The MANSION WORLDS and EARTH:

James Moncrief

7 April 2017

Celestial spheres – with no associated planes. With the Angels and other universal spirits freely available and living amongst the Healed mortal spirits (Celestial spirits as we call them) from Earth and all the other earths in our neck of the woods of Satania our local System, our System within greater Nebadon our Local universe. The first Celestial sphere being Jerusem (from The Urantia Book – TUB).

Seven Mansion Worlds – all with seven associated planes, to which the mortal spirits living on their worlds can't see into. The Mansion Worlds are divided as we understand, into the Divine Love Healing worlds 3, 5, 7, and mind worlds 2, 4, 6 – (which are soon to have added Feeling-Healing sectors). World 1 being common to the mind spirits and also where those spirits who are wishing to find out about their Healing and the Divine Love and begin healing before moving into the Divine Love worlds. Spirits in the mind worlds can at any time embrace their Healing and the Divine Love, having to move back into the third Divine Love world.

All the Mansion Worlds have many Sectors and sub-sectors and sub sub sectors, down seven sub layers, within them, all the different areas needed to enable all the spirits from Earth to live their varying beliefs.

And being in quarantine owing to the Rebellion and Default, our parts of the Mansion Worlds and their sectors are reserved solely for spirits from Earth. There is no sharing of the Mansion Worlds with mortal spirits from other 'earths' as TUB suggests. However it might be that we do actually share the Mansion Worlds with other 'earths', yet if that's so, then we're limited to certain parts of the Mansion Worlds, shut off from other sectors. Or we might possibly have all the Mansion Worlds to ourselves – I don't know about that, I'll have to one day ask about it again.

Each of the seven Mansion Worlds are a world in their own right, a 'stand alone' world, if you like, with their own unique geography – mountains, lakes, rivers, flora and fauna, cities, towns, houses, sectors. Each of their seven planes are just that, planes, so use the world's geography as their base, so existing around the world in higher vibrations. So only a Mansion World spirit with Second Sight will be able to see into the planes. The higher spirits and angels use these planes to come and 'visit' the Mansion World, so they can be close to the spirits in that Mansion World yet unseen by those spirits. The Celestials can come and go from the Mansion Worlds proper (as could Mary and Jesus should they wish to) and I don't know if they can access the planes, but I don't think so.

(Note: I number the Mansion Worlds from 1 to 7, with 1 being closest to Earth, so where we all wake up once we die. TUB numbers them the other way around, so 7 the lowest, to 1 the highest and closest to the Celestial spheres.)

Earth, also has seven planes around it, all of which use Earth's geography, and unless someone has Second Sight, they won't be able to see into them, however we can (as can the Mansion World spirits), communicate with spirits, nature spirits and angels and other universal spirits, even Mary and Jesus, should they want to come and 'be with us' in these planes.

The lower two Earth planes are reserved for all the 'lost' spirits from Earth (They wake up in the first Mansion World as we all do, then are taken or move back to the lower Earth planes). People go into them if they don't know they are dead, that is, if they are not fully conscious and able to take their place

in the first or lowest Mansion World. And if they need to work off more compensation, they can use these lower planes as ‘hells’ (the planes of Disharmony). Also there are sectors and sub-sectors and so on in the first Mansion World commonly called the Hells.

And most people who have astral trips or OBE’s (out of body experience) usually move into one of these Earth planes ‘awake’ in their spirit bodies, hence most of these trips the person is ‘flying’ over the geography of Earth. People might be scared of ‘flying’ through power lines they come across, when in fact there are no such power lines in the actual plane, only it seems like it is because the plane is based on Earth. Occasionally people might astral or OBE into the first or higher Mansion Worlds.

The third Earth plane is strictly for the nature spirits. They live on this plane which is based on the geography of Earth. So when we meet with at the lake not far from my house, in their plane they come to the same lake. So I stand at the physical lake, and they are also at the lake in their Earth plane. So I will be standing on the shore, however they might be standing on what seems like the surface of the lake. And so it’s the same for the higher spirits, Celestials, and angels that might come to talk with me at the lake. They will be in their relevant planes. The Celestials and Mansion World spirits being in the two Earth planes, the nature spirits in their plane, the angels in theirs, the higher universals spirits in there’s and so on.

The fourth Earth plane is for Angels; the fifth is for higher universal spirits, meaning, spirits that don’t incarnate and so aren’t mortal spirits, such as the Melchizedeks; the sixth is for the high Daughters and Sons, so where Mary and Jesus would come should they wish to come ‘back to Earth’, the seventh being reserved for the Mother and Father and specific things to do with Them.

So at my lake I could be talking with Mansion World mind, Divine Love and Celestial spirits, all who are in either of the two Earth planes, the nature spirits in their plane, the angels in theirs, the Melchizedeks in theirs, and Mary and Jesus in their plane, all separated from each other, yet all aware of each other, and all focused on me, all of us being at the same lake, and them all speaking with me in turn. And I might be able to sense them all and in which plane they are in, even vaguely ‘see’ them on a good day should my Indwelling Spirit be allowing me such inner sight. Or they could all come in their relevant planes into our living room at home, or to a meditation centre, or anywhere they like. And this is how they come when TUB refers to them as ‘being on Earth’, they are not actually on the physical Earth, but they are in the relevant Earth plane, so it’s the next best thing. And mostly they are there without us being aware of them, which have its advantages as you can imagine. So they are not on the actual physical Earth, in the physical dimension that I am, but they are still technically ‘on Earth’ because they are in one of the Earth planes which is ‘based on’ Earth.

So that’s how I see it, which like everything, is subject to change as I progress in my Healing. However, so far in my Healing, this picture has got firmer.

**Firstly, consider discovering the truth of your emotional pain through Feeling Healing.
Secondly, consider longing for our Heavenly Parents’ Love as you progress with your healing.
Primary and most important readings are the writings of James Moncrief.
Then consider the Padgett Messages, and then The Urantia Book.**

NANNA BETH chats to James Moncrief regarding the Universe and Spheres:

2 May 2017

James: Beth, John was wanting to know where you are in the Celestials exactly and how do they relate to the solar system?

Nanna Beth – 3rd Celestial Heaven: As I said, I'm in the third Celestial sphere. Each Celestial sphere is a world or sphere of its own, however although we're all separated, there's such good communication between them all, so it's as if we're just one big sphere. So we can easily speak with those in the second and first or above us in the fourth and so on, as if we're all in the same building on different floors, and with vast screens connecting us. Your Internet and how it's evolving is only a mild outworking of how it is for us, it's crudely based on how we work together between and within spheres, but will make such things more readily acceptable to you when you come over.

As far as where we relate to in the solar system, it's not like that, because the solar system is merely physical, whereas we're on inner realms. If you take all that you know of physical space with all its countless stars, and point that inwards, into deeper dimensions, then Paradise would be at the middle of Creation. Creation comes out from Paradise on many different levels or dimensions, with the physical universes only being one such level or plane of reality. So our level or plane of reality stretches inwards ever deeper and higher in vibration of light toward Salvington, and then on deeper and higher and inner still, toward Paradise.

If you like John, imagine that the physical universe is set out for all the earths to exist in. Then each of these earths has associated with it, Mansion Worlds, unseen about them, and then they all feed or lead into the higher inner Celestials spheres and so on. So for us, we've got 1,000 earths feeding into our Celestial spheres, however not all the earths are up and running with mortal life yet, and some are very much advanced so as with relatively few mortal spirits coming from them. And all those mortal spirits pour into our first Celestial sphere which is then divided into masses of different sectors, all designed to cope with the inflow, as we're all coming from very different planets. And slowly our integration begins as we start to have more to do with each other, but really it's not until we've gone on through Nebadon, so I understand, that full intermingling starts to occur. So one's soulgroup will possibly end up working with other soulgroups originating from other physical worlds, with there being groups of soulgroups, the further we head toward Paradise. Because the closer to Paradise then the less we need to be from Urantia or wherever it was we came from, as the more we're becoming citizens of Orvonton or Havona and eventually, Paradise.

But for now, we're still highly focused on Earth, because we need to help what's unfolding there concerning the end of the Rebellion and Default, and that's all that matters now; and as to the Rebellion and Default continuing on their merry way, that is all a done deal you might say, we know what will happen, we can extrapolate that easily enough, so all we're focused on is the New Way, that of introducing the Healing and then working with those people involved in that or who are doing it, that being what none of us know much about as to how it will go, as it is all NEW. We only have our own healing to go on, which isn't that much, as we did it in spirit, so we're all learning as much as you are, and having to work within our limited knowledge. So we're pioneers of the highest degree. You can only do so much preparation. There were a handful of years prior notice to the arrival of you (James) and Marion, but that was mostly for the old guard, those who've been overseeing things throughout Mary's and Jesus' age, and all so they'd know that their time was coming to an end, rather than, now you have to start preparing for a whole massive change. And so the preparing and carrying out that change, has been left up to the likes of myself and Helen and everyone who's involved.

James: I'm just looking at some of my notes I jotted down, and what I wanted to ask you Beth, so Jerusem can't be related to in the physical universe?

Nanna Beth: No. A lot of people try to and so make the mistake of doing so. Jerusem, the capital and centre of the first Celestial sphere (Celestial Heaven), is deep in spirit, the best you could say is: all this section of the physical universe and all the 'earths' within it, and you could define that on a star map, all look to Jerusem as the capital of their first Celestial sphere, but it's in spirit, it's not on the physical level. You leave the physical universe when you die and move into the first Mansion World. Then you are moving into the 'inner' spirit universes.

REVELATION 1 Divine Love addresses the issues of the Rebellion.

REVELATION 2 Feeling Healing addresses the issues of the Default.

The Rebellion is against love, the Default is all the difficulties we have in our relationships because of our rebellion. Healing the Default is becoming true, to ourselves and in our relationships, and ending our unlovingness – our rejection of love, so ending the Rebellion.

The Rebellion was brought about by Lucifer and his soulmate 200,000 years ago.
The Default was brought about by Adam and Eve, soulmates, 38,000 years ago.

Feelings first

MANSION WORLDS for the Humanity of Earth, being spirit spheres 1 to 7: 27 November 2018

James: At least talking about the Mansion Worlds is on safer ground.

Nanna Beth – 3rd Celestial Heaven: Absolutely James, I am always able to shed more light on the Bigger Picture for you, however I'm afraid, that to do with the personal such as about the money and so on, not as much.

The Mansion Worlds (for humanity of Earth) are wholly being used for Urantia (Earth) at this point in time, and have been for a long time. We don't have our own worlds as such, it's just that we've been 'allocated' the use of them for the time being. And that will continue until the end of the Spiritual Age (now commencing for 1,000 years), then Urantian spirits will be joined by others from other 'earths'.

And you understand the quarantine status is because of the Rebellion, so when it breaks and humanity starts to heal itself then humanity will come out of its self-imposed isolation.

There are Mansion Worlds provided for varying numbers of 'earths'. The Urantia Book, which John was talking about, is the universal standard, but nothing about Urantia (Earth) is standard anymore.

James: So how is it for you Healed Celestials, when do you become part of the greater universal whole?

Nanna Beth: From the fourth Celestial onwards we become part of the whole with our focus on our Paradise ascent then being wholly consuming. As I've told you, the first three Celestial spheres are still primarily focused on assisting Urantia – you people on Earth and in the mind and healing Mansion Worlds (spheres 1 to 7), however there is also some progressive universal involvement. We go to classes, which are voluntary, that introduce us to greater universal awareness. We go to 'meet-ups' in which small numbers of our soulgroups might meet small numbers of other soulgroups from other physical worlds. And these are always very interesting to compare our lives with theirs. But these meetings are for the most part for us being still of the first three Celestial spheres, information, they are not as yet about forming relationships with spirits from other planets, nor are we actively involved with universal work with them. However having said that, there are increasing numbers of Celestials from the lower three spheres who are starting to have more personally to do with spirits from other worlds and those spirits with us. Not all the Celestials with us want to be focused on Earth or the Mansion Worlds all the time. We all still have to do something with Earth, but with some of us that is becoming less and less. That's all part of the change. By the end of this forthcoming Spiritual Age, we Celestials won't be needed to have such an intense and personal focus with people on Earth and in the Mansion Worlds, so those Celestials in the lower three spheres (of the Celestial Heavens) will have more immediately to do with spirits from other worlds.

So you can see James, this time now and for the next Age is going to be unique. Every moment is of course unique, however in terms of time, 1,000 years is like a brief moment compared to tens of thousands of years of a normal age. And we'll be doing a lot within it on all levels.

So humanity doesn't start getting let out of its prison until the end of the next Age, however you can start letting yourself out of your own personal one anytime now by doing your Healing.

DIMENSIONS of ONE'S EXISTENCE:

Our SOUL IS NOT ENSOULLED IN OUR SPIRIT BODY. Our soul exists existentially in a whole different level or plane or place or dimension of being – 'soul land'. It doesn't exist in Creation, it's not experiential like Creation is. The soul, all souls, help create their part of Creation by expressing their personalities into Creation, and then by having their personalities do things (further create) in Creation.

SOUL exists existentially

Our Physical Body and our Spirit Body are of Creation, being linked together by cords of light as are the two spirit bodies, male and female, to the one Soul.

One's unique personality is soul based. Our unique soul expresses its unique personality through the two spirit bodies and physical bodies expressing both the male and female aspects.

PERSONALITY

**Our soul is the centre of our personality.
We are children of our Heavenly Parents.
Our soul manifests a male and
female personality - it is a duplex!**

JAMES PADGETT MONCRIEF **REVELATIONS** 1 Commenced 1914
2 Completed 2014

REVELATION 1 Divine Love addresses the issues of the Rebellion.

REVELATION 2 Feeling Healing addresses the issues of the Default.

These two 'headlines' came about from Mother's comments through James.

We are to recognise the degree of the impact that the Default has had on the way humanity lives. That is, it is suggested that the way we remodel our children to become clones of ourselves, the way we suppress their true selves, and cause them to capitulate to be our 'little me's' is a result of the way life emerged directly from the Default some 38,000 years ago.

Whereas the Rebellion, of 200,000 years ago, was the rejection of the Mother and Father as well as our Spiritual parents, Mary and Jesus.

Thus two distinctly catastrophic events.

We need these two events into perspective, if you please. We need to bring these two separate events into a clear comprehensive way of understanding so that the relevance is clearly understood.

This enables the two revelations stand out, and as to why one had to follow the other distinctly.

Nanna Beth: The Rebellion, John, is against the Mother and Father, against Their Love, and Their Truth. It is the rejection of Them, saying: there is no God. It's denying the Personalities that God is. It's rejecting and denying personality interaction, which is all about love. So it's unloving. And to hide that, to pretend otherwise, means the mind has to be used to corrupt one's feelings. To claim: 'I am God, I am love, I am Truth', means I am the only one and all the rest should fuck off and leave me alone so I can get on with my greatness. It's being totally mind-consumed with yourself, with such arrogance, that really you only see yourself in your narcissism, and nothing else and no one else exists.

The sadness of the Lucifer's relationship (Lucifer and his soulmate) is they didn't love each other truly, only by using their minds to pretend they did. Really they hated each other, being so unloving, and had they been true to that, they would have moved to the absolute opposite ends of Creation, there to be in their own greatness telling themselves all day long how wonderful they were – being self-loving the wrong way through their minds. Which is all really: self-hating.

And so we have relationships in which we hate ourselves because we are untrue and unloving, then we come together contriving love for one another, then believe we love God as well and want to do His Will. It's all false, all wrong, all evil, all unloving. That's what we've got to see. That we are rejecting ourselves, and so each other, and God, in every part of ourselves, in every interaction. Really we should be hitting each other continuously on the head, and hitting ourselves too.

The Rebellion is the rejection of true love. Of Natural love and Divine Love.

The Default simply compounds the issue by focusing it all on the relationships. As in, how we live our rebellion is through the Default. Pre-default, humanity was openly rebellious, it was evolving yet lacked personal focus; then with the Default, humanity was able to take it into all that it's become. So we're all living out the truth of Eve and Adam's rebellion, which equals their default.

To heal the Default in us means we have to see the truth of all our unlovingness in our relationships with ourselves, each other, with nature mostly through our relationship with our pets, how we treat animals for food, and the desecration of the environment, and with our Mother and Father. There are lots to it.

And as we see this, it takes us into dealing with our rebellion. We chose to not be loving when we uncover through our feelings the truth of how unloving we are. We chose to live true to our Natural love and the Divine Love, so true to ourselves and our Mother and Father. And these are not mental decisions, they are feeling ones, you want to go that way because you feel it's right and good for you, which it is. You feel you don't want to be unloving because it's not right and bad for you, it feels bad.

So in the expression and depths of our feelings, and particularly our bad ones, we can feel how being unloving makes us feel, and we slowly want to be the other way. Which can be difficult because we don't know how that other way is, never having been wholly or truly loving; but you long for it, you want it, knowing it's a possibility and reality that can somehow be achieved. So this is really 'willing' it, willing ourselves to be loving, and ending our willing ourselves to be unloving; and our soul and God complies with our will and so gradually changes us from being unloving into being loving.

I think to help you summarise it, you could simply say: **The Rebellion is against love, the Default is all the difficulties we have in our relationships because of our rebellion. Healing the Default is becoming true, to ourselves and in our relationships, and ending our unlovingness – our rejection of love, so ending the Rebellion.**

I hope this helps John, it might be a bit much, however I put myself back in it as I was, so James could relate more to it as it was important for him to make the will-connection in it as he did.

There is a lot to be talked about and truth seen concerning both the Rebellion and Default, with every person and spirit making their contribution to it as they uncover such truth within themselves. So it's for you to take what you will putting it in your own words. So if you still don't understand some aspect, please ask.

James: I want to add here, something Marion was talking about last night. It's true technically that we are evil and bad and hate, that all having been put on us by default – we didn't ask for it. So in that light, it's not right to keep hating and blaming ourselves for being bad when we couldn't / can't help it. All we can do is accept how we are, whilst seeing the truth of it through our feelings. If we don't like all we see, we express those feelings, even though they make us feel bad, but we don't have to endlessly punish ourselves for being as we are because of what other people did to us.

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God's soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of your Mother and Father.

There are 100,000 MICHAEL soulmate pairs as REGENTS throughout our SUPER-UNIVERSE:

One of these 100,000 dots represents Nebadon, our local universe, consisting of 100 constellations with each constellation containing 100 systems which in turn have 1,000 worlds. The system in which Earth is within is called Satania.

Nebadon has some 10,000,000 physical planets, of which 3,840,101 are inhabited. The regents of Nebadon are the soulmate pair being Mary and Jesus.

This structure is repeated throughout our super-universe, called Orvoton, 100,000 times. There are some 100,000 Regent pairs, equivalent to Mary and Jesus, throughout our super-universe.

There are 7 super-universes that rotate around the Isle of Paradise which is the home of our Heavenly Parents, our Mother and Father. Thus, there are some 700,000 Regent pairs equivalent to Mary and Jesus.

When we progress beyond the spirit Mansion Worlds, we enter the first of the three Celestial spheres, the home city being Jerusem, this is also the home city for all 1,000 physical worlds in Satania. From there we will progress to Salvington being the head quarters for Nebadon and the home of Mary and Jesus. Then we progress to Paradise.

Earth

NEBADON, our LOCAL UNIVERSE:

A Local Universe – Nebadon. One hundred constellations (about 10,000,000 inhabitable planets) constitute a local universe. Nebadon contains 3,840,101 inhabited planets.

A Constellation. One hundred systems (about 100,000 inhabitable planets) make up a constellation.

A System. The basic unit of the super-government consists of about one thousand inhabited or inhabitable worlds.

Earth is #606 in the system of Satania and is the latest to have human life. *Jerusem* is the headquarters of our local system of Satania. Thus *Jerusem* is the city to which we arrive when we fuse with our indwelling spirit having sufficient Divine Love following our Healing and enter the first of three Celestial Heavens, all being for the 1,000 physical worlds within Satania.

Salvington, in the centre of Nebadon, is the headquarters and home of our Creator Daughter and Son, the Michaels, namely Mary Magdalene and Jesus.

