FUNDING for CHANGE OVER

The Change Over is the end of the spiritual age of the past 2,000 years, of Mary Magdalene and Jesus, the Creator Daughter and Son, also being the co-regents of Nebadon, and the handing over to the Avonal soul partner pair and the commencement of their Avonal spiritual age of the coming 1,000 years.

Local Universe Personalities have Freewill.

There are various groupings of personalities that have specific roles and these Local Universal personalities include among others: Melchizedek, Vorondadek, Lanonandek, Material and Life-Carrier pairs. None have spirits of truth and they are not from Paradise.

Those personalities who are from Paradise, the home of our Heavenly Mother and Father are the:

Creator daughters and sons – Michaels

Magisterial daughters and sons – Avonals

These have spirits of truth which can be released to assist the humanities on assigned, inhabited worlds.

Trinity Teacher daughters and sons – Daynals – and others.

These do not have spirits of truth for release.

However, the Lanonandek soul partner pair, Lucifer, having being appointed System Sovereign of Satania, in which Earth is a part of, rejected the leadership of Nebadon and rejected God also. Lucifer with his deputies, the Satan soul partner pair, drew 37 humanities into thier Rebellion some 200,000 years ago. Each of these 37 humanities have their own Planetary Prince, also being of the Lanonandek class. Caligastia soul partners were Earth's Planetary Prince and their deputies being the Daligastia pair.

FOR 200,000 years ALL SCRIPTURES and Earth based INSTITUTIONALISED SYSTEMS are the WORK of the REBELLIOUS LANONANDEKS:

The rebellious Lanonandeks from within our local universe are these soul partner pairs:

THE EVIL ONES

Lucifer pair

Arrested and imprisoned 26 CE

Satan pair

Caligastia pair

Arrested and imprisoned early 1990s CE

Daligastia pair

Following the Rebellion by Lucifer 200,000 years ago, due to a Universal Contract, the Lucifers had unfettered control of all 37 participating humanities, including Earth's humanity. Lucifer administered his Rebellion on each world through the subordinated Planetary Princes and in turn, they guided the spirits coming into the respective spirit Mansion Worlds to do what Lucifer required and that was to install through their mind interference such structures and systems that Lucifer wanted on each of the Rebellious physical worlds. Accordingly, all the systems, customs, heritage practices, religious and spiritual practices existing today on Earth are the products of Lucifer and his subordinates. For 200,000 years all of Earth's humanity has been in Rebellion and added to that is the Default of Adam and Eve some 38,000 years ago, also brought about by undue influence from the rebellious Lanonandeks.

However, even though the Rebellion and Default appeared to be ongoing without any end, Mary and Jesus have had the Melchizedeks proceeding as a 'shadow administration' to use a term.

**Machiventa Melchizedek
is the architect and conductor of the
termination of the Rebellion and Default
and the Change Over to the Avonal Age.**

4,000 years ago, Machiventa Melchizedek manifested in a physical body arriving near Salam, north of Jerusalem, and proceeded to instruct Abraham in what was the setting of the foundations for the bestowal of the Creator Daughter and Son 2,000 years ago. To use an analogy, you could say that Mary and Jesus represent 'federal government' and as their physical bestowal elevated their status to full co-regents of Nebadon, they then had the authority and subsequently had the System Sovereign and their deputies arrested and placed in spirit world prison, hence Lucifer and Satan lost their control.

The Creator Daughters and Sons deal with Local Universe matters. It is the Avonal Daughter and Sons that deal with individual planetary matters – 'state government'. 2,000 years after the time of Jesus and Mary on Earth we have the presence of an Avonal bestowal pair. It was in the early 1990s that the Planetary Prince and his deputies, the Caligastias and Daligastias, were arrested also placed in spirit world prison. Since then the mind Mansion World subordinates have been without leadership.

The Universal Contract governing the Rebellion and Default continues to be adhered to UNTIL we on Earth in the physical take steps to negate it – clause by clause. We have to evolve in our understandings and ways so as to end the numerous elements of the contract, one by one. Higher level spirits, including our Celestial friends who have individually healed themselves of the Rebellion and Default, cannot tell us what to do. We must find our way. AND it only takes one person THEN they can assist.

**When we grasp an embryo of an idea
then our invisible friends can infill!**

So it has come to pass that since the manifestation of Machiventa Melchizedek on Earth 4,000 years ago, tiny cracks in the Universal Contract have been steadily exploited leading to the formal ending of the Rebellion and Default on 31 January 2018. Still the residual dictates of the contract remain to be addressed which is now occurring at an ever increasing tempo.

**John the
Typist**

Our Celestial friends from the first three Celestial Heavens are able to come closer and closer to us as each progression unfolds through realisation and understanding by the few who are focused upon ending the Rebellion and Default within us all. This is a slow process – but each break through enables greater connectivity with our Celestial Friends.

One hallmark event unfolded on 22 March 2017. ALL communication between the mind Mansion World spirits, who continue as pawns to the Lanonandek (Lucifer) Rebellion, and those on Earth, had their channels blocked by the Celestials. On that date and since, people on Earth who were responding to such spirit guidance have ceased to be guided by such negative mind spirits. People on Earth who are intent on carrying on the ways of Lucifer, living through their minds and exerting control over others and the environment, are now dependent upon their own skills which we are all seeing is very poor and limited.

On the 22 May 2017, the Law of Compensation commenced to be quickened. Those who think they can get away with imposing their will upon others without being punished will progressively discover otherwise. How fast will the quickening be applied, we do not as yet know.

The conditions that prevail in the 1st spirit Mansion World are to be Earthed and the hells will progressively close. Crime and war will subside on Earth.

There is a great deal to unfold throughout the coming Avonal Age of 1,000 years and funding to set the foundations in place has been arranged.

A clear distinction in roles is that the Creator Daughter and Son did not take on what the Rebellion and Default represent, they remained free from error and sin, whereas the Avonal Daughter and Son have taken on the extremes of the Rebellion and Default, they have taken on the worst that is on offer and have tirelessly worked through their personal healings for nearly three decades to regain their Celestial soul condition. Mary and Jesus remained in a Celestial soul condition throughout their lives. Both bestowal pairs had to recognise who they truly are and that is a major achievement in itself.

Avonals - Magisterial Daughter and Son

The first physical step to bring about the end of the Rebellion and Default for Earth's humanity was the materialisation of Machiventa Melchizedek 1,973 years prior to Jesus' conception. The plan could be said to have been meticulously mapped out and each step has unfolded with Machiventa Melchizedek, together with Jesus and Mary, orchestrating our Heavenly Mother and Father's intentions to this day. The plan culminates with the appearance of the Avonal bestowal pair from Paradise, being a Magisterial Daughter and Son, who will guide Earth's humanity, both in the physical and spirit, through their individual Feeling Healing, and with Divine Love their Soul Healing, during the next spiritual age of 1,000 years now to commence, being the Avonal Age. Machiventa Melchizedek has been administering this 4,000 year unfoldment and will continue with his role throughout the Avonal Age. Now we are engaging in the biggest event in history for Earth's humanity, the healing of the imposts of the Rebellion and Default. All of the Avonal Age is now required to establish the universality of the healing Earth's humanity.

Funding the Avonal Event

Prior to the conceptions of either of the Avonal Bestowal Pair on Earth, the overseeing Melchizedeks with the Avonal Pair and all high level spirit personalities associated with this great event for Earth's humanity deliberated upon all the relevant issues pertaining to this event (possibly during the 1920s!).

Funding of what is required to be carried out on Earth requires large sums. It was recognised that donors what not provide funds principally because they would have no understanding of what is occurring as there has been no prior precedents or events like this. Raising of funds in traditional ways would take way to long and the funds required would be very large at the very start of the commencement of the Avonal Age. A large infusion of funds is required at the start.

The only way forward was to instigate a mechanism that would bring about the availability of large sums to be available in advance for drawing upon when required. As the first of the Avonal pair would be conceived and physically incarnate around 1950, enter the Bretton Woods Conference in 1944.

BRETTON WOODS CONFERENCE

1 July 1944 – 22 July 1944

- The Bretton Woods conference established the International Monetary Fund (IMF) to deal with external surpluses and deficits of its member nations.
- The International Bank for Reconstruction and Development (popularly known as the World Bank) was set up to finance postwar reconstruction.
- The IMF and the World Bank are referred to as the Bretton Woods institutions or the Bretton Woods twins.
- The post-war international economic system is described as the Bretton Woods system.

Most importantly was the mechanism created for the issuing and selling of new bonds on behalf of governments and major corporations. The authority to do this was granted to twelve licensed bond traders who now are generally associated with exceptionally wealthy families scattered around the world, or in particularly Europe, Asia and USA. These traders were and are custodians of the profits from the sale of new bonds. Half of the profits were to be deployed into global humanitarian projects in remote and emerging economies to enable US dollars to be available in growing economies so as to grow world trade and global economic prosperity.

As a man-made agenda, it would be safe to say that the man-made rules would be promptly broken by man – and it was so. Little in funds reached impoverished communities and countries. The funds generally have been hoarded by the licensed traders and their families. The licenses being handed down through generations of the families. Some of the families, mainly Asian, pushed to have funds applied

to projects within the intent of the Bretton Woods Conference of 1944 only to be frustrated by greed and corruption of those introducing projects. Requests for commissions ('tea money') of 10%, 20%, 30% prevails.

During 2016 this all changed. The Asian families, through their determination and new found focus resolved the way forward and addressed the situation, commenced with the issue of notices to all bond traders announcing that their authorisations had been withdrawn as were their codes, passwords and access to their accumulating 'custodian' funds. Unless the bond trader agreed to acknowledge that the funds they were holding were now available for authorised humanitarian projects and that they would release those funds when called upon, only then would they be re-issued with new codes and authorisations.

The Melchizedeks had succeeded in bringing about the funds required to be available for the public activities of the Avonal bestowal pair so that their Revelations can now be made available worldwide and people in all communities or all nations around the world will be provided with the understandings of what The New Way is and also be supported in becoming aware of what is involved to end the Rebellion and Default in each of us – as and when we are ready to do so.

3 True Blue Aussie Battlers

Yes, three totally separated fund pools could have found themselves being administered in far different corners of Earth, however, they are to be administered by three Australians who lived in very different cities within Australia, however they are very well known to each other and will return to be all living close to each other in south-east Queensland, Australia. The Gold Coast will be the catalyst for the largest humanitarian projects the world has ever seen. These three funds that will enable global awareness of The New Way, Living Feelings First, were each the result of the birth of the bond issuing money making system establish as of a result of the Bretton Woods Conference of 1944. These three funds remain independent from each other, however the three parties with authority to administer these funds have compatible agendas and interact in unison with common purpose.

The quantum of funds available, through each of the funds independent of the other, is truly staggering. Potentially, annual global humanitarian spending could now amount to sums greater than the annual military spend worldwide!

The foundations for longevity in the availability of what the Avonal Revelations are, for all sectors, communities and nationalities, in multiple ways, can now be laid out. There is to be no confusion or doubt as to their content and intent. These foundations will also coincide with commencement of the realignment of all aspects of society towards living The New Way, Living Feelings First and the potential for anyone and everyone to embrace this new lifestyle will be given every opportunity.

The preplanning and execution of the funding for the Change Over from living through the mind to living through one's feelings, coinciding with the ending of the Rebellion and Default as well as the transition from the Spiritual Age of Mary and Jesus, of 2,000 years, into the Spiritual Age of the Avonals being the coming 1,000 years, is truly a wonder in itself.

Avonal Revelations for all of Humanity

FUNDING for CHANGE OVER

Tuesday, 2 February 2021

James: Hello Nanna Beth?

Nanna Beth, 3rd Celestial Heaven, John's grandmother: Yes James, I'm here, go ahead.

James: John is asking about the bringing together of all the funding. He has laid out his understanding of it involving you higher spirits, and so first of all, has what he has written pretty much as it is?

Nanna Beth: It is.

James: I don't really know what he's wanting to ask you or wanting from you. But for me, I wonder why is all the funding needed? John gives his reasons, but from how I understand the Avonal to be, money is not needed to reveal the truths of The New Way and Spiritual Healing. A few miracles and the whole world would be alerted to the fact that something very different is going on, and if the call for money went out, I would imagine there'd be people offering financial support.

I can see if the Sanctuaries are to be built, organised and made ready for the Reversal, then a lot of money would be needed for them, but still, I don't really know about anything at this stage. So Beth, if there is any other light you can shed on things, please would you.

Nanna Beth: I can't tell you too much about it James. It's 'wait and see', what's to happen and how it's all going to unfold. There are too many aspects to it, all waiting to be revealed to you. It's going to be far more complex than you think, in so far as how it's all going to affect the world. So money will be needed in many ways that are as yet unknown and even un-thought about by you so far.

One way money will be needed that I can tell you is for the relocation of a lot of people, people who want to come and live in the Sanctuaries. Money will be needed to fund the Sanctuaries, to underpin them until the Reversal.

James: So a lot of people might come to Australia?

Nanna Beth: Yes. And various parts of Australia.

James: Like up North further than John, like he was talking about the other day?

Nanna Beth: Yes. Closer to the equator.

And you will need money to do all the creative side of things you imagine you want to do.

