develop as the regular fuel of natural love is slowly, but steadily supplemented with the fuel of Divine Love, thus changing that which is founded on natural love to that of the Divine, namely Divine Love.

Your fuel steadily is converted to that which is of the highest octane level ever envisaged.

The Divine Love is the wonder of the universe. How this invisible substance causes so much change in our mortal nature is a miracle to behold and experience.

Living with the Divine Love brings about harmony throughout all of one's bodies, systems and personality. One's capabilities and love continue to greatly expand.

Divine Love always has its effects in harmony with the expression and development of natural love. Therefore your awareness and expression of natural love in your life is a vital element in accepting Divine Love into your life and fostering its development of your soul. Divine Love is the great harmoniser and is therefore not isolated but its effects are universal.

Divine Love is the 'ultimate' high octane fuel.

## WE ARRIVE DETUNED!

Our souls are a divine creation of our Heavenly Mother and Father. They could not be any other way! And are designed (such as how it has been for us) to begin incarnation in a Natural love condition reflecting the Natural love state of our world.

And we have also been provided with the opportunity to experience what is being ‘evil’, to live denying our Natural love, as seen through the denial of many of our feelings. So we here on planet Earth live on a world that has Rebelled (and then also Defaulted), of which there are only 37 within the local universe of Nebadon, consisting of 3.8 million physical worlds under the regency of Mary Magdalene and Jesus – the spiritual parents of truth of all of Nebadon! And we assassinated Jesus, and completely denied Mary not allowing her to have her say about the truth.

As a consequence, we are ‘detuned’ from our Natural love state and divine origin. You could say we arrived with all parts functional, however, in our untrue, dysfunctional and distorted state, we’re badly in need of a severe service, tune up or a complete reconditioning. Our goal being to bring our true self to the fore by doing our Feeling Healing, and then to progress beyond our Natural love state by further advancing our soul condition through the process of Soul Healing and receiving our Parents’ Divine Love – becoming divine.

In our feeling- and truth-denying untrue Natural love state, we have been made to use our minds to dominate our feelings, becoming more like that of mind-based creatures of nature than of human souls of truth and feelings. And this is the wrong way for us to develop. So to step beyond this limitation, we are to live true to our feelings. Our heartfelt feelings being the guiding lights to our evolution and growth of truth.

Feelings are what guide us through our ascension of truth. So they are really our Supreme Guides. Many people look for a person, spirit, angel, even God, for supreme guidance, however it’s all right there already built in and can be found through our feelings – our soul based feelings.

By living true to our self, true to our feelings, we are living true to God. It’s that simple.

Thus we are detuned once our incarnation begins. However, the way is now open for us to bring about our full divinity. To completely Heal all that’s wrong within us on a Natural love level. To embrace and then transform that Natural love into a divine state through partaking of our Heavenly Parents’ Divine Love. All the while attuning ourselves to divine perfection and enjoying the fullness of our divinity and love, as we ascend in truth on our journey all the way to Paradise – the home of our Heavenly Parents.

**Feelings first**

**WE were DIVINE, and**  
**WE are to BECOME DIVINE AGAIN:**

Our personality, our soul, our real self, are all creations of our Heavenly Parents. We, our real selves, are not creations of our physical parents. Within our original status, we were of Divine nature.

Our physical parents, from our conception, endeavour to mould us into being ‘little me’s’, that is, replicas of themselves, imposing their beliefs and personality traits upon each of us. They crush our individuality and free will. They destroy our personality, our true self. They inflict upon each of us their ways, all of which are of a result of the Rebellion and Default of many, many generations ago. They drive us into believing and subsequently becoming dependant upon our minds. This is not the way for us to express our true selves and evolve along the path towards our true parents, our Heavenly Mother and Father. We are to embrace the Eternal Son of Truth, not the Infinite Daughter of Mind.

No, we are not in the image of our physical parents. Though we may look like them, and act like them because they have dramatically and successfully crushed our true personality, we are each very unique and independent of our parents and all other family members. When we begin to progress along the path of engaging with our soul based feelings and seek for the Truth of our feelings, we will become free of our parents’ impositions and suppression.

Upon starting our physical life experience on Earth, our divinely created soul begins to express us as one of our soul’s two personalities in Natural love. However because of Earth being in Rebellion, so we are parented into a rebellious and anti truth and anti love state of mind control over our feelings and true self.

Natural love is good, just ‘less’ or different to Divine Love. And it’s that in our rebellious state, we’re rebelling against Natural love, and Divine Love by not taking Jesus and Mary up on their offer and allowing the Divine Love to transform our soul, as we perfect our Natural love by doing our Healing.

By living true to our self, true to our feelings, we are living true to God. It’s that simple. The revealing of the Feeling Healing process is the commencement of our ability to begin the Great U-Turn and go the right way. Should we then also embrace our Heavenly Parents’ Divine Love, we can also commence our Soul Healing and a returning to that of being divine – this is our destiny.

**CREATED in THEIR IMAGE:****GOD**

James: Mary, what does ‘we being created in the image of God’ really mean?

Mary M: It means that our Mother and Father used Themselves as the model or template if you like, upon which to bring us into being, those of us who have existential souls with the potential of expressing their two personalities in Creation.

And although our souls are divine, as in being divinely created, still whilst we start our personality expression in Natural love, so we need the Divine Love to come into our soul and bring it into the levels of Celestial divinity.

Natural love, so basically the whole of Creation, is of the image of God, and we being divinely created souls can be part of God’s Divinity becoming divine ourselves. So through your Healing, James, you become progressively divine by partaking of the Divine Love and healing yourself into perfection – your true self. And by the time you’ve completed your Healing, your soul is of the Divine Love level of Celestial truth, and your personality is an expression of that level of truth, it all being ‘confirmed’ and cemented – fused – into place upon the direct soul-union with your Indwelling Spirit. Then you are of the essence of God, true and perfect to the level of the first Celestial sphere, the first sphere of true divinity.

Mary Magdalene communicating with James 20 November 2017

**FEELING HEALING with DIVINE LOVE being AVAILABLE is our SALVATION:**

**DIVINE LOVE is the ultimate high octane super fuel to transform our soul into that which is Divine. Loving in all that we then do. With Divine Love we can progress into the Celestial Heavens, without it we can not. Ask and you will receive.**

**We are created with the substance of that which is not Divine, and that is Natural Love with its various aspects that reflect through our personality.**

**The Divine Love is far more powerful than the natural love. If I would have to put a number on how much stronger, just so you can understand what I'm trying to say, I would say 10 or maybe even 100 times. Of course this is purely hypothetical because natural love is only a derivative of Divine Love so it is almost impossible to compare them this way. If you ask for the Divine Love to enter your soul it will be 10 or 100 times more efficient, 10 or 100 times stronger than if you would let the natural love flow through your soul. So it will help to break down "the wall" you've created around your soul 10 or 100 times faster than the natural love would do.**

**John (Apostle) 19 January 2015**

**The life force for the spirit body and the physical body is via the soul. The spirit body is connected to the soul via cords of light, and in turn, the physical body is connected to the spirit body via cords of light. Should the light cords between the spirit body and the physical body be disconnected then the physical / material body dies. The physical body is our starting point for learning and experiencing our being. Our learning and growth experience then continues through the existence of the spirit body.**

## DIVINE LOVE HARMONY:

**Immortal harmony:**

**Transformation of the soul is a beautiful harmonious gradual awakening.**

**In a gradual way with the Divine Love and Feeling Healing, as changes in the soul and spirit body occur, these changes will result in the personality slowly accepting the source of these changes as being the Soul God and with the independent will, one can have complete acceptance of our Heavenly Parents, Mother and Father, God.**

**People have loved God and felt loved by God and they have in deed received the Divine Love without ever knowing the truthful identity of this Love insofar as the truths relating with its causality in the human soul and affect upon the spirit-mind.**

**Part of the nature of the Divine Love in our souls is that it activates our spirit body systems and soul so that the nature of God is seen and experienced in the living and this places us in touch with the many Spirit attributes that extend from God and have their existence in God, such as our Indwelling Spirit. God no longer remains inactive to us; inert, inanimate, or an unknown but rather a Soul of living energy whose energy in the harmonies of Love and Spirit, is personified as love that we experience. If I can convey the essence about the nature of Divine Love it is that in its energy, exists the harmony and potential so that one can see the potential that this Love brings to bridge the gap of separation between the individual and God by the harmonies of soulfully living.**

**The Divine Love completes the form of the human being.**

**In essence, one need only direct their soul and the heart of their soul to our Heavenly Parents, the Soul being God, and in this faith one can experience the Love by humbly asking for this Love. This is all that is needed and the touchstone upon the Love's approachable nature.**

**The Love is never harmful or given by God that results in a caused effect of disharmony in the individual. The diversity of human individuality is a great characteristic of human nature and as with experience, one needs experience to ascertain a truth about a certain thing. Experiencing the Love provides a substantiated knowing from which a more objective reasoning follows and a maturity happens.**

**MAN'S GIFT of FREE WILL and the AVAILABILITY of DIVINE LOVE:**

**Our first parents, who were created together, were perfect in their physical organism as they ever were afterwards or as any man or woman ever became from that time into the present. At their time of physical creation they were more perfect than mankind is now as they had no physical ailments, no sickness, and no deformity of any kind.**

**Man was and is created with free will. That is, they have the right to choose. When we employ our will we are following the will or our Heavenly Parents.**

**When man chooses free will, he can follow his own man made passions and desires or he can choose the will of our Mother and Father, our Heavenly Parents.**

**Man is a creator and he has also engaged emotional errors. When he employs emotional errors and injuries, these result in harm to others and to himself. When man causes harm there are consequences. Illness as a result of man's created emotional errors is man made.**

**As emotional injuries become imbedded into his being, cloaking and suppressing his own loving soul, these errors or injuries are passed down through the generations until they are resolved and abandoned by later generations. In the meantime, such generational injuries frustrate free flow of loving energies throughout the spirit body which is the template to the physical body. The collective injuries of a family environment are picked up by babies during gestation and early childhood.**

**As family members abandon emotional errors, the cloaking of the soul is removed and healthy energy flow returns to the physical body thus bringing about health to the person.**

**As man adopts more and more the way of the will of our Parents, Mother and Father, health and prosperity prevail within the personality and also for the family.**

**It is this free will that enables us to grow in love and progress through the spirit worlds into the Celestial Heavens. This is unique only to the ensouled man.**

**Free will has its issues. However, without this tremendous gift of free will we would not have the choice nor the way to grow in love and reach the Celestial Heavens and more.**

**This free will is not available to any of the other of God's creations, they do not have a soul and they cannot grow beyond the level at which they are created.**

**Man, with his soul and free will, being created with natural love, can progress to the highest levels of the spirit worlds. However, should man with his free will embrace the availability of Divine Love then he can grow and enter the Celestial Heavens. No other creature has this potentiality.**

**WE ALL ASPIRE for the LOVE of our MOTHER and FATHER:**

**Love has no boundary – especially the Love from the Creator, our Mother and Father.**

**Further, we all have free will, and our free will is never impeded upon. Our Heavenly Parents' Love will be given to us only when we ask for it, yes, we simply need to earnestly and lovingly ask for the Love.**

There are ever so few, among humanity, that recognise and realise that the Love from our Heavenly Parents, Mother and Father, God, is conveyed to us only when we earnestly and longing seek Their Love. This Love is conveyed to us by the Holy Spirit, the Spirit, and it is this Love that slowly and progressively strengthens our resolve to engage in our Feeling Healing and remove from our soul those emotional injuries and errors that underlie our propensity to cause harm to others and our selves.

It is this Gift of the availability of Divine Love, in conjunction with one's Feeling Healing process, that was bestowed upon humanity in the first century that is now being taught to us again through the messages being conveyed for ALL of humanity. Further, the way to proceed with one's Feeling Healing is also being shared.

There is no exclusivity, no matter what beliefs any one of us may have, this gift of Love is available for ALL of humanity. Every religious practice and faith throughout the world can embrace and share these teachings and blessings to all within their constituency without any boundaries or limitations.

This is the greatest gift for all humanity, the greatest gift in the universe, and it is yours for the asking.

## GLOBAL ACCEPTANCE of the LOVE:

When all aspects of the community become aware of the Feeling Healing process with Divine Love and embrace them, then humanity will evolve to a level that will bring about harmony universally:

**DIVINE LOVE TEACHINGS are MULTI-FAITH and for ALL FAITHS:**

The beautiful gift of the Mother and Father's Love, the Divine Love, is available to all, no matter what one's soul condition maybe or what one's beliefs are. The Love is given to everyone who longs for the gift and asks for it. There are no boundaries or conditions other than the necessity to ask for the Love. The great gift is filtered through one's spirit body into the soul by the instrument known as the Holy Spirit. This light golden blue energy substance blends with one's natural love and progressively assists in the peeling off of negative emotional issues and erroneous beliefs through one's Feeling Healing process, bringing about great happiness and fitting the personality to enter the Celestial Heavens.

**CONNECTION with GOD:**

**Holy Spirit / the Spirit  
infusing Divine Love.**

**Progressive escalation of  
Divine Love flowing.**

**WE are INCARNATED with Natural Love, but not with Divine Love:**

We are conceived with natural love, however, we are not endowed with anything of the Divine. While we are without anything of the Divine, namely Divine Love, we can grow our natural love attributes and progress to that of being the perfect man whose lodging is found in the 6<sup>th</sup> Sphere. We do not have immortality without having received Divine Love.

Natural love radiance is very different from that which Divine Love brings.

The two loves complement each other, bringing about greater harmony.

When we become aware of the presence of Divine Love and subsequently ask for and then receive the Divine Love, our soul steadily starts to change to that which is Divine and we achieve immortality. This is the Immortal Choice that we can make whilst here in the physical or later in the spirit world. Once we add Divine Love to our being, we continue then with the two loves, that of the natural love and also that of Divine Love. As we continue and receive Divine Love, our soul condition progresses so that we may eventually enter the Celestial Heaven, 8<sup>th</sup> sphere, should we have engaged in the proves of Feeling Healing, and above, then progress further to enter the Eternal Spheres, then the Infinite and Universal Spheres, and then further on towards the Spheres of Paradise.

We are endowed by our Parents with natural love, maybe we neglect this gift from time to time. As we progress in time, we can add the greatest gift there is to our being, that is by asking for and receiving Divine Love. Not only does the infusion of Divine Love, with one's Feeling Healing, repair our natural love attributes, we evolve into a joyous and loving person in all respects. With the infusion of Divine Love, with the two loves, we become the complete being.

### **NATURAL LOVE or FEELING HEALING with DIVINE LOVE:**

Accounts of spirit people who's condition have been so poor to fit them only for the hells, namely the Spheres of Disharmony, show that even they can progress from the lowest of conditions to being within the Celestial Heaven, way above the highest sphere of the Natural Love spheres, within or around five to ten years or so. Some achievements discussed in messages have been:

James Padgett entered the Celestial Heaven within 28 months of his passing.

Helen Padgett was in the Celestial Heaven within 12 months of passing through Feeling Healing.

Nita Padgett progressed from low 1<sup>st</sup> sphere to Celestial Heaven within 24 months of passing.

Kevin Cooper died 10 August 2012, through Feeling Healing became Celestial on 7 August 2017.

Bradley Cooper, son of Kevin, suicided 21 September 1999 and early April 2018, became Celestial.

Emperor Nero progressed out of the low hells to Celestial Heaven by receiving Divine Love.

Emperor Julius Caesar moved from the hells to 3<sup>rd</sup> sphere within 19 months from receiving the Love.

George Butler progressed from the hells to the 3<sup>rd</sup> sphere within 38 months by receiving the Love.

