“Never can one man do more for another man than by making it known of the availability of the Feeling Healing process and Divine Love.” JD

The MANSION WORLDS and EARTH:

James Moncrief

7 April 2017

Celestial spheres – with no associated planes. With the Angels and other universal spirits freely available and living amongst the Healed mortal spirits (Celestial spirits as we call them) from Earth and all the other earths in our neck of the woods of Satania, our local System, our System within greater Nebadon our Local universe. The first Celestial sphere being Jerusem (from The Urantia Book – TUB).

Seven Mansion Worlds – all with seven associated planes, to which the mortal spirits living on their worlds can't see into. The Mansion Worlds are divided as we understand, into the Divine Love Healing worlds 3, 5, 7, and mind worlds 2, 4, 6 – (which are soon to have added Feeling-Healing sectors). World 1 being common to the mind spirits and also where those spirits who are wishing to find out about their Healing and the Divine Love and begin healing before moving into the Divine Love worlds. Spirits in the mind worlds can at any time embrace their Healing and the Divine Love, having to move back into the third Divine Love world.

All the Mansion Worlds have many Sectors and subsectors and sub sub sectors, down seven sub layers, within them, all the different areas needed to enable all the spirits from Earth to live their varying beliefs.

And being in quarantine owing to the Rebellion and Default, our parts of the Mansion Worlds and their sectors are reserved solely for spirits from Earth. There is no sharing of the Mansion Worlds with mortal spirits from other 'earths' as TUB suggests. However it might be that we do actually share the Mansion Worlds with other 'earths', yet if that's so, then we're limited to certain parts of the Mansion Worlds, shut off from other sectors. Or we might possibly have all the Mansion Worlds to ourselves – I don't know about that, I'll have to one day ask about it again.

Each of the seven Mansion Worlds are a world in their own right, a 'stand alone' world, if you like, with their own unique geography – mountains, lakes, rivers, flora and fauna, cities, towns, houses, sectors. Each of their seven planes are just that, planes, so use the world's geography as their base, so existing around the world in higher vibrations. So only a Mansion World spirit with Second Sight will be able to see into the planes. The higher spirits and angels use these planes to come and 'visit' the Mansion World, so they can be close to the spirits in that Mansion World yet unseen by those spirits. The Celestials can come and go from the Mansion Worlds proper (as could Mary and Jesus should they wish to) and I don't know if they can access the planes, but I don't think so.

(Note: I number the Mansion Worlds from 1 to 7, with 1 being closest to Earth, so where we all wake up once we die. TUB numbers them the other way around, so 7 the lowest, to 1 the highest and closest to the Celestial spheres.)

Earth, also has seven planes around it, all of which use Earth's geography, and unless someone has Second Sight, they won't be able to see into them, however we can (as can the Mansion World spirits), communicate with spirits, nature spirits and angels and other universal spirits, even Mary and Jesus, should they want to come and 'be with us' in these planes.

The lower two Earth planes are reserved for all the 'lost' spirits from Earth (They wake up in the first Mansion World as we all do, then are taken or move back to the lower Earth planes). People go into

them if they don't know they are dead, that is, if they are not fully conscious and able to take their place in the first or lowest Mansion World. And if they need to work off more compensation, they can use these lower planes as 'hells' (the planes of Disharmony). Also there are sectors and sub-sectors and so on in the first Mansion World commonly called the Hells.

And most people who have astral trips or OBE's (out of body experience) usually move into one of these Earth planes 'awake' in their spirit bodies, hence most of these trips the person is 'flying' over the geography of Earth. People might be scared of 'flying' through power lines they come across, when in fact there are no such power lines in the actual plane, only it seems like it is because the plane is based on Earth. Occasionally people might astral or OBE into the first or higher Mansion Worlds.

The third Earth plane is strictly for the nature spirits. They live on this plane which is based on the geography of Earth. So when we meet with at the lake not far from my house, in their plane they come to the same lake. So I stand at the physical lake, and they are also at the lake in their Earth plane. So I will be standing on the shore, however they might be standing on what seems like the surface of the lake. And so it's the same for the higher spirits, Celestials, and angels that might come to talk with me at the lake. They will be in their relevant planes. The Celestials and Mansion World spirits being in the two Earth planes, the nature spirits in their plane, the angels in theirs, the higher universal spirits in there's and so on.

The fourth Earth plane is for Angels; the fifth is for higher universal spirits, meaning, spirits that don't incarnate and so aren't mortal spirits, such as the Melchizedeks; the sixth is for the high Daughters and Sons, so where Mary and Jesus would come should they wish to come 'back to Earth', the seventh being reserved for the Mother and Father and specific things to do with Them.

So at my lake I could be talking with Mansion World mind, Divine Love and Celestial spirits, all who are in either of the two Earth planes, the nature spirits in their plane, the angels in theirs, the Melchizedeks in theirs, and Mary and Jesus in their plane, all separated from each other, yet all aware of each other, and all focused on me, all of us being at the same lake, and them all speaking with me in turn. And I might be able to sense them all and in which plane they are in, even vaguely 'see' them on a good day should my Indwelling Spirit be allowing me such inner sight. Or they could all come in their relevant planes into our living room at home, or to a meditation centre, or anywhere they like. And this is how they come when TUB refers to them as 'being on Earth', they are not actually on the physical Earth, but they are in the relevant Earth plane, so it's the next best thing. And mostly they are there without us being aware of them, which have its advantages as you can imagine. So they are not on the actual physical Earth, in the physical dimension that I am, but they are still technically 'on Earth' because they are in one of the Earth planes which is 'based on' Earth.

So that's how I see it, which like everything, is subject to change as I progress in my Healing. However, so far in my Healing, this picture has got firmer.

**Firstly, consider discovering the truth of your emotional pain through Feeling Healing.
Secondly, consider longing for our Heavenly Parents' Love as you progress with your healing.
Primary and most important readings are the writings of James Moncrief.
Then consider the Padgett Messages, and then The Urantia Book.**

NANNA BETH chats to James Moncrief regarding the Universe and Spheres:

2 May 2017

James: Beth, John was wanting to know where you are in the Celestials exactly and how do they relate to the solar system?

As I said, I'm in the third Celestial sphere. Each Celestial sphere is a world or sphere of its own, however although we're all separated, there's such good communication between them all, so it's as if we're just one big sphere. So we can easily speak with those in the second and first or above us in the fourth and so on, as if we're all in the same building on different floors, and with vast screens connecting us. Your Internet and how it's evolving is only a mild outworking of how it is for us, it's crudely based on how we work together between and within spheres, but will make such things more readily acceptable to you when you come over.

As far as where we relate to in the solar system, it's not like that, because the solar system is merely physical, whereas we're on inner realms. If you take all that you know of physical space with all its countless stars, and point that inwards, into deeper dimensions, then Paradise would be at the middle of Creation. Creation comes out from Paradise on many different levels or dimensions, with the physical universes only being one such level or plane of reality. So our level or plane of reality stretches inwards ever deeper and higher in vibration of light toward Salvington, and then on deeper and higher and inner still, toward Paradise.

If you like John, imagine that the physical universe is set out for all the earths to exist in. Then each of these earths has associated with it, Mansion Worlds, unseen about them, and then they all feed or lead into the higher inner Celestials spheres and so on. So for us, we've got 1,000 earths feeding into our Celestial spheres, however not all the earths are up and running with mortal life yet, and some are very much advanced so as with relatively few mortal spirits coming from them. And all those mortal spirits pour into our first Celestial sphere which is then divided into masses of different sectors, all designed to cope with the inflow, as we're all coming from very different planets. And slowly our integration begins as we start to have more to do with each other, but really it's not until we've gone on through Nebadon, so I understand, that full intermingling starts to occur. So one's soulgroup will possibly end up working with other soulgroups originating from other physical worlds, with there being groups of soulgroups, the further we head toward Paradise. Because the closer to Paradise then the less we need to be from Urantia or wherever it was we came from, as the more we're becoming citizens of Orvonton or Havona and eventually, Paradise.

But for now, we're still highly focused on Earth, because we need to help what's unfolding there concerning the end of the Rebellion and Default, and that's all that matters now; and as to the Rebellion and Default continuing on their merry way, that is all a done deal you might say, we know what will happen, we can extrapolate that easily enough, so all we're focused on is the **New Way**, that of introducing the Healing and then working with those people involved in that or who are doing it, that being what none of us know much about as to how it will go, as it is all NEW. We only have our own healing to go on, which isn't that much, as we did it in spirit, so we're all learning as much as you are, and having to work within our limited knowledge. So we're pioneers of the highest degree. You can only do so much preparation. There were a handful of years prior notice to the arrival of you (James) and Marion, but that was mostly for the old guard, those who've been overseeing things throughout Mary's and Jesus' age, and all so they'd know that their time was coming to an end, rather than, now

you have to start preparing for a whole massive change. And so the preparing and carrying out that change, has been left up to the likes of myself and Helen and everyone who's involved.

James: I'm just looking at some of my notes I jotted down, and what I wanted to ask you Beth, so Jerusem can't be related to in the physical universe?

No. A lot of people try to and so make the mistake of doing so. Jerusem, the capital and centre of the first Celestial sphere, is deep in spirit, the best you could say is: all this section of the physical universe and all the 'earths' within it, and you could define that on a star map, all look to Jerusem as the capital of their first Celestial sphere, but it's in spirit, it's not on the physical level. You leave the physical universe when you die and move into the first Mansion World. Then you are moving into the 'inner' spirit universes.

JAMES PADGETT MONCRIEF **REVELATIONS** 1 Commenced 1914
2 Completed 2014

REVELATION 1 Divine Love addresses the issues of the Rebellion.

REVELATION 2 Feeling Healing addresses the issues of the Default.

The Rebellion is against love, the Default is all the difficulties we have in our relationships because of our rebellion. Healing the Default is becoming true, to ourselves and in our relationships, and ending our unlovingness – our rejection of love, so ending the Rebellion.

The Rebellion was brought about by Lucifer and his soulmate 200,000 years ago.
The Default was brought about by Adam and Eve, soulmates, 38,000 years ago.

JAMES chatting with NANNA BETH: Elizabeth is from the 3rd Celestial Sphere 26 June 2017

James: Nanna Beth, could you please tell me how it is in the Divine Love Healing Mansion Worlds so far as the **structure** goes, as in, do spirits have common prayer rooms, places of worship, places to receive counselling individual and group, places of learning about the Healing and everything else? I've thinking about basing the Religion of Feelings on the structure in the Mansion Worlds, as no doubt it would be the truth and what's best for everyone doing their Healing.

Nanna Beth: First as you understand, it has to be worked out on the Earth what people want, and there will of course be similarities with how it is for us spirits; however, yes, I will tell you how it is for us.

On the first Mansion World there are relatively small localised sectors devoted to introducing people to the notion of their Healing and the Divine Love. Spirits come to these centres to learn about it having been told enough that they find appealing and wish to look into it further. As an example of such a place, there might be a room, there might be a beautiful garden setting, along a river, outside or inside, or a bit of both, but nothing bigger than what could hold about twenty to thirty people.

There is then a main spokes spirit, mostly the women Celestials do this with their partners there too but more for afterward support. The Celestial will introduce the Healing and the Divine Love speaking for no more than about thirty minutes, half of that about the theory, the other half about the spirits own personal healing experiences. Then there is a question time, which is used to ascertain what more theory or personal experience might need to be shared. Then it's an open time, where everyone mixes, as there are usually other higher spirits, some doing their Healing, other Celestials possibly, family and friends of the new spirits who have come to listen, all with no pressure being put on the inquiring spirits, just open and honest.

And the new spirits are free to come to as many of these introductory talks as they want, some coming at the end of the formal part if they've already heard it or something similar, wanting to share more, ask questions, listen to spirits Healing examples, gaining an understanding of what's involved – how long it might take, as that's usually a question many want to know, and what is the difference between how they have been living in the mind worlds and living doing their Healing.

Up until now, spirits have had only the two choices: the mind worlds or the Divine Love Healing worlds. Some spirits have opted for just longing for the Divine Love for quite a time before they begin their Healing in earnest, and many have wanted to begin their Healing without the Divine Love, but that has not been allowed. You had to begin with the Divine Love and then do your Healing. But that is all changing too, so spirits will soon be able to do their Healing, their Feeling Healing, without the Divine Love. And it looks like separate introductory sectors within the mind worlds will be set up for these spirits, with them free to come into the Divine Love worlds at any time. So if they attained fourth world in their Feeling Healing, then wanted to embrace the Divine Love, they'd move into the third Mansion World, the first proper Divine Love Healing world. If they attained sixth world Feeling Healing perfection, then embraced the Divine Love, they'd move back to the fifth world.

So the introductory phases are kept simple, light on the truth, heavy on personal experiences being talked about so the new spirits can gain an understanding from spirits who are doing their Healing or who have done it, both to show it can be done, that it is a real thing needing to be done, and that

everyone's healing will be specific for themselves, so different, although broad generalisations are followed.

Should a spirit decide to start longing for the Divine Love, then there are regular prayer temples, houses, cafes and open air retreats, all sorts of different places for spirits to gather, and catering for different numbers, from small groups up to ten, to massive groups of tens of thousands at certain 'main event' times. Should Mary and Jesus have need to be with us in some capacity, they are usually more than happy to attend one of these main event large meetings – you wrote about one such event in one of your novels James.

And it's the same for people wishing to do their Healing, although these are mostly smaller places, rooms, which can be public or at spirits' homes, where spirits further discuss the Healing and tentatively explore expressing their feelings. Some spirits love the group experience and it's very necessary for them to break through their controlling beliefs, other people shy away from these preferring more intimate one-on-one and so they too are accommodated. Some spirits enjoy the group situation right the way through their Healing, others happy to do it themselves, calling upon help from their specific Celestial helper, friend/s or family if they are still talking with such family members.

Once the spirits feels happy with its longing for the Love and has officially begun its Healing, as there is an official beginning over here, then it moves to live in the third Mansion World, even if it has not as yet worked its way through the equivalent of the second world. But in the third world they cover all they'd have done in the second world. And when the spirit has completed or attained the levels of truth of the third world, it moves to the fifth, there to work back through the fourth as they continue with their Healing, and the same when the move to the seventh, having to work though the sixth as well.

In the third Mansion World, the first real Healing world, in that it's completely devoted to, and so for, only spirits who are longing for the Divine Love and doing their Healing – their Soul Healing, things are different in that the spirits live in small modular enclaves designed to house no more than about a thousand spirits, that being the basis of their lives. So no big cities, all more intimate and setting the scene for higher spirit life. The mind worlds still have cities, some vast and very elaborate, all the way up the second, fourth and sixth worlds, whereas in the Divine Love Healing worlds no such things exist. On Jerusalem, the first Celestial sphere, as with all the Celestial spheres, again we have the most beautiful crystal cities, and some very large, but these are all for universal administration, cultural and learning, with all the spirits live still in modular numbers about them if they need to be close to such a city.

Having said the Healing Mansion Worlds don't have cities, each world does in fact have one, an administration and cultural centre, but spirits don't live in it, but it does act as the world's capital.

The whole point of having small modular 'towns' is to help break down the Earth based structure spirits are used to.

The modular living environments are not so much towns either, but are places consisting of all shapes and sizes of dwellings that house about a thousand spirits. You might have all the spirits living in one high rise situation, you might have them distributed through a jungle, strung out along an ocean beach, high in the mountains in caves, deep underground or under or floating on lakes and seas, whatever takes the fancy of the designers of such places, and many of them are evolving, ending and others beginning.

Spirits decide what might best suit them and are drawn to such places, and then accommodation is found for them. Often nationalities and cultures are still part of spirits lives to begin with, and so they want to be with other spirits and ways of life they are familiar with, with more integration and mixing occurring in the higher Healing worlds, then fully mixed and integrated by the time we attain the Celestial spheres.

Then within these small modular living settings are a main centre of worship (there are also many lesser ones) – a public place, in which prayer and counselling, private and group, can occur, and further education is available to do with the Truth, the Healing and the Divine Love. There is then also other areas of interest being set up by whatever spirits want to do, some individually, others banding together, others linking up with other modular enclaves, so spirits do whatever they want so as to help give them the necessary experiences to bring up all the bad feelings they need to feel. And mostly they do these things to make them feel good, or hope they do, and it's the interaction with other spirits that stirs up their repressed feelings. And then many spirits go off into the mind worlds, to gain experience doing things there, so to help other spirits, all sorts of things – whatever you can think of, and up until now, even to help try and connect with people on Earth in all the controlling ways they desired. But with those controlling ways now stopped from influencing Earth, they are having to look for other controlling things to do, which is more about turning on each other with all sorts of mind created spiritual and religious ways and systems all vying for power and having as many mind spirits involved in them as they can. And some of the Healing Divine Love spirits also still need to be involved in such things, so go off doing what they will, coming back and working through the bad feelings that come up, all the usual life things.

And it's the same living set up in the fifth and seventh worlds, only as spirits push deeper into their Healing, there are less group counselling situations and more private ones, with an increasing number of Celestials being involved.

And spirits of course have intimate relationships all the way along, so there is a mixing and moving of spirits as they want to live together and work helping each other, then with some splitting apart as they reach the conclusion of their time together, moving on, and all what you can imagine happening.

So the focus of living is in relatively small groups, with some of these groups of about a thousand spirits remaining quite stable, all the spirits loving being together, others are always in flux. All are accommodated for whatever are their needs, but all are encouraged to live in these communities particularly in the beginning on the third world, although if a spirit wants to completely live alone, that's okay too.

And within these modular living settings spirits might live in a communal situation, the whole one thousand people living under the one roof, or broken up into smaller communes, right down to how you are living in small houses with only a single, couple or small group of spirits. And some spirits are constantly changing how they live, others are very stable. It's all to suit the different personality needs, all of which are highly irregular because we've all been so heavily damaged.

Within these counselling centres are books and visual aids, there is no television network purely for entertainment, all entertainment is produced by spirits themselves in real time, however there are things like ipads and ipods with varying sized screens connecting spirits within the modular settings, linking

with enclaves, and channels to the higher worlds and the first Celestial sphere so they can keep in touch with and be introduced to some of the higher goings on.

Do you have any other questions James?

James: No, you've thoroughly covered it for what I was wanting to know. I'll send this to John and Samantha and see if they have any questions or would like you to say more about any of it, it all being so we can get something of an idea of what might be good to set up here. However what you've said is I think about what we might think anyway, as there's not really much else one can do unless one wants to create some sort of big mind controlling structure of a religion, which of course I want to stay well clear of. I do like the focus on the personal, more intimate right from the beginning, and not too much theory and lots of first hand experience, which is highly lacking currently on Earth, but possibly in time it will be available if people want to do their Healing.

Thank you again Beth.

Nanna Beth: It's my pleasure James, I'm glad I can help. I'll speak with you soon – Love Nanna Beth.

Later:

James: I did have a thought, I guess when Mary and Jesus come, and as not all the spirits can personally attend such a meeting as you mentioned, other facilities are set up so the spirits can 'tune in' and watch?

Nanna Beth: Oh yes, the whole world and all the other Mansion Worlds, and we in the Celestial spheres, all tune in. Very large screens and sound systems are arranged for larger groups of spirits to gather, or if others prefer to remain in small groups or even privately – individually, that too can be arranged. And yes, mostly everyone wants to see them, be involved however they can be, so it's a major event, really big, the biggest, for the whole of Nebadon wants to always know what they are doing and can't get enough of them. It's all so very exciting, so much tension in the lead up to one of these 'main events', it's all so wonderful, and we being of Earth are so lucky, you on Earth have no idea how lucky you really are, having had Mary and Jesus here and for them having to come back here to the Mansion Worlds or lower Celestial spheres so often, we are all very fortunate indeed. And although unfortunately not all spirits can personally attend the main arena, it's all organised so that over time, all the way to Satania, every spirit and angel will get their chance to see and be in their presence in such a way. They can't be with everyone personally, there are simply too many of us from all the different worlds, but the 'main events' get bigger and bigger as you move up through Nebadon, so eventually everyone gets to see them and to know for themselves that the spiritual mother and father of us all in Nebadon do really exist. So no one misses out.

James: And so Nanna Beth, to have them come to you personally to tell you about all that was going to happen, that must have nearly blown your mind?

Nanna Beth: It nearly blew my heart, the light was so intense, I was in a state of half-shock for about a year. But you know, you get on and recover, and yes, it was such a lovely surprise their coming to me to ask me personally to help do the work I'm now doing with you all – wonderful, beyond words, an experience to cherish forevermore.

MANSION WORLDS for the Humanity of Earth, being spirit spheres 1 to 7: 27 November 2018

James: At least talking about the Mansion Worlds is on safer ground.

Nanna Beth – 3rd Celestial Heaven: Absolutely James, I am always able to shed more light on the Bigger Picture for you, however I'm afraid, that to do with the personal such as about the money and so on, not as much.

The Mansion Worlds (for humanity of Earth) are wholly being used for Urantia (Earth) at this point in time, and have been for a long time. We don't have our own worlds as such, it's just that we've been 'allocated' the use of them for the time being. And that will continue until the end of the Spiritual Age (now commencing for 1,000 years), then Urantian spirits will be joined by others from other 'earths'.

And you understand the quarantine status is because of the Rebellion, so when it breaks and humanity starts to heal itself then humanity will come out of its self-imposed isolation.

There are Mansion Worlds provided for varying numbers of 'earths'. The Urantia Book, which John was talking about, is the universal standard, but nothing about Urantia (Earth) is standard anymore.

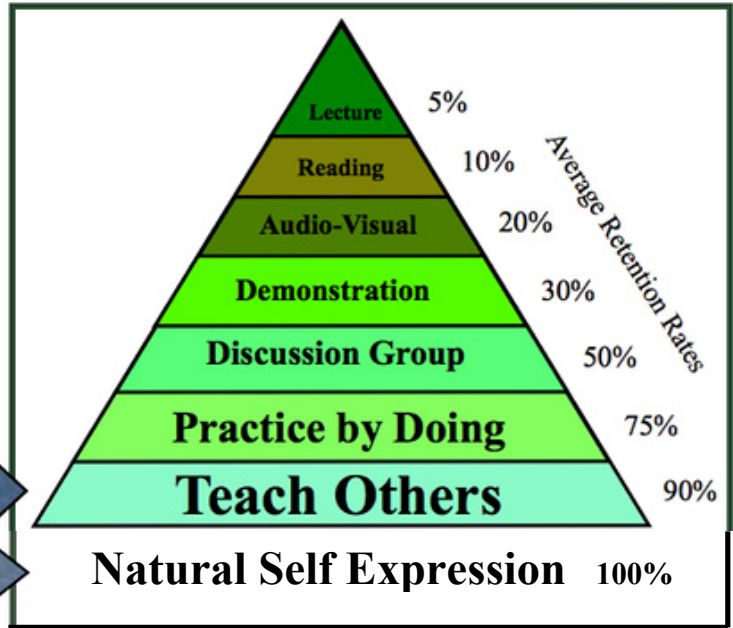

James: So how is it for you Healed Celestials, when do you become part of the greater universal whole?

Nanna Beth: From the fourth Celestial onwards we become part of the whole with our focus on our Paradise ascent then being wholly consuming. As I've told you, the first three Celestial spheres are still primarily focused on assisting Urantia – you people on Earth and in the mind and healing Mansion Worlds (spheres 1 to 7), however there is also some progressive universal involvement. We go to classes, which are voluntary, that introduce us to greater universal awareness. We go to 'meet-ups' in which small numbers of our soulgroups might meet small numbers of other soulgroups from other physical worlds. And these are always very interesting to compare our lives with theirs. But these meetings are for the most part for us being still of the first three Celestial spheres, information, they are not as yet about forming relationships with spirits from other planets, nor are we actively involved with universal work with them. However having said that, there are increasing numbers of Celestials from the lower three spheres who are starting to have more personally to do with spirits from other worlds and those spirits with us. Not all the Celestials with us want to be focused on Earth or the Mansion Worlds all the time. We all still have to do something with Earth, but with some of us that is becoming less and less. That's all part of the change. By the end of this forthcoming Spiritual Age, we Celestials won't be needed to have such an intense and personal focus with people on Earth and in the Mansion Worlds, so those Celestials in the lower three spheres (of the Celestial Heavens) will have more immediately to do with spirits from other worlds.

So you can see James, this time now and for the next Age is going to be unique. Every moment is of course unique, however in terms of time, 1,000 years is like a brief moment compared to tens of thousands of years of a normal age. And we'll be doing a lot within it on all levels.

So humanity doesn't start getting let out of its prison until the end of the next Age, however you can start letting yourself out of your own personal one anytime now by doing your Healing.

Maybe something like 30 billion people have recognised that our Mother and Father's Divine Love, together with embracing one's Feeling Healing, that with these two aspects, have progressed through the Mansion Worlds to the Celestial Heavens and onwards.

Mansion World 7: is then about still working with the deepest and residual bad feelings, whilst looking to sort out how you wrongly relate to yourself and others, nature and God because of being unloving, understanding how your relationships are unloving, how you don't connect properly, how unloving you really are and why and fully accepting the truth of it, coming completely to grips with your parents not loving you as you needed to be loved – sorting it all out, including your self and feeling expression difficulties.

Mansion World 5: is then about going right into the depths of them, feeling how unloved you feel and seeing how unloving you are and how that makes you feel, bringing out the majority of your pain, your misery, fear, anger, guilt, hatred, boredom, terror, rejection, nothingness, feeling powerless, alone and abandoned, and so on.

Mansion World 3: is for waking up to the truth that you're not loving and starting to get in touch with your pain, starting to accept your bad feelings, starting to work with them instead of rejecting them.

More than 200 billion personalities have embraced their mind and self reliance through the misguidance of 'New Age' styled ideologies and the many thousands of different religious platforms, all of which take the person further and further away from our Heavenly Parents.

For a million years, humanity has gone in the wrong direction with its self-denial of self and feeling!

I'D TURN BACK IF I WERE YOU!

The Natural love spirit Mansion Worlds as to how they have been for all these hundreds of thousands of years and as they are set up currently, are to help spirits advance to the fullest of their self-denial that they can. That is, so as to become as evil as they can. And all under the guise of being 'loving'.

It's why they are called the mind worlds, namely Mansion World / spheres 1, 2, 4 and 6. That is because the spirits are using their minds to complete their rebellion – denial of self and feelings, and rejection of our Heavenly Parents as well their Creator Son and Daughter. So yes, the top of Mansion World sphere 6, spirits are the most evil, the most in rebellion, the most in default, the most wrong and unloving and untrue, even though, they appear, because they've trained their mind to do so, to be the most loving, but it's all false and contrived – such as the Eastern gurus. Total mind over feelings, blocking all the bad ones and using your mind to only make you feel good.

Typical of those on their way up in the mind worlds are not open to anything, they do not want to know about feeling bad and going with their bad feelings looking for their truth, because that scares them, that's not nice, that doesn't make one feel good, it threatens their control, they reject that preferring to stay in their nice safe space. Which is how it is for these Natural love mind spirits using their minds to control their feelings.

We've all got to take responsibility for our evilness even though we were made to be that way and rebel by default, but there is no getting away from it, and it has to be compensated right to the last farthing, which is what being in the hell planes is all about, and which keeps being applied right the way through the Mansion Worlds. **In the mind worlds you can continue to use that inner pressure requiring compensation for your bad deeds, to further contrive love and pretend you are all holy and loving and not hurting anyone anymore, which on the surface of it you are not, but underneath still are, all the way up through to the sixth world; or, you can allow it to keep working on you right the way up through the Divine Love Mansion Worlds doing your Healing.**

And apparently what's going to happen is the Natural love mind Mansion Worlds are going to be divided, so within them, there will be spirits doing their Feeling Healing – without the Divine Love, and still limited to the sixth Mansion World, but looking to be true and end their rebellion. And then there will be those still carrying on denying themselves as they have always done. So you will have spirits in the Feeling Healing Natural love sectors that will truly perfect their Natural love; and those spirits still in the mind sectors perfecting their wrongness. The opposites or extremes living side by side. And then you'll still have the Divine Love Healing Mansion Worlds, being spheres 3, 5, and 7, doing their Soul Healing.

And as for a summation: "Divine Love Mansion World / Sphere 3 is the waking up to the truth that one is not loving, also their being a lot of assistance. Sphere 5 is then about going right into the depths of feeling how unloved you feel and seeing how unloving you are and how that makes you feel, also this a time when one can then progress and manage their own progress through their Feeling Healing. Sphere 7 is then about still working with the deepest and residual bad feelings, whilst looking to sort out how you wrongly relate to yourself and others, nature and God because of being unloving, this is a time

of great realisation and comprehension with much of the prior experiences starting to be drawn together.”

