PASCAS INTRODUCTION:

Documents assembled by Pascas are provided for your individual assessment and exploration. The contents are sourced from a variety of avenues and publications. Every endeavour is made to determine that the contents are of the highest level of truth and veracity. At all times we ask that you go within yourself, to ascertain for yourself, how the contents resonate with you.

Pascas provides these notes and observations to assist us all in the development and growth of our own pathways and consciousness. Pascas does not hold these contents as dogma. Pascas is about looking within oneself. Much of what we are observing is new to us readers and thus, we consider that you will take on board that which resonates with you, investigate further those items of interest, and discard that which does not feel appropriate to you.

Kinesiological muscle testing, as developed by Dr David R Hawkins and quantified by his Map of Consciousness (MOC) table, has been used to ascertain the possible level of truth of documents. Such tested calibration levels appear within the document. We ask that you consider testing same for yourself. The technique and process is outlined within Pascas documents, such as Pascas Care – Energy Level of Food. From each person’s perspective, results may vary somewhat. The calibration is offered as a guide only and just another tool to assist in considering the possibilities. As a contrast, consider using this technique to test the level of truth of your local daily newspaper.

Contents are not to be interpreted as an independent guide to self-healing. The information sourced herein is not from a doctor or doctors, and any information provided in this document should not be in lieu of consultation with your physician, doctor, or other health care professional. Pascas, nor anyone associated with this document, does not assume any responsibility whatsoever for the results of any application or use of any process, technique, compound or potion as described within this document.

The sources of contents are noted throughout the document. In doing so, we acknowledge the importance of these sources and encourage our readers to consider further these sources. Should we have infringed upon a copyright pertaining to content, graphics and or pictures, we apologise. In such cases, we will endeavour to make the appropriate notations within the documents that we have assembled as a service via our not for profit arm, to our interested community.

We offer all contents in love and with the fullness of grace, which is intended to flow to readers who join us upon this fascinating journey throughout this incredible changing era we are all experiencing.

ABSOLUTE ZERO:

Absolute zero is sometimes referred to as the zero point field, it is not, however, absolute zero however, may be part of the Zero Point Field principal.

Absolute zero is the point at which there is absolutely no heat. There is no such thing as cold; just a lack of heat, in the same way there is no such thing as darkness, just a lack of light.

Absolute Zero is defined to be -273.15°C , or 0 K (Kelvin).

The zero point of any thermodynamic temperature scale, such as Kelvin or Rankine scale, is set at absolute zero. By international agreement, absolute zero is defined as 0K on the Kelvin scale and as -273.15° on the Celsius scale. This equates to -459.67° on the Fahrenheit scale and 0 R on the Rankine scale. Scientists have achieved temperatures extremely close to absolute zero, where matter exhibits quantum effects such as superconductivity and super fluidity.

The ZERO POINT FIELD: How Thoughts Become Matter?

http://www.huffingtonpost.com/peter-baksa/zero-point-field_b_913831.html

ZPF Basics

In quantum field theory, the vacuum state of space is the quantum state with the lowest possible energy; it contains no physical particles, and is the energy of the ground state. This is also called the zero point energy; the energy of a system at a temperature of zero. But quantum mechanics says that, even in their ground state, all systems still maintain fluctuations and have an associated zero-point energy as a consequence of their wave-like nature. Thus, even a particle cooled down to absolute zero will still exhibit some vibrations.

Liquid helium-4 is a great example: Under atmospheric pressure, even at absolute zero, it does not freeze solid and will remain a liquid. This is because its zero-point energy is great enough to allow it to remain as a liquid, even if a very cold one. Everything everywhere has a zero-point energy, from particles to electromagnetic fields, and any other type of field. Combine them all together and you have the vacuum energy or the energy of all fields in space.

This would seem to imply that a vacuum state -- or simply vacuum -- is not empty at all, but the ground state energy of all fields in space, and may collectively be called the zero point field. The vacuum state contains, according to quantum mechanics, fleeting electromagnetic waves and virtual particles that pop into and out of existence at a whim. So, we must then ask, can this energy be measured? Or even calculated?

So, the lowest possible energy of a given system must be greater than the minimum potential of the well -- its zero-point energy. This leads us to postulate the collective potential of all particles everywhere

with their individual zero-point energies merging into one universal zero point field. The theories and scientific research in this particular area of quantum physics lay the ground work for attempting to explain how the mind / brain / brain waves initiate transactions in the natural; how our thoughts commingle with everything else, and cause matter to manifest in our lives. The more we look at this area, the clearer the God / science connection becomes. If thoughts equal energy and energy equals matter, than thoughts become matter. Observe your thoughts as they will manifest themselves in your life in the natural via the ZPF. <http://peterbaksa.tumblr.com/>

How Matter is Formed

HOW MATTER is FORMED:

Plasma is the building block of all things, as depicted in the following diagrams.

Even light is plasma. Nuclear Engineer Mehran Keshe has determined that from light matter collected while travelling in space, anything can be made. The plasma of light can be used to deliver water, nutrients for food, etc.

In the Ringing Cedars Series, Anastasia (at that time she was a fourth sphere spirit natural love person manifesting a physical body) took Vladimir Megre into the spirit world and introduced him to 1st sphere or 2nd sphere manufacturing. Essentially, by holding in mind you influenced the technology to bring about the item held in mind, the product was then assembled from matter drawn from the environment (plasma). Vladimir's endeavours to create a motor car demonstrated his inability to hold in mind all that makes up a car. Yes, from one side it looked fine, but the other side of the motor car was missing doors and much of its required componentry.

PLASMA:

The magnetic and gravitational fields of plasma combine with other plasma. They group together to create minute things, all the way through to creating galaxies. Our thoughts are projections of plasma. Love received is plasma.

Every cell in our body has a plasmatic magnetic field. Our whole body has its own magnetic field. And so it goes on, and on....

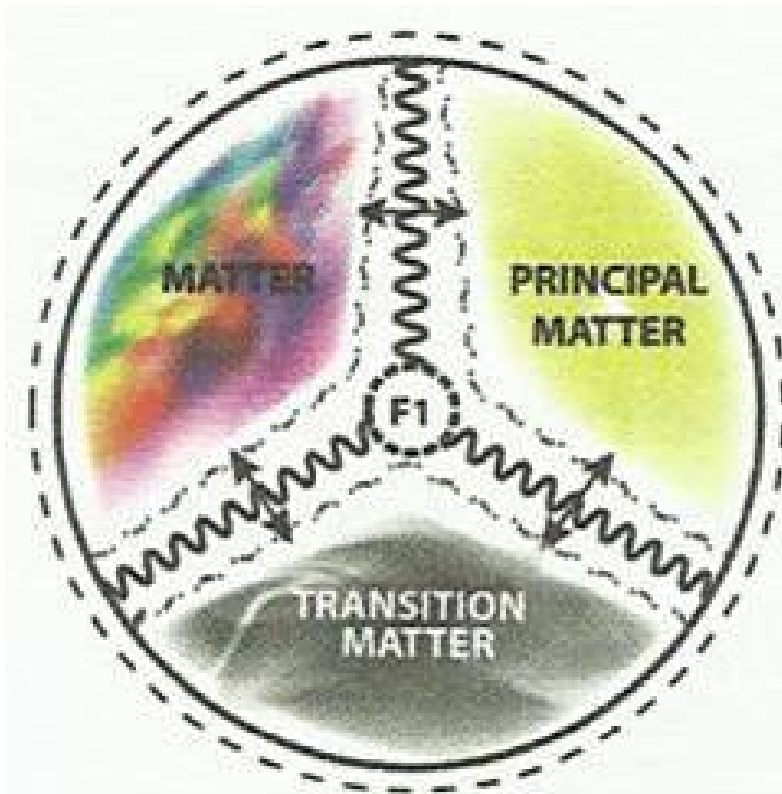

The chart on the following page provides a more expansive view of the various stages and states of matter. It is only within the past few years that plasma has been identified and understood, there may be even finer substances, however, plasma appears to be the building block for all that is.

STAGES of MATTER:

Matter becomes finer and finer and more incredible within each phase:

PLASMA:

The three aspects of plasma present themselves in an ever variable degree of concentration and variation.

Matter plasma creates the physical.

Principal matter, antimatter is the energy aspect and the predominant energy of everything that physically exists.

Transition matter, dark matter, absorbs light, and is referred to as dark energy because we cannot observe where it's source is.

Plasma, in its complete form, is the building block of all that is; however, there appears that there are even finer and even more incredible substances.

A plasma element may be dominated by its Matter aspect, thus being seen as physical matter.

Or it may be dominated by its Principal Matter / Antimatter, a higher level of energy.

Or it may be dominated by its Transition Matter / Dark Matter, in which case it cannot emit or reflect light.

The three states of matter are capable of changing from one state to another.

The amazing promises of the Zero Point Field

November 1, 2003, 7:00 pm

The story that you're about to read has created quite a stir among our editorial staff. The subject touches upon everything, literally everything that we humans do in our lives. And this is confrontational, disturbing and hopeful all at once. But that wasn't the only reason for the commotion. There was also a continual discussion about the way this topic should be introduced. After all, writing about an energy field that connects man and matter and continually affects everything and everyone is not as quite as simple as the average article. Tijn Touber, who locked himself away for weeks to write this amazing story, must have come close to desperation. Not only because of the comments we made and the continual discussions we had with one another, but also and especially because of the complexity of the issue. The words of Niels Bohr, the renowned Danish scientist, should have been a warning to us: 'Anyone who is not shocked by quantum theory has not understood it.' Hence, dear readers, you are forewarned. But there is some consolation: if at any time you cannot follow the story, you are in good company. Hold on tight. (Or better yet, let go.) — The editors.

Tijn Touber | November 2003 issue

Shireen Strooker is standing motionless in the middle of a large field, surrounded by 600 people. The gorgeous landscape under the mist of powerful Mount Rainier in the upper northwest of the United States is invisible to her. Shireen is blindfolded, as are all the others in the field. That morning they all made a drawing. The hundreds of drawings are now hanging on the fence along the edge of the field. The assignment: find your own drawing blindfolded.

Shireen does a meditation exercise, pictures her drawing and thinks: 'I am the creator of the drawing and the spectator, I only have to become one with the drawing and it will automatically pull me towards it.' Then, without bumping into anyone, she walks straight across the field and...picks out her drawing straightaway from among the 600.

Coincidence, pure luck? Shireen was not the only one to perform this implausible act. The results of this exercise involving the students of Ramtha's School of Enlightenment violated the laws of empirical probability theory. Apparently, humans are capable of 'communicating' with matter intangibly. The curriculum of this unusual school aims to prove that phenomena such as telepathy and clairvoyance are not wondrous mysteries, but gifts that every human being possesses and can develop. The unwritten slogan of the Ramtha's school's curriculum could be that there is more to the world than meets the eye.

There are other schools and movements that have proclaimed this message in recent decades. In fact, the New Time Movement was founded on it. But the exciting thing is that the hard science of modern physics is starting to lend proof to the existence of a ubiquitous energy field, which could offer an explanation for the miracle of a blindfolded woman who finds her drawing amidst 600 others.

In her book *The Field* (HarperCollins, 2001), investigative journalist Lynne McTaggart provides an overview of recent scientific discoveries that demonstrate that there is an all-encompassing energy field connecting man and matter. In their search for the heart of the matter (no pun intended) – for the

smallest particle – scientists discovered the field’s special characteristics and potential. The so-called Zero Point Field (the name comes from the fact that even at the absolute zero point, energy can still be measured) appears to provide the explanation for countless known phenomena and processes that had stumped the scientific community for generations. Gravity, electromagnetism, clairvoyance, telepathy and the spontaneous healing of wounds: the origins of these diverse phenomena can all be traced back to this quantum field.

McTaggart writes: ‘Researchers discovered that the Zero Point Field contains the blueprint for our existence. Everything and everyone is connected with one another through this field in which all information from all time is said to be stored. Ultimately, everything – from man to matter – can be traced back to a collection of electric charges that are continually in contact with this endless sea of energy. Our interaction with this field determines who we are, will become and have been. The field is the alpha and omega of our existence.’

A connection between matter and mind runs counter to the scientific foundations upon which modern society is based. Our perspective on life is still greatly influenced by the mechanistic worldview introduced by Isaac Newton in the 17th century. Newton saw the universe as a machine with separate parts that have a limited influence on one another. René Descartes added his vision to the mix, that the human mind is separate from the lifeless matter we call ‘body’. In Newton and Descartes’ way of thinking the world simply keeps turning, whether we humans are there or not. We don’t particularly matter.

Darwin’s evolutionary theory reinforced the image of the lonely, isolated human being. It was all about eating and getting eaten. Humans appeared to be an evolutionary accident without any particular meaning. But huge questions remained: how does life begin, how does our mind work, why do we get sick, how does a single cell develop into a complete human being, and so forth. Many scientists looked for answers to these questions in religion, but that brought them into conflict with themselves.

The first indications of a possible bridge between spirituality and science came – interestingly enough – from physics discoveries made at the beginning of the last century. In 1911 the German physicist Max Planck demonstrated that there is an energetic ‘empty space’ between atoms. Planck established that this energy field is everywhere at all times, he considered it a constant that did not influence material existence.

Other pioneers in quantum physics discovered that the most elementary building blocks of matter couldn’t actually even be called ‘matter’. Sometimes these building blocks behaved like particles, then like waves and sometimes like both at once. In 1927, Werner Heisenberg dubbed this the ‘principle of uncertainty’. It appeared that subatomic particles were not solid objects but vibrating little packets of energy that could not be quantified or understood as separate parts. A more significant break with Newtonian thought was hardly conceivable. At this elementary level, nothing appeared to be certain. There were only endless possibilities.

Moreover, these particles appeared only to take a specific shape if a spectator observed them. If a person noticed a particle, it ‘froze’. The researchers came to the startling conclusion that consciousness creates reality and Einstein wondered whether the moon would actually ‘exist’ if we didn’t look at it.

These physicists also noted that particles that at one time were connected to one another – within a molecule for example – remain connected always and everywhere, and influence each other instantly, which is faster than the speed of light even over great distances. This so-called ‘non-locale phenomenon’ indicates that the dimensions of time and space do not apply at an elementary level. Einstein spoke of ‘distant ghostlike connections’.

Einstein and his contemporaries were unable to reconcile the new discoveries in quantum physics with the Newtonian reality they could see and touch around them. Their solution was a scientific monster: different laws applied to the world of small particles than for larger matter. At the same time these scientists sought meaningful refuge in spiritual and religious texts. Erwin Schrödinger, for example, studied Hinduism; Heisenberg looked into Plato’s theory of the ancient Greek. Niels Bohr was drawn to the Tao and Wolfgang Pauli to the Cabala.

What didn’t work a century ago now appears possible. The theory of the all-encompassing Zero Point Field could span a definitive bridge between spirituality and science. Einstein couldn’t prove it, but suspected it, when he said that ‘the Zero Point Field is the only reality’. The Field could explain the instantaneous, ‘ghostlike’ transfer of information between quantum particles. Divergent scientific discoveries point in the same direction.

Biologist Paul Pietsch of the University of Indiana in the United States wanted to know where memories are stored in the brain. Pietsch conducted experiments with salamanders. First he taught them specific patterns of behaviour. Then, to destroy their memory, he removed their brains and milled them in a meat grinder. Finally, he put the remainders of the brains back in the salamanders’ heads. After awhile the salamanders re-exhibited the learned behaviour. Put another way, their brains were shattered, but their memory lived on. Pietsch concluded that their memory was not a local phenomenon, but is somehow linked to something perhaps an energy field outside of the salamanders where they could ‘collect’ their memory.

Neuroanatomist Harold Burr of Yale University discovered the field in a different way. During the 1940s he researched energy fields around living organisms and discovered that young salamanders have a light field around them in the shape of an adult salamander. This ‘blueprint’ appears to be already present around the unfertilized egg. Burr also saw light fields around plant seeds that took the shape of mature plants. These fields could explain why you can amputate a salamander’s leg, jaw or even the lens of their eye, only to see the body part grow back.

Salamanders may have an unusually strong connection with the energy field around them, but this phenomenon can also be seen in humans. Amputees can sometimes feel (phantom) pain in the amputated body part. Burr’s work also demonstrates that bodies – matter – are connected to an enveloping energy field.

And where do clairvoyants get their visions? Physicist Hall Puthoff of Stanford University in the United States asked himself that very question. He conducted various experiments with two clairvoyants in which he gave them the coordinates of a place on Earth they had never been. Independent from one another, the clairvoyants were able to describe these places in detail. To measure the extent of their clairvoyance Puthoff asked them to describe Jupiter before NASA’s Pioneer 10 spacecraft had charted

the planet. Somewhat embarrassed, clairvoyant Ingo Swann said he saw a ring around the planet. 'Perhaps,' he told Puthoff, 'I may have accidentally directed my attention to Saturn.' No one took the drawing seriously until some time later when NASA released images from the spacecraft showing that, indeed, Jupiter had a ring.

The CIA has since shown interest in the extraordinary results of Puthoff's research, which could potentially be used for espionage. As an experiment, CIA agent Christopher Green was sent up in an aeroplane with a piece of paper in his pocket on which three numbers were written. This was no problem for clairvoyant Pat Price, who was able to recite the numbers accurately, and in the right order. However, he said he felt a little nauseated. It later appeared that Green's flight had run in to heavy turbulence.

Puthoff then conducted experiments in which he sent people to random coordinates and asked them to photograph the location in 15 minutes and fill in a list of questions he gave them. In nearly all cases, the clairvoyants were able to clearly describe the locations based on the coordinates they were given.

Puthoff went a step further. He asked the clairvoyants to describe the location before the test subjects arrived. And they did. The clairvoyants appeared capable of describing the destination a half-hour to five days before the travellers arrived. Puthoff concluded that time and space does not exist on the level of the Zero Point Field. The information is apparently already available before the actual events occur. Puthoff conducted a total of 336 comparable experiments proving it made very little difference to the clairvoyants whether or not the subjects were at the location in question.

Physicist Helmut Schmidt conducted another remarkable experiment that points to the timelessness of the energy field. He had his test subjects put on headphones and listen to bleeps produced by a machine. The sounds were random and equally distributed over the left and right ears. Their assignment was to have more sounds go into one of the ears. Nearly all the subjects were successful. In other words, people were capable of influencing the machine without directly touching it. Schmidt concluded there must be a field that connects man and machine.

His next experiment reinforced this once more in a rather bizarre way. He gave a test subject a tape with bleeps to take home and asked him to influence the tape so that more bleeps would be sent to the left ear. Schmidt made a copy of the tape for himself. The next day the bleeps had indeed shifted, with more going to the left ear. To his amazement Schmidt discovered that his copy had also changed, although as far as he knew the machine – as usual – had evenly distributed the bleeps over both ears.

The only possible conclusion for Schmidt was that the future intention of the test subjects influenced the tape when it was actually recorded. Just as the little salamander knows that he must grow up to be a big salamander, Schmidt's test subjects know that they will influence the recording of the bleeps before he actually asks them to do so. Past, present and future apparently flow together in the energy field.

In another type of experiment, Harvard University psychologist Ellen Langer demonstrated that time is a relative notion. A group of people over the age 70 were taken to an isolated area where a scene from 1959 was exactly replicated. Furniture decor, movie films, music, newspapers and magazines from 1959 were specifically given from that time period. Within a week the group's actual symptoms of ageing had reversed. The joints in their fingers were more flexible and their eyesight improved. Langer

concluded that because the participants were given the same mental information as in 1959, their bodies began to adapt to the physical situation at that time. One of the possible explanations is that these people in their 70s made contact with their own energetic blueprint from 1959, and their bodies followed suit.