President Grover Cleveland moved from dark spheres / hells to 3<sup>rd</sup> sphere in 20 months with Love.

President John F Kennedy achieved Celestial status following 15 years of Feeling Healing process.

R. Ross Perry progressed from the hells to 3<sup>rd</sup> sphere over 30 months by receiving the Love.

**It is only through Feeling Healing with the Love, that forgives sin, dissolves the errors and fits a person for a higher habitat.** Man, left to his own devices, can require many centuries to grow and then cannot enter the Celestial Heaven.

Man, can know and knows God only because he possesses a soul, and he can never know God if he seeks Them intellectually and with his mind alone. Doubt and speculation is a product of the mind, but faith is a product of the soul and we know that God exists through our soul perceptions, so that we can create the spiritual link with our Heavenly Parents through prayer. Not a mental prayer, but a prayer that comes from man's soul – earnest, sincere, full of longing, faith and love.

## **GOD is TRUTH**

Truth is another name for God – God is Truth. Truth is natural for all of us. Divine Love is Truth activated within the soul fermenting, that is bubbling away day by day. Truth is discerned moment to moment so we apply it in our daily lives. Then we live in God who is Truth. The phenomenon of a church / temple / mosque / chapel / etc. is a place to celebrate the Truth of life. (Geo/Rocco/+B)

## **HEALING**

All nature has within itself an integrating and balancing healing energy. This energy (also known as Love) channels into and through every living thing. Powerful healing energy is in a blade of grass, in the tallest tree and in animal are natural to growth and imperfection are not authentic contrary to the law of and clear understanding in the make one whole.

When the mind becomes clouded with fears, worries and misunderstandings, the mind is in dis-ease and disease takes root in the body. All illness is rooted in spiritual dis-ease.

When we turn to God, the Source Soul, receiving Divine Love energy our mind becomes filled with harmonious spiritual force – the spiritual power of Divine Love energy. We sense strength and healing moving in our body. It is important to keep our mind clear. Eliminate hatred, grudges, resentments, fears, worries, misunderstandings and all untruth. God is Truth. Untruth is not of God. When our hearts and minds fill with Divine Love and harmony reigns; with God's presence, we open the door for health and joy.

Jesus always asks the real questions. “Are you willing to be healed?” “Are you ready to be healed?” “Do you really want to be well?” Wholeness, that is, healing of mind, body and soul, comes from willingness. Willingness to be whole in spirit, mind and body, evidenced by asking for it and knowing the receiving. (Geo/Rocco/+B)

**In this physical world, many people can see the auric field around one's body, this is the reflection of the spirit body which remains attached to our soul for all time. The soul is not visible to us, nor is it visible to the spirit person with its enhanced senses. The soul, depicted below, reflects through the spirit body which continues as our vessel for future growth upon the separation from our physical body. The separation of the spirit body from the physical body results in the death of the physical body. Your personality continues with the soul and spirit body.**

### NATURAL LOVE or HUMANITY's ERRONEOUS EMOTIONS:

Your soul, being your real you, is an emotional being. Your soul, though a thought of God, does not possess anything of the divine within it. It existed in a state of bliss, in a natural love state, pending individualisation which is achieved at conception which is the time of incarnation. Your soul is endowed with natural love emotions noted within the top section of the Map of Consciousness scale, being those emotions calibrating above 200.

Humanity's erroneous emotions are those calibrating below 200 on the Map of Consciousness. The environment around a newly conceived child progressively degrades the condition of that child's soul. When the child reaches about the age of 7, the child's soul condition will reflect the parent's condition. These negative emotions are like a crust around the pure soul it has within.

**PERSONALITY TRAITS:**

Less than two dozen people on planet Earth.

Would not pick up a weapon let alone use it. These people gravitate to the health industry and humanitarian programs.

Debate and implement resolutions without argument and delay.

Debate and implement resolutions in due course.

Debate and implement resolutions with some degree of follow up generally needed.

Management supervision is generally necessary.

Politics become the hope for man's salvation.

Cause no harm to others starts to emerge. Power overrides force.

Illness is developed by those man erroneous emotions that calibrate 200 and lower.

Armies around the world function on pride. Force is now dominant, not power.

Harm of others prevails, self interest prevails.

Totally self reliant, not God reliant.

Fear dominates all motivation.

Suicide is possible and probable.

At these levels, seriously harming others for even trivial events appears to be justifiable.

Poverty, unemployment, illness, etc., this is living hell on Earth.

### **A NATION'S COLLECTIVE SOUL CONDITION:**

One's soul condition has direct relationships with all facets of living. To grow and improve one's soul condition is the greatest gift one can give him or her self as it has universal benefits that last for eternity.

Dr David R Hawkins' development of the Map of Consciousness (MoC) and research with kinesiology muscle testing observed the overall calibration of consciousness level of many countries.

Developed economies are within the highest brackets. Civil unrest and wars are within the lowest two brackets.

Consider the average life expectancy and per capita income relative to the MoC calibration. Then review the subsequent table for rate of unemployment, rate of poverty, rate of criminality, and happiness rate 'life is okay':

**Note:**

The Map of Consciousness (MoC) table is based on the common log of 10. It is not a numeric table.

A calibration increase of 1 point is in fact a 10 fold increase in energy.

A calibration increase of 10 points is in fact a 10,000,000,000 fold increase in energy.

Thus the energy differentials are in fact enormous!

#### UNLOVING PERSONALITY

Soul encrusted with negative and damaging emotions and beliefs held by the mind in the spirit body. Soul is choked of love and the darkness impedes the flow of love which darkens the spirit body and damages the physical body for all to see.

#### LOVING PERSONALITY

Spirit body mind is clear of man-made negative emotions and beliefs. The flow of love from the soul illuminates the spirit body and brings beautiful harmony and health to the physical body for all to see.

### LACK of SELF- LOVE:

- A composite of:
- lack of self-worth
  - lack of self-acceptance
  - arrogance and pride
  - self-loath and hatred
  - lack of self-awareness.

Why one has imperfection in their natural love is due to an extension of one of these traits, and all these traits relate back to one single finite Truth, which in its cause is a lack of self-love. The lack of self-love to one's self is the cause, the root cause, on why there is so much fear within individuals, the human world and the lowest spheres in the spirit world. The individual will have a memory that describes how this lack of self-love appears and many people deny this existence of the lack of self-love within themselves because it hurts too much to see it.

Our perfect soul is founded on natural love. Our soul may become encased / encrusted in error bringing about lack of self love. To dissolve the errors encrusting our perfect soul is by growing in truth through the ongoing healing of one's negative state, by doing our Feeling-Healing of our toxic emotions. By ending our feeling denial and healing any personality expression denial we have.

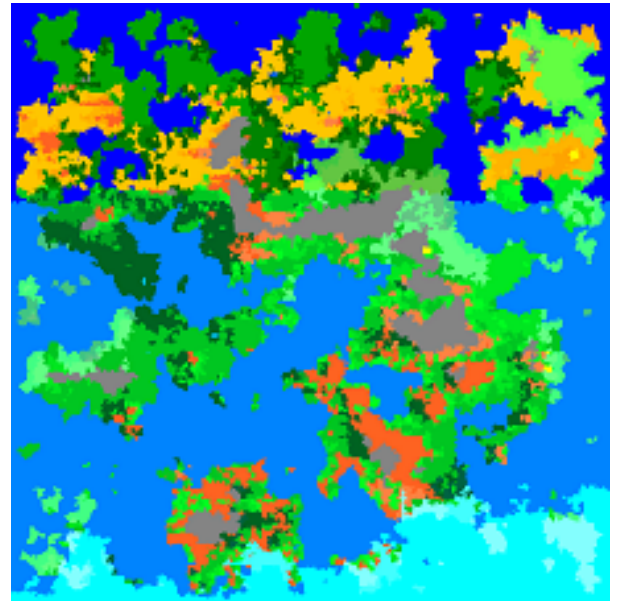

The Mother and Father's Divine Love will slowly strengthen our resolve to perfect one's own natural love, should we address such errors. Slowly but surely, with the Divine Love, our soul's condition will grow and grow. With the Love this will fit one to enter the Celestial Heavens, and beyond, being in the love of all that surpasses man's imagination. Try the experiment.

### ENVIRONMENTAL DESTINATIONS:

The predominant emotional aspect of each person is clearly visible through one's spirit body. One's soul condition is basically the average of one's emotional makeup. Those with the same appearance will find themselves together having the same emotional / soul condition. Those reflecting a higher level of love will find themselves in a more beautiful and brighter location than those with a poorer soul condition who may find themselves in a dull and dreary location.

From there, we can all develop our love and progressively advance to ever increasing in splendour environments, referred to as planes.

## ENVIRONMENTS within SPHERES:

The First (1<sup>st</sup>) Natural Sphere is one Sphere that is enormous and it consists of many environments. It is an enormous Sphere for so many live in a good condition of natural love and this is the Sphere that receives every human life that enters the spirit world. There are spheres in the Celestial Heavens, Eternal Spheres, Infinite and Universal Spheres, that are larger in space, but have less population residing there.

Within the spheres, one's soul condition determines what location one is destined for. At all times, the environment is harmonious for one's soul condition. Thus, spirit people with very similar soul condition will be together. This creates many communities, each being harmonious for a specific soul condition level. In this way, the 1<sup>st</sup> sphere consists of many locations that could be considered as nations, however within each spirit grouping that community consists of only one soul condition level, whereas on Earth we have saints and sinners all living together. People cannot determine or assess another's condition, nor can they assess their own soul condition.

It has been said that there are many spheres within a sphere. The truth is that there are many environments within a sphere, much like there are many countries and have been many cultures that have lived on all lands of the one single Earth. There is only one sphere with many environments and cultures living in each Sphere.

A spirit cannot be attracted to an environment or another spirit in which the individual is out of condition to do so. The essence of this is that no spirit can injure another spirit or can put one's self in harms way or travel to an environment that will be harmful to the spirit-senses of that individual. This is part of the way that God, Source Soul, maintains harmony in the vast populations of personalities residing in these tremendous spheres.

Generally, as soon as the individual accepts the Divine Love, the individual begins to advance their soul condition and as the attraction of the Spirit Law of Compensation diminishes, the soul condition of the individual enjoys the feelings of harmony produced and changing environments. The purpose of the Divine Love is to enable the individual to live in harmony with God.

The poorest soul in condition can still receive the Divine Love. No human or spirit is ever beyond reach of it. There is no eternal damnation.

 The soul condition of a soul that is obliged to spend some time within the ‘hells’ may be no bigger than a dried garden pea. There is no luminosity and the environment is total darkness.

The typical soul condition of humanity is such that they generate the luminosity of a single candle.

**The BEAUTIFUL MIRACLE:**

5 Oct 2012

**The DIVINE UNIVERSE**

The way in which the Spirit conveys the Divine Love into the soul is a beautiful miracle. The attribute of mortal soul prior to incarnation has to it, a potential within it that is part of its formed nature. After the soul incarnates this potential remains part of the soul and even if the forming personality is unaware of such a soul potential, the potential still exists. The Divine Love is entirely suitable in its energy of harmony to be the energy that a mortal soul can utilise. The Spirit covers the spirit body when the individual sincerely asks the Soul of God for the Divine Love and this covering of the spirit body is where the dynamic of this beautiful miracle takes place. From the internal longing of the individual for the Divine Love this activates the Spirit Law that activates the Spirit that is then attracted to the spirit body upon which the Spirit material of the spirit body draws the Divine Love in to its soul and this union complete. The key here is to gain a perceptive insight into realising that the spirit body is not an inert body but that it is living and has activity, recognisable from its first forming from the Spirit Law that materialises a spirit body. The Spirit and the spirit body to give an analogy are like two attracting magnets and when the surface of the spirit body is touched by the Spirit, this causes the automatic response of the Divine Love to permeate into the attribute of soul and so begins the transformation of energy from the natural into the Immortal Divine Harmony. If the individual continues the receipt of Divine Love the energy that is Divine Love actively begins to change the soul and this is felt in the spirit body systems and can produce feelings of love and elation. The spirit-mind begins to change as all spirit body systems are affected by the changed condition now experienced in the soul as the soul becomes living and vital. In one's progression of this Divine transformation, the soul will mature enough from the amount of Divine energy it receives and at that moment the surface of the spirit body and the Spirit are continuously attracted to each other and one is living in the presence of the Father in perfect harmony and this clarifies the truth about what it means to be truly at-one with God.

Vol III, p. 157, 14 Nov 2014 – 14 Mar 2015 Zara and Nicholas  
[www.lulu.com](http://www.lulu.com)

It is I Matthew, a teacher of the Divine Love. I have communicated with you recently, now I desire to provide you with a visual description of the Love.

Imagine a continuous Energy shining light blue that is unbroken with a seamless surface that surround every mortal and Immortal spirit. Imagine if you were to become aware that this energetic field of light-blue Energy existed in its shining radiance just near where you are. Now that you are aware that this unbroken Divine Love is unified energetic field of living Love, by opening toward the Soul of God and aspiring for the Divine Love, the Acting Spirit gently brings a small portion of this shining blue Energy into your soul

The Divine Love that you have received remains part of this great Energy that the Divine Love is and even though this small portion of Divine Love, now within your soul, in its shining radiance and energetic cause, it is never separated from the continuous energetic field of Energy that the Divine Love is. Having partaken of this Energy it is with perception that one is aware that the Divine Love within one's soul is the same Divine Love that every person and spirit who has partaken of this Love, participates with. Even though in our individuality we partake of this Divine Energy, this Love is never broken away from the Source and Origin from which this Divine Love emanates.

The Divine Love is bestowed into our finite soul by the Acting Spirit, but this Spirit remains in contact with our spirit body and does not enter the finite soul to become part of our finite soul essence that we are. No mortal or Immortal spirit can manifest in their soul the Acting Spirit so that this Spirit – this Holy Spirit – becomes part of our existing finite spirit body. Only the Divine Love and its Energy becomes part of our finite soul, which causes the change to our spirit body. The Acting Spirit always remains its own attribute and never does a Celestial spirit claim ownership or take possession of the Acting Spirit within their soul. (The Holy Spirit / Acting Spirit is an instrument of the Source Soul, our Father.)

This is one of the wonderful Truths by which we who have been transformed by the Divine Love understand our personal relationship with the Father's ever-present Acting Spirit. The shining Energy of Divine Love is all around us and when we have partaken of this Love, part of our finite nature becomes independently shining in this true perfect Love.

I provide these words that may appeal to those who are visual and to express the universal appearance of the Divine Love and the personal touch when in contact with the Acting Spirit.

Matthew (Apostle)

**Whilst we are receiving our Heavenly Parents' Divine Love, and that this Love is causing change within our soul and spirit attributes, the greatest Truth known to man and spirit is that this is the way our Mother and Father are actually loving us! When we progress, it is God's way of loving us into love and then we live what we are, love.**

**SOUL CONDITION / EMOTIONAL HEALTH ENLIVENS with DIVINE LOVE:**

Asking for and receiving our Heavenly Parents' energy of Divine Love slowly assists in dissolving and removing man's negative emotions and subsequently brings about a vibrant, radiant soul that emerges as an outgoing happy and loving living personality. With the God's Love, which is a substance, and embracing one's Feeling Healing one can progress from any dark and depressing situation to that with resilient faith bringing about a quality of life that is heaven on Earth.