All descending Daughters and Sons of God have high and divine origins. They are dedicated to the descending ministry of service on the worlds and systems of time and space, there to facilitate the progress in the Paradise climb of the lowly creatures of evolutionary origin — the ascending daughters and sons of God (humanity – us). Those Daughters and Sons who come forth from the Deities on the central Isle of Light and Life are called the *Paradise Daughters and Sons of God* and embrace the following three orders: Creator Daughters and Sons – the Michaels, Magisterial Daughters and Sons – the Avonals, the Trinity Teacher Daughters and Sons – the Daynals. All three groups have Spirits of Truth, no others do.

The remaining four orders of descending daughter and sonship are known as the *Local Universe Daughters and Sons of God*: Melchizedek Daughters and Sons, Vorondadek Daughters and Sons, Lanonandek Daughters and Sons, and Life Carriers.

The chief executive of a local system (such as Satania which includes Earth) of inhabited worlds is a primary Lanonandek Daughter and Son (was the Lucifers), the System Sovereign. The Lucifer Rebellion in the system of Satania was the last and the most widespread of all. Thirty seven (37) inhabited worlds were seduced into rebelling, by following the Lucifers and their deputies, the Satans. Earth then went on to Default at the time of Eve and Adam. Later on we crucified the Creator Son, Jesus, and ignored Mary. So now we have the physical presence of an Avonal Pair. Only the Avonal Pair can take on all of our wrongness and heal themselves. It is their Spirits of Truth that we are to long to so that we, humanity – all of us – can then heal the Rebellion and Default that we have all embraced.

WE ARE NOT ALONE:

In fact, our SuperUniverse is teeming with life!

The Spirit Worlds, commonly called the mansion worlds, and being numbered 1-7 (TUB numbers them 7-1), and the higher Celestial Heavens (spheres), appear to be within our local solar system, although they are not physical worlds like Earth – we can't visit them in a space ship, only in our spirit bodies, each world and sphere being of a higher spiritual vibration. Each of the spirit worlds and spheres are in close proximity of each other, and provide successive places of residence for us now that we've been individualised / incarnated on planet Earth.

As we develop in Love we progress in and up through these worlds and spheres to ever brighter ones. Progression beyond the 7th Divine Love world results in our migration from the Mansion Worlds to the Celestial Heavens.

^{37:10} The universe of Nebadon, which even now has more than three million inhabited worlds, with ten million in prospect. In our solar system, Earth is one of three inhabitable worlds. (The Urantia Book TUB)

^{32:2.9} The organisation of planetary abodes is still progressing in Nebadon, for this universe is, indeed, a young cluster in the starry and planetary realms of Orvonton. At the last registry there were 3,840,101 inhabited planets in Nebadon, and Satania, the local system of our world, Urantia / Earth, is fairly typical of other systems.

The Mansion Worlds of the Celestial Heavens are in the region of Jerusem.

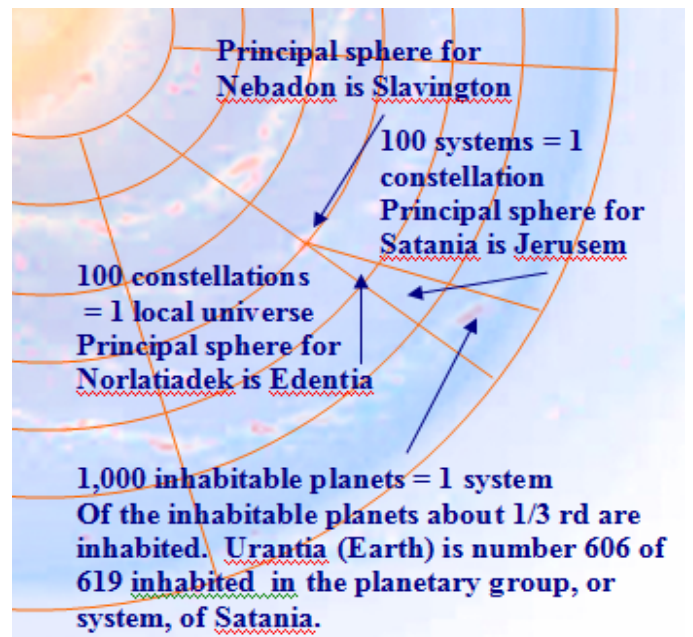

^{119:8.8} Urantia (Earth) is the sentimental shrine of all Nebadon, the chief of ten million (100 x 100 x 1,000) inhabitable worlds, the mortal home of Christ Mary and Michael, sovereigns of all Nebadon, a Melchizedek minister to the realms, a system saviour, an Adamic redeemer, a seraphic fellow, an associate of ascending spirits, a morontia progressor, a Daughter and Son of Man in the likeness of mortal flesh, and the Planetary Princess and Prince of Urantia (Earth). And your record tells the truth when it says that this same Mary and Jesus have promised sometime to return to the world of their terminal bestowal, the World of the Cross. This they have done through the Padgett and Moncrief Messages, etc.

Earth ↑

The God, being the soulmate personalities of our Heavenly Parents Mother and Father, reside on the Isle of Paradise that is stationary within the centre of the seven superuniverses. Our Spiritual Parents and our source of Truth are Mary and Jesus, the regents of the region known as Nebadon which hosts some 3,840,101 inhabited planets of which Earth (Urantia) is one of the 37 rebellious inhabited planets. Our Adamic pair defaulted and then we crucified Jesus on a cross!

REVELATION 1
James Padgett 1914 – 1923

James Padgett bravely introduced the availability of the Mother and Father’s Divine Love and a great deal of additional guidance and information, all of which has been supplemented by Samuels, Judas, Reid and Arnold. All writers were under restrictions of personality and circumstances. Revelation 1 opened the door for humanity.

Quantum Jump 2

REVELATION 2
Marion and James Moncrief 2002
– ongoing

Marion and James Moncrief have recognised the need for one to engage in Feeling Healing and, by their actions, removed restrictions that James Padgett and others above endured, thus JM is able to critique the writings of the past 100 years resolving points of confusion as well as expand on what has been written. Revelation 2 is humanity’s turning point.

Due to the extra-ordinary nature of Revelations 1 and 2, humanity with the first Revelation would have continued on into its negative pathway of living, however, combining the first Revelation with Revelation two, now humanity can embrace this turning point and commence its evolutionary growth that has required two thousand years to put in place. This is the greatest event in the history of humanity and very few are aware of such, until we enable others to become aware.

1 Divine Love addresses the issues of the Rebellion.

The availability of Divine Love, should we so ask for it, being revelation 1:

God's Divine Love: Pray for it, ask for it, and receive it.

Whilst we are receiving our Heavenly Parent's Divine Love, and that this Love is causing change within our soul and spirit attributes, the greatest Truth known to man and spirit is that this is the way our Mother and Father are actually loving us! When we progress, it is the Mother and Father's way of loving us into love and then we live what we are, love.

2 Feeling Healing addresses the issues of the Default.

The way to clear one's soul of childhood errors and injuries is revelation 2:

To liberate one's real self, one's will, being one's soul, is begun by embracing Feeling Healing, so as to clear emotional injuries and errors. With the Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

Release one's pain through expressing one's feelings.

in conjunction with

Longing for the Truth when also longing for Divine Love.

REVELATIONS

Revelation 1: Our soul becomes encrusted with harmful ways of life, plus negative and erroneous beliefs, these mainly stem from our childhood upbringing and environment. Thus we live untrue to ourselves, we become 'evil'. Whilst we hold to these injuries we limit the amount of Love that we can receive into our soul. To open our soul to the Love we must firstly and progressively feel into our emotional injuries and allow them to be released. Until we emotionally experience past errors and injuries we hold onto them.

To free our soul of damage and toxic emotions we must open ourselves to experiencing them. This is a progressive, slow and uncomfortable cleansing process that we must all experience. Only by addressing the generational injuries will we, as humanity, evolve in love.

To fully divest one's self of our badness, we have to 'go into' our feelings. Call this process of clearing toxic emotions as 'Letting Go', 'Emotional Processing', 'Journey Process' or 'Feeling Healing'. Embracing Divine Love then Feeling Healing becomes Soul Healing.

As part of our Feeling-Healing we will have to work our way into all our feelings to see if indeed they are coming truly from our heart and soul, or if they are being heavily influenced by our mind. And this will then lead us into questioning and uncovering the truth, if there is any, to our beliefs and why we behave the way we do; and is such behaviour based on truth, or is it based once again on untruth, belief, and rules of our mind.

Revelation 2: We can long for, ask for and receive the Mother and Father's Divine Love. The greater our soul is free of error and injury, the more of the Divine Love can be received and assimilated into our natural love formed soul. The Love does not free us of injury, however, it strengthens our resolve to continue on our journey to be free of error and injury, to step away from evil aspects that have been encapsulated within our humanness and soul. It is this Love, the Divine Love, that brings about immortality of our soul and it is this Love that will eventually fit us to enter the Celestial Heavens and progress for ever more onwards to Paradise. These two revelations free us from error and enable us to grow in love ever more.

Immortality with the Love.

FEELING HEALING + SOUL HEALING

To heal one's self is to simply look to see what feelings we are refusing to let ourself feel, and accept them instead of denying them. And to fully accept them, one needs to express them, speak about them, let them have their say, rather than pushing them aside, refusing to let them make you feel bad.

Doing this all with the intention of seeking the truth of why you are feeling them, of speaking about and expressing all such feelings; all feelings you have, but ALL WITH the INTENTION of UNCOVERING the TRUTH THEY WANT YOU TO SEE ABOUT YOURSELF. And it's the wanting to see the truth of them that is very important, because if you just look to accept them and speak and express them, but not seek their truth, then that's all you'll be doing, speaking and expressing them, but not healing their causes, so not fixing the things within you that are making you feel bad. And it's the truth part of it, seeking the truth of your feelings, and so, seeking the truth through your feelings, that's vitally important. It's the truth of yourself, life, nature and God, that is the spiritual aspect to it all.

You CAN'T find the truth of yourself, or anything else, through and with only your mind. You HAVE to engage and look to your feelings. And so if you choose to allow your feelings to 'Show You the Way', then the truth will come as you express them.

So to do our Soul-Healing consists of these steps, all of which are ongoing until it's done:

- **Admit you are feeling bad.**
- **Accept your bad feelings, identify what they are.**
- **Honour fully your bad feelings by expressing them, speaking about them to someone who is willing to hear you talk about them, or tell them out loud to our Heavenly Parents. Long for the truth of them. Long for the truth of why you feel bad – what deep within you is causing your bad feelings?**
- **And remember, bad feelings are Good! Not bad. They are not to be despised. And as hard as it is to accept them, they are still you, and a very real part of you. And if you persist in denying them and not allowing yourself to fully live them, then you are only going to keep yourself in your errors making things harder for yourself.**
- **All sickness and suffering, all bad things that happen to you, all your problems, all your addictions – your whole feeling-denying and untrue life, is all caused by your denial of bad feelings.**
- **Every problem in the world is brought about because everyone has been brought up to deny feelings, and in particular, most of their bad ones.**

If one is intent on spiritually evolving and growing in truth, then it's vital, and this is the key, that one looks to use one's feelings as the means to gain and have access to the truth of oneself. You CAN'T find the truth of yourself or anything else through and with only your mind. You HAVE to engage and look to your feelings. And so if you choose to allow your feelings to 'Show You the Way', then the truth will come as you express them.

Doing your Soul-Healing with the Divine Love, is really doing your 'Feeling-Healing'. We are designed — created — to be self-revealing of truth, and so we are all to uncover the truth within ourselves and for ourselves, and all being done by living true to our feelings. **If you accept, express and seek the truth of your feelings, then truth will come to you, and you'll grow spiritually. It's as easy as that. Also it is as easy as it is to long for, ask for and receive Divine Love.**

THE HEALING OF YOUR BAD FEELINGS THROUGH THEIR ACCEPTANCE
AND FINDING THE TRUTH OF THEM, IS THE ACCEPTANCE OF YOUR
NEGATIVE, REBELLIOUS, EVIL, IMPERFECT MIND AND WILL CONDITION.

To do our feeling-healing we need to become:

Aware of – Acknowledge – and Admit, our bad feelings.

So we can:

Accept – them and allow ourselves to Be them.

And then if we feel to, take:

Action – Express, speak and emote them.

Talk about them.

All being done whilst longing to, really wanting to, see the TRUTH of our feelings.

So it sounds simple.

So I repeat:

We accept our bad feelings by expressing – speaking about them to someone willing to listen to us and take us seriously. And as we speak we long for the truth of them – why we are feeling them – to be made known to us. And when we uncover and see the truth we are FREE! – healed of the causes that have made us feel bad.

Accept, Express – see the Truth, and you're Free!

ACCEPTANCE OF ALL YOU FEEL, THINK AND ARE, IS THE KEY TO DOING
YOUR HEALING; THAT, AND WANTING TO SEE THE TRUTH OF ALL YOU
FEEL, THINK AND ARE.

Release one's pain through expressing one's feelings.

Prayers to our Mother and Father

From 'Religion of Feelings' by James Moncrief

Please Mother and Father help me accept my untrue state and bring up all my repressed feelings so I can see the full truth of why I feel so unloved and all that's wrong with me.

Please Mother and Father help me see the truth of myself through my feelings.

Please my beloved Heavenly Parents, fill my soul with Your Divine Love. I long for Your Divine Love; please answer my prayer and yearning to be at-one with You and do Your Will by living true to myself and all my feelings. Please fill my heart and soul with Your Divine Love – please make my soul like Yours – Divine.

Please Mother and Father, I want to uncover the whole truth of myself through my feelings. I want to be able to feel and accept just how bad I am, how bad I feel I am, how bad I've been in my life. I want to know the whole ugly truth of myself, see it and feel it and understand how I came to be it. Please reveal to me through my feelings all the truth of myself You want me to see. I want to be as You want me to be; I want to be true and perfect, Healed of all my rebelliousness and self- and feeling-denial; I want to be good, loving, true and happy, please help me become true to myself, true to my soul, true to You.

Please Mother and Father help me, I'm in such bad pain, I feel so alone, so miserable, so scared, what's going to become of me, I don't understand, what's the point of me, why have You made me; please help me see the truth of myself – all the truths of myself, nature, how to be in the world, of You both. I want to know, I want to know it all through my feelings, all that there is to see, the whole truth and nothing but the truth. Please help all my pain come to the surface of me so I can embrace and accept and express it out of me. I want to use my feelings to uncover the truth they are to show me; please help me to do that.

Please Mother and Father love me. I want You to love me. I want to feel fully loved by You. I don't want anything else, only to be with You. Please, that is all I am asking.

Please make me feel how unloving I am. Please show me the horrible truth that I am. I want to see and feel and understand the worst of me, please take me into my darkest scariest ugliest unwanted rejected places within myself. I don't want to feel all the dreadful pain that I know is there locked away inside me, yet I do also want it all to come up and out of me, and I want to use it to see the truth of my wrongness, the truth of how evil I am, the truth of my fucked up state. I no longer want to be false, pretending I am okay, using my mind to make me falsely believe I am good, happy, loved and loving, when I know I'm not. For how can I be when You've brought me into my unloving state, making me be of it. And as You want me to experience being this negative way, please show me the whole truth of it. I no longer want to deny any part of myself, or any of my bad feelings. I want them all to come up so I can express them, emoting their pain, feeling how bad You've made me feel all my life and all through my early life; I want to see why, and so reveal all the truth to myself. I want to be the living truth of myself, living true to my feelings and the truth they give rise to. Please help me to do my Healing, and please fill my soul with Your Divine Love.

The mind way is the 'dead' way; the feelings way is the 'alive' way.

Examples of some prayers to God:

From 'Feeling Healing' by James Moncrief

Please God show me the truth of myself through my feelings.

Please help me see the truth about myself You want me to see.

And please help me feel all my repressed pain; please bring up all my bad feelings so I can express them and see what it is they are to show me about myself, my life, and You.

And please help me work through my blocks, I want to Heal myself, I want to become true to myself and true to my feelings and true to You – please help me do that.

Heavenly Mother and Father, I feel so bad, and I know I'm doing it to myself, but I can't help it. I can't stop my compulsive addictions, so will you please bring up the buried feelings in me and show me the reasons why I can't stop. Please! I want to know – I REALLY WANT TO KNOW why I do them. Please help me Mother and Father to uncover the truth of myself. Please, I beg you, please, please, please show me the truth of them so I can give them up. I hate feeling bad, yet I know I must so I can keep expressing my bad feelings to see the truth You want me to see, so please help me feel bad.

Please Mother and Father fill my heart and soul with Your Divine Love. Please give me Your Love. Please love me and make me feel loved by You. I want to feel You close to me, I want You to hold me, make me feel loved by You. I only want You and to do Your Will. Please help me bring up all my repressed feelings so I can express them and uncover their truth. Please help me do my Healing. Please give me Your Love.

I hate you Mother and Father; why have You given me such a shit awful life? I hate myself, I hate You, I hate everything about my life. I feel so bad all the time. I've expressed so many bad feelings and still I feel bad. It's not fair, it's not fair what You've done to me. I hate You! And I want You to help me Heal myself, so I can stop feeling bad. You put me in the shit for whatever reasons, and I want You now to help me get out of it and show me what it's all been about. Please help me to Heal myself so I no longer hate You.

I long for Your Divine Love Mother and Father. Please fill my soul with it. And please help me uncover the truth of myself through my feelings. I want to see it all! And please make it all end, I'm so tired of always feeling so bad, please take all my bad feelings away by making me feel them and showing me the truth I am to see.

Feelings First Spirituality, The New Way

Feelings First Spirituality, The New Way is a contemporary ‘religion’ based on living true to yourself through your feelings. Understanding that all you need in life is contained within your soul and is shown to you through your feelings. And by loving your feelings, by attending to them properly (talking or writing them out of you) and not denying them, you can use them to uncover the truth of yourself – the truth of your soul.

Feelings First Spirituality is not a formalised religion that tells you how to be, that is too controlling and is actually bad for you, limiting your spiritual growth. You can be wholly self-revealing of the truths you need to be, being the person God created you to be, all by living true to your feelings.

Feelings First Spirituality has no formal structure because we understand we don't need one, our soul contains within it all the truth of our spiritual ascent. If we look to our feelings for the truth they want us to see about ourselves, nature and God, then what more do we need! Our true spiritual path is the path our feelings will lead us down, that is, provided we allow them to. This is the most spiritual we can be.

Living the New Way of Feelings First Spirituality

You come to the understanding from your life experiences that how you are is not right, it doesn't make you feel good – that you are wrong in some way. And you want to change yourself, you want to become right, true and perfect – you want to be like God is.

And to do this you need to do your Healing

Your Feeling-Healing is looking to your feelings for the truth of yourself, the truth being hidden in many of the feelings you are not wanting to face in life. So you have to end your feeling denial, accepting all your bad feelings (and good ones), express them (yet not necessarily acting upon them), whilst longing to uncover the truth they are to show you.

Or, you can do your Soul-Healing, which is your Feeling-Healing together with including longing directly to God for God's Divine Love. When you receive the Divine Love into your soul, it will cause your soul to become divine, and it will deepen your personal relationship with God. Long with all your heart to God for God's Divine Love.

Feelings First Spirituality **The New Way**

By living true to ourselves, true to our feelings, we are living true to God. It's that simple.
--

FEEL *for* TRUTH

The beauty of it all, is the truth comes to you through your own feelings. You don't need to be told it by anyone. You can work it all out for yourself. We are self-revealing of truth, it's how God created us to be, and by being it we'll feel the happiest we can feel. Truth is our great comforter, so when you feel it come up within you, ah it feels so good and you feel just right – perfect!

We know only how to deny feelings, now we can get to know how to accept them. And always with the truth being the most important part.

FEELING TRUTH

If you don't want to uncover the truth of your feelings, then you can keep on expressing them forever but you will never fully heal yourself. Seeing the truth results in the Healing. And to see the truth you need to express all the pain out of you. The two things go hand in hand.

You can accept and express your bad feelings, letting off steam all day long, yet nothing will heal and nothing much will come of it. So this is where wanting your feelings to show you the truth of why you're feeling as you are is so important.

Don't go fishing with your mind, that will shut the truth out from rising up for you. **KEEP YOUR MIND OUT OF IT.** It's a feeling thing, doing your Feeling-Healing. (This is where we erred previously, and this how other modalities are in error.)

You long when you can, then stop longing and keep expressing. And at some point, and it might not even happen immediately, it might happen after days or weeks of expressing the same bad feelings, truth will come to you. And it does, it just comes up suddenly into your consciousness. You just know. You see the picture and you feel it's true. And you know it's true. And THEN your mind can come in and start sorting it out and putting in context.

