## PASCAS INTRODUCTION:

Documents assembled by Pascas are provided for your individual assessment and exploration. The contents are sourced from a variety of avenues and publications. Every endeavour is made to determine that the contents are of the highest level of truth and veracity. At all times we ask that you go within yourself, to ascertain for yourself, how the contents resonate with you.

Pascas provides these notes and observations to assist us all in the development and growth of our own pathways and consciousness. Pascas does not hold these contents as dogma. Pascas is about looking within oneself. Much of what we are observing is new to us readers and thus, we consider that you will take on board that which resonates with you, investigate further those items of interest, and discard that which does not feel appropriate to you.

Kinesiological muscle testing, as developed by Dr David R Hawkins and quantified by his Map of Consciousness (MOC) table, has been used to ascertain the possible level of truth of documents. Such tested calibration levels appear within the document. We ask that you consider testing same for yourself. The technique and process is outlined within Pascas documents, such as Pascas Care – Energy Level of Food. From each person’s perspective, results may vary somewhat. The calibration is offered as a guide only and just another tool to assist in considering the possibilities. As a contrast, consider using this technique to test the level of truth of your local daily newspaper.

Contents are not to be interpreted as an independent guide to self-healing. The information sourced herein is not from a doctor or doctors, and any information provided in this document should not be in lieu of consultation with your physician, doctor, or other health care professional. Pascas, nor anyone associated with this document, does not assume any responsibility whatsoever for the results of any application or use of any process, technique, compound or potion as described within this document.

The sources of contents are noted throughout the document. In doing so, we acknowledge the importance of these sources and encourage our readers to consider further these sources. Should we have infringed upon a copyright pertaining to content, graphics and or pictures, we apologise. In such cases, we will endeavour to make the appropriate notations within the documents that we have assembled as a service via our not for profit arm, to our interested community.

We offer all contents in love and with the fullness of grace, which is intended to flow to readers who join us upon this fascinating journey throughout this incredible changing era we are all experiencing.

**The greatest gift for our children that we could possibly provide is to enable for them to grow up without fear.**

# PLANT the SEEDS of TRUTH

**To ENABLE CHILDREN to GROW UP without FEAR:**

In this regard we are not inferring that children be foolhardy and undertake fearless feats.

To be without fear is to be functioning with harmony with all there is. When love in its most beautiful sense prevails in every aspect of one's life experience, this then brings about a fearless existence.

As harmony grows to dominate one's way of life, the Love of the Father melds wonderfully with one's natural love which is the essence and substance of the soul in its original form. As we develop our soul's essence of love, this brings about a higher level of harmony that permeates our physical body thus bringing about excellence in one's physical health. Such harmony brings to us joy and exuberance in all levels and aspects of one's physical life, be it our work environments and achievements, our personal relationships with others, and joys from many unexpected wonderful experiences.

A child developed within an environment conducive to harmony will then experience many gifts being showered upon the child, the Love being for the child for all of its eternity.

The greatest gift for our children that we could possibly provide is to enable for them to grow up without fear, without fearful negative emotions, and that can occur when Divine Love is embraced by the family.

The availability of the wonderful Love of the Father, the child's spiritual Father, and Father of his/her soul, and the encouragement for a child to commune / talk to the Father is all prevailing when living with the Love. The development of the understanding of the unceasing and ever available Love from the First Source, the Soul, Father, for the child is paramount for the child to realise that His love is for evermore for the child and is freely given to the child is and when he/she desires.

Humans develop in seven year stages. The most critical is the first seven years when the feeling part of us is moulded. Beliefs, habits, and attitudes are passed on from our parents to ourselves which we embrace from our parents and which we will pass on to our own children unless we break the cycle. We are here to develop our love towards others and for ourself. Parents living with the Love enable children in their infant years to participate and live with the love, particularly when their cognitive attributes blossom around the ages of six or seven.

Life is a series of challenges. We have to face these challenges. Mortals or spirits cannot solve all their problems, but at least, they can present themselves before any challenge, facing up to them and trying to do their best in each situation. The chain of challenges does not end with Earth life, but it continues in the spirit world. The best moment for learning how to live with the challenges of life is always the present. We all receive help, on Earth as well as in the spirit world. It is necessary to ask for help, it is necessary to seek it and to accept it. It is a universal law that people only receive what they ask for.

When people do not know how to ask for help on Earth, they will not know how to do this in the spirit world. They have to learn it, here or in the spirit world. People fear what they do not know.

It is always worthwhile asking for help, and that the lesson of humility is perhaps the best lesson in life. Humility is the key to the heavens, the foundation of love, of spiritual growth beyond individual limits.

GEMS for ALL PEOPLE of all AGES to EMBRACE:

The GOLDEN AGE!

***Cause No Harm*** < to OTHERS  
to MYSELF

**Strive to love others as I am to love myself**

At any time, any where, and in any way you so please:

Approach our Heavenly Parents, in reverence, without fear or trepidation, just as we, as a child, approach our earthly parents knowing that open loving arms are extended to receive us at all times. As one's love grows for our Mother and Father in the Heavens, we come to know with absolute clarity and certainty that our Heavenly Parents, loves you and me and everyone in return, at all times, and that fear is an illusion created by man's mind.

God, who is our Heavenly Mother and Father, is almighty, all powerful, infinite, and all loving. The love of the Heavenly Parents for Their children, man, has been and is always infinite and ever present. As one's faith evolves, one's love for our Heavenly Parents will have no limit. As we grow in Their love, so will we grow in love for all of God's creations and our fellow man.

The Source Soul, our Heavenly Parents, simply desires for us to ask for Their Love.

God's Divine Love: Pray for it, ask for it, and receive it.

"I love you Father." "Let the Divine Love flow its energy into my soul."

"Mother Father, I desire your Love and I am loving you."

"Soul God, I love you and I love receiving and experiencing your Divine Love."

"True Soul God, I am here, I am aware of your Love. Please hear my aspiration for your Love and as I approach you from my soul, I can feel your Love in the way that you are loving my soul."

"Please Father and Mother, may I receive Your LOVE."

Maybe we could simply long for and ask:

*Please, Father, I want some more of your Love!*

### **The most COMMON WORDS SPOKEN to a CHILD:**

‘No’ and ‘don’t’ prevail in incessant pounding upon a child.

The result can be a total shut down of expression and exploration for the beautiful things surrounding a child by the child. The fear of being hammered, yet again, for stepping seemingly over an invisible mark leads to a suppression of all that needs to be lovingly experienced by each and every child.

On first glance, we generally state that we had a wonderful childhood. But very few of us have experienced a loving and growth enriching childhood.

Each of us has unique gifts. Each of us is so very uniquely different from every other person. We need to be treated uniquely, not bundled up with everyone else.

Our learning capabilities come into full blossom when our desires and passions are allowed to be engaged. The Shchetinin Education (Russian) system engages this understanding. **These new approaches to moral and intellectual education allow students to cover the full school curriculum in the space of a few years (3 years), and to earn one or more academic degrees by the time they are 15-17.**

Consider that, all within a three year time frame.

Now consider something far more beautiful and wonderful.

### **Period before Age Seven: Plant the Seeds of Truth**

As parents we participate in this wonderful journey and lead the way by breaking the mores handed down by our preceding generations, thus this gift of living without fear can become available to us as parents and at the same time that our children can learn the foundations for this gift.

We share with our young children the wonderful relationship that we are developing with our Father, who He is and much, much more. We all begin to embrace and commune with the Source of All and also become aware of our spiritual guides and guardians, and commence to recognise their consistent promptings.

We all become aware of the availability of Divine Love and the process by which it is conveyed into our personal soul by the Spirit, also known as the Holy Spirit.

We become away of the Spirit of Truth and begin to feel the promptings and guidance through this wonderful spirit being. One’s personal intelligence evolves consistently, progressively and dramatically once one becomes open to this entity.

And we become aware of the Indwelling Spirit. The Indwelling Spirit becomes active within our life at the time when our cognitive capabilities evolve to the level of being relatively self independent, typically around the age of six or seven.

Our HEAVENLY PARENTS  
have any number of spirit  
instruments assisting at any time.

**INDWELLING SPIRIT, THOUGHT ADJUSTER,  
MYSTERY MONITOR (all being the same):**

The external elements, instruments of the Father, do not form attributes of our own soul upon its initial creation by our Heavenly Parents, these are the Spirit of Truth, the Indwelling Spirit, and Divine Love.

The Holy Spirit, conveys Divine Love to your soul should you earnestly and lovingly ask for it. This is the only function of the Holy Spirit – Acting Spirit.

The Indwelling Spirit becomes present when we are around the age of six. This means that the unseen helper of the Father and Mother – the Indwelling Spirit – can always interact with the mortal soul and to be of service so that eventually the leadings from the Spirit may be the catalyst for that soul to seek our Parents.

The Indwelling Spirit reveals intrinsic workings of Father and Mother to your soul.

The Indwelling Spirit functions in much the same way as the Holy Spirit, ask and it will provide support and guidance.

The Indwelling Spirit / Thought Adjuster only works with us on the mind, feeling and psychic levels directly with our personality on conscious and unconscious levels of reality. It is the Divine Minister with hands-on help from our attending angels that do the actual adjusting of our mind circuits – of all our circuits, even the physical if need be.

Spirit of Truth becomes active more so when you connect to the Source Soul and commence receiving Divine Love.

You are a spirit person having a physical experience. Your physical body is encased within your spirit body.

The spirit body only exists because our soul wants it to. In the fullness of love, even all our encrustments and wrongness is not actually bad, they are just the nether side of love.

So evil is literally a state of mind, and once you heal it you even feel love for your wrongness and even no longer hate it – that being full self-acceptance. But you can't contrive these feelings or level of awareness, it has to come of itself and will through the higher levels of your Healing.

**WE ARE NOT ALONE:**

We are taught to be self-reliant. We are taught that our physical body is all there is. We are not taught of the incredible assistance and guidance that surrounds us. Our upbringing shuts out all that is available to us and the potentials for harmony and a wonderful physical life experience that this can all bring.

Being self reliant is how we are typically brought up during our childhood. It is a physically exhausting and limiting way of life, as we all slowly discover. This is being totally dependent upon the amount of natural love that we preserve from around the age of seven.

Utilising kinesiology muscle testing and Dr David Hawkins' Map of Consciousness, it has been observed many times that the soul condition of a child, by the time they reach around the age of seven, reflects that of one or both of the parents. Frequently, the calibration for the parents draw close together, each being a reflection of the other and the children calibrate at the same level as the parents. These remain so until the children permanently leave home and develop their own home with a partner. When the parents have divergent calibrations / soul conditions, then the child will reflect that of one parent or the other.

Few families are living with the Love, that is, actively embracing the existence of God's Divine Love and supporting each other, within the family environment, to become more and more God reliant and embrace the many gifts that come from such a way of life. In these situations, each person within the family will freely grow in their development of love and reflect their own soul condition as per the Map of Consciousness (soul condition) independently of other members of the family.

The calibrations are only indicative, one cannot determine with accuracy the soul condition of themselves nor of anyone else. It is only a guide.

**CONSCIOUSNESS and EMOTIONS:**

**Consciousness = Soul Condition.** One's Soul Condition is equal to the average of all of the held emotions. Soul condition is the sum total of all of the different emotions, desires, passions, etc., all wrapped up together in terms of how much love there is in every one of those.

**Note:**                                        **The Map of Consciousness scale is from 1 to 1,000**  
The Map of Consciousness (MoC) table is based on the common log of 10. It is not a numeric table.  
A calibration increase of 1 point is in fact a 10 fold increase in energy.  
A calibration increase of 10 points is in fact a 10,000,000,000 fold increase in energy.  
Thus the energy differentials are in fact enormous!

**NATURAL LOVE or HUMANITY’S ERRONEOUS EMOTIONS:**

Your soul, being your real you, is an emotional being. Your soul, though a thought of God, does not possess anything of the divine within it. It existed in a state of bliss, in a natural love state, pending individualisation which is achieved at conception which is the time of incarnation. Your soul is endowed with natural love emotions noted within the top section of the Map of Consciousness scale, being those emotions calibrating above 200.

Humanity’s erroneous emotions are those calibrating below 200 on the Map of Consciousness. The environment around a newly conceived child progressively degrades the condition of that child’s soul. When the child reaches about the age of 7, the child’s soul condition will reflect the parent’s condition. These negative emotions are like a crust around the pure soul it has within.

### **The DIVINE LOVE for the CHILD after AGE SEVEN:**

During the formative years, the love for the First Source, the Father may be well developed and one's desire for the love of the Father be clearly understood and having been received by the child in those years.

It is the emergence of the Indwelling Spirit, the Secret Monitor that greatly progresses one's soul development should the soul of the individual be open to the Father and His Love.

When the child soul is open then all facets of development build up on the wonderful open and loving upbringing introduced by the child's parents. The child benefits from the interaction with its own spirit guides and guardians, as well as the Indwelling Spirit, the Spirit who conveys the Divine Love, and the Spirit of Truth who conveys teachings from the Father. One's spirit guides, in these circumstances, may be Celestial Spirits from the Celestial Heavens, being the home of those spirits who have developed their soul to the level where they have become at-one with the Father. The full potentiality of progression of the child's development in love is active.

The potential for the child to steadily grow and develop over its life time can progress to be in a celestial soul condition whilst living a physical life here on Earth. No greater gift can a parent or parents give a child than this potentiality which is also to live without fear.

A person who does not try to reach the basic principle of life, God, and does not strive for spiritual ways and morals, remains biased toward the world, controlled by his drives and passions. With his uncouth character, his coarse nature, he shapes the world and with those of like kind, leads the world into material ruin. This is self evident for all to see.

**If every human being were to strive for the ennoblement of his five senses, his character, too, could become more refined, the world would be more perfect, and the people healthier. Then there could be peace among all people.** Then, life would be completely different. Everything that characterizes the worldly person of today, his wanting to have and to possess, could be transformed into a life of community and unity. In this way, the world would be spiritualised, and the power of God could visibly take over the leadership.

The human being is a child of God (our soul is a thought creation by God), endowed with free will. Because of his filiation with God, it is possible for him to exert influence both on higher and lower spheres of vibration, all according to his way of thinking and acting. And so, by virtue of his way of thinking and acting, he can influence different spheres of vibration, which correspond respectively to his mental and physical sphere of activity. He can influence both the positive and negative forces. The positive forces that he develops and assimilates build him up and result in health and well-being. Negative forces (fears) influence him and others. They reduce his mental and physical vigour, and this, in turn, has its effect on corresponding vibrations in others.

**The opening up of the soul permits a permanent exchange with Divinity, a permanent recharge of this healing energy that allows not only the re-establishment of lost health, but the continuity of health, providing such a perfect balance, even in the physical body, that noxious agents like bacteria and virus cannot find any opportunity to unchain pathological reactions, which we commonly call illness.**

**But it is true that people without the benefit of Divine Love would lack the protective shield, which the intrinsic healing energies of Divine Love provide for those who pray for our Heavenly Father's Grace.**

**PARENTING:**

Tuesday, 16 October 2018

I, James, want to write a few points about parenting having read a few pages of *Parenting is Forever* by an Australian paediatrician – Elizabeth Green, a book I saw at the library.

The hard truth is: if you parent whilst being of the Rebellion and Default, then you will be severely damaging your children. It's what we fail to understand; and we've been doing it for a very long time.

The whole notion of one can be a 'good' parent or a 'bad' parent needs to be thrown out the window. When you understand we're all living in a state of truth-denial; that we are denying the truth of ourselves, nature and God; that we are living against ourselves, nature and God; that everything we do is wrong and within the Rebellion and Default, then everything one might do as parent will be wrong too.

Until you begin your Healing, everything you do with your children will be stuffing them up. It can't be helped. And you won't know how you are stuffing them up until you do your Healing. You can't see the full extent of what you are doing to them either positively or negatively as you are parenting them – unless you are doing your Healing. And you can't work out how to stuff them up less, as it doesn't work that way. They will come to know how stuffed up they are – what a 'good job' their parents did on them – when they do their Healing.

We have to do our Healing so as to see the truth of our relationship with our parents. And until we see it, we'll remain forever more bound up in our Wrongness.

And the idea that we can learn how to parent, learn how be better parents, use our mind to parent children, is wrong, too. We can use our mind to learn whatever we want, but as that too is being done in rebellion against the truth of our true self, so it's only going to negatively effect your child.

A parent might be able to parent its child to fit better into life, living a more morally acceptable, respectful and loving life, however it's all still learnt, so it's a contrivance based on current acceptable pretence and falseness – it's all untrue and a fantasy.

Parenting happens on multiple levels most of which the parents are unaware, and all starting at conception. At conception, it's all already done, it's a done deal – pregnancy, childhood, adulthood is just the outworking of it. So all our negative patterns are conceived at conception (incarnation), with the only way to change those denial, rebellious, anti truth and anti love patterns being to do your Healing by seeking the truth of your feelings. And once your Healing is complete, then you will be living wholly positive, true and loving parents.

The truth you are living is ‘organically’ imparted ‘absorbed’ by your child all the way along, and right up until you have completed your Healing when technically you are no longer the parent of your child, having given it up completely to God, it being wholly God’s child. By the time we’re all of a Celestial truth we are then truly children of our Heavenly Mother and Heavenly Father without any further parent / child connection on any level other than in our memories. When you have completed your Healing, then you will be totally free of your parents. Until then, even through they might not be personally present and active in your life, still you are living out the patterns that resulted from being with them, even if that was only for a moment. With those patterns all being ‘broken’ and transformed into leaving your physical parents for your true Soul Parents as you progress through your Healing.

Your child becomes the truth that you are. If you living against truth, so untrue, so it will follow suit becoming untrue. The intrinsic child being an expression of its soul, is true and perfect, however we become untrue and imperfect being incarnated onto a Rebellious world. Your child can’t be anything other than how you are – it is ‘your’ child. All the factors such as DNA and inheritance contribute to how your child is, and on all levels, not just the physical, it all being long lines of generational denial being passed onto your child. And this then works with the whole environment the child is subjected to, which includes all of nature, all what happens in one’s life, and all that’s happening on unseen levels from spirit, all what’s going on emotionally, mentally and psychically – the relationship between them both, it all going into and working to reflect the desired outcome the child is to be in every moment of its life, all of which is ultimately underpinned and fully orchestrated by the soul.

You soul is expressing you in Creation. It has encoded within it, all that you are to ever be. God has put it already all within your soul, and your soul is ‘unfolding’ through light, expressing that pattern which governs every aspect of your being. So why that genetic trait is activated by those environmental conditions is all overseen and orchestrated by the soul. Nothing is random, there is no bad luck that your child suffered this problem, and it is more than because you smoked and drank during pregnancy you somehow damaged your child. All of you is damaging your child all the time, even if you feel a great love for it and it for you.

Until you’ve fully Healed yourself, it is all damaging, fantasy, untrue and unloving. Every second your child is with you, you are negatively affecting it (unless you are doing or have done your Healing). And even when it’s not with you, you are still connected by unseen psychic cords on all levels of the mind, emotions and spiritually, so are still affecting each other. And those effects compound and become very intricate, complex and intensely psychologically involved.

And if your child is retarded, a genius, or just ‘normal’ and ‘ordinary’, that’s exactly what God wants, it’s how God made its soul to express itself, so it’s perfect. You are the child of God that you are, even in all your wrongness. And even though you might hate how you are, you don’t have to stay in that state, being able to heal yourself as you do your Healing. And when your Healing is finished, you’ll truly love the whole unloving state that you were, seeing that it was all absolutely perfect how evil, uncaring and unloving you were, it all being what you needed to bring you to this point of perfection you are now living in your Celestial level of truth.

