PASCAS INTRODUCTION:

Documents assembled by Pascas are provided for your individual assessment and exploration. The contents are sourced from a variety of avenues and publications. Every endeavour is made to determine that the contents are of the highest level of truth and veracity. At all times we ask that you go within yourself, to ascertain for yourself, how the contents resonate with you.

Pascas provides these notes and observations to assist us all in the development and growth of our own pathways and consciousness. Pascas does not hold these contents as dogma. Pascas is about looking within oneself. Much of what we are observing is new to us readers and thus, we consider that you will take on board that which resonates with you, investigate further those items of interest, and discard that which does not feel appropriate to you.

Kinesiological muscle testing, as developed by Dr David R Hawkins and quantified by his Map of Consciousness (MOC) table, has been used to ascertain the possible level of truth of documents. Such tested calibration levels appear within the document. We ask that you consider testing same for yourself. The technique and process is outlined within Pascas documents, such as Pascas Care – Energy Level of Food. From each person’s perspective, results may vary somewhat. The calibration is offered as a guide only and just another tool to assist in considering the possibilities. As a contrast, consider using this technique to test the level of truth of your local daily newspaper.

Contents are not to be interpreted as an independent guide to self-healing. The information sourced herein is not from a doctor or doctors, and any information provided in this document should not be in lieu of consultation with your physician, doctor, or other health care professional. Pascas, nor anyone associated with this document, does not assume any responsibility whatsoever for the results of any application or use of any process, technique, compound or potion as described within this document.

The sources of contents are noted throughout the document. In doing so, we acknowledge the importance of these sources and encourage our readers to consider further these sources. Should we have infringed upon a copyright pertaining to content, graphics and or pictures, we apologise. In such cases, we will endeavour to make the appropriate notations within the documents that we have assembled as a service via our not for profit arm, to our interested community.

We offer all contents in love and with the fullness of grace, which is intended to flow to readers who join us upon this fascinating journey throughout this incredible changing era we are all experiencing.

Living Feelings First, *John.*

“Never can one man do more for another man than by making it known of the availability of the Feeling Healing process and Divine Love.” JD

OUR DESIRES, OUR PASSIONATE DESIRES:

Goals of Pascas Care are lead by our desire to:

Treat the cause of illness rather than the symptoms, this is the focus of Pascas Care.

**People look for miracles to cure disease which is
ONLY the removal of the effect of the emotion.**

Further stated policy, Pascas Care – Kids of the World:

**The greatest gift for our children that we could possibly
provide is to enable for them to grow up without fear.**

Until it was understood that **everything is interconnected**, these goals appeared fanciful. Now these goals are universally achievable. The Great Architect created everything so that all goals are achievable and simple. When in truth and in love, everything becomes self evident. We do not need intermediaries and we do not need elaborate rules, nor do we need expensive technology, though such technology assist whilst we learn the simplicity of it all.

We have, at Pascas, a fundamental attribute which is that everything is back to front.

Our medical and health care industry struggle to repair our bodies, that is our physical body. Meanwhile they strenuously struggle with this, ‘we’, through our emotional injuries continue to generate harm to our physical body.

So, who or what is our ‘we’?

Our real self is our soul. The attributes of our real self is animated through our spirit body and in turn, through our spirit body the physical body is animated. Meanwhile the health industry struggles with and only with the physical body.

Our soul is the home of our intelligence, our memory which is total in all respects; we have total recall, our emotions, our personality, our aspirations, intentions, creativity, awareness, passions, desires, aspirations, and the greatest gift of all, our free will. Our soul with all of these qualities is totally invisible and inaccessible to the sciences of the health care industry.

We are all aware of our five senses that exist within our physical body.

Some of us are more sensitive than others and are able to access some of our senses that are within our spirit body. These sensitive people are said to be one of, or a combination of being clairvoyant (seeing spiritually), clairaudient (hearing spiritually), and/or clairsentient (sensing presence, feeling thoughts spiritually). Our spirit body has thirteen senses including the five that the physical body has and all these thirteen senses are greatly enhanced within the spirit body. The spirit body is our physical body for our journeys within the spirit world. Our physical experience is a mere moment in time, compared to our time within the spirit worlds.

Our soul has thousands of senses, all of which have significantly greater capability than that of the spirit body. Like the spirit body which is generally invisible to the senses of the physical body, the soul is invisible to the spirit body. It is only when one progresses in love to reach the 8th sphere or greater that the soul becomes visible. In the meantime, the soul's condition is discernable via its reflection through the spirit body.

Soul based injuries – emotional damage – are reflected through the spirit body as fissures and other damages. These injuries appearing as a result of the soul's condition that appear in the spirit body subsequently appear in the physical body as illness. Generally the location of the illness within the physical body corresponds with the location of the injuries appearing in the spirit body.

The underlying emotional injuries within one's soul generally result in similar illnesses occurring in people. Emotional issues of a like nature held as erroneous beliefs within the soul generate the same style of illness within the physical body. When the health care industry treats the body for an illness, unless the emotional damage is addressed, the underlying emotional cause is still generating the same illness or some other illness of a similar nature in the physical body.

Perfect love will result in a perfectly healthy body.

Fear held emotions will result in a chronically ill body.

All negative emotional issues are varying forms of fear based emotional injuries.

Bringing about a loving emotional soul and perfect health is achievable – no drugs, no radiation therapy or surgery required.

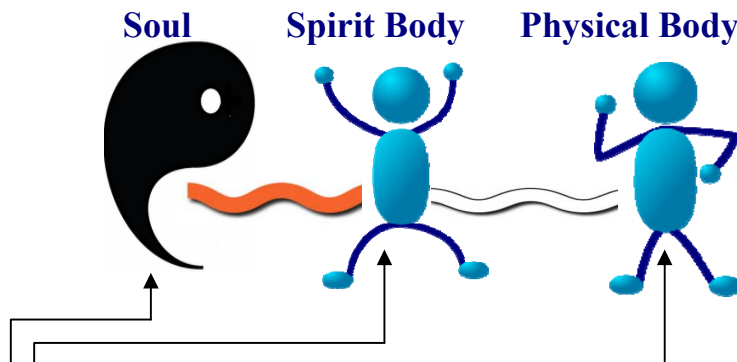

As we release our damaged emotions, we as parents achieve the same for our children. As we remove fear based emotions we do the same for our children. In our endeavours to bring about perfect health for ourselves we enable our children to grow up without fear. Everything is interconnected.

To greatly escalate the improvement and growth of one's soul condition, and accordingly, one's health, is to ask for and receive God's Divine Love. Divine Love is a substance, the only substance that changes one's soul from that of a natural man to that of a Divine Being.

As you grow in love and truth, not only does your physical health improve but also does one's intelligence. The infusion / receipt of Divine Love also results in one's intelligence growing exponentially. Generally, we all follow the natural love path which is being self dependent; to grow on this path takes centuries to return to the level of the perfect man being the level of the 6th sphere. Being God reliant and asking for God's Divine Love, one can progress way beyond the 6th sphere within years, not centuries.

HIERARCHY of HEALING SYSTEMS

ALLOPATHIC – Western Medicine treats the symptoms, is highly regulated and costly as it is cost driven.

ENERGY HEALING – Eastern Therapies also treat the symptoms with the assistance from natural love spirits from the realms up to the 6th sphere.

Therapy applied to the spirit body by an energy therapist may work on the chakras, whereas a chiropractor works on the physical body. Such type of therapy deals with the effects and ignores the soul and the causes.

EMOTIONAL PROCESSING and CLEARING deals with the cause. Soul level clearing and growth provides permanent solutions whereas the other two systems provide temporary relief.

If you focus on the soul, that is the most powerful tool to improve yourself.

**Feeling
Healing with
Divine Love is
the key!**

Our environment, namely those who are closest around us, introduce many of the errors we carry with us within our soul body, our real self. Our parents, grand parents and siblings are those who greatly influence and mould our emotions. Prior to birth and during our first years, we absorb the emotions of those within our environment.

As children start to make transitions into their free will, from the age of 5 to 7, progressing until their maturity, their emotions become more and more of their own. Before that, their emotions reflect those of the parents, and close relatives.

“All dis-ease is mind generated, and all healing is generated by the love energy of one’s soul.”

The Ego (mind based) manifests illness; the lower one’s level of consciousness (soul condition) then the more prevalent will be illness. Below the levels of 200, the ego and fear of the mind dominate; however, as you raise your level of consciousness by growing in love and achieve a level of 500 or higher, you begin to transcend ego dominance. At the level of 600, all healing is possible.

Golden Rule: that one must always honour another’s will as one honours one’s own.

CANCER is a RESULT of HELD NEGATIVE EMOTIONS within ONE’S MIND:

I (Anita Moorjani), while being out of body, saw all people as “energy”, and depending where our energy level was, that was the world we created for ourselves. The understanding I gained from this was that if cancer was not in our “energy”, then it was not in our reality. If feeling good about ourselves was in our energy, then our reality would be positive. If cancer was in our energy, then even if we eradicated it with modern medicine, it would soon come back. But if we cleared it from our energy, the physical body would soon follow. None of us are as “real” or physical as we think we are. From what I saw, while being in the spirit world, it looked like we are energy first, and physical is only a result of expressing our energy. And we can change our physical reality if we change our energy. (Some people have mentioned I use the term “Vibration”). For me, personally, I was made to feel that in order to keep my energy / vibration level up, I only had to live in the moment, enjoy every moment of life, and use each moment to elevate the next moment (which then elevates my future). It is in that moment of elevating your energy level that you can change your future (like my test results). It sounds very simplistic, but it felt very deep when I was experiencing the understanding of it.

TE 29.20 Part 1

There was great clarity and understanding as to why I got the cancer. I started to understand that I had never been aware of the truth of who I really was. And the way it is in that spirit realm is really interesting, it is hard to describe, it is almost like, the answer is so obvious why haven’t I seen that before. Why did I not know this? It just felt so obvious and so easy.

TE 33.10 Part 1

I started to understand that I have never loved myself enough before and I had always lived in fear. I had always lived in fear of being true to myself and I had grown up trying to do the right thing, or to fit in to my culture, to fit in with what people expected of me, and I was always a people pleaser. In addition to always not being true to myself and always putting myself last, I also lived in a lot of fear. I feared life, I feared not being good enough, I feared cancer, I feared illness, I lived a very fearful life.

It was from this life time, I sensed that I picked up all the fears from this life time. It is just conditioning. A lot of it, I think it is just the world is, whether it is from reading newspapers and everyone being afraid of getting cancer, all the cancer awareness campaigns, but also the other fears of not being good enough, always being a people pleaser, putting myself last, putting myself down, always the negative self talk. All that is probably just generally conditioning from culture and upbringing.

This self loathing was actually the cause of my cancer. This is what I learnt when being out of body. It was in that realisation that I and everyone else, we are absolutely magnificent beings that have come here to express who we are (individualisation process), and be true to who we are. Why would we want to be anyone else other than who we actually are and who we are supposed to be? All we have to do and be is to be true to ourselves. That is all we have to do.

I ❤️
ME

The feeling, the sensation, the awareness, it was like ‘oh my god, how could I not know that’. How obvious is that, why else would I be on this planet expressing myself if I am supposed to try to be

someone else, or fit somebody else's model of what somebody is supposed to be. I never checked in with myself, like who am I, what do I want to do, what are my feelings. It is basically about following my own emotions because that realm that I visited, it was very real for me was my emotions, just my emotions, they were very, very real. I realised that I had never checked in with my emotions during my life. I had never asked myself, 'how do I feel, how do I feel about my life or what I want in life?' It was all about giving other people what they felt. It was always about putting myself last because I thought it was selfish. I always thought it was selfish to love myself and to give myself what I wanted.

Is this a loving choice for me?

But I then started to really understand in depth that you can't love another if you don't love yourself first because you don't have anything to give. I realised that only when I love myself can I actually love others and being selfish comes from too little self love, not to much.

Now that you know the truth of who you are, your body will reflect that truth and your body will be healed. Those are the words I would put to that feeling, that sense that I got in that understanding.

Illness starts at an energetic level, then the physical follows suit.

This awareness eradicates the illness from within your energy basically.

I became aware at that point that now if I choose to go back to the physical world, that now I understood why I had the cancer, I understood my only purpose was to be myself and that is all. That is only purpose that any of us have is just to be true to who we really are. I understood at our core, each and everyone of us our essence is one of awareness, it is one of love. At our essence, at our core we are pure love, that essence is pure love, unconditional love. So, if you are being yourself then you are being love, who else could you be if you are in touch with your core.

When I understood that at our core we are love, I understood that my body would reflect this new understanding, my physical body would reflect it, it was at this point that I sensed both my departed father and departed best friend communicating to me (soul to soul) now that you know the truth of who you really are go back and live your life fearlessly.

TE 22.50 Part 2

The best thing that anyone can do for themselves, I feel is to get in touch with who they really are. It is to get a sense of your own emotions, like, ask yourself, what do I like, what do I like doing, what makes me happy, what makes me tick, what brings me joy, what makes me feel alive. It is that which we forget to get in touch with ourselves and when we feel this joy, this passion, that is when we are healthy and we are happy, that is when we do things we are coming from a state of being, rather than a state of doing. We are always doing things, but are we doing it out of being or are we doing it out of just doing.

When we live in fear, that is when we are in a state of doing. So when all our emotions and the reason why we do everything is because I am scared, I am scared to be left behind, I am scared I will not have enough money. That is why I have taken this job. I am scared I won't be liked and that is why I am doing this. So when every decision we make that is based on fear then we are constantly doing things

and we lose touch with who we really are. Basically what happened to me and my soul and spirit went through a real identity crisis, and that is what caused the cancer.

I feel that cancer is not an illness of the body, which is why the body reflected what I was inside. The cancer to me was more an illness of the emotion, an illness of the identity, but it is not an illness of the body.

When you are going to do something, ask yourself is that something that is loving to me. If we are planning to do something is to ask ourselves, how does this make me feel to do this, is it a heavy draining feeling? Or do I feel uplifted, light and passionate about doing it, whatever it is? And those are the kind of questions I would ask.

God's Divine Love: Pray for it, ask for it, and receive it.

Love never expects anything from anyone.

Our Heavenly Mother and Father simply desires for us to ask for Their Love.

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God's soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of your Mother and Father.

OUT OF BODY EXPERIENCE:

(generally these are visionary experiences, we do not leave the physical body)

“I saw all people as “energy”, and depending where our energy level was, that was the world we created for ourselves. The understanding I gained from this was that if cancer was not in our “energy”, then it was not in our reality. If feeling good about ourselves was in our energy, then our reality would be positive.” – Anita Moorjani

LACK of SELF- LOVE:

- A composite of:
- a. lack of self-worth
 - b. lack of self-acceptance
 - c. arrogance and pride
 - d. self-loath and hatred
 - e. lack of self-awareness.

Why one has imperfection in their natural love is due to an extension of one of these traits, and all these traits relate back to one single finite Truth, which in its cause is a lack of self-love. The lack of self-love to one's self is the cause, the root cause, on why there is so much fear within individuals, the human world and the lowest spheres in the spirit world. The individual will have a memory that describes how this lack of self-love appears and many people deny this existence of the lack of self-love within themselves because it hurts too much to see it.

Cause No Harm < to OTHERS
to MYSELF

Strive to love others as I am to love myself

Our perfect soul is founded on natural love. Our soul may become encased / encrusted in error bringing about lack of self love. To dissolve the errors encrusting our perfect soul is by growing in truth through the ongoing healing of one's negative state, by doing our Feeling-Healing of our toxic emotions. By ending our feeling denial and healing any personality expression denial we have.

The Mother and Father's Divine Love will slowly strengthen our resolve to perfect one's own natural love, should we address such errors. Slowly but surely, with the Divine Love, our soul's condition will grow and grow. With the Love this will fit one to enter the Celestial Heavens, and beyond, being in the love of all that surpasses man's imagination. Try the experiment.

Mediumship takes two main forms:

www.mysticalspiritualpsychic.com/

Physical Mediums: Physical phenomena is of such a nature that it is usually demonstrated only at private séances. Any person sitting with the medium can hear or see what is happening. By means of raps, audible voices or materialised figures the spirit people convey intimate information about themselves, their recollection of their earthly life and details of their life in the spirit world.

Mental Mediums: Mental phenomena is demonstrated through the mind of a medium. **Mediums** identify three forms of mental mediumship:

1. **CLAIRVOYANCE** when **mediums** see the spirit
2. **CLAIRAUDIENCE** when **mediums** hear the spirit
3. **CLAIRSENTIENCE** when **mediums** senses the presence and the thoughts of the spirit.

Mental phenomena is the type most often demonstrated in public. Trance mediumship is a form of mental mediumship in which the medium is overshadowed by the spirit communicator and allowed to speak directly through the medium.

Book of Truths:

When I say clairvoyant, I do not mean that faculty which enables you to hear clearly with the spirit ear, but rather that which enables you to receive our impressions, and which inspires you being actually conscious of the reception of these impressions.

So you see you have the opportunity of receiving these things which very few mortals have; for this is a phase of mediumship (as it might be called) which is rare and not possessed by many mortals. It differs from the ordinary inspirational phase in that, where the medium receives information in this latter way, the spirit ear actually hears the thoughts coming of which the medium is conscious, while in the former method there is neither an actual hearing nor a consciousness on the part of the mortal of the thing conveyed.

P.530 Book of Truths through James Padgett / Luke

Our memory and intelligence are housed within our soul and mind, our mind is housed within our spirit body, and our brain is within our physical body. Our soul animates the spirit body which in turn animates the physical body. It is the disconnection of the silver cord between the spirit body and the physical body that results in the death of the physical body. The spirit body, which looks much like the physical body, goes on living. Emotional injuries become blocked within our soul, such injuries are reflected through the spirit body and then into the physical body as illnesses.

SUPER SENSORY SENSES

The real you is your soul.

Spirit people cannot see the soul until they progress to the 8th sphere. Spirits tend to believe that their spirit body is the soul, that is not so.

SOUL SPIRIT BODY PHYSICAL BODY

The super sensory senses are within the soul:

- Soul has many, many senses.
- Spirit body has much higher senses and capabilities than the physical body.
- Body has five sensing tools – sight, smell, touch, hearing, and taste.

When the soul receives Divine Love, even the super sensory senses continue to grow.

Physical Body	↑	we first generally develop our physical senses.
Spirit Body	↑	mind / brain development starts.
Soul	↑	soul development is typically ignored on the planet.

Soulmate development is soul to soul.

Once we open up our soul, we cease to depend upon our bodies, and connect soul to soul.

PURPOSE of ORGANS within OUR BODIES:

How the organs within the physical body as well as the spiritual body are dependent upon the soul. The organs all work to keep the soul connected to the body. This is to enable the soul to experience life through the body.

The rate at which the heart beats within the spirit body is much faster than within the physical body.

Visibility: **Body -** limited sight of colour.
 Spirit - expanded visibility.
 Soul - complete spectrum of colour.

An earnest longing for God’s Divine Love is the only way to transform one’s soul. This longing is severely retarded and the reception of God’s love impaired whilst one’s soul is dominated by erroneous beliefs which are in the form of negative emotions. The releasing of and clearing of these emotions are essential to progress from the lowest levels of the 1st sphere and also to progress through the 2nd sphere. It is Feeling Healing with Divine Love that one progresses through the Divine Love mansion worlds 3, 5 and 7 and enters the Heavens.

Feelings first

LIVE FEELINGS FIRST

FEELINGS FIRST For Kids

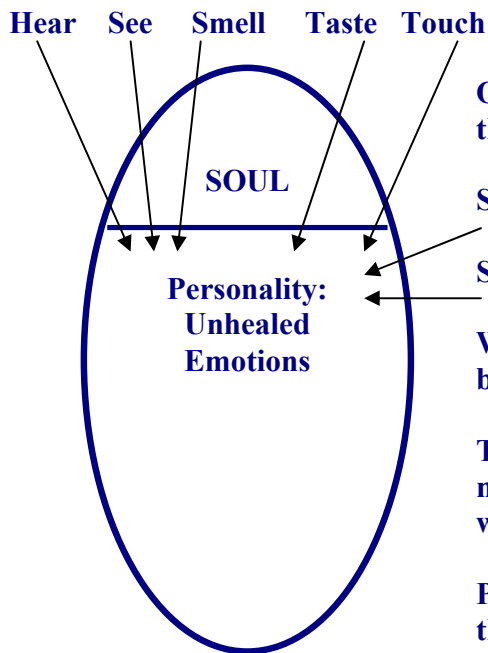

INTELLIGENCE, MIND, BRAIN:

Prior to conception, we are only a feeling of God. Our parents attract us thus creating our spirit mind and body brain.

Our Intelligence is Soul based. The capabilities of discernment, e.g., by kinesiology muscle testing, expands only with the growth of our Soul's intelligence. Upon conception, the creation of both our Spirit Body and Physical Body occurs, bringing forward our unaware Soul to start our journey. Upon death of the body, the brain dissolves. The mind continues to grow in the Spirit Body until we progress through the 7th sphere into the 8th sphere at which point we are 'born again', one with God, entering the Celestial Realms, and the mind is no longer. Our soul intelligence grows and our soul expands with the ever increasing infusion of Love from God.

Our abilities in the physical form are a subset of the senses that we have in a spiritual form.

Spirits have the ability to feel emotions.

Spirits have the ability to see pictures.

We have the ability to do that with every single being in the universe.

The only thing that limits this ability within myself, in the physical, is unhealed emotions within myself.

Progressively, we will connect with spirits through all of these senses.

KNOWLEDGE downloading from your source, the SOUL

The real you is your soul.

The flow of knowledge and sensory capabilities from the soul to the spirit body is constricted by the soul's condition and further restricted by the limited, though great, capabilities of the spirit body. This flow on to the physical body from the spirit body is further constricted by the physical bodies greater limitations.

Physical Body	↑	we first generally develop our physical senses.
Spirit Body	↑	mind / brain development starts.
Soul	↑	soul development is typically ignored on the planet.

Soulmate development is soul to soul. Once we open up our soul, we cease to depend upon our bodies, and connect soul to soul. Connecting to the soul can be achieved through kinesiology muscle testing.

Feeling
Healing with
Divine Love is
the key!

Spirit bodies have enormous capabilities, however, one capability it does not have is the ability to see one's soul or anyone else's soul.

Only via one's soul perception does one become capable of perceiving another's soul, in that way does the soul become visible.

One's soul condition is reflected through the spirit body. Most spirits believe that the spirit body is the soul, this is not so.