Mansion World 3: is for waking up to the truth that you're not loving and starting to get in touch with your pain, starting to accept your bad feelings, starting to work with them instead of rejecting them.

Mansion World 5: is then about going right into the depths of them, feeling how unloved you feel and seeing how unloving you are and how that makes you feel, bringing out the majority of your pain, your misery, fear, anger, guilt, hatred, boredom, terror, rejection, nothingness, feeling powerless, alone and abandoned, and so on.

Mansion World 7: is then about still working with the deepest and residual bad feelings, whilst looking to sort out how you wrongly relate to yourself and others, nature and God because of being unloving, understanding how your relationships are unloving, how you don't connect properly, how unloving you really are and why and fully accepting the truth of it, coming completely to grips with your parents not loving you as you needed to be loved – sorting it all out, including your self and feeling expression difficulties.

It is agreed that the lower worlds are about waking up to what's involved, however from then on it depends on how it's all structured for the individual in their negative state as to how much ongoing assistance they might need. Some need help all the way along, whereas others have been able to work with their feelings, themselves, right from the beginning.

And yes, each of the Divine Love healing Mansion Worlds, 3, 5 and 7, are equally painful to work through, just focusing on different aspects of yourself and your Feeling Healing with Divine Love. And then in the higher planes of the 7th world comes the transition, where one's pain starts to end, and you start feeling so much better about yourself, you are fully accepting of your negative unloving state, you are fully unloving although even starting to become more loving – truly loving, of yourself, God, and then other people.

Then onto the Celestial Heavens by progressing into Sphere 8 and then onwards further, all the way home to Paradise.

Maybe something like 6 billion people have recognised that our Mother and Father's Divine Love, together with embracing one's Feeling Healing, that with these two aspects, have progressed through the Mansion Worlds to the Celestial Heavens and onwards.

More than 200 billion personalities have embraced their mind and self reliance through the misguidance of 'New Age' styled ideologies and the many thousands of different religious platforms, all of which take the person further and further away from our Heavenly Parents.

The 1st and 2nd Spirit Mind Mansion Worlds / spheres are jammed to the rafters.

For a million years, humanity has gone in the wrong direction with its self-denial of self and feeling!

JAMES PADGETT MONCRIEF **REVELATIONS** 1 Commenced 1914
2 Completed 2014

1 Divine Love addresses the issues of the Rebellion.

2 Feeling Healing addresses the issues of the Default.

These two 'headlines' came about from Mother's comments through James.

We are to recognise the degree of the impact that the Default has had on the way humanity lives. That is, it is suggested that the way we remodel our children to become clones of ourselves, the way we suppress their true selves, and cause them to capitulate to be our 'little me's' is a result of the way life emerged directly from the Default some 38,000 years ago.

Whereas the Rebellion, of 200,000 years ago, was the rejection of the Mother and Father as well as our Spiritual parents, Mary and Jesus.

Thus two distinctly catastrophic events.

We need these two events into perspective, if you please. We need to bring these two separate events into a clear comprehensive way of understanding so that the relevance is clearly understood.

This enables the two revelations stand out, and as to why one had to follow the other distinctly.

Nanna Beth: The Rebellion, John, is against the Mother and Father, against Their Love, and Their Truth. It is the rejection of Them, saying: there is no God. It's denying the Personalities that God is. It's rejecting and denying personality interaction, which is all about love. So it's unloving. And to hide that, to pretend otherwise, means the mind has to be used to corrupt one's feelings. To claim: 'I am God, I am love, I am Truth', means I am the only one and all the rest should fuck off and leave me alone so I can get on with my greatness. It's being totally mind-consumed with yourself, with such arrogance, that really you only see yourself in your narcissism, and nothing else and no one else exists.

The sadness of the Lucifer's relationship (Lucifer and his soulmate) is they didn't love each other truly, only by using their minds to pretend they did. Really they hated each other, being so unloving, and had they been true to that, they would have moved to the absolute opposite ends of Creation, there to be in their own greatness telling themselves all day long how wonderful they were – being self-loving the wrong way through their minds. Which is all really: self-hating.

And so we have relationships in which we hate ourselves because we are untrue and unloving, then we come together contriving love for one another, then believe we love God as well and want to do His Will. It's all false, all wrong, all evil, all unloving. That's what we've got to see. That we are rejecting ourselves, and so each other, and God, in every part of ourselves, in every interaction. Really we should be hitting each other continuously on the head, and hitting ourselves too.

The Rebellion is the rejection of true love. Of Natural love and Divine Love.

The Default simply compounds the issue by focusing it all on the relationships. As in, how we live our rebellion is through the Default. Pre-default, humanity was openly rebellious, it was evolving yet lacked personal focus; then with the Default, humanity was able to take it into all that it's become. So we're all living out the truth of Eve and Adam's rebellion, which equals their default.

To heal the Default in us means we have to see the truth of all our unlovingness in our relationships with ourselves, each other, with nature mostly through our relationship with our pets, how we treat animals for food, and the desecration of the environment, and with our Mother and Father. There are lots to it.

And as we see this, it takes us into dealing with our rebellion. We chose to not be loving when we uncover through our feelings the truth of how unloving we are. We chose to live true to our Natural love and the Divine Love, so true to ourselves and our Mother and Father. And these are not mental decisions, they are feeling ones, you want to go that way because you feel it's right and good for you, which it is. You feel you don't want to be unloving because it's not right and bad for you, it feels bad.

So in the expression and depths of our feelings, and particularly our bad ones, we can feel how being unloving makes us feel, and we slowly want to be the other way. Which can be difficult because we don't know how that other way is, never having been wholly or truly loving; but you long for it, you want it, knowing it's a possibility and reality that can somehow be achieved. So this is really 'willing' it, willing ourselves to be loving, and ending our willing ourselves to be unloving; and our soul and God complies with our will and so gradually changes us from being unloving into being loving.

I think to help you summarise it, you could simply say: **The Rebellion is against love, the Default is all the difficulties we have in our relationships because of our rebellion. Healing the Default is becoming true, to ourselves and in our relationships, and ending our unlovingness – our rejection of love, so ending the Rebellion.**

I hope this helps John, it might be a bit much, however I put myself back in it as I was, so James could relate more to it as it was important for him to make the will-connection in it as he did.

There is a lot to be talked about and truth seen concerning both the Rebellion and Default, with every person and spirit making their contribution to it as they uncover such truth within themselves. So it's for you to take what you will putting it in your own words. So if you still don't understand some aspect, please ask.

James: I want to add here, something Marion was talking about last night. It's true technically that we are evil and bad and hate, that all having been put on us by default – we didn't ask for it. So in that light, it's not right to keep hating and blaming ourselves for being bad when we couldn't / can't help it. All we can do is accept how we are, whilst seeing the truth of it through our feelings. If we don't like all we see, we express those feelings, even though they make us feel bad, but we don't have to endlessly punish ourselves for being as we are because of what other people did to us.

PROGRESSION THROUGH THE SPIRIT MANSION WORLDS:

Tuesday, 26 December 2017

James: Thank you Nanna Beth, I want to ask you about that's to do with our Healing and where I or someone else like Samantha might be in it relative to the different Mansion World levels.

Nanna Beth: I can read what's in your mind James and will answer accordingly.

Although the Mansion Worlds are divided as you understand, still all spirits, and people on Earth, need to work their way up through all of them. So as you were thinking, a spirit might be in the fifth Mansion World or truth equivalent to that world as a person on Earth, yet being in that world also means the spirit or person has to also work through the fourth level Mansion World and truth equivalent.

So it works like this:

In worlds 1, 2 and 3, the spirit or person decides to progress in self-awareness to a certain degree. If one is wanting to advance one's mind control and so rebellion, one moves through these levels becoming gradually more aware that they can control themselves by using their mind. They will see that certain controlling beliefs are not actually helping them achieve what they want – ultimate mind-mastery (over themselves – their feelings, which they don't understand it is), and so set about using their mind to correct such wrongness. And as they do, they progress, moving into the second and then forth world, yet also doing all that needs to be done in world three to do with increasing such mind control.

Then they move from 4 to 6, yet also doing all that was in 5, although not actually living in the fifth Mansion World. So they do all they'd ordinarily do in 5, part in the upper levels of 4 and part whilst in the lower levels of 6.

And so for people and spirits wishing to give up their mind control looking instead to their feelings and with the Divine Love, they progress through the odd numbered worlds 3, 5, 7, yet within those worlds also doing all they would have done in the even numbered worlds. So whilst in 3, you do 2 and some of 4, in 5 you do the rest of 4 and some 6, and in 7, you complete 6.

So as you see, which is what you were getting James, it's not so readily defined, you can't say simply you are in world 5 or 7 and only that world, it's more blurred for you all in flesh, it being more defined in spirit because you at least have to live in the appropriate world.

And as you also suspect, it's something else entirely different from just which world you're in, and that's because it's really set out on the psychic level of the personality. It's the interplay between the mind and feelings all based around the will – that being, are you willing yourself further into your rebellion; or willing yourself out of it by doing your Healing. Thus the separation between the mind and feeling Mansion Worlds. Then within that, at what level of relationship between your true soul-based or soul-inspired, your real feelings, are you living, and the lessening control your mind has over them; as opposed to its increasing control, being able to control and so contrive your mind-based feelings, your mind-derived ones.

Overall you have experienced that the lower worlds, including world 3 with the Divine Love, are about increasing the awareness of your state, understanding that you are not happy and want to do something

about that – either setting out to further advance your mind control, or get serious about and fully commit to giving it up.

Then through the 5 level (including 4 and lower 6) is about bringing out most of your repressed emotional pain, so your anger, misery, fear, guilt, heartache, pain and so on, emotional trauma, all whilst you break down the controlling beliefs that keep such emotions and feelings repressed and under control.

Level 7 (including 6) is about resolving the deep psychological issues, behaviours, mental beliefs and patterns, that underlie and constitute your controlling mind. As well as bringing more to light the deep pain of your trauma of being made to go against yourself. And then ending all the compulsions and addictions that result from such trauma being maintained by such deep controlling beliefs, that part you're about to move into yourself. You are currently sorting through many of your psychological patterns that underpin your whole negative state, finally being able to see them for what they are, how they were put in place and the damage you are doing to yourself by maintaining them.

All, all the way through. Your self-awareness is always increasing, as are still repressed emotions surfacing, as you move into the upper 7 levels, yet they just don't happen as much or be the main focus, you are not as consumed by them; and as you express them, they lead you quickly into helping you see more the hidden controlling psychological patterns and resulting behaviour on an emotional and mental level, and how they relate to each other.

Then when you get into the Celestial spheres or the equivalent on Earth, you keep working on the psychological levels and relationship between mind and feelings, but all in a positive loving way, thereby putting into place the true and loving behaviour reflecting such perfection. This being the main focus in the first three Celestial spheres.

And through your Healing, as you've progressed up through the Mansion Worlds, you are doing some of this as you're perfecting yourself and becoming more aware of what's wrong with you, however the main focus of the Mansion World levels is to become wholly aware of how your childhood was. And so in our cases, fully aware of all our negative state. So as you understand, the more you progress, the more in some ways you feel worse or a different bad compared to how you felt when you started off, because all 7 worlds are all about bringing to light all your wrongness on all the levels and all how bad being so wrong makes you feel. And so although in some ways you do feel better about yourself, that is really only to then help you feel even worse. You needing the better feelings to help show up the worse deeper aspects and levels. So the good helps you to feel bad in this way; whereas once you've crossed over into perfection and are Celestial, then the continuing good makes you feel even better.

So it's to understand that your Healing is not about fixing yourself up so you no longer have that pain or trauma or wrong belief and behaviour, but to express out of you all the pain such bad things are making you feel, which then helps you to see what is causing you such pain on all the different levels. And moving with the inner adjustments as you bring to light the whole truth of your unloving way of being. And when the whole truth has been seen, you know how wrong and bad you are, you feel connected with it all and have expressed all the repressed emotion and feelings of it, you've broken down and let go of all your controlling beliefs and associated behaviour, then your Healing will end. And you will in fact, feel good about feeling bad, feeling good about being of the wrongness, seeing it was all right as it

was, even though you were all wrong. And then it will all change and your whole system will reverse, as you start to express yourself perfectly, truly and lovingly, rather than how it has been, imperfectly, untruly and unlovingly.

I'll be in touch, bye for now – Nanna Beth.

James: Thank you Nanna Beth.

I was reading something about The Urantia Book and they included this quote. It's one of the gems that quickens the blood of all those who want to see something change:

Religion does need new leaders, spiritual men and women who will dare to depend solely on Jesus and his incomparable teachings. If Christianity persists in neglecting its spiritual mission while it continues to busy itself with social and material problems, the spiritual renaissance must await the coming of these new teachers of Jesus' religion who will be exclusively devoted to the spiritual regeneration of men. And then will these spirit-born souls quickly supply the leadership and inspiration requisite for the social, moral, economic, and political reorganization of the world. [Paper 195:9.4, page 2082:9]

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God's soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of your Mother and Father.

LIVE FEELINGS FIRST

PAUL – CITY of LIGHT:

by James Moncrief

‘Where is this world, the first natural love spirit world, and all the others you speak about?’ he asked between mouthfuls.

‘It’s nowhere to be seen in the starry sky you see at night on Earth.

‘It is of a higher vibrational resonance of light and truth. This world and all the others exist at higher frequencies than your material world. Just as you can hear only within a certain frequency range but dogs, for instance, can hear higher frequencies of sound, so does the Earth exist in one ‘zone’ of light and truth and the other spirit worlds in higher zones.

‘All of the frequency zones are material and spiritual, and it is through these that Creation is structured. Earth is the lowest zone; Paradise the highest.

‘Each world has a unique frequency or tone of truth by which it lives. Truths are the signposts on the journey upwards in frequency. As you grow in truth you grow in *light frequency* and the higher light frequency the more you can fully express yourself as a loving child of God. Once you have outgrown the truth of this world you will have to move onto the next, in spirit you always move progressively higher, however you can travel back down through all zones or worlds if you need to. And only under special circumstances can you travel to a world higher than your own level of truth before you have evolved yourself to its level. When you have lived all the truth on this world you’ll then need to move up to the next to continue having more experiences in that world so as to keep evolving in truth.

‘Truth is what gives our lives meaning and substance. Without it you can feel very lost, purposeless and uninspired by life.’

‘So I can grow in truth on Earth and at the same time I am growing through the higher worlds of spirit without being there.’

‘Exactly.’ Zeta replied.

Golden Rule: that one must always honour another’s will as one honours one’s own.

By living true to ourselves, true to our feelings, we are living true to God. It’s that simple.

Quantum Jump 1

REVELATION 1
James Padgett 1914 – 1923

James Padgett bravely introduced the availability of the Mother and Father's Divine Love and a great deal of additional guidance and information, all of which has been supplemented by Samuels, Judas, Reid and Arnold. All writers were under restrictions of personality and circumstances. Revelation 1 opened the door for humanity.

Quantum Jump 2

REVELATION 2
Marion and James Moncrief 2002
– ongoing

Marion and James Moncrief have recognised the need for one to engage in Feeling Healing and, by their actions, removed restrictions that James Padgett and others above endured, thus JM is able to critique the writings of the past 100 years resolving points of confusion as well as expand on what has been written. Revelation 2 is humanity's turning point.

Due to the extra-ordinary nature of Revelations 1 and 2, humanity with the first Revelation would have continued on into its negative pathway of living, however, combining the first Revelation with Revelation two, now humanity can embrace this turning point and commence its evolutionary growth that has required two thousand years to put in place. This is the greatest event in the history of humanity and very few are aware of such, until we enable others to become aware.

FEELING HEALING + SOUL HEALING

To heal one's self is to simply look to see what feelings we are refusing to let ourself feel, and accept them instead of denying them. And to fully accept them, one needs to express them, speak about them, let them have their say, rather than pushing them aside, refusing to let them make you feel bad.

Doing this all with the intention of seeking the truth of why you are feeling them, of speaking about and expressing all such feelings; all feelings you have, but ALL WITH the INTENTION of UNCOVERING the TRUTH THEY WANT YOU TO SEE ABOUT YOURSELF. And it's the wanting to see the truth of them that is very important, because if you just look to accept them and speak and express them, but not seek their truth, then that's all you'll be doing, speaking and expressing them, but not healing their causes, so not fixing the things within you that are making you feel bad. And it's the truth part of it, seeking the truth of your feelings, and so, seeking the truth through your feelings, that's vitally important. It's the truth of yourself, life, nature and God, that is the spiritual aspect to it all.

You CAN'T find the truth of yourself, or anything else, through and with only your mind. You HAVE to engage and look to your feelings. And so if you choose to allow your feelings to 'Show You the Way', then the truth will come as you express them. So to do our Soul-Healing consists of these steps, all of which are ongoing until it's done:

- **Admit you are feeling bad.**
- **Accept your bad feelings, identify what they are.**
- **Honour fully your bad feelings by expressing them, speaking about them to someone who is willing to hear you talk about them, or tell them out loud to our Heavenly Parents. Long for the truth of them. Long for the truth of why you feel bad – what deep within you is causing your bad feelings?**
- **And remember, bad feelings are Good! Not bad. They are not to be despised. And as hard as it is to accept them, they are still you, and a very real part of you. And if you persist in denying them and not allowing yourself to fully live them, then you are only going to keep yourself in your errors making things harder for yourself.**
- **All sickness and suffering, all bad things that happen to you, all your problems, all your addictions – your whole feeling-denying and untrue life, is all caused by your denial of bad feelings.**
- **Every problem in the world is brought about because everyone has been brought up to deny feelings, and in particular, most of their bad ones.**

If one is intent on spiritually evolving and growing in truth, then it's vital, and this is the key, that one looks to use one's feelings as the means to gain and have access to the truth of oneself. You CAN'T find the truth of yourself or anything else through and with only your mind. You HAVE to engage and look to your feelings. And so if you choose to allow your feelings to 'Show You the Way', then the truth will come as you express them.

Doing your Soul-Healing with the Divine Love, is really doing your 'Feeling-Healing'. We are designed — created — to be self-revealing of truth, and so we are all to uncover the truth within ourselves and for ourselves, and all being done by living true to our feelings. **If you accept, express and seek the truth of your feelings, then truth will come to you, and you'll grow spiritually. It's as easy as that. Also it is as easy as it is to long for, ask for and receive Divine Love.**

THE HEALING OF YOUR BAD FEELINGS THROUGH THEIR ACCEPTANCE
AND FINDING THE TRUTH OF THEM, IS THE ACCEPTANCE OF YOUR
NEGATIVE, REBELLIOUS, EVIL, IMPERFECT MIND AND WILL CONDITION.

To do our feeling-healing we need to become:

Aware of – Acknowledge – and Admit, our bad feelings.

So we can:

Accept – them and allow ourselves to Be them.

And then if we feel to, take:

Action – Express, speak and emote them.

Talk about them.

All being done whilst longing to, really wanting to, see the TRUTH of our feelings.

So it sounds simple.

So I repeat:

We accept our bad feelings by expressing – speaking about them to someone willing to listen to us and take us seriously. And as we speak we long for the truth of them – why we are feeling them – to be made known to us. And when we uncover and see the truth we are FREE! – healed of the causes that have made us feel bad.

Accept, Express – see the Truth, and you're Free!

ACCEPTANCE OF ALL YOU FEEL, THINK AND ARE, IS THE KEY TO DOING
YOUR HEALING; THAT, AND WANTING TO SEE THE TRUTH OF ALL YOU
FEEL, THINK AND ARE.

Release one's pain through expressing one's feelings.

Prayers to our Mother and Father

From 'Religion of Feelings' by James Moncrief

Please Mother and Father help me accept my untrue state and bring up all my repressed feelings so I can see the full truth of why I feel so unloved and all that's wrong with me.

Please Mother and Father help me see the truth of myself through my feelings.

Please my beloved Heavenly Parents, fill my soul with Your Divine Love. I long for Your Divine Love; please answer my prayer and yearning to be at-one with You and do Your Will by living true to myself and all my feelings. Please fill my heart and soul with Your Divine Love – please make my soul like Yours – Divine.

Please Mother and Father, I want to uncover the whole truth of myself through my feelings. I want to be able to feel and accept just how bad I am, how bad I feel I am, how bad I've been in my life. I want to know the whole ugly truth of myself, see it and feel it and understand how I came to be it. Please reveal to me through my feelings all the truth of myself You want me to see. I want to be as You want me to be; I want to be true and perfect, Healed of all my rebelliousness and self- and feeling-denial; I want to be good, loving, true and happy, please help me become true to myself, true to my soul, true to You.

Please Mother and Father help me, I'm in such bad pain, I feel so alone, so miserable, so scared, what's going to become of me, I don't understand, what's the point of me, why have You made me; please help me see the truth of myself – all the truths of myself, nature, how to be in the world, of You both. I want to know, I want to know it all through my feelings, all that there is to see, the whole truth and nothing but the truth. Please help all my pain come to the surface of me so I can embrace and accept and express it out of me. I want to use my feelings to uncover the truth they are to show me; please help me to do that.

Please Mother and Father love me. I want You to love me. I want to feel fully loved by You. I don't want anything else, only to be with You. Please, that is all I am asking.

Please make me feel how unloving I am. Please show me the horrible truth that I am. I want to see and feel and understand the worst of me, please take me into my darkest scariest ugliest unwanted rejected places within myself. I don't want to feel all the dreadful pain that I know is there locked away inside me, yet I do also want it all to come up and out of me, and I want to use it to see the truth of my wrongness, the truth of how evil I am, the truth of my fucked up state. I no longer want to be false, pretending I am okay, using my mind to make me falsely believe I am good, happy, loved and loving, when I know I'm not. For how can I be when You've brought me into my unloving state, making me be of it. And as You want me to experience being this negative way, please show me the whole truth of it. I no longer want to deny any part of myself, or any of my bad feelings. I want them all to come up so I can express them, emoting their pain, feeling how bad You've made me feel all my life and all through my early life; I want to see why, and so reveal all the truth to myself. I want to be the living truth of myself, living true to my feelings and the truth they give rise to. Please help me to do my Healing, and please fill my soul with Your Divine Love.

The mind way is the 'dead' way; the feelings way is the 'alive' way.

Examples of some prayers to God:

From 'Feeling Healing' by James Moncrief

Please God show me the truth of myself through my feelings.

Please help me see the truth about myself You want me to see.

And please help me feel all my repressed pain; please bring up all my bad feelings so I can express them and see what it is they are to show me about myself, my life, and You.

And please help me work through my blocks, I want to Heal myself, I want to become true to myself and true to my feelings and true to You – please help me do that.

Heavenly Mother and Father, I feel so bad, and I know I'm doing it to myself, but I can't help it. I can't stop my compulsive addictions, so will you please bring up the buried feelings in me and show me the reasons why I can't stop. Please! I want to know – I REALLY WANT TO KNOW why I do them. Please help me Mother and Father to uncover the truth of myself. Please, I beg you, please, please, please show me the truth of them so I can give them up. I hate feeling bad, yet I know I must so I can keep expressing my bad feelings to see the truth You want me to see, so please help me feel bad.

Please Mother and Father fill my heart and soul with Your Divine Love. Please give me Your Love. Please love me and make me feel loved by You. I want to feel You close to me, I want You to hold me, make me feel loved by You. I only want You and to do Your Will. Please help me bring up all my repressed feelings so I can express them and uncover their truth. Please help me do my Healing. Please give me Your Love.

I hate you Mother and Father; why have You given me such a shit awful life? I hate myself, I hate You, I hate everything about my life. I feel so bad all the time. I've expressed so many bad feelings and still I feel bad. It's not fair, it's not fair what You've done to me. I hate You! And I want You to help me Heal myself, so I can stop feeling bad. You put me in the shit for whatever reasons, and I want You now to help me get out of it and show me what it's all been about. Please help me to Heal myself so I no longer hate You.

I long for Your Divine Love Mother and Father. Please fill my soul with it. And please help me uncover the truth of myself through my feelings. I want to see it all! And please make it all end, I'm so tired of always feeling so bad, please take all my bad feelings away by making me feel them and showing me the truth I am to see.

Feelings First Spirituality, The New Way

Feelings First Spirituality, The New Way is a contemporary ‘religion’ based on living true to yourself through your feelings. Understanding that all you need in life is contained within your soul and is shown to you through your feelings. And by loving your feelings, by attending to them properly (talking or writing them out of you) and not denying them, you can use them to uncover the truth of yourself – the truth of your soul.

Feelings First Spirituality is not a formalised religion that tells you how to be, that is too controlling and is actually bad for you, limiting your spiritual growth. You can be wholly self-revealing of the truths you need to be, being the person God created you to be, all by living true to your feelings.

Feelings First Spirituality has no formal structure because we understand we don't need one, our soul contains within it all the truth of our spiritual ascent. If we look to our feelings for the truth they want us to see about ourselves, nature and God, then what more do we need! Our true spiritual path is the path our feelings will lead us down, that is, provided we allow them to. This is the most spiritual we can be.

Living the New Way of Feelings First Spirituality

You come to the understanding from your life experiences that how you are is not right, it doesn't make you feel good – that you are wrong in some way. And you want to change yourself, you want to become right, true and perfect – you want to be like God is.

And to do this you need to do your Healing

Your Feeling-Healing is looking to your feelings for the truth of yourself, the truth being hidden in many of the feelings you are not wanting to face in life. So you have to end your feeling denial, accepting all your bad feelings (and good ones), express them (yet not necessarily acting upon them), whilst longing to uncover the truth they are to show you.

Or, you can do your Soul-Healing, which is your Feeling-Healing together with including longing directly to God for God's Divine Love. When you receive the Divine Love into your soul, it will cause your soul to become divine, and it will deepen your personal relationship with God. Long with all your heart to God for God's Divine Love.

Feelings First Spirituality **The New Way**

<p>By living true to ourselves, true to our feelings, we are living true to God. It's that simple.</p>

FEEL *for* TRUTH

The beauty of it all, is the truth comes to you through your own feelings. You don't need to be told it by anyone. You can work it all out for yourself. We are self-revealing of truth, its how God created us to be, and by being it we'll feel the happiest we can feel. Truth is our great comforter, so when you feel it come up within you, ah it feels so good and you feel just right – perfect!

We know only how to deny feelings, now we can get to know how to accept them. And always with the truth being the most important part.

FEELING TRUTH

If you don't want to uncover the truth of your feelings, then you can keep on expressing them forever but you will never fully heal yourself. Seeing the truth results in the Healing. And to see the truth you need to express all the pain out of you. The two things go hand in hand.

You can accept and express your bad feelings, letting off steam all day long, yet nothing will heal and nothing much will come of it. So this is where wanting your feelings to show you the truth of why you're feeling as you are is so important.

Don't go fishing with your mind, that will shut the truth out from rising up for you. **KEEP YOUR MIND OUT OF IT.** It's a feeling thing, doing your Feeling-Healing. (This is where we erred previously, and this how other modalities are in error.)

You long when you can, then stop longing and keep expressing. And at some point, and it might not even happen immediately, it might happen after days or weeks of expressing the same bad feelings, truth will come to you. And it does, it just comes up suddenly into your consciousness. You just know. You see the picture and you feel it's true. And you know it's true. And THEN your mind can come in and start sorting it out and putting in context.