James: So like all the movies and everything else?

Nanna Beth: Yes. People are getting more used to using the Internet for everything, so traditional learning ways are changing. To educate and introduce people to your work will be easier to do visually, than expecting a lot of people to read a lot of information through long books. Other people will of course love reading your books, but for the majority of people it will be

**MOVIE
CITY**

through the visual media. All to show along the lines of what Graham was saying to you today: To understand that no matter what one does, as it's all being done within a rebellion against truth and love, one is always going to feel unloved and untrue, being false. And so the choice to make is either continue on that way, or do something real about it. And that only you yourself can help yourself. No one else can change or heal you. You have to do your Spiritual Healing and come to be the full truth of how you are in your rebelliousness. And then you can be set free of it. The Truth will Set you Free. And it's true.

James: Okay. So getting back to the funding?

Nanna Beth: Wait and see James, and you too John. As I've told you, it will unfold when the time is right, and as it does, so your feelings will guide you through all the twists and turns. And as you have seen John, as far as the funding is concerned, there have already been many twists and turns to get to this point.

Machiventa Melchizedek

And as far as Machiventa goes, he is here with us overseeing all that the Melchizedeks do. He is with his soul partner working with all the groups of Melchizedeks. He is very approachable, I have had a lot to do with him and his partner over the years as my soulgroup has settled into the role we are to play. When the time is right James, he will come to you again.

un-muddle your thoughts

And other than that, I can't be more forthcoming. It's still so important James that you muddle your way through what comes into your mind, even though most of it dements you. It's all what's needed by your soul as to complete the dictates of your Healing and your life to this point. You just have to move with all the complex bad feelings of it. There is nothing else to be done.

Muddler James: Okay, thank you Beth.

Nanna Beth: Until next time James. Bye now, Nanna Beth.

EARTH CHANGES

Larger civilisations have previously existed on Earth, with elements more advanced in some ways than Earth's civilisation of today – in the year 2021!

Populations have been routinely reduced by earth changes to smaller numbers. Post earth change events typically require surviving populations having to restart from ground zero.

SACRED and INSPIRED WRITINGS sets, each of about 10,000 tablets, were carried from Mu (Lemuria), these were then located at: Tibet, Deccan Plateau in central India, Gobi Desert in Central China, Upper Egypt, Babylon in Mesopotamia and Mexico City. Further copies of each of these original sets were further made. The foundations of Buddhism are remnants of the mind controlling practices of the Atlanteans! The books accredited to Moses are his translations of writings on clay tablets brought from Lemuria to Egypt. Thus it can be seen that the immigration from Lemuria going west cross over with the Atlanteans going east. Remnants of prior civilisations spiritual systems have been the foundations of new ways and beliefs – all taking humanity deeper into the mind, away from feelings and away from our Heavenly Mother and Father.

Following each earth change, humanity has gone deeper into the Rebellion and Default. Spiritual platforms have been passed down through many civilisations. Clay tablets have survived cataclysmic earth changes with researchers re-introducing remnants in later times with further imposts infused by mind Mansion World spirits all in keeping with Lucifer's rebellious dictates. As from 31 January 2018 we can now go upon the pathway of healing the Rebellion and Default within each of us through Living Feelings First and with Divine Love, embrace our Soul Healing.

A Universal Contract enabled high level rebellious spirits, through mind Mansion World subordinate spirits, influenced spiritual writings and practices throughout Earth's humanity in a manner that took people deeper into living through their minds and away from God. Christianity was founded by a high Jewish Rabbi, Paul, not by Jesus. Then Paul's platforms were further contaminated. Until now, we were not even aware we have been subjected to a Rebellion these past 200,000 years, and Default of 38,000 years! Now we are to heal ourselves of them.

Bestowals from Paradise:

Avonals - Magisterial Daughter and Son

Machiventa Melchizedek, to this day, continues to oversee the plan that was evolved more than 4,000 years ago to progressively open cracks in the Universal Contract governing the Rebellion and Default instigated by Lucifer 200,000 years ago. With 'federal' authority, the Creator Daughter and Son brought about the Lucifers and Satans spirit world imprisonment 2,000 years ago, and set the Avonal bestowals in place.

The commencement of the Padgett Messages on 31 May 1914 triggered the bestowal of the Avonal Pair for Earth's humanity. The Avonals' 'state' authority brought about the Caligastias and Daligastias spirit world imprisonment in the early 1990s. The Avonals' healing of what they have taken on of the Rebellion and Default ends the Rebellion and Default. Now we can all follow and progress on the pathway to Paradise.

Crossover

This time, in the history of humanity, is the most exciting time ever experienced.

the Handover

This is the time that mankind is now able to evolve in its spiritual development. Humanity has endured 200,000 years of Rebellion compounded by the Default of some 38,000 years, now we have been provided with the guidance to put aside the negativities of the Rebellion and Default.

With the guidance that was provided through James Padgett (1914 through to 1923), again mankind can become aware of the availability of Divine Love from our Heavenly Parents. This also heralded the handover. That is, the commencement of the end times of the involvement by Mary and Jesus in the spiritual affairs of humanity on Earth.

Soul groups that have been in place during Mary and Jesus' 2,000 year involvement with Earth have progressively handed over to soul groups that have been forming since 1914 (Padgett Messages). The older soul groups have mostly moved further towards Paradise.

The second revelation, which followed from the availability of Divine Love, is the processes of Feeling Healing and Soul Healing. The understanding of the Feeling Healing process is the most important of the revelations and should have been the first to be revealed. Feeling Healing and Soul Healing are being revealed through and by Marion and James Moncrief.

The soulmate / soul partner bestowal pair, being the first to complete their Soul Healing, and upon their deaths, will release their Spirits of Truth which will unify with the Spirits of Truths of Mary and Jesus so that humanity, in whole, will have access to this knowledge and guidance for the next 1,000 years.

Mary and Jesus, being responsible for the spiritual wellbeing and upliftment of the whole of Nebadon, are to withdraw from their direct involvement with Earth's humanity and handing over the responsibilities to an Avonal bestowal pair, who take individual responsibility for the spiritual wellbeing and upliftment of individual planet humanities and their associated Mansion Worlds, in this case, Earth exclusively.

For the next 1,000 years, via the Avonal Pair and the newly forming Soul Groups, Earth will be able to evolve through embracing Feeling Healing, and with Divine Love, one's Soul Healing. These newly formed Soul Groups are effectively 'Council of Elders' to assist humans living in the physical on Earth and Mansion Worlds to enable all to be aware of the way to evolve.

With the absolute end of the Rebellion, this is the first time in 200,000 years that mankind, humanity, can take control of his and her destiny and evolve in Love and Truth for all eternity!

Throughout this coming era, our spiritual leaders will be an Avonal Pair, yet to be identified.

AVONAL PAIR to be RESPONSIBLE for SPIRITUAL WELLBEING of HUMANITY:

Heavenly Parents

The Paradise Pairs, children of God, are all only concerned with the spiritual wellbeing and upliftment of the planets and local universe. Creator Son and Daughter, Mary and Jesus, are focused upon the spiritual wellbeing and upliftment of the whole of Nebadon which involves Earth, one of 3.8 million planets.

AVONAL PAIR

The Spirits of Truth of the Avonal Pair are to join with the Spirits of Truth of Mary and Jesus.

Soulmates

COUNCIL OF ELDERS

The Council of Elders, 12 Celestial soulmate pairs, being a Soul Group, guide to Founder of the Global Humanitarian Fund that is to disseminate Feeling Healing and Soul Healing guidance.

Soulmate PAIR while living in the physical of Earth, are to complete their Feeling Healing whilst embracing Divine Love, thus completing their Soul Healing. Being the first humans to do so, they will subsequently, upon their physical deaths, release their Spirits of Truth so that the whole of humanity, for the next 1,000 years, can embrace and progress in their soul development through Feeling Healing.

GLOBAL HUMANITARIAN FUND

Through the Global Humanitarian Fund, humanity is to be introduced to the processes of Feeling Healing and Soul Healing. Further, they will also become aware that our Spiritual Teachers of Truth for the next 1,000 years will be the Avonal Pair who will be handed this task from Jesus and Mary, and much, much more.

GREAT U-TURN, THE CHANGE and the AVONAL AGE:

Monday, 24 December 2018

Nanna Beth – 3rd Celestial Heaven: The ‘Great U-Turn’ is what is happening now, it being the overall description denoting humanity turning away from following and advancing the Rebellion and its evilness as seen by living increasingly in a truth-denying state, to wanting to live true, to love truth, and to be truth-accepting. All of which comes about ultimately by doing your Healing, as you become the living truth as it’s revealed to you and also by people, like yourself John, who are currently more intent on understanding about it on an intellectual level. Both are needed, everyone who wants to embark upon their own personal U-Turn and the collective one of humanity, needs to understand a certain amount of what it’s all about with their mind as they work to bring the truths to light within themselves through their Healing. So anything to do with ‘reversing’ the Rebellion and Default is all part of the U-Turn. And it starts in a very small way within the individual, as it has already with the whole of humanity, being reflected by yourself and the others of your small band, who are wanting to live it and have accepted and believe it’s happening.

The Change, as such, is the same thing really. However technically, The Change begins with the dawning of the new Spiritual Age – the Avonal Age. The Change as I was referring to it yesterday was to highlight that once the Avonal Age begins in earnest, EVERYTHING will change. So currently, even though the Change and U-Turn have ‘begun’, it’s early days, just the ‘scouts’ going out in all directions in preparation for the ‘main event’. So technically we can’t say The Change has begun, whereas in time when Mary and Jesus’ age ends and the Avonal Age begins, then we can say it has begun. Whereas we can say the U-Turn has begun, it being a more vague term and not a technical definition.

THE CHANGE

Also, James has written about The Change in his Sage novels in reference to all I have said above and also the Earth Changes, including the Pole Shift. However the Pole Shift, were it to come during the Avonal Age, would then be part of The Change, The Change being the whole 1,000 years. It’s going to take the whole 1,000 years to implement on the parent to child level the necessary Changes so as to ensure that the effects of the Rebellion will truly come to an end, with that “end” still going beyond the Avonal Age to complete. So the Pole Shift is just a physical phenomena, and certainly of itself it will cause great change, but it doesn’t of itself affect any spiritual change against the Rebellion and Default, and in the past it has helped humanity go deeper into its wrongness.

So the real Change I’m talking about is spiritual and involves the ending of humanity’s truth denial. That’s the most important part, to help people see they are living against the Truth, of themselves and of God, and that all they are

doing is part of that, and that if they want to end that, they will have to do their Healing. So the Change will be with the awakening to that, a consciousness shift, a vast change to the mind of mankind as it considers the state it’s in: that ALL it is doing, ALL it’s believed was right, ALL of it’s religious and spiritual beliefs, outlooks, attitudes, are all only keeping it in its truth-denying state.

Imagine the whole of humanity understanding and focused in the direction of knowing everyone is suffering because of being under the Rebellion and that it doesn’t have to be that way. So people increasingly living in the wrong direction and going further against themselves, once The Change fully starts, won’t be able to evolve further into a deeper or greater rebellious state. However stagnation

within where it's stalled will be a big issue for a lot of people and mind spirits, those people and spirits who don't want to accept that's how they are is all wrong.

So you can say the Great U-Turn has started, the writing is on the wall for the Rebellion and Default. And when the Avonals come of age, when they finish their Healing and openly (publicly) declare who they are to the world (even if that world is only a very small group of humanity), then The Change will have begun.

REBELLION & **DEFAULT**

And once The Change officially begins, there is no turning back. After the Avonal Age, humanity will be given the chance to resume its evil ways and turn its back on The Change and all the Avonal Age has done, and certain people and mind spirits will want to do that. However they won't be able to change the momentum being lived by those who are intent on living true to themselves and God through their feelings. (The availability of Divine Love may be withdrawn for the following spiritual age.) Still in all fairness humanity has to be given the opportunity to decide whether or not it wants to fully heal itself, and without having imposed on it such strong influences as caused by the Avonal presence. But that's all a long time off.

So the Avonal Age is a specific Spiritual Age (which you read about in TUB – The Urantia Book), giving rise to The Change in which humanity ends its truth-denial and living unlovingly against itself and its Mother and Father, all of which is the Great U-Turn.

MONITORING and MANAGING the HANDOVER to the AVONAL PAIR:

To PARADISE, the HOME of OUR HEAVENLY PARENTS

The Central Soulgroup of the Council of Elders has established a 'Battle Room' on each of the Celestial Heaven spirit worlds and each of the Divine Love spirit worlds. From 'hot-wired' connections on Earth, including the 'Engine Room' on Earth, events are recorded and broadcast live throughout these worlds. This enables spirits of all 6 spirit worlds to interact and engage in the changes that are now being implemented at an ever increasing rate.

Maybe something like 30 billion people have recognised that our Mother and Father's Divine Love, together with embracing one's Feeling Healing, that with these two aspects, have progressed through the Mansion Worlds to the Celestial Heavens and onwards.

