Ten, now Eleven Commandments

Nassouf.

## Eleventh is the First!

“In John 14:15 I said, as it is reported in the New Testament: "If ye love me, you will keep my commandments." "This is my commandment, that ye love one another even as I have loved you." And this statement meant that, as the Messiah, I was giving a commandment which was to be placed with, and above, the Ten Commandments of Moses; and this commandment was the Law of God's Love.”

Jesus of the Bible and Master of the Celestial Heavens

<http://new-birth.net/padgetts-messages/gospels-of-john-quotations-from-the-bible/>

15:10 If ye keep my commandments, ye shall abide in my love; even as I have kept my Father's commandments, and abide in his love.

**Golden Rule: that one must always honour another's will as one honours one's own.**

## Manifesto of Divine Love:

1. We love one another as Mary and Jesus, our spiritual parents, love us. And so we seek their Spirits of Truth.
2. Our all loving Heavenly Parents, our Mother and Father, we love and honour at all times.
3. We worship only our Mother and Father, God, and Creator of all things.
4. We treat our Creator's name with respect and love, and earnestly seek Their Divine Love, and at all times pray for It, ask for It, and receive It.
5. We set aside a regular day each week for Sabbath rest and worship of our Heavenly Parents, God, and seek Their Love so that we may grow closer to Their fountain head of Truth and Love.
6. We are to be as we feel, even if it's sinful, but in doing something that is not in alignment with God's Love and Truth will make us feel bad, that is provided we allow ourself to feel our bad feelings, and so we can then use our bad feelings to find out the truth of why we feel bad and why that thing we have done is bad. We embrace our Feeling Healing.
7. We strive to cause no harm to another, nor cause any harm to one's self. We do not do to others what we would not have them to do to us. We treat our fellow human beings and all living things, and the world in general with love, honesty, faithfulness and respect. Violence, at any times, is never justified. Golden Rule: that one must always honour another's will as one honours one's own.
8. At all times in our intimate relationships we strive to express and live true to all our feelings, all so we can use our feelings to uncover the truth they are trying to show. The truth of ourselves, of our relationships, and the truth of everything else, including God.
9. We do not covet or steal anything that does not belong to us. Honesty in all communications, actions, undertakings and activities in all facets of life is our rule of life.
10. In all that we do, we are to be truthful. We are non-judgemental, for none of us have the capacity or authority to judge another. We are always ready to forgive all wrongdoing.
11. We do not desire anything or anyone that does not belong to us. Comparing oneself to others and longing to have what they have leads to errors. We are to be content by focusing on the blessings our Heavenly Parents, who made us in Their soul's image, provides for us.

### **SACRED and INSPIRED WRITINGS – Introduction:**

Three months prior to receiving the book via Amazon, the following was noted as a result of kinesiology muscle testing:

The Sacred and Inspired Writings of Mu (Lemuria) had been written prior to 42,000 BC	Test result: True
--	----------------------

**The Books of the Golden Age** was penned by **Col James Churchward in 1927 and published in 1997**. The first Book within this one book, being **Book 1** is titled “The Sacred & Inspired Writings of Mu” and the book is not in print in as much it is a photocopy of Churchward’s hand written book. As it is in his handwriting, we have reproduced it as Word document.

Col James Churchward (born in 1851, died in 1936) spent seven years in India being trained by his dear Rishi friend in how to read the clay tablets that originated on the Lost Continent of Mu (Churchward published a book by this title also). From this training, Churchward realized that he could read the hieroglyphics on most ancient structures from around the world.

The ancients in Mu dated their clay tablets by imprinting on various clay tablets the position of constellations in the sky, thus the dating of them is easy for those with an astrological background. Churchward was a geologist.

In all, some 10,000 clay tablets make up a set, thus the amount of information within them is enormous. We trust and hope that work is currently underway in India to decipher a set of these ancient clay tablets and make the records available for all.

The question we have asked ourselves is; if the truth is always the same, then there must be an original realization of such truths and that such realizations must be the foundation of the teachings of all the Great Avatars. Thus there is only one fundamental truth or platform of truth from which all spiritual teachings emanate from. Unfortunately we have managed to segregate that into more than 50,000 religions and sects worldwide. There are more than 23,000 Christian churches! Yet there is only one spiritual platform of truth.

Lemuria is commonly referred to as Mu.

Read on and enjoy.

### Quotes from James Churchward:

Many of the teachings in the Jewish religion are directly traceable to the Osirian: as for instance the Ten Commandments. These came out of the 42 questions to be answered to the 42 questionnaires in the Great Hall of Faith. As there were 42 questions involving 42 questionnaires, to monotheise these, the questionnaires had to be eliminated – to eliminate them and still retain the conception, the questions were grouped and turned into commandments. The ultimate end of both are identically the same. If these questionnaires had not been eliminated then only a partial monotheism could have taken place, which would leave a breach open for future diversions. Moses evidently saw this and prepared against it.

P175 Books of the Golden Age

Moses without question bases his religious laws on the Pure Osirian as taught by Thoth. Take for instance the Ten Commandments. In the Great Hall of Truth of Osiris there are placed forty-two gods in a row, to ask the soul when it enters this Judgment Hall forty-two questions regarding the life of the material body in which it had dwelt.

**Moses took these forty-two questions and in a condensed form made forty-two commands out of them which he condensed to ten commands.** This drastic change made by Moses was unquestionably necessary to meet the condition into which his people had fallen. Moses changed nothing in conception; he simply made more emphatic how they must live their lives here on Earth. He applied these laws to the living directly instead of to the dead. The Ten Commandments, however, are found in the Sacred Inspired Writings of Mu more than 70,000 years ago, only in the form of questions instead of commands.

P114 Sacred Symbols of Mu

The Negative Confession of Ani details the 42 questions in The Egyptian Book of the Dead by EA Wallis Budge on page 346. The papyrus of Ani dates back 3,500 years. Also in the Egyptian Book of the Dead, (the papyrus of Ani) are elements of the Lords Prayer on page 251. Lawrence Gardner in Genesis of the Grail Kings makes reference to the origins of the Lords Prayer on page 274.

The Lord's Prayer, the greatest work of its kind ever penned or spoken, is to be found in the Sacred Writings of Mu.

P46 Sacred Symbols of Mu

From the copies of the Sacred Inspired Writings of the Motherland (Lemuria / Mu) carried to Egypt by the Naacals as before mentioned, Moses the great Israelitish – Egyptian master copied what the Naacals had brought to Egypt and gave them to the Israelities as “The Inspired Writings”.

The Israelities 800 years after the death of Moses under Ezra and associates tried to decipher and translate them into Hebrew, with what result I have shown in the section of this book entitled:- “The Origin of the Bible”.

The Biblical 7 days is a pure mistranslation of the writings of Moses. This eliminates one of the controversial points in the Bible – the Bible itself is right, the translations of it only are wrong.

Tens of thousands of years have passed since the Sacred Inspired Writings were etched on clay. Each time they have been translated after leaving the hands of the Naacals each time they have had added to them a new list of extravagances, inventions and misconception, engrafted in by unscrupulous

priesthoods. Moses only as far as I have yet found translated them literally and correctly. I have yet to find a single error or extravagance in any of his translations.

**The ORIGIN of the BIBLE:**

Book 2

by Col. James Churchward ISBN 0 914732 39 0

(Born in 1851, died in 1936)

A prevalent, but an erroneous impression is: that Moses was not only the writer but the actual author of the first chapters of the Bible, commonly call the "Books of Moses". With some people this is an absolute belief.

Some of the early chapters of the bible were written certainly over 70,000 years ago, and more than likely over 100,000 years ago: thus tens of thousands of years before Moses lived. The origin of the first parts of the Bible have hitherto been unknown. Moses never claimed to be the author. He handed them to the Israelites as Inspired Writings consequently Sacred. In his statement to the Israelites he was absolutely correct as will hereafter be shown.

It is utterly impossible that the first chapters of the Bible can be anything but inspired: for, at the time they were written, man was not advanced far enough in learning to pen such profound works without the aid of some guiding spirit. The Hindus have a very apt explanation of such phenomena. They say the

writer is under the guidance of a Mahatma, surrounded and influenced from the world beyond. They then scientifically explain the phenomenon which is a very natural one.

The first parts of the Bible referring to the creation were written in the Motherland of Man – The Land of Mu – the Biblical Garden of Eden, more than 70,000 years ago. More than 70,000 because the copies were brought from Mu at that date, and they had been in existence in the Motherland for an unknown time.

These writings in Mu (Lemuria) were known as:

### **The Sacred and Inspired Writings**

They consisted of writing on seven distinct subjects:

- Religion,
- Man's Divine Force,
- Cosmic Forces etc,
- the Creation down to the advent of Man,
- then a History of man from his advent down to a little before the submersion of Mu.

Copies of these which referred to Religion, Man's Divine Force and some general wisdom of the Motherland were carried by the Naacals, an adept priestly sect of Masters. Naacals means holy brother to the colonies and colonial empires of Mu throughout the world. In each country the Naacals instituted colleges and in them taught the priesthood of the country the mysteries and sciences of the Motherland.

In the colonies and colonial empires these writings became known as "The Sacred Mysteries".

Inscribed on the walls of an ancient Maya temple at Uxmal, Yucatan – may be seen:  
 "This temple is dedicated to Mu – the Lands of the West from whence came our Sacred Mysteries."

They were held sacred by the Egyptians in the highest sense of the word as we find from the writings of Clement of Alexander, who says:-

"The Egyptians neither entrusted their Sacred Mysteries to everyone, nor degraded the secrets of divine matters by disclosing them to the profane, reserving them for the heir apparent to the throne and for such of the priests as excelled in virtue and wisdom."

The foregoing extract should be remembered when we are considering Ezra's translations of the writings of Moses: and especially that only some priests even were entrusted – not all of them.

The writings of Moses were exact copies, duplicates of those which came from the Motherland. They were written on clay tablets, in the language of the Motherland and in her hieratic letters and symbols which could be read only by the initiated: hence the necessity for the Naacals instituting colleges for their teaching and confirmed by Clements statement that they were withheld from those who were looked upon as being unworthy "those who did not excel in virtue and wisdom, and the profane."

The record of the destruction of the Garden of Eden – The Land of Mu. The “Flood” and Mountain Raisings were written in Egyptian Temple esoteric writings.

Written records show that the Naacals followed along various lines or lanes in carrying the wisdom of the Motherland to the various colonies and colonial empires. The line from which the Bible came was the Naga line. This line first stopped in Burma and there taught the priesthood of the Nagas. From Burma they advanced to the Deccan Plateau in India and here taught the priesthood of the Hindu Nagas. From India they went to the sub-colonies in India – Babylonia and Upper Egypt. From the writings of the Naacals left in Egypt, Moses got his account of the Creation.

During my many years in India, I discovered a number of old Naacal writings. The last recorded Naacal in India was 15,000 years ago.

With the aid of the high priest of a college temple, one of the three last men who understood the language and writing of the Motherland, we succeeded in deciphering and translating the tablets.

With the passing on of these three old Rishis, the Naacal college which had been in existence for over 70,000 years came to its end, and I was the one to see and note the end.

And it was my privileged lot, to sit at the feet of the last Naacal scholar, and listen to the wisdom of the Motherland. The last, who had carried down to present time the knowledge of the language and writing of Mu. The Naacal college had stood 12,000 years since the Motherland went down. With each generation some links had fallen from that great tree until towards the end of the last century the trunk stood bare. With the passing on of my dear old gentle Rishi friend the trunk itself fell and Naacal teachings were no more.

While this great pillar of religion was decaying and falling limb by limb, and bit by bit, a new star arose on the western horizon. Another pillar began to arise. A people sojourning in Egypt were chosen to carry on the true worship of God to replace the Naacals, and to maintain the love of our Heavenly Father. They – the Israelites – stepped into the breach led by their great general Moses.

Fierce and aggressive they were and jealous of the great prerogative entrusted to them by God. They have fought and stood firm, and have handed down to us the true worship of our Heavenly Father.

Full of failings in all else except religion they with their fierce jealousy for the love of God have triumphed in victory for God.

In deciphering and translating the tablets which we found we first discovered that they were a part of the Seven Sacred Inspired Writings of the Motherland. No writing was complete, so we got extracts only.

The temple traditions say that these once formed a part of the Naacal Library of the Hindu Rishi City of Ayhodia.

Those which we deciphered gave a description of the Creation. These are the ones most intimately connected with the Bible. I have given them in Book 1 but to avoid turning back I will repeat with the vignettes.

Colonel James Churchward 1927

**Mistranslations:**

Mistranslations are numerous throughout the Bible that is the early parts of it, which refer to the creation, flood and Garden of Eden.

Let us in our mind, and let our mind be well open, re-construct a scene during the time of Ezra and his associates. Let us charitably look upon the almost insurmountable obstacles that lettered their path, and the wonder will strike us how they could have possibly done as well as they did: a lesser man would have accomplished nothing.

Moses wrote the first parts of the Bible, that is, he copied them from the temple “Sacred Mysteries”. They were duplications of the temple records, and were written some on clay tablets others on papyrus, mostly on clay tablets, the same as the original. When Moses copied the Sacred Writings he made exact copies, both in language and characters with all of their symbolisms and hidden meanings.

The first seven were written in the language, and characters of the Motherland (Naacal writings).

The last three were written in Egyptian temple writing, composed of tableaux, vignettes, compound symbols in combination with the hieratic alphabet of the Motherland, which was used in all of the very early Egyptian writings.

This was what Ezra and his associates were up against. They understood the first seven writings far better than the last three, as is clearly shown in their translations. This no doubt was due to the fact that Ezra had just returned from bondage in Babylonia or Chaldea.

The Chaldean language was composed of a great percentage of Naga – coming through the Akkadians. The Akkadians came from India and the Hindu Akkadians from the Motherland.

The learned sect of Chaldea or Babylonia were called Kaldi or Chaldi and were Akkadians. It was from this sect that the name Chaldea was taken, and down to the time of Nebuchadnezzar, Akkadians stood at the head of the sciences and learning, they it was, who wrote all books. They maintained colleges which they called Chaldi in which were taught the Mother tongue, the Cosmic Sciences, the religion and wisdom of the Motherland.

The doors of the Chaldi colleges were open to all who wished to learn free of expense, the slave was as welcome as the king. Many Israelites took advantage of the Chaldi, and many became great masters.

Daniel was an efficient master, and understood the ancient language which enabled him to read “the writing on the wall” to Nebuchadnezzar as the writing was that of the Motherland.

**Moses:**

Now let us see what the qualifications of Moses were to enable him to copy the Sacred Inspired Writings of the Motherland.

Moses was the adopted son of a princess of Egypt who afterwards became the great Queen Hatshepsut, the greatest queen who ever sat upon the Egyptian throne.

Moses was educated as the royal son of the princess, thereby obtaining the highest degree in learning possible to obtain in Egypt consisting of religion, sciences, history, etc. He attained the rank of an Egyptian Master, and became the high priest of an Osirian temple: so that, no one on Earth, was better fitted, or more capable of correctly copying the Sacred Writings of the Motherland than Moses.

It is regrettable that he did not also make a copy in Hebrew. We are however assured that the copies which Moses made, and which subsequently came into the hands of Ezra, were true and correct copies of the Sacred Inspired Writings and the Egyptian temple records. True and correct in every detail.

### **Ezra:**

Now let us see what Ezra's qualifications were for deciphering and translating the copies made by Moses. Eight hundred years after the death of Moses, Ezra and some associates undertook to decipher and translate these copies of Moses'.

Ezra had just returned from captivity in Babylonia, neither he or his associates had had the opportunity of learning either the Egyptian temple symbols, alphabet or their hidden meanings. It was impossible for them to know the hidden meanings of various passages for these were known only to the high priesthood of Egypt: and Ezra and the idolatrous priesthood of Egypt were not on sufficiently friendly terms for Ezra to enlist their aid in translations, as a matter of fact Ezra was fiercely antagonistic to them.

That Ezra and his associates did not understand the Egyptian compound symbols with their hidden meanings is clearly shown in their deciphering and translating the compound symbol describing the destruction of Mu – the Motherland, which Ezra calls "The Garden of Eden".

## LIFE and TEACHING of the Masters of the Far East Vol 6 by Baird T Spalding page 44:

"Moses worked to bring out the Babylonian records. In the originals of his work he gave reference to the original records which he found and copied. He failed to complete the work, and when the translators tried to complete it, they failed. Whereas his work attempted to give the idea of universal life, it has been handed down as a set of laws."

**LEMURIA SHARED its PEOPLE and WISDOM:**

The Naacals tell us: “The ten tribes were developed since man came on Earth. The people becoming crowded began to spread out. Some families went to far distant settlements; here they were virtually isolated from the rest of mankind. They were so few that sometimes brothers and sisters even had to marry to carry on. These close marriages gave them all a family likeness, so they became a type: time, climate, temperature and food completed the type and they became known as a tribe.” “A 70,000 years and more had gone on developing and perfecting these types called tribes in Mu before her destruction came, so that, when she went down, many of these types and colours had become very distinct.”

## THE BOOK OF THE DEAD

The Papyrus of Ani

By E. A. WALLIS BUDGE [1895]

<http://www.hermetics.org/pdf/sacred/BookOfDead.pdf>

The *Book of the Dead* developed from a tradition of funerary manuscripts dating back to the Egyptian [Old Kingdom](#). The first funerary texts were the [Pyramid Texts](#), first used in the Pyramid of King [Unas](#) of the [5th dynasty](#), around 2400 BCE.

The *Book of the Dead* first developed in [Thebes](#) towards the beginning of the [Second Intermediate Period](#), around 1700 BCE. The earliest known occurrence of the spells included in the *Book of the Dead* is from the coffin of Queen [Mentuhotep](#), of the [13th dynasty](#), where the new spells were included amongst older texts known from the Pyramid Texts and Coffin Texts. Some of the spells introduced at this time claim an older provenance; for instance the rubric to spell 30B states that it was discovered by the Prince Hordjedef in the reign of King [Menkaure](#), many hundreds of years before it is attested in the archaeological record.

By the [19th dynasty](#), the *Book of the Dead* had become widespread not only for members of the royal family, but courtiers and other officials as well. At this stage, the spells were typically inscribed on linen shrouds wrapped around the dead, though occasionally they are found written on coffins or on papyrus.

The [New Kingdom](#) saw the *Book of the Dead* develop and spread further. The famous Spell 125, the '[Weighing of the Heart](#)', is first known from the reign of [Hatshepsut](#) and [Thutmose III](#), c.1475 BCE. From this period onward the *Book of the Dead* was typically written on a papyrus scroll, and the text illustrated with [vignettes](#). During the [19th dynasty](#) in particular, the vignettes tended to be lavish, sometimes at the expense of the surrounding text.