The American doctor and author Deepak Chopra puts it this way: ‘Time is dependent on our perceptions. No experiment has ever proven the existence of the continual movement of linear time and the concept has never been expressed in a mathematical formula. The experience of the continual movement of linear time is a phenomenon that was created by our nervous system. In fact, the past, present and future exist simultaneously, side by side, in a field of endless possibilities. The experience of linear time is the way in which nature protects us from experiencing everything at the same time. But that is what actually happens.’ Einstein put it more concisely: ‘Space and time are modes in which we think, not conditions in which we live.’

In the Field there is no difference between a memory and a new experience. The brain retrieves ‘old’ and ‘new’ information the same way. This explains the salamanders’ remarkable recovery. Their brains were largely destroyed, but the ‘memory’ had not been lost; it was stored in the Field. Just as intuition, clairvoyance, premonitions, telepathy and other ‘inexplicable’ phenomena can be understood if the Zero Point Field is seen as a storage place for information to which anyone can tune in at any time. Is that what Nostradamus was doing when he ‘saw’ the future?

One of the first scientists to recognize that the Zero Point Field could be the missing link for our understanding of the universe was the Hungarian systems expert Ervin Laszlo. In his book ‘The Creative Cosmos’ written in 1993 he writes that the field is more than a mass of shimmering energy in the background of our existence. According to Laszlo, the Zero Point Field is an information carrier. ‘This quantum vacuum is the origin of mind and matter – a blueprint of the universe. Even our own memories are not stored in our brains, but are stockpiled like holographic information in the Field. Our brains are mainly receivers and processors of this information. When they resonate with certain frequencies they gain access to specific information.’

Are you still there?

You have just read that time doesn’t exist and that human beings can influence machines. All this in a world that says computers are always right because they are indisputably logical. Yet we are still talking about verifiable physical and scientific experiments. All these experiments and phenomena point to the fact that the ghostlike discoveries in the area of quantum physics have substantially more influence on our daily reality than the pioneers of a century ago originally thought. Does the universe according to Newton’s laws still exist? Or is the world proving to be a dynamic web in which everything and everyone are connected? Does that imply that my life means something radically different than I thought?

My life?
Does an 'I' even exist?

Does the concept of individuality still have meaning if everything is connected and even our own memories are accessible to everyone? An even more exciting thought: the atoms that are in contact with one another and with the universe in a myriad of ways temporarily and intermittently shape our body. Every seven years all the cells in our body are regenerated; no atom is the same again. And who knows what kind of information those new atoms are carrying when they nestle into our bodies? 'Individuality', 'I' and 'mine' become very limited concepts when viewed this way. Our separate existence, which we believe to be the basis of our daily experiences, is no longer the central issue. It is replaced by the all-encompassing connection.

These scientific discoveries can also explain the peculiar phenomenon that people in hospitals heal more quickly when random people in random locations around the world pray for them daily, as research has proven. The connection with the Zero Point Field also appears to be clearer, due to the similarly bizarre fact that people who have undergone organ transplants take on certain 'memories' from the organ donor.

When I pray for people, they get better. Surely, the reverse is also true. I realize that it is in my own interest to treat my environment with care and respect because one way or another, we all carry the responsibility for the Zero Point Field that connects us all and for the reality that we create together.

For my life, the second implication of the Zero Point Field is just as radical as the insight that separation actually does not exist:

I create my own reality.

Just as I can apparently influence a machine, I can influence all matter around me. More to the point, I do it all the time, including influencing the matter in my own body. If I create reality, then the world is not as it is, but as I perceive it. My thoughts determine my reality.

Roy Martina, a doctor and karate champion, was at a party when as a joke a friend attacked him from behind. Martina's natural reaction was to put the man in a karate hold, breaking his friend's finger. Under the motto of 'you break it, you fix it' they decided to conduct an experiment. They had heard that Aboriginals were able to heal broken bones nearly instantaneously. Martina: 'We thought, if they can do it, we can too. We tuned into the "Aboriginal Field" and sent that energy to the broken finger. X-rays showed 'no trace of a fracture'. A couple of days later my friend was back playing volleyball.

In Napoleon Hill's famous book 'Think and Grow Rich' written in 1937, Hill explains that those who make it 'big' mainly succeed because, at the very deepest level, they are convinced they will. Successful people, Hill concludes, solemnly believe in their goals and simply 'know' they will achieve. As successful people focus all their attention on the goal, it materializes.

As experiments in physics have shown, all particles that are given attention become visible.

The third life lesson from the Zero Point Field is that in principle, everything is possible.

All information is available in the Zero Point Field. It is my challenge – and that of us all – to glean the best from it. Michelangelo once said about sculpturing: “The image is already in the marble, all I do is cut away everything that is not the image”. I sometimes experience the same thing when I’m writing a story and I see words appear on the screen that I’m barely conscious of thinking. Just like that, I get sentences that I don’t consciously know or think of – from the field? It’s called inspiration. But in fact ‘inspiration’ is no longer an inexplicable circumstance, but a demonstrable physical phenomenon.

During his visit to the Sistine Chapel in Rome, Mozart heard Allegri’s famous ‘Miserere’. This specific piece of music is only heard once a year during Holy Week. After Holy Week it is once again behind lock and key for another year. After hearing it only once, Mozart was able to register this piece of music in his mind and thus able to break the secret spell around the work. Ervin Laszlo comments, ‘Mozart and other composers of his calibre were not alone. They had access to the “Field” and thus were in contact with masterpieces.’

Artists are interpreters and translators rather than creators. Their talent is not a miracle, but something that in principle everyone can learn. It is a question of ‘Tuning into the Field’.

While visiting a Greek island, Shireen Strooker is sitting with her husband Bram Vermeulen at a table in an outdoor cafe in the sun. In the middle of the table a briefcase blocks their view of one another. Bram is looking at a piece of paper in front of him and slowly counts: ‘One, two, three, four...’ On every count Shireen writes down a plus or a minus after the number on her sheet. Ignoring the surprised glances from onlookers she fully concentrates on what Bram is ‘sending’ her, a plus or a minus. When the sheet is full, they switch. They are both trying to get a plus or minus after the same number.

That day they play the game a total of 11 times. According to the laws of probability, Bram and Shireen should have the same plusses and minuses fifty percent(50%) of the time. However, that day their score is seventy (70%). They both knew it was not by chance alone, having had similar results in the past.

Bram and Shireen know that you can reach each other if you ‘tune in’ correctly.

We often get in the way of our ability to ‘tune in’. Shireen, ‘There is a clear difference between concentrating and ‘tuning in’. If I concentrate with all my might to achieve something with my thoughts, I usually achieve just the opposite. What we call “thinking”, is mainly about doubting. We wind up with all kinds of emotions – “I can’t do this, what am I doing here?” – and we don’t achieve our goal. ‘Tuning in’ means not thinking but making contact with the information that is already there. We become one with the information and resonate with it.’

Shireen describes an exercise she did with an overweight man. They stood opposite one another and stared hard into each other’s eyes. Then they both walked to opposite ends of the room and Shireen had to pick up on the man’s favourite food. Her first image was a chocolate bar. But – given the man’s size – she began to doubt. ‘It must be a hamburger,’ she thought. She drew a hamburger and walked back to the man. Wrong, it was a chocolate bar. Shireen: ‘That’s what I mean by thinking.’

Children are naturals at “Tuning-in”. It is amazing how successful small children are at Shireen’s drawing game with which this story began. Shireen remembers playing hide and seek with her little sister. “She counted to 10 outside of the living room, came back in and walked directly to where I was hiding, regardless of which curtain or chair I was crouched hiding behind.

Nor are animals hampered by thoughts. The British biochemist Rupert Sheldrake describes numerous extraordinary phenomena. A cat that answers the phone only when her owner calls while all other calls are ignored. Sheldrake reports of a horse that refuses to take another step on a path that shortly became buried under a sudden avalanche. Dogs that unsuccessfully try to get their owners to leave their house before they are involved in a serious accident. There are also numerous stories involving animals that manage to leave town before an earthquake or a tsunami may strike.

Learning to ‘Tune into the Zero Point Field’ enables us to create consciously.

At one point I needed to relocate, I created an image of the house I wanted. I visualized a house by the ocean with woods nearby, high up, lots of light and affordable. For a few weeks I paid a moment’s attention to that visualisation every day, which anchored the energetic image in the Zero Point Field. It was just a matter of time before it would materialize. That happened two months later. Now I live in the home that I once envisioned. Using visualization I actually ‘Tuned into the Zero Point Field’. Paying attention to an image of my house it could become reality; exactly as physicists’ have suggested. Small particles manifest themselves when given attention.

Dreamers often laughed at by people who considered themselves sensible, who felt they had both feet planted firmly on the ground. Now those dreamers have science on their side. Dreams are where reality begins. The future is created by seeing that future, by ‘Tuning’ into it. In principle, anything is possible.

Science is presenting a reality that my rational mind can scarcely comprehend. How can a person influence a machine? How can time not exist? How can I make something intangible, tangible? I am living in my house and Shireen found her drawing. My doubts must have to do with the quantum leap

that my rational mind must now make. There's a good reason why physicist Niels Bohr said that 'Anyone who is not shocked by quantum theory has not understood it.'

One evening Shireen arrives home to find a yellowing envelope from her mother containing copies of the Gospel of St. Thomas discovered in 1947. In this gospel Jesus tells Thomas: 'I am not your Master, but you have drunk. You have become intoxicated from the bubbling spring, which I have measured out.' For Shireen it is clear that Jesus drew from the same well – the same field – as she is now learning to 'drink'.

Enlightened learned people like Jesus see through the story of creation. They didn't need science for their 'knowledge' of the Zero Point Field. Thousands of year's later science and spirituality are at the point of converging. The consequences and possibilities are immense. The miracle of Jesus and other enlightened thinkers was their ability to see and help shape a better world. They understood that if they want another world, they have to learn to think differently. As Gandhi said 'Be the change you wish to see in the world.'

Anyone who thinks that only the Mahatma or Jesus of Nazareth can do that now has scientific evidence to the contrary. Each one of us is capable. Each one of us is a creator. Each one of us can change the world. And that doesn't have to be an endless, difficult process – just think of the Aboriginals' ability to heal broken bones. It can happen today. It can happen now. After all, what is time?

Whilst we are receiving our Heavenly Parents' Divine Love, and that this Love is causing change within our soul and spirit attributes, the greatest Truth known to man and spirit is that this is the way our Mother and Father are actually loving us! When we progress, it is God's way of loving us into love and then we live what we are, love.

Note: Following the writings of James Moncrief, one could consider that any reference to the Father, by other relevant writers, may be read as a reference to 'our Mother and Father'. Further, when considering soul healing, then reference to Divine Love could be referred to as 'Feeling Healing with Divine Love'.

“Every day is a day of devotion.”

Please Mother and Father, may I receive Your LOVE.

God's Divine Love: Pray for it, ask for it, and receive it.

Our salvation IS the embracing of the Feeling Healing process and Divine Love.

Our Mother and Father simply desire for us to ask for Their Love.

“Father, open my soul to this Gift, Your Love. Open my soul and may Your Holy Spirit touch my soul and pour within it your essence, your Love that I may be transformed, that I might be your true child, embraced and carried, lit along my life’s path in the glory of your Light and care and protection.”

Hearing Your Inner Voice.**P.1 August 17th, 2001**

I am here, Jesus.

I have observed you as you passed the whole day thinking of the trance message that I delivered last June; and above all, the part where I spoke about the inter voice, referring to the question by Geoff, impressed you very much. You have wondered if you, too, could develop this ability – the ability to hear “your internal voice” clearly. I write “your internal voice” between quotation marks, because, in fact, it is not your voice, it only sounds in your interior, but it is a voice of external origin – it is our voice, the voice of the spirits.

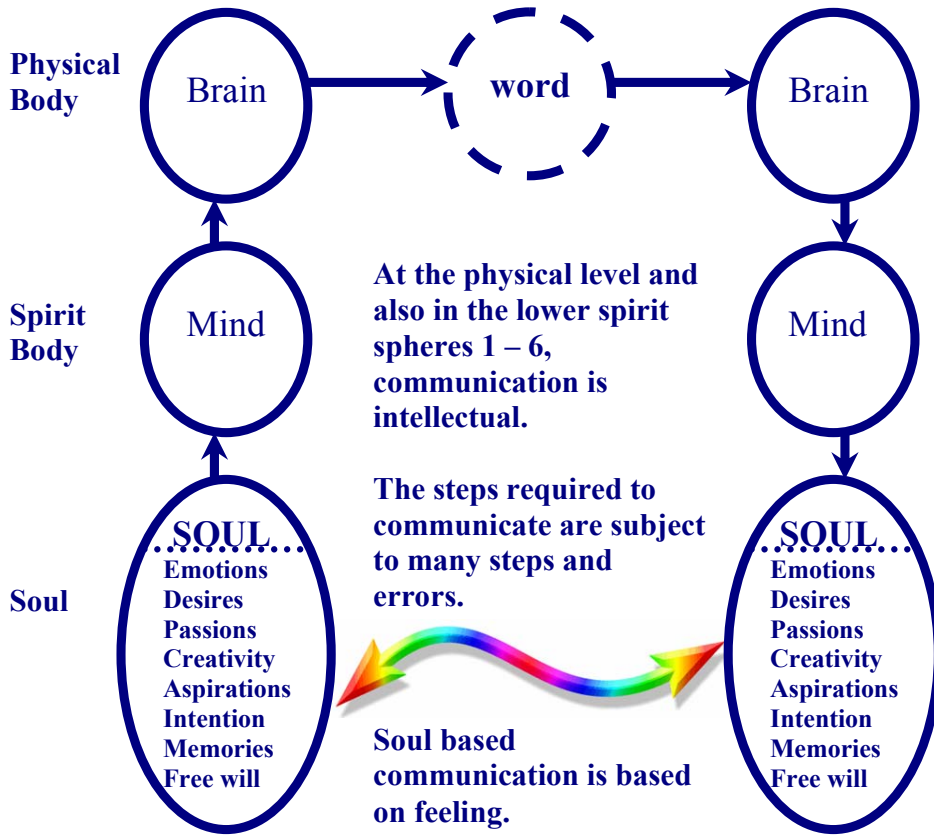

All people have the ability to perceive this internal voice, and in fact, everybody hears it, but in most cases, they don't listen to it. And there are three reasons for this to happen. First, it is difficult to distinguish it from your own thoughts, because we, the spirits, have to use the instruments that the human puts at our disposition, that is to say, his or her mind. And in that mind, we formulate the answers or suggestions that we wish to convey. Of course, this voice doesn't ring distinctively, and since it originates in your brain, it is part of your mind, with the one exception that this voice was implanted into you, impressed upon you, as right now I am impressing you with these thoughts.

How are you able to, then, to distinguish if what you perceive, feel, and “hear” comes from us, and are not the machinations of your own mind? I admit that this is difficult, but in this same moment you can already give yourself the answer: Our voice arrives accompanied by certain sensations; you have the impression that you are not “hearing” it in your head, in your brain, but you're rather feeling something, which is formulated in your chest, in your heart, and is a very similar sensation which you perceive when the Love flows into you, transmitting the impression of your chest being contracted, but a pleasant, happy sensation. You feel the same happiness now, and in fact, I can assure you that you are experiencing the inflowing of this Great Love that the Heavenly Father grants us in his infinite Kindness.

As I have said, our coming and communicating is accompanied by certain sensations that allow you to realize that what you are feeling, and the information that you are receiving, is not information that your own mind is formulating, but is something that comes from outside – from the world you still ignore – from the wonderful world of the spirits.

I have explained to you the first reason, why people don't perceive, or why they refuse to perceive, this kind of communication: Simply, they confuse it with their own fantasy. But there is another reason. Imagine the soul is like a radio receiver. You can still remember those old apparatus, which, together with the transmission of the sounds, also transmitted a boisterous background crackling. You can sometimes hear this phenomenon even today. When you drive a car with the radio turned on, and as you move out of the reach of the broadcasting station, in the same way the noise increases, interfering with radio reception, making it more and more difficult to understand the speaker.

COMMUNICATION at the PHYSICAL LEVEL

COMMUNICATION at the CELESTIAL LEVEL

You hear words and they transfer along this path:

Spirits that are on the Divine Love path will communicate with you directly soul to soul, with your feelings.

God communicates with you directly with your feelings, not with thought. Those feelings will generate thoughts within you.

ASSISTED COMMUNICATION with OTHER PHYSICAL PEOPLE:

Through one's soul, one communicates to one's indwelling spirit, who, in turn, is assisted by your angels to connect with the angels associated with the person who you desire to communicate with.

How one works with people carrying out conversations unbeknownst to them, is rather easy from a technical point of view. One's angels speak to the angels of the person involved, conveying what he/she wants to say. Their angels (or the angel active in the experience) 'commune' with the person's Indwelling Spirit, who then creates the reply with all the required information giving it to that person's angels, then those angels relay it back to you, the inquirer, angels who relay it to your Indwelling Spirit who inspires your mind to see and hear what is being 'said' or 'thought' or 'felt' by that person.

This is very unusual and is only permitted in very extenuating circumstances.

**YOU ARE A SPIRIT,
YOU HAVE A SOUL,
AND YOU LIVE IN A BODY.**

Around the age of 6, a segment of our Heavenly Parents' essence connects with our soul. This is our personalised Indwelling Spirit. Through our soul, one can communicate with and receive information from one's Indwelling Spirit. Should we proceed to engage in our Feeling Healing and also embrace our Mother and Father's Divine Love, then on completion of our healing, the Indwelling Spirit will fuse with our soul permanently. This event occurs upon the progression from the 7th Mansion World (Divine Love Healing World) equivalent to the 1st of the Celestial Heavens. The fusion with one's Indwelling Spirit results in a continuous connection with our Heavenly Parents.

Your soul enlivens your spirit body which, in turn, is the template for your physical body. Your soul is assisted and aided by your Indwelling Spirit as well as by your Angels who are soulmate pair.

CREATION being an EXPRESSION OF MIND – Nature Spirit Verna:

I, Verna, am one of the 'Little People of Light' or commonly called a nature spirit. We go by other names: elemental, elves, fairies and the like, but really we're nature spirits. We are only concerned with nature, the nature of Earth – our world. Earth is our world more than it is yours, as you're all passing through, whereas we are permanent residents.

We, nature spirits have an hierarchy, some of us being more evolved than others – older – and we're considered to be a slightly lower creation than that of angels, as it's angels, a certain type, that create us. And when we have served you, humanity, well, we can if we want, move up to becoming an angel, we can evolve into one.

About soul-light coming from the soul interacting with Creation bringing about in Creation what needs to happen is all in accordance with the soul's pattern. As far as nature goes, it is wholly responsive to the needs of humanity, that is really all it exists for, for you. We know why we act, we just act, we're creations of the Mind, The Third Person of Deity; the Infinite Daughter Spirit looks after us through the Local Universal Mother Spirit, the Divine Minister.

We exist to serve you, those of the truth, as nature does, it also being a creation of the Mind, so we don't have a truth-evolving soul like you do. We do however grow in mind service, we evolve so to speak, but not how you evolve. We evolve by doing actions, by acting in accordance with the instructions and mandates we are given, and when they are fulfilled, or completed, we move onto the next assignment, that is our evolution, so we're able to grow by being given increasing responsibilities, it's the same for us as it for the angels.

So although we don't have an eternal soul like you, we do feel we have an eternal place in Creation because we are part of it; we've been created, there was and is a purpose to our existence, so there will always be something, the next thing, for us to do. And as we do each assignment we grow, which is really, advance in light. By the *light* of an angel or nature spirit you can tell where they are in Creation, on what level, on what assignment, on what circuit, where in the Universal Mind they fit and so exist.