It's the Truth that we are seeking. It's the End Point. The Reason for doing your Healing. You are to see the whole Truth of yourself. And to begin with, that's the whole truth of your unloving self, of your wrongness, of your evilness, of why you are as you are in your negative unloving mind-controlling state. To be able to fully accept yourself as you are, warts and all. To not fight or resist or try and change yourself, just to accept all you feel and all the truth of all those bad feelings you feel about yourself. And when you do, so you will be healed. You CAN'T heal yourself unless you uncover the truth of your pain, suffering and so the truth of all your bad feelings.

Through our Feeling-Healing we long for the truth of what we're feeling whenever we can. So as often as you can. You want, and REALLY WANT WITH ALL YOUR BEING, ALL YOUR WILL, to know why you are feeling bad. You yearn, want, long and beg and beg and BEG God to show you the truth of yourself through your feelings. So when you are expressing your bad feelings you can stop and long for the truth to show you what's going on, why do you feel so bad, and you can do it any time you think of it or feel to do it.

Heartfelt TRUTH

HISTORY from the SPIRIT SPHERES:

Tracing one's family tree once in the spirit world is simple, you go and ask your parents, then you go to their parents, and then you go to the parents of these, and so on you go. They are all living. Everyone of them. So why don't we just do that ourselves? Well we can. In fact we can go and ask anyone about anything and you will get the answers to your questions.

Obviously, this family tree would grow and grow and at the top will be Aman and Amon (Andon and Anton, not Adam and Eve), the first parents. Adam and Eve arrived on Earth about 40,000 years ago.

When did they live. Most likely about 1,000,000 years ago. Aman and Amon were the first ensouled humans. For a long time prior to their living there were human species living on Earth, however they were not ensouled.

The spirit worlds or spheres have been in existence long before ensouled man came into existence on Earth. Prior to Aman and Amon lived, no man or woman had entered the 1st natural love spirit world being the sphere closest to Earth, being the entry point for our ongoing journey once we shed our physical body. Animals and birds do not survive the transition to the spirit world, only ensouled man. That is our soul is connected via cords of light to our spirit body and our spirit body does transition into the spirit world. The spirit body is the template for our physical body and looks just like our physical body does.

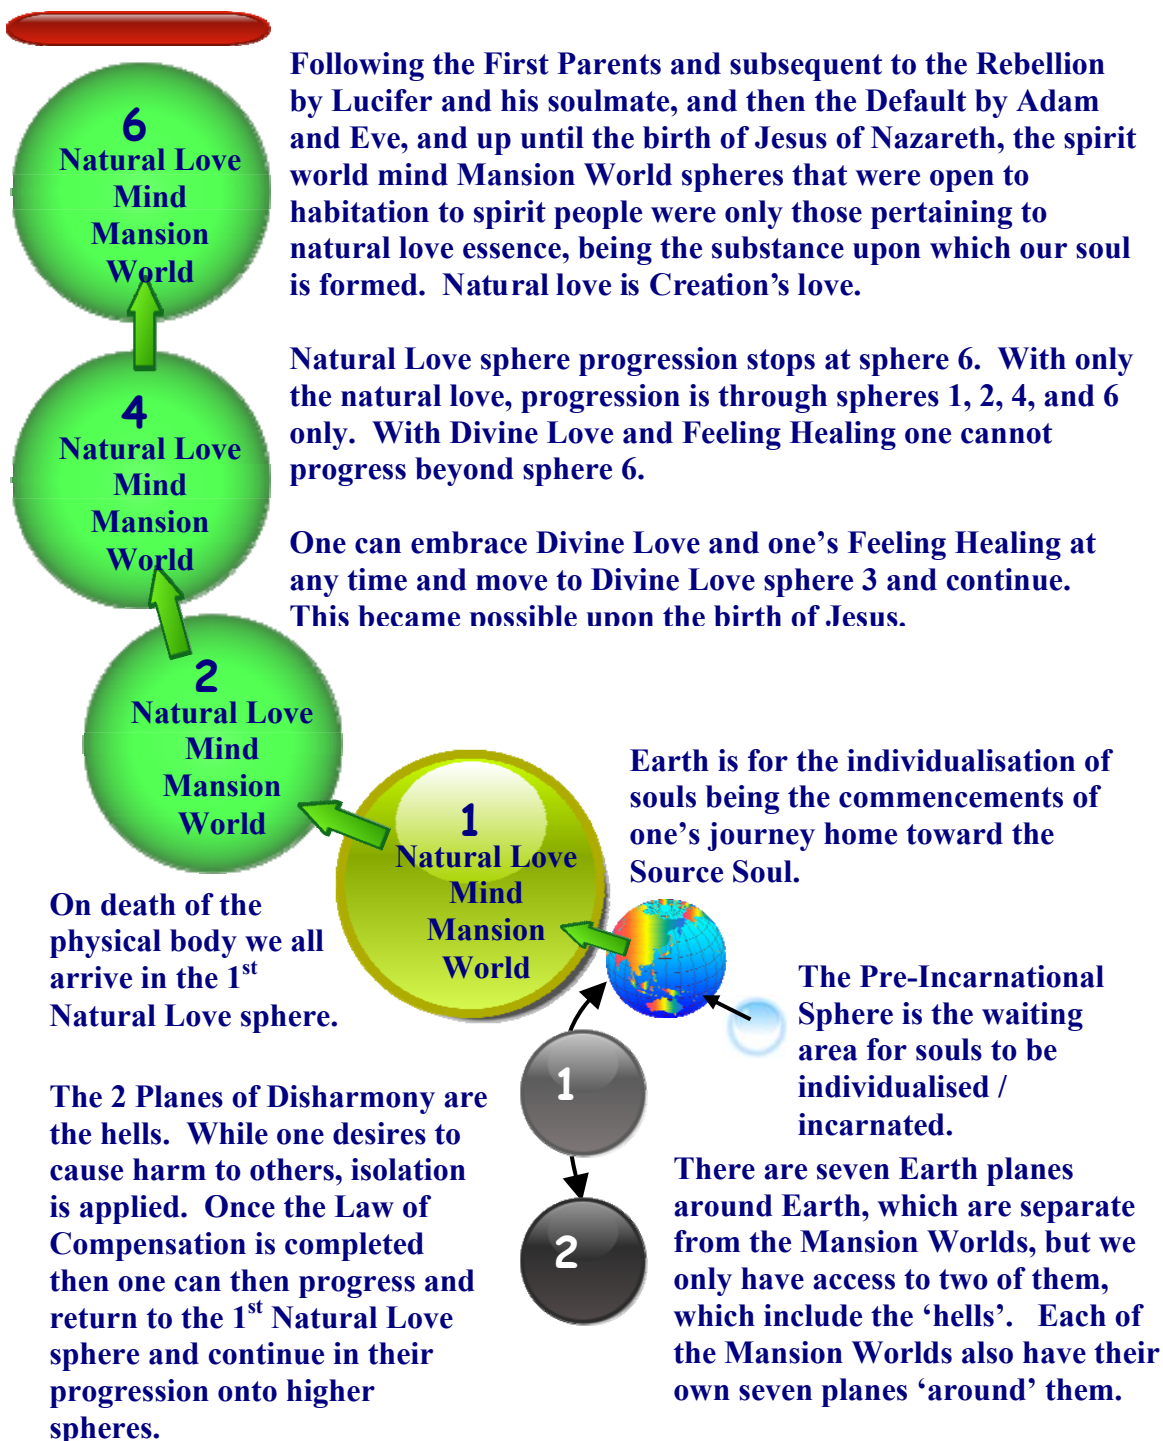

The first person to enter the 1st natural love spirit world arrived on her own. Each of the spirit worlds approximate the sizes of Jupiter and Saturn, surface areas maybe 100 times greater than Earth's, and here arrived the first daughter of Aman and Amon due to an accident. She was first to arrive, and on her own, on a massive foreign planet. Her name was and is Aze.

Over the ongoing years, the natural love spheres (numbered 1, 2, 4, 6) became populated. As one progressed in their progression to develop their natural love soul to perfection, one progressed to the 6 natural love sphere. Once perfection in natural love is achieved there is no further progression beyond the 6th natural love sphere. One can say that the river can rise no higher than its source.

Those who enter the spirit world and have a preoccupation to cause harm to others and/or to themselves then they become isolated in the sub-planes of disharmony (numbered 1, 2). As within all spirit world spheres, there are numerous planes within each sphere. Our soul condition determines which plane we reside within, and we will find ourselves with others of the same disposition. Thus the helpless are with the helpless. Those who progress to the 6th natural sphere, having achieved perfection in their natural love soul condition, typically never venture into the spheres of disharmony (hells) to assist those in great need of guidance. Those within the hells need to slowly work through their Law of Compensation issues to progress out of the hells. Firstly, they need to change their ways and attitude of causing harm. Prior to the reintroduction of Divine Love the progress from a lower condition to a higher one was extremely slow and tedious.

We now proceed to the time of Jesus of Nazareth, 2,000 years ago. By this present time, maybe some 200 billion souls had been individualised and had arrived in the spirit worlds, all of whom would have arrived in the 1st natural love sphere and then due to their individual soul condition would have found themselves within many of the planes of the 1st natural love sphere or of the various planes of the 2 spheres of disharmony. A few would have progressed to the 2 natural love sphere. No matter what location one finds themselves, all can then proceed to grow in love and progress to higher planes and then spheres culminating in the 6 natural love sphere as that is the pinnacle that one can reach in natural love.

NATURAL LOVE SPIRIT MIND MANSION WORLDS:

By the time of the life of Jesus of Nazareth, these 200 billion spirit people would have been spread throughout all of the natural love spheres.

Jesus is a finite spirit, just like us. No matter how exemplary and incredibly capable Jesus is, he can only be in one place at one time. The few people that he had taught about the availability of Divine Love, what it is and how to ask and receive it, these few people stagger into insignificance when compared to the possible 200 billion spirit people within the spirit worlds at that time.

Many spirits did observe Jesus' teachings whilst he was on Earth, however their numbers were small relative to the greater population of the worlds.

DIVINE LOVE SPIRIT WORLDS and CELESTIAL HEAVEN OPENED:

To PARADISE, the HOME of OUR HEAVENLY PARENTS

Very shortly after Jesus' arrival in the 1st natural love sphere, following his announcement that the Divine Love spheres (3, 5, 7) were open and that the Celestial Heaven (8, 9, 10) was also open, he and about a dozen other spirit people proceeded into each of these spheres, one by one, through the gateways that exist between each such sphere. The announcement of the opening of the Celestial Heaven had been made at the time of his baptism by John the Baptist and this reaffirmation occurred at the time he awoke in the 1st natural love sphere at one of the receiving stations.

Now imagine this. Each of these spheres maybe have surface areas 100 times greater than Earth and here are a dozen or so spirit people 'opening' them, one by one, sphere after sphere, proceeding to sphere 3, then onto 5, 7, 8, 9 and ultimately 10. Celestial Heaven being spheres 8, 9 and 10.

Two thousand years ago, we had a dozen or so spirit people who understood and knew how to enter these incredible worlds and back in the natural love spheres there was literally no one who knew how to follow, should they even wanted to, let alone been aware that the divine love worlds even existed.

Over all, at that time, there were a few hundred people, both in the physical and spirit bodies, who had a vague understanding of the availability of Divine Love and what it does and how it is absolutely essential to be within one's soul before one can enter the Divine Love spheres to even commence upon the journey into the Celestial Heaven.

At the time of the life of Jesus, the population on planet Earth was around 300 million and in the natural love spirit worlds the population was around 200 billion. And a few hundred people had some small understanding of the teachings being provided by **ONE** man!!!

On Earth, by the year 325 CE/AD, all the teachings pertaining to Divine Love had been lost.

Now in the year 2,000 CE maybe a further 25 billion spirits people have entered the spirit worlds and now the population within the spirit worlds has reached around maybe 225 billion and those in physical bodies on Earth currently number more than 7 billion.

Consider the great task at hand undertaken by so few to teach the availability of the Father's greatest gift, the gift of Divine Love, to so many.

The task of enabling spirit people to be aware of the availability of the Love and then for those who embraced its availability, to assist them in understanding what the Love is and how to ask for and receive it was for centuries a total focus throughout the spirit worlds. It was not until James Padgett was found that a way to introduce the teachings into the physical world could again commence in earnest. Prior to James Padgett, an endeavour was made through Emanuel Swedenborg in 1741, however that was a failure. James Padgett commenced receiving by automatic writing some 2,500 messages commencing on 31 May 1914 and these teachings continue to grow today through others. Thus the great task has successfully expanded into the physical world to complement the works throughout the spirit worlds.

Of great significance and importance is Divine Love Day. Each year on the second Sunday in December there is an exodus of Celestial Spirits from the Celestial Heaven who on their way through the Divine Love spheres are joined by Divine Love spirits who then all proceed to enter the 1st natural love sphere just prior to commencement of Sunday and proceed through all the natural love spheres and the spheres of disharmony bringing awareness of the Divine Love. Those with significant amounts of Divine Love within their souls look distinctly different to those only in their natural love state. The Celestial Spirits shine!

The great task is well advanced and encompasses all.

By you longing for and asking for our Mother and Father's Love you will be infused with this blue energy into your soul.

The Holy Spirit / Acting Spirit is an energy stream.

SHINING TOWARD SPIRIT: Vol II, p. 89, 14 Nov 2014 – 14 Mar 2015 Zara and Nicholas
369. The First Spirit in the Spirit World www.lulu.com

Hello, I would like to introduce myself as being the first human to enter the spirit world. I am feminine though I have been living in this spirit world divested of an earthly body a long time. I am the first daughter of the First Parents who had received the blessings of Divine Love as some of my brothers and sisters did. I had an unfortunate accident, a fall which resulted in the ending of my human life. I was at the age of what you know 21 years to be. I arrived in the first natural sphere and was alone. Thankfully my parents, the First Parents, had taught us about the existence of the Father's spirit world, the life that succeeded the human life. Though my parents fell from Grace, they were very knowledgeable about the greater aspects of Our Father's Kingdom therefore, we knew what to expect when our human life arrived at its completion and our entrance into our spirit life dawned.

I stayed in the First natural sphere, in a position in this sphere, close to where my family resided. I knew that we had components to our makeup that enabled us to live in the spirit world. There is no doubt that the reality of spirit to us, at the time my parents lived, was equal with the reality of the earthly environment where we lived and experienced our human life. We lived by a river and it was most beautiful. We would swim in the river and we adored our parents. I had accepted the Father in my life, our parents had taught us how to accept the Divine Love, which formed part of our existence. I watched from the spirit world as their Fall from the Father commenced. It saddened me but I knew that everything would be all right and it was. You have received a communication from my brother. I see him regularly in the Eternal Spheres and I still see my mother and Father (they are also in the Eternal Spheres).

When my parents arrived in the spirit world, they still had the Divine Love in their souls that they had received and they knew about the existence of the Celestial environments but they were closed to us now, so in the natural spheres we were to reside until they were opened again when Jesus walked the Earth.

The purpose of my communicating with you is to state that my parents were very knowledgeable about the Immortality of the Divine Love, the Acting Spirit that brought this Love into our souls, and the form of the spirit world as formed by the Universal Father. My parents were not naïve in their understanding about the purpose of their life, and why they were living on Earth. They were very wise, beautiful and loving parents that exemplified the Grace and Harmony of their creation as having been formed by the Father.

I will always remember seeing Jesus walk the Earth, that part of the land he lived in and the Celestial Heaven reopening. I continued my receipt of the Love and many of us resident in the Perfect natural sphere (6th sphere) commenced our ascension into the Celestial Heaven when Jesus arrived here as a spirit after his human life. It is difficult for me to convey to you every single detail that transpired in my 21 years of my human life. It was a long time ago and it almost would seem to you to exist in the realm of imagination now. Here in the spirit world there is more reality to my story for everyone in the Celestial Heaven and spheres beyond the Celestial spheres understand their place from their time and the story of their human life as lived at the time after my Parents to present day. How could I possibly write about all that time lived?

Thank you for receiving a small account of my story. An eternal friend, Aze

The FIRST NATURAL LOVE SPHERE:

- a. **Blankets Earth.**
- b. **The first Sphere is like this surrounding the orbit of Earth around the Sun.**
- c. **The first natural love sphere is massive. Should all the souls that have been individualised and are yet to be individualised (incarnated) remain within the 1st natural love sphere, then there is more than sufficient capabilities for them to be accommodated.**

Each of the spirit worlds may have a surface area some 100 times larger than Earth. That suggests that each spirit world in our system has a radius or diameter 10 times that of Earths as above.

ENVIRONMENTS within SPHERES:

The First (1st) Natural Sphere is one Sphere that is enormous and it consists of many environments. It is an enormous Sphere for so many live in a good condition of natural love and this is the Sphere that receives every human life that enters the spirit world. There are spheres in the Celestial Heavens, Eternal Spheres, Infinite and Universal Spheres, that are larger in space, but have less population residing there.

Within the spheres, one's soul condition determines what location one is destined for. At all times, the environment is harmonious for one's soul condition. Thus, spirit people with very similar soul condition will be together. This creates many communities, each being harmonious for a specific soul condition level. In this way, the 1st sphere consists of many locations that could be considered as nations, however within each spirit grouping that community consists of only one soul condition level, whereas on Earth we have saints and sinners all living together. People cannot determine or assess another's condition, nor can they assess their own soul condition.

It has been said that there are many spheres within a sphere. The truth is that there are many environments within a sphere, much like there are many countries and have been many cultures that have lived on all lands of the one single Earth. There is only one sphere with many environments and cultures living in each Sphere.

A spirit cannot be attracted to an environment or another spirit in which the individual is out of condition to do so. The essence of this is that no spirit can injure another spirit or can put one's self in harms way or travel to an environment that will be harmful to the spirit-senses of that individual. This is part of the way that God, Source Soul, maintains harmony in the vast populations of personalities residing in these tremendous spheres.

Generally, as soon as the individual accepts the Divine Love, the individual begins to advance their soul condition and as the attraction of the Spirit Law of Compensation diminishes, the soul condition of the individual enjoys the feelings of harmony produced and changing environments. The purpose of the Divine Love is to enable the individual to live in harmony with God.

The poorest soul in condition can still receive the Divine Love. No human or spirit is ever beyond reach of it. There is no eternal damnation.

Feelings first

SHOULD the FIRST SPIRIT WORLD become VISIBLE!

Each spirit world, within our solar system, is capable of carrying all the souls that have and will individualise through the physical system of Earth.

The total number may be one trillion souls / people. Consider that the Earth may carry about ten billion at any one time then the surface area of a spirit world sphere may be 100 times greater than Earth. That requires a sphere that has a radius 10 times greater than Earth, which is equivalent to Jupiter or Saturn.

The Earth's radius is about 4 times greater than the Moon. Thus a spirit world sphere could typically be 40 times wider than the Moon. Consider this; the Moon often appears in the horizon of the landscape. The view of the 1st natural spirit world sphere would be 40 times as dynamic as its presence actually blankets Earth at all times, it is that close.

All the spheres of our local spirit world system are close by, their boundaries adjoin each other. There are the 7 spirit worlds, the 3 spheres of disharmony, and the 3 celestial heaven spheres.

Should our vision expand sufficiently to see these super fine bodies then our sky would become dominated by the spirit worlds which is home to all those who have gone before us.

Science has estimated that some 115 billion people have lived on Earth. Consider that they omitted those who did not make child birth, then that number would be around 225 billion. About 45% of conceptions / individualisations do not make child birth. Any one of the spirit world spheres could be the home of those who have individualised.

The DIVINE UNIVERSE:Zara Borthwich & Nicholas Arnold www.lulu.com**5. The universality of Divine Love****26 September 2012**

I would like to affirm the universality of God and the universality of God's Divine Love and the Spirit. It is paramount that people understand this universal nature of Divine Love and how this constant Love, present to the diverse peoples of the world just like it is present to the diverse mortal spirits in the various Spheres of existence comprising the mortal spirit world.