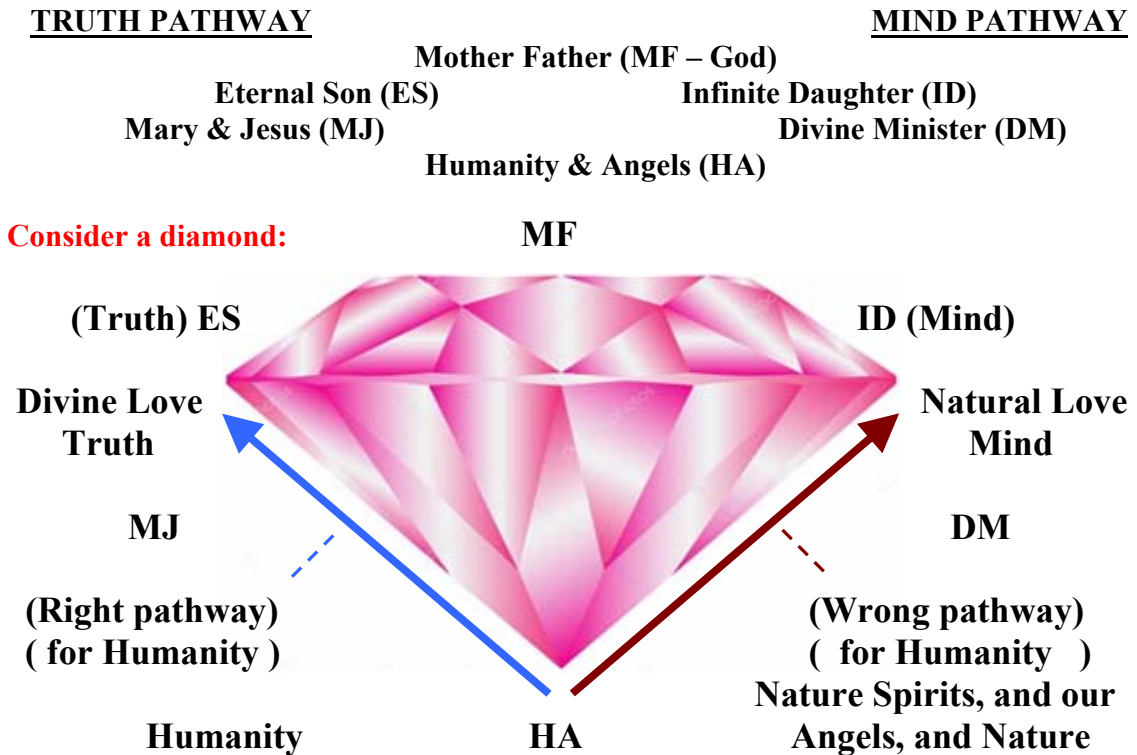

It's the Truth that we are seeking. It's the End Point. The Reason for doing your Healing. You are to see the whole Truth of yourself. And to begin with, that's the whole truth of your unloving self, of your wrongness, of your evilness, of why you are as you are in your negative unloving mind-controlling state. To be able to fully accept yourself as you are, warts and all. To not fight or resist or try and change yourself, just to accept all you feel and all the truth of all those bad feelings you feel about yourself. And when you do, so you will be healed. You CAN'T heal yourself unless you uncover the truth of your pain, suffering and so the truth of all your bad feelings.

Through our Feeling-Healing we long for the truth of what we're feeling whenever we can. So as often as you can. You want, and REALLY WANT WITH ALL YOUR BEING, ALL YOUR WILL, to know why you are feeling bad. You yearn, want, long and beg and beg and BEG God to show you the truth of yourself through your feelings. So when you are expressing your bad feelings you can stop and long for the truth to show you what's going on, why do you feel so bad, and you can do it any time you think of it or feel to do it.

Notes from 'Feeling Healing' by James Moncrief

Heartfelt TRUTH

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God’s soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of your Mother and Father.

Humanity is to pursue the pathway for Truth through one’s soul based feelings, this is the right pathway. However, humanity commences its journey founded on natural love, which we now know is to be perfected through one’s Feeling Healing process and then made divine through asking for and receiving our Heavenly Parents’ Divine Love.

For 200,000 years, **humanity** has pursued the pathway of the Mind, being that of the brain, this is the wrong pathway. The Mind is the pathway for Angels and that of all of Nature.

1 Divine Love addresses the issues of the Rebellion.

The availability of Divine Love, should we so ask for it, being revelation 1:

God's Divine Love: Pray for it, ask for it, and receive it.

Whilst we are receiving our Heavenly Parent's Divine Love, and that this Love is causing change within our soul and spirit attributes, the greatest Truth known to man and spirit is that this is the way our Mother and Father are actually loving us! When we progress, it is the Mother and Father's way of loving us into love and then we live what we are, love.

2 Feeling Healing addresses the issues of the Default.

The way to clear one's soul of childhood errors and injuries is revelation 2:

To liberate one's real self, one's will, being one's soul, is begun by embracing Feeling Healing, so as to clear emotional injuries and errors. With the Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

Release one's pain through expressing one's feelings.

in conjunction with

Longing for the Truth when also longing for Divine Love.

God is God, who is our Heavenly Mother and Father, being SoulMates. There is only one Soul that is God's Soul, that being the Soul of our Mother and Father. Our Heavenly Parents are the First Soulmates; The Two Who Are One who have brought us all into being.

Jesus and Mary are a son and daughter of God.

Jesus of Nazareth and Mary of Magdalene, being soulmates, were both free of sin. Jesus and Mary, combined in their love for us, are our teachers and guidance for us to find our way home to our Heavenly Parents. To start this journey we are to liberate our souls from being entombed within our suppressive minds, through feeling and longing for the truth of our feelings via our soul and peel away our injuries incurred since conception.

Give yourself time to consolidate your relationship with the Mother and Father through the partaking of Their Love. And whilst you are doing this, you can learn about your healing, all that's involved with it, as there are many willing spirits to share their healing experiences with you.

When you are ready it will start happening simply because you will want it to, it all being orchestrated by your soul. And when that time comes you will have developed a strong foundation in your relationship with the Mother and Father for you to work from. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

It is to make longing for God's Love the priority, and then do one's healing; should one want to include God and the Divine Love in one's feeling healing. This is doing your soul-healing as you are seeking to heal your soul of all evilness – of that which made you become evil, and release all the hurt and pain of not being fully and truly loved.

WE ARE Children of God

SPHERES 1 – INFINITY:

As we progress through the spirit worlds we will advance, plane by plane, then sphere by sphere, towards our Heavenly Parents, as follows:

No matter what our soul condition may be, we will start our journey by firstly arriving in the first natural love sphere. That is where our soul which is within our spirit body, is drawn to promptly after the death of the physical body. This occurs well inside the first three days of separating from our physical body. We are welcomed into a very pleasant environment that is very similar to pleasant locations here on physical Earth.

Should we have been following a natural love based faith and pathway then we will continue on that way through the 1st, 2nd, 4th, and 6th natural love spheres in the spirit world. Progress based on natural love has the ceiling of the 6th natural love sphere. Without Divine Love we can go no further.

Should we have become aware of Divine Love and begin to ask for and receive same, then we will progress through the 3rd, 5th, and 7th Divine Love spheres in the spirit world and then have the opportunity to progress further through the Celestial Heavens, then into the Eternal Spheres, and then ultimately into the Spheres of Paradise where our Mother and Father resides.

No matter which pathway we have adopted, should we have serious compensation to deal with, then we may find ourselves having to address these affairs whilst having been drawn into the darker planes of the 1st sphere is where many find themselves. Should they be drawn to the 2nd dark sphere then the issues they need to resolve are more severe. The 3rd dark sphere is the most drastic situation that one can find oneself within. As we begin to love ourselves and the Father then our progress out of the dark spheres begins.

Transfer between one spirit body sphere to another is through a single gateway for the adjoining sphere.

The natural love spheres and hells (Planes of Disharmony) are to the left of the above diagram. The Divine Love sphere, still being the 1st sphere, and of similar size to the 1st natural love sphere, is of a brighter luminosity than the natural love equivalent, is to the right of the diagram. Even within the 1st sphere condition, the difference between those growing their natural love to those growing their Divine Love is apparent.

“Never can one man do more for another man than by making it known of the availability of the Feeling Healing process and Divine Love.” JD

The radiance of a soul in good condition is reflected through the spirit body.

A soul in poor condition has very little energy and subsequently is lacking in radiance. The size of the entity is also diminished.

We radiate our own light. Not only when a soul in poor condition is lacking luminosity and energy, its capacity to travel is also significantly diminished, as is its physical size.

This pathway is when the Divine Love is unavailable before perfecting one's soul.

NATURE and STAGES of FUSION:

Seventh stage of Fusion of individuality is the transition from the Eternal Spheres to the Spheres of Paradise. The individual is now fully fledged in their union with God and can travel around the entire soul Sphere that God is and resides in.

Sixth stage of Fusion truly demonstrates how the personality is infused with extended attributes of mind-spirit function as the individual progresses from the Celestial Heaven and enters the Eternal Spheres.

Pre-Incarnational Sphere:

First stage of Fusion is the separating of the soul into two, each soul half being complete on their own.

Fifth stage of Fusion transpires when their natural love changes and one's soul progresses to the condition to be of Celestial soul quality, one enters the Celestial Heaven.

Fourth stage of Fusion involves the Divine Love. This can happen at any time during the natural life experience of the individual. Happens when the Immortal Divine Love enters the attribute of the soul for the first time, either when in the physical body state or spirit body state.

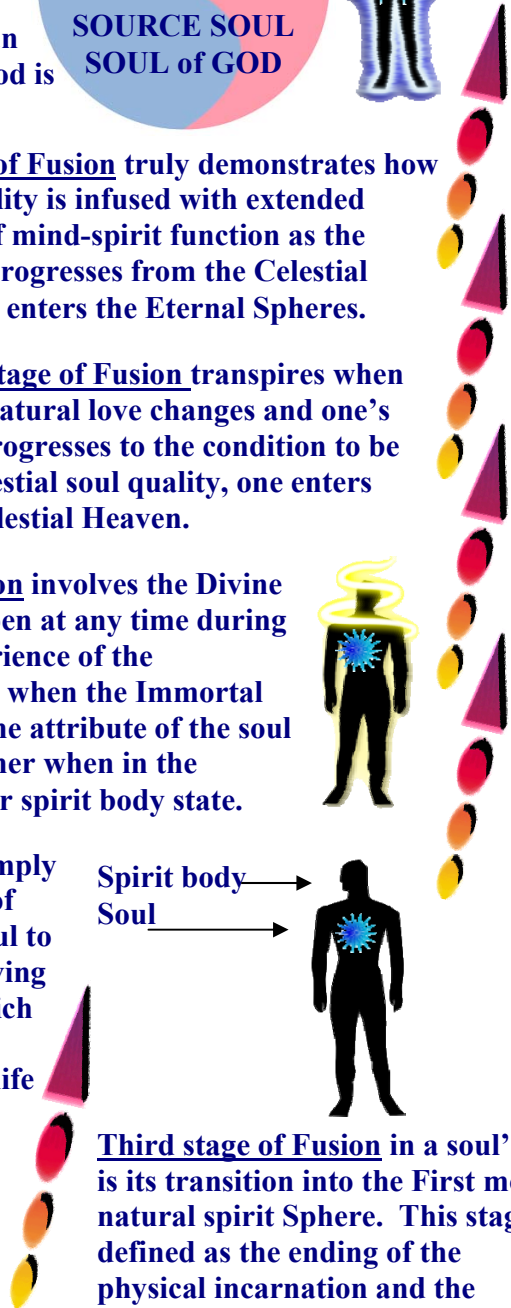

Second stage of Fusion is simply defined by the incarnation of the finite attribute of the soul to acquire a spirit body and living attribute of personality, which commences the finite soul's individualisation of mortal life experience.

Spirit body →
Soul →

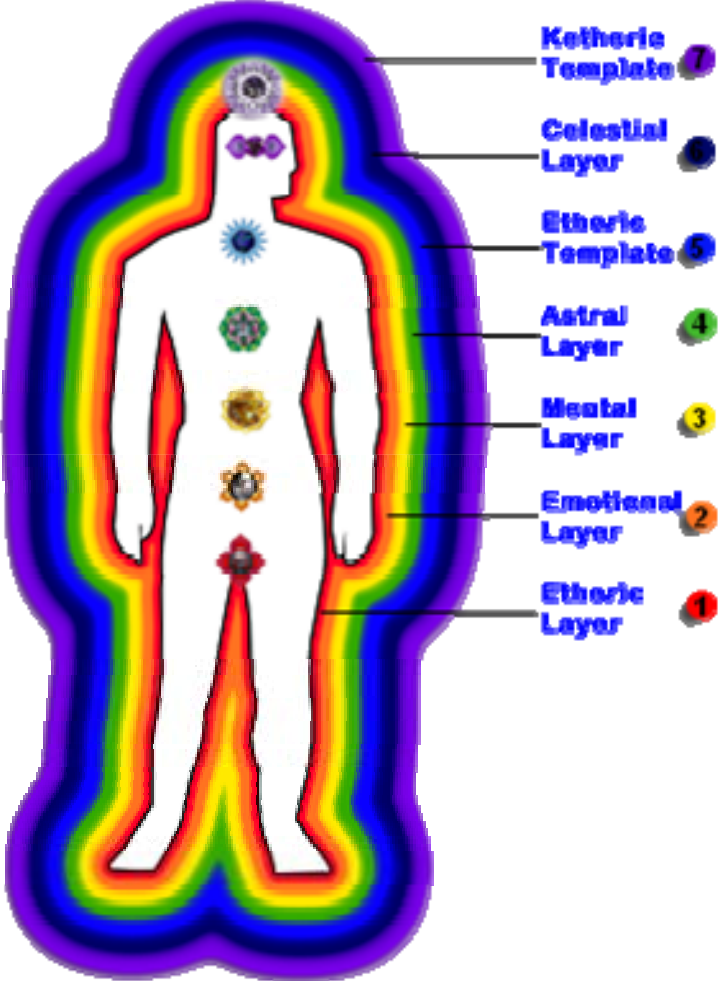

Third stage of Fusion in a soul's life is its transition into the First mortal natural spirit Sphere. This stage is defined as the ending of the physical incarnation and the beginning of life in the spirit world.

Where is the 1st Natural Love Sphere?

Every thing has a spirit body. Spirit bodies are the templates for atoms, the template for leaves, the templates for our physical body, the template for our solar system, the template for our universe, the template for our super-universe. In fact, the spirit body for our Creator embraces all matter, all that is.

POSITION of FIRST SPIRIT WORLD SPHERE:

First Natural Love Sphere (1st Sphere) has a surface area approximately 100 times greater than the surface area of the Earth, or much greater. Thus the radius of 1st spirit world sphere may be ten times greater than that of Earth. The Earth is positioned within the centre of the spirit world spheres. Considering the radius of the Earth (6,371 kilometres) and the distance of the Moon from Earth (384,400 kilometres) then the surface of the 1st sphere may be around 1/6 of the distance out from Earth compared to that of the distance the Moon is out from Earth, or a little further.

“As you proceed away from Earth, upwards, there is no void between any two spheres.” “Each sphere, as you progress, is blended into the next by a kind of borderland.” The 3 Spheres of Disharmony may be in varying stages between the 1st sphere and the surface of Earth, thus creating a negative emotional crust that is further impacted by humanities soul condition resulting in a ‘murky fog’ around the planet.

The GOLDEN LEAF:

by Zara Borthwick & Nicholas Arnold

1st Natural Love Sphere – Approximate Location:

February 11th, 2008

Hello Nicholas, it is most beautiful to be with you and Zara and all those reading on the awareness of Divine Love. There are many spirits present, and as each individual commences to write there is much Love in the Father as everyone listens and this is the hush of the Heavens.

Early in our work, I said I would write about the Spheres. The Father has created the material Universe and this is like a physical body. **Like all physical bodies, the physical body exists within a spirit body.** The physical Universe exists within the attribute of spirit that emanates from the Father and is like a spirit body. This attribute of spirit is present and able to be present in all forms of physical energy and there are Laws present that contain the workings of the material Universe. All is in harmony with the Father even though elements of energy move. **Each physical body surrounded by a spirit body has a soul. The physical Universe surrounded by the spirit of the Father in and throughout it all, has a soul that is central to it and this is the Father's Soul. The Father's Spirit presence is inclusive of all that the material Universe is, in context with all other material Universal structures and this is the existence of other Universes.**

We know the teaching "a river flows no higher than its source". The physical Universe being the river does not exceed the Eternal presence of the Father. The Father has never created anything that exceeds beyond the Eternity of His own Soul. **The First Sphere is enormous and is inclusive of the whole orbit of the Sun, however being of spirit, it is more in a straight line than an actual orbit.** This enables all souls to find their way into the First Sphere to become a spirit. **These spirit Spheres exist as an identity and reality of spirit structure and are enormous and expansive in size and they are in the 'in' of space.** By this, I mean if you could peel back the physical energy of the Universe and dive in, you would arrive in the Sphere. The best example is exactly like the space that exists in the spirit body where the soul of a person is. **The boundary of the spirit body does exist, yet one cannot see into it with one's own mortal eyes and what one does see is only the boundary of their physical being. To use this analogy the spirit Sphere, the first Sphere is like this surrounding the orbit of Earth around the Sun.**

It does not matter where an individual dies, becoming a spirit. There is a soul's homing beacon attached to the Law of Retraction that guarantees that a soul will cross over into the First Sphere. If a person dies in space or on the Moon, which is outside the normal environment and atmosphere of Earth, their soul will still automatically retract into the First Sphere. The Father is pure Creator – for the Laws created and works perfectly.

This has been quite complex and it is quite difficult to convey the components of the Universe and Sphere life. Many a man and woman has looked to the never-ending stars and tried to ascertain where the spirit Spheres are, the beginning and ending. Just like your own spirit body, when you look to the sky and stars, try to see with your perceptions that as spirits in Spheres, we are 'in' the realm and not physically expanding away. This may help shed light on this subject.

It has been a pleasure to write and to share with you, and with you all and to help in the service of love to create the awareness of Divine Love so that others in heart and soul may find love, peace, kindness

and fulfilment and a freedom of heart. With much love and in the presence and awareness of the Father's Divine Love,

Gandhi

STAGES of MATTER:

Matter becomes finer and finer and more incredible within each phase:

Growth of Man / Woman without Divine Love peaks at 6th sphere state which is the peak of the Kingdom of Man and Spirit World. Soul without Divine Love.

Soul seeking, and receiving, and growing with Divine Love. The nature of one's soul changes into that of the Divine when receiving Divine Love. Only Divine Love does this. Growth of Man / Woman with Divine Love enables entry into the Celestial Realms, 8th sphere and above, with growth into infinity:

The FIRST NATURAL LOVE SPHERE:

- a. **Blankets Earth.**
- b. **The first Sphere is like this surrounding the orbit of Earth around the Sun.**
- c. **The first natural love sphere is massive. Should all the souls that have been individualised and are yet to be individualised (incarnated) remain within the 1st natural love sphere, then there is more than sufficient capabilities for them to be accommodated.**

ENVIRONMENTS within SPHERES:

The First Natural Sphere is one Sphere that is enormous and it consists of many environments. It is an enormous Sphere for so many live in a good condition of natural love and this is the Sphere that receives every human life that enters the spirit world. There are spheres in the Celestial Heavens and the Eternal Spheres that are larger in space, but have less population residing there.

Within the spheres, one's soul condition determines what location one is destined for. At all times, the environment is harmonious for one's soul condition. Thus, spirit people with very similar soul condition will be together. This creates many communities, each being harmonious for a specific soul condition level. In this way, the 1st sphere consists of many locations that could be considered as nations, however within each spirit grouping that community consists of only one soul condition level, whereas on Earth we have saints and sinners all living together. People cannot determine or assess another's condition, nor can they assess their own soul condition.

It has been said that there are many spheres within a sphere. The truth is that there are many environments within a sphere, much like there are many countries and have been many cultures that have lived on all lands of the one single Earth. There is only one sphere with many environments and cultures living in each Sphere.

A spirit cannot be attracted to an environment or another spirit in which the individual is out of condition to do so. The essence of this is that no spirit can injure another spirit or can put one's self in harms way or travel to an environment that will be harmful to the spirit-senses of that individual. This is part of the way that God maintains harmony in the vast populations of personalities residing in these tremendous spheres.

Generally, as soon as the individual accepts the Divine Love, the individual begins to advance their soul condition and as the attraction of the Spirit Law of Compensation diminishes, the soul condition of the individual enjoys the feelings of harmony produced and changing environments. The purpose of the Divine Love is to enable the individual to live in harmony with God.

The poorest soul in condition can still receive the Divine Love. No human or spirit is ever beyond reach of it.

Notes from Celestial Soul Condition via Zara Borthwick and Nicolas Arnold

ENVIRONMENTAL DESTINATIONS:

The predominant emotional aspect of each person is clearly visible through one's spirit body. One's soul condition is basically the average of one's emotional makeup. Those with the same appearance will find themselves together having the same emotional / soul condition. Those reflecting a higher level of love will find themselves in a more beautiful and brighter location than those with a poorer soul condition who may find themselves in a dull and dreary location.

From there, we can all develop our love and progressively advance to ever increasing in splendour environments, referred to as plains.

FIRST NATURAL LOVE SPHERE:

Of a local solar system, the first natural love sphere is of gigantic proportions compared to Earth, encapsulating part of the inner space within the orbit of habitable planets.

Earth's orbit is always centred within the first natural love sphere, always being blanketed by it.

The spirit body spheres for Earth are all concentric circles around Earth.

Also in close proximity to Earth is also the Pre-Incarnational Sphere. This sphere is the domain of souls pending incarnation.

Depicted in the diagram above are energy lines emanating from the central universe. Our sun is perpetually fed energy as well as is everything else. These energy lines are infinite in number.

The size of the 1st natural love sphere can accommodate all the souls that are to pass through Earth. The 1st sphere is huge. This arrangement is repeated throughout the universes.

The proximity of the surface of the 1st sphere to Earth is unknown, however it blankets Earth. The 1st spiritual sphere is clearly close enough to enable convenient connectivity between the spirit world and the physical world. The surface of the 1st sphere is between Earth and the Moon.

The 7 spirit worlds, plus the 2 Planes of Disharmony, and the 3 spheres of Celestial Heaven, the Eternal Spheres and the Infinite and Universal Spheres are all related to Earth.

FIRST NATURAL LOVE SPHERE: Richard Messages – Messages from the Celestial Heavens
12 November 2013

You have been discussing the information that you have regarding the 1st sphere. The important aspect of this for you to know is the proximity of this sphere in its relationship with the Earth. You have been told that all souls enter the 1st sphere on passing into the Spirit World and this is so. When you consider the information that you have you must realise that this is inevitable as this sphere essentially blankets the Earth. There is a large part of the 1st sphere which is an antechamber or entrance hall for the Spirit World. All spirits and souls are received here and are greeted and it is here that they are allowed to recover. Recover is not the best term but serves the purpose. There is great variation in the condition of the spirits as they arrive here as there is such great variation in individual awareness and ignorance. The initial impressions that newcomers have depends greatly on their beliefs and expectations. There is a very sophisticated system for the management of those when they arrive. There are very many who are involved in this task and many of these are what you would call specialists in arrival management and are well able to cope with the many and varied demands on them and their services. There is what could be considered to be an assessment process which is not a judgment by the 'arrival officials' but where the immediate needs of the individual are assessed and met. Many need a period of rest and recuperation if they have been very distressed by the conditions of their life prior to their passing. Their subsequent destination is then determined automatically by the action of the Law of Attraction.

When you consider what you have been told of the dimensions of this sphere you find this quite difficult to conceive. There are many inhabitants and they are all well accommodated in conditions harmonious with their soul condition. Within the context of the overall sphere are many, many divisions all of which have their own boundaries which contain the particular area in which the ones drawn there live. These boundaries are invisible even to the spirit vision of the inhabitants. The only ones who can perceive them are those who have progressed further and have the level of awareness that allows this perception. No spirits can pass these boundaries until they have advanced so that their soul condition is no longer in harmony with the environment at which point they automatically move to the next level for them. In the lower levels of the 1st sphere there is often little awareness of why and how this movement has occurred. As a spirit progresses through the spheres awareness grows so that a spirit is aware of what is needed of them in order to progress and to move along to the next stage.

What I have said above is the merest sketch of the changes that occur as the whole issue is quite complex. The essential knowledge for you is that this process is guided by love at every stage. Those undertaking tasks are volunteers who do what they do by choice and out of their love of their fellow man. They are mostly spirits who have progressed far enough to have the awareness to deal with what is asked of them. They are in situations which are harmonious for them and are in the process of growth and development. There are others who are in supervisory and guiding roles so that there is a massive co-operative system to deal with whatever needs to be done.

You currently have thoughts of those who have passed recently in the dramatic storm in the Philippines and wonder how such large numbers of spirits are dealt with when so many pass in a short time. (On Friday, 8 November 2013, Super Typhoon Haiyan killed between 6,000 and 10,000 people and affected around 10% of the population of the Philippines and leaving 4.4 Million homeless.) There is no doubt that the demand is very great by virtue of the numbers but this is compounded by the shock and surprise that most of these feel who have died so dramatically. You must reflect though and realise that you have

little concept of the magnitude of the spheres and the population that is here. We don't have a labour shortage. If anything we have a surfeit of volunteers because all who progress develop a desire to perform useful tasks in order to manifest love for their fellow men. What overwhelms earthly resources is quite manageable here. You even see on Earth the way in which a situation caused the mobilisation of resources as others rush to help so that even such a massive event is dealt with in time.

The accommodation of spirits and their movement is guided by spirit laws that have functioned without fail since their inception and continue to do so now. There are not the requirements for food, shelter and clothing in such a material sense as exists on Earth. All such needs that do exist here are met with by unlimited spirit resources. If the whole population of the Earth were to pass simultaneously this would be managed here in an orderly and loving way. This is hard to imagine but it is possible and could happen. It is impossible for you to extrapolate from earthly systems to those that function here. The difference is huge.

It is not easy to attempt to describe the interrelationship between the spheres. Whereas there are clear boundaries which can only be passed by those who have progressed to the degree that allows them to do so, these boundaries are not absolute in a physical sense. The divisions are not in the same way that the rooms of a house are divided by rigid walls. When one comes to the point of making a transition from one sphere or sub-sphere to the next there develops a transitional zone that accommodates the needs of that individual and in which she/he is guided by an escort who introduces the new environment. Whereas you might desire to have a map or diagram of the spheres and their interconnections and passages this is not possible because of their flexibility. We don't need such a map or diagram so we don't have one. When we speak of the spheres we will always speak in somewhat general terms. Please do always accept that your conceptions of what we tell bear only the very slightest semblance if any at all to the reality of what we speak. None of the Spirit World is really what you imagine it to be. This matters not one iota. Imagine what you will. What you find when you arrive is what you will find and you won't need a map or a diagram either. All you need to know you will know when you need to know it.

What I have been saying to you about living on Earth applies equally well here too. Each one here is placed by their own soul condition in a situation which is harmonious to them and beyond which they will not see nor will they have a concept of what lies beyond until the time arrives for them to make that transition. There is absolutely no point at all in anyone yearning for what lies beyond when their whole attention needs to be applied exactly where they are at any moment.

Having said that, there is great benefit in having been educated in some of the reality of the Spirit World as that facilitates the learning that one undertakes here. What you find is not what you necessarily expect but if you are ignorant of the basics the process is much more difficult. This is not unlike undertaking a new task on Earth. You may have some prior preparation but you will most likely learn most of what you need on the job and there may be many surprises for you in the process.

On Earth you may at times have the impression that you can eliminate some steps in your progress without suffering loss. This may be more apparent than real as all true progress and benefit is earned in that you can only, in truth, step as far as you may. Being able to spout the information does not mean that you have passed the grade. This is a great surprise to many when they are faced with the reality. You see, in the Spirit World one can only progress to the next level when it is possible and the truth is

that the same applies on Earth but is much less obvious. There is such a level of artificiality and illusion which can be manipulated that many can believe that they have gained more than they have. I am not speaking of material wealth, possessions or the adulation of others as all of these count for nothing at all in the overall reality of living. Whereas such achievements are not exclusive of spiritual growth and progress, they give not the slightest indication of such having occurred. Spirit truth and soul condition remain invisible and essentially non-existent mysteries to most on Earth but they are the sole evidence of any spirit's truth here.

As we progress others may speak with you about matters of the structure of our areas of existence if this is appropriate. My preference is to continue to relate what I offer to very practical earthly living in order to 'lift the veil' between our worlds. I see little point in providing you with reports from which you create diaphanous visions that are unreal to complement what is already for most an unreal world in which they live. My desire is to bring forth the reality that exists in the world in order to make tangible the link that does already exist between us and which is so much ignored as to be unimaginable. You are real and we are real and our worlds are real and are connected and we must focus on what is potentially fully tangible for you that you might touch it in your present time without trying to live in a fantasised future.

I have no desire to limit or restrict imagination as it is an essential and indispensable quality. There is a vast amount of your world that is subject to the creative forces of your imagination. There is nothing in our world that is subject to your imaginative forces. My desire is to foster the development of what you can use in a most practical sense every day in your lives in ways that will bring us closer together. Holding unreal visions of us and where and how we live will tend to put a barrier between us that need not exist. It is better that you discover us steadily as you progress so that we are actually real to you and you are not trying to fit us into the mould of your imagination. We are as we are and content to be so and content for you to discover us and our worlds as they are in your good time.

We have written well and productively.

We love you. I love you. Our blessings are with you as is our gratitude.

Richard, your Celestial brother and dear friend.