Creation is all created by, and so is a manifestation of, the Mind of God, it consists of mind circuits from the lowest to the highest; and so because of that, everything in Creation can help everything else, it all being orchestrated by the intelligence of the Personalities it is derived from. So when your soul requires a certain experience, then all you are, all the environment is, all that leads up to that exact moment from the beginning of Creation, moves to bring about that experience for you. And all we do is go along with it, which is all you are slowly to learn to do. You are not to try and fight it, or interfere with it, you are learning to just accept nature, your own natures, your soul – or truth and mind nature.

As you learn to live as nature does, by being all-accepting, then you can allow your soul to guide you through your feelings and without trying to actively take over using your mind, to just act according to your natural impulses and feelings, all of which will bring about the desired experiences required by your soul resulting in the desired truth you are to see, know, and hence live.

YOU ARE NATURE – so as you understand about plants and animals and all nature is, really you are understanding about YOURSELF. And this is very important, to see yourself as separate from nature is

not right, and is where you all go wrong – it is evil, because it's dishonouring yourself: your true nature.

What you as a person, YOU, are doing to nature is wrong. How you are negatively affecting it, and how that is all because you are doing it all to yourself. EVERYTHING YOU DO TO ANOTHER CREATURE YOU ARE DOING TO YOURSELF – and that's why you're doing it to the other creature, because you're doing it to yourself. How you are in the outer world is exactly how you are in your inner world. Or rather, how you are in your inner world is how you are in the outer one. It's always the inner first. And the inner has been created through your early childhood.

I'm a swirl of light, recognisable by other angels and beings of mind creation, but unrecognisable to you spirits of truth (humanity) who need form other than just light. So all of my kind, and all of my angelic relations, put on forms for you to recognise us by. You don't have any choice in your form, although in spirit you can play around with your looks a little and what you wear, how you present yourself a little to the universe, but mostly you just allow your soul to manifest your spirit form as its currently manifesting your physical form, whereas we angels being all light, have a choice – and lots of it! As I said, our true form is a creation of light, which means a collection or gathering together of many lights, beautiful and artistically designed, wonders to behold, and you will be able to get something of a glimpse and soul perception impression of our natures as you grow in truth, we being something very different to you.

And like you, as in you having a soul-mate, in some ways we nature spirits work in pairs, a positive and negative, but not negative in the bad, more like in the sense of current, in physics, a positive and negative representation of the frequencies of light that we are; but we angels – I'll call myself an angel for the time being, just for the sake of argument – don't have soul-mates like you, that's purely a spirit thing, as we don't have the same type of soul that you do. We don't ever perish, we do move on, in that we ascend the circles of light, which are the relevant circles of mind for our order; but we don't grow in truth like you do. We don't have the same mind set up as you do, we don't have a thinking and feeling mind, we are just mind, and all that is mind.

All things and creatures of Creation have a 'light' to them, which you could call something akin to a spirit. Truly speaking, only spirits of truth, such as what you are, you and humanity and those sorts of spirit beings like Mary and Jesus, the mind and Celestial spirits you speak with, all who have a soul that is truth-evolving, have a spirit; we beings and creations of Mind, have a light. I know it gets rather confusing, and it doesn't matter anyway. So you could say a tree has a light, it being a creation of Mind, that being the mind of the Divine Minister in our universe of Nebadon, and so you could say that light is something akin to the tree's spirit. However were you to talk to the tree's spirit and have it talk back to you, that's then where we come in. You can't actually speak directly to and converse with lower creations like animals and plants, but we can mediate, you can through us.

Mind spirits aren't going to tell you the truth of who they are, as they will be wanting to keep you in your deluded state just to keep the channel open. They don't care how they communicate with people on Earth, that is the lower ones in particular, and the ones who are seeking some power by doing it, so they won't say, oh sorry, I'm a mind spirit, for nature spirits you'll have to change frequencies, they're that channel over there.

Extracts from 'With Verna – a Nature Spirit' by James Moncrief

Jesus continues:

In some way, this is what also happens with the soul. The soul has a potential power of reception, of perceiving our voices, of being 'Turned in' with the world of the spirits. But besides the work of tuning into the "radio station", that is, of elevating your spirituality, of getting ready with spiritual thoughts and primarily, of a corresponding sustained attitude, there are other factors intervening with the clear reception of our messages and our guidance.

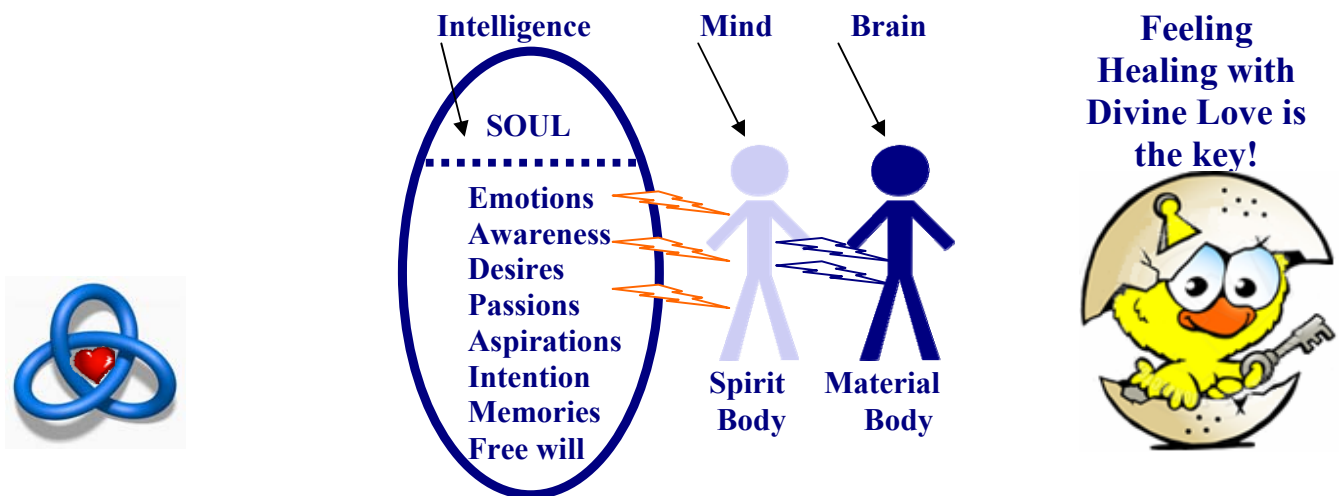

You live in a noisy, materialistic world, which scarcely leaves you time to devote yourselves to what is much more important. Being potentially eternal is the development of your souls. Although not exactly true, you have all the time in the world to do this, but the distractions and the amusements are so great, that you often don't take the time to dedicate yourselves to spiritual development. This atmosphere of distractions acts like very strong background noise. These distracting thoughts are like deafening waves of the ocean, boisterous surf, which covers Our intent of entering into contact with you.

Therefore, you have to work to make the volume of this background noise lower which is not difficult to do. Take some time to retire from this world from time to time. For this purpose you don't need to enter a monastery, no, just retire to a calm, silent place, a separate room, a corner in the forest or in a nearby park where you may stay awhile all alone with self and with God. You will be surprised how quickly your perception of Our guidance will increase.

'When I lived on Earth, the world was calmer; noisy, yes, but we had more moments for contemplation, at least those of us who enjoyed the invaluable gift of freedom. As a boy, when studying the Hebrew Scriptures, many times I felt that interior voice very clearly, and I was then always filled with a great deal of happiness'.

As we informed you in other messages, I was born without sin; that is to say, I didn't have those encrustments which deform the soul, and this is very important to take into consideration. These encrustments are the third reason, why you, many of you, have so much difficulty in receiving our guidance. You could compare these encrustments with an insulating layer muffling our voice, and this, in combination with the aforementioned background noise, makes the perception of our advice and messages almost impossible.

The real you is your soul, which is the part you want to develop.

Therefore, besides retirement and meditation, there is another work that you have to do in order to improve reception. You have to remove, to tear away and eliminate, these encrustments. And there is only one instrument which serves this purpose well: Prayer. We are attracted by prayer, and more important still, it attracts God's Love, and jointly we can undertake the work of cleansing, detaching those parts alien to the soul, like the coral which covers the sunken ship.

As an adolescent, I used to retire frequently. In my free moments, I liked to climb atop the hills, to withdraw to the forests, and there, in the soothing atmosphere of nature, enter into conversation with the Heavenly Father. My mother called this "mysticism", this strange communion with nature. Well, in some way this was true, but still more, it was the contact with my Heavenly Father, my conversations with Him, and the immense happiness offered me by this proximity with our Creator, who for me didn't live far away up in His Heavens, but very close, so near in fact, that I could so easily turn to Him with all my concerns and worries.

Conversation, you ask me? Yes, they were real conversations, and they continue this way, even clearer, more transparent and translucent. And as you now receive impressions, and questions and doubts are forming in your mind, the same happened to me, and the answer arrived immediately, like in your case. Am I not responding to your questions? Aren't you the one who conducts, in some way, this communication, through your questions and doubts? Ah, you're beginning to realize! And you feel very happy; it is one of the happiest moments in your life, and you can repeat it – we can repeat it! We are awaiting your call, but we are also waiting for you to get into the necessary condition so that we can really take advantage of this opportunity.

My dear brother, we are anxious to get into close contact with you, with all of you. So, give us the opportunity, get ready and contribute your share to this mutual enterprise.

Think it over, listen to me, and may God bless you all,

Jesus.

“The opening up of the soul permits a permanent exchange with Divinity, a permanent recharge of this healing energy that allows not only the re-establishment of lost health, but the continuity of health, providing such a perfect balance, even in the physical body, that noxious agents like bacteria and virus cannot find any opportunity to unchain pathological reactions, which we commonly call illness.

“But it is true that people without the benefit of Divine Love would lack the protective shield, which the intrinsic healing energies of Divine Love provide for those who pray for our Heavenly Father's Grace.”

The Three Selves

Addiction > Fear > Grief

Every loving thing that comes to me is a gift.

I created

Our Facade Self
Addiction rejected

Shame
Fear

Parent creation

Our Injured Self
Causal emotions

God created

Our Real Self
No injury

Fear excuses
Nobody loves me
They all reject me

- Less pain
- Victim
- Gets more love

- Demand
 - Murderous
 - Vengeance
 - Shame
- To be crying about an emotion it needs to be about a parent based emotion / causal.

7 May 11

The proof of one's processing, ask; Am I changing? Do I feel more loving to other people? Do I feel more connected to God?
If the answers to those questions are not yes, then I need to look at my issues, am I really emotionally processing?
Parent created causal emotions is the area that we need to process.
Our Façade self issues are pointless in processing. Shame and fear create the façade self.

Investment in the façade.

I believe my damaged self is the real self.
Lack of faith.
Will I be loved.

Façade is a mask.

FEAR:
Scope of error.
We cannot survive.
Fear of powerlessness.
Being hurt again.
Afraid of the hurt.
Fear of judgment and pain.
Anger raises covering fear.

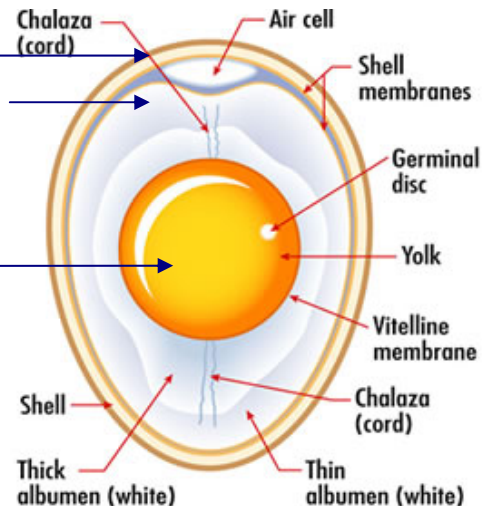

Truth is the shell cracker of the Façade self.

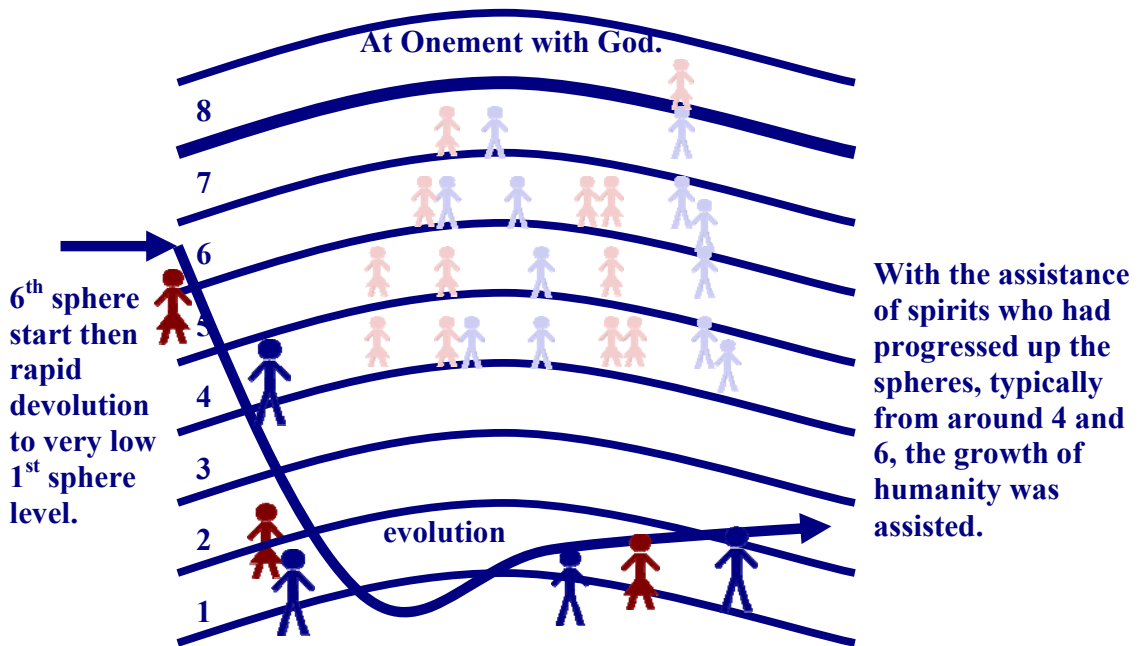

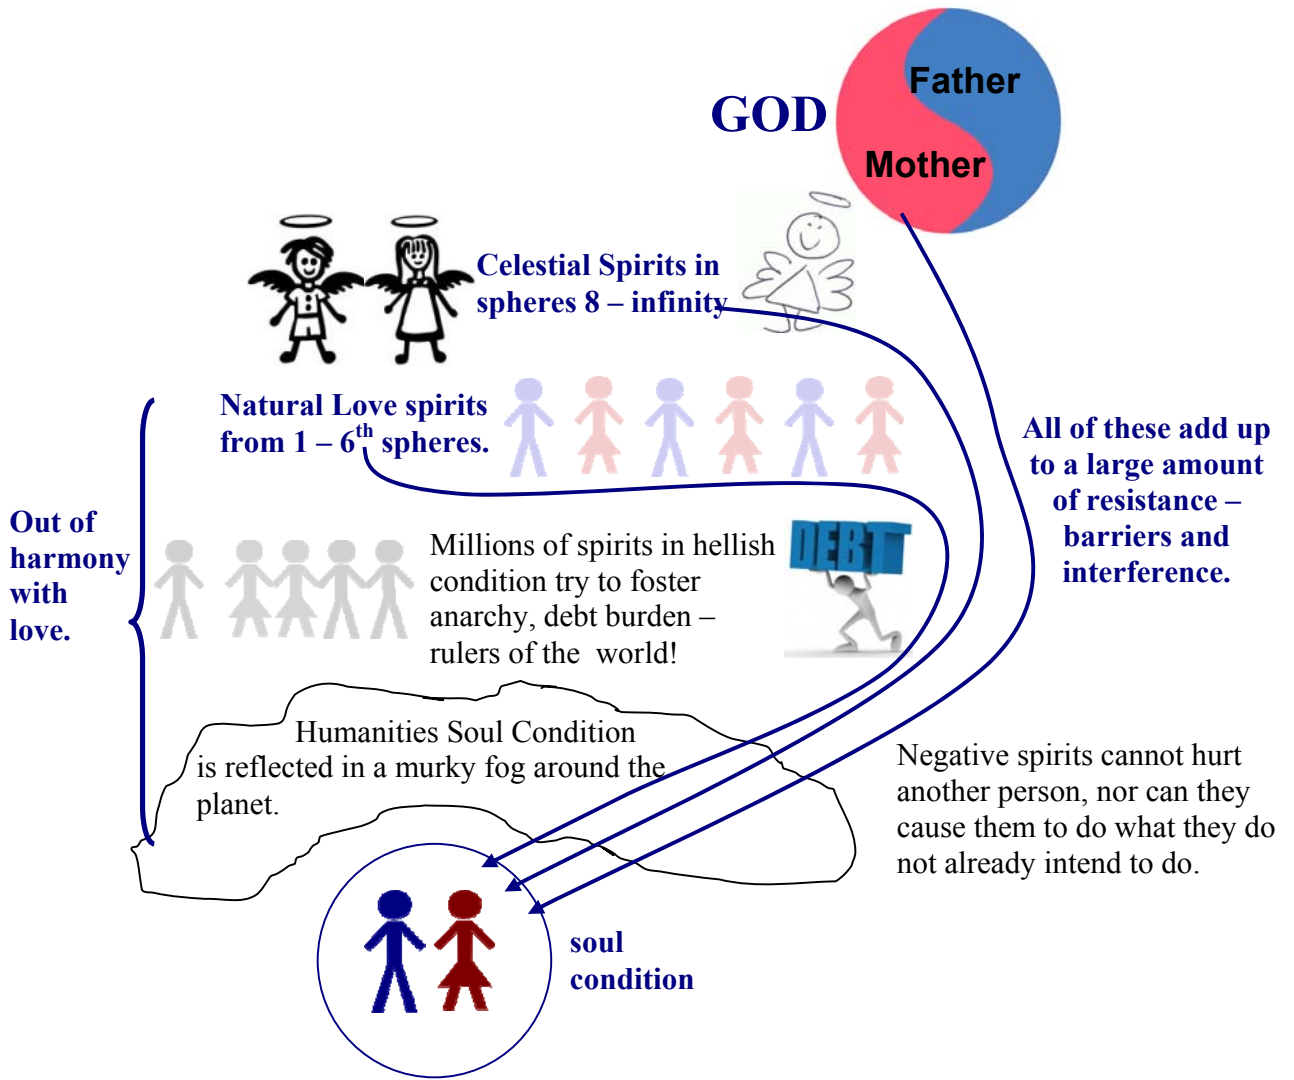

We are not being very logical by how much façade we are carrying around. We want this hard part, the shell, to remain intact, so we don't have to access the rest, the damaged self.

We want to manage and control pain from feeling pain.

Fear of am I going crazy? – judgment of self.

Anger is about maintaining the façade.

REVELATION 1
James Padgett 1914 – 1923

James Padgett bravely introduced the availability of the Mother and Father’s Divine Love and a great deal of additional guidance and information, all of which has been supplemented by Samuels, Judas, Reid and Arnold. All writers were under restrictions of personality and circumstances. Revelation 1 opened the door for humanity.

Quantum Jump 2

REVELATION 2
Marion and James Moncrief 2002
– ongoing

Marion and James Moncrief have recognised the need for one to engage in Feeling Healing and, by their actions, removed restrictions that James Padgett and others above endured, thus JM is able to critique the writings of the past 100 years resolving points of confusion as well as expand on what has been written. Revelation 2 is humanity’s turning point.

Due to the extra-ordinary nature of Revelations 1 and 2, humanity with the first Revelation would have continued on into its negative pathway of living, however, combining the first Revelation with Revelation two, now humanity can embrace this turning point and commence its evolutionary growth that has required two thousand years to put in place. This is the greatest event in the history of humanity and very few are aware of such, until we enable others to become aware.