When you disconnect from your physical body, the experience is more vivid, you are now using your spirit body senses, not your physical body senses. Your spirit body has eyes, your spirit body has a brain being your mind, your spirit body has ears, your spirit body has a mouth, every sense you have in the physical, your spirit body has, and additional ones on top of that. What you are having is all your sensory input to your soul via your spirit body. That is why it is so real, because it is actually a real thing. You are doing this really but in your spirit body form, not your physical body form. You can see everything in the spirit form as well as the physical world that your soul condition will allow you to access.

For some people it is a very scary experience because their soul condition is afraid or they have different fears that they are yet to resolve at the soul level, so they have a very scary experience. For others who are less afraid, and they feel more feeling, no fear, a more pleasant experience.

The only time you leave your physical body permanently is when your silver cord is cut.

The majority of people who pass and are not in a dark condition, never consider coming back to earth.

29 Jul 2009

Contrary to general belief, there are no animals or fish in the spirit world that previously lived on Earth.

You think your appearance reflects your soul condition, but in the spirit world, the mask is removed, and ... oh dear!

“Every day is a day of devotion.”

Please Mother and Father, may I receive Your LOVE.

God's Divine Love: Pray for it, ask for it, and receive it.

Our salvation IS the embracing of the Feeling Healing process with Divine Love.

CREATION of SOUL and SPIRIT:

God is *The Paradise Trinity* — the eternal Deity union of the Personalities: the Universal Mother and Father; the Eternal Son of Truth; and the Infinite Daughter Spirit of Mind.

The soul of each human personality (sons and daughters of truth) is existential, driving our personality expression in the experiential. The soul of each human finds truth by embracing one’s feelings and longing for the truth of them. We are to attain the Eternal Son of Truth. We are a creation of Truth.

The soul of angels is experiential, evolving through their experience by continually progressing in mind development. Angels are to attain the Infinite Daughter (Spirit) of Mind. Angels are a creation of Mind. Our soul is duplex (we have a soulmate) and is created by our Heavenly Parents. Through our Feeling Healing we perfect ourselves enabling the union with our soulmate, as we progress in truth up through the Mansion Worlds, celestial heavens and all the way to Paradise.

The soul of angels is also duplex, yet of the mind, and they progress in mind evolution to Paradise. Animals, plants and nature spirits are also creations of Mind.

Neither we nor animals reincarnate. We never die; upon death, we move into the spirit Mansion Worlds on our journey to Paradise. When animals and plants die, be they the tiny microbe to the mighty elephants of the land and the whales of the ocean, their spirit energy returns to the Spirit Collective

Energy. And from this energy are drawn other animals and the nature spirits, who then in turn move onto becoming angels through increasing mind experience.

A nature spirit is an angel in waiting.

INTENTION:

Human intention can strongly influence the physics of this duplex space, our physical well being, says Dr William A Tiller.

Human acupuncture meridian / chakra system exists at a higher Electro-Magnetic (EM) gauge symmetry state, so that focused and sustained human intention channelled through this system can produce amazing transformation both inside and outside the body.

Human intention is created within the domain of the soul.

It is our soul that is made in the likeness of our Creator. It is our soul that forms the features of our character. Our soul is our real self, not our physical or spirit body. Our spirit body, as it is for other creatures, is the physical body for the spirit world. We function through our soul whilst living this experience on this physical world.

When we are conceived, the embryo borrows from the life force of our parents. The attracted soul half then becomes the life force for us for our physical experience.

Anything with a central nervous system has a spirit body (birds, fish, animals, etc.), however these creatures do not receive a soul.

Your brain is within your physical body, your mind is within your spirit body, however, your intelligence, memories, etc., are within your soul.

The five senses within your physical body are enhanced within your spirit body. Some people are sensitive to the enhanced and additional senses (total 13) within our spirit body. The senses within our soul are huge in number and are very much more capable.

The power of our soul influences all living life within its environment, thus many pets reflect the character of its owner.

The physical body's capabilities, with its five senses, pales into insignificance when compared to the capabilities of one's spirit body, with its thirteen senses, which include the physical body's five senses, however they are greatly enhanced.

Your soul animates your spirit body. The spirit body can be compared to Superman's capabilities. Now consider how much further your soul is restricted when it is animating the physical body. Your physical body is a very restraining suit.

When the physical body is viewed as an entity that is cocooned within a cumbersome restrictive suit and then compared to the capabilities of Superman, then we are starting to compare the capabilities of your physical body with that of your spirit body. Your spirit body, once it leaves your physical body, can travel to the other side of earth quicker than you can read this sentence! You can travel so fast that you can see the end beams of light.

Now, try and imagine the capabilities of your soul which animates your spirit body, and in turn animates your physical body. Your soul has thousands of senses and ever increasing capabilities as it grows and grows in love.

Your soul is your real self, the home of your personality being your intelligence, your emotions, memories, awareness, passions, desires, creativity, intentions, aspirations, free will, etc. As you grow in love, all these aspects of you grow and expand naturally.

Our journey starts by being individualised. Your soul starts its journey of discovery and growth by being incarnated into the physical body which already has the spirit body attached to the newly created embryo. The individualisation process is completed once the soul connects to the embryo being the two bodies, the physical and the spirit body. Upon the soul becoming individualised, the need for the physical body is no longer required. There never becomes another time whereby we need to return to dwell within another physical body. Subsequently, on our journey of development in love we reach a point in our growth whereby we no longer even need the spirit body.

Our soul continues to grow in love and beauty on its journey home towards our Creator.

You could liken the capabilities of the physical body with its five senses to that of a golf buggy.

The spirit body with its enhanced senses, which include the physical body's five senses with greater capabilities, to that of a space shuttle. Sight of the spirit body is 360°, the speed it can travel is far greater than that of light, its communication is mainly by feeling, etc.

However, the soul has 1,000s of senses and capabilities far beyond our comprehension, and where it can grow in love and truth is that which only God knows. Your soul is the real you.

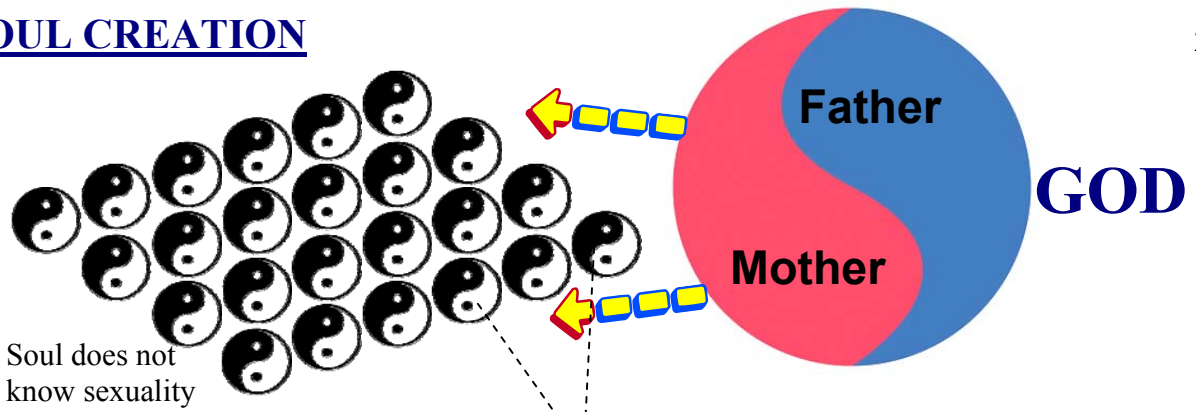

How Matter is Formed

This is not an exact representation of the process, however, it demonstrates just how powerful our thoughts can be and are.

SOUL CREATION

When God gets busy on something, She does a lot of it!
Souls, being thoughts of God, are ready for incarnation in their billions.
These souls are at the level of the 6th sphere in a natural love state, however, they are not within the 6th sphere perse.
These souls are not conscious of themselves in this state.
Prior to incarnation, they do not express free will.
They have an instinct to incarnate.
Incarnation of the two soul halves, male and female aspects, typically occurs within a 5 or 6 year time frame, however the timing may be 20 or 60 years apart.
To become conscious of self, you must incarnate.
The soul half that incarnates is the one most suitable for the characteristics and character of the attracting parents.
Upon incarnation, one's soul condition adjusts to reflect the soul conditions of those around it, typically reflecting closely the soul conditions of one's parents.

Our soul splits into bodies of the opposite sex, thus creating the soulmate pair. In the spirit world we bond closely together again as we progress up through the spheres.

Who is your Daddy?
Your Creator is your Daddy.
In fact, your Creator is your Mummy and Daddy.
Our physical parents are, in fact, our brother and sister.

CREATION, DEVOLUTION and EVOLUTION:

Aman and Amon (also called Andon and Fonta), our first parents, physical being was born of natural parents, who in turn had been born of their own parents. Their bodies were not created instantaneously, but evolved just as all of God's creatures evolved. Aman and Amon were both nurtured physically as infants and then children. **But our first parents' souls were placed in them when they were already adults.** They had no clear memories of their earlier life before that great moment. As soon as they possessed a soul, all of the normal human psychological manifestations appeared.

There were aunts and cousins, parents and grandparents. But they were not human like Aman and Amon - they were really animals, though of the same species. Aman and Amon wandered off from the family, since they could find no way of relating to them at all. How could they? They were incapable of rational thought, speech, or anything human. Aman and Amon knew that forevermore they were apart.

They were indeed a primate species of humanoids. But Aman and Amon (they were not Adam and Eve) were more beautiful than their animal relatives, and knew, even from their very appearance, that they were marked even by Nature to be different. The human body, without a soul, calibrates at 200 on Dr Hawkins' Map of Consciousness. Domestic animals typically calibrate 200 to 250. Our soul is the source of our personality, intelligence, and memory. Our soul is formed from the energy substance of natural love. There is nothing of the Divine within our soul.

The First Parents did not recognise the full beauty of the gift of Divine Love, and subsequently it was withdrawn. Man, left to his own perseverance and determination can develop into the perfect man with only Natural Love, however that is a slow and tedious pathway and limited to perfection of the soul, fit only for the 6th natural love spheres.

By embracing Divine Love and one's Feeling Healing, man can become fitted to enter the Celestial Heaven and higher in rather quick time. One's life on earth, living with the Love and embracing Feeling Healing, can be that of living in Heaven!

Further, Feeling Healing process with Divine Love, has a powerful positive effect on the physical body, balancing the hormones and generally promoting physical health, which is really the same thing as saying that the state of a mortal's soul impacts directly on that mortal's physical health.

DIMENSIONS of ONE’S EXISTENCE:

Our SOUL IS NOT ENSOULLED IN OUR SPIRIT BODY. Our soul exists existentially in a whole different level or plane or place or dimension of being – ‘soul land’. It doesn’t exist in Creation, it’s not experiential like Creation is. The soul, all souls, help create their part of Creation by expressing their personalities into Creation, and then by having their personalities do things (further create) in Creation.

SOUL exists existentially

Our Physical Body and our Spirit Body are of Creation, being linked together by cords of light as are the two spirit bodies, male and female, to the one Soul.

One’s unique personality is soul based. Our unique soul expresses its unique personality through the two spirit bodies and physical bodies expressing both the male and female aspects.

P E R S O N A L I T Y

Our soul is the centre of our personality. We are children of our Heavenly Parents. Our soul manifests a male and female personality - it is a duplex!

MAN WITHOUT or WITH a SOUL!

Man without a soul is likened to a puppy dog!

The human body (without a soul) calibrates at 200 on Dr David R Hawkins' Map of Consciousness. Domestic animals also calibrate from 200 to 250 on this scale. Without a soul, a human body is incapable of rational thought, speech, or anything human.

The real you is your soul! With the infusion of one's soul becoming connected by cords of light with one's spirit body, which is the template for the physical body, comes one's personality, natural intelligence, memory, and all things human.

Our brain is simply a transceiver of communications from one's mind. The mind is housed within one's spirit body. The thinkingness is done within the spirit body mind. What is held in mind subsequently manifests within the physical body. The functionality of reason calibrates between 400 and 499, thus overriding the physical body as it calibrates around 200 only.

The natural love based soul endeavours to guide the mind (love calibrates at 500 and above). During our physical life, we encrust our soul with emotional injuries and erroneous beliefs thus impeding and frustrating the flow of loving energies from the soul to the spirit body mind, and subsequently the physical body.

It is the love energy of the soul that brings about health of the physical body and a bounteous and blessed life in the physical world.

There is nothing of the divine within our natural love soul, however, should we long for, pray for, ask for, and receive our Heavenly Parents' Love, the Divine Love of our Mother and Father, then we slowly and progressively blend our natural love with that which is Divine, Divine Love. It is this ultimate high-octane super fuel that changes our soul from that which is mortal to that which is immortal and with Feeling Healing, become fitted for the Celestial Heaven; this is the process of being born again!

If you ask for the Divine Love to enter your soul it will be 10 or 100 times more efficient, 10 or 100 times stronger than if you would let the natural love flow through your soul. So it will help to break down "the wall" you've created around your soul 10 or 100 times faster than the natural love would do.

Feeling Healing with this ultimate high-octane super fuel is what dissolves the encrustments of errors and false beliefs around the soul, enabling penetration of loving energies throughout the spirit body, and into the physical body, bringing about health and vibrancy to life.

The REAL YOU is the SOUL:

One's personality, natural intelligence, memory and human attributes all are soul based. The soul initiates conception so it can start expressing one of its two personalities in Creation. It creates the will, then 'wills' the spirit body and physical body and all that connects them with the will into being. Our soul constantly sustains or expresses us, one of its two personalities, in Creation. The spirit can't separate from the soul because the soul keeps it in existence. We need our spirit and physical bodies to experience our personality through. When the spirit body separates from the physical body, one continues on living in a different form without losing any of the attributes experienced during physical life. Incarnation is the process of individualisation of the soul.

Without a soul, our physical bodies would function and interact similarly to that of a domestic animal. An unsouled human body (thought not possible) would respond like a household puppy! Domestic animals calibrate on Dr David Hawkins' Map of Consciousness between 200 and 250, the human body calibrates at 200. All animals have spirit bodies, these do not survive into the spirit Mansion Worlds. Our SOUL IS NOT ENSOULLED IN OUR SPIRIT BODY. Our soul exists existentially in a whole different level or plane or place or dimension of being – 'soul land'. It doesn't exist in Creation, it's not experiential like Creation is. The soul, all souls, help create their part of Creation by expressing their personalities into Creation, and then by having their personalities do things (further create) in Creation.

Our first parents, Andon and Fonta (also called Aman and Amon), were the first to exhibit human perfection hunger some one million years ago (993,500 years ago). Adam and Eve, Adamite bestowals, arrived some thirty eight thousand years ago – or earlier.

Aman and Amon were the first True Humans, which means, the first soul expressing its soulmate pair, its two personalities, in Creation – on Earth. From which came forth the rest of us. So they had a soul from the start, which separated them from their animal parents. It's the soul that wants to fully express itself through its two personalities perfectly in Creation, which is the so-called 'human perfection hunger'. It, our soul, wants to be Perfect like its Heavenly Parents, the Soul that Created it. We, focused as personalities, want to be perfect, like the Personalities of our Mother and Father that are Perfect. Our soul wants to be like Their Soul. Our soul wants to ascend us to Paradise so we can be with Them, as physically close to Them on a personality level that we can be, and then see what happens.

There were aunts and cousins, parents and grandparents. But they were not human like Aman and Amon – they were really animals, though of the same species. Aman and Amon wandered off from the family, since they could find no way of relating to them at all. How could they? They were incapable of rational thought, speech, or anything human. Aman and Amon knew that forevermore that they were apart.

Aman and Amon may have been twins. They were indeed a primate species of humanoids. But they, themselves were more beautiful than their animal relatives, and they knew, even from their very appearance, that they were marked even by Nature to be different.

308. *The study of the spirit body*

19 February 2013

Hello, it is I Eugene, present with you now. I have been asked by the Master to write a series of works that study the spirit body. You have with Zara received a comprehensive Immortal work and now we are asking that you commit to these extensive works on the study of the spirit body. Let us begin.

The thing that has enabled you to work out so much about the spirit world, other than living and being aware of the Divine Love, has been your study of the spirit body and the purpose and function of this attribute. Once you both grasped how it works in relationship with the attribute of soul and personality, you could then begin to identify with the way the mortal spirit world is. The construction and formation of the spirit body has provided you with the necessary means to adequately equate how the mortal personality is situated in a physical human experience and how this experience translates into the life of a spirit.

By understanding how the spirit body works, you could then relate how all the necessary attributes of personality survive the human experience, and for the personality to transition into the spirit world to commence living as a personality in the spirit world. By understanding the purpose of the spirit body, has provided the wonderful insight into how the soul changes in its condition by the result of experiencing the Divine Love. The spirit body and its function to maintain personality in the spirit world, has enabled you to see the vision of how soul progression actually happens as the soul relates in its progressive condition with distinct and various changes that assist in this progression. You have studied the spirit body as enthusiastically and as comprehensively as one may study the human physical body. Your study of the spirit body and its related workings has assisted us greatly and has enabled us to freely communicate with you. By learning how the experience of communication with spirits involves the spirit body, and not just the soul or mortal mind we have together a union of spirit-to-mortal communication.

As you know, this study of the spirit body continues as a more concise and precise understanding and vision of the real and true nature of man, spirit and God, and the spirit world emerges that with your soul perceptions and spirit-senses, provides a true account of the mortal nature and Immortal nature of love and spirit and how the personality individualises this experience as a human and no differently than a spirit.

309. *Details on the workings of the spirit body*

The spirit body has virtually a non-physical presence as far as it being seen in its place, situated with the physical body. Most people will never see their spirit body, feel or know its presence in their human experience. For those who become aware of the Divine Love, and experience this Love, may be able to perceive the presence of their spirit body as its spirit-systems interface with the physical attributes of the body. Its influence is very real as it has a large role in the forming of the human personality and the way the soul is situated in it. We know that the spirit body is virtually unknown in human awareness, because if it were visible and its presence known, then all humans would be easily able to accept, identify and recognise that they are spirits themselves, with the component and attribute of spirit already present through the duration of a physical life! If the spirit body were commonly visible to the naked

eye, this would solve the problem as to whether a spirit world exists or not. Can you imagine how beautiful human life would be if the spirit body was seen as it truly is, as part of the visibility of the human form and life experience? This should provide you with an image of how beautiful the natural and Divine Love Spheres are, in their presentation of humanity, seen living their spirit lives in their spirit body.

A spirit body is present in each human life. Each person has one and only ever one spirit body. A single spirit body, that is never replaced or reformed or re-used or reincarnated from the spirit world just like each person, will only ever have their single attribute of soul present. As you know, the spirit body develops as the physical body matures and the personality forms. The spirit body is never formed then in that original form, to remain static and unchanged in that original form. The systems of the spirit body mature in their form in the harmony of the forming personality. This has to be so, so that the spirit-mind can integrate the developing forming attributes of the individual human personality. This is paramount so that the experience and memories of a human life lived are retained in that part of memory located in the spirit-mind. We have to remember when we study the spirit body, that this body *is perfect* in its function and design to facilitate the human personality and attribute of soul. The energy of the spirit body is infused with the soul and the human body and its systems form part of the human energetic determination that the physical body has as its genetic origin of being. The spirit body has its own information that is entirely sympathetic with the information in a human being, and part of this information is to provide the means for a human personality to survive physical death and to continue to function in the mortal spirit world. The spirit body never interferes or acts independently to cause a malfunction in the forming of the human bio-function of the physical systems and the forming of the individual personality.

When people have near-death-experiences, a common theme is that one “Sees the Light” or experiences other forms of translucent quality that may change a person’s perception and awareness about the nature of human life. In a general study of these experiences, individuals who experience NDE’s are in fact experiencing part of them selves, which is the spirit-mind. The awareness of the individual and consciousness of the individual experiences their spirit-mind, which exceeds their normal physical and material awareness. This explains why one finds it so hard to explain why they have had such an experience, because humanity has very little knowledge of how the spirit body functions and is present in a human life. People have had so little experience of their spirit body that they cannot identify with that part of their soulful nature and therefore one may find it hard to put into words, what one has experienced. When one is in contact with their spirit-mind, time place and space may seem altered and this explains why one may feel or see themselves as being ‘out-of-their-body’ or in touch with spirits present with them during such times of mortal balance. When a human life is hanging in the balance by a thread, human awareness can move from the physical brain to the presence of the spirit-mind. The spirit body is always active in the life of a human being, though its presence and activity is diminished by the function of the brain and the physical condition of the human body. Some people have survived remarkable experiences and yet they have continued to live and this is due to the spirit-systems enabling the human to energetically survive. Why someone survives and another doesn’t, I can only say, this rests with God.

When an individual has an experience of the presence of their spirit body, this introduces a changed awareness that a person is more than what one perceived as being solely limited to the human body. Communication with the spirit world involves the spirit body and the attribute of soul and there are

many experiences that happen in human lives that involve the spirit body that people cannot easily identify or explain. If one studies the spirit body, then a greater image of the human being identified--especially as far as the soul and the personality function in their respective form. Not everyone, who has a NDE experience, has contact with their spirit-mind however, it does seem that whoever does, has their human awareness changed forever which is in keeping with the fact that they have been in touch with the real spirit-nature that forms part of the human being: form, energy, personality, spirit-mind, soul and self.

When people are in a coma, or deemed brain-dead, and are on a life-support system, the spirit body still remains present as an adjunct to the physical body. Whether one is aware in such a condition of living, that they have a spirit-mind, is another matter. There are no special considerations in the human experience as to the forming and functioning of the spirit body. The spirit body cannot detach itself from the physical body at will, so to speak. One may be in a coma for a considerable length of time but this does not mean, on the grounds of sympathy, that the spirit body suddenly decides on compassionate grounds, to leave the body and take up living in the spirit world. Humans who are compassionate, and who try to preserve and save a human life, may keep a person in a coma or extreme physical condition, for a length of time because of the medical advances that enable this to happen. Under normal survival mechanisms such as the conditions of living hundreds or thousands of years ago, people simply didn't survive such conditions. The spirit body can only leave the physical body when that physical body can no longer function. This moment is determined by the Spirit Law of Life and Death. Only God knows this working by the exactness of this very specific Spirit Law and upon this exactness, the same exactness of the Law that first formed the spirit body at the commencement of a human life, along with the incarnation of the soul, can the spirit body leave the human body at the end of that human life. No matter of the human intervention insofar as trying to save a human life, as soon as that Spirit Law recognises the Truth to the living condition of a human life, as far as its continuance is concerned, this Spirit Law knows that death is present by which this Spirit Law acts upon the spirit body and begins to extract the spirit body from the physical body. With the harmony that preserves the forming personality to retain its integrity as it leaves the influence of the physical body, and is now solely subject to the functioning spirit body. The soul, being in the spirit body, moves with the spirit body from the human being and world into the First Sphere of the Natural spirit world where living continues.