PRE-INCARNATIONAL SPHERE:**'The Golden Leaf'** via Zara Borthwick and Nicholas Arnold

February 16th, 2008

What we have concluded through careful consideration and Celestial communication is as follows: The Father is Present Eternal and knows how many mortal souls created – we do not know this although we speculate to the figure of 1 Trillion. This means that 500 Billion souls created that are duplex in nature to create 1 Trillion mortal souls. This reveals the time that the Father sees for incarnation and so the participation of the Holy Spirit will continue for quite some time yet. (The Holy Spirit conveys Divine Love to those who ask for it.) Only Jesus, who commenced this season (availability of Divine Love) with the Father whilst living as man on Earth, can announce and declare that what began has now ended with regard to the workings of the Holy Spirit. (The availability of Divine Love was re-instated with the coming of Jesus in the first century.) The Father will provide this truth and awareness in the soul of Jesus, here in the Celestial Heaven to which then Jesus will act as he always does, in the harmony of the Father. The de-activation of the Holy Spirit is only the Father's working. All other mortal souls are subject to this and even Jesus cannot determine the activity of the Holy Spirit by his own grace. The Holy Spirit cannot separate or isolate from its union with the Father's Divine Love and since the Divine Love is the substance of the Father, all related attributes such as the Holy Spirit, are subject to the Father's Soul.

Jesus by his own understanding and revealing will never incarnate on the Earth again. This is understood for no soul regardless of their soul condition, can reincarnate because of the presence of their spirit body. The spirit body answers the question about why souls do not reincarnate. The Father has not created a Law for the existence of such a soul to experience. Once a soul has incarnated into the mortal world, incarnation of that soul is final and complete.

Your loving friend, Nathanael

How Many People Have Ever Lived On Earth? 108 Billion (then add abortions and miscarriages)

<http://www.prb.org/Publications/Articles/2002/HowManyPeopleHaveEverLivedonEarth.aspx>

Fixing a time when the human race actually came into existence is not a straightforward matter. Various ancestors of *Homo sapiens* seem to have appeared at least as early as 700,000 BC or even 1,000,000 BC. Hominids walked the Earth as early as several million years ago, or at least one million years ago.

This is a "semi-scientific" pursuit, since it not only requires population data from the dawn of man, but also a date for when that occurred. Scientists think the first *Homo sapiens* evolved some 200,000 years ago, but Haub starts with the origin of more modern humans about 50,000 years ago. Another caveat is that birth rates likely fluctuated wildly in the early days, when things like famine and predators may have pushed average life expectancy as low as 10 or 12 years, Haub says.

But rough population estimates do stretch back to at least 10,000 BC, so Haub used these and other factors to assign a constant birth rate to each historical period from 50,000 years ago to present. According to his calculations (which he dryly explains in the slow-paced video), humanity has produced an astonishing **108 billion** individual people over the past 50 millennia. That means today's 7.5 billion people represent about **7 percent** of everyone who's ever lived.

The arrival of Adam and Eve was between 200,000 years to 50,000 years ago. However, Aman and Amon (Andon and Fonta) were our first parents nearly 1,000,000 years ago, the first to have a longing for our Heavenly Mother and Father. So we need to go back not 200,000 years, but even 1,000,000 years and we also have to add on miscarriages and abortions. Every conception is an incarnation, an individualisation of a soul. Even though a baby may not make it to a live birth, it is a successful incarnation with the individualisation of yet another soul.

Consider that between 225 billion and 250 billion souls have been individualised since the time of Aman and Amon.

Thus, there appears to be a further 750 billion to 775 billion further incarnations of souls to come.

As we grow in love, our physical life expectancies will potentially grow to reflect the potential life spans of those who lived around the time of Aman and Amon, maybe several hundred years or even up to around five hundred years. Our active life span will nearly expand to be the whole of our physical life. Further, the number of children that we will have is expected to be lower than currently is the case. Thus human life on planet Earth may have an indeterminable time to run.

The pre-incarnational sphere, which is the home for souls pending individualisation, is in close proximity to Earth. Divine Love is not available within this sphere. Our souls are made of the substance being natural love, there is nothing of the Divine within us when we are incarnated.

The life force for the spirit body and the physical body is via the soul. The soul is connected to the spirit body via cords, and in turn, the spirit body is connected to the physical body by cords of light. Should the cords between the spirit body and the physical body be disconnected then the physical/material body dies. The physical body is like our starting point for learning and experiencing our being. Our learning and growth experience then continues through the existence of the spirit body.

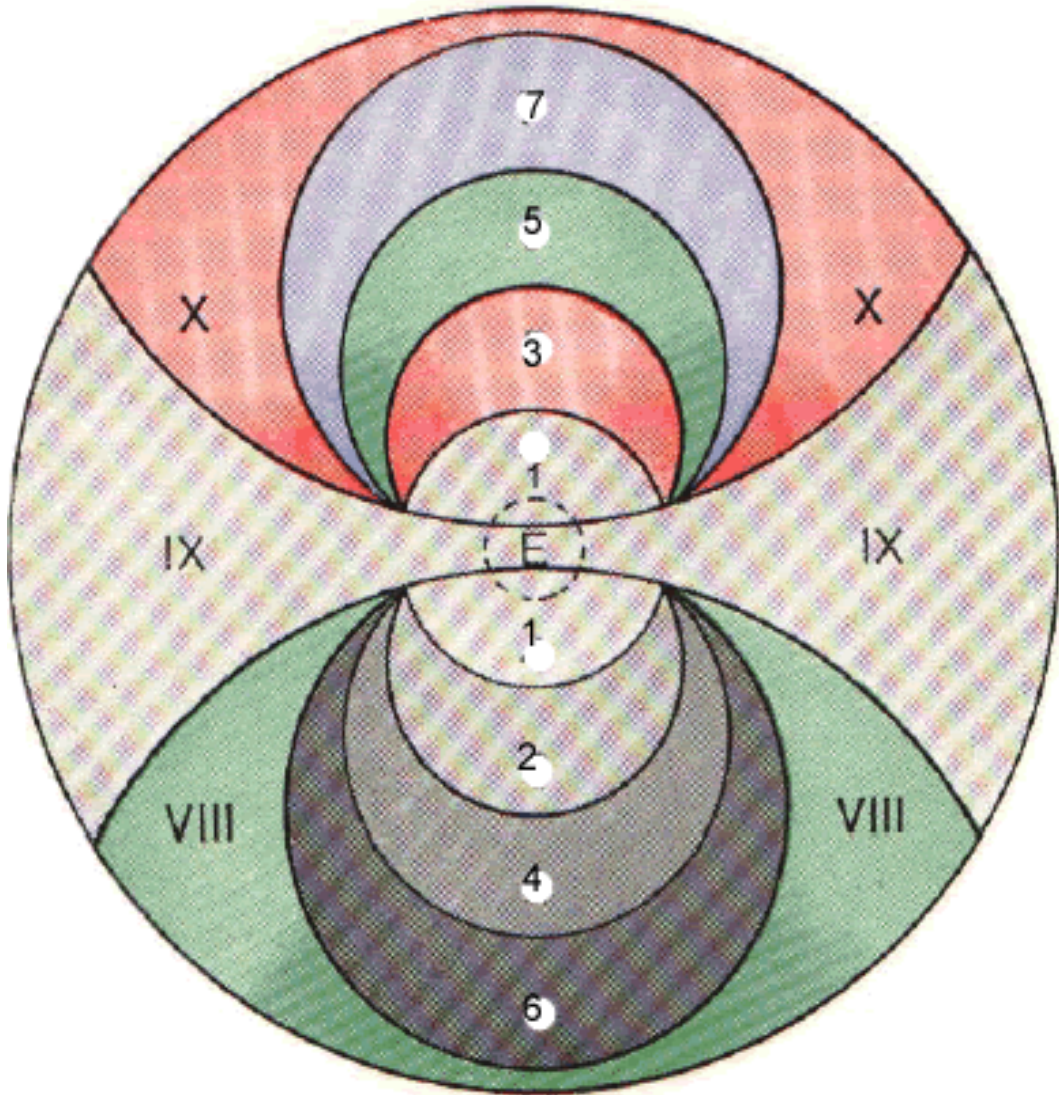

GATE OF HEAVEN by Robert James Lees:

<http://new-birth.net/misc/misc24.htm>

Reference; the third book of RJ Lees – "Gate of Heaven" a web page of the diagram found at the beginning of that book very clearly shows the sleep state as occurring in a physically different location from the Spheres.

This extract is from the book "The Gate of Heaven" by R.J. Lees and it has a diagram of the spirit spheres, spheres of natural love that reach to the 6th sphere, whereas divine love sphere go on and on and on, and the diagram illustrates that the sleep state also has a specific locality.

**THE HEAVEN
and
EARTH
SECTIONAL DIAGRAM**

EXPLANATION OF THE DIAGRAM

The outer circle indicates the position of the Psychic Sphere. The ‘firmament’ or heaven of Gen. i, 8. This, as described in the following pages, embraces every provision for the reception and maturing of the newly-born soul until it reaches the Spiritual condition of a son of God.

E. The Earth. Its position in the Physical indicated by the dotted circle.

I – VII. The Seven Spheres, or Intermediate State. The Schoolroom where the youth of the soul is passed in Spiritual preparation.

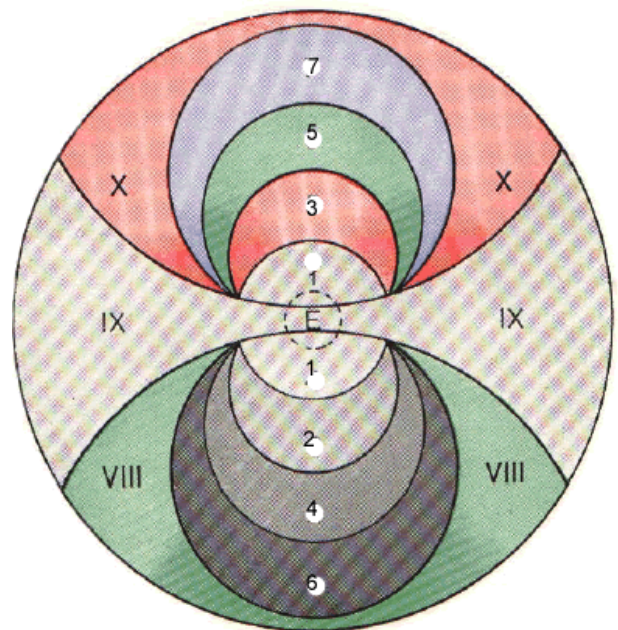

VIII. The location of the uncultured, or “nations that forget God,” in which they are suitably instructed and prepared.

IX. The Sleep State, where the sleep-life is spent by all mankind in communion with the departed. (Job xxxiii, 14-18.)

X. The Great Nursery, where children who pass away prior to birth, or before they “know to refuse the evil, and choose the good” (Isa. vii, 16), are developed and educated. –

This diagram is interesting, but I would caution about assuming any large degree of accuracy concerning it. But it does very clearly suggest that "sleepers" interact in a very specific location.

Considering this diagram, I have had a few thoughts. Firstly, it's interesting that all this is in a sphere. Secondly, this layout leads itself directly to the point made in the Padgett Messages that there are Divine Love spheres, and Natural Love Spheres. That is, there are spheres which are predominantly natural love orientated and there are spheres that are divine love orientated. Without really knowing if I am right, this is how I would see it:

Note: Following the writings of James Moncrief, one could consider that any reference to the Father, by other relevant writers, may be read as a reference to ‘our Mother and Father’. Further, when considering soul healing, then reference to Divine Love could be referred to as ‘Feeling Healing with Divine Love’.

A SPHERE may be a CLUSTER of MINOR SPHERES:

Each minor sphere may represent a plane within a major sphere. A plane is not a sphere.

One's soul condition determines where one resides. Your personal illumination is a reflection of your soul condition. The luminosity of one's soul fits that spirit person to live within an environment that matches that luminosity.

As one grows in love, their soul condition improves, and this is reflected through the spirit body.

A spirit person, whose soul condition is poor, lacks luminosity and would reside in a dark environment, until they grow in love. The luminosity of any environment is a direct reflection of the luminosity of the spirit people residing there.

Thus, the 'hells' are places of darkness, whereas the heavens are regions of ever increasing brilliance, reflecting the soul's progress in development of love for themselves and the Father.

One can clearly imagine a soul living in the ambience of the bottom diagram would be overwhelmed by the brilliance of the upper diagram. Clearly, it is not possible for a spirit person to move into an environment for which it is not yet fit for.

Between each major sphere structure is an entry and exit point connecting adjoining spheres. This further manages movements.

As one progresses in their development of love, they progressively move up through the planes within their sphere until they are fit to progress from that sphere and enter a higher and brighter sphere.

Progress is always upward to higher and more loving and brighter environments.

We all commence our journey by entering the 1st natural love Sphere.

GATEWAY BETWEEN SPHERES:

Each sphere has a single gateway between itself and the next ascending or connecting sphere. The location of this gateway is in the same relative position for entry and exit between the two connecting spheres. The possible access point may be a common axis point.

Those celestial spirits coming from the Spheres of Paradise would proceed through gateways of that system, then down through the Eternal Spheres, and then down through the Celestial Heaven spheres before entering the mortal spheres for Divine Love and then enter the Natural Love spheres at the 1st Natural Love Sphere.

As one returns back up through the spheres, each sphere becomes brighter in brilliance and vibrancy than the prior lower sphere.

Within each sphere there are host of related minor 'spheres' that may be referred to as planes. These minor planes achieve separation of those with their different soul condition so as to enable harmony to exist throughout all the planes and also the different spheres.

Consider the joining point between two spheres as being portals, or simply as bridges. One can travel readily to spheres lower than their condition, however, to travel to a higher sphere, one generally needs to be assisted as the environment in higher spheres is very uncomfortable for one not fitted.

SPHERES and SOUL CONDITIONS**June 7th, 2008**

Hello Nicholas and Zara it is I, White Feather and I am present with you to commence work on the *Spheres and soul conditions*. It is a pleasure to be writing with you again and like you both, I have such a fond memory of the first season of Messages conveyed by many contributing individuals that form The Awareness of Divine Love Messages.

I will write with you in this work and the vision is to convey a little light on the Spheres and the conditions of souls who relate to these Spheres that all mortal spirits in their natural condition reside in and all Immortal spirits in their condition of Divine Love reside in. In these messages, my desire is not to convey the spirit quality and fabric of these Spheres in their makeup, but to illustrate for the reader, a greater awareness of soul condition relating to these Spheres. In this way, the soul and its condition seen as the true and real experience of life for the union of the mortal world that is Earth, and the relating Spheres that are of spirit.

This work began, when in the awareness of Divine Love you received inspiration whilst on your walks. You felt that spirit communication may transpire so that a progressive image of soul condition may be seen as this relates directly with the teachings contained within the Padgett Messages and yours and Zara's understanding of the existence of these environments in context with natural and Divine Love. Your feelings and desire to communicate in this way with us to create more resource was true.

With love, White Feather – I am here let us begin.

The **First Natural Sphere** is vast as was revealed to you in the Awareness of Divine Love Messages. Souls living in this Sphere still contain a very real continuity of experience from their mortal experiences of soul condition when living on Earth. This realisation of Natural Love is most dominant and a tremendous proportion of individuals are very suited in soul condition to the First Natural Sphere because of the mortal experience of living on Earth. A visible reference to this soul condition is goodness and this attribute is a quality that a great number of mortal souls experience throughout the generations.

The First Natural Sphere is abundant with spirits, their mortal experience is still present to them, and they can relate very much to each other just like individuals do on Earth. The First Sphere receives every individual soul that transitions from a mortal life on Earth to begin their spirit life, the Law of Retraction sees to it that each individual finds his or her arrival into the First Sphere as a transitory completion. Individuals who, in their mortal experience, are physically disabled or have severe personality dysfunction or afflictions due to physical conditions are resurrected here. The individual soul and their spirit body are then harmonised so that the afflictions that once existed in mortal life are no longer present in a dysfunctional or handicapped personality in the spirit life. Some of my terms may be generalised for such is the scope of mortal experience, however to convey a little as we are doing, all who arrive in the First Sphere in a good soul condition of Natural Love are resurrected to this condition and harmony. A person on Earth who by their birth has serious mental, physical, or emotional disabilities is not required to continue in this form of experience as a spirit because the material adjunct and condition of their physical being is no longer present. With time, these individuals gradually

rediscover their soul's attribute and their individuality restored so that a cognitive function of will for that individual can be lived and determined.

The First Natural Sphere caters for all souls in this condition of Natural Love and this provides the right environment for all individuals. Just like on Earth, individuals share in their own culture and beliefs, languages and so forth, so too do these individuals participate in this sharing in the First Natural Sphere. Individuals generally are attracted to what they already know and to family groups and this is much the way of this Sphere. It is difficult to describe how vast this Sphere is, for so many spirits reside here ... however, the Father has created this Sphere so that all have a place to reside in and it is quite beautiful for this environment in its enormity reflects a good soul condition in Natural Love and there is peace and love present.

The First Natural Sphere also serves the purpose that allows mortal souls from the Earth to adjust into their spirit life. This is very significant for there are differences. These differences need adjustment, so that the transition from the Earth into spirit is complete and that the individual learns this way of living even though their memories of the Earth experience remain present. In addition, the souls that live only a very short life in the flesh can find a life in the First Natural Sphere so that their individuality can develop to maturity so that choices made along the way, which may involve a progression of soul condition.

June 9th, 2008

The **Second Natural Sphere** is much like the First Natural Sphere in size, although it is independent of the First Sphere. Souls in the First Sphere are generally aware of the Second Sphere, and individuals do communicate and visit both Spheres. The soul condition of spirits in the Second Natural Sphere in their Natural love are incrementally perfected and this is why communication and movement between these two natural Spheres by individuals transpires. The soul condition in Natural Love is very compatible in the First and Second Natural Sphere. In and throughout all the Natural Spheres individuals do not actively work to perfect their attribute of Natural Love, to perfect their soul condition so that a spiritual realisation obtained as a course in spirit life. For the most part, individuals are quite content in these Natural Spheres for life is pleasant and spirits are in no way in a hurry to move beyond the compatibility of their own environment and the companionship of friends and the familiar surroundings. The Second Natural Sphere is enormous for many individuals reside in this Sphere and the beauty of this Sphere is significant.

The first thing to notice about the **Fourth Natural Sphere** is that there is more space and openness in this Sphere. This Sphere, like all the Spheres, are independent of each other, yet relate directly with each other and each Sphere is unique to its creation and specific for the soul condition appropriate. The Fourth Natural Sphere is a peaceful Sphere for the number of residents begins to diminish, whereas the First and Second Natural Sphere have a substantial number of individuals residing in these two Spheres. Individuals in the Fourth Natural Sphere have a soul condition in Natural Love that has commenced to become more individualised in soul condition and this reflects in the environment that the Fourth Natural Sphere sustains. Individuals in the Fourth Natural Sphere are very aware of the First and Second Natural Sphere, and do often visit these two Spheres. Individuals in the Fourth Natural Sphere have made a start to change their soul condition and this Sphere reflects a more evolved sense of Natural Love. The essence of the Fourth Natural Sphere in context with soul condition is that the individual has actively commenced, by engaging their own will, to develop their individuality toward an enlightenment and inner fulfilment. The environment of the Fourth Natural Sphere is more sophisticated than the First

and Second Natural Sphere for individuals have commenced to convey the condition of their being in a more definitive manner and participate with learning and study.

The **Sixth Natural Sphere** is the Sphere that reflects as an environment, the soul condition of individuals in their perfect attribute of Natural Love. These individuals retain various beliefs about God and the Universe however, the condition of their soul in Natural Love is sustained in a good living natural condition and the intellect and will sufficiently developed so that one may perceive that an inner fulfilment has been achieved and the individual perceives their own existence as being content. The pursuit of knowledge is obtained. The defining essence in the Sixth Natural Sphere is that the individuals have had the experience of once living on Earth and then progressing to the Sixth Natural Sphere through the other Natural Spheres. They conclude that for all natural experience, they have mastered the knowledge and way of such living and are masters of this knowledge and experience. A boundary that exists contains this Sixth Natural Sphere so that the soul condition of perfect Natural Love cannot transcend any further. These individuals have embraced their own individuality to its natural maximum and their will and soul condition is in complete harmony. These individuals do see themselves as teachers and knowledge of their existence is known throughout the Natural Spheres yet they do not influence natural souls in the First, Second or Fourth Natural Sphere by the activity of their will for their own experience clearly defined that by their own effort their soul condition, perfected and changed.

The individuals in their perfect natural soul condition can move if they so choose, throughout all the Natural Spheres however souls in the First Natural Sphere, Second Natural Sphere and Fourth Natural Sphere have not the soul condition to exist in the Sixth Natural Sphere. All spirits residing in all these natural Spheres in their soul condition of Natural Love are resident in these Natural Spheres and can visit the mortal world of Earth. The Divine Love and Holy Spirit is available for all natural souls who reside in all these Natural Spheres and until a soul chooses to invoke this Divine Love into their soul, the Divine Love Spheres are environments in which these natural individuals have no knowledge or experience of. The beautiful realisation is that a soul does not need to be in a perfect soul condition of Natural Love qualities so that one is ready and indeed able to then participate with Divine Love. A soul in the First Natural Sphere is just as capable of receiving Divine Love as a soul in the Second, Fourth, and Sixth Natural Sphere.

The **mortal world** today is vastly populated. As you know, communication between populations, countries, and individuals is growing with awareness. The incarnation of a soul from the Pre-Incarnation Sphere begins the individualisation of a finite mortal soul in its attribute and soul condition of Natural Love and a spirit body created so that the existence of the individual in the afterlife is prepared. There are individuals living in the mortal world that reflect all conditions of Natural Love. This is evident for when individuals complete their Earth life and their spirit life begins from the First Sphere, the Law of Attraction directly relating to soul condition comes into effect and individuals are attracted to the Natural Spheres that best suit their condition and needs of soul. The Divine Love and Holy Spirit are present and available to all mortal souls as they are in and throughout all the Natural Spheres.

The **lowest of these Spheres** represents the soul condition of individuals in the poorest soul condition of Natural Love. These individuals are isolated and lost, even though they are aware of a life once lived in the mortal world. They are aware that an invisible condition surrounds them so that it is difficult for

them to move. The word darkness or hell has been used, however when one learns of soul condition, then this Sphere reflects the condition of soul and individuality. The will of individuals here is contrary to the workings of Love and harmony. These conditions were determined by the individual in their mortal life.

Spirits living in the First, Second, Fourth and Sixth Natural Sphere do not create, in their spirit life, any action that is contrary to love so that this may cause compensation that requires that individual to regress in soul condition to the Three Lower Spheres.

The **Second Lower Sphere** reflects the soul condition of individuals who are not living in the extreme condition of soul condition that the lowest Sphere represents. These individual spirits can move about to a limited degree, yet remain isolated in their soul condition. The invisible force that surrounds these individuals and binds them to their Sphere is the Law of Compensation that is present and unseen yet the feeling of it is very tangible.

The **First** of these Lowest Spheres is much lighter because individuals have commenced to change soul conditions by working at compensating for their actions and choices lived out in the mortal world when they were of the flesh. These individuals, whilst still contained to their Sphere, can see the progress of love so that their soul condition is not so lost any more to them and they are aware of where they have come from.

These **Two Lowest Spheres** are an adjunct to the First Natural Sphere. These Spheres have a boundary to them so that these individuals in their soul condition cannot move or influence, by the activity of their will and soul condition, the spirits in the Natural Spheres or mortals of the Earth to continue creating or influencing actions and reactions that are contrary to the workings and the Laws of Love. When a lost soul from these Spheres visits the mortal world, spirits in good soul condition accompanies them so that mercy and forgiveness maybe found and given so that compensation is completed. The Divine Love and the Holy Spirit is available to all souls in these Three Lowest Spheres and the condition of soul that is extremely poor in its condition is not fixed for an individual for all Eternity. Each individual always has the potential to receive Divine Love and to find the way of living in love again.

Now we move into the awareness and presence of the Divine Love.

The **First Divine Love Sphere (also referred to as 3rd Sphere)** is a most significant environment because this Sphere is where individuals begin learning about their soul's New-Birth and their changing soul condition from their Natural Love into a Divine condition. This First Divine Love Sphere openly presents to the individual that God now becomes a real and living Soul and that from this Soul; the ever-abundant Divine Love is obtained directly into one's soul. This Sphere is full of activity because souls in all degrees of Natural soul condition reside here learning about their beginning with Divine Love and personalisation with the Father's Soul through love. (Divine Loves spheres are 3, 5 and 7.)

The Divine Love Spheres are interlinked and separate from the Natural Spheres. No Divine Love Sphere exists between two Natural Spheres. The Natural Spheres are interlinked and are contained to their own spirit space and the Divine Love Spheres are contained in their own spirit space. They do not overlap each other or exist in the same time and space spirit experience. The First Divine Love Sphere is quite close to the mortal Sphere of Earth just like the First Natural Sphere. The First Divine Love

Sphere is very close to the First Natural Sphere and their boundary is defined and real. It is difficult to provide a real image for such is the size and spirit existence that exists which is not made of material properties such as the Earth, the Sun, and the Moon. The main thing is that the Father has created the Spheres so that spirit life works directly with soul condition and that these boundaries are as clear as the light of your day.

The First Divine Love Sphere generates a lot of soul activity for souls here are very much in their natural condition of soul and so in the light and new awareness of Divine Love, there is a real sense of uniqueness and difference to the mortal world and Natural Spheres. Learning about Divine Love and the Father becomes very evident for souls here and a thorough understanding of ones own mortal soul condition becomes obvious because the realisation of the soul and the soul's journey has the attention of the individual. The once lived mortal life on Earth begins to re-identify for the first time with an objectivity and context so that the soul can see and learn what was once a purely self-determined experience now transforms into a soul-realised experience. (There are sectors on the first natural love sphere to facilitate introduction to Divine Love.)

In the Padgett Messages, the numbering of the Spheres established to give an identity and context to the progression of Spheres relating to Natural and Divine Love. The Divine Love Spheres in the Padgett Messages identified as Spheres 3, 5 and 7 with sub-spheres within each Sphere. To simplify for the reader, the first Divine Love Sphere described in the Padgett Messages as the Third Sphere. In this work, my desire is to represent these Spheres as the First Divine Love Sphere, the Second Divine Love Sphere, and the Third Divine Love Sphere identified in the Padgett Messages as Spheres 3, 5 and 7.

The **Second Divine Love Sphere (5th Sphere)**, like the First Divine Love Sphere is vast in space and is very, very peaceful and beautiful. Individuals in this Second Divine Love Sphere enjoy the soul condition of an adjustment from now living and accepting living with the Divine Love of the Father. The critical period of acceptance has been passed, which happens in the First Divine Love Sphere, so that individuals accept the Father and Divine Love that is freely available and the changes of soul condition that result from the Divine Love being conveyed into their soul by the workings of the Holy Spirit. One's individuality is now more individualised and the spirit body reflects a condition of change within the soul that is supportive of this change of soul condition. The mortal experience in its previous natural conditions is more integrated and the causes and effects that effect soul condition have begun to dissolve and the individual fulfilled for the attribute of soul and the Divine Love awakens its potential and the personality of the individual begins to be more soulfully lived and not so self-determined. I must also convey, that the will of the individual is moving into the awareness that the existence of the Father is real and the way of Divine Love and Law is real so that the self-determination of the individual does not need to compete or to create that which has already been created for the individual by the Father.

Celestial spirits intermingle with the individuals in the 1st, 2nd and 3rd Divine Love Sphere to help teach about the realities of the Universal Father and the contrasting uniqueness between Natural and Divine living. The reality of soulmates also becomes apparent in this Sphere and the greater workings of the Father's Laws pertaining to soul condition become more evident for these Laws are present in the Divine Love Spheres that relate directly with a soul in their New-Birth experience, which is not present in the Natural Spheres.

The **Third Divine Love Sphere (7th Sphere)** is the Sphere that reveals that the soul condition of an individual has completed its New-Birth. This means that the natural condition of soul that once was, has now been absorbed and transformed into a Divine condition of Fatherly Love. The condition of soul is no longer subject to any influences that once determined the condition of soul when living as a mortal in a life experience on Earth. All Compensation has been resolved and all error ceases to exist within an individual soul. The will of an individual has fused with the soul so that the individual reflects the completeness of living with the Father and is ready to make the transition into the Celestial Heavens. This experience is in the time of the individual and no experience in any of these Spheres is rushed or forced by the sheer act of will. An individual accepts and realises the Divine Love that has provided the progression of a soul to move to this Sphere and so, this awareness is realised by the individual and reflected in their soul condition. All individuals in all these Spheres and Celestial Heavens can visit any of the Natural Spheres and the mortals on Earth if need be, as I am with you now and this demonstrates this Truth.

