## THERE is ONLY ONE WAY to HEAL ONE'S SELF!

We are to live embracing and engaging with our feelings. It is our soul-based-feelings that are always in truth. As our feelings emerge, long for the truth that they are to show us. Should the feeling be good or bad, this is the source of truth that we all have within ourselves. We are fully endowed with the truth that we are to express through being engaged with our feelings.

For the past 200,000 years, all of humanity has been taught to engage with their mind and that through the mind, we could solve all matters and achieve everything. We have believed that we were god. The outcome is worldwide unhappiness, destruction and illness. This will continue to get worse until we embrace our feelings and look to the truth they are to show us.

While we have been avoiding our feelings, the help that is available to each and every one of us has stayed out of reach. We now can receive that help. And such help will assist us to heal all aspects of our physical, spiritual and soul. It is not easy, however, we now know what is required.

The rebellion and default are now ended, so now we are to remove the impact of the misguidance that we all have embraced.

Aspiring to Living Feelings First

*Brian Iverach, Graham Golding, Jim Baker and John Doel*

**By living true to ourselves, true to our feelings, we are living true to God. It's that simple.**

**The New Way: Learning how to live true to ourselves by living true to our feelings.**

**With Verna – a Nature Spirit**

by James Moncrief  
15 June 2013

James: Hello dear Verna, are you there?

Verna: I'm here!

James: Verna, I was reading about doing things, natural things, although I can't remember what it was now, that supposedly cleansed your thyroid gland, it being supposedly instrumental in one's spiritual development. And that if you went to a chemist and got a pH kit and tested the pH of your saliva; and if you were acidic to then buy a certain salt, which I've also forgotten what it was, which would make your system very alkaline; and by doing so would kill any cancerous cells because they only come and can only exist in an acidic environment, and that our bodies should always be alkaline to protect us from such things. And then how we can and even should also do things to raise our kundalini all so we will increase our vibration, our light, and so raise up above all the lower things that are trying to harm us. And I was wondering what your comments would be about such things.

Verna, a Nature Spirit: My comments James, are why not, if you want to live without using your feelings to uncover the truth of yourself as we've been talking about; if you want to live continuing on in your negative state, then sure, you can do such things, all being in keeping with you trying to control yourself, your life, the environment you live in, all by using your mind. If you want to further progress in your evilness and you believe it would be good for you, why not, go ahead and see what happens as you're free to do all you please.

However, if you want to do your feeling-healing, as you and Marion are doing, wanting to live true to your feelings and stop denying yourselves, then you don't need to do anything other than keep trying to accept and express and long for the truth of your feelings, and as you progress in your healing, so all such things will be naturally taken care of for you.

You see, it's all about whether you want to live using your mind to try and organise and control everything, or your feelings over which you have no control. And currently everyone uses their mind. So you are all trying to work out how you should live, what is the best way by using your mind, such as are all your religious and spiritual systems, all based on your minds. They have all been created by minds to be lived by minds. But what I am suggesting to you, is if you can give up that way of life, as it's the wrong way to live and is detrimental to your spiritual wellbeing, and instead live true to your feelings, meaning you look to your feelings to guide you, you will heal yourself of all that's wrong within you on all levels – all your personality denial as shown by your feeling denial, so all your evilness. But that doesn't mean to say, I have this feeling to do... and so you act on that feeling doing it, it means you use your feelings to help you understand the truth of why you are having the feeling, why you are feeling as you are, and in doing so you will grow in truth, and then you will change and adjust to living true to your feelings instead of being under the controlling influences of your mind. But to give up that which you are wrongly doing is very hard and complex, and I would refer readers, if they interested in doing such things, to visit your other websites.

James: Yes, okay, so let's get back to you nature spirits. So if we want to continue living using our minds to control everything, then you leave us to it, largely not interfering with us?

Verna: That's right, we can't, it's not our place to. And so you go on dreaming up your little fantasies about our kind, saying such things – all made by your minds – like we are little fairy people, elfin folk, sprites and elves and hobbits and the like, when we're not at all, we're little angels of light. And you carry on in your delusion that you know all about us, but you know nothing, you don't have any real

understanding only that vaguely you understand that we exist. But you have no idea as to how we might be involved with you, such as I am now with you James, and only when you want to know the truth, and live a feeling-led life, and so, do your healing, will we be able to come to you and help you understand about who we are and what we can do with you. And as I said, in future, for those people seeking to live true to their feelings, some such people will have a very strong and personal and illuminating relationship with nature spirits, because you are going to need our help to help rectify the damage that your untrue, and mind-controlling way of life, is inflicting on nature.

James: But seriously Verna, will that ever happen. How we currently are is hell-bent on controlling every aspect of nature, there will be lucky if anything wild remains in a couple of centuries?

Verna: It will happen James, but I can't tell you more about it, it's not for me to do so. But changes are coming to humanity and you're currently on the threshold of them starting in earnest, and this will lead to people wanting to stop living untrue and evilly, stop living denying their bad feelings and so any part of themselves. And it will be these people to whom we will come when the time is right, making ourselves known to them, should it be part of their life experience. But as I said, and I want to make it quite clear, for those people who choose to stay as they are, caught up in their mind control, then we will keep our distance, and so they will remain ignorant of what we truly are.

James: So future humanity, as in those people looking to heal their negative states through their feelings, will work closely with you in fixing the planet, bringing it back into its perfect condition?

Verna: Yes. As they fix themselves up by bringing themselves into their perfect state by healing all of their negative condition, all their mind state that is heavily feeling denying – all the bad feelings you refuse to allow yourself to feel, so too will there be a desire – which we can then come to you and act upon – to also fix the natural world. So such people seeking to fix their inner world – themselves by growing in truth, so too will they seek to fix the outer world, and for some people that will be with our help. For a lot of people they might be unconsciously aware of our help and all we do together, yet we will be inspiring thoughts and feelings; but for others who can speak to us in their minds and see us with their spirit eyes, it will be a far more personal relationship. And we have teams of nature spirits that are preparing for such close and personal work with those humans. And we're greatly looking forward for it, because since the Rebellion all those tens of thousands of years ago, we've been forbidden to work so closely with humanity as these people will enjoy.

We have been able to come to people a little in the past and currently, but really only enough for you to keep the mythology and fantasy of our existence going. You know there is something about the Little People of Light, but you can't quite pin us down. But in future, as I say, those people doing their healing who are to consciously work closely with us, will enjoy a very rewarding relationship with us.

James: I certainly have with you Verna. You've not helped me to help fix nature in a hands on way, but you've sure helped me to understand a little more about nature and your kind. And you've helped me to fix myself.

Verna: And it's got to start somewhere James. So you are in your way helping nature by being more nature-aware and loving, and understanding more about where you are going wrong. And it all helps. And potentially people might read what we write together and accept that there is more to us nature spirits than what they first thought, and even consider doing their healing; and some people will be given very practical helping advice as to how you can make things better. But unfortunately, things overall are going to get a lot worse for nature before they can start to get better. But the seeds can now be sown by us with those people who are intent on healing themselves, of seeking the whole truth of themselves and

living true to their soul.

**James: Verna, can you go over again please our true relationship with disease – how it comes about within us?**

Verna: Certainly. It's all very simple. You are first and foremost a soul. And your soul is expressing you, its personality in Creation, as your physical and spiritual self. And your soul has been created by God as being perfect. However God, for reasons God will one day inform you of, has made it so that your soul incarnates into evil, into a negative state, into a mind controlling state, mind controlling feelings. And that's imperfect, it's not as it's meant to be, it's meant to be mind supporting but never interfering with feelings.

And so, right from the first moment of conception you are being brought into wrongness, into imperfection, into a life in which you are taught, it's forced upon you whether you like it or not, to be untrue to yourself, this being shown by how many bad feelings you stop yourself from feeling, doing all you do to try and keep the bad ones away.

And you were made to do this right through your forming years, so it's what you keep doing as an adult. And in doing so you are then not functioning perfectly, or positively, so you are negative and anti-truth, love and all that's right and good, and so anti-yourself as in all your feelings. And this way of living in feeling denial with your minds in control of everything is evil, because it's really saying that you know what is best for you, you know everything, you know how it's all meant to be, and so you know better than God does.

But you don't. So you are trying to be gods, but will fail at it, as it's not the right way for you to live. And so you need things to happen to you, inside your system and personality structure and outside it, all which will make you feel bad. Because if you accept those bad feelings instead of denying them and pushing them away, then they will lead you and show you why you feel bad, so, what you're doing wrong to yourself. So, how badly you are treating yourself, how you are not as self-loving as you might believe you are, and so how you treat others and nature and even God as you are treating yourself – evilly.

So when you get sick, your soul is doing all that for you, all so as to help you feel bad, all so in theory you will see through your bad feelings that you are not right and so are going the wrong way. But what do you do, as soon as you see a sign of a disease, and even to prevent you ever seeing a sign, and all because you don't want to feel the bad feelings it will make you feel, you go off to the doctor or do whatever you can, change the pH of your system, eat the 'right' foods, take your pills and potions, all to stop yourself being sick and having the disease in you, all so you can stop feeling bad. Your soul can't hold up a sign in writing in front of your face saying 'Wrong Way, Go Back', so instead it does by making you sick. So when it's time for you to be sick, time for you to feel bad, so you draw to yourself, all being done by the light of your soul to bring about the illness or whatever it is you need.

Whether it's stubbing your toe, catching a cold, suddenly developing cancer, having a mental breakdown, feeling stressed, whatever, including all the things that might happen to you to feel bad, all so you do FEEL BAD. And your soul is only doing that for you, all because the truth is: YOU ALREADY ARE FEELING BAD. So your soul is making you feel bad in your life through disease of bad things happening to you, so you can use those feelings now in your adult life, to help you go back into yourself to connect with those same feelings that you've chosen to deny yourself, all the ones from your early life you've suppressed, failed to express, and kept repressed. So the idea is, as you are packed full of unexpressed bad feelings, all because your parents didn't allow you to express them, so they all have to one day come out of you, but if not now during your physical life, then when you are in spirit.

Like attracts like, which means your soul will draw to you and so create experiences for you, that will, if you choose to live a feeling-led life, lead you to uncover the whole truth of yourself, nature and God. But whilst you continue to not use your feelings to lead you to the truth, so you'll keep using your mind to deny many of your feelings, and so keep making your soul have to make bad things happen and make you sick in the hope that one day you say, oh, enough is enough, how I am living is obviously not working because I keep feeling bad all the time, so what is going wrong. And if you then choose to do your feeling-healing, so your soul will no longer need to make things happen inside and outside of you to make you feel bad, because you'll be fully honouring and accepting and expressing and longing for the truth of all your feelings, you'll no longer be denying any of them.

**So the way to truly rise above disease, is to stop denying yourself all your feelings, stop living with your mind in control of everything, and instead look to live true to your feelings.**

**Didn't I say it was simple to understand!**

James: Yeah right. So as long as we use medicine to try and fix our problems thereby stopping what's making us feel bad, we're still denying bad feelings, and so will only continue to get sicker?

Verna: Yes. And even though you might have reprieves and seem healthy and even happy at times; and even when you go into spirit and all your physical disease and pain is no longer with you, still the inner you is sick, and will always be sick so long as you deny one feeling, and one feeling now in the present and one feeling from back in your past. And because as I said, during your early life you were forced to deny masses of bad feelings, so they are all still within your soul, and still waiting to come out. They all have to come out so you can see the truth, or the reasons why you are feeling them – why you feel bad. And as you do, then you'll understand your negative state of mind and will.

James: Okay, and so as fast as humanity believes it has eradicated disease, or some of them anyway, others will come up, because our soul demands that we have them, because we need them to make us feel bad, and all that you said.

Verna: Yes. And as I explained to you, it's no trouble for us to whip up a few more resistant bacteria or viruses. There are unlimited combinations and strengths, and humanity prides itself on its achievements medically even believing that it will one day totally eradicate disease, but I will tell you, that will only happen when everyone is living true, when no one is living denying any feelings. And so until that day comes, there will always be more disease, and all because you are part of nature. And so whilst you're of imperfect nature, so all the elements that conspire to try and make you perfect by destroying the imperfection will keep working to make you feel bad. You might believe you are to, or even can, rise above disease by controlling every aspect of it and yourselves by using your minds and things you develop with your minds, but you can't, it won't and can't happen. So play around with the genetic

structures as much as you like, as much as God will allow you to, but still within whatever you create we can bring into being if need be, new disease to affect those new genetic states, just as for example, you are seeing by the insects and bacterial and fungus strains becoming resistant to your genetically manipulated insecticides.

You'll never outsmart nature, because we're smarter than you. And you are competing against us, which you fail to understand. We are your unseen adversary because we are the ones in control of nature, not you, and we will always act in harmony with your soul. And so we are allowing and even helping you move further away from your soul and true selves as you experiment with your mind controlling and nature controlling ways of life; but as you are beginning to see, science will not be able to outsmart or even keep pace with natural evolution because you fail to see that all your actions are met with reactions from nature, and even though it might look like you are getting the upper hand, you are not, you are fooling yourselves. And in fact, it might in short term look like you are making good progress and your standard of living and overall health of humanity has markedly increased, you live longer, but look at what you are doing, decreasing your quality of life. The Australian Aborigines were very happy and content with their lives – are you?

You are a part of natural evolution on Earth, you will never be able to separate or remove yourself from it or the influences of it. So all you can do is look to live in harmony with it, but that can only be achieved if you do your healing, learning to fully honour and respect your feelings, living in harmony with yourself, and not mistreating yourself by pushing them aside and controlling them with your minds.

In spirit in the mind Mansion Worlds it is much easier to divorce yourself from nature, from your feelings, but even still that too will catch up with you, and one day using your mind to make yourself happy will fail, and then you'll be forced to have to accept that you feel bad.

And so whilst you're of flesh, it's easier to feel bad, the soul has more to work with through the physical body, so you can look to your bad feelings more easily to heal yourself of living under such mind control.

You should welcome your disease and pain and all the bad feelings it creates in you, all so you can express such feelings and really feel and connect with the emotions, and as you do, long for the truth of them, that part being very important so you do see why you are feeling bad; and in seeing why, so the bad feelings will go and you will heal yourself a little bit progressing in your healing. And you can feel bad and express your bad feelings all day long, but without actively longing for and sincerely desiring to know the truth of why you feel bad, and so never getting anywhere, never actually healing yourself.

