## PASCAS INTRODUCTION:

Documents assembled by Pascas are provided for your individual assessment and exploration. The contents are sourced from a variety of avenues and publications. Every endeavour is made to determine that the contents are of the highest level of truth and veracity. At all times we ask that you go within yourself, to ascertain for yourself, how the contents resonate with you.

Pascas provides these notes and observations to assist us all in the development and growth of our own pathways and consciousness. Pascas does not hold these contents as dogma. Pascas is about looking within oneself. Much of what we are observing is new to us readers and thus, we consider that you will take on board that which resonates with you, investigate further those items of interest, and discard that which does not feel appropriate to you.

Kinesiological muscle testing, as developed by Dr David R Hawkins and quantified by his Map of Consciousness (MOC) table, has been used to ascertain the possible level of truth of documents. Such tested calibration levels appear within the document. We ask that you consider testing same for yourself. The technique and process is outlined within Pascas documents, such as Pascas Care – Energy Level of Food. From each person’s perspective, results may vary somewhat. The calibration is offered as a guide only and just another tool to assist in considering the possibilities. As a contrast, consider using this technique to test the level of truth of your local daily newspaper.

Contents are not to be interpreted as an independent guide to self-healing. **MILLIONS are RECEIVING DIVINE LOVE – WITHOUT BEING AWARE OF IT:**

Around the world, at anyone time, maybe hundreds of thousands of humans are receiving Divine Love. Few recognize the event as being that of one receiving Divine Love.

The focus upon one's desire for the Love of their Creator, our Heavenly Parents, brings about the conditions for attracting and the receiving of Divine Love.

These circumstances maybe more prevalent during one's religious practice. Though the mundane repetition of many rituals are not conducive to one achieving a heartfelt desire for our Mother and Father's Love, there are moments within most if not all religious rituals where one reflects during a quiet moment on their desire for the Love of God.

Within Christian services, the moments after one receives communion, many do enter a short period where their love for our Heavenly Mother and Father is shared and their desire for Their Love is exchanged. Many recognize the warmth and love that overwhelms them and the harmony and love that embraces them during those wonderful moments. This is their experience of what we now have been taught is the Gift of Divine Love being showered upon a person as of a result of his/her prayer for the Love, the asking for the Love, and the subsequent receipt of the Love being conveyed to them by the Spirit, also known as the Holy Spirit.

As you reflect upon your own practice, you will recognize these circumstances and events that have followed.

They are the wonderful gifts that we receive that never leave us, for ever! This is the Grace of God that we all so long for and have not been able to recognize what it is.

It is the Gift of Eternal Life, it is the Gift of everything we could ever possibly image, and much, much more.

Enjoy the moment as many do in their own private contemplations, whether at a religious gathering or at home or anywhere.

There are no boundaries, there are no conditions, other than the simple asking. It does not matter what condition one's soul is in, or what environment one is presently within, just earnestly ask and you will receive the love. Little by little it accumulates within your soul and over time you will readily recognize the transformation of your being and your quality of life. There are absolutely no exclusions, simply ask and enjoy the moment.

### **God's Divine Love: Pray for it, ask for it, and receive it.**

It is possible to experience (receive) the Divine Love and have no prior knowledge or awareness of the existence of such a thing called the Divine Love. What we desire to do here is to enable one to readily recognise the events and what they do for you.

## GLOBAL ACCEPTANCE of the LOVE:

When all aspects of the community become aware of the Feeling Healing process with Divine Love and embrace them, then humanity will evolve to a level that will bring about harmony universally:

DIVINE LOVE TEACHINGS are MULTI-FAITH and for ALL FAITHS:

The beautiful gift of the Mother and Father's Love, the Divine Love, is available to all, no matter what one's soul condition maybe or what one's beliefs are. The Love is given to everyone who longs for the gift and asks for it. There are no boundaries or conditions other than the necessity to ask for the Love. The great gift is filtered through one's spirit body into the soul by the instrument known as the Holy Spirit. This light golden blue energy substance blends with one's natural love and progressively assists in the peeling off of negative emotional issues and erroneous beliefs through one's Feeling Healing process, bringing about great happiness and fitting the personality to enter the Celestial Heavens.

### EXPERIENCING RECEIVING DIVINE LOVE:

**Be still and quiet; reflect in silence. Love is present. Keep asking, longing, and never cease: this is your part. It is your cooperation actively engaged that brings the transformation and continues the process.**

**You cannot see it; sometimes you will experience it as simple quietness and calmness. This is as pure and real as any other experience, whether demonstrative joy through laughter and dance, or other expressions.**

**Divine Love is present; it is always present. It does not fade or disappear. Rest, relax and breathe. Pray and wait.**

**Maintain daily prayer and meditation. When you do this you are building a home for the dwelling of the Divine Love. Your continual invitations establish an attitude of welcome to the Divine Love. These build a bridge for the Divine Love to carry you to new and higher levels of change and transformation: places of new realms for your soul growth and development.**