In the [Third Intermediate Period](#), the *Book of the Dead* started to appear in [hieratic](#) script, as well as in the traditional hieroglyphics. The hieratic scrolls were a cheaper version, lacking illustration apart from a single vignette at the beginning, and were produced on smaller papyri. At the same time, many burials used additional funerary texts, for instance the [Amduat](#).

During the [25th](#) and [26th dynasties](#), the *Book of the Dead* was updated, revised and standardised. Spells were consistently ordered and numbered for the first time. This standardised version is known today as the 'Saite recension', after the Saite (26th) dynasty. In the [Late period](#) and [Ptolemaic period](#), the *Book of the Dead* remained based on the Saite recension, though increasingly abbreviated towards the end of the Ptolemaic period. New funerary texts appeared, including the [Book of Breathing](#) and [Book of Traversing Eternity](#). The last use of the *Book of the Dead* was in the 1st century BCE, though some artistic motifs drawn from it were still in use in Roman times.

## PLATES XXXI. AND XXXII.

### Vignettes:

The Hall of Double Right and Truth, wherein Ani has to address severally the forty-two gods, who are seated in a row in the middle of the hall. At each end is a door that on the right is called "Neb-Maat-heri-tep-retui-f" and that on the left "Neb-pehti-thesu-menment." On the centre of the roof, which is crowned with a series of uræi and feathers emblematic of Maat, is a seated deity with hands extended, the right over the eye of Horus and the left over a pool (see the Vignette of Plate VIII. above, p. 278). On the right, at the end of the hall (Plate XXXII.), are four small vignettes, in which are depicted:

- (1) Two seated figures of the goddess Maat, with emblematic of Right and Truth, on the head, and sceptres and emblems of life in the right and left hands.
- (2) Osiris, seated, wearing the Atef crown, and holding in his hands the crook and flail. Before him, by the side of an altar of offerings, stands Ani, with both hands raised in adoration.

### NATURAL LOVE or HUMANITY's ERRONEOUS EMOTIONS:

Your soul, being your real you, is an emotional being. Your soul, though a thought of God, does not possess anything of the divine within it. It existed in a state of bliss, in a natural love state, pending individualisation which is achieved at conception which is the time of incarnation. Your soul is endowed with natural love emotions noted within the top section of the Map of Consciousness scale, being those emotions calibrating above 200.

Humanity's erroneous emotions are those calibrating below 200 on the Map of Consciousness. The environment around a newly conceived child progressively degrades the condition of that child's soul. When the child reaches about the age of 7, the child's soul condition will reflect the parent's condition. These negative emotions are like a crust around the pure soul it has within.

**PERSONALITY TRAITS:**

Less than two dozen people on planet Earth.

Would not pick up a weapon let alone use it. These people gravitate to the health industry and humanitarian programs.

Debate and implement resolutions without argument and delay.

Debate and implement resolutions in due course.

Debate and implement resolutions with some degree of follow up generally needed.

Management supervision is generally necessary.

Politics become the hope for man's salvation.

Cause no harm to others starts to emerge. Power overrides force.

Illness is developed by those man erroneous emotions that calibrate 200 and lower.

Armies around the world function on pride. Force is now dominant, not power.

Harm of others prevails, self interest prevails.

Totally self reliant, not God reliant.

Fear dominates all motivation.

Suicide is possible and probable.

At these levels, seriously harming others for even trivial events appears to be justifiable.

Poverty, unemployment, illness, etc., this is living hell on Earth.

### NATURAL LOVE BLENDS PERFECTLY WITH DIVINE LOVE:

Both are energies. Natural Love energy forms each soul and each individual soul is unique. Our personality, intelligence, memory, and humanistic characteristics are unique. It is our gift of free will that tends to enable us to error, however, it is the uniform nature of Divine Love and Feeling Healing that brings about our growth and release of man-made negativities.

GEMS for ALL PEOPLE of all AGES to EMBRACE:

The GOLDEN AGE!

**Cause No Harm** < to OTHERS  
to MYSELF

**Strive to love others as I am to love myself**

At any time, any where, and in any way you so please:

Approach our Heavenly Parents, in reverence, without fear or trepidation, just as we, as a child, approach our earthly parents knowing that open loving arms are extended to receive us at all times. As one’s love grows for our Mother and Father in the Heavens, we come to know with absolute clarity and certainty that our Heavenly Parents, loves you and me and everyone in return, at all times, and that fear is an illusion created by man’s mind.

God, who is our Heavenly Mother and Father, is almighty, all powerful, infinite, and all loving. The love of the Heavenly Parents for Their children, man, has been and is always infinite and ever present. As one’s faith evolves, one’s love for our Heavenly Parents will have no limit. As we grow in Their love, so will we grow in love for all of God’s creations and our fellow man.

The Source Soul, our Heavenly Parents, simply desires for us to ask for Their Love.

God's Divine Love: Pray for it, ask for it, and receive it.

“I love you Father.” “Let the Divine Love flow its energy into my soul.”

“Mother, Father, I desire your Love and I am loving you.”

“Soul God, I love you and I love receiving and experiencing your Divine Love.”

“True Soul God, I am here, I am aware of your Love. Please hear my aspiration for your Love and as I approach you from my soul, I can feel your Love in the way that you are loving my soul.”

“Please Father and Mother, may I receive Your LOVE.”

Maybe we could simply long for and ask:

*Please, Mother and Father, I want some more of your Love!*

## **WORLD TEACHERS – The First Parents, Aman and Amon, and Jesus of Nazareth and Mary:**

**The First Religion, is the core religion from which all world religions are founded:** The Sacred Inspired Books, of Lemuria (Mu), were written for the purpose of teaching early man religion; therefore, man's first religion was the teachings of the Sacred Books, the Sacred and Inspired Writings founded indirectly upon the teachings from Aman and Amon, our first parents (not Adam and Eve).

**Our Heavenly Parents are almighty, all powerful, infinite, and at all times loving. The love of our Heavenly Mother and Father for Their sons and daughters has been and is always infinite and ever present. As one's faith in our Parents evolves, man's love for his Them will have no limit. As man grows in his love, so will man grow in his love for all of God's creations.**

**Approach our Heavenly Parents in reverence, without fear or trepidation, just as a child approaches his earthly mother and father knowing that open loving arms are extended to receive him at all times. As one grows in his love of our Parents, one becomes to know with certainty that God loves him in return, at all times, and that fear is an illusion created by man's mind.**

All of the ancient teachings were the same all over the world, it was a universal church without sect, creed, theology or dogma.

Every teaching was plain and simple without a particle of theology. The most ignorant could understand every phrase in it. There was nothing of any kind indefinite. It was impossible not to understand it thoroughly. Man was taught to approach our Heavenly Mother and Father, not with fear or dread, but with confidence, and above all, Love: as a child would run to its earthly father who is standing with outstretched arms to receive it. Love stood at the head of the 12 great virtues, because Love governs the Universe and the Heavenly Mother and Father is The Great Love.

Jesus, in the 1<sup>st</sup> century, embraced Divine Love that was rebestowed for all of humanity at his birth, gave us the Prayer for Divine Love, and introduced a commandment:

**With the Divine Love we can at all times embrace the will of our Mother and Father and achieve freedom from error and harmful ways through the Feeling Healing process, thus finding our way home! And to move along this path we simply develop our embracement of: God's Divine Love; by praying for it, asking for it, and receiving it.**

**By embracing the commandment provided in the 1<sup>st</sup> century, namely the first: "This is my commandment, that ye love one another even as I have loved you."**

**As our soul condition steadily grows in love we step away from causing any harm to others which would also bring about consequences. Also as our soul development progresses, our self love grows which also enables us to step away from causing any self harm which would also bring about consequences.**

**God is God, who is our Heavenly Mother and Father, being SoulMates. There is only one Soul that is God's Soul, that being the Soul of our Mother and Father. Our Heavenly Parents are the First Soulmates; The Two Who Are One who have brought us all into being.**

**Jesus and Mary are a son and daughter of God.**

**Jesus of Nazareth and Mary of Magdalene, being soulmates, were both free of sin. Jesus and Mary, combined in their love for us, are our teachers and guidance for us to find our way home to our Heavenly Parents. To start this journey we are to liberate our souls from being entombed within our suppressive minds, through feeling and longing for the truth of our feelings via our soul and peel away our injuries incurred since conception.**

**Give yourself time to consolidate your relationship with the Mother and Father through the partaking of Their Love. And whilst you are doing this, you can learn about your healing, all that's involved with it, as there are many willing spirits to share their healing experiences with you.**

**When you are ready it will start happening simply because you will want it to, it all being orchestrated by your soul. And when that time comes you will have developed a strong foundation in your relationship with the Mother and Father for you to work from. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.**

**It is to make longing for God's Love the priority, and then do one's healing; should one want to include God and the Divine Love in one's feeling healing. This is doing your soul-healing as you are seeking to heal your soul of all evilness – of that which made you become evil, and release all the hurt and pain of not being fully and truly loved.**

**WE ARE Children of God**

**Why did the Lanonandek Daughters and Sons rebel? Being the Lucifers, Satans, Caligastias and Daligastias soulmate pairs.**

James Moncrief Monday, 12 November 2018

Re The Urantia Book (TUB): there are various orders of Paradise Descending Daughters and Sons. (NB: TUB only refers to the masculine so doesn't include Daughters.) The Descending Daughters and Sons descend or step down from Paradise to reach out and 'down' to the Ascending mortals – men and women on the evolutionary worlds, who are reaching out and 'up' to Paradise and for such help from the descending spirit pairs. Ascending mortal pairs (soulmates) cannot by themselves ascend to Paradise, how to do that is not 'encoded' in their soul. So they need higher help and guidance from the descending pairs. So if people don't have this higher help they will never spiritually and physically progress very far. And if this higher help goes haywire, people are stuffed until other higher help comes to rescue them.

One such Descending Pair, the Creator Pair, comes out from Paradise to a section of space when it is ready for them – Mary M (Magdalene) and Jesus in our case; and in union with the Divine Minister, create, or 'bring into being' a Local Universe – Nebadon. Mary and Jesus then attend to the whole (local) universe, with Avonal Descending Paradise Pairs coming as required to the individual Earth worlds to ensure and initiate the spiritual changing of the ages that is needed to advance the spiritual development of mortals in accordance with the Paradise Plan.

Part of the Creation of Nebadon includes the creation of Local Universal Descending Daughters and Sons that hold key positions on individual worlds and oversee larger areas or sections of the Nebadon. With the Lanonandeks being these key administrators, guides, overseers, who are the ones that ensure the ascending mortals of each world are given what they need in accordance with the unfolding phases of their evolution, as well as providing the necessary Mansion World structures and organisation of the Celestials spheres, the greater part of Nebadon, all so mortals of the evolutionary worlds can find their way up and in through the Local Universe so as to set out on their greater spiritual journey through the Super Universe and Central Universe to Paradise. The Lanonandeks make sure all the parts work as they are intended to do, with the Melchizedeks being more involved with the ongoing teaching and personal education of mortals about all things through the Local Universe.

The Lucifers, Satans, Caligastias and Daligastias are all Lanonandek pairs.

The Lucifers were the overseers of this sector – System – of Nebadon that includes Earth – Urantia. The Satans were to help the Lucifers, being the main liaison pair with the Caligastias (The Planetary Prince and Princess) who oversaw Earth directly from spirit, and the Daligastias being physically materialised on Earth so as to oversee and help evolve the local races of Earth on all levels, the practical physical and spiritual, this being how it was five hundred thousand years ago. And for three hundred thousand years, everything went well.

The whole of Creation thus far is one gigantic Ascending mortal scheme – The Ascension Scheme. So everything in it works to help slowly evolve humanity along the plans designed for them by the Descending Pairs and the Mother and Father, with the idea to evolve through ongoing self-expression the people from all the earths up through the Mansion Worlds and into the Celestial spheres and on through and out of Nebadon. So if anything goes wrong in any level of the universe then it causes problems for the mortals who are wanting to ascend.

The Lucifers were outstanding members of their Order. However according to TUB (if I remember correctly), they were passed over when they applied to oversee certain parts of Nebadon – and so why did that happen??? Then finally they got their chance. As to why they rebelled – it is said their egos, their self-importance, grew, and they weren't able to control it. They were seduced by some inner need for greater power – but why did that happen? And is it just like everything else, there is variation in all things and so they went the way of rebelling against Mary and Jesus and the Mother and Father. And not being of a higher Paradise Order, they are more prone to being seduced by their inner biases, whereas supposedly Paradise Descending Daughters and Sons are too perfect, being of Paradise origin, and so wouldn't or even can't, rebel. And Avonal Pairs can willingly take on rebellion, but that's their choice and they are not technically rebelling or defaulting, they needing to do this so they can heal themselves of the Wrongness thereby liberating the world of rebellion, and in our cases, also default. Which means, providing people and spirits in the Mansion Worlds, their Spirits of Truth, so everyone in a rebellious state can look to them instead of the Evil Ones, the rebellious Lanonandeks, for the way out of rebellion and onto Paradise.

The Evil Ones took over their part of Nebadon, Mary and Jesus allowed them to, allowing the Rebellion and subsequent Default on Earth to run its course. However it continues to cause masses of disruptions to the natural way of things, all of which we've been and continue to be subjected to.

So because humanity for two hundred thousand years has been increasingly subjected to the Rebellion and then also the Default of Eve and Adam (Material daughter and son), we are well and truly entrenched in the unconscious belief that the Evil Ones are the Gods, and that we're to look to them for the way to be happy and feel loved – that they are the Living Truth. And yet, as we can all see from our own lives when we start to address our bad feelings, this is wrong, false and misleading, only making us feel even more unhappy, unloved and powerless in our negative truth-denying state and being unable to do anything about it – because ascending mortals are not able to go against the higher Daughters and Sons. So without humanity knowing it, we have been praying to the Evil Ones as if they are God, even with people who pray to Jesus, praying to a mind-created fantasy Jesus and not the real one, as can be seen by the Evil Ones strategically denying humanity the truth of the Divine Love, with our need to long for it being excluded from the Bible and not found in any other rebellion-created religion.

Mary and Jesus being the highest Paradise Pair, by their coming to Earth, terminated the System Rebellion of the Lucifers and Satans. So that level of evil influence on all the rebellious physical worlds ended two thousand years ago. And then it's required for each world to be attended to by a bestowal Avonal Pair, who take on the evilness of that world and heal it within themselves, thereby ending the control in our case of the Caligastias and Daligastias, which has now apparently happened, with the Avonal Pair only to finish their Healing so as to signal the complete technical end of the Rebellion and Default.

So their – the Avonal pair – Healing involves dealing with the Rebellion and Default within themselves on all levels, so people and the mind Mansion World spirits can then choose to follow them and do their Healing. So by following the Avonal Pair you are going against the Evil Ones (currently it being their legacy within you and on the world), looking to end their negative, unloving and untrue influences within yourself. And once done, you become a Celestial, either on Earth or in the Celestial spheres, and free to align yourself with Mary and Jesus, which is done by partaking of the Divine Love, and free to live your ascension to Paradise – free to become at-one with your Mother and Father.

We're all living the demented levels of the demented minds of the four Lanonandek pairs that rebelled. And as we do our Healing, so we come to see how fucked they are, as we see how fucked we are; how they passed that fuckedness onto us through our parents, how we've become so tangled up in our Wrongness, not knowing what is true – we live untruth believing it's true, we feel false love believing it's true love. We're all around the wrong way, deeply mixed up, and needing to do our Spiritual Healing to get ourselves out of our sinful and evil ways, so as to come back into alignment with the Truth. So all that we are has to go, and we're to uncover a whole New Way on all levels, personally and how to live, as we liberate ourselves from our dementedness.

With the Evil Lanonandeks no longer at large, having been detained on a prison world awaiting judgement as to what will happen to them, so the Melchizedeks stepped in taking over their positions. I don't know why other Lanonandeks weren't appointed, however I guess it's because of the damage done by the Rebellion, we who are here and part of it have to deal with it ourselves, so no outsiders other than Mary and Jesus and the Avonal Pair being from Paradise that can override that limitation.

And the Melchizedeks have enlisted the Celestial spirits help. So together, they now in effect play the roles of the Lanonandeks. And so as the Avonals progressively heal themselves, thereby liberating humanity from the dictates of the Rebellion and Default, so the Celestials are being given increasing power and authority to do what the Lanonandeks would have done. So the Rebellion on a positive note is providing the Celestial spirits with unique opportunities as part of their ascension, as we hear from Helen and Nanna Beth. And I would imagine, people who finish their Healing and become Celestials on Earth will also in some way be given extraordinary opportunities as well, all of which will involve some level of healing the world and doing what the Lanonandeks and Eve and Adam should have done. Even to the point of Celestials on Earth who have children, will in some way be like the new 'Eves and Adams' populating the world with perfect and true children, all who are completely free of the Rebellion and Default.

And what happens to the Evil Ones? I imagine they will have to undergo a long period of Compensation experiencing the pain they caused all the people and angels who were under their care. And after that, if they are not extinguished outright, possibly they might be rehabilitated to some degree; however as TUB suggests, without ever receiving the power they once had. However, as all works out for the best and ultimately is all-loving, it will be fascinating to see through our own lives how all the pain we've been made to suffer ends up helping us and being the best thing for us.

And one last thing to note, had there been no Rebellion or Default, then here on Earth we'd still have now the Daligastias as well as Eve and Adam, still helping people grow and evolve on all levels. Still being the higher Daughters and Sons that we can look to – knowing that we're not alone, that we are being looked after and loved and that a greater life of ascension awaits us. And we would by now know of the Caligastias and all the help they would be providing on the higher spiritual levels, as well as the help they would be giving mortal spirits in the Mansion Worlds. And we would know of the Satans and Lucifers and all the help they were providing on the System level. And we've understood that in a way these higher Daughters and Sons are like mini gods to us, yet not our Heavenly Mother and Father. And they would be pointing us towards Mary and Jesus helping us understand that they are the Creator Pair, and here we live in their universe of Neadon, and that all they are doing for and with us is to help us evolve and grow on all levels as we look to our feelings for our truth we are to live as we express the personalities from our souls on our way through Neadon and onto Paradise. It all being a perfectly unified and loving experience for us. We being able to see the higher Daughter and Son as in the

Daligastias and the Material Pair, Eve and Adam, who would be for us the perfect humans that we could strive to be like. So we would want to be perfect in our humanness like Eve and Adam, and perfect in our spiritualness like the Daligastias. With both pairs showing us that we can be both perfect on the material and physical level, as we can be on the spiritual level. Which is completely the opposite of how we've been made to live, because all of that perfection has been denied us, with our being so screwed up about how we are to live both materially – physically and spiritually – we having no idea about either, and with them working fully in opposition to each other. And with our longing for and wanting the Truth, the truth of how we're to live physically and spiritually, all of which is to come (and ONLY come) through each of us individually and as a consequence of properly attending to and expressing ALL we feel.