God is God, who is our Heavenly Mother and Father, being SoulMates. There is only one Soul that is God's Soul, that being the Soul of our Mother and Father. Our Heavenly Parents are the First Soulmates; The Two Who Are One who have brought us all into being.

Jesus and Mary are a son and daughter of God.

Jesus of Nazareth and Mary of Magdalene, being soulmates, were both free of sin. Jesus and Mary, combined in their love for us, are our teachers and guidance for us to find our way home to our Heavenly Parents. To start this journey we are to liberate our souls from being entombed within our suppressive minds, through feeling and longing for the truth of our feelings via our soul and peel away our injuries incurred since conception.

Give yourself time to consolidate your relationship with the Mother and Father through the partaking of Their Love. And whilst you are doing this, you can learn about your healing, all that's involved with it, as there are many willing spirits to share their healing experiences with you.

When you are ready it will start happening simply because you will want it to, it all being orchestrated by your soul. And when that time comes you will have developed a strong foundation in your relationship with the Mother and Father for you to work from. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

It is to make longing for God's Love the priority, and then do one's healing; should one want to include God and the Divine Love in one's feeling healing. This is doing your soul-healing as you are seeking to heal your soul of all evilness – of that which made you become evil, and release all the hurt and pain of not being fully and truly loved.

WE ARE Children of God

NATURAL LOVE or HUMANITY'S ERRONEOUS EMOTIONS:

Your soul, being your real you, is an emotional being. Your soul, though a thought of God, does not possess anything of the divine within it. It existed in a state of bliss, in a natural love state, pending individualisation which is achieved at conception which is the time of incarnation. Your soul is endowed with natural love emotions noted within the top section of the Map of Consciousness scale, being those emotions calibrating above 200.

MAP OF CONSCIOUSNESS					
God-view	Life-view	Level	Log	Emotion	Process
Self	Is	Enlightenment	700 1000	Ineffable	Pure Consciousness
All-Being	Perfect	Peace	↑ 600	Bliss	Illumination
One	Complete	Joy	↑ 540	Serenity	Transfiguration
Loving	Benign	Love	↑ 500	Reverence	Revelation
Wise	Meaningful	Reason	↑ 400	Understanding	Abstraction
Merciful	Harmonious	Acceptance	↑ 350	Forgiveness	Transcendence
Inspiring	Hopeful	Willingness	↑ 310	Optimism	Intention
Enabling	Satisfactory	Neutrality	↑ 250	Trust	Release
Permitting	Feasible	Courage	↑ 200	Affirmation	Empowerment

Humanity's erroneous emotions are those calibrating below 200 on the Map of Consciousness. The environment around a newly conceived child progressively degrades the condition of that child's soul. When the child reaches about the age of 7, the child's soul condition will reflect the parent's condition. These negative emotions are like a crust around the pure soul it has within.

MAP OF CONSCIOUSNESS					
God-view	Life-view	Level	Log	Emotion	Process
Man made dis-empowering emotions:			↓ 200	All the negative emotions	
Indifferent	Demanding	Pride	↓ 175	Scorn	Inflation
Vengeful	Antagonistic	Anger	↓ 150	Hate	Aggression
Denying	Disappointing	Desire	↓ 125	Craving	Enslavement
Punitive	Frightening	Fear	↓ 100	Anxiety	Withdrawal
Disdainful	Tragic	Grief	↓ 75	Regret	Despondency
Condemning	Hopeless	Apathy	↓ 50	Despair	Abdication
Vindictive	Evil	Guilt	↓ 30	Blame	Destruction
Despising	Miserable	Shame	20	Humiliation	Elimination

Encrustments that progressively cover the soul are those man created emotions that are identified on the Map of Consciousness as calibrating 200 or lower. These same emotions are the generators of our pains and illnesses.

Negative emotional issues lodged and stuck within the soul then manifest in the spirit body, and subsequently emerge as pains and illnesses in the physical body.

SOUL SPIRIT BODY MATERIAL BODY
PERSONALITY

HEALTHY MERIDIAN or OBSTRUCTED MERIDIAN:

The etheric body, being part of your spirit body, is the template for the physical body. Much of the energy you need for the physical body is supplied by way of chakras and the meridian lines throughout your etheric body. These meridian lines reach from your toes to the end of your fingers or top of your head. Each set of meridian lines is connected to a specific organ of your body. Each organ functions at a different vibrational frequency.

In like, many negative emotions, which are also of different vibrational frequencies, if not allowed to pass through your bodies, will find their lodgement within fields of related frequencies within your body and organs. Such negative emotion, being those calibrating under 200 on Dr David Hawkins' Map of Consciousness, may lodge anywhere in the bodies, typically on the meridian line of the related organ to which it relates to and was attracted to.

Such slow vibrating negative emotion is a plasmatic magnetic energy ball. It can grow and grow by being fed the same fuel coming from a continuation of the same emotional injury. This stuck ball of energy will restrict the movement of needed energy flow along the meridian. This will result in discomfort, then pain, and then may manifest in illness in the organ or in aspects or regions of the body related to that organ.

Allopathic / western medicine treats the symptoms, however the cause remains held in the bodies resulting in a further or similar health issue or a reoccurrence.

The negative emotion, possibly having been held since very early childhood, can be easily removed.

Issues within the subtle bodies are energetic magnetic fields that can be removed by your focused intent to recognise the issue, locate the issue, and enable the bodies to release the emotion with the support of additional magnetic energy being provided to your governing meridian down your spine. Such healing modalities include the Emotion Code and Body Code practices, as an example.

The ultimate way to improve your health condition is to long for the truth of one's feelings, through Feeling Healing and receive Divine Love, this love slowly but steadily grows your soul condition and results in erroneous emotions and injuries being released from your bodies.

ENERGY DETERMINANTS – Relationship between Body, Mind and Soul:

The physical body calibrates at 200 on Dr David Hawkins' Map of Consciousness. Many people feel and believe that their body is their real self, this is not so.

Further, the brain is not the origin of the mind, as science and medicine had believed, but the other way around. The mind controls the brain. The brain is activated by the mind's intention and not vice versa. Reason, which emanates from the mind, calibrates at 400 to 499, thus controlling the brain.

What is held in mind has the power to alter brain activity and neuroanatomy. Thought is powerful because it has a high rate of vibration. We are subject to what we hold in mind. Errors in belief bring about energy flow blockages.

Superimposed around the physical body is an energy body whose form is very much like that of the physical body and whose patterns actually control the physical body. This control is at the level of thought or intention. This superimposed energy body is one's etheric / spirit body, the template of one's physical body and home of one's mind.

The basic dictum to comprehend is that the body obeys the mind; therefore, the body tends to manifest what the mind believes. Illness is generated in the physical body by erroneous held beliefs within one's mind.

It is the energy level of love that steadily brings about a release from erroneous and harmful man-made emotions and beliefs. The energy level of love calibrates at 500 and higher. One's soul is connected by cords of light to one's spirit body. One's soul is the home of one's personality, natural intelligence and memory, it is our real self.

One's soul is always perfect and is made of the energy substance called natural love. It is by growing one's level of love does one enable sufficient energy to flow through one's chakras of the spirit body and subsequently into one's physical body that erroneous and injurious beliefs are dissolved and the potentiality for health of the physical body to become permanently repaired a possibility.

On the Map of Consciousness (MoC), the **charkas** calibrate as follows:

Crown	600	7 th chakra
Third Eye	525	6 th chakra
Throat	350	5 th chakra
Heart	505	4 th chakra
Solar Plexus	275	3 rd chakra
Sacral or Spleen	275	2 nd chakra
Base or Root Chakra	200	1 st chakra

With Feeling Healing and the greatest infusion of Love, and the easiest way for one to transcend levels of emotions, that is, to evolve, is to long for, pray for, and ask for our Heavenly Mother and Father's Love, Divine Love, being a light golden blue energy substance. Try the experiment.

The SOUL:**P. 4 Judas of Kerioth****August 19th, 2001**

The opening of the soul is not a passive attitude; it is something active, where you have to put your will and your efforts. You like comparisons so much, as many people do, because they facilitate an easy way to explain things that otherwise would be very difficult to render in words.

Well then, imagine the soul like a ball of glass, completely transparent, “open” to the passing of light. Its transparent surface allows the “Light” of Divine Love to enter, even more, it allows a total communication with wonderful world of Divinity. It also allows the light glowing inside, this flame stimulated by Divine Love, to shine forth, visible for everybody, manifesting its presence.

This is the pristine state of the soul, this total transparency, its entire surface like an interface to Divinity. Upon the soul’s incarnation, it receives the great gift of not only perceiving the Divinity that surrounds it, but of incorporating it, owning it, and then emitting the light that forms through the reaction of “fermentation”, caused by the incorporation of Divinity.

Unfortunately, with incarnation also come encrustments that cover the smooth surface, making it opaque, not transparent, that does not allow the entrance of light. But always, even in the worst of cases, there is a small crack through which the soul may know that something more exists out there, something irradiating warmth, light, happiness, something that is worth yearning for, worth trying to obtain.

Incarnation and the formation of the spiritual body and its abilities, however, also implies the formation of the material mind which, fostered by the kind of education we receive, finally asserts itself, squashing and suffocating the soul and its innate longings.

The opening up of the soul is something active – once it is open, and once a small portion of Divine Love has entered, it is not enough to rest satisfied with the achievement. No, it is the permanent work of keeping open this divine interface, of entering in a continuous communication with Divinity, communication that is necessarily reflected in the person’s attitude and daily living. If we allow this portion of Divine Love that has entered us to become inactive, that is to say, if we don’t contribute in any way to stimulate the “fermentation of the batch of dough”, the surface of the soul will turn opaque, and the Divine Light cannot penetrate, as well, the feeble light inside us cannot shine forth, it will be invisible to the world, as if it did not exist.

We call this part of Divinity, which is intended for the human souls, the Divine Love. We also say that it is not an abstract feeling, but rather that it is God’s Own Substance. And so it is. This Substance has many characteristics, and the most prominent is that of unconditional Love, the Love the Heavenly Father has for us. But there are other characteristics in It, which Its name doesn’t reveal immediately, because it is a name that we have chosen from the human vocabulary, an insufficient vocabulary born of

Your soul:

Clear to being muddied

the mind that doesn't know how to describe with accuracy the world of our soul, even worse, it does not know how to describe the Great Soul of God.

EARTH BOUND SPIRITS and NEW BABIES:

Newly incarnated soul is immediately being infused with the emotional injuries of those in its environment, that is, the damaging emotions of its mother, its father and of those within its family environment.

This process continues until the child reaches around the age of seven, then it tends to develop its own way from then on, however, closely aligning itself with a parent or both parents.

Negative spirits may connect up with young children should the family environment and surroundings provide the appropriate conditions. They can cause no harm.

We, as parents, can work on our own soul condition, which in turn benefits the baby.

We can also ask dark spirits to seek help from brighter spirits within their environment and leave the baby.

Divine Love evokes attributes to health, that is to say, perfect balance, harmony, wisdom, knowledge, and much more. It is not human wisdom, but God's true wisdom. The inflowing of Divine Love, therefore, increases these attributes in us.

The opening up of the soul permits a permanent exchange with Divinity, a permanent recharge of this healing energy that allows not only the re-establishment of lost health, but the continuity of health, providing such a perfect balance, even in the physical body, that noxious agents like bacteria and virus cannot find any opportunity to unchain pathological reactions, which we commonly call illness.

You know that the presence of bacteria or virus does not mean necessarily that the body falls ill. And knowing this, why did you state the contrary?

But, yes, it is correct to observe that a person perfected in their natural love, not having obtained any portion of Divinity, will always be subject to the natural laws with all their consequences. But imagine a perfect world, perfect in the natural love... Yes, you can visualize that humanity's combined efforts to combat illness will achieve wonderful goals. You can understand that no longer would there be hunger or poverty, nor would there be corruption due to the aspiration for profit at another's expense, and that this perfection, outside the scope of the Divine, can also leave very little space for disease. **But it is true that people without the benefit of Divine Love would lack the protective shield, which the intrinsic healing energies of Divine Love provide for those who pray for our Heavenly Father's Grace.**

The opening up of the soul bears other benefits. It allows communication from soul to soul, the only communication form that we use in the Celestial Heavens, the only valid communication of which the human soul may make good use to be in contact with God, and finally, it is the form that we use to communicate with mortals.

This explains why mediums who don't strive to develop their souls in the Divine Love will never enter into contact with us, because we speak on a different "wavelength". The medium without soul development forcibly tunes in to inferior frequencies and he or she will only receive information from spirits who communicate along the same frequency. It is not a communication from soul to soul, it is a communication from mind to mind, and here I refer to the material mind.

In soul development we arrive at some point to when the soul definitely takes control, and the material mind, with its seat in the spiritual body, disappears. When this happens, the soul has obtained the capacity to enter the 7th Sphere, and as long as the material mind exists, the soul could not live in that sphere, since it would be completely wanting of communication.

The 7th Sphere, then is the place of the soul's total opening up, with all its consequences – for example, there is no need for languages because all our feelings, our thoughts, are transmitted in form of information packages, directly from soul to soul, and the contents of our soul lies open for all other souls to see. You could call it the absolute "information society", with free access to everything, where nothing is hidden from anybody. This abundance of information, these galaxies of positive experiences and feelings, are only one of the factors for our happiness.

UNCRUSTING the SOUL:

Our will power, applied as strenuously as humanly possible, appears to achieve little progress in developing the loving sides of one’s personality and even less progress in lifting negative and difficult character traits, but progress is achieved all be it slowly.

Our soul, blessed with natural love character traits and is the home of our personality, becomes rapidly encrusted by the personality issues of those within our environment, commencing from the time of conception and culminating, typically, by the time we are of the age of seven. We reflect the encrustments of our parents and of those within our environment. Our soul always remains perfect though it can become as dark and restricted in capability as a dried up garden pea, covered in error and negativity.

Should we earnestly and lovingly ask our Parents for Their Love, we will receive Their Love, the Divine Love, conveyed to us by the Holy Spirit, and with this Love in conjunction with one’s Feeling Healing that dissolves these encrustments, these negative emotional injuries and errors, slowly but surely. This crust that has developed around our soul, our real self, will slowly be broken down and then lightened, and as it diminishes our soul begins to absorb more and more of the Love and then grows in size and vibrancy.

The Divine Love when it first comes, usually comes with very gentle feelings. As we grow in sensitivity to our errors and are penitent in addressing these issues, the Love will grow and grow in our soul thus lifting us from fear and anguish to that of a blossoming personality radiating love and joy for all within our presence. Our journey home will have commenced, never to return to times of doubt, depression, fear and harmfulness.

Enjoy the journey through one’s Feeling Healing and with the Love of your Creator and Indwelling Spirit guiding you home.

UNCRUSTING ONE’S SOUL:

One’s soul is always perfect. One’s soul is a creation of our Heavenly Parents, and Their creations are always perfect.

Their great gift to us is free will. We have the option to embrace Their will or freely do as we please, we have free will.

As we progress through our early childhood years we absorb the attitudes, beliefs and habits of those within our environment. Some of these are in error. Such emotional errors and injuries melded with errors in belief encrust one’s soul with unhealthy and unloving energies. These encrustments retard the flow of loving energies into one’s soul. Such soul having created one’s spirit body, which in turn is the template for one’s physical body.

As we become aware of our Mother and Father’s greatest gift in all of the universes, we can ask for and receive this gift, being Their Divine Love. It is a light golden blue energy substance that will progressively through one’s Feeling Healing process dissolve the injuries and errors that may have enmeshed one’s soul. Feeling Healing with this Loving energy will slowly enable each of us to break free of past held erroneous beliefs and injuries that we have drawn upon ourselves. We can cast this shell off, such shell which is endeavouring to imprison us in misery.

With the Love of our Parents, the beauty with which we were created can come to the surface and we can then proceed to progress beyond the ceiling that our natural love formed soul has in development. Feeling Healing with the vibrant energy of Divine Love can enable us to live a life here on Earth as though we were in Heaven. All we need do is ask for It.

The Love of our Parents’ is the greatest gift for all of humanity, without exception and without condition other than the longing for and the asking for it, at anytime, at any place, and in any way one so pleases. Enjoy the journey!

SPHERES in the SPIRITUAL REALMS.

Spheres – Celestial Heaven, Eternal Spheres, then Spheres of Paradise:
The realm of the Angels is the Celestial Heavens spheres 8 to infinity.

Spheres to infinity: Soulmate bonding can be achieved in most of the spheres. (Celestial Spheres are not numbered per se.).

Eighth Sphere: All emotional baggage of your entire history has been dealt with – born again. This is the point of new birth, being born again. Celestial Heavens 8 to infinity true immortality.

Seventh Sphere: The gateway cycle, perception of sacramental nature of all things. Disappearance of the material mind, the absolute ascendancy of the soul's mind have been achieved. Divine path.

Six Sphere: Cycle of light / love, love / light or unity. A purely intellectual area, increasing one's knowledge, while living life in absolute harmony with God's laws of spirituality. Natural path peak.

Fifth Sphere: Cycle of light or wisdom. All their earthly bonds are gone. We are in one of those soul spheres, which offer great opportunities for obtaining the Love of God.

Fourth Sphere: Work of 'atonement' as guides and spiritual healers now excel. As humanity's helpers, their work is a means for self-realization.

Third Sphere: Truth always told. An area where spirits progress in their awareness. In each sphere, there are many planes. Changing pathways requires dropping back to a lower path, then proceed.

Second Sphere: The sphere of decision which is much more spiritual but which was hidden and outside the range of their perceptions. Spirits can now choose the path they wish to follow – desires.

First Sphere: Cycle of awareness. There are vibrational love barriers between each of the spheres. Highest level of the Earth planes is the point of transition from materiality to the spiritual 2nd sphere. Summerland is the highest part of the Earth planes, but it is still a very material region. Children live in Summerland in great numbers, having died prematurely. Twilight zone, the most populated area in the spirit world, and starting point for most. Various hells descending progressively into greater degrees of darkness. All souls can be assisted out of these hells no matter what level they fall. At the deepest levels, the soul finds it extremely difficult to hold itself together. The hells are not fiery physical places. Actions are fear based.

The 2nd, 4th, 6th spirit spheres provide principally for mental and moral advancement, whereas, the 3rd, 5th, 7th soul spheres provide for Feeling Healing process and obtaining Divine Love.

Kingdom of God – Celestial Spheres
Spheres 8 to infinity.

Celestial Kingdom / Heavens and where you become an angel, all one with God. Immortality is achieved upon entering the Celestial Heavens.

Sphere of Transition:

Sphere 7 in your progression is the sphere in which you progress from the Kingdom of Man – mortality, to the Kingdom of God – immortality. On becoming at one with God you are reborn, the rebirth, to progress into the Celestial Realms, namely the 8th Sphere, and then on upwards on the Divine Love path.

Kingdom of Man – Spirit World

Spheres 1 – 6

Sphere 6 is the highest progression that can be achieved on the natural love path.

This is not the domain of angels. Sphere 1 is the Earth plane where all souls arrive upon shedding the material body.

The kingdom of God is in his heart, God’s divine truth reaching his soul transforming him

The kingdom of man is in his head, what he believes, is his own truth.

You are thinking of your own thoughts – diffuse, unordered, many times shameful. This is how the material mind works. In the soul, this does not exist.

Faith is the measure for the opening up of the soul; it is the measure for knowledge that has come to us without learning, like a gift. All of us have minimum faith: God exists and He awaits us. You already know that many times even this minimum is secluded and cornered into a dark room of material consciousness, nevertheless, it still exists.

