# System Rebellion and Planetary Default

1 March 2024

The Lucifer Rebellion, and the Default of Eve and Adam were instigated by the Lucifers and supported by their fellow inmates, they now all being in spirit world prison! Understanding that the Rebellion and Default were caused by these very high level spirits, Lanonandeks, from within our local universe of Nebadon, who rebelled against the co-regents of Nebadon, Mary of Magdalene and Jesus, and also against our Heavenly Mother and Father. They forfeited such love and happiness, all for their own self-glory. They rebelled some 200,000 years ago and brought about Material Daughter and Son's, Eve and Adam, default of their mission more than 38,000 years ago. They have disrupted circuitry that is not only harmful for Earth's humanity, but for all the 37 rebelling humanities on their worlds and further throughout the local universe. Should the evil ones ever commence their personal healing then there may be enormous benefits for those caught up in the Rebellion and Default beyond our imagination. Rebellion and Default cannot be fully ended without the rebellious ones either healing themselves or terminated.

The Lucifers were appointed System Sovereigns of the Satania System which contains 619 inhabited worlds, Earth being number 606 and being on the young side. 37 worlds capitulated to Lucifer's Rebellion and the rest within the System remained outside of his entrapments. The 37 worlds and their humanities remain isolated from each other and all other humanities until each is healed of what they each have taken on of the Rebellion. Earth being an extreme case as it has both Rebelled and Defaulted.

Our very long journey of growing in truth during each of our life phases, commencing on Earth, then spirit Mansion Worlds before transitioning into the Celestial Heavens, then later on assimilating with the humanities throughout our System of Satania (1,000 worlds), then our Constellation of Norlatiadek (100 systems), and then our local universe of Nebadon (100 constellations – together having 10,000,000 inhabitable worlds of which 3,840,101 are inhabited). Then follows the Minor Sector and then the Major Sector before leaving our superuniverse of Orvonton, being one of seven such superuniverses before moving on to Havona and then Paradise. Each progression is for us to grow in truth, love and light before moving into a higher and brighter realm.

Thus, it can be considered that should the Adamites (Eve and Adam) being Material Daughter and Son living on Earth, should they have not defaulted then they would have slowly but steadily lifted our spirituality, our truth to closer to their levels. The Adamites were intended to continue to live on Earth

even beyond the coming of Jesus of Nazareth and Mary of Magdalene. However, that was not the case and now when we look around us, we can constantly see that we are truly living in a physical hell and we continue to remain living in hell until we have fully healed and accepted what we each have taken on of the Rebellion of Default before we can transition out of the spirit Mansion Worlds, having embraced and asked to receive our Heavenly Mother and Father's Divine Love, then we can be fused with our Indwelling Spirit and enter the first of many Celestial Heavens that we may later progress through.

Now, again we have the guiding hands of Eve and Adam as from 19 December 2023, however, this time they are assisting us from within the Celestial Heavens. Eve and Adam do not have the status of the past.

We, as a humanity, have been severely disadvantaged, firstly by our System Sovereign rebelling against the leadership of our Local Universe, the Creator Daughter and Son, Mary Magdalene and Jesus, as well as our Heavenly Mother and Father. Secondly, the default of the Material pair has compounded our difficulties. Consequently Earth has been quarantined from any interaction or connectivity with any other humanity, as well as our connections with our two attending Angels, our two attending Nature Spirits, our two attending Spirit Guides, as well as our Indwelling Spirit, are each and all closed to us UNTIL we commence our Feeling Healing and begin to long to know the truth behind what our feelings are drawing our attention to, as well as longing for, asking for and receiving our Heavenly Mother and Father's Divine Love. As we progress with our healing, then these connections can begin to open up, particularly for those who are naturally inclined and endowed with psychic abilities.

Much has unfolded to bring about the ending of the Rebellion and Default.

**“The real KEY to our Healing is longing for the Truth, and that is the truth that will come from our feelings. If you don’t want the truth of what you are feeling, then you can forget it. You can express your feelings all day like a kettle letting off steam, however if you’re not seriously wanting, and longing hard, and praying with all your will to God to help you uncover and see the TRUTH that your feelings are to show you, then you can forget it. The expressing and releasing ARE just as important, however a little less than longing for the truth.”**

James Moncrief 28 May 2018

**Firstly, consider discovering the truth of your emotional pain through Feeling Healing. Secondly, consider longing for our Heavenly Parents’ Love as you progress with your healing. Primary and most important readings are the writings of James Moncrief. Then consider the Padgett Messages, and then The Urantia Book.**

# System Rebellion and Planetary Default

All inhabited worlds are basically grouped for celestial administration into the local systems, and each of these local systems is limited to about one thousand evolutionary worlds.

## Rebellion and Default

49:0.2 (559.2) The Urantia Book: All inhabited worlds are basically grouped for celestial administration into the local systems, and each of these local systems is limited to about one thousand evolutionary worlds. This limitation is by the decree of the Ancients of Days, and it pertains to actual evolutionary planets whereon mortals of survival status are living. Neither worlds finally settled in light and life nor planets in the pre-human stage of life development are reckoned in this group.

49:0.3 (559.3) Satania (the local system in which Earth is) itself is an unfinished system containing only 619 inhabited worlds. Such planets are numbered serially in accordance with their registration as inhabited worlds, as worlds inhabited by will creatures. Thus was Urantia (Earth) given the number 606 of *Satania*, meaning the 606<sup>th</sup> world in this **local system** on which the long evolutionary life process culminated in the appearance of human beings. There are thirty-six uninhabited planets nearing the life-endowment stage, and several are now being made ready for the Life Carriers. There are nearly two hundred spheres which are evolving so as to be ready for life implantation within the next few million years.

49:1.1 (559.6) The universes of time and space are gradual in development; the progression of life—terrestrial or celestial—is neither arbitrary nor magical. Cosmic evolution may not always be understandable (predictable), but it is strictly non-accidental.

49:1.3 (560.2) All the worlds of a local system disclose unmistakable physical kinship; nevertheless, each planet has its own scale of life, no two worlds being exactly alike in plant and animal endowment. These planetary variations in the system life types result from the decisions of the Life Carriers. But these beings are neither capricious nor whimsical; the universes are conducted in accordance with law and order. The laws of Nebadon are the divine mandates of Salvington, and the evolutionary order of life in Satania (our system in which Earth is within) is in consonance with the evolutionary pattern of Nebadon (our local universe in which our system is within).

# Root Cause

Highly esteemed Lanonandek spirits from within our local universe of Nebadon were assigned as System Sovereigns of our local system to oversee Earth's humanity and their spiritual development. 200,000 years ago they, the Lucifers, became infatuated with their authority and turned against the regents of Nebadon, Mary and Jesus, as well as rejecting God. Through their Planetary Princes, also Lanonandek spirits, they had taken the humanities of 37 worlds within their local system into their Rebellion.

Through living through our minds, suppressing our feelings, we on Earth will continue to be at war with each other, illnesses of all descriptions will continue from our feelings suppression, famine and inequalities prevail, control of others is the core of all systems, we cannot determine truth from falsehood and life on Earth is a living hell. We have been continually seduced by mind Mansion World spirits and we live life in a stupor – nothing more than zombies doing the begging of the evil ones, the rebellious Lanonandek spirits.

Through living through our minds, suppressing our soul based feelings, we have been progressively going further and further away from our Heavenly Parents, now to the point that we cannot go any further. Through working cracks in the Universal Contract governing the Rebellion and Default, this control has been ended formally as of 31 January 2018.

# Pathway Forward

To liberate one's real self, one's will, driven by one's soul, moves one to embrace Feeling Healing, so as to clear emotional injuries and errors. With the Divine Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

**God's Divine Love: Pray for it, ask for it, and receive it.**

**The Golden rule is: Never interfere with another's will.**

**Golden Rule: that one must always honour another's will as one honours one's own.**

**New Feelings Way: learning how to live true to ourselves by living true to our feelings.**

**We are to express our feelings, both good and bad, at all times, and to long for the truth of them.**

**By living true to ourselves true to our feelings, we are living true to God. It's that simple.**

## Planetary Physical Types

49:2.1 (560.7) There is a standard and basic pattern of vegetable and animal life in each system. But the Life Carriers are oftentimes confronted with the necessity of modifying these basic patterns to conform to the varying physical conditions which confront them on numerous worlds of space. They foster a generalised system type of mortal creature, but there are seven distinct physical types as well as thousands upon thousands of minor variants of these seven outstanding differentiations:

- 49:2.2 (561.1) 1. Atmospheric types.
- 49:2.3 (561.2) 2. Elemental types.
- 49:2.4 (561.3) 3. Gravity types.
- 49:2.5 (561.4) 4. Temperature types.
- 49:2.6 (561.5) 5. Electric types.
- 49:2.7 (561.6) 6. Energizing types.
- 49:2.8 (561.7) 7. Unnamed types.

**PASCAS  
PERS**

49:2.9 (561.8) The Satania system contains all of these types and numerous intermediate groups, although some are very sparingly represented.

49:2.10 (561.9) 1. *The atmospheric types.* The physical differences of the worlds of mortal habitation are chiefly determined by the nature of the atmosphere; other influences which contribute to the planetary differentiation of life are relatively minor.

49:2.11 (561.10) The present atmospheric status of Urantia (Earth) is almost ideal for the support of the breathing type of man, but the human type can be so modified that it can live on both the superatmospheric and the subatmospheric planets. Such modifications also extend to the animal life, which differs greatly on the various inhabited spheres. There is a very great modification of animal orders on both the sub- and the superatmospheric worlds.

49:2.12 (561.11) Of the atmospheric types in Satania, about two and one-half per cent are subbreathers, about five per cent superbreathers, and over ninety-one per cent are mid-breathers, altogether accounting for ninety-eight and one-half per cent of the Satania worlds.

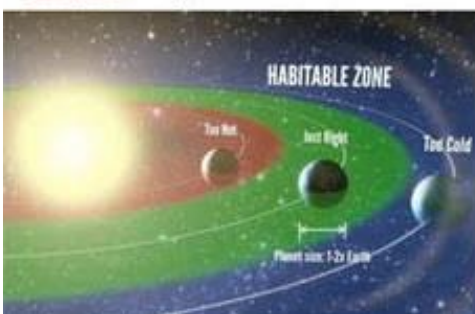

49:2.13 (561.12) Beings such as the Urantia (Earth) races are classified as mid-breathers; you represent the average or typical breathing order of mortal existence. If intelligent creatures should exist on a planet with an atmosphere similar to that of your near neighbour, Venus, they would belong to the superbreather group, while those inhabiting a planet with an atmosphere as thin as that of your outer neighbour, Mars, would be denominated subbreathers.

49:2.14 (561.13) If mortals should inhabit a planet devoid of air, like your moon, they would belong to the separate order of nonbreathers. This type represents a radical or extreme adjustment to the planetary environment and is separately considered. Nonbreathers account for the remaining one and one-half per cent of Satania worlds.

### "Temperature"

*Not too hot, not too cold*

Liquid water is *needed* to exist on the *surface* of a planet.

The habitable zone is the only spot in space where life can exist because it meets all 8 necessary components for life.

■ = Too hot

■ = Too cold

■ = Just right

49:2.15 (561.14) 2. *The elemental types.* These differentiations have to do with the relation of mortals to water, air, and land, and there are four distinct species of intelligent life as they are related to these habitats. The Urantia (Earth) races are of the land order.

49:2.16 (561.15) It is quite impossible for you to envisage the environment which prevails during the early ages of some worlds. These unusual conditions make it necessary for the evolving animal life to remain in its marine nursery habitat for longer periods than on those planets which very early provide a hospitable land-and-atmosphere environment. Conversely, on some worlds of the superbreaters, when the planet is not too large, it is sometimes expedient to provide for a mortal type which can readily negotiate atmospheric passage. These air navigators sometimes intervene between the water and land groups, and they always live in a measure upon the ground, eventually evolving into land dwellers. But on some worlds, for ages they continue to fly even after they have become land-type beings.

49:2.17 (562.1) It is both amazing and amusing to observe the early civilization of a primitive race of human beings taking shape, in one case, in the air and treetops and, in another, midst the shallow waters of sheltered tropic basins, as well as on the bottom, sides, and shores of these marine gardens of the dawn races of such extraordinary spheres. Even on Urantia (Earth) there was a long age during which primitive man preserved himself and advanced his primitive civilization by living for the most part in the treetops as did his earlier arboreal ancestors. And on Urantia (Earth) you still have a group of diminutive mammals (the bat family) that are air navigators, and your seals and whales, of marine habitat, are also of the mammalian order.

49:2.18 (562.2) In Satania (our local system of which Earth is number 606 of 619 inhabited worlds), of the elemental types, seven per cent are water, ten per cent air, seventy per cent land, and thirteen per cent combined land-and-air types. But these modifications of early intelligent creatures are neither human fishes nor human birds. They are of the human and prehuman types, neither superfishes nor glorified birds but distinctly mortal.

49:2.19 (562.3) 3. *The gravity types.* By modification of creative design, intelligent beings are so constructed that they can freely function on spheres both smaller and larger than Urantia (Earth), thus being, in measure, accommodated to the gravity of those planets which are not of ideal size and density.

49:2.20 (562.4) The various planetary types of mortals vary in height, the average in Nebadon (our local universe with 3,840,101 inhabited worlds) being a trifle under seven feet. Some of the larger worlds are peopled with beings who are only about two and one-half feet in height. Mortal stature ranges from here on up through the average heights on the average-sized planets to around ten feet on the smaller inhabited spheres. In Satania there is only one race under four feet in height. Twenty per cent of the Satania inhabited worlds are peopled with mortals of the modified gravity types occupying the larger and the smaller planets.

49:2.21 (562.5) 4. *The temperature types.* It is possible to create living beings who can withstand temperatures both much higher and much lower than the life range of the Urantia races. There are five distinct orders of beings as they are classified with reference to heat-regulating mechanisms. In this scale the Urantia races are number three. Thirty per cent of Satania worlds are peopled with races of modified temperature types. Twelve per cent belong to the higher temperature ranges, eighteen per cent to the lower, as compared with Urantians, who function in the mid-temperature group.

49:2.22 (562.6) 5. *The electric types.* The electric, magnetic, and electronic behaviour of the worlds varies greatly. There are ten designs of mortal life variously fashioned to withstand the differential energy of the spheres. These ten varieties also react in slightly different ways to the chemical rays of ordinary sunlight. But these slight physical variations in no way affect the intellectual or the spiritual life.

49:2.23 (562.7) Of the electric groupings of mortal life, almost twenty-three per cent belong to class number four, the Urantia type of existence. These types are distributed as follows: number 1, one per cent; number 2, two per cent; number 3, five per cent; number 4, twenty-three per cent; number 5, twenty-

seven per cent; number 6, twenty-four per cent; number 7, eight per cent; number 8, five per cent; number 9, three per cent; number 10, two per cent—in whole percentages.

49:2.24 (563.1) 6. *The energizing types.* Not all worlds are alike in the manner of taking in energy. Not all inhabited worlds have an atmospheric ocean suited to respiratory exchange of gases, such as is present on Urantia. During the earlier and the later stages of many planets, beings of your present order could not exist; and when the respiratory factors of a planet are very high or very low, but when all other prerequisites to intelligent life are adequate, the Life Carriers often establish on such worlds a modified form of mortal existence, beings who are competent to effect their life-process exchanges directly by means of light-energy and the firsthand power transmutations of the Master Physical Controllers.

49:2.25 (563.2) There are six differing types of animal and mortal nutrition: The subbreathers employ the first type of nutrition, the marine dwellers the second, the mid-breathers the third, as on Urantia. The superbreathers employ the fourth type of energy intake, while the nonbreathers utilise the fifth order of nutrition and energy. The sixth technique of energising is limited to the midway creatures.

49:2.26 (563.3) 7. *The unnamed types.* There are numerous additional physical variations in planetary life, but all of these differences are wholly matters of anatomical modification, physiologic differentiation, and electrochemical adjustment. Such distinctions do not concern the intellectual or the spiritual life.

## Worlds of the Nonbreathers

49:3.1 (563.4) The majority of inhabited planets are peopled with the breathing type of intelligent beings. But there are also orders of mortals who are able to live on worlds with little or no air. Of the Orvonton (being a super-universe containing 100,000 local universes) inhabited worlds this type amounts to less than seven per cent. In Nebadon (local universe of 3,840,101 inhabited worlds) this percentage is less than three. In all Satania (local system including Earth) there are only nine such worlds.

49:3.2 (563.5) There are so very few of the nonbreather type of inhabited worlds in Satania because this more recently organised section of Norlatiadek (the constellation of Norlatiadek, one of the one hundred constellations of the local universe of Nebadon and within Norlatiadek is the system of Satania) still abounds in meteoric space bodies; and worlds without a protective friction atmosphere are subject to incessant bombardment by these wanderers. Even some of the comets consist of meteor swarms, but as a rule they are disrupted smaller bodies of matter.

49:3.3 (563.6) Millions upon millions of meteorites enter the atmosphere of Urantia (Earth) daily, coming in at the rate of almost 200 miles (320 kilometres) a second. On the nonbreathing worlds the advanced races must do much to protect themselves from meteor damage by making electrical installations which operate to consume or shunt the meteors. Great danger confronts them when they venture beyond these protected zones. These worlds are also subject to disastrous electrical storms of a nature unknown on Urantia. During such times of tremendous energy fluctuation the inhabitants must take refuge in their special structures of protective insulation.

49:3.4 (563.7) Life on the worlds of the nonbreathers is radically different from what it is on Urantia (Earth). The nonbreathers do not eat food or drink water as do the Urantia (Earth) races. The reactions of the nervous system, the heat-regulating mechanism, and the metabolism of these specialised peoples are radically different from such functions of Urantia mortals. Almost every act of living, aside from reproduction, differs, and even the methods of procreation are somewhat different.

49:3.5 (564.1) On the nonbreathing worlds the animal species are radically unlike those found on the atmospheric planets. The nonbreathing plan of life varies from the technique of existence on an atmospheric world; even in survival their peoples differ, being candidates for Spirit fusion. Nevertheless, these beings enjoy life and carry forward the activities of the realm with the same relative trials and joys that are experienced by the mortals living on atmospheric worlds. In mind and character the nonbreathers do not differ from other mortal types.

49:3.6 (564.2) You would be more than interested in the planetary conduct of this type of mortal because such a race of beings inhabits a sphere in close proximity to Urantia (Earth).

## Evolutionary Will Creatures

49:4.1 (564.3) There are great differences between the mortals of the different worlds, even among those belonging to the same intellectual and physical types, but all mortals of will dignity are erect animals, bipeds (an animal that uses two legs for walking; "the iconic predator Tyrannosaurus Rex was a biped").

49:4.2 (564.4) There are six basic evolutionary races: three primary—red, yellow, and blue; and three secondary—orange, green, and indigo. Most inhabited worlds have all of these races, but many of the three-brained planets harbor only the three primary types. Some local systems also have only these three races.

49:4.3 (564.5) The average special physical-sense endowment of human beings is twelve, though the special senses of the three-brained mortals are extended slightly beyond those of the one- and two-brained types; they can see and hear considerably more than the Urantia (Earth) races.

49:4.4 (564.6) Young are usually born singly, multiple births being the exception, and the family life is fairly uniform on all types of planets. **Sex equality prevails on all advanced worlds; male and female are equal in mind endowment and spiritual status. We do not regard a planet as having emerged from barbarism so long as one sex seeks to tyrannise over the other.** This feature of creature experience is always greatly improved after the arrival of a Material Son and Daughter (Earth's mission by Adam and Eve resulted in they Defaulting, thus compounding the issues of the Rebellion).

49:4.5 (564.7) Seasons and temperature variations occur on all sunlit and sun-heated planets. Agriculture is universal on all atmospheric worlds; tilling the soil is the one pursuit that is common to the advancing races of all such planets.

49:4.6 (564.8) Mortals all have the same general struggles with microscopic foes in their early days, such as you now experience on Urantia (Earth), though perhaps not so extensive. The length of life varies on the different planets from twenty-five years on the primitive worlds to near five hundred on the more advanced and older spheres.

49:4.7 (564.9) Human beings are all gregarious (fond of company; sociable), both tribal and racial. These group segregations are inherent in their origin and constitution. Such tendencies can be modified only by advancing civilisation and by gradual spiritualisation. The social, economic, and governmental problems of the inhabited worlds vary in accordance with the age of the planets and the degree to which they have been influenced by the successive sojourns of the divine Sons.

49:4.8 (564.10) Mind is the bestowal of the Infinite Spirit and functions quite the same in diverse environments. The mind of mortals is akin, regardless of certain structural and chemical differences which characterise the physical natures of the will creatures of the local systems. Regardless of personal or physical planetary differences, the mental life of all these various orders of mortals is very similar, and their immediate careers after death are very much alike.

49:4.9 (565.1) But mortal mind without immortal spirit cannot survive. The mind of man is mortal; only the bestowed spirit is immortal. Survival is dependent on spiritualisation by the ministry of the Adjuster—on the birth and evolution of the immortal soul; at least, there must not have developed an antagonism towards the Adjuster's mission of effecting the spiritual transformation of the material mind.

# LANONANDEKS :

## System Sovereign

One Local Universe consists of 100 Constellations, each Constellation contains 100 Systems, thus each Local Universe, such as Nebadon, has 10,000 Systems.

Each Systems has appointed a high level Lanonandek spirits as its System Sovereign, thus within a Local Universe there maybe 10,000 System Sovereigns, being high level Lanonandek spirits who originate within that Local Universe.

## Planetary Prince

Each inhabited world within a Local System has a lower level Lanonandek spirit appointed as its Planetary Prince. Within our Local Universe of Nebadon there are 3,840,101 inhabited worlds, each having a spirit as its Planetary Prince.

(174.5) 15:7.5 *Jerusem*, the headquarters of your local system of Satania, has its seven worlds of transition culture, each of which is encircled by seven satellites, among which are the seven Mansion Worlds of morontia detention, man's first postmortal residence. As the term heaven has been used on Urantia, it has sometimes meant these seven Mansion Worlds, the first mansion world being denominated the first heaven, and so on to the seventh.

(174.6) 15:7.6 *Edentia*, the headquarters of your constellation of Norlatiadek, has its seventy satellites of socialising culture and training, on which ascenders sojourn upon the completion of the Jerusem regime of personality mobilisation, unification, and realisation.

(174.7) 15:7.7 *Salvington*, the capital of Nebadon, your local universe, is surrounded by ten university clusters of forty-nine spheres each. Hereon is man spiritualised following his constellation socialisation.

### The FOUR DIMENSIONS:

Saturday, 1 October 2022

We went for a walk along a beach with spirits lying on it as they might have done on Earth, all decked out in their latest bikini and swimwear fashion, having their contrived picnics, none of them swimming, they all being there as a part of the show of this is how we are in our wonderful fourth world heaven (fourth spirit mind Mansion World), although for them it's the third world as they don't know about the other Healing worlds, they only believing there are four Mansion Worlds, when of course there are seven –

Spirit mind Mansion Worlds are numbered 1, 2, 4 and 6 OR 1, 2, 3 and 4  
 Spirit healing Mansion Worlds are numbered 3, 5 and 7 thus the seven Mansion Worlds.

This explains why so many people talking with spirits say there are the four dimensions, the four worlds in spirit – being the spirit mind Mansion Worlds only of which there are four.

## The Descending (Daughters and) Sons of God

The Urantia Book

(223.6) 20:1.1 All descending (Daughters and) Sons of God have high and divine origins. They are dedicated to the descending ministry of service on the worlds and systems of time and space, there to facilitate the progress in the Paradise climb of the lowly creatures of evolutionary origin — the ascending (daughters and) sons of God. Of the numerous orders of descending Sons, seven will be depicted in these narratives. Those (Daughters and) Sons who come forth from the Deities on the central Isle of Light and Life are called the *Paradise (Daughters and) Sons of God* and embrace the following three orders:

(223.7) 20:1.2 1. Creator (Daughter and) Sons — the Michaels – (being the co-regents of our Local Universe of Nebadon; Mary Magdalene and Jesus).

(223.8) 20:1.3 2. Magisterial (Daughter and) Sons — the Avonals.

(223.9) 20:1.4 3. Trinity Teacher (Daughters and) Sons — the Daynals. (Each of these three have Spirits of Truth that they may release).

(223.10) 20:1.5 The remaining four orders of descending (daughter and) sonship are known as the *Local Universe Sons of God*:

(223.11) 20:1.6 4. Melchizedek (Daughter and) Sons.

(223.12) 20:1.7 5. Vorondadek (Daughter and) Sons.

(223.13) 20:1.8 6. Lanonandek (Daughter and) Sons.

(223.14) 20:1.9 7. The Life Carriers.

(223.15) 20:1.10 Melchizedeks are the joint offspring of a local universe Creator (Daughter and) Son, Creative Spirit, and Father Melchizedek. Both Vorondadeks and Lanonandeks are brought into being by a Creator (Daughter and) Son and his Creative Spirit associate. Vorondadeks are best known as the Most Highs, the Constellation Fathers; Lanonandeks as System Sovereigns and as Planetary Princes. The threefold order of Life Carriers is brought into being by a Creator (Daughter and) Son and Creative Spirit associated with one of the three Ancients of Days of the superuniverse of jurisdiction. But the natures and activities of these Local Universe (Daughter and) Sons of God are more properly portrayed in those papers dealing with the affairs of the local creations.

(224.1) 20:1.11 The Paradise (Daughter and) Sons of God are of threefold origin: The primary or Creator (Daughter and) Sons are brought into being by the Universal Father and the Eternal Son; the secondary or Magisterial Sons are children of the Eternal Son and the Infinite Spirit; the Trinity Teacher Sons are the offspring of the Father, Son, and Spirit. From the standpoint of service, worship, and supplication the Paradise Sons are as one; their spirit is one, and their work is identical in quality and completeness.

(224.2) 20:1.12 As the Paradise orders of Days proved to be divine administrators, so have the orders of Paradise (Daughter and) Sons revealed themselves as divine ministers — creators, servers, bestowers, judges, teachers, and truth revealers. They range the universe of universes from the shores of the eternal Isle to the inhabited worlds of time and space, performing manifold services in the central and

superuniverses not disclosed in these narratives. They are variously organised, dependent on the nature and whereabouts of their service, but in a local universe both Magisterial and Teacher Sons serve under the direction of the Creator (Daughter and) Son who presides over that domain.

(224.3) 20:1.13 The Creator (Daughter and) Sons seem to possess a spiritual endowment centering in their persons, which they control and which they can bestow, as did your own Creator Son when he poured out his spirit upon all mortal flesh on Urantia (Earth). Each Creator (Daughter and) Son is endowed with this spiritual drawing power in his (their) own realm; he (they are) is personally conscious of every act and emotion of every descending (Daughter and) Son of God serving in his (their) domain. Here is a divine reflection, a local universe duplication, of that absolute spiritual drawing power of the Eternal Son which enables him to reach out to make and maintain contact with all his Paradise (Daughters and) Sons, no matter where they may be in all the universe of universes (100,000 in each of the 7 super-universes).

(224.4) 20:1.14 The Paradise Creator (Daughters and) Sons serve not only as (Daughters and) Sons in their descending ministrations of service and bestowal, but when they have completed their bestowal careers, each functions as a universe Father in his own creation, while the other (Daughters and) Sons of God continue the service of bestowal and spiritual uplifting designed to win the planets, one by one, to the willing recognition of the loving rule of the Universal (Mother and) Father, culminating in creature consecration to the will of the Paradise (Mother and) Father and in planetary loyalty to the universe sovereignty of his (their) Creator (Daughter and) Son.

(224.5) 20:1.15 In a sevenfold Creator (Daughter and) Son, Creator and creature are forever blended in understanding, sympathetic, and merciful association. The entire order of Michael, the Creator (Daughter and) Sons, is so unique that the consideration of their natures and activities will be reserved to the next paper in this series, while this narrative will be chiefly concerned with the two remaining orders of Paradise sonship: the Magisterial (Daughter and) Sons (Avonals) and the Trinity Teacher (Daughter and) Sons.

(331.18) 30:1.29 **II. DUAL-ORIGIN BEINGS.** Those of origin in any two of the Paradise Deities or otherwise created by any two beings of direct or indirect descent from the Paradise Deities.

(335.44) 30:2.53 7. Personalized Adjusters.

(376.2) 34:2.5 In the creation of a universe of intelligent creatures the Creative Mother Spirit functions first in the sphere of universe perfection, collaborating with the Son in the production of the Bright and Morning Star. Subsequently the offspring of the Spirit increasingly approach the order of created beings on the planets, even as **the Sons grade downward from the Melchizedeks to the Material Sons**, who actually contact with the mortals of the realms. In the later evolution of mortal creatures the Life Carrier Sons provide the physical body, fabricated out of the existing organised material of the realm, while the Universe Spirit contributes the “breath of life.”

## The Spirit and the Flesh

(382.1) 34:7.1 The flesh, the inherent nature derived from the animal-origin races, does not naturally bear the fruits of the divine Spirit. **When the mortal nature has been upstepped** by the addition of the nature of the Material (Daughter and) Sons of God (Eve and Adam – Adamites), as the Urantia (Earth) races were in a measure advanced by the bestowal of (Eve and) Adam, then is the way better prepared for the Spirit of Truth to co-operate with the indwelling Adjuster to bring forth the beautiful harvest of the character fruits of the spirit. If you do not reject this spirit, even though eternity may be required to fulfill the commission, “he will guide you into all truth.”

(Three classes of spirits have Spirits of Truth that they may release to assist humanities; The Creator Daughters and Sons, the Magisterial Daughter and Sons – Avonals, and the Trinity Teacher Daughters and Sons – Daynals.)

(382.2) 34:7.2 Evolutionary mortals inhabiting normal worlds of spiritual progress do not experience the acute conflicts between the spirit and the flesh which characterise the present-day Urantia (Earth) races. But even on the most ideal planets, pre-Adamic man must put forth positive efforts to ascend from the purely animalistic plane of existence up through successive levels of increasingly intellectual meanings and higher spiritual values.

(382.3) 34:7.3 The mortals of a normal world do not experience constant warfare between their physical and spiritual natures. They are confronted with the necessity of climbing up from the animal levels of existence to the higher planes of spiritual living, but this ascent is more like undergoing an educational training when compared with the intense conflicts of Urantia (Earth) mortals in this realm of the divergent material and spiritual natures.

(382.4) 34:7.4 The Urantia (Earth) peoples are suffering the consequences of a double deprivation of help in this task of progressive planetary spiritual attainment. The Caligastia (being Lanonandek spirits and the Planetary Prince of Earth with Daligastia as deputies) upheaval precipitated world-wide confusion and robbed all subsequent generations of the moral assistance which a well-ordered society would have provided. **But even more disastrous was the Adamic default in that it deprived the races of that superior type of physical nature which would have been more consonant with spiritual aspirations.**

(382.5) 34:7.5 Urantia (Earth) mortals are compelled to undergo such marked struggling between the spirit and the flesh because their remote ancestors were not more fully Adamised by the Edenic (Garden of Eden) bestowal. It was the divine plan that the mortal races of Urantia (Earth) should have had physical natures more naturally spirit responsive.

(382.6) 34:7.6 Notwithstanding this **double disaster to man's nature and his environment**, present-day mortals would experience less of this apparent warfare between the flesh and the spirit if they would enter the spirit kingdom, wherein the faith sons of God enjoy comparative deliverance from the slave-bondage of the flesh in the enlightened and liberating service of wholehearted devotion to doing the will of the (Mother and) Father in heaven. Jesus showed mankind the new way of mortal living whereby human beings may very largely escape the dire consequences of the **Caligastic rebellion and most effectively compensate for the deprivations resulting from the Adamic default. (Rebellion and Default)** "The spirit of the life of Christ Jesus has made us free from the law of animal living and the temptations of evil and sin." "This is the victory that overcomes the flesh, even your faith."

(383.1) 34:7.7 Those God-knowing men and women who have been born of the Spirit experience no more conflict with their mortal natures than do the inhabitants of the most normal of worlds, planets which have never been tainted with sin nor touched by rebellion. Faith sons work on intellectual levels and live on spiritual planes far above the conflicts produced by unrestrained or unnatural physical desires. The normal urges of animal beings and the natural appetites and impulses of the physical nature are not in conflict with even the highest spiritual attainment except in the minds of ignorant, mis-taught, or unfortunately over-conscientious persons.

(383.2) 34:7.8 Having started out on the way of life everlasting, having accepted the assignment and received your orders to advance, do not fear the dangers of human forgetfulness and mortal inconstancy, do not be troubled with doubts of failure or by perplexing confusion, do not falter and question your status and standing, for in every dark hour, at every crossroad in the forward struggle, the Spirit of Truth will always speak, saying, "This is the way."

TRUTH PATHWAY

MIND PATHWAY

**Mother Father (MF – God)**  
**Eternal Son (ES)**                      **Infinite Daughter (ID)**  
**Mary & Jesus (MJ)**                      **Divine Minister (DM)**  
**Humanity & Angels (HA)**

**Consider a diamond:**

**Humanity** is to pursue the pathway for Truth through one’s soul based feelings, this is the right pathway. However, humanity commences its journey founded on natural love, which we now know is to be perfected through one’s Feeling Healing process and then made divine through asking for and receiving our Heavenly Parents’ Divine Love.

For 200,000 years, **humanity** has pursued the pathway of the Mind, being that of the brain, this is the wrong pathway. The Mind is the pathway for Angels and that of all of Nature.

**Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God’s soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of your Mother and Father.**

PARADISE TRINITY:

1. **Our MOTHER and FATHER (God) (MF) – Divine Love**  
SOUL (God) – One SOUL that is expressing its two PERSONALITIES, our Heavenly Mother and Heavenly Father (Soul Partners)
  2. **ETERNAL SON (ES) – Divine Truth**
  3. **INFINITE DAUGHTER (ID) – Divine Mind**
- Then: The Second and Third Persons of the Paradise Trinity (ES and ID) are stepped down to the local universe trinity (Mary and Jesus, Divine Minister (DM), and her Holy Spirit.

The LOCAL UNIVERSE TRINITY:

1. **MARY M and JESUS** – Our MOTHER and FATHER – Love – the Living Truth
2. **DIVINE MINISTER** – Mind (and her Holy Spirit)
3. **HUMANITY – Natural love, sons and Daughters – Truth, and our Angels – Mind**

PLANETS that engage in REBELLION:

1. **AVONAL SOUL PARTNER PAIR** – the Feeling Healing process – incarnate
2. **DAYNAL – TEACHER PAIRS** – they do not incarnate

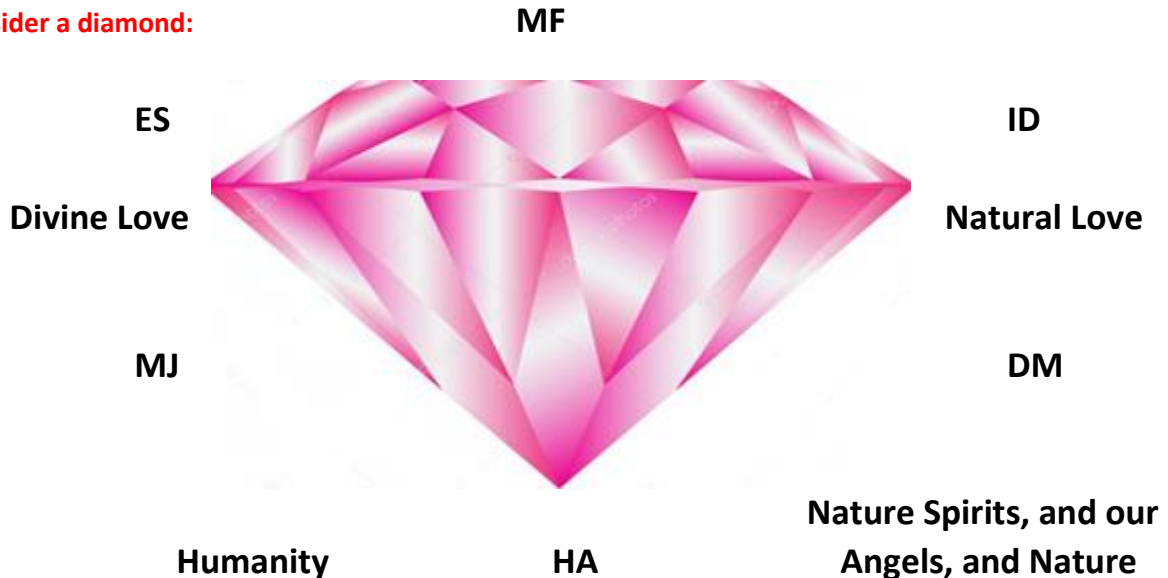

So in summary:

**LOVE**  
Mother and Father

**TRUTH**  
Eternal Son (ES)  
Mary & Jesus (MJ)  
Humanity (H)

**MIND**  
Infinite Daughter (ID)  
Divine Minister and Holy Spirit (DM)  
Angels, Nature Spirits, Nature (A)

# Mother and Father Heavenly Parents

Creator Son & Daughter  
Jesus and Mary

Avonals  
as soul partner pairs

Trinity Teachers  
as soul partner pairs

Melchizedeks – who have taken over from the Caligastians and Daligastians being also all as soul partner pairs.

Mortal Souls – human beings who individualise on Earth, then progress through the spirit Mansion Worlds, then into the Celestial Heavens, and beyond.

Mortal Souls – also being ascending spirits, upon completing their Soul Healing, join with their soul partner, then join their soul group of 24 mortal spirits, being 12 soul pairs. It is only as a soulgroup that anyone can progress beyond Nebadon.

The Paradise Pairs are all ONLY concerned with the SPIRITUAL wellbeing and upliftment of the planets and local universe. Currently to do with Earth:

Mary and Jesus – spiritual wellbeing and upliftment of the whole of Nebadon region.

Avonal Pair – Daynal pairs (Trinity Teacher Daughters and Sons) – Spiritual wellbeing and upliftment of individual planets and their associated Mansion Worlds.

The Local universal Sons and Daughters are all about the running of the worlds under their jurisdiction, and ensuring the higher spiritual elements can be employed, or sent astray, as in our case through the Rebellion and Default.

Lanonandeks – Melchizedeks (and others, such as Life Carriers and Eve and Adam).

As for the rebelling Lanonandeks– the Lucifer, Satan, Caligastia and Daligastia soul partner pairs – so the Melchizedeks have taken over their roles, as well as doing their own.

So the Melchizedeks are the governors, overseers, the administrators and advisors and so on for Earth; they are the ‘controllers’, and they will instigate all that needs to be done to do with the ending of the Rebellion and Default. And they will enlist the willing help of ascending mortal pairs, so the mortal Celestials spirits (soul partners when available, and others waiting to unite with their partner), and at times mortal spirits in the Divine Love Healing Mansion Worlds. And the angels help all of us.

Currently the whole of Creation exists for the ascension of mortal souls from their earth planets to Paradise. It’s all one vast Grand Ascension Scheme. With all the higher and lower spiritual Daughters and Sons, together with all the many different angels and other universal spirit personalities, and even including nature and our very own pets, assisting women and men with their Ascension Journey. It being: an Ascension of Truth. Everything we do is done to help us grow in truth. (Only everything we do in our negative state is to deny ourselves our truth from our feelings, which is why we have to do our Healing.) All women and men are ascending (or growing) in truth through their experiences. And as we grow in truth by looking to our feelings to show us that truth, so we’re ascending, moving inwards and upwards through all the worlds and spheres of the Grand Universe to one day arrive on Paradise and meet our Heavenly Parents. God is providing us, Their children, with this spiritual journey called our Ascension of Truth. And by living true to our feelings, so we are progressing on our true Spiritual Path – our Ascension Path.

JOURNEY of HUMANITY into and through the GREAT U-TURN:

Humanity reaching its most evilness, the most lost, the most separation of soul partners.  
 Humanity can begin its Healing. The Great U-Turn begins, the dawning of the Spiritual Age.

Humanity increasing its self- and feeling- denial, its denial of truth.  
 Soul partners getting further apart.  
 Rebellion then Default

The true Healing of humanity. Humanity Healing itself by doing its Feeling-Healing and Soul-Healing with Divine Love. Soul partners getting closer together as people express all their feelings more truly.

**This is the Great U-Turn. We are to feel and live by our feelings and express our feelings, our mind will follow in support, not the other way around.**

**Feelings First**, you can be sure about that! **Once women get that message and start living it, then the tide will really change**, with men either deciding to support them by looking to their own feelings or being left on the outer wondering what the fuss is all about.

The feminine light is going to sweep through humanity and purge it of all the yuk and darkness, helping to bring the whole of humanity back into a nurturing loving mother state of being, from which the supportive, caring father can support her and together they can make the world great again. They can bring humanity up into its natural love perfection, whilst at the same time, offer those people who want to spiritually grow the truths of how to embrace the Divine Love and move on to the Celestial level.

**By living true to ourselves, true to our feelings, we are living true to God. It's that simple.**  
 (Passage in blue calibrates on the Map of Consciousness at 1,500)

**There are 100,000 MICHAEL soulmate pairs as REGENTS throughout our SUPER-UNIVERSE:**

One of these 100,000 dots represents Nebadon, our local universe, consisting of 100 constellations with each constellation containing 100 systems which in turn have 1,000 worlds. The system in which Earth is within is called Satania.

Nebadon has some 10,000,000 physical planets, of which 3,840,101 are inhabited. The regents of Nebadon are the soulmate pair being the Paradise Creator pair, Mary and Jesus.

This structure is repeated throughout our super-universe, called Orvoton, 100,000 times. There are some 100,000 Regent pairs, equivalent to Mary and Jesus, throughout our super-universe.

There are 7 super-universes that rotate around the Isle of Paradise which is the home of our Heavenly Parents, our Mother and Father. Thus, there are some 700,000 Regent pairs equivalent to Mary and Jesus.

When we progress beyond the spirit Mansion Worlds, we enter the first of the three Celestial spheres, the home city being Jerusem, this is also the home city for all 1,000 physical worlds in Satania. From there we will progress to Salvington being the head quarters for Nebadon and the home of Mary and Jesus. Then we progress to Paradise.

# JOURNEY HOME

Our journey home is an ever growing expansion of truth being revealed to us. For Earth’s humanity, as for the 37 humanities that have Rebelled, we are quarantined and isolated. Having also Defaulted, Earth’s humanity is possibly the most evil of all. Firstly, we are to understand that living through our minds is why we are addicted to untruth and control of others and nature – we are going the wrong way! We are to live feelings first and then heal our Childhood Repression and Suppression – we are to live and express our true personality, the one given to us by our Heavenly Mother and Father. Then our journey home begins!

The Isle of Paradise is stationary within the circle of seven super-universes. Spheres here are also for us to further grow in truth before arriving Home to become Finaliters. Our Heavenly Mother and Father guide us out of our Local Universe of Neadon, through the rest of our super-universe of Orvonton and into super, superuniverse Havona which circulates around the Isle of Paradise, being home.

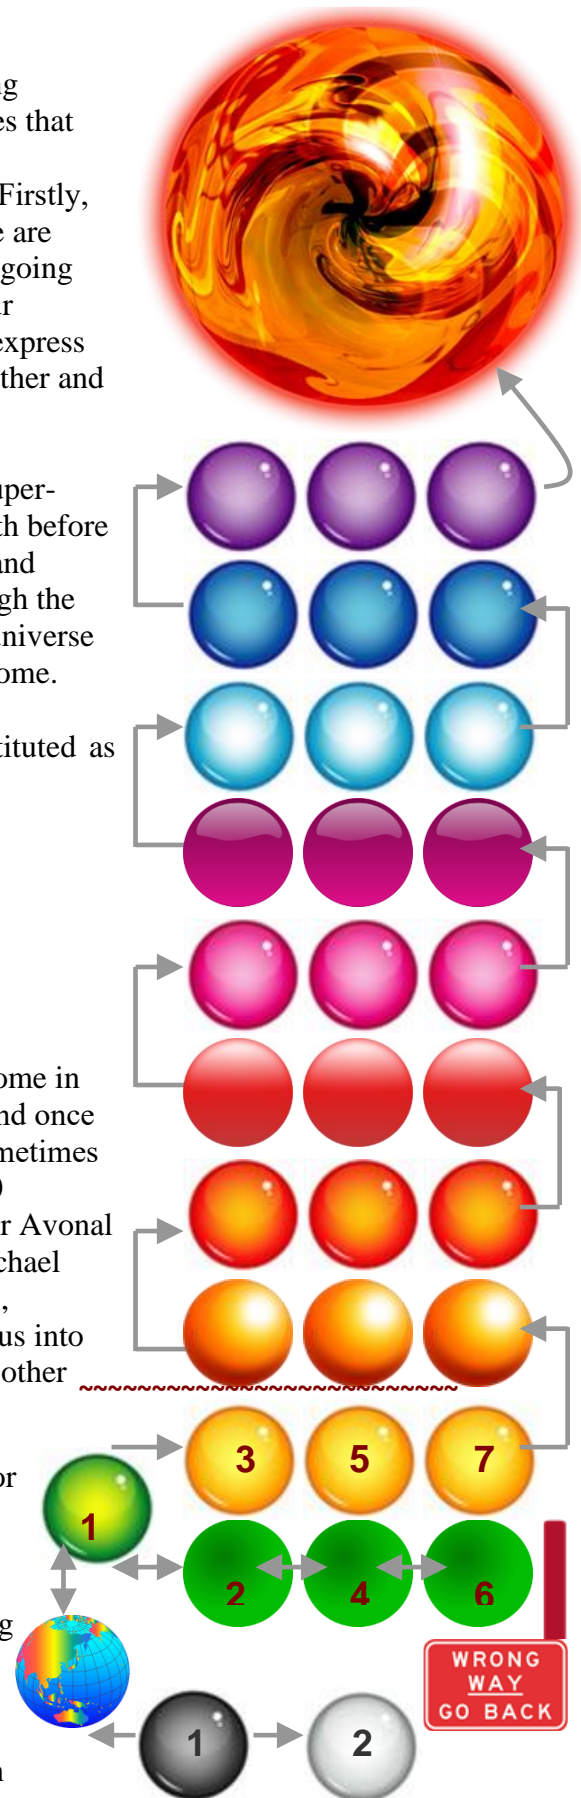

Each of the seven super-universes are approximately constituted as follows and with 1,000,000,000,000 inhabitable worlds:

- One super-universe is 10 major sectors
- One major sector is 100 minor sectors
- One minor sector is 100 local universes
- One local universe is 100 constellations
- One constellation is 100 systems
- One system embraces approximately 1,000 physical worlds

Once we attain the Celestial Heavens (spheres), we start to come in contact with spirits from other ‘Earth’ worlds. So in spirit, and once we’ve finished our Healing and are Celestial, we interact, sometimes directly and otherwise indirectly, with potentially 10,000,000 physical worlds of which 3,840,101 are with humanities. Our Avonal Daughter and Son lead us to Mary Magdalene and Jesus (Michael soulmate pair / soul partners, our Creator Daughter and Son), through our healing of the Rebellion and Default by guiding us into the first three Celestial Heavens and out of isolation from all other physical and spirit humanities.

Mary and Jesus then lead us through the Celestial Heavens for the system Satania (that Earth is in), then our constellation and then out of our Local Universe.

Isolation from all other humanities prevails before completing our soul’s healing and progress into the Celestial Heaven spheres 1, 2 and 3. Hell planes 1 and 2 of Earth are for those people who have to compensate for evil wrongdoing. And once done, they may then progress up through mind Mansion Worlds 1, 2, 4 and 6 before turning around to progress through Healing Mansion Worlds 3, 5 and 7 to transition into Celestial Heaven.

## WE have SUCCUMBED to our MINDS and IMPRISONED OURSELVES:

Yes, we have been seduced into believing and, consequently, living through our minds. This error has permeated into all aspects of our life. As parents, we have focused upon our children's mind development and this has continued through all levels of education that we have imposed upon them.

**A LIFE  
BEHIND BARS**

permeated into all aspects of our life. As parents, we have focused upon our children's mind development and this has continued through all

No level of education has progressed beyond the level of 500, as per Dr David R Hawkins' Map of Consciousness (MoC). 'The transformative energy fields from 500 up are calibratable, nonlinear, self-effulgent, radiant, and beyond verifiable scientific definition.' This is further confirmed in that only a few scientists have calibrated marginally above 500 due to them embracing their feelings. The greatest scientists have typically calibrated only at the level of 499. The mind development hits an iron braced ceiling at 500.

### **Note:**

The Map of Consciousness (MoC) table is based on the common log of 10. It is not a numeric table.

A calibration increase of 1 point is in fact a 10 fold increase in energy.

A calibration increase of 10 points is in fact a 10,000,000,000 fold increase in energy.

Thus the energy differentials are in fact enormous!

Opening ourselves up to living Feelings First further requires us to long for the truth of our feelings.

**Without looking to our feelings and wanting to uncover the WHOLE truth of them, we can't heal our errors of belief and injuries.** It's as simple as that despite what anyone does with their emotions and feelings. And many people in their endeavours to heal themselves have done some real Healing, if they at any time looked to their feelings for their truth, and this truth would have been forthcoming. So humanity has gained a little truth over the years. However, because of the feeling-denying forces of the Rebellion and Default that have been in play for some 200,000 years, the level of truth has remained very low.

The New Way, living Feelings First – Feeling Healing – which is now being revealed, will have many people wanting to follow it, looking to their own feelings for their own true power and freedom. As a consequence, they will no longer want to be dictated to by bogus religions or politician's corrupt social and educational systems or deep state hidden controllers or mind spirits or anyone else.

**Once humanity collectively understands what has happened to them on the higher spiritual level, how the people have been controlled, and that it's over, that control is no longer controlling, it's just legacies of it, all of which the average person can deal with by destroying it in themselves, things will change markedly for the better. And as the people change, so too will how they want to live, it will be a great time of revolution, nothing will be the same. So what you are currently living through is the end of the Rebellion and Default, it literally is, and so once the end is fulfilled and the New starts, then all how it currently is and has been will cease to be.**

**PERSONALITY TRAITS:**

Less than two dozen people on planet Earth.

Would not pick up a weapon let alone use it. These people gravitate to the health industry and humanitarian programs.

Debate and implement resolutions without argument and delay. 470

Debate and implement resolutions in due course. 440

Debate and implement resolutions with some degree of follow up generally needed. 410

Management supervision is generally necessary.

Politics become the hope for man's salvation.

Cause no harm to others starts to emerge. Power overrides force. Illness is developed by those man erroneous emotions that calibrate 200 and lower.

Armies around the world function on pride. Force is now dominant, not power.

Harm of others prevails, self-interest prevails.

Totally self-reliant, not God reliant.

Fear dominates all motivation.

Suicide is possible and probable.

At these levels, seriously harming others for even trivial events appears to be justifiable.

Poverty, unemployment, illness, etc., this is living hell on Earth.

This outline of the Map of Consciousness spells out the fact that while we live Mind-Centric and ignore and suppress our Feelings we cannot pass 499 MoC. Our mind being in control, as we have all been indoctrinated to live, is a glass ceiling. Humanity cannot heal anything, cannot be spontaneous, has no intuitiveness, and is locked into living in the deep hell states. This is why people find themselves in abusive homes, domestic violence, housing stress, homelessness and gross difficulties of all kinds. This is why we are easily manipulated, embrace propaganda and are being controlled by a few.

Women are closer to their feelings and that is why the nursing profession hosts a lot of women who calibrate a little over 500. These women are the healers in hospitals.

By aspiring to live Feelings First we are each breaking the glass ceiling and opening our potentials to grow in truth and love not only to 1,000 MoC, but to infinity. This is our destiny.

As communities embrace living Feelings First and having their minds to follow in supporting what their feelings are guiding them with, then ALL of the social ills of society will begin to mitigate. Please, do you comprehend the importance of what is being shared throughout this document?

**our MIND is a CONTROL ADDICT!  
our MIND is addicted to UNTRUTH!  
our MIND cannot discern TRUTH!**

**our MIND is within our SPIRIT BODY  
and orchestrates our physical BRAIN.**

**ASSUMPTIONS are the product of our MIND!**

**HEALING** ends  
**MIND-CONTROL!**

**our SOUL is our TRUTH!  
our FEELINGS are our TRUTH!  
FEELINGS FIRST, mind to follow!**

**all we need is WITHIN.  
our MIND suppresses FEELINGS.**

**HUMANITY is within a kind of dormancy, or even more like a stupor!**

We, all of humanity, have been reduced to the barest of self-expression, having been reduced to the least creative life we can all live, that which the Earth is currently reflecting with everything and everyone trying to be the same. The pressure to keep going this way is to end. Steadily the pressure to go the opposite way, to increase creative expression, and this is not only meant through the creative arts, but in every aspect of life, socially, collectively and individually, is going to open things out enormously. It's going to be an explosion of light, that which is to end the darkness, something that's never been seen before.

It's the light in our souls, it's the light that comes from the truth we are to be living that will change us – that changes us all, light from our soul. **If one applies themselves to their Healing, thereby ending their unconscious self-denial, they will as they Heal, change and start expressing all the buried attributes, characteristics and talents, any natural part of themselves that's been denied because of their unloving parenting.** We are nothing like how we should be due to our self denial. So many people are living completely false lives, so when they become true, they will almost be the complete opposite to how they have been.

We are to be alive and vital, real expressions of our soul, to be living fully Healed lives as Celestials while living on Earth. Continually coming to terms with all we have been through, we all take a long time to integrate and understand it all, but we will virtually be New People.

We on Earth are used to our anti-self conditions. For the people who knew us before Healing, we will seem like completely different people, although with the same basic personality traits and characteristics. However all the self-hating, denying patterns and consequential behaviour will be gone, with all our loving self being expressed. **We are all but the living dead, whereas the Healed are the living living. And there's a huge difference.**

We and those who are Healed are like chalk and cheese, we can't relate to them anymore, and they certainly can't relate to us. **Healing is taking someone who was all but crippled right the way through their childhood and undoing all that retardation within them.** Doing one's Healing is changing the whole programming of every structure within you, all in keeping with getting older and naturally ageing with your mind and feeling systems ageing as well, working right down on the deepest will levels, it all changing, all to rid you of your wrongness and make you become right. It's a huge undertaking.

Yet it all follows on, it's not like you'll be so different from the old you that may as well not have existed, it's all there, all the new you to become, with only snippets currently being exercised and expressed, with **the rest of you in a kind of dormancy, or even more like a stupor.**

Once you have finished your own Healing, you'll be like a new person.

Notes derived from Celestial Nanna Beth 20 – 23 April 2018

**WE are meant to grow up LIVING FULLY CONNECTED to our FEELINGS:**

Humanity has always had an awareness and involvement with spirits, with life on the other side, because we are all heading that way, we all end up dying and becoming one of the spirits, and were humanity living rebellion-free, then nearly everyone would enjoy some level of spirit involvement either directly or indirectly, loving such an expansive awareness in life.

**We are meant to grow up living fully connected with our feelings in our physical reality, and at the same time with full feeling awareness of spirits and life after death, because after all, God is the greatest Spirit of us all.**

And so having an awareness and involvement with spirits can, and should, help us have more of an awareness with our Mother and Father. And it's not with just spirits, it's also with the angels who are with us all the time, and the nature spirits should we be open to them, and even higher spirits if we are to work with them, such as the Melchizedeks or Trinity Teacher Pairs. But mostly for those people involved with the Divine Love, it will be with the Celestials spirit group that is assigned to help them.

It is very important to understand that spirits and spirit life is meant to be part of life on Earth. However that's not to say everyone needs to have an ongoing relationship with their spirit friends, but they can at least still be aware of spirits and spirit life and where we will be going and something about what to expect once we die. And when you are open to it, lessening the grip of one's fears about it, then we will find it will be just another aspect or level of life, and one that can give us quite a lot of comfort.

**TRUTH LOVING SOUL V ERROR INFLICTED MIND**

**Feeling  
Healing,  
longing for  
truth with  
Divine Love is  
the key!**

**To liberate one's real self, one's will, being one's soul, is by embracing Feeling Healing so as to clear emotional injuries and errors. With the Divine Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.**

## **WHY did the LANONANDEK DAUGHTERS and SONS REBEL?**

**The Lucifer, Satan, Caligastia and Daligastia soulmate pairs are all high level Lanonandek spirits:**

**FOR 200,000 years ALL SCRIPTURES and Earth based INSTITUTIONALISED SYSTEMS are the WORK of the REBELLIOUS LANONANDEKS:**

**The rebellious Lanonandeks from within our local universe are these soulmate pairs:**

According to the Urantia Book (TUB) there are various orders of Paradise Descending Daughters and Sons. (NB: TUB only refers to the masculine so doesn't include Daughters.) The Descending Daughters and Sons descend or step down from Paradise to reach out and 'down' to the Ascending mortals – men and women on the evolutionary worlds, who are reaching out and 'up' to Paradise and for such help from the descending spirit pairs. Ascending mortal pairs (soulmates) cannot by themselves ascend to Paradise, because it is not 'encoded' in their soul. So they need higher help and guidance from the descending pairs. So if people don't have this higher help they will never spiritually and physically progress very far. And if this higher help goes haywire, people are stuffed until other higher helpers comes to rescue them.

One such Descending Pair, the Creator Pair, comes out from Paradise to a section of space when it is ready for them – Mary M (Magdalene) and Jesus in our case; and in union with the Divine Minster, create or 'bring into being' a Local Universe – Nebadon. Mary and Jesus then attend to the whole (local) universe, with Avonal Descending Paradise Pairs coming as required to the individual earth worlds to ensure and initiate the spiritual changing of the ages that is needed to advance the spiritual development of mortals in accordance with the Paradise Plan.

Part of the Creation of Nebadon includes the creation of Local Universal Descending Daughters and Sons that hold key positions on individual worlds and oversee larger areas or sections of the Nebadon. The Lanonandeks being these key administrators, guides, overseers, are the ones that ensure the ascending mortals of each world are given what they need in accordance with the unfolding phases of their evolution, as well as providing the necessary Mansion World structures and organisation of the Celestials spheres, the greater part of Nebadon, all so mortals of the evolutionary worlds can find their way up and through the Local Universe so as to set out on their greater spiritual journey through the Super Universe and Central Universe to Paradise. The Lanonandeks make sure all the parts work as they are intended to do, with the Melchizedeks being more involved with the ongoing teaching and personal education of mortals about all things through the Local Universe.

The Lucifers, Satans, Caligastias and Daligastias are all Lanonandek daughter and son pairs.

The Lucifers were the overseers of this sector – System – of Nebadon that includes Earth – Urantia. The Satans were to help the Lucifers, being the main liaison pair with the Caligastias (The Planetary Prince and Princess) who oversaw Earth directly from spirit, and the Daligastias being physically materialised on Earth so as to oversee and help evolve the local races of Earth on all levels – the practical, physical and spiritual, this being how it was five hundred thousand years ago. And for three hundred thousand years, everything went well.

The whole of Creation thus far is one gigantic Ascending mortal scheme – The Ascension Scheme. So everything in it works to help slowly evolve humanity along the plans designed for them by the Descending Pairs and the Mother and Father, with the idea to evolve, through ongoing self-expression, the people from all the earths up through the Mansion Worlds and into the Celestial spheres and on through and out of Nebadon. So if anything goes wrong in any level of the universe then it causes problems for the mortals who are wanting to ascend.

The Lucifers were outstanding members of their Order. However according to TUB (if I remember correctly), they were passed over when they applied to oversee certain parts of Nebadon – and so why did that happen??? Then finally they got their chance. As to why they rebelled – it is said their egos, their self-importance, grew, and they weren't able to control it. They were seduced by some inner need for greater power – but why did that happen? And is it just like everything else, there is variation in all things and so they went the way of rebelling against Mary and Jesus and the Mother and Father. And not being of a higher Paradise Order, they are more prone to being seduced by their inner biases, whereas supposedly Paradise Descending Daughters and Sons are too perfect, being of Paradise origin, and so wouldn't or even can't rebel. And Avonal Pairs can willingly take on rebellion, but that's their choice and they are not technically rebelling or defaulting, they needing to do this so they can heal themselves of the Wrongness thereby liberating the world of rebellion, and in our (Earth) case, also the default. Which means providing people and spirits in the Mansion Worlds their Spirits of Truth, so everyone in a rebellious state can look to them instead of the Evil Ones, the rebellious Lanonandeks, for the way out of rebellion and onto Paradise.

The Evil Ones took over their part of Nebadon, Mary and Jesus allowed them to, allowing the Rebellion and subsequent Default on Earth to run its course. However it continues to cause masses of disruptions to the natural way of things, all of which we've been and continue to be subjected to.

So because humanity for two hundred thousand years has been increasingly subjected to the Rebellion and then also the Default of Eve and Adam, we are well and truly entrenched in the unconscious belief that the Evil Ones are the Gods, and that we're to look to them for the way to be happy and feel loved – that they are the Living Truth. And yet, as we can all see from our own lives when we start to address our bad feelings, this is wrong, false and misleading, only making us feel even more unhappy, unloved and powerless in our negative truth-denying state and being unable to do anything about it – because ascending mortals are not able to go against the higher Daughters and Sons. So without humanity knowing it, we have been praying to the Evil Ones as if they are God, even with people who pray to Jesus, praying to a mind-created fantasy Jesus and not the real one, as can be seen by the Evil Ones strategically denying humanity the truth of the Divine Love, with our need to long for it being excluded from the Bible and not found in any other rebellion-created religion.

Mary and Jesus being the highest Paradise Pair, by their coming to Earth, terminated the System Rebellion of the Lucifers and Satans. So that level of evil influence on all the rebellious physical worlds ended two thousand years ago. And then it's required for each world to be attended to by a bestowal Avonal Pair,

who take on the evilness of that world and heal it within themselves, thereby ending the control in our case of the Caligastias and Daligastias, which has now apparently happened, with the Avonal Pair only to finish their Healing so as to signal the complete technical end of the Rebellion and Default.

So their – the Avonal pair – Healing involves dealing with the Rebellion and Default within themselves on all levels, so people and the mind Mansion World spirits can then choose to follow them and do their Healing. So by following the Avonal Pair you are going against the Evil Ones (currently it being their legacy within you and on the world), looking to end their negative, unloving and untrue influences within yourself. And once done, you become a Celestial, either on Earth or in the Celestial spheres, and free to align yourself with Mary and Jesus, which is done by partaking of the Divine Love, and free to live your ascension to Paradise – free to become at-one with your Mother and Father.

We're all living the demented levels of the demented minds of the four Lanonandek pairs that rebelled. And as we do our Healing, so we come to see how fucked they are, as we see how fucked we are; how they passed that fuckedness onto us through our parents, how we've become so tangled up in our Wrongness, not knowing what is true – we live untruth believing it's true – we feel false love believing it's true love. We're all around the wrong way, deeply mixed up, and needing to do our Spiritual Healing to get ourselves out of our sinful and evil ways, so as to come back into alignment with the Truth. So all that we are has to go, and we're to uncover a whole New Way on all levels, personally and how to live, as we liberate ourselves from our dementedness.

With the Evil Lanonandeks no longer at large, having been detained on a prison world awaiting judgement as to what will happen to them, so the Melchizedeks stepped in taking over their positions. I don't know why other Lanonandeks weren't appointed, however I guess it's because of the damage done by the Rebellion. We who are here and part of it have to deal with it ourselves, so no outsiders other than Mary and Jesus and the Avonal Pair being from Paradise that can override that limitation.

And the Melchizedeks have enlisted the Celestial spirits' help. So together, they now in effect play the roles of the Lanonandeks. And as the Avonals progressively heal themselves, thereby liberating humanity from the dictates of the Rebellion and Default, so the Celestials are being given increasing power and authority to do what the Lanonandeks would have done. So the Rebellion, on a positive note is providing the Celestial spirits with unique opportunities as part of their ascension, as we hear from Helen and Nanna Beth – both 3<sup>rd</sup> Celestial Heaven spirits. And I would imagine, people who finish their Healing and become Celestials on Earth, will also in some way be given extraordinary opportunities as well, all of which will involve some level of healing the world and doing what the Lanonandeks and Eve and Adam should have done. Even to the point of Celestials on Earth who have children, will in some way be like the new 'Eves and Adams' populating the world with perfect and true children, all who are completely free of the Rebellion and Default.

And what happens to the Evil Ones? I imagine they will have to undergo a long period of Compensation experiencing the pain they caused all the people and angels who were under their care. And after that, if they are not extinguished outright, possibly they might be rehabilitated to some degree; however as TUB suggests, without ever receiving the power they once had. However, as all works out for the best and ultimately is all-loving, it will be fascinating to see through our own lives how all the pain we've been made to suffer ends up helping us and being the best thing for us.

And one last thing to note, had there been no Rebellion or Default, then on Earth we'd still have the Daligastias and Eve and Adam helping people grow and evolve on all levels. Still being the higher Daughters and Sons that we can look to knowing that we're not alone, that we are being looked after and loved and that a greater life of ascension awaits us. And we would by now know of the Caligastias and all the help they would be providing on the higher spiritual levels, as well as the help they would be giving mortal spirits in the Mansion Worlds. And we would know of the Satans and Lucifers and all the help they

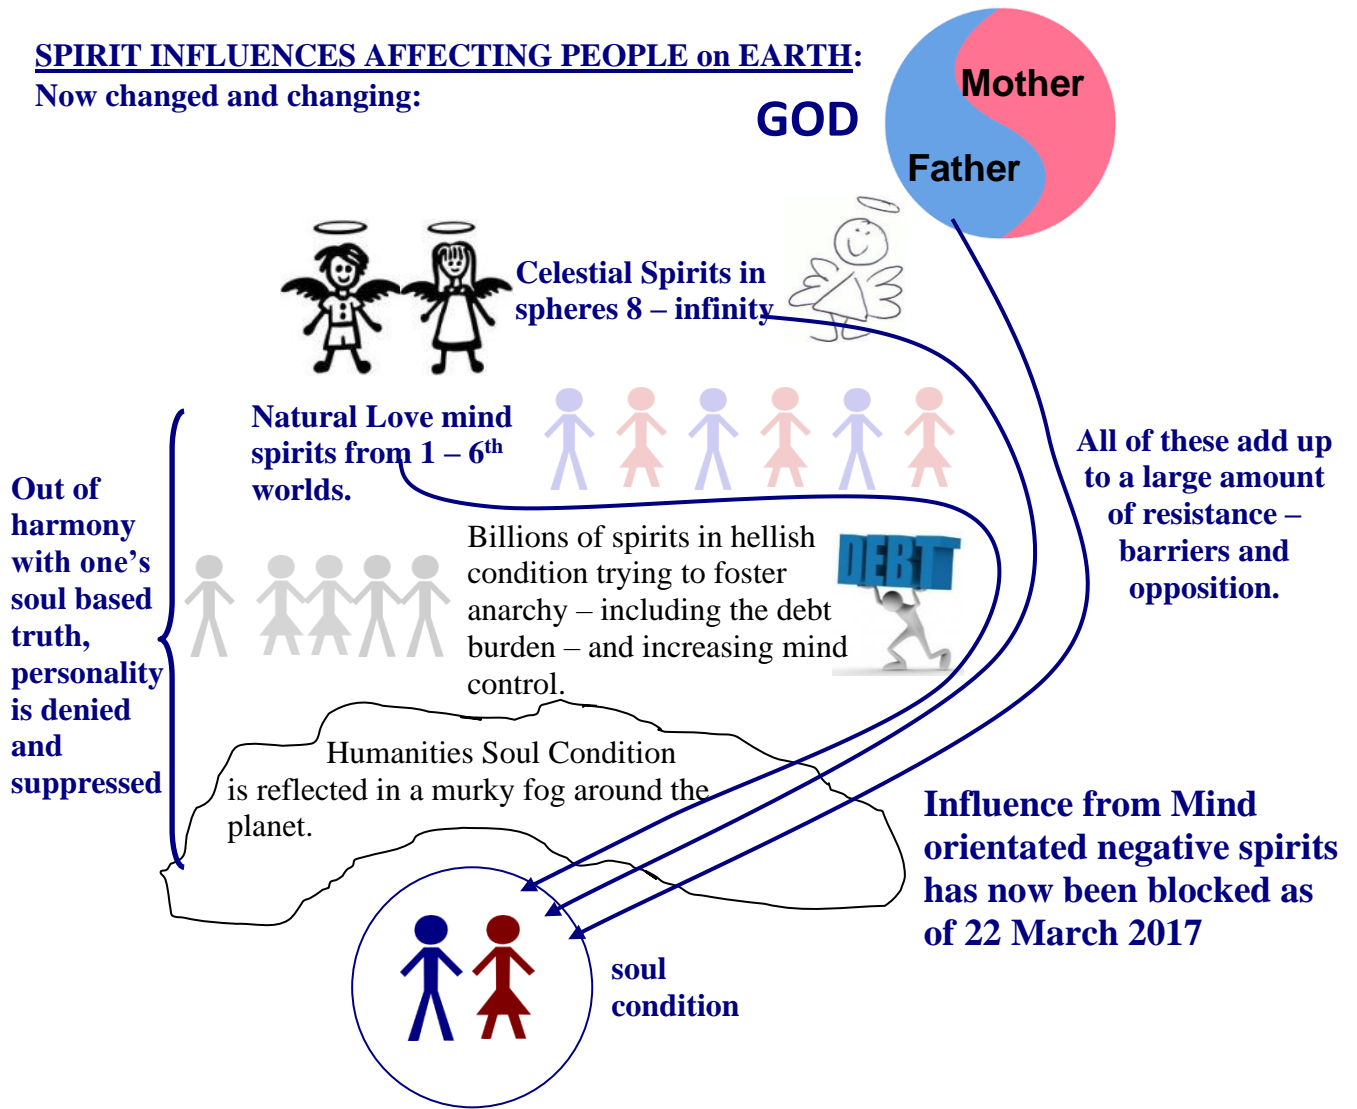

were providing on the System level. And we've understood that in a way these higher Daughters and Sons are like mini gods to us, yet not our Heavenly Mother and Father. And they would be pointing us toward Mary and Jesus helping us understand that they are the Creator Pair. And here we live in their universe of Nebadon, and that all they are doing for and with us is to help us evolve and grow on all levels as we look to our feelings for our truth we are to live as we express the personalities from our souls on our way through Nebadon and onto Paradise. It all being a perfectly unified and loving experience for us. We being able to see the higher Daughter and Son as in the Daligastias and the Material Pair, Eve and Adam, who'd be for us the perfect humans that we could strive to be like. So we would want to be perfect in our humanness like Eve and Adam, and perfect in our spiritualness like the Daligastias. With both pairs showing us that we can be both perfect on the material and physical level, as we can be on the spiritual level. Which is completely the opposite of how we've been made to live, because all of that perfection has been denied us, with our being so screwed up about how we are to live both materially – physically and spiritually – we having no idea about either, and with them working fully in opposition to each other. And with our longing for and wanting the Truth, the truth of how we're to live physically and spiritually, all of which is to come (and ONLY come) through each of us individually and as a consequence of properly attending to and expressing ALL we feel.

**SPIRIT INFLUENCES AFFECTING PEOPLE on EARTH:**  
 Now changed and changing:

**SPIRITUAL UNIVERSE CAMPS**

**HOW SCRIPTURES CAME ABOUT:**

**Lanonandeks:** Lucifer, Satan, Caligastia, Daligastia and their partners, high spirits that oversee humanity, rebelled against the Truth, Mary Magdalene and Jesus, and against God.

**Earth:** The rebellious higher spirits together with the corrupted and lost-to-the-truth Mansion World mind spirits, interfered with people on Earth – now is blocked as of 22 March 2017.

**JAMES PADGETT MONCRIEF** **REVELATIONS** **1 Commenced 1914**  
**2 Completed 2014**

**REVELATION 1** **Divine Love addresses the issues of the Rebellion.**

**REVELATION 2** **Feeling Healing addresses the issues of the Default.**

John: These two 'headlines' came about from Mother's comments through James.

We are to recognise the degree of the impact that the Default has had on the way humanity lives. That is, it is suggested that the way we remodel our children to become clones of ourselves, the way we suppress their true selves, and cause them to capitulate to be our 'little me's' is a result of the way life emerged directly from the Default some 38,000 years ago.

Whereas the Rebellion, of 200,000 years ago, was the rejection of the Mother and Father as well as our Spiritual parents, Mary and Jesus.

Thus two distinctly catastrophic events.

We need these two events put into perspective, if you please. We need to bring these two separate events into a clear comprehensive way of understanding so that the relevance is clearly understood.

This enables the two revelations to stand out, and as to why one had to follow the other distinctly.

**Thursday, 29 June 2017:** Nanna Beth, 3<sup>rd</sup> Celestial Heaven: The Rebellion, John, is against the Mother and Father, against Their Love, and Their Truth. It is the rejection of Them, saying: there is no God. It's denying the Personalities that God is. It's rejecting and denying personality interaction, which is all about love. So it's unloving. And to hide that, to pretend otherwise, means the mind has to be used to corrupt one's feelings. To claim: 'I am God, I am love, I am Truth', means I am the only one and all the rest should fuck off and leave me alone so I can get on with my greatness. It's being totally mind-consumed with yourself, with such arrogance, that really you only see yourself in your narcissism, and nothing else and no one else exists.

The sadness of the Lucifer's relationship (Lucifer and his soulmate) is they didn't love each other truly, only by using their minds to pretend they did. Really they hated each other, being so unloving, and had they been true to that, they would have moved to the absolute opposite ends of Creation, there to be in their own greatness telling themselves all day long how wonderful they were – being self-loving the wrong way through their minds. Which is all really: self-hating.

And so we have relationships in which we hate ourselves because we are untrue and unloving, then we come together contriving love for one another, then believe we love God as well and want to do His Will. It's all false, all wrong, all evil, all unloving. That's what we've got to see. That we are rejecting ourselves, and so each other, and God, in every part of ourselves, in every interaction. Really we should be hitting each other continuously on the head, and hitting ourselves too.

The Rebellion is the rejection of true love. Of Natural love and Divine Love.

The Default simply compounds the issue by focusing it all on the relationships. As in, how we live our rebellion is through the Default. Pre-default, humanity was openly rebellious, it was evolving yet lacked personal focus; then with the Default, humanity was able to take it into all that it's become. So we're all living out the truth of Eve and Adam's rebellion, which equals their default.

To heal the Default in us means we have to see the truth of all our unlovingness in our relationships with ourselves, each other, with nature mostly through our relationship with our pets, how we treat animals for food, and the desecration of the environment, and with our Mother and Father. There are lots to it.

And as we see this, it takes us into dealing with our rebellion. We chose to not be loving when we uncover, through our feelings, the truth of how unloving we are. We chose to live true to our Natural love and the Divine Love, so true to ourselves and our Mother and Father. And these are not mental decisions, they are feeling ones. You want to go that way because you feel it's right and good for you, which it is. You feel you don't want to be unloving because it's not right and bad for you, it feels bad.

So in the expression and depths of our feelings, and particularly our bad ones, we can feel how being unloving makes us feel, and we slowly want to be the other way. Which can be difficult because we don't know how that other way is, never having been wholly or truly loving; but you long for it, you want it, knowing it's a possibility and reality that can somehow be achieved. So this is really 'willing' it, willing ourselves to be loving, and ending our willing ourselves to be unloving; and our soul and God complies with our will and so gradually changes us from being unloving into being loving.

I think to help you summarise it, you could simply say: **The Rebellion is against love, the Default is all the difficulties we have in our relationships because of our rebellion. Healing the Default is becoming true – to ourselves and in our relationships, and ending our unlovingness – our rejection of love, so ending the Rebellion.**

I hope this helps John; it might be a bit much. However I put myself back in it as I was so James could relate more to it, as it was important for him to make the will-connection in it as he did.

There is a lot to be talked about and truth seen concerning both the Rebellion and Default, with every person and spirit making their contribution to it as they uncover such truth within themselves. So it's for you to take what you will putting it in your own words. So if you still don't understand some aspect, please ask.

James: I want to add here, something Marion was talking about last night. It's true technically that we are evil and bad and hate, that all having been put on us by default – we didn't ask for it. So in that light, it's not right to keep hating and blaming ourselves for being bad when we couldn't / can't help it. All we can do is accept how we are, whilst seeing the truth of it through our feelings. If we don't like all we see, we express those feelings, even though they make us feel bad, but we don't have to endlessly punish ourselves for being as we are because of what other people did to us.

**WE are to LIVE BY and EXPRESS OUR TRULY LOVING SOUL BASED FEELINGS:**

We arrive into the physical world (at conception) with a pure and free personality and a soul based will that are to be truly and fully expressed. Unwittingly, our carers, namely our mother and father and those close by, set about remodelling our individuality. That is, they shut our personality and self expression down. The result of this is traumatic. This is reflected through our physical body. This childhood suppression is what brings about all of our pains, illnesses, and mental disturbances. Only by embracing our emotional pain and injuries, either good or bad, and longing for the truth of them, and expressing them (talking) through these experiences to a companion, can we release these dreadful encrustments suffocating our true selves and liberate our personality, being our soul. We are to follow our passions and heart felt desires and to live true to ourselves, this is how our Heavenly Parents know us as and this is what we need to return to so that we can find our way home to Them.

## What, there is no God! Who said that?

Well, it was Lucifer, the System Sovereign of Satania, and the Lucifers are high level spirit personalities originating from within our local universe of Nebadon. Being of the Lanonandek class of local spirits, they have never been to Paradise, the home of our Heavenly Mother and Father. Some 500,000 years ago, the Lucifers were appointed System Sovereigns of Satania which contains 619 inhabited worlds, Earth being number 606. It was around 200,000 years ago that Lucifer declared that God did not exist and also rejected the leadership of Nebadon, the Creator Daughter and Son from Paradise, Mary Magdalene and Jesus.

Consider that Paradise is Federal, that Nebadon is State, and we on Earth are Local authorities, rebellious we are!

The Lucifers Rebellion that grew to involve 37 humanities, Earth (local) being one, brought about the isolation of each of the joining into rebellion worlds.

Earth has had no contact with any other civilisation, we now have no connection with our Nature Spirits, Angels are withdrawn from connection, Celestial Spirits have been restrained from communication until very recently. We have had to find our own way out of the Rebellion and Default – ourselves!

The Lucifers induced humanity to live mind-centric and to suppress / ignore our feelings. Further, they had males make women subordinate to them as women are more feelings orientated. With our minds unable to discern truth from false, being addicted to untruth, also addicted to control over the environment and others, humanity is a war mongering machine!

Celestial Spirits may now communicate with Earth's humanity, Nature Spirits may also communicate with humanity, including Angels, all may communicate with those who embrace The New Way, Living Feelings First, engaging in one's Feeling Healing, and with Divine Love, Soul Healing. The doors of communication with Truth are opening. This is after 200,000 years of desolation and silence.

# Garden<sup>of</sup> EDEN

The ADAMITE soulmate Pair, Adam and Eve, were to introduce a pure race of the violet colour. They were to remain true in their relationship and then have their progeny to have children from within this pure violet colour race. This was to continue until the violet race within the confines of the Garden of Eden reached around one million people. Then the community would be opened up to intermingle and mate with the fittest and finest of all the other races being of the other colours of humanity.

The Garden of Eden was then to be a demonstration of the capabilities of the violet race which was being introduced to up-step all of Earth's humanity. Gardens of Eden remain as superb cultural centres and continue to function as the social patterns of planetary conduct and usage age after age. Even in early times when the violet peoples are relatively segregated, their schools receive suitable candidates from among the world races, while the industrial developments of the garden open up new channels of commercial intercourse. Thus do the Adams and Eves and their progeny contribute to the sudden expansion of culture and to the rapid improvement of the evolutionary races of their worlds. And all of these relationships are augmented and sealed by the amalgamation of the evolutionary races and the daughters and sons of Eve and Adam, resulting in the immediate up-stepping of biologic status, the quickening of intellectual potential, and the enhancement of spiritual receptivity.

**Non-Whites are the overwhelming majority on this planet.  
Whites are a tiny minority.**

A humanity is endowed with seven colours, just like the rainbow in the sky!

993,500 years ago, our first humans were the twins, Andon and Fonta and they were redskins having an appearance approaching that of the Eskimos. These red skinned people travelled far from south of the Caspian Sea, reaching Tasmania – Australia’s south, 950,000 years ago!  
Re: The Urantia Book

500,000 years ago the Sangik family in the north- eastern highlands of India had 19 children, 5 red, 2 orange, 4 yellow, 2 green, 4 blue, and 2 indigo (black) – the first and only rainbow family!

These formed groups and sometime later the orange, green and blues died out – killing each other!

Adam and Eve materialised on Earth more than 38,000 years ago and introduced the remaining colour, violet (white). As you can see, there are no black or white people!

Earth’s humanity now has four colours, red, yellow, indigo and violet. They will intermingle and blend to become of an olive complexion!

## The Planetary Adams The Urantia Book

(580.1) 51:0.1 DURING the dispensation of a Planetary Prince, primitive man reaches the limit of natural evolutionary development, and this biologic attainment signals the System Sovereign to dispatch to such a world the **second order of sonship, the biologic uplifters**. These Sons, for there are two of them — the Material Son and Daughter — are usually known on a planet as Adam and Eve. The original Material Son of Satania is Adam, and those who go to the system worlds as biologic uplifters always carry the name of this first and original Son of their unique order.

(580.2) 51:0.2 These Sons are the material gift of the Creator (Daughter and) Son to the inhabited worlds. Together with the Planetary Prince, they remain on their planet of assignment throughout the evolutionary course of such a sphere. Such an adventure on a world having a Planetary Prince is not much of a hazard, but on an apostate planet, a realm without a spiritual ruler and deprived of interplanetary communication, such a mission is fraught with grave danger.

(580.3) 51:0.3 Although you cannot hope to know all about the work of these (Daughters and) Sons on all the worlds of Satania and other systems, other papers depict more fully the life and experiences of the interesting pair, Adam and Eve, who came from the corps of the biologic uplifters of Jerusem to upstep the Urantia (Earth) races. While there was a miscarriage of the ideal plans for improving your native races, still, Adam's mission was not in vain; Urantia has profited immeasurably from the gift of Adam and Eve, and among their fellows and in the councils on high their work is not reckoned as a total loss.

### 1. Origin and Nature of the Material Sons of God

(580.4) 51:1.1 The material or sex Sons and Daughters are the offspring of the Creator Son; the Universe Mother Spirit does not participate in the production of these beings who are destined to function as physical uplifters on the evolutionary worlds.

(580.5) 51:1.2 The material order of sonship is not uniform throughout the local universe. The Creator Son produces only one pair of these beings in each local system; these original pairs are diverse in nature, being attuned to the life pattern of their respective systems. This is a necessary provision since otherwise the reproductive potential of the Adams would be nonfunctional with that of the evolving mortal beings of the worlds of any one particular system. The Adam and Eve who came to Urantia (Earth) were descended from the original Satania pair of Material (Daughter and) Sons.

(580.6) 51:1.3 Material (Daughter and) Sons vary in height from eight to ten feet, and their bodies glow with the brilliance of radiant light of a violet hue (hence the white skinned people now on Earth). While material blood circulates through their material bodies, they are also surcharged with divine energy and saturated with celestial light. These Material Sons (the Adams) and Material Daughters (the Eves) are equal to each other, differing only in reproductive nature and in certain chemical endowments. They are equal but differential, male and female — hence complementary — and are designed to serve on almost all assignments in pairs.

(It was Eve and Adam that introduced the crimson colour skin tone, also blonde, brown and red hair, as well as blue and green eyes. Eve conceived a child after one month of her prior delivery. Nine births in a row would be single delivery with the tenth being twins.)

(581.1) 51:1.4 The Material Sons enjoy a dual nutrition; they are really dual in nature and constitution, partaking of materialised energy much as do the physical beings of the realm, while their immortal existence is fully maintained by the direct and automatic intake of certain sustaining cosmic energies. Should they fail on some mission of assignment or even consciously and deliberately rebel, this order of

Sons becomes isolated, cut off from connection with the universe source of light and life. Thereupon they become practically material beings, destined to take the course of material life on the world of their assignment and compelled to look to the universe magistrates for adjudication. Material death will eventually terminate the planetary career of such an unfortunate and unwise Material Son or Daughter.

(581.2) 51:1.5 An original or directly created Adam and Eve are immortal by inherent endowment just as are all other orders of local universe sonship, but a diminution of immortality potential characterises their sons and daughters. This original couple cannot transmit unconditioned immortality to their procreated sons and daughters. Their progeny are dependent for continuing life on unbroken intellectual synchrony with the mind-gravity circuit of the Spirit. Since the inception of the system of Satania (Earth's local system), thirteen Planetary Adams have been lost in rebellion and default and 681,204 in the subordinate positions of trust. Most of these defections occurred at the time of the Lucifer rebellion.

(581.3) 51:1.6 While living as permanent citizens on the system capitals, even when functioning on descending missions to the evolutionary planets, the Material Sons do not possess Thought Adjusters, but it is through these very services that they acquire experiential capacity for Adjuster indwellment and the Paradise ascension career. These unique and wonderfully useful beings are the connecting links between the spiritual and physical worlds. They are concentrated on the system headquarters, where they reproduce and carry on as material citizens of the realm, and whence they are dispatched to the evolutionary worlds.

(581.4) 51:1.7 Unlike the other created Sons of planetary service, the material order of sonship is not, by nature, invisible to material creatures like the inhabitants of Urantia. These Sons of God can be seen, understood, and can, in turn, actually mingle with the creatures of time, could even procreate with them, though this role of biologic upliftment usually falls to the progeny of the Planetary Adams.

(581.5) 51:1.8 On Jerusem the loyal children of any Adam and Eve are immortal, but the offspring of a Material Son and Daughter procreated subsequent to their arrival on an evolutionary planet are not thus immune to natural death. There occurs a change in the life-transmitting mechanism when these Sons are rematerialised for reproductive function on an evolutionary world. The Life Carriers designedly deprive the Planetary Adams and Eves of the power of begetting undying sons and daughters. If they do not default, **an Adam and Eve on a planetary mission can live on indefinitely**, but within certain limits their children experience decreasing longevity with each succeeding generation.

### 3. The Adamic Missions

(582.5) 51:3.1 On the inhabited worlds the Material Sons and Daughters construct their own garden homes, soon being assisted by their own children. Usually the site of the garden has been selected by the Planetary Prince, and his corporeal staff do much of the preliminary work of preparation with the help of many of the higher types of native races.

(583.1) 51:3.2 These Gardens of Eden are so named in honor of Edentia, the constellation capital (having 100 systems within its administration), and because they are patterned after the botanic grandeur of the headquarters world of the Most High Fathers. Such garden homes are usually located in a secluded section and in a near-tropic zone. They are wonderful creations on an average world. You can judge nothing of these beautiful centers of culture by the fragmentary account of the aborted development of such an undertaking on Urantia (Earth).

(583.2) 51:3.3 A Planetary Adam and Eve are, in potential, the full gift of physical grace to the mortal races. The chief business of such an imported pair is to multiply and to uplift the children of time. But there is no immediate interbreeding between the people of the garden and those of the world; for many generations Adam and Eve remain biologically segregated from the evolutionary mortals while they build

up a strong race of their order. This is the origin of the violet race on the inhabited worlds. (The prodgeny of Eve and Adam were to number around one million before mixing with the races of Earth.)

(583.3) 51:3.4 The plans for race upstepping are prepared by the Planetary Prince and his staff and are executed by Adam and Eve. And this was where your Material Son and his companion were placed at great disadvantage when they arrived on Urantia. Caligastia (Earth's Planetary Prince) offered crafty and effective opposition to the Adamic mission; and notwithstanding that the Melchizedek receivers of Urantia had duly warned both Adam and Eve concerning the planetary dangers inherent in the presence of the rebellious Planetary Prince, this archrebel, by a wily stratagem, outmaneuvered the Edenic pair and entrapped them into a violation of the covenant of their trusteeship as the visible rulers of your world. The traitorous Planetary Prince did succeed in compromising your Adam and Eve, but he failed in his effort to involve them in the Lucifer rebellion.

(583.4) 51:3.5 The fifth order of angels, the planetary helpers, are attached to the Adamic mission, always accompanying the Planetary Adams on their world adventures. The corps of initial assignment is usually about one hundred thousand. When the work of the Urantia Adam and Eve was prematurely launched, when they departed from the ordained plan, it was one of the seraphic Voices of the Garden who remonstrated with them concerning their reprehensible conduct. And your narrative of this occurrence well illustrates the manner in which your planetary traditions have tended to ascribe everything supernatural to the Lord God. Because of this, Urantians have often become confused concerning the nature of the Universal (Mother and) Father since the words and acts of all his associates and subordinates have been so generally attributed to him. In the case of Adam and Eve, the angel of the Garden was none other than the chief of the planetary helpers then on duty. This seraphim, Solonia, proclaimed the miscarriage of the divine plan and requisitioned the return of the Melchizedek receivers to Urantia.

(583.5) 51:3.6 The secondary midway creatures are indigenous to the Adamic missions. As with the corporeal staff of the Planetary Prince, the descendants of the Material Sons and Daughters are of two orders: their physical children and the secondary order of midway creatures. These material but ordinarily invisible planetary ministers contribute much to the advancement of civilisation and even to the subjection of insubordinate minorities who may seek to subvert social development and spiritual progress.

(583.6) 51:3.7 The secondary midwayers should not be confused with the primary order, who date from the near times of the arrival of the Planetary Prince. On Urantia a majority of these earlier midway creatures went into rebellion with Caligastia and have, since Pentecost, been interned. Many of the Adamic group who did not remain loyal to the planetary administration are likewise interned.

(584.1) 51:3.8 On the day of Pentecost the loyal primary and the secondary midwayers effected a voluntary union and have functioned as one unit in world affairs ever since. They serve under the leadership of loyal midwayers alternately chosen from the two groups.

(584.2) 51:3.9 Your world has been visited by four orders of sonship: Caligastia, the Planetary Prince; Adam and Eve of the Material Sons of God; Machiventa Melchizedek, the "sage of Salem" in the days of Abraham; and Christ Michael, who came as the Paradise bestowal Son. How much more effective and beautiful it would have been had Michael, the supreme ruler of the universe of Nebadon, been welcomed to your world by a loyal and efficient Planetary Prince and a devoted and successful Material Son, both of whom could have done so much to enhance the lifework and mission of the bestowal Son! But not all worlds have been so unfortunate as Urantia, neither has the mission of the Planetary Adams always been so difficult or so hazardous. When they are successful, they contribute to the development of a great people, continuing as the visible heads of planetary affairs even far into the age when such a world is settled in light and life.

## 5. Racial Amalgamation — Bestowal of the Adamic Blood

(585.5) 51:5.1 When a Planetary Adam and Eve arrive on an inhabited world, they have been fully instructed by their superiors as to the best way to effect the improvement of the existing races of intelligent beings. The plan of procedure is not uniform; much is left to the judgment of the ministering pair, and mistakes are not infrequent, especially on disordered, insurrectionary worlds, such as Urantia (Earth).

(585.6) 51:5.2 Usually the **violet (white) peoples** do not begin to amalgamate with the planetary natives until **their own group numbers over one million**. But in the meantime the staff of the Planetary Prince proclaims that the children of the Gods have come down, as it were, to be one with the races of men; and the people eagerly look forward to the day when announcement will be made that those who have qualified as belonging to the superior racial strains may proceed to the Garden of Eden and be there chosen by the sons and daughters of Adam as the evolutionary fathers and mothers of the new and blended order of mankind.

(585.7) 51:5.3 **On normal worlds the Planetary Adam and Eve never mate with the evolutionary races.** This work of biologic betterment is a function of the Adamic progeny. But these Adamites do not go out among the races; the prince's staff bring to the Garden of Eden the superior men and women for voluntary mating with the Adamic offspring. And on most worlds it is considered the highest honor to be selected as a candidate for mating with the sons and daughters of the garden.

(586.1) 51:5.4 For the first time the racial wars and other tribal struggles are diminished, while the world races increasingly strive to qualify for recognition and admission to the garden. You can at best have but a very meagre idea of how this competitive struggle comes to occupy the center of all activities on a normal planet. This whole scheme of race improvement was early wrecked on Urantia (Earth).

(586.2) 51:5.5 The violet race is a monogamous people (involving marriage to one person at a time), and every evolutionary man or woman uniting with the Adamic sons and daughters pledges not to take other mates and to instruct his or her children in single-matedness. The children of each of these unions are educated and trained in the schools of the Planetary Prince and then are permitted to go forth to the race of their evolutionary parent, there to marry among the selected groups of superior mortals.

(586.3) 51:5.6 When this strain of the Material Sons is added to the evolving races of the worlds, a new and greater era of evolutionary progress is initiated. Following this procreative outpouring of imported ability and super-evolutionary traits there ensues a succession of rapid strides in civilisation and racial development; **in one hundred thousand years more progress is made than in a million years of former struggle**. In your world, even in the face of the miscarriage of the ordained plans, great progress has been made since the gift to your peoples of Adam's life plasm.

(586.4) 51:5.7 But while the pure-line children of a planetary Garden of Eden can bestow themselves upon the superior members of the evolutionary races and thereby upstep the biologic level of mankind, it would not prove beneficial for the higher strains of Urantia mortals to mate with the lower races; such an unwise procedure would jeopardise all civilization on your world. Having failed to achieve race harmonisation by the Adamic technique, you must now work out your planetary problem of race improvement by other and largely human methods of adaptation and control.

## 3. Post-Adamic Man

(592.6) 52:3.1 When the original impetus of evolutionary life has run its biologic course, when man has reached the apex of animal development, there arrives the second order of sonship, and the second dispensation of grace and ministry is inaugurated. This is true on all evolutionary worlds. When the

highest possible level of evolutionary life has been attained, when primitive man has ascended as far as possible in the biologic scale, a Material Son and Daughter always appear on the planet, having been dispatched by the System Sovereign.

(593.1) 52:3.2 Thought Adjusters are increasingly bestowed upon the post-Adamic men, and in constantly augmented numbers these mortals attain capacity for subsequent Adjuster fusion. While functioning as descending Sons, the Adams do not possess Adjusters, but their planetary offspring — direct and mixed — become legitimate candidates for the reception, in due time, of the Mystery Monitors. By the termination of the post-Adamic age the planet is in possession of its full quota of celestial ministers; only the fusion Adjusters are not yet universally bestowed.

(593.2) 52:3.3 It is the prime purpose of the Adamic regime to influence evolving man to complete the transit from the hunter and herder stage of civilisation to that of the agriculturist and horticulturist, to be later supplemented by the appearance of the urban and industrial adjuncts to civilisation. Ten thousand years of this dispensation of the biologic uplifters is sufficient to effect a marvelous transformation. Twenty-five thousand years of such an administration of the conjoint wisdom of the Planetary Prince and the Material Sons usually ripens the sphere for the advent of a Magisterial (Daughter and) Son (Avonal Pair).

(593.3) 52:3.4 This age usually witnesses the completion of the elimination of the unfit and the still further purification of the racial strains; on normal worlds the defective bestial tendencies are very nearly eliminated from the reproducing stocks of the realm.

(593.4) 52:3.5 The Adamic progeny never amalgamate with the inferior strains of the evolutionary races. Neither is it the divine plan for the Planetary Adam or Eve to mate, personally, with the evolutionary peoples. This race-improvement project is the task of their progeny. But the offspring of the Material Son and Daughter are mobilised for generations before the racial-amalgamation ministry is inaugurated.

(593.5) 52:3.6 The result of the gift of the Adamic life plasm to the mortal races is an immediate upstepping of intellectual capacity and an acceleration of spiritual progress. There is usually some physical improvement also. On an average world the post-Adamic dispensation is an age of great invention, energy control, and mechanical development. This is the era of the appearance of multiform manufacture and the control of natural forces; it is the golden age of exploration and the final subduing of the planet. Much of the material progress of a world occurs during this time of the inauguration of the development of the physical sciences, just such an epoch as Urantia (Earth) is now experiencing. Your world is a full dispensation and more behind the average planetary schedule.

(593.6) 52:3.7 By the end of the Adamic dispensation on a normal planet the races are practically blended, so that it can be truly proclaimed that “God has made of one blood all the nations,” and that his Son “has made of one colour all peoples.” The colour of such an amalgamated race is somewhat of an olive shade of the violet hue, the racial “white” of the spheres.

(593.7) 52:3.8 Primitive man is for the most part carnivorous; the Material Sons and Daughters do not eat meat, but their offspring within a few generations usually gravitate to the omnivorous level, although whole groups of their descendants sometimes remain non-flesh eaters. This double origin of the post-Adamic races explains how such blended human stocks exhibit anatomic vestiges belonging to both the herbivorous and carnivorous animal groups.

(593.8) 52:3.9 Within ten thousand years of racial amalgamation the resultant stocks show varying degrees of anatomic blend, some strains carrying more of the marks of the non-flesh-eating ancestry, others exhibiting more of the distinguishing traits and physical characteristics of their carnivorous evolutionary progenitors. The majority of these world races soon become omnivorous, subsisting upon a wide range of viands (choice or tasty dishes) from both the animal and vegetable kingdoms.

(594.1) 52:3.10 The post-Adamic epoch is the dispensation of internationalism. With the near completion of the task of race blending, nationalism wanes, and the brotherhood of man really begins to materialise. Representative government begins to take the place of the monarchical or paternal form of rulership. The educational system becomes world-wide, and gradually the languages of the races give way to the tongue of the violet (white) people. Universal peace and co-operation are seldom attained until the races are fairly well blended, and until they speak a common language.

(594.2) 52:3.11 During the closing centuries of the post-Adamic age there develops new interest in art, music, and literature, and this world-wide awakening is the signal for the appearance of a Magisterial Son (Avonal Pair). The crowning development of this era is the universal interest in intellectual realities, true philosophy. Religion becomes less nationalistic, becomes more and more a planetary affair. New revelations of truth characterise these ages, and the Most Highs of the constellations begin to rule in the affairs of men. Truth is revealed up to the administration of the constellations.

(594.3) 52:3.12 Great ethical advancement characterises this era; the brotherhood of man is the goal of its society. World-wide peace — the cessation of race conflict and national animosity — is the indicator of planetary ripeness for the advent of the third order of sonship, the Magisterial Son (Avonal Pair).

#### **4. Post-Magisterial Son Man**

(594.4) 52:4.1 On normal and loyal planets this age opens with the mortal races blended and biologically fit. There are no race or color problems; literally all nations and races are of one blood. The brotherhood of man flourishes, and the nations are learning to live on earth in peace and tranquillity. Such a world stands on the eve of a great and culminating intellectual development.

(594.5) 52:4.2 When an evolutionary world becomes thus ripe for the magisterial age, one of the high order of Avonal Sons makes his appearance on a magisterial mission. The Planetary Prince and the Material Sons are of local universe origin; the Magisterial (Daughter and) Son hails from Paradise.

(594.6) 52:4.3 When the Paradise Avonals come to the mortal spheres on judicial actions, solely as dispensation adjudicators, they are never incarnated. But when they come on magisterial missions, at least the initial one, they are always incarnated, though they do not experience birth, neither do they die the death of the realm. They may live on for generations in those cases where they remain as rulers on certain planets. When their missions are concluded, they yield up their planetary lives and return to their former status of divine sonship.

(594.7) 52:4.4 Each new dispensation extends the horizon of revealed religion, and the Magisterial Sons extend the revelation of truth to portray the affairs of the local universe and all its tributaries.

(594.8) 52:4.5 After the initial visitation of a Magisterial Son (Avonals) the races soon effect their economic liberation. The daily work required to sustain one's independence would be represented by two and one-half hours of your time. It is perfectly safe to liberate such ethical and intelligent mortals. Such refined peoples well know how to utilise leisure for self-improvement and planetary advancement. This age witnesses the further purification of the racial stocks by the restriction of reproduction among the less fit and poorly endowed individuals.

(595.1) 52:4.6 The political government and social administration of the races continue to improve, self-government being fairly well established by the end of this age. By self-government we refer to the highest type of representative government. Such worlds advance and honor only those leaders and rulers who are most fit to bear social and political responsibilities.

(595.2) 52:4.7 During this epoch the majority of the world mortals are Adjuster indwelt. But even yet the bestowal of divine Monitors is not always universal. The Adjusters of fusion destiny are not yet bestowed upon all planetary mortals; it is still necessary for the will creatures to choose the Mystery Monitors.

(595.3) 52:4.8 During the closing ages of this dispensation, society begins to return to more simplified forms of living. The complex nature of an advancing civilization is running its course, and mortals are learning to live more naturally and effectively. And this trend increases with each succeeding epoch. This is the age of the flowering of art, music, and higher learning. The physical sciences have already reached their height of development. The termination of this age, on an ideal world, witnesses the fullness of a great religious awakening, a world-wide spiritual enlightenment. And this extensive arousal of the spiritual natures of the races is the signal for the arrival of the bestowal Son and for the inauguration of the fifth mortal epoch.

(595.4) 52:4.9 On many worlds it develops that the planet is not made ready for a bestowal Son by one magisterial mission; in that event there will be a second, even a succession of Magisterial Sons, each of whom will advance the races from one dispensation to another until the planet is made ready for the gift of the bestowal Son. On the second and subsequent missions the Magisterial Sons may or may not be incarnated. But no matter how many Magisterial Sons may appear — and they may also come as such after the bestowal Son — the advent of each one marks the end of one dispensation and the beginning of another.

(595.5) 52:4.10 These dispensations of the Magisterial Sons cover anywhere from twenty-five thousand to fifty thousand years of Urantia (Earth) time. Sometimes such an epoch is much shorter and in rare instances even longer. But in the fullness of time one of these same Magisterial Sons will be born as the Paradise bestowal Son.

## 5. Post-Bestowal Son Man

(595.6) 52:5.1 When a certain standard of intellectual and spiritual development is attained on an inhabited world, a Paradise bestowal Son always arrives. On normal worlds he does not appear in the flesh until the races have ascended to the highest levels of intellectual development and ethical attainment. But on Urantia the bestowal Son, even your own Creator Son, appeared at the close of the Adamic dispensation, but that is not the usual order of events on the worlds of space.

(595.7) 52:5.2 When the worlds have become ripe for spiritualization, the bestowal Son arrives. These Sons always belong to the Magisterial or Avonal order except in that case, once in each local universe, when the Creator Son prepares for his terminal bestowal on some evolutionary world, as occurred when Michael of Nebadon appeared on Urantia to bestow himself upon your mortal races. Only one world in near ten million can enjoy such a gift; all other worlds are spiritually advanced by the bestowal of a Paradise Son of the Avonal order.

(596.1) 52:5.3 The bestowal Son arrives on a world of high educational culture and encounters a race spiritually trained and prepared to assimilate advanced teachings and to appreciate the bestowal mission. This is an age characterised by the world-wide pursuit of moral culture and spiritual truth. The mortal passion of this dispensation is the penetration of cosmic reality and communion with spiritual reality. The revelations of truth are extended to include the superuniverse. Entirely new systems of education and government grow up to supplant the crude regimes of former times. The joy of living takes on new colour, and the reactions of life are exalted to heavenly heights of tone and timbre.

(596.2) 52:5.4 The bestowal Son lives and dies for the spiritual uplift of the mortal races of a world. He establishes the “new and living way”; his life is an incarnation of Paradise truth in mortal flesh, that very truth — even the Spirit of Truth — in the knowledge of which men shall be free.

(596.3) 52:5.5 On Urantia (Earth) the establishment of this “new and living way” was a matter of fact as well as of truth. The isolation of Urantia in the Lucifer rebellion had suspended the procedure whereby mortals can pass, upon death, directly to the shores of the Mansion Worlds. Before the days of Christ Michael on Urantia all souls slept on until the dispensational or special millennial resurrections. Even Moses was not permitted to go over to the other side until the occasion of a special resurrection, the fallen Planetary Prince, Caligastia, contesting such a deliverance. But ever since the day of Pentecost, Urantia mortals again may proceed directly to the morontia spheres.

(596.4) 52:5.6 Upon the resurrection of a bestowal Son, on the third day after yielding up his incarnated life, he ascends to the right hand of the Universal Father, receives the assurance of the acceptance of the bestowal mission, and returns to the Creator Son at the headquarters of the local universe. Thereupon the bestowal Avonal and the Creator Michael send their joint spirit, the Spirit of Truth, into the bestowal world. This is the occasion when the “spirit of the triumphant Son is poured out upon all flesh.” The Universe Mother Spirit also participates in this bestowal of the Spirit of Truth, and concomitant therewith there issues the bestowal edict of the Thought Adjusters. Thereafter all normal-minded will creatures of that world will receive Adjusters as soon as they attain the age of moral responsibility, of spiritual choice.

(596.5) 52:5.7 If such a bestowal Avonal should return to a world after the bestowal mission, he would not incarnate but would come “in glory with the seraphic hosts.”

(596.6) 52:5.8 The postbestowal Son age may extend from ten thousand to a hundred thousand years. There is no arbitrary time allotted to any of these dispensational eras. This is a time of great ethical and spiritual progress. Under the spiritual influence of these ages, human character undergoes tremendous transformations and experiences phenomenal development. It becomes possible to put the golden rule into practical operation. The teachings of Jesus are really applicable to a mortal world which has had the preliminary training of the prebestowal Sons with their dispensations of character ennoblement and culture augmentation.

(596.7) 52:5.9 **During this era the problems of disease and delinquency are virtually solved.** Degeneracy has already been largely eliminated by selective reproduction. Disease has been practically mastered through the high resistant qualities of the Adamic strains and by the intelligent and world-wide application of the discoveries of the physical sciences of preceding ages. The average length of life, during this period, climbs well above the equivalent of three hundred years of Urantia time.

(597.1) 52:5.10 Throughout this epoch there is a gradual lessening of governmental supervision. True self-government is beginning to function; fewer and fewer restrictive laws are necessary. The military branches of national resistance are passing away; the era of international harmony is really arriving. There are many nations, mostly determined by land distribution, but only one race, one language, and one religion. Mortal affairs are almost, but not quite, utopian. This truly is a great and glorious age!

## 6. Urantia’s Post-Bestowal Age

(597.2) 52:6.1 The bestowal Son is the Prince of Peace. He arrives with the message, “Peace on earth and good will among men.” On normal worlds this is a dispensation of world-wide peace; the nations no more learn war. But such salutary influences did not attend the coming of your bestowal Son, Christ Michael. Urantia is not proceeding in the normal order. Your world is out of step in the planetary procession. Your Master, when on Earth, warned his disciples that his advent would not bring the usual reign of peace on Urantia. He distinctly told them that there would be “wars and rumors of wars,” and

that nation would rise against nation. At another time he said, “Think not that I have come to bring peace upon Earth.”

(597.3) 52:6.2 Even on normal evolutionary worlds the realisation of the world-wide brotherhood of man is not an easy accomplishment. On a confused and disordered planet like Urantia (Earth) such an achievement requires a much longer time and necessitates far greater effort. Unaided social evolution can hardly achieve such happy results on a spiritually isolated sphere. Religious revelation is essential to the realisation of brotherhood on Urantia. While Jesus has shown the way to the immediate attainment of spiritual brotherhood, the realisation of social brotherhood on your world depends much on the achievement of the following personal transformations and planetary adjustments:

(597.4) 52:6.3 1. **Social fraternity.** Multiplication of international and interracial social contacts and fraternal associations through travel, commerce, and competitive play. Development of a common language and the multiplication of multilinguists. The racial and national interchange of students, teachers, industrialists, and religious philosophers.

(597.5) 52:6.4 2. **Intellectual cross-fertilization.** Brotherhood is impossible on a world whose inhabitants are so primitive that they fail to recognise the folly of unmitigated selfishness. There must occur an exchange of national and racial literature. Each race must become familiar with the thought of all races; each nation must know the feelings of all nations. Ignorance breeds suspicion, and suspicion is incompatible with the essential attitude of sympathy and love.

(597.6) 52:6.5 3. **Ethical awakening.** Only ethical consciousness can unmask the immorality of human intolerance and the sinfulness of fratricidal strife. Only a moral conscience can condemn the evils of national envy and racial jealousy. Only moral beings will ever seek for that spiritual insight which is essential to living the golden rule.

(598.1) 52:6.6 4. **Political wisdom.** Emotional maturity is essential to self-control. Only emotional maturity will insure the substitution of international techniques of civilised adjudication for the barbarous arbitrament of war. Wise statesmen will sometime work for the welfare of humanity even while they strive to promote the interest of their national or racial groups. Selfish political sagacity is ultimately suicidal — destructive of all those enduring qualities which insure planetary group survival.

(598.2) 52:6.7 5. **Spiritual insight.** The brotherhood of man is, after all, predicated on the recognition of the (motherhood and) fatherhood of God. The quickest way to realise the brotherhood of man on Urantia (Earth) is to effect the spiritual transformation of present-day humanity. The only technique for accelerating the natural trend of social evolution is that of applying spiritual pressure from above, thus augmenting moral insight while enhancing the soul capacity of every mortal to understand and love every other mortal. Mutual understanding and fraternal love are transcendent civilisers and mighty factors in the world-wide realisation of the brotherhood of man.

(598.3) 52:6.8 If you could be transplanted from your backward and confused world to some normal planet now in the postbestowal Son age, you would think you had been translated to the heaven of your traditions. You would hardly believe that you were observing the normal evolutionary workings of a mortal sphere of human habitation. These worlds are in the spiritual circuits of their realm, and they enjoy all the advantages of the universe broadcasts and the reflectivity services of the superuniverse.

## 4. The Violet Race

(850.7) 76:4.1 Adam and Eve were the founders of the violet race of men, the ninth human race to appear on Urantia (Earth). **Adam and his offspring had blue eyes, and the violet peoples were characterised by fair complexions and light hair colour — yellow, red, and brown.**

(850.8) 76:4.2 **Eve did not suffer pain in childbirth; neither did the early evolutionary races. Only the mixed races produced by the union of evolutionary man with the Nodites and later with the Adamites suffered the severe pangs of childbirth.**

(851.1) 76:4.3 Adam and Eve, like their brethren on Jerusem, were energised by dual nutrition, subsisting on both food and light, supplemented by certain superphysical energies unrevealed on Urantia. Their Urantia offspring did not inherit the parental endowment of energy intake and light circulation. They had a single circulation, the human type of blood sustenance. They were designedly mortal though long-lived, albeit longevity gravitated toward the human norm with each succeeding generation.

(851.2) 76:4.4 Adam and Eve and their first generation of children did not use the flesh of animals for food. They subsisted wholly upon “the fruits of the trees.” After the first generation all of the descendants of Adam began to partake of dairy products, but many of them continued to follow a non-flesh diet. Many of the southern tribes with whom they later united were also non-flesh eaters. Later on, most of these vegetarian tribes migrated to the east and survived as now admixed in the peoples of India.

(851.3) 76:4.5 **Both the physical and spiritual visions of Adam and Eve were far superior to those of the present-day peoples. Their special senses were much more acute, and they were able to see the midwayers and the angelic hosts, the Melchizedeks, and the fallen Prince Caligastia, who several times came to confer with his noble successor. They retained the ability to see these celestial beings for over one hundred years after the default. These special senses were not so acutely present in their children and tended to diminish with each succeeding generation.**

(851.4) 76:4.6 The Adamic children were usually Adjuster indwelt since they all possessed undoubted survival capacity. These superior offspring were not so subject to fear as the children of evolution. So much of fear persists in the present-day races of Urantia because your ancestors received so little of Adam’s life plasm, owing to the early miscarriage of the plans for racial physical uplift.

(851.5) 76:4.7 **The body cells of the Material Sons and their progeny are far more resistant to disease than are those of the evolutionary beings indigenous to the planet.** The body cells of the native races are akin to the living disease-producing microscopic and ultramicroscopic organisms of the realm. These facts explain why the Urantia peoples must do so much by way of scientific effort to withstand so many physical disorders. You would be far more disease resistant if your races carried more of the Adamic life.

(851.6) 76:4.8 After becoming established in the second garden on the Euphrates, Adam elected to leave behind as much of his life plasm as possible to benefit the world after his death. Accordingly, Eve was made the head of a commission of twelve on race improvement, and before Adam died this commission had selected 1,682 of the highest type of women on Urantia, and these women were impregnated with the Adamic life plasm. Their children all grew up to maturity except 112, so that the world, in this way, was benefited by the addition of 1,570 superior men and women. Though these candidate mothers were selected from all the surrounding tribes and represented most of the races on earth, the majority were chosen from the highest strains of the Nodites, and they constituted the early beginnings of the mighty Andite race. These children were born and reared in the tribal surroundings of their respective mothers.

(852.4) 76:5.5 Adam lived for 530 years; he died of what might be termed old age. His physical mechanism simply wore out; the process of disintegration gradually gained on the process of repair, and the inevitable end came. Eve had died nineteen years previously of a weakened heart. They were both buried in the centre of the temple of divine service which had been built in accordance with their plans soon after the wall of the colony had been completed. And this was the origin of the practice of burying noted and pious men and women under the floors of the places of worship.

## 6. Home Life of Adam and Eve

(834.3) 74:6.1 The Adamic family grounds embraced a little over five square miles. Immediately surrounding this homesite, provision had been made for the care of more than three hundred thousand of the pure-line offspring. But only the first unit of the projected buildings was ever constructed. Before the size of the Adamic family outgrew these early provisions, the whole Edenic plan had been disrupted and the Garden vacated.

(834.4) 74:6.2 Adamson was the first-born of the violet race of Urantia (Earth), being followed by his sister and Eveson, the second son of Adam and Eve. Eve was the mother of five children before the Melchizedeks left — three sons and two daughters. The next two were twins. She bore sixty-three (63) children, thirty-two daughters and thirty-one sons, before the default. When Adam and Eve left the Garden, their family consisted of four generations numbering 1,647 pure-line descendants. They had forty-two (42) children after leaving the Garden besides the two (2) offspring of joint parentage with the mortal stock of Earth. And this does not include the Adamic parentage to the Nodite and evolutionary races. (105 pure stock and 2 with mortals of Earth)

## 6. Adam and Eve Leave the Garden

(844.3) 75:6.1 When Adam learned that the Nodites were on the march, he sought the counsel of the Melchizedeks, but they refused to advise him, only telling him to do as he thought best and promising their friendly co-operation, as far as possible, in any course he might decide upon. The Melchizedeks had been forbidden to interfere with the personal plans of Adam and Eve.

(844.4) 75:6.2 Adam knew that he and Eve had failed; the presence of the Melchizedek receivers told him that, though he still knew nothing of their personal status or future fate. He held an all-night conference with some twelve hundred loyal followers who pledged themselves to follow their leader, and the next day at noon these pilgrims went forth from Eden in quest of new homes. Adam had no liking for war and accordingly elected to leave the first garden to the Nodites unopposed.

(844.5) 75:6.3 The Edenic caravan was halted on the third day out from the Garden by the arrival of the seraphic transports from Jerusem. And for the first time Adam and Eve were informed of what was to become of their children. While the transports stood by, those children who had arrived at the age of choice (twenty years) were given the option of remaining on Urantia with their parents or of becoming wards of the Most Highs of Norlatiadek. Two thirds chose to go to Edentia; about one third elected to remain with their parents. All children of prechoice age were taken to Edentia. No one could have beheld the sorrowful parting of this Material Son and Daughter and their children without realising that the way of the transgressor is hard. These offspring of Adam and Eve are now on Edentia; we do not know what disposition is to be made of them.

(844.6) 75:6.4 It was a sad, sad caravan that prepared to journey on. Could anything have been more tragic! To have come to a world in such high hopes, to have been so auspiciously received, and then to go forth in disgrace from Eden, only to lose more than three fourths of their children even before finding a new abiding place!

## **So what are our lives all about here on Earth?**

Saturday, 9 December 2023

Our Heavenly Mother and Heavenly Father (God) have created us, their spirit children, by giving us a soul (with a soul-mate) and a unique personality. They then send us as spirits clothed in a flesh body to start expressing ourselves, our personality, in Their Creation, far away from Them on a planet we call Earth (Urantia).

We are then to have experiences through personality interaction, by having things to do with each other, starting with our parents and family, all so with our feelings we can grow in truth, which is the bringing to light the ongoing truth and understanding of who we are as a soul-personality and who our Heavenly Parents are. And we're to ascend through the Celestial heavens having left the Earth as we continue to grow in truth through our feelings, all the way to Paradise, that being the Home of our Heavenly Parents, so we can meet our Mother and Father in person. The whole of this phase of our existence in Creation being one big Ascension of Truth scheme. There are a host of Angels and other Mind Beings that help us spirits in our growth of truth, from being on Earth all the way to Paradise.

All our difficulties we face on Earth have been amplified and greatly increased because many years ago the Higher Spirits that were overseeing humanity, who were supposed to help us grow and evolve and awaken our understanding about we being children of God, rebelled against our Mother and Father. These Higher Spirits said they knew better than God, they knew what true freedom and liberty was, that we can all go it alone, we don't need God, and we don't need to be enslaved to God by having to live God's Will and doing what God wants – by following our Mother and Father's Plan for us; we can ditch that Plan and Them, and make our lives be whatever we want them to be. So the Evil Ones imposed their way on humanity on Earth.

Then added to that confusion, Eve and Adam came to Earth to help uplift the people, they also being Higher Spirits, and they were corrupted by the Evil Ones, they Defaulting when Eve and Adam went against God's Plan, Eve believing she could speed things up a bit, taking matters into her own hand. So all Eve and Adam experienced by Defaulting against their true path, became passed to and integrated in humanity.

So we are conceived on Earth into the Rebellion, by Default. We don't know we're actually rebelling against God, it all happens mostly unconsciously, it being passed to us when we're a child by our parents. So all parents are evilly bringing their children into the Rebellion without even knowing it, so by Default. We believe we truly love our children and our children truly love us, and yet how can that be when we're all living inducted into a truth-denying and love-destroying Rebellion. And we don't understand that, the horror we're actually living, and that is our greatest impediment to our living happily and in total peace and love on Earth.

We have been made right from the beginning to go against ourselves and God. So we are not using our feelings to grow in truth, we are using our mind to stop ourselves honouring our feelings the right way, using our minds to pretend what we believe is truth, when it's not, and is only a lie. We have created with our minds, all the ways of the world, all the religions, all our societies, all what we believe is the right way to live, however it's all wrong, because it's all within, and as result of our being in the Rebellion. So adhering to a religion is only using that religion to keep you bound up in your rebelliousness, that which you took on from your parents, family and society. So all we think is right on Earth, might not be so, it being actually wrong, because we're all around the wrong way, yet without knowing it.

We try to live good and happy lives, yet we're full of bad feelings we keep suppressed because we weren't allowed to express them freely when we were growing up. We use our minds to pretend we're 'in love' and happy, when really deep in our soul, we're all very unhappy and feel rejected and unloved. Our lives are a mind-created delusion based on untruth and erroneous beliefs of the mind, all

but devoid of the truth we need to show us this is how we are.

Being of the Rebellion and Default on Earth, we face a choice that has only just recently been offered to us, because the Evil Ones are no longer controlling the Rebellion and Default, they coming to their natural end.

And that choice is: to keep living the Mind Way we've all grown up in, living denying the true expression of our feelings and so denying ourselves the truth that would come from them, so stopping our true spiritual growth and ascent to Paradise; or, wanting to end living against ourselves, and set out to live The True Feelings Way, a New Way, and one in which we live wanting to express all our feelings, including all our repressed childhood ones, as we long sincerely for the truth of them. All so we can gradually, through our feelings, grow into understanding and living true to our being rebellious, so we're no longer believing we're good and living the right way and with God, understanding instead the truth that we're living the wrong way and doing all we can to stop ourselves evolving all the way to Paradise to be with our Mother and Father.

So we can now either continue living deluded, as we've always been, not having a clue about the true way to live; or we can look to do our Feeling-Healing, and then our Soul-Healing when we also decide to long to our Mother and Father for Their Divine Love. And if you don't live this New Feelings Way, you won't grow in truth, and so will never get out of the mind Mansion Worlds, never healing yourself of the Default and Rebellion, so never being able to completely live back at-one with God in the true and right way, living God's Will by simply attending correctly to our feelings; rather than incorrectly living it, which is not living it, by believing using our mind we are living God's Will because we adhere to the practices and beliefs of a religion.

The Rebellion and Default is ending, and so too can we now end it within ourselves. Humanity is to embrace its Soul-Healing and stop being wrong, unloving and against itself. The next Age of 1,000 years is one to be highly charged by the Angels and other Mind Beings who will assist all people who want to come together and live in 'sanctuaries' doing their Soul-Healing together, with everyone wanting to divest themselves of the Rebellion and Default.

And gradually humanity will come back on track, coming to understand the handicap that's been imposed on it by the Rebellion and Default, throwing it off, and so with everyone who's born in future having a better chance at setting out for Paradise as soon as they become an adult. They understanding how to live true to themselves by living true to their feelings, whilst longing for the truth of those feelings.

### **Summary:**

The Evil Higher Spirits fucked us up by causing us to live denying the truth of ourselves. No matter how good and right people might think they are, they are fucked, bound up in the unloving Rebellion and Default. The only way we can heal ourselves, ending being of the Wrongness, is to do our Spiritual Healing, that being to live the right way honouring and being true to our feelings, looking to fully express them, whilst we long for the truth they are to show us about how wrong and fucked we are. And once free of all our sins and errors, all the pain and suffering, once we've let go of our controlling mind and look to live truly from our feelings, then we'll be full of love, and happy ever after. Living a true spiritual life.

Or even more simply: We're all fucked, and only doing our Spiritual Healing will un-fuck us.

# EVE AND ADAM

Tuesday, 19 December 2023, marks the appointment of Eve and Adam as oversight of Earth's humanity throughout the 3 Celestial Heavens, the 7 Mansion Worlds and on Earth for the coming Avonal Age of the next 1,000 years, as announced officially by Mary Magdalene, coregent with Jesus, of Nebadon.

## OUR GROWTH in TRUTH and PERCEPTION

We may look into the universe and recognise that our Moon is a planet twinning with Earth, we may understand that our star, the Sun is twinned with another star, that there are energy lines throughout space that are literally transport and travel corridors, just like the power grids built on Earth to convey energy. We may see the interconnections and interactions between stars and their planets, yet we cannot see the same between and of people.

Our local universe of Nebadon consists of 10,000,000 inhabitable worlds, being made up of 100 constellations, each constellation having 100 systems with each system having 1,000 worlds. Earth is number 606 of 619 inhabited worlds within the Satania system. Nebadon has 3,840,101 inhabited worlds.

Before we progress beyond Nebadon, our levels of truth and perception will readily recognise the level of truth of any and everyone that we see or meet, how they interact with each other and ourselves, and much, much more. At this stage of our development, we would be higher than the Celestial spirits in consciousness and truth than those in our System of Satania. The Material Daughter and Son, Eve and Adam, who came to Earth 38,000 years ago, were to uplift our spirituality, this is representative of their capabilities. Should they have succeeded in their mission, not Defaulted, then that potential may now be a common feature of Earth's humanity today! Before leaving Nebadon we will achieve levels of truth potentially nearing the levels of the highest spirits and leaders of Nebadon. Eve and Adam are now assisting Earth's humanity to enter and embrace the coming Avonal Age of the next 1,000 years.

HEAVENLY PARENTS

JESUS & MARY

AVONALS

SPHERES of PARADISE being the home of our Heavenly Parents, Mother and Father, within the centre of the 7 super universes.

Unknown number of spheres to progress through to reach Paradise.

Ascending out of NEBADON is beyond the regency of the Creator Daughter and Son, Mary and Jesus.

INFINITE & UNIVERSAL SPHERES, unknown number to progress through within Nebadon.

ETERNAL SPHERES 3 spheres unnumbered. Involvement with Earth finishes.

CELESTIAL HEAVENS are spheres 8, 9, 10.

Divine Love Spirit Healing Mansion Worlds are 3, 5, 7. We are healing our soul!

We all arrive in spirit into Mansion World 1.

Earth Planes 1 and 2 are of Disharmony – Hells.

Mind Spirit Mansion Worlds 2, 4, 6 are all taking us in the wrong direction and into a dead end!

I'D TURN BACK IF I WERE YOU!

AVONAL PAIR

GOD

MARY & JESUS

Throughout the Avonal Age of 1,000 years, their Spirits of Truth will assist us in embracing and engaging with our Feeling Healing and with Divine Love our Soul Healing. They will assist us to develop our soul well into Celestial Heaven status should we persevere with such a goal. The extent to which the Avonal Pair develop themselves while here in the physical on Earth is the level that their Spirits of Truth will be able to assist us. Then it will be Mary and Jesus' Spirits of Truth that will assist us up and out of Nebadon, where our Heavenly Parents will then assist us onto Paradise, Their home.

**SPIRITS of TRUTH:**

Note to Nanna Beth from John:

Sunday, 10 December 2017

There is only our Heavenly Mother and Father that one should long to for assistance with our growth.

Further, to long for the truth of feelings is assisted by embracing our spiritual parents, Mary Magdalene and Jesus, and that is facilitated through their spirits of truth. We now understand that the spirits of truth of the Avonal pair on Earth will also become available to us in due course. These two being able to support our Feeling Healing endeavours.

What other spirits of truth are we able to embrace and what aspects of our life do they assist us with please?

Nanna Beth, 3<sup>rd</sup> Celestial Heaven: There are no other **Spirits of Truth** John. **Those of the Avonal are in fact far more important to everyone than Mary and Jesus' to begin with, because without embracing them people won't be able to align themselves as truly with their soul so as to do their Healing as easily and effectively. It's why no one has been able to do their Healing themselves through all the years of the Rebellion and Default, because the co-ordinated action, support and guidance – direction, of the Avonal's Spirits of Truth have not been available to help. So no one has been able to systematically work their way from the beginning to the end of Healing their wrongness. And so without those Avonal Spirits of Truth, no one on Earth would ever be able to do their Healing. It's as simple as that. So you need their Spirits of Truth to Heal yourselves; then once Healed, (and for support (overshadowing) as well through your Healing), you need Mary M and Jesus' Spirits of Truth to see you through the Celestial spheres.**

James: And later, I was thinking about the Spirits of Truth with Nanna Beth... could you please Nanna Beth talk more about the Spirits of Truth, as it might help John understand their purpose a little more – thank you.

Nanna Beth: **As you can read in TUB (The Urantia Book) John, the Spirits of Truth are liberated upon the deaths of the Avonal pairs or Creator pair following their full physical bestowal on a physical Earth world. So Mary and Jesus' Spirits of Truth have been liberated, and the Avonal pair's will be so upon their death.**

**The Spirits of Truth basically represent all the truth the pair has lived through their life since their bestowal. So the Mother and Father sees to it that the pair live all they need to, so as to liberate within themselves all the truth their liberated Spirits of Truth will liberate, providing help for everyone who might need their help throughout their Age. So they have to go through a lot so as to accommodate the needs of everyone who'll be living through their age. The Avonals having to account for all anyone will Heal throughout their Spiritual Age. Meaning, their Healing will touch on all the depths everyone else will go through so as to provide assistance for everyone. So the long drawn out and extended Healing they are required to do, thereby covering every denial aspect of the Rebellion and Default on a feeling level, so relating to all those levels themselves uncovering the truth of them.**

**The Spirits of Truth have a drawing power, which means, when you look to the Pair for help, which means, you long for the truth or way such a pair lives, that you want to be as they are, you want to live and reveal the same truths to yourself that they have revealed to themselves, then their Spirits of Truth will help you. They will literally draw you up to be like themselves in truth. And as they are a Paradise Origin Soul, so they are literally drawing us up to the divine heart of their own truth, the paradise of their own soul, which in turn leads us onto the Heart of Paradise itself – our Heavenly Mother and Father.**

And we are all to look to them (Mary and Jesus) for the way through Nebadon; and for you now doing your Healing, to look to the newly revealed truths of the Avonal pair. And by wanting to embrace, acknowledge and live such truth, you'll allow their Spirits of Truth to guide you, which means, guide you through your Healing, and guide you through Nebadon. And (this is the most important part) without them, you'd never be able to complete your Healing or find your way out of Nebadon. Or you might, however it would take you so long that the rest of the universe would pass you by. And so until such Spirits of Truth are made available, then everyone has to wait until they are, until they show the way for us to go.

So until Mary and Jesus died liberating their Spirits of Truth, no one from any of the worlds could leave Nebadon, because no one knew the way to do so. So there were an awful lot of spirits waiting for their bestowal so they could move on in their ascent to Paradise, with a general clearing out of Nebadon taking place this past two thousand years. This including many Celestials from Earth, who were free to leave once they'd completed their Healing and attained the Celestial level, and then evolved up through Nebadon.

Anyway, special dispensation is made available for people who want to currently do their Healing before the full liberation of the Avonal's Spirits of Truth. Should people look to them for Healing help and the truth, then such help will not be withheld. So people can start their Healing without having to wait for them to die and liberate their Spirits of Truth.

So the Spirits of Truth streamline everything, and basically we'd all be stuffed if we didn't have access to them. So they, and whom they come from, are rather important and an integral part of our growth of truth.

And really it's one Spirit of Truth from the Avonal or Creator soul, however it's 'split' in two as reflected by the two soul 'halves' or soulmates (soul partners) – by each personality. And we need to embrace both the pair equally, not just one. So if you look to only Mary or only Jesus, you'll not allow both parts, both Spirits of Truth, to work within you. So you won't be able to keep the feminine and masculine aspects of truth harmonised, causing imbalances, which you can see in distortions as reflected by those people only adhering to Jesus via the Padgett Messages or in the Christian religions.

In all the other religions that don't even look to either Mary or Jesus, you've got the wayward mind with no hope of ever finding the truth and moving out of the mind Mansion Worlds. And that would be the same with the Avonal pair, if you look to only one of them you'll be doing yourself a severe disservice, with no hope of ever completing your Healing (as reflected by people trying to heal themselves using alternative self-help methods or their therapists or spiritual leaders, yet not really getting to bottom of the real problems at hand), so people will need to long for help from them both. And we don't need to specifically ask them personally for help (although of course we can should our life move us to be with them), we only need to long for the Truth. They can't help everyone personally because there are too many of us, so that's why they provide us with help from their Spirits of Truth.

And we need that united help to sort out our disharmony concerning the feminine and masculine within ourselves, just as they have sorted it out within themselves. And because you are taking your lead now from the Avonal pair, so you can't go ahead of them, as they need to sort out all the distortions within themselves and their own relationship, so as to offer such help through the light of their spirits, so you can sort yourself out. So they have effectively needed to do most of their Healing before other people can look to them. And it won't be until they've fully completed their Healing that people will be assured that they can fully Heal themselves. So a lot hinges on them completing their Healing, because they then provide the way for everyone else to do their Healing.

And it's not that everyone else will do their Healing the same as the Pair have done it, but that everyone will do their Healing in their own way, yet will uncover the same truths the Pair uncovered for themselves. Which is why Jesus said: follow me, because we are to literally follow him and Mary up through Nebadon once we've finished our Healing, by revealing to ourselves through our feelings the same

truths they revealed to themselves through their feelings. So by the time we complete our Nebadon stage of existence, we'll have lived all the same truths Mary and Jesus lived through their ascent of Nebadon following their bestowal into flesh.

And so it will be the same for people looking to do their Healing by looking to the Avonals. So in no way will the Avonals or Mary and Jesus ever stand in the way of people and spirits getting to the Mother and Father; on the contrary, they will only assist people to look to God and NOT to themselves. Which is what the Avonals can only do and claim, once they've finished their Healing. Which is why they will be reticent to stand up and declare themselves before they've completed their Healing, preferring people don't really know about them, because they don't know about what it all involves themselves until they are fully Healed. Because they know that until they are fully Healed, they'll still inadvertently be leading people astray, or standing in the way of God. However knowing that, they will at least also be able to angle and present their preliminary truths taking that problem into account, so people can avoid such pitfalls with their help.

And once they have completed their Healing, then they can honestly announce to the world, should they feel they want to, that the way is now clear, people can follow them and do their Healing and they won't be standing in their – the New Age has officially begun. That they will then be doing all they can to help people complete their Healing, link up with Mary and Jesus so they can keep ascending through the Celestial levels, all to one day move beyond and out into the greater Superuniverse on the way to Paradise.

James: Thank you Nanna Beth, and just as an aside, the real New Age is yet to begin, it being when the Avonal pair declare it's begun, with the so-called New Age of some years ago being a false mind fantasy new age.

Nanna Beth: Yes, nothing whatsoever to do with the real New Spiritual Age that's soon to begin, however something of a vague forerunner that was something more to do with feelings, even though it was still about looking to the mind to further the control of them.

**Mind-Love is of the Rebellion and Default – misleading AND misled!**

**Spirit-Love is of our Soul – our Soul is always of Truth, always the same and perfect!**

# TRUTH IS ALWAYS THE SAME!

**It will still be a long time before the majority of humanity start to connect with the truth of their soul and come to understand and so appreciate what the Avonal Pair will have done for them.**

**There are, as you know, two major and very different ways of living: the Mind Way and the Truth Way. And the Mind Way is all of the Rebellion and Default, rebellious, evil and wrong.**

**Everything is being turned on its head, what is right and true, we being so deluded and messed around, we don't and cannot know.**

**Everything is to change, changing is commencing to unfold, and leadership is confused as they are resisting the inevitable change yet they cannot interfere with what is to change and that is everything!**

*Ten ducks in a row, but one always misleading or misled!*

*Now through aspiring to live Feelings First, it our Soul based truth that is to lead us out of our mind erroneous beliefs and injuries!*

**TRUTH, in white, is to lead the colourful mind to the truth of our feelings:**

**Our mind is to be in service to truth, our truth, being our feelings!**

Our mind will develop in accordance with our truth, so as our truth evolves, so too will our mind, and that because of that everyone can understand all they will need to, that no one, not even the simplest mind is left behind, because the mind is in service to the truth, and the truth looks after the mind, grateful for its service to help understand the truth. So the mind evolves allowing it to keep up and abreast of all the truth coming up within oneself.

As we grow in truth, and so with that higher truth we are able to look back at our self when we were of a lower truth. And as our mind has come around, in a way we can say it's accepted its new position, being in support of our new truth by giving us increased understanding, given up some control, and is agreeing with us that it is better this way.

Ultimately all ten will be of truth, of Celestial soul condition in their own truth with their feelings leading the minds.

**LUCIFER REBELLION HAS ENDED, and now REVELATIONS for HEALING are HERE:**

**Lucifer soulmate / partner pair**

**Satan soulmate pair**

**Caligastia soulmate pair**

**Daligastia soulmate pair**

**Lucifer** soulmate pair were magnificent beings, a brilliant personality as one. They were designated as one of the one hundred most able and brilliant personalities in more than seven hundred thousand of their kind. From such a magnificent beginning, through evil and error, they embraced sin. They believed that their minds were all powerful and that everyone should be independent and reject the illusionary God and those who lead the path to God, namely Michael of Nebadon (Jesus and Mary).

Very little was heard of Lucifer on Urantia (Earth) owing to the fact that he assigned his first lieutenant, **Satan** (also a soulmate pair), to advocate his cause on our planet. The “devil” is none other than Caligastia (again, another soulmate pair). At the time Michael (Jesus and Mary) was on Urantia in the flesh, Lucifer, Satan, and Caligastia were leagued together to effect the miscarriage of his bestowal mission. But they spectacularly failed.

About five hundred thousand years ago and concurrent with the appearance of the six coloured or Sangik races, Caligastia, the Planetary Prince, arrived on Urantia. There were almost one-half billion primitive human beings on Earth at the time of the Prince’s arrival, and they were well scattered over Europe, Asia, and Africa. The Prince’s headquarters, established in Mesopotamia, was at about the centre of world population.

**Caligastia** had been attached to the council of the Life Carrier advisers on Jerusem. Lucifer elevated Caligastia to a position on his personal staff, and he acceptably filled five successive assignments of honor and trust. The Planetary Prince of Urantia (Earth), Caligastia, was not sent out on his mission alone but was accompanied by the usual corps of assistants and administrative helpers.

At the head of this group was **Daligastia** (soulmate pair), the associate-assistant of the Planetary Prince. Daligastia was also a secondary Lanonandek Son. He ranked as an assistant at the time of his assignment as Caligastia’s associate.

**Lucifer, with deputy Satan, and lieutenants Caligastia and Daligastia have ingrained into the human psyche to be mind dominated with its errors passing down through all parents, being self reliant and rejecting one’s own soul based feelings that are to lead us to our Heavenly Parents with the truths being provided by Mary and Jesus of Nebadon. Lucifer and Satan were removed two thousand years ago, Caligastia and Daligastia have very recently been removed. Their crimes against humanity make Adolf Hitler appear to be a saint!**

# Seven Spirit Earth Planes

Each of the seven Earth spirit planes co-exist in the same space as we do in the physical. We of the physical world are of the coarsest and densest material. Starting with the 1<sup>st</sup> plane, the material within each plane becomes finer, more refined and of greater luminosity. Those within the lower planes cannot see or discern the presence of those in higher planes. Those of the higher planes can move about those in lower planes without them being aware of being present unless they wish to reveal themselves.

Each plane is predominantly for one group of spirit or angel personalities. However, there are sectors within planes where visitors from higher planes can move about freely. No harm or disturbance can be caused by any spirit personality upon another, not even those within the physical Earth existence.

- 7** 7<sup>th</sup> Earth Plane being for visitors from Havona and Paradise, together with the Daughters and Sons of God. This includes Angels who have come all the way from Paradise.
- 6** 6<sup>th</sup> Earth Plane being for visitors from the higher levels of our Local Universe. Higher Daughters and Sons together with higher Angels.
- 5** 5<sup>th</sup> Earth Plane being for visitors from the Celestial Heavens and higher angels and spirits from other parts of Creation, including Finaliters.
- 4** 4<sup>th</sup> Earth Plane being exclusively for Angels, some of which have evolved from Nature Spirits!
- 3** 3<sup>rd</sup> Earth Plane is the exclusive domain of Nature Spirits who are derived from creature life experience on Earth.
- 2** 2<sup>nd</sup> Earth Plane – a ‘Sphere of Isolation’ from which one progresses having settled the Law of Compensation, allowing entry into regular spirit life in the 1<sup>st</sup> spirit Mansion World.
- 1** 1<sup>st</sup> Earth Plane – the darkest ‘Sphere of Isolation’ and closest to Earth. A plane allowing spirits to live in their state of hell because of their grievous inclination to cause harm to others.

**7**

All levels of existence  
coexist in the same space.

You may reach out  
and shake hands with  
all levels of existence!

# Seven Spirit Earth Planes

**FOR 200,000 years ALL SCRIPTURES and Earth based INSTITUTIONALISED SYSTEMS are the WORK of the REBELLIOUS LANONANDEKS:**

**The rebellious Lanonandeks from within our local universe are these soul partner pairs:**

## THE EVIL ONES

**Lucifer pair**  
**Lucifer being System Sovereign of Satania**  
**Arrested and imprisoned 26 CE**

**Satan pair**

**Caligastia pair**  
**Caligastia being Planetary Prince of Earth**  
**Arrested and imprisoned 1993 CE**

**Daligastia pair**

**7** A sector within the 7<sup>th</sup> plane is isolated from all others. This isolated sector is the spirit world prison for the rebellious Lanonandeks, all eight are accommodated within an English manor that is open to tourists on the Earth plane, and thus they have to endure the tourists.

**6** The Greatest Show is on Earth! Since the formal ending of the Universal Contract governing the Rebellion and Default for Earth on 31 January 2018, the 6<sup>th</sup> Earth Plane has been given over to visitors from the greater universe, being those outside of our local universe of Nebadon. The greater universe consists of 100,000 local universes, consequently as Earth is the only humanity throughout that is in Rebellion and Default and is now to heal itself of this, the number of spirit visitors are enormous.

**THE**  
**GREATEST**  
**SHOW**  
**is ON EARTH**

**5** Similarly, the 5<sup>th</sup> Earth Plane has been given over to visitors from within our local universe of Nebadon, having 3,840,101 inhabited worlds. Each local universe being of a similar size. Midwayer spirits provide talks at regular intervals for visitors, and these talks are broadcast throughout the universes.

Earth's humanity is truly a fishbowl being observed by the peoples of all the universes.

# Boundaries of HELL!

Humanity on physical Earth is in Rebellion and Default, thus hell! Upon death we all arrive in the 1<sup>st</sup> spirit mind Mansion World where we typically suppress our poor state and remain in the mind Mansion Worlds indefinitely. Some have a period in the ‘hells’ compensating for the pain they have caused others. Many continue their ‘mind worshipping’. However the way out is by embracing Feeling Healing, and with Divine Love, Soul Healing to progress up through the Crying Healing Worlds and transition out to the first of the Celestial Heavens.

## GATEWAY

Transitioning into the Celestial Heavens is also out of:

## ISOLATION

If you go against yourself, if you’re untrue to yourself, then you are going against God and all God’s laws, and compensation is required to bring you back into the fold, which is what happens through our Spiritual Healing. It’s the Law of Forgiveness, forgiving yourself through self-acceptance, which is dominant in this part of your life. If you cross the line and abuse your children, that being up until they are 21 years old, then you have both levels and amounts of Compensation and Forgiveness to deal with, that which happens as part of your Healing. And as everyone abuses their children, we being conceived into our parents’ rebellion against the truth of our soul, so all who have children have to come to terms with all they’ve done through their Healing.

Kevin 18 Feb 2019

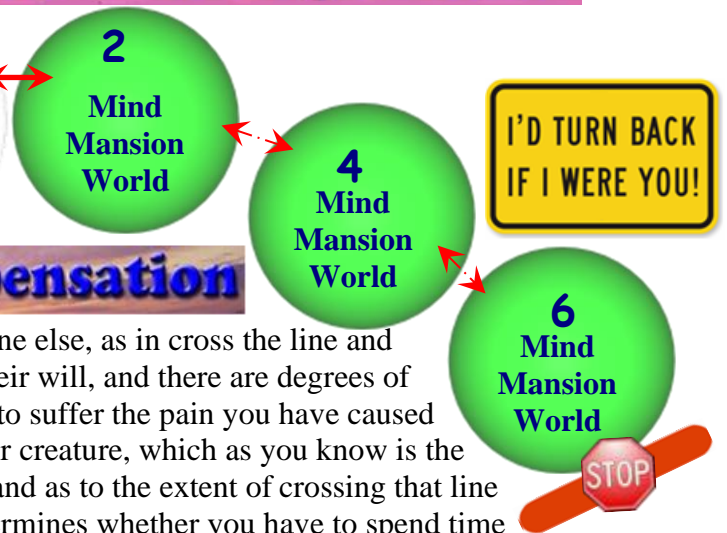

### Law of Forgiveness

### Law of Compensation

If you go against someone else, as in cross the line and grossly interfere with their will, and there are degrees of this, then you will have to suffer the pain you have caused the other person, spirit or creature, which as you know is the Law of Compensation; and as to the extent of crossing that line and hurting another determines whether you have to spend time in the hells or not.

Kevin 18 Feb 2019

The minor ‘hells’ are the lower levels of the 1<sup>st</sup> mind Mansion World whereas the more severe are the Planes of Isolation being the 2<sup>nd</sup> Earth plane with the severest being the 1<sup>st</sup> Earth plane. Pain caused to another is the pain that will be endured before returning to the 1<sup>st</sup> mind Mansion World, all then to consider your Feeling Healing.

## CHANGES

Tuesday, 16 January 2024

As we move closer to the hand over from the Age of the Creator Daughter and Son, being the past 2,000 years, to the coming Avonal Age of the next 1,000 years, the restructuring and leadership organisation throughout Earth's related Celestial Spheres (3) and Mansion Worlds (7) has been unfolding continually this past decade or more and will continue on changing.

Presently: The Material Daughter and Son, Eve and Adam, have been assigned the leadership and guidance for those who embrace The New Way, living Feelings First and undertaking their Feeling Healing and Soul-Healing with the Divine Love. To carry out this function throughout the 3 Celestial Heavens, the 7 spirit Mansion Worlds, and on physical Earth, around a quarter of the Celestial spirits on the 3 Celestial Heavens have moved to be under Eve and Adam's leadership for the coming 1,000 years of the Avonal Age. Those people and spirits on physical Earth and throughout the mind Mansion Worlds 1, 2, 4 and 6, who are yet to become aware of The New Way, Feeling and Soul Healing – living Divine Love Spirituality and doing their Spiritual Healing with the Divine Love, will also come under this administration. As will all the spirits in the Healing Worlds – the Divine Love sectors of the first World, and Mansion Worlds 3, 5 and 7.

There is a great deal of 'reaching down' from the spirits and Angels, as we are endeavouring to 'reach up', with Celestial Spirits becoming more available to the spirits throughout the Healing worlds and to people on Earth who are wanting to do their Healing, assisting everyone embracing their Spiritual Healing. And adding to the help from higher levels, Angels are beginning to make themselves visible to those advanced in their Healing. That including those people and spirits who are presently referred to as Angel Girls and Boys, and Angel Women and Men.

Nanna Beth, John's grandmother, with her soul-group, have a parallel leadership role supporting and assisting those people and spirits who are continuing to live within the rebellious mind ways of the 200,000 year age of the Rebellion and Default; which is going through its ending phases, having formally (technically) ended on 31 January 2018. On physical Earth, those with appropriate psychic abilities, and who commence their Spiritual Healing, may find that they can communicate personally with Nature Spirits, their Celestial spirit guides, Angels; and even their Indwelling Spirit – our Heavenly Mother and Father may be directly and personally communicated with!

The spiritual changes that are now unfolding for humanity on Earth and in spirit are amazing, as well as profound, as we approach the handover from the Creator Daughter and Son, Mary Magdalene and Jesus, to the Avonal Pair.

## OUR PERSONAL ANGEL PAIR

When in doubt, stop, and don't do anything other than expressing your fear, confusion, any negative feelings, all whilst longing for the truth of them, and longing for the truth of the right feelings to act upon.

It is best for all concerned if we can all speak always freely and openly about our feelings. And to keep speaking about them.

It is this new startling revelation for us, realising that our feelings are very important, and the more we can honour and express them, the better we feel in our self... and why... because they are us / me / you!

It's so simple and yet we have missed the whole feeling point, it was never spelt out to us, nor were we in a state of mind to comprehend it, but now we may get it, feel it, and we can put our feeling acceptance and expression into action.

It is essential that the whole of humanity is to spiritualise itself, so as to be able to finally set about freeing itself from the Rebellion and Default, needing the intensity of more enriched Angelic interaction so as to fully End the Rebellion and Default and help people do their Healing and grow in Truth.

People and spirits who do openly engage their Angels, even if they don't have a personal relationship with them, but embrace the Avonal Revelation, will by and large be able to do their Healing quicker, being more wholly supported by their unseen Angels.

Our Angel pairs are constantly 'feeding' us a flow of insight, understanding, recognition of all we are, together with helping us further accept and fully acknowledge all we're feeling, thinking, our erroneous beliefs and unloving behaviour, and helping us be the truth that comes up within us. So they are able to do a huge amount for us when they are freer to be closer and more personal with us in our lives.

Our Angel pair will work united together to help us complete our Healing, and then they will work united together on our greater ascent of Truth to Paradise.

We don't have to officially ask them to come and be with us, just ask away anytime, there need be no formalities or even niceties between them and us, just treat them as our friends who are always with us and always ready to attend to our needs.

And as long as we keep focused on our feelings in our life and expressing them to other friends, people, spirits, all whilst longing for the truth of such feelings, we will keep our spirit life in balance with our Angel life, so not letting our mind seduce us away from our feeling life, be that in the physical or spirit, and we wanting the truth of our self. Bringing the truth of our self to light is all this is about, our relationship with them is ONLY about helping us to grow in the truth of our soul, nothing else, and so if we come to them wanting them to do anything else, any other mind distractions, they will not respond to us. They are of service to us but will not demean themselves by allowing us to walk all over them, they have too much respect for themselves and now too much power which we give them through our personal connection to be able to say no to us if required, rather than always saying yes and doing our bidding uncontested.

They love beginning their 'new' Angel life with us through making this connection, they have been waiting our whole life for this, since we were conceived. We have always had an Angel pair with us because they have needed to be very close and attentive to us to see us through our experience in the Rebellion and Default (System Rebellion 200,000 years ago, and Planetary Default 38,000 years ago), so they know us intimately, and with that knowledge they will be able to continue helping us with our Healing...

No, they do not have wings; however they can appear in any form that suits the occasion.

They love us and are always with us and will always look after us...

We may, from time to time, feel that we do want to just go off and be with our Angels all the time,

so even let this spirit life go in some way, like a little girl or boy wanting to become an Angel, to live with the Angels, to have a good, happy and always loving Angel life, and never having to live with people, spirits, our mother and father and family who hurt us and make us feel bad and always want us to do things we don't want to do, giving us all those bad feelings we hate, wanting to only ever feel good with our Angels who never will hurt and make us feel bad. We may have to work through that, having to accept we can't use our Angels to run away with, that they are not about being with us for that, that they are simply an adjunct to our lives, being with us whether we're consciously aware of them or not, whether we can see them or not, speak with them or not, and so learning, if we need to learn at all, how they are with us, and working to rid ourselves of all the fantasy stuff we've got caught up with them.

It is to talk about EVERYTHING, every slight feeling and thought if you can, because it all just helps to get to know yourself and the other person.

Our Nature spirit companions cannot actually work with our spirit body, making the necessary light adjustments to our spirit system, and even to our physical body, as need be, that only being able to be done by our Angels, and so our relationship on Earth with the Nature spirits will only be mostly intellectual, so they telling people about themselves, Nature and how to live the right way on Earth in harmony with the natural world. And then understand more about the Healing, about how we are to work deeper into our good and bad feelings looking for the truth of them, all of which will take us into uncovering the truth of all such feelings in our negative state, so if they are not true, like any false mind-love 'good' feelings the truth will shine on them as they fade away.

Relationships are the central part and core of our lives!

**The BIGGEST EVENT in the HISTORY of EARTH'S HUMANITY**

It's the biggest thing happening, the Avonal Pair maybe on Earth, only Mary and Jesus being on Earth was bigger. And yet in many ways in terms of the amount of spirits and Angels involved, and then in time the amount of people as well, the Avonal Pair being here is far bigger for Earth than Mary and Jesus.

Mary and Jesus didn't involve other mortal spirits, it was only themselves with their Angels, and the few people who were close to them on Earth. But what the Avonals are doing is affecting the whole three Celestial spheres that are the closest to Earth, so the first three. Not all of those spirits will be directly involved, however indirectly they all will be. It takes some time and effort to catch up and realise how massive this Advent is. It's the most major Spiritual event for humanity. Mary and Jesus of course was a very important event, but it was the most important event for the whole of Nebadon (all 3,840,101 humanities throughout our local universe), they making the Divine Love available to their whole universe and not just to Earth, and although that was important for everyone on Earth, still no one would really benefit from it until now with the revealing of the truth of the Healing (Feeling Healing and The New Way).

It's a once in a million year event – and then never to be repeated!

**LEVEL of SPIRIT LIGHT VIBRATION of EACH WORLD**

It is the level of the spirit light vibration of each world that helps us move deeper into ourselves. That light is perfect Natural love light, and so when we submit ourselves being of imperfect Natural love light, the perfect stirs up the imperfect, bringing our bad feelings up so we can become aware of that imperfection, and that level of our rebelliousness.

So by simply being in the higher Healing Mansion World, its truth vibration requires that we become perfect to that level, which because we're in a rebellious state, means we become perfectly aware and of the truth of that worlds rebelliousness level. And this is how it is all the way with our journey home to Paradise – each step forward we move to a higher level of Truth and consequently, Light.

And the thing is that it's all a done deal, it's just slowly happening and no one can do anything to stop or change or interfere with it in any way. So it doesn't matter what the controllers of the Earth might feel about things, on a spiritual level they have no say; so when the spirit influences of truth start to demand

they account for their sins (earthing of the Law of Compensation), so that's what's going to happen. They'll find themselves doing their hell-time.

It's all incredibly exciting on the spiritual levels, so much is happening on the higher levels that the Celestials themselves can hardly keep up (since before 2017 and throughout the 2020s). The fact that Mary and Jesus are coming to the Celestial levels again so much in preparation for the major change over when they will officially give over their rule to Avonal Pair on the spiritual levels, with many Celestials of the old order (that of Mary and Jesus during the past 2,000 years), those who were 'working' for Mary and Jesus, moving on, and with the new order, 'working' for Avonal Pair taking over. It's a major transition happening on the Celestial level and embracing the whole of Earth and its Mansion Worlds. A major changing of the guard, so all the mind-systems established during Mary and Jesus' two thousand years are being undone and redone asserting Avonal Pair's systems.

So Mary and Jesus are ending their more personal influence giving way for the Avonals, which is pretty amazing, yet also explains why Mary comes to a new lady spirit in the 1<sup>st</sup> Mansion World so much, she being a part of all of these new changes on more mind-technical levels, all of which she still does not understand.

Mary and Jesus are letting the Earth go, putting it into Avonal Pair's hands, so to speak, which when it's complete, when they have completed their Healing and received their blessings from the Eternal Son, Infinite Daughter, and the Mother and Father, then they will have nothing further to do personally with Earth. They will still oversee it all, as they do all the Earths, Mansion worlds and Celestial spheres within Nebadon, but not directly involved in a personal way as they have been. **The Earth apparently was 'theirs', they being made the Sovereigns of it**, but that was only because of the Rebellion, they needing to maintain their personal presence over the world so as not to allow the remaining Evil Spirits, the Caligastias and Daligastias, to regain their control. But ordinarily, the Creator Pair, Mary and Jesus, don't actually 'control' one world, but all the worlds equally in Nebadon. So it's been highly unusual for them to have Earth under their personal control. So now with the Avonal pairs coming to the 37 Rebellion worlds who are to eventually control all these physical worlds, so they are passing the baton to the Avonal Pair for Earth. And for that to happen, there is a huge amount of administration and changing of spirits and Angels, new systems to be put in place, all so everything will function smoothly for the Avonal Pair.

However, which you understand, many of those systems are not just standard universal systems, because those normal systems have all been influenced in many ways by the Rebellion and Default, and so because of that negative influence, the new systems are all having to be put in place accommodating that rebellious influence and then constantly changing again as it diminishes through the doing of the Avonal pair's Healing.

Just how massive the intrusion of the Rebellion and then Default is – massive! It's disrupted the complete way of things for Earth and its Mansion Worlds and the lower Celestial spheres. Nothing is as it should be. So to bring it back into how it should be, and if that can actually ever happen, is a massive undertaking. Mary and Jesus allowed the Rebellion to take place, and allowed it to still go along its merry way for the past two thousand years once they came. So that's a lot of deviation from the normal universal way of things, and much of that has to be sorted out and worked through, coming from the negative into the positive.

So every day new changes are happening. And along with that, most of the Celestial groups that have been overseeing and basically running things in Mary and Jesus' stead, are moving on, ending their time working within Mary and Jesus' Age, and so their well-established places need to be filled with new soul-groups, those who are going to work for James and Marion through the next Age. And a lot of those new soul-groups are only now becoming full soul-groups, there are still Celestials coming over from the seventh Mansion World who are going to play significant roles in the new proceedings.

There is an awful lot of work that goes into the running of an Earth and its earth planes and Mansion Worlds. We of course have no idea, but everything that happens on all the worlds is fully orchestrated by the higher spirits. The Melchizedeks over see it all, however Mary and Jesus delegated everything else to Celestials spirits from Earth, so Earth Celestial spirits oversee Earth and its Mansion Worlds. And this too was highly unusual, as normally other higher spirits and Angels would do that work, and ordinarily the Celestials would work for them on their way up through the Local Universe. But Celestials are in control, and enlisting other Celestials to help them. So since Mary and Jesus came to Earth, very unusual experience has been afforded to the Celestials, and that's still happening with the Avonal Pair. They are going to follow on with what Mary and Jesus started, only there is a changing of the Celestial guard, with the changing of the Age, and so the new Celestial soul-groups are having to learn how to align themselves with the Avonal Pair, so to be able to carry out what Avonal Pair want done as required by their Avonal soul, all still in accordance with Mary and Jesus.

And as to how much say, the Avonal Pair will personally have, we don't know, it's mostly simply done in accordance with their Avonal soul. Certain things of course they will want to happen, and those things too might be out of the ordinary, and yet as consequence of they both having been of the Rebellion and Default and then ending that within themselves.

## GREAT U-TURN, THE CHANGE and the AVONAL AGE:

Monday, 24 December 2018

Nanna Beth – 3<sup>rd</sup> Celestial Heaven: The ‘Great U-Turn’ is what is happening now, it being the overall description denoting humanity turning away from following and advancing the Rebellion and its evilness as seen by living increasingly in a truth-denying state, to wanting to live true, to love truth, and to be truth-accepting. All of which comes about ultimately by doing your Healing, as you become the living truth as it’s revealed to you and also by people, like yourself John, who are currently more intent on understanding about it on an intellectual level. Both are needed, everyone who wants to embark upon their own personal U-Turn and the collective one of humanity, needs to understand a certain amount of what it’s all about with their mind as they work to bring the truths to light within themselves through their Healing. So anything to do with ‘reversing’ the Rebellion and Default is all part of the U-Turn. And it starts in a very small way within the individual, as it has already with the whole of humanity, being reflected by yourself and the others of your small band, who are wanting to live it and have accepted and believe it’s happening.

The Change, as such, is the same thing really. However technically, The Change begins with the dawning of the new Spiritual Age – the Avonal Age. The Change as I was referring to it yesterday was to highlight that once the Avonal Age begins in earnest, EVERYTHING will change. So currently, even though the Change and U-Turn have ‘begun’, it’s early days, just the ‘scouts’ going out in all directions in preparation for the ‘main event’. So technically we can’t say The Change has begun, whereas in time when Mary and Jesus’ age ends and the Avonal Age begins, then we can say it has begun. Whereas we can say the U-Turn has begun, it being a more vague term and not a technical definition.

# THE CHANGE

Also, James has written about The Change in his Sage novels in reference to all I have said above and also the Earth Changes, including the Pole Shift. However the Pole Shift, were it to come during the Avonal Age, would then be part of The Change, The Change being the whole 1,000 years. It’s going to take the whole 1,000 years to implement on the parent to child level the necessary Changes so as to ensure that the effects of the Rebellion will truly come to an end, with that “end” still going beyond the Avonal Age to complete. So the Pole Shift is just a physical phenomena, and certainly of itself it will cause great change, but it doesn’t of itself affect any spiritual change against the Rebellion and Default, and in the past it has helped humanity go deeper into its wrongness.

So the real Change I’m talking about is spiritual and involves the ending of humanity’s truth denial. That’s the most important part, to help people see they are living against the Truth, of themselves and of God, and that all they are doing is part of that, and that if they want to end that, they will have to do their Healing. So the Change will be with the awakening to that, a consciousness shift, a vast change to the mind of mankind as it considers the state it’s in: that ALL it is doing, ALL it’s believed was right, ALL of it’s religious and spiritual beliefs, outlooks, attitudes, are all only keeping it in its truth-denying state.

Imagine the whole of humanity understanding and focused in the direction of knowing everyone is suffering because of being under the Rebellion and that it doesn’t have to be that way. So people increasingly living in the wrong direction and going further against themselves, once The Change fully starts, won’t be able to evolve further into a deeper or greater rebellious state. However stagnation within where it’s stalled will

Imagine the whole of humanity understanding and focused in the direction of knowing everyone is suffering because of being under the Rebellion and that it doesn’t have to be that way. So people increasingly living in the wrong direction and going further against themselves, once The Change fully starts, won’t be able to evolve further into a deeper or greater rebellious state. However stagnation within where it’s stalled will

be a big issue for a lot of people and mind spirits, those people and spirits who don't want to accept that's how they are is all wrong.

So you can say the Great U-Turn has started, the writing is on the wall for the Rebellion and Default. And when the Avonals come of age, when they finish their Healing and openly (publicly) declare who they are to the world (even if that world is only a very small group of humanity), then The Change will have begun.

# **REBELLION** & **DEFAULT**

And once The Change officially begins, there is no turning back. After the Avonal Age, humanity will be given the chance to resume its evil ways and turn its back on The Change and all the Avonal Age has done, and certain people and mind spirits will want to do that. However they won't be able to change the momentum being lived by those who are intent on living true to themselves and God through their feelings. (The availability of Divine Love may be withdrawn for the following spiritual age.) Still in all fairness humanity has to be given the opportunity to decide whether or not it wants to fully heal itself, and without having imposed on it such strong influences as caused by the Avonal presence. But that's all a long time off.

So the Avonal Age is a specific Spiritual Age (which you read about in TUB – The Urantia Book), giving rise to The Change in which humanity ends its truth-denial and living unlovingly against itself and its Mother and Father, all of which is the Great U-Turn.

# Avonal AGE

How are we rejecting our  
Heavenly Mother and Father  
multiple times everyday?

It is through ignoring our feelings!

Our feelings are expressions of our  
soul guided by our Indwelling Spirit  
who is our Mother and Father's  
spirit within each of us.

We are to live true to our feelings!  
It is that simple!

What do our Heavenly Parents  
desire for us to do?

To ask for Their Love,  
Their Divine Love!

Just to ask our Heavenly Mum and Dad  
for Their Love.

**LONG to KNOW ABOUT what you are FEELING!**  
**Long to understand the truth behind**  
**what your feelings are pressing upon you.**

**Ask to know the truth about that which you feel.**  
**It is knowing the truth of that**  
**which you feel that sets you free!**

**Always be true to your feelings**  
**because they are your truth**  
**and truth is love and our way home!**

**Express your feelings to those who matter to you.**  
**Suppressed feelings bring about pain and illness.**  
**Talk it out to a friend!**

From our head to our toes,  
what our feelings say goes!

Feelings, good and bad, are to be expressed.

Heartfelt feelings are our truth.

Then we are to continue by longing for  
the truth that our feelings are to reveal to us!

Avonals - Magisterial Daughter and Son

Machiventa Melchizedek, to this day, continues to oversee the plan that was evolved more than 4,000 years ago to progressively open cracks in the Universal Contract governing the Rebellion and Default instigated by Lucifer 200,000 years ago. With 'federal' authority, the Creator Daughter and Son brought about the Lucifers and Satans' spirit world imprisonment 2,000 years ago, and set the Avonal bestowals in place.

The commencement of the Padgett Messages on 31 May 1914 triggered the bestowal of the Avonal Pair for Earth's humanity. The Avonals' 'state' authority brought about the Caligastias and Daligastias spirit world imprisonment in 1993. The Avonals' healing of what they have taken on of the Rebellion and Default ends the Rebellion and Default. Now we can all follow and progress on the pathway to Paradise.

# The HELLS are too EMPTY!

Through the intervention of a Magisterial Daughter and Son, an Avonal soul partner pair, from Paradise, we of Earth's humanity are now being shown how to heal ourselves of what we have each taken on of the Rebellion and Default. We are being shown and made aware of how to live true to our feelings and to long for the truth of what our feelings are to show us. We are to live feelings first and have our minds follow to implement what our feelings are guiding us to embrace.

**Earth Planes 1 and 2 are Spheres of Isolation and Disharmony for the Law of Compensation – 'Hells'**

**WE ARE  
THE TRUTH  
SEEKERS**

We are the Truth seekers. Our minds cannot discern truth from falsehood. Our soul-based feelings are always in truth. As we embrace and live through our feelings we will step away from error. As we learn and express our feelings, both good and bad, we will release the errors that we have absorbed during our childhood suppression and ongoing repression, thus healing ourselves of our personal Rebellion and Default.

As we progress with our healing, then we will transgress the ceiling of the mind's limitation (499 on Dr Hawkins' Map of Consciousness) and embrace our potential which is to infinity through our soul-based feelings of Truth.

The quickening of the Law of Compensation, as a consequence of the emerging 1,000 year Avonal Age now commencing, for those who set their 'minds' to cause harm to another may progressively find themselves being debilitated with the equivalent of the pain they intend to inflict, thus preventing the error being executed. Within the spirit mind Mansion Worlds, this is instantaneous. How this is to unfold on Earth is yet to be understood. However, injuries to others will be compensated for while one lives within the physical on Earth, thus the progressive emptying of the Hells will unfold. This will bring about an era of peace on Earth as conflict and war will be impossible.

Heavenly Mother  
and Father  
'Love'

Eternal Son of 'Truth'

Infinite Daughter of 'Mind'

Jesus and Mary's soul are different in design than ours. They are a Creator Daughter and Son, or similarly referred to as Michael Daughter and Son soul, and within their soul is expressed only two of the Primary Aspects of Deity. They are of the Mother and Father, our Heavenly Parents and the Eternal Son.

Avonal Daughters and Sons are expressive of the Eternal Son and Infinite Daughter.

The core of humanity (us mortals of Earth) is of the Truth and Mind, and then with the addition of the Indwelling Spirit, we can then relate to the Love.

And with the Avonal pair now on our world (Earth), they too expressing the Son of Truth and Daughter of Mind, we actually are far better suited to relating to them than we are to Mary and Jesus.

# Light of Truth of PASCAS

Throughout the evolution of Pascas, Pascas has been gently guided and supported by its Council of Elders from within the Celestial Heavens. All documentation, all concepts, all who have interacted with the forming of Pascas WorldCare and the various arms, have been in response to the guidance from our Celestial Council of Elders – from within the 3<sup>rd</sup> Celestial Heaven. Throughout the coming millennium, our Celestial friends will be guiding and assisting Pascas WorldCare.

## COUNCIL of ELDERS

**Council of Elders now around 13 soul-groups from the 3<sup>rd</sup> Celestial Heaven**

Communications between the Celestial Council of Elders and those within the physical administration of Pascas World-Care will be via those who complete their Feeling Healing on Earth, as years go by.

## Avonal PAIR Oversight

The administration of Pascas may be also supported in their interconnectivity with our Celestial guidance, through those within Pascas and its administration who are sensitive in their nature and are able to perceive guidance from our Celestial companions on this journey of delivering the Great U-Turn. It is through the nature of sensitivity that Celestial Spirits have interacted with Pascas during decades of formative years and the establishment of the foundations for Pascas for the next 1,000 years.

## LIGHT OF TRUTH

Pascas as an entity, due to the contributions from our Celestial friends, is functioning within the 5<sup>th</sup> Divine Love spirit Mansion World's level. Further, the Pascas Papers that are designated as references for Feeling Healing and Divine Love are within the level of Truth of the highest of the Celestial Heavens. Pascas will be supported in this manner for the coming millennium.

**FEELING HEALING and SOUL HEALING with the DIVINE LOVE:**

**James Moncrief Publications:**

**all publications are free downloads:**

<http://divinelovesp.weebly.com/my-free-books-and-free-padgett-messages.html>

It is suggested for one to consider reading as follows:

**Speaking with Mary Magdalene and Jesus – books 1 – 4**

These four books encapsulate the second of the revelations with the first having been introduced by James Padgett one hundred years previously. These four books provide a wide range of guidance that has never previously been made available.

**Soul Light – books 1 and 2**

A Melchizedek, Zelmar, sums up how we are to heal ourselves and ascend to Paradise.

**Paul – City of Light**

As a gentle intro into the Divine Love and Healing; being James Moncrief's first novel.

**Ann and Terry**

An example for people who might want to immediately start working on themselves and doing their Healing.

**Feeling Bad? Bad Feelings are GOOD**

For more understanding about our denial of our feelings and why we should not deny our feelings, and it includes how it all came about for James, using himself as an example.

**Feeling bad will make you feel BETTER – Eventually!**

This includes specific examples of Marion and James working on expressing particular bad feelings, again with the hope that it will help others gain something of an idea as to what's involved in doing your Feeling Healing.

**Sage – and the Healing Angels of Light**

Through Sage who's 13 years old, the story is primarily about the two aspects of healing; that being, with the help of our angels, and the full Healing we can do by looking to our feelings for their truth.

**Religion of Feelings  
Feeling Healing**

**Welcome to LOVE – the Religion of Feelings  
you can heal yourself through your feelings**

So these books, including the four Speaking with Mary Magdalene and Jesus books, provide the essence of it all and are examples of James' work. Then it's up to whatever takes one's fancy. Other reading to consider may include:

**The Padgett Messages being published as:**

**The True Gospel Revealed Anew by Jesus volumes 1 – 4**

**Book of Truths by Joseph Babinsky**

**The Urantia Book**

**Release one's pain through expressing one's feelings.**

**in conjunction with**

**Longing for the Truth when also longing for Divine Love.**

**FEELING HEALING with DIVINE LOVE is SOUL HEALING:**

*A collection of 'papers' that draw together specific topics including all of the above and more from other sources of information and revelation designed to help increase one's awareness about why we have the problems we do and how to heal them, all whilst living a more healthy and sustainable life. They provide a brief snapshot of the more complicated topics and issues.*

**Firstly, consider discovering the truth of your emotional pain through Feeling Healing.  
Secondly, consider longing for our Heavenly Parents' Love as you progress with your healing.  
Primary and most important readings are the writings of James Moncrief.  
Then consider the Padgett Messages, and then The Urantia Book.**

PAPERS**

**DIVINE LOVE and DIVINE TRUTH Revelations and Teachings escalating:**

As we progressively become aware of the availability of Divine Love and embrace our Soul Healing, more and more profoundly developed teachings will be introduced to us by our Celestial Spirit friends.

Divine Truth teachings will continue to expand in detail and complexity as we become ready and willing to receive same through doing our Feeling Healing. This journey was commenced for us by James Padgett and James Moncrief.

- 101 Years: **FEELING HEALING and the DIVINE LOVE:**
- 2013 – 2014 Speaking with MM & J
- 2007 – 2010 Comments on Padgett
- 2005 Paul – City of Light
- 2003 Soul Light
- 2003 Messages Mary & Jesus
- 2002 The Rejected Ones
- Various auxiliary writings including
- 1954 – 1963 Revelations via Samuels
- 1914 – 1923 Padgett Messages

Are we ready and willing to embrace what is waiting for us to enjoy?

We are a young experiential inhabited planet. As we grow in Love and embrace our Feeling Healing, then we become into a condition by which we can ask for and receive guidance in how to achieve developments for the benefit of all of humanity.

As we apply these gifts freely for the welfare of all, then we will be provided assistance to advance our capabilities. Energy enables communications which in turn enables universal education. With education everything is possible.

**UNIVERSAL Roadmap and Structure**  
1925 – 1935 The Urantia Book

A photograph of two young boys playing in a stream. The boy on the left is holding a large, green leaf over his head as a makeshift umbrella. Both boys are smiling and appear to be enjoying the water. The background is a lush, green forest with sunlight filtering through the trees.

**Great Gifts through our Feelings are:  
The Awareness of our Heavenly Mother  
and Father**

**That our soul is a duplex – both male  
and female – one soul, two personalities**

**That Feeling Healing with Divine Love  
is our pathway to Paradise – our true  
home**

**Freely expressing our Feelings to a  
companion is expressing our true  
personality – the personality bestowed  
upon us by our Heavenly Mother and  
Father – our true Mum and Dad!**