#### **The Voice of Divine Love**

~~~~~

As the receiving of the Love is always assured when longed for and asked for, the experience of receiving may become apparent by the occurrence of a warming embrace in the region of the third eye chakra, or with some, around the heart chakra region. This may be very subtle and gentle for some and may be for a few moments or extend for some time. Many do not physically feel the Love embracing them and this is totally fine, nevertheless the Love is being received.

On a few occasions, one may feel the love through the third eye region and then feel it expand as if it were to become a warming buzzing 'hat band' progressively expanding around one's head. This can intensify and feel as though one's cranium is about to pop off! Should this continue to intensify, then the sensation may flow down one's main meridian to the base of one's spine. Now that is something else! Relax and enjoy the great gift for this can be an experience that may continue for a short while or for quite some time.

Always, when one longs for the Love, it will shower over one's body and be absorbed in through the spirit body chakras into one's soul. Occasionally the Love will overflow from one's soul and some will reside within one's spirit body. At no time will you be discomforted. This light golden blue energy substance is the ultimate high octane super fuel gifted to us by our Heavenly Parents to us all.

Received by A.R., Aptos, California

July 15th, 2001

Dear Heavenly Father, I pray for Your Divine Love to come into my soul that I may be raised in my soul condition to make rapport with Your ministering angels. I want only the truth as You see appropriate to share with us to be what comes through this rapport. I want to do Your Will and I pray for faith in the Power of Your Love to help me accomplish this. I love You and I pray for protection from the lower spirits that may wish to do harm. Amen.

I am here, my dear sister in Christ, and I am your brother, John the Apostle of Jesus, and his true follower in the way to at-onement with the Soul of God. I am most pleased that you have given us this opportunity to write you in answer to your question of what percent of people who are not aware of the Divine Love actually receive It. At the heart of this, of course, is the question of what you may do to more effectively bring the truth to the world, and so I will answer in the best way that I can – as the Divine Love in my soul allows me to.

It is the truth that many souls who have no intellectual understanding of the way to receive Divine Love have received It. When I say "many," and D\_\_ asks "how many?" answer for him that it is more than he would think. Percentages of souls would be difficult to estimate because this number changes all the time, but I could safely say for D\_\_'s benefit that not much less than half of these populations of non-Christians have actually received small portions of the Divine Love.

You may be surprised by this, because you are aware that once a soul has received a portion of the Divine Love, it will in the spirit life eventually seek to fulfill its longing, and if it is true that many will not seek the Way to at-onement with God, how can this be so? Well, I will say that in the great by-and-by, when the Earth shall once again be the paradise that God intended it to be, and the souls of His children are once again in that state of purified natural love, the human soul will have less to "want" than it does at this time. Realize also that many more souls have yet to be born into their physical identity – a truth we are aware of here.

But what I wish to share more than "how many" souls receive the Divine Love is "how" souls receive the Divine Love. The soul is aware of its relationship to God. Prior to our birth, this real part of us is aware that we were created by a benevolent God, complete with those attributes that allow our perception of God. Upon incarnation into the material we then take on the characteristics of our earthly parents, not just in physical appearance, but in spiritual appearance as well. At that time we are "assigned" guardians whose purpose it is to guide our spiritual lives in a loving way, and I will say here that most every guardian is on the Celestial path. These may be relatives or not, but because they possess the Divine Love, they stand forth as the most qualified to lead a young soul to knowledge of the truth that God does exist and that He Loves.

In this relationship between the newly-born soul and guide, a bond is formed that is very difficult to break for it is integral to the still, small voice of the soul's conscience, which amplifies the wisdom being

shared by the guardian. It takes the free will of the mortal child to break this rapport and perhaps keep it severed through out its Earth life.

Now, in the best case, the soul of the mortal has an angel on his or her shoulder, and their conscience can steer them in the good direction. What would happen, then, if the mortal confronts a difficult situation, where there is much disappointment and unhappiness? The soul would aspire in some way to be free of this negative situation, and the guardian spirit would be there to guide that aspiration to God. This works because, at this time, the Earth life is not a predominantly happy one for most people; they are not content in their natural love, but rather suffer for the lack of it. In such times, the soul has only one way to turn, for it will not find solace in its natural condition.

Now I will address how you as mortals may be more instrumental in bringing the truth of the availability of God's Divine Love to the awareness of your fellows on Earth. The Divine Love is a force and influence that has no match in the world or in the spirit heavens; it is the most powerful influence due to its nature being of God. Through the human soul, the Divine Love, then, is a formidable presence, one that will bring into effect the highest laws working.

Do not underestimate the power of this Love to change your life. Recognize its presence as a thing of real existence that affects the material around you. On a purely practical level, you all can attest to the truth that you have much more harmony in your lives on a consistent basis than you did even a few years ago. What has changed? Not just the way you look at your world, but your very world, itself. If you can now extend the reality of this Love into your efforts, whatever they may be, you must know that the effect of this Love will be felt or perceived by others.

Anything done in love is perfect (enough). This is not a small statement of truth. Perfect love reaps perfect results. So, my dear brothers and sisters, however you say it, sing it, write it, build it, dream it – do so with love. You will not be disappointed. Follow your hearts and make the changes you want to – these are for the better because change is the Law, and so it must be to keep up with the needs of the many generations of children being born to a world that is different from the world of their parents.

Have faith in your goodness. Do not doubt the effectiveness of your love, in all its forms. You are being guided, of this you can be sure. I love you and express the love of the many Celestial friends who are ever protecting and watchful over you. We love you, and we are with you to bring in the new millennium.

John the Apostle and partaker of God's Divine Love.

**DIVINE LOVE does not TRANSFORM one's SOUL  
FEELING HEALING is what TRANSFORMS one's SOUL**

The Divine Love does transform our soul from Natural love into Divine Love. It's our Feeling Healing that 'transforms' or heals our erroneous expression of Natural love. We have to 'heal' and so perfect our Natural love, so it can then be transformed by the Divine Love.

Divine Love does not even begin the real work of transforming one's soul, for those who focus upon receiving Divine Love to the exclusion of embracing one's Feeling Healing, they are just expanding their mind's control over themselves. Should this be one's passion, then upon passing into the spirit Mansion Worlds they will find that they can continue along this path all from within the Divine Love followers segment within the first natural love Mansion World! Yes, only from within the first natural love Mansion World.

Most of humanity on Earth are not wanting to face the very truth their feelings are making them feel every day of their life. So if they want to keep living in the spirit Mansion Worlds as they did on Earth, in complete denial of their feelings and the truth they are to shown about their wrongness, they can.

However, for those who have embraced Divine Love and begin to engage in their Feeling Healing process to begin the transformation of their soul, they will be able to sense the Divine Love already within their soul 'driving them on'. One's understanding and adjusting will be changing rapidly to that of embracing all about the Healing and doing it – all being supported by the Divine Love that one may have received previously. All one may have done with the Divine Love may make their introduction into their real Healing, by using their feelings, much easier than it is for other spirits from the mind worlds who are at the same time having to wrestle with many of their old religious beliefs or mental programming, having to take on a whole new mind-set which one could see would take some of them years, whereas for someone who has been longing for and receiving Divine Love for some time it may be only a matter of weeks. This also applies to those living in the physical.

It is the Feeling Healing process that transforms one's soul towards perfection, towards the ability to fully express one's true personality as given to us by our Heavenly Parents, it is the Divine Love that then fits that transformed soul to be able to enter the Celestial Heavens.

## WE ALL ARE BEING GUIDED HOME:

We need the Spirits of Truth of the Avonal Pair to Heal ourselves; then once Healed, (and for support (overshadowing) as well through your Healing), we need the Creator Pair, Mary Magdalene and Jesus' Spirits of Truth to see us through the Celestial spheres, while at all times embracing our Heavenly Mother and Father.

Until Mary and Jesus died and liberated their Spirits of Truth, no one from any of the worlds could leave Nebadon, because no one knew the way to do so. Nebadon is our local universe containing some 3.8 million inhabited physical worlds and their associated spirit worlds.

When we embrace the truths Mary and Jesus are revealing, and start to do our Feeling Healing, or with Divine Love, Soul Healing, we are then freeing ourselves up from our parental and self control.

Thus our journey to Paradise, to the home of our Heavenly Parents, is of our choosing as to when we progress, however, there is only one way:

**HUM:** Humanity is to ascend. We are self contained. Our soul is always in truth and perfect at all times. **By living true to ourself, true to our feelings, we are living true to God. It's that simple.**

We are to recognise that being engaged and dominated by our mind is the wrong way for us to evolve and grow in truth. We are to discard the mind enslavement that has been imposed upon us by all of our parents. We are to express our feelings, both good and bad and free ourselves of the indoctrination that humanity has embraced worldwide.

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God's soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of our Mother and Father.

**AVO:** We are to embrace the truths and guidance of the Avonal Pair through their Spirits of Truth. It is the Avonal Pair's guidance that will lead us through our Feeling Healing, and with Divine Love, we will be able to ascend through the 7 spirit Mansion Worlds and enter the Celestial Heavens where we also interact with other world's spirits.

**J&M:** We are also to embrace the truths and guidance of the Paradise Pair, Mary and Jesus, who will then lead us through the 3 Celestial Heavens that are aligned with Earth, and then further on through Nebadon where we will then depart beyond on towards Paradise.

**M&F:** Beyond the universal zone of Nebadon, we will be guided by our Heavenly Mother and Father onwards through the universes to Paradise where we will be welcomed by them, home for us all, as we are all Children of God.

**WE ALL ARE BEING GUIDED HOME – NOW, HOW TO COMMENCE THE JOURNEY:**

**GOD**

**M&F**

For 200,000 years, we have been misled into embracing our mind's distortion of wisdom and truth. All such traditional understandings only lead us in the wrong direction, from which we must turn back from. Our soul based feelings are always in truth. Our minds are to follow our soul based truths and feelings, not the other way round, as we have been brought up to embrace.

We are to connect with our deeper repressed feelings.  
 We are to long for the truth of what we are feeling.  
 We are to live true to our selves; by living true to our feelings.

Use your surface day-to-day feelings to connect with your deeper repressed feelings. Express your surface feelings and your deeper repressed feelings to uncover the truth of yourself.

**J&M**

We all have feelings which we communicate and share with each other. And we all have deeper buried and hidden repressed feelings. Feelings from our early childhood we felt, yet weren't allowed to express. These feelings are still within us, waiting to have their say. These feelings, because they are repressed, cause us all our problems.

And as we look to uncover, bring out and accept these deeper feelings, so we're taken into new ways of looking at ourselves, our feelings, and our life. We're setting ourselves free of the controlling patterns that govern our unloving behaviour.

In this way, we progressively begin to express the personality that our Heavenly Mother and Father gave us, not the one imposed upon us by our physical parents and carers. We are to be our true and real selves.

**By living true to ourself, true to our feelings, we are living true to God. It's that simple.**

**AVO**

**HUM**

As we, humanity, long for the truth of our feelings, we can also be assisted by the Spirits of Truth of the Avonal Pair who are our spiritual teachers for Earth over this coming 1,000 years, to assist us through the Great U-Turn, away from mind dominance to being soul based feeling lead. They will assist us through the seven levels of the spirit Mansion Worlds.

Then the Creator Pair, Jesus and Mary, will lead us through Nebadon and into the greater universe. Then our Heavenly Mother and Father lead us home to Paradise.

Collectively, should we embrace them all, as we are to, then our pathway home is a journey in the hands of the Spirits of Truth of the Avonal and Paradise Pairs overseen by our Heavenly Parents.

**WE ARE Children of God**

## HOW TO GET TO PARADISE:

Long for the Divine Love  
 Long for the Truth  
 Long for the truth of your feelings  
 Don't deny any feelings: accept, express and want to know the truth of them  
 Know your feelings are the key; your feelings are the Way  
 Want to end your falseness and being untrue  
 Want to understand the truth of your early life  
 Use your surface feelings to move deeper into yourself, bringing up your repressed feelings  
 Want and long to know the whole truth of yourself  
 Want to do it all with God, your Heavenly Mother and Father – long to Them for help.

## The Key

Our longing drives our life. We long with feelings. We can wish for things using our mind, yet long for things with our heart. These things in the pyramid are what to long for. Longing for them, when the longing comes naturally. Longing because you feel you really want them. Long to be true with all your heart. Long to live true to your feelings. Long to understand the whole truth of yourself.

PARADISE TRINITY:

1. **Our MOTHER and FATHER (God) (MF) – Divine Love**  
SOUL (God) – One SOUL that is expressing its two PERSONALITIES, our Heavenly Mother and Heavenly Father (Soulmates)
2. **ETERNAL SON (ES) – Divine Truth**
3. **INFINITE DAUGHTER (ID) – Divine Mind**

Then: The Second and Third Persons of the Paradise Trinity (ES and ID) are stepped down to the local universe trinity (Mary and Jesus, Divine Minister (DM), and her Holy Spirit.

The LOCAL UNIVERSE TRINITY:

1. **MARY M and JESUS (MF) – Love – the Living Truth**
2. **DIVINE MINISTER (ID) – Mind (and her Holy Spirit)**
3. **HUMANITY – Natural love, sons and Daughters – Truth, and our Angels – Mind**

PLANETS that engage in REBELLION:

1. **AVONAL SOULMATE PAIR – the Feeling Healing process – incarnate**
2. **DAYNAL – TEACHER PAIRS – they do not incarnate**

So in summary:

Consider a diamond:

# Mother and Father Heavenly Parents

Creator Son & Daughter  
Jesus and Mary

Avonals  
as soulmate pairs

Trinity Teachers  
as soulmate pairs

Melchizediks – who have taken over from the Caligastians and Daligastians being also all as soulmate pairs.

Mortal Souls – human beings who individualise on Earth, then progress through the spirit Mansion Worlds, then into the Celestial Heavens, and beyond.

Mortal Souls – also being ascending spirits, upon completing their Soul Healing, join with their soulmate, then join their soul group of 24 mortal spirits, being 12 soul pairs. It is only as a soulgroup that anyone can progress beyond Nebadon.

The Paradise Pairs are all ONLY concerned with the SPIRITUAL wellbeing and upliftment of the planets and local universe. Currently to do with Earth:

Mary and Jesus – spiritual wellbeing and upliftment of the whole of Nebadon region.

Avonal Pair – Daynal pairs (Trinity Teacher Daughters and Sons) – Spiritual wellbeing and upliftment of individual planets and their associated Mansion Worlds.

The Local universal Sons and Daughters are all about the running of the worlds under their jurisdiction, and ensuring the higher spiritual elements can be employed, or sent astray, as in our cases through the Rebellion and Default.

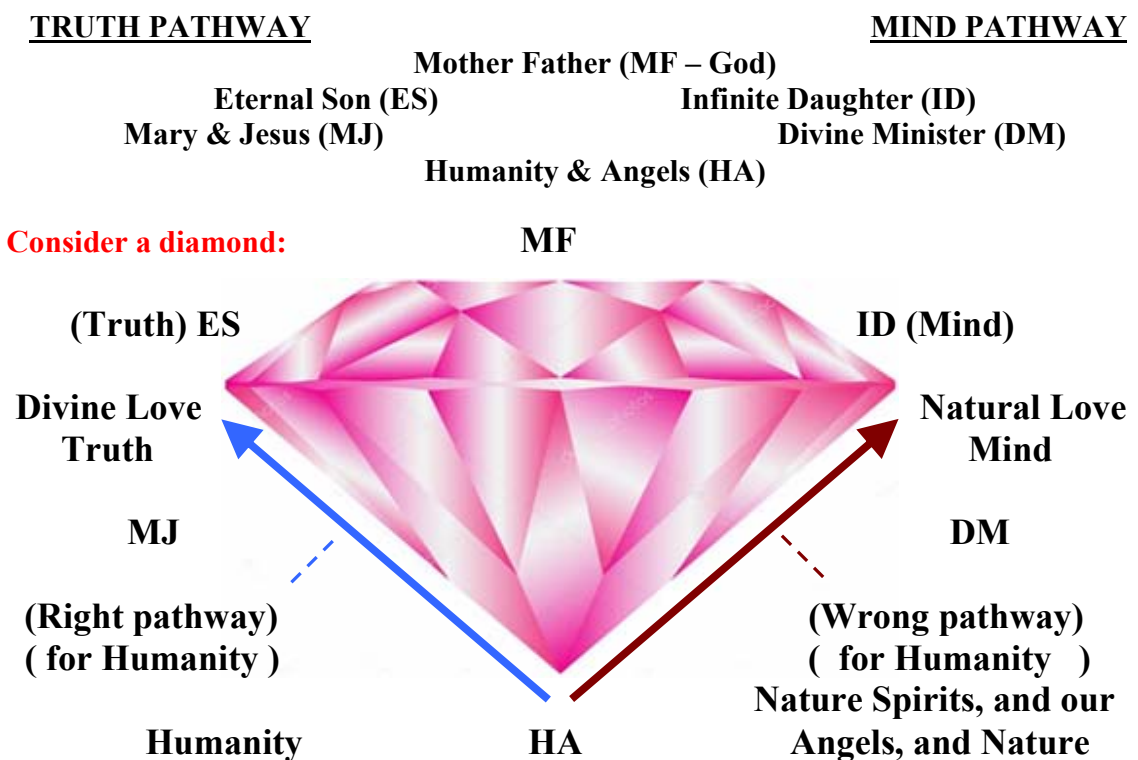

Lanonandeks – Melchizedeks (and others, such as Life Carriers and Eve and Adam).

As the Lanonandeks all rebelled – the Lucifers, Satans, Caligastias and Daligastias soulmate pairs – so the Melchizedeks have taken over their roles, as well as doing their own.

So the Melchizedeks are the governors, overseers, the administrators and advisors and so on for Earth; they are the ‘controllers’, and they will instigate all that needs to be done to do with the ending of the Rebellion and Default. And they will enlist the willing help of ascending mortal pairs, so the mortal Celestials spirits (soulmates when available, and others waiting to unite with their partner), and at times mortal spirits in the Divine Love Healing Mansion Worlds. And the angels help all of us.

Currently the whole of Creation exists for the ascension of mortal souls from their earth planets to Paradise. It’s all one vast Grand Ascension Scheme. With all the higher and lower spiritual Daughters and Sons, together with all the many different angels and other universal spirit personalities, and even including nature and our very own pets, assisting women and men with their Ascension Journey. It being: and Ascension of Truth. Everything we do is done to help us grow in truth. (Only everything we do in our negative state is to deny ourselves our truth from our feelings, which is why we have to do our Healing.) All women and men are ascending (or growing) in truth through their experiences. And as we grow in truth by looking to our feelings to show us that truth, so we’re ascending, moving inwards and upwards through all the worlds and spheres of the Grand Universe to one day arrive on Paradise and meet our Heavenly Parents. God is providing us, Their children, with this spiritual journey called our Ascension of Truth. And by living true to our feelings, so we are progressing on our true Spiritual Path – our Ascension Path.

**Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God’s soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of your Mother and Father.**

**Humanity** is to pursue the pathway for Truth through one’s soul based feelings, this is the right pathway. However, humanity commences its journey founded on natural love, which we now know is to be perfected through one’s Feeling Healing process and then made divine through asking for and receiving our Heavenly Parents’ Divine Love.

For 200,000 years, **humanity** has pursued the pathway of the Mind, being that of the brain, this is the wrong pathway. The Mind is the pathway for Angels and that of all of Nature.

**CREATION of SOUL and SPIRIT:**

God is *The Paradise Trinity* — the eternal Deity union of the Personalities: the Universal Mother and Father; the Eternal Son of Truth; and the Infinite Daughter Spirit of Mind.

The soul of each human personality (sons and daughters of truth) is existential, driving our personality expression in the experiential. The soul of each human finds truth by embracing one’s feelings and longing for the truth of them. We are to attain the Eternal Son of Truth. We are a creation of Truth.

The soul of angels is experiential, evolving through their experience by continually progressing in mind development. Angels are to attain the Infinite Daughter (Spirit) of Mind. Angels are a creation of Mind. Our soul is duplex (we have a soulmate) and is created by our Heavenly Parents. Through our Feeling Healing we perfect ourselves enabling the union with our soulmate, as we progress in truth up through the Mansion Worlds, celestial heavens and all the way to Paradise.

The soul of angels is also duplex, yet of the mind, and they progress in mind evolution to Paradise. Animals, plants and nature spirits are also creations of Mind.

Neither we nor animals reincarnate. We never die; upon death, we move into the spirit Mansion Worlds on our journey to Paradise. When animals and plants die, be they the tiny microbe to the mighty elephants of the land and the whales of the ocean, their spirit energy returns to the Spirit Collective

Energy. And from this energy are drawn other animals and the nature spirits, who then in turn move onto becoming angels through increasing mind experience.

A nature spirit is an angel in waiting.

**47 Divine Love in Everyday Living**

14 February 2014

*Good afternoon dear friends. In discussion, a number of us have come to the conclusion that we have actually been receiving Divine Love during our lives prior to ever having heard of Divine Love. This leads to the conclusion that there are many people worldwide who are and have been receiving Divine Love without any awareness that this is so. This then raises the question if there are any religious or spiritual practices which render this more likely for an individual and also of the role of prayer in the receiving of Divine Love.*

Good morning dear brother. We welcome your questions. They are timely and need to be asked. The consideration of these issues is important to remove any sense of superiority that any person may have by virtue of their knowing of Divine Love and of ways of facilitating its reception.

As has always been stated, Divine Love is a universal gift freely available to every human incarnate or in spirit. This was the case in the beginning of the human era and again since this was again made available at the time that Jesus walked on the Earth and was able to announce this fact. The receipt of Divine Love has no preference for any race or creed nor does it necessarily require a belief in or acceptance of our Source, God. It is worth noting that this rebestowal of Divine Love did not occur **because** Jesus was born but was bestowed at that time in order that one who was aware of the existence of Divine Love and in full acceptance of the Living and Real Source, God Whom he recognised as Father of us all could announce this event from his deep knowledge that transcended any belief. He not only knew of the existence of Divine Love but lived in the knowledge of Love both Natural and Divine and knew of the ways that these interact and the ways in which man can live in this knowledge. In His Wisdom, Our Father knew that such information must be communicated through the agency of a man who had the full knowledge and experience of Divine Love.

You have all been taught of the necessity and role of prayer in the acknowledgement and receipt of Divine Love. This teaching is true. However it is necessary to examine the nature and purpose of prayer.

Is it essential that one pray in order to feel a connection with our Source, God?

Does the fact that one does pray necessarily establish a connection with our Source, God?

Do some pray ‘better’ or ‘more effectively’ than others and does this ensure that they receive more of the Divine Love?

What are the hallmarks of connection with our Source, God?

Is the experience of receiving Divine Love necessarily blissful or even perceptible by the receiver?

Why is it that some do indeed receive this wonderful gift without ever knowing of its existence and without ever actively trying to receive it?

Why is it that some do strive with great effort to receive Divine Love and remain convinced that they have failed to do so?

So many questions and I could go on endlessly with lists and lists of such questions every one of which would perhaps take us further from the truth. The truth takes us right back to the fundamentals of living a human life whether on Earth or in spirit.

The deep essence of living from its beginning on Earth is learning to live in loving harmony with all other humans without judgment or distinctions based on apparent differences. This can be further extended to living in harmony with all of life. Virtually everyone who exists today is having considerable difficulty in finding harmony with their immediate connections let alone the rest of humanity.

Most people have a concept that prayer is some sort of magic communication that sends a message to a God who will listen and then either answer positively or not at all. This is a misconception that results in considerable distortion of most person's concept of what life and living really is.

You are well aware by now that we constantly speak of harmony and enjoin you to seek harmony with all that surrounds you. Very few really know what this means as most have lead an existence of considerable disharmony which they have been lead to believe was actually harmony.

True and complete harmony is present when one is living in total honesty, free of judgment, free of fear and with love of all with whom one is in contact. The depth of the harmony is affected by the level to which those with whom one is in contact are living in the same way. Ponder this statement and you will realise that I have said that one can actually experience true harmony even if one is the only one in that place who is doing so.

The beginning of universal harmony is in the experience of an individual. Each person's harmony is independent of the experience of another. This you will know in time and may already have experienced to some degree perhaps for short periods.

**The key to the receipt of Divine Love lies in harmony. The love is universally present and available to all at all times. It is not necessarily found by diligent seeking or by religious practises or by belief.**

Divine Love will always come to one who is in harmony with oneself and, therefore, with our Source, God. One doesn't 'get' Divine Love or earn it. One harmonises with it and it can then flow as it is designed to do.