If you parent your child without doing your Healing (irrespective of being a good or bad parent and whatever you do and learn to try and help your child), then you are simply passing on the next level of wrongness in your long family line of being untrue. If you parent your child whilst you are doing your

Healing, then every part you heal within yourself you'll no longer be passing onto your child, with your child potentially adjusting to the 'new you' which can happen up until the child reaches its first Saturn Return (astrologically speaking) around 28-30 years old. Once that age is reached, technically it's the end of childhood, so even if the parent/s keep Healing themselves, those positive effects won't be passed on to the child. And once a child is sexually mature, the child itself has to be open to and receptive of its parent/s to be able to keep changing, reflecting the parent/s changing as it does its Healing. Once sexually mature, the child is free to reject any such positive changes brought about by its parent/s Healing, so it might reject its changing parent who is doing his or her Healing. The Healing parent can't force any positive changes on the child once the child is sexually mature, whereas before sexual maturity the child is still becoming its parent, so any positive (or negative changes) the parent makes will be taken on in some way and on some level by the child.

Learning to be a better parent whilst still parenting without doing your Healing only means you're going to add yet more layers to your child screwing it up even more. We are constantly adding more mental layers of self-denial to the way we live as adults, and so too our children. The Internet being the latest outside influence that can help parents to add yet more mind layers to themselves and their children. This book I am reading suggests that all parents woes and all the child's problems in the world now stem from the advent of the Internet, even as if pre-Internet, there weren't any problems with how parents parent and their resulting problematic children. And yet the Internet age is just another age along the two hundred thousand years of System Rebellion and Planetary Default, of parents unlovingly parenting their children who grow up to parent their children unlovingly. And if it we were parenting our children perfectly, if we were all Healed and living true to our feelings, there would be no Internet like we have it, and possibly no internet or anything of what we currently have. There would be other things in life reflecting our true state, things that express our love, instead of things that are expressions of our unlovingness. The Internet, like everything we create, is an expression of how screwed up we are inside, which means, how our parents screwed us up. We can only create something like the Internet – and the whole world we live in, because of our unloving parent/child relationships. So if you think the Internet and the world we've created are good and loving, then you might want to consider looking into the truth of your relationship with your parents and doing your Healing.

Any love you feel is love within the unloving state that you are and that you and everyone is expressing in the world. Nature is of perfect Natural love; we and all we create whilst we're in our imperfection, is unloving. All our relationships are unloving. Within our unloving states we can, relatively speaking, feel love and be more loving, just as we can be more evil, wrong and unloving, yet still it's all within an anti truth system, and without truth there can't be true love, for love to flow there needs to be truth: no truth, no love. Love exists outside of truth, but without truth we can't truly relate to it, so it may as well not exist. Our souls are truly of love, and we are to become truly expressing our truth as love, and loving expressing our truth with all the good feelings loves gives us, when we've completed our Healing, when we've ended our rebellion against truth and love.

We are living in an 'experiment' of how unloving you can be and what the effects of feeling unloved have on ourselves, each other and the world. Everything we are doing is wrong, so everything we are doing is making it harder for ourselves. There are no effective solutions to all our problems until we end our unloving anti-truth state by doing our Healing. We can keep using our minds to make it appear like we're being more loving and caring, just as we can use our minds to make it even harder for ourselves, but our mind is not The Way, whereas our feelings are.

A parent or parents doing their Healing will naturally effect their child as they progress, and in a positive way. However it's not for the parent to demand, make or force the child to do its Healing. Once the child is sexually mature, then it is free to make its own choice about doing it. And some older children might reject their parents who are doing their Healing, putting off doing their Healing until they are older still, which could even be during their spirit life. When someone begins their Healing in earnest, is when God through their soul says it's time.

If you are wanting to Heal yourself and become true, then part of that Healing will be about your relationship with your children – uncovering how unlovingly you've treated them whilst possibly believing you were loving and doing the right thing for them. And if you are yet to have children and do want them, then there will be lots of opportunities for you to find out more truth of your unloving state as you look to expressing and longing for the truth of all you feel – which is doing your Healing.

It's not that because you understand you are imperfect you should therefore not be having children until you are perfect having completed your Healing, but going with your feelings of wanting a child and expressing every feeling that comes up along the way as you long for the truth of those feelings. If you have any fear, anxiety, worries, guilt, sadness, anger, misery and any other bad feeling, then these are what you work on. So you can have a child as you do your Healing, with the child helping to bring up the bad feelings in you that you are to express out of yourself and see the truth of. Or, you not have a child and do your Healing. If you don't have children on Earth then you can adopt children in spirit, either doing your Healing or not. Currently spirits doing their Healing can't also adopt children, however once the New Revelation is 'activated' – revealed, then spirits doing their Healing will also be able to do it whilst having children.

A fully Healed parent will pass on such truth to its child thereby no longer subjecting its child to any untruth. And two Healed parents will give rise to a completely true child, it being totally free of the Rebellion and Default, this being the perfect humanity that humanity is to become. Slowly humanity is to Heal itself of the Rebellion and Default.

Elizabeth in her book says that young people and children are looking more to social media and their machines to conduct their relationships through, and oh my god how are parents now to deal with, compete with, simply cope with, that?!! We fail to see that the machines and the Internet is allowing us to be truer to our unloving states, we can be more impersonal by pretending we are personal through a machine and the unreal, which is the truth of the relationship we are living with each other, so the truth of the relationship between parent and child. A parent who complains that their child wants the Internet and all it offers above them, should perhaps question why does the child want to reject its parents, and in finding the answer to that question, the parent will uncover the truth of its unloving relationship with its child. We can escape into the Internet away from the relationships we hate, those with our parents. We all hate each other, not love each other, which is possibly the most difficult truth to accept. We make up fantasy relationships we project onto each other that gives us the mental ability and resulting contrived feelings to make us feel and believe we love each other. But if we take the fantasy away there is only a dark hole of nothing, a hole full of pain, the full horror, trauma, terror of agonisingly feeling you are not loved by the people who should love you.

And so because none of us can bear face the terrible truth of our unloving state, we continue to do our best to live seemingly loving with each other, doing the best we can, using our mind to alter our fantasy-unreal existences, doing all we can do to avoid having to face, accept and fully embrace the truth our bad feelings will show us when we come to do our Healing and want to give up the facade.

We currently parent negatively influencing our children on seven whole worlds' worth of truth. Which means your child, as do you, has seven whole worlds' of truth it's denying in life, all of which cause untold numbers of problems. And consequently, should you wish to do your Healing, so it will take you the Healing of all seven worlds, as represented by the seven Mansion Worlds, to complete it. The Rebellion and Default has evolved to include all seven Mansion Worlds in rebellion by default. We have taken the Rebellion on by Default through all these levels and have to heal them all through our Healing. And once Healed, we are free of our parental influences, free of our parents, free of our wrongness, free of the Rebellion and Default, true and perfect to the Celestial level of truth.

## **LVING WITHOUT FEAR:**

As one grows in love with Divine Love, the many variations of fear based emotions, all of which have been created by man's mind, slowly but progressively dissolve. Further, the Love develops our natural love emotions, step by step, also all very gradually.

By progressively embracing Divine Love we grow our personality, our being in the Love that can bring about a permanent connection and embracement of the Divine Love through the Spirit, this is a state of becoming at-one with God, the state of being in a Celestial Soul Condition.

It is at this level of growth and development that all fear based emotions no longer exist within our beings, a state of continually embracing loving emotions. It is within this state that we are permanently living with the Love which is the state of all Celestial Spirits who reside within the Celestial Heavens. This we can do here while living on Earth in the physical.

## **LOVE.**

**Let us divide love into two sides. There is the love that comes from within yourself, and that love is what is called, natural love.**

**But there is another love, and that is the love that comes from God into you, and that is what is called Divine Love, and some have spent a lifetime trying to define that and still cannot define it.**

**One can define the qualities of it, and all the feelings and emotions from it, but the problem of defining that love, Divine Love, God's love, it is such a powerfully blissful emotion that it is impossible to describe with any words that we have here on Earth, and therefore, very difficult to define it, unless one can give you the feeling, but one can't give you the feeling because it is God's love that is entering your soul.**

**So, while one can define natural love, when we look at the word, love, we can certainly define love, but when it comes to actually defining God's love, you will only ever find the definition through your own experience of the Divine Love.**

**9: Faith and Celestial Soul Condition**

2 September 2013

Faith is an essential part of a living celestial soul condition in a human experience. This faith is generated by the Divine Love having been received and now living in the soul. Without the inclusion of the Divine Love a natural soul cannot become of a celestial soul condition. Individuals can and do have a faith in god and this faith experience can have positive effects in the natural condition of men and women. One can have faith that when one asks for the Divine Love, one will receive this Love and so begins a rapport of faith with the Source of Divine Love.

**11: The Immortality of Divine Love**

4 September 2013

The Immortality of Divine Love is the quintessential truth that defines the difference between the natural love and the Divine Love. Immortality of the Divine Love brings the personality into the light and helps to define the boundary of personality in the finite natural love. It is comforting to know that upon human death at the end of a human life, a personality is not lost forever to the four winds that roam the Earth. The personality continues to live in the spirit world but it is only when the soul of the personality has partaken of the Divine Love, does that personality become part of the Divine Immortality that can live forever in the presence of the Father.

**12: The economy of Celestial Soul Condition**

4 September 2013

The definition that I would like to provide you with at this time that will help one to identify their soul condition as being of celestial condition is defined as:

A Celestial Soul Condition deemed in a human experience is as one having a complete acceptance, faith and love of the Soul, God.

This is demonstrated by living in the necessary rapport and accord of the harmony that is made possible by the nature of the Divine Love and the receipt of this Divine Love that has perfected one's natural love by transforming any discord in this natural love into a harmonious rapport and accord of God. Every spirit who enters in the Celestial Heavens is living what I have just described to you and, in the words I have conveyed to you, this is my truth that will provide the necessary experience in natural and Divine Love that will enable the individual who is living with Divine Love and who desires their progress to achieve Celestial Soul Condition. I have provided this way so that **The Way** is identifiable.

You will notice that I have not provided you with reams of information and conditions. This information that I have conveyed to you is an example of the economy of love. By the time a spirit enters the Celestial Heavens the individual is living in the harmonious economy of love and their

acceptance of our Heavenly Mother and Father, is the visibility of all previous progression and life experience now harmonious in their example of living love.

Your Celestial teacher and friend,

Jesus of the Celestial Heavens.

**Yahoo, we are asking for and receiving Divine Love, and yes we can be in a soul condition whilst living here on Earth to be able to progress directly into the Celestial Heavens upon leaving our physical bodies.**

**Note:** Following the writings of James Moncrief, one could consider that any reference to the Father, by other relevant writers, may be read as a reference to ‘our Mother and Father’. Further, when considering soul healing, then reference to Divine Love could be referred to as ‘Feeling Healing with Divine Love’.

**Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God’s soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of your Mother and Father.**

## **DIVINE LOVE HARMONY:**

**Immortal harmony:**

**Transformation of the soul is a beautiful harmonious gradual awakening.**

**In a gradual way with the Divine Love and Feeling Healing, as changes in the soul and spirit body occur, these changes will result in the personality slowly accepting the source of these changes as being the Soul God and with the independent will, one can have complete acceptance of our Heavenly Parents, Mother and Father, God.**

**People have loved God and felt loved by God and they have in deed received the Divine Love without ever knowing the truthful identity of this Love insofar as the truths relating with its causality in the human soul and affect upon the spirit-mind.**

**Part of the nature of the Divine Love in our souls is that it activates our spirit body systems and soul so that the nature of God is seen and experienced in the living and this places us in touch with the many Spirit attributes that extend from God and have their existence in God, such as our Indwelling Spirit. God no longer remains inactive to us; inert, inanimate, or an unknown but rather a Soul of living energy whose energy in the harmonies of Love and Spirit, is personified as love that we experience. If I can convey the essence about the nature of Divine Love it is that in its energy, exists the harmony and potential so that one can see the potential that this Love brings to bridge the gap of separation between the individual and God by the harmonies of soulfully living.**

**The Divine Love completes the form of the human being.**

**In essence, one need only direct their soul and the heart of their soul to our Heavenly Parents, the Soul being God, and in this faith one can experience the Love by humbly asking for this Love. This is all that is needed and the touchstone upon the Love's approachable nature.**

**The Love is never harmful or given by God that results in a caused effect of disharmony in the individual. The diversity of human individuality is a great characteristic of human nature and as with experience, one needs experience to ascertain a truth about a certain thing. Experiencing the Love provides a substantiated knowing from which a more objective reasoning follows and a maturity happens.**

**16: The delicate balance of Love**

6 September 2013

When you look at all the support that one has when learning how to live love that has been provided by the Father this dwarfs all sense of fear by comparison. I, Damien a Celestial spirit, know fear is real in a human experience and in the Spheres of Disharmony, for I was once human and experienced fear and I have visited the Spheres of Disharmony and seen how fear lives in its disharmony to the harmony of living love. Love and fear are true realities that humans experience, but then there is fear caused and imposed by people in action over other people, which will result in compensation. There are natural fears for human survival and in a way, this marks a boundary but then when one learns how to live love, one understands that in the universal freedom of human and spirit experience, there are boundaries, which cannot be transgressed.

The structures that God has in place to cause harmony are condition structures such as the various Spirit Laws that function like the Law of Compensation, and whilst the Divine Love is universal and can be perceived as being 'unconditional', for it is available for one and all, a person will realise, as spirits do, that there are immutable (unchangeable) workings that involve the Divine Love and these workings present boundaries. On one hand a human experience is all about 'go' and 'yes' and extending individuality whilst on the other hand, experiencing Divine Love and learning about immutable workings can seem to oppose or impede human experience as in 'stop' and 'no'.

To achieve Celestial Soul Condition in a human experience involves in part all that involves a spirit's experience, how individuality can progress when such visible structures are present in their immutable workings. This is why when experiencing Divine Love an acceptance of God is a progressive acceptance towards Celestial Soul Condition for in order to live love and not to live fear, the individual will slowly learn how these universal boundaries work and the form they are in so that individuality can reach its maximum potential that is not solely derived from the determination of the mortal personality alone. This is a delicate balance that one will learn as the soul perceptions develop within the individual to see how God's structures have been established to provide the true way for love in the living.

**23: Permanency and Celestial Soul Condition**

8 September 2013

I am here with you to write on living celestial soul condition in a human experience. As one gains a greater understanding about their experience in Divine Love, one will ascertain how permanent the availability of Divine Love is. This will help greatly and will assist one in their experience of living with the Love, for the sustaining influence of the Spirit Laws and Truths that assist one to achieve a living harmony, have permanency to them like the Divine Love.

The attribute of one's physicality may appear to be a hindrance to fully realise what the Divine Love is and how this Love transforms the soul and spirit body. This is only a perception to begin with. As the soul receives Divine Love and gradual changes transpire, slowly more perception relating to the individual's experience can eventuate so that the physical attribute is no longer seen as a hindrance to a faith in Divine Love and living love, and that one can identify that their physical attribute is as significant as the soul and spirit body is in the forming of one's individuality.

As one becomes familiar in their Divine Love experience, if one chooses to learn about this Love, then one will understand that this Divine Love had Its existence long before one has had their initial experience. The Divine Love has been around for a long time and will continue to be so, and so, when one embarks upon their beginning of acquiring the Divine Love and learning how to live in their progression, harmony in the living of love, these permanent workings involved will provide solid faith in that these Spirit structures will never alter and have never altered in their function, form and presence. I found this comforting to know when I humanly became aware of the Father's Spirit workings, for I realised that it wasn't my responsibility to provide a continuance for these Spirit workings and that once a Truth became cognitive in my soul perceptions I knew that this Truth would stand for all time ... like the Father.

The permanency of the Father's workings of Love and Spirit will provide assistance to one in their progression for once advancement has been made, the condition of the soul does not have to regress to accommodate an altering of these Spirit workings. Eventually a sufficient faith is realised and living with sufficient awareness about the way the Divine Love is, and this helps to sustain a living celestial soul condition in a human experience whilst the mutability of natural life's experiences continue in the social world of people.

**24: The Divine Love with or without Spirit Communication**

8 September 2014

Living with Divine Love after all is the gradual acceptance of a wholehearted faith in God. This explains all that it is to be 'at-one with God'. In order to be at-one with God, one's faith can be solely of the natural love or inclusive of the Divine Love. Learning to live celestial soul condition will involve one's natural love as we have all originated from this position in our soul condition. To include the Divine Love introduces an extension to human potential and to fulfil this potential, one will learn about their natural love at the same time of learning about the Divine Love. Every spirit who has embraced the Divine Love and who has progressed to the Celestial Heavens knows completely the working of

their natural love and this involves the Spirit Law of Compensation as the instrument to measure harmony.

Your friend, Eugene

### **28: On quiet receipt of the Love**

9 September 2013

The actual experience of receiving Divine Love, I, Justine, have found, is a quiet experience. There are many extended workings about the nature of love and spirit and I like to contemplate workings about the nature of love and spirit and I like to contemplate on workings when I am not in prayer. For all that the Divine Love involves, I found the quietest time when I would simply be with the Father and an acceptance of my giving my love and receiving the Father's Divine Love, is a place that I call: 'my home'. I mention this so that men and women may feel safe to make their quiet receipt of the Love in their time of asking, as this will contribute toward a living celestial soul condition. I understand that the human experience can be quite erratic and full of drama. One need keep in mind that all of us as spirits commenced our receipt of Divine Love when in a condition of relative harmony or disharmony in the natural love in our soul. Just because we are spirits, this doesn't mean that we are ordained as being at peace with ourselves, when we first resided in the first natural love sphere.

For one to try and find their peace and a little harmony when experiencing the Divine Love will help one by example see and feel the Father's Harmony in the receipt of the Love.

### **33: The independent nature of Divine Love**

12 September 2014

The Spirit Law of Rapport and Attraction is seen in its true vision throughout the entire mortal spirit world as an external and internal experience. Internal for this relates directly with individual soul condition and external for each individual in their respective soul condition, is in the vicinity of other individuals in real places of environment. I, Ivanhoe, would like to add that a demonstration of this Spirit Law is never seen any better than when a spirit begins their receipt of Divine Love. When a sufficient condition of soul is developed, there is no greater attraction than the Source of this Divine Love and so as one receives more of this Divine Love, and this Love causes the changes in the soul condition, and this soul condition is felt throughout the spirit body and personality of the individual, the individual feels even more attracted to the Source of this Love. And so begins this movement of progression toward the most perfect attraction of all: the finite individual soul to the Eternal Soul of God.

Another aspect of living with Divine Love is that the Divine Love is without the personality of God and nor does it act as an independent personality. Every spirit who experiences Divine Love is receiving the same living energy into their soul. This Love transforms the soul and senses of the spirit body as it helps to develop the potential and attributes of each finite personality. The Divine Love never replaces the finite attribute of a mortal personality. Even though the Divine Love has to its nature the Immortality God has given it, this Immortality confirms to the individual that one – by their voluntary action of choice – has accepted to live with the Father. The Divine Love never transforms a mortal personality (that commenced its identity in the purely natural love) to be nullified or negated.

