## DESTRUCTION of REBELLION

What is this all about? The tearing down of the misguided institutions and norms that all of humanity has lived by for the past 200,000 years! These systems are all presently collapsing around us. The insanity is appearing within every platform that we considered stable or should have been stable. We are changing from mind to feelings!

Governments at all levels in every country, state and dominion are appearing erratic and incomprehensibly selfish, self centred and without due regard or appreciation of constituents, their needs, let alone their expectations.

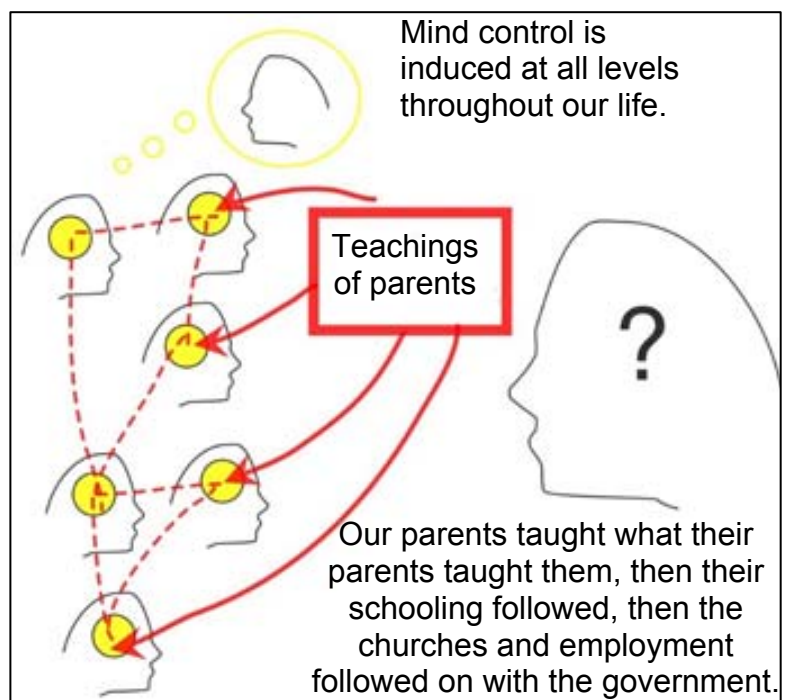

Legal systems that were respected and admired have long lost their image as being protectors of people's rights. Increasingly, the wealthy abuse the system as the cost of defence is a certain pathway to bankruptcy for the defendant – that is – if the legal system prevails for the appellant! There is no longer any 'justice'.

Our courts are used to fill jails with underprivileged and under educated people who have followed in the pathway set by their parents. Solution is always – build more jails!

Medical services continue to be overwhelmed even as they grow. The skills of surgeons continue to astound, the management of pain is amazing, nursing and supporting skills continue to evolve, however no one knows and addresses the cause of the discomfort, pain or illness!

Worldwide, employment is falling short in openings for those who want paid, meaningful work. When someone gets employment they find themselves enslaved to housing costs and saddled

Unfortunately, this is how the Brain works:

with education debts that are incomprehensible. Higher education typically does not have anything to do with the job skills needed or utilised!

We are not meant to be alone. Yes, we are socially interactive personalities. Yet we find ourselves ‘befriended’ to electronic devices that bombard us with urgent demands to buy things of no consequence to our quality of life.

We have been hammered since conception to believe that our minds are our saviours. Our mind cannot discern truth from falsehood. Our mind is addicted to control. We are enslaved to our minds which cannot show us truth. Our minds keep us enslaved to a system that was induced upon us 200,000 years ago.

**We have embraced war as being socially acceptable!** We are the only humanity in the entire universe to consider war as morally appropriate. We are highly skilled and capable at destruction and killing each other. Our young people are sent to slaughter each other and they succeed at it spectacularly well.

So, if all these systems are to be pulled down, what is going on?

Characteristic of institutions and systems is the pyramid of control. We invariably end up with one personality standing on top of all those who are ranked lower. One person dictates – and is corruptible!

Take an example from my years as an accountant (1980s). An inner city criminal lawyer asked how he could account for bribes through his trust account? This lawyer was highly successful for his clients. Half of the magistrates and judges in his district benefited from his persuasive inducements. A common feature is that authority was always vested in one person. This was in the city of Sydney – Australia.

The controllers of the world’s wealth work the same way. There is one person representing the small group of families who have hoarded the bulk of the world’s wealth. So how does this one person with the long term families maintain the hold over governments?

If you are extremely good at a particular profession it is most likely due to a life time of developing such expertise. You see this with farmers, the family being farming and developing their land for generations. **The banker families have been perfecting their craft for many generations!**

The world over has adopted a political system that does not allow for long term development of governmental skills. It is opposition and subdivision of numbers all the way through. First of all the population is pitted against each other, this half against the other half. Candidates are drawn from the very few who nominate, typically with totally inappropriate skill backgrounds. Then someone gets elected. Eventually they take up control of a portfolio that would take even the most astute person a generation or more to comprehend. When they start to grasp the corruption that is imposed upon them by the long term family controllers, they are switched to a new portfolio, if they are not chopped down at the next election or by some other means.

**By living true to ourselves, true to our feelings, we are living true to God. It’s that simple.**

Case in point. The European Bailout in 2012 of more than US\$6 trillion was provided through one man. This man was the banker for the long term controller families. The long term families number around 12, the medium term families number around 24, and the short term families number more than 120 and are known as the Bilderberg Group. Interestingly, the short term family group is unaware of the existence of the medium, and likewise, the medium term are unaware of the long term family group – each lot being kept in the dark of the other. <http://bilderbergmeetings.org/>

The person who arranged the funds for the European Bailout in 2012 was a Baron who had married into the Rothschild Family. The Baron had been a vicar in the 1960s, however his acquired banking skills were beyond excellent. The art that he developed left no way to trace activities. Each key player has five or so ‘legal’ passports – different names being used in different countries. No transaction or activity was vested in one person, transactions were always broken into many parts and assigned without one person having the full overview. Legal rulings in courts were broken up and dealt with in various courts and if that did not hide things well enough then the matters were sealed. Sensitive matters were given to parties to deal with who were about to die – dead men don’t talk!

Now this is how the money machine works at its best! The cash fund to underwrite the European Bailout in 2012 was ‘temporarily’ drawn from the investors referred to as Solid Investment (SI). Their US\$300 billion was leveraged up to 30 fold. This underwrote the issue of government bonds that could then be sold. This generated about 1% on the gross amount for each transaction. A transaction takes only minutes to execute and is not disclosed to any taxation authority. As of this writing, the Solid Investment cash pool has not been returned to the holders of the 35,000 accounts in SI.

Generally speaking, with such a cash fund, the trading in bonds generates 3% or more a week and that is compounded week after week. Presently, a man in the street is receiving around 3% on his funds per annum and paying taxation thereon. The hidden controllers are generating between 3% to 5% compounding weekly, without taxation imposts.

Control of humanity is within the hands of a very small group of families. Through their enslavement of governments through their money generating machine, humanity is controlled. The funds dictate the housing market. This money control has now encapsulated education, higher education students are now further enslaved to education debt which is then loaded on top of the housing entrapment – we all need safe, secure lodging and employment. But at what cost!

From a young age, many of us are told to revere ‘holy’ and ‘sacred’ books, places and objects. We are not aware enough to question these dictates. These are all mind games. These are all controlling mechanisms. These are all shams from the influences of the Rebellion and subsequently the Default.

There is nothing ‘holy’ about the Bible. Bible, as a word, simply means collection of books. As a document of truth, it is lacking. There are many books with higher levels of truth, yet millions have died over it, and similar ‘books’. Divine Love and Natural Love when in a perfected state can be said to be holy. Truth can be said to be sacred. Nothing else is either holy or sacred.

## Catholic Church accepts all but one Royal Commission recommendation

31 August 2018

‘Royal Commission into Institutional Responses to Child Sexual Abuse was a royal commission established by the Australian government that ran from 13 January 2013 to 15 December 2017. The final report from the almost five-year royal commission into child sexual abuse was officially handed to the Governor-General on 17 December 2017.

### On Catholic Teaching and Papal Infallibility

‘The document is tens of thousands of pages long, and contains a total of 409 recommendations which aim to make institutions safer for children. Of those 409 recommendations, **189 recommendations are new today.**

‘The Catholic Church (of Australia) has accepted 98% of the Royal Commission's findings into child abuse, almost nine months later, however, has decided not to lift the seal of confession. The Catholic Church says it's accepting all but one of the recommendations of the child sexual abuse by the Royal Commission. As the Church has previously made clear, it's rejecting the call for priests to break the seal of confession to report abuse.

‘While the Church says it's accepting the other recommendations, many of them require the approval of the Holy See and won't necessarily be acted on.’ !!!!!

So there you have it. The ‘Holy See’ is above government. The Church has covered up and protected its clergy who have committed the most heinous of crimes and still considers itself above reproach. When the Church may have been considered the leader in moral and ethical governance, we have the Australian Government’s royal commission instructing the Catholic Church worldwide! Unless the Vatican passes directives then its clergy will do nothing other than what they continue to do. The Clergy will not investigate and inform the Vatican because if it does not come from the Vatican then they will not step out of line. The Clergy do not want to lose their jobs!

This is just one of all historical institutions that are now in crumble mode.

**By living true to ourselves, true to our feelings, we are living true to God. It’s that simple.**

**WILL this WORLD ever KNOW?**

**When introduced to the teachings from the Master, the closing of the vault door is the loudest response to be heard.**

**As one becomes aware of the loving and freeing guidance that has been conveyed and published, commencing 31 May 1914 and with this major phase completing during 2014, one becomes acutely aware that the teachings are being ignored by the hierarchy of religious institutions of the world. The pattern of ignore, then deny, then defer prevails.**

So what is the authenticity of the confessional? What is the veracity of the confessional? In fact, what is the veracity of any and all of the Church's sacraments?

John was brought up in the Catholic Church, taught by Sister of Mercy nuns and the Christian Brothers.

Throughout the passages within the Padgett Messages 1914 – 1923 and supplementary writings leading up to James Moncrief writings that commenced in 2002, there are numerous clarifications as to the dogmas, creeds, rituals, rites and practices of the churches, particularly of the Catholic Church. References to these volumes, which amount to some 10,000 pages, are indexed at the end of this paper.

**CONFESSION**

**Apostle Peter on Forgiveness of Sin**

November 29th, 1918

Popes, priests, teachers or churches, in the pronouncing of forgiveness by these men constitutes a deception of and an injury to the persons who pray and ask for forgiveness, and for such deception these men will have to answer when they come to the spirit world and realise the truth of forgiveness and the great deception that they had practised upon those who were their followers and believers in these false doctrines. Not even Jesus could forgive sin. Certainly, mortals can forgive the sins that others inflict on them. This is necessary on the spiritual path. This is forgiveness of the effect of that sin. But it is only God who can Forgive, and therefore Erase, the sin itself.

**BAPTISM**

Jesus

June 7, 1915

I first became the Christ when I was anointed by my Father, and that occurred at the time of my baptism by John. I as Christ am different from myself as Jesus. Christ means that principle which the Father has conferred upon me, which made me at one with Him in the possession of this great love. Christ is that love itself made manifest in me as man. This Christ principle is universal and is everywhere, just as is the holy spirit, but I am limited in my place of occupancy just as you are.

**BAPTISM**Ann Rollins 3<sup>rd</sup> Celestial Heaven Spirit

September 9, 1915

Baptism is not essential to a man's salvation. It is merely symbolical of the truth of a reuniting with the love of the Father, and when you can receive that love in substance and reality, what is the need of resorting to a mere shadow? I tell you that no baptism or drinking wine and eating bread in remembrance of Jesus is necessary to salvation, and are not even advisable so far as the actual salvation of man is concerned; because many persons when they are baptized believe that is all that is necessary to salvation, and neglect the real development of the soul, and the desire to have the inflowing of the Divine Love, without which there is no salvation. Have faith and trust in the Master.

**BAPTISM**

Martin Luther of the Lutheran Church Celestial Spirit

June 29, 1916

Nothing is further from the truth than these doctrines regarding the baptism of infants, for they have no virtue to save one from his sins or to make him in at-onement with the Father. The mere fact that water is sprinkled on an infant's head and some blessing pronounced by the preacher does not in any way bring that infant into union with the Father. Baptism is of man's creation, and to God it means nothing more than an outward ceremony that affects the infant merely as regards its connection with the established earthly church. It is not possible for this baptism to have any effect upon the soul of the infant, and neither does it open up the soul faculties to the inflowing of the Divine Love.

God cares not for these ceremonies, for their tendency is to make men and women neglectful of the great truths that will bring them in harmony with God's laws of Love and redemption. And the same thing may be said of any and all kinds of baptism, whether the subject thereof be an infant or a grown man or woman.

As to the sacrament of the "Lord's Supper," it has no part in God's plan for the redemption of mankind, and it is merely a reminder of the association of Jesus with his disciples. It cannot affect the condition or development of the soul, and as now understood and practised, is of no importance. Jesus does not want to be remembered in the way of recalling the tragedy on the cross; and the blood spilt is not an element that enters into the plan of the salvation of men.

And besides, with this practice there is always more or less a worshipping of Jesus as God, which Jesus abhors. So you see, the remembrance of the last supper is a thing which is not acceptable to God or to Jesus. He does not want men to believe that they can be saved by any sacrifice of him or by any blood which he may have shed as a result of his crucifixion.

**EUCHARIST**

Martin Luther Celestial Spirit

January 31, 1917

But in short, Jesus was not of the substance of God in the sense that the Catholic Church, following the Nicene Creed, claimed. He took on a part of the divine substance as the Divine Love filled his soul –

and so can you or any other man do to the extent that you may receive this love. But to say, that Jesus was in his very being of the substance of the Father to that degree that made him equal to God, is erroneous, and should not be taught or believed in. He was born or created in the likeness of God in the way that has been explained to you and in no other. He was a man and not God, or any part of Him, and if he had not received into his soul the Divine Love, he would never have been of the substance of the Father.

But being of a very spiritual nature, and in fact so much so that he was without sin, this love commenced to come into his soul very early, as you may say, from his very birth, and at the time of his anointing he was so filled with it that you may say, he was of the substance of the Father in the quality that that substance possessed of the nature divine. He was no more divine though naturally, as I may say, than was any other mortal born of the flesh.

This sacrament, as it is called, is very abhorrent to the Master, and when it is celebrated, I must tell you, he is not present, not only not in flesh and blood, but also not in his spiritual presence. He dislikes any kind of worship which places him as its object in the position of God or as the son of God who paid a great debt by his sacrifice and death. [He wants God alone to be worshipped, and himself to be thought of only as the one who brought to light immortality and life by his teachings and the living demonstration of the truth of the existence of the Divine Love in himself.](#) He does not approve of the teachings of men that his death and his blood were the means of man being saved from their sins and becoming reconciled to God. He says that it was his living and teachings and demonstration of the love of God existing in his own soul that showed the only true way to salvation.

### **MARY, natural mother of Jesus**

13 December 2002

I want to speak to you James. I am Jesus' mother, Mary.

I have been waiting to write because I want to ask everyone who is interested in me, to [please stop worshipping me. I do not want to be worshipped, please!](#) I do not want any credit given to me. I do not deserve any. And just because I was Jesus' mother, the mother whom the Mother and Father chose, it's not any reason to worship me. If anything, I need to be sympathised with because I did not appreciate what an amazing gift They gave to me. I was blind, as all mothers are, to the truth, and as a consequence, I did my best to keep Jesus AWAY from the Mother and Father making him do what I wanted him to do.