Once the spirit body is subject to this Spirit Law and complete separation occurs from the physical body, the soul and personality are now enclosed in the spirit body and can never be reinstated back into that deceased body or another human body. There has never been a mistake or error committed by God in the timing of a spirit body being extracted from a physical body and transitioning into the spirit world. People die from all sorts of things under normal and extreme conditions, but regardless of the way a person dies or the time that a person dies with regard to age, the personality survives as does the soul and spirit body, and the sum total of a person's life is constructed into the already formed spirit-systems that enable the personality to continue to function and engage now experiencing spirit life.

As we have previously explained in other works, the spirit body has within it the necessary systems and attributes to maintain the functioning and forming of the human personality. The spirit body changes in the spirit world. It becomes more pronounced with form, substance, image and definition. This continues to happen relative with the soul condition of the individual. If a spirit begins to receive Divine Love, the spirit body begins to change and becomes even more defined and identifiable. Those of us who reside in the Celestial Heaven have real spirit definition compared with the development of the

spirit body of those who are predominately living in their natural love soul condition in the social Spheres. The spirit body cannot exceed the development of the soul that resides in the spirit body. The spirit body only ever receives the energy from the Divine Love when the soul has received this energetic Love. The Divine Love, never conveyed by the Spirit directly into the systems or attributes of the functioning spirit body. This be said the same for when the spirit body forms part of the human physical body. Only can the finite attribute of soul receive the Divine Love. The more the soul is developed in its condition of love, the more this condition will be reflected in the functioning of the spirit body and consequently, the personality. And so, it is true when it is said: “Love and soul come first to which all else follows.”

This has been a long and informative message, with much to consider and should prove helpful to those who may desire to study the workings of the spirit body.

310. *The preservation of the human personality*

20 February 2013

The fact that the spirit body with the soul attributes are involved in physical human experience, reveals how these attributes are subject to the kind of physical experiences that the diversity of human life covers. People put their bodies through all kinds of experience and yet these attributes of soul and spirit body are never compromised or ruined with regard to their integrity. The soul and spirit body are involved in the dynamic of personality even though most humans have little comprehension or awareness of these attributes. When a person becomes a spirit, and the spirit body reflects the condition of the individual soul irrespective of the human experiences lived, each person is suddenly introduced to the awareness that they were more than they thought themselves to be in their human life. Every single person who commences their life in the spirit world realises that they are with a particular kind of body that was unknown to them when they lived life in the flesh.

Nothing made by humans can obliterate the attribute of soul or spirit body or the Spirit Laws that relate with these attributes in a human experience or their environments. The spirit body serves the purpose of the preservation of the attribute of soul and the individual forming personality. The attribute of the spirit body can never be dismantled by human experience and every single human personality will be preserved so that the individual can continue to live upon entering the spirit world.

311. *Optical vision*

21 February 2013

Zara has asked a question about ‘seeing and sight’.

The spirit body has within it, the attribute of optical vision. The capacity to ‘see’ is vital just as it is with most humans and their capacity of see with eyesight. In the spirit world everyone has spirit-optical sight and vision. A constant truth in the spirit world that involves us all is that there are no illusions of reality. There has never been anything created or formed here in the entire mortal or Immortal Spheres, by God or any spirit, that may deceive another as to the reality of spirit living. The only thing that is an illusion are the various natural beliefs that spirits have in the natural social Spheres about the nature of God, their life and how these Spheres came into being. These beliefs are a legacy left over from a respective human life. The Spirit Laws that exist here prevent anything from being made or formed by mortals and Immortals that would be out of harmony with the harmony that exists throughout all the Spheres. On Earth people can make an energy source that pollutes people and their environment. In the spirit world

this can never happen. No one here can make or create anything that is harmful to another or the environment one lives in. No one can cause injury to another and our environments are pristine as they have been since the dawning of man and the first personalities resided here after the completion of their human life.

The optical ability of each spirit body acts truly and is developed as a potential for optical spirit-vision in the spirit world and this is commenced when the spirit body first forms at the conception of a human life. Whilst a person cannot see with this spirit-optical vision of sight, it is nonetheless present and forms part of the systems of the spirit body. There are other senses such as audio for sound, which also develop along side the physical senses. Most people may never experience these senses of their spirit body while during their human experience. Everyone will experience these senses after the completion of each physical human life. Some people have experiences of the spirit-senses from their spirit body and soul in their human experience. When the personality is situated in the spirit body in the First Natural Sphere, these attributes of vision and audio are immediately engaged so that the individual can see and hear and feel connected to their new environment. These senses of the spirit body are automatically engaged and they don't require the individual to activate or cause these senses into action. There are Spirit Laws that do this and for the obvious reason. Most people have little or no idea about their spirit body and so, there is great assistance from God who takes into consideration the workings of the spirit body to ensure mortal life can continue seamlessly without any condition. Individuals learn how to work their spirit-senses as one become familiar with their spirit body and environment that differs from the experience of their previous human life.

If the world knew about the existence of the Divine Love, and for generations this Love actively taught, experienced, socialised, and comprehensively studied, then humans would be well-aware of the relationship between the attribute of soul and spirit body, and how the energy of the Divine Love develops both these attributes. We can theorise that if humans lived a thousand years in the generations of living in the awareness of the Divine Love, then individuals would actively participate with the systems of their spirit body as an adjunct to their living their physical life. This is what the term: Light and Life means. The Spirit Laws that work with the spirit body in the Spheres in the mortal spirit world are not confined to the spirit world alone. These Spirit Laws have complete accessibility to human life because this follows the Truth that God's Divine Love can be experienced in the soul of people living on Earth.

The optical attribute developed in the spirit body is perfectly suited for spirit living. The light source in each spirit Sphere is generated by the existence of spirit energy that acts as the illuminator and this light is substantially present in each of the Spheres. Our light source is not powered by generators, but by a source of energy, spirit energy, generated by the convergence of various Spirit Laws that cause a spirit-fusion to happen. It is endless in supply and sympathetic to accommodate the soul condition and spirit living for each respective Sphere. We never have a darkness such as night is to Earth, for there is no Sun. We have the ability to close out the light in the environments that we reside in, such as our homes, so that our spirit-senses can rest from the light and we can regenerate from our activities much in the way one needs sleep and rest for the physical body to regenerate.

When a person becomes a spirit it takes a little time to adjust to the spirit body. When the optical ability is familiar, along with the other senses, one can see distance and minute detail. The light that is present in each Sphere is in its energetic presence, perfectly made so that the senses of the spirit body can

identify with it. The optical ability in the spirit body never malfunctions and everyone has perfect sight. This is the same with all the other senses of the spirit body.

The only condition that forms part of the functioning spirit body as to its ability to function in the spirit world is the condition of the soul. If the soul condition is poor, then one is limited in their capacity to work with their spirit-senses. Whilst these spirit-senses are perfectly formed, the individual in a weakened soul condition, the individual will have their spirit body functioning with a diminished capacity. As I stipulated before, there are no illusions in the spirit world. No one can make them selves out to be anything other than what they truly are, with regard to their true soul condition. Individuals in a poor soul condition living in their disharmony have optical vision and light fills the Spheres that they reside in. Their spirit-senses are diminished because the various Spirit Laws that assist with harmony, progression and experience, cannot fully operate with harmony upon one's soul condition until that condition of soul, is more sufficiently developed in the responsibility of its natural love.

The spirit body is truly a magnificent creation, a true work of wonder. The optical and other sensory attributes of the spirit body are perfectly suited to interact with the spirit-energy and spirit-material that form each of the distinct and diverse spirit Spheres. The expression: 'light sensitive' really comes to mind to describe the senses of the spirit body. If a spirit in the First Natural Sphere where to visit the Celestial Heaven the optical and sensory condition of that individual would not be developed to the sufficient quality to relate with that Celestial environment. The process of living with the Divine Love develops the soul condition, which in turn, develops the senses of the spirit body so that as one advances in one's condition, the senses of the spirit body are developed to accommodate the changing spirit environments. If you follow the course of this progression, then you will ascertain why it is necessary to receive the Divine Love. Because without it, one will never be able to sufficiently develop their soul condition and thus develop the senses of their spirit body. The spirit body will retain its condition with its soul that exists in its natural love. Without the Divine Love the spirit body cannot progress beyond the natural condition that each soul resides in. The more the soul condition is in harmony with God, the more the senses of the spirit body mature so that the greater vision and reality of God and love emerges and any illusion that one may have had about such existences disappears from the social view of mortal belief.

312. *Word on the Social Spheres*

22 February 2013

The audio-sense of the spirit body is as real and audible to the individual as the optical-sense is, one is never overwhelmed by sound-sensory input in the spirit Spheres. Our capacity to hear and experience sound is as real to us as it was when we could hear the sounds in our human experience. I can listen to external sound and I can listen to my internal sounds of inner thoughts, voice and feelings. We don't have vocal chords as such, but we do have ability to form sound when we communicate. This is another remarkable aspect of how the spirit body works in relationship with our attributes of personality. We have all the senses to receive external sound and our spirit-mind is highly organised in its form to make sense of the sound-vision we communicate with. If one lived with a disability of being deaf or blind in their human life, in the spirit world one's spirit body will see and hear. There is never any *dis-ability* in the form and function of the spirit body in the spirit world. Any physical disability caused by the varied conditions of the physical body, are not carried over to continue this disability in the spirit life. The only disability that one is disabled by, in the mortal spirit world, is the disability caused by poor soul condition. This has been explained to you before. The soul condition of the individual determines

everything about how well the spirit body and personality functions. The choice to improve one's poor soul condition is always a choice present and a choice when asked for help, this service of help and hope is never withheld! The Spirit Law of Assistance, always present and the opportunity to improve one's soul condition is, ever present.

The spirit body doesn't create spirit waste as the human body has evolved to do. The energy required for the spirit body comes from the Sphere environment itself, is an abundant energy in supply, and like the light present, this energy provided for by God for one and all. This energy is infused by the spirit body and is the energy that sustains the individual. A Spirit Law enables the spirit body to receive this energy as the normal life force of energy that fuels activity in the spirit body. People who are now spirits may believe that they are consuming 'things' to do with the appetites derived from the habit of their physical lives, but the reality is these individuals are only repeating the actions from their memories and derive no energy from it. The spirit body in its form is perfectly suited to living in these Spheres and these Spheres have been created and formed to facilitate the attribute of individual personality that forms part of the spirit body to function. Spirits require energy for they are not self-sustaining and we know this because not all spirits are receiving the Divine Love that is the direct energy for the soul.

The most important thing to understand about spirit life is soul condition. Everything in these Spheres is personality-friendly. In these natural Spheres, soul condition is apparent even though the individuals may not be aware of the existence of their souls. In this work, we have referred these natural Spheres as *social Spheres*. Individuals living in these social Spheres are not consciously developing their soul condition by receiving the Divine Love. The activity in these social Spheres remains very consistent with the socialising of relationships, as once lived on Earth, the knowledge of the soul and why it exists remains unknown to these individuals just as it is predominantly on Earth, and that one finds it difficult to provide concrete evidence for the existence of the soul.

Why one person or spirit desires to learn about their soul, when another doesn't? The answer is in the social freedom and independent nature of each individual personality. Without sounding judgemental, Celestial spirits include the humanity on Earth as a social environment. There are individuals who are aware of the Divine Love, and individuals who are aware of the Divine Love and are working on their soul condition. All peoples are involved in their social aspects that form and comprise humanity. If one were to see spirit life in the Natural Spheres, one would see how social human nature is and consistent with the differences of beliefs and experiences that make humanity diverse and wonderful. When a person receives a spirit communication from a natural spirit, there will not be much content or substance to any such message, for the soul condition of the spirit will not be sufficiently developed so the communication will more than likely be of a social visit. All the way to the Sixth Natural Sphere, spirits socialise. In the Sixth Natural Sphere, the intellect is the dominant attribute of the personality. Communication by a spirit in the Sixth Sphere with a person may sound like an advanced 'take' on what people already know. This may sound judgemental on my behalf, but I can only report and state what is true. Without the inclusion of the Divine Love, the spirit body can only function to the condition of the soul in its natural love and the personality cannot exceed the condition of the soul and its spirit body and this is just how it is. I will leave you for a moment as we draw breath.

313. *The silent participator*

Of course, the personality is now situated in the spirit body as the soul is. For everyone who becomes a spirit this is a new experience. Becoming a spirit doesn't necessarily make one suddenly 'spiritual' or advanced in any special or unique way. Until the spirit body has the active energy of soul engaged and activated by the Divine Love, the individual remains in their natural condition and their soul, the silent participator in their mortal spirit living. The senses of this natural soul condition of the spirit body, is the principle nature of love that the personality functions and experiences one's natural social life.

When a person begins their receipt of the Divine Love in their human experience, whilst the soul and its image with the image of the spirit body may still appear as being 'invisible', the receipt of Divine Love does cause changes in the soul which consequently cause an effect in the spirit body. When that person transitions into the spirit world it does make it easier for that person to continue in their progression, for an awareness of the Divine Love, already known. Spirit living happens when the soul is involved. All the teachings contained within the Padgett Messages reveal this Truth.

The introduction of the term: New-Birth is exactly this. The Divine Love engages the soul, the energy of the soul changes, which in turn progresses the systems of the spirit body, which in turn develops the attributes of the personality. The New-Birth involves the spirit body as much as it does the soul for you cannot change the condition of the soul without causing an effect in the spirit body. This experience of change from the purely natural and mortal into the Divine and Immortal, can take place in a physical life just as it takes place here in the spirit world in a spirit's life. The only difference between a human or spirit beginning their change from the receipt of the Divine Love, is that the physical condition of the human body and the social presence of people in a human life may prevent one from fully recognising that change is happening in their spirit body and soul.

A spirit can visibly see how, with the receipt of the Divine Love, there are visible changes to their spirit body even though the visibility of their attribute of soul remains relatively unknown to them.

314. *Distinctive Differences*

23 February 2013

These messages that I have conveyed to you will add wonderful vision on the nature of the spirit body.

I would like to convey a few things to add to the overall vision and experience of this work. In the human experience people form social laws for living, people live within these laws and the drama of social life goes on. Every person is subject to natural laws such as the field of gravity. People live in different Countries and each Country has its respective social laws that have been implemented as the Country has evolved. This has been the way of things for thousands of years. Humanity lives in the diversity of social laws yet humanity all share in one common law, the field of gravity. People create social laws and impose these laws and this is how it has been done throughout the mortal Ages. In the Natural spirit Spheres there is no need for this to happen. The humanity of spirits do not create the social laws for living and every single spirit is subject to the status quo of the Spirit Laws for social living that are existent in each Sphere and relate directly with soul condition irrespective of what the ego may desire or think to the contrary. There is a good reason for this. On the face of the Earth, humanity lives with distance and humanity establishes its own social laws for living. The whole of humanity reside on one surface even though humanity has created a diversity of social laws. In the spirit world the

humanity of spirits reside on different surfaces, as there are numerous Spheres. Humanity is spread among these Spheres all relative to their soul condition and the invisible Spirit Laws work in their unseen way and impose their attraction so that each spirit person resides in the environment that their soul condition is harmonious to.

We have introduced the reality of the First Natural Sphere. If only this Sphere existed as the mortal spirit world, then the humanity of spirit life would converge in this one giant Sphere and everyone would be together irrespective of soul condition – just as you do when living on Earth. Thank goodness this isn't the case. The Spirit Laws establish the ways of social living just like other Spirit Laws establish the way the soul condition is changed from the mortal into the Immortal by the receipt of the Divine Love.

The Spirit Laws here are greater in their working than any social spirit behaviour. The individual in the spirit world cannot forcibly remove or circumvent by their effort these Spirit Laws to cause or by-pass their effect. One need keep in mind that the entire experience and existence of spirit life involves the personality, the spirit body and the soul condition and so, it is with these Spirit Laws that life is acted upon the soul and not solely on the personality or the spirit body. Most individuals living in the Natural Spheres have little idea or awareness as to the nature of these Spirit Laws. One is not of sufficient soul condition for their spirit body senses to identify the existence of these Spirit Laws. Humanity lives like this on Earth and yet it continues to survive just like natural spirits continue to live like this and they continue to survive. Saleeba, the bright and beautiful, lived in the Natural spirit world for four thousand years before the human life of Jesus and the opportunity to receive the Divine Love. During Saleeba's Earth life she lived as a woman of position with little development or interest in her intellectual pursuits. During her long time in the Natural Spheres her attributes progressed slowly and eventuated in the realisation of the perfection of her intellectual development and in this, Saleeba had perfected her natural love only to advance her soul condition once she became aware that she could, by receiving the Divine Love. And now she is in the Celestial Heaven with all her attributes engaged and activated, with the inclusion of the Divine Love and soul condition and spirit body reflecting this wonderful image. She is working along side you in this work and account of her story and experience previously conveyed in the spirit writings of James Padgett.

If one in their experience of this work has ascertained that there is in existence two distinct Loves: the natural love and the Divine Love, then one will ascertain that this forms the structure of the mortal spirit world. The source of the Divine Love is from the Soul, God. In the mortal spirit world there are those who live with God and there are those who don't. There are those who live in their social life in the Natural spirit world and there are those who are participating in their relationship with the universal Soul, God. This is a complete image of the whole of the mortal spirit world in its two halves: the mortal and the Immortal Spheres.

There are many distinctions between the Natural and the Divine Love. Learning about mortal and Immortal life involves sorting through these distinctive differences that depict life lived on Earth and life lived in the spirit world. Every single spirit body is unique just as every single soul is unique and every single personality is unique. There are never twin spirit bodies or identical spirit bodies. Each personality has its unique characteristics that identify that soulful person to be, individually independent.

There are no creatures or animals existing in the mortal Spheres. History and biological species that evolve from the Earth remain of the Earth. There are no dinosaurs or sabre-tooth tigers or mosquitoes living in the mortal Spheres. There are historical references but the actual existence of these species, do not reside in some astral form or another. This be said the same for pets and goldfish. One may find this hard to reason why, when people can love creatures and environments but as one progresses in Divine Love, one will realise that it is the content of soul and spirit body consistent with each mortal personality that provides a human or spirit to personalise their individuality with the living and loving Soul, God. There is an energy field that surrounds everything because everything has some component of energy. Until one is aware of what the human and mortal soul is, and how the spirit body is formed and how it functions with personality, people will always place themselves equal with creatures and love them or kill them, nurture or injure them, construct or destroy natural environments and always present from God's perspective is the Law of Compensation.

With much love and blessings to you both, and I have thoroughly enjoyed contributing these works of Love and Spirit and the nature of the spirit body.

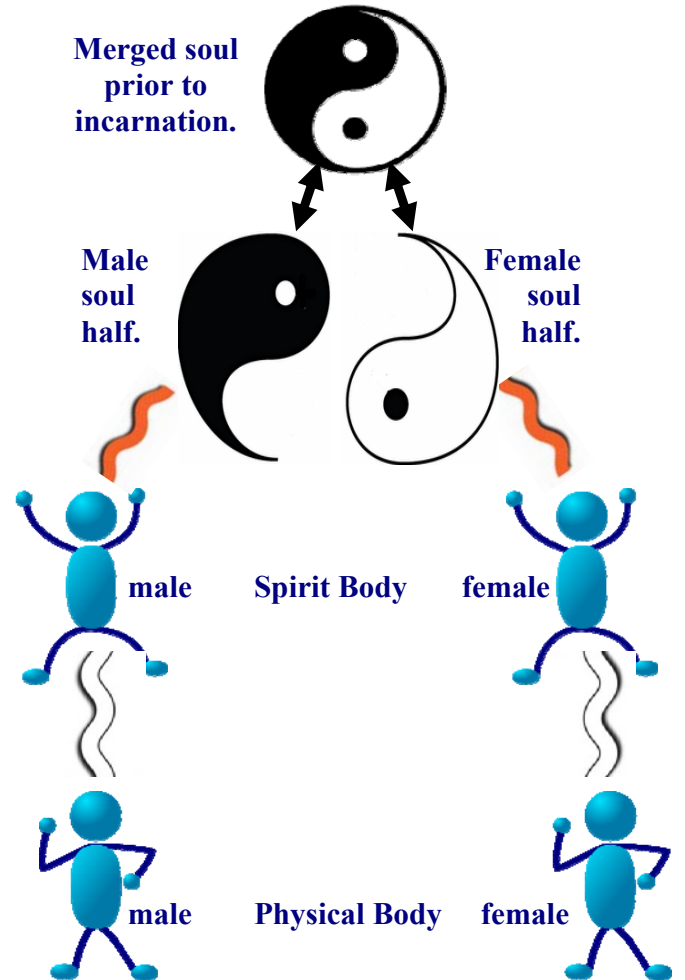

Your Celestial friend,
Eugene

We are created by God in the 6th sphere state, without asking for and receiving God’s Love, the best we can do is return to the 6th sphere state.

Divine Love Flow:

Prayer to God with a feeling and longing for God’s Divine Love to enter you.
Have a longing for truth from God.

Personality

SOUL PERSONALITY

Each soul, ever created, is unique. Just as each snowflake is unique. Every soul is unique from every other soul ever created. By referring to your soul, we are referring to your complete soul prior to its division into its two halves. Each soul expresses two absolutely unique personalities. Your soul then incarnates into two separate spiritual and physical bodies, one half into a male body and the other half into a female body, thus the personality is further distinguished by its male or female aspects. Your soul half, has a personality separate and distinct from every other soul. Your personality is bestowed complete by our Father and Mother. The soul expresses its two personalities into Creation. Your personality traverses your physical body, your spirit body, and your soul. At the time of death of the physical body, your personality continues on existing in your spirit body and soul.

No matter where our two soul halves incarnate, they will be drawn back together again as they grow in love.

The individuality of each soul half is never lost as they grow in love and return together.

The real you is your soul, which continues to be connected by cords of light with your spirit body.

MAP OF CONSCIOUSNESS

Map of Consciousness represents the emotional and spiritual fields within the kingdom of man which is Spheres 1 – 6.

Consciousness is soul condition, as one's soul condition improves, it expands in size as it grows in love.

The scale is exponential, grows at a factor of 10.

Core Emotions
 Anger covers over Fear which covers over Grief, these three emotions are the predominant capping emotions.

Soul expands as it grows in love and condition.

LETTING GO with The LOVE:

Find a comfortable position to relax and be still and free from interruption. This may be for a few minutes or as long as you may please.

Long for and ask our Heavenly Parents for Their Love, the ultimate high octane super fuel being the light golden blue energy substance of Divine Love. Each little drop of the Divine Love received whilst doing one's Feeling Healing prompts one a little further. Ask for assistance and the Love to enable held errors of thought and belief to be released. One's personal intent and involvement in letting go of past incurred difficult emotions is most beneficial.