# MIND Worship

**LUCIFER REBELLION HAS ENDED, and now REVELATIONS for HEALING are HERE:**

**Lucifer soulmate pair**

**Satan soulmate pair**

**Caligastia soulmate pair**

**Daligastia soulmate pair**

**Lucifer** soulmate pair were magnificent beings, a brilliant personality as one. They were designated as one of the one hundred most able and brilliant personalities in more than seven hundred thousand of their kind. From such a magnificent beginning, through evil and error, they embraced sin. They believed that their minds were all powerful and that everyone should be independent and reject the illusionary God and those who lead the path to God, namely Michael of Nebadon (Jesus and Mary).

Very little was heard of Lucifer on Urantia (Earth) owing to the fact that he assigned his first lieutenant, **Satan** (also a soulmate pair), to advocate his cause on our planet. The “devil” is none other than Caligastia (again, another soulmate pair). At the time Michael (Jesus and Mary) was on Urantia in the flesh, Lucifer, Satan, and Caligastia were leagued together to effect the miscarriage of his bestowal mission. But they spectacularly failed.

About five hundred thousand years ago and concurrent with the appearance of the six coloured or Sangik races, Caligastia, the Planetary Prince, arrived on Urantia. There were almost one-half billion primitive human beings on earth at the time of the Prince’s arrival, and they were well scattered over Europe, Asia, and Africa. The Prince’s headquarters, established in Mesopotamia, was at about the centre of world population.

**Caligastia** had been attached to the council of the Life Carrier advisers on Jerusem. Lucifer elevated Caligastia to a position on his personal staff, and he acceptably filled five successive assignments of honor and trust. The Planetary Prince of Urantia (Earth), Caligastia, was not sent out on his mission alone but was accompanied by the usual corps of assistants and administrative helpers.

At the head of this group was **Daligastia** (soulmate pair), the associate-assistant of the Planetary Prince. Daligastia was also a secondary Lanonandek Son. He ranked as an assistant at the time of his assignment as Caligastia’s associate.

**Lucifer**, with deputy **Satan**, and lieutenants **Caligastia** and **Daligastia** have ingrained into the human psyche to be mind dominated with its errors passing down through all parents, being self reliant and rejecting one’s own soul based feelings that are to lead us to our Heavenly Parents with the truths being provided by Mary and Jesus of Nebadon. **Lucifer** and **Satan** were removed two thousand years ago, **Caligastia** and **Daligastia** have very recently been removed. Their crimes against humanity make Adolf Hitler appear to be a saint!

# First Parents being First Ensouled Humans

Our first parents, Andon and Fonta (also called Aman and Amon), were the first to exhibit human perfection hunger some **one million years ago**. Andon and Fonta were the most remarkable pair of human beings that have ever lived on the face of the Earth. This wonderful pair, the actual parents of all mankind, were in every way superior to many of their immediate descendants, and they were radically different from all of their ancestors, both immediate and remote.

The Lucifer soulmate pair believe that the mind is superior to all things. Thus they convinced the inhabitants of 37 inhabited planets within the universe of Nebadon, including Earth, to become self reliant and abandon God and Their administrative leadership. The Lucifers brought about the Rebellion on Earth two hundred thousand years ago. So for 200,000 years of spiritual darkness, humanity has suffered the consequences of one's error ridden mind.

**REBELLION**

Adam and Eve, the Adamite soulmate pair, came about **thirty eight thousand years ago** to upstep the gene structure of humanity and advance their spirituality.

**DEFAULT**

Both Eve and Adam mated with local humans and accordingly defaulted on the plan. They were to breed a superior stock that would then interbreed.

Mary of Magdalene and Jesus of Nazareth, soulmates, **two thousand years ago**, both retained perfection, and during their sojourn on Earth were enthroned as sovereign rulers of Nebadon. **The bestowal of Michael (Jesus and Mary) terminated the Lucifer rebellion.**

The Second Coming, **now in progress**, reveals the availability of Divine Love and the need for each person to engage in the process of Feeling Healing. With the Divine Love then this process is one's Soul Healing.

**BESTOWAL**

**REVELATIONS**

**× 2**

**END to the REBELLION and DEFAULT – 31 January 2018:**

31 January 2018: Nanna Beth: Yes John, very good news we want to pass onto you for your records. Earth and the seven associated Mansion Worlds (including the two Earth planes) are **officially** now fully under the control of Celestial spirits. And this means John, that Earth is now ‘Ours’. It’s been a long time coming, but it’s a huge milestone and marks a tangible and real end to the Rebellion and Default. It’s one of a number of ‘End’s’ that are to occur.

With the departure of the Caligastias and Daligastias some years ago, humanity has been in a state a limbo so far as who is doing what with it, it not being allowed to be left alone so it could do whatever it liked, it always needing to have a spirit connection. With the mind spirits, as we’ve told you, basically calling the shots still happy to ignorantly carry out C&D’s plans. But now with our systematic and progressive take over, we’re now in complete control.

And what that means is we have our fingers in every pie and we’re on the case so far as what everyone is doing. However it doesn’t mean we’re taking over and telling humanity what to do and how to be, although we are able to work more with certain individuals directly and indirectly helping to move or point or orientate (depending on how you want to look at it) individuals, groups of people, whole societies, the whole world, according to the plans given to us by the Melchizedek Receivers.

So humanity will still carry on outworking it’s unloving, untrue and rebellious state, that has to be worked through to its natural conclusion, however we want you to understand and just know that it’s another end of things and beginning of the new. And it’s basically what we’ve been working with you in connection with James this past year to achieve. There is a lot more to it and how and why it’s been done, and done as it has been done, however you can find out about all of that when you come over.

So we Celestials will guide humanity now according to what our Mother and Father want, so humanity’s got a real tangible safety-net under it now, so no more ‘downside risk’, it all being to move it toward doing its Healing.

I’ll speak again soon – love Nanna Beth.

AVONAL PAIR to be RESPONSIBLE for SPIRITUAL WELLBEING of EARTH:

Heavenly Parents

The Paradise Pairs, children of God, are all only concerned with the spiritual wellbeing and upliftment of the planets and local universe. Creator Son and Daughter, Mary and Jesus, are focused upon the spiritual wellbeing and upliftment of the whole of Nebadon which involves Earth, one of 3.8 million planets.

**AVONAL PAIR**

The Spirits of Truth of the Avonal Pair are to join with the Spirits of Truth of Mary and Jesus.

**Soulmates**

**COUNCIL OF ELDERS**

The Council of Elders, 12 Celestial soulmate pairs, being a Soul Group, guide to Founder of the Global Humanitarian Fund that is to disseminate Feeling Healing and Soul Healing guidance.

**Soulmate PAIR** while living in the physical of earth, are to complete their Feeling Healing whilst embracing Divine Love, thus completing their Soul Healing. Being the first humans to do so, they will subsequently, upon their physical deaths, release their Spirits of Truth so that the whole of humanity, for the next 1,000 years, can embrace and progress in their soul development through Feeling Healing.

**GLOBAL HUMANITARIAN FUND**

Through the Global Humanitarian Fund, humanity is to be introduced to the processes of Feeling Healing and Soul Healing. Further, they will also become aware that our Spiritual Teachers of Truth for the next 1,000 years will be the Avonal Pair who will be handed this task from Jesus and Mary, and much, much more.

# Crossover

This time, in the history of humanity, is the most exciting time ever experienced.

# the Handover

This is the time that man is now able to evolve in its spiritual development. Man has endured 200,000 years of Rebellion and compounded this with the Default of some 38,000 years, now it has been provided with the guidance to put aside the negativities of the Rebellion and Default.

With the guidance that was provided through James Padgett (1914 through to 1923), man became again aware of the availability of Divine Love from our Heavenly Parents. This also heralded the handover. That is, the commencement of the end times of the involvement by Mary and Jesus in the spiritual affairs of humanity on Earth.

Soul groups that have been in place during Mary and Jesus' 2,000 year involvement with Earth have progressively handed over to soul groups that have been forming since 100 years ago. The older soul groups have mostly progressed on further towards Paradise.

The second revelation, that followed from the availability of Divine Love, is the processes of Feeling Healing and Soul Healing. The understanding of the Feeling Healing process is the most important of the revelations and should have been the first to be revealed. Feeling Healing and Soul Healing are being revealed through and by Marion and James Moncrief.

The soulmate pair, that are the first to complete their Soul Healing, and upon their deaths, they will release their Spirits of Truth which will unify with the Spirits of Truths of Mary and Jesus so that humanity, in whole, will have access to these knowings and guidance for the next 1,000 years.

Mary and Jesus, being responsible for the spiritual wellbeing and upliftment of the whole of Nebadon, are to withdraw from their direct involvement with Earth and hand over the responsibilities to an Avonal Pair who take individual responsibility for the spiritual wellbeing and upliftment of individual planets and their associated Mansion Worlds, in this case, Earth exclusively.

## COUNCIL *of* ELDERS

For the next 1,000 years, via the Avonal Pair and the newly forming Soul Groups, Earth will be able to evolve through embracing Feeling Healing, and with Divine Love, one's Soul Healing. These newly formed Soul Groups are effectively 'Council of Elders' to assist humans living in the physical on Earth to enable all to be aware of the way to evolve.

With the absolute end of the Rebellion, this is the first time in 200,000 years that mankind, humanity, can take control of his and her destiny and evolve in love and truth for all eternity!

Throughout this coming era, our spiritual leaders will be an Avonal Pair, yet to be identified.

# REVELATIONS

**Revelation 1:** Our soul becomes encrusted with harmful ways of life, plus negative and erroneous beliefs, these mainly stem from our childhood upbringing and environment. Thus we live untrue to ourselves, we become 'evil'. Whilst we hold to these injuries we limit the amount of Love that we can receive into our soul. To open our soul to the Love we must firstly and progressively feel into our emotional injuries and allow them to be released. Until we emotionally experience past errors and injuries we hold onto them.

To free our soul of damage and toxic emotions we must open ourselves to experiencing them. This is a progressive, slow and uncomfortable cleansing process that we must all experience. Only by addressing the generational injuries will we, as humanity, evolve in love.

To fully divest one's self of our badness, we have to 'go into' our feelings. Call this process of clearing toxic emotions as 'Letting Go', 'Emotional Processing', 'Journey Process' or 'Feeling Healing'. Embracing Divine Love then Feeling Healing becomes Soul Healing.

As part of our Feeling-Healing we will have to work our way into all our feelings to see if indeed they are coming truly from our heart and soul, or if they are being heavily influenced by our mind. And this will then lead us into questioning and uncovering the truth, if there is any, to our beliefs and why we behave the way we do; and is such behaviour based on truth, or is it based once again on untruth, belief, and rules of our mind.

**Revelation 2:** We can long for, ask for and receive the Mother and Father's Divine Love. The greater our soul is free of error and injury, the more of the Divine Love can be received and assimilated into our natural love formed soul. The Love does not free us of injury, however, it strengthens our resolve to continue on our journey to be free of error and injury, to step away from evil aspects that have been encapsulated within our humanness and soul. It is this Love, the Divine Love, that brings about immortality of our soul and it is this Love that will eventually fit us to enter the Celestial Heavens and progress for ever more onwards to Paradise. These two revelations free us from error and enable us to grow in love ever more.

**Immortality with the Love.**

[http://www.godstenlaws.com/ten-commandments/#.VKX5-nu\\_ZS0](http://www.godstenlaws.com/ten-commandments/#.VKX5-nu_ZS0)

And God spake all these words, saying, I am the Lord thy God, which have brought thee out of the land of Egypt, out of the house of bondage.

1. **Thou shalt have no other gods before me.**
2. **Thou shalt not make unto thee any graven image, or any likeness of any thing that is in heaven above, or that is in the earth beneath, or that is in the water under the earth.** Thou shalt not bow down thyself to them, nor serve them: for I the Lord thy God am a jealous God, visiting the iniquity of the fathers upon the children unto the third and fourth generation of them that hate me; And shewing mercy unto thousands of them that love me, and keep my commandments.
3. **Thou shalt not take the name of the Lord thy God in vain;** for the Lord will not hold him guiltless that taketh his name in vain.
4. **Remember the sabbath day, to keep it holy.** Six days shalt thou labour, and do all thy work: But the seventh day is the sabbath of the Lord thy God: in it thou shalt not do any work, thou, nor thy son, nor thy daughter, thy manservant, nor thy maidservant, nor thy cattle, nor thy stranger that is within thy gates: For in six days the Lord made Heaven and Earth, the sea, and all that in them is, and rested the seventh day: wherefore the Lord blessed the sabbath day, and hallowed it.
5. **Honour thy father and thy mother:** that thy days may be long upon the land which the Lord thy God giveth thee.
6. **Thou shalt not kill.**
7. **Thou shalt not commit adultery.**
8. **Thou shalt not steal.**
9. **Thou shalt not bear false witness against thy neighbour.**
10. **Thou shalt not covet** thy neighbour's house, thou shalt not covet thy neighbour's wife, nor his manservant, nor his maidservant, nor his ox, nor his ass, nor any thing that is thy neighbour's.

<sup>3</sup>“You shall have no other gods before<sup>[a]</sup> me.

<sup>4</sup>“You shall not make for yourself an image in the form of anything in heaven above or on the Earth beneath or in the waters below. <sup>5</sup>You shall not bow down to them or worship them; for I, the LORD your God, am a jealous God, punishing the children for the sin of the parents to the third and fourth generation of those who hate me, <sup>6</sup>but showing love to a thousand generations of those who love me and keep my commandments.

<sup>7</sup>“You shall not misuse the name of the LORD your God, for the LORD will not hold anyone guiltless who misuses his name.

<sup>8</sup>“Remember the Sabbath day by keeping it holy. <sup>9</sup>Six days you shall labor and do all your work, <sup>10</sup>but the seventh day is a sabbath to the LORD your God. On it you shall not do any work, neither you, nor your son or daughter, nor your male or female servant, nor your animals, nor any foreigner residing in your towns. <sup>11</sup>For in six days the LORD made the Heavens and the Earth, the sea, and all that is in them, but he rested on the seventh day. ## Revelation 23: Jesus explains the eleventh commandment.

(This message is referred to as Revelation 22 on page 58 in New Testament Revelations of Jesus of Nazareth)  
<http://new-birth.net/samuels-messages/53-revelations/revelation-23-jesus-explains-the-eleventh-commandment-nt58/>

Received by Dr Samuels, Washington D.C.

June 16, 1955

I am here, Jesus:

I am here tonight to continue my messages of the Gospel truths, and I shall continue with John on what commandment I gave my disciples and how obedience to this commandment would bring what has been called the comforter; for in John 14 I said, as it is reported in the New Testament: "If ye love me, you will keep my commandments." "This is my commandment, that ye love one another even as I have loved you." And this statement meant that, as the Messiah, I was giving a commandment which was to be placed with, and above, the Ten Commandments of Moses; and this commandment was the Law of God's Love.

I told my disciples that they were to love one another, not merely that they were to love only themselves, but all mankind, for "one another" was a term which meant not for the circle of the disciples, alone, but for all people; and this love was to include human beings who spitefully used them, and they were to love their enemies as well as their friends.

And that love which they were to entertain for mankind was not the natural love given to all men at their creation by God, but the Divine Love which God had bestowed upon mankind with my coming; and this Love could be obtained by my disciples if they believed that it was available and that it could be conveyed into their souls through the action of the Holy Spirit.

This was the meaning of the very important phrase, "as I have loved thee." For it meant that I had loved my disciples with the Divine Love which God had implanted in my soul because of my longings for His Love, and that my love for my disciples and, I should add, for all mankind, was the Divine Love which was in my soul and which I had obtained from the Father. So that my disciples, and all mankind, could, by prayer to the Father, obtain the same Divine Love in their souls which filled my own. And this Divine Love was to be the Love with which my disciples were to love one another and all mankind.

This was the only commandment which I gave to my disciples, and no other, for I did not command them to drink or eat bread in memory of me, for such an act could have no merit in bringing the Divine Love into their hearts and could only be an act of veneration which I could not possibly have wished to impose upon my disciples; and this regardless of whether or not I thought death might be near. But I did say, rather, "and I will pray to the Father and He shall give you another comforter, that He may be with you forever." And while I did not say this in so many words, or with those exact words, I simply meant that I would, as I always did, pray to God so that their souls would be opened up to the Divine Love, which is what the writer meant by the Comforter; and that this Love would continue to be conveyed in more and more abundance into the souls of my disciples throughout all eternity. I did not mean that I could pray to the Father to send His Divine Love to my disciples merely because of my prayers, but I meant that the souls of the disciples would have to long for the Father's Love so that it could enter the souls that were in that condition to receive it.

I also said, "If a man love me he will observe my message; if ye keep my commandment ye shall abide in my love, even as I have kept my Father's commandments and abide in His Love," which was another way of saying that those disciples who believed I was the Messiah and loved me would believe that my soul was an immortal one through the Divine Love and pray to the Father for His Love as the way to atonement with Him and immortality, which was the message I taught and which I asked my disciples, and all my hearers, to apply to themselves and actually pray, and the result would be that they would be filled with the same Love as I was and that we could thus have a mutual Love for one another in the same way that as I prayed to the Father and received more of His Love, I loved God more and more, and His Love for me was in my heart.

These writings from John are correct, in that they show that Love was the great subject of my teachings, but they do not explain the Divine Nature of the Father's Love towards His children, or the fact that I was filled with His Divine Love and sought to have my disciples obtain it as well, through the one way it could be obtained – through prayer. It does not explain that this Love with which my disciples were to love one another was something more than the ordinary love which humans have for each other, or the special nature of my love for them and humanity. But, if these interpretations are added, then the real meaning of these passages from the Gospel are made manifest.

I have written you tonight on the subject because of your desire to obtain confirmation as to the truths of certain portions of John's Gospel which needed explanation, and because you felt they were close to, if not possessing, the truth; and I shall come again and write you on more material in the Gospels which originally dealt with my teachings of the Divine Love before they were stricken out, or so mutilated as to be unrecognizable.

I think I have written enough for tonight, and so I shall say good night to you and the Doctor, and with my love and blessings to him and to you, I shall close and sign myself your friend and elder brother,

Jesus of the Bible  
and  
Master of the Celestial Heavens

**“Dear Creator, fill my soul with your great Essence, your Love Divine and I will walk this Path as your child, ever seeking to come closer to you, ever seeking to receive this wondrous Gift, ever seeking to open my eyes and my ears and my mind of the soul so that I may know truly and wondrously who You are, who I am and the wonderment that is your creation, Beloved Mother and Father. I am ready. I am willing. I have a deep desire to know, I have a deep desire within my soul to love and I want to love, Mother and Father, in all the ways that I am capable of and to be your channel of Love in this world, to bring the Light of your Love into this world, to be in this wondrous flow and harmony, to know this great joy, profound and deep, holy and joyous. Mother and Father, I am with you. Be with me within my soul. Be with me now”.**

Keea 16 May 2016

**Note:** Following the writings of James Moncrief, one could consider that any reference to the Father, by other relevant writers, may be read as a reference to ‘our Mother and Father’. Further, when considering soul healing, then reference to Divine Love could be referred to as ‘Feeling Healing with Divine Love’.

