PASCAS INTRODUCTION:

Documents assembled by Pascas are provided for your individual assessment and exploration. The contents are sourced from a variety of avenues and publications. Every endeavour is made to determine that the contents are of the highest level of truth and veracity. At all times we ask that you go within yourself, to ascertain for yourself, how the contents resonate with you.

Pascas provides these notes and observations to assist us all in the development and growth of our own pathways and consciousness. Pascas does not hold these contents as dogma. Pascas is about “looking within oneself”. Much of what we are observing is new to most readers and thus you will take on board that which resonates with you. Further, you may investigate those items of interest and discard those which do not feel appropriate to you.

Kinesiology muscle testing, was developed by Dr. David R. Hawkins and quantified by his Map of Consciousness (MoC) table. MoC has been used to ascertain the possible level of the truth of documents. Such tested calibration levels appear within the document. We ask that you consider testing same for yourself. The technique and process is outlined within Pascas documents, such as Pascas Care – Energy Level of Food. From each person’s perspective, results may vary somewhat. The calibration is offered as a guide only and another tool to assist in considering the possibilities. In contrast, consider using the MoC technique to test the level of truth in your local daily newspaper.

The contents herein are not to be interpreted as an independent guide to self-healing. The information researched here and any information provided in this document should not be considered in lieu of consultation with your own physician, doctor, or other health care professionals. Pascas, nor anyone associated with this document, does not assume any responsibility whatsoever for the results of any application or use of any process, technique, compound or potion as described within this document.

Sources for these contents are noted throughout the document. In doing so, we acknowledge the importance of these sources and encourage our readers to consider further acknowledgement of these sources as necessary. Should we have infringed upon a copyright pertaining to content, graphics and or pictures, we sincerely apologize. In such cases, we will endeavour to make the appropriate notations within the documents that we have assembled as a service via our not for profit arm, to our interested community.

We offer all contents in love and with the fullness of grace, which is intended to flow to readers who join us upon this fascinating journey throughout this incredible changing era we are all experiencing.

Living Feelings First, *John.*

“Never can one man do more for another man than by making it known of the availability of the Feeling Healing process and Divine Love.” JD

DIVINE LOVE WAY or the NATURAL LOVE WAY:

Without embracing Feeling Healing process and receiving Divine Love, the Love of our Mother and Father, our progression is totally dependent upon our own personal endeavours and capabilities.

We are all blessed with natural love, which is the essence of our soul. To develop ourselves to that of being the perfect man is a slow and persistent application of our own attributes and will power, the time required to achieve such perfection may take many centuries of dedication, and even then we only become the perfected being fitted for the 6th sphere of the natural love spheres. We cannot progress any further without embracing Feeling Healing and the Love of our Mother and Father, the Divine Love.

Once we recognise the availability of our Mother and Father's Love and begin to ask for and receive it, our progression begins to escalate exponentially. Further, with the Love we can become fitted to enter the Celestial Heavens, the first of which is the 8th sphere in progression. We can progress through the Celestial Heavens into the Eternal Spheres and then on into the Spheres of Paradise.

Accounts of spirit people who's condition have been so poor to fit them only for the hells, namely the Planes of Disharmony, show that even they can progress from the lowest of conditions to being within the Celestial Heavens, way above the highest sphere of the Natural Love spheres, within or around three or so years. Accounts of spirit people follow. Some achievements have been:

James Padgett entered the Celestial Heavens within 28 months of his passing.

Helen Padgett was in the Celestial Heavens within 12 months of passing.

Nita Padgett progressed from low 1st sphere to Celestial Heavens within 24 months of passing.

Kevin Cooper died 10 August 2012, through Feeling Healing became Celestial on 7 August 2017.

Bradley Cooper, son of Kevin, suicided on 21 September 1999 and early April 2018, became Celestial.

Emperor Nero progressed out of the low hells to Celestial Heavens by receiving Divine Love.

Emperor Julius Caesar moved from the hells to 3rd sphere within 19 months from receiving the Love.

George Butler progressed from the hells to the 3rd sphere within 38 months by receiving the Love.

President Grover Cleveland moved from dark spheres / hells to 3rd sphere in 20 months with Love.

President John F Kennedy achieved Celestial status following 15 years of Feeling Healing process.

R. Ross Perry progressed from the hells to 3rd sphere over 30 months by receiving the Love.

It is only the Love, with Feeling Healing, that forgives sin, dissolves the errors and fits a person for a higher habitat. Man, left to his own devices, can require many centuries to grow and then cannot enter the Celestial Heavens.

Man, can know and knows God only because he possesses a soul, and he can never know God if he seeks Him intellectually and with his mind alone. Doubt and speculation is a product of the mind, but faith is a product of the soul and we know that God exists through our soul perceptions, so that we can create the spiritual link with God through prayer. Not a mental prayer, but a prayer that comes from man's soul – earnest, sincere, full of longing, faith and love.

Quantum Jump 1

REVELATION 1
James Padgett 1914 – 1923

James Padgett bravely introduced the availability of the Mother and Father's Divine Love and a great deal of additional guidance and information, all of which has been supplemented by Samuels, Judas, Reid and Arnold. All writers were under restrictions of personality and circumstances. Revelation 1 opened the door for humanity.

Quantum Jump 2

REVELATION 2
Marion and James Moncrief 2002
– ongoing

Marion and James Moncrief have recognised the need for one to engage in Feeling Healing and, by their actions, removed restrictions that James Padgett and others above endured, thus JM is able to critique the writings of the past 100 years resolving points of confusion as well as expand on what has been written. Revelation 2 is humanity's turning point.

Due to the extra-ordinary nature of Revelations 1 and 2, humanity with the first Revelation would have continued on into its negative pathway of living, however, combining the first Revelation with Revelation two, now humanity can embrace this turning point and commence its evolutionary growth that has required two thousand years to put in place. This is the greatest event in the history of humanity and very few are aware of such, until we enable others to become aware.

PSYCHIC BARRIERS MAINTAINING the REBELLION and DEFAULT are CRACKED!

The hounds of the Rebellion and Default have fallen, the psychic barriers have forever been cracked. The sheeple, the mice of humanity, now have the freedom to evolve through Feeling Healing and Divine Love.

Things are pushing ahead, we're working them from our side, and more so every day now. Many of the soulgroups involved in this are getting a feel for what it is they are to do and how they are to do it. So the barriers are giving way on multiple fronts.

There are actually barriers preventing people and humanity as a whole moving deeper into the wrongness, just as there are barriers preventing people and humanity moving out of it. It's all very tightly controlled, the Evil Ones put in a vast amount of controls and on all levels, which, unless you are shown by those spirits who can see them, such as the Melchizedeks, you'd never be aware of them.

So the cracks are appearing as the Divine Love Healing worlds start to 'descend' onto Earth – into the physical. For that's what is going to happen, the Divine Love Healing worlds, from the first introductory sectors on Mansion World one, to the truth of all the three main Healing worlds, being lived by people living them whilst on Earth. All to give rise ultimately to Celestials on Earth. That's what our goal is, to have people living on Earth who have fully Healed themselves.

**PSYCHIC
BARRIERS
CRACKED**

JAMES PADGETT MONCRIEF **REVELATIONS** 1 Commenced 1914
2 Completed 2014

1 Divine Love addresses the issues of the Rebellion.

The availability of Divine Love, should we so ask for it, being revelation 1:

God's Divine Love: Pray for it, ask for it, and receive it.

Whilst we are receiving our Heavenly Parent's Divine Love, and that this Love is causing change within our soul and spirit attributes, the greatest Truth known to man and spirit is that this is the way our Mother and Father are actually loving us! When we progress, it is the Mother and Father's way of loving us into love and then we live what we are, love.

2 Feeling Healing addresses the issues of the Default.

The way to clear one's soul of childhood errors and injuries is revelation 2:

To liberate one's real self, one's will, being one's soul, is begun by embracing Feeling Healing, so as to clear emotional injuries and errors. With the Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

Release one's pain through expressing one's feelings.

in conjunction with

Longing for the Truth when also longing for Divine Love.

REVELATIONS

Revelation 1: Our soul becomes encrusted with harmful ways of life, plus negative and erroneous beliefs, these mainly stem from our childhood upbringing and environment. Thus we live untrue to ourselves, we become 'evil'. Whilst we hold to these injuries we limit the amount of Love that we can receive into our soul. To open our soul to the Love we are to feel and go with our emotional injuries and express them to release them. Until we emotionally experience past errors and injuries we hold onto them.

To free our soul of damage and toxic emotions we must open ourselves to experiencing them. This is a progressive, slow and uncomfortable cleansing process that we must all experience. Only by addressing the generational injuries will we, as humanity, evolve in love.

To fully divest one's self of our badness, we have to 'go into' our feelings. Call this process of clearing toxic emotions as 'Letting Go', 'Emotional Processing', 'Journey Process' or 'Feeling Healing'. Embracing Divine Love then Feeling Healing becomes Soul Healing.

As part of our Feeling-Healing we will have to work our way into all our feelings to see if indeed they are coming truly from our heart and soul, or if they are being heavily influenced by our mind. And this will then lead us into questioning and uncovering the truth, if there is any, to our beliefs and why we behave the way we do; and is such behaviour based on truth, or is it based once again on untruth, belief, and rules of our mind.

Revelation 2: We can long for, ask for and receive the Mother and Father's Divine Love. The greater our soul is free of error and injury, the more of the Divine Love can be received and assimilated into our natural love formed soul. The Love does not free us of injury, however, it strengthens our resolve to continue on our journey to be free of error and injury, to step away from evil aspects that have been encapsulated within our humanness and soul. It is this Love, the Divine Love, that brings about immortality of our soul and it is this Love that will eventually fit us to enter the Celestial Heavens and progress for ever more onwards to Paradise. These two revelations free us from error and enable us to grow in love ever more.

Immortality with the Love.

FEELING HEALING + SOUL HEALING

To heal one's self is to simply look to see what feelings we are refusing to let ourself feel, and accept them instead of denying them. And to fully accept them, one needs to express them, speak about them, let them have their say, rather than pushing them aside, refusing to let them make you feel bad.

Doing this all with the intention of seeking the truth of why you are feeling them, of speaking about and expressing all such feelings; all feelings you have, but ALL WITH the INTENTION of UNCOVERING the TRUTH THEY WANT YOU TO SEE ABOUT YOURSELF. And it's the wanting to see the truth of them that is very important, because if you just look to accept them and speak and express them, but not seek their truth, then that's all you'll be doing, speaking and expressing them, but not healing their causes, so not fixing the things within you that are making you feel bad. And it's the truth part of it, seeking the truth of your feelings, and so, seeking the truth through your feelings, that's vitally important. It's the truth of yourself, life, nature and God, that is the spiritual aspect to it all.

You CAN'T find the truth of yourself, or anything else, through and with only your mind. You HAVE to engage and look to your feelings. And so if you choose to allow your feelings to 'Show You the Way', then the truth will come as you express them. So to do our Soul-Healing consists of these steps, all of which are ongoing until it's done:

- **Admit you are feeling bad.**
- **Accept your bad feelings, identify what they are.**
- **Honour fully your bad feelings by expressing them, speaking about them to someone who is willing to hear you talk about them, or tell them out loud to our Heavenly Parents. Long for the truth of them. Long for the truth of why you feel bad – what deep within you is causing your bad feelings?**
- **And remember, bad feelings are Good! Not bad. They are not to be despised. And as hard as it is to accept them, they are still you, and a very real part of you. And if you persist in denying them and not allowing yourself to fully live them, then you are only going to keep yourself in your errors making things harder for yourself.**
- **All sickness and suffering, all bad things that happen to you, all your problems, all your addictions – your whole feeling-denying and untrue life, is all caused by your denial of bad feelings.**
- **Every problem in the world is brought about because everyone has been brought up to deny feelings, and in particular, most of their bad ones.**

If one is intent on spiritually evolving and growing in truth, then it's vital, and this is the key, that one looks to use one's feelings as the means to gain and have access to the truth of oneself. You CAN'T find the truth of yourself or anything else through and with only your mind. You HAVE to engage and look to your feelings. And so if you choose to allow your feelings to 'Show You the Way', then the truth will come as you express them.

Doing your Soul-Healing with the Divine Love, is really doing your 'Feeling-Healing'. We are designed — created — to be self-revealing of truth, and so we are all to uncover the truth within ourselves and for ourselves, and all being done by living true to our feelings. **If you accept, express and seek the truth of your feelings, then truth will come to you, and you'll grow spiritually. It's as easy as that. Also it is as easy as it is to long for, ask for and receive Divine Love.**

Feeling bad is Good! It's okay to feel bad.

Feeling bad is good.
 Feeling bad is GOOD!
 It's not bad to feel bad – it's good.
 FEELING BAD IS GOOD!
 Very good!!!

And feeling really bad is also good.
 And feeling worse is even better.
 It's all very good!

It's okay to feel bad.
 Bad feelings are okay.
 It's good to feel bad.
 Bad feelings are GOOD!

It's good to feel bad about feeling bad.
 Your bad feelings are YOUR feelings.
 YOUR bad feelings have a right.
 A right to exist.
 A right for you to feel them.

Your bad feelings are a part of you.
 Bad feelings are good and they are your feelings!
 ACCEPT THEM!

It's okay to feel bad, there is nothing wrong with feeling bad.
 You might not like feeling bad, but it's okay to feel bad.
 You are allowed to feel bad. Give yourself permission to feel bad.
 Bad feelings shouldn't be dismissed.
 Bad feelings already feel unwanted, why make them feel more rejected?
 You are your bad feelings – if you reject them, you are rejecting yourself.
 Why are you rejecting yourself? Why are you rejecting your bad feelings?
 Is this how you want to live – rejecting a natural part of yourself?
 Is this how you want to live, rejecting your bad feelings?

Feeling bad is normal. We all feel bad. We all feel bad a lot of the time, even if we won't admit it, or even if we're not aware of it.
 There are many bad feelings, all sorts of different bad feelings, and they are a normal part of you – of everyday life.

Bad feelings – your bad feelings – are to be welcomed. Bad feelings are to be wanted. Bad feelings are to be accepted.
Bad feelings are to be loved.

If you ignore or deny or dismiss or reject your bad feelings, what are you really doing? Denying, dismissing, rejecting yourself. Is this what you want to do? Because if you do, you'll only make yourself feel even worse.

You are your bad feelings – Your bad feelings are you.
Bad feelings have just as much right to life as good feelings.

Be true to your bad feelings – acknowledge, honour and accept them!
Accept your feelings.
Accept yourself.

So Remember:

Feeling bad is Good! Accept your bad feelings.

The full acceptance of your bad feelings, and the seeing of the truth they are trying to show you, comes from having expressed – spoken – about them. And speaking about them to someone who cares about you: a friend.

As you vent your feelings, the pent up ‘bad’ energy goes, often leaving you with the understanding of what they are all about: why you are feeling them. And once you understand and know this truth, then you are healed and free of them.

As young children we were all stopped from freely and fully expressing all our bad feelings. Things were done to us, we were forced to behave in ways we didn't want to, all of which made us feel bad. But we couldn't complain about how unjustly we were being treated. We tried, but often only to be met with harsher rejection treatment.

As adults we still have all this bad treatment going on within us. We formed patterns when we were young based around all the negative unloving parenting we had. And now being unconscious of these patterns we still (also unconsciously) expect bad things to happen to us to make us feel bad – and to feel just as bad as we did back then. And so bad things do happen. And we do feel bad.

So as an adult, we are experiencing life in the moment now as the adult, together with all we felt back when we were young, only we are unaware of it. Something will make us feel bad, and on the surface of it we might know why we are feeling bad, yet underneath, deeper within us, it will key into and trigger repressed bad feelings making us feel even worse in the situation than we might have otherwise felt.

So in doing our Feeling-Healing: healing our repressed childhood bad feelings through the feeling-

experiences of our current adult life, we need to use every bad feeling to help take us back 'down' inside ourselves, to connect with what made us feel the same bad feeling when we were young.

We are our bad feelings, and like them, WE ARE STILL WAITING TO BE HEARD.

The honouring, accepting and expressing of our bad feelings is our attempt to speak up and finally be listened to: to be accepted and loved – not rejected. And as an adult we can now do this, whereas, a child we could not.

And so if you no longer want to feel bad then through complete self-acceptance is the ONLY way to heal yourself – allowing yourself to feel as bad as you do feel. If you don't feel good about anything in your life or about anything to do with yourself – if you have one bad feeling at all, that feeling or bad thing will somehow be connected all the way through you to your early childhood. And so simply, if you feel bad about anything, if you are sick or don't like any aspect of yourself or your life, it's all because of how you were treated during your early childhood, and it's still going on deep within you. Your childhood has ended but the resulting mental and will patterns that dictate to a high degree your emotional and feeling state are all still in existence, still unconsciously controlling you. And because you are denying yourself the knowledge of these patterns, so too are you denying yourself the resulting feelings from them – all your bad feelings.

When you see the truth, the whole truth of your negative self-denial state, then with your will you can stop living in rebellion against yourself and choose to live positively. And in that choice you are healed.

The aim of Feeling-Healing

The real aim of doing your feeling-healing is to perfect your relationship with yourself, with others, with nature, and in the end, with God.

Until we are living true to all our feelings and living wanting to grow in truth from our feeling experiences, we can't live a perfect relationship. If we live denying any part of our self we can't have true relationships.

Until we accept all of those parts of us we're denying, and understand why and how our denial came about, we can't live as our soul desires us to, as we have been created to live.

And when we do honour all our feelings and live the truth revealed by them, then naturally without any effort or mind control we'll just be perfect.

Many people try to seek God, try to understand the Greatest of all Mysteries before they try to understand themselves. We will never be able to understand or relate properly to God until we can understand and relate properly to ourselves. We come first. We have to learn how to fully honour and totally accept ourselves and then we can move out into the world and greater universe.

We are to be true to our soul by living true to our feelings.

To want to live true; true to how you feel, is to want to be perfect.
And your feelings are the way.

LOVE
is
Feelings First Spirituality, The New Way

Feelings First Spirituality, The New Way is a contemporary ‘religion’ based on living true to yourself through your feelings. Understanding that all you need in life is contained within your soul and is shown to you through your feelings. And by loving your feelings, by attending to them properly (talking or writing them out of you) and not denying them, you can use them to uncover the truth of yourself – the truth of your soul.

Feelings First Spirituality is not a formalised religion that tells you how to be, that is too controlling and is actually bad for you, limiting your spiritual growth. You can be wholly self-revealing of the truths you need to be, being the person God created you to be, all by living true to your feelings.

Feelings First Spirituality has no formal structure because we understand we don't need one, our soul contains within it all the truth of our spiritual ascent. If we look to our feelings for the truth they want us to see about ourselves, nature and God, then what more do we need! Our true spiritual path is the path our feelings will lead us down, that is, provided we allow them to. This is the most spiritual we can be.

Living the New Way of Feelings First Spirituality

You come to the understanding from your life experiences that how you are is not right, it doesn't make you feel good – that you are wrong in some way. And you want to change yourself, you want to become right, true and perfect – you want to be like God is.

And to do this you need to do your Healing

Your Feeling-Healing is looking to your feelings for the truth of yourself, the truth being hidden in many of the feelings you are not wanting to face in life. So you have to end your feeling denial, accepting all your bad feelings (and good ones), express them (yet not necessarily acting upon them), whilst longing to uncover the truth they are to show you.

Or, you can do your Soul-Healing, which is your Feeling-Healing together with including longing directly to God for God's Divine Love. When you receive the Divine Love into your soul, it will cause your soul to become divine, and it will deepen your personal relationship with God. Long with all your heart to God for God's Divine Love.

Feelings First Spirituality **The New Way**

By living true to ourselves, true to our feelings, we are living true to God. It's that simple.

Prayers to our Mother and Father

From 'Religion of Feelings' by James Moncrief

Please Mother and Father help me accept my untrue state and bring up all my repressed feelings so I can see the full truth of why I feel so unloved and all that's wrong with me.

Please Mother and Father help me see the truth of myself through my feelings.

Please my beloved Heavenly Parents, fill my soul with Your Divine Love. I long for Your Divine Love; please answer my prayer and yearning to be at-one with You and do Your Will by living true to myself and all my feelings. Please fill my heart and soul with Your Divine Love – please make my soul like Yours – Divine.

Please Mother and Father, I want to uncover the whole truth of myself through my feelings. I want to be able to feel and accept just how bad I am, how bad I feel I am, how bad I've been in my life. I want to know the whole ugly truth of myself, see it and feel it and understand how I came to be it. Please reveal to me through my feelings all the truth of myself You want me to see. I want to be as You want me to be; I want to be true and perfect, Healed of all my rebelliousness and self- and feeling-denial; I want to be good, loving, true and happy, please help me become true to myself, true to my soul, true to You.

Please Mother and Father help me, I'm in such bad pain, I feel so alone, so miserable, so scared, what's going to become of me, I don't understand, what's the point of me, why have You made me; please help me see the truth of myself – all the truths of myself, nature, how to be in the world, of You both. I want to know, I want to know it all through my feelings, all that there is to see, the whole truth and nothing but the truth. Please help all my pain come to the surface of me so I can embrace and accept and express it out of me. I want to use my feelings to uncover the truth they are to show me; please help me to do that.

Please Mother and Father love me. I want You to love me. I want to feel fully loved by You. I don't want anything else, only to be with You. Please, that is all I am asking.