Prayer, when understood and practised, is a process of harmonising with love, with God. Now here I say 'love' and not Divine Love for a very good reason. The love of each other is a very accessible experience for any human even though the world is full of evidence of the lack of love for one another.

Where else except in one's immediate environment can one practise harmonising with self and others?

How can anyone truly seek Divine Love without the experience of the natural love? Everyone in the progress of their development is living in an environment of natural love in which one can fully experience the love of oneself and of others. This is simple undeniable fact.

Is it reasonable to expect to progress to what may seem to be another level of evolution without actually completing the level in which one is at present?

The actual nature of love both divine and natural is something that we will speak of at some length in the future and which is quite beyond your current understanding but which you need to deal with. All find difficulty as love as a word is an abstraction as is any noun. As such it has the meaning that any person gives it. Despite this, the truth is that love in any of its forms is a real substance that exists independent of the experience and beliefs of individuals. This is so even though most understand love based on their individual experiences and feelings of situations that they regard as loving, Love always exists, at least potentially, in every situation whether those present feel it or not

At the risk of over simplicity, I could say that what most regard as love is the feeling experienced at a moment of harmony with another or others or with their environment. This feeling is not love but an experience of harmony. In time you will understand this.

Then, the most common experience of harmony or of love occurs in harmonious interaction with oneself or with what appears to be 'out there'.

When one is experiencing harmony in this way, is one more in harmony with our Source, God?

Is one in more harmony with Divine Love?

Is one more likely to receive Divine Love without even knowing and might the feeling of doing so be similar to the feeling called 'love'?

These are all rhetorical questions with the one answer – Yes.

**Therefore if any person is acting in ways that create harmony in themselves or with others or with living in general they are in position to receive Divine Love regardless of whether they know of it or not. Our Source, God is absolutely generous and has established this gift so that anyone who is living a human existence with genuine care for and interest in themselves and others with good will, acceptance and the willingness to stand aside from judgement of others and self has access to it. It is not difficult to receive Divine Love.**

Most if not all who read these words will have had many experiences in their past in which they have acted in accord with the precepts stated above however small the experience may have seemed. Living is comprised of a multitude of tiny experiences every one of which counts in the production of what is called a life. Many have absolutely no awareness of how many acts of love they have made.

Divine Love must be seen and appreciated in the context of a full human existence that is lived in association with every other human being. Prayer must be seen in this context also. While nothing is demanded of any person, any act that leads to the production of greater harmony for one or more people

is beneficial for all. It is quite a stretch to truly conceive of one's personal and individual actions, thoughts and prayers in the overall context of Life Universal. It is enough initially to know that everyone of us is a contributor to Life Universal whether we are aware or not of this. No one is better or more deserving than another despite the present worldly concepts. A tiny action completed in the full sense of the above precepts may have far greater benefit than what may appear on the surface to be a major humanitarian act.

The truest prayer for Divine Love lies in the daily activity that each one conducts in their present environment. The prayer that one conducts in their private chamber is useless unless it is harmony with the actual acts of living on a daily basis. Honesty is not a cultivated appearance. It, like love, is real and cannot be faked. The Earth and the lower spheres are all full of dissemblers who make no progress until they step clear of such acts and stand in the true honesty of their being.

Through all of the history of the human race there have been beliefs and practices developed which were claimed to bring one into greater harmony with our Source, God. Many of these involved isolation from the greater body of humanity or the denial of some of the basic nature of a human. Some of these beliefs and practices seem to have produced some remarkable people and one wonders how much more remarkable they may have been had they lived in the same way as fully functioning humans in the full circus of humanity.

Every person living on Earth or in spirit has the capacity to live fully in the knowledge of themselves and in harmonious association with every other person regardless of who they are and what they look like and what their nature or personality is. When this is universal then will we have universal harmony. Until then every step that every person takes to experience harmony in their own lives contribute to their own harmony and is a step towards the Universal potential.

By all means spend time in individual prayer to our Source, God. By all means join together in common prayer for Divine Love. These are wonderful practices which bear great fruit. The greatest fruit is borne by the plant that is sown in and grows from fertile soil that is well maintained with the appropriate growth elements all of which are found in harmony.

There are stages in your progress when it is appropriate to focus one's attention much more narrowly on Divine Love rather in the more general ways that I advocate here. Every person comes to this stage and the point of decision to move this way at the appropriate stage of their development. In progress and development as a human one can never 'jump the gun'. In the harmony of the Laws of God every step follows the one before in precise and perfect sequence which is not to be denied. You have all been told how it is impossible in spirit to enter a sphere for which one is not fitted by virtue of soul development and the same applies at each step along the way.

If, at any time, you have a sense of frustration in your spiritual progress, and you all will, stop and think of this. Are you trying to step further than you may? In such a situation, my advice is to step back and to look long and hard at your everyday life and your feelings of harmony in yourself and with others. All spiritual progress is part and parcel of everyday living and the two can never be divorced. There are many who arrive here quite sure that they have lived very spiritual and loving lives only to be very surprised. Conversely there are many who arrive believing that they have lived little and insignificant lives also to be greatly surprised by the truth of their existence.

While Divine Love is a great and wonderful existence it can never make a silk purse out of a sow's ear. All spiritual progress is dependent on an individual's involving themselves in all of the aspects of their lives as fully as possible without comparison with others and standing clear of judgment. Divine Love fosters the development of what exists and cannot develop what does not. The actions of everyday living provide the substance that is the fruit of any life. Because one knows of Divine Love in no way means that they have become better than or superior to another. Those who believe themselves to be following the Divine Love Pathway, have the same needs in everyday life and the same opportunities as every other person on Earth. The results of all of your desires will depend on your everyday living if you regard every step towards harmony as a prayer and make all endeavours to make every prayer a step towards harmony acknowledging one's place in the whole.

In what I have said today there is much food for thought. Do not attempt to step further than you may but remain always aware that there are many steps to take and each one will flow easily at the appropriate time. This involves releasing struggle and developing awareness of the appropriate time and neither is easy to achieve. However each is eminently possible as we know who have done this and who know that each one of you can and will do this.

I leave you with much love and the blessings of all of us. The purpose of this message is to simplify your living, not to complicate it.

Richard, Celestial Teacher, brother and friend.

## What is prayer?

Prayer is the practice of the presence of God. It is the place where pride is abandoned, hope is lifted, and supplication is made. Prayer is the place of admitting our need, of adopting humility, and claiming dependence upon God. Prayer is the needful practice of everyone. Prayer is the exercise of faith and hope. Prayer is personal soul communication with our Father in heaven seeking guidance from Jesus the Master, our brother.

The Bible speaks much of prayer. But, sometimes, too often, we ignore prayer and seek to accomplish in the strength of our own wills those things that we desire to have or happen. For those of us who are too often guilty of this, we need to bow our knees, confess our sin, receive God's forgiveness, and beg that the will of the Lord be done above our own. God is sovereign and loving and He knows what is best for us and others.

Prayer changes the one praying because in prayer, we are in the presence of God as we lay before Him our complete self in confession and dependence. There is nothing to hide when in quiet supplication we are reaching into the deepest part of ourselves and admitting our needs and failures. In so doing, our hearts are quieted and pride is stripped and we enjoy the presence of God. [James 4:8](#) says, "Draw near to God and He will draw near to you."

Prayer brings peace. "Be anxious for nothing, but in everything by prayer and supplication with thanksgiving let your requests be made known to God. And the peace of God, which surpasses all comprehension, shall guard your hearts and your minds in Christ Jesus," ([Phil. 4:6-7](#)).

We can test our prayer life and dependence upon God by the peace or lack of peace in our hearts. In all things we are to seek the Lord and in His continued presence. Peace will surely be our gain.

Prayer is the practice of the presence of God.

16 February 2014

*I really like the last message and feel that you have more to say on that theme.*

Good afternoon my dear brother. Indeed we have a great deal to say on that theme as it is absolutely central to living overall let alone living with Divine Love. However complex what we say might sound it really is not. The belief in impossibility is so strong in your society that this leads to such feelings. When we speak of taking small steps, we mean tiny steps, if that is all that is possible at the moment. When you even entertain thoughts of harmony you are contributing. Taking a step towards harmony does not mean that you must achieve the complete harmonising of great discord. It is enough to move to restore any small element of harmony and peace within yourself. Everything that you have ever learned and will ever learn will be built from tiny steps many of which you will be unaware of. Never undervalue the importance of your imagination as the act of imagining is enough to open your being to new approaches to living. The converse is true in that if you cannot imagine doing something, it is almost certainly impossible for you to achieve.

When you consider the Padgett Messages you must remember always the circumstances under which they were written. James Padgett was a gifted medium who had spent much time assisting spirits who needed help. This he did with great love and with no knowledge of Divine Love. By virtue of his loving actions he had actually acquired Divine Love in his soul. He was chosen as a suitable medium for the communication of the messages that followed. You are aware of the often repeated exhortations to him to pray for Divine Love in order to render his soul condition suitable for the receipt of these messages from very high sources. This was necessary for suitable rapport to be established to ensure the greatest accuracy that could be obtained. He needed constant support and encouragement to continue and was unable to complete the task despite all of this. Much was asked of him and he did a marvellous job that has lasting value.

Now I stress that he was already acting towards needy individuals with great love and was giving greatly of himself unstintingly and was reaping the rewards of this. In order for him to do what was asked of him, he needed to pray very often to increase the flow of Divine Love. It is easy then to assume that the only thing for anyone to do is to pray for Divine Love. This prayer is very important and must never be neglected but it must be done in the context of the whole living process in which one is involved.

Divine Love may be received anywhere at any time if one is suitably attuned. It is most important to develop an attitude of giving and gratitude in all aspects of one's life. If this is approached with a sense of caring for one's self and others it will become second nature in time. This attitude cannot be forced but is eminently attainable and you will feel the benefits in all parts of your being, physical and spiritual. As you do this you will simply be taking worldly steps towards what is our normal way of living. There is as yet an enormous gap between the way you live your lives and the way we live ours and this gap will be spanned a step at a time just as we have done. Our fervent desire is that our assistance will smooth the path for you. There is no advantage in your having to learn the same lessons over and over again when the answers are already very well known and can be shown.

There is a great similarity in the way in which an athlete sets about becoming a champion in his field. He or she watches and learns from the ones who are already most proficient. They also learn from others who know the 'secrets' and they practise endlessly always seeking to take the next step along the paths they have chosen. All along the line they imagine themselves being the way they want to be. We present ourselves as being like the champions or those who have already achieved the desired goal and we are very, very willing to share all that we know and to assist you to attain this level of living. There is no competition as we want you to be alongside us with equal standing.

Do you imagine for even a second that Our Father would want your progress to be a grossly difficult trial which would seem insurmountable to almost anyone? Whenever you are struggling remember this, if living is hard there is something that you are doing to make it seem harder than it is or needs to be and Our Father has not created this situation.

Keep reminding yourselves that you are like children in the early stages of a pathway and that you are making progress whether you believe this or not. Be gentle with yourselves and with others. None of you know all or even many of the answers nor are you expected to. Without any judgment whatsoever, we can clearly perceive just where each one of you is on your path and we rejoice at every tiny movement forward and make no criticism of your stasis or apparent regression. Our love and support never varies.

Let this brief message be enough for the moment. We have much more to say and we will say it as appropriate.

With love and blessings,  
Richard

**75 Francis on Harmony**

15 July 2014

*Good afternoon dear friends. Paula and I are noticing discord amongst some Divine Love people. We are concerned about the effects of the discord on all of us and on the spread of knowledge of Divine Love. We feel that while we know of the existence of Divine Love and how to obtain it we remain somewhat unaware of how to manifest it in our daily lives. I know this is human nature but we felt that followers of Divine Love might be more aware of the need for this. What is happening to cause this discord in a group with supposed common interests in something so important? What do we need to be doing to deal with these issues?*

Good afternoon my dear brother and sister. I am Francis who speaks. In light of your earlier discussions I am including Paula in my answer because she has a keen interest in the answer. I greet you both and consider that your question is well asked. We invite you to ask such questions whenever they arise for you.

In this situation it would seem reasonable to have some expectation that there would be some common interest and some common application towards to deepening of awareness of Divine Love and the spread of knowledge of it. However the truth of what exists must be faced. In most if not all human endeavours there is enormous involvement of personal interest and ego issues. There are many within the very loose group that could be called The Divine Love Movement who feel that simply knowing of this Love gives them superiority over others. There are many who believe that prayer for Divine Love is a replacement for attention to the general aspects of living in association with the human race in general. There are others who believe that knowledge of Divine Love and prayer for it will remove some or all responsibility for their past and present sins. There are others who believe that their knowledge of Divine Love is superior to that of others. Others also believe that their established processes and practices are the ways that others should also follow in order to get the best results.

Do these statements have a familiar ring? They are descriptions of the common issues in every religion on Earth. Despite the statements made in the messages reintroducing Divine Love to humanity many are treating the knowledge of it in a religious manner. This is not at all surprising as humans tend to regard spiritual matters as belonging in religions and it is difficult for most to conceive of a free spirituality in which individuals follow guidance and age old principles with the addition of additional information that throws a whole new light on living.

I speak of a very loose group as there is little cohesion between the many small groups of individuals who have espoused the information that has been given. There are no clear leaders and none are needed. It is possible that some leaders will emerge in time by virtue of their ability to live with and manifest their beliefs about Divine Love in their lives. They will be leaders because of their lack of desire for control of others and their practices and because of their application of love, acceptance, freedom and humility in their own lives.

What is currently happening is not unlike what occurred in the centuries after the death of Jesus. In this time his messages became confused as many tried to teach what they remembered, with all the variations that this involved. The leaders of the existing religions also were struggling to counter what

was happening, or were trying to include changes in their religions in order to maintain control and power. This resulted in a powerful movement called Christianity which developed in a number of strains with some commonality but with great differences.

You have the added situation that the information about Divine Love was received by a medium and there are many who immediately discount such information. There are a number of mediums who are continuing to receive information regarding Divine Love some of which is accepted in some areas and rejected in others. So be it.

What an inglorious mish-mash this all is. However, there is no insoluble problem at all. As in all such situations there is no point in attempting to impose some sort of control over the turmoil that exists as that is most likely to engender further turmoil.

The whole essence of Divine Love is that the receiving of it is a completely personal issue. It is freely available to all and the receipt of it is subsequent to prayer of acceptance. Now it is most important to realise that prayer takes many forms some of which are conscious expressions to Our Father and others arise out of actions that are completely harmonious with God's Laws. When one acts towards others with love and acceptance of the equality of all in the eyes of God, one is effectively praying and opening oneself to Divine Love. The essence of this is that all have free will that allows them to act in harmony with the Laws of God or not. When one is acting in such harmony one is immediately open to receive all of the gifts that Our Creator offers. You have often read that there are many who don't know of Divine Love yet have significant amounts of it in their souls and this is the reason for this.

Now there is a corollary to this which is that not all who are praying for Divine Love are receiving it in the quantities that they hope or, indeed, at all. Not all prayer achieves the desired harmony with God and the Laws of God that leads to the opening of an individual to the flow of Divine Love. Prayer is created from a base which is the human who is praying. A strong and efficient structure cannot be built on an insubstantial base. Jesus taught this in his parables in a most clear manner. Everything He taught was about individuals and the desired ways of living that would best establish one's relationship with God. He spoke metaphorically of buildings or physical structures which referred to people as it was only people and their relationship with God that were his interests. He never preached the institutionalisation of spirituality or the creation of religions. These arose out of the desires of some to control the lives and behaviours of others.

Each person needs to be creating within themselves a state of honesty, acceptance and humility. This is what is necessary to progress towards harmony with God. Each one needs to make this their primary focus. No one can truly teach what they are not living in their own lives, nor can one offer to another a gift that they do not truly own as it is not theirs to give.

The solution to this situation lies completely within individuals who are prepared, either alone or in association with others, to make a clear commitment to their own personal progress and development. This does not have to proceed following any prescribed formulae. Do you know of any such formulae? There are none. There is the oft repeated injunction to pray for the Divine Love and this is as often misunderstood as it is spoken. The words that are spoken in prayer are probably the least important elements of prayer, unless they come from absolute sincerity and carry this feeling with them. God always hears the Truth that is given forth from every person and not words that are less than truth but

more often represent hope. It is only expressed truth that will open one to the receipt of further Truth. Each one can express to the limit of her/his capacity and is never expected to be perfect. Please remember that everyone in earthly life is as a child in their journey of spiritual exploration and no more is expected of any human than is expected of any human child at their level of growth and development.

However, as one grows, one learns and it is reasonable that one apply the fruits of learning and acquired knowledge in their living. To have knowledge that is not applied is missing the mark or sinning. Awareness brings responsibility with it and this needs to be acknowledged. To act against the awareness that one has is being less than one could be. This does not mean that God has expectations of humans. It simply means that progress does create ability that needs to be honoured.

So we come back to the theme on which I have spoken twice recently and upon which I will exhaustively and forever continue, for it is the basis of effective spiritual living and without which progress is severely limited.

### **Love your neighbour as yourself.**

This is the simplest of statements and perhaps the least understood because it is approached from the attitude of mistrust that is endemic in the world. Within the understanding of 'love' are concepts of acceptance and humility. Perhaps the single greatest limitation is that very few have any concept of what it means to love oneself let alone another. Loving, in whatever concept it is considered, involves acceptance of and honouring of the existence of self and others. No person has any greater right than another to the gifts of God. All have equal rights but this is not acknowledged or honoured and will only be generally respected to the degree which individuals do so.

I speak very firmly because, in truth, there is no leeway in this. One either does it or not. To move towards doing this one needs to begin and the best place is with oneself and the ones closest to you. Most people fear doing this because there is a belief that one will be taken advantage of. In the world as it exists this will often happen. However there is a vital modifying factor. If one attempts to 'love' another with fear or bitterness in one's heart, these feelings are what will dominate the transaction. The failure will not represent the weakness or failure of love but will show that what was sown was reaped.

Each one must begin to deal first with their feelings about themselves and the way with which they treat themselves. Honesty is essential together with the humble acceptance of what one discovers. Working at this is a process which needs to be seen as one of discovering beauty rather than blackness and horror. Virtually every human who exists is much more beautiful than they ever come to believe while they are still living on Earth.

Do my suggestions provide a simple and rapid solution to the problem we discuss? No of course they don't. The issues will not resolve overnight. They are part and parcel of an evolutionary process that will proceed on several fronts. Be true to yourselves as you really can do no more than this. Your effectiveness will be directly related to the degree to which your truth to yourselves approximates to true harmony with the Laws of God. Your measure of this will lie in the degree of harmony you feel within yourself. It is, of necessity, an experimental process. We are always guiding every one of you but can never give you knowledge or experience.

How one lives one's life and how one relates to others with whom one shares existence will determine the quality of one's prayer. Consider that for it is a statement of truth. It is a restatement of the message of the parable of buildings and their foundations. Truth is never based on falsity as such is impossible. What one sows, one reaps and there is no alternative to this.

The essence of living lies in the very basic and simple truths which were taught by Jesus while he also expounded about Divine Love. These truths were not invented by him as they have existed as long as has man. They are Truths and must be so regarded.

In all that we say to you we stress, and will always stress, that the responsibility for each person's life lies with that person and only with that person on Earth and in spirit. This responsibility may seem onerous but becomes less so as one learns to accept it and to live in harmonious association with others who are also accepting of it. Harmony always eases the burden of whatever one faces in living. All of life seeks harmony and one finds this to increasing degrees as one progresses on Earth and in spirit.