**INDWELLING SPIRIT, THOUGHT ADJUSTER,  
MYSTERY MONITOR (all being the same):**

The external elements, instruments of the Father, do not form attributes of our own soul upon its initial creation by our Heavenly Parents, these are the Spirit of Truth, the Indwelling Spirit, and Divine Love.

The Holy Spirit, conveys Divine Love to your soul should you earnestly and lovingly ask for it. This is the only function of the Holy Spirit – Acting Spirit.

The Indwelling Spirit becomes present when we are around the age of six. This means that the unseen helper of the Father and Mother – the Indwelling Spirit – can always interact with the mortal soul and to be of service so that eventually the leadings from the Spirit may be the catalyst for that soul to seek our Parents.

The Indwelling Spirit reveals intrinsic workings of Father and Mother to your soul.

The Indwelling Spirit functions in much the same way as the Holy Spirit, ask and it will provide support and guidance.

The Indwelling Spirit / Thought Adjuster only works with us on the mind, feeling and psychic levels directly with our personality on conscious and unconscious levels of reality. It is the Divine Minister with hands-on help from our attending angels that do the actual adjusting of our mind circuits – of all our circuits, even the physical if need be.

Spirit of Truth becomes active more so when you connect to the Source Soul and commence receiving Divine Love.

You are a spirit person having a physical experience. Your physical body is encased within your spirit body.

The spirit body only exists because our soul wants it to. In the fullness of love, even all our encrustments and wrongness is not actually bad, they are just the nether side of love.

So evil is literally a state of mind, and once you heal it you even feel love for your wrongness and even no longer hate it – that being full self-acceptance. But you can't contrive these feelings or level of awareness, it has to come of itself and will through the higher levels of your Healing.

## SPIRITS of TRUTH and HOLY SPIRIT:

More from James regarding Spirits:

The Holy Spirit provides differing support and guidance to that of the Indwelling Spirit. The Indwelling Spirits guides one to God, our Heavenly Mother and Father; the Holy Spirit brings Their Divine Love into our heart.

The Spirit of Truth becomes active ONLY when we choose to follow the 'owner' of that Spirit of Truth. So in our cases, Jesus and Mary Magdalene. We have to want to live the same truth as they are living, so 'be like them' and in doing so this activates the Spirit of Truth. And so if we choose to be as they are in truth, to live how they live the truth, to be of truth and the same truths they are, then with their Spirits of Truth assisting us we will come to relate to our Mother and Father just as they do.

We are growing spiritually in Mary and Jesus' universe. We have to want to be as they are in truth, if we don't want to do that then we're rebelling against them. And if we don't embrace them, then we'll never leave Nebadon, the region of the universe that encapsulates Earth.

The whole idea about having Spirits of Truth coming from Paradise Pairs is so the ascending mortals (us) of that universe (from the Creator Pair) and specific worlds (from the Avonal Pairs), all end up living the same truths. And if we didn't live the same truths, we'd all still remain all over the place and have nothing we can all connect with and relate to in each other.

So we can come from all over the planet, from very diverse races and cultures, yet because we all end up embracing the Spirits of Truth that are to help reveal the truths we are to know, so we'll all be able to connect and relate to each other through the truth we're living, all being able to live happily together as Celestials, and eventually as Celestials on Earth. It's the Spirits of Truth that bring us all together, homogenises us if you like. And if we all lived true to them, we would not need any rules or laws because we would all be living and knowing the same truths – so all living the same way only expressing those truths individually.

Our HEAVENLY PARENTS have any number of spirit instruments assisting at any time.

Holy Spirit conveys Divine Love from our Heavenly Parents

## **Moses relates his experiences.**

<http://new-birth.net/contemporary-messages/messages-sorted-year/messages-2002/moses-relates-his-experiences-fab-30-dec-2002/>

Santa Cruz, California, Received by F.A.B.

December 30th, 2002

I am here, Moses.

It is I, the lawgiver of the ancient Hebrews. When on Earth I had a burning passion to serve my God, who was to me the Supreme Being, above all other gods. But when I accepted the New Birth of the soul, I saw that my conception of God was not quite accurate. I realized that He had no anger toward humanity, but only Love.

My conviction about God was strengthened by my efforts to free my people from slavery. I was raised as an Egyptian prince, and then discovered my true identity. In truth, even as Egyptian royalty, I had compassion for the Hebrew slaves. However, I never imagined that I would be in the position I assumed, as leader of the liberated slaves.

As you have well imagined, many of the narrative accounts were false distortions. For example, the plagues consisted of unusual weather conditions – hailstorms and lightning storms. These convinced not only my people, but also the Egyptians, that ours was a powerful God. The Pharaoh would, of course, have preferred to keep his slaves, but he yielded in a moment of fear, after a particularly severe storm.

The parting of the Red Sea was merely the wind blowing the shallow water so that it appeared as if it had parted. Many Hebrews interpreted this as a sign from God, and this became the basis of the legend.

Likewise, the burning bush legend originated by my seeing the bush blossoming in a place in the desert that did not seem to be able to sustain life. So I interpreted this as a miracle, and future generations elaborated on it.

The Ten Commandments were not engraved by God, but by me. While up in the holy mountain, I was meditating and communing with God, who, through his ministering spirits, was putting thoughts in my mind regarding His laws. When I started receiving in my thoughts the Ten Commandments, I realized that they should be written down for my people, and so I engraved them, using a nearby sharp stone on soft stone which yielded to my efforts to engrave. It was my feeling that these writing implements had been supplied by God.

But, as the Torah accurately portrays, I had my hands full with the infidelities of my people, who were unhappy with so many things, when they should have been grateful.

When I died before reaching the Promised Land, rumour had it that this was some sort of punishment, which it was not. But this theme entered the Biblical account.

So you see, some things in the Bible are true about me, and some things are false. I will come again and relate other incidents that did or did not happen. We are very grateful for this opportunity to set the record straight, and thank you for your willingness to serve.

## The Ten Commandments

Today we will talk about the Ten Commandments. This is a topic you do not know much about and it makes you a little tense. Relax so I can speak openly with no resistance on your part.

You never liked rules. You always felt rules made people feel small, and that rules limited people's freedom. You would prefer to live with no rules – that people would just live in love. I would love that too. And maybe someday it will be. But in a world where not many humans feel my Love, rules are necessary in order to build a society.

Living by rules like the Ten Commandments will help people to live a morally correct life, when my Love hasn't yet filled their souls. When my Love has filled their souls, rules are no longer necessary. Living by my Love will automatically bring everything into balance and you will need no rules. Everything will be in accordance with love which is my law.

This conversation is difficult. You have a lot of resistance and we are not in very good rapport with each other. Because of the character of the topic you are a little nervous. Just take it easy on yourself. Be gentle with yourself. Don't feel afraid because everything is fine.

There is nothing wrong with the Ten Commandments. They were made by humans not by me, but in a world out of balance with not much love, it was necessary to have rules, some kind of easily understandable living conditions, that could easily be applied to human life – in order to live a life that is more in balance with truth than before.

One day, when every soul on Earth is filled with my Love, rules and commandments will not be necessary. The consequence of every act will be just more love, love in abundance. A life in complete harmony.

This was a difficult message for you, but you received it well.

Another topic has been on your mind. It is about gentleness and being gentle with yourself. It is about your inner voice and the difference between the critical voice many of you live your lives by. A voice that is far from gentle and which rules your life for many of you. Those are not my words. If there is a voice inside, and there always is, it is known by its kindness. If there is a voice inside telling you anything different from you being perfect, that is not my voice. Never would I speak unkindly to my children. Never. Know me through my kindness.

Many teachers are talking about using positive affirmations to break the voice inside that speaks unkindly. It might be helpful because words are very powerful. And the voice you hear inside is a reflection of your thoughts about yourself. But it will be impossible for you to silence that voice without getting into a better soul condition.

You are now confused. You are wondering again whether these words are yours or mine. As I told you before there really is no difference. Since my words are filtered through your mind your condition is

very important for you to receive my words correctly. Don't be hard on yourself. I love you and I will do everything that is possible on my part for the two of us to stay in contact. You are actually tired because of some very vivid dreams tonight. You haven't slept well. You are a human, you need sleep and food and rest to feel good. And you do not feel good today.

You are my loving child. Take care. Be kind with yourself and know that I love you.

We will talk again soon

In love            Your Father

**Note.** This message was held back initially, because of the suggestion above that Moses did not receive the "text" of the Ten Commandments from Father. We tend to think that he may well have, [which is what he said](#), but that this message instead refers to the fact that humans have interpreted these commandments to suit themselves.

### Truth vs Falsehood

P.371 by Dr David R Hawkins

**The Old Testament, on the Map of Consciousness, calibrates overall at 190, with the exception of Genesis (660), Psalms (650), and Proverbs (350).** The Lamsa Bible (from the Aramaic) calibrates twenty points higher than the King James Version (from the Greek). Understand the sources of error in the Old Testament requires detailed knowledge of ancient Hebrew culture and its history, which involves relapses into idolatry, division of tribal kingdoms, conflict among the priesthoods, and inclusion of local cultural myths and legends, especially anthropomorphic (human) depictions of God with egoistic human feelings of jealousy, anger, favouritism, revenge, pride, etc. (e.g., Freud's projections from the unconsciousness).

Revenge, anger, and other negative human emotional traits are linear limitations that are not concordant with the nonlinear parity of Divinity. They are more depictive of other non-celestial realms.

Although the Books of the Old Testament (with the exception of Psalms, Proverbs, and Genesis) calibrate below 200, many individual verses do calibrate quite high:

#### Calibration of Verses of the Old Testament

60% calibrate over 200	20% calibrate at 600 or over
50% calibrate over 300	10% calibrate at 700 or over
50% also calibrate over 400	2% calibrate at 800
30% calibrate at 500 or over	10 verses calibrate at 1,000

The **Books of Moses**, also known as the **Pentateuch** (“five volumes”), are the first five books in the Christian Bible. They’re also known collectively in Judaism as the **Torah** (“law, instruction”). They’re foundational to the rest of the Bible, telling the story of God’s relationship with humanity, the nature of human sin, and the promise of a Saviour. That makes them important both historically and theologically.

The **Books of Moses / Pentateuch** consists of these five books:

- **[Genesis](#)**: Covers the creation of the world, God’s covenant with the great patriarch Abraham, and the cultivation of God’s people through a motley crew of sinners and saints.
- **[Exodus](#)**: Tells the story of Israel’s liberation from slavery, their journey through the desert toward the Promised Land, and the establishment of God’s law.
- **[Leviticus](#)**: A compilation of the laws by which God expects His people to live. These rules, regulations, and holidays—all focused on the theme of holiness—provide a moral core upon which much Christian theology is built.
- **[Numbers](#)**: Israelite society is ordered in preparation for their arrival in the Promised Land, with God’s patience on display many times in the face of Isarel’s disobedience.
- **[Deuteronomy](#)**: God renews His covenant with Israel, further establishing His law and expectations. Deuteronomy ends with the death of Moses and the commissioning of Joshua as leader.

**SACRED and INSPIRED WRITINGS of MU: by Col. James Churchward ISBN 0 914732 39 0**

(born in 1851, died in 1936)

“The Books of the Golden Age” is an Oriental name given to The Sacred Inspired Writings of the Land of Mu (Lemuria), the Motherland of Man.

Copies of these sacred writings were made in Mu the Motherland, and from there carried to Mu’s colonies and colonial empires throughout the world by the Naacals.

The Naacals were priestly adepts and masters, the name Naacal means “Holy Brother”. The Naacals were the Motherlands missionaries of religion, the Cosmic Sciences and the wisdom of the Motherland.

In each country they formed colleges (Chaldi Colleges), and in them taught the high priesthood of the county the Sacred Mysteries they had brought with them.

Among the people of antiquity these sacred writings of the Motherland became known as “The Sacred Mysteries”.

They were written on clay tablets in the language of the Motherland, and with an alphabet and characters that were understood only by the initiated.

“The Ancient Knowledge” as our present day scientists are pleased to call it, and which they are feverishly looking for in the ruins of old historical and semi-historical cities, are the teachings of the Naacals which went to Uighur, Burma, India, Babylonia, Egypt, Mayax and to other colonies and colonial empires, about which next to nothing is known at the present time. (The notes are in the hand writing of Col. James Churchward made in 1927, and subsequently published in 1997.)

The First Religion: The Sacred Inspired Books were written for the purpose of teaching early man religion; therefore, man’s first religion was the teachings of the Sacred Books. The basis of this religion was Love. Man’s Love for the Heavenly Father and His works. The Divine Love of the Heavenly Father for His son Man.

Every teaching was plain and simple without a particle of theology. The most ignorant could understand every phrase in it. There was nothing of any kind indefinite. It was impossible not to understand it thoroughly. Man was taught to approach the Heavenly Father, not with fear or dread, but with confidence, and above all, Love: as a child would run to its earthly father who is standing with outstretched arms to receive it. Love stood at the head of the 12 great virtues, because Love governs the Universe and the Heavenly Father is The Great Love.

After studying the teachings of these writings, if one were asked, “Where is God’s greatest temple on Earth?” One should answer: “In the heart of man; the perfect temple for the adoration of God; the perfect temple for silent meditation and Love; the temple available at all times and in all places, any hour of the day or night, whether it be in crowded city or desert plain, for the Love and Adoration of the Heavenly and the temple where man can become at one with the Heavenly Father.” Tell me, what other temple can fill its place?

## **CLEANSING the SOUL:**

**Years and years of personal endeavours to step away or above harmful habits and personality traits that are harmful to others and one's self have been mainly futile. We all want to grow in our love for ourself and of others.**

**Our beautiful loving personality that we are blessed with at conception / incarnation becomes encrusted with errors and personality issues of those around us, particularly during our early childhood. The personality of those living around us, during our early years, becomes encrusted over our pristine soul thus clouding our radiance into dullness. We become mind controlled!**

**Our Heavenly Parents want what is actually best for each of us and there is a source of light that's willing to give it to each of us, but only at our soul and spirit's quest for union with the divine. Not our ego's need for things.**

**It is only with our Feeling Healing and the infusion of the Love, that the Mother and Father conveys via the Holy Spirit, do we start to dissolve negative issues, habits and personality errors from our soul and personality. Our personality is part of our soul structure.**

**All we need do is ASK for this Love. An earnest longing and desire for the Mother and Father's love will never be withheld, it will shower over our spirit body, the template of our physical body, and be absorbed into our soul. As the Love permeates through our soul, errors of personality will slowly but surely dissolve.**

**Over time, as we progress along our path of asking for and receiving this love, the natural love which we were blessed with prior to conception will be progressively transformed into Love that is Divine. This Divine Love will slowly emerge as radiance through our being.**

**With Feeling Healing and this Love we find harmful habits and personality traits become a distant memory. With this Love, we find ourselves unable to harm others or ourselves. With this Love we find our quality of life blossom and joy starts to emerge in all aspects of our living.**

**With this Love we become immortal. With this Love we become fitted for the Heavens that the Mother and Father have prepared for us all. Just ask and faith, love, and happiness will follow. Yes, just ask!**

## Will, Free Will and the meaning of 666.

Hello again my friend. I am very pleased to see you seize moments like this, so we can help you clarify the things we talk about and that you have come to see them as opportunities (to grow and progress), not as nuisances; also in the hope others will benefit from them too.

You knew, the moment we started to explain the concept of 'free will', (some) people would not agree with what we told you; even you were not 100% sure whether you truly believed what we were telling you. It was only when I told you afterwards that this (previous sentence) was the reason you should believe (because what you 'believed' was not 100% in accordance with what we wrote), that you started to accept it; and then we could transfer a large amount of information to you so you could see the bigger picture behind it.

*[Yes, you needed a better opening first so we could pass on that information. ]*

It is very important to understand there is a big difference between **'will' and 'free will'**. Will is what we called the principle of choice in our previous message: it is every possibility, choice and action executable within the scope of love. Free will is the same as will but with the addition of being capable to move outside the laws of love (or the laws of the soul).

What's also very important to know is: when we speak of love, we speak about much more than what the definition of the word love means. Love is a very broad form of energy made of multiple sub (energy) forms or subcategories. And the definition of love: "having affection for" – as most people use it – is only one of many subcategories. So you see, knowing and understanding the context and definition of the words used by others is an important part of understanding the context and meaning of the whole message.

Unfortunately, most people (including mediums) do not question that their definition of a word is the same as someone else's, so they do not grasp the true meaning of what the other (man or spirit) is saying. This is also the reason why spirit messages are so different (in content) but can still be perceived as true (by the medium or others). The receiving person can feel the spirit influence and their love (and therefore conclude it is true) while they do not understand their words might not have the same meaning as the intended meaning or definition.

It is inherent to the human mind to fight all information that might cause its nullification. That is for example the true story behind why '666' is the number of the beast. I can see you're quite surprised. But let me explain what I mean, because it is completely in sync with the topic we are dealing with.

As you know 'Satan' never existed. But what you (and most others) don't know is the original (666) story was used to portray the fall of the perfect natural man.

Those who understand anything about numerology know that the number six stands for harmony. Well then, number three refers to the existence of life as we know it: body, mind and soul. So 3 times 6 (or 666) means having harmony in body, mind and soul; thus, having the state of the perfect natural man.

And it is, by no means, coincidence the sphere of the perfect natural man is the sixth one; the sphere of harmony.

So, in the original story, 'Satan' was not an angel but a perfect natural man who lost the state he was in by using his free will (his mind). He made choices (not in tune with the laws of the soul) that blocked the flow of love (to his soul) so the harmony (he was in) started to dissipate. Sounds familiar? The more harmony was lacking, the more the mind took over; and harmony became its worst enemy; because the mind loved the (unlimited) power and control it had. So every time the mind comes in contact with something (or someone) trying to re-establish harmony (hence it will lose some of its power and control) the mind (or the beast) retaliates, trying to keep the power on its side.

So you see, 666 is the number of the beast (or the mind); considering harmony of the body, mind and soul will lead to less power and control; the beast within (ourselves and others) will be summoned, trying to block us (and others) from finding and re-creating harmony. Since finding and re-establishing that harmony would result in less power and control over our own minds and that of others which would not be a good thing for the mind.

Now, besides giving you the true meaning behind the story of the number of the beast, we also wanted to use it to explain the message of free will in a different way. As you know we have already explained numerous times that 'Satan' (or 'Lucifer') does not exist. Furthermore we already explained (also through Mr. James Padgett) it wouldn't be possible for someone to become an angel and then all of a sudden decide to become mean and vicious again and leave the heavens he/she is in.