As I with various spirits revealed in James Padgett's communications, the Divine Love is present only for the potential that exists as part of the nature in each finite mortal soul, and that this potential as a formed part of the individual soul nature is the recipient of this Divine Love. And this is a unique truth about the relationship of the Divine Love with the potential that exists as part of the nature of mortal soul. God, in the creation and forming of the attribute of mortal soul, has given as part of this forming and creation, the ability to individualise, with part of this individualising being the attribute of potential. So that the desire, or a soulfully expressed longing to God for this Divine Love can eventuate, in the interest of progression and harmony, once the individualisation of the soul commences its incarnation in the physical body.

This Divine Love is working the same causes and effects in the souls of those who include this Divine Love in their lives. It is easy to forget that the Divine Love has been created purely soul-specific and in the dimensions of popular belief and experience, one can easily contrive the Divine Love and God as all things created to everyone and every living thing organic or inorganic.

The Divine Love is universal in the sense that it is present everywhere humans and mortal spirits are living. The Divine Love and the Spirit are not present in the Pre-Incarnation Sphere where un-incarnated souls wait to incarnate in accord with God's Spirit Law that acts to incarnate pre-individualised souls. All such activity in the Pre-Incarnation Sphere and incarnation happens in accord with God's harmony. It is not necessary for the Divine Love and the Spirit / Acting Spirit to be present in the Sphere where souls reside prior to their incarnation. Soul is required to have incarnated in its condition of the perfect natural love before it can, as an active finite personality, commence the receiving of the Divine Love. It is important to know this so that one understands that men and women are not born divine to begin with and that such divinity has no existence in the image and essence of the finite soul until the individual has the freedom to voluntarily determine the choice to participate with God by receiving the Divine Love, and so begins a changed experience as the great transition from the natural into the Divine begins and progression follows.

The Divine Love is universal in the way that its workings in the attribute of mortal soul are constant and continuous in cause and effect without ever changing its own perfect nature whilst changing and perfecting the condition of the mortal soul and the systems of the spirit body. It is universal because the Divine Love exists beyond human belief and can never be subject to change by a belief as to its existence or not, and the belief in the way that the Divine Love acts in the mortal soul. No amount of self-determination by a personality can cause an effect that alters the way this Divine Love transforms the mortal soul. The nature of Divine Love in its harmony is perfect in the way it functions in the mortal soul, never causing a disharmony to take effect and destabilise the individual personality. If disharmony exists in a Divine Love experience, it is from the result of the individual's condition of their natural soul prior to the commencement of the receipt of the Divine Love, and whilst in the initial stages of Divine transformation disharmony may exist along side harmony, eventually the Divine Love will cause the greater harmony to dissolve any disharmony with the active participation of the Spirit Law of Compensation (this is the process of forgiveness).

And here is another truth about the nature of Divine Love. Within it exists harmony, and this harmony, the perfect of all harmonies a mortal soul can experience, and in the workings of all the Spirit Laws present for all mortal souls, a greater Law in its working supersedes a lesser Law whilst not nullifying the lesser Law out of existence. By absorbing the Divine Love one is absorbing the perfect harmony so that when the Law of Compensation is active in the transformation of the individual, the disharmony is being absorbed into the Divine harmony that then becomes, as it were, a true condition of love in the mortal soul.

24. The Spirit Law of Soul Condition and Harmony

5 October 2012

The general perception is that the human world lives much in fear and that the drama of human life in its diversity is a hard and uncompromising place with much disharmony. The truth is most people are attracted to love. As to what this love is, as an actual identifiable thing, rests largely with the individual interpretation of love and all that love in its experience and relationship means to one. Goodness is an aspect of love and goodness flourishes, if silently, in many hearts in all nations across the world. Most individuals have the capacity to know when love is good and this I am happy with.

At times, in the course of a human life, or as history has revealed, love may appear absent. Sometimes the catalyst for change in the world of men and women is seen as change that is not in accord with love and such relationships appear disruptive or destructive.

I would like to take this time, this moment to affirm that love is good and this presence of goodness visibly seen as I view the world from the spirit world. As I travel about I see the changes that are coming with the increased awareness in humanity and the goodness in which individuals socially interact. The planet has its seasons and periods, which people study and have been able to identify the vast changes that the Earth has gone through.

I can say that humans have souls and God caused these souls into existence and so commenced human life. In the wisdom that only God knows from God's perspective of time, the beginning of souls incarnating provides us with the knowledge that God commenced humankind at the time in the Earth's history of its periods when humans will live out the full measure of its event and that no ending will come to it until and only God no longer incarnates pre-existing souls. The timing of humankind is perfectly suited to the period of time that the Earth is changing through.

I would also like to add at this time, that the mortal spirit world has much love to it. Many spirits live in a good accord with the harmonies of the natural Spheres. Life in the mortal Spheres is not a chaotic experience. And it is not a place where mortal disharmonies rule the Spheres. As I have previously said, the mortal Spheres are harmonious environments and every living mortal personality has a place in a Sphere that is harmonious with their soul condition.

I move freely about these Spheres teaching and listening as I peacefully go, ever approachable and happily so. In the mortal spirit world there is nowhere I cannot go and wherever I go, I am always on my Father's business, the business of Love and Harmony and revealing to all who ask that the Divine Love is present and that one if they desire, can partake of this harmonious gift from God.

It becomes evident quite quickly to mortal spirits that I am not God. Any erroneous belief one may have insofar as believing this I quickly set right.

The transition of a human life into the mortal spirit world is an important transition. All humans will do this as all humans who have lived and died have already done. Part of my work for God with the help of otherwise Celestial spirits is to help establish the environments in the First natural Sphere to accommodate one's coming over into the spirit world when one starts their spirit life. I commenced the organisation of these structures when I myself became resident in the mortal spirit world after the end of my human life. As well as making ready the Divine Love Spheres and Celestial Heaven, I established the structures that had already commenced with the arrival of the First Parents and their offspring so that as the populations increase, life in the First mortal Sphere is made ready and harmonious. Yesterday, today and in tomorrow's day, there will be billions of individuals passing over into the spirit world so the necessary structures need be continually formalised to accommodate this continuance of life.

God, the Father, does most of this insofar as ensuring the survival of the human personality at the time of this transition. We help in the orientation of the individual when one first becomes aware that such a change from a human life to a now human-spirit life has transpired and that one realises that one has in fact, survived death.

There are many spirits who help with this and every detail is accommodated for such as language, culture, age, and causes of physical death. These structures in the First mortal Sphere accommodate the needs of all who come into the spirit world for some have loved ones or family members present or friends and others are solitary. One only need look at the diversity of human experience to see the vision of how it might be as loving spirits assist all who arrive in the First mortal Sphere.

After the adjusting period, so that the individual has acclimatised or matured to their spirit way of life, a particular Spirit Law, the Spirit Law of Soul Condition and Harmony takes effect. The individual moves and sometimes is assisted with a guiding spirit, to a Sphere that is best matched for the condition of that soul-mortal personality. This happens irrespective of whether love is visible in one's life. The active working of this Spirit Law of Soul Condition and Harmony maintains the harmony of the Spheres and every mortal personality is subject to its working.

The key here that unlocks the door of knowing and unknowing is that during the time it takes for a soul to incarnate and spirit body to form, and during one's life how the personality forms and the spirit-mind forms so that the personality can be situated in it, and during the time of one's transition the transition of soul and spirit body that now has the collective identity of the personality situated in the spirit-mind, as one passes from their physical life and during this time, the identity of the personality is formed in the spirit body with its soul so that the individual is aware of them self as a spirit and during the time the Spirit Law of Soul Condition and Harmony is taking effect the individual is being subject to God in the most loving way, and more often than not, the individual, without the individual knowing of this, and also without ever realising that one has been subject to these Spirit Laws that have worked perfectly to initiate so much and all the while the individual may simply not believe in God.

When one becomes aware of the Divine Love and begins to receive this Love, so begins the Divine transformation. On the wings of this awareness, a lovely humility begins to find its way into the individual for one soon learns that God, the Universal Father and Creator of all things, has in fact, been active and present in one's life from the beginning. The inclusion of the Divine Love helps one see the beauty, live the truth, and feel the harmony of all created.

172. The Celestial Event continues**14 December 2012**

Hi. This was a very important work you (Nicholas and Zara) received from Luke on the Vision of Immortality and its potential in the awareness of humanity. As you know once one becomes aware of the Divine Love the potential for splendid vision and perception can form part of a faith experience in Divine Love.

The truth of it is that the Spirit and the Divine Love are already existent and so for humanity to be aware of this vision requires humanity to awaken to the fact that this Love is present and not to wait for the Love to announce its presence. It is true, the human world would change forever and so would the natural spirit world if humanity awakened to the potential that already exists.

I already live in reality of this vision and you both live in the reality of this vision. The Divine Love has activated that part of your soul nature to see vision beyond the purely mortal. The Immortal vision of the Divine Love here in the Celestial Heaven is commonplace. We are living the truth of this vision and so part of Luke's vision, the Vision of Immortality, has become a reality and partly fulfilled.

I am also to impart to you that the Celestial Event that included Divine Love Day (2nd Sunday of December every year) was a tremendous success. Many have inquired to the experience of this Love and we are all enthused by this event. Many things happen here in the spirit world that the people of the Earth are unaware of. I am to say that I, along with those of us who participated in this event, and there were many, will be doing this on a more regular basis on each subsequent Divine Love Day. People can celebrate with us in these Celestial Events in years to come. As has been said to you, there are now so many people in the natural spirit world, and as you can see, there will be many more – well into the billions and hundreds of billions. Therefore the Master has organised this Celestial Event to accommodate the ever-increasing population here in the natural spirit world.

This also demonstrates the capacity of God to create so many finite souls and the system of spirit attributes that accommodate the forming and survival of each mortal personality. Truly to identify life in the spirit world one needs to see how the personality relates with the spirit body. This is the defining evidence in the survival of the personality and of course the inclusion of the soul as being part of the personality.

You have received my thoughts well this evening and I am so happy that, as each day passes, this work (The Divine Universe) on Immortality and Harmony is slowly coming together.

Your loving friend, Saleeba

283. The boundary of time**26 January 2013**

One of the main, if not the sole reason, why harmony is the way it is here in the spirit world in the lives of all those who reside in these Spheres, is that the condition for living here is no longer governed or determined by the need for human survival. The humanity that resides on Earth in the finite time that you are is primarily positioned in the human condition and need of survival. The reality of human experience involves the worldwide awareness of an inevitable finite human death, and this forms a boundary around the experience of humankind. Most fear death and this fear helps sustain the boundary. Once the personality has crossed this boundary as countless billions of people have, then one becomes a spirit and the personality having adjusted to this awareness, realises that this fear of death passes and a new life begins. I, and all who have lived on Earth, have been through what I have just said. We have gone to great lengths in this work to illuminate the spirit body and its part in the survival of the human

individual. Mortal and Immortal spirits, even those who exist in their poor soul condition no longer live with the anxiety or stress of living in the confines of their physical body. Once the spirit has adjusted into their spirit living, a great sense of relief and calm emerges in the personality along with a great freedom for everyone knows that all that once a boundary of time, has now been dissolved into a boundary of life, and that living continues on, and this is why there is so much harmony in the way people live in the spirit world.

Although this is a brief comment, there is no need to underestimate the significance of what I have said. For other than the Immortal nature of God's Divine Love and the choice one may make when one is aware of such a choice of Love to make, there is nothing permanent about the natural nature of a mortal soul for it too, has a boundary of finite time and always it is subject to change in one's choice to accept or deny the Divine Love of the Universal Father.

Nice to meet you and to write with you
A Celestial teacher, Antony

PRE-INCARNATIONAL SPHERE:

‘The Golden Leaf’ via Zara Borthwick and Nicholas Arnold

February 16th, 2008

What we have concluded through careful consideration and Celestial communication is as follows: The Father is Present Eternal and knows how many mortal souls created – we do not know this although we speculate to the figure of 1 Trillion. This means that 500 Billion souls created that are duplex in nature to create 1 Trillion mortal souls. This reveals the time that the Father sees for incarnation and so the participation of the Holy Spirit / Acting Spirit will continue for quite some time yet. (The Holy Spirit conveys Divine Love to those who ask for it.) Only Jesus, who commenced this season (availability of Divine Love) with the Father whilst living as man on Earth, can announce and declare that what began has now ended with regard to the workings of the Holy Spirit. (The availability of Divine Love was reinstated with the coming of Jesus in the first century.) The Father will provide this truth and awareness in the soul of Jesus, here in the Celestial Heaven to which then Jesus will act as he always does, in the harmony of the Father. The de-activation of the Holy Spirit is only the Father's working. All other mortal souls are subject to this and even Jesus cannot determine the activity of the Holy Spirit by his own grace. The Holy Spirit cannot separate or isolate from its union with the Father's Divine Love and since the Divine Love is the substance of the Father, all related attributes such as the Holy Spirit, are subject to the Father's Soul.

Jesus by his own understanding and revealing will never incarnate on the Earth again. This is understood for no soul regardless of their soul condition, can reincarnate because of the presence of their spirit body. The spirit body answers the question about why souls do not reincarnate. The Father has not created a Law for the existence of such a soul to experience. Once a soul has incarnated into the mortal world, incarnation of that soul is final and complete.

How Many People Have Ever Lived On Earth? 108 Billion

<http://www.prb.org/Publications/Articles/2002/HowManyPeopleHaveEverLivedonEarth.aspx>

Fixing a time when the human race actually came into existence is not a straightforward matter. Various ancestors of *Homo sapiens* (un-ensouled) seem to have appeared at least as early as 700,000 BC or even 1,000,000 BC. Hominids walked the Earth as early as several million years ago, or at least one million years ago.

This is a "semi-scientific" pursuit, since it not only requires population data from the dawn of man, but also a date for when that occurred. Scientists think the first *Homo sapiens* evolved some 200,000 years ago, but Haub starts with the origin of more modern humans about 50,000 years ago. Another caveat is that birth rates likely fluctuated wildly in the early days, when things like famine and predators may have pushed average life expectancy as low as 10 or 12 years, Haub says.

But [rough population estimates](#) do stretch back to at least 10,000 BC, so Haub used these and other factors to assign a constant birth rate to each historical period from 50,000 years ago to present. According to his [calculations](#) (which he dryly explains in the slow-paced [video](#)), humanity has produced an astonishing **108 billion** individual people over the past 50 millennia. That means today's 7 billion people represent about **6.5 percent** of everyone who's ever lived.

The arrival of Aman and Amon (Adam and Eve) was maybe between 70,000 years to 35,000 years ago, it was by their arrival that man was vested with access to the receiving of Divine Love, however, Aman and Amon then caused the withdrawal of this gift. We need to go back 35,000 years, or even 70,000

years to the first ensouled humans, to the time when man commenced to be ensouled, and we also have to add on miscarriages and abortions. Every conception is an incarnation, an individualisation of a soul. Even though a baby may not make it to a live birth, it is a successful incarnation with the individualisation of yet another soul.

Consider that between 225 billion and 250 billion souls have been individualised since the time of Aman and Amon, being the first to be ensouled. These two brought about the enhancement of the human species with the infusion of souls into human beings from that point of time.

Thus, there appears to be a further 750 billion to 775 billion further incarnations of souls to come. All spirit world spheres are considered capable of accommodating more than 1 trillion personalities.

As we grow in love, our physical life expectancies will potentially grow to reflect the potential life spans of those who lived around the time of Aman and Amon, maybe several hundred years. Our active life span will nearly expand to be the whole of our physical life. Further, the number of children that we will have is expected to be lower than currently is the case. Thus human life on planet Earth may have an indeterminable time to run.

The pre-incarnational sphere, which is the home for souls pending individualisation, is in close proximity to Earth. Divine Love is not available within this sphere or to souls pending incarnation. Our souls are made of the substance being natural love, there is nothing of the Divine within us when we are incarnated.

The life force for the spirit body and the physical body is via the soul. The soul is connected to the spirit body via cords of light, and in turn, the spirit body is connected to the physical body by cords of light. Should the cords between the spirit body and the physical body be disconnected then the physical/material body dies. The physical body is like our starting point for learning and experiencing our being. Our learning and growth experience then continues through the existence of the spirit body.

72. Time of Transitionwww.lulu.com

I would like to write on the wonder that it is to see a person arrive in the spirit world! I am a spirit who assists individuals when they arrive here I also attend to the needs of infants when they arrive here. I know that most of humanity lives without the knowledge of this miracle, knowing that the individual personality survives death and the spirit body and soul arrives intact! I see newly arrived souls in their time of awakening into this new life. I am very aware of the loss that people experience when a loved one passes from their human life. I am also aware that individuals pass and they are alone, without anyone on Earth loving them.

There are arrival stations here in the 1st sphere. These stations are all throughout the 1st sphere and they have been in part, established by the Father and in part established with the help of Celestial spirits. These arrival stations are extensive and the Spirit Laws exact the transitioning spirit body to the necessary environments for the individual to safely awaken. The 1st natural sphere is not an environment where spirits who are already living here, are suddenly seeing a newly arrived spirit simply popping up in front of them after their human death! The 1st natural sphere is situated closest to the face of the Earth and the only sphere that receives human personality immediately after physical death. Most individuals arriving here have little knowledge that they are now in their spirit body, and that their personality has survived its human death.

It is a miracle to see how the spirit body simply appears intact! Quite literally, one moment the person is not there; in the next moment they are there fully formed and unconscious, unaware of their arrival and then when the Spirit Law deems transition complete, viola! They open their eyes!

I don't actually see the ending of a human life. I am finite and I cannot be in two places at once. My service is to see individuals appear and to assist them in this early phase of adjustment. I never judge the condition that an individual is in, I can tell instantly the life a person has lived on Earth for their spirit body will reflect their true soul condition. The Spirit Law of Transition acts and does its job perfectly so that every single soul living on Earth makes this transition to these stations of sanctuary and the beginning of a spirit's life. When a person is reconstituted by the Spirit Law of Transition so that the personality and the spirit body are functioning seamlessly, the individual spends a little time coming to terms with the fact that they died and survived. Integration happens so that the individual learns the rudiments of becoming a spirit, and once this has happened another Spirit Law acts upon the soul with the surrounding Law of Compensation, and an unseen gravity attracts the spirit body to the sphere where one is to reside in a harmonious environment.

Other than Jesus, to date there has not been a soul who has transitioned into the spirit world and who, by receiving Divine Love in their human experience, can enter the Celestial Heaven straight away. I do believe that now people are aware of the Divine Love and as information about soul condition becomes more identified, I have no doubt that I will see souls in good condition who can enter the Celestial Heaven when leaving the arrival station in the 1st natural sphere.

The spirit body arrives in the 1st natural sphere in the Father's Time. It is always perfect. It is a miracle to see the spirit body appear. At first it appears to be floating, like on the lightest air. We then adjust it as the field of spirit gravity takes effect on the spirit body, and then the individual is resting on a bed-like facility of soft energy.

As soon as the spirit body is released from the Spirit Law of Transition, the spirit body comes under the influence of this field of spirit gravity, which is a constant gravity field that exists all the way through every sphere, and is created by the Father so that a sense of weight and time places the spirit body *within* the spirit world. Without this gravity field the spirit body would have little substance and form in the spirit world and one would really be floating. The key as to why this gravity field of spirit energy exists is to understand that it is needed so that spirits can move!

It is obvious why each individual is unaware in the *Time of Transition* from the human world into the spirit world. If one were conscious during this time, it would cause a shock or trauma to the psyche of the individual that may be hard to undo when a person arrives at the station. So few people have any cognitive awareness of their spirit body and soul, let alone the real workings about the survival of the human personality. Most of humanity has never been exposed to the information we are revealing to you and so, in the evolution of the human species people live without the consciousness derived from having any awareness about the workings of such things. People are too busy being people and that is quite ok!

The Father has mercifully ordained it that people are to be unaware during the time of their transition. There are those who work along side me, their job is to make the spirit feel at ease as the individual comes to terms with the fact they are still alive and that ‘something’ has happened. The great education about what has happened, why it happened and how it happened begins. This includes the counsellors helping the individual accept their life as a spirit and a familiarisation with their new environment, their spirit body and the spirit world. Without our assistance people would go into a catatonic state; they would freeze with fear. If a person were to drop dead and then instantly awaken in the spirit world without anyone to console them, this would have devastating effects on the personality. The Father has not formed a Spirit Law that transitions people into the spirit world depositing the spirit body, personality and soul in a random manner and dispersed randomly through the spirit world. Thank God!