Please read these words and take them within you with reason and love as they are offered with the greatest love that is possible. We love you to the degree that we can only offer you truth and encourage you not to abide anything less.

My dearly beloved brothers and sisters, the love of God knows no bounds and we have the greatest desire to assist you to know this and to find the ways to feel it in your living.

I am Francis, Celestial Teacher, Brother and Most Loving Friend. I leave you with my blessings.

**Golden Rule: that one must always honour another's will as one honours one's own.**

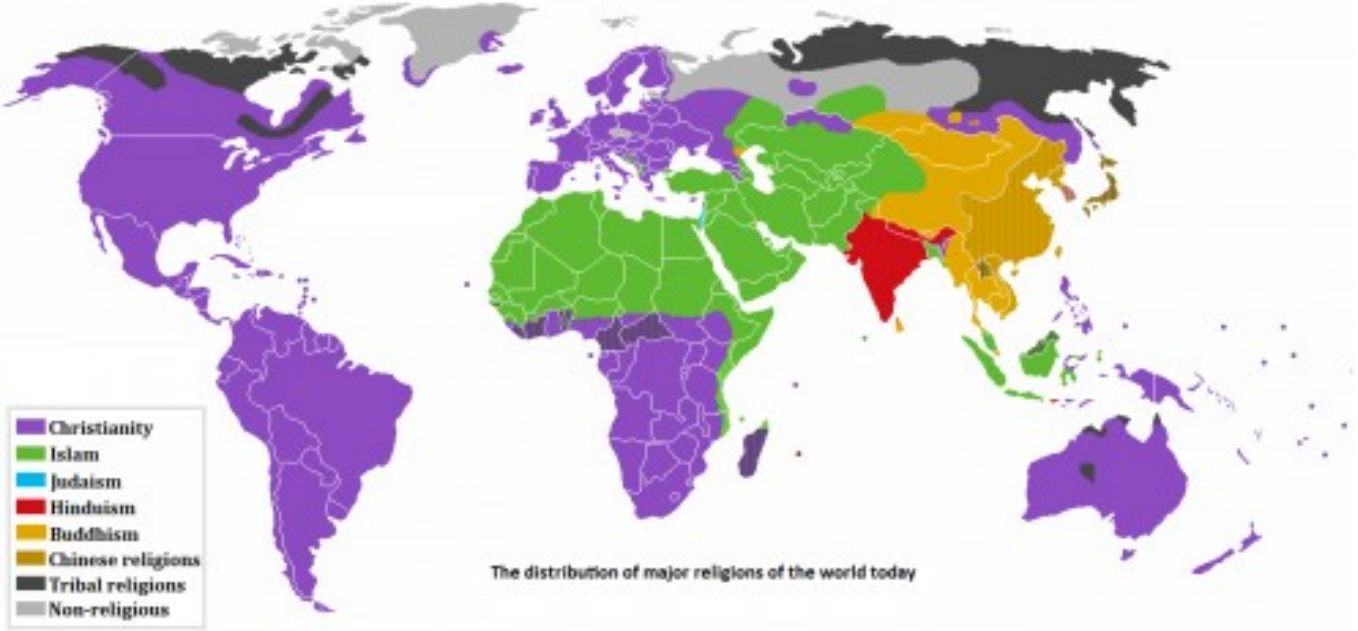

**Immortality with the Love.**

Kinesiology muscle testing has confirmed the observation by many others that they had individually been receiving Divine Love even in the early teen years or even younger during their religious practices and that they had not understood the event and the beauty that was unfolding for them. One's circumstances and religious beliefs are no barriers to receiving of Divine Love from the Father following a soulful earnest desire for His Love.

The Religions of the World

The Divine Love is a love available for the Human soul that, in its cause and effect, actually perfects the personality together with one's Feeling Healing process, as it progresses to a greater experience of living in the determination of living in God's Divine Universal harmony. Every personality has the gift of freedom of self-determination to enjoy and extend through life's experiences and it is this gift of freedom and human nature that may prevent one from participating in the freedom and gift of the Divine Love. The Divine Love, once being received is added to one's nature, having being formed on natural love.

**WE ARE ALL SOULS of the FIRST SOUL:**

**We are mortal souls who have the potential to experience the Divine Love.**

**If a person or spirit experiences a drop of Divine Love, then the soul is deemed Immortal, which the spirit body and personality must follow to this perfected truth. The Divine Love is in its own nature, the highest, or if you like, the most perfected form of energy and Law that a mortal soul can receive and experience.**

**The radiance of the spirit body that is seen by other spirit people, is distinguishable as to the presence of natural love and the amount and also Divine Love and the amount. The energy of both loves is processed in the region of the solar plexus within the spirit body. One's soul is lodged in close proximity to the spirit mind.**

**Divine Love – if sincerely asked for – will not be withheld by the Eternal Love of the Father, no matter what condition one's soul may be in. Divine Love is experienced at any stage in a natural love condition of soul whether error exists or not. What is required is that the cognitive capabilities of the maturing personality must knowingly be asking for this love to be added to its being.**

**Conception / incarnation brings together the soul, which lodges within close proximity to the spirit mind, which is located in the same region as the physical brain. The personality is created at the same time as the spirit body. Nothing that is Divine is within the forming entity.**

**The spirit body's energy is managed in the region of the solar plexus, we are endowed with natural love, being an energy, at conception. It is this energy that is visible to other spirits, not the soul that we all have.**

**THEORY WITHOUT PRACTICE:**

<http://new-birth.net/https://new-birth.net/contemporary-messages/messages-sorted-year/messages-2011/theory-without-practice-wv-2-feb-2011/>

Gavere (Belgium). Received by WV.

February 2nd, 2011

Good evening. As you have noticed, all of these entities had something in common. They all asked for help and it was also important you knew they all had different nationalities. Why? Well, because we want you to understand that origin, place of birth, place of death or geographic residence is of no importance at all once you enter the spirit world. Even language is not important.

You didn't know the first person, Jean-Marie, but he was actually a prominent person. The latter, Alvin, was as they say, a regular street boy. This, also, makes no difference when one enters the spirit world. The position of a man on Earth does not affect the position of the soul in the spirit world. In the spirit world, everybody is equal. All that matters here, is the development of the soul: how much love you have cultivated, received or requested. Whether you are world famous or a street kid, once you enter this world nothing except for the love you tried to cultivate will matter.

How do we develop that love? Well, very simple: by following our heart and soul.

It is not enough to only ask for love, it is also very important to give love! There is an old saying that indeed contains much truth: "it is in giving that you receive." So try to look at the positive side of people and give them compliments about it or say 'thank you' when they have tried to help or serve you. It might seem small or insignificant to you, but believe me, it is never. It is such things that will determine your place in the hereafter.

Of course, there **is the "Primal Energy" – the Universal or Divine Love** that one must receive in his soul – which is most important. But it is equally important to share the Love one receives with others.

Herein it is important to follow your heart and soul. This way you will feel what is in report with the Laws of Love. It is by living according to these Laws of Love, that you keep your soul in a loving condition.

Try to observe yourself more than normal, so you can learn when the Universe (=God) talks to you. Yes, it does that. Give more (Love) so the walls you've built around your soul may disappear like snow to the sun. Give, so you may feel what it brings about. Whether you give somebody 5 Euros, a hand or a pat on the back, does not matter, as long as you give it with Love.

I know I'm not telling you anything new, but too few people know what the real effect of (loving) giving is. Not giving because you feel you should, but giving because you feel it's the right thing to do and because your heart and soul tell you to.

It is important for you to know how thoughts affect spirituality. The power of positive thinking is not as stupid as most people think. Negative thinking disconnects the link between you (as a physical and spirit being) and your soul. Since the soul is the most important part, men should pay most of their attention to it, so the mind will subordinate to the will of the soul.

When one thinks of too many negative things, it feels like the soul (and all the love in it) suddenly disappears. Of course it does not. It just feels like it because you allow those (negative) thoughts instead of having faith in the Source of the universe. And unhappiness only arises because the connection between your physical body and your soul has temporarily been broken.

So be aware of the fact that your mind is capable of doing this. It is your journey to learn how to subordinate your mind to your soul. Once that process begins, you start the journey of becoming who you really are. (This is the process of Feeling Healing.)

Be aware of your thinking and try to correct yourself at times when you worry, fear, feel guilty, hate, etc. by thinking positive and loving thoughts. And, what if you don't succeed? Well, ask for help! Ask your guides and the Source to help to fill you with Love and positive thoughts. If you persist, you will notice negativity will fade, because you're trying to reconnect the link between your mind and soul. Only love can repair this connection. Every bit of negativity decomposes or disconnects this link, little by little.

That is why we need to learn to love everybody. We know it is difficult. We know how much judgment is within men. However, as we just mentioned, these judgments are merely the creations of the mind. If your mind is subordinate to your soul, you will feel the need for love and attention in every person equally; whether it is a Jew, a Moroccan, a Belgian or an American; an introvert, extrovert, silent or loud, soft or harsh person. Nobody's life is worth more than anybody else's.

And to cultivate the Love inside your soul, it is important that you learn this and that you put aside your preconceived thoughts. How? By bursting the bubble and talking with the one you have preconceived ideas about. Look at how they live, what they are doing or what they value. You will find they are not so different from you.

We are all human beings, spirits and souls. We are all creations depending on what the universe gives us, depending on the breath we take and what this Earth provides, depending on the Prana that we get from the Source Itself. Please do not forget this valuable message, my friends. Write it down and read it again. These messages are food for the soul. They give you insight into what will make you happy and what many really need.

Put them into practice. Theory without practice is like a rough diamond that is never cut: nobody will see its true beauty.

Good night.

# Steps UP!

## Quantum Jump 1

**REVELATION 1**  
James Padgett 1914 – 1923

James Padgett bravely introduced the availability of the Mother and Father's Divine Love and a great deal of additional guidance and information, all of which has been supplemented by Samuels, Judas, Reid and Arnold. All writers were under restrictions of personality and circumstances. Revelation 1 opened the door for humanity.

## Quantum Jump 2

**REVELATION 2**  
Marion and James Moncrief 2002  
– ongoing

Marion and James Moncrief have recognised the need for one to engage in Feeling Healing and, by their actions, removed restrictions that James Padgett and others above endured, thus JM is able to critique the writings of the past 100 years resolving points of confusion as well as expand on what has been written. Revelation 2 is humanity's turning point.

Due to the extra-ordinary nature of Revelations 1 and 2, humanity with the first Revelation would have continued on into its negative pathway of living, however, combining the first Revelation with Revelation two, now humanity can embrace this turning point and commence its evolutionary growth that has required two thousand years to put in place. This is the greatest event in the history of humanity and very few are aware of such, until we enable others to become aware.

**PSYCHIC BARRIERS MAINTAINING the REBELLION and DEFAULT are CRACKED!**

The hounds of the Rebellion and Default have fallen, the psychic barriers have forever been cracked. The sheeple, the mice of humanity, now have the freedom to evolve through Feeling Healing and Divine Love.

Things are pushing ahead, we're working them from our side, and more so every day now. Many of the soulgroups involved in this are getting a feel for what it is they are to do and how they are to do it. So the barriers are giving way on multiple fronts.

There are actually barriers preventing people and humanity as a whole moving deeper into the wrongness, just as there are barriers preventing people and humanity moving out of it. It's all very tightly controlled, the Evil Ones put in a vast amount of controls and on all levels, which, unless you are shown by those spirits who can see them, such as the Melchizedeks, you'd never be aware of them.

So the cracks are appearing as the Divine Love Healing worlds start to 'descend' onto Earth – into the physical. For that's what is going to happen, the Divine Love Healing worlds, from the first introductory sectors on Mansion World one, to the truth of all the three main Healing worlds, being lived by people living them whilst on Earth. All to give rise ultimately to Celestials on Earth. That's what our goal is, to have people living on Earth who have fully Healed themselves.

# REVELATIONS

**Revelation 1:** Our soul becomes encrusted with harmful ways of life, plus negative and erroneous beliefs, these mainly stem from our childhood upbringing and environment. Thus we live untrue to ourselves, we become 'evil'. Whilst we hold to these injuries we limit the amount of Love that we can receive into our soul. To open our soul to the Love we must firstly and progressively feel into our emotional injuries and allow them to be released. Until we emotionally experience past errors and injuries we hold onto them.

To free our soul of damage and toxic emotions we must open ourselves to experiencing them. This is a progressive, slow and uncomfortable cleansing process that we must all experience. Only by addressing the generational injuries will we, as humanity, evolve in love.

To fully divest one's self of our badness, we have to 'go into' our feelings. Call this process of clearing toxic emotions as 'Letting Go', 'Emotional Processing', 'Journey Process' or 'Feeling Healing'. Embracing Divine Love then Feeling Healing becomes Soul Healing.

As part of our Feeling-Healing we will have to work our way into all our feelings to see if indeed they are coming truly from our heart and soul, or if they are being heavily influenced by our mind. And this will then lead us into questioning and uncovering the truth, if there is any, to our beliefs and why we behave the way we do; and is such behaviour based on truth, or is it based once again on untruth, belief, and rules of our mind.

**Revelation 2:** We can long for, ask for and receive the Mother and Father's Divine Love. The greater our soul is free of error and injury, the more of the Divine Love can be received and assimilated into our natural love formed soul. The Love does not free us of injury, however, it strengthens our resolve to continue on our journey to be free of error and injury, to step away from evil aspects that have been encapsulated within our humanness and soul. It is this Love, the Divine Love, that brings about immortality of our soul and it is this Love that will eventually fit us to enter the Celestial Heavens and progress for ever more onwards to Paradise. These two revelations free us from error and enable us to grow in love ever more.

**Immortality with the Love.**

# FEELING HEALING + SOUL HEALING

To heal one's self is to simply look to see what feelings we are refusing to let ourself feel, and accept them instead of denying them. And to fully accept them, one needs to express them, speak about them, let them have their say, rather than pushing them aside, refusing to let them make you feel bad.

Doing this all with the intention of seeking the truth of why you are feeling them, of speaking about and expressing all such feelings; all feelings you have, but ALL WITH the INTENTION of UNCOVERING the TRUTH THEY WANT YOU TO SEE ABOUT YOURSELF. And it's the wanting to see the truth of them that is very important, because if you just look to accept them and speak and express them, but not seek their truth, then that's all you'll be doing, speaking and expressing them, but not healing their causes, so not fixing the things within you that are making you feel bad. And it's the truth part of it, seeking the truth of your feelings, and so, seeking the truth through your feelings, that's vitally important. It's the truth of yourself, life, nature and God, that is the spiritual aspect to it all.

You CAN'T find the truth of yourself, or anything else, through and with only your mind. You HAVE to engage and look to your feelings. And so if you choose to allow your feelings to 'Show You the Way', then the truth will come as you express them. So to do our Soul-Healing consists of these steps, all of which are ongoing until it's done:

- **Admit you are feeling bad.**
- **Accept your bad feelings, identify what they are.**
- **Honour fully your bad feelings by expressing them, speaking about them to someone who is willing to hear you talk about them, or tell them out loud to our Heavenly Parents. Long for the truth of them. Long for the truth of why you feel bad – what deep within you is causing your bad feelings?**
- **And remember, bad feelings are Good! Not bad. They are not to be despised. And as hard as it is to accept them, they are still you, and a very real part of you. And if you persist in denying them and not allowing yourself to fully live them, then you are only going to keep yourself in your errors making things harder for yourself.**
- **All sickness and suffering, all bad things that happen to you, all your problems, all your addictions – your whole feeling-denying and untrue life, is all caused by your denial of bad feelings.**
- **Every problem in the world is brought about because everyone has been brought up to deny feelings, and in particular, most of their bad ones.**

If one is intent on spiritually evolving and growing in truth, then it's vital, and this is the key, that one looks to use one's feelings as the means to gain and have access to the truth of oneself. You CAN'T find the truth of yourself or anything else through and with only your mind. You HAVE to engage and look to your feelings. And so if you choose to allow your feelings to 'Show You the Way', then the truth will come as you express them.

Doing your Soul-Healing with the Divine Love, is really doing your 'Feeling-Healing'. We are designed — created — to be self-revealing of truth, and so we are all to uncover the truth within ourselves and for ourselves, and all being done by living true to our feelings. **If you accept, express and seek the truth of your feelings, then truth will come to you, and you'll grow spiritually. It's as easy as that. Also it is as easy as it is to long for, ask for and receive Divine Love.**

THE HEALING OF YOUR BAD FEELINGS THROUGH THEIR ACCEPTANCE  
AND FINDING THE TRUTH OF THEM, IS THE ACCEPTANCE OF YOUR  
NEGATIVE, REBELLIOUS, EVIL, IMPERFECT MIND AND WILL CONDITION.

To do our feeling-healing we need to become:

Aware of – Acknowledge – and Admit, our bad feelings.

So we can:

Accept – them and allow ourselves to Be them.

And then if we feel to, take:

Action – Express, speak and emote them.

Talk about them.

All being done whilst longing to, really wanting to, see the TRUTH of our feelings.

So it sounds simple.

So I repeat:

We accept our bad feelings by expressing – speaking about them to someone willing to listen to us and take us seriously. And as we speak we long for the truth of them – why we are feeling them – to be made known to us. And when we uncover and see the truth we are FREE! – healed of the causes that have made us feel bad.

Accept, Express – see the Truth, and you're Free!

ACCEPTANCE OF ALL YOU FEEL, THINK AND ARE, IS THE KEY TO DOING  
YOUR HEALING; THAT, AND WANTING TO SEE THE TRUTH OF ALL YOU  
FEEL, THINK AND ARE.

**Feelings First Spirituality, The New Way**

*Feelings First Spirituality, The New Way* is a contemporary ‘religion’ based on living true to yourself through your feelings. Understanding that all you need in life is contained within your soul and is shown to you through your feelings. And by loving your feelings, by attending to them properly (talking or writing them out of you) and not denying them, you can use them to uncover the truth of yourself – the truth of your soul.

*Feelings First Spirituality* is not a formalised religion that tells you how to be, that is too controlling and is actually bad for you, limiting your spiritual growth. You can be wholly self-revealing of the truths you need to be, being the person God created you to be, all by living true to your feelings.

*Feelings First Spirituality* has no formal structure because we understand we don't need one, our soul contains within it all the truth of our spiritual ascent. If we look to our feelings for the truth they want us to see about ourselves, nature and God, then what more do we need! Our true spiritual path is the path our feelings will lead us down, that is, provided we allow them to. This is the most spiritual we can be.

**Living the New Way of Feelings First Spirituality**

You come to the understanding from your life experiences that how you are is not right, it doesn't make you feel good – that you are wrong in some way. And you want to change yourself, you want to become right, true and perfect – you want to be like God is.

*And to do this you need to do your Healing*

Your Feeling-Healing is looking to your feelings for the truth of yourself, the truth being hidden in many of the feelings you are not wanting to face in life. So you have to end your feeling denial, accepting all your bad feelings (and good ones), express them (yet not necessarily acting upon them), whilst longing to uncover the truth they are to show you.

Or, you can do your Soul-Healing, which is your Feeling-Healing together with including longing directly to God for God's Divine Love. When you receive the Divine Love into your soul, it will cause your soul to become divine, and it will deepen your personal relationship with God. Long with all your heart to God for God's Divine Love.

## Prayers to our Mother and Father

From 'Religion of Feelings' by James Moncrief

**Please Mother and Father** help me accept my untrue state and bring up all my repressed feelings so I can see the full truth of why I feel so unloved and all that's wrong with me.

**Please Mother and Father** help me see the truth of myself through my feelings.

**Please my beloved Heavenly Parents**, fill my soul with Your Divine Love. I long for Your Divine Love; please answer my prayer and yearning to be at-one with You and do Your Will by living true to myself and all my feelings. Please fill my heart and soul with Your Divine Love – please make my soul like Yours – Divine.

**Please Mother and Father**, I want to uncover the whole truth of myself through my feelings. I want to be able to feel and accept just how bad I am, how bad I feel I am, how bad I've been in my life. I want to know the whole ugly truth of myself, see it and feel it and understand how I came to be it. Please reveal to me through my feelings all the truth of myself You want me to see. I want to be as You want me to be; I want to be true and perfect, Healed of all my rebelliousness and self- and feeling-denial; I want to be good, loving, true and happy, please help me become true to myself, true to my soul, true to You.

**Please Mother and Father help me**, I'm in such bad pain, I feel so alone, so miserable, so scared, what's going to become of me, I don't understand, what's the point of me, why have You made me; please help me see the truth of myself – all the truths of myself, nature, how to be in the world, of You both. I want to know, I want to know it all through my feelings, all that there is to see, the whole truth and nothing but the truth. Please help all my pain come to the surface of me so I can embrace and accept and express it out of me. I want to use my feelings to uncover the truth they are to show me; please help me to do that.

**Please Mother and Father love me**. I want You to love me. I want to feel fully loved by You. I don't want anything else, only to be with You. Please, that is all I am asking.

**Please make me feel how unloving I am**. Please show me the horrible truth that I am. I want to see and feel and understand the worst of me, please take me into my darkest scariest ugliest unwanted rejected places within myself. I don't want to feel all the dreadful pain that I know is there locked away inside me, yet I do also want it all to come up and out of me, and I want to use it to see the truth of my wrongness, the truth of how evil I am, the truth of my fucked up state. I no longer want to be false, pretending I am okay, using my mind to make me falsely believe I am good, happy, loved and loving, when I know I'm not. For how can I be when You've brought me into my unloving state, making me be of it. And as You want me to experience being this negative way, please show me the whole truth of it. I no longer want to deny any part of myself, or any of my bad feelings. I want them all to come up so I can express them, emoting their pain, feeling how bad You've made me feel all my life and all through my early life; I want to see why, and so reveal all the truth to myself. I want to be the living truth of myself, living true to my feelings and the truth they give rise to. Please help me to do my Healing, and please fill my soul with Your Divine Love.

The mind way is the 'dead' way; the feelings way is the 'alive' way.

### Examples of some prayers to God:

From 'Feeling Healing' by James Moncrief

**Please God** show me the truth of myself through my feelings.

Please help me see the truth about myself You want me to see.

And please help me feel all my repressed pain; please bring up all my bad feelings so I can express them and see what it is they are to show me about myself, my life, and You.

And please help me work through my blocks, I want to Heal myself, I want to become true to myself and true to my feelings and true to You – please help me do that.

**Heavenly Mother and Father**, I feel so bad, and I know I'm doing it to myself, but I can't help it. I can't stop my compulsive addictions, so will you please bring up the buried feelings in me and show me the reasons why I can't stop. Please! I want to know – I REALLY WANT TO KNOW why I do them. Please help me Mother and Father to uncover the truth of myself. Please, I beg you, please, please, please show me the truth of them so I can give them up. I hate feeling bad, yet I know I must so I can keep expressing my bad feelings to see the truth You want me to see, so please help me feel bad.

**Please Mother and Father** fill my heart and soul with Your Divine Love. Please give me Your Love. Please love me and make me feel loved by You. I want to feel You close to me, I want You to hold me, make me feel loved by You. I only want You and to do Your Will. Please help me bring up all my repressed feelings so I can express them and uncover their truth. Please help me do my Healing. Please give me Your Love.

**I hate you Mother and Father**; why have You given me such a shit awful life? I hate myself, I hate You, I hate everything about my life. I feel so bad all the time. I've expressed so many bad feelings and still I feel bad. It's not fair, it's not fair what You've done to me. I hate You! And I want You to help me Heal myself, so I can stop feeling bad. You put me in the shit for whatever reasons, and I want You now to help me get out of it and show me what it's all been about. Please help me to Heal myself so I no longer hate You.

**I long for Your Divine Love** Mother and Father. Please fill my soul with it. And please help me uncover the truth of myself through my feelings. I want to see it all! And please make it all end, I'm so tired of always feeling so bad, please take all my bad feelings away by making me feel them and showing me the truth I am to see.

# FEEL *for* TRUTH

The beauty of it all, is the truth comes to you through your own feelings. You don't need to be told it by anyone. You can work it all out for yourself. We are self-revealing of truth, it's how God created us to be, and by being it we'll feel the happiest we can feel. Truth is our great comforter, so when you feel it come up within you, ah it feels so good and you feel just right – perfect!

We know only how to deny feelings, now we can get to know how to accept them. And always with the truth being the most important part.