As I progressed in my soul-healing, I became more ashamed of the errors that I lived and the many ones I tried to force on Jesus and my other children. Joseph and I did what we thought was best by trying to get Jesus to do what we thought being a spiritual and dutiful son involved. We tried to get him to say and do his prayers as we had been taught to do them, [and even at times tried to persuade him not to speak with what he called his Spiritual Father in Heaven.](#)

I as you also know through other messages I have delivered to Earth, was not a virgin, and I did not conceive Jesus in any other way than by normal natural means. There was no need for me to be any other way than how I was. [I can't be the blessed Holy Virgin Mother of Christ. That is not my role in Creation and it is a sin to make me.](#) So I say again, please do not hold me in any special favour. I was only a mother like all mothers. I am not special, nor do I want to be elevated to heights beyond this for it is untrue, and if you persist in believing I am anyone other than who I am – an ordinary woman – then you are deluding and lying to yourself.

**PRAYER**

[Apostle Luke](#)

January 4, 1916

**This is wholly an individual matter, and without the personal, earnest prayer of the supplicant and faith that comes with the love, a man cannot receive the new birth.** No ceremony of church, no laying on of hands or masses for the souls of the dead will be efficacious to make the man or spirit a new creature in God.

Padgett Messages – Anonymous:

April 6, 1915

The way to God's Love is not through the churches as such, but only through the true and earnest aspirations of the soul; that no mediator is necessary, but that God is waiting and willing to bestow this Love upon whomsoever may truly ask it.

No priest or bishop can relieve a soul from sin, or forgive the sinner; and no man can reach the Father's love or favour except through this direct, individual supplication to the Father. The priest may show the way if he knows how, but so few know, for the reason that they not only teach but believe, that all a man has to do is to conform to the church's demands, and that when he does so, God is ready to receive him into His kingdom.

The churches emphasise too much the necessity of conforming to their dogmas and creeds, and neglect to show men the true way to the kingdom. The only prayers that reach the Father's heart are those which carry the true aspirations of the supplicant to the throne of grace. Men may repeat the written prayers for a whole lifetime, and if the prayers do not express the aspirations and desires of the applicant, they have no more effect than would the repeating of the multiplication table. And if men will consider for a moment, they will see that this must be true. Only the soul of man can receive this great love of the Father, and when these written prayers are repeated without the longings of the soul entering into these repetitions, the soul is not open to the inflowing of this love, and hence man can receive no possible benefit. So I say, let men learn to know, that religion is a matter purely between God and each individual soul, and no church or priest or bishop can, because of any claimed warrant existing in it or them, save a man's soul from the sins of life, or make such soul one with the Father. All that such priest or bishop can do is to show the way, if he understands it, and when he does that, he has performed a greater service to mankind than he may realise.

Men will learn that there is only one way to God, and that through their earnest, personal prayers, with faith.

August 15, 1915

I, Jesus – as the son of man or of God – **do not save any man from his sins and make him one with the Father**, but the truths which I taught and which were taught me by the Father are the things that save.

**So what the hell is going on here with all these dead people now writing to us through James Padgett and James Moncrief?**

This is the prophesised Second Coming. This is the first of two major writings. Firstly it is Jesus with some 250 spirit personalities, Celestial Spirits including many of the Apostles and some Mansion World spirits, writing through James Padgett between 1914 to 1923. The second major set of writings is Mary Magdalene, Jesus' soulmate and co-regent of our local universe of Neadon, with Jesus writing through James Moncrief between 2002 and 2014. The Second Coming being of 100 years. Other authorised writings include The Urantia Book (TUB), then Dr Daniel Samuels, Hans Radax and a couple of others. When writers, other than James Padgett and James Moncrief, have referenced Jesus as the source of the writings, it is a Celestial Spirit conveying information with authority on behalf of Jesus. Mary Magdalene has only written through James Moncrief.

# END OF **REBELLION** & **DEFAULT**

## The Rebellion and Default:

‘Way back in humanity’s history, spirits (The Evil Ones) higher than us and part of Nebadon’s universal hierarchy, rebelled against Mary and Jesus and denied the existence of a loving Soul Mother and Father. They came to Earth, and other higher spirits who were already here and supposedly who’s job it was to help humanity evolve and grow to love God joined them, and together they set about controlling us and corrupting our minds. They in effect turned our ancestor’s minds and wills against themselves. They wanted humanity to serve them and not live loving free lives with God. Their influences were severe and we’ve lived many generations perfecting our negative mind controlled states of self-denial.

‘After the Rebellion and added to it, was what is called the Planetary Default of another two higher spirits who came to Earth to help us, Adam and Eve (or who they represent). These two spirits were corrupted by the other higher evil rebellious ones and unwittingly coerced into default. They didn’t out-rightly and willingly accept the Rebellion choosing to join the rebels, but they were unconsciously led astray bringing about their Default. So what this means is: we are similar to them. Eve and Adam represented the perfect mother and father to whom all parents could have aspired to be like. But now all parents follow them, living the Rebellion by default – unconsciously parenting their children into the Rebellion by default.

‘As adults we are ignorant of the negative influences we’re living; what we’re doing to ourselves, and how we are living in a whole society and culture of self-denial. Life is not good for us unless we are in a power position. We are all striving for power in some way, but this is an untrue way to live, because, as I’m sure as most of us can testify, power (what we think and believe it to be) doesn’t actually make us feel good. In the end you still wonder why you feel bad even when you have all the power you do.

‘So unconsciously we influence and subject our children to the same negative pressures and influences Adam and Eve were subjected to and with the same end result. Unwittingly we make our children deny themselves their full soul expression by default. We make them suppress many of their feelings when they are very young, and we make them join us in our negative states so they can continue repressing and denying themselves.

‘We do this because we want to gain power (because we feel so powerless). We parent, having power over our children, making them feel powerless. And so the whole negative mind state has been passed down generation after generation. And humanity through all the ages has wondered why it feels bad and why life doesn’t seem right, and has wondered endlessly how to fix it. But without Mary and Jesus’ higher help (higher in truth than the original misleading rebellious spirits) we can’t work it out and we never will. However, now with their help, we can.’

[Introduction Course to Divine Love Spirituality by James Moncrief](#)

For 200,000 years humanity has lived according to the dictates of the Rebellion. The Rebellion was compounded by the Default that took place more than 38,000 years ago.

[Thursday, 29 June 2017](#): Nanna Beth – 3<sup>rd</sup> Celestial Heaven: The Rebellion is against the Mother and Father, against Their Love, and Their Truth. It is the rejection of Them, saying: there is no God. It's denying the Personalities that God is. It's rejecting and denying personality interaction, which is all about love. So it's unloving. And to hide that, to pretend otherwise, means the mind has to be used to corrupt one's feelings. To claim: 'I am God, I am love, I am Truth', means I am the only one and all the rest should fuck off and leave me alone so I can get on with my greatness. It's being totally mind-consumed with yourself, with such arrogance, that really you only see yourself in your narcissism, and nothing else and no one else exists.

Now the Rebellion and Default are tumbling down.

Planning for the ending of the impositions of the Rebellion of the Default has been in progress for more than 2,000 years. It is a massive undertaking and it involves many worlds, both physically and spiritually. 37 physical worlds succumbed to the influences of the Lucifer soulmate pair, however only 1, Earth, went on and Defaulted, thus we are the cream of the crop.

[Jesus of Nazareth and Mary of Magdalene did not come here specifically for humanity on Earth. They came here to achieve their full regency of Nebadon and its 3,840,101 inhabited physical worlds. This event commenced what has now been formerly endorsed and that is the end of the Rebellion and Default on 31 January 2018.](#)

Jesus, upon becoming at-one with our Heavenly Mother and Father and signified by the celebratory act of the baptism by John at the commencing of his public ministry, was then able to have the soulmate pairs of Lucifer and his deputy, Satan, assigned to a spirit prison world where they continue to be. The availability of Divine Love for all worlds came about by Jesus and Mary's conception on Earth. Upon their deaths, both Mary and Jesus have released their Spirits of Truth for the benefit of all of Nebadon. It is through the guidance of their Spirits of Truth that ascending souls can find their way through and then out of Nebadon, on their way to Paradise, the home of our Heavenly Mother and Father.

Jesus and Mary, since their time on Earth, with the Melchizedeks, have been planning and structuring the end of the Rebellion and Default on Earth. A bestowal pair from Paradise, have come to Earth and are presently completing their healing of all that they have taken on of the Rebellion and Default. As they progressed with their Feeling Healing, as they achieved goals, they have brought about stages of the ending of the Rebellion and Default. It was in the early 1990s that the soulmate pairs of Caligastia and Daligastia were arrested and assigned to the spirit prison world.

Major milestones that have been achieved:

- |                  |   |
|------------------|---|
| Early 1990s:     | The arrest of the Caligastia and Daligastia soulmate pairs.   |
| 22 March 2017:   | Negative spirit influence was blocked.  |
| 31 March 2017:   | Angel assisted healing will become available upon the Avonal pair completing their own Feeling Healing, being with Divine Love, thus it being Soul Healing. |
| 22 May 2017:     | Law of Compensation quickening.   |
| 2 December 2017: | Psychic Barriers maintaining the Rebellion and Default were cracked.  |
| 8 December 2017: | Bring on the money to <b>'house the future of humanity'</b> .   |

31 January 2018: Earth and the seven associated Mansion Worlds (including the two Earth planes) are **officially** now fully under the control of Celestial spirits. This marks a tangible and real end to the Rebellion and Default.

The completion of the Avonal pair’s healing will herald the beginning of the new Spiritual Age of 1,000 years and the absolute end of the Rebellion and Default, however it will take all of this coming age for humanity to embrace this Great U-Turn.

**Why 1,000 years?**

The engagement with one’s mind as the centre of wisdom is universal throughout all of Earth’s humanity, both physical and in spirit. It will require all of the coming spiritual age of 1,000 years to shift from wayward mind control to living feelings first. To maintain this perseverance will require continuous focus – while the Rebellion and Default may be down, it is not out of our system – it cannot be allowed to resurface – it must be fully expelled for ever.

**Earth Changes and Weather Events:**

These events may peak over the coming decades, however will prevail throughout the coming spiritual age. During the late 1980s there was a surge of energy into our local solar system, sometimes referred to as the harmonic convergence. This has resulted in an increase in the rotation of Earth’s inner core. That has resulted in the surface of Earth increasing in temperature by a little over 1° Celsius. This is where the warming is coming from. NASA has observed similar shifts in temperature of our neighbouring planets as well as increased activity on the Sun.

This increased speed of rotation has elevated the tensions on the Earth’s surface thus increasing

earthquake and volcanic activity. This is all to draw attention to our need to live feelings first.

### **Dis-ease or disease:**

Humanity is applauding scientists for their progression in mitigating illnesses. The eradication of illnesses through vaccines is hailed as the wonders of science. Humanity is not to suppress pain. Humanity is to embrace the feelings and long for the truth behind the pain. Humanity is now about to discover that all the progress that science has achieved is for naught. This is not the way that will maintain our diligence in living feelings first and engaging in our feeling healing if the physical pain is put aside by a pill or a needle.

For those who engage in feeling healing and in particular with Divine Love, some may find that they will now be able to interact with their nature spirits. It is the Nature Spirits who look to our long term soul development and true self-expression. It is the nature spirits who re-introduce diseases through new strains that science have no way of counter-acting. The world is aware that new strains of tuberculosis are now prevalent. Anti-biotics are seen as now being short term solutions with limited to nil capacity to handle new strains of bacteria. Diseases that have been considered eliminated are returning with new strains. The annual variation in the flu virus is the outcome of the input of our nature spirits.

### **MAN is not meant to INTERFERE with the DRIVERS of PAIN.**

Verna – a nature spirit: Nature Spirits are the ones responsible for such disease resistant bacteria. You see, bacteria are open to easy manipulation from us, and so we're slowly bringing about the disease resistant strains along with the viruses and funguses that will be required by humanity in the times to come.

Humanity is NOT meant to heal itself of all disease by killing off the microbe, by doing things to stop it harming you. Humanity is to grow in truth beyond the need to have such microbes affect it, thereby not having to do anything at all to 'protect' itself from the so-called 'bugs'. The common cold only causes you such bother because you're already causing yourselves so much bother by refusing to feel the bad feelings you're denying. The bother's are the same, the cold coming to you so you can feel how you're really feeling – bothered, that being how your parents made you feel.

Humanity is to see that it's futile to keep trying to solve the problem by killing it, that it won't go away that way. It might be able to delude itself that it's done the job, but it's only short term and the bug will return, even stronger than it was. Had you left it as it was, and concentrated on growing in truth through the doing of your feeling-healing, then you'd have nothing to worry about from the bug. The bugs only cause you the suffering you require because it's what you need to help you feel bad as you refuse to allow yourself to feel as you do – bad. But instead of allowing it to make you feel bad, all so you can express such bad feelings uncovering the truth of them, you try to kill it and make it go away only exacerbating your self-denial and feeling-denial, only making things even worse for you in the long run.

When you have a disease, all the pain you feel from it IS ALREADY pain that's already within you, it's nothing new. You're not suddenly being attacked by this thing that's causing you all this pain. You're being helped by this thing to become aware of the pain you're already feeling, but are refusing to accept and acknowledge. And because you are denying yourself this pain, it all being felt in your early life and being kept buried within you, so it seems like suddenly your full of pain all because of your disease. And it's true that on a physical level the disease is causing you pain, but on the emotional, mental, spiritual and psychological levels, it's only helping you become

aware of what you're not allowing yourself to feel. So do you see, YOU ARE ALREADY THE PAIN, it's all already there in you, you're already feeling it, only you've told yourself you're not. So the bug comes along into your body, your soul allows it to 'infect' you instead of rejecting it, and it makes you feel bad, all the bad feelings that are lying dormant within you. Only they are not dormant, you've just blocked them out, that being how extraordinary the mind is.

Were humanity true to its feelings and not under the influence of the Rebellion, it would have evolved beyond the current diseases that afflict it. It would have encountered other higher diseases, but would be well on the way to not having to require their help either. There are higher diseases awaiting humanity in the future, as it moves beyond the current ones, but by then such disease will be known for what it is, to help stimulate certain feelings which when expressed and the truth found, bring about the healing of the illness. As for the current diseases, we, the Nature Spirits, will keep making them resistant to your medicines forever, it's all very easy for us. With Verna – the Nature Spirit by James Moncrief

### **Indigenous Cultures:**

On the 22 March 2017, negative spirit influence was blocked. This has affected all aspects of society. With regard to seemingly primitive cultures that have embraced traditions that have been imposed upon them by spirit personalities from the 1<sup>st</sup> and 2<sup>nd</sup> spirit Mansion Worlds, this ongoing interference is now blocked. Some cultural groups have adhered to ancient folklore and traditions that have held them in a primitive state through their beliefs and practise of ancient pagan beliefs and rituals. This way of life will no longer be prompted by these lowly developed natural love spirits, thus allowing our Celestial friends and more appropriate education to transition these people to living feelings first.