Mansion World 7: is then about still working with the deepest and residual bad feelings, whilst looking to sort out how you wrongly relate to yourself and others, nature and God because of being unloving, understanding how your relationships are unloving, how you don't connect properly, how unloving you really are and why and fully accepting the truth of it, coming completely to grips with your parents not loving you as you needed to be loved – sorting it all out, including your self and feeling expression difficulties.

Mansion World 5: is then about going right into the depths of them, feeling how unloved you feel and seeing how unloving you are and how that makes you feel, bringing out the majority of your pain, your misery, fear, anger, guilt, hatred, boredom, terror, rejection, nothingness, feeling powerless, alone and abandoned, and so on.

Mansion World 3: is for waking up to the truth that you're not loving and starting to get in touch with your pain, starting to accept your bad feelings, starting to work with them instead of rejecting them.

More than 200 billion personalities have embraced their mind and self reliance through the misguidance of 'New Age' styled ideologies and the many thousands of different religious platforms, all of which take the person further and further away from our Heavenly Parents.

For a million years, humanity has gone in the wrong direction with its self-denial of self and feeling!

ANGELIC ASSISTED HEALING
Beth speaking through James Moncrief

Friday, 31 March 2017

James: Hi John, and you'll like this one. Ok, this is how it went...

I spoke with you on the phone and you talked about your – our – the healing centres being places where possibly the angels might work more closely with people should those people embrace at least the notion of doing their Feeling Healing.

And that sounded fair enough – hey, why not. However, as it hadn't occurred to me, so I said I'd think about it, which meant, I'd see if I could accept that as a reasonable possibility, or if, na, I couldn't see it happening, not fitting in with how I see things – which is really feel things, as I don't see that much at all.

So then I'm on my walk and it occurs to me that I should think about what you said, as I had forgotten about giving it some thought, getting carried away with other thoughts. So okay then, I start thinking about it as I do about such things, and then at some point I ask them up there, just generally open it up for discussion, airing my thoughts on it and asking what do they think, basically with the idea of receiving a yes or no, as in, do I accept it for now, putting it in the wait and see basket and for further consideration, or can I do it.

Then, no sooner, and this bit you'll laugh at and have to take more deep breathes as your fried mind has yet more to digest, I hear loud and clear in my mind, which even gave me a bit of a start as it was so definite: **"It's been granted!"**

To which I replied: What's been granted?

That which John wants, concerning what you're thinking about – the angels and their possibly healing and helping people as he was suggesting.

And I asked: Why has it been granted?

Because it is in keeping with the parameters which define what you and Marion are doing.

Which made sense, and so I accepted it, and so now I have yet more of the surreal feeling I've been having of late about it all. And I've decided surreal is a better word to describe my state rather than mad. SO HOW'S THAT – EH!

And on questioning further (I don't know who it actually was I was talking to), they said that any reasonable suggestion made by someone like John, by someone who gets it and understands the importance of it, will be considered should it be within the necessary parameters. And that in fact it's for the likes of John to define what will transpire to some extent within these parameters, it all being part of humanity's contribution to healing itself. Of which I am to merely assist in best I can. So there's the Celestials doing their part, working it all out, just as it seems there will be the Earth part, people like yourself John working your part out.

So that now opens up another window of potential, and discovery, giving us yet more food for thought. It's like I'm still writing a novel, Sage ended, but now it's just called something else and moving on.

So I'm beginning in some ways to feel like I'm floating, it's becoming so much more than I had any idea about, it's as if I'm cutting the ties to my old life and being carried away. What with all this with

you and Crystal, and with the spirits, then with the money, then with all my yuk coming down lately to the same thing, my inability to express any feelings, and with Marion's and my relationship sort of moving into the surreal as well, for on the one hand we seem to have less and less in common, it's bizarre, she wants less and less to do with the world, and so with me because I am moving more and more into the world with my involvement with you and my books and so on. And yet we are also coming closer together, accepting our differences more, and saying, oh well, so you're going that way and I'm going that, so let's just see what happens, and we keep going, feeling like on the one hand we're moving further apart, yet on the other we're connecting more and feeling better about being with each other. So if that aren't surreal or mad, or whatever the right word might be, I don't know what is.

And so now as I feel like writing a bit more tonight I will fulfil your prediction and ask Beth if she'd like to comment. And also today, I felt, what with Beth and Helen, and Joaline – she's the main mortal spirit I've worked with a lot in my truth writings, I'm open to others coming to, unlike the other day when I felt it was enough with Beth and Helen.

Anyway, Beth, are you there, John says he wants me to speak with you some more, he keeps coming up with these hair-brained ideas (owing to you lot having fried his mind making it more open to you) because he's reading things into "Sage" that I had no idea were there, so what do you reckon about it, about his idea being '**Granted**'.

Nanna Beth, 3rd Celestial Heaven: Yes James, it was all perfect, your relationship with John is moving along nicely. It's all as it's meant to be, and I know we keep telling you this, but it's for your mind, because it's still resisting, which of course it must, until you've finished your Healing.

And yes, we understand how you feel like you're beginning to float along, as is my grandson, he is floating amongst the clouds most of the time, however it's all part of helping you both to let go and be open to what may come, because as you both know, you've now set sail and you have no idea where you will dock along the way and where your ultimate destination will be.

You are partners should you keep feeling like you want to keep going as you are, and that much you are both accepting and it makes us all feel good over here.

James: And Marion seems to be going as fast in the opposite direction as we are going in our directions, when I thought we were meant to come closer together.

Beth: You are coming closer together on a soul level James, it's only the mind level in which you are moving apart, which also has to happen because of the Healing you both need to do. But when that's done you'll unite on that level too.

James: And what you said about Alex –

Beth, John's grandmother: Yes, there's no need for John to know more about him or anyone else in our soulgroup, he'll meet us all when he comes over. It's just the link between he and I that is special and very important and vital, and now that we've formally linked up, or met again, yet this time as adults, then I can impress myself more heavily and forcefully should I need to, on him, which I enjoy doing immensely.

'John on cloud nine.'

I thoroughly enjoy being close to you John, and so close like there is no separation, which is something I want you to relish, and to indulge in, like we're the best of friends who love each other deeply. We are not however lovers or soulmates, we are just very good friends, and we're doing this work together, and you're my counterpart on Earth, if you like.

And I want you to feel good and comfortable in our bond because you're going to need it as a safe place and security in future. Nothing bad I am talking about, but just a place within yourself which is yours and private and like we're firm long established business partners who know each others business well and are working for the same end, sharing the same vision. That you have a very close and dear friend in me. And of course you relate to me as Nanna Beth, and it's the little boy love of his nanna that connects us on the deepest level, but you can also feel the adult to adult connection, like we're in this together as grown ups, and we'll do what we will together, and so all your thoughts are vital and valuable to me, as are mine to you.

And it's not that my relationship with you is to take you away from Carolyn or your children (three daughters) or anyone else, it's just that it's like you now have a new friend and someone you feel closer to than your other friends in all of this. And as you can take it John, that being, when your mind is in a good state, I will impress myself upon you more along these times, taking you deeper into our relationship. So you will feel more love from me and as you feel more love for me, which is all good and nothing to worry about. It's just a closeness, a working partnership, between me in spirit and you on Earth, and although one that's very different to someone with you in flesh, still it's just another relationship.

And of course you can confide all your worries, fears and anything in me, express them all to me, talk them over with me, as you do with the Mother and Father. Express your good and bad feelings to me as you feel to, and I will work with you in them, helping you to see what truth you might need to see and giving you the snippets of information that I want you to understand.

We are, as you understand, currently finishing off your preparation. You have met James and Marion, you understand the biggest picture, though not the details, however you accept all James has told you with an open mind and a 'we'll see where this goes and it's going to be a hell of a trip' attitude, all of which is good and helping James a lot, and even Marion in her way, too. And to be able to personally help them is something we hold dear to our hearts as you can too, for it's a rare privilege indeed, as it is that they can help us and with it all being so personal.

And so with the completion of "Sage", you will then be 'armed' with all the truth in your mind that you need to have. Of course you will keep adding to it through your relationship with James and ourselves over here, however you'll have enough for us to then move onto the next stage with you, as you'll find you'll start living such truth and coming to understand it more for yourself through your own feelings, and so knowing it is true that which Marion and James are revealing – expressing. So your preparation will in that sense be complete.

And as far as the next stage goes, it will involve SI (Solid Investment) and other things, but you understand I won't say much about that now, for you are to evolve into it, it happening naturally next in the order of things.

And that is all I want to say to you John (and you James) this evening. We are all enjoying our much closer relationship with you, we've been waiting a long time for it to begin to happen like this, so we're all feeling very happy and excited by it.

And John, should you want James to talk with me at anytime, even if you don't have anything specific to ask me, please mention it to him and we can see what he feels like doing. Today was perfect. I wasn't going to impress myself on him, but because you mentioned it to him, then that made him think about doing it, which is good because it's given me the opportunity to speak more to you. So as you both can see, there are lots of ways we can all work together.

I will go now. Thank you James for your time, on behalf of myself and John, and we'll be in touch. And I'll be close with you all day tomorrow John, so every time you feel me, or think of me, just be open and I'll be close with you. Don't try to sense or feel me, just be natural and normal, but know I am with you. Just enjoy the simplicity of knowing that.

Nanna Beth.

James: Thank you Beth, from both myself and on behalf of John, even though he'll of course thank you himself.

Nanna Beth, John's grandmother: It's good that you say all you think and feel James, the more the better, as it's all part of your Healing and will help you get more familiar with your self-expression, all of which will move you closer to the whole truth of yourself, your complete and full revelation, all of which in turn then helps us all do what we can do. I'll speak with you again soon. Goodbye for now.

FOOD SOURCES:

Sunday, 2 April 2017

John: With endeavours to provide reliable continuous food supplies within difficult environments, the supply of fish, chicken and pigs appear to be essential. Fish farming is a way of providing protein all year round almost anywhere.

Are we meant to farm fish and eat same? The same question relates to all other domesticated animals propagated for food.

Nanna Beth – 3rd Celestial Heaven, John’s grandmother: No, you are to love them, so farming them to make money, using them in anyway, is not loving. People are to live harmoniously on Earth with the creatures and plants, the plants being eaten for they give themselves to be consumed, but they are also to be grown well and treated with love and respect, and not factory farmed either. However, this is a long way off, so in the meantime, it will remain a personal choice. And the more people do their Healing the more they will naturally move away from wanting to harm the creatures and disrespect the plants – you feel sorry for them as you feel sorry for yourself. And gradually humanity will ‘increase its vibration’ – it’s truth. But as I said, it’s not something John needs to worry himself about because he’s not the one to solve all the world’s food problems. And you can only do what you can do, so if you don’t want to eat meat, don’t eat it, if you do eat it, all whilst you keep expressing your feelings and longing for their truth.

John: What happens to the spirit bodies of such animals, including fish?

Nanna Beth: They ‘dissolve’ into their ‘light’, becoming part of the ‘bulk light’ from which nature spirits are drawn or created. The essence or spirit of the creature doesn’t remain individualised, it goes into a collective spirit whole, from which nature spirits are made. And the spirits of animals within the lower Mansion Worlds and Earth planes are not the actually animals themselves, they are not your actual beloved pet living as a spirit dog or cat in the afterlife, they are creatures native to the Mansion Worlds that can easily manifest themselves as being your pet in spirit or any animal, based on your memories, all whilst you still need that animal or pet to remain as you need it.

John: Is this a case of slow transition as humanity heals itself then it will progressively step away from consuming fish and meat? What alternatives should we consider and investigate?

Nanna Beth: The alternatives to consider will naturally come up, however it will all be along the lines of being more natural, anything manmade will fail and only cause you problems in the end, until such things are made by loving people who are well advanced in their Healing or high in natural love and understanding with a deep feeling and respect for nature.

QUICKENING of LAW of COMPENSATION: part only Monday, 22 May 2017

So today (22 May 2017) follows on from Beth and Helen (both 3rd Celestial Heaven spirits) telling us that the mind spirits were stopped interfering with us on Earth (22 March 2017). That was first step. Now the Circuits are going to be systematically changed, all seven worlds worth of them, and to the degree that will define the needs and requirements of the next age (the coming Avonal Age of 1,000 year). Which really means, to allow a sorting out and adjusting of humanity, so people will be able to do their Healing. Currently everything is blocking it, just as it has always been since the Rebellion began, but that's to change, and money will be needed, as will other things change, ultimately, changing everything.

Also, so far as I understand, that this, (the Quickening of the Law of Compensation) is what I've been talking about, the seven levels, is all only to do with adults, not adults parenting children. So unfortunately all the shit-rotten parenting can keep going, all the abuse and yuk, as that's all in a separate area and can only be dealt with specifically through the Healing. But as adults hurting and legging over other adults, so the barriers are being lowered and dropping into place. But as to how much it will stop people abusing other people, I don't know, but for now it's right on the deepest levels. It might go deeper, I don't know about that either, I'll see if my soul takes me down further into myself, which I feel it will, and so as I go the doors will open, so I'll understand more of what I'm talking about.

YUK

END of the HELLS CHILDHOOD SUPPRESSION parts only Tuesday, 30 May 2017

James: Hi Beth, I sent what you wrote yesterday to John, and he said that it's the end of the hells, and I thought I'd like to ask you more about that?