Step 1: Focus on an issue that you would like to feel better about, and then allow yourself to feel whatever you are feeling in this moment. Identify the negative feeling. Focus quietly on the feeling. Breathe into the sensations and allow them to be.

Step 2: Ask yourself one of the following three questions:

- Could I let this feeling go?
- Could I allow this feeling to be here?
- Could I welcome this feeling?

The mechanism of letting go is concerned with the emotional “what” from moment to moment, without involving the intellect. What is the benefit of this emotional feeling? What is the point of holding this hurtful belief at all? One may start laughing at the absurdity of long held errors or injuries upon reflection. **Breathe into the sensations and allow them to be.** Your willingness to accept the sensations may intensify them. This is okay.

Step 3: No matter which question you started with, ask yourself this simple question: Would I? In other words: Am I willing to let go?

Step 4: Ask yourself this simpler question: When? This is an invitation to just let it go NOW.

Step 5: Repeat the preceding four steps as often as needed until you feel free of that particular feeling.

The only way we can truly let go of them is by SPEAKING THEM OUT OF US, getting right into them with the feeling, and emoting and expressing it - whilst longing to see the truth of it...

Our willingness to let go thinking and accept what's happening is our ticket to inner freedom. Each time you sense a disruption inside, turn down the volume on the thoughts, breathe into the sensations and allow them to be. This is what we need do to let go. Simple. The challenge comes in being vigilant with letting go all negativity – no exceptions.

This process is ever so freeing and uplifting, though sometimes difficult.

FEELING HEALING versus other EMOTIONAL PROCESSING METHODS:

Thursday, 13 July 2017

Hi James and Nanna Beth (questions from John)

The question to address is:

What is different with the outlines of the Feeling Healing process as against the numerous other emotional processing methods?

Nanna Beth, 3rd Celestial Heaven: The difference is the focus on the truth: uncovering the truth of yourself through your feelings – uncovering the truth of your feelings. It's a rebellion against the Truth, so if one doesn't want the truth, nothing will happen, one will only move deeper into one's rebellion against it.

And because the focus is on the Truth, so one can use it all the way to uncover the Whole Truth of Oneself. And there is nothing else teaching that.

All the other systems that involve looking to feelings to some degree fail to understand the deeper significance of wanting the Truth. Many people uncover some truth of themselves through their feelings, but mostly they end the process because they don't want to follow it right the way through, which means they only want to heal some momentary pain, and once that is done, are usually happy to continue on in their untrue state.

And because one is wanting to uncover the whole truth of oneself, then it becomes a full spiritual experience, and one that can be done by oneself, so without needing help from another, although at times help is sought and used. So the Feeling Healing embraces Healing the whole seven mansion worlds worth of self- and feeling-denial, which is the complete Rebellion and Default. Other systems might only work at some aspect of it, limiting the ascent of truth through all the mansion worlds.

And basically no one understands the absolute depth of the problem within themselves, which is only borne out by people and spirits doing their whole Healing. Much of the current psychological understanding falls well short of understanding the depths that are involved because they don't include the overall problems brought about by the Rebellion and Default. You have to understand you are rebelling against yourself: the truth of yourself, and so against your own soul; which is then the truth of God, so the Mother and Father; and that also includes the truth of Mary and Jesus. So at some point you have to rectify all those relationships, which you can't do unless you understand the bigger spiritual picture. And so that's what James has revealed, taking all Marion has said, all the books offer, adding his own stuff, and putting it all together as a way of life, a spirituality that can be lived, and one the initially focuses on Healing oneself of all one's wrongness.

Why have all other methods of releasing and delving into emotions not been successful?

Nanna Beth: Because they don't understand the scope of the problem, as I said above. They are not approaching it from the point of view of understanding the nature of one's Repressed Childhood state, the extent of that; and then how one needs to allow oneself to feel all the bad feelings, not reject them; and then bring them out, which is the releasing of them; all whilst wanting to know the truth of them –

the truth of what you are feeling. And that truth is what needs to come up within you so you can heal your will and become a truly functioning person, fully self-expressive, self-loving, and growing continually in truth.

All the other systems work within the control of the mind, so once the therapy ends, the mind regains control albeit in a different way. Only the Feeling Healing and Soul Healing with the Divine Love, seeks to entirely break the control of the mind over one's feelings.

Why haven't other methods been going deep enough?

Because people are basically afraid to push into such early childhood trauma without understanding where they are going or what it's all about. The leap of faith is too great, as it would mean they would have to rise above and conquer the Rebellion and Default within themselves, and that's simply too much to ask. The negative truth-denying systems within everyone are too deeply entrenched.

However the spiritual structure outlined by James provides a structure that allows you to deal with the Rebellion and Default, allowing you to maintain your faith, and evolve it, as you progress in your growth of truth – it gives one a picture to work with. Very few people, and possibly only Marion in fact, are able to press on into such dark depths without any structure and with only a faith that it's what she and God want to do.

I (Beth) couldn't have done it Marion's way John, I wouldn't have allowed myself to feel such pain, I needed to understand the bigger-picture reasons as to why I was in such pain, and be given the understanding that if I kept at it, one day it would end. Marion doesn't know it will end, she just keeps going one bad feeling at a time, which requires a tremendous amount of faith and over so many years and through so many inner obstacles; and still she doesn't know if it will end, but as she says, there is nothing else she can do other than keep going because she tried everything else. And she doesn't want to let her mind come in, only wanting to stay true to her feelings, so she doesn't want to know about the bigger picture even though she has worked it out along the way for herself and for James to understand which he's worked into his books.

So the spiritual aspect or approach James has provided, even if it's not actually talked about; the simplicity of honouring your feelings, and in particular your bad ones, then by accepting them you allow them to have their say, so you express them, all whilst longing for the truth, includes all one needs to know. And so by doing that, one will be able to fully Heal themselves working it out along the way for themselves; and even if they don't understand it, will be living the highest truest spiritual life one can live in one's wrongness, which in time will lead to one's Healing of one's rebellion and default.

On the surface of it, what James has related seems overly simple, but doing it yourself, and see what happens and what results; and that will take one deep into oneself uncovering the whole truth of oneself.

Many will consider that what they have been doing is adequate – why are they wrong in their understandings?

Nanna Beth: Because they don't understand what it's really all about. They don't understand the mind is in control of their true feelings, and that needs to be stopped. They don't understand the significance

of their rebellion against the Truth, and how that happened by default. They don't understand that it's about uncovering the whole truth of yourself through your feelings, all your feelings, but focusing to begin with on your bad ones because they are what most people don't want to see. Everyone else sees it that they are doing this feeling type healing to make themselves better, to rid themselves of their pain and trauma, so instead of taking a pill to take the pain away, they are using some sort of emotional clearing system. But that is all still to take the pain away, to fix themselves, to heal themselves, to effectively take a pill so it all goes away, just like what the 'Divine Love people' hope the Divine Love will do for them, but it's not to uncover the whole truth of themselves. We have to see the truth of our pain, why we're in it, how it all came about, so what really went on in all our early relationships. It's not about doing anything that just takes all our suffering away. We have suffered for valid reasons, which all have to come to light. And so only emotional and feeling accepting systems to help one see such truth of one's pain and suffering are of any worth. And unless you uncover the whole truth of yourself, you'll never set yourself free of your rebellion and default, of all your soul pain. And the truth means to see the whole truth of why you feel unloved, how unloving your early relationships were, why you don't love yourself, why you are unloving, why you are evil and wrong, which basically no one wants to face.

So to summarise: We all have to see the truth of our unlovingness. We can't avoid it – deny it. We have to face it and feel all it makes us feel. And all those bad feelings lead us into the truth of it. So we have to understand – bring to light through our feelings – all the truth of our unloved, negative, evil, wrong state. And then once we've done that, we can be free of it. So until you uncover and feel the whole truth of it, it will never leave you, you'll remain in rebellion against yourself, you'll continue to be unloving.

I have considered with James, that Marion and he actually represent the two extremes of what is involved in soul-healing. I have found one such writing by James, back in 2006, that points to this. My feeling is that their two extreme ends of the experience matrix makes them perfect for bringing together the understandings that will benefit all people, no matter what their circumstances maybe.

Nanna Beth: If we accept that Marion and James are the Avonal Pair here to reveal the essential truths to humanity about how people can Heal themselves of their rebellion against the truth of themselves, then what you deduce is correct, for they have between them had to take on every negative aspect of the Rebellion and Default and so Heal it, which is healing all the circuits on a technical level, thereby opening the way for humanity to follow.

So if you consider this John, it is pretty amazing that two people can take on all the denial humanity is in, approaching it from opposite ends, which equates to the effects of the Default of Eve and Adam (following on from the Rebellion), and that such wrongness can be concentrated into two family units, and mostly in two parent pairs (being Marion's parents and James' parents). And so what is the likelihood of that? And then for them to live in the same city being the first children of such 'bloodlines of denial', and meet each other, and at a time needed to give themselves all the time to systematically work their way laboriously up through all the negative mind and will circuits. So to be subjected to so much woe, and to be able to keep going with no help from anyone other than each other, and a little backup from the spirits and the Mother and Father on James' side, yet with that involvement opening up even more messed up and corrupted mind circuits he's had to work his way through.

So if it is true they are the Avonal Pair, it shows us all just how incredible the soul of the Avonals are, to be able to go into such corruption, taking it all on, and then working it all through and Healing themselves of it, all basically without any real help from anyone, so just on faith and pure longing for the truth.

And should they reach the end of their Healing before they die, and should the truth then be fully declared that they are the Avonal Pair, even going against all what The Urantia Book (TUB) says, they having to uncover the truth in all things whilst rejecting the untruth such as in TUB and Padgett Messages (PM), with nothing having been straightforward and of any real help, then it will be cause for major celebration.

And it's what we are preparing for, what you are too John, to see if Marion and James are indeed the Pair, and then to give them all the support they will need to do whatever it is they are to do in the public sense. This is all their private work so far, of which you and I have become substantial parts of, the doing of their Healing preparing themselves for when they are Healed.

And if it turns out they are not an Avonal Pair, they are only just a pair of ordinary mortals who've somehow managed to keep going, dealing with all their pain, longing for and bringing to light all the truth of it, then they will be the most extraordinary mortal pair because they will have been the one's who broke the back of the Rebellion and Default. So either way you look at it, it will be quite an achievement.

And so we are all waiting to see if the theory is realised by such Avonal-truth awakening in their soul at some point, for then we will all know it will be true, just as they too will know. For now Marion doesn't contend with any of it, and James only on a mental level because of what the Melchizedeks told him years ago, but it all has to come to them through their feelings like all truth, which will only happen once they've fully Healed themselves or toward the end of their Healing. Because in the meantime, whilst they are still in their wrongness and denial of truth, part of that denial is denying the truth that they are Avonals. And again the whole Avonal business has been yet more problems and negative circuits James has had to personally work through, whereas Marion has solely focused on only dealing with her feelings, not having to contend with all the other mind stuff.

James, when you feel up to it, may I have your observations please? And Nanna Beth, your angelic eye on this subject would be most helpful, if you please?

These two subjects are possibly leading to the crux of what we are sharing through the Pascas Papers. I now see that these 'colourful' handouts are essential in introducing and supporting the major publications of James Moncrief and James Padgett.

Nanna Beth: The handouts will help introduce people to such writings. But what I want you to understand John, is really it's James – because of his writings (and Marion, because she is leading them both in it all) that is what's most important. The Padgett Messages (PM) are really to be included in James' work, which he does, by taking the crucial parts and integrating them into his work – with the most important truth being that about longing for the Divine Love. So really the PM are secondary.

As you understand, the Padgett Messages can't heal you. The Divine Love is about immortality of the soul and becoming divine, it's not about ending your rebellion against the Truth. And ending the rebellion needs to come first: the Truth then the Love, then the Divine Love can be introduced, even though of course the Divine Love can be introduced at any time.

So really one need only work with James' (and Marion's) work, which includes longing for the Divine Love. People are to look to them first, and then later to Mary and Jesus. To put Mary and Jesus ahead of Marion and James can cause you problems because you will overlook what Marion and James are revealing. But as Mary and Jesus are known and with such importance placed on Jesus, and now with the PM and the Divine Love, so it's all the more confusing. Even added to by James having written focusing on and making Mary and Jesus more important than himself and Marion.

But as I said, it's Marion and James first, then Mary and Jesus and the Divine Love. And Marion and James are more than capable of also introducing the Divine Love and the truth of Mary and Jesus, which they would have done had Mary and Jesus not come to Earth. So really Mary and Jesus are not needed, and as I said, can get in the way, causing people to focus too heavily on them whilst missing the more essential truths of having to do your Healing by looking for the truth of your feelings (the 'Divine Love people' being examples of this). However with Mary, and Jesus in the PM, being so dominant, it is all just more of the confusion and part of the rebellion. And at the same time I don't want to downplay Mary and Jesus and lead people to believe they are not as important as Marion and James, for they are most important, and much more important being the Creator Pair of Nebadon, and Marion and James would rather not exist than have people think they were more important than Mary and Jesus; but as you understand, I'm just trying to put the revelation of truth into context, because it's all being revealed round the wrong way.

People and spirits were given the opportunity to deny Mary and Jesus whilst they were on Earth, taking the Rebellion deeper; and then to further deny them right the way through their age; and now further still by including the PM. And now people will be given the added opportunity of denying Marion and James, which all ends up being one huge mess. And one in which only Marion and James can unravel. For I am only saying to you now what James has already written and what Marion and he have talked about. I wouldn't dream of taking anything away from them, and it's not my place to do so.

Firstly, consider discovering the truth of your emotional pain and injuries.

Secondly, consider longing for our Heavenly Parents' Love as you progress with your healing.

Primary and most important readings are the writings of James Moncrief.

Then consider the Padgett Messages, and then The Urantia Book.

FEELING HEALING + SOUL HEALING

To heal one's self is to simply look to see what feelings we are refusing to let ourself feel, and accept them instead of denying them. And to fully accept them, one needs to express them, speak about them, let them have their say, rather than pushing them aside, refusing to let them make you feel bad.

Doing this all with the intention of seeking the truth of why you are feeling them, of speaking about and expressing all such feelings; all feelings you have, but ALL WITH the INTENTION of UNCOVERING the TRUTH THEY WANT YOU TO SEE ABOUT YOURSELF. And it's the wanting to see the truth of them that is very important, because if you just look to accept them and speak and express them, but not seek their truth, then that's all you'll be doing, speaking and expressing them, but not healing their causes, so not fixing the things within you that are making you feel bad. And it's the truth part of it, seeking the truth of your feelings, and so, seeking the truth through your feelings, that's vitally important. It's the truth of yourself, life, nature and God, that is the spiritual aspect to it all.

You CAN'T find the truth of yourself, or anything else, through and with only your mind. You HAVE to engage and look to your feelings. And so if you choose to allow your feelings to 'Show You the Way', then the truth will come as you express them. So to do our Soul-Healing consists of these steps, all of which are ongoing until it's done:

- **Admit you are feeling bad.**
- **Accept your bad feelings, identify what they are.**
- **Honour fully your bad feelings by expressing them, speaking about them to someone who is willing to hear you talk about them, or tell them out loud to our Heavenly Parents. Long for the truth of them. Long for the truth of why you feel bad – what deep within you is causing your bad feelings?**
- **And remember, bad feelings are Good! Not bad. They are not to be despised. And as hard as it is to accept them, they are still you, and a very real part of you. And if you persist in denying them and not allowing yourself to fully live them, then you are only going to keep yourself in your errors making things harder for yourself.**
- **All sickness and suffering, all bad things that happen to you, all your problems, all your addictions – your whole feeling-denying and untrue life, is all caused by your denial of bad feelings.**
- **Every problem in the world is brought about because everyone has been brought up to deny feelings, and in particular, most of their bad ones.**

If one is intent on spiritually evolving and growing in truth, then it's vital, and this is the key, that one looks to use one's feelings as the means to gain and have access to the truth of oneself. You CAN'T find the truth of yourself or anything else through and with only your mind. You HAVE to engage and look to your feelings. And so if you choose to allow your feelings to 'Show You the Way', then the truth will come as you express them.

Doing your Soul-Healing with the Divine Love, is really doing your 'Feeling-Healing'. We are designed — created — to be self-revealing of truth, and so we are all to uncover the truth within ourselves and for ourselves, and all being done by living true to our feelings. **If you accept, express and seek the truth of your feelings, then truth will come to you, and you'll grow spiritually. It's as easy as that. Also it is as easy as it is to long for, ask for and receive Divine Love.**

Our FEELINGS are our SUPREME GUIDES:

Feelings!

Feelings are what guide us through our ascension of truth. So they are really our Supreme Guides. Many people look for a person, spirit, angel, even God, for supreme guidance, however it's all right there already built in – in our feelings. We just have to submit to them, allowing them to take us where they will, expressing all the parts we want to express, letting the emotion drive that expression if it's there to be expressed, or just talking about all we feel and how feeling that feeling is making us feel – or, how we feel about having that feeling, all whilst longing for the truth of our feelings. Longing for the truth of our feelings is really: Longing for the truth of our self, because: we are our feelings. So life stirs up our feelings, we feel being alive; or, being alive means we are feeling, always feeling; and when we work out what and why we are feeling what we are, so then we know the truth of how we are. And over time the truth accumulates, and our mind expands our understanding of ourselves, all being driven from our feelings. Kevin 26 Sep 2017

Using our feelings to uncover the whole truth of our negative or anti truth and anti love state.

Kevin: So whilst we're of an untrue state, then all we have got to help us understand why we feel bad, why we are wrong, why we are negative and anti love and truth, is our feelings. So if we focus on our bad feelings, they will lead us to the truth of why we're feeling bad. Which will be the truth of what happened to us to make us be this wrong way, and how we took on the wrong way and keep it going making us feel bad.

FEELING HEALING

Note: The vital difference between emotion and feeling is that emotions have their roots in the past, and feelings relate to the present moment. Emotions represent our feelings which were not previously expressed, and these accumulate with time.

Note: Our feelings are soul-based. Our soul is always in truth. It is our soul based feelings, that when allowed to be freely recognised, we will begin to express and be who we are. This takes time and perseverance as we have encrusted our souls with layers upon layers of errors and false beliefs, it is these layers that will confuse the truth that our soul is conveying to us. Only by our progression with our Feeling Healing will our soul's expression of truth become clear and free of all cloudiness and contamination.

“What our soul needs in accordance with our own, individual, **Soul-Light-Plan-Of-Destiny** (your life's true destiny plan), They, being our Mother and Father, will give you as required. The only way we can know truly what we need is to honour and follow our true feelings. They, springing from our soul, literally telling us what we need, and so when we genuinely feel we need something, we apply our will to get it. The hard part is knowing if our feelings are true, and until we have done our whole soul-healing, they won't be clear and total true.” James – Introduction Course to Divine Love Spirituality

The New Way, Feelings First Spirituality
 Learn to live with God through your Feelings

Accept, express and long for the truth of your feelings

Be free in your feelings
 Free your feelings from your mind's control
 Live true to your feelings; your feelings are your true self
 Live true to yourself through your feelings

Live true to yourself by living true to your feelings.
 Long for the truth of your feelings.

Accept / Express / Bring out ALL of your good, and most importantly,
 BAD feelings.
 Want to understand why you're feeling them.
 Use your surface feelings to take you deeper into your repressed and
 hidden feelings.

The Feeling Way is the True Way.
 Your feelings are your spiritual guide.
 Your feelings will take you to God.

Your feelings will show you the truth of your relationships, including your relationship with God; and if anything is wrong, untrue and unloving, then why it is.

Our feelings are sacrosanct and we should respect them accordingly. And we should NEVER block them out, ignore, override, banish, deny or reject them, because if we do, we're only doing that to ourselves, as Our Feelings Are Our Self.

Our feelings are the gateway to our soul. Our feelings are the closest we can get to our soul. Knowing the truth of our feelings is knowing the truth of our soul, and knowing the truth of God.

Feelings First Spirituality is the True path for humanity.
 It embraces all people.

It completely unifies the world.

Everyone can relate to everyone else through their feelings.

And we can all live the truth that comes from our feelings, all sharing the same truths as we express and have the same feelings.

No one need be left out; no one is more special than anyone else – we are all united in Truth through our feelings.

So with and through our truth we live our lives, therefore without the need of any man-made mind-laws, rules and restrictions that limit self-expression as inspired by our feelings.

The New Way, Feelings First Spirituality is what is to replace all man-made, mind-contrived religions that so many people have enslaved themselves to. The New Way, Feelings First Spirituality will set us free of all that control, ending the Rebellion and Default within ourselves as we do our Feeling-Healing, and ending such control and spiritual stagnation in the world.

Bring on the End Times – get it over and done with! Let's all see that Jesus is not going to come again, that Prophecy has failed all the mind-controlled platforms. Allow such false systems of belief to die their long-awaited natural death, they've overstayed their welcome, it's now time they fade away. So let us show such antiquated, erroneous systems of belief the exit and bring on the fresh liberation of discovering the truth of how we are to live for ourselves, each of us personally in our lives, and all by looking to our own feelings for it. Self-revelation through our feelings is the way to go.

The Way of the Mind is ending, and is really the End Times – the End of our mind control, and **it's about time!** With the Way of our Feelings replacing it.

The End Times means the end and therefore a New Beginning. And that new beginning is a whole new Spiritual Age – an age based on self-revelation of truth through one's feelings, coupled with and supported by higher revelations from the Celestial spirits, angels and nature spirits.

The Feelings First Spirituality is the True Way to God because it helps you get to know God, helping you to reach out, connect and be personal with God, and do God's Will, all through your feelings. It is the only true way of getting to know the God of Feelings – our beloved Heavenly Mother and Father, the Great Soul of Divine Love.

Love comes through our feelings and not our mind, as we've all been wrongly led to believe.

Feelings First; then comes The Truth; then comes Love.

REVELATIONS

Revelation 1: Our soul becomes encrusted with harmful ways of life, plus negative and erroneous beliefs, these mainly stem from our childhood upbringing and environment. Thus we live untrue to ourselves, we become 'evil'. Whilst we hold to these injuries we limit the amount of Love that we can receive into our soul. To open our soul to the Love we must firstly and progressively embrace our emotional injuries and allow them to be released. Until we emotionally experience past errors and injuries we hold onto them.

To free our soul of damage and toxic emotions we must open ourselves to experiencing them. This is a progressive, slow and uncomfortable cleansing process that we must all experience. Only by addressing the generational injuries will we, as humanity, evolve in love.

To fully divest one's self of our badness, we have to 'go into' our feelings. Call this process of clearing toxic emotions as 'Letting Go', 'Emotional Processing', 'Journey Process' or 'Feeling Healing'. Embracing Divine Love then Feeling Healing becomes Soul Healing.