**The UNCLEAN SPIRIT:**

Aramaic Light on the Gospel of Matthew

“When the unclean spirit is gone out of a man, he walketh through dry places, seeking rest, and findeth none. Then he saith, I will return into my house from whence I came out: and when he is come, he findeth it empty, swept and garnished. Then goeth he, and taketh with himself seven other spirits more wicked than himself, and they enter in and dwell there: and the last state of that man is worse than the first. Even so shall it be also unto this wicked generation.” Mt. 12:43-45

“When the unclean spirit goes out of a man” is an Aramaic colloquial saying and means that a man has been healed. **When a person is healed of a certain disease and does not change his way of life but continues to do more evil, the disease that he had will return.** But when the disease returns it becomes worse than before. To say that “the evil spirit has returned and found the house empty, swept, and garnished” means that the individual is now ready to become a secure and permanent abode for the illness. “He took seven other spirits more wicked than himself” denotes that the man has a complication of diseases. For example, if the person had been insane, that person may now have heart trouble and other diseases. It does not literally mean that unclean spirits live in the man as though they had no other dwelling place. It simply means his latter state has become far worse than his former.

A wicked generation only produces more evil spirits (wickedness) in the land. People need to turn to God and change their ways of life so that they can change their state of affairs throughout the land. They must cleanse themselves of evil doing so that no oppressor will covet their land. Good attracts good and evil attracts evil. Troublesome and wicked leaders and oppressors are the results of injustices, exploitations, and unfaithfulness among the people. When a generation is wicked their leaders are also corrupt.

P.190 Aramaic Light on the Gospel of Matthew Rocco Errico & George Lamsa

Dr George Lamsa translated from ancient Aramaic manuscripts beginning with Genesis and finishing with Revelation. He claims there are approximately **10,000 to 12,000 vital and major differences** between his English rendering of the Bible and the King James Version. There are **over a thousand idioms in the Bible**. They were translated faithfully and accurately, but literally. Therefore, the idioms true meanings are misconstrued.

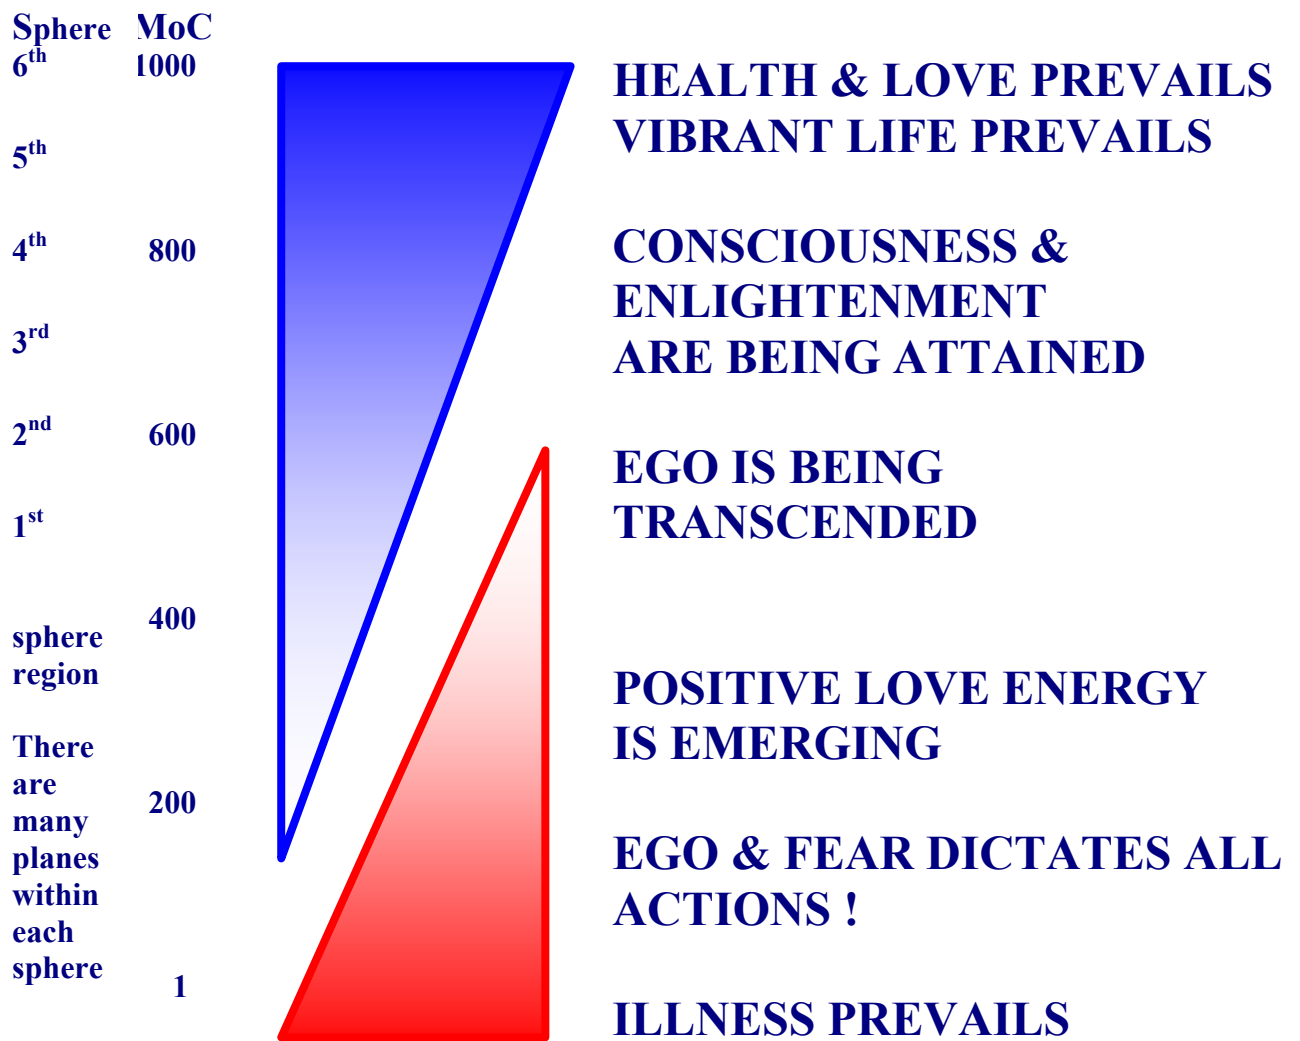

The importance of Dr George Lamsa’s work is reaffirmed by kinesiology muscle testing undertaken by Dr David Hawkins who developed the Map of Consciousness table. The highest level of accuracy and understanding will be found in *The Holy Bible from Ancient Eastern Manuscripts (commonly called the Lamsa Bible)* as published by [George M. Lamsa](#) in 1933.

**“All dis-ease is mind generated, and all healing is generated by the love energy of one’s soul.”**

The Ego (mind based) manifests illness; the lower one’s level of consciousness (soul condition) then the more prevalent will be illness. Below the levels of 200, the ego and fear of the mind dominate; however, as you raise your level of consciousness by growing in love and achieve a level of 500 or higher, you begin to transcend ego dominance. At the level of 600, all healing is possible.

**By living true to ourselves, true to our feelings, we are living true to God. It’s that simple.**

## ENERGY DETERMINANTS – Relationship between Body, Mind and Soul:

The physical body calibrates at 200 on Dr David Hawkins' Map of Consciousness. Many people feel and believe that their body is their real self, this is not so.

Further, the brain is not the origin of the mind, as science and medicine had believed, but the other way around. The mind controls the brain. The brain is activated by the mind's intention and not vice versa. Reason, which emanates from the mind, calibrates at 400 to 499, thus controlling the brain.

What is held in mind has the power to alter brain activity and neuroanatomy. Thought is powerful because it has a high rate of vibration. We are subject to what we hold in mind. Errors in belief bring about energy flow blockages.

Superimposed around the physical body is an energy body whose form is very much like that of the physical body and whose patterns actually control the physical body. This control is at the level of thought or intention. This superimposed energy body is one's etheric / spirit body, the template of one's physical body and home of one's mind.

The basic dictum to comprehend is that the body obeys the mind; therefore, the body tends to manifest what the mind believes. Illness is generated in the physical body by erroneous held beliefs within one's mind.

It is the energy level of love that steadily brings about a release from erroneous and harmful man-made emotions and beliefs. The energy level of love calibrates at 500 and higher. One's soul is connected via cords of light with one's spirit body. One's soul is the home of one's personality, natural intelligence and memory, it is our real self.

One's soul is always perfect and is made of the energy substance called natural love. It is by growing one's level of love does one enable sufficient energy to flow through one's chakras of the spirit body and subsequently into one's physical body that erroneous and injurious beliefs are dissolved and the potentiality for health of the physical body to become permanently repaired a possibility.

On the Map of Consciousness (MoC), the **charkas** calibrate as follows:

|                     |     |                        |
|---------------------|-----|------------------------|
| Crown               | 600 | 7 <sup>th</sup> chakra |
| Third Eye           | 525 | 6 <sup>th</sup> chakra |
| Throat              | 350 | 5 <sup>th</sup> chakra |
| Heart               | 505 | 4 <sup>th</sup> chakra |
| Solar Plexus        | 275 | 3 <sup>rd</sup> chakra |
| Sacral or Spleen    | 275 | 2 <sup>nd</sup> chakra |
| Base or Root Chakra | 200 | 1 <sup>st</sup> chakra |

Feeling Healing with the greatest infusion of Love, and the easiest way for one to transcend levels of emotions, that is, to evolve, is to long for, pray for, and ask for our Mother and Father's Love, Divine Love, being a light golden blue energy substance. Try the experiment.

## CREATION, DEVOLUTION and EVOLUTION:

Aman and Amon (also called Andon and Fonta), our first parents, physical being was born of natural parents, who in turn had been born of their own parents. Their bodies were not created instantaneously, but evolved just as all of God's creatures evolved. Aman and Amon were both nurtured physically as infants and then children. **But our first parents' souls were placed in them when they were already adults.** They had no clear memories of their earlier life before that great moment. As soon as they possessed a soul, all of the normal human psychological manifestations appeared.

There were aunts and cousins, parents and grandparents. But they were not human like Aman and Amon – they were really animals, though of the same species. Aman and Amon wandered off from the family, since they could find no way of relating to them at all. How could they? They were incapable of rational thought, speech, or anything human. Aman and Amon knew that forevermore they were apart.

They were indeed a primate species of humanoids. But Aman and Amon (they were not Adam and Eve) were more beautiful than their animal relatives, and knew, even from their very appearance, that they were marked even by Nature to be different. The human body, without a soul, calibrates at 200 on Dr Hawkins' Map of Consciousness. Domestic animals typically calibrate 200 to 250. Our soul is the source of our personality, intelligence, and memory. Our soul is formed from the energy substance of natural love. There is nothing of the Divine within our soul.

The First Parents did not recognise the full beauty of the gift of Divine Love, and subsequently it was withdrawn. Man, left to his own perseverance and determination can develop into the perfect man with only Natural Love, however that is a slow and tedious pathway and limited to perfection of the soul, fit only for the 6<sup>th</sup> natural love spheres.

By embracing Divine Love and one's Feeling Healing, man can become fitted to enter the Celestial Heaven and higher in rather quick time. One's life on Earth, living with the Love and embracing Feeling Healing, can be that of living in Heaven!

**Further, Feeling Healing with Divine Love, has a powerful positive effect on the physical body, balancing the hormones and generally promoting physical health, which is really the same thing as saying that the state of a mortal's soul impacts directly on that mortal's physical health.**

### The REAL YOU is the SOUL:

One's personality, natural intelligence, memory and human attributes all are soul based. The soul initiates conception so it can start expressing one of its two personalities in Creation. It creates the will, then 'wills' the spirit body and physical body and all that connects them with the will into being. Our soul constantly sustains or expresses us, one of its two personalities, in Creation. The spirit can't separate from the soul because the soul keeps it in existence. We need our spirit and physical bodies to experience our personality through. When the spirit body separates from the physical body, one continues on living in a different form without losing any of the attributes experienced during physical life. Incarnation is the process of individualisation of the soul.

Without a soul, our physical bodies would function and interact similarly to that of a domestic animal. An unsouled human body (thought not possible) would respond like a household puppy! Domestic animals calibrate on Dr David Hawkins' Map of Consciousness between 200 and 250, the human body calibrates at 200. All animals have spirit bodies, these do not survive into the spirit Mansion Worlds. Our SOUL IS NOT ENSOULLED IN OUR SPIRIT BODY. Our soul exists existentially in a whole different level or plane or place or dimension of being – 'soul land'. It doesn't exist in Creation, it's not experiential like Creation is. The soul, all souls, help create their part of Creation by expressing their personalities into Creation, and then by having their personalities do things (further create) in Creation.

**Our first parents, Andon and Fonta (also called Aman and Amon), were the first to exhibit human perfection hunger some one million years ago. Adam and Eve, Adamite bestowals, arrived some thirty eight thousand years ago – or earlier.**

**Aman and Amon** were the first True Humans, which means, the first soul expressing its soulmate pair, its two personalities, in Creation – on Earth. From which came forth the rest of us. So they had a soul from the start, which separated them from their animal parents. It's the soul that wants to fully express itself through its two personalities perfectly in Creation, which is the so-called 'human perfection hunger'. It, our soul, wants to be Perfect like its Heavenly Parents, the Soul that Created it. We, focused as personalities, want to be perfect, like the Personalities of our Mother and Father that are Perfect. Our soul wants to be like Their Soul. Our soul wants to ascend us to Paradise so we can be with Them, as physically close to Them on a personality level that we can be, and then see what happens.

There were aunts and cousins, parents and grandparents. But they were not human like Aman and Amon – they were really animals, though of the same species. Aman and Amon wandered off from the family, since they could find no way of relating to them at all. How could they? They were incapable of rational thought, speech, or anything human. Aman and Amon knew that forevermore that they were apart.

Aman and Amon may have been twins. They were indeed a primate species of humanoids. But they, themselves were more beautiful than their animal relatives, and they knew, even from their very appearance, that they were marked even by Nature to be different.

**FEELING HEALING with the SUBSTANCE of The LOVE brings about PHYSICAL HEALTH:**

(Note: Feeling Healing is the pathway, the presence of Divine Love assists but does not heal.)

December 5, 2003

<http://new-birth.net/contemporary-messages/messages-sorted-year/messages-2003/millions-of-souls-millions-of-paths-ks-5-dec-2003/>

"When you know that you are souls with a spiritual body and a physical body, and that these two bodies reflect the condition of your soul, then how can there be any question about which part of your being is the most important?"

**"If you want to be well and healthy, happy and strong, then you must see that it is important for you to get your souls into the highest and best condition possible."**

Apostle Peter

In the same way we will go about achieving our very personal and valued goals so will we go about creating harmony within our communities and peace worldwide.

**"The opening up of the soul permits a permanent exchange with Divinity, a permanent recharge of this healing energy that allows not only the re-establishment of lost health, but the continuity of health, providing such a perfect balance, even in the physical body, that noxious agents like bacteria and virus cannot find any opportunity to unchain pathological reactions, which we commonly call illness.**

**"But it is true that people without the benefit of Divine Love would lack the protective shield, which the intrinsic healing energies of Divine Love provide for those who pray for our Heavenly Father's Grace."**

Judas – August 19<sup>th</sup>, 2001

**Divine Love is the Great Gift that God desires to give to the heart-soul that asks, yearns and seeks for It. It is unconditional Love *conditionally* given that requires no preparation. It is conditional only because Divine Love cannot and will not be given to any person without that person first asking and yearning for It.**

**We Inherit our Emotional Errors from the Environment around us during Childhood:**

We are to build but one temple. The Temple of the Living God is the blending of the greater (Divine Love) with the lesser (natural love) through which the lesser becomes one with the greater. The impurity was caused by the separation of the lesser from the greater. The purity is caused by their union, so that no longer is there a greater and a lesser but just the one good, whole, pure air of at-onement. When you let the Love of the Father pour through you to all things, nothing fears you and no harm can befall you. It is separation from the Source Soul, Father, which has caused sin / error, sickness, poverty, and death. It is union with the Creator, Father that causes one to become a whole Being or to become conscious of being whole.