Nanna Beth, 3rd Celestial Heaven: It will be the end of them, but it will take a while, however, yes, that's the idea. People are to work out their Compensation as required on Earth, no longer when they come into spirit having to live in the 'hells' that have been put aside for them. So if everyone on Earth were to suffer immediately from their crossing the line and harming another, then there'd be no need for the hells as people would be in 'hell' on Earth settling the Law of Compensation. Although if they don't manage to settle all it asks of them whilst in the physical, then they won't miss out finishing it off in spirit.

James: So it's like the Earth planes and Mansion World 'hell' sectors are coming to Earth?

Beth: Yes, it's the same result, but actually it's that Earth is in fact moving up in vibration coming to them. So how it's been on Earth up until now, with people getting away with the pain they inflict on others, will no longer happen. That's how it's to be for the next age. So for the remainder of yours and Marion's life you'll be causing this up-stepping of vibration which will affect the Earth. And when you both die, it will be fully activated as we've been talking about, all in harmony with your Spirits of Truth.

James: I'll be getting another phone call! He said he reckons all this is to do with **Solid Investments was set in motion well before he was even thought of.**

Nanna Beth: It all started with James Padgett. (The Padgett Messages – 1914 to 1923.) That was the beginning of the end of the Rebellion and Default; and so yes, it's all part of the Master Plan that's steadily working its way through. And so those people and spirits who are directly going to be involved in it, will all find they have been well prepared for the roles they are to play, just as John says, when he says he's felt like he has been on a one way track which he can't get off or deviate from, which is true.

And although it's of course true for all of us, we're all living out the lives our Mother and Father have crafted for us, however in this regard, many of those people involved will have had a sense of purpose for most of their lives, with that purpose slowly being revealed to them.

James: So Sam Colins was part of it too, setting up SI (Solid Investment)?

Nanna Beth: Yes, he played his part in getting the ball rolling. Now others have taken up the baton, and so it will continue, thereby providing the necessary funds required to do what is to happen, which at this point, I still can't reveal to you. And I will add James, that as we were talking about your self-expressing circuits being blocked up and shut off, so you can liken it to the money, it too being shut off, unable to fully express itself by being paid out to everyone. So it's all happening in sync, as you are unblocking the circuits within yourself, so too are they unblocking in this aspect with SI. All because from your point of view, which is the same for all involved, the funds will allow you to express yourself as required when the time is for you to express yourself as such.

James: I see what you're saying Beth; and as you said, it's the same for us all, so the same for John in his way.

Nanna Beth: Yes, which will become apparent to him as it all starts to free up. And it will give you all a sense of freeing up, and not just you, but ourselves as well, because we too will be able to work with you so far as how the funds are going to be used. But like you, we've had our hands tied, so we've not been able to come forward openly with such things. However we know what is to happen and what we want to do, so when we get the green light, we'll easily be able to put it all in motion, of which John has been preparing himself for.

James: So we're not to know the real plan, or how the money is to be used, until it's there to be used?

Nanna Beth: Yes, that's how it will work, because that's all part of the freeing up. It's wrestling it away from the tight control of the controllers on Earth, which will be reflective of the Rebellion losing its control, losing its tight grip on humanity, all of which we're chipping away at in readiness for the main event.

James: So that's why when John has asked how is the money best to be used, it's a bit of a blank wall he comes up against – that empty vacant feeling?

Nanna Beth: Yes, because we can't as yet come forward with anything like that. And it will have to evolve, it's like a baby starting out, it's in the womb currently, will get born, and then will grow up.

James: So he'll be flying by the seat of his pants?

Nanna Beth: So what else is new for him! However it won't actually be like that. It will all unfold smoothly, and the direction will take care of itself, with John easily knowing how to move along with it. It will not be stressful for him at all.

James: And still you reckon it's going to happen... I can't say that 'soon' word or else he'll never speak to me again.

Nanna Beth: It's very near (that was well negotiated Beth!) James, closer than John thinks. It has to happen, however first other things have to happen within yourself, which are now set to take place very shortly, which you can feel within yourself, not so much the actual things, but the quickening. The quickening, like John was talking about, is in you and Marion, as most of your bad feeling expression is

coming to an end, and you James being able to work more closely with your feelings and your main issues in your lack of self-expression.

James: And all part of what I've been working through with you, you telling me about you Celestials being able to block the mind spirits, and then about the Law of Compensation being earthed, that's all part of it, this opening up as you are saying?

Nanna Beth: Yes. It's adding the finishing touches to your revelation, all so you understand, and from within your wrongness, that which is taking place. It's all part of crushing the wrong in yourself, which is in turn what is going to happen to it in the world and in humanity, although that part outwardly will take time. But first it has to happen within you and Marion, so you are killing the Rebellion and Default in yourselves as you allow yourselves to submit to it fully, expressing all it makes you feel, it all being represented by the relationship you have with your parents. So what happens in the personal will happen also in the impersonal, so on the smallest personal level with yourself and Marion and your parents, and then in humanity. It's all intertwined because it's all part of the same mind circuitry, so if you tweak part of it over here, for example, then that part of it over there will respond. And you and Marion are tweaking it constantly everyday as you continue to work your way though it all. And John and Samantha, and everyone else who will come into your orbit, are being drawn in on the vortex, and shortly that too will include the opening of the vaults of Solid Investment.

And although you can't see it as we can, yet you can sense it, for us over here it's fascinating to watch it all unfold. None of us had any idea anything like this was possible. We didn't gain access to The Urantia Book (TUB) for its small introduction to such higher things until we were well on our way in our Healing, so, so much of it was new to us. We had no idea, it's all so staggering, and yet even more incredibly so, here we are involved and even being instrumental in it. We are having the most incredible time, seeing it all slowly come to fruition.

I am going to end it now James, I hope you don't mind. I have other things I need to attend to, one of them being closer to John, so I'll speak to you again soon – Love Nanna Beth.

It is via the spirit etheric body that emotional issues and viruses emerge in the physical body as illness.

It's all about
Experiences
 &
FEELINGS

WE ARE
THE TRUTH
SEEKERS

During the day, James recorded:

part only

Sunday 11 June 2017

James – Me: Hello Nanna Beth, John would like me to run these thoughts by you, is that all right with you?

Nanna Beth, 3rd Celestial Heaven, John's grandmother: Yes James, we've been waiting to speak to you.

... And this brings me to the point of Horst Kohler, in that he is, rightly as you surmise, part of it all, part of the sweeping changes that are coming to the world, and will indeed play his role in them, however it will be only minor compared to the roles to be played by others. He will be part of that what helps to force a crack in the door, so the power players that have controlled humanity unchecked for generations now, can be confronted, and eventually dealt with. He will help, rightly again once he's helped you and Crystal with the payouts, keep the pressure up in certain areas, but it will be others who will take the ball from him doing the most damage to the existing unseen power structures.

But first things first, and that is for you to get your money.

And I don't want to dampen your thoughts and feelings, but I don't want to allow you to get too carried away with them, because there is so much more that you don't understand. And that which is to happen will lead you into other areas that currently you've no idea of, but with hindsight will of course see how, like it all, you were prepared well in advance.

So I would advise you to just keep doing what you feel, and keep most of what you, James and ourselves speak about, under your hat, trying not to speculate or allow your mind to make things up, just to let it unfold. All of which I understand is hard to do, because we are constantly stimulating you to think about this and that, but to understand you too are in the preparation phase so no real or concrete decisions need to be taken for the time being. Let it all float around, sound out those people you like getting feedback from, but know it's all going to feel very airy fairy for a while longer.

What is happening through what we are calling this preparatory stage, which is the Healing of Marion and James, for they need it to keep the pressure on themselves so as to work through all their problems, is to bring humanity to the point of despair, as in, no one knowing what is happening, where it's going, who's in control, it seeming to all be a complete mess. This is right, because none of how it's been over the last fifty years is having any affect anymore. Things are not going as they have gone, and this will continue to muddle those who believe they had it all worked out. Too many differing forces are converging all with the effect of causing disruption to 'business as usual'. And your payouts will be the last desperate stage of trying to hold the financial situation together, which is a lost cause as it is. And it's all going to play out over the next couple of years, all of which will bring Marion and James, which really means, the vibration of the light of the truth they will be living, to the threshold of engagement with humanity, which is what will usher in the next age, the Spiritual Age.

So you can liken humanity as being caught up against a wall, it can't go on, the line has been drawn that it can't cross, and yet all it is geared to do is go on in the wrongness it's been evolving all these years. So it's like a train hitting the dead end, with all that momentum starting to impact upon itself, all of which is going to tear everything to pieces. And the controllers will be all over the place in it, just as will many people and nations, with everyone trying to hang on best they can.

So it will be like a whirlwind of change being unleashed on the world, with no one knowing in what direction the outcomes will take, it's like a mass extinction event, yet all of humanity's own doing, and all mostly being worked out on the higher levels of power. The ordinary people will of course suffer being blown around in the wind, but really no more than they already are and have always been, but the powers that be will not be able to keep things together as their controlling systems fall away. And Horst, unbeknownst to himself, will be opening the door for Crystal to walk right in through.

And as we've told you, Crystal will be able to penetrate right to the heart of the beast, which she will understand when the door has been opened for her. And in she will sweep all guns blazing, and then you'll start to see some fireworks! But that is all still some way off, and the settling of the payouts needs to happen first. And through the payout settlement and all that happens along with it, Crystal will meet the people necessary to help her in through the door and show her what she will need to see. She won't be doing it all alone, she will have very good help, and those people who will want to work with her appreciating all she has to offer; and so you too will have your way into what's going to happen on the world level, that which will allow you to position yourself and your monies.

So do you see what I'm getting at, it's like currently you're getting only the slightest whiff of smoke from the oncoming bushfire which we are fanning from behind the scenes. And like such a fire, it will destroy a lot but not all. So don't try and work out too much, don't over tax your mind, just keep doing what you want to do, and all the rest will take care of itself.

And it will please you to know, that it is all MUCH BIGGER than you have any idea about. Humanity is being put in a vice, the light of love pressing in on its darkness, and it's going to start wriggling trying to free itself, trying to keep up its old ways, but they are doomed to fail.

And yes, we have thoroughly enjoyed being pushed to the maximum of our capacities over here, giving us also a taste of what is to come, for we too have been complacent in our ways of doing things, because things have been all working smoothly up until now, now that real change is happening, as we've told you on the spiritual level.

Me: And later still: Beth, or anyone else, I'm still a bit unclear about how all these 'sweeping changes' are going to bring so much change are not going to take the money away from John and Crystal no sooner than they've got it – can someone please help me understand this?

Helen, 3rd Celestial Heaven: I will answer it for you James. Beth is busy elsewhere. The changes that we are referring to are substantial shifts in power, more than anything else. It's not that all the systems that are in place will suddenly come to an end, although some will, but that those using them, and using them for their own advantage, as they currently are, will change their ways, perish, or be overtaken and forced to give up control and change.

Small powerful groups have always controlled humanity, all organised by their corresponding larger groups in the mind Mansion Worlds, all overseen and controlled by the Daligastias and Caligastias, who are no longer present, as are those controlling mind spirit groups no longer able to influence their people on Earth.

So the sweeping changes, which have started, are those in power feeling increasingly unsure of themselves, and those vying with them for power, making more inroads into their control, yet also themselves feeling increasingly unsure of whether or not they are doing the right thing. Doubt is beginning to creep in, and we are playing on this. And so the pressures of having no spirit backup will start to be increasingly apparent, which is going to cause havoc within the power systems, within the power controlling families and groups and the systems they oversee.

So concerning John and Crystal's money, it will remain in place to be used accordingly, because Crystal will see to it that certain controls will be put in place for it to weather the storms. As I said, not everything will break down, for that would be too destructive and humanity is not ready for that, only for those currently controlling it to break down.

And reading your mind James, you ask, but surely others will step in wanting to take over such control filling in such power vacuums, which is true, however there will be too many of them, all vying for the same power, and none with the needed back up and support from the mind spirits. You have no idea how much influence the mind spirits generated on the world. Humanity is largely in its rotten unloving state because of them. So now to be denied that influence, the tower of cards is set to come crumbling down.

So there will be still be many groups vying for power, but it will be more fair in that it will be more evenly distributed, which will then provide the likes of what John and Crystal will do, to gain traction, to have a place, and not be threatened by those of the 'old school' who ran the whole show. Nothing alternative has been allowed to exist under their control, everything has been orchestrated by them, with powerful business people and politicians either fitting in with their plans or being disposed of or forced to take early retirement.

So these power conglomerates need to be brought to their knees so others can come up in their place. And some of the others will be just as bad, but nothing like how it has been, because there will be many more who'll be good and able to counter them. Which effectively will mean, the people will actually be able to have more of a say in the way of things. The 'sheeple' (as you're read others referring to the masses) will be allowed, encouraged, and even forced to awaken, and they will see that their voice can be effective and even listened to. And these will be all the sweeping positive changes within the negative.

So many of the existing structures will remain, because they are required and do serve a good purpose, when used the right way, and those abusing such systems will be purged.

And our dear beloved Crystal is going to be part of that purging process, which she will relish, able to unleash her true feelings about it all.

Anyway, I can't over step the mark, not just yet, and so hope what I have said goes a little way to answering your question James.

