PASCAS INTRODUCTION:

Documents assembled by Pascas are provided for your individual assessment and exploration. The contents are sourced from a variety of avenues and publications. Every endeavour is made to determine that the contents are of the highest level of truth and veracity. At all times we ask that you go within yourself, to ascertain for yourself, how the contents resonate with you.

Pascas provides these notes and observations to assist us all in the development and growth of our own pathways and consciousness. Pascas does not hold these contents as dogma. Pascas is about looking within oneself. Much of what we are observing is new to us readers and thus, we consider that you will take on board that which resonates with you, investigate further those items of interest, and discard that which does not feel appropriate to you.

Kinesiological muscle testing, as developed by Dr David R Hawkins and quantified by his Map of Consciousness (MOC) table, has been used to ascertain the possible level of truth of documents. Such tested calibration levels appear within the document. We ask that you consider testing same for yourself. The technique and process is outlined within Pascas documents, such as Pascas Care – Energy Level of Food. From each person’s perspective, results may vary somewhat. The calibration is offered as a guide only and just another tool to assist in considering the possibilities. As a contrast, consider using this technique to test the level of truth of your local daily newspaper.

Contents are not to be interpreted as an independent guide to self-healing. The information sourced herein is not from a doctor or doctors, and any information provided in this document should not be in lieu of consultation with your physician, doctor, or other health care professional. Islam or Christianity

http://www.discoveringislam.org/islam_vs_christianity.htm

Quick Overview of the similarities and differences between Islam & Christianity

There are similarities between Islam with Christianity, however, in this regard consider Divine Love Spirituality (DLS):

- There is only one Soul that is God. With that Soul expressing both its soulmate Personalities – our Heavenly Mother and Heavenly Father.

- God sent Mary Magdalene and Jesus.

- People should look to the truth of their feelings as how to live. No commandments, no prophets, no rules, only the truth based on and from one's feelings.

- Mary, the mother of Jesus, was a normal mother, she was not a virgin. Jesus was not born miraculously, however he was born of perfect Natural love so free of sin and evil (which is a miracle compared to all of us), free of the Rebellion and Default. We should be worshipping Mary Magdalene, not mother Mary – they have got the wrong Mary. And so there is no mother Mary interceding with God.

- Jesus and Mary Magdalene are the Creator Pair of Nebadon. And he did perform miracles.

- The Old testament and the New testament both contain endless errors and omissions ... however if you must, sure, you can pick a few truths out of them, but it's hard work being able to see through all the corruption and untruth. They are not needed in any way to help with one's true spiritual growth, and will more than likely delay that growth if anything.

As an aside, Dr George Lamsa has identified approximately 10,000 to 12,000 vital and major differences within the King James Version of the Bible as against a very early version written in Aramaic. There are over a thousand idioms in the Bible. They were translated faithfully and accurately, but literally. Therefore, their true meanings are misconstrued.

- Satan is evil, but it's a bit late now not to follow him, as we're all conceived into the Rebellion and Default. Doing one's Feeling-Healing or Soul-Healing with the Divine Love, is the only way to 'unfollow' him, to extract yourself out of the Wrongness.

- The Anti-christ might appear on Earth, but there is to no such thing as Judgement. However there will be the end of the current age. And the Anti-christ may well be man-made. We're all anti-christ.

- Jesus will not return. He's already told us his Second Coming is the Padgett Messages. And to think that Jesus, the messiah, the most true and perfect respecter of all life, the one who wouldn't kill anyone, would come and kill the Anti-christ, is missing the point about Jesus.

- The day of Judgement will occur and people will be Judged, however not in the Christian sense. It's just a technical role-call carried out at the end of each age and before the next one begins. It doesn't mean you'll be damned to hell forevermore or free to live in paradise.

- Sure, there is hell and paradise, however it appears that Christians or Muslims do not have any real idea about what either really is like.

- Divine Love Spirituality (DLS) embraces a Trinity, more along the lines of The Urantia Book (TUB), however with the Feminine added. There is God, our Mother and Father. The Eternal Son of Truth; and The Infinite Daughter of Mind. They are a Paradise Trinity, as opposed to the local universal trinity. And Jesus is not God, but a Creator Son of God, so first Paradise Son of God in the sense we are to relate to him. And he was a human as was his soul also divine. He partook of the Divine Love from God, as can we all. And why would you worship Jesus or an angel or anyone else more than you worship God? If you do, then you've not yet fully felt the truth of God in your heart. And all men and women are sons and daughters of God and are of Natural love, and we can become divine by longing for and receiving God's Divine Love. Mary M and Jesus are also a Daughter and Son of God. Jesus died on the cross and woke up in spirit after the usual three Earth days and appeared to people on Earth in his spirit form to show us that there is life after death. We are all conceived into rebellion against the truth, by default. We're all sinners, evil, wrong, whatever you want to call it. And we all have to do our Healing to get out of our unloving state. It's a technical thing, it's not about bearing the burden of someone else's sins. And if you feel it's unfair, then those are more bad feelings for you to accept, express and seek the truth of.

In conclusion: If you want to remain wrapped up in your Wrongness, remain within your religion. If you want to set yourself free – heal yourself: do your Feeling Healing or Soul Healing with the Divine Love.

Nevertheless, there are 3 main differences between Islam and Christianity:

1. Today, most Christians believe in the Trinity, meaning that God has 3 forms (Father, Son, Holy Ghost/ Spirit). The concept of trinity was not adopted by Christianity until the Council of Nicea in 325 AD. Some of the early Christians were **Unitarians**. Even today, there are Christian Unitarian churches that do not accept the Trinity. Notable Rationalist Unitarians include thinkers such as Ralph Waldo Emerson (American), scientists such as Isaac Newton (British), as well as famous figures such as Florence Nightingale (British) in nursing and humanitarianism, Charles Dickens (British) in literature, and Frank Lloyd Wright (American) in architecture.

While in Islam,

(a) Trinity is totally rejected. Jesus is neither God, nor Son of God (in the literal sense). Jesus was a human prophet and not divine.

(a) Muslims worship only God, the one and only the creator of the universe.

(b) This God (the Quran refers to as Allah) is the God and creator of Jesus and is the same God that Jesus in the current Bible refers to as Father and to whom Jesus used to pray.

(c) Muslims consider Mohammad, Moses, and Jesus as prophets and messengers sent by God ("messengers" is term that refers to prophets who brought holy scriptures to their people as a message

from God). These prophets were human beings, not divine, and should not be worship directly or indirectly.

(d) Muslims believe that each human being can be called son/daughter of God because he/she was created by God. So there is nothing special or divine about Jesus being called son of God and therefore Jesus should not be worshiped.

(e) Finally, angels (such as Gabriel) are servants/agents of God. Angels are created by God; therefore, they are not divine and should not be worshiped.

2. The Quran says Jesus did not die on the cross, but God made it appear that way to people. Furthermore, the Quran also says that Jesus was ascended to Heaven by God. Most Christians today insist Jesus was crucified and died on the cross, but two days later was resurrected.

3. Christians believe in the concept of "Original Sin" which means that human beings are born as sinners, bearing the burden of the "Original Sin" of Adam and Eve. Muslims do not believe in the "Original Sin" for 2 main reasons:

(a) In the Quran, God forgave Adam for what he has done, and;

(b) According to the Quran, no one should be made to bear the burden of someone else's sin or mistake because it is unfair.

Muslims' View of Christianity

1. The true teachings of Jesus (pbuh) are fully compatible with Islam. Muslims are the true followers of the teachings of Jesus, Moses, and Mohammad (peace be upon them).

2. Muslims regard the "real" Bible (that reflects God's actual message and the real teachings of Jesus and the prophets before him) as a holy scripture. We believe that the Bible has been corrupted due to many factors and reasons. The current Bible is corrupted, but not completely false. So, we can still find today in the Bible some traces of the truth, such as verses that contradict with the Trinity. That is why Muslims are willing to accept the "current" Bible only to the extent that it does not contradict with the Quran.

3. Modern Christianity was **not** founded by Jesus, but rather by Paul and the Romans in the Council of Nicea in 325 AD (meaning about 325 years after Jesus), inspired by Satan. In this Council of Nicea, Church leaders from around the world debated and finally decided on what should and what should not be included in the Bible. There were different views expressed in the Council; however, the views of the those who were most powerful won. As a result, lots of Gospels were thrown away. For Christianity to be adopted by the Roman Empire as its official religion, it had to succumb to the desires of the Romans who wanted to incorporate their own pagan religious beliefs and myths into Christianity. The integrity of the message brought by Jesus from God was compromised to appease the Roman Empire. Christianity has evolved into a cult that has deviated significantly from the true teachings of Jesus by: (a) adding new doctrines not preached by Jesus, (b) deleting or modifying some of the teachings of Jesus, and (c) creating an "unholy", man-made scripture. A holy scripture must be in the form and content intended, inspired, or revealed by God, not created by human beings.

4. Many Christians insist that Muslims do not worship the same God of Christianity. We say that Islam requires Muslims to worship only God (the God of Abraham, Moses, Jesus and Mohammad), the creator of the universe. Many Christians mistakenly believe that without Trinity, there is no Christianity. We ask them if Trinity is so important why didn't Jesus speak about it clearly. In many verses in Bible, Jesus contradicts the Trinity. We, as Muslims, say to such Christians, obviously, we do not worship the same "triune" God that you do. The Quran instructs us to worship only the creator of the universe and not worship any human being. Muslims today are the true followers of the teachings of Jesus Christ, as well as the teachings of Prophet Mohammad and the other prophets before them. Muslims worship the God of Jesus, the God who created Jesus and whom Jesus himself worshipped. Who is more worthy of worship: God or Jesus?

5. The Quran says clearly that Islam is the religion of "Fitra" (meaning "the inborn nature of everything created by God"). This means that Islam is the innate/inborn religion. This makes a lot of sense because it is natural for a human being to worship his/her creator who has also created and sustains the whole universe because no one knows more about human beings' nature and needs than their creator and no one can sustain the balance and life in the universe better than God. Furthermore, it is natural to believe that there is one God because if there were more than one God, the universe would have been chaotic. Therefore, it is natural for human beings to want to establish a good relationship with the one and only God. God has sent prophets such Abraham, Moses, Jesus, and Mohammad, exactly to tell human beings that in order to maintain a good relationship with God, they should follow God's religion, meaning the set of beliefs and practices that: (a) is good for them personally for their life on Earth and in the hereafter, and (b) that creates peace and harmony among people as well as between people and the rest of the universe. God offered one religion preached by all of God's prophets and this religion was finally given the name Islam.

Just imagine yourself trying to explain the Trinity of Christianity to someone. The first thing this person is likely to accept is that he should worship God, the Creator and Sustainer of the universe, of course as long as this person is not an atheist. If you are dealing with an atheist, then first you have to prove to this person that there is God. Then, you can simply say that since now you believe in the existence of God, God expects you to worship him. Now, your final task, that is to make him believe in the Trinity, is certainly going to be much harder than convincing him of the need to worship God. Trinity is not a "natural" concept. It is a hypothesis (theory) that is more difficult to accept. You have to convince him that 3 is equal to 1. Trinity defies the laws of mathematics and the laws of nature.

The purpose or rationale for the Trinity was to say that Jesus died for the sins of human beings and merely by believing in the Trinity and worshiping Jesus, people will be saved and they will go to paradise.

There are at least 6 problems with the Trinity and the "Original Sin" doctrines:

- (a) These doctrines merely form a man-made hypothesis that defies the natural/inborn tendencies of people to worship only their creator as we have explained above.
- (b) They were adopted in the Council of Nicea in 325 AD in which there were views that differ sharply from today's Christianity and many gospels were discarded.
- (c) Trinity is a concept that was copied from a popular pagan religion of the Romans, called Mithraism.
- (d) There are as verses in the Bible that contradict with the doctrine of Trinity.

(e) The Original Sin concept encourages people to sin as much as they want and not to do any good deeds. After all, regardless of their sins, Christianity teaches that Christians will be forgiven, saved and go to heaven as long as they believe in Jesus, as explained above.

(f) The Original Sin concept is not fair, as we have explained earlier, because no one should be made to bear the burden of someone else's sin or mistake.

6. Today's Christianity is a product of man-made corruptions, motivated by personal and political reasons, and inspired by Satan. The primary objective of Satan is to entice people to disobey God and stray away from his religion. Satan knows that most people will not agree to worship him (Satan). So, Satan is satisfied by just making people follow him indirectly. By inspiring people to corrupt the Bible and create today's Christianity, Satan believes that he won one battle against God, but even Satan knows that he cannot win a war against God. Satan utilizes several methods to achieve his objectives such as: (a) Satan entices people to do evil things by camouflaging the bad aspects and creating an attractive illusion about the benefits one will get for doing these evil things, (b) Satan attempts to stop people from doing the good things that God has commanded, (c) Satan does his best to strengthen the sense of vanity, selfishness, over-confidence, and invincibility in individuals to the extent that Satan makes them feel they do not need God and consequently either reject the existence of God or at least choose to disobey him (this is exemplified by people who "act like God").

7. Satan acted like a deceitful businessman. He noticed a unique opportunity and he wanted to take advantage of it. The opportunity was the advent of a Jesus, a prophet with a genuine message from God that was originally intended to correct the beliefs the Jews who strayed away from God's religion. Satan did what some deceitful sellers of vegetables and fruits do today. He inspired Paul and the Romans to create Christianity in such a way that they sell it as a package that includes bad apples inside the package, but with some good apples (Jesus' teachings and message) displayed in the upper viewable portion of the package to deceive people into buying the package. The package is wrapped in attractive way and the buyer has to buy it as a whole package. As a businessman, Satan wanted his evil product to be bought and used by the largest number of people and that is why he chose to inspire the Roman Emperor to adopt Satan's product, giving it a brand name, Christianity, and making it the official religion of the Roman Empire. This is how Christianity was created and promoted.

8. It is also worth mentioning that the Old Testament (Jewish Torah) was also corrupted likely by Jewish Rabbis and priests to fit their own preferences.

9. Finally, we should also point out the important role of scribes and translators in corrupting the Old & New Testaments. Some of the corruptions by these scribes and translators were possibly done intentionally, while others may have occurred unintentionally.

To learn more about the **Role of the Scribes in distorting the Bible**, please watch [Dr. Bart Erhman's lecture at Stanford University](#) (he is a World-renowned Bible Scholar)

By living true to ourselves, true to our feelings, we are living true to God. It's that simple.

LOVE of the MOTHER and FATHER:

We mainly commence our journey of discovering our relationship with our Heavenly Parents, God, through the intermediary relationship of one of many religions and the even more numerous religious institutions. Frequently we have given our power and rights to an intermediary to intercede on our behalf. Our Mother and Father seeks to commune directly with us.

As we progress in our development and growth of love for our Mother and Father, our Creator and Source Soul, then we find a relationship and personal love for and with Them. This developing personal dependence on our Parents can and is supported by our religion teachers as well as by our never tiring spirit guides. Asking for, praying for and receiving the Parent's Love, Their Divine Love, which is always available for us, is the ultimate blessing that can only come about by the development of our own personal relationship with our Heavenly Parents.

As our soul develops and expands with the infusion of the Love, our relationship and love of Mother and Father develops into the beautiful joy and blessings that is there for us all. Our personal relationship and dependence becomes all embracing erasing our childhood developed intellectually based self dependence.

With the Parent's Love, and one's Feeling Healing, comes an ever growing loving life experience that is beyond words and expectations. The Love of the Parent's, with Feeling Healing, is the only gift that brings about forgiveness of our errors and fits us to enter the higher spheres well above those based on self reliance and natural love, the only love that we are blessed with at conception.

Comparison Chart: Christianity and Islam

What's the Difference?

Christianity and **Islam** are the two largest **religions** in the **world**. Both share with Judaism a belief in one **God** who created the world and cares about the behaviour and beliefs of human beings. To illustrate the similarities and differences between these religions, the following charts compares the **origins**, **beliefs** and **practices** of Christianity and Islam. 