Life and Teaching of the Masters of the Far East Vol I by Baird T Spalding.

### **CLEANSING the SOUL:**

**Years and years of personal endeavours to step away or above harmful habits and personality traits that are harmful to others and one's self have been mainly futile. We all want to grow in our love for ourself and of others.**

**Our beautiful loving personality that we are blessed with at conception / incarnation becomes encrusted with errors and personality issues of those around us, particularly during our early childhood. The personality of those living around us, during our early years, becomes encrusted over our pristine soul thus clouding our radiance into dullness. We become mind controlled!**

**Our Heavenly Parents want what is actually best for each of us and there is a source of light that's willing to give it to each of us, but only at our soul and spirit's quest for union with the divine. Not our ego's need for things.**

**It is only with our Feeling Healing and the infusion of the Love, that the Mother and Father conveys via the Holy Spirit, do we start to dissolve negative issues, habits and personality errors from our soul and personality. Our personality is part of our soul structure.**

**All we need do is ASK for this Love. An earnest longing and desire for the Mother and Father's love will never be withheld, it will shower over our spirit body, the template of our physical body, and be absorbed into our soul. As the Love permeates through our soul, errors of personality will slowly but surely dissolve.**

**Over time, as we progress along our path of asking for and receiving this love, the natural love which we were blessed with prior to conception will be progressively transformed into Love that is Divine. This Divine Love will slowly emerge as radiance through our being.**

**With Feeling Healing and this Love we find harmful habits and personality traits become a distant memory. With this Love, we find ourselves unable to harm others or ourselves. With this Love we find our quality of life blossom and joy starts to emerge in all aspects of our living.**

**With this Love we become immortal. With this Love we become fitted for the Heavens that the Mother and Father have prepared for us all. Just ask and faith, love, and happiness will follow. Yes, just ask!**

All souls with their spirit bodies transition firstly to the 1<sup>st</sup> Sphere, this sphere is much closer to Earth than to the Moon. All souls to be individualised through Earth can be accommodated in the 1<sup>st</sup> Natural Love Sphere. The Planes of Disharmony, hells, are possibly between 1<sup>st</sup> sphere and Earth. Natural Love spheres are 1, 2, 4 & 6. The Divine Love spheres are 3, 5 & 7. Celestial Heaven spheres are 8, 9 & 10. Higher sphere systems are not numbered: being the Eternal Spheres, Infinite and Universal Spheres, then Isles of Paradise and then finally the Super Grand Sphere. These further sets of spheres interact with life through out the universes.

Note: The 1<sup>st</sup> Divine Love Sphere and the 1<sup>st</sup> Sphere of Disharmony may simply be planes within the 1<sup>st</sup> Natural Love Spirit World.

**SPIRIT MIND MANSION WORLDS are numbered 1 to 7:**

To PARADISE, the HOME of OUR HEAVENLY PARENTS

Spirit Mansion Worlds are those 1 – 7. They with the Celestial Heaven spheres numbered 8, 9, 10 as well as the 3 Spheres of Disharmony are all within the Earth’s environment, and rather close by. Each sphere can accommodate more than 100 times the people than Earth may do.

Progression from the top Celestial Heaven sphere is to the Eternal Spheres, Infinite and Universal and further onwards to Paradise.

Celestial Heaven spheres 8, 9, 10 are often referred to as 1, 2, and 3 of Celestial Heaven.

Natural Love sphere progression stops at sphere 6. With only the natural love, progression is through spheres 1, 2, 4, and 6 only.

One can embrace Divine Love at any time and move to DL sphere 3 and continue.

The Divine Love spheres 3, 5, 7, 8, 9, and 10 were opened by Jesus.

Divine Love perfects one’s natural love soul through the progression via spirit world spheres 3, 5, and 7. Soul-Healing and At-onement is achieved through the progression into sphere 8 which is the first of the Celestial Heaven spheres namely 8, 9, and 10.

On death of the physical body we all arrive in the 1<sup>st</sup> Natural Love sphere.

The 2 Planes of Disharmony are the hells. While one desires to cause harm to others, isolation is applied. Once the Law of Compensation is completed then one can then progress and return to the 1<sup>st</sup> Natural Love sphere and continue in their progression onto higher spheres.

Earth is for the individualisation of souls being the commencements of one’s journey home toward the Source Soul.

The Pre-Incarnational Sphere is the waiting area for souls to be individualised / incarnated.

There are seven Earth planes around Earth, which are separate from the Mansion Worlds, but we only have access to two of them, which include the ‘hells’. Each of the Mansion Worlds also have their own seven planes ‘around’ them.

Note: The 1<sup>st</sup> Divine Love Sphere and the 1<sup>st</sup> Sphere of Disharmony may simply be planes within the 1<sup>st</sup> Natural Love Spirit World.

NATURAL LOVE SPIRIT MIND MANSION WORLDS:

Following the First Parents and subsequent to the Rebellion by Lucifer and his soulmate, and then the Default by Adam and Eve, and up until the birth of Jesus of Nazareth, the spirit world mind Mansion World spheres that were open to habitation to spirit people were only those pertaining to natural love essence, being the substance upon which our soul is formed. Natural love is Creation's love.

Natural Love sphere progression stops at sphere 6. With only the natural love, progression is through spheres 1, 2, 4, and 6 only. With Divine Love and Feeling Healing one cannot progress beyond sphere 6.

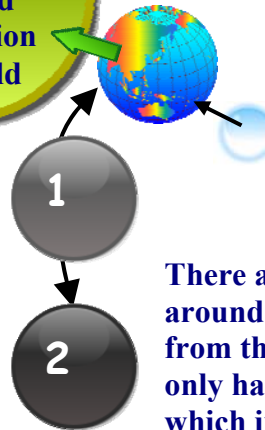

One can embrace Divine Love and one's Feeling Healing at any time and move to Divine Love sphere 3 and continue. This became possible upon the birth of Jesus.

On death of the physical body we all arrive in the 1<sup>st</sup> Natural Love sphere.

The 2 Planes of Disharmony are the hells. While one desires to cause harm to others, isolation is applied. Once the Law of Compensation is completed then one can then progress and return to the 1<sup>st</sup> Natural Love sphere and continue in their progression onto higher spheres.

### 1<sup>st</sup> SPHERE SPIRIT WORLD CONDITIONS:

The first sphere spirit world is the destination for all who shed their physical body, be it moments after incarnation / conception, or any time during gestation, or later on through one's life in the physical realm of Earth.

After a period of 'acclimatisation' of around three months in one of the many receiving station within the 1<sup>st</sup> sphere, one's soul condition will then determine the plane and location of one's living within the spirit worlds will begin.

The conditions within the 1<sup>st</sup> natural love spirit world range from the dull and dreary condition of a remote wild west township or an outback community in a semi arid environment all the way through to the most wonderful environment and conditions to be found on Earth.

Thus, we are drawn by our soul condition to habitat in an environment that we have brought our own condition to be, and to live with spirit people of very similar soul condition.

Even though our arrival into a receiving station within the 1<sup>st</sup> spirit world sphere will be a delightful condition, as our memory starts to become active then we will find ourselves being drawn by the gravity that matches our soul condition.

If we are inclined to cause harm to others we will be drawn into the darker Spheres of Disharmony. If we are developed in the embracement and acceptance of our Mother and Father's Love we will most likely progress to the 3<sup>rd</sup> Sphere, being the first of the Divine Love Spheres to commence our Feeling Healing.

## 2 SPHERES / PLANES of DISHARMONY:

God is a God of love to even the vilest sinner, and when such a sinner turns to Them and prays for forgiveness and love he gets them both. Let me tell you further that the love of God and embraces Feeling Healing, when it enters into the soul of a man is sufficient to wash away all sins, and make that soul happy and joyful. Not even the most evil man who is guilty of the greatest sin need think that he cannot be pardoned, and made happy and brought into harmony with God.

God, being Mother and Father, loves all Their children too much to have them pass through such experiences as are in part of the teachings of many spiritual leaders and books. Evil spirits have to suffer for their sins and atone for every evil thought, but not by any such suffering as some books depict. Neither the hells of the churches nor the hells of such books exist.

The two Spheres / Planes of Disharmony are places of isolation to prevent those who wish to pursue harm to others from doing so.

As such spirits are embroiled in harmful negative emotions, there is a progressive and gross lack of love and light in these spheres. The hovels that are physically assembled by these dark spirits progressively become lacking in substance reflecting the soul condition of these spirit personalities.

The two Spheres of Disharmony are planes of Earth. There is virtual darkness prevailing on the 2<sup>nd</sup> Sphere of Disharmony and the environment is one of gross desolation.

No matter what one's soul condition may be in, one can recover and progress to higher spheres of love and harmony. Many have progressed from the deepest of these 'hells' to the Celestial Heavens through embracing Divine Love and engaging in doing their Feeling Healing.

Divine Love 5<sup>th</sup> Sphere  
MoC 780 – 920

Divine Love 3<sup>rd</sup> Sphere  
MoC 500 – 780

One's natural love is always progressively perfected during this journey of evolution of the soul.

Upon embracing Divine Love at any stage, then one can progress through the Divine Love spheres 3, 5, 7, whilst also doing their Feeling-Healing.

Even though a person may have received Divine Love, they do not avoid compensation or doing their Feeling-Healing, so they may still spend time within the spheres of disharmony.

Natural Love sectors for those doing their Feeling-Healing, without the Love, are within the Natural Love Mansion Worlds:

Progressing through the natural love worlds, within Feeling-Healing sectors, while doing one's feeling healing, upon reaching the 6<sup>th</sup> Sphere having completed Feeling-Healing, one can then embrace the Divine Love and proceed directly to the 7<sup>th</sup> Divine Love Sphere.

Then they may prepare to enter the Celestial Heaven Spheres from there.

This pathway is when, or should, the Divine Love not be available before perfecting one's soul.

**OUR JOURNEY to the CENTRE: HEAVENLY PARENTS are UNIVERSALLY PRESENT:**  
 Earth is one of the youngest inhabited planets on the outer edge of the youngest of the seven super-universes. From the spirit worlds, we progress to the spheres of many mansions, being the Celestial Heavens nearer to the centre of our super-universe. From there we progress to the Eternal spheres which circulate around the Isle of Paradise. The Isle of Paradise remains stationery and is the home of the Source Soul, our Heavenly Parents, Mother and Father.

Our progression is always towards the centre – inward and upward.

Earth is blanketed by the 1<sup>st</sup> natural love sphere, the spirit world spheres are within the proximity of our solar system. From the spirit spheres we progress to the Celestial Heavens.

**SOUL, SPIRIT BODY and PERSONALITY remain TOGETHER – FOREVER!**

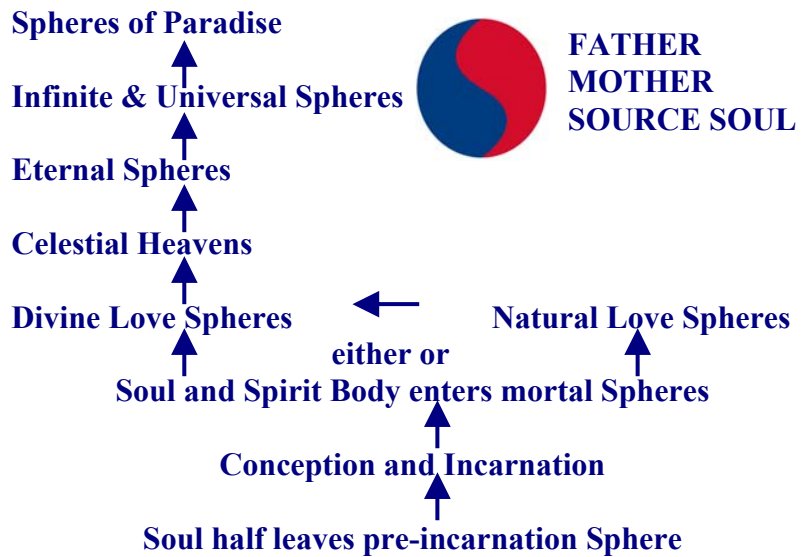

Natural love and Divine Love are as two loves.

Soul, Spirit Body, Personality stay together.

**Ascension Pathway:**

Our soul remains for ever attached to the spirit body and the personality, these two being created at the time of conception / incarnation. As our soul is imbedded within the spirit body and both having this unique personality, it is impossible to go through the incarnation process again. We never reincarnate.

We are born with natural love, until we ask for and receive Divine Love there is nothing of the Divine within us. When we add Divine Love to our being, only then do we become a complete being. Without Divine Love and Feeling Healing, we are finite, in as much as that while we continue in only our natural love we can only become the perfect man and that restricts our progression to the limits of the 6<sup>th</sup> natural sphere being the mortal domain of man.

To liberate one's real self, one's will, being one's soul, is begun by embracing Feeling Healing, so as to clear emotional injuries and errors. With the Divine Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

## WE ALL ARE BEING GUIDED HOME:

We need the Spirits of Truth of the Avonal Pair to Heal ourselves; then once Healed, (and for support (overshadowing) as well through your Healing), we need the Creator Pair, Mary Magdalene and Jesus' Spirits of Truth to see us through the Celestial spheres, while at all times embracing our Heavenly Mother and Father.

Until Mary and Jesus died and liberated their Spirits of Truth, no one from any of the worlds could leave Nebadon, because no one knew the way to do so. Nebadon is our local universe containing some 3.8 million inhabited physical worlds and their associated spirit worlds.

When we embrace the truths Mary and Jesus are revealing, and start to do our Feeling Healing, or with Divine Love, Soul Healing, we are then freeing ourselves up from our parental and self control.

Thus our journey to Paradise, to the home of our Heavenly Parents, is of our choosing as to when we progress, however, there is only one way:

**HUM:** Humanity is to ascend. We are self contained. Our soul is always in truth and perfect at all times. **By living true to ourself, true to our feelings, we are living true to God. It's that simple.**

We are to recognise that being engaged and dominated by our mind is the wrong way for us to evolve and grow in truth. We are to discard the mind enslavement that has been imposed upon as by all of our parents. We are to express our feelings, both good and bad and free ourselves of the indoctrination that humanity has embraced worldwide.

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God's soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of our Mother and Father.

**AVO:** We are to embrace the truths and guidance of the Avonal Pair through their Spirits of Truth. It is the Avonal Pair's guidance that will lead us through our Feeling Healing, and with Divine Love, we will be able to ascend through the 7 spirit Mansion Worlds and enter the Celestial Heavens where we also interact with other world's spirits.

**J&M:** We are also to embrace the truths and guidance of the Paradise Pair, Mary and Jesus, who will then lead us through the 3 Celestial Heavens that are aligned with Earth, and then further on through Nebadon where we will then depart beyond on towards Paradise.

**M&F:** Beyond the universal zone of Nebadon, we will be guided by our Heavenly Mother and Father onwards through the universes to Paradise where we will be welcomed by them, home for us all, as we are all Children of God.

**WE ARE Children of God**

**WE ALL ARE BEING GUIDED HOME – NOW, HOW TO COMMENCE THE JOURNEY:**

**GOD**

**M&F**

For 200,000 years, we have been misled into embracing our mind's distortion of wisdom and truth. All such traditional understandings only lead us in the wrong direction, from which we must turn back from. Our soul based feelings are always in truth. Our minds are to follow our soul based truths and feelings, not the other way round, as we have been brought up to embrace.

We are to connect with our deeper repressed feelings.  
We are to long for the truth of what we are feeling.  
We are to live true to our selves; by living true to our feelings.

Use your surface day-to-day feelings to connect with your deeper repressed feelings. Express your surface feelings and your deeper repressed feelings to uncover the truth of yourself.