James: So how does our soul attract to us, as you say, the microbes we need to make us sick?

Verna: The soul emits what you can call – Soul-Light. It's like a bright star shining into Creation from where it exists. And as it shines its light into Creation it creates, it brings into being that which is part of its pattern. So currently your soul, James, is bringing you and your soul-mate forth, you being sustained in Creation by the light of your soul. And every atom of Creation reacts to soul-light, so if your soul says for example it's time for you get a cold, it sends forth a light or sequence or frequency of light into you, so you as your soul's personality can express such a light, and that soul-light will draw to it the light or corresponding frequency that that bacteria is. And so the next thing you know, your throat is starting to feel sore, and the signs of a cold coming on get stronger, all being controlled by your soul, as your soul controls all that you are.

And so if your soul says it's time you experience... and that experience is to make you happy or feel bad, so the same things happens, the desired soul-light comes forth into Creation, it creates an attraction or vibrational vacuum into which comes about the needed experience, it interacting with you, that is the personality expression of your soul. So all the time you are composed of masses of soul-light sustaining you and making your life be what it is. And then you understand you are only half of your soul, for your soul has two personalities to express, and so it's doing the same for your soul-mate, and will keep doing it when it brings you both together. And your soul does all it does because it's the plan or pattern contained within it, that which God brought into being. So your life is exactly how God has planned it. And if you don't like it, so you should seek to understand why God has made it this way, and so to find out, it's back to your feelings and looking to them to help you uncover the truth of yourself.

James: Gee Verna, it's all a little more than I thought I'd be speaking with you about, perhaps a little too heavy for someone wanting to just find out more about you nature spirits.

Verna: And I am going into it a bit, so as to show your readers, we nature spirits are not what you think us to be. We know what's going on and what it is all really about, we're more than you think, much more.

James: Verna, that's all I wanted to ask you about for the time being.

Verna: That's fine with me James. You know where I am, and as I'm always willing to speak with you, you only need to ask dear boy.

James: Thank you, and thank you for all you've said.

Verna: It's a pleasure, and should you want to go deeper into it, I'm more than happy.

James: Well maybe in future, but as you no doubt know, I'm easing back on my writing now, even stopping it, so I'll be leaving it here for the time being, and I might not write anymore.

Verna: It doesn't matter to me James, and as I said, you can always have a little chat with me anytime. It's all so laborious that writing you do anyway.

James: Yes well I'll see how I feel about it all, so in the meantime, I will talk to you soon, with my mind, but from my feelings.

Verna: That's the right way – Feelings First, then the mind can do what it's meant to do. You'll feel more better for it James.

James: Bye Verna.

Verna: Oh all right, good night then! But I'm not going to leave you alone you know.

James: I hope not.

Verna: Good, just so long as we know where we stand. Right, I'll speak to you in bed.

James: Okay, speak to you then.

**DIVINE LOVE does not TRANSFORM one's SOUL  
FEELING HEALING is what TRANSFORMS one's SOUL**

The Divine Love does transform our soul from Natural love into Divine Love. It's our Feeling Healing that 'transforms' or heals our erroneous expression of Natural love. We have to 'heal' and so perfect our Natural love, so it can then be transformed by the Divine Love.

Divine Love does not even begin the real work of transforming one's soul, for those who focus upon receiving Divine Love to the exclusion of embracing one's Feeling Healing, they are just expanding their mind's control over themselves. Should this be one's passion, then upon passing into the spirit Mansion Worlds they will find that they can continue along this path all from within the Divine Love followers segment within the first natural love Mansion World! Yes, only from within the first natural love Mansion World.

Most of humanity on Earth are not wanting to face the very truth their feelings are making them feel every day of their life. So if they want to keep living in the spirit Mansion Worlds as they did on Earth, in complete denial of their feelings and the truth they are to shown about their wrongness, they can.

However, for those who have embraced Divine Love and begin to engage in their Feeling Healing process to begin the transformation of their soul, they will be able to sense the Divine Love already within their soul 'driving them on'. One's understanding and adjusting will be changing rapidly to that of embracing all about the Healing and doing it – all being supported by the Divine Love that one may have received previously. All one may have done with the Divine Love may make their introduction into their real Healing, by using their feelings, much easier than it is for other spirits from the mind worlds who are at the same time having to wrestle with many of their old religious beliefs or mental programming, having to take on a whole new mind-set which one could see would take some of them years, whereas for someone who has been longing for and receiving Divine Love for some time it may be only a matter of weeks. This also applies to those living in the physical.

It is the Feeling Healing process that transforms one's soul towards perfection, towards the ability to fully express one's true personality as given to us by our Heavenly Parents, it is the Divine Love that then fits that transformed soul to be able to enter the Celestial Heavens.

**FEELINGS FIRST For Kids**

**Dr DAVID R HAWKINS:**

David Ramon Hawkins, M.D. (born June 3, 1927, died 19 September 2012) is an American psychiatrist, mystic, author and controversial spiritual teacher in Sedona, Arizona. He is best known for his book *Power vs. Force*, in which he writes that applied kinesiology can distinguish the truth or falsity of any statement. He directs the non-profit Institute for Advanced Spiritual Research Inc. and operates Veritas Publishing to publish his books and seminars.

“Make a gift of your life and lift all mankind by being kind, considerate, forgiving, and compassionate at all times, in all places, and under all conditions, with everyone as well as yourself. This is the greatest gift anyone can give.”

“Every thought, action, decision or feeling creates an eddy in the interlocking, inter-balancing, ever-moving energy fields of life, leaving a permanent record for all of time. This realization can be intimidating when it first dawns on us, but it becomes a springboard for rapid evolution.”

“The downside of spiritual education is the buildup of the vanity of 'I know' and the devaluation of people who are 'not spiritual'. Therefore it is important as a foundation to spiritual training and education to learn how consciousness manifests as the ego and its mechanisms.”

“It is only the minority of people who seek self-improvement or personal growth. This is because whatever one's self-criticisms, one secretly really believes that one's way of being is okay and probably the only correct one. They are alright as they are, and all problems are caused by other people's selfishness, unfairness, and by the external world.”

Saturday, 5 August 2017: Nanna Beth: David Hawkins is living in the mind worlds, so I am told, and would be of no benefit to you John. His legacy is again one of those things that sits well with you, that you enjoy and can relate to and use as you do. And really it is now for humanity to use what is available to it having come from the mind worlds, because there won't be anything further coming through from them. Now it will be up to the natural inspiration of the individual on Earth, and those who are working with us, those people who want to do their Healing. The ways of the Rebellion and Default are to die, to fade away, however this will happen gradually as people of it still try to advance themselves, their lives and humanity in their wrongness, but the next real new inspiration will come from those who embrace the New Way.

Everything is interconnected.

**By living true to ourselves, true to our feelings, we are living true to God. It's that simple.**

**MUSINGS by JOHN:**

Thursday, 28 September, 2017

Kevin died on 10 August 2012 without any thought for spirituality and no passion for any religion, other than showing up. On 7 August 2017, he arrived into the 1st Celestial Heaven. Three days short of 5 years!!! He had met his soulmate / soul partner, Kathaleen, and she arrived a few weeks before him into the first Celestial Heaven, as you may have read.

The writings that followed from Kevin are outstanding. Kevin is now a world teacher!!! He and Kathaleen both are. Neither would comprehend this, but they are. Kathaleen and Kevin's writings answers and leads anyone to the destination we are to find, in our own time.

I would like to contrast this achievement with someone I greatly respect.

David Ramon Hawkins, M.D. (born June 3, 1927, died 19 September 2012) was an American psychiatrist, mystic, author and controversial spiritual teacher in Sedona, Arizona. He is best known for his book *Power vs. Force*, I have read everything I can about his works – 10 books, plus videos, etc. Miracles happened around him spontaneously. The Catholic Church would make him a saint within seconds.

Hmm – Dr David Hawkins has stayed trapped in his mind and may remain in the mind spirit Mansion World for centuries, unless he embraces his feelings. He will remain stagnant and limited in his mind condition. Whereas Kevin is now a far greater and truer teacher than this great mind of Dr Hawkins. What a switch in roles! Kevin has progressed exponentially past Dr Hawkins in soul development. Go you good things, Kev and Kath.

Cheers John

Same day: Dr David Hawkins: Hello John. I have been asked to speak to you through James in this way, you being one of my ardent fans and followers of the principles I developed through my life on Earth.

Your assessment of me is correct, and I did spend time in the mind worlds trying to assimilate all that I did on Earth with all that was happening to me in my new spirit life.

Upon my arrival over here in the first Mansion World I was greeted as something of a spiritual celebrity with a host of mind spirits (as James calls them) greeting me, they being the ones who 'empowered' me to do the so-called miracles I did on Earth.

I want to tell you, it's quite a humbling experience to realise, like many of us who did such marvellous things on Earth, that it wasn't actually our own doing, we were not the sole instigator of such 'happenings', that it was other spirits working through us. And that although I attributed it to God, still I secretly thought it was all my own incredible doing, so to have to accept that I was just a conduit – that I really was, and having little more than an innate ability to be that conduit, I felt a bit flat.

And to bolster my flagging ego, I would tune into those people on Earth who were still thinking well of me, yourself John being one such person. And here again, by doing this, I gave myself a rude shock having to face the fact and realise that few people truly understood what I was teaching, taking my work and corrupting it for their own gain. And believe it or not, I never thought such a thing would happen. So, who of my 'earthly followers' was staying true to what I taught – who actually got it?

And I kept coming back to you as one of these people John. Admittedly, had I helped you personally, you'd have had an even greater understanding and appreciation of my work, however you accept it as is and haven't corrupted it, and have guided other people to be interested in it. So I have followed you over the years in this, which meant I also took notice of what you were doing in your other spiritual interests, some of which were vastly different to anything I'd ever heard about, or found out about over here in my limited little mind world.

And I write such things in the past tense because I am very happy to say, all of which I am so grateful to you for John, that I have now progressed into the lowest sector of the Divine Love on the first Mansion World. I am learning all about it, and about the Healing, all under the incredibly patient and loving assistance of higher Celestial spirits, like those who wanted me to speak with you today.

So you can chalk me up as one of your admirers, and a mind spirit who has converted to the 'Ways of the Divine Love'. I still have a lot more to understand, this is true, and as it's so different to my earthly and mind spirit way of thinking, will take time to integrate into my way of thinking – which means, to change my way of thinking into a completely new way.

That is all I wanted to say. And although you might think that my coming is rather inconvenient with you having just written about me again, however here I am and this is what I want to say.

All the best to you John. You have no idea how grateful I am to you, and I have a strong pleasant feeling that that gratitude is only going to increase.

Yours respectfully,  
Dr. David Hawkins

(James: As I was reading your comparison of the Doctor with K and K, I started to feel the energy building... oh here we go again... he's wanting to speak to me!)

Friday, 29 September 2017: Dear James and John (Noted from Samantha in England)

To be 'used' so fully by Mind Spirits, to create all he (Dr David) did under their influence, all so cunning, that must have felt quite devastating to him and I am feeling a lot of sadness, emptiness and let down with in myself as I understand how it feels to learn that my whole life has not been my own but that of my parents, their will, control and untruth and I have felt feelings of it all being such a waste of my experience being like that, a waste of the personality God created me to be. I am very sad as Dr David Hawkins realised how 'used' he has been, being a conduit for the Mind Spirits, I feel like that too, used by my parents to be as they wanted me to be instead of nurturing me to be myself and help develop the personality God gifted me.

I (Sam) bought 'Letting Go – the pathway of Surrender' by Dr Hawkins and I was very up with all of his feeling work but then felt the change in me with the mind dominant aspect of Dr Hawkins work, it was that I wasn't drawn to and felt myself draw back from it but now he can go on from what he already knows, go further into the feeling aspect of what he discovered and I am sure he will get so much support in that from the Divine Love spirits that are guided to help him. Isn't that just so wonderful John, to have that help, like you have in Kevin and Kathaleen.

**CONCLUSION:**

David Hawkins' own story explains that the 'Letting Go' process is inadequate. The 'Letting Go' publication and process is his own research. Pure and simple; Dr David was knocking on the door, but that process was unable to open the door.

Again, his own story now endorses the Feeling Healing process!

This leaves no doubt as to the veracity of what Marion and James and Samantha are doing. It is THE ONLY WAY! The only way being the Feeling Healing process coupled with Divine Love.

This clears away confusion for many people who may explore everything. Other emotional processing and releasing modalities simply do not delve far enough into one's injuries and errors of belief. Yes, they provide some temporary relief, but none of them go beyond the mind and into the soul to the core and foundation of our injuries, all of which stem from our childhood upbringing.

Dr David Hawkins has now clearly put aside his own teachings and confirmed that his and all other modalities are inadequate.

Now, we all can focus upon the only way home!

**FEELING HEALING with DIVINE LOVE is SOUL HEALING:**

**Firstly, consider discovering the truth of your emotional pain through Feeling Healing.  
Secondly, consider longing for our Heavenly Parents' Love as you progress with your healing.  
Primary and most important readings are the writings of James Moncrief.  
Then consider the Padgett Messages, and then The Urantia Book.**

**Release one's pain through expressing one's feelings.**

**in conjunction with**

**Longing for the Truth when also longing for Divine Love.**

**Feelings First Spirituality, The New Way  
Uncover the Truth of yourself through your Feelings**

## Our FEELINGS are our SUPREME GUIDES:

**Feelings are what guide us through our ascension of truth. So they are really our Supreme Guides.** Many people look for a person, spirit, angel, even God, for supreme guidance, however it's all right there already built in – in our feelings. **We just have to submit to them, allowing them to take us where they will, expressing all the parts we want to express, letting the emotion drive that expression if it's there to be expressed, or just talking about all we feel and how feeling that feeling is making us feel – or, how we feel about having that feeling, all whilst longing for the truth of our feelings. Longing for the truth of our feelings is really: Longing for the truth of our self, because: we are our feelings. So life stirs up our feelings, we feel being alive; or, being alive means we are feeling, always feeling; and when we work out what and why we are feeling what we are, so then we know the truth of how we are. And over time the truth accumulates, and our mind expands our understanding of ourselves, all being driven from our feelings.** Kevin 26 Sep 2017

### **Using our feelings to uncover the whole truth of our negative or anti truth and anti love state.**

Kevin: **So whilst we're of an untrue state, then all we have got to help us understand why we feel bad, why we are wrong, why we are negative and anti love and truth, is our feelings. So if we focus on our bad feelings, they will lead us to the truth of why we're feeling bad. Which will be the truth of what happened to us to make us be this wrong way, and how we took on the wrong way and keep it going making us feel bad.**

## **FEELING HEALING**

**Note:** The vital difference between emotion and feeling is that emotions have their roots in the past, and feelings relate to the present moment. Emotions represent our feelings which were not previously expressed, and these accumulate with time.