### **Blocking of Negative Spirit Influence – 22 March 2017:**

Self centred leaders of industry, legal systems, politicians, commerce, finance, education, health, etc., have benefited from those within the low spirit Mansion Worlds wanting to satisfy their egos and passions for control. For centuries, pre-eminent seemingly skilful leaders in their various fields have unknowingly relied on spirit guidance. On the 22 March 2017 this was blocked by the Celestial spirits and it is they who now guide these people. This guidance is in the opposite direction, being towards living feelings first and feeling healing.

This blockage is bringing about global 'chaos'. We are seeing what can only look like people making insane and stupid decisions. This is all to do with the crumbling of institutions and practices that have their foundations within the ambit of the Rebellion and Default – which is everything.

### **Law of Compensation quickening – 22 May 2017:**

Previously, law of compensation activated mostly when one became a spirit. Even then, a spirit through his or her mind could delay the imposts of the law of compensation. When in spirit one can continue on living the way they did on Earth and further their wrongness in their beliefs progressing through the natural love spirit Mansion Worlds 1, 2, 4 and then to 6.

For those on Earth who now commit the most heinous of crimes against others will find their law of compensation coming into play while they still live. They will not be able to defer the imposts. As we progress into this spirit age of 1,000 years, the law of compensation will progressively become applied further so that a time will come when it is instantly imposed thus bringing to immediate attention for one to live true to their feelings and avoid harming others.

**MISERY IMPOSED upon OTHERS = MISERY to be ENDURED:**

**The pain we cause another is the equivalent amount of pain that we will subsequently endure. When we control events and actions that are bringing about misery to others, even though we do not know who these may be, their misery will be**

**played out to us in the clarity of the most vivid detail and reality that is beyond our present comprehension.**

**Every iota of pain and misery that we cause to another, and that includes direct and indirect and consequential, this we will endure to the absolute last penny.**

In the files there are;

- 7 reports of sexual assault of children
- 59 reports of assault on children
- 30 reports of self-harm involving children
- 159 of threatened self-harm involving children

LynettaG

**Those who assist and aid in such endeavours of control and harm will equally be engaged in this Law of Compensation. There is no avoidance, no way of limiting what awaits for such unloving and self-centred actions by anyone. Not a single dot of compensation can be avoided.**

**The two Earth Planes of Disharmony are regions of isolation, desolation and compensation for those who embraced control of others.**

**By living true to ourselves, true to our feelings, we are living true to God. It's that simple.**

## Celestial Administration of Humanity – 31 January 2018:

Earth and the seven associated Mansion Worlds (including the two Earth planes) are **officially** now fully under the control of Celestial spirits. This marks a tangible and real end to the Rebellion and Default.

The Creator Daughter and Son of Nebadon, Mary and Jesus, with the Melchizedeks, have been schooling the Celestial Spirits within the three Celestial Heaven spheres to take over the management of humanity for the duration of this coming spiritual age of 1,000, all at the same time of setting up the planes and zones throughout the seven spirit Mansion Worlds as well as the structures within the Celestial Heavens while progress was taking place on Earth, particularly with the Avonal Pair.

It is the spirits of truth of the Avonal Pair that humanity is to look to so that they can engage with and undertake their Feeling Healing whilst living feelings first as against engaging directly with their minds that has caused the chaos and misery for all of humanity for these past 200,000 years.

### **The whole human race is suffering from repressed childhood and mind control.**

All historical systems and norms are founded upon the principals of the Rebellion and Default – how could it be any other way? They all have to be dismantled and restructured under the platform of living feelings first and engaging in feeling healing. Incremental advances will be achieved, generation by generation. It will take some time for children to be born to parents who have completed their feeling healing. Those completing their Feeling Healing, and their children, will be the first to experience True Love. Presently, no one on Earth has ever experienced True Love, so we do not know what it is. We have experienced various levels of natural love but nothing even remotely resembles True Love, that being in the domain of those who are within a Celestial soul condition, of being permanently at-one with our Heavenly Mother and Father and living true to their soul based feelings.

## HIERARCHY of our SPIRITUAL GUIDANCE:

Our Heavenly Mother and Father permanently reside within Paradise, an island stationary world surrounded by Havona, in the centre of seven Super Universes.

Our Heavenly Mother and Father, being one soul manifesting two personalities bring about the creation of:

Creator daughters and sons – Michaels

Magisterial daughters and sons – Avonals

Trinity Teacher daughter and sons – Daynals – and others.

The Michaels and Avonals have Spirits of Truth to be released to assist the humanities on their assigned inhabited worlds.

Each Super Universe consists of 100,000 Local Universes.

Each Local Universe is overseen by a Creator daughter and son, our local universe is called Nebadon and Jesus and Mary Magdalene are the Michael pair and regents.

A local universe consists of 10,000,000 inhabitable worlds of which 3,840,101 are inhabited within local universe Nebadon.

A local universe consists of 100 constellations which is made up of 100 systems. Each system has 1,000 inhabitable worlds. The system that Earth is in is Satania and 619 worlds are inhabited.

Emanating from within the Local Universes are Melchizedek, Vorondadek, Lanonandek, Material and Life-Carrier pairs. None have spirits of truth – they are not from Paradise.

From within the Lanonandeks, assigned to oversee the system Satania, which includes Earth (Urantia) were the Lucifer, Satan, Caligastia and Daligastia soulmate pairs, who rebelled. Further, Adam and Eve, the Material son and daughter, defaulted because of the Rebellion. All failed in their assignments, causing us (humanity on Earth) to be spiritually misled for 200,000 years – that is why we are all ‘insane’!

Earth has had five higher spirit physical bestowals:

Daligastia soulmate pair being Lanonandeks

Adam and Eve soulmate pair Material son and daughter

Machiventa Melchizedek soulmate pair

Creator daughter and son – Jesus and Mary Magdalene

Avonal daughter and son who are yet to commence their public ministry.

**Why did the Lanonandek Daughters and Sons rebel? Being the Lucifers, Satans, Caligastias and Daligastias soulmate pairs.**

James Moncrief Monday, 12 November 2018

Re The Urantia Book (TUB): there are various orders of Paradise Descending Daughters and Sons. (NB: TUB only refers to the masculine so doesn't include Daughters.) The Descending Daughters and Sons descend or step down from Paradise to reach out and 'down' to the Ascending mortals – men and women on the evolutionary worlds, who are reaching out and 'up' to Paradise and for such help from the descending spirit pairs. Ascending mortal pairs (soulmates) cannot by themselves ascend to Paradise, how to do that is not 'encoded' in their soul. So they need higher help and guidance from the descending pairs. So if people don't have this higher help they will never spiritually and physically progress very far. And if this higher help goes haywire, people are stuffed until other higher help comes to rescue them.

One such Descending Pair, the Creator Pair, comes out from Paradise to a section of space when it is ready for them – Mary M (Magdalene) and Jesus in our case; and in union with the Divine Minister, create, or 'bring into being' a Local Universe – Nebadon. Mary and Jesus then attend to the whole (local) universe, with Avonal Descending Paradise Pairs coming as required to the individual earth worlds to ensure and initiate the spiritual changing of the ages that is needed to advance the spiritual development of mortals in accordance with the Paradise Plan.

Part of the Creation of Nebadon includes the creation of Local Universal Descending Daughters and Sons that hold key positions on individual worlds and oversee larger areas or sections of the Nebadon. With the Lanonandeks being these key administrators, guides, overseers, who are the ones that ensure the ascending mortals of each world are given what they need in accordance with the unfolding phases of their evolution, as well as providing the necessary Mansion World structures and organisation of the Celestial spheres, the greater part of Nebadon, all so mortals of the evolutionary worlds can find their way up and in through the Local Universe so as to set out on their greater spiritual journey through the Super Universe and Central Universe to Paradise. The Lanonandeks make sure all the parts work as they are intended to do, with the Melchizedeks being more involved with the ongoing teaching and personal education of mortals about all things through the Local Universe.

The Lucifers, Satans, Caligastias and Daligastias are all Lanonandek pairs.

The Lucifers were the overseers of this sector – System – of Nebadon that includes Earth – Urantia. The Satans were to help the Lucifers, being the main liaison pair with the Caligastias (The Planetary Prince and Princess) who oversaw Earth directly from spirit, and the Daligastias being physically materialised on Earth so as to oversee and help evolve the local races of Earth on all levels, the practical physical and spiritual, this being how it was five hundred thousand years ago. And for three hundred thousand years, everything went well.

The whole of Creation thus far is one gigantic Ascending mortal scheme – The Ascension Scheme. So everything in it works to help slowly evolve humanity along the plans designed for them by the Descending Pairs and the Mother and Father, with the idea to evolve through ongoing self-expression the people from all the earths up through the Mansion Worlds and into the Celestial spheres and on through and out of Nebadon. So if anything goes wrong in any level of the universe then it causes problems for the mortals who are wanting to ascend.

The Lucifers were outstanding members of their Order. However according to TUB (if I remember correctly), they were passed over when they applied to oversee certain parts of Nebadon – and so why did that happen??? Then finally they got their chance. As to why they rebelled – it is said their egos,

their self-importance, grew, and they weren't able to control it. They were seduced by some inner need for greater power – but why did that happen? And is it just like everything else, there is variation in all things and so they went the way of rebelling against Mary and Jesus and the Mother and Father. And not being of a higher Paradise Order, they are more prone to being seduced by their inner biases, whereas supposedly Paradise Descending Daughters and Sons are too perfect, being of Paradise origin, and so wouldn't or even can't, rebel. And Avonal Pairs can willingly take on rebellion, but that's their choice and they are not technically rebelling or defaulting, they needing to do this so they can heal themselves of the Wrongness thereby liberating the world of rebellion, and in our cases, also default. Which means, providing people and spirits in the Mansion Worlds, their Spirits of Truth, so everyone in a rebellious state can look to them instead of the Evil Ones, the rebellious Lanonandeks, for the way out of rebellion and onto Paradise.

The Evil Ones took over their part of Neadon, Mary and Jesus allowed them to, allowing the Rebellion and subsequent Default on Earth to run its course. However it continues to cause masses of disruptions to the natural way of things, all of which we've been and continue to be subjected to.

So because humanity for two hundred thousand years has been increasingly subjected to the Rebellion and then also the Default of Eve and Adam (Material daughter and son), we are well and truly entrenched in the unconscious belief that the Evil Ones are the Gods, and that we're to look to them for the way to be happy and feel loved – that they are the Living Truth. And yet, as we can all see from our own lives when we start to address our bad feelings, this is wrong, false and misleading, only making us feel even more unhappy, unloved and powerless in our negative truth-denying state and being unable to do anything about it – because ascending mortals are not able to go against the higher Daughters and Sons. So without humanity knowing it, we have been praying to the Evil Ones as if they are God, even with people who pray to Jesus, praying to a mind-created fantasy Jesus and not the real one, as can be seen by the Evil Ones strategically denying humanity the truth of the Divine Love, with our need to long for it being excluded from the Bible and not found in any other rebellion-created religion.

Mary and Jesus being the highest Paradise Pair, by their coming to Earth, terminated the System Rebellion of the Lucifers and Satans. So that level of evil influence on all the rebellious physical worlds ended two thousand years ago. And then it's required for each world to be attended to by a bestowal Avonal Pair, who take on the evilness of that world and heal it within themselves, thereby ending the control in our case of the Caligastias and Daligastias, which has now apparently happened, with the Avonal Pair only to finish their Healing so as to signal the complete technical end of the Rebellion and Default.

So their – the Avonal pair – Healing involves dealing with the Rebellion and Default within themselves on all levels, so people and the mind Mansion World spirits can then choose to follow them and do their Healing. So by following the Avonal Pair you are going against the Evil Ones (currently it being their legacy within you and on the world), looking to end their negative, unloving and untrue influences within yourself. And once done, you become a Celestial, either on Earth or in the Celestial spheres, and free to align yourself with Mary and Jesus, which is done by partaking of the Divine Love, and free to live your ascension to Paradise – free to become at-one with your Mother and Father.

We're all living the demented levels of the demented minds of the four Lanonandek pairs that rebelled. And as we do our Healing, so we come to see how fucked they are, as we see how fucked we are; how they passed that fuckedness onto us through our parents, how we've become so tangled up in our Wrongness, not knowing what is true – we live untruth believing it's true, we feel false love believing it's true love. We're all around the wrong way, deeply mixed up, and needing to do our Spiritual Healing to get ourselves out of our sinful and evil ways, so as to come back into alignment with the

Truth. So all that we are has to go, and we're to uncover a whole New Way on all levels, personally and how to live, as we liberate ourselves from our dementedness.

With the Evil Lanonandeks no longer at large, having been detained on a prison world awaiting judgement as to what will happen to them, so the Melchizedeks stepped in taking over their positions. I don't know why other Lanonandeks weren't appointed, however I guess it's because of the damage done by the Rebellion, we who are here and part of it have to deal with it ourselves, so no outsiders other than Mary and Jesus and the Avonal Pair being from Paradise that can override that limitation.

And the Melchizedeks have enlisted the Celestial spirits help. So together, they now in effect play the roles of the Lanonandeks. And so as the Avonals progressively heal themselves, thereby liberating humanity from the dictates of the Rebellion and Default, so the Celestials are being given increasing power and authority to do what the Lanonandeks would have done. So the Rebellion on a positive note is providing the Celestial spirits with unique opportunities as part of their ascension, as we hear from Helen and Nanna Beth. And I would imagine, people who finish their Healing and become Celestials on Earth will also in some way be given extraordinary opportunities as well, all of which will involve some level of healing the world and doing what the Lanonandeks and Eve and Adam should have done. Even to the point of Celestials on Earth who have children, will in some way be like the new 'Eves and Adams' populating the world with perfect and true children, all who are completely free of the Rebellion and Default.

And what happens to the Evil Ones? I imagine they will have to undergo a long period of Compensation experiencing the pain they caused all the people and angels who were under their care. And after that, if they are not extinguished outright, possibly they might be rehabilitated to some degree; however as TUB suggests, without ever receiving the power they once had. However, as all works out for the best and ultimately is all-loving, it will be fascinating to see through our own lives how all the pain we've been made to suffer ends up helping us and being the best thing for us.

And one last thing to note, had there been no Rebellion or Default, then on Earth we'd still have now the Daligastias and Eve and Adam, still helping people grow and evolve on all levels. Still being the higher Daughters and Sons that we can look to knowing that we're not alone, that we are being looked after and loved and that a greater life of ascension awaits us. And we would by now know of the Caligastias and all the help they would be providing on the higher spiritual levels, as well as the help they would be giving mortal spirits in the Mansion Worlds. And we would know of the Satans and Lucifers and all the help they were providing on the System level. And we've understood that in a way these higher Daughters and Sons are like mini gods to us, yet not our Heavenly Mother and Father. And they would be pointing us toward Mary and Jesus helping us understand that they are the Creator Pair, and here we live in their universe of Neadon, and that all they are doing for and with us is to help us evolve and grow on all levels as we look to our feelings for our truth we are to live as we express the personalities from our souls on our way through Neadon and onto Paradise. It all being a perfectly unified and loving experience for us. We being able to see the higher Daughter and Son as in the Daligastias and the Material Pair, Eve and Adam, who would be for us the perfect humans that we could strive to be like. So we would want to be perfect in our humanness like Eve and Adam, and perfect in our spiritualness like the Daligastias. With both pairs showing us that we can be both perfect on the material and physical level, as we can be on the spiritual level. Which is completely the opposite of how we've been made to live, because all of that perfection has been denied us, with our being so screwed up about how we are to live both materially – physically and spiritually, we having no idea about either, and with them working fully in opposition to each other. And with our longing for and wanting the Truth, the truth of how we're to live physically and spiritually, all of which is to come (and ONLY come) through each of us individually and as a consequence of properly attending to and expressing ALL we feel.