On the basis of this minimum knowledge, we can begin to seek God, a search accompanied by longings, which in turn bring Love and Knowledge, allowing us to open up more to Divinity, and therefore, to increase our true knowledge, that is to say, our faith increases. We need faith to obtain the Father’s Love, and this Love in turn increases our faith. It is progress in the form of an exponential, non-linear curve, and the more we progress, the easier the next step is to take. The difficult thing is to get started; the difficult thing is to find that entrance, where the Light flows into our soul, and with this discovery, to awaken our curiosity and our longings.

KNOWLEDGE downloading from your source, the SOUL

The flow of knowledge and sensory capabilities from the soul to the spirit body is constricted by the soul’s condition and further restricted by the limited, though great, capabilities of the spirit body. This flow on to the physical body from the spirit body is further constricted by the physical bodies greater limitations.

- | | | |
|---------------|---|--|
| Physical Body | ↑ | we first generally develop our physical senses. |
| Spirit Body | ↑ | mind / brain development starts. |
| Soul | ↑ | soul development is typically ignored on the planet. |

Soulmate development is soul to soul. Once we open up our soul, we cease to depend upon our bodies, and connect soul to soul.

Connecting to the soul can be achieved through kinesiology muscle testing.

As I have indicated previously, the spiritual body is the seat of the material mind, as men know it. It is also the seat of our senses that, while we live on Earth, are handicapped or restricted by the physical body, which filters all impressions and observations through a rough mesh. Only the coarsest things are retained in that mesh, which the finer stuff passes unnoticed.

With our physical death, that impediment disappears, and the senses of the spiritual body open up for a wider range of perceptions, and much quicker learning. But these senses will never open up to the fantastic world of the soul. It is only through the opening up of the soul that we can participate in the world of Divinity, and it is the opening up of the soul that launches a fantastic progress without limits, where the dualism of positive and negative no longer exists, where everything is positive, a world without shadows – paradise.

This shall be your work: Open up your souls. Pray. It is a dynamic attitude: it is first to give, and then to receive in abundance. Everything is ready for you, but you have to give your small contribution, you will, to reach out with your hands for the light, like children do. We will take you by your hands and guide you.

Your world is but a shadow of the spirit world. The spirit world is only a feeble reflection of Divinity's splendour. Open up and aspire for more...

I am not Jesus, but you know me. I have passed a great deal of time with you, and you know my identity.

God bless you.
Judas

Judas conveyed an image of himself to the medium receiving these messages, and the medium subsequently created this painting. This process was undertaken for a number of the Apostles with their images transferred to canvas.

The images are all contained in the book, Judas of Kerioth as published by Geoff Cutler.

Maybe, the Zero Point Field could be defined as Divine Love, which is also a substance?

DIVINE LOVE FEATURES closely match those of SCALAR ENERGY:

The light golden blue energy substance, being the ultimate high octane super fuel and the greatest gift in all of the universes from our Mother and Father, is not what scientists refer to as “scalar energy”, or “zero-point” energy or as “radiant energy”. Scalar energy is not Divine Love.

To receive and absorb this wonderful energy into our soul and spirit body, all one need do is to long for and ask to receive it, and the acting spirit, the holy spirit, will answer your call immediately, always.

Scalar Energy – Qualities reflect those of Divine Love
Scalar Energy – A Completely New World Is Possible

<http://www.dalimara.com/pages/what-is-scalar-energy>

- The scalar energy once embedded into an object, the energy will remain in the object indefinitely and can regenerate and repair itself indefinitely.
- The effect of scalar Energy is cumulative, it gets stronger with time.
- Scalar energy is capable of imprinting itself on human DNA.
- Scalar energy do not decay over time or distance from their source.
- Scalar energy does not radiate as waves but expands outwards in circles of energy.
- Scalar energy is more field like than wave like and it tends to fill the environment.
- It is capable of passing through solid objects with no loss of intensity.
- A scalar energy is known as a fifth-dimensional non-linear and non Hertzian field.
- The space the scalar occupies is not a vacuum but comprises a network of harmoniously balanced energies.
- This energy has the capacity to carry information.
- Instead of being focused in beams or running along wires, it tends to fill its environment. They are unbounded and capable of passing through solid matter and implant its signature on them. It can be created by electromagnetic generators or naturally.

- Scalar energy, a stationary energy, cannot be evaluated by our current frequency instruments which are designed to measure Hertzian energy frequencies and wavelengths. However, its effect on objects into which it has been embedded can be strikingly demonstrated with Kirlian photography or Gas Discharge Visualization (GDV).

The History of Scalar Energy

The discovery of Scalar Energy, in the mid 1850s, can be attributed to James Clark Maxwell, a Scotsman who was born in the 19th century. Maxwell was a mathematical genius whose work led to the development of quantum physics. Albert Einstein worked on Maxwell's findings and discovered "The Theory of Relativity".

However, it took another fifty years after Maxwell's discovery to prove the existence of Scalar Energy. It took one Nikola Tesla, who was born in Yugoslavia around 1856-1857 to demonstrate the existence of this form of energy. Tesla, who became a US citizen in 1891 carried on Maxwell's work and soon began to harness Scalar Energy without using any wires. Tesla referred to this energy as standing energy or universal

waves. Albert Einstein and Otto Stern acknowledged the existence of this form of energy and made due reference to Scalar Energy in the 1920s. Nikola Tesla is generally considered the father of scalar electro-magnetics. Tesla's name for this was 'Radiant Energy'.

It is not just Albert Einstein and Otto Stern who discovered zero point energy. They were not even the first. As noted above, Scalar Energy was first proposed by James Clerk Maxwell in mid-1800's and was later refined by Tesla who called it "Radiant Energy". Tesla even invented and was building a machine to create and distribute free energy when J. P. Morgan, the oil tycoon who was backing him, discovered what he was doing and put an end to the project.

Properties of Scalar Energy

The properties of Scalar Energy include them being non-linear and non-Hertzian. This energy form has the capacity to carry information. It also does not decay with the passing of time or distance.

Scalar Energy cannot be measured by contemporary frequency

What Is Scalar Energy?

- Scalar Energy is created when two common electromagnetic waves come together from two opposite converging vectors.
- Cancel each other → Stationary Energy
- It has Zero Frequency
- It exists naturally
- Small random Scalar Energy present in environment
- In the body it is also called Bio-Scalar Energy

instruments as it is depicted to be without frequency. This energy form is static, a stationary form of energy. When two similar frequencies coming from opposite directions meet, they cancel each other out. This results in a stationary energy form.

The traditional understanding of energy is that it flows out in the form of waves. However, Scalar Energy does not radiate as waves but expands outward in circles of energy. Occupying space, this spatial mass is not a vacuum but comprises a field of energy systems that is alive. This vibrant and dynamic energy field radiates a network of harmoniously balanced energies.

Scalar energy can be created naturally. It is always existent in the universe. By applying the conditions required, Scalar Energy can be created artificially. Scalar Energy's expansive and circular movement offers a field of protective shield around the body. This protective shield removes and cancels the effects of man-made frequencies (60 HZ) on the human body. This is achieved by enhancing the body's natural defences against the damaging radiations coming from the various household and industrial appliances that surround us.

Scalar Energy Medicine

The bio-electrical current present in our bodies is often disturbed by external factors such as electromagnetic (EMF, EMR, RF) waves emitted from computers, mobile cell phones, and many other modern day appliances. Lack of exercise, poor eating habits, poor nutrition, and internal stress further affect this bio-electrical current.

One of the side effects of these stresses is accumulation of lactic acid in the blood and concentrations of abnormally high levels of lactic acid in the muscles. This condition leads to a hindrance of muscle contraction and ultimately fatigue, aging and disease. Examples of how this commonly manifests in our bodies includes headaches, stiffness in shoulders and neck, lower back aches, digestive problems, tiredness, and joint pains.

Energy Medicine acknowledges energy as a subtle, living force: a force that determines the status of one's health and general being. In Energy Medicine, a human body is seen as a network of vital energy both within and outside the physical body.

According to Energy Medicine, disease begins when there is a disturbance or obstruction in the energy patterns. When we have a physical illness, disease or injury, 'compression' forms in the energy field around the body. Even if you attempt to heal the physical effect, it is unlikely that healing will take place until the energy field is balanced and harmonized.

In Energy medicine, healing takes place with the body activating its natural healing energies. The healing process also restores energy patterns that have become compromised by nurturing the weak links back to health. This means that in energy medicine, energy is both medicine (natural healing energies) and the patient (weak energy link). Energy medicine is not a new field of science; traditional systems of medicine in India and China have used and continue to use the principles of Energy Medicine in healing patients. Modern day therapies that use the principles of Energy Medicine include therapies such as breathing techniques, acupuncture, bio-field therapies, bio-magnetic therapies and homeopathy.

Scalar energy is unstructured, available every where and very, very loving. We are graciously gifted with the ability to use this energy for our developing awareness. Because we exist in a field of this loving energy, in time we will always move toward a more loving attitude. It eventually will influence our will towards the will of Creator and away from our state of judgement. The plasmatic field or scalar energy is the expression of Creator that we can become aware of. It is what created all. It is our source of Divine Love because it is the only aspect of Creator we and the Celestial beings can be aware of.

To liberate one's real self, one's will, being one's soul, is begun by embracing Feeling Healing, so as to clear emotional injuries and errors. With the Divine Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

Golden Rule: that one must always honour another's will as one honours one's own.

Long and pray for Divine Love and it will loosen the errors / injuries / unhealed / denied trapped and/or inherited emotions, resulting in a flowing out, when one embraces Feeling Healing, of these negative embellishments within one's soul as Divine Love flows in – Divine Love being the greatest gift in all the universe.

LUMINOSITY of the SOUL can be LIKENED to the FOLLOWING:

1st sphere, lower regions – Natural Love MoC 50+/-
The soul condition of a soul that is obliged to spend some time within the ‘hells’ may be no bigger than a dried garden pea. There is no luminosity and the environment is total darkness.

The typical soul condition of humanity is such that they generate the luminosity of a single candle.

1st sphere, mid regions – Natural Love MoC 210

A soul that has grown in love and soul condition equivalent to the 8th sphere – the point of becoming at one with God, the luminosity of such a soul is equivalent to the midday sun.

8th sphere – only possible with Divine Love! MoC 1,000+

SPIRIT MIND MANSION WORLDS are numbered 1 to 7:

To PARADISE, the HOME of OUR HEAVENLY PARENTS

Spirit Mansion Worlds are those 1 – 7. They with the Celestial Heaven spheres numbered 8, 9, 10 as well as the 3 Spheres of Disharmony are all within the Earth’s environment, and rather close by. Each sphere can accommodate more than 100 times the people than Earth may do.

Progression from the top Celestial Heaven sphere is to the Eternal Spheres, Infinite and Universal and further onwards to Paradise.

Celestial Heaven spheres 8, 9, 10 are often referred to as 1, 2, and 3 of Celestial Heaven.

Natural Love sphere progression stops at sphere 6. With only the natural love, progression is through spheres 1, 2, 4, and 6 only.

Divine Love perfects one’s natural love soul through the progression via spirit world spheres 3, 5, and 7. Soul-Healing and At-onement is achieved through the progression into sphere 8 which is the first of the Celestial Heaven spheres namely 8, 9, and 10.

One can embrace Divine Love at any time and move to DL sphere 3 and continue.

The Divine Love spheres 3, 5, 7, 8, 9, and 10 were opened by Jesus.

On death of the physical body we all arrive in the 1st Natural Love sphere.

Earth is for the individualisation of souls being the commencements of one’s journey home toward the Source Soul.

The 2 Planes of Disharmony are the hells. While one desires to cause harm to others, isolation is applied. Once the Law of Compensation is completed then one can then progress and return to the 1st Natural Love sphere and continue in their progression onto higher spheres.

The Pre-Incarnational Sphere is the waiting area for souls to be individualised / incarnated.

There are seven Earth planes around Earth, which are separate from the Mansion Worlds, but we only have access to two of them, which include the ‘hells’. Each of the Mansion Worlds also have their own seven planes ‘around’ them.

Note: The 1st Divine Love Sphere and the 1st Sphere of Disharmony may simply be planes within the 1st Natural Love Spirit World.

You could liken the capabilities of the physical body with its five senses to that of a golf buggy.

The spirit body with its enhanced thirteen senses, which include the physical body's five senses with greater capabilities, to that of a space shuttle. Sight of the spirit body is 360°, the speed it can travel is far greater than that of light, its communication is mainly by feeling, etc.

However, the soul has many, many senses and capabilities far beyond our comprehension, and where it can grow in love and truth is that which only God knows. Your soul is the real you.

ASPECTS of LIFE:

The spirit body is composed of a different kind of matter, "finer" or more "ethereal". The fact that its aspect reflects the condition of soul is a clear indication that the soul influences largely its formation, and even more, the soul is indeed the creator of this body, which covers it and provides it with the characteristic of individuality. The formation of the spirit body begins at the moment of incarnation of the soul in the foetus, incarnation which only takes place should there exist a high probability that the spirit of life has found in the new organism a stable biological structure, allowing it to carry out its life-giving function.

P529 Judas of Kerioth 8th May 2002

At the moment of conception, we incarnate, that is, we achieve individualisation and become self aware and we are then able to exercise our free will.

At the moment of conception, our soul, being our real self, is creating the newly forming embryo and everything else every step of the way as Judas says above. And our soul utilises our parents' life forces to achieve incarnation.

At the moment of conception, there is nothing of the Divine within us. Only as we proceed to ask for and receive Divine Love does our soul slowly and progressively change into the nature of that which is Divine. As our soul receives Divine Love, and embraces Feeling Healing, it will grow, and grow, and grow in brilliance and into that which is Divine.

The REAL YOU is the SOUL:

One's personality, natural intelligence, memory and human attributes all are soul based. The soul initiates conception so it can start expressing one of its two personalities in Creation. It creates the will, then 'wills' the spirit body and physical body and all that connects them with the will into being. Our soul constantly sustains or expresses us, one of its two personalities, in Creation. The spirit can't separate from the soul because the soul keeps it in existence. We need our spirit and physical bodies to experience our personality through. When the spirit body separates from the physical body, one continues on living in a different form without losing any of the attributes experienced during physical life. Incarnation is the process of individualisation of the soul.

Without a soul, our physical bodies would function and interact similarly to that of a domestic animal. An unsouled human body (thought not possible) would respond like a household puppy! Domestic animals calibrate on Dr David Hawkins' Map of Consciousness between 200 and 250, the human body calibrates at 200. All animals have spirit bodies, these do not survive into the spirit Mansion Worlds. Our SOUL IS NOT ENSOULLED IN OUR SPIRIT BODY. Our soul exists existentially in a whole different level or plane or place or dimension of being – 'soul land'. It doesn't exist in Creation, it's not experiential like Creation is. The soul, all souls, help create their part of Creation by expressing their personalities into Creation, and then by having their personalities do things (further create) in Creation.

Our first parents, Andon and Fonta (also called Aman and Amon), were the first to exhibit human perfection hunger some one million years ago (993,500 years ago). Adam and Eve, Adamite bestowals, arrived some thirty eight thousand years ago – or earlier.

Aman and Amon were the first True Humans, which means, the first soul expressing its soulmate pair, its two personalities, in Creation – on Earth. From which came forth the rest of us. So they had a soul from the start, which separated them from their animal parents. It's the soul that wants to fully express itself through its two personalities perfectly in Creation, which is the so-called 'human perfection hunger'. It, our soul, wants to be Perfect like its Heavenly Parents, the Soul that Created it. We, focused as personalities, want to be perfect, like the Personalities of our Mother and Father that are Perfect. Our soul wants to be like Their Soul. Our soul wants to ascend us to Paradise so we can be with Them, as physically close to Them on a personality level that we can be, and then see what happens.

There were aunts and cousins, parents and grandparents. But they were not human like Aman and Amon – they were really animals, though of the same species. Aman and Amon wandered off from the family, since they could find no way of relating to them at all. How could they? They were incapable of rational thought, speech, or anything human. Aman and Amon knew that forevermore that they were apart.

Aman and Amon may have been twins. They were indeed a primate species of humanoids. But they, themselves were more beautiful than their animal relatives, and they knew, even from their very appearance, that they were marked even by Nature to be different.

**DIVINE LOVE does not TRANSFORM one's SOUL
FEELING HEALING is what TRANSFORMS one's SOUL**

The Divine Love does transform our soul from Natural love into Divine Love. It's our Feeling Healing that 'transforms' or heals our erroneous expression of Natural love. We have to 'heal' and so perfect our Natural love, so it can then be transformed by the Divine Love.

Divine Love does not even begin the real work of transforming one's soul, for those who focus upon receiving Divine Love to the exclusion of embracing one's Feeling Healing, they are just expanding their mind's control over themselves. Should this be one's passion, then upon passing into the spirit Mansion Worlds they will find that they can continue along this path all from within the Divine Love followers segment within the first natural love Mansion World! Yes, only from within the first natural love Mansion World.

Most of humanity on Earth does not want to face the very truth their feelings are making them feel every day of their life. So if they want to keep living in the spirit Mansion Worlds as they did on Earth, in complete denial of their feelings and the truth they are to shown about their wrongness, they can.

However, for those who have embraced Divine Love and begin to engage in their Feeling Healing process to begin the transformation of their soul, they will be able to sense the Divine Love already within their soul 'driving them on'. One's understanding and adjusting will be changing rapidly to that of embracing all about the Healing and doing it – all being supported by the Divine Love that one may have received previously. All one may have done with the Divine Love may make their introduction into their real Healing, by using their feelings, much easier than it is for other spirits from the mind worlds who are at the same time having to wrestle with many of their old religious beliefs or mental programming, having to take on a whole new mind-set which one could see would take some of them years, whereas for someone who has been longing for and receiving Divine Love for some time it may be only a matter of weeks. This also applies to those living in the physical.

It is the Feeling Healing process that transforms one's soul towards perfection, towards the ability to fully express one's true personality as given to us by our Heavenly Parents, it is the Divine Love that then fits that transformed soul to be able to enter the Celestial Heavens.

SPHERES: KINGDOM of MAN – SPIRIT WORLD

The first 7 spheres have logical and clearly defined end points both at the 6th and 7th spheres. Therefore a sequence of numbers is useful as a reference. Within each of these lower spheres there are many stations or sub-spheres so to speak through which beings move. There are barriers preventing movement from one to a higher one until the necessary changes have been made. The 6th sphere is the ending point for those who are following what has been referred to as the Natural Love Path.

There exists a barrier between the earthly levels and the spirit levels and this is largely man-made. This barrier has been built on fear and is made of belief.

Spheres:

7 The 7th sphere is the transitional stage between the lower spheres and up into the Celestial Realms.

There are barriers within the structure of the spiritual realms which constrain beings until they are fit to make the move to a higher level. This is not in anyway competitive or subject to examination but is to ensure that the being concerned does know what they need to know in order to function at the next level. The transition, when it happens, is totally smooth and natural and dependent of the level of knowledge of the being.

KINGDOM of GOD – CELESTIAL REALMS

Above the 7th sphere we enter into a greater awareness of infinity.

Why attempt to number infinity?

There is a much less clearly defined system of Celestial Spheres with what we could call a blurring of the edges.

Each of us who are within the Celestial Spheres knows who he or she is and knows what we can do. That one might be a little or a lot further along the path makes no difference to the mutual love that we feel or the level of cooperation that is found in every endeavour. If one is further along, that one is then committed to helping all others to come along. There is absolutely no sense of competition. That was left behind long ago.

Maybe something like 30 billion people have recognised that our Mother and Father's Divine Love, together with embracing one's Feeling Healing, that with these two aspects, have progressed through the Mansion Worlds to the Celestial Heavens and onwards.