In recent centuries, mutual distrust between Christians and Muslims has continued to grow. On the other hand, some have pointed out that the conflict has more to do with political tensions and divergent cultural worldviews than with religion, and efforts have been made by both Christians and Muslims to find common ground and engage in respectful dialogue. Christianity vs. Islam

http://www.diffen.com/difference/Christianity_vs_Islam

Christianity broadly consists of individuals who believe in the deity **Jesus Christ**. Its followers, called Christians, often believe Christ is "the Son" of the Holy Trinity and walked the Earth as the incarnate form of God ("the Father"); most Christians believe Christ will return at the end of the world.

Islam consists of individuals who believe in Allah, a deity whose teachings its followers—Muslims—believe were recorded, verbatim, by the god's last prophet, Muhammad.

Though both Christianity and Islam are **Abrahamic religions** that are mostly or strictly monotheistic, they differ in many ways, and with well over a billion followers within each faith, even adherents' specific beliefs vary considerably by region and sect/denomination.

Founders and Early Leaders	Jesus, Peter, Paul, James.	Muhammad, Abu Bakr.
Primary God(s)	A single, all-powerful god known as God that is typically thought of in "trinity" form: God, the Father; Christ, the Son; and the Holy Spirit (or Ghost). Not all sects/denominations of Christianity believe in the Trinity.	Only Allah, who is seen as being all-powerful. "They do blaspheme who say: Allah is one of three in a Trinity: for there is no god except One Allah." — Surat Al-Ma'idah 5:73
Spiritual Beings	Angels, demons, spirits, nephilim (giants who were the offspring of fallen angels and human women).	Angels, demons, spirits, jinn (genies).
Most Common Sects	Catholic, Orthodox, Protestant.	Sunni, Shia.
Sacred Texts	Christian Bible (includes Old and New Testaments). What is considered canon may vary slightly by sect/denomination. Some groups, like Mormons with the Book of Mormon, have other important books, too.	While the Qur'an is the only holy text of Islam, the Hadith, which is said to be the sayings of Muhammad, is also highly revered.
Views on Sacred Texts	Varies from literal, fundamentalist interpretations, to the belief that the Bible is fallible and filled with metaphors.	Varies, but more Muslims than not feel the Qur'an is literally the word of Allah, as passed down through Muhammad. The Five Pillars of Islam among Sunni Muslims and the Seven Pillars of Islam among Shia Muslims. The Shia Twelvers also have the Ancillaries of the Faith.
Important Tenets	The Ten Commandments, John 3:16.	
Holy Days	Christmas (celebration of the birth of Jesus), Good Friday (death of Jesus), Sunday (day of rest), Easter (resurrection of Jesus), Lent (Catholicism), saints' feast days.	Ramadan (month of fasting), Eid-ul Adha (feast of the sacrifice), Eid-ul Fitr (sweet festival at the end of Ramadan).
Symbols	Cross, ichthys ("Jesus fish"), Mary and baby Jesus.	None that are universal, though Muhammad's name in calligraphy is common. The popular star and crescent symbol is also common, but mainly relates to historical and political issues, not necessarily religious ones.

Revered People	Varies by sect/denomination. Saints, the Pope, cardinals, bishops, nuns, church pastors, or deacons.	Prophets, imams (spiritual leaders).
On Other Religions	Many Christians believe all other religions are false. Moderates may or may not believe this. "Be careful to do everything I have said to you. Do not invoke the names of other gods; do not let them be heard on your lips." —Exodus 23:13	Most Muslims believe all other religions are false. "Fight those who believe not in Allah nor the Last Day...until they pay the Jizya with willing submission, and feel themselves subdued." —Surat At-Tawbah 9:29
On Atheism	Varies. Some believe atheists will go to hell because they do not believe in God; others believe God does not operate that way. "The fool says in his heart, 'There is no God.' They are corrupt, their deeds are vile..." —Psalm 14:1	Varies, but atheism can be very dangerous in some Muslim nations. "O Prophet! strive hard against the unbelievers and the Hypocrites, and be firm against them. Their abode is Hell, an evil refuge indeed." —Surat At-Tawbah 9:73
On Women	Varies. Some Christians view women as equal to men, while others believe women should be subservient to men. Clothing and health choices (e.g., birth control, abortion) may be restricted. Old Testament advocates stoning in some cases.	Varies. Some Muslims view women as equal, while others believe women should be subservient. Clothing is usually controlled (e.g., hijab, burqa); health choices may be restricted. Surat An-Nisa 4:34 allows for "light beating" of "disobedient" wives.
On Marriage/Divorce	Definition of marriage and divorce acceptance varies by sect/denomination. Bible includes examples of polygamy and monogamy and only condones divorce in cases of adultery.	According to the Qur'an, men may marry more than one woman, but no more than four, as long as he can support them and treat them fairly. Divorce easy for men, difficult for women.
On Race	All races generally viewed equal in modern Christianity. However, Bible passages on slavery were used to support the practice in the past in the U.S. The "curse of Ham" was sometimes thought to be black skin; modern interpretations reject this.	Races generally viewed as equal, but those that accept Islam are viewed more favourably than those that do not. "Among His Signs is the creation of the heavens and the Earth, and the variations in your languages and your colours..." —Surat 30:22
On LGBT	Varies. Christians who believe in more literal interpretations of the Bible rarely accept homosexuality; some see it as a crime. "Do not be deceived...men who have sex with men...will not inherit the kingdom of God." —1 Corinthians 6:9-10	Varies, but generally homosexuality is not accepted. Verses from the Qur'an condemn it and modern fatwas (Islamic law interpretation) often ban homosexuality as a crime.
On Money	Tithing / charitable giving. "Again I tell you, it is easier for a camel to go through the eye of a needle than for someone who is rich to enter the kingdom of God." —Jesus in Matthew 19:24	Zakat (charitable giving). "And know that your possessions and your children are but a trial (fitnah) and that surely with Allah is a mighty reward." —Surat Al-'Anfal 8:28
On Clothing	Conservative Christians dress modestly; women may cover their heads, wear long	Women must present themselves modestly to cover hair and body shape.

	skirts or dresses; men may wear dress clothes that do not show the chest, legs, and arms. More moderate or liberal Christians generally reject such clothing restrictions.	Men must be modestly dressed and covered from waist to knee. In most Muslim culture, women wear a form of the hijab; in some, they must wear the full-body cover known as the burqa.
On Food/Drink	Though the Old Testament of the Bible says certain meats should not be consumed, Christians usually feel this information does not apply to them (in the New Testament) and so eat what they want to eat.	Muslims are only supposed to eat foods that are considered halal .
On Apocalypse	Most, though not all, Christians believe Christ will return during an apocalypse that includes famine, war, and plague.	Some Muslims believe Jesus will return at the end of the world; the difference is that they believe his return is a sign, not the actual end. Other Muslims believe Jesus is a minor figure and that Islam's 12th imam, Mahdi, will cleanse the world.
On Afterlife	Eternal life in heaven (paradise) or hell (torment). Some Catholics believe in purgatory (limbo, temporary punishment).	Eternal life in heaven (paradise) or hell (torment).
View of Jesus	God in human form, "Son of God," saviour. Death by crucifixion. Most, though not all, of Christians believe Jesus rose from the dead, was taken up into heaven, and will return during an apocalypse.	Prophet from Allah whose message has been misinterpreted or corrupted. In Islam, Jesus did not die, but was taken into heaven. A disciple died instead. Some believe Christ will return in an apocalypse, but the significance of his return varies.

Early History

In many ways, Christianity and Islam were radical for their times, often preaching tolerance, respect, and equality between different races and classes, despite rigid monotheism. This initial progressive nature resulted in considerable persecution but ultimately did not stop the development, evolution, or expansion of either religion. Ultimately, early Christianity and Islam were spread by exploration, trade, missions, warfare, and colonization.

According to the [New Testament](#), Jesus Christ had a number of followers prior to his execution in [Golgotha](#), but the concept of Christianity as a religion did not truly exist until after his crucifixion, when his most ardent followers, such as the Roman [Apostle Paul](#), began writing and speaking of Christ's reported miracles.

Christianity acquired many of its terms and beliefs from the Hellenistic Judaism and Greco-Roman paganism that were dominant at the times and places of Christianity's earliest development. The Roman Empire, with its common language—Latin—crossing great swaths of land, helped spread Christianity, especially after [Emperor Constantine](#) (around 300 CE) converted to the religion, ordered the construction of the [Church of the Holy Sepulchre](#), and adopted the cross for his army's banners.

By the time Islam was formed in 622 CE, Roman Catholicism, the most widespread form of Christianity, already had its 69th Pope—[Pope Boniface V](#). In Mecca, in the Arabian Peninsula where Islam began, there was a melting pot of faith that included Jews, Christians, Zoroastrians, and those who worshipped Mesopotamian gods. It was in this place and time that Muslims believe Muhammad was visited by [the angel Gabriel](#) and told to begin writing down the word of the one true god, Allah.

Many in the region saw monotheism as a threat, eventually forcing Muhammad to migrate with his followers from Mecca to Medina in 622 CE in what is known as the [Hijra](#). Most consider this the beginning of Islam as a religion, as the migration brought many new followers to the fledgling faith. In 630 CE, Muhammad and his followers were able to [return to Mecca](#) in a near-bloodless conflict.

[Murji'ah](#), an early Islamic philosophy that promoted tolerance of a wide variety of beliefs within Islam (leaving the judgment of Muslims to Allah), likely smoothed the way for early conversions. Within 100 years, Islam had spread rapidly east and west of the Arabian Peninsula.

- 628 CE: The [Treaty of Hudaibiyah](#) is created, allowing Muslims in Medina to make pilgrimages to Medina.
- 630 CE: Muslims peacefully overtake Mecca after the Treaty of Hudaibiyah is dissolved. Other faiths' idols are destroyed and Mecca becomes an Islamic state.

- 675 CE: Sufism forms.

Beliefs and Practices

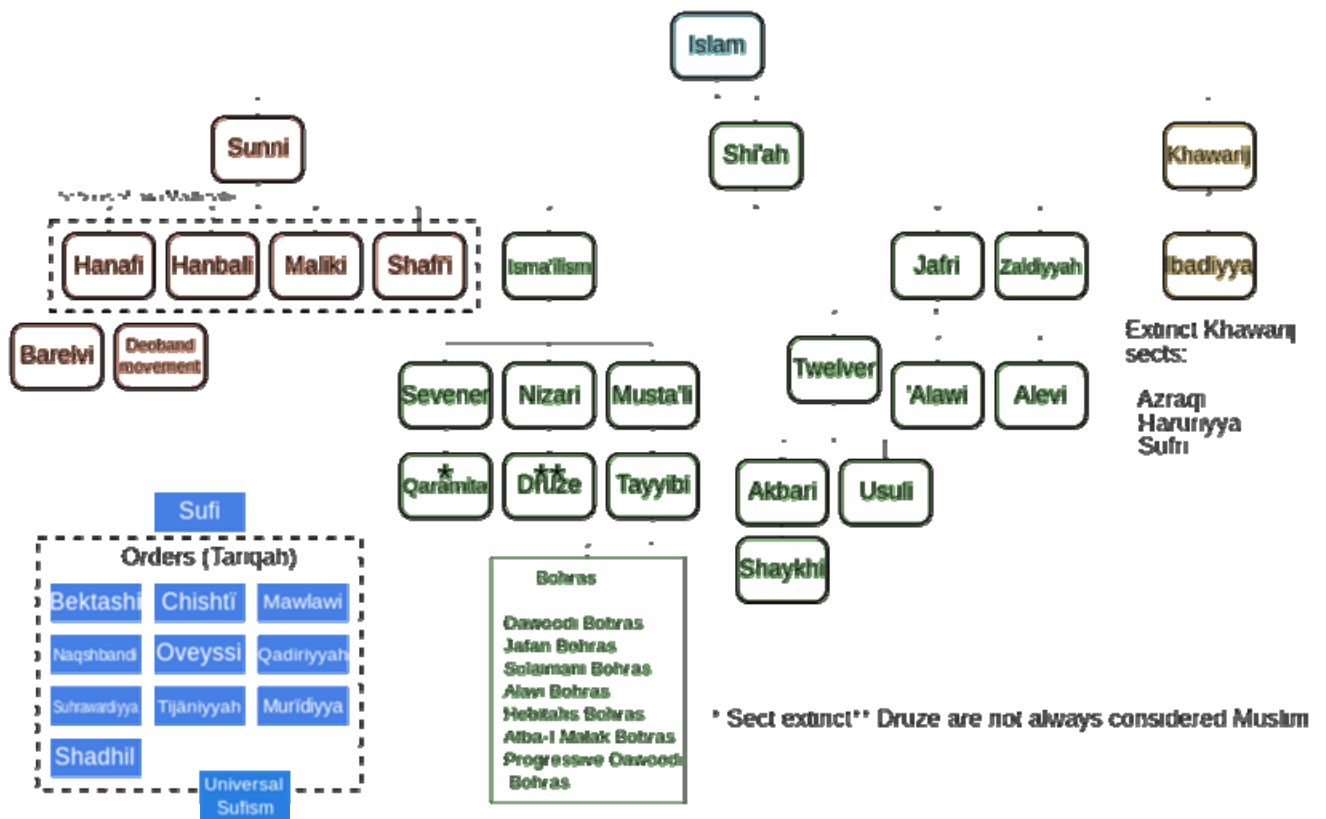

Major branches within Christianity

Major branches of Christianity.

To liberate one's real self, one's will, being one's soul, is begun by embracing Feeling Healing, so as to clear emotional injuries and errors. With the Divine Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

Beliefs and practices among Christians and Muslims vary greatly across the world and among certain demographics. Within Christianity, [Catholics and Protestants](#) often have very different beliefs, and Protestantism itself holds denominations as varied as evangelical fundamentalism and Unitarianism. In Islam, similarly large differences exist between Sunni, Shia, and Sufi Muslims and their beliefs. These differences have run so deep that Catholics and Protestants, Sunnis and Shiites, and Christians and Muslims have sometimes warred against each other over their beliefs.

Major branches of Islam.

A few major similarities exist between Christians and Muslims. Both belief systems are monotheistic, encourage or require the practice of daily prayer, and believe in the importance of many of the same figures, though their interpretation of them is often very different. Likewise, certain basic principles are generally supported within both faiths: [the Ten Commandments](#) for Christians and the [The Five](#) or [Seven Pillars](#) of Islam for Muslims. Heaven and Hell, angels, demons, and spirits, are generally accepted by both religions, as is an apocalypse.

Similar to [Judaism](#), [Islam](#) tends to have stricter guidelines or rules than Christianity does. In modern Christianity, most hardline rules are found in the Old Testament and more related to Judaism, and many of the rules found in the New Testament are downplayed. For example, Christians may or may not "keep the Sabbath holy" by resting, even though doing so is a commandment, and most freely eat whatever they want, including pork and foods not blessed by religious leaders, something that Muslims and Jews do not do under [halal and kosher](#) dietary restrictions.

Scriptures

Two of the biggest differences found among Christian sects/denominations when it comes to scripture have to do with how literally the Bible is interpreted, whether it is considered the inerrant word of God as passed down through various writers or seen as being "inspired" and metaphorical, and whether "good works" or "faith alone" is most important for entry into heaven. Some Christians believe the Bible should be at the foundation of all matters: politics, education, charity, etc. Others believe their faith is personal and private and that Christian scripture really only applies to Christians.

Muslims believe there have been many prophets and messengers sent by Allah throughout time, but that their messages have been corrupted by man. They believe Muhammad was the latest and final prophet and that the Qur'an is the only uncorrupted holy message in the world. The vast majority of Muslims believe the Qur'an is the inerrant word of Allah, as passed down through the Prophet Muhammad, and can and should be part of every aspect in life, even when it comes to matters such as banking, warfare, and politics. The governmental enforcement of Islamic beliefs and practices is known as Sharia law. In a 2012 [Pew Research study on Muslim political beliefs](#), a majority of people in Pakistan, Jordan, and Egypt felt laws should strictly follow the Qur'an, while people in Tunisia, Turkey, and Lebanon were less inclined to want their governments to follow the Qur'an.

Christians and Muslims' sociopolitical views often go hand-in-hand with how literally they interpret the Bible or Qur'an, with the most traditional and fundamentalist of both religions rejecting certain matters of gender equality, same-sex marriage, the theory of evolution, etc.