**Note:** **Our feelings are soul-based. Our soul is always in truth. It is our soul based feelings, that when allowed to be freely recognised, we will begin to express and be who we are. This takes time and perseverance as we have encrusted our souls with layers upon layers of errors and false beliefs, it is these layers that will confuse the truth that our soul is conveying to us. Only by our progression with our Feeling Healing will our soul's expression of truth become clear and free of all cloudiness and contamination.**

“What our soul needs in accordance with our own, individual, **Soul-Light-Plan-Of-Destiny** (your life's true destiny plan), They, being our Mother and Father, will give you as required. The only way we can know truly what we need is to honour and follow our true feelings. They, springing from our soul, literally telling us what we need, and so when we genuinely feel we need something, we apply our will to get it. The hard part is knowing if our feelings are true, and until we have done our whole soul-healing, they won't be clear and total true.” James – Introduction Course to Divine Love Spirituality

## The CHOICE is OURS to MAKE:

### Celestial Truth:

Truly all-loving;  
 Living true to oneself;  
 Mind supporting Feelings;  
 Living with the Divine Love;  
 Fully Healed of the Rebellion and Default.

### THE FEELING WAY

Feeling – Ascendance  
 Unlimited progression

- Living true to your untruth;
- Honouring all your bad feelings;
- Expressing feelings to uncover their truth;
- Healing the Rebellion and Default within yourself;
- Feeling unloved; being unloving;
- Feeling as bad as you can feel;
- Feeling like you are no one special;
- Longing for the Divine Love.

### THE MIND WAY

Mind – Transcendence  
 Limited progression

- Enlightenment, Nirvana, feeling all-loving;
- All false, mind-contrived. Anti-truth, anti-love;
- Still evolving the Rebellion and Default within yourself;
- Feeling and believing you are the Superior One;
- Living with your mind in control of your feelings;
- Living rejecting all your bad feelings;
- Living with your mind contriving you feel loved;
- Rejecting the Divine Love.

All religions, New Age, agnostic,  
 atheists, no spiritual interest,  
 Living the Rebellion and Default.

Hell:  
 Exploiting the Rebellion and Default.

The Feelings are the doer; the Mind the teller. So we are to go with our feelings, which we can't be told to do with our mind. So the longing for the Divine Love, doing our Healing by expressing our feelings and longing for their truth, are all feelings and doing it with longing. Whereas the mind just wants to tell us what to do and how to be, no feelings in it, all how our parents have treated us.

## WE ENDURE FOUR LAYERS of PERSONALITY SUPPRESSION!

Unknowingly, our parents pass onto their children (us) their beliefs and way of living that has evolved since the Rebellion, some 200,000 years ago, and then the Default, some 38,000 years ago. In this way, humanity is suppressing the female, rejecting our Spiritual Parents, namely Jesus and Mary, and denying our Heavenly Parents being our true Mother and Father, of Their truth, standing and existence.

**The Rebellion is against love, the Default is all the difficulties we have in our relationships because of our rebellion. Healing the Default is becoming true, to ourselves and in our relationships, and ending our unlovingness – our rejection of love, so ending the Rebellion.** Nanna Beth 29 June 2017

We are souls, our personality is an expression of our soul. It is our free expression of our soul through our feelings that we are to embrace and follow. This expression may appear to be wilful in nature, from time to time, and consequently our parents' attempt to suppress this expression. They proceed to remodel us when as young children, in the manner their parents treated them and so on for many generations going back.

During our forming years, as a child, we are unable to recognise the suppression of our personality as being extra-ordinarily harmful to our soul based personality and, accordingly, we don't know that things can be any other way. Presently, neither do our parents.

This childhood suppression way of living continues throughout our schooling years, thus we learn this is a way of life that is normal.

Our religions all have been formed based on the tenets of the Rebellion and Default. The teachers and leaders throughout all denominations take us further away from our suppressed feelings that have been hammered into us during our forming years, thus entrenching us further into rejecting our true selves.

The controlling and suppression mechanisms of our parents, educators and spiritual teachers all manifest throughout all of commerce. This control comes heavily and brutally down upon all levels of employment. The capability to express one's soul based attributes and gifts is sealed throughout all of one's working life.

A new way of living is to enable the liberation of one's true personality through the Feeling Healing process AND the transfer of authority to the individual via embracing freedom of expression.

# DEVOLUTION

**Our childhood suppression of our true and loving soul based feelings is creating global pain and personal isolation amongst all of humanity. We are very sick!**

**In our struggle to find solace and purpose, we further withdraw into ourselves, becoming ever more self dependent, believing our control addicted mind that it can solve everything. We just drown further.**

**We embrace an ever expanding and diverse range of pathways to escape from our personal pain, fear and desperation. Alcohol has now been complimented with narcotics, hallucinogens, including caffeine (coffee). Gambling has been complemented with computer games which are generally entraining the mind further into error and pain. Technology is making us sicker!**

**We bury ourselves in front of the television to further avoid contact with anyone, especially family.**

**Children endeavour to exert their independent authority from domineering controlling parents (which we all are eventually) by disfiguring their bodies with tattoos and piercings, etc.**

**We shut out the noise with headphones, thus preventing contact with others. We use electronic devices to 'text' others even at intimate engagements.**

**Technology will take us further into the depths of our madness. You now can buy headsets that prevent any contact with the outside world while playing mind suppressing and entraining entertainment – games!**

**No one loves their children, they are ignored, and the controls hammered into them turn them into clones of ourselves. Look at ourselves and we can all see that we have been all messed up by our own parents, as they have for generations over the past 200,000 years.**

**No more of this! We can escape this man made hell!**

# EVOLUTION

**STEP 1: Longing for and receiving Divine Love:**

**A. Soul within spirit body prior to receiving Divine Love.**

**B. Divine Love being received from the Holy Spirit, covering the spirit body of requesting personality.**

**C. Divine Love having been assimilated within one's soul, now being reflected through the radiance of the spirit body.**

## STEP 2: FEELING HEALING + SOUL HEALING

It is the Divine Love that strengthens one's resolve to persevere with embracing one's suppressed emotional injuries, that occurred from conception through to around the age of six, and longing to know the good and the bad of those feelings, together with talking about them to a friend, partner, one's self and our Heavenly Parents. It is only with the receipt of the Mother and Father's Divine Love and the expressing of suppressed emotional injuries that one can release the emotional injuries and errors to achieve Celestial soul condition and enter the Celestial Heavens.

Further, should one complete their Feeling Healing on Earth, then they will be able to recognise their soul partner, their other soul half, and should their soulmate / soul partner have also embraced Feeling Healing with Divine Love, then their children will be born free from error, free from fear, and free from any deformity and illness. This is the destiny of humanity.

Further, being in this condition of free from error and being in constant communication with our Heavenly Parents, then one can also recognise and form their Soul Group. This will ultimately consist of twelve soulmate pairs, a total of twenty four personalities / individuals.

It is the bringing up of children by the support of soul groups that is to be the ultimate way forward. The group experience and wisdom, as a functioning family, will ultimately be of profound benefit for the blossoming child.

But what we cannot do is contrive the groups ourselves, or even pick who our soulmate is. This will only, and can only happen, as an outworking of the truth we are to live – as we progress in the healing of our soul.

And this is how all of life should be lived: according to the truth we are living. It is how we live, as there is no other way, but currently we live it in the negative, of that being directed by no truth, and so having to make it all up ourselves.

**PUSH ME,  
PULL ME**

### The NEW WAY of LIFE:

Now for the first time in history, Celestials can be more assertive in making known the availability of Divine Love, and that the only way to progress towards our Heavenly Parents is by engaging in doing one's Feeling Healing.

The Celestials have all but stopped the mind spirits from negatively influencing people on Earth, and the biggest area this is in, is in the religions. So the religions on Earth and all the spiritual systems of the mind, are under pressure in that they are no longer enjoying the input from the mind worlds that they have had. And how this translates into ordinary everyday life, is more in the unseen connection between those in religions on Earth and those of the same religion in spirit, is fading away.

Then at the same time, we, the Celestials, are being allowed to move more freely amongst everyone, both in the mind worlds and with you on Earth. Which means, we can confront and have more of a say in peoples and spirits lives, something that was forbidden the Celestials of the 'old guard'. They were not allowed to interfere at all, having to wait patiently for spirits (as there was rarely anyone on Earth) to show interest in an alternative way to God, which enabled the Celestials to slowly introduce the notion of the Divine Love and then that of doing one's Healing. But it took a long time for mind spirits to show any real interest and being willing enough to give up the power their mind had over them, wanting to seek a higher life.

Celestials can now, following the progress achieved by Marion and James Moncrief, approach and be more freely expressive to spirits on all levels, and also to people on Earth, should they want their help.

Further, those who reject and suppress their children will progressively grow in awareness of their own unloving natures. One will not be able to continue to avoid their feelings of wrongness.

### **Golden Rule: that one must always honour another's will as one honours one's own.**

Thus the three aspects: one, of having more readily available guidance to become aware of the availability of Divine Love; two, the way to become fully expressive of one's soul based personality through the process of Feeling Healing; and thirdly, the quickening of the Law of Compensation through one's greater sensitivity to one's emotional errors and injuries. By having greater personal connection with a Celestial, we are able to move into longing for the Divine Love, and look to healing ourselves and grow in truth, and start to seriously consider embracing one's ascent to Paradise.

### **Law of Compensation quickening 22 May 2017**

**WE are meant to grow up LIVING FULLY CONNECTED to our FEELINGS:**

Humanity has always had an awareness and involvement with spirits, with life on the other side, because we are all heading that way, we all end up dying and becoming one of the spirits, and were humanity living rebellion-free, then nearly everyone would enjoy some level of spirit involvement either directly or indirectly, loving such an expansive awareness in life.

**We are meant to grow up living fully connected with our feelings in our physical reality, and at the same time with full feeling awareness of spirits and life after death, because after all, God is the greatest Spirit of us all.**

And so having an awareness and involvement with spirits can, and should, help us have more of an awareness with our Mother and Father. And it's not with just spirits, it's also with the angels who are with us all the time, and the nature spirits should we be open to them, and even higher spirits if we are to work with them, such as the Melchizedeks or Trinity Teacher Pairs. But mostly for those people involved with the Divine Love, it will be with the Celestials spirit group that is assigned to help them.

that is assigned to help them.

It is very important to understand that spirits and spirit life is meant to be part of life on Earth. However that's not to say everyone need to have an ongoing relationship with their spirit friends, but they can at least still be aware of spirits and spirit life and where we will be going and something about what to expect once we die. And when you are open to it, lessening the grip of one's fears about it, then we will find it will be just another aspect or level of life, and one that can give us quite a lot of comfort.

**TRUTH LOVING SOUL V ERROR INFLICTED MIND**

**Feeling  
Healing with  
Divine Love is  
the key!**

**To liberate one's real self, one's will, being one's soul, is by embracing Feeling Healing so to clear emotional injuries and errors. With the Divine Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.**

# FEELING HEALING + SOUL HEALING

To heal one's self is to simply look to see what feelings we are refusing to let ourself feel, and accept them instead of denying them. And to fully accept them, one needs to express them, speak about them, let them have their say, rather than pushing them aside, refusing to let them make you feel bad.

Doing this all with the intention of seeking the truth of why you are feeling them, of speaking about and expressing all such feelings; all feelings you have, but ALL WITH the INTENTION of UNCOVERING the TRUTH THEY WANT YOU TO SEE ABOUT YOURSELF. And it's the wanting to see the truth of them that is very important, because if you just look to accept them and speak and express them, but not seek their truth, then that's all you'll be doing, speaking and expressing them, but not healing their causes, so not fixing the things within you that are making you feel bad. And it's the truth part of it, seeking the truth of your feelings, and so, seeking the truth through your feelings, that's vitally important. It's the truth of yourself, life, nature and God, that is the spiritual aspect to it all.

You CAN'T find the truth of yourself, or anything else, through and with only your mind. You HAVE to engage and look to your feelings. And so if you choose to allow your feelings to 'Show You the Way', then the truth will come as you express them.

So to do our Soul-Healing consists of these steps, all of which are ongoing until it's done:

- **Admit you are feeling bad.**
- **Accept your bad feelings, identify what they are.**
- **Honour fully your bad feelings by expressing them, speaking about them to someone who is willing to hear you talk about them, or tell them out loud to our Heavenly Parents. Long for the truth of them. Long for the truth of why you feel bad – what deep within you is causing your bad feelings?**
- **And remember, bad feelings are Good! Not bad. They are not to be despised. And as hard as it is to accept them, they are still you, and a very real part of you. And if you persist in denying them and not allowing yourself to fully live them, then you are only going to keep yourself in your errors making things harder for yourself.**
- **All sickness and suffering, all bad things that happen to you, all your problems, all your addictions – your whole feeling-denying and untrue life, is all caused by your denial of bad feelings.**
- **Every problem in the world is brought about because everyone has been brought up to deny feelings, and in particular, most of their bad ones.**

If one is intent on spiritually evolving and growing in truth, then it's vital, and this is the key, that one looks to use one's feelings as the means to gain and have access to the truth of oneself. You CAN'T find the truth of yourself or anything else through and with only your mind. You HAVE to engage and look to your feelings. And so if you choose to allow your feelings to 'Show You the Way', then the truth will come as you express them.