The Central Soulgroup of the Council of Elders have established a 'Battle Room' on each of the Celestial Heaven spirit worlds and each of the Divine Love spirit worlds. From 'hot wired' connections on Earth, including the 'Engine Room' on Earth, events are recorded and broadcast live throughout these worlds. This enables spirits of all 6 spirit worlds to interact and engage in the changes that are now being implemented at an ever increasing rate.

Rebellion and Default officially ended 31 January 2018

22 March 2017: Negative influence from Natural Love Spirit Mansion Worlds 1, 2, 4, 6, was cut off to Earth.

22 May 2017: The quickening of the Law of Compensation commenced, thus the beginning of earthing the Spirit Worlds.

Maybe something like 30 billion people have recognised that our Mother and Father's Divine Love, together with embracing one's Feeling Healing, that with these two aspects, have progressed through the Mansion Worlds to the Celestial Heavens and onwards.

Mansion World 7: is then about still working with the deepest and residual bad feelings, whilst looking to sort out how you wrongly relate to yourself and others, nature and God because of being unloving, understanding how your relationships are unloving, how you don't connect properly, how unloving you really are and why and fully accepting the truth of it, coming completely to grips with your parents not loving you as you needed to be loved – sorting it all out, including your self and feeling expression difficulties.

Mansion World 5: is then about going right into the depths of them, feeling how unloved you feel and seeing how unloving you are and how that makes you feel, bringing out the majority of your pain, your misery, fear, anger, guilt, hatred, boredom, terror, rejection, nothingness, feeling powerless, alone and abandoned, and so on.

Mansion World 3: is for waking up to the truth that you're not loving and starting to get in touch with your pain, starting to accept your bad feelings, starting to work with them instead of rejecting them.

For a million years, humanity has gone in the wrong direction with its self-denial of self and feeling!

Celestial Heavens are the Spheres of Love. One has to be a fully integrated personality, as in expressing all the aspects of one's self equally and lovingly, before one can leave the 3<sup>rd</sup> Celestial sphere – Sphere of Love, after having embraced the Way of Feelings.

When in the Celestial Heavens we work on bringing to light all the attributes of one's personality. We are to be a fully integrated personality, as in expressing all the aspects of ourself equally and lovingly, before you can leave the third Celestial sphere.

While we progress through the Divine Love Crying Worlds, we are to live true to our untruth, by living the truth of it. We only need to be true and perfect to our untrue state, and when we've done that, we're Healed. Even though we're still imperfect so far as fully expressing our personality, all of which we then perfect at the Celestial level. So really to qualify for the Celestials, that is about one living completely true to one's wrongness, and partaking of the Divine Love to a certain level, and then once that's done and being a Celestial, one can carry on bringing to light all those parts that one was denied the expression of whilst living untruth to oneself.

We are to uncover the truth of our untruth through the Healing mansion crying worlds levels (and their equivalent on Earth); and then once that's done, and with the appropriate amount of Divine Love in our soul warranting fusion with our Indwelling Spirit, we can move into the Celestial spheres of love (or their equivalent on earth).

Earth has been subjected to the Rebellion and Default until now! As a soulmate pair progress with their Feeling Healing, the Rebellion and Default conditions are being cancelled.

We all arrive into the 1<sup>st</sup> Mind Natural Love Mansion world. Most continue their way of living without any awareness of the Feeling Healing process and the availability of Divine Love.

The 1<sup>st</sup> and 2<sup>nd</sup> Mind Mansion natural love Worlds are jammed to the rafters with spirit personalities. Those who progress to the 4<sup>th</sup> and 6<sup>th</sup> Mind Mansion Worlds are progressing further away from God, continuing with the Way of the Mind!

**The SECOND COMING:****31 May 1914 commenced and completed in 2014**

The James Padgett Messages as published in four volumes as ‘True Gospel Revealed Anew by Jesus’ heralded the commencement of guidance that has spanned 101 years – and continues.

The reading of the four volumes, due to the way the subject material is grouped, provided no clear indication that more guidance was to come. The publication of the Padgett Messages in chronological order clearly points out that the writings were far from completed. Meanwhile many readers embraced the Padgett Messages to the exclusion of all else.

Dr Daniel Samuels’ writings, some 40 years after Padgett, are a profound set of teachings. Samuels, being focused upon the old scriptures within his writings, also achieved extensive clarifications relating to the New Testament. Samuels’ works are generally ignored by Padgett enthusiasts. Publications of Samuels works are difficult to locate, even though the original writings are kept with Padgett’s original writings.

Hans Radax’ writings from Judas of Kerioth, a further 40 years on, complete the issues required to be addressed relating to the errors and missing teachings of the New Testament. The completion of the Padgett Messages is addressed in The Divine Universe through Nicholas Arnold. Several further works have been published with a growth in the platform of the prior writings.

What is evident throughout all of these works is that aspects of the teachings were and are aligned with the characteristics of the writers.

‘The Prayer for Divine Love’ given to Padgett on the 2 December 1916 is a primary prayer that one may consider should they have no other prayers for the asking for the Divine Love. The Prayer for Divine Love refers to our ‘False Teachers’. Our false teachers are our parents! For humanity to evolve in love, the breaking of the cycle of generation after generation to evolve in love, the cleansing of injuries and errors of belief are best to be addressed before children become parents.

‘Speaking with Mary Magdalene and Jesus’ guidance through James Moncrief completes the second coming revelations. Throughout these some 10,000 pages of teachings, over the 101 years, there are two key revelations. The most important is that we need to embrace our emotions and allow them to be released from our soul, our humanness errors and injuries. We are to embrace a process of Feeling Healing. The second is that we can long for, ask for and receive Divine Love. The Divine Love strengthens our resolve to clear away the damage caused to our soul by our parents during our forming years. The Divine Love does not clear us of our injuries and errors and evilness, this we must do for our selves. Thus, we have been given two revelations. Live our life through our feelings is the first and most important, and the second is that Divine Love is available to us should we so long for it.

Feeling Healing can be also Soul Healing with Divine Love. James Moncrief has outlined the process of Feeling Healing, Dr David Hawkins has demonstrated a not so helpful process being ‘Letting Go’, and Brandon Bays has given the world the ‘Journey Process’, and also ‘Journey for Kids’. Feeling Healing is soul orientated whereas all other modalities are mind orientated and do not go deep enough.

No one can embrace the guidance of the Second Coming without embracing all of these aspects of loving teaching and guidance given to all of humanity by our Celestial Friends led by Jesus and Mary.

**This time, in the history of humanity, is the most exciting time ever experienced.**

**MESSAGES FROM MARY and JESUS:**

Book 1 via James Moncrief

4 April 2003

**Jesus: The Churches do not uphold the Truths of Divine Love; they are only an outworking of men's negative controlling minds and do nothing positive to help one with their soul-healing. Certainly they might inspire some people to long to God for His Love, and this is good, but this is about all they do; and that little Divine Love received isn't going to do much if one doesn't allow their feelings to help them find the truth and so transform their soul.**

**The so called *Power of the Holy Spirit* is nonsense. The Holy Spirit has no such power. It can only and will only, bring the Divine Love to one's soul. It can't of itself affect any inner transformation within the spirit, body or soul. All such so-called healing miracles attributed to it, are performed by spirits in the natural love Mansion Worlds, manipulating the laws with their minds to bring about the desired results in flesh, and most often in the minds of such miracle wanting men and women.**

**When you embrace the truths Mary and I are revealing, and start to do your soul-healing, you are freeing up yourself from your parental and self control.**

Jesus: Why I have told you to long with all your heart for the Divine Love is to circumvent your controlling minds. I want you to understand that your mind plays no role in forging your relationship with the Mother and Father, that it is all done through and with your feelings. Your longing, if true and sincere, will be driven solely by your feelings, and NOT by your mind. And although your longing isn't itself a feeling, still something that you want to do, you have to FEEL you want to do it. And it should be your feelings motivating you to long, not your mind and what it believes. You can believe you should long for the Divine Love, but if you long because of this belief alone, it won't invoke the Love. You might believe you are receiving the Love, but it might only be the stirring of your natural energy circuits, even your own natural love. It's quite easy to wrongly believe you are receiving the Divine Love into your soul when you aren't. Many people start of longing with feeling, but if they don't want to go on and try and find the truth, then slowly their mind takes over their longing and they receive no further Divine Love. They reach a point of inertia or stagnation; they might believe all is well and convince themselves with their mind that they are still growing in truth and still receiving the Divine Love, but they aren't.

Many in the church and in other spiritual systems may believe they are being attended to by the Holy Spirit, or myself and my Spirit of Truth, but they are mistaken; they are only being attended to by corresponding like-minded spirits in the natural love Mansion Worlds who have taken it upon themselves to *help* them. It's very easy for these spirits to *inject* a ray of their higher light into your aura making you experience an intense feeling of being loved, loved by your own natural light. It is not a holy messenger, or God suddenly showering you with love, it is only these artful spirits artificially by using their mind, stirring up your *light bodies*, making you believe that it's someone else.

They will continue with their interference, wanting the recipient to believe it is the Holy Ghost or God; and it's very easy to put a slight suggestion in your mind as to it being one of these. And the recipient so eager and wanting to believe they are special, and are receiving a special and personal blessing from God or myself or the Holy Spirit, will readily grasp such an idea running with it, delighting in the whole euphoric experience. These spirits feel justified in what they are doing, believing they are doing it all for the good, and helping in the great *divine plan* to fight and vanquish evil. And those on Earth who want such help readily accept it, with such major experiences often becoming the linchpin of their faith. It's an extraordinary experience, something that defies the mind that they cling onto, and not the truth. Too many people want such an instant gratifying experience; too few want to do the hard long arduous work

of uncovering the truth of their soul through their healing.

Book 2 via James Moncrief

23 April 2003

**Mary: Long for the Divine Love and the Truth, and to try and accept, express, and seek the truth of your feelings.**

You can work out how best you long, what works for you, as you'll be able to feel and experience the Holy Spirit conveying the Divine Love to your soul, and so know you are longing correctly FOR YOU. And what suits you may not suit another; and the beauty is everything is so personal, so highly personal, as you will discover through your healing and ascent of truth.

The rules of life are contained within truth, and it is truth that one needs to live – to live the true and correct way. Books can help one understand how to uncover truth through one's own efforts, but should never be used to replace truth, or one's personal endeavours of seeking and finding it through one's experiences. If you decide that one book is *the* book then you will condition your experiences forcing your soul to comply with your minds desire, therefore limiting your soul's ability of educating you and revealing truth to you from any source. As you grow in truth you will of course out grow many things, books included, as they will hold no further experiences for you, and this too is what is meant to happen with you literally outgrowing whole worlds as you ascend to Paradise. ### **HARM CAUSES PAIN:**

#### **Speaking with Mary Magdalene and Jesus, book 1**

15 March 2013

**Mary: As you do your healing, the pain you will feel will be the same pain you have caused another, such as the pain you've caused in the one you aborted, and it will be the same pain you are already causing yourself, the pain you've been made to suffer because of your unloving parenting.**

You can ONLY do to another what was done to you. You can only cause the amount of pain that was done to you, the pain that you're still in but are keeping hidden from yourself; the pain which will come to light as you progress in your healing. It all comes from you.

**As an example, often the pain of the abortion is felt by the woman, her having to undergo the trauma of it, however there will be just as much pain to be experienced by the man, especially if he is unaware that he got the woman pregnant. He will be made aware of what his unloving act caused, he will meet face to face the result of his actions in spirit, and so as he comes to do his healing, he too will feel the pain he has caused the one who was aborted as well as the pain he caused the woman.**

And that pain will be the same pain he is causing himself by denying himself his true feelings; the same pain that was caused by his parents' denial of him. The amount of pain that was inflicted on you by your parents is the same amount you then inflict on yourself by maintaining your self – and feeling – denial, and will be the same amount you will inflict on others. However do not judge the amount of that pain by outward actions, and by this it is meant, it's not right to conclude that someone who kills another causing obvious pain to the victim is feeling that amount of pain and so will also suffer accordingly; and more pain than someone who lives their whole life being nice and friendly to others outwardly not causing any suffering of another.

One can't judge one's own pain, the amount of it, or how it has come about, as one can't judge another's pain. It is for each person to uncover that pain for themselves. And there will still be a lot of pain for those people who don't outwardly hurt others, because they are still living denying the truth of their soul – denying their true selves, and so causing themselves the same amount of pain as their parents made them feel. You may have not outwardly hurt another, yet inwardly you are 'killing' yourself all the time, and so this is the pain you are causing yourself, this being the pain you are experiencing through your healing. It being also the amount of pain your parents made you feel as they 'killed' you (the true you) by not allowing you to freely and fully express yourself. And it's also the amount of pain you are inflicting unconsciously on others in your interactions with people and nature, even though mostly they and you are unaware of it. It is your soul helping you feel the pain you are causing nature – and your own true nature.

What determines whether or not someone goes into one of the hell sectors after death is one's intent, that being, did they intend consciously and so wilfully to inflict such pain, harm, suffering and death upon their victim. And if they did, then they will suffer extra pain equivalent to the amount of pain they caused their victim. When it is said extra, meaning, on top of all the pain they are already suffering being in their negative state, that pain having to be worked through when they do their feeling – or soul-healing.

So once one has worked through their sin or wrongdoing by suffering the extra pain – the pain and suffering they caused their victim to feel, they can then come out of their hell-state, that being the pain they are subjecting themselves to, it all being their own doing as is understood, thereby free to carry on with their spirit Mansion World life like everyone else, awaiting the day when their soul begins their true healing, that being of the healing of their negative state.

Our healing is our becoming responsible for our evilness (errors).

Yes. And you do that through pain as you come to see the truth of your unloving-ness; and because you need to feel you have erred – what that feels like, and that it's wrong being as you are.

## **WHAT CAN YOU ACHIEVE BY DOING YOUR SOUL-HEALING?**

James: You can heal EVERYTHING that is not right within you. That is: every part of your mind, every belief, all behaviour that stems from your erroneous beliefs, all your negativity, all your bad feelings, all of your dysfunctional will. Any illness and disease: physical, mental, emotional, or spiritual can be healed, because all of these things are only happening to you as a manifestation of your unexpressed repressed early childhood feelings. The only thing that makes you sick, whether it be a common cold or cancer, and everything that makes you feel bad, all has its origin in your early childhood repressed feelings. Doctors and psychotherapists can search all day long for the causes of all that makes you feel bad, but unless they're looking into your childhood, they will always only be doing band aide work leaving you to wonder about what's really going on.

I believe you can heal everything through the doing of your soul-healing so that you never need to go to the doctor. I'm not saying you shouldn't go to the doctor because you've started to receive God's Love, you SHOULD ALWAYS DO WHAT YOU FEEL TO DO, but I am saying that I believe that if you do heal all your childhood repression then really there is no reason for you to get sick. Because by then you will be freely and truly expressing all you feel, and so, without ever denying any part of what you feel and who you are; without ever suppressing or repressing any part of yourself, you have no reason or need to get sick. I believe we only get sick to help show us there is something wrong – that we are not expressing ourselves – our soul – all our feelings, truly.