## FEELING TRUTH

If you don't want to uncover the truth of your feelings, then you can keep on expressing them forever but you will never fully heal yourself. Seeing the truth results in the Healing. And to see the truth you need to express all the pain out of you. The two things go hand in hand.

You can accept and express your bad feelings, letting off steam all day long, yet nothing will heal and nothing much will come of it. So this is where wanting your feelings to show you the truth of why you're feeling as you are is so important.

Don't go fishing with your mind, that will shut the truth out from rising up for you. **KEEP YOUR MIND OUT OF IT.** It's a feeling thing, doing your Feeling-Healing. (This is where we erred previously, and this how other modalities are in error.)

You long when you can, then stop longing and keep expressing. And at some point, and it might not even happen immediately, it might happen after days or weeks of expressing the same bad feelings, truth will come to you. And it does, it just comes up suddenly into your consciousness. You just know. You see the picture and you feel it's true. And you know it's true. And THEN your mind can come in and start sorting it out and putting in context.

It's the Truth that we are seeking. It's the End Point. The Reason for doing your Healing. You are to see the whole Truth of yourself. And to begin with, that's the whole truth of your unloving self, of your wrongness, of your evilness, of why you are as you are in your negative unloving mind-controlling state. To be able to fully accept yourself as you are, warts and all. To not fight or resist or try and change yourself, just to accept all you feel and all the truth of all those bad feelings you feel about yourself. And when you do, so you will be healed. You CAN'T heal yourself unless you uncover the truth of your pain, suffering and so the truth of all your bad feelings.

Through our Feeling-Healing we long for the truth of what we're feeling whenever we can. So as often as you can. You want, and REALLY WANT WITH ALL YOUR BEING, ALL YOUR WILL, to know why you are feeling bad. You yearn, want, long and beg and beg and BEG God to show you the truth of yourself through your feelings. So when you are expressing your bad feelings you can stop and long for the truth to show you what's going on, why do you feel so bad, and you can do it any time you think of it or feel to do it.

Notes from 'Feeling Healing' by James Moncrief

# Heartfelt TRUTH

## Our FEELINGS are our SUPREME GUIDES:

# Feelings!

Feelings are what guide us through our ascension of truth. So they are really our Supreme Guides. Many people look for a person, spirit, angel, even God, for supreme guidance, however it's all right there already built in – in our feelings. We just have to submit to them, allowing them to take us where they will, expressing all the parts we want to express, letting the emotion drive that expression if it's there to be expressed, or just talking about all we feel and how feeling that feeling is making us feel – or, how we feel about having that feeling, all whilst longing for the truth of our feelings. Longing for the truth of our feelings is really: Longing for the truth of our self, because: we are our feelings. So life stirs up our feelings, we feel being alive; or, being alive means we are feeling, always feeling; and when we work out what and why we are feeling what we are, so then we know the truth of how we are. And over time the truth accumulates, and our mind expands our understanding of ourselves, all being driven from our feelings. Kevin 26 Sep 2017

## Using our feelings to uncover the whole truth of our negative or anti truth and anti love state.

Kevin: So whilst we're of an untrue state, then all we have got to help us understand why we feel bad, why we are wrong, why we are negative and anti love and truth, is our feelings. So if we focus on our bad feelings, they will lead us to the truth of why we're feeling bad. Which will be the truth of what happened to us to make us be this wrong way, and how we took on the wrong way and keep it going making us feel bad.

## FEELING HEALING

**Note:** The vital difference between emotion and feeling is that emotions have their roots in the past, and feelings relate to the present moment. Emotions represent our feelings which were not previously expressed, and these accumulate with time.

**Note:** Our feelings are soul-based. Our soul is always in truth. It is our soul based feelings, that when allowed to be freely recognised, we will begin to express and be who we are. This takes time and perseverance as we have encrusted our souls with layers upon layers of errors and false beliefs, it is these layers that will confuse the truth that our soul is conveying to us. Only by our progression with our Feeling Healing will our soul's expression of truth become clear and free of all cloudiness and contamination.

“What our soul needs in accordance with our own, individual, **Soul-Light-Plan-Of-Destiny** (your life's true destiny plan), They, being our Mother and Father, will give you as required. The only way we can know truly what we need is to honour and follow our true feelings. They, springing from our soul, literally telling us what we need, and so when we genuinely feel we need something, we apply our will to get it. The hard part is knowing if our feelings are true, and until we have done our whole soul-healing, they won't be clear and totally true.” James – Introduction Course to Divine Love Spirituality

## The New Way

**Feelings First**  
**FF**  
**Feeling Free**

The New Way, Feelings First Spirituality  
 Learn to live with God through your Feelings

Accept, express and long for the truth of your feelings

Be free in your feelings  
 Free your feelings from your mind's control  
 Live true to your feelings; your feelings are your true self  
 Live true to yourself through your feelings

Live true to yourself by living true to your feelings.  
 Long for the truth of your feelings.

Accept / Express / Bring out ALL of your good, and most importantly,  
 BAD feelings.  
 Want to understand why you're feeling them.  
 Use your surface feelings to take you deeper into your repressed and  
 hidden feelings.

The Feeling Way is the True Way.  
 Your feelings are your spiritual guide.  
 Your feelings will take you to God.

Your feelings will show you the truth of your relationships, including your relationship with God; and if anything is wrong, untrue and unloving, then why it is.

Our feelings are sacrosanct and we should respect them accordingly. And we should NEVER block them out, ignore, override, banish, deny or reject them, because if we do, we're only doing that to ourselves, as Our Feelings Are Our Self.

Our feelings are the gateway to our soul. Our feelings are the closest we can get to our soul. Knowing the truth of our feelings is knowing the truth of our soul, and knowing the truth of God.

Feelings First Spirituality is the True path for humanity.  
 It embraces all people.

It completely unifies the world.

Everyone can relate to everyone else through their feelings.

And we can all live the truth that comes from our feelings, all sharing the same truths as we express and have the same feelings.

No one need be left out; no one is more special than anyone else – we are all united in Truth through our feelings.

So with and through our truth we live our lives, therefore without the need of any man-made mind-laws, rules and restrictions that limit self-expression as inspired by our feelings.

The New Way, Feelings First Spirituality is what is to replace all man-made, mind-contrived religions that so many people have enslaved themselves to. The New Way, Feelings First Spirituality will set us free of all that control, ending the Rebellion and Default within ourselves as we do our Feeling-Healing, and ending such control and spiritual stagnation in the world.

Bring on the End Times – get it over and done with! Let's all see that Jesus is not going to come again, that Prophecy has failed all the mind-controlled platforms. Allow such false systems of belief to die their long-awaited natural death, they've overstayed their welcome, it's now time they fade away. So let us show such antiquated, erroneous systems of belief the exit and bring on the fresh liberation of discovering the truth of how we are to live for ourselves, each of us personally in our lives, and all by looking to our own feelings for it. Self-revelation through our feelings is the way to go.

The Way of the Mind is ending, and is really the End Times – the End of our mind control, and **it's about time!** With the Way of our Feelings replacing it.

The End Times means the end and therefore a New Beginning. And that new beginning is a whole new Spiritual Age – an age based on self-revelation of truth through one's feelings, coupled with and supported by higher revelations from the Celestial spirits, angels and nature spirits.

The Feelings First Spirituality is the True Way to God because it helps you get to know God, helping you to reach out, connect and be personal with God, and do God's Will, all through your feelings. It is the only true way of getting to know the God of Feelings – our beloved Heavenly Mother and Father, the Great Soul of Divine Love.

Love comes through our feelings and not our mind, as we've all been wrongly led to believe.

- Living with your mind contriving you feel loved;
- Rejecting the Divine Love.

All religions, New Age, agnostic,  
 atheists, no spiritual interest,  
 Living the Rebellion and Default.

**Hell:**  
 Exploiting the Rebellion and Default.

The Feelings are the doer; the Mind the teller. So we are to go with our feelings, which we can't be told to do with our mind. So the longing for the Divine Love, doing our Healing by expressing our feelings and longing for their truth, are all feelings and doing it with longing. Whereas the mind just wants to tell us what to do and how to be, no feelings in it, all how our parents have treated us.

**WE are meant to grow up LIVING FULLY CONNECTED to our FEELINGS:**

Humanity has always had an awareness and involvement with spirits, with life on the other side, because we are all heading that way, we all end up dying and becoming one of the spirits, and were humanity living rebellion-free, then nearly everyone would enjoy some level of spirit involvement either directly or indirectly, loving such an expansive awareness in life.

**We are meant to grow up living fully connected with our feelings in our physical reality, and at the same time with full feeling awareness of spirits and life after death, because after all, God is the greatest Spirit of us all.**

And so having an awareness and involvement with spirits can, and should, help us have more of an awareness with our Mother and Father. And it's not with just spirits, it's also with the angels who are with us all the time, and the nature spirits should we be open to them, and even higher spirits if we are to work with them, such as the Melchizedeks or Trinity Teacher Pairs. But mostly for those people involved with the Divine Love, it will be with the Celestials spirit group that is assigned to help them.

It is very important to understand that spirits and spirit life is meant to be part of life on Earth. However that's not to say everyone need to have an ongoing relationship with their spirit friends, but they can at least still be aware of spirits and spirit life and where we will be going and something about what to expect once we die. And when you are open to it, lessening the grip of one's fears about it, then we will find it will be just another aspect or level of life, and one that can give us quite a lot of comfort.

**TRUTH LOVING SOUL V ERROR INFLICTED MIND**

**Feeling  
Healing with  
Divine Love is  
the key!**

**To liberate one's real self, one's will, being one's soul, is by embracing Feeling Healing so to clear emotional injuries and errors. With the Divine Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.**

**FEELING HEALING and the EFFECTIVENESS of EMOTIONAL PROCESSING:**

Hi James and Nanna Beth (questions in blue by John)

Thursday, 13 July 2017

The question to address is:

What is different with the outlines of the Feeling Healing process as against the numerous other emotional processing methods?

Nanna Beth: The difference is the focus on the truth: uncovering the truth of yourself through your feelings – uncovering the truth of your feelings. It's a rebellion against the Truth, so if one doesn't want the truth, nothing will happen, one will only move deeper into one's rebellion against it. And because the focus is on the Truth, so one can use it all the way to uncover the Whole Truth of Oneself. And there is nothing else teaching that.

All the other systems that involve looking to feelings to some degree fail to understand the deeper significance of wanting the Truth. Many people uncover some truth of themselves through their feelings, but mostly they end the process because they don't want to follow it right the way through, which means they only want to heal some momentary pain, and once that is done, are usually happy to continue on in their untrue state.

And because one is wanting to uncover the whole truth of oneself, then it becomes a full spiritual experience, and one that can be done by oneself, so without needing help from another, although at times help is sought and used. So the Feeling Healing embraces Healing the whole seven Mansion Worlds worth of self- and feeling-denial, which is the complete Rebellion and Default. Other systems might only work at some aspect of it, limiting the ascent of truth through all the Mansion Worlds.

And basically no one understands the absolute depth of the problem within themselves, which is only borne out by people and spirits doing their whole Healing. Much of the current psychological understanding falls well short of understanding the depths that are involved because they don't include the overall problems brought about by the Rebellion and Default. You have to understand you are rebelling against yourself: the truth of yourself, and so against your own soul; which is then the truth of God, so the Mother and Father; and that also includes the truth of Mary and Jesus. So at some point you have to rectify all those relationships, which you can't do unless you understand the bigger spiritual picture. And so that's what James has revealed, taking all Marion has said, all the books offer, adding his own stuff, and putting it all together as a way of life, a spirituality that can be lived, and one that initially focuses on Healing oneself of all one's wrongness.

Why have all other methods of releasing and delving into emotions not been successful?

Nanna Beth: Because they don't understand the scope of the problem, as I said above. They are not approaching it from the point of view of understanding the nature of one's Repressed Childhood state, the extent of that; and then how one needs to allow oneself to feel all the bad feelings, not reject them; and then bring them out, which is the releasing of them; all whilst wanting to know the truth of them – the truth of what you are feeling. And that truth is what needs to come up within you so you can heal your will and become a truly functioning person, fully self-expressive, self-loving, and growing continually in truth.

All the other systems work within the control of the mind, so once the therapy ends, the mind regains control albeit in a different way. Only the Feeling Healing and Soul Healing with the Divine Love, seeks to entirely break the control of the mind over one's feelings.

### Why haven't other methods been going deep enough?

Because people are basically afraid to push into such early childhood trauma without understanding where they are going or what it's all about. The leap of faith is too great, as it would mean they would have to rise above and conquer the Rebellion and Default within themselves, and that's simply too much to ask. The negative truth-denying systems within everyone are too deeply entrenched.

However the spiritual structure outlined by James provides a structure that allows you to deal with the Rebellion and Default, allowing you to maintain your faith, and evolve it, as you progress in your growth of truth – it gives one a picture to work with. Very few people, and possibly only Marion in fact, are able to press on into such dark depths without any structure and with only a faith that it's what she and God want to do.

I (Beth) couldn't have done it Marion's way John, I wouldn't have allowed myself to feel such pain, I needed to understand the bigger-picture reasons as to why I was in such pain, and be given the understanding that if I kept at it, one day it would end. Marion doesn't know it will end, she just keeps going one bad feeling at a time, which requires a tremendous amount of faith and over so many years and through so many inner obstacles; and still she doesn't know if it will end, but as she says, there is nothing else she can do other than keep going because she tried everything else. And she doesn't want to let her mind come in, only wanting to stay true to her feelings, so she doesn't want to know about the bigger picture even though she has worked it out along the way for herself and for James to understand which he's worked into his books.

So the spiritual aspect or approach James has provided, even if it's not actually talked about; the simplicity of honouring your feelings, and in particular your bad ones, then by accepting them you allow them to have their say, so you express them, all whilst longing for the truth, includes all one needs to know. And so by doing that, one will be able to fully Heal themselves working it out along the way for themselves; and even if they don't understand it, will be living the highest truest spiritual life one can live in one's wrongness, which in time will lead to one's Healing of one's rebellion and default.

On the surface of it, what James has related seems overly simple, but doing it yourself, and see what happens and what results; and that will take one deep into oneself uncovering the whole truth of oneself.

### Many will consider that what they have been doing is adequate – why are they wrong in their understandings?

Nanna Beth: Because they don't understand what it's really all about. They don't understand the mind is in control of their true feelings, and that needs to be stopped. They don't understand the significance of their rebellion against the Truth, and how that happened by default. They don't understand that it's about uncovering the whole truth of yourself through your feelings, all your feelings, but focusing to begin with on your bad ones because they are what most people don't want to see. Everyone else sees it that they are doing this feeling type healing to make themselves better, to rid themselves of their pain and trauma, so instead of taking a pill to take the pain away, they are using some sort of emotional clearing system. But that is all still to take the pain away, to fix themselves, to heal themselves, to

effectively take a pill so it all goes away, just like what the ‘Divine Love people’ hope the Divine Love will do for them, but it’s not to uncover the whole truth of themselves. We have to see the truth of our pain, why we’re in it, how it all came about, so what really went on in all our early relationships. It’s not about doing anything that just takes all our suffering away. We have suffered for valid reasons, which all have to come to light. And so only emotional and feeling accepting systems will help one see such truth of one’s pain and suffering are of any worth. And unless you uncover the whole truth of yourself, you’ll never set yourself free of your rebellion and default, of all your soul pain. And the truth means to see the whole truth of why you feel unloved, how unloving your early relationships were, why you don’t love yourself, why you are unloving, why you are evil and wrong, which basically no one wants to face.

So to summarise: We all have to see the truth of our unlovingness. We can’t avoid it – deny it. We have to face it and feel all it makes us feel. And all those bad feelings lead us into the truth of it. So we have to understand – bring to light through our feelings – all the truth of our unloved, negative, evil, wrong state. And then once we’ve done that, we can be free of it. So until you uncover and feel the whole truth of it, it will never leave you, you’ll remain in rebellion against yourself, you’ll continue to be unloving.

Firstly, consider discovering the truth of your emotional pain and injuries through Feeling Healing.  
 Secondly, consider longing for our Heavenly Parents’ Love as you progress with your healing.  
 Primary and most important readings are the writings of James Moncrief.  
 Then consider the Padgett Messages, and then The Urantia Book.

**LONG to KNOW the TRUTH of EACH INITIAL CHILDHOOD EMOTIONAL INJURY:**

**All emotional processing work address only the top layers over the core childhood repressed injury. None of the modalities reach down to the mother injury, the core of the suppression, thus what relief from such processes is only superficial and at best temporary. Yes, they do identify the underlying cause of the pain and illness, thus this assists in addressing the physical health issues at hand. However, we need to go further, much further.**

**To heal oneself is to simply look to see what feelings we are refusing ourselves to feel, and accept them instead of denying them. And to fully accept them, we need to express them, speak about them, let them have their say, rather than pushing them aside, refusing to let them make you feel bad.**

**Admit you are feeling bad. Accept your bad feelings, identify what they are. Honour fully your bad feelings by expressing them, speaking about them to someone who is willing to hear you talk about them, or tell them out loud to our Heavenly Parents. Long for the truth of them. Long for the truth of why you feel bad – what deep within you is causing your bad feelings? We must always reach to the core issue, that which occurred during our Childhood.**

**CONNECTION with GOD:**

**Holy Spirit / the Spirit  
infusing Divine Love.**

**Progressive escalation of  
Divine Love flowing.**

**The Divine Love completes the form of the human being.**

**Our soul is formed from the substance that is natural love. When we earnestly and lovingly ask for Divine Love, the Divine Love is added to our soul, thus we steadily and progressively become complete in our being.**

**With the Love  
and in the  
Glow.** \_\_\_\_\_

**Without the  
Love and in self  
reliance.** \_\_\_\_\_

**WE are INCARNATED with Natural Love, but not with Divine Love:**

We are conceived with natural love, however, we are not endowed with anything of the Divine. While we are without anything of the Divine, namely Divine Love, we can grow our natural love attributes and progress to that of being the perfect man whose lodging is found in the 6<sup>th</sup> Sphere. We do not have immortality without having received Divine Love.

Natural love radiance is very different from that which Divine Love brings.

The two loves complement each other, bringing about greater harmony.

When we become aware of the presence of Divine Love and subsequently ask for and then receive the Divine Love, our soul steadily starts to change to that which is Divine and we achieve immortality. This is the Immortal Choice that we can make whilst here in the physical or later in the spirit world. Once we add Divine Love to our being, we continue then with the two loves, that of the natural love and also that of Divine Love. As we continue and receive Divine Love, our soul condition progresses so that we may eventually enter the Celestial Heaven, 8<sup>th</sup> sphere, should we have engaged in the proves of Feeling Healing, and above, then progress further to enter the Eternal Spheres, then the Infinite and Universal Spheres, and then further on towards the Spheres of Paradise.

We are endowed by our Parents with natural love, maybe we neglect this gift from time to time. As we progress in time, we can add the greatest gift there is to our being, that is by asking for and receiving Divine Love. Not only does the infusion of Divine Love, with one's Feeling Healing, repair our natural love attributes, we evolve into a joyous and loving person in all respects. With the infusion of Divine Love, with the two loves, we become the complete being.

### EMBRACING the LOVES:

Our soul is formed from the substance known as natural love. This natural love enables us to develop to that which is the perfect man, an excellent, capable and loving personality. However, there is a limit to our growth founded on natural love for there is nothing of the Divine within the substance of natural love.

Should we ask for, and then receive Divine Love, then the Divine substance of Divine Love can be added to our being, thus providing us with an infinite potential for growth and development in the Love that is Divine.

The natural love and Divine Love are not divided when in the soul.

The natural love is harmonious in the Immortal greater love, the Divine Love, and so, never shall an Immortal faith and Immortal truth fall.

Adding Divine Love to your being can be likened to developing a powerful engine based on natural love to that which is found within a most powerful muscle car. One's performance capabilities progressively develop as the regular fuel of natural love is slowly, but steadily supplemented with the fuel of Divine Love, thus changing that which is founded on natural love to that of the Divine, namely Divine Love.

Your fuel steadily is converted to that which is of the highest octane level ever envisaged.

The Divine Love is the wonder of the universe. How this invisible substance causes so much change in our mortal nature is a miracle to behold and experience.

Living with the Divine Love brings about harmony throughout all of one's bodies, systems and personality. One's capabilities and love continue to greatly expand.

Divine Love always has its effects in harmony with the expression and development of natural love. Therefore your awareness and expression of natural love in your life is a vital element in accepting Divine Love into your life and fostering its development of your soul. Divine Love is the great harmoniser and is therefore not isolated but its effects are universal.

Divine Love is the 'ultimate' high octane fuel.

## **WE ARRIVE DETUNED!**

Our souls are a divine creation of our Heavenly Mother and Father. They could not be any other way! And are designed (such as how it has been for us) to begin incarnation in a Natural love condition reflecting the Natural love state of our world.

And we have also been provided with the opportunity to experience what is being 'evil', to live denying our Natural love, as seen through the denial of many of our feelings. So we here on planet Earth live on a world that has Rebelled (and then also Defaulted), of which there are only 37 within the local universe of Nebadon, consisting of 3.8 million physical worlds under the regency of Mary Magdalene and Jesus – the spiritual parents of truth of all of Nebadon! And we assassinated Jesus, and completely denied Mary not allowing her to have her say about the truth.