The time after transition is such an important time for the wellbeing of the personality. The Father is so perfect in the way that the spirit world formed, that an individual cannot cause any further compensation by the way they may react when realising they are in an unfamiliar body in an unfamiliar environment with strangers telling them that they have died and now they are a spirit. Our service here is extremely important and we handle each individual with the utmost care even if the individual lived a retched life on Earth and did terrible things. There is no Law system created here by the spirits. There is no judge or jury to decide the fate of a human life lived. All the progressed spirits know that the Father’s Spirit Laws act and each finite soul condition responds to this act so in this way, each individual has set in motion the life they will live and where they will live when they enter the spirit world.

Not all human deaths are as simple as passing away in your sleep. People arrive here from a diverse range of experiences that end a human life. You and I know this is true. It doesn’t matter if you believe in God or not, the result will be the same. You will arrive here. Even if humanity had evolved with an extensive knowledge of the spirit world, the Father has made it so that a transition is to happen.

The Master Jesus was unaware during his time of transition from his death to his spirit life. I am told that when he awakened he was weakened from his traumatic death but his soul condition was so good and his awareness of this world in faith so true, that his resurrection happened in moments to when he then ascended to the Celestial Heaven. He then returned to be with his close friends on Earth to which he then ascended and visited each sphere that constitutes the entire mortal spirit world. It is known here that when Jesus arrived in the Celestial Heaven he was the only individual there and in the last sphere of the Celestial Heaven, he met with Gabriel, and also he prayed to the Father.

There were other spirits living in the spirit world of course, for humanity didn't commence with the life of Jesus. Only the Divine Love and the Spirit that conveys this Love was a living potential again when Jesus lived and so, by the time Jesus arrived here in the 1st natural spirit world, a few spirits had commenced their receipt of the Love but until Jesus was living here no spirit had progressed to become resident in the Celestial Heaven. They didn't know how to do this without the Master's guidance.

When you take all things into account a human life is about love. I know this, the Father knows this and Jesus knows this Truth. From a human perspective the immense drama that follows death for the human living and the spirit living is a story of love that involves human relationships. I will say this: never give up on the human spirit that rests in the human heart to overcome adversity. Every single spirit that now resides in the spirit world has passed through this Time of Transition perfectly loved and assisted by the Father. Let me tell you that you are in no better hands, care or keeping. When you look about at the individuals in the spirit world, there are many spirits enjoying their life knowing that at first it was a shy experience but now, they are thriving. Be forthcoming with your love and enjoy every single little positive gift that you experience each day. A human life is a gift that one must never take for granted. Tomorrow when the sun rises, there will be those who will enter the spirit world their first and only time. There will be those of us who will assist you and you will feel our love and you will know that love truly survives death and love cannot die.

My last word is a testimonial of Truth. This I say to you, do not be afraid of the Divine Love. It is pure and true. Into your soul receive this Love and like all of us here living with this Love, let us go shining toward spirit, the Father.

SHINING TOWARD SPIRIT:
538. Jesus and the Spirit World

Vol III, p. 48, 14 Nov 2014 – 14 Mar 2015 Zara and Nicholas
www.lulu.com

I am here to write with you about Jesus and the Spirit World. Let me begin by saying that the presence of Jesus was felt in the spirit world at the time he lived his human life. There were many spirits residing in the spirit world in each natural sphere, whom recognised that place Jesus had in the context of humanity, the humanity that lived on Earth at the time of his life and the greater humanity that now lived in the spirit world that had lived on Earth preceding his human life. There were those in the spirit world who were very capable in their ability to recognise that Jesus was the soul sent by the Father to teach all of humanity the way to the Father. The spirits in the spirit world who recognised the Truth about Jesus could see with clarity his teachings as he moved among the peoples of the Earth, but these spirits had the advantage of being in the spirit world and so, when Jesus taught and said things like, “I am not of this world” and “in my Father’s Kingdom there are many mansions” a large number of spirits knew what he meant and the Truth of what he said for these individuals who were residing in the spirit world that Jesus was referring to.

I was one of those spirits who resided in the spirit world when Jesus lived as a man and taught by the way he lived, teachings that involved living with the Father. I could tell as I listened to his teachings and conversations with his apostles and those closest to him, that he knew about our presence and the existence of the afterlife in relationship with the Father in the way that Jesus did as a man. I knew that he knew that the human life continued in the Father’s spirit world, the world I was living in. I had been in this spirit world a long time before Jesus was born and so, I – as many spirits were – welcomed his liberating Truths and presence. We knew here at the time of his human living, that mortal life in the spirit world had now changed forever. There were of course, many spirits who took no interest in the human life of Jesus, but there were many of us who did and we could see the unique experience of ‘this man of the Father’. It wasn’t until Jesus came into the spirit world that we could really embrace our own lives with the Living Father. We could tell very easily that Jesus was not God, for our objectivity being here in the spirit world gave us the clear sightedness that Jesus was finite and that God was Infinite. None of us here had liberated the Divine Love. This was part of Jesus’ purpose and until he lived the life he lived, we here in the spirit world couldn’t partake of the Divine Love for the Spirit that conveys this Love had ceased in its activity since the Fall of the First Parents.

I will return to write again soon. My name is Saul

539. Saul continues

I am with you again to continue this communication. I have never written with you before, nor have I ever spoken to a person living on the Earth since my arrival in the spirit world. I am aware of the work that Jesus did with James Padgett and the subsequent works where he has helped guide greater aspects of living Love to individuals who are open to receive his Teachings. I know Jesus very well; I have worked alongside Jesus from the time he arrived in the spirit world. I enjoyed meeting him and getting to know him. I am not going to write on the grisly end of his life – this is not what this moment in time is about.

When Jesus arrived here he was quite shaken, but his countenance was still of the man living with the Father. We helped him and we nurtured him and gave him all our love, which he responded to. As you know, there was nothing any of us could do here. But I can say with absolute certainty that when he was on the cross, there were those of us present and we shone our love toward him and we knew that the Father had intensified Love in his soul and around Jesus so that at this time, he was not alone. There were people and spirits present who never left his side and when his last breath left his body the Father’s Spirit Law – as it had done with all of us and with every mortal personality – transitioned the spirit body

of Jesus into the 1st natural sphere and there, the sisters of love provided nurturing until he gained strength and rose as only the Living Truth can. What I mean by this is that Jesus knew about the spirit world and the Father so when he arrived here he knew what to expect and his time to regain his composure after his death was a very short time in deed.

540. As the Master gained his strength

After Jesus had transitioned into the spirit world through the workings of the Father's Spirit Laws, he was weakened by the events that had led up to the end of his human life. The Three Sisters of Love nurtured Jesus when he arrived here and all present – and we were vast in number – waited to see what would happen. There was a distinct hush as the Master gained his strength and we waited without moving from our place or position. Many of us were quite emotional, for we had lived through the end of his life and from our experience; we knew the truth of what was happening to the Living Truth.

This time when Jesus was regaining his strength was a settling time for us. The spirit body of Jesus showed no marking or any of the physical punishment that his physical body had. In fact, it was quite the opposite. His spirit body resting as he was awake and aware that he was now in the spirit body, was shining for he had received much of the Father's Divine Love throughout much of his earthly life and his soul condition was a man in perfect natural love living in harmony with the Father and his soul was in very good condition.

It only took Jesus a day and a half until he stood and there out in the open in a place now known in the 1st natural sphere as the place where Jesus arrived from the human world, he stood and declared in the recognition of the Father, that “the Celestial Heaven is now open.”

These were the first words that he said in the spirit world and were the confirmation of this Truth that had transpired at the time of his Baptism conducted by his cousin John. He needed to declare this Truth again, now that he was present himself in the spirit world, for all mortal spirits.

We remained quiet as he moved about us and we introduced ourselves and there was much cause in our participation to love Jesus. We did not overwhelm him with our love; we acknowledged the human life he had lived and the Truths that he had taught. The second declaration of Jesus in recognition of our Father was his act of a verbal prayer to our Father that we all could hear and that we all participated in, which was to pray to our Father for the Love. Jesus guided us through this prayer and we all felt the Love as the Spirit that conveys this Love was active and living again and very abundant!

We knew that the apostles still lived on Earth but we gave ourselves to serve the Father by serving Jesus and so he instructed us to make ready for our journey into what is known as the 1st Divine Love Sphere. Most spirits present were in the very good condition of their natural love, we believed and loved God only now that Jesus was living, we could personalise our love of God into the living by receiving this Divine Love. Gradually we progressed through the spheres until we advanced into the Celestial Heaven with Jesus teaching us each part of the way. As soon as there were spirits residing in the Celestial Heaven it was then that Jesus taught us that there were many spirits still living that were souls of the Father and that our loving service was to help create the awareness of this Love. There are many of us who are still doing this to today and this service continues on into tomorrow.

[1st Divine Love sphere is referred to as 3rd spirit world sphere. Spirit world spheres 3, 5, and 7 are Divine Love spheres 2, and 3. The 7th sphere is the transitional sphere between the Spirit World spheres and the Celestial Heaven spheres.]

541. The spirit world is defined by the life of Jesus

The spirit world is defined by the life of Jesus. Those days that I have described to you are long ago now, but they did happen. The number of souls residing in the Celestial Heaven has greatly increased and the message of Divine Love, the Father's Love has spread far and wide in the spirit world. Jesus lived only a short time in his finite human life but he has lived here a long time and the influence of his presence is felt throughout the mortal spirit world. He is approachable and he interacts with individuals in the natural spheres all the time. The history of the past was lived by us but we do not live in the past. The spirit world is not solely a world defined by the life of Jesus. The spirit world is defined by the life of Jesus and the Divine Love of the Father.

The Master continues to teach today for the Divine Love is always present and its workings never change. We know how significant the human life of Jesus was, for we ourselves are living with this Divine Love as some of you are. We know how significant the spirit life of Jesus is for we are living alongside him and certainly enough time and experience has passed by so we can see how this Divine Love is the changer of all mortal souls. We are forever grateful that the Father once again bestowed the opportunity for our mortal souls to receive the Divine Love and it required Jesus to work and live in harmony with the Father for this to happen.

I have provided you with the essence of my experience.
The ancient prophet and Celestial spirit, Saul

Three Great Truths:

- **God is Soul, being our Heavenly Mother and Father;**
- **that each individual soul is a duplex – both male and female;**
- **and Feeling Healing with Divine Love is the pathway to Paradise.**

To liberate one's real self, being one's soul, is by embracing Feeling Healing so to clear emotional injuries and errors. With the Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

PARADISE TRINITY:

1. **Our MOTHER and FATHER (God) (MF) – Divine Love**
SOUL (God) – One SOUL that is expressing its two PERSONALITIES, our Heavenly Mother and Heavenly Father (Soulmates)
 2. **ETERNAL SON (ES) – Divine Truth**
 3. **INFINITE DAUGHTER (ID) – Divine Mind**
- Then: The Second and Third Persons of the Paradise Trinity (ES and ID) are stepped down to the local universe trinity (Mary and Jesus, Divine Minister (DM), and her Holy Spirit.

The LOCAL UNIVERSE TRINITY:

1. **MARY M and JESUS** – Our MOTHER and FATHER – Love – the Living Truth
2. **DIVINE MINISTER** – Mind (and her Holy Spirit)
3. **HUMANITY – Natural love, sons and Daughters – Truth, and our Angels – Mind**

PLANETS that engage in REBELLION:

1. **AVONAL SOULMATE PAIR** – the Feeling Healing process – incarnate
2. **DAYNAL – TEACHER PAIRS** – they do not incarnate

So in summary:

Consider a diamond:

Mother and Father Heavenly Parents

Creator Son & Daughter
Jesus and Mary

Avonals
as soulmate pairs

Trinity Teachers
as soulmate pairs

Melchizediks – who have taken over from the Caligastians and Daligastians being also all as soulmate pairs.

Mortal Souls – human beings who individualise on Earth, then progress through the spirit Mansion Worlds, then into the Celestial Heavens, and beyond.

Mortal Souls – also being ascending spirits, upon completing their Soul Healing, join with their soulmate, then join their soul group of 24 mortal spirits, being 12 soul pairs. It is only as a soulgroup that anyone can progress beyond Nebadon.

The Paradise Pairs are all ONLY concerned with the SPIRITUAL wellbeing and upliftment of the planets and local universe. Currently to do with Earth:

Mary and Jesus – spiritual wellbeing and upliftment of the whole of Nebadon region.

Avonal Pair – Daynal pairs (Trinity Teacher Daughters and Sons) – Spiritual wellbeing and upliftment of individual planets and their associated Mansion Worlds.

The Local universal Sons and Daughters are all about the running of the worlds under their jurisdiction, and ensuring the higher spiritual elements can be employed, or sent astray, as in our case through the Rebellion and Default.

Lanonandeks – Melchizedeks (and others, such as Life Carriers and Eve and Adam).

As the Lanonandeks all rebelled – the Lucifers, Satans, Caligastias and Daligastias soulmate pairs – so the Melchizedeks have taken over their roles, as well as doing their own.

So the Melchizedeks are the governors, overseers, the administrators and advisors and so on for Earth; they are the ‘controllers’, and they will instigate all that needs to be done to do with the ending of the Rebellion and Default. And they will enlist the willing help of ascending mortal pairs, so the mortal Celestials spirits (soulmates when available, and others waiting to unite with their partner), and at times mortal spirits in the Divine Love Healing Mansion Worlds. And the angels help all of us.

Currently the whole of Creation exists for the ascension of mortal souls from their earth planets to Paradise. It’s all one vast Grand Ascension Scheme. With all the higher and lower spiritual Daughters and Sons, together with all the many different angels and other universal spirit personalities, and even including nature and our very own pets, assisting women and men with their Ascension Journey. It being: and Ascension of Truth. Everything we do is done to help us grow in truth. (Only everything we do in our negative state is to deny ourselves our truth from our feelings, which is why we have to do our Healing.) All women and men are ascending (or growing) in truth through their experiences. And as we grow in truth by looking to our feelings to show us that truth, so we’re ascending, moving inwards and upwards through all the worlds and spheres of the Grand Universe to one day arrive on Paradise and meet our Heavenly Parents. God is providing us, Their children, with this spiritual journey called our Ascension of Truth. And by living true to our feelings, so we are progressing on our true Spiritual Path – our Ascension Path.

CREATION of SOUL and SPIRIT:

God is *The Paradise Trinity* — the eternal Deity union of the Personalities: the Universal Mother and Father; the Eternal Son of Truth; and the Infinite Daughter Spirit of Mind.

The soul of each human personality (sons and daughters of truth) is existential, driving our personality expression in the experiential. The soul of each human finds truth by embracing one’s feelings and longing for the truth of them. We are to attain the Eternal Son of Truth. We are a creation of Truth.

The soul of angels is experiential, evolving through their experience by continually progressing in mind development. Angels are to attain the Infinite Daughter (Spirit) of Mind. Angels are a creation of Mind. Our soul is duplex (we have a soulmate) and is created by our Heavenly Parents. Through our Feeling Healing we perfect ourselves enabling the union with our soulmate, as we progress in truth up through the Mansion Worlds, celestial heavens and all the way to Paradise.

Feeling Pathway

Mind Pathway

Soulmate Pair

Angel

Spirit Person

Nature Spirit

The soul of angels is also duplex, yet of the mind, and they progress in mind evolution to Paradise. Animals, plants and nature spirits are also creations of Mind.

Neither we nor animals reincarnate. We never die; upon death, we move into the spirit Mansion Worlds on our journey to Paradise. When animals and plants die, be they the tiny microbe to the mighty elephants of the land and the whales of the ocean, their spirit energy returns to the Spirit Collective Energy. And from this energy are drawn other animals and the nature spirits, who then in turn move onto becoming angels through increasing mind experience.

A nature spirit is an angel in waiting.

WE EACH have a Nature Spirit pair, Spirit Guide pair and an Angelic Pair:

For those doing their Healing or are interested in doing it will from that time have their own personal angels, spirit guides and nature spirits with them, with whom they are to develop their own relationships should they want to. It is not about 'sharing' the same angels or guides or nature spirits, it is about you relating specifically to your 'own' ones because they are provided for YOU. It's all for you, to maximise the experiences we each need.

We are all to have our own pure relationships. And it's the same of course in life with your friends, however over there, in spirit, dealing with Nature Spirits, Spirit Guides, and Angels, it's more personal and private and 'JUST FOR YOU'. So we have our own separate, unique relationships.

For example, Nature Spirit Verna has been assigned to be specifically and only with James, and she ain't going to be assigned to anyone else, so she won't be sharing herself around.

This is SO IMPORTANT to understand so that in future there won't be all these people claiming to be speaking with Verna or Mary Magdalene or Jesus or Nanna Beth or anyone else who is part of it all in such capacity. Mary M and Jesus have spoken with James as they have, making it quite clear he is all they are speaking with.

We each have a band of a Nature Spirit pair, Spirit Guide pair, and an Angelic pair, each pair being in their soulmate relationship. Even though we are ascending mortals having a soulmate, even our soulmate has his or her own group of six personalities assisting him or her. Our assigned Nature Spirits do not continue with us into spirit, our Spirit Guides may for a time assist upon entry to the spirit Mansion Worlds, however, our Angelic pair continue with us for eternity.

WE ALL ARE BEING GUIDED HOME:

We need the Spirits of Truth of the Avonal Pair to Heal ourselves; then once Healed, (and for support (overshadowing) as well through your Healing), we need the Creator Pair, Mary Magdalene and Jesus’ Spirits of Truth to see us through the Celestial spheres, while at all times embracing our Heavenly Mother and Father.

Until Mary and Jesus died and liberated their Spirits of Truth, no one from any of the worlds could leave Nebadon, because no one knew the way to do so. Nebadon is our local universe containing some 3.8 million inhabited physical worlds and their associated spirit worlds.

When we embrace the truths Mary and Jesus are revealing, and start to do our Feeling Healing, or with Divine Love, Soul Healing, we are then freeing ourselves up from our parental and self control.

Thus our journey to Paradise, to the home of our Heavenly Parents, is of our choosing as to when we progress, however, there is only one way:

HUM: Humanity is to ascend. We are self contained. Our soul is always in truth and perfect at all times. **By living true to ourself, true to our feelings, we are living true to God. It’s that simple.**

We are to recognise that being engaged and dominated by our mind is the wrong way for us to evolve and grow in truth. We are to discard the mind enslavement that has been imposed upon as by all of our parents. We are to express our feelings, both good and bad and free ourselves of the indoctrination that humanity has embraced worldwide.

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God’s soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of our Mother and Father.

AVO: We are to embrace the truths and guidance of the Avonal Pair through their Spirits of Truth. It is the Avonal Pair’s guidance that will lead us through our Feeling Healing, and with Divine Love, we will be able to ascend through the 7 spirit Mansion Worlds and enter the Celestial Heavens where we also interact with other world’s spirits.

J&M: We are also to embrace the truths and guidance of the Paradise Pair, Mary and Jesus, who will then lead us through the 3 Celestial Heavens that are aligned with Earth, and then further on through Nebadon where we will then depart beyond on towards Paradise.

M&F: Beyond the universal zone of Nebadon, we will be guided by our Heavenly Mother and Father onwards through the universes to Paradise where we will be welcomed by them, home for us all, as we are all Children of God.

HUM

WE ALL ARE BEING GUIDED HOME – NOW, HOW TO COMMENCE THE JOURNEY:

GOD

M&F

For 200,000 years, we have been misled into embracing our mind's distortion of wisdom and truth. All such traditional understandings only lead us in the wrong direction, from which we must turn back from. Our soul based feelings are always in truth. Our minds are to follow our soul based truths and feelings, not the other way round, as we have been brought up to embrace.

We are to connect with our deeper repressed feelings.
 We are to long for the truth of what we are feeling.
 We are to live true to our selves; by living true to our feelings.

Use your surface day-to-day feelings to connect with your deeper repressed feelings. Express your surface feelings and your deeper repressed feelings to uncover the truth of yourself.

J&M

We all have feelings which we communicate and share with each other. And we all have deeper buried and hidden repressed feelings. Feelings from our early childhood we felt, yet weren't allowed to express. These feelings are still within us, waiting to have their say. These feelings, because they are repressed, cause us all our problems.

And as we look to uncover, bring out and accept these deeper feelings, so we're taken into new ways of looking at ourselves, our feelings, and our life. We're setting ourselves free of the controlling patterns that govern our unloving behaviour.