Doing your Soul-Healing with the Divine Love, is really doing your 'Feeling-Healing'. We are designed — created — to be self-revealing of truth, and so we are all to uncover the truth within ourselves and for ourselves, and all being done by living true to our feelings. **If you accept, express and seek the truth of your feelings, then truth will come to you, and you'll grow spiritually. It's as easy as that. Also it is as easy as it is to long for, ask for and receive Divine Love.**

## Feeling bad is Good! It's okay to feel bad.

Feeling bad is good.  
 Feeling bad is GOOD!  
 It's not bad to feel bad – it's good.

FEELING BAD IS GOOD!  
 Very good!!!

And feeling really bad is also good.  
 And feeling worse is even better.  
 It's all very good!

It's okay to feel bad.  
 Bad feelings are okay.  
 It's good to feel bad.  
 Bad feelings are GOOD!

It's good to feel bad about feeling bad.  
 Your bad feelings are YOUR feelings.  
 YOUR bad feelings have a right.  
 A right to exist.  
 A right for you to feel them.

Your bad feelings are a part of you.  
 Bad feelings are good and they are your feelings!  
 ACCEPT THEM!

It's okay to feel bad, there is nothing wrong with feeling bad.  
 You might not like feeling bad, but it's okay to feel bad.  
 You are allowed to feel bad. Give yourself permission to feel bad.  
 Bad feelings shouldn't be dismissed.  
 Bad feelings already feel unwanted, why make them feel more rejected?  
 You are your bad feelings – if you reject them, you are rejecting yourself.  
 Why are you rejecting yourself? Why are you rejecting your bad feelings?  
 Is this how you want to live – rejecting a natural part of yourself?  
 Is this how you want to live, rejecting your bad feelings?

Feeling bad is normal. We all feel bad. We all feel bad a lot of the time, even if we won't admit it, or even if we're not aware of it.  
 There are many bad feelings, all sorts of different bad feelings, and they are a normal part of you – of everyday life.

Bad feelings – your bad feelings – are to be welcomed. Bad feelings are to be wanted. Bad feelings are to be accepted.  
Bad feelings are to be loved.

If you ignore or deny or dismiss or reject your bad feelings, what are you really doing? Denying, dismissing, rejecting yourself. Is this what you want to do? Because if you do, you'll only make yourself feel even worse.

You are your bad feelings – Your bad feelings are you.  
Bad feelings have just as much right to life as good feelings.

Be true to your bad feelings – acknowledge, honour and accept them!  
Accept your feelings.  
Accept yourself.

So Remember:

Feeling bad is Good!  
Accept your bad feelings.

The full acceptance of your bad feelings, and the seeing of the truth they are trying to show you, comes from having expressed – spoken – about them. And speaking about them to someone who cares about you: a friend.

As you vent your feelings, the pent up ‘bad’ energy goes, often leaving you with the understanding of what they are all about: why you are feeling them. And once you understand and know this truth, then you are healed and free of them.

As young children we were all stopped from freely and fully expressing all our bad feelings. Things were done to us, we were forced to behave in ways we didn't want to, all of which made us feel bad. But we couldn't complain about how unjustly we were being treated. We tried, but often only to be met with harsher rejection treatment.

As adults we still have all this bad treatment going on within us. We formed patterns when we were young based around all the negative unloving parenting we had. And now being unconscious of these patterns we still (also unconsciously) expect bad things to happen to us to make us feel bad – and to feel just as bad as we did back then. And so bad things do happen. And we do feel bad.

So as an adult, we are experiencing life in the moment now as the adult, together with all we felt back when we were young, only we are unaware of it. Something will make us feel bad, and on the surface of it we might know why we are feeling bad, yet underneath, deeper within us, it will key into and trigger repressed bad feelings making us feel even worse in the situation than we might have otherwise felt.

So in doing our Feeling-Healing: healing our repressed childhood bad feelings through the feeling-experiences of our current adult life, we need to use every bad feeling to help take us back 'down' inside ourselves, to connect with what made us feel the same bad feeling when we were young.

We are our bad feelings, and like them, WE ARE STILL WAITING TO BE HEARD.

The honouring, accepting and expressing of our bad feelings is our attempt to speak up and finally be listened to: to be accepted and loved – not rejected. And as an adult we can now do this, whereas, a child we could not.

And so if you no longer want to feel bad then through complete self-acceptance is the ONLY way to heal yourself – allowing yourself to feel as bad as you do feel. If you don't feel good about anything in your life or about anything to do with yourself – if you have one bad feeling at all, that feeling or bad thing will somehow be connected all the way through you to your early childhood. And so simply, if you feel bad about anything, if you are sick or don't like any aspect of yourself or your life, it's all because of how you were treated during your early childhood, and it's still going on deep within you. Your childhood has ended but the resulting mental and will patterns that dictate to a high degree your emotional and feeling state are all still in existence, still unconsciously controlling you. And because you are denying yourself the knowledge of these patterns, so too are you denying yourself the resulting feelings from them – all your bad feelings.

When you see the truth, the whole truth of your negative self-denial state, then with your will you can stop living in rebellion against yourself and choose to live positively. And in that choice you are healed.

### The aim of Feeling-Healing

The real aim of doing your feeling-healing is to perfect your relationship with yourself, with others, with nature, and in the end, with God.

Until we are living true to all our feelings and living wanting to grow in truth from our feeling experiences, we can't live a perfect relationship. If we live denying any part of our self we can't have true relationships.

Until we accept all of those parts of us we're denying, and understand why and how our denial came about, we can't live as our soul desires us to, as we have been created to live.

And when we do honour all our feelings and live the truth revealed by them, then naturally without any effort or mind control we'll just be perfect.

Many people try to seek God, try to understand the Greatest of all Mysteries before they try to understand themselves. We will never be able to understand or relate properly to God until we can understand and relate properly to ourselves. We come first. We have to learn how to fully honour and totally accept ourselves and then we can move out into the world and greater universe.

**We are to be true to our soul by living true to our feelings.**

To want to live true; true to how you feel, is to want to be perfect.  
And your feelings are the way.

**By living true to ourselves, true to our feelings, we are living true to God. It's that simple.**

# Feelings First Spirituality

## The New Way

**Feelings First**  
**FF**  
**Feeling Free**

The New Way, Feelings First Spirituality  
 Learn to live with God through your Feelings

Accept, express and long for the truth of your feelings

Be free in your feelings  
 Free your feelings from your mind's control  
 Live true to your feelings; your feelings are your true self  
 Live true to yourself through your feelings

Live true to yourself by living true to your feelings.  
 Long for the truth of your feelings.

Accept / Express / Bring out ALL of your good, and most importantly,  
 BAD feelings.  
 Want to understand why you're feeling them.  
 Use your surface feelings to take you deeper into your repressed and  
 hidden feelings.

The Feeling Way is the True Way.  
Your feelings are your spiritual guide.  
Your feelings will take you to God.

Your feelings will show you the truth of your relationships, including your relationship with God; and if anything is wrong, untrue and unloving, then why it is.

Our feelings are sacrosanct and we should respect them accordingly. And we should NEVER block them out, ignore, override, banish, deny or reject them, because if we do, we're only doing that to ourselves, as Our Feelings Are Our Self.

Our feelings are the gateway to our soul. Our feelings are the closest we can get to our soul. Knowing the truth of our feelings is knowing the truth of our soul, and knowing the truth of God.

Feelings First Spirituality is the True 'religion' for humanity.  
It embraces all people.  
It completely unifies the world.

Everyone can relate to everyone else through their feelings.  
And we can all live the truth that comes from our feelings, all sharing the same truths as we express and have the same feelings.  
No one need be left out; no one is more special than anyone else – we are all united in Truth through our feelings.

So with and through our truth we live our lives, therefore without the need of any man-made mind-laws, rules and restrictions that limit self-expression as inspired by our feelings.

The New Way, Feelings First Spirituality is what is to replace all man-made, mind-contrived religions that so many people have enslaved themselves to. The New Way, Feelings First Spirituality will set us free of all that control, ending the Rebellion and Default within ourselves as we do our Feeling-Healing, and ending such control and spiritual stagnation in the world.

Bring on the End Times – get it over and done with! Let's all see that Jesus is not going to come again, that Prophecy has failed all the mind-controlled religions. Allow such false systems of belief to die their long-awaited natural death, they've overstayed their welcome, it's now time they fade away. So let us show such antiquated, erroneous systems of belief the exit and bring on the fresh liberation of discovering the truth of how we are to live for ourselves, each of us personally in our lives, and all by looking to our own feelings for it. Self-revelation through our feelings is the way to go.

The Way of the Mind is ending, and is really the End Times – the End of our mind control, and **it's about time!** With the Way of our Feelings replacing it.

The End Times means the end and therefore a New Beginning. And that new beginning is a whole new Spiritual Age – an age based on self-revelation of truth through one’s feelings, coupled with and supported by higher revelations from the Celestial spirits, angels and nature spirits.

The Feelings First Spirituality is the True Way to God because it helps you get to know God, helping you to reach out, connect and be personal with God, and do God’s Will, all through your feelings. It is the only true way of getting to know the God of Feelings – our beloved Heavenly Mother and Father, the Great Soul of Divine Love.

Love comes through our feelings and not our mind, as we’ve all been wrongly led to believe.

**Feelings First; then comes The Truth; then comes Love.**

**LOVE is the Religion of Feelings, being:**

**The New Way, Feelings First Spirituality**

my  
**House** is your  
**Paradise**  

**HOME**

## Suppression and its Repression:

We are all living untrue to ourselves. All we do is wrong, even though mostly we believe it is right.

We are living untrue as shown by the denial of many feelings. We don't accept them, particularly our bad ones. And this feeling denial, suppression and repression, causes all our problems.

All pain, suffering, fear, anger, guilt, depression, misery, sadness, feelings of feeling alone and lonely, feeling rejected, unwanted, uncared about, unloved, feeling will-less and powerless and unhappy and frustrated because we can't assert ourselves lovingly in life, are all the sorts of bad feelings we do everything we can to deny. And it's the ongoing suppression and rejection of these feelings that cause all our illnesses, problems, relationship difficulties, all that's wrong with us both personally and generally in society.

Right from conception we're all inducted forcibly – against our will – into such feeling-denying systems, we take it on, doing what our parents have taught us, thereby continuing to keep all our childhood pain and bad feelings repressed. And as adults, life cycles us through our various experiences in accordance with these early life established patterns all so we can keep feeling those same bad feelings and keep denying them. And this is our rebelling against ourselves by living untrue to all we feel, all of which we do unknowingly, which is by default.

And the healing of this negative, unloving, anti-self condition can only be done by doing one's Healing, which is Feeling-Healing, or your Soul-Healing with the Divine Love. (Soul-Healing being Feeling-Healing inclusive of the Divine Love.)

How one does their Feeling-Healing is by looking to their feelings for the truth they are to show you. You stop, acknowledge and thereby accept that you are feeling bad (or good), want to express that bad feeling and emotion instead of denying it, all whilst longing for and wanting to uncover the truth such feelings are to show you.

You have to want to FEEL ALL of your feelings, and especially your bad ones. And you have to want to know the whole truth of why you're feeling them.

And to uncover the whole truth of yourself through your feelings, means you are going to be led by your feelings back into the complex dynamics and psychology of the relationships with your early carers and those people who were influential during your childhood, mostly your parents: feeling now as an adult the very same feelings you felt back then that you were forced to deny. So now you end the denial and finally release and express and bring out those long ago buried feelings, all so you can see the truth of what really went on between you and those people from your early life.

Our Healing is bringing out all our repressed childhood feelings, expressing them as fully as we can, as we long for and want to see, understand and know the whole truth of what happened to us to make us have them, how we reacted to having them, how we grew and developed into adults taking on our feeling repression and denial from our parents.

And it's a long, hard process as we strive to liberate all such repressed feelings and at the same time ascend in truth understanding why we are wrong, how as adults we've expressed those unloving, negative, anti-self patterns and how we've passed them onto our own children.

Our Healing is the ONLY way out of our pain. We are to understand the truth of our unloved state. We've begun life in an anti-self and anti-love condition of mind and will, and we are to liberate, or reveal, the truth of this state to ourselves through our feelings. We are to do it ourselves and for ourselves because we want to set ourselves free of our pain. Only by uncovering the truth of that pain, can we finally be liberated from it. Uncovering the hidden (hidden in our feelings) truth, is the only way we can spiritually grow and evolve into becoming fully loving people, this being achieved when we've finished our Healing.

All the answers to humanity's age old questions about why we are not happy and why we're not living life on Earth as if it were paradise, will be answered as people start to look to their feelings for the truth of themselves.

**And to spiritually help us, we are to understand:**

That we are conceived and so born into life being of Natural love. And because we've been brought into a state of deprivation of such love, so we have to Heal ourselves to become of such pure Natural love. And once done (and we can start anytime to help us with our Healing) we can long to God for the Divine Love. The Divine Love coming into our soul via the Holy Spirit, transforming our Natural love soul into a Divine Love soul.

So we can long to God, our Heavenly Parents, for Their Divine Love.

God is our Heavenly Mother and Father; God is one Soul expressing Two distinct Personalities, and Personalities we can get to know personally as we express the truth of our soul. We can ONLY know our Mother and Father personally through our feelings, we can't get to know them with and through our mind as many religions teach. Any truly loving relationship is expressed through feelings and not the mind, and it's no different in our relationship with God.

We are, being of the image of God, one soul that's expressing its two soulmate / soul partner personalities in Creation. And we begin life at conception coming into being individualising our personality through our life experiences.

However the whole of humanity has been subjected to a high spirit Rebellion and Default, which has stuffed us up, taken us off our true spiritual path, and caused us to rebel by default against ourselves, against our own soul, and against God. So currently humanity is still living in rebellion to the higher spiritual truths, those denied truths being now readily available through feelings, and not by looking to the mind being the arch controller. The higher rebellious spirits that instigated the Rebellion and Default against the Truth, have caused humanity, have caused us all, to use our mind to control our feelings, which we do by looking to our mind to help us deny those feelings we wrongly believe are bad for us.

So our Healing is looking to end the Rebellion and Default personally within ourselves and impersonally for the whole of humanity, as we all come together understanding the dreadful plight we find ourselves in, and deciding that we no longer want to live as we do by looking to our mind though all our mind-controlling religions and spiritual belief systems, choosing instead to look to our feelings for the truth they are to show us, and that will break down our controlling mind, setting us free to live true to our

feelings.