As a consequence, we are 'detuned' from our Natural love state and divine origin. You could say we arrived with all parts functional, however, in our untrue, dysfunctional and distorted state, we're badly in need of a severe service, tune up or a complete reconditioning. Our goal being to bring our true self to the fore by doing our Feeling Healing, and then to progress beyond our Natural love state by further advancing our soul condition through the process of Soul Healing and receiving our Parents' Divine Love – becoming divine.

In our feeling- and truth-denying untrue Natural love state, we have been made to use our minds to dominate our feelings, becoming more like that of mind-based creatures of nature than of human souls of truth and feelings. And this is the wrong way for us to develop. So to step beyond this limitation, we are to live true to our feelings. Our heartfelt feelings being the guiding lights to our evolution and growth of truth.

Feelings are what guide us through our ascension of truth. So they are really our Supreme Guides. Many people look for a person, spirit, angel, even God, for supreme guidance, however it's all right there already built in and can be found through our feelings – our soul based feelings.

By living true to our self, true to our feelings, we are living true to God. It's that simple.

Thus we are detuned once our incarnation begins. However, the way is now open for us to bring about our full divinity. To completely Heal all that's wrong within us on a Natural love level. To embrace and then transform that Natural love into a divine state through partaking of our Heavenly Parents' Divine Love. All the while attuning ourselves to divine perfection and enjoying the fullness of our divinity and love, as we ascend in truth on our journey all the way to Paradise – the home of our Heavenly Parents.

**WE were DIVINE, and**  
**WE are to BECOME DIVINE AGAIN:**

Our personality, our soul, our real self, are all creations of our Heavenly Parents. We, our real selves, are not creations of our physical parents. Within our original status, we were of Divine nature.

Our physical parents, from our conception, endeavour to mould us into being ‘little me’s’, that is, replicas of themselves, imposing their beliefs and personality traits upon each of us. They crush our individuality and free will. They destroy our personality, our true self. They inflict upon each of us their ways, all of which are of a result of the Rebellion and Default of many, many generations ago. They drive us into believing and subsequently becoming dependant upon our minds. This is not the way for us to express our true selves and evolve along the path towards our true parents, our Heavenly Mother and Father. We are to embrace the Eternal Son of Truth, not the Infinite Daughter of Mind.

No, we are not in the image of our physical parents. Though we may look like them, and act like them because they have dramatically and successfully crushed our true personality, we are each very unique and independent of our parents and all other family members. When we begin to progress along the path of engaging with our soul based feelings and seek for the Truth of our feelings, we will become free of our parents’ impositions and suppression.

Upon starting our physical life experience on Earth, our divinely created soul begins to express us as one of our soul’s two personalities in Natural love. However because of Earth being in Rebellion, so we are parented into a rebellious and anti truth and anti love state of mind control over our feelings and true self.

Natural love is good, just ‘less’ or different to Divine Love. And it’s that in our rebellious state, we’re rebelling against Natural love, and Divine Love by not taking Jesus and Mary up on their offer and allowing the Divine Love to transform our soul, as we perfect our Natural love by doing our Healing.

By living true to our self, true to our feelings, we are living true to God. It’s that simple. The revealing of the Feeling Healing process is the commencement of our ability to begin the Great U-Turn and go the right way. Should we then also embrace our Heavenly Parents’ Divine Love, we can also commence our Soul Healing and a returning to that of being divine – this is our destiny.

**CREATED in THEIR IMAGE:**

James: Mary, what does ‘we being created in the image of God’ really mean?

Mary M: It means that our Mother and Father used Themselves as the model or template if you like, upon which to bring us into being, those of us who have existential souls with the potential of expressing their two personalities in Creation.

And although our souls are divine, as in being divinely created, still whilst we start our personality expression in Natural love, so we need the Divine Love to come into our soul and bring it into the levels of Celestial divinity.

Natural love, so basically the whole of Creation, is of the image of God, and we being divinely created souls can be part of God’s Divinity becoming divine ourselves. So through your Healing, James, you become progressively divine by partaking of the Divine Love and healing yourself into perfection – your true self. And by the time you’ve completed your Healing, your soul is of the Divine Love level of Celestial truth, and your personality is an expression of that level of truth, it all being ‘confirmed’ and cemented – fused – into place upon the direct soul-union with your Indwelling Spirit. Then you are of the essence of God, true and perfect to the level of the first Celestial sphere, the first sphere of true divinity.

Mary Magdalene communicating with James 20 November 2017

**INDWELLING SPIRIT, THOUGHT ADJUSTER,  
MYSTERY MONITOR (all being the same):**

The external elements, instruments of the Father, do not form attributes of our own soul upon its initial creation by our Heavenly Parents, these are the Spirit of Truth, the Indwelling Spirit, and Divine Love.

The Holy Spirit, conveys Divine Love to your soul should you earnestly and lovingly ask for it. This is the only function of the Holy Spirit – Acting Spirit.

The Indwelling Spirit becomes present when we are around the age of six. This means that the unseen helper of the Father and Mother – the Indwelling Spirit – can always interact with the mortal soul and to be of service so that eventually the leadings from the Spirit may be the catalyst for that soul to seek our Parents.

The Indwelling Spirit reveals intrinsic workings of Father and Mother to your soul.

The Indwelling Spirit functions in much the same way as the Holy Spirit, ask and it will provide support and guidance.

The Indwelling Spirit / Thought Adjuster only works with us on the mind, feeling and psychic levels directly with our personality on conscious and unconscious levels of reality. It is the Divine Minister with hands-on help from our attending angels that do the actual adjusting of our mind circuits – of all our circuits, even the physical if need be.

Spirit of Truth becomes active more so when you connect to the Source Soul and commence receiving Divine Love.

You are a spirit person having a physical experience. Your physical body is encased within your spirit body.

The spirit body only exists because our soul wants it to. In the fullness of love, even all our encrustments and wrongness is not actually bad, they are just the nether side of love.

So evil is literally a state of mind, and once you heal it you even feel love for your wrongness and even no longer hate it – that being full self-acceptance. But you can't contrive these feelings or level of awareness, it has to come of itself and will through the higher levels of your Healing.

**ONCE ONE is WITHIN the SPIRIT WORLD:**

**The magic key to growth:**

**Always look up and look for the brighter spirits, then always ask them to tell you about the Feeling Healing process and also God's Divine Love and Divine Truth. A brighter spirit will always know more than you and anyone else around you.**

Celestial Spirits, being Angels, do not have wings.

### **DIVINE LOVE – what does it do?**

The divine gift from asking for and receiving Divine Love will steadily, but with certainty, raise one's quality of life and also of all those around such a person who is seeking and receiving this Love.

The receiving of Divine Love, which is a substance, with certainty, progressively:

- Raises one's love for those around them, whilst embracing one's Feeling Healing.
- Raises one's perception of all things – naturally grows one's intelligence – soul intelligence.
- Enables one to feel and resolve negative emotional issues more readily during Feeling Healing.
- Humility becomes self evident. Humility enables one to feel their errors and emotions.
- Divine Love strengthens one's resolve to express errors, emotional injuries and untruths.
- Divine Love with Feeling Healing to remove emotional errors, enhances one's health.
- Divine Love enables one to become more childlike – not adult serious at all times.
- Divine Love raises one's capability of feeling – no longer needing to be mind controlling.
- By becoming feeling orientated, one no longer is mind / intellectually dominated.
- The strength to fight and overcome sin and error is strengthened through the Divine Love.
- The Law of Compensation process is more resolved by Feeling Healing with Divine Love.
- Receipt of Divine Love grows one's faith, beliefs become faith and then knowing.
- As our faith grows our intensity to ask and then receive Divine Love grows.
- We begin to follow our passions and desires, no longer fear and mind driven.
- Truth being told at all times then progressively becomes a way of life.
- Our quality of life blossoms, our finances and relationships prosper.
- Man creates his own environment, seeking Divine Love can vastly improve one's environment.
- Health carers receiving Divine Love enhance healing outcomes beyond comprehension.
- Receiving Divine Love may assist in bringing a struggling marriage back into harmony.
- You progressively become dependent upon our Heavenly Parents, not self dependent.
- Personal growth in love directly assists the soul condition growth of one's children.
- Divine Love assists one's rate of soul condition to progress whilst embracing Feeling Healing.
- Divine Love is a substance that changes the human soul to that of the Divine.
- Without Divine Love, one cannot progress into the Celestial Spheres (8<sup>th</sup> sphere and higher).
- Divine Love, with Feeling Healing, enables everlasting Love and Life in the Celestial Heavens.

“The Law of Compensation doesn't operate on isolated actions, but on the overall condition of people's souls, because the deeds are the consequence of this condition. Our behaviour is the reflection of our souls. Never see isolated deeds, always see souls whose condition leads to certain deeds. It is the soul condition which determines the motive and consequently the action. It is our lack of trust in God, this ultimate and definitive trust, which only soul development may give us. This lack is why we suffer.”

Judas of Kerioth 5<sup>th</sup> October 2001

As you grow in love, illness issues abate, financial security improves, and your treatment of your fellow man is the same as how you would like to be treated. You grow in natural intelligence, your perception on many subjects becomes profoundly more loving and supportive of and for your way of life and how you interact with your fellow man.

This quality of life and love permeates and extends into every facet of your physical life and continues to grow as you progress on your journey within the spirit world.

Your capabilities to ask for and receive Divine Love is a gift between you and your creator, God. You do not need an intermediary, nor do you need to join with any organisation. This is your own personal journey and experience. You can share this with others, but no one can take it away from you.

This Love will elevate the human soul to a condition that it may perceive the spiritual truths which God has waiting to be revealed to Their children who aspire to understand the nature of the divine and what their true relationship to Them and their family of souls is.

“Keep faith with God, and be open to Their Love, and you will overcome with confidence and, indeed, peace of mind, optimism and happiness, those circumstances that seem to mar the fulfilment of your years.” Mary (mother)

Quote from Celestial Spirit Richard 22 Dec 2012

**The BEAUTIFUL MIRACLE:**

5 Oct 2012

**The DIVINE UNIVERSE**

The way in which the Spirit conveys the Divine Love into the soul is a beautiful miracle. The attribute of mortal soul prior to incarnation has to it, a potential within it that is part of its formed nature. After the soul incarnates this potential remains part of the soul and even if the forming personality is unaware of such a soul potential, the potential still exists. The Divine Love is entirely suitable in its energy of harmony to be the energy that a mortal soul can utilise. The Spirit covers the spirit body when the individual sincerely asks the Soul of God for the Divine Love and this covering of the spirit body is where the dynamic of this beautiful miracle takes place. From the internal longing of the individual for the Divine Love this activates the Spirit Law that activates the Spirit that is then attracted to the spirit body upon which the Spirit material of the spirit body draws the Divine Love in to its soul and this union completes. The key here is to gain a perceptive insight into realising that the spirit body is not an inert body but that it is living and has activity, recognisable from its first forming from the Spirit Law that materialises a spirit body. The Spirit and the spirit body to give an analogy are like two attracting magnets and when the surface of the spirit body is touched by the Spirit, this causes the automatic response of the Divine Love to permeate into the attribute of soul and so begins the transformation of energy from the natural into the Immortal Divine Harmony. If the individual continues the receipt of Divine Love, the energy that is Divine Love actively begins to change the soul and this is felt in the spirit body systems and can produce feelings of love and elation. The spirit-mind begins to change as all spirit body systems are affected by the changed condition now experienced in the soul as the soul becomes living and vital. In one's progression of this Divine transformation, the soul will mature enough from the amount of Divine energy it receives and at that moment the surface of the spirit body and the Spirit are continuously attracted to each other, then one is living in the presence of the Father in perfect harmony, and this clarifies the truth about what it means to be truly at-one with God.

[www.lulu.com](http://www.lulu.com)

It is I Matthew, a teacher of the Divine Love. I have communicated with you recently, now I desire to provide you with a visual description of the Love.

Imagine a continuous Energy shining light blue that is unbroken with a seamless surface that surround every mortal and Immortal spirit. Imagine if you were to become aware that this energetic field of light-blue Energy existed in its shining radiance just near where you are. Now that you are aware that this unbroken Divine Love is unified energetic field of living Love, by opening toward the Soul of God and aspiring for the Divine Love, the Acting Spirit gently brings a small portion of this shining blue Energy into your soul

The Divine Love that you have received remains part of this great Energy that the Divine Love is and even though this small portion of Divine Love, now within your soul, in its shining radiance and energetic cause, it is never separated from the continuous energetic field of Energy that the Divine Love is. Having partaken of this Energy it is with perception that one is aware that the Divine Love within one's soul is the same Divine Love that every person and spirit who has partaken of this Love, participates with. Even though in our individuality we partake of this Divine Energy, this Love is never broken away from the Source and Origin from which this Divine Love emanates.

The Divine Love is bestowed into our finite soul by the Acting Spirit, but this Spirit remains in contact with our spirit body and does not enter the finite soul to become part of our finite soul essence that we are. No mortal or Immortal spirit can manifest in their soul the Acting Spirit so that this Spirit – this Holy Spirit – becomes part of our existing finite spirit body. Only the Divine Love and its Energy becomes part of our finite soul, which causes the change to our spirit body. The Acting Spirit always remains its own attribute and never does a Celestial spirit claim ownership or take possession of the Acting Spirit within their soul. (The Holy Spirit / Acting Spirit is an instrument of the Source Soul, our Father.)

This is one of the wonderful Truths by which we who have been transformed by the Divine Love understand our personal relationship with the Father's ever-present Acting Spirit. The shining Energy of Divine Love is all around us and when we have partaken of this Love, part of our finite nature becomes independently shining in this true perfect Love.

I provide these words that may appeal to those who are visual and to express the universal appearance of the Divine Love and the personal touch when in contact with the Acting Spirit.

Matthew (Apostle)

**Whilst we are receiving our Heavenly Parents' Divine Love, and that this Love is causing change within our soul and spirit attributes, the greatest Truth known to man and spirit is that this is the way our Mother and Father are actually loving us! When we progress, it is God's way of loving us into love and then we live what we are, love.**

**DIVINE LOVE:**

<http://www.fcdt.org/divinelove.htm>

The words "Divine Love" have been used in many contexts to convey different meanings. But in the context of our Heavenly Mother and Father, Divine Love is the greatest gift in all the universe. It transcends all else that can assist humankind fulfil their dreams of happiness and have them resolved within themselves. God's Divine Love is the one thing in all of God's infinite universe that can bring about eternal life and everlasting happiness in the Celestial Kingdom.

***What is Divine Love?***

The Divine Love differs from the natural love of man with which he was endowed when created, which belongs to all humans, and which they all possess in a more or less perfect condition in this: that the Divine Love is that Love which belongs to or is a part of God, possessing Their Nature and composed of Their Substance, and which, when possessed by a human soul to a sufficient degree, makes him divine and of the nature of God.

***What is the New Birth?***

The New Birth is simply the effect of the flowing of this Divine Love of our Mother and Father into the soul of a man and the disappearing of everything that tends to sin and error. As the Divine Love takes possession of the soul, and one embraces Feeling Healing, sin and error disappear. It, the soul, becomes of a quality like the Great Soul of our Heavenly Parents. And with the Soul of the Mother and Father being Divine and immortal in Its quality of Love, so, when the soul of man becomes possessed of this quality of Love, the soul being the man, this soul becomes divine also. Then, the image becomes the substance; the mortal becomes the immortal; and the soul of man, as to love and hope, becomes a part of the Mother and Father's Divinity.

***How does one receive the Divine Love?***

The only way is simply this: that men shall believe with all the sincerity of their minds and souls that this great Love of our Mother and Father is waiting to be bestowed upon each and all of them; and that when they come to our Mother and Father in faith and earnest aspirations, this Love will not be withholden from them. And, in addition to this belief, that they pray with all the earnestness and longings of their souls that our Mother and Father will open up their souls to the inflowing of this Love, and that then may come the Holy Spirit to them to bring this Love into their souls in such abundance that their souls may be transformed into the very Essence of our Mother and Father's Love. The soul who will thus believe and pray will never be disappointed, and the Way to the Kingdom will be his as certainly as that the sun shines by day upon the just and unjust alike.

***Take the test.***

Too often we are told to believe something based on what we are told. You don't have to "believe" anymore. Now you can have physical proof of the existence of God and Their Love for you?

*"test my teachings that the Father's Love was now available, and pray for it to the Father in earnest prayer, and see whether, if this was done in sincerity, the Father's Love, conveyed through the Holy Spirit, would burn and glow in the soul, by which sign they would realize His Love was present therein." – Jesus*

Take it to heart – earnestly pray for God's Divine Love and feel the glowing of Their Love in your soul. Jesus gave us the Prayer for Divine Love to help us in our prayers to our Mother and Father.

Further, when considering soul healing, then reference to Divine Love could be referred to as 'Feeling Healing with Divine Love'.

Let your prayer be as follows:

**Our Father, who art in heaven, we recognize that You are all Holy and loving and merciful, and that we are Your children, and not the subservient, sinful and depraved creatures that our teachers of old would have us believe. That we are the greatest of Your creation, and the most wonderful of all Your handiworks, and the objects of Your great soul's love and Tenderest care.**

**That Your will is that we become at one with You, and partake of Your great love which You have bestowed upon us through Your mercy and desire that we become, in truth, Your children, through love, and not through the sacrifice and death of any one of Your creatures.**

**We pray that You will open up our souls to the inflowing of Your love, and that then may come Your Holy Spirit to bring into our souls this, Your love in great abundance, until our souls shall be transformed into the very essence of Yourself; and that there may come to us faith--such faith as will cause us to realize that we are truly Your children and one with You in very substance and not in image only.**

**Let us never cease to realize that Your love is waiting for each and all of us, and that when we come to You, in faith and earnest aspiration, Your love will never be with-held from us.**

**Keep us in the shadow of Your love every hour and moment of our lives, and help us to overcome all temptations of the flesh, and the influence of the powers of the evil ones, which so constantly surround us and endeavour to turn our thoughts away from You to the pleasures and allurements of this world.**

**We thank You for Your love and the privilege of receiving it, and we believe that You are our Father --the loving Father who smiles upon us in our weakness, and is always ready to help us and take us to Your arms of love.**

**We pray this with all the earnestness and longings of our souls, and trusting in Your love, give You all the glory and honour and love that our finite souls can give.**

We thank Thee for Thy love and for the possibility of receiving it, and believe that Thou art our Father--the loving Father who smiles upon us in our weakness, and is always ready to help us and take us to Thy arms of love.

We pray thus with all the earnestness and longings of our soul, and trusting in Thy love give Thee all the glory and honor and love that our finite souls can give.

**A Personal Adaptation of the Prayer for God's Divine Love:**

Joseph Babinsky

*Our Father, who art in heaven, I recognise:*

That You are holy and loving and kind, and that I am the child of Your care.

That I am the object of Your great Soul's love and tender most care.

That Your will is that I become at-one with You and partake of Your great love, which You have given me through Your desire that I become, in truth, Your child.

That You will open up my soul to the inflowing of Your love, and that then will come Your holy spirit to bring into my soul, this, Your great love in great abundance until my soul may be transformed into the very essence of Yourself; and that there may come to me faith – such faith as will cause me to realise that I am truly Your child and that I am one with You.

Let me have such faith as will cause me to know that You are my Father and the giver of every good and perfect gift, and that I only can hinder and stop the river of your inflowing love.

Let me never cease to realise that Your love is waiting for each and all of us, and that when anyone comes to You with faith and earnest aspirations, Your love will never be withheld.

Keep me in the shadow of Your love every hour and moment of my life, and help me to remain completely focused on this, your ever-present and unconditional love.

I thank You for Your love and for the possibility of receiving it, and believe that You are my Father – the loving Father Who smiles upon me always and is always ready to help me and take me to Your arms of love.

I pray this with all the earnestness and longings of my soul, and trusting in Your love give You all glory and honour and love.

Keep my thoughts and desires on following Your Way with humility and gratitude, always seeking to love and care for myself and others as You do.

I thank you for Your Love and the privilege of receiving it, and I believe that You are my Father - my Loving Father who smiles upon me on my journey, and is always ready to help me and take me into Your Arms of Love.

I pray this with all the earnestness and sincere longings of my soul, and, trusting in Your Love, give You all the glory and honour and love that Your Child can give.

AMEN

### 79. *Prayer of the Heart*

16 October 2012

I encourage the heart that prays to the Father for the Divine Love. I encourage the heart that loves the Love, and with sincere aspiration, feels for the Love. If there be any doubt, loss of faith or hardship of heart, I encourage the heart not to give up or give the Love away. The Father hears your prayers and the heart be rest assured in this. Never will a good heart be forsaken. As the Father does so do I, see and hear your heart, and prayers for the Love and the needs for wellbeing. Never give your heart up; trust in the One who knows your true heart, and there the Father loves you. One may never fully understand the intricate workings of time, past present and future, but the heart knows faith and Love and the Father Loves a good heart. Pray with faith, and in your heart my truth and the Father’s Divine Love meet you there.

I have given you this prayer of the heart so that men and women may draw from its words, strength, love and faith

### 300. *Prayer of Love and Strength*

2 February 2013

I am going to write the Prayer of Love and Strength that may help those with their endeavour of heart in the receipt of the Divine Love:

I pray that I may find the love and strength in my heart to love you more wholeheartedly. I pray that I may feel this strength as a living truth in my heart and soul as my weakness, due to my condition in my physical and material struggle, may not become a hardship that casts a long shadow over my day-to-day living in my faith in Divine Love. I pray that I will not give in to any negativity that surrounds me, or to the way that at times I cannot seem to be able to help or forgive myself for loosing faith in The One I love.