As part of our Feeling-Healing we will have to work our way into all our feelings to see if indeed they are coming truly from our heart and soul, or if they are being heavily influenced by our mind. And this will then lead us into questioning and uncovering the truth, if there is any, to our beliefs and why we behave the way we do; and is such behaviour based on truth, or is it based once again on untruth, belief, and rules of our mind.

Revelation 2: We can long for, ask for and receive the Mother and Father's Divine Love. The greater our soul is free of error and injury, the more of the Divine Love can be received and assimilated into our natural love formed soul. The Love does not free us of injury, however, it strengthens our resolve to continue on our journey to be free of error and injury, to step away from evil aspects that have been encapsulated within our humanness and soul. It is this Love, the Divine Love, that brings about immortality of our soul and it is this Love that will eventually fit us to enter the Celestial Heavens and progress for ever more onwards to Paradise. These two revelations free us from error and enable us to grow in love ever more.

Immortality with the Love.

The CHOICE is OURS to MAKE:

Celestial Truth:

Truly all-loving;
 Living true to oneself;
 Mind supporting Feelings;
 Living with the Divine Love;

Fully Healed of the Rebellion and Default.

THE FEELING WAY

Feeling – Ascendance
 Unlimited progression

- Living true to your untruth;
- Honouring all your bad feelings;
- Expressing feelings to uncover their truth;
- Healing the Rebellion and Default within yourself;
- Feeling unloved; being unloving;
- Feeling as bad as you can feel;
- Feeling like you are no one special;
- Longing for the Divine Love.

THE MIND WAY

Mind – Transcendence
 Limited progression

- Enlightenment, Nirvana, feeling all-loving;
- All false, mind-contrived. Anti-truth, anti-love;
- Still evolving the Rebellion and Default within yourself;
- Feeling and believing you are the Superior One;
- Living with your mind in control of your feelings;
- Living rejecting all your bad feelings;
- Living with your mind contriving you feel loved;
- Rejecting the Divine Love.

All religions, New Age, agnostic,
 atheists, no spiritual interest,
 Living the Rebellion and Default.

Hell:
 Exploiting the Rebellion and Default.

The Feelings are the doer; the Mind the teller. So we are to go with our feelings, which we can't be told to do with our mind. So the longing for the Divine Love, doing our Healing by expressing our feelings and longing for their truth, are all feelings and doing it with longing. Whereas the mind just wants to tell us what to do and how to be, no feelings in it, all how our parents have treated us.

WE ENDURE FOUR LAYERS of PERSONALITY SUPPRESSION!

Unknowingly, our parents pass onto their children (us) their beliefs and way of living that has evolved since the Rebellion, some 200,000 years ago, and then the Default, some 38,000 years ago. In this way, humanity is suppressing the female, rejecting our Spiritual Parents, namely Jesus and Mary, and denying our Heavenly Parents being our true Mother and Father, of Their truth, standing and existence.

The Rebellion is against love, the Default is all the difficulties we have in our relationships because of our rebellion. Healing the Default is becoming true, to ourselves and in our relationships, and ending our unlovingness – our rejection of love, so ending the Rebellion. Nanna Beth 29 June 2017

We are souls, our personality is an expression of our soul. It is our free expression of our soul through our feelings that we are to embrace and follow. This expression may appear to be wilful in nature, from time to time, and consequently our parents' attempt to suppress this expression. They proceed to remodel us when as young children, in the manner their parents treated them and so on for many generations going back.

During our forming years, as a child, we are unable to recognise the suppression of our personality as being extra-ordinarily harmful to our soul based personality and, accordingly, we don't know that things can be any other way. Presently, neither do our parents.

This childhood suppression way of living continues throughout our schooling years, thus we learn this is a way of life that is normal.

Our religions all have been formed based on the tenets of the Rebellion and Default. The teachers and leaders throughout all denominations take us further away from our suppressed feelings that have been hammered into us during our forming years, thus entrenching us further into rejecting our true selves.

The controlling and suppression mechanisms of our parents, educators and spiritual teachers all manifest throughout all of commerce. This control comes heavily and brutally down upon all levels of employment. The capability to express one's soul based attributes and gifts is sealed throughout all of one's working life.

A new way of living is to enable the liberation of one's true personality through the Feeling Healing process AND the transfer of authority to the individual via embracing freedom of expression.

DEVOLUTION

Our childhood suppression of our true and loving soul based feelings is creating global pain and personal isolation amongst all of humanity. We are very sick!

In our struggle to find solace and purpose, we further withdraw into ourselves, becoming ever more self dependent, believing our control addicted mind that it can solve everything. We just drown further.

We embrace an ever expanding and diverse range of pathways to escape from our personal pain, fear and desperation. Alcohol has now been complimented with narcotics, hallucinogens, including caffeine (coffee). Gambling has been complemented with computer games which are generally entraining the mind further into error and pain. Technology is making us sicker!

We bury ourselves in front of the television to further avoid contact with anyone, especially family.

Children endeavour to exert their independent authority from domineering controlling parents (which we all are eventually) by disfiguring their bodies with tattoos and piercings, etc.

We shut out the noise with headphones, thus preventing contact with others. We use electronic devices to 'text' others even at intimate engagements.

Technology will take us further into the depths of our madness. You now can buy headsets that prevent any contact with the outside world while playing mind suppressing and entraining entertainment – games!

No one loves their children, they are ignored, and the controls hammered into them turn them into clones of ourselves. Look at ourselves and we can all see that we have been all messed up by our own parents, as they have for generations over the past 200,000 years.

No more of this! We can escape this man made hell!

EVOLUTION

STEP 1: Longing for and receiving Divine Love:

A. Soul within spirit body prior to receiving Divine Love.

B. Divine Love being received from the Holy Spirit, covering the spirit body of requesting personality.

C. Divine Love having been assimilated within one's soul, now being reflected through the radiance of the spirit body.

STEP 2: **FEELING HEALING + SOUL HEALING**

It is the Divine Love that strengthens one's resolve to persevere with embracing one's suppressed emotional injuries, that occurred from conception through to around the age of six, and longing to know the good and the bad of those feelings, together with talking about them to a friend, partner, one's self and our Heavenly Parents. It is only with the receipt of the Mother and Father's Divine Love and the expressing of suppressed emotional injuries that one can release the emotional injuries and errors to achieve Celestial soul condition and enter the Celestial Heavens.

Further, should one complete their Feeling Healing on Earth, then they will be able to recognise their soul partner, their other soul half, and should their soulmate have also embraced Feeling Healing with Divine Love, then their children will be born free from error, free from fear, and free from any deformity and illness. This is the destiny of humanity.

Further, being in this condition of free from error and being in constant communication with our Heavenly Parents, then one can also recognise and form their Soul Group. This will ultimately consist of twelve soulmate pairs, a total of twenty four personalities / individuals.

It is the bringing up of children by the support of soul groups that is to be the ultimate way forward. The group experience and wisdom, as a functioning family, will ultimately be of profound benefit for the blossoming child.

But what we cannot do is contrive the groups ourselves, or even pick who our soulmate is. This will only, and can only happen, as an outworking of the truth we are to live – as we progress in the healing of our soul.

And this is how all of life should be lived: according to the truth we are living. It is how we live, as there is no other way, but currently we live it in the negative, of that being directed by no truth, and so having to make it all up ourselves.

**PUSH ME,
PULL ME**

The NEW WAY of LIFE:

Now for the first time in history, Celestials can be more assertive in making known the availability of Divine Love, and that the only way to progress towards our Heavenly Parents is by engaging in doing one's Feeling Healing.

The Celestials have all but stopped the mind spirits from negatively influencing people on earth, and the biggest area this is in, is in the religions. So the religions on earth and all the spiritual systems of the mind, are under pressure in that they are no longer enjoying the input from the mind worlds that they have had. And how this translates into ordinary everyday life, is more in the unseen connection between those in religions on earth and those of the same religion in spirit, is fading away.

Then at the same time, we, the Celestials, are being allowed to move more freely amongst everyone, both in the mind worlds and with you on earth. Which means, we can confront and have more of a say in peoples and spirits lives, something that was forbidden the Celestials of the 'old guard'. They were not allowed to interfere at all, having to wait patiently for spirits (as there was rarely anyone on earth) to show interest in an alternative way to God, which enabled the Celestials to slowly introduce the notion of the Divine Love and then that of doing one's Healing. But it took a long time for mind spirits to show any real interest and being willing enough to give up the power their mind had over them, wanting to seek a higher life.

Celestials can now, following the progress achieved by Marion and James Moncrief, approach and be more freely expressive to spirits on all levels, and also to people on earth, should they want their help.

Further, those who reject and suppress their children will progressively grow in awareness of their own unloving natures. One will not be able to continue to avoid their feelings of wrongness.

Golden Rule: that one must always honour another's will as one honours one's own.

Thus the three aspects: one, of having more readily available guidance to become aware of the availability of Divine Love; two, the way to become fully expressive of one's soul based personality through the process of Feeling Healing; and thirdly, the quickening of the Law of Compensation through one's greater sensitivity to one's emotional errors and injuries. By having greater personal connection with a Celestial, we are able to move into longing for the Divine Love, and look to healing ourselves and grow in truth, and start to seriously consider embracing one's ascent to Paradise.

Steps UP!

Quantum Jump 1

REVELATION 1
James Padgett 1914 – 1923

James Padgett bravely introduced the availability of the Mother and Father's Divine Love and a great deal of additional guidance and information, all of which has been supplemented by Samuels, Judas, Reid and Arnold. All writers were under restrictions of personality and circumstances. Revelation 1 opened the door for humanity.

Quantum Jump 2

REVELATION 2
Marion and James Moncrief 2002
– ongoing

Marion and James Moncrief have recognised the need for one to engage in Feeling Healing and, by their actions, removed restrictions that James Padgett and others above endured, thus JM is able to critique the writings of the past 100 years resolving points of confusion as well as expand on what has been written. Revelation 2 is humanity's turning point.

Due to the extra-ordinary nature of Revelations 1 and 2, humanity with the first Revelation would have continued on into its negative pathway of living, however, combining the first Revelation with Revelation two, now humanity can embrace this turning point and commence its evolutionary growth that has required two thousand years to put in place. This is the greatest event in the history of humanity and very few are aware of such, until we enable others to become aware.

158. *On the Immutable Spirit Law that Sustains the Spirit Body*

7 December 2012

There is much confusion about the interaction of spirits with humans. This is quite understandable because so few people have truly been able to identify the immutable (unchangeable) Spirit Laws that function and act as a conditional harmony between all mortal spirits and peoples of the earth.

When one understands the nature of the Divine Love experience and the fact that the Divine Love relates directly with all existing immutable Spirit Laws, then, all that defines the individual emerges with a true perspective of insight and knowledge. From the experience of natural love in a human without any awareness or knowledge of the Divine Love, one will be diminished in their capacity as understanding how these immutable Spirit Laws work and work they do to provide a mortal universal harmony between the human world and the spirit world.

The reason I mention this is to state that the individual human personality in its forming has the attribute of soul and spirit body to it and the spirit body is robust and a true existing body of real form, of real spirit energy, of real substance and image. I along with Celestial spirits can see your spirit bodies clearly and easily, and each spirit body to each individual clearly reveals to us, the condition of the soul, which instantly tells us the overall condition of the mortal personality to its condition of forming. I can see if a spirit body has commenced its change by the receipt of the Divine Love or a change in a progressed natural soul condition.

The spirit body is a bone-fide attribute and the most important attribute for the survival of the human personality. This means that to the forming of a spirit body, there is an immutable Law that protects each spirit body whilst in a human experience from any influence from a spirit in the spirit world. It has been revealed to you that no spirit can impose their personality over a human and this is true, for a particular immutable Spirit Law in its function prevents this from happening and this helps to maintain a harmony between spirits and the human experience. The only presence from the spirit world that can interface with the surface of the spirit body of a human is love and the immutable Spirit Laws allow for this form of communication.

There is a very good reason why the Father / Source Soul has set in place these Spirit Laws and in particular, the one that protects the human spirit body. The spirit body is the body in which the attribute of soul and attributes of personality survive a human life and the transition into the mortal spirit world. If the spirit body or the surface of the spirit body, were damaged or interfered with or in any way interrupted, this could have dire consequences on the personality contained within the spirit body. If spirits were able to penetrate the spirit body and interfere with the personality contained to it, then this could cause a massive transgression that would be potentially capable of disrupting attributes such as the memory, awareness, or cognitive aspects and reality and function in a personality.

I understand that fear forms part of human experience. There is a natural fear for survival and there is fear caused by personality. It is impossible because of the immutable Spirit Laws that act on each spirit body, for a personality in the spirit world to interfere or inhabit the space inside a human spirit body. Any kind of spirit possession is absurd and rests in the imagination of the mortal. Two independent personalities, one being a spirit and the second being a human person cannot inhabit the one same spirit

body. The immutable Spirit Law that acts upon the surface of each spirit body, human and the spirit prevents any such violation from ever happening. The only thing that causes a perception of possession is the fear that already exists in the human personality and or the human imposing fear to fight the existing fear.

Love in its natural and Divine forms, is in their essence a harmony and the existing spirit body that each individual has is like the soul and personality, a sovereign domain to each individual.

Your Celestial friend and teacher, Luke

159. *Communication between Spirits and People*

8 December 2012

Communication between spirits and people obviously transpires. You can receive my thoughts, impressions, perceptions and your spirit body is in no way compromised in its integrity.

Can you receive negative input from a spirit? Of course you can. Your soul perceptions will decipher and discern the information and if the input is coming from a negative source, and you were to receive direct communication from a spirit in poor condition, the impression would stem from the condition of this individual and you would be able to receive it, as you receive harmonious input. The downside to this type of communication is the evidence and effect on your spirit body and energies caused by being in communication with a soul in poor condition. However, in your (the medium receiving this particular message) case because you understand the way the Divine Love works in your life and the related immutable Spirit Laws, the only reason a spirit in poor condition would be in communication with you would be for that spirit to learn about the potential of progression and the Divine Love that will improve their poor condition.

Simply because one is a spirit in no way infers that that spirit is necessarily more advanced or progressed in their soul condition by the mere fact of local environment. A person living in their awareness of the Divine Love will be in better condition of soul and spirit body than any spirit residing in the spirit world living in only their natural condition of natural love. **Spirits in poor soul condition can communicate with you if you allowed this communication to happen.**

Celestial spirits never impose upon your asking to do a work such as this work, *The Divine Universe*. You have asked to be of service and so we can effectively communicate with you and the harmony of this work is an example in the way we are all living in our awareness of Divine Love.

If you (the medium) were to communicate with a spirit in poor condition, it would be because you have asked to provide this service and the individual would be able to interact with you in the correct and only way in which the Spirit Law of Rapport and Communication works and the spirit in poor condition in this communication, can in no way impose or establish any action resulting in your spirit body to lose its integrity. It must be said here that individual spirits in poor condition are so weakened by fear and isolation as their soul condition reflects in their spirit body, that a spirit in poor condition will find it difficult to be in rapport with the Spirit Law of Rapport and Communication between spirits and people. As it has been stated to you before, the immutable Spirit Laws form the boundary between the spirit world and the human world and no spirit can act of them selves in an independent manner outside of these immutable Spirit Laws. Even the Master (Jesus) is to comply as he does with these immutable

Spirit Laws and under no circumstances can fear override or overrule, divert or take the place of these immutable workings.

As you (the medium) have progressed in this experience of our Celestial communications you have been able to determine that no harmful side effects have resulted. You are both (two mediums receiving these messages together) in good soul condition as we who communicate are as well, the Divine Love being true to us all and the activation of the Spirit Law of Rapport and Communication demonstrates how cohesively we all work together when Divine Love is living in our souls. Even if you were to receive a communication from a spirit in poor soul condition such as a soul from the lowest of the natural Spheres, there would be no residual side effects transpiring in your spirit body or attributes of your personality. In fact, I dare say you would handle this communication in a manner that represents and is reflective of caring for another who maybe in their impoverished state, actually asking for a helping hand and guiding word. We actually service the needs of these individuals who are present when we write together as many are brought along to hear our words, these same very words that I am writing with you.

I would like to add here that I know that you are aware of the Indwelling Spirit. These works are not works caused into form by your Indwelling Spirit. These works have their origin in and from living personalities. The reason for this, and a good reason too, the Indwelling Spirit cannot demonstrate living in the Divine Love. We can and we do because the experience of the Eternal Father's Divine Love is real to us and therefore, when others come to read these works this vision and awareness conveyed in these works may sound a note of truth in another who has embraced their experience of living with the Divine Love.

[The Indwelling Spirit helps the Father reveal more of the Father to individual souls so that what is absolute and Eternal can be communicated with so that the Father is not inanimate and unknowable. The Indwelling Spirit helps adjust the spirit body as the changes occur as the soul condition of the individual is progressively transformed by the Divine Love.]

<http://new-birth.net/spiritual-subjects/indwelling-spirit/>

Poor spirits are miserable souls and their environment is a diminished Sphere compared with the other Natural Spheres. We are consoled in the fact that God in the forming of the mortal spirit world has provided these diminished Spheres for the poor soul to reside in, in their disharmony though they cannot cause or create any further disharmony to the Sphere or anyone resident in the Sphere.

If one understands the vision of the Spheres as personality environments, where progression in Love, Spirit and Harmony is the way for all souls, then the more progressed spirits live with real vision and universal experience compared to the least progressed who have no vision at all and cannot relate with the universal realities of harmony, Love and Spirit. When I visited these Spheres I could see the discord that individuals were living in. I needed to bear in mind that these individuals in their retched condition are still part of humanity and souls of the Father. Each individual has placed themselves there, by their actions of living in their human life. I have never heard of a natural spirit from the First Sphere to the Sixth Sphere creating any discord that results in that individual being sent to the Hells below. Just as each individual has put them selves in these Spheres they can change as potential exists so they can progress out of their condition. The immutable Spirit Laws function in these Spheres as they do on earth or in any of the Spheres and The Spirit and The Divine Love are as present in these Spheres as present in any domain where mortal personality lives. I am afraid to say that these individuals in the appearance of

their spirit body are incredibly small. It is testimony to the personality the soul and the spirit body to survive in such impoverished conditions and testimony to the fact that God's workings still function so that the personality *can* survive when the individual has done absolutely nothing at all to change their situation.

In keeping with the vision of harmony stated in the spirit writings of James Padgett (Book of Truths by Joseph Babinsky), the mortal harmony in the spirit world will be realised and fulfilled when there are no more individuals living in such contradistinction to the universal harmony of Love and Spirit. All I can say is that each individual will be given ample opportunity to increase their potential and then if not it's in the lap of the Father. For just as God can cause a personality into existence by the workings of the Spirit Conduits that function to form attributes such as mind and spirit-mind, The Father is the only authority in all of creation who can work another attribute of Spirit Law that undoes a personality, soul and spirit body that was once formed. In the powers of mortal creation, mortal personality doesn't have a say in affairs that extend beyond its own material creation.

The student of the history of the Divine Love will have learnt that the Father once withdrew the potential for humans and spirits to receive the Divine Love. When it comes to such vast and extensive workings the Father does act and will act and is in this regard, no respecter of personality especially when the personality may choose to continue denying the very source of its own soul life.

Thank you for receiving my message this morning, and this may add some interest into the subject of communication, the spirit body, some conditions of spirit life and the question of mortal existence.

Your Celestial friend, Egl'n

83. *Wrongdoing*

16 October 2012

The condition for evil only exists in a human experience. As a potential for wrongdoing this human experience is not continued in the mortal spirit world. The acting Spirit Laws prevents any further subsequent wrongdoing and, one to another anywhere in the mortal spirit world cannot impose such vile actions. The Spirit Laws of Harmony prevent any further contravention between individuals. The grossness of such actions as imposed by individuals only transpires in a human life. Such actions affect the soul condition and that individual remains in that condition until the action of the Law of Compensation alleviates that condition for the perpetrator of such action and deed has chosen to progress back into harmony. As in all consequences of human living, the soul is present and any such action for good or bad, form part of that individual's condition. The full spectrum of human experience and condition in terms of consequences never exceed the present Spirit Laws and there is never more evidence of this than in the lowest Spheres that are the environments formed by God for such depraved individuals to reside in, so that harmony remains the integrity between all mortal Spheres. The universal potential for change and progression is always present and the divinity of God will help bring about change. Whilst the actions of men and women may result for such transgressive behaviour, the responsibility for all human actions rests with the individual and part of the universal harmony in which all humans and spirits reside in at its most fundamental experience, is never stagnate, for this provides the individual with the potential for change.

The Indwelling Spirit and the New-Birth.

Received by Nicholas Arnold

I have been with you most of this morning and now we can resume our work together on this subject. Both you and Zara are in the presence of Divine Love and your respective soul condition is very good to receive. In receiving these Messages it is also important to note that you are not in a trance nor do I take control of your physical attributes to convey my message. You are cognitive and for the most part it is a shared communication where your soul and its perceptions listen to my discourse which you then communicate. This is the way you have received all your messages from the Divine Love spirits.

The Father loves nothing more than individuals learning about the individual and Eternal nature of the Father. The Divine Love begins this learning in a definitive way and this continues as the soul condition changes with the receipt of Divine Love. The Father's Soul is the existence of an Absolute Eternal presence with attributes that create all that has become the Realms in all their expression and experience in Universal creation. The Indwelling Spirit helps the Father reveal more of the Father to individual souls so that what is absolute and Eternal can be communicated with so that the Father is not inanimate and unknowable. The simplest way for a soul to begin knowing the Father is through the Divine Love.

Celestial spirits who have a real understanding of the effects of Divine Love in their soul move into the way of spirit love. Celestial spirits are in the Divine Love of the Father actively participating with the Father's Spirit that has become personalised and relates to the mind attribute of their soul. Spirit love is a reality because the physical environment that exists on Earth is not present. The Indwelling Spirit helps us to engage in the greater spirit realities that are pertinent to our existence and these realities increase as we progress in towards the Father. We do communicate with each other in a soul-to-soul spirit-to-spirit form of exchange which does not involve the construct of Earthly mortal language, it is a spirit language which we learn as we progress in soul condition, and the language of spirit becomes more realised. When the Indwelling Spirit communicates with us, it is instantaneous and active as a spirit-soul experience and so, we understand that the voice of the Father is actively communicating with us in the language of spirit and our soul accepts and understands this for our rapport with the Father is solid in Divine Love and our own soul's personalisation of this Love.