And we are to understand that we have the freedom of will to live against our true selves by using our mind to control so many of our feelings. And we have the free will to end this mind control. **When we are living true to our feelings, we will be living true to the will of our soul no longer with our mind getting in the way. And so too will we be living True to God's Will. We live God's Will by living fully expressing all we feel as we long for the truth of such feelings. Our feelings are to guide us in life, not our mind; our true feelings are Our Way, which is also: God's Way.**

And we can ask our Mother and Father to help us. We can long to Them to help us embrace and accept and express, and long for the truth of our feelings; and we can long to Them for Their Divine Love.

Our Heavenly Parents have started us off in Creation by incarnating us onto a rebellious planet, one in which we experience what it feels like to go against ourselves and to go against Them. They have wanted us to start life in an unloving way, to live and experience and learn what living untrue to our soul and untrue to Their Soul feels like. And how it makes us all feel bad. We are starting off our lives in Creation in an unloving environment, which some people will find difficult to understand (for within it they do feel some love), and it can also be just as difficult to accept that God wants it this way. And not only that, but God is making you be the unloving person you are, God gave you your unloving parents (and the bits that might be loving), God is purposely making you suffer, God is in control of it all; and when your time comes, God will also help you do your Healing so you can come to understand yourself through your feelings. God will reveal all to you through your feelings. All the bad and all the good. We are all to one day understand what it's all been about for ourselves – and you will, God won't let you down, God will eventually answer all your questions.

So when you feel ready, you can decide that you want to live a Feelings First life. To begin your U-Turn, to start doing your Healing, and to end your pain, suffering and feeling unloved, by looking to the truth of such bad feelings.

And through your Healing you will slowly work your way deeper into understanding the truth of your unloving self- and feeling-denying state, and then once you've uncovered the whole truth of your wrongness, then a Great Change will come to you, and you'll no longer be living according to the negative, anti-self patterns you took on from your parents, you will be completely free of the Rebellion and Default, you will have finished your Healing, so you will be true and happy and wholly loving. And best of all, then you'll start living and learning about what it feels like to live being truly self-loving, loving of others and loving your Mother and Father. All the opposite to how you are living now.

**Long for the truth of your feelings.**

**Long for the Divine Love.**

**By living true to ourselves, true to our feelings, we are living true to God. It's that simple.**

James Moncrief 18 March 2018

## It's time for the true Woman's Revolution:

Liberation of the Feminine:

Women are Spiritual – live true to your feelings.

Put your feelings first – always. Let your feelings speak, DON'T DENY THEM.

I am my feelings. I care what I feel. I deserve the right to allow my feelings the right to exist. Let me OUT – Let my feelings have their Say. I will no longer keep them back, hold them in, shut them up. I want to be Heard. I want my feelings to have their say. I want to hear what my own feelings are telling me. It's time to face the truth, and my feelings are the way to it. My feelings won't like being suppressed, not once I get my mind out of their way.

Viva La Feelings – Women are Feelings. Women are Spiritual. Our Feelings are our true spirituality. Deny our feelings and we are denying our spirit. The suppression and forced repression of our feelings is to end. Bring Them ALL Out. Open your mouth and let your feelings come out, let your feelings have their say, and Long for the truth of Them. Want to know the truth of your feelings. My feelings are the Way to My Truth. I want to be true, beginning with being true to my feelings. And through my feelings I will be guided and shown how to live.

God loves all Feelings. You can only love God with your Feelings. Give ALL your good and bad feelings to God. Bring them out, stop keeping them hidden and bottled up. If you do, you'll never uncover the truth of yourself, nor will you really get to know yourself or God.

Your feelings are the key to your successful relationships. Block your feelings and you're blocking your relationships. Express your feelings and want them to show you the deeper truth of yourself, and your relationships will become true too.

Long Live My Feelings. MeTOOandmyFEELINGS. I am Woman let me FEEL. It's time to honour what I feel. Liberate the true feminine by liberating ALL your feelings. It can be very difficult, there will be many obstacles within yourself and outside of you, however if you want to truly set yourself free of your pain and suffering, then seek and long with all your heart for the truth of your feelings – for your feelings to show you the truth God wants you to see about yourself. And slowly you will heal, slowly you will change and overcome all such difficulties.

James Moncrief 18 March 2018

**The New Way: Learning how to live true to ourselves by living true to our feelings.**

Sometimes Your Mind Needs More Time  
To Accept What The Heart Already Knows

Heart logic and mind logic are often  
two very different things.

It has to feel right and make sense to  
move forward with ease.

If it doesn't feel right, but it seems to  
make sense, pause, and investigate within.

If it feels right but doesn't make total sense,  
ask the mind to trust the heart a little more.

The heart's usually the wiser of the two.

~Doe Zantamata

**Feelings** first

**FEELINGS FIRST because OUR FEELINGS are always IN TRUTH!**

It is through our feelings that we connect and communicate with our Heavenly Mother and Father. It is Their Truths that we feel. This is our pathway to freedom, to a joyous existence, a way of living that is so wonderfully light, in as much as our steps forward are always with ease and a true expression of our real personality.

Feelings First is a way of living that liberates all that is unreachable via our minds.

Never before in the history of humanity have the keys to our way to our Heavenly Parents been so clearly demonstrated and provided to us. Now, in the year 2018, we have been provided with the way to liberate our true personality.

We are to embrace our feelings, our soul based feelings, and through them we will find our freedom, and within this freedom we will find the way to heal ourselves of all our repression and suppression, most stemming from our forming years, our childhood from conception through to around the age of six years.

Oh the wonders of becoming superkids. That is, to begin to naturally express ourselves, that being truly the personality of who we are, the personality vested upon us by our Heavenly Mother and Father.

As emotional feelings begin to emerge, we are to long for the truth behind such feelings, both good and bad. It is the longing for the truth of our feelings that has been ignored by us for all these centuries. Instead we have subjected ourselves to our minds that cannot discern truth.

As we shed the encrustment of errors and injuries imposed upon us by the misbeliefs of our physical parents, we can ask for and receive our Heavenly Parents' Love, Their Divine Love, and in this way we will begin to divine ourselves, leading us to the Celestial Heavens.

**Feelings First**  
**Feeling Free**

**SUPERKIDS**

**Natural self Expression through Feelings**

**Self Empowering**  
**Self Revealing**  
**Self Loving**

# Avonal Revelation

- We are to live Feelings First.
- We've been made to use our mind to live against many of our feelings.
- Our mind control commences at conception and is developed through our childhood.
- All the bad feelings we didn't express as we were growing up are still repressed inside us.
- And all such hidden, buried and unwanted feelings have to come out.
- And whilst they remain repressed within us, they will continue to make us feel bad and unloved.
- We get sick, depressed, suffer, have bad things happen to us because of our repressed childhood feelings.
- Humanity was brought into this state of living against itself by higher rebellious spirits.
- These Evil Ones caused the Rebellion and Default.
- We are made to rebel by default – as we have no idea we're doing it through our parenting in wrongness.
- We are all parented unlovingly – against ourselves, against our will.
- Some parenting in the wrongness is done with more love, yet it's all still wrong.
- To heal this unloving state within ourselves we have to do our Healing.
- Our Healing is our Feeling-Healing or Soul-Healing with the Divine Love.
- We can long to God for Their Divine Love, and this will help us with our Healing.
- God is our Heavenly Mother and Father, the Feminine Aspects of God having been kept hidden from us by the Evil Spirits.
- All humanity's religions and spiritual systems are designed to keep the wrongness going, to keep us away from God.
- Only by living Feelings First Spirituality, The New Way, can you become right, and truly find God.
- Long for the Divine Love.
- Long for the Truth of your Feelings.
- Accepting all you feel is accepting all of yourself, it's your greatest act of self-love.
- And wanting to know the truth of your feelings, is your next greatest act of self-love.
- Love yourself through your feeling-acceptance, and the Truth will set you Free!

31 May 1914 and ongoing

**FEELING HEALING is to LIBERATE OUR TRUE SELVES:**

One's soul is always true and perfect. It is the source of our feelings. When we long for the truth of a feeling, we are looking within one's self and the truth of that feeling will progressively unfold.

Our mind is that cluttering confused chaos that has imprisoned our soul. Our mind wants control. It demands and causes us great difficulties. One can liken it to a wrecking ball that has encased within it our always beautiful perfect soul, being our real self. The mind dominates our brain. Our mind is stuffed full of our childhood upbringing errors.

Our parents typically followed the chaotic path of nurturing that they were subjected to, and so it goes on, generation after generation. By the time we are six we have allowed our will to be encased by the wrecking ball of errors of our nurturing. We now have to feel through those errors and injuries and free our soul, free our will. Our soul based will is always what we are to express.

Beliefs become Faith, but when we experience it, then it becomes Knowing. And it is in reaching the Knowing that one becomes perfected in that aspect of who and what we are.

When we long for the truth of the emotion, it will most often be unsettling to say the least. This is because there is little that our parents taught us that is in truth. Our will has been suppressed by our upbringing so that we could be like them.

Childhood repression encrust our wrecking ball mind which in turn suppresses our soul based feelings that are in perfect harmony and peace being based on love and truth as given to us by our Heavenly Parents. To shatter the wrecking ball we are to feel for the truth of all of our feelings, good and bad.

**MIND**

**SOUL**

The whole human race is suffering from repressed childhood and mind control.

Be controlled by your oppressive mechanical mind, or set yourself free through your feelings and allow your soul based truths to surface. Allow your feelings to be felt, and seek the truth of them. This is how we can all evolve in love.

Our minds are infused with childhood injuries and errors. Only by expressing them as they surface, and finding the truth of them that we set ourselves free and grown in love.

TRUTH LOVING SOUL V ERROR INFLICTED MIND

**MAN is not meant to INTERFERE with the DRIVERS of PAIN:**

21 September 2011

Verna, a Nature Spirit: Mary spoke of the disease resistant microbes coming about because of all the antibiotic food animals are forced to eat in some of the developed countries, well that's our department, one of them anyway. We are the ones responsible for such disease resistant bacteria. You see bacteria are open to easy manipulation from us, and so we're slowly bringing about the disease resistant strains along with the viruses and funguses that will be required by humanity in the times to come.

Humanity is NOT meant to heal itself of all disease by killing off the microbe, by doing things to stop it harming you. Humanity is to grow in truth beyond the need to have such microbes affect it, thereby not having to do anything at all to 'protect' itself from the so-called 'bugs'. The common cold only causes you such bother because you're already causing yourselves so much bother by refusing to feel the bad feelings you're denying. The bother's are the same, the cold coming to you so you can feel how you're really feeling – bothered, that being how your parents made you feel.

Humanity is to see that it's futile to keep trying to solve the problem by killing it, that it won't go away that way. It might be able to delude itself that it's done the job, but it's only short term and the bug will return, even stronger than it was. Had you left it as it was, and concentrated on growing in truth through the doing of your feeling-healing, then you'd have nothing to worry about from the bug. The bugs only cause you the suffering you require because it's what you need to help you feel bad as you refuse to allow yourself to feel as you do – bad. But instead of allowing it to make you feel bad, all so you can express such bad feelings uncovering the truth of them, you try to kill it and make it go away only exacerbating your self- and feeling-denial, only making things even worse for you in the long run.

When you have a disease, all the pain you feel from it IS ALREADY pain that's already within you, it's nothing new. You're not suddenly being attacked by this thing that's causing you all this pain. You're being helped by this thing to become aware of the pain you're already feeling, but are refusing to accept and acknowledge. And because you are denying yourself this pain, it all being felt in your early life and being kept buried within you, so it seems like suddenly your full of pain all because of your disease. And it's true that on a physical level the disease is causing you pain, but on the emotional, mental, spiritual and psychological levels, it's only helping you become aware of what you're not allowing yourself to feel. So do you see, YOU ARE ALREADY THE PAIN, it's all already there in you, you're already feeling it, only you've told yourself you're not. So the bug comes along into your body, your soul allows it to 'infect' you instead of rejecting it, and it makes you feel bad, all the bad feelings that are lying dormant within you. Only they are not dormant, you've just blocked them out, that being how extraordinary the mind is.

Were humanity true to its feelings and not under the influence of the Rebellion, it would have evolved beyond the current diseases that afflict it. It would have encountered other higher diseases, but would be well on the way to not having to require their help either. There are higher diseases awaiting humanity in the future, as it moves beyond the current ones, but by then such disease will be known for what it is, to help stimulate certain feelings which when expressed and the truth found, bring about the healing of the illness. As for the current diseases, we'll keep making them resistant to your medicines forever, it's all very easy for us.

Extracts from: With Verna – the Nature Spirit by James Moncrief

### **CREATION being an EXPRESSION OF MIND – Nature Spirit Verna:**

I, Verna, am one of the 'Little People of Light' or commonly called a nature spirit. We go by other names: elemental, elves, fairies and the like, but really we're nature spirits. We are only concerned with nature, the nature of Earth – our world. Earth is our world more than it is yours, as you're all passing through, whereas we are permanent residents.

We, nature spirits have an hierarchy, some of us being more evolved than others – older – and we're considered to be a slightly lower creation than that of angels, as it's angels, a certain type, that create us. And when we have served you, humanity, well, we can if we want, move up to becoming an angel, we can evolve into one.

About soul-light coming from the soul interacting with Creation bringing about in Creation what needs to happen is all in accordance with the soul's pattern. As far as nature goes, it is wholly responsive to the needs of humanity, that is really all it exists for, for you.

We know why we act, we just act, we're creations of the Mind, The Third Person of Deity; the Infinite Daughter Spirit looks after us through the Local Universal Mother Spirit, the Divine Minister.

We exist to serve you, those of the truth, as nature does, it also being a creation of the Mind, so we don't have a truth-evolving soul like you do. We do however grow in mind service, we evolve so to speak, but not how you evolve. We evolve by doing actions, by acting in accordance with the instructions and mandates we are given, and when they are fulfilled, or completed, we move onto the next assignment, that is our evolution, so we're able to grow by being given increasing responsibilities, it's the same for us as it for the angels.

So although we don't have an eternal soul like you, we do feel we have an eternal place in Creation because we are part of it; we've been created, there was and is a purpose to our existence, so there will always be something, the next thing, for us to do. And as we do each assignment we grow, which is really, advance in light. By the *light* of an angel or nature spirit you can tell where they are in Creation, on what level, on what assignment, on what circuit, where in the Universal Mind they fit and so exist.