Well, the reason for that is because of the difference between will and free will. Free will – the ability to choose not to live according to the laws of love (or the soul laws) – is the reason why it is possible for the perfect natural man (and everybody beneath that level) to become less loving again. Especially in the physical, where the power of free will is strongest and the effects are not that outspoken (or felt) as in the spirit world. But, quite to your surprise, it is also the case within the spirit world. So, yes, it would be possible (theoretically) for someone within the spirit world to regress.

*(Oh boy.)*

[Laughs.] I understand your reaction.

*(I can already imagine how some are going to react to this. LOL.)*

[Laughs again.] So, why do I say theoretically? Because the reactions (or the effects) within the spirit world are so direct and outspoken that those who have experienced a more advanced way of living will not want to go back to a less loving way of living. Only those who are in bad shape will often remain there longer as needed because they choose to keep on using their free will to keep on living the unloving way they are used to (by laughing at others, trying to instigate others to do bad things, etc.).

But the proof of the ability of the spirit to regress can be found in stories like; the story about the inheritance of the flaws of the parents and grandparents and in the story about the regression of the first parents: Aman and Amon or in the story of the number of the beast, as we just explained it to you. Because all souls incarnate in their pristine state or condition but almost none can retain that state. And when the regression in the physical takes place, the regression in the spirit is also a fact considering they

are in sync. Otherwise the man who lived an unloving life would find himself in the sixth sphere after leaving his physical life; which isn't the case at all.

When you look at what I said in the beginning – that no angel has ever fallen out of heaven or regressed back to the lower spheres – you should come to understand why this would never (ever) be possible: because once one enters the celestial (or soul) spheres, the possibility to choose or act outside the scope of (the energy we call) love, is no longer possible. Meaning: free will (as we know it) no longer exists, since it has served its purpose and is no longer needed. It doesn't mean one will become a slave of God without having the ability to choose freely. It means becoming one with Him, still being able to choose freely, but choosing and acting within the scope of love.

If it would have been possible to still choose or act outside the scope of love (= to use free will) once one becomes a celestial angel, the story of 'Satan' (or 'Lucifer') would have been right or at least possible or plausible. But the reason why we have said (so many times before) it is not possible at all, is because of this truth about free will.

Once one enters the celestial spheres, the body and mind are no longer essential to one's existence and totally subordinate to one's soul; which still possesses the gift of the will: the ability to act, think, behave and choose according to the laws of love.

As to what happens to a man when he dies and becomes his spirit, so will it also happen to the spirit who dies (a figurative spirit death) and becomes his soul. This is what the seventh sphere is for (or prepares us for): to pass on the principle of identification from the spirit to the soul; just as when the physical body dies, the principle of identification is passed on from the physical to the spirit. Hence, the last stage of the new birth – which was started by opening up the soul to receive its first speck of Divine Love – is now finalizing; and the soul is ready to enter the spheres of the soul or as most call them: the celestial spheres.

And so the speculations of some of the spirits in the sixth sphere that maybe one day the spirit body may also not exist – as the physical body once stopped to exist (for them) – are true. For only the soul has any significance in the life eternal; all the rest will only be remembered as a vague illusion of what once was.

I am glad we had this opportunity to share our knowledge with you again. Thank you for your time and effort in all of this. God bless you my friend. Have a nice and loving holiday season and enjoy your time on this Earth.

John. (Apostle)

## ***DIVINE LOVE – what does it do?***

**Divine Love, which is a substance, progressively:**

**Transforms one's soul from that which is of natural love to that which is Divine**

**As natural love is enhanced with the Parent's Love, we reject our tendency to error**

**Divine Love, our Parent's Love, restrains errors, untruths and emotional stress**

**As we reject the condition to error, we develop our love for our brothers and sisters**

**Divine Love helps one with the discovery of truth through one's soul-feeling healing**

**Our natural intelligence grows, perceptions rise with our soul intelligent feelings**

**As Law of Compensation is resolved, the Love reduces returning to being in error**

**Receipt of Divine Love, the Parent's Love, grows our faith, we become God reliant**

**As our faith grows our propensity to undertake one's Feeling Healing strengthens**

**With the Love, our Feeling Healing becomes Soul Healing, this we are to undertake**

**Without the Love we remain self reliant and dependent upon our own will power**

**Only with the Love will our soul condition grow rapidly, all around us also benefit**

**The Love is the only substance that changes the human soul to that which is Divine**

**Only by asking and receiving Love do we become fitted to enter Celestial Heavens**

**Only by asking for and receiving the Divine Love does our soul become immortal.**

## The New Birth

<http://new-birth.net/padgetts-messages/true-gospel-revealed-anew-by-jesus-volume-2/introduction-volume-2-dgs/>

"...There was a man of the Pharisees, named Nicodemus, a ruler of the Jews. The same came to Jesus by night and said unto him, Rabbi, we know that thou art a teacher come from God, for no man can do these miracles that thou doest except God be with him.

Jesus answered and said unto him, Verily, verily, I say unto thee, Except a man be born again, he cannot see the Kingdom of God.

Nicodemus saith unto him, How can a man be born when he is old? Can he enter the second time into his mother's womb and be born?

Jesus answered, Verily, verily, I say unto you, Except a man be born of water and the Spirit, he cannot enter the Kingdom of God.

That which is born of the flesh is flesh, and that which is born of the Spirit is Spirit.

Marvel not that I said unto thee, Ye must be born again..."

*John, Chapter III, verses 1-7*

The New Birth is the essence of Jesus' mission. Nowhere else will one find so succinctly and clearly the requirements of the glad tidings of salvation which Jesus received from the Father and proclaimed to mankind. All the promises and prophecies of the Old Testament are here fulfilled.

The meaning of the New Birth, and how it brings salvation to mankind through Jesus the Christ, has never been explained; it is found neither in the Gospel of John, such as it has come down to us, nor in any of the many interpretations of immortality which the fathers of the early church or the spiritual leaders of the later reform sects have sought to inject into the passage.

For the New Birth is not a product of speculation or reasoning coming from the mind; it is an experience of the soul and the fountainhead of that great joy and gladness which constituted the heritage of the early Christians, a heritage now lost to the churches of Christianity. The New Birth resulted in the joyful knowledge that, on leaving this earthly existence, man could look forward with certainty to a life of eternal glory with God.

What, then, is the New Birth? What was this God-given doctrine which Jesus proclaimed, but which has been so long discarded in favour of man-made notions of salvation, to be supposedly achieved through rites and ceremonies? The New Birth is Jesus' revelation to the world that the Divine Love of the Heavenly Father, withdrawn from mankind with the fall of the first parents, had been rebestowed by the Father in His goodness and mercy. Jesus, his soul filled with the Father's Love, was the visible proof of its bestowal.

Our Salvation, then, resides in the Divine Love of the Father. His Love, obtained through earnest longing of the soul and prayer to Him, is not inherent in the soul itself, as some may believe, but it is something added to the soul from the Father in response to individual seeking, and when obtained in sufficient degree, gives that soul the certainty, knowledge and possession of immortality, eternal life in

the Kingdom of God. The soul that seeks the Father's Love may continue to obtain it in increasing abundance throughout all eternity.

That is what Jesus meant by being born of the water and the Spirit. The water is not any symbol of purification, but the "living waters" of God's own essence, His Divine Love, which fills the soul and enables it to live. The Spirit does not come to dwell in the soul of man but, being the instrument of God, has the function of conveying the Father's Love into the soul of whomsoever may seek it in earnest prayer.

The Father's Love, as it continues to permeate the soul, transforms that soul from the image of God, in which it was originally created, into His very essence and nature, and brings it into at-onement with Him. As prayer for His Love continues, the evil desires of the flesh which pollute the soul are in time eliminated and only the Father's Love, Goodness and Mercy abide therein.

This is the real meaning of forgiveness of sin, and in this sense can come only with the New Birth. It is not something that comes miraculously through belief in Jesus' name or trust that God by His mere fiat will overlook the transgressions of His children. And this is confirmed throughout the pages of the Old Testament, in which the children of Israel paid with captivity in Assyria and Babylonia and suffered greatly at the hands of oppressors for creating the conditions leading to such calamities by the accumulation of their sins and backslidings. True, by exercising his will, man can seek forgiveness by trying to tear out of his soul those emotions which are not harmonious with his real nature; and indeed, he should strive to do so. Yet everyone knows how difficult this is. And God's help is available to overcome sin for those who seek it, with a contrite heart and in earnest prayer.

**God's forgiveness consists in our turning to Him and seeking His Love while engaging in doing one's Feeling Healing, which, on entering the soul, progressively eradicates from it those desires and emotions which are at variance with His Laws.** The forgiveness that comes with the New Birth, then, is a positive act of cooperation on the part of man and God. Man must seek it in soulful prayer and God confers it upon man through an active process of eradication.

**The New Birth, then, as the transformation of the human soul into the Divine Soul and the consequent purification from sin through the Father's Love, thus qualifies the soul to live throughout all eternity with God in His Celestial Mansions.** This is the Love which Jesus manifested in his soul and with which he charged his apostles to love one another at the Last Supper ("This is my commandment, That ye love one another, as I have loved thee." John XV, 12. It is the Love which he explained to Nicodemus, that master in Israel, and taught men of faith to seek for.

Thus Jesus was born from above; indeed, he was born of the Holy Spirit in the sense that it is the agency through which the Father's Love was poured out in abundance into his soul; and he told Nicodemus that he too and all those of God's children who would obey his teachings, could also be reborn through the Spirit and become at-one with the Father. This transformation of the soul, this spiritual regeneration, is the New Birth which Jesus taught and which has now been made crystal clear in the TRUE GOSPEL REVEALED ANEW by JESUS and obtained through the mediumship of Mr. James E. Padgett, a Washington lawyer, between the years of 1914 and 1923. These writings, which Jesus himself declares are his "New and Repeated Gospel for all Mankind," brings to light his true teachings of the New Birth and the Father's Love.

## I'D TURN BACK IF I WERE YOU!

The Natural love spirit Mansion Worlds as to how they have been for all these hundreds of thousands of years and as they are set up currently, are to help spirits advance to the fullest of their self-denial that they can. That is, so as to become as evil as they can. And all under the guise of being 'loving'.

It's why they are called the mind worlds, namely Mansion World / spheres 1, 2, 4 and 6. That is because the spirits are using their minds to complete their rebellion – denial of self and feelings, and rejection of our Heavenly Parents as well their Creator Son and Daughter. So yes, the top of Mansion World sphere 6, spirits are the most evil, the most in rebellion, the most in default, the most wrong and unloving and untrue, even though, they appear, because they've trained their mind to do so, to be the most loving, but it's all false and contrived – such as the Eastern gurus. Total mind over feelings, blocking all the bad ones and using your mind to only make you feel good.

Typical of those on their way up in the mind worlds are not open to anything, they do not want to know about feeling bad and going with their bad feelings looking for their truth, because that scares them, that's not nice, that doesn't make one feel good, it threatens their control, they reject that preferring to stay in their nice safe space. Which is how it is for these Natural love mind spirits using their minds to control their feelings.

We've all got to take responsibility for our evilness even though we were made to be that way and rebel by default, but there is no getting away from it, and it has to be compensated right to the last farthing, which is what being in the hell planes is all about, and which keeps being applied right the way through the Mansion Worlds. **In the mind worlds you can continue to use that inner pressure requiring compensation for your bad deeds, to further contrive love and pretend you are all holy and loving and not hurting anyone anymore, which on the surface of it you are not, but underneath still are, all the way up through to the sixth world; or, you can allow it to keep working on you right the way up through the Divine Love Mansion Worlds doing your Healing.**

And apparently what's going to happen is the Natural love mind Mansion Worlds are going to be divided, so within them, there will be spirits doing their Feeling Healing – without the Divine Love, and still limited to the sixth Mansion World, but looking to be true and end their rebellion. And then there will be those still carrying on denying themselves as they have always done. So you will have spirits in the Feeling Healing Natural love sectors that will truly perfect their Natural love; and those spirits still in the mind sectors perfecting their wrongness. The opposites or extremes living side by side. And then you'll still have the Divine Love Healing Mansion Worlds, being spheres 3, 5, and 7, doing their Soul Healing.

And as for a summation: "Divine Love Mansion World / sphere 3 is the waking up to the truth that one is not loving, also their being a lot of assistance. Sphere 5 is then about going right into the depths of feeling how unloved you feel and seeing how unloving you are and how that makes you feel, also this a time when one can then progress and manage their own progress through their Feeling Healing. Sphere 7 is then about still working with the deepest and residual bad feelings, whilst looking to sort out how you wrongly relate to yourself and others, nature and God because of being unloving, this is a time of great realisation and comprehension with much of the prior experiences starting to be drawn together."

Mansion World 3: is for waking up to the truth that you're not loving and starting to get in touch with your pain, starting to accept your bad feelings, starting to work with them instead of rejecting them.

Mansion World 5: is then about going right into the depths of them, feeling how unloved you feel and seeing how unloving you are and how that makes you feel, bringing out the majority of your pain, your misery, fear, anger, guilt, hatred, boredom, terror, rejection, nothingness, feeling powerless, alone and abandoned, and so on.

Mansion World 7: is then about still working with the deepest and residual bad feelings, whilst looking to sort out how you wrongly relate to yourself and others, nature and God because of being unloving, understanding how your relationships are unloving, how you don't connect properly, how unloving you really are and why and fully accepting the truth of it, coming completely to grips with your parents not loving you as you needed to be loved – sorting it all out, including your self and feeling expression difficulties.

It is agreed that the lower worlds are about waking up to what's involved, however from then on it depends on how it's all structured for the individual in their negative state as to how much ongoing assistance they might need. Some need help all the way along, whereas others have been able to work with their feelings, themselves, right from the beginning.

And yes, each of the Divine Love healing Mansion Worlds, 3, 5 and 7, are equally painful to work through, just focusing on different aspects of yourself and your Feeling Healing with Divine Love. And then in the higher planes of the 7<sup>th</sup> world comes the transition, where one's pain starts to end, and you start feeling so much better about yourself, you are fully accepting of your negative unloving state, you are fully unloving although even starting to become more loving – truly loving, of yourself, God, and then other people.

Then onto the Celestial Heavens by progressing into Sphere 8 and then onwards further, all the way home to Paradise.

Maybe something like 6 billion people have recognised that our Mother and Father's Divine Love, together with embracing one's Feeling Healing, that with these two aspects, have progressed through the Mansion Worlds to the Celestial Heavens and onwards.

More than 200 billion personalities have embraced their mind and self reliance through the misguidance of 'New Age' styled ideologies and the many thousands of different religious platforms, all of which take the person further and further away from our Heavenly Parents.

The 1<sup>st</sup> and 2<sup>nd</sup> Spirit Mind Mansion Worlds / spheres are jammed to the rafters.

For a million years, humanity has gone in the wrong direction with its self-denial of self and feeling!

## DIVINE LOVE HARMONY:

**Immortal harmony:**

**Transformation of the soul is a beautiful harmonious gradual awakening.**

**In a gradual way with the Divine Love and Feeling Healing, as changes in the soul and spirit body occur, these changes will result in the personality slowly accepting the source of these changes as being the Soul God and with the independent will, one can have complete acceptance of our Heavenly Parents, Mother and Father, God.**

**People have loved God and felt loved by God and they have in deed received the Divine Love without ever knowing the truthful identity of this Love insofar as the truths relating with its causality in the human soul and affect upon the spirit-mind.**

**Part of the nature of the Divine Love in our souls is that it activates our spirit body systems and soul so that the nature of God is seen and experienced in the living and this places us in touch with the many Spirit attributes that extend from God and have their existence in God, such as our Indwelling Spirit. God no longer remains inactive to us; inert, inanimate, or an unknown but rather a Soul of living energy whose energy in the harmonies of Love and Spirit, is personified as love that we experience. If I can convey the essence about the nature of Divine Love it is that in its energy, exists the harmony and potential so that one can see the potential that this Love brings to bridge the gap of separation between the individual and God by the harmonies of soulfully living.**

**The Divine Love completes the form of the human being.**

**In essence, one need only direct their soul and the heart of their soul to our Heavenly Parents, the Soul being God, and in this faith one can experience the Love by humbly asking for this Love. This is all that is needed and the touchstone upon the Love's approachable nature.**

**The Love is never harmful or given by God that results in a caused effect of disharmony in the individual. The diversity of human individuality is a great characteristic of human nature and as with experience, one needs experience to ascertain a truth about a certain thing. Experiencing the Love provides a substantiated knowing from which a more objective reasoning follows and a maturity happens.**

Our Heavenly Parents send the Holy Spirit, the Spirit, to those who long for and ask for Their Love and assistance. All you need do is ASK!

“The New Birth is the flowing of the Spirit of God into your soul and the disappearing of all that tends to turn your heart from the truth and Love of God in conjunction to doing one’s Feeling Healing.”

“The Holy Spirit is God’s messenger or instrument that carries into the soul the Divine Love that is bestowed on the truly penitent man.”

“The Holy Spirit when the penitent prays for the Love the Holy Spirit will respond and fulfil the work that the Mother and Father has provided it to do.”

“The only thing that saves a man from their sins / errors and reconciles them to the Mother and Father is that they must become conscious of God’s Truths and receive the Holy Spirit into their souls.”

Continuing with one’s longing for Truth and asking for our Parents’ Love enables progressive removal of emotional errors and injuries that then lead to the removal of core emotional damage, and then, subsequently, the progressive filling and expansion of one’s own soul. Removal of these soul injuries through Feeling Healing also leads to the removal of damage to one’s spirit body and the restoration of one’s health.

It is only by the infusion of this Love while longing for Truth within one’s soul in sufficient quantities does one become fitted to enter the Celestial Heavens.

Soul development, with the Love, can take a soul from being a dried up garden pea to that of a simple candle, and then onto that of a blazing sun!

**The LOVE that brings about FORGIVENESS:**

This Divine Love, and by this I mean the only way through which salvation can be obtained, can enter and fill the soul through the sincere longing of the soul to assuage the thirst for at-onement with the Father through prayer. Revelation 17 – November 12th, 1960 – Jesus

**The only way for man to achieve forgiveness of sins is through the obtaining of the Divine Love or through purification of the natural love, a long and tedious process that fits the individual soul for a place in the Sixth Sphere.** Revelation 50 – October 18th, 1954 It is this Divine Love that brings about immortality for man.

This great Love of our Mother and Father was created or rather has always been, for the redemption of the vilest sinner who seeks and believes. March 24<sup>th</sup>, 1915 – Ann Rollins

Only the Divine Love can give man of a Divine Nature, and that no self development or cultivation of the Natural Love to the greatest and most sublime extent are sufficient to make man at one with our Mother and Father in the divine sense and which makes the spirit a partaker of this Divine Essence of the Father. One needs to come to understand the difference between the two loves and what the New Birth means. March 24<sup>th</sup>, 1915 – Jesus

**WILL or FREE WILL:**

We are created with Free Will.