I pray that I am receiving Love, your Divine Love that is in great abundance and that my heart partakes of a small portion of this abundant Love. I ask that your Spirit, The Spirit, convey the Love into my soul as I have already been receiving into my soul your Divine Love. I pray that your Divine Love gives greater love and strength to my heart that I may continue in my prayer to receive this Immortal Love.

God, I love you with all my heart even if there be a shadow across my heart, and a lack of humility in my faith and on my behalf for I recognise that you can love me more perfectly and wholeheartedly than I can accept for myself.

God, I recognise that you are Soul and that I am a finite soul and that your Love and Spirit are true gifts for my heart and soul and that I need this Love that you have provided. I pray that from your Love, more finite love and strength in my faith and heart will enable me to love you even more. I recognise that I am doing my best in all that life has given and taken away from me and that in my resolve, my heart knows that your true Divine Love always remains with me and my faith in you. At times I have left you and left your side and wandered all over the place, lost in the shadows of life and in the near-sightedness of my eye and then, I pray for your Love and your Love fills my heart and my love and strength return and I accept that you are loving me at all times when I am lost and found. I give you all my gratitude, love and strength that my heart can give and I desire not to change the world or the spirit world accepting that your Divine Love will change my soul and in harmony together, I will try for a peaceful world.

I have provided you with the inspiration to give these words of love and strength that such words may help one in their experience of God's Love and Spirit.

## The DIVINE UNIVERSE

### 303. *The Immortal Prayer*

6 February 2013

For those of you who are strong, I will continue to sustain this strength because many of you who experience the Father's Divine Love require a great resolve and strength of heart not to give up on the Truth and not to be saddened by the apparent lack of interest in the most beautiful love that you feel and know to be true. I will never prevent myself from being with you, who sincerely desire the Divine Love and, with any feeling of being afraid, alone or insecure, I with my Celestial teachers are present supporting you. There is no shadow in the Divine Love and for those who are aware of this Love in faith love and spirit we celebrate the harmony of God's universe of Love and Spirit.

#### *I pray for the Divine Love, the Immortal Love*

Universal Soul God,

My Father, I love and accept you with my heart. I sincerely pray for your Love that will come by The Spirit and embrace my spirit body conveying your Divine Love into my soul. I humbly ask that you love me as I love you, and that you continue to love me when in those times I cannot love myself.

I ask that you give me the strength to voice my faith and love to you, and that you may love me in my weakness and in my strength. I know that I am a soul beautiful to you as you are to me, and that your Divine Love will be the arrival of Truth that my soul has truly longed for.

I pray that your Divine Love will be the arrival from which will announce the departure of my doubt and that such faith, love, strength will come to me that I will never doubt you again. And I will never stop loving you, in the sunrise and the sunset of each day in my life.

I recognise that you are the Source of the Divine Love and the origin of my soul. I recognise that I may have been lost to you but in truth I was never lost to you and now, I am gathering up all my love out of my lost-ness in great abundance because I am aware that your Divine Love is present for my soul and I am free to receive your Love and feel Its' breath of spirit declare in my heart the Immortal Harmony.

I am receiving your Love, I have received your Love, true Universal God, your Immortal Love.  
Amen

**16 February 2015**

Family Reunion – Afterlife Contact: through Joseph Babinsky page 175

<https://www.lulu.com/shop/search.ep?keyWords=Family+Reunion+Afterlife+Contact&type=>

The Divine Love is the ingredient of real and definite change. This love will not force the change, but change will come if you continue to desire it to do so. When you are anxious to see the change it escapes your attention. Be still and quiet; reflect in silence. Love is present. Keep asking, longing, and never cease: this is your part. It is your cooperation actively engaged that brings the transformation and continues the process.

Do not fade; do not walk away. Remain in the presence of Love. Be stubborn if need be. Remain in the place of active waiting. This is active silence – energetically remaining steadfast in the place of waiting for more of the Divine Love to flow to your soul. You cannot see it; sometimes you will experience it as simple quietness and calmness. This is as pure and real as any other experience, whether demonstrative joy through laughter and dance, or other expressions.

Do not interpret times of quiet as moments when you are unheard or ignored, or worse, that you are rejected. Divine Love is present; it is always present. It does not fade or disappear. Thus, you must not walk away disillusioned and feel forsaken. There is no need for you to sulk. Do not give into feelings of neglect and rejection.

Come once again to your chamber of prayer. Maintain daily prayer and meditation. When you do this you are building a home for the dwelling of the Divine Love. Your continual invitations establish an attitude of welcome to the Divine Love. These build a bridge for the Divine Love to carry you to new and higher levels of change and transformation: places of new realms for your soul growth and development. They are experiences and expressions of your soul journey to new homes being visited.

You are presently trying on new clothes. You are a soul travelling to new places in new areas having new vistas. You ask if this or that is your new home. The answer is yes and no. You will feel uncomfortable and this indicates it is time to move on. Where you dwell causes you to feel uncomfortable. Where you once felt comfortable no longer feels this way. It is time to move: time to follow your heart and time to explore.

If you move too quickly and reach too soon for a higher place, you will feel discomfort. You will find your new home; this is certain. Now, at this present moment, you are seeking your new home. Do not be alarmed; you will find the peace that your soul desires.

Come home; come home and rest. This is the call that you feel. Do not fear change. You are not slipping backwards to a lower place; you are heading in a new direction: a place higher – higher still. Rest, be quiet, and be still. Listen and hear the whispers of this call.

Your friends await you – new friends as well as old. Your old friends have beckoned to you and they wait your arrival. Remain still and quiet as you move forward. This moment is rich with new adventure.

Are these words familiar to you? Do you recognise them? They are the words of change and progress. They are words in a song that you may have sung or heard many times before. You may have sung or heard it yesterday and a month ago, and also last year and the year before. You many have sung or heard these words many years ago too.

Pause, breathe deeply; sigh, and, and if you must, cry if need be. This is your soul's journey as you travel the road of great change – the transformation of your soul.

Remember, it is said that only you can prevent the Divine Love changing you from the mortal to immortal. This is true; it remains as true as ever. And it shall remain true during the entire course of your transformation process.

Today you are in a new place. You have not been this way before. Take a rest, breathe deeply and be still. Listen and hear.

The voice that comes to you is the voice of the Divine Love in your soul. Allow me to change you. Do not define me or draw a chart showing a prescribed plan of process and progress. I cannot be so rigidly pictured. Be fluid and flexible. Allow me to expand your soul-vision. Allow me to open your eyes that you may see clearly the new home I am leading you toward.

I am the voice of Divine Love wisdom. Allow me to teach you and guide you. I will not lead you astray.

I am the voice of your transformation – the change and transformation of your soul.

Listen and hear. Be quiet and very still so that my voice may become clearer within you.

Are you ready? Are you ready to continue your journey? Are you ready to begin once again? You have not been this way before: are you ready for the next step?

There are many precious souls around and about to encourage you. However, it really is now you and I, the Divine Love and you – your soul. I am the voice of the Divine Love in your soul. Do you hear the sound of my voice? Do you recognise the sound of Divine Love? Is my voice clear? Does it resonate within you?

Be still and trusting. I will guide you safely home. The way is before us. The way ahead is open. It leads to higher places and higher realms where a beautiful home awaits you.

We are not yet there. It is close; just a little further ahead. One more step ... just one step at a time. Until we arrive, there will always be one more step.

Rest, relax and breathe. Pray and wait.

I am near; I am present. Take my hand. Reach for my out-stretched hand.

Feel my presence ... so close; so very near.

I am the voice of the Divine Love within your soul.

Family Reunion – Afterlife Contact: through Joseph Babinsky page 178

Yes, Joseph, I am \_\_\_\_\_.

I was present while you were receiving the message. It is an excellent message. Where did it originate? Was it a spirit playing with you? Or is it genuinely from the spirit who calls herself “Voice of the Divine Love within your soul?”

Let me begin by saying that it was not a spirit playing with you. You would have felt the difference. A higher spirit would not do this. And the vibration of a lower spirit would have been felt by you quickly, and you would have stopped.

Now, I notice that you did not write my name when we first started this message. Who do you believe that I am?

A new spirit, you say? Am I a spirit that has not identified his or her name? Good. This is true. I am rather quick and you noticed this. I will allow this to be a puzzle to you for the moment.

The short answer to your question is yes: there is indeed a “voice of the Divine Love”. This voice is present in the Divine Love interlacing with your soul.

I assume you will agree that the Divine Love is the ingredient from the Father’s Soul. As you receive more of the Divine Love you become one with God. The Divine Love is the Divine Substance that transforms a soul into a thing of Divine Essence.

If this is true, and you know that it is the truth, then can you see that it is possible – in fact, it is a reality, that your soul and the Great Soul of our Heavenly Father do communicate soul to Soul?

Do you see this? How do you suppose we in the Celestial Heavens communicate with each other and our Heavenly Father? It is by and through soul communicating directly with each other.

Joseph, you are arriving at a new stage in your soul development. You are experiencing the beginning of the ability to communicate soul to soul. For example, look at the way that you receive messages from Celestial spirits. It is not by pure automatic writing – of the kind that our friend James Padgett did. Your handwriting is basically still your own. Do you recognise this? We are communicating with you by enhanced soul consciousness. Some people call this “thought transfer”, others call it “soul

perception”; and few simply refer to it as “inspiration”. With you we are able to communicate by our consciousness blending with yours. It is not perfect by any means, but in time will become more perfect as your soul continues to develop.

*[While Joseph was receiving the above words he scribbled a few names in the margin of his notebook: John; Paul; Thomas...]*

Yes, I see that you are trying to receive my name; but I have not yet projected this to you. Be patient.

Now, let us return to the subject of “the voice of the Divine Love in your soul”.

The Divine Love certainly is substance from the Father’s Great Soul. Do you accept this is in fact the way it is? Divine Love is real substance – not image only. Is this correct? Is it too difficult to realise that communication between your soul and the Father’s Soul is possible? If this is possible, and if it exists in your soul as potentiality: then why not in *reality* and *substance*? I know there are those who say that humans cannot and do not hear God’s Voice. In a sense this is correct, but certainly this does not tell the complete story. The answer, my friend, is closely linked with the promise and the reality of receiving the Divine Love. Substance, substance, substance ... I cannot repeat this enough. The substance is indeed the ingredient from the Great Soul who we call our Heavenly Father. You become as He is in love – though never yourself becoming GOD.

*Joseph: It is hard enough for me to believe that I am really communicating with Celestial spirits, and now this: to believe I may communicate direct with the Father through the Divine Love in my soul. This is astounding news – beyond belief – an undeniable fact. Did I write what I just wrote? Or did a Celestial spirit slip these words in?*

I am smiling. You are waking up, Joseph. It is a process; always remember this. All development of the soul is process and progress. What is happening in your life at this time is a direct experience of your progression.

Now, regarding my identity, do you feel that you now know who it is that writes these words?

*Joseph: I feel a difference. In the beginning when you first started to write, I felt power and strength, of course, coming to me with gentleness. Now, however, I feel less of the strength and power, and more of the gentleness. I may be guessing; yes, I feel that you are Jesus. Would you like to know why I say that you are Jesus?*

Yes; please continue.

*Joseph: Recently I read a message that you wrote to me eleven years ago. Your words were very firm, similar in tone that I felt at the beginning of the message today. Eleven years ago you were trying so hard to help me see how often I run away from the voice within. I was stubborn, for I did not want to communicate with you. Do you remember this? And so today, I felt the same firmness, in that you were trying again to wake me to the fact of the voice within. Is this true? Am I correct?*

Yes, Joseph, you are remembering correctly. I am your friend and teacher, Jesus.

And yes, you are often very difficult to work with. The basic difficulty is that you doubt me, as well as other Celestial friends. You do this because you do not accept who and what you are. It is like the light of knowing who you really are is too strong for your eyes, and thus you constantly turn away from the brightness.

Nonetheless, you remain a good candidate to experience your completed soul transformation while you are still on Earth. This is possible: the potential is present within you. You are closer than you realise. When you come to recognise the fullness of the Divine Love present in your soul, it will be a very short step into the Kingdom. Your sister, Ana, will be the one to assist you, perhaps even more than I or other Celestial spirits, or even the other members of your birth family surrounding you with their love.

My suggestion is that you read this message, and the previous message, many times. Words of wisdom are present. Pray and meditate; never cease longing for the Father's Love – for it is more real than all of nature. Be still and listen to the quiet voice of love within you.

I bless you with my love, as even your Heavenly Father blesses you.

Your brother and friend – Jesus.

## **DIVINE LOVE HARMONY:**

**Immortal harmony:**

**Transformation of the soul is a beautiful harmonious gradual awakening.**

**In a gradual way with the Divine Love and Feeling Healing, as changes in the soul and spirit body occur, these changes will result in the personality slowly accepting the source of these changes as being the Soul God and with the independent will, one can have complete acceptance of our Heavenly Parents, Mother and Father, God.**

**People have loved God and felt loved by God and they have in deed received the Divine Love without ever knowing the truthful identity of this Love insofar as the truths relating with its causality in the human soul and affect upon the spirit-mind.**

**Part of the nature of the Divine Love in our souls is that it activates our spirit body systems and soul so that the nature of God is seen and experienced in the living and this places us in touch with the many Spirit attributes that extend from God and have their existence in God, such as our Indwelling Spirit. God no longer remains inactive to us; inert, inanimate, or an unknown but rather a Soul of living energy whose energy in the harmonies of Love and Spirit, is personified as love that we experience. If I can convey the essence about the nature of Divine Love it is that in its energy, exists the harmony and potential so that one can see the potential that this Love brings to bridge the gap of separation between the individual and God by the harmonies of soulfully living.**

**The Divine Love completes the form of the human being.**

**In essence, one need only direct their soul and the heart of their soul to our Heavenly Parents, the Soul being God, and in this faith one can experience the Love by humbly asking for this Love. This is all that is needed and the touchstone upon the Love's approachable nature.**

**The Love is never harmful or given by God that results in a caused effect of disharmony in the individual. The diversity of human individuality is a great characteristic of human nature and as with experience, one needs experience to ascertain a truth about a certain thing. Experiencing the Love provides a substantiated knowing from which a more objective reasoning follows and a maturity happens.**

**UNIVERSALITY of the LOVE:**

**Should you be open to and communing with our Heavenly Parents, our Mother and Father, no matter who you are and where you are, your desire for Their love will be showered upon you. We do not need to be anywhere in particular or be receiving guidance from any particular person, our relationship with our Heavenly Parents is a very personal one to one communion that can bring about a flow of Their Divine Love into one's soul anytime we desire as often as we desire, anywhere we may be no matter what we may be doing. It is our choice and our free will that only needs to be applied. Embrace and enjoy the Love.**

**SPIRIT MIND MANSION WORLDS are numbered 1 to 7:**

**To PARADISE, the HOME of OUR HEAVENLY PARENTS**

Spirit Mansion Worlds are those 1 – 7. They with the Celestial Heaven spheres numbered 8, 9, 10 as well as the 3 Spheres of Disharmony are all within the Earth’s environment, and rather close by. Each sphere can accommodate more than 100 times the people than Earth may do.

Progression from the top Celestial Heaven sphere is to the Eternal Spheres, Infinite and Universal and further onwards to Paradise.

Celestial Heaven spheres 8, 9, 10 are often referred to as 1, 2, and 3 of Celestial Heaven.

Natural Love sphere progression stops at sphere 6. With only the natural love, progression is through spheres 1, 2, 4, and 6 only.

Divine Love perfects one’s natural love soul through the progression via spirit world spheres 3, 5, and 7. Soul-Healing and At-onement is achieved through the progression into sphere 8 which is the first of the Celestial Heaven spheres namely 8, 9, and 10.

One can embrace Divine Love at any time and move to DL sphere 3 and continue.

The Divine Love spheres 3, 5, 7, 8, 9, and 10 were opened by Jesus.

On death of the physical body we all arrive in the 1st Natural Love sphere.

Earth is for the individualisation of souls being the commencements of one’s journey home toward the Source Soul.

The 2 Planes of Disharmony are the hells. While one desires to cause harm to others, isolation is applied. Once the Law of Compensation is completed then one can then progress and return to the 1st Natural Love sphere and continue in their progression onto higher spheres.

The Pre-Incarnational Sphere is the waiting area for souls to be individualised / incarnated.

There are seven Earth planes around Earth, which are separate from the Mansion Worlds, but we only have access to two of them, which include the ‘hells’. Each of the Mansion Worlds also have their own seven planes ‘around’ them.

**Note: The 1st Divine Love Sphere and the 1st Sphere of Disharmony may simply be planes within the 1st Natural Love Spirit World.**

**NATURAL LOVE and DIVINE LOVE SPHERES and FEELING HEALING PLANES:**

**Divine Love progress is to infinity**

Peak of 7<sup>th</sup> sphere is where one becomes at one with our Heavenly Parents.

These calibrations are an approximation utilising Dr David Hawkins' 'Map of Consciousness' table:

**Natural Love peak is 1,000 on MoC**

MoC 780 – 920

Divine Love  
3<sup>rd</sup> Sphere  
  
MoC 500 – 780

One's natural love is always progressively perfected during this journey of evolution of the soul.

Natural Love sectors for those doing their Feeling-Healing, without the Love, are within the Natural Love Mansion Worlds:

Progressing through the natural love worlds, within Feeling-Healing sectors, while doing one's feeling healing, upon reaching the 6<sup>th</sup> Sphere having completed Feeling-Healing, one can then embrace the Divine Love and proceed directly to the 7<sup>th</sup> Divine Love Sphere.

Then they may prepare to enter the Celestial Heaven Spheres from there.

This pathway is when, or should, the Divine Love not be available before perfecting one's soul.

Upon embracing Divine Love at any stage, then one can progress through the Divine Love spheres 3, 5, 7, whilst also doing their Feeling-Healing.

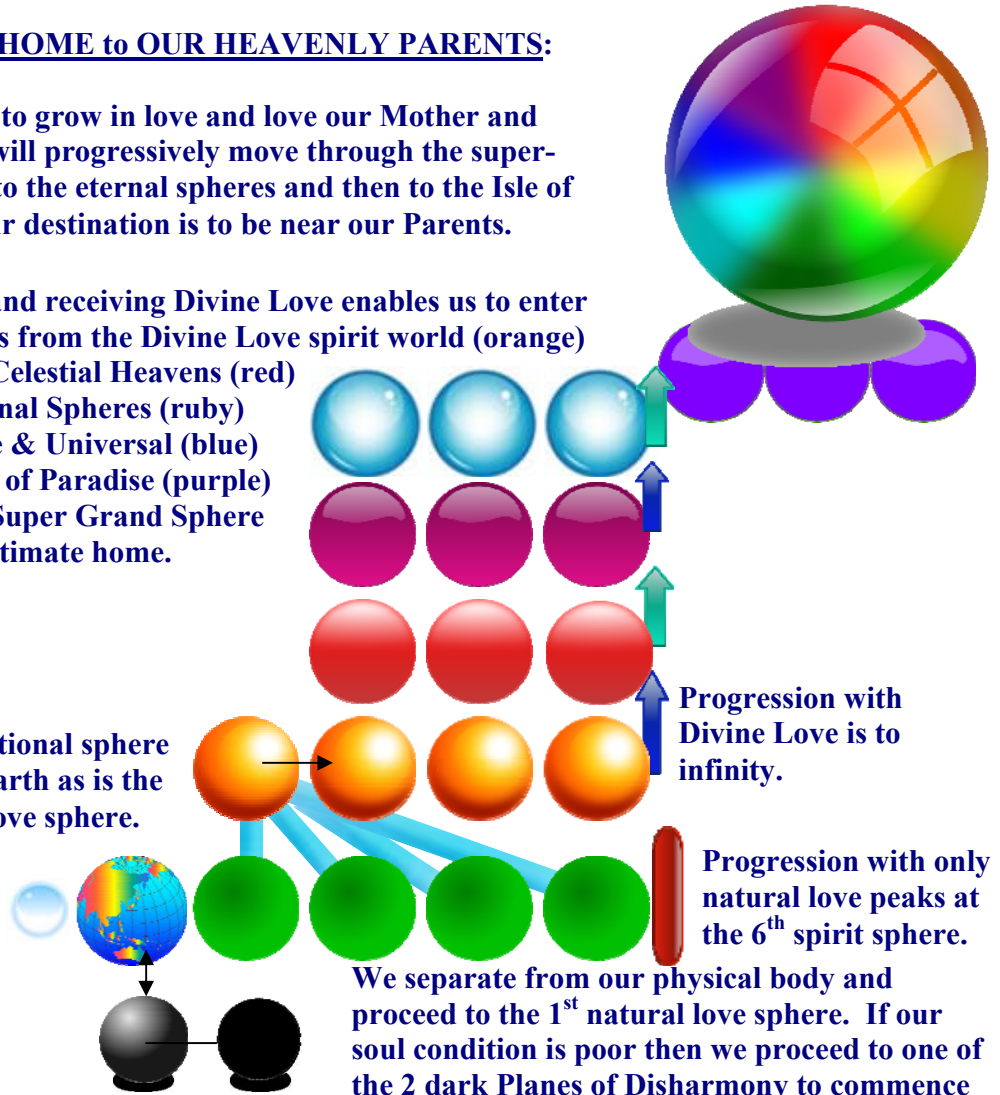

Even though a person may have received Divine Love, they do not avoid compensation or doing their Feeling-Healing, so they may still spend time within the spheres of disharmony.

**JOURNEY HOME to OUR HEAVENLY PARENTS:**

As we learn to grow in love and love our Mother and Father, we will progressively move through the super-universe, into the eternal spheres and then to the Isle of Paradise, our destination is to be near our Parents.

Asking for and receiving Divine Love enables us to enter and progress from the Divine Love spirit world (orange) then to the Celestial Heavens (red) then to Eternal Spheres (ruby) then Infinite & Universal (blue) then to Isles of Paradise (purple) then to the Super Grand Sphere being our ultimate home.

Pre-incarnational sphere is close to Earth as is the 1<sup>st</sup> natural love sphere.

Progression with Divine Love is to infinity.

Progression with only natural love peaks at the 6<sup>th</sup> spirit sphere.

We separate from our physical body and proceed to the 1<sup>st</sup> natural love sphere. If our soul condition is poor then we proceed to one of the 2 dark Planes of Disharmony to commence our development of love.

**Note: The 1<sup>st</sup> Divine Love Sphere and the 1<sup>st</sup> Sphere of Disharmony may simply be planes within the 1<sup>st</sup> Natural Love Spirit World.**

# JOURNEY HOME

Our journey home is an ever growing expansion of truth being revealed to us. For Earth’s humanity, as for the 37 humanities that have Rebelled, we are quarantined and isolated. Having also Defaulted, Earth’s humanity is possibly the most evil of all. Firstly, we are to understand that living through our minds is why we are addicted to untruth and control of others and nature – we are going the wrong way! We are to live feelings first and then heal our Childhood Repression and Suppression – we are to live and express our true personality, the one given to us by our Heavenly Mother and Father. Then our journey home begins!

The Isle of Paradise is stationary within the circle of seven super-universes. Spheres here are also for us to further grow in truth before arriving Home to become Finaliters. Our Heavenly Mother and Father guide us out of our Local Universe of Nebadon, through the rest of our super-universe of Orvonton and into super, superuniverse Havona which circulates around the Isle of Paradise, being home.

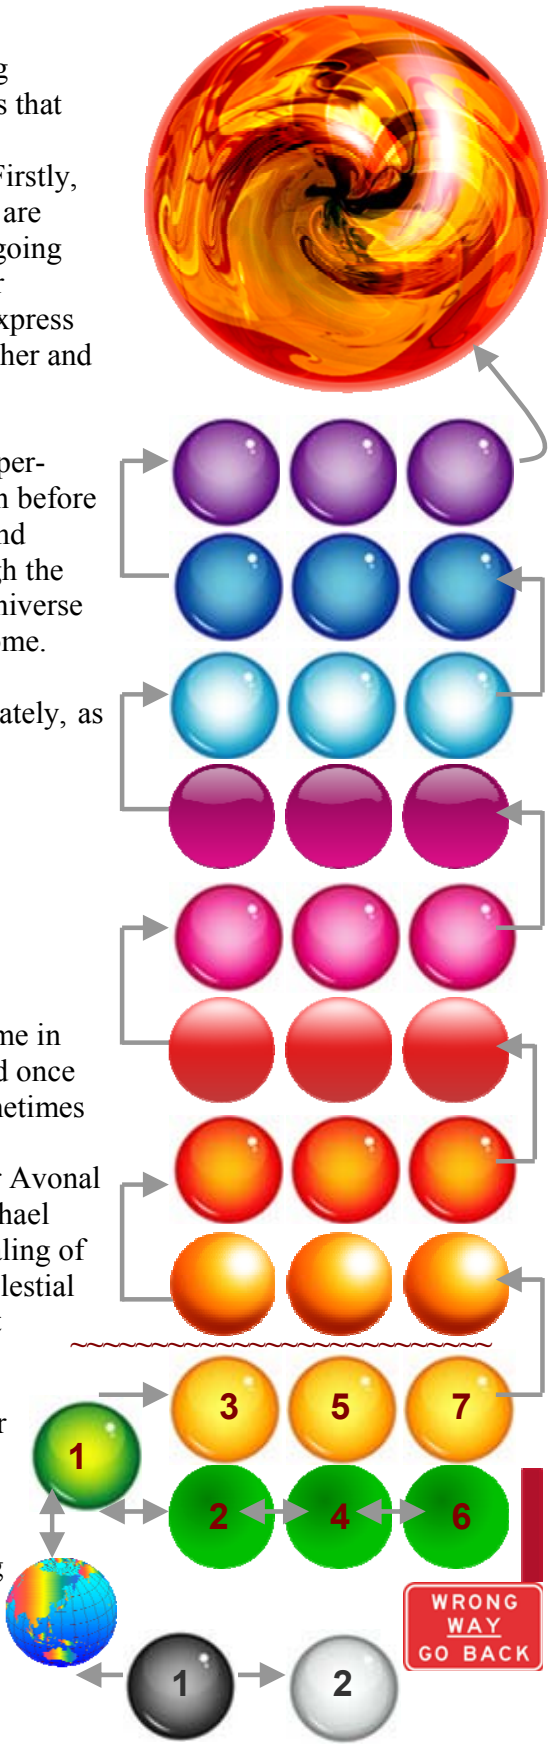

Each of the seven super-universes are constituted, approximately, as follows and with 1,000,000,000,000 inhabitable worlds:

- One super-universe is 10 major sectors
- One major sector is 100 minor sectors
- One minor sector is 100 local universes
- One local universe is 100 constellations
- One constellation is 100 systems
- One system embraces approximately 1,000 physical worlds

Once we attain the Celestial Heavens (spheres) we start to come in contact with spirits from other ‘Earth’ worlds. So in spirit and once we’ve finished out Healing and are Celestial, we interact, sometimes directly and otherwise indirectly, with potentially 10,000,000 physical worlds of which 3,840,101 are with humanities. Our Avonal Daughter and Son lead us to Mary Magdalene and Jesus (Michael soulmate pair, our Creator Daughter and Son, through our healing of the Rebellion and Default by guiding us into the first three Celestial Heavens and out of isolation from all other physical and spirit humanities.

Mary and Jesus then lead us through the Celestial Heavens for the system Satania (that Earth is in), then our constellation and then out of our Local Universe.

Isolation from all other humanities prevails before completing our soul’s healing and progress into the Celestial Heaven spheres 1, 2 and 3. Hell planes 1 and 2 are of Earth, those who have compensation may have this experience and might then progress up through mind Mansion Worlds 1, 2, 4 and 6 before turning around to progress through Healing Mansion Worlds 3, 5 and 7 to transition into Celestial Heaven.

*“Never can one man do more for another man than by making it known of the availability of the Feeling Healing process and Divine Love.” JD*

Earth is blanketed by the 1<sup>st</sup> Natural Love sphere at all times. 1<sup>st</sup> Natural Love sphere on the left is connected by portals to adjacent spheres, Natural Love spheres 2, 4, and 6 rising on the left in order, Divine Love spheres being 1, 3, 5, and 7 starting with 1 on the right. Those who arrive in the 1<sup>st</sup> Natural Love sphere and are still dominated by desires to cause harm to others and themselves may find their first lodgings in the Planes of Disharmony being 1 and 2, being planes of Earth. Our soul condition will determine where our initial lodgings will be in the spirit worlds when we first arrive in the spirit worlds.

Those who embrace Divine Love will proceed through the Divine Love Spheres and then onto the Celestial Heaven Spheres which are further in towards the centre of the Universe.

### ENVIRONMENTS within SPHERES:

The First Natural Sphere is one Sphere that is enormous and it consists of many environments. It is the biggest Sphere of all the Spheres for so many live in a good condition of natural love and this is the Sphere that receives every human life that enters the spirit world. There are spheres in the Celestial Heavens and the Eternal Spheres that are larger in space, but have less population residing there.

