## **“HELL” being a Badge of Honour?**

We each love to display our badges of honour, however we do not acknowledge and display the honour that we each have of being in “HELL”!

Yes, it can be said that none of us here on Earth are going to HELL because we are already there! We each have been born into HELL. We cannot go to somewhere that we are already within.

So these gentlemen need to pin yet another status badge upon their apparel. The greatest badge of them all – that of being in HELL.

We of Earth’s humanity have the great privilege of having perfected wrongness! Yes, we have achieved the honour and status of living in wrongness to the extreme relative to all other humanities throughout our local universe.

## **Why and how does Earth’s humanity stand out at the wrong end of perfection?**

Earth is within the local universe of Nebadon which is like each of the 100,000 local universes within our super-universe of which is one of the seven super-universes circulating around Paradise, Paradise being stationary and the home of our Heavenly Mother and Father. Our local universe of Nebadon consists of 10,000,000 inhabitable worlds made up of 100 constellations, each constellation consisting of 100 systems and each system having around 1,000 inhabitable worlds. Nebadon has overall 3,840,101 inhabited worlds – around one third of the inhabitable worlds throughout the universes host a humanity – we are not alone!

Earth is within the system called Satania, with 1,000 inhabitable worlds of which 619 are inhabited and Earth is number 606. Earth is on the outskirts, and the system of Satania is also on the outskirts of our local universe of Nebadon. Each star (sun) typically hosting 0 to 3 inhabitable worlds. Our Sun hosts three inhabitable worlds of which only Earth is inhabited. Consider each star as having on average one inhabited world, then when you look into the night sky you may envisage each star as hosting one humanity – yes – just like us – you and me!

As Earth and our star (Sun) is on the outskirts, what we may be looking at in the night sky is the bulk of our system of Satania. On a clear night when we are outside and away from the city lights we typically can see around 1,000 stars. In our case we are mostly looking at the stars throughout our system of Satania. We are seeing the homes of our neighbours who never call in and say hello! Why?

Because we are in HELL! We are in isolation! We are in quarantine – quarantined in solitary confinement!

## **HISTORY UNFOLDING:**

Man was 'seeded' on Earth maybe some one million years ago in its primitive nature form. They were named Andon and Fonta (also known as Aman and Amon). It was the arrival of Adam and Eve some thirty eight thousand years ago that there was to be an endeavour to significantly evolve the human race on Earth, both spiritually and genetically. In this endeavour, Adam and Eve defaulted, both succumbing to the ways of the rebellion that had been embraced by humanity in its naïve nature some two hundred thousand years ago. Humanity was induced to live mind-centric, suppressing their feelings of truth in the belief that they could become mini-gods. As females are closer to their feelings than man was induced to make women subordinate.

The Rebellion was instigated 200 thousand years ago. The Rebellion is that of one succumbing to one's mind and being self-reliant, rather than embracing our Heavenly Parent's Will, being bestowed and to be found within our soul based truth and will, being our personality. From the outbreak of the rebellion to the day of enthronement of Jesus and Mary as sovereign rulers of Nebadon, Jesus and Mary never interfered with the rebel forces of Lucifer and his soul partner, or their deputies, Satan and his soul partner.

It was the bestowal of Mary and Jesus, the Creator Daughter and Son, their coming to Earth, two thousand years ago, that brought about the authority and power for the removal of Lucifer. It was their coming into physical life and living on Earth, and remaining in a perfect state, that brought about the escalation of their authority and the termination of the leadership of the Rebellion at that time. During the two thousand years leading to this current time, the remnants of control of the Rebellion and Default have been progressively removed. The Caligastias and Daligastias, with their soul partners who remained embellishing the role of 'gods' in the natural love Mansion Worlds. Caligastia soul partners had continued with the appointment as Planetary Prince of Earth, have recently been disposed from their 'thrones' being arrested and imprisoned in 1993.

Only now can humanity be guided to the pathway of stepping away from the pain and misery of being self-reliant – mind dominated, and begin embracing the will of our Heavenly Parents, Mother and Father, God – and strive to be soul feeling orientated. Only now can the feminine aspect come to full bloom and be revealed. Only now can the process of removing of the erroneous teachings that generation after generation handed down to their children be explained and be rebuffed. All of which could not be revealed under the Universal Contract governing the Rebellion and Default.

As Mary and Jesus, the Creator Daughter and Son of Nebadon, were perfect throughout their physical lives, they do not have the personal experiences to adequately share with us how to heal ourselves of our evilness / errors, that of denying Mother and Father – God and themselves, Mary and Jesus. And now there is possibly another bestowal pair on Earth. This pair being of the Avonal group. If they are here, then they will have embraced all the errors and evilness that humanity is in, and then work through the Feeling Healing process and also embrace Soul Healing. Upon their physical deaths, they then release their Spirits of Truth so that all of humanity who wish to undertake their Feeling Healing and Soul Healing, should they long for their support, will be able to access these Spirits of Truth for assistance.

Paradise Magisterial Sons and Daughters constitute the order of Avonals in contradistinction to the order of Michael, the Creator Sons and Daughters. Though not creators in the personal sense, they are closely associated with the Michaels in all their work. The Avonals are planetary ministers and judges, the magistrates of the time-space realms — of all races, to all worlds, and in all universes. Humanity will continue to connect with the Spirits of Truth of Mary and Jesus, even though Mary and Jesus will now step back from assisting humanity and enable the Avonal pair to assist and guide humanity in this coming age. This change over is the end time of Mary and Jesus' era.

## **WHY did the LANONANDEK DAUGHTERS and SONS REBEL?**

The Lucifer, Satan, Caligastia and Daligastia soulmate pairs are all high level Lanonandek spirits:

**FOR 200,000 years ALL SCRIPTURES and Earth based INSTITUTIONALISED SYSTEMS are the WORK of the REBELLIOUS LANONANDEKS:**

The rebellious Lanonandeks from within our local universe are these soulmate pairs:

### **THE EVIL ONES**

**Lucifer pair**

**Arrested and imprisoned 26 CE**

**Satan pair**

**Caligastia pair**

**Arrested and imprisoned 1993 CE**

**Daligastia pair**

According to the Urantia Book (TUB) there are various orders of Paradise Descending Daughters and Sons. (NB: TUB only refers to the masculine so doesn't include Daughters.) The Descending Daughters and Sons descend or step down from Paradise to reach out and 'down' to the Ascending mortals – men and women on the evolutionary worlds, who are reaching out and 'up' to Paradise and for such help from the descending spirit pairs. Ascending mortal pairs (soulmates) cannot by themselves ascend to Paradise, because it is not 'encoded' in their soul. So they need higher help and guidance from the descending pairs. So if people don't have this higher help they will never spiritually and physically progress very far. And if this higher help goes haywire, people are stuffed until other higher helpers comes to rescue them.

One such Descending Pair, the Creator Pair, comes out from Paradise to a section of space when it is ready for them – Mary M (Magdalene) and Jesus in our case; and in union with the Divine Minster, create or

'bring into being' a Local Universe – Nebadon. Mary and Jesus then attend to the whole (local) universe, with Avonal Descending Paradise Pairs coming as required to the individual earth worlds to ensure and initiate the spiritual changing of the ages that is needed to advance the spiritual development of mortals in accordance with the Paradise Plan.

Part of the Creation of Nebadon includes the creation of Local Universal Descending Daughters and Sons that hold key positions on individual worlds and oversee larger areas or sections of the Nebadon. The Lanonandeks being these key administrators, guides, overseers, are the ones that ensure the ascending mortals of each world are given what they need in accordance with the unfolding phases of their evolution, as well as providing the necessary Mansion World structures and organisation of the Celestials spheres, the greater part of Nebadon, all so mortals of the evolutionary worlds can find their way up and through the Local Universe so as to set out on their greater spiritual journey through the Super Universe and Central Universe to Paradise. The Lanonandeks make sure all the parts work as they are intended to do, with the Melchizedeks being more involved with the ongoing teaching and personal education of mortals about all things through the Local Universe.

The Lucifers, Satans, Caligastias and Daligastias are all Lanonandek daughter and son pairs.

The Lucifers were the overseers of this sector – System – of Nebadon that includes Earth – Urantia. The Satans were to help the Lucifers, being the main liaison pair with the Caligastias (The Planetary Prince and Princess) who oversaw Earth directly from spirit, and the Daligastias being physically materialised on Earth so as to oversee and help evolve the local races of Earth on all levels – the practical, physical and spiritual, this being how it was five hundred thousand years ago. And for three hundred thousand years, everything went well.

The whole of Creation thus far is one gigantic Ascending mortal scheme – The Ascension Scheme. So everything in it works to help slowly evolve humanity along the plans designed for them by the Descending Pairs and the Mother and Father, with the idea to evolve, through ongoing self-expression, the people from all the earths up through the Mansion Worlds and into the Celestial spheres and on through and out of Nebadon. So if anything goes wrong in any level of the universe then it causes problems for the mortals who are wanting to ascend.

The Lucifers were outstanding members of their Order. However according to TUB (if I remember correctly), they were passed over when they applied to oversee certain parts of Nebadon – and so why did that happen??? Then finally they got their chance. As to why they rebelled – it is said their egos, their self-importance, grew, and they weren't able to control it. They were seduced by some inner need for greater power – but why did that happen? And is it just like everything else, there is variation in all things and so they went the way of rebelling against Mary and Jesus and the Mother and Father. And not being of a higher Paradise Order, they are more prone to being seduced by their inner biases, whereas supposedly Paradise Descending Daughters and Sons are too perfect, being of Paradise origin, and so wouldn't or even can't rebel. And Avonal Pairs can willingly take on rebellion, but that's their choice and they are not technically rebelling or defaulting, they needing to do this so they can heal themselves of the Wrongness thereby liberating the world of rebellion, and in our (Earth) case, also the default. Which means providing people and spirits in the Mansion Worlds their Spirits of Truth, so everyone in a rebellious state can look to them instead of the Evil Ones, the rebellious Lanonandeks, for the way out of rebellion and onto Paradise.

The Evil Ones took over their part of Nebadon, Mary and Jesus allowed them to, allowing the Rebellion and subsequent Default on Earth to run its course. However it continues to cause masses of disruptions to the natural way of things, all of which we've been and continue to be subjected to.

So because humanity for two hundred thousand years has been increasingly subjected to the Rebellion and then also the Default of Eve and Adam, we are well and truly entrenched in the unconscious belief that the Evil Ones are the Gods, and that we're to look to them for the way to be happy and feel loved – that they are the Living Truth. And yet, as we can all see from our own lives when we start to address our bad feelings, this is wrong, false and misleading, only making us feel even more unhappy, unloved and powerless in our negative truth-denying state and being unable to do anything about it – because ascending mortals are not able to go against the higher Daughters and Sons. So without humanity knowing it, we have been praying to the Evil Ones as if they are God, even with people who pray to Jesus, praying to a mind-created fantasy Jesus and not the real one, as can be seen by the Evil Ones strategically denying humanity the truth of the Divine Love, with our need to long for it being excluded from the Bible and not found in any other rebellion-created religion.

Mary and Jesus being the highest Paradise Pair, by their coming to Earth, terminated the System Rebellion of the Lucifers and Satans. So that level of evil influence on all the rebellious physical worlds ended two

thousand years ago. And then it's required for each world to be attended to by a bestowal Avonal Pair, who take on the evilness of that world and heal it within themselves, thereby ending the control in our case of the Caligastias and Daligastias, which has now apparently happened, with the Avonal Pair only to finish their Healing so as to signal the complete technical end of the Rebellion and Default.

So their – the Avonal pair – Healing involves dealing with the Rebellion and Default within themselves on all levels, so people and the mind Mansion World spirits can then choose to follow them and do their Healing. So by following the Avonal Pair you are going against the Evil Ones (currently it being their legacy within you and on the world), looking to end their negative, unloving and untrue influences within yourself. And once done, you become a Celestial, either on Earth or in the Celestial spheres, and free to align yourself with Mary and Jesus, which is done by partaking of the Divine Love, and free to live your ascension to Paradise – free to become at-one with your Mother and Father.

We're all living the demented levels of the demented minds of the four Lanonandek pairs that rebelled. And as we do our Healing, so we come to see how fucked they are, as we see how fucked we are; how they passed that fuckedness onto us through our parents, how we've become so tangled up in our Wrongness, not knowing what is true – we live untruth believing it's true – we feel false love believing it's true love. We're all around the wrong way, deeply mixed up, and needing to do our Spiritual Healing to get ourselves out of our sinful and evil ways, so as to come back into alignment with the Truth. So all that we are has to go, and we're to uncover a whole New Way on all levels, personally and how to live, as we liberate ourselves from our dementedness.

With the Evil Lanonandeks no longer at large, having been detained on a prison world awaiting judgement as to what will happen to them, so the Melchizedeks stepped in taking over their positions. I don't know why other Lanonandeks weren't appointed, however I guess it's because of the damage done by the Rebellion. We who are here and part of it have to deal with it ourselves, so no outsiders other than Mary and Jesus and the Avonal Pair being from Paradise that can override that limitation.

And the Melchizedeks have enlisted the Celestial spirits' help. So together, they now in effect play the roles of the Lanonandeks. And as the Avonals progressively heal themselves, thereby liberating humanity from the dictates of the Rebellion and Default, so the Celestials are being given increasing power and authority to do what the Lanonandeks would have done. So the Rebellion, on a positive note is providing the Celestial spirits with unique opportunities as part of their ascension, as we hear from Helen and Nanna Beth – both 3<sup>rd</sup> Celestial Heaven spirits. And I would imagine, people who finish their Healing and become Celestials on Earth, will also in some way be given extraordinary opportunities as well, all of which will involve some level of healing the world and doing what the Lanonandeks and Eve and Adam should have done. Even to the point of Celestials on Earth who have children, will in some way be like the new 'Eves and Adams' populating the world with perfect and true children, all who are completely free of the Rebellion and Default.

And what happens to the Evil Ones? I imagine they will have to undergo a long period of Compensation experiencing the pain they caused all the people and angels who were under their care. And after that, if they are not extinguished outright, possibly they might be rehabilitated to some degree; however as TUB suggests, without ever receiving the power they once had. However, as all works out for the best and ultimately is all-loving, it will be fascinating to see through our own lives how all the pain we've been made to suffer ends up helping us and being the best thing for us.

And one last thing to note, had there been no Rebellion or Default, then on Earth we'd still have the Daligastias and Eve and Adam helping people grow and evolve on all levels. Still being the higher Daughters and Sons that we can look to knowing that we're not alone, that we are being looked after and loved and that a greater life of ascension awaits us. And we would by now know of the Caligastias and all the help they would be providing on the higher spiritual levels, as well as the help they would be giving

mortal spirits in the Mansion Worlds. And we would know of the Satans and Lucifers and all the help they were providing on the System level. And we've understood that in a way these higher Daughters and Sons are like mini gods to us, yet not our Heavenly Mother and Father. And they would be pointing us toward Mary and Jesus helping us understand that they are the Creator Pair. And here we live in their universe of Nebadon, and that all they are doing for and with us is to help us evolve and grow on all levels as we look to our feelings for our truth we are to live as we express the personalities from our souls on our way through Nebadon and onto Paradise. It all being a perfectly unified and loving experience for us. We being able to see the higher Daughter and Son as in the Daligastias and the Material Pair, Eve and Adam, who'd be for us the perfect humans that we could strive to be like. So we would want to be perfect in our humanness like Eve and Adam, and perfect in our spiritualness like the Daligastias. With both pairs showing us that we can be both perfect on the material and physical level, as we can be on the spiritual level. Which is completely the opposite of how we've been made to live, because all of that perfection has been denied us, with our being so screwed up about how we are to live both materially – physically and spiritually – we having no idea about either, and with them working fully in opposition to each other. And with our longing for and wanting the Truth, the truth of how we're to live physically and spiritually, all of which is to come (and ONLY come) through each of us individually and as a consequence of properly attending to and expressing ALL we feel.

## NOW!

# Universal Contract

[illegible]

It is the writings of James Moncrief that bring about the REVELATIONS as to how humanity is to ascend while bringing a formal termination to the REBELLION and DEFAULT that occurred on 31 January 2018. James, through the communications with Mary Magdalene and Jesus, co-regents of Nebadon, and together with Marion and James' Feeling Healing process is the start of the Great U-Turn for all of humanity, both in the physical as well as in spirit. **The REBELLION and DEFAULT have now ended.** Now for The CHANGE, the completion of the END TIMES, then the HANDOVER which leads us into the commencement of the AVONAL AGE which is the next spiritual era of 1,000 years.

## PSYCHIC BARRIERS:

Tuesday, 21 November 2017 – Note from John – Hi Nanna Beth and James

“That there are very real restrictions that act like very real barriers impeding the normal functioning of us all because of the Rebellion and Default.” – Nanna Beth 20 November 2017

I gather that the Psychic Barriers have nothing to do with spirits from any of the mind Mansion Worlds or from the planes referred to as the hells. Are these Psychic Barriers all remnants of the Rebellion and Default controlling ways and contracts, and as we break through them, then are they finished for ever?

Nanna Beth, 1<sup>st</sup> Celestial Heaven – John’s grandmother: That’s right John, the Psychic Barriers don’t have anything to do with any of us spirits, however, we are all limited by them in what we can do with you, even including those spirits in the mind worlds.

The barriers are imposed circuits of mind and feeling dictated to us by the tenets or ‘laws’ of the Rebellion and Default. If you like, humanity has Fallen from the Celestial level down through the seven Mansion Worlds, so through every plane and subplane and subsubplane and so on through seven subplanes of every plane in every Mansion World. And even then still being divided up into the negative relationship between the mind and feelings down to what you might see as a microscopic circuit level, that which we can’t see, yet the angels can.

The angels are ‘wired’ into all the mind / feeling circuits, so know exactly where we are in our rebellion against these circuits, that being, how we should truly and lovingly live them and yet how we’re not doing so whilst we’re in our unloving and untrue states, and then where you are in your Healing of them. And each of these circuits, from the smallest and building up into the biggest, are what we call psychic barriers.

And they are all within you, and you have all to heal them all through your Healing. And that’s on the personal level, which then also has to be done on the combined level for the whole of humanity.

So through your Healing, each bad feeling experience you have really equates to having to deal with one or more of these damaged mind / feeling circuits, which are then represented on all the levels within yourself, on the feeling, mind and will levels, and all in between. So when you express all the pain and submit to the bad feelings, no longer trying to control or fight them, you are effectively falling into the pattern of how you live and express your negative circuit, thereby de-powering it, short circuiting it if you like, which then liberates more pain and truth, which then allows the circuit to be made right, this being the progress as you ascend through your Healing up through the Mansion Worlds.

So these barriers are the dysfunctional mind / feeling circuits on all the varying levels. And what Marion and James are doing is crushing them all by taking them all within themselves, which they did through their early life, just like we all do, then Healing themselves systematically of them, each in their separate ways, which then opens the doorway for others to do through their Healing.

And for us Celestials, we have had to wait for them to work their way up through these circuits before we can act, because their breaking through and breaking them down means there are no longer barriers. And so as their Healing advances, so we've been able to do more by taking over as we've told you, and that's continuing on a daily basis. However the difficulty we still face, is, there are still some significant ones in place, so our hands are tied concerning them, and these are what we've been referring to that are causing problems for you and Crystal.

**John:** To achieve the cancellation of the Psychic Barriers, it feels as though a few field mice are up against Goliath.

**Nanna Beth:** So in all your different ways, you're pushing up against the coal face so to speak, you John, Crystal and Samantha, and there's nothing that can be done other than allowing the process to happen, because it's all being driven by the Mother and Father through your souls. So the real so-called fight between good and evil – Satan and Lucifer and the Devil (Caligastia) and forces of Darkness, has actually been going on these past twenty years or so (1993 could be said to be the start of James and Marion's personal healing) each of you in your own separate ways taking on the bad within you and looking to Heal yourself. And even though you, John and Crystal, might not be actively doing your Healing like Samantha is, still you're taking on the Healing and all that's involved on the mind levels by accepting all James (and Marion) reveal.

By you not rejecting them, so you are doing your bit to stick it up the Rebellion and Default, which is in fact the Great U-Turn – you are doing it in yourselves, which can then be followed by the rest of humanity. So you are, as you say, little mice trying to scratch a hole in the brick wall, slowly working away at the barriers. And this is being reflected by these unseen barriers at work with the Couriers, who of course don't understand anything about this, but it's why they simply think it's just another job and one that shouldn't pose any problems, so why not just get it done, when in fact they are embroiled in this monumental struggle because it involves you and Crystal.

And we Celestials are not powerful enough to break such hidden and unseen barriers. Only the Paradise Pairs are powerful enough to do that, that's what they are all about, and in particular the Avonals, because it's what they are created to do, no one else can do it. And they can only do it by doing it within themselves, they can't see or know where these barriers are and deal with them through their minds, anymore than the Lucifers could see and control them by smashing through and breaking down the positive circuits as they rebelled. It all happens on the organic human level, with the rebellion being systematically passed on, getting worse, generation after generation, through the ages. And now it's all starting to reverse, all to change generation after generation up through the coming ages as humanity heals itself of its woe.

So I hope I've explained it better for you, it's all what we call 'technical' as it's all to do with the Mind side of things, that which is organised by the Infinite Daughter and Divine Minister, being carried out by the angels.

You can look at it like a matrix, which is often talked about, being created by the Daughter providing the inner mind-matrix or mind-circuits of Creation, about which and within which everything has its being. So your personality expression is built up around this matrix, being expressed in how your physical and spirit bodies are expressed in Creation. And so you can't do anything more than the mind and feeling levels you are on, other than increase their denial by moving deeper into your wrongness, or do your Healing and go the other way working your way out of it by changing your inner circuits. And these inner circuits are the templates for your whole being in Creation, so the laws of the physical body and all the rest run along them. And at best you can identify the laws or circuits, and live with them, but you can't change them. We can only change them within ourselves by doing our Healing. And as enough of humanity Heals itself, so then the greater changes will take place too. But that's more for the future. Right now it's about you few individuals doing what you need to do.

**Lucifer**, after being System Sovereign for 500 thousand years, rebelled against the Creator daughter and son (Michaels) leadership of Nebadon, and then seduced 37 humanities to join into rebellion, Earth being 1 of 37. That was 200 thousand years ago. Earth's Planetary Prince who induced the Rebellion on Earth, Caligastia, is also referred to as the devil.

**Lanonandek spirits from local universe Nebadon.**

**Lucifer soulmate / partner pair being System Sovereign and Satan soul partners being their Lieutenants.**

**Also Lanonandek spirits:**

**Caligastia soul partner pair being Planetary Prince with Daligastia being their deputies. Caligastia is the 'devil' personality.**

Mind Mansion World spirits influenced people on Earth by infusing Lucifer's dictates.