We are also created with natural love, there is nothing of the divine within our soul.

Our mind has free will, even though our soul only has will, that is, our soul at all times longs to follow the will of its Creator, and our Creator's Will is one of Love at all times. There is no action or thought of our Mother and Father that is ever unloving, judgmental, or harmful to any of Its creatures.

Man can know and knows God only because he possesses a soul, and he can never know God if he seeks him intellectually and with his mind alone.

Doubt and speculation is a product of the mind, but faith is a product of the soul and we know that God exists through our soul perceptions, so that we can create the spiritual link with our Heavenly Parents, Mother and Father, through prayer. Not a mental prayer, but a prayer that comes from man's soul – earnest, sincere, full of longing, faith and love.

As this Love, the Divine Love, is absorbed into our soul, our mind is quietened. Slowly but surely, the Divine Love, with Feeling Healing, enables the soul to take over the function of the mind and when we no longer desire or able to harm another or ourselves, then we have become at one with our Parents, we have been reborn.

The soul with the Divine Love infused in volume.

UNCRUSTING ONE’S SOUL:

One’s soul is always perfect. One’s soul is a creation of our Heavenly Parents, and Their creations are always perfect.

Their great gift to us is free will. We have the option to embrace Their will or freely do as we please, we have free will.

As we progress through our early childhood years we absorb the attitudes, beliefs and habits of those within our environment. Some of these are in error. Such emotional errors and injuries melded with errors in belief encrust one’s soul with unhealthy and unloving energies. These encrustments retard the flow of loving energies into one’s soul. Such soul having created one’s spirit body, which in turn is the template for one’s physical body.

As we become aware of our Mother and Father’s greatest gift in all of the universes, we can ask for and receive this gift, being Their Divine Love. It is a light golden blue energy substance that will progressively through one’s Feeling Healing process dissolve the injuries and errors that may have enmeshed one’s soul. Feeling Healing with this Loving energy will slowly enable each of us to break free of past held erroneous beliefs and injuries that we have drawn upon ourselves. We can cast this shell off, such shell which is endeavouring to imprison us in misery.

With the Love of our Parents, the beauty with which we were created can come to the surface and we can then proceed to progress beyond the ceiling that our natural love formed soul has in development. Feeling Healing with the vibrant energy of Divine Love can enable us to live a life here on Earth as though we were in Heaven. All we need do is ask for It.

The Love of our Parents’ is the greatest gift for all of humanity, without exception and without condition other than the longing for and the asking for it, at anytime, at any place, and in any way one so pleases. Enjoy the journey!

When we have removed all man made emotions from our mind, our mind only will engage God endowed emotions. We lose the free will and now the will of the soul dominates the mind. Our will is now at one with our Mother and Father. We now can enter the Celestial Heavens.

Soul based emotions are all love based forming our natural love soul, created by the Source Soul. The will of the soul is always love based as desired by our Mother and Father. We are embracing the will of our Parents when we respond to these soul based emotions.

Our soul is subordinate to our mind. Our mind has free will and responds to all emotions, God given and man made. We allow our dominate emotions to determine our actions. This is exercising our free will. Only Divine Love with Feeling Healing removes errors.

Erroneous emotions are all about causing harm to others and/or to one's self. These lead us to a period in the hells to prevent us from harming others and experience compensation. Seek the Love and grow!

Natural Love is the substance that one's soul is made of. One's intellectuality, mind focus, typically enslaves us into centuries of will power aligned personal development only to find the ceiling being the 6<sup>th</sup> spirit world sphere in one's progression.

6<sup>th</sup> SPHERE has no doors to higher realms.

Intellectual dominance retards one's potential to peak ONLY at Sphere 6.

Natural Love can progress us from 1<sup>st</sup>, then to 2<sup>nd</sup>, 4<sup>th</sup>, and finally to 6<sup>th</sup> sphere only. Mind is the control.

If we would just ask for Divine Guidance and Divine Love to help us and let go of our minds and preconceived ideas about what the answer should be, then we would get a clear and accurate answer so that we are able to classify it and live a life without having to deal with the burden of our flaws over and over again.

Flaws / emotional errors / injuries block the flow of natural love and that is the reason so many also have a dark soul.

The 6<sup>th</sup> sphere state of the perfect natural man is our birthright; it is our normal level of being. The only thing man has to do to regain this state, is unblock the flow of natural love by letting go of the flaws it is hanging on to; not by adding something which isn't already ours.

Spheres of Disharmony = Hells

Divine Love, being a substance, progressively fits us to enter the Celestial Heavens, then the Eternal Spheres and then the Spheres of Paradise, way above the Spirit Worlds.

Divine Love, with Feeling Healing, is the substance that dissolves our emotional errors, our damages resulting from our man-made selfish ways. Divine Love is the substance that brings about forgiveness.

As we ask for and receive Divine Love we step away from errors that predominate in the spheres of disharmony, we then progress from the 1<sup>st</sup> sphere and then through the Divine Love spirit worlds 3<sup>rd</sup>, 5<sup>th</sup>, and 7<sup>th</sup> spheres. Once our mind is totally compliant with the Will of our Heavenly Parents, we no longer can nor consider to do anything other than adhere to the Loving Nature of the Parents' Will, this is the transition to at-onement. We then enter into a Celestial Soul Condition either whilst here in the physical on earth or enter the Celestial Heavens as a spirit person.

With the embracement of our Parents' Love, the Divine Love and Feeling Healing, we can achieve this progression into Celestial Soul Condition within possibly five (5) years! When we ask for Divine Guidance and Divine Love to help us and let go of our minds and preconceived ideas, we live a life without having to deal with the burden of flaws over and over again. Go 'God Reliant'. Set your mind free, and enjoy your freedom with the Love.

**DIVINE LOVE being AVAILABLE is our SALVATION:**

**DIVINE LOVE is the ultimate high octane super fuel to transform our soul into that which is Divine. Loving in all that we then do. With Divine Love we can progress into the Celestial Heavens, without it we can not. Ask and you will receive.**

**We are created with the substance of that which is not Divine, and that is Natural Love with its various aspects that reflect through our personality.**

**The Divine Love is far more powerful than the natural love. If I would have to put a number on how much stronger, just so you can understand what I'm trying to say, I would say 10 or maybe even 100 times. Of course this is purely hypothetical because natural love is only a derivative of Divine Love so it is almost impossible to compare them this way. If you ask for the Divine Love to enter your soul it will be 10 or 100 times more efficient, 10 or 100 times stronger than if you would let the natural love flow through your soul. So it will help to break down "the wall" you've created around your soul 10 or 100 times faster than the natural love would do.**

## WE ENDURE FOUR LAYERS of PERSONALITY SUPPRESSION!

Unknowingly, our parents pass onto their children (us) their beliefs and way of living that has evolved since the Rebellion, some 200,000 years ago, and then the Default, some 38,000 years ago. In this way, humanity is suppressing the female, rejecting our Spiritual Parents, namely Jesus and Mary, and denying our Heavenly Parents being our true Mother and Father, of Their truth, standing and existence.

**The Rebellion is against love, the Default is all the difficulties we have in our relationships because of our rebellion. Healing the Default is becoming true, to ourselves and in our relationships, and ending our unlovingness – our rejection of love, so ending the Rebellion.** Nanna Beth 29 June 2017

We are souls, our personality is an expression of our soul. It is our free expression of our soul through our feelings that we are to embrace and follow. This expression may appear to be wilful in nature, from time to time, and consequently our parents' attempt to suppress this expression. They proceed to remodel us when as young children, in the manner their parents treated them and so on for many generations going back.

During our forming years, as a child, we are unable to recognise the suppression of our personality as being extra-ordinarily harmful to our soul based personality and, accordingly, we don't know that things can be any other way. Presently, neither do our parents.

This childhood suppression way of living continues throughout our schooling years, thus we learn this is a way of life that is normal.

Our religions all have been formed based on the tenets of the Rebellion and Default. The teachers and leaders throughout all denominations take us further away from our suppressed feelings that have been hammered into us during our forming years, thus entrenching us further into rejecting our true selves.

The controlling and suppression mechanisms of our parents, educators and spiritual teachers all manifest throughout all of commerce. This control comes heavily and brutally down upon all levels of employment. The capability to express one's soul based attributes and gifts is sealed throughout all of one's working life.

A new way of living is to enable the liberation of one's true personality through the Feeling Healing process AND the transfer of authority to the individual via embracing freedom of expression.

# DEVOLUTION

**Our childhood suppression of our true and loving soul based feelings is creating global pain and personal isolation amongst all of humanity. We are very sick!**

**In our struggle to find solace and purpose, we further withdraw into ourselves, becoming ever more self dependent, believing our control addicted mind that it can solve everything. We just drown further.**

**We embrace an ever expanding and diverse range of pathways to escape from our personal pain, fear and desperation. Alcohol has now been complimented with narcotics, hallucinogens, including caffeine (coffee). Gambling has been complemented with computer games which are generally entraining the mind further into error and pain. Technology is making us sicker!**

**We bury ourselves in front of the television to further avoid contact with anyone, especially family.**

**Children endeavour to exert their independent authority from domineering controlling parents (which we all are eventually) by disfiguring their bodies with tattoos and piercings, etc.**

**We shut out the noise with headphones, thus preventing contact with others. We use electronic devices to 'text' others even at intimate engagements.**

**Technology will take us further into the depths of our madness. You now can buy headsets that prevent any contact with the outside world while playing mind suppressing and entraining entertainment – games!**

**No one loves their children, they are ignored, and the controls hammered into them turn them into clones of ourselves. Look at ourselves and we can all see that we have been all messed up by our own parents, as they have for generations over the past 200,000 years.**

**No more of this! We can escape this man made hell!**

# EVOLUTION

**STEP 1: Longing for and receiving Divine Love:**

**A. Soul within spirit body prior to receiving Divine Love.**

**B. Divine Love being received from the Holy Spirit, covering the spirit body of requesting personality.**

**C. Divine Love having been assimilated within one's soul, now being reflected through the radiance of the spirit body.**

## STEP 2: FEELING HEALING + SOUL HEALING

It is the Divine Love that strengthens one's resolve to persevere with embracing one's suppressed emotional injuries, that occurred from conception through to around the age of six, and longing to know the good and the bad of those feelings, together with talking about them to a friend, partner, one's self and our Heavenly Parents. It is only with the receipt of the Mother and Father's Divine Love and the expressing of suppressed emotional injuries that one can release the emotional injuries and errors to achieve Celestial soul condition and enter the Celestial Heavens.

Further, should one complete their Feeling Healing on Earth, then they will be able to recognise their soul partner, their other soul half, and should their soulmate have also embraced Feeling Healing with Divine Love, then their children will be born free from error, free from fear, and free from any deformity and illness. This is the destiny of humanity.

Further, being in this condition of free from error and being in constant communication with our Heavenly Parents, then one can also recognise and form their Soul Group. This will ultimately consist of twelve soulmate pairs, a total of twenty four personalities / individuals.

It is the bringing up of children by the support of soul groups that is to be the ultimate way forward. The group experience and wisdom, as a functioning family, will ultimately be of profound benefit for the blossoming child.

But what we cannot do is contrive the groups ourselves, or even pick who our soulmate is. This will only, and can only happen, as an outworking of the truth we are to live – as we progress in the healing of our soul.

And this is how all of life should be lived: according to the truth we are living. It is how we live, as there is no other way, but currently we live it in the negative, of that being directed by no truth, and so having to make it all up ourselves.

## Our FEELINGS are our SUPREME GUIDES:

**Feelings are what guide us through our ascension of truth. So they are really our Supreme Guides.** Many people look for a person, spirit, angel, even God, for supreme guidance, however it's all right there already built in – in our feelings. **We just have to submit to them, allowing them to take us where they will, expressing all the parts we want to express, letting the emotion drive that expression if it's there to be expressed, or just talking about all we feel and how feeling that feeling is making us feel – or, how we feel about having that feeling, all whilst longing for the truth of our feelings. Longing for the truth of our feelings is really: Longing for the truth of our self, because: we are our feelings. So life stirs up our feelings, we feel being alive; or, being alive means we are feeling, always feeling; and when we work out what and why we are feeling what we are, so then we know the truth of how we are. And over time the truth accumulates, and our mind expands our understanding of ourselves, all being driven from our feelings.** Kevin 26 Sep 2017

### **Using our feelings to uncover the whole truth of our negative or anti truth and anti love state.**

Kevin: **So whilst we're of an untrue state, then all we have got to help us understand why we feel bad, why we are wrong, why we are negative and anti love and truth, is our feelings. So if we focus on our bad feelings, they will lead us to the truth of why we're feeling bad. Which will be the truth of what happened to us to make us be this wrong way, and how we took on the wrong way and keep it going making us feel bad.**

## **FEELING HEALING**

**Note:** The vital difference between emotion and feeling is that emotions have their roots in the past, and feelings relate to the present moment. Emotions represent our feelings which were not previously expressed, and these accumulate with time.

**Note:** **Our feelings are soul-based. Our soul is always in truth. It is our soul based feelings, that when allowed to be freely recognised, we will begin to express and be who we are. This takes time and perseverance as we have encrusted our souls with layers upon layers of errors and false beliefs, it is these layers that will confuse the truth that our soul is conveying to us. Only by our progression with our Feeling Healing will our soul's expression of truth become clear and free of all cloudiness and contamination.**

“What our soul needs in accordance with our own, individual, **Soul-Light-Plan-Of-Destiny** (your life's true destiny plan), They, being our Mother and Father, will give you as required. The only way we can know truly what we need is to honour and follow our true feelings. They, springing from our soul, literally telling us what we need, and so when we genuinely feel we need something, we apply our will to get it. The hard part is knowing if our feelings are true, and until we have done our whole soul-healing, they won't be clear and total true.” James – Introduction Course to Divine Love Spirituality

# FEELING HEALING + SOUL HEALING

To heal one's self is to simply look to see what feelings we are refusing to let ourself feel, and accept them instead of denying them. And to fully accept them, one needs to express them, speak about them, let them have their say, rather than pushing them aside, refusing to let them make you feel bad.

Doing this all with the intention of seeking the truth of why you are feeling them, of speaking about and expressing all such feelings; all feelings you have, but ALL WITH the INTENTION of UNCOVERING the TRUTH THEY WANT YOU TO SEE ABOUT YOURSELF. And it's the wanting to see the truth of them that is very important, because if you just look to accept them and speak and express them, but not seek their truth, then that's all you'll be doing, speaking and expressing them, but not healing their causes, so not fixing the things within you that are making you feel bad. And it's the truth part of it, seeking the truth of your feelings, and so, seeking the truth through your feelings, that's vitally important. It's the truth of yourself, life, nature and God, that is the spiritual aspect to it all.

You CAN'T find the truth of yourself, or anything else, through and with only your mind. You HAVE to engage and look to your feelings. And so if you choose to allow your feelings to 'Show You the Way', then the truth will come as you express them. So to do our Soul-Healing consists of these steps, all of which are ongoing until it's done:

- **Admit you are feeling bad.**
- **Accept your bad feelings, identify what they are.**
- **Honour fully your bad feelings by expressing them, speaking about them to someone who is willing to hear you talk about them, or tell them out loud to our Heavenly Parents. Long for the truth of them. Long for the truth of why you feel bad – what deep within you is causing your bad feelings?**
- **And remember, bad feelings are Good! Not bad. They are not to be despised. And as hard as it is to accept them, they are still you, and a very real part of you. And if you persist in denying them and not allowing yourself to fully live them, then you are only going to keep yourself in your errors making things harder for yourself.**
- **All sickness and suffering, all bad things that happen to you, all your problems, all your addictions – your whole feeling-denying and untrue life, is all caused by your denial of bad feelings.**
- **Every problem in the world is brought about because everyone has been brought up to deny feelings, and in particular, most of their bad ones.**

If one is intent on spiritually evolving and growing in truth, then it's vital, and this is the key, that one looks to use one's feelings as the means to gain and have access to the truth of oneself. You CAN'T find the truth of yourself or anything else through and with only your mind. You HAVE to engage and look to your feelings. And so if you choose to allow your feelings to 'Show You the Way', then the truth will come as you express them.

Doing your Soul-Healing with the Divine Love, is really doing your 'Feeling-Healing'. We are designed — created — to be self-revealing of truth, and so we are all to uncover the truth within ourselves and for ourselves, and all being done by living true to our feelings. **If you accept, express and seek the truth of your feelings, then truth will come to you, and you'll grow spiritually. It's as easy as that. Also it is as easy as it is to long for, ask for and receive Divine Love.**

THE HEALING OF YOUR BAD FEELINGS THROUGH THEIR ACCEPTANCE  
AND FINDING THE TRUTH OF THEM, IS THE ACCEPTANCE OF YOUR  
NEGATIVE, REBELLIOUS, EVIL, IMPERFECT MIND AND WILL CONDITION.

To do our feeling-healing we need to become:

Aware of – Acknowledge – and Admit, our bad feelings.

So we can:

Accept – them and allow ourselves to Be them.

And then if we feel to, take:

Action – Express, speak and emote them.

Talk about them.

All being done whilst longing to, really wanting to, see the TRUTH of our feelings.

So it sounds simple.

So I repeat:

We accept our bad feelings by expressing – speaking about them to someone willing to listen to us and take us seriously. And as we speak we long for the truth of them – why we are feeling them – to be made known to us. And when we uncover and see the truth we are FREE! – healed of the causes that have made us feel bad.

Accept, Express – see the Truth, and you're Free!

ACCEPTANCE OF ALL YOU FEEL, THINK AND ARE, IS THE KEY TO DOING  
YOUR HEALING; THAT, AND WANTING TO SEE THE TRUTH OF ALL YOU  
FEEL, THINK AND ARE.

**Release one's pain through expressing one's feelings.**

**in conjunction with**

**Longing for the Truth when also longing for Divine Love.**

**WE are meant to grow up LIVING FULLY CONNECTED to our FEELINGS:**

Humanity has always had an awareness and involvement with spirits, with life on the other side, because we are all heading that way, we all end up dying and becoming one of the spirits, and were humanity living rebellion-free, then nearly everyone would enjoy some level of spirit involvement either directly or indirectly, loving such an expansive awareness in life.

**We are meant to grow up living fully connected with our feelings in our physical reality, and at the same time with full feeling awareness of spirits and life after death, because after all, God is the greatest Spirit of us all.**

And so having an awareness and involvement with spirits can, and should, help us have more of an awareness with our Mother and Father. And it's not with just spirits, it's also with the angels who are with us all the time, and the nature spirits should we be open to them, and even higher spirits if we are to work with them, such as the Melchizedeks or Trinity Teacher Pairs. But mostly for those people involved with the Divine Love, it will be with the Celestials spirit group that is assigned to help them.