Through your soul-healing you'll be able to work out the truth of everything that is in your life: why it is; and the truth of everything that happens to you: why it does; and the truth of everything about yourself: why you think, feel, and behave how you do – everything. And by the end of it you'll have a greater appreciation about what and who you are: you, your personality – you, your soul. And you will marvel constantly at yourself: at what the Mother and Father have created – YOU.

Your healing is the first major step along your spiritual path to Paradise. You've had all these years playing around in your mind, seeing what life is like living in a negative mind state, and now you can start to give over to your soul. Once your healing is finished you are free to keep ascending in truth up through the higher or inner heavens all the way to Paradise, and then once there, it is said (as you can read in *The Urantia Book*) you will be able to *meet* Them.

The doing of your soul-healing will arrive you at the first and most bottom rung of your universal ascent. It will get you out of the sandpit (or perhaps bog?) of self-denial we call life on Earth, and then you'll begin to understand what living true to yourself and true to God is really all about.

Living in the negative is living in a no-love state. You might feel love in your life but this is only relative within your negative mind condition. What real love is and how it makes you feel awaits you when you've finished your soul-healing. Love, and the happiness that comes with it, is the feeling-aim of doing your healing. It is something, a state of mind and a way of life, yet to be seen on Earth as expressed by the mortal soul. Jesus and Mary did live it, however they didn't first have to do their soul-healing.

Your healing will help you see the truth of all your relationships. Again this might not be what some people want to see. Many people don't want anything to happen to their relationships, particularly with their parents, believing they did or do have a very loving relationship with them. And it's not for me to say they didn't. What I do want to say is that based on my own experiences, I'd advise anyone to do their healing first and then see what the truth of their relationship with their parents is. If you felt one bad thing during your childhood, and couldn't freely express all you felt about it, then this bad thing will

need to be healed and its associated repressed bad feelings expressed. And until you do it, it will be affecting your relationships of love with yourself, other people, with nature, and with God.

Introduction Course to Divine Love Spirituality by James Moncrief

## **WE ARE TO BE OUR TRUE SELF – OUR SOUL BASED FEELINGS!**

We are to use our feelings to uncover the truth of ourselves. Just how important are each of our feelings? Well really, they are ALL as important; as in, nothing else in life even matters other than what we are feeling.

We are all so conditioned and used to living with our mind in control of ourselves, that many of our feelings, and mostly so many of our bad feelings, we dismiss or shut out and refuse to deal with. We should go the other way in life, so instead of denying so many of our feelings, trying to acknowledge them all, to bring them all out, every last bad one, even if it means stopping everything else and attending to them; and by attending to them is to make sure we express them, speak about them, the whole idea being not to keep suppressing them, to make sure they come up and out of us as we feel them.

Along with this: we are to long for the truth of our feelings; as in, the truth they are wanting us to see about ourselves, because apparently hidden or behind or within each feeling, is something it's trying to tell us about ourselves. And that is how God wants us to live – it is to live a true spiritual life.

We are not meant to be alone, we are to have someone with whom we can share our whole self with, telling them all we think and feel. If you do not have a companion, talk it out loud to your Heavenly Parents.

If you feel a bad feeling, you don't let it pass, you stop with it, focus on it fully accepting it; and with the emotions of it, express it the best you can; and then at the same time, long for the truth of it – want to see what it's all about – why you're feeling it.

There are hidden deeper underlying causes in us that will come to light as to why we're really feeling bad. So we might, for example, be angry with something that's happening in our life now, but as we express that anger, longing for the truth of it, it will lead us back into our earlier life connecting with the same anger we felt about other things; and then back even deeper into connecting, or it should be reconnecting, with anger we felt with our parents when our parents treated us badly.

That means there will be a lot for us to deal with if the bad feelings we're feeling now are also going to lead us back into buried bad feelings from our past.

The VOYAGE for KIDS with LIVING FEELINGS FIRST:

**Being Unloved and Rejected!**

**FEELING HEALING For Kids**

We, as parents, endeavour to impose upon our children the personality we desire, in the same manner as our parents did to us, thus perpetuating century old cycles. We substitute the personality that our Heavenly Mother and Father have vested our children with, thus suppressing our children's free will. Through Voyage for Kids with Feeling Healing we are able to bring about Living Feelings First. One can begin to live true to themselves and express their true personality. We are to long for the truth behind our feelings, both good and bad, and express our feelings to a friend, thus steadily shedding our childhood repression and suppression. In this way we will end the cycle of humanity retardation and become free to be whom we truly are.

## WE ARE TO LIBERATE OUR SUPPRESSED PERSONALITY:

We NEVER lose our personality, it is ours, and it's our precious gift from our Mother and Father. We are always who They have made us. Personality is sacrosanct. It's the most valuable thing in Creation, it's what all Creation rides on, it's what all Creation exists for: the expression of personality.

All our Healing does is liberate our true personality, so it doesn't actually change us or make us be a different person, it just liberates all the parts of us that were stopped from freely expressing themselves.

All that is wrong or bad or imperfect within you, will turn into being perfect, right and good. You get rid of all the bad stuff by liberating all the hidden good, and as that comes to light, so the bad fades and then leaves altogether because you no longer need to be that false untrue you, the one your parents have made you be. But YOU, the basic intrinsic you, never changes, and all you don't love about yourself will go as you gradually love yourself more, all as you keep bringing out your repressed feelings.

Helen, 3<sup>rd</sup> sphere Celestial, talking to James Moncrief 5 April 2017

When you start to do your soul-healing you are moving away from the control of your negative mind.

We all have a great responsibility to Creation and to our Heavenly Parents: to strive to be true and adhere to the perfection of our soul, so that by our own existence, as shown in our lives, we are helping to build Creation in the right way. A positive mind is of perfection and will add positively to Creation; a negative mind only seeks to add imperfection and destroy Creation. Creation being created by perfect love will only tolerate imperfection for so long. Although you are living a valuable experience in your evil and negative mind states, Creation and your soul will only tolerate such self-denial for so long. One day, if not sooner rather than later, you will feel the pressure on you to change, to find out why you are not happy and not all loving – to find out the truth of your no-love, denial state.

When you start to do your soul-healing you are moving away from the control of your negative mind.

Love can only go where truth exists.

## **The REBELLION ENDS BY US DOING OUR HEALING FEELING:**

Notes from Sage – and the Healing Angels of Light by James Moncrief

We're rebelling against Jesus and Mary, and God and ourselves, so how else can we be. We can't stop rebelling against ourselves until we heal ourselves of our own personal rebellion against the truth of ourselves, and that's what each of us faces: to heal ourselves of our wrongness. And we can either start it now or do it when we get to spirit; but one way or another, we have to do it if we ever want to move up higher in the spirit worlds getting ever closer to being with God.

So it's a journey to God, you're talking about?

Yes, and a process to do is your Healing. God wants us to experience what it is like denying Them – going away from God by denying the Truth and Love. And once we've experienced all we've needed to in our unloving state, then God wants us to heal ourselves of being wrong, untrue and unloving, so we can experience what it's like being the other way: being truly loving, true, and going toward God.

So God's the real culprit in all of this?

Yes, They have to be, because it's all what God wants.

All the higher spirits agree it's all for our good; and that's just how it is, and there is nothing we can do about it – other than try and uncover the truth of all we're feeling. And when we understand, we can start to do something about our unlovingness, by looking to heal ourselves through our feeling acceptance. Our feelings are the key, and not our mind. She says the problem has been, which is all part of the Rebellion, that we think the way out of our pain and suffering is by using our mind. Yet when we do that, we're only making things worse for ourselves, because we keep adding more erroneous beliefs. People who believe they can use their mind to make themselves feel happy and be loving, are going the wrong way, because they will only make themselves be more unloving and unhappy. Our minds have been used right from the beginning of their formation to go against so many of our feelings, so we are able to convince ourselves, and then pretend, that we are all right, and are even loving, when really we are not.

You have a pain and you push it aside telling yourself that it doesn't matter, as you're busy needing to get things done. So you can't just stop and feel how bad you feel every moment, because if you do, you're afraid you'll fall in a heap and never get going again

And that's all what's wrong with us, because that pain, any pain, physical, emotional, mental, even apparently spiritual – any pain, is the warning sign that something is not right and you need to stop and pay attention to it.

We have to stop doing all that, work differently, without needing to get the job done being the most important thing for us; and instead, focusing on ourselves making our own feelings be the most important thing...

You don't have to do anything other than what you're doing, only you can also long to God for Their Divine Love, and start paying more attention to your feelings, longing for the truth of them.

# Crossover

This time, in the history of humanity, is the most exciting time ever experienced.

# the Handover

This is the time that man is now able to evolve in its spiritual development. Man has endured 200,000 years of Rebellion and compounded this with the Default of some 38,000 years, now it has been provided with the guidance to put aside the negativities of the Rebellion and Default.

With the guidance that was provided through James Padgett (1914 through to 1923), man became again aware of the availability of Divine Love from our Heavenly Parents. This also heralded the handover. That is, the commencement of the end times of the involvement by Mary and Jesus in the spiritual affairs of humanity on Earth.

Soul groups that have been in place during Mary and Jesus' 2,000 year involvement with Earth have progressively handed over to soul groups that have been forming since 100 years ago. The older soul groups have mostly progressed on further towards Paradise.

The second revelation, that followed from the availability of Divine Love, is the processes of Feeling Healing and Soul Healing. The understanding of the Feeling Healing process is the most important of the revelations and should have been the first to be revealed. Feeling Healing and Soul Healing are being revealed through and by Marion and James Moncrief.

The soulmate pair, that are the first to complete their Soul Healing, and upon their deaths, they will release their Spirits of Truth which will unify with the Spirits of Truths of Mary and Jesus so that humanity, in whole, will have access to these knowings and guidance for the next 1,000 years.

Mary and Jesus, being responsible for the spiritual wellbeing and upliftment of the whole of Nebadon, are to withdraw from their direct involvement with Earth and hand over the responsibilities to an Avonal Pair who take individual responsibility for the spiritual wellbeing and upliftment of individual planets and their associated Mansion Worlds, in this case, Earth exclusively.

## COUNCIL *of* ELDERS

For the next 1,000 years, via the Avonal Pair and the newly forming Soul Groups, Earth will be able to evolve through embracing Feeling Healing, and with Divine Love, one's Soul Healing. These newly formed Soul Groups are effectively 'Council of Elders' to assist humans living in the physical on Earth to enable all to be aware of the way to evolve.

With the absolute end of the Rebellion, this is the first time in 200,000 years that mankind, humanity, can take control of his and her destiny and evolve in love and truth for all eternity!

Throughout this coming era, our spiritual leaders will be an Avonal Pair, yet to be identified.

AVONAL PAIR to be RESPONSIBLE for SPIRITUAL WELLBEING of EARTH:

Heavenly Parents

The Paradise Pairs, children of God, are all only concerned with the spiritual wellbeing and upliftment of the planets and local universe. Creator Son and Daughter, Mary and Jesus, are focused upon the spiritual wellbeing and upliftment of the whole of Nebadon which involves Earth, one of 3.8 million planets.

**AVONAL PAIR**

The Spirits of Truth of the Avonal Pair are to join with the Spirits of Truth of Mary and Jesus.

**Soulmates**

**COUNCIL OF ELDERS**

The Council of Elders, 12 Celestial soulmate pairs, being a Soul Group, guide to Founder of the Global Humanitarian Fund that is to disseminate Feeling Healing and Soul Healing guidance.

**Soulmate PAIR** while living in the physical of Earth, are to complete their Feeling Healing whilst embracing Divine Love, thus completing their Soul Healing. Being the first humans to do so, they will subsequently, upon their physical deaths, release their Spirits of Truth so that the whole of humanity, for the next 1,000 years, can embrace and progress in their soul development through Feeling Healing.

**GLOBAL HUMANITARIAN FUND**

Through the Global Humanitarian Fund, humanity is to be introduced to the processes of Feeling Healing and Soul Healing. Further, they will also become aware that our Spiritual Teachers of Truth for the next 1,000 years will be the Avonal Pair who will be handed this task from Jesus and Mary, and much, much more.

# ENOUGH IS ENOUGH

Andon and Fonta, our first parents to long for our Heavenly Parents, lived nearly 1,000,000 years ago. Naïve humanity was seduced by high spirits, the Lucifer pair, to believe they could be gods through their minds, thus men subjected women to subordination 200,000 years ago. Also added to this was the default of the Adamic pair more than 38,000 years ago when they failed in their mission.

## REBELLION & DEFAULT **200,000** YEARS

When Jesus with Mary achieved their full Regency of Nebadon, in 26 CE, they immediately had the Lucifer and Satan soulmate pairs assigned to a spirit world prison. Since then, the Creator Pair have been preparing for the ending of the Rebellion and Default for humanity of Earth. The Avonal Pair now on Earth, once commencing their Healing, brought about the imprisonment of the Caligastia and Daligastia pairs in the early 1990s. As the Avonal Pair advanced with their Healing they brought about the formal end of the Rebellion and Default, on 31 January 2018. It is now for all of humanity to embrace the Spirits of Truth of the Avonal Pair and undertake their healing of the imposts of the Rebellion and Default.

## Avonal **AGE 1,000** YEARS

Spirits of Truth of the Avonal Pair will guide us through our Feeling Healing and into the Celestial Heavens with Divine Love, then the Spirits of Truth of the Creator Pair will lead us through the Celestial Heavens and out through Nebadon towards our Heavenly Mother and Father in Paradise.

Each generation of 25 years or so will see marginal embracement of Feeling Healing, however in 1,000 years it will achieve universality.

A few will complete their healing during their lifetime, but for many it will be incremental.

Universality of Feeling Healing with Divine Love will see the mitigation of discomfort, pain and illness as well as the imposts of global warming and Earth changes. These events are to ensure that each of us embrace our feelings, both good and bad, down to the very core, so that we fully come to know who we truly are. Sciences will endeavour to remove pain only to see disease manifest in different forms. Earth disturbances are a result of the Harmonic Convergence of the late 1980s, increasing the rotation of the Earth's central core. This will only abate when humanity has universally embraced Feeling Healing. These influences are only imposed upon us so that we do not step back into the Rebellion and Default through complacency. Live Feelings First so that we become the true personalities we are, that being daughters and sons of our Heavenly Mother and Father.

**During the day, James recorded:**

Sunday 11 June 2017

Nanna Beth – 3<sup>rd</sup> Celestial Heaven: What is happening through what we are calling this preparatory stage, which is the Healing of Marion and James, for they need it to keep the pressure on themselves so as to work through all their problems, is to bring humanity to the point of despair, as in, no one knowing what is happening, where it's going, who's in control, it seeming to all be a complete mess. Which is right, because none of how it's been over the last fifty years is having any affect anymore. Things are not going as they have gone, and this will continue to muddle those who believe they had it all worked out. Too many differing forces are converging all with the effect of causing disruption to 'business as usual'. And your payouts will be the last desperate stage of trying to hold the financial situation together, which is a lost cause as it is. And it's all going to play out over the next couple of years, all of which will bring Marion and James, which really means, **the vibration of the light of the truth they will be living**, to the threshold of engagement with humanity, which is what will usher in the next age, the Spiritual Age.

So you can liken humanity as being caught up against a wall, it can't go on, the line has been drawn that it can't cross, and yet all it is geared to do is go on in the wrongness it's been evolving all these years. So it's like a train hitting the dead end, with all that momentum starting to impact upon itself, all of which is going to tear everything to pieces. And the controllers will be all over the place in it, just as will many people and nations, with everyone trying to hang on best they can.