In this way, we progressively begin to express the personality that our Heavenly Mother and Father gave us, not the one imposed upon us by our physical parents and carers. We are to be our true and real selves.

By living true to ourself, true to our feelings, we are living true to God. It's that simple.

AVO

As we, humanity, long for the truth of our feelings, we can also be assisted by the Spirits of Truth of the Avonal Pair who are our spiritual teachers for Earth over this coming 1,000 years, to assist us through the Great U-Turn, away from mind dominance to being soul based feeling lead. They will assist us through the seven levels of the spirit Mansion Worlds.

HUM

Then the Creator Pair, Jesus and Mary, will lead us through Nebadon and into the greater universe. Then our Heavenly Mother and Father lead us home to Paradise.

WE ARE Children of God

Collectively, should we embrace them all, as we are to, then our pathway home is a journey in the hands of the Spirits of Truth of the Avonal and Paradise Pairs overseen by our Heavenly Parents.

HOW TO GET TO PARADISE:**Long for the Divine Love****Long for the Truth****Long for the truth of your feelings****Don't deny any feelings: accept, express and want to know the truth of them****Know your feelings are the key; your feelings are the Way****Want to end your falseness and being untrue****Want to understand the truth of your early life****Use your surface feelings to move deeper into yourself, bringing up your repressed feelings****Want and long to know the whole truth of yourself****Want to do it all with God, your Heavenly Mother and Father – long to Them for help.****The Key**

Our longing drives our life. We long with feelings. We can wish for things using our mind, yet long for things with our heart. These things in the pyramid are what to long for. Longing for them, when the longing comes naturally. Longing because you feel you really want them. Long to be true with all your heart. Long to live true to your feelings. Long to understand the whole truth of yourself.

JOURNEY of HUMANITY into and through the GREAT U-TURN:

Humanity reaching its most evilness, the most lost, the most separation of soulmates. Humanity can begin its Healing. The Great U-Turn begins, the dawning of the Spiritual Age.

This is the Great U-Turn. We are to feel and live by our feelings and express our feelings, our mind will follow in support, not the other way around.

Feelings First, you can be sure about that! **Once women get that message and start living it, then the tide will really change**, with men either deciding to support them by looking to their own feelings or being left on the outer wondering what the fuss is all about.

The feminine light is going to sweep through humanity and purge it of all the yuk and darkness, helping to bring the whole of humanity back into a nurturing loving mother state of being, from which the supportive, caring father can support her and together they can make the world great again, they can bring humanity up into its natural love perfection whilst at the same time offer those people who want to spiritually grow the truths of how to embrace the Divine Love and move on to the Celestial level.

By living true to oneself, true to our feelings, we are living true to God. It's that simple.
(Passage in blue calibrates on the Map of Consciousness at 1,500)

God is God, who is our Heavenly Mother and Father, being SoulMates. There is only one Soul that is God's Soul, that being the Soul of our Mother and Father. Our Heavenly Parents are the First Soulmates; The Two Who Are One who have brought us all into being.

Jesus and Mary are a son and daughter of God.

Jesus of Nazareth and Mary of Magdalene, being soulmates, were both free of sin. Jesus and Mary, combined in their love for us, are our teachers and guidance for us to find our way home to our Heavenly Parents. To start this journey we are to liberate our souls from being entombed within our suppressive minds, through feeling and longing for the truth of our feelings via our soul and peel away our injuries incurred since conception.

Give yourself time to consolidate your relationship with the Mother and Father through the partaking of Their Love. And whilst you are doing this, you can learn about your healing, all that's involved with it, as there are many willing spirits to share their healing experiences with you.

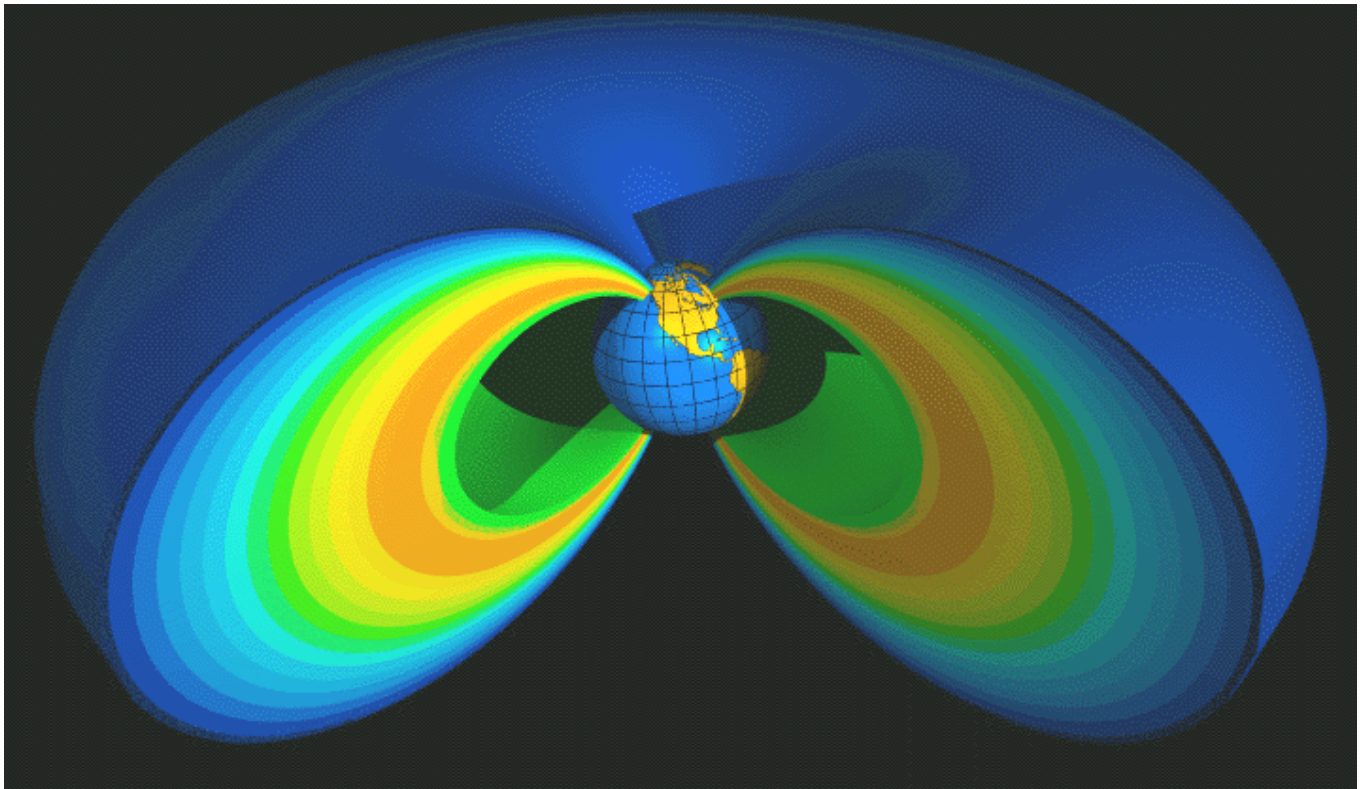

When you are ready it will start happening simply because you will want it to, it all being orchestrated by your soul. And when that time comes you will have developed a strong foundation in your relationship with the Mother and Father for you to work from. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

It is to make longing for God's Love the priority, and then do one's healing; should one want to include God and the Divine Love in one's feeling healing. This is doing your soul-healing as you are seeking to heal your soul of all evilness – of that which made you become evil, and release all the hurt and pain of not being fully and truly loved.

SHINING TOWARD SPIRIT:
682. The Great Task

Vol III, p. 169, 14 Nov 2014 – 14 Mar 2015 Zara and Nicholas
www.lulu.com

I am with you; it is I Matthew. I will start by saying I lived along side Jesus in my human day; I then lived along side Jesus in my spirit life, as I do now. My purpose writing with you in this communication is not to detail my experience when living as a man those years ago, or how it was when I became a spirit – but to illustrate that when I did become a spirit I needed to understand what living with the Soul of the Father actually required.

Even though Jesus taught us about what was required to live with the Father in our human days, it was only when I became a spirit that I gained the Truth that my soul-sight needed to see, that then placed into a true perspective the teachings of Jesus.

In my spirit life I quickly processed through my memories the drama that I had just lived on Earth. I, like the other apostles – other than Judas – moved along quickly in our ability to identify what living in the Divine Love required as soul. Jesus assisted us as we progressed and eventually arrived to the place that has been introduced to as ‘The Celestial Heaven’. It became apparent to me and to the apostles that this Divine Love was the true salvation of our mortal soul for we could – with our spirit senses – identify what the Immortality of this Divine Love meant to our mortal souls and the teaching that Jesus taught us about this Immortality.

As we progressed toward the Celestial Heaven, other individuals did as well, such as the individual who has introduced himself to you, the spirit Saul. There were well-known human identities, lesser-known individuals, and ordinary individuals, all loved equally by the Master as he taught us the way into the Celestial Heaven. As you know, as it was once conveyed to you in a previous communication prior to these works, Judas had compensation to work through, which he eventually did with the assistance of Mary Magdalene.

Whilst living records recount certain events of those days, the real truth is about the contrasting experience of the Natural and the Divine Love, the mortal soul and the Soul, God. I am so pleased that today this information is available with certain transparency. Those of you, who have been introduced to these spirit communications, have been exposed to the real spirit teachings by the Master that he taught us here in the spirit world.

When I settled in my living in the Celestial Heaven, I had accepted my living with the Father. We understood finally, the Master’s teachings! Then, it became the huge task of having to generate the awareness of the Divine Love to the masses that still resided in the mortal spirit world. This was a task that we had to do and so, Jesus set about teaching and instructing us about the construct of natural love so that we understood it to its full cause and effect in the mortal soul. There were many individuals living in these natural spheres and we knew that souls would be hungry for the Truth but we could not be evangelical in our approach or arrogant in our assertions that we knew the Truth. We needed to accept that in our own natural love we once lived without the awareness of this Love, this Divine Love, and this gave us compassion and empathy, which would help us when asked about the Love.

Those of us who lived in the Celestial Heaven with Jesus had grown strong and none of us lived any more with any doubting who and what the Father is. Our souls had gone through the transformation and we stood in the full light of our knowing and living in the Immortality of this Divine Love: a Truth that had yet to be seen by those living in the Natural Spheres.

On that certain day when Jesus knew that we were sufficiently competent to teach how living with the Love is, we began the great task of introducing individuals in the Natural Spheres (Spirit World spheres 1, 2, 4, 6) to the availability of God's Divine Love. We differed in our appearance and this was evident to those who had never seen individuals living their Celestial soul condition.

Jesus took some of us to the lowest Spheres (Spheres of Disharmony 1, 2, 3), which was a difficult place to be of course. Judas had had experiences there and so he prepared us on what to expect. The availability of God's Divine Love is everywhere mortal souls reside and so, it required some of us, and I was one of them, to introduce the Spirit teachings of Jesus to the lost souls living their poor condition in the Lowest Spheres.

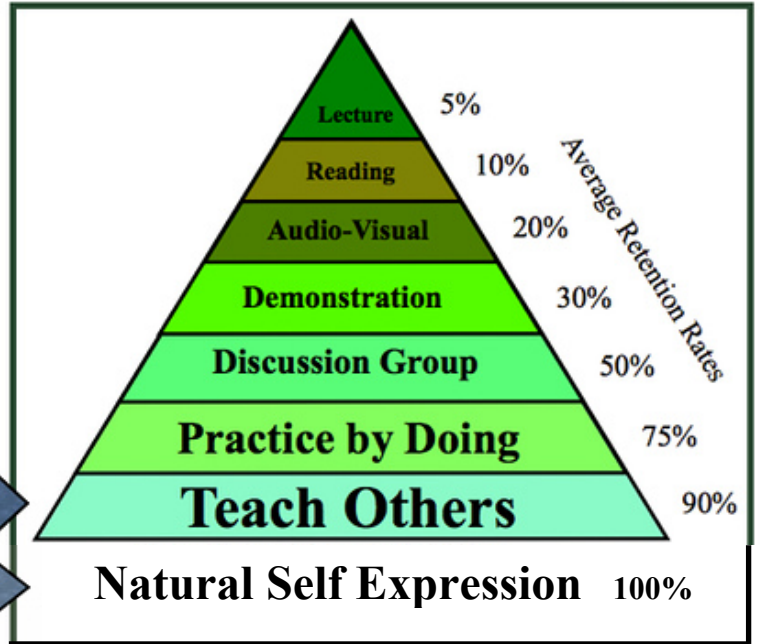

As time passed, Jesus sought to convey his Spirit teachings of the Father's Loves: the Natural and the Divine to the peoples of the world. Fortunately a way was found and James Padgett received these teachings. In keeping with the progress of the day, a more universal approach to the Divine Love needed to be conveyed and today, some of you are living this universal truth that exemplify the Spirit teachings of Jesus and the Celestials.

I have enjoyed my communicating with you. You have received the essence of what I desired to share with love.

In Divine Love, Matthew.

SHINING TOWARD SPIRIT:
665. The Shining toward Truth

Vol III, p. 157, 14 Nov 2014 – 14 Mar 2015 Zara and Nicholas
www.lulu.com

It is I Matthew, a teacher of the Divine Love. I have communicated with you recently, now I desire to provide you with a visual description of the Love.

Imagine a continuous Energy shining light blue that is unbroken with a seamless surface that surround every mortal and Immortal spirit. Imagine if you were to become aware that this energetic field of light-blue Energy existed in its shining radiance just near where you are. Now that you are aware that this unbroken Divine Love is unified energetic field of living Love, by opening toward the Soul of God and aspiring for the Divine Love, the Acting Spirit gently brings a small portion of this shining blue Energy into your soul

The Divine Love that you have received remains part of this great Energy that the Divine Love is and even though this small portion of Divine Love, now within your soul, in its shining radiance and energetic cause, it is never separated from the continuous energetic field of Energy that the Divine Love is. Having partaken of this Energy it is with perception that one is aware that the Divine Love within one's soul is the same Divine Love that every person and spirit who has partaken of this Love, participates with. Even though in our individuality we partake of this Divine Energy, this Love is never broken away from the Source and Origin from which this Divine Love emanates.

The Divine Love is bestowed into our finite soul by the Acting Spirit, but this Spirit remains in contact with our spirit body and does not enter the finite soul to become part of our finite soul essence that we are. No mortal or Immortal spirit can manifest in their soul the Acting Spirit so that this Spirit – this Holy Spirit – becomes part of our existing finite spirit body. Only the Divine Love and its Energy becomes part of our finite soul, which causes the change to our spirit body. The Acting Spirit always remains its own attribute and never does a Celestial spirit claim ownership or take possession of the Acting Spirit within their soul. (The Holy Spirit / Acting Spirit is an instrument of the Source Soul, our Father.)

This is one of the wonderful Truths by which we who have been transformed by the Divine Love understand our personal relationship with the Father's ever-present Acting Spirit. The shining Energy of Divine Love is all around us and when we have partaken of this Love, part of our finite nature becomes independently shining in this true perfect Love.

I provide these words that may appeal to those who are visual and to express the universal appearance of the Divine Love and the personal touch when in contact with the Acting Spirit.

94. As the crow flieswww.lulu.com

On another subject, the spirit world is substantial! A mile on Earth is the same distance in these spheres. A straight line from point A to point B or, as the crow flies is the same straight line from point A to point B in distance that you experience. There is solid ground that forms the base of a sphere. It is a deepish blue colour. You can see the surface but you cannot see all the way through it. It is solid and you can't sink into it or pass through it. The surface is smooth and feels a little bit spongy. You can stomp your foot up and down on it, and it doesn't move or shift the surface in any way. There is scale and height, depth and perspective with much space between the surface of the base of each spirit sphere and the boundary that forms its ceiling. The spirit spheres are contained within a surface-to-surface boundary.

A sphere is not like the Earth where you look up at the stars gazing into the physical universe that continues on and on. The timing of light in each sphere is always present light. When light is seen from stars and this light reaches the surface of your eye, you know that a certain amount of time has elapsed with the light that you are seeing. In the spirit spheres this is not the case. The light you see here hasn't travelled through time to be here. The light here is existentially shining in the eternal present. The light source does after all come from the Father's Spirit Handiworks.

As spirits, we have the capacity for experience therefore we can measure our experiences in terms of past, present and future. Our experiences form memories and these memories enable us to relate to our spirit past. It is a wonderful opportunity to create brand new spirit experiences that are original knowledge and awareness. This happens for each newly arrived spirit; our spirit memories help contribute to our forming relationships.

The progress of our soul condition is paramount to the way we experience our life here. In a good condition of natural love or with the inclusion of Divine Love, because of the existing Spirit Laws that assist our harmonious way of living, our experiences don't cause or create memories that then will require compensation from these experiences. We don't cause or create any experiences that result in our having to regress. The depraved spirits in the lowest spheres are still subject to their experiences, human experiences that have caused their memories still remain present with them that in effect, have created an actual stagnation and this is a living misery for them. One may know that they would like to progress out of their misery and that one, in this progression, would like to change their soul condition so that it is of a good living natural essence and then, one can move to a new sphere! Also, one can decide to accept the Divine Love and to see that their future will be a progression toward the Celestial Heaven. Ultimately we can plan for the future but unless a spirit realises that their soul condition will require them to be in that condition that enables one to move sphere, one will not be able to realise their future.

95. A boundary of experience

A Celestial spirit is aware of the vastness of the spirit world. These Celestial teachers know much of this vastness. Each respective sphere is contained to a boundary of experience. The formed spirit world isn't comprised of a single solitary plane of existence where every spirit co-mingles and co-habits in. The prospect to travel here is the ticket of soul condition. If your soul condition doesn't improve you are effectively sphere-locked! Moving to a new sphere creates new experiences and new memories. Each sphere differs a little in its internal workings and infrastructures. A Celestial sphere differs greatly

in its appearance than the fabric of the 1st natural sphere. There is a good reason for this. The differing qualities of the spheres coincide with the spirit body and the personality within the spirit body. To provide you with an example, the Celestial spheres are true soul environments where the spirit body has formed to such an extent that its ability to experience is quite substantial and so, the spirit-mind can retain this experience and form spirit-memories that are quintessentially 'light'. The natural spheres are spirit body environments. The individuals residing in these spheres have as yet, to sufficiently develop their soul and so, the identity of soul is an awareness that awaits these individuals and cannot be rushed. The light quality and fabric of their spheres support their spirit body awareness.

96. Relationships

Relationships form a significant part of a spirit's life; a spirit's life is highly social. Other than the depraved spirits who are isolated, everyone else in their sphere feels really open and industrious in their socialisation and interrelationships. If there is one true statement that describes the mortal personality it is its ability to be social.

I know that so few people on Earth at present are truly aware of the Divine Love and what this Love means to their soul. Here there are many souls who are aware of this Love. Spirits enjoying living with this Love share their experiences with one another; no spirit goes it alone. There is no need to retreat into a corner of a sphere and meditate in silence for an age. Progressing with the Love is highly social. This actually forms part of the Truth about living with the Divine Love; in fact it is quite the opposite if you are not living with the Love.

In the purely natural spheres personality and identity are identified by your humanness and therefore, individuals are still selective about who they choose to spend their time with and the relationships they choose to have. Living without the Divine Love excludes the reality of the emerging soul and development of the spirit body senses so in effect spirits living without this Love are singular in the way they relate.

Individuals who have included the Divine Love are rounded and inclusive in their relationships for each individual knows that they are not participating in life from a singular position. An individual with Divine Love knows from their past spirit experiences how it is to live without this Love and so one can discern from their memory and experience the difference between living with Divine Love and having lived without this Divine Love. Individuals living with this Love all know that this Love originates from another personality identified as the Soul, God. In this Love and relationship with this personality, the Father, our spirit bodies are so progressed that our communication skills have realised their potential and so, the Celestial Heaven is an inclusive social environment where individuals form true and lasting relationships.

97. Made for Divine Love

From a Celestial experience the Divine Love is a true known fact and forms part of our Celestial life. By the time an individual arrives in the Celestial Heaven, one will have memory of their experiences from their first time they were introduced to the Love.

As some of you know or will find out, the spirit-mind is able to retain memories from actual experiences of this Divine Love. The human brain can also retain memories from experiences involving this Love. The more the spirit body relates with the emerging soul condition from Divine Love received, the more the brain can access information from the spirit-mind that helps to create memories involving this truthful Love.