It is very important to understand that spirits and spirit life is meant to be part of life on Earth. However that's not to say everyone need to have an ongoing relationship with their spirit friends, but they can at least still be aware of spirits and spirit life and where we will be going and something about what to expect once we die. And when you are open to it, lessening the grip of one's fears about it, then we will find it will be just another aspect or level of life, and one that can give us quite a lot of comfort.

**TRUTH LOVING SOUL V ERROR INFLICTED MIND**

**Feeling  
Healing with  
Divine Love is  
the key!**

**To liberate one's real self, one's will, being one's soul, is by embracing Feeling Healing so to clear emotional injuries and errors. With the Divine Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.**

## The New Way

**Feelings First**  
**FF**  
**Feeling Free**

The New Way, Feelings First Spirituality  
 Learn to live with God through your Feelings

Accept, express and long for the truth of your feelings

Be free in your feelings  
 Free your feelings from your mind's control  
 Live true to your feelings; your feelings are your true self  
 Live true to yourself through your feelings

Live true to yourself by living true to your feelings.  
 Long for the truth of your feelings.

Accept / Express / Bring out ALL of your good, and most importantly,  
 BAD feelings.  
 Want to understand why you're feeling them.  
 Use your surface feelings to take you deeper into your repressed and  
 hidden feelings.

The Feeling Way is the True Way.  
Your feelings are your spiritual guide.  
Your feelings will take you to God.

Your feelings will show you the truth of your relationships, including your relationship with God; and if anything is wrong, untrue and unloving, then why it is.

Our feelings are sacrosanct and we should respect them accordingly. And we should NEVER block them out, ignore, override, banish, deny or reject them, because if we do, we're only doing that to ourselves, as Our Feelings Are Our Self.

Our feelings are the gateway to our soul. Our feelings are the closest we can get to our soul. Knowing the truth of our feelings is knowing the truth of our soul, and knowing the truth of God.

Feelings First Spirituality is the True path for humanity.

It embraces all people.

It completely unifies the world.

Everyone can relate to everyone else through their feelings.

And we can all live the truth that comes from our feelings, all sharing the same truths as we express and have the same feelings.

No one need be left out; no one is more special than anyone else – we are all united in Truth through our feelings.

So with and through our truth we live our lives, therefore without the need of any man-made mind-laws, rules and restrictions that limit self-expression as inspired by our feelings.

The New Way, Feelings First Spirituality is what is to replace all man-made, mind-contrived religions that so many people have enslaved themselves to. The New Way, Feelings First Spirituality will set us free of all that control, ending the Rebellion and Default within ourselves as we do our Feeling-Healing, and ending such control and spiritual stagnation in the world.

Bring on the End Times – get it over and done with! Let's all see that Jesus is not going to come again, that Prophecy has failed all the mind-controlled platforms. Allow such false systems of belief to die their long-awaited natural death, they've overstayed their welcome, it's now time they fade away. So let us show such antiquated, erroneous systems of belief the exit and bring on the fresh liberation of discovering the truth of how we are to live for ourselves, each of us personally in our lives, and all by looking to our own feelings for it. Self-revelation through our feelings is the way to go.

The Way of the Mind is ending, and is really the End Times – the End of our mind control, and **it's about time!** With the Way of our Feelings replacing it.

The End Times means the end and therefore a New Beginning. And that new beginning is a whole new Spiritual Age – an age based on self-revelation of truth through one's feelings, coupled with and supported by higher revelations from the Celestial spirits, angels and nature spirits.

The Feelings First Spirituality is the True Way to God because it helps you get to know God, helping you to reach out, connect and be personal with God, and do God's Will, all through your feelings. It is the only true way of getting to know the God of Feelings – our beloved Heavenly Mother and Father, the Great Soul of Divine Love.

Love comes through our feelings and not our mind, as we've all been wrongly led to believe.

**Feelings First; then comes The Truth; then comes Love.**

## Quantum Jump 1

### REVELATION 1

James Padgett

1914 – 1923

James Padgett bravely introduced the availability of the Mother and Father's Divine Love and a great deal of additional guidance and information, all of which has been supplemented by Samuels, Judas, Reid and Arnold. All writers were under restrictions of personality and circumstances. Revelation 1 opened the door for humanity.

## Quantum Jump 2

### REVELATION 2

Marion and James Moncrief

2002

– ongoing

Marion and James Moncrief have recognised the need for one to engage in Feeling Healing and, by their actions, removed restrictions that James Padgett and others above endured, thus JM is able to critique the writings of the past 100 years resolving points of confusion as well as expand on what has been written. Revelation 2 is humanity's turning point.

Due to the extra-ordinary nature of Revelations 1 and 2, humanity with the first Revelation would have continued on into its negative pathway of living, however, combining the first Revelation with Revelation two, now humanity can embrace this turning point and commence its evolutionary growth that has required two thousand years to put in place. This is the greatest event in the history of humanity and very few are aware of such, until we enable others to become aware.

## U-TURN for HUMANITY:

### Why are we doing a U-Turn?

We are doing a U-Turn **because** the year 2017 heralded the end of the Rebellion and Default. For two hundred thousand years, humanity has been going in the wrong direction.

### What is this fundamental step that will change our way of living?

We are to come to understand / know the foundational cause of all our feelings, both good and bad. As we explore and investigate our feelings, each time they arise, one by one, we are to talk them through, express them to a companion or friend or anyone who will listen. As we express them, while at the same time coming to understand how they have come about, we will find that they will be resolved and that they will not come up again.

We will find that all of our feelings / emotions have their foundations from our childhood. And by childhood, that is from the time of one's conception all the way through to about the age of six. It is the repression of our childhood feelings that is the base or foundational cause of each and every one of our adult personality issues, pains, difficulties, illnesses and distressful life experiences.

**We have to see the whole truth of our negative or self-denial state, before we can heal it and be free of it.**

The vital difference between **emotions** and **feelings** is:

- emotions have their roots in the past,
- feelings relate to the present moment,
- emotions represent feelings not previously expressed,
- and these accumulate over time.

Many emotional clearing processes encourage us to look into our feelings, however, none go so far as to drill down into the core foundation of any emotional feeling to the point that we strive to KNOW the core issue, the origin of the feeling, be it good or bad, and actually come to know what it is!

The *Journey Process* is generally known worldwide. It stops short of longing to know, that is asking for the knowing of the events that brought about such a feeling. Yes, we are to acknowledge the feeling, say being angry. Then accept that behind that anger is the feeling of being small, and then look at the underlying reason of why we are feeling small. What is the truth behind that feeling? Ask our Heavenly Parents what is behind all of this feeling. What is the foundation, the origin of the feeling? All the time talking it out, expressing it, with a friend. The expressing of the experience is the release of the emotion / feeling, this is what removes it for ever from within our essence, our **soul**.

### Why ask our Heavenly Parents? I thought God was just God – singular?

This is part of the revealings that have been unfolding for us very recently – that is – since 2002.

**Feeling  
Healing with  
Divine Love is  
the key!**

We are made in the image of God. This has been understood for centuries, for 2,000 years. Our soul is duplex. Our soul expresses itself through two personalities. One soul 'subdivides' into two, one half always being female and the other half always being male. We are a reflection of how God is. God being one Soul is expressed as Mother and Father. God is two personalities. They are soulmates. And each of us has a soulmate, and our soulmate is always of the opposite sex, because the Mother and Father are the opposite sex.

Thus, when we long for the truth behind a feeling, then we can long to our Heavenly Mother and Father. Only they can tell us. No spirit personality can tell us. No canonised saint can tell us, we may as well ask our next door neighbour. That would be just as productive. Mary and Jesus can't tell us, as they are also spirit personalities.

### **I was taught that Jesus was God? And what is this about Mary?**

Mary of Magdalene and Jesus of Nazareth were both born free from sin. Neither of them are God. They are both children of God, just like you and me.

History needs to be corrected. Both Jesus of Nazareth and Mary of Magdalene became at one (At-One) with our Heavenly Mother and Father during their physical lives here on Earth in the first century; Jesus in the year 26CE and Mary in the year 33CE, or thereabouts. Jesus died aged 35 (born 7BC died 29CE), and Mary died aged 47 or 48 (born 2BC died 47CE).

Further, their sojourn on Earth was the completion of their process to become the full Regents of the sector of planets that is referred to as Nebadon. The region within our super-universe that is referred to as Nebadon contains 3.8 million inhabited planets. If you look into the night sky, each star / sun potentially has between none to three inhabited planets within its orbit. Within Nebadon, the soulmate pair, namely Mary and Jesus, are our Spiritual Teachers of Truth. Their domain is all 3.8 million physical planets plus their associated spirit worlds. Each physical world has seven associated spirit worlds, which is the case for Earth being one of the 37 that have rebelled.

Some 200,000 years ago, Lucifer with his soulmate and his deputy, Satan with his soulmate, brought about a rebellion on 37 of the inhabited planets within the region called Satania, one of the local universal systems of Nebadon. Earth compounded the situation through the Default of Adam and Eve about 38,000 years ago. Thus the population of Earth, being in the worst condition through the Rebellion and Default, became the location for Mary and Jesus to have their physical experience to complete their ascendancy to full Regency of the local universal system being Nebadon.

Their lives on Earth was the start of the unravelling of the Rebellion and Default. Upon Jesus becoming At-One with our Mother and Father, he was then vested with the authority and power to have the Lucifers and Satans arrested, and they now reside exiled within a prison world.

Notice that there were no records of Jesus and Mary's teachings and experiences made during their physical life. That was because they did not specifically come here for us, they came for the benefit of all peoples of all planets and spirit worlds throughout Nebadon.

As they are Paradise descending spirits, they have **Spirits of Truth**. Upon Mary and Jesus' death, they released their Spirits of Truth. As spirits, Jesus and Mary are how we will be, once we've finished our Soul Healing. They can only be in one place at any one time. However, it is their Spirits of Truth throughout Nebadon that we can connect with for guidance. It is through their Spirits of Truth that spirit personalities can progress through and out of Nebadon.

Those planets that have Rebelled need further assistance, and they need it on a localised manner. This can only be provided by another bestowal of a **Paradise Pair**, and that is in the form and manner of an **Avonal soulmate pair** who come here specifically for us.

### **What is the purpose of an Avonal pair, and are they here on Earth?**

Unlike Jesus and Mary who were always free from sin and did not experience how to heal themselves, the Avonal pair are to experience all of the extremes of evilness and then proceed to heal themselves. Mary and Jesus through their bestowal on Earth ended the Lucifers spiritual rebellion in Nebadon; the Avonals bestowal is primarily concerned with ending the Default of Adam and Eve by the Avonals themselves personally healing the effects of such a damaging Fall.

The soulmate Avonal pair are to be, and have been, subjected to the extremes of childhood suppression and repression, and then, through their Feeling Healing, are experiencing all the facets of emerging truth as they slowly progress through a protracted and difficult healing process. As they reach specific milestones, this also enables those in the Celestial Heavens, (the three worlds where Celestials reside) to be empowered to assist us in the physical on Earth.

The first considered milestone was the arresting and imprisonment of the Caligastia soulmate pair and the Daligastia soulmate pair. After the arrest of the Lucifers and Satans in the first century, as nothing further occurred, the Caligastias and Daligastias continued on from spirit as if they were kings and queens, suppressing all of humanity and with plans to take over the universe. It was possibly in the early 1990s that they were 'judged' and 'removed'. They were caught unaware that an Avonal bestowal pair were on Earth.

### **How is all this becoming known? Has Jesus and Mary communicated directly to Earth?**

Unlike in the first century, when no records were kept (as the event related to all of Nebadon and it was actually setting the stage for the Avonal bestowal pair to arrive on Earth), every effort to retain records in great detail of this current series of events is now being attended to. Consider this. The New Testament of the Bible is some 300 pages. The records of the Second Coming, which this is, the primary records are possibly 6,000 pages, with direct complementary records increasing that to over 10,000 pages and with all the supplementary records to date, there may be as many as 40,000 pages, certainly well over 30,000 pages of material presently.

Jesus directly communicated through James Padgett from 1914 to 1923. Mary of Magdalene (Mary M) has directly communicated through James Moncrief from 2002 and is ongoing. Jesus has also communicated directly through James Moncrief. Neither have ever directly communicated through any one else, however, some Celestial Spirit personalities have provided information through other personalities on Earth with the support and approval of Jesus and Mary, thus some confusion, though the quality of the information is very reliable.

## **You say this is the Second Coming? You say I am living during the time of the Second Coming?**

Yes you are. And it's more than that. This is the Second Coming, the End Times and the Handover!

In fulfilment of the prophecy in the first century, the Second Coming commenced on 31 May 1914 through the writings with James Padgett and concluded in 2014 through the writings with James Moncrief.

The End Times are well advanced. Mary and Jesus are well advanced in handing over their direct involvement with Earth to those within the Celestial Heavens. When this is completed, the Handover will also occur. **The Hand Over is to the Avonal Bestowal pair** and it is they who will guide the population on Earth through their Feeling Healing processes for the next 1,000 years, being the next spiritual age. The Handover will take place after the Avonal pair complete their personal Healing of the Rebellion and Default. Then will follow with their Spirits of Truth being officially liberated in alignment with Mary M and Jesus' Spirits of Truth upon their death.

Major events have occurred with the progression of the Avonal pair's Feeling Healing, which they are also doing whilst embracing our Heavenly Parents' Divine Love, thus they are doing their Soul Healing.

Early 1990s:	The arrest of the Caligastia and Daligastia soulmate pairs.
22 March 2017:	Negative spirit influence was blocked.
31 March 2017:	Angel assisted healing will become available upon the Avonal pair completing their own Feeling Healing, being with Divine Love, thus it being Soul Healing.
22 May 2017:	Law of Compensation quickening.
2 December 2017:	Psychic Barriers maintaining the Rebellion and Default were cracked.
8 December 2017:	Bring on the money to ' <b>house the future of humanity</b> '.
31 January 2018:	Earth and the seven associated Mansion Worlds (including the two Earth planes) are <b>officially</b> now fully under the control of Celestial spirits. This marks a tangible and real end to the Rebellion and Default.

**How does this all fit into our future way of living?**

**This time, in the history of humanity, is the most exciting time ever experienced.**

**The whole human race is suffering from repressed childhood and mind control.**

Through one's Feeling Healing, and should we embrace our Heavenly Parents' Divine Love, then with their Love we are doing our Soul Healing, and eventually we can live totally in accordance with our soul based feelings and live free from error – no more fear and no more physical illnesses is possible!

**By living true to ourselves, true to our feelings, we are living true to God. It's that simple.**

Our soul is always perfect. In fact, we are the complete package. All that we need to know is within our soul. This knowledge has been denied from us since the time of the Rebellion and compounded by the Default. That is what was brought upon us by the Lucifers and his cohorts. We have always been meant

to live true to our soul based feelings but we were taught to embrace our error riddled mind – this was aided by our parents – unknowingly all parents have taught their children to be mind dominant. **This is the Great U-Turn. We are to feel and live by our feelings and express our feelings, our mind will follow in support, not the other way around.**

“Many people look for a person, spirit, angel, even God, for supreme guidance, however it’s all right there already built in – in our feelings. **Feelings** guide us through our **ascension of truth**. So they are really our Supreme Guides. We just have to submit to them, allowing them to take us where they will, expressing all the parts we want to express, letting the emotion drive that expression if it’s there to be expressed, or just talking about all we feel and how feeling that feeling is making us feel – or, how we feel about having that feeling, all whilst longing for the truth of our feelings. Longing for the truth of our feelings is really: **Longing for the truth of our self, because: we are our feelings**. So life stirs up our feelings, we feel being alive; or, being alive means we are feeling, always feeling; and when we work out what and why we are feeling what we are, so then we know the truth of how we are. And over time the truth accumulates, and our mind expands our understanding of ourselves, all being driven from our feelings.”

Kevin of the 1<sup>st</sup> Celestial Heaven 26 September 2017

(Kevin Cooper died 10 August 2012, through Feeling Healing became Celestial on 7 August 2017.)

It is through the assistance of the Spirits of Truth of the Avonal Pair, upon the completion of their Soul Healing, that we will be guided through our Feeling Healing process, and should we embrace our Mother and Father’s Divine Love, then our Soul Healing.

Then should we embrace Mary and Jesus as our Spiritual Teachers of Truth, their Spirits of Truth will lead us on the path through the Celestial Heavens where we will certainly meet up with our soulmate and join our soulgroup, which will eventually consist of twelve soulmate pairs. Then as a soulgroup, the Spirits of Truth of Mary and Jesus will lead us up through and out of Nebadon towards Paradise.

It is then our Mother and Father in Paradise who draw us to them and we will eventually meet our Heavenly Parents.

Meanwhile, while we live on Earth, we will have assistance and guidance previously denied to us throughout the era of the Rebellion and Default. Under the Contract controlling and managing the Rebellion and Default, the powers and capabilities of our Celestial Heaven spirit personalities, all three worlds of them, were heavily restricted and almost of no assistance to us at all. Further, Nature Spirits and our Angels were heavily denied contact with us physical people because of the Rebellion and Default, all of which is soon to change, so we can look directly to them for help concerning healing ourselves and understanding all aspects of nature.

As we embrace our Feeling Healing, Celestial spirits will and can greatly assist us. In fact, during the year of 2017 they have blocked all mind spirits from the Natural Love Mansion Worlds: 1, 2, 4 and 6 from interfering with us. Celestials have taken control of all facets of living and life on Earth. Celestials are those spirits who have completed their Feeling Healing and progressed through Divine Love Mansion Worlds 3, 5 and 7 and now live in the higher Celestial Heavens, 1, 2 and 3 (when we become At One with our Heavenly Parents then we leave the Mansion Worlds and progress through the next three spheres related to Earth, hence the Celestial Heavens are also referred to as being numbered 8, 9 and 10).

The Nature Spirits of Earth, who live in the third Earth plane, can now directly interact with those who are embracing their Feeling Healing. Nature Spirits are essentially ‘angels in waiting’. They have been on Earth prior to anything that we now see living in nature. When they first started to arrive, there was no life in the seas or on land. They have consequently witnessed everything that has happened on Earth, including all prior human civilisations that we continue to largely remain ignorant of. Their knowledge and assistance is of great importance to us. We are to interact with them on an ever increasing scale. They are to become an invaluable source of information for us concerning how we are best to live with nature.

Further, we may become more aware of our **Indwelling Spirit**, which arrives for each of us during our sixth year, as we now progress with our Feeling Healing, or with Divine Love, our Soul Healing.

And all of this is possible as we embrace our Feeling Healing process, acknowledge and accept the Avonal pair, acknowledge and accept our Spiritual Teachers of Truth, namely Mary and Jesus, and more importantly, grow to love our Heavenly Parents, our true Mother and Father.

We do not need intermediaries, rituals, liturgy, dogmas, creeds, fancy clothing, or institutions. It is our soul based feelings and expressions that we may exchange directly with our Heavenly Parents. Groups may form to assist each other, and that is our choice and within our free will.