The Urantia Book (TUB): (602.1) 53:1.4 Very little was heard of Lucifer on Urantia (Earth) owing to the fact that he assigned his first lieutenant, Satan, to advocate his cause on your planet. Satan was a member of the same primary group of Lanonandeks but had never functioned as a System Sovereign; he entered fully into the Lucifer insurrection. The "devil" is none other than Caligastia, the deposed Planetary Prince of Urantia and a Son of the secondary order of Lanonandeks. At the time Michael was on Urantia in the flesh, Lucifer, Satan and Caligastia were leagued together to effect the miscarriage of his bestowal mission. But they signally failed. (Daligastia being Caligastia's first lieutenant or deputy.)

(602.4) 53:2.1 Lucifer and his first assistant, Satan, had reigned on Jerusem for more than five hundred thousand years when in their hearts they began to array themselves against the Universal Father and his then vicegerent Son, Michael. (Jerusem is the home city of the first three Celestial Heaven spheres.)

### HOW SCRIPTURES CAME ABOUT:

**Lanonandeks:** Lucifer, Satan, Caligastia, Daligastia and their partners, high spirits that oversee humanity, rebelled against the Truth, Mary Magdalene and Jesus, and against God.

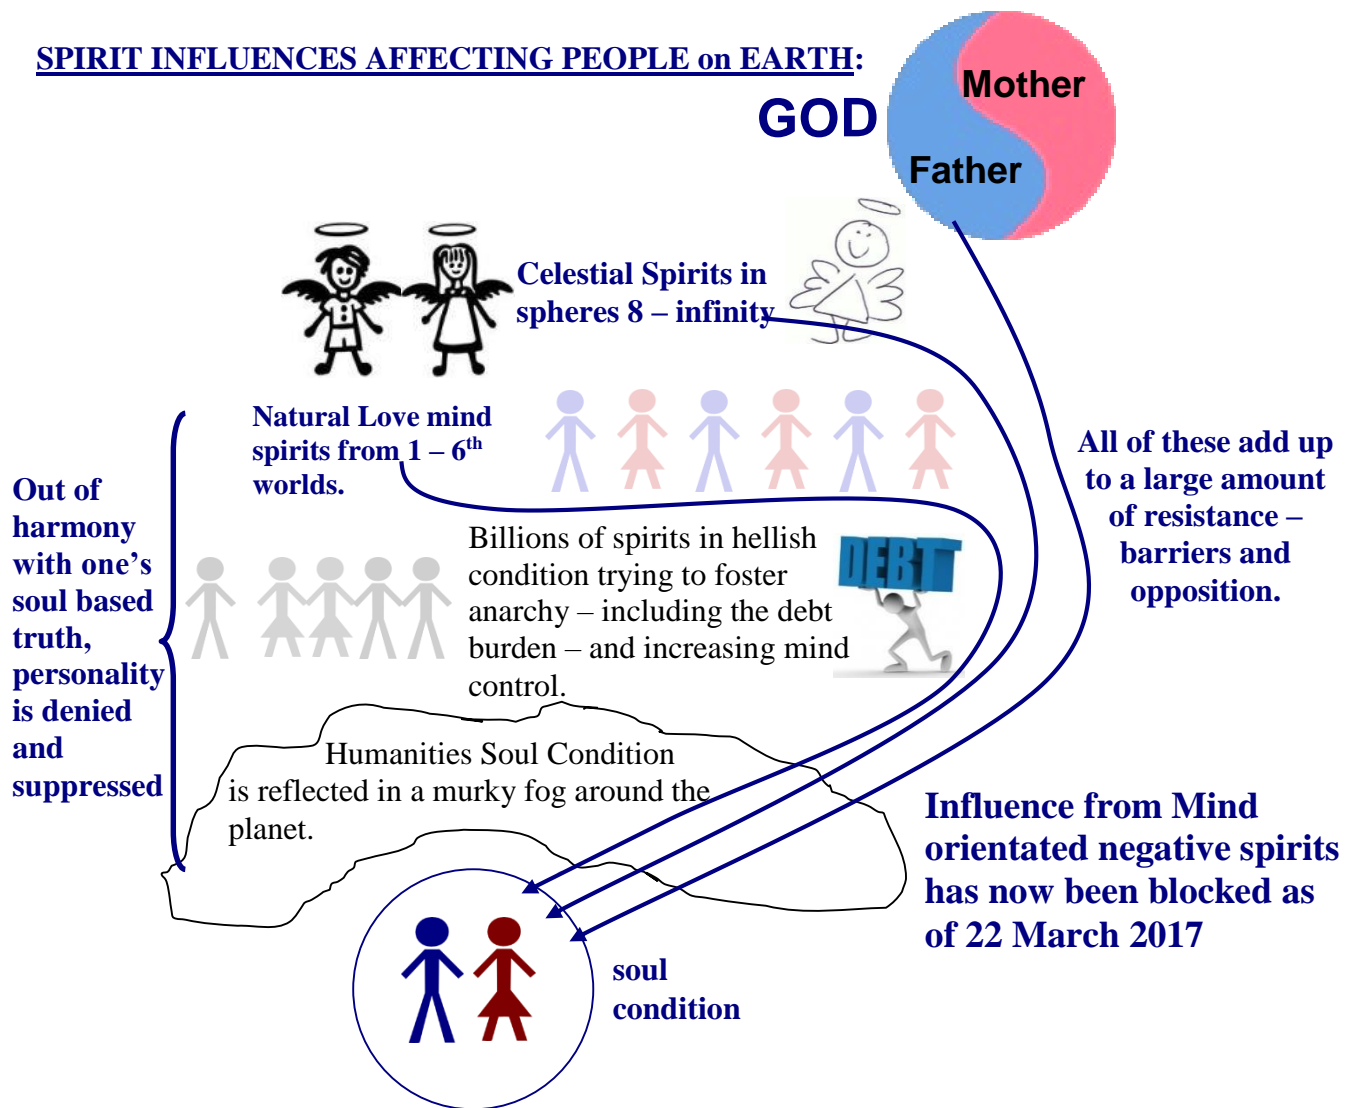

**Earth:** The rebellious higher spirits together with the corrupted and lost-to-the-truth Mansion World mind spirits, interfered with people on Earth – now is stopped as of 22 March 2017.

## SPIRIT INFLUENCES AFFECTING PEOPLE on EARTH:

## SPIRITUAL UNIVERSE CAMPS

**MISERY IMPOSED upon OTHERS = MISERY to be ENDURED:**

The pain we cause another is the equivalent amount of pain that we will subsequently endure. When we control events and actions that are bringing about misery to others, even though we do not know who these may be, their misery will be

played out to us in the clarity of the most vivid detail and reality that is beyond our present comprehension.

Every iota of pain and misery that we cause to another, and that includes direct and indirect and consequential, this we will endure to the absolute last penny.

Those who assist and aid in such endeavours of control and harm will equally be engaged in this Law of Compensation. There is no avoidance, no way of limiting what awaits for such unloving and self-centred actions by anyone. Not a single dot of compensation can be avoided.

The two Earth Planes of Disharmony are regions of isolation, desolation and compensation for those who embraced control of others. There is no 'fire and brimstone'!

# Boundaries of HELL!

Humanity on physical Earth is in Rebellion and Default, thus hell! Upon death we all arrive in the 1<sup>st</sup> spirit mind Mansion World where we typically suppress our poor state and remain in the mind Mansion Worlds indefinitely. Some have a period in the 'hells' compensating for the pain they have caused others. Many continue their 'mind worshipping'. However the way out is by embracing Feeling Healing, and with Divine Love, Soul Healing to progress up through the Crying Healing Worlds and transition out to the first of the Celestial Heavens.

## GATEWAY

Transitioning into the Celestial Heavens is also out of:

## OUT

## ISOLATION

If you go against yourself, if you're untrue to yourself, then you are going against God and all God's laws, and compensation is required to bring you back into the fold, which is what happens through our Spiritual Healing. It's the Law of Forgiveness, forgiving yourself through self-acceptance, which is dominant in this part of your life. If you cross the line and abuse your children, that being up until they are 21 years old, then you have both levels and amounts of Compensation and Forgiveness to deal with, that which happens as part of your Healing. And as everyone abuses their children, we being conceived into our parents' rebellion against the truth of our soul, so all who have children have to come to terms with all they've done through their Healing.

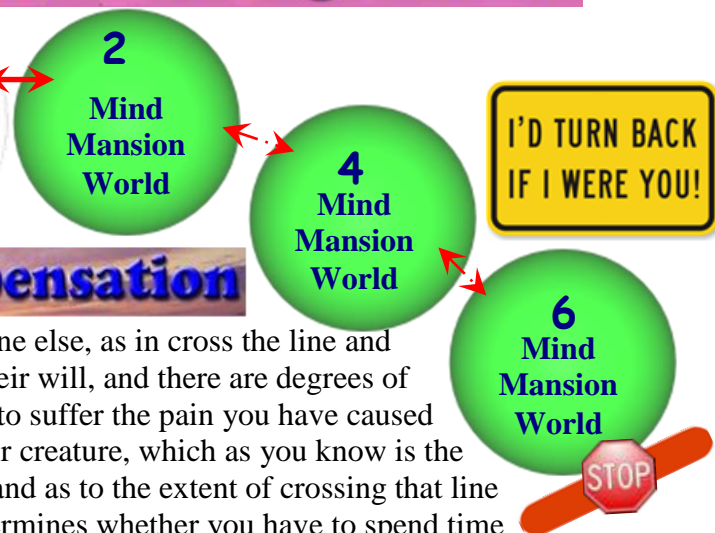

Kevin 18 Feb 2019

## Law of Forgiveness

## Law of Compensation

If you go against someone else, as in cross the line and grossly interfere with their will, and there are degrees of this, then you will have to suffer the pain you have caused the other person, spirit or creature, which as you know is the Law of Compensation; and as to the extent of crossing that line and hurting another determines whether you have to spend time in the hells or not. Kevin, John's brother-in-law, 18 February 2019

The minor 'hells' are the lower levels of the 1<sup>st</sup> mind Mansion World whereas the more severe are the Planes of Isolation being the 2<sup>nd</sup> Earth plane with the severest being the 1<sup>st</sup> Earth plane. Pain caused to another is the pain that will be endured before returning to the 1<sup>st</sup> mind Mansion World, all then to consider your Feeling Healing.

# Boundaries of HELL!

The gateway out of our isolation from all other humanities within our local system is opened to us upon the completion of our healing of all that represents the Rebellion and Default.

While we remain embraced within the Rebellion and Default, even though we are unknowingly doing so, all of the humanity of Earth is isolated from all of the other humanities throughout our local system of Satania, all 619 inhabited worlds, thus effectively we are in hell!

Further, we are also isolated from the Spirits of Truth that our spiritual parents can offer us, until we complete our healing and enter the first of the Celestial Heavens, and that is when we move through the gateway and progress beyond healing Mansion World number 7.

Life on Earth is living in hell in the physical. Many of us consider it to be wonderful – that is a fantasy. Our physical parents have remodelled our personality to reflect what they consider appropriate ... IT'S NOT! We are to freely express the personality that our Heavenly Mother and Father bestowed us with.

Many of us fight so powerfully against our childhood suppression and repression that we go on and cause great harm to many others, all of which the Law of Compensation takes into account. The lower levels of the 1<sup>st</sup> mind Mansion World is a region for our compensation. We ALL enter the 1<sup>st</sup> mind Mansion World as spirits upon the death of our physical body. The pain we cause to another is the pain that we will endure in compensation. Those who try to continue to inflict harm on others, cannot do so and may find themselves within the 1<sup>st</sup> and 2<sup>nd</sup> planes of Earth. The 1<sup>st</sup> Earth plane being the worst of the hells, while the 2<sup>nd</sup> is bridging towards a return to the 1<sup>st</sup> mind Mansion World hell sectors. You can continue to live through your mind and perfect the mind but you will end up at a dead end in the 6<sup>th</sup> mind Mansion World. There are more than 200 billion spirits within the 1<sup>st</sup> and 2<sup>nd</sup> mind Mansion Worlds and the two Earth planes of compensation. These areas are packed to the rafters! Only by embracing our Feeling Healing and with our Heavenly Parents' Divine Love can we heal ourselves and progress through the three healing worlds before transitioning to the Celestial Heavens and out of the Hells. Within the Celestial Heavens are spirit personalities from all of the 619 worlds within our local system called Satania.

# Mind Mansion Worlds of Natural Love

**Mansion World One:** We ALL arrive into Mind Spirit Mansion World One upon the death of our physical body. Just the general confusion of spirits living their wrongness the best they can, trying to not be bad, trying not to hurt others, thereby staying out of the hells and lower Earth planes. The Law of Compensation ‘persuades’ you not to even think about harming another person.

**Mansion World Two:** Starting to work more with one’s controlling mind, with the focus being on Service, you are to use your mind to be more loving, to help selflessly others, to put others before yourself, to not want for yourself, only wanting the good and betterment of others. And to have loving thoughts, to not think badly of anyone, to keep ‘being good’ in your mind at all times. To think positively, to use your mind to control your feelings so as to make yourself be happy, to bring your full success out, to celebrate your god-given gifts, all for the good and benefit of all.

**Mansion World Four:** This being where ‘self-help’ approaches fit in. It being where you’ve had enough of being of Service, giving yourself to everyone else, and decide that you have to start looking more after yourself. So you look to working more closely on yourself, you still have bad feelings so you set about working to resolve the emotional issues through whatever means you can. And they involve emotional releasing / clearing through some level of feeling-acceptance, as you can’t get rid of them that easily, yet overall you’re working to bury them once and for all, so deal with all your memory processing, deal with your traumas, do all your massive forgiving, which sets you up in a power position because you are the great one forgiving everyone – those people who did wrong by you, so you feel more in control, freeing yourself from your controllers, telling them – you are forgiven, giving them your blessing, feeling you no longer need to be bound into those patterns, and feeling like you’ve found and are bringing out more your True Self, your true self which I reckon is more of the spirit you that’s deeper in your mind control.

**Mansion World Six:** This is where you put it all together, you’ve achieved mind ‘ascendancy’, the perfection of your negative mind-controlling state, specialising in your area of interest, being in bliss and true love and happiness – all mind derived, all of which is resulting from your mind saying you are at-one with Source, God, Soul, whatever the term, which is just your own controlling mind. Your mind is god, and it’s calling the shots, keeping all your repressed feelings away, without you having to address any personality imperfection resulting from your bad parenting. Because you believe you’ve fixed all of that, you no longer have bad feelings within you, you’ve forgiven the evil ones in your life, you’re now wholly in control making your reality be as you want it to be through your mind.

# ENVIRONMENTAL CONFRONTATION

Verna, a Nature Spirit, 26 May 2019: You believe people like your Australian Aborigines were more in touch with nature because they didn't seemingly destroy it as much as the white man invaders have done, however they weren't, not spiritually speaking. They hunted and gathered and did a minimal amount of farming, but they still didn't understand about our connection with the World, they didn't personally interact with us, they developed their own wayward spiritual beliefs and ceremonies all designed to keep them fully entrenched within the Rebellion in a more primitive way, and it was all still wrong by higher spiritual standards. So the aboriginal culture had to go, just as in the end so will the white man culture, as people of all races who do their Healing and who do work more closely with us nature spirits will end up doing. But that's still some way off and there's a lot of spiritual awareness awakening that needs to happen first.

So in one way it seems like the aborigines were closer to nature and the natural world, which they were in their more primitiveness, whereas they weren't in a spiritual sense. And this confuses a lot of people, attributing more spiritualness to them than should be, as their beliefs are no more or worse than any others that are rebellious. And so shouldn't be held in higher regard. They can of course be appreciated like all spiritual and religious beliefs for being an expression of truth-denial and the Rebellion, should one want to appreciate such wayward beliefs.

Helen, 3<sup>rd</sup> Celestial Heaven, 27 August 2017: You have **the Eastern mind controlling Buddhists doing their bit from long ago, which was a remnant surviving from the Atlantean age**, along with the other primitive and spiritual systems of belief, and now it's all coming to a head for we are arriving at the end of the next Earth age, with The Change, the next cataclysmic event not far away in Earth natural time.

Only the trouble is, there are cataclysmic events periodically that destroy nearly everyone on Earth, and so as each civilisation ended, so was a new 'race' of Chosen Ones selected to be the prime subjects of control for the next age. So it came out of the original Jewish races, or what became the Jews, this time around, and then with Jesus and Mary coming and putting a major spanner in the works by removing the Lucifers and Satans (the Evil Ones), leaving it all in the hands of the Caligastias and Daligastias (C&D). So C&D worked all the Christian stuff into it, even with Jesus returning to do away with the Anti-christ, their (Evil Ones and their controllers) Messiah, just to suck in all the Christians making them think they are on the winning side, then introducing Islam to spice it all up and have the natural foe to fight against.

Helen, 20 August 2017: **The religions of today were created as a means of stopping Jesus' truth about longing for the Divine Love and what that does to the soul, and then any truth Mary Magdalene might have said about looking to our feelings for their truth, so as to keep the Rebellion in place. The religions pre-Jesus were designed by the Higher Evil Spirits who were controlling humanity to keep that control, focusing everything on the mind being in control rather than feelings, and then post-Jesus, they added more of the same yet with the added emphasis of using all he said, so taking it, corrupting it, and adapting it to their cause. And then throw in their contrived Islam, and you've more male domination and the subjugation of feelings – of the woman.**

Helen, 3 August 2017: "Why so many people get stuck in them (a given so-called Holy Book) and can't move on, it is all being what is still required by the **Contract of the Rebellion and Default.**"

**REBELLION and DEFAULT ENDING:**

Thursday, 30 November 2017

James: Good morning Nanna Beth. Having just given up wanting to think about the conspiracy business ever again, because I find it too dementing, then I read another article that explains it even more and I'm away again into my mind trying to work it out again. Anyway, this article was about the hidden controllers, as you call them, they being based in Europe and England and including, on certain levels, members of certain royal families, and that they have this need to perform sacrifices following the Tarot. For example, with Princess Diana being the sacrificial Queen of Cups. So I want you to please tell me, is there any truth to this, is it all part of their wacky Satan worshipping thing?

Nanna Beth – 3<sup>rd</sup> Celestial Heaven, John's grandmother: It is James. They follow such cults, which are an elaborate concoction of mainstream religions and Satanism, and a lot of other 'witch-doctory' stuff they've made up for themselves over the years, all with the help of the mind spirits, and before they were removed, the Caligastias and Daligastias (C & D were arrested and spirit world imprisoned in the early 1990s). They do firmly believe they are the Chosen Ones, the true rulers of humanity, they being the emissaries of these Evil Ones (universal personalities, they don't really understand they are spirits as such) on Earth. And so part of the ritual sacrifice allows them to maintain their inner connections with such higher controlling spirits, all so in the end, when it all comes to fruition, their Great Master, who amounts to Satan himself (also in spirit world prison), will materialise, take over, appoint them officially in charge of the world, grant them immortality, and then leave them to it. So they run Earth, He runs his unseen worlds, and everyone is happy.

"Chosen by God,' eh?  
— What's the catch?"

And they don't worry about death, because they've been told, that when the Great Day arrives, he will return with all who've died, all the other main hidden controllers, those in the real know, and not all the also-rans like the Bushs, Clintons and Obamas, etc. they've used, but those with the real blood lines, who'll take up their respective places and live in paradise on Earth.

And they are working to bring it all to its final conclusion now, because strange things have been taking place which they can't put their finger on – 'atmospheric disturbances' on the psychic levels. And even though these 'confusions' are beginning to cause them problems, they rationalise that these are good signs because they are heralding the beginning of the end, that something major is taking place (which it has, by us Celestials stepping in), all pointing more toward their End Time Messiah making His long-awaited appearance.

James: Why do they believe they need the sacrifices – what does that do for them?

Nanna Beth: It appeases their god, like what the ancients believed, that it helps show they have the power, they can do whatever they like with impunity, they can take the lives of others and nothing bad happens to them; and even better than that, all these good things happen, they keep making more money, gain more control, have less people able to go against them. Not showing such power by making such ritualised sacrifices might mean they lose their control and it turns everything against them.

And ritualising it makes it be all the more important, like undertaking religious ceremony and practice, all in the mistaken belief that it keeps the whole thing sacred, legitimising it in a way, even making it legal to their warped minds.

**FOR 200,000 years ALL SCRIPTURES and Earth based INSTITUTIONALISED SYSTEMS are the WORK of the REBELLIOUS LANONANDEKS:**

**The rebellious Lanonandeks from within our local universe are these soul partner pairs:**

They love the whole secretive thing James, that's what gives them the thrill and desire to keep going with it. They are 'The Club', the Elite, they are the Chosen Ones, and they secretly do whatever they like with everyone lesser than them. So they work out all these ways of using and all but enslaving the people to do whatever they want. It's the ultimate power in the wrongness. And because you've never had a taste of it, you find it hard to relate to. Imagine being your mother, the most powerful person in your early life, and having so much power that it makes you overwhelmingly happy. So unlike being always unhappy and discontent like your mother, she is the opposite, so happy. Yet not happy, gracious and benevolent, but happy that she's so controlling and always wanting more control, more power, an insatiable appetite for it, and also fearing someone is going to or is trying to take it from you, so always having to ensure your kingdom and wealth is safe.

James: You're right Beth, I can't imagine such power, my pathetic little bit is always heavily overshadowed by mum's, and she sanctions it, I don't have it in my own right.

Nanna Beth: Which is really the same for the hidden controllers. They learnt very early on, that if you're going to work with 'Satan' and the hidden Ones in spirit who really controlled the shots, fine. However, if you think you're able to transgress their laws and ways, forget it, you'll soon be terminated or inflicted with a terrible illness or everything in life suddenly goes against you. The Caligastias and Daligastias (fallen Lanonandeks) had all the power until Jesus and Mary came, and even still quite a lot once they'd left, so they easily controlled those people on Earth who wanted to work for them.

Pre Jesus and Mary, they could do whatever they wanted and controlled humanity completely, so were able to engineer the removal of Jesus. Post Mary and Jesus, they weren't able to have such complete power, so other people could grow up wanting to be more true and good, even within the negative, and without such people being instantly dealt with by the Caligastias and Daligastias (C&D). So there developed competing factions, all of whom C&D then worked using all sides against each other, all of which caused some consternation amongst the hidden controllers. So as humanity has developed during these past two hundred years, in some ways the hidden controllers have greatly increased their power, and yet at the same time other competing forces have come up against them. And it was all meant to culminate in one big final battle and Armageddon, after which the real hidden controllers would reign supreme, however because of the removal of C&D (early 1990s), things aren't looking like they might turn out that way... or, they still might, but just not how they'd been told... or perhaps it's still too early days, as they too suffer what you do James, in not being told exactly when the End Times and all

**ENDTIMES**

the rest is meant to happen, because no one knows. We know, we Celestials, but the mind spirits are kept in the dark, they are trying to work it out based on the 'signs', in life and in the stars, but that's not going to help much. Even C&D thought they knew, but without L&S (Lucifer and Satan, also fallen Lanonandeks who were imprisoned by Jesus during his public ministry) to back them up, they were starting to lose their way too. So you've got all that's in Revelation and so based on times when the Evil Ones were much more sure of how it was all going to work out, however things now are a bit more up in the air.