Please make me feel how unloving I am. Please show me the horrible truth that I am. I want to see and feel and understand the worst of me, please take me into my darkest scariest ugliest unwanted rejected places within myself. I don't want to feel all the dreadful pain that I know is there locked away inside me, yet I do also want it all to come up and out of me, and I want to use it to see the truth of my wrongness, the truth of how evil I am, the truth of my fucked up state. I no longer want to be false, pretending I am okay, using my mind to make me falsely believe I am good, happy, loved and loving, when I know I'm not. For how can I be when You've brought me into my unloving state, making me be of it. And as You want me to experience being this negative way, please show me the whole truth of it. I no longer want to deny any part of myself, or any of my bad feelings. I want them all to come up so I can express them, emoting their pain, feeling how bad You've made me feel all my life and all through my early life; I want to see why, and so reveal all the truth to myself. I want to be the living truth of myself, living true to my feelings and the truth they give rise to. Please help me to do my Healing, and please fill my soul with Your Divine Love.

The mind way is the 'dead' way; the feelings way is the 'alive' way.

Examples of some prayers to God:

From 'Feeling Healing' by James Moncrief

Please God show me the truth of myself through my feelings.

Please help me see the truth about myself You want me to see.

And please help me feel all my repressed pain; please bring up all my bad feelings so I can express them and see what it is they are to show me about myself, my life, and You.

And please help me work through my blocks, I want to Heal myself, I want to become true to myself and true to my feelings and true to You – please help me do that.

Heavenly Mother and Father, I feel so bad, and I know I'm doing it to myself, but I can't help it. I can't stop my compulsive addictions, so will you please bring up the buried feelings in me and show me the reasons why I can't stop. Please! I want to know – I REALLY WANT TO KNOW why I do them. Please help me Mother and Father to uncover the truth of myself. Please, I beg you, please, please, please show me the truth of them so I can give them up. I hate feeling bad, yet I know I must so I can keep expressing my bad feelings to see the truth You want me to see, so please help me feel bad.

Please Mother and Father fill my heart and soul with Your Divine Love. Please give me Your Love. Please love me and make me feel loved by You. I want to feel You close to me, I want You to hold me, make me feel loved by You. I only want You and to do Your Will. Please help me bring up all my repressed feelings so I can express them and uncover their truth. Please help me do my Healing. Please give me Your Love.

I hate you Mother and Father; why have You given me such a shit awful life? I hate myself, I hate You, I hate everything about my life. I feel so bad all the time. I've expressed so many bad feelings and still I feel bad. It's not fair, it's not fair what You've done to me. I hate You! And I want You to help me Heal myself, so I can stop feeling bad. You put me in the shit for whatever reasons, and I want You now to help me get out of it and show me what it's all been about. Please help me to Heal myself so I no longer hate You.

I long for Your Divine Love Mother and Father. Please fill my soul with it. And please help me uncover the truth of myself through my feelings. I want to see it all! And please make it all end, I'm so tired of always feeling so bad, please take all my bad feelings away by making me feel them and showing me the truth I am to see.

FEEL *for* TRUTH

The beauty of it all, is the truth comes to you through your own feelings. You don't need to be told it by anyone. You can work it all out for yourself. We are self-revealing of truth, it's how God created us to be, and by being it we'll feel the happiest we can feel. Truth is our great comforter, so when you feel it come up within you, ah it feels so good and you feel just right – perfect!

We know only how to deny feelings, now we can get to know how to accept them. And always with the truth being the most important part.

FEELING TRUTH

If you don't want to uncover the truth of your feelings, then you can keep on expressing them forever but you will never fully heal yourself. Seeing the truth results in the Healing. And to see the truth you need to express all the pain out of you. The two things go hand in hand.

You can accept and express your bad feelings, letting off steam all day long, yet nothing will heal and nothing much will come of it. So this is where wanting your feelings to show you the truth of why you're feeling as you are is so important.

Don't go fishing with your mind, that will shut the truth out from rising up for you. **KEEP YOUR MIND OUT OF IT.** It's a feeling thing, doing your Feeling-Healing. (This is where we erred previously, and this how other modalities are in error.)

You long when you can, then stop longing and keep expressing. And at some point, and it might not even happen immediately, it might happen after days or weeks of expressing the same bad feelings, truth will come to you. And it does, it just comes up suddenly into your consciousness. You just know. You see the picture and you feel it's true. And you know it's true. And THEN your mind can come in and start sorting it out and putting in context.

It's the Truth that we are seeking. It's the End Point. The Reason for doing your Healing. You are to see the whole Truth of yourself. And to begin with, that's the whole truth of your unloving self, of your wrongness, of your evilness, of why you are as you are in your negative unloving mind-controlling state. To be able to fully accept yourself as you are, warts and all. To not fight or resist or try and change yourself, just to accept all you feel and all the truth of all those bad feelings you feel about yourself. And when you do, so you will be healed. You CAN'T heal yourself unless you uncover the truth of your pain, suffering and so the truth of all your bad feelings.

Through our Feeling-Healing we long for the truth of what we're feeling whenever we can. So as often as you can. You want, and REALLY WANT WITH ALL YOUR BEING, ALL YOUR WILL, to know why you are feeling bad. You yearn, want, long and beg and beg and BEG God to show you the truth of yourself through your feelings. So when you are expressing your bad feelings you can stop and long for the truth to show you what's going on, why do you feel so bad, and you can do it any time you think of it or feel to do it.

Notes from 'Feeling Healing' by James Moncrief

Heartfelt TRUTH

Our FEELINGS are our SUPREME GUIDES:

Feelings!

Feelings are what guide us through our ascension of truth. So they are really our Supreme Guides. Many people look for a person, spirit, angel, even God, for supreme guidance, however it's all right there already built in – in our feelings. We just have to submit to them, allowing them to take us where they will, expressing all the parts we want to express, letting the emotion drive that expression if it's there to be expressed, or just talking about all we feel and how feeling that feeling is making us feel – or, how we feel about having that feeling, all whilst longing for the truth of our feelings. Longing for the truth of our feelings is really: Longing for the truth of our self, because: we are our feelings. So life stirs up our feelings, we feel being alive; or, being alive means we are feeling, always feeling; and when we work out what and why we are feeling what we are, so then we know the truth of how we are. And over time the truth accumulates, and our mind expands our understanding of ourselves, all being driven from our feelings.

Kevin 26 Sep 2017

Using our feelings to uncover the whole truth of our negative or anti truth and anti love state.

Kevin: So whilst we're of an untrue state, then all we have got to help us understand why we feel bad, why we are wrong, why we are negative and anti love and truth, is our feelings. So if we focus on our bad feelings, they will lead us to the truth of why we're feeling bad. Which will be the truth of what happened to us to make us be this wrong way, and how we took on the wrong way and keep it going making us feel bad.

FEELING HEALING

Note: The vital difference between emotion and feeling is that emotions have their roots in the past, and feelings relate to the present moment. Emotions represent our feelings which were not previously expressed, and these accumulate with time.

Note: Our feelings are soul-based. Our soul is always in truth. It is our soul based feelings, that when allowed to be freely recognised, we will begin to express and be who we are. This takes time and perseverance as we have encrusted our souls with layers upon layers of errors and false beliefs, it is these layers that will confuse the truth that our soul is conveying to us. Only by our progression with our Feeling Healing will our soul's expression of truth become clear and free of all cloudiness and contamination.

“What our soul needs in accordance with our own, individual, **Soul-Light-Plan-Of-Destiny** (your life's true destiny plan), They, being our Mother and Father, will give you as required. The only way we can know truly what we need is to honour and follow our true feelings. They, springing from our soul, literally telling us what we need, and so when we genuinely feel we need something, we apply our will to get it. The hard part is knowing if our feelings are true, and until we have done our whole soul-healing, they won't be clear and totally true.” James – Introduction Course to Divine Love Spirituality

The New Way, Feelings First Spirituality
 Learn to live with God through your Feelings

Accept, express and long for the truth of your feelings

Be free in your feelings
 Free your feelings from your mind's control
 Live true to your feelings; your feelings are your true self
 Live true to yourself through your feelings

Live true to yourself by living true to your feelings.
 Long for the truth of your feelings.

Accept / Express / Bring out ALL of your good, and most importantly,
 BAD feelings.
 Want to understand why you're feeling them.
 Use your surface feelings to take you deeper into your repressed and
 hidden feelings.

The Feeling Way is the True Way.
Your feelings are your spiritual guide.
Your feelings will take you to God.

Your feelings will show you the truth of your relationships, including your relationship with God; and if anything is wrong, untrue and unloving, then why it is.

Our feelings are sacrosanct and we should respect them accordingly. And we should NEVER block them out, ignore, override, banish, deny or reject them, because if we do, we're only doing that to ourselves, as Our Feelings Are Our Self.

Our feelings are the gateway to our soul. Our feelings are the closest we can get to our soul. Knowing the truth of our feelings is knowing the truth of our soul, and knowing the truth of God.

Feelings First Spirituality is the True path for humanity.

It embraces all people.

It completely unifies the world.

Everyone can relate to everyone else through their feelings.

And we can all live the truth that comes from our feelings, all sharing the same truths as we express and have the same feelings.

No one need be left out; no one is more special than anyone else – we are all united in Truth through our feelings.

So with and through our truth we live our lives, therefore without the need of any man-made mind-laws, rules and restrictions that limit self-expression as inspired by our feelings.

The New Way, Feelings First Spirituality is what is to replace all man-made, mind-contrived religions that so many people have enslaved themselves to. The New Way, Feelings First Spirituality will set us free of all that control, ending the Rebellion and Default within ourselves as we do our Feeling-Healing, and ending such control and spiritual stagnation in the world.

Bring on the End Times – get it over and done with! Let's all see that Jesus is not going to come again, that Prophecy has failed all the mind-controlled platforms. Allow such false systems of belief to die their long-awaited natural death, they've overstayed their welcome, it's now time they fade away. So let us show such antiquated, erroneous systems of belief the exit and bring on the fresh liberation of discovering the truth of how we are to live for ourselves, each of us personally in our lives, and all by looking to our own feelings for it. Self-revelation through our feelings is the way to go.

The Way of the Mind is ending, and is really the End Times – the End of our mind control, and **it's about time!** With the Way of our Feelings replacing it.

The End Times means the end and therefore a New Beginning. And that new beginning is a whole new Spiritual Age – an age based on self-revelation of truth through one's feelings, coupled with and supported by higher revelations from the Celestial spirits, angels and nature spirits.

The Feelings First Spirituality is the True Way to God because it helps you get to know God, helping you to reach out, connect and be personal with God, and do God's Will, all through your feelings. It is the only true way of getting to know the God of Feelings – our beloved Heavenly Mother and Father, the Great Soul of Divine Love.

Love comes through our feelings and not our mind, as we've all been wrongly led to believe.

Feelings First; then comes The Truth; then comes Love.

Celestial Truth:

Truly all-loving;
 Living true to oneself;
 Mind supporting Feelings;
 Living with the Divine Love;
 Fully Healed of the Rebellion and Default.

THE FEELING WAY

Feeling – Ascendance
 Unlimited progression

- Living true to your untruth;
- Honouring all your bad feelings;
- Expressing feelings to uncover their truth;
- Healing the Rebellion and Default within yourself;
- Feeling unloved; being unloving;
- Feeling as bad as you can feel;
- Feeling like you are no one special;
- Longing for the Divine Love.

THE MIND WAY

Mind – Transcendence
 Limited progression

- Enlightenment, Nirvana, feeling all-loving;
- All false, mind-contrived. Anti-truth, anti-love;
- Still evolving the Rebellion and Default within yourself;
- Feeling and believing you are the Superior One;
- Living with your mind in control of your feelings;
- Living rejecting all your bad feelings;
- Living with your mind contriving you feel loved;
- Rejecting the Divine Love.

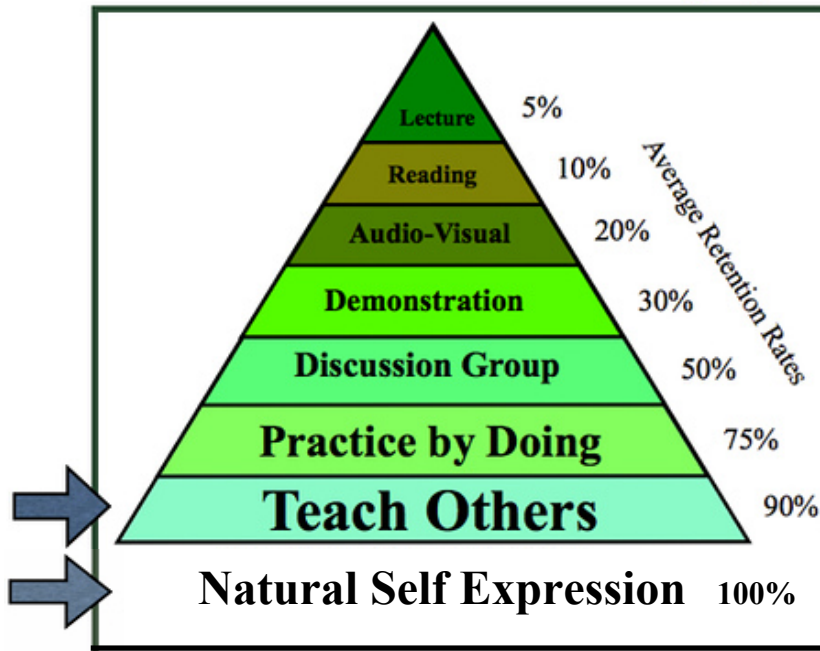

All religions, New Age, agnostic,
 atheists, no spiritual interest,
 Living the Rebellion and Default.

Hell:
 Exploiting the Rebellion and Default.

The Feelings are the doer; the Mind the teller. So we are to go with our feelings, which we can't be told to do with our mind. So the longing for the Divine Love, doing our Healing by expressing our feelings and longing for their truth, are all feelings and doing it with longing. Whereas the mind just wants to tell us what to do and how to be, no feelings in it, all how our parents have treated us.

LIVE FEELINGS FIRST

FEELINGS FIRST For Kids

WE are meant to grow up LIVING FULLY CONNECTED to our FEELINGS:

Humanity has always had an awareness and involvement with spirits, with life on the other side, because we are all heading that way, we all end up dying and becoming one of the spirits, and were humanity living rebellion-free, then nearly everyone would enjoy some level of spirit involvement either directly or indirectly, loving such an expansive awareness in life.

We are meant to grow up living fully connected with our feelings in our physical reality, and at the same time with full feeling awareness of spirits and life after death, because after all, God is the greatest Spirit of us all.

And so having an awareness and involvement with spirits can, and should, help us have more of an awareness with our Mother and Father. And it's not with just spirits, it's also with the angels who are with us all the time, and the nature spirits should we be open to them, and even higher spirits if we are to work with them, such as the Melchizedeks or Trinity Teacher Pairs. But mostly for those people involved with the Divine Love, it will be with the Celestials spirit group that is assigned to help them.

It is very important to understand that spirits and spirit life is meant to be part of life on Earth. However that's not to say everyone need to have an ongoing relationship with their spirit friends, but they can at least still be aware of spirits and spirit life and where we will be going and something about what to expect once we die. And when you are open to it, lessening the grip of one's fears about it, then we will find it will be just another aspect or level of life, and one that can give us quite a lot of comfort.

TRUTH LOVING SOUL V ERROR INFLICTED MIND

**Feeling
Healing with
Divine Love is
the key!**

To liberate one's real self, one's will, being one's soul, is by embracing Feeling Healing so to clear emotional injuries and errors. With the Divine Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

FEELING HEALING and the EFFECTIVENESS of EMOTIONAL PROCESSING:

Hi James and Nanna Beth (questions in blue by John)

Thursday, 13 July 2017

The question to address is:

What is different with the outlines of the Feeling Healing process as against the numerous other emotional processing methods?

Nanna Beth: The difference is the focus on the truth: uncovering the truth of yourself through your feelings – uncovering the truth of your feelings. It's a rebellion against the Truth, so if one doesn't want the truth, nothing will happen, one will only move deeper into one's rebellion against it. And because the focus is on the Truth, so one can use it all the way to uncover the Whole Truth of Oneself. And there is nothing else teaching that.

All the other systems that involve looking to feelings to some degree fail to understand the deeper significance of wanting the Truth. Many people uncover some truth of themselves through their feelings, but mostly they end the process because they don't want to follow it right the way through, which means they only want to heal some momentary pain, and once that is done, are usually happy to continue on in their untrue state.

And because one is wanting to uncover the whole truth of oneself, then it becomes a full spiritual experience, and one that can be done by oneself, so without needing help from another, although at times help is sought and used. So the Feeling Healing embraces Healing the whole seven Mansion Worlds worth of self- and feeling-denial, which is the complete Rebellion and Default. Other systems might only work at some aspect of it, limiting the ascent of truth through all the Mansion Worlds.

And basically no one understands the absolute depth of the problem within themselves, which is only borne out by people and spirits doing their whole Healing. Much of the current psychological understanding falls well short of understanding the depths that are involved because they don't include the overall problems brought about by the Rebellion and Default. You have to understand you are rebelling against yourself: the truth of yourself, and so against your own soul; which is then the truth of God, so the Mother and Father; and that also includes the truth of Mary and Jesus. So at some point you have to rectify all those relationships, which you can't do unless you understand the bigger spiritual picture. And so that's what James has revealed, taking all Marion has said, all the books offer, adding his own stuff, and putting it all together as a way of life, a spirituality that can be lived, and one the initially focuses on Healing oneself of all one's wrongness.

Why have all other methods of releasing and delving into emotions not been successful?

Nanna Beth: Because they don't understand the scope of the problem, as I said above. They are not approaching it from the point of view of understanding the nature of one's Repressed Childhood state, the extent of that; and then how one needs to allow oneself to feel all the bad feelings, not reject them; and then bring them out, which is the releasing of them; all whilst wanting to know the truth of them – the truth of what you are feeling. And that truth is what needs to come up within you so you can heal your will and become a truly functioning person, fully self-expressive, self-loving, and growing continually in truth.

All the other systems work within the control of the mind, so once the therapy ends, the mind regains control albeit in a different way. Only the Feeling Healing and Soul Healing with the Divine Love, seeks to entirely break the control of the mind over one's feelings.

Why haven't other methods been going deep enough?

Because people are basically afraid to push into such early childhood trauma without understanding where they are going or what it's all about. The leap of faith is too great, as it would mean they would have to rise above and conquer the Rebellion and Default within themselves, and that's simply too much to ask. The negative truth-denying systems within everyone are too deeply entrenched.

However the spiritual structure outlined by James provides a structure that allows you to deal with the Rebellion and Default, allowing you to maintain your faith, and evolve it, as you progress in your growth of truth – it gives one a picture to work with. Very few people, and possibly only Marion in fact, are able to press on into such dark depths without any structure and with only a faith that it's what she and God want to do.

I (Beth) couldn't have done it Marion's way John, I wouldn't have allowed myself to feel such pain, I needed to understand the bigger-picture reasons as to why I was in such pain, and be given the understanding that if I kept at it, one day it would end. Marion doesn't know it will end, she just keeps going one bad feeling at a time, which requires a tremendous amount of faith and over so many years and through so many inner obstacles; and still she doesn't know if it will end, but as she says, there is nothing else she can do other than keep going because she tried everything else. And she doesn't want to let her mind come in, only wanting to stay true to her feelings, so she doesn't want to know about the bigger picture even though she has worked it out along the way for herself and for James to understand which he's worked into his books.

So the spiritual aspect or approach James has provided, even if it's not actually talked about; the simplicity of honouring your feelings, and in particular your bad ones, then by accepting them you allow them to have their say, so you express them, all whilst longing for the truth, includes all one needs to know. And so by doing that, one will be able to fully Heal themselves working it out along the way for themselves; and even if they don't understand it, will be living the highest truest spiritual life one can live in one's wrongness, which in time will lead to one's Healing of one's rebellion and default.

On the surface of it, what James has related seems overly simple, but doing it yourself, and see what happens and what results; and that will take one deep into oneself uncovering the whole truth of oneself.

Many will consider that what they have been doing is adequate – why are they wrong in their understandings?

Nanna Beth: Because they don't understand what it's really all about. They don't understand the mind is in control of their true feelings, and that needs to be stopped. They don't understand the significance of their rebellion against the Truth, and how that happened by default. They don't understand that it's about uncovering the whole truth of yourself through your feelings, all your feelings, but focusing to begin with on your bad ones because they are what most people don't want to see. Everyone else sees it that they are doing this feeling type healing to make themselves better, to rid themselves of their pain and trauma, so instead of taking a pill to take the pain away, they are using some sort of emotional clearing system. But that is all still to take the pain away, to fix themselves, to heal themselves, to

effectively take a pill so it all goes away, just like what the ‘Divine Love people’ hope the Divine Love will do for them, but it’s not to uncover the whole truth of themselves. We have to see the truth of our pain, why we’re in it, how it all came about, so what really went on in all our early relationships. It’s not about doing anything that just takes all our suffering away. We have suffered for valid reasons, which all have to come to light. And so only emotional and feeling accepting systems will help one see such truth of one’s pain and suffering are of any worth. And unless you uncover the whole truth of yourself, you’ll never set yourself free of your rebellion and default, of all your soul pain. And the truth means to see the whole truth of why you feel unloved, how unloving your early relationships were, why you don’t love yourself, why you are unloving, why you are evil and wrong, which basically no one wants to face.