There is good reason why the Divine Love is without direct personality. If It had personality and this personality was like God's, then because this Love is greater in Its substance than the natural love, an individual who receives this Divine Love – if one were receiving personality – one would be transformed into a god-like personality. This would place our mortal nature and mortal personality with Divine Love equal with God. The First Parents having accepted the Divine Love and living a celestial soul condition on Earth, made the fatal mistake where they assumed that they were equal with God. This immediately isolated them from The Spirit (Holy Spirit who's only duty or task is to convey Divine Love to those who ask) that conveyed the Love into their soul. There isn't a spirit living in all the Celestial Heavens, the Eternal Spheres, and Spheres of Paradise who having received Divine Love and experienced their transformation of soul and partaken of the Divine Love's Immortality never has anyone ever assumed in their living soul condition, that as a living personality that one is equal with God.

The vision of Divine Love is always extensive for it provides identity between our finite nature and God's eternal nature.

Ivanhoe

### **37: From the mortal to the Immortal**

13 September 2013

One of the more liberating aspects when living with Divine Love is that spirits no longer feel any imposing nature from other mortal personalities. As the soul condition advances and one's spirit-senses mature, the individual moves into a more harmonious rapport and accord with the structures of living set in place by the Father. These conditions – in no way are they imposed upon the personality that is progressing from having received the Divine Love. The visibility of a context becomes very real and most noticeable now that the Divine Love is involved. One can see the dynamic of where they have come from – which is the natural constraints of finite living, which involves personality – to the now liberation of soul and spirit living which still involves personality only that this involvement involves the true structures for personality independence caused into existence by the Father.

Ivanhoe

### **44: A teaching on transformation**

14 September 2013

Every person and spirit who receives the Divine Love is receiving this energy of love provided for us all by the First Source, the universal Father.

There is a physical experience in the living with Divine Love and a spirit's experience living with the Divine Love. One involves the physical body and the spirit body; the other involves just the spirit body. I have never seen – nor will I ever see – a human spirit experience the Divine Love as an instantaneous transformation of the soul condition from one's natural love to be that of celestial soul condition. The process of transformation begins slowly and whilst progress can then be rapid, as one's soul condition changes, it is never instantaneous. The spirit-senses of the spirit body and the personality need time to

adjust to the now living Divine Love in their soul and also one cannot make – by the exercise of their will – the Spirit Law of Compensation to act in a greater speed than it does.

What this teaches us from our observation, living with Divine Love, is that in a human experience whilst people may feel an abundance of the living Love, a person who begins receiving Divine Love will never be instantly transformed in their receipt of the Love to be that of living celestial soul condition in a flash. To reach celestial soul condition requires the individual to be aware of their own progress and the way the Spirit Law of Compensation works in their life. An immediate transformation in one's soul condition would prove harmful to the attributes of the personality for such is the new information that requires a sensitivity to live with. Many in a physical experience would like or expect a Pentecostal-type of experience or a re-birth that changes one's life instantly but the truth of it is the Spirit Laws that assist in the transition of the mortal to the Immortal have their own speed and time, are always harmonious and perfectly suited in their rapport with the condition of soul the individual is living when one commences their receipt of the Divine Love. These Spirit Laws, which we have identified in this work (Celestial Soul Condition by Zara Borthwick and Nicholas Arnold), are without emotion and in the progress with the living Divine Love, humans and spirit need time to emotionally integrate their acceptance of living with God.

Ivanhoe

**The Divine Love is a love available for the Human soul that, in its cause and effect, actually perfects the personality together with one's Feeling Healing process, as it progresses to a greater experience of living in the determination of living in God's Divine Universal harmony. Every personality has the gift of freedom of self-determination to enjoy and extend through life's experiences and it is this gift of freedom and human nature that may prevent one from participating in the freedom and gift of the Divine Love. The Divine Love, once being received is added to one's nature, having being formed on natural love.**

**The EXPERIENCE of LIFE by the BABY in the WOMB:**

From the time of conception an infant is sensitive to the presence or absence of love as feelings of comfort or discomfort. One feels good and the other doesn't. This child has no idea how to seek love as it is completely subject to its environment and knows only how to respond to the way that it feels.

These early experiences of love have a great impact on a child as the child is self-focussed and has no concept of others outside itself. Its immediate environment is its world in which it has begun its process of individualisation and development of its personality qualities. The prime sense to which it responds is its sense of the presence or otherwise of love.

This is very basic but remains the most important sense for a human throughout its life. This may seem strange until you really think about it.

All of the most important responses a human makes are based of feelings and the most important feelings are those related to love because these are totally basic. Whatever supposedly sophisticated devices of discernment are overlaid on this, the basis remains the sensitivity to love.

You begin your life with natural love and it is in the context of this love that you live most of your life. In effect it is the main environment in which you live and function and your awareness of it depends on the love that you feel within you and which you express rather than the love expressed by others. You appreciate the love of others to the degree that you allow yourself to receive it. If you are closed to the love of others you will not attract it. Giving and receiving are inextricably entwined and can never be separated.

**By living true to ourselves, true to our feelings, we are living true to God. It's that simple.**

At the moment of incarnation the soul takes the form which has been prepared for it by the forces that exist in the parents and retains that form during the natural life; and at the same moment there is created for it or attracted to it, the form of the spirit body, which then and ever afterwards remains with it. Both of these bodies are of the material; one of the visible material of the universe, the other of the invisible but still of the material.

A newly individualising soul is just a tiny invisible spark.

The soul nests inside of the spirit body, never to be separated.

**P E R S O N A L I T Y**  
 Soul ——— Spirit Body ——— Physical Body

The life force for the spirit body and the physical body is via the soul. The soul is connected to the spirit body via light cords, and in turn, the spirit body is connected to the physical body by cords. Should the light cords between the spirit body and the physical body be disconnected then the physical / material body dies. The physical body is like our starting point for learning and experiencing our being. Our learning and growth experience then continues through the existence of the spirit body.

**SOUL:**

The Real You is your soul, you are one 'half' of that soul.

Each half of the original soul incarnates a spirit and physical body simultaneously, they being connected. The soul expresses each of its two personalities as a woman and man. True soulmates are always of the opposite sex.

Sexuality is an attribute of the two personalities the soul expresses; the soul itself does not know sexuality.

The soul connects to the two spirit bodies it has created by 'golden cords' of light; and the spirit body is in turn connected to the physical body by 'silver cords' of light.

The spirit body is your astral body. The etheric is really the body that is the template for the physical and one that doesn't hold consciousness.

The soul remains invisible to the spirit and physical bodies, only being discernible by its luminosity through the spirit body.

95%+ of humanity currently are within the 1<sup>st</sup> sphere of development.

**PERSONALITY**

Soul Spirit Body Physical Body

**PERSONALITY**

Physical Body Spirit Body Soul

### The REAL YOU is the SOUL:

One's personality, natural intelligence, memory and human attributes all are soul based. The soul initiates conception so it can start expressing one of its two personalities in Creation. It creates the will, then 'wills' the spirit body and physical body and all that connects them with the will into being. Our soul constantly sustains or expresses us, one of its two personalities, in Creation. The spirit can't separate from the soul because the soul keeps it in existence. We need our spirit and physical bodies to experience our personality through. When the spirit body separates from the physical body, one continues on living in a different form without losing any of the attributes experienced during physical life. Incarnation is the process of individualisation of the soul.

Without a soul, our physical bodies would function and interact similarly to that of a domestic animal. An unsouled human body (thought not possible) would respond like a household puppy! Domestic animals calibrate on Dr David Hawkins' Map of Consciousness between 200 and 250, the human body calibrates at 200. All animals have spirit bodies, these do not survive into the spirit Mansion Worlds. Our SOUL IS NOT ENSOULLED IN OUR SPIRIT BODY. Our soul exists existentially in a whole different level or plane or place or dimension of being – 'soul land'. It doesn't exist in Creation, it's not experiential like Creation is. The soul, all souls, help create their part of Creation by expressing their personalities into Creation, and then by having their personalities do things (further create) in Creation.

**Our first parents, Andon and Fonta (also called Aman and Amon), were the first to exhibit human perfection hunger some one million years ago (993,500 years ago). Adam and Eve, Adamite bestowals, arrived some thirty eight thousand years ago – or earlier.**

**Aman and Amon** were the first True Humans, which means, the first soul expressing its soulmate pair, its two personalities, in Creation – on Earth. From which came forth the rest of us. So they had a soul from the start, which separated them from their animal parents. It's the soul that wants to fully express itself through its two personalities perfectly in Creation, which is the so-called 'human perfection hunger'. It, our soul, wants to be Perfect like its Heavenly Parents, the Soul that Created it. We, focused as personalities, want to be perfect, like the Personalities of our Mother and Father that are Perfect. Our soul wants to be like Their Soul. Our soul wants to ascend us to Paradise so we can be with Them, as physically close to Them on a personality level that we can be, and then see what happens.

There were aunts and cousins, parents and grandparents. But they were not human like Aman and Amon – they were really animals, though of the same species. Aman and Amon wandered off from the family, since they could find no way of relating to them at all. How could they? They were incapable of rational thought, speech, or anything human. Aman and Amon knew that forevermore that they were apart.

Aman and Amon may have been twins. They were indeed a primate species of humanoids. But they, themselves were more beautiful than their animal relatives, and they knew, even from their very appearance, that they were marked even by Nature to be different.

**51 Emotions**

20 February 2014

*Good afternoon my dear friends. We have been discussing issues regarding emotions and there are, as with most things, conflicting views. We know that emotions are actively expressed and experienced in the spirit body and physical body and I wonder about the involvement of the soul in this. Are the emotions elements of the soul? Is the soul affected by the expression and repression of the emotions? Do emotional injuries block the entry of Divine Love into the soul? I could ask many questions but the sum of all of them is a request for more information on the soul and its relationship with our structure and function in carnate life and going on to spirit life.*

Good afternoon my dear brother and friend. Your curiosity is a worthy feature of your personality. In your considerations you tend to equate soul structure as being an image of The Source, God. In many respects this is so as man is said to be created God's image and this also is so. However, man is a creation by the Creator and an image of the Creator is not the Creator. Even when you consider that it is possible for the individual to progress to the stage of attaining soul oneness with the Creator, you must realise that this is a state of harmony so close that it seems to be oneness but does not mean that the soul and its Creator are one and the same. The soul is born with a massive amount of potential and it is the realising of this potential that releases and displays the soul as it is. Soul progression continues well beyond the point of what is called Oneness with God. If the soul were identical with its Creator this would not occur. Does the soul ever fuse as one with its Creator? I know of no spirit who knows the answer to this question. To the best of our knowledge our progress is eternal.

However, the soul is a most durable and strong structure. We all have one and all are learning about the soul that we have. When it incarnates it enters into the wonderful process which simultaneously sets in motion the creation of a spirit body that enshrouds the developing physical body and the pre-existent soul. The soul is an incredible structure as it brings with it almost unimaginable potential which includes the talents and passions of an individual.

Emotions are not an exclusive attribute of humans as it is easy to observe that animals are well able to feel and express emotion. Their capacity to do this varies a lot dependent on the nature of the animal and their level of evolution. Another factor here is that many animals display their emotions in ways that are recognised by their own species and not so well or not at all by humans. This will indicate to you that emotions are not solely related to a soul as animals do not have a soul as does a human. Their relationship to spirit is quite different and I will not go into that here.

The soul contains all of the elements that makes a human a human. Therefore it contains the elements which modify and direct the expression of emotion in humans that give humans their individual qualities. Despite the variation of emotional expression in different cultures there is a great uniformity of emotional expression throughout humanity. When an emotion is expressed truly by any person it is capable as being recognised for what it is by any other person.

In small children and babies, the expression of emotion is initially quite simple but recognisable and develops as the child grows and is profoundly influenced by the relationship with the closely attending persons be they parents or others. The small child learns a lot by following and aping what is done by

other children and adults so it learns patterns of expression of emotion and learns the acceptability or otherwise of emotional expression. It is taught what is 'right' or 'wrong' in its immediate environment so there develops a great variety of emotional expression and repression.

In all of this it is very hard to describe the association of the two bodies and the soul. The spirit body and the soul are inextricably joined and remain so during existence. While the soul is incarnate, the spirit body and physical body act as though inextricably entwined although this is not truly so. The spirit body and soul are always a virtual single unit which then extends this function to include the physical body.

The soul is displayed by virtue of the development of the human personality and its qualities. The physical body is created with all of its physical elements the shape and function of which are largely determined by its human heritage as provided by its physical parents. Even though the soul has all of its potential in every individual, the fullness of its expression in any individual is directed to some degree at least by any limitations of physical and mental structure although these are not, of themselves, absolute in their effect. By that I mean that a soul which is developing powerfully can shine through and transcend what seem like insurmountable physical and mental odds. This means of course that a human who might appear to be greatly hampered by their human heritage is capable of great soul development while on Earth. There is great individuality in this as in all things human.

Emotions are elements of expressive colouring of a living experience and are, in common with all human attributes, capable of great and wonderful refinement. Every human attribute is capable of artistic development and expression. Emotions colour and shape all artistic development whatever its nature. Every single human activity is capable of being developed and expressed artistically. There is colour and movement in all emotional expression however it is made.

Emotions can be mastered by virtue of developing one's capacity to express them congruently and truly. The truth of human mastery is really only in the process of being discovered. Mastery lays in the achievement of the balanced and harmonious expression of a human by him or her self. Most human mastery is considered to lie in a person's capacity to perform some activity to a very high degree and while this is wonderful in itself it is limited as many masters are actually quite limited in their overall human expression. I am not being derogatory in saying this as these masters are pointing the way to the rest of humanity. Unfortunately, they are often seen as providing an unattainable example.

The true mastery I speak of is the mastery of oneself that allows anyone to be as fully oneself as it is possible to be without reference to anyone else. This is the direction of human evolution in the context of each one's life.

Now, I may seem to have digressed from our beginning but I felt it necessary to lay some groundwork. You must be used to this by now as I am always loath to build any structure without a solid basis. The desire of the soul is that this personal evolution takes place and its potential is directed towards that. The soul desires its full expression and this is represented by the full and complete expression of the personality which develops around it. This evolution has its beginnings in the carnate phase of living and continues then for the rest of existence. There are wonderful reasons for earthly life and these are not to be ignored or neglected. You are not on Earth simply to discover that further wonders await you

in the Spirit World. The Source, God is economical in creation and does not make things for no purpose at all. Everything in your experience is important.

Emotions may be considered to be shaping and colouring tools which are essential in the palette of the spiritual artist. They provide the potential for infinite shades of expression and meaning of this expression. They shape individuality and personality in combination with every other attribute of a human. They provide the potential for absolutely exquisite shaping and directing. As with every other aspect of human living there is much to learn about these wonderful qualities and their uses.

It is often said that there are only two basic emotions and that these are love and fear. This is quite incorrect for several reasons. The first is that love is not an emotion but may be emotionally expressed. The second is that fear in itself is not an emotion but also the expression of sense of separation from The Source, God. The feeling of love may be said to arise when one feels a harmony with self or others which is actually a feeling of harmony with The Source, God. All of the human emotions are really shades and intensities of this sense of harmony or disharmony. Fear arises in the identification with the physical structure that lives and dies with no future at all. It is an expression of the dreadfulness of this condition and is a sense of greater separation from The Source, God. There are many shades of emotional expression and the blending of several emotions together. In some respects this is an oversimplification but is an understandable concept.

Whether a potential of the soul is expressed or not has no direct effect on the soul itself. The soul is not tainted by errors of living nor is it exalted by the successes of living. It is simply less or more visible to those who have the capacity to perceive. From the perspective of the soul it has less or more sense of fulfilment.

Whereas the emotions provide great degrees of shaping, colour and depth they are also the elements that provide precision of feedback to the human who is developing their personality. This is precisely similar to an artist who gains feedback of their performances or work from their perception of their own work perhaps modified by the perceptions of others. The awareness of an individual is an expression of the level of their personal artistic development. The greater the awareness and sensitivity, the greater the value of the feedback. There is unlimited potential for subtlety and refinement in personality development. Remember that I am speaking of the total and ongoing development of a soul's potential in its progress. The potential is not the soul but its capacity for expression and fulfilment.

The emotions may be considered to be the light of the bodies, spirit and physical, and their influence greatly determines the subtle appearance of a being. The visible aura of a being (visible that is to one who has that perceptual capacity) is a display of the developed potential of a soul coloured by the emotional state of that being. This includes the state of physical, mental and spiritual health. When a soul is said to be dark and shrivelled, it is actually hidden behind a dark screen of auric emanation that includes all of the above mentioned elements. Its potential is undiminished even though its expression is severely hampered. Obviously this situation is able to be remedied by the developmental progress that clears this darkness.

The capacity to influence the emotions lies within the soul along with all its other potential. The memories of all of life's experiences which are coloured and shaded by emotion is carried in the physical and spirit bodies and minds but not in the soul itself. The soul retains a purity that cannot be

sullied or destroyed. Its potential remains even if a being has spent aeons in the dark realms and is considered as a lost soul. No soul is ever lost. No soul is ever damned to eternal perdition.

You may ask if we (in the Celestial Realms) have emotion and I will answer that we indeed do. Emotion as we experience it is rather different than yours. In ways it is much more restricted in that there are many of what are considered the normal human emotions that we never feel such as anger, jealousy, resentment or sadness. However we do experience the most wonderful subtlety and shades of colour of the emotions we do feel. Essentially all of our emotion is based on joy so that we experience a range of joyful feelings that are inconceivable to you. This is in no way an expression of any failure on your part but merely a foreshadowing of your potential. This is not something to hanker for now in your lives. Seek instead any small moment of joy that comes your way wherever you find it. The most mundane of earthly experience may be coloured with awareness and attention and the recognition of possibility.

The capacity to deal with emotion in positive and growing ways is reflected in spiritual progress. Remember always that harmony is the bench mark and the key and this always begins with the individual. Individuals may find their most profound early experiences of harmony in shared activities with others and may then learn to extend this capacity to individual experience without such need for external stimuli. However harmony is found is perfectly fine and however it is developed is very much an individual preference.

So as we progress, emotion does not fall away but it loses its roughness and harshness to become smoother but perhaps no less intense. Some emotional experience becomes even more intense during spiritual progress. The ongoing progress leads to the development of a range of beautifully subtle expression which becomes a major element of our communication with each other and with you. There is possible a sweet intensity that is indescribable but which you will enjoy.

I wish in this writing to extend the concept of individual mastery of oneself. This means learning to live well and in harmony with everything that goes to form a human life in the approach to The Source, God. I stress that this mastery and harmony is, by necessity, all encompassing. As with all learning it is necessary to play with emotion as children do in their games. There is a great tendency to believe that each one is controlled by their emotions and this is limiting. Your emotion is your own however you think you acquired it. Own it and learn to love it as it is part of your shaping and your individuality. You and your soul are one and learning this does simplify living as you, as an individual, gain a lot of control that you may have lacked. You align much more closely to the Creator and lose much of the sense of being created or directed by forces outside your control.

There is much more to say about this but I felt a desire to say these things now. We are building, ever building. Remember that nothing you believe or think that you know is absolute. You are growing and learning. There is no haste.

I am your Celestial Brother  
Richard

**By living true to ourselves, true to our feelings, we are living true to God. It's that simple.**

**Golden Rule: that one must always honour another's will as one honours one's own.**

The creation of the embryo is the creation of both of the physical body and the spirit body. The personality is soul based. The spirit body is far more capable than the physical body. A soul half is attracted to the embryo thus achieving incarnation of the soul half and completing the individualisation process of the soul half. We are all half of a soul, the other half incarnates into an embryo of the opposite sex.

The soul half individualising is just a tiny invisible spark of the substance, natural love, but even then it is enormously capable.

The life force of the soul takes over the spirit body through the connection of a golden light cord. Through this connection some of the senses and capabilities of the soul are fed through to the spirit body. In turn, through a silver light cord, the senses and capabilities are further dumbed down into the physical body.