**J&M**

We all have feelings which we communicate and share with each other. And we all have deeper buried and hidden repressed feelings. Feelings from our early childhood we felt, yet weren't allowed to express. These feelings are still within us, waiting to have their say. These feelings, because they are repressed, cause us all our problems.

And as we look to uncover, bring out and accept these deeper feelings, so we're taken into new ways of looking at ourselves, our feelings, and our life. We're setting ourselves free of the controlling patterns that govern our unloving behaviour.

In this way, we progressively begin to express the personality that our Heavenly Mother and Father gave us, not the one imposed upon us by our physical parents and carers. We are to be our true and real selves.

**By living true to ourself, true to our feelings, we are living true to God. It's that simple.**

**AVO**

**HUM**

As we, humanity, long for the truth of our feelings, we can also be assisted by the Spirits of Truth of the Avonal Pair who are our spiritual teachers for Earth over this coming 1,000 years, to assist us through the Great U-Turn, away from mind dominance to being soul based feeling lead. They will assist us through the seven levels of the spirit Mansion Worlds.

Then the Creator Pair, Jesus and Mary, will lead us through Nebadon and into the greater universe. Then our Heavenly Mother and Father lead us home to Paradise.

**WE ARE Children of God**

Collectively, should we embrace them all, as we are to, then our pathway home is a journey in the hands of the Spirits of Truth of the Avonal and Paradise Pairs overseen by our Heavenly Parents.

## HOW TO GET TO PARADISE:

Long for the Divine Love

Long for the Truth

Long for the truth of your feelings

Don't deny any feelings: accept, express and want to know the truth of them

Know your feelings are the key; your feelings are the Way

Want to end your falseness and being untrue

Want to understand the truth of your early life

Use your surface feelings to move deeper into yourself, bringing up your repressed feelings

Want and long to know the whole truth of yourself

Want to do it all with God, your Heavenly Mother and Father – long to Them for help.

## The Key

Our longing drives our life. We long with feelings. We can wish for things using our mind, yet long for things with our heart. These things in the pyramid are what to long for. Longing for them, when the longing comes naturally. Longing because you feel you really want them. Long to be true with all your heart. Long to live true to your feelings. Long to understand the whole truth of yourself.

**PARADISE TRINITY:**

SOUL (God) – One SOUL that is expressing its two PERSONALITIES, our Heavenly Mother and Heavenly Father (Soulmates)
  2. **ETERNAL SON (ES) – Divine Truth**
  3. **INFINITE DAUGHTER (ID) – Divine Mind**
- Then: The Second and Third Persons of the Paradise Trinity (ES and ID) are stepped down to the local universe trinity (Mary and Jesus, Divine Minister (DM), and her Holy Spirit.

**The LOCAL UNIVERSE TRINITY:**

1. **MARY M and JESUS** – Our MOTHER and FATHER – Love – the Living Truth
2. **DIVINE MINISTER** – Mind (and her Holy Spirit)
3. **HUMANITY – Natural love, sons and Daughters – Truth, and our Angels – Mind**

Avonals

Trinity Teachers  
as soulmate pairs

Melchizedeks – who have taken over from the Caligastians and Daligastians being also all as soulmate pairs.

Mortal Souls – human beings who individualise on Earth, then progress through the spirit Mansion Worlds, then into the Celestial Heavens, and beyond.

Mortal Souls – also being ascending spirits, upon completing their Soul Healing, join with their soulmate, then join their soul group of 24 mortal spirits, being 12 soul pairs. It is only as a soulgroup that anyone can progress beyond Nebadon.

The Paradise Pairs are all ONLY concerned with the SPIRITUAL wellbeing and upliftment of the planets and local universe. Currently to do with Earth:

Mary and Jesus – spiritual wellbeing and upliftment of the whole of Nebadon region.

Avonal Pair – Daynal pairs (Trinity Teacher Daughters and Sons) – Spiritual wellbeing and upliftment of individual planets and their associated Mansion Worlds.

The Local universal Sons and Daughters are all about the running of the worlds under their jurisdiction, and ensuring the higher spiritual elements can be employed, or sent astray, as in our cases through the Rebellion and Default.

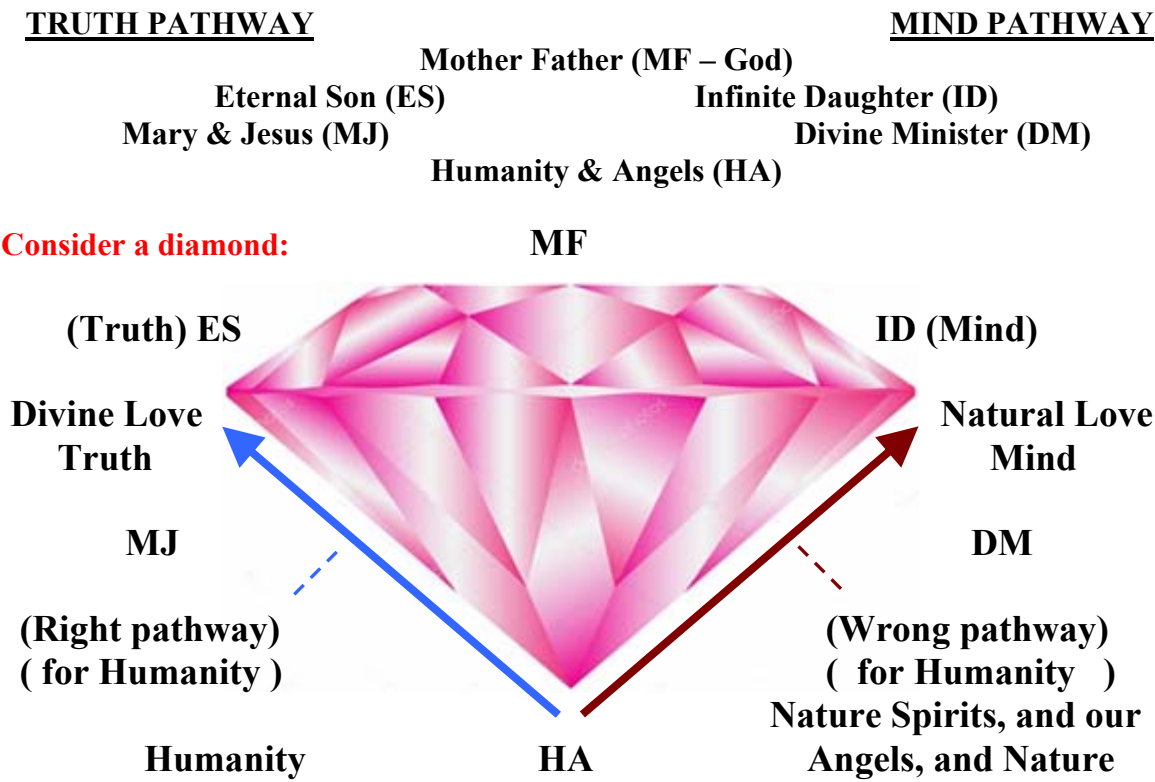

Lanonandeks – Melchizedeks (and others, such as Life Carriers and Eve and Adam).

As the Lanonandeks all rebelled – the Lucifers, Satans, Caligastias and Daligastias soulmate pairs – so the Melchizedeks have taken over their roles, as well as doing their own.

So the Melchizedeks are the governors, overseers, the administrators and advisors and so on for Earth; they are the ‘controllers’, and they will instigate all that needs to be done to do with the ending of the Rebellion and Default. And they will enlist the willing help of ascending mortal pairs, so the mortal Celestials spirits (soulmates when available, and others waiting to unite with their partner), and at times mortal spirits in the Divine Love Healing Mansion Worlds. And the angels help all of us.

Currently the whole of Creation exists for the ascension of mortal souls from their earth planets to Paradise. It’s all one vast Grand Ascension Scheme. With all the higher and lower spiritual Daughters and Sons, together with all the many different angels and other universal spirit personalities, and even including nature and our very own pets, assisting women and men with their Ascension Journey. It being: and Ascension of Truth. Everything we do is done to help us grow in truth. (Only everything we do in our negative state is to deny ourselves our truth from our feelings, which is why we have to do our Healing.) All women and men are ascending (or growing) in truth through their experiences. And as we grow in truth by looking to our feelings to show us that truth, so we’re ascending, moving inwards and upwards through all the worlds and spheres of the Grand Universe to one day arrive on Paradise and meet our Heavenly Parents. God is providing us, Their children, with this spiritual journey called our Ascension of Truth. And by living true to our feelings, so we are progressing on our true Spiritual Path – our Ascension Path.

**Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God’s soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of your Mother and Father.**

**Humanity** is to pursue the pathway for Truth through one’s soul based feelings, this is the right pathway. However, humanity commences its journey founded on natural love, which we now know is to be perfected through one’s Feeling Healing process and then made divine through asking for and receiving our Heavenly Parents’ Divine Love.

For 200,000 years, **humanity** has pursued the pathway of the Mind, being that of the brain, this is the wrong pathway. The Mind is the pathway for Angels and that of all of Nature.

**CREATION of SOUL and SPIRIT:**

God is *The Paradise Trinity* — the eternal Deity union of the Personalities: the Universal Mother and Father; the Eternal Son of Truth; and the Infinite Daughter Spirit of Mind.

The soul of each human personality (sons and daughters of truth) is existential, driving our personality expression in the experiential. The soul of each human finds truth by embracing one's feelings and longing for the truth of them. We are to attain the Eternal Son of Truth. We are a creation of Truth.

The soul of angels is experiential, evolving through their experience by continually progressing in mind development. Angels are to attain the Infinite Daughter (Spirit) of Mind. Angels are a creation of Mind. Our soul is duplex (we have a soulmate) and is created by our Heavenly Parents. Through our Feeling Healing we perfect ourselves enabling the union with our soulmate, as we progress in truth up through the Mansion Worlds, celestial heavens and all the way to Paradise.

The soul of angels is also duplex, yet of the mind, and they progress in mind evolution to Paradise. Animals, plants and nature spirits are also creations of Mind.

Neither we nor animals reincarnate. We never die; upon death, we move into the spirit Mansion Worlds on our journey to Paradise. When animals and plants die, be they the tiny microbe to the mighty elephants of the land and the whales of the ocean, their spirit energy returns to the Spirit Collective Energy. And from this energy are drawn other animals and the nature spirits, who then in turn move onto becoming angels through increasing mind experience.

A nature spirit is an angel in waiting.

JOURNEY of HUMANITY into and through the GREAT U-TURN:

Humanity reaching its most evilness, the most lost, the most separation of soulmates. Humanity can begin its Healing. The Great U-Turn begins, the dawning of the Spiritual Age.

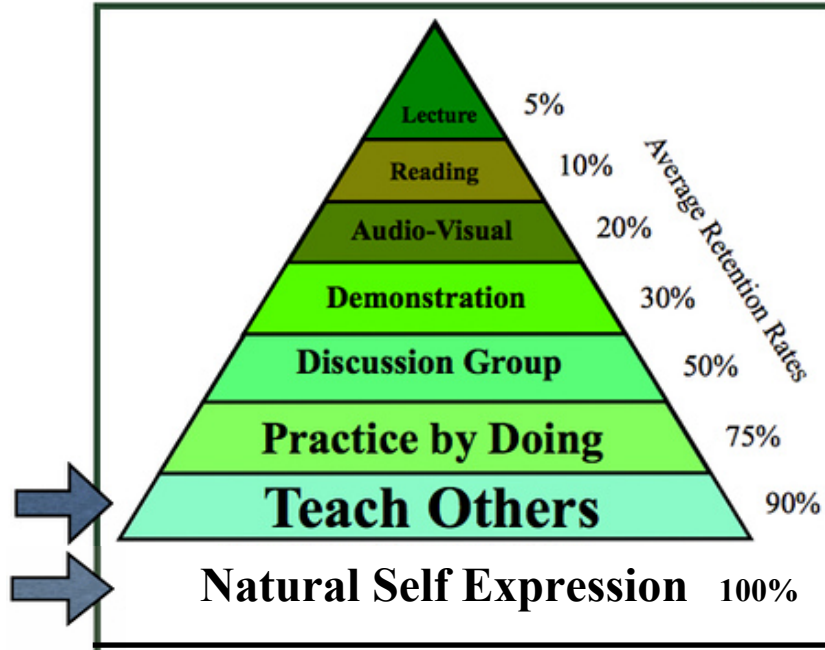

**This is the Great U-Turn. We are to feel and live by our feelings and express our feelings, our mind will follow in support, not the other way around.**

**Feelings First**, you can be sure about that! **Once women get that message and start living it, then the tide will really change**, with men either deciding to support them by looking to their own feelings or being left on the outer wondering what the fuss is all about.

The feminine light is going to sweep through humanity and purge it of all the yuk and darkness, helping to bring the whole of humanity back into a nurturing loving mother state of being, from which the supportive, caring father can support her and together they can make the world great again, they can bring humanity up into its natural love perfection whilst at the same time offer those people who want to spiritually grow the truths of how to embrace the Divine Love and move on to the Celestial level.

**By living true to ourself, true to our feelings, we are living true to God. It's that simple.**

### The Learning Pyramid

**Feelings first**

**LIVE FEELINGS FIRST**

**FEELINGS FIRST For Kids**

**WE ARE ALL SOULS of the FIRST SOUL:**

**We are mortal souls who have the potential to experience the Divine Love.**

**If a person or spirit experiences a drop of Divine Love, then the soul is deemed Immortal, which the spirit body and personality must follow to this perfected truth. The Divine Love is in its own nature, the highest, or if you like, the most perfected form of energy and Law that a mortal soul can receive and experience.**

**The radiance of the spirit body that is seen by other spirit people, is distinguishable as to the presence of natural love and the amount and also Divine Love and the amount. The energy of both loves is processed in the region of the heart region within the spirit body. One's soul is lodged in close proximity to the spirit mind.**

**Divine Love – if sincerely asked for – will not be withheld by the Eternal Love of our Heavenly Parents, no matter what condition one's soul may be in. Divine Love is experienced at any stage in a natural love condition of soul whether error exists or not. What is required is that the cognitive capabilities of the maturing personality must knowingly be asking for this love to be added to its being.**

**Conception / incarnation brings together the soul, which lodges within close proximity to the spirit mind, which is located in the same region as the physical brain. The personality is created at the same time as the spirit body. Nothing that is Divine is within the forming entity.**

**The spirit body's energy is managed in the region of the heart and solar plexus, we are endowed with natural love, being an energy, at conception. It is this energy that is visible to other spirits, not the soul that we all have.**

**A newly individualising soul is just a tiny invisible spark.**

**Viable embryo forming.**

PROCESS of FORGIVENESS  
PROCESS of FORGIVENESS  
PROCESS of FORGIVENESS  
PROCESS of FORGIVENESS

is also the PROCESS of REMOVING HARMFUL EMOTIONS  
is also the PROCESS of HEALING BODIES Physical Spiritual  
is also the PROCESS of SOUL GROWTH with the LOVE  
is also the PROCESS of CLEANSING the SOUL

Our Heavenly Parents send the Holy Spirit, the Spirit, to those who long for and ask for Their Love and assistance. All you need do is ASK!

“The New Birth is the flowing of the Spirit of God into your soul and the disappearing of all that tends to turn your heart from the truth and Love of God in conjunction to doing one’s Feeling Healing.”

“The Holy Spirit is God’s messenger or instrument that carries into the soul the Divine Love that is bestowed on the truly penitent man.”

“The Holy Spirit when the penitent prays for the Love the Holy Spirit will respond and fulfil the work that the Mother and Father has provided it to do.”

“The only thing that saves a man from their sins / errors and reconciles them to the Mother and Father is that they must become conscious of God’s Truths and receive the Holy Spirit into their souls.”