To provide a definitive understanding that defines the attribute that is the Indwelling Spirit and why this attribute is distinct from the Divine Love of the Father is in the teaching that Jesus has conveyed in the Padgett Messages that the Holy Spirit conveys into a mortal soul the Divine Love and the Holy Spirit, as an attribute given by the Father, works solely in this way. The Indwelling Spirit in its function does not convey the Divine Love into a mortal soul nor does it interact with the Holy Spirit that excludes the Divine Love of the Father. The Indwelling Spirit helps adjust the spirit body as the changes occur as the soul condition of the individual is progressively transformed by the Divine Love. This Truth is essential insofar as understanding the Indwelling Spirit and the New-Birth.

With love,
Your Celestial friend,
Ezekiel

305. *Contact with the spirit world*

17 February 2013

I am here to write on the various Spirit Laws that exist to maintain the harmony between spirits and people. You are now aware that there is a diversity of Spirit Laws, and that each distinct Spirit Law works its function so that boundaries exist in the spirit world and between the spirit world and the human world. There are Spirit Laws that are distinct in their working in the Celestial Heavens that do not exist or have any need of existence in the social natural Spheres where mortal personalities reside. The distinction made here clearly defines the reality of those individuals who are in their social-natural love or with the Immortal Divine Love and progressing through these Spheres.

It is paramount that any mortal spirit does not interfere with a developing human personality. God, in the forming of the mortal spirit world, has given form and principle to this spirit world of which one such principle of Law is that no disharmony will be created or caused by spirit on a human or any other mortal spirit.

Harmony exists between the Spheres and residing personalities cannot act or impose their will in a manner that is contradistinctive to the very distinct Spirit Laws that govern the harmony present in all Spheres. Many people do not know that such boundaries exist in the mortal spirit world, nor do they know that every single mortal or Immortal personality is subject to these distinctive and diverse Spirit Laws. People who desire to learn about the spirit world have many ideas about spirits and the spirit world, and a great error in thinking by people, is to believe interference happens that is derogative to a forming human personality caused by a spirit's thought, energy or action.

Many people have had experiences involving spirit that cannot be easily explained and usually in a human experience, the little known Spirit Law of Assistance, which the Creator alone operates, has at times helped or intervened or ended or commenced something that appears 'not of the human world' to have happened. This Law is solely subject to God and no spirit can interfere with the working of this Law. This Law, as in all God's Spirit Laws, can only act in accord with the Source that has caused these Laws to exist in the first place, and this Source is God the Soul. Spirit can work with some of the Spirit Laws such as I am doing now, as I work with the Spirit Law of Rapport and Communication with the receiver of this message.

Mortal and Immortal spirits cannot sneak from the spirit world into the human world to cause or wreak havoc. We cannot attack or cause bodily harm, or cause disruption to a forming human personality. We cannot interfere with a person's dream state whilst they are sleeping, nor can we encourage any human to act in a manner that violates the very universal principles of love spirit and harmony. No spirit can interfere with or disrupt the Divine Love and the Spirit that conveys this Love into a human soul. The Spirit, or as some of you like to refer to this Spirit as the Holy Spirit, cannot be interfered with in Its' working by any mortal or Immortal personality.

People cannot astral travel or travel at will or in their dreams through the spirit world. In all my years, I have never seen or met a person from the human world in the spirit world who is astral travelling, or whilst in their sleep state, travelling of a focus of their astral body. People would like to believe this happens, but it doesn't happen. The reason for this rests solely in the fact that the only way a personality

can visit the spirit world is in their spirit body when their physical body dies. People can form true perceptions of the spirit world by the use of their soul perceptions and spirit senses, so that such detail is seen that the human material mind may think or believe that it has actually visited the spirit world. The very Laws that form the human personality that includes the incarnation of soul and forming of the unique spirit body are the same Laws that protect the soul and spirit body so that the developing personality can form even though the physical condition of each person differ, and these same Spirit Laws prevent the personality or aspects of the personality from separating from itself or for one to leave their spirit body and relocate in their finite form in the spirit world whilst still in their physical body. The spirit-senses in a spirit body, if they are active, can provide real image and living energy into the reality of the living spirit energy that makes up the spirit world. This can appear so real that a person may actually think they are there, but it is only the activity of the spirit body and soul condition causing these experiences to become visible in the brain of the individual.

When we communicate with people, the receiver may work with the essence of our spirit-vision and their spirit-vision forms a living reality into the existence of spirit universal realities, and so the experience of time changes and one touches on the essence of spirit, whilst retaining their habit of physical and material experiences of time.

Making contact with the spirit world is a kaleidoscope of colour for most people. We understand this. I have seen many spirits converse with people over the years or interact with people and the unseen boundaries of God's Spirit Laws always present. I have never seen a disharmonious act committed by a spirit on a human. I understand that when a person becomes a spirit, in their time of integrating their new life, the individual can be in a fit of rage or angry or sad, because they feel the human life was over before its time. I have seen how these individuals communicate with mediums and whilst they are demonstrative in their action, they cannot force the Spirit Law that envelops them to change.

I know that people believe all sorts of things and that experiences and events have happened that cannot be easily explained and that defy the border of human experience, and that such experiences are determined as having been caused or influenced by spirits. My advice would be to begin receiving the Divine Love and gradually learning how the natural and the Divine Love work and from this position, to see how the harmony of the spirit world functions so that each personality in the spirit world in their respective environment is harmoniously living to the due fact of their soul condition.

There are no dark elements or conspiracies or hidden secrets keeping humans away from the spirit world. Everything has its place and the universe is a transparent place. For God lives with transparency, only that it requires our soul condition to develop with transparency, so that each one of us can learn to see the true nature of Love and Spirit and the way harmony is present from the Source to each finite soul.

With love,
A Celestial spirit
David

Note: Following the writings of James Moncrief, one could consider that any reference to the Father, by other relevant writers, may be read as a reference to 'our Mother and Father'. Further, when considering soul healing, then reference to Divine Love could be referred to as 'Feeling Healing with Divine Love'.

Torus energy field is an energy source utilised by all of the universe and of all living matter.

It permeates all dimensions and spheres of our incredible journey of growth in love.

The electromagnetic field of the heart

Our energy field around us is in the form of a torus field, the torus field is the source of energy for our soul and spirit body, this field also partially feeds our physical body. We frequently project energy between ourselves and other people. This energy can be loving. When the energy is contaminated by negative emotions it is harmful to both, that is the person projecting the energy as well as the person unwillingly receiving it. This is a very good reason to eliminate negative emotions.

Note the torus energy field being observed around the spirit body.

Fissures appearing in the spiritual body (etheric body) being clearly visible to a clairvoyant.

Such fissures being generated by negative emotional errors held with one's soul.

These fissures are a precursor to a physical illness emerging in the material body within a similar location as that seen in the spirit body.

The problem for healers is that the patients own physical soul is generating the problem.

When the person who we are trying to heal, does not want to deal with the cause, the healer's power is severely diminished to assist them because their own soul is generating the problem.

All illness is of a result of the soul having these blocked emotions, which then create the illness in the physical form and the spirit body. If the person's soul condition is not addressed then the person is going to recreate the same type of problem and issues.

It is very important that we start to see things at the causal level, particularly in the medical and healing profession.

WE are CREATED as EMOTIONAL BEINGS:

(2018.1) ^{188:5.2} **God's Divine love does not merely forgive wrongs; it absorbs and actually destroys them. The forgiveness of love utterly transcends the forgiveness of mercy. Mercy sets the guilt of evil-doing to one side; but love destroys forever the sin and all weakness resulting there from.** Jesus of Nazareth brought a new method of living to Urantia (earth). He taught us not to resist evil but to find through God a goodness which effectually destroys evil. The forgiveness of God is not condonation; it is salvation from condemnation. Salvation does not slight wrongs; it *makes them right*. **True love does not compromise nor condone hate; it destroys it.**
(The Urantia Book)

(2018.2) ^{188:5.3} **The beauty of divine love, once fully admitted to the human heart, forever destroys the charm of sin and the power of evil.**

Chronic illness indicates a huge denial of the soul.

Illness = out of harmony with love and truth.

It is the release of emotions that are out of harmony with Truth and Love, and the praying for the inflowing of Divine Love that brings about health and harmony to our bodies.

FEAR is YOUR FRIEND!

Until our personal pain, be it physical or emotional, becomes greater than the fear, we will do little or nothing about the event and circumstances surrounding the fear.

Our emotional errors, injuries, incorrect beliefs and assumptions, false understandings, typically all have their foundations in the way our parents lived and what they taught and shared with us. These patterns are being shared from generation to generation. These inherited 'genes' are our emotional injuries that can be lovingly released and replaced with truth.

Maybe, apart from our fear of seeking and receiving truth, our individual stubbornness and apathy freezes and locks us out from being readily able to release these emotional errors.

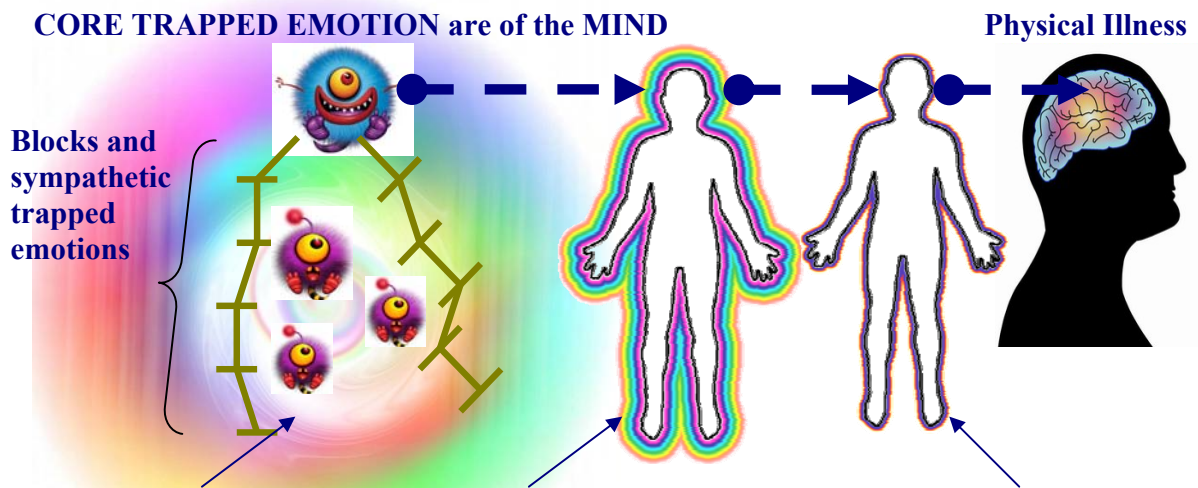

Stubbornness: Being difficult; un-bendable; unable or unwilling to forgive; obstinate; headstrong; resistant. **Stubborn**, a description of someone who has difficulty changing opinions.

Apathy (also called **impassivity** or **perfunctoriness**): A state of indifference, or the suppression of emotions such as concern, excitement, motivation and passion. An apathetic individual has an absence of interest in or concern about emotional, social, spiritual, philosophical and/or physical life.

THE TRUTH WILL SET YOU FREE
 BUT 1ST - IT WILL MAKE YOU
MISERABLE

REPLACE FEAR with LOVE, DIVINE LOVE:

SOUL which animates SPIRIT BODY which animates PHYSICAL BODY.

Trapped emotions (frozen energy) create fissures and injuries in the spirit body which inturn emerge as physical illnesses, firstly as pain, in the physical body. Emotional blockages of the same type create illnesses of similar natures in anyone who have the same style of emotional injuries. Each of us carry our own unique cocktail of emotional issues, as we are emotional beings (our soul), thus each of us have unique pathways to recovery.

People look for miracles to cure disease which is ONLY the removal of the effect of the emotion.

Releasing trapped emotions can open your soul, as you remove erroneous emotions, your soul is clear and free to receive Divine Love should you ask to receive same. Releasing negative emotions frees and opens your Soul to receive Love.

God's Divine Love: Pray for it, ask for it, and receive it.

God's Love, Divine Love is the Great Gift that God desires to give to the heart-soul that asks, yearns and seeks for It. It is unconditional Love *conditionally* given that requires no preparation. It is conditional only because Divine Love cannot and will not be given to any person without that person first asking and yearning for It. There is no royal road to obtaining Divine Love. As Jesus says, all must pursue it the same way. The way to obtain Divine Love is so simple that many who hear this think something is missing. We are so accustomed to gimmicks and payments for this and that, that when the genuine free gift of Divine Love is offered we become leery.

Divine Love is so unlike any other experience of human love that it is nearly impossible to put into words what the experience of Divine Love is like. Words fail us to describe It. Even the Celestial Spirits lack adequate words when they come and give a message to convey the glory of the experience of Divine Love. (Celestials are divine love spirits who live in spheres 8 and higher.)

But in this men are mistaken, for there is nothing in them that is Divine, and there never will be when they depend upon their own selves to progress to this state of perfection. The Divine nature of the Father is not in man and will never become a part of him until he pursues the way which is absolutely necessary for him to follow in order to become anything more than mere man.
(see March 15, 1916 of 'Book of Truths' by Joseph Babinsky)

Divine Love is different both in kind and as well as in quality. There is a natural love belonging to the human by the virtue of being human. This natural love encompasses all aspects and dimensions of libido, eros, familia and agape. Yet, even in its highest and grandest expression, it remains only natural love. At its best and highest expression it remains natural love and can attain to a reflection and shadow of Divine Love. But in essence and substance there is no connection whatsoever between natural man and divine being, natural love and Divine Love. That we are human does not mean that we are "automatically" divine beings, as many teach. Thus, there is no connection at all between this natural love and Divine Love. Natural love is not acquired; it is part of man's natural possession (though it certainly can be and should be developed to its highest potential, and one day will by all). Here is a beautiful summary of the distinction between natural man and Divine Love:

The Divine Love is a thing entirely apart from the nature of man, even in its purest state, and was never conferred on man as was the natural love, and, consequently, when man obtains this Divine Love, and it becomes a part of his soul qualities, his nature, as it were, changes, and he becomes a new creature. An additional something has been conferred upon him, and it becomes impossible for him to remain the mere man that he was, and he always would be except for this change in his nature.
(see May 8, 1916 of 'Book of Truths' by Joseph Babinsky)

Divine Love was never conferred upon man as a perfect and completed gift, either at the time of his creation, or since my (Jesus) coming to earth, but as a gift which is waiting for man's own efforts and aspirations to obtain, and without which It can never become his, although It is always close to him, waiting to answer his call.

(see February 28, 1916 of 'Book of Truths' by Joseph Babinsky)

As I have before said, this Love never forces Itself into the souls of men, and comes only when men seek for it in sincerity and with effort. It is waiting for all men to receive It, but never comes into the soul of Its own initiative, and without invitation. So the important question is, how does It come into the soul and what must men do to induce Its inflowing.

(see May 8, 1916 of 'Book of Truths' by Joseph Babinsky)

In the same vein, Divine Love is not a spark hidden dormant deep within the human heart, waiting to be ignited into a flame; nor is it a seed within man waiting to sprout.

Of course, man cannot of himself open up his soul to this inflowing, for, while he has great power, yet the will is not sufficient; nor has he any other inherent qualities that will enable him to place his soul in such condition as to make possible the work of the Holy Spirit in causing the Love to flow into the soul.
(see May 8, 1916 of 'Book of Truths' by Joseph Babinsky)

God's Love is available to all who sincerely seek it through prayer. This was precisely the "Way" that Jesus originally taught a man might achieve true communion with God and eventual angelic status. The repeated inflow of this Love into our souls, through the messenger and instrumentality of God's Holy Spirit, is that which begins to purify and transform them over time, and with greater abundance, into divine souls, partaking of the very Substance of God's Own Soul and making us no longer human and finite souls, but transformed angelic and immortal souls.

I have already explained to you the difference between, and the respective functions of the physical body, the spiritual body and the soul; and how the real man is the soul, which may live forever. I have also shown you how the physical and spiritual bodies change their component parts, and as such bodies, disintegrated and disappear in the form that they may have at any one time.

Well, the soul is the man and becomes the angel of God's kingdom. The soul may also become only the everlasting part of man in the spiritual kingdom as contradistinguished from the Celestial heavens.

The only way in which the soul may become an inhabitant of the Celestial spheres is by its obtaining of the divine love and thereby become a partaker of the divine nature of the Father; and this can be accomplished only by the inflowing of the divine love, by means of the operation of the holy spirit, which is the instrumentality used by God to carry this love to the souls of men.

This love never forces itself into the souls of men, and comes only when men seek for it in sincerity and with effort. It is waiting for all men to receive it, but never comes into the soul of its own initiative and without invitation. So the important question is ... how does it come into the soul, and what must men do to induce its inflowing?

There is only one way, and that is by the opening up of the soul in such a manner that this love, when it comes in response to sincere seeking, may find a condition of openness that will allow it to find lodgement and an abiding place harmonious with and satisfactory to the qualities of its own existence. (Of course, man cannot of himself open up his soul to this inflowing, for, while he has great power, yet the will is not sufficient; nor has he any other inherent qualities that will enable him to place his soul in such condition as to make possible the work of the holy spirit in causing the love to flow into the soul.)

The only means by which this can be accomplished are prayer and faith. When a human in true earnestness and sincere aspirations prays to the Father for this divine love, such prayer not only brings love, but causes those portions of the soul which are capable of receiving this love to open up to its coming, and to work in such a way as to attract the love.

The holy spirit never performs this work of preparing the soul for the reception of this love, but merely brings the love and causes its inflowing when the soul is in condition to receive it. In answer to prayer, there are other instrumentalities of the Father working to prepare the soul condition that is required, and these instrumentalities are the bright spirits of the Celestial heavens, whose duties, among others, are to answer the prayers of the penitent in the way of influencing the soul that turn the thoughts and aspirations to this divine love and its operations.

As I said when on earth, there is no other way to get into the sheep fold but through the gateway provided, and he that attempts to climb over the fence is a thief and a robber. But this should be modified to fit the exact fact, for there is no possibility of getting into this fold by climbing the fence. **There is only one way – through the gate of prayer and sincere longing.**

I know that many men believe that the performance of church duties, and the observation of the requirements of the church as to baptism and the sacraments, etc. will be sufficient to enable them to get into the kingdom; but I tell you that they are mistaken, and their disappointment will be very great when they come into the spirit world. What are called moral deeds and good thoughts will not cause this inflowing of the divine love; because while these things are necessary steps towards the purification of the soul in its natural love, yet no matter how pure this love may become, it is not the divine love or any portion of it.

Good thoughts and deeds, however, may help to turn the aspirations of the soul to these higher conditions, and open up its perceptions to a degree that may lead to prayer and faith. They may (in addition to their work of purifying the natural love) prove to be of great value in assisting men towards the development of the soul so that the divine love may enter into it. But to depend on good thoughts and moral deeds and a life pure from sin to give man the right to an entrance into the Celestial kingdom, is a great mistake.

The divine love is a thing entirely apart from the nature of man. Even in its purest state, Divine Love was never conferred on man at his creation, as was the natural love. Consequently, when man obtains this divine love, and it becomes a part of his soul qualities, his nature changes, and he becomes a “new creature.” An additional something has been conferred upon him, and it becomes impossible for him to remain the mere man that he was (and always would be, except for this change in his nature). I know that men do not understand the distinction between a man with only the natural love and one with the divine love, but the distinction is so great that the one, when possessed to a sufficient degree, makes man a part of divinity, while the other, no matter how fully possessed and how pure it may become, makes man merely man (though a perfect one).

Whosoever will pray in sincerity for the inflowing of this divine love will receive it. It is not a respecter of persons, and the sincere aspirations of the soul of any human, be he prince or peasant, rich or poor, will invariably cause this love to come into his soul and change his nature so that he will become a new creature, and one not subject to death forever more.

The merely intellectual prayer is not efficacious, for it does not have any effect in opening up the soul. And neither does much of this praying do the work. **One little moment of this true praying will be more effective in causing this divine love to flow towards the soul than a whole lifetime of idle repetition of prayers that come from a source merely mental.** And here again let me say that the mind is not the soul, and much less is it God.

Well, I think I have made plain how this love flows into a man’s soul, and in addition, what its effect is when possessed by man. There is nothing in all God’s universe that can take its place for the purpose of making a man at-one with the Father, and of causing him to become divine, in so far as he possesses this love.

The only way then is simply this: that man shall believe with all the sincerity of their minds and souls that this great love of the Father is waiting to be bestowed upon each and all of them, and that when they come to the Father in faith and earnest aspirations, this love will not be withheld from them. And in addition to this belief, men shall desire (pray) with all the earnestness and longings of their souls that He open up their souls to the inflowing of this love, and that then may come to them the holy spirit to bring this love into their souls in such abundance that their souls may be transformed into the very essence of the Father's love.

The man who will thus believe and pray will never be disappointed, and the way to the Kingdom will be his as certainly as that the sun shines day by day upon the just and the unjust alike. No mediator is needed, nor are the prayers or ceremonies of priests or preachers, for God comes to man, Himself, and hears his prayers and responds thereto by sending the Comforter, which is the Father's Messenger for conveying into the souls of men this great divine love.

Further, To believe that somebody is Jesus on earth is tantamount to saying that God does not trust you, and that you do not trust God. You have need of greater and more consistent prayer for the Divine Love to flow into your soul. Your Celestial friends are helping you and will continue to help. You do not need Jesus or any other Celestial spirit to come to earth in the flesh in order to help you and show you the way. Trust God; trust yourself.

All a person has to do is love God and themselves and have faith that all God's laws have been created to help His children grow in their spiritual qualities.

**A newly
individualising
soul is just a

spark.**

We (your spirit buddies) are here for you and with you whenever you want us to be, and when you ask for our help. But you need to open your hearts to our input before it can be given to you. It's similar to asking for God's Love, He does not give It to any of His children unless they want It. If a child is seeking spiritual truth and wanting to come into alignment with God's will, that child will be opening her heart to the inflowing of God's Love.

WE ALL ARE BEING GUIDED HOME:

We need the Spirits of Truth of the Avonal Pair to Heal ourselves; then once Healed, (and for support (overshadowing) as well through your Healing), we need the Creator Pair, Mary Magdalene and Jesus’ Spirits of Truth to see us through the Celestial spheres, while at all times embracing our Heavenly Mother and Father.

Until Mary and Jesus died and liberated their Spirits of Truth, no one from any of the worlds could leave Nebadon, because no one knew the way to do so. Nebadon is our local universe containing some 3.8 million inhabited physical worlds and their associated spirit worlds.

When we embrace the truths Mary and Jesus are revealing, and start to do our Feeling Healing, or with Divine Love, Soul Healing, we are then freeing ourselves up from our parental and self control.