We will discard the physical body as we progress on our journey of growth in love.

It is impossible to comprehend the relativities. Consider the soul being equivalent to the most capable high speed train on the planet. This soul is then connecting and animating a powerful steam locomotive, which in turn is connecting to a toy locomotive – Thomas the Tank Engine. Now, it is this little toy locomotive that most of us consider to be our real self! It is our soul that is.

Our physical experience is like being on training wheels while we begin to feel our way forward having completed the individualisation process.

The physical body's capabilities, with its five senses, pales into insignificance when compared to the capabilities of one's spirit body, with its many senses, which include the physical body's five senses, however they are greatly enhanced.

Your soul animates your spirit body. The spirit body can be compared to Superman's capabilities. Now consider how much further your soul is restricted when it is animating the physical body. Your physical body is a very restrictive and restraining suit.

When the physical body is viewed as an entity that is cocooned within a cumbersome restrictive suit and then compared to the capabilities of Superman, then we are starting to compare the capabilities of your physical body with that of your spirit body. Your spirit body, once it leaves your physical body, can travel to the other side of earth quicker than you can read this sentence! You can travel so fast that you can see the end beams of light.

Now, try and imagine the capabilities of your soul which animates your spirit body, and in turn animates your physical body. Your soul has many, many senses and ever increasing capabilities as it grows and grows in love.

Your soul is your real self, the home of your personality being your intelligence, your emotions, memories, awareness, passions, desires, creativity, intentions, aspirations, free will, etc. As you grow in love, all these aspects of you grow and expand naturally.

Our journey starts by being individualised. Your soul starts its journey of discovery and growth by being incarnated into the physical body which at the same time forms the spirit body attaching to the newly created embryo. The individualisation process is completed once the soul connects to the embryo being the two bodies, the physical and the spirit body, at the same time your personality forms. Upon the soul becoming individualised, the need for the physical body is satisfied and completed. There never becomes another time whereby we need to return to dwell within another physical body. Subsequently, on our journey of development in love our soul remains housed within the spirit body and your personality continues with both the soul and spirit body.

Our soul continues to grow in love and beauty on its journey home towards our Creator.

You could liken the capabilities of the physical body with its five senses to that of a golf buggy.

The spirit body with its enhanced senses, which include the physical body's five senses now with greater capabilities, liken to that of a space shuttle. Sight of the spirit body is 360°, the speed it can travel is far greater than that of light, its communication is mainly by feeling, etc.

However, the soul has many, many senses and capabilities far beyond our comprehension, and where it can grow in love and truth is that which only God knows. Your soul is the real you.

**We have the gift of free will. Should we consider using our free will to ask for God's Divine Love, then we will receive God's Divine Love every time we so ask. Consider Divine Love as being a water droplet. As we grow in love with Divine Love we may receive such love to the extent that eventually we could fill a major water reservoir. Very few ask for this love. Presently there is only a trickle of Divine Love coming onto the planet. Divine Love surrounds us at all times, all we need do is to ask for it.**

**Once we starting asking for and receiving Divine Love we will never remain stagnant, such love will forever encourage us to grow and grow further in the love.**

**DIVINE LOVE, with FEELING HEALING, progressively reduces then removes EMOTIONS founded on FEAR:**

God caused our souls into existence in their natural love with a potential to receive Divine Love and experience Immortality and harmony among other things.

Asking for and receiving Divine Love is the way to live with the Father, this being available for anyone to choose, that is, to accept the Love and to learn what is true and what is untrue insofar as what relates to our existence and all that surrounds us.

We have all endeavoured to grow in the way we live with others and ourselves, and when we have been self-reliant in this we have experienced great frustrations and stagnation in our personal development endeavours.

Only when we consider and do become God-reliant do we make incredible advances in our love for others and ourselves. This is reflected in an ever rewarding lifestyle, our relationships grow in positive and loving ways, and our physical health improves. The rewards are reflected in such numerous ways that they cannot be counted due to their number.

We, as parents, who embrace the availability of Divine Love can then in turn share the knowledge of this gift and our experiences of living with the Love not only with our children but with all around us.

The gift of Divine Love is a permanent gift of love that permeates our continuing existence eternally.

## The CHOICE is OURS to MAKE:

### Celestial Truth:

Truly all-loving;  
 Living true to oneself;  
 Mind supporting Feelings;  
 Living with the Divine Love;

Fully Healed of the Rebellion and Default.

### THE FEELING WAY

Feeling – Ascendance  
 Unlimited progression

- Living true to your untruth;
- Honouring all your bad feelings;
- Expressing feelings to uncover their truth;
- Healing the Rebellion and Default within yourself;
- Feeling unloved; being unloving;
- Feeling as bad as you can feel;
- Feeling like you are no one special;
- Longing for the Divine Love.

### THE MIND WAY

Mind – Transcendence  
 Limited progression

- Enlightenment, Nirvana, feeling all-loving;
- All false, mind-contrived. Anti-truth, anti-love;
- Still evolving the Rebellion and Default within yourself;
- Feeling and believing you are the Superior One;
- Living with your mind in control of your feelings;
- Living rejecting all your bad feelings;
- Living with your mind contriving you feel loved;
- Rejecting the Divine Love.

All religions, New Age, agnostic,  
 atheists, no spiritual interest,  
 Living the Rebellion and Default.

Hell:  
 Exploiting the Rebellion and Default.

The Feelings are the doer; the Mind the teller. So we are to go with our feelings, which we can't be told to do with our mind. So the longing for the Divine Love, doing our Healing by expressing our feelings and longing for their truth, are all feelings and doing it with longing. Whereas the mind just wants to tell us what to do and how to be, no feelings in it, all how our parents have treated us.

## Our FEELINGS are our SUPREME GUIDES:

# Feelings!

Feelings are what guide us through our ascension of truth. So they are really our Supreme Guides. Many people look for a person, spirit, angel, even God, for supreme guidance, however it's all right there already built in – in our feelings. We just have to submit to them, allowing them to take us where they will, expressing all the parts we want to express, letting the emotion drive that expression if it's there to be expressed, or just talking about all we feel and how feeling that feeling is making us feel – or, how we feel about having that feeling, all whilst longing for the truth of our feelings. Longing for the truth of our feelings is really: Longing for the truth of our self, because: we are our feelings. So life stirs up our feelings, we feel being alive; or, being alive means we are feeling, always feeling; and when we work out what and why we are feeling what we are, so then we know the truth of how we are. And over time the truth accumulates, and our mind expands our understanding of ourselves, all being driven from our feelings. Kevin 26 Sep 2017

## Using our feelings to uncover the whole truth of our negative or anti truth and anti love state.

Kevin: So whilst we're of an untrue state, then all we have got to help us understand why we feel bad, why we are wrong, why we are negative and anti love and truth, is our feelings. So if we focus on our bad feelings, they will lead us to the truth of why we're feeling bad. Which will be the truth of what happened to us to make us be this wrong way, and how we took on the wrong way and keep it going making us feel bad.

## FEELING HEALING

**Note:** The vital difference between emotion and feeling is that emotions have their roots in the past, and feelings relate to the present moment. Emotions represent our feelings which were not previously expressed, and these accumulate with time.

**Note:** Our feelings are soul-based. Our soul is always in truth. It is our soul based feelings, that when allowed to be freely recognised, we will begin to express and be who we are. This takes time and perseverance as we have encrusted our souls with layers upon layers of errors and false beliefs, it is these layers that will confuse the truth that our soul is conveying to us. Only by our progression with our Feeling Healing will our soul's expression of truth become clear and free of all cloudiness and contamination.

“What our soul needs in accordance with our own, individual, **Soul-Light-Plan-Of-Destiny** (your life's true destiny plan), They, being our Mother and Father, will give you as required. The only way we can know truly what we need is to honour and follow our true feelings. They, springing from our soul, literally telling us what we need, and so when we genuinely feel we need something, we apply our will to get it. The hard part is knowing if our feelings are true, and until we have done our whole soul-healing, they won't be clear and total true.” James – Introduction Course to Divine Love Spirituality

**WE are meant to grow up LIVING FULLY CONNECTED to our FEELINGS:**

Humanity has always had an awareness and involvement with spirits, with life on the other side, because we are all heading that way, we all end up dying and becoming one of the spirits, and were humanity living rebellion-free, then nearly everyone would enjoy some level of spirit involvement either directly or indirectly, loving such an expansive awareness in life.

**We are meant to grow up living fully connected with our feelings in our physical reality, and at the same time with full feeling awareness of spirits and life after death, because after all, God is the greatest Spirit of us all.**

And so having an awareness and involvement with spirits can, and should, help us have more of an awareness with our Mother and Father. And it's not with just spirits, it's also with the angels who are with us all the time, and the nature spirits should we be open to them, and even higher spirits if we are to work with them, such as the Melchizedeks or Trinity Teacher Pairs. But mostly for those people involved with the Divine Love, it will be with the Celestials spirit group that is assigned to help them.

It is very important to understand that spirits and spirit life is meant to be part of life on Earth. However that's not to say everyone need to have an ongoing relationship with their spirit friends, but they can at least still be aware of spirits and spirit life and where we will be going and something about what to expect once we die. And when you are open to it, lessening the grip of one's fears about it, then we will find it will be just another aspect or level of life, and one that can give us quite a lot of comfort.

**TRUTH LOVING SOUL V ERROR INFLICTED MIND**

**Feeling  
Healing with  
Divine Love is  
the key!**

**To liberate one's real self, one's will, being one's soul, is by embracing Feeling Healing so to clear emotional injuries and errors. With the Divine Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.**

# FEELING HEALING + SOUL HEALING

To heal one's self is to simply look to see what feelings we are refusing to let ourself feel, and accept them instead of denying them. And to fully accept them, one needs to express them, speak about them, let them have their say, rather than pushing them aside, refusing to let them make you feel bad.

Doing this all with the intention of seeking the truth of why you are feeling them, of speaking about and expressing all such feelings; all feelings you have, but ALL WITH the INTENTION of UNCOVERING the TRUTH THEY WANT YOU TO SEE ABOUT YOURSELF. And it's the wanting to see the truth of them that is very important, because if you just look to accept them and speak and express them, but not seek their truth, then that's all you'll be doing, speaking and expressing them, but not healing their causes, so not fixing the things within you that are making you feel bad. And it's the truth part of it, seeking the truth of your feelings, and so, seeking the truth through your feelings, that's vitally important. It's the truth of yourself, life, nature and God, that is the spiritual aspect to it all.

You CAN'T find the truth of yourself, or anything else, through and with only your mind. You HAVE to engage and look to your feelings. And so if you choose to allow your feelings to 'Show You the Way', then the truth will come as you express them. So to do our Soul-Healing consists of these steps, all of which are ongoing until it's done:

- **Admit you are feeling bad.**
- **Accept your bad feelings, identify what they are.**
- **Honour fully your bad feelings by expressing them, speaking about them to someone who is willing to hear you talk about them, or tell them out loud to our Heavenly Parents. Long for the truth of them. Long for the truth of why you feel bad – what deep within you is causing your bad feelings?**
- **And remember, bad feelings are Good! Not bad. They are not to be despised. And as hard as it is to accept them, they are still you, and a very real part of you. And if you persist in denying them and not allowing yourself to fully live them, then you are only going to keep yourself in your errors making things harder for yourself.**
- **All sickness and suffering, all bad things that happen to you, all your problems, all your addictions – your whole feeling-denying and untrue life, is all caused by your denial of bad feelings.**
- **Every problem in the world is brought about because everyone has been brought up to deny feelings, and in particular, most of their bad ones.**

If one is intent on spiritually evolving and growing in truth, then it's vital, and this is the key, that one looks to use one's feelings as the means to gain and have access to the truth of oneself. You CAN'T find the truth of yourself or anything else through and with only your mind. You HAVE to engage and look to your feelings. And so if you choose to allow your feelings to 'Show You the Way', then the truth will come as you express them.

Doing your Soul-Healing with the Divine Love, is really doing your 'Feeling-Healing'. We are designed — created — to be self-revealing of truth, and so we are all to uncover the truth within ourselves and for ourselves, and all being done by living true to our feelings. **If you accept, express and seek the truth of your feelings, then truth will come to you, and you'll grow spiritually. It's as easy as that. Also it is as easy as it is to long for, ask for and receive Divine Love.**

THE HEALING OF YOUR BAD FEELINGS THROUGH THEIR ACCEPTANCE  
AND FINDING THE TRUTH OF THEM, IS THE ACCEPTANCE OF YOUR  
NEGATIVE, REBELLIOUS, EVIL, IMPERFECT MIND AND WILL CONDITION.

To do our feeling-healing we need to become:

Aware of – Acknowledge – and Admit, our bad feelings.

So we can:

Accept – them and allow ourselves to Be them.

And then if we feel to, take:

Action – Express, speak and emote them.

Talk about them.

All being done whilst longing to, really wanting to, see the TRUTH of our feelings.

So it sounds simple.

So I repeat:

We accept our bad feelings by expressing – speaking about them to someone willing to listen to us and take us seriously. And as we speak we long for the truth of them – why we are feeling them – to be made known to us. And when we uncover and see the truth we are FREE! – healed of the causes that have made us feel bad.

Accept, Express – see the Truth, and you're Free!

ACCEPTANCE OF ALL YOU FEEL, THINK AND ARE, IS THE KEY TO DOING  
YOUR HEALING; THAT, AND WANTING TO SEE THE TRUTH OF ALL YOU  
FEEL, THINK AND ARE.

**Release one's pain through expressing one's feelings.**

**in conjunction with**

**Longing for the Truth when also longing for Divine Love.**

## The New Way

**Feelings First**  
**FF**  
**Feeling Free**

The New Way, Feelings First Spirituality  
 Learn to live with God through your Feelings

Accept, express and long for the truth of your feelings

Be free in your feelings  
 Free your feelings from your mind's control  
 Live true to your feelings; your feelings are your true self  
 Live true to yourself through your feelings

Live true to yourself by living true to your feelings.  
 Long for the truth of your feelings.

Accept / Express / Bring out ALL of your good, and most importantly,  
 BAD feelings.  
 Want to understand why you're feeling them.  
 Use your surface feelings to take you deeper into your repressed and  
 hidden feelings.

The Feeling Way is the True Way.  
Your feelings are your spiritual guide.  
Your feelings will take you to God.

Your feelings will show you the truth of your relationships, including your relationship with God; and if anything is wrong, untrue and unloving, then why it is.

Our feelings are sacrosanct and we should respect them accordingly. And we should NEVER block them out, ignore, override, banish, deny or reject them, because if we do, we're only doing that to ourselves, as Our Feelings Are Our Self.

Our feelings are the gateway to our soul. Our feelings are the closest we can get to our soul. Knowing the truth of our feelings is knowing the truth of our soul, and knowing the truth of God.

Feelings First Spirituality is the True path for humanity.

It embraces all people.

It completely unifies the world.

Everyone can relate to everyone else through their feelings.

And we can all live the truth that comes from our feelings, all sharing the same truths as we express and have the same feelings.

No one need be left out; no one is more special than anyone else – we are all united in Truth through our feelings.

So with and through our truth we live our lives, therefore without the need of any man-made mind-laws, rules and restrictions that limit self-expression as inspired by our feelings.

The New Way, Feelings First Spirituality is what is to replace all man-made, mind-contrived religions that so many people have enslaved themselves to. The New Way, Feelings First Spirituality will set us free of all that control, ending the Rebellion and Default within ourselves as we do our Feeling-Healing, and ending such control and spiritual stagnation in the world.

Bring on the End Times – get it over and done with! Let's all see that Jesus is not going to come again, that Prophecy has failed all the mind-controlled platforms. Allow such false systems of belief to die their long-awaited natural death, they've overstayed their welcome, it's now time they fade away. So let us show such antiquated, erroneous systems of belief the exit and bring on the fresh liberation of discovering the truth of how we are to live for ourselves, each of us personally in our lives, and all by looking to our own feelings for it. Self-revelation through our feelings is the way to go.

The Way of the Mind is ending, and is really the End Times – the End of our mind control, and **it's about time!** With the Way of our Feelings replacing it.

The End Times means the end and therefore a New Beginning. And that new beginning is a whole new Spiritual Age – an age based on self-revelation of truth through one's feelings, coupled with and supported by higher revelations from the Celestial spirits, angels and nature spirits.

The Feelings First Spirituality is the True Way to God because it helps you get to know God, helping you to reach out, connect and be personal with God, and do God's Will, all through your feelings. It is the only true way of getting to know the God of Feelings – our beloved Heavenly Mother and Father, the Great Soul of Divine Love.

Love comes through our feelings and not our mind, as we've all been wrongly led to believe.

**EMBRACING the WILL of our HEAVENLY MOTHER and FATHER:**

**Our Heavenly Parents are almighty, all powerful, infinite, and at all times loving.**

**The love of the Heavenly Parents for their children, woman and man, has been and is always infinite and ever present.**

**As one's faith in our Heavenly Parents evolves, man's love for his Heavenly Parents will have no limit.**

**As man grows in his love, so will man grow in his love for all of God's creations.**

**Approach the Source Soul, the Mother and Father, in reverence, without fear or trepidation, just as a child approaches his earthly parents knowing that open loving arms are extended to receive him at all times.**

**As one grows in his love of the Mother and Father, one becomes to know with certainty that God loves him or her in return, at all times, and that fear is an illusion created by man's mind.**

**By embracing the commandment provided in the 1<sup>st</sup> century, namely the first:**

**"This is my commandment, that ye love one another even as I have loved you."**

**Further, we are to embrace our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.**

**Also as our soul development progresses, our self love grows which also enables us to step away from:**

**Any self harm that we may cause which also brings about consequences.**

**And to move along this path we simply develop our embracement of:**

**God's Divine Love; by praying for it, asking for it, and receiving it.**

**Longing for Truth and Divine Love we can embrace the will of the Father and achieve freedom from error and harmful ways, thus finding our way home!**

## **WE ARE TO BE OUR TRUE SELF – OUR SOUL BASED FEELINGS!**

**We are to use our feelings to uncover the truth of ourselves. Just how important are each of our feelings? Well really, they are ALL as important; as in, nothing else in life even matters other than what we are feeling.**

**We are all so conditioned and used to living with our mind in control of ourselves, that many of our feelings, and mostly so many of our bad feelings, we dismiss or shut out and refuse to deal with. We should go the other way in life, so instead of denying so many of our feelings, trying to acknowledge them all, to bring them all out, every last bad one, even if means stopping everything else and attending to them; and by attending to them is to make sure we express them, speak about them, the whole idea being not to keep suppressing them, to make sure they come up and out of us as we feel them.**

**Along with this: we are to long for the truth of our feelings; as in, the truth they are wanting us to see about ourselves, because apparently hidden or behind or within each feeling, is something it's trying to tell us about ourselves. And that is how God wants us to live – it is to live a true spiritual life.**

**We are not meant to be alone, we are to have someone with whom we can share our whole self with, telling them all we think and feel. If you do not have a companion, talk it out loud to your Heavenly Parents.**

**If you feel a bad feeling, you don't let it pass, you stop with it, focus on it fully accepting it; and with the emotions of it, express it the best you can; and then at the same time, long for the truth of it – want to see what it's all about – why you're feeling it.**

**There are hidden deeper underlying causes in us that will come to light as to why we're really feeling bad. So we might, for example, be angry with something that's happening in our life now, but as we express that anger, longing for the truth of it, it will lead us back into our earlier life connecting with the same anger we felt about other things; and then back even deeper into connecting, or it should be reconnecting, with anger we felt with our parents when our parents treated us badly.**

**That means there will be a lot for us to deal with if the bad feelings we're feeling now are also going to lead us back into buried bad feelings from our past.**

**Sage and the Healing Angels of Light by James Moncrief**

# REVELATIONS

**Revelation 1:** Our soul becomes encrusted with harmful ways of life, plus negative and erroneous beliefs, these mainly stem from our childhood upbringing and environment. Thus we live untrue to ourselves, we become 'evil'. Whilst we hold to these injuries we limit the amount of Love that we can receive into our soul. To open our soul to the Love we must firstly and progressively feel into our emotional injuries and allow them to be released. Until we emotionally experience past errors and injuries we hold onto them.