Within the spheres, one's soul condition determines what location one is destined for. At all times, the environment is harmonious for one's soul condition. Thus, spirit people with very similar soul condition will be together. This creates many communities, each being harmonious for a specific soul condition level. In this way, the 1<sup>st</sup> sphere consists of many locations that could be considered as nations, however within each spirit grouping that community consists of only one soul condition level, whereas on Earth we have saints and sinners all living together. People cannot determine or assess another's condition, nor can they assess their own soul condition.

It has been said that there are many spheres within a sphere. The truth is there are many environments within a sphere, much like there are many countries and have been many cultures that have lived on all lands of the one single Earth. There is only one sphere with many environments and cultures living in each Sphere.

A spirit cannot be attracted to an environment or another spirit in which the individual is out of condition to do so. The essence of this is that no spirit can injure another spirit or can put one's self in harms way or travel to an environment that will be harmful to the spirit-senses of that individual. This is part of the way that God maintains harmony in the vast populations of personalities residing in these tremendous spheres.

Generally, as soon as the individual accepts the Divine Love, the individual begins to advance their soul condition and as the attraction of the Spirit Law of Compensation diminishes, the soul condition of the individual enjoys the feelings of harmony produced and changing environments. The purpose of the Divine Love is to enable the individual to live in harmony with God.

The poorest soul in condition can still receive the Divine Love. No human or spirit is ever beyond reach of it.

Notes from Celestial Soul Condition via Zara Borthwick and Nicolas Arnold

ENVIRONMENTAL DESTINATIONS:

The predominant emotional aspect of each person is clearly visible through one's spirit body. One's soul condition is basically the average of one's emotional makeup. Those with the same appearance will find themselves together having the same emotional / soul condition. Those reflecting a higher level of love will find themselves in a more beautiful and brighter location than those with a poorer soul condition who may find themselves in a dull and dreary location.

From there, we can all develop our love and progressively advance to ever increasing in splendour environments, referred to as planes.

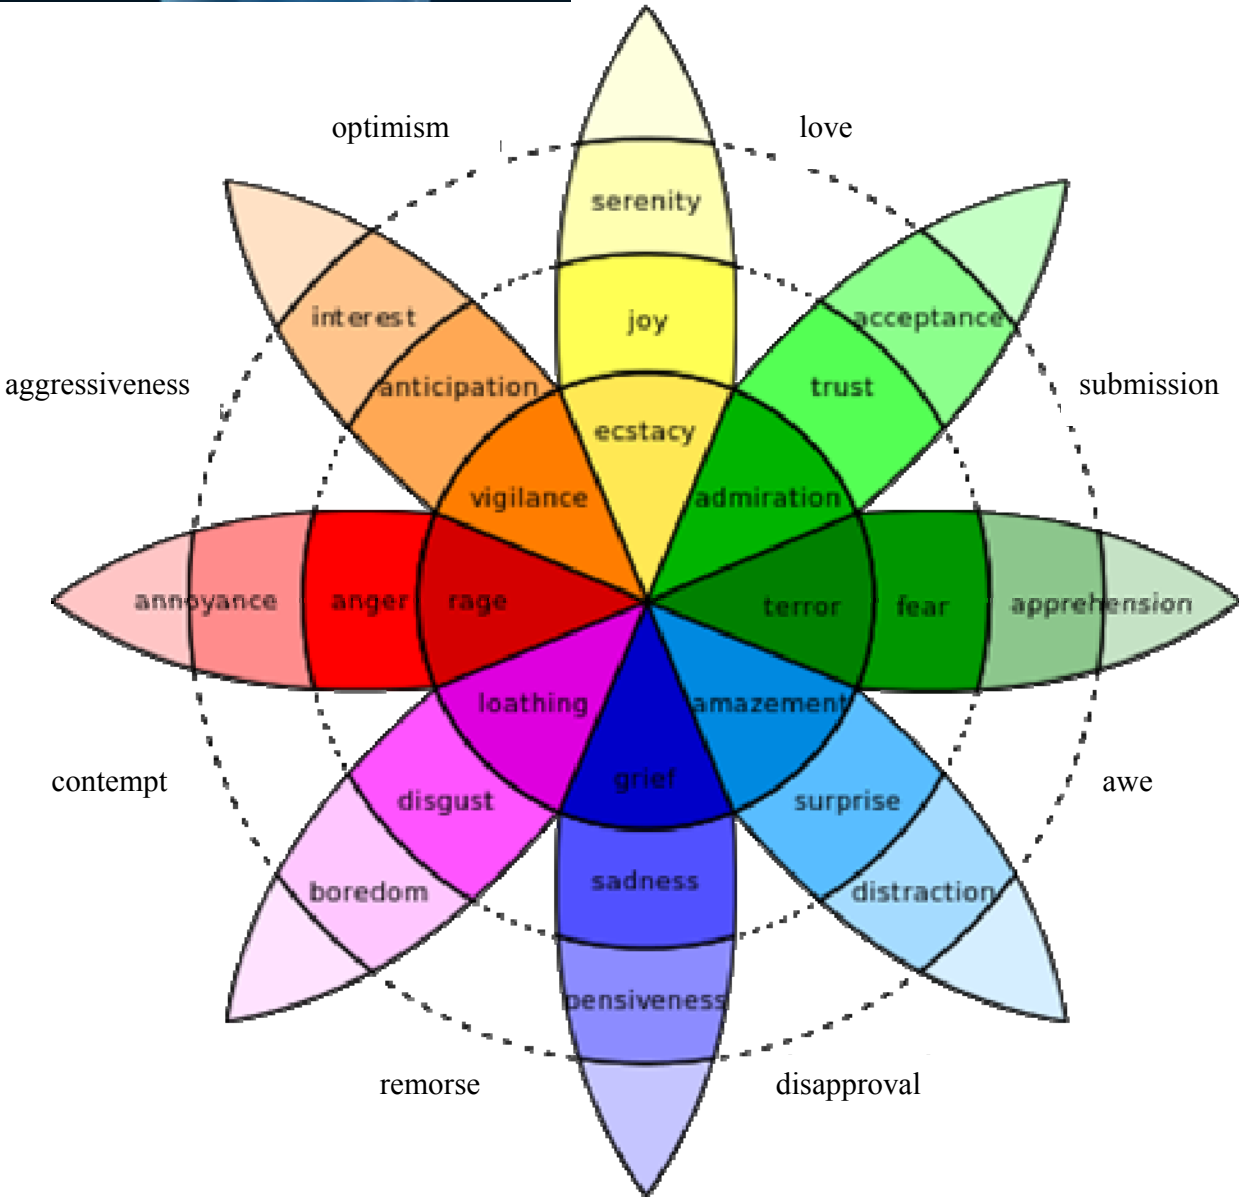

SOUL CONDITION and SPIRIT PLANES:

**Our soul condition determines the environment or plane that we reside within in the spirit world. In this way we are always in harmony with those around us. As we develop our soul condition we then move to a plane that then reflects our personal soul condition.**

**Moving from one sphere to higher sphere is a major progression achieved with our soul love development.**

**GAINING the equivalent of PhDs SPHERE by SPHERE:**

The journey to our ultimate destination is of enormous proportions, however, we have loving assistance and guidance all the way.

Consider that each major sphere that we progress through is capped with the granting of a PhD. Thus our journey to our ultimate home could be said to represent the achievement of gaining some 16 PhDs!!! Incredible!

Yes, we can all do it. As we ask for and receive Divine Love, as well as doing our Feeling Healing, we accumulate this wonderful essence progressively within our every growing soul, all visible due to the luminosity that this wonderful substance generates through our solar plexus of our spirit body. Our solar plexus are called this way due to this radiance emanating from that location of our being.

- Major spheres that we may advance through are:
- Spirit World (Divine Love) spheres            4
- Celestial Heavens spheres                        3
- Eternal Spheres                                        3
- Infinite and Universal Spheres                   3
- Spheres of Paradise                                 3    then
- Super Grand Sphere surrounding God’s Sphere & Soul**

|-----------------------------|-------------|----------|
| Total number of graduations | <b>PhDs</b> | 16<br>== |
|-----------------------------|-------------|----------|

Each sphere contains numerous planes and layers, thus our journey will have an incomprehensible diversity of experiences, all incredibly loving, progressive, evolutionary and creative once we set to commencing by simply longing for to our Mother and Father, please may I receive your Love! Divine Love will never be withheld from us once we ask.

When we arrive we will be amongst the most capped personalities ever imaginable!

This is one time when this statement stands out:  
*“Never can one man do more for another man than by making it known of the availability of the Feeling Healing process and Divine Love.” JD*

**Oliver Twist asked:**

*Please, sir, I want some more!*

**Maybe we should simply ask:**

*Please, Mother and Father, I want some more!*

**Long and pray for Divine Love and it will, with the Feeling Healing process, loosen the errors / injuries / unhealed / denied trapped and/or inherited emotions, resulting in a flowing out of these negative embellishments within one's soul as Divine Love flows in – Divine Love being the greatest gift in all the universe.**

**God's Divine Love: Pray for it, ask for it, and receive it.**

**Our salvation IS the embracing of the Feeling Healing process with Divine Love.**

**By living true to ourselves, true to our feelings, we are living true to God. It's that simple.**

**BOOK of TRUTHS containing The PADGETT MESSAGES:**

published by Joseph Babinsky

I am here, Elias -

(extracts)

April 1, 1917

I will write a few words in respect to the sermon that you (James Padgett) listened to tonight on the question: *Do the dead communicate with the living?*

The preacher is a believer in what he enunciated and the only trouble with him is that he has very little knowledge of the truths of spiritualism, and hence his ability to teach these truths is very limited.

The preacher is still in the dark as to the conditions of spirits and their destiny, and as to the means provided to attain to the heavens, and become released from the hells, by the Father's love.

The preacher has at this time within his own soul that which is freed from the limitations of his erroneous beliefs in many supposed truths, would cause him to know that the life in the spirit world is something more than the mere living, and that this living is only a means to the realization and possession of that immortality that is so often preached about and hoped for. He has much of the Divine Love in his soul, and that soul is struggling to expand and get in condition to receive more of this love, and is prevented from so doing only by the erroneous beliefs that he has imbibed and misconstrued by his long years of living in what he calls, the truths of the Bible and the fear that if he loses such beliefs or questions the truth of the source of his beliefs there can be no salvation for him. And this is not surprising, for he knows no source of correction of these errors of his beliefs, and as a wise man (and wise only because he does not know how to obtain greater wisdom) he holds on to his beliefs and reverences the source thereof – and his intellect is satisfied.

But the soul, the important soul, which can be fed only by its own perceptions, is like the imprisoned bird, panting and struggling to beat down the bars of its imprisonment and get out into the freedom of God's wide atmosphere. And his mind – the misguided mind – is the bars of his soul's freedom and prevents it from opening up its own perceptions.

If the preacher only knew the truth and the way to open the doors to his soul's prison, he would long for that truth and seek that way with all the energies of his soul's powers, and would then become free and progress towards the attainment of the certain knowledge of immortality.

But this I will say now, that sometime he will learn the truth and the way, and his beliefs will become in accord with the longings of his soul and the shackles of his mind's erroneous beliefs will be loosened and fall from him, and then he will realize that he is a true son of the Father, privileged to partake of the great love without limit in his onward progress to the Celestial spheres. The church was filled with many spirits interested in the discourse, anxious to learn any truths that might be declared, but they learned nothing, for what he declared, as truths, they already knew, notwithstanding that these spirits were of all kinds – wicked and dark and suffering and bright and happy, and mostly still men without the physical body.

He will also realize the importance of his knowing these truths, so that he may teach them not only to men, but to spirits as well, who form the vastly larger part of his audience.

*With my love and prayers for the Father's blessings on you, I am your brother in Christ – Elias*

**To SUCCESSFULLY RECEIVE HIGH LEVEL SPIRITUAL TRUTHS, the MEDIUM NEEDS to have DEVELOPED HIS/HER SOUL CONDITION:**

The first of the series of mediums to commence receiving teachings pertaining to Divine Love was James Padgett in 1914. Each of the successive mediums has benefited from the collective teachings and guidance introduced by the preceding mediums from their Divine Love teachings.

**From the testimony of James Padgett (December 1915):**

*“I was born and reared in an orthodox Protestant church (Methodist) and until quite recently remained orthodox in my beliefs – that upon the suggestion being made to me that I was a psychic, I commenced to receive by way of automatic writing, messages from what was said to be messages from the spirit world, and since that time I have received messages upon many subjects, but mostly as to things of a spiritual and religious nature, not orthodox, as to the errancy of the Bible.”*

James Padgett unknowingly had achieved sufficient soul development through receipt of Divine Love to complement his openness to new information and his unique mediumship skills to commence the receipt of high level spiritual messages from celestial spirits in 1914 which continued earnestly to 1920 and beyond. During the time of transmission of messages, he continued his church attendances and visited many different denominations also. There are some 46 messages throughout the records indicating Padgett’s attendances at various churches during this time, an example being:

**27. December 29, 1916 – John**

**“I was with you tonight and heard the sermon of the preacher on the second coming of Jesus, and by it you were convinced of the continued revelation of the truths that you are receiving. How very much mistaken this preacher is in his beliefs, and how disappointed he will be when he comes to not only realize the truths, but also the knowledge that while living on Earth Jesus had already come the second time, and that he, the preacher, might have had the benefit of that coming if he had not permitted his orthodox beliefs to prevent the truth from entering his mind and soul.”**

**46. Undated Message – Apostle John**

“You are benefitted tonight by your attendance at the meeting, although the people paid more worship to Jesus than to God, and you felt the error of it. But let not that disturb your belief or your faith in God. These people were happy in their beliefs, and the Holy Spirit was with them and entered into their souls and made them happy.

“They do not realize that Jesus must not be worshipped but yet their real prayers were to the Father and He understood what they were seeking, and hence the Holy Spirit came to them.

“Jesus was with you at this meeting and was filling your heart with his love as well as receiving the Divine Love and it helped you very much. I was there also and joined in the services as far as the worship of God was concerned, and tried to help the people with my love and inspiration.

“These people, notwithstanding the mistaken belief as to Jesus' mission, yet have the Divine Love of the Father in their souls and it will help them progress in their soul development. They, of course, will be surprised, when they come into the spirit world to find that Jesus is not God, and that his blood or death does not save them, but their souls, by reason of the Divine Love being in them, will find that they have progressed towards the fountainhead of God's Love and these mere errors of their beliefs will not retard them long in their spiritual progress.

“So I say, do not let the fact that they worship Jesus as God prevent you from attending these meetings as the great flood of the Divine spirit which is present will help you very much.” [TGRA Vol. III, p.215]

**Thus it is clearly confirmed that many, through their faithful participation of religious services and practices, and through their loving assistance that one provides to their fellow man, spiritual or physical, have been and do receive the greatest gift in all the universe, the gift of Divine Love.**

**FEELING HEALING and SOUL HEALING with the DIVINE LOVE:****James Moncrief Publications:****all publications are free downloads:**<http://divinelovesp.weebly.com/my-free-books-and-free-padgett-messages.html>

It is suggested for one to consider reading as follows:

**Speaking with Mary Magdalene and Jesus – books 1 – 4**

These four books encapsulate the second of the revelations with the first having been introduced by James Padgett one hundred years previously. These four books provide a wide range of guidance that has never previously been made available.

**Paul – City of Light**

As a gentle intro into the Divine Love and Healing; being James Moncrief's first novel and it's been criticised as being too heavily clichéd, but that's the point because it's a reflection of how he was back then.

**Ann and Terry**

For an example of people who might want to immediately start working on themselves and doing their Healing.

**Feeling Bad? Bad Feelings are GOOD**

For more understanding about our denial of our feelings and why we should not deny our feelings, and it includes how it all came about for James, using himself as an example.

**Feeling bad will make you feel BETTER – Eventually!**

This includes specific examples of Marion and James working on expressing particular bad feelings, again with the hope that it will help others gain something of an idea as to what's involved in doing your Feeling Healing.

**Sage – and the Healing Angels of Light**

Through Sage who's 13 years old, the story is primarily about the two aspects of healing; that being, with the help of our angels, and the full Healing we can do by looking to our feelings for their truth.

**Religion of Feelings  
Feeling Healing**

**Welcome to LOVE – the Religion of Feelings  
you can heal yourself through your feelings**

So these books, including the four Speaking with Mary Magdalene and Jesus books, provide the essence of it all and are examples of James' work. Then it's up to whatever takes one's fancy. Other reading to consider may include:

**The Padgett Messages being published as:****The True Gospel Revealed Anew by Jesus volumes 1 – 4****Book of Truths by Joseph Babinsky****The Urantia Book**

**Release one's pain through expressing one's feelings.**

**in conjunction with**

**Longing for the Truth when also longing for Divine Love.**

**FEELING HEALING with DIVINE LOVE is SOUL HEALING:**

*A collection of 'papers' that draw together specific topics including all of the above and more from other sources of information and revelation designed to help increase one's awareness about why we have the problems we do and how to heal them, all whilst living a more healthy and sustainable life. They provide a brief snapshot of the more complicated topics and issues.*

**Firstly, consider discovering the truth of your emotional pain through Feeling Healing.**

**Secondly, consider longing for our Heavenly Parents' Love as you progress with your healing.**

**Primary and most important readings are the writings of James Moncrief.**

**Then consider the Padgett Messages, and then The Urantia Book.**

### ANATOMY of a PASCAS MESSAGE:

Not having made any contact for decades, on Monday 10 February 2014, I phoned a long time friend, Phillip, in a distant southern city. We discussed several spiritual subjects and in particular memory. However, he repeated the perplexing question, ‘Are we saved yet?’ to which I had no response. I told him I was going to send him a couple of Pascas papers, one being on memory being ‘Total Recall’.

At the time I was reading ‘Judas of Kerioth’ published by Geoff Cutler. Tuesday morning, I opened up on the message, ‘Forgiveness and Forgetfulness’ of November 6<sup>th</sup> 2001. Then in came a general mail out from Geoff – topic being ‘Memories’ as received by Werner Voets in Belgium on 11 February 2014 (note the date). Werner has published the book, ‘The Truth’.

Both of these added greatly to the subject matter, so ‘Total Recall’ was amended and re-sent to Phillip, however his core question befuddled me.

On Thursday evening (13 February), I met up with Maree, Jim and Philip, all of the Gold Coast, and we explored our younger years and experiences which paralleled our current experiences when receiving the Divine Love. We all had amazingly similar stories.

During the week, Joseph Babinsky had sent to me his research, ‘James Padgett attended church’. Some 46 messages that he had collated from the Padgett Messages on the subject we explored on Thursday evening.

+B (Bishop Brian) had sent me his note, ‘What is Prayer’ during the week.

Geoff had also sent a further Werner message, ‘Theory without Practice’ however it dated back to February 2<sup>nd</sup> 2011, which he sent to me on Friday 14<sup>th</sup> February 2014 in a general mailout.

On Friday, I phoned James Reid and we discussed the subject that I had clearly now focused upon and had begun to assemble in my mind, ‘Millions are Receiving Divine Love’. As we explored the subject, James commented that Richard wanted to answer these questions. Some six hours later I received five pages on the topic of ‘Divine Love in Everyday Living’. Now that is cool. Richard died some 600 years ago and now resides in the Celestial Heavens, and here we are receiving his teachings and wisdom literally instantaneously, then typed up and proof read for distribution within six hours!

The document, Pascas Care – Millions are Receiving Divine Love was essentially assembled from these numerous inputs during Friday 14<sup>th</sup> and completed on Saturday 15<sup>th</sup> February 2014. It addresses the question; ‘Are we saved yet?’ and many other questions.

This is typical how a Pascas message comes together and that has been my experience for years, maybe even longer than a decade. Many sources contribute to the forming of a topic and that happens rapidly.

Feelings first

*Everything is Inter-connected*

**Three Great Truths:**

- **God is Soul, being our Heavenly Mother and Father;**
- **that each individual soul is a duplex – both male and female;**
- **and Feeling Healing with Divine Love is the pathway to Paradise.**

### **Feeling Healing – Healing yourself through your feelings.**

- ✓ Your feelings are the real and true you.
- ✓ If you are denying any feelings you are denying yourself.
- ✓ If you are denying yourself you can't ever be truly happy.
- ✓ To heal all your pain and suffering, you can look to your feelings for why you are feeling bad.
- ✓ If you want to know the truth of yourself, then it's your feelings you will need to look to.
- ✓ Your feelings hold the hidden keys to unlocking the truth of who you really are.
- ✓ Uncover the truth of yourself through your feelings and you will know why you feel all you do.
- ✓ Everything in life, why all that happens to you does, and everything about yourself, can be explained to you through your feelings.
- ✓ Why your relationships might not be as good as you would like, why some might fail, you will understand through your feelings.
- ✓ How to live a good, true, happy and loving life will come to you as you start paying attention to all your feelings.
- ✓ However you will also have to pay attention to all your bad feelings, and this can be very harrowing.
- ✓ By honouring – accepting and then expressing all the bad feelings you feel, you will slowly bring to light all the reasons why you don't feel good.
- ✓ And as you liberate yourself from these hidden repressed bad feelings, so you will start to feel better and better about yourself.
- ✓ It's a process, and it can take time, years possibly, but all that's hard will eventually pass becoming good.
- ✓ Expressing all your feelings, and particularly your bad ones, whilst longing and really wanting to know the truth of why you're feeling them, is doing your Feeling Healing.
- ✓ You can Heal yourself through your feelings. And in fact, it's the only way to really heal yourself.
- ✓ And if you wish to do your Healing with God, you can also long for God's Divine Love.
- ✓ Feeling Healing – Using your feelings to heal yourself.

**EMBRACING the WILL of our HEAVENLY MOTHER and FATHER:**

**Our Heavenly Parents are almighty, all powerful, infinite, and at all times loving.**

**The love of the Heavenly Parents for their children, woman and man, has been and is always infinite and ever present.**

**As one's faith in our Heavenly Parents evolves, man's love for his Heavenly Parents will have no limit.**

**As man grows in his love, so will man grow in his love for all of God's creations.**

**Approach the Source Soul, the Mother and Father, in reverence, without fear or trepidation, just as a child approaches his earthly parents knowing that open loving arms are extended to receive him at all times.**

**As one grows in his love of the Mother and Father, one becomes to know with certainty that God loves him or her in return, at all times, and that fear is an illusion created by man's mind.**

**By embracing the commandment provided in the 1<sup>st</sup> century, namely the first:**

**"This is my commandment, that ye love one another even as I have loved you."**

**Further, we are to embrace our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.**

**Also as our soul development progresses, our self love grows which also enables us to step away from:**

**Any self harm that we may cause which also brings about consequences.**

**And to move along this path we simply develop our embracement of:**

**God's Divine Love; by praying for it, asking for it, and receiving it.**

**Longing for Truth and Divine Love we can embrace the will of the Father and achieve freedom from error and harmful ways, thus finding our way home!**

### Manifesto of Divine Love:

1. We love one another as Mary and Jesus, our spiritual parents, love us. And so we seek their Spirits of Truth.
2. Our all loving Heavenly Parents, our Mother and Father, we love and honour at all times.
3. We worship only our Mother and Father, God, and Creator of all things.
4. We treat our Creator's name with respect and love, and earnestly seek Their Divine Love, and at all times pray for It, ask for It, and receive It.
5. We set aside a regular day each week for Sabbath rest and worship of our Heavenly Parents, God, and seek Their Love so that we may grow closer to Their fountain head of Truth and Love.
6. We are to be as we feel, even if it's sinful, but in doing something that is not in alignment with God's Love and Truth will make us feel bad, that is provided we allow ourself to feel our bad feelings, and so we can then use our bad feelings to find out the truth of why we feel bad and why that thing we have done is bad. We embrace our Feeling Healing.
7. We strive to cause no harm to another, nor cause any harm to one's self. We do not do to others what we would not have them to do to us. We treat our fellow human beings and all living things, and the world in general with love, honesty, faithfulness and respect. Violence, at any times, is never justified. Golden Rule: that one must always honour another's will as one honours one's own.
8. At all times in our intimate relationships we strive to express and live true to all our feelings, all so we can use our feelings to uncover the truth they are trying to show. The truth of ourselves, of our relationships, and the truth of everything else, including God.
9. We do not covet or steal anything that does not belong to us. Honesty in all communications, actions, undertakings and activities in all facets of life is our rule of life.
10. In all that we do, we are to be truthful. We are non-judgemental, for none of us have the capacity or authority to judge another. We are always ready to forgive all wrongdoing.
11. We do not desire anything or anyone that does not belong to us. Comparing oneself to others and longing to have what they have leads to errors. We are to be content by focusing on the blessings our Heavenly Parents, who made us in Their soul's image, provides for us.

## ***DIVINE LOVE – what does it do?***

### **Divine Love, which is a substance, progressively:**

**Transforms one's soul from that which is of natural love to that which is Divine**

**As natural love is enhanced with the Parent's Love, we reject our tendency to error**

**Divine Love, our Parent's Love, restrains errors, untruths and emotional stress**

**As we reject the condition to error, we develop our love for our brothers and sisters**

**Divine Love helps one with the discovery of truth through one's soul-feeling healing**

**Our natural intelligence grows, perceptions rise with our soul intelligent feelings**

**As Law of Compensation is resolved, the Love reduces returning to being in error**

**Receipt of Divine Love, the Parent's Love, grows our faith, we become God reliant**

**As our faith grows our propensity to undertake one's Feeling Healing strengthens**

**With the Love, our Feeling Healing becomes Soul Healing, this we are to undertake**

**Without the Love we remain self reliant and dependent upon our own will power**

**Only with the Love will our soul condition grow rapidly, all around us also benefit**

**The Love is the only substance that changes the human soul to that which is Divine**

**Only by asking and receiving Love do we become fitted to enter Celestial Heavens**

**Only by asking for and receiving the Divine Love does our soul become immortal.**

**What is Divine Love?**

**It is the Divine Love of God, our Heavenly Parents, restored to all mankind by the births of Jesus and Mary.**

**How do we get this Love?**

**By sincerely asking God, our Mother and Father, and receiving the Love that passes all understanding.**

**What happens then?**

**We are born again in spirit and in truth, our soul opened to the Soul of God, our Heavenly Parents.**

**What then do we know?**

**We know we are all children of God and want to pray always to our Heavenly Parents, always longing for Truth.**

**What is the purpose of Feeling Healing?**

**We are to seek the truth of our feelings and unburden ourselves from our childhood repression and injuries.**

**What of the world?**

**We are at peace in the world and fearless. In Divine Love and in Truth there is no fear.**

**What else?**

**We are to strive to love everyone unconditionally as our Heavenly Parents and as Mary and Jesus love us.**

**LOVE and LIGHT:** The luminosity of a loving soul shines through the spirit body.