Thus our journey to Paradise, to the home of our Heavenly Parents, is of our choosing as to when we progress, however, there is only one way:

HUM: Humanity is to ascend. We are self contained. Our soul is always in truth and perfect at all times. **By living true to ourself, true to our feelings, we are living true to God. It’s that simple.**

We are to recognise that being engaged and dominated by our mind is the wrong way for us to evolve and grow in truth. We are to discard the mind enslavement that has been imposed upon as by all of our parents. We are to express our feelings, both good and bad and free ourselves of the indoctrination that humanity has embraced worldwide.

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God’s soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of our Mother and Father.

AVO: We are to embrace the truths and guidance of the Avonal Pair through their Spirits of Truth. It is the Avonal Pair’s guidance that will lead us through our Feeling Healing, and with Divine Love, we will be able to ascend through the 7 spirit Mansion Worlds and enter the Celestial Heavens where we also interact with other world’s spirits.

J&M: We are also to embrace the truths and guidance of the Paradise Pair, Mary and Jesus, who will then lead us through the 3 Celestial Heavens that are aligned with Earth, and then further on through Nebadon where we will then depart beyond on towards Paradise.

M&F: Beyond the universal zone of Nebadon, we will be guided by our Heavenly Mother and Father onwards through the universes to Paradise where we will be welcomed by them, home for us all, as we are all Children of God.

WE ALL ARE BEING GUIDED HOME – NOW, HOW TO COMMENCE THE JOURNEY:

GOD

M&F

For 200,000 years, we have been misled into embracing our mind's distortion of wisdom and truth. All such traditional understandings only lead us in the wrong direction, from which we must turn back from. Our soul based feelings are always in truth. Our minds are to follow our soul based truths and feelings, not the other way round, as we have been brought up to embrace.

We are to connect with our deeper repressed feelings.
 We are to long for the truth of what we are feeling.
 We are to live true to our selves; by living true to our feelings.

Use your surface day-to-day feelings to connect with your deeper repressed feelings. Express your surface feelings and your deeper repressed feelings to uncover the truth of yourself.

J&M

We all have feelings which we communicate and share with each other. And we all have deeper buried and hidden repressed feelings. Feelings from our early childhood we felt, yet weren't allowed to express. These feelings are still within us, waiting to have their say. These feelings, because they are repressed, cause us all our problems.

And as we look to uncover, bring out and accept these deeper feelings, so we're taken into new ways of looking at ourselves, our feelings, and our life. We're setting ourselves free of the controlling patterns that govern our unloving behaviour.

In this way, we progressively begin to express the personality that our Heavenly Mother and Father gave us, not the one imposed upon us by our physical parents and carers. We are to be our true and real selves.

By living true to ourself, true to our feelings, we are living true to God. It's that simple.

AVO

HUM

As we, humanity, long for the truth of our feelings, we can also be assisted by the Spirits of Truth of the Avonal Pair who are our spiritual teachers for Earth over this coming 1,000 years, to assist us through the Great U-Turn, away from mind dominance to being soul based feeling lead. They will assist us through the seven levels of the spirit Mansion Worlds.

Then the Creator Pair, Jesus and Mary, will lead us through Nebadon and into the greater universe. Then our Heavenly Mother and Father lead us home to Paradise.

Collectively, should we embrace them all, as we are to, then our pathway home is a journey in the hands of the Spirits of Truth of the Avonal and Paradise Pairs overseen by our Heavenly Parents.

WE ARE Children of God

HOW TO GET TO PARADISE:

Long for the Divine Love

Long for the Truth

Long for the truth of your feelings

Don't deny any feelings: accept, express and want to know the truth of them

Know your feelings are the key; your feelings are the Way

Want to end your falseness and being untrue

Want to understand the truth of your early life

Use your surface feelings to move deeper into yourself, bringing up your repressed feelings

Want and long to know the whole truth of yourself

Want to do it all with God, your Heavenly Mother and Father – long to Them for help.

The Key

Our longing drives our life. We long with feelings. We can wish for things using our mind, yet long for things with our heart. These things in the pyramid are what to long for. Longing for them, when the longing comes naturally. Longing because you feel you really want them. Long to be true with all your heart. Long to live true to your feelings. Long to understand the whole truth of yourself.

PARADISE TRINITY:

1. **Our MOTHER and FATHER (God) (MF) – Divine Love**
SOUL (God) – One SOUL that is expressing its two PERSONALITIES, our Heavenly Mother and Heavenly Father (Soulmates)
2. **ETERNAL SON (ES) – Divine Truth**
3. **INFINITE DAUGHTER (ID) – Divine Mind**

Then: The Second and Third Persons of the Paradise Trinity (ES and ID) are stepped down to the local universe trinity (Mary and Jesus, Divine Minister (DM), and her Holy Spirit.

The LOCAL UNIVERSE TRINITY:

1. **MARY M and JESUS (MF) – Love – the Living Truth**
2. **DIVINE MINISTER (ID) – Mind (and her Holy Spirit)**
3. **HUMANITY – Natural love, sons and Daughters – Truth, and our Angels – Mind**

PLANETS that engage in REBELLION:

1. **AVONAL SOULMATE PAIR – the Feeling Healing process – incarnate**
2. **DAYNAL – TEACHER PAIRS – they do not incarnate**

So in summary:

Consider a diamond:

Mother and Father Heavenly Parents

Creator Son & Daughter
Jesus and Mary

Avonals
as soulmate pairs

Trinity Teachers
as soulmate pairs

Melchizedeks – who have taken over from the Caligastians and Daligastians being also all as soulmate pairs.

Mortal Souls – human beings who individualise on Earth, then progress through the spirit Mansion Worlds, then into the Celestial Heavens, and beyond.

Mortal Souls – also being ascending spirits, upon completing their Soul Healing, join with their soulmate, then join their soul group of 24 mortal spirits, being 12 soul pairs. It is only as a soulgroup that anyone can progress beyond Nebadon.

The Paradise Pairs are all ONLY concerned with the SPIRITUAL wellbeing and upliftment of the planets and local universe. Currently to do with Earth:

Mary and Jesus – spiritual wellbeing and upliftment of the whole of Nebadon region.

Avonal Pair – Daynal pairs (Trinity Teacher Daughters and Sons) – Spiritual wellbeing and upliftment of individual planets and their associated Mansion Worlds.

The Local universal Sons and Daughters are all about the running of the worlds under their jurisdiction, and ensuring the higher spiritual elements can be employed, or sent astray, as in our cases through the Rebellion and Default.

Lanonandeks – Melchizedeks (and others, such as Life Carriers and Eve and Adam).

As the Lanonandeks all rebelled – the Lucifers, Satans, Caligastias and Daligastias soulmate pairs – so the Melchizedeks have taken over their roles, as well as doing their own.

So the Melchizedeks are the governors, overseers, the administrators and advisors and so on for Earth; they are the ‘controllers’, and they will instigate all that needs to be done to do with the ending of the Rebellion and Default. And they will enlist the willing help of ascending mortal pairs, so the mortal Celestials spirits (soulmates when available, and others waiting to unite with their partner), and at times mortal spirits in the Divine Love Healing Mansion Worlds. And the angels help all of us.

Currently the whole of Creation exists for the ascension of mortal souls from their earth planets to Paradise. It’s all one vast Grand Ascension Scheme. With all the higher and lower spiritual Daughters and Sons, together with all the many different angels and other universal spirit personalities, and even including nature and our very own pets, assisting women and men with their Ascension Journey. It being: and Ascension of Truth. Everything we do is done to help us grow in truth. (Only everything we do in our negative state is to deny ourselves our truth from our feelings, which is why we have to do our Healing.) All women and men are ascending (or growing) in truth through their experiences. And as we grow in truth by looking to our feelings to show us that truth, so we’re ascending, moving inwards and upwards through all the worlds and spheres of the Grand Universe to one day arrive on Paradise and meet our Heavenly Parents. God is providing us, Their children, with this spiritual journey called our Ascension of Truth. And by living true to our feelings, so we are progressing on our true Spiritual Path – our Ascension Path.

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God’s soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of your Mother and Father.

Humanity is to pursue the pathway for Truth through one’s soul based feelings, this is the right pathway. However, humanity commences its journey founded on natural love, which we now know is to be perfected through one’s Feeling Healing process and then made divine through asking for and receiving our Heavenly Parents’ Divine Love.

For 200,000 years, **humanity** has pursued the pathway of the Mind, being that of the brain, this is the wrong pathway. The Mind is the pathway for Angels and that of all of Nature.

CREATION of SOUL and SPIRIT:

God is *The Paradise Trinity* — the eternal Deity union of the Personalities: the Universal Mother and Father; the Eternal Son of Truth; and the Infinite Daughter Spirit of Mind.

The soul of each human personality (sons and daughters of truth) is existential, driving our personality expression in the experiential. The soul of each human finds truth by embracing one’s feelings and longing for the truth of them. We are to attain the Eternal Son of Truth. We are a creation of Truth.

The soul of angels is experiential, evolving through their experience by continually progressing in mind development. Angels are to attain the Infinite Daughter (Spirit) of Mind. Angels are a creation of Mind. Our soul is duplex (we have a soulmate) and is created by our Heavenly Parents. Through our Feeling Healing we perfect ourselves enabling the union with our soulmate, as we progress in truth up through the Mansion Worlds, celestial heavens and all the way to Paradise.

The soul of angels is also duplex, yet of the mind, and they progress in mind evolution to Paradise. Animals, plants and nature spirits are also creations of Mind.

Neither we nor animals reincarnate. We never die; upon death, we move into the spirit Mansion Worlds on our journey to Paradise. When animals and plants die, be they the tiny microbe to the mighty elephants of the land and the whales of the ocean, their spirit energy returns to the Spirit Collective

Energy. And from this energy are drawn other animals and the nature spirits, who then in turn move onto becoming angels through increasing mind experience.

A nature spirit is an angel in waiting.

Only Three Things Needed

A L O N G I N G for GOD'S LOVE to ENTER YOU

A L O N G I N G for GOD'S TRUTH to ENTER YOU

H U M I L I T Y

Humility is the passionate desire to experience fully

ALL of your own emotions,

without blame, judgement or condemnation

EXPERIENCING RECEIVING DIVINE LOVE:

Be still and quiet; reflect in silence. Love is present. Keep asking, longing, and never cease: this is your part. It is your cooperation actively engaged that brings the transformation and continues the process.

You cannot see it; sometimes you will experience it as simple quietness and calmness. This is as pure and real as any other experience, whether demonstrative joy through laughter and dance, or other expressions.

Divine Love is present; it is always present. It does not fade or disappear. Rest, relax and breathe. Pray and wait.

Maintain daily prayer and meditation. When you do this you are building a home for the dwelling of the Divine Love. Your continual invitations establish an attitude of welcome to the Divine Love. These build a bridge for the Divine Love to carry you to new and higher levels of change and transformation: places of new realms for your soul growth and development.