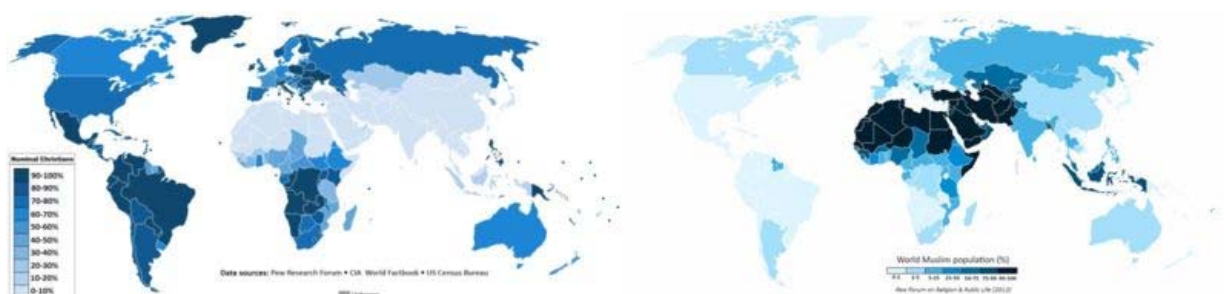

Apocalypse

Belief in an imminent apocalypse that is soon to transpire varies by region among Christians and Muslims, but in many cases both groups do believe it will occur at some point in the future. There are many similarities between their versions of the apocalypse as well, having developed from similar or even the same texts.

Some Muslims believe as Christians do, that Jesus will be the one to return at the end of the world; the difference is that Muslims believe Jesus' return is a sign, not the actual end, and that his purpose is to destroy Christian symbols and convert Christians to the true religion of Islam. Other Muslims, such as the Shia [Twelvers](#), believe Jesus is a minor figure in the apocalypse, if even present, and that a figure known as the [Mahdi](#)—Islam's 12th imam who has been hiding since the 9th century—will be the one who returns and helps cleanse the world of evil.

Demographics

With over 2.1 billion followers, over half of which are Catholic, Christianity is the world's largest religion. Islam, with over 1.5 billion followers, is the world's second largest religion; Sunnis make up 80-90% of Islam's adherents. Because the two religions are the largest in the world, one or the other is generally the dominant faith in nearly every country, with a few exceptions in Asia where Buddhism or no religion is dominant.

Book of Truths (The Padgett Messages)

by Joseph Babinsky

September 5, 1916

I am here, Constantine -

I was the Roman Emperor and died as the head of the Christian Church. I wasn't really a Christian and did not understand the true principles of the Christian teachings, but I adopted Christianity as a state religion because of political purposes added to my desire to destroy the powers of my antagonists who were believers in and worshipers of the gods of paganism.

I was a man who cared not in the slightest whether the cross or the symbol of the oracles was the true sign of religion, or whether the followers of religious beliefs belonged to the Christian church or the worship of the gods which our country had for so many years adopted and followed. My great desire when I made Christianity the state religion was to obtain power and the allegiance of the majority of the people of the empire. The Christians were very numerous and were persons of such intense convictions – so intense, that not even death could remove or change these convictions – I knew that when they once gave me their allegiance, I should have a following that could not be overthrown by those who were worshipers of the old gods. The latter people were not so interested in their religious beliefs, individually, as to cause them to have such convictions as would interfere with any religion that I might establish, when they realized that their material interests would be advanced by at least, formally recognizing that religion as a state establishment. Their beliefs were not the results of conviction but merely those of what had been accepted by their ancestors and transmitted to them as a kind of inheritance. They believed in the gods and the oracles as a matter of course, without ever having made the objects of their beliefs matters of investigation in order to learn if those beliefs were true or not. Truth was not sought for, and hence conviction was a mere shallow acquiescence.

During all the time of my office as Emperor, I never changed my beliefs and never accepted the teachings of the Christians as the revelation of truth, and in fact, I never considered such a matter as religion, worthy of my serious consideration. Many doctrines were proposed and discussed by the ecclesiastical teachers and leaders of this religion, and those doctrines were approved by me which were adopted by a majority of these leaders as true and the correct declarations of what the scriptures of the Christians contained. I let these leaders fight their own battles as to doctrines and truths, and when they decided what should be accepted and declared by the church to be true doctrines, I approved the same and promulgated them as binding upon all the followers of the Christian faith.

So I, though it has been frequently said, did not establish the canonicity of the Bible, or determine and legalize the doctrines which were declared and made binding by the conventions of the leaders of the church. Of course, I gave them my sanction and official approval, but they were not mine and should not be said to have been established by me; for if the doctrines of the Arians had been accepted and declared by a majority of these ecclesiasts as the true teachings of the Christian scriptures, I should have sanctioned and given them the State's authority.

As I said, I was not a Christian when I lived, and I did not die a Christian, notwithstanding all the fantastical and miraculous things which have been written about me and my conversion to Christianity.

When I came into the spirit world, I found myself in great darkness and suffering, realizing that I had to pay the penalties for the sins thought and committed by me on Earth; and all the masses which were said for the benefit of my soul never helped me one particle to get out of my unhappy condition. I knew

nothing about the Divine Love or the true mission of Jesus in coming to Earth, and I found that my sins had not been washed away as the teachers had often told me on Earth would be done for me.

Many long years I remained in this condition of darkness and unhappiness, without finding any relief by reason of the mystical workings of Jesus' atonement, of which the priests had told me, and which I did not believe, nor the help of the gods in whom I had been taught to believe by our philosophers and religious teachers. No, I found no relief and my condition seemed to be fixed, and hope of the Christian heaven that was never mine, and of the fields Elysian that would be mine in a hazy way, did not cause me to feel that my sufferings would at sometime come to an end and the glad face of happiness appear.

But after a time the light of the truth in which Jesus came to teach broke in on my understanding and soul. The Divine Love of the Father commenced to flow into my soul and continued until I became a possessor of it to that degree that I was carried to the Celestial spheres, where I now am, a redeemed pure and immortal soul, having undoubting knowledge and conviction that I possess in my soul the divine essence of the Father, and the certainty of eternal life in the Celestial kingdom.

I cannot tonight write you of my experience in either the dark planes or in the successive progressive spheres, but sometime I will come and detail that experience. But before ceasing my writing, I wish to say with all the force that I have, that only the Divine Love of the Father can save a soul from its sins and make it at-one with the Father in His divine nature. Let creeds and dogmas and man-made doctrines take care of themselves, and learn the truth, and in that truth abide. For truth is eternal and never changes, and no decrees of man or dogmas of church tradition of the early fathers or writers, or creeds of ecclesiastical conventions, so solemnly adopted and declared, can make that a truth which is not a truth. Truth existed before all these things and is not subject to them, nor by them can it be added to or taken from.

I must not write more now, and thank you for having permitted me to write. So with my love, I will say goodnight.

Your brother in Christ – Constantine

Comparison of Islam, Judaism and Christianity

http://www.religionfacts.com/islam/comparison_charts/islam_judaism_christianity.htm

Similarities and Differences

Christianity, Islam, and Judaism are three of the most influential world religions in history. While Judaism isn't as large as Christianity and Islam, its impact on the world has still been as profound. Judaism, Islam, and Christianity are sometimes called "**Abrahamic religions**" because they trace their history to Abraham in the Hebrew Bible. (See main pages for [Islam](#), [Judaism](#), and [Christianity](#).)

What do these three religions believe about God, the universe, people, and the afterlife, and how do those convictions compare with each other? The charts below are intended to start answering those questions. As a brief guide of the **similarities** and **differences** of Islam, Judaism and Christianity, the following chart compares the statistics, origins, history and religious beliefs of these three great monotheistic faiths. (See main pages for [Islamic beliefs](#), [Jewish beliefs](#), and [Christian beliefs](#).)

OUR FIRST TEACHERS:

Descendants of Andon and Fonta (also called Aman and Amon), our First Parents, not being Adam and Eve, delivered teachings that were faithfully memorised and later recorded as the SACRED and INSPIRED WRITINGS. Through later generations, writings were progressively preserved via way of hieroglyphic symbols that are the basis for the writings on temples in Mexico, South America, Cambodia, India and Egypt. Six sets, each of about 10,000 tablets, were carried from Mu (Lemuria), these were then located at: Tibet, Deccan Plateau in central India, Gobi Desert in Central China, Upper Egypt, Babylon in Mesopotamia and Mexico City. Further copies of each of these original sets were further made.

However, from the teachings of the leaders of the Rebellion, 200,000 years ago, stem all of the world's major spiritual and religious teachings, all being in error and contaminating the sacred and inspired writings, all suppressing one's soul based loving and truth based feelings and bringing about dependence upon one's erroneous mind.

As a result of the Second Coming we have Divine Love and then Feeling Healing	
which with Divine Love then is Soul Healing	31 May 1914 AD to around the 2040's
As a result certain restrictions of the Rebellion and Default are now lifted.	

From the above ancient clay tablets can be found the Lord's Prayer and the Ten Commandments, though there were 42, Moses was a practical man and condensed them. Also Moses five books are derived from the ancient clay tablets, possibly the set that was in the southern region of Egypt. Those writings had been heavily contaminated by the teachings resulting from the Rebellion.

By longing for the truth of one's feelings and for our Heavenly Parents' Love is the way forward.

Received by James Padgett. Washington D.C.

September 24th, 1914

I am here, Jesus. (in blue print)

Be of good cheer for I am with you always. Do not let your heart fear, for the Lord is your keeper and He will be your guide and shield. Only believe and trust in Him and you will soon be born again into the spiritual world of His Kingdom. (Here we notice that dreaded word 'soon'. Soon, so far as the spirits seem to relate to it, can mean a very long time, and not soon how we mostly relate to it, as in a short time. So yes, as Jesus says, soon James Padgett will be born again into the spiritual world of His Kingdom; which means, one day James will do his Soul-Healing because he is partaking of the Divine Love, and more than likely when James has arrived in spirit as Jesus and the Celestials are not talking about the Healing or how one is to go about it, and then once James has finished his Healing in the Divine Love Mansion Worlds, then he will be born again into the Celestial spheres, because then he will be true, pure, perfect, like a child, free to express all he thinks and feels no longer being of the Rebellion and Default. However it will take James quite a number of years to do his Healing, and so 'soon' gets further and further away in the actual amount of years it will be before James attains this Celestial level of truth and feels born anew and of the Spirit.) **Let me teach you and give you the thoughts that He gave me while on Earth. Let me show you that the things of this world are not the things that save the soul from sin and unhappiness. Be a true follower of your God.**

Question: what does it mean to be "born again?"

It is the flowing of the Holy Spirit into the soul of a man and the disappearing of all that tended to keep it in a condition of sin and error. (It is the doing of your Soul-Healing with the Divine Love that we free ourselves of our wrongness. Through our Healing our sins and errors disappear, it doesn't happen magically by just soaking up the Divine Love, as those of the so-called 'Divine Love Movement' have shown us, for they after twenty to thirty years (and counting) with the Divine Love, are still with their sins and errors.). **It is not the workings of the man's own will but the Grace of God.** (When you understand the whole truth of your negative unloving truth-denying state through your feelings, then God will change you, leaving you eventually true and perfect, that being when you are fully born again or born anew and of a Celestial level of truth.) **It is the Love of God that passes all understanding. You will soon experience the change, and then you will be a happy man and fit to lead others to the truths of God.** (Here's that 'soon' again. He was telling James he will soon reach that level right the way through these messages, and then James died still without attaining that level of truth or happiness, without himself experiencing 'the change'. So presumably that was what awaited James in spirit, and so once he's finished his Healing, then perhaps he will lead others to the truths of God.) **Let your heart be open to the knockings of the Spirit, and keep your mind free from thoughts of sin.** (This is one of the bones I (James Moncrief) would love to pick with Jesus now having worked at my Healing for twenty years. How do you keep your mind free from thoughts of sin when all you have been formed in, all you are, is wrong, untrue, evil and sinful? And when our whole mind is orientated against love, truth, Mary Magdalene and Jesus, our Mother and Father? You can't do it. You have to go the other way and allow yourself to have your bad sinful, evil, wicked, hateful, unloving thoughts, and all the terrible ugly

depraved feelings you have along with them, expressing them all, whilst longing for their truth – and longing hard with all your being, wanting to know them more than anything. Because to just try and ignore and block them out, you can't, who can; and if you can, then you're being dishonest with yourself and only covering them up more. So I guess it's one of those things Jesus said, that James would relate to in his sinful beliefs, believing like everyone does, that you have to try and not have such thoughts and somehow they go away. Jesus had to bring James Padgett along with him, so seem to be on his side, when at the same time not reveal anything about the Healing, as it wasn't Jesus' place to talk about that back then.) **Be a man who loves his God and his fellow man.** (Which again is all very well if you are naturally that way because of your upbringing, however if you're not, then it's not right to pretend you are overriding those unloving aspects of yourself.) **Your love is only now of the earthly kind, but it will soon be of the things spiritual.**

You must not let the cares of this world keep you from God. Let His Spirit come into your soul. (Same deal: you must not, yet if you do, then you have to go with these feelings first and fully accept, express and seek the truth of why you do, before you can have any hope of not caring and truly allowing his Spirit to come into your soul.). **Your will is the thing that determines whether you will become a child of God or not. Unless you are willing to let the Holy Spirit enter into your heart, it will not do so. Only the voluntary submission to or acceptance of the Holy Spirit will make the change.**

I was the instrument in God's hands of leading men to His favour and Love. When I said "I am the Way, the Truth and the Life," I meant that through my teachings and example men should be able to find God. I was not God and never claimed to be. The worship of me as a God is blasphemous and I did not teach it. I am a son of God as you are. Do not let the teachings of men lead you to worship me as a God. I am not. The trinity is a mistake of the writers of the bible. There is no trinity – only one God, the Father. He is one and alone. (Which in this context is correct, however we also have The Urantia Book (TUB) that explains to us about the real Paradise Trinity (without the Feminine as I understand it to be); and I personally relate to God as being both my Heavenly Parents, I love having the Mother in my life alongside the Father. Yet with Jesus fully honouring the restrictions of the Rebellion imposed on him, he can't talk about the feminine aspects of truth or of God.). **I am His teacher of truth, the Holy Spirit is His messenger and dispenser of Love to mankind. We are only His instruments in bringing man to a union with Him. I am not the equal of my Father – He is the only true God. I came from the spirit world to Earth and took the form of man, but I did not become a God – only the son of my Father. You also lived as a spirit in that kingdom, and took the form of man merely as a son of your Father. You are the same as I am, except as to spiritual development, and you may become as greatly developed as myself.**

Question: Why were you called God's only son in the Bible?

When on Earth, I was the only son who had, until then, become vested with the Divine Love of God to the extent of being wholly free from sin and error. My life was not a life of earthly pleasure or sin, but was given wholly to my Father's work. I was His only son in that light. He was my Father as I knew Him to be. He is not a spirit of form like myself or yourself.

I was born as you were born. I was the son of Mary and Joseph, and not born of the Holy Spirit as it is written in the Bible. I was only a human being as regards my birth and physical existence. (Mary was not a virgin who miraculously conceived Jesus, as he says in other messages.) The account in the New Testament is not true, and was written by those who knew not what they wrote. They have done the cause of God's truths much injury. Let not your belief in that error keep you from seeing that my teachings are the truth.

Be only a believer of God and His truths and you will soon be in the Kingdom. You will soon be able to understand as I understand. (Again that 'soon', being James Padgett attains a Celestial level of truth.)

Good night. Jesus Christ

Received by James Padgett Washington D.C.

March 4th, 1915

I am here, Jesus. I want to write tonight on the love of man. This love is one that is not understood by humanity in its most important particular. I mean that this love is not one that is sufficient to give man the highest degree of happiness which he may obtain in either the mortal life or in the life to come.

This love is of a nature that changes with the change in the ideas and desires of man, and has no stability that will serve to keep him constant in his affections. No man who has only this love can ever be in condition to say that he will continue to have this love for a longer time than the present; and when he thinks that his love can never change, or leave him, he is only giving wish to the thought.

But this love is one that may last for a long time, and sometimes it seems that it can never die or grow less; yet, in its very nature, it has not that constancy which ensures it is lasting longer than a moment of time.