So to summarise: We all have to see the truth of our unlovingness. We can’t avoid it – deny it. We have to face it and feel all it makes us feel. And all those bad feelings lead us into the truth of it. So we have to understand – bring to light through our feelings – all the truth of our unloved, negative, evil, wrong state. And then once we’ve done that, we can be free of it. So until you uncover and feel the whole truth of it, it will never leave you, you’ll remain in rebellion against yourself, you’ll continue to be unloving.

Firstly, consider discovering the truth of your emotional pain and injuries through Feeling Healing. Secondly, consider longing for our Heavenly Parents’ Love as you progress with your healing. Primary and most important readings are the writings of James Moncrief. Then consider the Padgett Messages, and then The Urantia Book.

LONG to KNOW the TRUTH of EACH INITIAL CHILDHOOD EMOTIONAL INJURY:

All emotional processing work address only the top layers over the core childhood repressed injury. None of the modalities reach down to the mother injury, the core of the suppression, thus what relief from such processes is only superficial and at best temporary. Yes, they do identify the underlying cause of the pain and illness, thus this assists in addressing the physical health issues at hand. However, we need to go further, much further.

To heal oneself is to simply look to see what feelings we are refusing ourselves to feel, and accept them instead of denying them. And to fully accept them, we need to express them, speak about them, let them have their say, rather than pushing them aside, refusing to let them make you feel bad.

Admit you are feeling bad. Accept your bad feelings, identify what they are. Honour fully your bad feelings by expressing them, speaking about them to someone who is willing to hear you talk about them, or tell them out loud to our Heavenly Parents. Long for the truth of them. Long for the truth of why you feel bad – what deep within you is causing your bad feelings? We must always reach to the core issue, that which occurred during our Childhood.

PROGRESSION of HELEN PADGETT:

Helen Padgett, the divorced wife of James Padgett, died 12th February 1914.

James Padgett lived in Washington D.C., and was a respected Lawyer of the day and it was in Washington that he received these messages from Spirit – the Padgett Messages. James Padgett lost his wife Helen in 12th February of 1914 and it was the loss of his wife and the love that he had for Helen that found him seeking input at a Séance, hoping that Helen would communicate a message of love for him. The medium confirmed and instructed James that he possessed the gift of automatic handwriting and that he could receive messages himself and so he set his heart to this new task at hand. Helen did succeed in delivering her first of many messages to James on the 31st of May, 1914 and together they completed an amazing and far-reaching Spiritual experience. There are many messages conveyed to James that are of a personal and intimate nature, and we as the reader are privileged to see how these messages unfold throughout this remarkable experience.

James Padgett opened the way for the transmission and receiving of spiritual truths which had not been available to mankind since the early part of the first century. His unexpected gift of automatic writing was only discovered shortly after the death of his wife. Between 1914 and 1923 James Padgett recorded, by automatic writing, some twenty five hundred messages, coming from two hundred and fifty spirit people, many of these spirits being from within the celestial spheres of the spirit world (8th sphere and higher).

It was not only that James was open to consider possibilities without closing of the information due to prior pre-conceived judgments and knowledge, but also his willingness to open himself to freely receive material from a vast array of spirit people. To receive spiritual truths from Celestial Spirits, James had to continually develop his soul condition by the earnest longing for, asking for and receiving of the Father's Love which was conveyed to James via the Holy Spirit, also referred to as the Spirit. However, even with receiving the Love progressively from the commencement of these teachings, the transmissions were frequently interrupted by worries that emanated from James' professional career as a lawyer. When one's mind is preoccupied with daily life issues, there is not the availability of focus by the mind to receive delicate communications from our spirit friends.

Further, as Lazarus pointed out on 21 September, 1916, James was not chosen for this work because of any merits of his own or superior mental endowments; but due to those conditions of attunements with him that enables James and the other spirits to use him in performing this work. Many mediums can tune into the frequency of a small range and therefore, a small group of spirit people, whereas James had no apparent difficulty in connecting to spirit people from within the highest Celestial Spheres all the way through the Natural Love Spheres and down into the Spheres of Disharmony – the hells.

Helen's apparent condition at her time of death may have fitted her for the higher plains of the 1st sphere or the lower planes of the 2nd sphere being a natural love sphere. She would not have had any intellectual knowledge of Divine Love nor apparently of its availability.

Received by James Padgett. Washington D.C.

December 9th, 1914

I am here, Helen. (wife of James E Padgett – Helen had died on 12th February 1914)

I am so very happy as you are loving me very much tonight, for I can see that your thoughts are with me so much more than of late; so let me continue to feel that you love me so much.

When I realized that the time had come for me to go, I did not fear to do so, but calmly waited and thought that all my sufferings would soon end. And when my spirit left the body I commenced to feel as if I was rising out of it and that I was going upward to the place that I had so often heard my father speak about. But I had scarcely awakened to the fact that my spirit had left the body, before your mother (Ann Padgett is James' mother and Ann Rollins is James' grandmother) had me in her arms and was trying to tell me that I had nothing to fear or cause me to feel that I was not with those that loved me. She was so beautiful that I hardly realized that it was she, and when I commenced to see that I was no longer in my body, I asked her not to leave me but to take me with her to where she lived. She told me that I could not go there, but that God had prepared a place for me to go to, and that she would accompany me and show me the truth of my future existence. I went with her, and she took me to a place that was very beautiful and filled with spirits who had recently passed over. She did not leave me for a long time, and when she did, your father came to me and said, "I am Ned's (James) father and want to help you to realize that you are now in the spirit world, and must not let the thoughts of the Earth keep you from getting in a condition to learn that all of us are only waiting for the Love of God to help us to higher and better things."

Your grandmother soon came to me and told me who she was, and was so beautiful and bright that I scarcely could look at her, for her face was all aglow with what seemed to me to be a heavenly light; and her voice was so sweet and musical that I thought she must be one of God's angels that I had read about in the Bible. She told me of the things that God had prepared for me, and that He wanted me to love Him and feel that He Loved me.

But after awhile I commenced to think that I must be deceived in my sight and hearing, and was still on Earth, and needed only my body again to know that I was still a mortal. Some time elapsed before I really became conscious that I was a spirit and was not on Earth; for when I tried to talk to you, as I did, you would not listen to me and turned away from me as if you did not see or hear me. After a short time your mother and father came to me again, and tried to persuade me that I must not continue in my belief that I was still of the Earth, but must believe that I was in spirit life, and needed only the things of the spirit to make me more contented.

So you see, I was so very fortunate in having your dear parents and grandmother welcome me when I passed over. If they had not received me I do not know to what condition of fear and distraction I might have been subjected. No spirit can learn the truth of the change, unless in some way helped by others.

So you see, when you come over I will be there to receive you and love you so much that you will never have to go through the period of doubt that I did. Your father is also waiting to receive you, and in fact, all your spirit band have agreed that when you come, you will have nothing to fear for want of help and love.

I first saw my parents after I commenced to believe that I was in the spirit world; and when I saw them they did not know me, but thought that I was still in the body and that they were still on Earth, as they had not yet awakened to the fact that they were in the spirit world. They were very unhappy, and it took considerable talking to make them believe that they were spirits and not mortals. My father was more easily convinced than was my mother, for he commenced sooner to recall that when death comes, the spirit must go to God who gave it. My mother would not believe so soon, for she continued to think that she was with her acquaintances on Earth, and that they were not treating her very courteously, for when she spoke to them, they would not answer. But thank God, they both now realize that they are in the spirit world, and that they must learn to love God, if they would be happy.

When I commenced to leave the body there was no pain or suffering, only a feeling that I was rising out of it. No darkness appeared to me, and I saw my body lying there as if it were asleep. I did not try to hold it, but thought that it was merely taking a rest, and that as soon as it felt refreshed I would enter it again and continue to live as before. I did not wait for it to awaken, but continued to arise until, as I told you, your mother clasped me in her arms – she was my own dear mother as well as yours.

I did not know that I was dying, but felt that something unusual was happening, and I was not afraid. As I always in life dreaded death, as you know, the strange thing to me was that I did not look upon death as dying. It was only a pleasant dreamy feeling, and I only thought that I was going to become absent from my body until it was refreshed. My thoughts were not of death at all. I had been suffering pain, but I thought that I was getting well, and the feeling of relief that came over me was the result of my getting better. As my spirit arose, I thought only of my condition and how soon I would be able to return home and see my friends. No other thoughts came to me – not even my love for God, or the fact that I was not in condition, as regards my soul, to meet my Maker, as I had been taught. There was absolutely no fear of what might happen to me, or that I would soon be called upon to account for the sins I had committed. Just before my spirit left my body I was unconscious, but just as soon as the separation commenced I became fully conscious and knew everything that took place, and did not feel at all as if I were in danger or needed the help of anyone.

I did not stay with my body at all, when I commenced to leave it, but continued to rise, as I have told you, until your mother met me. So you see death, which I so much feared, was not such a dreadful thing to experience.

Yes, when my son came to where my body lay, I returned to it, and saw it taken away, and afterwards buried; but I still did not understand what it all meant, and only when your grandmother told me that I would no more inhabit it, did I commence to realize that I had left it forever. But even then I had some feeling that she was mistaken, and that in some way I would return to it again and continue to live on Earth.

Yes, when I had been in the spirit world a short time, I saw other spirit forms and, even then, I was not in a condition of mind to fully understand that they were spirits and not mortals. The resemblance is very real to one who has never had his spiritual eyes opened; and even though the spirit forms all appear

much more beautiful and bright, yet to me they all seemed to be human forms, and I thought that I was not in condition to fully see just what they were.

You must let me stop now, for I am tired.

Your own true and loving, Helen.

WE are INCARNATED with Natural Love, but not with Divine Love:

We are conceived with natural love, however, we are not endowed with anything of the Divine. While we are without anything of the Divine, namely Divine Love, we can grow our natural love attributes and progress to that of being the perfect man whose lodging is found in the 6th Sphere. We do not have immortality without having received Divine Love.

Natural love radiance is very different from that which Divine Love brings.

The two loves complement each other, bringing about greater harmony.

When we become aware of the presence of Divine Love and subsequently ask for and then receive the Divine Love, our soul steadily starts to change to that which is Divine and we achieve immortality. This is the Immortal Choice that we can make whilst here in the physical or later in the spirit world. Once we add Divine Love to our being, we continue then with the two loves, that of the natural love and also that of Divine Love. As we continue and receive Divine Love, our soul condition progresses so that we may eventually enter the Celestial Heaven, 8th sphere and above, then progress further to enter the Eternal Spheres and then the Spheres of Paradise.

Our Heavenly Parents simply desire for us to ask for Their Love.

“Every day is a day of devotion.”

Please Mother and Father, may I receive Your LOVE.

God's Divine Love: Pray for it, ask for it, and receive it.

Our salvation IS the embracing of the Feeling Healing process with Divine Love.

By living true to ourselves, true to our feelings, we are living true to God. It's that simple.

LUMINOSITY of the SOUL can be LIKENED to the FOLLOWING:

1st sphere, lower regions – Natural Love MoC 50+/-
The soul condition of a soul that is obliged to spend some time within the ‘hells’ may be no bigger than a dried garden pea. There is no luminosity and the environment is total darkness.

The typical soul condition of humanity is such that they generate the luminosity of a single candle.

1st sphere, mid regions – Natural Love MoC 210

A soul that has grown in love and soul condition equivalent to the 8th sphere – the point of becoming at one with God, the luminosity of such a soul is equivalent to the midday sun.

8th sphere – only possible with Divine Love! MoC 1,000+

Received by James Padgett. Washington D.C.

March 10th, 1915.

I am here, Helen.

Well, I am very happy, and you are happier and feel better.

I am now going to write you about my home, as I promised, and you must not think I am not in condition to write, if I should not be able to describe it as you may think I should; the only reason for my failure will be that I cannot find words to express myself.

Well, my house is a beautiful white one of a substance that you might think of as alabaster, and two stories in height, with rooms on each side of a wide and beautiful hall. The rooms are very large and filled with the most beautiful furniture that you can conceive of. The walls are all hung with satin coverings, and between are lovely pictures. The parlour, as you would call it, is filled with the most exquisite and comfortable couches and chairs, and with beautiful tables and bric-a-brac, and also many pictures of landscapes and fruits and flowers. I don't know who painted them, but they are there and give me much delight, and satisfy to so great an extent my love for paintings and pictures. There are also many little curios that would make the heart of an aesthetic person rejoice and feel glad. My music room has in it instruments of various kinds, wonderful in sound and construction. I play some of them and also sing in my weak way, as you say on Earth; but I enjoy the music more than I can tell you, and so do many spirits who call to see me.

I have other rooms, such as repose rooms, a library, and rooms for meditation and prayer. My library is full of books dealing with subjects that are to me now so congenial and necessary, for they tell me of God's Love and care for his children. There are also books that deal with the laws of the spirit world and of the other parts of the universe; but these latter I do not read much, for my whole study is so given to the laws pertaining to our own spirit world and its relationship to your world, and the Love of God, and the love that should exist among mortals and spirits, that I do not find time for these other studies; and, in fact, I have not the inclination.

There are books that you might call fiction, but really are not, for they describe the actual experience of spirits in such a vivid and interesting way, that if they were portrayed in your earthly books you would think it fiction.

Not all the books in my library deal with the higher or more substantial things of this spirit life, for we have our recreation for the mind, in the way of variety in reading, the same as you do on Earth, and we are the stronger and happier for it. So you see if you were here, I know that the library would be your place of rest from your work, although I know you like music very much.

We have a dining room also, but we do not need kitchens, as nothing is cooked, but everything eaten just as we get it from the trees and vines. We do not eat meat or bread or potatoes or things of that kind. Our food is principally fruits and nuts; and such fruits you never saw and never will until you come with me. The fruits, mostly, are pears and grapes and oranges and pomegranates – of course, not just the

same as you know them on Earth. I merely use these words of description to give you some idea of what they are like. We have them in great variety and always fresh and ripe. The nuts too, are of many kinds and qualities. None need nut crackers for them to be broken in order to be eaten. There are no cakes or candies or anything of that nature. We do not actually eat these things with our teeth and palate and use intestinal organs, as you do, but we inhale, as it were, the delicious flavours and aromas of the fruits; and strange as it may seem to you, we are just as much satisfied, and probably more so than you when you eat them with your physical organs. I cannot more fully explain to you just how this thing is, but, as we say, we eat the fruits and nuts.

We drink pure water, and nothing else; and spirits who say they have wines and other beverages, tell what I have never seen or heard of since I have been in the spirit world. Of course, I do not know every thing that exists in all parts of this great world of spirits. And this water is so pure and satisfying, that I cannot imagine any spirit would want anything else to drink. But, yet, as I say, I do not know as to this.

We do not actually drink the water, for we have not the internal organs that you have in the physical body, but we seem to absorb it in our system in some way that gives all the delight and satisfaction that you enjoy when you drink water.

We often have our "teas", as your fashionable women on Earth might say, and very many of our spirit friends attend and help make the gatherings enjoyable and happy ones. Of course, the male spirits attend, for I must tell you that in this life there are no clubs or businesses that keep the sexes apart, as in your life. I mean that the two sexes are more together, and enjoy the society of each other to a far greater degree than in your Earth life. Of course, I do not mean that these spirits have all found their soul mates, for that is not true; but each enjoys the company of the others, as friends and spirits having similar desires and aspirations. My companions are very similar in their love for the Father and in the development of their souls, and in their thoughts and desires for things spiritual. We discuss many questions pertaining to the soul and its progress, and to the Love of the Father, and to the love of spirits and mortals. While we are joyous and happy beyond compare, yet we do not indulge in frivolities or thoughts that have not a tendency to elevate us to higher things.

We have music and dancing, but our dancing is different from yours. We merely exercise ourselves in graceful and artistic movements, without any contact of spirit bodies, or the embracing of each other. Of course, we hold hands as we dance, but no familiarity, as you would say, is indulged in.

Well, I have a room for repose, where after working long and, to some extent, feeling tired, I rest on these couches that I tell you of. We do not sleep, but sometimes we go into a kind of dreamy state that gives us much refreshment and vigour. I am now resting from some hard work that I have been doing in your Earth plane. I mean that when I am not writing to you, I am resting.

So, you see, we are not enjoying one continuous condition of feeling, as that might become monotonous. I am now trying to help some of the spirits who have recently come over from your city, and who were acquaintances of yours on Earth. I will tell you of them when next I write you.

I am tired now and must stop.

So with all my love, I am your own true and loving, Helen (deceased wife of James Padgett)

EMBRACING the LOVES:

Our soul is formed from the substance known as natural love. This natural love enables us to develop to that which is the perfect man, an excellent, capable and loving personality.

However, there is a limit to our growth founded on natural love fore there is nothing of the Divine within the substance of natural love.

Should we ask for, and then receive Divine Love, then the Divine substance of Divine Love can be added to our being, thus providing us with an infinite potential for growth and development in the Love that is Divine.

The natural love and Divine Love are not divided when in the soul.

The natural love is harmonious in the Immortal greater love, the Divine Love, and so, never shall an Immortal faith and Immortal truth fall.

Adding Divine Love to your being can be likened to developing a powerful engine based on natural love to that which is found within a most powerful muscle car. One's performance capabilities progressively develop as the regular fuel of natural love is slowly, but steadily supplemented with the fuel of Divine Love, thus changing that which is founded on natural love to that of the Divine, namely Divine Love.

Your fuel steadily is converted to that which is of the highest octane level ever envisaged.

The Divine Love is the wonder of the universe. How this invisible substance causes so much change in our mortal nature is a miracle to behold and experience.

Living with the Divine Love brings about harmony throughout all of one's bodies, systems and personality. One's capabilities and love continue to greatly expand.

Divine Love always has its effects in harmony with the expression and development of natural love. Therefore your awareness and expression of natural love in your life is a vital element in accepting Divine Love into your life and fostering its development of your soul. Divine Love is the great harmoniser and is therefore not isolated but its effects are universal.

Divine Love is the 'ultimate' high octane fuel.

WE ARRIVE DETUNED!

Our souls are a divine creation of our Heavenly Mother and Father. They could not be any other way! And are designed (such as how it has been for us) to begin incarnation in a Natural love condition reflecting the Natural love state of our world.

And we have also been provided with the opportunity to experience what is being ‘evil’, to live denying our Natural love, as seen through the denial of many of our feelings. So we here on planet Earth live on a world that has Rebelled (and then also Defaulted), of which there are only 37 within the local universe of Nebadon, consisting of 3.8 million physical worlds under the regency of Mary Magdalene and Jesus – the spiritual parents of truth of all of Nebadon! And we assassinated Jesus, and completely denied Mary not allowing her to have her say about the truth.

As a consequence, we are ‘detuned’ from our Natural love state and divine origin. You could say we arrived with all parts functional, however, in our untrue, dysfunctional and distorted state, we’re badly in need of a severe service, tune up or a complete reconditioning. Our goal being to bring our true self to the fore by doing our Feeling Healing, and then to progress beyond our Natural love state by further advancing our soul condition through the process of Soul Healing and receiving our Parents’ Divine Love – becoming divine.

In our feeling-denying and truth-denying untrue Natural love state, we have been made to use our minds to dominate our feelings, becoming more like that of mind-based creatures of nature than of human souls of truth and feelings. And this is the wrong way for us to develop. So to step beyond this limitation, we are to live true to our feelings. Our heartfelt feelings being the guiding lights to our evolution and growth of truth.

Feelings are what guide us through our ascension of truth. So they are really our Supreme Guides. Many people look for a person, spirit, angel, even God, for supreme guidance, however it’s all right there already built in and can be found through our feelings – our soul based feelings.

By living true to our self, true to our feelings, we are living true to God. It’s that simple.

Thus we are detuned once our incarnation begins. However, the way is now open for us to bring about our full divinity. To completely Heal all that’s wrong within us on a Natural love level. To embrace and then transform that Natural love into a divine state through partaking of our Heavenly Parents’ Divine Love. All the while attuning ourselves to divine perfection and enjoying the fullness of our divinity and love, as we ascend in truth on our journey all the way to Paradise – the home of our Heavenly Parents.

**WE were DIVINE, and
WE are to BECOME DIVINE AGAIN:**

Our personality, our soul, our real self, are all creations of our Heavenly Parents. We, our real selves, are not creations of our physical parents. Within our original status, we were of Divine nature.

Our physical parents, from our conception, endeavour to mould us into being ‘little me’s’, that is, replicas of themselves, imposing their beliefs and personality traits upon each of us. They crush our individuality and free will. They destroy our personality, our true self. They inflict upon each of us their ways, all of which are of a result of the Rebellion and Default of many, many generations ago. They drive us into believing and subsequently becoming dependant upon our minds. This is not the way for us to express our true selves and evolve along the path towards our true parents, our Heavenly Mother and Father. We are to embrace the Eternal Son of Truth, not the Infinite Daughter of Mind.

No, we are not in the image of our physical parents. Though we may look like them, and act like them because they have dramatically and successfully crushed our true personality, we are each very unique and independent of our parents and all other family members. When we begin to progress along the path of engaging with our soul based feelings and seek for the Truth of our feelings, we will become free of our parents’ impositions and suppression.

Upon starting our physical life experience on Earth, our divinely created soul begins to express us as one of our soul’s two personalities in Natural love. However because of Earth being in Rebellion, so we are parented into a rebellious and anti truth and anti love state of mind control over our feelings and true self.