We have arrived at the **Celestial Heavens (8th Sphere and onwards)**. Now we are living as spirits, individualised souls in Divine Love of the Father. The personalisation of the Father is substantial in substance and image and the individual has developed a rapport with the Father that is present – continuously present and without separation. This in a soul's journey, is a moment of celebration for what once began as a baby on Earth, the individual has continued in Natural and then with Divine Love all the way through to the completion of a soul's New-Birth and perfection. The condition of soul continues to develop in the Celestial Heavens for there are many Spheres that continue on in these Heavens towards the Father that make up the complete image of the Celestial Heavens in context with the mortal Earth and all Natural and Divine Love Spheres. Most individuals make the transition from the 3rd Divine Love Sphere into the Celestial Heavens with their soulmate. However, due to individual choices; some individuals do progress into the Celestial Heaven whilst their soulmate is still in a condition of Natural Love and participates in this condition in a Natural Sphere or whilst the individual in Natural Love or with Divine Love is still living on the Earth.

The most defining essence of these Heavens is the presence of the Father for the reality of this most loving and beautiful Soul is ever present and realised in the conditions of each individual. Jesus resides in the highest of these Spheres in these Heavens and some have been to his home; it is not a grand place but a peaceful place, the Celestial home of Jesus.

We all have homes where we rest and enjoy our way of living and learning about the greater realities to Universal material, material-spirit, and spirit realities. The Holy Spirit is still present and conveys Divine Love into our soul and our love for the way that the Father has loved us all the way, from when we were once unaware of such Loving to the now knowing and ever aware of such Loving is adored and fulfilling. Every individual in these Celestial Heavens knows the meaning of life and is present in our knowing that the Father, having created and given first and only life to our soul, has created all so that our soul can become at-one in Love and peace with, Our Father.

This has been a most loving and beautiful experience to write with you and Zara and to convey a little on the Spheres and soul condition. In love and awareness, individuals may lay their hearts upon these words. To gain inspiration into becoming aware of the Divine Love that exists for them to receive and to learn about the Spheres and the mortal experience in the fulfilment of the potential of one's own soul. Thank you very much and love to all, with love, White Feather

SPHERES: KINGDOM of MAN – SPIRIT WORLD

The first 7 spheres have logical and clearly defined end points both at the 6th and 7th spheres. Therefore a sequence of numbers is useful as a reference. Within each of these lower spheres there are many stations or sub-spheres so to speak through which beings move. There are barriers preventing movement from one to a higher one until the necessary changes have been made. The 6th sphere is the ending point for those who are following what has been referred to as the Natural Love Path.

There exists a barrier between the earthly levels and the spirit levels and this is largely man-made. This barrier has been built on fear and is made of belief.

Spheres:

7 The 7th sphere is the transitional stage between the lower spheres and up into the Celestial Realms.

There are barriers within the structure of the spiritual realms which constrain beings until they are fit to make the move to a higher level. This is not in anyway competitive or subject to examination but is to ensure that the being concerned does know what they need to know in order to function at the next level. The transition, when it happens, is totally smooth and natural and dependent of the level of knowledge of the being.

KINGDOM of GOD – CELESTIAL REALMS

Above the 7th sphere we enter into a greater awareness of infinity.

Why attempt to number infinity?

There is a much less clearly defined system of Celestial Spheres with what we could call a blurring of the edges.

Each of us who are within the Celestial Spheres knows who he or she is and knows what we can do. That one might be a little or a lot further along the path makes no difference to the mutual love that we feel or the level of cooperation that is found in every endeavour. If one is further along, that one is then committed to helping all others to come along. There is absolutely no sense of competition. That was left behind long ago.

EACH SPHERE PROGRESSIVELY LEADS to the CENTRE:

Consider that the mortal spheres, both for the Natural Love spheres and also the Divine Love spirit world spheres as well as the Celestial Heavens are within our own solar system which is on the outer edge of a super-universe. In fact, the outer ring is a series of seven super-universes circulating around a massive inner sphere.

Then next are the immortal Divine Love spirit spheres known as the Eternal Spheres, Infinite and Universal Spheres. These are clustered close to the centre of each of the seven super-universes. Then we progress towards the absolute centre, to the Spheres of Paradise for the further progression as immortal Divine Love spirits. These form an inner circle around the Super Grand Sphere that surrounds our Mother and Father's Soul and abode.

Finally, the last remaining Sphere beyond the Super Grand Sphere is our Parents' Sphere. We can and all will, should we choose, make this journey in our own time and as we please.

CELESTIAL HEAVENS:

The home of many mansions, this is the Celestial Heavens.

Should you elect to ask for and receive Divine Love, then one can progress through the Divine Love spheres of the spirit world (seemingly within the solar system where Earth resides) and become at one with God, being the Fifth stage of Fusion which transpires when one's natural love changes and one's soul progresses to the condition to be of Celestial soul quality, then one enters the Celestial Heavens and progresses to the 8th sphere being the first of the Celestial Heavens spheres.

There are 100,000 MICHAEL soulmate pairs as REGENTS throughout our SUPER-UNIVERSE:

One of these 100,000 dots represents Nebadon, our local universe, consisting of 100 constellations with each constellation containing 100 systems which in turn have 1,000 worlds. The system in which Earth is within is called Satania.

Nebadon has some 10,000,000 physical planets, of which 3,840,101 are inhabited. The regents of Nebadon are the soulmate pair being the Paradise Creator pair, Mary and Jesus.

This structure is repeated throughout our super-universe, called Orvoton, 100,000 times. There are some 100,000 Regent pairs, equivalent to Mary and Jesus, throughout our super-universe.

There are 7 super-universes that rotate around the Isle of Paradise which is the home of our Heavenly Parents, our Mother and Father. Thus, there are some 700,000 Regent pairs equivalent to Mary and Jesus.

When we progress beyond the spirit Mansion Worlds, we enter the first of the three Celestial spheres, the home city being Jerusem, this is also the home city for all 1,000 physical worlds in Satania. From there we will progress to Salvington being the head quarters for Nebadon and the home of Mary and Jesus. Then we progress to Paradise.

Earth →

NEBADON, our LOCAL UNIVERSE:

A *Local Universe – Nebadon*. One hundred constellations (about 10,000,000 inhabitable planets) constitute a local universe. Nebadon contains 3,840,101 inhabited planets.

A *Constellation*. One hundred systems (about 100,000 inhabitable planets) make up a constellation.

A *System*. The basic unit of the super-government consists of about one thousand inhabited or inhabitable worlds.

Earth is #606 in the system of Satania and is the latest to have human life. *Jerusem* is the headquarters of our local system of Satania. Thus Jerusem is the city to which we arrive when we fuse with our indwelling spirit having sufficient Divine Love following our Healing and enter the first of three Celestial Heavens, all being for the 1,000 physical worlds within Satania.

Salvington, in the centre of Nebadon, is the headquarters and home of our Creator Daughter and Son, the Michaels, namely Mary Magdalene and Jesus.

All descending Daughters and Sons of God have high and divine origins. They are dedicated to the descending ministry of service on the worlds and systems of time and space, there to facilitate the progress in the Paradise climb of the lowly creatures of evolutionary origin — the ascending daughters and sons of God (humanity – us). Those Daughters and Sons who come forth from the Deities on the central Isle of Light and Life are called the *Paradise Daughters and Sons of God* and embrace the following three orders: Creator Daughters and Sons – the Michaels, Magisterial Daughters and Sons – the Avonals, the Trinity Teacher Daughters and Sons – the Daynals. All three groups have Spirits of Truth, no others do.

The remaining four orders of descending daughter and sonship are known as the *Local Universe Daughters and Sons of God*: Melchizedek Daughters and Sons, Vorondadek Daughters and Sons, Lanonandek Daughters and Sons, and Life Carriers.

The chief executive of a local system (such as Satania which includes Earth) of inhabited worlds is a primary Lanonandek Daughter and Son (was the Lucifers), the System Sovereign. The Lucifer Rebellion in the system of Satania was the last and the most widespread of all. Thirty seven (37) inhabited worlds were seduced into rebelling, by following the Lucifers and their deputies, the Satans. Earth then went on to Default at the time of Eve and Adam. Later on we crucified the Creator Son, Jesus, and ignored Mary. So now we have the physical presence of an Avonal Pair. Only the Avonal Pair can take on all of our wrongness and heal themselves. It is their Spirits of Truth that we are to long to so that we, humanity – all of us – can then heal the Rebellion and Default that we have all embraced.

WE ARE NOT ALONE:

In fact, our SuperUniverse is teeming with life!

The Spirit Worlds, commonly called the Mansion Worlds, and being numbered 1-7 (TUB numbers them 7-1), and the higher Celestial Heavens (spheres), appear to be within our local solar system, although they are not physical worlds like Earth – we can't visit them in a space ship, only in our spirit bodies, each world and sphere being of a higher spiritual vibration. Each of the spirit worlds and spheres are in close proximity of each other, and provide successive places of residence for us now that we've been individualised / incarnated on planet Earth.

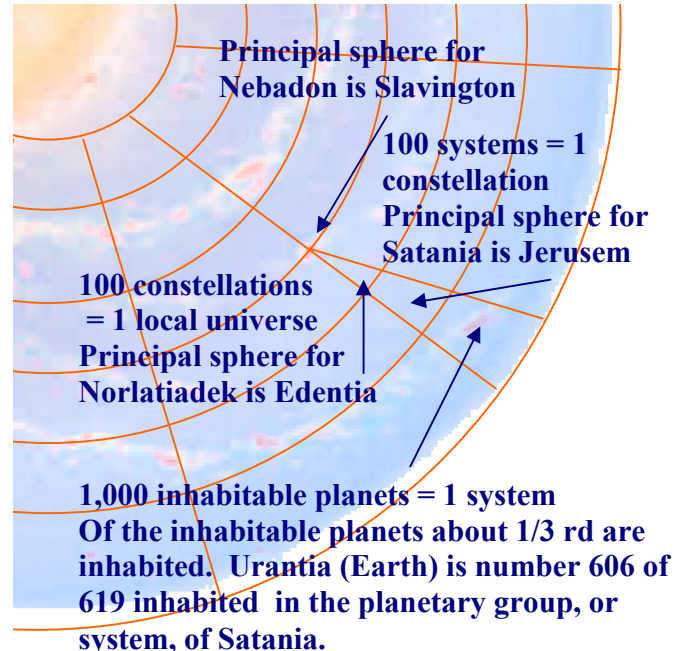

As we develop in Love we progress in and up through these worlds and spheres to ever brighter ones. Progression beyond the 7th Divine Love world results in our migration from the Mansion Worlds to the Celestial Heavens.

^{37:10} The universe of Nebadon, which even now has more than three million inhabited worlds, with ten million in prospect. In our solar system, Earth is one of three inhabitable worlds. (The Urantia Book TUB)

^{32:2.9} The organization of planetary abodes is still progressing in Nebadon, for this universe is, indeed, a young cluster in the starry and planetary realms of Orvonton. At the last registry there were 3,840,101 inhabited planets in Nebadon, and Satania, the local system of our world, Urantia / Earth, is fairly typical of other systems.

The Mansion Worlds of the Celestial Heavens are in the region of Jerusem.

^{119:8.8} Urantia (Earth) is the sentimental shrine of all Nebadon, the chief of ten million (100 x 100 x 1,000) inhabitable worlds, the mortal home of Christ Mary and Michael, sovereigns of all Nebadon, a Melchizedek minister to the realms, a system saviour, an Adamic redeemer, a seraphic fellow, an associate of ascending spirits, a morontia progressor, a Daughter and Son of Man in the likeness of mortal flesh, and the Planetary Princess and Prince of Urantia (Earth). And your record tells the truth when it says that this same Mary and Jesus have promised sometime to return to the world of their terminal bestowal, the World of the Cross. This they have done through the Padgett and Moncrief Messages, etc.

The Seven Mansion Worlds

Celestial Heavens

(530.1) 47:0.1 THE Creator Son, when on Urantia (Earth), spoke of the “many mansions in the Father’s universe.” In a certain sense, all fifty-six of the encircling worlds of Jerusem are devoted to the transitional culture of ascending mortals, but the seven satellites of world number one are more specifically known as the Mansion Worlds.

(530.2) 47:0.2 Transition world number one itself is quite exclusively devoted to ascendant activities, being the headquarters of the finaliter corps assigned to Satania. This world now serves as the headquarters for more than one hundred thousand companies of finaliters, and there are one thousand glorified beings in each of these groups.

(530.3) 47:0.3 When a system is settled in light and life, and as the Mansion Worlds one by one cease to serve as mortal-training stations, they are taken over by the increasing finaliter population which accumulates in these older and more highly perfected systems.

(530.4) 47:0.4 The seven Mansion Worlds are in charge of the morontia supervisors and the Melchizedeks. There is an acting governor on each world who is directly responsible to the Jerusem rulers. The Uversa conciliators maintain headquarters on each of the Mansion Worlds, while adjoining is the local rendezvous of the Technical Advisers. The reversion directors and celestial artisans maintain group headquarters on each of these worlds. The spironga function from Mansion World number two onward, while all seven, in common with the other transitional-culture planets and the headquarters world, are abundantly provided with spornagia of standard creation.

1. The Finaliters’ World

(530.5) 47:1.1 Although only finaliters and certain groups of salvaged children and their caretakers are resident on transitional world number one, provision is made for the entertainment of all classes of spirit beings, transition mortals, and student visitors. The spornagia, who function on all of these worlds, are hospitable hosts to all beings whom they can recognize. They have a vague feeling concerning the finaliters but cannot visualize them. They must regard them much as you do the angels in your present physical state.

(530.6) 47:1.2 Though the finaliter world is a sphere of exquisite physical beauty and extraordinary morontia embellishment, the great spirit abode located at the centre of activities, the temple of the finaliters, is not visible to the unaided material or early morontia vision. But the energy transformers are able to visualize many of these realities to ascending mortals, and from time to time they do thus function, as on the occasions of the class assemblies of the Mansion World students on this cultural sphere.

(531.1) 47:1.3 All through the Mansion World experience you are in a way spiritually aware of the presence of your glorified brethren of Paradise attainment, but it is very refreshing, now and then, actually to perceive them as they function in their headquarters abodes. You will not spontaneously visualize finaliters until you acquire true spirit vision.

(531.2) 47:1.4 On the first Mansion World all survivors must pass the requirements of the parental commission from their native planets. The present Urantia (Earth) commission consists of twelve

parental couples, recently arrived, who have had mortal experience in rearing three or more children to the pubescent age. Service on this commission is rotational and is for only ten years as a rule. All who fail to satisfy these commissioners as to their parental experience must further qualify by service in the homes of the Material Sons on Jerusem or in part in the probationary nursery on the finaliters' world.

(531.3) 47:1.5 But irrespective of parental experience, Mansion World parents who have growing children in the probation nursery are given every opportunity to collaborate with the morontia custodians of such children regarding their instruction and training. These parents are permitted to journey there for visits as often as four times a year. And it is one of the most touchingly beautiful scenes of all the ascending career to observe the Mansion World parents embrace their material offspring on the occasions of their periodic pilgrimages to the finaliter world. While one or both parents may leave a Mansion World ahead of the child, they are quite often contemporary for a season.

(531.4) 47:1.6 No ascending mortal can escape the experience of rearing children — their own or others — either on the material worlds or subsequently on the finaliter world or on Jerusem. Fathers must pass through this essential experience just as certainly as mothers. It is an unfortunate and mistaken notion of modern peoples on Urantia that child culture is largely the task of mothers. Children need fathers as well as mothers, and fathers need this parental experience as much as do mothers.

2. The Probationary Nursery

(531.5) 47:2.1 The infant-receiving schools of Satania are situated on the finaliter world, the first of the Jerusem transition-culture spheres. These infant-receiving schools are enterprises devoted to the nurture and training of the children of time, including those who have died on the evolutionary worlds of space before the acquirement of individual status on the universe records. In the event of the survival of either or both of such a child's parents, the guardian of destiny deputizes her associated cherubim as the custodian of the child's potential identity, charging the cherubim with the responsibility of delivering this undeveloped soul into the hands of the Mansion World Teachers in the probationary nurseries of the morontia worlds.

(531.6) 47:2.2 It is these same deserted cherubim who, as Mansion World Teachers, under the supervision of the Melchizedeks, maintain such extensive educational facilities for the training of the probationary wards of the finaliters. These wards of the finaliters, these infants of ascending mortals, are always personalized as of their exact physical status at the time of death except for reproductive potential. This awakening occurs at the exact time of the parental arrival on the first Mansion World. And then are these children given every opportunity, as they are, to choose the heavenly way just as they would have made such a choice on the worlds where death so untimely terminated their careers.

(532.1) 47:2.3 On the nursery world, probationary creatures are grouped according to whether or not they have Adjusters, for the Adjusters come to indwell these material children just as on the worlds of time. Children of pre-Adjuster ages are cared for in families of five, ranging in ages from one year and under up to approximately five years, or that age when the Adjuster arrives.

(532.2) 47:2.4 All children on the evolving worlds who have Thought Adjusters, but who before death had not made a choice concerning the Paradise career, are also repersonalized on the finaliter world of the system, where they likewise grow up in the families of the Material Sons and their associates as do those

little ones who arrived without Adjusters, but who will subsequently receive the Mystery Monitors after attaining the requisite age of moral choice.

(532.3) 47:2.5 The Adjuster-indwelt children and youths on the finaliter world are also reared in families of five, ranging in ages from six to fourteen; approximately, these families consist of children whose ages are six, eight, ten, twelve, and fourteen. Any time after sixteen, if final choice has been made, they translate to the first Mansion World and begin their Paradise ascent. Some make a choice before this age and go on to the ascension spheres, but very few children under sixteen years of age, as reckoned by Urantia (Earth) standards, will be found on the Mansion Worlds.

(532.4) 47:2.6 The guardian seraphim (angels) attend these youths in the probationary nursery on the finaliter world just as they spiritually minister to mortals on the evolutionary planets, while the faithful spornagia minister to their physical necessities. And so do these children grow up on the transition world until such time as they make their final choice.

(532.5) 47:2.7 When material life has run its course, if no choice has been made for the ascendant life, or if these children of time definitely decide against the Havona adventure, death automatically terminates their probationary careers. There is no adjudication of such cases; there is no resurrection from such a second death. They simply become as though they had not been. (This may never having been applied.)

(532.6) 47:2.8 But if they choose the Paradise path of perfection, they are immediately made ready for translation to the first Mansion World, where many of them arrive in time to join their parents in the Havona ascent. After passing through Havona and attaining the Deities, these salvaged souls of mortal origin constitute the permanent ascendant citizenship of Paradise. These children who have been deprived of the valuable and essential evolutionary experience on the worlds of mortal nativity are not mustered into the Corps of the Finality.

3. The First Mansion World

(532.7) 47:3.1 On the Mansion Worlds the resurrected mortal survivors resume their lives just where they left off when overtaken by death. When you go from Urantia (Earth) to the first Mansion World (after passing through the local spirit world), you will notice considerable change, but if you had come from a more normal and progressive sphere of time, you would hardly notice the difference except for the fact that you were in possession of a different body; the tabernacle of flesh and blood has been left behind on the world of nativity.

(532.8) 47:3.2 The very centre of all activities on the first Mansion World is the resurrection hall, the enormous temple of personality assembly. This gigantic structure consists of the central rendezvous of the seraphic destiny guardians, the Thought Adjusters, and the archangels of the resurrection. The Life Carriers also function with these celestial beings in the resurrection of the dead.

(533.1) 47:3.3 The mortal-mind transcripts and the active creature-memory patterns as transformed from the material levels to the spiritual are the individual possession of the detached Thought Adjusters; these spiritized factors of mind, memory, and creature personality are forever a part of such Adjusters. The creature mind-matrix and the passive potentials of identity are present in the morontia soul intrusted to the keeping of the seraphic destiny guardians. And it is the reuniting of the morontia-soul trust of the

seraphim and the spirit-mind trust of the Adjuster that reassembles creature personality and constitutes resurrection of a sleeping survivor.

(533.2) 47:3.4 If a transitory personality of mortal origin should never be thus reassembled, the spirit elements of the nonsurviving mortal creature would forever continue as an integral part of the individual experiential endowment of the onetime indwelling Adjuster.

(533.3) 47:3.5 From the Temple of New Life there extend seven radial wings, the resurrection halls of the mortal races. Each of these structures is devoted to the assembly of one of the seven races of time. There are one hundred thousand personal resurrection chambers in each of these seven wings terminating in the circular class assembly halls, which serve as the awakening chambers for as many as one million individuals. These halls are surrounded by the personality assembly chambers of the blended races of the normal post-Adamic worlds. Regardless of the technique which may be employed on the individual worlds of time in connection with special or dispensational resurrections, the real and conscious reassembly of actual and complete personality takes place in the resurrection halls of mansion number one. Throughout all eternity you will recall the profound memory impressions of your first witnessing of these resurrection mornings.

(533.4) 47:3.6 From the resurrection halls you proceed to the Melchizedek sector, where you are assigned permanent residence. Then you enter upon ten days of personal liberty. You are free to explore the immediate vicinity of your new home and to familiarize yourself with the program which lies immediately ahead. You also have time to gratify your desire to consult the registry and call upon your loved ones and other Earth friends who may have preceded you to these worlds. At the end of your ten-day period of leisure you begin the second step in the Paradise journey, for the Mansion Worlds are actual training spheres, not merely detention planets.

(533.5) 47:3.7 On Mansion World number one (or another in case of advanced status) you will resume your intellectual training and spiritual development at the exact level whereon they were interrupted by death. Between the time of planetary death or translation and resurrection on the Mansion World, mortal man gains absolutely nothing aside from experiencing the fact of survival. You begin over there right where you leave off down here.

(533.6) 47:3.8 Almost the entire experience of Mansion World number one pertains to deficiency ministry. Survivors arriving on this first of the detention spheres present so many and such varied defects of creature character and deficiencies of mortal experience that the major activities of the realm are occupied with the correction and cure of these manifold legacies of the life in the flesh on the material evolutionary worlds of time and space.

(534.1) 47:3.9 The sojourn on Mansion World number one is designed to develop mortal survivors at least up to the status of the post-Adamic dispensation on the normal evolutionary worlds. Spiritually, of course, the Mansion World students are far in advance of such a state of mere human development.

(534.2) 47:3.10 If you are not to be detained on Mansion World number one, at the end of ten days you will enter the translation sleep and proceed to world number two, and every ten days thereafter you will thus advance until you arrive on the world of your assignment.

(534.3) 47:3.11 The centre of the seven major circles of the first Mansion World administration is occupied by the temple of the Morontia Companions, the personal guides assigned to ascending mortals. These companions are the offspring of the local universe Mother Spirit, and there are several million of them on the morontia worlds of Satania. Aside from those assigned as group companions, you will have much to do with the interpreters and translators, the building custodians, and the excursion supervisors. And all of these companions are most co-operative with those who have to do with developing your personality factors of mind and spirit within the morontia body.

(534.4) 47:3.12 As you start out on the first Mansion World, one Morontia Companion is assigned to each company of one thousand ascending mortals, but you will encounter larger numbers as you progress through the seven mansion spheres. These beautiful and versatile beings are companionable associates and charming guides. They are free to accompany individuals or selected groups to any of the transition-culture spheres, including their satellite worlds. They are the excursion guides and leisure associates of all ascending mortals. They often accompany survivor groups on periodic visits to Jerusem, and on any day you are there, you can go to the registry sector of the system capital and meet ascending mortals from all seven of the Mansion Worlds since they freely journey back and forth between their residential abodes and the system headquarters.

4. The Second Mansion World

(534.5) 47:4.1 It is on this sphere that you are more fully inducted into the mansonia life. The groupings of the morontia life begin to take form; working groups and social organizations start to function, communities take on formal proportions, and the advancing mortals inaugurate new social orders and governmental arrangements.

(534.6) 47:4.2 Spirit-fused survivors occupy the Mansion Worlds in common with the Adjuster-fused ascending mortals. While the various orders of celestial life differ, they are all friendly and fraternal. In all the worlds of ascension you will find nothing comparable to human intolerance and the discriminations of inconsiderate caste systems.

(534.7) 47:4.3 As you ascend the Mansion Worlds one by one, they become more crowded with the morontia activities of advancing survivors. As you go forward, you will recognise more and more of the Jerusem features added to the Mansion Worlds. The sea of glass makes its appearance on the second mansonia.

(534.8) 47:4.4 A newly developed and suitably adjusted morontia body is acquired at the time of each advance from one Mansion World to another. You go to sleep with the seraphic transport and awake with the new but undeveloped body in the resurrection halls, much as when you first arrived on Mansion World number one except that the Thought Adjuster does not leave you during these transit sleeps between the Mansion Worlds. Your personality remains intact after you once pass from the evolutionary worlds to the initial Mansion World.

(535.1) 47:4.5 Your Adjuster memory remains fully intact as you ascend the morontia life. Those mental associations that were purely animalistic and wholly material naturally perished with the physical brain, but everything in your mental life which was worth while, and which had survival value, was counterparted by the Adjuster and is retained as a part of personal memory all the way through the ascendant career. You will be conscious of all your worth-while experiences as you advance from one Mansion World to another and from one section of the universe to another — even to Paradise.

(535.2) 47:4.6 Though you have morontia bodies, you continue, through all seven of these worlds, to eat, drink, and rest. You partake of the morontia order of food, a kingdom of living energy unknown on the material worlds. Both food and water are fully utilized in the morontia body; there is no residual waste. Pause to consider: Mansonia number one is a very material sphere, presenting the early beginnings of the morontia regime. You are still a near human and not far removed from the limited viewpoints of mortal life, but each world discloses definite progress. From sphere to sphere you grow less material, more intellectual, and slightly more spiritual. The spiritual progress is greatest on the last three of these seven progressive worlds.

(535.3) 47:4.7 Biological deficiencies were largely made up on the first Mansion World. There defects in planetary experiences pertaining to sex life, family association, and parental function were either corrected or were projected for future rectification among the Material Son families on Jerusem.

(535.4) 47:4.8 Mansonia number two more specifically provides for the removal of all phases of intellectual conflict and for the cure of all varieties of mental disharmony. The effort to master the significance of morontia mota, begun on the first Mansion World, is here more earnestly continued. The development on mansonia number two compares with the intellectual status of the post-Magisterial Son culture of the ideal evolutionary worlds.

5. The Third Mansion World

(535.5) 47:5.1 Mansonia the third is the headquarters of the Mansion World Teachers. Though they function on all seven of the mansion spheres, they maintain their group headquarters at the centre of the school circles of world number three. There are millions of these instructors on the mansion and higher morontia worlds. These advanced and glorified cherubim serve as morontia teachers all the way up from the Mansion Worlds to the last sphere of local universe ascendant training. They will be among the last to bid you an affectionate adieu when the farewell time draws near, the time when you bid goodbye — at least for a few ages — to the universe of your origin, when you enseraphim for transit to the receiving worlds of the minor sector of the superuniverse.

(535.6) 47:5.2 When sojourning on the first Mansion World, you have permission to visit the first of the transition worlds, the headquarters of the finaliters and the system probationary nursery for the nurture of undeveloped evolutionary children. When you arrive on mansonia number two, you receive permission periodically to visit transition world number two, where are located the morontia supervisor headquarters for all Satania and the training schools for the various morontia orders. When you reach Mansion World number three, you are immediately granted a permit to visit the third transition sphere, the headquarters of the angelic orders and the home of their various system training schools. Visits to Jerusem from this world are increasingly profitable and are of ever-heightening interest to the advancing mortals.

(536.1) 47:5.3 Mansonia the third is a world of great personal and social achievement for all who have not made the equivalent of these circles of culture prior to release from the flesh on the mortal nativity worlds. On this sphere more positive educational work is begun. The training of the first two Mansion Worlds is mostly of a deficiency nature — negative — in that it has to do with supplementing the experience of the life in the flesh. On this third Mansion World the survivors really begin their progressive morontia culture. The chief purpose of this training is to enhance the understanding of the correlation of morontia mota and mortal logic, the co-ordination of morontia mota and human

philosophy. Surviving mortals now gain practical insight into true metaphysics. This is the real introduction to the intelligent comprehension of cosmic meanings and universe interrelationships. The culture of the third Mansion World partakes of the nature of the post-bestowal Son age of a normal inhabited planet.

6. The Fourth Mansion World

(536.2) 47:6.1 When you arrive on the fourth Mansion World, you have well entered upon the morontia career; you have progressed a long way from the initial material existence. Now are you given permission to make visits to transition world number four, there to become familiar with the headquarters and training schools of the super-angels, including the Brilliant Evening Stars. Through the good offices of these super-angels of the fourth transition world the morontia visitors are enabled to draw very close to the various orders of the Sons of God during the periodic visits to Jerusem, for new sectors of the system capital are gradually opening up to the advancing mortals as they make these repeated visits to the headquarters world. New grandeurs are progressively unfolding to the expanding minds of these ascenders.