James: Me: Thank you Helen, yes, I feel better about it now.

Helen: There is nothing for any of you to worry about, it's all going down as required by our Mother and Father, all to help change the consciousness of humanity, which will set it on its new course into becoming true, onto the long and hard road home.

And John, add those words "Change the Consciousness of Humanity" to your growing list of what's to come, and ponder it during your quite reflective moments; for that's about what it adds up to that you are wanting to do – is it not dear man?

I too will speak to soon. Bye for now – Helen.

NEW FEELINGS WAY

Nanna Beth and James

1 August 2017

James: Nanna Beth, I'd like to ask you again as to why has it been such a tedious and protracted affair?

Nanna Beth, 3rd Celestial Heaven, John's grandmother: For the amount of funding to be made available in such a short time and for such a period of time, it was necessary to go this long way round. No one else would donate that amount of funds required, as they'd not understand what they were donating to, so there was no other way of getting the funds – short of manifesting them out of thin air. And their delay has all been instrumental in preparing Crystal and John for what they have done, and you too James in your smaller way. And it's a way to slip in under the radar of those in control, for you see the Truth you are revealing is in a way forbidden on the world at this time, and will remain so up until Mary and Jesus' age has ended. However there are certain loopholes you might say which we can exploit in the lead up to this end, such as what you are doing, being able to write about and reveal the truths, and what Crystal, Joe, John and Samantha are able to do. It's all working within the fixed parameters of the Rebellion and Default, however you'd have to be one of the advanced angels or Melchizedeks to understand it.

If you look at the Rebellion and Default as Contracts of Law, then they are well thought out and presented to cover what the creators of the documents considered to be all existing contingencies, thereby ensuring humanity will be forever bound to them, so remaining forevermore in Rebellion through Default. However they were not as smart as they thought they were, for there were cracks in their contract that they were not aware of, together with the coming of Mary and Jesus bringing about more cracks and having the need for patch-over sub-contracts to be made through the last two thousand years, which in turn caused more cracks, so their case is not as air-tight as they believed it was. And now they are gone and so more patch-overs have been required, yet with no one left to enact them, and so we're moving to exploit all the violations of their false law that we can. So although it all sounds rather technical (and I assure you it is), Universal Law is far more technical than any Earth laws, and all must obeyed to the letter. So the Rebellion and Default are no small thing, and the fact that Mary and Jesus even allowed it to occur knowing the ramifications it was going to have on everyone, including themselves, meant that it was all still followed to the letter of the law as worked out between the negotiators of the Rebellion and Default and those directors of Nebadon. And so that's why The Urantia Book and Padgett Messages are so odd in how they were 'earthed' and the limits of the information revealed by them. And then into all of this comes the New Revelation that is how to end the Rebellion and Default, both on a personal and collective level, and so here we all are, with that information now at our finger tips and waiting to see just how it's going to be presented to humanity.

James: But why not just have the Avonals start revealing in a small way, say to a small group, like how it was for Mary and Jesus, and then let things develop from there. Why the need to stress John out, one man and without any real back up or support, who potentially could have this massive amount of money dumped in his lap, and then armed with a few books containing some of the New Truth, is meant to go out and save the world – that is surely too much of a burden and a massive ask to put on anyone's shoulders? Mary and Jesus didn't even do that.

Nanna Beth: We understand only too well your concerns James, however for the time being, this is how it stands. And again there are reasons for this. Firstly it's all part of those cracks, we are only allowed to have one man who is focused on the mental side of understanding the New Truth, and one woman who has embraced it and is using it to heal herself of the Rebellion and Default. And that is all, at least in the preparatory stage, because it doesn't go against the Law of the Rebellion and Default at this stage, and for reasons which I won't go into now, as they'd take too long to explain. But basically the Default was between one man and one woman, Eve and Adam defaulting, and so because of that we can put one mortal man and woman who have embraced the: higher than the Rebellion and Default New Truths, up

against the Default, and so the Rebellion, as the Default is a consequence of the Rebellion. And so John and Samantha are those two people. However that doesn't mean that they single handedly have to shoulder the whole burden of moving forward with this understanding of the New Truth, and they won't. So to answer your next concern John, you are not to look at it all being on your shoulders. Nothing like that is being asked of you, nor will it, even though now that's what it seems like being on the eve of it becoming real, as you will see. It will all pan out well for you and without causing you any stress – well, not too much stress, anyway.

Firstly, consider discovering the truth of your emotional pain and injuries through Feeling Healing. Secondly, consider longing for our Heavenly Parents' Love as you progress with your healing. Primary and most important readings are the writings of James Moncrief. Then consider the Padgett Messages, and then The Urantia Book.

Golden Rule: that one must always honour another's will as one honours one's own.

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God's soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of your Mother and Father.

This time, in the history of humanity, is the most exciting time ever experienced.

To liberate one's real self, one's will, being one's soul, is by embracing Feeling Healing so to clear emotional injuries and errors. With the Divine Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

JOHN on SUBJECTS

Monday, 22 July 2019

Hello Nanna Beth, Kathaleen and Kevin

The way I see the Solid Investment pots of gold is if the fund accumulation is allocated to account holders, that is sacrosanct being their property.

If the database has been maintained all along over these years since the collapse of the website in early July 2006 then it is a matter of distributing to them what ever has been credited to their accounts subject to the availability of funds for distribution.

Should the database not have been maintained over these years then it is a rational approach to what funds become available and income distributions in line with some of the discussions we have had with the 500 or so account holders or account owners.

Many options are to be considered here.

Nanna Beth, 3rd Celestial Heaven: Hello John, I will answer your questions today. Kathaleen and Kevin are busy with other work, and as I would have to relay other information and understanding through them anyway, as they are not as well versed in it all as I am, so I will speak directly to you.

To generalise, you can speculate forever John (which is right for you to do if it's what you want to do) as to how the funds might be structured, however it will always be different to what you expect. So having said that, there will be some structure and some parts not structured, however I can't tell you which is which as I don't know. There have been different 'bodies' dipping into them over the years interfering with the structure. We anticipate that Simon will give Crystal complete access as to what he can provide, however there will be still be other compartments that will need to be worked on to gain further access. Simon is playing a game along the lines that he is still instrumental and has some power and say in it all, whilst fearing he has been sidelined and is merely being strung along as a token gesture, or worse, because no one is actually interested in him, he being irrelevant. However he still holds some keys which will be useful to Crystal, at least more than enough to get her going and into where she will be able to see what else needs to be done.

The Germans are very scared about it all, if it all blows up, it will be the end of Germany, as they are used to it being. It will be the 'end of the world' in a sense, bringing down their whole economic structure, along with the rest of the world as it will be just one part of their corruption, of which there is a lot. The whole EU (European Union) is holding together through corruption, it became too big too fast with too many different people involved in the different areas with no real expert coordination. So it exists by them quickly papering over any holes and problems, which so far they've been able to keep hidden, but a reckoning time is soon to come upon them and the greed of the rest of the world.

John: Then we have the position of account owners that just cannot be found after prudent and thorough endeavours to find them or their heirs. In compliance to normal and acceptable process around the world then unclaimed funds would transfer over to the global humanitarian fund.

Nanna Beth: Other forces, factors and people will become involved in the fund distribution once Crystal knows what's she's dealing with. And it will all work out for the best in accordance with what can be done. The unit holders will simply have to be happy with and accept how it's done. If you open it out to everyone they will all want different things and disputes will happen, all the usual, so it will simply be by order of the 'trustees' as to what can be done within the structure that's available for them to do it in.

And as you know John, it will be arbitrary as to how the funds might be allocated to the unit holders, with lots of different ways of doing it, so it will be what you, Crystal and a few others involved will determine on behalf of everyone else.

John: Now, what I anticipate is that a significant amount of the fund pool is not allocated to account holders because the 'left overs' may be the domain of Baron Milverton II. This is the global humanitarian fund.

Example: Let us say that the collective income deriving power of the total fund pool was 5% per day. However, account holders were allocated different return levels for varying investment amounts. Let us say that the grouped up amounts invested added up to all the same amount:

TOTAL FUND 170 Banking Days:		Each Group	
5.0%	All funds pooled	US\$400,000	<u>\$1,600,445,292</u>
4.0%	US\$100,000+	US\$100,000	\$78,644,378
3.0%	US\$5,001 – 20,000	US\$100,000	\$15,216,971
2.3%	US\$1,001 – 5,000	US\$100,000	\$4,773,729
1.8%	US\$10 – 1,000	US\$100,000	\$2,075,498

Thus the group of account holders collectively may have put in US\$400,000 and be entitled to \$100,710,576 while their fund pool as a single unit could have generated \$1,600,445,292. This brings to attention the gross distortions of this still very generous outcome. This is highlighting the absurdity of this event. Now that it has run on for 13 years this is going to be a mind bender.

(Note: To be able to trade a 10 year bond, or similar, cash has to be available equivalent to the face value of the bond. Cash funds can be leveraged 30 fold – though rarely to this level!. Thus \$300 cash can become \$9,000. The earn from a trade for the cash supplier can be 1% of the face value of the bond, say \$90, being equivalent to 30% of the core cash fund. That being a possible or potential ultimate yield! A trade takes one minute to execute. The core cash is never drawn upon as the trade also involves the instant on sale of the newly created bond – at a premium!)

So the general proposal is that all account holders from the end of the Julius Simulator calculator period being the middle of 2007 be at the same rate. Everyone earning the same rate no matter what took place after the Settlement Agreement of 2007.

However, if the unallocated balance is absurdly different then the whole structure needs reconsideration.

The question is: Is there an unallocated amount of funds at the commencement of the period from the relevant date of the 2007 Settlement Agreement?

Nanna Beth: It waits to be seen what you find. It's good for you to work these scenarios in your mind as they will better help you deal with the final result, however don't place too much importance on them, don't expect it to go one way or the other.

John: Had Milverton pulled his entitlement out?

Nanna Beth: No. However it's been entwined in all aspects of the overall fund, so it will be difficult to define just what was or would be his. And it won't matter, it can all go into the global – "I don't know where else to put it" – fund.

John: Is there an unallocated amount which would have been Milverton's war chest of funds?

Further, there appears to be an initial start-up investment into Solid Investment of US\$10 million, does that have any relationship to Milverton's involvement in the creation of the program?

Nanna Beth: The initial funding was organised by the hidden controllers so as to establish the required size of fund needed by law. Then it was hidden behind getting the public involved, all so they could capitalise on the extra funds and also to comply with regulations. It's considered a 'nest egg' for these hidden controllers, however as things are becoming progressively more difficult for them to hold everything together, so they will be inclined to realise it.

Note from a website posting in 2006:

<http://com1.runboard.com/bsolidinvestmentforum.f1>

In addition, Roger Sholanki, a Director of the board, of The Sea Green Capital Corp., a mining company in Canada, **put a million dollars of the original nine million into Solid Investment.**

John: Will it become a simple, but unexplainable process of divide a pot of gold by two, payout half to account holders in the ratio relating to their 2007 Settlement Agreement balance? Those that cannot be found have their funds transferred to the global humanitarian fund and we get on with the worldwide operation of Pascas.

How was Milverton financially benefiting from the Solid Investment program?

How was Milverton involved in Solid Investment?

Nanna Beth: That all waits to be seen. You'll never find out really how Milverton was involved, and actually it wasn't in as big a way financially as you might think. He was involved more on the psychological level, the fun and thrill of it, the complexity to work numbers on many of the hidden controllers who thought he was silly doing some of what he did. He loved playing games with them, twisting it all into exaggerated contortions just to confuse.

WE are to do it OURSELVES:

Saturday, 14 December 2019

Nanna Beth, 3rd Celestial Heaven: Hello John, it's all coming to an end as in how it has been with us to you. I am no longer going to comment on the day to day proceedings, that is for you to work out for yourselves. So in answer to your questions concerning the lawyers and so on, about the funding, about how you might 'get the job done', we've said enough, it's all there, and it will unfold as required, just as it has been all the way along with those people concerned with it.

It's important at this time for Marion and James to be left alone by us as they are to look to themselves now, it all going to come directly through them, with us slotting in by their sides and in support. Up until now we've been at liberty to organise and prepare things, you included John, but now as we've got everything in place and in readiness, so we are all just adding the finishing touches for the 'main event'.

It is very important that you on Earth 'do it all yourselves', we're to be your 'silent partners', we'll be working behind the scenes and mostly you won't know or be aware of what we are doing, however you are not to rely on us, not even look directly to us for guidance, only to yourselves. Humanity on Earth has to get itself out of the Rebellion and Default by itself, and you've got all you need now to do that.

There will come other people who can see and readily talk with us Celestials, and we will enjoy having a working relationship with them, but for now, it's crucial that we don't directly interfere with you. Marion and James have given you more than enough to ensure the Revelation goes according to plan, with all the required information 'on the table' so to speak. They will for the remainder of their lives be more forthcoming with more information and deeper understand about all the aspects of their Revelation, but first the need to complete their Healing, that it is the main agenda in all of this, because if they don't, then nothing will happen, you may as well throw it all in the bin and wait for another Avonal Pair to be sent out from Paradise.