To free our soul of damage and toxic emotions we must open ourselves to experiencing them. This is a progressive, slow and uncomfortable cleansing process that we must all experience. Only by addressing the generational injuries will we, as humanity, evolve in love.

To fully divest one's self of our badness, we have to 'go into' our feelings. Call this process of clearing toxic emotions as 'Letting Go', 'Emotional Processing', 'Journey Process' or 'Feeling Healing'. Embracing Divine Love then Feeling Healing becomes Soul Healing.

As part of our Feeling-Healing we will have to work our way into all our feelings to see if indeed they are coming truly from our heart and soul, or if they are being heavily influenced by our mind. And this will then lead us into questioning and uncovering the truth, if there is any, to our beliefs and why we behave the way we do; and is such behaviour based on truth, or is it based once again on untruth, belief, and rules of our mind.

**Revelation 2:** We can long for, ask for and receive the Mother and Father's Divine Love. The greater our soul is free of error and injury, the more of the Divine Love can be received and assimilated into our natural love formed soul. The Love does not free us of injury, however, it strengthens our resolve to continue on our journey to be free of error and injury, to step away from evil aspects that have been encapsulated within our humanness and soul. It is this Love, the Divine Love, that brings about immortality of our soul and it is this Love that will eventually fit us to enter the Celestial Heavens and progress for ever more onwards to Paradise. These two revelations free us from error and enable us to grow in love ever more.

**Immortality with the Love.**

# Steps UP!

## Quantum Jump 1

**REVELATION 1**  
James Padgett 1914 – 1923

James Padgett bravely introduced the availability of the Mother and Father's Divine Love and a great deal of additional guidance and information, all of which has been supplemented by Samuels, Judas, Reid and Arnold. All writers were under restrictions of personality and circumstances. Revelation 1 opened the door for humanity.

## Quantum Jump 2

**REVELATION 2**  
Marion and James Moncrief 2002  
– ongoing

Marion and James Moncrief have recognised the need for one to engage in Feeling Healing and, by their actions, removed restrictions that James Padgett and others above endured, thus JM is able to critique the writings of the past 100 years resolving points of confusion as well as expand on what has been written. Revelation 2 is humanity's turning point.

Due to the extra-ordinary nature of Revelations 1 and 2, humanity with the first Revelation would have continued on into its negative pathway of living, however, combining the first Revelation with Revelation two, now humanity can embrace this turning point and commence its evolutionary growth that has required two thousand years to put in place. This is the greatest event in the history of humanity and very few are aware of such, until we enable others to become aware.

Rebellion and Default  
officially ended  
31 January 2018

**END to the REBELLION and DEFAULT – 31 January 2018:**

31 January 2018: Nanna Beth: Yes John, very good news we want to pass onto you for your records. Earth and the seven associated Mansion Worlds (including the two Earth planes) are **officially** now fully under the control of Celestial spirits. And this means John, that Earth is now ‘Ours’. It’s been a long time coming, but it’s a huge milestone and marks a tangible and real end to the Rebellion and Default. It’s one of a number of ‘End’s’ that are to occur.

With the departure of the Caligastias and Daligastias some years ago, humanity has been in a state a limbo so far as who is doing what with it, it not being allowed to be left alone so it could do whatever it liked, it always needing to have a spirit connection. With the mind spirits, as we’ve told you, basically calling the shots still happy to ignorantly carry out C&D’s plans. But now with our systematic and progressive take over, we’re now in complete control.

And what that means is we have our fingers in every pie and we’re on the case so far as what everyone is doing. However it doesn’t mean we’re taking over and telling humanity what to do and how to be, although we are able to work more with certain individuals directly and indirectly helping to move or point or orientate (depending on how you want to look at it) individuals, groups of people, whole societies, the whole world, according to the plans given to us by the Melchizedek Receivers.

So humanity will still carry on outworking it’s unloving, untrue and rebellious state, that has to be worked through to its natural conclusion, however we want you to understand and just know that it’s another end of things and beginning of the new. And it’s basically what we’ve been working with you in connection with James this past year to achieve. There is a lot more to it and how and why it’s been done, and done as it has been done, however you can find out about all of that when you come over.

So we Celestials will guide humanity now according to what our Mother and Father want, so humanity’s got a real tangible safety-net under it now, so no more ‘downside risk’, it all being to move it toward doing its Healing.

I’ll speak again soon – love Nanna Beth.

## U-TURN for HUMANITY:

### Why are we doing a U-Turn?

We are doing a U-Turn **because** the year 2017 heralded the end of the Rebellion and Default. For two hundred thousand years, humanity has been going in the wrong direction.

### What is this fundamental step that will change our way of living?

We are to come to understand / know the foundational cause of all our feelings, both good and bad. As we explore and investigate our feelings, each time they arise, one by one, we are to talk them through, express them to a companion or friend or anyone who will listen. As we express them, while at the same time coming to understand how they have come about, we will find that they will be resolved and that they will not come up again.

**Feeling  
Healing with  
Divine Love is  
the key!**

We will find that all of our feelings / emotions have their foundations from our childhood. And by childhood, that is from the time of one's conception all the way through to about the age of six. It is the repression of our childhood feelings that is the base or foundational cause of each and every one of our adult personality issues, pains, difficulties, illnesses and distressful life experiences.

**We have to see the whole truth of our negative or self-denial state, before we can heal it and be free of it.**

The vital difference between **emotions** and **feelings** is:

- emotions have their roots in the past,
- feelings relate to the present moment,
- emotions represent feelings not previously expressed,
- and these accumulate over time.

Many emotional clearing processes encourage us to look into our feelings, however, none go so far as to drill down into the core foundation of any emotional feeling to the point that we strive to KNOW the core issue, the origin of the feeling, be it good or bad, and actually come to know what it is!

The *Journey Process* is generally known worldwide. It stops short of longing to know, that is asking for the knowing of the events that brought about such a feeling. Yes, we are to acknowledge the feeling, say being angry. Then accept that behind that anger is the feeling of being small, and then look at the underlying reason of why we are feeling small. What is the truth behind that feeling? Ask our Heavenly Parents what is behind all of this feeling. What is the foundation, the origin of the feeling? All the time talking it out, expressing it, with a friend. The expressing of the experience is the release of the emotion / feeling, this is what removes it for ever from within our essence, our **soul**.

**Why ask our Heavenly Parents? I thought God was just God – singular?**

This is part of the revealings that have been unfolding for us very recently – that is – since 2002.

We are made in the image of God. This has been understood for centuries, for 2,000 years. Our soul is duplex. Our soul expresses itself through two personalities. One soul ‘subdivides’ into two, one half always being female and the other half always being male. We are a reflection of how God is. God being one Soul is expressed as Mother and Father. God is two personalities. They are soulmates. And each of us has a soulmate, and our soulmate is always of the opposite sex, because the Mother and Father are the opposite sex.

Thus, when we long for the truth behind a feeling, then we can long to our Heavenly Mother and Father. Only they can tell us. No spirit personality can tell us. No canonised saint can tell us, we may as well ask our next door neighbour. That would be just as productive. Mary and Jesus can’t tell us, as they are also spirit personalities.

### **I was taught that Jesus was God? And what is this about Mary?**

Mary of Magdalene and Jesus of Nazareth were both born free from sin. Neither of them are God. They are both children of God, just like you and me.

History needs to be corrected. Both Jesus of Nazareth and Mary of Magdalene became at one (At-One) with our Heavenly Mother and Father during their physical lives here on Earth in the first century; Jesus in the year 26CE and Mary in the year 33CE, or thereabouts. Jesus died aged 35 (born 7BC died 29CE), and Mary died aged 47 or 48 (born 2BC died 47CE).

Further, their sojourn on Earth was the completion of their process to become the full Regents of the sector of planets that is referred to as Nebadon. The region within our super-universe that is referred to as Nebadon contains 3.8 million inhabited planets. If you look into the night sky, each star / sun potentially has between none to three inhabited planets within its orbit. Within Nebadon, the soulmate pair, namely Mary and Jesus, are our Spiritual Teachers of Truth. Their domain is all 3.8 million physical planets plus their associated spirit worlds. Each physical world has seven associated spirit worlds, which is the case for Earth being one of the 37 that have rebelled.

Some 200,000 years ago, Lucifer with his soulmate and his deputy, Satan with his soulmate, brought about a rebellion on 37 of the inhabited planets within the region called Satania, one of the local universal systems of Nebadon. Earth compounded the situation through the Default of Adam and Eve about 38,000 years ago. Thus the population of Earth, being in the worst condition through the Rebellion and Default, became the location for Mary and Jesus to have their physical experience to complete their ascendancy to full Regency of the local universal system being Nebadon.

Their lives on Earth was the start of the unravelling of the Rebellion and Default. Upon Jesus becoming At-One with our Mother and Father, he was then vested with the authority and power to have the Lucifers and Satans arrested, and they now reside exiled within a prison world.

Notice that there were no records of Jesus and Mary’s teachings and experiences made during their physical life. That was because they did not specifically come here for us, they came for the benefit of all peoples of all planets and spirit worlds throughout Nebadon.

As they are Paradise descending spirits, they have **Spirits of Truth**. Upon Mary and Jesus' death, they released their Spirits of Truth. As spirits, Jesus and Mary are how we will be, once we've finished our Soul Healing. They can only be in one place at any one time. However, it is their Spirits of Truth throughout Nebadon that we can connect with for guidance. It is through their Spirits of Truth that spirit personalities can progress through and out of Nebadon.

Those planets that have Rebelled need further assistance, and they need it on a localised manner. This can only be provided by another bestowal of a **Paradise Pair**, and that is in the form and manner of an **Avonal soulmate pair** who come here specifically for us.

### **What is the purpose of an Avonal pair, and are they here on Earth?**

Unlike Jesus and Mary who were always free from sin and did not experience how to heal themselves, the Avonal pair are to experience all of the extremes of evilness and then proceed to heal themselves. Mary and Jesus through their bestowal on Earth ended the Lucifers spiritual rebellion in Nebadon; the Avonals bestowal is primarily concerned with ending the Default of Adam and Eve by the Avonals themselves personally healing the effects of such a damaging Fall.

The soulmate Avonal pair are to be, and have been, subjected to the extremes of childhood suppression and repression, and then, through their Feeling Healing, are experiencing all the facets of emerging truth as they slowly progress through a protracted and difficult healing process. As they reach specific milestones, this also enables those in the Celestial Heavens, (the three worlds where Celestials reside) to be empowered to assist us in the physical on Earth.

The first considered milestone was the arresting and imprisonment of the Caligastia soulmate pair and the Daligastia soulmate pair. After the arrest of the Lucifers and Satans in the first century, as nothing further occurred, the Caligastias and Daligastias continued on from spirit as if they were kings and queens, suppressing all of humanity and with plans to take over the universe. It was possibly in the early 1990s that they were 'judged' and 'removed'. They were caught unaware that an Avonal bestowal pair were on Earth.

### **How is all this becoming known? Has Jesus and Mary communicated directly to Earth?**

Unlike in the first century, when no records were kept (as the event related to all of Nebadon and it was actually setting the stage for the Avonal bestowal pair to arrive on Earth), every effort to retain records in great detail of this current series of events is now being attended to. Consider this. The New Testament of the Bible is some 300 pages. The records of the Second Coming, which this is, the primary records are possibly 6,000 pages, with direct complementary records increasing that to over 10,000 pages and with all the supplementary records to date, there may be as many as 40,000 pages, certainly well over 30,000 pages of material presently.

Jesus directly communicated through James Padgett from 1914 to 1923. Mary of Magdalene (Mary M) has directly communicated through James Moncrief from 2002 and is ongoing. Jesus has also communicated directly through James Moncrief. Neither have ever directly communicated through any one else, however, some Celestial Spirit personalities have provided information through other

personalities on Earth with the support and approval of Jesus and Mary, thus some confusion, though the quality of the information is very reliable.

**You say this is the Second Coming? You say I am living during the time of the Second Coming?**

Yes you are. And it's more than that. This is the Second Coming, the End Times and the Handover!

In fulfilment of the prophecy in the first century, the Second Coming commenced on 31 May 1914 through the writings with James Padgett and concluded in 2014 through the writings with James Moncrief.

The End Times are well advanced. Mary and Jesus are well advanced in handing over their direct involvement with Earth to those within the Celestial Heavens. When this is completed, the Handover will also occur. **The Hand Over is to the Avonal Bestowal pair** and it is they who will guide the population on Earth through their Feeling Healing processes for the next 1,000 years, being the next spiritual age. The Handover will take place after the Avonal pair complete their personal Healing of the Rebellion and Default. Then will follow with their Spirits of Truth being officially liberated in alignment with Mary M and Jesus' Spirits of Truth upon their death.

Major events have occurred with the progression of the Avonal pair's Feeling Healing, which they are also doing whilst embracing our Heavenly Parents' Divine Love, thus they are doing their Soul Healing.

Early 1990s:	The arrest of the Caligastia and Daligastia soulmate pairs.
22 March 2017:	Negative spirit influence was blocked.
31 March 2017:	Angel assisted healing will become available upon the Avonal pair completing their own Feeling Healing, being with Divine Love, thus it being Soul Healing.
22 May 2017:	Law of Compensation quickening.
2 December 2017:	Psychic Barriers maintaining the Rebellion and Default were cracked.
8 December 2017:	Bring on the money to <b>'house the future of humanity'</b> .
31 January 2018:	Earth and the seven associated Mansion Worlds (including the two Earth planes) are <b>officially</b> now fully under the control of Celestial spirits. This marks a tangible and real end to the Rebellion and Default.

**How does this all fit into our future way of living?**

**This time, in the history of humanity, is the most exciting time ever experienced.**

**The whole human race is suffering from repressed childhood and mind control.**

Through one's Feeling Healing, and should we embrace our Heavenly Parents' Divine Love, then with their Love we are doing our Soul Healing, and eventually we can live totally in accordance with our soul based feelings and live free from error – no more fear and no more physical illnesses is possible!

**By living true to ourselves, true to our feelings, we are living true to God. It's that simple.**

Our soul is always perfect. In fact, we are the complete package. All that we need to know is within our soul. This knowledge has been denied from us since the time of the Rebellion and compounded by the Default. That is what was brought upon us by the Lucifers and his cohorts. We have always been meant to live true to our soul based feelings but we were taught to embrace our error riddled mind – this was aided by our parents – unknowingly all parents have taught their children to be mind dominant. **This is the Great U-Turn. We are to feel and live by our feelings and express our feelings, our mind will follow in support, not the other way around.**

“Many people look for a person, spirit, angel, even God, for supreme guidance, however it’s all right there already built in – in our feelings. **Feelings** guide us through our **ascension of truth**. So they are really our Supreme Guides. We just have to submit to them, allowing them to take us where they will, expressing all the parts we want to express, letting the emotion drive that expression if it’s there to be expressed, or just talking about all we feel and how feeling that feeling is making us feel – or, how we feel about having that feeling, all whilst longing for the truth of our feelings. Longing for the truth of our feelings is really: **Longing for the truth of our self, because: we are our feelings**. So life stirs up our feelings, we feel being alive; or, being alive means we are feeling, always feeling; and when we work out what and why we are feeling what we are, so then we know the truth of how we are. And over time the truth accumulates, and our mind expands our understanding of ourselves, all being driven from our feelings.”

Kevin of the 1<sup>st</sup> Celestial Heaven 26 September 2017

(Kevin Cooper died 10 August 2012, through Feeling Healing became Celestial on 7 August 2017.)

It is through the assistance of the Spirits of Truth of the Avonal Pair, upon the completion of their Soul Healing, that we will be guided through our Feeling Healing process, and should we embrace our Mother and Father’s Divine Love, then our Soul Healing.

Then should we embrace Mary and Jesus as our Spiritual Teachers of Truth, their Spirits of Truth will lead us on the path through the Celestial Heavens where we will certainly meet up with our soulmate and join our soulgroup, which will eventually consist of twelve soulmate pairs. Then as a soulgroup, the Spirits of Truth of Mary and Jesus will lead us up through and out of Nebadon towards Paradise.

It is then our Mother and Father in Paradise who draw us to them and we will eventually meet our Heavenly Parents.

Meanwhile, while we live on Earth, we will have assistance and guidance previously denied to us throughout the era of the Rebellion and Default. Under the Contract controlling and managing the Rebellion and Default, the powers and capabilities of our Celestial Heaven spirit personalities, all three worlds of them, were heavily restricted and almost of no assistance to us at all. Further, Nature Spirits and our Angels were heavily denied contact with us physical people because of the Rebellion and Default, all of which is soon to change, so we can look directly to them for help concerning healing ourselves and understanding all aspects of nature.

As we embrace our Feeling Healing, Celestial spirits will and can greatly assist us. In fact, during the year of 2017 they have blocked all mind spirits from the Natural Love Mansion Worlds: 1, 2, 4 and 6 from interfering with us. Celestials have taken control of all facets of living and life on Earth. Celestials are those spirits who have completed their Feeling Healing and progressed through Divine Love Mansion Worlds 3, 5 and 7 and now live in the higher Celestial Heavens, 1, 2 and 3 (when we

become At One with our Heavenly Parents then we leave the Mansion Worlds and progress through the next three spheres related to Earth, hence the Celestial Heavens are also referred to as being numbered 8, 9 and 10).

The Nature Spirits of Earth, who live in the third Earth plane, can now directly interact with those who are embracing their Feeling Healing. Nature Spirits are essentially ‘angels in waiting’. They have been on Earth prior to anything that we now see living in nature. When they first started to arrive, there was no life in the seas or on land. They have consequently witnessed everything that has happened on Earth, including all prior human civilisations that we continue to largely remain ignorant of. Their knowledge and assistance is of great importance to us. We are to interact with them on an ever increasing scale. They are to become an invaluable source of information for us concerning how we are best to live with nature.

Further, we may become more aware of our **Indwelling Spirit**, which arrives for each of us during our sixth year, as we now progress with our Feeling Healing, or with Divine Love, our Soul Healing.

And all of this is possible as we embrace our Feeling Healing process, acknowledge and accept the Avonal pair, acknowledge and accept our Spiritual Teachers of Truth, namely Mary and Jesus, and more importantly, grow to love our Heavenly Parents, our true Mother and Father.

We do not need intermediaries, rituals, liturgy, dogmas, creeds, fancy clothing, or institutions. It is our soul based feelings and expressions that we may exchange directly with our Heavenly Parents. Groups may form to assist each other, and that is our choice and within our free will.

**This is the greatest event in the history of humanity.**

This is the Great U-Turn that humanity will embrace throughout the next 1,000 years.

**DIVINE LOVE does not TRANSFORM one's SOUL  
FEELING HEALING is what TRANSFORMS one's SOUL**

The Divine Love does transform our soul from Natural love into Divine Love. It's our Feeling Healing that 'transforms' or heals our erroneous expression of Natural love. We have to 'heal' and so perfect our Natural love, so it can then be transformed by the Divine Love.