Continuing with one’s longing for Truth and asking for our Parents’ Love enables progressive removal of emotional errors and injuries that then lead to the removal of core emotional damage, and then, subsequently, the progressive filling and expansion of one’s own soul. Removal of these soul injuries through Feeling Healing also leads to the removal of damage to one’s spirit body and the restoration of one’s health.

It is only by the infusion of this Love while longing for Truth within one’s soul in sufficient quantities does one become fitted to enter the Celestial Heavens.

Soul development, with the Love, can take a soul from being a dried up garden pea to that of a simple candle, and then onto that of a blazing sun!

**The LOVE that brings about FORGIVENESS:**

This Divine Love, and by this I mean the only way through which salvation can be obtained, can enter and fill the soul through the sincere longing of the soul to assuage the thirst for at-onement with the Father through prayer.

Revelation 17 – November 12th, 1960 – Jesus

**The only way for man to achieve forgiveness of sins is through the obtaining of the Divine Love or through purification of the natural love, a long and tedious process that fits the individual soul for a place in the Sixth Sphere.**

Revelation 50 – October 18th, 1954 – Jesus

Divine Love fits a personality to enter the Celestial Heavens, way above the 6<sup>th</sup> Sphere. Without this Love, man cannot enter the Heavens. It is this Divine Love that brings about immortality for man.

This great Love of the Father was created or rather has always been, for the redemption of the vilest sinner who seeks and believes.

March 24<sup>th</sup>, 1915 – Ann Rollins

Only the Divine Love can give man of a Divine Nature, and that no self development or cultivation of the Natural Love to the greatest and most sublime extent are sufficient to make man at one with our Mother and Father in the divine sense and which makes the spirit a partaker of this Divine Essence of our Parents. One needs to come to understand the difference between the two loves and what the New Birth means.

March 24<sup>th</sup>, 1915 – Jesus

**Immortality with the Love.**

**WORRY or No WORRIES:****No Worries!**

All your worries, and by this I mean your causes of worry, may be taken from your conscious self if you will only seek for and obtain, which you certainly can do, this Love of the Mother and Father. It is astonishing how efficacious it is to cause the worries and troubles to disappear. They, as you may know, are very largely a matter of the mind and while in a certain sense they are real, yet the mind or its condition is the real cause of the realization of the worries.

And consider for a moment the fact that the indulging in these worries does not in one particular remove the material causes of the worry, and does not in any manner bring relief from the troubles. No matter how much you may allow your mind to dwell on these things, and how intensely you may worry, the cause, the material cause, remains. You may say, and it is natural to do so, that it is easy enough to advise that you should not let these inconvenient things cause you to worry, but when you come to the practical experience and are the sufferer from these conditions, it is not so easy to throw aside the effect of the troubles on the mind. Well, there is much truth in that, but notwithstanding, this Love that I tell you of, when living in the soul, will make even that effort easy to accomplish.

The philosophy of the phenomenon, if you may call it such, is that this Love is of such real substantial essence that it takes control of the mind and eliminates the consciousness of the reality of the causes of the worry. Now I do not want to be understood as intending to convey the idea that these material causes are not real, for I am not a Christian Scientist to that extent, but what I do mean is, that notwithstanding the real existence of these causes, the effects of this Love, and the faith that accompanies it, upon the mind which is the real cause of the worry is such that forgetfulness of these causes of worry takes the place of the constant indulging in the thoughts of their existence, and the unhappy consequence that must flow from them. The cause itself is not removed but the consciousness of their existence, for the time being, is dissipated, and to the mind that is thus influenced by the Love, these causes are, as if they were not. Of course, they are existing and facing you to some extent, but it will come to you that they are not so overwhelming and insurmountable as they would appear were this Love absent from the soul and its influence from the mind. And in addition to this, love and faith creates a confidence in the power of the Father and His willingness to help, that engenders courage, which enables the possessor of this confidence to overcome these causes of worry that he would not otherwise be able to do.

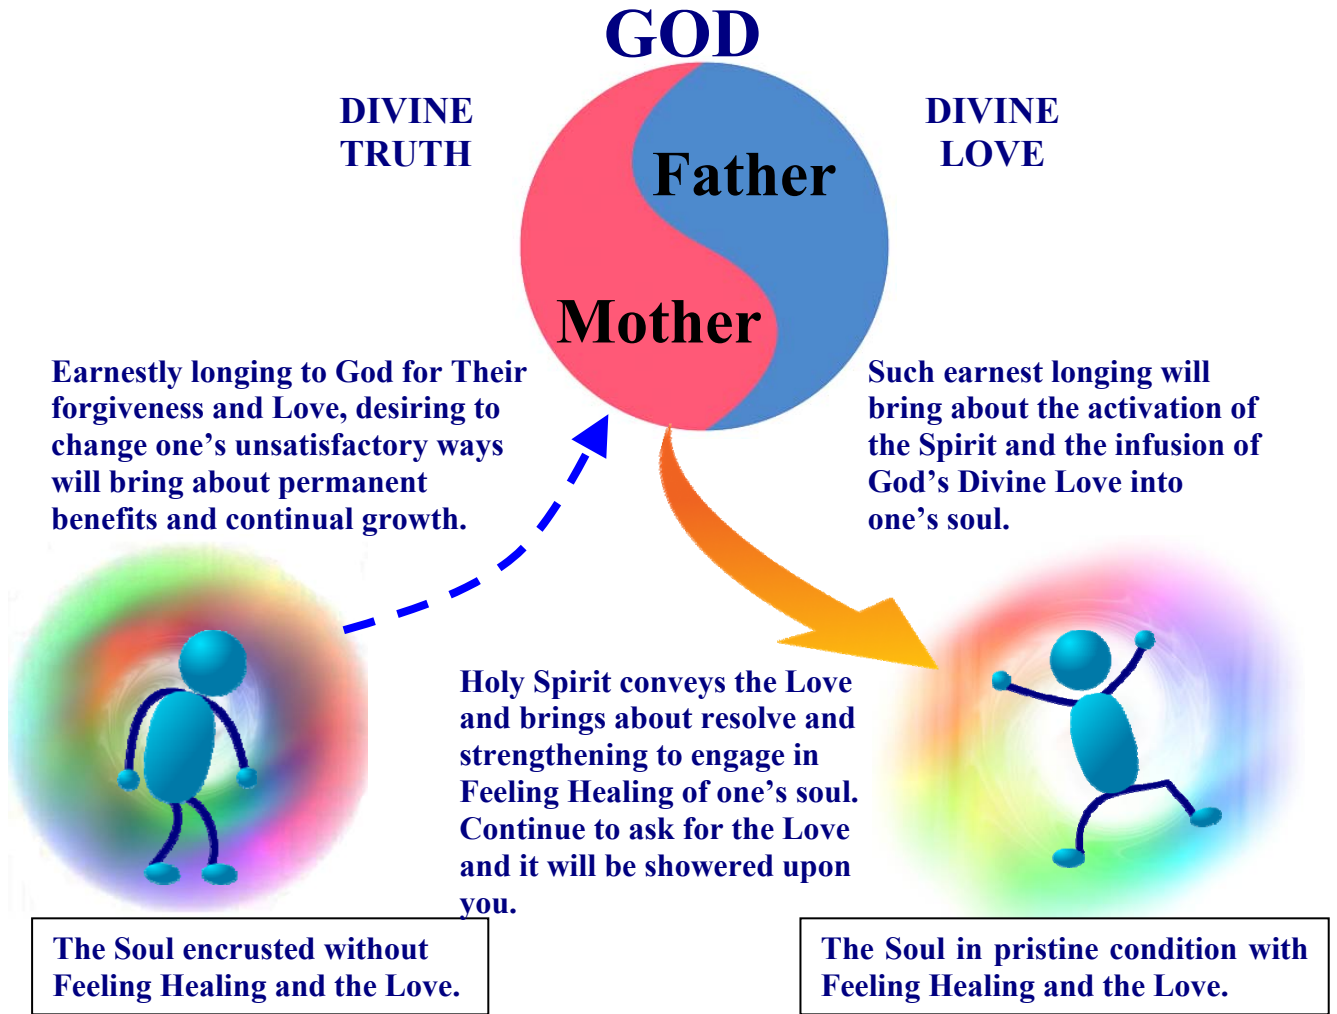

What I have said may be called the philosophy of the workings of this Love in its effective destruction of worry. But the great fact is that the Mother and Father does, as a truth, help the one who is in the condition of being possessed with this Love. His Love is real and His help is real, and the effect is to make the causes named things of unreality so far as the happiness of the object of this help is concerned. And as a truth, shown by the experience of mortals, a very large proportion of the worries and troubles that harass and cause so much unhappiness to mortals is a thing of the imagination and never realized.

**Immortality with the Love.**

## U-TURN for HUMANITY:

### Why are we doing a U-Turn?

We are doing a U-Turn **because** the year 2017 heralded the end of the Rebellion and Default. For two hundred thousand years, humanity has been going in the wrong direction.

### What is this fundamental step that will change our way of living?

We are to come to understand / know the foundational cause of all our feelings, both good and bad. As we explore and investigate our feelings, each time they arise, one by one, we are to talk them through, express them to a companion or friend or anyone who will listen. As we express them, while at the same time coming to understand how they have come about, we will find that they will be resolved and that they will not come up again.

We will find that all of our feelings / emotions have their foundations from our childhood. And by childhood, that is from the time of one's conception all the way through to about the age of six. It is the repression of our childhood feelings that is the base or foundational cause of each and every one of our adult personality issues, pains, difficulties, illnesses and distressful life experiences.

**We have to see the whole truth of our negative or self-denial state, before we can heal it and be free of it.**

The vital difference between **emotions** and **feelings** is:

- emotions have their roots in the past,
- feelings relate to the present moment,
- emotions represent feelings not previously expressed,
- and these accumulate over time.

Many emotional clearing processes encourage us to look into our feelings, however, none go so far as to drill down into the core foundation of any emotional feeling to the point that we strive to **KNOW** the core issue, the origin of the feeling, be it good or bad, and actually come to know what it is!

The *Journey Process* is generally known worldwide. It stops short of longing to know, that is asking for the knowing of the events that brought about such a feeling. Yes, we are to acknowledge the feeling, say being angry. Then accept that behind that anger is the feeling of being small, and then look at the underlying reason of why we are feeling small. What is the truth behind that feeling? Ask our Heavenly Parents what is behind all of this feeling. What is the foundation, the origin of the feeling? All the time talking it out, expressing it, with a friend. The expressing of the experience is the release of the emotion / feeling, this is what removes it for ever from within our essence, our **soul**.

### Why ask our Heavenly Parents? I thought God was just God – singular?

This is part of the revealings that have been unfolding for us very recently – that is – since 2002.

We are made in the image of God. This has been understood for centuries, for 2,000 years. Our soul is duplex. Our soul expresses itself through two personalities. One soul 'subdivides' into two, one half

**Feeling  
Healing with  
Divine Love is  
the key!**

always being female and the other half always being male. We are a reflection of how God is. God being one Soul is expressed as Mother and Father. God is two personalities. They are soulmates. And each of us has a soulmate, and our soulmate is always of the opposite sex, because the Mother and Father are the opposite sex.

Thus, when we long for the truth behind a feeling, then we can long to our Heavenly Mother and Father. Only they can tell us. No spirit personality can tell us. No canonised saint can tell us, we may as well ask our next door neighbour. That would be just as productive. Mary and Jesus can't tell us, as they are also spirit personalities.

### **I was taught that Jesus was God? And what is this about Mary?**

Mary of Magdalene and Jesus of Nazareth were both born free from sin. Neither of them are God. They are both children of God, just like you and me.

History needs to be corrected. Both Jesus of Nazareth and Mary of Magdalene became at one (At-One) with our Heavenly Mother and Father during their physical lives here on Earth in the first century; Jesus in the year 26CE and Mary in the year 33CE, or thereabouts. Jesus died aged 35 (born 7BC died 29CE), and Mary died aged 47 or 48 (born 2BC died 47CE).

Further, their sojourn on Earth was the completion of their process to become the full Regents of the sector of planets that is referred to as Nebadon. The region within our super-universe that is referred to as Nebadon contains 3.8 million inhabited planets. If you look into the night sky, each star / sun potentially has between none to three inhabited planets within its orbit. Within Nebadon, the soulmate pair, namely Mary and Jesus, are our Spiritual Teachers of Truth. Their domain is all 3.8 million physical planets plus their associated spirit worlds. Each physical world has seven associated spirit worlds, which is the case for Earth being one of the 37 that have rebelled.

Some 200,000 years ago, Lucifer with his soulmate and his deputy, Satan with his soulmate, brought about a rebellion on 37 of the inhabited planets within the region called Satania, one of the local universal systems of Nebadon. Earth compounded the situation through the Default of Adam and Eve about 38,000 years ago. Thus the population of Earth, being in the worst condition through the Rebellion and Default, became the location for Mary and Jesus to have their physical experience to complete their ascendancy to full Regency of the local universal system being Nebadon.

Their lives on Earth was the start of the unravelling of the Rebellion and Default. Upon Jesus becoming At-One with our Mother and Father, he was then vested with the authority and power to have the Lucifers and Satans arrested, and they now reside exiled within a prison world.

Notice that there were no records of Jesus and Mary's teachings and experiences made during their physical life. That was because they did not specifically come here for us, they came for the benefit of all peoples of all planets and spirit worlds throughout Nebadon.

As they are Paradise descending spirits, they have **Spirits of Truth**. Upon Mary and Jesus' death, they released their Spirits of Truth. As spirits, Jesus and Mary are how we will be, once we've finished our Soul Healing. They can only be in one place at any one time. However, it is their Spirits of Truth throughout Nebadon that we can connect with for guidance. It is through their Spirits of Truth that spirit personalities can progress through and out of Nebadon.

Those planets that have Rebelled need further assistance, and they need it on a localised manner. This can only be provided by another bestowal of a **Paradise Pair**, and that is in the form and manner of an **Avonal soulmate pair** who come here specifically for us.

### **What is the purpose of an Avonal pair, and are they here on Earth?**

Unlike Jesus and Mary who were always free from sin and did not experience how to heal themselves, the Avonal pair are to experience all of the extremes of evilness and then proceed to heal themselves. Mary and Jesus through their bestowal on Earth ended the Lucifers spiritual rebellion in Nebadon; the Avonals bestowal is primarily concerned with ending the Default of Adam and Eve by the Avonals themselves personally healing the effects of such a damaging Fall.

The soulmate Avonal pair are to be, and have been, subjected to the extremes of childhood suppression and repression, and then, through their Feeling Healing, are experiencing all the facets of emerging truth as they slowly progress through a protracted and difficult healing process. As they reach specific milestones, this also enables those in the Celestial Heavens, (the three worlds where Celestials reside) to be empowered to assist us in the physical on Earth.

The first considered milestone was the arresting and imprisonment of the Caligastia soulmate pair and the Daligastia soulmate pair. After the arrest of the Lucifers and Satans in the first century, as nothing further occurred, the Caligastias and Daligastias continued on from spirit as if they were kings and queens, suppressing all of humanity and with plans to take over the universe. It was possibly in the early 1990s that they were 'judged' and 'removed'. They were caught unaware that an Avonal bestowal pair were on Earth.

### **How is all this becoming known? Has Jesus and Mary communicated directly to Earth?**

Unlike in the first century, when no records were kept (as the event related to all of Nebadon and it was actually setting the stage for the Avonal bestowal pair to arrive on Earth), every effort to retain records in great detail of this current series of events is now being attended to. Consider this. The New Testament of the Bible is some 300 pages. The records of the Second Coming, which this is, the primary records are possibly 6,000 pages, with direct complementary records increasing that to over 10,000 pages and with all the supplementary records to date, there may be as many as 40,000 pages, certainly well over 30,000 pages of material presently.