Until one begins to experience Divine Love for themselves and has an awareness of this Love, one is without direct experience of this Love and so; one will be without any memories of this Love. There will be little cognitive memory to identify this Love by human memory until one is experiencing this Love and one's awareness is sufficiently progressed.

A Celestial life is absorbed in one's relationship with the Source of this Love. By beginning to receive this Love one is forming a relationship with the Creator personality. There is so much known about the Father here in the Celestial Heaven and constantly more of this dynamic Soul is being revealed to us. We have the capacity to retain our experiences of the Father, to share them and to learn more from others as they share their experiences with us.

What we are aware of is that our attribute of soul and spirit body were made and formed to be responsive to this Divine Love. Consequently, from this Love to be responsive in our ability as finite personalities to have an actual experience of the Eternal Soul and to identify these experiences in our personality that can retain these beautiful experiences as memories. These memories that are continuously created as new information is revealed to us in our finite soul.

Vol II, p. 77, 14 Nov 2014 – 14 Mar 2015 Zara and Nicholas

354. Movementwww.lulu.com

I would like to say as I communicate with you I am aware of the presence of the Celestial Heaven as they are close by. The Celestial Spheres are in proximity to you, not too far away. They are not many miles and miles away, shining out there in some distant nether region of an invisible part of an ancient and glorious spirit world.

The First Divine Love Sphere is very close by and just situated beyond the First Natural Sphere. Although the spirit world is big in its presence of spheres, the Celestial Spheres form part of this spirit world and does not exist in a sublime place that lies beyond our reach. Everything in the natural and Divine Love Spheres has visibility to it. And like the Divine Love, from a spirit's perspective the Celestial Heaven is known and not an exclusive place. The reason why a Celestial Heaven exists and that this Heaven comprises of spheres is simply stated because the Divine Love exists, and a finite soul can partake of the Immortality of this Love. The Father has formed these Celestial Spheres into existence so that those of us who partake of this Immortality can progress and move in the Love.

With love, Sabrina

355. Movement

This progression of movement is due to the fact that when the soul begins to perfect its natural love, and one continues their receipt of the Love the spirit body and soul begin maturing with real evidence. The Love causes this change to our internal systems. By having the Love within our soul there is a movement of progressive change. This change causes the spirit body to mature so that one's condition requires a new environment for the input and the output of experience and soul energy that a soul participates with now. You will be familiar with how the physical body matures through life and in this maturing process, the requirements of one's needs change so that the input and output of energy in a maturing physical life attracts one to a progressive experience. The Divine Love Spheres and Celestial Spheres represent exactly this. The Divine Love that we receive as spirits results in our changed soul condition so that the input and output of energy matures through experience and there comes a time in our progression that we recognise we require an environment closer to the Father.

There is volition of the cause of the Divine Love and we experience this in our maturing spirit body. The Father knew that souls would receive the Love and that this Love by its nature and cause, would draw the soul closer toward the Father for part of the soul nature in the potential of each finite soul, is the potential to be in likeness with the Father.

If we were to receive the Divine Love and remain solely in the First Natural Sphere, or the 6th Perfect sphere our soul condition and spirit body condition would surpass our immediate environment so we would in effect, be changing and sometimes quite rapidly, in a changeless natural environment.

There are spirits who have progressed beyond the Celestial Spheres. In their experience of the Divine Love they have needed to surpass these spheres for the Love has sufficiently changed their soul and spirit body condition, hence these spirits know that they need to be closer toward the Father and so they are attracted to a succeeding environment than the one they are in, as they are more in likeness of the Father.

With love, Sabrina

356. Movement

Essentially the spheres exist in their successive stratas of harmony because the natural and Divine Love exists. There is no doubt that when one here in their spirit body truly embraces this Love, this Divine Love stimulates movement and progression.

I would like to say that some spirits remain in a Divine Love or Celestial Sphere a long time without moving to a more progressive sphere.

Eventually, the individual spirit will receive enough Love that the Truth of this Love will cause a known truth in the soul and this Truth being in its revealing to the individual, that it is time to move on.

It must have been very difficult for spirits living in the Natural Spheres, who had once received the Divine Love at the time of the First Parents and then to remain in the Natural Spheres unable to move beyond the Perfect Natural Sphere when the Divine Love and Acting Spirit were unavailable to their souls. Every individual living in the spirit world would have been contained to only a Natural Sphere. It is quite possible to assume that the other spirits lived without an awareness that the Divine Love and Acting Spirit ever existed at all.

I have lived in this spirit world as many spirits do, in a time when there is an awareness that the Divine Love and Acting Spirit exist, and that the Divine Love Spheres and Celestial Spheres are known and open to those of us who are being moved in our changed soul and spirit body conditions, to ascend in toward the Soul of the Father.

With love, Sabrina

357. Movement

It is almost unimaginable to consider that the Divine Love and the Acting Spirit were unavailable for mortal souls to receive for such an extended period of time. You and I and other people and spirits live in a beautiful awareness that so much Love and Spirit is open and transparent to us. There was a time when all spirits existed in solely the 7 Natural Spheres which are comprised of the three lowest spheres and the first, second, fourth and sixth Natural Spheres. All these spheres are joined in succession with a finite boundary to each sphere, and they are all in harmony – the harmony of the natural heavens.

It must have felt like a long time for those souls living in the natural spirit world who were aware of the Love, such as the offspring of the First Parents and the First Parents themselves between their life and the now life in the mortal spirit world until the time of Jesus and the availability and opportunity to progress again in the Love. The life of Jesus marked the opportunity for a mortal soul to receive the Immortality of the Divine Love and to approach the Divine Love Spheres and Celestial Heaven Spheres, as all were open.

We live in a time of great transparency. The Love is real to some of us and we can breathe life into our finite potential. I live in a time in the spirit world where everything is available for me. The only thing that can prevent me from moving on in this transparency of Love and Spirit is myself. I like to know that I can move and that I live with potential. I know that I will move from the First Celestial Sphere to the next Celestial Sphere and then to the last Celestial Sphere where I will eventually proceed into the Eternal Spheres for the Divine Love will change my soul and spirit condition as it has already done to arrive me in the First Sphere of the Celestial Heaven.

With love, Sabrina

358. Movement

There are Spirit Laws that exist that I know nothing about yet. In my soul condition at present my spirit senses cannot perceive their existence. There is still much that I have to learn about the Soul Nature of the Father, I doubt that I will ever know all that there is to know about the full Soul Nature of the Father. Part of my knowing about my relationship with the Father, is knowing that I will not know everything about the Father! I am quite relieved to know that it is not my responsibility to know everything about the Father. I can say with certainty that the only individual who does know everything about the Father is the Father.

I along with other spirits know quite a lot about the Father, for we have embraced identifiable workings of Love and Spirit. I am content in my advancement of knowledge and I like nothing more than listening to spirits who reside in the Eternal Spheres, as they communicate their knowledge and knowings of the Father.

More progressed spirits than I, frequently visit the Celestial Spheres sharing their experiences with us. This is a great way to learn and to prepare one's self for when the time comes to move sphere. As we advance in our soul and spirit body condition, we are becoming more in likeness with the Father and I can see how these spirits are more advanced in their condition than I am, in my likeness with the Father. I frequently visit the Divine Love Spheres where I have assisted less progressed spirits than I, and this aspect of giving resonates with my soul. I, along with other spirits, are giving to you and so, all the way through the spheres there is the giving on of information and a transparency of experience shared that benefits everyone who is inclusive of the Love.

I would like to say that we are all in our own way in the Love, shining ever closer and more brightly toward the Soul of Spirit and Love.

With love, Sabrina

359. Movement

I know that much of what I have conveyed will not form a material construct for you in your human experience. Everything I have said happens in love in the domain of your soul. The experiences I have conveyed to you can be perceived by soul perception and spirit perception so that internal vision is seen and experienced. As I communicate with you both (Zara and Nicholas) you look out into your immediate environment and you see the organic world and material environment about you. The reality of Divine Love that I have conveyed to you, you experience in the domain of your perceptual vision and soul. It is important to have this information available so that a person may gain a sense of transparent soul life and spirit vision as you look about you into the human construct of a material world you will not see the Celestial Heaven standing there before you. The Divine Love is such an inclusive experience that anyone who desires to feel a connection with spirit can experience this as easily as asking.

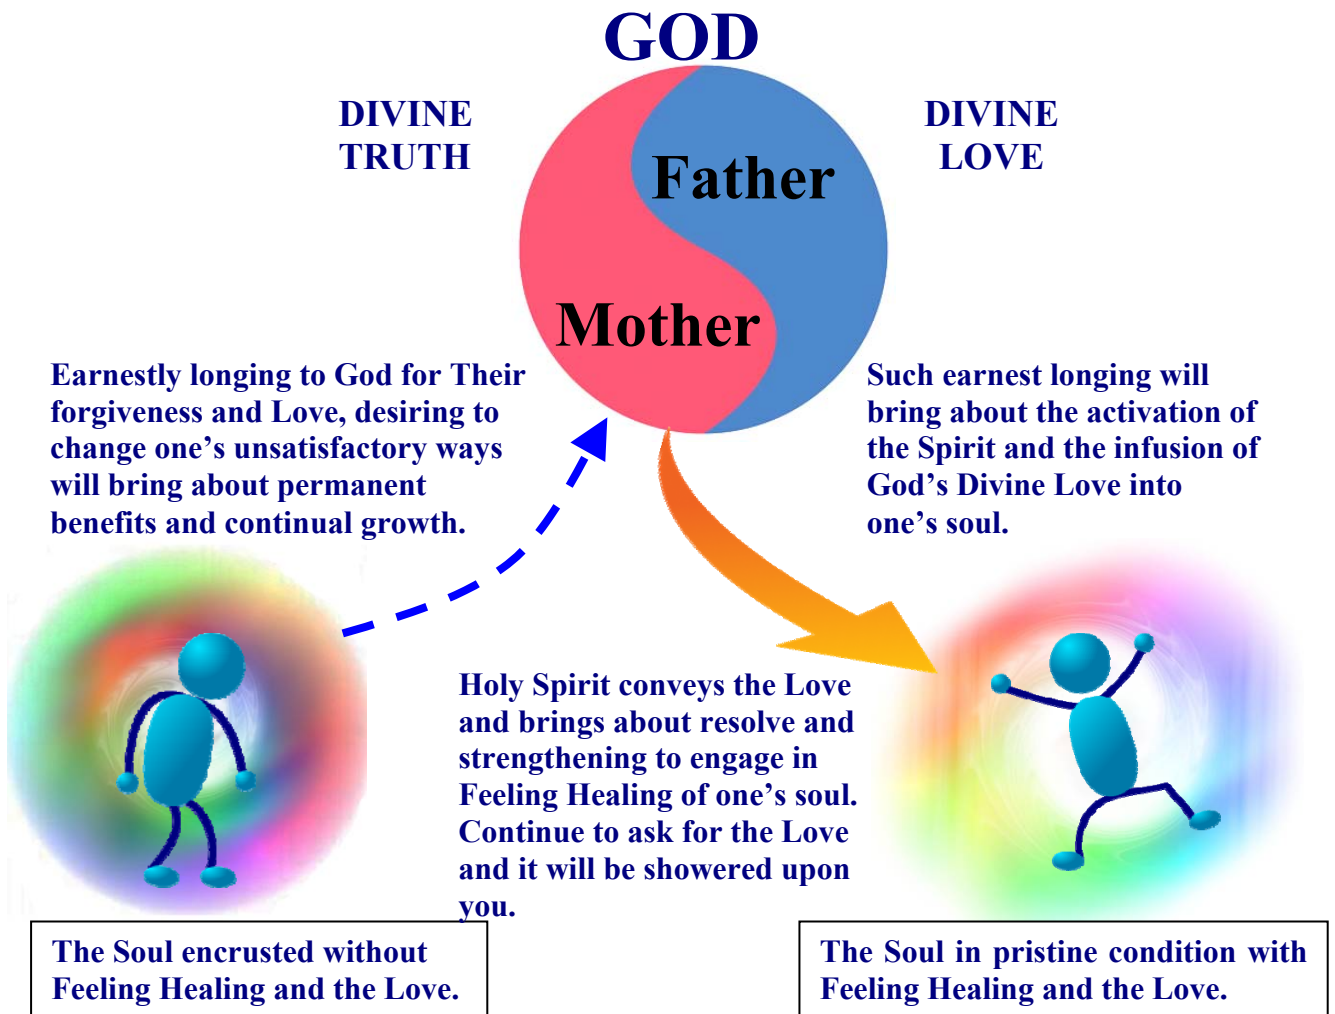

The Divine Love in its cause presents movement. As one is exposed to the greater workings of Love and Spirit, the single aspect of the Father that is truly Living and that can provide a person or spirit a direct experience of the Soul of God, is this Living Divine Love. Anything else are only extensions and attributes of Love and Spirit that help one to identify the form and image of the Father's constructs that sustain all soul life.

In faith and love, one can in their own progressive self-natural love include the Living Divine Love as a true experience that will gradually reveal a transparency of the Living Soul God.

The reality of the Divine Love is substantial. It is so substantial that there is no greater reality of Love beyond it or a Truth that can surpass it. The Divine Love is the universal and personal movement of the Father assisting us to progress so that we can experience the Soul of the Father with love, expression and a deeper fulfillment in our personal lives. Experiencing the Divine Love will move one to realise their true soul nature and that Soul of God is a beautiful soul that we in our humility and grace aspire to live in harmony and likeness with.

I have thoroughly enjoyed communicating with you about the Divine Love and I envelop you with my love.

Your loving friend, Sabrina

SHINING TOWARD SPIRIT:
427. The Spheres

Vol II, p. 137, 14 Nov 2014 – 14 Mar 2015 Zara and Nicholas
www.lulu.com

I am with you and desire to communicate a message on the nature of progression in the spirit world. As you know, there are a fixed number of spheres that make up the spirit world. Spheres are not being formed as the population increases on Earth, the spheres that exist have been adequately provided by the Father, as the perfect number and size of each sphere to provide adequate living conditions and space for the vast populations that reside in each respective sphere.

The existence of the formed spirit world comprise of environments that are perfectly suited for the survival and continuation of the human personality. There are 7 primary spheres with 3 lowest spheres. These lowest spheres are simply described as being lowest, for this represents where the poorest of souls in their condition of natural love reside. I would like to stipulate that lowest or highest are not terms relating with spirit competition of soul condition but for the means to aptly describe by word a description of these spheres relating with soul condition, degrees of natural love can be placed into aspects of higher and lower variation of soul condition.

These ten spheres are the spheres that precede the 3 Celestial spheres in the Celestial Heaven. 13 primary spheres exist that form the evolutionary stages of spirit life. The 3 spheres that constitute the formed Celestial Heaven mark the stage where evolution meets creation and this is defined as one having evolved to their perfection of natural love by the inclusion of Divine Love and the individual can adequately see the evolutionary phase and the creational phase of existence.

In order to gain a true perspective on these spheres one needs to place the condition of soul firstly as the true measure by which everything else is reflected from. Understanding this places each sphere in a true context with actual soul condition.

I will write again shortly, Your friend, Jude

[Jude was one of the Twelve Apostles of Jesus. He is generally identified with Thaddeus, and is also variously called Jude of James, Jude Thaddaeus, Judas Thaddaeus or Lebbaeus, Jude of Galilee, brother of Jesus of Nazareth.]

428. The spheres again

The individual personality living in the spirit world can only ever be the measure of the individual soul condition and this condition of soul can only ever be in natural or with the Divine Love. If you go looking in the spirit world as a spirit, you will not find spheres existing in secret places for 'special spirits'. The spheres exist with transparency and the Father was meticulous in their forming and never was the Father manipulative in the existence of these spheres. The forming of these spheres were formed for a single purpose, this purpose being to provide sustainable environments for the attribute of soul to reside in once the human life of that soul was over.

In the spheres of the Celestial Heaven the individual can see the full extent of their natural experience now contrasted by their experience now living with the Divine Love. The Celestial Heaven represents the gateway between the human evolutionary experience of a finite personality and the creational aspects of the more progressed universal spheres that succeed the 3 Celestial spheres and these environments represent the creational aspect of living with the Father. In the 3rd Sphere of the Celestial Heaven, one can see their human life and the evolution of one's soul to this sphere and then one can see

the vision of their future spirit life existing in the Eternal spheres and the Spheres of Paradise which mark the creational aspect of soul condition.

Your friend, Jude

429. Evolution and Creational

The relationship between the evolutionary aspect of individuality with the creational aspect of individuality is defined by the evolutionary aspect as being the way natural love is experienced and perfected. The Divine Love requires no perfection through an evolving finite soul therefore it is creational as defined by existing in its perfect nature without requiring any evolutionary experience to improve its perfection.

When a spirit leaves the Celestial Heaven and heads out into the Eternal Spheres, the creational aspect of living encompasses the individual for the perfect natural love within their soul requires no more evolution to deem this natural love as being able to surpass this established perfection. A Celestial spirit masters the art of relating what is evolutionary in their finite experience with what is creational in their finite experience and each individual celebrating that only the Father forms and creates realities into existence.

The forming of the attribute of a finite soul and the forming of a spirit body are two creational aspects that exemplify the Father's Handiwork. The existence of the Divine Love and the Acting Spirit that brings this Love to the finite soul are another two aspects of the Father's Creational Handiwork. The Spirit Laws that determine how the formed finite personality of an individual consisting of soul and spirit body enters the spirit world upon the completion of a human life is another aspect of the Father's Creational Handiwork. In contrast, how a person is led to find the Truth about the Divine Love and then becoming aware of this Love, and then how one experiences this Love and relates their experiences to form memories of their experience, is an evolutionary experience involving creational aspects of the Father within the finite individual soul. This relationship between an evolving experience and the creational realities of the Father converge into a full reality when the individual is fit in their soul condition to reside in the 3rd sphere of the Celestial Heaven. When a spirit leaves the Celestial Heaven and enters the first Eternal Sphere the individual needs to be in that condition of soul and spirit body so that the greater creational aspects for living can be harmoniously identified, as there is a lessening of evolution present. Evolution is present in the Eternal Spheres but this evolution is in a different form than the normal selective human evolution. The form of evolution that transpires beyond the Celestial Heaven is a relationship between the evolving and creational experiences that relate and shape the individual spirit body and senses. For now, the personality and spirit body are so infused with soul living that the spirit body truly begins to become identified as its true universal attribute that can experience the creational handiworks of the Father's formed Spheres of existence that exceed and include the Celestial Heaven.

Where I am leading you to with the evolutionary and creational aspects for living beyond the Celestial Heaven are the fully faced and transparent realities of the Father and the extended attributes of the Father that the individual can identify with which arrives in its fullness and conclusion stated that the individual can eventually travel in the Father's Sphere for a short duration of time as only the Father remains independently living in this Sphere.

Your friend, Jude

430. The spheres again

I would like to continue on the identity of the spheres.

The Father formed these Spheres so that the attributes of these environments relate with soul. The Father did not form these spheres to relate directly with the attribute of personality or solely the spirit body. I am trying to depict the correct image for you of the spheres so that you can see how these spheres were formed from the Father's original intent, which is soul firstly then spirit body and personality.

When I travel to each sphere I know that collective condition of the residing souls living in each respective sphere. There is a wonderful sense of independence in each sphere for the souls living there and each individual personality relates with the fabric in these spheres. But the greater Truth is perceived when one understands that every spirit is where they are by the reflection of their true soul condition in natural love and or with the Divine Love. People and natural spirits relate with image; the Father relates everything with image and substance therefore the old saying about the chicken and the egg and which comes first is answered in a spirit reality that the Father – prior to the commencement and forming of human kind – knew that soul would be the primary energy for human and spirit existence and that love would feature in all outcomes therefore, all spirit spheres needed to be established to support and sustain soul and soul living love. And so, the attribute of souls and the existing spheres were formed equally as being together first!

It is good to be sharing in the lighter side of love together filled with hearty happiness. I will write again soon.

Your friend, Paul

431. The identity of the spheres

The personality of a spirit cannot by its own volition, characteristic or assertion, decide or determine the best place in the spirit world that the spirit wants to live in.