Divine Love does not even begin the real work of transforming one's soul, for those who focus upon receiving Divine Love to the exclusion of embracing one's Feeling Healing, they are just expanding their mind's control over themselves. Should this be one's passion, then upon passing into the spirit Mansion Worlds they will find that they can continue along this path all from within the Divine Love followers segment within the first natural love Mansion World! Yes, only from within the first natural love Mansion World.

Most of humanity on Earth does not want to face the very truth their feelings are making them feel every day of their life. So if they want to keep living in the spirit Mansion Worlds as they did on Earth, in complete denial of their feelings and the truth they are to shown about their wrongness, they can.

However, for those who have embraced Divine Love and begin to engage in their Feeling Healing process to begin the transformation of their soul, they will be able to sense the Divine Love already within their soul 'driving them on'. One's understanding and adjusting will be changing rapidly to that of embracing all about the Healing and doing it – all being supported by the Divine Love that one may have received previously. All one may have done with the Divine Love may make their introduction into their real Healing, by using their feelings, much easier than it is for other spirits from the mind worlds who are at the same time having to wrestle with many of their old religious beliefs or mental programming, having to take on a whole new mind-set which one could see would take some of them years, whereas for someone who has been longing for and receiving Divine Love for some time it may be only a matter of weeks. This also applies to those living in the physical.

It is the Feeling Healing process that transforms one's soul towards perfection, towards the ability to fully express one's true personality as given to us by our Heavenly Parents, it is the Divine Love that then fits that transformed soul to be able to enter the Celestial Heavens.

**WE ALL ARE BEING GUIDED HOME:**

We need the Spirits of Truth of the Avonal Pair to Heal ourselves; then once Healed, (and for support (overshadowing) as well through your Healing), we need the Creator Pair, Mary Magdalene and Jesus’ Spirits of Truth to see us through the Celestial spheres, while at all times embracing our Heavenly Mother and Father.

Until Mary and Jesus died and liberated their Spirits of Truth, no one from any of the worlds could leave Nebadon, because no one knew the way to do so. Nebadon is our local universe containing some 3.8 million inhabited physical worlds and their associated spirit worlds.

When we embrace the truths Mary and Jesus are revealing, and start to do our Feeling Healing, or with Divine Love, Soul Healing, we are then freeing ourselves up from our parental and self control.

Thus our journey to Paradise, to the home of our Heavenly Parents, is of our choosing as to when we progress, however, there is only one way:

**HUM:** Humanity is to ascend. We are self contained. Our soul is always in truth and perfect at all times. **By living true to ourself, true to our feelings, we are living true to God. It’s that simple.**

We are to recognise that being engaged and dominated by our mind is the wrong way for us to evolve and grow in truth. We are to discard the mind enslavement that has been imposed upon as by all of our parents. We are to express our feelings, both good and bad and free ourselves of the indoctrination that humanity has embraced worldwide.

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God’s soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of our Mother and Father.

**AVO:** We are to embrace the truths and guidance of the Avonal Pair through their Spirits of Truth. It is the Avonal Pair’s guidance that will lead us through our Feeling Healing, and with Divine Love, we will be able to ascend through the 7 spirit Mansion Worlds and enter the Celestial Heavens where we also interact with other world’s spirits.

**J&M:** We are also to embrace the truths and guidance of the Paradise Pair, Mary and Jesus, who will then lead us through the 3 Celestial Heavens that are aligned with Earth, and then further on through Nebadon where we will then depart beyond on towards Paradise.

**M&F:** Beyond the universal zone of Nebadon, we will be guided by our Heavenly Mother and Father onwards through the universes to Paradise where we will be welcomed by them, home for us all, as we are all Children of God.

**HUM**

**WE ARE Children of God**

**WE ALL ARE BEING GUIDED HOME – NOW, HOW TO COMMENCE THE JOURNEY:**

**GOD**

**M&F**

For 200,000 years, we have been misled into embracing our mind's distortion of wisdom and truth. All such traditional understandings only lead us in the wrong direction, from which we must turn back from. Our soul based feelings are always in truth. Our minds are to follow our soul based truths and feelings, not the other way round, as we have been brought up to embrace.

We are to connect with our deeper repressed feelings.  
 We are to long for the truth of what we are feeling.  
 We are to live true to our selves; by living true to our feelings.

Use your surface day-to-day feelings to connect with your deeper repressed feelings. Express your surface feelings and your deeper repressed feelings to uncover the truth of yourself.

**J&M**

We all have feelings which we communicate and share with each other. And we all have deeper buried and hidden repressed feelings. Feelings from our early childhood we felt, yet weren't allowed to express. These feelings are still within us, waiting to have their say. These feelings, because they are repressed, cause us all our problems.

And as we look to uncover, bring out and accept these deeper feelings, so we're taken into new ways of looking at ourselves, our feelings, and our life. We're setting ourselves free of the controlling patterns that govern our unloving behaviour.

In this way, we progressively begin to express the personality that our Heavenly Mother and Father gave us, not the one imposed upon us by our physical parents and carers. We are to be our true and real selves.

**By living true to ourself, true to our feelings, we are living true to God. It's that simple.**

**AVO**

As we, humanity, long for the truth of our feelings, we can also be assisted by the Spirits of Truth of the Avonal Pair who are our spiritual teachers for Earth over this coming 1,000 years, to assist us through the Great U-Turn, away from mind dominance to being soul based feeling lead. They will assist us through the seven levels of the spirit Mansion Worlds.

**HUM**

Then the Creator Pair, Jesus and Mary, will lead us through Nebadon and into the greater universe. Then our Heavenly Mother and Father lead us home to Paradise.

**WE ARE Children of God**

Collectively, should we embrace them all, as we are to, then our pathway home is a journey in the hands of the Spirits of Truth of the Avonal and Paradise Pairs overseen by our Heavenly Parents.

## HOW TO GET TO PARADISE:

Long for the Divine Love  
 Long for the Truth  
 Long for the truth of your feelings  
 Don't deny any feelings: accept, express and want to know the truth of them  
 Know your feelings are the key; your feelings are the Way  
 Want to end your falseness and being untrue  
 Want to understand the truth of your early life  
 Use your surface feelings to move deeper into yourself, bringing up your repressed feelings  
 Want and long to know the whole truth of yourself  
 Want to do it all with God, your Heavenly Mother and Father – long to Them for help.

## The Key

Our longing drives our life. We long with feelings. We can wish for things using our mind, yet long for things with our heart. These things in the pyramid are what to long for. Longing for them, when the longing comes naturally. Longing because you feel you really want them. Long to be true with all your heart. Long to live true to your feelings. Long to understand the whole truth of yourself.

PARADISE TRINITY:

1. **Our MOTHER and FATHER (God) (MF) – Divine Love**  
SOUL (God) – One SOUL that is expressing its two PERSONALITIES, our Heavenly Mother and Heavenly Father (Soulmates)
2. **ETERNAL SON (ES) – Divine Truth**
3. **INFINITE DAUGHTER (ID) – Divine Mind**

Then: The Second and Third Persons of the Paradise Trinity (ES and ID) are stepped down to the local universe trinity (Mary and Jesus, Divine Minister (DM), and her Holy Spirit.

The LOCAL UNIVERSE TRINITY:

1. **MARY M and JESUS (MF) – Love – the Living Truth**
2. **DIVINE MINISTER (ID) – Mind (and her Holy Spirit)**
3. **HUMANITY – Natural love, sons and Daughters – Truth, and our Angels – Mind**

PLANETS that engage in REBELLION:

1. **AVONAL SOULMATE PAIR – the Feeling Healing process – incarnate**
2. **DAYNAL – TEACHER PAIRS – they do not incarnate**

So in summary:

Consider a diamond:

# Mother and Father Heavenly Parents

Creator Son & Daughter  
Jesus and Mary

Avonals  
as soulmate pairs

Trinity Teachers  
as soulmate pairs

Melchizedeks – who have taken over from the Caligastians and Daligastians being also all as soulmate pairs.

Mortal Souls – human beings who individualise on Earth, then progress through the spirit Mansion Worlds, then into the Celestial Heavens, and beyond.

Mortal Souls – also being ascending spirits, upon completing their Soul Healing, join with their soulmate, then join their soul group of 24 mortal spirits, being 12 soul pairs. It is only as a soulgroup that anyone can progress beyond Nebadon.

The Paradise Pairs are all ONLY concerned with the SPIRITUAL wellbeing and upliftment of the planets and local universe. Currently to do with Earth:

Mary and Jesus – spiritual wellbeing and upliftment of the whole of Nebadon region.

Avonal Pair – Daynal pairs (Trinity Teacher Daughters and Sons) – Spiritual wellbeing and upliftment of individual planets and their associated Mansion Worlds.

The Local universal Sons and Daughters are all about the running of the worlds under their jurisdiction, and ensuring the higher spiritual elements can be employed, or sent astray, as in our cases through the Rebellion and Default.

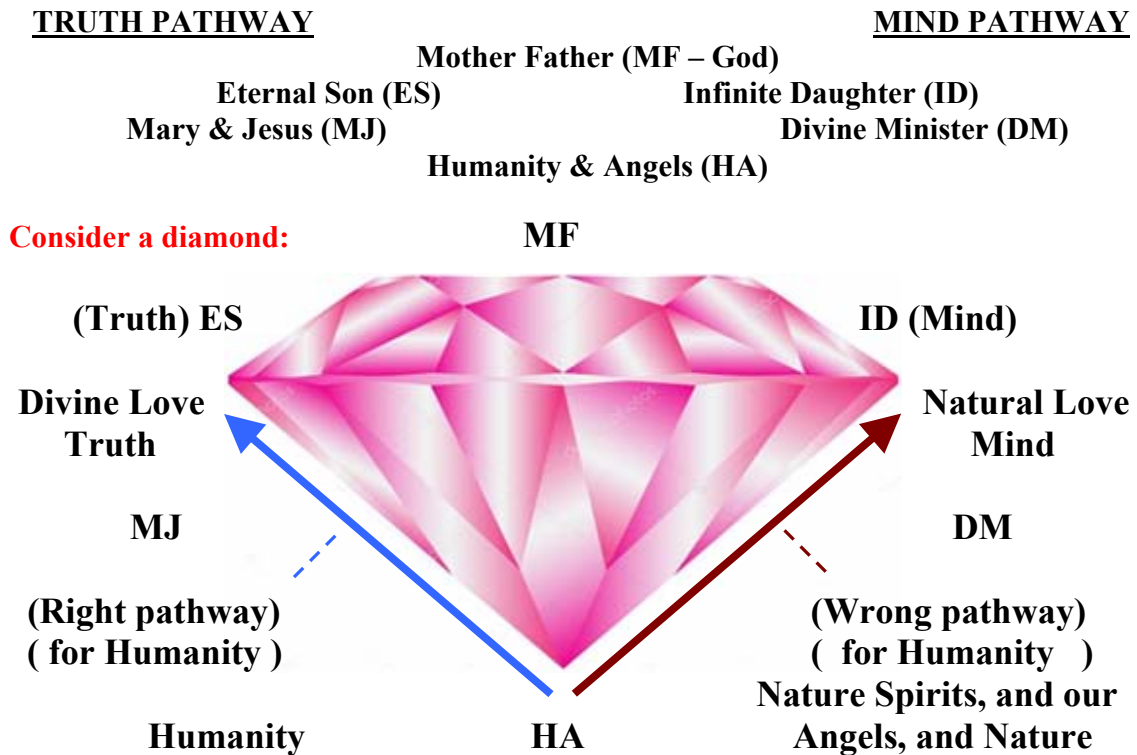

Lanonandeks – Melchizedeks (and others, such as Life Carriers and Eve and Adam).

As the Lanonandeks all rebelled – the Lucifers, Satans, Caligastias and Daligastias soulmate pairs – so the Melchizedeks have taken over their roles, as well as doing their own.

So the Melchizedeks are the governors, overseers, the administrators and advisors and so on for Earth; they are the ‘controllers’, and they will instigate all that needs to be done to do with the ending of the Rebellion and Default. And they will enlist the willing help of ascending mortal pairs, so the mortal Celestials spirits (soulmates when available, and others waiting to unite with their partner), and at times mortal spirits in the Divine Love Healing Mansion Worlds. And the angels help all of us.

Currently the whole of Creation exists for the ascension of mortal souls from their earth planets to Paradise. It’s all one vast Grand Ascension Scheme. With all the higher and lower spiritual Daughters and Sons, together with all the many different angels and other universal spirit personalities, and even including nature and our very own pets, assisting women and men with their Ascension Journey. It being: and Ascension of Truth. Everything we do is done to help us grow in truth. (Only everything we do in our negative state is to deny ourselves our truth from our feelings, which is why we have to do our Healing.) All women and men are ascending (or growing) in truth through their experiences. And as we grow in truth by looking to our feelings to show us that truth, so we’re ascending, moving inwards and upwards through all the worlds and spheres of the Grand Universe to one day arrive on Paradise and meet our Heavenly Parents. God is providing us, Their children, with this spiritual journey called our Ascension of Truth. And by living true to our feelings, so we are progressing on our true Spiritual Path – our Ascension Path.

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God’s soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of your Mother and Father.

**Humanity** is to pursue the pathway for Truth through one’s soul based feelings, this is the right pathway. However, humanity commences its journey founded on natural love, which we now know is to be perfected through one’s Feeling Healing process and then made divine through asking for and receiving our Heavenly Parents’ Divine Love.

For 200,000 years, **humanity** has pursued the pathway of the Mind, being that of the brain, this is the wrong pathway. The Mind is the pathway for Angels and that of all of Nature.

**CREATION of SOUL and SPIRIT:**

God is *The Paradise Trinity* — the eternal Deity union of the Personalities: the Universal Mother and Father; the Eternal Son of Truth; and the Infinite Daughter Spirit of Mind.

The soul of each human personality (sons and daughters of truth) is existential, driving our personality expression in the experiential. The soul of each human finds truth by embracing one’s feelings and longing for the truth of them. We are to attain the Eternal Son of Truth. We are a creation of Truth.

Feeling Pathway

The soul of angels is experiential, evolving through their experience by continually progressing in mind development. Angels are to attain the Infinite Daughter (Spirit) of Mind. Angels are a creation of Mind. Our soul is duplex (we have a soulmate) and is created by our Heavenly Parents. Through our Feeling Healing we perfect ourselves enabling the union with our soulmate, as we progress in truth up through the Mansion Worlds, celestial heavens and all the way to Paradise.

Soulmate Pair

Angel

The soul of angels is also duplex, yet of the mind, and they progress in mind evolution to Paradise. Animals, plants and nature spirits are also creations of Mind.

Spirit Person

Nature Spirit

Neither we nor animals reincarnate. We never die; upon death, we move into the spirit Mansion Worlds on our journey to Paradise. When animals and plants die, be they the tiny microbe to the mighty elephants of the land and the whales of the ocean, their spirit energy returns to the Spirit Collective

Energy. And from this energy are drawn other animals and the nature spirits, who then in turn move onto becoming angels through increasing mind experience.

A nature spirit is an angel in waiting.

SPIRIT MANSION WORLDS are numbered 1 to 7:

To PARADISE, the HOME of OUR HEAVENLY PARENTS

Spirit Mansion Worlds are those 1 – 7. They with the Celestial Heaven spheres numbered 8, 9, 10 as well as the 2 Spheres of Disharmony are all within the Earth’s environment, and rather close by. Each sphere can accommodate more than 100 times the people than Earth may do.

Progression from the top Celestial Heaven sphere is to the Eternal Spheres, Infinite and Universal and further onwards to Paradise.

Celestial Heaven spheres 8, 9, 10 are often referred to as 1, 2, and 3 of Celestial Heaven.

Natural Love sphere progression stops at sphere 6. With only the natural love, progression is through spheres 1, 2, 4, and 6 only.

One can embrace Divine Love at any time and move to DL sphere 3 and continue.

The Divine Love spheres 3, 5, 7, 8, 9, and 10 were opened by Jesus.

On death of the physical body we all arrive in the 1<sup>st</sup> Natural Love sphere.

The 2 Planes of Disharmony are the hells. While one desires to cause harm to others, isolation is applied. Once the Law of Compensation is completed then one can then progress and return to the 1<sup>st</sup> Natural Love sphere and continue in their progression onto higher spheres.

Earth is for the individualisation of souls being the commencements of one’s journey home toward the Source Soul.

The Pre-Incarnational Sphere is the waiting area for souls to be individualised / incarnated.

There are seven Earth planes around Earth, which are separate from the Mansion Worlds, but we only have access to two of them, which include the ‘hells’. Each of the Mansion Worlds also have their own seven planes ‘around’ them.

Note: The 1<sup>st</sup> Divine Love Sphere and the 1<sup>st</sup> Sphere of Disharmony may simply be planes within the 1<sup>st</sup> Natural Love Spirit World.

We start our journey from the Pre-Incarnational Sphere. The Pre-Incarnational Sphere is within close proximity of Earth. It is where souls await their opportunity to incarnate. As a soul half is attracted to a viable embryo to individualise, the other half of the soul will then follow on the journey, typically within a few years or so. Never do the two halves go to the same family. Always the two halves go to viable embryos of the opposite sex even though the soul does not know sexuality. The number of complete souls that were originally created may have numbered around five hundred billion which will result in around one trillion individualising souls over a very long period of Earth years.

**PRE-INCARNATIONAL SPHERE is invisible to all spirits as are the souls thereon also invisible. Divine Love is not available on the pre-incarnational sphere.**

The spirit worlds that we then progress into upon leaving our physical body behind appear to be within our own local solar system. These include the natural love spheres 1, 2, 4, and 6. The three spheres of disharmony are close to the 1<sup>st</sup> natural love sphere. For those who live a disharmonious life, that is, cause harm to others, these people in spirit form will experience time in the spheres of disharmony until they become aware of love and how to live life in love with others. Should you embrace Divine Love then you will progress through spheres 3, 5 and 7 until you become at one with God, that is, the magnetism of your soul will create a permanent link with the Spirit who conveys Divine Love into your soul.

When you become at one with God, **“Except a man be born again, he cannot enter into the Kingdom of God,”** one proceeds to the Celestial Heavens within the central regions of our super-universe. The Celestial Heavens contain the worlds with many mansions.

Then one can progress to the Eternal Spheres and from there to the Spheres of Paradise being the region of residence of the Father. This region is the central zone inside the circle of the seven super universes.

**SOUL, SPIRIT BODY and PERSONALITY remain TOGETHER – FOREVER!**

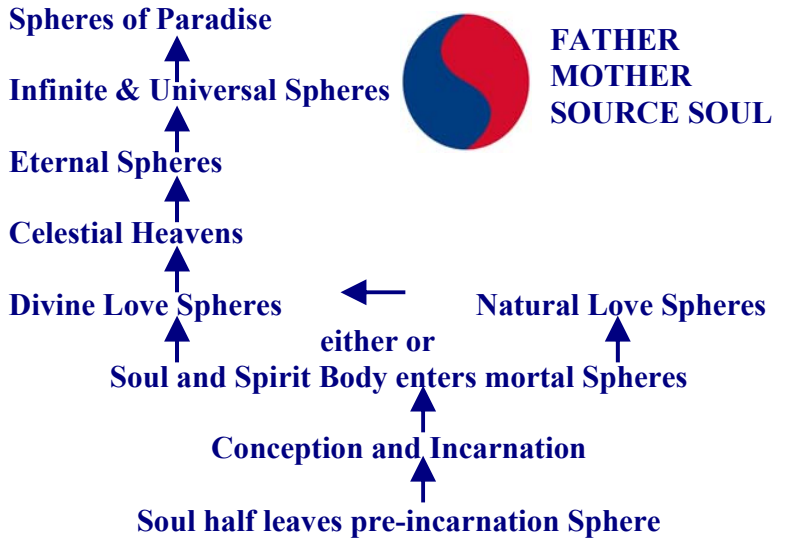

Natural love and Divine Love are as two loves.