So it will be like a whirlwind of change being unleashed on the world, with no one knowing in what direction the outcomes will take, it's like a mass extinction event, yet all of humanity's own doing, and all mostly being worked out on the higher levels of power. The ordinary people will of course suffer being blown around in the wind, but really no more than they already are and have always been, but the powers that be will not be able to keep things together as their controlling systems fall away. And Horst, unbeknownst to himself, will be opening the door for Crystal to walk right in through.

And as we've told you, Crystal will be able to penetrate right to the heart of the beast, which she will understand when the door has been opened for her. And in she will sweep all guns blazing, and then you'll start to see some fireworks! But that is all still some way off, and the settling of the payouts needs to happen first. And through the payout settlement and all that happens along with it, Crystal will meet the people necessary to help her in through the door and show her what she will need to see. She won't be doing it all alone, she will have very good help, and those people who will want to work with her appreciating all she has to offer; and so you, John, too will have your way into what's going to happen on the world level, that which will allow you to position yourself and your monies.

So do you see what I'm getting at, it's like currently you're getting only the slightest whiff of smoke from the oncoming bushfire which we are fanning from behind the scenes. And like such a fire, it will destroy a lot but not all. **So don't try and work out too much, don't over tax your mind, just keep doing what you want to do, and all the rest will take care of itself.**

And it will please you to know, that it is all MUCH BIGGER than you have any idea about. Humanity is being put in a vice, the light of love pressing in on its darkness, and it's going to start wriggling trying to free itself, trying to keep up its old ways, but they are doomed to fail.

And yes, we have thoroughly enjoyed being pushed to the maximum of our capacities over here (in the Celestial Heavens), giving us also a taste of what is to come, for we too have been complacent in our ways of doing things, because things have been all working smoothly up until now, now that real change is happening, as we've told you on the spiritual level.

Now I want to give over because Kevin (brother-in-law in 7<sup>th</sup> spirit Mansion World) wants to have a few words, so I will leave it for now, and speak to you soon John, all my love to you and your family, and we'll all settle back to await developments.

Kevin: G'day mate, I've wanted to come back and catch up. I'm nearing the end of my Healing. I'm feeling so much better within myself, so much more loving, so glad to be over the worst of it, understanding all I've suffered and all I've made others suffer.

Nanna Beth (John's grandmother) has invited me to join her crew when my time does finally arrive, not her soulgroup, as that's already completely formed, but one that is forming under her oversight, so one that is able to work along side hers with you. WITH YOU OLD SON, so fancy that, it won't be too long before I'm winging it along with you again, just like the old days, only this time around, I at least, knowing what I'm doing in it all.

I also want to tell you that I am with my soulmate, she too is with me equal in her Healing, we linked up in this seventh world soon after we both arrived, and she is a lovely woman. So we are going into the Celestials arm in arm, to be part of it all with you and Nanna Beth.

Anyway, I just wanted to touch base, to keep you in the picture that I am in it and won't be leaving it, even getting further in. And I intend to talk more about it all when I get closer to my time of entering the Celestials spheres, which I hope shouldn't be long now.

I've got to go, James has to speak with Marion, so I'm with you in love, and close, and looking forward to getting even closer. Kev (then in the 7<sup>th</sup> Spirit Mansion World).

Me, James: And later still: Beth, or anyone else, I'm still a bit unclear about how all these 'sweeping changes' are going to bring so much change are not going to take the money away from John and Crystal no sooner than they've got it – can someone please help me understand this?

Helen: I will answer it for you James. Beth is busy elsewhere. The changes that we are referring to are substantial shifts in power, more than anything else. It's not that all the systems that are in place will suddenly come to an end, although some will, but that those using them, and using them for their own advantage, as they currently are, will change their ways, perish, or be overtaken and forced to give up control and change.

Small powerful groups have always controlled humanity, all organised by their corresponding large groups in the mind Mansion Worlds, all overseen and controlled by the Daligastias and Caligastias, who are no longer present, as are those controlling mind spirit groups no longer able to influence their people on Earth.

So the sweeping changes, which have started, are those in power feeling increasingly unsure of themselves, and those vying with them for power, making more inroads into their control, yet also themselves feeling increasingly unsure of whether or not they are doing the right thing. Doubt is beginning to creep in, and we are playing on this. And so the pressures of having no spirit backup will start to be increasingly apparent, which is going to cause havoc within the power systems, within the power controlling families and groups and the systems they oversee.

So concerning John and Crystal's money, it will remain in place to be used accordingly, because Crystal will see to it that certain controls will be put in place for it to weather the storms. As I said, not everything will break down, for that would be too destructive and humanity is not ready for that, only for those currently controlling it to break down.

And reading your mind James, you ask, but surely others will step in wanting to take over such control filling in such power vacuums, which is true, however there will be too many of them, all vying for the same power, and none with the needed back up and support from the mind spirits. You have no idea how much influence the mind spirits generated on the world. Humanity is largely in its rotten unloving state because of them. So now to be denied that influence, the tower of cards is set to come crumbling down.

So there will be still be many groups vying for power, but it will be more fair in that it will be more evenly distributed, which will then provide the likes of what John and Crystal will do, to gain traction, to have a place, and not be threatened by those of the 'old school' who ran the whole show. Nothing alternative has been allowed to exist under their control, everything has been orchestrated by them, with powerful business people and politicians either fitting in with their plans or being disposed of or forced to take early retirement.

So these power conglomerates need to be brought to their knees so others can come up in their place. And some of the others will be just as bad, but nothing like how it has been, because there will be many more who'll be good and able to counter them. Which effectively will mean, the people will actually be able to have more of a say in the way of things. The 'sheeple' (as you're read others referring to the masses) will be allowed, encouraged, and even forced to awaken, and they will see that their voice can be effective and even listened to. And these will be all the sweeping positive changes within the negative.

So many of the existing structures will remain, because they are required and do serve a good purpose, when used the right way, and those abusing such systems will be purged.

And our dear beloved Crystal is going to be part of that purging process, which she will relish, able to unleash her true feelings about it all.

Anyway, I can't over step the mark, not just yet, and so hope what I have said goes a little way to answering your question James.

Me: Thank you Helen, yes, I feel better about it now.

Helen: There is nothing for any of you to worry about, it's all going down as required by our Mother and Father, all to help change the consciousness of humanity, which will set it on its new course into becoming true, onto the long and hard road home.

And John, add those words "Change the Consciousness of Humanity" to your growing list of what's to come, and ponder it during your quiet reflective moments; for that's about what it adds up to that you are wanting to do – is it not dear man?

I too will speak to you soon. Bye for now – Helen (3<sup>rd</sup> Celestial Heaven).

James speaks with Helen:

5 April 2017

Helen, 3<sup>rd</sup> Celestial Heaven: On the global level, things are starting to Quicken. Part our doing, part humanity's natural blundering along, part those in control starting to lose it. The pressure is upon them, and will only increase over the months, years.

And the Germans are getting their act together. They are beginning to see, or rather I should say, accept, that the EU is a lost cause, that it's going to fail, and take them with it if they don't pull their fingers out. They do have contingency plans, however as things change so fast with all the different factions involved, unless they keep abreast of everything, as in continually adjusting those contingencies, they'll be swallowed up in the aftermath of a system gone badly wrong.

And that's all good because it's putting pressure on them to get SI sorted, as they understand that with it hanging over their heads it will only make matters worse. They want to tap the funds themselves to let some of the pressure off, and to do that they have to get the ball rolling.

And as far as the rest of the world is concerned, the Russians have increased their vigilance against everyone who they suspect might be trying to undermine them. The recent explosion on their subway system has put the wind up them, it caught them by surprise, it 'wasn't meant to happen' because they were meant to be on top of such things. So they are knuckling down and redoubling their security systems, which is good, because it's forcing them into readiness for what's coming their way.

And your Australian government (just in case you're interested, which I know you're not, but I want to tell you anyway) is continuing to be very complacent about all the looming disasters, they don't take anything seriously enough, so they are going to suffer the wrath of the people when things start to meltdown. It won't affect you personally James, but it will affect a lot of people who are heavily in debt, first home owners who didn't think interest rates would rise and so on. And they are not alone in their complacency.

JM: Won't the Central banks just print more money as they've been doing?

Not this time around James. They won't be able to – it will all happen too fast and be too big and it will be beyond their control. And really they don't want to anyway knowing it's a lost cause, and there are other plans afoot in how to change the system in the favour of allowing those holding the debt to be lumped with it, whilst those issuing it can start afresh, the Ultimate Rip Off.

JM: Done by the American's ripping off the Chinese?

Yes, and everyone else. The Chinese will be very pissed, but what will they be able to do – nothing, and it will be the start of their collapse. Communist China has to end. Any severe controlling system is to fail. They have all their five and ten and twenty and fifty year plans, however they are all based on the communists maintaining control, which they won't. Revolution is coming to them in a big way, however most of the people won't know how to cope without being told how "to be" every step of the way, so it's going to put the wind up a lot of people causing many problems, all of which will occupy them for a very long time to come.

JM: And the wars and all the prophecy, Armageddon and the anti-Christ, what's that all about?

Nothing for you to worry about James. Yes, certain elements of it will take place, but it will be nothing like what those wanting it to be, think it will be. There will be some heavy fighting and wars and all that, worse than what the world has ever seen in the places where it happens, and yes, **the Middle East will be in the thick of it, because all the Muslim nations will need to be crunched, along with Israel,** along with the West's controlling religions and eventually those of the East too. It's all going to break down systematically, that's how it looks to us, but to you it will be a mess. But it's all necessary and all to happen roughly over the next ten years (or so), all in preparation for the greater change later on after you've died.

Equality before Living Feelings First!

Hi Nanna (this is John asking) Sunday, 13 August 2017  
 Yes, Nanna Beth, it is far more freeing and enjoyable just to go with one's feelings. All will unfold as anticipated, however, in more than a most amusing and confusing way. So, I will stumble along, trying to catch breath and keep up with what I perceive as the unfolding adventure.

Nanna Beth: And then when you read how much truth I am imparting through you, me, a mere country woman from the back-blocks of rural Australia who had no real interest in anything spiritual, and here in such a relatively short number of years is in such a commanding and knowledgeable position, and one in which I'm not making it up, for I am it, and if you were to compare the truth I impart with say the so-called truth the Pope imparts, you have to surely begin to ask yourself: what is this man on about, he doesn't have a clue, he's just pulling everyone's leg. Why is he, being one of the leading spiritual figures of humanity on Earth, not speaking about longing for the Divine Love and doing your Healing by looking to your feelings? And really, why isn't he? And why it is that this nobody spirit woman, a woman spirit called Nanna Beth, far more ascended in truth than any of the leaders of the Christian world? So, why bother listening to such a man, what is the point, he talks utter nonsense, spiritually has no idea what he's saying, feeling nothing for it himself, is just a figurehead for a corrupt truth-less, way-less, meaningless church. Which is all about keeping its followers in their evilness, and not about helping them out of it.

And then you look at all the so-called spiritual men over all the years, other than Jesus, and what have they done for anyone, and the answer is, nothing, they've only helped people further their wrongness. So it's about time we women have our say, and thanks to you, Marion and James, so we are. And it's we women, the true spiritual leaders of humanity, that are going to bring about the necessary changes in people's thinking so they will adopt the new alternative ways of truth that are now being revealed. Because if the spiritual fate of humanity is left up to men, it will only be more of the same.

So as women seek to empower themselves through their feelings, and quickly come to see just how corrupt and untrue the religious and spiritual male teachers are, then there'll be no turning back, which is what is to happen, it all being the end of the Wrongness.

And it will be women, empowered by the truth from their own feelings, who are going to stop the juggernaut dead in its tracks, and then turn it around and face the truth that it's wrong. Men won't do it. Men won't embrace their Healing, do it leaving women out, and thereby still remain in control of the New Way. Men can't do it alone like that remaining as the controllers, it's not part of their makeup, so it's for us now, our time, we women James, which is why you are so focused on supporting us.

So men will follow women and do their Healing, and part of their Healing, the truth coming from their feelings, will be to acknowledge and look to women as being the true leaders of feelings, just as you look to Marion. And the reason you do look to Marion is because it's true, she is, you're only honouring the truth, the very truth that you are living as you progress in your ascent of truth. And it's not something you are just making up for yourself, or it's only going to be that way for yourself, it is the Way for us all, the way for humanity, on Earth and in spirit, we women are to lead and keep leading in truth for the rest of eternity, only once women and men are Healed, then the leading is far more balanced between the sexes.

The woman is the nurturer, she nurtures her feelings, and out of her womb of feelings comes the truth. And it happens for her wholly – her whole being is fully engaged; and it happens the same for men, only they use their feminine side to do it. And women use their masculine side too, yet still, being women, they are fully focused on the feeling side of things.

So it really is a true women's liberation, all being done through women's feelings, which will help liberate men too. **Women's liberation is on the right track, in as much as women feel they need to be liberated, however liberated into freely expressing all their feelings wanting to uncover the truth of them, is what will set everyone free.**

James: Thank you Nanna Beth.

Note from John:

Saturday, 2 December 2017

What Graham and I have been considering is how the Rebellion and Default presently impacts upon the indigenous people of, say, Australia, Papua New Guinea, the Amazon and Central Africa. These people have had little contact with the ways and commerce of Europe, etc., however, they are generally very spiritually connected. You could say that the traditional people of Papua New Guinea and Australia are strongly influenced by natural love spirit personalities from the 1st, 2nd and 4th Mansion World spheres.

In what way has this enabled the Rebellion and Default to be integrated into their cultures and how are we to approach them with the understandings that have just been given to us for their consideration?

These traditional people are significantly different to those with European ways of living.

Nanna Beth: The indigenous people are just as highly entrenched in their religious and spiritual attitudes as are the West – the whole world is the same, all being under the sway of the mind Mansion Worlds, and all just reflecting differing levels of those worlds. So how one might approach and deal with them will be the same.

Wednesday, 28 February 2018

John: My feelings have been that the Australian Indigenous peoples are also subject to the Default. The Urantia Book suggests that the Default by Adam and Eve was about 38,000 years ago, whereas the Australian Aborigines appear to have become isolated here some 60,000 years or more ago. That suggests that the Default may have been a lot longer ago than what The Urantia Book suggests. What timings should we consider for these events and how were the Aborigines impacted by the Default? Similar scenarios may apply with other isolated older cultures also.

Nanna Beth: Everyone on the world since Jesus and Mary's time has been completely bound – conceived into – the full Default and Rebellion. Pre Mary and Jesus, there were isolated pockets of less impact from time to time, not a thorough mixing, but since their time, everyone has been of it.

The Australian Aborigine was isolated from time to time, however enough outside contact was maintained to ensure the genetic transference of the Default affected all communities, and then you must remember there have always been fallen angels and mind spirits working on people from spirit (the angels up until Mary and Jesus). So psychologically and genetically, the effects of the Rebellion and Default have been well dispersed and thoroughly integrated.

And in fact it's been the unseen work of the mind spirits that have done the most damage, as people in spirit have naturally wanted to 'bring their people up to speed on Earth', so even though considered 'primitive', no indigenous peoples were left out of it, particularly as the Caligastias and Daligastias saw to it that everyone was under their control.

## BIOLOGICAL RACE and HUMAN DIVERSITY:

Heritable race seems as obvious as the colour of one's skin and the texture of their hair. A troublesome inheritance is often considered to be related to genes, race and human history.