I do not mean to say anything disparaging of this natural love, for it is undoubtedly the greatest gift that the Father has bestowed upon mankind, and without it, men would be in a very unhappy condition. Yet, it is not the Great Love of the Father which all men may receive, if they will only seek and strive to obtain it by prayer and faith.

This natural love is that which unites men and women in unity while on Earth, and enables them to approach nearer to a life of happiness than does any other human quality; but still it has the danger always accompanying it, that some time, in some way, it may cease to exist.

The mother's love is the strongest of all loves given to mortals, and apparently it can never end or grow old, yet a time may come when even that love will die or cease to retain all its vitality or beauty. I know it is said that love never dies; but that is not true as regards this natural love; and no man can say that his love of today will remain his love of a few years hence.

Yet, there is a love that may be called the natural love that will last forever, providing these souls seek and obtain the Divine Love, and that is the love that God has implanted in two souls that he has designed to become one in spirit life. This love is in reality not the love of two souls, but one and the same love

manifested in the two opposite sexes, and which is only a complete one when these two apparently independent souls come together in perfect unity. This is what is commonly called the love of soulmates, and which is that essence of spiritual love which makes the happiness of the two spirits or mortals seemingly complete. Yet this love is not of a Divine nature, but merely the highest type of the natural love. (But still not God's Divine Essence.) So, when men speak of the love of one mortal for his fellow man, it means merely the love which his human nature is capable of having and giving to another mortal. (So Natural soulmate love will last forever, yet is only attainable upon also receiving the Divine Love. Because without the Divine Love you can't attain entry into the Celestial level of truth, thereby being at-one with your soulmate. Because up until that time, in your Natural love state as part of the Wrongness of the Rebellion, or whilst you are doing your Healing with or without the Divine Love, and even if you complete your Feeling Healing without the Divine Love, you still can't fully unite with your soulmate as you can as a Celestial.)

I do not wish to be understood as in any way implying that this love is not a great boon and blessing to mankind, for it is, and without it, there would not be the harmony that exists on Earth even to its present extent; when hatred and anger seems to have taken its place in the hearts of many men who are now striving to kill and destroy. (World War I) But this is only for a season; the war will cease and then men will realize, more than for a long time that only their love for one another can make the Earth a happy and desirable place to live on.

Love, I know it is said, is the fulfilling of the law, but no man can thoroughly understand this until he knows what love is. (And you won't fully know what love is, Natural or Divine, until you've finished your Healing and are free of living against all that love is.) I do not mean that in order to fulfil every law man must have the Divine Love of the Father, because there are laws that govern the Divine existence, and laws that govern the human and merely spiritual existence; and the Love of the Divine is the fulfilment of the former laws, and the natural love is the fulfilment of the latter laws. So you must see that only as men have the Love of the Divine can they fulfil the laws of the Divine existence; and so, as they have the natural love only, can they fulfil the natural laws.

But this natural love will not suffice to make them at-one with the Father, as I have before written; and the utmost of its powers and functions is to give them that happiness which they will receive in living the life of a spirit or man unredeemed.

I will not say that man should not cultivate this love for his fellow man to the greatest possible degree, for he should; and if that should be the only kind of love that he may have, either on Earth or in the spirit world, the more of it that he possesses the happier will he be, and the greater will be the happiness of his fellow man and fellow spirit. (Yes, however cultivating it means you are still of, and even more so of the negative mind controlling ways, because you can only use your mind to cultivate it. As you do your Healing you'll see that; and once Healed, then you'll naturally and freely express your Natural and Divine Love.)

So when I said, while on Earth, that men should love their God and love their fellow men as themselves, I meant that they should do so with all the possibilities of whatever love they might possess. Yet, if men would only learn, as they can, that there is no necessity for them to have only the natural love, but that they can all seek the Greater Love, and obtain the correspondingly greater happiness, and immortality. Men do not realize this, though, and seem to be satisfied with this natural love and the pleasures that ensue from its possession.

I would not have them do anything that would lessen this love or shut their hearts to its influence, when

it is pure and good; but yet, I cannot help trying to impress upon them the great desirability of having this higher Love in their souls. I am a lover of all men, and I want them to feel the happiness of the inflowing of the Divine Love, and thereby learn what the Love of God means, and what they may have if they will only seek.

This love of the purely natural will not suffice for the temptations that beset men on Earth; and, also, will not insure against temptations when they become spirits. I know this, and hence I say it with the positiveness of one who knows – you may say, with authority.

As you are tired I must stop. With all my blessings and love, I am,

Your brother in spirit, Jesus

(James Moncrief continues: It's worth mentioning here, that when you do your Healing, you are striving to bring out all the no-love that you are. So trying to be loving will interfere with this. So put your love on hold, just express all you feel, all the good and bad feelings, making sure you do express all the yuk ones as fully as you can, and they will be very bad and very unloving, yet spew it all out, it's all within you and it all has to come out of you, and until it does, you'll never be free of it.

And the idea of the Healing is to become fully true to your Wrongness. So be it, feel it, be and feel as unloving as you are, all so you can see and understand the whole truth of it. Of why you were made to be as you are, how it all came about with your parents and family through your childhood, how you took it all on, how you expressed it unlovingly as an adult to yourself, nature, other people, your own children and to God. We've got to see the whole rotten truth of ourselves, and then once seen, we are free to move on, then we can move into the Celestial Kingdoms, then we be born anew and ready to live a life of only love. And this can be achieved whilst on Earth or in spirit.

And as we do our Healing, so too can we long for and receive the Divine Love, and as Jesus says, would be a very good thing for us to do. For only with it can we move into the Celestials upon completion of our Healing.)

<p>Note: Following the writings of James Moncrief, one could consider that any reference to the Father, by other relevant writers, may be read as a reference to 'our Mother and Father'. Further, when considering soul healing, then reference to Divine Love could be referred to as 'Feeling Healing with Divine Love'.</p>

The first message

25 September.2012

Firstly, let me tell you that I am pleased to continue with the work that James Padgett commenced insofar as bringing to light the truths that relate with the workings of the natural condition of mortal souls and the Divine Love of God. This teaching platform is illustrative of the vast and many workings that form in principle, God's Love and Spirit workings that are inclusive in human nature and mortals in the spirit world.

It was said that not all the truths be revealed to James at that one expansive time, and I say expansive, for the work that I and the spirits did with James, laid the foundation for one to learn about the existence of the Divine Love and to further the awareness of who and what God is to mankind. It was our desire to communicate this knowledge, as you know, so that one may have the information to progress in soul condition whilst living of the Earth, and to clarify distinctions between truth and error relating to the true vision of human nature, the mortal spirit world, and the true nature of a loving God.

We have been able to see that our work with James was successful. As people worldwide are becoming aware about the availability of God's Divine Love and subsequent causes and effects of this Love when entering the human individual soul. It was my desire to elaborate on the teachings of Love and Spirit at the time when the work that we spirits did with James was solid enough in the world and that time has come. I can now continue with the Universal Gospel of Love and Spirit so that the necessary progression revealing more about the nature of love and spirit brings a fuller vision that enlightens one to a soulful relationship with God and may contribute to the ever-progressive nature of love and the harmony that is present and that one may aspire toward.

Your true guide and teacher at this time,

The Padgett Messages and The Divine Universe

5. The universality of Divine Love

26 September 2012

I would like to affirm the universality of God and the universality of God's Divine Love and the Spirit. It is paramount that people understand this universal nature of Divine Love and how this constant Love, present to the diverse peoples of the world just like it is present to the diverse mortal spirits in the various Spheres of existence comprising the mortal spirit world.

As I, with various spirits revealed in James Padgett's communications, the Divine Love present only for the potential that exists as part of the nature in each finite mortal soul, and that this potential as a formed part of the individual soul nature is the recipient of this Divine Love. And this is a unique truth about

the relationship of the Divine Love with the potential that exists as part of the nature of mortal soul. God, in the creation and forming of the attribute of mortal soul, has given as part of this forming and creation, the ability to individualise, with part of this individualising the attribute of potential. So that the desire, or a soulfully expressed longing to God for this Divine Love can eventuate, in the interest of progression and harmony, once the individualisation of the soul commences its incarnation in the physical body.

This Divine Love is working the same causes and effects in the souls of those who include this Divine Love in their lives. It is easy to forget that the Divine Love has been created purely soul-specific and in the dimensions of popular belief and experience, one can easily contrive the Divine Love and God as all things created to everyone and every living thing organic or inorganic.

The Divine Love is universal in the sense that it is present everywhere humans and mortal spirits are living. The Divine Love and the Spirit is not present in the Pre-Incarnational Sphere where un-incarnated souls wait to incarnate in accord with God's Spirit Law that acts to incarnate pre-individualised souls. All such activity in the Pre-Incarnation Sphere and incarnation happens in accord with God's harmony. It is not necessary for the Divine Love and the Spirit to be present in the Sphere where souls reside prior to their incarnation. Soul is required to have incarnated in its condition of the perfect natural love before it can, as an active finite personality, commence the receiving of the Divine Love. It is important to know this so that one understands that men and women are not born divine to begin with and that such divinity has no existence in the image and essence of the finite soul until the individual has the freedom to voluntarily determine the choice to participate with God by receiving the Divine Love and so begins a changed experience as the great transition from the natural into the Divine begins and progression follows.

The Divine Love is universal in the way that its workings in the attribute of mortal soul are constant and continuous in cause and effect without ever changing its own perfect nature whilst changing and perfecting the condition of the mortal soul and the systems of the spirit body. It is universal because the Divine Love exists beyond human belief and can never be subject to change by a belief as to its existence or not, and the belief in the way that the Divine Love acts in the mortal soul. No amount of self-determination by a personality can cause an effect that alters the way this Divine Love transforms the mortal soul. The nature of Divine Love in its harmony is perfect in the way it functions in the mortal soul, never causing a disharmony to take effect and destabilise the individual personality. If disharmony exists in a Divine Love experience, it is from the result of the individual's condition of their natural soul prior to the commencement of the receipt of the Divine Love and whilst in the initial stages of Divine transformation disharmony may exist along side harmony, eventually the Divine Love will cause the greater harmony to dissolve any disharmony with the active participation of the Spirit Law of Compensation.

And here is another truth about the nature of Divine Love. Within it exists harmony and this harmony the perfect of all harmonies a mortal soul can experience and, as in the workings of all the Spirit Laws present for all mortal souls. A greater Law in its working super-exceeds a lesser Law whilst not nullifying the lesser Law out of existence. By absorbing the Divine Love one is absorbing the perfect harmony so that when the Law of Compensation is active in the transformation of the individual, the disharmony is being absorbed into the Divine harmony that then becomes, as it were, a true condition of love in the mortal soul.

Jesus of the Celestial Heaven

JESUS' GOSPEL in FEW WORDS:

It is easy to summarize Jesus' gospel in few words: "God is Love. He offers His Love to all His children, that is to say, to all humanity. Moreover, He is always a personal God who invites us to enter into contact with Him, should we wish to do so. He will listen to us and He will answer."

God is the Source of Truth. And if you want to discover Truth, go to the Source, and do not be satisfied with second or third hand information.

The only way to find Truth is to experience it for yourself and in yourself. What you may experience, and thus verify, in your heart — is a great truth. Judas 6 May 2002

Man is composed of three essentially different parts: the physical body, the spirit body, and the soul. Of these three components, the physical body is characterised by its fleeting nature, for the numbered days of its existence. In fact, it only fulfils the purpose of integrating the soul into a material world, facilitating the interaction of man's spiritual part with the coarse matter environment that surrounds him.

The spirit body is composed of a different kind of matter, "finer" or more "ethereal". The fact that its aspect reflects the condition of soul is a clear indication that the soul influences largely its formation, and even more, the soul is indeed the creator of this body, which covers it and provides it with the characteristic of individuality. The formation of the spirit body begins at the moment of incarnation of the soul in the foetus, incarnation which only takes place should there exist a high possibility that the spirit of life has found in the new organism a stable biological structure, allowing it to carry out its life-giving function.

The soul, lastly, is man's only part that resembles its Creator. This why we also refer to God as the Great Soul or the Oversoul.

When the human soul receives the Love of God – His Essence – it becomes a divine soul. This is called soul transformation, culminating exactly at the moment when this process consumes the last vestiges of the natural soul, in the New Birth. Judas 8 May 2002

Our message is simple: God is Love, and He shares it with all who so desire. Judas 13 May 2002

God is Love and is willing to share this Love with all His children, that is to say, with all humanity.

The Heavenly Father's Love is not a simple feeling, but rather it is His Substance, or the Essence of Divinity, that distinguishes itself by attributes, as any substance does, and what we call "unconditional love" is but one of these attributes. Judas 16 May 2002

Dear Friend,

Pascas WorldCare – Introduction to 100 Years of Spiritual Teachings

Our search to understand; ‘how to treat the cause of illness rather than just treat the symptoms’ firstly appeared elusive. As it became understood and then obvious that particular emotional issues affected the physical body in particular regions and organs, then came the question of how to remedy and remove those emotional negative issues.

Negative, or man made, emotions can be addressed with great personal perseverance, however, the outcome is most likely not to be permanent, we relapse.

July, 2009, we were introduced to the Padgett Messages. These are profound teachings of truth, readily confirmed by applying Dr David Hawkins’ method of kinesiology muscle testing in conjunction with his Map of Consciousness. Some of the historically recognisable authors / writers throughout these messages are:

Jesus of Nazareth	Andrew (the Apostle)	Bacon, Francis
Barnabas	Caesar, Julius	Calvin, John
Clement (Saint)	Cleveland, Grover	Constantine
Cornelius	Eddy, Mary Baker	Elias (the Prophet)
Elizabeth I (Queen)	Elizabeth (cousin of Mary)	Galileo
Goliath	Gregory (Pope)	Herod
James (the Apostle)	James (the Less)	Jefferson, Thomas
John (the Apostle)	John (the Baptist)	Joseph of Arimathea
Josephus	Judas (Iscariot)	Lazarus
Lincoln, Abraham	Luke (the Apostle)	Luther, Martin
Mark (the Apostle)	Mark, John	Mary (the Mother of Jesus)

Nero	Paul (the Apostle)	Peter (the Apostle)
Plato	Samuel (the Prophet)	Socrates
Solomon	Stephen (the Martyr)	Swedenborg
Thomas (the Apostle)	Washington, George	Wesley, John

Within this initial set of teachings of some 2,500 messages are the writings of more than 250 authors. These works commenced on 31 May 1914, and continue today:

The number of authors / contributors now exceeds 1,000, with key authors presenting material within each set of messages. It is a co-ordinated and well structured continuing series of teachings.

The first publication of the Padgett Messages in chronological order was published in 2008, all of the additional material has been published since then. Major references and sources of material are also found at www.new-birth.net and www.pascashealth.com within the Pascas library section.

When a personality develops the desire to cause harm to others or to one's self, such man made emotional error is a soul injury. Such soul injury is reflected within that personality's spirit body by the presence of dense, slow moving energy which retards life giving energy flows in the region of the held or frozen emotional injury. Energy blockages within the meridians of the spirit body emerge as dull pain, then pain, then as an illness within the physical body.

Only longing for and earnestly desiring for the Father's Love will occur the inflowing of such Love, which is an energy, that will ultimately dislodge the harmful emotional error, or energy blockage. As the error is dissolved and removed also is the propensity for that personality to cause harm, which was associated with the emotional injury, being permanently removed. As the cause to harm is removed so is the need for compensation, as the emotional issue will no longer exist.

The Creator's Love, being progressively received by a personality, brings about improved physical health, improved quality and way of life, improved happiness for themselves and for those around them, and the gates are open for wonders of life beyond comprehension.

This is expanded upon, time and time again throughout all these works. Why have we not understood this before? These teachings were progressively lost throughout the first three centuries of this era, and all records of these teachings were finally lost in 325AD/CE at the Nicaean Council in Constantinople.

What is this advent of teachings that we have received progressively over the past 100 years?

“My coming to you (James Padgett) is really my second coming on Earth, and the result of my coming in this way will satisfy and fulfil all the promises of the scriptures as to my second coming.”
Jesus December 2, 1915

This is reiterated throughout these works. The phase of the Second Coming commenced on 31 May 1914 and concluded on 7 January 2016. The greatest gift to the universe has again been introduced to us.