Natural love is good, just ‘less’ or different to Divine Love. And it’s that in our rebellious state, we’re rebelling against Natural love, and Divine Love by not taking Jesus and Mary up on their offer and allowing the Divine Love to transform our soul, as we perfect our Natural love by doing our Healing.

By living true to our self, true to our feelings, we are living true to God. It’s that simple. The revealing of the Feeling Healing process is the commencement of our ability to begin the Great U-Turn and go the right way. Should we then also embrace our Heavenly Parents’ Divine Love, we can also commence our Soul Healing and a returning to that of being divine – this is our destiny.

CREATED in THEIR IMAGE:**GOD**

James: Mary, what does ‘we being created in the image of God’ really mean?

Mary M: It means that our Mother and Father used Themselves as the model or template if you like, upon which to bring us into being, those of us who have existential souls with the potential of expressing their two personalities in Creation.

And although our souls are divine, as in being divinely created, still whilst we start our personality expression in Natural love, so we need the Divine Love to come into our soul and bring it into the levels of Celestial divinity.

Natural love, so basically the whole of Creation, is of the image of God, and we being divinely created souls can be part of God’s Divinity becoming divine ourselves. So through your Healing, James, you become progressively divine by partaking of the Divine Love and healing yourself into perfection – your true self. And by the time you’ve completed your Healing, your soul is of the Divine Love level of Celestial truth, and your personality is an expression of that level of truth, it all being ‘confirmed’ and cemented – fused – into place upon the direct soul-union with your Indwelling Spirit. Then you are of the essence of God, true and perfect to the level of the first Celestial sphere, the first sphere of true divinity.

Helen: Law of Compensation is removed from the scope of its operation when the Divine Love fills the soul in sufficient abundance.

Received by James Padgett, Washington D.C.

March 23rd, 1915.

I am here, your own true Helen.

You didn't think I could change the announcement of my coming, but you must know that I can do anything to please you, my dear Ned (James Padgett).

Yes you have, and I have been so very happy. Well, sweetheart, I must tell you that I am very happy and am progressing very rapidly. I don't expect to remain in this (Celestial) sphere very much longer; for my love and faith are so great that I feel that I must get closer to God's fountainhead of love. Only think, [one short year ago and I was a mortal and now I am in the Celestial sphere](#), doesn't it seem like some fairy dream? But it is all true, and I am so happy.

I will soon be with you in a long letter, telling you of this Great Love, and how much I love God and you.

No you won't, for you are progressing too. You may not realize it, but it is true, and if you should come over now, you would be surprised to find yourself in a high sphere. Well, I know how you feel, but you must believe that I can see your spiritual condition better than you can.

Well that may be so, but when you get this Great Love in your heart in sufficient abundance, and you have much of it now, your sins will be blotted out. This is the law of regeneration; otherwise, the man who continues without this Love, and the man who receives it, would be in the same condition, and the New Birth would mean nothing. So do not think that this Great Love is not sufficient to cleanse the soul of the results of the sins of Earth life; and, best of all, it cleanses while you are a mortal.

I know that the spiritualists quote and proclaim the law of recompense or compensation, but there is a higher law that nullifies that law; and when Love, this Divine Love, comes into the soul of a mortal, the law of compensation is removed from the scope of its working, for [Love is the fulfilling of the law](#). So do not let that stumbling block make you believe that this Great Love is not sufficient to remove all sin and error, and to purify your soul so that you may become fitted to live in the kingdom of the Father and become one with Him.

No, the Love is for the vilest sinner, and no man can by a mere act of restoration fit himself for the inflowing of this Divine Love. It is waiting for the sinner as well as for the saint; and even though your sins be as scarlet they will be made white as wool. I mean that you will not have to wait to make recompense to mortals before this great Love can do the cleansing work; else what is the use of having this Great Love provided for man? If he shall first make himself pure what is the necessity for the work of the Holy Spirit?

Only pray for this Love and have faith, and you will get it. God is the judge of what a man shall do to render justice and restitution, and when He says that this Divine Love, with all its cleansing power, is for the sinner who seeks for it by true faith, who has the right to say that the sinner must first do what man may think is justice between himself and his fellow man?

I know whereof I speak, for the experience of many spirits who have been redeemed by this Love show that they were sinners, and had not "[paid the last farthing](#)," when they received this Love. God is the judge, not mortals nor spirits.

So, my dear Ned, do not let the idea that you must render to every man that which you think he may be entitled, to keep you from believing in the mercy and Love of the Father.

Oh, how I wish I could be with you a little while in my bodily form, and tell you face to face what this great Love means to you and to me and to all of us. So sweetheart, believe me when I say that even though you may be a great sinner, yet the Father's Love is sufficient to remove all those sins just as soon as you can receive it. Such is the law of this Great Love.

Faith and prayer can open the very heart of the Celestial Spheres, and Love will flow down into your soul as the avalanche of snow that feels the warmth of the sun's bright rays rushes from its mountain heights when winter leaves with its chilling gloom and blasting breath for other climes. Love is not only warmth, but it is the very burnings of the soul's great storehouse of God's Divine Essence.

I am not only the possessor of this Love to a large degree, but I realize that as I advance to higher spheres there is a greater abundance awaiting to fill my soul with its great undying fires of never ending burnings – but burnings so great and free from everything that makes for unhappiness and discontent.

I must stop now. So my own dear and precious Ned, love me as I love you and we both will be so very happy, that heaven will be with us and in us even while we are writing in the Earth surroundings.

Your own, Helen

We are endowed by our Parents with natural love, maybe we neglect this gift from time to time. As we progress in time, we can add the greatest gift there is to our being, that is by asking for and receiving Divine Love. Not only does the infusion of Divine Love, with one's Feeling Healing, repair our natural love attributes, we evolve into a joyous and loving person in all respects. With the infusion of Divine Love, with the two loves, we become the complete being.

NATURAL LOVE and DIVINE LOVE SPHERES and FEELING HEALING PLANES:

Divine Love progress is to infinity

Peak of 7th sphere is where one becomes at one with our Heavenly Parents.

These calibrations are an approximation utilising Dr David Hawkins' 'Map of Consciousness' table:

Natural Love peak is 1,000 on MoC

Natural Love 6th Sphere
Mansion / Mind Worlds
MoC 840 – 1,000

Natural Love 4th Sphere
Mansion / Mind Worlds
MoC 650 – 840

Natural Love 2nd Sphere
Mansion / Minds Worlds
MoC 500 – 650

Natural Love 1st Sphere
MoC 200 – 500

We all enter the 1st natural love sphere on the death of our body.

HELLS:
MoC 1 – 200
Hells being a sub-set of 2 Spheres of Disharmony.

Divine Love 7th Sphere
MoC 920 – 1,080

Divine Love 5th Sphere
MoC 780 – 920

Divine Love 3rd Sphere
MoC 500 – 780

One's natural love is always progressively perfected during this journey of evolution of the soul.

Upon embracing Divine Love at any stage, then one can progress through the Divine Love spheres 3, 5, 7, whilst also doing their Feeling-Healing.

Even though a person may have received Divine Love, they do not avoid compensation or doing their Feeling-Healing, so they may still spend time within the spheres of disharmony.

Natural Love sectors for those doing their Feeling-Healing, without the Love, are within the Natural Love Mansion Worlds:

Progressing through the natural love worlds, within Feeling-Healing sectors, while doing one's feeling healing, upon reaching the 6th Sphere having completed Feeling-Healing, one can then embrace the Divine Love and proceed directly to the 7th Divine Love Sphere.

Then they may prepare to enter the Celestial Heaven Spheres from there.

This pathway is when, or should, the Divine Love not be available before perfecting one's soul.

Progressing and reaching Gold!

<https://new-birth.net/padgetts-messages/progressing-and-reaching-gold/>

In this set of messages, Helen Padgett tells of her progression in spirit. If one spirit can go from the bottom, to becoming a "Christed" spirit in less than a year, why would any one want to reincarnate?

The only spirits who communicate about past lives, are those that are limited in their understanding, and limited in their own spiritual progression. One of the things that lends credence to some spirits, is that they do move between spirit worlds, as they progress. But they certainly are not reborn. On the other hand, the event of becoming "one with God" which is necessary in order to exit the Spirit Spheres and enter the Celestial Realm is apparently very significant, and not something one could fail to notice.

As for James Padgett, what evidence do we have that he was able to achieve the same results that he promised while alive, after his death? Included is the message that was within two years of his passing, where he tells that he is now a Celestial Spirit. That is the term used in all these messages, to indicated he has passed out of the Spirit Spheres, into the eternal realm.

SELF CENTRED ACTIONS and AGGRESSION HAS CONSEQUENCES:

Any action that causes harm to one's self, or to another, degrades your soul condition. Your soul being your real self.

We may have a big powerful physical body, but our real strength is the condition of our soul. Should we assert our unloving nature and desires, then our soul's radiance and energy is progressively degraded. This can extend to the point where our soul's radiance is nothing more than that of a dried up darkened garden pea.

Our soul condition is reflected through our spirit body for all to see. Upon entering the spirit world, into the 1st sphere, a healthy loving soul will be reflecting out through a spirit body the same size as that of the physical body whose personality has now separated from that body.

A degraded soul results in a significant diminishment of the size of the spirit body. The poorer the condition the smaller the spirit body – significantly smaller. Further, there is little to no radiance, therefore, little to no light. There is greatly diminished capability in all aspects of spirit life and a great loss of the capability to move about.

In this condition, one is isolated into a very lonely dark environment to begin the long process of recovery and development of love for one's self and for all those around them.

One is always being loved, and help is always available, one just has to learn to accept this offer of love.

One can always recover and grow in love from what ever condition they may find themselves in.

Nero – Roman Emperor

I am here, the spirit of one who lived on Earth the life of a wicked man, and a persecutor of the Christians, and a blasphemer of God and everything that was pure and holy; and when I had lived the life to its end and shuffled off the mortal coil and became a spirit, I also became a dweller in the lowest hells where all is darkness and torment, and the abode of devils and everything that tends to make the spirit unhappy and at variance with the loving God.

I introduce myself in this way in order to demonstrate to you the wonderful power of the Divine Love, for now I am an inhabitant of the Celestial Spheres, and know that this Love is not only real, but is capable of making the vilest sinner a partaker and owner of the Divine Essence of the Father.

My sufferings were beyond all description and I was the most desecrated of mortals, and was almost worshipped by the devils of hell because of the great injury that I had done to the followers of Jesus, who, in my time, were possessed of this Love and faith, which even the terrors of the wild beasts of the arena, or the torches of my own evil designs could not cause them to renounce – in this great religion that the Master had taught them, and the disciples were still teaching when I put so many of them to death.

The devils loved me for the very evil that I had done, but strange to say the spirits of those who I had sent unto the spirit world before their time were not revengeful to me, or came to me with their imprecations or cursings. Then when I had been in the spirit world a sufficient time to realize my surroundings and the nature of these evils, these spirits of the martyrs, which I had made, came to me in sympathy and pity, and in fact, tried many times to help me out of my great sufferings and darkness. I did not understand all this unexpected kindness and evidence of love, and I would not for a long time believe that these spirits were sincere; and so I suffered for year after year, and century after century, and became convinced that my condition was fixed, and that for me there was no hope, and that the God that I had heard of was not my God, and that devils were the only companions that I was destined to have through all eternity.

And so I endured, wishing to die, but I could not. Oh, I tell you it was horrible and beyond all conception of mortals! The law was working and I was paying the penalty, and there seemed no end to the penalty. I could find no consolation among those who surrounded me, and the pleasures that I first enjoyed, became to me mere things of mockery and derision, and my darkness and torment became the greater. How often I called upon God, if there be a God, to strike me dead, but the only answer to my call was the laughter of the grinning devils, who told me to shout louder as God might be asleep, and may be deaf.

What to do, I knew not, and so I became isolated as best I could from these terrible associates, and many years of my living were spent in the darkness of lonesomeness with never a ray of hope, or the whisper of one word to tell me, that for me there might be a fairer destiny. And so time went by and I waited in

my misery for some kind power to come and annihilate me, but I waited in vain. During all this time the recollections of my earthly deeds were like hot irons scorching my soul, and burning my body, as I thought, and the end came not.

Well, I suffered the tortures of the damned, and it seemed to me that I was paying the penalties for all the sins and evil deeds that had ever been committed by all the wicked kings and rulers and persecutors of Earth. Many times the shrieks of the Christian children and the groans of the men and women as they were being torn asunder from limb to limb, or burned as living torches which I had made of them, came to me and increased my torment. I lived the life of centuries of torment in a few moments, as it seemed to me, and not one cooling drop of water was mine. It may seem impossible that I should have continued to live in this ever increasing suffering, but I did, because I was compelled to. The law did its work and there was no one to say "enough". I might write a volume on this suffering of mine, and yet you would not comprehend its meaning, and so I will pass it by.

In my loneliness and suffering there came to me on an occasion, a beautiful spirit, full of light and love, and all the beauty of early womanhood, as I thought, and with eyes of pity and longing, and said, "You are not alone, only open your eyes and you will see the star of hope, which is the sign of the Father's Love and desire to help you. I am a child of that Father and the possessor of His great enveloping Love, and I love you, even though you took from me my young life when you threw me to the wild beasts to satisfy your desire to gratify your thirst for innocent blood, and see the suffering and hear the groans of your victims, yet, I love you, not because I am a human with a kindly nature and a forgiving disposition, but because I have in me this Divine Love of the Father which tells me that I am your sister, and that you are a child of the Father, just as I am, and the object of His Love just as I was the object of His Love. You have suffered, and while you suffered, His great Love went out to you in sympathy and desire to help you, but you, yourself, prevented it from coming to you and leading you to light and surcease from sufferings. And now I come to you, your young and innocent victim, who had never done you any greater harm on Earth than to pray for you, and ask the heavenly Father to take away from your heart, the great wickedness that caused so many of my people to suffer persecution and death. We all prayed for you and never asked our Father to curse you, or do anything to you to make you suffer. And we have prayed for you often since we came to the spirit world, and we are now praying for you, and this because we love you and want you to be happy. Look into my eyes and you will see that love is there, and what I tell you is true. And now, can you not love us a little and open up your soul to our sympathy, and let your feelings of gloom and despondency leave you for a moment, and realize that in this world of spirits there are some who love you?" Well, to say that I was surprised, does not express my feelings, and as I looked into the lovelit eyes of that beautiful spirit, I felt the great sins of my Earth life overwhelm me, and in my anguish, I cried, "God be merciful to me, the greatest of sinners," and for the first time in all my life in the hells, tears came to my eyes, and my heart seemed to have a sense of living; and there came to me feelings of remorse and regret for all the evils that I had done.

It would take too long to tell what followed this breaking up of my soul, all shrivelled and dead, and suffice it to say that from that time, I commenced to have hope come to me, and to get out of my awful condition of darkness. It took a long time, but at last, I got into the light, and this Love which the beautiful spirit first told me of gradually came into my soul, until, at last, I reached the condition of bliss in which I now am. And during all the time of my progress, this radiant loving spirit came to me very often with her words of love and encouragement, and prayed for me, and never left me when I became, as I did at times, doubtful and discouraged. And as my awakening continued, the Love came into my soul, and as she told me of the heavenly things that would be mine as I progressed and reached the soul

spheres, where beautiful homes and pure bright spirits are, I became more and more bound by my love to her. After a while I got into the third sphere, and realized that what she had told me was true, only I had not been able to comprehend the greatness of the truth.

She then commenced to tell me of the happiness of the beautiful spirits of the two sexes, that I so often saw together, and explained that they were soulmates, and that their love was the greatest of all the loves except the Divine Love, and that every spirit in all the spheres had its soulmate, and at the proper time would find it.

My love for this loving spirit had then become so intense that in the very depths of my soul, I wished and prayed that my soulmate might be such a one as she; and, at last, I became so filled with my love for her, that I told her that the only thing in all the heavens that I needed to make full my happiness was she as my soulmate, but that I realized that that desire was hopeless as I had destroyed her life, and of course she could not be my soulmate. And oh, how I suffered when I realized that she could not be mine, but was another's.

As I told her of these longings and hopeless feelings of my soul, she came close to me and looked into my eyes with such burning love, and threw her arms around me, and said, "I am your soulmate, and knew the fact a short time after you came to the spirit world and entered your hells of darkness, and during all the long years I prayed and prayed for the time to come when I could go to you with my love and awaken in your dead soul the response to my great love. And when the time came that I could go, I was so thankful to the Father, that I almost flew to you, with some dread of disappointment I confess, to tell you that you were not neglected or unthought of, but that there was some love in the spirit world that was going to you. Of course, I could not tell you of my soulmate love, for you would not then have understood, but as your soul awakened and the Love of the Father came to you, I became happier and happier, and have waited so anxiously for this moment, when I could tell you that this love that had been consciously mine for so long, is all yours. "

Well, I will draw the veil here, but you can imagine what my happiness was, and as I progressed from sphere to sphere, my happiness and love for her increased and increased. Thus I have told you the story of the life in the spirit world of the wickedest man that God ever permitted to live and gratify his feelings of hatred and revenge. And I, who have passed through this experience, and realized all that it means, say, that the Divine Love of the Father is able to and does save the vilest sinner, and transforms the chiefest of devils into a Celestial angel of His highest spheres.

I have written long and you are tired. I thank you, and will say good night, and subscribe myself.

Your brother in Christ,

Nero, The Roman Emperor, and at one time persecutor of God's true children.

CLEANSING the SOUL:

Years and years of personal endeavours to step away or above harmful habits and personality traits that are harmful to others and one's self have been mainly futile. We all want to grow in our love for ourself and of others.

Our beautiful loving personality that we are blessed with at conception / incarnation becomes encrusted with errors and personality issues of those around us, particularly during our early childhood. The personality of those living around us, during our early years, becomes encrusted over our pristine soul thus clouding our radiance into dullness. We become mind controlled!

Our Heavenly Parents want what is actually best for each of us and there is a source of light that's willing to give it to each of us, but only at our soul and spirit's quest for union with the divine. Not our ego's need for things.

It is only with our Feeling Healing and the infusion of the Love, that the Mother and Father conveys via the Holy Spirit, do we start to dissolve negative issues, habits and personality errors from our soul and personality. Our personality is part of our soul structure.

All we need do is ASK for this Love. An earnest longing and desire for the Mother and Father's love will never be withheld, it will shower over our spirit body, the template of our physical body, and be absorbed into our soul. As the Love permeates through our soul, errors of personality will slowly but surely dissolve.

Over time, as we progress along our path of asking for and receiving this love, the natural love which we were blessed with prior to conception will be progressively transformed into Love that is Divine. This Divine Love will slowly emerge as radiance through our being.

With Feeling Healing and this Love we find harmful habits and personality traits become a distant memory. With this Love, we find ourselves unable to harm others or ourselves. With this Love we find our quality of life blossom and joy starts to emerge in all aspects of our living.

With this Love we become immortal. With this Love we become fitted for the Heavens that the Mother and Father have prepared for us all. Just ask and faith, love, and happiness will follow. Yes, just ask!

George H Butler

I am a spirit who cannot tell you of the joys of heaven, but I can describe the horrors of hell, for just as these other spirits described to you their homes of beauty and happiness, I can describe my home of ugliness and torment. Do you wish me to do so?

Well know then, that when I lived on Earth I was a man of very considerable intellectual powers and acquirements and also of an intense animal nature, so much so, that it overcame my judgment and what moral qualities I had, and I became at last a slave to my appetites which were varied, especially my appetite for drink. I had many friends of position, social and otherwise, and I was considered a brilliant newspaper writer, and had access to the inner political circles that were then in control of the government.

My weakness, or rather the effect of the strength of my animal nature, was known to many of my friends, and they, in many ways, tried to help me and rescue me from my evil and destructive course of living, and, at times, I would succeed in reforming my conduct; but, alas, not for any great length of time; when I would again relapse into my deplorable habits and become the controlled victim of my destroying appetites.

Of course human friendship and sympathy had their limits, and finally my friends gave me up as lost and past redemption, and I surely and quickly sunk lower and lower in my moral condition, and at last, died a drunkard, unwept and unsung except for the evil that I had done. It was undoubtedly a relief to my friends and acquaintances when I passed over, and forever relieved them of the shadow of my presence and the ghost of what I had been.

But such was my end, and when I came to the spirit world I found that I still was deserted by friends who had become spirits before me, except some who liked the flowing bowl as I did on Earth, and who were inhabitants of the unattractive place that I found myself in when my habitation became fixed.

I never, when on Earth, thought much of the future life, except to convince myself that there was no hell, and if there was a God He was not bothered about me, a mere man of many millions.

But oh, the fatal mistake; and the unexpected realization of the fact that there is a hell! Whether there is a God I don't know, for I have never seen him or felt his influence. But since I came to you tonight, and heard the messages of those two spirits who described their wonderful homes and their condition of happiness, and ascribed them all to the kindness and care of God, I have commenced to think that there may be a God, and that my mistake was greater than I have heretofore realized. But this is a digression from what I started out to write.

Feelings first

That there is a hell, I know to my sorrow and sufferings, for I have been the occupant of one for oh these many years; and it is always the same place of horrors and darkness, except sometime it is lighted by the flame of lurid light that comes from the anger and sufferings of some unfortunate like myself.