Jesus directly communicated through James Padgett from 1914 to 1923. Mary of Magdalene (Mary M) has directly communicated through James Moncrief from 2002 and is ongoing. Jesus has also communicated directly through James Moncrief. Neither have ever directly communicated through any one else, however, some Celestial Spirit personalities have provided information through other personalities on Earth with the support and approval of Jesus and Mary, thus some confusion, though the quality of the information is very reliable.

### **You say this is the Second Coming? You say I am living during the time of the Second Coming?**

Yes you are. And it's more than that. This is the Second Coming, the End Times and the Handover!

In fulfilment of the prophecy in the first century, the Second Coming commenced on 31 May 1914 through the writings with James Padgett and concluded in 2014 through the writings with James Moncrief.

The End Times are well advanced. Mary and Jesus are well advanced in handing over their direct involvement with Earth to those within the Celestial Heavens. When this is completed, the Handover will also occur. **The Hand Over is to the Avonal Bestowal pair** and it is they who will guide the population on Earth through their Feeling Healing processes for the next 1,000 years, being the next spiritual age. The Handover will take place after the Avonal pair complete their personal Healing of the Rebellion and Default. Then will follow with their Spirits of Truth being officially liberated in alignment with Mary M and Jesus' Spirits of Truth upon their death.

Major events have occurred with the progression of the Avonal pair's Feeling Healing, which they are also doing whilst embracing our Heavenly Parents' Divine Love, thus they are doing their Soul Healing.

| 31 January 2018: | Earth and the seven associated Mansion Worlds (including the two Earth planes) are <b>officially</b> now fully under the control of Celestial spirits. This marks a tangible and real end to the Rebellion and Default. |

**How does this all fit into our future way of living?**

**This time, in the history of humanity, is the most exciting time ever experienced.**

**The whole human race is suffering from repressed childhood and mind control.**

Through one's Feeling Healing, and should we embrace our Heavenly Parents' Divine Love, then with their Love we are doing our Soul Healing, and eventually we can live totally in accordance with our soul based feelings and live free from error – no more fear and no more physical illnesses is possible!

**By living true to ourself, true to our feelings, we are living true to God. It's that simple.**

Our soul is always perfect. In fact, we are the complete package. All that we need to know is within our soul. This knowledge has been denied from us since the time of the Rebellion and compounded by the Default. That is what was brought upon us by the Lucifers and his cohorts. We have always been meant to live true to our soul based feelings but we were taught to embrace our error riddled mind – this was aided by our parents – unknowingly all parents have taught their children to be mind dominant. **This is the Great U-Turn. We are to feel and live by our feelings and express our feelings, our mind will follow in support, not the other way around.**

“Many people look for a person, spirit, angel, even God, for supreme guidance, however it's all right there already built in – in our feelings. **Feelings** guide us through our **ascension of truth**. So they are really our Supreme Guides. We just have to submit to them, allowing them to take us where they will, expressing all the parts we want to express, letting the emotion drive that expression if it's there to be expressed, or just talking about all we feel and how feeling that feeling is making us feel – or, how we feel about having that feeling, all whilst longing for the truth of our feelings. Longing for the truth of our feelings is really: **Longing for the truth of our self, because: we are our feelings**. So life stirs up

our feelings, we feel being alive; or, being alive means we are feeling, always feeling; and when we work out what and why we are feeling what we are, so then we know the truth of how we are. And over time the truth accumulates, and our mind expands our understanding of ourselves, all being driven from our feelings.”

Kevin of the 1<sup>st</sup> Celestial Heaven 26 September 2017

(Kevin Cooper died 10 August 2012, through Feeling Healing became Celestial on 7 August 2017.)

It is through the assistance of the Spirits of Truth of the Avonal Pair, upon the completion of their Soul Healing, that we will be guided through our Feeling Healing process, and should we embrace our Mother and Father’s Divine Love, then our Soul Healing.

Then should we embrace Mary and Jesus as our Spiritual Teachers of Truth, their Spirits of Truth will lead us on the path through the Celestial Heavens where we will certainly meet up with our soulmate and join our soulgroup, which will eventually consist of twelve soulmate pairs. Then as a soulgroup, the Spirits of Truth of Mary and Jesus will lead us up through and out of Nebadon towards Paradise.

It is then our Mother and Father in Paradise who draw us to them and we will eventually meet our Heavenly Parents.

Meanwhile, while we live on Earth, we will have assistance and guidance previously denied to us throughout the era of the Rebellion and Default. Under the Contract controlling and managing the Rebellion and Default, the powers and capabilities of our Celestial Heaven spirit personalities, all three worlds of them, were heavily restricted and almost of no assistance to us at all. Further, Nature Spirits and our Angels were heavily denied contact with us physical people because of the Rebellion and Default, all of which is soon to change, so we can look directly to them for help concerning healing ourselves and understanding all aspects of nature.

As we embrace our Feeling Healing, Celestial spirits will and can greatly assist us. In fact, during the year of 2017 they have blocked all mind spirits from the Natural Love Mansion Worlds: 1, 2, 4 and 6 from interfering with us. Celestials have taken control of all facets of living and life on Earth. Celestials are those spirits who have completed their Feeling Healing and progressed through Divine Love Mansion Worlds 3, 5 and 7 and now live in the higher Celestial Heavens, 1, 2 and 3 (when we become At One with our Heavenly Parents then we leave the Mansion Worlds and progress through the next three spheres related to Earth, hence the Celestial Heavens are also referred to as being numbered 8, 9 and 10).

The Nature Spirits of Earth, who live in the third Earth plane, can now directly interact with those who are embracing their Feeling Healing. Nature Spirits are essentially ‘angels in waiting’. They have been on Earth prior to anything that we now see living in nature. When they first started to arrive, there was no life in the seas or on land. They have consequently witnessed everything that has happened on Earth, including all prior human civilisations that we continue to largely remain ignorant of. Their knowledge and assistance is of great importance to us. We are to interact with them on an ever increasing scale. They are to become an invaluable source of information for us concerning how we are best to live with nature.

Further, we may become more aware of our **Indwelling Spirit**, which arrives for each of us during our sixth year, as we now progress with our Feeling Healing, or with Divine Love, our Soul Healing.

And all of this is possible as we embrace our Feeling Healing process, acknowledge and accept the Avonal pair, acknowledge and accept our Spiritual Teachers of Truth, namely Mary and Jesus, and more importantly, grow to love our Heavenly Parents, our true Mother and Father.

We do not need intermediaries, rituals, liturgy, dogmas, creeds, fancy clothing, or institutions. It is our soul based feelings and expressions that we may exchange directly with our Heavenly Parents. Groups may form to assist each other, and that is choice and within our free will.

**This is the greatest event in the history of humanity.**

This is the Great U-Turn that humanity will embrace throughout the next 1,000 years. MoC 1,480

**The Divine Love completes the form of the human being.**

**Our soul is formed from the substance that is natural love. When we earnestly and lovingly ask for Divine Love, the Divine Love is added to our soul, thus we steadily and progressively become complete in our being.**

**The Divine Love is a love available for the Human soul that, in its cause and effect, actually perfects the personality as it progresses to a greater experience of living in the determination of living in God's Divine Universal harmony. Every personality has the gift of freedom of self-determination to enjoy and extend through life's experiences and it is this gift of freedom and human nature that may prevent one from participating in the freedom and gift of the Divine Love. The Divine Love, once being received is added to one's nature, having being formed on natural love.**

LUMINOSITY of the SOUL grows with LOVE:

**DIVINE LOVE is a SUBSTANCE**

Angels actually do not have wings.

One's soul can grow from the condition of a dark dried up pea to that of a Celestial Angel by asking for and receiving Divine Love. Divine Love changes the essence of the soul to that of the Divine. Nothing else can do this.

Divine Love is delivered through the Holy Spirit, should you ask for Their Love.

Your soul can be likened to a plasma ball.

Soul releases errors and negative emotions via one's Feeling Healing with Divine Love.

**Our Heavenly Parents simply desires for us to ask for Their Love.**

**Encrustment of the soul is inhibited by the presence of love; error cannot prevail. Dark matter / emotions are dissolved by the Love.**

## The Gift that keeps Giving

*A general universal platform on how to experience Divine Love*

As more people become aware of the *Divine Love*, how to experience the Divine Love required a need to provide a general universal platform that is simple yet an effective way for one to experience *Divine Love*. People may learn about the availability of *Divine Love* by word of mouth or from reading literature that introduces this gift for our soul, and also by participating with group dynamics where the *Divine Love* is introduced and discussed. The essence of this standard platform is its independence so that the individual may feel guided to include this simple platform in their daily life and experience of *Divine Love*.

The platform introduced here is a technique that is simple, constant, practical and has been utilised in the general public for over 20 years with good consistent results, accommodating participants and their diversity of belief and cultural background. This platform is a reliable place to begin with the experience of *Divine Love*. It needs to be confirmed that accepting *Divine Love* rests with our soul and heart and that to experience this Love will comfort one in their individual faith experience as we all aspire toward the greater reality of Love, Truth and Spirit.

### A Universal Platform on How to Experience the Divine Love:

Firstly, you are aware now that you can experience the *Divine Love*.

Find a comfortable chair; sit down in a relaxed and normal position.

Close your eyes and take 3 deep single breaths in through your nose and out through your mouth to clear energy and to relax into this experience. Have a little faith and proceed without great expectations.

Gently turn your inner heart and voice to the Soul, God in faith when you feel ready, ask the Soul, God with your own loving voice for an inflowing of *Divine Love*. Having asked sincerely, there is no need to continuously ask. The Soul, God hears sincere love in the asking and so The Spirit that brings the Love acts, and *Divine Love* is now flowing.

Having asked once, you will be receiving the *Divine Love*.

Proceed without expectation on what will happen as you experience the Love.

Sometimes your mind may wander – or there are thoughts, feelings or physical sensations. Experiencing the *Divine Love* is never a forceful experience.

Continue for as long as you feel you would like to. This may be for 5 minutes or 20 minutes or an hour. Time will vary for the needs of the individual or group.

Take another few deep breaths to assist your focus. Give our love to the Soul, God and in our own voice inwardly say this Soul, God that you love this Soul and are grateful to receive this *Divine Love*.

Then when you feel ready, open your eyes and take another deep breath or two, and this closes the experience.

### Some helpful hints:

- This general universal platform on how to experience the *Divine Love* is uncomplicated. Some people have utilised this platform for over 20+ years, never needing to change.
- The essence of this standard platform is to experience the *Divine Love* in a comfortable way therefore this technique needs to be simple, effective and inclusive.
- Experiencing the *Divine Love* can be a long-term experience so to have a practical, simple, functional standard platform solves a lot of problems about *how* to experience the *Divine Love*.
- From this general platform people who like prayer or meditation, reflection, spirit communication, or just being *in* and *with* the Love can extend their experience from this standard position.
- Lastly, enjoy! And know that when a person is experiencing the *Divine Love* that one is in the tender care of the Soul God, and that no spirit interference will happen, for no spirit can interfere with the Sovereignty of *Divine Love*, which is God's Alone!
- Enjoy, Celebrate and Shine!

## **The Only Prayer That Man Need Offer to the Father:**

**The Prayer for Divine Love**

(as given within the first century)

2 Dec 1916

I am here, Jesus

<http://www.youtube.com/watch?v=Pg6p3rivAZw>

**P.438 Book of Truths through James Padgett / Jesus**

Let your prayer be as follows:

**Our Father, who art in heaven, we recognize that You are all Holy and loving and merciful, and that we are Your children, and not the subservient, sinful and depraved creatures that our teachers of old would have us believe. That we are the greatest of Your creation, and the most wonderful of all Your handiworks, and the objects of Your great soul's love and Tenderest care.**

**That Your will is that we become at one with You, and partake of Your great love which You have bestowed upon us through Your mercy and desire that we become, in truth, Your children, through love, and not through the sacrifice and death of any one of Your creatures.**

**We pray that You will open up our souls to the inflowing of Your love, and that then may come Your Holy Spirit to bring into our souls this, Your love in great abundance, until our souls shall be transformed into the very essence of Yourself; and that there may come to us faith--such faith as will cause us to realize that we are truly Your children and one with You in very substance and not in image only.**

**Let us have such faith as will cause us to know that You are our Father, and the bestower of every good and perfect gift, and that only we, ourselves, can prevent Your love changing us from the mortal to the immortal.**

**Let us never cease to realize that Your love is waiting for each and all of us, and that when we come to You, in faith and earnest aspiration, Your love will never be with-held from us.**

**Keep us in the shadow of Your love every hour and moment of our lives, and help us to overcome all temptations of the flesh, and the influence of the powers of the evil ones, which so constantly surround us and endeavour to turn our thoughts away from You to the pleasures and allurements of this world.**

**We thank You for Your love and the privilege of receiving it, and we believe that You are our Father --the loving Father who smiles upon us in our weakness, and is always ready to help us and take us to Your arms of love.**

**We pray this with all the earnestness and longings of our souls, and trusting in Your love, give You all the glory and honour and love that our finite souls can give.**

**Amen**

**MoC**

Note: The 'false teachers' are our parents, as they are also the 'evil ones'.  
Also, the evil ones, being those parts of one's mind, that are controlling you.

The Padgett Messages, received 1914 to 1923 and published in the Book of Truths, has now been extended with further session of messages having been received between 2012 and 2013, and titled “The DIVINE UNIVERSE” via Zara Borthwick and Nicholas Arnold.

## The DIVINE UNIVERSE

### 79. *Prayer of the Heart*

16 October 2012

I encourage the heart that prays to the Father for the Divine Love. I encourage the heart that loves the Love, and with sincere aspiration, feels for the Love. If there be any doubt, loss of faith or hardship of heart, I encourage the heart not to give up or give the Love away. The Father hears your prayers and the heart be rest assured in this. Never will a good heart be forsaken. As the Father does so do I, see and hear your heart, and prayers for the Love and the needs for wellbeing. Never give your heart up; trust in the One who knows your true heart, and there the Father loves you. One may never fully understand the intricate workings of time, past present and future, but the heart knows faith and Love and the Father Loves a good heart. Pray with faith, and in your heart my truth and the Father’s Divine Love meet you there.

I have given you this prayer of the heart so that men and women may draw from its words, strength, love and faith

Your beloved friend and companion,

**Note:** Following the writings of James Moncrief, one could consider that any reference to the Father, by other relevant writers, may be read as a reference to ‘our Mother and Father’. Further, when considering soul healing, then reference to Divine Love could be referred to as ‘Feeling Healing with Divine Love’.

## The DIVINE UNIVERSE

### 300. *Prayer of Love and Strength*

2 February 2013

I am going to write the Prayer of Love and Strength that may help those with their endeavour of heart in the receipt of the Divine Love:

I pray that I may find the love and strength in my heart to love you more wholeheartedly. I pray that I may feel this strength as a living truth in my heart and soul as my weakness, due to my condition in my physical and material struggle, may not become a hardship that casts a long shadow over my day-to-day living in my faith in Divine Love. I pray that I will not give in to any negativity that surrounds me, or to the way that at times I cannot seem to be able to help or forgive myself for loosing faith in The One I love.

I pray that I am receiving Love, your Divine Love that is in great abundance and that my heart partakes of a small portion of this abundant Love. I ask that your Spirit, The Spirit, convey the Love into my soul as I have already been receiving into my soul your Divine Love. I pray that your Divine Love gives greater love and strength to my heart that I may continue in my prayer to receive this Immortal Love.