And as they are powerless to make their Healing go any faster, so we wait for our Heavenly Mother and Father to move and inspire us to get the job done.

I want to stress how much of a crucial time this is now. You could say humanity's future hangs in the balance on higher spiritual levels. And because of that we Celestials are moving back into the background. All the inspiration and guidance you seek will come to you all, to all who are to be involved when required, you can be sure of that. And I know it's hard John when you feel like you're in the blender and all at sea, however everything has been planned to a tee, so you have nothing to worry about. You will have the usual problems with some people and projects, however nothing that you won't be able to solve, and it will all unfold without causing you any real stress John – I want to stress that!

So I can't tell you anything about the future other than sit tight attending to what you must, and within a relatively short time you'll start to see the direction more clearly that you are supposed to take. So just be open and not fixed about any of it; until Marion and James finish their Healing, it's still 'anyone's

game', and once they have, then everything will start to change and slot into place. There is a massive wheel slowly turning, people will come to you from all over the place to help you as required. **Many people at this time want something new, and something Really New, not just new yet which is more of the same old stuff. Many people can see that things don't work, that over and over again over the years people try to solve the world's problems and yet it might be a patch up job for a moment but then the same problems reassert themselves. So when you start 'reaching out' then people will begin to realise that this is Very Different and within it there might be some chance of real change.**

Once James has completed his Healing he will receive a full set of personal revelation that will help him steer the course the Mother and Father want humanity to move along. So he'll be able to help you work out what to consider and what to let go. There is still a little time yet before things get rolling, still a little more truth for Marion and James to bring to light, then you'll all be under way.

So really there is nothing further I can add at this stage. It's as if we've got a gag order placed on us, because as I said, you are to work it all out for yourselves.

And when it does really get going, when the angels come into play, well then you'll be able to sit back and marvel John, as will we all.

All my love to you and your family. Attend to the girls as they seek your advice and counsel, just listen without trying to solve.

I will still remain in touch and when we're 'over the line' then I'll be able to be more forthcoming once again. So until then – love Nanna Beth.

(I thought about asking Nanna Beth other things, yet it's the same for me, nothing readily coming forward. So it's plodding on day by day, longing for the truth and longing for my Healing to end.)

JOB DESCRIPTION for NANNA BETH

Tuesday, 2 June 2020

James: Hello Nanna Beth?

Nanna Beth: Go ahead James.

James: I've been watching more YouTubes about aliens with the last one saying they seem to be in another dimension, unseen by us, which sounds suspiciously like spirits who might be pretending to be aliens.

And then with these secret space ships built in secret massive hangers and workshops inside mountains in America, and with lots of people in other places in the Solar System, living on other planets and in these big ships, all of which were built by reverse-engineered advanced technology from prior civilisations on Earth and elsewhere in the universe.

Nanna Beth, 3rd Celestial Heaven, John's grandmother: During prior Pole Shift ages, three in particular, humanity had access to higher technology of varying degrees. These three successive ages used antigravity and had access to abundant universal 'Light Energy', and like you were listening to, had the ability to use their minds to affect certain technology, and other technology that enabled those great rocks to be cut and placed in the structures that remain today. The last of the three Ages, that included the Atlantis times, understood that the Pole Shifts happen, devastating much of the planet and so sought to 'weather' it off-world, and to build the massive rock structures that were in theory to protect the important people, kings and queens, and enough slaves and servants and menial workers to keep them all well fed in the Aftertimes.

And then you had the priests who were basically people with good psychic skills that could 'earth' the science needed to make the machines to build the structures, the flying machines, and they also had the equivalent large sailing machines, like submarines, which are on the bottom of the oceans and hidden away in underground bases. So the later part of last century, and still ongoing, the leading world nations, mainly the Americans with the British, some of the Europeans, Russians and with the Chinese trying to play catch-up, have been scouring the world trying to gather up as much of the past technology they believe would be helpful to them. And though some of it they have gained an understanding and applied it to the world as you know it, but most of the technology eludes them because the energy systems needing to power it are not available to humanity today – this Pole Shift Age. You've had to use more rudimentary technology starting basically from sticks and stones, building it up until now because of how severe the last Reversal was which all but obliterated all sign of past civilisations other than the more obvious pyramids you still have today.

Antarctica is a storehouse of such ancient technology as it was just covered with miles of snow and ice, so it's all buried there, with the other main continents and places of past advanced civilisation now on the bottom of the oceans.

Other places, like in China and parts of Siberia, and hidden overgrown by the jungles of the Amazon and other places, have such 'buried treasures', but really not that much remains. And there are also some of the places on the other planets in which people from these past times lived that can still be seen and accessed to a certain degree, however your governments cover it all up because they don't want to spook the whole world about another Reversal, because everyone would be demanding to be saved and that would be too much for them to deal with.

So these videos you have been watching, James, are people misconstruing the involvement with the mind spirits, who come to them looking like Aliens in their dreams and psychic experiences, with a lot

of such people thinking these aliens are real and alive with them in the physical dimension, when they are not alive or present in the physical sense.

I will tell you again, there are no hidden or secret aliens on Earth, neither are there any coming or going – visiting Earth, nor have there ever been. It's home-grown. With the only mysterious otherworldly events being the materialising of the higher Sons and Daughters as revealed in The Urantia Book (TUB 1925-1935). It's just you lot on Earth and all the weird stuff some of the governments are doing underground, coupled with any mind spirit interference.

A lot of people have very disturbed minds James (James: You don't say Nanna Beth, such as my own for example!!), and who are more than willing to believe they are talking to an alien, even seeing a distorted humanoid being standing in front of them, when it's only an apparition, one of the mind spirits presenting themselves that way.

In the past there has also been Midwayer and Angel 'materialisations' who have presented themselves as certain beings and other higher types of people, all which helped keep the Rebellion ticking along. But no such fallen or rebellion-controlled Angels and Midwayers can do such things anymore.

Scientists from time to time, and there are still programs ongoing, in hidden labs above and underground, conduct experiments on people and animals, all sorts of horrid things, even creating all sorts of mutants, but none of which prove useful in anyway, so are ultimately destroyed.

So all these things spawn all the weird things you watch, people take them, picking a bit up from here and there, adding other bits, making fanciful stuff up themselves, then believe all they've created leading themselves further into the twilight zone, adding to conspiracy and UFO theories and all the rest. (Unidentified Flying Objects – UFO and Unidentified Submersible Objects – USO)

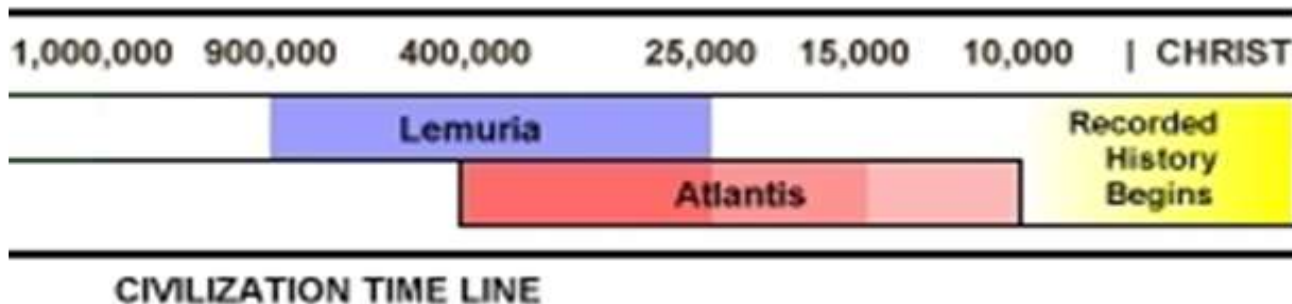

I will add, that a lot of people from the past Pole Shift ages did survive each Reversal, but with varying results. The first and second of these three ages survived enough to kick-start their prior ages, so continuing on and advancing more over time; and quite a number of people survived the last Age, only it was so severe that they were reduced to living with other natives and themselves quickly resorting back to being basically primitive hunter gathers within a few generations.

And this time round, quite a number of people will get through and with quite a bit of carry over from this Age. But added to the mix from the Old Way, from these current times, will be The New Way and the Sanctuaries, so the Old and New Way will exist both on the New Earth as you've written in your movies.

So a lot of people will go underground living in the government tunnels and underground cities weathering it, with the Angels ensuring their survival if they are to live through it and carry on their Old Ways in the New World; and then the Sanctuaries and other people will survive above ground also with Angelic help living exclusively The New Way but to begin with utilising Old Way surviving technology. Then as time passes they'll move into other universal energy technology.

- A tropical climate is one where the mean temperature of the coolest month is more than 18 deg C
- Tropical regions typically have a small annual range of temperature
- Thanks to man-made climate change, tropical regions are expanding 1.25 to 2.5 degrees of latitude, or 138km to 277km, towards the poles

- Some regions might become drier while others experience an increase in extreme rainfall
- Tropical cyclones could also occur in regions they did not affect before
- Vector-borne diseases could affect more regions
- While the tropics are the most biodiverse region on earth, some species may not be able to cope with climate change in time and could risk extinction

The world is not going to have such a severe ice age this time round, as the added heat to evaporate great amounts of the oceans is not going to come as it did last time. So the ‘defrosting’ or melting time will be quicker for life to restart. It will still be severe compared to how you live now, and most will be destroyed, with only the relatively small Angel protected areas, which will mostly be nature, being saved. But it won’t be anywhere near as severe as the last one.

And then it waits to be seen how much of humanity’s debris the Angels remove by dematerialisation. They will clean up a great amount of the man-made debris, your cities and all the rubbish you’ve created. But as to how much, we’ve not been directly told yet. Such information will no doubt be forwarded to us later on, closer to the time. And this is also what happened a lot during past Reversals, the Angels remove from the world a lot of the man-made stuff, leaving the world relatively clean and natural so as to start all over again. But as to why the Angels have left a lot of mankind’s creations under the ice at Antarctica and on the ocean floors is up for speculation as we’ve not directly been told about that either. It’s currently thought that future humanity will be able to use some of it for the greater good as more people, if not the whole world, will be living The New Way by then.

And I want to tell you, the Angels, should they be commanded to, could take away every sign of humanity on a physical world, even of humanity itself if it should come to that. So the Angels could if required, completely ‘clean house’; and so much so, that there would only be people left naked and without any remnant from their prior Age, then to set about killing animals and eating plants and making clothes out of the skins and plant material, starting out right from scratch. So nothing is beyond them so far as ‘returning a world’ completely to its natural state. They can do it in theory anytime should it be required, however the Pole Shift reversals offer the right circumstances, light and energy, for them to do the amount required.

So to put another line of thought straight in your mind James, there is what might be said ‘double’ the amount of Angels coming to Earth at this time. Those in support of your Revelation, and those to orchestrate the Pole Shift. With more coming the further we progress with you James and Marion and the closer we get to the Reversal.

It is also important for you to understand James, that each successive Pole Shift Age is WHOLLY about the relationships people have, and not whether or not the world becomes ‘technologically advanced’. Whether you can build a spaceship and fly to the moon, live on it and visit and live on the other planets (humanity has never been allowed outside the local Solar System) is immaterial, as it’s about the functional quality or dysfunction of relationships, and that is all that matters. And if humanity through a Pole Shift Age is to develop certain technologies, it is only guided to do so because of the relationship needs of all the souls involved. As you can see, the Internet is now creating other positive and negative consequences so far as people’s relationships are concerned, deeper psychological complexities having to be dealt with, greater inequality because of the mind control, **it’s all ALWAYS about relationships, the experiences gained in them, and the feelings and thoughts and truth that might arise from those interactions.** And so usually to increase such relationship complexities, technology can be developed, however technology can also quickly prevent relationship diversity as everyone becomes similar as the control increases stifling individual and societal creativity. So it’s double edged. So long periods of smaller groups of people who are very diverse gives rise to greater depths of relationship experience, whereas very primitive communities can quickly exhaust the emotional involvement. However then it might be that thousands of years are required to give rise to the number of people experiencing a more primitive existence, whereas a smaller number of years would achieve all that’s needed on a relationship basis in a more technological advanced society. So it’s about relationships and how they are distributed over time.

James: Ok, I understand that. I was also wanting to ask you about yourself Nanna Beth, as in what you are doing personally and what exactly you do in your work.

Nanna Beth: I am always with my soulmate (soul partner), who wishes to remain ‘un-revealed’, as it’s more a ‘woman thing’ with you James, which is all very important for the equality of the sexes that still needs to happen in the right way, and not in the overbalanced feminism of Earth that’s now being expressed.

So he with my soulgroup spend all of our time in the ‘Battle Room’ reviewing what’s transpiring on Earth together with the other Celestial groups ‘under our jurisdiction’. We, our soulgroup, are very fortunate in that we work closely with the Melchizedeks, so we liaise with them, which means we have meetings daily with them, about what the other Celestial groups ‘under our ‘control’’ are doing. And it’s not that we control these other groups, but they look to us for guidance. Our group, and there are twelve such Primary soulgroups in our section, oversee all the other soulgroups. There are the main twelve (pairs) of Melchizedek ‘Advisors’ who we relate to, with each one of our soulgroups working directly with one of the Melchizedek pairs. And they ‘advise’ us, they basically allow, encourage and support our soulgroup in doing all they would do. So our soulgroup is sort of like a ‘Melchizedek pair’ if I can put it like that. **They could do it all, but they delegate all they’d do for us to do instead. So that is highly irregular and an incredible opportunity for us.**

Melchizedek 12 soulmate pairs / group in the centre. Celestial Spirit 12 soulgroups with each having 12 soulmate pairs, each group being guided by a Melchizedek pair.