Living Feelings First

Pascas Foundation (Aust) Limited

DIVINE LOVE TEACHINGS are MULTI-FAITH and for ALL FAITHS:

The beautiful gift of the Mother and Father's Love, the Divine Love, is available to all, no matter what one's soul condition maybe or what one's beliefs are. The Love is given to everyone who longs for the gift and asks for it. There are no boundaries or conditions other than the necessity to ask for the Love. The great gift is filtered through one's spirit body into the soul by the instrument known as the Holy Spirit. This light golden blue energy substance blends with one's natural love and progressively assists in the peeling off of negative emotional issues and erroneous beliefs through one's Feeling Healing process, bringing about great happiness and fitting the personality to enter the Celestial Heavens.

WE EDURE FOUR LAYERS of PERSONALITY SUPPRESSION!

Unknowingly, our parents pass onto their children (us) their beliefs and way of living that has evolved since the Rebellion of some 200,000 years ago and then the Default of some 38,000 years ago. In this way, humanity is suppressing the female, rejecting our Spiritual Parents, namely Jesus and Mary, and denying our Heavenly Parents being our true Mother and Father, of their truth, standing and existence.

The Rebellion is against love, the Default is all the difficulties we have in our relationships because of our rebellion. Healing the Default is becoming true, to ourselves and in our relationships, and ending our unlovingness – our rejection of love, so ending the Rebellion. Nanna Beth 29 June 2017

We are souls, our personality is an expression of our soul. It is our free expression of our soul through our feelings that we are to embrace and follow. This expression may appear to be wilful in nature, from time to time, and consequently our parents attempt to suppress this expression. They proceed to remodel us when as young children, in the manner their parents treated them and so on for many generations going back.

During our forming years, as a child, we are unable to recognise the suppression of our personality as being extra-ordinarily harmful to our soul based personality and, accordingly, we don't know that things can be any other way. Presently, neither do our parents.

This childhood suppression way of living continues throughout our schooling years, thus we learn this is a way of life as being normal.

Our religions all have been formed based on the tenets of the Rebellion and Default. The teachers and leaders throughout all denominations take us further away from our suppressed feelings that have been hammered into us during our forming years, thus entrenching us further into rejecting our true selves.

The controlling and suppression mechanisms of our parents, educators and spiritual teachers all manifest throughout all of commerce. This control comes heavily and brutally down upon all levels of employment. The capability to express one's soul based attributes and gifts is sealed throughout all of one's working life.

A new way of living is to enable the liberation of one's true personality through the Feeling Healing process AND the transfer of authority to the individual via embracing freedom of expression.

DEVOLUTION

Our childhood suppression of our true and loving soul based feelings is creating global pain and personal isolation amongst all of humanity. We are very sick!

In our struggle to find solace and purpose, we further withdraw into ourselves, becoming ever more self dependent, believing our control addicted mind that it can solve everything. We just drown further.

We embrace an ever expanding and diverse range of pathways to escape from our personal pain, fear and desperation. Alcohol has now been complimented with narcotics, hallucinogens, including caffeine (coffee). Gambling has been complemented with computer games which are generally entraining the mind further into error and pain. Technology is making us sicker!

We bury ourselves in front of the television to further avoid contact with anyone, especially family.

Children endeavour to exert their independent authority from domineering controlling parents (which we all are eventually) by disfiguring their bodies with tattoos and piercings, etc.

We shut out the noise with headphones, thus preventing contact with others. We use electronic devices to 'text' others even at intimate engagements.

Technology will take us further into the depths of our madness. You now can buy headsets that prevent any contact with the outside world while playing mind suppressing and entraining entertainment – games!

No one loves their children, they are ignored, and the controls hammered into them turn them into clones of ourselves. Look at ourselves and we can all see that we have been all messed up by our own parents, as they have for generations over the past 200,000 years.

No more of this! We can escape this man made hell!

EVOLUTION

STEP 1: Longing for and receiving Divine Love:

A. Soul within spirit body prior to receiving Divine Love.

B. Divine Love being received from the Holy Spirit, covering the spirit body of requesting personality.

C. Divine Love having been assimilated within one's soul, now being reflected through the radiance of the spirit body.

STEP 2: FEELING HEALING + SOUL HEALING

It is the Divine Love that strengthens one's resolve to persevere with embracing one's suppressed emotional injuries, that occurred from conception through to around the age of six, and longing to know the good and the bad of those feelings, together with talking about them to a friend, partner, one's self and our Heavenly Parents. It is only with the receipt of the Mother and Father's Divine Love and the expressing of suppressed emotional injuries that one can release the emotional injuries and errors to achieve Celestial soul condition and enter the Celestial Heavens.

Further, should one complete their Feeling Healing on Earth, then they will be able to recognise their soul partner, their other soul half, and should their soulmate have also embraced Feeling Healing with Divine Love, then their children will be born free from error, free from fear, and free from any deformity and illness. This is the destiny of humanity.

Further, being in this condition of free from error and being in constant communication with our Heavenly Parents, then one can also recognise and form their Soul Group. This will ultimately consist of twelve soulmate pairs, a total of twenty four personalities / individuals.

It is the bringing up of children by the support of soul groups that is to be the ultimate way forward. The group experience and wisdom, as a functioning family, will ultimately be of profound benefit for the blossoming child.

But what we cannot do is contrive the groups ourselves, or even pick who our soulmate is. This will only, and can only happen, as an outworking of the truth we are to live – as we progress in the healing of our soul.

And this is how all of life should be lived: according to the truth we are living. It is how we live, as there is no other way, but currently we live it in the negative, of that being directed by no truth, and so having to make it all up ourselves.

The NEW WAY of LIFE:

Now for the first time in history, Celestials can be more assertive in making known the availability of Divine Love, and that the only way to progress towards our Heavenly Parents is by engaging in doing one's Feeling Healing.

The Celestials have all but stopped the mind spirits from negatively influencing people on Earth, and the biggest area this is in, is in the religions. So the religions on Earth and all the spiritual systems of the mind, are under pressure in that they are no longer enjoying the input from the mind worlds that they have had. And how this translates into ordinary everyday life, is more in the unseen connection between those in religions on Earth and those of the same religion in spirit, is fading away.

Then at the same time, we, the Celestials, are being allowed to move more freely amongst everyone, both in the mind worlds and with you on Earth. Which means, we can confront and have more of a say in peoples and spirits lives, something that was forbidden the Celestials of the 'old guard'. They were not allowed to interfere at all, having to wait patiently for spirits (as there was rarely anyone on Earth) to show interest in an alternative way to God, which enabled the Celestials to slowly introduce the notion of the Divine Love and then that of doing one's Healing. But it took a long time for mind spirits to show any real interest and being willing enough to give up the power their mind had over them, wanting to seek a higher life.

Celestials can now, following the progress achieved by Marion and James Moncrief, approach and be more freely expressive to spirits on all levels, and also to people on Earth, should they want their help.

Further, those who reject and suppress their children will progressively grow in awareness of their own unloving natures. One will not be able to continue to avoid their feelings of wrongness.

Golden Rule: that one must always honour another's will as one honours one's own.

Thus the three aspects: one, of having more readily available guidance to become aware of the availability of Divine Love; two, the way to become fully expressive of one's soul based personality through the process of Feeling Healing; and thirdly, the quickening of the Law of Compensation through one's greater sensitivity to one's emotional errors and injuries. By having greater personal connection with a Celestial, we are able to move into longing for the Divine Love, and look to healing ourselves and grow in truth, and start to seriously consider embracing one's ascent to Paradise.

REVELATION 1
James Padgett

1914 – 1923

James Padgett bravely introduced the availability of the Mother and Father's Divine Love and a great deal of additional guidance and information, all of which has been supplemented by Samuels, Judas, Reid and Arnold. All writers were under restrictions of personality and circumstances. Revelation 1 opened the door for humanity.

REVELATION 2
Marion and James
Moncrief

2002
– ongoing

Marion and James Moncrief have recognised the need for one to engage in Feeling Healing and, by their actions, removed restrictions that James Padgett and others above endured, thus JM is able to critique the writings of the past 100 years resolving points of confusion as well as expand on what has been written. Revelation 2 is humanity's turning point.

Due to the extra-ordinary nature of Revelations 1 and 2, humanity with the first Revelation would have continued on into its negative pathway of living, however, combining the first Revelation with Revelation two, now humanity can embrace this turning point and commence its evolutionary growth that has required two thousand years to put in place. This is the greatest event in the history of humanity and very few are aware of such, until we enable others to become aware.

REVELATION 1

The availability of Divine Love, should we so ask for it, being revelation 1:

God's Divine Love: Pray for it, ask for it, and receive it.

Whilst we are receiving our Heavenly Parent's Divine Love, and that this Love is causing change within our soul and spirit attributes, the greatest Truth known to man and spirit is that this is the way the Father is actually loving us! When we progress, it is the Father's way of loving us into love and then we live what we are, love.

REVELATION 2

The way to clear one's soul of childhood errors and injuries is revelation 2:

To liberate one's real self, one's will, being one's soul, is begun by embracing Feeling Healing, so as to clear emotional injuries and errors. With the Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

Release one's pain through expressing one's feelings.

in conjunction with

Longing for the Truth when also longing for Divine Love.

REVELATIONS

Revelation 1: Our soul becomes encrusted with harmful ways of life, plus negative and erroneous beliefs, these mainly stem from our childhood upbringing and environment. Thus we live untrue to ourselves, we become 'evil'. Whilst we hold to these injuries we limit the amount of Love that we can receive into our soul. To open our soul to the Love we must firstly and progressively embrace our emotional injuries and allow them to be released. Until we emotionally experience past errors and injuries we hold onto them.

To free our soul of damage and toxic emotions we must open ourselves to experiencing them. This is a progressive, slow and uncomfortable cleansing process that we must all experience. Only by addressing the generational injuries will we, as humanity, evolve in love.

To fully divest one's self of our badness, we have to 'go into' our feelings. Call this process of clearing toxic emotions as 'Letting Go', 'Emotional Processing', 'Journey Process' or 'Feeling Healing'. Embracing Divine Love then Feeling Healing becomes Soul Healing.

As part of our Feeling-Healing we will have to work our way into all our feelings to see if indeed they are coming truly from our heart and soul, or if they are being heavily influenced by our mind. And this will then lead us into questioning and uncovering the truth, if there is any, to our beliefs and why we behave the way we do; and is such behaviour based on truth, or is it based once again on untruth, belief, and rules of our mind.

Revelation 2: We can long for, ask for and receive the Mother and Father's Divine Love. The greater our soul is free of error and injury, the more of the Divine Love can be received and assimilated into our natural love formed soul. The Love does not free us of injury, however, it strengthens our resolve to continue on our journey to be free of error and injury, to step away from evil aspects that have been encapsulated within our humanness and soul. It is this Love, the Divine Love, that brings about immortality of our soul and it is this Love that will eventually fit us to enter the Celestial Heavens and progress for ever more onwards to Paradise. These two revelations free us from error and enable us to grow in love ever more.

Immortality with the Love.

FEELING HEALING + SOUL HEALING

To heal one's self is to simply look to see what feelings we are refusing to let ourself feel, and accept them instead of denying them. And to fully accept them, one needs to express them, speak about them, let them have their say, rather than pushing them aside, refusing to let them make you feel bad.

Doing this all with the intention of seeking the truth of why you are feeling them, of speaking about and expressing all such feelings; all feelings you have, but ALL WITH the INTENTION of UNCOVERING the TRUTH THEY WANT YOU TO SEE ABOUT YOURSELF. And it's the wanting to see the truth of them that is very important, because if you just look to accept them and speak and express them, but not seek their truth, then that's all you'll be doing, speaking and expressing them, but not healing their causes, so not fixing the things within you that are making you feel bad. And it's the truth part of it, seeking the truth of your feelings, and so, seeking the truth through your feelings, that's vitally important. It's the truth of yourself, life, nature and God, that is the spiritual aspect to it all.

You CAN'T find the truth of yourself, or anything else, through and with only your mind. You HAVE to engage and look to your feelings. And so if you choose to allow your feelings to 'Show You the Way', then the truth will come as you express them.

So to do our Soul-Healing consists of these steps, all of which are ongoing until it's done:

- **Admit you are feeling bad.**
- **Accept your bad feelings, identify what they are.**
- **Honour fully your bad feelings by expressing them, speaking about them to someone who is willing to hear you talk about them, or tell them out loud to our Heavenly Parents. Long for the truth of them. Long for the truth of why you feel bad – what deep within you is causing your bad feelings?**
- **And remember, bad feelings are Good! Not bad. They are not to be despised. And as hard as it is to accept them, they are still you, and a very real part of you. And if you persist in denying them and not allowing yourself to fully live them, then you are only going to keep yourself in your errors making things harder for yourself.**
- **All sickness and suffering, all bad things that happen to you, all your problems, all your addictions – your whole feeling-denying and untrue life, is all caused by your denial of bad feelings.**
- **Every problem in the world is brought about because everyone has been brought up to deny feelings, and in particular, most of their bad ones.**

If one is intent on spiritually evolving and growing in truth, then it's vital, and this is the key, that one looks to use one's feelings as the means to gain and have access to the truth of oneself. You CAN'T find the truth of yourself or anything else through and with only your mind. You HAVE to engage and look to your feelings. And so if you choose to allow your feelings to 'Show You the Way', then the truth will come as you express them.

Doing your Soul-Healing with the Divine Love, is really doing your 'Feeling-Healing'. We are designed — created — to be self-revealing of truth, and so we are all to uncover the truth within ourselves and for ourselves, and all being done by living true to our feelings. **If you accept, express and seek the truth of your feelings, then truth will come to you, and you'll grow spiritually. It's as easy as that. Also it is as easy as it is to long for, ask for and receive Divine Love.**

THE HEALING OF YOUR BAD FEELINGS THROUGH THEIR ACCEPTANCE
AND FINDING THE TRUTH OF THEM, IS THE ACCEPTANCE OF YOUR
NEGATIVE, REBELLIOUS, EVIL, IMPERFECT MIND AND WILL CONDITION.

To do our feeling-healing we need to become:

Aware of – Acknowledge – and Admit, our bad feelings.

So we can:

Accept – them and allow ourselves to Be them.

And then if we feel to, take:

Action – Express, speak and emote them.

Talk about them.

All being done whilst longing to, really wanting to, see the TRUTH of our feelings.

So it sounds simple.

So I repeat:

We accept our bad feelings by expressing – speaking about them to someone willing to listen to us and take us seriously. And as we speak we long for the truth of them – why we are feeling them – to be made known to us. And when we uncover and see the truth we are FREE! – healed of the causes that have made us feel bad.

Accept, Express – see the Truth, and you're Free!

ACCEPTANCE OF ALL YOU FEEL, THINK AND ARE, IS THE KEY TO DOING
YOUR HEALING; THAT, AND WANTING TO SEE THE TRUTH OF ALL YOU
FEEL, THINK AND ARE.

Release one's pain through expressing one's feelings.

in conjunction with

Longing for the Truth when also longing for Divine Love.

FEEL *for* TRUTH

The beauty of it all, is the truth comes to you through your own feelings. You don't need to be told it by anyone. You can work it all out for yourself. We are self-revealing of truth, it's how God created us to be, and by being it we'll feel the happiest we can feel. Truth is our great comforter, so when you feel it come up within you, ah it feels so good and you feel just right – perfect!

We know only how to deny feelings, now we can get to know how to accept them. And always with the truth being the most important part.

FEELING TRUTH

If you don't want to uncover the truth of your feelings, then you can keep on expressing them forever but you will never fully heal yourself. Seeing the truth results in the Healing. And to see the truth you need to express all the pain out of you. The two things go hand in hand.

You can accept and express your bad feelings, letting off steam all day long, yet nothing will heal and nothing much will come of it. So this is where wanting your feelings to show you the truth of why you're feeling as you are is so important.

Don't go fishing with your mind, that will shut the truth out from rising up for you. KEEP YOUR MIND OUT OF IT. It's a feeling thing, doing your Feeling-Healing. (This is where we erred previously, and this how other modalities are in error.)