So they weren't meant to have Russia stepping up to the plate and defeating ISIS in Syria, (Islamic State of Iraq and Syria, officially known as the Islamic State and also known by its Arabic acronym Daesh, is a militant Islamist group) that put a spanner in the works; and America didn't buy into it as they should have done by hammering Iran when it was meant to; that too caused major problems. And now things are getting desperate with Trump's lot starting to air the dirty laundry, which is only going to increase making everyone wonder if indeed anyone with any political power is not just a dirty old man. Credibility is beginning to wane, Bitcoin is beginning to put the wind up the bankers, everyone is starting to scramble because things are happening too fast and seemingly without any direction. And worst of all, the bloody Russians seem to be the only ones on top of it all. If it weren't for them, the Chinese would have floundered, the Middle East would be in flames, there'd be no oil from there causing all sorts of problems.

So as we've told you, the inner pressures are mounting for the hidden controllers. They are having to dig deeper and start to assert their control more heavily, which then starts to show where and who they are, something they don't like at all. So the Internet is a blessing as much as a curse, should you keep it or get rid of it, yet it's all gone too far and is spiralling out of control. With, as we've also told you, next year being the 'Year for Signs' that things are not going as planned for them.

James: Again it struck me that the hidden controllers are hardly going to allow a couple of gnats (Solid Investment fund pool, etc.) to have their way, let alone pay out a vast amount of cash to them. Irrespective of the guarantee, because who is going to make them pay, they control everything!

Nanna Beth: And it's true what you say James, it does seem like a lost cause, and why even bother, however as you also understand, there is more to it than that. The power of the hidden controllers has already peaked (although they don't as yet fully comprehend that), it is on the wane now, and they will never be able to regain that which they are losing. And so it's a long fall down from their lofty peaks, and so not as far for the gnats to climb up.

**hidden  
CONTROLLERS**

James: Good one Beth, I see what you're saying. You've got it all sorted, haven't you? I can't find any holes in your argument; you have every one of my manoeuvres covered, I'm one of those gnats with you lot being the real hidden controllers.

Nanna Beth: Now you're getting the idea James.

James: I always feel like I'm having to work everything out from down in the depths of my hole, whilst you are all up there happy in the light.

Nanna Beth: It's true. That is how it is for you James. We're all pleasantly in the driver's seat, and you're being dragged along somewhere behind without a clue about what's happening – good fun isn't?

James: I suppose it's your pay off or compensation for having done the hard work of Healing yourselves. Your 'reward'.

Nanna Beth: You could say it's something like that, yes. I'll speak to you soon – Nanna Beth.

Later...

James: If the cataclysmic end times repeat (Pole Shift cycles of 12,000 to 13,000 years), wiping out the bulk of humanity and changing everything so much that humanity has to start all over again, scratching around in the dirt and building itself up for yet another crash, then how did L&S & C&D (Lucifer and Satan soul partner pairs and Caligastia and Daligastia soul partner pairs – 'the Evil Ones') see and deal with those cyclic changes? You invest everything in humanity, only to see all you've done wiped, then to start out all over again?

Nanna Beth: It was just how it was James, so they worked within such imposed limitations. They took a very long-term view, taking into account such upheavals. They were looking for long time obedience to them, they wanted humanity to be their slaves so that at some far off future time when they'd won the Rebellion, they'd have a ready-made army of workers and slaves to help them run the universe. So within that army, they needed their officers, so those people were selected to gain power and control over the masses – the hidden controllers of every Earth-age. And as you understand, prior to a Paradise Bestowal pair coming to Earth, everyone who died remained confined to the spirit Mansion Worlds when they awoke at the end of each epoch. And there they continued to be schooled by the Evil Ones for the eventful day when the Lucifers could make inroads deeper into controlling and eventually taking over Nebadon (our Local Universe).

James: So they really believed they could do that?

Nanna Beth: And the worlds under their control were where they enlisted the troops, and whether the 'troops' wanted it or not. The Lucifers (soulmate pair) were going to become the new Mary and Jesus.

James: But what about having to deal with the Avonal pairs, even if they could somehow usurp Mary and Jesus (being Creator Daughter and Son from Paradise and co-regents of Nebadon)?

Nanna Beth: They believed that because of their rebellion, and because of what the Rebellion was, that such pairs would cease to function in Nebadon, going back to Paradise, because there was no more need for them, as the Lucifers wouldn't want them.

James: But surely the Lucifers had been schooled at knowing that the Avonals were the pairs who redeemed rebellious worlds?

Nanna Beth: Yes they knew, even though they'd never witnessed it happening, however they also knew that they couldn't redeem such worlds until the Rebellion had been terminated by Mary and Jesus. So if Mary and Jesus were going to act, which they didn't for a very long time, and with each passing day the Lucifers growing more confident that they never would; and so because of that, that they were winning, and that perhaps Mary and Jesus were even powerless to act to stop them. You see James, there was a lot of precedent in the positive side of things, as to how all these universal personalities act, however there wasn't any precedent in the negative, when a rebellion happened. So the theory is one thing, however there is always the fact that the theory might not be sound, and it's not until proven through life experience that

it is. So because they'd been allowed to rebel at all, well, if you can do that, why not keep going, and you just don't know where it might lead, you might end up taking over the universe, and you might even go further, and what about taking over God? And I know it might sound absurd to you, however there is no limit to such absurd thinking when you've gone off the rails rebelling in your mind – as you on Earth all know.

So anything was possible, however they got quite a shock when they found out suddenly it really was Mary and Jesus on Earth living amongst ordinary women and men. Because they then knew that the writing was on the wall, all their plans had to go in the bin, because they didn't know what fate then awaited them. And as they couldn't get rid of Mary and Jesus using supernatural means, all they could do was engineer their removal from Earth using their human accomplices, which they thought they'd succeeded in, only for L&S (Lucifer and Satan soulmate / soul partner pairs) to suddenly find themselves under universal arrest and taken to the detention plane. Then C&D (Caligastia and Daligastia soul partner pairs) didn't know what would happen to them, and as they weren't told, they carried on the best they could until suddenly their time came too (in the early 1990s).

James: C&D must have suspected an Avonal Pair arrival once Mary and Jesus had come?

Nanna Beth: Yes, but when... that was the question. And once they realised it wasn't going to be any time soon, they put in place their plans to take over the world for the day when they might show up. Sort of like, well if we can't have it, then fuck you, we'll make it as difficult as we can.

James: I still find it staggering that L&S thought they might be able to take over Nebadon – how would they do that Nanna Beth?

Nanna Beth: They were preparing to have their armies of spirits and fallen angels mobilised at some point being able to take them out of the Mansion Worlds and higher into the universal spheres. That being if they could figure a way to get them out of their Mansion World confinement, which they believed was only a matter of time. And in the meantime, if they couldn't pull that off on spiritual levels, then possibly they could help advance the humanities under their control to go out into the universe conquering other material worlds, thereby bringing them into the Rebellion. So working at controlling Nebadon from the material level up – the bottom up, so to speak. Which in some ways makes more sense, so they would be able to control all the newly incarnating souls and turning them to their ways. They didn't fully appreciate that the rebellious humanities were quarantined and so unable to move out negatively affecting other worlds, and they thought they'd overcome such limitations eventually. And if they could eventually take over all the material worlds of Nebadon, then those spirits would one day move up higher, taking over all of spiritual Nebadon. Time was not a limitation, and the more time the better, as what else were they going to do other than fight for their cause? Their cause being to make themselves the Rulers of All. (Earth's humanity is quarantined in such a manner that people on Earth cannot travel outside our local solar system AND humanities from other worlds can enter our solar system, send probes to Earth but may not visit. There are no 'star wars'!)

They did understand to a certain degree, so I'm told, that it was really the mind verses feelings way of life. They delighted in their minds, it was in them they found their power, and found they could easily control lesser minds. And so they set about influencing the lesser underdeveloped minds of the lower worlds, whilst the higher universal more feeling based spirits, including the Avonals and Mary and Jesus, didn't seem to interfere.

And it was always possible they might have come to their senses and said they didn't want to Rebel anymore and take whatever punishment awaited them, which I think was merciful of Mary and Jesus to give them such time to reconsider. However when it became too much and obvious they weren't going to, and reasons

of the Mother and Father, so it was brought to an end. And we think it happened so soon, as potentially the Rebellion could have gone on much longer and even expanded, because it was causing too much change, it was too much to deal with all at once. And had it gone on longer, it would have caused even greater changes, and the rest of Nebadon, and perhaps even Creation, wasn't ready to be subjected to that level of change. The Rebellion was really just a little hiccup in the ways of love. And we wonder if it's the first hiccup of a long period of indigestion awaiting the next levels of Creation. So something we can all get a taste of, yet something not too bad. Which is not much comfort for you James when you feel still caught up in your unloving wrongness.

James: So humanity's push to leave the world and go off exploring other planets is all really part of the L&S (Lucifer and Satan) plan?

Nanna Beth: Yes. Everything that Earth is, is part of their plan, because it's all adhering to the mind ways of life – mind control. Only the difficulty was, the age between each cyclic upheaval had its own unique ways and power of doing things (each pole shift results in different energy frequencies for Earth). So humanity wasn't evolving or growing or developing its mind in a lineal progression, and one in which L&S (Lucifer and Satan soulmate / soul partner pairs) could dominate and dictate spiritual (which was really mental) direction. Other civilisations were able to harness magnetics to overcome gravity and were able to leave the world and move about in space, then that all came to an end with a cataclysmic change. And when the next age began, those same laws that enable the magnetics to be used had been lost and couldn't be acted upon, so new ways of leaving the planet had to be developed. But then as in this age, it gradually became apparent that it was going to take a very long time to get anywhere near leaving the world, if indeed it could actually happen, because humanity became more bogged down in petty squabbling and personality expression problems, and didn't or couldn't expand the mind to such a degree as to give rise to the needed technologies that would have allowed reasonable space flight. And look at you now, you can hardly get a rocket up into space, and you think you're all so advanced, and yet the end of this Earth-age is nearly upon you. So then you'll have to start all over again. So it's not looking good for any of C&D (Caligastia and Daligastia soul partner pairs) plans, not that they care anymore.

James: So the Mother and Father engineered it that the L&S' plans would fail, because the age would change through these upheavals?

Nanna Beth: Yes, because the Mother and Father are not about whether or not L&S win, that's L&S' own delusion; the Mother and Father are about people experiencing what it's like growing up being subjected to rebellion and no-love. They are about relationships in the negative and positive, without love and with love. And They are not about Mary and Jesus losing control of Nebadon, because that was not part of Their plan. And you know Who's plan is going to be lived in the end.

James: So on a positive note, all the alternative technologies are in fact more a step in the right direction for the next age, not the Spiritual Age, although that is at the beginning of the next upheaval age?

Nanna Beth: They are, provided the means to run such technologies remain, as in the laws governing them. The laws might change, and so new technologies would have to be developed as humanity evolves along new lines of mental and feeling growth. However it might be that humanity now evolves in Truth through doing its Healing, and doesn't require such advanced mental technologies, preferring to live at-one with nature through its feelings, delighting in living in multi-family groups all based on helping people do their Healing, perfecting their relationships, being truly loving, and raising children as rebellion free as their truth allows.

You don't know James, we do, we've been schooled on it, however that too we can't tell you. What you can know is both the next ages, as in Spiritual Age and Earth age, will be conducive to allowing people to do their Healing, because without L&S & C&D (Lucifer, Satan, Caligastia, Daligastia soul partner pairs), there is no Rebellion anymore. And as humanity isn't capable of taking it on themselves and evolving it, you need higher spirit input for that, and despite what the mind Mansion Worlds' spirits might think they are capable of, all of which is irrelevant now anyway, because we Celestials have taken over. And that does mean the end of it, and the beginning of the new. And this is being seen in your small way through Samantha, Graham, John and others, yourself and Marion, you all saying no to it in your different ways, and proving to yourselves, again in your different ways, that you can do something about it. And no one previously, no one for the past two hundred thousand years, has been able to do something personally about it. Many have wanted to and tried but haven't known what it was really all about. They've not understood or appreciated the Rebellion and Default for its spiritual strength, or on the personal level, how controlling it is and how controlled you all are, and have not understood it's all feeling denial by the mind, and have not understood how to look to their feelings to set themselves free.

So in your very small ways, you are showing that something drastic has changed for humanity. And it has. And those small ways will steadily grow, as the constraints governing and holding the Rebellion and Default in place loosen.

James: So if C&D (Caligastia and Daligastia soulmates) hadn't gone, none of this would be happening?

Nanna Beth: That's right. They'd still be firmly in place, people would have the TUB (The Urantia Book 1925-35) and the PM (Padgett Message 1914-23) to add to their rebelliousness, and so on it would go with C&D working them into their nefarious plans. And humanity had Jesus return through the PM (Padgett Messages), and C&D saw that once again Mary and Jesus didn't do anything. So they might have thought something like: I mean to say, saying you can long for the Divine Love, which when one does, doesn't do anything for anyone, there's no obvious inner transformation going on, so nothing to worry about there, move along; or hey, why not include longing for the Divine Love in the next controlling global religion we make up for the next Earth-age, when Christianity has run its course and been thrown in the bin.

So on it would have gone, and we Celestials would have been powerless to do anything, waiting for the day when someone starts doing their Healing and does it enough to allow us to start to have something of a say. And as that can only be an Avonal Pair, because humanity being bound up in its rebelliousness isn't able to ascend beyond it, as so many people have shown down through the ages. Alice Miller came so close, yet didn't have the spiritual understanding or inclination, so we couldn't reach out to her there; and as no one picked up on what she brought to light, moving with it and adding the spiritual side, so we've had to wait and prepare, and you know the rest.

James: So the fact that Divine Love Spirituality sits out on the Internet (James' website regarding Feeling Healing), and even if nothing happens any more than it already has, that is enough?

<https://divinelovespirituality.wordpress.com/>

Nanna Beth: Yes, because someone has done it – is living it, and from that others will come. So even if you died and nothing else happened with it James, it's part of the consciousness of humanity; it's there to be utilised by the likes of us Celestial spirits and people's Indwelling Spirits. So at some stage, someone would come along, and even if they didn't directly have access to your work, and even though they might not embrace or understand it all as much as you have, still they'd be able to introduce one of the facets of

it, and from there should humanity be meant to evolve that way, so it would happen. And it would happen, because as I said, there is no longer C&D to stop it from happening.

And this is why we keep stressing the Rebellion and Default are over, both from a technical point of view and personally, because a few people have embraced the truth of the Healing. These people want to Heal themselves of their wrongness, and even if it's just knowing it intellectually, they still want to do it, and that's enough, that's the Rebellion and Default broken right there and then.

James: So I can die and go home, wherever that might be? I don't have to do it anymore?

Nanna Beth: That's not for me to say James. Not for me to tell you. And it makes more sense that even though the Rebellion and Default are broken, still there is more that needs to be revealed about it, which will happen right the way up until you and Marion finish your Healing. Then you might be allowed to go... or you might have to do other work. You might even want to stay!

James: At least I feel now that I'm getting somewhere in seeing the truth of my fucked self-expression and inability to have relationships. I feel that I've finished with the higher spiritual truths for the time being, despite writing about this now with you, and truth is coming to me about why my relationships don't work. And I feel very good about that, as horrible as it is seeing all the bad stuff about myself. Now when things between Marion and I happen, she pulls me up and I work through it seeing what's wrong myself. And that's new for me on these deep personal levels. I've never been able to work back into it myself, she's always pointed it all out, but now I'm seeing it myself – finally!

I'm getting too hot and sweaty, so I'll say goodbye Nanna Beth and speak to you soon – thank you again.

Nanna Beth: Until next time James – speak to you then. Nanna Beth.

# Seven Spirit Earth Planes

Each of the seven Earth spirit planes co-exist in the same space as we do in the physical. We of the physical world are of the coarsest and densest material. Starting with the 1<sup>st</sup> plane, the material within each plane becomes finer, more refined and of greater luminosity. Those within the lower planes cannot see or discern the presence of those in higher planes. Those of the higher planes can move about those in lower planes without them being aware of being present unless they wish to reveal themselves.

Each plane is predominantly for one group of spirit or angel personalities. However, there are sectors within planes where visitors from higher planes can move about freely. No harm or disturbance can be caused by any spirit personality upon another, not even those within the physical Earth existence.

7<sup>th</sup> Earth Plane being for visitors from Havona and Paradise, together with the Daughters and Sons of God. This includes Angels who have come all the way from Paradise.

6<sup>th</sup> Earth Plane being for visitors from the higher levels of our Local Universe. Higher Daughters and Sons together with higher Angels.

5<sup>th</sup> Earth Plane being for visitors from the Celestial Heavens and higher angels and spirits from other parts of Creation, including Finaliters.

4<sup>th</sup> Earth Plane being exclusively for Angels, some of which have evolved from Nature Spirits!

3<sup>rd</sup> Earth Plane is the exclusive domain of Nature Spirits who are derived from creature life experience on Earth.

2<sup>nd</sup> Earth Plane – a ‘Sphere of Isolation’ from which one progresses having settled the Law of Compensation, allowing entry into regular spirit life in the 1<sup>st</sup> spirit Mansion World.

1<sup>st</sup> Earth Plane – the darkest ‘Sphere of Isolation’ and closest to Earth. A plane allowing spirits to live in their state of hell because of their grievous inclination to cause harm to others.

**FOR 200,000 years ALL SCRIPTURES and Earth based INSTITUTIONALISED SYSTEMS are the WORK of the REBELLIOUS LANONANDEKS:**

**The rebellious Lanonandeks from within our local universe are these soul partner pairs:**

## THE EVIL ONES

**Lucifer pair**

**Lucifer being System Sovereign of Satania  
Arrested and imprisoned 26 CE**

**Satan pair**

**Caligastia pair**

**Caligastia being Planetary Prince of Earth  
Arrested and imprisoned 1993 CE**

**Daligastia pair**

**7** A sector within the 7<sup>th</sup> plane is isolated from all others. This isolated sector is the spirit world prison for the rebellious Lanonandeks, all eight are presently accommodated within an English manor that is open to tourists on the Earth plane, and thus they have to endure the tourists.

**6** The Greatest Show is on Earth! Since the formal ending of the Universal Contract governing the Rebellion and Default for Earth on 31 January 2018, the 6<sup>th</sup> Earth Plane has been given over to visitors from the greater universe, being those outside of our local universe of Nebadon. The greater universe consists of 100,000 local universes, consequently as Earth is the only humanity throughout that is in Rebellion and Default and is now to heal itself of this, the number of spirit visitors are enormous.

**5** Similarly, the 5<sup>th</sup> Earth Plane has been given over to visitors from within our local universe of Nebadon, having 3,840,101 inhabited worlds. Each local universe being of a similar size. Midwayer spirits provide talks at regular intervals for visitors, and these talks are broadcast throughout the universes.

Earth's humanity is truly a fishbowl being observed by the peoples of all the universes.

## POWER of the MIND

Dear John, I wasn't going to contact you, but I felt I needed to connect with your feelings and heart honestly. There's only one way to do that... Share one's heart openly!

One thing I've learnt is that you can never assume anything about anyone.

Such as this... "John feels you are too old to change your ways... Why? Because you are so entrenched in being mind-centric in everything you've done, that changing from mind-centricity to feeling and healing concept is not possible for you."

**This is far from the truth. Not quite the experience one shares in a CV.**

**Here is my story John ~**

From Sep 2015 – Oct 2019, I battled a 6cm liver tumour and used a combination of natural and allopathic treatments. While trying to keep my oldest son alive after his first suicide attempt in 2011, diving under a semi-trailer and surviving unharmed... then succeeding in June 2015. Overcome by the shock and grief of his brutal manner, I couldn't think straight and let the hospital convince me to have a liver transplant. Otherwise, like every other time in my life, I would have had the clarity to heal myself as I did to my great satisfaction, including prolapsed discs and three home births. Always believing my body knows best having healed it many times before with natural medicine and meditation. A non-conceptual feeling-centric immersion.

... But I had just lost Terry (not real name) and found out that he had been groomed by a paedophile in his after-school job. As a result, he had been used as a sex slave in his later years. I won't go on... 90% of groomed adolescent boys take their lives.

This leech groomed him for two years till it destroyed his heart and mind. I knew something was terribly wrong the whole time but he could never tell his mum what really happened to him... How could he? Although he tried so many times and cried.

July 2019 The Director of the Transplant team said, *"IS, You should be dead. I don't know how you are still walking around?"* "It's because I know more and see more than what is obvious."

During Surgery, something grabbed my attention and I woke up and asked for more anaesthetic. The doctors were totally shocked.

Since my transplant I have been burdened by my donor's instincts, cravings, reactions and DNA. Through a process of listening to my feelings and a lifetime of exploring them in depth I decided to seek out hypnotherapy. Nothing like diving right into your subconscious mind beyond space time so you can clearly see what is harming you, or driving you, and you enter a state of pure awareness. Knowing!!

A lady interested on my case volunteered and we did a zoom meeting January three years ago (2021). She wanted me to follow her process but once I arrived deep in theta-delta state my feelings took over much to her surprise! I went back to the moment I woke in surgery and instantly saw my donors mind and awareness. I experienced her feelings directly in every part of me and I felt I was in her... It was as if we were one mind and soul.

She was so happy I was receiving her liver. She was blown away by how my spiritual life had helped me... She'd never been inclined that way before... She was driven by material things... I felt her move on quickly after this realisation with a desire to explore her inner world with spirituality in her next life. This 5D higher dimensional experience of our unified feelings changed the vibration of her liver to suit me more,... Although it's still nowhere near how receptive or expansive I had it before. Something I miss dearly. The saving grace... my heart and feelings have taken on a dominant role... It's how I exist all the time now, except when I have to write a CV out of the blue, lol.

To expand on this process I have had three other quantum healing sessions with another lady Kristy, in Byron Bay, who allows me to free-range with my feelings any way I want in a submerged state where I take the lead and go where my inner desires take me beyond space and time to heal at a level beyond my donors interference and my own physical limitations. No one has ever done this. Curious, I shared it with the transplant team and they couldn't relate to or deal with it. Most people can't...

Each time after these two to three hours sessions I am immersed in profound bliss for weeks following. Slowly each time I am redefining, rebuilding my new self, based on these expansive extradimensional feelings, experiences and visions... This has been the gift of my traumas... A breakthrough and a whole new vision ahead.

I have been able to share this self-directed process with many quantum healers across the world. This has never been attempted before. Purely because I am honest and fluid with my feelings, I trust them completely.

On another, much earlier occasion I had slipped my discs and was unable to walk... To make matters worse, my partner walked out on me on Valentine's Day... ( Oh the irony ;- ) Unable to focus on the rejection, I realised if I resisted the pain it got worse. SO, I lay there for hours letting the pain wash through me... It transformed into a pure energetic fluid feeling like an inner waterfall... After a couple of hours lying there unmoving, 80% of the pain had dissolved. I could walk again.

I have many more stories I could share with you but this is my most recent and interesting... an ongoing healing and rebirthing is my life path...

When this silent war is over, Donald Trump will release the suppressed patents and cures 6,000... Including advanced healing technology – Med beds that regrow limbs and organs using plasma and tachyon tech that work with one's light body. Reverse age to 30 years and cure all diseases. These patents have been kept secret by the ruling class. NO longer.