Creation is all created by, and so is a manifestation of, the Mind of God, it consists of mind circuits from the lowest to the highest; and so because of that, everything in Creation can help everything else, it all being orchestrated by the intelligence of the Personalities it is derived from. So when your soul requires a certain experience, then all you are, all the environment is, all that leads up to that exact moment from the beginning of Creation, moves to bring about that experience for you. And all we do is go along with it, which is all you are slowly to learn to do. You are not to try and fight it, or interfere with it, you are learning to just accept nature, your own natures, your soul – or truth and mind nature.

As you learn to live as nature does, by being all-accepting, then you can allow your soul to guide you through your feelings and without trying to actively take over using your mind, to just act according to your natural impulses and feelings, all of which will bring about the desired experiences required by your soul resulting in the desired truth you are to see, know, and hence live.

YOU ARE NATURE – so as you understand about plants and animals and all nature is, really you are understanding about YOURSELF. And this is very important, to see yourself as separate from nature is not right, and is where you all go wrong – it is evil, because it's dishonouring yourself: your true nature.

What you as a person, YOU, are doing to nature is wrong. How you are negatively affecting it, and how that is all because you are doing it all to yourself. EVERYTHING YOU DO TO ANOTHER CREATURE YOU ARE DOING TO YOURSELF – and that's why you're doing it to the other creature, because you're doing it to yourself. How you are in the outer world is exactly how you are in your inner world. Or rather, how you are in your inner world is how you are in the outer one. It's always the inner first. And the inner has been created through your early childhood.

I'm a swirl of light, recognisable by other angels and beings of mind creation, but unrecognisable to you spirits of truth (humanity) who need form other than just light. So all of my kind, and all of my angelic relations, put on forms for you to recognise us by. You don't have any choice in your form, although in spirit you can play around with your looks a little and what you wear, how you present yourself a little to the universe, but mostly you just allow your soul to manifest your spirit form as its currently manifesting your physical form, whereas we angels being all light, have a choice – and lots of it! As I said, our true form is a creation of light, which means a collection or gathering together of many lights, beautiful and artistically designed, wonders to behold, and you will be able to get something of a glimpse and soul perception impression of our natures as you grow in truth, we being something very different to you.

And like you, as in you having a soul-mate, in some ways we nature spirits work in pairs, a positive and negative, but not negative in the bad, more like in the sense of current, in physics, a positive and negative representation of the frequencies of light that we are; but we angels – I'll call myself an angel for the time being, just for the sake of argument – don't have soul-mates like you, that's purely a spirit thing, as we don't have the same type of soul that you do. We don't ever perish, we do move on, in that we ascend the circles of light, which are the relevant circles of mind for our order; but we don't grow in truth like you do. We don't have the same mind set up as you do, we don't have a thinking and feeling mind, we are just mind, and all that is mind.

All things and creatures of Creation have a 'light' to them, which you could call something akin to a spirit. Truly speaking, only spirits of truth, such as what you are, you and humanity and those sorts of spirit beings like Mary and Jesus, the mind and Celestial spirits you speak with, all who have a soul that is truth-evolving, have a spirit; we beings and creations of Mind, have a light. I know it gets rather confusing, and it doesn't matter anyway. So you could say a tree has a light, it being a creation of Mind, that being the mind of the Divine Minister in our universe of Nebadon, and so you could say that light is something akin to the tree's spirit. However were you to talk to the tree's spirit and have it talk back to you, that's then where we come in. You can't actually speak directly to and converse with lower creations like animals and plants, but we can mediate, you can through us.

Mind spirits aren't going to tell you the truth of who they are, as they will be wanting to keep you in your deluded state just to keep the channel open. They don't care how they communicate with people on Earth, that is the lower ones in particular, and the ones who are seeking some power by doing it, so they won't say, oh sorry, I'm a mind spirit, for nature spirits you'll have to change frequencies, they're that channel over there.

Extracts from 'With Verna – a Nature Spirit' by James Moncrief

**NATURE SPIRITS will INTERACT and ASSIST US in our ENDEAVOURS:**

Extracts from 'With Verna – a Nature Spirit' by James Moncrief

I, Verna – a nature spirit, would like to say to the people of future who will read this, that we are more than willing to make contact with you humans, however, WE WILL ONLY DO SO WITH THOSE PEOPLE WHO ARE STRIVING TO LIVE TRUE TO THEMSELVES BY HEALING THEIR NEGATIVE STATES. We can't otherwise, if people are choosing to remain as they are, all bound up in their evilness, untrue and bad feeling denial, as the new age will forbid it. Once the new Spirits of Truth have been liberated, we will have to adhere to them, not that we would want to do anything else anyway. And we can't wait to have the new Spirits of Truth to guide us as they help and guide you.

Now, why I'm telling you this is because there's going to be an upsurge of people saying they are speaking to nature spirits, people who are not doing their healing nor seeking the truth of themselves. They will say they are, and their nature spirit communication will be part of them doing so, but it won't be true. So beware, many people will say they are speaking to our kind when they aren't, speaking only to mind spirits in the lower Mansion Worlds and Earth planes.

It's far more important for you to gain a true understanding of your own personal role in nature, how you are to conduct yourself with nature, and also the same with the impersonal, the greater whole. And along the way your knowledge about how things are in nature will expand directly through your experiences and with our input. But (put this in capitals please James); BUT OUR INPUT WILL ONLY COME TO THOSE PEOPLE WHO ARE STRIVING TO LIVE TRUE TO THEMSELVES THROUGH THEIR FEELINGS, by doing all you have written James; essentially, all Mary has told you and all Marion has told and helped you with.

We are able to impress certain insights and understandings upon her (Marion), we do upon you both, all of which help you understand nature more; yours and the natural world, and your relationship with it. So everyone who grows in truth, as a part of that growth, comes to love nature more, relating to it very personally through their own nature, so we are able to move in and be with you.

James: So really your kind is to have a very close and complete relationship with us.

Verna: Yes, it will grow and evolve as humanity does. We are just a part of the natural realm as are plants, animals and the air you breathe. We should not be kept alienated from you. And just because you might not be able to see us, doesn't mean we are less important or have less of an influence on you, in fact we have more of an influence than does direct experience with plants and animals. Your hands on physical experience with nature is very limited, there is only so much you can do with and in it. But your understanding of it and its relationship to yourself and yourself to it, is all but unlimited, it growing – your awareness of it all growing, as you grow in truth. And humanity is meant to grow in complete harmony with the natural world whilst it's here with it, not separately from it as you currently are. You are going against nature, not going with it, so you are going against your own natures, not with them, which of course is why you're going against nature. Your parents set you against yourself, your own nature, so you don't see that nature offers you anything other than what you can get from it. But that's all thankfully soon to change, and as there is already a slow awakening taking place in certain parts of humanity as to how special nature is, so this will continue to evolve.

**Nature Spirits control every aspect of the natural world:**

28 June 2012

Extracts from 'With Verna – a Nature Spirit' by James Moncrief

We have a progressive consciousness, we are evolving our minds, as I've told you, but they being a creation of Mind can so be influenced by higher angelic minds. So really in the mock you had, what I meant was we nature spirits can prevent fish from being caught if that's what we're asked to do by either higher angels on behalf of the Mother and Father, the Divine Minister in Neadon, or by Sons and Daughters of Truth, that being Mary and Jesus, the Creator Pair, or Avonal Pairs.

We'd know the Avonal pair would ask us knowing from their feelings and the truth they were living that it would be what the Eternal Son and Infinite Daughter desired.

We nature spirits can control EVERY aspect of the natural world if need be. We can make anything happen, from causing earthquakes and volcanic eruptions, down to move the smallest bacteria this way and that. We can bring about any mutations that are desirable, and we can work in the moment or over long periods of time. Nothing is too much for us when it comes to influencing the material plane, that's what we're all about as nature spirits, we do always and continually influence it. By our very nature, our very existence we're influencing it. Nature on the physical level doesn't and can't exist without our ongoing influence. And as to that influence, what it entails, that all awaits humanity, and one day we'll be able to tell various people everything we do. There will be those people destined to have very close and open relationships with our kind, and they will learn and see what we do. And then humanity will be able to move toward living more truly with us and our natural influence, all of which will make people feel so much happier about how they live and treat their natural environment. Currently you are so far away from the truth, heading fast in the opposite direction, so you are the furthest you've ever been from our kind. But once the age changes, then we'll be able to come to you as you'll be able to come to us and things will start to change for the better, that's what we're all looking forward to.

Potsy, the cat, her spirit has gone to join with the combined spirit from all Earth's creatures, to be drawn upon to create us nature spirits, and in fact the sporangia as well, having become part of the spirit collective energy from which my kind, among others, are drawn.

**We, being ensouled humanity, are to move with our feelings, respond and act upon our feelings, we all are, and so based on our feelings we bring our mind into play, and then things happen which affect our feelings and so our mind adjusts accordingly.**

**Feelings first**

**CREATION of SOUL and SPIRIT:**

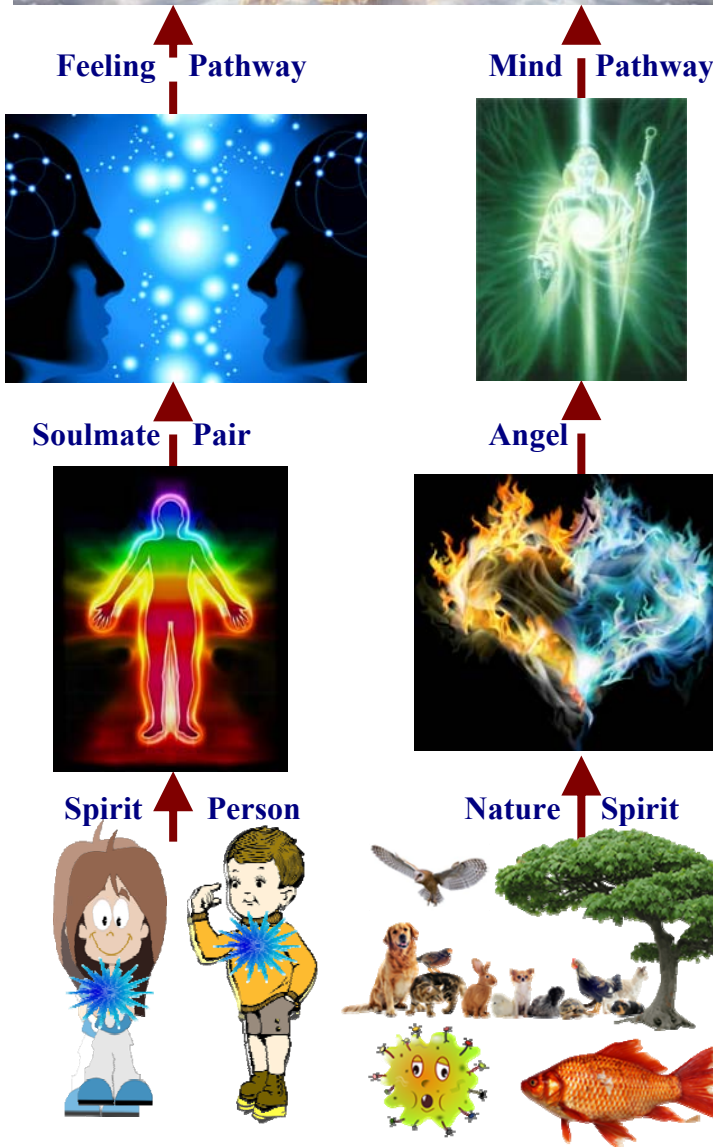

God is *The Paradise Trinity* — the eternal Deity union of the Personalities: the Universal Mother and Father; the Eternal Son of Truth; and the Infinite Daughter Spirit of Mind.

The soul of each human personality (sons and daughters of truth) is existential, driving our personality expression in the experiential. The soul of each human finds truth by embracing one's feelings and longing for the truth of them. We are to attain the Eternal Son of Truth. We are a creation of Truth.

The soul of angels is experiential, evolving through their experience by continually progressing in mind development. Angels are to attain the Infinite Daughter (Spirit) of Mind. Angels are a creation of Mind. Our soul is duplex (we have a soulmate) and is created by our Heavenly Parents. Through our Feeling Healing we perfect ourselves enabling the union with our soulmate, as we progress in truth up through the Mansion Worlds, celestial heavens and all the way to Paradise.

The soul of angels is also duplex, yet of the mind, and they progress in mind evolution to Paradise. Animals, plants and nature spirits are also creations of Mind.

Neither we nor animals reincarnate. We never die; upon death, we move into the spirit Mansion Worlds on our journey to Paradise. When animals and plants die, be they the tiny microbe to the mighty elephants of the land and the whales of the ocean, their spirit energy returns to the Spirit Collective Energy. And from this energy are drawn other animals and the nature spirits, who then in turn move onto becoming angels through increasing mind experience.

A nature spirit is an angel in waiting.

**WE EACH have a Nature Spirit pair, Spirit Guide pair and an Angelic Pair:**

**For those doing their Healing or are interested in doing it will** from that time have their own personal angels, spirit guides and nature spirits with them, with whom they are to develop their own relationships should they want to. It is not about ‘sharing’ the same angels or guides or nature spirits, it is about you relating specifically to your ‘own’ ones because they are provided for YOU. It’s all for you, to maximise the experiences we each need.

We are all to have our own pure relationships. And it’s the same of course in life with your friends, however over there, in spirit, dealing with Nature Spirits, Spirit Guides, and Angels, it’s more personal and private and ‘JUST FOR YOU’. So we have our own separate, unique relationships.

For example, Nature Spirit Verna has been assigned to be specifically and only with James, and she ain’t going to be assigned to anyone else, so she won’t be sharing herself around.

This is SO IMPORTANT to understand so that in future there won’t be all these people claiming to be speaking with Verna or Mary Magdalene or Jesus or Nanna Beth or anyone else who is part of it all in such capacity. Mary M and Jesus have spoken with James as they have, making it quite clear he is all they are speaking with.