You long when you can, then stop longing and keep expressing. And at some point, and it might not even happen immediately, it might happen after days or weeks of expressing the same bad feelings, truth will come to you. And it does, it just comes up suddenly into your consciousness. You just know. You see the picture and you feel it's true. And you know it's true. And THEN your mind can come in and start sorting it out and putting in context.

It's the Truth that we are seeking. It's the End Point. The Reason for doing your Healing. You are to see the whole Truth of yourself. And to begin with, that's the whole truth of your unloving self, of your wrongness, of your evilness, of why you are as you are in your negative unloving mind-controlling state. To be able to fully accept yourself as you are, warts and all. To not fight or resist or try and change yourself, just to accept all you feel and all the truth of all those bad feelings you feel about yourself. And when you do, so you will be healed. You CAN'T heal yourself unless you uncover the truth of your pain, suffering and so the truth of all your bad feelings.

Through our Feeling-Healing we long for the truth of what we're feeling whenever we can. So as often as you can. You want, and REALLY WANT WITH ALL YOUR BEING, ALL YOUR WILL, to know why you are feeling bad. You yearn, want, long and beg and beg and BEG God to show you the truth of yourself through your feelings. So when you are expressing your bad feelings you can stop and long for the truth to show you what's going on, why do you feel so bad, and you can do it any time you think of it or feel to do it.

Feelings First

The New Way, Feelings First Spirituality
 Learn to live with God through your Feelings

Accept, express and long for the truth of your feelings

Be free in your feelings
 Free your feelings from your mind's control
 Live true to your feelings; your feelings are your true self
 Live true to yourself through your feelings

Live true to yourself by living true to your feelings.
 Long for the truth of your feelings.

Accept / Express / Bring out ALL of your good, and most importantly,
 BAD feelings.

Want to understand why you're feeling them.

Use your surface feelings to take you deeper into your repressed and
 hidden feelings.

The Feeling Way is the True Way.
Your feelings are your spiritual guide.
Your feelings will take you to God.

Your feelings will show you the truth of your relationships, including your relationship with God; and if anything is wrong, untrue and unloving, then why it is.

Our feelings are sacrosanct and we should respect them accordingly. And we should NEVER block them out, ignore, override, banish, deny or reject them, because if we do, we're only doing that to ourselves, as Our Feelings Are Our Self.

Our feelings are the gateway to our soul. Our feelings are the closest we can get to our soul. Knowing the truth of our feelings is knowing the truth of our soul, and knowing the truth of God.

Feelings First Spirituality is the True path for humanity.

It embraces all people.

It completely unifies the world.

Everyone can relate to everyone else through their feelings.

And we can all live the truth that comes from our feelings, all sharing the same truths as we express and have the same feelings.

No one need be left out; no one is more special than anyone else – we are all united in Truth through our feelings.

So with and through our truth we live our lives, therefore without the need of any man-made mind-laws, rules and restrictions that limit self-expression as inspired by our feelings.

The New Way, Feelings First Spirituality is what is to replace all man-made, mind-contrived religions that so many people have enslaved themselves to. The New Way, Feelings First Spirituality will set us free of all that control, ending the Rebellion and Default within ourselves as we do our Feeling-Healing, and ending such control and spiritual stagnation in the world.

Bring on the End Times – get it over and done with! Let's all see that Jesus is not going to come again, that Prophecy has failed all the mind-controlled platforms. Allow such false systems of belief to die their long-awaited natural death, they've overstayed their welcome, it's now time they fade away. So let us show such antiquated, erroneous systems of belief the exit and bring on the fresh liberation of discovering the truth of how we are to live for ourselves, each of us personally in our lives, and all by looking to our own feelings for it. Self-revelation through our feelings is the way to go.

The Way of the Mind is ending, and is really the End Times – the End of our mind control, and **it's**

about time! With the Way of our Feelings replacing it.

The End Times means the end and therefore a New Beginning. And that new beginning is a whole new Spiritual Age – an age based on self-revelation of truth through one’s feelings, coupled with and supported by higher revelations from the Celestial spirits, angels and nature spirits.

The Feelings First Spirituality is the True Way to God because it helps you get to know God, helping you to reach out, connect and be personal with God, and do God’s Will, all through your feelings. It is the only true way of getting to know the God of Feelings – our beloved Heavenly Mother and Father, the Great Soul of Divine Love.

Love comes through our feelings and not our mind, as we’ve all been wrongly led to believe.

Feelings First; then comes The Truth; then comes Love.

Hell:
 Exploiting the Rebellion and Default.

The Feelings are the doer; the Mind the teller. So we are to go with our feelings, which we can't be told to do with our mind. So the longing for the Divine Love, doing our Healing by expressing our feelings and longing for their truth, are all feelings and doing it with longing. Whereas the mind just wants to tell us what to do and how to be, no feelings in it, all how our parents have treated us.

CLEANSING the SOUL:

Years and years of personal endeavours to step away or above harmful habits and personality traits that are harmful to others and one's self have been mainly futile. We all want to grow in our love for ourself and of others.

Our beautiful loving personality that we are blessed with at conception / incarnation becomes encrusted with errors and personality issues of those around us, particularly during our early childhood. The personality of those living around us, during our early years, becomes encrusted over our pristine soul thus clouding our radiance into dullness. We become mind controlled!

Our Heavenly Parents want what is actually best for each of us and there is a source of light that's willing to give it to each of us, but only at our soul and spirit's quest for union with the divine. Not our ego's need for things.

It is only with our Feeling Healing and the infusion of the Love, that the Mother and Father conveys via the Holy Spirit, do we start to dissolve negative issues, habits and personality errors from our soul and personality. Our personality is part of our soul structure.

All we need do is ASK for this Love. An earnest longing and desire for the Mother and Father's love will never be withheld, it will shower over our spirit body, the template of our physical body, and be absorbed into our soul. As the Love permeates through our soul, errors of personality will slowly but surely dissolve.

Over time, as we progress along our path of asking for and receiving this love, the natural love which we were blessed with prior to conception will be progressively transformed into Love that is Divine. This Divine Love will slowly emerge as radiance through our being.

With Feeling Healing and this Love we find harmful habits and personality traits become a distant memory. With this Love, we find ourselves unable to harm others or ourselves. With this Love we find our quality of life blossom and joy starts to emerge in all aspects of our living.

With this Love we become immortal. With this Love we become fitted for the Heavens that the Mother and Father have prepared for us all. Just ask and faith, love, and happiness will follow. Yes, just ask!

WOMEN are OUR SPIRITUAL LEADERS!

To PARADISE, the HOME of OUR HEAVENLY PARENTS

The Way Home

We men generally CAN'T do our Healing by ourselves, we need the help of a woman and / or women.

Women ARE the true spiritual leaders, they ARE able to live true to their feelings, and need to be recognised as such, appreciated for being so amazing in that capacity, and so supported and put first, something the man finds hard to do because of all his rebellious programming about being the superior dominant one.

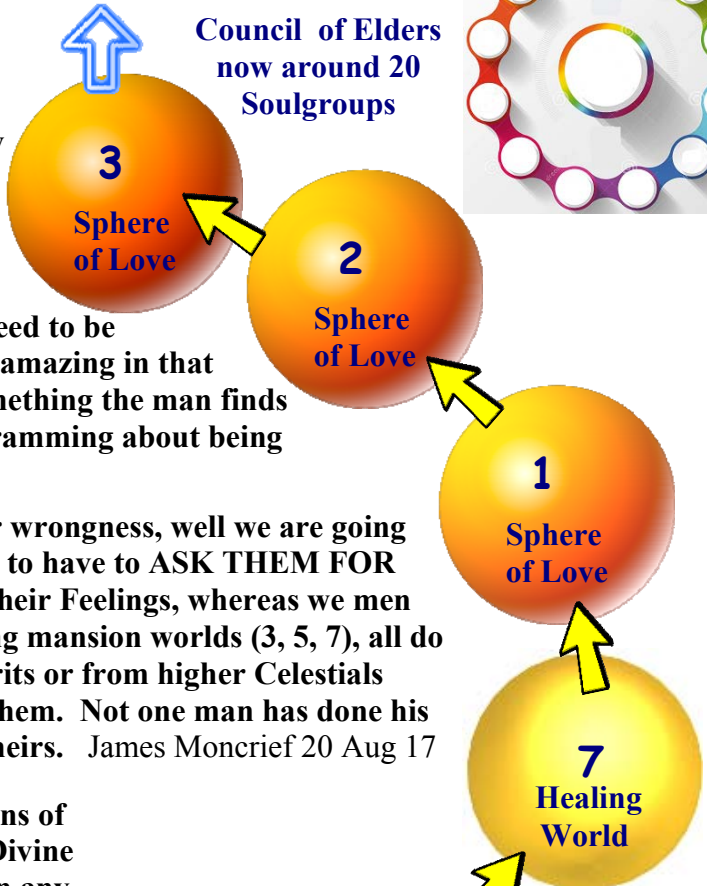

If we men want to ever Heal ourselves of our wrongness, well we are going to have to fully honour women, we are going to have to ASK THEM FOR HELP. Women innately know the Way of their Feelings, whereas we men don't. Men spirits in the Divine Love Healing mansion worlds (3, 5, 7), all do receive help from fellow Healing women spirits or from higher Celestials (Sphere of Love 1, 2, 3). They all do, all of them. Not one man has done his Healing as Marion or Samantha are doing theirs. James Moncrief 20 Aug 17

The religions of today were created as a means of stopping Jesus' truth about longing for the Divine Love and what that does to the soul, and then any truth Mary Magdalene might have said about looking to our feelings for their truth, so as to keep the Rebellion in place. The religions pre-Jesus were designed by the Higher Evil Spirits who were controlling humanity to keep that control, focusing everything on the mind being in control rather than feelings, and then post-Jesus, they added more of the same yet with the added emphasis of using all he said, so taking it, corrupting it, and adapting it to their cause.

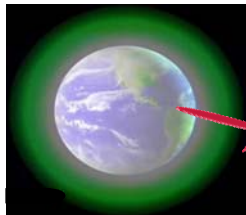

And then throw in their contrived Islam, and you have more male domination and the subjugation of feelings – of the woman.

Helen 20 Aug 17

The 1st and 2nd Mind Mansion natural love Worlds are jammed to the rafters with spirit personalities. Those who progress to the 4th and 6th Mind Mansion Worlds are progressing further away from God, continuing with the Way of the Mind!

Council of Elders now around 20 Soulgroups

WE ALL ARE BEING GUIDED HOME:

We need the Spirits of Truth of the Avonal Pair to Heal ourselves; then once Healed, (and for support (overshadowing) as well through your Healing), we need the Creator Pair, Mary Magdalene and Jesus’ Spirits of Truth to see us through the Celestial spheres, while at all times embracing our Heavenly Mother and Father.

Until Mary and Jesus died and liberated their Spirits of Truth, no one from any of the worlds could leave Nebadon, because no one knew the way to do so. Nebadon is our local universe containing some 3.8 million inhabited physical worlds and their associated spirit worlds.

When we embrace the truths Mary and Jesus are revealing, and start to do our Feeling Healing, or with Divine Love, Soul Healing, we are then freeing ourselves up from our parental and self control.

Thus our journey to Paradise, to the home of our Heavenly Parents, is of our choosing as to when we progress, however, there is only one way:

HUM: Humanity is to ascend. We are self contained. Our soul is always in truth and perfect at all times. **By living true to ourself, true to our feelings, we are living true to God. It’s that simple.**

We are to recognise that being engaged and dominated by our mind is the wrong way for us to evolve and grow in truth. We are to discard the mind enslavement that has been imposed upon as by all of our parents. We are to express our feelings, both good and bad and free ourselves of the indoctrination that humanity has embraced worldwide.

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God’s soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of our Mother and Father.

AVO: We are to embrace the truths and guidance of the Avonal Pair through their Spirits of Truth. It is the Avonal Pair’s guidance that will lead us through our Feeling Healing, and with Divine Love, we will be able to ascend through the 7 spirit Mansion Worlds and enter the Celestial Heavens where we also interact with other world’s spirits.

J&M: We are also to embrace the truths and guidance of the Paradise Pair, Mary and Jesus, who will then lead us through the 3 Celestial Heavens that are aligned with Earth, and then further on through Nebadon where we will then depart beyond on towards Paradise.

M&F: Beyond the universal zone of Nebadon, we will be guided by our Heavenly Mother and Father onwards through the universes to Paradise where we will be welcomed by them, home for us all, as we are all Children of God.

M&F

J&M

AVO

HUM

WE ARE Children of God

WE ALL ARE BEING GUIDED HOME – NOW, HOW TO COMMENCE THE JOURNEY:

GOD

M&F

For 200,000 years, we have been misled into embracing our mind's distortion of wisdom and truth. All such traditional understandings only lead us in the wrong direction, from which we must turn back from. Our soul based feelings are always in truth. Our minds are to follow our soul based truths and feelings, not the other way round, as we have been brought up to embrace.

We are to connect with our deeper repressed feelings.
 We are to long for the truth of what we are feeling.
 We are to live true to our selves; by living true to our feelings.

Use your surface day-to-day feelings to connect with your deeper repressed feelings. Express your surface feelings and your deeper repressed feelings to uncover the truth of yourself.

J&M

We all have feelings which we communicate and share with each other. And we all have deeper buried and hidden repressed feelings. Feelings from our early childhood we felt, yet weren't allowed to express. These feelings are still within us, waiting to have their say. These feelings, because they are repressed, cause us all our problems.

And as we look to uncover, bring out and accept these deeper feelings, so we're taken into new ways of looking at ourselves, our feelings, and our life. We're setting ourselves free of the controlling patterns that govern our unloving behaviour.

In this way, we progressively begin to express the personality that our Heavenly Mother and Father gave us, not the one imposed upon us by our physical parents and carers. We are to be our true and real selves.

By living true to ourself, true to our feelings, we are living true to God. It's that simple.

AVO

HUM

As we, humanity, long for the truth of our feelings, we can also be assisted by the Spirits of Truth of the Avonal Pair who are our spiritual teachers for Earth over this coming 1,000 years, to assist us through the Great U-Turn, away from mind dominance to being soul based feeling lead. They will assist us through the seven levels of the spirit Mansion Worlds.

Then the Creator Pair, Jesus and Mary, will lead us through Nebadon and into the greater universe. Then our Heavenly Mother and Father lead us home to Paradise.

Collectively, should we embrace them all, as we are to, then our pathway home is a journey in the hands of the Spirits of Truth of the Avonal and Paradise Pairs overseen by our Heavenly Parents.

HOW TO GET TO PARADISE:

The Key

- Long for the Divine Love
- Long for the Truth
- Long for the truth of your feelings
- Don't deny any feelings: accept, express and want to know the truth of them
- Know your feelings are the key; your feelings are the Way
- Want to end your falseness and being untrue
- Want to understand the truth of your early life
- Use your surface feelings to move deeper into yourself, bringing up your repressed feelings
- Want and long to know the whole truth of yourself
- Want to do it all with God, your Heavenly Mother and Father – long to Them for help.

Our longing drives our life. We long with feelings. We can wish for things using our mind, yet long for things with our heart. These things in the pyramid are what to long for. Longing for them, when the longing comes naturally. Longing because you feel you really want them. Long to be true with all your heart. Long to live true to your feelings. Long to understand the whole truth of yourself.

PARADISE TRINITY:

1. **Our MOTHER and FATHER (God) (MF) – Divine Love**
SOUL (God) – One SOUL that is expressing its two PERSONALITIES, our Heavenly Mother and Heavenly Father (Soulmates)
 2. **ETERNAL SON (ES) – Divine Truth**
 3. **INFINITE DAUGHTER (ID) – Divine Mind**
- Then: The Second and Third Persons of the Paradise Trinity (ES and ID) are stepped down to the local universe trinity (Mary and Jesus, Divine Minister (DM), and her Holy Spirit.