Mansion World 7: is then about still working with the deepest and residual bad feelings, whilst looking to sort out how you wrongly relate to yourself and others, nature and God because of being unloving, understanding how your relationships are unloving, how you don't connect properly, how unloving you really are and why and fully accepting the truth of it, coming completely to grips with your parents not loving you as you needed to be loved – sorting it all out, including your self and feeling expression difficulties.

Mansion World 5: is then about going right into the depths of them, feeling how unloved you feel and seeing how unloving you are and how that makes you feel, bringing out the majority of your pain, your misery, fear, anger, guilt, hatred, boredom, terror, rejection, nothingness, feeling powerless, alone and abandoned, and so on.

Mansion World 3: is for waking up to the truth that you're not loving and starting to get in touch with your pain, starting to accept your bad feelings, starting to work with them instead of rejecting them.

More than 200 billion personalities have embraced their mind and self reliance through the misguidance of 'New Age' styled ideologies and the many thousands of different religious platforms, all of which take the person further and further away from our Heavenly Parents.

For a million years, humanity has gone in the wrong direction with its self-denial of self and feeling!

I'D TURN BACK IF I WERE YOU!

The Natural love spirit Mansion Worlds as to how they have been for all these hundreds of thousands of years and as they are set up currently, are to help spirits advance to the fullest of their self-denial that they can. That is, so as to become as evil as they can. And all under the guise of being 'loving'.

It's why they are called the mind worlds, namely Mansion Worlds / spheres 1, 2, 4 and 6. That is because the spirits are using their minds to complete their rebellion – denial of self and feelings, and rejection of our Heavenly Parents as well their Creator Son and Daughter. So yes, the top of Mansion World sphere 6, spirits are the most evil, the most in rebellion, the most in default, the most wrong and unloving and untrue, even though, they appear, because they've trained their mind to do so, to be the most loving, but it's all false and contrived – such as the Eastern gurus. Total mind over feelings, blocking all the bad ones and using your mind to only make you feel good.

Typical of those on their way up in the mind worlds are not open to anything, they do not want to know about feeling bad and going with their bad feelings looking for their truth, because that scares them, that's not nice, that doesn't make one feel good, it threatens their control, they reject that preferring to stay in their nice safe space. Which is how it is for these Natural love mind spirits using their minds to control their feelings.

We've all got to take responsibility for our evilness even though we were made to be that way and rebel by default, but there is no getting away from it, and it has to be compensated right to the last farthing, which is what being in the hell planes is all about, and which keeps being applied right the way through the Mansion Worlds. **In the mind worlds you can continue to use that inner pressure requiring compensation for your bad deeds, to further contrive love and pretend you are all holy and loving and not hurting anyone anymore, which on the surface of it you are not, but underneath still are, all the way up through to the sixth world; or, you can allow it to keep working on you right the way up through the Divine Love Mansion Worlds doing your Healing.**

And apparently what's going to happen is the Natural love mind Mansion Worlds are going to be divided, so within them, there will be spirits doing their Feeling Healing – without the Divine Love, and still limited to the sixth Mansion World, but looking to be true and end their rebellion. And then there will be those still carrying on denying themselves as they have always done. So you will have spirits in the Feeling Healing Natural love sectors that will truly perfect their Natural love; and those spirits still in the mind sectors perfecting their wrongness. The opposites or extremes living side by side. And then you'll still have the Divine Love Healing Mansion Worlds, being spheres 3, 5, and 7, doing their Soul Healing.

And as for a summation: "Divine Love Mansion World / Sphere 3 is the waking up to the truth that one is not loving, also their being a lot of assistance. Sphere 5 is then about going right into the depths of feeling how unloved you feel and seeing how unloving you are and how that makes you feel, also this a time when one can then progress and manage their own progress through their Feeling Healing. Sphere 7 is then about still working with the deepest and residual bad feelings, whilst looking to sort out how you wrongly relate to yourself and others, nature and God because of being unloving, this is a time

of great realisation and comprehension with much of the prior experiences starting to be drawn together.”

Mansion World 3: is for waking up to the truth that you're not loving and starting to get in touch with your pain, starting to accept your bad feelings, starting to work with them instead of rejecting them.

Mansion World 5: is then about going right into the depths of them, feeling how unloved you feel and seeing how unloving you are and how that makes you feel, bringing out the majority of your pain, your misery, fear, anger, guilt, hatred, boredom, terror, rejection, nothingness, feeling powerless, alone and abandoned, and so on.

Mansion World 7: is then about still working with the deepest and residual bad feelings, whilst looking to sort out how you wrongly relate to yourself and others, nature and God because of being unloving, understanding how your relationships are unloving, how you don't connect properly, how unloving you really are and why and fully accepting the truth of it, coming completely to grips with your parents not loving you as you needed to be loved – sorting it all out, including your self and feeling expression difficulties.

It is agreed that the lower worlds are about waking up to what's involved, however from then on it depends on how it's all structured for the individual in their negative state as to how much ongoing assistance they might need. Some need help all the way along, whereas others have been able to work with their feelings, themselves, right from the beginning.

And yes, each of the Divine Love healing Mansion Worlds, 3, 5 and 7, are equally painful to work through, just focusing on different aspects of yourself and your Feeling Healing with Divine Love. And then in the higher planes of the 7th world comes the transition, where one's pain starts to end, and you start feeling so much better about yourself, you are fully accepting of your negative unloving state, you are fully unloving although even starting to become more loving – truly loving, of yourself, God, and then other people.

Then onto the Celestial Heavens by progressing into Sphere 8 and then onwards further, all the way home to Paradise.

Maybe something like 6 billion people have recognised that our Mother and Father's Divine Love, together with embracing one's Feeling Healing, that with these two aspects, have progressed through the Mansion Worlds to the Celestial Heavens and onwards.

More than 200 billion personalities have embraced their mind and self reliance through the misguidance of 'New Age' styled ideologies and the many thousands of different religious platforms, all of which take the person further and further away from our Heavenly Parents.

The 1st and 2nd Spirit Mind Mansion Worlds / spheres are jammed to the rafters.

For a million years, humanity has gone in the wrong direction with its self-denial of self and feeling!

WE ARE TO BE OUR TRUE SELF – OUR SOUL BASED FEELINGS!

We are to use our feelings to uncover the truth of ourselves. Just how important are each of our feelings? Well really, they are ALL as important; as in, nothing else in life even matters other than what we are feeling.

We are all so conditioned and used to living with our mind in control of ourselves, that many of our feelings, and mostly so many of our bad feelings, we dismiss or shut out and refuse to deal with. We should go the other way in life, so instead of denying so many of our feelings, trying to acknowledge them all, to bring them all out, every last bad one, even if means stopping everything else and attending to them; and by attending to them is to make sure we express them, speak about them, the whole idea being not to keep suppressing them, to make sure they come up and out of us as we feel them.

Along with this: we are to long for the truth of our feelings; as in, the truth they are wanting us to see about ourselves, because apparently hidden or behind or within each feeling, is something it's trying to tell us about ourselves. And that is how God wants us to live – it is to live a true spiritual life.

We are not meant to be alone, we are to have someone with whom we can share our whole self with, telling them all we think and feel. If you do not have a companion, talk it out loud to your Heavenly Parents.

If you feel a bad feeling, you don't let it pass, you stop with it, focus on it fully accepting it; and with the emotions of it, express it the best you can; and then at the same time, long for the truth of it – want to see what it's all about – why you're feeling it.

There are hidden deeper underlying causes in us that will come to light as to why we're really feeling bad. So we might, for example, be angry with something that's happening in our life now, but as we express that anger, longing for the truth of it, it will lead us back into our earlier life connecting with the same anger we felt about other things; and then back even deeper into connecting, or it should be reconnecting, with anger we felt with our parents when our parents treated us badly.

That means there will be a lot for us to deal with if the bad feelings we're feeling now are also going to lead us back into buried bad feelings from our past.

Sage and the Healing Angels of Light by James Moncrief

The CHOICE is OURS to MAKE:

Celestial Truth:

Truly all-loving;
Living true to oneself;
Mind supporting Feelings;
Living with the Divine Love;

Fully Healed of the Rebellion and Default.

THE FEELING WAY

Feeling – Ascendance
Unlimited progression

- Living true to your untruth;
- Honouring all your bad feelings;
- Expressing feelings to uncover their truth;
- Healing the Rebellion and Default within yourself;
- Feeling unloved; being unloving;
- Feeling as bad as you can feel;
- Feeling like you are no one special;
- Longing for the Divine Love.

THE MIND WAY

Mind – Transcendence
Limited progression

- Enlightenment, Nirvana, feeling all-loving;
- All false, mind-contrived. Anti-truth, anti-love;
- Still evolving the Rebellion and Default within yourself;
- Feeling and believing you are the Superior One;
- Living with your mind in control of your feelings;
- Living rejecting all your bad feelings;
- Living with your mind contriving you feel loved;
- Rejecting the Divine Love.

All religions, New Age, agnostic,
atheists, no spiritual interest,
Living the Rebellion and Default.

Hell:
Exploiting the Rebellion and Default.

The Feelings are the doer; the Mind the teller. So we are to go with our feelings, which we can't be told to do with our mind. So the longing for the Divine Love, doing our Healing by expressing our feelings and longing for their truth, are all feelings and doing it with longing. Whereas the mind just wants to tell us what to do and how to be, no feelings in it, all how our parents have treated us.

Our FEELINGS are our SUPREME GUIDES:

Feelings!

Feelings are what guide us through our ascension of truth. So they are really our Supreme Guides. Many people look for a person, spirit, angel, even God, for supreme guidance, however it's all right there already built in – in our feelings. We just have to submit to them, allowing them to take us where they will, expressing all the parts we want to express, letting the emotion drive that expression if it's there to be expressed, or just talking about all we feel and how feeling that feeling is making us feel – or, how we feel about having that feeling, all whilst longing for the truth of our feelings. Longing for the truth of our feelings is really: Longing for the truth of our self, because: we are our feelings. So life stirs up our feelings, we feel being alive; or, being alive means we are feeling, always feeling; and when we work out what and why we are feeling what we are, so then we know the truth of how we are. And over time the truth accumulates, and our mind expands our understanding of ourselves, all being driven from our feelings. Kevin 26 Sep 2017

Using our feelings to uncover the whole truth of our negative or anti truth and anti love state.

Kevin: So whilst we're of an untrue state, then all we have got to help us understand why we feel bad, why we are wrong, why we are negative and anti love and truth, is our feelings. So if we focus on our bad feelings, they will lead us to the truth of why we're feeling bad. Which will be the truth of what happened to us to make us be this wrong way, and how we took on the wrong way and keep it going making us feel bad.

FEELING HEALING

Note: The vital difference between emotion and feeling is that emotions have their roots in the past, and feelings relate to the present moment. Emotions represent our feelings which were not previously expressed, and these accumulate with time.

Note: Our feelings are soul-based. Our soul is always in truth. It is our soul based feelings, that when allowed to be freely recognised, we will begin to express and be who we are. This takes time and perseverance as we have encrusted our souls with layers upon layers of errors and false beliefs, it is these layers that will confuse the truth that our soul is conveying to us. Only by our progression with our Feeling Healing will our soul's expression of truth become clear and free of all cloudiness and contamination.

“What our soul needs in accordance with our own, individual, **Soul-Light-Plan-Of-Destiny** (your life's true destiny plan), They, being our Mother and Father, will give you as required. The only way we can know truly what we need is to honour and follow our true feelings. They, springing from our soul, literally telling us what we need, and so when we genuinely feel we need something, we apply our will to get it. The hard part is knowing if our feelings are true, and until we have done our whole soul-healing, they won't be clear and total true.” James – Introduction Course to Divine Love Spirituality

WE are meant to grow up LIVING FULLY CONNECTED to our FEELINGS:

Humanity has always had an awareness and involvement with spirits, with life on the other side, because we are all heading that way, we all end up dying and becoming one of the spirits, and were humanity living rebellion-free, then nearly everyone would enjoy some level of spirit involvement either directly or indirectly, loving such an expansive awareness in life.

We are meant to grow up living fully connected with our feelings in our physical reality, and at the same time with full feeling awareness of spirits and life after death, because after all, God is the greatest Spirit of us all.

And so having an awareness and involvement with spirits can, and should, help us have more of an awareness with our Mother and Father. And it's not with just spirits, it's also with the angels who are with us all the time, and the nature spirits should we be open to them, and even higher spirits if we are to work with them, such as the Melchizedeks or Trinity Teacher Pairs. But mostly for those people involved with the Divine Love, it will be with the Celestials spirit group that is assigned to help them.

It is very important to understand that spirits and spirit life is meant to be part of life on Earth. However that's not to say everyone need to have an ongoing relationship with their spirit friends, but they can at least still be aware of spirits and spirit life and where we will be going and something about what to expect once we die. And when you are open to it, lessening the grip of one's fears about it, then we will find it will be just another aspect or level of life, and one that can give us quite a lot of comfort.

TRUTH LOVING SOUL V ERROR INFLICTED MIND

**Feeling
Healing with
Divine Love is
the key!**

To liberate one's real self, one's will, being one's soul, is by embracing Feeling Healing so to clear emotional injuries and errors. With the Divine Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

WE EDURE FOUR LAYERS of PERSONALITY SUPPRESSION!

Unknowingly, our parents pass onto their children (us) their beliefs and way of living that has evolved since the Rebellion of some 200,000 years ago and then the Default of some 38,000 years ago. In this way, humanity is suppressing the female, rejecting our Spiritual Parents, namely Jesus and Mary, and denying our Heavenly Parents being our true Mother and Father, of their truth, standing and existence.

The Rebellion is against love, the Default is all the difficulties we have in our relationships because of our rebellion. Healing the Default is becoming true, to ourselves and in our relationships, and ending our unlovingness – our rejection of love, so ending the Rebellion. Nanna Beth 29 June 2017

We are souls, our personality is an expression of our soul. It is our free expression of our soul through our feelings that we are to embrace and follow. This expression may appear to be wilful in nature, from time to time, and consequently our parents attempt to suppress this expression. They proceed to remodel us when as young children, in the manner their parents treated them and so on for many generations going back.

During our forming years, as a child, we are unable to recognise the suppression of our personality as being extra-ordinarily harmful to our soul based personality and, accordingly, we don't know that things can be any other way. Presently, neither do our parents.

This childhood suppression way of living continues throughout our schooling years, thus we learn this is a way of life as being normal.

Our religions all have been formed based on the tenets of the Rebellion and Default. The teachers and leaders throughout all denominations take us further away from our suppressed feelings that have been hammered into us during our forming years, thus entrenching us further into rejecting our true selves.

The controlling and suppression mechanisms of our parents, educators and spiritual teachers all manifest throughout all of commerce. This control comes heavily and brutally down upon all levels of employment. The capability to express one's soul based attributes and gifts is sealed throughout all of one's working life.

A new way of living is to enable the liberation of one's true personality through the Feeling Healing process AND the transfer of authority to the individual via embracing freedom of expression.

DEVOLUTION

Our childhood suppression of our true and loving soul based feelings is creating global pain and personal isolation amongst all of humanity. We are very sick!

In our struggle to find solace and purpose, we further withdraw into ourselves, becoming ever more self dependent, believing our control addicted mind that it can solve everything. We just drown further.

We embrace an ever expanding and diverse range of pathways to escape from our personal pain, fear and desperation. Alcohol has now been complimented with narcotics, hallucinogens, including caffeine (coffee). Gambling has been complemented with computer games which are generally entraining the mind further into error and pain. Technology is making us sicker!

We bury ourselves in front of the television to further avoid contact with anyone, especially family.

Children endeavour to exert their independent authority from domineering controlling parents (which we all are eventually) by disfiguring their bodies with tattoos and piercings, etc.

We shut out the noise with headphones, thus preventing contact with others. We use electronic devices to 'text' others even at intimate engagements.

Technology will take us further into the depths of our madness. You now can buy headsets that prevent any contact with the outside world while playing mind suppressing and entraining entertainment – games!

No one loves their children, they are ignored, and the controls hammered into them turn them into clones of ourselves. Look at ourselves and we can all see that we have been all messed up by our own parents, as they have for generations over the past 200,000 years.

No more of this! We can escape this man made hell!

EVOLUTION

STEP 1: Longing for and receiving Divine Love:

- A. Soul within spirit body prior to receiving Divine Love.
- B. Divine Love being received from the Holy Spirit, covering the spirit body of requesting personality.
- C. Divine Love having been assimilated within one's soul, now being reflected through the radiance of the spirit body.

STEP 2: FEELING HEALING + SOUL HEALING

It is the Divine Love that strengthens one's resolve to persevere with embracing one's suppressed emotional injuries, that occurred from conception through to around the age of six, and longing to know the good and the bad of those feelings, together with talking about them to a friend, partner, one's self and our Heavenly Parents. It is only with the receipt of the Mother and Father's Divine Love and the expressing of suppressed emotional injuries that one can release the emotional injuries and errors to achieve Celestial soul condition and enter the Celestial Heavens.

Further, should one complete their Feeling Healing on Earth, then they will be able to recognise their soul partner, their other soul half, and should their soulmate have also embraced Feeling Healing with Divine Love, then their children will be born free from error, free from fear, and free from any deformity and illness. This is the destiny of humanity.

Further, being in this condition of free from error and being in constant communication with our Heavenly Parents, then one can also recognise and form their Soul Group. This will ultimately consist of twelve soulmate pairs, a total of twenty four personalities / individuals.

It is the bringing up of children by the support of soul groups that is to be the ultimate way forward. The group experience and wisdom, as a functioning family, will ultimately be of profound benefit for the blossoming child.

But what we cannot do is contrive the groups ourselves, or even pick who our soulmate is. This will only, and can only happen, as an outworking of the truth we are to live – as we progress in the healing of our soul.

And this is how all of life should be lived: according to the truth we are living. It is how we live, as there is no other way, but currently we live it in the negative, of that being directed by no truth, and so having to make it all up ourselves.

FEELING HEALING + SOUL HEALING

To heal one's self is to simply look to see what feelings we are refusing to let ourself feel, and accept them instead of denying them. And to fully accept them, one needs to express them, speak about them, let them have their say, rather than pushing them aside, refusing to let them make you feel bad.

Doing this all with the intention of seeking the truth of why you are feeling them, of speaking about and expressing all such feelings; all feelings you have, but ALL WITH the INTENTION of UNCOVERING the TRUTH THEY WANT YOU TO SEE ABOUT YOURSELF. And it's the wanting to see the truth of them that is very important, because if you just look to accept them and speak and express them, but not seek their truth, then that's all you'll be doing, speaking and expressing them, but not healing their causes, so not fixing the things within you that are making you feel bad. And it's the truth part of it, seeking the truth of your feelings, and so, seeking the truth through your feelings, that's vitally important. It's the truth of yourself, life, nature and God, that is the spiritual aspect to it all.

You CAN'T find the truth of yourself, or anything else, through and with only your mind. You HAVE to engage and look to your feelings. And so if you choose to allow your feelings to 'Show You the Way', then the truth will come as you express them. So to do our Soul-Healing consists of these steps, all of which are ongoing until it's done:

- **Admit you are feeling bad.**
- **Accept your bad feelings, identify what they are.**
- **Honour fully your bad feelings by expressing them, speaking about them to someone who is willing to hear you talk about them, or tell them out loud to our Heavenly Parents. Long for the truth of them. Long for the truth of why you feel bad – what deep within you is causing your bad feelings?**
- **And remember, bad feelings are Good! Not bad. They are not to be despised. And as hard as it is to accept them, they are still you, and a very real part of you. And if you persist in denying them and not allowing yourself to fully live them, then you are only going to keep yourself in your errors making things harder for yourself.**
- **All sickness and suffering, all bad things that happen to you, all your problems, all your addictions – your whole feeling-denying and untrue life, is all caused by your denial of bad feelings.**
- **Every problem in the world is brought about because everyone has been brought up to deny feelings, and in particular, most of their bad ones.**

If one is intent on spiritually evolving and growing in truth, then it's vital, and this is the key, that one looks to use one's feelings as the means to gain and have access to the truth of oneself. You CAN'T find the truth of yourself or anything else through and with only your mind. You HAVE to engage and look to your feelings. And so if you choose to allow your feelings to 'Show You the Way', then the truth will come as you express them.