We each have a band of a Nature Spirit pair, Spirit Guide pair, and an Angelic pair, each pair being in their soulmate / soul partner relationship. Even though we are ascending mortals having a soulmate, even our soulmate has his or her own group of six personalities assisting him or her. Our assigned Nature Spirits do not continue with us into spirit, our Spirit Guides may for a time assist upon entry to the spirit Mansion Worlds, however, our Angelic pair continue with us for eternity.

We souls are existential, our souls have it all within us, it's a done deal, we are just unfolding in Creation through our personality expression. So our evolution is our growing in truth, the truth already within our soul, with it continually being brought out through our feelings as we live our experiences, thereby 'growing in truth' as we ascend, as we live that truth.

Whereas the angels are experiential, and their soul starts evolving or developing upon their creation. It all being done through their evolving minds. They don't grow in truth like we do, they just grow or evolve in mind. And as they do, the experiences they have individually and then as a created pair, cause the soul of their mind to grow and evolve.

However, those people adhering to the 'Mind Way', as presented by TUB (The Urantia Book), the New Age, and all our religions, is really the angels' way and not ours. So perhaps, that is why TUB has 'mucked it up' because it has to adhere to the Rebellion, which is making us look to the God the Mind, the Infinite Daughter, as the Way to God, when we're to look to God the Truth, the Eternal Son, as the Way to God.

We can't attain Paradise and be with our Heavenly Parents unless we first go through the Eternal Son. We can't do it through and with our minds. That's for the angels to do. So the mind spirits (like most people on Earth and spirit Mansion Worlds), unbeknownst to them, are trying to live like angels, trying to evolve their soul through and with their mind, which can't happen. And if we are like angels going first through the Infinite Daughter on the way to the Mother and Father, then we fall short, never attaining the Son. However as we know, we are so wrong by looking only to our minds, that we can't even get out of the Mansion Worlds, let alone get anywhere near the Infinite Daughter on Paradise.

So our Healing is getting ourselves out of the mind, letting that way go, and coming back to our true selves, which is through our feelings, the truth we are to live from our soul. And once we do that through our Feeling Healing and divine our soul with the Divine Love, then we are free to move to Paradise, up via the Infinite Daughter (with Her and the Divine Minister (and Holy Spirit), nature, nature spirits and the angels' help – all the creations of the Mind), to the Eternal Son and onwards to the Mother and Father. With the Higher descending Paradise Daughters and Sons (Mary and Jesus, Avonal pairs, Trinity Teacher pairs), and local universal descending Daughters and Sons (Lanonandeks, Melchizedeks, etc.), together with our ascending mortal spirit friends (daughters and sons – each other, Nanna Beth, Kevin, etc.), helping us on the feelings and truth side of things.

Note from James Moncrief 4 November 2017

**Feeling Healing with  
Divine Love is the key**

**to enter the  
Celestial Heavens:**

AVONAL PAIR to be RESPONSIBLE for SPIRITUAL WELLBEING of EARTH:

Heavenly Parents

The Paradise Pairs, children of God, are all only concerned with the spiritual wellbeing and upliftment of the planets and local universe. Creator Son and Daughter, Mary and Jesus, are focused upon the spiritual wellbeing and upliftment of the whole of Nebadon which involves Earth, one of 3.8 million planets.

**AVONAL PAIR**

The Spirits of Truth of the Avonal Pair are to join with the Spirits of Truth of Mary and Jesus.

**Soulmates**

**COUNCIL OF ELDERS**

The Council of Elders, 12 Celestial soulmate pairs, being a Soul Group, guide to Founder of the Global Humanitarian Fund that is to disseminate Feeling Healing and Soul Healing guidance.

**Soulmate PAIR** while living in the physical of Earth, are to complete their Feeling Healing whilst embracing Divine Love, thus completing their Soul Healing. Being the first humans to do so, they will subsequently, upon their physical deaths, release their Spirits of Truth so that the whole of humanity, for the next 1,000 years, can embrace and progress in their soul development through Feeling Healing.

**GLOBAL HUMANITARIAN FUND**

Through the Global Humanitarian Fund, humanity is to be introduced to the processes of Feeling Healing and Soul Healing. Further, they will also become aware that our Spiritual Teachers of Truth for the next 1,000 years will be the Avonal Pair who will be handed this task from Jesus and Mary, and much, much more.

# Crossover

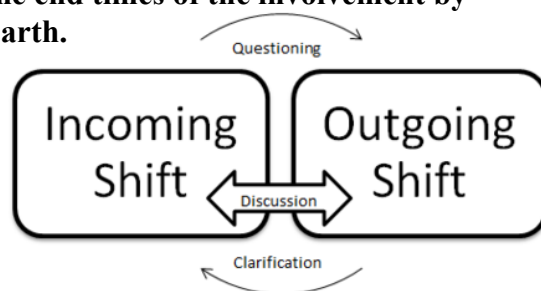

This time, in the history of humanity, is the most exciting time ever experienced.

# the Handover

This is the time that man is now able to evolve in its spiritual development. Man has endured 200,000 years of Rebellion and compounded this with the Default of some 38,000 years, now it has been provided with the guidance to put aside the negativities of the Rebellion and Default.

With the guidance that was provided through James Padgett (1914 through to 1923), man became again aware of the availability of Divine Love from our Heavenly Parents. This also heralded the handover. That is, the commencement of the end times of the involvement by Mary and Jesus in the spiritual affairs of humanity on Earth.

Soul groups that have been in place during Mary and Jesus' 2,000 year involvement with Earth have progressively handed over to soul groups that have been forming since 100 years ago. The older soul groups have mostly progressed on further towards Paradise.

The second revelation, that followed from the availability of Divine Love, is the processes of Feeling Healing and Soul Healing. The understanding of the Feeling Healing process is the most important of the revelations and should have been the first to be revealed. Feeling Healing and Soul Healing are being revealed through and by Marion and James Moncrief.

The soulmate pair, that are the first to complete their Soul Healing, and upon their deaths, they will release their Spirits of Truth which will unify with the Spirits of Truths of Mary and Jesus so that humanity, in whole, will have access to these knowings and guidance for the next 1,000 years.

Mary and Jesus, being responsible for the spiritual wellbeing and upliftment of the whole of Nebadon, are to withdraw from their direct involvement with Earth and hand over the responsibilities to an Avonal Pair who take individual responsibility for the spiritual wellbeing and upliftment of individual planets and their associated Mansion Worlds, in this case, Earth exclusively.

## COUNCIL *of* ELDERS

For the next 1,000 years, via the Avonal Pair and the newly forming Soul Groups, Earth will be able to evolve through embracing Feeling Healing, and with Divine Love, one's Soul Healing. These newly formed Soul Groups are effectively 'Council of Elders' to assist humans living in the physical on Earth to enable all to be aware of the way to evolve.

With the absolute end of the Rebellion, this is the first time in 200,000 years that mankind, humanity, can take control of his and her destiny and evolve in love and truth for all eternity!

Throughout this coming era, our spiritual leaders will be an Avonal Pair, yet to be identified.

**LOVE**  
is  
**Feelings First Spirituality, The New Way**

*Feelings First Spirituality, New Feelings Way*, is based on living true to our self through our feelings. Understanding that all we need in life is contained within our soul and is shown to us through our feelings. And by loving our feelings, by attending to them properly (talking or writing them out of us) and not denying them, we can use them to uncover the truth of our self – the truth of our soul.

*Feelings First Spirituality* is not telling us how to be, that is too controlling and is actually bad for us, limiting your spiritual growth. We can be wholly self-revealing of the truths we need to be, being the person God created us to be, all by living true to our feelings.

*Feelings First Spirituality* has no formal structure because we understand we don't need one, our soul contains within it all the truth of our spiritual ascent. If we look to our feelings for the truth they want us to see about ourselves, nature and God, then what more do we need! Our true spiritual path is the path our feelings will lead us down, that is, provided we allow them to. This is the most spiritual we can be.

**Living the New Way of Feelings First Spirituality**

We come to the understanding from our life experiences that how we are is not right, it doesn't make us feel good – that we are wrong in some way. And we want to change our self, we want to become right, true and perfect – we want to be like God is.

*And to do this you need to do your Healing*

Our Feeling-Healing is looking to our feelings for the truth of our self, the truth being hidden in many of the feelings we are not wanting to face in life. So we have to end our feeling denial, accepting all our bad feelings (and good ones), express them (yet not necessarily acting upon them), whilst longing to uncover the truth they are to show us.

Or, we can do our Soul-Healing; which is our Feeling-Healing, together with including longing directly to God for God's Divine Love. When we receive the Divine Love into our soul, it will cause our soul to become divine, and it will deepen our personal relationship with God. Long with all our heart to God for God's Divine Love.

<http://religionoffeelings.weebly.com/>

**Feelings First Spirituality**  
**THE New Way**

**By living true to ourselves, true to our feelings, we are living true to God. It's that simple.**

## Prayers to our Mother and Father

From 'Religion of Feelings' by James Moncrief

**Please Mother and Father** help me accept my untrue state and bring up all my repressed feelings so I can see the full truth of why I feel so unloved and all that's wrong with me.

**Please Mother and Father** help me see the truth of myself through my feelings.

**Please my beloved Heavenly Parents**, fill my soul with Your Divine Love. I long for Your Divine Love; please answer my prayer and yearning to be at-one with You and do Your Will by living true to myself and all my feelings. Please fill my heart and soul with Your Divine Love – please make my soul like Yours – Divine.

**Please Mother and Father**, I want to uncover the whole truth of myself through my feelings. I want to be able to feel and accept just how bad I am, how bad I feel I am, how bad I've been in my life. I want to know the whole ugly truth of myself, see it and feel it and understand how I came to be it. Please reveal to me through my feelings all the truth of myself You want me to see. I want to be as You want me to be; I want to be true and perfect, Healed of all my rebelliousness and self- and feeling-denial; I want to be good, loving, true and happy, please help me become true to myself, true to my soul, true to You.

**Please Mother and Father help me**, I'm in such bad pain, I feel so alone, so miserable, so scared, what's going to become of me, I don't understand, what's the point of me, why have You made me; please help me see the truth of myself – all the truths of myself, nature, how to be in the world, of You both. I want to know, I want to know it all through my feelings, all that there is to see, the whole truth and nothing but the truth. Please help all my pain come to the surface of me so I can embrace and accept and express it out of me. I want to use my feelings to uncover the truth they are to show me; please help me to do that.

**Please Mother and Father love me**. I want You to love me. I want to feel fully loved by You. I don't want anything else, only to be with You. Please, that is all I am asking.

**Please make me feel how unloving I am**. Please show me the horrible truth that I am. I want to see and feel and understand the worst of me, please take me into my darkest scariest ugliest unwanted rejected places within myself. I don't want to feel all the dreadful pain that I know is there locked away inside me, yet I do also want it all to come up and out of me, and I want to use it to see the truth of my wrongness, the truth of how evil I am, the truth of my fucked up state. I no longer want to be false, pretending I am okay, using my mind to make me falsely believe I am good, happy, loved and loving, when I know I'm not. For how can I be when You've brought me into my unloving state, making me be of it. And as You want me to experience being this negative way, please show me the whole truth of it. I no longer want to deny any part of myself, or any of my bad feelings. I want them all to come up so I can express them, emoting their pain, feeling how bad You've made me feel all my life and all through my early life; I want to see why, and so reveal all the truth to myself. I want to be the living truth of myself, living true to my feelings and the truth they give rise to. Please help me to do my Healing, and please fill my soul with Your Divine Love.

The mind way is the 'dead' way; the feelings way is the 'alive' way.

### Examples of some prayers to God:

From 'Feeling Healing' by James Moncrief

**Please God** show me the truth of myself through my feelings.

Please help me see the truth about myself You want me to see.

And please help me feel all my repressed pain; please bring up all my bad feelings so I can express them and see what it is they are to show me about myself, my life, and You.

And please help me work through my blocks, I want to Heal myself, I want to become true to myself and true to my feelings and true to You – please help me do that.

**Heavenly Mother and Father**, I feel so bad, and I know I'm doing it to myself, but I can't help it. I can't stop my compulsive addictions, so will you please bring up the buried feelings in me and show me the reasons why I can't stop. Please! I want to know – I REALLY WANT TO KNOW why I do them. Please help me Mother and Father to uncover the truth of myself. Please, I beg you, please, please, please show me the truth of them so I can give them up. I hate feeling bad, yet I know I must so I can keep expressing my bad feelings to see the truth You want me to see, so please help me feel bad.

**Please Mother and Father** fill my heart and soul with Your Divine Love. Please give me Your Love. Please love me and make me feel loved by You. I want to feel You close to me, I want You to hold me, make me feel loved by You. I only want You and to do Your Will. Please help me bring up all my repressed feelings so I can express them and uncover their truth. Please help me do my Healing. Please give me Your Love.

**I hate you Mother and Father;** why have You given me such a shit awful life? I hate myself, I hate You, I hate everything about my life. I feel so bad all the time. I've expressed so many bad feelings and still I feel bad. It's not fair, it's not fair what You've done to me. I hate You! And I want You to help me Heal myself, so I can stop feeling bad. You put me in the shit for whatever reasons, and I want You now to help me get out of it and show me what it's all been about. Please help me to Heal myself so I no longer hate You.

**I long for Your Divine Love** Mother and Father. Please fill my soul with it. And please help me uncover the truth of myself through my feelings. I want to see it all! And please make it all end, I'm so tired of always feeling so bad, please take all my bad feelings away by making me feel them and showing me the truth I am to see.

### **OUR GUIDANCE to PARADISE, the home of our HEAVENLY PARENTS:**

There are three distinct phases of our progression to the home of our Heavenly Parents which is Paradise that is within the circle of seven Super Universes, each containing many Local Universes.

Once we progress beyond our Local Universe of Nabadon, then we are assisted and guided by our Heavenly Parents, our true Mother and Father all the way home to Paradise.

Before then, once we have completed our soul healing, we are guided through the Celestial Heaven worlds which are those that interact with humanity on Earth, then further on into and then out through Nabadon, our Local Universe. The regents of Nabadon are Mary and Jesus.

However, before then, we are to embrace our healing. That is, we are to realise who we truly are. We are not the personalities that our parents imposed upon us. We are to put aside our childhood suppression and repression and free our true personality that our Heavenly Parents gave us, and to do this we are now able to embrace the guidance of the Avonal Pair who will lead us through our healing here on Earth and through the Spirit Mansion Worlds to be able to enter the Celestial Heavens.