In this hell of mine, and there are many like it, instead of beautiful homes, as the other spirits described, we have dirty, rotten hovels all crooked and decayed, with all the foul smells of a charnel house ten times intensified, and instead of beautiful lawns and green meadows and leafy woods filled with musical birds making the echoes ring with their songs, we have barren wastes, and holes of darkness and gloom and the cries and cursings of spirits of damnation without hope; and instead of living, silvery waters we have stagnant pools filled with all kinds of repulsive reptiles and vermin, and smells of inexpressible, nauseating stinks.

I tell you that these are all real, and not creatures of the imagination or the out flowing of bitter recollections. And as for love, it has never shown its humanizing face in all the years that I have been here – only cursings and hatred and bitter scathings and imprecations, and grinning spirits with their witchlike cacklings. No rest, no hope, no kind words or ministering hand to wipe away the scalding tears which so often flow in mighty volumes. No, hell is real and hell is here. We do not have any fire and brimstone, or grinning devils with pitch forks and hoofs and horns as the churches teach; but what is the need or necessity for such accompaniments? They would not add to the horrors or to our torments. I tell you my friend that I have faintly described our homes in these infernal regions and I cannot picture them as they are.

But the horror and pity of it all is that hope does not come to us with one faint smile to encourage us that there may at some time be an ending to all these torments, and in our hopeless despair we realize that our doom is fixed for all eternity. As the rich man in hell said, if I could only send Lazarus to tell my poor, erring brothers on Earth of what awaits them, how gladly I would do so and save their souls from the eternal torment.

Well, I have written you a long letter and am tired, because it is the first time that I have attempted to write for many long years, and I find some difficulty in gathering my thoughts so as to be able to write in an intelligent and collected manner. So I must stop.

Well, I will say that you are the best friend that I have had since I became an outcast while on Earth, and that I will do whatever you may advise, but you must not expect me to have much hope, not doubting your desire to help me, but merely your ability.

Well, I don't understand but I will trust you and will try to believe what you say, only don't create in me that of which I have been deprived of for so long – I mean hope – and have me disappointed. Well I have looked as you advised, and see some spirits who are so beautiful and so bright that I can scarcely look at them. Never before have I seen such spirits or imagined that such could exist. They must be gods, or why all the great happiness and beauty and love which they have. Tell me what does it all mean! Is it a star of hope that has come to me from afar, and bids me trust that these hells shall not be my home forever? Oh, tell me I pray you, are they the spirits of real mortals who lived and died as I did?

Such love I have never seen; and they look at me with such encouragement and almost human eyes of love, and beckon me to come with them. I have asked if Mr. Riddle is there, and one spirit comes to me

and says yes, and that he is glad to have me come with him, as he knew me on Earth and is acquainted with my sad life. And now I remember him, for he was a friend who lived in the same city as I did.

He says: "Come George – and I will try to show you the way to light and relief from your sufferings". And I am going, and as I go a beautiful, glorious spirit comes to me and lays her hand on my head and says: "God bless you my brother and may His Divine mercy be yours"; and she tells me that they all love me and will help me.

Oh, tell me what does it all mean! Am I dreaming? Are you real and are they real, or am I in one of the deliriums that I used to have on Earth? Oh, so beautiful and heavenly. But they say no, that they are real spirits and once lived on Earth, sinful mortals like myself.

How can I ever thank you? I am overcome and cannot write more, but I will come again. So my dear friend good night, for I am going.

EXPONENTIAL PROGRESS:

While we remain self-reliant and unaware of the availability of the Mother’s and Father’s Love, which brings about the changes to our natural love structured soul to that which is Divine, our possible progress in development to purification of our soul is that of snail’s pace.

As our soul becomes encrusted in error and damages from childhood events, our soul becomes diminished and dark.

Our progress in development can take 100’s of years, centuries upon centuries, without embracing the Love and our Feeling Healing.

The Love with Feeling Healing is the only thing that washes away our erroneous beliefs, our harmful emotions, and the stains encrusted on our soul from the harm that we endured in childhood.

It is with this Love and Healing that errors are removed thus resolving compensation requirements, as the damage to our soul is no longer existent.

Instead of growing at a snails pace, our development starts to power along, developing exponentially as we receive more and more of the Divine Love.

There is no greater gift in the universe than the availability of the Love. As we become more or more dependent upon the Love of our Parents our quality of life expands into wondrous beauty.

The grace of our Parents through this Love is the gift that was made available to us in the 1st century and is now being taught to us again since the 20th century.

Receiving Divine Love into our soul enables us to grow beyond the natural spheres and further towards Paradise.

By asking for and receiving the Love we can grow exponentially.

Should we embrace Feeling Healing then our progress can rapidly be advanced.

Soul progress from within the 1st sphere in a natural love state and orientation is very tedious and sluggish.

Soul expression within the Spheres of Disharmony – hells.

I am here, George Butler:

I would like to write a few lines tonight, if you are agreeable. [A long time ago I wrote you](#), describing my condition and that of the hells in which I was then living, and you were kind enough to help me and bring me in association with some bright spirits who were willing to show me the way out of my awful condition, and who since that time have been helping me with their love and sympathy and prayers; and now I am happy to tell you that I have gotten out of my darkness and am progressing towards the heavens which a development and transformation of the soul by the inflowing of the Divine Love, leads to.

Tonight, I desire to express to you my thankfulness and gratitude for the great service you did me, and to say, that in all the spirit world there is not one who feels more conscious of the truth which your advice leads to in the salvation of his soul, and the redemption from an existence of darkness and suffering, than do I.

I cannot convey to you any conception of what this redemption mean to me, or of the wonderful difference of condition in a soul that has experienced the possession of this love, and one that remains in ignorance of the blessings that it confers. What I wrote you then, I now repeat, that the hell of a soul which is all tainted and permeated with the results of an Earth life of sin and error, is wholly true and the contrast between souls in the two states of existence is impossible of description.

When you spoke to me of the probability of my release from the hells, and told me that this great love would work out my deliverance, I confess that, I had very little faith in what you told me, and thought that you were trying to impose on me some of the old nonsensical beliefs of your church doctrines, of which I had heard a great deal when on Earth; and when the bright spirits came to me and confirmed what you had said, and offered their services in accordance with what you had advised me was the certain way to my obtaining a new state of living, I thought that it was an illusion or delusion, and that no results could possibly come to me by pursuing the course that they told me would surely lead to a change of my condition. But they were so earnest, and so anxious that I should listen to them, and seemed to have so much love for me and my welfare which was a new experience for me since I had been in hells, that I commenced to think that such evidence of friendship and anxiety for my betterment, must have some foundation of truth, and that I would not lose anything by heeding their advice and making the effort to pursue the way pointed out to me.

And so I commenced to pray for the love, and they prayed with me, and in a little while their Father appeared to me in a new light – not just real, but as something that might have a potential existence. I continued to pray and listen to their prayers, and my emotions were aroused, and I felt a kind of happiness that I had not before felt, and a feeling of hope that there might be some efficacy in their prayers, but, had not much faith in my own; and, notwithstanding my incredulity, I realized that I felt

better in the atmosphere of their presence and in the influence that their prayers seemed to bring around me. They were very kind and sympathetic, and so wonderfully patient, and impressed me with the feeling that my soul's salvation, as they termed it, and the deliverance of me from my unhappy and suffering condition were to them matters of personal interest and importance; and, of course, with such feelings I soon commenced to think that if these beautiful spirits could have such interest in me, I should have interest in myself sufficient to earnestly seek for the relief that I so much needed.

Well, I then put more desire and longings in my prayers and tried to look upon their Father, as possibly my Father also, and so my longings became more real and intense. I prayed and called upon the Father to give me this love, and to cause me to have faith in prayer and in the Being to whom my prayers were offered. I will not tell you how earnestly I continued to pray and how the first faint realization of the answer came to me and with it the consciousness of a hope that might be fulfilled. After a while this love came to me and with it a feeling of happiness that I had never conceived of, and also the conviction that these spirits were showing and helping me on the true way to a redemption of soul and body, also, for as you may know, I had then and have now a body more substantial and real than the one which I possessed when on Earth.

I will not here describe my progress or the different experiences that I had, nor the faith nor doubts that came to me in succession. I persisted, with the encouragement of these spirits, and after awhile found myself out of the darkness and sufferings and the hells, real and terrible, and an inhabitant of a brighter sphere and in the association of brighter spirits, who, though not like the beautiful spirits who had so lovingly worked with me, yet, were very different from those whom I had left in the darkness and the hells.

I am now in the Third Sphere, and if I had the time or rather, if I felt justified in consuming your time, I would describe to you as best I could, what this sphere is, and the wonderful beauty and happiness that belongs to it. Sometime, I hope to have the opportunity to attempt to portray the wonders of this sphere, and more particularly of my home and surroundings.

Tonight, as I have said, I merely desire to express to you my gratitude, and to assure you of the truth and the results of what you told me was the true way to light and happiness. Never through all eternity shall I forget your kindness and the great help that you gave me, nor shall I cease to remember you in my prayers to the Father, whom I now know is a true, real, existing and loving Father. Oh, the difference in the condition of the Butler in hell and the Butler who is now writing you is beyond all description, and this love, which is the greatest thing in all the universe and the greatest gift to mortals, is the cause thereof.

I must stop writing, although I should like to write longer, for I have already intruded too long. So remember my gratitude, and also that I am now a very happy

George Butler

DIVINE LOVE HARMONY:

Immortal harmony:

Transformation of the soul is a beautiful harmonious gradual awakening.

In a gradual way with the Divine Love and Feeling Healing, as changes in the soul and spirit body occur, these changes will result in the personality slowly accepting the source of these changes as being the Soul God and with the independent will, one can have complete acceptance of our Heavenly Parents, Mother and Father, God.

People have loved God and felt loved by God and they have in deed received the Divine Love without ever knowing the truthful identity of this Love insofar as the truths relating with its causality in the human soul and affect upon the spirit-mind.

Part of the nature of the Divine Love in our souls is that it activates our spirit body systems and soul so that the nature of God is seen and experienced in the living and this places us in touch with the many Spirit attributes that extend from God and have their existence in God, such as our Indwelling Spirit. God no longer remains inactive to us; inert, inanimate, or an unknown but rather a Soul of living energy whose energy in the harmonies of Love and Spirit, is personified as love that we experience. If I can convey the essence about the nature of Divine Love it is that in its energy, exists the harmony and potential so that one can see the potential that this Love brings to bridge the gap of separation between the individual and God by the harmonies of soulfully living.

The Divine Love completes the form of the human being.

In essence, one need only direct their soul and the heart of their soul to our Heavenly Parents, the Soul being God, and in this faith one can experience the Love by humbly asking for this Love. This is all that is needed and the touchstone upon the Love's approachable nature.

The Love is never harmful or given by God that results in a caused effect of disharmony in the individual. The diversity of human individuality is a great characteristic of human nature and as with experience, one needs experience to ascertain a truth about a certain thing. Experiencing the Love provides a substantiated knowing from which a more objective reasoning follows and a maturity happens.

SPHERES in the SPIRITUAL REALMS.

Spheres – Celestial Heaven, Eternal Spheres, then Spheres of Paradise:
The realm of the Angels is the Celestial Heavens spheres 8 to infinity.

Spheres to infinity: Soulmate bonding can be achieved in most of the spheres. (Celestial Spheres are not numbered per se.)

Eighth Sphere: All emotional baggage of your entire history has been dealt with – born again. This is the point of new birth, being born again. Celestial Heavens 8 to infinity true immortality.

Seventh Sphere: The gateway cycle, perception of sacramental nature of all things. Disappearance of the material mind and the absolute ascendancy of the soul's mind has been achieved. Divine path.

Six Sphere: Cycle of light / love, love / light or unity. A purely intellectual area, increasing one's knowledge, while living life in absolute harmony with God's laws of spirituality. Natural path peak.

Fifth Sphere: Cycle of light or wisdom. All their earthly bonds are gone. We are in one of those soul spheres, which offer great opportunities for obtaining the Love of God.

Fourth Sphere: Work of 'atonement' as guides and spiritual healers now excel. As humanity's helpers, their work is a means for self-realization.

Third Sphere: Truth always told. An area where spirits progress in their awareness. In each sphere, there are many planes. Changing pathways requires dropping back to a lower path, then proceed.

Second Sphere: The sphere of decision which is much more spiritual but which was hidden and outside the range of their perceptions. Spirits can now choose the path they wish to follow – desires.

First Sphere: Cycle of awareness. There are vibrational love barriers between each of the spheres. Highest level of the Earth planes is the point of transition from materiality to the spiritual 2nd sphere. Summerland is the highest part of the Earth planes, but it is still a very material region. Children live in Summerland in great numbers, having died prematurely. Twilight zone, the most populated area in the spirit world, and starting point for most. Various hells descending progressively into greater degrees of darkness. All souls can be assisted out of these hells no matter what level they fall. At the deepest levels, the soul finds it extremely difficult to hold itself together. The hells are not fiery physical places. Actions are fear based.

The 2nd, 4th, 6th spirit spheres provide principally for mental and moral advancement, whereas, the 3rd, 5th, 7th soul spheres provide for Feeling Healing process and in obtaining Divine Love.

St. Paul's comments on the preacher's beliefs. Perfection is a relative term.

Received by James Padgett, Washington D.C.

August 31st, 1915

I am here, St. Paul.

I was with you (James Padgett) tonight at the meeting, and heard what the young man said about perfection, and I agree entirely with his ideas and the application of the truth to the lives of human beings.

He had the correct conception of what perfection means, and when he said that perfection is a relative term, he spoke the exact truth. No man can expect to have the perfection of the Father in quantity, but he may in quality; for the Spirit of Truth that enters into the soul of a man in response to prayer and faith is a part of the Divine nature of the Father, and the essence is the same, and the quality must be the same; but, of course, no man can obtain it to the extent of making him pure and holy as the Father is pure and holy. Even we who live in the high Celestial Heavens have not that perfection which the Father has. But let men know that even while on Earth they can obtain this inflowing of the Holy Spirit in their hearts to such an extent that sin and error will be entirely eradicated. This, I say, is possible, but few men attain to such a state of perfection, because the worldly affairs and natural appetites which belong to mortals are always interfering to prevent the makings of the spirit in men's souls so that perfection of this kind may take possession of them. But notwithstanding this great difficulty, and material desires of men, they should have this perfect ideal before them always, and strive to obtain the possession of it.

I was much interested in the discourse not only because it was founded on a text attributed to me, but because of the right conception and the explanation made by the young man.

I could see his soul and its workings, and I was glad to know that he possessed this Divine Love to an unusual degree, and was fitted almost for a home in the Celestial Spheres. You were benefited by what he said, and you felt the influence of the presence of the Holy Spirit at the meeting.

If the people of this church would understand that **there is only one thing that saves them from their sins and makes them at-one with the Father, and that is the inflowing of the Divine Love into their souls**, which was what Jesus meant when he told Nicodemus that he must be born again, they would easily see that their doctrine of holiness is not only a reasonable doctrine but one in accord with the truths of God; for **as this Divine Love fills their souls, all sin and error must disappear**.

Of course this is a relative matter, for it depends upon how much of this Divine Love is in their souls to determine how much of sin or error exists. The more of the Divine Love, the less of sin, and on the contrary, the more of sin the less of the Divine Love. But, I want to say with all the emphasis that I am capable of, that it is possible for a human being to obtain such a quantity of this Divine Love in his soul that sin will be entirely eradicated. This was the doctrine taught by Jesus, and this is the truth of God's law of Love.

I know that the great majority of mankind do not believe this truth and think it foolishness, and that those who claim that they have received this Divine Love to a great degree are enthusiastic fanatics, and not worthy of credence, but I want to tell you that no greater truth was ever proclaimed by the Master; and sometime, in the not far distant future, many men who are now merely intellectual Christians will believe and embrace and experience this great truth.

You will find yourself much benefited by attending these meetings, and while there are some things in their creed to which you do not subscribe, yet they have **the foundation truth that the Divine Love of the Father can clear their souls from all sins, and make them perfect, to the extent that they receive that Love in their souls.**

I will not write more tonight, but will say that the Holy Spirit which conveys God's Love to man is with these people in great power and fullness and manifests its workings in a real and irresistible manner. And God is blessing them and giving them that faith which enables them to become overcomers and inheritors of immortality and homes in the Celestial Heavens.

So without taking up more of your time, I will say good night and God bless you.

Your brother in Christ,

St. Paul (of the New Testament)

The Divine Love is a love available for the Human soul that, in its cause and effect, actually perfects the personality together with one's Feeling Healing process, as it progresses to a greater experience of living in the determination of living in God's Divine Universal harmony. Every personality has the gift of freedom of self-determination to enjoy and extend through life's experiences and it is this gift of freedom and human nature that may prevent one from participating in the freedom and gift of the Divine Love. The Divine Love, once being received is added to one's nature, having being formed on natural love.

**INDWELLING SPIRIT, THOUGHT ADJUSTER,
MYSTERY MONITOR (all being the same):**

The external elements, instruments of the Father, do not form attributes of our own soul upon its initial creation by our Heavenly Parents, these are the Spirit of Truth, the Indwelling Spirit, and Divine Love.

The Holy Spirit, conveys Divine Love to your soul should you earnestly and lovingly ask for it. This is the only function of the Holy Spirit – Acting Spirit.

The Indwelling Spirit becomes present when we are around the age of six. This means that the unseen helper of the Father and Mother – the Indwelling Spirit – can always interact with the mortal soul and to be of service so that eventually the leadings from the Spirit may be the catalyst for that soul to seek our Parents.

The Indwelling Spirit reveals intrinsic workings of Father and Mother to your soul.

The Indwelling Spirit functions in much the same way as the Holy Spirit, ask and it will provide support and guidance.

The Indwelling Spirit / Thought Adjuster only works with us on the mind, feeling and psychic levels directly with our personality on conscious and unconscious levels of reality. It is the Divine Minister with hands-on help from our attending angels that do the actual adjusting of our mind circuits – of all our circuits, even the physical if need be.

Spirit of Truth becomes active more so when you connect to the Source Soul and commence receiving Divine Love.

You are a spirit person having a physical experience. Your physical body is encased within your spirit body.

The spirit body only exists because our soul wants it to. In the fullness of love, even all our encrustments and wrongness is not actually bad, they are just the nether side of love.

So evil is literally a state of mind, and once you heal it you even feel love for your wrongness and even no longer hate it – that being full self-acceptance. But you can't contrive these feelings or level of awareness, it has to come of itself and will through the higher levels of your Healing.

How man can come into harmony with the laws that govern him as the created man, without obtaining the Divine Love.

I am here, Abraham Lincoln.

Let me write a few lines tonight as you are in good condition to receive my message. Well, I see that you have been thinking a great deal about spiritual things, and have longed for the Love of the Father, and by such thoughts and longings you have come unto a condition that enables the spirits to make a rapport with you.

Tonight, I desire to write for a short time on the subject of how important it is for man to learn the truths of God in reference to the plan which He has prescribed for man's salvation, and his coming into harmony with the laws that govern him as the created man.

As you have been told, in the beginning man was created perfect and in all the constituent parts of his being made in harmony with God's laws controlling man as a perfect creature, and if he had never disobeyed the precepts of the Father, he would have always remained the perfect man.

Now this condition of man is a fundamental one, and the soul is in itself just as capable of that perfection as it was when created, and only by the sin of disobedience was it alienated from God and made the possessor of those things which tend to contaminate it, and cause its pure condition to be overshadowed and dormant as to this perfection.

All of God's universe is perfect and subject to the workings of His perfect laws, and when that condition exists which shows that some one or other of His creatures are not working or being in harmony with these laws, it only means that in order for the restoration to the harmonious existence, man must renounce and get rid of these foreign things that have the effect of interfering with the harmony of his creation.

There is no such thing as total depravity or original sin, or the existence of any condition of the soul in this sin that cannot be remedied by the application of the proper treatment and the removal of the incubus. (An oppressive or nightmarish burden.) Man, in order to become perfect again as he was before the fall, is not required to be recreated or have imposed upon him that which will make him a new or different being from what he was in the beginning. The perfect man is still in existence, but is hidden from the sight and consciousness of men, and needs only his revealment by eliminating from him the covering which now hides his real self. Nothing new is needed, but only the riddance of the soul from those things which do not belong to it, and then the soul will appear just as it was created: a perfect soul made in the image of God, but not formed from any portion of the Great Oversoul of the Father.

Feelings first

For a long time, now, man has remained in **this condition of having his soul covered over by those things that are merely the results of the perversion of his appetites and the animal part of his nature**, and it is only by a process of renunciation that these encumbrances can be gotten rid of, and man stand forth a free and glorious being, as he was before the burden of sin came upon him.

In this process he needs no one to pay any supposed debt to the Father or to make an atonement for him, but he must himself, by his course of thinking, and consequent doing, remove the things that cause him to appear to himself and to others, the outcast from God's favour. And in order to accomplish this, he must first renounce the idea that he is a vile being and not worthy of the favour of the Father, and assert his belief that he, as the man, is the perfect creature of God, and can of himself regain the estate from which he has fallen, and let sin and error be removed from his present apparent existence. In doing this he will be helped by the spirits of men, who from their own experience know that sin and error has no real existence in the economy of God, but in the living of man on Earth, and in the spirit world as well, have a reality that has prevented men from finding their true selves.