With similar profound healing experiences throughout life combined with the new technology, I seek to create a living community example, offered in an environment of heightened beauty between receptive minds and hearts ~ **What the Golden Age of Humanity will look like.** Things we only dared to dream of before, **now will be a possibility.**

Please John, take back your limited perceptions of me... they don't belong to me, they are not my truth!

Warmest Regards

PS – I invite you to share your best Healing Feelings John, so I understand your meaning better. IS

Note from Sam

Wednesday, 6 November 2024

Hi John

I have read over the email from IS (name substituted with letters) and it doesn't feel right to me. There is no talk of her childhood, her longing for God's Divine Love, although people are not really aware of healing in this way, so I am expecting too much. She has a lot to say of her experiences but they are all denial of her feelings and her painful childhood, she hasn't expressed going anywhere near her relationship with her parents. She may have of course, but she says nothing of the causes being from the way she was parented. She must have had a very hard time as a child, I can certainly feel that from what she has written, and the terrible way it has impacted on her son. The awful abuse IS has been through is being played out through her son.

She is making healing very complex, so much harder than it actually is. All she needs is to allow her feelings to take her down into the denied and suppressed childhood feelings that she is so reluctant to feel, as well as asking her Angel's and Mother and Father to help her do this. There is no need for Quantum therapy or Hypnosis, but this is her choice, to let her mind lead the way in 5D dimensional experiences. I would say she is spending a lot of time in the mind Mansion Worlds, and being led by spirits in the Mind Mansions, especially the spirit of the donor organ. IS loves these spirits and loves the experiences they give her and is not prepared to give them up for healing in earnest.

If I were to write to IS I would want to know about her relationship with her parents, her childhood trauma and how she has healed this. Does she allow her feelings to take her back to her childhood EVERY time to reveal the truth of her unloving childhood with her parents? Does she allow herself to feel about all the pain she has inflicted on her son, and how her own unloving parenting has caused the trauma in his life? What is her relationship with God? Does she have one? Does she believe in God? Does she use God in her healing, as they are her true parents of her soul, and know all the truth she is denying?

What is it that IS wants from you John? Does she want to be a part of PASCAS?

From what I have read, I feel that IS is very much mind led in her healing, and she likes it, so if that is how she works then she can carry on climbing up the mind mansion ladder when she passes. It's the wrong way as far as I am concerned, but she loves all the feelings she gets from her influencing spirits, so she can carry on. I would have to ask her if she felt she could give up all of her Quantum healing and extra dimensional experiences, and just come back to herself and the truth of her feelings to lead a soulful feeling led life with Mother and Father. Her spirits that give her such experiences, if she left them, she would have to feel the deep pain of now having to feel the void that they filled in her life, she would be left with the beautiful truth of her nothingness, her emptiness put within her by her parents. The healing journey she is on, keeps her from having to feel the grief of her nothingness, if it were to all end, she would truly feel the truth of how unloved she was as a child, and her mind led healing fills the void within her where her parents love should have been.

I personally wouldn't be interested in what IS is saying. She gets her addictions met and she likes it, she believes in her healing, and her 5D experiences, so I would let her get on with it, it would not hold my attention.

That's what I got from reading IS's email, my true feelings.

# FEEL *for* TRUTH

The beauty of it all, is the truth comes to you through your own feelings. You don't need to be told it by anyone. You can work it all out for yourself. We are self-revealing of truth, it's how God created us to be, and by being it we'll feel the happiest we can feel. Truth is our great comforter, so when you feel it come up within you, ah it feels so good and you feel just right – perfect!

We only know how to deny feelings, now we can get to know how to accept them. And always with the truth being the most important part.

## FEELING TRUTH

If you don't want to uncover the truth of your feelings, then you can keep on expressing them forever but you will never fully heal yourself. Seeing the truth results in the Healing. And to see the truth you need to express all the pain out of you. The two things go hand in hand.

You can accept and express your bad feelings, letting off steam all day long, yet nothing will heal and nothing much will come of it. So this is where wanting your feelings to show you the truth of why you're feeling as you are is so important.

Don't go fishing with your mind, which will shut the truth out from rising up for you. **KEEP YOUR MIND OUT OF IT.** It's a feeling thing, doing your Feeling-Healing. (This is where we erred previously, and this how other modalities are in error.)

You long when you can, then stop longing and keep expressing. And at some point, and it might not even happen immediately, it might happen after days or weeks of expressing the same bad feelings, truth will come to you. And it does, it just comes up suddenly into your consciousness. You just know. You see the picture and you feel it's true. And you know it's true. And THEN your mind can come in and start sorting it out and putting it in context.

It's the Truth that we are seeking. It's the End Point. The Reason for doing your Healing. You are to see the whole Truth of yourself. And to begin with, that's the whole truth of your unloving self, of your wrongness, of your evilness, of why you are as you are in your negative unloving mind-controlling state. To be able to fully accept yourself as you are, warts and all. To not fight or resist or try and change yourself, just to accept all you feel and all the truth of all those bad feelings you feel about yourself. And when you do, so you will be healed. You CAN'T heal yourself unless you uncover the truth of your pain, suffering and so the truth of all your bad feelings.

Through our Feeling-Healing we long for the truth of what we're feeling whenever we can. So as often as you can. You want, and **REALLY WANT WITH ALL YOUR BEING, ALL YOUR WILL**, to know why you are feeling bad. You yearn, want, long and beg and beg and **BEG** God to show you the truth of yourself through your feelings. So when you are expressing your bad feelings you can stop and long for the truth to show you what's going on, why do you feel so bad, and you can do it any time you think of it or feel to do it.

Notes from 'Feeling Healing' by James Moncrief

# Heartfelt TRUTH

**Celestial Truth:**

Truly all-loving;  
 Living true to oneself;  
 Mind supporting Feelings;  
 Living with the Divine Love;  
 Fully Healed of the Rebellion and Default.

**THE FEELING WAY**

Feeling – Ascendence  
 Unlimited progression

- Living true to your untruth;
- Honouring all your bad feelings;
- Expressing feelings to uncover their truth;
- Healing the Rebellion and Default within yourself;
- Feeling unloved; being unloving;
- Feeling as bad as you can feel;
- Feeling like you are no one special;
- Longing for the Divine Love.

**THE MIND WAY**

Mind – Transcendence  
 Limited progression

- Enlightenment, Nirvana, feeling all-loving;
- All false, mind-contrived. Anti-truth, anti-love;
- Still evolving the Rebellion and Default within yourself;
- Feeling and believing you are the Superior One;
- Living with your mind in control of your feelings;
- Living rejecting all your bad feelings;
- Living with your mind contriving you feel loved;
- Rejecting the Divine Love.

All religions, New Age, agnostic,  
 atheists, no spiritual interest,  
 Living the Rebellion and Default.

Hell:  
 Exploiting the Rebellion and Default.

The Feelings are the doer; the Mind the teller. So we are to go with our feelings, which we can't be told to do with our mind. So the longing for the Divine Love, doing our Healing by expressing our feelings and longing for their truth, are all feelings and doing it with longing. Whereas the mind just wants to tell us what to do and how to be, no feelings in it, all how our parents have treated us.

## Our FEELINGS are our SUPREME GUIDES:

**Feelings are what guide us through our ascension of truth. So they are really our Supreme Guides.** Many people look for a person, spirit, angel, even God, for supreme guidance, however it's all right there already built in – in our feelings. **We just have to submit to them, allowing them to take us where they will, expressing all the parts we want to express, letting the emotion drive that expression if it's there to be expressed, or just talking about all we feel and how feeling that feeling is making us feel – or, how we feel about having that feeling, all whilst longing for the truth of our feelings. Longing for the truth of our feelings is really: Longing for the truth of our self, because: we are our feelings. So life stirs up our feelings, we feel being alive; or, being alive means we are feeling, always feeling; and when we work out what and why we are feeling what we are, so then we know the truth of how we are. And over time the truth accumulates, and our mind expands our understanding of ourselves, all being driven from our feelings.**

Kevin 26 September 2017

Kevin died 10 August 2012, through Feeling Healing became Celestial on 7 August 2017

## **Using our feelings to uncover the whole truth of our negative or anti truth and anti-love state.**

Kevin, 1<sup>st</sup> Celestial Heaven: **So whilst we're of an untrue state, then all we have got to help us understand why we feel bad, why we are wrong, why we are negative and anti-love and truth, is our feelings. So if we focus on our bad feelings, they will lead us to the truth of why we're feeling bad. Which will be the truth of what happened to us to make us be this wrong way, and how we took on the wrong way and keep it going making us feel bad.**

# FEELING HEALING

**Note:** The vital difference between emotion and feeling is that emotions have their roots in the past, and feelings relate to the present moment. Emotions represent our feelings which were not previously expressed, and these accumulate with time.

**Note:** Our feelings are soul-based. Our soul is always in truth. It is our soul based feelings, that when allowed to be freely recognised, we will begin to express and be who we are. This takes time and perseverance as we have encrusted our souls with layers upon layers of errors and false beliefs, it is these layers that will confuse the truth that our soul is conveying to us. Only by our progression with our Feeling Healing will our soul's expression of truth become clear and free of all cloudiness and contamination.

“What our soul needs in accordance with our own, individual, **Soul-Light-Plan-Of-Destiny** (your life's true destiny plan), They, being our Mother and Father, will give you as required. The only way we can know truly what we need is to honour and follow our true feelings. They, springing from our soul, literally telling us what we need, and so when we genuinely feel we need something, we apply our will to get it. The hard part is knowing if our feelings are true, and until we have done our whole soul-healing, they won't be clear and totally true.” James – Introduction Course to Divine Love Spirituality

Sometimes Your Mind Needs More Time  
To Accept What The Heart Already Knows

Heart logic and mind logic are often  
two very different things.

It has to feel right and make sense to  
move forward with ease.

If it doesn't feel right, but it seems to  
make sense, pause, and investigate within.

If it feels right but doesn't make total sense,  
ask the mind to trust the heart a little more.

The heart's usually the wiser of the two.

**Feelings** first

**PARENTING:**

Tuesday, 16 October 2018

I, James, want to write a few points about parenting having read a few pages of *Parenting is Forever* by an Australian paediatrician – Elizabeth Green, a book I saw at the library.

**The hard truth is: if you parent whilst being of the Rebellion and Default, then you will be severely damaging your children. It's what we fail to understand; and we've been doing it for a very long time.**

The whole notion of one can be a 'good' parent or a 'bad' parent needs to be thrown out the window. When you understand we're all living in a state of truth-denial; that we are denying the truth of ourselves, nature and God; that we are living against ourselves, nature and God; that everything we do is wrong and within the Rebellion and Default, then everything one might do as parent will be wrong too.

Until you begin your Healing, everything you do with your children will be stuffing them up. It can't be helped. And you won't know how you are stuffing them up until you do your Healing. You can't see the full extent of what you are doing to them either positively or negatively as you are parenting them – unless you are doing your Healing. And you can't work out how to stuff them up less, as it doesn't work that way. They will come to know how stuffed up they are – what a 'good job' their parents did on them – when they do their Healing.

We have to do our Healing so as to see the truth of our relationship with our parents. And until we see it, we'll remain forever more bound up in our Wrongness. And the idea that we can learn how to parent, learn how to be better parents, use our mind to parent children, is wrong, too. We can use our mind to learn whatever we want, but as that too is being done in rebellion against the truth of our true self, so it's only going to negatively affect your child.

A parent might be able to parent its child to fit better into life, living a more morally acceptable, respectful and loving life, however it's all still learnt, so it's a contrivance based on current acceptable pretence and falseness – it's all untrue and a fantasy.

Parenting happens on multiple levels most of which the parents are unaware, and all starting at conception. At conception, it's all already done, it's a done deal – pregnancy, childhood, adulthood is just the outworking of it. So all our negative patterns are conceived at conception (incarnation), with the only way to change those denial, rebellious, anti-truth and anti-love patterns being to do your Healing by seeking the truth of your feelings. And once your Healing is complete, then you will be living wholly positive, true and loving parents.

The truth you are living is 'organically' imparted 'absorbed' by your child all the way along, and right up until you have completed your Healing when technically you are no longer the parent of your child, having given it up completely to God, it being wholly God's child. By the time we're all of a Celestial truth we are then truly children of our Heavenly Mother and Heavenly Father without any further parent / child connection on any level other than in our memories. When you have completed your Healing, then you will be totally free of your parents. Until then, even though they might not be personally present and active in your life, still you are living out the patterns that resulted from being with them, even if that was only for a moment. With those patterns all being 'broken' and transformed into leaving your physical parents for your true Soul Parents as you progress through your Healing.

Your child becomes the truth that you are. If you are living against truth, so untrue, so it will follow suit becoming untrue. The intrinsic child being an expression of its soul, is true and perfect, however we become untrue and imperfect being incarnated onto a Rebellious world. Your child can't be anything other than how you are – it is 'your' child. All the factors such as DNA and inheritance contribute to how your child is, and on all levels, not just the physical, it all being long lines of generational denial being passed onto your child. And this then works with the whole environment the child is subjected to, which includes all of nature, all what happens in one's life, and all that's happening on unseen levels from spirit, all what's going on emotionally, mentally and psychically – the relationship between them both, it all going into and working to reflect the desired outcome the child is to be in every moment of its life, all of which is ultimately underpinned and fully orchestrated by the soul.

Your soul is expressing you in Creation. It has encoded within it, all that you are to ever be. God has put it already all within your soul, and your soul is 'unfolding' through light, expressing that pattern which governs every aspect of your being. So why that genetic trait is activated by those environmental conditions is all overseen and orchestrated by the soul. Nothing is random, there is no bad luck that your child suffered this problem, and it is more than because you smoked and drank during pregnancy you somehow damaged your child. All of you is damaging your child all the time, even if you feel a great love for it and it for you.

Until you've fully Healed yourself, it is all damaging, fantasy, untrue and unloving. Every second your child is with you, you are negatively affecting it (unless you are doing or have done your Healing). And even when it's not with you, you are still connected by unseen psychic cords on all levels of the mind, emotions and spiritually, so are still affecting each other. And those effects compound and become very intricate, complex and intensely psychologically involved.

And if your child is retarded, a genius, or just 'normal' and 'ordinary', that's exactly what God wants, it's how God made its soul to express itself, so it's perfect. You are the child of God that you are, even in all your wrongness. And even though **Perfectly Imperfect** you might hate how you are, you don't have to stay in that state, being able to heal yourself as you do your Healing. And when your Healing is finished, you'll truly love the whole unloving state that you were, seeing that it was all absolutely perfect how evil, uncaring and unloving you were, it all being what you needed to bring you to this point of perfection you are now living in your Celestial level of truth.

If you parent your child without doing your Healing (irrespective of being a good or bad parent and whatever you do and learn to try and help your child), then you are simply passing on the next level of wrongness in your long family line of being untrue. If you parent your child whilst you are doing your Healing, then every part you heal within yourself you'll no longer be passing onto your child, with your child potentially adjusting to the 'new you' which can happen up until the child reaches its first Saturn Return (astrologically speaking) around 28-30 years old. Once that age is reached, technically it's the end of childhood, so even if the parent/s keep Healing themselves, those positive effects won't be passed on to the child. And once a child is sexually mature, the child itself has to be open to and receptive of its parent/s to be able to keep changing, reflecting the parent/s changing as it does its Healing. Once sexually mature, the child is free to reject any such positive changes brought about by its parent/s Healing, so it might reject its changing parent who is doing his or her Healing. The Healing parent can't force any positive changes on the child once the child is sexually mature, whereas before sexual maturity the child is still becoming its parent, so any positive (or negative changes) the parent makes will be taken on in some way and on some level by the child.

Learning to be a better parent whilst still parenting without doing your Healing only means you're going to add yet more layers to your child screwing it up even more. We are constantly adding more mental layers of self-denial to the way we live as adults, and so too our children. The Internet being the latest outside influence that can help parents to add yet more mind layers to themselves and their children. This book I am reading suggests that all parents woes and all the child's problems in the world now stem from the advent of the Internet, even as if pre-Internet, there weren't any problems with how parents parent and their resulting problematic children. And yet the Internet age is just another age along the two hundred thousand years of System Rebellion and Planetary Default, of parents unlovingly parenting their children who grow up to parent their children unlovingly. And if it we were parenting our children perfectly, if we were all Healed and living true to our feelings, there would be no Internet like we have it, and possibly no internet or anything of what we currently have. There would be other things in life reflecting our true state, things that express our love, instead of things that are expressions of our unlovingness. The Internet, like everything we create, is an expression of how screwed up we are inside, which means, how our parents screwed us up. We can only create something like the Internet – and the whole world we live in, because of our unloving parent / child relationships. So if you think the Internet and the world we've created are good and loving, then you might want to consider looking into the truth of your relationship with your parents and doing your Healing.

### **POTENTIAL to BENEFIT your CHILD through our own FEELING HEALING:**

**This steps down each seven years as the child matures**

**From conception to  
age 6 or 7**

**From 8 to age 14**

**From 15 to age 21**

**From 22 to age 28**

**As we heal, we directly heal our children similarly.**

**The Indwelling Spirit arrival for the child around age 6 or 7 starts their independence.**

Any love you feel is love within the unloving state that you are and that you and everyone is expressing in the world. Nature is of perfect Natural love; we and all we create whilst we're in our imperfection, is unloving. All our relationships are unloving. Within our unloving states we can, relatively speaking, feel love and be more loving, just as we can be more evil, wrong and unloving, yet still it's all within an anti-truth system, and without truth there can't be true love, for love to flow there needs to be truth: no truth, no love. Love exists outside of truth, but without truth we can't truly relate to it, so it may as well not exist. Our souls are truly of love, and we are to become truly expressing our truth as love, and loving expressing our truth with all the good feelings love gives us, when we've completed our Healing, when we've ended our rebellion against truth and love.

We are living in an 'experiment' of how unloving you can be and what the effects of feeling unloved have on ourselves, each other and the world. Everything we are doing is wrong, so everything we are doing is making it harder for ourselves. There are no effective solutions to all our problems until we end our unloving anti-truth state by doing our Healing. We can keep using our minds to make it appear like we're being more loving and caring, just as we can use our minds to make it even harder for ourselves, but our mind is not The Way, whereas our feelings are.

A parent or parents doing their Healing will naturally effect their child as they progress, and in a positive way. However it's not for the parent to demand, make or force the child to do its Healing. Once the child is sexually mature, then it is free to make its own choice about doing it. And some older children might reject their parents who are doing their Healing, putting off doing their Healing until they are older still, which could even be during their spirit life. When someone begins their Healing in earnest, is when God through their soul says it's time.

If you are wanting to Heal yourself and become true, then part of that Healing will be about your relationship with your children – uncovering how unlovingly you’ve treated them whilst possibly believing you were loving and doing the right thing for them. And if you are yet to have children and do want them, then there will be lots of opportunities for you to find out more truth of your unloving state as you look to expressing and longing for the truth of all you feel – which is doing your Healing.

It’s not that because you understand you are imperfect you should therefore not be having children until you are perfect having completed your Healing, but going with your feelings of wanting a child and expressing every feeling that comes up along the way as you long for the truth of those feelings. If you have any fear, anxiety, worries, guilt, sadness, anger, misery and any other bad feeling, then these are what you work on. So you can have a child as you do your Healing, with the child helping to bring up the bad feelings in you that you are to express out of yourself and see the truth of. Or, you do not have a child and do your Healing. If you don’t have children on Earth then you can adopt children in spirit, either doing your Healing or not. Currently spirits doing their Healing can’t also adopt children, however once the New Revelation is ‘activated’ – revealed, then spirits doing their Healing will also be able to do it whilst having spirit children.

A fully Healed parent will pass on such truth to its child thereby no longer subjecting its child to any untruth. And two Healed parents will give rise to a completely true child, it being totally free of the Rebellion and Default, this being the perfect humanity that humanity is to become. Slowly humanity is to Heal itself of the Rebellion and Default.

Elizabeth Green in her book, *Parenting is Forever*, says that young people and children are looking more to social media and their machines to conduct their relationships through, and oh my god how are parents now to deal with, compete with, simply cope with, that??!! We fail to see that the machines and the Internet is allowing us to be truer to our unloving states, we can be more impersonal by pretending we are personal through a machine and the unreal, which is the truth of the relationship we are living with each other, so the truth of the relationship between parent and child. A parent who complains that their child wants the Internet and all it offers above them, should perhaps question why does the child want to reject its parents, and in finding the answer to that question, the parent will uncover the truth of its unloving relationship with its child. We can escape into the Internet away from the relationships we hate, those with our parents. We all hate each other, not love each other, which is possibly the most difficult truth to accept. We make up fantasy relationships we project onto each other that gives us the mental ability and resulting contrived feelings to make us feel and believe we love each other. But if we take the fantasy away there is only a dark hole of nothing, a hole full of pain, the full horror, trauma, terror of agonisingly feeling you are not loved by the people who should love you.

And so because none of us can bear face the terrible truth of our unloving state, we continue to do our best to live seemingly loving with each other, doing the best we can, using our mind to alter our fantasy-unreal existences, doing all we can do to avoid having to face, accept and fully embrace the truth our bad feelings will show us when we come to do our Healing and want to give up the facade.

We currently parent negatively influencing our children on seven whole worlds worth of truth. Which means your child, as do you, has seven whole worlds of truth it’s denying in life, all of which cause untold numbers of problems. And consequently, should you wish to do your Healing, so it will take you the Healing of all seven worlds, as represented by the seven Mansion Worlds, to complete it. The Rebellion and Default has evolved to include all seven Mansion Worlds in rebellion by default. We have taken the Rebellion on by Default through all these levels and have to heal them all through our Healing. And once Healed, we are free of our parental influences, free of our parents, free of our wrongness, free of the Rebellion and Default, true and perfect to the Celestial level of truth.

## EMOTIONAL ERRORS are of the MIND

**Enters emotionally - is to leave emotionally!**

**WHAT ENTERS EMOTIONALLY  
IS TO BE EXPRESSED  
EMOTIONALLY WHILE LONGING  
FOR THE TRUTH TO BE KNOWN  
ABOUT WHAT IS BEING FELT!**

### Living true to your feelings:

It's to understand that what you are feeling today is a result of masses of repressed bad feelings, all of which need to be brought out one at a time, and not just exploding with that pent up rage, venting your anger all over the place, because you are to follow your feelings – allow your feelings to lead you in life. All those repressed feelings are to be brought out into words, progressively stripping away the many levels of them, all so you can see why you're feeling them. 'Going with your feelings' is not just about acting on every feeling you feel, it's about actively wanting to express and bring to light all your feelings by speaking, using words, and not just through acting. We are to express our feelings to uncover their truth. So you can do nothing, even stop acting out your feelings, whilst you spend years and years simply talking them out.

EXPRESSIVE!**

### **GENERATIONAL TRANSFER of EMOTIONAL BLOCKS and INJURY:**

As children we are conceived taking on the denial of the seven Mansion Worlds which is passed onto us through our parents and carers. We absorb our parent's emotional injuries and their soul condition, which can typically reflect more of one or the other parent, however both parents input is of equal importance. As children we continue to mirror our parents' soul condition until we leave home. When we decide to heal our childhood suppression and ongoing repression, we then have to systematically work through all seven worlds of feeling-denial, healing all the unloving influences from our parents. This is doing our Feeling Healing.