Soul, Spirit Body, Personality stay together.

**Ascension Pathway:**

Our soul remains for ever attached to the spirit body and the personality, these two being created at the time of conception / incarnation. As our soul is imbedded within the spirit body and both having this unique personality, it is impossible to go through the incarnation process again. We never reincarnate.

We are born with natural love, until we ask for and receive Divine Love there is nothing of the Divine within us. When we add Divine Love to our being, only then do we become a complete being. Without Divine Love and Feeling Healing, we are finite, in as much as that while we continue in only our natural love we can only become the perfect man and that restricts our progression to the limits of the 6<sup>th</sup> natural sphere being the mortal domain of man.

**Our Heavenly Parents simply desire for us to ask for Their Love.**

**“Mother and Father, open my soul to this Gift, Your Love. Open my soul and may Your Holy Spirit touch my soul and pour within it your essence, your Love that I may be transformed, that I might be your true child, embraced and carried, lit along my life’s path in the glory of your Light and care and protection.”**

As we progress through the spirit worlds we will advance, plane by plane, then sphere by sphere, towards the Source Soul, our Father.

Most of the stars in the sky have inhabitable planets within their environment. Those inhabitable planets that are populated have identical progression pathways as we humans do here on Earth.

### **Pascas Care – Spheres 1 to Infinity**

#### **The FIRST NATURAL LOVE SPHERE:**

- a. **Blankets Earth.**
- b. **The first Sphere is like this surrounding the orbit of Earth around the Sun.**
- c. **The first natural love sphere is massive. Should all the souls that have been individualised (incarnated) remain within the 1<sup>st</sup> natural love sphere, then there is more than sufficient capabilities for them to be accommodated.**

**JOURNEY HOME to OUR HEAVENLY PARENTS:**

As we learn to grow in love and love our Mother and Father, we will progressively move through the super-universe, into the eternal spheres and then to the Isle of Paradise, our destination is to be near our Parents.

Asking for and receiving Divine Love enables us to enter and progress from the Divine Love spirit world (orange) then to the Celestial Heavens (red) then to Eternal Spheres (ruby) then Infinite & Universal (blue) then to Isles of Paradise (purple) then to the Super Grand Sphere being our ultimate home.

Pre-incarnational sphere is close to Earth as is the 1<sup>st</sup> natural love sphere.

Progression with Divine Love is to infinity.

Progression with only natural love peaks at the 6<sup>th</sup> spirit sphere.

We separate from our physical body and proceed to the 1<sup>st</sup> natural love sphere. If our soul condition is poor then we proceed to one of the 2 dark Planes of Disharmony to commence our development of love.

Note: The 1<sup>st</sup> Divine Love Sphere and the 1<sup>st</sup> Sphere of Disharmony may simply be planes within the 1<sup>st</sup> Natural Love Spirit World.

**OUR JOURNEY:** From Earth's spirit spheres, to the Celestial Heavens, then to the Eternal Spheres, and then home to the Isle of Paradise.

Spirit spheres 1 – 7 (Mansion Worlds) may be within Earth's solar system, each sphere connecting to the next, including the 2 dark spheres being planes of Earth. The 3 Celestial Heaven spheres maybe close to Jerusalem and isolated for us humans.

Eternal Spheres, 3 progressive spheres, and the Infinite and Universal Spheres interact through out the super universe.

Spheres of Paradise also contain 3 major progression spheres and these are located within the region that circulates around the Super Grand Sphere.

From the 3 progression spheres within the Isle of Paradise, then to the Super Grand Sphere that surrounds the Mother and Father's Sphere and Soul of our Parents. At this point we have arrived Home!

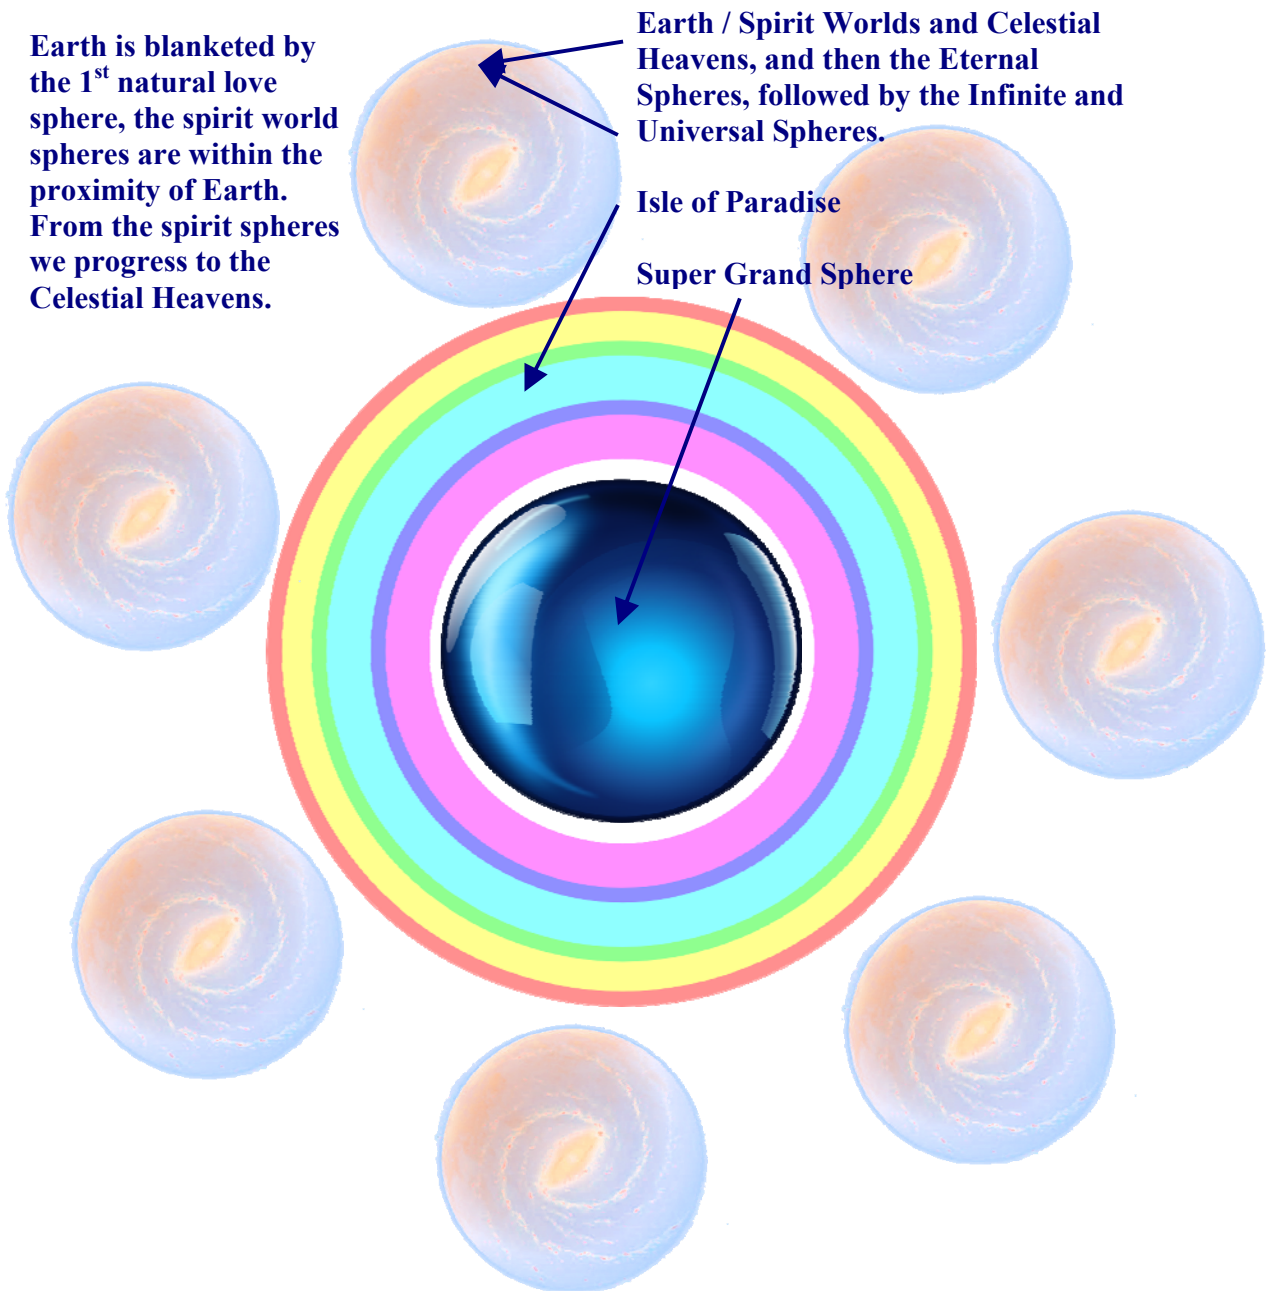

**OUR JOURNEY towards the CENTRE:**

**Earth is one of the youngest inhabited planets on the outer edge of the youngest of the seven super-universes. From the spirit worlds, we progress to the spheres of many mansions, being the Celestial Heavens. From there we progress to the Eternal spheres which is nearer to the centre of our super-universe which in turn circulates around the Isle of Paradise. The Super Grand Sphere remains stationery and is the home of the Source Soul, our Father.**

**Our progression is always towards the centre.**

**Earth is blanketed by the 1<sup>st</sup> natural love sphere, the spirit world spheres are within the proximity of Earth. From the spirit spheres we progress to the Celestial Heavens.**

**BOOK of TRUTHS containing the PADGETT MESSAGES: by Joseph Babinsky**

I am here, Jesus -

15 May 1917

I have described the way to the kingdom of God on Earth and in the spirit world, and now I will describe the only way to the *Kingdom of God in the Celestial Heavens*. As I have written before, when man was created, in addition to having bestowed upon him those things that made him the perfect man and in harmony with the laws and will of the Father, he also bestowed upon him the potentiality or privilege of receiving the Divine Love, provided he should seek for it in the only way that God had planned for its attainment. But instead of embracing this great privilege, man became disobedient and sought to exercise his own will, and did so in that manner that led not only to his fall from the condition and the condition of the perfect manhood in which God had created him, but also to the loss of the great privilege of receiving this Divine Love, which privilege was never rebestowed upon him until my coming and teaching that rebestowal and the true way to obtain this love.

Now, here it had better be understood what this Divine Love was and is, for it is the same today that it was when man was created in the image of God. This love differs from the natural love of man (with which he was endowed when created and which belongs to all men and which they all possess in a more or less perfect condition) in this: The Divine Love is that love which belongs to or is a part of God, possessing His nature and composed of His substance, and which when possessed by man to a sufficient degree, makes him divine and of the nature of God. This great love God intended should be received and possessed by all men who should desire to receive it and who would make the effort to obtain it. It is the love that contains in itself the divine (which the natural love does not).

Many, I know, write and believe that all men, irrespective of the kind of love they have in their souls, possess what they call "the divine spark," which needs only the proper development to make all men divine. But this conception of the state of man in his natural condition is all wrong, for man has not in him any part of the divine, and never can have, unless he receives and has developed in him, this Divine Love. In all God's universe and creation of things material and spiritual, the only one of His creatures who can possibly have within him anything of a divine nature is he who possesses this Divine Love.

The bestowal of this love was intended, in its operation and effect, to transform man from the merely perfect man into the *divine angel*, and thus create a *Kingdom of God* in the Celestial spheres, where only that which is divine can enter and find a habitation. And you must understand that as it depends very largely upon man himself, to establish the Kingdom of God on Earth or in the spiritual world, so it also depends largely on man to establish the Kingdom in the Celestial heavens. God will not and does not by any power that He may have establish this Divine Kingdom; and if man had never received this Divine Love into his soul, there never would have been any such Kingdom brought into existence.

There is now a Kingdom in the Celestial sphere, but not a finished one; for it is still open and in the process of formation, and is open to the entry of all spirits – and men must seek for it in the

only way that the Father has provided. And no man or spirit will be excluded from it who, with all the longings of his soul, will aspire to enter that Kingdom.

I must also state that the time will come when this Celestial Kingdom will be completed (but not for a very long time), and thereafter neither spirit nor man will be able to enter therein. This Divine Love of the Father will again be withdrawn from man, as it was from the first parents, and the only kingdom that will then be accessible to man will be the kingdom that will exist on Earth or that which now exists in the spirit world (natural love spheres).

Then what is the way that leads to this Celestial Kingdom – the only way? There is but one.

The observance of the moral precepts and the cleansing of men's souls from sin by following these precepts, will not lead to this Kingdom. As it can be readily seen, the stream can rise no higher than its source, and the source of the souls of men in a merely purified state, is the condition of the perfect man (that condition in which he was before his fall). And hence the results of the observance and living of the merely moral precepts and the exercise of the natural love in its pure state is, that man will be restored to the condition of the perfect man – the created man in whom there is nothing of the divine. But this restored condition of man will be so perfect and so in harmony with God's will and His laws governing the highest and most perfect of His creatures, that man will be very happy. Yet, he will continue to be only the created being, having nothing more than the image of his Maker. So I say, living in a harmony with the moral laws and the exercise of this natural love in its highest and purest state towards God and towards his fellow man, will not lead into the way to the Celestial Kingdom, but the greatest height of his attainment will be the kingdom on Earth or that in the spirit heavens.

And the distinct and differing nature of these kingdoms from that of the Celestial Heavens will enable mankind to understand the difference between the missions of the great teachers and reformers who preceded me in their work among men, and the mission which I was selected to perform on Earth. The former could not possibly have taught the way to the Celestial Kingdom, for until my coming, this Divine Love of which I write was not possible for man to obtain. The privilege was not, before that time in existence, after the first parents lost it, and there was no Celestial Kingdom in which men could find their eternal home.

So I repeat, all the moral teachings of the world's history could not show the way to the Celestial Kingdom of God, and cannot now, for morality, as understood and taught by mankind and by the spirits and angels, cannot give to man that which is absolutely necessary in order to transform his soul into that state or condition that fits him for an entrance into this truly Divine Kingdom of the Father.

The way thereto is simple and single and men were taught that way by me when I was on Earth, and could have been taught that way during all the centuries since I left the human life. And I must say that some have been so taught and have found that way, but comparatively few, for the mortals whose ostensible and claimed mission and privilege were to teach that way (I mean the priests and preachers and churches) have neglected to teach the same; but rather, though in earnestness and realizing their allegiance to God and their obligations to mankind, have taught merely the way which the observance of the moral precepts would lead men into.

And all this, notwithstanding, that in the Bible, which most of those professing to be Christians believe contains my sayings and teachings, is set forth this way to the Celestial Kingdom. The words are few and the way is plain, and no mystery prevents men from comprehending the meaning thereof. When I said, "Except a man be born again, he cannot enter into the Kingdom of God," I disclosed the only and true way to this Kingdom. During my time on Earth there were some who understood this great truth, and since that time, there have been some who not only understood this truth, but found the way and followed it until they reached the goal and are now inhabitants of this kingdom. But the vast majorities of men – priests, teachers and people – has never understood and have never sought to find the way. This great truth to their spiritual senses has been, as it were, a hidden thing. And as they read or even recite the same to their hearers it has no special significance, but is merely as one of the moral precepts, such as "Love your neighbour as yourself," and with not as much importance attached to it as to some of these moral instructions. And so, all down the ages since the great Kingdom has been waiting for men, they, though in all sincerity and in love towards God, have sought for and to a greater or lesser extent, found only the kingdom of the perfect man, and have neglected to seek for and missed the Kingdom of the divine angel.

Then, as I have said, this Divine Love of the Father, when possessed by the soul of man, makes him in his substance and essence divine like unto the divinity of the Father, and only such souls constitute and inhabit the Celestial or Divine Kingdom of God. And this being so, it must be readily seen that the only way to the Celestial Kingdom is that which leads to the obtaining of this Divine Love – which means the new birth – and which new birth is brought about by the flowing into the souls of men this Divine Love; whereby the very nature and substance of the Father, and wherefrom, men cease to be the merely created beings, but become the souls of men born into the divine reality of God.

Then the only way to the Celestial Kingdom being by the new birth, and that birth being brought to men only by the inflowing and working of this Divine Love, and whether or not a man shall experience this birth depending in its initiative on the man himself, the question arises how or in what way can a man obtain this Divine Love and this new birth – and the Celestial Kingdom.

The way is so easy and simple, it may be that men will doubt the truth of my explanation, and continue to believe and place all their hopes upon the doctrines of the vicarious atonement (the washing of the blood, my sufferings on the cross and bearing all the sins of the world, and my resurrection from the dead), doctrines as harmful to the salvation of mankind as they are without truth or foundation in fact or effect.

*The only way then is simply this:* that man shall believe with all the sincerity of their minds and souls that this great love of the Father is waiting to be bestowed upon each and all of them, and that when they come to the Father in faith and earnest aspirations, this love will not be withheld from them. And in addition to this belief, men shall desire (pray) with all the earnestness and longings of their souls that He open up their souls to the inflowing of this love, and that then may come to them the holy spirit to bring this love into their souls in such abundance that their souls may be transformed into the very essence of the Father's love.

The man who will thus believe and pray will never be disappointed, and the way to the Kingdom will be his as certainly as that the sun shines day by day upon the just and the unjust alike. No mediator is needed, nor are the prayers or ceremonies of priests or preachers, for God comes to man, Himself, and hears his prayers and responds thereto by sending the Comforter (Holy Spirit), which is the Father's Messenger for conveying into the souls of men this great Divine Love.

I have thus explained the only way to the Celestial Kingdom of God and to the divine nature in love. And there is no other way whereby it is possible to reach this Kingdom and the certain knowledge of immortality.

So, I implore men to meditate on these great truths, and in meditating believe, and when believing, pray to the Father for the inflowing into their souls of this Divine Love, and in doing so they will experience belief, faith and possession and ownership of that which can never be taken from them – no, not in all eternity.

And so it is with man to choose and fix his destiny. Will that destiny be the perfect man or the *divine angel*?

I have finished and feel that you have received my message as I intended, and am pleased. I will not write more now, and with my love and blessings, will say goodnight.

*Your brother and friend – Jesus*

**Note:** Following the writings of James Moncrief, one could consider that any reference to the Father, by other relevant writers, may be read as a reference to 'our Mother and Father'. Further, when considering soul healing, then reference to Divine Love could be referred to as 'Feeling Healing with Divine Love'.

21 Jun 1917

When the soul of a mortal prays in earnestness and with true longings, all the powers of all the spirits in the spiritual or Celestial Heavens cannot prevent that Love from responding to the prayers, and from making the longing soul free and at one, to a degree, with the Father.