The renunciation is not so much a matter of the intellect as it is of the moral nature of man; and he, while he must use his mind and its attributes in working out this renunciation, yet must try earnestly, and certainly use the moral faculties of his nature; for the perversions of these faculties are the foundation of his present condition of sin and error. **This renunciation may take a long time to be accomplished**, as men look upon time, but it will finally come to pass, and the harmony of God's universe will be restored. But in the meantime men will suffer, for this renunciation is always accompanied by suffering, not so much as a necessary ingredient or penalty of the renunciation, but as a consequence of the changing of men's wills and desires in the process of reaching again the condition of the perfect man.

I will stop now, as the rapport has ceased, but will come again. Good night, I am your friend and well wisher.

Lincoln

The Divine Love completes the form of the human being.

Our soul is formed from the substance that is natural love. When we earnestly and lovingly ask for Divine Love, the Divine Love is added to our soul, thus we steadily and progressively become complete in our being.

I am here, Abraham Lincoln.

Yes, it is I, and as I look back on my Earth life, I am as amazed as you are that I was able to survive and cope as well as I did. But I consider it the Lord's doing.

The Lord has heard your prayers to sharpen and hone your mediumship skills. This, of course, can only benefit our task as well. But remember that you have already demonstrated the ability to channel things you had no knowledge of, such as your Moses channellings, and the experience with F _____. You will see that your prayers will be answered in this regard.

I lived and died humble, and humble I remain. The gifts I possessed all came from the Lord. I just followed the cues. I see now that my political ambition was not corrupt, but rather, was guided, for someone had to steer the ship of state. I did realize my "chosen" position when I was president, but it didn't go to my head. The war made me suffer, not just because of my personal sorrows, but because of the suffering the entire country endured. It was, paradoxically, this empathetic vulnerability to other people's suffering that simultaneously drained me and gave me the strength and courage to go on. Without that empathy, I don't think I could have succeeded in getting through. I knew the Lord had put me in that position, and I also knew that He works through love and caring. I could not escape the fact that as Commander-in-Chief, I was responsible for so much bloodshed. I know this is a subject you have wanted to be enlightened about, and I will try my best to do so.

You can't understand why King David suffered so much because of his wars, and I apparently did not.

The answer is in the motive. I had one overriding motive, and one motive only, and that was TO PRESERVE THE UNION. King David's motive, as he has told me, was to enlarge his hegemony and increase his power. In his time, enemies in war were seen as less than human, and treated as such.

Another fact which "got me off the hook," as you say, is that I DID NOT START THE WAR. In fact, I did everything I possibly could to prevent it.

I know you don't understand the exact relationship between God and war. But as with everything else, God scrutinizes our hearts and is primarily interested in our intentions, our motives. And so, one cannot always just blanketly condemn people in war situations that involve suffering and death. That is solely within the province of the Lord.

I know you are confused about all this. When is war appropriate, if at all? When should we defend ourselves, and when should we "turn the other cheek?" This area has puzzled so many people. It is admittedly a very difficult thing to understand. But I can assure you that everything is taken into account, so that every single mortal who has lived through war, whether they be leaders, combatants, or civilians, is accounted for in terms of exact justice.

And so, my friend, consider my words, and "judge not so ye be not judged." You don't really know other people's inner life; indeed, we don't sometimes even know our own inner thoughts and feelings. If you will apply this wonderful principle, you will find a great peace descend on you, and a weight removed from your shoulders.

As you go on in your journey through life, love everyone and leave judgment to the Lord. Everyone is doing their best to live out this difficult life. We all make different choices to take care of ourselves. If you feel you have done your best to take care of yourself by honouring the Lord, why then, God can't ask anything more of you. Everybody and everything else are outside of your realm, where they should not affect that peace that only the Lord can give.

With love, Abraham Lincoln

The radiance of a soul in good condition is reflected through the spirit body.

A soul in poor condition has very little energy and subsequently is lacking in radiance. The size of the entity is also diminished.

We radiate our own light. Not only when a soul in poor condition is lacking luminosity and energy, its capacity to travel is also significantly diminished, as is its physical size.

FEELINGS FIRST For Kids

SPHERES: KINGDOM of MAN – SPIRIT WORLD

The first 7 spheres have logical and clearly defined end points both at the 6th and 7th spheres. Therefore a sequence of numbers is useful as a reference. Within each of these lower spheres there are many stations or sub-spheres so to speak through which beings move. There are barriers preventing movement from one to a higher one until the necessary changes have been made. The 6th sphere is the ending point for those who are following what has been referred to as the Natural Love Path.

There exists a barrier between the earthly levels and the spirit levels and this is largely man-made. This barrier has been built on fear and is made of belief.

Spheres:

7 The 7th sphere is the transitional stage between the lower spheres and up into the Celestial Realms.

There are barriers within the structure of the spiritual realms which constrain beings until they are fit to make the move to a higher level. This is not in anyway competitive or subject to examination but is to ensure that the being concerned does know what they need to know in order to function at the next level. The transition, when it happens, is totally smooth and natural and dependent of the level of knowledge of the being.

KINGDOM of GOD – CELESTIAL REALMS

Above the 7th sphere we enter into a greater awareness of infinity.

Why attempt to number infinity?

There is a much less clearly defined system of Celestial Spheres with what we could call a blurring of the edges.

Each of us who are within the Celestial Spheres knows who he or she is and knows what we can do. That one might be a little or a lot further along the path makes no difference to the mutual love that we feel or the level of cooperation that is found in every endeavour. If one is further along, that one is then committed to helping all others to come along. There is absolutely no sense of competition. That was left behind long ago.

St. Luke. (Apostle)

Let me write a few lines tonight as you are in better condition, and I am able to make a rapport with you and deliver my message.

I was with you today at a meeting of the New Thought people and saw the impression made upon you by the speaker in his efforts to show that God is within man, and that only the opening up of the soul or mind of man to the development of that God is all that is necessary to bring that man into a perfect atonement with the truths of God's will. Well, I have to say that this speaker, when he comes to a realization of himself in the spirit world, will find that God is not in him or in anything that he may have possessed in his Earth life; and that his development of the kingdom within him, as he termed it, was a mere delusion and a snare to the progress of his soul, in its career through the Earth life, as well as through the heavens or spirit world.

He is mistaken when he announces that the Kingdom of Heaven is within him, or that he has that within him which can, by its development, lead to the condition of the perfect man, in the sense that he spoke of. He is following a false way, and all the efforts that he may make will not lead him into the paths that end in the perfect man that partakes of the Father's Divinity.

He is also mistaken when he asserts that God is everywhere – in the flowers and in the thoughts of men and in the heart – for God does not find his habitation in any of these things, and men do not live and move and have their being in Him. He is a distinct and individual entity, and is not spread over all His universe, as the preacher proclaimed, and can only be found by the longings of the soul, followed by a development of that soul in His Love.

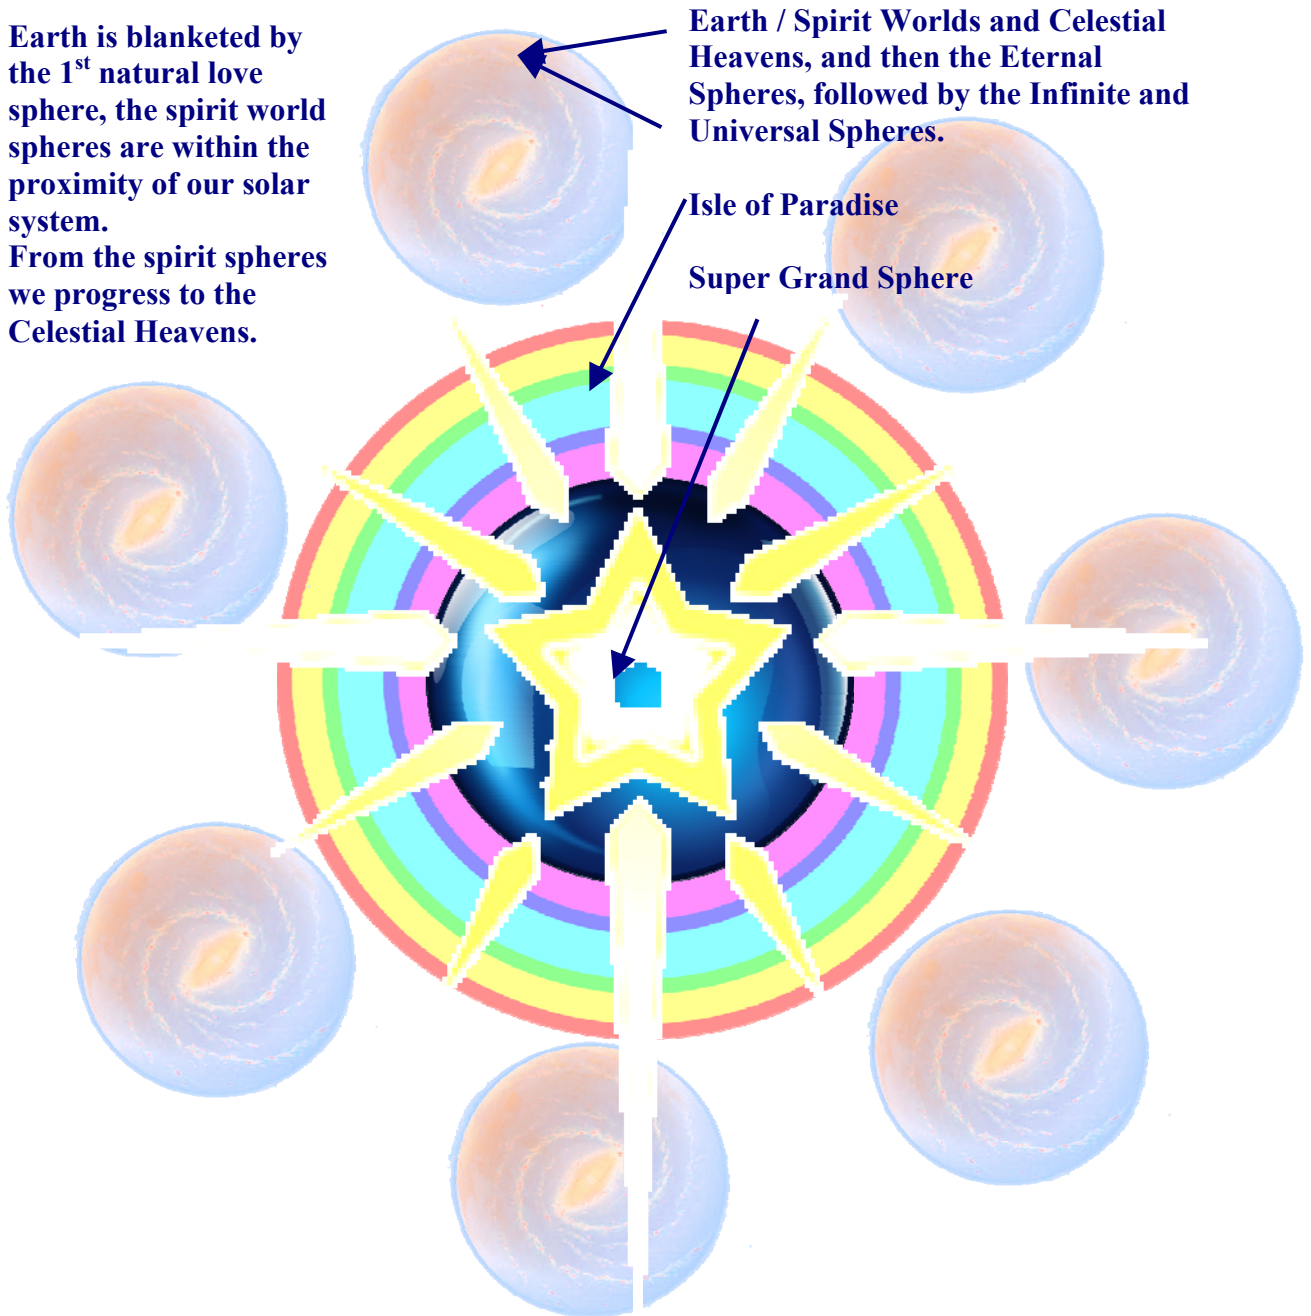

No, God is in His Heavens, and man can reach Him only by the persistent longings of that soul for the inflowing of His Love. These things that the preacher declared were the presence of God are only the expressions of His being, and they do not declare His presence in any other sense than as the evidence of His existence – in His habitation, from which these expressions flow and make known to man His presence, as these things reflect it. I am sorry that this speaker has not more knowledge of the true God, and of His seat of habitation, for then he would realize that these things upon which he places so much belief as being the very God, Himself, are but the expressions that flow from Him.

Man has within him that which has in itself wonderful possibilities – I mean the soul. And it may by the observance of the way that transforms it into a Divine angel, become Divine itself, or it may only by the slow process of renunciation become merely the perfect man with his natural love in a pure state, which was the condition of the first parents. If men will listen to the call to their souls, they will realize this possibility and receive this Divinity, and with it, immortality; but without this transformation they never can become other or greater than the perfect man.

OUR JOURNEY to the CENTRE: HEAVENLY PARENTS are UNIVERSALLY PRESENT:
 Earth is one of the youngest inhabited planets on the outer edge of the youngest of the seven super-universes. From the spirit worlds, we progress to the spheres of many mansions, being the Celestial Heavens nearer to the centre of our super-universe. From there we progress to the Eternal spheres which circulate around the Isle of Paradise. The Isle of Paradise remains stationery and is the home of the Source Soul, our Heavenly Parents, Mother and Father.

Our progression is always towards the centre – inward and upward.

Earth is blanketed by the 1st natural love sphere, the spirit world spheres are within the proximity of our solar system. From the spirit spheres we progress to the Celestial Heavens.

I know that men teach that there is implanted within the souls of all men, that which is capable of being developed into an existence like unto God; that man needs only this development in order to become a God, and that there is nothing else necessary to make a human soul a part of the Soul of God. But in this teaching men are mistaken, and will find themselves, at the stage of their highest development, nothing more than the perfect man. Man has within him only that with which he was created, and can of himself add not one thing that will change him from this condition of his creation.

It is true that he can by a right course of thinking and living renounce those things that have tainted his soul and alienated it from the Father, and made it sinful and disobedient; but when this is done, he is still only the perfect man, and nothing of the Divine is in him. Jesus was the perfect man and, as such, was an exemplar of what all men will ultimately become; and if Jesus had never become more than the perfect man, he would not now be an inhabitant of the Celestial Heavens, and the beloved Son of the Father.

Yet he became more than the perfect man, and it was only after he attained to this condition of excellence, that he could say, *"I and my Father are one,"* for it was then only that he possessed the Divine Love to that degree which made him at-one with the Father. Only he is at-one with the Father that realizes that he is possessed of the very nature and Essence of the Father, and there is only one way in which this can be obtained, and that is by the inflowing into the soul of the Divine Love. Jesus could not say to the multitude that they were at-one with him and with the Father, for they had only the natural love and had not experienced the transformation of their souls; and such sayings as this were addressed only to his disciples, or to those among his hearers that had received this Love.

The speaker spoke of the New Birth, but had no conception of what it meant, and like many other teachers, in and out of the churches, believes that a mere condition of the purification of the natural love constitutes this New Birth, and that that is all Jesus meant when he taught the necessity of being born again. There is only one way in which this New Birth can be brought about, and that you already know.

As to the moral truths taught by the Master – such as are referred to in the Sermon on the Mount – undoubtedly they will, if observed in the heart, bring about a regeneration of the soul that will lead men to the glory of the perfect man and make him at-one with the laws of his creation. This condition is devoutly to be wished for and sought after by all men, and when they attain to this condition they will experience the beatitudes that are mentioned in the sermon; but this is only the state of the perfect man, and nothing of the Divine enters into their condition.

"New Thought",¹ as it is called, has in it something that is an improvement on orthodoxy, and men will be the better if they will embrace some of its teachings. The great stumbling blocks of the Trinity, and the vicarious atonement and the blood would be moved from the worship of men, and they would then rely on the moral truths in the development of their souls for salvation, and would not rest supinely in the belief of the efficacy of the vicarious atonement. But some other things that it teaches are all wrong, and its followers will find when they come to the spirit world that there is a God to be worshipped, and that man has not within him that God to be developed by his own thoughts and deeds.

I know that according to the orthodox teachings too little is thought of the natural goodness of man, and too much emphasis placed in his innate depravity, and that nothing in man is worthy of the release from the sin and disobedience in which he is now living; and that of himself he can do nothing to bring about his purification and restoration to his original condition of the perfect man. This is wrong, for very

largely upon man's efforts depends his redemption; *"and as a man thinketh in his heart, so is he."* He is naturally good, and his present condition was brought about by his permitting his soul to be contaminated with sin, and to become again good he needs only to pursue that way that will remove sin and its consequences from his soul. Man created sin, and he will have to remove sin, and the process will be slow, but ultimately it will be accomplished, and by the efforts of man himself. He will be helped by spirits who are God's ministering angels in these efforts, but upon him depends the removal of that which he created and imposed. And here let me say, that unless man wills it, he will forever remain in sin, and God will not, contrary to man's desires, make him a pure and undefiled being; and man's belief, unaccompanied by striving and seeking, will not be sufficient to bring about this remedy.

The speaker is a good man, and has experienced to a large degree the workings of his own will upon the conditions of his soul, and knows that his own efforts have caused him to renounce many things that tended to defile him and cause doubt, and in this condition realizes much happiness, and thinks that he is of himself sufficient to attain to that which will bring him into a perfect unison with the God that he thinks is within him. In this he is deceiving himself, for what he thinks is God is only an unusual condition of soul development in its natural love, that gives him a happiness which causes him to believe that God must be in and a part of him.

As you have been told, the happiness of the purified soul is beyond all conception of humans, and the nearer a man approaches to that condition of purification of his soul, the greater becomes his happiness, and the belief that God must in some way be in that happiness and form a part of it, when the fact is that this happiness is only that which was bestowed upon man in the beginning. As the soul becomes purer and relieved from the defilement of sin, man becomes what he was in the beginning, and has regained only that which by nature is his. He does not receive any part of the Divine, nor does the Father bestow upon him anything that was not his at the creation, and he must realize that by the removal of sin his soul becomes more and more in harmony with the will of God, and less and less in harmony with his own perverted will.

Let "New Thought" progress until men may realize that they are at-one with themselves, their created selves, but let it not teach them that what they experience as a removal of sin from their own souls by their own efforts and thoughts, is evidence of a development of any supposed God within them, for it is not true; but is merely the development of their own natural created selves, freed from that which defiled and made them unnatural.

The speaker said that the Kingdom of Heaven is within all men, and needs only for men to realize that fact, and declare its truth, and that then they will become pure and like unto God, and find themselves in the presence of God, and see Him face to face. Well, in this he is all wrong, for the Kingdom of Heaven or Celestial Kingdom is not within men, though it may be, and neither is God in their souls and capable of being seen face to face. These men – who teach purification of their natural love and a superior state resulting from that purification and nothing more – will never see God, and they will always remain in the mere image in which they were created, a merely purified man made in the image of God, and nothing more. The Father will then be the same unseen Creator as he is now, and men will worship Him in faith only, for their soul perceptions, which are the only eyes of the soul that can see God, will not exist, and to them God will still remain the unseen and unknowable being that exists today in the knowledge and belief of men.

Well, I have written enough for tonight, but saw that you were somewhat interested in the teachings of the day, and thought it best that I should write you as to the truth of the subject of which he discoursed and evidently believed.

With my love to you, and the hope that our messages may now continue without interruption, I will say, good night.

Your brother in Christ,

Luke

¹ **New Thought** promotes the ideas that "Infinite Intelligence" or "God" is ubiquitous, spirit is the totality of real things, true human selfhood is divine, divine thought is a force for good, sickness originates in the mind, and "right thinking" has a healing effect.

Although New Thought is neither monolithic nor doctrinaire, in general modern day, adherents of New Thought believe that their interpretation of "God" or "Infinite Intelligence" is "supreme, universal, and everlasting", that divinity dwells within each person and that all people are spiritual beings, that "the highest spiritual principle [is] loving one another unconditionally ... and teaching and healing one another", and that "our mental states are carried forward into manifestation and become our experience in daily living".

The New Thought movement is a spiritually-focused or philosophical interpretation of New Thought beliefs. Started in the early 19th century, today the movement consists of a loosely allied group of religious denominations, secular membership organizations, authors, philosophers, and individuals who share a set of beliefs concerning metaphysics, positive thinking, the law of attraction, healing, life force, creative visualization, and personal power. The three major religious denominations within the New Thought movement are Religious Science, Unity Church and the Church of Divine Science. There are many other smaller churches within the New Thought movement, as well as schools and umbrella organizations. (Source: Wikipedia)

WE ALL ARE BEING GUIDED HOME:

We need the Spirits of Truth of the Avonal Pair to Heal ourselves; then once Healed, (and for support (overshadowing) as well through your Healing), we need the Creator Pair, Mary Magdalene and Jesus’ Spirits of Truth to see us through the Celestial spheres, while at all times embracing our Heavenly Mother and Father.

Until Mary and Jesus died and liberated their Spirits of Truth, no one from any of the worlds could leave Nebadon, because no one knew the way to do so. Nebadon is our local universe containing some 3.8 million inhabited physical worlds and their associated spirit worlds.

When we embrace the truths Mary and Jesus are revealing, and start to do our Feeling Healing, or with Divine Love, Soul Healing, we are then freeing ourselves up from our parental and self control.