So we are in a very high and privileged position, which we still, after all this time, can’t believe has been bestowed upon us. So we twelve soulgroups are at the apex of all Celestial soulgroups within the first, second and third Celestial Spheres, those that are still highly Earth-focused.

So we have constant ‘consultations’ with our Melchizedek pair about what we’re doing, which with us specifically James, is working with you and John and all that is going to happen because of that interaction. Really we are focused on you and Marion, your Revelation, so what you need to be ‘told’, all the subtle guidance from the Melchizedeks to you through us. Then we have many Celestial soulgroups who daily come to us for guidance and for discussing what work they are doing. And that is vary varied, including anyone and everyone who potentially is alive now on Earth who might have anything to do with you and Marion, and people still to be born, and how it’s all going to be coordinated so as to fit in with the whole unfolding of your Revelation, and for the end of Mary’s and Jesus’ Age and then moving into your Spiritual Age.

So we work to coordinate the personal side of what you’ll be doing, with the bigger impersonal side of what’s going on and will go on, on the Earth to do with you and Marion, being what the other eleven soulgroups are more focused on with their Melchizedek advisors.

But we are all working on your Revelation, that’s our twelve Melchizedek pairs and corresponding twelve soulgroups, and all the others ‘under’ us.

Then there is another twelve Melchizedek pairs and each of them too have corresponding primary soulgroups and all ‘under’ them, who are solely concerned with the goings on of the World and Mind Worlds. And then we have other soulgroups that work synthesising (to combine so as to form a new, complex product – so to speak) these two main groups of twelve – and there are many of them.

STARFLEET

The "Battle Room" is one third of the sectors within the three Celestial Heavens provided for Earth's humanity that have obtained Celestial soul condition, having completed their Feeling Healing, on each of the three spheres. Some 30 billion personalities are coordinated throughout these massive "Battle Rooms" supporting the unfolding of the coming Avonal Age.

Humanities from throughout the balance of our local system of Satania are provided for in the many other sectors on each of the three Celestial Heaven spheres.

The Engine Room

The ENGINE ROOM is that of the global humanitarian fund – PASCAS WORLDCARE

The Engine Room

Upon entering the Engine Room, the touch screen will reveal:

- Dominant languages of country or region.
- Population and population of centres within each country.
- Legal issues and freedom restrictions to be considered, country by country.
- Cultural issues within each community and country.
- Proposed and established Pascas Care Centres – and style thereof.
- Books and Pascas Papers that are available.
- Editing stage in the English language of same.
- Translation stage for each language of same.
- Who is doing what on each of the publications.
- Where the work is being carried out.
- Audio and visual productions in progress.
- Audio and visual language conversions in progress and completed.
- Location and name of each University and Centre of Education.
- Location of Libraries.
- Other institutions and services that can be supported with publications.
- People that are actively engaged with Pascas in each location.
- Additional projects that are Pascas supported in each location.
- Generally, every aspect that is in progress in every location around the World.

From day one, the Engine Room of Pascas Foundation will work to deliver into every community in every country on the planet. This is a global program to bring awareness of Feeling Healing.

So the world is divided up with its own happenings, which is basically the ending of the Rebellion and Default and it's outworking of Mary's and Jesus' age, the continued evolution of the Old Way, the Mind Way; and then there is all that's concerning yours and Marion's Revelation, The New Way; and there's the crossing over of the two ways.

So for example: Those working with the Old Way, are working to release John's funds, which are to move into our New Way, and with the groups who work to unite from our perspective the Old and the New Way, working to facilitate the funds from the Old way, coming across to fund the New Way.

So although we are separate in our function, we're all working more or less together to achieve the same end. And we oversee soulgroups in all three Celestial spheres. So naturally there's an evolution of them too, with some of them ending their relationship with Earth and moving into doing other things or moving off toward Paradise. So there's always a lot of training going on, passing the baton so to speak; and with many the first Celestial and newly forming soulmate / soul partner groups requiring specific attention and focus introducing them to their new Celestial life and new work; and all the while, we 'old hands' in the Third Sphere need other activities to keep us growing in truth.

THREE Celestial HEAVENS

So we coordinate all that with the emphasis on assisting you and Marion.

And I have been designated the Celestial 'spokeswoman' for you personally James, which links in with John and my personal 'Nanna' connection with him.

As for what does my day consist of, it's meetings, speaking with spirits, both personally and on behalf of my group, with some of or all of it – whatever is needed. So we sort out the day's work during what would be a 'morning meeting', yet it always seems to be morning as we're always moving on with new things to attend to. A little of it is routine, but mostly it's new, new challenges and tasks we have to deal with.

Because this is all unorthodox, as you understand, with the Melchizedeks stepping in for and doing the work of the Rebellious Lanonandek Pairs, and then with us Celestials doing the work of those Rebellious Pairs underlings and teams, so not even the Melchizedeks know what's going to happen next because they are not Lanonandek Pairs who innately would know how to coordinate the running of a physical world and its associated Mansion Worlds. So, as they are in spirit prison, it's all up to us.

And then if that wouldn't be difficult enough, we've also not only got to contend with the end of their Rebellion and Default, but the fact that it's been done by an Avonal Pair, as we have to accommodate and work everything in with you and your growth of Truth. So we've got our work cut out for us you might say.

Every time you and Marion advance, with some of that advancement being helped by us, so many changes take place in what we are to do. You are literally freeing up the imposed constraints of the Rebellion, so suddenly you have a truth-shift and as the understanding about something starts coming to you, so too are we then free to implement other parts we've been planning for.

ENDING of REBELLION and DEFAULT:

Universal Contract governing the Rebellion and Default progressively put aside and then cancelled due to two people on Earth embracing and progressing with Feeling Healing.

<p>Early 1990s: 22 March 2017: 31 March 2017: 22 May 2017: 2 December 2017: 8 December 2017: 31 January 2018:</p>	<p>The arrest and imprisonment of the Caligastia and Daligastia soul partner pairs. Negative spirit influence was blocked. Angel assisted healing will become available upon the Avonal pair completing their own Feeling Healing, being with Divine Love, thus it being Soul Healing. Law of Compensation quickening. Psychic Barriers maintaining the Rebellion and Default were cracked. Bring on the money to 'house the future of humanity'. Earth and the seven associated Mansion Worlds (including the two Earth planes) are officially now fully under the control of Celestial spirits. This marks a tangible and real end to the Rebellion and Default.</p>
--	--

FOR 200,000 years ALL SCRIPTURES and Earth based INSTITUTIONALISED SYSTEMS are the WORK of the REBELLIOUS LANONANDEKS:

The rebellious Lanonandeks from within our local universe are these soul partner pairs:

THE EVIL ONES

Lucifer pair
Arrested and imprisoned 26 CE

Satan pair

Caligastia pair

Daligastia pair
Arrested and imprisoned early 1990s CE

We are very lucky having our Angels with us, as there are record Angels that keep all records of all conversations we've had, they take care of all the paper work so to speak, so anything we need to remember that we might have said, organised, agreed to, are working on, they have it all on hand and readily supply us with whatever we need. They are in a very crude way like a 'living computer' that's permanently on hand. So we have a constant coming and going of Angel pairs relaying information from Celestial groups that can't physically come to us or we to them because we're too busy or there's no need. Then we can flash things to the minds of other Celestials and there are other lines of communication open to us as well. So really we're speaking to other spirits and Angels all day and night, it's twenty-four hour shift work, we have time off, and that's all to be coordinated and factored into everything. (A spirit Mansion World day is equivalent to three Earth days.)

And we all love every moment of it. And when the excitement starts to ebb, when we feel it's no longer so exciting and inspiring us with ever more truth, then it's time for a change or even to stop and move

on. But those feelings, of course, haven't come to me yet, for had they, and we'd not be speaking together James, you'd be speaking with another woman spirit.

So it's you and I James for the duration of your life on Earth, as I will remain your main Celestial contact. And because of that, we're organising so much around that, so it looks like I'll be staying put without getting the urge to start out for Paradise anytime soon. And my whole soulgroup is united in this, so we're heavily committed to our time with you; and so much so, that we're now fully instrumental in it. We've gone this far with you and already we've covered so much ground, so I can't see the pin being pulled and our having to educate another group with all the subtleties we know, as that would possibly be in the too hard basket. However, things do change, as we see every day, so I guess you never know.

So our 'Battle Room' is a huge area provided for all of us who are working under or with your twelve personal Melchizedek pairs. My soulgroup only really works personally with the one Melchizedek pair, but we have a lot to do with the other eleven pairs all the time. And you James, and Marion too, even though she's unaware of it, are constantly working with all the twelve main soulgroups and Melchizedek pairs.

BATTLE ROOM

So through your day you are constantly 'tuning in' with each of the 12 groups, even though you are not so aware of that either.

MELCHIZEDEK

Samantha (lives in England) comes under 'our jurisdiction' because she is associated with you and Marion. Marie (John's mother) and her group has moved to work specifically with her, with them being 'under' our 12. My group solely works with you James. Another of the 12 works solely with Marion. Then the other 10 work with other aspects of you and her. So one of the others work with Sam, and with other people now doing their Healing who are slightly connected with you or who will become so in future. There's a lot of people we're 'grooming' for that future time when things get going. People who'll be directly involved with you and Marion, separately and together.

Then in the other 'Battle Room' it's all to do with what's happening on Earth and in the Mind Worlds, and then there's the other great section that's involved with uniting the Earth Old Way, with yours and Marion's New Way.

And when I say Battle Room, I guess you could say it occupies about a third of each of the Celestial spheres, so it's pretty large! We live in it, so it's not as John likes to imagine this little room at the hub of it all, it's vast, with us moving about within it a lot as required depending on who we need to be involved with. It's broken up into many sectors and sub-sectors and so on.

The other third is for the rest of Celestial happenings; the other third is divided into rest and recreation, places we can visit and just go to for time out, and also massive educational centres, so places of higher learning, covering all subjects. And there's another Melchizedek group of 12 pairs, together with the Daynal Pair (Trinity Teacher Pairs) that oversee the education side of things, again delegating as much as they can to Celestial soulgroups. Anything you want to know about, you go there finding the relevant teachers or instructors, so we're often visiting such places of knowledge and knowledgeable spirits.

AVONAL AGE transitional Celestial administration:	Soulgroups No:	No. of Personalities:
Council of Elders – Pascas central soulgroup	1	24
Council of Elders – Pascas primary support group varies	13	312
Soulgroups helping Pascas and Solid Investment	124,000	2,976,000
Soulgroups expanded Pascas and SI Celestial support	12,400,000	297,600,000
Soulgroups involved with the ‘Change Over’	1,240,000.000	29,760,000,000
Angels involved – they have been arriving in endless squadrons and legions		countless billions

There are also a lot of other smaller sectors involved with Celestial life on each of the Spheres, but overall those three I’ve mentioned make up the bulk of activities over here.

So right now as I am talking like this with you James, there are six of my soulgroup along with my partner, ‘tuned in’; it’s often a ‘group effort’ even though you just hear my voice in your head. The rest of our group who are not personally present are divided up with each pair undergoing other activities involving other soulgroups.

And we have times of frantic activity when a lot needs to be done, and then other times when it’s pretty cruisy, with us having most things under control. We’re currently in a calm before the storm, as you’re soon about to make a big move within yourself, which will have heavy ramifications for us.

James: You mean I will finally die of boredom, evaporate into Nothingness.

Nanna Beth: Nothing that drastic James. The last ‘big shift’ we had was when you broke through and understood that your whole understanding of your Healing was incorrectly focused. When you realised that it wasn’t about working to progressively change yourself, but working to progressively see how locked in and how much you can’t change anything about your early life and its affects on you.

SPIRITUAL HEALING:

We incarnate into Rebellion, and by default become untrue to ourselves. The truth of which we are to see through our Healing. And once seen, then we will no longer be of the Rebellion, being a true, happy, perfect and all-loving personality.

The Healing is about becoming true to being as you are in your untruth. As you become aware, facing and accepting the truth of how wrong and untrue you are. And once you’ve brought all your untrue self out through each stage of your Healing and are wholly aware of yourself and your rebelliousness, then your soul and God will transform you out of being untrue and into becoming your true spiritual Celestial self, be that in the physical or when you do your Healing in spirit.

SPIRITUAL HEALING:

Our Healing is about first finding the truth of our unloving and untrue state, coming to understand the full extent of that, how it relates to us and how we relate to it, and all how it makes us feel so demented living life in a stupor.

Healing is about seven Mansion Worlds worth of uncovering the truth of our rebellious state. It's all about becoming progressively more aware of how screwed up we are. So right the way through our Healing, we stay being screwed up all so we can see the truth of how demented we are in all the ways that we are untrue, all the way to the End of our Healing.

What we do heal through our Healing, is all that is stopping us see the truth of ourselves – our untrue and false state.