**The BEAUTIFUL MIRACLE:**

5 Oct 2012

**The DIVINE UNIVERSE**

The way in which the Spirit conveys the Divine Love into the soul is a beautiful miracle. The attribute of mortal soul prior to incarnation has to it, a potential within it that is part of its formed nature. After the soul incarnates this potential remains part of the soul and even if the forming personality is unaware of such a soul potential, the potential still exists. The Divine Love is entirely suitable in its energy of harmony to be the energy that a mortal soul can utilise. The Spirit covers the spirit body when the individual sincerely asks the Soul of God for the Divine Love and this covering of the spirit body is where the dynamic of this beautiful miracle takes place. From the internal longing of the individual for the Divine Love this activates the Spirit Law that activates the Spirit that is then attracted to the spirit body upon which the Spirit material of the spirit body draws the Divine Love in to its soul and this union complete. The key here is to gain a perceptive insight into realising that the spirit body is not an inert body but that it is living and has activity, recognisable from its first forming from the Spirit Law that materialises a spirit body. The Spirit and the spirit body to give an analogy are like two attracting magnets and when the surface of the spirit body is touched by the Spirit, this causes the automatic response of the Divine Love to permeate into the attribute of soul and so begins the transformation of energy from the natural into the Immortal Divine Harmony. If the individual continues the receipt of Divine Love the energy that is Divine Love actively begins to change the soul and this is felt in the spirit body systems and can produce feelings of love and elation. The spirit-mind begins to change as all spirit body systems are affected by the changed condition now experienced in the soul as the soul becomes living and vital. In one's progression of this Divine transformation, the soul will mature enough from the amount of Divine energy it receives and at that moment the surface of the spirit body and the Spirit are continuously attracted to each other and one is living in the presence of our Mother and Father in perfect harmony and this clarifies the truth about what it means to be truly at-one with God.

It is I Matthew, a teacher of the Divine Love. I have communicated with you recently, now I desire to provide you with a visual description of the Love.

Imagine a continuous Energy shining light blue that is unbroken with a seamless surface that surround every mortal and Immortal spirit. Imagine if you were to become aware that this energetic field of light-blue Energy existed in its shining radiance just near where you are. Now that you are aware that this unbroken Divine Love is unified energetic field of living Love, by opening toward the Soul of God and aspiring for the Divine Love, the Acting Spirit gently brings a small portion of this shining blue Energy into your soul

The Divine Love that you have received remains part of this great Energy that the Divine Love is and even though this small portion of Divine Love, now within your soul, in its shining radiance and energetic cause, it is never separated from the continuous energetic field of Energy that the Divine Love is. Having partaken of this Energy it is with perception that one is aware that the Divine Love within one's soul is the same Divine Love that every person and spirit who has partaken of this Love, participates with. Even though in our individuality we partake of this Divine Energy, this Love is never broken away from the Source and Origin from which this Divine Love emanates.

The Divine Love is bestowed into our finite soul by the Acting Spirit, but this Spirit remains in contact with our spirit body and does not enter the finite soul to become part of our finite soul essence that we are. No mortal or Immortal spirit can manifest in their soul the Acting Spirit so that this Spirit – this Holy Spirit – becomes part of our existing finite spirit body. Only the Divine Love and its Energy becomes part of our finite soul, which causes the change to our spirit body. The Acting Spirit always remains its own attribute and never does a Celestial spirit claim ownership or take possession of the Acting Spirit within their soul. (The Holy Spirit / Acting Spirit is an instrument of the Source Soul, our Father.)

This is one of the wonderful Truths by which we who have been transformed by the Divine Love understand our personal relationship with our Mother and Father's ever-present Acting Spirit. The shining Energy of Divine Love is all around us and when we have partaken of this Love, part of our finite nature becomes independently shining in this true perfect Love.

I provide these words that may appeal to those who are visual and to express the universal appearance of the Divine Love and the personal touch when in contact with the Acting Spirit.

Matthew

**Whilst we are receiving the Mother and Father's Divine Love, and that this Love is causing change within our soul and spirit attributes, the greatest Truth known to man and spirit is that this is the way our Mother and Father are actually loving us! When we progress, it is our Celestial Parents' way of loving us into love and then we live what we are, love.**

### **DIVINE LOVE – what does it do?**

The divine gift from asking for and receiving Divine Love will steadily, but with certainty, raise one's quality of life and also of all those around such a person who is seeking and receiving this love.

The receiving of Divine Love, which is a substance, with certainty, progressively:

- Raises one's love for those around them, whilst embracing one's Feeling Healing.
- Raises one's perception of all things – naturally grows one's intelligence – soul intelligence.
- Enables one to feel and resolve negative emotional issues more readily during Feeling Healing.
- Humility becomes self evident. Humility enables one to feel their errors and emotions.
- Divine Love strengthens one's resolve to express errors, emotional injuries and untruths.
- Divine Love with Feeling Healing to remove emotional errors, enhances one's health.
- Divine Love enables one to become more childlike – not adult serious at all times.
- Divine Love raises one's capability of feeling – no longer needing to be mind controlling.
- By becoming feeling orientated, one no longer is mind / intellectually dominated.
- The strength to fight and overcome sin and error is strengthened through the Divine Love.
- The Law of Compensation process is more resolved by Feeling Healing with Divine Love.
- Receipt of Divine Love grows one's faith, beliefs become faith and then knowing.
- As our faith grows our intensity to ask and then receive Divine Love grows.
- We begin to follow our passions and desires, no longer fear and mind driven.
- Truth being told at all times then progressively becomes a way of life.
- Our quality of life blossoms, our finances and relationships prosper.
- Man creates his own environment, seeking Divine Love can vastly improve one's environment.
- Health carers receiving Divine Love enhance healing outcomes beyond comprehension.
- Receiving Divine Love may assist in bringing a struggling marriage back into harmony.
- You progressively become dependent upon our Heavenly Parents, not self dependent.
- Personal growth in love directly assists the soul condition growth of one's children.
- Divine Love assists one's rate of soul condition to progress whilst embracing Feeling Healing.
- Divine Love is a substance that changes the human soul to that of the Divine.
- Without Divine Love, one cannot progress into the Celestial Spheres (8<sup>th</sup> sphere and higher).
- Divine Love, with Feeling Healing, enables everlasting Love and Life in the Celestial Heavens.

“The Law of Compensation doesn't operate on isolated actions, but on the overall condition of people's souls, because the deeds are the consequence of this condition. Our behaviour is the reflection of our souls. Never see isolated deeds, always see souls whose condition leads to certain deeds. It is the soul condition which determines the motive and consequently the action. It is our lack of trust in God, this ultimate and definitive trust, which only soul development may give us. This lack is why we suffer.”

**DIVINE LOVE:**

<http://www.fcdt.org/divinelove.htm>

The words "Divine Love" have been used in many contexts to convey different meanings. But in the context of our Heavenly Father, Divine Love is the greatest gift in all the universe. It transcends all else that can assist humankind fulfil their dreams of happiness and have them resolved within themselves. God's Divine Love is the one thing in all of God's infinite universe that can bring about eternal life and everlasting happiness in the Celestial Kingdom.

***What is Divine Love?***

The Divine Love differs from the natural love of man with which he was endowed when created, which belongs to all humans, and which they all possess in a more or less perfect condition in this: that the Divine Love is that Love which belongs to or is a part of God, possessing His Nature and composed of His Substance, and which, when possessed by a human soul to a sufficient degree, makes him divine and of the nature of God.

***What is the New Birth?***

The New Birth is simply the effect of the flowing of this Divine Love of our Heavenly Parents into the soul of a man and the disappearing of everything that tends to sin and error. As the Divine Love takes possession of the soul, sin and error disappear. It, the soul, becomes of a quality like the Great Soul of the Mother and Father. And with the Soul of the Mother and Father being Divine and immortal in Its quality of Love, so, when the soul of man becomes possessed of this quality of Love, the soul being the man, this soul becomes divine also. Then, the image becomes the substance; the mortal becomes the immortal; and the soul of man, as to love and hope, becomes a part of the Mother and Father's Divinity.

***How does one receive the Divine Love?***

The only way is simply this: that men shall believe with all the sincerity of their minds and souls that this great Love of the Mother and Father is waiting to be bestowed upon each and all of them; and that when they come to the Father in faith and earnest aspirations, this Love will not be withholden from them. And, in addition to this belief, that they pray with all the earnestness and longings of their souls that the Mother and Father will open up their souls to the inflowing of this Love, and that then may come the Holy Spirit to them to bring this Love into their souls in such abundance that their souls may be transformed into the very Essence of the Mother and Father's Love. The soul who will thus believe and pray will never be disappointed, and the Way to the Kingdom will be his as certainly as that the sun shines by day upon the just and unjust alike.

***Take the test.***

Too often we are told to believe something based on what we are told. You don't have to "believe" anymore. Now you can have physical proof of the existence of God and His Love for you?

*"test my teachings that the Mother and Father's Love was now available, and pray for it to our Parents in earnest prayer, and see whether, if this was done in sincerity, the Mother and Father's Love, conveyed through the Holy Spirit, would burn and glow in the soul, by which sign they would realize His Love was present therein." – Jesus*

Take it to heart – earnestly pray for God's Divine Love and feel the glowing of His Love in your soul. Jesus gave us the Prayer for Divine Love to help us in our prayers to our Mother and Father.

**Note:** Following the writings of James Moncrief, one could consider that any reference to the Father, by other relevant writers, may be read as a reference to 'our Mother and Father'. Further, when considering soul healing, then reference to Divine Love could be referred to as 'Feeling Healing with Divine Love'.

Let your prayer be as follows:

**Our Father, who art in heaven, we recognize that You are all Holy and loving and merciful, and that we are Your children, and not the subservient, sinful and depraved creatures that our teachers of old would have us believe. That we are the greatest of Your creation, and the most wonderful of all Your handiworks, and the objects of Your great soul's love and Tenderest care.**

**That Your will is that we become at one with You, and partake of Your great love which You have bestowed upon us through Your mercy and desire that we become, in truth, Your children, through love, and not through the sacrifice and death of any one of Your creatures.**

**We pray that You will open up our souls to the inflowing of Your love, and that then may come Your Holy Spirit to bring into our souls this, Your love in great abundance, until our souls shall be transformed into the very essence of Yourself; and that there may come to us faith--such faith as will cause us to realize that we are truly Your children and one with You in very substance and not in image only.**

**Let us have such faith as will cause us to know that You are our Father, and the bestower of every good and perfect gift, and that only we, ourselves, can prevent Your love changing us from the mortal to the immortal.**

**Let us never cease to realize that Your love is waiting for each and all of us, and that when we come to You, in faith and earnest aspiration, Your love will never be with-held from us.**

**Keep us in the shadow of Your love every hour and moment of our lives, and help us to overcome all temptations of the flesh, and the influence of the powers of the evil ones, which so constantly surround us and endeavour to turn our thoughts away from You to the pleasures and allurements of this world.**

**We thank You for Your love and the privilege of receiving it, and we believe that You are our Father --the loving Father who smiles upon us in our weakness, and is always ready to help us and take us to Your arms of love.**

**We pray this with all the earnestness and longings of our souls, and trusting in Your love, give You all the glory and honour and love that our finite souls can give.**

**Amen**

Note: The 'false teachers' are our parents, as they are also the 'evil ones'.

**Maybe we should simply ask:**

*Please, Mother and Father, I want some more!*

Long and pray for Divine Love and it, together with Feeling Healing, will loosen the errors / injuries / unhealed / denied trapped and/or inherited emotions, resulting in a flowing out of these negative embellishments within one's soul as Divine Love flows in – Divine Love being the greatest gift in all the universe.

## **STORYTELLING:**

21 February 2014

All progression, I feel, is based on asking good questions. It is the foundation that we never grow too old to acknowledge or outgrow and to do.

The very first thought that popped into my head regarding children is the word "storytelling".

The young children learn best when they read and hear stories told. We, in the Divine Love Community and elsewhere, need good storytellers ... engaging our imagination to form stories that teach young children to dream and envision who they are as precious children of the Father.

Some years before I consciously knew of the Divine Love and how it will (if we allow it) to change and transform our soul, I was telling stories to my two young children. Later I retrieved some of these stories from memory and wrote them and created a book called "The Magical Dream Forest". I gave this book a sub-title: *Stories of Strength and Courage for Children*. This little book is still available [here](#), or as a [Kindle eBook](#). Divine Love, of course, is not mentioned, but I feel it is still a good foundation toward the subject of what the Divine Love will do in the life of a child. Maybe some day I or someone else will re-work it into something more specifically related to the Divine Love.

Remember the word "storyteller" when you consider how to present the subject of the Divine Love to children, yours or others.

With much love,

Joseph Babinsky (publisher of Book of Truths which contains the Padgett Messages)

### LIFE, LIGHT, LOVE:

Doctor Viv (Vivian Rider) just published a beautiful book geared for young children to help them feel wonderful about Life and its meaning. It is entitled: *'Life, Light, Love'*.

Life, Light, Love by Vivian Rider. ISBN 978-0-9741829-3-3

“People wonder about the meaning of life.  
The meaning of life is Love.  
Life on Earth is the beginning.”

She also has the book cover illustration there if anybody would like to see an example of these gorgeous full colour paintings found throughout the book's pages. [http://lifelightlove1111.blogspot.com.a ... truth.html](http://lifelightlove1111.blogspot.com.a...truth.html) The cost is US\$15, plus shipping. At this time the book can be bought directly from Doctor Vivian [vivianraerider@gmail.com](mailto:vivianraerider@gmail.com).

Everyone has a spark of God inside them (but not part of their soul). We are all connected.

The purpose of our first life, on Earth, is for our souls to grow by learning to love and care for each other.

We are eternal beings.

God loves us more than we can understand, but someday we will.

The meaning of life is Love.

Maybe it sounds presumptuous of me to say that I know the meaning of life so authoritatively. I don't want to turn people off by this, but it's the truth and so it's what I'm going to say.

*Life, Light, Love* is my fourth children's book. I have found that I love writing and illustrating books, but I hate the business part of selling them. I didn't think I would write any more, but I began to reconsider when I read this message about two years ago:

***"There is a great need for new children's literature that can aid them in understanding universal truth and if you are so gifted in the craft of writing and illustrating children's books and media, I admonish you to take up this work."*** (Received by Chris from Ophelius, November 18, 2011)

I started playing around with the idea of illustrating another book with quilts, like I did in *Thank You for Giraffes*. That didn't go very well. Then I asked a couple of friends of mine if they could paint the

### **PLANT the SEEDS of TRUTH:**

illustrations, but they didn't have the time. I put the idea on the back burner, and then in July of this year, I read this message:

***"Now is the time for you to apply what you have learned by using your co-creative powers of self will, and the universe energy of love to make this world a little brighter place in which to live. . . . Today is the day, my friends, to begin, and it does not have to be in a big way, but it requires that you take the first step, and by doing so, we (spirit) will take a step right alongside you and support your endeavours. . . . Use that creative imagination that you have been endowed with by your Heavenly Father and create something that will benefit, bless someone, or many, who have not yet awakened from the conditioning of this world's rebellious past. You are the ambassadors of light on this planet--your planet and it is up to you to do the work of the Father. Once you begin, you shall be amazed at how opportunities to improve that work will be sent your way and supported by Us (spirit.)"***  
(Received by Chris from Ophelius, July 7, 2013)

After that I started thinking that maybe I could do the paintings. I haven't painted since I was a teenager, and I knew that I don't have the ability to do realistic paintings. But, I figured I could put beautiful colours on a canvas, and I decided to see what happened. I did the painting which is the cover of *Life, Light, Love* in two days, and I know that I didn't do it by myself. I wasn't quite sure what I was going to paint until I did it, and I think that it turned out beautiful.

Anyone who reads this blog is going to quickly find out that politically I am progressive. I absolutely believe in God, but I don't believe in religion. I'm not a Bible thumper and I'm not trying to tell anyone what to do or believe. I just want to tell people what I know, and plant a seed.

It pains me somewhat to know that some might compare me to Michelle Bachman--"God told me to run for president." God doesn't tell people to do things to increase their personal power and prestige. Not that Michelle has much of that these days. But don't get me started on her. . . .

Two days ago there was another message regarding spreading the lessons I wrote about in *Life, Light, Love*:

***In this Correcting Time the main goal--the message--is to make everybody realize that they have the presence of the Father in every moment of their lives. You have never been alone. God has always been there listening, giving His love and waiting for your attention.***

***This is the truth that you need to reveal to your neighbours. Many may consider this strange, and they may reject your words or even reply with animosity. Be concerned only with planting a seed in their hearts and letting time and experience be what makes the seedlings of truth sprout inside these confused and hungry souls.***

***Even when your words may seem to fall upon deaf ears, they will remain, and one day, when the situation is more appropriate, these words will surface again in the minds of those who heard them and they will be able to initiate the changes that will bring them closer to their eternal destiny.***  
(Received by Oscar from his Thought Adjuster, March 29, 2011)

**FEELING HEALING and SOUL HEALING with the DIVINE LOVE:****James Moncrief Publications:****all publications are free downloads:**<http://divinelovesp.weebly.com/my-free-books-and-free-padgett-messages.html>

It is suggested for one to consider reading as follows:

**Speaking with Mary Magdalene and Jesus – books 1 – 4**

These four books encapsulate the second of the revelations with the first having been introduced by James Padgett one hundred years previously. These four books provide a wide range of guidance that has never previously been made available.

**Paul – City of Light**

As a gentle intro into the Divine Love and Healing; being James Moncrief's first novel and it's been criticised as being too heavily clichéd, but that's the point because it's a reflection of how he was back then.

**Ann and Terry**

For an example of people who might want to immediately start working on themselves and doing their Healing.

**Feeling Bad? Bad Feelings are GOOD**

For more understanding about our denial of our feelings and why we should not deny our feelings, and it includes how it all came about for James, using himself as an example.

**Feeling bad will make you feel BETTER – Eventually!**

This includes specific examples of Marion and James working on expressing particular bad feelings, again with the hope that it will help others gain something of an idea as to what's involved in doing your Feeling Healing.

**Sage – and the Healing Angels of Light**

Through Sage who's 13 years old, the story is primarily about the two aspects of healing; that being, with the help of our angels, and the full Healing we can do by looking to our feelings for their truth.

**Religion of Feelings  
Feeling Healing**

**Welcome to LOVE – the Religion of Feelings  
you can heal yourself through your feelings**

So these books, including the four Speaking with Mary Magdalene and Jesus books, provide the essence of it all and are examples of James' work. Then it's up to whatever takes one's fancy. Other reading to consider may include:

They provide a brief snapshot of the more complicated topics and issues.*

**Firstly, consider discovering the truth of your emotional pain through Feeling Healing.**

**DIVINE LOVE and DIVINE TRUTH Revelations and Teachings escalating:**

As we progressively become aware the availability of Divine Love and embrace our Soul Healing, more and more profoundly developed teachings will be introduced to us by our Celestial Spirit friends.

Divine Truth teachings will continue to expand in detail and complexity as we become ready and willing to receive same through doing our Feeling Healing. This journey was commenced for us by James Padgett and James Moncrief.

**101 Years: FEELING HEALING and the DIVINE LOVE:**

**2013 – 2014 Speaking with MM & J**

**2007 – 2010 Comments on Padgett**

**2005 Paul – City of Light**

**2003 Messages Mary & Jesus**

**2002 The Rejected Ones**

Various auxiliary writings including  
**1954 – 1963 Revelations via Samuels**

**1914 – 1923 Padgett Messages**

Are we ready and willing to embrace what is waiting for us to enjoy?

We are a young experiential inhabited planet. As we grow in Love and embrace our Feeling Healing, then we become into a condition by which we can ask for and receive guidance in how to achieve developments for the benefit of all of humanity.

As we apply these gifts freely for the welfare of all, then we will be provided assistance to advance our capabilities. Energy enables communications which in turn enables universal education. With education everything is possible.

**UNIVERSAL Roadmap and Structure**  
**1925 – 1935 The Urantia Book**

**The greatest gift for our children that we could possibly provide is to enable for them to grow up without fear.**

**It is only by the parents asking and receiving Divine Love that the child can grow up without fear.**