Thus our journey to Paradise, to the home of our Heavenly Parents, is of our choosing as to when we progress, however, there is only one way:

HUM: Humanity is to ascend. We are self contained. Our soul is always in truth and perfect at all times. **By living true to ourself, true to our feelings, we are living true to God. It’s that simple.**

We are to recognise that being engaged and dominated by our mind is the wrong way for us to evolve and grow in truth. We are to discard the mind enslavement that has been imposed upon as by all of our parents. We are to express our feelings, both good and bad and free ourselves of the indoctrination that humanity has embraced worldwide.

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God’s soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of our Mother and Father.

AVO: We are to embrace the truths and guidance of the Avonal Pair through their Spirits of Truth. It is the Avonal Pair’s guidance that will lead us through our Feeling Healing, and with Divine Love, we will be able to ascend through the 7 spirit Mansion Worlds and enter the Celestial Heavens where we also interact with other world’s spirits.

J&M: We are also to embrace the truths and guidance of the Paradise Pair, Mary and Jesus, who will then lead us through the 3 Celestial Heavens that are aligned with Earth, and then further on through Nebadon where we will then depart beyond on towards Paradise.

M&F: Beyond the universal zone of Nebadon, we will be guided by our Heavenly Mother and Father onwards through the universes to Paradise where we will be welcomed by them, home for us all, as we are all Children of God.

M&F

J&M

AVO

HUM

WE ARE Children of God

WE ALL ARE BEING GUIDED HOME – NOW, HOW TO COMMENCE THE JOURNEY:

GOD

M&F

For 200,000 years, we have been misled into embracing our mind’s distortion of wisdom and truth. All such traditional understandings only lead us in the wrong direction, from which we must turn back from. Our soul based feelings are always in truth. Our minds are to follow our soul based truths and feelings, not the other way round, as we have been brought up to embrace.

We are to connect with our deeper repressed feelings.
We are to long for the truth of what we are feeling.
We are to live true to our selves; by living true to our feelings.

Use your surface day-to-day feelings to connect with your deeper repressed feelings. Express your surface feelings and your deeper repressed feelings to uncover the truth of yourself.

J&M

We all have feelings which we communicate and share with each other. And we all have deeper buried and hidden repressed feelings. Feelings from our early childhood we felt, yet weren’t allowed to express. These feelings are still within us, waiting to have their say. These feelings, because they are repressed, cause us all our problems.

And as we look to uncover, bring out and accept these deeper feelings, so we’re taken into new ways of looking at ourselves, our feelings, and our life. We’re setting ourselves free of the controlling patterns that govern our unloving behaviour.

In this way, we progressively begin to express the personality that our Heavenly Mother and Father gave us, not the one imposed upon us by our physical parents and carers. We are to be our true and real selves.

By living true to ourself, true to our feelings, we are living true to God. It’s that simple.

AVO

HUM

As we, humanity, long for the truth of our feelings, we can also be assisted by the Spirits of Truth of the Avonal Pair who are our spiritual teachers for Earth over this coming 1,000 years, to assist us through the Great U-Turn, away from mind dominance to being soul based feeling lead. They will assist us through the seven levels of the spirit Mansion Worlds.

Then the Creator Pair, Jesus and Mary, will lead us through Nebadon and into the greater universe. Then our Heavenly Mother and Father lead us home to Paradise.

Collectively, should we embrace them all, as we are to, then our pathway home is a journey in the hands of the Spirits of Truth of the Avonal and Paradise Pairs overseen by our Heavenly Parents.

HOW TO GET TO PARADISE:

Long for the Divine Love

Long for the Truth

Long for the truth of your feelings

Don't deny any feelings: accept, express and want to know the truth of them

Know your feelings are the key; your feelings are the Way

Want to end your falseness and being untrue

Want to understand the truth of your early life

Use your surface feelings to move deeper into yourself, bringing up your repressed feelings

Want and long to know the whole truth of yourself

Want to do it all with God, your Heavenly Mother and Father – long to Them for help.

The Key

Our longing drives our life. We long with feelings. We can wish for things using our mind, yet long for things with our heart. These things in the pyramid are what to long for. Longing for them, when the longing comes naturally. Longing because you feel you really want them. Long to be true with all your heart. Long to live true to your feelings. Long to understand the whole truth of yourself.

PARADISE TRINITY:

1. **Our MOTHER and FATHER (God) (MF) – Divine Love**
SOUL (God) – One SOUL that is expressing its two PERSONALITIES, our Heavenly Mother and Heavenly Father (Soulmates)
 2. **ETERNAL SON (ES) – Divine Truth**
 3. **INFINITE DAUGHTER (ID) – Divine Mind**
- Then: The Second and Third Persons of the Paradise Trinity (ES and ID) are stepped down to the local universe trinity (Mary and Jesus, Divine Minister (DM), and her Holy Spirit.

The LOCAL UNIVERSE TRINITY:

1. **MARY M and JESUS (MF) – Love – the Living Truth**
2. **DIVINE MINISTER (DM) – Mind (and her Holy Spirit)**
3. **HUMANITY – Natural love, sons and Daughters – Truth, and our Angels – Mind**

PLANETS that engage in REBELLION:

1. **AVONAL SOULMATE PAIR – the Feeling Healing process – incarnate**
2. **DAYNAL – TEACHER PAIRS – they do not incarnate**

So in summary:

Consider a diamond:

Mother and Father Heavenly Parents

Creator Son & Daughter
Jesus and Mary

Avonals
as soulmate pairs

Trinity Teachers
as soulmate pairs

Melchizediks – who have taken over from the Caligastians and Daligastians being also all as soulmate pairs.

Mortal Souls – human beings who individualise on Earth, then progress through the spirit Mansion Worlds, then into the Celestial Heavens, and beyond.

Mortal Souls – also being ascending spirits, upon completing their Soul Healing, join with their soulmate, then join their soul group of 24 mortal spirits, being 12 soul pairs. It is only as a soulgroup that anyone can progress beyond Nebadon.

The Paradise Pairs are all ONLY concerned with the SPIRITUAL wellbeing and upliftment of the planets and local universe. Currently to do with Earth:

Mary and Jesus – spiritual wellbeing and upliftment of the whole of Nebadon region.

Avonal Pair – Daynal pairs (Trinity Teacher Daughters and Sons) – Spiritual wellbeing and upliftment of individual planets and their associated Mansion Worlds.

The Local universal Sons and Daughters are all about the running of the worlds under their jurisdiction, and ensuring the higher spiritual elements can be employed, or sent astray, as in our cases through the Rebellion and Default.

Lanonandeks – Melchizedeks (and others, such as Life Carriers and Eve and Adam).

As the Lanonandeks all rebelled – the Lucifers, Satans, Caligastias and Daligastias soulmate pairs – so the Melchizedeks have taken over their roles, as well as doing their own.

So the Melchizedeks are the governors, overseers, the administrators and advisors and so on for Earth; they are the ‘controllers’, and they will instigate all that needs to be done to do with the ending of the Rebellion and Default. And they will enlist the willing help of ascending mortal pairs, so the mortal Celestials spirits (soulmates when available, and others waiting to unite with their partner), and at times mortal spirits in the Divine Love Healing Mansion Worlds. And the angels help all of us.

Currently the whole of Creation exists for the ascension of mortal souls from their earth planets to Paradise. It’s all one vast Grand Ascension Scheme. With all the higher and lower spiritual Daughters and Sons, together with all the many different angels and other universal spirit personalities, and even including nature and our very own pets, assisting women and men with their Ascension Journey. It being: and Ascension of Truth. Everything we do is done to help us grow in truth. (Only everything we do in our negative state is to deny ourselves our truth from our feelings, which is why we have to do our Healing.) All women and men are ascending (or growing) in truth through their experiences. And as we grow in truth by looking to our feelings to show us that truth, so we’re ascending, moving inwards and upwards through all the worlds and spheres of the Grand Universe to one day arrive on Paradise and meet our Heavenly Parents. God is providing us, Their children, with this spiritual journey called our Ascension of Truth. And by living true to our feelings, so we are progressing on our true Spiritual Path – our Ascension Path.

CREATION of SOUL and SPIRIT:

God is *The Paradise Trinity* — the eternal Deity union of the Personalities: the Universal Mother and Father; the Eternal Son of Truth; and the Infinite Daughter Spirit of Mind.

The soul of each human personality (sons and daughters of truth) is existential, driving our personality expression in the experiential. The soul of each human finds truth by embracing one's feelings and longing for the truth of them. We are to attain the Eternal Son of Truth. We are a creation of Truth.

Feeling Pathway

Mind Pathway

Soulmate Pair

Angel

Spirit Person

Nature Spirit

The soul of angels is experiential, evolving through their experience by continually progressing in mind development. Angels are to attain the Infinite Daughter (Spirit) of Mind. Angels are a creation of Mind. Our soul is duplex (we have a soulmate) and is created by our Heavenly Parents. Through our Feeling Healing we perfect ourselves enabling the union with our soulmate, as we progress in truth up through the Mansion Worlds, celestial heavens and all the way to Paradise.

The soul of angels is also duplex, yet of the mind, and they progress in mind evolution to Paradise. Animals, plants and nature spirits are also creations of Mind.

Neither we nor animals reincarnate. We never die; upon death, we move into the spirit Mansion Worlds on our journey to Paradise. When animals and plants die, be they the tiny microbe to the mighty elephants of the land and the whales of the ocean, their spirit energy returns to the Spirit Collective Energy. And from this energy are drawn other animals and the nature spirits, who then in turn move onto becoming angels through increasing mind experience.

A nature spirit is an angel in waiting.

NATURE and STAGES of FUSION:

Seventh stage of Fusion of individuality is the transition from the Eternal Spheres towards the Spheres of Paradise. The individual is now fully fledged in their union with God and can travel around the entire soul Sphere that God is and resides in.

Sixth stage of Fusion truly demonstrates how the personality is infused with extended attributes of mind-spirit function as the individual progresses from the Celestial Heaven and enters the Eternal Spheres.

Pre-Incarnational Sphere:

First stage of Fusion is the separating of the soul into two, each soul half being complete on their own.

Fifth stage of Fusion transpires when their natural love changes and one's soul progresses to the condition to be of Celestial soul quality, one enters the Celestial Heaven.

Fourth stage of Fusion involves the Divine Love. This can happen at any time during the natural life experience of the individual. Happens when the Immortal Divine Love enters the attribute of the soul for the first time, either when in the physical body state or spirit body state.

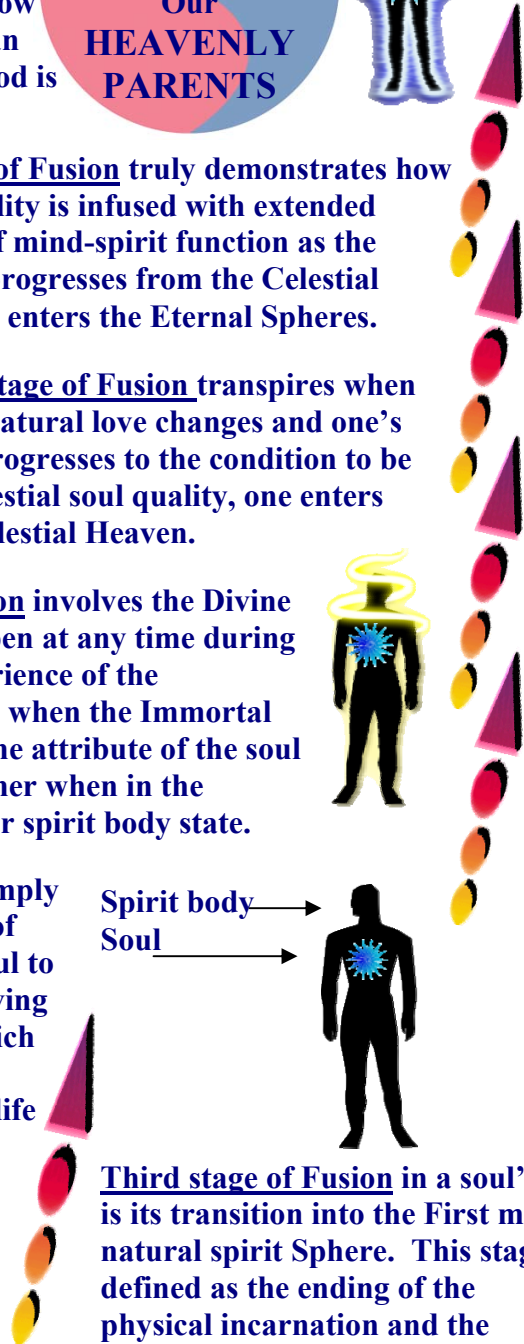

Second stage of Fusion is simply defined by the incarnation of the finite attribute of the soul to acquire a spirit body and living attribute of personality, which commences the finite soul's individualisation of mortal life experience.

Spirit body →
Soul →

Third stage of Fusion in a soul's life is its transition into the First mortal natural spirit Sphere. This stage is defined as the ending of the physical incarnation and the beginning of life in the spirit world.

Why do people behave unlovingly without reason

Hello my friend. So nice to see you blossom again. I'm glad you noticed we were with you. There was indeed a reason for you to feel the energy of anger during your meditation. We needed you to feel it so we could explain a couple of things to you concerning: 'knowing thyself' and 'loving thyself'.

When we reminded you about the experience of someone stabbing you in the back you felt anger, sadness and powerlessness coming over you. Especially when you thought about the fact you had never done anything wrong towards that person. On the contrary, you even protected him when other people were talking about him behind his back. You were sad everybody was so quick to jump to conclusions (and judge you) while nobody even thought of asking you for your input to clarify a thing or two.

The reason why people behave like this has been a big question to you (and also to a lot of other people who've experienced the same thing) and has occurred many times during your life. It is like a theme that pops up once in a while.

The first thing you have to understand is: energy accumulates during life when it is not classifiable. If we have an unloving experience, all other unclassified encounters, belonging to the same (unloving) theme, will add up (energy) to your current experience. That explains, for example, why people sometimes seem to react irrationally or why they overreact to a specific experience.

Secondly, I want you to think about this: everybody has had experiences where somebody treated them very badly but they were able to forgive that person because they knew the reason why they were overreacting; for example: because they just lost their mother, because they just found out their spouse wanted a divorce, etc. So being able to identify the reason why people act unloving towards us helps us to classify and forgive or forget about it. That is the reason why we are having this conversation: to help you classify the unclassifiable experiences.

Most of our unloving experiences are unclassifiable because most people (we have such experiences with) are not able to give us the reason, because they truly do not know themselves. This is why it is so important to 'know thyself'.

So if an acquaintance tells somebody you are not trustworthy (and you have done nothing to them to make them say such a thing) you have to understand the subconscious process behind it. Deep down inside, the soul knows what the (internal) problem is. It will try to establish a connection with the mind so it can clarify the reason of the problem why one feels out of tune. This is an automatic process (of the soul) because the soul is only made to give and receive the energy we call love and it wants to regain its pristine state of natural love as it was before incarnating. Of course the mind (or ego) doesn't want to hear about this so it will project (what the soul wants to explain) onto someone else.

Hence, if you carefully analyse what we just explained, you will understand it is what lies underneath 'the principle of projection'. People see themselves in others. It doesn't define the other, it defines them.

Let's take your experience for example. The person who said you were not trustworthy hasn't got a problem trusting you. Deep down inside he has a problem trusting himself. The reason why is up to him to find out. And if people would just ask for Divine Guidance and Divine Love to help them and let go of their minds and preconceived ideas about what the answer should be, they would get a clear and accurate answer so they are able to classify it and live a life without having to deal with the burden of such flaws over and over again. And once more the importance of 'knowing thyself' is shown. If people would apply this knowledge to themselves and acknowledge it is an internal (not an external) problem – how hard it might be sometimes – they would evolve much faster.

(Well, this all makes a lot of sense but it doesn't take away the fact they influenced other people to think the same thing about me. That harm is still done. And what about the fact I sometimes want to talk to people about the incident although I know I shouldn't because I feel it's not that important. Is there a reason for that too?)

The fact you have the urge to talk about it does indeed tell you more about yourself. It tells you, you still don't love yourself as you should; that you still need / want other's confirmation about who you are. But if you look closely, you will see how ridiculous that is. How others look at you doesn't define who you are; how you look at yourself defines who you really are. But it is because your father deceived you into accepting this flaw (because it was to his benefit) that it has now been ingrained in your mind.

So you see, the things you just mentioned and asked are all related to the same flaw you accepted as being true. And as long as you do, that flaw will block (a portion of) the natural love to flow through your soul. Flaws block the flow of natural love and that is the reason so many have a dark soul. For as the flower needs sunshine to blossom, so does the soul need love to shine.

Unlike Divine Love, natural love flows around, through and to everybody without having to ask for it. Like there is a Holy Spirit, (for Divine Love) there is also a natural (love) spirit because our souls need love to function at normal capacity. So the state humanity is in now, is much less than its true capacity. That is why we have said so many times and through so many mediums before: the state of the perfect natural man is your birthright; it is your normal level of being. The only thing man has to do to regain this state, is unblock the flow of natural love by letting go of the flaws it is hanging on to; not by adding something which isn't already yours.

There is one last thing I want to explain before I stop. Since this normalisation process (to give the process a name) is automatic, the soul will always be looking for ways to restore its natural flow of love. And because the soul is sometimes so deprived of love, it feels almost impossible to restore its natural flow, let alone to re-establish a connection with its Source (God). Therefore it seeks help from a much closer source: the human soul (it comes into contact with); but one that contains a lot more love than itself.

So next time somebody treats you in an unloving way, don't be offended. Consider it a compliment since their soul recognizes you as a source of love and is reaching out to you for your help and love; it is only their mind that is blocking them from seeing the truth. So stay kind and loving (as Father) and don't let them influence you to deprive your own soul from the love it needs. That is the only way you can ever really help them. Thank you for helping us out with explaining this. We like what you have written. [Laughs] Your friend, John.

Divine Love

The Gift that keeps Giving

A general universal platform on how to experience Divine Love

As more people become aware of the *Divine Love*, how to experience the Divine Love required a need to provide a general universal platform that is simple yet an effective way for one to experience *Divine Love*. People may learn about the availability of *Divine Love* by word of mouth or from reading literature that introduces this gift for our soul, and also by participating with group dynamics where the *Divine Love* is introduced and discussed. The essence of this standard platform is its independence so that the individual may feel guided to include this simple platform in their daily life and experience of *Divine Love*.

The platform introduced here is a technique that is simple, constant, practical and has been utilised in the general public for over 20 years with good consistent results, accommodating participants and their diversity of belief and cultural background. This platform is a reliable place to begin with the experience of *Divine Love*. It needs to be confirmed that accepting *Divine Love* rests with our soul and heart and that to experience this Love will comfort one in their individual faith experience as we all aspire toward the greater reality of Love, Truth and Spirit.

A Universal Platform on How to Experience the Divine Love:

Firstly, you are aware now that you can experience the *Divine Love*.

Find a comfortable chair; sit down in a relaxed and normal position.

Close your eyes and take 3 deep single breaths in through your nose and out through your mouth to clear energy and to relax into this experience. Have a little faith and proceed without great expectations.

Gently turn your inner heart and voice to the Soul, God in faith when you feel ready, ask the Soul, God with your own loving voice for an inflowing of *Divine Love*. Having asked sincerely, there is no need to continuously ask. The Soul, God hears sincere love in the asking and so The Spirit that brings the Love acts, and *Divine Love* is now flowing.

Having asked once, you will be receiving the *Divine Love*.

Proceed without expectation on what will happen as you experience the Love.

Sometimes your mind may wander – or there are thoughts, feelings or physical sensations. Experiencing the *Divine Love* is never a forceful experience.

Continue for as long as you feel you would like to. This may be for 5 minutes or 20 minutes or an hour. Time will vary for the needs of the individual or group.

Take another few deep breaths to assist your focus. Give our love to the Soul, God and in our own voice inwardly say this Soul, God that you love this Soul and are grateful to receive this *Divine Love*.

Then when you feel ready, open your eyes and take another deep breath or two, and this closes the experience.

Some helpful hints:

- This general universal platform on how to experience the *Divine Love* is uncomplicated. Some people have utilised this platform for over 20+ years, never needing to change.
- The essence of this standard platform is to experience the *Divine Love* in a comfortable way therefore this technique needs to be simple, effective and inclusive.
- Experiencing the *Divine Love* can be a long-term experience so to have a practical, simple, functional standard platform solves a lot of problems about *how* to experience the *Divine Love*.
- From this general platform people who like prayer or meditation, reflection, spirit communication, or just being *in* and *with* the Love can extend their experience from this standard position.
- Lastly, enjoy! And know that when a person is experiencing the *Divine Love* that one is in the tender care of the Soul God, and that no spirit interference will happen, for no spirit can interfere with the Sovereignty of *Divine Love*, which is God's Alone!
- Enjoy, Celebrate and Shine!