Individuals commonly look upon themselves as being the physical body. Thus they polarise their existence upon their family culture and history. At the same time they tend to look at outsiders who may be distinctly different in colour, appearance, religious embracement and culture as being unacceptable.

We are not our physical body. And we are not of the nature and personality that our biological parents are. We each are a unique and beautiful soul connected by cords of light to a spirit body that is the template of the physical body that comes about by the commingling of the life forces of the body's physical parents. We are attracted to the newly forming embryo. Each and every one of us could have been drawn to be individualised into any family on the planet. We are individuals who commence our self awareness at the time of conception of the physical body of a baby as it commences its short life.

By being attracted to a specific race, culture and that family's religion does not make us any different to anyone else, other than the view we take on board for our physical life's journey. Think of how you would like to be treated. Then treat all other people the same way. Progress in love by developing loving kindness toward one's self, then to a good friend, then to a neutral person, then to a difficult person, and finally toward the entire universe of life!

From the moment of conception / incarnation we absorb the emotions of those within our environment, mostly those of our parents. By the time we are around seven years of age we will most likely reflect the emotional structure / soul condition of one or the other parent. Thus, generation after generation remain within the same soul condition envelope. Our gene structure reflects our emotional and soul condition. Should we grow in love then genes will adjust to reflect this evolutionary development.

When the environment is one of anger, fear, apathy or such like, then blaming outside circumstances is resorted to. Thus, generation after generation may blame outside circumstances and others for their unsatisfactory life predicaments, when it is of their own making.

**Like Father – Like Son**

**Like Mother – Like Daughter**

As individuals within family environments step away from the norms of the family and develop their love of self and the love for others then a shift away from generational patterns is achievable. This can be on significant scales, such as when whole communities embrace love and move into higher levels of soul condition. This can see positive major shifts in the social environment within communities. Educational systems may find students performing better, health systems may have less taxing demands on services, and policing services may have less call on their workforce. All in all, the prosperity of the community grows.

The greatest joy within observing such a development is that old grievances that have been handed down from generation to generation can and are put aside and more constructive agendas then dominate discussion.

Helen 3<sup>rd</sup> Celestial Heaven:

6 July 2017

Helen: Hello John, I will answer your questions today. I want to make it clear that you don't have anything to worry about anything so far as what you might be able to do from your end to make it all go smoothly. The Germans will tell Crystal all they intend to do and she can determine then what steps will need to be taken. So don't worry about any of it, leave it all to us because we've got a lot more agendas we're working on from over here of which you're not aware. So what I'm saying is, don't try and use your mind to work out what's best, simply keep applying your feelings. It's the German's worry to keep it quite, they'll organise all of that, you can just enjoy the ride. So that answers all your questions!

Now, what I want to tell you is much more important. For the time being keep it in your private files. Neither you nor James quite appreciate just what has recently happened over here. We have told you, but now I will paint more of the picture for you to understand.

We, the Celestials are IN CONTROL OF EARTH. We have EVERY BASE COVERED, and we're meddling in every pie, on the personal, cultural, religious, corporate, political and global levels. We 'OWN' the Earth. It is now ours. It has been taken from the mind spirits as we've told you, and this is an enormous change and undertaking, and one of the most significant events since Mary and Jesus' coming, even in some ways bigger than the re-revealing of the Divine Love by James Padgett; and as big as all to do with the Healing, because it is all a PART of the Healing. It wouldn't be happening if it wasn't time for humanity to be given the chance to Heal itself on Earth rather than having to wait until one comes into spirit.

So we are calling ALL the shots. We know all that's going to happen. We are allowed to interfere in an ever increasing amount. And we have all been prepared for this. And many newly arriving Celestials are quickly coming up to speed about it and the roles they'll be playing.

This is a well worked out plan by the Melchizedeks that we're implementing. But it's not straightforward. It's not a matter of getting rid of all the bad guys replacing them with good guys, it's about allowing everything to implode, even helping things along in that direction, all so the major controlling organisations and the people high up within them, lose that control. So you won't be able to understand what's happening looking at it only from the level of the physical world, it won't make any sense, there will continue to be too many conflicting pressures.

And within it, is SI, and not only that, but all you and Crystal are to do. And we have helped you both prepare for various eventualities, however still you are mostly in the dark as to what's really going to happen. So just let things unfold to the next stage, which will give Crystal much more of an understanding about how things are and how they will be. And as she tells you what she discovers then we'll be able to work more closely with you.

So over the course of the next ten or so years, humanity is going to be like a group of trains all heading into the same station, all unable to pull up, all with the inevitable result. A fine old mess. And just when things look like they can regroup, salvage what's salvageable, and start to get back on with things how they were, Mother Nature is going to have her say.

James was asking us if there are other Remote Viewers employed by governments or private

organisations who have Joe's abilities. And the answer to this question ties in with what I've been saying. There are three other people, two women and one man, and they are in Russia – the two women, and in Israel – the man.

The Russian women are very good, and we work with them a lot because Russia is going to play a pivotal role in what's to come, so these two sisters have been informing the Russian leaders. And they allow Russia to keep a more calm and one-step-ahead rational state of mind.

The Israeli is a nasty piece of work and we feed him information so as to keep the controlling Zionists going down a certain track, we're playing them at their own game you might say, and this strategy is all soon to come to a head, which will result in a lot of very nasty things coming to light as to who and what really are in control of the world, what their motivation is, and at the same time throwing light on all their corrupt controlling systems. Some of which will come as no surprise to the more well informed Conspiracy theorists, but other stuff will completely shock humanity to its core. And once such exposure is revealed, then a lot of people will see what's really been going on and how they've been taken in by it – and this is very high people – and they will not want to have anything to do with such control. So the dominoes will start to fall.

Now, it's not time yet for the start of this disclosure, you will need to get your money to begin setting up what you want to do, and there is still more time needed for Marion and James to work on themselves. But it's getting closer each day and within the next few years things will start to become more obvious, and of course by then we'll be able to be more forthcoming with you.

You might also like to know that Joe is being looked after by his angels, no one will interfere with him on the unseen levels, he is out of bounds. And he'll find his powers will even start to increase once Crystal starts to move into the 'network'. Crystal will get the desired interviews, the Germans have everything they need now, it's all there and they have sorted out Simon, they will provide him with safe passage and he'll give them the codes, it's all been arranged. And the Germans are also starting to look into the criminal side of things too, it's all hush, hush as you understand, and they don't want to frighten off too many people, but there is a lot of 'very useful information' they have gained that can be 'put to good use'. They have set up a special task force to look into it on this level, keeping it between Angela and Horst and a couple of others very high up. So they will take care of all from their end, Crystal will just have to agree more as a formality than anything else.

James: Do you mind if I cut in Helen?

Helen: No, not at all James.

James: So the Zionists are being set up?

Helen: They are. They are not really Zionists, that's only a front for those who are really in control, and it's these arch controllers that are going to find things aren't going to happen as they've been led to believe. We're working them off against the two Russian women. (A third younger lady has later joined assisting the two Russian sisters.)

James: And what about other people communicating with spirits – why so much special interest in these Remote Viewers?

Helen: First of all the other channels are all mind Mansion World channels, and those with any higher level of understanding or power we've shut down. It's too hard working with them, their personalities get in the way. Whereas the Remote Viewers are all more readily accessible in they have no say in the proceedings, they are only 'viewing', and we can determine, without them knowing it, what they view.

The two Russian women work for the Russian government, they love doing it for their country, and are themselves lovely women. They don't have any ego involved, unlike the man. And they are very accessible to us, and slowly we're helping them see what's going on behind the scenes so Putin and his government can take the necessary steps.

There is also another young girl who's starting out her training, and she has recently moved to live with these two women and will very quickly be as good as them, so we're of course working with her too. There are lesser remote viewers dotted around the world, yet only the Russians appreciate them, look after them and want to learn from them; but it's all still only 'world based', meaning, we don't disclose anything of a higher spiritual nature, so they know nothing about any of that. And with these people we're afforded a certain amount of leeway in how much we can amplify their connections, so how well they can view; and so if other remote viewers come along, and there are already quite a few of them, but they don't suit our needs and could make things more difficult, we can cap them so to speak.

James: And these people have no idea about your involvement?

Helen: No, they think it's a mental skill one can learn if one shows such potential, and that potential can then be brought to a more or less level of ability. They have no idea as to the angels, spirits or Indwelling Spirits involved.

James: And do the women know about Joe and this other man?

Helen: They know about the man as they have tangled with him on a few occasions when he tried to shut them down, he reckoned he could sort of fry their minds, and we let his intrusion happen enough for these women to understand of his existence, but they brushed him aside when they felt his true motives and we've blocked him from annoying them ever since. And none of them know about Joe. Joe's work with Crystal has been kept very secret. And Joe, should he want to, will keep helping Crystal, however I can't say more about that yet.

I will stop now James. That is enough; just to settle John, and for you both to understand the size and scope of what we Celestials are now involved in. Humanity will Heal itself because of us. You James and Marion can reveal the truths needed about the Healing, but it will be because of our involvement and support of the individual that humanity will be able to live those truths. Without the soulgroup continuously supporting Samantha she'd not be able to get as far as she has. You need our help. Without it no one would get very far in their Healing, even with the attending Spirits of Truth. And the reason for this is because humanity on Earth, and it's the same in the Mansion Worlds, is not, and can't, exist without such higher spirit help. The difference being, up until now, right through the Rebellion and Default it's been the mind spirits having their say, which means, helping to further the wrongness. But now those of us spirits who've done our Healing can have our say, so helping humanity end its wrongness. We don't reach the Celestial spheres there to sit around on warm fluffy clouds. The old guard had to help support the mind spirits, and as they couldn't do much with people on Earth, devoted

their time to helping spirits do their Healing in the Divine Love Mansion Worlds. Now we can help everywhere.

I'll speak to you soon, goodbye – Helen.

James: Thank you Helen.

# THE DILEMMA ?

The major religions have not recognised the teachings given to all of us commencing 31 May 1914 and ongoing. Their congregations are not aware of the greatest gift in the universe being available for them to receive. Creeds, doctrine and dogmas govern rather than the Truths of Feeling Healing with Divine Love.

Traditional religious institutions persist in 'hiding their heads in the sand' by intellectualising ancient traditions and teachings that contain errors and assumptions causing a continuance in ways that are arduous and have limited benefits towards enabling man to perfect himself, rather than achieving a growth that is exponential and unlimited through the embracement of the great gift of our Heavenly Parents' Divine Love energy. Admittedly, it is a most difficult and traumatic experience to step away and progress above such long held beliefs that have been dedicated to, however, the harm resulting from withholding the knowledge will have to be compensated for. We may ignore, then deny, then defer; holding the doors closed for the great majority of the world's population without providing them with the pathway and option of receiving Mother and Father's Love. However, the Feeling Healing with Divine Love is so inclusive that everyone, with all their beliefs, can begin receiving this Love and what then gradually happens is that any erroneous belief dissolves with one's gradual acceptance of their soul life.

**Ignore → Deny → Defer**

**WE ARE SO HAPPY TO KNOW THAT PEOPLE OF ALL RELIGIONS & FAITHS CAN DIRECTLY ASK OUR HEAVENLY PARENTS FOR THEIR DIVINE LOVE AND RECEIVE IT.**

## St. Peter on forgiveness of sin.

<http://new-birth.net/padgetts-messages/true-gospel-revealed-anew-by-jesus-volume-2/st-peter-on-forgiveness-of-sin-vol-2-pg153/>

November 29th, 1918 Received by James Padgett. Washington D.C.

Let me write a few lines for I am very anxious to write to you in reference to a truth which obtains in our spirit world, and with which you may not be acquainted.

As you may not know there is in our world a law which makes the soul of one who has not yet been purified suffer the penalties for the acts of sin and evil of which he may have been guilty during his Earth life; and there is no forgiveness of these acts in the sense that forgiveness is taught by the theologians and churches, but the only forgiveness is the cessation of recollection of these acts so that they become as though they had never been; and, as the soul becomes naturally pure and in harmony with the laws of its creation, it then comes into its natural condition, and then, and then only, forgiveness takes place.

God does not forgive by the mere act of pronouncing forgiveness or by any arbitrary and sudden blotting out of sins, and thereby removing the condition which creates the disharmony; and so you will understand, that He cannot forgive sin in this way, neither can the popes, priests, teachers or churches, and the pronouncing of forgiveness by these men constitutes a deception of and an injury to the persons who pray and ask for forgiveness, and for such deception these men will have to answer when they come to the spirit world and realize the truth of forgiveness and the great deception that they had practiced upon those who were their followers and believers in these false doctrines. Many spirits are now living and suffering in darkness in their purgatories just because of their beliefs, and the results thereof, in these misleading teachings.

There is no forgiveness until man makes the effort by struggling and succeeding in getting rid of these recollections; and such riddance can be obtained only by men realizing the fact that sin is only the effect of their having done those things, and thought those thoughts which are out of harmony with the will of God and the laws governing the creation of man.

There can be no sinning of the physical body or of the spirit body, but only of the soul caused by the exercise of the will in a manner antagonistic to the will of the Father. The body, of course, is affected by these inharmonious thoughts and impelling directions of the will, and is caused thereby to commit the act which is the external demonstrator of the inharmonious exercise of the will; and as God leaves to man the freedom of exercising his will, as such will may be influenced by the thoughts, desires and affections of his appetites and lusts, so God leaves to man the application of the remedies that will free the soul from such influence and effects as are caused by this exercise of the will; and only when these

thoughts and appetites and lusts become eliminated from his soul and desires, does the soul come into its natural condition and in harmony with the will of God.

Man, himself, must be the actor and the initiating force to bring about these changes in his will, and no assurances of forgiveness by popes, priests or churches can eradicate these contaminating influences, or remove that which is the cause of the sin or the effect of the cause. You must see that there can be no relationship between the assurance of forgiveness and the sin or the cause thereof.

Prayer to the Father for forgiveness or supplication to priests and church is supposed to effectuate the objects sought, but this belief is erroneous and does not bring the relief prayed for; yet prayer is a very important element in forgiveness, and while the Father does not, and the priests and church cannot, forgive sin in the manner mentioned, yet true, sincere prayer to the Father for forgiveness will bring its answer, and affect, not the sin, but the soul and state of men, so that their will and appetites and desires may be influenced in such a way that they will receive and realize the fact of a wonderful help in changing these appetites and desires, and in turning their thoughts to those things that will enable them to remove from their recollections the acts and thoughts, which are the causes of the existence of their souls in a state of sin.

If men would only realize these truths, and, when they desire the forgiveness of their sins, pray to the Father for help in turning away from these thoughts and in exercising their will in accord with His will and not expect any arbitrary forgiveness or removal of their sins, they would find themselves on the way to this forgetfulness and the true forgiveness.

Well, I desired to write this short message and am pleased that I could do so. Thanking you, I will say, good night.

## HOW do we SUPPRESS our CHILDHOOD EXPERIENCES?

Caffeine is the most widely used drug in the world. In the United States, more than 90% of adults use it regularly. Caffeine in coffee and soft drinks combined with alcohol, tobacco, party drugs, prescription drugs and certain foods (chocolate), very few adults are without some form of substance abuse.

We use every method to dumb ourselves down so we can suppress the subtle but relentless abuse that we each endured during our forming years, from conception to around the age of six years.

Amazingly, due to the attitudes instilled into each of us during our forming years, humanity, overall, considers war to be 'socially acceptable'!!!