We have mentioned about perfect natural love and the sphere where perfect natural souls reside in. I would like to state that whilst there is a succession of spirit spheres, the soul condition one is in is not marked by competition. Where one resides is simply stated by the greater workings of the Spirit Laws that *act* in accord with soul condition by which the individual spirit body and personality lives in accord and harmony with.

From our perspective a spirit living in their perfect natural love and a spirit living in the goodness of their love in the 1st natural sphere is a spirit's life of difference in soul condition but not of a competitive difference. In our communications we have emphasised the experience of progression. Progression in the spirit world is a progression without competition. If there be any competition in the spirit world, its form is seen in the lowest 3 spheres where individuals assert their self-serving commitment with direct opposition to a perceived authority, being the Father. You have seen this example a lot throughout human history.

The spheres can be identified as the 3 lowest spheres; the first natural sphere and the succeeding 2nd, 4th and 6th natural sphere with the remaining 3rd, 5th and 7th spheres constitute environments for soul advancement and progression in Divine Love. When a spirit enters the Celestial Heaven there are 3 spheres; the 3rd sphere is with the entrance to the Eternal Spheres. There are 3 Eternal Spheres; there are

3 Spheres of Paradise that follow the Eternal Spheres, which are succeeded by the Super Grand Sphere that surrounds the Father's Soul. The last remaining Sphere beyond this Sphere is the Father's Sphere. There are layers within this Sphere but language cannot identify them in number or the attributes that exist within this Sphere. Personality can participate in all these Spheres with the Father. This is why it was necessary to introduce you to the relationship between the evolutionary aspects and creational aspects of human and spirit living. I would just like to add now, there are the Pre-Incarnation Sphere and the human sphere of existence where the soul that you are begins its individualisation, which includes the forming of the spirit body and forming of the independent personality. None of these Spheres that I have mentioned exist outside of the Father. When one is aware of the Divine Love, one will and can know and live this Truth. And there is no sphere that one can reincarnate from to live another human life. In all God's existence the Father has not established a Creational Spirit Law that can separate the soul, spirit body and personality from the spirit world to reincarnate into a physical human body to live a second human life.

One must keep in mind that the spirit world, in its entirety, are environments that are established for the continuation and survival of the soul, spirit body and human personality. The spirit world forms part of the human story. Each person will arrive here and continue their existence here; there is nothing more certain than this Truth. It doesn't matter whether one believes in my words or not, the same result will happen at the completion of a human life. Proving the existence of a spirit world or proving the existence of the Immortal Truths doesn't require proof from our behalf. Such realities exist whether one believes in them or not and this is exactly the same as to whether one believes in the existence of God the Soul. The Divine Love is close to you all, it only requires you to be aware that it is and to have faith opening toward this Love.

The spirit world is a wonderful place and as you have heard, the arrival of the believer or of the disbeliever, love in the living is transparent here with change visibly seen.

I will return to write again soon. Your friend, Jude

432. A transitional phase

I am with you, it is I Jude, to continue our writing together. One may ask what does a spirit do in the Celestial Heaven? This is a broad question that I have posed but can be answered in essence by the fact that the three spheres of the Celestial Heaven form the transitional phase in a spirit's life with the Father. The evolutionary aspect of human living – having now been perfected – moves into the creational aspect of living and so spirits study the creational attributes of the Father that have more presence and identity now that the individual has moved beyond the machinations of assessing their past human experiences and perfection of their natural love. Spirits in these three spheres are no longer subject to the Spirit Law of Compensation and this reflects in their freedom as now having completed the integration of the more human aspects of having lived. The integration of Divine Love in the soul is accepted and the Father is accepted in a personalised in an independent way. In the Celestial Heaven the spirit body of each individual now reflects this condition of the individual soul and the personality has sufficiently formed from this soul condition so that a spirit can perceive the more substantial creational aspects that now require an understanding and spirits can understand these workings for they are no longer dealing with the influences of their own human and early spirit lives that have predominantly been in natural love.

The introduction to the creational dynamic of the Father's forming attributes of Love and Spirit into existence becomes a present reality to spirits living in the Celestial Heaven and whilst a spirit can choose to remain in one of the spheres in the Celestial Heaven without ever feeling that they need to

leave these environments, there are many spirits who feel that their time has come to leave the Celestial Heaven and to engage in the creational living of their spirit lives in the Eternal Spheres and beyond.

Your friend, Jude

433. The construct of natural and Divine Love

At present compared to the vast number of people living on Earth, there are a relatively small number of people aware of the construct of the natural and the Divine Love, and how these two Loves form the basis of soul and spirit living. I would like to here, add that as a construct this teaching construct is perfectly suitable to exemplify a beginning.

A Celestial spirit by the fact of being in the Celestial Heaven, will know about this construct of the natural and the Divine Love and whilst progression is not an intellectual pursuit, each spirit residing in the Celestial Heaven will know to a sufficient degree the extent of their natural love and the fact that this essence has been perfected by the receipt of the Father's Divine Love.

The beautiful Truth about the teachings of the natural and the Divine Love is that all such teachings are derived from lived experience and these teachings are not inanimate intellectual concepts. These teachings are thousands of years old and relate directly with experience and are as present this day, as they will be tomorrow. The construct of natural and Divine Love are available and not hidden by any means, person or spirit gaining more visibility as one becomes aware of their soul life. People and spirits begin their experience of the Divine Love by asking many questions – this is a good way to travel as love will make masters of us all and experience is the greatest teacher of us all.

There are experiences of the Father that we as Celestial spirits experience that cannot be appropriately put into human language. What we can do is provide you with information that touches on the identity of these creational aspects so that from your evolving experience in the Love you will have an edge, so to speak, that will give you a surface to work on. I know as it has been said to you before, that most people will be attracted to the Love and to the Truth of it by pure feeling alone. There will be some of you who will experience this but will also desire to be in touch with the greater aspects of universal living, and for this we have provided you with as much experience and information possible so that the construct of natural and Divine Love has vision to it that one in the domain of their own soul, may gain a glimpse of.

Your friend, Jude

434. The fullness of Celestial soul condition

I would like to conclude by saying that the vision of Celestial soul condition can be extended with the inclusion of the relationship between the evolutionary experience of Love with the creational aspect of Love and Spirit. In the Celestial Heaven in the third sphere, part of a soul's condition is the transparency of these two aspects that form the harmony of all that is mortal and finite with all that is Immortal and infinite. I know that to you in your experience these may just sound like words rolling off my spirit lips, but the Truth is that with perceptual experience a person may gain real experience when seeing the convergence of evolution and creation as being two aspects that define what is natural in man and that which has been brought into your awareness as the creational attributes formed into existence by the Father, the Divine Love being exactly this.

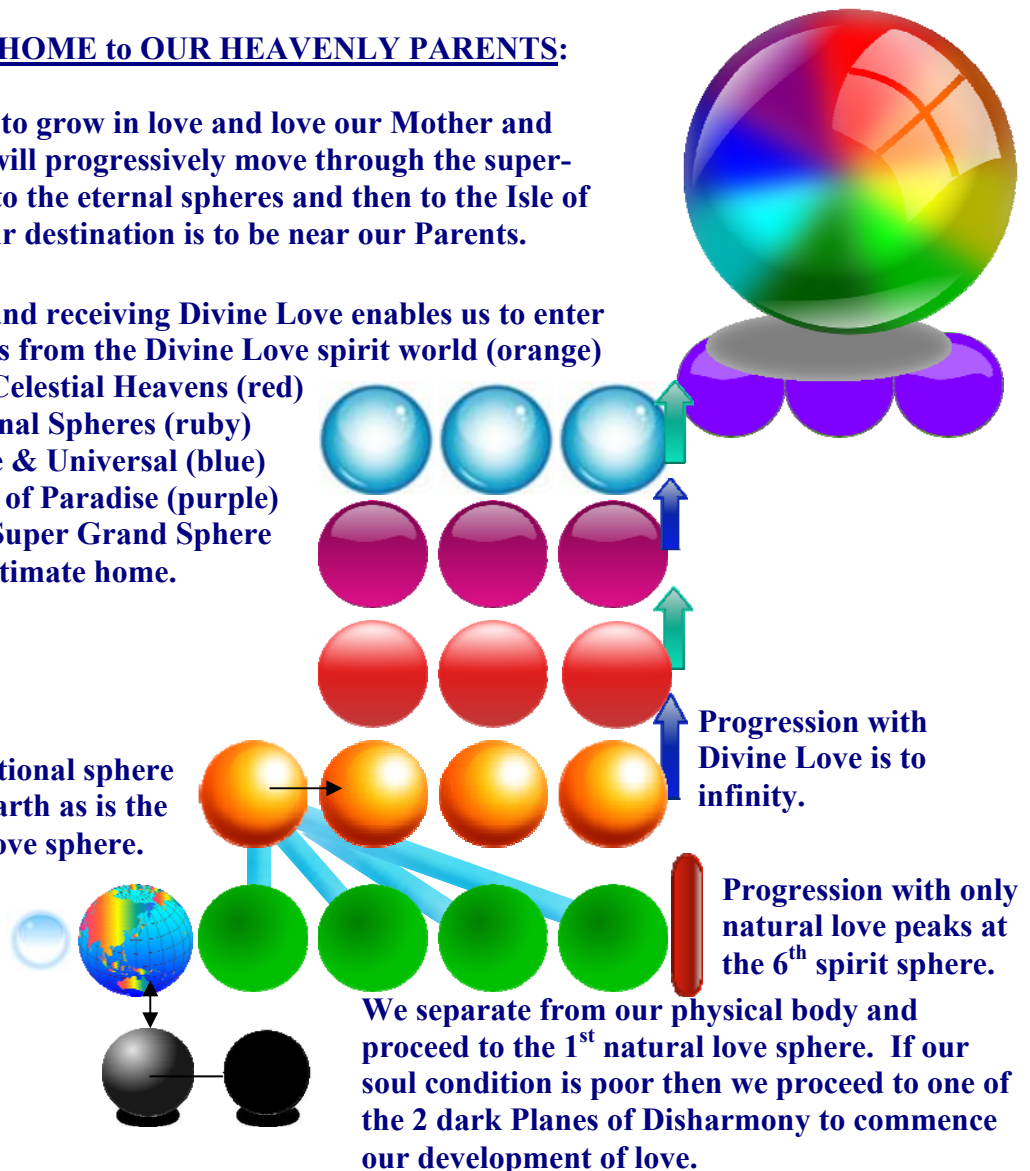

I have thoroughly enjoyed conversing with you at this time, thank you. Your friend, Jude

JOURNEY HOME to OUR HEAVENLY PARENTS:

As we learn to grow in love and love our Mother and Father, we will progressively move through the super-universe, into the eternal spheres and then to the Isle of Paradise, our destination is to be near our Parents.

Asking for and receiving Divine Love enables us to enter and progress from the Divine Love spirit world (orange) then to the Celestial Heavens (red) then to Eternal Spheres (ruby) then Infinite & Universal (blue) then to Isles of Paradise (purple) then to the Super Grand Sphere being our ultimate home.

Pre-incarnational sphere is close to Earth as is the 1st natural love sphere.

We separate from our physical body and proceed to the 1st natural love sphere. If our soul condition is poor then we proceed to one of the 2 dark Planes of Disharmony to commence our development of love.

Note: The 1st Divine Love Sphere and the 1st Sphere of Disharmony may simply be planes within the 1st Natural Love Spirit World.

Divine Universe – Life in the Spheres

OUR JOURNEY: From Earth's spirit spheres, to the Celestial Heavens, then to the Eternal Spheres, and then home to the Isle of Paradise.

Spirit spheres 1 – 7 (Mansion Worlds) may be within Earth's solar system, each sphere connecting to the next, including the 2 dark spheres being planes of Earth. The 3 Celestial Heaven spheres maybe close to Jerusalem and isolated for us humans.

Eternal Spheres, 3 progressive spheres, and the Infinite and Universal Spheres interact through out the super universe.

Spheres of Paradise also contain 3 major progression spheres and these are located within the region that circulates around the Super Grand Sphere.

From the 3 progression spheres within the Isle of Paradise, then to the Super Grand Sphere that surrounds the Mother and Father's Sphere and Soul of our Parents. At this point we have arrived Home!

GAINING the equivalent of PhDs SPHERE by SPHERE:

The journey to our ultimate destination is of enormous proportions, however, we have loving assistance and guidance all the way.

Consider that each major sphere that we progress through is capped with the granting of a PhD. Thus our journey to our ultimate home could be said to represent the achievement of gaining some 16 PhDs!!! Incredible!

Yes, we can all do it. As we ask for and receive Divine Love, as well as doing our Feeling Healing, we accumulate this wonderful essence progressively within our every growing soul, all visible due to the luminosity that this wonderful substance generates through our solar plexus of our spirit body. Our solar plexus are called this way due to this radiance emanating from that location of our being.

Major spheres that we may advance through are:

- Spirit World (Divine Love) spheres 4
- Celestial Heavens spheres 3
- Eternal Spheres 3
- Infinite and Universal Spheres 3
- Spheres of Paradise 3 then

Super Grand Sphere surrounding God’s Sphere & Soul

Total number of graduations **PhDs** **16**

Each sphere contains numerous planes and layers, thus our journey will have an incomprehensible diversity of experiences, all incredibly loving, progressive, evolutionary and creative once we set to commencing by simply longing for to our Mother and Father, please may I receive your Love! Divine Love will never be withheld from us once we ask.

When we arrive we will be amongst the most capped personalities ever imaginable!

This is one time when this statement stands out:

“Never can one man do more for another man than by making it known of the availability of the Feeling Healing process and Divine Love.” JD

APPROXIMATION of SIZES of the SPHERES within our LOCAL SPIRIT SYSTEM:

A planet with 100 times the surface area of Earth has a radius 10 times greater than Earth.

	Surface area multiple	surface area (square km)	Radius (km)	Planet's radius is this times larger than Earth
Earth	1	510,064,472	6,371	1.00
	10	5,100,644,719	20,147	3.16
	100	51,006,447,190	63,710	10.00
	1,000	510,064,471,900	201,469	31.62
	10,000	5,100,644,719,000	637,100	100.00
	100,000	51,006,447,190,000	2,014,687	316.23
million	1,000,000	510,064,471,900,000	6,371,000	1,000.00

Each of the spirit world spheres are understood to be each able to accommodate all the people that have and are to individualise through Earth. 1 trillion souls is the best guess as the number of souls pre-existing or existed in the pre-incarnational sphere.

Earth can support a population of 10 billion. Therefore a sphere is 100 times bigger than Earth in surface area.

The radius required to achieve this larger surface area is 10 times that of Earths.

Earth is 1 times
 Moon is 0.27 times Earth's radius
 Jupiter is 10.97 times Earth's radius
 Saturn is 9.14 times Earth's radius
 Sun is 109 times Earth's radius.

So, each spirit world sphere may be equivalent to a Jupiter or Saturn in size.

MATH:

Earth's Radius is 6,371 km (Volumetric Mean Radius).

Earth's surface area is 510064472 km² it can be calculated using the formula Surface area (A) = $4\pi r^2$

Multiply Earth's surface area by population increase factor (e.g. a trillion times more people)

$$510064472 \text{ km}^2 \times 1,000,000,000,000 = 510,064,471,900,000,000,000 \text{ km}^2$$

Calculate the radius of the sphere that has the above surface area using the formula $r = \frac{1}{2} \sqrt{A/\pi}$.

$r = 1/2 \times \sqrt{(510,064,471,900,000,000,000 \text{ km}^2/\pi)} = 6,371,000,000 \text{ km}$. How many times larger is this planet compared to Earth = new planet radius/ Earth's radius = $6,371,000,000 \text{ km} / 6,371 \text{ km} = 1,000,000$ times.

POSITION of FIRST SPIRIT WORLD SPHERE:

First Natural Love Sphere (1st Sphere) has a surface area approximately 100 times greater than the surface area of the Earth, or even much greater. Thus the radius of 1st spirit world sphere may be ten times greater than that of Earth. The Earth is positioned within the centre of the spirit world spheres. Considering the radius of the Earth (6,371 kilometres) and the distance of the Moon from Earth (384,400 kilometres) then the surface of the 1st sphere may be around 1/6 of the distance out from Earth compared to that of the distance the Moon is out from Earth.

“As you proceed away from Earth, upwards, there is no void between any two spheres.” “Each sphere, as you progress, is blended into the next by a kind of borderland.” The 3 Spheres of Disharmony may be in varying stages between the 1st sphere and the surface of Earth, thus creating a negative emotional crust that is further impacted by humanities soul condition resulting in a ‘murky fog’ around the planet.

Note: Comments here are partly assumption based.

To liberate one's real self, one's will, driven by one's soul, moves one to embrace Feeling Healing so as to clear emotional injuries and errors. With the Divine Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

Our salvation IS by embracing Feeling Healing with the Divine Love.

God's Divine Love: Pray for it, ask for it, and receive it.

Please Mother and Father, may I receive Your LOVE.

“Every day is a day of devotion.”

Follow your heart, follow your love and do that in loving action, your inner love leads in your asking the Soul of God to receive a little of the Love to strengthen one's resolve to heal.

“I love you Father.” “Let the Divine Love proclaim its energy into my soul.”

“Mother – Father, I desire your Love and I am loving you.”

“Soul God, I love you and I love receiving and experiencing your Divine Love.”

“True Soul God, I am here, I am aware of your Love. Please hear my aspiration for your Love and as I approach you from my soul, I can feel your Love in the way that you are loving my soul.”

Try it; give the Feeling Healing and Love a go! If you want to shine, receive the Love.

One can simply receive the Love without following any religious or spiritual teaching taught by man!

Emotional errors and injuries cause encrustment around the soul, the soul is never damaged however, the encrustments retard love energy flow to and from the soul. Feeling Healing melts such injuries.

Three Great Truths:

- **God is Soul, being our Heavenly Mother and Father;**
- **that each individual soul is a duplex – both male and female;**
- **and Feeling Healing with Divine Love is the pathway to Paradise.**

FEELING HEALING and SOUL HEALING with the DIVINE LOVE:**James Moncrief Publications:****all publications are free downloads:**<http://divinelovesp.weebly.com/my-free-books-and-free-padgett-messages.html>

It is suggested for one to consider reading as follows:

Speaking with Mary Magdalene and Jesus – books 1 – 4

These four books encapsulate the second of the revelations with the first having been introduced by James Padgett one hundred years previously. These four books provide a wide range of guidance that has never previously been made available.

Paul – City of Light

As a gentle intro into the Divine Love and Healing; being James Moncrief's first novel and it's been criticised as being too heavily clichéd, but that's the point because it's a reflection of how he was back then.

Ann and Terry

For an example of people who might want to immediately start working on themselves and doing their Healing.

Feeling Bad? Bad Feelings are GOOD

For more understanding about our denial of our feelings and why we should not deny our feelings, and it includes how it all came about for James, using himself as an example.

Feeling bad will make you feel BETTER – Eventually!

This includes specific examples of Marion and James working on expressing particular bad feelings, again with the hope that it will help others gain something of an idea as to what's involved in doing your Feeling Healing.

Sage – and the Healing Angels of Light

Through Sage who's 13 years old, the story is primarily about the two aspects of healing; that being, with the help of our angels, and the full Healing we can do by looking to our feelings for their truth.

**Religion of Feelings
Feeling Healing**

**Welcome to LOVE – the Religion of Feelings
you can heal yourself through your feelings**

So these books, including the four Speaking with Mary Magdalene and Jesus books, provide the essence of it all and are examples of James' work. Then it's up to whatever takes one's fancy. Other reading to consider may include:

The Padgett Messages being published as:**The True Gospel Revealed Anew by Jesus volumes 1 – 4****Book of Truths by Joseph Babinsky****The Urantia Book**

Release one's pain through expressing one's feelings.

in conjunction with

Longing for the Truth when also longing for Divine Love.

FEELING HEALING with DIVINE LOVE is SOUL HEALING:

A collection of 'papers' that draw together specific topics including all of the above and more from other sources of information and revelation designed to help increase one's awareness about why we have the problems we do and how to heal them, all whilst living a more healthy and sustainable life. They provide a brief snapshot of the more complicated topics and issues.

Firstly, consider discovering the truth of your emotional pain through Feeling Healing. Secondly, consider longing for our Heavenly Parents' Love as you progress with your healing. Primary and most important readings are the writings of James Moncrief. Then consider the Padgett Messages, and then The Urantia Book.