The LOCAL UNIVERSE TRINITY:

1. **MARY M and JESUS** – Our MOTHER and FATHER – Love – the Living Truth
2. **DIVINE MINISTER** – Mind (and her Holy Spirit)
3. **HUMANITY – Natural love, sons and Daughters – Truth, and our Angels – Mind**

PLANETS that engage in REBELLION:

1. **AVONAL SOULMATE PAIR** – the Feeling Healing process – incarnate
2. **DAYNAL – TEACHER PAIRS** – they do not incarnate

So in summary:

Consider a diamond:

Mother and Father Heavenly Parents

Creator Son & Daughter
Jesus and Mary

Avonals
as soulmate pairs

Trinity Teachers
as soulmate pairs

Melchizediks – who have taken over from the Caligastians and Daligastians being also all as soulmate pairs.

Mortal Souls – human beings who individualise on Earth, then progress through the spirit Mansion Worlds, then into the Celestial Heavens, and beyond.

Mortal Souls – also being ascending spirits, upon completing their Soul Healing, join with their soulmate, then join their soul group of 24 mortal spirits, being 12 soul pairs. It is only as a soulgroup that anyone can progress beyond Nebadon.

The Paradise Pairs are all ONLY concerned with the SPIRITUAL wellbeing and upliftment of the planets and local universe. Currently to do with Earth:

Mary and Jesus – spiritual wellbeing and upliftment of the whole of Nebadon region.

Avonal Pair – Daynal pairs (Trinity Teacher Daughters and Sons) – Spiritual wellbeing and upliftment of individual planets and their associated Mansion Worlds.

The Local universal Sons and Daughters are all about the running of the worlds under their jurisdiction, and ensuring the higher spiritual elements can be employed, or sent astray, as in our cases through the Rebellion and Default.

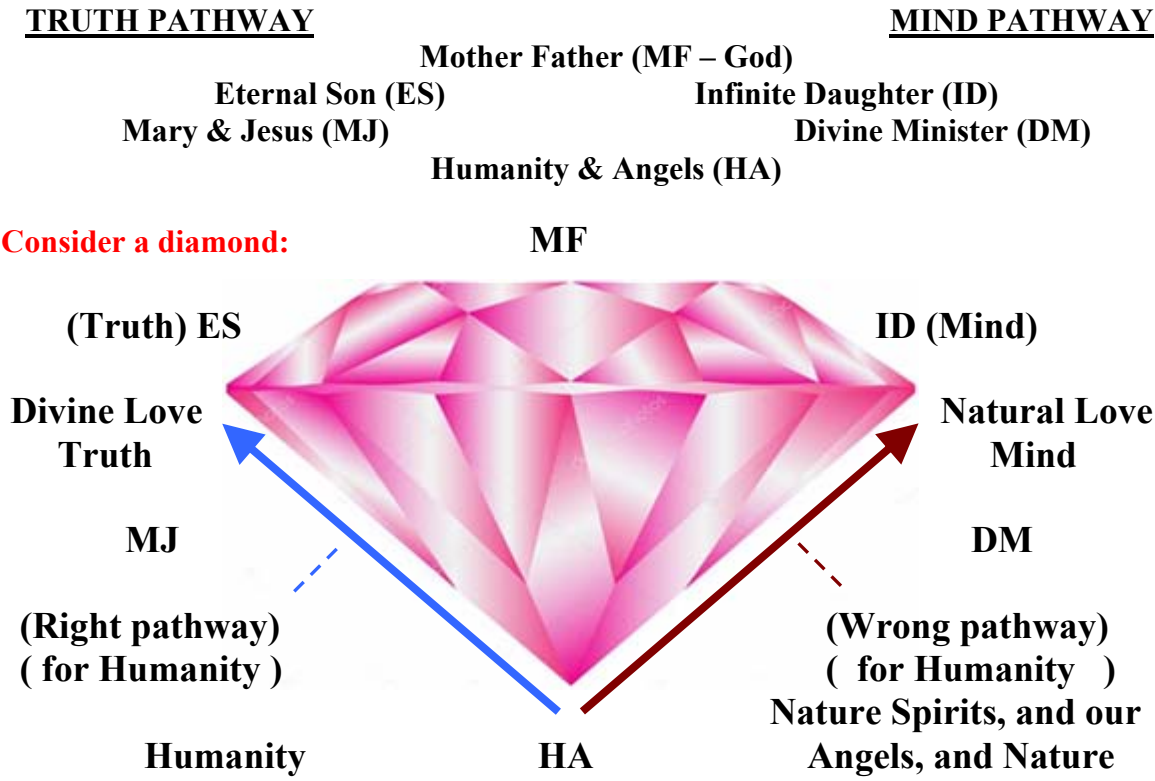

Lanonandeks – Melchizedeks (and others, such as Life Carriers and Eve and Adam).

As the Lanonandeks all rebelled – the Lucifers, Satans, Caligastias and Daligastias soulmate pairs – so the Melchizedeks have taken over their roles, as well as doing their own.

So the Melchizedeks are the governors, overseers, the administrators and advisors and so on for Earth; they are the ‘controllers’, and they will instigate all that needs to be done to do with the ending of the Rebellion and Default. And they will enlist the willing help of ascending mortal pairs, so the mortal Celestials spirits (soulmates when available, and others waiting to unite with their partner), and at times mortal spirits in the Divine Love Healing Mansion Worlds. And the angels help all of us.

Currently the whole of Creation exists for the ascension of mortal souls from their earth planets to Paradise. It’s all one vast Grand Ascension Scheme. With all the higher and lower spiritual Daughters and Sons, together with all the many different angels and other universal spirit personalities, and even including nature and our very own pets, assisting women and men with their Ascension Journey. It being: and Ascension of Truth. Everything we do is done to help us grow in truth. (Only everything we do in our negative state is to deny ourselves our truth from our feelings, which is why we have to do our Healing.) All women and men are ascending (or growing) in truth through their experiences. And as we grow in truth by looking to our feelings to show us that truth, so we’re ascending, moving inwards and upwards through all the worlds and spheres of the Grand Universe to one day arrive on Paradise and meet our Heavenly Parents. God is providing us, Their children, with this spiritual journey called our Ascension of Truth. And by living true to our feelings, so we are progressing on our true Spiritual Path – our Ascension Path.

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God’s soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of your Mother and Father.

Humanity is to pursue the pathway for Truth through one’s soul based feelings, this is the right pathway. However, humanity commences its journey founded on natural love, which we now know is to be perfected through one’s Feeling Healing process and then made divine through asking for and receiving our Heavenly Parents’ Divine Love.

For 200,000 years, **humanity** has pursued the pathway of the Mind, being that of the brain, this is the wrong pathway. The Mind is the pathway for Angels and that of all of Nature.

CREATION of SOUL and SPIRIT:

God is *The Paradise Trinity* — the eternal Deity union of the Personalities: the Universal Mother and Father; the Eternal Son of Truth; and the Infinite Daughter Spirit of Mind.

The soul of each human personality (sons and daughters of truth) is existential, driving our personality expression in the experiential. The soul of each human finds truth by embracing one’s feelings and longing for the truth of them. We are to attain the Eternal Son of Truth. We are a creation of Truth.

The soul of angels is experiential, evolving through their experience by continually progressing in mind development. Angels are to attain the Infinite Daughter (Spirit) of Mind. Angels are a creation of Mind. Our soul is duplex (we have a soulmate) and is created by our Heavenly Parents. Through our Feeling Healing we perfect ourselves enabling the union with our soulmate, as we progress in truth up through the Mansion Worlds, celestial heavens and all the way to Paradise.

The soul of angels is also duplex, yet of the mind, and they progress in mind evolution to Paradise. Animals, plants and nature spirits are also creations of Mind.

Neither we nor animals reincarnate. We never die; upon death, we move into the spirit Mansion Worlds on our journey to Paradise. When animals and plants die, be they the tiny microbe to the mighty elephants of the land and the whales of the ocean, their spirit energy returns to the Spirit Collective Energy. And from this energy are drawn other animals and the nature spirits, who then in turn move onto becoming angels through increasing mind experience.

A nature spirit is an angel in waiting.

U-TURN for HUMANITY:

Why are we doing a U-Turn?

We are doing a U-Turn **because** the year 2017 heralded the end of the Rebellion and Default. For two hundred thousand years, humanity has been going in the wrong direction.

What is this fundamental step that will change our way of living?

We are to come to understand / know the foundational cause of all our feelings, both good and bad. As we explore and investigate our feelings, each time they arise, one by one, we are to talk them through, express them to a companion or friend or anyone who will listen. As we express them, while at the same time coming to understand how they have come about, we will find that they will be resolved and that they will not come up again.

We will find that all of our feelings / emotions have their foundations from our childhood. And by childhood, that is from the time of one's conception all the way through to about the age of six. It is the repression of our childhood feelings that is the base or foundational cause of each and every one of our adult personality issues, pains, difficulties, illnesses and distressful life experiences.

We have to see the whole truth of our negative or self-denial state, before we can heal it and be free of it.

The vital difference between **emotions** and **feelings** is:

- emotions have their roots in the past,
- feelings relate to the present moment,
- emotions represent feelings not previously expressed,
- and these accumulate over time.

Many emotional clearing processes encourage us to look into our feelings, however, none go so far as to drill down into the core foundation of any emotional feeling to the point that we strive to KNOW the core issue, the origin of the feeling, be it good or bad, and actually come to know what it is!

The *Journey Process* is generally known worldwide. It stops short of longing to know, that is asking for the knowing of the events that brought about such a feeling. Yes, we are to acknowledge the feeling, say being angry. Then accept that behind that anger is the feeling of being small, and then look at the underlying reason of why we are feeling small. What is the truth behind that feeling? Ask our Heavenly Parents what is behind all of this feeling. What is the foundation, the origin of the feeling? All the time talking it out, expressing it, with a friend. The expressing of the experience is the release of the emotion / feeling, this is what removes it for ever from within our essence, our **soul**.

Why ask our Heavenly Parents? I thought God was just God – singular?

This is part of the revealings that have been unfolding for us very recently – that is – since 2002.

**Feeling
Healing with
Divine Love is
the key!**

We are made in the image of God. This has been understood for centuries, for 2,000 years. Our soul is duplex. Our soul expresses itself through two personalities. One soul 'subdivides' into two, one half always being female and the other half always being male. We are a reflection of how God is. God being one Soul is expressed as Mother and Father. God is two personalities. They are soulmates. And each of us has a soulmate, and our soulmate is always of the opposite sex, because the Mother and Father are the opposite sex.

Thus, when we long for the truth behind a feeling, then we can long to our Heavenly Mother and Father. Only they can tell us. No spirit personality can tell us. No canonised saint can tell us, we may as well ask our next door neighbour. That would be just as productive. Mary and Jesus can't tell us, as they are also spirit personalities.

I was taught that Jesus was God? And what is this about Mary?

Mary of Magdalene and Jesus of Nazareth were both born free from sin. Neither of them are God. They are both children of God, just like you and me.

History needs to be corrected. Both Jesus of Nazareth and Mary of Magdalene became at one (At-One) with our Heavenly Mother and Father during their physical lives here on Earth in the first century; Jesus in the year 26CE and Mary in the year 33CE, or thereabouts. Jesus died aged 35 (born 7BC died 29CE), and Mary died aged 47 or 48 (born 2BC died 47CE).

Further, their sojourn on Earth was the completion of their process to become the full Regents of the sector of planets that is referred to as Nebadon. The region within our super-universe that is referred to as Nebadon contains 3.8 million inhabited planets. If you look into the night sky, each star / sun potentially has between none to three inhabited planets within its orbit. Within Nebadon, the soulmate pair, namely Mary and Jesus, are our Spiritual Teachers of Truth. Their domain is all 3.8 million physical planets plus their associated spirit worlds. Each physical world has seven associated spirit worlds, which is the case for Earth being one of the 37 that have rebelled.

Some 200,000 years ago, Lucifer with his soulmate and his deputy, Satan with his soulmate, brought about a rebellion on 37 of the inhabited planets within the region called Satania, one of the local universal systems of Nebadon. Earth compounded the situation through the Default of Adam and Eve about 38,000 years ago. Thus the population of Earth, being in the worst condition through the Rebellion and Default, became the location for Mary and Jesus to have their physical experience to complete their ascendancy to full Regency of the local universal system being Nebadon.

Their lives on Earth was the start of the unravelling of the Rebellion and Default. Upon Jesus becoming At-One with our Mother and Father, he was then vested with the authority and power to have the Lucifers and Satans arrested, and they now reside exiled within a prison world.

Notice that there were no records of Jesus and Mary's teachings and experiences made during their physical life. That was because they did not specifically come here for us, they came for the benefit of all peoples of all planets and spirit worlds throughout Nebadon.

As they are Paradise descending spirits, they have **Spirits of Truth**. Upon Mary and Jesus' death, they released their Spirits of Truth. As spirits, Jesus and Mary are how we will be, once we've finished our Soul Healing. They can only be in one place at any one time. However, it is their Spirits of Truth

throughout Nebadon that we can connect with for guidance. It is through their Spirits of Truth that spirit personalities can progress through and out of Nebadon.

Those planets that have Rebelled need further assistance, and they need it on a localised manner. This can only be provided by another bestowal of a **Paradise Pair**, and that is in the form and manner of an **Avonal soulmate pair** who come here specifically for us.

What is the purpose of an Avonal pair, and are they here on Earth?

Unlike Jesus and Mary who were always free from sin and did not experience how to heal themselves, the Avonal pair are to experience all of the extremes of evilness and then proceed to heal themselves. Mary and Jesus through their bestowal on Earth ended the Lucifers spiritual rebellion in Nebadon; the Avonals bestowal is primarily concerned with ending the Default of Adam and Eve by the Avonals themselves personally healing the effects of such a damaging Fall.

The soulmate Avonal pair are to be, and have been, subjected to the extremes of childhood suppression and repression, and then, through their Feeling Healing, are experiencing all the facets of emerging truth as they slowly progress through a protracted and difficult healing process. As they reach specific milestones, this also enables those in the Celestial Heavens, (the three worlds where Celestials reside) to be empowered to assist us in the physical on Earth.

The first considered milestone was the arresting and imprisonment of the Caligastia soulmate pair and the Daligastia soulmate pair. After the arrest of the Lucifers and Satans in the first century, as nothing further occurred, the Caligastias and Daligastias continued on from spirit as if they were kings and queens, suppressing all of humanity and with plans to take over the universe. It was possibly in the early 1990s that they were 'judged' and 'removed'. They were caught unaware that an Avonal bestowal pair were on Earth.

How is all this becoming known? Has Jesus and Mary communicated directly to Earth?

Unlike in the first century, when no records were kept (as the event related to all of Nebadon and it was actually setting the stage for the Avonal bestowal pair to arrive on Earth), every effort to retain records in great detail of this current series of events is now being attended to. Consider this. The New Testament of the Bible is some 300 pages. The records of the Second Coming, which this is, the primary records are possibly 6,000 pages, with direct complementary records increasing that to over 10,000 pages and with all the supplementary records to date, there may be as many as 40,000 pages, certainly well over 30,000 pages of material presently.

Jesus directly communicated through James Padgett from 1914 to 1923. Mary of Magdalene (Mary M) has directly communicated through James Moncrief from 2002 and is ongoing. Jesus has also communicated directly through James Moncrief. Neither have ever directly communicated through any one else, however, some Celestial Spirit personalities have provided information through other personalities on Earth with the support and approval of Jesus and Mary, thus some confusion, though the quality of the information is very reliable.

You say this is the Second Coming? You say I am living during the time of the Second Coming?

Yes you are. And it's more than that. This is the Second Coming, the End Times and the Handover!

In fulfilment of the prophecy in the first century, the Second Coming commenced on 31 May 1914 through the writings with James Padgett and concluded in 2014 through the writings with James Moncrief.

The End Times are well advanced. Mary and Jesus are well advanced in handing over their direct involvement with Earth to those within the Celestial Heavens. When this is completed, the Handover will also occur. **The Hand Over is to the Avonal Bestowal pair** and it is they who will guide the population on Earth through their Feeling Healing processes for the next 1,000 years, being the next spiritual age. The Handover will take place after the Avonal pair complete their personal Healing of the Rebellion and Default. Then will follow with their Spirits of Truth being officially liberated in alignment with Mary M and Jesus' Spirits of Truth upon their death.

Major events have occurred with the progression of the Avonal pair's Feeling Healing, which they are also doing whilst embracing our Heavenly Parents' Divine Love, thus they are doing their Soul Healing.

Early 1990s:	The arrest of the Caligastia and Daligastia soulmate pairs.
22 March 2017:	Negative spirit influence was blocked.
31 March 2017:	Angel assisted healing will become available upon the Avonal pair completing their own Feeling Healing, being with Divine Love, thus it being Soul Healing.
22 May 2017:	Law of Compensation quickening.
2 December 2017:	Psychic Barriers maintaining the Rebellion and Default were cracked.
8 December 2017:	Bring on the money to 'house the future of humanity' .
31 January 2018:	Earth and the seven associated Mansion Worlds (including the two Earth planes) are officially now fully under the control of Celestial spirits. This marks a tangible and real end to the Rebellion and Default.

How does this all fit into our future way of living?

This time, in the history of humanity, is the most exciting time ever experienced.

The whole human race is suffering from repressed childhood and mind control.

Through one's Feeling Healing, and should we embrace our Heavenly Parents' Divine Love, then with their Love we are doing our Soul Healing, and eventually we can live totally in accordance with our soul based feelings and live free from error – no more fear and no more physical illnesses is possible!

By living true to ourself, true to our feelings, we are living true to God. It's that simple.

Our soul is always perfect. In fact, we are the complete package. All that we need to know is within our soul. This knowledge has been denied from us since the time of the Rebellion and compounded by the Default. That is what was brought upon us by the Lucifers and his cohorts. We have always been meant to live true to our soul based feelings but we were taught to embrace our error riddled mind – this was aided by our parents – unknowingly all parents have taught their children to be mind dominant. **This is the Great U-Turn. We are to feel and live by our feelings and express our feelings, our mind will follow in support, not the other way around.**

“Many people look for a person, spirit, angel, even God, for supreme guidance, however it's all right there already built in – in our feelings. **Feelings** guide us through our **ascension of truth**. So they are

really our Supreme Guides. We just have to submit to them, allowing them to take us where they will, expressing all the parts we want to express, letting the emotion drive that expression if it's there to be expressed, or just talking about all we feel and how feeling that feeling is making us feel – or, how we feel about having that feeling, all whilst longing for the truth of our feelings. Longing for the truth of our feelings is really: **Longing for the truth of our self, because: we are our feelings.** So life stirs up our feelings, we feel being alive; or, being alive means we are feeling, always feeling; and when we work out what and why we are feeling what we are, so then we know the truth of how we are. And over time the truth accumulates, and our mind expands our understanding of ourselves, all being driven from our feelings.”

Kevin of the 1st Celestial Heaven 26 September 2017

(Kevin Cooper died 10 August 2012, through Feeling Healing became Celestial on 7 August 2017.)

It is through the assistance of the Spirits of Truth of the Avonal Pair, upon the completion of their Soul Healing, that we will be guided through our Feeling Healing process, and should we embrace our Mother and Father's Divine Love, then our Soul Healing.

Then should we embrace Mary and Jesus as our Spiritual Teachers of Truth, their Spirits of Truth will lead us on the path through the Celestial Heavens where we will certainly meet up with our soulmate and join our soulgroup, which will eventually consist of twelve soulmate pairs. Then as a soulgroup, the Spirits of Truth of Mary and Jesus will lead us up through and out of Nebadon towards Paradise.

It is then our Mother and Father in Paradise who draw us to them and we will eventually meet our Heavenly Parents.

Meanwhile, while we live on Earth, we will have assistance and guidance previously denied to us throughout the era of the Rebellion and Default. Under the Contract controlling and managing the Rebellion and Default, the powers and capabilities of our Celestial Heaven spirit personalities, all three worlds of them, were heavily restricted and almost of no assistance to us at all. Further, Nature Spirits and our Angels were heavily denied contact with us physical people because of the Rebellion and Default, all of which is soon to change, so we can look directly to them for help concerning healing ourselves and understanding all aspects of nature.

As we embrace our Feeling Healing, Celestial spirits will and can greatly assist us. In fact, during the year of 2017 they have blocked all mind spirits from the Natural Love Mansion Worlds: 1, 2, 4 and 6 from interfering with us. Celestials have taken control of all facets of living and life on Earth. Celestials are those spirits who have completed their Feeling Healing and progressed through Divine Love Mansion Worlds 3, 5 and 7 and now live in the higher Celestial Heavens, 1, 2 and 3 (when we become At One with our Heavenly Parents then we leave the Mansion Worlds and progress through the next three spheres related to Earth, hence the Celestial Heavens are also referred to as being numbered 8, 9 and 10).

The Nature Spirits of Earth, who live in the third Earth plane, can now directly interact with those who are embracing their Feeling Healing. Nature Spirits are essentially 'angels in waiting'. They have been on Earth prior to anything that we now see living in nature. When they first started to

arrive, there was no life in the seas or on land. They have consequently witnessed everything that has happened on Earth, including all prior human civilisations that we continue to largely remain ignorant of. Their knowledge and assistance is of great importance to us. We are to interact with them on an ever increasing scale. They are to become an invaluable source of information for us concerning how we are best to live with nature.

Further, we may become more aware of our **Indwelling Spirit**, which arrives for each of us during our sixth year, as we now progress with our Feeling Healing, or with Divine Love, our Soul Healing.

And all of this is possible as we embrace our Feeling Healing process, acknowledge and accept the Avonal pair, acknowledge and accept our Spiritual Teachers of Truth, namely Mary and Jesus, and more importantly, grow to love our Heavenly Parents, our true Mother and Father.

We do not need intermediaries, rituals, liturgy, dogmas, creeds, fancy clothing, or institutions. It is our soul based feelings and expressions that we may exchange directly with our Heavenly Parents. Groups may form to assist each other, and that is choice and within our free will.

This is the greatest event in the history of humanity.

This is the Great U-Turn that humanity will embrace throughout the next 1,000 years. MoC 1,480

The BEAUTIFUL MIRACLE:

5 Oct 2012

The DIVINE UNIVERSE

The way in which the Spirit conveys the Divine Love into the soul is a beautiful miracle. The attribute of mortal soul prior to incarnation has to it, a potential within it that is part of its formed nature. After the soul incarnates this potential remains part of the soul and even if the forming personality is unaware of such a soul potential, the potential still exists. The Divine Love is entirely suitable in its energy of harmony to be the energy that a mortal soul can utilise. The Spirit covers the spirit body when the individual sincerely asks the Soul of God for the Divine Love and this covering of the spirit body is where the dynamic of this beautiful miracle takes place. From the internal longing of the individual for the Divine Love this activates the Spirit Law that activates the Spirit that is then attracted to the spirit body upon which the Spirit material of the spirit body draws the Divine Love in to its soul and this union complete. The key here is to gain a perceptive insight into realising that the spirit body is not an inert body but that it is living and has activity, recognisable from its first forming from the Spirit Law that materialises a spirit body. The Spirit and the spirit body to give an analogy are like two attracting magnets and when the surface of the spirit body is touched by the Spirit, this causes the automatic response of the Divine Love to permeate into the attribute of soul and so begins the transformation of energy from the natural into the Immortal Divine Harmony. If the individual continues the receipt of Divine Love the energy that is Divine Love actively begins to change the soul and this is felt in the spirit body systems and can produce feelings of love and elation. The spirit-mind begins to change as all spirit body systems are affected by the changed condition now experienced in the soul as the soul becomes living and vital. In one's progression of this Divine transformation, the soul will mature enough from the amount of Divine energy it receives and at that moment the surface of the spirit body and the Spirit are continuously attracted to each other and one is living in the presence of the Father in perfect harmony and this clarifies the truth about what it means to be truly at-one with God.

SHINING TOWARD SPIRIT:
665. The Shining toward Truth

Vol III, p. 157, 14 Nov 2014 – 14 Mar 2015 Zara and Nicholas

www.lulu.com

It is I Matthew, a teacher of the Divine Love. I have communicated with you recently, now I desire to provide you with a visual description of the Love.

Imagine a continuous Energy shining light blue that is unbroken with a seamless surface that surround every mortal and Immortal spirit. Imagine if you were to become aware that this energetic field of light-blue Energy existed in its shining radiance just near where you are. Now that you are aware that this unbroken Divine Love is unified energetic field of living Love, by opening toward the Soul of God and aspiring for the Divine Love, the Acting Spirit gently brings a small portion of this shining blue Energy into your soul

The Divine Love that you have received remains part of this great Energy that the Divine Love is and even though this small portion of Divine Love, now within your soul, in its shining radiance and energetic cause, it is never separated from the continuous energetic field of Energy that the Divine Love is. Having partaken of this Energy it is with perception that one is aware that the Divine Love within one's soul is the same Divine Love that every person and spirit who has partaken of this Love, participates with. Even though in our individuality we partake of this Divine Energy, this Love is never broken away from the Source and Origin from which this Divine Love emanates.

The Divine Love is bestowed into our finite soul by the Acting Spirit, but this Spirit remains in contact with our spirit body and does not enter the finite soul to become part of our finite soul essence that we are. No mortal or Immortal spirit can manifest in their soul the Acting Spirit so that this Spirit – this Holy Spirit – becomes part of our existing finite spirit body. Only the Divine Love and its Energy becomes part of our finite soul, which causes the change to our spirit body. The Acting Spirit always remains its own attribute and never does a Celestial spirit claim ownership or take possession of the Acting Spirit within their soul. (The Holy Spirit / Acting Spirit is an instrument of the Source Soul, our Father.)

This is one of the wonderful Truths by which we who have been transformed by the Divine Love understand our personal relationship with the Father's ever-present Acting Spirit. The shining Energy of Divine Love is all around us and when we have partaken of this Love, part of our finite nature becomes independently shining in this true perfect Love.

I provide these words that may appeal to those who are visual and to express the universal appearance of the Divine Love and the personal touch when in contact with the Acting Spirit.

Matthew (Apostle)

Whilst we are receiving our Heavenly Parents' Divine Love, and that this Love is causing change within our soul and spirit attributes, the greatest Truth known to man and spirit is that this is the way our Mother and Father are actually loving us! When we progress, it is the Mother and Father's way of loving us into love and then we live what we are, love.

God is God, who is our Heavenly Mother and Father, being SoulMates. There is only one Soul that is God's Soul, that being the Soul of our Mother and Father. Our Heavenly Parents are the First Soulmates; The Two Who Are One who have brought us all into being.

Jesus and Mary are a son and daughter of God.

Jesus of Nazareth and Mary of Magdalene, being soulmates, were both free of sin. Jesus and Mary, combined in their love for us, are our teachers and guidance for us to find our way home to our Heavenly Parents. To start this journey we are to liberate our souls from being entombed within our suppressive minds, through feeling and longing for the truth of our feelings via our soul and peel away our injuries incurred since conception.

Give yourself time to consolidate your relationship with the Mother and Father through the partaking of Their Love. And whilst you are doing this, you can learn about your healing, all that's involved with it, as there are many willing spirits to share their healing experiences with you.

When you are ready it will start happening simply because you will want it to, it all being orchestrated by your soul. And when that time comes you will have developed a strong foundation in your relationship with the Mother and Father for you to work from. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

It is to make longing for God's Love the priority, and then do one's healing; should one want to include God and the Divine Love in one's feeling healing. This is doing your soul-healing as you are seeking to heal your soul of all evilness – of that which made you become evil, and release all the hurt and pain of not being fully and truly loved.

VISUALISATION with LONGING:

Holy Spirit infusing Divine Love.

Progressive escalation of Divine Love flowing.

Visualise yourself as you were when young and with an empty bowl, and then thankfully ask the Mother and Father for Their Love – Their Divine Love:

"Please, Mother and Father, I want some more."

UNIVERSALITY of the SOURCE SOUL'S GIFT:

By embracing the eleventh commandment:

"This is my commandment, that ye love one another even as I have loved you."

Our soul condition steadily grows in love so that we step away from:

Any harm that we may cause to others which will also bring about consequences.

Also as our soul development progresses, our self love grows which also enables us to step away from:

Any self harm that we may cause which also will bring about consequences.

And to move along this path we simply develop our embracement of:

God's Divine Love; pray for it, ask for it, and receive it.

Or it may be even as simple as the caption below:

Oliver Twist asked:

Please, sir, I want some more!

Maybe we should simply ask:

Please, Mother and Father, I want some more!

Never can one man do more for another man than by making it known of the availability of the Feeling Healing process and Divine Love. JD

MoC

To liberate one's real self, one's will, being one's soul, is by embracing Feeling Healing so to clear emotional injuries and errors. With the Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

Our salvation IS by embracing Feeling Healing with the Divine Love.

God's Divine Love: Pray for it, ask for it, and receive it.

Please Mother and Father, may I receive Your LOVE.

“Every day is a day of devotion.”

Follow your heart, follow your love and do that in loving action, your inner love leads in your asking the Soul of God to receive a little of the Love to strengthen one's resolve to heal.

“I love you Father.” “Let the Divine Love proclaim its energy into my soul.”

“Mother – Father, I desire your Love and I am loving you.”

“Soul God, I love you and I love receiving and experiencing your Divine Love.”

“True Soul God, I am here, I am aware of your Love. Please hear my aspiration for your Love and as I approach you from my soul, I can feel your Love in the way that you are loving my soul.”

Try it; give the Feeling Healing and Love a go! If you want to shine, receive the Love.

One can simply receive the Love without following any religious or spiritual teaching taught by man!

Emotional errors and injuries cause encrustment around the soul, the soul is never damaged however, the encrustments retard love energy flow to and from the soul. Feeling Healing melts such injuries.

The Three Great Truths:

- **“God is Soul, being our Heavenly Mother and Father;**
- **that each individual soul is a duplex – both male and female;**
- **and that the Divine Love is freely available for all to receive.”**

FEELING HEALING and SOUL HEALING with the DIVINE LOVE:

James Moncrief Publications:

all publications are free downloads:

<http://divinelovesp.weebly.com/my-free-books-and-free-padgett-messages.html>

It is suggested for one to consider reading as follows:

Speaking with Mary Magdalene and Jesus – books 1 – 4

These four books encapsulate the second of the revelations with the first having been introduced by James Padgett one hundred years previously. These four books provide a wide range of guidance that has never previously been made available.

Paul – City of Light

As a gentle intro into the Divine Love and Healing; being James Moncrief's first novel and it's been criticised as being too heavily clichéd, but that's the point because it's a reflection of how he was back then.

Ann and Terry

For an example of people who might want to immediately start working on themselves and doing their Healing.

Feeling Bad? Bad feelings are GOOD

For more understanding about our denial of our feelings and why we should not deny our feelings, and it includes how it all came about for James, using himself as an example.

Feeling bad will make you feel BETTER – Eventually!

This includes specific examples of Marion and James working on expressing particular bad feelings, again with the hope that it will help others gain something of an idea as to what's involved in doing your Feeling Healing.

Sage – and the Healing Angels of Light

Through Sage who's 13 years old, the story is primarily about the two aspects of healing; that being, with the help of our angels, and the full Healing we can do by looking to our feelings for their truth.

**Religion of Feelings
Feeling Healing**

**Welcome to LOVE – the Religion of Feelings
you can heal yourself through your feelings**

So these books, including the four Speaking with Mary Magdalene and Jesus books, provide the essence of it all and are examples of James' work. Then it's up to whatever takes one's fancy. Other reading to consider may include:

The Padgett Messages being published as:

The True Gospel Revealed Anew by Jesus volumes 1 – 4

Book of Truths by Joseph Babinsky

The Urantia Book

Release one's pain through expressing one's feelings.

in conjunction with

Longing for the Truth when also longing for Divine Love.

FEELING HEALING with DIVINE LOVE is SOUL HEALING:

A collection of 'papers' that draw together specific topics including all of the above and more from other sources of information and revelation designed to help increase one's awareness about why we have the problems we do and how to heal them, all whilst living a more healthy and sustainable life. They provide a brief snapshot of the more complicated topics and issues.

Firstly, consider discovering the truth of your emotional pain through Feeling Healing. Secondly, consider longing for our Heavenly Parents' Love as you progress with your healing. Primary and most important readings are the writings of James Moncrief. Then consider the Padgett Messages, and then The Urantia Book.