Doing your Soul-Healing with the Divine Love, is really doing your 'Feeling-Healing'. We are designed — created — to be self-revealing of truth, and so we are all to uncover the truth within ourselves and for ourselves, and all being done by living true to our feelings. **If you accept, express and seek the truth of your feelings, then truth will come to you, and you'll grow spiritually. It's as easy as that. Also it is as easy as it is to long for, ask for and receive Divine Love.**

THE HEALING OF YOUR BAD FEELINGS THROUGH THEIR ACCEPTANCE
AND FINDING THE TRUTH OF THEM, IS THE ACCEPTANCE OF YOUR
NEGATIVE, REBELLIOUS, EVIL, IMPERFECT MIND AND WILL CONDITION.

To do our feeling-healing we need to become:

Aware of – Acknowledge – and Admit, our bad feelings.

So we can:

Accept – them and allow ourselves to Be them.

And then if we feel to, take:

Action – Express, speak and emote them.

Talk about them.

All being done whilst longing to, really wanting to, see the TRUTH of our feelings.

So it sounds simple.

So I repeat:

We accept our bad feelings by expressing – speaking about them to someone willing to listen to us and take us seriously. And as we speak we long for the truth of them – why we are feeling them – to be made known to us. And when we uncover and see the truth we are FREE! – healed of the causes that have made us feel bad.

Accept, Express – see the Truth, and you're Free!

ACCEPTANCE OF ALL YOU FEEL, THINK AND ARE, IS THE KEY TO DOING
YOUR HEALING; THAT, AND WANTING TO SEE THE TRUTH OF ALL YOU
FEEL, THINK AND ARE.

Release one's pain through expressing one's feelings.

Longing for the Truth when also longing for Divine Love.

The Feeling Way is the True Way.
 Your feelings are your spiritual guide.
 Your feelings will take you to God.

Your feelings will show you the truth of your relationships, including your relationship with God; and if anything is wrong, untrue and unloving, then why it is.

Our feelings are sacrosanct and we should respect them accordingly. And we should NEVER block them out, ignore, override, banish, deny or reject them, because if we do, we're only doing that to ourselves, as Our Feelings Are Our Self.

Our feelings are the gateway to our soul. Our feelings are the closest we can get to our soul. Knowing the truth of our feelings is knowing the truth of our soul, and knowing the truth of God.

Feelings First Spirituality is the True path for humanity.
 It embraces all people.

It completely unifies the world.

Everyone can relate to everyone else through their feelings.

And we can all live the truth that comes from our feelings, all sharing the same truths as we express and have the same feelings.

No one need be left out; no one is more special than anyone else – we are all united in Truth through our feelings.

So with and through our truth we live our lives, therefore without the need of any man-made mind-laws, rules and restrictions that limit self-expression as inspired by our feelings.

The New Way, Feelings First Spirituality is what is to replace all man-made, mind-contrived religions that so many people have enslaved themselves to. The New Way, Feelings First Spirituality will set us free of all that control, ending the Rebellion and Default within ourselves as we do our Feeling-Healing, and ending such control and spiritual stagnation in the world.

Bring on the End Times – get it over and done with! Let's all see that Jesus is not going to come again, that Prophecy has failed all the mind-controlled platforms. Allow such false systems of belief to die their long-awaited natural death, they've overstayed their welcome, it's now time they fade away. So let us show such antiquated, erroneous systems of belief the exit and bring on the fresh liberation of discovering the truth of how we are to live for ourselves, each of us personally in our lives, and all by looking to our own feelings for it. Self-revelation through our feelings is the way to go.

The Way of the Mind is ending, and is really the End Times – the End of our mind control, and **it's about time!** With the Way of our Feelings replacing it.

The End Times means the end and therefore a New Beginning. And that new beginning is a whole new Spiritual Age – an age based on self-revelation of truth through one's feelings, coupled with and supported by higher revelations from the Celestial spirits, angels and nature spirits.

The Feelings First Spirituality is the True Way to God because it helps you get to know God, helping you to reach out, connect and be personal with God, and do God's Will, all through your feelings. It is the only true way of getting to know the God of Feelings – our beloved Heavenly Mother and Father, the Great Soul of Divine Love.

Love comes through our feelings and not our mind, as we've all been wrongly led to believe.

Feelings First; then comes The Truth; then comes Love.

REVELATIONS

Revelation 1: Our soul becomes encrusted with harmful ways of life, plus negative and erroneous beliefs, these mainly stem from our childhood upbringing and environment. Thus we live untrue to ourselves, we become 'evil'. Whilst we hold to these injuries we limit the amount of Love that we can receive into our soul. To open our soul to the Love we must firstly and progressively embrace our emotional injuries and allow them to be released. Until we emotionally experience past errors and injuries we hold onto them.

To free our soul of damage and toxic emotions we must open ourselves to experiencing them. This is a progressive, slow and uncomfortable cleansing process that we must all experience. Only by addressing the generational injuries will we, as humanity, evolve in love.

To fully divest one's self of our badness, we have to 'go into' our feelings. Call this process of clearing toxic emotions as 'Letting Go', 'Emotional Processing', 'Journey Process' or 'Feeling Healing'. Embracing Divine Love then Feeling Healing becomes Soul Healing.

As part of our Feeling-Healing we will have to work our way into all our feelings to see if indeed they are coming truly from our heart and soul, or if they are being heavily influenced by our mind. And this will then lead us into questioning and uncovering the truth, if there is any, to our beliefs and why we behave the way we do; and is such behaviour based on truth, or is it based once again on untruth, belief, and rules of our mind.

Revelation 2: We can long for, ask for and receive the Mother and Father's Divine Love. The greater our soul is free of error and injury, the more of the Divine Love can be received and assimilated into our natural love formed soul. The Love does not free us of injury, however, it strengthens our resolve to continue on our journey to be free of error and injury, to step away from evil aspects that have been encapsulated within our humanness and soul. It is this Love, the Divine Love, that brings about immortality of our soul and it is this Love that will eventually fit us to enter the Celestial Heavens and progress for ever more onwards to Paradise. These two revelations free us from error and enable us to grow in love ever more.

Immortality with the Love.

God is God, who is our Heavenly Mother and Father, being SoulMates. There is only one Soul that is God's Soul, that being the Soul of our Mother and Father. Our Heavenly Parents are the First Soulmates; The Two Who Are One who have brought us all into being.

Jesus and Mary are soulmates and a son and daughter of God.

Mary of Magdalene and Jesus of Nazareth, were both free of sin. Mary and Jesus, combined in their love for us, are our spiritual teachers and guidance for us to find our way home to our Heavenly Parents. Mary and Jesus have liberated their Spirits of Truth who we can long to for assistance and guidance. They are known as Jesus and Mary of Nebadon, the universe system in which Earth is. They are the Creator Son and Daughter ruling this region.

To start this journey we are to liberate our souls from being entombed within our suppressive minds, through feeling and longing for the truth of our feelings via our soul and peel away our injuries incurred since our conception.

The Avonal pair, should they be here, are to support humanity on Earth exclusively. They are to continue the work of the Creator Pair, Mary and Jesus, and will be assisted by them. The Avonal pair will, during their life on Earth, experience the full Feeling Healing process and Soul Healing process so that through their Spirits of Truth, which they are to release upon their physical death, will be able to be called upon by all those who embrace their own Healing. The Earth names of the Avonal Pair may not become known.

Humanity, all being soulmate pairs, are ascending mortal souls who are to reach inward and progress Paradise-ward for the God experience. As part of our journey of evolving our souls we are to experience evil, that is the denial of God and the Creator Pair. We can long to the Spirits of Truth of Mary and Jesus and soon to the Spirits of Truth of the Avonal Pair. Our Indwelling Spirit is our direct connection to and with God.

Feelings First Spirituality, The New Way

Feelings First Spirituality, The New Way is a contemporary ‘religion’ based on living true to yourself through your feelings. Understanding that all you need in life is contained within your soul and is shown to you through your feelings. And by loving your feelings, by attending to them properly (talking or writing them out of you) and not denying them, you can use them to uncover the truth of yourself – the truth of your soul.

Feelings First Spirituality is not a formalised religion that tells you how to be, that is too controlling and is actually bad for you, limiting your spiritual growth. You can be wholly self-revealing of the truths you need to be, being the person God created you to be, all by living true to your feelings.

Feelings First Spirituality has no formal structure because we understand we don't need one, our soul contains within it all the truth of our spiritual ascent. If we look to our feelings for the truth they want us to see about ourselves, nature and God, then what more do we need! Our true spiritual path is the path our feelings will lead us down, that is, provided we allow them to. This is the most spiritual we can be.

Living the New Way of Feelings First Spirituality

You come to the understanding from your life experiences that how you are is not right, it doesn't make you feel good – that you are wrong in some way. And you want to change yourself, you want to become right, true and perfect – you want to be like God is.

And to do this you need to do your Healing

Your Feeling-Healing is looking to your feelings for the truth of yourself, the truth being hidden in many of the feelings you are not wanting to face in life. So you have to end your feeling denial, accepting all your bad feelings (and good ones), express them (yet not necessarily acting upon them), whilst longing to uncover the truth they are to show you.

Or, you can do your Soul-Healing, which is your Feeling-Healing together with including longing directly to God for God's Divine Love. When you receive the Divine Love into your soul, it will cause your soul to become divine, and it will deepen your personal relationship with God. Long with all your heart to God for God's Divine Love.

Feelings First Spirituality **The New Way**

By living true to ourselves, true to our feelings, we are living true to God. It's that simple.

WE ALL ARE BEING GUIDED HOME:

We need the Spirits of Truth of the Avonal Pair to Heal ourselves; then once Healed, (and for support (overshadowing) as well through your Healing), we need the Creator Pair, Mary Magdalene and Jesus' Spirits of Truth to see us through the Celestial spheres, while at all times embracing our Heavenly Mother and Father.

Until Mary and Jesus died and liberated their Spirits of Truth, no one from any of the worlds could leave Nebadon, because no one knew the way to do so. Nebadon is our local universe containing some 3.8 million inhabited physical worlds and their associated spirit worlds.

When we embrace the truths Mary and Jesus are revealing, and start to do our Feeling Healing, or with Divine Love, Soul Healing, we are then freeing ourselves up from our parental and self control.

Thus our journey to Paradise, to the home of our Heavenly Parents, is of our choosing as to when we progress, however, there is only one way:

HUM: Humanity is to ascend. We are self contained. Our soul is always in truth and perfect at all times. **By living true to ourself, true to our feelings, we are living true to God. It's that simple.**

We are to recognise that being engaged and dominated by our mind is the wrong way for us to evolve and grow in truth. We are to discard the mind enslavement that has been imposed upon us by all of our parents. We are to express our feelings, both good and bad and free ourselves of the indoctrination that humanity has embraced worldwide.

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God's soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of our Mother and Father.

AVO: We are to embrace the truths and guidance of the Avonal Pair through their Spirits of Truth. It is the Avonal Pair's guidance that will lead us through our Feeling Healing, and with Divine Love, we will be able to ascend through the 7 spirit Mansion Worlds and enter the Celestial Heavens where we also interact with other world's spirits.

J&M: We are also to embrace the truths and guidance of the Paradise Pair, Mary and Jesus, who will then lead us through the 3 Celestial Heavens that are aligned with Earth, and then further on through Nebadon where we will then depart beyond on towards Paradise.

M&F: Beyond the universal zone of Nebadon, we will be guided by our Heavenly Mother and Father onwards through the universes to Paradise where we will be welcomed by them, home for us all, as we are all Children of God.

AVO

HUM

WE ARE Children of God

WE ALL ARE BEING GUIDED HOME – NOW, HOW TO COMMENCE THE JOURNEY:

GOD

M&F

For 200,000 years, we have been misled into embracing our mind's distortion of wisdom and truth. All such traditional understandings only lead us in the wrong direction, from which we must turn back from. Our soul based feelings are always in truth. Our minds are to follow our soul based truths and feelings, not the other way round, as we have been brought up to embrace.

We are to connect with our deeper repressed feelings.
We are to long for the truth of what we are feeling.
We are to live true to our selves; by living true to our feelings.

Use your surface day-to-day feelings to connect with your deeper repressed feelings. Express your surface feelings and your deeper repressed feelings to uncover the truth of yourself.

J&M

We all have feelings which we communicate and share with each other. And we all have deeper buried and hidden repressed feelings. Feelings from our early childhood we felt, yet weren't allowed to express. These feelings are still within us, waiting to have their say. These feelings, because they are repressed, cause us all our problems.

And as we look to uncover, bring out and accept these deeper feelings, so we're taken into new ways of looking at ourselves, our feelings, and our life. We're setting ourselves free of the controlling patterns that govern our unloving behaviour.

In this way, we progressively begin to express the personality that our Heavenly Mother and Father gave us, not the one imposed upon us by our physical parents and carers. We are to be our true and real selves.

By living true to ourself, true to our feelings, we are living true to God. It's that simple.

AVO

HUM

As we, humanity, long for the truth of our feelings, we can also be assisted by the Spirits of Truth of the Avonal Pair who are our spiritual teachers for Earth over this coming 1,000 years, to assist us through the Great U-Turn, away from mind dominance to being soul based feeling lead. They will assist us through the seven levels of the spirit Mansion Worlds.

Then the Creator Pair, Jesus and Mary, will lead us through Nebadon and into the greater universe. Then our Heavenly Mother and Father lead us home to Paradise.

Collectively, should we embrace them all, as we are to, then our pathway home is a journey in the hands of the Spirits of Truth of the Avonal and Paradise Pairs overseen by our Heavenly Parents.

WE ARE Children of God

HOW TO GET TO PARADISE:

Long for the Divine Love
 Long for the Truth
 Long for the truth of your feelings
 Don't deny any feelings: accept, express and want to know the truth of them
 Know your feelings are the key; your feelings are the Way
 Want to end your falseness and being untrue
 Want to understand the truth of your early life
 Use your surface feelings to move deeper into yourself, bringing up your repressed feelings
 Want and long to know the whole truth of yourself
 Want to do it all with God, your Heavenly Mother and Father – long to Them for help.

The Key

Our longing drives our life. We long with feelings. We can wish for things using our mind, yet long for things with our heart. These things in the pyramid are what to long for. Longing for them, when the longing comes naturally. Longing because you feel you really want them. Long to be true with all your heart. Long to live true to your feelings. Long to understand the whole truth of yourself.

PARADISE TRINITY:

1. **Our MOTHER and FATHER (God) (MF) – Divine Love**
SOUL (God) – One SOUL that is expressing its two PERSONALITIES, our Heavenly Mother and Heavenly Father (Soulmates)
2. **ETERNAL SON (ES) – Divine Truth**
3. **INFINITE DAUGHTER (ID) – Divine Mind**

Then: The Second and Third Persons of the Paradise Trinity (ES and ID) are stepped down to the local universe trinity (Mary and Jesus, Divine Minister (DM), and her Holy Spirit.

The LOCAL UNIVERSE TRINITY:

1. **MARY M and JESUS (MF) – Love – the Living Truth**
2. **DIVINE MINISTER (ID) – Mind (and her Holy Spirit)**
3. **HUMANITY – Natural love, sons and Daughters – Truth, and our Angels – Mind**

PLANETS that engage in REBELLION:

1. **AVONAL SOULMATE PAIR – the Feeling Healing process – incarnate**
2. **DAYNAL – TEACHER PAIRS – they do not incarnate**

So in summary:

Consider a diamond:

Mother and Father Heavenly Parents

Creator Son & Daughter
Jesus and Mary

Avonals
as soulmate pairs

Trinity Teachers
as soulmate pairs

Melchizedeks – who have taken over from the Caligastians and Daligastians being also all as soulmate pairs.

Mortal Souls – human beings who individualise on Earth, then progress through the spirit Mansion Worlds, then into the Celestial Heavens, and beyond.

Mortal Souls – also being ascending spirits, upon completing their Soul Healing, join with their soulmate, then join their soul group of 24 mortal spirits, being 12 soul pairs. It is only as a soulgroup that anyone can progress beyond Nebadon.

The Paradise Pairs are all ONLY concerned with the SPIRITUAL wellbeing and upliftment of the planets and local universe. Currently to do with Earth:

Mary and Jesus – spiritual wellbeing and upliftment of the whole of Nebadon region.

Avonal Pair – Daynal pairs (Trinity Teacher Daughters and Sons) – Spiritual wellbeing and upliftment of individual planets and their associated Mansion Worlds.

The Local universal Sons and Daughters are all about the running of the worlds under their jurisdiction, and ensuring the higher spiritual elements can be employed, or sent astray, as in our cases through the Rebellion and Default.

Lanonandeks – Melchizedeks (and others, such as Life Carriers and Eve and Adam).

As the Lanonandeks all rebelled – the Lucifers, Satans, Caligastias and Daligastias soulmate pairs – so the Melchizedeks have taken over their roles, as well as doing their own.

So the Melchizedeks are the governors, overseers, the administrators and advisors and so on for Earth; they are the ‘controllers’, and they will instigate all that needs to be done to do with the ending of the Rebellion and Default. And they will enlist the willing help of ascending mortal pairs, so the mortal Celestials spirits (soulmates when available, and others waiting to unite with their partner), and at times mortal spirits in the Divine Love Healing Mansion Worlds. And the angels help all of us.

Currently the whole of Creation exists for the ascension of mortal souls from their earth planets to Paradise. It’s all one vast Grand Ascension Scheme. With all the higher and lower spiritual Daughters and Sons, together with all the many different angels and other universal spirit personalities, and even including nature and our very own pets, assisting women and men with their Ascension Journey. It being: and Ascension of Truth. Everything we do is done to help us grow in truth. (Only everything we do in our negative state is to deny ourselves our truth from our feelings, which is why we have to do our Healing.) All women and men are ascending (or growing) in truth through their experiences. And as we grow in truth by looking to our feelings to show us that truth, so we’re ascending, moving inwards and upwards through all the worlds and spheres of the Grand Universe to one day arrive on Paradise and meet our Heavenly Parents. God is providing us, Their children, with this spiritual journey called our Ascension of Truth. And by living true to our feelings, so we are progressing on our true Spiritual Path – our Ascension Path.

CREATION of SOUL and SPIRIT:

God is *The Paradise Trinity* — the eternal Deity union of the Personalities: the Universal Mother and Father; the Eternal Son of Truth; and the Infinite Daughter Spirit of Mind.

The soul of each human personality (sons and daughters of truth) is existential, driving our personality expression in the experiential. The soul of each human finds truth by embracing one’s feelings and longing for the truth of them. We are to attain the Eternal Son of Truth. We are a creation of Truth.

Feeling Pathway

Mind Pathway

Soulmate Pair

Angel

Spirit Person

Nature Spirit

The soul of angels is experiential, evolving through their experience by continually progressing in mind development. Angels are to attain the Infinite Daughter (Spirit) of Mind. Angels are a creation of Mind. Our soul is duplex (we have a soulmate) and is created by our Heavenly Parents. Through our Feeling Healing we perfect ourselves enabling the union with our soulmate, as we progress in truth up through the Mansion Worlds, celestial heavens and all the way to Paradise.

The soul of angels is also duplex, yet of the mind, and they progress in mind evolution to Paradise. Animals, plants and nature spirits are also creations of Mind.