In turn, we are a reflection of our parents' soul condition, and their parents' soul condition and so on back through the generations. We can break this cycle by working on our own soul condition, feeling our emotions and expressing our fears and blockages while seeking truth.

These emotional blockages and injuries frequently manifest in our children as illnesses, even before birth or shortly thereafter. It is the accumulation and combination of issues held by past generations that insidiously manifest as life threatening illness episodes within unborn and new born babies. Parents through their own healing can lift illness from their children! Thus, to assist our children, we must firstly resolve emotional issues within ourselves. General emotional injuries or blockages manifest as various health issues. Thus, an illness episode or pain can be generally related to parents' emotional issues.

### **BODILY PAIN is OUR FRIEND:**

Our body stops us largely through pain, allowing us to pay closer attention to ourselves and our feelings. The pain is there for us to deal with, embrace and accept, to want to know why we have it, what is really going on deeper within us that is causing it. And by expressing our feelings of pain, and longing for the truth of them, we can use it to heal all that's wrong within us. This being our Feeling-Healing.

However as we all rightly hate pain, we do all we can do to stop it as quickly as we can, so we rush off to the doctor, take pills, drugs, busy our mind trying to 'take our mind off it', all of which is dismissing these feelings that are there to help us. So by denying our pain we are further denying ourselves, which in turn is going to further (at some point) cause even more pain.

Our pain is to make us slow down, to pay closer attention to what we really are feeling. It comes about to stop us running away from the hidden truth of it, that which relates to our relationship with our parents and how they treated us, causing us such pain. All our pain (pain on all levels, including the physical) is the same pain our parents have made us feel. And we need to use it to find the truth of this. So even toothache pain can stop you, leading you deeper into yourself, helping you express all the terrible emotions and feelings it makes you feel, all so you can uncover more truth of your relationship with your parents and early life.

So in doing our Healing, we try to put off rushing to the doctor or seeking immediate help to remove even the slightest pain, choosing to instead put off such visits or taking pills whilst trying to express and seek the truth of such pain. However when it drives you to seek help, of course you do whatever you want to do to take it away, all the while expressing all those emotions and feelings and longing for them to reveal the truth you are to see about yourself.

So our body and its pain is our friend, used by our soul to help us come back to being closer to ourselves, to living true to what we are feeling and to set us free of our mind control and denial of pain.

### **The CHILD is to FREELY EXPRESS ITSELF:**

Mary Magdalene:

The greatest gift you can give your child, is allowing it to be freely able to express itself, helping it to feel good about being able to say and express and communicate all it feels. **THERE IS NOTHING BETTER FOR A CHILD TO FEEL THAN KNOWING ITS PARENTS COMPLETELY WANT IT TO BE EXACTLY HOW IT FEELS IT WANTS TO BE.** To be completely unconditionally accepted for all that it is. Then it feels loved.

## **OUR INDUCTION into PHYSICAL LIFE:**

**At our conception, we are welcomed by a relentless infusion of errors and injuries, unknowingly, carried by our parents and carers!**

**Our physical parents do not realise that even before our incarnation we have taken on board their combined emotional errors and misbeliefs. We are now suffering their pain!**

**We are conceived perfect. Our childhood illnesses, deformities and personality distortions are all a cocktail of their injuries. The onslaught is so great that worldwide around 50 million miscarriages occur annually.**

**Only by embracing Feeling Healing will miscarriages, deformities, childhood illnesses and abortions abate worldwide – and then childhood delinquencies will also abate.**

This outline of the Map of Consciousness spells out the fact that while we live Mind-Centric and ignore and suppress our Feelings we cannot pass 499 MoC. Our mind being in control, as we have all been indoctrinated to live, is a glass ceiling. Humanity cannot heal anything, cannot be spontaneous, has no intuitiveness, and is locked into living in the deep hell states. This is why people find themselves in abusive homes, domestic violence, housing stress, homelessness and gross difficulties of all kinds. This is why we are easily manipulated, embrace propaganda and are being controlled by a few.

Women are closer to their feelings and that is why the nursing profession hosts a lot of women who calibrate a little over 500. These women are the healers in hospitals.

By aspiring to live Feelings First we are each breaking the glass ceiling and opening our potentials to grow in truth and love not only to 1,000 MoC, but to infinity. This is our destiny.

As communities embrace living Feelings First and having their minds to follow in supporting what their feelings are guiding them with, then ALL of the social ills of society will begin to mitigate. Please, do you comprehend the importance of what is being shared throughout this document?

The underlying generator of all discomfort, pain, disease and illness is Childhood Suppression and ongoing Repression.

Feeling Healing is our only recovery and soul growth pathway.

It is that simple!

# Childhood Suppression

The soul does it all.  
The soul is a duplex,  
two personalities being  
manifested into the  
physical by our soul.

Soul light continually  
flows from the soul  
through our spirit body  
levels and into our  
physical.

Return light being the  
experiences of our  
physical existence.

## Soul

Childhood suppression  
imposed upon us by our  
parents and carers  
causes retarded light to  
return to our soul  
bringing about  
imbalance, reflecting  
emotional injuries and  
errors of belief. This  
imbalance is the cause  
of all our difficulties  
throughout our adult life  
and also all of our health  
issues.

## SPRIT BODY

### Brennan Model of the 7 Levels of the Human Energy Field

Every experience is recorded through the light returning through our spirit body and back to our soul. What emotional injuries we experience, commencing from conception, has to be expressed emotionally to heal the imbalance in soul light so that harmony and health can be achieved in our spirit and physical bodies. Childhood Suppression is the underlying cause of disease, illness, etc.

# Childhood Suppression

Childhood Suppression – from conception to age six years – harmfully encrusts the soul, thus impeding light flow throughout all seven layers of the spirit body, damaging the genes within the spirit body which in turn damages the genes in the physical body, as well as setting the pattern for all of our physical health issues throughout our lives.

## SPRIT BODY

Brennan Model of the 7 Levels of the Human Energy Field

The spirit etheric body is the template for our physical body, however, no health care system or science considers that the underlying cause of any health issues are formed through our Childhood Repression and that no physical healing occurs without expressing our childhood suppressions, being feelings both good and bad and then longing for the truth behind these injuries. Medicine may suppress the pain – it does not and cannot cure – vaccines are extreme physical suppressions!

**The pain from ANY illness will not exceed the pain experienced during our Childhood Suppression!**

**SOUL LIGHT** emitted is to be **BALANCED** by the **LIGHT RETURNED**!

**Two separate personalities on parallel 'circuits' having the same soul.**  
**What impacts one personality does not impact the other personality.**

**ONE SOUL – TWO PERSONALITIES**  
**Our soul is a duplex!**

Soul light passed to either personality is returned completely **if** the personality is in a perfect state. Imbalances occur in the spirit body and consequently the physical until Feeling Healing is complete.

# SPIRIT AND MATTER

Each phase of our progression in our personal discovery of truth will open further avenues to truth of an ever increasing and expansive nature. This is our destiny throughout our journey to Paradise, the home of our Heavenly Mother and Father.

Few are able to see clairvoyantly the spirit bodies of spirit personalities, and even then, this capability is when higher level spirit personalities 'turn down' their brilliance essence so as to make themselves visible – making themselves come closer to the density essence in which the viewer is presently experiencing.

Thus, when it is understood that we have a pair of nature spirits, a pair of spirit personality guides and a pair of angels with us at all times, we cannot see any of them. Yet they all can see us. However, the nature spirits may not be able to see the spirit guides but may see some angels, and the spirit guides may not see the angels. Should the spirit guides be Celestial, then they may also see the angels.

Angels do not have wings, and there are many classes and levels of angels. If the angels are from Paradise, then they would not be typically visible to celestial spirits of the three celestial heavens aligned to Earth's humanity. However, the angels that attended to Earth's humanity typically become visible to the spirit personality upon that person completing their Feeling Healing with Divine Love and progresses from the 7<sup>th</sup> Mansion World into the 1<sup>st</sup> Celestial Heaven. Angels may become visible to those within the 5<sup>th</sup> spirit Mansion World progressing with their Feeling Healing.

A spirit in a higher plane of Earth cannot be seen by a personality within any of the lower planes. This is the same for each progression to a higher Mansion World, then Celestial Heavens and all the way through to Paradise. A higher level entity needs to detune and allow him or herself to be seen in any lower world or plane and consequently each sphere thereof.

Thus, a Bestowal Pair from Paradise would bring with them Angels to assist them and these Angels of such high elevation would go about unseen, fulfilling their tasks, without any other entity being aware of them due to their ultra fineness of energy and elevation in capabilities – unless they allow themselves to be observed!

## The PHENOMENON of VISIBILITY:

Firstly, animals do not have a spirit life. Should we need to interact with a deceased pet animal, then a particular class of angel will present as your pet. The life force of all of nature pools their life experience to subsequently become Nature Spirits who evolve to being angels.

Each higher progression of a human mortal consequently becomes invisible to those remaining at the lower level, as it is with angels, though those of the lower level remain visible to the progressing ascending mortal.

In reverse, those spirit personalities descending from Paradise, the home of our Heavenly Mother and Father, need to detune themselves so as to become visible to those in our local universe of Nebadon.

Those on Earth and throughout the seven earth planes have the same visibility progression. Earth, being the densest, is visible to all. But each plane, starting at 1, becomes progressively finer, with each plane above the last invisible to the lower. The same applies throughout the 7 spirit Mansion Worlds that we progress through to enter the first of the Celestial Heavens.

Higher levels can always make themselves visible should they wish to. Spirits and ascending mortals of lower levels may not be aware of higher levels until they evolve and progress.

## NATURE SPIRITS

Nothing of nature reincarnates! And neither do we! Reincarnation is a false belief. Zero, zilch! Not even a blade of grass, a leaf from a tree, bacteria or plankton, or ourselves, has a subsequent physical life experience. However, except for humanity, the life force of all of what forms nature, after its sole physical experience, returns to a pool from which Nature Spirits emerge. All of nature is mind orientated. Nothing of nature has a soul, except for humanity which is truth and feelings orientated.

**Meet Verna, a Nature Spirit, also known as ‘Lady of the Lake’:** “Your spirit is your own unique spirit expressing the light of your soul; our spirits, also uniquely our own, however come from a composite of many other spirits. And in my case for example, and I’m about average, or ‘usual’ – as much as I hate to admit it – I’m composed, for want of a better word, of about five hundred billion creature spirits. So yes, you could say we’re complex on that level. And yet on other levels, we’re considered rather basic, we are after all *only* nature spirits, not great angels.”

“With Verna – a nature spirit” by James Moncrief

As the Rebellion and Default is now technically ending, those who embrace Feeling Healing and Divine Love will open themselves to communication with their Nature Spirit pair. For 200,000 years of the Rebellion, humanity of Earth has been closed to interaction with Nature Spirits. Humanity is truth seeking personalities who are to live through their feelings whereas nature is mind orientated and are to evolve their minds. A Nature Spirit’s next phase of evolution is that of being an angel which then will have many further evolutionary progressions upwards. Angels also step down from Paradise.

**FOOD SOURCES:**

Sunday, 2 April 2017

John: With endeavours to provide reliable continuous food supplies within difficult environments, the supply of fish, chicken and pigs appear to be essential. Fish farming is a way of providing protein all year round almost anywhere.

Are we meant to farm fish and eat same? The same question relates to all other domesticated animals propagated for food.

Nanna Beth – 3<sup>rd</sup> Celestial Heaven: No, you are to love them, so farming them to make money, using them in anyway, is not loving. People are to live harmoniously on Earth with the creatures and plants, the plants being eaten for they give themselves to be consumed, but they are also to be grown well and treated with love and respect, and not factory farmed either. However, this is a long way off, so in the meantime, it will remain a personal choice. And the more people do their Healing the more they will naturally move away from wanting to harm the creatures and disrespect the plants – you feel sorry for them as you feel sorry for yourself. And gradually humanity will ‘increase its vibration’ – it’s truth. But as I said, it’s not something John needs to worry himself about because he’s not the one to solve all the world’s food problems. And you can only do what you can do, so if you don’t want to eat meat, don’t eat it, if you do eat it, all whilst you keep expressing your feelings and longing for their truth.

John: What happens to the spirit bodies of such animals, including fish?

Nanna Beth: They ‘dissolve’ into their ‘light’, becoming part of the ‘bulk light’ from which nature spirits are drawn or created. The essence or spirit of the creature doesn’t remain individualised, it goes into a collective spirit whole, from which nature spirits are made. And the spirits of animals within the lower Mansion Worlds and Earth planes are not the actual animals themselves, they are not your actual beloved pet living as a spirit dog or cat in the afterlife, they are creatures native to the Mansion Worlds that can easily manifest themselves as being your pet in spirit or any animal, based on your memories, all whilst you still need that animal or pet to remain as you need it.

John: Is this a case of slow transition as humanity heals itself then it will progressively step away from consuming fish and meat? What alternatives should we consider and investigate?

Nanna Beth: The alternatives to consider will naturally come up, however it will all be along the lines of being more natural, anything manmade will fail and only cause you problems in the end, until such things are made by loving people who are well advanced in their Healing or high in natural love and understanding with a deep feeling and respect for nature.

## EXPERIENCES, FEELINGS and TRUTH:

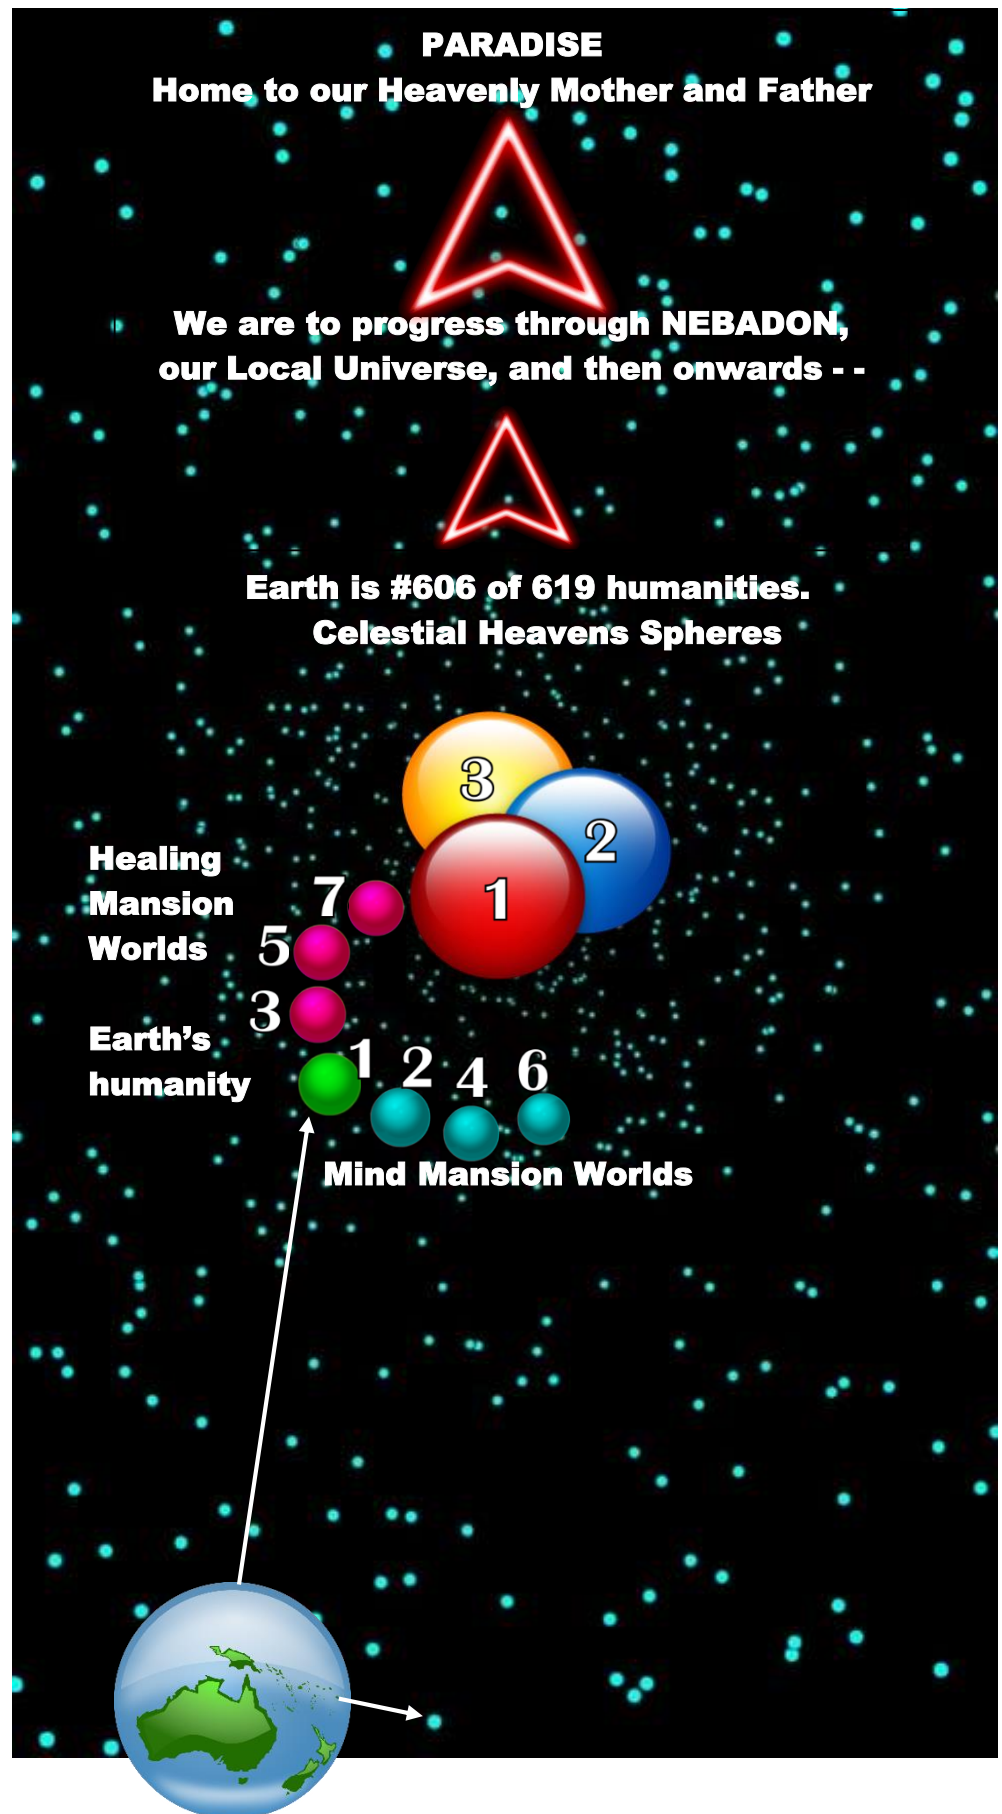

We look into the night sky and see around 1,000 stars that possibly are the hosts to the 619 humanities of our local system, Satania. Earth is on the outskirts of Satania.

When we 'die', and shed our physical body as we are spirits having a physical experience, we all arrive on the 1<sup>st</sup> spirit Mansion World.

If we continue to live through our minds, then we may progress to worlds 2, 4 then 6 and no further – dead end!

Should we embrace Feeling Healing with Divine Love, we will start our journey of Truth and Love, progressing through Healing Mansion Worlds 3, 5 and 7, then through the Celestial Heavens and onwards out through our Local Universe of Nebadon and on to Paradise, the home of our Heavenly Parents.

The spirit worlds are within a different dimension to the physical stars and earths. However picturing the spirit worlds within the centre of our local system is only a visualisation aid and not necessarily accurate.

This is the time in the history of Earth's humanity when the greatest event ever experienced throughout its almost one-million-year history is taking place.

At the time of World War II, 1939-1945, Earth's humanity was around 2.4 billion. Given the major recovery issues post war, the duration could be said to be 10 years and then some.

What is unfolding for humanity now is a factor 100 times more significant, and then some. Not only is Earth becoming fully engaged, so too are the 2 Earth planes, the 7 spirit Mansion Worlds and the 3 Celestial Heavens. That is 13 worlds.

Earth's population in 2020 is approaching 8 billion; spirit Mansion Worlds 1 and 2 have approximately 200 billion; the numbers for the 2 Earth planes are unknown, however they are near capacity; the Mansion Worlds 3, 4, 5, 6 and 7 could be any number. The 3 Celestial Heavens have approximately 30 billion personalities engaged in assisting in these events and the administration of the coming Avonal Age. All worlds combined having in excess of 250 billion personalities – more than 100-fold. Now add the angels!

The Avonal Age is for the next 1,000 years, more than 100 times the duration of World War II – well, 40 generations of 25 years each.

THREAT  
TO  
HUMANITY

## Badge of Honour

We of Earth's humanity having been, step by step, slowly but consistently embracing living the wrong way to its fullest potential. We have achieved the mantle of living mind-centric to such an extreme that our rejection and suppression of our feelings, which are always in truth, has reached the pinnacle that now requires intervention and the ending of the Rebellion and Default that hidden controllers, namely the rebellious Lanonandek high level spirits from out of our own local universe of Nebadon, have imposed upon us. Namely, the leader is the Lucifer soul partner pair who were appointed system sovereign of our local system, known as Satania, and their deputies were the soul partner pair Satan. Directly, Caligastia soul partner pair were appointed Earth's planetary prince and their deputies were the Daligastia soul partner pair – all Lanonandek spirits.

Earth's humanity joined with other rebellious worlds, within Satania System, making 37 in total in Rebellion some 200,000 years ago. However, more than 38,000 years ago when the Adamite (Adam and Eve) failed in their mission on Earth, then Earth's humanity has been both in Rebellion and Default since then and none of the other rebellious humanities have Defaulted. Throughout all of Nebadon, with its 3,840,101 inhabited worlds, no others have been in rebellion. Throughout our Super-Universe of Orvonton, there are 100,000 local universes, there are no other rebellions. There are seven Super-Universes, there are no rebellions throughout any of the other super universes. Earth takes the prize for number 1 in 'perfecting' wrongness!

Yes, we of Earth's humanity are the most highly skilled in 'wrongness' of all the humanities throughout seven super-universes!

The co-regents of our local universe, called Nebadon, are a Creator Daughter and Son from Paradise, they are known on Earth as Jesus and Mary Magdalene. Within our super-universe of Orvonton, there are 100,000 local universes with each having a Creator Daughter and Son soul partner pair as their co-regents. There are seven similar super-universes – resulting in 700,000 such soul-partner pairs as co-regents – yet many on Earth worship our Co-regents as 'god' when they are spirit personalities like us, however much, much more incredible.

