PASCAS WORLDCARE - Asset Management

- The core activity, namely Pascas Care Centre, is to be financially sustainable. The clinics are not charitable undertakings nor are they commercially benchmarked globally.
- Activities in remote and emerging economies are to become financially sustainable within three years or so (clinics, agricultural, etc).
- Commercial activities within developed economies are to be benchmarked against industry financial platforms (KPIs).

- Subscription for shares in Pascas Worldcare which then funds into Pascas Care, New Biosphere Agriculture, Urban Rural Technopath and CATs innovations.
- Subscription for shares into individual CATs innovations and specific elements of Pascas Global programs.
- Combinations.

PASCAS WORLDCARE - Asset Management

- What is most important is the 'doing'.
- A key is the utilisation of each of our passions and focus to realise specific outcomes.
- Also, it is most important that the unique skills that we each have are best employed.
- Thus, the combination of funding pathways to encourage and ensure all agendas are possible.

PASCAS WORLDCARE - Asset Management

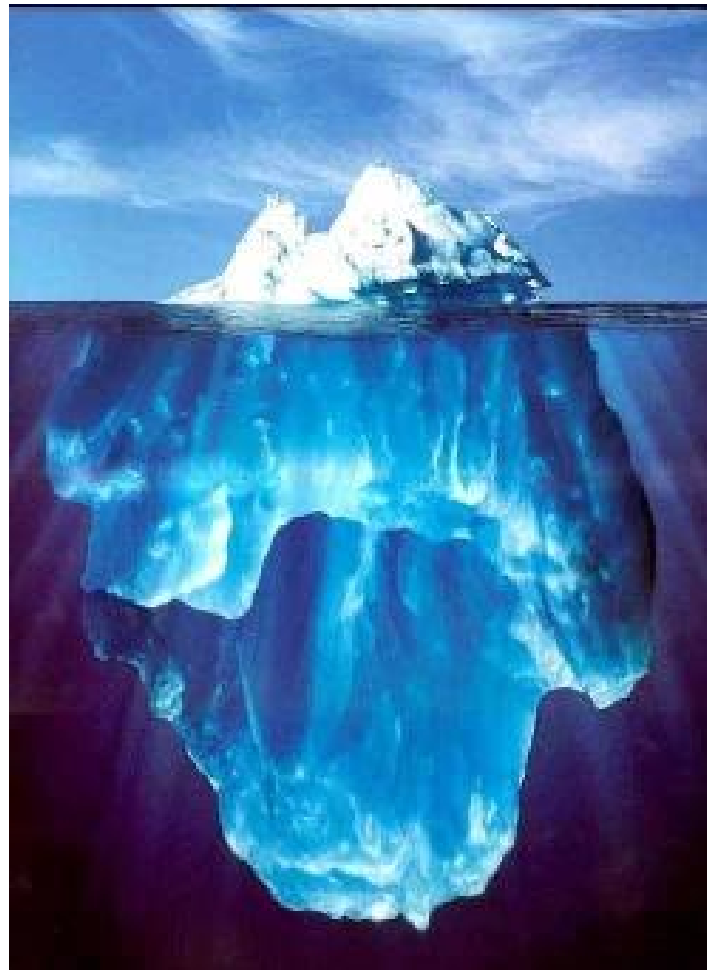

MANAGEMENT:

- Pascas WorldCare is the centre for all platforms and establishment of ethos, etc.
- Pascas Care units are autonomous.
- New Biosphere Agriculture units autonomous.
- Urban Rural Technopath is a professional support team to assist in nation building.
- Centre for Advanced Technologies is a professional team to aid commercialisation.

CHALDI KNOWLEDGE CENTRE

CHALDI COLLEGE

Chaldi is pronounced as in 'Kaldi'.

Symbolically, the iceberg is a good representation of the undiscovered potential in all of us.

PASCAS WORLDCARE - Asset Management

Overarching agenda:

- Education being the key to achieving our collective goals.
- Uniformity of culture, message, spirit and purpose.
- Sharing of skills, knowledge, training, purpose is to prevail.
- The reason why we are here is to help and care for others.