**Feelings First Spirituality, The New Way  
Uncover the Truth of yourself through your Feelings**

## WE ALL ARE BEING GUIDED HOME:

We need the Spirits of Truth of the Avonal Pair to Heal ourselves; then once Healed, (and for support (overshadowing) as well through your Healing), we need the Creator Pair, Mary Magdalene and Jesus' Spirits of Truth to see us through the Celestial spheres, while at all times embracing our Heavenly Mother and Father.

Until Mary and Jesus died and liberated their Spirits of Truth, no one from any of the worlds could leave Nebadon, because no one knew the way to do so. Nebadon is our local universe containing some 3.8 million inhabited physical worlds and their associated spirit worlds.

When we embrace the truths Mary and Jesus are revealing, and start to do our Feeling Healing, or with Divine Love, Soul Healing, we are then freeing ourselves up from our parental and self control.

Thus our journey to Paradise, to the home of our Heavenly Parents, is of our choosing as to when we progress, however, there is only one way:

**HUM:** Humanity is to ascend. We are self contained. Our soul is always in truth and perfect at all times. **By living true to ourself, true to our feelings, we are living true to God. It's that simple.**

We are to recognise that being engaged and dominated by our mind is the wrong way for us to evolve and grow in truth. We are to discard the mind enslavement that has been imposed upon as by all of our parents. We are to express our feelings, both good and bad and free ourselves of the indoctrination that humanity has embraced worldwide.

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God's soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of our Mother and Father.

**AVO:** We are to embrace the truths and guidance of the Avonal Pair through their Spirits of Truth. It is the Avonal Pair's guidance that will lead us through our Feeling Healing, and with Divine Love, we will be able to ascend through the 7 spirit Mansion Worlds and enter the Celestial Heavens where we also interact with other world's spirits.

**J&M:** We are also to embrace the truths and guidance of the Paradise Pair, Mary and Jesus, who will then lead us through the 3 Celestial Heavens that are aligned with Earth, and then further on through Nebadon where we will then depart beyond on towards Paradise.

**M&F:** Beyond the universal zone of Nebadon, we will be guided by our Heavenly Mother and Father onwards through the universes to Paradise where we will be welcomed by them, home for us all, as we are all Children of God.

**M&F**

**J&M**

**AVO**

**HUM**

**WE ARE Children of God**

**WE ALL ARE BEING GUIDED HOME – NOW, HOW TO COMMENCE THE JOURNEY:**

**GOD**

**M&F**

For 200,000 years, we have been misled into embracing our mind's distortion of wisdom and truth. All such traditional understandings only lead us in the wrong direction, from which we must turn back from. Our soul based feelings are always in truth. Our minds are to follow our soul based truths and feelings, not the other way round, as we have been brought up to embrace.

We are to connect with our deeper repressed feelings.  
We are to long for the truth of what we are feeling.  
We are to live true to our selves; by living true to our feelings.

Use your surface day-to-day feelings to connect with your deeper repressed feelings. Express your surface feelings and your deeper repressed feelings to uncover the truth of yourself.

**J&M**

We all have feelings which we communicate and share with each other. And we all have deeper buried and hidden repressed feelings. Feelings from our early childhood we felt, yet weren't allowed to express. These feelings are still within us, waiting to have their say. These feelings, because they are repressed, cause us all our problems.

And as we look to uncover, bring out and accept these deeper feelings, so we're taken into new ways of looking at ourselves, our feelings, and our life. We're setting ourselves free of the controlling patterns that govern our unloving behaviour.

In this way, we progressively begin to express the personality that our Heavenly Mother and Father gave us, not the one imposed upon us by our physical parents and carers. We are to be our true and real selves.

**By living true to ourself, true to our feelings, we are living true to God. It's that simple.**

**AVO**

**HUM**

As we, humanity, long for the truth of our feelings, we can also be assisted by the Spirits of Truth of the Avonal Pair who are our spiritual teachers for Earth over this coming 1,000 years, to assist us through the Great U-Turn, away from mind dominance to being soul based feeling lead. They will assist us through the seven levels of the spirit Mansion Worlds.

Then the Creator Pair, Jesus and Mary, will lead us through Nebadon and into the greater universe. Then our Heavenly Mother and Father lead us home to Paradise.

**WE ARE Children of God**

Collectively, should we embrace them all, as we are to, then our pathway home is a journey in the hands of the Spirits of Truth of the Avonal and Paradise Pairs overseen by our Heavenly Parents.

## HOW TO GET TO PARADISE:

Long for the Divine Love

Long for the Truth

Long for the truth of your feelings

Don't deny any feelings: accept, express and want to know the truth of them

Know your feelings are the key; your feelings are the Way

Want to end your falseness and being untrue

Want to understand the truth of your early life

Use your surface feelings to move deeper into yourself, bringing up your repressed feelings

Want and long to know the whole truth of yourself

Want to do it all with God, your Heavenly Mother and Father – long to Them for help.

## The Key

Our longing drives our life. We long with feelings. We can wish for things using our mind, yet long for things with our heart. These things in the pyramid are what to long for. Longing for them, when the longing comes naturally. Longing because you feel you really want them. Long to be true with all your heart. Long to live true to your feelings. Long to understand the whole truth of yourself.

**PARADISE TRINITY:**

1. **Our MOTHER and FATHER (God) (MF) – Divine Love**  
SOUL (God) – One SOUL that is expressing its two PERSONALITIES, our Heavenly Mother and Heavenly Father (Soulmates / Soul Partners)
  2. **ETERNAL SON (ES) – Divine Truth**
  3. **INFINITE DAUGHTER (ID) – Divine Mind**
- Then: The Second and Third Persons of the Paradise Trinity (ES and ID) are stepped down to the local universe trinity (Mary and Jesus, Divine Minister (DM), and her Holy Spirit.

**The LOCAL UNIVERSE TRINITY:**

1. **MARY M and JESUS** – Our MOTHER and FATHER – Love – the Living Truth
2. **DIVINE MINISTER** – Mind (and her Holy Spirit)
3. **HUMANITY – Natural love, sons and Daughters – Truth, and our Angels – Mind**

**PLANETS that engage in REBELLION:**

1. **AVONAL SOULMATE PAIR** – the Feeling Healing process – incarnate
2. **DAYNAL – TEACHER PAIRS** – they do not incarnate

**So in summary:**

**Consider a diamond:**

# Mother and Father Heavenly Parents

Creator Son & Daughter  
Jesus and Mary

Avonals  
as soulmate pairs

Trinity Teachers  
as soulmate pairs

Melchizedeks – who have taken over from the Caligastians and Daligastians being also all as soulmate / soul partner pairs.

Mortal Souls – human beings who individualise on Earth, then progress through the spirit Mansion Worlds, then into the Celestial Heavens, and beyond.

Mortal Souls – also being ascending spirits, upon completing their Soul Healing, join with their soulmate, then join their soul group of 24 mortal spirits, being 12 soul pairs. It is only as a soulgroup that anyone can progress beyond Nebadon.

The Paradise Pairs are all ONLY concerned with the SPIRITUAL wellbeing and upliftment of the planets and local universe. Currently to do with Earth:

Mary and Jesus – spiritual wellbeing and upliftment of the whole of Nebadon region.

Avonal Pair – Daynal pairs (Trinity Teacher Daughters and Sons) – Spiritual wellbeing and upliftment of individual planets and their associated Mansion Worlds.

The Local universal Sons and Daughters are all about the running of the worlds under their jurisdiction, and ensuring the higher spiritual elements can be employed, or sent astray, as in our cases through the Rebellion and Default.

Lanonandeks – Melchizedeks (and others, such as Life Carriers and Eve and Adam).

As the Lanonandeks all rebelled – the Lucifers, Satans, Caligastias and Daligastias soulmate / soul partner pairs – so the Melchizedeks have taken over their roles, as well as doing their own.

So the Melchizedeks are the governors, overseers, the administrators and advisors and so on for Earth; they are the ‘controllers’, and they will instigate all that needs to be done to do with the ending of the Rebellion and Default. And they will enlist the willing help of ascending mortal pairs, so the mortal Celestials spirits (soulmates when available, and others waiting to unite with their partner), and at times mortal spirits in the Divine Love Healing Mansion Worlds. And the angels help all of us.

Currently the whole of Creation exists for the ascension of mortal souls from their earth planets to Paradise. It’s all one vast Grand Ascension Scheme. With all the higher and lower spiritual Daughters and Sons, together with all the many different angels and other universal spirit personalities, and even including nature and our very own pets, assisting women and men with their Ascension Journey. It being: and Ascension of Truth. Everything we do is done to help us grow in truth. (Only everything we do in our negative state is to deny ourselves our truth from our feelings, which is why we have to do our Healing.) All women and men are ascending (or growing) in truth through their experiences. And as we grow in truth by looking to our feelings to show us that truth, so we’re ascending, moving inwards and upwards through all the worlds and spheres of the Grand Universe to one day arrive on Paradise and meet our Heavenly Parents. God is providing us, Their children, with this spiritual journey called our Ascension of Truth. And by living true to our feelings, so we are progressing on our true Spiritual Path – our Ascension Path.

JOURNEY of HUMANITY into and through the GREAT U-TURN:

Humanity reaching its most evilness, the most lost, the most separation of soulmates. Humanity can begin its Healing. The Great U-Turn begins, the dawning of the Spiritual Age.

Humanity increasing its self- and feeling- denial, its denial of truth. Soulmates getting further apart. Rebellion then Default

Present Day

The true Healing of humanity. Humanity Healing itself by doing its Feeling-Healing and Soul-Healing with Divine Love. Soulmates getting closer together as people express all their feelings more truly.

The Great U-Turn will bring about the Ages of Light and Life.

First soulmate pair – Andon and Fonta

The last humans, the last soul partner pair on Earth.

Lucifer & Satan

Adam & Eve

Rebellion leaders are now removed

Jurisdiction of humanity and spirit worlds is now with Celestial Spirits.

**This is the Great U-Turn. We are to feel and live by our feelings and express our feelings, our mind will follow in support, not the other way around.**

**Feelings First**, you can be sure about that! **Once women get that message and start living it, then the tide will really change**, with men either deciding to support them by looking to their own feelings or being left on the outer wondering what the fuss is all about.

The feminine light is going to sweep through humanity and purge it of all the yuk and darkness, helping to bring the whole of humanity back into a nurturing loving mother state of being, from which the supportive, caring father can support her and together they can make the world great again, they can bring humanity up into its natural love perfection whilst at the same time offer those people who want to spiritually grow the truths of how to embrace the Divine Love and move on to the Celestial level.

**By living true to ourselves, true to our feelings, we are living true to God. It's that simple.**

**FEELING HEALING and SOUL HEALING with the DIVINE LOVE:****James Moncrief Publications:****all publications are free downloads:**<http://divinelovesp.weebly.com/my-free-books-and-free-padgett-messages.html>

It is suggested for one to consider reading as follows:

**Speaking with Mary Magdalene and Jesus – books 1 – 4**

These four books encapsulate the second of the revelations with the first having been introduced by James Padgett one hundred years previously. These four books provide a wide range of guidance that has never previously been made available.

**Paul – City of Light**

As a gentle intro into the Divine Love and Healing; being James Moncrief's first novel and it's been criticised as being too heavily clichéd, but that's the point because it's a reflection of how he was back then.

**Ann and Terry**

For an example of people who might want to immediately start working on themselves and doing their Healing.

**Feeling Bad? Bad Feelings are GOOD**

For more understanding about our denial of our feelings and why we should not deny our feelings, and it includes how it all came about for James, using himself as an example.

**Feeling bad will make you feel BETTER – Eventually!**

This includes specific examples of Marion and James working on expressing particular bad feelings, again with the hope that it will help others gain something of an idea as to what's involved in doing your Feeling Healing.

**Sage – and the Healing Angels of Light**

Through Sage who's 13 years old, the story is primarily about the two aspects of healing; that being, with the help of our angels, and the full Healing we can do by looking to our feelings for their truth.

**Religion of Feelings  
Feeling Healing****Welcome to LOVE – the Religion of Feelings  
you can heal yourself through your feelings**

So these books, including the four Speaking with Mary Magdalene and Jesus books, provide the essence of it all and are examples of James' work. Then it's up to whatever takes one's fancy. Other reading to consider may include:

**The Padgett Messages being published as:****The True Gospel Revealed Anew by Jesus volumes 1 – 4****Book of Truths by Joseph Babinsky****The Urantia Book****Release one's pain through expressing one's feelings.****in conjunction with****Longing for the Truth when also longing for Divine Love.**

**FEELING HEALING with DIVINE LOVE is SOUL HEALING:**

*A collection of 'papers' that draw together specific topics including all of the above and more from other sources of information and revelation designed to help increase one's awareness about why we have the problems we do and how to heal them, all whilst living a more healthy and sustainable life. They provide a brief snapshot of the more complicated topics and issues.*

**Firstly, consider discovering the truth of your emotional pain through Feeling Healing. Secondly, consider longing for our Heavenly Parents' Love as you progress with your healing. Primary and most important readings are the writings of James Moncrief. Then consider the Padgett Messages, and then The Urantia Book.**

Pascas Papers, being free, are located within the Library Downloads [www.pascashealth.com](http://www.pascashealth.com)  
<http://www.pascashealth.com/index.php/library.html>

**PASCAS – document schedule.pdf      downloadable index to all Pascas Papers.**

FH denotes Feeling Healing; SH denotes Soul Healing, which is: Feeling Healing with the Divine Love; DL denotes Divine Love – living with the Love.

**PASCAS  
PAPERS**

**DIVINE LOVE and DIVINE TRUTH Revelations and Teachings escalating:**

**Cause No Harm** < to OTHERS  
to MYSELF

Strive to love others as I am to love myself

To liberate one's real self, one's will, driven by one's soul, moves one to embrace Feeling Healing so as to clear emotional injuries and errors. With the Divine Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

Divine Love  
is the key!

**God's Divine Love:  
Pray for it, ask for it, and receive it.**

Feeling Healing with  
Divine Love is the key

to enter the  
Celestial Heavens:
