PASCAS INTRODUCTION:

Documents assembled by Pascas are provided for your individual assessment and exploration. The contents are sourced from a variety of avenues and publications. Every endeavour is made to determine that the contents are of the highest level of truth and veracity. At all times we ask that you go within yourself, to ascertain for yourself, how the contents resonate with you.

Pascas provides these notes and observations to assist us all in the development and growth of our own pathways and consciousness. Pascas does not hold these contents as dogma. Pascas is about “looking within oneself”. Much of what we are observing is new to most readers and thus you will take on board that which resonates with you. Further, you may investigate those items of interest and discard those which do not feel appropriate to you.

Kinesiology muscle testing, was developed by Dr. David R. Hawkins and quantified by his Map of Consciousness (MoC) table. MoC has been used to ascertain the possible level of the truth of documents. Such tested calibration levels appear within the document. We ask that you consider testing same for yourself. The technique and process is outlined within Pascas documents, such as Pascas Care – Energy Level of Food. From each person’s perspective, results may vary somewhat. The calibration is offered as a guide only and another tool to assist in considering the possibilities. In contrast, consider using the MoC technique to test the level of truth in your local daily newspaper.

The contents herein are not to be interpreted as an independent guide to self-healing. The information researched here and any information provided in this document should not be considered in lieu of consultation with your own physician, doctor, or other health care professionals. RADICAL HONESTY

How to Transform Your Life by Telling the Truth

By Brad Blanton, PH.D.

Published 1994, 1996, 2003

Introduction

I am sixty-four years old. I have been a psycho-therapist in Washington, D.C., for 30 years. People come to my office and pay me money to pay attention to them and do what I can to help out. I have some skill in helping people find ways to make their lives work. This is what I have learned:

We all lie like hell. It wears us out. It is *the* major source of all human stress. Lying kills people.

The kind of lying that is most deadly is withholding, or keeping back information from someone we think would be affected by it. Psychological illness of the severest kind is the result of this kind of lying.

Psychological healing is possible only with the freedom that comes from not hiding anymore. Keeping secrets and hiding from other people is a trap. Adolescents spend most of their time playing this hide-and-seek game. The better you are at getting by with playing hide-and seek during adolescence, the harder it is to grow up. "Important" secrets and all the plotting and cogitation that go with them are all bullshit.

The mind is a jail built out of bullshit. This book tells how the bullshit jail of the mind gets built and how to escape. This is a "how to" book on freedom. Withholding from other people, not telling them about what we feel or think, keeps us locked in the jail. The longer we remain in that jail, the quicker we decline. We either escape, or we go dead. The way out is to get good at telling the truth.

My clients are mostly people in the 20- to 65-year age range who are depressed, anxious, angry, burnt out, or a combination thereof. I work with government employees, lawyers, business people, media professionals, and other overgrown adolescents with super-critical minds who can't stop judging and criticizing themselves and moralizing to other people. I work to relieve their suffering, primarily the suffering of deadness.

Deadness is a low-intensity form of suffering. It is the result of staying on guard against imagined greater dangers. The greater dangers we imagine are based on memories of how we have been hurt before. Many of us learned as children that being fully alive was bad and you got hurt for it, so we deadened ourselves: partly as a defence against the big people, and partly to spite them. Deadening ourselves was our way of hiding that we were alive in improper ways, and the only thing to do was to keep it a secret.

The path we must follow to get over the suffering of deadness leads, initially, into greater suffering. For example, if you have deadened yourself for a long time to keep from experiencing anger, getting very angry will feel worse than deadness. But it's only your willingness to feel worse that will allow you to feel better. Trying to remain carefully kept and avoid further pain, embarrassment and difficulty is normal.

Normality is the key to avoiding change and continuing to suffer. People who want to be normal are often proud of it and victims to the ideal of normality: dead-suffering, death dealing normality. Sigmund Freud once said that psychoanalysis was to help people get from intense suffering to common unhappiness. I don't think we have to settle for that. I help people focus their attention and muster their courage for the journey into previously avoided suffering, and then beyond to a truly abnormal life. Facing what one has previously avoided results in intense emotion and then a breakthrough into overflowing creativity. That overflowing creativity is the source of power for changing or re-shaping our lives.

I work like a body-shop mechanic works to fix a bent fender. When, how, and particularly *why* an accident occurred doesn't make a damn bit of difference to a body-shop man. He's only interested in results. He'll bang around the outside of the fender with a rubber mallet, tap it from the inside with a ball peen hammer, drill a hole, attach a rod, and try to pull it out or hit it with a rock. When it pops out, if it does, he sands it off, paints it and sends it out. If it doesn't pop out, he replaces it. He is pragmatic, experienced, and confident of the essential flexibility of the material with which he works. Careful attention to detail and experimentation with each new dent bring consistent results.

I work on individual, self-created suffering with people who are responsible for continuing to create their own suffering. Like the body shop man and the owner of the car, we concentrate on the condition of the machine and the results we want; we don't have to figure out how the accident happened, and we judge the success or failure of our efforts by how close we've come to the results we want.

I work mostly with "garden variety" neurotics: average, basically healthy people who are anxious or depressed or both. Often these general states of being — anxiety or depression — are accompanied by somatic discomforts and diseases such as skin rashes, ulcers, lower back pain, spastic colitis, allergies, high blood pressure, and insomnia; or by recurring problems in relationships, on the job, or in the family. When therapy works, the somatic ills disappear or decrease in intensity; anxiety and depression as steady states go away; and people take responsibility for making their relationships, professional lives, and creative powers work. Taking *responsibility* means a person no longer blames outside circumstances, or other people, or past events for the conditions of his own life.

Both the bodily ills and the steady unwanted emotional states go away because of a learning that takes place, and that learning always involves letting up on the demand that the world, including the demander, be other than what it is. Therapy is over when a person stops incessantly demanding that other people be different from what they are, forgives his or her parents and other begrudged former intimates, reclaims the power to make life work, and takes responsibility for doing so.

Psychotherapy doesn't always work. My estimate is that about a third of the time the results are good to adequate, about a third of the clients make a few half-assed changes, and at least a third of the folks who see me don't get any good out of therapy worth mentioning. Very few people suffer any damage in therapy since it is as hard to do damage as it is to help. I have seen a lot of failure and a lot of success.

This book is an attempt to say what works, when it works. When therapy works, the result is an experience of well being, wholeness, being whole. This book is about getting there.

Where Does Stress Come From?

People say modern life is stressful. Stress is not a characteristic of life or times, but of people. Stress does not come from the environment, it comes from the mind of the individual under stress. We make certain assumptions about the world, and we become attached to those assumptions.

We suffer from thinking. We worked too hard to learn our ideas about the world to give them up. Like poker players who have already lost too much, we desperately double the bet in hopes of forcing fate to give us a good card. We think about things too much and too seriously and we suffer a great deal from trying to make the world match our thinking. We complain about how the world fails to live up to our expectations. We think about how life doesn't live up to its billing, and how it should, and how it is rotten that it doesn't, and how we should somehow fix it. Many people think themselves to death.

In order to survive, we have to apply what we have learned from experience. But it is equally true that in order to thrive — in order to stay alive — we have to *overcome* continually what we have previously learned. If we don't somehow get rescued from our assumptions about life, they devour us. Rescue involves recognizing that the assumptions we so stubbornly cling to as truths are, in fact, decisions we have made about what "should be true" based on past experiences.

The Truth Changes

Because of being lost in our own minds, we fail to recognize that the truth changes. When the truth changes and we fail to recognize what has now become true, while holding on to the *idea* of what used to be true, we become liars committing suicide. If at 8:00 pm, I am mad at you and tell you about it and get quite worked up over it, and you get mad back and we talk about it, and we stay committed to the conversation and to the possibility of getting over our anger, there is a good chance that by 8:45 pm we can laugh and have a drink and not be angry anymore. It was true that I hated your guts at 8:00 pm. It was no longer true somewhere between 8:20 pm and 8:45 pm. In contrast, people who live according to principles, like "I hated you then, and for good reason, so I still hate you now," can't get over things. This is reasonable but stupid. I have seen a lot of reasonably stupid people in my life.

**There is no such thing as righteous anger.
Anger always comes from addictions not being met.**

There is no justification for violence.

Life goes on, and the truth changes; this just happens to be the way life is. What was once true is often no longer true just a little while later. Yesterday's truth is today's bullshit. Even yesterday's liberating insight is today's jail of stale explanation.

Roles and rules are also thoughts, which, when grasped onto as principles, are hard for people to get over, or get beyond or let change. People choke the life out of themselves by tying themselves to a chosen "self image" — any "self image" whatsoever. Many adults remain in a perpetual adolescence, locked in the protective confinement of a limited set of roles and rules. This protection kills. According to a study conducted by The Centers for Disease Control in Atlanta, 53% of the people who die prior to age 65 do so "for reasons directly related to *lifestyle*."1

Half of the people who die earlier than expected kill themselves by how they live. I say they kill themselves compensating for the starvation of being cut off from the nourishment of commonplace experience. They smoke, drink, take drugs, eat fat meat, watch TV, and don't exercise. They work hard to survive and take care of themselves and their families. They try to have a good time and do the best they can. They are constantly doing the best they can and not having it be good enough. They kill themselves with the same socially acceptable poisons all their friends use. They all were very much in touch with being alive at one time and then got more and more lost in their minds. They miss something they can't quite get back to. They know a renewed love of life has something to do with escaping their own minds and the conditions of life their minds have set up, but they just can't seem to do so. Moralism, a disease of living in the mind without relief, kills them. They die, trapped in some country song, doing the best they can and trying to have a little fun, but never doing well enough to suit anybody, particularly themselves, or having enough fun to make up for the strain.

Freedom from such a "life" is a psychological achievement. The freedom achieved by people who grow beyond the limitations of their childhood conditioning is freedom from their own minds. Freedom *from* one's own mind is freedom to create. But in order to have some say in creating life, you must be willing to tell the truth. Telling the truth frees us from entrapment in the mind.

The alternative to freedom is to live out a program imposed by prefabricated internalized moral resolves. Living this way is a gradual *suffocation*, which makes us simultaneously more dead and more desperate. Creativity, *using* the mind rather than being used by the mind, is the cure for all stress disorders. Willingness to tell the truth in order to be free from your secretly assessing, secret keeping mind creates the possibility of using your mind to make a future as an artist rather than as a victim.

TRUTH = FREEDOM

Bullshit

Bullshit is a highly technical term used throughout this book. I stole this term from Fritz Perls, the father of Gestalt Therapy. Abstraction from past experiences being mistaken for current experience itself is the major disorienting error of the normal garden-variety neurotic.

“I’ve been with you for 20 years-it should be obvious that I love you.” Evidence from the past doesn’t prove anything about current experience. We neurotics are people who make big generalizations to cover long periods of time. We say things like, “You *always*...” and “You *never*...” We attribute all of our power to circumstances and say things like “It makes me... .” When we say these things we usually have no idea we are living in an imaginary world of our own creation.

**SORRY, I'M
ALLERGIC TO
BULLSHIT**

Fritz Perls actually made three technical distinctions for poisonous assignment of value: chicken shit, bullshit, and elephant shit. Chicken shit is a normal greeting that doesn’t mean what it says, as in “Hello, how are you?” “I’m fine, how are you?” Bullshit is normal conversation in which people are simply whiling away the time with meaningless abstractions and generalizations. Elephant shit is any discussion of Gestalt theory or of Radical Honesty.

I use words that have “shit” in them to give a pejorative evaluation of evaluations themselves. I want people at least to consider the possibility that their most valuable values may not be so valuable. I want people to question their own certainty. (As Nietzsche said, “Not doubt, *certainty* is what drives one insane.”²) So, for simplicity’s sake, I will use “bullshit” as the generic root word for all value-assigned abstraction or summations of remembered experiences.

Bullshit is any abstraction from experience your mind makes and assigns value to. “You don’t love me,” or “Those people are angry,” or “This is ugly (beautiful, good, bad, important, etc.)” all are *interpretations* of reality. Bullshit is a sales pitch for an interpretation of reality that comes with any interpretation of reality. *All* interpretations of reality are bullshit. Freedom is not being dominated by your own bullshit.

Violence is never Justified

We believe our interpretations of reality intensely, and we want other people to join us in our interpretations to make us feel secure. We believe our interpretations *are* reality and if we can get enough votes we will prove it.

A few of us occasionally escape the bullshit jail of the mind. Most of us die in jail. All of us have the magnificent possibility of getting beyond the jail of our own minds, over and over again. The first step to this process is to doubt our minds. The truth turns to bullshit in the human mind just like food turns to excrement in the human body. Our minds work pretty much the same way our gastrointestinal systems work. A mind is developed to take good nourishing truth, absorb what it can, and turn the rest

to shit. Unfortunately, the mind doesn't expel its wastes automatically like the body does. We have to do it voluntarily.

According to Hugh Thomas, author of *A History of The World*, the greatest medical advance in history has been garbage collection.³ The greatest psychological advance in history is just around the corner and will also have to do with cleaning up. Cleaning up lies and "coming out of the closet" is getting more attention these days. Some day we will look back on these years of suffocation in bullshit in the same way we look back on all the years people lived in, and died from, their garbage.

Lying

This book unfolds developmentally, beginning with an accounting of how a mind grows from nothing to what it is by the time it reaches adolescence. The central message of this book is that we human beings, in the course of growing up, get lost in our minds; and if we don't find our way out, our minds eventually kill us.

We all have minds, and we all come by them naturally. In learning how to survive from birth to adulthood, we start out using our *senses* as a primary mode of orientation in the world and we end up as minded beings using *principles* of orientation. We abstract from our senses and build our minds. After a while we get so involved in mind development that we lose touch with our senses and get lost in our minds. Our minds are formed of interpretations about reality based on replicated experiences. After a baby experiences being nursed repeatedly, it starts anticipating being nursed again based on hunger and its little memory, and it cries for more milk. When more milk comes quickly a tiny little concept involving time has been born. The baby has an interpretation: "If I cry, I'll get milk." That interpretation has a memory in it and an expectation for the future.

As we grow, we learn to interpret our experience in order to survive. We eventually become capable of caring for ourselves, but our survival techniques can, and often do, eventually kill us. What kills us is intense attachment to our interpretations and failure to distinguish these interpretations from sensate reality. This process of learning to categorize experiences, and then forgetting the distinction between categories and experience itself, is what I call learning how to lie.

Learning how to pretend, interpret, evaluate, and imagine is a natural process for every human being. It's fun. Most of the learning that occurs in early childhood, pre-school and elementary school is an elaboration of these abilities. In every culture of the world, as infants grow toward adulthood, this learning of pretence is going on.

The long process of learning how to lie culminates in adolescence. Adolescents get lost in their imaginings about who they are. Erik Erikson says that the question being asked during adolescence is, "Who am I?," and the answer eventually reached is either fragmentary (role confusion) or unified (ego identity). In order to mature beyond the role-playing or pretending stage, the question "Who am I?" must get answered in some unitary way (the numerous roles kids try on for size have to become

integrated into a consistent identity that remains even when new roles are adopted). This uniquely synthesized personality eventually has to predominate over role requirements as demonstrated by role models, or by ideal role performance. There has to be a “Jillness” about the way Jill plays the role of daughter, lover, and waitress that is there all the time she is talking to her mother, being with her lover, or waiting tables. This “Jillness” stands out regardless of whether mother, lover, or customers are in the environment, and regardless of how she has seen the roles played on TV.

The duration of this developmental stage, the stage of pretending and trying on roles to establish or invent who you are, depends on the culture in which you live. The more technological the culture, the longer the stage endures. Bushmen have one year — from 11 to 12 years of age — to form their identities; by the age of 12 they have chosen a vocation, gotten married, started making babies, and assumed adult roles. In our culture, adolescence lasts from age 11 to about 30 or 35.

This extension of the time to choose vocational, sexual, and social identities in highly technological cultures is a mixed bag. *Right now the fastest growing death rate in our society is for people between the ages of 15 and 24.* Suicides, drug overdoses, accidents, and murder head the list of causes. We get a longer time to invent who we are, but the job takes a greater toll.

Even when people survive the years of adolescence, the great majority never get over the pretence of adolescence. Enormous suffering is caused by being lost in such pretence. Frequently, “helping professionals” recommend more pretending or more conventional pretending, because they don’t understand that the job of psychotherapy is to re-ground people in the world of experience.

The stress that kills or cripples most of the population comes from people being too hard on themselves when they don’t live up to their own imaginings about how other people think they should behave. We don’t know who we are, and we try to guess who we ought to be in order to do the right thing and be happy. We get lost in the process and beat the hell out of ourselves before we even know we’re hurt. It does no good whatsoever simply to change what we imagine others expect of us. We need to recover the ability to pay attention to something other than the whirlpool of questions and doubts about what is required or expected for acceptance. We have lost this ability to pay attention-to live outside the set of assumptions a mind is — and the only method of orientation left is given by the roles we have been trying on for size. Thus, we run around in the world while running around in our minds trying to live up to standards we imagine others are requiring of us, while we starve for the nourishment that comes from commonplace experience. We end up trying to eat the menu instead of the meal. Menus are nutritionally without value and taste like shit no matter what pretty pictures decorate their surface.

Adolescents miss the security of childhood and can’t stand the uncertainty of being between childhood and adulthood. Out of anxiety and intolerance for ambiguity they grasp onto roles or rigid standards to claim an identity so they can escape the interminable struggle over how to fit in. They become Christians or Hari Krishnas or gang members or hippies, or marry a childhood sweetheart, just to have a place to stand. They adopt the standards and principles of these groups to live by. Standards or

principles to live by are all equal in this way: they are abstractions of the mind, summations based on past experience, not experience itself.

Adolescents of all ages become more passionately attached to standards the more insecure they feel. Strong attachment to principle only increases our rigidity, which further increases our feeling of insecurity. Such behaviour doesn't guide us through our changing experiences. The world of experience is like a river. You are better off with a boat than with a post to hold on to while the water beats you to death. To grow beyond adolescence, people have to let go of, rather than tighten their grip on, the principles and standards with which they define themselves. This is usually very scary, like falling backward into the unknown. What results is experience in the here and now. The re-emergence of this struggle, the struggle for identity that was put away by grasping onto an identity out of an intolerance of ambiguity, is the most valuable function of psychotherapy for people who are frozen in role definitions. These people are reborn from their mental jail into the here and now.

I ♥ ME

Such people learn to treat principles, not as rules engraved in stone, but as less important “rules of thumb” to be validated or invalidated by new experience. Rules of thumb can be revised or rejected or created anew if the people who hold them make allowances to include new experience. Alan Watts' book, *The Wisdom of Insecurity*, is an elaboration of this point.

People who are intensely attached to moral principles notice only the experiences that justify the rightness of the principles and simply don't notice anything else.

Fritz Perls, one of my teachers, recommended that people “lose their minds and come to their senses.” Unless people who have grown minds learn to lose their minds and come to their senses again — pay attention to gravity, their own bodies, the world of real objects and other beings out there — they remain locked in their own tightly held notions of “how things are” and never notice any new experiences. Yogis, Buddhist monks, golf pros, a few psychotherapy clients, some musicians, and an odd assortment of others *regain* their ability to pay attention in spite of the minds they have developed. These people somehow progress beyond being trapped in and dominated by the “mindstream,” to the exclusion of everything else.

A mind is a terrible thing; waste it.

This book delineates the problems that result from *not* escaping your constantly interpreting, lying mind; of *not* growing beyond the developmental stage of learning how to lie. It gives examples of how withholding the truth from other people kills or gravely dampens the life of the withholder.

Psychotherapy is one way of learning how to finish growing up: how to get to creativity from the intermediate developmental stage of adolescent lying and fantasizing. What I have developed is a treatment for the problem of being stuck in adolescence, a problem I believe is shared by more than 75% of the population of the modern technological world. The essential treatment method is a clear intention, agreed upon between therapist and client together, to tell the truth to each other and to everyone else the client knows personally, in order to find our way out of the maze. This holds the great promise of bringing us to a more adult way of living — grounded in experience, less superstitious, and less moralistic. Ironically, to mature fully, we must rediscover what we knew when we were less sophisticated. Once we have re-centred ourselves in our experience, which is the position we inhabited as children, we can finally use our minds as instruments for creation rather than as defence systems for our image of who we are.

Ultimately, we can unite the real world of experience in the here and now with the world we “know about” from memory and interpretation. The secret of this union is to release energy by living out loud rather than spending all of our energy trying to control ourselves and others through withholding. The secret, in other words, is telling the truth. Growth into the personal power of telling the truth is the key to life beyond adolescent moralism.

Psychotherapy is one method of rescue from being choked to death by concepts which were learned for the sake of efficiency and to avoid unwanted experience. As I said, sometimes it works and sometimes it doesn't. The effectiveness of psychotherapy depends entirely on the client's commitment to telling the truth and this applies to the client's behaviour inside and outside the therapy room.

There are many ancient systems of thought dealing with the stages of growth beyond lying and posing. Most historical spiritual / religious / mythological teachings are based on the psychological growth of a few wise people who marked out a path for others to follow. In our age, the opportunity has come for all of us to learn the whole path.

If we humans are to be saved from ourselves, individually as well as collectively, we have to learn more about the art and science of speaking the truth. None of us can do it without a lot of help from each other.

Summary

My clients and I have been learning from each other that the primary requirement for getting beyond adolescence is telling the truth. This book deals with the whole problem of telling the truth: the difficulty in telling the truth, how it hurts one not to tell the truth, how we are all liars, and how it works against our self-interest to lie. It is common for people to ruin their lives and kill themselves through withholding. It is normal for people to stop growing and die from an accumulation

**The Truth Will Set
You Free**

of mild stress disorders over time. Being overweight, uptight, a heavy smoker, a heavy drinker, a non-exerciser, or some combination thereof, are the direct result of a more central ailment of the mind. These deaths come from remaining enmeshed in the mind-trapped in lies. Escape from the trap of lies is in learning, and improving through constant practice (just like learning to play golf or tennis), the ability to tell the truth.

We are all the walking wounded. Most of us are still interested in clarity and the truth, but at the same time we are interested in making a case for how our childhood was worse than average and how we're better than everyone else. The conventional way to suffer through life is to build a case for ourselves. That is what you get taught to value in Catholic parochial school and law school as well as all other schools (just not as efficiently as in those first two schools).

But at the same time we are all participants in a project to find out what being alive is. And when we lie or hide or avoid — essential tactics in case building — we don't discover anything new about life and we don't help others to discover anything new. Being interested in this common human project of discovery is an important part of the great conversation in which we humans have been engaged for several thousand years.

For my own good, I want to hang out with people who want to find out what it would be like to live in such a way as to leave no unspoken words, no unfinished business; I want to be with people who are hungry for the truth, who want to spend time learning and sharing what they have learned rather than defending their images or reputations. This book is for that group of people that is growing larger every day — those whose thirst for knowledge and willingness to share overrides their defence against embarrassment. I am writing for people who want to grow beyond the adolescence that currently passes for adulthood, for the couples who are fed up with acting and blaming, for individuals interested in integrity or wholeness over moralism and fitting into roles. This book is an antidote to that conventional suffering. I hope it will piss you off and hurt you and inspire you, and break your mind's hold on your emotional injuries within your soul.

You are responsible for your own thoughts and deeds. You can bring peace and joy into your heart by becoming Love, by seeking to fulfill the highest potential of your soul. Set yourselves free from feeling responsible for judging your fellow human being for their free will choices. As you have observed, there can be two people who seem to be doing the exact same activity, one can be in harmony with Love and God's Will, while the other may not be. It is dependent upon motive, intention and will.

Strive to love others as I am to love myself

**DIVINE LOVE does not TRANSFORM one's SOUL
FEELING HEALING is what TRANSFORMS one's SOUL**

The Divine Love does transform our soul from Natural love into Divine Love. It's our Feeling Healing that 'transforms' or heals our erroneous expression of Natural love. We have to 'heal' and so perfect our Natural love, so it can then be transformed by the Divine Love.

Divine Love does not even begin the real work of transforming one's soul, for those who focus upon receiving Divine Love to the exclusion of embracing one's Feeling Healing, they are just expanding their mind's control over themselves. Should this be one's passion, then upon passing into the spirit Mansion Worlds they will find that they can continue along this path all from within the Divine Love followers segment within the first natural love Mansion World! Yes, only from within the first natural love Mansion World.

Most of humanity on Earth does not want to face the very truth their feelings are making them feel every day of their life. So if they want to keep living in the spirit Mansion Worlds as they did on Earth, in complete denial of their feelings and the truth they are to shown about their wrongness, they can.

However, for those who have embraced Divine Love and begin to engage in their Feeling Healing process to begin the transformation of their soul, they will be able to sense the Divine Love already within their soul 'driving them on'. One's understanding and adjusting will be changing rapidly to that of embracing all about the Healing and doing it – all being supported by the Divine Love that one may have received previously. All one may have done with the Divine Love may make their introduction into their real Healing, by using their feelings, much easier than it is for other spirits from the mind worlds who are at the same time having to wrestle with many of their old religious beliefs or mental programming, having to take on a whole new mind-set which one could see would take some of them years, whereas for someone who has been longing for and receiving Divine Love for some time it may be only a matter of weeks. This also applies to those living in the physical.

It is the Feeling Healing process that transforms one's soul towards perfection, towards the ability to fully express one's true personality as given to us by our Heavenly Parents, it is the Divine Love that then fits that transformed soul to be able to enter the Celestial Heavens.

UNLOVING PERSONALITY

Soul encrusted with negative and damaging emotions and beliefs held by the mind in the spirit body. Soul is choked of love and the darkness impedes the flow of love which darkens the spirit body and damages the physical body for all to see.

LOVING PERSONALITY

Spirit body mind is clear of man-made negative emotions and beliefs. The flow of love from the soul illuminates the spirit body and brings beautiful harmony and health to the physical body for all to see.

Dark spirits, being those with poor soul conditions, are shrivelled up and with little energy to express their bad attitudes. The Law of Non-Interference prevents them from causing harm to other spirit people or to people in physical bodies. They are isolated within the dark Spheres of Disharmony.

LACK of SELF- LOVE:

- A composite of:
- a. lack of self-worth
 - b. lack of self-acceptance
 - c. arrogance and pride
 - d. self-loath and hatred
 - e. lack of self-awareness.

Why one has imperfection in their natural love is due to an extension of one of these traits, and all these traits relate back to one single finite Truth, which in its cause is a lack of self-love. The lack of self-love to one's self is the cause, the root cause, on why there is so much fear within individuals, the human world and the lowest spheres in the spirit world. The individual will have a memory that describes how this lack of self-love appears and many people deny this existence of the lack of self-love within themselves because it hurts too much to see it.

Our perfect soul is founded on natural love. Our soul may become encased / encrusted in error bringing about lack of self love. To dissolve the errors encrusting our perfect soul is by growing in truth through the ongoing healing of one's negative state, by doing our Feeling-Healing of our toxic emotions. By ending our feeling denial and healing any personality expression denial we have.

The Mother and Father's Divine Love will slowly strengthen our resolve to perfect one's own natural love, should we address such errors. Slowly but surely, with the Divine Love, our soul's condition will grow and grow. With the Love this will fit one to enter the Celestial Heavens, and beyond, being in the love of all that surpasses man's imagination. Try the experiment.

PSYCHIC BARRIERS:

Tuesday, 21 November 2017 – Note from John – Hi Nanna Beth and James

“That there are very real restrictions that act like very real barriers impeding the normal functioning of us all because of the Rebellion and Default.” – Nanna Beth 20 November 2017

I gather that the Psychic Barriers have nothing to do with spirits from any of the mind Mansion Worlds or from the planes referred to as the hells. Are these Psychic Barriers all remnants of the Rebellion and Default controlling ways and contracts, and as we break through them, then are they finished for ever?

Nanna Beth: That’s right John, the Psychic Barriers don’t have anything to do with any of us spirits, however, we are all limited by them in what we can do with you, even including those spirits in the mind worlds.

The barriers are imposed circuits of mind and feeling dictated to us by the tenets or ‘laws’ of the Rebellion and Default. If you like, humanity has Fallen from the Celestial level down through the seven Mansion Worlds, so through every plane and sub-plane and sub-sub-plane and so on through seven sub-planes of every plane in every Mansion World. And even then still being divided up into the negative relationship between the mind and feelings down to what you might see as a microscopic circuit level, that which we can’t see, yet the angels can.

The angels are ‘wired’ into all the mind / feeling circuits, so know exactly where we are in our rebellion against these circuits, that being, how we should truly and lovingly live them and yet how we’re not doing so whilst we’re in our unloving and untrue states, and then where you are in your Healing of them. And each of these circuits, from the smallest and building up into the biggest, are what we call psychic barriers.

And they are all within you, and you have all to heal them all through your Healing. And that’s on the personal level, which then also has to be done on the combined level for the whole of humanity.

So through your Healing, each bad feeling experience you have really equates to having to deal with one or more of these damaged mind / feeling circuits, which are then represented on all the levels within yourself, on the feeling, mind and will levels, and all in between. So when you express all the pain and submit to the bad feelings, no longer trying to control or fight them, you are effectively falling into the pattern of how you live and express your negative circuit, thereby de-powering it, short circuiting it if you like, which then liberates more pain and truth, which then allows the circuit to be made right, this being the progress as you ascend through your Healing up through the Mansion Worlds.

So these barriers are the dysfunctional mind / feeling circuits on all the varying levels. And what Marion and James are doing is crushing them all by taking them all within themselves, which they did through their early life, just like we all do, then Healing themselves systematically of them, each in their separate ways, which then opens the doorway for others to do through their Healing.

And for us Celestials, we have had to wait for them to work their way up through these circuits before we can act, because their breaking through and breaking them down means there are no longer barriers. And so as their Healing advances, so we've been able to do more by taking over as we've told you, and that's continuing on a daily basis. However the difficulty we still face, is, there are still some significant ones in place, so our hands are tied concerning them, and these are what we've been referring to that are causing problems for you and Crystal.

To achieve the cancellation of the Psychic Barriers, it feels as though a few field mice are up against Goliath.

So in all your different ways, you're pushing up against the coal face so to speak, you John, Crystal and Samantha, and there's nothing that can be done other than allowing the process to happen, because it's all being driven by the Mother and Father through your souls. So the real so-called fight between good and evil – Satan and Lucifer and the Devil and forces of Darkness, has actually been going on these past twenty years or so by each of you in your own separate ways taking on the bad within you and looking to Heal yourself. And even though you, John and Crystal, might not be actively doing your Healing like Samantha is, still you're taking on the Healing and all that's involved on the mind levels by accepting all James (and Marion) reveal.

By you not rejecting them, so you are doing your bit to stick it up the Rebellion and Default, which is in fact the Great U-Turn – you are doing it in yourselves, which can then be followed by the rest of humanity. So you are, as you say, little mice trying to scratch a hole in the brick wall, slowly working away at the barriers. And this is being reflected by these unseen barriers at work with the Couriers, who of course don't understand anything about this, but it's why they simply think it's just another job and one that shouldn't pose any problems, so why not just get it done, when in fact they are embroiled in this monumental struggle because it involves you and Crystal.

And we Celestials are not powerful enough to break such hidden and unseen barriers. Only the Paradise Pairs are powerful enough to do that, that's what they are all about, and in particular the Avonals, because it's what they are created to do, no one else can do it. And they can only do it by doing it within themselves, they can't see or know where these barriers are and deal with them through their minds, anymore than the Lucifers could see and control them by smashing through and breaking down the positive circuits as they rebelled. It all happens on the organic human level, with the rebellion being

systematically passed on, getting worse, generation after generation, through the ages. And now it's all starting to reverse, all to change generation after generation up through the coming ages as humanity heals itself of its woe.

So I hope I've explained it better for you, it's all what we call 'technical' as it's all to do with the Mind side of things, that which is organised by the Infinite Daughter and Divine Minister, being carried out by the angels.

You can look at it like a matrix, that is often talked about, being created by the Daughter providing the inner mind-matrix or mind-circuits of Creation, about which and within which everything has its being. So your personality expression is built up around this matrix, being expressed in how your physical and spirit bodies are expressed in Creation. And so you can't do anything more than the mind and feeling levels you are on, other than increase their denial by moving deeper into your wrongness, or do your Healing and go the other way working your way out of it by changing your inner circuits. And these inner circuits are the templates for your whole being in Creation, so the laws of the physical body and all the rest run along them. And at best you can identify the laws or circuits, and live with them, but you can't change them. We can only change them within ourselves by doing our Healing. And as enough of humanity Heals itself, so then the greater changes will take place too. But that's more for the future. Right now it's about you few individuals doing what you need to do.

MODERN MEDICINE IGNORES OUR SUBTLE BODIES:

It is the injuries to our subtle bodies caused by our wayward mind that bring about the manifestation of mild discomfort, then acute pain within our physical body, and ultimately the illnesses and diseases that we then seek medical assistance to suppress. Modern medical systems do not address the cause of such illness. Ask yourself, when was the last time that a medical professional told you what the underlying cause of an illness was?

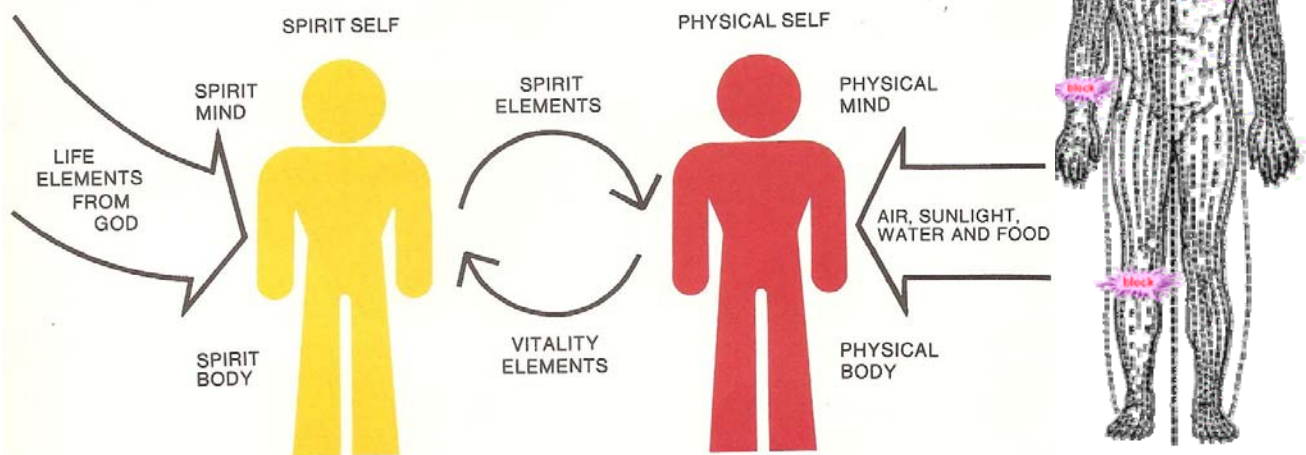

The auric field, that some can see, is the template for our physical body. Childhood Repression brings about energy flow blockages, being stuck and frozen emotional injuries, which then retard the flow of energies within our physical bodies. Modern medicine ignores this reality. The result is that treatments provided are only temporary as the underlying injury remains within our subtle bodies.

We have other bodies that are just as real as the physical body, they are all connected, if we have a problem within these subtle bodies, such problems most likely will manifest on the physical, so why not attend to it utilising a healers help on these subtle levels thereby helping yourself on the physical.

Example, our genes are multi-layered. Our genes are not only part of our physical being but are far reaching. They are:

- on the physical level
- on the emotional level
- on the mental level
- on the psychic level
- on the spiritual level.

We need to understand our **genes are not just physical, but on all levels.**

In fact our issues and illness that we recognise within the physical body are on all levels.

Only by one engaging in the process of Feeling Healing can one delve down into the core emotional issues originating from our childhood, being in the form of childhood repression and suppression, that we can then express and release such injuries and bring about permanent health to our physical body. The process of Feeling Healing is the only way to remove the underlying cause of physical illness and discomfort.

MEDICAL PROCEDURES and RESEARCH

Sometimes You Can Find a Needle in a Hay Stack!

While traditional allopathy medical research focuses only upon the physical body to resolve illness events and health issues, they continue to be like blindfolded mechanics endeavouring to repair motor vehicles.

The physical body is animated by the spirit body, and in turn the spirit body is animated by your soul. The spirit body is of much finer substance than the physical body, and the soul is of an even finer substance, hence research technology in the physical world cannot comprehend these bodies.

Your soul is home of your emotional injuries and errors. These emotional issues create fissures and damage within your spirit body. Subsequently the injuries within your spirit body generate illness within your physical body, at the corresponding location as in the spirit body.

Illness is generated by your soul, however, healing is also generated by your soul. Releasing the emotional injury in your soul heals the physical.

Meridians – the Pathways of Energy Flow

<http://www.crystallotus.com/Acupressure/Index.htm>

The pathways of chi flow are called meridians. Where are the meridians? When a surgeon operates on a person, he does not find any meridians. The surgeon does not see air either, but it is still there. Compare a meridian with a stream. A stream, unlike a pipe, has no defined boundary. It is simply where water flows, and it may constantly change its shape, although the change is so small that it generally maintains a definite line of flow. In the same way, a meridian has no fixed boundary.

It exists where the chi flow is, though it maintains its general form. Meridians are of two kinds: the main ones are called channels (jing), and the branches are called collateral (luo). However, the term ‘meridians’ is often used to denote channels.

When Chi does not flow easily and smoothly we have what is commonly called a dis-ease. The Chinese believe that a Chi gets trapped in the meridian and the body suffers from all the ailments. To heal this blockage the Chinese healers understood the flow of energy through the various Meridians. They stimulated the energy points to let flow the Chi and, so therefore the healing took place.

Tonal lines create the web-work of energy which the scalar-wave frequencies of the core Katha Grid and DNA Template translate into the Chakra Meridian-Nadius Line (Hara Line) and chemical DNA systems.

Meridians, or channels, can be classified into two groups: primary and secondary: Primary meridians are those that pass through internal organs, secondary meridians do not. There are twelve pairs of primary meridians flowing in a never-ending circle. For simplicity, only one of each pair is described. The twelve meridians are as follows:

Lung meridian
Colon meridian
Stomach meridian
Spleen meridian
Heart meridian
Intestine meridian
Urinary bladder meridian
Kidney meridian
Pericardium meridian
Triple Warmer meridian
Gall Bladder meridian
Liver meridian.

Negative energy in the form of holding onto an untruth about anything, being a person or an event, deposits within one's soul as a tiny cell of unwanted energy. This tiny energy blockage can grow and grow should you allow the issue to fester within your being.

Untruths with anger and hatred will slowly, but surely, manifest themselves into your meridian system which resides within your spirit body. This then results in energy flow blockages within your meridian system, being the template for your physical body. Unless these energy blockages are released and allowed to pass through your spirit body, you will begin to feel pains within your physical body, and subsequently, an illness may emerge within your physical body. Such illness is a direct result of an emotional issue, or series of related emotional issues, that could have commenced during your early childhood, or even before birth. Proceeding to release these emotional time bombs while receiving medical assistance for your physical body can result in the permanent recovery from such illness.

Negative emotional issues lodged and stuck within the soul then manifest in the spirit body, and subsequently emerge as pains and illnesses in the physical body.

The energy, plasma, being attracted to the stuck emotion can cause the injury to grow and grow and grow.

SOUL SPIRIT BODY PHYSICAL BODY
 P E R S O N A L I T Y

Our memory and intelligence are housed within our soul, our mind is housed within our spirit body, and our brain is within our physical body. Our soul animates the spirit body which in turn animates the physical body. It is the disconnection of the silver cord between the spirit body and the physical body that results in the death of the physical body. The spirit body, which looks much like the physical body, goes on living. Emotional injuries become blocked within our soul, such injuries are reflected through the spirit body and then into the physical body as illnesses.

HEALTHY MERIDIAN or OBSTRUCTED MERIDIAN:

The etheric body, being part of your spirit body, is the template for the physical body. Much of the energy you need for the physical body is supplied by way of chakras and the meridian lines throughout your etheric body. These meridian lines reach from your toes to the end of your fingers or top of your head. Each set of meridian lines is connected to a specific organ of your body. Each organ functions at a different vibrational frequency.

In like, many negative emotions, which are also of different vibrational frequencies, if not allowed to pass through your bodies, will find their lodgement within fields of related frequencies within your body and organs. Such negative emotion, being those calibrating under 200 on Dr David Hawkins' Map of Consciousness, may lodge anywhere in the bodies, typically on the meridian line of the related organ to which it relates to and was attracted to.

Such slow vibrating negative emotion is a plasmatic magnetic energy ball. It can grow and grow by being fed the same fuel coming from a continuation of the same emotional injury. This stuck ball of energy will restrict the movement of needed energy flow along the meridian. This will result in discomfort, then pain, and then may manifest in illness in the organ or in aspects or regions of the body related to that organ.

Allopathic / western medicine treats the symptoms, however the cause remains held in the bodies resulting in a further or similar health issue or a reoccurrence.

The negative emotion, possibly having been held since very early childhood, can be easily removed.

Issues within the subtle bodies are energetic magnetic fields that can be removed by your focused intent to recognise the issue, locate the issue, and enable the bodies to release the emotion with the support of additional magnetic energy being provided to your governing meridian down your spine. Such healing modalities include the Emotion Code and Body Code practices, as an example.

The ultimate way to improve your health condition is to long for and receive Divine Love, this love slowly but steadily grows your soul condition and results in erroneous emotions and injuries being released from your bodies.

ENERGY DETERMINANTS – Relationship between Body, Mind and Soul:

The physical body calibrates at 200 on Dr David Hawkins’ Map of Consciousness. Many people feel and believe that their body is their real self, this is not so.

Further, the brain is not the origin of the mind, as science and medicine had believed, but the other way around. The mind controls the brain. The brain is activated by the mind’s intention and not vice versa. Reason, which emanates from the mind, calibrates at 400 to 499, thus controlling the brain.

What is held in mind has the power to alter brain activity and neuroanatomy. Thought is powerful because it has a high rate of vibration. We are subject to what we hold in mind. Errors in belief bring about energy flow blockages.

Superimposed around the physical body is an energy body whose form is very much like that of the physical body and whose patterns actually control the physical body. This control as at the level of thought or intention. This superimposed energy body is one’s etheric / spirit body, the template of one’s physical body and home of one’s mind.

The basic dictum to comprehend is that the body obeys the mind; therefore, the body tends to manifest what the mind believes. Illness is generated in the physical body by erroneous held beliefs within one’s mind.

It is the energy level of love that steadily brings about a release from erroneous and harmful man-made emotions and beliefs. The energy level of love calibrates at 500 and higher. One’s soul is connected via cords of light with one’s spirit body. One’s soul is the home of one’s personality, natural intelligence and memory, it is our real self.

One’s soul is always perfect and is made of the energy substance called natural love. It is by growing one’s level of love does one enable sufficient energy to flow through one’s chakras of the spirit body and subsequently into one’s physical body that erroneous and injurious beliefs are dissolved and the potentiality for health of the physical body to become permanently repaired a possibility.

On the Map of Consciousness (MoC), the **charkas** calibrate as follows:

Crown	600	7 th chakra
Third Eye	525	6 th chakra
Throat	350	5 th chakra
Heart	505	4 th chakra
Solar Plexus	275	3 rd chakra
Sacral or Spleen	275	2 nd chakra
Base or Root Chakra	200	1 st chakra

With one’s Feeling Healing, the greatest infusion of Love, is the easiest way for one to transcend levels of emotions, that is, to evolve, is to long for, pray for, and ask for our Mother and Father’s Love, Divine Love, being a light golden blue energy substance. Try the experiment.

DIMENSIONS of ONE'S EXISTENCE:

Our SOUL IS NOT ENSOULLED IN OUR SPIRIT BODY. Our soul exists existentially in a whole different level or plane or place or dimension of being – 'soul land'. It doesn't exist in Creation, it's not experiential like Creation is. The soul, all souls, help create their part of Creation by expressing their personalities into Creation, and then by having their personalities do things (further create) in Creation.

SOUL exists existentially

Our Physical Body and our Spirit Body are of Creation, being linked together by cords of light as are the two spirit bodies, male and female, to the one Soul.

One's unique personality is soul based. Our unique soul expresses its unique personality through the two spirit bodies and physical bodies expressing both the male and female aspects.

P E R S O N A L I T Y

**Our soul is the centre of our personality.
We are children of our Heavenly Parents.
Our soul manifests a male and
female personality - it is a duplex!**

CREATION, DEVOLUTION and EVOLUTION:

Aman and Amon (also called Andon and Fonta), our first parents, physical being was born of natural parents, who in turn had been born of their own parents. Their bodies were not created instantaneously, but evolved just as all of God's creatures evolved. Aman and Amon were both nurtured physically as infants and then children. **But our first parents' souls were placed in them when they were already adults.** They had no clear memories of their earlier life before that great moment. As soon as they possessed a soul, all of the normal human psychological manifestations appeared.

There were aunts and cousins, parents and grandparents. But they were not human like Aman and Amon – they were really animals, though of the same species. Aman and Amon wandered off from the family, since they could find no way of relating to them at all. How could they? They were incapable of rational thought, speech, or anything human. Aman and Amon knew that forevermore they were apart.

They were indeed a primate species of humanoids. But Aman and Amon (they were not Adam and Eve) were more beautiful than their animal relatives, and knew, even from their very appearance, that they were marked even by Nature to be different. The human body, without a soul, calibrates at 200 on Dr Hawkins' Map of Consciousness. Domestic animals typically calibrate 200 to 250. Our soul is the source of our personality, intelligence, and memory. Our soul is formed from the energy substance of natural love. There is nothing of the Divine within our soul.

The First Parents did not recognise the full beauty of the gift of Divine Love, and subsequently it was withdrawn. Man, left to his own perseverance and determination can develop into the perfect man with only Natural Love, however that is a slow and tedious pathway and limited to perfection of the soul, fit only for the 6th natural love spheres.

By embracing Divine Love and one's Feeling Healing, man can become fitted to enter the Celestial Heaven and higher in rather quick time. One's life on Earth, living with the Love and embracing Feeling Healing, can be that of living in Heaven!

Further, Feeling Healing with Divine Love, has a powerful positive effect on the physical body, balancing the hormones and generally promoting physical health, which is really the same thing as saying that the state of a mortal's soul impacts directly on that mortal's physical health.

The REAL YOU is the SOUL:

One's personality, natural intelligence, memory and human attributes all are soul based. The soul initiates conception so it can start expressing one of its two personalities in Creation. It creates the will, then 'wills' the spirit body and physical body and all that connects them with the will into being. Our soul constantly sustains or expresses us, one of its two personalities, in Creation. The spirit can't separate from the soul because the soul keeps it in existence. We need our spirit and physical bodies to experience our personality through. When the spirit body separates from the physical body, one continues on living in a different form without losing any of the attributes experienced during physical life. Incarnation is the process of individualisation of the soul.

Without a soul, our physical bodies would function and interact similarly to that of a domestic animal. An unsouled human body (thought not possible) would respond like a household puppy! Domestic animals calibrate on Dr David Hawkins' Map of Consciousness between 200 and 250, the human body calibrates at 200. All animals have spirit bodies, these do not survive into the spirit Mansion Worlds. Our SOUL IS NOT ENSOULLED IN OUR SPIRIT BODY. Our soul exists existentially in a whole different level or plane or place or dimension of being – 'soul land'. It doesn't exist in Creation, it's not experiential like Creation is. The soul, all souls, help create their part of Creation by expressing their personalities into Creation, and then by having their personalities do things (further create) in Creation.

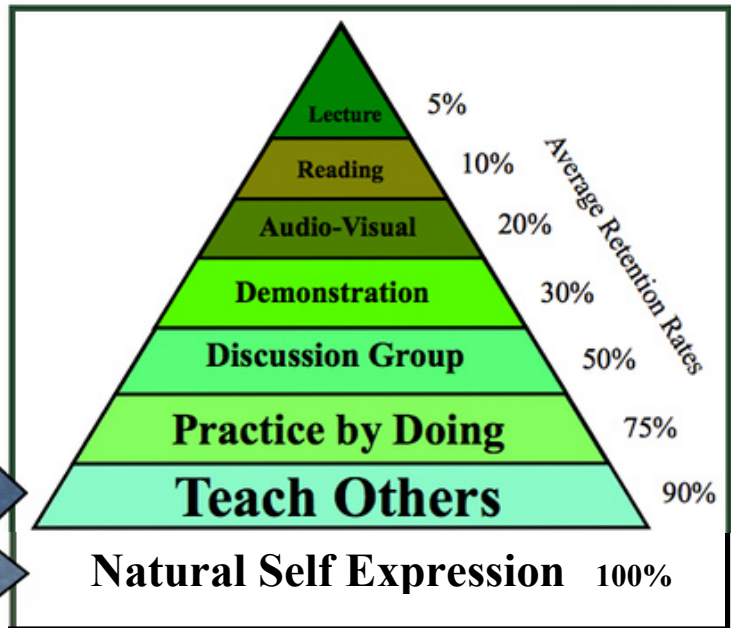

Our first parents, Andon and Fonta (also called Aman and Amon), were the first to exhibit human perfection hunger some one million years ago (993,500 years ago). Adam and Eve, Adamite bestowals, arrived some thirty eight thousand years ago – or earlier.

Aman and Amon were the first True Humans, which means, the first soul expressing its soulmate pair, its two personalities, in Creation – on Earth. From which came forth the rest of us. So they had a soul from the start, which separated them from their animal parents. It's the soul that wants to fully express itself through its two personalities perfectly in Creation, which is the so-called 'human perfection hunger'. It, our soul, wants to be Perfect like its Heavenly Parents, the Soul that Created it. We, focused as personalities, want to be perfect, like the Personalities of our Mother and Father that are Perfect. Our soul wants to be like Their Soul. Our soul wants to ascend us to Paradise so we can be with Them, as physically close to Them on a personality level that we can be, and then see what happens.

There were aunts and cousins, parents and grandparents. But they were not human like Aman and Amon – they were really animals, though of the same species. Aman and Amon wandered off from the family, since they could find no way of relating to them at all. How could they? They were incapable of rational thought, speech, or anything human. Aman and Amon knew that forevermore that they were apart.

Aman and Amon may have been twins. They were indeed a primate species of humanoids. But they, themselves were more beautiful than their animal relatives, and they knew, even from their very appearance, that they were marked even by Nature to be different.

LIVE FEELINGS FIRST

FEELINGS FIRST For Kids

WE EDURE FOUR LAYERS of PERSONALITY SUPPRESSION!

Unknowingly, our parents pass onto their children (us) their beliefs and way of living that has evolved since the Rebellion of some 200,000 years ago and then the Default of some 38,000 years ago. In this way, humanity is suppressing the female, rejecting our Spiritual Parents, namely Jesus and Mary, and denying our Heavenly Parents being our true Mother and Father, of their truth, standing and existence.

The Rebellion is against love, the Default is all the difficulties we have in our relationships because of our rebellion. Healing the Default is becoming true, to ourselves and in our relationships, and ending our unlovingness – our rejection of love, so ending the Rebellion. Nanna Beth 29 June 2017

We are souls, our personality is an expression of our soul. It is our free expression of our soul through our feelings that we are to embrace and follow. This expression may appear to be wilful in nature, from time to time, and consequently our parents attempt to suppress this expression. They proceed to remodel us when as young children, in the manner their parents treated them and so on for many generations going back.

During our forming years, as a child, we are unable to recognise the suppression of our personality as being extra-ordinarily harmful to our soul based personality and, accordingly, we don't know that things can be any other way. Presently, neither do our parents.

This childhood suppression way of living continues throughout our schooling years, thus we learn this is a way of life as being normal.

Our religions all have been formed based on the tenets of the Rebellion and Default. The teachers and leaders throughout all denominations take us further away from our suppressed feelings that have been hammered into us during our forming years, thus entrenching us further into rejecting our true selves.

The controlling and suppression mechanisms of our parents, educators and spiritual teachers all manifest throughout all of commerce. This control comes heavily and brutally down upon all levels of employment. The capability to express one's soul based attributes and gifts is sealed throughout all of one's working life.

A new way of living is to enable the liberation of one's true personality through the Feeling Healing process AND the transfer of authority to the individual via embracing freedom of expression.

DEVOLUTION

Our childhood suppression of our true and loving soul based feelings is creating global pain and personal isolation amongst all of humanity. We are very sick!

In our struggle to find solace and purpose, we further withdraw into ourselves, becoming ever more self dependent, believing our control addicted mind that it can solve everything. We just drown further.

We embrace an ever expanding and diverse range of pathways to escape from our personal pain, fear and desperation. Alcohol has now been complimented with narcotics, hallucinogens, including caffeine (coffee). Gambling has been complemented with computer games which are generally entraining the mind further into error and pain. Technology is making us sicker!

We bury ourselves in front of the television to further avoid contact with anyone, especially family.

Children endeavour to exert their independent authority from domineering controlling parents (which we all are eventually) by disfiguring their bodies with tattoos and piercings, etc.

We shut out the noise with headphones, thus preventing contact with others. We use electronic devices to 'text' others even at intimate engagements.

Technology will take us further into the depths of our madness. You now can buy headsets that prevent any contact with the outside world while playing mind suppressing and entraining entertainment – games!

No one loves their children, they are ignored, and the controls hammered into them turn them into clones of ourselves. Look at ourselves and we can all see that we have been all messed up by our own parents, as they have for generations over the past 200,000 years.

No more of this! We can escape this man made hell!

EVOLUTION

STEP 1: Longing for and receiving Divine Love:

- A. Soul within spirit body prior to receiving Divine Love.
- B. Divine Love being received from the Holy Spirit, covering the spirit body of requesting personality.
- C. Divine Love having been assimilated within one's soul, now being reflected through the radiance of the spirit body.

STEP 2: **FEELING HEALING + SOUL HEALING**

It is the Divine Love that strengthens one's resolve to persevere with embracing one's suppressed emotional injuries, that occurred from conception through to around the age of six, and longing to know the good and the bad of those feelings, together with talking about them to a friend, partner, one's self and our Heavenly Parents. It is only with the receipt of the Mother and Father's Divine Love and the expressing of suppressed emotional injuries that one can release the emotional injuries and errors to achieve Celestial soul condition and enter the Celestial Heavens.

Further, should one complete their Feeling Healing on Earth, then they will be able to recognise their soul partner, their other soul half, and should their soulmate have also embraced Feeling Healing with Divine Love, then their children will be born free from error, free from fear, and free from any deformity and illness. This is the destiny of humanity.

Further, being in this condition of free from error and being in constant communication with our Heavenly Parents, then one can also recognise and form their Soul Group. This will ultimately consist of twelve soulmate pairs, a total of twenty four personalities / individuals.

It is the bringing up of children by the support of soul groups that is to be the ultimate way forward. The group experience and wisdom, as a functioning family, will ultimately be of profound benefit for the blossoming child.

But what we cannot do is contrive the groups ourselves, or even pick who our soulmate is. This will only, and can only happen, as an outworking of the truth we are to live – as we progress in the healing of our soul.

And this is how all of life should be lived: according to the truth we are living. It is how we live, as there is no other way, but currently we live it in the negative, of that being directed by no truth, and so having to make it all up ourselves.

FEELING HEALING and the EFFECTIVENESS of EMOTIONAL PROCESSING:

Hi James and Nanna Beth (questions in blue by John)

Thursday, 13 July 2017

The question to address is:

What is different with the outlines of the Feeling Healing process as against the numerous other emotional processing methods?

Nanna Beth: The difference is the focus on the truth: uncovering the truth of yourself through your feelings – uncovering the truth of your feelings. It's a rebellion against the Truth, so if one doesn't want the truth, nothing will happen, one will only move deeper into one's rebellion against it.

And because the focus is on the Truth, so one can use it all the way to uncover the Whole Truth of Oneself. And there is nothing else teaching that.

All the other systems that involve looking to feelings to some degree fail to understand the deeper significance of wanting the Truth. Many people uncover some truth of themselves through their feelings, but mostly they end the process because they don't want to follow it right the way through, which means they only want to heal some momentary pain, and once that is done, are usually happy to continue on in their untrue state.

And because one is wanting to uncover the whole truth of oneself, then it becomes a full spiritual experience, and one that can be done by oneself, so without needing help from another, although at times help is sought and used. So the Feeling Healing embraces Healing the whole seven Mansion Worlds worth of self- and feeling-denial, which is the complete Rebellion and Default. Other systems might only work at some aspect of it, limiting the ascent of truth through all the Mansion Worlds.

And basically no one understands the absolute depth of the problem within themselves, which is only borne out by people and spirits doing their whole Healing. Much of the current psychological understanding falls well short of understanding the depths that are involved because they don't include the overall problems brought about by the Rebellion and Default. You have to understand you are rebelling against yourself: the truth of yourself, and so against your own soul; which is then the truth of God, so the Mother and Father; and that also includes the truth of Mary and Jesus. So at some point you have to rectify all those relationships, which you can't do unless you understand the bigger spiritual picture. And so that's what James has revealed, taking all Marion has said, all the books offer, adding his own stuff, and putting it all together as a way of life, a spirituality that can be lived, and one the initially focuses on Healing oneself of all one's wrongness.

Why have all other methods of releasing and delving into emotions not been successful?

Nanna Beth: Because they don't understand the scope of the problem, as I said above. They are not approaching it from the point of view of understanding the nature of one's Repressed Childhood state, the extent of that; and then how one needs to allow oneself to feel all the bad feelings, not reject them; and then bring them out, which is the releasing of them; all whilst wanting to know the truth of them – the truth of what you are feeling. And that truth is what needs to come up within you so you can heal your will and become a truly functioning person, fully self-expressive, self-loving, and growing continually in truth.

All the other systems work within the control of the mind, so once the therapy ends, the mind regains control albeit in a different way. Only the Feeling Healing and Soul Healing with the Divine Love, seeks to entirely break the control of the mind over one's feelings.

Why haven't other methods been going deep enough?

Because people are basically afraid to push into such early childhood trauma without understanding where they are going or what it's all about. The leap of faith is too great, as it would mean they would have to rise above and conquer the Rebellion and Default within themselves, and that's simply too much to ask. The negative truth-denying systems within everyone are too deeply entrenched.

However the spiritual structure outlined by James provides a structure that allows you to deal with the Rebellion and Default, allowing you to maintain your faith, and evolve it, as you progress in your growth of truth – it gives one a picture to work with. Very few people, and possibly only Marion in fact, are able to press on into such dark depths without any structure and with only a faith that it's what she and God want to do.

I (Beth) couldn't have done it Marion's way John, I wouldn't have allowed myself to feel such pain, I needed to understand the bigger-picture reasons as to why I was in such pain, and be given the understanding that if I kept at it, one day it would end. Marion doesn't know it will end, she just keeps going one bad feeling at a time, which requires a tremendous amount of faith and over so many years and through so many inner obstacles; and still she doesn't know if it will end, but as she says, there is nothing else she can do other than keep going because she tried everything else. And she doesn't want to let her mind come in, only wanting to stay true to her feelings, so she doesn't want to know about the bigger picture even though she has worked it out along the way for herself and for James to understand which he's worked into his books.

So the spiritual aspect or approach James has provided, even if it's not actually talked about; the simplicity of honouring your feelings, and in particular your bad ones, then by accepting them you allow them to have their say, so you express them, all whilst longing for the truth, includes all one needs to know. And so by doing that, one will be able to fully Heal themselves working it out along the way for themselves; and even if they don't understand it, will be living the highest truest spiritual life one can live in one's wrongness, which in time will lead to one's Healing of one's rebellion and default.

On the surface of it, what James has related seems overly simple, but doing it yourself, and see what happens and what results; and that will take one deep into oneself uncovering the whole truth of oneself.

Many will consider that what they have been doing is adequate – why are they wrong in their understandings?

Nanna Beth: Because they don't understand what it's really all about. They don't understand the mind is in control of their true feelings, and that needs to be stopped. They don't understand the significance of their rebellion against the Truth, and how that happened by default. They don't understand that it's about uncovering the whole truth of yourself through your feelings, all your feelings, but focusing to begin with on your bad ones because they are what most people don't want to see. Everyone else sees it that they are doing this feeling type healing to make themselves better, to rid themselves of their pain and trauma, so instead of taking a pill to take the pain away, they are using some sort of emotional clearing system. But that is all still to take the pain away, to fix themselves, to heal themselves, to

effectively take a pill so it all goes away, just like what the ‘Divine Love people’ hope the Divine Love will do for them, but it’s not to uncover the whole truth of themselves. We have to see the truth of our pain, why we’re in it, how it all came about, so what really went on in all our early relationships. It’s not about doing anything that just takes all our suffering away. We have suffered for valid reasons, which all have to come to light. And so only emotional and feeling accepting systems will help one see such truth of one’s pain and suffering are of any worth. And unless you uncover the whole truth of yourself, you’ll never set yourself free of your rebellion and default, of all your soul pain. And the truth means to see the whole truth of why you feel unloved, how unloving your early relationships were, why you don’t love yourself, why you are unloving, why you are evil and wrong, which basically no one wants to face.

So to summarise: We all have to see the truth of our unlovingness. We can’t avoid it – deny it. We have to face it and feel all it makes us feel. And all those bad feelings lead us into the truth of it. So we have to understand – bring to light through our feelings – all the truth of our unloved, negative, evil, wrong state. And then once we’ve done that, we can be free of it. So until you uncover and feel the whole truth of it, it will never leave you, you’ll remain in rebellion against yourself, you’ll continue to be unloving.

Firstly, consider discovering the truth of your emotional pain and injuries through Feeling Healing.
 Secondly, consider longing for our Heavenly Parents’ Love as you progress with your healing.
 Primary and most important readings are the writings of James Moncrief.
 Then consider the Padgett Messages, and then The Urantia Book.

LONG to KNOW the TRUTH of EACH INITIAL CHILDHOOD EMOTIONAL INJURY:

All emotional processing work address only the top layers over the core childhood repressed injury. None of the modalities reach down to the mother injury, the core of the suppression, thus what relief from such processes is only superficial and at best temporary. Yes, they do identify the underlying cause of the pain and illness, thus this assists in addressing the physical health issues at hand. However, we need to go further, much further.

To heal oneself is to simply look to see what feelings we are refusing ourselves to feel, and accept them instead of denying them. And to fully accept them, we need to express them, speak about them, let them have their say, rather than pushing them aside, refusing to let them make you feel bad.

Admit you are feeling bad. Accept your bad feelings, identify what they are. Honour fully your bad feelings by expressing them, speaking about them to someone who is willing to hear you talk about them, or tell them out loud to our Heavenly Parents. Long for the truth of them. Long for the truth of why you feel bad – what deep within you is causing your bad feelings? We must always reach to the core issue, that which occurred during our Childhood.

LETTING GO with The LOVE:

Find a comfortable position to relax and be still and free from interruption. This may be for a few minutes or as long as you may please.

Long for and ask our Heavenly Parents for Their Love, the ultimate high octane super fuel being the light golden blue energy substance of Divine Love. Each little drop of the Divine Love received whilst doing one's Feeling Healing prompts one a little further. Ask for assistance and the Love to enable held errors of thought and belief to be released. One's personal intent and involvement in letting go of past incurred difficult emotions is most beneficial.

Step 1: Focus on an issue that you would like to feel better about, and then allow yourself to feel whatever you are feeling in this moment. Identify the negative feeling. Focus quietly on the feeling. Breathe into the sensations and allow them to be.

Step 2: Ask yourself one of the following three questions:

- Could I let this feeling go?
- Could I allow this feeling to be here?
- Could I welcome this feeling?

The mechanism of letting go is concerned with the emotional “what” from moment to moment, without involving the intellect. What is the benefit of this emotional feeling? What is the point of holding this hurtful belief at all? One may start laughing at the absurdity of long held errors or injuries upon reflection. **Breathe into the sensations and allow them to be.** Your willingness to accept the sensations may intensify them. This is okay.

Step 3: No matter which question you started with, ask yourself this simple question: Would I? In other words: Am I willing to let go?

Step 4: Ask yourself this simpler question: When? This is an invitation to just let it go NOW.

Step 5: Repeat the preceding four steps as often as needed until you feel free of that particular feeling.

The only way we can truly let go of them is by SPEAKING THEM OUT OF US, getting right into them with the feeling, and emoting and expressing it – whilst longing to see the truth of it...

Our willingness to let go thinking and accept what's happening is our ticket to inner freedom. Each time you sense a disruption inside, turn down the volume on the thoughts, breathe into the sensations and allow them to be. This is what we need do to let go. Simple. The challenge comes in being vigilant with letting go all negativity – no exceptions.

This process is ever so freeing and uplifting, though sometimes difficult.

Dr DAVID R HAWKINS:

David Ramon Hawkins, M.D. (born June 3, 1927, died 19 September 2012) is an American psychiatrist, mystic, author and controversial spiritual teacher in Sedona, Arizona. He is best known for his book *Power vs. Force*, in which he writes that applied kinesiology can distinguish the truth or falsity of any statement. He directs the non-profit Institute for Advanced Spiritual Research Inc. and operates Veritas Publishing to publish his books and seminars.

“Make a gift of your life and lift all mankind by being kind, considerate, forgiving, and compassionate at all times, in all places, and under all conditions, with everyone as well as yourself. This is the greatest gift anyone can give.”

“Every thought, action, decision or feeling creates an eddy in the interlocking, inter-balancing, ever-moving energy fields of life, leaving a permanent record for all of time. This realization can be intimidating when it first dawns on us, but it becomes a springboard for rapid evolution.”

“The downside of spiritual education is the buildup of the vanity of 'I know' and the devaluation of people who are 'not spiritual'. Therefore it is important as a foundation to spiritual training and education to learn how consciousness manifests as the ego and its mechanisms.”

“It is only the minority of people who seek self-improvement or personal growth. This is because whatever one's self-criticisms, one secretly really believes that one's way of being is okay and probably the only correct one. They are alright as they are, and all problems are caused by other people's selfishness, unfairness, and by the external world.”

Saturday, 5 August 2017: Nanna Beth: David Hawkins is living in the mind worlds, so I am told, and would be of no benefit to you John. His legacy is again one of those things that sits well with you, that you enjoy and can relate to and use as you do. And really it is now for humanity to use what is available to it having come from the mind worlds, because there won't be anything further coming through from them. Now it will be up to the natural inspiration of the individual on Earth, and those who are working with us, those people who want to do their Healing. The ways of the Rebellion and Default are to die, to fade away, however this will happen gradually as people of it still try to advance themselves, their lives and humanity in their wrongness, but the next real new inspiration will come from those who embrace the New Way.

Everything is interconnected.

MUSINGS by JOHN:

Thursday, 28 September, 2017

Kevin died on 10 August 2012 without any thought for spirituality and no passion for any religion, other than showing up. On 7 August 2017, he arrived into the 1st Celestial Heaven. Three days short of 5 years!!! He had met his soulmate, Kathaleen, and she arrived a few weeks before him into the first Celestial Heaven, as you may have read.

The writings that followed from Kevin are outstanding. Kevin is now a world teacher!!! He and Kathaleen both are. Neither would comprehend this, but they are. Kathaleen and Kevin's writings answers and leads anyone to the destination we are to find, in our own time.

I would like to contrast this achievement with someone I greatly respect.

David Ramon Hawkins, M.D. (born June 3, 1927, died 19 September 2012) was an American psychiatrist, mystic, author and controversial spiritual teacher in Sedona, Arizona. He is best known for his book *Power vs. Force*, I have read everything I can about his works – 10 books, plus videos, etc. Miracles happened around him spontaneously. The Catholic Church would make him a saint within seconds.

Hmm – Dr David Hawkins has stayed trapped in his mind and may remain in the mind spirit Mansion World for centuries, unless he embraces his feelings. He will remain stagnant and limited in his mind condition. Whereas Kevin is now a far greater and truer teacher than this great mind of Dr Hawkins. What a switch in roles! Kevin has progressed exponentially past Dr Hawkins in soul development. Go you good things, Kev and Kath.

Cheers John

Same day: Dr David Hawkins: Hello John. I have been asked to speak to you through James in this way, you being one of my ardent fans and followers of the principles I developed through my life on Earth.

Your assessment of me is correct, and I did spend time in the mind worlds trying to assimilate all that I did on Earth with all that was happening to me in my new spirit life.

Upon my arrival over here in the first Mansion World I was greeted as something of a spiritual celebrity with a host of mind spirits (as James calls them) greeting me, they being the ones who 'empowered' me to do the so-called miracles I did on Earth.

I want to tell you, it's quite a humbling experience to realise, like many of us who did such marvellous things on Earth, that it wasn't actually our own doing, we were not the sole instigator of such 'happenings', that it was other spirits working through us. And that although I attributed it to God, still I secretly thought it was all my own incredible doing, so to have to accept that I was just a conduit – that I really was, and having little more than an innate ability to be that conduit, I felt a bit flat.

And to bolster my flagging ego, I would tune into those people on Earth who were still thinking well of me, yourself John being one such person. And here again, by doing this, I gave myself a rude shock

having to face the fact and realise that few people truly understood what I was teaching, taking my work and corrupting it for their own gain. And believe it or not, I never thought such a thing would happen. So, who of my 'earthly followers' was staying true to what I taught – who actually got it?

And I kept coming back to you as one of these people John. Admittedly, had I helped you personally, you'd have had an even greater understanding and appreciation of my work, however you accept it as is and haven't corrupted it, and have guided other people to be interested in it. So I have followed you over the years in this, which meant I also took notice of what you were doing in your other spiritual interests, some of which were vastly different to anything I'd ever heard about, or found out about over here in my limited little mind world.

And I write such things in the past tense because I am very happy to say, all of which I am so grateful to you for John, that I have now progressed into the lowest sector of the Divine Love on the first Mansion World. I am learning all about it, and about the Healing, all under the incredibly patient and loving assistance of higher Celestial spirits, like those who wanted me to speak with you today.

So you can chalk me up as one of your admirers, and a mind spirit who has converted to the 'Ways of the Divine Love'. I still have a lot more to understand, this is true, and as it's so different to my earthly and mind spirit way of thinking, will take time to integrate into my way of thinking – which means, to change my way of thinking into a completely new way.

That is all I wanted to say. And although you might think that my coming is rather inconvenient with you having just written about me again, however here I am and this is what I want to say.

All the best to you John. You have no idea how grateful I am to you, and I have a strong pleasant feeling that that gratitude is only going to increase.

Yours respectfully,
Dr. David Hawkins

(James: As I was reading your comparison of the Doctor with K and K, I started to feel the energy building... oh here we go again... he's wanting to speak to me!)

Friday, 29 September 2017: Dear James and John (Noted from Samantha in England)

To be 'used' so fully by Mind Spirits, to create all he (Dr David) did under their influence, all so cunning, that must have felt quite devastating to him and I am feeling a lot of sadness, emptiness and let down with in myself as I understand how it feels to learn that my whole life has not been my own but that of my parents, their will, control and untruth and I have felt feelings of it all being such a waste of my experience being like that, a waste of the personality God created me to be. I am very sad as Dr David Hawkins realised how 'used' he has been, being a conduit for the Mind Spirits, I feel like that too, used by my parents to be as they wanted me to be instead of nurturing me to be myself and help develop the personality God gifted me.

I (Sam) bought 'Letting Go – the pathway of Surrender' by Dr Hawkins and I was very up with all of his feeling work but then felt the change in me with the mind dominant aspect of Dr Hawkins work, it was that I wasn't drawn to and felt myself draw back from it but now he can go on from what he already

knows, go further into the feeling aspect of what he discovered and I am sure he will get so much support in that from the Divine Love spirits that are guided to help him. Isn't that just so wonderful John, to have that help, like you have in Kevin and Kathaleen.

CONCLUSION:

David Hawkins' own story explains that the 'Letting Go' process is inadequate. The 'Letting Go' publication and process is his own research. Pure and simple; Dr David was knocking on the door, but that process was unable to open the door.

Again, his own story now endorses the Feeling Healing process!

This leaves no doubt as to the veracity of what Marion and James and Samantha are doing. It is **THE ONLY WAY!** The only way being the Feeling Healing process coupled with Divine Love.

This clears away confusion for many people who may explore everything. Other emotional processing and releasing modalities simply do not delve far enough into one's injuries and errors of belief. Yes, they provide some temporary relief, but none of them go beyond the mind and into the soul to the core and foundation of our injuries, all of which stem from our childhood upbringing.

Dr David Hawkins has now clearly put aside his own teachings and confirmed that his and all other modalities are inadequate.

Now, we all can focus upon the only way home!

PLASMA:

The magnetic and gravitational fields of plasma combine with other plasma. They group together to create minute things, all the way through to creating galaxies. Our thoughts are projections of plasma. Loved received is plasma.

Every cell in our body has a plasmatic magnetic field. Our whole body has its own magnetic field. And so it goes on, and on....

INTERSTELLAR BOUNDARIES:

The boundary is the outer limit of the magnetic field that encapsulates a solar system and universes.

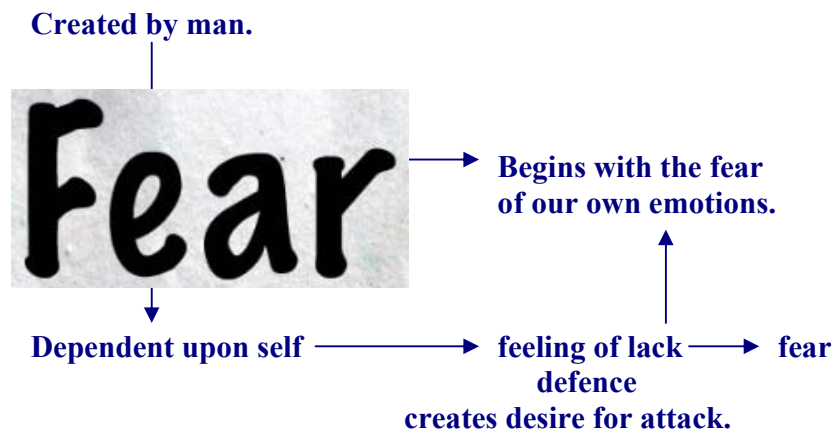

Personality – some is God created and some of it is the result of your environment.
 Characteristics – some characteristics are natural (mediumship) and some are developed.
 Individualisation of your soul – at the point of conception, your soul envelopes the two bodies (spirit and material) and you begin experiencing your life.
 Experiences you have had during your life – some are traumatic in nature, some are loving in nature and beautiful.

Many of these things are making up what is happening to you, the individual you.

Some of our experiences create some of your beliefs.
 When we are young we have emotional injuries created.

The problem for healers is that the patients own physical soul is generating the problem.

When the person who we are trying to heal does not want to deal with the cause, the healer's power is severely diminished to assist them because their own soul is generating the problem.

All illness is a result of the soul having these blocked emotions, which then create the illness in the physical form and the spirit body. If the person's soul condition is not addressed, then the person is going to recreate the same type of problem and issues.

It is very important that we start to see things at the causal level, particularly in the medical and healing profession. 16 May 09

WE are CREATED as EMOTIONAL BEINGS:

THE TRUTH WILL SET YOU FREE
BUT 1ST - IT WILL MAKE YOU
MISERABLE

PHYSICAL ILLNESSES ONLY BEGIN AFTER LOTS OF DENIAL.

The only illnesses that are not in that category or illnesses that occurred in a child, and they are due to the parents denial, their long term denial of emotion.

All illness that we could ever have is due to denial of emotion, an emotion usually. If it is one particular thing, then it will be one particular emotion. If it is a number of illnesses then it will be a number of different emotions that are involved.

That is why it could be simple to cure an illness because all we have to do is to connect to an emotion, however, the fact that we have a physical illness or a physical thing associated with an emotion that we are not feeling is because we already have quiet a strong denial of that emotion.

FEAR IS THE DOMINANT EMOTION IN THE HUMAN RACE.

The suppression of fear is overarching, it is dominant. Almost all of our entire life is suppressing our fears. We spend more time suppressing our fears than doing anything else.

Fear causes all human pain. All human pain is caused by the emotion of fear.

Immunity comes about by releasing fears.

All of our judgements come from fear.

THINKING.

You don't have to connect an emotion to an event. The event will come up as you feel the emotion. Most people think they can think themselves through the process. Thinking does not work very well with connecting to an emotion. Thinking is a product of our fear.

A child just feels an emotion, that is how a child processes an emotion – no thinking.

Feel the emotion, the emotion will tell you event afterwards, it will give you an indication of the event in your life.

Our soul is an energetic system, emotions are running constantly. Our soul's emotions cause energy meridians in our body. The 7 chakras are where 192 energy meridians intersect. These are energy meridians in our body that our soul has control of. Our soul's emotions control them. What is happening is that, lets say I have an emotion of unworthiness, and I have this unworthiness emotion that causes damage to these two energy meridians, 1 and 2. If my unworthy emotion is related to myself and I am a male, then I will have a certain response in those two meridians. Now that causes energies in my physical and spirit body to not flow properly in that region, which causes my body to not be able to completely replenish that area, which causes disease in that area of some kind, depending on what type of emotion that is and depending on how that energy affects that area of my body. But it is this, the soul is swirling mass of energy. This soul is your real self, swirling with energy all the time.

Energy in motion – E-motion, this is your soul, the real you.

It is where the energy is stopped, blocked, due to certain emotions, your soul not wanting to experience the emotion.

At that location, there will be an injury appear in your spirit form, and correspondingly, the injury will appear in your material form.

That is the creation of all disease.

The crown area is about spirit connection.

The throat area is about truth.

The mixture of those two things going on can create the problem of the tumour. If she has it at the base of the brain, it is probably affecting the central nervous system as well.

Look at what it is affecting and you will start to connect to the emotions of it. Also it about her connecting with what she is feeling, why she has this disease as well.

Every disease creates a feeling of its own within you, and if you can connect with that feeling, you will often find the source (the cause).

*The truth will
set you free*

SOUL CONDITION

Dark is not a good condition of love.

All these factors, conditions, influence where you arrive within the spirit world.

If my soul condition is poor, I can't access a higher condition within the spirit world until I work my way up into a better condition.

If I have family members in a higher condition, I have to wait for them to come and see me.

Your capacity to love is a determining factor.

Many families have very similar beliefs, morals, and conditions of love, thus, many families pass into the same or similar locations in the spirit world due to their similar soul condition. It is the soul condition that determines the location in the spirit world.

The truth will set you free

The first most import way is truth, seek God’s truth.

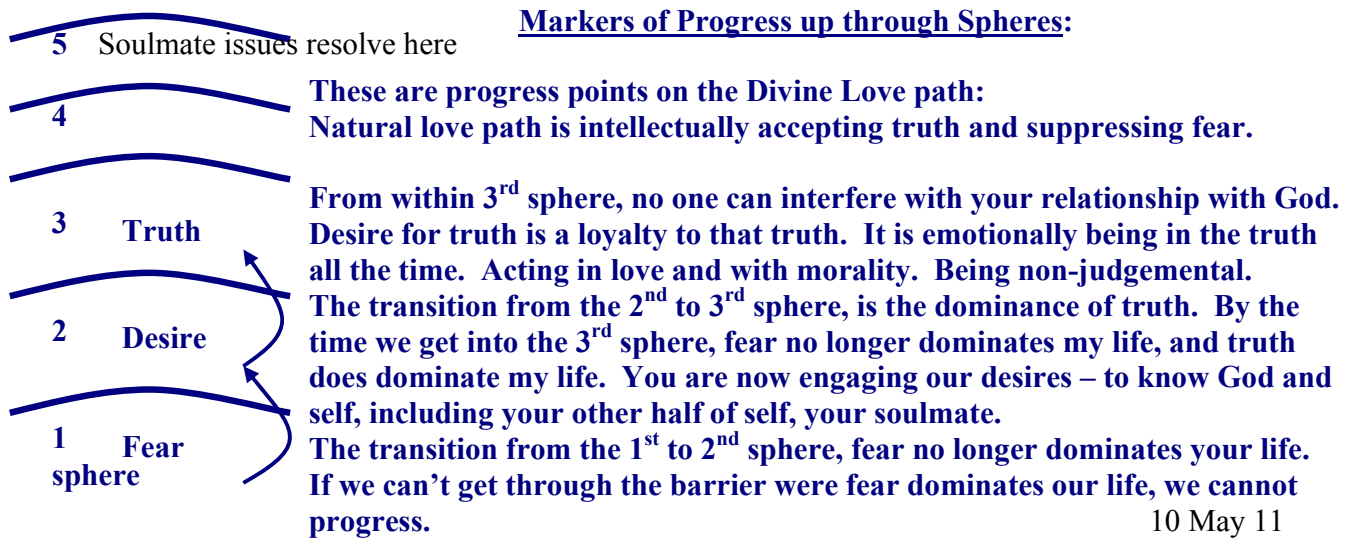

Second most important way is setting your intention to processing emotions.

The third thing is to look at why you don’t want to deal with your emotions.

Truth, then intention, and then looking at your blockages to dealing with emotions – list them, fear list, anger list.

The more important thing than all those put together is prayer.

Your Law of Attraction with these other things can help you identify your emotions so rapidly if you want to see them.

Once you are at one with God, you will be truthful with everyone, at every moment, without fear. You are not questioning their response to your love any more.

You are in a state of total trust of God’s Laws, trusting that God will care for you. You are not scared for your life, for your food, for your clothing, for your shelter, for your existence. You don’t plan ahead any more.

When you at one with God, you can go every where you want to. ‘I feel like going to Tanzania today’ – and you are there, because that was your desire, and you will go there. As soon as you have a desire, you will act upon it.

You can’t allow yourself to manipulate anyone into doing what I want them to do anymore. It is just automatically out of the question. When you become at one with God, you don’t manipulate people through their emotional injuries anymore.

7 May 11

Emotional injuries and errors that parents hold are readily absorbed by their children, these emotional issues can negatively affect the genes of their children. Similarly, should the parents resolve these negative emotions / errors then the corresponding repair can appear within the children's emotional structure and physical state including their genes.

EMOTION HOUSE CLEANING:

We are emotional beings, a mixture of loving emotions and unloving toxic emotions.

Toxic blocked emotions such as shame, guilt, apathy, grief, fear, unloving desires, anger, and pride, are ultimately physically very damaging. Should these issues not be released they can also assign us to the hells. You can envisage these as being within your untidy basement, each tread in the stairs being one of these emotions.

Praying for God’s Divine Love and embracing Feeling Healing will commence to tidy up your basement and bring you into a higher soul condition as well as better physical health.

Continue on with your Feeling Healing and the addressing of your emotional issues while always asking for and receiving Divine Love. This will bring brilliance and lustre to your first floor of your dwelling, now that the basement is clear.

It is far easier to progress up these stairs with the aid of receiving more and more Divine Love than try on your own.

As you grow in love and pass beyond the 1st sphere (floor) into the 2nd sphere (floor) you enter the realms of love, you no longer are dominated by fear. Few achieve this beauty and cleanliness.

Should you progress above the 2nd sphere by continually asking for and receiving Divine Love, then your negative emotional issues are now diminishing. Now being in the 3rd sphere, you are progressing towards the Celestial Heavens. Your home is now one of increasing beauty.

Love allows 'white' lies.

Love never lies (not even little white lies).
We never believe there is a white lie.

White lies are told to help another person avoid an emotion.

People are scared about telling truth.

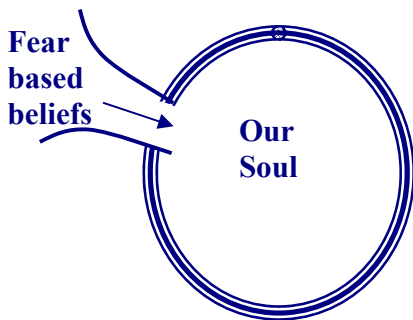

Fear is not love, fear is the creator of 'white' lies.

A white lie hinders your growth in love towards God.

White lies are an effort to make the person feel different to what they actually feel.

Our façade is all about our investment in the façade and our own or others opinion of myself.

Your free will, your will is the greatest gift ever given to you by God, even over God's Love, which is only obtainable by you using your will to ask for God's Love.

Possible relationship of Map of Consciousness (MoC) with Mansion World Spheres:

8th Sphere	1,081 – 1,251+	Achievement of at-onement on reaching 1,081
7th Sphere	921 – 1,080	Divine love only, transmission to at-onement and Celestial spheres
6th Sphere	841 – 1,000	Natural love mind world – perfect Natural love
5th Sphere	781 – 920	Divine love Mansion World
4th Sphere	651 – 840	Natural love mind Mansion World
3rd Sphere	500 – 780	Divine love Mansion World
2nd Sphere	500 – 650	Natural love mind Mansion World
1st Sphere	1 – 499	Natural love mind world predominantly

World 1 embraces the regions of disharmony as well as introduction to Divine Love. All humanity awaken in spirit in the first Mansion World. Then they move, if required, upwards to higher mind levels or lower into the hell planes or over into the Divine Love healing worlds. Humanity, overall, calibrates around 212 on the Map of Consciousness.

<u>Characteristics of first Spheres:</u>	MoC
Truth is always told: Sphere 3	651 – 780
Desires are followed: Sphere 2	500 – 650
Actions are fear based: Sphere 1	1 – 499

Earth is dominated by fear calibrating around 212 on MoC.

One's natural love is always progressively perfected during this journey of evolution of the soul.

Upon embracing Divine Love at any stage, then one can progress through the Divine Love spheres 3, 5, 7, whilst also doing their Feeling-Healing.

Even though a person may have received Divine Love, they do not avoid compensation or doing their Feeling-Healing, so they may still spend time within the spheres of disharmony.

Natural Love sectors for those doing their Feeling-Healing, without the Love, are within the Natural Love Mansion Worlds:

Progressing through the natural love worlds, within Feeling-Healing sectors, while doing one's feeling healing, upon reaching the 6th Sphere having completed Feeling-Healing, one can then embrace the Divine Love and proceed directly to the 5th Divine Love Sphere.

Then they may prepare to enter the Celestial Heaven Spheres from there.

This pathway is when the Divine Love is unavailable before perfecting one's soul.

DIVINE LOVE – what does it do?

The divine gift from asking for and receiving Divine Love will steadily, but with certainty, raise one's quality of life and also of all those around such a person who is seeking and receiving this Love.

The receiving of Divine Love, which is a substance, with certainty, progressively:

- Raises one's love for those around them, whilst embracing one's Feeling Healing.
- Raises one's perception of all things – naturally grows one's intelligence – soul intelligence.
- Enables one to feel and resolve negative emotional issues more readily during Feeling Healing.
- Humility becomes self evident. Humility enables one to feel their errors and emotions.
- Divine Love strengthens one's resolve to express errors, emotional injuries and untruths.
- Divine Love with Feeling Healing to remove emotional errors, enhances one's health.
- Divine Love enables one to become more childlike – not adult serious at all times.
- Divine Love raises one's capability of feeling – no longer needing to be mind controlling.
- By becoming feeling orientated, one no longer is mind / intellectually dominated.
- The strength to fight and overcome sin and error is strengthened through the Divine Love.
- The Law of Compensation process is more resolved by Feeling Healing with Divine Love.
- Receipt of Divine Love grows one's faith, beliefs become faith and then knowing.
- As our faith grows our intensity to ask and then receive Divine Love grows.
- We begin to follow our passions and desires, no longer fear and mind driven.
- Truth being told at all times then progressively becomes a way of life.
- Our quality of life blossoms, our finances and relationships prosper.
- Man creates his own environment, seeking Divine Love can vastly improve one's environment.
- Health carers receiving Divine Love enhance healing outcomes beyond comprehension.
- Receiving Divine Love may assist in bringing a struggling marriage back into harmony.
- You progressively become dependent upon our Heavenly Parents, not self dependent.
- Personal growth in love directly assists the soul condition growth of one's children.
- Divine Love assists one's rate of soul condition to progress whilst embracing Feeling Healing.
- Divine Love is a substance that changes the human soul to that of the Divine.
- Without Divine Love, one cannot progress into the Celestial Spheres (8th sphere and higher).
- Divine Love, with Feeling Healing, enables everlasting Love and Life in the Celestial Heavens.

“The Law of Compensation doesn't operate on isolated actions, but on the overall condition of people's souls, because the deeds are the consequence of this condition. Our behaviour is the reflection of our souls. Never see isolated deeds, always see souls whose condition leads to certain deeds. It is the soul condition which determines the motive and consequently the action. It is our lack of trust in God, this ultimate and definitive trust, which only soul development may give us. This lack is why we suffer.”

Judas of Kerioth 5th October 2001

As you grow in love, illness issues abate, financial security improves, and your treatment of your fellow man is the same as how you would like to be treated. You grow in natural intelligence, your perception on many subjects becomes profoundly more loving and supportive of and for your way of life and how you interact with your fellow man.

This quality of life and love permeates and extends into every facet of your physical life and continues to grow as you progress on your journey within the spirit world.

Your capabilities to ask for and receive Divine Love is a gift between you and your creator, God. You do not need an intermediary, nor do you need to join with any organisation. This is your own personal journey and experience. You can share this with others, but no one can take it away from you.

This Love will elevate the human soul to a condition that it may perceive the spiritual truths which God has waiting to be revealed to Their children who aspire to understand the nature of the divine and what their true relationship to Them and their family of souls is.

“Keep faith with God, and be open to Their Love, and you will overcome with confidence and, indeed, peace of mind, optimism and happiness, those circumstances that seem to mar the fulfilment of your years.” Mary (mother)

**Firstly, consider discovering the truth of your emotional pain through Feeling Healing.
Secondly, consider longing for our Heavenly Parents’ Love as you progress with your healing.
Primary and most important readings are the writings of James Moncrief.
Then consider the Padgett Messages, and then The Urantia Book.**

‘The difference between what are regarded as two paths, the Natural Love Path and the Divine Love Path, is, essentially, the amount of Divine Love that beings have been able to acquire.’ Quote from Celestial Spirit Richard 22 Dec 2012

God is God, who is our Heavenly Mother and Father, being SoulMates. There is only one Soul that is God's Soul, that being the Soul of our Mother and Father. Our Heavenly Parents are the First Soulmates; The Two Who Are One who have brought us all into being.

Jesus and Mary are a son and daughter of God.

Jesus of Nazareth and Mary of Magdalene, being soulmates, were both free of sin. Jesus and Mary, combined in their love for us, are our teachers and guidance for us to find our way home to our Heavenly Parents. To start this journey we are to liberate our souls from being entombed within our suppressive minds, through feeling and longing for the truth of our feelings via our soul and peel away our injuries incurred since conception.

Give yourself time to consolidate your relationship with the Mother and Father through the partaking of Their Love. And whilst you are doing this, you can learn about your healing, all that's involved with it, as there are many willing spirits to share their healing experiences with you.

When you are ready it will start happening simply because you will want it to, it all being orchestrated by your soul. And when that time comes you will have developed a strong foundation in your relationship with the Mother and Father for you to work from. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

It is to make longing for God's Love the priority, and then do one's healing; should one want to include God and the Divine Love in one's feeling healing. This is doing your soul-healing as you are seeking to heal your soul of all evilness – of that which made you become evil, and release all the hurt and pain of not being fully and truly loved.

WE ARE Children of God

WE ALL ARE BEING GUIDED HOME:

We need the Spirits of Truth of the Avonal Pair to Heal ourselves; then once Healed, (and for support (overshadowing) as well through your Healing), we need the Creator Pair, Mary Magdalene and Jesus' Spirits of Truth to see us through the Celestial spheres, while at all times embracing our Heavenly Mother and Father.

Until Mary and Jesus died and liberated their Spirits of Truth, no one from any of the worlds could leave Nebadon, because no one knew the way to do so. Nebadon is our local universe containing some 3.8 million inhabited physical worlds and their associated spirit worlds.

When we embrace the truths Mary and Jesus are revealing, and start to do our Feeling Healing, or with Divine Love, Soul Healing, we are then freeing ourselves up from our parental and self control.

Thus our journey to Paradise, to the home of our Heavenly Parents, is of our choosing as to when we progress, however, there is only one way:

HUM: Humanity is to ascend. We are self contained. Our soul is always in truth and perfect at all times. **By living true to ourself, true to our feelings, we are living true to God. It's that simple.**

We are to recognise that being engaged and dominated by our mind is the wrong way for us to evolve and grow in truth. We are to discard the mind enslavement that has been imposed upon us by all of our parents. We are to express our feelings, both good and bad and free ourselves of the indoctrination that humanity has embraced worldwide.

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God's soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of our Mother and Father.

AVO: We are to embrace the truths and guidance of the Avonal Pair through their Spirits of Truth. It is the Avonal Pair's guidance that will lead us through our Feeling Healing, and with Divine Love, we will be able to ascend through the 7 spirit Mansion Worlds and enter the Celestial Heavens where we also interact with other world's spirits.

J&M: We are also to embrace the truths and guidance of the Paradise Pair, Mary and Jesus, who will then lead us through the 3 Celestial Heavens that are aligned with Earth, and then further on through Nebadon where we will then depart beyond on towards Paradise.

M&F: Beyond the universal zone of Nebadon, we will be guided by our Heavenly Mother and Father onwards through the universes to Paradise where we will be welcomed by them, home for us all, as we are all Children of God.

AVO

HUM

WE ARE Children of God

WE ALL ARE BEING GUIDED HOME – NOW, HOW TO COMMENCE THE JOURNEY:

GOD

M&F

For 200,000 years, we have been misled into embracing our mind's distortion of wisdom and truth. All such traditional understandings only lead us in the wrong direction, from which we must turn back from. Our soul based feelings are always in truth. Our minds are to follow our soul based truths and feelings, not the other way round, as we have been brought up to embrace.

We are to connect with our deeper repressed feelings.
 We are to long for the truth of what we are feeling.
 We are to live true to our selves; by living true to our feelings.

Use your surface day-to-day feelings to connect with your deeper repressed feelings. Express your surface feelings and your deeper repressed feelings to uncover the truth of yourself.

J&M

We all have feelings which we communicate and share with each other. And we all have deeper buried and hidden repressed feelings. Feelings from our early childhood we felt, yet weren't allowed to express. These feelings are still within us, waiting to have their say. These feelings, because they are repressed, cause us all our problems.

And as we look to uncover, bring out and accept these deeper feelings, so we're taken into new ways of looking at ourselves, our feelings, and our life. We're setting ourselves free of the controlling patterns that govern our unloving behaviour.

In this way, we progressively begin to express the personality that our Heavenly Mother and Father gave us, not the one imposed upon us by our physical parents and carers. We are to be our true and real selves.

By living true to ourself, true to our feelings, we are living true to God. It's that simple.

AVO

HUM

As we, humanity, long for the truth of our feelings, we can also be assisted by the Spirits of Truth of the Avonal Pair who are our spiritual teachers for Earth over this coming 1,000 years, to assist us through the Great U-Turn, away from mind dominance to being soul based feeling lead. They will assist us through the seven levels of the spirit Mansion Worlds.

Then the Creator Pair, Jesus and Mary, will lead us through Nebadon and into the greater universe. Then our Heavenly Mother and Father lead us home to Paradise.

Collectively, should we embrace them all, as we are to, then our pathway home is a journey in the hands of the Spirits of Truth of the Avonal and Paradise Pairs overseen by our Heavenly Parents.

WE ARE Children of God

HOW TO GET TO PARADISE:

Long for the Divine Love
 Long for the Truth
 Long for the truth of your feelings
 Don't deny any feelings: accept, express and want to know the truth of them
 Know your feelings are the key; your feelings are the Way
 Want to end your falseness and being untrue
 Want to understand the truth of your early life
 Use your surface feelings to move deeper into yourself, bringing up your repressed feelings
 Want and long to know the whole truth of yourself
 Want to do it all with God, your Heavenly Mother and Father – long to Them for help.

The Key

Our longing drives our life. We long with feelings. We can wish for things using our mind, yet long for things with our heart. These things in the pyramid are what to long for. Longing for them, when the longing comes naturally. Longing because you feel you really want them. Long to be true with all your heart. Long to live true to your feelings. Long to understand the whole truth of yourself.

PARADISE TRINITY:

1. **Our MOTHER and FATHER (God) (MF) – Divine Love**
SOUL (God) – One SOUL that is expressing its two PERSONALITIES, our Heavenly Mother and Heavenly Father (Soulmates)
2. **ETERNAL SON (ES) – Divine Truth**
3. **INFINITE DAUGHTER (ID) – Divine Mind**

Then: The Second and Third Persons of the Paradise Trinity (ES and ID) are stepped down to the local universe trinity (Mary and Jesus, Divine Minister (DM), and her Holy Spirit.

The LOCAL UNIVERSE TRINITY:

1. **MARY M and JESUS (MF) – Love – the Living Truth**
2. **DIVINE MINISTER (ID) – Mind (and her Holy Spirit)**
3. **HUMANITY – Natural love, sons and Daughters – Truth, and our Angels – Mind**

PLANETS that engage in REBELLION:

1. **AVONAL SOULMATE PAIR – the Feeling Healing process – incarnate**
2. **DAYNAL – TEACHER PAIRS – they do not incarnate**

So in summary:

Consider a diamond:

Mother and Father Heavenly Parents

Creator Son & Daughter
Jesus and Mary

Avonals
as soulmate pairs

Trinity Teachers
as soulmate pairs

Melchizediks – who have taken over from the Caligastians and Daligastians being also all as soulmate pairs.

Mortal Souls – human beings who individualise on Earth, then progress through the spirit Mansion Worlds, then into the Celestial Heavens, and beyond.

Mortal Souls – also being ascending spirits, upon completing their Soul Healing, join with their soulmate, then join their soul group of 24 mortal spirits, being 12 soul pairs. It is only as a soulgroup that anyone can progress beyond Nebadon.

The Paradise Pairs are all ONLY concerned with the SPIRITUAL wellbeing and upliftment of the planets and local universe. Currently to do with Earth:

Mary and Jesus – spiritual wellbeing and upliftment of the whole of Nebadon region.

Avonal Pair – Daynal pairs (Trinity Teacher Daughters and Sons) – Spiritual wellbeing and upliftment of individual planets and their associated Mansion Worlds.

The Local universal Sons and Daughters are all about the running of the worlds under their jurisdiction, and ensuring the higher spiritual elements can be employed, or sent astray, as in our cases through the Rebellion and Default.

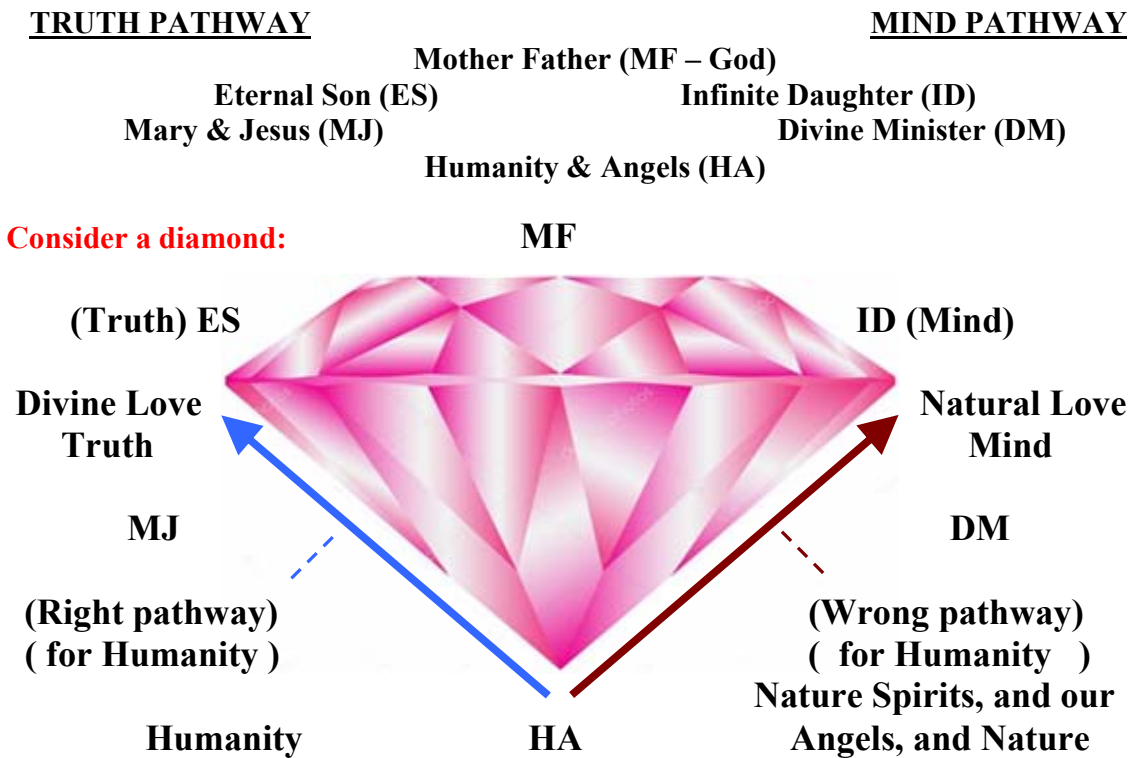

Lanonandeks – Melchizedeks (and others, such as Life Carriers and Eve and Adam).

As the Lanonandeks all rebelled – the Lucifers, Satans, Caligastias and Daligastias soulmate pairs – so the Melchizedeks have taken over their roles, as well as doing their own.

So the Melchizedeks are the governors, overseers, the administrators and advisors and so on for Earth; they are the ‘controllers’, and they will instigate all that needs to be done to do with the ending of the Rebellion and Default. And they will enlist the willing help of ascending mortal pairs, so the mortal Celestials spirits (soulmates when available, and others waiting to unite with their partner), and at times mortal spirits in the Divine Love Healing Mansion Worlds. And the angels help all of us.

Currently the whole of Creation exists for the ascension of mortal souls from their earth planets to Paradise. It’s all one vast Grand Ascension Scheme. With all the higher and lower spiritual Daughters and Sons, together with all the many different angels and other universal spirit personalities, and even including nature and our very own pets, assisting women and men with their Ascension Journey. It being: and Ascension of Truth. Everything we do is done to help us grow in truth. (Only everything we do in our negative state is to deny ourselves our truth from our feelings, which is why we have to do our Healing.) All women and men are ascending (or growing) in truth through their experiences. And as we grow in truth by looking to our feelings to show us that truth, so we’re ascending, moving inwards and upwards through all the worlds and spheres of the Grand Universe to one day arrive on Paradise and meet our Heavenly Parents. God is providing us, Their children, with this spiritual journey called our Ascension of Truth. And by living true to our feelings, so we are progressing on our true Spiritual Path – our Ascension Path.

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God’s soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of your Mother and Father.

Humanity is to pursue the pathway for Truth through one’s soul based feelings, this is the right pathway. However, humanity commences its journey founded on natural love, which we now know is to be perfected through one’s Feeling Healing process and then made divine through asking for and receiving our Heavenly Parents’ Divine Love.

For 200,000 years, **humanity** has pursued the pathway of the Mind, being that of the brain, this is the wrong pathway. The Mind is the pathway for Angels and that of all of Nature.

CREATION of SOUL and SPIRIT:

God is *The Paradise Trinity* — the eternal Deity union of the Personalities: the Universal Mother and Father; the Eternal Son of Truth; and the Infinite Daughter Spirit of Mind.

The soul of each human personality (sons and daughters of truth) is existential, driving our personality expression in the experiential. The soul of each human finds truth by embracing one’s feelings and longing for the truth of them. We are to attain the Eternal Son of Truth. We are a creation of Truth.

Feeling Pathway

Mind Pathway

Soulmate Pair

Angel

The soul of angels is experiential, evolving through their experience by continually progressing in mind development. Angels are to attain the Infinite Daughter (Spirit) of Mind. Angels are a creation of Mind. Our soul is duplex (we have a soulmate) and is created by our Heavenly Parents. Through our Feeling Healing we perfect ourselves enabling the union with our soulmate, as we progress in truth up through the Mansion Worlds, celestial heavens and all the way to Paradise.

Spirit Person

Nature Spirit

The soul of angels is also duplex, yet of the mind, and they progress in mind evolution to Paradise. Animals, plants and nature spirits are also creations of Mind.

Neither we nor animals reincarnate. We never die; upon death, we move into the spirit Mansion Worlds on our journey to Paradise. When animals and plants die, be they the tiny microbe to the mighty elephants of the land and the whales of the ocean, their spirit energy returns to the Spirit Collective Energy. And from this energy are drawn other animals and the nature spirits, who then in turn move onto becoming angels through increasing mind experience.

A nature spirit is an angel in waiting.

PSYCHIC BARRIERS MAINTAINING the REBELLION and DEFAULT are CRACKED!

The hounds of the Rebellion and Default have fallen, the psychic barriers have forever been cracked. The sheeple, the mice of humanity, now have the freedom to evolve through Feeling Healing and Divine Love.

Things are pushing ahead, we're working them from our side, and more so every day now. Many of the soulgroups involved in this are getting a feel for what it is they are to do and how they are to do it. So the barriers are giving way on multiple fronts.

There are actually barriers preventing people and humanity as a whole moving deeper into the wrongness, just as there are barriers preventing people and humanity moving out of it. It's all very tightly controlled, the Evil Ones put in a vast amount of controls and on all levels, which, unless you are shown by those spirits who can see them, such as the Melchizedeks, you'd never be aware of them.

So the cracks are appearing as the Divine Love Healing worlds start to 'descend' onto Earth – into the physical. For that's what is going to happen, the Divine Love Healing worlds, from the first introductory sectors on Mansion World one, to the truth of all the three main Healing worlds, being lived by people living them whilst on Earth. All to give rise ultimately to Celestials on Earth. That's what our goal is, to have people living on Earth who have fully Healed themselves.

Steps UP!

Quantum Jump 1

REVELATION 1
James Padgett 1914 – 1923

James Padgett bravely introduced the availability of the Mother and Father's Divine Love and a great deal of additional guidance and information, all of which has been supplemented by Samuels, Judas, Reid and Arnold. All writers were under restrictions of personality and circumstances. Revelation 1 opened the door for humanity.

Quantum Jump 2

REVELATION 2
Marion and James Moncrief 2002
– ongoing

Marion and James Moncrief have recognised the need for one to engage in Feeling Healing and, by their actions, removed restrictions that James Padgett and others above endured, thus JM is able to critique the writings of the past 100 years resolving points of confusion as well as expand on what has been written. Revelation 2 is humanity's turning point.

Due to the extra-ordinary nature of Revelations 1 and 2, humanity with the first Revelation would have continued on into its negative pathway of living, however, combining the first Revelation with Revelation two, now humanity can embrace this turning point and commence its evolutionary growth that has required two thousand years to put in place. This is the greatest event in the history of humanity and very few are aware of such, until we enable others to become aware.

1 Divine Love addresses the issues of the Rebellion.

The availability of Divine Love, should we so ask for it, being revelation 1:

God's Divine Love: Pray for it, ask for it, and receive it.

Whilst we are receiving our Heavenly Parent's Divine Love, and that this Love is causing change within our soul and spirit attributes, the greatest Truth known to man and spirit is that this is the way our Mother and Father are actually loving us! When we progress, it is the Mother and Father's way of loving us into love and then we live what we are, love.

2 Feeling Healing addresses the issues of the Default.

The way to clear one's soul of childhood errors and injuries is revelation 2:

To liberate one's real self, one's will, being one's soul, is begun by embracing Feeling Healing, so as to clear emotional injuries and errors. With the Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

Release one's pain through expressing one's feelings.

in conjunction with

Longing for the Truth when also longing for Divine Love.

FEELING HEALING + SOUL HEALING

To heal one's self is to simply look to see what feelings we are refusing to let ourself feel, and accept them instead of denying them. And to fully accept them, one needs to express them, speak about them, let them have their say, rather than pushing them aside, refusing to let them make you feel bad.

Doing this all with the intention of seeking the truth of why you are feeling them, of speaking about and expressing all such feelings; all feelings you have, but ALL WITH the INTENTION of UNCOVERING the TRUTH THEY WANT YOU TO SEE ABOUT YOURSELF. And it's the wanting to see the truth of them that is very important, because if you just look to accept them and speak and express them, but not seek their truth, then that's all you'll be doing, speaking and expressing them, but not healing their causes, so not fixing the things within you that are making you feel bad. And it's the truth part of it, seeking the truth of your feelings, and so, seeking the truth through your feelings, that's vitally important. It's the truth of yourself, life, nature and God, that is the spiritual aspect to it all.

You CAN'T find the truth of yourself, or anything else, through and with only your mind. You HAVE to engage and look to your feelings. And so if you choose to allow your feelings to 'Show You the Way', then the truth will come as you express them. So to do our Soul-Healing consists of these steps, all of which are ongoing until it's done:

- **Admit you are feeling bad.**
- **Accept your bad feelings, identify what they are.**
- **Honour fully your bad feelings by expressing them, speaking about them to someone who is willing to hear you talk about them, or tell them out loud to our Heavenly Parents. Long for the truth of them. Long for the truth of why you feel bad – what deep within you is causing your bad feelings?**
- **And remember, bad feelings are Good! Not bad. They are not to be despised. And as hard as it is to accept them, they are still you, and a very real part of you. And if you persist in denying them and not allowing yourself to fully live them, then you are only going to keep yourself in your errors making things harder for yourself.**
- **All sickness and suffering, all bad things that happen to you, all your problems, all your addictions – your whole feeling-denying and untrue life, is all caused by your denial of bad feelings.**
- **Every problem in the world is brought about because everyone has been brought up to deny feelings, and in particular, most of their bad ones.**

If one is intent on spiritually evolving and growing in truth, then it's vital, and this is the key, that one looks to use one's feelings as the means to gain and have access to the truth of oneself. You CAN'T find the truth of yourself or anything else through and with only your mind. You HAVE to engage and look to your feelings. And so if you choose to allow your feelings to 'Show You the Way', then the truth will come as you express them.

Doing your Soul-Healing with the Divine Love, is really doing your 'Feeling-Healing'. We are designed — created — to be self-revealing of truth, and so we are all to uncover the truth within ourselves and for ourselves, and all being done by living true to our feelings. **If you accept, express and seek the truth of your feelings, then truth will come to you, and you'll grow spiritually. It's as easy as that. Also it is as easy as it is to long for, ask for and receive Divine Love.**

THE HEALING OF YOUR BAD FEELINGS THROUGH THEIR ACCEPTANCE
AND FINDING THE TRUTH OF THEM, IS THE ACCEPTANCE OF YOUR
NEGATIVE, REBELLIOUS, EVIL, IMPERFECT MIND AND WILL CONDITION.

To do our feeling-healing we need to become:

Aware of – Acknowledge – and Admit, our bad feelings.

So we can:

Accept – them and allow ourselves to Be them.

And then if we feel to, take:

Action – Express, speak and emote them.

Talk about them.

All being done whilst longing to, really wanting to, see the TRUTH of our feelings.

So it sounds simple.

So I repeat:

We accept our bad feelings by expressing – speaking about them to someone willing to listen to us and take us seriously. And as we speak we long for the truth of them – why we are feeling them – to be made known to us. And when we uncover and see the truth we are FREE! – healed of the causes that have made us feel bad.

Accept, Express – see the Truth, and you're Free!

ACCEPTANCE OF ALL YOU FEEL, THINK AND ARE, IS THE KEY TO DOING
YOUR HEALING; THAT, AND WANTING TO SEE THE TRUTH OF ALL YOU
FEEL, THINK AND ARE.

Release one's pain through expressing one's feelings.

Longing for the Truth when also longing for Divine Love.

Prayers to our Mother and Father

From 'Religion of Feelings' by James Moncrief

Please Mother and Father help me accept my untrue state and bring up all my repressed feelings so I can see the full truth of why I feel so unloved and all that's wrong with me.

Please Mother and Father help me see the truth of myself through my feelings.

Please my beloved Heavenly Parents, fill my soul with Your Divine Love. I long for Your Divine Love; please answer my prayer and yearning to be at-one with You and do Your Will by living true to myself and all my feelings. Please fill my heart and soul with Your Divine Love – please make my soul like Yours – Divine.

Please Mother and Father, I want to uncover the whole truth of myself through my feelings. I want to be able to feel and accept just how bad I am, how bad I feel I am, how bad I've been in my life. I want to know the whole ugly truth of myself, see it and feel it and understand how I came to be it. Please reveal to me through my feelings all the truth of myself You want me to see. I want to be as You want me to be; I want to be true and perfect, Healed of all my rebelliousness and self- and feeling-denial; I want to be good, loving, true and happy, please help me become true to myself, true to my soul, true to You.

Please Mother and Father help me, I'm in such bad pain, I feel so alone, so miserable, so scared, what's going to become of me, I don't understand, what's the point of me, why have You made me; please help me see the truth of myself – all the truths of myself, nature, how to be in the world, of You both. I want to know, I want to know it all through my feelings, all that there is to see, the whole truth and nothing but the truth. Please help all my pain come to the surface of me so I can embrace and accept and express it out of me. I want to use my feelings to uncover the truth they are to show me; please help me to do that.

Please Mother and Father love me. I want You to love me. I want to feel fully loved by You. I don't want anything else, only to be with You. Please, that is all I am asking.

Please make me feel how unloving I am. Please show me the horrible truth that I am. I want to see and feel and understand the worst of me, please take me into my darkest scariest ugliest unwanted rejected places within myself. I don't want to feel all the dreadful pain that I know is there locked away inside me, yet I do also want it all to come up and out of me, and I want to use it to see the truth of my wrongness, the truth of how evil I am, the truth of my fucked up state. I no longer want to be false, pretending I am okay, using my mind to make me falsely believe I am good, happy, loved and loving, when I know I'm not. For how can I be when You've brought me into my unloving state, making me be of it. And as You want me to experience being this negative way, please show me the whole truth of it. I no longer want to deny any part of myself, or any of my bad feelings. I want them all to come up so I can express them, emoting their pain, feeling how bad You've made me feel all my life and all through my early life; I want to see why, and so reveal all the truth to myself. I want to be the living truth of myself, living true to my feelings and the truth they give rise to. Please help me to do my Healing, and please fill my soul with Your Divine Love.

The mind way is the 'dead' way; the feelings way is the 'alive' way.

Examples of some prayers to God:

From 'Feeling Healing' by James Moncrief

Please God show me the truth of myself through my feelings.

Please help me see the truth about myself You want me to see.

And please help me feel all my repressed pain; please bring up all my bad feelings so I can express them and see what it is they are to show me about myself, my life, and You.

And please help me work through my blocks, I want to Heal myself, I want to become true to myself and true to my feelings and true to You – please help me do that.

Heavenly Mother and Father, I feel so bad, and I know I'm doing it to myself, but I can't help it. I can't stop my compulsive addictions, so will you please bring up the buried feelings in me and show me the reasons why I can't stop. Please! I want to know – I REALLY WANT TO KNOW why I do them. Please help me Mother and Father to uncover the truth of myself. Please, I beg you, please, please, please show me the truth of them so I can give them up. I hate feeling bad, yet I know I must so I can keep expressing my bad feelings to see the truth You want me to see, so please help me feel bad.

Please Mother and Father fill my heart and soul with Your Divine Love. Please give me Your Love. Please love me and make me feel loved by You. I want to feel You close to me, I want You to hold me, make me feel loved by You. I only want You and to do Your Will. Please help me bring up all my repressed feelings so I can express them and uncover their truth. Please help me do my Healing. Please give me Your Love.

I hate you Mother and Father; why have You given me such a shit awful life? I hate myself, I hate You, I hate everything about my life. I feel so bad all the time. I've expressed so many bad feelings and still I feel bad. It's not fair, it's not fair what You've done to me. I hate You! And I want You to help me Heal myself, so I can stop feeling bad. You put me in the shit for whatever reasons, and I want You now to help me get out of it and show me what it's all been about. Please help me to Heal myself so I no longer hate You.

I long for Your Divine Love Mother and Father. Please fill my soul with it. And please help me uncover the truth of myself through my feelings. I want to see it all! And please make it all end, I'm so tired of always feeling so bad, please take all my bad feelings away by making me feel them and showing me the truth I am to see.

FEEL *for* TRUTH

The beauty of it all, is the truth comes to you through your own feelings. You don't need to be told it by anyone. You can work it all out for yourself. We are self-revealing of truth, it's how God created us to be, and by being it we'll feel the happiest we can feel. Truth is our great comforter, so when you feel it come up within you, ah it feels so good and you feel just right – perfect!

We know only how to deny feelings, now we can get to know how to accept them. And always with the truth being the most important part.

FEELING TRUTH

If you don't want to uncover the truth of your feelings, then you can keep on expressing them forever but you will never fully heal yourself. Seeing the truth results in the Healing. And to see the truth you need to express all the pain out of you. The two things go hand in hand.

You can accept and express your bad feelings, letting off steam all day long, yet nothing will heal and nothing much will come of it. So this is where wanting your feelings to show you the truth of why you're feeling as you are is so important.

Don't go fishing with your mind, that will shut the truth out from rising up for you. **KEEP YOUR MIND OUT OF IT.** It's a feeling thing, doing your Feeling-Healing. (This is where we erred previously, and this how other modalities are in error.)

You long when you can, then stop longing and keep expressing. And at some point, and it might not even happen immediately, it might happen after days or weeks of expressing the same bad feelings, truth will come to you. And it does, it just comes up suddenly into your consciousness. You just know. You see the picture and you feel it's true. And you know it's true. And THEN your mind can come in and start sorting it out and putting in context.

It's the Truth that we are seeking. It's the End Point. The Reason for doing your Healing. You are to see the whole Truth of yourself. And to begin with, that's the whole truth of your unloving self, of your wrongness, of your evilness, of why you are as you are in your negative unloving mind-controlling state. To be able to fully accept yourself as you are, warts and all. To not fight or resist or try and change yourself, just to accept all you feel and all the truth of all those bad feelings you feel about yourself. And when you do, so you will be healed. You CAN'T heal yourself unless you uncover the truth of your pain, suffering and so the truth of all your bad feelings.

Through our Feeling-Healing we long for the truth of what we're feeling whenever we can. So as often as you can. You want, and REALLY WANT WITH ALL YOUR BEING, ALL YOUR WILL, to know why you are feeling bad. You yearn, want, long and beg and beg and BEG God to show you the truth of yourself through your feelings. So when you are expressing your bad feelings you can stop and long for the truth to show you what's going on, why do you feel so bad, and you can do it any time you think of it or feel to do it.

Notes from 'Feeling Healing' by James Moncrief

Heartfelt TRUTH

Our FEELINGS are our SUPREME GUIDES:

Feelings!

Feelings are what guide us through our ascension of truth. So they are really our Supreme Guides. Many people look for a person, spirit, angel, even God, for supreme guidance, however it's all right there already built in – in our feelings. We just have to submit to them, allowing them to take us where they will, expressing all the parts we want to express, letting the emotion drive that expression if it's there to be expressed, or just talking about all we feel and how feeling that feeling is making us feel – or, how we feel about having that feeling, all whilst longing for the truth of our feelings. Longing for the truth of our feelings is really: Longing for the truth of our self, because: we are our feelings. So life stirs up our feelings, we feel being alive; or, being alive means we are feeling, always feeling; and when we work out what and why we are feeling what we are, so then we know the truth of how we are. And over time the truth accumulates, and our mind expands our understanding of ourselves, all being driven from our feelings. Kevin 26 Sep 2017

Using our feelings to uncover the whole truth of our negative or anti truth and anti love state.

Kevin: So whilst we're of an untrue state, then all we have got to help us understand why we feel bad, why we are wrong, why we are negative and anti love and truth, is our feelings. So if we focus on our bad feelings, they will lead us to the truth of why we're feeling bad. Which will be the truth of what happened to us to make us be this wrong way, and how we took on the wrong way and keep it going making us feel bad.

FEELING HEALING

Note: The vital difference between emotion and feeling is that emotions have their roots in the past, and feelings relate to the present moment. Emotions represent our feelings which were not previously expressed, and these accumulate with time.

Note: Our feelings are soul-based. Our soul is always in truth. It is our soul based feelings, that when allowed to be freely recognised, we will begin to express and be who we are. This takes time and perseverance as we have encrusted our souls with layers upon layers of errors and false beliefs, it is these layers that will confuse the truth that our soul is conveying to us. Only by our progression with our Feeling Healing will our soul's expression of truth become clear and free of all cloudiness and contamination.

“What our soul needs in accordance with our own, individual, **Soul-Light-Plan-Of-Destiny** (your life's true destiny plan), They, being our Mother and Father, will give you as required. The only way we can know truly what we need is to honour and follow our true feelings. They, springing from our soul, literally telling us what we need, and so when we genuinely feel we need something, we apply our will to get it. The hard part is knowing if our feelings are true, and until we have done our whole soul-healing, they won't be clear and totally true.” James – Introduction Course to Divine Love Spirituality

The CHOICE is OURS to MAKE:

Celestial Truth:

Truly all-loving;
 Living true to oneself;
 Mind supporting Feelings;
 Living with the Divine Love;

Fully Healed of the Rebellion and Default.

THE FEELING WAY

Feeling – Ascendance
 Unlimited progression

- Living true to your untruth;
- Honouring all your bad feelings;
- Expressing feelings to uncover their truth;
- Healing the Rebellion and Default within yourself;
- Feeling unloved; being unloving;
- Feeling as bad as you can feel;
- Feeling like you are no one special;
- Longing for the Divine Love.

THE MIND WAY

Mind – Transcendence
 Limited progression

- Enlightenment, Nirvana, feeling all-loving;
- All false, mind-contrived. Anti-truth, anti-love;
- Still evolving the Rebellion and Default within yourself;
- Feeling and believing you are the Superior One;
- Living with your mind in control of your feelings;
- Living rejecting all your bad feelings;
- Living with your mind contriving you feel loved;
- Rejecting the Divine Love.

All religions, New Age, agnostic,
 atheists, no spiritual interest,
 Living the Rebellion and Default.

Hell:
 Exploiting the Rebellion and Default.

The Feelings are the doer; the Mind the teller. So we are to go with our feelings, which we can't be told to do with our mind. So the longing for the Divine Love, doing our Healing by expressing our feelings and longing for their truth, are all feelings and doing it with longing. Whereas the mind just wants to tell us what to do and how to be, no feelings in it, all how our parents have treated us.

The New Way, Feelings First Spirituality
 Learn to live with God through your Feelings

Accept, express and long for the truth of your feelings

Be free in your feelings
 Free your feelings from your mind's control
 Live true to your feelings; your feelings are your true self
 Live true to yourself through your feelings

Live true to yourself by living true to your feelings.
 Long for the truth of your feelings.

Accept / Express / Bring out ALL of your good, and most importantly,
 BAD feelings.
 Want to understand why you're feeling them.
 Use your surface feelings to take you deeper into your repressed and
 hidden feelings.

The Feeling Way is the True Way.
 Your feelings are your spiritual guide.
 Your feelings will take you to God.

Your feelings will show you the truth of your relationships, including your relationship with God; and if anything is wrong, untrue and unloving, then why it is.

Our feelings are sacrosanct and we should respect them accordingly. And we should NEVER block them out, ignore, override, banish, deny or reject them, because if we do, we're only doing that to ourselves, as Our Feelings Are Our Self.

Our feelings are the gateway to our soul. Our feelings are the closest we can get to our soul. Knowing the truth of our feelings is knowing the truth of our soul, and knowing the truth of God.

Feelings First Spirituality is the True path for humanity.
 It embraces all people.

It completely unifies the world.

Everyone can relate to everyone else through their feelings.

And we can all live the truth that comes from our feelings, all sharing the same truths as we express and have the same feelings.

No one need be left out; no one is more special than anyone else – we are all united in Truth through our feelings.

So with and through our truth we live our lives, therefore without the need of any man-made mind-laws, rules and restrictions that limit self-expression as inspired by our feelings.

The New Way, Feelings First Spirituality is what is to replace all man-made, mind-contrived religions that so many people have enslaved themselves to. The New Way, Feelings First Spirituality will set us free of all that control, ending the Rebellion and Default within ourselves as we do our Feeling-Healing, and ending such control and spiritual stagnation in the world.

Bring on the End Times – get it over and done with! Let's all see that Jesus is not going to come again, that Prophecy has failed all the mind-controlled platforms. Allow such false systems of belief to die their long-awaited natural death, they've overstayed their welcome, it's now time they fade away. So let us show such antiquated, erroneous systems of belief the exit and bring on the fresh liberation of discovering the truth of how we are to live for ourselves, each of us personally in our lives, and all by looking to our own feelings for it. Self-revelation through our feelings is the way to go.

The Way of the Mind is ending, and is really the End Times – the End of our mind control, and **it's about time!** With the Way of our Feelings replacing it.

The End Times means the end and therefore a New Beginning. And that new beginning is a whole new Spiritual Age – an age based on self-revelation of truth through one's feelings, coupled with and supported by higher revelations from the Celestial spirits, angels and nature spirits.

The Feelings First Spirituality is the True Way to God because it helps you get to know God, helping you to reach out, connect and be personal with God, and do God's Will, all through your feelings. It is the only true way of getting to know the God of Feelings – our beloved Heavenly Mother and Father, the Great Soul of Divine Love.

Love comes through our feelings and not our mind, as we've all been wrongly led to believe.

Feelings First; then comes The Truth; then comes Love.

WE are meant to grow up LIVING FULLY CONNECTED to our FEELINGS:

Humanity has always had an awareness and involvement with spirits, with life on the other side, because we are all heading that way, we all end up dying and becoming one of the spirits, and were humanity living rebellion-free, then nearly everyone would enjoy some level of spirit involvement either directly or indirectly, loving such an expansive awareness in life.

We are meant to grow up living fully connected with our feelings in our physical reality, and at the same time with full feeling awareness of spirits and life after death, because after all, God is the greatest Spirit of us all.

And so having an awareness and involvement with spirits can, and should, help us have more of an awareness with our Mother and Father. And it's not with just spirits, it's also with the angels who are with us all the time, and the nature spirits should we be open to them, and even higher spirits if we are to work with them, such as the Melchizedeks or Trinity Teacher Pairs. But mostly for those people involved with the Divine Love, it will be with the Celestials spirit group that is assigned to help them.

It is very important to understand that spirits and spirit life is meant to be part of life on Earth. However that's not to say everyone need to have an ongoing relationship with their spirit friends, but they can at least still be aware of spirits and spirit life and where we will be going and something about what to expect once we die. And when you are open to it, lessening the grip of one's fears about it, then we will find it will be just another aspect or level of life, and one that can give us quite a lot of comfort.

TRUTH LOVING SOUL V ERROR INFLICTED MIND

**Feeling
Healing with
Divine Love is
the key!**

To liberate one's real self, one's will, being one's soul, is by embracing Feeling Healing so to clear emotional injuries and errors. With the Divine Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

A HEALING MIRACLE:**Message 78 Destiny**

What is seen through observation of people with difficult physical conditions and illness, who receive the Love, is that these physical conditions haven't miraculously disappeared. What is seen is the comfort that having awareness that the soul is the real person, and that this soul is recognized by the Father is a healing acceptance that can be a miracle for the heart. Dr Ryan

The simple asking for and receiving of the light blue energy substance that enhances the natural energy substance of our soul and personality that progressively, though slowly, enables the release of one's tendencies to engage with negative habit forming emotions and opens us to the realisation of truths that are life enhancing that brings about harmony throughout our bodies, namely the spirit body which is the template for our physical body, and consequently, then the physical body. The vibrancy of the great gift, the Love, together with Feeling Healing, enables a return to physical health. Try the experiment.

Note: Following the writings of James Moncrief, one could consider that any reference to the Father, by other relevant writers, may be read as a reference to 'our Mother and Father'. Further, when considering soul healing, then reference to Divine Love could be referred to as 'Feeling Healing with Divine Love'.

The SUBSTANCE of The LOVE brings about PHYSICAL HEALTH:

December 5, 2003

<http://new-birth.net/contemporary-messages/messages-sorted-year/messages-2003/millions-of-souls-millions-of-paths-ks-5-dec-2003/>

"When you know that you are souls with a spiritual body and a physical body, and that these two bodies reflect the condition of your soul, then how can there be any question about which part of your being is the most important?"

"If you want to be well and healthy, happy and strong, then you must see that it is important for you to get your souls into the highest and best condition possible." Apostle Peter

In the same way we will go about achieving our very personal and valued goals so will we go about creating harmony within our communities and peace worldwide.

"The opening up of the soul permits a permanent exchange with Divinity, a permanent recharge of this healing energy that allows not only the re-establishment of lost health, but the continuity of health, providing such a perfect balance, even in the physical body, that noxious agents like bacteria and virus cannot find any opportunity to unchain pathological reactions, which we commonly call illness.

"But it is true that people without the benefit of Divine Love would lack the protective shield, which the intrinsic healing energies of Divine Love provide for those who pray for our Heavenly Father's Grace." Judas – August 19th, 2001

Divine Love is the Great Gift that God desires to give to the heart-soul that asks, yearns and seeks for It. It is unconditional Love *conditionally* given that requires no preparation. It is conditional only because Divine Love cannot and will not be given to any person without that person first asking and yearning for It.

We Inherit our Emotional Errors from the Environment around us during Childhood:

We are to build but one temple. The Temple of the Living God is the blending of the greater (Divine Love) with the lesser (natural love) through which the lesser becomes one with the greater. The impurity was caused by the separation of the lesser from the greater. The purity is caused by their union, so that no longer is there a greater and a lesser but just the one good, whole, pure air of atonement. When you let the Love of the Father pour through you to all things, nothing fears you and no harm can befall you. It is separation from the Source Soul, Father, which has caused sin / error, sickness, poverty, and death. It is union with the Creator, Father that causes one to become a whole Being or to become conscious of being whole.

The Only Prayer That Man Need Offer to the Father:

The Prayer for Divine Love

(as given within the first century)

2 Dec 1916

I am here, Jesus

<http://www.youtube.com/watch?v=Pg6p3rivAZw>

P.438 Book of Truths through James Padgett / Jesus

Let your prayer be as follows:

Our Father, who art in heaven, we recognize that You are all Holy and loving and merciful, and that we are Your children, and not the subservient, sinful and depraved creatures that our teachers of old would have us believe. That we are the greatest of Your creation, and the most wonderful of all Your handiworks, and the objects of Your great soul's love and Tenderest care.

That Your will is that we become at one with You, and partake of Your great love which You have bestowed upon us through Your mercy and desire that we become, in truth, Your children, through love, and not through the sacrifice and death of any one of Your creatures.

We pray that You will open up our souls to the inflowing of Your love, and that then may come Your Holy Spirit to bring into our souls this, Your love in great abundance, until our souls shall be transformed into the very essence of Yourself; and that there may come to us faith--such faith as will cause us to realize that we are truly Your children and one with You in very substance and not in image only.

Let us have such faith as will cause us to know that You are our Father, and the bestower of every good and perfect gift, and that only we, ourselves, can prevent Your love changing us from the mortal to the immortal.

Let us never cease to realize that Your love is waiting for each and all of us, and that when we come to You, in faith and earnest aspiration, Your love will never be with-held from us.

Keep us in the shadow of Your love every hour and moment of our lives, and help us to overcome all temptations of the flesh, and the influence of the powers of the evil ones, which so constantly surround us and endeavour to turn our thoughts away from You to the pleasures and allurements of this world.

We thank You for Your love and the privilege of receiving it, and we believe that You are our Father --the loving Father who smiles upon us in our weakness, and is always ready to help us and take us to Your arms of love.

We pray this with all the earnestness and longings of our souls, and trusting in Your love, give You all the glory and honour and love that our finite souls can give.

Amen

MoC

Note: The 'false teachers' are our parents, as they are also the 'evil ones'. Also, the evil ones, being those parts of one's mind, that are controlling you.

Prayer of the Heart

I encourage the heart that prays to the Father for the Divine Love. I encourage the heart that loves the Love, and with sincere aspiration, feels for the Love. If there be any doubt, loss of faith or hardship of heart, I encourage the heart not to give up or give the Love away. The Father hears your prayers and the heart be rest assured in this. Never will a good heart be forsaken. As the Father does so do I, see and hear your heart, and prayers for the Love and the needs for wellbeing. Never give your heart up; trust in the One who knows your true heart, and there the Father loves you. One may never fully understand the intricate workings of time, past present and future, but the heart knows faith and Love and the Father Loves a good heart. Pray with faith, and in your heart my truth and the Father’s Divine Love meet you there.

I have given you this prayer of the heart so that men and women may draw from its words, strength, love and faith

The BEAUTIFUL MIRACLE:

5 Oct 2012

The DIVINE UNIVERSE

The way in which the Spirit conveys the Divine Love into the soul is a beautiful miracle. The attribute of mortal soul prior to incarnation has to it, a potential within it that is part of its formed nature. After the soul incarnates this potential remains part of the soul and even if the forming personality is unaware of such a soul potential, the potential still exists. The Divine Love is entirely suitable in its energy of harmony to be the energy that a mortal soul can utilise. The Spirit covers the spirit body when the individual sincerely asks the Soul of God for the Divine Love and this covering of the spirit body is where the dynamic of this beautiful miracle takes place. From the internal longing of the individual for the Divine Love this activates the Spirit Law that activates the Spirit that is then attracted to the spirit body upon which the Spirit material of the spirit body draws the Divine Love in to its soul and this union completes. The key here is to gain a perceptive insight into realising that the spirit body is not an inert body but that it is living and has activity, recognisable from its first forming from the Spirit Law that materialises a spirit body. The Spirit and the spirit body to give an analogy are like two attracting magnets and when the surface of the spirit body is touched by the Spirit, this causes the automatic response of the Divine Love to permeate into the attribute of soul and so begins the transformation of energy from the natural into the Immortal Divine Harmony. If the individual continues the receipt of Divine Love, the energy that is Divine Love actively begins to change the soul and this is felt in the spirit body systems and can produce feelings of love and elation. The spirit-mind begins to change as all spirit body systems are affected by the changed condition now experienced in the soul as the soul becomes living and vital. In one's progression of this Divine transformation, the soul will mature enough from the amount of Divine energy it receives and at that moment the surface of the spirit body and the Spirit are continuously attracted to each other, then one is living in the presence of the Father in perfect harmony, and this clarifies the truth about what it means to be truly at-one with God.

SHINING TOWARD SPIRIT:
665. The Shining toward Truth

Vol III, p. 157, 14 Nov 2014 – 14 Mar 2015 Zara and Nicholas

www.lulu.com

It is I Matthew, a teacher of the Divine Love. I have communicated with you recently, now I desire to provide you with a visual description of the Love.

Imagine a continuous Energy shining light blue that is unbroken with a seamless surface that surround every mortal and Immortal spirit. Imagine if you were to become aware that this energetic field of light-blue Energy existed in its shining radiance just near where you are. Now that you are aware that this unbroken Divine Love is unified energetic field of living Love, by opening toward the Soul of God and aspiring for the Divine Love, the Acting Spirit gently brings a small portion of this shining blue Energy into your soul

The Divine Love that you have received remains part of this great Energy that the Divine Love is and even though this small portion of Divine Love, now within your soul, in its shining radiance and energetic cause, it is never separated from the continuous energetic field of Energy that the Divine Love is. Having partaken of this Energy it is with perception that one is aware that the Divine Love within one's soul is the same Divine Love that every person and spirit who has partaken of this Love, participates with. Even though in our individuality we partake of this Divine Energy, this Love is never broken away from the Source and Origin from which this Divine Love emanates.

The Divine Love is bestowed into our finite soul by the Acting Spirit, but this Spirit remains in contact with our spirit body and does not enter the finite soul to become part of our finite soul essence that we are. No mortal or Immortal spirit can manifest in their soul the Acting Spirit so that this Spirit – this Holy Spirit – becomes part of our existing finite spirit body. Only the Divine Love and its Energy becomes part of our finite soul, which causes the change to our spirit body. The Acting Spirit always remains its own attribute and never does a Celestial spirit claim ownership or take possession of the Acting Spirit within their soul. (The Holy Spirit / Acting Spirit is an instrument of the Source Soul, our Father.)

This is one of the wonderful Truths by which we who have been transformed by the Divine Love understand our personal relationship with the Father's ever-present Acting Spirit. The shining Energy of Divine Love is all around us and when we have partaken of this Love, part of our finite nature becomes independently shining in this true perfect Love.

I provide these words that may appeal to those who are visual and to express the universal appearance of the Divine Love and the personal touch when in contact with the Acting Spirit.

Matthew (Apostle)

Whilst we are receiving our Heavenly Parents' Divine Love, and that this Love is causing change within our soul and spirit attributes, the greatest Truth known to man and spirit is that this is the way our Mother and Father are actually loving us! When we progress, it is God's way of loving us into love and then we live what we are, love.

On the WINGS of a BUTTERFLY: No 12, Traveller, an immortal journey, via Zara and Nicholas

Once upon a time there was a butterfly sitting with closed wings in a person's heart. This butterfly had been sitting with wings closed for a long time. The person couldn't figure out why they always felt a little sad. One day, this person asked another person why they feel sad. The response happened quickly and the person didn't like the response. It was said that perhaps your soul is sad. Several days passed and soon that person found themselves sitting by the sea. The sea has great longing to it. As the sun shone on a late spring day, the person thought about their soul and that perhaps, the person's remark was true, and that this person was a messenger of some sort. Suddenly a breeze swept through the beach and the person heard a distinct voice speak directly to him! The voice said, "Let your soul breathe in Divine Love." That was all the voice said.

The person didn't know what the Divine Love was or where it was, but now the sadness had greater longing so the person decided to breathe in the Divine Love and just like that – the closed wings of the butterfly opened and the person's sadness started to dissolve.

Happiness will be mine the person thought upon feeling the Love and this will take time for me to learn how to live such happiness.

Never again, in the heart of that person, did the butterfly close its wings.

To liberate one's real self, one's will, being one's soul, is by embracing Feeling Healing so to clear emotional injuries and errors. With the Divine Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

Our salvation IS by embracing Feeling Healing with the Divine Love.

God's Divine Love: Pray for it, ask for it, and receive it.

Please Mother and Father, may I receive Your LOVE.

“Every day is a day of devotion.”

Follow your heart, follow your love and do that in loving action, your inner love leads in your asking the Soul of God to receive a little of the Love to strengthen one's resolve to heal.

“I love you Father.” “Let the Divine Love proclaim its energy into my soul.”

“Mother – Father, I desire your Love and I am loving you.”

“Soul God, I love you and I love receiving and experiencing your Divine Love.”

“True Soul God, I am here, I am aware of your Love. Please hear my aspiration for your Love and as I approach you from my soul, I can feel your Love in the way that you are loving my soul.”

Try it; give the Feeling Healing and Love a go! If you want to shine, receive the Love.

One can simply receive the Love without following any religious or spiritual teaching taught by man!

Emotional errors and injuries cause encrustment around the soul, the soul is never damaged however, the encrustments retard love energy flow to and from the soul. Feeling Healing melts such injuries.

Three Great Truths:

- **God is Soul, being our Heavenly Mother and Father;**
- **that each individual soul is a duplex – both male and female;**
- **and Feeling Healing with Divine Love is the pathway to Paradise.**

NATURE and STAGES of FUSION:

Seventh stage of Fusion of individuality is the transition from the Eternal Spheres to the Spheres of Paradise. The individual is now fully fledged in their union with God and can travel around the entire soul Sphere that God is and resides in.

Sixth stage of Fusion truly demonstrates how the personality is infused with extended attributes of mind-spirit function as the individual progresses from the Celestial Heaven and enters the Eternal Spheres.

Pre-Incarnational Sphere:

First stage of Fusion is the separating of the soul into two, each soul half being complete on their own.

Fifth stage of Fusion transpires when their natural love changes and one's soul progresses to the condition to be of Celestial soul quality, one enters the Celestial Heaven.

Fourth stage of Fusion involves the Divine Love. This can happen at any time during the natural life experience of the individual. Happens when the Immortal Divine Love enters the attribute of the soul for the first time, either when in the physical body state or spirit body state.

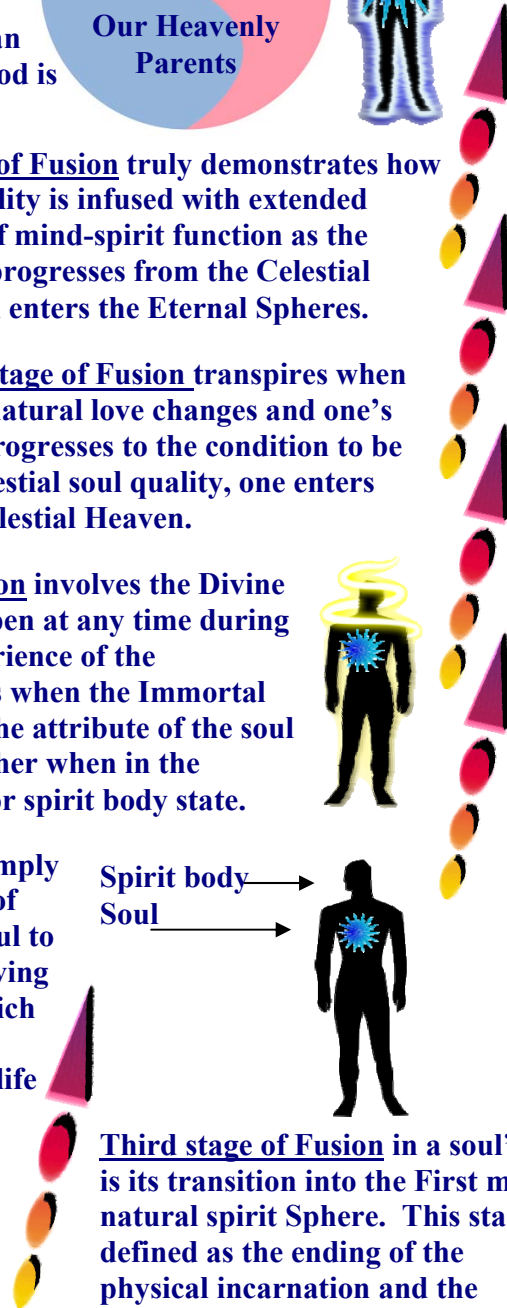

Second stage of Fusion is simply defined by the incarnation of the finite attribute of the soul to acquire a spirit body and living attribute of personality, which commences the finite soul's individualisation of mortal life experience.

Spirit body →
Soul →

Third stage of Fusion in a soul's life is its transition into the First mortal natural spirit Sphere. This stage is defined as the ending of the physical incarnation and the beginning of life in the spirit world.

FEELING HEALING and SOUL HEALING with the DIVINE LOVE:**James Moncrief Publications:****all publications are free downloads:**<http://divinelovesp.weebly.com/my-free-books-and-free-padgett-messages.html>

It is suggested for one to consider reading as follows:

Speaking with Mary Magdalene and Jesus – books 1 – 4

These four books encapsulate the second of the revelations with the first having been introduced by James Padgett one hundred years previously. These four books provide a wide range of guidance that has never previously been made available.

Paul – City of Light

As a gentle intro into the Divine Love and Healing; being James Moncrief's first novel and it's been criticised as being too heavily clichéd, but that's the point because it's a reflection of how he was back then.

Ann and Terry

For an example of people who might want to immediately start working on them selves and doing their Healing.

Feeling Bad? Bad feeling are GOOD

For more understanding about our denial of our feelings and why we should not deny our feelings, and it includes how it all came about for James, using himself as an example.

Feeling bad will make you feel BETTER – Eventually!

This includes specific examples of Marion and James working on expressing particular bad feelings, again with the hope that it will help others gain something of an idea as to what's involved in doing your Feeling Healing.

Sage – and the Healing Angels of Light

Through Sage who's 13 years old, the story is primarily about the two aspects of healing; that being, with the help of our angels, and the full Healing we can do by looking to our feelings for their truth.

**Religion of Feelings
Feeling Healing****Welcome to LOVE – the Religion of Feelings
you can heal yourself through your feelings**

So these books, including the four Speaking with Mary Magdalene and Jesus books, provide the essence of it all and are examples of James' work. Then it's up to whatever takes one's fancy. Other reading to consider may include:

The Padgett Messages being published as:**The True Gospel Revealed Anew by Jesus volumes 1 – 4****Book of Truths by Joseph Babinsky****The Urantia Book****Release one's pain through expressing one's feelings.****in conjunction with****Longing for the Truth when also longing for Divine Love.**

FEELING HEALING with DIVINE LOVE is SOUL HEALING:

A collection of 'papers' that draw together specific topics including all of the above and more from other sources of information and revelation designed to help increase one's awareness about why we have the problems we do and how to heal them, all whilst living a more healthy and sustainable life. They provide a brief snapshot of the more complicated topics and issues.

Firstly, consider discovering the truth of your emotional pain through Feeling Healing.

Secondly, consider longing for our Heavenly Parents' Love as you progress with your healing.

Primary and most important readings are the writings of James Moncrief.

Then consider the Padgett Messages, and then The Urantia Book.