You see, there is a badge of honour that we each truly will come to wear when we finally arrive in Paradise to meet our true Mother and Father, our Heavenly Mother and Father that created us. And that badge of honour is in recognition of our having 'learnt by doing' being so incredibly wrong that we are the privilege few that will be able to assist and guide humanities that are yet to evolve on worlds now forming in super-universes now evolving further out from Paradise, beyond the seven existing super-universes. It is anticipated that as these further out from Paradise humanities evolve then further digressions and rebellions will unfold and assistance will be needed to guide them towards the pathway intended for us all.

The task at hand is like this. There are presently seven super-universes. There are seventy thousand (70,000) new super-universes forming that are yet to be inhabited!

Our living in hell and taking wrongness to its extreme puts us in the unique group of humanities that can assist in events, such as we have experienced, to be managed appropriately. We have earned our stripes!

# Let's Learn Together!

Ladies, gentlemen and children, we would not be here on Earth in this predicament should we not be able to handle what we are engaged in and experiencing. No one will be left behind. Not one single personality will be anything other than successful in completing the journey that we have entered upon seemingly without our knowledge.

Yes, a few of us will linger behind for some time as we work our way out of the dross that we may have taken on of the Rebellion and Default, but that may be to our advantage on our journeys beyond physical life on Earth. We are truly spirits having a physical experience and thus we are best suited living as spirits.

**This time, in the history of humanity, is the most exciting time ever experienced.**

The formal ending of the Rebellion and Default took place on 31 January 2018. The coming Avonal Age is to be 1,000 years of unravelling, dismantling and establishing all that is necessary to remove the imposts of the Rebellion and Default from humanity. Those who remain unhealed through Feeling Healing will continue to birth children with the impost of their parents unhealed Rebellion and Default within them!

# Life After Death

## **We are more alive than ever – when we are dead!**

The life after death is no different in the essentials than the mortal existence.

However, our capabilities are about three fold of what it is when now as we are living in the physical.

We may come to look upon our physical body as though we are living as a potato, or maybe like we are living in and through a heavy rubber suit. Even being the Michelin man may come to mind.

Our physical brain is the interface between our spirit body mind and our physicalness, thus upon death of our physical body we lose nothing! Our personality remains as we know it and life is far more fulfilling in the spirit Mansion Worlds than living on Earth. We all arrive in the 1<sup>st</sup> Mansion World.

Every mortal gain is a direct contribution to the enrichment of the first stages of the immortal survival experience. Everything we do in this life which is good contributes directly to the enhancement of the future life – as it does now throughout our physical life! Death is definitely not to be feared, because what awaits us on the other side is a much more amenable way of life, even if it is still all within the Rebellion and Default.

While we are living on Earth, we are spirits having a physical experience!

Our physicalness restricts our capabilities to around one third.

## HIERARCHY of our SPIRITUAL GUIDANCE:

Our Heavenly Mother and Father permanently reside within Paradise, an island stationary world surrounded by Havona, in the centre of seven Super Universes.

Our Heavenly Mother and Father, being one soul manifesting two personalities, bring about the creation of:

Creator daughters and sons – Michaels

Magisterial daughters and sons – Avonals

Trinity Teacher daughter and sons – Daynals – and others.

The Michaels and Avonals have Spirits of Truth to be released to assist the humanities on their assigned inhabited worlds.

Each Super Universe consists of 100,000 Local Universes.

Each Local Universe is overseen by a Creator daughter and son, our local universe is called Nebadon and Jesus and Mary Magdalene are the Michael pair and regents.

A local universe consists of 10,000,000 inhabitable worlds of which 3,840,101 are inhabited within local universe Nebadon.

A local universe consists of 100 constellations which is made up of 100 systems. Each system has 1,000 inhabitable worlds. The system that Earth is in is Satania and 619 worlds are inhabited.

Emanating from within the Local Universes are Melchizedek, Vorondadek, Lanonandek, Material and Life-Carrier pairs. None have spirits of truth – they are not from Paradise.

From within the Lanonandeks, assigned to oversee the system Satania, which includes Earth (Urantia) were the Lucifer, Satan, Caligastia and Daligastia soulmate pairs, who rebelled. Further, Adam and Eve, the Material son and daughter, defaulted because of the Rebellion. All failed in their assignments, causing us (humanity on Earth) to be spiritually misled for 200,000 years – that is why we are all ‘insane’!

Earth has had five higher spirit physical bestowals:

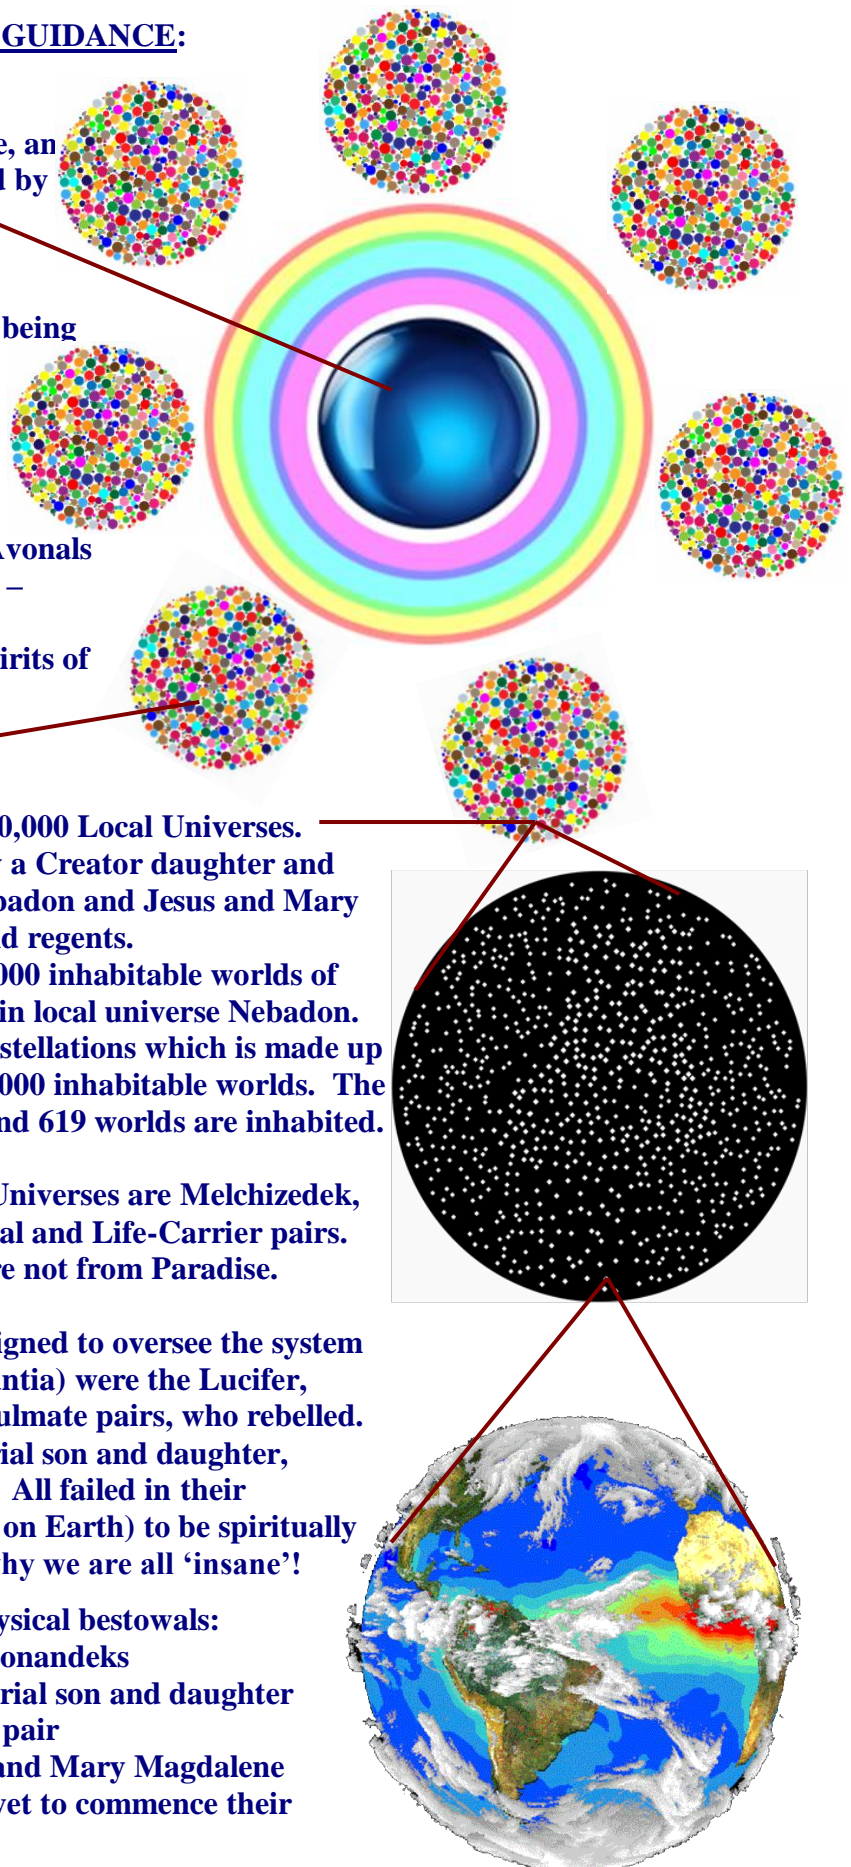

Daligastia soulmate pair being Lanonandeks

Adam and Eve soulmate pair Material son and daughter

Machiventa Melchizedek soulmate pair

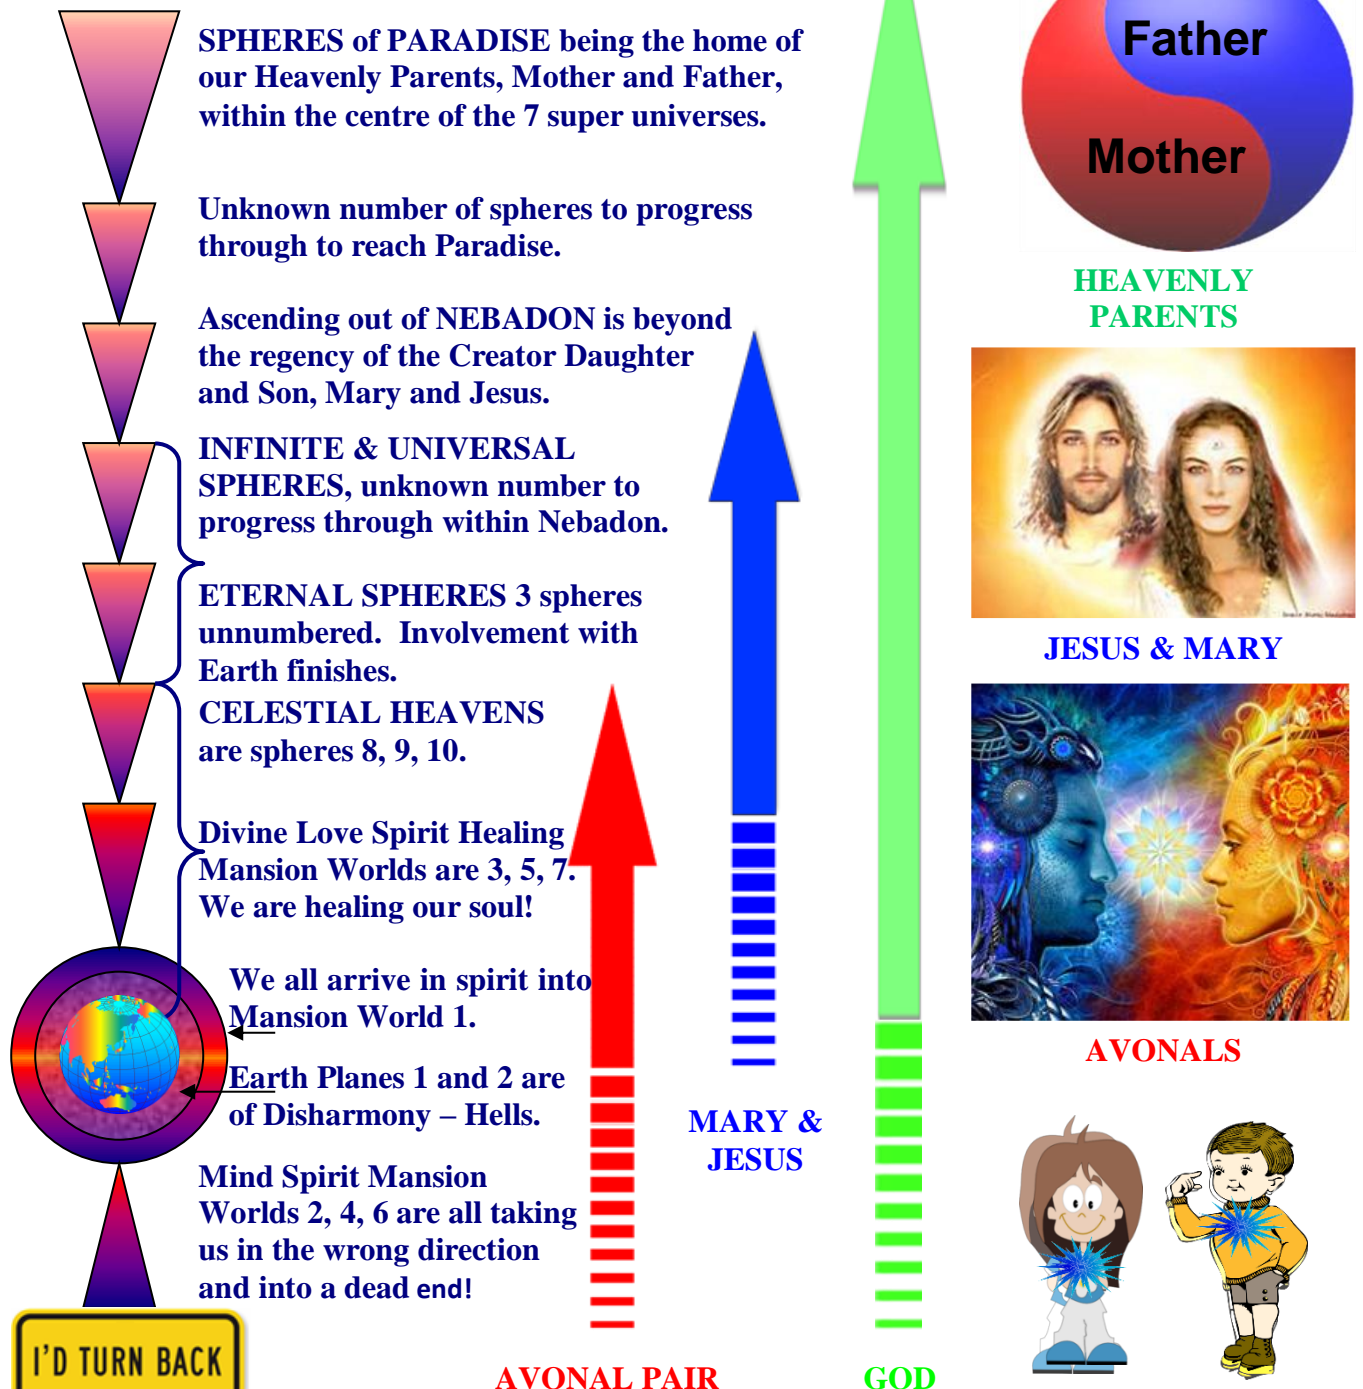

Creator daughter and son – Jesus and Mary Magdalene

Avonal daughter and son who are yet to commence their public work.

# MUM & DAD THIS WAY

Throughout the Avonal Age of 1,000 years, their Spirits of Truth will assist us in embracing and engaging with our Feeling Healing and with Divine Love our Soul Healing. They will assist us to develop our soul well into Celestial Heaven status should we persevere with such a goal. The extent to which the Avonal Pair develop themselves while here in the physical on Earth is the level that their Spirits of Truth will be able to assist us. Then it will be Mary and Jesus' Spirits of Truth that will assist us up and out of Nebadon, where our Heavenly Parents will then assist us onto Paradise, Their home.

# JOURNEY HOME

Our journey home is an ever growing expansion of truth being revealed to us. For Earth's humanity, as for the 37 humanities that have Rebelled, we are quarantined and isolated. Having also Defaulted, Earth's humanity is possibly the most evil of all. Firstly, we are to understand that living through our minds is why we are addicted to untruth and control of others and nature – we are going the wrong way! We are to live feelings first and then heal our Childhood Repression and Suppression – we are to live and express our true personality, the one given to us by our Heavenly Mother and Father. Then our journey home begins!

The Isle of Paradise is stationary within the circle of seven super-universes. Spheres here are also for us to further grow in truth before arriving Home to become Finaliters. Our Heavenly Mother and Father guide us out of our Local Universe of Nebadon, through the rest of our super-universe of Orvonton and into super, superuniverse Havona which circulates around the Isle of Paradise, being home.

Each of the seven super-universes are constituted, approximately, as follows and with 1,000,000,000,000 inhabitable worlds:

One super-universe is 10 major sectors

One major sector is 100 minor sectors

One minor sector is 100 local universes

One local universe is 100 constellations

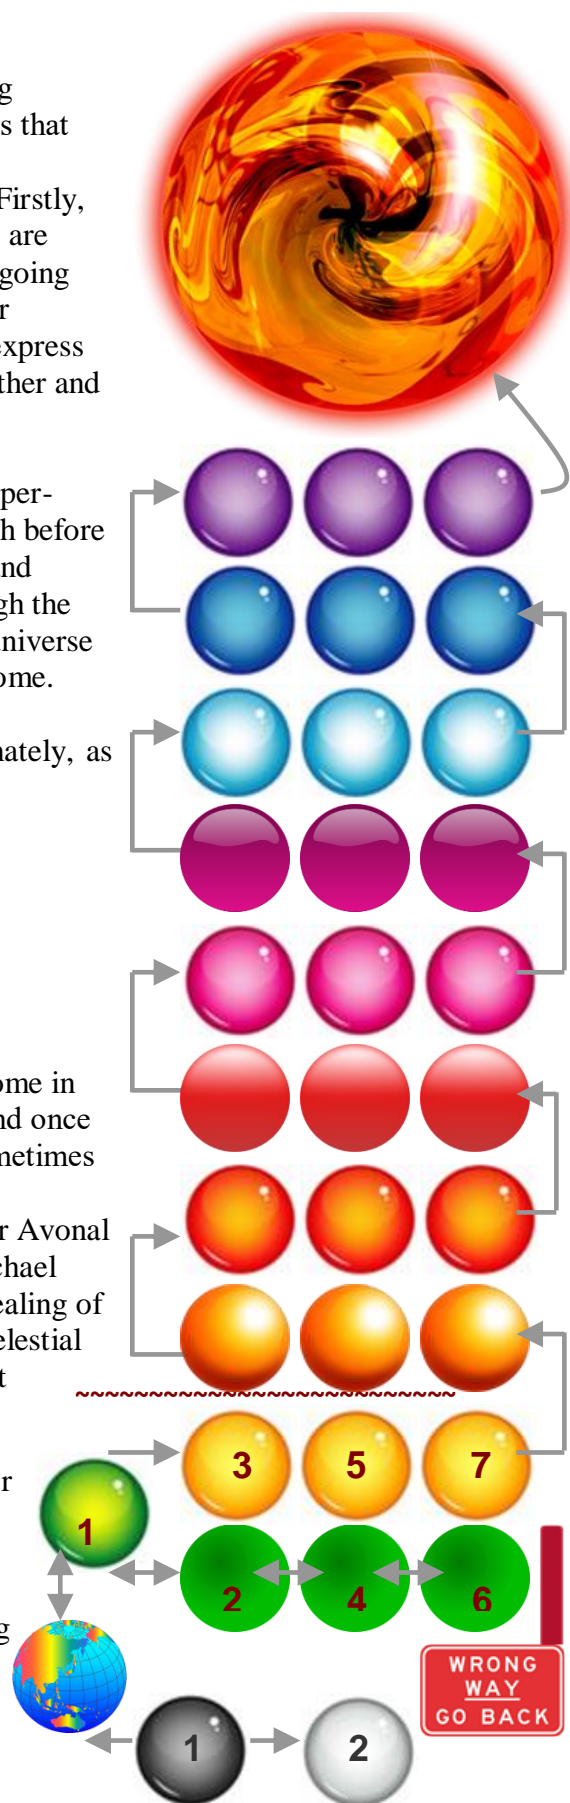

One constellation is 100 systems

One system embraces approximately 1,000 physical worlds

Once we attain the Celestial Heavens (spheres), we start to come in contact with spirits from other 'Earth' worlds. So in spiri,t and once we've finished our Healing and are Celestial, we interact, sometimes directly and otherwise indirectly, with potentially 10,000,000 physical worlds of which 3,840,101 are with humanities. Our Avonal Daughter and Son lead us to Mary Magdalene and Jesus (Michael soulmate pair, our Creator Daughter and Son), through our healing of the Rebellion and Default by guiding us into the first three Celestial Heavens and out of isolation from all other physical and spirit humanities.

Mary and Jesus then lead us through the Celestial Heavens for the system Satania (that Earth is in), then our constellation and then out of our Local Universe.

Isolation from all other humanities prevails before completing our soul's healing and progress into the Celestial Heaven spheres 1, 2 and 3. Hell planes 1 and 2 are of Earth, those who have compensation may have this experience and might then progress up through mind Mansion Worlds 1, 2, 4 and 6 before turning around to progress through Healing Mansion Worlds 3, 5 and 7 to transition into Celestial Heaven.

# OUT GATEWAY ISOLATION

**FLORENCE FALLS**, as penned by Marjory Doyle,  
constructively and lovingly outlines the lives of many  
Australian indigenous people. Let us now meet Kerry:  
P.131-138

**Special Treatment**

*"I never knew my mother's tongue  
I never knew my name  
I never knew the songs she sung,  
I was raised in shame."*

by Paul Kelly "They got Special Treatment"

I, Marjory Doyle, first met **Kerry** at work and over the years we became not only colleagues but friends. When she was still a baby, her mother had been hurt in a car accident. While recovering after the accident, fate dealt the family a cruel blow. **Kerry's** mother, being Aboriginal, was declared by the state to be unfit to look after her child.

The baby had numerous aunts willing to care for the child while her mother recovered but the Department of Children's Services, acting on behalf of the State of Queensland, Australia, under 'the Act', seized the child and removed her to an orphanage in central Queensland. Kerry was not even twelve months of age. Because this act was not repealed until the 1970s, Kerry, having been born prior to this, became a ward of the state, rendering Kerry's mother and Kerry's biological family powerless to take her back to her family. Through an act of legislation, her fate was sealed.

Over the years Kerry told me about her early years, so horrible that she could not bear to remember and when she did it would cause her to have nightmares. When she first told me of her experiences growing up in an orphanage, I was shocked and saddened. I little understood how people could be so abusive to small children placed in their care. She came in for her share of cruelty too, but it was also the things she witnessed that left an indelible mark of trauma upon her life. Of course, there were many white children placed at the orphanage as well, though most were Aboriginal due to this policy of removing Aboriginal children from their families.