Mansion World 7: is then about still working with the deepest and residual bad feelings, whilst looking to sort out how you wrongly relate to yourself and others, nature and God because of being unloving; understanding how your relationships are unloving, how you don't connect properly, how unloving you really are and why and fully accepting the truth of it, coming completely to grips with your parents not loving you as you needed to be loved – sorting it all out, including your self and feeling expression difficulties. Then comes transition.

Mansion World 5: is then about going right into the depths of them, feeling how unloved you feel and seeing how unloving you are and how that makes you feel, bringing out the majority of your pain, your misery, fear, anger, guilt, hatred, boredom, terror, rejection, nothingness, feeling powerless, alone and abandoned, and so on. Each progression is full on, all the way.

Mansion World 3: is for waking up to the truth that you're not loving and starting to get in touch with your pain, starting to accept your bad feelings, starting to work with them instead of rejecting them.

IT IS
NOT THIS WAY

That change in truth and conscious awareness had the effect of changing everything we were doing, in that we too were then able to shift our orientation with you, so everyone in all the groups were affected by you, changed, refocused, and that took some doing. It's like having a computer program that is fixed in working one way to achieve such desired results, that which has comprised your Healing up to that time; then suddenly there's a complete overhaul, an update, with a whole new focus, so we had to change everything to go with you, to align ourselves with that new focus of yours. So you have no idea as to the effect you have on us, all from sitting on our couch "going through your shit".

And as you're soon to have another major change like that, so we're getting ready for that whole 'update and refocus'.

James: So Nanna Beth, I just had a thought; all this girl fantasy stuff of mine that I've been fixated on over the years, and how it's changed, and is still changing now with all this Taylor stuff, is a lot of that coming from one of your attending soulgroups?

Nanna Beth: Yes, exactly, all the sexual side of your life James. The whole fantasy aspect of you, so sexual and other fantasies, like your lake and ponds, your house and living by yourself that you're 'dreaming' about more now, everything else over time that you've worked your way through, all to do with Nature, all involves them. And then that is all worked into the creative soulgroup that attends you which works with you on all your movies and novels and other mind fantasy bits and pieces. So when you are writing on their movies, it's a joint effort, part them and part yourself, a bit of Indwelling Spirit, Angels and Nature Spirits thrown in too; and then it all happens in 'real time' in that the movie script might have already been drawn up, but it's fluid, so you might decide to change it and they will go with you, or they will change it taking it in a different direction than what was originally thought because of what's happen with you as you've been writing it. And then it's all thought up along the lines that best suit you, so with your continual emphasis on the New Way.

My group works specifically helping you understand the bigger picture stuff, like this, and when you are moving in truth, helping you to see it and integrate it into what you need as determined by the Melchizedeks. So then our group will work intensely with your creative group so as to use the movies to keep imparting more information, understanding and truth to you.

You James, and it's the same with Marion, are a 'group effort'. **It doesn't have to be like this with Avonal pairs, so we understand, as you can do it all yourself without the need of such spirit help, just working it all with your Angels in conjunction with your Melchizedek advisors, but you and Marion have both in your different ways, although it was already factored into your soul, decided to be open to, and want, and enjoy, such input from us Celestials, of which we are eternally grateful for,** Because if you'd decided to 'go it on your own' then we'd not be doing all this with you. And that also includes your 'delegation' to other people on Earth, like John. **You don't actually need him or anyone else's help. You could do it all yourselves.** Jesus and Mary chose a few mortal helpers, even though they didn't need any either, and they didn't have any spirit helpers, only the Melchizedek advisors and their Angels; but **you are inviting a massive amount of people and spirits to help you, thereby personally engaging the whole of humanity at this significant time of ending the Rebellion. Which is very nice of you James, and which as I said, we're all so thankful for, because look at all the experience you are offering us, so, so, so much, you have no idea.**

And in one way it makes it all harder for you because you have to deal with everyone else involved, and as they are not all seeing it how you do, that complicates things for you; and yet again, it also affords you added experiences you'd not otherwise have, which is unique because of the end of the Rebellion and Default.

James: You mean like often speaking with your grandson?

Nanna Beth: Exactly. And you are very privileged to know him! **You have even delegated a huge amount of your ‘power’ to the Melchizedeks. Who then delegate or down-step it to us. So we are very fortunate indeed!**

All of this you and Marion deciding on before your incarnation and which we’re all helping you understand when we can.

James: So you and your group are always working to ‘feed me’ these little bits of information to slowly expand my whole understanding?

Nanna Beth: Yes, all in keeping with the truth-circuits you’re constantly working through. So with each circuit we are to ‘present’ you with new insight and understanding. And we all ‘do our part’, your soul, we spirits, the Angels, Bob (James’ indwelling spirit), Verna (a Nature Spirit), all adding to all you need in accordance with your Avonal Mandate. So as you live it, it unfolds and more of it is given to us by our Melchizedek Advisors to pass through to you.

So when we write like this, I know specifically which parts of truth, insight and understanding I am to convey to you, so we of my group work to ensure that happens, as we work my answers around so as to include it all.

I’m actually a bit tardy in it James because I am always having to remain attuned to your mind ensuing what I just passed to you, you write sufficiently. One of the women spirits – Erena is terrific at it, she will grasp what we’re to convey to you, then have it all formulated as we progress, flashing to me what to say and what to change as you type. ‘Nanna Beth’ is really a group effort. So the most significant insights that I manage to pass onto you, you can actually thank Erena for.

Erena: Don’t listen to Beth, she’s too humble, she’s just as good as I am. The whole point is, James, we want you to understand that we’re a ‘group affair’, and we love being involved with you like this, truly, it’s the most fantastic thing. And it’s only going to get better, I can tell you that, as your communication with spirits and everyone else is only going to increase as you move through your Healing, and particularly once it ends. I’ll give back to Beth.

Nanna Beth: Yes, it sure is a group effort. And it couldn’t be any other way James, it’s too much for one of us. Which is something we’re coming to appreciate doing this with you as to why we have a whole soulgroup acting as ‘one person’ with you, so it takes the 24 of us to do all we need to do in something like this small bit of communication we’re doing now!

And all the time we’re discussing, sharing, expressing everything we think and feel about every part of it, all so we keep growing in truth. So we’ll go over all we’ve said to you today seeing how it makes us all feel and what we think, which helps us decide what we should do next time, when we need to make you feel like speaking with us again. So when you are speaking with a Celestial, you can know there are 23 others involved in it with you.

And another part I play is coordinating the others speaking with you. It all comes through me to you, however often what I am saying to you is coming directly from one of the others, I ‘channel’ them so to speak. And because we’re all harmonised so well together with you, so I can make it all seem like it’s just myself, but really, we all get to have our say with you. And that too is such a great part of it, because when I am ‘relaying’ the others, really it’s as if through me they are experiencing it like they were speaking directly to you themselves, so they get something of the experience as well. So no one

misses out, we're all doing and involved in it equally. And that goes with everything. So as a soulgroup, (12 soul partner pairs, 24 personalities) we're all harmonised in all we are doing together, so it's like we're all experiencing it through each other, which keeps us altogether, united and able to explore all the slight differences with each other. So as 'one' we all grow, evolve and ascend in truth together.

And being so close in all we do then fosters a great amount of love for each other. We become very close in our soulgroup, each group does, the group even in a way becoming something like an extension of our soulmate union and love. We sort of feel like we're all just one big soulmate group, so it's an incredible experience.

I'll go James, as you're tiring. Your mind is starting to wander. We'll speak to you soon. Bye now.

James: Thank you Nanna Beth, and everyone.

 Feelings of love within an unloving state

LIFE ON EARTH
WHAT WE ARE LIVING
AN UNLOVING LIFE

Self-Acceptance

No Healing needs to be done
 Being true and loving
 All done with Natural love
 Uncovering the truth of feeling loved

PERFECT NATURAL LOVE
 NOT REBELLIOUS
 NO REBELLION OR DEFAULT

Not Against Truth and Love
 Living Truth; not against ourselves
 Not denying any feelings
 Become truth to being true
 Perfect Relationships
 Feelings of love in loving state

LIFE ON A PERFECT WORLD
 What we wish we were living
 A Loving life

THE MIND WAY ** MIND-LED LIFE **

We are to move from our mind way to a feeling way of life within our rebellious and untrue state. We are to live truth to our being untrue, knowing and being the truth of why we are untrue.

GREAT U-TURN

Living True to Ourselves

LIVING TRUE to OURSELVES

We are to live truth to ourselves through ALL our feelings. We are untrue.

We are to live truth to being untrue. We are to stop pretending we're true.

We're to admit we're full of shit; and be as full of shit as we are.

God made us be rebellious and untrue, so we are to live being rebellious and untrue, not trying to not be as God made us. And we are to live true to being fucked, until God transforms us and changes us into being true and loving, ending our rebelliousness.

With all of us having been incarnated into a truth-denying rebellious world, we are to live true to how untrue, false and unloving we are. We are to stop using our mind to pretend we are true and loving when we're not.

We are to fully embrace, through our feelings, the truth of how wrong, bad and evil we are. And through our Spiritual Healing we are to fully accept how rebellious we are, living and being it. And knowing how being rebellious (being of and in Rebellion) makes us feel.

We are not to use our mind to pretend we are true; that we are loving, caring and sympathetic, as we're not those things.

Being of Natural Love we experience love through our mind. And so being in an imperfect state, some (if not all) of our mind love will be false and untrue.

When we have been transformed into our true Divine Love state having done our Spiritual Healing, then all the love we experience will be through our heart and soul with true feelings and no longer with our mind. With all love being true and based on the Truth.

We are to find the Truth of Love

Living Feelings First, longing for the truth of our feelings and expressing them, both good and bad, is the new Feelings Way. It is the only way we can heal ourselves of our Rebellion and Default; our minds controlling domination of our true personality. It opens us up to our soul-based truth, and the love that follows.

For the past 200,000 years, all of humanity has been enslaved to the controlling natures of minds. We now have been shown how to heal ourselves and set ourselves on the pathway to Paradise, to our Heavenly Mother and Father.

Possibly around 200 billion spirits live in Worlds 1, 2, 4 and 6. Many are ancient spirits content in their mind ways; some are perfecting their mind worship by advancing into the 4th; with those having perfected it in the 6th believing they are gods!

DEAD END
STOP

1st Earth plane is the darkest of the 2 Spheres of Isolation – Hells.

Our soul condition, personality traits, mannerisms, errors, beliefs and behaviour, ALL transfer with us, upon death, into the 1st Mansion World. Our controlling emotional and mental addictions all continue with us when living in the mind Mansion Worlds 1, 2, 4 and 6. Doing our Spiritual Healing moves us into the Healing worlds 3, 5 and 7, to be set free of them.

FEELING HEALING and SOUL HEALING with the DIVINE LOVE:**James Moncrief Publications:****all publications are free downloads:**<http://divinelovesp.weebly.com/my-free-books-and-free-padgett-messages.html>

It is suggested for one to consider reading as follows:

Speaking with Mary Magdalene and Jesus – books 1 – 4

These four books encapsulate the second of the revelations with the first having been introduced by James Padgett one hundred years previously. These four books provide a wide range of guidance that has never previously been made available.

Paul – City of Light

As a gentle intro into the Divine Love and Healing; being James Moncrief's first novel and it's been criticised as being too heavily clichéd, but that's the point because it's a reflection of how he was back then.

Ann and Terry

An example for people who might want to immediately start working on themselves and doing their Healing.

Feeling Bad? Bad Feelings are GOOD

For more understanding about our denial of our feelings and why we should not deny our feelings, and it includes how it all came about for James, using himself as an example.

Feeling bad will make you feel BETTER – Eventually!

This includes specific examples of Marion and James working on expressing particular bad feelings, again with the hope that it will help others gain something of an idea as to what's involved in doing your Feeling Healing.

Sage – and the Healing Angels of Light

Through Sage who's 13 years old, the story is primarily about the two aspects of healing; that being, with the help of our angels, and the full Healing we can do by looking to our feelings for their truth.

**Religion of Feelings
Feeling Healing**

**Welcome to LOVE – the Religion of Feelings
you can heal yourself through your feelings**

So these books, including the four Speaking with Mary Magdalene and Jesus books, provide the essence of it all and are examples of James' work. Then it's up to whatever takes one's fancy. Other reading to consider may include:

The Padgett Messages being published as:**The True Gospel Revealed Anew by Jesus volumes 1 – 4****Book of Truths by Joseph Babinsky****The Urantia Book**

Release one's pain through expressing one's feelings.

in conjunction with

Longing for the Truth when also longing for Divine Love.

FEELING HEALING with DIVINE LOVE is SOUL HEALING:

A collection of 'papers' that draw together specific topics including all of the above and more from other sources of information and revelation designed to help increase one's awareness about why we have the problems we do and how to heal them, all whilst living a more healthy and sustainable life. They provide a brief snapshot of the more complicated topics and issues.

Firstly, consider discovering the truth of your emotional pain through Feeling Healing. Secondly, consider longing for our Heavenly Parents' Love as you progress with your healing. Primary and most important readings are the writings of James Moncrief. Then consider the Padgett Messages, and then The Urantia Book.