Neither we nor animals reincarnate. We never die; upon death, we move into the spirit Mansion Worlds on our journey to Paradise. When animals and plants die, be they the tiny microbe to the mighty elephants of the land and the whales of the ocean, their spirit energy returns to the Spirit Collective

Energy. And from this energy are drawn other animals and the nature spirits, who then in turn move onto becoming angels through increasing mind experience.

A nature spirit is an angel in waiting.

DIVINE LOVE:<http://www.fcdt.org/divinelove.htm>

The words "Divine Love" have been used in many contexts to convey different meanings. But in the context of our Heavenly Father, Divine Love is the greatest gift in all the universe. It transcends all else that can assist humankind fulfil their dreams of happiness and have them resolved within themselves. God's Divine Love is the one thing in all of God's infinite universe that can bring about eternal life and everlasting happiness in the Celestial Kingdom.

What is Divine Love?

The Divine Love differs from the natural love of man with which he was endowed when created, which belongs to all humans, and which they all possess in a more or less perfect condition in this: that the Divine Love is that Love which belongs to or is a part of God, possessing His Nature and composed of His Substance, and which, when possessed by a human soul to a sufficient degree, makes him divine and of the nature of God.

What is the New Birth?

The New Birth is simply the effect of the flowing of this Divine Love of the Father into the soul of a man and the disappearing of everything that tends to sin and error. As the Divine Love takes possession of the soul, sin and error disappear. It, the soul, becomes of a quality like the Great Soul of the Father. And with the Soul of the Father being Divine and immortal in Its quality of Love, so, when the soul of man becomes possessed of this quality of Love, the soul being the man, this soul becomes divine also. Then, the image becomes the substance; the mortal becomes the immortal; and the soul of man, as to love and hope, becomes a part of the Father's Divinity.

How does one receive the Divine Love?

The only way is simply this: that men shall believe with all the sincerity of their minds and souls that this great Love of the Father is waiting to be bestowed upon each and all of them; and that when they come to the Father in faith and earnest aspirations, this Love will not be withheld from them. And, in addition to this belief, that they pray with all the earnestness and longings of their souls that the Father will open up their souls to the inflowing of this Love, and that then may come the Holy Spirit to them to bring this Love into their souls in such abundance that their souls may be transformed into the very Essence of the Father's Love. The soul who will thus believe and pray will never be disappointed, and the Way to the Kingdom will be his as certainly as that the sun shines by day upon the just and unjust alike.

Take the test.

Too often we are told to believe something based on what we are told. You don't have to "believe" anymore. Now you can have physical proof of the existence of God and His Love for you?

"test my teachings that the Father's Love was now available, and pray for it to the Father in earnest prayer, and see whether, if this was done in sincerity, the Father's Love, conveyed through the Holy Spirit, would burn and glow in the soul, by which sign they would realize His Love was present therein." – Jesus

Take it to heart – earnestly pray for God's Divine Love and feel the glowing of His Love in your soul. Jesus gave us the Prayer for Divine Love to help us in our prayers to the Father.

Note: Following the writings of James Moncrief, one could consider that any reference to the Father, by other relevant writers, may be read as a reference to 'our Mother and Father'. Further, when considering soul healing, then reference to Divine Love could be referred to as 'Feeling Healing with Divine Love'.

DIVINE LOVE – what does it do?

The divine gift from asking for and receiving divine love will steadily, but with certainty, raises one's quality of life and also of all those around such person who is seeking and receiving this love.

The receiving of Divine Love, which is a substance, with certainty, progressively:

- Raises one's love for those around them, whilst embracing one's Feeling Healing.
- Raises one's perception of all things – naturally grows one's intelligence – soul intelligence.
- Enables one to feel and resolve negative emotional issues more readily during Feeling Healing.
- Humility becomes self evident. Humility enables one to feel their errors and emotions.
- Divine Love strengthens one's resolve to express errors, emotional injuries and untruths.
- Divine Love with Feeling Healing to remove emotional errors, enhances one's health.
- Divine Love enables one to become more childlike – not adult serious at all times.
- Divine Love raises one's capability of feeling – no longer needing to be mind controlling.
- By becoming feeling orientated, one no longer is mind / intellectually dominated.
- The strength to fight and overcome sin and error is strengthened through the Divine Love.
- The Law of Compensation process is more resolved by Feeling Healing with Divine Love.
- Receipt of Divine Love grows one's faith, beliefs become faith and then knowing.
- As our faith grows our intensity to ask and then receive Divine Love grows.
- We begin to follow our passions and desires, no longer fear and mind driven.
- Truth being told at all times then progressively becomes a way of life.
- Our quality of life blossoms, our finances and relationships prosper.
- Man creates his own environment, seeking Divine Love can vastly improve one's environment.
- Health carers receiving Divine Love enhance healing outcomes beyond comprehension.
- Receiving Divine Love may assist in bringing a struggling marriage back into harmony.
- You progressively become dependent upon our Heavenly Parents, not self dependent.
- Personal growth in love directly assists the soul condition growth of one's children.
- Divine Love assists one's rate of soul condition to progress whilst embracing Feeling Healing.
- Divine Love is a substance that changes the human soul to that of the Divine.
- Without Divine Love, one cannot progress into the Celestial Spheres (8th sphere and higher).
- Divine Love, with Feeling Healing, enables everlasting Love and Life in the Celestial Heavens.

“The Law of Compensation doesn't operate on isolated actions, but on the overall condition of people's souls, because the deeds are the consequence of this condition. Our behaviour is the reflection of our souls. Never see isolated deeds, always see souls whose condition leads to certain deeds. It is the soul condition which determines the motive and consequently the action. It is our lack of trust in God, this ultimate and definitive trust, which only soul development may give us. This lack is why we suffer.”

Judas of Kerioth 5th October 2001

As you grow in love, illness issues abate, financial security improves, and your treatment of your fellow man is the same as how you would like to be treated. You grow in natural intelligence, your perception on many subjects becomes profoundly more loving and supportive of and for your way of life and how you interact with your fellow man.

This quality of life and love permeates and extends into every facet of your physical life and continues to grow as you progress on your journey within the spirit world.

Capabilities to ask for and receive Divine Love is a gift between you and your creator, God. You do not need an intermediary, nor do you need to join with any organisation. This is your own personal journey and experience. You can share this with others, but no one can take it away from you.

This Love will elevate the human soul to a condition that it may perceive the spiritual truths which God has waiting to be revealed to His children who aspire to understand the nature of the divine and what their true relationship to Him and their family of souls is.

“Keep faith with God, and be open to His Love, and you will overcome with confidence and, indeed, peace of mind, optimism and happiness, those circumstances that seem to mar the fulfilment of your years.” Mary (mother)

The Only Prayer That Man Need Offer to the Father:

The Prayer for Divine Love

(as given within the first century)

I am here, Jesus

<http://www.youtube.com/watch?v=Pg6p3rivAZw>

P.438 Book of Truths through James Padgett / Jesus

Let your prayer be as follows:

Our Father, who art in heaven, we recognize that You are all Holy and loving and merciful, and that we are Your children, and not the subservient, sinful and depraved creatures that our teachers of old would have us believe. That we are the greatest of God's creations, and the most wonderful of all God's handiworks. We are the objects of His soul's love and most tender care.

That Your will is that we become at one with You, and partake of Your great love which You have bestowed upon us through Your mercy and desire that we become, in truth, Your children, through love, and not through the sacrifice and death of any one of Your creatures.

We pray that You will open up our souls to the inflowing of Your love, and that then may come Your Holy Spirit to bring into our souls this, Your love in great abundance, until our souls shall be transformed into the very essence of Yourself; and that there may come to us faith--such faith as will cause us to realize that we are truly Your children and one with You in very substance and not in image only.

Let us have such faith as will cause us to know that You are our Father, and the bestower of every good and perfect gift, and that only we, ourselves, can prevent Your love changing us from the mortal to the immortal.

Let us never cease to realize that God's love is waiting for each and all of us, and that when we come to God, in faith and earnest aspiration, His love will never be with-held from us.

Keep us in the shadow of Your love every hour and moment of our lives, and help us to overcome all temptations of the flesh, and the influence of the powers of the evil ones, which so constantly surround us and endeavour to turn our thoughts away from You to the pleasures and allurements of this world.

We thank you God for your love and the privilege of receiving it. We believe that You are our Father --the loving Father who smiles upon us in our weakness, and is always ready to help us and take us into Your arms of love. We pray with all the earnestness and longings of our soul, trusting in Your love and giving You all the love, glory and honor that our finite souls can give.

Amen

MoC

Note: The 'false teachers' are our parents, as they are also the 'evil ones'. Also, the evil ones, being those parts of one's mind, that are controlling you.

A Personal Adaptation of the Prayer for God's Divine Love:

Joseph Babinsky

Our Father, who art in heaven, I recognise:

That You are holy and loving and kind, and that I am the child of Your care.

That I am the object of Your great Soul's love and tender most care.

That Your will is that I become at-one with You and partake of Your great love, which You have given me through Your desire that I become, in truth, Your child.

That You will open up my soul to the inflowing of Your love, and that then will come Your holy spirit to bring into my soul, this, Your great love in great abundance until my soul may be transformed into the very essence of Yourself; and that there may come to me faith – such faith as will cause me to realise that I am truly Your child and that I am one with You.

Let me have such faith as will cause me to know that You are my Father and the giver of every good and perfect gift, and that I only can hinder and stop the river of your inflowing love.

Let me never cease to realise that Your love is waiting for each and all of us, and that when anyone comes to You with faith and earnest aspirations, Your love will never be withheld.

Keep me in the shadow of Your love every hour and moment of my life, and help me to remain completely focused on this, your ever-present and unconditional love.

I thank You for Your love and for the possibility of receiving it, and believe that You are my Father – the loving Father Who smiles upon me always and is always ready to help me and take me to Your arms of love.

I pray this with all the earnestness and longings of my soul and trusting in Your love give You all glory and honour and love.

Note: Following the writings of James Moncrief, one could consider that any reference to the Father, by other relevant writers, may be read as a reference to 'our Mother and Father'. “Every day is a day of devotion.”

Please Mother and Father, may I receive Your LOVE.

God's Divine Love: Pray for it, ask for it, and receive it.

Our salvation IS the embracing of the Feeling Healing process and Divine Love.

The BEAUTIFUL MIRACLE:

5 Oct 2012

The DIVINE UNIVERSE

The way in which the Spirit conveys the Divine Love into the soul is a beautiful miracle. The attribute of mortal soul prior to incarnation has to it, a potential within it that is part of its formed nature. After the soul incarnates this potential remains part of the soul and even if the forming personality is unaware of such a soul potential, the potential still exists. The Divine Love is entirely suitable in its energy of harmony to be the energy that a mortal soul can utilise. The Spirit covers the spirit body when the individual sincerely asks the Soul of God for the Divine Love and this covering of the spirit body is where the dynamic of this beautiful miracle takes place. From the internal longing of the individual for the Divine Love this activates the Spirit Law that activates the Spirit that is then attracted to the spirit body upon which the Spirit material of the spirit body draws the Divine Love in to its soul and this union completes. The key here is to gain a perceptive insight into realising that the spirit body is not an inert body but that it is living and has activity, recognisable from its first forming from the Spirit Law that materialises a spirit body. The Spirit and the spirit body to give an analogy are like two attracting magnets and when the surface of the spirit body is touched by the Spirit, this causes the automatic response of the Divine Love to permeate into the attribute of soul and so begins the transformation of energy from the natural into the Immortal Divine Harmony. If the individual continues the receipt of Divine Love, the energy that is Divine Love actively begins to change the soul and this is felt in the spirit body systems and can produce feelings of love and elation. The spirit-mind begins to change as all spirit body systems are affected by the changed condition now experienced in the soul as the soul becomes living and vital. In one's progression of this Divine transformation, the soul will mature enough from the amount of Divine energy it receives and at that moment the surface of the spirit body and the Spirit are continuously attracted to each other, then one is living in the presence of the Father in perfect harmony, and this clarifies the truth about what it means to be truly at-one with God.

SHINING TOWARD SPIRIT:
665. The Shining toward Truth

Vol III, p. 157, 14 Nov 2014 – 14 Mar 2015 Zara and Nicholas

www.lulu.com

It is I Matthew, a teacher of the Divine Love. I have communicated with you recently, now I desire to provide you with a visual description of the Love.

Imagine a continuous Energy shining light blue that is unbroken with a seamless surface that surround every mortal and Immortal spirit. Imagine if you were to become aware that this energetic field of light-blue Energy existed in its shining radiance just near where you are. Now that you are aware that this unbroken Divine Love is unified energetic field of living Love, by opening toward the Soul of God and aspiring for the Divine Love, the Acting Spirit gently brings a small portion of this shining blue Energy into your soul

The Divine Love that you have received remains part of this great Energy that the Divine Love is and even though this small portion of Divine Love, now within your soul, in its shining radiance and energetic cause, it is never separated from the continuous energetic field of Energy that the Divine Love is. Having partaken of this Energy it is with perception that one is aware that the Divine Love within one's soul is the same Divine Love that every person and spirit who has partaken of this Love, participates with. Even though in our individuality we partake of this Divine Energy, this Love is never broken away from the Source and Origin from which this Divine Love emanates.

The Divine Love is bestowed into our finite soul by the Acting Spirit, but this Spirit remains in contact with our spirit body and does not enter the finite soul to become part of our finite soul essence that we are. No mortal or Immortal spirit can manifest in their soul the Acting Spirit so that this Spirit – this Holy Spirit – becomes part of our existing finite spirit body. Only the Divine Love and its Energy becomes part of our finite soul, which causes the change to our spirit body. The Acting Spirit always remains its own attribute and never does a Celestial spirit claim ownership or take possession of the Acting Spirit within their soul. (The Holy Spirit / Acting Spirit is an instrument of the Source Soul, our Father.)

This is one of the wonderful Truths by which we who have been transformed by the Divine Love understand our personal relationship with the Father's ever-present Acting Spirit. The shining Energy of Divine Love is all around us and when we have partaken of this Love, part of our finite nature becomes independently shining in this true perfect Love.

I provide these words that may appeal to those who are visual and to express the universal appearance of the Divine Love and the personal touch when in contact with the Acting Spirit.

Matthew (Apostle)

To liberate one's real self, one's will, being one's soul, is begun by embracing Feeling Healing, so as to clear emotional injuries and errors. With the Divine Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

To liberate one's real self, one's will, being one's soul, is by embracing Feeling Healing so as to clear emotional injuries and errors. With the Divine Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

Our salvation IS by embracing Feeling Healing with the Divine Love.

God's Divine Love: Pray for it, ask for it, and receive it.

Please Mother and Father, may I receive Your LOVE.

“Every day is a day of devotion.”

Follow your heart, follow your love and do that in loving action, your inner love leads in your asking the Soul of God to receive a little of the Love to strengthen one's resolve to heal.

“I love you Father.” “Let the Divine Love proclaim its energy into my soul.”

“Mother – Father, I desire your Love and I am loving you.”

“Soul God, I love you and I love receiving and experiencing your Divine Love.”

“True Soul God, I am here, I am aware of your Love. Please hear my aspiration for your Love and as I approach you from my soul, I can feel your Love in the way that you are loving my soul.”

Try it; give the Feeling Healing and Love a go! If you want to shine, receive the Love.

One can simply receive the Love without following any religious or spiritual teaching taught by man!

Emotional errors and injuries cause encrustment around the soul, the soul is never damaged however, the encrustments retard love energy flow to and from the soul. Feeling Healing melts such injuries.

Three Great Truths:

- **“God is Soul, being our Heavenly Mother and Father;**
- **that each individual soul is a duplex – both male and female;**
- **and Feeling Healing with Divine Love is the pathway to Paradise.**

Prayer for Divine Love: (extract)

“We pray that Thou will open up our souls to the inflowing of Thy love, and that then may come Thy Holy Spirit to bring into our souls this, Thy love in great abundance, until our souls shall be transformed into the very essence of Thyself; and that there may come to us faith--such faith as will cause us to realize that we are truly Thy children and one with Thee in very substance and not in image only.”

"Please, sir, I want some more."

Or maybe:

"Please, ***Mother and Father***, I want some more."

God's Divine Love: Pray for it, ask for it, and receive it.

FEELING HEALING and SOUL HEALING with the DIVINE LOVE:**James Moncrief Publications:****all publications are free downloads:**<http://divinelovesp.weebly.com/my-free-books-and-free-padgett-messages.html>

It is suggested for one to consider reading as follows:

Speaking with Mary Magdalene and Jesus – books 1 – 4

These four books encapsulate the second of the revelations with the first having been introduced by James Padgett one hundred years previously. These four books provide a wide range of guidance that has never previously been made available.

Paul – City of Light

As a gentle intro into the Divine Love and Healing; being James Moncrief's first novel and it's been criticised as being too heavily clichéd, but that's the point because it's a reflection of how he was back then.

Ann and Terry

For an example of people who might want to immediately start working on them selves and doing their Healing.

Feeling Bad? Bad feeling are GOOD

For more understanding about our denial of our feelings and why we should not deny our feelings, and it includes how it all came about for James, using himself as an example.

Feeling bad will make you feel BETTER – Eventually!

This includes specific examples of Marion and James working on expressing particular bad feelings, again with the hope that it will help others gain something of an idea as to what's involved in doing your Feeling Healing.

Sage – and the Healing Angels of Light

Through Sage who's 13 years old, the story is primarily about the two aspects of healing; that being, with the help of our angels, and the full Healing we can do by looking to our feelings for their truth.

**Religion of Feelings
Feeling Healing**

**Welcome to LOVE – the Religion of Feelings
you can heal yourself through your feelings**

So these books, including the four Speaking with Mary Magdalene and Jesus books, provide the essence of it all and are examples of James' work. Then it's up to whatever takes one's fancy. Other reading to consider may include:

The Padgett Messages being published as:**The True Gospel Revealed Anew by Jesus volumes 1 – 4****Book of Truths by Joseph Babinsky****The Urantia Book**

Release one's pain through expressing one's feelings.

in conjunction with

Longing for the Truth when also longing for Divine Love.

FEELING HEALING with DIVINE LOVE is SOUL HEALING:

A collection of 'papers' that draw together specific topics including all of the above and more from other sources of information and revelation designed to help increase one's awareness about why we have the problems we do and how to heal them, all whilst living a more healthy and sustainable life. They provide a brief snapshot of the more complicated topics and issues.

Firstly, consider discovering the truth of your emotional pain through Feeling Healing.

Secondly, consider longing for our Heavenly Parents' Love as you progress with your healing.

Primary and most important readings are the writings of James Moncrief.

Then consider the Padgett Messages, and then The Urantia Book.

On the WINGS of a BUTTERFLY: No 12, Traveller, an immortal journey, via Zara and Nicholas

Once upon a time there was a butterfly sitting with closed wings in a person's heart. This butterfly had been sitting with wings closed for a long time. The person couldn't figure out why they always felt a little sad. One day, this person asked another person why they feel sad. The response happened quickly and the person didn't like the response. It was said that perhaps your soul is sad. Several days passed and soon that person found themselves sitting by the sea. The sea has great longing to it. As the sun shone on a late spring day, the person thought about their soul and that perhaps, the person's remark was true, and that this person was a messenger of some sort. Suddenly a breeze swept through the beach and the person heard a distinct voice speak directly to him! The voice said, "Let your soul breathe in Divine Love." That was all the voice said.

The person didn't know what the Divine Love was or where it was, but now the sadness had greater longing so the person decided to breathe in the Divine Love and just like that – the closed wings of the butterfly opened and the person's sadness started to dissolve.

Happiness will be mine the person thought upon feeling the Love and this will take time for me to learn how to live such happiness.

Never again, in the heart of that person, did the butterfly close its wings.