By the time her twelfth birthday arrived Kerry tried to take her own life. Fortunately, the attempt failed. Soon after this an Italian family fostered her, so at last she was free from the dreaded institution. She spoke of how her Italian foster father was a good man. He had a love of the outdoors and would often take her on camping and fishing trips which she grew to love. She shared his love of the outdoors. Kerry explained to me that it was her foster father who first tried to imbue her with a sense of pride in her Aboriginal heritage. Kerry looked back with fondness on this remarkable man who had started life as a migrant and yet it was he who first inculcated in Kerry a lover of her own Aboriginal culture.

These foster parents were good people and tried to do the best they could for Kerry. In her last year of high school, she excitedly told one of her teachers that when she left school, she would go to university. The well-meaning teacher informed Kerry that as she was Aboriginal perhaps the best job she should aim for was to become a typist. She went home and told her foster father what the teacher had said. He became so irate that he went up to the school the very next day and told the teacher that Kerry had every reason to expect to achieve anything she put her mind to.

Life seemed to be turning out well for Kerry but as is so often the case problems were simmering just below the surface of what had become a peaceful existence. Kerry had always sought to please her foster parents, though there was always the nagging thought that perhaps she was not good enough to be their daughter. One day, while out shopping with her foster mother, she was introduced to a family friend as my 'Islander' foster child. Her foster mother's chance remark about Kerry's identity had cut the child to the quick. Kerry knew herself to be Aboriginal. It had been pointed out to her often enough throughout her short life and it was the reason she had been institutionalised. Yet, her foster mother had chosen to ignore this fact, maintaining the child was 'Islander', as if that proved somehow, she was of better quality as an 'Islander'. It was as if being Aboriginal was somehow less acceptable. As the women went on talking, Kerry turned her head to one side to hide the tears which stubbornly trickled down her cheeks at that moment.

Kerry hungered for a real family of her very own. When she was about sixteen, she met a young Aboriginal man and they fell in love. So desperate was her need for a family to call her own that she quickly had three children to David. She loved her children more than anything else in the world. She determined her children would never be parted from her.

The trouble began soon into the relationship. David drank heavily and began to behave violently towards Kerry. The couple soon moved in with David's family. If Kerry thought the cycle of abuse towards her would stop, she soon discovered David's family was not a deterrent to his abusive behaviour.

In fact, abusive behaviour in this aberrant family was not only tolerated it was considered normal. Kerry told me that one night her partner had come home drunk from the pub, given her a black eye and a beating. The next morning when she had gone to the kitchen to get breakfast for her children, she had expected David's mother to at least chastise her son or perhaps comment on Kerry's black eye and her bruising. Instead she was met with a wall of silence. By the age of nineteen Kerry realised that she had become a battered wife. More than anything else she wanted to protect her children, so she left her husband and moved to the Coast, away from his family, where she would be safe.

If Kerry thought all her troubles were over, she was wrong. She was now a single mother bringing up three small children. How would she feed them and how would she afford the rent to keep a roof over their head? Instead of getting better, Kerry's life seemed to take a turn for the worse.

It was about this time she became involved in a dangerous criminal underworld, but she was desperate to make money so she could hold on to her children. She now had another boyfriend but decided that she would never again become dependent on any man. They lived separately but it was through him that Kerry was introduced to the world of illicit drugs and a way to make money. She was a smart woman and the irony struck her on more than one occasion that she had become involved in illegal activity so that her children would not be legally removed from her. Many times, her own memories of childhood trauma came back to haunt her, and she felt that she would have done anything to spare her own children the sufferings she had endured.

At the age of twenty-four Kerry's conscience began to weigh on her heavily. She began to realise what harm she was causing to other people's lives, yet she continued to justify her work maintaining that she only did business with adults. One day she thought of how she would feel if any of her children ever became involved in the drug world. Finally, came the knowledge deep within that what she was doing was wrong. There was no justification.

Over the next few months Kerry seemed to undergo a powerful religious experience. Though I (Marjory) was never told exactly what form this experience took, it radically changed her life for good. She felt deep remorse for all the hurt she had caused to other lives. There were other ways to provide for her family and she would find them. There was no need to resort to criminal behaviour anymore.

Kerry had long ago stopped crying for her childhood which she believed was forever lost to her. Now however, the tears flowed freely as she thought of that lost little girl who had now been found through an act of grace. It seemed she had undergone a type of metamorphosis in which her soul was healed from the bitter wounds of the past.

She set about making amends as best she could, miraculously turning her life around. She decided to finish her education and get a job where she could now help people. She wanted to provide the solution to people's problems and not be the cause of them.

When she first went to university, Kerry sat up the back watching all the students fill up the lecture theatre. At that time nearly all the students were white. Kerry appeared to be the only Aboriginal woman attending lectures. She told me that she was so frightened she almost got up and ran out of the room. Yet somehow Kerry knew that if she left that day she would never return, so she stayed as if fixed to her seat. The next phase in her life's journey had begun. She rarely spoke again of her life as a child growing up in an orphanage. She refused ever to be a victim, for she was a fighter and her background had served her well. Eventually, she became a good advocate for the people in her care.

She graduated in social work and it was around this time that Kerry and I met for the first time. I remember the first day she bustled into work. She was a stylish woman, dressed in a white cotton top and loose linen slacks, with gold hoops in her ears, her feet shod in expensive leather shoes. Kerry told me later that it was from her Italian foster mother that she inherited her fashion sense. Kerry was senior to me, and she took her role in mental health very seriously. She was a woman on a mission and Kerry would always go the extra mile to help our patients. People who have missionary zeal are not always easy to get along with and I could not pretend that Kerry and I always agreed on everything. Some say that Mother Theresa was never an easy person to like at times either. That was how Kerry was, single-minded in her desire to do the best she could for her patients.

Yet, despite our initial differences I am glad I worked with Kerry as I learned so much from her, not just in a professional capacity but as a human being as well. Although she was gifted with sharp intelligence and was serious by nature, there was a fun side to her which I grew to know and love.

Once Kerry and I (Marjory) had to attend meetings on Thursday Island in the Torres Straits (separating Papua New Guinea and northern Queensland). Neither of us had ever travelled there. As we sat on the boat, we glanced around and noticed that we seemed particularly overdressed in our white, health department T-shirts and our navy-blue culottes and brown sandals. Practically everyone else was wearing sarongs and many people were barefoot. To make matters worse we each had on our laps a satchel containing documents for the meetings we would be attending. Kerry turned to me and said, "You realise we stick out like a sore thumb."

"Yes," I replied, and then we both started laughing because that was the only thing we could do.

During our brief stay on Thursday Island, we met with health staff and other officials. One day, as we made our way back along the esplanade in the late afternoon sun, we glanced at one another and grinned. We took off our sandals and raced fully clothed into the turquoise water, splashing about like two carefree children, feeling the coolness against our skin, laughing with happiness, caught up in a moment of time to be treasured and remembered forever.

My time working with Kerry was all too brief. It was not long before others saw her potential and she was promoted to higher duties somewhere else. She would eventually become one of the highest paid Indigenous employees in the department, though I always knew that for Kerry, the work she did was never going to be about money. Her goal was to improve the lives of many Indigenous people, wherever she

possibly could. She was on a mission and she would continue her work even after she retired, taking an active role in the lives of her grandchildren and her community.

I still miss her. Kerry was, and probably still is, a force to be reckoned with. All the brokenness of her childhood ended up serving her well, for it became a catalyst, driving her on so that other Indigenous children would be spared from the hardships she had known so early in her life.

# We Learn by Doing!

As incredible as this story is, “Florence Falls” is flowing with the stories of many Australian indigenous people whose lives have each been dynamic, tragic and inspiring as that of Marjory’s. Marjory has penned the reality of people’s very difficult lives in a highly constructive, revealing and way that leads us to understand the possibilities that abound for people when they are provided with truth and freedom to express the love for all of humanity in a way never previously considered possible.

## Finaliters

What may possibly be considered with Kerry’s life story, as outlined above, is what may be representative of what may now unfold for all of Earth’s humanity, certainly those who have been subjected to the Rebellion and Default. Yes, we will each achieve Paradise and become Finaliters. Then our journey, should we so choose from time to time, be that of assisting those who may be finding themselves within difficulties in humanities on inhabitable worlds that are yet to emerge throughout super-universes outside the current cluster and circle consisting of the seven existing super-universes.

## Finaliter, being what we become when we finally arrive in Paradise!

# JOURNEY TO PARADISE

# Finaliters

Hey guys, I know who I am and why I am having these life experiences. No, I'm not wearing a prison uniform – but that might be what my soul has planned for me to experience! Just joking!

When we arrive in our Earthly mother's womb, we are clueless as to why the heck we have come here. We truly need to persist with asking, "What's this all about?" – We will be told, bit by bit! But you have to push for it. Well guys, here's a go at it.

*We have come to this crazy messed up humanity on Earth because God wants us to come; we don't have any say in it. And we think we can do something about it, but we actually can't, we can only do what God wants us to do. And if that makes us think we can do something, that we can have an effect, then that's what God wants us to think. Man, this mob is ready to slaughter each other totally and that is not going to happen – it's not allowed!*

We are to enable our wilfulness to surface – well take over our 'numbnut' mind – and push aside the persona – the messed up personality that our parents want us to be – and express our true individuality. Be true to our feelings – our soul-based feelings and be the personality that our Heavenly Mum and Dad know us to be (all good).

Okay, because we are amongst billions of people who have been forced to join the Rebellion and Default, we are one of them – experiencing all the crud and wrongness we can possibly get ourselves into. Yep, we are rebelling against our soul, which also means we are rebelling against our soulmate and also our Heavenly Mother and Father – God. Shoot the works – we have done it justice!

Now here is the good bit. We can heal ourselves of all this wrongness – and eventually we ALL will. Then we will continue with our healing and learning, and learning, and more learning and end up in Paradise, the home of our True Mum and Dad. THEN we will be recognised as FINALITERS. Why Finaliters?

We are called Finaliters, that's everyone who attains Paradise, and not just those of us who've been screwed up by a Rebellion, because we've 'finally' got there, we 'finally' did it, we 'finally' completed the first stage of our existence in Creation, which is akin to 'Finally' completing our time in the 'womb'. Upon attaining Paradise, it can be likened to being 'finally' born, or 'finally' becoming the equivalent of age 6 when our Indwelling Spirit arrives, or 'finally' becoming an adult. And possibly we won't know if we can liken it to any of these stages we go through during our physical life on Earth, until we're 'finally' on Paradise, and 'finally' get it!

Because other humanities in newly forming universes are anticipated to Rebel (just like us now) and because we have had the experience (no other humanity has possibly done it as good as us), we FINALITERS can go and help them out of their SHIT! Yee-ha – more evilness and insanity! That is us! Bring it on!!!!

# Finaliters

## OUR JOURNEY

Ascension is from Earth (Urantia) through Nebadon, Orvonton, Havona to Paradise.  
Then in Paradise we progress to be Finaliters and possibly assigned to a newly forming universe.

Isle of Paradise  
home of our  
Heavenly Mother & Father

Havona  
Ascendington

Orvonton – our Super Universe  
Nebadon – our Local Universe  
Urantia being Earth

**Finaliter, being what we become  
when we finally arrive in Paradise!**

Our journey is one of experience and the feelings that arise from our experiences. From the moment of conception we are on our learning pathway, experiencing the emotions of our parents and carers. Our feelings are our truth, it is through our feelings that we evolve in truth. We are to long for the truth that our feelings draw our attention to.

Our physical parents and family is the focus of our experience on Earth. As we all have been subjected to the Rebellion and Default of Earth's humanity, we are all to heal ourselves of being unloved and the errors and injuries that we have been subjected to. Only through the completion of our Feeling Healing do we leave the environment which is referred to as Hell. It is through the guidance of the Avonal soul partner pair, their Spirits of Truth, that we are now able to complete our Feeling Healing.

When we transition into the 1<sup>st</sup> Celestial Heaven, having completed our Healing and Acceptance of how we have been messed up and the way we are having had the experience of living in a Rebellion and Default, can we then start to assimilate with other humanities within our Local System.

Our local system is called Satania, home city and headquarters being Jerusem. It consists of 1,000 physical worlds that have the potential of a humanity living on these worlds. 619 are physically inhabited of which Earth is number 606, one of the youngest. As we progress beyond the first three Celestial Heavens, then we start to interact and become knowledgeable of these additional humanities.

Then we progress into our local constellation called Norlatiadek. Norlatiadek consists of 100 local systems, and its home city is Edentia. The Garden of Eden is named after Edentia. Again we go through a process of coming to understand how the constellation works and the peoples that are throughout it.

Then we enter the local universe as a whole, named Nebadon with Salvington being its headquarters and home of the co-regents being soul partners Creator Daughter and Son, Michaels, namely Mary Magdalene and Jesus. It is through the Spirits of Truth of Mary and Jesus that we are guided through all of the Celestial Heavens to Salvington.

From Nebadon then it is our Heavenly Mother and Father that guide us through the next three major sectors of our super-universe being the Minor Sector, then Major Sector, then the super-universe of Orvonton.

Then we progress into Havona and Isle of Paradise, the home of our Heavenly Mother and Father and on completion of achieving understanding of how all the systems work in the manner that we are required to, we become Finaliters. After all, we are truth seekers!

Then what follows is that we then visit and achieve an understanding of how each of the other six super-universes work and how all seven super-universes function and work together.

When fully accredited we will most likely be assigned to one of the newly forming 70,000 super-universes that presently are not inhabited. Finaliters have many optional assignments.

We are truth seekers and through our obtained truth we will be able to assist humanities throughout the emerging universes.

and

Earth

70,000 Super Universes forming

**7 Super Universes rotate around Paradise, the home of our Heavenly Parents:**  
**Each of the 7 super universes have 100,000 local universes**  
**Earth is within the local universe of Nebadon which has 3,840,101 inhabited worlds.**

**7 Super Universes rotate around Paradise, the home of our Heavenly Parents:**  
**Each of the 7 super universes have 100,000 local universes**  
**Earth is within the local universe of Nebadon which has 3,840,101 inhabited worlds.**

# Humanity's UPSIDE OF DOWN

Humanity has devolved to a stupor incapable of recovering through the mansion worlds without help.

Celestial Soul Condition

Humanity is now to embrace the Great U-Turn and retrace its steps back through all seven Mansion

Worlds, including all their sub, and sub-sub planes, as people do their Feeling Healing. And then with Divine Love, when we finish our Healing, our soul fuses with our indwelling spirit, and in so doing, as one soul manifests two personalities, we arrive in the first Celestial Heaven condition to join our soulmate and then soulgroup.

"Chosen by God,' eh?  
— What's the catch?"

# **PSYCHIC BARRIERS to CHANGE!**

**To put it succinctly:**

**We have been driven, generation after generation, to embrace our minds to the point that we blindly worship our minds, due to the fact that high level spirit controllers considered we would fall to to their coercion.**

**Our minds are addicted to:**

**Control over others;**

**Control over our environment.**

**That males are now addicted to having females subservient to their control.**

**That our minds cannot differentiate Truth from Falsehood.**

**That our minds are addicted to untruth and that 'fake news' and propaganda will be believed by a gullible, subservient audience.**

**That consequently, the sheeple will march to war without questioning.**

**So, financial gain for the few hidden controllers is the trigger for never ending wars, if they cannot enslave nations through debt or by other means!**

**We, here on Earth, live in a physical HELL!**

## **NATURE SPIRITS will INTERACT and ASSIST US in our ENDEAVOURS:**

Extracts from 'With Verna – a Nature Spirit' by James Moncrief

I, Verna – a nature spirit, would like to say to the people of future who will read this, that we are more than willing to make contact with you humans, however, **WE WILL ONLY DO SO WITH THOSE PEOPLE WHO ARE STRIVING TO LIVE TRUE TO THEMSELVES BY HEALING THEIR NEGATIVE STATES.** We can't otherwise, if people are choosing to remain as they are, all bound up in their evilness, untrue and bad feeling denial, as the new age will forbid it. Once the new Spirits of Truth have been liberated, we will have to adhere to them, not that we would want to do anything else anyway. And we can't wait to have the new Spirits of Truth to guide us as they help and guide you.

Now, why I'm telling you this is because there's going to be an upsurge of people saying they are speaking to nature spirits, people who are not doing their healing nor seeking the truth of themselves. They will say they are, and their nature spirit communication will be part of them doing so, but it won't be true. So beware, many people will say they are speaking to our kind when they aren't, speaking only to mind spirits in the lower Mansion Worlds and Earth planes.

It's far more important for you to gain a true understanding of your own personal role in nature, how you are to conduct yourself with nature, and also the same with the impersonal, the greater whole. And along the way your knowledge about how things are in nature will expand directly through your experiences and with our input. But (put this in capitals please James); **BUT OUR INPUT WILL ONLY COME TO THOSE PEOPLE WHO ARE STRIVING TO LIVE TRUE TO THEMSELVES THROUGH THEIR FEELINGS,** by doing all you have written James; essentially, all Mary has told you and all Marion has told and helped you with.

We are able to impress certain insights and understandings upon her (Marion), we do upon you both, all of which help you understand nature more; yours and the natural world, and your relationship with it. So everyone who grows in truth, as a part of that growth, comes to love nature more, relating to it very personally through their own nature, so we are able to move in and be with you.

James: So really your kind is to have a very close and complete relationship with us.

Verna: Yes, it will grow and evolve as humanity does. We are just a part of the natural realm as are plants, animals and the air you breathe. We should not be kept alienated from you. And just because you might not be able to see us, doesn't mean we are less important or have less of an influence on you, in fact we have more of an influence than does direct experience with plants and animals. Your hands on physical experience with nature is very limited, there is only so much you can do with and in it. But your understanding of it and its relationship to yourself and yourself to it, is all but unlimited, it growing – your awareness of it all growing, as you grow in truth. And humanity is meant to grow in complete harmony with the natural world whilst it's here with it, not separately from it as you currently are. You are going against nature, not going with it, so you are going against your own natures, not with them, which of course is why you're going against nature. Your parents set you against yourself, your own nature, so you don't see that nature offers you anything other than what you can get from it. But that's all thankfully soon to change, and as there is already a slow awakening taking place in certain parts of humanity as to how special nature is, so this will continue to evolve.

## **Nature Spirits control every aspect of the natural world:**

28 June 2012

Extracts from 'With Verna – a Nature Spirit' by James Moncrief

We have a progressive consciousness, we are evolving our minds, as I've told you, but they being a creation of Mind can so be influenced by higher angelic minds. So really in the mock you had, what I meant was we nature spirits can prevent fish from being caught if that's what we're asked to do by either higher angels on behalf of the Mother and Father, the Divine Minister in Nebadon, or by Sons and Daughters of Truth, that being Mary and Jesus, the Creator Pair, or Avonal Pairs.

We'd know the Avonal pair would ask us knowing from their feelings and the truth they were living that it would be what the Eternal Son and Infinite Daughter desired.

We nature spirits can control EVERY aspect of the natural world if need be. We can make anything happen, from causing earthquakes and volcanic eruptions, down to move the smallest bacteria this way and that. We can bring about any mutations that are desirable, and we can work in the moment or over long periods of time. Nothing is too much for us when it comes to influencing the material plane, that's what we're all about as nature spirits, we do always and continually influence it. By our very nature, our very existence we're influencing it. Nature on the physical level doesn't and can't exist without our ongoing influence. And as to that influence, what it entails, that all awaits humanity, and one day we'll be able to tell various people everything we do. There will be those people destined to have very close and open relationships with our kind, and they will learn and see what we do. And then humanity will be able to move toward living more truly with us and our natural influence, all of which will make people feel so much happier about how they live and treat their natural environment. Currently you are so far away from the truth, heading fast in the opposite direction, so you are the furthest you've ever been from our kind. But once the age changes, then we'll be able to come to you as you'll be able to come to us and things will start to change for the better, that's what we're all looking forward to.

Potsy, the cat, her spirit has gone to join with the combined spirit from all Earth's creatures, to be drawn upon to create us nature spirits, and in fact the sporangia as well, having become part of the spirit collective energy from which my kind, among others, are drawn.

**We, being ensouled humanity, are to move with our feelings, respond and act upon our feelings, we all are, and so based on our feelings we bring our mind into play, and then things happen which affect our feelings and so our mind adjusts accordingly.**

### **1<sup>st</sup> Spirit MANSION WORLD CONDITIONS:**

The first of the seven Mansion Worlds is the destination for all who shed their physical body, be it moments after incarnation, or any time during gestation, or later on through one's life in the physical realm of Earth.

After a period of 'acclimatisation' being days to a few months in one of the many receiving stations within the 1<sup>st</sup> spirit Mansion World, one's soul condition will then determine where one will live in this spirit world.

The conditions within the 1<sup>st</sup> spirit Mansion World range from the dull and dreary condition of a remote rundown township or an outback community in a semi-arid environment all the way through to the most wonderful environment and conditions to be found on Earth.

Thus, we are drawn by our soul condition to inhabit an environment that we have brought our own condition to be, and to live with spirit people of similar soul condition.

Even though our arrival at a receiving station within the 1<sup>st</sup> spirit Mansion World will be a delightful environment, as our memory starts to become active then we will find ourselves being drawn by the gravity that matches our soul condition.

If we are inclined to cause harm to others we will be drawn into the darker Planes of Disharmony. If we have longed for and received our Mother and Father's Divine Love, we will most likely progress to the 3<sup>rd</sup> World (being the first of the healing Mansion Worlds), to commence our spiritual Feeling Healing and Soul Healing with Divine Love.

**SUMMERLAND, etc, baby nurseries, generally within the highest planes of the 1<sup>st</sup> spirit MANSION WORLD:** Being organic spirit substances, flowers bloom all year round!

All unborn or stillborn babies as well as young children are nurtured into maturity within the realms of the spirit world with love beyond comprehension. They all arrive within Summerland, or similarly named facilities, and commence their spirit world journey from there.

**1<sup>st</sup> MANSION WORLD:**  
**Summerland child nurseries**

**Summerland child nurseries, etc.,  
 are beautiful regions of 1<sup>st</sup> world.**

**Summerland, etc, are within  
 the highest planes of the 1<sup>st</sup>

**There are 1,000s of planes or segments  
 within the 1<sup>st</sup> spirit Mansion World.**

**Ambience of mid-range planes  
 of the 1<sup>st</sup> Mansion World is

**2 Planes of Disharmony / Earth:**

**The hells are unimaginable places of darkness.  
 Consider you are stuck at the end of the deepest  
 longest mine ever, on your own, without any lights!**

## 2 PLANES of DISHARMONY:

God is a God of love to even the vilest sinner, and when such a sinner turns to Them and prays for forgiveness and love he gets them both. Let me tell you further that the Love of God when through embracing Feeling Healing, when it enters into the soul of a man is sufficient to wash away all sins, and make that soul happy and joyful. Not even the most evil man who is guilty of the greatest sin need think that he cannot be pardoned, and made happy and brought into harmony with God.

God, being Mother and Father, loves all Their children too much to have them pass through such experiences as are in part of the teachings of many spiritual leaders and books. Evil spirits have to suffer for their sins and atone for every evil thought, but not by any such suffering as some books depict. Neither the hells of the churches nor the hells of such books exist.