When we decide to become a soldier we are really approving of being killed or killing. So, each year some 50,000 soldiers die. It is collateral damage that some 200,000 civilians die as an incidence of war. They did not buy into war.

Being brought up in semi to outright abusive families, murder is common place. Worldwide each year we have 500,000 murders. That is outside of the accidental deaths due to guns!

Aggressive contact sports are an expression of one's childhood suppression and repression. The harm from our childhood upbringing goes on. The cost of 'drug abuse' to a society is the equivalent of either a nation's military budget or public medical services alone. Substance abuse cost is much, much greater.

Society is so dumbed down that it functions as walking zombies. This is all because no one knows what true love is and how to truly love another. This can only be brought about through living Feelings First and engaging in one's Healing.

## WE ENDURE FOUR LAYERS of PERSONALITY SUPPRESSION!

Unknowingly, our parents pass onto their children (us) their beliefs and way of living that has evolved since the Rebellion, some 200,000 years ago, and then the Default, some 38,000 years ago. In this way, humanity is suppressing the female, rejecting our Spiritual Parents, namely Jesus and Mary, and denying our Heavenly Parents being our true Mother and Father, of Their truth, standing and existence.

**The Rebellion is against love, the Default is all the difficulties we have in our relationships because of our rebellion. Healing the Default is becoming true, to ourselves and in our relationships, and ending our unlovingness – our rejection of love, so ending the Rebellion.** Nanna Beth 29 June 2017

We are souls, our personality is an expression of our soul. It is our free expression of our soul through our feelings that we are to embrace and follow. This expression may appear to be wilful in nature, from time to time, and consequently our parents' attempt to suppress this expression. They proceed to remodel us when as young children, in the manner their parents treated them and so on for many generations going back.

During our forming years, as a child, we are unable to recognise the suppression of our personality as being extra-ordinarily harmful to our soul based personality and, accordingly, we don't know that things can be any other way. Presently, neither do our parents.

This childhood suppression way of living continues throughout our schooling years, thus we learn this is a way of life that is normal.

Our religions all have been formed based on the tenets of the Rebellion and Default. The teachers and leaders throughout all denominations take us further away from our suppressed feelings that have been hammered into us during our forming years, thus entrenching us further into rejecting our true selves.

The controlling and suppression mechanisms of our parents, educators and spiritual teachers all manifest throughout all of commerce. This control comes heavily and brutally down upon all levels of employment. The capability to express one's soul based attributes and gifts is sealed throughout all of one's working life.

A new way of living is to enable the liberation of one's true personality through the Feeling Healing process AND the transfer of authority to the individual via embracing freedom of expression.

# DEVOLUTION

**Our childhood suppression of our true and loving soul based feelings is creating global pain and personal isolation amongst all of humanity. We are very sick!**

**In our struggle to find solace and purpose, we further withdraw into ourselves, becoming ever more self dependent, believing our control addicted mind that it can solve everything. We just drown further.**

**We embrace an ever expanding and diverse range of pathways to escape from our personal pain, fear and desperation. Alcohol has now been complimented with narcotics, hallucinogens, including caffeine (coffee). Gambling has been complemented with computer games which are generally entraining the mind further into error and pain. Technology is making us sicker!**

**We bury ourselves in front of the television to further avoid contact with anyone, especially family.**

**Children endeavour to exert their independent authority from domineering controlling parents (which we all are eventually) by disfiguring their bodies with tattoos and piercings, etc.**

**We shut out the noise with headphones, thus preventing contact with others. We use electronic devices to 'text' others even at intimate engagements.**

**Technology will take us further into the depths of our madness. You now can buy headsets that prevent any contact with the outside world while playing mind suppressing and entraining entertainment – games!**

**No one loves their children, they are ignored, and the controls hammered into them turn them into clones of ourselves. Look at ourselves and we can all see that we have been all messed up by our own parents, as they have for generations over the past 200,000 years.**

**No more of this! We can escape this man made hell!**

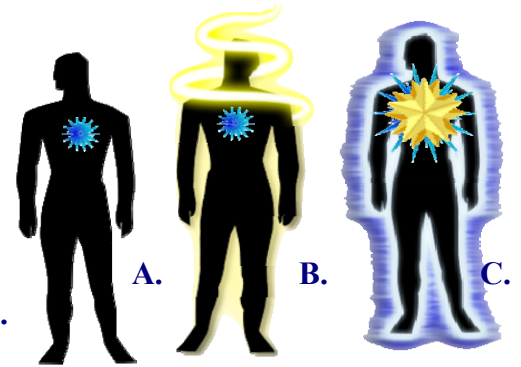

# EVOLUTION

**STEP 1: Longing for and receiving Divine Love:**

**A. Soul prior to receiving Divine Love.**

**B. Divine Love being received from the Holy Spirit, covering the spirit body of requesting personality.**

**C. Divine Love having been assimilated within one's soul, now being reflected through the radiance of the spirit body.**

## STEP 2: **FEELING HEALING + SOUL HEALING**

It is the Divine Love that strengthens one's resolve to persevere in embracing one's suppressed emotional injuries, that occurred from conception through to around the age of six, and longing to know the good and the bad of those feelings, together with talking about them to a friend, partner, one's self and our Heavenly Parents. It is only with the receipt of the Mother and Father's Divine Love and the expressing of suppressed emotional injuries that one can release the emotional injuries and errors to achieve Celestial soul condition and enter the Celestial Heavens.

Further, should one complete their Feeling Healing on Earth, then they will be able to recognise their soul partner, their other soul half, and should their soulmate have also embraced Feeling Healing with Divine Love, then their children will be born free from error, free from fear, and free from any deformity and illness. This is the destiny of humanity.

Further, being in this condition of free from error and being in constant communication with our Heavenly Parents, then one can also recognise and form their Soul Group. This will ultimately consist of twelve soulmate pairs, a total of twenty four personalities / individuals.

It is the bringing up of children by the support of soul groups that is to be the ultimate way forward. The group experience and wisdom, as a functioning family, will ultimately be of profound benefit for the blossoming child.

But what we cannot do is contrive the groups ourselves, or even pick who our soulmate is. This will only, and can only happen, as an outworking of the truth we are to live – as we progress in the healing of our soul.

And this is how all of life should be lived: according to the truth we are living. It is how we live, as there is no other way, but currently we live it in the negative, of that being directed by no truth, and so having to make it all up ourselves.

## GLOBAL ACCEPTANCE of the LOVE:

When all aspects of the community become aware of the Feeling Healing process with Divine Love and embrace them, then humanity will evolve to a level that will bring about harmony universally:

### DIVINE LOVE TEACHINGS are MULTI-FAITH and for ALL FAITHS:

The beautiful gift of the Mother and Father's Love, the Divine Love, is available to all, no matter what one's soul condition maybe or what one's beliefs are. The Love is given to everyone who longs for the gift and asks for it. There are no boundaries or conditions other than the necessity to ask for the Love. The great gift is filtered through one's spirit body into the soul by the instrument known as the Holy Spirit. This light golden blue energy substance blends with one's natural love and progressively assists in the peeling off of negative emotional issues and erroneous beliefs through one's Feeling Healing process, bringing about great happiness and fitting the personality to enter the Celestial Heavens.

### DIVINE LOVE RE-INTRODUCED:

James E Padgett was tasked with the receiving and writing of the commencement of the teachings and guidance which are recognised as the Second Coming of Jesus of Nazareth. The commencement of these writings was on 31 May 1914 and continue. The major revelations by Jesus and Mary are through James Moncrief and will conclude these works of more than 10,000 pages that outline what was not recorded in the first century as well as addressing the major errors in what was then recorded.

### **Holy Bible from the Ancient Eastern Text**

The Dr George Lamsa's version of the Bible, taken from the Peshitta Aramaic ancient records, is said to be the most accurate. The writing down of the scriptures commenced several decades after the death of Jesus, however, those original writings were heavily influenced by the prevailing Jewish religious practices and the lack of awareness of the availability of Divine Love and what it is was, resulting in these teachings being omitted. Only Apostle John understood the Love. Neither John the Baptist nor Apostle Paul were aware of Divine Love during their life times.

James Padgett and James Moncrief are the major records to consider. These works represent the greatest event in the history of humanity and convey the greatest gift to all of mankind, our Heavenly Parents' Divine Love, and the process of Feeling Healing.

# Light of Truth of PASCAS

Throughout the evolution of Pascas, Pascas has been gently guided and supported by its Council of Elders from within the Celestial Heavens. All documentation, all concepts, all who have interacted with the forming of Pascas WorldCare and the various arms, have been in response to the guidance from our Celestial Council of Elders – from within the 3<sup>rd</sup> Celestial Heaven. Throughout the coming millennium, our Celestial friends will be guiding and assisting Pascas WorldCare.

## COUNCIL of ELDERS

**Council of Elders  
now around 20  
soul-groups from  
the 3<sup>rd</sup> Celestial  
Heaven**

Communications between the Celestial Council of Elders and those within the physical administration of Pascas WorldCare will be via those who complete their Feeling Healing on Earth, as years go by.

## Avonal PAIR Oversight

The administration of Pascas may be also supported in their interconnectivity with our Celestial guidance through those within Pascas and its administration who are sensitive in their nature and are able to perceive guidance from our Celestial companions on this journey of delivering the Great U-Turn. It is through the nature of sensitivity that Celestial Spirits have interacted with Pascas during decades of formative years and the establishment of the foundations for Pascas for the next 1,000 years.

## LIGHT OF TRUTH

Pascas as an entity, due to the contributions from our Celestial friends, is functioning within the 5<sup>th</sup> Divine Love Spirit Mansion worlds level. Further, the Pascas Papers that are designated as references for Feeling Healing and Divine Love are within the level of Truth of the highest of the Celestial Heavens. Pascas will be supported in this manner for the coming millennium.

**Note:**

The Map of Consciousness (MoC) table is based on the common log of 10. It is not a numeric table.  
 A calibration increase of 1 point is in fact a 10 fold increase in energy.  
 A calibration increase of 10 points is in fact a 10,000,000,000 fold increase in energy.  
 Thus the energy differentials are in fact enormous!

**MAP of CONSCIOUSNESS CALIBRATIONS reflect the nature of the TOPIC:**

The level of truth of a topic or subject is reflected in the calibration through employing Dr David R Hawkins' Map of Consciousness with kinesiology muscle testing. A publication or movie about manufacturing food would be around 200, whereas meals prepared in a loving home would be around 500. The subject of pornography through to war would be less than 200, whereas natural love topics can readily be over 500 and up into the 800's plus. Material introducing Feeling Healing with Divine Love, by its nature, will range between 1,480 to 1,500 on Dr David R Hawkins' Map of Consciousness (MoC), in its purest form of presentation. This has never been previously achieved.

Conflict does not occur amongst these people. They engage with their soul based truths. Below 500 one is predominantly mind orientated!

Presently, humanity calibrates overall at around 212 and is engaged with their wayward, controlling, addicted minds. Through living feelings first with one's mind subordinated thereto, humanity will universally progress beyond conflict of any kind, particularly war.

### PERSONALITY TRAITS:

Less than two dozen people on planet Earth.

Would not pick up a weapon let alone use it. These people gravitate to the health industry and humanitarian programs.

Debate and implement resolutions without argument and delay.

Debate and implement resolutions in due course.

Debate and implement resolutions with some degree of follow up generally needed.

Management supervision is generally necessary.

Politics become the hope for man's salvation.

Cause no harm to others starts to emerge. Power overrides force.

Illness is developed by those man erroneous emotions that calibrate 200 and lower.

Armies around the world function on pride. Force is now dominant, not power.

Harm of others prevails, self interest prevails.

Totally self reliant, not God reliant.

Fear dominates all motivation.

Suicide is possible and probable.

At these levels, seriously harming others for even trivial events appears to be justifiable.

Poverty, unemployment, illness, etc., this is living hell on Earth.

**FEELING HEALING and SOUL HEALING with the DIVINE LOVE:****James Moncrief Publications:****all publications are free downloads:**<http://divinelovesp.weebly.com/my-free-books-and-free-padgett-messages.html>

It is suggested for one to consider reading as follows:

**Speaking with Mary Magdalene and Jesus – books 1 – 4**

These four books encapsulate the second of the revelations with the first having been introduced by James Padgett one hundred years previously. These four books provide a wide range of guidance that has never previously been made available.

**Paul – City of Light**

As a gentle intro into the Divine Love and Healing; being James Moncrief's first novel and it's been criticised as being too heavily clichéd, but that's the point because it's a reflection of how he was back then.

**Ann and Terry**

For an example of people who might want to immediately start working on themselves and doing their Healing.

**Feeling Bad? Bad Feelings are GOOD**

For more understanding about our denial of our feelings and why we should not deny our feelings, and it includes how it all came about for James, using himself as an example.

**Feeling bad will make you feel BETTER – Eventually!**

This includes specific examples of Marion and James working on expressing particular bad feelings, again with the hope that it will help others gain something of an idea as to what's involved in doing your Feeling Healing.

**Sage – and the Healing Angels of Light**

Through Sage who's 13 years old, the story is primarily about the two aspects of healing; that being, with the help of our angels, and the full Healing we can do by looking to our feelings for their truth.

**Religion of Feelings  
Feeling Healing****Welcome to LOVE – the Religion of Feelings  
you can heal yourself through your feelings**

So these books, including the four Speaking with Mary Magdalene and Jesus books, provide the essence of it all and are examples of James' work. Then it's up to whatever takes one's fancy. Other reading to consider may include:

**The Padgett Messages being published as:****The True Gospel Revealed Anew by Jesus volumes 1 – 4****Book of Truths by Joseph Babinsky****The Urantia Book****Release one's pain through expressing one's feelings.****in conjunction with****Longing for the Truth when also longing for Divine Love.**

**FEELING HEALING with DIVINE LOVE is SOUL HEALING:**

*A collection of 'papers' that draw together specific topics including all of the above and more from other sources of information and revelation designed to help increase one's awareness about why we have the problems we do and how to heal them, all whilst living a more healthy and sustainable life. They provide a brief snapshot of the more complicated topics and issues.*

**Firstly, consider discovering the truth of your emotional pain through Feeling Healing. Secondly, consider longing for our Heavenly Parents' Love as you progress with your healing. Primary and most important readings are the writings of James Moncrief. Then consider the Padgett Messages, and then The Urantia Book.**

**DIVINE LOVE and DIVINE TRUTH Revelations and Teachings escalating:**

As we progressively become aware of the availability of Divine Love and embrace our Soul Healing, more and more profoundly developed teachings will be introduced to us by our Celestial Spirit friends.

Divine Truth teachings will continue to expand in detail and complexity as we become ready and willing to receive same through doing our Feeling Healing. This journey was commenced for us by James Padgett and James Moncrief.

Are we ready and willing to embrace what is waiting for us to enjoy?

We are a young experiential inhabited planet. As we grow in Love and embrace our Feeling Healing, then we become into a condition by which we can ask for and receive guidance in how to achieve developments for the benefit of all of humanity.

As we apply these gifts freely for the welfare of all, then we will be provided assistance to advance our capabilities. Energy enables communications which in turn enables universal education. With education everything is possible.

**Cause No Harm** < to OTHERS  
to MYSELF

Strive to love others as I am to love myself

To liberate one's real self, one's will, driven by one's soul, moves one to embrace Feeling Healing so as to clear emotional injuries and errors. With the Divine Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

Divine Love  
is the key!