(536.3) 47:6.2 On the fourth mansonia the individual ascender more fittingly finds his place in the group working and class functions of the morontia life. Ascenders here develop increased appreciation of the broadcasts and other phases of local universe culture and progress.

(536.4) 47:6.3 It is during the period of training on world number four that the ascending mortals are really first introduced to the demands and delights of the true social life of morontia creatures. And it is indeed a new experience for evolutionary creatures to participate in social activities which are predicated neither on personal aggrandizement nor on self-seeking conquest. A new social order is being introduced, one based on the understanding sympathy of mutual appreciation, the unselfish love of mutual service, and the overmastering motivation of the realization of a common and supreme destiny — the Paradise goal of worshipful and divine perfection. Ascenders are all becoming self-conscious of God-knowing, God-revealing, God-seeking, and God-finding.

(536.5) 47:6.4 The intellectual and social culture of this fourth Mansion World is comparable to the mental and social life of the post-Teacher Son age on the planets of normal evolution. The spiritual status is much in advance of such a mortal dispensation.

7. The Fifth Mansion World

(537.1) 47:7.1 Transport to the fifth Mansion World represents a tremendous forward step in the life of a morontia progressor. The experience on this world is a real foretaste of Jerusem life. Here you begin to realize the high destiny of the loyal evolutionary worlds since they may normally progress to this stage during their natural planetary development. The culture of this Mansion World corresponds in general to that of the early era of light and life on the planets of normal evolutionary progress. And from this you can understand why it is so arranged that the highly cultured and progressive types of beings who sometimes inhabit these advanced evolutionary worlds are exempt from passing through one or more, or even all, of the mansion spheres.

(537.2) 47:7.2 Having mastered the local universe language before leaving the fourth Mansion World, you now devote more time to the perfection of the tongue of Uversa to the end that you may be proficient in both languages before arriving on Jerusem with residential status. All ascending mortals are bilingual

from the system headquarters up to Havona. And then it is only necessary to enlarge the super-universe vocabulary, still additional enlargement being required for residence on Paradise.

(537.3) 47:7.3 Upon arrival on mansionia number five the pilgrim is given permission to visit the transition world of corresponding number, the Sons' headquarters. Here the ascendant mortal becomes personally familiar with the various groups of divine sonship. He has heard of these superb beings and has already met them on Jerusem, but now he comes really to know them.

(537.4) 47:7.4 On the fifth mansionia you begin to learn of the constellation study worlds. Here you meet the first of the instructors who begin to prepare you for the subsequent constellation sojourn. More of this preparation continues on worlds six and seven, while the finishing touches are supplied in the sector of the ascending mortals on Jerusem.

(537.5) 47:7.5 A real birth of cosmic consciousness takes place on mansionia number five. You are becoming universe minded. This is indeed a time of expanding horizons. It is beginning to dawn upon the enlarging minds of the ascending mortals that some stupendous and magnificent, some supernal and divine, destiny awaits all who complete the progressive Paradise ascension, which has been so laboriously but so joyfully and auspiciously begun. At about this point the average mortal ascender begins to manifest bona fide experiential enthusiasm for the Havona ascent. Study is becoming voluntary, unselfish service natural, and worship spontaneous. A real morontia character is budding; a real morontia creature is evolving.

8. The Sixth Mansion World

(537.6) 47:8.1 Sojourners on this sphere are permitted to visit transition world number six, where they learn more about the high spirits of the super-universe, although they are not able to visualize many of these celestial beings. Here they also receive their first lessons in the prospective spirit career which so immediately follows graduation from the morontia training of the local universe.

(537.7) 47:8.2 The assistant System Sovereign makes frequent visits to this world, and the initial instruction is here begun in the technique of universe administration. The first lessons embracing the affairs of a whole universe are now imparted.

(538.1) 47:8.3 This is a brilliant age for ascending mortals and usually witnesses the perfect fusion of the human mind and the divine Adjuster. In potential, this fusion may have occurred previously, but the actual working identity many times is not achieved until the time of the sojourn on the fifth Mansion World or even the sixth.

(538.2) 47:8.4 The union of the evolving immortal soul with the eternal and divine Adjuster is signaled by the seraphic summoning of the supervising super-angel for resurrected survivors and of the archangel of record for those going to judgment on the third day; and then, in the presence of such a survivor's morontia associates, these messengers of confirmation speak: "This is a beloved son in whom I am well pleased." This simple ceremony marks the entrance of an ascending mortal upon the eternal career of Paradise service.

(538.3) 47:8.5 Immediately upon the confirmation of Adjuster fusion the new morontia being is introduced to his fellows for the first time by his new name and is granted the forty days of spiritual retirement from

all routine activities wherein to commune with himself and to choose some one of the optional routes to Havona and to select from the differential techniques of Paradise attainment.

(538.4) 47:8.6 But still are these brilliant beings more or less material; they are far from being true spirits; they are more like super-mortals, spiritually speaking, still a little lower than the angels. But they are truly becoming marvellous creatures.

(538.5) 47:8.7 During the sojourn on world number six the Mansion World students achieve a status which is comparable with the exalted development characterizing those evolutionary worlds which have normally progressed beyond the initial stage of light and life. The organization of society on this mansonia is of a high order. The shadow of the mortal nature grows less and less as these worlds are ascended one by one. You are becoming more and more adorable as you leave behind the coarse vestiges of planetary animal origin. “Coming up through great tribulation” serves to make glorified mortals very kind and understanding, very sympathetic and tolerant.

9. The Seventh Mansion World

(538.6) 47:9.1 The experience on this sphere is the crowning achievement of the immediate postmortal career. During your sojourn here you will receive the instruction of many teachers, all of whom will cooperate in the task of preparing you for residence on Jerusem. Any discernible differences between those mortals hailing from the isolated and retarded worlds and those survivors from the more advanced and enlightened spheres are virtually obliterated during the sojourn on the seventh Mansion World. Here you will be purged of all the remnants of unfortunate heredity, unwholesome environment, and unspiritual planetary tendencies. The last remnants of the “mark of the beast” are here eradicated.

(538.7) 47:9.2 While sojourning on mansonia number seven, permission is granted to visit transition world number seven, the world of the Universal Father. Here you begin a new and more spiritual worship of the unseen Father, a habit you will increasingly pursue all the way up through your long ascending career. You find the Father’s temple on this world of transitional culture, but you do not see the Father.

(538.8) 47:9.3 Now begins the formation of classes for graduation to Jerusem. You have gone from world to world as individuals, but now you prepare to depart for Jerusem in groups, although, within certain limits, an ascender may elect to tarry on the seventh Mansion World for the purpose of enabling a tardy member of his earthly or mansonia working group to catch up with him.

(539.1) 47:9.4 The personnel of the seventh mansonia assemble on the sea of glass to witness your departure for Jerusem with residential status. Hundreds or thousands of times you may have visited Jerusem, but always as a guest; never before have you proceeded toward the system capital in the company of a group of your fellows who were bidding an eternal farewell to the whole mansonia career as ascending mortals. You will soon be welcomed on the receiving field of the headquarters world as Jerusem citizens.

(539.2) 47:9.5 You will greatly enjoy your progress through the seven dematerializing worlds; they are really demortalising spheres. You are mostly human on the first Mansion World, just a mortal being minus a material body, a human mind housed in a morontia form — a material body of the morontia world but not a mortal house of flesh and blood. You really pass from the mortal state to the immortal status at the

time of Adjuster fusion, and by the time you have finished the Jerusem career, you will be full-fledged morontians.

10. Jerusem Citizenship

(539.3) 47:10.1 The reception of a new class of Mansion World graduates is the signal for all Jerusem to assemble as a committee of welcome. Even the spornagia enjoy the arrival of these triumphant ascenders of evolutionary origin, those who have run the planetary race and finished the Mansion World progression. Only the physical controllers and Morontia Power Supervisors are absent from these occasions of rejoicing.

(539.4) 47:10.2 John the Revelator saw a vision of the arrival of a class of advancing mortals from the seventh Mansion World to their first heaven, the glories of Jerusem. He recorded: “And I saw as it were a sea of glass mingled with fire; and those who had gained the victory over the beast that was originally in them and over the image that persisted through the Mansion Worlds and finally over the last mark and trace, standing on the sea of glass, having the harps of God, and singing the song of deliverance from mortal fear and death.” (Perfected space communication is to be had on all these worlds; and your anywhere reception of such communications is made possible by carrying the “harp of God,” a morontia contrivance compensating for the inability to directly adjust the immature morontia sensory mechanism to the reception of space communications.)

(539.5) 47:10.3 Paul also had a view of the ascendant-citizen corps of perfecting mortals on Jerusem, for he wrote: “But you have come to Mount Zion and to the city of the living God, the heavenly Jerusalem, and to an innumerable company of angels, to the grand assembly of Michael, and to the spirits of just men being made perfect.”

(539.6) 47:10.4 After mortals have attained residence on the system headquarters, no more literal resurrections will be experienced. The morontia form granted you on departure from the Mansion World career is such as will see you through to the end of the local universe experience. Changes will be made from time to time, but you will retain this same form until you bid it farewell when you emerge as first-stage spirits preparatory for transit to the superuniverse worlds of ascending culture and spirit training.

(540.1) 47:10.5 Seven times do those mortals who pass through the entire mansonia career experience the adjustment sleep and the resurrection awakening. But the last resurrection hall, the final awakening chamber, was left behind on the seventh Mansion World. No more will a form-change necessitate the lapse of consciousness or a break in the continuity of personal memory.

(540.2) 47:10.6 The mortal personality initiated on the evolutionary worlds and tabernacled in the flesh — indwelt by the Mystery Monitors and invested by the Spirit of Truth — is not fully mobilized, realized, and unified until that day when such a Jerusem citizen is given clearance for Edentia and proclaimed a true member of the morontia corps of Nebadon — an immortal survivor of Adjuster association, a Paradise ascender, a personality of morontia status, and a true child of the Most Highs.

(540.3) 47:10.7 Mortal death is a technique of escape from the material life in the flesh; and the mansonia experience of progressive life through seven worlds of corrective training and cultural education represents the introduction of mortal survivors to the morontia career, the transition life which

intervenes between the evolutionary material existence and the higher spirit attainment of the ascenders of time who are destined to achieve the portals of eternity.

EARTH is a very young PLANET within our SUPER-UNIVERSE:

There are seven super-universes, and the super-universe that Earth (Urantia) is within is the youngest of those seven super-universes.

As one progresses out from the centre of a super-universe, inhabitable planets are younger and younger. The younger the planet then the less likely that it is inhabited. Earth is in the outer reaches of this young super-universe. As you progress further out from the centre, beyond Earth, there are few inhabited planets.

The outer segment that Earth is in is referred to as Satania. Our world, Urantia (Earth), is number 606 in this planetary group, or system, of Satania. This system has at present 619 inhabited worlds, and more than two hundred additional planets are evolving favourably toward becoming inhabited worlds at some future time.

We are not alone within this super-universe!

www.lulu.com**175. Languages through the Spheres**

15 December 2012

The Eternal Spheres (being a ring of spheres inside of the orbit of the surrounding seven super-universes) progress beyond the Celestial Heaven. There is a universal language spoken between spirits that in their exchanges is an *Eternal* language of Love and Spirit, which I cannot speak myself, though soon I will be able to. This language has its origin beyond the last boundary of Sphere of the Celestial Heaven that is the boundary between the Celestial Heaven and The Eternal Spheres. In the Celestial Heaven, I reside in an Immortal Sphere. Beyond the Celestial Heaven are the Eternal Spheres of Harmony. I am told and informed by more progressed Celestial spirits that this universal language is fast in delivery and pure in form and a perceptual reflective language where words are not required. Apparently chunks of information are simply exchanged and processed by the mind in the spirit body and this language is visual and truthful.

179. The Nature and Stages of Fusion

17 December 2012

Stage six of Fusion truly demonstrates how the personality is infused with extended attributes of mind-spirit function as the individual progresses from the Celestial Heaven and enters the Eternal Spheres. The individual is infused with Love and Spirit that provides the personality with the ability to see the difference between that which is Immortal and all that is Eternal. The individual always remains finite and is never infinite in their condition of soul. The individual residing in the Eternal Spheres is now universally fused with the Eternal experience of the First Source.

Stage seven of Fusion of individuality is the transition from the Eternal Spheres to the Spheres of Paradise. Through the experience of Divine Love one has gained their Immortality and progressed through the Celestial Heaven and to gain an Eternal perspective on the nature of God as being universal and eternal. In the Spheres of Paradise the individual is now fully fledged in their union with God and can travel around the entire soul Sphere where God resides. The confirmation and completion of all these stages of Fusion happens in the last Sphere of Paradise when the individual can visibly see the image of all that was previously unseen, the Soul, the Eternal Soul and First Source of the individual's creation. Having seen the Eternal Father, the personality of the individual is deemed as being *perfect* and still in this perfection, one can gently ask for a drop of the Immortal Love.

181. Living in the Love

19 December 2012

What you have both realised in your receipt of the Love is that you now have the substance in your soul that has caused an awareness of Spirit and Love to awaken in your spirit body senses so that you can awaken to all that is already created and your individuality experiences this in a cognitive progression defined as an awareness of progressive truth. In a way, by receiving the Divine Love into your soul you are receiving an immutable part of the greater universe and so, the Divine Love reveals the workings of the universe in your soul. Your soul with its potentials develops its attributes from the Love and this is perceived in the spirit senses of the spirit body. This is actually how we can see things external to ourselves in the Celestial Heaven. This is another truth about the

workings of Divine Love. When you leave the Celestial Heaven and begin life in the Eternal Spheres, one's actual vision will be in that condition as I have just described so that one can 'see' these more progressed environments. You cannot compare the sensory vision that is identified as eyesight between natural spirits and Celestial spirits with this greater vision. If I were to take a natural spirit from the First natural Sphere to the last Sphere of the Celestial Heaven the individual wouldn't see anything. This provides you with an example of how the Divine Love and energy of it causes the spirit body systems to mature and to continue developing.

183. I introduce the Eternal Spheres

20 December 2012

Hello, my name is Gustav. We have not written together before. My home, when I lived on Earth many years ago, would be seen as middle Europe. I have been asked to write on the Eternal Spheres where I now reside and I was only too glad to contribute to this work. Luke has sought me out in the Eternal Spheres explaining this work and it is a pleasure to be asked. I very rarely, if at all any more, visit the human world, and so yes, your environment is new to me as I am new to you. Saleeba and Luke detailed the progress of this work, the Father's and the Master's work, you are both involved with at this time. As you can see, I am good at communicating in this way with you even though it is a new experience for me.

I first found the experience of the Divine Love listening to the Master share the information that such Immortality is present and a potential for the soul. I was in the Sixth Natural Sphere and upon seeing how true he was I proceeded to follow on his good advice. I did as he did and we prayed to the First Source and I felt the Love. This was a long time ago now, about the year 1500 AD. My experience in the Love was rapid. This new awareness came to me with ease and I moved through the Divine Love Spheres quickly. I then resided in the Celestial Heaven and I progressed through those Spheres quickly. I continued in my receipt of the Love and progressed through the Spheres where I reached a boundary which signified the end of the Celestial Heaven. It is in this last Sphere that the Master resides, and whilst I have not visited his residence, I am here to confirm that this is where he resides. I am also to confirm that the reason why he has not left the Celestial Heaven to live in the Eternal Spheres, although he freely visits these Spheres, is because of his service to humankind and mortal souls who are living their experience in Divine Love and those who are yet to live in their experience of Divine Love. His service is to make known the great gift of Immortality. If Jesus were to leave the Celestial Heaven and never to return to the mortal natural Spheres this would present an immense loss, for he alone personifies the Immortal nature of the Divine Love, unlike any other, as he is so close with the Eternal Father.

The Eternal Spheres are vast in number but not so vast that they are endless for there is structure at all levels of universal experience and, moving through these Eternal Spheres, one proceeds inwards toward the Eternal Gravity Source of Love and Spirit, being the central Soul to us all, the Eternal One.

My time of living in the mortal spirit world came to an end when my soul condition became such that enabled me to progress beyond the mortal spirit world, which comprises of the Celestial Heaven. At present I have very little to do with humanity as a whole, though I did spend time when progressing through the Celestial Heaven sharing and providing accounts of my Divine Love experience with other individuals in the Natural Spheres. I have done this service to the fullest of

my need for this need was born out of a recognition that I am grateful to the Father for the Love and, as an act of love and to show the Father my gratitude, I gave back so that others may become aware of the potential of Immortality as I have done.

I am currently experiencing life as a universal citizen. In the Eternal Spheres we do actually meet with other *angelic personalities* who, of themselves, will never incarnate in a human life to acquire a soul, spirit body and mortal personality. They are complete with personality upon the commencement of their creation from the First Source and in a relative way, this act of personality creation symbolises how the First Parents were made manifest when they first appeared in their respective perfect natural form and image upon the face of the Earth. I have met them and held discourses with them about their life. And every individual who resides in the Eternal Spheres will meet with the First Parents as this provides the fulfilment insofar as knowing and being able to identify one's mortal origins.

One cannot enter the Eternal Spheres without a complete knowledge of mortality and Immortality. By the time I moved into the First Eternal Sphere my knowledge was such that I had accepted and embraced what is known as, 'the full mortal story involving mortal life with and without the Divine Love'. As some of you are experiencing, this natural and Divine story has a long and involved narrative and, in part, this narrative from its mortal and eternal beginnings, is still being written. I don't have to explain the construct of a visible and invisible natural and Divine Love. This you already know as God's Will being clearly identified in terms of a mortal and Immortal reality. God's Will is simply the culmination of all the attributes, many of which have been identified in this work, which, in their universal experience of function and identity, form the universal harmony and this harmony best presents what God's Will looks like and how it acts. Celestial spirits have previously explained the workings of love and Divine Love to you both and you both have explained these workings to other people throughout the years.

My senses in my spirit body are of such condition I can perceive and relate with the reality of an Eternal existence from my finite standing. I have received so much of the Divine Love that my finite personality is not overwhelmed by the existence of a universal Eternity and the way such experience surrounds my finite being.

I must state that I am finite in the condition of my personality though I am Immortal in my condition. However, I am not infinite nor will I ever be even though the Divine Love, as part of its nature, is perceived as being a potential for Immortality, Eternal and infinite.

Real and true spirit structures exist in these Eternal Spheres. I am to convey to you – not in image only – for the real substance of these Spheres is the increased visibility of the universal Father's workings of Love and Spirit. The visibility of the First Source is completely tangible and this infuses us with vitality and energy.

The Celestial Heaven is the place where one prepares themselves for an entrance into environments that provide a more comprehensive vision of the First Source, revealed. I still receive Divine Love and The Spirit still conveys this Love into my soul as it first did when I was back in the Sixth natural Sphere. This experience of the Love has never changed and never will and does provide one with a sense of the abundance and universal presence of The Spirit and The Divine Love.

In the Eternal Sphere, we are not preoccupied with the subjective nature of our own Immortal transformation. This has been well and truly done. What we are occupied with is the visibility of The Eternal One and intricate workings of universal life at their fundamental and primary principles of visibility, experience and existence. We are to provide an example in much the same way as those people who spend their life fascinated in their study of the physical nature of the planet and its visibility. As one learns more of this visibility the more visible other aspects of nature become and this is awareness.

By the time one advances into the Eternal Sphere, there is absolutely no doubt of the existence of the First Source and one's relationship of acceptance in the Divine Love from The Soul. My progression is identified as being conclusive. The only time I spend in the Celestial Heaven now is to provide the service of bringing another from the last Sphere of the Celestial Heaven through the entrance into the First Eternal Sphere. This is part of my service and will continue to be so. I have been able to discuss with Francesco that I will meet him and go with him when he advances into the Eternal Spheres. I have had the chance to meet the beautiful souls who are collaborating with you in this work. I would also like to say how much I have enjoyed meeting Saleeba, the Bright and Beautiful. I will stop writing now and see you again soon.

Your new Eternal friend,
Gustav

185. Elias calls in

21 December 2012

The Eternal Spheres extend from the Celestial Heaven. One could easily say that the Eternal Spheres are still the Celestial Heaven, however we distinguish between these environments as this identifies a significant moment in an individual's experience in The Love and The Spirit of the First Source.

When one leaves the Celestial Heaven one has effectively formed a completion in their progression of Immortality. The personality is '*Immortally Perfect*' as the result from the Divine Love and the individual has perfected their mortal nature understanding all that it is and all that it was to be mortal even when the Immortality of Divine Love now forms part of this mortality. You need the involvement of the Divine Love in your life to understand all that it is to be human, all that it is to be mortal, and all that it is now to be Immortal in oneself with the Eternal Soul, God.

There needed to be progression and potential as part of universal experience otherwise there would be little point, if any at all, for a human personality to commence its forming. This is the obvious reason why the Divine Love does not form part of a soul's natural love to begin with and why the mortal personality is not Immortal to begin with. If the Divine Love formed part of a soul's nature to begin with, then any progression in natural love and the availability to make a progressive choice for Immortality would be nullified and a human soul could be considered as perfect as it could ever become, if the Divine Love formed part of its original creation.

Those of us who are with our soulmate companion progress together. It is not uncommon for companions to move into the Eternal Spheres together. The First Eternal Sphere is slightly

different to the Last Celestial Sphere, though you do notice that any advancement through the Eternal Spheres differs vastly from the initial Spheres of the Celestial Heaven.

The First Parents reside in the First Eternal Sphere. They reside there as part of their service to the Eternal Spheres and it is not uncommon to see them. They act as advisors to all those who commence their lives in these Eternal Spheres and they do visit the Spheres of the Celestial Heaven regularly. It is quite nice to know that the Master resides in the Last Sphere of the Celestial Heaven and the First Parents reside in the First Eternal Sphere.

I know that this may sound so far-fetched and like a fantasy but it is oh so real and identifiable and to us, it is as plain as day. To those who have had no experience of the Divine Love or are as yet to form an awareness of the existence of the Divine Love and its potential for the mortal soul, the idea of an existing energy that can cause so much change in a soul such as the Divine Love does, may sound just as far-fetched and unbelievably untrue.

It has been a pleasure to write a brief word with you and I thank Saleeba for asking me to participate in this Immortal work.

Your friend,
Elias

186. More on the Eternal Spheres

22 December 2012

I have returned and am by your side to convey more on life in the Eternal Spheres. In the Eternal Sphere, I am still very much part of the human race. We don't become something different and nebulous in appearance of existence. My spirit body remains finite and I am independently visible, still retaining only harmonious memories of all the life I have lived. I never entertained the idea on Earth or in the Sixth Natural Sphere that I would reincarnate and live another human life. I am with my soulmate companion Rainer and we love each other very much. I was fortunate in that we met in the Sixth Natural Sphere. Rainer was given her name because she was born in her place on Earth in the season when it rained a lot. Rainer is from the Southern Hemisphere, and lived near the equator in what would be Central America a long time ago. Her dialect differs to the name I have given, but for the purposes of this work, her name is Rainer.

A perfect natural woman, and I, the perfect natural man became acquainted with each other in our perfect natural love in the perfect Natural Sphere. Once I took to the Divine Love I then introduced Rainer to it and she independently followed my advice. One could not live without the other and so we both decided to progress to the Eternal Spheres as this was my objective upon my learning that such an environment existed and the Divine Love could bring us there. There is no force or spirit that can impede one's experience in Divine Love other than one's self. Like myself, Rainer did her service in the Natural Spheres introducing individuals to the awareness of Divine Love and we often preformed this service together.

I would like to state that Jesus could so very easily live in the Eternal Spheres. He alone, in condition of soul, is closest to the First Source. Though for the reasons I have previously given, he resides in the Celestial Heaven. He visits the Eternal Spheres frequently and teaches us much about the nature of the First Source and Soul, God. He alone can travel right through these Eternal

Spheres and he has complete composure everywhere he is and he knows intimately more about the First Source than any other Immortal mortal.

I am truly captivated by the First Source and I completely understand how Francesco feels as I am quite like him in many ways, though he is so quiet and I more extroverted, and yes, there are Celestial spirits and universal Eternal spirits who in their personality type, still retain the human experience of being introverted or extroverted. There are some spirits who light the Heaven with their personality and others who are quiet achievers. The experience of Divine Love doesn't make everyone like everyone else. Even though The Love is the same love in its nature, the personality retains its unique status and everyone becomes a true individual.

The Eternal Spheres are enormous with a peace to them that personifies the presence of the First Source. I am aware that there are **7 Eternal Spheres** with the last Sphere a boundary of the Eternal Spheres. Beyond this boundary of the Eternal Spheres there are the known Spheres called **The Spheres of Paradise and these Spheres surround the Soul who is the First Source and centre of all universality**. I know that I can reside there with Rainer and so that is our objective. Rainer and I currently reside in the Third Eternal Sphere. Apparently it will take quite some time for us to reach the Seventh Eternal Sphere and this is time that we rejoice in.

There is enough time for everything and this is realised as one progresses in their understanding of the nature of The Eternal Truth. There are Immortal mortals in all the Spheres. I know the First Parents, and have communicated with them quite often. It has been necessary to communicate the existence of these far-reaching Spheres because it reveals how the nature of personality can continue to form with its attribute of soul and spirit body to advance in Divine Love to perceive, experience and live the vision of a union with The First Source. I know in the humdrum of everyday human society such knowledge and information may not mean much, or have any real value in the everydayness of a human life but it has been necessary to fulfil the vision and experience on the potential for a finite personality to see and know just what it, with the Divine Love, can do!

Lastly, I am aware, as we all are here, that we are communicating from a shared position of knowing the vast identities of universal workings and we communicate fact plainly and as a matter of fact. To those who are just learning and are on the precipice of this awareness of the Immortal knowledge, an experience of Divine Love and reality of the First Source may seem difficult to grasp. In the fullness of this vision most of us began our personalisation of the universal Father with just a true feeling from the Love experienced.

I am glad to have shared this moment with you,
Eternally yours,
Gustav

(Eternal Spheres referred to here also incorporate the Infinite and Universal Spheres.)

www.lulu.com**194. On the Nature of God's Will**

25 December 2012

It has not been necessary for you in this work, to have us identify the entire construct of universal everything. Much of it as originated by the Eternal One does not relate with or to a mortal or human experience. The closest we can come to know universal everything is through the Divine Love. This Love will take us all the way to Paradise. Paradise is a few Spheres that exist beyond the Eternal Spheres and by the time one arrives there, they will know a lot about everything universal. The mortal personality with its presence of spirit-mind can progress with enormous potential. For the purposes of experience and to be true to both your experiences, all that has been conveyed and communicated in these works are experiences derived from actual mortal and Immortal experiences. This provides this work with substance so it will not be seen as just an image, concept, or construct or an idea conceived out of the intellect. There are all of the above in this work, but grounded in the experience of Love and Spirit.

223. Eglu sums up the Immortal work

1 January 2013

The reality of an existing Celestial Heaven and the progressive Eternal Spheres that Gustav introduced and the Spheres of Paradise bring more reality to the potential of what the finite personality can experience. We learn how perfectly suitable the Divine Love is for the human soul and the attributes that comprise the human personality and how, with this Love, God has made Its eternal existence of Soul available for all of us to know, love and experience.

**Three Great Truths:**

- **God is Soul, being our Heavenly Mother and Father;**
- **that each individual soul is a duplex – both male and female;**
- **and Feeling Healing with Divine Love is the pathway to Paradise.**

GAINING the equivalent of PhDs SPHERE by SPHERE:

The journey to our ultimate destination is of enormous proportions, however, we have loving assistance and guidance all the way.

Consider that each major sphere that we progress through is capped with the granting of a PhD. Thus our journey to our ultimate home could be said to represent the achievement of gaining some 16 PhDs!!! Incredible!

Yes, we can all do it. As we ask for and receive Divine Love, as well as doing our Feeling Healing, we accumulate this wonderful essence progressively within our every growing soul, all visible due to the luminosity that this wonderful substance generates through our solar plexus of our spirit body. Our solar plexus are called this way due to this radiance emanating from that location of our being.

- Major spheres that we may advance through are:
- Spirit World (Divine Love) spheres 4
 - Celestial Heavens spheres 3
 - Eternal Spheres 3
 - Infinite and Universal Spheres 3
 - Spheres of Paradise 3 then
 - Super Grand Sphere surrounding God’s Sphere & Soul**

Total number of graduations **PhDs** **16**
 ===

Each sphere contains numerous planes and layers, thus our journey will have an incomprehensible diversity of experiences, all incredibly loving, progressive, evolutionary and creative once we set to commencing by simply longing for to our Mother and Father, please may I receive your Love! Divine Love will never be withheld from us once we ask.