God, I love you with all my heart even if there be a shadow across my heart, and a lack of humility in my faith and on my behalf for I recognise that you can love me more perfectly and wholeheartedly than I can accept for myself.

God, I recognise that you are Soul and that I am a finite soul and that your Love and Spirit are true gifts for my heart and soul and that I need this Love that you have provided. I pray that from your Love, more finite love and strength in my faith and heart will enable me to love you even more. I recognise that I am doing my best in all that life has given and taken away from me and that in my resolve, my heart knows that your true Divine Love always remains with me and my faith in you. At times I have left you and left your side and wandered all over the place, lost in the shadows of life and in the near-sightedness of my eye and then, I pray for your Love and your Love fills my heart and my love and strength return and I accept that you are loving me at all times when I am lost and found. I give you all my gratitude, love and strength that my heart can give and I desire not to change the world or the spirit world accepting that your Divine Love will change my soul and in harmony together, I will try for a peaceful world.

I have provided you with the inspiration to give these words of love and strength that such words may help one in their experience of God's Love and Spirit.

**Our Heavenly Parents simply desire for us to ask for Their Love.**

## The DIVINE UNIVERSE

### 303. *The Immortal Prayer*

6 February 2013

For those of you who are strong, I will continue to sustain this strength because many of you who experience the Father's Divine Love require a great resolve and strength of heart not to give up on the Truth and not to be saddened by the apparent lack of interest in the most beautiful love that you feel and know to be true. I will never prevent myself from being with you, who sincerely desire the Divine Love and, with any feeling of being afraid, alone or insecure, I with my Celestial teachers are present supporting you. There is no shadow in the Divine Love and for those who are aware of this Love in faith love and spirit we celebrate the harmony of God's universe of Love and Spirit.

#### *I pray for the Divine Love, the Immortal Love*

Universal Soul God,

My Father, I love and accept you with my heart. I sincerely pray for your Love that will come by The Spirit and embrace my spirit body conveying your Divine Love into my soul. I humbly ask that you love me as I love you, and that you continue to love me when in those times I cannot love myself.

I ask that you give me the strength to voice my faith and love to you, and that you may love me in my weakness and in my strength. I know that I am a soul beautiful to you as you are to me, and that your Divine Love will be the arrival of Truth that my soul has truly longed for.

I pray that your Divine Love will be the arrival from which will announce the departure of my doubt and that such faith, love, strength will come to me that I will never doubt you again. And I will never stop loving you, in the sunrise and the sunset of each day in my life.

I recognise that you are the Source of the Divine Love and the origin of my soul. I recognise that I may have been lost to you but in truth I was never lost to you and now, I am gathering up all my love out of my lost-ness in great abundance because I am aware that your Divine Love is present for my soul and I am free to receive your Love and feel Its' breath of spirit declare in my heart the Immortal Harmony.

I am receiving your Love, I have received your Love, true Universal God, your Immortal Love.  
Amen

Family Reunion – Afterlife Contact: through Joseph Babinsky page 175

The Divine Love is the ingredient of real and definite change. This love will not force the change, but change will come if you continue to desire it to do so. When you are anxious to see the change it escapes your attention. Be still and quiet; reflect in silence. Love is present. Keep asking, longing, and never cease: this is your part. It is your cooperation actively engaged that brings the transformation and continues the process.

Do not fade; do not walk away. Remain in the presence of Love. Be stubborn if need be. Remain in the place of active waiting. This is active silence – energetically remaining steadfast in the place of waiting for more of the Divine Love to flow to your soul. You cannot see it; sometimes you will experience it as simple quietness and calmness. This is as pure and real as any other experience, whether demonstrative joy through laughter and dance, or other expressions.

Do not interpret times of quiet as moments when you are unheard or ignored, or worse, that you are rejected. Divine Love is present; it is always present. It does not fade or disappear. Thus, you must not walk away disillusioned and feel forsaken. There is no need for you to sulk. Do not give into feelings of neglect and rejection.

Come once again to your chamber of prayer. Maintain daily prayer and meditation. When you do this you are building a home for the dwelling of the Divine Love. Your continual invitations establish an attitude of welcome to the Divine Love. These build a bridge for the Divine Love to carry you to new and higher levels of change and transformation: places of new realms for your soul growth and development. They are experiences and expressions of your soul journey to new homes being visited.

You are presently trying on new clothes. You are a soul travelling to new places in new areas having new vistas. You ask if this or that is your new home. The answer is yes and no. You will feel uncomfortable and this indicates it is time to move on. Where you dwell causes you to feel uncomfortable. Where you once felt comfortable no longer feels this way. It is time to move: time to follow your heart and time to explore.

If you move too quickly and reach too soon for a higher place, you will feel discomfort. You will find your new home; this is certain. Now, at this present moment, you are seeking your new home. Do not be alarmed; you will find the peace that your soul desires.

Come home; come home and rest. This is the call that you feel. Do not fear change. You are not slipping backwards to a lower place; you are heading in a new direction: a place higher – higher still. Rest, be quiet, and be still. Listen and hear the whispers of this call.

Your friends await you – new friends as well as old. Your old friends have beckoned to you and they wait your arrival. Remain still and quiet as you move forward. This moment is rich with new adventure.

Are these words familiar to you? Do you recognise them? They are the words of change and progress. They are words in a song that you may have sung or heard many times before. You may have sung or heard it yesterday and a month ago, and also last year and the year before. You many have sung or heard these words many years ago too.

Pause, breathe deeply; sigh, and, and if you must, cry if need be. This is your soul's journey as you travel the road of great change – the transformation of your soul.

Remember, it is said that only you can prevent the Divine Love changing you from the mortal to immortal. This is true; it remains as true as ever. And it shall remain true during the entire course of your transformation process.

Today you are in a new place. You have not been this way before. Take a rest, breathe deeply and be still. Listen and hear.

The voice that comes to you is the voice of the Divine Love in your soul. Allow me to change you. Do not define me or draw a chart showing a prescribed plan of process and progress. I cannot be so rigidly pictured. Be fluid and flexible. Allow me to expand your soul-vision. Allow me to open your eyes that you may see clearly the new home I am leading you toward.

I am the voice of Divine Love wisdom. Allow me to teach you and guide you. I will not lead you astray.

I am the voice of your transformation – the change and transformation of your soul.

Listen and hear. Be quiet and very still so that my voice may become clearer within you.

Are you ready? Are you ready to continue your journey? Are you ready to begin once again? You have not been this way before: are you ready for the next step?

There are many precious souls around and about to encourage you. However, it really is now you and I, the Divine Love and you – your soul. I am the voice of the Divine Love in your soul. Do you hear the sound of my voice? Do you recognise the sound of Divine Love? Is my voice clear? Does it resonate within you?

Be still and trusting. I will guide you safely home. The way is before us. The way ahead is open. It leads to higher places and higher realms where a beautiful home awaits you.

We are not yet there. It is close; just a little further ahead. One more step ... just one step at a time. Until we arrive, there will always be one more step.

Rest, relax and breathe. Pray and wait.

I am near; I am present. Take my hand. Reach for my out-stretched hand.

Feel my presence ... so close; so very near.

I am the voice of the Divine Love within your soul.

Family Reunion – Afterlife Contact: through Joseph Babinsky page 178

Yes, Joseph, I am \_\_\_\_.

I was present while you were receiving the message. It is an excellent message. Where did it originate? Was it a spirit playing with you? Or is it genuinely from the spirit who calls herself “Voice of the Divine Love within your soul?”

Let me begin by saying that it was not a spirit playing with you. You would have felt the difference. A higher spirit would not do this. And the vibration of a lower spirit would have been felt by you quickly, and you would have stopped.

Now, I notice that you did not write my name when we first started this message. Who do you believe that I am?

A new spirit, you say? Am I a spirit that has not identified his or her name? Good. This is true. I am rather quick and you noticed this.

I will allow this to be a puzzle to you for the moment.

The short answer to your question is yes: there is indeed a “voice of the Divine Love”. This voice is present in the Divine Love interlacing with your soul.

I assume you will agree that the Divine Love is the ingredient from the Father’s Soul. As you receive more of the Divine Love you become one with God. The Divine Love is the Divine Substance that transforms a soul into a thing of Divine Essence.

If this is true, and you know that it is the truth, then can you see that it is possible – in fact, it is a reality, that your soul and the Great Soul of our Heavenly Father do communicate soul to Soul?

Do you see this? How do you suppose we in the Celestial Heavens communicate with each other and our Heavenly Father? It is by and through soul communicating directly with each other.

Joseph, you are arriving at a new stage in your soul development. You are experiencing the beginning of the ability to communicate soul to soul. For example, look at the way that you receive messages from Celestial spirits. It is not by pure automatic writing – of the kind that our friend James Padgett did. Your handwriting is basically still your own. Do you recognise this? We are communicating with you by enhanced soul consciousness. Some people call this “thought transfer”, others call it “soul perception”; and few simply refer to it as “inspiration”. With you we are able to communicate by our consciousness blending with yours. It is not perfect by any means, but in time will become more perfect as your soul continues to develop.

*[While Joseph was receiving the above words he scribbled a few names in the margin of his notebook: John; Paul; Thomas...]*

Yes, I see that you are trying to receive my name; but I have not yet projected this to you. Be patient.

Now, let us return to the subject of “the voice of the Divine Love in your soul”.

The Divine Love certainly is substance from the Father's Great Soul. Do you accept this is in fact the way it is? Divine Love is real substance – not image only. Is this correct? Is it too difficult to realise that communication between your soul and the Father's Soul is possible? If this is possible, and if it exists in your soul as potentiality: then why not in *reality* and *substance*? I know there are those who say that humans cannot and do not hear God's Voice. In a sense this is correct, but certainly this does not tell the complete story. The answer, my friend, is closely linked with the promise and the reality of receiving the Divine Love. Substance, substance, substance ... I cannot repeat this enough. The substance is indeed the ingredient from the Great Soul who we call our Heavenly Father. You become as He is in love – though never yourself becoming GOD.

*Joseph: It is hard enough for me to believe that I am really communicating with Celestial spirits, and now this: to believe I may communicate direct with the Father through the Divine Love in my soul. This is astounding news – beyond belief – an undeniable fact. Did I write what I just wrote? Or did a Celestial spirit slip these words in?*

I am smiling. You are waking up, Joseph. It is a process; always remember this. All development of the soul is process and progress. What is happening in your life at this time is a direct experience of your progression.

Now, regarding my identity, do you feel that you now know who it is that writes these words?

*Joseph: I feel a difference. In the beginning when you first started to write, I felt power and strength, of course, coming to me with gentleness. Now, however, I feel less of the strength and power, and more of the gentleness. I may be guessing; yes, I feel that you are Jesus. Would you like to know why I say that you are Jesus?*

Yes; please continue.

*Joseph: Recently I read a message that you wrote to me eleven years ago. Your words were very firm, similar in tone that I felt at the beginning of the message today. Eleven years ago you were trying so hard to help me see how often I run away from the voice within. I was stubborn, for I did not want to communicate with you. Do you remember this? And so today, I felt the same firmness, in that you were trying again to wake me to the fact of the voice within. Is this true? Am I correct?*

Yes, Joseph, you are remembering correctly.

I am your friend and teacher, Jesus.

And yes, you are often very difficult to work with. The basic difficulty is that you doubt me, as well as other Celestial friends. You do this because you do not accept who and what you are. It is like the light of knowing who you really are is too strong for your eyes, and thus you constantly turn away from the brightness.

Nonetheless, you remain a good candidate to experience your completed soul transformation while you are still on Earth. This is possible: the potential is present within you. You are closer than you realise. When you come to recognise the fullness of the Divine Love present in your soul, it will be a very short step into the Kingdom. Your sister, Ana, will be the one to assist you, perhaps even more than I or other Celestial spirits, or even the other members of your birth family surrounding you with their love.

My suggestion is that you read this message, and the previous message, many times. Words of wisdom are present. Pray and meditate; never cease longing for the Father’s Love – for it is more real than all of nature. Be still and listen to the quiet voice of love within you.

I bless you with my love, as even your Heavenly Father blesses you.

Your brother and friend – Jesus.

## ***DIVINE LOVE – what does it do?***

**Divine Love, which is a substance, progressively:**

**Transforms one's soul from that which is of natural love to that which is Divine**

**As natural love is enhanced with the Parent's Love, we reject our tendency to error**

**Divine Love, our Parent's Love, restrains errors, untruths and emotional stress**

**As we reject the condition to error, we develop our love for our brothers and sisters**

**Divine Love helps one with the discovery of truth through one's soul-feeling healing**

**Our natural intelligence grows, perceptions rise with our soul intelligent feelings**

**As Law of Compensation is resolved, the Love reduces returning to being in error**

**Receipt of Divine Love, the Parent's Love, grows our faith, we become God reliant**

**As our faith grows our propensity to undertake one's Feeling Healing strengthens**

**With the Love, our Feeling Healing becomes Soul Healing, this we are to undertake**

**Without the Love we remain self reliant and dependent upon our own will power**

**Only with the Love will our soul condition grow rapidly, all around us also benefit**

**The Love is the only substance that changes the human soul to that which is Divine**

**Only by asking and receiving Love do we become fitted to enter Celestial Heavens**

**Only by asking for and receiving the Divine Love does our soul become immortal.**

**FEELING HEALING and SOUL HEALING with the DIVINE LOVE:****James Moncrief Publications:****all publications are free downloads:**<http://divinelovesp.weebly.com/my-free-books-and-free-padgett-messages.html>

It is suggested for one to consider reading as follows:

**Speaking with Mary Magdalene and Jesus – books 1 – 4**

These four books encapsulate the second of the revelations with the first having been introduced by James Padgett one hundred years previously. These four books provide a wide range of guidance that has never previously been made available.

**Paul – City of Light**

As a gentle intro into the Divine Love and Healing; being James Moncrief's first novel and it's been criticised as being too heavily clichéd, but that's the point because it's a reflection of how he was back then.

**Ann and Terry**

For an example of people who might want to immediately start working on themselves and doing their Healing.

**Feeling Bad? Bad feelings are GOOD**

For more understanding about our denial of our feelings and why we should not deny our feelings, and it includes how it all came about for James, using himself as an example.

**Feeling bad will make you feel BETTER – Eventually!**

This includes specific examples of Marion and James working on expressing particular bad feelings, again with the hope that it will help others gain something of an idea as to what's involved in doing your Feeling Healing.

**Sage – and the Healing Angels of Light**

Through Sage who's 13 years old, the story is primarily about the two aspects of healing; that being, with the help of our angels, and the full Healing we can do by looking to our feelings for their truth.

**Religion of Feelings  
Feeling Healing**

**Welcome to LOVE – the Religion of Feelings  
you can heal yourself through your feelings**

So these books, including the four Speaking with Mary Magdalene and Jesus books, provide the essence of it all and are examples of James' work. Then it's up to whatever takes one's fancy. Other reading to consider may include:

**The Padgett Messages being published as:****The True Gospel Revealed Anew by Jesus volumes 1 – 4****Book of Truths by Joseph Babinsky****The Urantia Book**

**Release one's pain through expressing one's feelings.**

**in conjunction with**

**Longing for the Truth when also longing for Divine Love.**

### **FEELING HEALING with DIVINE LOVE is SOUL HEALING:**

*A collection of 'papers' that draw together specific topics including all of the above and more from other sources of information and revelation designed to help increase one's awareness about why we have the problems we do and how to heal them, all whilst living a more healthy and sustainable life. They provide a brief snapshot of the more complicated topics and issues.*

**Firstly, consider discovering the truth of your emotional pain through Feeling Healing. Secondly, consider longing for our Heavenly Parents' Love as you progress with your healing. Primary and most important readings are the writings of James Moncrief. Then consider the Padgett Messages, and then The Urantia Book.**