The Voice of Divine Love

~~~~~

As the receiving of the Love is always assured when longed for and asked for, the experience of receiving may become apparent by the occurrence of a warming embrace in the region of the third eye chakra, or with some, around the heart chakra region. This may be very subtle and gentle for some and may be for a few moments or extend for some time. Many do not physically feel the Love embracing them and this is totally fine, nevertheless the Love is being received.

On a few occasions, one may feel the love through the third eye region and then feel it expand as if it were to become a warming buzzing 'hat band' progressively expanding around one's head. This can intensify and feel as though one's cranium is about to pop off! Should this continue to intensify, then the sensation may flow down one's main meridian to the base of one's spine. Now that is something else! Relax and enjoy the great gift for this can be an experience that may continue for a short while or for quite some time.

Always, when one longs for the Love, it will shower over one's body and be absorbed in through the spirit body chakras into one's soul. Occasionally the Love will overflow from one's soul and some will reside within one's spirit body. At no time will you be discomforted. This light golden blue energy substance is the ultimate high octane super fuel gifted to us by our Heavenly Mother and Father, to us all.

**WE ARE TWO HALVES ON AN INCREDIBLE JOURNEY, MALE HALF AND FEMALE HALF OF THE ONE SOUL, or two male halves, or two female halves.**

**GOD, FATHER, MOTHER, SOURCE SOUL**

Spheres in the heavens are not actually numbered, this is an indicative outline.

**Unknown number of spheres, yet to be created, so as to reach the level of the Creator.**

**OUR JOURNEY of GROWTH in LOVE**  
 All we need do is to ask for God's Divine Love – it is that simple.  
 Ask directly, no intermediaries needed.

Souls, being thoughts of God, are ready for incarnation in their billions. These souls are at the level of the 6<sup>th</sup> sphere in a natural love state, however, they are not within the 6<sup>th</sup> sphere perse. These souls are not self aware. Prior to incarnation, they do not express free will. There is nothing of the Divine within the soul.  
 They have an instinct to incarnate. Incarnation of the two soul halves, male and female aspects, typically occurs within a 5 or 6 year time frame, however the timing may be 20 to 60 years apart. To become conscious of self, you must incarnate. This is the individualisation process.

The soul half that incarnates is the one most suitable for the characteristics and character of the attracting parents. Upon incarnation, one's soul condition adjusts to reflect the soul conditions of those around it, typically reflecting closely the soul conditions of one's parents. Upon completion of individualisation process, that is incarnation which may be only a short experience in the mother's womb, we never need return to the physical state. To be able to return to our Heavenly Parents, we need to use our free will and ask for Their Divine Love.

**Kingdom of God – Celestial Spheres**  
Spheres 8 to infinity.

Celestial Kingdom / Heavens and where you become an angel, all one with God. Immortality is achieved upon receiving Divine Love which then enables entry to the Celestial Heavens. Then follows the Eternal Spheres and then the Spheres of Paradise.

**Sphere of Transition:**

Sphere 7 in your progression is the sphere in which you progress from the Kingdom of Man – mortality, to the Kingdom of God – immortality. On becoming at one with God you are reborn, the rebirth, to progress into the Celestial Realms, namely the 8<sup>th</sup> Sphere, and then on upwards on the Divine Love path.

**Kingdom of Man – Spirit World**

Spheres 1 – 6

Sphere 6 is the highest progression that can be achieved on the natural love path.

This is not the domain of angels. Sphere 1 is the earth plane where all souls arrive upon shedding the material body.

The kingdom of God is in his heart, Gods divine truth reaching his soul transforming him

The kingdom of man is in his head, what he believes, is his own truth.

**PASCAS PERS**

**SPHERES in the SPIRITUAL REALMS.**

**Spheres – Celestial Heaven, Eternal Spheres, then Spheres of Paradise:**  
The realm of the Angels is the Celestial Heavens spheres 8 to infinity.

**Spheres to infinity:** Soulmate bonding can be achieved in most of the spheres. (Celestial Spheres are not numbered per se.)

**Eighth Sphere:** All emotional baggage of your entire history has been dealt with – born again. This is the point of new birth, being born again. Celestial Heavens 8 to infinity true immortality.

**Seventh Sphere:** The gateway cycle, perception of sacramental nature of all things. Disappearance of the material mind and the absolute ascendancy of the soul's mind has been achieved. Divine path.

**Six Sphere:** Cycle of light / love, love / light or unity. A purely intellectual area, increasing one's knowledge, while living a life in absolute harmony with God's laws of spirituality. Natural path peak.

**Fifth Sphere:** Cycle of light or wisdom. All their earthly bonds are gone. We are in one of those soul spheres, which offer great opportunities for obtaining the Love of God – divine love sphere.

**Fourth Sphere:** Work of 'atonement' as guides and spiritual healers now excel. As humanity's helpers, their work is a means for self-realization. Natural love sphere mainly.

**Third Sphere:** An area where spirits progress in their awareness, truth prevails. As with all spheres, there are many planes. Changing pathways requires dropping back to a lower path, then proceed.

**Second Sphere:** The sphere of decision which is much more spiritual but which was hidden and outside the range of their perceptions. Spirits can now choose the path they wish to follow – desires.

**First Sphere:** Cycle of awareness. There are vibrational love barriers between each of the spheres. Highest level of the Earth planes is the point of transition from materiality to the spiritual 2<sup>nd</sup> sphere. Summerland is the highest part of the Earth planes, but it is still a very material region. Children live in Summerland in great numbers, having died prematurely. Twilight zone, the most populated area in the spirit world, and starting point for most. Various hells descending progressively into greater degrees of darkness. All souls can be assisted out of these hells no matter what level they fall. At the deepest levels, the soul finds it extremely difficult to hold itself together. The hells are not fiery physical places. Actions are based on fear.

**The 2<sup>nd</sup>, 4<sup>th</sup>, 6<sup>th</sup> spirit spheres provide principally for mental and moral advancement, whereas, the 3<sup>rd</sup>, 5<sup>th</sup>, 7<sup>th</sup> soul spheres provide for progress with Feeling Healing and Divine Love.**

**1<sup>st</sup> SPHERE ASPECTS:**  
**Summerland, etc, nurseries**

**Summerland, etc., are beautiful regions of 1<sup>st</sup> sphere.**

**Summerland, etc, are within the highest planes of the 1<sup>st</sup> Mansion World / sphere.**  
**There are 1,000s of plains in the 1<sup>st</sup> sphere.**

**Ambience of mid range plains of the 1<sup>st</sup> sphere is where the majority of humanity pass into.**

**2 Planes of Disharmony / Earth:**  
**The hells are unimaginable places of darkness.**  
**Consider you are stuck at the end of the deepest longest mine ever, on your own, without any lights!**

**SPHERE CREATION and the PLANES WITHIN the SPHERES**

Spheres progress to infinity.

Spheres are created by a person entering it, then additional people enter the sphere.

Sphere 8 – At one with God. Start of celestial spheres.

Early man started the development of the lower spheres.

Sphere 7 – transitional sphere from natural love path to celestial levels of divine love path.

Jesus has developed all the spheres above 6 progressively.

Sphere 6 – highest level for those on the natural love path. In the 6<sup>th</sup> sphere state, we do not have damaging emotions.

Aman and Amon were our first parents, there elected to be self reliant, not God reliant. They were gifted with access to Divine Love. What followed was a rapid decline into the lower spheres resulting from being self reliant.

Sphere 5 – divine love focus sphere.

Sphere 4 – natural love focus sphere.

Sphere 3 – divine love focus sphere – point where truth prevails.

The barriers between spheres are referred to as inter stellar boundaries, being dimensions of love.

Sphere 2 – to progress to the 3<sup>rd</sup>, truth is told at all times. natural love focus.

Sphere 1 – each sphere has many plains within it.

**GATE OF HEAVEN** by Robert James Lees:

<http://new-birth.net/misc/misc24.htm>

Reference; the third book of RJ Lees – "Gate of Heaven" a web page of the diagram found at the beginning of that book very clearly shows the sleep state as occurring in a physically different location from the Spheres.

This extract is from the book "The Gate of Heaven" by R.J. Lees and it has a diagram of the spirit spheres, spheres of natural love that reach to the 6<sup>th</sup> sphere, whereas Divine Love spheres go on and on and on, and the diagram illustrates that the sleep state also has a specific locality.

**THE HEAVEN  
and  
EARTH  
SECTIONAL DIAGRAM**

## EXPLANATION OF THE DIAGRAM

The outer circle indicates the position of the Psychic Sphere. The ‘firmament’ or heaven of Gen. i, 8. This, as described in the following pages, embraces every provision for the reception and maturing of the newly-born soul until it reaches the Spiritual condition of a son of God.

**E.** The Earth. Its position in the Physical indicated by the dotted circle.

**I-VII.** The Seven Spheres, or Intermediate State. The Schoolroom where the youth of the soul is passed in Spiritual preparation.

**VIII.** The location of the uncultured, or “nations that forget God,” in which they are suitably instructed and prepared.

**IX.** The Sleep State, where the sleep-life is spent by all mankind in communion with the departed. (Job xxxiii, 14-18.)

**X.** The Great Nursery, where children who pass away prior to birth, or before they “know to refuse the evil, and choose the good” (Isa. vii, 16), are developed and educated. –

This diagram is interesting, but I would caution about assuming any large degree of accuracy concerning it. But it does very clearly suggest that "sleepers" interact in a very specific location.

Considering this diagram, I have had a few thoughts. Firstly, it's interesting that all this is in a sphere. Secondly, this layout leads itself directly to the point made in the Padgett Messages that there are Divine Love spheres, and Natural Love Spheres. That is, there are spheres which are predominantly natural love orientated and there are spheres that are divine love orientated. Without really knowing if I am right, this is how I would see it:

**SPIRIT MIND MANSION WORLDS are numbered 1 to 7:**

To PARADISE, the HOME of OUR HEAVENLY PARENTS

Spirit Mansion Worlds are those 1 – 7. They with the Celestial Heaven spheres numbered 8, 9, 10 as well as the 3 Spheres of Disharmony are all within the Earth’s environment, and rather close by. Each sphere can accommodate more than 100 times the people than Earth may do.

Divine Love perfects one’s natural love soul through the progression via spirit world spheres 3, 5, and 7. Soul-Healing and At-onement is achieved through the progression into sphere 8 which is the first of the Celestial Heaven spheres namely 8, 9, and 10.

On death of the physical body we all arrive in the 1<sup>st</sup> Natural Love sphere.

Earth is for the individualisation of souls being the commencements of one’s journey home toward the Source Soul.

The 2 Planes of Disharmony are the hells. While one desires to cause harm to others, isolation is applied. Once the Law of Compensation is completed then one can then progress and return to the 1<sup>st</sup> Natural Love sphere and continue in their progression onto higher spheres.

The Pre-Incarnational Sphere is the waiting area for souls to be individualised / incarnated.

There are seven Earth planes around Earth, which are separate from the Mansion Worlds, but we only have access to two of them, which include the ‘hells’. Each of the Mansion Worlds also have their own seven planes ‘around’ them.

**Note: The 1<sup>st</sup> Divine Love Sphere and the 1<sup>st</sup> Sphere of Disharmony may simply be planes within the 1<sup>st</sup> Natural Love Spirit World.**

Council of Elders  
now around 20

Maybe something like 30 billion people have recognised that our Mother and Father's Divine Love, together with embracing one's Feeling Healing, that with these two aspects, have progressed through the Mansion Worlds to the Celestial Heavens and onwards.

Mansion World 7: is then about still working with the deepest and residual bad feelings, whilst looking to sort out how you wrongly relate to yourself and others, nature and God because of being unloving, understanding how your relationships are unloving, how you don't connect properly, how unloving you really are and why and fully accepting the truth of it, coming completely to grips with your parents not loving you as you needed to be loved – sorting it all out, including your self and feeling expression difficulties.

Mansion World 5: is then about going right into the depths of them, feeling how unloved you feel and seeing how unloving you are and how that makes you feel, bringing out the majority of your pain, your misery, fear, anger, guilt, hatred, boredom, terror, rejection, nothingness, feeling powerless, alone and abandoned, and so on.

Mansion World 3: is for waking up to the truth that you're not loving and starting to get in touch with your pain, starting to accept your bad feelings, starting to work with them instead of rejecting them.

More than 200 billion personalities have embraced their mind and self reliance through the misguidance of 'New Age' styled ideologies and the many thousands of different religious platforms, all of which take the person further and further away from our Heavenly Parents.

For a million years, humanity has gone in the wrong direction with its self-denial of self and feeling!

**There are 100,000 MICHAEL soulmate pairs as REGENTS throughout our SUPER-UNIVERSE:**

One of these 100,000 dots represents Nebadon, our local universe, consisting of 100 constellations with each constellation containing 100 systems which in turn have 1,000 worlds. The system in which Earth is within is called Satania.

Nebadon has some 10,000,000 physical planets, of which 3,840,101 are inhabited. The regents of Nebadon are the soulmate pair being the Paradise Creator pair, Mary and Jesus.

This structure is repeated throughout our super-universe, called Orvoton, 100,000 times. There are some 100,000 Regent pairs, equivalent to Mary and Jesus, throughout our super-universe.

There are 7 super-universes that rotate around the Isle of Paradise which is the home of our Heavenly Parents, our Mother and Father. Thus, there are some 700,000 Regent pairs equivalent to Mary and Jesus.

When we progress beyond the spirit mansion worlds, we enter the first of the three Celestial spheres, the home city being Jerusem, this is also the home city for all 1,000 physical worlds in Satania. From there we will progress to Salvington being the head quarters for Nebadon and the home of Mary and Jesus. Then we progress to Paradise.

**Earth** →

## HIERARCHY of our SPIRITUAL GUIDANCE:

**Our Heavenly Mother and Father permanently reside within Paradise, an island stationary world surrounded by Havona, in the centre of seven Super Universes.**

**Our Heavenly Mother and Father, being one soul manifesting two personalities bring about the creation of:**

**Creator daughters and sons – Michaels**

**Magisterial daughters and sons – Avonals**

**Trinity Teacher daughter and sons – Daynals – and others.**

**The Michaels and Avonals have Spirits of Truth to be released to assist the humanities on their assigned inhabited worlds.**

**Each Super Universe consists of 100,000 Local Universes.**

**Each Local Universe is overseen by a Creator daughter and son, our local universe is called Nebadon and Jesus and Mary Magdalene are the Michael pair and regents.**

**A local universe consists of 10,000,000 inhabitable worlds of which 3,840,101 are inhabited within local universe Nebadon. A local universe consists of 100 constellations which is made up of 100 systems. Each system has 1,000 inhabitable worlds. The system that Earth is in is Satania and 619 worlds are inhabited.**

**Emanating from within the Local Universes are Melchizedek, Vorondadek, Lanonandek, Material and Life-Carrier pairs. None have spirits of truth – they are not from Paradise.**

**From within the Lanonandeks, assigned to oversee the system Satania, which includes Earth (Urantia) were the Lucifer, Satan, Caligastia and Daligastia soulmate pairs, who rebelled. Further, Adam and Eve, the Material son and daughter, defaulted because of the Rebellion. All failed in their assignments, causing us (humanity on Earth) to be spiritually misled for 200,000 years – that is why we are all ‘insane’!**

**Earth has had five higher spirit physical bestowals:**

**Daligastia soulmate pair being Lanonandeks**

**Adam and Eve soulmate pair Material son and daughter**

**Machiventa Melchizedek soulmate pair**

**Creator daughter and son – Jesus and Mary Magdalene**

**Avonal daughter and son who are yet to commence their public ministry.**

# JOURNEY HOME

Our journey home is an ever growing expansion of truth being revealed to us. For Earth's humanity, as for the 37 humanities that have Rebelled, we are quarantined and isolated. Having also Defaulted, Earth's humanity is possibly the most evil of all. Firstly, we are to understand that living through our minds is why we are addicted to untruth and control of others and nature – we are going the wrong way! We are to live feelings first and then heal our Childhood Repression and Suppression – we are to live and express our true personality, the one given to us by our Heavenly Mother and Father. Then our journey home begins!

The Isle of Paradise is stationary within the circle of seven super-universes. Spheres here are also for us to further grow in truth before arriving Home to become Finaliters. Our Heavenly Mother and Father guide us out of our Local Universe of Nebadon, through the rest of our super-universe of Orvonton and into super, superuniverse Havona which circulates around the Isle of Paradise, being home.

Each of the seven super-universes are constituted, approximately, as follows and with 1,000,000,000,000 inhabitable worlds:

- One super-universe is 10 major sectors
- One major sector is 100 minor sectors
- One minor sector is 100 local universes
- One local universe is 100 constellations
- One constellation is 100 systems
- One system embraces approximately 1,000 physical worlds

Once we attain the Celestial Heavens (spheres) we start to come in contact with spirits from other 'Earth' worlds. So in spirit and once we've finished out Healing and are Celestial, we interact, sometimes directly and otherwise indirectly, with potentially 10,000,000 physical worlds of which 3,840,101 are with humanities. Our Avonal Daughter and Son lead us to Mary Magdalene and Jesus (Michael soulmate pair, our Creator Daughter and Son), through our healing of the Rebellion and Default by guiding us into the first three Celestial Heavens and out of isolation from all other physical and spirit humanities.

Mary and Jesus then lead us through the Celestial Heavens for the system Satania (that Earth is in), then our constellation and then out of our Local Universe.

Isolation from all other humanities prevails before completing our soul's healing and progress into the Celestial Heaven spheres 1, 2 and 3. Hell planes 1 and 2 are of Earth, those who have compensation may have this experience and might then progress up through mind Mansion Worlds 1, 2, 4 and 6 before turning around to progress through Healing Mansion Worlds 3, 5 and 7 to transition into Celestial Heaven.

I am here, Jesus

**The Prayer for Divine Love**

<http://www.youtube.com/watch?v=Pg6p3rivAZw>

**P.438 Book of Truths through James Padgett / Jesus**

Let your prayer be as follows:

**Our Father, who art in heaven, we recognize that You are all Holy and loving and merciful, and that we are Your children, and not the subservient, sinful and depraved creatures that our teachers of old would have us believe. That we are the greatest of Your creation, and the most wonderful of all Your handiworks, and the objects of Your great soul's love and Tenderest care.**

**That Your will is that we become at one with You, and partake of Your great love which You have bestowed upon us through Your mercy and desire that we become, in truth, Your children, through love, and not through the sacrifice and death of any one of Your creatures.**

**We pray that You will open up our souls to the inflowing of Your love, and that then may come Your Holy Spirit to bring into our souls this, Your love in great abundance, until our souls shall be transformed into the very essence of Yourself; and that there may come to us faith--such faith as will cause us to realize that we are truly Your children and one with You in very substance and not in image only.**

**Let us have such faith as will cause us to know that You are our Father, and the bestower of every good and perfect gift, and that only we, ourselves, can prevent Your love changing us from the mortal to the immortal.**

**Let us never cease to realize that Your love is waiting for each and all of us, and that when we come to You, in faith and earnest aspiration, Your love will never be with-held from us.**

**Keep us in the shadow of Your love every hour and moment of our lives, and help us to overcome all temptations of the flesh, and the influence of the powers of the evil ones, which so constantly surround us and endeavour to turn our thoughts away from You to the pleasures and allurements of this world.**

**We thank You for Your love and the privilege of receiving it, and we believe that You are our Father --the loving Father who smiles upon us in our weakness, and is always ready to help us and take us to Your arms of love.**

**We pray this with all the earnestness and longings of our souls, and trusting in Your love, give You all the glory and honour and love that our finite souls can give.**

**Amen**

Our Father, who art in heaven, we recognize:

That Thou Art--art all holy and loving and merciful, and that we are the children of Thy care and not the subservient, sinful and depraved creatures that our false teachers would have us believe.

That we are the greatest of Thy creations and the most wonderful of all Thy handiwork, and that we are the objects of Thy great Soul's love and tenderest care.

That Thy will is that we become at one with Thee and partake of Thy great love which Thou hast bestowed upon us through Thy mercy and desire that we become, in truth, Thy children; and not through the sacrifice and death of any one of Thy creatures, even though the world thinks that one Thy equal and a part of Thy godhead.

That Thou will open up our souls to the inflowing of Thy love, and that then will come Thy holy spirit to bring into our souls, this, Thy love in great abundance until our souls may be transformed into the very essence of Thyself; and that there may come to us faith--such faith as will cause us to realize that we are truly Thy children and that we are one with Thee in very substance and not in image only.

Let us have such faith as will cause us to know that Thou art our Father and the bestower of every good and perfect gift, and that only we, ourselves, can prevent Thy love changing us from the mortal to the immortal.

Let us never cease to realize that Thy love is waiting for each and all of us, and that when we come to Thee with faith and earnest aspirations, Thy love will never be withholden from us.

Keep us in the shadow of Thy love every hour and moment of our lives, and help us to overcome all temptations of the flesh and the influence of the powers of the evil ones who so constantly surround us and endeavor to turn our thoughts away from Thee to the pleasures and allurements of this world.

We thank Thee for Thy love and for the possibility of receiving it, and believe that Thou art our Father--the loving Father who smiles upon us in our weakness, and is always ready to help us and take us to Thy arms of love.

We pray thus with all the earnestness and longings of our soul, and trusting in Thy love give Thee all the glory and honor and love that our finite souls can give.

**A Personal Adaptation of the Prayer for God's Divine Love:**

Joseph Babinsky

*Our Father, who art in heaven, I recognise:*

That You are holy and loving and kind, and that I am the child of Your care.

That I am the object of Your great Soul's love and tender most care.

That Your will is that I become at-one with You and partake of Your great love, which You have given me through Your desire that I become, in truth, Your child.

That You will open up my soul to the inflowing of Your love, and that then will come Your holy spirit to bring into my soul, this, Your great love in great abundance until my soul may be transformed into the very essence of Yourself; and that there may come to me faith – such faith as will cause me to realise that I am truly Your child and that I am one with You.

Let me have such faith as will cause me to know that You are my Father and the giver of every good and perfect gift, and that I only can hinder and stop the river of your inflowing love.

Let me never cease to realise that Your love is waiting for each and all of us, and that when anyone comes to You with faith and earnest aspirations, Your love will never be withheld.

Keep me in the shadow of Your love every hour and moment of my life, and help me to remain completely focused on this, your ever-present and unconditional love.

I thank You for Your love and for the possibility of receiving it, and believe that You are my Father – the loving Father Who smiles upon me always and is always ready to help me and take me to Your arms of love.

I pray this with all the earnestness and longings of my soul, and trusting in Your love give You all glory and honour and love.

**The opening up of the soul permits a permanent exchange with Divinity, a permanent recharge of this healing energy that allows not only the re-establishment of lost health, but the continuity of health, providing such a perfect balance, even in the physical body, that noxious agents like bacteria and virus cannot find any opportunity to unchain pathological reactions, which we commonly call illness.**

**But it is true that people without the benefit of Divine Love would lack the protective shield, which the intrinsic healing energies of Divine Love provide for those who pray for our Heavenly Mother and Father's Grace.**

300. *Prayer of Love and Strength*

2 February 2013

I am going to write the Prayer of Love and Strength that may help those with their endeavour of heart in the receipt of the Divine Love:

I pray that I may find the love and strength in my heart to love you more wholeheartedly. I pray that I may feel this strength as a living truth in my heart and soul as my weakness, due to my condition in my physical and material struggle, may not become a hardship that casts a long shadow over my day-to-day living in my faith in Divine Love. I pray that I will not give in to any negativity that surrounds me, or to the way that at times I cannot seem to be able to help or forgive myself for loosing faith in The One I love.

I pray that I am receiving Love, your Divine Love that is in great abundance and that my heart partakes of a small portion of this abundant Love. I ask that your Spirit, The Spirit, convey the Love into my soul as I have already been receiving into my soul your Divine Love. I pray that your Divine Love gives greater love and strength to my heart that I may continue in my prayer to receive this Immortal Love.

God, I love you with all my heart even if there be a shadow across my heart, and a lack of humility in my faith and on my behalf for I recognise that you can love me more perfectly and wholeheartedly than I can accept for myself.

God, I recognise that you are Soul and that I am a finite soul and that your Love and Spirit are true gifts for my heart and soul and that I need this Love that you have provided. I pray that from your Love, more finite love and strength in my faith and heart will enable me to love you even more. I recognise that I am doing my best in all that life has given and taken away from me and that in my resolve, my heart knows that your true Divine Love always remains with me and my faith in you. At times I have left you and left your side and wandered all over the place, lost in the shadows of life and in the near-sightedness of my eye and then, I pray for your Love and your Love fills my heart and my love and strength return and I accept that you are loving me at all times when I am lost and found. I give you all my gratitude, love and strength that my heart can give and I desire not to change the world or the spirit world accepting that your Divine Love will change my soul and in harmony together, I will try for a peaceful world.

I have provided you with the inspiration to give these words of love and strength that such words may help one in their experience of God's Love and Spirit.

**Whilst we are receiving our Heavenly Parents' Divine Love, and that this Love is causing change within our soul and spirit attributes, the greatest Truth known to man and spirit is that this is the way our Mother and Father are actually loving us! When we progress, it is God's way of loving us into love and then we live what we are, love.**

## The DIVINE UNIVERSE

### 303. *The Immortal Prayer*

6 February 2013

For those of you who are strong, I will continue to sustain this strength because many of you who experience the Father's Divine Love require a great resolve and strength of heart not to give up on the Truth and not to be saddened by the apparent lack of interest in the most beautiful love that you feel and know to be true. I will never prevent myself from being with you, who sincerely desire the Divine Love and, with any feeling of being afraid, alone or insecure, I with my Celestial teachers are present supporting you. There is no shadow in the Divine Love and for those who are aware of this Love in faith love and spirit we celebrate the harmony of God's universe of Love and Spirit.

#### *I pray for the Divine Love, the Immortal Love*

Universal Soul God,

My Father, I love and accept you with my heart. I sincerely pray for your Love that will come by The Spirit and embrace my spirit body conveying your Divine Love into my soul. I humbly ask that you love me as I love you, and that you continue to love me when in those times I cannot love myself.

I ask that you give me the strength to voice my faith and love to you, and that you may love me in my weakness and in my strength. I know that I am a soul beautiful to you as you are to me, and that your Divine Love will be the arrival of Truth that my soul has truly longed for.

I pray that your Divine Love will be the arrival from which will announce the departure of my doubt and that such faith, love, strength will come to me that I will never doubt you again. And I will never stop loving you, in the sunrise and the sunset of each day in my life.

I recognise that you are the Source of the Divine Love and the origin of my soul. I recognise that I may have been lost to you but in truth I was never lost to you and now, I am gathering up all my love out of my lost-ness in great abundance because I am aware that your Divine Love is present for my soul and I am free to receive your Love and feel Its' breath of spirit declare in my heart the Immortal Harmony.

I am receiving your Love, I have received your Love, true Universal God, your Immortal Love.  
Amen

**The BEAUTIFUL MIRACLE:**

5 Oct 2012

**The DIVINE UNIVERSE**

The way in which the Spirit conveys the Divine Love into the soul is a beautiful miracle. The attribute of mortal soul prior to incarnation has to it, a potential within it that is part of its formed nature. After the soul incarnates this potential remains part of the soul and even if the forming personality is unaware of such a soul potential, the potential still exists. The Divine Love is entirely suitable in its energy of harmony to be the energy that a mortal soul can utilise. The Spirit covers the spirit body when the individual sincerely asks the Soul of God for the Divine Love and this covering of the spirit body is where the dynamic of this beautiful miracle takes place. From the internal longing of the individual for the Divine Love this activates the Spirit Law that activates the Spirit that is then attracted to the spirit body upon which the Spirit material of the spirit body draws the Divine Love in to its soul and this union completes. The key here is to gain a perceptive insight into realising that the spirit body is not an inert body but that it is living and has activity, recognisable from its first forming from the Spirit Law that materialises a spirit body. The Spirit and the spirit body to give an analogy are like two attracting magnets and when the surface of the spirit body is touched by the Spirit, this causes the automatic response of the Divine Love to permeate into the attribute of soul and so begins the transformation of energy from the natural into the Immortal Divine Harmony. If the individual continues the receipt of Divine Love, the energy that is Divine Love actively begins to change the soul and this is felt in the spirit body systems and can produce feelings of love and elation. The spirit-mind begins to change as all spirit body systems are affected by the changed condition now experienced in the soul as the soul becomes living and vital. In one's progression of this Divine transformation, the soul will mature enough from the amount of Divine energy it receives and at that moment the surface of the spirit body and the Spirit are continuously attracted to each other, then one is living in the presence of our Mother and Father in perfect harmony, and this clarifies the truth about what it means to be truly at-one with God.

**Soul within

Divine Love.**

**Divine Love being received  
from The Spirit, covering the  
spirit body of the requesting  
personality.**

**Divine Love having been  
assimilated within one's soul,  
now being reflected through the  
radiance of the spirit body.**

To liberate one's real self, one's will, being one's soul, is by embracing Feeling Healing so to clear emotional injuries and errors. With the Divine Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

**Our salvation IS by embracing Feeling Healing with the Divine Love.**

**God's Divine Love: Pray for it, ask for it, and receive it.**

**Please Mother and Father, may I receive Your LOVE.**

**“Every day is a day of devotion.”**

**Follow your heart, follow your love and do that in loving action, your inner love leads in your asking the Soul of God to receive a little of the Love to strengthen one's resolve to heal.**

**“I love you Father.” “Let the Divine Love proclaim its energy into my soul.”**

**“Mother – Father, I desire your Love and I am loving you.”**

**“Soul God, I love you and I love receiving and experiencing your Divine Love.”**

**“True Soul God, I am here, I am aware of your Love. Please hear my aspiration for your Love and as I approach you from my soul, I can feel your Love in the way that you are loving my soul.”**

**Try it; give the Feeling Healing and Love a go! If you want to shine, receive the Love.**

**One can simply receive the Love without following any religious or spiritual teaching taught by man!**

**Emotional errors and injuries cause encrustment around the soul, the soul is never damaged however, the encrustments retard love energy flow to and from the soul. Feeling Healing melts such injuries.**

### **Three Great Truths:**

- **God is Soul, being our Heavenly Mother and Father;**
- **that each individual soul is a duplex – both male and female;**
- **and Feeling Healing with Divine Love is the pathway to Paradise.**

Every physical ailment that you have is a total reflection of soul condition emotion that you are holding onto, and each soul condition emotion affects a certain part of the body.

Those who concentrate on the emotion rather than the mind / intellect are more accurate.

A pain in the lower back reflects unworthiness issues with self love.

A bit of chest pain, asthma type issues – grief – you need to cry.

Stomach, spleen, liver – all to do with fear.

Eyes – short sighted – not willing to see the big picture.

A lot of anger based emotions come out in your skin.

In his book, ‘Healing and Recovery’, you will learn why the body may not respond to traditional medical approaches. Specific instruction and guidelines are provided that can result in complete healing from any disease. The importance of including spiritual practices in one’s healing and recovery program is explained, along with how easy it is to incorporate them in the process.

Our society lives with constant stress, anxiety, fear, pain, suffering, depression, and worry. Alcoholism, drug addiction, obesity, sexual problems, and cancer are constantly in the news. Mankind in general has had very little information about how to address life’s challenges without resorting to drugs, surgery, or counselling.

‘Healing and Recovery’ provides clinically proven self-healing methods that will enable you to take charge of your health and live a happy, healthy, and fulfilling life.

**FEELING HEALING and SOUL HEALING with the DIVINE LOVE:****James Moncrief Publications:****all publications are free downloads:**<http://divinelovesp.weebly.com/my-free-books-and-free-padgett-messages.html>

It is suggested for one to consider reading as follows:

**Speaking with Mary Magdalene and Jesus – books 1 – 4**

These four books encapsulate the second of the revelations with the first having been introduced by James Padgett one hundred years previously. These four books provide a wide range of guidance that has never previously been made available.

**Paul – City of Light**

As a gentle intro into the Divine Love and Healing; being James Moncrief's first novel and it's been criticised as being too heavily clichéd, but that's the point because it's a reflection of how he was back then.

**Ann and Terry**

For an example of people who might want to immediately start working on them selves and doing their Healing.

**Feeling Bad? Bad feeling are GOOD**

For more understanding about our denial of our feelings and why we should not deny our feelings, and it includes how it all came about for James, using himself as an example.

**Feeling bad will make you feel BETTER – Eventually!**

This includes specific examples of Marion and James working on expressing particular bad feelings, again with the hope that it will help others gain something of an idea as to what's involved in doing your Feeling Healing.

**Sage – and the Healing Angels of Light**

Through Sage who's 13 years old, the story is primarily about the two aspects of healing; that being, with the help of our angels, and the full Healing we can do by looking to our feelings for their truth.

**Religion of Feelings  
Feeling Healing**

**Welcome to LOVE – the Religion of Feelings  
you can heal yourself through your feelings**

So these books, including the four Speaking with Mary Magdalene and Jesus books, provide the essence of it all and are examples of James' work. Then it's up to whatever takes one's fancy. Other reading to consider may include:

**The Padgett Messages being published as:****The True Gospel Revealed Anew by Jesus volumes 1 – 4****Book of Truths by Joseph Babinsky****The Urantia Book**

**Release one's pain through expressing one's feelings.**

**in conjunction with**

**Longing for the Truth when also longing for Divine Love.**

**FEELING HEALING with DIVINE LOVE is SOUL HEALING:**

*A collection of 'papers' that draw together specific topics including all of the above and more from other sources of information and revelation designed to help increase one's awareness about why we have the problems we do and how to heal them, all whilst living a more healthy and sustainable life. They provide a brief snapshot of the more complicated topics and issues.*

**Firstly, consider discovering the truth of your emotional pain through Feeling Healing.**

**Secondly, consider longing for our Heavenly Parents' Love as you progress with your healing.**

**Primary and most important readings are the writings of James Moncrief.**

**Then consider the Padgett Messages, and then The Urantia Book.**

**DIVINE LOVE and DIVINE TRUTH Revelations and Teachings escalating:**

*People look for miracles to cure disease which is ONLY the removal of the effect of the emotion.*

SOUL  SPIRIT BODY  PHYSICAL BODY

The soul animates the spirit body and in turn the spirit body animates the physical body. The spirit body looks just like the physical body. These bodies are connected by cords. Your memory and intelligence as well as your emotions are within your soul which is your real self. Your mind is within your spirit body. Your brain is within your physical body.

The real you is your soul.

SOUL  SPIRIT BODY  PHYSICAL BODY  
PERSONALITY

Prayer: is emotional exchange with God.