When we arrive we will be amongst the most capped personalities ever imaginable!

This is one time when this statement stands out:
“Never can one man do more for another man than by making it known of the availability of the Feeling Healing process and Divine Love.” JD

The URANTIA Book:

Messages received 1925 – 1935 and published in 1955

Comparisons of naming for different regions:

- Spirit World & Celestial Heavens, these are all tied to Earth = Our Satania System and within Nebadon
- Capital of 1st Celestial Heavens = Jerusem within Nebadon
- Capital of Nebadon = Salvington
- Eternal Spheres, Infinite and Universal Spheres = Maybe within Nebadon
- Spheres of Paradise = Havona traverses around Isle of Paradise
- Super Grand Sphere = Isle of Paradise which is stationary

Orvonton is one of seven super-universes that are called the Grand Universes and they revolve around a central universe.

We are located in Nebadon (Milky Way) on a planet called Urantia (Earth). Havona (Eternal Spheres) is located in the Central Universe. The Central Universe circulates around the stationery Isle of Paradise, the home of our Father.

The Seven Super-Universes:

Paper 15: The Urantia Book 1925 – 1935

Excluding the Paradise – Havona spheres (Eternal Spheres and Spheres of Paradise), the plan of universe organisation provides for the following units:

Super-universes	Each has:	7
Major sectors	10	70
Minor sectors	1,000	7,000
Local universes	100,000	700,000
Constellations	1,000,000	70,000,000
Local systems	1,000,000,000	7,000,000,000
Inhabitable planets	1,000,000,000,000	7,000,000,000,000

Each of the seven super-universes is constituted, approximately, as follows:

One system embraces approximately	1,000 worlds
One constellation (100 systems)	100,000 worlds
One universe (100 constellations)	10,000,000 worlds
One minor sector (100 universes)	1,000,000,000 worlds
One major sector (100 minor sectors)	100,000,000,000 worlds
One super-universe (10 major sectors)	1,000,000,000,000 worlds

^{37:10.}The universe of Nebadon, which even now has more than three million inhabited worlds, with ten million in prospect. In our solar system, only Earth is inhabited out of 3 inhabitable worlds.

^{32:2.9} The organization of planetary abodes is still progressing in Nebadon, for this universe is, indeed, a young cluster in the starry and planetary realms of Orvonton. At the last registry there were 3,840,101 inhabited planets in Nebadon, and Satania, the local system of your world, is fairly typical of other systems.]

All such estimates are approximations at best, for new systems are constantly evolving while other organisations are temporarily passing out of material existence.

Practically all of the starry realms visible to the naked eye on Urantia (Earth) belong to the seventh section of the grand universe, the super-universe of Orvonton. The vast Milky Way starry system represents the central nucleus of Orvonton (Celestial Heavens). The seven super-universes make up the present organised grand universe, consisting of approximately seven trillion inhabitable worlds plus the architectural spheres and the one billion inhabited spheres of Havona (Eternal Spheres).

In our super-universe not one coll planet in forty is habitable by beings of our order. And, of course, the superheated suns and the frigid outlying worlds are unfit to harbour higher life. In our solar system only three planets are at present suited to harbour life. Urantia (Earth), in size, density, and location, is in many respects ideal for human habitation.

An almost endless variety of creature life and other living manifestations characterizes the countless worlds of space.

Note the 10 major sectors (arms) of our super-universe:

Our world, Urantia (Earth), is number 606 in the planetary group, or system, of Satania. This system has at present 619 inhabited worlds, and more than two hundred additional planets are evolving favourably toward becoming inhabited worlds at some future time.

The centre of the circle is the Isle of Paradise, this is surrounded by the Eternal Spheres. Then there are the seven super-universes. What is then shown are numerous super-universes that are forming in rings outside of the existing seven super-universes.

Travel by various spirit beings:

The Urantia Book 1925 – 1935

Paper 19 7. Paradise Citizens

(222.8) 19:7.4 Trinity-origin beings possess prerogatives of transit which make them independent of transport personalities, such as seraphim. We all possess the power of moving about freely and quickly in the universe of universes. Excepting the Inspired Trinity Spirits, we cannot attain the almost unbelievable velocity of the Solitary Messengers, but we are able so to utilize the sum total of the transport facilities in space that we can reach any point in a super-universe, from its headquarters, in less than one year of Urantia (Earth) time. It required 109 days of your time for me to journey from Uversa to Urantia (Earth).

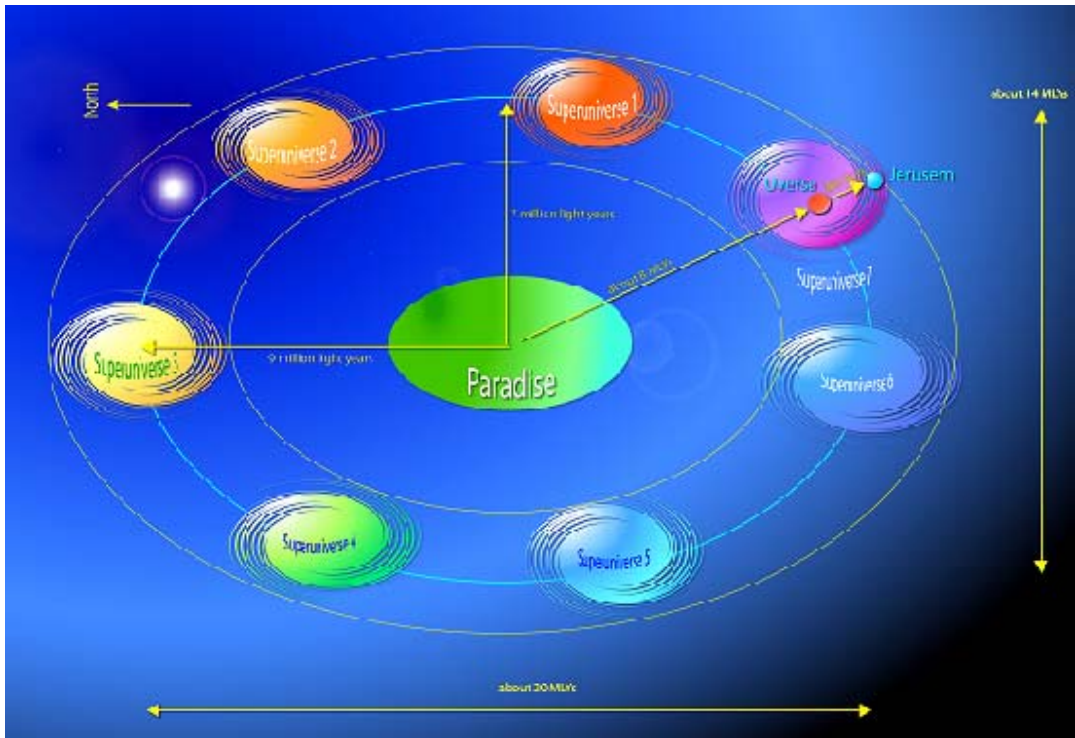

(222.9) 19:7.5 Through these same avenues we are enabled to intercommunicate instantaneously. Our entire order of creation finds itself in touch with every individual embraced within every division of the children of the Paradise Trinity save only the Inspired Spirits.

(222.10) 19:7.6 [Presented by a Divine Counselor of Uversa.]

Uversa is the spiritual and administrative headquarters for approximately one trillion inhabited or inhabitable worlds. The glory, grandeur, and perfection of the Orvonton capital surpass any of the wonders of the time-space creations.

Paper 23 3. Time and Space Services of Solitary Messengers

(260.5) 23:3.1 The Solitary Messengers are the highest type of perfect and confidential personality available in all realms for the quick transmission of important and urgent messages when it is inexpedient to utilize either the broadcast service or the reflectivity mechanism.

5. Planetary Helpers

(436.5) 39:5.1 These seraphim maintain headquarters on the system capitals and, though closely associated with the resident Adamic citizens, are primarily assigned to the service of the Planetary Adams (Adam and Eve / Aman and Amon), the biologic or physical uplifters of the material races on the evolutionary worlds. The ministering work of angels becomes of increasing interest as it nears the inhabited worlds, as it nears the actual problems faced by the men and women of time who are preparing themselves for the attempt to attain the goal of eternity.

(437.1) 39:5.2 On Urantia (Earth) the majority of the planetary helpers were removed upon the collapse of the Adamic regime, and the seraphic supervision of your world devolved to a greater extent upon the administrators, the transition ministers, and the guardians of destiny. But these seraphic (angelic) aids of your defaulting Material Sons still serve Urantia (Earth) in the following groups:

(437.2) 39:5.3 1. *The Voices of the Garden.* When the planetary course of human evolution is attaining its highest biologic level, there always appear the Material Sons and Daughters, the Adams and Eves, to augment the further evolution of the races by an actual contribution of their superior life plasm. The planetary headquarters of such an Adam and Eve is usually denominated the Garden of Eden, and their personal seraphim (angels) are often known as the “voices of the Garden.” These seraphim are of invaluable service to the Planetary Adams in all their projects for the physical and intellectual upstepping of the evolutionary races. After the Adamic default on Urantia (Earth), some of these seraphim were left on the planet and were assigned to Adam’s successors in authority.

(437.3) 39:5.4 2. *The Spirits of Brotherhood.* It should be apparent that, when an Adam and Eve arrive on an evolutionary world, the task of achieving racial harmony and social co-operation among its diverse races is one of considerable proportions. Seldom do these races of different colours and varied natures take kindly to the plan of human brotherhood. These primitive men only come to realize the wisdom of peaceful inter-association as a result of ripened human experience and through the faithful ministry of the seraphic spirits of brotherhood. Without the work of these seraphim the efforts of the Material Sons to harmonize and advance the races of an evolving world would be greatly delayed. And had your Adam adhered to the original plan for the advancement of Urantia (Earth), by this time these spirits of brotherhood would have worked unbelievable transformations in the human race. In view of the Adamic default, it is indeed remarkable that these seraphic orders have been able to foster and bring to realization even as much of brotherhood as you now have on Urantia (Earth).

(437.4) 39:5.5 3. *The Souls of Peace.* The early millenniums of the upward strivings of evolutionary men are marked by many a struggle. Peace is not the natural state of the material realms. The worlds first realize “peace on Earth and good will among men” through the ministry of the seraphic souls of peace. Although these angels were largely thwarted in their early efforts on Urantia (Earth), Vevona, chief of the souls of peace in Adam’s day, was left on Urantia (Earth) and is now attached to the staff of the resident governor general. And it was this same Vevona who, when Michael (Jesus of Nazareth) was born, heralded to the worlds, as the leader of the angelic host, “Glory to God in Havona and on Earth peace and good will among men.”

(437.5) 39:5.6 In the more advanced epochs of planetary evolution these seraphim are instrumental in supplanting the atonement idea by the concept of divine attunement as a philosophy of mortal survival.

(437.6) 39:5.7 4. *The Spirits of Trust.* Suspicion is the inherent reaction of primitive men; the survival struggles of the early ages do not naturally breed trust. Trust is a new human acquisition brought about by the ministry of these planetary seraphim of the Adamic regime. It is their mission to inculcate trust into the minds of evolving men. The Gods are very trustful; the Universal Father is willing freely to trust himself — the Adjuster / Indwelling Spirit / Mystery Monitor — to man's association.

(438.1) 39:5.8 This entire group of seraphim was transferred to the new regime after the Adamic miscarriage, and they have ever since continued their labours on Urantia (Earth). And they have not been wholly unsuccessful since a civilization is now evolving which embodies much of their ideals of confidence and trust.

(438.2) 39:5.9 In the more advanced planetary ages these seraphim enhance man's appreciation of the truth that uncertainty is the secret of contented continuity. They help the mortal philosophers to realize that, when ignorance is essential to success, it would be a colossal blunder for the creature to know the future. They heighten man's taste for the sweetness of uncertainty, for the romance and charm of the indefinite and unknown future.

(438.3) 39:5.10 5. *The Transporters.* The planetary transporters serve the individual worlds. The majority of enseraphimed (angels) beings brought to this planet are in transit; they merely stop over; they are in custody of their own special seraphic transporters; but there are a large number of such seraphim stationed on Urantia (Earth). These are the transport personalities operating from the local planets, as from Urantia (Earth) to Jerusem.

(438.4) 39:5.11 Your conventional idea of angels has been derived in the following way: During moments just prior to physical death a reflective phenomenon sometimes occurs in the human mind, and this dimming consciousness seems to visualize something of the form of the attending angel, and this is immediately translated into terms of the habitual concept of angels held in that individual's mind.

(438.5) 39:5.12 The erroneous idea that angels possess wings is not wholly due to olden notions that they must have wings to fly through the air. Human beings have sometimes been permitted to observe seraphim (angels) that were being prepared for transport service, and the traditions of these experiences have largely determined the Urantian (Earth) concept of angels. In observing a transport seraphim (angel) being made ready to receive a passenger for interplanetary transit, there may be seen what are apparently double sets of wings extending from the head to the foot of the angel. In reality these wings are energy insulators — friction shields.

(438.6) 39:5.13 When celestial beings are to be enseraphimed for transfer from one world to another, they are brought to the headquarters of the sphere and, after due registry, are inducted into the transit sleep. Meantime, the transport seraphim move into a horizontal position immediately above the universe energy pole of the planet. While the energy shields are wide open, the sleeping personality is skilfully deposited, by the officiating seraphic assistants, directly on top of the transport angel. Then both the upper and lower pairs of shields are carefully closed and adjusted.

Seraphic transports with and without a sleeping mortal

A seraphic transport with closed energy shields and a sleeping mortal inside.

A seraphic transport waiting for inspection of the traveler's safety.

(438.7) 39:5.14 And now, under the influence of the transformers and the transmitters, a strange metamorphosis begins as the seraphim (angel) is made ready to swing into the energy currents of the universe circuits. To outward appearance the seraphim grows pointed at both extremities and becomes so enshrouded in a queer light of amber hue that very soon it is impossible to distinguish the enseraphimed personality. When all is in readiness for departure, the chief of transport makes the proper inspection of the carriage of life, carries out the routine tests to ascertain whether or not the angel is properly encircuited, and then announces that the traveller is properly enseraphimed, that the energies are adjusted, that the angel is insulated, and that everything is in readiness for the departing flash. The mechanical controllers, two of them, next take their positions. By this time the transport seraphim has become an almost transparent, vibrating, torpedo-shaped outline of glistening luminosity. Now the transport dispatcher of the realm summons the auxiliary batteries of the living energy transmitters, usually one thousand in number; as he announces the destination of the transport, he reaches out and touches the near point of the seraphic carriage, which shoots forward with lightning like speed, leaving a trail of celestial luminosity as far as the planetary atmospheric investment extends. In less than ten minutes the marvellous spectacle will be lost even to reinforced seraphic vision.

(439.1) 39:5.15 While planetary space reports are received at noon at the meridian of the designated spiritual headquarters, the transporters are dispatched from this same place at midnight. That is the most favourable time for departure and is the standard hour when not otherwise specified.

(439.2) 39:5.16 6. *The Recorders.* These are the custodians of the major affairs of the planet as it functions as a part of the system, and as it is related to, and concerned in, the universe government. They function in the recording of planetary affairs but are not concerned with matters of individual life and existence.

(439.3) 39:5.17 7. *The Reserves.* The Satania reserve corps of the planetary seraphim is maintained on Jerusem in close association with the reserves of the Material Sons. These abundant reserves repletely provide for every phase of the manifold activities of this seraphic order. These angels are also the personal message bearers of the local systems. They serve transition mortals, angels, and the Material Sons as well as others domiciled on the system headquarters. While Urantia (Earth) is, at present, outside the spiritual circuits of Satania and Norlatiadek, you are otherwise in intimate touch with interplanetary affairs, for these messengers from Jerusem frequently come to this world as to all the other spheres of the system.

Our Heavenly Parents simply desires for us to ask for Their Love.

By living true to ourselves, true to our feelings, we are living true to God. It's that simple.

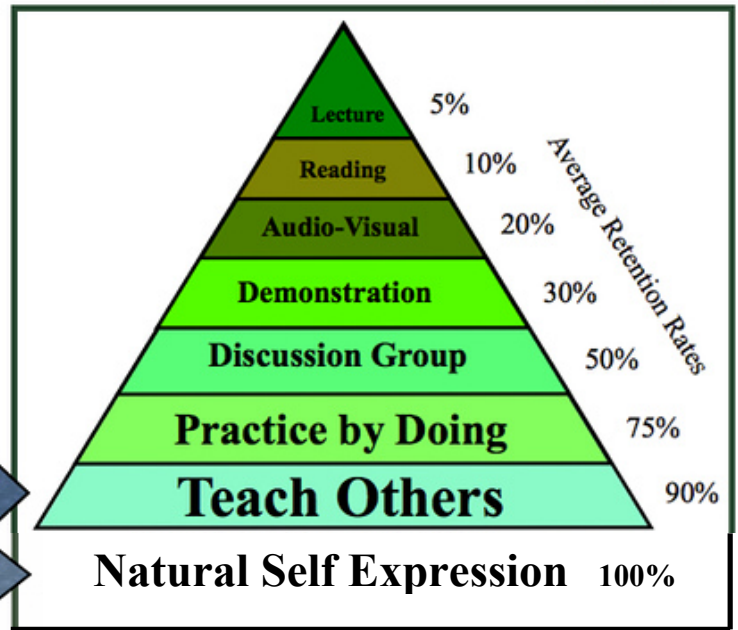

“Every day is a day of devotion.”

Please Mother and Father, may I receive Your LOVE.

God's Divine Love: Pray for it, ask for it, and receive it.

Our salvation IS the embracement of the Feeling Healing process and Divine Love.

DIVINE LOVE – what does it do?

The divine gift from asking for and receiving Divine Love will steadily, but with certainty, raise one's quality of life and also of all those around such a person who is seeking and receiving this Love.

The receiving of Divine Love, which is a substance, with certainty, progressively:

- Raises one's love for those around them, whilst embracing one's Feeling Healing.
- Raises one's perception of all things – naturally grows one's intelligence – soul intelligence.
- Enables one to feel and resolve negative emotional issues more readily during Feeling Healing.
- Humility becomes self evident. Humility enables one to feel their errors and emotions.
- Divine Love strengthens one's resolve to express errors, emotional injuries and untruths.
- Divine Love with Feeling Healing to remove emotional errors, enhances one's health.
- Divine Love enables one to become more childlike – not adult serious at all times.
- Divine Love raises one's capability of feeling – no longer needing to be mind controlling.
- By becoming feeling orientated, one no longer is mind / intellectually dominated.
- The strength to fight and overcome sin and error is strengthened through the Divine Love.
- The Law of Compensation process is more resolved by Feeling Healing with Divine Love.
- Receipt of Divine Love grows one's faith, beliefs become faith and then knowing.
- As our faith grows our intensity to ask and then receive Divine Love grows.
- We begin to follow our passions and desires, no longer fear and mind driven.
- Truth being told at all times then progressively becomes a way of life.
- Our quality of life blossoms, our finances and relationships prosper.
- Man creates his own environment, seeking Divine Love can vastly improve one's environment.
- Health carers receiving Divine Love enhance healing outcomes beyond comprehension.
- Receiving Divine Love may assist in bringing a struggling marriage back into harmony.
- You progressively become dependent upon our Heavenly Parents, not self dependent.
- Personal growth in love directly assists the soul condition growth of one's children.
- Divine Love assists one's rate of soul condition to progress whilst embracing Feeling Healing.
- Divine Love is a substance that changes the human soul to that of the Divine.
- Without Divine Love, one cannot progress into the Celestial Spheres (8th sphere and higher).
- Divine Love, with Feeling Healing, enables everlasting Love and Life in the Celestial Heavens.

“The Law of Compensation doesn't operate on isolated actions, but on the overall condition of people's souls, because the deeds are the consequence of this condition. Our behaviour is the reflection of our souls. Never see isolated deeds, always see souls whose condition leads to certain deeds. It is the soul condition which determines the motive and consequently the action. It is our lack of trust in God, this ultimate and definitive trust, which only soul development may give us. This lack is why we suffer.”

Judas of Kerioth 5th October 2001

As you grow in love, illness issues abate, financial security improves, and your treatment of your fellow man is the same as how you would like to be treated. You grow in natural intelligence, your perception on many subjects becomes profoundly more loving and supportive of and for your way of life and how you interact with your fellow man.

This quality of life and love permeates and extends into every facet of your physical life and continues to grow as you progress on your journey within the spirit world.

Your capabilities to ask for and receive Divine Love is a gift between you and your creator, God. You do not need an intermediary, nor do you need to join with any organisation. This is your own personal journey and experience. You can share this with others, but no one can take it away from you.

This Love will elevate the human soul to a condition that it may perceive the spiritual truths which God has waiting to be revealed to Their children who aspire to understand the nature of the divine and what their true relationship to Them and their family of souls is.

“Keep faith with God, and be open to His Love, and you will overcome with confidence and, indeed, peace of mind, optimism and happiness, those circumstances that seem to mar the fulfilment of your years.”
Mary

Quote from Celestial Spirit Richard 22 Dec 2012

DIVINE LOVE:

<http://www.fcdt.org/divinelove.htm>

The words "Divine Love" have been used in many contexts to convey different meanings. But in the context of our Heavenly Mother and Father, Divine Love is the greatest gift in all the universe. It transcends all else that can assist humankind fulfil their dreams of happiness and have them resolved within themselves. God's Divine Love is the one thing in all of God's infinite universe that can bring about eternal life and everlasting happiness in the Celestial Kingdom.

What is Divine Love?

The Divine Love differs from the natural love of man with which he was endowed when created, which belongs to all humans, and which they all possess in a more or less perfect condition in this: that the Divine Love is that Love which belongs to or is a part of God, possessing Their Nature and composed of Their Substance, and which, when possessed by a human soul to a sufficient degree, makes him divine and of the nature of God.

What is the New Birth?

The New Birth is simply the effect of the flowing of this Divine Love of our Mother and Father into the soul of a man and the disappearing of everything that tends to sin and error. As the Divine Love takes possession of the soul, and one embraces Feeling Healing, sin and error disappear. It, the soul, becomes of a quality like the Great Soul of our Heavenly Parents. And with the Soul of the Mother and Father being Divine and immortal in Its quality of Love, so, when the soul of man becomes possessed of this quality of Love, the soul being the man, this soul becomes divine also. Then, the image becomes the substance; the mortal becomes the immortal; and the soul of man, as to love and hope, becomes a part of the Mother and Father's Divinity.

How does one receive the Divine Love?

The only way is simply this: that men shall believe with all the sincerity of their minds and souls that this great Love of our Mother and Father is waiting to be bestowed upon each and all of them; and that when they come to our Mother and Father in faith and earnest aspirations, this Love will not be withholden from them. And, in addition to this belief, that they pray with all the earnestness and longings of their souls that our Mother and Father will open up their souls to the inflowing of this Love, and that then may come the Holy Spirit to them to bring this Love into their souls in such abundance that their souls may be transformed into the very Essence of our Mother and Father's Love. The soul who will thus believe and pray will never be disappointed, and the Way to the Kingdom will be his as certainly as that the sun shines by day upon the just and unjust alike.

Take the test.

Too often we are told to believe something based on what we are told. You don't have to "believe" anymore. Now you can have physical proof of the existence of God and Their Love for you?

"test my teachings that the Father's Love was now available, and pray for it to the Father in earnest prayer, and see whether, if this was done in sincerity, the Father's Love, conveyed through the Holy Spirit, would burn and glow in the soul, by which sign they would realize His Love was present therein." – Jesus

Take it to heart – earnestly pray for God's Divine Love and feel the glowing of Their Love in your soul. Jesus gave us the Prayer for Divine Love to help us in our prayers to our Mother and Father.

Note: Following the writings of James Moncrief, one could consider that any reference to the Father, by other relevant writers, may be read as a reference to 'our Mother and Father'. Further, when considering soul healing, then reference to Divine Love could be referred to as 'Feeling Healing with Divine Love'.

PARADISE TRINITY:

- 1. **Our MOTHER and FATHER (God) (MF) – Divine Love**
SOUL (God) – One SOUL that is expressing its two PERSONALITIES, our Heavenly Mother and Heavenly Father (Soulmates)
- 2. **ETERNAL SON (ES) – Divine Truth**
- 3. **INFINITE DAUGHTER (ID) – Divine Mind**

Then: The Second and Third Persons of the Paradise Trinity (ES and ID) are stepped down to the local universe trinity (Mary and Jesus, Divine Minister (DM), and her Holy Spirit.

The LOCAL UNIVERSE TRINITY:

- 1. **MARY M and JESUS (MF) – Love**
– the Living Truth
- 2. **DIVINE MINISTER (ID) – Mind (and her Holy Spirit)**
- 3. **HUMANITY – Natural love, sons and Daughters – Truth, and our Angels – Mind**

PLANETS that engage in REBELLION:

- 1. **AVONAL SOULMATE PAIR** – the Feeling Healing process – incarnate
- 2. **DAYNAL – TEACHER PAIRS** – they do not incarnate

So in summary:

Consider a diamond:

Mother and Father Heavenly Parents

Creator Son & Daughter
Jesus and Mary

Avonals
as soulmate pairs

Trinity Teachers
as soulmate pairs

Melchizedeks – who have taken over from the Caligastians and Daligastians being also all as soulmate pairs.

Mortal Souls – human beings who individualise on Earth, then progress through the spirit Mansion Worlds, then into the Celestial Heavens, and beyond.

Mortal Souls – also being ascending spirits, upon completing their Soul Healing, join with their soulmate, then join their soul group of 24 mortal spirits, being 12 soul pairs. It is only as a soulgroup that anyone can progress beyond Nebadon.

The Paradise Pairs are all ONLY concerned with the SPIRITUAL wellbeing and upliftment of the planets and local universe. Currently to do with Earth:

Mary and Jesus – spiritual wellbeing and upliftment of the whole of Nebadon region.

Avonal Pair – Daynal pairs (Trinity Teacher Daughters and Sons) – Spiritual wellbeing and upliftment of individual planets and their associated Mansion Worlds.

The Local universal Sons and Daughters are all about the running of the worlds under their jurisdiction, and ensuring the higher spiritual elements can be employed, or sent astray, as in our cases through the Rebellion and Default.

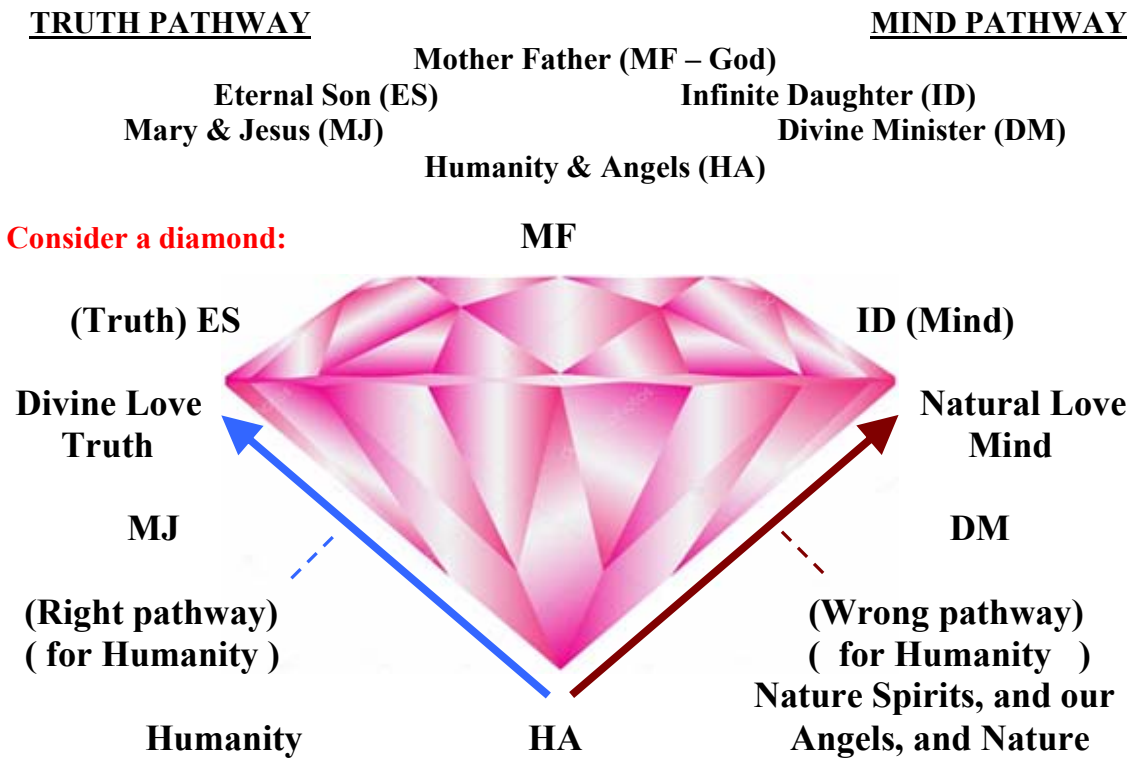

Lanonandeks – Melchizedeks (and others, such as Life Carriers and Eve and Adam).