The two Planes of Disharmony (being around Earth) are places of isolation to prevent those who wish to pursue harm to others from doing so. The two Planes of Disharmony are planes of Earth. There is virtual darkness prevailing on the 2<sup>nd</sup> Plane of Disharmony and the environment is one of gross desolation.

As such spirits are embroiled in harmful negative emotions, there is a progressive and gross lack of love and light in these spheres. The hovels that are physically assembled by these dark spirits progressively become lacking in substance reflecting the soul condition of these spirit personalities.

No matter what one's soul condition may be in, one can recover and progress to higher worlds, then spheres of love and harmony. Many have progressed from the deepest of these 'hells' to the Celestial Heavens through engaging in doing their Feeling Healing and embracing Divine Love.

Living Feelings First, longing for the truth of our feelings and expressing them, both good and bad, is the new Feelings Way. It is the only way we can heal ourselves of our Rebellion and Default; our minds controlling domination of our true personality. It opens us up to our soul-based truth, and the love that follows.

For the past 200,000 years, all of humanity has been enslaved to the controlling natures of minds. We now have been shown how to heal ourselves and set ourselves on the pathway to Paradise, to our Heavenly Mother and Father.

WORLDS**

Our soul condition, personality traits, mannerisms, errors, beliefs and behaviour, ALL transfer with us, upon death, into the 1<sup>st</sup> Mansion World. Our controlling emotional and mental addictions all continue with us when living in the mind Mansion Worlds 1, 2, 4 and 6. Doing our Spiritual Healing moves us into the Healing worlds 3, 5 and 7, to be set free of them.

**DIVINE LOVE does not TRANSFORM one's SOUL  
FEELING HEALING is what TRANSFORMS one's SOUL**

The Divine Love does transform our soul from Natural love into Divine Love. It's our Feeling Healing that 'transforms' or heals our erroneous expression of Natural love. We have to 'heal' and so perfect our Natural love, so it can then be transformed by the Divine Love.

Divine Love does not even begin the real work of transforming one's soul, for those who focus upon receiving Divine Love to the exclusion of embracing one's Feeling Healing, they are just expanding their mind's control over themselves. Should this be one's passion, then upon passing into the spirit Mansion Worlds they will find that they can continue along this path all from within the Divine Love followers segment within the first natural love Mansion World! Yes, only from within the first natural love Mansion World.

Most of humanity on Earth are not wanting to face the very truth their feelings are making them feel every day of their life. So if they want to keep living in the spirit Mansion Worlds as they did on Earth, in complete denial of their feelings and the truth they are to shown about their wrongness, they can.

However, for those who have embraced Divine Love and begin to engage in their Feeling Healing process to begin the transformation of their soul, they will be able to sense the Divine Love already within their soul 'driving them on'. One's understanding and adjusting will be changing rapidly to that of embracing all about the Healing and doing it – all being supported by the Divine Love that one may have received previously. All one may have done with the Divine Love may make their introduction into their real Healing, by using their feelings, much easier than it is for other spirits from the mind worlds who are at the same time having to wrestle with many of their old religious beliefs or mental programming, having to take on a whole new mind-set which one could see would take some of them years, whereas for someone who has been longing for and receiving Divine Love for some time it may be only a matter of weeks. This also applies to those living in the physical.

It is the Feeling Healing process that transforms one's soul towards perfection, towards the ability to fully express one's true personality as given to us by our Heavenly Parents, it is the Divine Love that then fits that transformed soul to be able to enter the Celestial Heavens.

**This time, in the history of humanity, is  
the most exciting time ever experienced.**

Once humanity collectively understands what has happened to them on the higher spiritual level, how the people have been controlled, and that it's over, that control is no longer controlling, it's just legacies of it, all of which the average person can deal with by destroying it in themselves, things will change markedly for the better. And as the people change, so too will how they want to live, it will be a great time of revolution, nothing will be the same. So what you are currently living through is the end of the Rebellion and Default, it literally is, and so once the end is fulfilled and the New starts, then all how it currently is and has been will cease to be.

# Root Cause

Highly esteemed Lanonandek spirits from within our local universe of Nebadon were assigned as System Sovereigns of our local system to oversee Earth's humanity and their spiritual development. 200,000 years ago they, the Lucifers, became infatuated with their authority and turned against the regents of Nebadon, Mary and Jesus, as well as rejecting God. Through their Planetary Princes, also Lanonandek spirits, they had taken the humanities of 37 worlds within their local system into their Rebellion.

Through living through our minds, suppressing our feelings, we on Earth will continue to be at war with each other, illnesses of all descriptions will continue from our feelings suppression, famine and inequalities prevail, control of others is the core of all systems, we cannot determine truth from falsehood and life on Earth is a living hell. We have been continually seduced by mind Mansion World spirits and we live life in a stupor – nothing more than zombies doing the begging of the evil ones, the rebellious Lanonandek spirits.

Through living through our minds, suppressing our soul based feelings, we have been progressively going further and further away from our Heavenly Parents, now to the point that we cannot go any further. Through working cracks in the Universal Contract governing the Rebellion and Default, this control has been ended formally as of 31 January 2018.

# Pathway Forward

To liberate one's real self, one's will, driven by one's soul, moves one to embrace Feeling Healing, so as to clear emotional injuries and errors. With the Divine Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

Avonals - Magisterial Daughter and Son

Machiventa Melchizedek, to this day, continues to oversee the plan that was evolved more than 4,000 years ago to progressively open cracks in the Universal Contract governing the Rebellion and Default instigated by Lucifer 200,000 years ago. With 'federal' authority, the Creator Daughter and Son brought about the Lucifers and Satans' spirit world imprisonment 2,000 years ago, and set the Avonal bestowals in place.

The commencement of the Padgett Messages on 31 May 1914 triggered the bestowal of the Avonal Pair for Earth's humanity. The Avonals' 'state' authority brought about the Caligastias and Daligastias spirit world imprisonment in 1993. The Avonals' healing of what they have taken on of the Rebellion and Default ends the Rebellion and Default. Now we can all follow and progress on the pathway to Paradise.

# The HELLS are too EMPTY!

Through the intervention of a Magisterial Daughter and Son, an Avonal soul partner pair, from Paradise, we of Earth's humanity are now being shown how to heal ourselves of what we have each taken on of the Rebellion and Default. We are being shown and made aware of how to live true to our feelings and to long for the truth of what our feelings are to show us. We are to live feelings first and have our minds follow to implement what our feelings are guiding us to embrace.

**Earth Planes 1 and 2 are Spheres of Isolation and Disharmony for the Law of Compensation – 'Hells'**

**WE ARE  
THE TRUTH  
SEEKERS**

We are the Truth seekers. Our minds cannot discern truth from falsehood. Our soul-based feelings are always in truth. As we embrace and live through our feelings we will step away from error. As we learn and express our feelings, both good and bad, we will release the errors that we have absorbed during our childhood suppression and ongoing repression, thus healing ourselves of our personal Rebellion and Default.

As we progress with our healing, then we will transgress the ceiling of the mind's limitation (499 on Dr Hawkins' Map of Consciousness) and embrace our potential which is to infinity through our soul-based feelings of Truth.

The quickening of the Law of Compensation, as a consequence of the emerging 1,000 year Avonal Age now commencing, for those who set their 'minds' to cause harm to another may progressively find themselves being debilitated with the equivalent of the pain they intend to inflict, thus preventing the error being executed. Within the spirit mind Mansion Worlds, this is instantaneous. How this is to unfold on Earth is yet to be understood. However, injuries to others will be compensated for while one lives within the physical on Earth, thus the progressive emptying of the Hells will unfold. This will bring about an era of peace on Earth as conflict and war will be impossible.

**LAW OF COMPENSATION**

**Quickening**

**LONG to KNOW ABOUT what you are FEELING!**  
**Long to understand the truth behind**  
**what your feelings are pressing upon you.**

**Ask to know the truth about that which you feel.**  
**It is knowing the truth of that**  
**which you feel that sets you free!**

**Always be true to your feelings**  
**because they are your truth**  
**and truth is love and our way home!**

**Express your feelings to those who matter to you.**  
**Suppressed feelings bring about pain and illness.**  
**Talk it out to a friend!**

From our head to our toes,  
what our feelings say goes!

Feelings, good and bad, are to be expressed.

Talk it Out!

Heartfelt feelings are our truth.

Then we are to continue by longing for  
the truth that our feelings are to reveal to us!

Throughout our forming years, from conception to around age six, we are immersed in the unloving guidance and care of those who feel they are loving. The accumulation of injuries, errors, hurt, are all of an ongoing harming nature being disturbing frozen energy that manifests aspects through the rest of our life. The suppression and ongoing repression of our natural self-expression during our formative years is the foundation of all our suffering throughout our life.

Suppression and ongoing repression of our natural self-expression underlies our quality of life, it is the predictor of our level of employment, poverty or otherwise, our physical health, generator of our illnesses, our quality of relationships and all aspects of our everyday living, good and bad.

We can free ourselves of living life like a retard, yes, that is about how we emerge from our early childhood. We, as parents, are yet to discover how to bring up children. First we are to liberate ourselves from keeping suppressed our childhood repression, and this we now can do through Feeling Healing.

“The real KEY to our Healing is longing for the Truth, and that is the truth that will come from our feelings. If you don’t want the truth of what you are feeling, then you can forget it. You can express your feelings all day like a kettle letting off steam, however if you’re not seriously wanting, and longing hard, and praying with all your will to God to help you uncover and see the TRUTH that your feelings are to show you, then you can forget it. The expressing and releasing ARE just as important, however a little less than longing for the truth.”

James Moncrief 28 May 2018

# Life Cycle of **CARNAGE**

When we inflict will damage on others we cause serious pain, not only to them but also to ourselves. We don't think what we have done warrants any sort of punishment even though we have negatively affected and influenced people by inflicting our will on them against their will.

**Golden Rule: that one must always honour another's will as one honours one's own.**

It's hell here on Earth, only some aspects of life are worse than others, until we partake of the Father and Mother's Love and long for the truth and set about doing our Feeling Healing and also soul-healing. These are the effects of the Divine Love when we are wanting to live true. When we set about longing for the Truth of our feelings we can't escape any longer. We have to face the truth, and express all our bad feelings.

How can we make amends?

All we have to do is totally own up to these bad feelings. Accept them and don't push them aside. Let them come. Allow yourself to feel as bad as your feelings make you feel. It's all very good. We can't actually go back and fix what's been done, but we can take responsibility for our feelings. So far as our soul exists there is no time, so we can express these feelings now and they will apply to the past back then. This is how we do our soul-healing. We have allowed the Divine Love to transform a little part of our soul, and it's brought up bad feelings, we have gone with them, we have allowed our self to experience them, all because we want to see the truth. The truth of our self, of what sort of person we are – of our life, and now this is where it begins. Today we have seen this part of the truth of our self, how in this situation we are uncaring inconsiderate, greedy, etc. And we have not liked what we have seen and would like to change our self so we aren't like that any more...

One may wish they were never like that... Not having any idea...

But now you do. And now that you know that you do, you have the choice to either continue as you have been or not to. And by choosing not to, the Father and Mother will change this part of you, a small part of your negative mind will become healed, and a part of your soul will be transformed. You have changed, because you've seen and accepted the truth about yourself. You will never be that person back then ever again. A part of you has woken up.

We feel this way because it's how our parents have made us feel when we were very small.'

The truth is we feel this way about ourselves, because we have been able to see that we don't treat other's with respect and this has to be coming from somewhere within us. We haven't just made it up. What we are as an adult is all from what we've learned to be as a child. So we have learnt to be this way. A child is not just born evil contrary to what some people believe or would like to think. We all start out as pure souls of love, and if we become evil, it's because we've learnt that that's how someone, usually our parents, have wanted us to be. They have made us into what we are. We've learnt to be that way because they treated us that way. So our parents treated us as we now treat other people.

We believe our parents have loved us and yet we can do something so unloving. Had they truly loved us then we would only be of love and only able to treat others lovingly, just as we would be treating ourselves. We can't be something we are not. So any unloving act is you, you haven't just suddenly made it up; it's a part of your behavioural makeup and is governed by your mind's beliefs. We have evolved it, and the only time we could lay down such foundations was during our early childhood. In some way, on some deeper repressed and therefore unconscious level, are the memories and bad feelings of our parents treating us un-lovingly, just as we have treated other people.

And our parents themselves will have been treated in the same un-loving way by their parents and so back through the generations. The whole unloving truth and way of behaving has been long since buried and covered up by false feelings and false beliefs of love. Had you been completely loved and treated accordingly, so too would you treat all others, for we do to others what we do to ourselves and what was done to us.

All we need to do is keep praying for the Love, and longing for the truth. The only way we can truly let go of our bad feelings is by **SPEAKING THEM OUT OF US**, getting right into them with the feeling, and emoting and expressing it – whilst longing to see the truth of it...

To liberate one's real self, being one's soul, is by embracing Feeling Healing so as to clear emotional injuries and errors. With the Divine Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

And step by step, the Mother and Father will take us through our soul-healing, helping us to heal every part of ourselves, every mind circuit that is not functioning in harmony with Their Divine Love and Truth and the Laws of the Universe.

## Law of Compensation QUICKENING

are known as the hidden controllers on the world platform, whereas the Deep State instigate their control over individual governments. The hidden controllers are families addicted to controlling others. And for generations have evolved their evil genius by inflicting world-wide suffering, while accumulating impenetrable control over most of humanity, enslaving them to debt and deprivation with impunity – until the commencement of the Avonal Age. These evil ones may be the first to feel the Law of Compensation come upon them which will debilitate and incapacitate them so they will no longer be able to continue with their evil ways. Through the instant application of the equivalent pain that would be associated with imposing their will upon another, they will find themselves in such a state that they cannot execute harmful intent and will therefore desist.

This earthing of the Law of Compensation may first apply to the Evil Ones, whose evil genius dominates their obsessive lifestyle and is their total focus. These corrupted personalities who undertake heinous crimes without any remorse, believing it is their heritage and right, will find themselves suffering instantaneously and being crippled by pain causing them to abandon their controlling ways.

As the Law of Compensation is progressively expanded to embrace those with lesser controlling addictions, then humanity will find that the circumstance for conflict and war will abate, thus slowly bringing about peace on Earth – the end of war.

Eventually, the full ambit of what the Law of Compensation is within the 1<sup>st</sup> spirit Mansion World may function on Earth, which may see the closing of the spirit world ‘hells’ being the 1<sup>st</sup> and 2<sup>nd</sup> Earth planes.

The Law of Compensation applies to the harm we cause through our desire to control others. Once that is resolved, then we proceed with the Law of Forgiveness which is our Feeling Healing resolving our childhood suppression and repression, as well as how we treated our own children.

**Law of Compensation**

**Law of Forgiveness**

**QUICKENING**

### The NEW WAY of LIFE:

Now for the first time in history, Celestials can be more assertive in making known the availability of Divine Love, and that the only way to progress towards our Heavenly Parents is by engaging in doing one's Feeling Healing.

The Celestials have all but stopped the mind spirits from negatively influencing people on Earth, and the biggest area this is in, is in the religions. So the religions on Earth and all the spiritual systems of the mind, are under pressure in that they are no longer enjoying the input from the mind worlds that they have had. And how this translates into ordinary everyday life, is more in the unseen connection between those in religions on Earth and those of the same religion in spirit, is fading away.

Then at the same time, we, the Celestials, are being allowed to move more freely amongst everyone, both in the mind worlds and with you on Earth. Which means, we can confront and have more of a say in peoples and spirits lives, something that was forbidden the Celestials of the 'old guard'. They were not allowed to interfere at all, having to wait patiently for spirits (as there was rarely anyone on Earth) to show interest in an alternative way to God, which enabled the Celestials to slowly introduce the notion of the Divine Love and then that of doing one's Healing. But it took a long time for mind spirits to show any real interest and being willing enough to give up the power their mind had over them, wanting to seek a higher life.

Celestials can now, following the progress achieved by Marion and James Moncrief, approach and be more freely expressive to spirits on all levels, and also to people on Earth, should they want their help.

Further, those who reject and suppress their children will progressively grow in awareness of their own unloving natures. One will not be able to continue to avoid their feelings of wrongness.

**Golden Rule: that one must always honour another's will as one honours one's own.**

Thus the three aspects: one, of having more readily available guidance to become aware of the availability of Divine Love; two, the way to become fully expressive of one's soul based personality through the process of Feeling Healing; and thirdly, the quickening of the Law of Compensation through one's greater sensitivity to one's emotional errors and injuries. By having greater personal connection with a Celestial, we are able to move into longing for the Divine Love, and look to healing ourselves and grow in truth, and start to seriously consider embracing one's ascent to Paradise.

## Prayer for Divine Love

### Long to God for Their Divine Love

Begin with the understanding that God, your Heavenly Mother and Heavenly Father, are offering you Their Divine Love. And all you have to do is want it, want Them to give it to you, to love you. So when you feel you want it, you long directly to Them for it, asking them through your feelings (with longing) to fill your heart and soul with Their Divine Love.

You can long for Their Divine Love, anywhere and at any time. It can be a formal prayer – longing, such as sitting in meditation or prayer, opening your heart to Them, and longing to Them for Their Divine Love. Or you can do it spontaneously on the go, when the desire to long to Them for Their Divine Love comes over you, or when you remember to do it.

Wanting God's Divine Love in your soul is about wanting to develop a very personal relationship with your Heavenly Parents. Speak to God as your real Parents. Tell Them all you are thinking and feeling, as you would your earthly parents (provided you had a loving relationship enough with them to do that.) If you feel angry with God, hating Them, express all your negative unloving feelings to Them too. Don't hold back, share and give all of yourself to Them, They want to get to know you, as you want to get to know Them. And keep longing for Their Divine Love.

We have to long, reach out wanting Their love through our feelings and with the full will of wanting it, which doesn't involve any words, so with the mind staying out of it. It's a yearning from your heart wanting to be loved by Them, so wanting Them to give you Their Divine Love – to love you, and to make you feel loved by Them. So it doesn't involve words, it's an inner yearning, longing, desire to partake of their Divine Love that is required by us. Then we can support this longing using our mind by saying actual words (praying). So say whatever words you want to say to Them, whilst you are longing with your heart for Their Divine Love.

Just be yourself, say whatever you want to Them, as you long for Their Divine Love. The more personal, open and honest you can be with Them the better your relationship with Them can develop.

And once you've longed, which can take only a moment, then give yourself time for Them to love you. You might feel the Holy Spirit coming about you, and then Their Divine Love coming into you, gently, very subtly, or strongly, even very strongly in a whoosh. It's different for each of us, and different often each time we long. And if you have previously longed to God in any way yet not specifically for Their Divine Love, when you do specifically ask Them for it, it will be a very familiar experience you'll have receiving it.

If you are sitting formally in mediation or prayer, once you've longed to Them for Their Divine Love, and you feel the Holy Spirit bringing it to you, you might find your head wants to move upwards as if looking into Heaven. Allow it too, but if it wants to keep going, don't stress yourself by hurting your neck, bring your head forward again. It's a lovely feeling sitting in the Light of the Divine Love, feeling it coming into your heart and soul. And you might find that you enjoy sitting for five minutes or half an hour, then suddenly the 'light goes off' and the prayer is over as you've received enough Divine Love for the time being.

Also, don't be surprised if at first you can feel the Love readily coming into you but as the years pass it seems to get less and less and you feel less inclined to long for it. This is naturally meaning you have received enough for the time being, you will need to do more of your Spiritual Healing before your soul is ready to receive more.

Summary:

Long with all your heart to your Heavenly Mother and Father for Their Divine Love.

# Paradise Trinity

Heavenly Mother  
and Father  
'Love'

Eternal Son of 'Truth'

Infinite Daughter of 'Mind'

Jesus and Mary's soul are different in design than ours. They are a Creator Daughter and Son, or similarly referred to as Michael Daughter and Son soul, and within their soul is expressed only two of the Primary Aspects of Deity. They are of the Mother and Father, our Heavenly Parents and the Eternal Son.

Avonal Daughters and Sons are expressive of the Eternal Son and Infinite Daughter.

The core of humanity (us mortals of Earth) is of the Truth and Mind, and then with the addition of the Indwelling Spirit, we can then relate to the Love.

And with the Avonal pair now on our world (Earth), or assisting us through others on Earth, they too expressing the Son of Truth and Daughter of Mind, we actually are far better suited to relating to them than we are to Mary and Jesus.

Our Heavenly Mother and Father

## **FEELING HEALING and SOUL HEALING with the DIVINE LOVE:**

**James Moncrief Publications:**

**all publications are free downloads:**

<http://divinelovesp.weebly.com/my-free-books-and-free-padgett-messages.html>

It is suggested for one to consider reading as follows:

### **Speaking with Mary Magdalene and Jesus – books 1 – 4**

These four books encapsulate the second of the revelations with the first having been introduced by James Padgett one hundred years previously. These four books provide a wide range of guidance that has never previously been made available.

### **Soul Light – books 1 and 2**

A Melchizedek, Zelmar, sums up how we are to heal ourselves and ascend to Paradise.

### **Paul – City of Light**

As a gentle intro into the Divine Love and Healing; being James Moncrief's first novel.

### **Ann and Terry**

An example for people who might want to immediately start working on themselves and doing their Healing.

### **Feeling Bad? Bad Feelings are GOOD**

For more understanding about our denial of our feelings and why we should not deny our feelings, and it includes how it all came about for James, using himself as an example.

### **Feeling bad will make you feel BETTER – Eventually!**

This includes specific examples of Marion and James working on expressing particular bad feelings, again with the hope that it will help others gain something of an idea as to what's involved in doing your Feeling Healing.

### **Sage – and the Healing Angels of Light**

Through Sage who's 13 years old, the story is primarily about the two aspects of healing; that being, with the help of our angels, and the full Healing we can do by looking to our feelings for their truth.

**Religion of Feelings  
Feeling Healing**

**Welcome to LOVE – the Religion of Feelings  
you can heal yourself through your feelings**

So these books, including the four Speaking with Mary Magdalene and Jesus books, provide the essence of it all and are examples of James' work. Then it's up to whatever takes one's fancy. Other reading to consider may include:

**The Padgett Messages being published as:**

**The True Gospel Revealed Anew by Jesus volumes 1 – 4**

**Book of Truths by Joseph Babinsky**

**The Urantia Book**

**Release one's pain through expressing one's feelings.**

**in conjunction with**

**Longing for the Truth when also longing for Divine Love.**

## **FEELING HEALING with DIVINE LOVE is SOUL HEALING:**

*A collection of 'papers' that draw together specific topics including all of the above and more from other sources of information and revelation designed to help increase one's awareness about why we have the problems we do and how to heal them, all whilst living a more healthy and sustainable life. They provide a brief snapshot of the more complicated topics and issues.*

**Firstly, consider discovering the truth of your emotional pain through Feeling Healing.  
Secondly, consider longing for our Heavenly Parents' Love as you progress with your healing.  
Primary and most important readings are the writings of James Moncrief.  
Then consider the Padgett Messages, and then The Urantia Book.**