**This is the greatest event in the history of humanity.**

This is the Great U-Turn that humanity will embrace throughout the next 1,000 years. MoC 1,480

## WE ALL ARE BEING GUIDED HOME:

We need the Spirits of Truth of the Avonal Pair to Heal ourselves; then once Healed, (and for support (overshadowing) as well through your Healing), we need the Creator Pair, Mary Magdalene and Jesus' Spirits of Truth to see us through the Celestial spheres, while at all times embracing our Heavenly Mother and Father.

Until Mary and Jesus died and liberated their Spirits of Truth, no one from any of the worlds could leave Nebadon, because no one knew the way to do so. Nebadon is our local universe containing some 3.8 million inhabited physical worlds and their associated spirit worlds.

When we embrace the truths Mary and Jesus are revealing, and start to do our Feeling Healing, or with Divine Love, Soul Healing, we are then freeing ourselves up from our parental and self control.

Thus our journey to Paradise, to the home of our Heavenly Parents, is of our choosing as to when we progress, however, there is only one way:

**HUM:** Humanity is to ascend. We are self contained. Our soul is always in truth and perfect at all times. **By living true to ourself, true to our feelings, we are living true to God. It's that simple.**

We are to recognise that being engaged and dominated by our mind is the wrong way for us to evolve and grow in truth. We are to discard the mind enslavement that has been imposed upon as by all of our parents. We are to express our feelings, both good and bad and free ourselves of the indoctrination that humanity has embraced worldwide.

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God's soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of our Mother and Father.

**AVO:** We are to embrace the truths and guidance of the Avonal Pair through their Spirits of Truth. It is the Avonal Pair's guidance that will lead us through our Feeling Healing, and with Divine Love, we will be able to ascend through the 7 spirit Mansion Worlds and enter the Celestial Heavens where we also interact with other world's spirits.

**J&M:** We are also to embrace the truths and guidance of the Paradise Pair, Mary and Jesus, who will then lead us through the 3 Celestial Heavens that are aligned with Earth, and then further on through Nebadon where we will then depart beyond on towards Paradise.

**M&F:** Beyond the universal zone of Nebadon, we will be guided by our Heavenly Mother and Father onwards through the universes to Paradise where we will be welcomed by them, home for us all, as we are all Children of God.

HUM

**WE ARE Children of God**

**WE ALL ARE BEING GUIDED HOME – NOW, HOW TO COMMENCE THE JOURNEY:**

**GOD**

**M&F**

For 200,000 years, we have been misled into embracing our mind's distortion of wisdom and truth. All such traditional understandings only lead us in the wrong direction, from which we must turn back from. Our soul based feelings are always in truth. Our minds are to follow our soul based truths and feelings, not the other way round, as we have been brought up to embrace.

We are to connect with our deeper repressed feelings.  
We are to long for the truth of what we are feeling.  
We are to live true to our selves; by living true to our feelings.

Use your surface day-to-day feelings to connect with your deeper repressed feelings. Express your surface feelings and your deeper repressed feelings to uncover the truth of yourself.

**J&M**

We all have feelings which we communicate and share with each other. And we all have deeper buried and hidden repressed feelings. Feelings from our early childhood we felt, yet weren't allowed to express. These feelings are still within us, waiting to have their say. These feelings, because they are repressed, cause us all our problems.

And as we look to uncover, bring out and accept these deeper feelings, so we're taken into new ways of looking at ourselves, our feelings, and our life. We're setting ourselves free of the controlling patterns that govern our unloving behaviour.

In this way, we progressively begin to express the personality that our Heavenly Mother and Father gave us, not the one imposed upon us by our physical parents and carers. We are to be our true and real selves.

**By living true to ourself, true to our feelings, we are living true to God. It's that simple.**

**AVO**

**HUM**

As we, humanity, long for the truth of our feelings, we can also be assisted by the Spirits of Truth of the Avonal Pair who are our spiritual teachers for Earth over this coming 1,000 years, to assist us through the Great U-Turn, away from mind dominance to being soul based feeling lead. They will assist us through the seven levels of the spirit Mansion Worlds.

Then the Creator Pair, Jesus and Mary, will lead us through Nebadon and into the greater universe. Then our Heavenly Mother and Father lead us home to Paradise.

**WE ARE Children of God**

Collectively, should we embrace them all, as we are to, then our pathway home is a journey in the hands of the Spirits of Truth of the Avonal and Paradise Pairs overseen by our Heavenly Parents.

**HOW TO GET TO PARADISE:**

Long for the Divine Love

Long for the Truth

Long for the truth of your feelings

Don't deny any feelings: accept, express and want to know the truth of them

Know your feelings are the key; your feelings are the Way

Want to end your falseness and being untrue

Want to understand the truth of your early life

Use your surface feelings to move deeper into yourself, bringing up your repressed feelings

Want and long to know the whole truth of yourself

Want to do it all with God, your Heavenly Mother and Father – long to Them for help.

**The Key**

Our longing drives our life. We long with feelings. We can wish for things using our mind, yet long for things with our heart. These things in the pyramid are what to long for. Longing for them, when the longing comes naturally. Longing because you feel you really want them. Long to be true with all your heart. Long to live true to your feelings. Long to understand the whole truth of yourself.

PARADISE TRINITY:

1. **Our MOTHER and FATHER (God) (MF) – Divine Love**  
SOUL (God) – One SOUL that is expressing its two PERSONALITIES, our Heavenly Mother and Heavenly Father (Soulmates)
  2. **ETERNAL SON (ES) – Divine Truth**
  3. **INFINITE DAUGHTER (ID) – Divine Mind**
- Then: The Second and Third Persons of the Paradise Trinity (ES and ID) are stepped down to the local universe trinity (Mary and Jesus, Divine Minister (DM), and her Holy Spirit.

The LOCAL UNIVERSE TRINITY:

1. **MARY M and JESUS** – Our MOTHER and FATHER – Love – the Living Truth
2. **DIVINE MINISTER** – Mind (and her Holy Spirit)
3. **HUMANITY – Natural love, sons and Daughters – Truth, and our Angels – Mind**

PLANETS that engage in REBELLION:

1. **AVONAL SOULMATE PAIR** – the Feeling Healing process – incarnate
2. **DAYNAL – TEACHER PAIRS** – they do not incarnate

So in summary:

Consider a diamond:

# Mother and Father Heavenly Parents

Creator Son & Daughter  
Jesus and Mary

Avonals  
as soulmate pairs

Trinity Teachers  
as soulmate pairs

Melchizedeks – who have taken over from the Caligastians and Daligastians being also all as soulmate pairs.

Mortal Souls – human beings who individualise on Earth, then progress through the spirit Mansion Worlds, then into the Celestial Heavens, and beyond.

Mortal Souls – also being ascending spirits, upon completing their Soul Healing, join with their soulmate, then join their soul group of 24 mortal spirits, being 12 soul pairs. It is only as a soulgroup that anyone can progress beyond Nebadon.

The Paradise Pairs are all ONLY concerned with the SPIRITUAL wellbeing and upliftment of the planets and local universe. Currently to do with Earth:

Mary and Jesus – spiritual wellbeing and upliftment of the whole of Nebadon region.

Avonal Pair – Daynal pairs (Trinity Teacher Daughters and Sons) – Spiritual wellbeing and upliftment of individual planets and their associated Mansion Worlds.

The Local universal Sons and Daughters are all about the running of the worlds under their jurisdiction, and ensuring the higher spiritual elements can be employed, or sent astray, as in our cases through the Rebellion and Default.

Lanonandeks – Melchizedeks (and others, such as Life Carriers and Eve and Adam).

As the Lanonandeks all rebelled – the Lucifers, Satans, Caligastias and Daligastias soulmate pairs – so the Melchizedeks have taken over their roles, as well as doing their own.

So the Melchizedeks are the governors, overseers, the administrators and advisors and so on for Earth; they are the ‘controllers’, and they will instigate all that needs to be done to do with the ending of the Rebellion and Default. And they will enlist the willing help of ascending mortal pairs, so the mortal Celestials spirits (soulmates when available, and others waiting to unite with their partner), and at times mortal spirits in the Divine Love Healing Mansion Worlds. And the angels help all of us.

Currently the whole of Creation exists for the ascension of mortal souls from their earth planets to Paradise. It’s all one vast Grand Ascension Scheme. With all the higher and lower spiritual Daughters and Sons, together with all the many different angels and other universal spirit personalities, and even including nature and our very own pets, assisting women and men with their Ascension Journey. It being: and Ascension of Truth. Everything we do is done to help us grow in truth. (Only everything we do in our negative state is to deny ourselves our truth from our feelings, which is why we have to do our Healing.) All women and men are ascending (or growing) in truth through their experiences. And as we grow in truth by looking to our feelings to show us that truth, so we’re ascending, moving inwards and upwards through all the worlds and spheres of the Grand Universe to one day arrive on Paradise and meet our Heavenly Parents. God is providing us, Their children, with this spiritual journey called our Ascension of Truth. And by living true to our feelings, so we are progressing on our true Spiritual Path – our Ascension Path.

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God’s soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of your Mother and Father.

**Humanity** is to pursue the pathway for Truth through one’s soul based feelings, this is the right pathway. However, humanity commences its journey founded on natural love, which we now know is to be perfected through one’s Feeling Healing process and then made divine through asking for and receiving our Heavenly Parents’ Divine Love.

For 200,000 years, **humanity** has pursued the pathway of the Mind, being that of the brain, this is the wrong pathway. The Mind is the pathway for Angels and that of all of Nature.

**CREATION of SOUL and SPIRIT:**

God is *The Paradise Trinity* — the eternal Deity union of the Personalities: the Universal Mother and Father; the Eternal Son of Truth; and the Infinite Daughter Spirit of Mind.

The soul of each human personality (sons and daughters of truth) is existential, driving our personality expression in the experiential. The soul of each human finds truth by embracing one's feelings and longing for the truth of them. We are to attain the Eternal Son of Truth. We are a creation of Truth.

The soul of angels is experiential, evolving through their experience by continually progressing in mind development. Angels are to attain the Infinite Daughter (Spirit) of Mind. Angels are a creation of Mind. Our soul is duplex (we have a soulmate) and is created by our Heavenly Parents. Through our Feeling Healing we perfect ourselves enabling the union with our soulmate, as we progress in truth up through the Mansion Worlds, celestial heavens and all the way to Paradise.

Feeling Pathway

Mind Pathway

Soulmate Pair

Angel

The soul of angels is also duplex, yet of the mind, and they progress in mind evolution to Paradise. Animals, plants and nature spirits are also creations of Mind.

Neither we nor animals reincarnate. We never die; upon death, we move into the spirit Mansion Worlds on our journey to Paradise. When animals and plants die, be they the tiny microbe to the mighty elephants of the land and the whales of the ocean, their spirit energy returns to the Spirit Collective Energy. And from this energy are drawn other animals and the nature spirits, who then in turn move onto becoming angels through increasing mind experience.

Spirit Person

Nature Spirit

A nature spirit is an angel in waiting.

### **OUR GUIDANCE to PARADISE, the home of our HEAVENLY PARENTS:**

There are three distinct phases of our progression to the home of our Heavenly Parents which is Paradise that is within the circle of seven Super Universes, each containing many Local Universes.

Once we progress beyond our Local Universe of Nebadon, then we are assisted and guided by our Heavenly Parents, our true Mother and Father all the way home to Paradise.

Before then, once we have completed our soul healing, we are guided through the Celestial Heaven worlds which are those that interact with humanity on Earth, then further on into and then out through Nebadon, our Local Universe. The regents of Nebadon are Mary and Jesus.

However, before then, we are to embrace our healing. That is, we are to realise who we truly are. We are not the personalities that our parents imposed upon us. We are to put aside our childhood suppression and repression and free our true personality that our Heavenly Parents gave us, and to do this we are now able to embrace the guidance of the Avonal Pair who will lead us through our healing here on Earth and through the Spirit Mansion Worlds to be able to enter the Celestial Heavens.

### **What is Divine Love?**

**It is the Divine Love of God, our Heavenly Parents, restored to all mankind by the births of Jesus and Mary.**

### **How do we get this Love?**

**By sincerely asking God, our Mother and Father, and receiving the Love that passes all understanding.**

### **What happens then?**

**We are born again in spirit and in truth, our soul opened to the Soul of God, our Heavenly Parents.**

### **What then do we know?**

**We know we are all children of God and want to pray always to our Heavenly Parents, always longing for Truth.**

### **What is the purpose of Feeling Healing?**

**We are to seek the truth of our feelings and unburden ourselves from our childhood repression and injuries.**

### **What of the world?**

**We are at peace in the world and fearless. In Divine Love and in Truth there is no fear.**

### **What else?**

**We are to strive to love everyone unconditionally as our Heavenly Parents and as Mary and Jesus love us.**

**GAINING the equivalent of PhDs SPHERE by SPHERE:**

The journey to our ultimate destination is of enormous proportions, however, we have loving assistance and guidance all the way.

Consider that each major sphere that we progress through is capped with the granting of a PhD. Thus our journey to our ultimate home could be said to represent the achievement of gaining some 16 PhDs!!! Incredible!

Yes, we can all do it. As we ask for and receive Divine Love, as well as doing our Feeling Healing, we accumulate this wonderful essence progressively within our every growing soul, all visible due to the luminosity that this wonderful substance generates through our solar plexus of our spirit body. Our solar plexus are called this way due to this radiance emanating from that location of our being.

Major spheres that we may advance through are:

- Spirit World (Divine Love) spheres 4
- Celestial Heavens spheres 3
- Eternal Spheres 3
- Infinite and Universal Spheres 3
- Spheres of Paradise 3 then

**Super Grand Sphere surrounding God’s Sphere & Soul**

Total number of graduations      **PhDs**      **16**

Each sphere contains numerous planes and layers, thus our journey will have an incomprehensible diversity of experiences, all incredibly loving, progressive, evolutionary and creative once we set to commencing by simply longing for to our Mother and Father, please may I receive your Love! Divine Love will never be withheld from us once we ask.

When we arrive we will be amongst the most capped personalities ever imaginable!

This is one time when this statement stands out:

***“Never can one man do more for another man than by making it known of the availability of the Feeling Healing process and Divine Love.” JD***

## **GOD'S MESSAGES are all within ONE BOOK?**

To find all of our Mother and Father's Truths and Laws of Love within one book, now, that would have to be one huge book. Spirit beings have spent countless centuries studying the Laws of our Heavenly Parents and have never completed the exercise.

Even though the Laws of the Creator never change, (however we continue to do), all of the books in the world could not contain all of Their wonderful gifts for us.

To consider that this book, or that book, contains all that is to be known seriously locks one into stagnation and entrapment of the worst kind. Our urging to explore and learn is continually being prompted and guided by the gift from our Parents for us to continue on discovering the wonders and joys that wait for us, should we so ask.

Humanity has foundation teachings which have been introduced by the works of humanity to various sectors of society. Over the tens of thousands of years, these works have been handed down never to be considered as the complete works, but a platform for us to open our minds and souls and to explore further.

These books of old have been generously expanded upon by our Celestial Teachers with thousands of pages of guidance, teaching and love so that we can now, as a universal man, open our hearts in a way that we can now take humanity out of conflict and war like natures.

The journey of new teachings and guidance will continue to grow and grow and grow to infinity!

**FEELING HEALING and SOUL HEALING with the DIVINE LOVE:****James Moncrief Publications:****all publications are free downloads:**<http://divinelovesp.weebly.com/my-free-books-and-free-padgett-messages.html>

It is suggested for one to consider reading as follows:

**Speaking with Mary Magdalene and Jesus – books 1 – 4**

These four books encapsulate the second of the revelations with the first having been introduced by James Padgett one hundred years previously. These four books provide a wide range of guidance that has never previously been made available.

**Paul – City of Light**

As a gentle intro into the Divine Love and Healing; being James Moncrief's first novel and it's been criticised as being too heavily clichéd, but that's the point because it's a reflection of how he was back then.

**Ann and Terry**

For an example of people who might want to immediately start working on themselves and doing their Healing.

**Feeling Bad? Bad Feelings are GOOD**

For more understanding about our denial of our feelings and why we should not deny our feelings, and it includes how it all came about for James, using himself as an example.

**Feeling bad will make you feel BETTER – Eventually!**

This includes specific examples of Marion and James working on expressing particular bad feelings, again with the hope that it will help others gain something of an idea as to what's involved in doing your Feeling Healing.

**Sage – and the Healing Angels of Light**

Through Sage who's 13 years old, the story is primarily about the two aspects of healing; that being, with the help of our angels, and the full Healing we can do by looking to our feelings for their truth.

**Religion of Feelings  
Feeling Healing**

**Welcome to LOVE – the Religion of Feelings  
you can heal yourself through your feelings**

So these books, including the four Speaking with Mary Magdalene and Jesus books, provide the essence of it all and are examples of James' work. Then it's up to whatever takes one's fancy. Other reading to consider may include:

**The Padgett Messages being published as:****The True Gospel Revealed Anew by Jesus volumes 1 – 4****Book of Truths by Joseph Babinsky****The Urantia Book**

**Release one's pain through expressing one's feelings.**

**in conjunction with**

**Longing for the Truth when also longing for Divine Love.**

### **FEELING HEALING with DIVINE LOVE is SOUL HEALING:**

*A collection of 'papers' that draw together specific topics including all of the above and more from other sources of information and revelation designed to help increase one's awareness about why we have the problems we do and how to heal them, all whilst living a more healthy and sustainable life. They provide a brief snapshot of the more complicated topics and issues.*

**Firstly, consider discovering the truth of your emotional pain through Feeling Healing.  
Secondly, consider longing for our Heavenly Parents' Love as you progress with your healing.  
Primary and most important readings are the writings of James Moncrief.  
Then consider the Padgett Messages, and then The Urantia Book.**

**On the WINGS of a BUTTERFLY:** No 12, Traveller, an immortal journey, via Zara and Nicholas

Once upon a time there was a butterfly sitting with closed wings in a person's heart. This butterfly had been sitting with wings closed for a long time. The person couldn't figure out why they always felt a little sad. One day, this person asked another person why they feel sad. The response happened quickly and the person didn't like the response. It was said that perhaps your soul is sad. Several days passed and soon that person found themselves sitting by the sea. The sea has great longing to it. As the sun shone on a late spring day, the person thought about their soul and that perhaps, the person's remark was true, and that this person was a messenger of some sort. Suddenly a breeze swept through the beach and the person heard a distinct voice speak directly to him! The voice said, "Let your soul breathe in Divine Love." That was all the voice said.

The person didn't know what the Divine Love was or where it was, but now the sadness had greater longing so the person decided to breathe in the Divine Love and just like that – the closed wings of the butterfly opened and the person's sadness started to dissolve. Happiness will be mine the person thought upon feeling the Love and this will take time for me to learn how to live such happiness.

Never again, in the heart of that person, did the butterfly close its wings.