The BEAUTIFUL MIRACLE:

5 Oct 2012

The DIVINE UNIVERSE

The way in which the Spirit conveys the Divine Love into the soul is a beautiful miracle. The attribute of mortal soul prior to incarnation has to it, a potential within it that is part of its formed nature. After the soul incarnates this potential remains part of the soul and even if the forming personality is unaware of such a soul potential, the potential still exists. The Divine Love is entirely suitable in its energy of harmony to be the energy that a mortal soul can utilise. The Spirit covers the spirit body when the individual sincerely asks the Soul of God for the Divine Love and this covering of the spirit body is where the dynamic of this beautiful miracle takes place. From the internal longing of the individual for the Divine Love this activates the Spirit Law that activates the Spirit that is then attracted to the spirit body upon which the Spirit material of the spirit body draws the Divine Love in to its soul and this union complete. The key here is to gain a perceptive insight into realising that the spirit body is not an inert body but that it is living and has activity, recognisable from its first forming from the Spirit Law that materialises a spirit body. The Spirit and the spirit body to give an analogy are like two attracting magnets and when the surface of the spirit body is touched by the Spirit, this causes the automatic response of the Divine Love to permeate into the attribute of soul and so begins the transformation of energy from the natural into the Immortal Divine Harmony. If the individual continues the receipt of Divine Love the energy that is Divine Love actively begins to change the soul and this is felt in the spirit body systems and can produce feelings of love and elation. The spirit-mind begins to change as all spirit body systems are affected by the changed condition now experienced in the soul as the soul becomes living and vital. In one's progression of this Divine transformation, the soul will mature enough from the amount of Divine energy it receives and at that moment the surface of the spirit body and the Spirit are continuously attracted to each other and one is living in the presence of the Father in perfect harmony and this clarifies the truth about what it means to be truly at-one with God.

SHINING TOWARD SPIRIT:
665. The Shining toward Truth

Vol III, p. 157, 14 Nov 2014 – 14 Mar 2015 Zara and Nicholas

www.lulu.com

It is I Matthew, a teacher of the Divine Love. I have communicated with you recently, now I desire to provide you with a visual description of the Love.

Imagine a continuous Energy shining light blue that is unbroken with a seamless surface that surround every mortal and Immortal spirit. Imagine if you were to become aware that this energetic field of light-blue Energy existed in its shining radiance just near where you are. Now that you are aware that this unbroken Divine Love is unified energetic field of living Love, by opening toward the Soul of God and aspiring for the Divine Love, the Acting Spirit gently brings a small portion of this shining blue Energy into your soul

The Divine Love that you have received remains part of this great Energy that the Divine Love is and even though this small portion of Divine Love, now within your soul, in its shining radiance and energetic cause, it is never separated from the continuous energetic field of Energy that the Divine Love is. Having partaken of this Energy it is with perception that one is aware that the Divine Love within one's soul is the same Divine Love that every person and spirit who has partaken of this Love, participates with. Even though in our individuality we partake of this Divine Energy, this Love is never broken away from the Source and Origin from which this Divine Love emanates.

The Divine Love is bestowed into our finite soul by the Acting Spirit, but this Spirit remains in contact with our spirit body and does not enter the finite soul to become part of our finite soul essence that we are. No mortal or Immortal spirit can manifest in their soul the Acting Spirit so that this Spirit – this Holy Spirit – becomes part of our existing finite spirit body. Only the Divine Love and its Energy becomes part of our finite soul, which causes the change to our spirit body. The Acting Spirit always remains its own attribute and never does a Celestial spirit claim ownership or take possession of the Acting Spirit within their soul. (The Holy Spirit / Acting Spirit is an instrument of the Source Soul, our Father.)

This is one of the wonderful Truths by which we who have been transformed by the Divine Love understand our personal relationship with the Father's ever-present Acting Spirit. The shining Energy of Divine Love is all around us and when we have partaken of this Love, part of our finite nature becomes independently shining in this true perfect Love.

I provide these words that may appeal to those who are visual and to express the universal appearance of the Divine Love and the personal touch when in contact with the Acting Spirit.

Matthew (Apostle)

Whilst we are receiving our Heavenly Parents' Divine Love, and that this Love is causing change within our soul and spirit attributes, the greatest Truth known to man and spirit is that this is the way our Mother and Father are actually loving us! When we progress, it is God's way of loving us into love and then we live what we are, love.

The Only Prayer That Man Need Offer to the Father:

The Prayer for Divine Love

(as given within the first century)

2 Dec 1916

I am here, Jesus

<http://www.youtube.com/watch?v=Pg6p3rivAZw>

P.438 Book of Truths through James Padgett / Jesus

Let your prayer be as follows:

Our Father, who art in heaven, we recognize that You are all Holy and loving and merciful, and that we are Your children, and not the subservient, sinful and depraved creatures that our teachers of old would have us believe. That we are the greatest of Your creation, and the most wonderful of all Your handiworks, and the objects of Your great soul's love and Tenderest care.

That Your will is that we become at one with You, and partake of Your great love which You have bestowed upon us through Your mercy and desire that we become, in truth, Your children, through love, and not through the sacrifice and death of any one of Your creatures.

We pray that You will open up our souls to the inflowing of Your love, and that then may come Your Holy Spirit to bring into our souls this, Your love in great abundance, until our souls shall be transformed into the very essence of Yourself; and that there may come to us faith--such faith as will cause us to realize that we are truly Your children and one with You in very substance and not in image only.

Let us have such faith as will cause us to know that You are our Father, and the bestower of every good and perfect gift, and that only we, ourselves, can prevent Your love changing us from the mortal to the immortal.

Let us never cease to realize that Your love is waiting for each and all of us, and that when we come to You, in faith and earnest aspiration, Your love will never be with-held from us.

Keep us in the shadow of Your love every hour and moment of our lives, and help us to overcome all temptations of the flesh, and the influence of the powers of the evil ones, which so constantly surround us and endeavour to turn our thoughts away from You to the pleasures and allurements of this world.

We thank You for Your love and the privilege of receiving it, and we believe that You are our Father --the loving Father who smiles upon us in our weakness, and is always ready to help us and take us to Your arms of love.

We pray this with all the earnestness and longings of our souls, and trusting in Your love, give You all the glory and honour and love that our finite souls can give.

Amen

MoC

Note: The 'false teachers' are our parents, as they are also the 'evil ones'.
Also, the evil ones, being those parts of one's mind, that are controlling you.

What is the Divine Love?

"The Divine Love is that Love which belongs to or is a part of God, possessing Their nature and composed of Their Substance, and which when possessed by man to a sufficient degree, makes him divine and of the nature of God." – **Jesus**, in a message received by James E. Padgett through spirit communications on May 15, 1917.

"The Divine Love of our Mother and Father is the greatest thing in all the world, and the only thing that can make man at-one with God, and change the soul of man as it has existed since his creation into a divine substance filled with the essence of our Mother and Father. There is nothing else in all the universe of God that can cause man to become a new creature and an inhabitant of our Mother and Father's Kingdom; and when men possess this Love then they possess everything that will make them not only the perfect man but the divine angel." – **Apostle John**, in a message received by James E. Padgett on August 5, 1916.

The LOVE that brings about FORGIVENESS:

This Divine Love, and by this I mean the only way through which salvation can be obtained, can enter and fill the soul through the sincere longing of the soul to assuage the thirst for at-onement with the Father through prayer.

Revelation 17 – November 12th, 1960 – Jesus

The only way for man to achieve forgiveness of sins is through the obtaining of the Divine Love or through purification of the natural love, a long and tedious process that fits the individual soul for a place in the Sixth Sphere.

Revelation 50 – October 18th, 1954 – Jesus

Divine Love fits a personality to enter the Celestial Heavens, way above the 6th Sphere. Without this Love, man cannot enter the Heavens. It is this Divine Love that brings about immortality for man.

Please Father, may I receive Your LOVE.

Three Great Truths:

- **God is Soul, being our Heavenly Mother and Father;**
- **that each individual soul is a duplex – both male and female;**
- **and Feeling Healing with Divine Love is the pathway to Paradise.**

DIVINE LOVE:

<http://www.fcdt.org/divinelove.htm>

The words "Divine Love" have been used in many contexts to convey different meanings. But in the context of our Heavenly Mother and Father, Divine Love is the greatest gift in all the universe. It transcends all else that can assist humankind fulfil their dreams of happiness and have them resolved within themselves. God's Divine Love is the one thing in all of God's infinite universe that can bring about eternal life and everlasting happiness in the Celestial Kingdom.

What is Divine Love?

The Divine Love differs from the natural love of man with which he was endowed when created, which belongs to all humans, and which they all possess in a more or less perfect condition in this: that the Divine Love is that Love which belongs to or is a part of God, possessing Their Nature and composed of Their Substance, and which, when possessed by a human soul to a sufficient degree, makes him divine and of the nature of God.

What is the New Birth?

The New Birth is simply the effect of the flowing of this Divine Love of our Mother and Father into the soul of a man and the disappearing of everything that tends to sin and error. As the Divine Love takes possession of the soul, and one embraces Feeling Healing, sin and error disappear. It, the soul, becomes of a quality like the Great Soul of our Heavenly Parents. And with the Soul of the Mother and Father being Divine and immortal in Its quality of Love, so, when the soul of man becomes possessed of this quality of Love, the soul being the man, this soul becomes divine also. Then, the image becomes the substance; the mortal becomes the immortal; and the soul of man, as to love and hope, becomes a part of the Mother and Father's Divinity.

How does one receive the Divine Love?

The only way is simply this: that men shall believe with all the sincerity of their minds and souls that this great Love of our Mother and Father is waiting to be bestowed upon each and all of them; and that when they come to our Mother and Father in faith and earnest aspirations, this Love will not be withholden from them. And, in addition to this belief, that they pray with all the earnestness and longings of their souls that our Mother and Father will open up their souls to the inflowing of this Love, and that then may come the Holy Spirit to them to bring this Love into their souls in such abundance that their souls may be transformed into the very Essence of our Mother and Father's Love. The soul who will thus believe and pray will never be disappointed, and the Way to the Kingdom will be his as certainly as that the sun shines by day upon the just and unjust alike.

Take the test.

Too often we are told to believe something based on what we are told. You don't have to "believe" anymore. Now you can have physical proof of the existence of God and Their Love for you?

"test my teachings that the Father's Love was now available, and pray for it to the Father in earnest prayer, and see whether, if this was done in sincerity, the Father's Love, conveyed through the Holy Spirit, would burn and glow in the soul, by which sign they would realize His Love was present therein." – Jesus

Take it to heart – earnestly pray for God's Divine Love and feel the glowing of Their Love in your soul. Jesus gave us the Prayer for Divine Love to help us in our prayers to our Mother and Father.

Note: Following the writings of James Moncrief, one could consider that any reference to the Father, by other relevant writers, may be read as a reference to 'our Mother and Father'. Further, when considering soul healing, then reference to Divine Love could be referred to as 'Feeling Healing with Divine Love'.

DIVINE LOVE – what does it do?

The divine gift from asking for and receiving Divine Love will steadily, but with certainty, raise one's quality of life and also of all those around such a person who is seeking and receiving this Love.

The receiving of Divine Love, which is a substance, with certainty, progressively:

- Raises one's love for those around them, whilst embracing one's Feeling Healing.
- Raises one's perception of all things – naturally grows one's intelligence – soul intelligence.
- Enables one to feel and resolve negative emotional issues more readily during Feeling Healing.
- Humility becomes self evident. Humility enables one to feel their errors and emotions.
- Divine Love strengthens one's resolve to express errors, emotional injuries and untruths.
- Divine Love with Feeling Healing to remove emotional errors, enhances one's health.
- Divine Love enables one to become more childlike – not adult serious at all times.
- Divine Love raises one's capability of feeling – no longer needing to be mind controlling.
- By becoming feeling orientated, one no longer is mind / intellectually dominated.
- The strength to fight and overcome sin and error is strengthened through the Divine Love.
- The Law of Compensation process is more resolved by Feeling Healing with Divine Love.
- Receipt of Divine Love grows one's faith, beliefs become faith and then knowing.
- As our faith grows our intensity to ask and then receive Divine Love grows.
- We begin to follow our passions and desires, no longer fear and mind driven.
- Truth being told at all times then progressively becomes a way of life.
- Our quality of life blossoms, our finances and relationships prosper.
- Man creates his own environment, seeking Divine Love can vastly improve one's environment.
- Health carers receiving Divine Love enhance healing outcomes beyond comprehension.
- Receiving Divine Love may assist in bringing a struggling marriage back into harmony.
- You progressively become dependent upon our Heavenly Parents, not self dependent.
- Personal growth in love directly assists the soul condition growth of one's children.
- Divine Love assists one's rate of soul condition to progress whilst embracing Feeling Healing.
- Divine Love is a substance that changes the human soul to that of the Divine.
- Without Divine Love, one cannot progress into the Celestial Spheres (8th sphere and higher).
- Divine Love, with Feeling Healing, enables everlasting Love and Life in the Celestial Heavens.

“The Law of Compensation doesn't operate on isolated actions, but on the overall condition of people's souls, because the deeds are the consequence of this condition. Our behaviour is the reflection of our souls. Never see isolated deeds, always see souls whose condition leads to certain deeds. It is the soul condition which determines the motive and consequently the action. It is our lack of trust in God, this ultimate and definitive trust, which only soul development may give us. This lack is why we suffer.”

Judas of Kerioth 5th October 2001

As you grow in love, illness issues abate, financial security improves, and your treatment of your fellow man is the same as how you would like to be treated. You grow in natural intelligence, your perception on many subjects becomes profoundly more loving and supportive of and for your way of life and how you interact with your fellow man.

This quality of life and love permeates and extends into every facet of your physical life and continues to grow as you progress on your journey within the spirit world.

Your capabilities to ask for and receive Divine Love is a gift between you and your creator, God. You do not need an intermediary, nor do you need to join with any organisation. This is your own personal journey and experience. You can share this with others, but no one can take it away from you.

This Love will elevate the human soul to a condition that it may perceive the spiritual truths which God has waiting to be revealed to His children who aspire to understand the nature of the divine and what their true relationship to Him and their family of souls is.

“Keep faith with God, and be open to His Love, and you will overcome with confidence and, indeed, peace of mind, optimism and happiness, those circumstances that seem to mar the fulfilment of your years.” Mary (mother)

‘The difference between what are regarded as two paths, the Natural Love Path and the Divine Love Path, is, essentially, the amount of Divine Love that beings have been able to acquire.’ Quote from Celestial Spirit Richard 22 Dec 2012

CONNECTION with GOD:

**Holy Spirit / the Spirit
infusing Divine Love.**

**Progressive escalation of
Divine Love flowing.**

EXPERIENCING RECEIVING DIVINE LOVE:

Be still and quiet; reflect in silence. Love is present. Keep asking, longing, and never cease: this is your part. It is your cooperation actively engaged that brings the transformation and continues the process.

You cannot see it; sometimes you will experience it as simple quietness and calmness. This is as pure and real as any other experience, whether demonstrative joy through laughter and dance, or other expressions.

Divine Love is present; it is always present. It does not fade or disappear. Rest, relax and breathe. Pray and wait.

Maintain daily prayer and meditation. When you do this you are building a home for the dwelling of the Divine Love. Your continual invitations establish an attitude of welcome to the Divine Love. These build a bridge for the Divine Love to carry you to new and higher levels of change and transformation: places of new realms for your soul growth and development.

The Voice of Divine Love

~~~~~

As the receiving of the Love is always assured when longed for and asked for, the experience of receiving may become apparent by the occurrence of a warming embrace in the region of the third eye chakra, or with some, around the heart chakra region. This may be very subtle and gentle for some and may be for a few moments or extend for some time. Many do not physically feel the Love embracing them and this is totally fine, nevertheless the Love is being received.

On a few occasions, one may feel the love through the third eye region and then feel it expand as if it were to become a warming buzzing 'hat band' progressively expanding around one's head. This can intensify and feel as though one's cranium is about to pop off! Should this continue to intensify, then the sensation may flow down one's main meridian to the base of one's spine. Now that is something else! Relax and enjoy the great gift for this can be an experience that may continue for a short while or for quite some time.

Always, when one longs for the Love, it will shower over one's body and be absorbed in through the spirit body chakras into one's soul. Occasionally the Love will overflow from one's soul and some will reside within one's spirit body. At no time will you be discomforted. This light golden blue energy substance is the ultimate high octane super fuel gifted to us by our Heavenly Parents to us all.

**On the WINGS of a BUTTERFLY:** No 12, Traveller, an immortal journey, via Zara and Nicholas

Once upon a time there was a butterfly sitting with closed wings in a person's heart. This butterfly had been sitting with wings closed for a long time. The person couldn't figure out why they always felt a little sad. One day, this person asked another person why they feel sad. The response happened quickly and the person didn't like the response. It was said that perhaps your soul is sad. Several days passed and soon that person found themselves sitting by the sea. The sea has great longing to it. As the sun shone on a late spring day, the person thought about their soul and that perhaps, the person's remark was true, and that this person was a messenger of some sort. Suddenly a breeze swept through the beach and the person heard a distinct voice speak directly to him! The voice said, "Let your soul breathe in Divine Love." That was all the voice said.

The person didn't know what the Divine Love was or where it was, but now the sadness had greater longing so the person decided to breathe in the Divine Love and just like that – the closed wings of the butterfly opened and the person's sadness started to dissolve. Happiness will be mine the person thought upon feeling the Love and this will take time for me to learn how to live such happiness.

Never again, in the heart of that person, did the butterfly close its wings.

Traveller

**Our wondrous soul is an incredible ball of plasmatic intelligent energy. With the infusion of Divine Love, our soul will progressively change from that which is not Divine to that which is Divine. All we need to do is ask!**

**We are created in the image of our Mother and Father, but not of the substance of our Mother and Father. There is nothing of the Divine within our soul at the time of our individualisation, that is, upon our incarnation which is at the time of conception.**

**We have free will. Only should we ask for God's Divine Love, do we receive it. As we ask for and receive Divine Love the nature of our soul steadily changes to that which is Divine. Only with Divine Love can we grow and become at one with our Father. Becoming at one with our Mother and Father occurs upon our progression into the 8<sup>th</sup> Sphere, which is upon entering the Celestial Realms and leaving the Spirit World.**

**We can become at one with our Mother and Father whilst here in the physical world.**

**God's Divine Love: Pray for it, ask for it, and receive it.**

**Oliver Twist asked:**

***Please, sir, I want some more!***

**Maybe we should simply ask:**

***Please, Mother and Father, I want some more!***

**Long and pray for Divine Love and it, with the Feeling Healing process, will loosen the errors / injuries / unhealed / denied trapped and/or inherited emotions, resulting in a flowing out of these negative embellishments within one's soul as Divine Love flows in – Divine Love being the greatest gift in all the universe.**

**FEELING HEALING and SOUL HEALING with the DIVINE LOVE:****James Moncrief Publications:****all publications are free downloads:**<http://divinelovesp.weebly.com/my-free-books-and-free-padgett-messages.html>

It is suggested for one to consider reading as follows:

**Speaking with Mary Magdalene and Jesus – books 1 – 4**

These four books encapsulate the second of the revelations with the first having been introduced by James Padgett one hundred years previously. These four books provide a wide range of guidance that has never previously been made available.

**Paul – City of Light**

As a gentle intro into the Divine Love and Healing; being James Moncrief's first novel and it's been criticised as being too heavily clichéd, but that's the point because it's a reflection of how he was back then.

**Ann and Terry**

For an example of people who might want to immediately start working on themselves and doing their Healing.

**Feeling Bad? Bad feelings are GOOD**

For more understanding about our denial of our feelings and why we should not deny our feelings, and it includes how it all came about for James, using himself as an example.

**Feeling bad will make you feel BETTER – Eventually!**

This includes specific examples of Marion and James working on expressing particular bad feelings, again with the hope that it will help others gain something of an idea as to what's involved in doing your Feeling Healing.

**Sage – and the Healing Angels of Light**

Through Sage who's 13 years old, the story is primarily about the two aspects of healing; that being, with the help of our angels, and the full Healing we can do by looking to our feelings for their truth.

**Religion of Feelings  
Feeling Healing****Welcome to LOVE – the Religion of Feelings  
you can heal yourself through your feelings**

So these books, including the four Speaking with Mary Magdalene and Jesus books, provide the essence of it all and are examples of James' work. Then it's up to whatever takes one's fancy. Other reading to consider may include:

**The Padgett Messages being published as:****The True Gospel Revealed Anew by Jesus volumes 1 – 4****Book of Truths by Joseph Babinsky****The Urantia Book****Release one's pain through expressing one's feelings.****in conjunction with****Longing for the Truth when also longing for Divine Love.**

**FEELING HEALING with DIVINE LOVE is SOUL HEALING:**

*A collection of 'papers' that draw together specific topics including all of the above and more from other sources of information and revelation designed to help increase one's awareness about why we have the problems we do and how to heal them, all whilst living a more healthy and sustainable life. They provide a brief snapshot of the more complicated topics and issues.*

**Firstly, consider discovering the truth of your emotional pain through Feeling Healing.  
Secondly, consider longing for our Heavenly Parents' Love as you progress with your healing.  
Primary and most important readings are the writings of James Moncrief.  
Then consider the Padgett Messages, and then The Urantia Book.**

**DIVINE LOVE and DIVINE TRUTH Revelations and Teachings escalating:**

The opening up of the soul permits a permanent exchange with Divinity, a permanent recharge of this healing energy that allows not only the re-establishment of lost health, but the continuity of health, providing such a perfect balance, even in the physical body, that noxious agents like bacteria and virus cannot find any opportunity to unchain pathological reactions, which we commonly call illness.

But it is true that people without the benefit of Divine Love would lack the protective shield, which the intrinsic healing energies of Divine Love provide for those who pray for our Heavenly Mother and Father's Grace.