As the Lanonandeks all rebelled – the Lucifers, Satans, Caligastias and Daligastias soulmate pairs – so the Melchizedeks have taken over their roles, as well as doing their own.

So the Melchizedeks are the governors, overseers, the administrators and advisors and so on for Earth; they are the ‘controllers’, and they will instigate all that needs to be done to do with the ending of the Rebellion and Default. And they will enlist the willing help of ascending mortal pairs, so the mortal Celestials spirits (soulmates when available, and others waiting to unite with their partner), and at times mortal spirits in the Divine Love Healing Mansion Worlds. And the angels help all of us.

Currently the whole of Creation exists for the ascension of mortal souls from their earth planets to Paradise. It’s all one vast Grand Ascension Scheme. With all the higher and lower spiritual Daughters and Sons, together with all the many different angels and other universal spirit personalities, and even including nature and our very own pets, assisting women and men with their Ascension Journey. It being: and Ascension of Truth. Everything we do is done to help us grow in truth. (Only everything we do in our negative state is to deny ourselves our truth from our feelings, which is why we have to do our Healing.) All women and men are ascending (or growing) in truth through their experiences. And as we grow in truth by looking to our feelings to show us that truth, so we’re ascending, moving inwards and upwards through all the worlds and spheres of the Grand Universe to one day arrive on Paradise and meet our Heavenly Parents. God is providing us, Their children, with this spiritual journey called our Ascension of Truth. And by living true to our feelings, so we are progressing on our true Spiritual Path – our Ascension Path.

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God’s soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of your Mother and Father.

Humanity is to pursue the pathway for Truth through one’s soul based feelings, this is the right pathway. However, humanity commences its journey founded on natural love, which we now know is to be perfected through one’s Feeling Healing process and then made divine through asking for and receiving our Heavenly Parents’ Divine Love.

For 200,000 years, **humanity** has pursued the pathway of the Mind, being that of the brain, this is the wrong pathway. The Mind is the pathway for Angels and that of all of Nature.

CREATION of SOUL and SPIRIT:

God is *The Paradise Trinity* — the eternal Deity union of the Personalities: the Universal Mother and Father; the Eternal Son of Truth; and the Infinite Daughter Spirit of Mind.

The soul of each human personality (sons and daughters of truth) is existential, driving our personality expression in the experiential. The soul of each human finds truth by embracing one's feelings and longing for the truth of them. We are to attain the Eternal Son of Truth. We are a creation of Truth.

The soul of angels is experiential, evolving through their experience by continually progressing in mind development. Angels are to attain the Infinite Daughter (Spirit) of Mind. Angels are a creation of Mind. Our soul is duplex (we have a soulmate) and is created by our Heavenly Parents. Through our Feeling Healing we perfect ourselves enabling the union with our soulmate, as we progress in truth up through the Mansion Worlds, celestial heavens and all the way to Paradise.

The soul of angels is also duplex, yet of the mind, and they progress in mind evolution to Paradise. Animals, plants and nature spirits are also creations of Mind.

Neither we nor animals reincarnate. We never die; upon death, we move into the spirit Mansion Worlds on our journey to Paradise. When animals and plants die, be they the tiny microbe to the mighty elephants of the land and the whales of the ocean, their spirit energy returns to the Spirit Collective

Energy. And from this energy are drawn other animals and the nature spirits, who then in turn move onto becoming angels through increasing mind experience.

A nature spirit is an angel in waiting.

WE EACH have a Nature Spirit pair, Spirit Guide pair and an Angelic Pair:

For those doing their Healing or are interested in doing it will from that time have their own personal angels, spirit guides and nature spirits with them, with whom they are to develop their own relationships should they want to. It is not about 'sharing' the same angels or guides or nature spirits, it is about you relating specifically to your 'own' ones because they are provided for YOU. It's all for you, to maximise the experiences we each need.

We are all to have our own pure relationships. And it's the same of course in life with your friends, however over there, in spirit, dealing with Nature Spirits, Spirit Guides, and Angels, it's more personal and private and 'JUST FOR YOU'. So we have our own separate, unique relationships.

For example, Nature Spirit Verna has been assigned to be specifically and only with James, and she ain't going to be assigned to anyone else, so she won't be sharing herself around.

This is SO IMPORTANT to understand so that in future there won't be all these people claiming to be speaking with Verna or Mary Magdalene or Jesus or Nanna Beth or anyone else who is part of it all in such capacity. Mary M and Jesus have spoken with James as they have, making it quite clear he is all they are speaking with.

We each have a band of a Nature Spirit pair, Spirit Guide pair, and an Angelic pair, each pair being in their soulmate relationship. Even though we are ascending mortals having a soulmate, even our soulmate has his or her own group of six personalities assisting him or her. Our assigned Nature Spirits do not continue with us into spirit, our Spirit Guides may for a time assist upon entry to the spirit Mansion Worlds, however, our Angelic pair continue with us for eternity.

Feelings first

WE ALL ARE BEING GUIDED HOME:

We need the Spirits of Truth of the Avonal Pair to Heal ourselves; then once Healed, (and for support (overshadowing) as well through your Healing), we need the Creator Pair, Mary Magdalene and Jesus’ Spirits of Truth to see us through the Celestial spheres, while at all times embracing our Heavenly Mother and Father.

Until Mary and Jesus died and liberated their Spirits of Truth, no one from any of the worlds could leave Nebadon, because no one knew the way to do so. Nebadon is our local universe containing some 3.8 million inhabited physical worlds and their associated spirit worlds.

When we embrace the truths Mary and Jesus are revealing, and start to do our Feeling Healing, or with Divine Love, Soul Healing, we are then freeing ourselves up from our parental and self control.

Thus our journey to Paradise, to the home of our Heavenly Parents, is of our choosing as to when we progress, however, there is only one way:

HUM: Humanity is to ascend. We are self contained. Our soul is always in truth and perfect at all times. **By living true to ourself, true to our feelings, we are living true to God. It’s that simple.**

We are to recognise that being engaged and dominated by our mind is the wrong way for us to evolve and grow in truth. We are to discard the mind enslavement that has been imposed upon us by all of our parents. We are to express our feelings, both good and bad and free ourselves of the indoctrination that humanity has embraced worldwide.

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God’s soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of our Mother and Father.

AVO: We are to embrace the truths and guidance of the Avonal Pair through their Spirits of Truth. It is the Avonal Pair’s guidance that will lead us through our Feeling Healing, and with Divine Love, we will be able to ascend through the 7 spirit Mansion Worlds and enter the Celestial Heavens where we also interact with other world’s spirits.

J&M: We are also to embrace the truths and guidance of the Paradise Pair, Mary and Jesus, who will then lead us through the 3 Celestial Heavens that are aligned with Earth, and then further on through Nebadon where we will then depart beyond on towards Paradise.

M&F: Beyond the universal zone of Nebadon, we will be guided by our Heavenly Mother and Father onwards through the universes to Paradise where we will be welcomed by them, home for us all, as we are all Children of God.

WE ALL ARE BEING GUIDED HOME – NOW, HOW TO COMMENCE THE JOURNEY:

GOD

M&F

For 200,000 years, we have been misled into embracing our mind's distortion of wisdom and truth. All such traditional understandings only lead us in the wrong direction, from which we must turn back from. Our soul based feelings are always in truth. Our minds are to follow our soul based truths and feelings, not the other way round, as we have been brought up to embrace.

We are to connect with our deeper repressed feelings.
We are to long for the truth of what we are feeling.
We are to live true to our selves; by living true to our feelings.

Use your surface day-to-day feelings to connect with your deeper repressed feelings. Express your surface feelings and your deeper repressed feelings to uncover the truth of yourself.

J&M

We all have feelings which we communicate and share with each other. And we all have deeper buried and hidden repressed feelings. Feelings from our early childhood we felt, yet weren't allowed to express. These feelings are still within us, waiting to have their say. These feelings, because they are repressed, cause us all our problems.

And as we look to uncover, bring out and accept these deeper feelings, so we're taken into new ways of looking at ourselves, our feelings, and our life. We're setting ourselves free of the controlling patterns that govern our unloving behaviour.

In this way, we progressively begin to express the personality that our Heavenly Mother and Father gave us, not the one imposed upon us by our physical parents and carers. We are to be our true and real selves.

By living true to ourself, true to our feelings, we are living true to God. It's that simple.

AVO

HUM

As we, humanity, long for the truth of our feelings, we can also be assisted by the Spirits of Truth of the Avonal Pair who are our spiritual teachers for Earth over this coming 1,000 years, to assist us through the Great U-Turn, away from mind dominance to being soul based feeling lead. They will assist us through the seven levels of the spirit Mansion Worlds.

Then the Creator Pair, Jesus and Mary, will lead us through Nebadon and into the greater universe. Then our Heavenly Mother and Father lead us home to Paradise.

Collectively, should we embrace them all, as we are to, then our pathway home is a journey in the hands of the Spirits of Truth of the Avonal and Paradise Pairs overseen by our Heavenly Parents.

WE ARE Children of God

HOW TO GET TO PARADISE:**Long for the Divine Love****Long for the Truth****Long for the truth of your feelings****Don't deny any feelings: accept, express and want to know the truth of them****Know your feelings are the key; your feelings are the Way****Want to end your falseness and being untrue****Want to understand the truth of your early life****Use your surface feelings to move deeper into yourself, bringing up your repressed feelings****Want and long to know the whole truth of yourself****Want to do it all with God, your Heavenly Mother and Father – long to Them for help.****The Key**

Our longing drives our life. We long with feelings. We can wish for things using our mind, yet long for things with our heart. These things in the pyramid are what to long for. Longing for them, when the longing comes naturally. Longing because you feel you really want them. Long to be true with all your heart. Long to live true to your feelings. Long to understand the whole truth of yourself.

The Only Prayer That Man Need Offer to the Father:

(as given within the first century)
I am here, Jesus

The Prayer for Divine Love 2 December 1916
<http://www.youtube.com/watch?v=Pg6p3rivAZw>
P.438 Book of Truths through James Padgett / Jesus

Let your prayer be as follows:

Our Father, who art in heaven, we recognize that You are all Holy and loving and merciful, and that we are Your children, and not the subservient, sinful and depraved creatures that our teachers of old would have us believe. That we are the greatest of Your creation, and the most wonderful of all Your handiworks, and the objects of Your great soul's love and Tenderest care.

That Your will is that we become at one with You, and partake of Your great love which You have bestowed upon us through Your mercy and desire that we become, in truth, Your children, through love, and not through the sacrifice and death of any one of Your creatures.

We pray that You will open up our souls to the inflowing of Your love, and that then may come Your Holy Spirit to bring into our souls this, Your love in great abundance, until our souls shall be transformed into the very essence of Yourself; and that there may come to us faith--such faith as will cause us to realize that we are truly Your children and one with You in very substance and not in image only.

Let us have such faith as will cause us to know that You are our Father, and the bestower of every good and perfect gift, and that only we, ourselves, can prevent Your love changing us from the mortal to the immortal.

Let us never cease to realize that Your love is waiting for each and all of us, and that when we come to You, in faith and earnest aspiration, Your love will never be with-held from us.

Keep us in the shadow of Your love every hour and moment of our lives, and help us to overcome all temptations of the flesh, and the influence of the powers of the evil ones, which so constantly surround us and endeavour to turn our thoughts away from You to the pleasures and allurements of this world.

We thank You for Your love and the privilege of receiving it, and we believe that You are our Father --the loving Father who smiles upon us in our weakness, and is always ready to help us and take us to Your arms of love.

We pray this with all the earnestness and longings of our souls, and trusting in Your love, give You all the glory and honour and love that our finite souls can give.

Amen

MoC

Note: The 'false teachers' are our parents, as they are also the 'evil ones'.
Also, the evil ones, being those parts of one's mind, that are controlling you.

Our Father, who art in heaven, we recognize:

That Thou Art--art all holy and loving and merciful, and that we are the children of Thy care and not the subservient, sinful and depraved creatures that our false teachers would have us believe.

That we are the greatest of Thy creations and the most wonderful of all Thy handiwork, and that we are the objects of Thy great Soul's love and tenderest care.

That Thy will is that we become at one with Thee and partake of Thy great love which Thou hast bestowed upon us through Thy mercy and desire that we become, in truth, Thy children; and not through the sacrifice and death of any one of Thy creatures, even though the world thinks that one Thy equal and a part of Thy godhead.

That Thou will open up our souls to the inflowing of Thy love, and that then will come Thy holy spirit to bring into our souls, this, Thy love in great abundance until our souls may be transformed into the very essence of Thyself; and that there may come to us faith--such faith as will cause us to realize that we are truly Thy children and that we are one with Thee in very substance and not in image only.

Let us never cease to realize that Thy love is waiting for each and all of us, and that when we come to Thee with faith and earnest aspirations, Thy love will never be withholden from us.

Keep us in the shadow of Thy love every hour and moment of our lives, and help us to overcome all temptations of the flesh and the influence of the powers of the evil ones who so constantly surround us and endeavor to turn our thoughts away from Thee to the pleasures and allurements of this world.

We thank Thee for Thy love and for the possibility of receiving it, and believe that Thou art our Father--the loving Father who smiles upon us in our weakness, and is always ready to help us and take us to Thy arms of love.

We pray thus with all the earnestness and longings of our soul, and trusting in Thy love give Thee all the glory and honor and love that our finite souls can give.

Whilst we are receiving our Heavenly Parents' Divine Love, and that this Love is causing change within our soul and spirit attributes, the greatest Truth known to man and spirit is that this is the way our Mother and Father are actually loving us! When we progress, it is God's way of loving us into love and then we live what we are, love.

A Personal Adaptation of the Prayer for God's Divine Love:

Joseph Babinsky

Our Father, who art in heaven, I recognise:

That You are holy and loving and kind, and that I am the child of Your care.

That I am the object of Your great Soul's love and tender most care.

That Your will is that I become at-one with You and partake of Your great love, which You have given me through Your desire that I become, in truth, Your child.

That You will open up my soul to the inflowing of Your love, and that then will come Your holy spirit to bring into my soul, this, Your great love in great abundance until my soul may be transformed into the very essence of Yourself; and that there may come to me faith – such faith as will cause me to realise that I am truly Your child and that I am one with You.

Let me have such faith as will cause me to know that You are my Father and the giver of every good and perfect gift, and that I only can hinder and stop the river of your inflowing love.

Let me never cease to realise that Your love is waiting for each and all of us, and that when anyone comes to You with faith and earnest aspirations, Your love will never be withheld.

Keep me in the shadow of Your love every hour and moment of my life, and help me to remain completely focused on this, your ever-present and unconditional love.

I thank You for Your love and for the possibility of receiving it, and believe that You are my Father – the loving Father Who smiles upon me always and is always ready to help me and take me to Your arms of love.

I pray this with all the earnestness and longings of my soul, and trusting in Your love give You all glory and honour and love.

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God's soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of your Mother and Father.

To liberate one's real self, being one's soul, is by embracing Feeling Healing so to clear emotional injuries and errors. With the Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

The Padgett Messages, received 1914 to 1923 and published in the Book of Truths, has now been extended with further session of messages having been received between 2012 and 2013, and titled “The DIVINE UNIVERSE” via Zara Borthwick and Nicholas Arnold.

79. *Prayer of the Heart*

16 October 2012

I encourage the heart that prays to the Father for the Divine Love. I encourage the heart that loves the Love, and with sincere aspiration, feels for the Love. If there be any doubt, loss of faith or hardship of heart, I encourage the heart not to give up or give the Love away. The Father hears your prayers and the heart be rest assured in this. Never will a good heart be forsaken. As the Father does so do I, see and hear your heart, and prayers for the Love and the needs for wellbeing. Never give your heart up; trust in the One who knows your true heart, and there the Father loves you. One may never fully understand the intricate workings of time, past present and future, but the heart knows faith and Love and the Father Loves a good heart. Pray with faith, and in your heart my truth and the Father’s Divine Love meet you there.

I have given you this prayer of the heart so that men and women may draw from its words, strength, love and faith.

Your beloved friend and companion,

The DIVINE UNIVERSE

300. *Prayer of Love and Strength*

2 February 2013

I am going to write the Prayer of Love and Strength that may help those with their endeavour of heart in the receipt of the Divine Love:

I pray that I may find the love and strength in my heart to love you more wholeheartedly. I pray that I may feel this strength as a living truth in my heart and soul as my weakness, due to my condition in my physical and material struggle, may not become a hardship that casts a long shadow over my day-to-day living in my faith in Divine Love. I pray that I will not give in to any negativity that surrounds me, or to the way that at times I cannot seem to be able to help or forgive myself for loosing faith in The One I love.

I pray that I am receiving Love, your Divine Love that is in great abundance and that my heart partakes of a small portion of this abundant Love. I ask that your Spirit, The Spirit, convey the Love into my soul as I have already been receiving into my soul your Divine Love. I pray that your Divine Love gives greater love and strength to my heart that I may continue in my prayer to receive this Immortal Love.

God, I love you with all my heart even if there be a shadow across my heart, and a lack of humility in my faith and on my behalf, for I recognise that you can love me more perfectly and wholeheartedly than I can accept for myself.

God, I recognise that you are Soul and that I am a finite soul and that your Love and Spirit are true gifts for my heart and soul and that I need this Love that you have provided. I pray that from your Love, more finite love and strength in my faith and heart will enable me to love you even more. I recognise that I am doing my best in all that life has given and taken away from me and that in my resolve, my heart knows that your true Divine Love always remains with me and my faith in you. At times I have left you and left your side and wandered all over the place, lost in the shadows of life and in the near-sightedness of my eye and then, I pray for your Love and your Love fills my heart and my love and strength return and I accept that you are loving me at all times when I am lost and found. I give you all my gratitude, love and strength that my heart can give and I desire not to change the world or the spirit world accepting that your Divine Love will change my soul and in harmony together, I will try for a peaceful world.

I have provided you with the inspiration to give these words of love and strength that such words may help one in their experience of God's Love and Spirit.

The DIVINE UNIVERSE

303. *The Immortal Prayer*

6 February 2013

For those of you who are strong, I will continue to sustain this strength because many of you who experience the Father's Divine Love require a great resolve and strength of heart not to give up on the Truth and not to be saddened by the apparent lack of interest in the most beautiful love that you feel and know to be true. I will never prevent myself from being with you, who sincerely desire the Divine Love and, with any feeling of being afraid, alone or insecure, I with my Celestial teachers are present supporting you. There is no shadow in the Divine Love and for those who are aware of this Love in faith love and spirit we celebrate the harmony of God's universe of Love and Spirit.

I pray for the Divine Love, the Immortal Love

Universal Soul God,

My Father, I love and accept you with my heart. I sincerely pray for your Love that will come by The Spirit and embrace my spirit body conveying your Divine Love into my soul. I humbly ask that you love me as I love you, and that you continue to love me when in those times I cannot love myself.

I ask that you give me the strength to voice my faith and love to you, and that you may love me in my weakness and in my strength. I know that I am a soul beautiful to you as you are to me, and that your Divine Love will be the arrival of Truth that my soul has truly longed for.

I pray that your Divine Love will be the arrival from which will announce the departure of my doubt and that such faith, love, strength will come to me that I will never doubt you again. And I will never stop loving you, in the sunrise and the sunset of each day in my life.

I recognise that you are the Source of the Divine Love and the origin of my soul. I recognise that I may have been lost to you but in truth I was never lost to you and now, I am gathering up all my love out of my lost-ness in great abundance because I am aware that your Divine Love is present for my soul and I am free to receive your Love and feel Its' breath of spirit declare in my heart the Immortal Harmony.

I am receiving your Love, I have received your Love, true Universal God, your Immortal Love.

Amen

The DIVINE UNIVERSE:

32. *The Perfect Prayer*

7 October 2012

In the time James Padgett received spirit communications I gave him a prayer (2 December 1916) to help him firm his stature as he worked with various spirits. I would like to extend the reality of prayer with you now.

The Perfect Prayer or Prayer for Divine Love need only be a sincere heartfelt expression of love given to the Soul, God, and included in this soulful heartfelt love, a respectful asking to experience the Divine Love. The perfect prayer will always be of an individual expression that works harmoniously for each person. There can never be a formal prayer of one that is perfect for all, for each person commences their receipt of the Divine Love at particular stages of their human or spirit experience. The comforting and nurturing aspect in the nature of the Divine Love is most suitable for the heart.

Formal prayer, intuitive prayers or a prayerful experience that exemplifies respect and a sincere desire for this Love, will cause a response by the Spirit to bring about an inflowing of the Divine Love into one's soul. There is a unique reality of love that exists between God, the Soul, and all other independent mortal finite souls. As soon as a mortal finite soul longs for love by God, God knows of this longing and the active Spirit Law that determines the function of the Spirit responds. It is as if no earthly time or mortal spirit world time exists at all, for the Divine Love is not subject to these constructs of time and has its experience directly between the Soul of God and the soul of the individual. In this way, a demonstration of harmony begins.

As the experience of the Divine Love becomes more familiar, and the energy in one's soul becomes more active, the essence of prayer changes as the condition in the soul of the individual changes. People have experienced this already as they learn more about living with the Love.

I will not give a formal prayer here other than the love in the words that I have just conveyed. I would also like to state that I know that individuals both men, women and mortal spirits, can commence and do commence their learning about the nature of Love from a position and condition of fear that is situated as a dis-harmony in the personality of the individual. Even in fear, I encourage one to value the attribute of goodness and respect so that a small beginning of learning to love thy self can form part of the progress when learning to live in the harmony of love.

The BEAUTIFUL MIRACLE:

5 Oct 2012

The DIVINE UNIVERSE

The way in which the Spirit conveys the Divine Love into the soul is a beautiful miracle. The attribute of mortal soul prior to incarnation has to it, a potential within it that is part of its formed nature. After the soul incarnates this potential remains part of the soul and even if the forming personality is unaware of such a soul potential, the potential still exists. The Divine Love is entirely suitable in its energy of harmony to be the energy that a mortal soul can utilise. The Spirit covers the spirit body when the individual sincerely asks the Soul of God for the Divine Love and this covering of the spirit body is where the dynamic of this beautiful miracle takes place. From the internal longing of the individual for the Divine Love this activates the Spirit Law that activates the Spirit that is then attracted to the spirit body upon which the Spirit material of the spirit body draws the Divine Love in to its soul and this union complete. The key here is to gain a perceptive insight into realising that the spirit body is not an inert body but that it is living and has activity, recognisable from its first forming from the Spirit Law that materialises a spirit body. The Spirit and the spirit body to give an analogy are like two attracting magnets and when the surface of the spirit body is touched by the Spirit, this causes the automatic response of the Divine Love to permeate into the attribute of soul and so begins the transformation of energy from the natural into the Immortal Divine Harmony. If the individual continues the receipt of Divine Love the energy that is Divine Love actively begins to change the soul and this is felt in the spirit body systems and can produce feelings of love and elation. The spirit-mind begins to change as all spirit body systems are affected by the changed condition now experienced in the soul as the soul becomes living and vital. In one's progression of this Divine transformation, the soul will mature enough from the amount of Divine energy it receives and at that moment the surface of the spirit body and the Spirit are continuously attracted to each other and one is living in the presence of the Father in perfect harmony and this clarifies the truth about what it means to be truly at-one with God.

SHINING TOWARD SPIRIT:
665. The Shining toward Truth

Vol III, p. 157, 14 Nov 2014 – 14 Mar 2015 Zara and Nicholas

www.lulu.com

It is I Matthew, a teacher of the Divine Love. I have communicated with you recently, now I desire to provide you with a visual description of the Love.

Imagine a continuous Energy shining light blue that is unbroken with a seamless surface that surround every mortal and Immortal spirit. Imagine if you were to become aware that this energetic field of light-blue Energy existed in its shining radiance just near where you are. Now that you are aware that this unbroken Divine Love is unified energetic field of living Love, by opening toward the Soul of God and aspiring for the Divine Love, the Acting Spirit gently brings a small portion of this shining blue Energy into your soul

The Divine Love that you have received remains part of this great Energy that the Divine Love is and even though this small portion of Divine Love, now within your soul, in its shining radiance and energetic cause, it is never separated from the continuous energetic field of Energy that the Divine Love is. Having partaken of this Energy it is with perception that one is aware that the Divine Love within one's soul is the same Divine Love that every person and spirit who has partaken of this Love, participates with. Even though in our individuality we partake of this Divine Energy, this Love is never broken away from the Source and Origin from which this Divine Love emanates.

The Divine Love is bestowed into our finite soul by the Acting Spirit, but this Spirit remains in contact with our spirit body and does not enter the finite soul to become part of our finite soul essence that we are. No mortal or Immortal spirit can manifest in their soul the Acting Spirit so that this Spirit – this Holy Spirit – becomes part of our existing finite spirit body. Only the Divine Love and its Energy becomes part of our finite soul, which causes the change to our spirit body. The Acting Spirit always remains its own attribute and never does a Celestial spirit claim ownership or take possession of the Acting Spirit within their soul. (The Holy Spirit / Acting Spirit is an instrument of the Source Soul, our Father.)

This is one of the wonderful Truths by which we who have been transformed by the Divine Love understand our personal relationship with the Father's ever-present Acting Spirit. The shining Energy of Divine Love is all around us and when we have partaken of this Love, part of our finite nature becomes independently shining in this true perfect Love.

I provide these words that may appeal to those who are visual and to express the universal appearance of the Divine Love and the personal touch when in contact with the Acting Spirit.

Matthew (Apostle)

Whilst we are receiving our Heavenly Parents' Divine Love, and that this Love is causing change within our soul and spirit attributes, the greatest Truth known to man and spirit is that this is the way our Mother and Father are actually loving us! When we progress, it is God's way of loving us into love and then we live what we are, love.

FEELING HEALING and SOUL HEALING with the DIVINE LOVE:**James Moncrief Publications:****all publications are free downloads:**<http://divinelovesp.weebly.com/my-free-books-and-free-padgett-messages.html>

It is suggested for one to consider reading as follows:

Speaking with Mary Magdalene and Jesus – books 1 – 4

These four books encapsulate the second of the revelations with the first having been introduced by James Padgett one hundred years previously. These four books provide a wide range of guidance that has never previously been made available.

Paul – City of Light

As a gentle intro into the Divine Love and Healing; being James Moncrief's first novel and it's been criticised as being too heavily clichéd, but that's the point because it's a reflection of how he was back then.

Ann and Terry

For an example of people who might want to immediately start working on themselves and doing their Healing.

Feeling Bad? Bad Feelings are GOOD

For more understanding about our denial of our feelings and why we should not deny our feelings, and it includes how it all came about for James, using himself as an example.

Feeling bad will make you feel BETTER – Eventually!

This includes specific examples of Marion and James working on expressing particular bad feelings, again with the hope that it will help others gain something of an idea as to what's involved in doing your Feeling Healing.

Sage – and the Healing Angels of Light

Through Sage who's 13 years old, the story is primarily about the two aspects of healing; that being, with the help of our angels, and the full Healing we can do by looking to our feelings for their truth.

Feeling Healing**

**Welcome to LOVE – the Religion of Feelings
you can heal yourself through your feelings**

So these books, including the four Speaking with Mary Magdalene and Jesus books, provide the essence of it all and are examples of James' work. Then it's up to whatever takes one's fancy. Other reading to consider may include:

The Padgett Messages being published as:**The True Gospel Revealed Anew by Jesus volumes 1 – 4****Book of Truths by Joseph Babinsky****The Urantia Book**

Release one's pain through expressing one's feelings.

in conjunction with

Longing for the Truth when also longing for Divine Love.

FEELING HEALING with DIVINE LOVE is SOUL HEALING:

A collection of 'papers' that draw together specific topics including all of the above and more from other sources of information and revelation designed to help increase one's awareness about why we have the problems we do and how to heal them, all whilst living a more healthy and sustainable life. They provide a brief snapshot of the more complicated topics and issues.

Firstly, consider discovering the truth of your emotional pain through Feeling Healing.

Secondly, consider longing for our Heavenly Parents' Love as you progress with your healing.

Primary and most important readings are the writings of James Moncrief.

Then consider the Padgett Messages, and then The Urantia Book.
